### Chapter 335: F\*ck, I've Learn Incoretly

As soon as these words were spoken, Lian Feng's body trembled and she felt powerless. It was as if a certain nerve in her body had been triggered and she had completely fallen.

*"Damn it, this guy is using his strange bewitching spell again."?*Lian Feng cursed silently. She was indeed incomparably touched and enjoyed the feeling of being loved.*?Ah... I can't take it anymore. I'm going to fall.*

These difficult words were like a sharp sword that ruthlessly stabbed Lian Feng's fragile heart. It was as if at that moment, Ye Qiu and her could be together for a long time.

The corner of Lian Feng's mouth twitched when she looked up at his sincere gaze. This was her sweetheart, a man who liked to provoke her. She really loved and hated him, but she was also a little reluctant. This is such a strange feeling.

"F\*ck..."

Just as the two of them were feeling affectionate, an inappropriate voice came from the side.

Lian Feng turned around and realized that the Purple Lightning Cloud Swallowing Beast was looking at them with wide eyes. She immediately blushed.

Didn't this guy know that it was extremely rude to look at others like that?

The Purple Lightning Cloud Swallowing Beast looked like he had understood something and said seriously, "I didn't learn it correctly, I didn't learn it correctly. So if you want to please a girl, you have to be willing to spend a lot of money to please her and move her fragile heart. Only then can you attack better when she lowers her guard."

The Purple Lightning Cloud Swallowing Beast analyzed carefully and realized that this was an ultimate move.

An unsolvable ultimate move.

He immediately became even more excited. It had to be said that this guy might be slower in learning other things, but this method of picking up girls was an innate talent that he learned immediately.

"Hehe, as expected of Big Brother. You actually hid such a powerful ultimate move. I've finally seen it today."

.....

The more he thought about it, the more excited he became. He was completely convinced now. Even he wanted to give himself with this move, let alone those girls who were born with a touching halo.

Hearing him mutter there, the corner of Lian Feng's mouth twitched and she revealed that cold and arrogant expression again.

Was this guy a serious divine beast?

Just as she was about to say something, Ye Qiu hugged her domineeringly and took a deep breath. He could clearly smell her intoxicating fragrance, making it difficult for him to extricate himself.

“Ah,”

Ye Qiu was intoxicated. Lian Feng didn't resist him, which meant that she had already decided on him. He was also delighted. Should he take this opportunity to add fuel to the fire?

“What are you doing?”

Lian Feng's heart raced and she was a little nervous when she felt Ye Qiu hug her harder. She could no longer be cold after such an intimate contact. Her pretty face was slightly red, and her breathing became tense.

The air seemed to be filled with an ambiguous atmosphere. Ye Qiu gently brushed her beautiful hair and said affectionately, “Lian'er, I want to promise you that I will grow old with you. What do you think?”

Lian Feng was stunned and didn't know what to say. She subconsciously nodded.

“Wow... I didn't learn it correctly.”

Another inappropriate voice sounded. Ye Qiu was a little angry. *?I was adding fuel to the fire and the atmosphere was just right. Your sudden words broke this hard-earned atmosphere.*

He turned around and saw that the Purple Lightning Cloud Swallowing Beast was carefully memorizing something. He muttered, “Press forward step by step! While the other party's guard is relaxed and we can't stop attacking, we need to go all out to advance another step.”

After memorizing it, the Purple Lightning Cloud Swallowing Beast came up and whispered into Ye Qiu's ear, “Big Brother, am I right?”

The corner of Ye Qiu's mouth twitched. He thought about it. He was the one who said he would teach him how to pick up girls.

*Forget it, I'll endure it...*

However, Lian Feng felt a little uncomfortable. She gently pushed Ye Qiu away and seemed to have seen something. She glanced at the Purple Lightning Cloud Swallowing Beast and then turned around to look at Ye Qiu. “You two look more like a couple. I'm unnecessary here.”

As she spoke, she wanted to leave. Ye Qiu hurriedly pulled her back and explained, “Haha... Alright, alright, stop fooling around.”

Lian Feng's face was cold. She wanted to know what these two scumbags were doing! Making fun of her?

Seeing that she was suspicious, Ye Qiu whispered into her ear to explain the agreement he had reached with the Purple Lightning Cloud Swallowing Beast.

When Lian Feng heard the secret agreement between Ye Qiu and the Purple Lightning Cloud Swallowing Beast, she glanced at Ye Qiu and said in an extremely unhappy tone. "So, what you said just now was fake? You deliberately made it up to teach this guy?"

She was unhappy. She was originally quite touched. After all, who wouldn't like the man they loved who had carefully prepared a gift for them and even said such a touching confession? However, when she knew that Ye Qiu was trying to teach the Purple-Lightning Cloud Swallowing Beast how to pick up girls, the gratitude in her heart was instantly swept away.

This damn man used me as a test subject. He should be cut.

Ye Qiu's heart tightened when he saw her cold expression. He hurriedly hugged her and she didn't resist.

She wanted to hear Ye Qiu's explanation, but Ye Qiu said gently, "Lian'er, the world can see my sincerity towards you. What I said just now is not a joke. It's all from the bottom of my heart. I've been working hard to build our beautiful future. In my heart, you're the only one."

Lian Feng's body trembled when she looked up at Ye Qiu's affectionate gaze. Alright... her heart softened. This man had her in his grasp.

Just as he was about to say something, Ye Qiu said again, "Lian'er, I remember you saying that you like a wider world, like that dazzling sky river, and want to conquer that vast sea of stars. But do you know that in my heart, you are my sea of stars, the world I dream of? I want to protect you in the palm of my hand and shelter you from the wind and rain."

As soon as these words were spoken, Lian Feng's heart seemed to have melted. Her body trembled as if her strength had been sucked out. She looked at this man affectionately and felt touched.

*I'm actually so important to him??* Lian Feng couldn't help but ask herself. She admitted that she had completely fallen for him. *Ah... Damn it, saying such mushy things.*

For a moment, she could not control her heart. Her cold persona seemed to have collapsed.

Lian Feng pursed her lips and said, "Stop talking... You're my only one too."

Lian Feng's words made Ye Qiu instantly excited. This was the first time he had heard Lian Feng say such a thing since they started dating. He was so excited that it was difficult to hide. Just as he was about to say something, he was kissed by her.

"Oh..."

Ye Qiu's body stiffened as he felt that sweet kiss.

Oh... He had a feeling.

"F\*ck!"

This scene fell into the eyes of the Purple Lightning Cloud Swallowing Beast. He was instantly shocked and shouted loudly.

“Oh, as expected of Big Brother. She’s being controlled just like that? Hehe... Looks like this secret manual is indeed useful.”

The more the Purple Lightning Cloud Swallowing Beast watched, the more excited he became. He wished he could find a girl to test it out.

This was too useful. He managed to get a girl with just a few words?
