Chapter 333: Big Brother, Please Accept My Bow

“How about it? Why don’t you think about it?”

Ye Qiu looked at him strangely, making the Purple Lightning Cloud Swallowing Beast’s heart tremble.

Could this guy really help him return to his peak and rebuild his ancestors’ glory? It was suspicious.

Seeing his hesitation, Ye Qiu smiled and said, “As long as you follow me, I promise that from now on, no one will dare to have any thoughts about your beast blood.

“Moreover, I can help you perfect your lightning technique and increase its combat strength. In the future, even if you encounter experts with the same cultivation as you, you will have the strength to fight.

“How about it?”

As soon as these words were spoken, the Purple Lightning Cloud Swallowing Beast began to hesitate again. It had to be said that these conditions were indeed very tempting.

He did not lack strength now. What he lacked were techniques, combat experience, and the secret of lightning techniques. His combat strength was completely supported by his innate divine power. However, without anyone to teach him, he did not learn much even after fumbling around for thousands of years.

He was already at the peak of the Deva Realm and was half a step into the Perfected Immortal realm. If he could master some powerful, precious techniques, his strength would indeed increase greatly.

After thinking about it seriously, the Purple Cloud Swallowing Beast was tempted. On the surface, he was very calm and pretended not to care.

It made Ye Qiu a little depressed. It seemed like this guy wasn’t that easy to deceive. How could he have known that the guy in front of him was an out-and-out actor?

Gritting his teeth, Ye Qiu said, “If there’s a chance in the future, I’ll find you a beautiful girl.”

“Okay.”

.....

As soon as these words were spoken, the Purple Lightning Cloud Swallowing Beast immediately became excited and made a decision that went against its ancestors.

“Hehe, girl...”

He was almost drooling. This guy had endured countless years of loneliness in this dark deep space. His heart was empty. He urgently needed a girl to relieve the loneliness in his heart.

The Purple Lightning Cloud Swallowing Beast still wanted to explain that he definitely wasn't lecherous. He just wanted to give all the beautiful girls in the world a warm home.

"Big Brother, please accept my bow."

The Purple Lightning Cloud Swallowing Beast immediately expressed its obedience without hesitation. How could he have any thoughts about his ancestors' wishes when he heard about girls?

Ye Qiu was shocked by his sudden reaction.

"F*ck, is his heart so empty?"

If he had known earlier, he wouldn't have said any nonsense. He could have just introduced girls to him. This guy had the style of Wei Wu.

Seeing that he was willing to be his underling, Ye Qiu smiled in satisfaction. Yes, they would see. Hehe...

After a while, Ye Qiu looked at him and smiled. "I've already agreed to your conditions. Shouldn't you satisfy mine?"

"Hmm? What do you mean? Do you need conditions to be someone's underling?"

Ye Qiu said seriously, "What else? No matter what, I'm still a famous figure. It's very difficult to give you enough safety and ensure that you won't be threatened. Besides, I still have to find you a girl. Shouldn't you express your gratitude?"

The Purple Lightning Cloud Swallowing Beast immediately felt relieved. "That makes sense."

Gritting his teeth, he went all out for the girl. He took out a Connate numinous treasure, an immortal bell.

"Big Brother, this should be a good thing. Take it as a form of my filial piety to you. When are you going to introduce me to girls?"

Ye Qiu's eyes widened when he saw the Connate numinous treasure. Not bad, not bad. This underling was very sensible.

Ye Qiu looked like he didn't want it. He reluctantly took the Dharma artifact and said, "It's not that I want to take your things. I'm taking your treasures to do your thing, understand?"

"Hehe, Big Brother, I understand, I understand."

The Purple Lightning Cloud Swallowing Beast grinned. His expression was very despicable, completely inconsistent with its mighty and domineering body.

Seeing that he was so sensible, Ye Qiu slowly said, "Flirting is also a skill. I'll show you how to pick up girls correctly later. Look carefully and learn well. It's all knowledge. You'll earn it if you learn it."

When the Purple Lightning Cloud Swallowing Beast heard this, his expression instantly became serious and he nodded repeatedly. He was already trapped.

Seeing this, Ye Qiu smiled evilly in his heart. His gaze was already on the longevity medicine behind him.

“Ahem ahem...” Ye Qiu coughed lightly and reorganized his words. He said, “However, your matter is indeed a little difficult.”

Ye Qiu weighed the Connate numinous treasure in his hand and said meaningfully, “It’s just that it’s difficult to find a good-looking girl with this treasure.”

Hearing this and seeing Ye Qiu looking at the yellow plum behind him, the Purple Cloud Swallowing Beast immediately understood. So this guy had designs on his Longevity pill. After thinking about it, this longevity medicine was actually not very tempting to him. It was nothing more than increasing his lifespan and cultivation.

He had never cared about these things at all. The reason why he guarded it was because he felt that it was a treasure and it was an instinctive reaction.

He hesitated for a moment. In any case, keeping it would be a disaster. He might as well do a favor. He wasn’t stupid and understood that if Ye Qiu wanted to take the Longevity pill, he didn’t have the ability to stop him.

The main thing was that he could learn some flirting techniques with girls. It was worth it.

Gritting its teeth, the Purple Lightning Cloud Swallowing Beast took down the yellow plum blossom and said with a smile, “Hehe, Big Brother, many people are eyeing this treasure. Leaving it on me is also inviting trouble. I’ll give it to you today.”

“Yo...”

Ye Qiu was amused when he saw the yellow plum blossom. He didn’t expect this guy to be so smart. He was too sensible. So sensible that it made one’s heart ache.

“Hehe...”

Rubbing his palms together, Ye Qiu smiled evilly and took the yellow plum blossom with a serious expression. He said seriously, “I’ll emphasize again. I’m not trying to trick you. I’m taking your things and doing your things. Do you understand?”

“Understood, understood, hehe...” The Purple Lightning Cloud Swallowing Beast was very sensible and said without hesitation.

The moment he gave away the yellow plum blossom, the burden on his body seemed to lighten. He completely let himself go and secretly made up his mind. He wanted to pick up ten girls.

Just like that, Ye Qiu took down the yellow plum blossom with just a few words.

For a moment, everyone outside the arena was dumbfounded.

“F*ck, that works too?”

“F*ck, is this a serious divine beast?”

“Can’t you have a bottom line? Which woman from a large clan wouldn’t obediently come into your arms when a dignified divine beast beckons?”

“This guy must be sick from holding it in. How can he fall for it?”

Everyone was shocked. Who would have thought that this dignified descendant of a divine beast was actually such an indecent thing?

He gave it away just like that? He didn’t want it for a girl?

Even Lian Feng’s mouth twitched when she saw this. She felt like she had been struck by lightning and could not bear to look at it.

At first glance, why did it feel like this guy was so compatible with her sweetheart?
