

The CEO 426

Chapter 426 Happy Birthday

Gu Ci handed the box in his hand to Mo Rao and continued, "This is something very precious to me. I want to give it to you as a gift."

"Mo Rao, happy birthday."

As soon as Gu Ci finished speaking, the sound of fireworks rising into the sky suddenly came from outside the French window.

The moment Mo Rao turned to look over, fireworks exploded in the air.

Then, the fireworks scattered like the wind, leaving behind stars in the sky.

Fireworks exploded one after another, illuminating Mo Rao's face again and again.

She liked to watch fireworks. In her opinion, watching fireworks with her lover was extremely romantic.

In this situation, the person standing beside her was Gu Ci.

– A man who liked her but she didn't like.

Under such an atmosphere, Mo Rao was touched for a moment.

She even felt that if she had not been hurt so badly by Fu Ying previously, she might have already fallen for Gu Ci.

"Mo Rao."

Beautiful moments would always get interrupted.

And the disruptor was always Fu Ying.

Fu Ying had already strode to Mo Rao and Gu Ci's side and called Mo Rao's name with a cold expression.

Mo Rao slowly turned around and looked at Fu Ying. "Fu Ying, if I remember correctly, I didn't invite you, did I?"

"So, why didn't you invite me? Am I that despicable in your heart? Am I not even qualified to attend your birthday banquet?" Fu Ying questioned.

When Mo Wan and Fu Lin saw Fu Ying, they were stunned and hurriedly ran over. "Fu Ying, why are you here?"

"Dad, Mom, even you guys have been hiding it from me? If Gu Hai hadn't heard about this, I would have stood at Rao Rao's door foolishly and waited for her to come back to celebrate her birthday."

For the first time, Fu Ying felt like a joke.

At first, he wanted to stand at Mo Rao's door with the gift and wait for her to come back, in case she and Mo Yuan didn't open the door.

He even choose the cake he was going to buy for Mo Rao already. It was her favorite flavor.

He wanted to make up for what he owed Mo Rao in the past, but in the end, he was the outsider.

Previously, Fu Ying thought that since he had done so much and that he had already made love to Mo Rao twice, his relationship with Mo Rao had more or less improved.

Now, he was right back at the start.

“Fu Ying, this is your wishful thinking,” Gu Ci said to Fu Ying with a cold expression. “There’s no problem with Mo Rao treating you like this. Have you forgotten how you hurt her previously?”

Fu Ying was already sad, so when he saw Gu Ci and Mo Rao being so intimate, he was even angrier.

Now that Gu Ci was accusing him, Fu Ying couldn’t help but retort, “Who do you think you are? Have you experienced more than half of what I have experienced with Mo Rao?”

“You think you know her well?”

“Fu Ying, haven’t you caused enough trouble?!” Mo Rao’s good mood was ruined by this farce. She didn’t want Fu Ying and Gu Ci to have a conflict here, so she hurriedly stopped him. “I didn’t invite you. Isn’t my meaning obvious?”

“I don’t want to have anything to do with you anymore. I don’t want anyone to think that we’re still involved.”

Mo Rao said bluntly, “Fu Ying, our relationship is already in the past. Your appearance will only remind me of the past. And that past is the most painful and darkest period of my life.”

“I’ll never forgive you.”

Mo Rao’s serious look and words completely broke Fu Ying’s heart.

Everyone’s gazes were like countless spotlights on him, revealing his humiliation.

“Fu Ying, look at you. You ruined Rao Rao’s plans again.” What Mo Wan didn’t want to see had happened in the end, so she couldn’t help but reprimand him.

Fu Ying’s eyes were red as he smiled and said, “I’ve placed the birthday gift in the registration office. Rao Rao, happy birthday.”

With that, he turned around and left without looking back.

There was no anger or argument. Fu Ying left very calmly.

However, Fu Ying’s calmness made Mo Rao even more afraid.

Looking at Fu Ying’s back figure, Mo Rao felt that he seemed to be in a more woeful state than ever.
