

The CEO 436

Chapter 436 Not An Accident

Mo Rao lowered her eyes. She didn't want to see such an outcome.

Gu Hai looked at Mo Rao awkwardly and said, "Miss Mo, wait a moment. I'll inform President Fu."

Mo Rao nodded, then Gu Hai knocked on the door and walked in.

"President Fu, Miss Mo is here to see you." Gu Hai said.

Fu Ying was stunned. Joy flashed across his eyes, but soon, this joy was replaced by disappointment.

"I don't want to see her now," Fu Ying replied.

He didn't know how to face Mo Rao.

At this moment, his face was still scarred from the car accident and his head was wrapped in a bandage. What made him feel even more despair was that his legs were crippled.

How was he going to face Mo Rao in such a sorry state? Fu Ying didn't know how to face Mo Rao.

Gu Hai knew that Fu Ying must want to see Mo Rao very much, so he advised, "President Fu, Miss Mo is very concerned about you. When she heard that you were awake, she immediately came over."

Fu Lin also patted Fu Ying's shoulder. "That's right. Rao Rao is already here. You can't make her to come here for nothing, right?"

Fu Ying took a deep breath and agreed after a moment of hesitation. "Alright."

Gu Hai quickly walked to the door and opened it for Mo Rao. "Miss Mo, please come in."

While unconscious, Fu Ying would always dream of Mo Rao. Now that he was awake, he could finally see Mo Rao.

Mo Rao was wearing a long white dress and a navy blue wool coat. She had a khaki scarf around her neck and her face was flushed, as if she had rushed over from the snow.

Although Fu Ying had thousands of mixed emotions in his heart, when he saw Mo Rao, he couldn't help but stare at her.

"Rao Rao, come and sit." Fu Lin smiled and let Mo Rao sit on the chair by the bed. Then, he pulled Gu Hai out as he said, "The two of you can chat slowly. Gu Hai and I will go find the doctor to understand the situation first."

With that, only Mo Rao and Fu Ying were left in the ward.

For a long time, the two of them stared at each other in silence.

In the past, whenever they met, Fu Ying would always find a topic to talk to Mo Rao about. Even if Mo Rao didn't want to talk to him, Fu Ying would always talk to her patiently.

However, this time, Fu Ying didn't take the initiative to speak.

Looking at Fu Ying's pale face, Mo Rao broke the silence first and asked, "Are you feeling better?"

"Yes, since I was able to wake up, I'm already much better." Fu Ying smiled at Mo Rao.

However, Mo Rao could tell that Fu Ying's smile was very forced.

"What's with the car accident? Was it really an accident?" Mo Rao couldn't believe that a levelheaded person like Fu Ying would get into a car accident because of his emotions.

Fu Ying was stunned for a moment before saying, "After I left the hotel that night, I wanted to go for a drive. I was in a bad mood at that time, so I kept racing on the road. For some reason, I arrived at the mountain road by the sea."

"This actually wasn't an accident." Fu Ying frowned. "At that time, my steering wheel malfunctioned. When I reacted, I immediately stepped on the brakes, so I didn't rush down the cliff."

When Mo Rao heard this, cold sweat broke out on her back.

This meant that Fu Ying's accident was deliberately caused by someone.

"Have you told Gu Hai?" Mo Rao asked anxiously. "You have to send someone to investigate quickly."

"I'll tell him later. It's just that I've been unconscious for so long, so I don't know how that car is. If it's already been repaired, it should be very difficult to find evidence." Fu Ying was rarely plotted against. This time, he had fallen into a trap.

Mo Rao was also a little worried that it would be difficult to investigate after so long, but Fu Ying had to investigate. Otherwise, this matter would really be left unsettled.

"Have you offended anyone recently?" Mo Rao continued to ask.

Fu Ying shook his head. "No, business has been progressing quite smoothly recently. I don't think anyone will want to kill me. As for you, how have you been recently?"

Mo Rao nodded, but didn't tell Fu Ying that Lin Xia had hired assassins to kill her. Now that Lin Xia was already dead, Mo Rao didn't want Fu Ying to worry about this anymore.

Besides, this matter was related to Gu Ci.

Now, Fu Ying urgently needed to recuperate. If he found out about Gu Ci's matter, he might get jealous and angry again.
