

## Chapter 4279

Hearing this, Charlie said in a cold voice: "I told you that this matter was premeditated,"

"It was simply someone deliberately trying to hide the fact that Miss Gu had arrived here from everyone else!"

"Moreover, even if those few ninjas could mix in,"

"It is impossible to get the surveillance video a few days ago,"

"Much less hack into the surveillance system, it is clear that there is a mole!" Adam was astonished and asked, "Duncan, what does this mean? Do you suspect the Fei family's people?"

Duncan has always been dissatisfied with Adam.

On the one hand, he really does not see Adam as the right person,

On the other hand, because he has long heard that Adam's father Dawson Fei seized the opportunity to seize power,

Because he has much admiration for Douglas Fei senior, so in his heart, for Dawson and Adam it is all dislike.

The reason why Adam took Duncan like nobody, mainly because Duncan's fame is really big,

Even in the White House, he has a very high political status. Duncan in the United States, known as the light of the Chinese,

And even for solving a serial murder case that lasted ten years, and received the current president's award.

Moreover, his mass base in the United States is very solid, Especially in the Chinese diaspora, he is as important as a totem,

If he has a problem, I am afraid that the Chinese in the United States will set up a big march to seek justice for him.

Therefore, in the face of Duncan, Adam simply can not afford to provoke him, If he dares to do anything to him, the Fei family will definitely suffer heavy losses.

At this time, Duncan looked at Adam and said in a cold tone,

“Adam, although your son is missing now, but in my opinion, in today’s events, your son may not be innocent!”

Saying that looked around for a while and coldly said:

“You are smart, think about it, a charity dinner originally can simply be straightforward,”

“But your son had to go to such great lengths to make such a set, can he still have any good intentions?”

Adam was speechless.

Although he was uncaring, he was also a wise man,

And he also felt that his son's act was a bit perverse.

Moreover, the most perverse thing is not what Duncan said, but the nature of this matter is very perverse,

He knows that Randal has always been uncomfortable with charity,

The family usually organized some charity activities, pulling him to show his face he is not interested,

This time he would take out tens of millions of dollars in donations,

Take the initiative to engage in charity dinner and work, this itself is very strange.

In addition to those other strange, contrary to common sense details,

He also vaguely felt that there is a deliberate taste everywhere as if his son really has other plans.

However, Adam could not admit this, so he said to Duncan in a strong tone:

“Li, you should not forget that the victim of this matter is my son!” “Now he is the one who is kidnapped!”

“The immediate priority for the NYPD is to find my son and bring him back safely!”

Duncan smiled and spoke, “We police have our procedures when handling cases,”

“We don’t need or allow other people to tell us what to do.”

After saying that, he immediately turned around and asked his men around him, “Have the staff been gathered?”

One of them nodded and said, “They have been arranged to take statements in different rooms,”

“And they will all be gathered in the conference room immediately after the statements are taken,”

“And then they will be allowed to cross-identify one by one.”

“Good!” Duncan opened his mouth and said, “Take me to the conference room!”

After saying that, he looked at Charlie and spoke,

“You can leave a contact for my assistant to go back to the hotel first,” “And I will have someone contact you if we need you to cooperate.”

“Okay.” Charlie nodded and said to Tasha, “Tasha, leave a contact for the

officer.”

Tasha hurriedly took out a business card and handed it to the police officer beside Duncan.

At this time, Duncan looked at Adam again and said coldly:

“Adam, you can also go, if there is any news, I will have someone notify you.”

Adam was angry enough and said offhandedly,

“This is our Fei family’s hotel, you want me to leave? Where am I going?”

## Chapter 4280

Duncan impatiently said: "Go where you like to go, here is now the scene of the crime,"

"From now on it is all closed management, extraneous people must be evacuated!"

As he said, he also instructed the police officer beside him:

"Gather the guests outside, check the identity of everyone, if there is no suspicious people,"

"Let them go home first, but everyone is not allowed to leave New York in the next week, and must be available when asked."

The officer immediately nodded and said, "Yes, Inspector, I'll arrange it!" Adam's face turned blue with anger.

Several police officers with walkie-talkies on their shoulders,

And pistols in the waist of their pants immediately came forward and said to the crowd,

"You heard what the detective said, please leave the scene immediately." Adam had never been so angry. He kicked the wall and cursed, "Duncan, you're a fcuking bully!"

A police officer immediately stepped forward and warned in a loud voice:

"Sir, if you don't leave and continue to trouble us on the scene," "I will have to

take compulsory measures against you!"

Adam gritted his teeth and said, "I'll see who dares to touch me!" Several policemen also knew Adam's identity, And when they saw his fury, they didn't dare to come forward to fight hard.

Duncan turned around and said, "Okay, Adam, since your head is so heavy, then stay here."

Adam saw Duncan compromise, his heart finally felt better,

Tonight he has been having a strong head, this feeling is really too suffocating,

Now finally considered to be back to a city.

So, he snorted and said arrogantly, "Duncan, this time you'll have the sense to do it!"

Duncan saw him so arrogant, also not angry, smiled and said:

"Right Adam, out of such a big thing, we are obliged to the public,"

"Later estimated that media will rush to report, you just stay and have a good chat with the media."

After saying that, Duncan instructed, "You must not leave, a short press conference later,"

"You happen to be a special guest."

When Adam heard this, his whole mind exploded.

He didn't want to stay here, but Duncan had driven him away and made him hold his breath, so he confronted him. But who would have thought that this guy would want to hold a press conference here!

For Adam, even if he was beaten to death,

He would never attend any press conference and openly tell the world that his son had been kidnapped.

He could not afford to lose this person. Thinking of

this, he immediately said  
stiffly:

“I don’t have time to stay here with you to raise  
the earth!”

“You can have your own conference, I still have  
to go find my son!”

Duncan sneered twice and sneered, “What? I’m  
bullying people by letting you go, what do you  
mean by leaving?”

Adam said furiously, “I can stay or go  
whenever I want, why do I need to explain to  
you what I mean?”

After saying this, Adam turned around with  
a stomach full of anger and walked away  
without looking back.

Meanwhile.

In the middle of the Fei family's manor in New York,

Jesse was staying in the guest room Randal had prepared for him, anxiously waiting for news from Hattori Kazuo.

Originally, he thought he had everything under control tonight, but he didn't expect that it would be a disaster.

He picked up his cell phone and called Hattori, but his phone was still unavailable,

So he hurriedly contacted Randal again but found that Randal has also sunk into the sea, and there was no response.

He called Evan, Randal's assistant, but he still couldn't get through.

When he didn't know what to do, the bodyguards of the Fei family suddenly exploded,

And all of them were rushing to the outside.

So he hurriedly stopped a bodyguard and asked, "What happened?"

The bodyguard said nervously, "Young master Randal has disappeared, the Young master told us to go out and look for clues!"

“What?!” Jesse asked in a panic, “Wasn’t Young Master Fei at a charity dinner? How could he go missing?”

The bodyguard explained, “Young Master Randal just disappeared at the charity dinner,”

“And it is said that many people died at the scene too!”

## Chapter 4281

The bodyguard's words caused Jesse to panic a little. He subconsciously asked, "Who are the dead people?"

The bodyguard shook his head and said, "This is unclear."

After saying that, he did not care to talk to Jesse anymore and hurriedly left.

Jesse's brain subconsciously spun rapidly as he thought to himself,

"Randal has disappeared, who did this? What about those Iga ninjas? Could they be the ones who died?"

To Jesse, he had never thought that the eight Iga ninjas he had found would have done it to Randal.

Therefore, he speculated in his heart that the odds were that Randal had been kidnapped by other enemies.

Jesse has done a lot of bad things in his life, but the disappearance of Randal, He could swear to the world on his chest, absolutely nothing to do with him.

It is rare for him to encounter anything that can be as conscientious as this matter.

Therefore, he did not worry at all that Randal's disappearance would have anything to do with him,

The only worry was that if something really happened to Randal, he might temporarily lose his blessing.

In that case, in case the murderer who killed his brother is still after him, then he might be in big trouble.

However, when he thought about it, he felt that he should not worry too much for the time being.

After all, he is living in the Fei family, these days are all full of peace and quiet, It proves that the other party has not been able to investigate the Fei family,  
he is still safe.

So, what he needs to do next is to continue to spend as much time as possible in the Fei family,

Regardless of whether Randal can return safely or not.

This is not a difficult task for Jesse, because Randal arranged him in the villa that the Fei family has moved out of,

The villa has been idle, so as long as he does not set foot out of it, the Fei family probably can not pay attention to him.

Even if they do, it doesn't matter, he can tell this family openly that he is a friend of Randal,

And the Fei family will not kick him out.

.....

And at the same time, the Fei family Wangfu Hotel.

The New York police had already gathered all the staff of the banquet hall, all of them.

Duncan concluded that there must be a ninja's inside man among them, And now the top priority is to find out this inside man.

And Duncan's approach is also very simple and brutal,

He did not follow the normal process, first looking for the person in charge Leroy to understand the situation,

But Leroy also as one of the suspects, together with other staff members, all grouped into the crowd is there.

In this way, he did not have to listen to anyone's side of the story, directly from the crowd to find out what the problem was.

What Duncan did was to have his police officers first take a few high-definition frontal photos of each person,

After which he had someone pick one of these people first and bring him to the next room,

So that after he had looked at all the photos of everyone,

He asked him if there was anyone among the people present who he had clearly seen today but was not present at the scene now.

If the other party said no, he was temporarily taken to a corner,

Guarded by police officers, and was not allowed to communicate with anyone, Thus ensuring that he could not conspire with others.

The dozen or so people who were questioned at the beginning were all official employees of the Wangfu Hotel,

And when Leroy put Kazuo Hattori and the others in, he also intended for them not to have any contact with the older employees, So the older employees did not see that eight people were missing from the scene.

Soon, it was the turn of a temporary worker who had just been hired to help today.

This temporary worker is a young Chinese, he was originally a foreign student in an ordinary university in New York,

His family sold their property to send him to study abroad,

Hoping that he could achieve something, but did not expect that he gradually lost himself after coming to the United States,

Every day immersed in spending and drinking and simply waiting for his parents,

Who remit his tuition fee which is all squandered.

Because he couldn't pay the tuition fee, he was expelled from the school as a matter of course.

According to the U.S. visa policy, once expelled from the school,

The visa will be invalid, in this case, according to the normal process, you can only leave the U.S. and then find a way.

However, this young man had no face to go home to face his parents. So he went black in New York.

## Chapter 4282

In order to survive, he usually hangs out in an Internet cafe in Chinatown,

Where he lives and eats every day, and earns his living by helping others to practice games and working as a casual worker.

Once the income from coaching is not enough, he will come out to find a day- to-day casual work to do,

Earn enough money to continue to dive into the Internet cafe, when there is no money, he comes back to work.

At this time, he is standing in the conference room with others, waiting for the police to ask questions one by one.

However, he is particularly nervous at this time, because he is different from others,

His visa has long been invalidated, now belongs to the category of illegal immigrants,

Once found by the police, will certainly be handed over to the Immigration Bureau to deal with,

And the Immigration Bureau treats him as an illegal immigrant, there is only one solution, that is, deportation.

Apprehensive, he was eager to ask those who had been questioned and brought back by the police,

Asking them if the police checked their identity documents when they were questioned.

However, those who had been questioned were all taken to another corner by the police,

So he had no chance to ask them even if he wanted to.

At this time, a police officer came to him and said, "You come with me."

The young man did not dare to disobey and hurriedly followed the police out of the conference room to the next room.

Once he entered the next room, he saw Duncan, who also had a Chinese face. When Duncan saw him, he smiled slightly, pointed to the single sofa in front of him,

And smiled, "Come here, young man, sit down."

The young man nodded nervously and sat down anxiously across from him. Duncan saw his nervous forehead full of beads of sweat, Fingertips and calf belly kept trembling, so he casually asked: "Young man, what's your name?"

The young man said nervously, "I ..... my name is Barton Zhang....." "Barton ....." Duncan laughed: "You should be an illegal immigrant, right?" Barton's face was white with fear and he stammered and asked,

"You ..... how do you ..... how do you know .....

"

Duncan laughed: "To tell you the truth, this case I am going to investigate today is very big,"

"It is never done by ordinary people, you have such a poor psychological quality,"

"It is certainly impossible to be their accomplice,"

"So the reason you are so nervous is only possible that there is a ghost in your heart."

"I see your face puffy, thick bags under the eyes than a middle-aged and elderly person,"

“A look that is often associated with staying up late, irregular rest,” “And for people working here, rest time is very regular,”

“So the only explanation is that you should not be a formal employee here,” “And most of the time your rest is not regular, the reason why you are here,” “The only explanation is that you should not be an official employee here,” “And most of the time your work and rest are irregular,”

“So you are probably just doing a short job and earning a living, right?”

When Barton heard this, his heart became even more nervous,

He didn't dare to answer freely, because he was afraid that Duncan was deliberately swindling him.

Duncan saw that he did not say anything, so he smiled slightly and continued:

“There are ghosts in your heart, irregular work and rest, and you have to work short hours to earn money,”

“So altogether, you must be an illegal immigrant. If you are not an illegal immigrant,”

“They will not make things difficult for you, but if you are indeed an illegal immigrant,”

“Then they will not hesitate to send you back to your country.”

Barton was scared half to death by his words and couldn't help but choke up, “Please ..... don't

send me back to China ..... if I go back like this,  
my father  
will kill me... ..”

Duncan nodded and smiled, “Don’t worry,  
as I said earlier, I’m here to investigate a big  
case,”

“To catch an illegal immigrant like you, it’s not  
necessary for me.”

He said, he threw a cell phone to Barton in front  
of him and said,

“Take a good look at the photos here, and then  
think about every person you have seen since  
you came here today,”

“And then tell me if there is anyone missing if you cooperate well,”

“Then I can not only let you go but also may give you some cash in return. “

When Barton heard this, he took the phone over without thinking, And then immediately looked through the photos inside.

As he flipped, he muttered, “So many people in here I’ve never seen ah .....

Duncan admonished, “You don’t need to care about the ones you haven’t seen,”

“You only need to care about the ones you’ve seen today but aren’t in here.”

Barton hurriedly nodded, after turning over all the photos, he said with some doubts,

“It seems like those Japanese who were with me earlier are not here in these photos!”

## Chapter 4283

Duncan was immediately revived, and quickly looked at him and asked,

“What Japanese?”

Barton did not dare to delay and hurriedly said,

“I was recruited by the hotel as a temporary worker, and I came in with the same group of temporary workers,”

“A total of a dozen people, there were several Japanese, but these photos are not of them!”

Duncan asked, “What do those Japanese people you said look like? What are their characteristics?”

Barton pondered for a moment and said,

“Look, it is the ordinary people’s face, as for the characteristics,”

“It is the feeling that their expressions are more serious, they did not smile,” “And they never spoke, only talked with eye contact, sneaky, and from looks did not seem like good people.”

Duncan was surprised and asked, “They didn’t talk, how do you know they were Japanese?”

Barton said, “On the way here, I inadvertently saw the screen of the cell phone from one of them,”

“And his phone was in Japanese.”

Duncan asked again, "Did you have any encounters after you arrive at the hotel?"

"No." Barton replied, "After we arrived at the hotel, we were assigned to help in the back kitchen at that time."

"But immediately after that several of them were assigned different jobs," "And then they left the back kitchen altogether."

Duncan continued to ask: "Then I ask you, who is the person who recruited you in?"

"And who was the one who assigned you jobs? Especially who was the one who assigned work to those Japanese people?"

Barton said, "The one who recruited us is Manager Chen, but I don't know what his full name is,"

"But he assigned us to the back kitchen, and he also assigned other jobs to the Japanese in the middle."

Duncan took out the hotel's staff book, found the page of Leroy Chen, handed it to Barton, and asked, "Is it him?"

Barton took a glance at the photo on the staff book and immediately concluded, "Yes, it's him!"

Duncan nodded with satisfaction, in his opinion, the breakthrough point had been found.

Then, he said to Barton, "You've done a good job."

Saying that he also took out his money clip from his pocket,

Took out 500 US dollars in cash from it and handed it to Barton, saying,

"Take this money first, and if there are any problems that need consultation, I will look for you again."

Barton was flattered to take the cash and subconsciously asked,

"Inspector Li ..... I ..... don't need to go to the police station anymore, right?"

Duncan knew what Barton was worried about, nodded, and said,

“Don’t worry, you will be allowed to leave when today’s business is over,” “But before you go, leave a copy of your contact information for the police officer,”

“Either by phone or WhatsApp on the U.S. side, WeChat or e-mail from back home.”

Barton’s heart was happy and he was busy saying, “Don’t worry, I’ll leave my WeChat ..... then”

“Good.” Duncan nodded, then had someone take Barton away and instructed, “Bring the hotel banquet hall’s manager Leroy Chen over.”

At this moment, Leroy was standing incomparably nervous in the middle of the crowd.

After he learned that Randal had been kidnapped and disappeared from the banquet hall, he was scared out of his mind.

He never dreamed that the real target of those people would be the young master of his own family.

Now that the young master has disappeared, he himself has become an accomplice.

And he did not dare to confess these circumstances to the police, or to Adam. Because the lives of his wife and children are in the hands of the ninjas.

It didn't matter if he died, but if he couldn't get their lives back, what was the point of living?

## Chapter 4284

Just as he was apprehensive, a police officer came to him and asked, "Are you, Leroy Chen?"

Leroy nodded and said in some panic, "Yes ..... it's me ....."

The police officer waved at him and spoke coldly, "Come with me."

Leroy's heart is even more panicked, but at this moment he does not have any other way,

He can only take heavy steps, follow the police officer to the next door where there is Duncan's temporary office.

As soon as he entered, Leroy was shaking with fear.

He had heard of Duncan's reputation for a long time, so he was afraid of being seen by him.

So, he came to Duncan with fearful hands and stammered,

"Li ..... Li ..... Inspector Li ..... How are you ....."

Duncan stared at him and suddenly forced his voice coldly,

"Leroy! I ask you! Why did you collude with the ninja and kidnap the young master of Fei family?"

Duncan's sudden angry shout made Leroy's heart and soul horrified,

He panicked and sophomorically said, "I .....

I didn't ..... I really didn't ....." Duncan said

with a cold voice: "You still lie? Those ninjas

are the ones you

recruited in!"

"If you just recruited them in, I reckon I can still

believe that you are inadvertent,"

"Can recruit them in and then put them to the

place of incident,"

"This is clearly premeditated in the first place!

So you are their inside man!"

Leroy is still resisting, shaking his head repeatedly:

"Not me ..... I did not ..... I do not know any ninja at all ....." "

Duncan looked at his forehead and cheeks, there are beads of sweat dripping one after another, then sneered:

"Leroy you show me your sophistry here and I have no problem," "But I have to warn you if you do not cooperate with me,"

"Then I will now have that information back to Adam, the missing person tonight is Adam's son,"

"I do not need to remind you of this matter, right? What do you think he will do to you when he finds out about this?"

Leroy heard this, the psychological defense instantly completely collapsed, He immediately kneeled in front of Duncan, crying, and said:

“Inspector Li, I have hardships ah Inspector Li ..... that gang kidnapped my wife and children,”

“And said that if I do not obey their orders, my wife and children will be all gone.”

“And they forced me to give in, they also killed my family nanny! I was also forced to .....”

At this point, Leroy looked at Duncan and choked up,

“Inspector Li, I know I am guilty, I deserve to die, even if the young master wants me dead,”

“I have nothing to say ..... I only beg you to save my family of seven, they are innocent... ..”

From the moment Leroy came in, Duncan guessed from his apprehensive expression,

That he would definitely not be an accomplice in this matter. After all, that gang of ninjas acted in a dry and ruthless style,

So how would they cooperate with an ordinary person with extremely poor psychological quality like him?

The only possibility was that they had coerced him.

Therefore, he did not doubt Leroy's words at all.

So, he said to him: "Leroy, if you want to save your wife and children,"

"You must tell me everything you know, including when and where this gang met you,"

"What they said, and what messages they left!"

In Duncan's opinion, he now desperately needs to find those ninja's image data,

Must first grasp the facial features of this gang of ninja,

In order to be able to catch them, and his time is very tight,

If not speed up, this gang of ninjas may be smuggled out of the country!

## Chapter 4285

In Duncan's opinion, the surveillance records that were tampered with were only within the confines of the hotel,

But Leroy's contact with the ninja outside the hotel must have been difficult to avoid all municipal surveillance.

Therefore, as long as Leroy could provide the time and place of his contact with the ninjas outside the hotel,

Duncan would be able to find out the visual data of these people.

Just when Duncan was mobilizing the police force and searching for image

information based on Leroy's confession, Charlie had already left the Wangfu Hotel with Sara, Tasha, and Hogan. Considering that the charity dinner had gone down the drain and there was no dinner at once,

Charlie proposed that everyone find a place to have dinner first. He believed that Hogan must have something to say to him. Moreover, he also wanted to hear what he has to suggest. Hogan, too, really had a lot of questions to ask Charlie,

And Charlie let those ninjas kidnap the young master of the Fei family today,

This matter is not a joke, he was afraid that Charlie has made a bad handling, causing a big disaster.

So, he proposed: "Why not go to my place, although the food is a bit rudimentary,"

"But the place is convenient to talk."

Charlie naturally has no opinion, so they looked at Sara,

Sara, while having a cheeky smile, said: "Uncle Zhong's roast goose is the best, I have not had enough!"

Charlie smiled faintly and waved his hand, "Come, let's go to Chinatown!"

Under the escort of the bodyguard, the four of them came to Chinatown.

At this time, Hogan's store was already closed, and the man had already closed and left,

So Hogan invited Charlie and the others to the second floor, and he himself went to prepare the meal.

Charlie also received the information from Joseph at this time,

Hattori Kazuo and others, as well as Randal of the Fei family, were now under his control.

Charlie instructed him to make sure that all nine people were under control. And not to let them have any contact with the outside world. At the same time, he also instructed Joseph to draw more manpower to the

vicinity of the Fei family's property,

Because he believed that Jesse was now hiding in the Fei family. Only the Fei family was too big and heavily guarded, It was easy for the Front to hit in, but if they wanted to sneak in silently to find Jesse, it was almost impossible.

Once the commotion gets too big, the Front will definitely reveal its whereabouts.

This time, Charlie does not want to directly let the Cataclysmic Front exposed, If the Cataclysmic Front is exposed now, later when they have come to the United States to compete with the Routhschild family,

There is one less trump card to catch the other side off guard.

The best solution is to lay a net around the Fei family and wait for that son of a b!tch Jesse to get himself in!

.....

Ten minutes later, Hogan walked upstairs with the meal.

After preparing the meal, Hogan greeted everyone to eat, and after everyone sat down,

He looked at Charlie and asked in a lowered voice:

“Young Master Wade, I don’t quite understand one thing, why were those ninjas so afraid of you?”

Charlie laughed, “Have you heard about the matter of the Wade family being sought for revenge,”

“By the Cataclysmic Front some time ago?”

Hogan nodded and said, “I only heard about it afterward,”

“They said that the Wade family gave up half of its assets to the Cataclysmic Front to escape a disaster,”

“So when I saw you today, I never mentioned this matter.”

Charlie waved his hand and said casually, "This is just a rumor that I deliberately let out,"

"The real situation is just the opposite,"

"Not only did the Wade family not give up half of its assets to the Cataclysmic Front,"

"The Cataclysmic Front is loyal to me instead,"

"I just don't want the Wade family to attract the wind, that's why there is this rumor."

## Chapter 4286

Hogan listened dumbfounded if Charlie won't tell him this, so he couldn't believe his ears.

The famous Cataclysmic Front is now under Charlie's command,

This is definitely a great addition to the strength of the Wade family,

Not to mention the hundreds of billions of dollars in assets of the Fei family,

But they can't possibly afford to form a mercenary army of the size of the Cataclysmic Front.

Charlie then added: "As for those ninjas today," "They are all forces under the command of a friendly family of mine in Japan," "And they had seen me at the time on Mount Waderest, that's why they were afraid."

Hogan took a long moment to digest what Charlie said about this matter, and could not help but sigh:

"Young Master Wade, with your current strength, the Wade family in the whole of East Asia as well as Southeast Asia," "I'm afraid it can be ranked first!"

Charlie smiled faintly and said, "Just the first in East Asia and Southeast Asia is far from enough,"

“The Saudi Royal Family in West Asia, in the strength of the world is second only to the Routhschild family,”

“The Wade family wants to become the first in all of Asia,”

“We must exceed the Saudi Royal Family, want to become the first in the world,”

“We must exceed the Rothschild family, which still has a long way to go.” Hogan nodded and said with emotion, “I believe that with your strength,

Young Master Wade,”

“It is only a matter of time before the Wade family stands at the top of the world.”

Charlie smiled blandly, “I hope this time can be as short as possible.”

Hogan could not help but be impressed with Charlie.

Previously, he did not believe that Charlie could make the Wade family stand at the top of the world,

But now, looking at Charlie's calm and self-confident appearance, he suddenly felt that it was not impossible.

This reminded him of Charlie's father.

Even when he was at his peak, he only dared to think of this goal as a beautiful vision,

Never daring to think that it could really come true one day.

However, Charlie, who is in his twenties, has already started to catch up towards this goal.

While feeling emotional, he could not help but ask:

“Young Master Wade, about that Randal, what are your plans? This person is a time bomb,”

“The slightest carelessness will most likely trigger a huge side effect.”

Charlie sneered and said, “Uncle don’t worry, not to mention a simple Randal, even if it is Adam Fei or Dawson Fei,”

“I don’t put it in my eyes, the big deal is to abolish Dawson, Adam, and Randal’s lineage,”

“And then pull the senior Douglas Fei back to become the family head again.” Hogan asked in horror: “Young Master Wade ..... you know the whereabouts of Elder Douglas Fei?”

“The Fei family has been searching for him like crazy!”

“For Dawson, as long as Old Master Fei doesn’t die, he can’t sit down on this family head’s seat!”

Charlie laughed: “Douglas, and his granddaughter Stella, are properly arranged by me,”

“Originally I just return a favor to Stella, saved their lives, and did not intend to help them return to the Fei family,”

"But since the Fei family has such an asshole Randal,"

"He dared to hurt my people, then I have to reassess this matter."

"I have a feeling he won't stop there, maybe he will come to do something evil,"

"If he doesn't know any better, then I will do him too, and then let Master Fei go and talk to Dawson."

Hogan nodded and said, "Adam is a straw man himself, so many years, there is nothing to build,"

"But Dawson this person still has some wrist,"

“Otherwise it is impossible to seize the opportunity to usurp old Mr. Fei’s position.”

Hogan said: “If you can let the old man Fei come back to deal with him,” “Indeed can play a four-two-square effect, the old man Fei in China, forced to fell from power,”

“In his heart, he must also want to reverse the situation, once he gets the opportunity,”

“With his style of action, will never give Dawson leave a way back.”

Charlie shook his head: “If he just does not give Dawson leave a way back,” “That is far from enough, if I let him back, he will never leave Dawson’s family alive!”

## Chapter 4287

Last second, Hogan still felt that Charlie had let those ninjas kidnap Randal, Which would put him in a situation where he himself was walking on thin ice,

But this second, he realized that in Charlie's eyes, the Fei family was not a behemoth at all.

On the contrary, in his eyes, this family is a plate of vegetables.

When to move the chopsticks, completely depends on Charlie's mood.

Whether it was Adam Fei or Dawson, in front of Charlie, neither had any advantage.

On the one hand, Charlie has in his hand the Cataclysmic Front,

Really with the Fei family coming face to face, beating a drum, this family is not a rival.

On the other hand, Charlie still has Douglas Fei, the great emperor of the Fei family, in his hand.

If Charlie really sent Douglas back to the United States,

And then protect him with the strength of the Cataclysmic Front,

Then this Dawson will have to give up the position of the family head. Otherwise, once the whole United States knows that Dawson has taken advantage of the opportunity,

To seize the power from his own father, and ordered his father to die and did not allow to return to the United States,  
He will become a shouting street rat.

Even, it is likely, he is to be subject to judicial investigation. So, no matter how much Dawson, Adam can jump,

As long as Charlie played this trump card, for their father and son, is the trump card.

In this situation, even if Charlie killed Randal in front of these two masters,

This father and son wouldn't dare to say a word out loud.

So, Hogan asked Charlie: "Young Master Wade, what are you going to do next in this matter?"

Charlie coldly said, "After that Jesse emerges, we will get him and Randal together,"

"And kill them both to eliminate the scum for the people!"

Hogan asked again, "Then do you plan to expose their despicable deeds?" "Of course!"

Charlie said, "The reason I didn't kill off Randal directly is to dig out all,"

"All of his and Jesse's deeds and then expose them all, it would be great if I could wipe out their group."

Hogan nodded and suddenly had a plan and said,

“Young Master Wade, if you want to make a big deal out of this,”

“I do have a way to set aside a thousand pounds with four pairs of hands.”

Charlie’s heart was happy, and humbly asked for advice: “Uncle, what is your good solution?”

.....

Tonight in New York, it was not destined to be peaceful. Hattori Kazuo, with seven Iga ninjas,

Drove the garbage removal truck and brought the unconscious Randal all the way out of New York City,

He had contacted Joseph in advance and was following his instructions to deliver the man to the designated place.

After more than an hour of driving, Hattori Kazuo drove the car directly to a deserted gas station in the suburbs.

As soon as the car stopped,

More than twenty people immediately rushed out of the darkness and surrounded the garbage truck.

Joseph himself went outside the cab and said to Kazuo Hattori,

“Don’t turn off the car, everyone get out!”

Hattori Kazuo recognized Joseph at once, hurriedly pushed open the car door and stepped down,

Saying nervously, “Hello Mr. Wan ..... I ..... I was ordered by Master Wade to bring Randal to see you .....”

At this time, from the passenger side also stepped down an Iga ninja,

And six other ninjas came out of the trash removal vehicle's compartment one after another.

And Randal was still in an unconscious state when he was dragged out of the carriage.

Joseph looked at Hattori Kazuo and spoke, "You guys, go with my men." Hattori Kazuo did not dare to do anything rashly and said, "Yes, Mr. Wan, we will do as you say!"

## Chapter 4288

Joseph waved his hand at his men, and a dozen of them immediately came up, And picked up Randal and put him into a business car, And then took Hattori Kazuo and eight others to different cars.

Then, one after another, many cars drove away from the gas station and headed in different directions.

Joseph said again to the two henchmen left behind,

“You guys take this junk car away and dispose of it.”

One of the yellow-haired Caucasian henchmen nodded and spoke,

“Don’t worry, Supreme Commander, I’ve already found a car recycling station,” “In an hour’s time, we can take out all apart and crush its parts into pieces along with other cars,”

“Absolutely no one will be able to find its whereabouts.” “Good!” Joseph nodded with satisfaction and said,

“Then you two hurry up and get it done, and meet me back downtown after it’s done.”

“As you command!”

.....

Meanwhile, both the police and the Fei family got a clue about the junk car.

Although Hattori Kazuo, they, did not leave video surveillance footage inside the hotel,

But, the municipal surveillance outside, is beyond their control. So, as long as the person or car coming out of the hotel,

It will definitely appear in the surrounding municipal surveillance video.

The garbage truck was caught by the police and the Fei family at the same time.

So, both sides began to trace the garbage truck. In addition to the police and the Fei family, all the gang members, Professional killers and

private detectives in New York are also out for the bounty, and the streets of New York are in chaos.

However, no one expected that Joseph had rented a super luxurious villa in Long Beach,

New York with a single-day rent of \$80,000!

This luxury villa is one of the top luxury houses in Long Beach,

Usually rented to foreign tycoons who come to New York for vacation,

Or rented to the crew to use for filming, and after receiving Charlie's order,

Joseph directly fictionalized a film crew from Hong Kong Island,

Rented the villa, falsely claiming to be ready to shoot a biographical film of a Chinese tycoons breaking into New York.

Moreover, the most unexpected thing is that the mansion was rented by Joseph.

Is only less than 500 meters away from the Fei family's estate.

Therefore, after driving around downtown New York,

Joseph's men brought the eight ninjas, including Kazuo Hattori, and the unconscious Randal, to this villa.

No one expected that Randal, who was being searched for all over New York,  
Was lying in his neighbor's house less than 500 meters next door to his own. Joseph's men took the eight ninjas, as well as Randal, directly into the  
basement of the villa.

At the same time, a large amount of movie equipment that Joseph had rented was also transported to the scene overnight.

And Joseph even let his men rent a variety of lighting, camera equipment all moved to the courtyard,

And even set up in the foyer and courtyard, the entire villa gave a sign of feverishness,

It seemed for sure that really there is a drama team having a shoot here.

At this time, Joseph made a phone call to Charlie to report the progress and ask for his next instructions.

Charlie adopted Hogan's proposal and conveyed the next order to him.

Joseph hung up the phone and immediately stepped inside the basement where the eight ninjas and Randal were being held.

At this moment, the eight ninjas were sitting in the corner like defeated roosters,

While Randal was left on the floor still unconscious.

## Chapter 4289

The eight ninjas stood up in a hurry and looked at him with a respectful face.

Joseph ignored them, but pointed at Randal on the floor and said to his men,  
“Wake him up!”

His men immediately brought a basin of cold water and poured it all over Randal’s body with a clatter.

The unconscious Randal suddenly had a jolt and sat up with a scream. As his vision slowly returned, he panicked and asked loudly,

“What do you want? Do you know who I am?!”

Joseph looked at him and pulled out a dagger from his men's waist,

Then threw that dagger in front of Hattori Kazuo and said in a cold voice: "Go, cut off both of his ears!"

When Hattori Kazuo heard these words, his whole body shivered violently in fear.

He really didn't expect that Joseph would let him cut off Randal's two ears as

soon as he

opened his

mouth. Randal

was also stunned.

He was the young master of the Fei family,

An existence that no one dared to mess within New York,

But he never thought that this guy in front of him would be so vicious that he would cut off his ears, and two at the same time!

The panic-stricken Randal shouted: "Do you know who I am? I am the young master of the Fei family, Randal!"

"I don't need to tell you how strong the Fei family is!"

"If you guys dare to touch a hair on my head, my father and my grandfather will definitely take your lives!"

Joseph looked at Randal and said indifferently, "Let me tell you, my name is

Joseph Wam,"

"I am the master of the Cataclysmic Front, not to mention a mere grandchild of the Fei family,"

"Even if it's your father or your grandfather, as long as Mr. Wade says so," "I will kill them all! Even if I kill your Fei family to the point that not even a single dog is left, I will not blink an eye!"

Hearing these words, Randal's entire body instantly felt a spinning of the sky and the earth.

"Joseph Wan?! You ..... are Joseph Wan?!"

Randal was terrified to the extreme and said offhandedly,

"Mr. Wan ..... our Fei family has no grudge against you,"

"I have even always looked up to you, why would you lay your hands on me?!"

Saying that he asked again nervously,

"Who is Mr. Wade again? I've never offended anyone named Wade!" Joseph looked at the time and sneered, "Soon you will know."

After that, he looked at Hattori Kazuo, pointed to the dagger on the ground,

And said in a cold voice: "Hattori Kazuo, the order was given by Mr. Wade," "I just conveyed it for Mr. Wade, he will come over soon,"

"You'd better get it done before he comes,"

“Otherwise, when the time comes, I’ll cut your ears together!”

When Hattori Kazuo heard this, he turned pale with fear and said in a panic,

“I’ll cut it! I’ll cut it right now!”

Kazuo was now very clear that no one could mess with Charlie.

Still, if he messed with the Fei family, the Iga ninja might be exterminated,

But if he messed with Charlie, the Iga ninja would definitely be exterminated!

So, he didn't dare to delay, he hastily picked up the dagger and walked towards Randal with one step at a time.

When Randal heard Joseph say Hattori Kazuo's name,

He immediately realized that this guy was the Japanese ninja that Jesse had found to kidnap Sara.

But he couldn't understand how the man Jesse had found to kidnap Sara,

Why would he suddenly turn against the water to kidnap himself? Angry, he stared at Hattori Kazuo and angrily reprimanded:

“You s0n of a b!tch are too unreputable! Not only did you not do anything after receiving money,”

“But you even turned around and kidnapped your employer!” “Believe it or not, the Fei family will exterminate your entire family!”

# Chapter

## 4290

Hattori Kazuo also gave up his life and went up and slapped Randal across the face,

Gritting his teeth and saying, "You bastards asked us to kidnap Mr. Wade's woman,"

"That's like pushing us into the fire! Fortunately, I didn't make a big mistake," "Otherwise the whole Iga ninja would have disappeared from this earth!"

"I can't even kill you to get rid of my hatred!"

Hattori Kazuo was right. He now hated this Randal like crazy.

If it wasn't for him, how could he have come to  
America to wade through this  
mess?  
s?

Although he had saved his life, for now, he  
didn't know how Charlie would  
punish  
him next?

Thinking of this, he walked forward in anger,  
ignoring Randal's struggle, Grabbed his hair,  
the dagger flew around two times at a very  
fast speed Immediately afterward, Randal's  
pig-killing howl was heard!

"Ah!!! My  
ears!!!"

On the ground, the two bloody ears  
were very eye-catching,

While Randal was desperately covering his ears, wailing repeatedly, Blood was gushing out from his fingers, which was unbearable.

At this time, Joseph gave a wink to his men and said, "Treat his wounds."

His men nodded and immediately took out a bottle of wound treating medicine to stop the bleeding,

Stepped forward and spread the powder on both sides of his wounds. Joseph said to Hattori Kazuo:

"Pick up the things on the ground and go to the bathroom to wash them, I still need them."

Hattori Kazuo did not dare to refuse, hastily bent down and picked up the two ears,

Walked to the next-door bathroom and washed them with water. At this time, a helicopter landed in the courtyard of the villa. Charlie stepped off the plane alone, And then a soldier from the Cataclysmic Front stepped forward and said respectfully, "Mr. Wade, the Supreme Commander is in the basement, please follow me." Charlie nodded, and under the soldier's guidance, he arrived at the villa's basement.

Pushing the door in, Joseph was standing in the center of the room,

While Randal had already had both of his ears cut off, wailing in pain while shivering all over.

When Joseph saw Charlie coming, he immediately said respectfully, "Mr. Wade!"

Charlie nodded, looked at Randal, and sneered, "Young Master Fei, we meet again."

Only then did Randal see Charlie, and in this instant,

He couldn't care less about the sharp pain coming from the root of his ear, And said in shock: "You ..... you are that Feng Shui guy?!"  
Charlie laughed: "What? Are you surprised to see me?"

Randal's brain is not enough to process all of this, he shot out this question: "Who the h3ll are you? Why did you let the Cataclysmic Front tie

me up here?" "Why did you let them cut off my ears? Why?"

Charlie said indifferently, "There is no such thing as to why, they didn't look good on you, right?"

Randal roared in anger, "I have no fcuking grudge against you!"

"What the fcuk do you mean by that? Aren't you afraid that my family will retaliate against you?"

Charlie looked at him, eyes gradually cold, sternly asked:

"So many innocent girls who died at your hands,"

“And you have what grudge? And why did you work in cahoots with Jesse,” “Hunting them and abusing them without any bottom line of conscience?”

Speaking of this, Charlie’s voice raised a few points, angrily shouted:

“You do not have the eyes of a dog, how dare you even move your mind to Sara???”

“Do you know that Sara was engaged to me when she was three years old?” “You could think of such a thing, are you not afraid of losing your life? Randal was instantly struck by lightning, his eyes wide, unable to say a word.

He never thought in his wildest dreams that his deeply hidden matter would be learned by this feng shui master named Wade

.....

He subconsciously tried to show some sophistry:

“I do not know what you are talking about! I, have never done the things you said!”

“I didn’t have any ill intentions towards Miss Gu either!”

Charlie said disdainfully, “Randal, do you still fcuking think that I run the court?”

“If you deny it, I won’t judge you? Since I got you here,” “I won’t listen to a single word of explanation from you!” Speaking of this, Charlie coldly said,

“Randal, I can tell you straightforwardly, you fell into my hands this time, you’re fcuking dead!”

## Chapter 4291

Randal saw the undisguised killing intent in Charlie's eyes,

His heart was suddenly terrified to the extreme!

He threw himself on his knees and kowtowed while begging in tears,

"Mr. Wade ..... I ..... am young and impulsive...  
..."

"Please, for the sake of my family, which is at least the second-largest Chinese family in the United States,"

“Forgive me this time, how much money you want, just ask, my father will make you satisfied ..... please ..... ”

Charlie did not want to see him acting, so said in a cold voice:

“Randal, you really think money is everything? Your great-grandfather was so rich,”

“Did he not fail to hold the position of the family head?”

“I’m telling you, even if I were to trade the entire Fei family’s assets for your life,”

“I wouldn’t agree to it! Adults must pay the price for their actions!”

“Not to mention you, even your father and your grandfather have to pay the corresponding price for your actions!”

“Because as the old saying goes, if the son is not taught, the father is at fault!” Randal subconsciously questioned, “Aren’t you afraid that the Fei family will retaliate?”

“My father, my grandfather, if they know that you killed me,” “They will definitely devote all of the Fei family to avenge me!”

“Your father, your grandfather?” When Charlie heard this, he sneered:

“To tell you the truth, your great grandfather Douglas, and your cousin aunt Stella,”

“Are now protected by my people,”

"I will not only solve you but also your father and your grandfather,"

"If your great grandfather has the chance to return to the United States," "Do you think he will let your father and your grandfather go?"

"If he dares to let them both go, I will not let him go!"

When Randal heard this, his whole body was terrified to the core! He never dreamed that his great grandfather and his cousin aunt, Whom his grandfather had been trying to find, were in Charlie's hands! At this moment, he finally realized what kind of existence this man had.

Originally, he thought that Charlie was a vicious wolf that rushed to the Fei family to try to take a bite.

But now he realized that Charlie was actually the hunter with a gun.

And the current Fei family, in his eyes, was just a mere earth dog under the gun.

In this instant, he was already scared out of his mind and said in tears,

“Mr. Wade ..... I beg you to have mercy and spare me once .....” “Whatever you ask, I will make my father and grandfather agree to you unconditionally .....”

“I only beg you to leave me a dog’s life .....”

Charlie smiled faintly and spoke, “Begging for mercy would be unnecessary,” “It’s better to

save your strength and think about how you will die.”

The terrified Randal wanted to continue to beg Charlie for mercy,

But Charlie didn't give him a chance and turned to Joseph and Hattori Kazuo and said,

“Joseph, Kazuo, you two come with me, I have something to tell you.”

The two men immediately answered and were about to go upstairs with Charlie,

When Randal went crazy and kept kowtowing and begging: “Mr. Wade ..... please let me go, Mr. Wade .....

Mr. Wade... .." Charlie ignored him and directly led the two to the first floor.

Joseph said to Charlie: "Mr. Wade, there is a meeting room on the first floor, let's go there."

"Okay." Charlie nodded and followed Joseph to the meeting room on the first floor.

Hattori Kazuo also followed in with trepidation, both hands on his chest rubbing constantly,

His heart was already nervous to the extreme.

Charlie looked at the two people and said,

"I want to make this matter bigger now since it is a stage singing," "The movement is small also sorry for such a big stage in

New York." Joseph respectfully asked, "Mr. Wade, what is your plan?"

Charlie laughed: "I asked Hattori Kazuo to cut off Randal's two ears,"

"Just to properly stimulate the Fei family,"

"And simply give the Fei family a kidnapping case with the highest ransom ever in the history of New York."

## Chapter 4292

As Charlie spoke, he looked at Hattori Kazuo and smiled,

“You cut off Randal’s ears, why don’t you send these two ears to the Fei family,”

“And by the way, tell them that if they want Randal to live,”

“They will pay a ransom of 100 billion dollars, and it must be paid in the form of cryptocurrency,”

“Otherwise, just wait to collect Randal’s body.”

“Huh?!” Hattori Kazuo with rightened legs said nervously:

"Mr. Wade ..... with the strength of the Fei family, we ninjas will be exterminated ....."

Charlie smiled and waved his hand:

"Don't worry, neither Adam Fei,"

"Nor Dawson Fei would have that opportunity to go to Japan to seek revenge on the Iga ninja,"

"After this matter is over, the two of them will be finished," "When the old man of the Fei family regains power,"

"Your Iga ninja will not be the enemy of the Fei family, but one of the benefactors of the Fei family."

Saying that, Charlie added: "Hattori Kazuo, there are multiple sides to everything,"

"How the Fei family will treat the Iga ninja depends on,"

"Whose a55 is sitting in the position of the Fei family's headship, do you hear me?"

When Hattori Kazuo heard this, his whole spirit was lifted.

He was not a fool, so how could he not understand the meaning of Charlie's words.

In a flash, his mentality also underwent a hundred and eighty-degree change. Before, he was afraid that the Iga family would be retaliated by the Fei family and thus be tragically exterminated.

But now, he suddenly felt that a saying was right, that he had read somewhere on the internet,

“If you take a chance, you can turn a bike into a motorcycle!

Thinking of this, he was already a little excited and said offhandedly,

“Mr. Wade, whatever you need me to do, just give me an order,” “I will definitely give my liver and brain and do my best!”

Charlie nodded in satisfaction and smiled: “Yes, that is the way!”

After saying that, Charlie then informed Hattori Kazuo of his requirements in detail.

After hearing this, Hattori Kazuo said without hesitation, Although his heart was apprehensive, "Don't worry, Mr. Wade, I will complete the task!"

Charlie nodded slightly and said to Joseph,

"Joseph, I will return to Providence soon, so you will take care of the rest of the matters with Hattori Kazuo," "And I will come back tomorrow."

Joseph said respectfully, "Okay Mr. Wade!"

.....

A few minutes later, the helicopter took off from the courtyard of this big villa and flew directly to Providence.

And at the same time, the number of people searching for Randal's whereabouts throughout New York had exceeded tens of thousands.

However, even with so many people racking their brains for clues, all of them are still coming up empty.

The junk car that drove out from the Wangfu Hotel, as if it had evaporated, could not find any clues.

The more delayed the results, the more nervous the Fei family is. Dawson is usually very strict with his son Adam, But his grandson Randal is very indulgent and spoiled,

Now Randal was kidnapped, no clues, he called Adam to his study, sternly asked:

“What the h3ll are you doing? So long has passed, why there is still no news!”

Adam was also at a loss and said, “Dad, those Japanese ninjas seem to have evaporated, no clues can be found!”

Dawson said in a cold voice: “Have you found out which faction of ninjas did it?”

“Not yet.” Adam sighed: “The entry data has been transferred,”

“But there are too many people, are screening, the more critical is that these ninjas can disguise,”

“And have multiple sets of identity, we even find them from the entry data, it may not be their true identity.”

Dawson asked again, “No one has contacted you yet?”

“According to common sense, the other side kidnapped Randal, now it is time to ask for ransom!”

Adam shook his head and said, "No one has contacted me for ransom yet."

Just after he finished, his phone suddenly rang.

When he looked down, it was a text message from an unfamiliar number.

The text message read, "Want to know your son's whereabouts, drive to Brooklyn!"

## Chapter 4293

Brooklyn was once the most famous ghetto in New York. Right now, although the environment has improved,

But relatively speaking, it is still the most chaotic and the worst district in New York in terms of security.

Especially North Brooklyn, dominated by not generally well off communities, This is why it is simply the best and largest source of manpower for the major gangs in the megalopolis.

Many young people here, at the age of twelve or thirteen years old,

Carrying a gun everywhere is considered to start serving in the gang reserve. When it comes

to 14 or 15 years old, they have been eating, drinking, gambling, involved in vandalism and looting.

In this kind of place with extremely poor security, In the street, if you randomly pick ten young men, you could find eleven guns, Usually not to mention ordinary people, even the police do not dare to patrol this kind of place.

The first contact from Hattori was here following the order from Charlie.

Adam saw the message and said in a panic: "Dad, someone sent me a text message saying that,"

"If I want to know the whereabouts of Randal, I have to go to Brooklyn!"

Hearing this, Dawson slapped the table and said angrily,

"Come on! Have someone prepare immediately!"

"Also hurry up and give the cell phone number to the intelligence department,"

"And have them monitor the location of this phone immediately!" Adam was slightly stunned and asked, "Dad, I'll go?"

"Nonsense!" Dawson blurted out, "If you don't go, would I go?"

Adam said somewhat nervously, "The location is not safe, and I worry that this is a trap ....."

Dawson waved his hand and said, "There is nothing to worry about," "You just go, let the martial artists go with you," "In addition take two teams of bodyguards to secretly protect your safety," "In this case, even the special forces can not kidnap you away!" Seeing his father's insistent attitude, Adam had to nod and said, "Then I'll ask him for the exact address."

After saying that, he sent his cell phone number to the intelligence team of the Fei family,

While picking up his phone, replying to the message and asking, "Where do I have to meet you?"

After sending it, the message sank like a stone in the deep sea.

The intelligence team also fed back the message that the cell phone number was now in shutdown mode and could not be located.

When Adam saw this, he knew that the other party was a pro, and his heart was even more apprehensive.

The other side can kidnap Randal, so he is definitely not an ordinary thief," "Probably already secretly watching us, you just go to Brooklyn,"

"I believe that when you get to Brooklyn, he will contact you."

Adam did not dare to refuse, and could only agree with a stiff upper lip.

He was anxious about his son's kidnapping, but he hoped to use the money to solve the problem,

Or just use the Fei family's people to solve the problem, and was not willing to put his own life at risk.

But right now he had no other choice but to follow his father's instructions, arrange the manpower and prepare to go.

Soon, three convoys left the Fei family's estate one after another. They had two tasks: first, to secretly protect Adam's convoy,

And second, to wait for information from the intelligence team,

So that once the other party's cell phone was turned on and their location was found,

They would immediately take control of them. Adam himself did not sit in the Rolls Royce, but in the middle of the three Cadillacs.

In his opinion, if the other party is trying to get at him this time,

Then he will definitely mistake him in the middle of that Rolls-Royce, So that if something happens, Rolls Royce can attract fire,

And his safety factor is naturally a bit higher.

But even so, when the vehicle drove into Brooklyn,

As for Adam, the heart can not help but get filled with a burst of tension. There is a law that is as universal as gravity,

That is, the richer the person, the more afraid of death they are.

## Chapter 4293

Brooklyn was once the most famous ghetto in New York. Right now, although the environment has improved,

But relatively speaking, it is still the most chaotic and the worst district in New York in terms of security.

Especially North Brooklyn, dominated by not generally well off communities, This is why it is simply the best and largest source of manpower for the major gangs in the megalopolis.

Many young people here, at the age of twelve or thirteen years old,

Carrying a gun everywhere is considered to start serving in the gang reserve. When it comes

to 14 or 15 years old, they have been eating, drinking, gambling, involved in vandalism and looting.

In this kind of place with extremely poor security, In the street, if you randomly pick ten young men, you could find eleven guns, Usually not to mention ordinary people, even the police do not dare to patrol this kind of place.

The first contact from Hattori was here following the order from Charlie.

Adam saw the message and said in a panic: "Dad, someone sent me a text message saying that,"

“If I want to know the whereabouts of Randal, I have to go to Brooklyn!”

Hearing this, Dawson slapped the table and said angrily,

“Come on! Have someone prepare immediately!”

“Also hurry up and give the cell phone number to the intelligence department,”

“And have them monitor the location of this phone immediately!” Adam was slightly stunned and asked, “Dad, I’ll go?”

“Nonsense!” Dawson blurted out, “If you don’t go, would I go?”

Adam said somewhat nervously, “The location is not safe, and I worry that this is a trap .....

Dawson waved his hand and said, "There is nothing to worry about," "You just go, let the martial artists go with you," "In addition take two teams of bodyguards to secretly protect your safety," "In this case, even the special forces can not kidnap you away!" Seeing his father's insistent attitude, Adam had to nod and said, "Then I'll ask him for the exact address."

After saying that, he sent his cell phone number to the intelligence team of the Fei family,

While picking up his phone, replying to the message and asking, "Where do I have to meet you?"

After sending it, the message sank like a stone in the deep sea.

The intelligence team also fed back the message that the cell phone number was now in shutdown mode and could not be located.

When Adam saw this, he knew that the other party was a pro, and his heart was even more apprehensive.

The other side can kidnap Randal, so he is definitely not an ordinary thief," "Probably already secretly watching us, you just go to Brooklyn,"

"I believe that when you get to Brooklyn, he will contact you."

Adam did not dare to refuse, and could only agree with a stiff upper lip.

He was anxious about his son's kidnapping, but he hoped to use the money to solve the problem,

Or just use the Fei family's people to solve the problem, and was not willing to put his own life at risk.

But right now he had no other choice but to follow his father's instructions, arrange the manpower and prepare to go.

Soon, three convoys left the Fei family's estate one after another. They had two tasks: first, to secretly protect Adam's convoy,

And second, to wait for information from the intelligence team,

So that once the other party's cell phone was turned on and their location was found,

They would immediately take control of them. Adam himself did not sit in the Rolls Royce, but in the middle of the three Cadillacs.

In his opinion, if the other party is trying to get at him this time,

Then he will definitely mistake him in the middle of that Rolls-Royce, So that if something happens, Rolls Royce can attract fire,

And his safety factor is naturally a bit higher.

But even so, when the vehicle drove into Brooklyn,

As for Adam, the heart can not help but get filled with a burst of tension. There is a law that is as universal as gravity,

That is, the richer the person, the more afraid of death they are.

## Chapter 4294

Adam is naturally no exception. Although he is the young master of the Fei family,

The current Fei family head's first heir and going to this kind of place,

His heart will be more or less filled with fear.

When Adam's motorcade drove into Brooklyn, indeed

They actually attracted the attention of many street youth.

In Brooklyn, only gang bosses can afford to buy Rolls-Royce,

But those bosses' Rolls-Royce license plates, the local gang members have long memorized,

So with a glance, they can see that these cars are foreign.

Some of the gang members, seeing this convoy really can not help but have a bad idea.

However, seeing that the other side has six cars, they tamed their desires. At this time, in the car, Adam suddenly received a text message.

This time, the other party changed the number and sent the content:

"To the North Brooklyn Wharton Motel."

A motel is the lowest-end fast hotel in the United States.

It has the worst rooms, the worst location, the laxest management, and the worst security. You don't need any identification to register for a motel,

You park your car at the door, walk in and give the cash to the owner, You get a room key.

The owner also has the mentality that more is better than less,

And just collects money, not bothering to ask about the identity of the residents,

Not even wanting to look at the residents twice to avoid trouble. Therefore, this kind of place is mixed, full of fugitives, johns, and addicts.

Adam did not expect that the other party would set the location in such a place,

He first sent the other party's cell phone number to the intelligence team, Hoping that the other party could locate the person's location.

But the intelligence team came back with the news that the other party had turned off the phone again.

Since it was a new number, there was no way to prepare in advance, so the positioning failed again.

The location failure meant that Adam could only follow the other party's

request and go to this motel.

Although he was reluctant to do so, he could only go with his head up. This motel is located on the edge of North Brooklyn.

The team just arrived at the entrance of the hotel,

They can see at least seven or eight scantily clad women standing at the door, These women will wave as soon as they see a man driving,

And the male driver will immediately stop beside them and put down the

window to "exchange" a few words with them.

The content of the exchange is to provide information on the kind of service and how much pay is needed.

If a deal is made, the woman will get into the man's passenger side,

Or with the man to the motel room, together with the completion of the dirty deal.

Adam eyed the surroundings and frowned in disgust.

At this time, several street girls also found their convoy, Some of them are still more or less self-aware,

They know that they are a few dozen dollars a prostitute, it is impossible to get the owner of the Rolls-Royce's favor.

But there are also some women who are too high on drugs,

Confidently come to the side of the Rolls-Royce knocking on the window, constantly scratching their heads.

However, no matter how they knock, the driver of the first few Rolls-Royce did not open the window.

So, a few people knocked on the windows next to each other, all the way to the one where Adam was.

Adam through the window, looking at these thin, young women with rotten teeth.

He felt as if seeing a ghost, right from the car cursed:

“What the fcuk is all this sh!t! Get them out of here and keep them away from

my car!"

The bodyguard on the passenger side turned back around and explained, "Young master, these women are like that, we don't need to care about them," "They won't leave on their own without knocking on the window."

Saying that, he added: "Do you see a lot of discarded disposable syringes on the ground by the roadside?"

"They are all used by these women, each of them is a drug addict," "Every day they come on the street to earn some money to eat, buy contraband,"

"Many of them have AIDS, we are safe if we do not open the window." "Fcuk!" Adam spit out revolting, angry curses, "really fcuking disgusting!"

## Chapter 4295

The good thing is that the women did not pester, seeing that no one opened the window,

They all went back to the roadside and continued to look for other targets.

At this time, Adam's cell phone rang again.

He hurriedly looked down, only to see this time a new strange number sent a text message,

And the text message is: "See the blonde woman who lost two incisors on the side of the road?"

"You get out of the car and walk up to her, stuff a thousand dollars into her collar,"

“She will give you something, my people are watching you,”

“You do not play any tricks, otherwise, wait to collect your son’s b0dy!”

Adam received this text message, and looked up at the roadside where there were standing a few women,

only to find that the blonde, the woman who lost two incisors,

Is not the woman who just came to knock on the window of his car, and scared him.

With the thought that the other party may also have AIDS, he had a feeling of retching, almost vomiting.

However, he never dreamed that the mysterious person who kidnapped his son, would ask him to stuff money into that woman's collar!

He could not help but curse angrily: "This is not a fucking bully!"

"If there was really something to give me, wouldn't it be enough to just ask her to take it out?!"

The bodyguard couldn't help but ask: "Young master, did the other party text again?"

Adam looked at the woman outside the car window and said with disgust,

“Son of a b!tch, he asked me to stuff a thousand dollars into that woman’s collar,”

“In exchange for something he gave me! This is outrageous!” The bodyguard said, “Young master, why don’t I go?”

“The man should have instructed the woman that if someone stuffs \$1,000 into her lapel, she should give it to him.

“No .....” Adam said offhandedly, “They have people watching in secret,” “If I play tricks, they will turn against Randal!”

The bodyguard blurted out, “Young Master, you can’t go by yourself,”

“What if this woman is a killer or she has a bomb on her? We can’t guarantee your safety!”

When Adam heard this, he was shocked himself, He was worried that if this was a trap against him, Then once he got off, he was afraid that he would be in bad luck.

However, he knows very well that if he does not do as he is told, then his son is likely to face the risk of life.

Moreover, if he does not do it, his father will definitely be discontented with him after he finds out.

Dawson's style of action is dry and ruthless, very averse to timid and cowardly people,

And Adam is not the only son, there are two younger brothers eyeing the position of the family head,

If his performance this time left Dawson disappointed,

Then in the future, he wants to inherit the position of the family head, the difficulty will certainly increase a lot.

After thinking about it, he decided to take a chance.

So, he called his father, Dawson, and once the phone call came through, Dawson asked, "Adam, how is it going?"

Adam told his father about the situation,

And deliberately said in a generous tone of death:

"Dad, if something happens to me, you must promise me to find Randal!" Dawson gave a light hum and said, "Don't worry, he has no reason to kill you." Adam was surprised and asked, "Dad, why do you think so?"

Dawson said in a cold voice: "He kidnapped Randal and took the initiative to contact you,"

"Which proves that he must be looking for money."

"If he kills you, he won't get a penny, but also ruins his credibility in front of us."

"If he uses Randal to threaten me and ask me for ransom after he kills you," "It's unlikely I'll give something to him, so it's more than worth it to him. Adam was suddenly a little resentful. He thought he could take this opportunity to show off a little bit with his father,

But he didn't expect to end up botching it,

Making his father think he was a fool who couldn't understand the situation.

Depressed to the core, he could only say to Dawson,

"Okay dad, I know, I'll go over there and see what medicine they are selling in the gourd!"

"Hurry up!" Dawson urged, "If there is any news, notify me the first time!"

## Chapter 4297

The woman was pointed at by so many people with a gun,

She got scared out of her wits, so she hurriedly moved the old shoulder bag, While shivering took out a box of crumpled condoms.

The first time Adam saw the picture of the condom on the box, his face suddenly blackened to the extreme,

He thought it was just a prank, so he cursed coldly: "This is what that son of a b!tch told you to give me? "Yes ....." the woman said in a panic:

"He ....." also asked me to pass on a message to you... .."

Adam shouted angrily: "Say it! If you stammer again, I'll fcuking kill you!"

The woman trembled with fear and said, "He said ..... I'm sorry Mr. Fei, there was no time ....."

"To find a container, so I had to make do with this box." "So could only make do with this box to contain the ....."

"The packaging is very substandard, but the things inside are still very precious ....."

Adam reached out to grab the box of condoms, but once he thought the woman had AIDS,

He immediately put his hand back and pointed at the woman and yelled,  
“Throw the box to the ground!”

The woman could only honestly do as she was told and threw the box on the ground.

Adam took out a handkerchief from his pocket,

Wrapped his right hand with the handkerchief,  
and discreetly squeezed the box up.

He was in a dilemma because he did not dare to open the box with his left hand.

Although he had received higher education and knew that AIDS would not be transmitted through this level of contact,

He still could not resist the fear in his heart.

Fortunately, one of his men was more discerning and immediately handed him a black glove.

Adam was relieved and stretched out his left hand to let his men put the black glove on his hand,

And then opened the lid of the condom box.

Because of the lack of ambient light, he did not see what the box actually contained,

Gently shaking, only to feel that the things inside are not heavy and not hard, But can not tell exactly what kind of things are in there.

So he used his right hand to turn the box upside down,

His left hand blocked the mouth of the box and poured out the contents. Along with the two things dropped into his palm, Adam fixed his eyes,

The whole person shouted in fear, the hand moved as if getting a shock like a violent flip,

Two bloody ears were directly thrown out.

A few street girls have long been curious about what was inside,

And when they saw that it was two bloody human ears, they immediately screamed in terror.

The bodyguards also froze, never dreamed that the box contained human ears!

Adam was so frightened that he just slowed down,

Then he suddenly thought of something and hurriedly chased over to check, This look does not matter, he immediately recognized the pair of ears, which is the son Randal's.

His heart seemed to be instantly hit by a heavy hammer, all of a sudden pain reached unspeakable limits.

Immediately after, he picked up the two ears bawling: "Randal ..... my good son ..... your dad is sorry ....." "Your dad did not protect you! You ah Randal ....."

Some good pedestrians have begun to take out cell phones to shoot video,

This time a number of bodyguards reacted, rushed to Adam, and surrounded him,

While chiding: "No filming, delete the video!"

But by this time it was already too late, many people had already taken the video,

Seeing the other side of the bodyguards aggressive, they rushed to slip away. And these bodyguards do not have the energy to ask those passers-by,

They can only surround Adam, to protect him as soon as possible to leave this place.

The group of people who took the video and slipped away included an Iga ninja.

## Chapter 4298

After he took the video, he immediately went to the corner behind the motel and got into a dilapidated Dodge car,

Then the car started the engine and quickly drove away from the place of the incident.

And at this time, Adam was still holding Randal's two ears and crying out in pain.

The bodyguard repeatedly persuaded him for a long time but to no avail. Helpless, several people can only help him to the car,

And then the convoy quickly returned to the Fei family estate in Long Beach. On the one hand, his heart ached for his son, worried about his son,

and on the other hand, he hated those ninjas to the bone.

He could not wait to immediately catch them in pieces, but unfortunately, They have not yet been able to grasp their real identity.

Dawson has many ears and eyes, and most of the bodyguards around Adam report to him,

So without waiting for Adam to return, he had already heard about this matter.

He was particularly fond of Randal, and when he heard that his grandson's ear had been cut off,

He was even more furious, and was already in his study, smashing everything he could.

The old lady heard the news and rushed to see what was going on, But it was hard to stop Dawson, the old lady asked what happened,

She was even more distressed, seeing that there was nothing in the room to smash, so she punched Dawson, crying:

“You must save my grandson alive! If not, I will be dead for you!”

Dawson was upset and did not want his wife to follow him, so he said impatiently,

“Okay, I know! Randal is your grandson and also my grandson, I will do

whatever it takes to get him back!"

The old lady asked again, "Are you sure? In case they kill without blinking.....  
to ..... Randal"

When it comes to this, the old lady really can't say anymore.

Dawson waved his hand and said, "Don't worry, they must be trying to make money,

As long as they are trying to make money, they will certainly not kill Randal." The old lady hurriedly said, "No matter what the final result is,

You must give me those people in pieces!!!"

The movement of the old man and woman  
smashing in the study soon alerted  
Randal's mother,  
As well as other members of Fei's family.

Dawson didn't hide anything from them, so he  
informed everyone about what  
happened.

Randal's mother directly fainted, while the other  
Fei family members were also apprehensive.

They were accustomed to being pampered,  
but when they heard that there were people,

Who dared to kidnap a Fei family member and  
even cut off his ears, they were angry and scared.

For a while, the whole Fei family was in a state of turmoil.

And before Adam arrived home, another popular video appeared on the Internet.

The title of the video is very shocking, it says

“Adam Fei, the son of the Fei family, k!ssed a pr0stitute on the street in North Brooklyn!”

The content of the video clearly captures how Adam stuffed \$1,000 in cash into the collar of the pr0stitute,

And how the pr0stitute hugged him in a passionate k!ss.

The video ends abruptly at this point, without any follow-up.

This is a common „partial news rule“ used by the popular media,

Not to report the whole story, but only the part they want to report.

So that they can induce viewers to take the story out of context.

This trick is simple and direct and nasty to the extreme, but it works very well. People don't know the cause and effect,

They only know from watching the video that the young master of the Fei family

Bought s3x on the street and k!ssed with a pr0stitute.

This immediately triggered a fervent discussion on the Internet.

Over there matter of seeking s3x is not really explosive news, people here are relatively more open to that aspect,

So they are not used to it.

However, although they have seen cheating, but never seen so by rich people. So this kind of thing can only give them a big shock.

## Chapter 4299

Many people are incredulous about Adam's heavy tastes,

And it is because of this huge contrast that this matter is rapidly fermenting on the Internet

And will soon explode all over the net.

Adam still didn't know that when his motorcade drove into the Fei family estate,

He had already become a hot and big internet sensation.

What Charlie likes most is to hit the people where it is most painful.

He deeply knows what the rich people care most about, so he can always find their weak points.

For most rich people, what they care about most is just two things, profit, and reputation.

Since you want to make a big deal out of this,

And want to cause more damage to the Fei family, This way of exposing the scandal is the best solution.

When Adam returned home and met a group of angry family members, he realized that he had been on fire online.

When he saw the video of himself being spread wildly on the Internet, he was almost angry enough to die in place.

That unpleasant stand-up girl made him sick all the way to the car and almost vomited several times.

Plus the feeling of holding his son's two ears in his hands made him even more miserable.

It was hard for him to go home and prepare to take the HIV blocking medication immediately,

But he didn't expect that the video of himself kissing the street girl would go viral first.

He was so angry that he almost thundered and yelled in front of his family,

"I must find out the son of a b!tch who released the video," "I can't take this fcuking heat until he's dead!

Dawson said in a cold voice: "This video must have been taken since you didn't get out of the car,"

"It was clearly waiting for you, maybe it was one of them."

Adam was confused and said, "Dad, if they want money, just ask for money, what the h3ll are they going to do?"

He said, he handed out his son's two ears and said, "Also, why are they treating Randal so cruelly?"

"Aren't they afraid that our Fei family will fight with them to death?!"

Dawson frowned and said, "I can understand if they cut off Randal's ears,"

"It's just to show us their guts and let us know that they can do anything, so as to break our will ....."

Said, he could not help but smacked his lips, face very serious:

"But he controlled you, treated completely as if you are a monkey,"

"This move I really do not understand, how to look at this is not necessary....." "You tell me, this matter is exposed, what good is it to them?"

The Fei family all shook their heads with a bewildered look.

No one could understand why the other party did not put the Fei family in the slightest,

Kidnapped the Fei family member and spit in the Fei family's face.

And at the same time, Adam's video, in the whole network has become hotter and hotter.

Not only in the United States, but even around the world, it has caused a huge sensation.

Even in China, which is half a world away, it has made it to the short video platform,

As well as the hot search on the microblogging platform. The world's netizens, all like to eat rich

people's melon. The Fei family, one of the world's top families, is stronger than the Korean Lee family and the Japanese Ito family.

Not to mention the top Korean plutocrats like the Lee family,

When a Korean airline owner's daughter forced the plan to return from New York JFK Airport,

Because the stewardess gave her a packet of nuts but did not put them on the plate.

The incident immediately became the world's hot topic,

And finally, the daughter, was not only forced to resign, give a public apology, and even she was sentenced to one year in prison.

The Fei family's curiosity is not known how many notches higher compared to this,

So this kind of big melon is naturally loved by people around the world.

As a result, the Internet is flooded with all kinds of comments and flirtations.

Some people said, "I think this Adam must be a pervert,"  
"Otherwise it is impossible to go to such a prostitute,"

“This kind of pr0stitute on the country lane, even for ten dollars no one even would look at her!”

“I see the coffin of the old Fei family ancestors, the board can’t even cover it!” “They certainly do not understand how their own family can produce such a heavy mouth offspring!”

## Chapter 4300

Someone else said, "I guess, this Adam should have some special fetish,"

"Maybe people with money like the kind of women who are covered with needle eyes and may even carry HIV;"

There are even more damaging people commented:

"You do not know, the Fei family has invested in a large number of drug research and development teams,"

"And biological laboratories over the years,"

"I estimate that the Fei family may have developed a special drug to treat AIDS,"

"The young master Fei plans to personally infected with AIDS, and then to try the drug!"

On the internet, there were all kinds of sarcastic and burning remarks, And they were in all kinds of languages, simply tuning out the gossiping enthusiasm of the global netizens.

Seeing that the public opinion of the Fei family is getting worse and worse, Adam is also anxious, crying face to Dawson said:

"Dad, you help me think of a way ah, if this matter continues to ferment so," "Not my face is the face of our entire Fei family ah ..... "

The most worrying thing for Adam at this time is that this matter will make him lose his reputation.

If everyone sees him or hears the word, Adam,

He will immediately be associated with his kissing the street girl, Then his future is completely finished, he is like a bad artist,

And his father in the future will never let him succeed as the head of the Fei family.

Therefore, he could only beg his father to think of a way to help him reverse this situation.

Dawson was also very worried at this time.

Not only was he worried about his son's reputation,

He was also worried about the future of the Fei family.

After all, he had just taken the position of the Fei family's head,

And the outside world had been rumored to have usurped power and seized the throne,

Which made the Fei family itself carry a lot of negative impacts,

And now if this matter was allowed to ferment, then the Fei family's reputation would only get worse.

Thinking of this, he could not help but grit his teeth and said offhandedly, "Now this situation,

if you want to save the day, you can only sell misery .....” “Sell misery?!” Fei family members looked at Dawson,  
Many of them have already guessed what he was going to do. Dawson spoke at this time: “We must completely eliminate the negative impact of Adam now,”

“But the Internet spreads things too fast,”

“We simply have no way to make all the platforms around the world to delete the video,”

“In that case, it will only make the public more resentful ..... ” Speaking of which, Dawson’s voice sank and he said coldly:

“So, the only thing we can do now is to hurry up and set up a new persona for Adam!”

The crowd looked puzzled, Adam also asked with some confusion,

“Dad, what persona are you going to give me?” Dawson said, “To give you a great father persona!”

“The reason why you did what you did on the video is not that you were looking for a woman or had any special fetishes,”

“But because your son was kidnapped and you had to go to the danger alone because you were in love with your son!”

“In this way, not only can completely overturn all the negative aspects of the network,”

“But also immediately let you gain a lot of supporters! Let your image in the public’s mind reach a peak!”

Hearing this, Dawson’s second brother, Nelson Fei, couldn’t help but ask, “Big brother, do you mean to publicize the matter of Randal’s kidnapping?!”

“Yes!” Dawson said without hesitation, “That’s right! The situation can only be reversed if all of it is released!”

And we have to strike while the iron is hot,”

“Immediately contact the media reporters, let them come to the home to interview, turn the passive into active!”

Adam hurriedly said, "Dad! Will this not anger the kidnappers?" "In case it angers them, I'm afraid Randal will be in bad luck ....."

"No." Dawson waved his hand and said, "Do you think they will rest until they get the money?"

"They have done so much deliberately, is it not to want money?" "If they kill Randal, then they won't get anything!"

# Chapter 4301

In Dawson's view, it does not matter if you are misunderstood,

As long as you can completely lift the misunderstanding as soon as possible, you can often get better results instead.

If you don't believe, look at the world's love movies,

The main man and woman came up to have a prejudice against each other, After breaking stereotypes, often in order to love with a vengeance.

This is how human nature is.

Therefore, Dawson feels that this is a good opportunity for crisis public relations instead.

As long as they seize this opportunity and give Adam the persona of a great father,

They can not only let Adam turn the tide against the wind, But also bring the Fei family a better mass base.

At this time, his younger brother Nelson spoke up,

“Big brother, it’s a bit deliberate to have reporters come to the house directly,” “Even if the kidnappers are not enraged, the public will think we are deliberately selling out.”

Dawson asked rhetorically, "Then what do you think should be done?"

Nelson hastened to offer advice: "Brother, in my opinion, we might as well use that video method,"

"First through the hands of a third party to release the news of the kidnapping of Randal,"

"Adam goes to save Randal, and then in the dark to push the wave,"

"Let the news ferment, then the media will certainly take the initiative to find us,"

"Then we will be smooth to accept the interview, the truth of the matter completely stays in public."

Dawson nodded repeatedly: "Good idea! This way, it looks more natural!" When Adam heard this, he hurriedly said, "Dad! There were a lot of people watching at the scene,"

"And a few of them took out their cell phones to take video," "They must have captured the whole process of the video," "Especially the process of taking out Randal's ear from the box," "If that video is put on the Internet, this matter will be done!"

Dawson immediately said, "Order down, offer a reward of 100,000 dollars to find the video shooter,"

"And then post these videos on the Internet!"

“Yes!” Adam said, “I’ll go arrange it now!”

After saying that, he remembered something and asked, “Dad, I’ve got that woman under control, should we interrogate her?” “Let it go, there’s no point.” Dawson waved his hand:

“That woman is clearly a pawn, it is impossible to get anything even if she is killed.”

Adam nodded: “Okay dad, I’ll give the order.”

Just as Adam was about to follow what Dawson said,

To look for the passerby who had taken the video at the scene,

His phone suddenly received a text message from an unfamiliar number.

The text message read, "If you want your son to live, within the next 48 hours," "Prepare \$200 billion in crypto digital currency, otherwise, wait to receive a corpse!"

Adam's heart stuttered and said offhandedly,

"Dad ..... These people said ..... They want 200 billion dollars before they will let them go ....."

"How much?!" Dawson's eyebrows wrinkled, cold voice questioned: "Two hundred billion? Are these people out of their minds?!"

"What kind of fcuking kidnappers dare ask for two hundred billion dollars?!"

Adam was also shocked, what is the concept of two hundred billion dollars? According to the current share price, it can buy two large business Groups!

Nelson, who was also dumbfounded, couldn't help but mutter: "This is no fcuking sincerity at all ..... If he asks for a little less," "A billion or two billion dollars, they have some brains," "The moment they ask for 200 billion, this fcuking bargain do not know how to return ....."

Dawson said in a cold voice: "Tell them that as long as they release Randal," "I am willing to pay them two billion dollars worth of cryptocurrency!"

Adam immediately called the other party back, but without exception, the phone number was also turned off.

Dawson said in a cold voice: "These bastards, they don't even give a chance to bargain!"

"Do they really think that they can extort 200 billion dollars by kidnapping someone from the Fei family?"

Adam asked him, "Dad ..... What should we do now? ..... The other side only gave us 48 hours ....."

Dawson said with a gloomy face, "Be calm! Since the other side gave 48 hours, then we do not care about him,"

"These 48 hours, what we have to do on the one hand is to reverse public opinion,"

“On the other hand is to think of every way to find these ninjas!”

“If we can’t, we’ll send someone to Japan and arrest all their relatives,” “And if they dare to kill Randal, I’ll kill their whole family!”

.....

## Chapter 4302

Soon after, the Fei family began their own crisis PR.

They sent a large number of people to search for witnesses near the incident in Brooklyn,

Followed by a promise of \$100,000 in cash to buy the video that captured what happened at the time of the incident.

In addition, the Fei family also promised to use cash transactions for all those who provided video,

Without recording any personal information, so as to make passersby dispel their doubts.

Needless to say, this approach of theirs was very effective.

Soon, the news spread in Brooklyn, those who captured what happened, All ran over to sell the video to the Fei family.

In twenty minutes of time, the Fei family bought eight different perspectives on the incident video.

However, some of them started filming from Adam kissing the prostitute, While others, from Adam finding two ears.

It is the earlier versions that the Fei family wants.

Because they want to take this opportunity to sell their misery in front of the media and the audience.

It's just that the family never dreamed that four  
of these eight passers-by,  
Who sold them the video were members of the  
Cataclysmic Front.

Hogan had predicted that the Fei family would  
definitely find a way to reverse their reputation,

And would definitely use the  
opportunity to sell misery, So this  
is step by step, all within his  
calculation.

The reason why these members of the  
Cataclysmic Front,

Disguised as passers-by in the vicinity to take  
videos,

Is to provide the Fei family with the shields and ammunition needed for defense.

Even, even the one who exposed Adam's passionate k!ss with a pr0stitute,

On the street at the beginning was also someone from the Cataclysmic Front. Dawson never dreamed that the people who attacked them,

As well as the people who provided them with defense support, were actually Charlie's people.

The powerful Fei family, at this moment, is like a rat pressed by Charlie in the maze,

Seemingly running out of every step, but they do not know that how they run, Where they run,

there is a pair of big invisible hands in precise control.

And just as the Fei family was looking for the video, Jesse, who was hiding in the Fei family, also saw the video of Adam kissing the girl standing on the street on the internet.

This made his heart very surprised, according to reason,

Randal disappeared, should Adam not try to find the whereabouts of Randal? How would he have the leisure to go to the streets of Brooklyn,

And is spending twenty dollars a time to kiss the street girl?

Jesse could not figure it out, so he muttered secretly:

“Maybe Randal’s father also has his own more unique alternative fetish .....

Saying that he felt a twitch in his stomach. It was already the latter part of the night, And he hadn’t eaten a hot meal all night. This was also mainly because on weekdays,

His meals were brought over by a maid who specialized in serving Randal. The maid also knew that he was a good friend of the young master,

So she paid extra attention to him, and came every day at mealtime to deliver food,

Give food and clean up, and even two days ago,

She even half-heartedly had s3x with him and served him very comfortably. However, the Fei family suddenly had a change of heart,

As if everyone was busy all of a sudden, the maid also did not appear for a whole night.

Jesse also does not know whether she forgot him or was too busy to care. Just when he was hungry, a footstep came, followed by a knock on the door,

And outside the door, the maid asked softly, "Are you asleep, Young Master Qiao?"

Jesse hurriedly rolled over and got up, quickly opened the door,

Saw that the woman did not bring the huge meal box as she did previously, This time she

just carried a plastic bag, he then hurriedly pulled her into the room,

Asked in a low voice: "What is the situation outside now?" "Is there any news from Young Master Fei?"

The maid explained with some apprehension, "Young Master Randal has not yet been found,"

"The young master just went to Brooklyn and brought back two human ears  
....."

"It is said ..... It is said to be Young Master Randal's ....."

## Chapter 4303

Jesse suddenly widened his eyes and asked in horror, "What did you say?!"

He really didn't expect that in this world, someone would dare to cut Randal's ear.

This kind of thing, cutting off the ear, may not appear once in a lifetime among big families.

Because this method is really a bit too rough, no matter which big family, Once a family member has his ear cut, his family will definitely fight with the other party at all costs.

He couldn't help but mutter in his heart:

“If it was really those ninjas who did it, they certainly wouldn’t have had the guts to do it .....

“After all, the strength of the Fei family is too obvious for them,” “Though the United States and Japan are separated by 10,000 miles,” “But once the Fei family really seeks the death,”

“The entire Iga ninja comes together, they are not enough for the Fei family.” Thinking about this, he couldn’t help but think:

“Could it be that the real culprits behind the scenes are not those ninjas?” “But if not those ninjas, who else could it be?”

“The young master of the Fei family is not even in the eyes,”

“So I’m afraid the strength of this mysterious person is elusive .....

Jesse’s eyes suddenly glazed over, subconsciously asking himself in his mind:

“Could it be the murderer of Alan?

At this moment, Jesse’s scared body trembled violently,

The whole person also showed a moment of tension with some trance. He knew very well that if the person behind the kidnapping of Randal, Was really the mysterious person who killed his brother Alan,

And made the entire Italian gang vanish into thin air,

Then his next target would definitely be himself .....

The maid on the side saw Jesse's face full of panic, as his body was trembling uncontrol  
lably,

She hurriedly asked: "Young Master Qiao .....  
You ..... What happened to  
you  
?"

Jesse came back to his senses, and quickly waved his hands and said,

"Nothing nothing ..... I just ..... I  
didn't expect ....."

"I didn't expect someone to dare to do this  
to Young Master Fei ....."

“Yes .....

The maid also couldn't help but sigh,  
“I heard that the master is  
going  
crazy .....

Jesse hurriedly asked, “What else  
have you heard?” The maid  
thought for a moment: “The rest  
seems to be nothing .....

“I heard that after the young master was  
kidnapped, the housekeeper let us all  
go to serve the ladies of the family,”

“Afraid that who can not stand the  
stimulation of something happened,” “The  
great grandmother saw the ears of young  
master Randal, she got  
stunned on the spot,”

“I have been following the waiter, just someone got the shift, I rushed to bring you food.”

Said, she hurriedly handed the plastic bag in her hand to Jesse,

A bit shy, and somewhat ashamed said, “Sorry young master Qiao, the situation is urgent,”

“I had no time to go to the kitchen to cook for you, so I brought some convenient food over .....

Jesse smiled slightly, nodded, and said, “Thank you .....

The maid said shyly, "Young Master Qiao, you don't have to be polite with me ....."

"Anyway ..... I'm already your person anyway ....."

Jesse nodded, deliberately pretended to be stupid, and smiled, but in his heart, he was cursing:

"Damn, goods that can not be on stage, and still fcuking want to pretend to be pure and close, what the h3ll."

However, he did not have any abnormality on the surface,

Instead, he said very gently: "Edna, keep an eye on it for me," "If there is anything found there, remember to tell me first."

With that, he took off his Richard Miller watch worth more than three million dollars and handed it to the maid,

Saying seriously, "Edna, I came to New York in a hurry and have nothing to give you,"

"So take this watch as a small gift from me."

The maid had been working in the Fei family for five years,

And although she didn't have much money, she was definitely knowledgeable. She knew that Richard Miller was a very expensive watch brand,

And a basic watch would cost several hundred thousand dollars to start with,

And the piece Jesse was wearing was a limited edition, priced at least two or three million dollars.

Seeing that Jesse was going to give this watch to her,

She was surprised and delighted and wanted to reach out to receive it, But then said with a nervous face: "Young Master Qiao ..... This ....." "This is too expensive ..... I can't accept it ....."

Jesse said very seriously, "Edna, you just said, you are now my person," "I do not give gifts to my own woman, how can I be not stingy?"

## Chapter 4304

Once the maid heard this, her heart was instantly sweet to the core and she said happily,

“Then ..... Then, thank you young master Qiao .....” Jesse laughed: “No need to be so polite with me.”

Saying that, he added: “When this matter is over and young master Fei comes back safely,”

“I will tell him that from now on you should stop working in the Fei family and are coming to Seattle with me.”

The maid was surprised and asked, “Young Master Qiao ..... Are you serious?!” “Of course!” Jesse touched her face and said tenderly,

“You are the woman I like, I can’t let the woman I like, work as a maid in someone else’s house,”

“You are destined to be the daughter-in-law, let others serve you and take care of you,”

“How can I let you take care of others?”

These words of love from Jesse, the domineering president,

Made the maid immediately fall deep into it, and her whole being seemed to fall into the sea of Mary Sue.

She felt like she was the happiest Cinderella in the world, finally waiting for her

Prince Charming. The dream of a luxurious family, which had been cultivated in various TV dramas

And literature since childhood was instantly and infinitely activated by Jesse, Making her whole person incomparably excited.

So she choked up, while sobbing, said: "Qiao ..... Young Master Qiao ....." "You ..... Do you really not mind me?"

"I do not mind! Of course, I don't mind!"

Jesse took her hand and stroked it while smiling,

"Don't think too much now, wait for Young Master Fei to come back without worrying,"

“I will mention it to him then, and I believe he will definitely not refuse.” “Okay .....

The maid nodded her head like a garlic,  
Her heart was already excited to the point of no additional.

At this time, Jesse seems to suddenly remember something, and hurriedly spoke:

“Right Edna, I am really worried about young master Fei,”

“If something happens to him, I am afraid it will also affect the happiness of the two of us,”

“So during this period of time, if you have the opportunity to approach the Fei family,”

“You must be sure to help me pay attention to whether they have mentioned the ninja,”

“If so, and if there is a good opportunity,”

“You have to use your intelligence to create opportunities, understand?”

In addition to the mysterious person who killed his brother, he is most worried about is the ninja.

If this matter is really done by ninjas, he will really be finished.

Because those ninjas are hired by him, once the Fei family investigates this layer,

They can't even jump into the yellow river.

The reason why he hired those ninjas was to help their grandson kidnap a popular actress,

So that he could fulfill the sadistic desire to kill an actress?

If he really says that, Dawson, believe it or not, will directly kill him!

The maid's brain was already imagining her grand wedding with Jesse,

And when she heard Jesse say that, she realized that her lifelong happiness now rested on Randal alone,

So she said without thinking: "Young Master Qiao, don't worry, I'll definitely keep an eye on it!"

Jesse nodded in satisfaction and added, "Remember, you must not tell anyone about what I told you, including your closest people."

The maid couldn't help but ask, "Young Master Qiao, can I tell my parents about the two of us?"

"They have always been concerned about my lifelong matter,"

"And if they know that I am with you, they will be very relieved ....."

“Never!” Jesse, hurriedly said, “Once this matter is spread out in advance, it will definitely be known by others!”

Said, he also hurriedly comforted: “Edna, you must remember, I want to take you to Seattle,”

“I want you to live with me, but you know, you are now with the identity of the maid,”

“If the word gets out, we both will be under great pressure;”

“So, my plan is to ask Young Master Fei to help me when the time comes,”

“So that he can erase all your history and file of having worked as a servant in

the Fei family,"

"And then I will give you a new identity, and then get you a degree from a famous university,"

"And package you as a lady from a bookish family!"

"This way, in the future, if you follow me in and out of high society," "No one will look at you with tinted glasses!"

"However, if this matter is leaked in advance when the time comes," "In case others expose your identity of having been a servant,"

"I am afraid that my parents will not agree to the two of us, and you will also face great pressure."

“So, before young master Fei returns safely,”

“This matter must be kept secret, and must not let anyone other than you and me know about it, do you understand?”

## Chapter 4305

The maid, at this point, had long been lame by Jesse's series of flowery words.

Hearing Jesse say that he would also package a brand new identity background for her,

This instantly poked at the sensitive place in her heart that had always been humble and fragile.

This made her heart simply grateful to him,

Feeling that this person is the angel who will take her out from the abyss into heaven.

So, she did not have the slightest doubt about what Jesse said. With gratitude, she agreed to do so.

Now Jesse was temporarily relieved.

He knew that he was in an awkward position, and staying in the Fei family was only temporarily safe,

But it was still a crisis, so he had to prepare in advance.

So, he put his arm around the maid and continued to compel her,

“One more thing Edna, if you hear my name mentioned in the Fei family,” “You must tell me first, and later you leave my cell phone number.”

The maid had been completely brainwashed by him at this point. Without hesitation, she nodded her head and said firmly, "Don't worry, Young Master Qiao, I will definitely keep a good eye on it."

"Good ....." Jesse nodded his head. Exchanged cell phone numbers with the maid,

Then instructed, "Then hurry over and see if you can find out anything."

The maid said shyly: "Young Master Qiao ..... people ..... people just handed over their shifts,"

“There is nothing going on at the moment .....  
or... ..how about I stay with you for a while,  
okay?”

Jesse is like a human being and can see what this  
maid means.

However, now how can he still has that leisure  
heart to think about those men  
and women’s affairs.

So he suppressed his impatience and said,

“It’s urgent, let’s get down to business first,”

“In case there’s anything wrong with this, we may  
not have a chance to get  
together.”

Once the maid heard this, her heart shook and she nodded:

“Okay, Young Master Qiao, then I’ll go over there and see if there’s anything I can do to help!”

Jesse nodded in satisfaction and said,

“Go quickly, don’t forget to tell me first when you have news!” “Okay .....” the maid promised. Only then did she leave Jesse’s room with reluctance.

After she left, Jesse cursed this woman for not having any self-awareness, And at the same time, he felt pain for his limited edition Richard Mille watch. Do not look at the Qiao family is already worth hundreds of billions.

In order to earn this money, he does not know how many young women he had to kill.

So, how could he be willing to waste a watch of several million dollars on such a woman.

However. He quickly thought of an idea, can't help but think:

"If this matter can pass peacefully, then before I leave the Fei family." "I simply will trick her out, let people take her away,"

"After taking the watch back then sell her, with her beauty, although not good for auction."

"But can sell her for a hundred thousand dollars very easily to those lowly gangs who would be able to earn this money back!"

Thinking of this, his heart finally felt a lot better.

Now he thinks, this piece of watch is not going to get away.

At the same time, several videos suddenly caught fire on the Internet.

Different from the previous ones.

These videos, captured the follow-up of Adam kissing a prostitute passionately.

When people saw him get two human ears from the prostitute's hand, everyone thought they were blinded.

And when they saw Adam holding the two human ears, bawling and crying,

And calling out his son Randal's name under his breath, everyone was stunned and dumbfounded!

Just then, a number of hidden forces in the comments began to guide public opinion.

# Chapter

## 4306

They took the identity of those who were in the know.

Telling all netizens that Adam was not really looking for a woman on the street,

But the real reason is that his beloved son Randal was kidnapped!

The bandits brutally cut off his son's two ears and gave them to this pr0stitute. And Adam's passionate k!ss with the pr0stitute was just a prank of the bandits. As for Adam, he not only has to bear the pain of his son being kidnapped and

hu

rt,

But even have to bear the unknown netizens those crazy like internet violence. At this moment, people realized. It turns out that they had completely misunderstood Adam before!

Before, the video of him kissing a prostitute on the street made... Countless people's senses extremely disgusted with him, And the Internet was clear of accusations and abuse against him. But now, everyone realizes.

It turns out that Adam is a great father who deserves everyone's respect and admiration.

Every person who had scolded him felt incomparable remorse and guilt in their hearts for their previous remarks.

In an instant, countless people began to support solidarity with Adam,

And even many people in the comments area apologized for their previous wrong statements,

The tone of voice and attitude are extremely sincere!

The Fei family's previous public opinion crisis was instantly resolved,

Not only eliminating all the negative effects.

It even allowed the Fei family to gain a large number of people's support.

Seeing the overwhelming apologies, sympathy, and praise on the internet,

Adam's mood instantly got a lot better and he couldn't help but say to Dawson full of excitement,

"Dad, your solution is really wonderful, it's simply saving the day and fighting back in the end ....."

Dawson saw that the situation was completely controlled by himself easily. Finally relieved at the same time, but also can not help but feel some complacency.

He stroked his beard and spoke: "Now we have two most important things at hand."

"One is to find out the true identity of the Japanese ninja as soon as possible," "The other, is to strike while the iron is hot."

"Maximize the role of the media, the interview should be interviewed, it is not possible to hold a press conference."

Second brother Nelson hurriedly said,

"Big brother, the people who are meant to be sent to Japan are already ready," "And will immediately rush to the airport, and will arrive in Japan in thirteen hours."

Dawson frowned and smacked his lips, "Tsk ..... speed is still too slow ah ....." "No way." Nelson said helplessly, "We started late and did not grab a Concord when it was available,"

“Currently there is no supersonic airliner available on the market.”

Dawson opened his mouth and said, “Find out which families bought them at that time,”

“And find a way to buy one back regardless of cost, it will definitely be used in the future.”

“Okay!” Nelson nodded and said,

“I will have someone investigate the Concorde registered worldwide today and try to buy one.”

At this time, the butler of the Fei family walked in and said to Dawson,

“Master, the CEOs of CNN and the New York Times called and wanted to do an interview with the youngest master,”

“I don’t know if it’s convenient for you, what do you think?”

“Good thing!” Dawson said without thinking, “Let them come over,”

“It’s just that Adam can also send a message to the kidnappers in front of the media,”

“That the Fei family is ready to take two billion dollars for the ransom,” “As soon as they have considered it, they will contact you.”

Adam hurriedly nodded his head and said, “Okay dad, I know!”

At midnight, a team of reporters from CNN and the New York Times arrived at the Fei family estate.

Overnight to conduct an interview with Adam.

In the interview, Adam detailed the whole story, followed by media praise of his son Randal.

## Chapter 4307

Adam said with emotion: "Randal is not very old, but has been very mature and low-key."

"And he is honest, modest and kind, and is considered a very outstanding young talent."

"You may not know that Randal was hosting a charity dinner initiated,"

"And organized by himself a second before he was kidnapped, and because of his low profile,"

"This charity dinner, he did not open it to the outside world, and to our surprise,"

“It was this charity dinner that gave the kidnappers the opportunity to take advantage of it,”

“And just a few minutes before he was ready to go on stage to give a speech, he was kidnapped.”

The reporter couldn't resist asking, “Excuse me. What was the charity dinner that your son initiated about?”

“It's about rescuing orphans.”

Adam explained, “Randal is not very old and has always been concerned about the growth and education of orphans,”

“So he put out tens of millions of dollars.”

“And in cooperation with the New York Chinese Chamber of Commerce,” “He intended to set up a charity foundation to specifically aid orphans.”

When the reporters heard that Randal was ready to put out tens of millions of dollars for charity,

One by one, they also admired him.

At this time, Adam pleaded very emotionally in the interview,

“If the people who kidnapped Randal, can see this interview,”

"I, as a father, beg you not to continue to hurt him, your asking of \$200 billion ransom is indeed too unrealistic,"

"But the Fei family is willing to put out \$2 billion ransom," "Only to ask you to let him come home safely,"

"He is still young, the future is still a long way,"

"Let him come home, he still has to do a lot for this society!"

This interview, which was quickly sent by two media outlets overnight to TV media as well as online platforms,

Instantly ignited the entire public opinion.

When everyone saw Adam's choked and painful statement in the interview,

Everyone sympathized with this middle-aged man,

And when they heard that Randal is such an outstanding young talent, Their sympathy for Randal immediately flooded up.

The netizens spontaneously started a solidarity campaign for Randal on the Internet,

And more than hundreds of thousands of enthusiastic netizens even went to the White House to petition.

The White House was asked to step in and rescue Randal. This instantly stirred up the matter to the sky.

In the New York Police Department, Duncan was worried after reading the media reports.

Now. The whole world knows that Randal was kidnapped in New York and had his two ears cut off,

But the delay in finding the kidnappers has increased the pressure on the entire NYPD.

Duncan, as a well-known police detective, is even more anxious as ants on a hot pot.

Unfortunately. The scene really did not leave any valuable clues,

So far, all the police officers poured out to find the latter part of the night, But they could not find where the junk car went.

The car can not be found. Trying to find people will be even more difficult. When he was at a loss, a phone call came.

When he saw the words on the phone screen, he hesitated for a moment, But picked up the phone and said with a sarcastic smile,

“What, you just saw the media report and you can’t help but come to troll me?”

On the phone, a man said with a smile, “If you, a sleuth, accidentally fell on your face.”

“I will definitely be the first to troll you,”

“But you are now on the edge of the cliff, how can you fall on the well at this time?”

The person who spoke was the first uncle, Marshal An,

Who was instructed and expelled from Rejuvenation Pill auction the other day.

## Chapter 4308

At this moment, Marshal added: "You should still be at the police station now, right?"

"In." Duncan laughed at himself, "After such a big incident,"

"I'm afraid I'll have to live in the police station for the next few days."

Marshal smiled faintly said: "It seems I guessed right, I'm downstairs now, if it's convenient for you, I'll come up now."

Duncan's expression was surprised. He wanted to ask something, But held back and busily said, "I'll have someone pick you up!" "Okay."

Soon, Marshal, who was wearing a duck-tongue cap and a black mask on his face. Led by a police officer, came up.

He carried two kraft paper shopping bags and came directly to Duncan's office.

As soon as Duncan saw him, he was surprised and asked,

"Marshal An, why did you come to New York?"

"Didn't we hear that you went to China some time ago?"

"Yes." Marshal nodded and laughed bitterly, "I went to China," "But I ran

into a lot of dust, so I came back in disgrace."

Duncan asked curiously, "What happened? There are still people who can make you meet the wall?"

"Don't mention it." Marshal said helplessly:

"This matter ..... is really a child without a mother, it's a long story."

After that, he put two kraft paper bags on the table, and asked,

"You are now considered off duty, right? I brought some food from Chinatown,"

“And a bottle of your favorite Xifeng wine, if you can drink, let’s have a few drinks.”

Duncan laughed and said, “I’m already fcuking off duty.”

“I don’t dare to go home because I’m afraid that the melon goon media will block me.”

Saying that, he hurriedly took out the bottle of Xifeng wine from the bag, exclaiming,

“Holy 5hit, this wine must have been stored for decades, right?”

Marshal nodded: “It’s said to be from the early days of the founding of the country.”

Duncan sighed: "If my old man were still alive, he would be overjoyed to see this wine!"

Duncan's ancestors were from the northwest and during the Republic of China,

He was already a very famous and wealthy businessman in the northwest, And later, when World War II started, the family fled to the United States from the country.

After many hardships, they put down roots in the United States. And Duncan and Marshal are of similar age, both in the fifties, They are also born and raised in the United States,

Although not grown up in the Northwest, but because of the influence of their fathers,

Many habits are consistent with the Northwest people.

Duncan's grandfather and father, all love Xifeng wine, to his generation is also the same.

Marshal at this time from the kraft paper bag, took out some packaged cold dishes,

There are pork head and other marinated items, also some crisp cold vegetables, peanuts, and other things.

He opened the things one by one and set them up while sighing:

“Oh, that particularly good Cantonese style roast goose in Chinatown is not open today.”

“Otherwise, I would have bought an extra roast goose to eat.”

Duncan said, “What’s so good about that stuff, it’s sweet and cloying, might as well just bake it and eat it.”

Marshal laughed: “That Cantonese style, roast on the blast furnace and then slice into meat for you to eat like rolled cake, does it not become a normal roast duck?”

Saying that Marshal handed him a pair of chopsticks,

And Duncan found two disposable water cups. Two glasses of wine were poured.

Duncan picked up the cups and said impatiently, "Come on, let's go for one!"

Marshal nodded, and the two paper cups symbolically clinked. Then each took a sip.

Then, Marshal put down his cup and asked: "You and I have been brothers for many years,"

"Is there anything that I need to help you with at the moment?"

"Although the An family's focus has shifted to the West Coast in the past few years."

"But New York is after all our old base,"

"There are still a lot of people here, I should be able to help you a bit" Duncan smiled and spoke: "Thank you for your kind words, but I feel that the matter at hand,"

“Not a lot of people can solve, the clues all of a sudden broken too completely,”

“As if a knife in the void directly cut off,”

“It looks like there is a very large and professional team behind the control,”

“If I can not find the breakthrough point of this team, then the case may never be solved.”

Marshal nodded and sighed, “I really didn’t expect that someone could kidnap the Fei family in New York and still leave,”

“You, a Chinese detective, at a loss, could it be that some big shot came from New York?”

## Chapter 4309

Hearing Marshal's judgment, Duncan smiled wryly:

"I think the same as you, in New York, there are not many people who can move the Fei family."

"When Routhschild and you settle down, at most four or five families have this ability,"

"But this time, the way these people play is not the same as any of yours." "Indeed," Marshal said in agreement:

"This kind of gameplay is not something that a few big families can do. It's very wild and large scale."

“You think so too?” Duncan sighed: “I once thought that it might be a new Gang,”

“Generally new gangs have to do some earth-shattering things if they want to be successful,”

“But if you think about it carefully, it seems that something is not right.”

“If any gang plays like this, it is basically a dead end. No gang can follow the Fei family.”

Marshal said in agreement: “And I can be sure that these people are not doing it for money,”

“If it is for money, they will not demand such exaggerated conditions as a ransom of 200 billion US dollars,”

“Which is basically equivalent to the It is as unrealistic.”

Duncan nodded: “It’s not for money, it’s even more bizarre.”

After speaking, he asked Marshal, “Marshal, have you watched those few videos that are hot on the Internet?”

Marshal nodded: “I saw it all.”

Duncan frowned: “I don’t know why, I feel that there is a bit of evil in it!” “It’s so evil! The two videos are one after the other.”

“On the surface, they first suppressed the Fei family from public opinion,”

“But in the end, the Fei family seized the opportunity to win back some zone  
.....”

“But in fact, it gives me the feeling that someone is deliberately manipulating all of this,”

“Just to give the Fei family such a chance to move forward...”

Marshal said: “I called you just to remind you of this, and I also think this is very strange!”

“From the video, it seems that the other party is just playing vulgarly and intimidating Adam,”

“And the tactics are also very strange. It was rough, but everything that happened later gave me a feeling,”

“As if this matter was not as rough as it looked on the surface!” “Not only was it not rough, but it was accurate to the extreme!”

“It was so accurate that he could predict Fei’s family move in advance.”

“Every step of the way, deliberately using this method to lure the Fei family to the public.”

Duncan patted his thigh and blurted out: “Yes! That’s it!”

“They are fishing! They want to catch the entire Fei family from the deep sea,” “Let them take the initiative to expose themselves to the attention of the world...”

After speaking, he quickly asked: “Marshal, what do you think he wants to do?!”

Marshal smacked his lips: “If they didn’t cut Randal’s ears,”

“I might think that all this is a good play directed and acted by the Fei family,” “So that the Fei family’s prestige can be rapidly increased,”

“And at the same time, Randal’s reputation can be spread far and wide.” “Randal has laid an extraordinary foundation.”

“Think about it, when everyone in the world is looking forward to Randal’s safe return,”

“They will come up with a successful rescue scene, which will make Randal cry for thousands of times.”

“Once he comes out, and the whole world will celebrate and cheer for the perfect ending.”

“Randal will have a bright future in this way.” Duncan said, “But, they did cut off

Randal's ears!" "The technology has maximized the picture quality of those videos," "Enlarged the image of the pair of ears in the video,"

"And compared with Randal's previous physical features, it is indeed his ears, there is no doubt about it!"

"Yes." Marshal said solemnly: "It is this point that makes me deny this assumption."

"The Fei family is definitely not the manipulator behind the scenes."

"The real manipulator is premeditated to draw the Fei family into the spotlight little by little."

## Chapter 4310

Duncan asked: "Let the snake out of the hole, and in front of the world, what is this for?"

Marshal said slowly: "Since the assumption just now does not hold..." "Then the other party's motive is only left. There is another possibility."

Duncan said: "You mean that the goal of this group of people is not Randal, but the entire Fei family?!"

"That's right!" Marshal said excitedly: "We can really think of going together!" Duncan sighed: "But I still don't quite understand why the Fei family is attracted to the spotlight,"

"Do they want to be in front of the whole family?"

“From the world’s side, attack the Fei family?! That would be too arrogant, the whole world will not forgive them,”

“And by then, they will definitely become public enemies of the whole people!”

“Unless...unless they have absolute certainty that they can completely reverse the current situation!”

Speaking, Marshal’s rare expression became a little frightened, And he blurted out: “I see! This must be a public execution.”

Public execution...” Duncan muttered and repeated, his eyes suddenly lit up, and he blurted out:

“I understand! If we follow your inference, that mysterious person must have mastered the huge scandal of the Fei family.”

“Even once this scandal is exposed, the entire Fei family will probably suffer a devastating blow!”

“And they deliberately used this method to attract the Fei family to the spotlight of the world,”

“Just to make the Fei family doomed!”

Marshal nodded, and said solemnly:  
“That’s right! I guess that’s what happened!”

Duncan said with a horrified expression:

“Then this is really a public execution... It is first suppressed, then raised, and then slammed down... ..”

Speaking of which, Duncan tapped the table repeatedly and muttered,

“What is it, to have such great ability... Could it be...”

“Could it be that the old man of the Fei family has come back to seize power?!”

Just as Marshal was about to speak, Duncan quickly shook his head again:

“No! Even if the old man Fei comes back, he would not be able to attack his

great-grandson,"

"And since the old man of the Fei family has been completely overridden," "It is impossible to have another one. Mysterious power..."

Marshal couldn't help laughing when he saw his friend was puzzled: "It seems that you, the best detective, also have troubles at times."

Duncan smiled bitterly: "The main thing is that there is indeed a problem."

"Contrary to common sense, if the other party is really so strong,"

"We can't have heard of it, how can someone in today's society accumulate such a powerful force quietly?"

Marshal smiled bitterly and said, "Many things... are indeed contrary to common sense."

"In other words, we are actually ignorant..."

He looked at Duncan as he spoke and asked: "Do you believe it or not, there is a medicine in this world,"

"The size of a quail egg, but it can't be bought for 300 billion US dollars?" Duncan was dumbfounded and blurted out: "What did you say?! \$300 billion for a pill?! Are you sure?"

Marshal nodded firmly: "Yes! You heard right, it is three hundred billion!"

Duncan frowned and said, "Could it be a target that can cure cancer?"

"Sell 300 billion together with the patent? Even then that's too expensive..." Marshal laughed: "Also the patent...you think it's beautiful!"

"It cost 300 billion US dollars to make a pill, just to buy that pill,"

"Not only do they not give you the formula, but they not even allow you to take it with you."

"If you buy it on the spot, you must eat it on the spot." "Fcuk..." Duncan uttered foul language and curled his lips: "Fcuking crazy, you dare to sell it for 300 billion US dollars?"

"It's even crueller than these kidnappers! Which idiot would buy it at such an expensive price?"

Duncan blurted out a sentence, making Marshal's face darken.

However, he calmly picked up the wine glass and took a sip before smacking his lips and said lightly,

"The fool you said is me."

## Chapter 4311

Duncan looked at him in a stunned manner, and blurted out, "Grass! What's the situation? Are you being deceived by people?" "No." Marshal waved his hand and laughed at himself:

"You are still being deceived, I offered a fcking price of \$370 billion." "And I wish I could kneel down on the spot,"

"But they didn't sell it to me, and they kicked me out of the auction venue."

Duncan felt that his three views had been subverted, and subconsciously asked:

"What kind of medicine... ..can you spend 370 billion US dollars?"

“What is the concept of 300 billion... Alibaba’s market value today is only 292.8 billion US dollars,”

“That is to say, if you put the whole Alibaba into it, you can’t get one fcuking medicine?!”

Marshal said very seriously: “I can’t change it, if I could,” “I would have changed it a long time ago.”

After that, Marshal looked at Duncan and asked curiously.

“You are a policeman, why are you so obsessed with stocks? How about investing in stocks?”

Duncan sneered and shook his hands: “Don’t fcuking mention it,”

"I have some savings on hand, I bought all the stocks of this company," "And up to now, I have lost more than half of it."

Marshal scolded: "Fck, tell me about the stock market, I will give you some news,"

"Whether you are short or long, you are guaranteed to earn several times the profit!"

Duncan earnestly Said: "You know my situation, I don't have much money," "And I have nowhere to go if I have a lot of righteousness."

"Besides, I am a federal police officer. If I still rely on inside information to invest in stocks,"

"Then I know the law and break the law, and the FBI will investigate me." "Yes." Marshal shook his head and sighed: "I told you a long

time ago," "Don't be a police officer, it doesn't make sense, you just don't listen." Duncan waved his hand: "Don't talk about me, let's talk about you."

"What kind of medicine, what kind of medicine is it, can it be worth 300 billion dollars?"

Marshal said with a somewhat fascinated expression:

"That's a magical medicine that can cure all diseases of the body," "Make dead trees bloom, and turn back time by twenty years..." Duncan frowned: "Which is such a wonderful imagination, have you watched a lot of movies?"

Marshal smiled and said, "You haven't seen it with your own eyes,"

"So no matter what I say, you won't believe it, but when you see its effect with your own eyes,"

"You'll be on the ground like me."

With that said, Marshal recounted to Duncan what he saw at the Rejuvenation Pill auction that day.

Duncan was dumbfounded after hearing this, and blurted out:

"It's fcking incredible... There is such a magical thing in this world," "So magical that I can't think of any scientific basis for it."

"I feel like I studied here. So many years and so many books all have been read in vain."

Marshal smiled: "So I said just now that many things we think are unlikely," "Maybe it's not the problem itself, but we don't know enough."

Duncan sighed and said: "If there is such a medicine, my father may be able to live a few more years,"

"But it is useless, I can't afford this medicine."

After speaking, he remembered something, looked at Marshal, and asked :

"Why do you want to buy this thing? Who is it for?"

Marshal sighed softly: "I bought it for the old man, his Alzheimer's symptoms are getting worse now."

“Alzheimer’s disease?” Duncan blurted out: “It’s Alzheimer’s, for real?! When did Uncle An get this disease?”

Marshal said with emotion: “He has been ill for more than two years,” “And at first I found that he always forgets easily.”

„Sometimes when he just puts things down, he can’t remember where he put them in a blink of an eye;”

“What he just said, he forgets in a blink of an eye, and then says it again; He asks again...”

“At that time, we had already let the best experts intervene,”

“And also took him to do some systematic training to fight the disease,” “But the cause

of this disease is the functional decline of the brain,"

"So there is no effective medical treatment. After that, his condition continued to deteriorate."

## Chapter 4312

Speaking of this, Marshal said with a wry smile:  
"To tell you, this disease is  
fcuking weird."

"As long as I remember, the old man's  
condition developed to the point, "That for  
the last four or five years, he is completely  
blank."

"My son had given birth to a great-grandson, but  
he always felt that my son is  
not married,"

"And every time he saw him, he urged him  
to hurry up to get married," "And then the  
condition continued to deteriorate."

"He can't remember anything from the past ten  
years."

"He doesn't know my son, because, in his memory, my son is in the state of the young man ten years ago..."

Duncan listened and couldn't help but sighed:  
"Uncle An is a hero among Chinese emigrants all over the world."

"He has been tough and strong all his life. For him to have this kind of disease, it is really great torture..."

Marshal covered his face and took a deep breath. He breathed, and then said with some red eyes:

"His condition has been deteriorating, his memory has degenerated from three to five years to ten years,"

“And half a year ago to almost twenty years ago...” Marshal was silent for a while. When he got up, tears could not help but well up in his eyes.

Duncan’s eyes widened and he blurted out:

“Marshal, your sister’s affair... It was almost twenty years ago...” “Yes...”

Marshal lamented: “His memory is stuck in that time now.”

“The time when my sister just passed away was the most painful stage in his life.”

“At that time, he regretted and blamed himself every day and washed his face with tears.”

“When his memory got stuck here, he woke up every day and just holding the photo of my sister,”

"He secretly wept, and kept saying that he killed her, and the whole person's condition became very bad."

Duncan hurriedly asked: "Was it all right in the past?"

"I mean When his memory continues to degenerate for a period of time," "To the stage where he and your sister were in a cold war before your sister had an accident, wouldn't it be better for him?"

Marshal nodded and said:

"I thought so too before, but I never thought that he has not experienced memory loss in the past six months..."

“Maybe this period of time was too hard for him, so his memory is stuck here and can’t go through...” Duncan was stunned for a moment, and then he muttered:

“Memory stuck at the most painful stage of life... this... this is too fcuking cruel...”

“Yes Ah...” Marshal said with red eyes, “It’s so fcuking cruel...” “So for the past six months, basically every day he wakes up,”

“He has to experience the pain of just losing his beloved daughter...”

After speaking, he hammered his own heart, he gritted his teeth and said,

"As a child, seeing my own father live in that kind of extreme pain every day, my heart... it's not in its place..."

Duncan's nose was also a little sore. He couldn't help rubbing it, and asked, "What did the doctor say? Is there any good way? Let's not talk about treatment, even if he gets worse..."

Marshal shook his head and said in a sullen voice: "There is nothing the doctor can do,"

"This kind of disease, whether it is good or bad, will not be disturbed by external forces,"

"In the final analysis, this is the old man's own inner demon," "And he has not really let go of it for so many years."

Speaking of this, Marshal took a sip of wine and said to Duncan:

“So you can understand why I am an idiot,”

“Why am I willing to spend more than 300 billion US dollars to buy that rejuvenation pill...”

“With it, the old man’s condition can be relieved...”

Duncan did not speak, he filled the wine glass by himself and then drank it in one gulp.

Then he said guiltily: “I’m sorry Marshal, my broken mouth is so fcuking stinky, don’t mind what I said.”

Marshal waved his hand and smiled.

“I’ve known you for so many fcuking years, how can I still know what kind of temper you have?”

Duncan nodded and asked him, “Then what are your plans next?”

Marshal said, “Came back to relax, after a while. I have to go to China again to see if I can find the owner of the rejuvenation pill,”

“No matter what, I have to ask him for a rejuvenation pill at any cost...”

Speaking of this, he let out a long sigh, looked at the almost bottomed wine bottle,

and said in a hollow voice: “Even if the old man made all kinds of mistakes back then,

Adding all the cruelty he has suffered in the past six months together can be regarded as a debt payment. It's over..."

## Chapter 4313

Marshal's words, made Duncan silent for a long time. About his sister's matter, he only heard a little,

Out of professional sensitivity, he once also wanted to find out what the hidden agenda behind that matter was,

But that matter's knowledge is very little, and not as deep, he did not find anything meaningful.

However, thinking about it, he could not help but sigh:

"Marshal, your sister's matter ..... really is a pity  
....."

“If she was still alive, the world of the rich, I am afraid it would have had a different picture.”

Marshal nodded gently.

As the younger brother with the smallest age gap with her,

He understands best what kind of strength his sister actually had. It can be said that what the An family can have today,

The ancestors of the An family account for half of the credit,

His deceased sister alone accounted for the rest of the half of the credit. Thinking about this, he could not help but sigh:

"My sister's life was strong, never give up on what she decided,"

"The old man was also very doting on her, if she did not insist on marrying far away,"

"The old man would not have been so cold war with her for many years," "If my sister did not marry Changying, so many things would not have happened later."

Speaking, Marshal can not help but wave his hand, a light sigh:

"Hey, now saying this, can only be a sigh of relief." "Changying ....."  
Duncan muttered under his breath and said,

"I don't have any impression of him, I should have never met him till the end."

Marshal nodded and said, "It's normal that you haven't seen him,"

"The old man has always despised him, and he rarely came to the An family." Duncan said, "Let me ask one more question,"

"Why did the old man have such a big prejudice against your brother-in-law?"

Marshal shrugged his shoulders, said helplessly: "In fact, my brother-in-law's family,"

"In the domestic ranking is also very high, and even has one of the first two positions,"

"But with the An family than, was much worse, especially when the two of them fell in love,"

“It happened to be the stage of the great rise of Silicon Valley,”

“My sister was in Silicon Valley to make that series of investments,” “It was beginning of taking the crazy profits,”

“So the old man always felt that my brother-in-law get close to the An family,”

“Deliberately got close to my sister for the money and favors,”

“These preconceptions about him, not to mention that my brother-in-law was thinking of taking my sister to China,”

“The old man was most concerned about my sister, once heard to be taken to

the other side of the world, how could he agree?"

The old lady has been doing the work of the old man,"

"And she thought it would be good to let my brother-in-law stay in the United States,"

"And after they got married, they lived and developed in the United States," "And the old man later relented, meaning that as long as my brother-in-law stayed,"

"He would no longer oppose their marriage... .."

Duncan exclaimed: "The old man's meaning, was it to let your brother-in-law come there as a son-in-law?"

"It's not really a son-in-law," Marshal explained,

"The old man only meant for the two of them to stay in the U.S.,"

"And the old man didn't say that they should give birth to a child with the surname An," "So this should not be considered a son-in-law, right?"

Duncan shook his head: "Not bad, you have to know, people are not phoenix men,"

"Poor boys, they are also famous, just not as rich as the An family," "How can they accept the condition of staying in the woman's family to develop?"

## Chapter 4314

Marshal nodded: "It is also the same reason, but the old man himself felt that this was already a big concession,"

"The other side should not have any objections at this time,"

"But my brother-in-law also felt that this was a matter of principle and could not be compromised,"

"So the two sides had not been able to resolve the differences."

Duncan nodded slightly, silent for a moment, opened his mouth, and asked:

"Hey yes, I remember your sister had a son,"

"Once she brought the child back to see the old lady, I also met him, how is the child now?"

Marshal slightly stunned, then sighed, with melancholy, he said: "After my sister and brother-in-law's accident,"

"My nephew disappeared, so many years, for many people looked for him," "There had been a little clue, you do not see the old man never spoke about it,"

"In fact, these twenty years we have not stopped looking."

He paused briefly, and then said, "My sister's accident that year,"

"The old man engaged in a special trust fund in JPMorgan Bank, put a billion dollars into it every year;"

"This money was to be used for two purposes,"

"One is dedicated to finding that nephew of mine,"

"And the other is to give him the rest of the money after finding him;"

"This is not, twenty years have passed, in the form of principal invested a total of twenty billion dollars,"

“Twenty years to hire multiple teams to find the nephew around the world spent less than half,”

“Almost six or seven billion dollars like that or so.”

Duncan listened to it and his jaw dropped and said off the top of his head:

“To find someone spending so much money?!”

“Yes.” Marshal explained: “In the information age, looking for people seems to be easy,”

“But in fact, the world is so big, you slightly miss a corner,” “You may not be able to find this person for life,”

“So you have to have multiple teams to spread out on the world map after a little carpet search,”

“Hundreds of thousands of people, running around, people eat like horse feed, the cost is really high;”

“In addition, there is the cost of intelligence, whether the news is useful or not,”

“As long as there is information feedback, you have to pay a certain fee,”

“And this kind of thing you can not find from the local government, police, and gang help,”

“Because of the fear of information leakage, good intentions to do bad things,”

“So it must be your own team to find whatever it is;” “And once you find the suspect object,”

“You have to do everything possible to obtain the other party’s DNA to make a comparison,”

“Which is also a big cost, so many years just DNA comparison has been done no less than tens of millions of times.”

Duncan asked in disbelief: “And still not found?!”

"No ....." Marshal sighed: "To say the least, it is also bizarre," "Almost everywhere in the world where people have gone,"

"Just could not find anything, perhaps they have been in the wrong direction."

Duncan asked again, "Have they looked for the clues in China?"

"Of course." Marshal said: "At that time it was first from the place of origin," "The place of origin was turned upside down, and then began to gradually spread to the country,"

"In the whole country, they could not find,"

"Then the search was spread to those land bordering countries,"

“And then spread to the whole of Asia and then spread to the world, everywhere to find him, but no news.”

Duncan asked: “Then you have not sent people to check your brother-in-law’s family? Maybe they have hidden the child.”

Marshal smiled sarcastically: “Of course we checked, not only did we check,” “In the first few years, we have been sending the top team to monitor them, but never found any clues.”

“But we did not give up, after all, which of these big families will not play some tricks?”

“Out of absolute caution, we will not give up until we get 100% confirmation, just in case they are hiding too deep.”

“So, fifteen years ago, we sent another group of people to penetrate their internal circle,”

## Chapter 4315

Marshal continued the story: "One of them used a full ten years to achieve their family first heir's personal butler."

"That time period was almost five years ago,"

"And that's when we were finally able to be 100% sure that my brother-in-law's family,"

"And indeed, did not know the whereabouts of my nephew!"

"And the old man of their family was looking for him everywhere, just like us  
....."

“You see this before and after, we just had to confirm whether the person in my brother-in-law’s family or not,”

“Or whether they know any clues, it took fifteen years,”

“All the human and material resources and the energy, basically all went in vain.”

“Finally no way, see the basket of water is empty, we withdrew all the people back .....

Duncan listened to Marshal’s words, simply subvert the three views, exclaimed: “You guys this is more ruthless than the spy war .....

“The whole World War II from the year 1939 to 1945 years,”

“It was only six years, you guys actually persisted for fifteen years ..... ““Yes.” Marshal seriously continued: “You see, these big families are basically doing things this way,”

“Not afraid to spend money, not afraid of wasting time and energy,”

“At all costs, only to not leave any mistakes, the hidden project behind this you simply can not imagine,”

“We in order to not show traces of the talent we cultivate to several big families in the country,”

“More than ten years ago specifically With the Chinese joint venture to engage in a promotion...”

“Of overseas Chinese high school students to return to China to develop activities,”

“We breath nearly a hundred Chinese graduates from major universities in the United States transported them back to China,”

“So that they through the form of social recruitment, they could enter into these families from scratch to struggle to fight;”

“This matter, we have been continuing for more than ten years,”

“And all these ten years, we have to continue to pay these people high fees privately.”

“So you can understand why so much money was spent, right?”

Duncan nodded and sighed: “Understood ..... before and after twenty years,” “Spending billions of dollars to smash a thing that has no results,”

“Only you rich people can afford to burn so much money.”

Marshal smiled faintly: “Not really burning money, although spent so much,” “But the money in twenty years, it is a little bit spent,”

“And the money placed in the trust and its interest, the profit is also very considerable,”

“Until half a year ago, the account balance is almost a thirty-five or thirty-six

billion bar."

Duncan exclaimed: "How so much? Didn't you already spend several billion?" Marshal nodded and said: "Spend while earning, some years ago, the trust income was very high,"

"A good year a dozen points of return is too normal,"

"Plus it is compound interest mode, the money naturally rolled more and more."

Speaking of this, Marshal said: "So, you sound, as if we are very stupid, and even have a tendency to spend a lot of money for nothing,"

“But in fact, we did not spend any, and everything is done by a dedicated person,”

“And we do not have to do it personally, and finally a total account, in fact, is up with a slight profit.”

Duncan convinced, sighed: “Profit rolls in, money generates money, peace era,”

“You rich people’s wealth is really a thousand generations more huh .....

He said and smiled to himself: “Unlike me, just fcuking know how to arrest people to solve cases, no economic acumen at all.”

Marshal said seriously: “In theory, as long as the rich man’s offspring control their own hands,”

“Do not take the money out to make a mess, even if the rich man only has 100 million dollars,”

“He puts it into a trust, to ensure that his children and grandchildren will never lack money to spend.”

Duncan could not help but sigh: “If we could find that nephew of yours,” “Wouldn’t he be worth thirty or forty billion dollars out of thin air?!”

“More than that.” Marshal said: “when the old man’s condition worsened,”

“He was afraid that one day his consciousness would be confused and he would lose his ability to take care of himself,”

“So he filled the account with more than 60 billion, making it up to 100 billion,”

“Then he changed the terms of the trust, the 100 billion principal cannot be touched,”

“All reserved for my nephew, only the annual profit can be taken out for the search,”

## Chapter 4316

"But even so, each year, the profit is several billion dollars a year," said Marshal.

"So, if I can find my nephew, his value will increase by 100 billion dollars out of thin air!"

After hearing this, Duncan lit a cigar and took a slow puff, then sat up straight, Straightened his collar, and grinned: "Marshal, what do you think about me being your nephew?"

Marshal was stunned, then he reacted and cursed with laughter, "Fcuk you." Duncan laughed and said, "Being your nephew is worth a hundred billion dollars,"

“According to the way you rich people play, spend it until you die, not even finish spending the interest .....

Marshal shook his head and laughed: “I just don’t know if we can still find him,”

“If he can really be found, and it is estimated that he has not suffered a lot over the years,”

“With his mother’s contribution to the An family, taking the 100 billion dollars is not much.”

Said, he could not help but regret: “Unfortunately, the old man is sick,” “Really seeing him, he may not be able to recognize him,”

“Even if you tell the old man that it is him, the old man may not believe,”

“If the old man is healthy and well, really see him,”

“I’m afraid he will take out some money to him, for so many years he rarely said,”

“But in the heart, he is really thinking about this grandson.”

Then, he said: “Oh yes, the old lady also saved a lot of money for her grandson,”

“Always said that when they find him, she will give him all of it,”

“Although not as much as one hundred billion, eight or ten billion is certainly

there.”

Duncan has been shocked to the state of numbness, so not surprised, just teasing:

“You as a great-uncle, do not express your love?” “That still needed to say?” Marshal said seriously:

“In my life, I have most admired my sister, my nephew if I can find him,”

“I will give an 18.8 billion meaning, it is estimated that one person can not be less than a hundred it .....

“Counted down, almost two thousand .....

Duncan cried and laughed: "pull out and it is Forbes's world's richest ....." Marshal laughed: "That does not count if it is really the world's richest," "That is now ranked first, even the top ten can not enter." Speaking of which, Marshal couldn't help but sigh again, self-deprecatingly:

"Hey, how about two hundred billion? It's a lot, but when it matters, you can't even buy a rejuvenation pill."

Duncan smiled sarcastically, "It seems that you have a deep resentment towards this Pill ....."

Marshal nodded and said seriously: "I really have too much resentment,"

"I grew up, never suffered such a stifling, the owner of the Pill, is definitely a person!"

"I gave him three hundred and seventy billion dollars, but for him, so much money is not as good as his principles ....."

Saying that, Marshal asked Duncan: "Do you know how Douglas Fei, the Master Fei's power was seized by his son?"

"Not quite sure." Duncan said, "The Fei family also did not release any news to the outside,"

"They said to the public that the old man is very old,"

“The board of directors agreed that he is not suitable for the seat of the family head,”

“But I know that they must have taken advantage of the opportunity as the old man went to China.”

Marshal grunted: “Older is just rhetoric, the rest of the whole Fei family those wastes,”

“Combined can not be compared to a ninety-year-old Master Fei,”

“The real reason here, is because Master Fei also went to the auction of the rejuvenation Pill,”

“And he opened the price to two hundred billion dollars,”

“Originally after I was driven out, it should have been his success in the auction,”

“But His son Dawson broke his back, also equals to break his way to live,” “With that old man’s health condition, I think it will be a year at most.” “Grass .....” Duncan cursed: “This is too fcuking cruel!”

“It’s clear that they don’t want the old man to live too long,”

“And they don’t want the old man to spend too much money. ....”

“Yes.” Marshal nodded and said, “So, the matter of Dawson’s grandson being kidnapped,”

“And being asked for a ransom of two hundred billion,”

“I thought it was quite interesting after I heard the wind,” “Isn’t this a good fcuking reincarnation of heaven?”

-

## **Chapter 4317**

At the same time, the Fei family's butler, as well as some of his beloved men,

Were urgently approaching international families that owned Concorde airliners.

After this incident, Dawson couldn't wait to buy a Concorde in order to deal with possible future emergencies.

Because, without a Concorde, it would take at least thirteen hours for the Fei family to send someone from New York to Japan.

But with a Concorde, it would take five and a half hours to arrive. In normal times, the difference of seven or eight hours is nothing,

But if it is a critical moment, this time is enough to generate too many variables.

Because the purchase of Concorde is a normal demand for the Fei family, It is not a secret, so these people did not avoid people, Basically, they all found a relatively quiet place, and then hurriedly began to communicate by phone.

The company's staff is also secretly competing with each other, Whoever can help the Fei family to get a Concorde in the first place, It will definitely be a great achievement.

When the maid, carrying the Richard Miller watch given by Jesse,

Returned to the first villa, she was surprised to find that many people...

...were constantly on the phone as if something big was happening.

Remembering Jesse's explanation, she hastily found a male assistant who had always had some interest in her,

And even repeatedly tried to go further with her, and asked curiously,

"Robbin, why aren't you off work and resting yet?"

The man who is named Robbin Song was one of the few beloved men of the Fei family butler,

And he had always appreciated the maid's beauty and had long had thoughts in his heart,

But the maid also knew that he only had thoughts about her in that area, And did not want to marry her in a normal relationship, So she had never given him the opportunity to go further.

Robbin was not surprised to see her at this time, but just smiled and said,

"I still have some things to finish, how come you are not off work?"

The maid said, "I was worried about Grandma's health,"

"and came over to see if there was anything I could do to help."

Robbin didn't suspect, nodded, saw no one around, and with a few frivolous smiles on his face, he spoke,

"How about I take you to Las Vegas when you are off work for the weekend?" "Going to Vegas?" The maid said awkwardly, "Just the two of us?"

"Yes!" Robbin laughed, "Of course, it's just the two of us,"

"Recently Beyoncé has a big show in Las Vegas casino, don't you always like her?"

“I will take you there to see it and meet the world.”

The maid didn't say anything, but she couldn't help but despise it in her heart.

If in the past, she heard about this kind of thing, her heart must be very longing.

But now, how could a mere Beyoncé enter her eyes?

In her opinion, she is going to be the young daughter-in-law of the Qiao family in the future.

So, she was almost ready to say no on the spot.

However, she remembered Jesse's instructions, so she deliberately left an extra eye,

Looked at Robbin with a smile and said:

"If there is a real opportunity, of course, I have no problem ah,"

"But the family now has so many things, we can not take a short time off work, right?"

Robbin skimmed his mouth and said casually, "We are just ordinary wage earners,"

“We have to rest when we should rest, there is no need to worry too much about the main family,”

“Besides, sometimes you want to worry about it may not necessarily be your turn,”

“Take your maids, for example, usually so many maids take turns off,” “If something happens and everyone does not rest,”

“All flocked to Grandma’s room, she can’t stand it.”

## Chapter 4318

The maid nodded: "What you say seems to make sense ....." Robbin said smilingly, "That's how it is."

After saying that, he lowered his voice and said to the maid:

"I am now talking about a big list, but also these two days can be negotiated," "Then the bonus will certainly be less, and when I get the bonus will take you to Las Vegas to enjoy a few days!"

The maid despised in her heart, but asked curiously:

"What big list ah? Tell me about it, also to satisfy my curiosity."

Robbin raised his eyebrows and laughed:

"The master wants to buy a Concorde, and I happen to know a family in France,"

"That has a Concorde in their hands and wants to sell it, so I'm talking to their people."

The maid asked in disbelief, "What is a Concorde?"

Robbin explained, "A supersonic airliner, which can fly more than 2,000 kilometers an hour."

The maid asked again, "What's the use of buying such a fast plane?" "Of course it's useful!" Robbin said with a serious face,

“This time the master wanted to send people to Japan,”

“Without the Concorde, it would take at least 13 hours to fly,”

“If we had the Concorde, we wouldn’t even use half of that time.”

When the maid heard about Japan, she suddenly thought of Jesse’s explanation to pay more attention,

To whether anyone mentioned Japanese ninjas, so her heart instantly became alert,

And at the same time, a kind of eagerness to get credit, So she couldn’t help but be all excited at

the same time. She couldn't wait to do something for Jesse,  
So as to prove to him that although she was from a lowly background and hadn't read too much,

She would be able to do well in the role of the young daughter-in-law of the Qiao family in the future.

So, she hurriedly asked tentatively:

"To Japan? It's not going to find that ninja or something like that, right?"

Robbin was slightly stunned,  
feeling a little surprised,

But did not think much about it for a  
while, so he casually said,

“You can not say this thing,  
just know yourself.”

The maid was so excited that she  
nodded her head and said,

“Yes, I know! By the way Robbin, I  
have to go to Grandma’s side to see  
what’s going on in Las Vegas,”

“Let me know when it’s convenient for you.”

Robbin smiled: "Yes, I will make an appointment with you in advance!" The maid then said, "Then I'll go over first." After saying that, she turned around and left.

Robbin stared at the maid's back, his eyes focused on her waist and hips that swayed lightly from side to side,

His heart could not help but sigh: "This little b!tch ..... may still be a chick ....." "To the mouth of the duck, this time must not let You fly!" After the maid left, she did not immediately go to the great grandmother's room,"

"But immediately came to an unoccupied bathroom, took out her cell phone, sent a message to Jesse.

The message read: "Young Master Qiao, I just inquired, the master sent someone on a plane to Japan to look for ninjas!"

"In addition, I heard that he thinks ordinary planes fly too slowly," "And also plans to buy a plane called Concorde."

After sending this message, she then pressed her hands to her chest,

Waiting with anticipation for her beloved one to send her compliments. However, she did not wait for Jesse's reply.

Because, when Jesse saw this message, the whole person instantly jumped up from the bed,

His heart was almost jumping out of his throat.

At this moment, he looked at the phone with a face full of panic,

Muttering under his breath, "Sh!t, it's over ..... this time it's really over ....."

## Chapter 4319

Jesse knew very well in his heart that once the Fei family started investigating the line of ninjas,

It would be easy to find clues about the Iga ninjas.

He couldn't help but say to himself, "How will the Iga ninja be a match for the Fei family,"

"And when they face the Fei family, they will definitely confess all without hesitation ....."

"The Fei family will then start backtracking from the Iga ninja, and it won't take long to find my head ....."

“Although I used a fake identity when I contacted the Iga ninja,” “The \$40 million I called the Iga ninja was not fake money .....

“As long as the Fei family starts with the origin of the money and investigates upstream a little,”

“It will definitely lead to me .....

“At that time, how do I explain to the Fei family?”

“I say I’m innocent? Do they believe it? Definitely not .....

“Then I can only tell them the truth, I actually helped Randal to find a ninja,” “The purpose is to kidnap the big star Sara Gu.....”

“The Fei family must not believe it either, in their eyes,”

“Their young master is a dragon among men, how can he be a human devil?”

“In that case, I will have to reveal all of what he did, and all the information I have .....

“But what’s the point of that? The first thing the Fei family will do,” “When they find out that their young master is a human demon,” “Is to kill me so that the truth can be completely buried .....

“That will only make me die faster .....

Thinking of this, Jesse gritted his teeth and said in a stern voice,

“It seems that if I want to live, the only way is to run before the Fei family finds me!”

“As long as I can run out of the Fei family’s control,”

“I can turn around and send all that information to the Fei family,”

“So they can stay away from me! Otherwise, I will expose all the information!”

Then, he raised his eyebrows and sneered,

“By the way, I can use the information to knock them off hard!”

“Who cares about that when we’ve already torn our fcuking faces apart anyway?”

Thinking of this, he put his heart into it and was ready to run away.

So, five minutes after receiving the maid's text message, he dressed neatly,  
With a duck-tongue cap on his head, and quickly left the villa.

The Fei family estate late at night is still a brightly lit and heavily guarded,

But from this guard, the vast majority of the energy is focused on the outside to the inside.

And from the inside to the outside,

As long as you don't have anything in your hand, you can basically go unimpeded.

This strict entry and exit mode is like flying in, when you go in,

Even shoes have to be taken off to go through the security machine,

But once you get off the plane, out of the airport is all the way through,

No matter how many things you bring, the security guards do not even bother to take a look.

Therefore, Jesse without alarming anyone directly went out of the Fei family estate.

After coming out, originally wanted to immediately take a taxi to leave, But such

places as Long Beach, are the mansions of the rich,  
The rich family cars are too much to drive over,

And basically will not take a taxi, so in this place, the cabs are pitifully few. He saw that there were no cabs around,  
So he was ready to go out on foot to walk some distance before looking for a car.

He was also lucky, just out of the range of the Fei family estate,

Saw a cab parked at a crossroads, from the back of the cab, walked down a blonde female passenger.

Seeing this car, Jesse sighed with relief,

And while the female passenger got out of the car and prepared to leave, He hurriedly got in, and as soon as he got in, he said without thinking, "Go to the Port Authority bus terminal station!"

## Chapter 4320

In the United States, airplanes and trains also adopt the real-name system, And Jesse, fearing that his identity would be leaked, Planned to take a long-distance bus first to transit all the way and go south to Texas.

Texas shares a border with Mexico,

So he planned to get to Texas and then find a way to smuggle himself into Mexico.

Jesse has been selling people for years and has a strong network in Canada, the United States, and Mexico.

In the south, because there are many entrenched drug lords, More or less it is like the chaotic era of warlords in some places, So it is easy to hide his identity, ensure anonymity, Once he reaches the territory of those drug lords,

Even the Fei family will find it difficult to catch him.

At this moment, the driver glanced at him through the rearview mirror and smiled,

“Okay sir, please buckle up.”

Jesse said impatiently, “Buckle up a fart in the back, drive your car!”

The driver said very seriously: "Sorry sir, in my car, no matter which seat,"

"You have to buckle the seat belt, or else please get off."

Jesse did not expect that a cab driver dared to call his own bluff,

Originally wanted to get angry, but once he thought that he was still on the edge of the Fei family estate,

The critical moment can not cause trouble because of emotions, so he could only curse: "Danm!"

Subsequently, he could only buckle up the seat belt.

The driver saw him buckle up, the corners of his mouth wiped over a hidden smile,

Then started the car and slowly drove away from the scene.

The car turned and drove to the expressway, ready to leave Long Beach. Jesse finally breathed a sigh of relief,  
And then he took out his cell phone and began to check the long-distance bus schedule at night.

But he did not expect that the car just drove out not much farther,

It suddenly made a sharp turn directly at the side of the road and drove into a villa on the side.

Jesse's cell phone flung out, the whole person also moved to the side,

So he subconsciously looked up, immediately found the situation is not good, The first thought is to open the seat belt to jump out of the car to escape,

But he pressed the seat belt switch only to find that it simply can not be opened.

Immediately after, then felt a burst of seat belt contraction, instantly he was tied to the rear seats.

Jesse's face was white with fear,

And he asked the driver: "What the h3ll are you .....?"

The driver smiled faintly and said,

“Don’t be nervous, Mr. Qiao, I am taking you to meet a friend.” At this time, the cab had already driven into the villa gate, Followed by driving directly into the garage.

As soon as the car was parked in the garage, the two soldiers of the Cataclysmic Front opened the door,

Followed by the driver pressing the switch next to the steering wheel, And the seat belt buckle instantly popped open.

Two soldiers dragged the panicked Jesse out of the car,

And then, without waiting for him to regain consciousness, stripped him naked, leaving only a pair of pants.

Afterward, a soldier of similar stature to him from the Cataclysmic Front quickly changed into his clothes,

Put on his duck-tongue cap, and got back into the cab.

As soon as the driver kicked the gas pedal, the car drove out again, taking no more than a minute before and after.

As soon as the cab left the house, it immediately accelerated violently,

Carrying the soldier disguised as Jesse all the way to the coach terminal where Jesse intended to go.

The real Jesse, on the other hand, was stripped into a white-striped pig, And dragged directly to the basement by the two soldiers of the Front. On the way, Jesse asked incomparably frightened:

“Big brother big brother ..... you guys ..... who the h3ll are you?”

“What do you want? If you want money, I can give you lots of money .....” “Lots and lots of money ..... you just have to say a number .....” One of them sneered, “Jesse, your money is better to keep it for yourself,” “Maybe you can still use it when you get there!”

## Chapter 4321

When Jesse escaped from the Fei family, he thought that through his own extraordinary foresight,

He could definitely play a hand of extreme operation and escape from the sky. But he never dreamed that he just ran out of the Fei family, Not even five minutes before and after, he was next door to the Fei family manor and became a prisoner.

Extremely fearful, he was confused by various thoughts in his heart. Although he did not know who the gang that kidnapped him was, But deep in his mind, he already had an answer.

He felt that these people should be the ones behind the killing of his brother, And the

evaporation of an entire Italian gang from Vancouver.

Soon, he was dragged to the basement, after the door opened,

He was horrified to find a naked man hanging in the room, just like himself, Wearing only trunks, this naked man is no other than Randal. At this time, Randal is nowhere near his usual style of the young master of the Fei family from the past.

He was naked, his hands were hanging, and the whole person is like a meat pig to be slaughtered.

The two ears are gone, and the only thing left are two large wounds,

And these wounds are covered with huge patches of blood scrub. Randal at this moment also did not expect to suddenly see Jesse here. Seeing Jesse was brought in, he was first surprised,

And then his expression showed more than a few points of excitement. Nothing else, Randal suffered a lot here, a person in extreme despair here, At this time there is Jesse this acquaintance with him to share the suffering, The mood bottomed out, a little excitement is inevitable.

Other than that, even if it is to die, he has a person to accompany him on the road,

But the situation is much stronger than a person dying here. But Jesse saw Randal here and is not the least bit happy.

In fact, what he was most afraid of was seeing him here.

Because, if the other side even dares to move the Fei family master,

Then who is he? A fart? Trying to escape would have even less chance .....

At this time, one of the Cataclysmic Front soldiers looked at Jesse and questioned,

“Young Master Qiao, young masters Fei is all excited to see you,” “Why are you not happy to see your old friend at all?”

Jesse had the heart to die, he was like a human being, how could he not understand Randal's mind?

If he were Randal, suddenly seeing someone to accompany him, he would certainly be happy.

He had the illusion that he could successfully run away, But he didn't expect to be caught here all of a sudden, At such a time, he was naturally in a rock bottom mood.

The soldier saw that Jesse did not speak, a hand grabbed his collar,

Gave back and forth two slappings fiercely on his face angrily shouted:

"I asked you questions, why do not you answer?"

Jesse's weak body, which can withstand the other party's vigorous slapping, Two slaps down, was immediately beaten with stars in the eyes, spitting blood, So can only hastily say: "I am happy ..... I am happy ....." "

The soldier gave another slap in the face, angrily cursed:

"Damn, not sincere at all, give me a re-speak!"

Jesse's teeth were broken a bit, face full of pain as if to explode,

But could only stiffen their heads and begged:

"I really happy ..... please do not hit ....." "

The soldier laughed: "The ruthless young master Qiao, how come he begged for mercy so quickly?"

"But only received a few slaps only, the good show has just begun," "You so early to beg for mercy, what can be done in a moment?"

## Chapter 4322

The moment Jesse heard this, he knew that the other party would definitely not let him feel better,

And was probably even prepared to make him suffer to death,

So he subconsciously cried and begged:  
“Big brother ..... we have no enemies,”

“Why do you want to kill me, big brother... ..”

Randal saw Jesse like a dead dog crying and begging, a flash of light in his heart,

Immediately looked up at the monitor overhead, opened his mouth, and shouted:

“Mr. Joseph, Mr. Joseph are you there? The kidnapping of Miss Gu was all this Jesse’s idea!”

“All the details were planned by him, he is the mastermind ah Mr. Joseph,” “Please help me give a message to Mr. Wade, beg Mr. Wade to give me a lenient treatment ah .....

Jesse’s whole person listened to it dumbfounded, how could he expect, Randal opened his mouth was actually for dumping the pot on him! Moreover, listening to the meaning of the words,

As if the mastermind behind this matter of Sara’s kidnapping has brought him here,

If so, then with the gang that killed his brother, should not be a wave, right? Thinking of this, he said almost without thinking:

“Randal! Don’t you fcuking spit on people! This matter is entirely your own idea!”

“You are the one who wanted to get Miss Gu, what does it have to do with me!”

Randal cursed angrily: “You usually follow my a55 and lick me with your tongue out,”

“And now that something has happened, you say you have nothing to do with it.”

“Mr. Joseph, just send a few of the soldiers of the Cataclysmic Front,”

“You will be able to investigate everything, you think you can get rid of it by moving your lips?”

When Jesse heard this, he knew it would be difficult to clear his name,

So he looked at Randal and said angrily, “Fei, you only think of dumping the pot when you fcuking see me,”

“You are simply stupid! Don’t you fcuking understand? We are both grasshoppers on a rope!”

Randal also saw Jesse’s face and said coldly:

“When you dump the pot, you say it was my idea, but when you can’t dump it,”

“You say you’re a grasshopper on the same rope,”

"You're really are sinister and cunning, Jesse! I was fcuking dragged down by you!"

Jesse was shivering with anger and said through clenched teeth,

"You said I pulled you down? Back in school, if you hadn't been doing bad things all the time,"

"How would I have been in your good graces?"

"It's obvious that I was led astray by you, and now you still bite me back!"

At this moment, in the monitoring room upstairs, Joseph saw the two of them biting each other,

And immediately cut this video and sent it to Charlie.

After seeing this video, Charlie replied to him, "It's better to let Hattori Kazuo go."

Joseph immediately sent a voice message to Charlie and said,

"Don't worry, Mr. Wade, my subordinate will make the arrangements." Immediately after that, he instructed the men around him, "Go and get Hattori Kazuo."

"Yes!" The subordinate immediately brought Hattori Kazuo over.

Hattori Kazuo asked respectfully, "Supreme Commander, what are your orders?"

Joseph pointed to Jesse on the monitor and said, "You should know this person, right?" Hattori Kazuo fixed his eyes and immediately said angrily,

"Supreme Commander! This is the son of a b!tch who tricked us into coming to New York!"

"Okay." Joseph nodded and spoke, "Mr. Wade said, go and entertain him." Hattori Kazuo froze and quickly asked, "How ..... am I going to entertain him?" Joseph said to the men around him, "Give him your tactical dagger."

"Yes, Hall Master!"

Without thinking, that henchman pulled out a dagger and handed it to Hattori Kazuo.

Hattori Kazuo, who himself hated Jesse with a passion, took the dagger,

His eyes chilled, and said coldly, "Please don't worry, Mr. Wade and Supreme Commander,"

"I will treat this son of a b!tch well!"
