

## THE ELITE ASSASSIN BECOMES A FLAT AND UGLY NERD!

### Chapter 14

#### Suddenly So Heartless

“What did you say?” Yu Hao was still immersed in his personal charm. He was instantly stunned by Shan Yue’s words. He thought he had heard wrongly.

Seeing that more and more students were surrounding them and pointing at them, Zhao Rui swallowed his saliva and gritted his teeth. “I apologize. Put me down!”

Shan Yue raised an eyebrow before letting go of Zhao Rui’s collar.

As soon as Zhao Rui regained his freedom, he was angry and anxious. He almost choked on his own saliva. Seeing that Shan Yue was still standing in front of him like a wall, looking like she would hang him on the wall again if he didn’t behave, he could only say aggrievedly, “I... was wrong! I shouldn’t have said that about you guys. Alright!”

Seeing that this guy had already given in, Shan Yue had no intention of making things worse to prevent others from laughing at her, so she reluctantly nodded.

“Alright, don’t let me hear your cheap mouth again,” Shan Yue said coldly. She lowered her voice and said to Zhao Rui in a voice that only the two of them could hear, “Otherwise, I’ll cut off your tongue and stuff it down your throat!”

Zhao Rui froze on the spot and stared at Shan Yue as if she was a ghost.

Yu Hao was ignored the entire time. The charm of the school hunk that everyone liked actually lost its effect in front of Shan Yue. His face was ashen,

and he wanted to say something. “Shan Yue, what exactly do you want to do...”

“I don’t want to talk nonsense with you.” Shan Yue crossed her arms and pulled away from the two of them. She stared at them calmly and said coldly, “Please don’t show off like a male peacock. I’m not interested in you at all.”

Hearing Shan Yue’s words, the surrounding students who had long heard of her deeds burst into laughter. They discussed the tall and handsome, the fat and ugly.

“Hasn’t this fat pig girl always had a crush on Yu Hao? Why is she suddenly so heartless?”

“That’s right! If it were any other time, she would be overjoyed if the school hunk spoke to her, right?”

“She’s hitting Yu Hao’s friend and mocking him. Don’t tell me she wants to attract Yu Hao’s attention?”

Even Yu Hao was confident that Shan Yue was deliberately trying to get his attention because of her past love. He was very disdainful of Shan Yue’s toad-like behavior. “No matter what, please be clear that I won’t like you no matter what you do. Please stop harassing me.”

“Heh.” Shan Yue sized up Yu Hao from head to toe as if he was a clown. She sneered and said firmly, “Yu Hao, aren’t you too narcissistic? I, Shan Yue, have never liked or had a crush on you from the beginning to the end. On the contrary, I hate people like you!”

Shan Yue’s voice, full of confidence and disdain, echoed in the corridor. Yu Hao had been praised by everyone for his looks since he was young. When had he ever suffered such treatment?

After saying that, Shan Yue turned around and pulled her brother out of the crowd. "Go back to your classroom for class."

After watching Shan Chen slowly limp into the classroom of the second year, Shan Yue returned to her classroom and found her seat in the furthest corner of the class, beside the trash can.

In the memories of the Host that Shan Yue received, the Host had always been a silent and self-conscious person in class. Not only did she never take the initiative to speak in class, but she also did not participate in any class activities because of her low self-esteem. She often avoided her classmates.

Due to her fat and ugly appearance, she was often teased and mocked by others. Other than that, Shan Yue was useless in the class and became an invisible person who could only be occasionally brought out.

But Shan Yue was happy to be idle. After clearing the trash and debris on her seat, she sat down leisurely and could enjoy the scenery outside the window.

Her class was a third-year class that was about to take the Federation's college entrance examination. Her class's results were the worst in the entire department. The class was filled with students who did not like to study and idled around.

After flipping through all the textbooks and memorizing them, Shan Yue became idle and slowly recalled what happened in the organization.
