

The More The Merrier

Chapter 924

Chapter 924 Elevator

“Mommy, it’s been a long time since we last visited the supermarket. Let’s go to the supermarket with Tim!”

Oliver seconded with Jesse’s suggestion.

Jasper hastily nodded in agreement.

Tim sneaked a look at Arissa bashfully. He actually wanted to go to the supermarket too.

“Mommy, it’s settled then. You’ll take us to the supermarket after school today!”

Zachary made the decision for her.

Arissa was amused. “I haven’t even agreed to your suggestion.”

“In that case, when will you take us there?” Gavin was looking forward to their excursion to the supermarket too.

Sensing the kids’ anticipation, Arissa decided not to tease them further and assented, “I’ll take you all to the supermarket this afternoon after school, alright?”

“Yeah! You’re the best, Mommy!”

“Mwah, Mommy!”

“I love you, Mommy!”

Oliver, Jasper, and Jesse expressed their gratitude one after the other by showering their mother with flattery.

She gazed at them affectionately.

Gavin, Tim, and Zachary were delighted as well.

Benjamin glanced at the rearview mirror. He was also feeling joyful, being affected by the kids' joy.

They went to the hospital to visit Mary before Benjamin drove the children to school.

Arissa and he hurried to the office after sending their kids. Ethen, holding a big bag of candies, biscuits, and snacks, was already

waiting at the building's entrance when they arrived.

"Mrs. Graham, are these sufficient? I'll ask someone to send more over if it's not enough."

Arissa smiled. "That's enough. I'm just distributing them to my colleagues in the department. Thank you for the hard work, Mr.

Frank."

"You're welcome, Mrs. Graham," Ethen replied cheerily.

Benjamin cast a glance at Ethen and ordered, "Send them to her office."

"Understood, Mr. Graham," Ethen answered before trailing behind the couple to enter the building.

When the receptionists saw Benjamin and Arissa holding hands while walking in, they widened their eyes and were so shocked

that they forgot to greet them.

Ethen shot them a stern look.

Then, he swiftly went to hold the elevator door open for Benjamin and Arissa.

Benjamin ushered Arissa into the lift.

Feeling a little embarrassed, she lowered her head and followed him inside.

Ethen was about to turn around and get into the elevator, but he halted abruptly after meeting Benjamin's gaze.

"Mr. Graham, Mrs. Graham, please make your way upstairs first," Ethen chirped sheepishly.

He took a step back and strode to the employee's lift on the side.

Arissa eyed the man next to her. "Why didn't you allow him to join us?"

Turning his head sideways to look at her, he let go of her hand and wrapped his arm around her waist.

"Why should I do that?"

Arissa was pulled into his embrace, and their bodies were pressed together. Arissa's heart palpitated as she caught whiffs of his enthralling pheromones.

"Let go of me!" She poked his waist.

Benjamin pinched her chin and fixated his scorching gaze on her.

Not only did he not let Arissa go, but he also pinned her against the elevator wall in an ambiguous manner.

"I won't."

Arissa was rendered speechless.

“What are you trying to do?”

Benjamin arched his brow, boring his eyes into her plump, alluring lips, and gulped.

Benjamin’s eyes glinted with an unfathomable emotion as he leaned forward and sealed her lips with his.

Then, he kissed her passionately.

He didn’t let go of her even until the elevator doors opened.

Her legs turned to jelly because of his ardent kiss. She would’ve slid to the floor if he hadn’t bent his knees to support her weight.

“The elevator door is opening!” Arissa reminded him.

Her face was all blushed.

“So be it.”

Benjamin could not care less. He continued to kiss her, indulging himself in the sensual pleasure.

The lift directly opened up to the CEO’s office, so he wasn’t worried about the presence of another person there. He finally let go

of her after he savored her lips.

Arissa, face reddened, panted heavily while sitting on his legs.

The sight of her enticing demeanor aroused Benjamin. Her heart skipped a beat when she sensed his fervent gaze on her. She quickly got up and said, “I-I’m going to the office.”

He could not help but tease her when he saw her panicky mien.

“What’s the hurry? Shall we go to my office?”
