

Chapter 4231

Hearing Tasha ask this, Sara asked curiously, "What? Is there anything special about this charity fund?"

"Of course, there is," Tasha said with a smile,

"This fund is dedicated to help North American Chinese orphans, to solve their daily needs,"

"And also to support their education until they enter society and have a stable income."

Sara heard this, the expression has had a few changes, nodded repeatedly, full of seriousness, and muttered:

“So it is specifically to rescue orphans ah that is really meaningful” “You help me to see my time that night, if it’s convenient, I’ll go to attend.”

Tasha skimmed her mouth, deliberately teasing her: “Look at you, just because Charlie is an orphan,”

“So the charity act of rescuing orphans is infinitely elevated in your eyes,” Sara blushed and said hurriedly, “That’s not what I meant, don’t talk nonsense!”

Tasha grunted, “I’m not talking nonsense, that’s what you think.”

Sara said in a panic: “Oops I really didn’t mean it I just I just” Tasha smiled and asked her, “Why stuttering, you say it, what it is?”

Sara stammered for half a day before the heart crossed, white Tasha glance, said:

“You are right, I just give the charity to rescue the orphans a high regard,” “This is the love I feel more? What’s wrong with that?”

“I don’t have the chance to go back and make up for his childhood,” “But I can still make up for the childhood of other orphans,”

“So that I can give an explanation to myself, you bad woman, is not forcing me to admit it? Can’t I admit it?”

Tasha was amused by her serious look, giggling, and hurriedly said,

“OK, OK, it’s OK if you admit it, although I can’t empathize with your feelings,” “But I can still understand to a certain extent, that’s why I said,”

“Let you understand the purpose of this charity fund first, and then make a decision.”

Tasha said: “But Sara, you can not always be so silly, only silently giving,”

“You agreed to participate in this charity dinner, not only to help the orphans to contribute,”

“But also to let Charlie know that you like him, because of the love of your life and do all this!

Sara awkwardly stroked the long hair between her temples and whispered,

“That’s not necessary I’m not looking for Charlie to claim the credit”

Tasha slapped her thigh in anger and questioned her, "Sara, do you still want to marry him?"

Sara was startled by her and subconsciously said, "Yes of course I do"

Tasha twisted a hand on her thigh, angrily gritted her teeth, and said,

"If you really want to marry him, from today onwards, stop being a big fool who only pays silently behind the scenes!"

"From today onwards, everything you do for him, you must let him know, otherwise you are just doing useless work!"

Saying that, Tasha glared at her and asked, "Do you know what useless work means?"

Sara was shocked by her aura, stammered, and said, "Know I know"

Tasha questioned her like a teacher asking a poor student,

"Come on, tell me, how do you understand the word useless work?" Sara muttered,

"How else can I understand it is not the physics of ineffective work?"

"That is to say, the work done does not get the desired transformation" Tasha waved her hand: "I study the arts, you don't have to do with me what physics work that set,"

"I'll tell you in an easy-to-understand way and explain to you what is called useless work!"

Said, she sat up straight, very serious, and said to Sara:

"I say useless work, is a person standing on the top of Mount Everest," "You stand at the foot of the mountain shouting at the top of your voice," "You even if shout into a mute, shout to seventy, he still can not hear whatever you say."

Chapter 4232

Tasha continued her explanation: "On you, your Charlie has not made up his mind to marry you, and you have been here to do nothing,"

"Then three years later, his thoughts must still be exactly the same as now!" "Still have not made up their minds to marry you, when you do?"

"What will you do then? Wait for him for another three years, do another three years of useless work?"

Hearing this, Sara's face instantly became as pale as paper. She naturally understood the meaning of Tasha's words. Moreover, she instantly realized that what she said

was all right. Thinking of this, she humbly asked Tasha for advice:

“Tasha, Tasha, please teach me, how should I change the status quo of doing useless work now?”

Tasha immediately said: “Look at those green tea wh0res on the Internet,” “Why will be called green tea, it is because they not only do not do useless work, and will not do a lot of work,”

“But only get into the results they want, maybe she happens to have something in her hands that she does not like,”

“Ready to throw away, but once she finds out that you it like, she will tell you how much this thing she Likes,”

“How important it is to her, how much she can’t give up if she gives it to you.

“Tasha said: “Of course, I’m not urging you to be this kind of woman,”

“But you should at least let Charlie know what you really and truly have given for him.”

“Take this charity dinner, as soon as you heard me introduce it to you, saying that it is a charity fund to help orphans,”

“You immediately decided to go, this is too stupid, I tell you,”

“This thing, you go or not, there is only one premise, do you know what it is?”

Sara shook her head with a bewildered look.

Tasha sighed and said angrily, "You're stupid! The only prerequisite is that Charlie goes,"

"And only then do you go! Charlie does not go, you do not need to go!"

"You do this, partly for charity, partly for Charlie, if only for charity, as you said before,"

"Donating a million dollars is already very generous, why do you need to personally go on the trip?"

"Unless Charlie is willing to accompany you!"

"Huh?!" Sara asked in surprise, "Let Charlie accompany me?!"

“Yes!” Tasha said with a firm face, “The charity dinner is in New York, isn’t he in Providence?”

“It’s so close to you, just a three-hour drive away, so why can’t he accompany you to this charity dinner?”

“In this way, not only to meet your love of life but also to let him know your feelings,”

“And also to create an opportunity for you two to get intimate contact, three birds with one stone!”

“This is not effective to do work? And also efficient work! Super efficient work!”

Speaking of this, Tasha patted her chest and exclaimed, "Tasha, Tasha, you're really a little genius!"

Sara also listened to it with bright eyes, excitedly said:

"Oh, Tasha you're so right! Other than that, at least I can get Charlie to come to New York to meet with me! It's perfect!"

After that, she looked at Tasha and said with emotion,

"Tasha, you are really my female Zhuge! Come on, let me give you a k!ss, I'd like to give you my first k!ss!"

Tasha dodged while pretending to be disgusted,

“Hold on, didn’t you dedicate your first k!ss to your Charlie?” Sara said shyly, “I k!ssed Charlie’s face, it doesn’t count, right?” Tasha skimmed: “You know what, k!ssing the face is also useless,” “Next time don’t k!ss the face, directly k!ss the lips!”

Inspired by Tasha, Sara went back to her single lounge alone with her phone.

As soon as she entered the lounge, she immediately sent a voice call to Charlie.

Chapter 4233

At this moment, Charlie was lying on the lazy sofa in the hotel and was bored.

His wife had gone to class, so he was alone in the hotel with nothing to do, bored out of his mind.

The people of Joseph have arrived in New York one after another,

But still did not find any clues related to Jesse, this kid arrived in New York,

As if to make a vanishment, instantly disappeared without a trace, not even a smell left.

The first time he saw Sara making a voice, he pressed the connect button the first time.

On the other side of the phone immediately came Sara's sweet voice:

"Charlie, are you busy?"

"No....." Charlie stretched his back and laughed:

"I am lazy, what's going on? Is there something wrong?"

Sara said in a somewhat petulant tone:

"This is the case, Charlie, I am not going to the United States soon,"

“The Chinese Chamber of Commerce in New York happens to have a charity dinner and wants to invite me to attend

“Charity dinner ah” Charlie also did not think much, said with a smile:

“If you have time to go it is great, but if you do not have time or are too tired, you can also find a reason to politely decline.”

Sara was busy saying, “Actually, I would like to go because the theme of this charity dinner is very meaningful,”

“It was established for the Chinese orphans in North America.” “Oh” Charlie laughed, “It sounds quite meaningful,”

“But you should also take into account your actual situation and not add too much burden to yourself.”

Sara’s voice was instantly a few points smaller and she said shyly,

“Charlie I’m actually calling you to ask you if you have time to accompany me on the 11th”

“Anyway, you’re not far from New York .”

When Charlie heard Sara’s request, his first thought was to politely decline. After all, she is a big star, and the charity dinner is a public occasion,

So if he accompanies her, it will inevitably lead to media reports and speculation.

Which may steeply increase unnecessary trouble.

Sara also seemed to guess what Charlie was worried about, so she hurriedly said,

“Charlie, if you are worried about media exposure,”

“I can talk to the organizer and ask them not to invite any media to the site.”

Charlie was still hesitating, Sara said petulantly,

“Charlie, just accompany me there, if you are worried about the time being too long,”

“Then I can have someone arrange a helicopter for you, fly from your place to New York,”

“One hour is enough, round trip is only two hours, plus attending the charity dinner,”

“You only need to spare a total of 4 hours for me, it will not delay anything, OK

At this time, Charlie’s heart has been a little loose, at this time,

His mind suddenly remembered that after the disappearance of Jesse in New York,

His whereabouts are unknown, Sara's safety can not help but have a few worries,

After thinking, he said: "Okay, then I will accompany you when the time comes."

When Sara heard this, she immediately cheered happily,

"Great! Thank you, Charlie! Love you!"

Charlie helplessly said, "Just a little thing, there is no need to thank me." Saying that, he said: "Right Sara, you help me inquire," "In this Chinese Chamber of Commerce, there is no one familiar with the An family,"

“If there is, I will have to disguise a little, so as to reduce some trouble.” Sara said: “Then I will ask now!”

Chapter 4234

Soon, Sara got a clear reply from that old friend of her father.

Given the influence of the An family in the whole of North America,

Of there was really someone in the association who was very close to the An family,

Then everyone would have been like a star for the moon to offer him up. After all, the difference in strength between the two sides is too far. Trying to find acquaintances of the An family in the New York Chinese Chamber of Commerce...

Is more difficult than finding Messi in the national football team. Getting this news, Charlie also has no worries.

However, not being able to find Jesse still makes his heart not too secure.

So, he specifically called to urge Joseph to send someone to secretly protect Sara's safety after she arrived in New York.

.....

On the other hand.

After Sara confirmed that Charlie was willing to accompany her to that charity dinner,

She immediately gave the news back to the other party.

After receiving the news, the president of the Chinese Chamber of Commerce, Brian, was thrilled beyond addition,

And then immediately informed Randal of the good news as well. Randal was naturally excited.

He really didn't expect that the bait designed by Jesse would be so effective and easily tricked Sara,

The number one female singer in China, into coming in.

He had someone call Jesse to his study, and the first thing he said when he met him was excited,

"Jesse! You're a fcuking genius! The big fish really took the bait so easily!" Jesse was slightly

stunned, and then asked with an urgent look on his face, "Young Master Fei, has Sara already agreed to attend the charity dinner?"

"Yes!" Randal said excitedly, "After I told Brian of the Chinese Chamber of Commerce about the set of words you designed,

He found someone to ask her, and she quickly agreed."

Jesse laughed, "Gee, that's great! This way, we will have more than a week to properly design,"

"And design properly, how to make a move on Sara when the time comes!"

Randal looked at Jesse and said appreciatively,

“Jesse, your brain is really great, I originally thought this might be very difficult,”

“And may even end up in a street gun battle, but I never thought it would be solved so easily!”

“You, you are born to do bad things!”

Jesse laughed and said modestly, “Young Master Fei, this is still thanks to the inspiration you gave me,”

“If not for you, how dare I have such thoughts about Sara

Randal laughed: “Many things are like this, sometimes what makes you go to the next level,”

"Is not necessarily yourself, but a more demanding client."

Jesse nodded and nodded at the side: "Yes Young Master Fei, you are the most demanding client,"

"Giving me the most impossible task, but I will definitely do my best to help you take Sara down smoothly!"

"Good!" Randal nodded and said with a smile, "Starting from these two days," "You should study the overall layout of the Wangfu Hotel and see how to start with the highest success rate!"

"No problem!" Jesse said, "Young Master Fei, just give me the design of the Wangfu Hotel, I'll study it!"

Randal said without thinking, "I will call someone to prepare it right away, do you have anything else you need?"

Jesse thought about it, said: "Let Sara mysteriously disappear in the Wangfu Hotel,"

"This kind of thing I think the ninja are best at,"

"And the ninjas taking her out, will give the direction of outside speculation and can completely put the led off,"

"There are a hundred benefits, so young master Fei as soon as possible call the ninja to New York,"

"Then I will dock with them all the action details!"

Chapter 4235

For several days in a row, Cataclysmic Front deployed over a thousand soldiers to New York.

But still failed to find Jesse's whereabouts.

This made Joseph feel disgraceful, almost every day to call Charlie to apologize.

Charlie did not blame him, he knows that to have clues to such things, need is to have a complete chain,

Once a link is missing, if you want to immediately restore it, it is impossible, Not to mention the Cataclysmic Front, even for the U.S. National Security Agency,

There are a lot of people and things that can not be found.

Jesse is unaccounted for from New York JFK airport, Cataclysmic Front temporarily can not fill this part of the vacant clues,

It is impossible to easily find the whereabouts of him.

He intended to investigate all the vehicles and helicopters that entered and left the airport within a few hours after Jesse's arrival in New York,

Find out the owners behind them through these vehicles, and then match them with Jesse one by one to see which one had crossed paths with him.

But after this method was proposed, it was declined by Charlie.

This is mainly because, Charlie more and more feels, this Jesse, in New York should have a stronger backer,

Otherwise, it is impossible to disappear so completely just like that. In this case, if Joseph starts to investigate the transport,

Even if the investigation is more secretive, it will definitely touch the other party's early warning mechanism,

In which case, it will definitely alert the snake.

Therefore, Charlie was not so anxious about Jesse's whereabouts.

Because he knew that this man could not go in hiding for the rest of his life. There was no need

to dig into the ground to find him because he would come out sooner or later.

Now the Cataclysmic Front has placed a heavy force in New York,

Once Jesse ventured out, he and all his superiors and subordinates will be caught in a net.

Although Jesse has not shown his face, his plan tailored specifically for Sara is still going on in an orderly manner.

In the past few days, he followed Randal every day and went to the New York Wangfu Hotel.

However, since he was with Randal the entire time, he was not exposed to public view in the slightest.

The Wangfu Hotel is so large that the ballroom even has a separate two-story building covering more than 10,000 square meters,

Of which, the first floor is the ballroom and private rooms,

While the second floor is the back kitchen, equipment room, and staff lounge.

Through the field survey of the Wangfu Hotel, Jesse already had a very detailed plan of action in mind.

After Randal brought him here for several days in a row, he was also a bit anxious in his heart,

So he couldn't help but ask him, "Jesse, do you have a plan yet?"

Jesse smiled faintly and said to Randal, "Young Master Fei, the plan is already in place."

Randal hurriedly urged, "Quick, say it!"

Jesse then said, "I have already developed a high-priced informant from the local security company that Sara's agency is cooperating with,

And learned from him about their basic mode of protecting public figures on a daily basis,

And they have their own set of execution manual, which has all their execution standards,

As well as strategies to deal with unexpected events."

Said, Jesse and continued, "For these security companies in the United States, the routine is similar,"

“The main focus of these companies will be to protect the target person with full energy on the outdoor,”

“Especially when the target person is on foot, by car out of the process,”

“In this process, they will not leave their hands, in case someone along the way makes a plot,”

“If it is outdoor, must also at the same time be in the best view of the high point to arrange observers and snipers,”

“Real-time monitoring of the surrounding environment is there.” “However, once the target is indoors, their vigilance will be much relaxed;”

Chapter 4236

After a pause, Jesse continued, "Once the target is going to the indoor environment,"

"Their basic process is to first conduct a security check of the indoor environment to see if there is any eavesdropping,"

"And filming equipment in the room, to see if there are any security risks,"

"As long as they ensure that the room is safe, then they will only focus on the entrance and exit of the room,"

"Which is generally the door and windows;"

“Generally speaking, their indoor operation process, is to have someone outside the door to guard,”

“The house in addition to the bedroom will also be guarded by the window,” “If it is a layer of the room by the window, they also have to arrange

manpower outside the window,”

“This situation will be very difficult if someone attacked from the outside,” “The bodyguard outside the door will react first, and the people inside will

know immediately;”

“If we attack from the window, on the first floor, we will have to deal with the guards outside first,”

“And on the upper floors, we will have to deal with the guards inside the windows;”

“Once we make a move on the people outside the window, the people inside the window will have enough time to deal with it,”

“And if we make a move directly on the people inside the window,”

“The people outside the door will also be the first to come in for support.”

“So, it is best if we can set aside one of the boxes that is not by the window for Sara as a lounge,”

“This way, because there is no window, the security personnel will also let down their guard,”

“As long as she is inside the lounge, the security personnel will only guard at the door of the room,”

“So it will also be most convenient for us to make a move.” Randal hurriedly asked, “Then what method do we use to do it?” “We can’t let those ninjas hide inside in advance, right?”

“That definitely won’t work,” Jesse explained,

“We let the ninjas disguise themselves as waiters and let them make a move on the bodyguards outside the door at the right time,”

“They are the best at killing people invisibly,”

“As long as they can kill the bodyguards outside the door without moving, Sara inside will be at our mercy.”

Randal couldn't help but ask, “Are you sure the ninjas can take out her bodyguards?”

“Besides, do you know how many bodyguards they will have guarding the door?”

“If we accidentally let them fire a shot, I'm afraid this whole thing will be over.” Jesse laughed: “This is your venue, everything is up to you.”
If their bodyguards insist on bringing guns into the banquet hall,”

“You can use the identity of the young master of the Fei family to force them to disarm,”

“Which is normal, after all, you are such a big figure, it is impossible to let these bodyguards appear with guns by your side,”

“Not to mention that the Wangfu Hotel is guarded by your people, and nothing can possibly go wrong.”

“They certainly won’t force it, and you can also control the number of them,” “Such as telling them that this place is very safe, but out of respect for Sara and for them,”

“Still allow them to enter with no more than four people at most.”

“Makes sense.” Randal nodded approvingly and asked, “Then after capturing Sara, how do we transport her out?”

"This is simple." Jesse said, "Pack the person into the dumpster,"

"And then arrange for the garbage removal truck to pull it away directly." "As long as there is no movement inside the banquet hall,"

"The bodyguards who stay outside will not have any suspicion even if they see the garbage removal truck going in and out."

Randal frowned and said, "The plan is feasible, but what about the back?"

"If the police want to investigate how these ninjas got into the Wangfu Hotel as waiters, how can we explain to them?"

Jesse laughed, "So this matter will have to be a fake show."

Jesse said, smiled mysteriously, and continued, "Young Master Fei, I've been here a few times in the past few days,"

"And I have some understanding of the personnel situation here,"

"The person in charge of this banquet hall, seems to be named Leroy Chen, right?"

"Yes, why?"

Chapter 4237

Randal didn't know much about the people working below him,

But he was somewhat familiar with Leroy, this was because he often entertained his friends at the Wangfu Hotel,

And the person in charge of the banquet hall, Leroy, naturally served him often, so he had a deeper impression of him.

Jesse laughed: "I heard that Leroy this person has a relatively high income," "Almost 600,000 to 700,000 dollars a year, a proper middle class, and its this person is very family-oriented,"

“Family is also very successful, has two daughters and two sons, wife at home as a full-time housewife, right?”

Randal shrugged his shoulders, “Probably, I’m not really sure about his situation, what’s wrong?”

Jesse laughed: “I plan to have the ninjas kidnap his wife and children first,” “And then use this as a threat to force him to arrange these ninjas to work in the banquet hall,”

“So that the police investigation of these ninjas will naturally investigate Leroy’s head,”

“And when they find out that these people kidnapped Leroy’s family, forced him to be a mole,”

"And thus successfully kidnapped Sara, they will naturally solve the case."

"Their direction of solving the case will naturally be shifted, and will perfectly avoid your layer."

Randal brightened up and said, "That's interesting! In this way, everything is blamed on the Wangfu Hotel's own mole,"

"And Leroy completely in the dark, the police can easily investigate," "He brought these ninjas to the hotel, and will naturally find him for questioning,"

"And he will certainly tell the police what he knows because he is telling the truth,"

“The police absolutely can not suspect him, so naturally there is nothing to do with me!”

Jesse’s full set of plans made Randal’s heart pound.

It sounds as if everything has been well planned out.

In this way, after the accident, the family’s Wangfu Hotel would not have to take too big a blame,

After all, this matter is out of the mole, as the saying goes, family thieves are hard to prevent,

And everyone will blame the root cause on Leroy’s body. Thinking of

this, he asked, "What about Leroy's family?"

Jesse skimmed his mouth and said, "There is no other way but to take them out,"

"When the time comes, let the ninjas kidnap the people and just hand them over to my people to look after them." "I will believe this story I made up."

Randal did not come back to his senses for a moment, subconsciously said:

"A family of five, all killed? There are four children?"

Jesse shook his head, his right index finger bent into a hook shape, said:

“To be exact, it is a family of nine, I had my people investigate, Leroy’s family has many children,”

“So he hired two live-in nannies, and his parents just finished immigration last month,”

“He also received them in New York, which is nine people.”

Even Randal is not that evil, at this time also a little shocked, off the cuff asked,
“nine all killed?”

“Of course!” Jesse said firmly: “None of them can stay, otherwise this lie will not be able to continue!”

“When they are all dead, the society will be in an uproar, everyone will subconsciously hate these ninjas,”

“Hate them for kidnapping Sara and killing so many innocent people, at that time,”

“No one will suspect that you have anything to do with this matter!”

Randal heard this, gritted his teeth, nodded, and said, “Then let’s do as you say!”

After saying that, he remembered something and asked, “What if the ninja gang is investigated?”

“Whatever they want to investigate.” Jesse sneered,

"I'll do a good job on the boat that sends them away, so they'll be buried in the Atlantic Ocean!"

Randal was unsure and said, "What if they find the ninja family?"

Jesse laughed: "You don't have to worry about this, you only need to give me the contact information of the ninja family,"

"I will use another identity to contact them, will not have anything to do with you."

Said, Jesse and continued: "And, I think when this matter has become a log," "The ninja family itself will not dare to admit that their members did this," "Then they can only break their teeth to swallow, the police investigation will lead to no results,"

“Sara missing and dead bodies, a long time, the case will certainly be closed.” “Good!” Randal nodded in satisfaction, said with a smile:

“I will leave this matter to you to handle, how much money you need for this!”

Chapter 4238

Jesse said: "Young master Fei, you and I do not need to be so polite,"

"But I always follow your lead! If I need your help in the future, I'll be grateful if you give me a hand!"

Randal's heart also a few points touched, so very solemnly nodded, said: "Jesse, you do not worry, from now on,"

"I do not care what you encounter, as long as there is me, there will be you!"

When Jesse heard this promise, his heart was also relieved.

With Randal's backing, once the mysterious person who killed his brother comes to the door,

He will not have to be afraid, with the strength of the Fei family, he will be able to protect his own safety!

.....

Japan, Iga City.

The Iga family, one of the four great ninja families, is stationed here. The Iga ninja, is one of the four major ninja clans in Japan, one of the strongest.

Unfortunately, last year, in order to be able to leave the other ninja clans more in strength,

They chose to cooperate with Matsumoto Ryojin,

In the vain hope that by helping Matsumoto to provoke the conflicts between the Ito family and the Takahashi family and the Eastcliff Su family, to help the Matsumoto family achieve a reversal.

However, in that cooperation, the Iga family lost many core elites, And Matsumoto Ryojin was also exterminated by the Su family, So that the Iga family instantly became a lost dog.

After that, Ito Yohiko, who laughed at the end, also suppressed the Iga family many times,

Making it difficult for the Iga family to resist.

When the strength of the Iga family plummeted, Ito Yohiko threw an olive branch to this shaky ninja family.

The current generation of Iga family leader Hattori Hanzo,

For the sake of the future of the Iga clan, could only obediently submit to the Ito family.

The name Hattori Hanzo is actually more of a title and every head of the Iga clan

After inheriting the clan, would change his real name to Hattori Hanzo.

At this moment, the current Hattori Hanzo had just received a phone call from an American.

On the phone, that strange American gave him an offer that he could hardly refuse.

That American was willing to pay eighty million dollars to hire eight Iga ninja to carry out a mission in the United States.

Although the other party did not specify exactly what the mission was, The offer of eighty million dollars still made Hattori Hanzo's heart flutter. Since the destruction of the Matsumoto family, the Iga family's life has

become more and more difficult,

And although they are now subservient to the Ito family, they are not well received by the Ito family,

So few tasks are given to them.

As a result, the Iga clan's financial gap is growing.

With the ninja and their families, as well as the youngsters in training,

The Iga family has hundreds of people to feed, and the daily expenses are astronomical.

Failure to earn money means that many people cannot continue to engage in the profession of ninja,

And will eventually have to gradually flow to other fields, ultimately leading to the withering of the family's talent.

Therefore, this sum of \$80 million immediately made Hattori Hanzo excited beyond measure.

If this money arrives, it would be enough for the Iga family to live on a shoestring for three years!

So, he agreed to it almost without thinking, the only condition was to pay at least fifty percent of the deposit first.

The American client was not ambivalent either.

Within an hour, a huge sum of \$40 million was credited to the Iga family's account.

At the same time, the other party also made a request that their ninja must arrive in New York within two days.

Hattori Hanzo knew very well that since the other party could give such a large amount of money,

It proved that this matter was either dangerous or insidious.

Just like the cooperation with Ryojin Matsumoto, the high reward is accompanied by high risk.

Therefore, he even felt that the other party was probably just like the original Matsumoto Ryojin,

Who had asked his family's ninja to do something extremely sinister and poisonous.

However, at this moment, he no longer has the heart to hesitate too much. Because the whole Iga family needs money too much to keep going.

Otherwise, this ninja family, which has been in power since the 16th century along with Tokugawa Ieyasu,

Will probably have to completely withdraw from the stage of the four ninja families.

In order to maintain the family, Hattori Hanzo has no choice!

Chapter 4239

The \$80 million promised by Jesse to the Iga family was paid in two installments.

First, 50% of the deposit was paid, and the remaining 50% was to be paid when the mission was successfully completed.

Moreover, Jesse gave a promise of an additional two million dollars pension for each person in case of death.

Hattori Hanzo had sent his only son, Hattori Kazuo, to ensure that the mission would be completed successfully.

This time, he especially let Hattori Ichio lead the team to the United States to complete the mission,

In order to ensure as much as possible the successful completion and triumphant return from the mission.

For this reason, he called Kazuo Hattori to his study and told him about the situation, and then instructed,

“Kazuo, you should select seven of your best men today and go to the United States as soon as possible!”

Kazuo Hattori said with some concern, “Father, since we have sworn allegiance to the Ito family,”

“We should first report to the Ito family and ask for their approval, right?” “Otherwise, if they know that we are acting without permission, I am afraid there will be some trouble.”

Hattori Hanzo waved his hand and said in a cold voice:

“Don’t worry about the Ito family, the Ito family doesn’t care about us Iga ninja,”

“We have sworn allegiance to them for so long, but they have only used us once,”

“And that was the trip to China, to the Wade family’s Waderest to face the Cataclysmic Front.”

“If this continues, we will sooner or later die of hunger!”

After that, Hattori Hanzo said with a resentful expression,

“The Ito family’s Ito Nadeshiko, who is called Yamato Nadeshiko, is not a good person in my opinion either. This is clearly a trick to send us to our death!”

Hattori Kazuo said: “Father, this matter, it is not necessary to understand so,” “That time to Waderest, you also saw the Wade family young master’s unbelievable strength,”

“And it is said that Miss Ito is his confidante, his strength, Miss Ito must have known something,”

“That day Miss Ito signaled us to go to Waderest,”

“It is likely that Miss Ito already knew in her heart that young master Wade could win, and just let us go to the scene.”

Hattori Hanzo coldly snorted: “Anyway, that woman has been hiding from us, this thing makes me very unhappy!”

Saying that Hattori Hanzo looked at his son and said in an incomparably serious tone:

“Kazuo, you should know that now among the top families in the country, is no longer the era of the tripod

“When there was a tripod, the three clans held each other in check, guarded each other,”

“And targeted each other, and only then did they know the importance of our ninja

“But now, the Ito family laughed to the end, looking at all of Japan, except for the Yamaguchi group,”

“No one is the Ito family’s rival, in this case, for the Ito family where there is still a need for ninja?”

“What’s more, the four ninja families are now loyal to the Ito family,”

“But the Ito family basically no longer needs ninja, which leads to everyone’s economy is now stretched to the limit,”

“And if this continues, we will have to starve to death,”

“If no one needs ninjas, no one to pay for us, we, I’m afraid will die out!” “We can’t ask the government for subsidies and turn the ninja into an intangible cultural heritage, can we?”

“In that case, you, the descendants of the great ninja,”

“Will not have to stay in the tourist attractions every day and make money by performing ninjutsu for the tourists?”

“In that case, how can we be worthy of our ancestors?”

Hattori Kazuo was speechless.

Father's words are not alarming, the ninja profession, in modern times has been very marginal,

But the reason why it has been able to survive is because there are large families willing to pay for their work.

But once the big families no longer pay for them, then the ninja profession will lose the soil of survival.

Therefore, the Iga family now must find a way to stand on their own feet.

Chapter 4240

Thinking of this, his expression also became serious, bowed and said:

“Father, I understand what you have in mind! Please rest assured that I will do my utmost to complete this mission!”

Hattori Hanzo nodded in satisfaction and urged,

“Kazuo, when you go to America this time, you must be careful to keep a low profile,”

“And when you enter the country, don’t use your original identity, and don’t let the Ito family know about this matter.”

Speaking of this, Hattori Hanzo added:

"I want you to go to the United States this time, also want you to examine the situation there,"

"For ninja in Japan, the survival environment is already very poor," "But the United States will certainly be much better, if appropriate,"

"We might as well take the Iga family all and shift to the United States!" "To America?!"

Hattori Kazuo widened his eyes and said,

"Father, the situation in the United States is very complicated"

"Local gangs, European, African and Asian immigrants in the gangs formed and all are unusually strong,"

“And that country is flooded with guns, our ninja advantage, over there will be greatly reduced there.”

“No.” Hattori Hanzo shook his head and said,

“Everyone relies on guns to solve problems, only to reflect the unique advantages of our ninja,”

“Otherwise, this time, the American side of the employer would not spend so much money to invite us over from far away!”

“This proves that there must be a market and demand for ninjas in the U.S.” “After you arrive in the U.S., you can take a good look before making a decision.”

Hattori Kazuo nodded respectfully, “Yes father, I will!”

Ever since Charlie agreed to accompany Sara to the charity dinner,

He had been thinking about what kind of reason he should use to explain this matter to Claire.

Because not only did he have to accompany Sara to the dinner on the 11th, He also promised her that he would go to New York and Boston to support her concerts on the 15th and 17th, respectively.

The concert is simple, after all, his wife also likes Sara, if he took her to the concert, she will certainly be very excited.

The hard part is how to explain to his wife about his trip to New York on the 11th.

Just when he had not thought of a good wording,

Claire cheerfully told him: "Honey! Sara is coming to America for a concert!" Charlie asked curiously, "You just learned about it?"

"Yes" Claire said: "These days have been busy with training matters,"

"Have rarely paid attention to this news, today just in the school I saw the publicity posters and got to know"

Saying that she excitedly continued: "Honey! 15 in New York, 17 in Boston respectively Sara will have a concert,"

"Boston is the closest to us, you accompany me there OK" Charlie then went along with her words and said with a smile, "If you really want to see it so much, then why not go to both." "Ah?" Claire said in surprise:

“Is it too greedy to go to both and and the tickets must not be easy to buy”

“Especially for New York Station, New York has a large population and many rich people,”

“It is estimated that it is difficult to grab tickets, Boston may be easier.”

Chapter 4241

Charlie then smiled and said, "Oops, then your luck is really good,"

"Sara's team is saying that they want me to go to New York to examine the feng shui of the New York concert venues,"

"I am hesitating to say yes since you want to see her concerts,"

"Then I will help you to get the tickets for these two concerts by the way!" "Really?!"

When Claire heard Charlie's words, she was surprised and asked,

"Honey, Sara's team really wants to invite you to New York to see feng shui,

huh?

Charlie nodded and said seriously,

“Of course, I am the famous Master Wade, they originally thought I was in China and were worried that I wouldn’t be willing to come,”

“But it just so happened that I was in the United States and not far away, so they said a lot and had to invite me over.”

Although Claire was very excited, but also had some doubts so she asked:

“Husband, for opening a concert do you have to look at feng shui?”

Charlie laughed: "The entertainment industry gives importance to feng shui, it is not only the residential companies that need to do a good feng shui layout,"

"Before the start of the film and television series have to engage in an opening ceremony,"

"The tour concert, in order to ensure that the performance behind is smooth,"

"They first must do enough work on feng shui, just like the opening ceremony, Figure a good luck."

In fact, Charlie also does not know, the singer will not engage in feng shui before the concert,

But, at the moment, he can only use the reason to look at feng shui to Claire to dispel the doubts in her mind.

Claire also did not suspect much, nodded and said:

“In that case, then husband you must help Miss Gu take a good look,” “Her tour this time is the last tour before permanently quitting the entertainment industry,”

“It has a great significance, it must not leave any regrets.”

Charlie nodded and smiled: “Don’t worry wife, I will do my best to help them get the feng shui right.”

Saying that, he added: "Right wife, it won't take me too long to go to New York to see the feng shui,"

"I'll go there in the afternoon of the 11th and I should be back in the evening." Claire asked him, "Will it be too tiring to come back at night, you have to drive for three hours,"

"If it's too late, why don't you just rest in New York for one night." Claire naturally had 100% trust in him, so she didn't have any wariness.

However, Charlie did not intend to spend the night in New York,

And if he took a helicopter on the way back and forth, he could also buy himself some more time.

Two days
later.

Hattori Kazuo of the Iga family, along with seven Iga ninjas of great strength, arrived in New York.

After they arrived in New York, they checked in at the Wangfu Hotel as requested by Jesse.

Once they checked in smoothly, Hattori Kazuo received a phone call from his employer,

Jesse, who told him to bring his men to the hotel's banquet building immediately.

Kazuo Hattori thought that his employer was hosting a banquet for them, But when they arrived at the banquet building, they saw a notice of suspension of business placed at the entrance of the banquet building.

On the notice, it was written that the banquet hall of Wangfu Hotel had a malfunction in the fresh air ventilation system, so the whole building was closed.

The hotel hardware problem needed to be repaired, which seemed logical to everyone, so no one cared.

Just when Kazuo Hattori was surprised, a young man of Asian descent came out,

Looked at Kazuo Hattori, and asked, "Excuse me, is this Mr. Hattori from Japan?"

Kazuo Hattori hurriedly bowed and said, "Yes, it's me!" The other party nodded and said, "Please come with me."

Hattori Kazuo and eight other people followed the depressed young man into the banquet building.

Chapter 4242

And at this time inside the banquet building, not even a shadow of the staff could be seen, much less someone in maintenance.

The young man led them through the large banquet hall,

Then passed by several empty boxes with open doors, and finally stopped at the door of a box with the door closed.

Then, the young man knocked on the door and said, "Mr. Yun, Mr. Hattori, and the others have arrived."

Inside the box, Jesse said aloud, "Invite them in!"

The young man immediately pushed open the door and said to Kazuo Hattori,
“Mr. Hattori, please.”

Hattori Kazuo also saw Jesse in the room at this time.

He did not know Jesse before today, nor had he seen any reports related to him in any media, so he was curious about this man in front of him.

However, he did not look at Jesse too much, but said very respectfully,

“Hello, Mr. Yun, I am Hattori Kazuo, the son of this Hattori Hanzo of the Iga Ninja!”

Jesse nodded with a smile and said, "Mr. Hattori, I've heard a lot about your Iga ninja, today I finally get to meet you!"

Hattori Kazuo bowed and said, "Mr. Yun, you are too kind!"

Jesse smiled slightly, looked at Hattori Kazuo, and said seriously, "Mr. Hattori, I'm not going to be polite with you, let's get right to the point.

Hattori Kazuo immediately said in a loud voice,

"Please don't worry, Mr. Yun, there is an old saying,

“Take money from others and help them eliminate their disasters, and that’s what we Iga ninja have always done.”

Saying that, Hattori Kazuo added, “However, I still need some more detailed clues from you, Mr. Yun,”

“Such as who and where the person I need to kidnap is so that,”

“I can carry out further investigation and formulate an action plan!”

“No need to be so troublesome!” Jesse shook his head with a smile, waved his hand, and said,

“Three days later on the night of the 11th, there will be a charity dinner here, at that time, the target person you want to kidnap will be arranged in this lounge,”

“At the entrance of the room, there should be at least four bodyguards guarding,”

“As for the room, there should only be the target person and her entourage;” “And what you have to do is to take out all the bodyguards outside silently,”

“And then take out everyone in this room, except the target, and after that, you carry the bodyguards’ bodies into the room,”

“And then take the target away from here silently;”

Speaking of this, Jesse instructed, "By the way, the target person you can make her unconscious,"

"But must leave her alive, and must not let her be injured."

Hattori Kazuo looked around for a long time and said,

"Mr. Yun, this room does not have any windows, in this room to do it," "But also to take the people away, then we may only be left with the ventilation duct option, can you let me see the design blueprint first?"

Jesse shook his head and said, "You do not have to go through the ventilation ducts so much trouble,"

“I will give you the details of a man, that man’s name is Leroy Chen, he is the director here,”

“You find the opportunity to kidnap all his family members and force him to bring you into the banquet site and it will be fine.”

With that, Jesse then told Hattori Kazuo his general plan, after making appropriate deletions.

After listening to it, Hattori Kazuo’s heart was a bit appalled, but he still nodded gently and said,

“I understand the general process, first kidnap Leroy’s family, let him arrange for us to work as waiters in the banquet hall on the 11th,”

“Then take the opportunity to take the target person away from here,”

“And after handing them over to you at the pier, we will leave New York by ship.”

Jesse nodded with satisfaction, “That’s right, that’s it.”

Saying that, Jesse added: “You guys first familiarize yourselves with the environment here,”

“See how to take people out, how to transport them out, and still make sure it’s silent, if there’s anything you need, just ask!”

Chapter 4243

The first thought that came to Hattori Kazuo's mind after thoroughly surveying the scene was that this task seemed a little too easy.

You know that when they helped Ryojin Matsumoto kidnap Zhifei and Zhiyu, the mission was much more difficult than this.

That time was to silently take out all of the Su family's entourage and then take away the Su siblings from a few dozen stories up,

This mission as a whole seemed much easier than that one.

That operation against the Su family siblings, Hattori Kazuo had also participated in it,

Only after the mission was successful, he did not take the siblings to Kyoto. So, this time, the mission was not technically difficult in his eyes. After exploring the scene as a whole, he asked Jesse:

“Mr. Yun, I wonder if you can reveal some information about the target person this time?”

Jesse said lightly, “You don’t need to know the identity of the target, for now, wait until the 11th, I will tell you.”

According to Jesse’s plan, the matter of inviting Sara to the charity dinner was

to be kept absolutely confidential.

Even the words of communication with Sara were for her to attend as a mysterious guest,

Which would not only increase the mystery of the charity dinner,

But also ensure that she would not be tracked and chattered by the media and fans when she comes over.

When Sara arrives, the pre-arranged staff will bring her and her entourage directly into the lounge,

And a special VIP lane has been prepared for her so that her motorcade can park directly in the backyard of the ballroom

And enter the lounge directly through the back door.

That way, even the members of the New York Chinese Chamber of Commerce, Who were going to attend the charity dinner that night did not know,

That the famous Sara Gu would be under the same roof as them.

Therefore, it was even more impossible for Jesse to let Kazuo Hattori know the target of the kidnapping in advance.

Moreover, what Jesse did not know was that Hattori Kazuo not only knew about Sara,

But he also liked her works and was considered a fan of her. Not only that,

at the time of the Waderest
Mountain,

Hattori Kazuo had seen Sara appear beside
Charlie with his own eyes.

If he knew that the target of this kidnapping was
Sara, he would have left the
United States without saying a word.

He knew very well that money was a good
thing, but he had to have a life to spend.

Hattori Kazuo, who was in the dark, saw that
Jesse did not want to reveal information about
the target,

So he stopped asking questions and changed the
subject, asking,

“By the way, Mr. Yun, may I ask what are the origins of the other party’s bodyguards,

Are there any ninjas, or martial arts masters from China?”

“No.” Jesse said with certainty: “Her bodyguards, all are from the U.S. domestic security companies,”

“They are basically retired U.S. Army Special Forces and special police.”

Hattori Kazuo nodded gently.

The overall strength of the Iga ninja was considered the highest among the four major ninja clans in Japan,

So the only thing he was afraid of in his heart was actually the martial arts experts.

In the past, he also did not put martial arts experts in his eyes, until he was on Mount Waderest in China and saw Charlie's strength with his own eyes,

At that moment especially after seeing Charlie, he understood that ninjutsu was not the only top martial arts.

After determining that there could not be a martial arts expert around the target,

The only worry in Hattori Kazuo's heart was completely dispelled.

In his opinion, he could easily complete this mission and return home in triumph.

The day after Kazuo Hattori led the Iga ninja to New York,

Sara and her performance team of over 100 people arrived in New York by a chartered plane.

At that time, Chinese people all over the United States were very enthusiastic, And many local American fans were also excited about it.

When the plane arrived at JFK airport, thousands of fans went to the airport to greet them.

The scene was so big that it once caused traffic and order chaos at the airport. It was a 40-minute drive from JFK Airport to the Shangri-La Hotel in New York

where Sara was staying.

However, due to the overzealous fans, it took two and a half hours for her to arrive at the hotel.

Chapter 4244

And before she even arrived, while at the hotel, many local media had already reported on the riot that occurred at the airport.

However, these media basically could not believe that a Chinese female singer had such a strong fan base in the United States.

After all, they had always felt that American singers were the global leaders of pop music.

Therefore, the high-minded ones thought that it was impossible for a foreign female singer to have such a big influence.

There were even local media who deliberately questioned,

Thinking that the fans who met the plane at the airport must all be group shows hired by Sara's agency at their expense.

And Sara also responded to these media questions with strength.

Her New York and Boston concerts opened on time three hours after her arrival in the United States.

The two concerts, a total of 90,000 tickets, were instantly snapped up in less than a minute,

Generating sales of over a billion dollars!

Although the U.S. performance market is mature, the starbase is also very large,

So most performances are difficult to sell out, and even if they could, It would be impossible to sell out in such a short period of time.

This news instantly hit the headlines of all entertainment media in the United States.

Even Sara's North American partner for this tour didn't expect her concert to have such a strong box office appeal.

This instantly made Sara the hottest topic in the whole American entertainment circle, without one rival.

The day after she arrived in the United States, she attended a press conference organized by her agency,

Which was her first public appearance after arriving in the United States. It was broadcasted live by major media across the United States,

And gathered tens of millions of people watching simultaneously on TV as well as on multiple online platforms,

Once again showing American society the influence of this diva.

When Kazuo Hattori saw the news on TV, his first thought was to regret,

That he did not have the opportunity to stay in New York and see Sara's concert with his own eyes.

After all, Sara's concert started on the 15th, and he,

After completing his mission on the 11th night, would have to leave the United States overnight.

With this regret, Kazuo Hattori led seven of his men to kidnap the nine members of Leroy's family, The general manager of the Wangfu Hotel banquet hall, from their home in New York.

After these nine people were taken to the suburbs,

Jesse arranged a container truck, loaded all nine people into the car, And pulled them out of New York in one breath, and parked them in an abandoned container yard.

After work, Leroy, driving his Mercedes sedan came back home, Surprised to find that the original all the time noisy home, is all empty. His wife was not there, his four children were not there, and his parents, As well as two Chinese nannies, were also unaccounted for.

However, the home as a whole was very neat and tidy, looking unlike the appearance of an accident.

Just when he took out his cell phone and wanted to call his wife to ask what was going on, his cell phone rang first.

Surprisingly, it was a video call from his wife.

Leroy did not have any hesitation, immediately pressed the answer button, The moment the screen was connected, he was struck by lightning, His legs went limp and he fell to the ground with a poof.

In the video, his parents, wife, and children, as well as the family's two nannies, All hanging in a container, their mouths are wrapped in black tape, can only struggle, while emitting painful whimpers.

At this time, a ninja's voice came from the video:

"If you want your family to live, then do not call the police,"

"Not to mention do not alert anyone, just follow our instructions," "After the completion of the matter, I will naturally release your family." Here, the other party turned, coldly said:

"However, if you dare to call the police, or tell anyone else about this matter, then this is their fate!"

The words just fell, the video screen, a dagger instantly flew out, With great speed into one of the nannies between the eyebrows!

Chapter 4245

The nanny, who was still struggling, instantly stopped all movements and died completely.

And her expression was extremely distorted because of fear, dead in peace

At this moment, Leroy was so frightened that he almost cried out in pain. He had no time to mourn for the tragic death of his nanny, So he went crazy and begged bitterly into the phone,

"I beg you not to hurt my family, whatever conditions you put forward, I will definitely agree with you"

The other party said with satisfaction,

"I hope you can be as cooperative as you say if you dare to play a bit with us," "I guarantee that you will not even see your family's corpses!"

Leroy cried and said, "I will cooperate I will cooperate! Please tell me exactly what you need me to do!"

The other party said indifferently, "Go and open the door now, my leader will communicate with you face to face."

Leroy listened and faintly froze, and immediately after that, he heard the doorbell.

He said to the phone in a panic: "I am going to open the door"

The other party said in a cold voice:

“Leroy, remember what I told you if you dare to play small,” “All your family members will die a miserable death!”

After saying that, the other party simply hung up the phone.

Leroy, who was paralyzed, rolled and crawled to the door and opened it with difficulty.

As soon as the door opened, he saw Hattori Kazuo standing outside the door.

Hattori Kazuo had actually been waiting for Leroy’s return near his house,

So they could time it right and call him as soon as he arrived home to prevent him from calling the police or notifying others.

However, before Hattori Kazuo came over this time, he had already disguised his face.

Ninjas have been studying disguise since hundreds of years, And with the aid of various technological materials nowadays,

Their disguise has become so perfect that it is impossible for ordinary people to see any clues.

That's why Hattori Kazuo dared to come to see Leroy in a big way.

The moment Leroy saw Hattori Kazuo, he knelt down on the ground with a poof and cried,

"I beg you to let my family go I beg you"

Hattori Kazuo directly stepped forward, one hand to help him up,
One hand to close the room door, dragging him then to the living room sofa. Then, Hattori Kazuo threw Leroy on the sofa, and sat opposite him,
And said indifferently: "Leroy, if you want to save your family, the only chance is to cooperate with me,"

"As long as you cooperate with me obediently, after the matter is completed, I will definitely send your family back."

Leroy hurriedly said, "You name it, as long as you can send my family back safely, let me do anything!"

Hattori Kazuo nodded and said indifferently, "What I want you to do is very simple,"

“On the night of the 11th, there is a charity dinner in your banquet hall,” “I need you to arrange me and my people in as waiters, you just need to arrange us in smoothly,”

“And then you will be considered to have completed your task.”

When Leroy heard this, he immediately turned pale with fear.

He didn't know that this charity dinner, Sara would be one of the guests,

He only knew that this charity dinner was organized by his own young master, Randal Fei, together with the Chinese Chamber of Commerce.

So when he heard Hattori Kazuo's words, his first thought was that these people must be trying to do something bad to Randal! Thinking of this, he said in a panic: "The owner behind the Wangfu Hotel is very strong, you'd better not mess with otherwise"

Hattori Kazuo rudely interrupted him and said in a cold voice:

"If you still want your family to live, do not talk such nonsense to me, just tell me if you can do what I ask?!"

Leroy said with a crying voice: "If you are going to do anything bad," "I will take you in, they will not let me go afterward....."

Hattori Kazuo smiled and said, "Then maybe you can sacrifice yourself for the safety of your family."

Leroy asked him rhetorically, "Even if I did what you guys said, what guarantee do you have that you will let my family go?!"

Hattori Kazuo laughed: "In this matter, you can only choose to trust me,"

Chapter 4246

"I can't give you any guarantee other than a promise."

With that, Hattori Kazuo turned his words and said in a stern voice,

"To begin with, if you don't do what I say, your family will definitely die!" Then, Hattori Kazuo's expression instantly eased some more and said seriously,

"Leroy, I'm not some kind of psychopathic murderer either,"

"I just want to finish my mission and leave the United States safely with the money, so I don't need to kill your family."

Leroy said guardedly, "Who knows if you will kill people after the deed is done?"

"In the vast majority of kidnapping cases, the kidnappers will kill the hostages to avoid exposure!"

"Exterminate?" Hattori Kazuo laughed contemptuously and said, "Use your brain Leroy, I came to see you in my real face today,"

"And I will also appear in my real face at the banquet hall in the evening of the 11th,"

"Which will also be captured by all the surveillance cameras in the banquet hall,"

“Since I will definitely be exposed, why do I need to engage in any killing to silence the hostages?”

“Is that not self-deception?”

Hearing this, Leroy also believed Hattori Kazuo's words more or less in his heart.

According to his conventional understanding of criminals, the reason for killing and silencing was to avoid exposure,

And Hattori Kazuo's words did make sense since he was going to be exposed himself,

Killing and silencing would be like covering his ears and stealing the bell. Thinking of this,

he looked at Kazuo Hattori and said offhandedly,

“Okay! I promise you! Please make sure you don’t hurt my family!” “Don’t worry.”

Hattori Kazuo smiled faintly and said seriously,

“On the night of the 11th, my people will feed your family,”

“Then hide the container in an absolutely safe place, and after I leave the United States,”

“I will send you the location of the container, and you will be able to rescue them that night.”

Speaking of this, Hattori Kazuo said thoughtfully: “Leroy, after we leave, the police will probably look for you to investigate,” “And even list you

as a suspect, you do not need to be afraid, just tell the truth,"

"You can even directly tell the location of the container to the police,"

"Let the police help you to save your family, so they will also believe what you say,"

"I believe that even if they hold you responsible, it will not be too heavy," "At most, you will go to jail for a few years, but your family will be able to survive safely."

When Leroy heard this, he felt a little more grateful to Hattori Kazuo. Because he did not expect that these kidnappers would consider them so meticulously,

It seems that there is indeed some benevolence in it.

It was also Hattori Kazuo's words of attack that completely dispelled Leroy's doubts.

So, he looked at Hattori Kazuo and said,

"On the night of the 11th, bringing you to the banquet hall as a waiter, that's all I have to do, right?"

Hattori Kazuo laughed and said, "Not just me, but eight people, as long as you put the eight of us in, your task is done."

As far as I know, your charity dinner on the 11th night will be very large,

At least two to three hundred guests will be there, and the dinner will be of high specifications,

So more manpower will be needed, and you can tell the others that we are from other departments,

Or say that the eight of us are temporary helpers from other departments or from another branch of the hotel,

And the others will definitely not be suspicious."

Leroy
nodded
gently.

In order to maximize profits, the hotel is really not equipped with a very adequate staff, usually temporary needs, temporary signs.

And temporary signs are also very easy, in New York's free labor market,

There are a large number of temporary workers who do a day lie three days, As long as they do not have money to eat, they will play around to earn some living expenses,

As long as the hourly rate of \$ 15 is paid, no matter what the job, the other party will rush to apply for.

This group of people is very mobile, today in the hotel as a waiter, The next

day after tomorrow may be in the restaurant brush plate, And then two days may go to a construction site as a porter.

So, when you arrange for eight temporary workers to come in, it will certainly not arouse suspicion.

Thinking of this, he gritted his teeth and said to Kazuo Hattori,

“Okay! I promise you! I will definitely put you guys in when the time comes!”

Chapter 4247

Soon, the time came to the eleventh.

Hidden beneath the busy morning rush of New York was an undercurrent that was surging at breakneck speed.

More than a thousand people from the Cataclysmic Front had already arrived in New York,

Hiding in all corners of the city.

And Jesse and Randal, have also been waiting impatiently.

Early in the morning, Randal called Jesse to his study and said excitedly and nervously,

"Jesse, these days the media headlines are almost all about Sara,"

"If she disappears tonight, it is estimated that it will immediately trigger a global sensation,"

"Are you sure that this matter will not be suspected to you and me?"

Jesse nodded confidently and smiled, "Young Master Fei, the Iga ninja side has already taken care of Leroy,"

"Today they will enter the hotel ballroom as temporary waiters under his arrangement,"

"Moreover, Leroy will use their lack of experience as the reason to keep them behind to help,"

"And then send others away from the vicinity of Sara's lounge,"

"All the tools they need, have been transported to the interior of the ballroom,"

"Last night with the help of Leroy, tonight around 7:20."

"The ninjas will be able to make their move, while Sara will be in the lounge waiting to make her appearance at 7:40."

"After winning, they will immediately leave through the back door,"

"Wait until seven forty, when your assistant goes to ask Sara to board the stage,"

"It will be found that, except for Sara, everyone else is already dead," "At that time, the scene will naturally be very chaotic,"

"All you have to do is to immediately call the police and leave the rest to the police."

Here, Jesse said: "After the police arrives, Leroy is the first suspect,"

"As for the ninjas, they all used disguise, the police simply can not find them," "And after they are buried in the Atlantic Ocean, the matter is completely broken clues,"

"No one can find out the whereabouts of Sara, you do not have to worry about this matter implicating you."

"Good!"

Jesse's words, let Randal settle his heart, he said with a smile: "Tonight, I will put Sara under my body for pleasure!"

Jesse said: "Young master Fei, you may want to wait patiently for a while," "Tonight is certainly the windiest time, you'd better make a show,"

"Run more police departments to follow up on the progress of the case,"

"Appeal to the Chinese in New York to make group efforts, and then put out a heavy reward for useful clues and so on,"

"First to leave a good impression on the public, after all, this time to take the blame there is Leroy,"

"Also considered the Fei family people this time,"

"The matter will bring a little negative impact to the family,"

"You have to find a way to make up for this part of the negative impact." Randal nodded approvingly and said, "Just do as you say!"

After saying that, Randal asked again, "Jesse, what are your personal arrangements for tonight?"

Jesse said, "Young Master Fei, I will personally wait at the pier tonight,"

"The pier has prepared two boats, one to send those ninjas to see the Great Amaterasu,"

"And one to send Sara to my island, then I will finish docking with those ninjas, and then escort Sara to the island."

"Good," Randal said with a wicked face,

"Then you wait for me on the island, tomorrow I'll rush there after I'm done with the matter at hand!"

.....

Meanwhile, three hundred kilometers away in Providence.

Charlie and Claire were eating breakfast together in the hotel room. Claire knew that Charlie was going to New York today,

So she asked with concern, "Honey, when are you leaving for New York?" Charlie looked at the time and said casually, "I'll leave around eleven o'clock." Claire nodded and said, "Then you pay attention to safety on the way,"

"Since you are not here, I will eat something at the school's restaurant at noon,"

"You get busy with your work, don't worry about me."

"Okay." Charlie smiled slightly and said, "I'm sure I won't be able to make it back for dinner,"

"So come back to the hotel after class and call the catering department to order food. It is not safe outside."

Claire nodded and said, "Don't worry, I'll get back to the hotel directly after class this afternoon and stay here."

Charlie was not worried about Claire's personal safety,

After all, Joseph had placed a number of female soldiers of Cataclysmic Front in the hotel to secretly protect her,

With these people around, he could also travel to New York without worry.

Chapter 4248

After breakfast, Claire cleaned up, said goodbye to Charlie, and then went to school.

Not long after Claire left, Sara's phone call came and she couldn't wait to ask: "Charlie, when are you going to leave?"

"The lift is ready to pick you up at the hotel anytime."

Charlie looked at the time, it was just after nine o'clock, so he said, "No need to be in such a hurry, if you have something to do,"

"You can get busy first, I can wait until noon and then go there."

Sara said, "I'm not in a hurry, I'm waiting for you to come and have lunch with me, I've already booked the restaurant!"

Charlie was surprised and asked, "Sara, don't you have to work during the day?"

Sara said with a smile, "I have freed up all my time today,"

"So I will eat with you at noon and stroll around with you in the afternoon, I have booked the restaurant."

Saying that, Sara said delicately, "You pack up now,"

"I'll have the helicopter arrive at the roof tarmac of your hotel in ten minutes." Charlie had to agree and said, "Okay, I'll change my clothes."

Ten minutes later, a medium-sized helicopter from a ventilation company landed on the tarmac on the roof of the hotel.

After Charlie boarded, the copter quickly took off and flew towards New York. From Providence to New York, the straight-line distance was only two hundred and thirty kilometers,

And the helicopter took only one hour to fly over to New York City. Afterward, the helicopter landed at a small helicopter navigational site near New York's Chinatown,

And just after the plane landed, a woman with black sunglasses came over and said to Charlie,

Who had just gotten off the plane, "Mr. Wade, Sara is waiting for you at the hotel, please follow me."

Charlie saw that the person who came to pick him up was Sara's assistant Tasha,

So he nodded and said, "It's hard for you Tasha."

Tasha muttered, "Mr. Wade doesn't need to be so polite."

Saying that she brought Charlie to a Cadillac sedan parked next to the helicopter.

She took the initiative to pull open the rear door for him and spoke, "Mr. Wade, please get in."

"Thank You." Charlie bent down and sat in the car, and Tasha then sat in the passenger seat.

The driver's seat was occupied by a white male.

With a strong, expressionless body and black tactical sunglasses as well as a monaural intercom headset,

Which at first glance was the style of a professional bodyguard.

After getting into the car, Tasha said to the driver, "Ready to go."

The driver nodded and immediately drove to Chinatown, a kilometer away.

At this time, New York's Chinatown was very lively,

With stores on both sides of the road doing brisk business and many pedestrians coming and going on the streets.

The Cadillac stopped in front of an inconspicuous Cantonese style roast goose store,

And Tasha said to Charlie, "Mr. Wade, Sara is waiting for you inside,"

"But because of her status, she can't come out to pick you up personally."

Charlie nodded, and after pushing the door and getting out of the car,

He surveyed the roast goose store and found that there was also a suspended sign hanging at the entrance.

Charlie was curious, wondering how Sara, a native of China, would ask him to come to a Cantonese-style roast goose restaurant for lunch. When he pushed open the door of this restaurant, he saw the first-floor area is only more than twenty square meters, of which only four card seats and half of the area is circled into the back kitchen, glass room, everywhere hanging roast goose and squab type of ingredients. And the entire first floor, only a young man wearing white guys clothing, is brushing the phone,

Seeing Charlie come in, he subconsciously said: "Sorry, not doing business today."

Just after the words, Tasha also pushed the door in and spoke, "He is the guest Miss Gu wants to invite."

The young man then hurriedly stood up and said respectfully,

"So it's Miss Gu's honored guest, please go up to the second floor," "Miss Gu has been waiting on the second floor for a long time."

Charlie said thanks, then went up the stairs to the second floor, and the doubts in his heart became deeper.

When he arrived at the second floor, in front of the square table in the middle, Sara was sitting facing the stairway.

Seeing Charlie coming up, she excitedly waved at him: "Charlie!"

At this time, there was another middle-aged man with gray hair, sitting opposite Sara, with his back to Charlie.

Seeing Sara greeting behind him, he hurriedly stood up and turned around. The moment he saw Charlie, the middle-aged man was dumbstruck,
And only after a few seconds did he suddenly kneel down on one knee,

Clasped his hands above his head, and shouted excitedly and respectfully,
"Young Master Wade!"

Chapter 4249

Charlie was stunned by the actions of the middle-aged man in front of him.

He immediately reached out to hold him in place and subconsciously asked,
“May I ask who you are?”

The middle-aged man immediately said respectfully,

“Young Master Wade, my name is Hogan Chen, originally should have become a lonely ghost,”

“But I was lucky to be saved by Young Master Changying, so I have survived until today.”

Hearing that Hogan was his father's old acquaintance, Charlie respectfully clasped his fist and bowed,

"Hello, Uncle Chen, I am Charlie Wade!"

Hogan is unusually excited, with red eyes said:

"I know I know turning back the first time I saw you,"

"I knew you must be Young Master Chen, at first I thought I was hallucinating," "But as soon as I thought Miss Gu told me there was a mysterious guest,"

"I immediately decided that you must be Young Master Wade"

Sara said with a smile on the side:

“Charlie, I didn’t tell Uncle that you were coming over,”

“I didn’t even tell Uncle that we had found you, originally I wanted to give him a surprise,”

“But I didn’t expect him to be so smart, he guessed your identity right away!” Hogan hurriedly said, “Miss Gu, it’s not that I’m so smart,”

“It’s just that young master and when young master Changying was young, they really look too much alike

Charlie could not help but ask: “Uncle Chen, you and my father, how did you know each other?”

Hogan let out a long sigh and said seriously:

“Back then, because of my youthful indiscretion, I messed with the wrong people,”

“The other side issued a pursuit order to kill me,”

“The entire Hong Kong Island’s kooks came out in force, just to find me out and hack me to death

Speaking of this, Hogan continued with red eyes:

“The young master Changying sent people overnight to rescue me from Hong Kong Island,”

“And personally came to Hong Kong Island to negotiate with that big brother, pay a huge price, to get back my life

Charlie said in surprise: "Uncle Chen, so you and my father are old friends" Sara quickly said: "Charlie, my father said that Uncle was a very respected

famous scholar at home and abroad,"

"Uncle Wade went to Hong Kong Island many times to ask Uncle Chen to come out of the mountain,"

"who is comparable to any great scholar!"

Hogan said modestly, "Miss Gu is too polite, I can't be considered a famous scholar,"

"But I was just fortunate to be appreciated by Young Master Changying."

As he said, he sighed and sighed:

“Back then, I originally wanted to return to the countryside and let go of my horse,”

“But I was fortunate to be appreciated by Young Master Changying,” “So I decided to follow him and build a career,”

“But I never thought that just when I finished my personal affairs and was about to go to Eastcliff,”

“To return to Young Master Changying, he suddenly abandoned the Wade family and left Eastcliff with his wife, his whereabouts unknown

Charlie heard here, his heart could not help but tighten.

The time Hogan is talking about it, he himself should be only eight years of age.

So, he hurriedly asked, "Uncle Chen, the cause of my parents' death, do you know the hidden story?"

Hogan shook his head and said apologetically, "I'm sorry Young Master Wade, I only heard about Young Master Changying's murder later,"

"And at that time, he had already cut off contact with me,"

"And the last time he contacted me was before he was ready to leave the Wade family."

Charlie was busy asking, "At that time, did my father say anything to you?" Hogan said, "Back

to Young Master Wade, Young Master Changying was talking to me on the phone at that time,"

"He said he was leaving the Wade family, but still hoped that I could serve the Wade family,"

"And also asked me to contact Leon, the great steward of the Wade family at that time, but I didn't agree."

Saying that Hogan a bit ashamed to explain: "I do not hide from you Wade young master,"

"Back then, I would not have wanted to be involved in the affairs of the underworld, if not for the charisma of young master Changying

convincing me, I would not have chosen to go out again

“So, I felt that if I were to serve Young Master Changying, I would not hesitate to die!”

“But if it’s not to serve him, then I didn’t want to make things difficult for myself.”

“So, I promised Young Master Changying that when he decided to return to the Wade family,”

“Or set up his own business, just one phone call, no matter where I am,”

“What I am doing, as long as he still needs me, as long as I still have a breath,” “I would just crawl, I will also go to him to resume orders

“At that time, the young master also respected my choice, only I did not expect,”

“Soon after, to hear the news that he was killed

Chapter 4250

Speaking of things from the past, Hogan's eyes have filled with tears,

He could not help but choke on his wrist and said:

"I really did not expect that the young master Changying would die young, it is too bad"

Charlie also could not help but sigh lightly, when his father died,

He was just in his thirties, in the prime of life, it is indeed a pity to the extreme. While feeling emotional, Charlie could not help but ask:

"Uncle Chen, how did you come to New York afterward?"

Hogan let out a bitter smile and said, "After the death of Young Master Changying,"

"I quietly went to Aurous Hill to mourn, when I intended to return to Hong Kong Island,"

"The big brother who wanted to kill me also heard about the accidental death of Young Master Changying,"

"So they immediately issued another pursuit order," "I saw that I cannot return to Hong Kong Island,"

"So I had to smuggle from the mainland to the United States, and stay here until now"

Saying that Hogan could not help but ask:

“Wade young master, where have you been all these years?”

“Mr. Gu in order to find you, went almost all over the world, just to the United States he had come several times,”

“I also helped him together in the United States to find you several times but had come to nothing

Sara on the side said: “Charlie, my father and I also came to New York to look for you before,”

“At that time it was Uncle who received us, right here in this hotel!”

Saying that she looked at Hogan and said with a smile,

“Uncle Chen, I remember when I first came to your place with my dad,”

“I was just eight years old, the last time I came was twenty years old,” “Now I am twenty-six, and your place still hasn’t changed at all.”

Hogan smiled faintly and said, “I am a kind of person, it is difficult for me to change after getting used to something,”

“In fact, to put it bluntly, I am so lazy.”

Sara looked at Charlie and explained, “Charlie, in the past, when I came to America with my father to look for you,”

“Uncle Chen’s place was the first stopping point, oh yes, Uncle Chen’s roast goose, the taste is especially good!”

Hogan could not care less about modesty and could not help but ask,

“Miss Gu, how did you find Young Master Wade? Where did you find him?”

Charlie opened his mouth and said, “Uncle Chen, in fact, I have been in Aurous Hill all along.”

Hogan was dumbfounded as he listened and exclaimed,

“How could that be? In the beginning, it seemed that many people,” “Including Mr. Gu, went to Aurous Hill to look for you, but everyone came up

empty-handed

Hearing this question, Charlie then told the story about Leon placing him in the orphanage.

After hearing this, Hogan could not help but sigh:

“With Leon, I have had a few encounters, at that time, I thought that this person was rough,”

“Righteous, but I did not expect that his strategy was so strong,” “This hand of black under the lamp, his play is really at a level!”

Sara said with a smile, “Uncle Chen, can we talk while we eat, I’m hungry.”

Hogan hurriedly said, "Fine, fine, blame me, Miss Gu, Young Master Wade," "You two please sit down first, I'll go to the back kitchen to prepare the meal." Saying that he looked at Charlie and said ashamedly:

"Young Master Wade, my small store is not very good at cooking,"

"I'll just serve some of the same for you to try, so I won't arrange for you to order a meal!"

Charlie said very politely: "Thank you, Uncle Chen, thank you for your hard work."

"I should, I should! You two please sit down first, I'll be right there!"

Hogan said that, turned around, and ran downstairs quickly.

Sara looked at Charlie with a smile on her face and asked him in a low voice,
“Charlie, aren’t you a little confused?”

Charlie smiled faintly and nodded, “A little I thought you just called me out for a meal, I really didn’t react

Sara mysteriously smiled, then took out the phone from her pocket,

Handed it to Charlie and said, “Charlie, my father explained to me before, when you come, let you listen to this.”

Charlie was a little surprised, and when he looked up,

He saw that on the screen of the phone was Sara's WeChat dialog box with her father.

At the bottom, there was a voice message, Charlie took the phone and wanted to click the play button,

Sara quickly reminded: "Charlie, listen with the earpiece mode!"

Charlie nodded, clicked play, and immediately put the phone against his ear.

Within the earpiece, Philip's voice came, and he said very solemnly:

"Chen's son, your father once told me that the one who wins Hogan will win the world,"

“Such a pillar of talent, you absolutely cannot let go!”

“No matter what, you must persuade him to come out of the mountain and help you!”

Chapter 4251

After listening to Philip's voice message, Charlie was surprised in his heart.

If it is really as Philip said, combined with his father's recognition of this man back then,

It is enough to see that Hogan must have very strong overachievements. And Charlie is also very clear in his heart, his current biggest development constraint is the scarcity of talent.

Although the Cataclysmic Front is strong, but after all, it cannot see the light, And what the Cataclysmic Front can solve, is the force level problem.

In the future, want to let the Wade family's strength rise, Force is only a

very small part of it, more, is the operation. In this point, even Charlie himself is far from it.

In the future, the Wade family not only needs a leader to show the course, But also needs an experienced trader with the safest and most efficient way

To help the Wade family this huge ship sailing more stable, faster, and farther. Perhaps Hogan is a suitable candidate.

However, Charlie knows very well in his heart that he is not familiar with

Hogan and knows very little about his past, And he is bound to do the same for himself.

It would undoubtedly be a bit abrupt to directly propose an invitation at such a time.

So he planned to take this opportunity to get acquainted with him. Soon, Hogan and the fellow downstairs began to walk upstairs with the elaborate Cantonese-style rice dishes.

After Hogan had finished his work and filled the long table with food,

He finally stopped his busy work, took off his apron, and came to the opposite side of Charlie and Sara.

After some courtesies, the three of them sat down opposite each other. Hogan took out a bottle of old yellow wine and said to Charlie,

“Young Master Wade, if you have a taste for it, you might as well have a couple of glasses together.”

Charlie said without thinking, “Yes, Uncle Chen, I will drink some with you.”

Hogan nodded and smiled, opened the yellow wine, and was about to pour it for Charlie,

When Charlie took it over first and smiled,

“Uncle Chen, you are the elder, it is better for me to pour you a drink!”

With that, he poured the wine glass in front of him half full first.

Hogan seemed to be somewhat terrified, stretched out his hands to protect the wine cup all the time,

After Charlie finished pouring, he said gratefully, "Thank you, Young Master Wade,"

Charlie nodded and asked, "By the way Uncle Chen, are you from Hong Kong Island?"

"No." Hogan shook his head and said, "My ancestors are from Duanzhou, Guangdong Province,"

"My father ran to Hong Kong Island during the war, I was also born in Hong Kong Island,"

“My father relied on the ancestral craft of roasting geese in Hong Kong Island,”

“And took root in Hong Kong Island, and then my family gradually became rich,”

“So they sent me to Europe and then America to study.” Charlie asked curiously, “Then how did you meet my father?”

Hogan said, “I met your father when we were hiking in the United States,”

“We were both students at that time, we just ran into each other when we were hiking during the holidays,”

“Plus we both had almost the same trip planning, so we became friends from then on.”

The two of us went to schools far away from each other,”

“But we didn’t see much of each other, although we wrote and called often.” “Then later, your father went back to China with your mother, and left me a contact when he left,”

“Hoping that I could go to Eastcliff to find him after graduation,”

“But my heart was attached to the home, so I went back to Hong Kong Island.”

Chapter 4252

Charlie heard this and nodded gently.

He actually wanted to know how Hogan was later given a kill pursuit order by the big guys in Hong Kong Island.

However, he thought that such questions were generally sensitive and not suitable to be asked in person,

So he gave up in his heart and said with a smile on his lips,

“So you and my father actually met because of a hiking trip.”

Hogan nodded with a smile, looked at Charlie and asked with a smile,

“Young Master Wade, do you want to know how I was put under a jianghu pursuit order in Hong Kong?”

Charlie was slightly stunned, and immediately afterward, he said smoothly,

“Uncle Chen, I’m not going to hide it from you, I’m really curious

“Haha!” Hogan smiled brightly and said, “This matter, back then in Hong Kong Island almost everyone knows

“To say not afraid of young master Wade making a joke, I went back to Hong

Kong Island,”

“My father’s health was not very good, so I hoped I could take over his roast goose store,”

“Although I was young when not less to help him, but also Not less to learn his secret,”

“But I was with higher education, after all, advanced elements, high-minded and arrogant,”

“So took the liberty of the store to cash out, take the money to start my own business,”

“Specializing in asset management for the rich.”

“Later, I helped a very famous rich businessman on Hong Kong Island, surnamed Liu, to manage his assets,”

“So that his assets quintupled in three years, he was very happy, so he called me to his company and said to me:

„Ah Hogan, you have helped me make so much money, I do not know how to repay you,”

“How about this, do you have any wish that you can not accomplish, tell me I will help you to realize it!”

Speaking of this, Hogan shrugged his shoulders and said,

“When I saw how sincere he was, I told him, „Liu Sheng, that second wife you kept in the mansion in Shi Xun Dao,”

“She was my first girlfriend in middle school, I loved her very much, and she loved me very much

“If I hadn’t been so determined to pursue my studies, I certainly wouldn’t have left her,”

“And if she hadn’t been desperate because of a sudden change in her family,” “She wouldn’t have agreed to your pursuit as a married man and become your captive canary

“Now I also have some ability, boasting that I can give her a happy life,”

“So, can you return her to me for the sake of me helping you earn so much money

Charlie and Sara both listened dumbfounded, never thought that Hogan was put under a jianghu pursuit order, but because of a woman.

At this time, Hogan sighed, lamented:

"I thought, he does not look at the face of the monk to see the face of the Buddha,"

"Not to see the face of the Buddha at least have to look at the face of money," "And he was surrounded by many women, just be worshipped as a goddess of just Hong Kong and Taiwan actress,"

"Do not know how many obsessed with him, and he had also been everywhere dabbling in flowers,"

"He was a notorious playboy in Hong Kong"

Said here, he turned, self-deprecating:

“But I counted a thousand calculations, but only did not count to,”

“He was such a playboy, my first girlfriend was not just another woman in his life, but also true love

“At that time I just finished this sentence, he immediately let his men to arrest me and beat me up,”

“After the beating put the gun on my head, forcing to ask me whether I have given him a cuckold

“I only revealed my feelings to my first girlfriend and asked her if she was willing to leave that person and stay with me,”

“And only after I got her approval did I tell the truth to Mr. Liu, and it was because,”

“I felt guilty that I tried my best to help him make money and hoped he could make us whole

Chapter 4253

Sara on the side asked nervously, "And then? What did he say?" What did he say ah?" Hogan repeated, sighed, and said helplessly,

"Of course, he did not believe me, he said I must have cuckolded him behind his back, no matter how I explained he was not moved."

"However, he later said, for the sake of money, can forgive me this time," "Let me go back to recuperate, by the way, give me time to think clearly;" "If I get well and continue to help him make money, he would pretend that nothing had happened, otherwise, he would take my life."

Speaking of this, Hogan smiled and added:

“However, he could not dream that I had left a backhand when I decided to tell him all this,”

“And I asked my first girlfriend in advance to come out of the villa with her passport and wait for me at the hospital near the company.”

Charlie was surprised and asked, “You guessed that he would beat you into the hospital?”

“Not really.” Hogan laughed: “If I had known he would really do that,”

“I would have taken my first girlfriend and eloped, and I would have received fewer beatings.”

Hogan said: "In fact, I was thinking that there are only three outcomes;" "The first one is that Liu sees that I have helped him earn so much money,"

"There is still value in the future, plus he has too many women around," "And will not care too much about one of them, so directly let us go;"

"The second, is the surname Liu after knowing the great shock, directly would be killed;"

"The third one is that although Liu is very angry, but for the sake of my use-value,"

"Give me a lesson, let me give up this idea, continue to make money for him."

The first one is that I can walk to the hospital and tell her the good news myself,"

“And because it’s close, I can also see her faster;”

“If the situation went the second path, then she certainly can not wait for me at the hospital entrance,”

“If not wait for me, it proves that the surnamed Liu will not let her well,”

“But at least she has escaped from the clutches advance so that she can report to the police,”

“So that the police look for my whereabouts, but also by the hand of the police, to protect her own personal safety;”

“If the situation went to the third, then she would see me being beaten half to death and sent to the hospital,”

“Which also proves that the surnamed Liu does not intend to fulfill our wish,” “Then we do not do what he thought, immediately meet in the hospital, and then find the opportunity to elope.”

Charlie heard this, in the heart, he admired this man. Ordinary people do things, take one step to see one step,

Smart people do things, take one step to see three steps, the most intelligent people, take one step to determine ten steps.

Hogan did not know in advance what the outcome of this matter but made the most meticulous arrangements in this situation.

And, this can also be seen in his love for his first girlfriend, of the three possibilities,

He had a possible death, a possible injury, but he left his first girlfriend three possibilities,

All in and out, basically would not have any risk of injury.

This shows that this person's way of thinking is really much better than the average person, and also much better than himself.

At least, the same thing if placed on their own, they certainly can not do him so meticulous and thorough.

At this time, Hogan expression with a childlike smile said:

“At that time I was sent to the hospital covered with injuries,”

“Who would have thought that half an hour later, I quietly ran out of the hospital, and took his first girlfriend to elope.”

Saying that, Hogan said again, “I was planning to take a plane to Southeast Asia,”

“And then find the opportunity to smuggle from Southeast Asia to the United States,”

“But I did not expect that the surnamed Liu returned to the villa, did not see

my first girlfriend,"

"Found my first girlfriend took away the passport, immediately after gave the Jianghu pursuit order,"

"Offering a reward of 30 million Hong Kong dollars for my life"

Chapter 4254

Hogan continued: "At that time, we both just arrived at the airport,"

"Before getting out of the cab, you could see a lot of kooks outside the airport looking around,"

"I saw things are not right, can only give up the original plan."

"Originally I wanted to find the opportunity to smuggle out of Hong Kong," "But the 30 million reward, is the year Hong Kong's largest dark flower, several major gangs on Hong Kong Island were fighting,"

"But in order to earn this money, they all temporarily shook hands and made peace, all the men sent out to find us both,"

“Even the Macau gumshoes had heard the news to come to try their luck, all the gates and piers in Hong Kong,”

“At that time, were gumshoe eyes, I was desperate, before calling your father to save his life

“Later, young master Changying flew over from Eastcliff, met with Liu, made a lot of sacrifices and concessions,”

“In exchange for his promise to let us live, for which I have been very grateful,” “Also promised him to settle his family and other things on this side of Hong Kong Island,”

“To go to Eastcliff to find him, for him to saddle

Speaking of this, Hogan sighed: "But I never thought that later the young master Changying died young"

"After his death, the surname Liu immediately turned his face, in my visit to the young master Changying,"

"He took out 30 million dark flowers to buy my life, I had no choice but to escape"

Charlie at this time could not help but ask: "Uncle Chen, what about your first girlfriend?"

Hogan smiled self-deprecatingly and said, "She came to the United States with me,"

“Because there was still a little cash on hand, we arrived in New York and blacked out here,”

“With the money on hand to open such a small restaurant, the income was not bad,”

“But every day morning and night it was really hard, after a long time,”

“She may not always adapt to the life here, so one night I after returning from odd jobs,”

“I found that she had taken her passport and left without saying goodbye.”

Charlie really did not expect that the end of the story would end this way, a moment of surprise and all speechless.

He originally thought that Uncle Chen gave up everything,

And eventually will be able to harvest a release of the love of the South Mountain,

The achievement of a good story of a lover finally become a couple.

But even in his dreams, he did not expect to end up with such a miserable ending.

Hogan also saw Charlie's amazement, a slight smile, shrugged his shoulders and said,

“Indeed she did so I can understand, after all, when she was in Hong Kong Island,”

“Living in tens of millions of dollars of luxury villas,”

“And after we came to the United States, living in the basement of less than five square meters,”

“That kind of dark life, the average person really can not accept.” Charlie nodded, and asked, “So she went back to Hong Kong Island?”

Hogan laughed: “I think she must have returned, but I risked calling back to my friends on Hong Kong Island to ask,”

But no one knows her whereabouts.”

“I was told that she might have taken her life and asked me to check the missing persons information at the police station,”

“But I didn’t believe it because if she really took her life, she couldn’t have taken her passport with her,”

“And since we were illegal immigrants, the only use for her to take her passport with her”

“Would be to actively expose her identity and then be deported back to Hong Kong Island,”

“So I knew then that she must have gone back to Hong Kong Island.”

“This state of uncertainty about her whereabouts lasted for about six months or so,”

“Until after the original spouse, surnamed Liu, died of an illness, she suddenly appeared in the public eye as Liu’s official girlfriend.”

“Not long after, the two of them got married, that wedding was very grand,” “The Hong Kong Island famous tycoons and stars had gone,”

“I dragged someone from Hong Kong Island to buy some newspapers and magazines that reported her wedding,”

“There are many photos of the wedding scene,
see the photos of her really happy,”

“I was rest assured, then I have been at ease to
run this small restaurant, until
now

Chapter 4255

When Charlie heard this, he no longer knew what to say.

It sounded like Hogan gave so much for love, but in the end, it turned out to be an empty basket.

Even, it can be said that he lost his wife and lost his army.

Moreover, he was originally in Hong Kong Island, already an elite among the elite,

And could even make his father look at the cottage for him, so to speak, his original life was full of unlimited prospects.

However, in the end, he not only gave up everything he originally had but also offended a big man.

Someone he could not afford to mess with,

So much so that he is now unable to return to Hong Kong Island or live in the United States with a reasonable and legal identity.

An elite class at the top of society, in the end, could only be smuggled into the United States,

With many Chinese who choose to live in the dark in Chinatown to work,

Nestled in the dilapidated zone for more than twenty years

It is not too much to say that his life is ruined by his own decisions.

Thinking of this, Charlie could not help but ask him, "Uncle Chen, these things, do you ever regret?"

Hogan shook his head and smiled lightly: "There is nothing to regret, people have to be responsible for their own decisions,"

"I really wanted to go with her to the end, but I was overwhelmed by love at that time,"

"And failed to analyze the feasibility of this matter objectively and deeply from multiple angles."

He said and continued with a smile: "People say that heroes are sad to beauty,"

"Not to mention that I was not at all heroic at that time, and young and frivolous,"

"Always feeling that the two's love was the most important,"

"But I did not understand that a single person at different times, with different positions, will make very different decisions"

"Some women, who have been caged finches for a long time,"

"Deep down will grow a yearning for nature and feel that they would be perfect if they could dive headfirst into nature;"

“But most of them, in fact, do not really yearn for nature, but eat too much, live too comfortably,”

“If you really let them fly to nature, subjected to wind and rain, sun and clouds,”

“Winter snow and frost and hunger, most of them, will begin to miss the old cage;”

“At this time, the cage in her eyes is no longer a cage, but a palace to look up to.”

Speaking of this, Hogan snapped his desk and shook his head with a bitter smile,

“Unlike her, I really yearn for nature, so it’s normal to part ways.”

Bitter smile for a moment, Hogan picked up a glass of wine, took a shallow sip, and waved his hand, laughing:

“But love is something that requires such reckless, desperate courage to have a soul,”

“If everything is calculated ten steps forward, ten steps backward, and finally weighed out the most favorable choice,”

“It is not love, it is business, I still hope that love is something that can try to be simpler.”

Charlie heard this, Hogan’s open-mindedness, felt only more admiration.

Then, he asked, "Have you ever thought of returning to Hong Kong?"

Hogan laughed: "Thought about it, but the surname Liu did not let me back," "Originally he has not given up on killing me, even after the two of them got married,"

"The dark flower that bought my life has been in,"

"And even at that time, there were already people who intended to come to the United States to find my whereabouts,"

"After that, Mr. Gu for me, went to Hong Kong Island to talk to him once,"

“His meaning was that I have become the only one left in his life that is a column of shame,”

“He gave Mr. Gu a face, no longer hunt me, but I also have to have self-awareness, in this life I can not return to Hong Kong.” Charlie could not help but frown and said in a cold voice: “I think this person is too much!”

Hogan laughed, “It’s understandable, after all, my behavior made him lose face in Hong Kong,”

“And for rich people, reputation is often more important than anything else.”

Charlie nodded slightly, he had wanted to tell Hogan that if he wanted to go back,

Then he would definitely help him take care of that rich man named Liu.

Even, Charlie also wanted to tell him, if he is willing to cooperate with himself and help him in the future,

He himself will certainly make his life reverse.

However, Charlie thought for a moment, and then felt that today is his first meeting with Hogan,

If he could take the initiative to say this, it would seem too purposeful. Moreover, he lacked an understanding of Hogan, so he might as well get

familiar with him first and then try to figure it out.

Chapter 4256

At this time, Hogan took the initiative to help himself and Charlie to pour the wine, said with a smile:

“Young Master Wade, do not just talk about me, how about talking about you,”

“You have been missing for so many years, many people were thinking about your safety,”

“Including me, but I have been unable to take care of myself, not able to do something like Mr. Gu, around Looking for you

Charlie smiled gratefully and then told him about his approximate experiences over the years.

When Hogan learned that Charlie was now the head of the Wade family,

He was thrilled beyond words and exclaimed in praise, "Young Master Wade, for you to become the head of the Wade family,"

"I believe that Young Master Changying's spirit in heaven must be very relieved!"

Charlie gently nodded, couldn't help but feel emotional:

"In my opinion, the only way to truly console my father's spirit in heaven is to let the Wade Family stand at the top of the world." After hearing this, Hogan's face was shocked.

He really did not expect that Charlie would have such an ambition.

However, he knew very well in his heart that it was not difficult to have great ambition,

But to turn it into reality was as difficult as ascending to heaven. How much Charlie is like his father, he is not quite sure.

When he thought back to the kindness of Changying to himself, at a certain moment, he moved to serve Charlie like a dog and horse.

However, he and Charlie's idea, the first meeting has not given them a deep friendship,

After all, he does not know Charlie, and Charlie may not look at himself. So, the two

very tacitly agreed to talk more and more easily,

And soon, they talked about Charlie's trip to New York at this time.

Hogan asked: "Young master Wade you came to the United States this time, should be especially to support Miss Gu's concert, right?"

Charlie smiled and said, "Actually, I came to the United States to accompany my wife to further her studies,"

"And I just happened to be in Providence, and I came here today to accompany Sara to a charity dinner."

"So that's how it is." Hogan nodded and said with slight confusion,

“A charity dinner that can invite Miss Gu to attend must be very influential,” “But I don’t seem to have heard of any important charity dinners recently

Sara said casually, “It seems to be the Chinese Chamber of Commerce and the young master of the Fei family doing it together,”

“The purpose is to give donations to the Chinese orphans in Europe and America.”

Hogan frowned slightly and suddenly smacked a little different taste. Although he was only a small owner of a roast goose store,

But because he studied finance and did investment and financing and business management back then,

What he was best at, was information collection and analysis.

Based on this habit that he has maintained for many years, he pays close attention to the valuable information around him,

As long as it is useful, no matter what, he will pay attention to remembering it, and habitually analyze it at the earliest.

Therefore, over the years, what major events have happened in New York, he basically knows them all.

Because of this habit, he has seen and analyzed a lot of things and has come up with his own set of rules.

The first is the charity activities, in this city of New York, there are almost no low-key charity people.

So, as long as someone wants to engage in charity,

They will certainly try every way to promote the momentum so that the charity dinner is known by everyone.

And a charity dinner to invite Sara, but keep it low-profile and away from the community news, this is not normal.

Secondly, this kind of activity is a charity dinner, itself is a very flashy and high-profile performance form.

To put it bluntly, the charity dinner is a bunch of people who could have taken the money out of a low-key good deed,

But they have to get together and make a grand banquet, and even get the media to broadcast the whole thing,

And then take with a high-profile the little or whatsoever money out, for, nothing more than to gain the maximum attention.

So, obviously a charity dinner, but also to deliberately keep a low profile,

In the eyes of Hogan, like a couple said that they want to quietly undergo a hidden marriage,

But can not help but set off firecrackers to celebrate, it is a bit weird.

So, he asked Charlie: "Young Master Wade, are you also an invited guest to this charity dinner?"

Charlie shook his head and said, "I'm not, I was called over by Sara as an escort."

Sara smiled and said, "Uncle Chen, I pampered Charlie for half a day before he agreed to come over to accompany me."

Hogan felt even more strange, he thought for a moment and spoke,

"Miss Gu, I wonder if it is convenient for you to take me to this charity dinner to see the world?"

Chapter 4257

Sara didn't expect that Hogan was interested in the charity dinner,

So she didn't hesitate and said with a smile, "If Uncle Chen is interested, come with us in the evening."

Hogan nodded and smiled, "Yes, it won't cause any trouble for Miss Gu, right?"

Sara shook her head and said, "Why not? They invited me as a guest, so I have to give a face."

Hogan sighed, "That's good To be honest, the last time I attended a charity dinner was twenty or thirty years ago in Hong Kong,"

“Since I came to the United States, I have never attended such an occasion, today it is just right to go and see the world.”

Charlie had no doubts about Hogan’s words. Moreover, he had not carefully asked Sara about the details of this auction, So he did not feel anything strange, and his acumen in details was quite inferior to Hogan’s.

After eating, Charlie and Sara simply stayed at Hogan’s small restaurant.

The three of them talked a lot on the second floor,

Which also allowed Charlie to hear a lot of things related to his parents from Hogan's mouth.

However, Hogan was also not clear about the hidden story of Charlie's parents' murder back then.
Six o'clock in the afternoon.

A series of crisp footsteps came, and Tasha, dressed in a professional suit, ran up to the second floor of the restaurant with a single step.

As soon as she came up, she said to Sara, "Sara, Mr. Wade, it's almost time for us to leave."

Sara nodded and said to Hogan, "Uncle Chen, let's go."

Hogan smiled and said, "You guys wait for me, I'll go downstairs to change my clothes."

Below the roast goose store, there was also a semi-basement,

Which was also the home where Hogan had lived for more than twenty years. Charlie and Sara waited for a while on the first floor, And not long after, Hogan, who had changed into a black suit, came up from below.

Although he was already over fifty years old,

But because of his lean and tall figure and bookish face,

He felt very competent and dashing after changing into a suit.

This also makes Charlie can't help but feel in his heart,

If his father was still alive, he thought he would have looked like Hogan.

Subsequently, Charlie, together with Sara and Hogan, took a bulletproof

Cadillac from the security company

And went with the motorcade to the venue of tonight's charity dinner, the

New York Wangfu Hotel.

Meanwhile, inside the Wangfu Hotel, eight Iga ninjas, led by Kazuo Hattori, Had already changed into their waiter costumes and started pretending to be

busy behind the curtain of the banquet hall.

Due to the shortage of manpower today, the person in charge, Leroy, found twenty temporary workers to help,

The experienced staff were transferred to the front to serve the guests, these inexperienced, will stay in the back to do some miscellaneous work.

This is also the usual hotel routine, so no one feels anything wrong.

At 6:30, Sara's motorcade drove into the Wangfu Hotel, then the motorcade was guided by the staff and drove into the VIP channel of the banquet hall.

The VIP channel is at the back of the banquet hall, which is not open to other guests, so it can better protect the privacy of the VIPs.

After the motorcade stopped, the bodyguard in charge of driving said to Tasha on the passenger side,

“Miss Chen, please wait inside the car for a moment, we need to get out first for security confirmation.”

Tasha nodded, and then, the front and back cars got down in one breath with more than twenty bodyguards wearing bulletproof undershirts.

As soon as they got out of the car, they immediately blocked off both ends of the convoy

And carried out exhaustive security checks on the left and right sides.

There were even a few bodyguards who walked directly into the VIP lane to confirm and check the route that Sara would take next.

Chapter 4258

Only after confirming that there was no danger, did the driver's intercom come with the voice of his teammate:

"Everything is ready, you can let Miss Gu off."

The driver immediately said, "Miss Gu, you can get off."

After saying that, he pushed open the car door and pulled the back door open for Sara.

Sara and Charlie walked down from the car together, and at this time, Hogan, who was sitting in the car behind, also stepped out of the car.

Two bodyguards came out from the VIP channel and said to Sara, "Miss Gu, you can go in now."

Sara nodded, and at that time, two middle-aged men and a young man came out of the VIP lane together.

The leader is the president of the New York Chinese Chamber of Commerce, Brian Lu, and the middle-aged man on his left is Micky Luan,

The executive vice president of the New York Chinese Chamber of Commerce, and also a good friend of Philip Gu when he was young.

As for the young man to the right of Brian, naturally, is the organizer of this charity dinner, the youngest of the Fei family, Randal Fei.

Randal made such a big show in order to put Sara in it, so when he heard that she had come, naturally he couldn't wait to see her.

At this time, Sara also saw the three, When recognized one of them is none other than her father's best friend Micky Luan, she said with a smile: "Hello Uncle Luan!"

Micky said with a smile: "Hey Sara, uncle has not seen you for years,"

"You came to the United States these days, why not come to my home to sit? Your aunt Sun has been talking about missing you!"

Sara politely said, "Uncle Luan, recently there are a lot of things,"

"I have not found time to visit, if you and Auntie Sun have time, tomorrow night I will come to your house for a meal!"

Micky said happily: "Good! My daughter adores you the most!"

"If she knew you were coming to the house for dinner, I'm afraid she would be too excited to sleep tonight!"

Micky said: "Right Sara, uncle to introduce you, this young and promising young man,"

"Is the young master of the American Fei family, this charity dinner, is the young master Fei's organization."

Randal smiled slightly, nodded at Sara very gentlemanly, and said, "Hello, Miss Gu! My name is Randal Fei, I've heard a lot about you," "And today I finally got to meet you in person as I had hoped!"

Sara also nodded her head and said, "Young master Fei is very polite."

At the side, Charlie looked at Randal with interest and thought to himself,

"I wonder what relationship this young master of the Fei family has with Stell,"

"Is he Stell's cousin or Stell's
cousin's nephew?"

Micky then said, "Sara, let me
introduce to you again,"

"This is the president of our New York Chinese
Chamber of Commerce, Brian

Lu

."

Brian said
with a smile,

"Miss Gu, it is really an honor for our New
York Chinese Chamber of
Commerce to cooperate
with you this time,"

“And please rest assured, Miss Gu, for this cooperation, our New York Chinese Chamber of Commerce will definitely do our best to make you and your team satisfied!”

Sara nodded politely and said, “Then it will be hard for President Lu!”

At this time, Micky looked at Charlie and then at Hogan and asked curiously,
“Sara, these two gentlemen are?”

Sara first introduced Hogan and said, “This is Hogan Chen, an old friend of my father.”

After saying that, and a serious introduction to Charlie:

“As for this his surname is Wade, is my chief feng shui master for this North American tour,”

“I went to a lot of trouble to specially invite him from China, you can just call him Master Wade like me.”

“Master Wade” Micky was a little surprised, unconsciously carefully looked at Charli e,

Seeing him so young, but also not much master style, in the heart more or less a few points of contempt,

Think for sure this guy is 80% charlatan, but still politely exclaimed:

“I did not expect Master Wade would be so young, has become a feng shui master, really young and promising right!”

Chapter 4259

Charlie smiled and said casually:

“It’s not really young and promising, but just some friends, if Mr. Luan has any feng shui needs, you can find me.”

Micky does not believe in feng shui secret arts at all, so he is not a fan of Charlie,

But his mouth smilingly said, “Okay, good, since Master Wade said so, I will also give you a chance to hold the show.”

Charlie saw that he did not like himself, a few words of courtesy is just going through the motions,

This buddy really wants to invite him to get to his feng shui set, he will not give him a d*mn.

This sort of double standard where your feelings are different from what you actually express with your mouth.

But in the heart, the other party is sure that they will not see him in the future.

So, Charlie simply said, "Sorry Mr. Luan, I have a full schedule recently, if you really have feng shui needs, I can help you recommend another feng shui master."

Micky did not expect Charlie to speak so bluntly, his heart was somewhat upset, thinking:

“I am just being polite with you to give you face, but you took it seriously?” “You think I would really ask you to come to me to see the feng shui?”

So, Micky smiled and said, “It’s okay, since Master Wade has had no time recently, let’s wait for the next opportunity.”

When saying this, Micky thought in his heart: “This kid is probably a charlatan, I have to take the time to remind Sara, don’t fall for this kind of fraud.”

Randal said smilingly: “The dinner will start in a moment, why don’t we go in first,”

“We have prepared a VIP lounge for Miss Gu, Miss Gu will be honored to rest there for a moment,”

"And then make an appearance after the dinner starts, or give a surprise to the other guests outside."

Saying that, Randal added: "Right now, except for the three of us, the other two hundred guests do not know that Miss Gu is the mysterious guest of honor tonight,"

"I believe that when Miss Gu makes her appearance, it will definitely cause a huge sensation."

Sara had known about his arrangement, so she didn't have a problem with it, Nodded gently and said politely, "Thank you for your hard work, Young Master Fei."

Randal laughed, "It's all as it should be."

Saying that, he hurriedly made an invitation gesture and said, "Miss Gu please!"

Sara nodded, and the bodyguard came forward and said to Sara,

"Miss Gu, we have checked inside, it is all safe, and there are still security personnel arranged by Young Master Fei inside,"

"So we will not send too many people inside, I plan to let six team members go in with you,"

"And the rest will be on standby at the front and back doors."

Sara didn't doubt that there would be any problem with her security, so she

agreed to do so.

Afterward, she took Charlie, Hogan, and her assistant Tasha, then followed Randal and the others inside.

However, at this time, Hattori Kazuo was not immediately arranged to go near the VIP room that Randal had prepared for Sara,

But temporarily stayed in the back kitchen to help out and prepare the drinks.

According to Hattori Kazuo's own plan, he would first wait for the target to enter the VIP room,

And then send one of his men to accidentally spill wine on the floor near

Sara's VIP room during the process of delivering wine to the banquet hall,

And then Leroy would step in and arrange for several other people to quickly replace the stained carpet,

While they would take advantage of the time to change the carpet to get to the task.

At this moment, Randal and others, led Sara and her party to the entrance of the VIP lounge,

Randal took the initiative to open the door and said to Sara:

“Miss Gu, it’s hard for you to rest here for a moment,”

“Later the dinner officially starts, President Lu, Vice President Luan and I will all make speeches respectively,”

“When we finish our speeches, we will announce that we invite the mysterious VIP to make an appearance, then there will be staff to inform you to enter the venue.”

“Understood.” Sara also did not think much about it, nodded, and said, “Then I will wait here.”

“Good!” Randal nodded happily and said with a smile, “Then Miss Gu will go in

first to rest, and we will go to the front to prepare.”

After Randal and the others left, a bodyguard said to Sara, “Miss Gu, we have checked inside the VIP lounge,”

“There are no other passages, it is very safe, and there are no eavesdropping or recording devices,”

“You can rest assured, six of us will guard the entrance, if there are any problems you can call me at any time.”

Chapter 4260

Sara nodded and said, "Thank you for your hard work."

"We should." The other party said, "By the way Miss Gu, there are some drinks and desserts inside,"

"You are advised not to consume them freely for safety's sake." "Okay, I know."

After Sara finished speaking, she looked at Charlie and Hogan and said, "Uncle Chen, Charlie, let's go in and sit down for a while."

After saying that, she looked at Tasha and spoke, "Tasha, you also come in and take a rest."

The four of them then went into the lounge.

As soon as Hogan entered the lounge, he began to look around.

Although the lounge was luxuriously decorated and well furnished, he felt that this place was really difficult to feel safe.

Because, this lounge contacts the outside world only a door, in addition, is a completely enclosed space.

Under normal circumstances, the privacy of this room is excellent,

But once in danger, this room almost does not have any chance of escape. Thinking of this, he could not help but with some worry, always feel, this

charity dinner and this confined room, seems to hide some hidden secrets.

So, he asked Sara: "Miss Gu, how were you invited to this charity dinner?"

Sara said: "The vice president Luan is my father's former friend,"

"Because of this relationship, my first few stops on this tour, with the New York Chinese Chamber of Commerce reached a series of cooperation,"

"A few days ago Uncle Luan said the young master of the Fei family wants to cooperate with them to organize a charity dinner,"

"They hope I could come over to support a show, I think the theme of this charity dinner is quite meaningful, so I agreed. "

Hogan nodded and asked, "Tonight's charity dinner is for Chinese orphans, right?"

"Right." Sara nodded, the afterglow could not help but look at Charlie and spoke,

"Charlie suffered a lot in the orphanage back then, and now he also puts out a lot of funds to do charity for the orphans, so I also want to do my part."

At the side is Tasha, at this time also quietly staring at Charlie,

Want to see if Charlie's expression at this time will be because of Hogan's question showing some changes.

Charlie, whose emotional nerves were somewhat dull, had a little reaction at this time, while Hogan's heart became even more worried.

Because he thinks, so it seems, this charity dinner, is more like tailor-made for Sara.

So what is the purpose of the other party doing this?

The young master Fei fell in love with Sara and wanted to cater to her, or did the other party have some mischief in mind for her?

If there was no this airtight room with no place to escape, Hogan might think

that it was probably Randal who wanted to win Sara's attention. However, if this room is included in the conditions of analysis,

Hogan feels that there is a faint murderous spirit in it, so the latter seems more likely.

It's like, a man goes on a date with a woman if he carries a condom with him, It doesn't necessarily mean he wants to commit a crime, maybe he just wants to come along after the atmosphere arrives.

But if he carries a dagger in addition to a condom, then the flavor of the matter has changed.

For a while, he did not know how to tell Charlie and Sara his opinion, After all, Sara

is a public figure, many things will naturally be infinitely magnified once it comes to public figures.

If Sara was not a big star, then he would really advise her to be more cautious and better leave the place first.

However, after all, she is a public figure, and is here to attend a charity dinner, If she leaves without saying goodbye, once the word gets out, it will have a great negative impact on her reputation.

In case one is overthinking, then this matter will make a big oops.

At this time, Charlie saw him frowning slightly, seemingly preoccupied, so he curiously asked, "Uncle Chen, what are you thinking about?"

Hogan came back to his senses, shook his head, and said,

“Oh, nothing Young Master Wade, just thinking that the privacy of this room is really good.”

Charlie felt a little nonsensical but still nodded out of politeness.

At this time, Hogan sat down next to Charlie and asked him in a low voice:

“Young Master Wade, I don’t feel good about this.”

Charlie was surprised and asked him, “Uncle Chen, which area do you mean?”

Hogan looked around for a while and spat out one word in a low voice:

“Here.”

Chapter

4261

Charlie was a little surprised and looked at Hogan and asked in a low voice, "Uncle Chen, what do you think is wrong here?"

As his own strength continued to rise, Charlie had long since entered a state where he could respond to all changes with no change.

Therefore, he did not need to keep a string taut at all times,

And with his strength, he could basically deal with unexpected events easily. However, Hogan is different.

In the years since he came to the United States, Hogan has always been careful and cautious.

On the one hand, he has to worry about the immigration bureau to find out his illegal immigration status,

On the other hand, he also has to worry about the Hong Kong Island tycoon Liu sent people to find him.

Therefore, he is always alert to everything around him, and his sense of danger is naturally sharper.

At this moment, Hogan said in a very serious whisper,

“Young Master Wade, many small details, in my case are wrong.” Saying that he then spoke all the doubts in his heart, all of them. After Charlie listened, his expression also gradually cooled down. He felt that Hogan’s analysis was very reasonable.

One or two things abnormal perhaps maybe a coincidence,

But many factors are abnormal, it is difficult to explain by coincidence. Thinking of this, he asked Hogan in a low voice,

“Uncle Chen, do you think that Randal is plotting against Sara?”

“Mm.” Hogan nodded and spoke, “Randal is the young master of the Fei family, his status, among all the people outside,”

“Is the highest, so it is impossible for him to help others sing, so he must be the real protagonist.”

Saying that Hogan added: “Moreover, with his Fei family young master’s status,”

“Since he decided to do this thing, he must have a very thorough plan, and also will certainly not leave any risk,”

“They arranged us in such a retreat room, the intention is already very obvious,”

“The killing machine is ready to ambush us Young Master Wade!”

Charlie could not help but frown, his mind, suddenly thought of the still unknown whereabouts of Jesse.

So, a question sprouted in his heart:

This Jesse and Master Fei, could there be any relationship with Randal?

Or, Randal, could it be Randal's important superior?

After all, if Randal really wanted to make a move on Sara today, it would prove that he, like Jesse, is a beast in human skin.

The fact that Jesse disappeared after coming to New York,

And that the ability of the Cataclysmic Front did not find out Jesse's whereabouts,

Proves that Jesse must have defected to someone with great strength, and Randal just happens to have that strength.

With a thought like this, Charlie immediately took out his cell phone, Sent a text message to Joseph, the text message is:

“Check Jesse and Randal Fei of the Fei family, to see if these two people have any interactions in the past,”

“In addition, check what relationship Randal and Jesse have.”

But all the things that are written in the file, Cataclysmic Front to check up much easier.

Although much of Randal's information is highly encrypted,

But the Cataclysmic Front has its own informants in the U.S. intelligence department,

And its own trained hackers can also directly crack the confidential information,

So they quickly found Jesse and Randal's file, and then the two files did a comparison and immediately made a discovery

Just as Charlie was waiting for a reply, Sara looked at the two men in surprise and asked,

“Uncle Chen, Charlie, what are you two talking about there with your heads together? Mysteriously

Charlie smiled faintly and said casually,

“I am quite curious about that young master Fei, so I asked Uncle Chen about it.”

Sara asked in confusion, “Charlie, why are you curious about him?”

Charlie was about to speak when he suddenly received a text message, which showed,

“Mr. Wade, Randal’s father is called Adam Fei, his grandfather is Dawson Fei, and the rest is still being checked.”

When Charlie saw this, he knew that this Randal was actually Stella's nephew. So, he said to Sara, "Coincidentally, I know this Randal's aunt."

"Ah?" Sara was surprised and asked, "How do you know his aunt?" Charlie laughed: "That's a long story."

At this time, Charlie's phone received another message, "Mr. Wade, Jesse, and Randal, used to study at the same university," "and the two of them studied at the university at the exact same time overlapping,"

"Which at least proves that the two of them are alumni of the same batch."

"Fck!" Charlie cursed in the bottom of his heart, to this information, his heart immediately is clear,

Chapter 4262

Can not help but think: "Everywhere we are looking for this Jesse and can not find, so he came to New York to join Randal!"

"The Fei family is powerful, and New York is the Fei family's backyard," "Their strength and resources in New York, can be compared to the Cataclysmic Front?"

"If Jesse had been hiding in the Fei family,"

"The Cataclysmic Front might not be able to find his whereabouts even if they searched for another month!"

Thus, Charlie was very firmly convinced that today's charity dinner was a set up by Randal for Sara,"

"And it was even likely that Jesse was behind the plot!

At this moment, Charlie's expression had become very ugly.

He really did not expect that the young master of the Fei family would be so bold as to dare to move even his sister!

At this time, Hogan also saw that Charlie's expression was not right, and quickly whispered:

“Young Master Wade, if the other party really has bad intentions, just with a few bodyguards outside,”

“I’m afraid it’s difficult to deal with, and I speculate that the other party will definitely,”

“Choose to make a move on us when the charity dinner officially begins,”

“So it seems that we only have a five-minute window of time left. ”

Saying that he immediately added: “I have a reprieve,”

“Call 911 immediately now and tell them that someone here is using explosives to plan a terrorist attack.”

“In New York, a terrorist attack is the highest level of incident,”

“Once the police receive an alarm related to a terrorist attack, the police are extremely serious,”

“The special operations team will arrive by helicopter within five minutes,” “And within ten minutes of receiving the alarm,”

“The NYPD will at least draw more than three hundred police officers from the surrounding area to the scene to support;”

“What’s more, this is the Fei family’s property,”

“The young master of the Fay family is here tonight,”

“The police will only take it more seriously and will not rest until the place is turned upside down!”

“By then, the massive influx of SWAT and police will be able to completely disrupt their plans for tonight,”

“And we’ll be safe for now!”

Hearing this, Charlie couldn’t help but be surprised by Hogan’s response speed.

He did not expect that Hogan would be able to come up with a series of solutions in such a short period of time.

The 9/11 time that shocked the world back then happened in New York and was a permanent pain for the city,

So he believed what Hogan said, once the city's police received the alarm about the terrorist attack,

They would definitely do everything they could to respond quickly.

What's more, this is still the Fei family's territory,

The young master of the Fei family is holding a banquet here tonight, If there is really an attack, the consequences are unimaginable.

This will definitely make the police more nervous.

Therefore, the feasibility of this solution is almost 100%.

However, Charlie was not going to use Hogan's method.

He smiled faintly and said to Hogan: "Uncle Chen, catching adultery in bed," "Catching thieves to catch stolen goods! If you don't catch the thief,"

"But want to run away with your property, you can run away for a while,"

"But not for a lifetime, as long as the thief is still here, he will keep thinking about your property."

After hearing this, Hogan said with horror:

“Young Master Wade, the other party is the young master of the Fei family,”

“We don’t know how many top experts are working under him,” “With our bodyguards alone, I’m afraid we are not their opponents,”

“For us now the most important thing is to retreat in one piece, and then think of countermeasures,”

“Stay in the green hills, not afraid of no firewood”

Charlie nodded and said with a smile,

“Uncle Chen, don’t worry, don’t care if he’s a baboon or a monkey, as long as I’m here, no one can do anything!”

Hogan did not understand this response, he had told Charlie the extent of the danger of the matter without reservation,

But Charlie was not moved in the slightest.

He could not help but secretly sigh: "Young master Wade would not really think that he could control such a situation"

Thinking of this, he could not help but stifle:

"Compared with the young master Changying, although the young master Wade is courageous,"

"But the big picture is still much worse"

“If we can not escape today, the young master Changying will not be extinct?”

Hogan thought to this point, the whole person got an electric shock. He knew that Changying only had one son, Charlie, and moreover,

It was only today that he knew that Charlie was actually alive.

Chapter 4263

Therefore, he could not accept that his benefactor's only son would die here no matter what.

He felt that he had been languishing for more than 20 years,

And his death was nothing to be regretted, but Charlie is still young,

And he has the bloodline of Wade and An family, two of the phoenixes in his body,

So no matter what, he could not stand by and see him die here!

So, he immediately took out his cell phone and subconsciously prepared to call 911.

At this moment, he no longer cared whether Charlie would stop,

Or whether Charlie would be angry, in his opinion, to save Charlie's life is the most important.

However, when he took out the phone and was about to unlock it,

He suddenly found that the top right corner of the phone was showing the word no service!

He exclaimed in his heart, "This is the center of New York!" "How can there be no carrier signal? Could could

.....” “Could could they have blocked the cell phone signal?!”

Hogan was right in his guess.

Jesse was worried that in case the Iga ninja encountered a tangle during their operation,

Giving Sara time and opportunity to call the police, would greatly increase the difficulty of their operation.

In that case, as long as Sara called the police, all the plans would be ruined.

Therefore, he deliberately reminded Randal, in Sara’s room within a 20-meter radius, installed multiple signal shields.

This signal shield gives good isolation of radio signals,

Once turned on, whether it is cell phone signals or intercom signals, they will be completely cut off.

Moreover, he gave the remote control switch of the signal shield to Hattori Kazuo,

As soon as he felt that the time was right and ready to do it, he would immediately cut off the signal.

Just a minute ago. Two of Hattori Kazuo's men, after passing by Sara's room,

Walked out a few meters and accidentally spilled the red wine that they were going to bring to the front,

Which stained the pure wool woven carpet with a red stain,

So Hattori Kazuo immediately asked the two men to replace the carpet.

So, several people immediately carried out a brand new roll of carpet from the equipment room and prepared to replace it.

The six bodyguards at the door were a little wary of this,

But this waryness only made them pay more attention to the waiters, And did not immediately make them aware of the approaching danger.

At this time, Hattori Kazuo suddenly pressed the remote control in his pocket,

The signal shield instantly began to work, and then,

He gave a wink to his men who were preparing to replace the carpet, And several hands immediately reached into the rolled carpet.

The carpet at this time has more than a dozen hardened poison shuriken hidden in it.

This kind of cold weapon because of the quenching of blood-sealing poison, The killing power is extremely strong and can be done without a sound. When they each had four shurikens in their hands,

Several people exchanged a look with each other, and at that moment, Hattori Kazuo suddenly attacked!

He turned around instantly with great speed and shot out four shurikens in his hand aiming at two of the bodyguards.

The others followed immediately, and in a flash, nearly twenty shurikens raced towards the six bodyguards.

The six bodyguards realized that there was danger, and before their bodies could react,

They were already stabbed by the shuriken and they died instantly!

The whole process took less than two seconds!

Immediately after that, Hattori Kazuo quickly gave a wink to his men,

And the crowd immediately replenished the shuriken and flew towards the door of the VIP room.

At this moment, Sara and Tasha inside the room knew nothing about the danger outside the door.

Because, in the banquet hall next door, the charity dinner has officially started, The sound of the host speaking, the sound of the applause on the scene,

So that they can not hear the movement outside the door.

And at this time, Tasha was wondering and muttering a sentence, "Huh, why is there no network"

On the other side, Hogan has been nervous to the extreme,

He knows the phone has no network, so it must be the other party ready to make a move,

They have missed the last opportunity, now he is afraid there is only one way to wait for death.

Only Charlie, with his keen senses, took in everything that was happening outside the door.

He recalled his experience when he faced the Iga family ninja in Japan,

And sensed that the weapon used by the other party outside should be the hand sword used by the Iga ninja at that time!

He couldn't help but frown, and laughed playfully under his breath, "Huh, it's actually a ninja!"

Saying that, in his hand, he already quietly held the soul-piercing blade.

Chapter 4264

Sara heard this, surprised asked: "Charlie, what did you say ninja"

The word ninja has not yet finished, the door was suddenly kicked open! Immediately after, Hattori Kazuo led seven Iga ninjas rushed in extremely fast.

The two girls screamed out in fear, while Hattori Kazuo coldly instructed the ninjas around him,

"Except for the women, kill all the rest, leave no one alive" The same as Sara, Hattori's last two words have not finished, Looked up and suddenly saw Charlie is sitting against the door,

The whole person was scared to the extent that his scalp instantly got numb, And quickly from the scalp the numbness spread all the way to

the toes! Hattori Kazuo longing with fear, anxiety, panic, and a trembling voice:

“Wade Wade master? How did you you get here”

The other seven ninjas heard this, have looked along with Hattori Ichigo’s gaze over.

This look does not matter, seven people saw Charlie,

Scared instantly poof all kneeled on the ground, the heads falling to the ground!

These people, without exception, all responded to Ito Nanaiko’s signs at the time of Qingming,

And went to Waderest to support Charlie.

There, they saw Charlie's terrifying strength with their own eyes.

In particular, Charlie hooked his fingers and neutralized two of the four battle commanders of the Cataclysmic Front one after another!

That scene still left them with palpitations!

They know, even their head, Hattori Hanzo, and even Hattori Kazuo's father,

Is not a match for the Four Great Battle commanders of the Cataclysmic Front! Even two Hattori Hanzo, three Hattori Hanzo, Have no chance of winning in front of one commander of the Cataclysmic

Front.

But Charlie, like killing a dog, easily dealt with the two of them,

This strength, in their eyes, is already beyond their comprehension!

At this moment, when they saw Charlie here, they were naturally scared out of their wits!

Hattori Kazuo saw seven of his men around him kneel down, he himself then came back to his senses,

Hurriedly kneeling on the ground, fearful, said:

“Wade Master Wade onsorry”

"Really sorry under under Hattori Kazuo... ..Iga ninja under the command of Miss Ito"

"At the beginning, on Mount Waderest, I followed Miss Ito to help you fight against the Cataclysmic Front"

"Today Today, I did not know you were here and unintentionally offended you, so please I atone for my sin"

Sara, Tasha, and even Hogan at this moment have looked silly.

A second ago, these eight people rushed in a murderous manner. But a second later, these eight people actually all kneeled down,

And these eight people without exception, all in a head kowtowing begging for mercy!

Charlie looked at Hattori Kazuo, smiled contemptuously, and asked in a cold voice:

“Hattori Kazuo, right? Tell me, how much fcuking guts have you eaten, how dare you even try to me?”

Hattori Kazuo folded his hands and said in terror:

“Back to Master Wade a guy named Yun paid us a high price to kidnap the two women in this room,”

“And then kill everyone else I really did not know it was You ah”

After saying that, he glanced at Sara and Tasha, and instantly recognized one of them as Sara!

In this instant, he was almost scared out of his mind!

Not only was he a fan of Sara, but he had also seen her with his own eyes that day
On Waderest Mountain and knew that she was Charlie's confidante.

Only at this moment did he realize that what Jesse has asked him was to kidnap Sara!

He couldn't help but curse in his heart:

"Isn't this a fcuking dog? I'd rather kidnap Amaterasu Omikami than Charlie's woman"

Panicked to the core, Hattori Kazuo cried,

“No wonder that guy named Yun, dead set on telling me who the target really was.....”

“Master Wade, I was being used! That person just told me that there are two women in this room,”

“Let us first kidnap both women, did not tell me who these two women are ah”

Saying that he kneeled a few steps, came to Charlie while kowtowing like crazy while crying, “Master Wade I really did not know that you and Miss Gu were here” “If I knew, even if I

was given ten thousand guts, I would never have
dared to
do anything against Miss Gu

“Please be merciful and spare me this time”

Chapter 4265

Hogan and Sara both looked confused.

Sara was completely unaware of what was happening,

While Hogan was completely unable to figure out why these few people came in with murderous anger

And immediately knelt down and begged for mercy as soon as they saw Charlie.

What they do not know is that Hattori Kazuo is now really scared to death. He only felt that his heart rate was so fast that it had gone completely out of whack,

And the violent and rapid vibrations seemed to shatter his entire chest cavity with excruciating pain.

In his mind, he couldn't help but recall the image of Charlie kicking a small stone,

And directly killing the commander of the Cataclysmic Front on Waderest Mountain that day,

And knew that as long as Charlie was upset,

He could send the eight of them to meet the Great God of Amaterasu in a minute.

Therefore, he could only keep begging and repenting, praying that Charlie would be merciful.

At this time, Charlie smiled playfully and said, "Hattori Kazuo is right, go, close the door first."

Hattori Kazuo could only nod like a gray grandson and hurriedly stood up, Dragged his trembling legs and closed the door of the VIP lounge. Afterward, Hattori Kazuo returned to his original position, Knelt on the ground again, looked at Charlie, and begged,

"Master Wade I beg you to forgive me this time"

Charlie waved his hand and said indifferently,

“We are all adults, you are still here daydreaming like a child, this is no longer interesting.”

Hattori Kazuo panicked to death, like a dog that lost its home, confessed: “Master Wade your great name for us, has long been like a thunderclap,” “Your strength, in our eyes, also is like a miracle, I really do not mean to be your enemy.”

“... ..this is all instructed by someone”

Charlie smiled and spoke: “I ask you, the person who hired you, who is it?”

Hattori Kazuo was busy saying,

“A Chinese surnamed Yun, I don’t know exactly what his name is, I only know it’s Mr. Yun.”

Charlie found out Jesse's information, opened the photo, and asked him, "Is this the man?"

Hattori Kazuo crawled forward a few steps on his knees,

And after seeing it clearly, he hurriedly knelt and retreated again before bowing and saying,

"Back to Master Wade, that's him!"

Charlie nodded and asked, "How much money did he give to you?" Without thinking, Hattori Kazuo said, "Eighty million dollars!" Charlie continued to ask: "How many of you have come in total?" Hattori Kazuo said respectfully, "Just eight of us"

Charlie asked in a cold voice: "What was your original plan?"

Hattori Kazuo said: "The original plan was to arrest the two women here," "Kill everyone else, and then immediately take them away from the staff passageway,"

"Load them into garbage trucks and transport them to the dock,"

"That Yun has arranged a boat for us, so when we hand them over to him," "We could leave the United States by boat."

Hearing this, Charlie nodded gently, then he smiled lightly, looked at Hattori Kazuo with interest, and asked,

"Hattori Kazuo, let me ask you, do you guys still want to return to Japan alive?"

Hattori Kazuo's expression was overjoyed, and he nodded his head like garlic and hurriedly said,

"I do! We all want to! I beg Master Wade to make it happen!" The others also begged, "Please, Master Wade!"

Chapter 4266

Charlie nodded and said, "To tell you the truth, one of the masterminds behind this matter today is.."

"Randal Fei of the Fei family in New York, and he is here now,"

"So help me arrest him and transport him out according to the plan you just mentioned,"

"But not to Jesse, I will arrange for someone to meet with you and take him away, and after it is done,"

"The eight of you will go directly with my men, and they will protect you."

Although Hattori Kazuo had never met Randal,

He was very clear about the reputation and strength of the Fei family in New York.

The strength of the Fei family was simply not comparable even to the Ito family in Japan,

Yet Charlie told him to capture the young master of the Fei family, which made him scared out of his mind.

So he panicked and cried and begged, "Master Wade we Iga ninja have always survived in the cracks,"

“Life is very hard, if we provoke the Fei family, it is likely to be the disaster of extinction for us.....

”

Charlie sneered and sternly said, “Hattori Kazuo! For you, Iga ninjas, provoking the Fei family,”

“There just might be a disaster of extinction, but you provoked me, then what it might be!”

He said that and stood up, looked down at Hattori Kazuo, and said coldly:

“When the Su family was able to exterminate the Matsumoto family,”

“Even the son of Matsumoto Ryojin, who was taken away by his ex-wife for many years and changed his name,”

“Was not spared, how could I, Charlie, be inferior to them?”

“If you are determined to oppose me, then I will make the Iga ninja,” “And all those who are related to the Iga, disappear from this world completely!”

When Hattori Kazuo heard Charlie’s words, he was struck by lightning and his liver and guts were split!

He knew Charlie’s strength.

Not to mention that Charlie himself was so powerful that killing Iga ninja was no different from killing a chicken.

The strength of the Cataclysmic Front under his command alone was so strong that it made him shudder!

If Charlie really wanted to exterminate the Iga ninja, then they definitely had the ability to complete Charlie's order!

Hearing this, Hattori Kazuo had completely collapsed,

He knocked his head on the ground and cried out in pain, his whole body kept trembling as he sobbed.

When he came to America, he still carried the mission and vision of revitalizing the Iga ninja.

But now, the centuries-old heritage of the Iga ninja was likely to be destroyed. If he did not agree to Charlie, the Iga ninja would completely disappear from this world,

And if he agreed to Charlie, he was afraid that he would spend the rest of his life,

Trying his best to avoid the Fei family's pursuit, it was still unknown how many would survive.

This desperate situation had caused his emotions and mentality to completely collapse.

The other seven Iga ninjas were in the same mood.

Charlie, seeing that Hattori Kazuo was still not cooperating, said in a cold voice:

“Hattori Kazuo, we have an old saying that,

“„good words are not enough to persuade a damn3d ghost“, since I have given you a way out and you don“t cherish it,”

“Then don“t blame me, for being merciless, you go first today,”

“Your father, brother, and other relatives, it won“t take long for them to accompany you!”

As soon as Charlie's words came out, Hattori Kazuo immediately raised his head, Emotionally broken down and cried, "Master Wade I am willing to cooperate! I am willing to cooperate!"

"Good!" Charlie nodded and said in a cold voice:

"You first dispose of the bodyguard's corpse outside the door," "Then continue to go out disguised as a waiter, it won't take long,"

"That Randal will definitely come over to see what's going on, then you will directly do it,"

"First take out all the bodyguards around him, then take the person away."

Hogan, who had not spoken, said in a low voice:

“Young Master Wade, a person of Randal’s level must have martial arts experts around him,”

“I’m afraid these ninjas are no match.”

Charlie agreed and said, “There is indeed this possibility.”

After saying that, Charlie looked at Hattori Kazuo and spoke,

“You don’t have to worry too much, if there are martial arts experts around the other party, I will solve it for you.”

Chapter 4267

Hattori Kazuo now could only cross his heart and follow Charlie all the way to the black,

So he gave up and said through clenched teeth, "Okay, Master Wade! I will do everything you say!"

Charlie in order to ensure that nothing goes wrong,

Took out the cell phone and opened the information sent by Joseph,

Opened Randal's photo, handed it to Hattori Kazuo and several people, and instructed:

“Remember this person, later if he brings people over, you wait for him to come in,”

“Take out all his men, if he comes himself, then directly kidnap him and bring him to me, understand? “

Hattori Kazuo dare not to say anything anymore, nodded hastily and said,

“Master Wade don’t worry, I understand

Charlie nodded and added: “If he lets people come to explore the truth,” “You do not have to do it, directly let people in.”

“Okay!” Hattori Kazuo solemnly agreed, and carefully stared at Randal’s photo before speaking,

“Master Wade, I’ve memorized Randal’s looks!”

Charlie nodded slightly, waved his hand, and said,
“Since you have already remembered clearly,
then this is no longer your
business, all go out!”

Hattori Kazuo breathed a sigh of relief and
hurriedly said,

“Master Wade, then I will first leave

After saying that, he hurriedly led the seven
people to retreat out.

As soon as they left, Sara asked impatiently,
“Charlie, that Randal, why would he kidnap me?”

Charlie coldly said: "I was tracking the whereabouts of that Jesse when I was in Canada,"

"But this kid disappeared after coming to New York, just now I learned that this Randal,"

"Is actually Jesse's superior, they specialize in brutalizing young girls for fun," "And via extremely ruthless means, you should have been their next target." Sara gritted her teeth and said, "This evil is too vicious!"

"He put on such a big show to deceive me! It's so hateful!"

Charlie smiled faintly and said, "Sara, don't worry, I will make him pay the maximum price."

Sara couldn't help but ask: "Charlie, what are your next plans? Is it to kidnap that Randal?"

Charlie nodded and said firmly, "I will definitely not let them go,"

"But right now I don't know the exact whereabouts of Jesse, so since Randal is here,"

"Why not take this opportunity to give him a trick first!" Sara hastily reminded, "Charlie, this Fei family is strong,"

"In North America, it is second only to the An family of Chinese families," "If you move their young master, this matter will bring you trouble"

"Never mind." Charlie casually laughed: "People are not kidnapped by us either, we are just witnesses."

Hogan could not help but exclaim: "Young Master Wade, this solution is too good!"

"When that Randal comes over, those ninjas will kill his men and kidnap him," "And even the six bodyguards who died just now can all be counted on them as well!"

"We just need to play nice in front of the police,"

"And then we can watch the fire from the other side of the river!" Saying that, Hogan added: "Young Master Wade, in that case,"

"I dare to suggest that you should not put these ninjas back if the Fei family traces them,"

"This matter will still be exposed sooner or later."

Charlie nodded with approval and said, "There is indeed this layer of risk."

After saying that, Charlie asked Hogan, "Uncle Chen, what good advice do you have?"

Hogan busily said, "I heard these ninjas just now say that the person who invited them here,"

"Is the one you've been trying to find, Jesse, right?" "Right."

Charlie nodded his head.

Hogan added: "Young Master Wade, you have not been able to find the whereabouts of Jesse,"

"According to me, Jesse is probably hiding with the Fei family to advise Randal,"

“And the Fei family is powerful, has many industries, and is heavily guarded, so it is not easy to find him.”

Chapter 4268

Charlie agreed and said, "Right, I now also suspect that Jesse has been hiding with the Fei family."

Hogan then said, "Since you intend to let these ninjas kidnap Randal," "It might as well let your men control these ninjas as well,"

"Let them first demand a huge ransom from the Fei family,"

"And then let them evaporate, then the Fei family will then naturally think that,"

"It was these ninjas who kidnapped Randal, so they will definitely follow the line of ninjas to investigate."

"If they find out the identity of these ninjas,"

"Then they will definitely go to Japan to find the whereabouts of these people,"

"And people in your hands, they can only go to Japan to find the relatives of these ninjas in Japan,"

"And then they will definitely force to ask Jesse who hired the ninjas;"

"In this way, the Fei family will probably think that it was Jesse who hired these ninjas to kidnap Randal,"

"And that he is the real mastermind behind it and by then,"

"I'm afraid he won't be able to wash his hands even after jumping into the Yellow River."

"I believe that once the Fei family investigated the ninja layer,"

"Without waiting for them to find out the actual results, Jesse already will be panicked,"

"He will only have two choices, either take the initiative to confess everything to the Fei family,"

"Or can only grit his teeth and carry this black pot to escape,"

"No matter which one he chooses, the Fei family will not let him go!" Charlie frowned

and asked, "Uncle Chen, what do you think,"

"If Jesse confesses to the Fei family, how will the Fei family deal with him?" Hogan said without thinking: "If I were at the helm of the Fei family,"

"If Jesse came to confess this to me, the first thing I would do is to kill him, and on the spot to avoid a long night!"

"Because once these things get out, the Fei family's reputation will suffer a devastating blow!"

"Even if Randal, the young master, can never be recovered,"

"His father can still find someone to regenerate another or even several!"

“But once the family reputation completely collapsed, the loss is not as simple as of a male child!”

“So, even for Randal’s father, there is no way to allow what Randal has done to implicate the entire family,”

“A family so strong, if not a little courage to break the wrist, it is impossible to come this far.”

Hearing this, Charlie’s heart was enlightened and he laughed:

“In this way, once the Fei family followed the ninja matter down the line,” “Jesse will only have a chance of survival by fleeing from the Fei family.”

“That’s right.” Hogan said, “Since you have already sent people to lay a net in

New York,"

"You might as well use this method and let the Fei family force Jesse out!" "Or let Jesse himself be scared out by the Fei family!"

After a pause, Hogan added: "Young Master Wade, as long as you play this scene well today,"

"The Fei family will never suspect your head even if they die!"

"Moreover, I believe that it won't take long for you to catch Jesse as well," "And you won't have to worry about being exposed at all;"

"After all, when the Fei family found out that the ninja was hired by Jesse,"

“And then Jesse could not be found, they will definitely think that Jesse is hiding in advance,”

“Even if the Fei family can not find Jesse for the rest of their lives,” “They will not associate this matter with you!”

“You caught Randal today and watch the fire, tomorrow and then wait for the rabbit to catch Jesse,”

“And finally get the whole body and retreat, the best of both worlds.”

The more Charlie thought about it, the more he felt that Hogan’s method was very feasible,

And the only thing he had to do was to finish off Hattori Kazuo or hide them. However, since he had already promised to keep them alive, Then naturally he would not go back on his word to kill them.

Therefore, as long as they were hidden in a place where no one could find them,

The matter would develop in the direction analyzed by Hogan. As for where to hide Hattori Kazuo and the others, Charlie naturally had an excellent choice in mind.

Without a doubt, the best place for them is to go to Syria!

Chapter 4269

Hogan's analysis made Charlie exclaim: "Uncle Chen, your idea is really great! Let's do as you say!"

At this time, Tasha couldn't help but speak up,

"Mr. Wade just now, didn't that Hattori Kazuo say that that s(um named Jesse was waiting for him to take us to the pier?"

"Why not catch Randal here first, and then go to the pier to catch that Jesse?" "What's the point of going to all this trouble?"

Hogan smiled and said, "Miss Tasha, the reality is different from the movies,"

“In “Gangster”, Chen Haonan became the leader and often personally led his disciples to chop people up.”

“Responsible for the hands, the brain is only responsible for moving the brain,” “How can the conductor behind the scenes risk putting himself in danger?”

Charlie also nodded and said, “If Jesse would personally go to the pier to do the hand over from the Iga ninja,”

“Then this person would not be able to live today, in my opinion,”

“Not only will he not go to the pier, but he has also even made a complete plan,”

“Maybe when the ninja gang appears, they will directly kill them.” Tasha awkwardly smiled twice: “Well am I thinking too much

After saying that, she asked Charlie:

“Mr. Wade, then how are you sure that Randal will definitely come over?” “In case he is late, then won’t the plan go down the drain?”

Charlie said seriously, “It depends on who is the first to sulk.”

Saying that, he looked at Sara and smiled, “Sara, help me perform the play later!”

.....

At this moment, Hattori Kazuo and others had already loaded all the bodies, Of the six

bodyguards into the garbage truck through the internal passage prepared in advance.

In order to ensure that the matter would not be revealed,

Hattori Kazuo had long forced Leroy to clear all the area in this vicinity,

So there were no other staff activities in this area, which greatly facilitated them.

Afterward, Hattori Kazuo and others, in accordance with Charlie's orders,

Reassumed their roles as waiters and returned to the vicinity of the VIP room to continue their cleaning work.

And at this time, inside the banquet hall, Randal was anxiously waiting for the news that the ninja had gotten the job done.

Originally, the plan Jesse had made was that after Hattori Kazuo had gotten his hands on the work,

He would take the man away in the garbage truck, and at this time would send a text message.

To Jesse informing him that things had worked,

Jesse would reply with a coded message to Randal, relaying the good news to him.

This way, Randal does not have to have any contact with Hattori Kazuo throughout the whole process,

When the person disappears, Leroy has to take the black pot of blame, He only needs to pretend that he does not know anything, no one will associate himself with him.

Therefore, Randal is now only looking forward to Jesse's reply.

However, seeing that the Chinese Chamber of Commerce's Vice President Luan has finished speaking,

President Lu has also reached the halfway point, and it will be his turn to speak on stage.

But still did not receive any news, the efficiency of this ninja is really disappointing for him.

At this time, his mood got more nervous.

He was nervous, not in front of so many people to address, but he knew very well,

According to his original plan about Sara, with the Chinese Business Association,

After the speech of the two presidents of the association, the process is followed by his speech at the end.

And here he would announce in public tonight's charity dinner and the intro of a heavyweight VIP.

Immediately after, he will be on stage to announce that there is a heavyweight guest on stage.

At this time, Sara will come out of the lounge, directly step on stage,

To the audience to drop a heavy bomb, the charity dinner tonight will go to the climax.

Of course, this process is under the premise of no surprises.

The real process is that Hattori Kazuo has to complete his task and kidnap Sara before Randal takes the stage.

Subsequently, if he received the coded message back from Jesse,

Chapter 4270

So Randal will be rest assured about the boldness of the speech on stage,

Speaking at the end, or the public announcement of tonight's heavyweight VIPs, and then have the VIPs on the stage.

However, since Sara would have been kidnapped and all the people around her had been killed,

The situation would be that he would have said on stage that he would invite the VIPs to appear, the VIPs would be late.

At this time, he will be directly on stage to the two presidents and say,

“I guess the VIP did not hear the words just now,”

Let them hurry to the VIP lounge to invite them to appear. Immediately after, the two presidents would find that the VIP lounge, Save for a pile of corpses, there is no shadow of Sara?

So, the scene would be in chaos, and as the host himself, he would have to be in a state of crisis,

And after seeing the tragic events that has occurred,

He would first call the police and first ask his men to close the entire banquet building so that the suspects would not escape.

Subsequently, a large number of police officers would quickly arrive, Then

investigate the scene, and finally find Leroy as a major suspect, Take him back for interrogation, and finally, the direction of things would completely be put on Leroy, completely away from Randal.

Because everything has long been interlocking arrangements,

So Randal at this time is particularly worried that the gang of ninjas will have an accident.

So, already a little subdued, he took out his specially prepared new phone and sent a message to Jesse: "Still no movement?"

Jesse quickly replied, "I haven't received any news yet."

Randal urged, "Ask what's going on! I'm about to give a speech on stage! Five minutes at most!"

Jesse naturally knew what it meant for Randal to speak on stage, So he immediately made a call to Hattori Kazuo.

However, at the other end of the line, it was temporarily unavailable.

Jesse panicked, he knew that signal shielding equipment is installed near Sara's,

Now can not reach Hattori Kazuo's phone, which means that Hattori Kazuo's gang is still on the scene!

If Kazuo Hattori is still at the scene, it means that he has not been able to get it!

Thinking of this, Jesse was even more nervous.

The most critical thing was that he could not contact Kazuo Hattori at all,
So he had no idea about the specifics of the scene.

So, he immediately sent a message back to Randal: "Young Master Fei," "I can't contact the ninjas now you send a trusted man over to see if there's been any accident "

"Fck!" Randal saw these contents, immediately replied:

“You fcuking swear that there is no problem, everything is under control,”

“You son of an idiot! If anything goes wrong in this matter, I’ll fcuking kill you!”

After sending the message, although he thought more and more angry,

But still did not dare to delay, immediately called his most trusted assistant over and whispered:

“Go to the VIP lounge to see if there is anything, if there is, immediately come to tell me!”

“Yes, young master!” The assistant didn’t dare to delay, he got up and rushed to the VIP lounge.

Disguised as waiters, Hattori Kazuo and others secretly observed this person's approach,

But once they thought of Charlie's instructions that they must not make any rash moves,

Without seeing the young master of the Fei family, they did not make any moves.

The assistant came all the way to the entrance of the VIP lounge,

And to his surprise, the door was open at this time, And Charlie was persuading Sara with bitter words,

“Miss Gu, I suggest you listen to the bodyguard’s advice and hurry up!”

Sara said with a difficult face, “Just going straight away, it’s not appropriate, right

Charlie waved his hand and said, “What’s inappropriate, safety is important!” Randal’s assistant was slightly stunned and hurriedly came forward and asked, “Miss Gu, where are you going?”

Chapter 4271

Charlie turned back, looked at the assistant and opened his mouth, and asked,
"Who are you?"

The assistant busily said, "I'm Young Master Fei's assistant, my name is Evan Sun."

Charlie nodded and spoke, "Please tell Young Master Fei that Miss Gu's bodyguard said that"

"All of a sudden there is no communication signal here,"

"There is a great security risk, for the sake of Miss Gu's safety, we have to leave first!"

As soon as Evan heard this, he broke out into a sweat in a hurry.

In his heart, he said in shock, "Miss Sara is actually going to leave?"

"If we really let her go, won't the young master and Jesse's plan all fall through?"

As Randal's most trusted assistant, Evan knew almost all of Randal's affairs.

Even, when Jesse quietly flew to New York, it was Evan who went to the airport to pick him up and bring him back to the Fei family.

Therefore, he already knew all of Randal's plans for today.

At this time, seeing that Sara was going to leave,

He could not sit back and do nothing, so he hurriedly said:

“No signal? Impossible, is there any misunderstanding here?”

Charlie said with certainty:

“Our bodyguard just said that the intercom signal and cell phone signal have both disappeared strangely,”

“Which is absolutely unusual, they have gone out to consult with the bodyguard outside,”

“And will come over to take Miss Gu away immediately.”

Saying that Charlie said with a serious face,

“Even if this is really some kind of misunderstanding,”

“We can’t take the risk of Miss Gu’s safety! Please try to understand!” Evan panicked:

“That you first take it easy we are heavily guarded here,”

“It is absolutely impossible to have any security problems!”

“As for the signal problem you said, I speculate that there may be some technical fault,”

“We have many types of electronic equipment here, especially the audio amplifier and wireless microphone,”

“It is likely that there has formed an interference,”

“You wait for a moment, I will go and talk to our young master!”

Charlie waved his hand: “This way, you go talk to young master Fei, we will go first,”

“If there are any problems, we can communicate by phone.”

When Evan heard this, he was so anxious that he blurted out,

“No way! Our young master will soon be on stage to give a speech!”

“The young master is about to give a speech on stage, and will announce Miss Gu’s VIP status in public.”

“He is the young master of the Fei family, you cannot give any face, right?”

Charlie pondered for a moment with a difficult face, his mouth slightly loosened, and said offhandedly,

“Well, then you go and inform Young Master Fei, we will apologize to him face to face,”

"I believe that a reasonable person like Young Master Fei will be able to understand us!"

Sara also said apologetically, "Please ask Young Master Fei to come over," "I'll explain to him face to face, I'm really sorry about this matter."

Evan knew he couldn't control the scene anymore, he quickly said,

"Miss Gu, you must wait for a moment, I'll go and inform our young master!"

After saying that, he quickly ran back to the banquet hall.

Randal was anxiously waiting for Evan's news, seeing Evan panting and running over,

He hurriedly asked, "What's the situation over there?" Evan said, out of breath: "Young young master"

"You go quickly to see it! Miss Gu is making a fuss about leaving!"

"Leaving?!" As soon as Randal heard this, he knew that the gang of ninjas had not yet made a move,

And his heart was naturally furious to the extreme. But at the moment he could not care about anger,

Subconsciously frowned and asked: "Why does she want to leave?"

Evan said: "Miss Gu's bodyguard found that the signal is blocked,"

"They think the environment is dangerous, so for safety reasons, want to let Miss Gu leave first."

"Holy sh!t!" Randal's body shivered with anger.

Chapter 4272

The agreement was to open the shield when the ninjas do it, then a quick move,

How come the shield is on for a long time, and Sara is still not controlled? If they let Sara escape, would not it be a waste of effort?

Thinking of this, he hurriedly said: "You quickly go to keep her there, say you should not let her go,"

"Say that the signal problem is our equipment failure, already working on repair!"

Evan said with difficulty: "Young master, Miss Gu has got up to leave,"

“If I go to keep her there, afraid that people simply do not give me face, originally Miss Gu just want to go directly,”

“I took your name to pressure them, Miss Gu only slightly give in,”

“Said to explain to you face to face, if you do not go over, I think they will certainly go straight away!”

“Danm it!” Randal almost exploded with anger! He did not know what the ninjas were up to, but he could not let Sara go. Thinking of this, his mind can hardly think deeply, and quickly said to Evan:

“Come, you come with me!”

At this moment, Randal only thought about how to stabilize Sara first,
And then find a way to contact the ninjas to see if things could still be salvaged.

Therefore, he also did not even think about the possibility that this was a trap against him.

Moreover, this is the Fei family's territory, and Randal is not worried about any danger in his own territory.

What's more, in Randal's opinion, this kind of thing is naturally the fewer people who know about it,

The better, so he walked quickly to the VIP room together with Evan.

As soon as he arrived at the VIP room, he saw that Sara was already standing at the entrance of the VIP room,

Accompanied by Charlie and the others.

When Randal saw Sara, he couldn't help but ask:

"Hey Miss Gu, what's wrong with you? Why are you suddenly leaving without saying goodbye?"

"It's my turn to give a speech on stage, I will introduce you to all the guests as a heavyweight guest,"

"If you leave at this time, I can't get off the stage
....."

Sara did not say anything, just eyes full of anger staring at him. And at this time, Charlie sneered and spoke,
“Young master Fei need not worry about not being able to get off the stage,”
“Because you no longer have the opportunity to go up!”

Randal's eyes widened and asked offhandedly,
“What do you you mean?!”

The words just fell, only to hear a few air-breaking sounds from behind him, Before he could return to his senses, his assistant, Evan, beside him, fell straight forward.

With a boom, Evan fell to the ground and did not move,

And only then did Randal discover with horror that four black daggers had been inserted into Evan's back.

The daggers were the hand swords shot out by Hattori Kazuo!

Randal was terrified and was about to call for help when he was instantly subdued from behind,

Followed by a heavy blow to the neck, and he passed out.

Hattori Kazuo immediately went forward to hold the unconscious Randal, And hurriedly said to Charlie: "Master Wade, I'll take him away first!" Charlie nodded and said, "Bring the six corpses back!"

Hattori Kazuo did not dare to disobey and hurriedly gave a wink to the others who had already revealed their forms.

So, several people quickly got Randal on the garbage truck,

And quickly dragged the six bodies back again and left them at the door.

At this point, the six people's figures and postures were almost exactly the same as when they were first killed by Hattori Kazuo.

After Charlie examined the scene, he gave Hattori Kazuo Hattori his contact information and instructed,

“Contact him after you go out and give him the men.”

“Okay Master Wade!” Hattori Kazuo had already gone out of his way, nodded hastily, and hurriedly fled the scene.

And at this time, Charlie said to Sara, Hogan, and Tasha,

“You three go back to your room and sit down first, the time to test your acting skills has come.”

The three looked at each other, then hurriedly returned to the sofa and sat down.

At this time, Charlie also retreated into the room and closed the door gently. In the next second, he suddenly pulled open the room door, Took a look at the corpses of the six bodyguards and an assistant on the floor, and shouted loudly, "Heyyyy! Someone got killed!"

Chapter 4273

Just as the president of the New York Chinese Chamber of Commerce, Brian Lu, had just finished his speech,

And was about to give the podium to Randal, there was a sudden commotion.

Fei's men and the hotel staff were attracted by Charlie's shout,

And the next thing they saw was a scene that made them collapse.

Sara's six bodyguards died on the spot,

The young master Randal's assistant Evan is also dead, lying tragically on the

spot.

In addition, the whereabouts of the young master Randal were unknown.

Several of Randal's bodyguards sat paralyzed with fear,

How could they expect that their young master would go missing from his own hotel?

Among them, there is a middle-aged man named Lewis Qin, who is the nephew of that personal bodyguard Karl Yuan of Douglas Fei,

A martial arts expert who is specifically responsible for protecting Randal's safety.

However, since as a personal protection team member of Randal,

Randal has never treated him as one of his own, so he was often detached from him for various reasons,

And even Randal often changed his activity plan to get rid of him without permission.

He even mentioned it to his uncle Karl, requesting him to find a fellow senior from the division to replace him.

Although Karl agreed to his request, but also repeatedly told him to hold back for the time being,

So he was all in wait for Karl to return from China.

Today's charity dinner, Lewis wanted to protect Randal,

But he did not expect that Randal would let him guard the banquet hall, And he was not allowed to leave the banquet hall half a step, If he had not heard that something big had happened, he would not have ventured to leave the banquet hall.

He immediately recognized the shuriken on the seven corpses, which is the exclusive concealed weapon of ninjas!

So, he immediately questioned: "Who first found them?!"

Charlie, who was standing at the door frame, said,
"It was me!"

Lewis looked at Charlie and asked
offhandedly, "Tell me! What is this all
about?!"

Charlie saw his attitude so tough, took a step
back and asked in anger,

"You still have the face to ask me what's going
on?"

"I still want to ask you what's going on! What the
hell are you guys up to?"

“You invited Miss Gu to your charity dinner, and all six of our bodyguards were killed!”

“How did you do the security work?”

“If you don’t give us a reasonable explanation for this matter, we will never let it go!”

When Lewis and the other bodyguards heard these words, they were speechless.

Only then did they realize that it was all a mistake on their side,

And that the six of them had also lost their lives because of their mistake.

This made Lewis’s heart even more terrified.

His mission is to protect the safety of Randal, but, Under his nose such a big thing happened, this responsibility is too big! Charlie saw that these bodyguards seemed indecisive, so he immediately spoke:

“The matter is important, I think it is better to call 911 and involve the police!” After saying that, he immediately turned around and said to Tasha, “Miss Tasha, please call the police.”

Tasha nodded and hurriedly took out her cell phone. Lewis hurriedly said, “Sir, you take it easy first,”

“This matter, please allow me to report it to our master and young master.”

Charlie said angrily: "We have six dead people, you only have one, dare you are not anxious!"

"You should report to whoever, but this matter, we must call the police to deal with it!"

After that, Charlie said: "In order to ensure the safety of Miss Gu,"

"From now on, I want to close this door, when the police arrive, only then it will open!"

As soon as the words left his mouth, Charlie heavily closed the door of the room.

At this time, Sara's security company left outside those bodyguards also heard the sound rushed in,

Once they saw the six companions dead, each and every emotion surged in them and they got excited,

Demanding that the hotel must give an account for what happened.

Chapter 4274

The person in charge of the hotel came to hear the news,

Although he himself was scared half to death, but still hardened his head to try to calm these bodyguards,

After all, once this kind of thing goes to the police,

The world will see this as a Fei family scandal, and who would have to take the responsibility in the end?

However, these Sara's security is even less flexible,

Seeing people dead, the first thing they want is to call 911. Seeing that the situation was completely out of control,

The hotel manager hurriedly withdrew from the crowd and immediately contacted Randal's father, Adam Fei.

Adam was hosting several business partners at a top restaurant in Manhattan, When he heard that his son was missing and that too in his own hotel, he was shocked.

The NYPD, that is, the New York Police Department,

After learning of the shooting case that led to the death of seven people at the Wangfu Hotel,

Also quickly sent a large number of police officers to the scene,

At the same time also sent a very high-ranking detective in a police helicopter to lead the investigation.

A few minutes later, Adam could not hide his panic rushed over,

The head of the hotel with a group of staff members rushed to welcome, ashamed to say:

"Young master, subordinates' work is unfavorable, please blame me"

Adam black-faced, raised his hand, and slapped the person in charge, His tone extremely gloomy scolded: "Speak! What the

h3ll is going on!" The person in charge of the hotel almost collapsed and cried:

"Young master, I am not sure of the details,"

"I only know that young master has disappeared, his assistant,"

"And six security company bodyguards were killed, and the murderer is also missing"

Adam gave another slap hard on his face, turned to look at Lewis," "Meet up to slap him, angrily rebuked:

"Surnamed Qin, our Fei family gives your division so much funding every year,"

"You were responsible to protect my son. You can not do it, what the fcuk are you eating?"

Lewis was at least a four-star martial artist,

So when he was beaten with such a slap, he was naturally very angry in his heart.

But he also knew very well that even if Adam did not have any cultivation, he hit him, he could only take it.

So, he looked at a middle-aged man following Adam,

Who is Adam's personal bodyguard, Karl's senior brother, and Lewis's senior uncle Parker Zhang?

Parker's expression at this time is also a bit helpless, Randal is the kind of person, he more or less

understands, His own nephew followed him, indeed not less teased.

The key is, knowing that being teased, there is no way to deal with it.

At this point, Lewis said aggrieved: "Mr. Fei, I'm not going to lie,"

"Since I was sent by the master to protect young master Fei, young master Fei has been very wary of me,"

"Many things he did not tell me, many times did not let me follow him," "And even often left me alone, I simply can not close to protect his safety!" Said, Lewis tone also filled with complaints said:

"Half a month ago, he told me to go to Los Angeles for vacation,"

“Arranged two helicopters from home to take off to JFK, when he let me sit in the other helicopter first,”

“The result: His helicopter took off, halfway suddenly switch direction to LaGuardia Airport,”

“I found his aircraft yawning, immediately Let the pilot turn around,” “But the pilot simply did not listen to me, directly pulled me to JFK,”

“And when I took a taxi to LaGuardia Airport, his plane had long since taken off

“Even today, he made an appointment with me on the way here,” “So that I can never leave the banquet hall without his orders,” “Otherwise I would have to go to my uncle to sue, what can I do?” Parker

saw Lewis's mentality a little collapse,
quickly spoke:

"Lewis, now is not the time to whine, hurry up and
say whether you have any
findings at the scene?"

Lewis adjusted his emotions and said,

"The seven dead, all have traces of being hit
by a concealed weapons," "It looks like the
Japanese ninja's hand sword."

Adam frowned and asked in a cold voice: "What
did you say? Japanese ninja?!"

Chapter 4275

When he heard the words, Japanese ninja, Adam's first thought was „impossible“.

In his opinion, the Japanese ninja would never dare to go against the Fei family, so how could they kidnap his son.

So, he looked at Lewis Qin and asked in a cold voice, “Are you sure it's the Japanese ninja?”

“Sure!” Lewis said without thinking, “The concealed weapon,”

“The hand sword is only used by the Japanese, and this blood-sealing poison

is also their untold secret.”

Adam said coldly: “This kind of concealed weapon and blood-sealing poison are not available in China?”

Lewis said: “Back to the young master, China had, but in the past,” “Back then, among the martial artists, there were indeed these things,”

“But since the failure of the Boxer Rebellion, the so-called martial arts basically ceased to exist,”

“What remains is only martial arts, so this kind of dark weapons are no longer in use there.”

Speaking of this, Lewis added: “In fact, after entering the 20th century,” “The world has set off a wave of „go cold weapons“ boom, only the ninja in

Japan preserved it,"

"So this kind of thing, now only they are using."
Adam's expression is very angry, gritting his teeth and ordered to his assistant: "Immediately notify the family, all the people, send out all the manpower," "Must find those ninjas for me, and bring back Randal intact!"

He said, "By the way, notify all the gangs and organizations in New York,"

"Whoever can provide valuable clues, depending on the clues, the reward will range from 10 to 50 million dollars;"

"If anyone can save my son, the reward will be 100 million dollars!"

“If anyone can save my son and catch those ninjas at the same time, I will reward them with \$200 million!”

Without thinking, the assistant said, “Okay, Young Master, I’ll get right on it!”

Adam looked at his bodyguard Parker and spoke,

“Mr. Zhang, please, with your master brothers, help me to investigate properly and see if you can save Randal.”

Parker nodded, but asked with some concern, “Young Master, your safety is not guaranteed here, why don’t I send you home first!”

“No.” Adam shook his head and said in a cold voice, “I’m not going anywhere!”

After saying that, he turned to look at the hotel manager angrily and asked offhandedly,

“How did you do your security work? How could you let ninjas get in here?”

The hotel manager choked: “Young master, this time the security work, was taken over by the young master’s men,”

“They took the full responsibility, young master Randal he did not allow me to intervene.....”

“What do you mean?” Adam frowned and asked, “Randal did not allow you to intervene?!”

“Yes” the hotel manager said aggrieved:
“Young master Randal said,” “This charity dinner has important guests, it is not trivial,”
“So he wanted Evan to take full responsibility for the coordination and security,”

“The specific arrangements and the process were all dealt with by him and
Master did not allow me to interfere!”

Adam was in deep thought for a moment.

Then, he looked at the lounge with the door closed and asked,

“The important guests of Randal were here?”

The person in charge of the hotel hastily said,

“Back to the young master, the important guest Miss Sara Gu, the now-celebrated Chinese singer is inside.”

“Sara?” Adam frowned and said, “If I remember correctly,”

“She should be the only daughter of the Gu family in China, right?”

“Yes.....” the hotel manager nodded, “It is indeed the Gu family’s daughter.” Adam originally wasn’t quite sure why his son wanted such a charity dinner,

But hearing Sara's name, he probably had an answer in his heart.

He thought that his son should have wanted to take the opportunity to pursue this actress surnamed Gu,

That's why he made such a perverse operation, but unexpectedly, he was caught by the ninja.

Chapter 4276

In this instant, Adam Fei couldn't help but wonder if Sara had anything to do with this matter,

And whether she could be behind the scenes masterminding all this.

So, he said to the hotel manager: "Let that Miss Gu open the door, I have something to ask her!"

The person in charge of the hotel said, "Back to the young master,"

"Just now the person beside Miss Gu said they will only open the door when the police arrives on the scene."

“How dare they!” Adam said furiously and angrily, “Doesn’t she know that this is Fei family’s territory?”

After saying that, he stepped forward and kicked the door of the VIP lounge, and said, “Open the door!”

Charlie spoke from inside: “We will only talk to the police,” “So keep away from us we have nothing to do with you!” “As for such unqualified guys, get as far away as possible!”

Adam became furious.

His son’s disappearance had already made him angry and anxious,

But he didn’t think that a guy whose name he didn’t know dared to ridicule

him from inside the door,
So he cursed furiously: "How dare you talk to me
like that, do you know who I
am?"

Charlie said disdainfully, "I don't know who you
are,"

"And I don't want to know who you are if
you can understand human language,"

"Please stay away from us, we will only
communicate with the police, no one else even
if you are the president."

Adam was shaking with anger, he gets two
hundred percent respect no matter where he is,

He never thought he would be ignored by an unknown guy now, his heart was on fire,

He gritted his teeth and shouted: "What you have to do now is to honestly tell me everything you know,"

"Don't wait for some bullshit police! In my family's territory, who the hell are the New York police?"

As soon as the words left his mouth, a middle-aged man spoke in an unkind tone,

"Young master Fei, I don't think the NYPD has ever offended you, right?" Adam subconsciously turned around and saw a middle-aged Chinese man. All in the suit with

more than a dozen police officers striding over.

As soon as Adam saw him, his expression was a little ugly and he said,

“So it’s Sheriff Li, Sheriff Li you are a real detective,”

“Your nose is really good, you came here so quickly.”

The one who is called “Sheriff Li” is the very famous Chinese Sheriff Duncan Li of New York.

Duncan is very famous in New York, not only is he the highest division chief of the New York Police Department,

But also the detective with the highest crime-solving rate in New York. However, Adam and Duncan has not been very close, Mainly because the Fei family has always wanted to cooperate with Duncan,

To engage in collusion between business and government, so as to facilitate their future actions.

But Duncan has not given face to the Fei family, he does not care whether, One is the Hilton family or the Fei family, the An family, in front of him, shall not become a stumbling block to justice.

Although the Fei family is very strong, but after all settled in New York,

So it is inevitable that they deal with the New York police, Duncan is the most headache for them.

At this time, Duncan walked up to Adam and said indifferently,

“Young master Fei, we received a report of a serious murder case here, so we rushed over to investigate.”

After saying that, he pointed to the seven corpses on the ground,

Looked around and asked, “Who can explain to me what is going on here?”

“When did these people die, what is the time of death, who is the first witness?”

Charlie opened the door and said, “I called the police, the person died about ten minutes ago,”

“I heard the movement outside, opened the door, and found these people dead.”

At this time, Adam stared at Charlie, his heart was very hot,

He heard Charlie’s voice, just now, and his dislike shot through the door for this kid!

Chapter 4277

Charlie felt Adam's extremely unfriendly gaze,

Gave him a sideways glance and found that this guy looked a little bit similar to Douglas.

Based on the conversation he heard just now from inside the door,

He could be sure that this person was Randal's father, Adam.

Adam was in an extremely angry mood at this time,

And when he met Charlie at eye level, he almost immediately asked: "I asked you to open the door just now, why didn't you

open it? Charlie said with some annoyance: "I do not know you," "I know who you are? In such an emergency situation," "I naturally do not believe anyone except the police!"

Adam said with exasperation, "I'm Adam Fei of the Fei family, you haven't even heard of my name?"

Charlie shook his head: "Sorry, I just came from China not long ago,"

"I really have not heard of you, besides, your priority now should be to find your son,"

"There is no need to play a bully with me here, right?"

“If you have this time, wouldn’t it be better to find out your son’s whereabouts?”

“You” Adam was angry and didn’t know what to say at once. Immediately, he suppressed the fire and asked through clenched teeth, “What did you see just now? Quickly tell me!”

Charlie said with a bland expression,

“Sorry, I only talk to police officers with law enforcement powers about these things, as for you, I have no comment!”

Adam had never met anyone in his life who dared to talk to him like that,” “And in this instant, he could not wait to have his bodyguards kill Charlie on the spot.

However, when he thought of the detective Duncan Li was around, he could only hold back his anger.

At this time, Duncan looked at Charlie and asked,

“Young man, I am the detective of the New York Police Department,”

“And I am the division chief of the whole city, you can tell me what you saw.” Charlie pointed to the seven corpses on the ground, said with an obscure face: “What else can I see, of course, as soon as I opened the door,”

“I saw dead people! Before I came to the United States,”

“I thought your security here is fcuking good,”

“But where the hell I would know when I push the door I would see a ground full of dead people!”

Duncan smiled and asked, “Did you see the murderer? And the young master of the Fei family.”

“No.” Charlie shook his head and said,

“We were inside waiting for the appearance, heard a movement outside,”

“As if someone fell down, it felt a bit wrong, so I called our bodyguards from the door first,”

“But no one responded, I was afraid of any accident, deliberately waited for a while,”

“To make sure there is no movement outside the door,”

“I opened the door, after opening, it were all dead bodies blocking the door.” Duncan nodded and asked, “Then did you hear someone talking?”

Charlie nodded and said, “Yes, I heard.”

Duncan asked again, “Then did you hear what they were talking about?” Charlie shook his head and said, “I think they were speaking Japanese, but I don’t understand Japanese.”

Duncan nodded gently and said to himself, “It seems that it was indeed the work of Japanese ninjas.”

After saying that, he asked,

“You should be able to hear the voices of men and women, right? More men or more women?” Charlie said without thinking: “All men, and it sounds like at least seven or eight people.”

Duncan nodded, thanked Charlie, and said to the police officers around him:

“Immediately block the scene, a full examination of each body,”

“In addition, check the surveillance video here, to see if there are any valuable clues,”

“Moreover contact the Immigration Bureau, to retrieve the entry records from Japan to New York in the last week,”

“Collect all Japanese nationals’ information of males between the ages of 18 and 48!”

Chapter 4278

A slight pause.

Duncan said: "All the staff here tonight are taken away to investigate," "The focus should be to check the number of people who have not been reduced,"

"To let each person identify the others, to see if there is a lack of manpower, some people missing!"

People immediately do as they are told, Duncan then said to Charlie: "Because you are the only indirect witnesses who were at the scene," "Although not eyewitnesses, but it is also very helpful to us to solve the case," "So later you all will come with our car to take a trip to make a statement."

Charlie said: "Miss Gu is a public figure, this time in and out of the police station,"

"In case word gets out, the media we do not know how it will fabricate fake news to gain attention, so it is not very convenient."

Saying that, Charlie added: "How about this, we go back to the hotel first,"

"If you want a statement, come to the hotel, we will certainly cooperate fully." Duncan nodded and said, "That's good, when I arrange things at the scene, I'll bring someone to visit the hotel."

Charlie asked him, "Then can we leave now?"

“Yes.”

On the side, Adam said discontentedly, “My son is still unaccounted for,” “And before my son is found, no one is allowed to leave!”

Charlie frowned and asked rhetorically, “On what grounds?!”

After saying that, he did not talk more nonsense with Adam, immediately looked at Duncan and said seriously:

“Inspector Li, I now seriously suspect that this matter is premeditated, and the Fei family is highly suspect!”

Adam gritted his teeth and roared, “What did you say?!” Charlie repeated: “I said, the Fei family has a

great suspicion!" Adam was annoyed in his heart and was about to speak up,

But Duncan on the side asked very seriously, "Why do you think so?"

Charlie said seriously: "The matter itself is very strange, the young master of the Fei family,"

"Insisted on inviting Miss Gu to the charity dinner,"

"But deliberately said that she would be invited to be a mystery guest,"

"So the vast majority of people outside simply did not know that Miss Gu is here,"

“And they also deliberately arranged us in this kind of lounge without even a window,”

“Saying something about waiting for the right moment.”

“Before The first time I saw you, it was a little bit of a nuisance. As if there is some kind of conspiracy.”

Speaking of which, Charlie added: “And, what’s even weirder is that not long after we came in,”

“There was no signal on the phone, and now there’s still no signal!”

“I seriously suspect that someone has blocked the wireless communication here!”

Hearing this, Duncan subconsciously took out his cell phone to take a look, and indeed, there was no signal or service at all!

He immediately frowned and shouted out of the blue:

“Johnson, block the entire banquet hall, use professional equipment to check and see where the shield actually is!”

At this time, a police officer quickly ran over and spoke:

“Detective, we just confirmed the surveillance records,”

“All the surveillance images near this lounge were replaced in advance, using the relevant images from the last banquet five days ago.”

Duncan frowned and asked, “Such a big problem, the security department did not find it?!”

The officer replied, “We consulted the security guards on duty in the monitoring room,”

“They said they did not know that there were important VIPs tonight and thought that the VIP room was free today,”

“So their attention was not near the VIP room at all,”

“So when these monitoring probes were playing the video recorded a few days ago, they did not find anything unusual.”
