Chapter 336: Very Violent, But I Like It

“Big Brother is awesome!”

The two of them kissed affectionately, and a third wheel was standing beside them, shouting.

Ye Qiu really couldn't take it anymore. It wasn't easy for him to bring the atmosphere here, but there was a shit stirrer standing beside him. Who could tolerate this?

In an instant, Ye Qiu immediately raised his sword. Before he could do anything, Lian Feng had already slapped over.

“You rash thing, I'll slap you to death.”

Not to mention him, even Lian Feng couldn't take it anymore. He had messed up what was originally quite romantic.

“F*ck!”

Ye Qiu's heart tightened as he stared blankly at the furious Lian Feng who suddenly slapped the Purple Lightning Cloud Swallowing Beast flying.

Was she that fierce?

This was the first time he had seen Lian Feng so angry. He did not expect such a cold goddess to be so fierce.

Scary, scary.

The scene was extremely bloody as Lian Feng's two fair hands ferociously slapped the handsome face of the Purple Lightning Cloud Swallowing Beast.

Ye Qiu couldn't bear to look at it. It was too tragic. Such a handsome and domineering face was beaten into a pig's head just like that.

.....

“Big Brother, save me, Big Brother...”

Lian Feng was furious. The Purple Lightning Cloud Swallowing Beast was also unable to withstand her attacks for a moment and shouted for help. In just a few seconds, he had already endured hundreds or thousands of attacks from Lian Feng. His face was swollen.

Fortunately, his skin was thick enough to withstand a beating. Otherwise, he might have lost half his life.

Hearing his cry for help and looking at his furious wife, Ye Qiu turned his head and pretended not to hear him.

Boom!

With a loud bang, the Purple Lightning Cloud Swallowing Beast was successfully sent flying by Lian Feng and fell ruthlessly onto a huge mountain. His huge body instantly pressed the huge mountain to the ground, stirring up dust.

The furious Lian Feng finally calmed down after venting her anger.

“Phew...”

She panted heavily and was extremely tired. She turned around and saw Ye Qiu looking at her blankly.

Lian Feng’s heart tightened. She suddenly wondered if she had been too violent just now and scared him.

Looking at Ye Qiu’s current expression, she couldn’t help but recall her senior sister’s words. Her senior sister had said that girls had to be gentler in front of their partners and not appear too violent. Even if they were really strong, they had to pretend to be weak. Only then could they arouse the other party’s desire to protect them, which would help maintain their relationship.

Thinking of this, Lian Feng’s heart tightened. She suddenly felt that what her senior sister said made sense. As expected of a senior sister who had more than ten Dao companions. She was experienced.

“Oh...” After thinking seriously for a while, Lian Feng said seriously, “Love is so troublesome.”

Her way of doing things was as straightforward as her personality. If she could solve problems in the simplest way, she would definitely not beat around the bush.

After thinking about it, she decided. She didn’t like to pretend, nor did she like to hide things. Since it was someone she liked, she would be honest with them and do whatever she wanted.

After a while, Lian Feng returned to Ye Qiu’s side and asked in a very cold tone, “Was I very violent just now?”

Ye Qiu was shocked when he heard this. Was this a suicide question? He hurriedly shook her head. “How could that be? You’re not violent at all.”

“Say the truth.” Lian Feng knew that Ye Qiu was fooling her and said unhappily.

Seeing that she was so serious, Ye Qiu was amused and smiled. “Since you want to hear the truth, I’ll tell you the truth. Well... it’s violent and bloody. But... I like it.”

Lian Feng could tell that Ye Qiu wasn’t lying when she saw his faint smile. She was instantly delighted and could not help but question her senior sister.

“Looks like Senior Sister isn’t entirely right.”

To be honest, Ye Qiu liked Lian Feng’s true personality. She wasn’t pretentious and was straightforward. Bloody and violent aesthetics, a peerless beauty who’s valiant and heroic. Her style had always been cold and valiant. She was quiet and capable.

Moreover, she never complained. Everything she did was for Ye Qiu’s sake. She was simply the perfect wife. How could he not succeed with such a good wife?

Thinking of this, Ye Qiu couldn't help but secretly rejoice. Looks like that longevity medicine back then wasn't a loss. He had profited greatly, okay?

Turning around, the Purple Lightning Cloud Swallowing Beast struggled to get up from the pit. That handsome face was already bruised and swollen, looking extremely comical.

"Aiya... It hurts so much. This damn woman is so ruthless."

The Purple Lightning Cloud Swallowing Beast cursed. He didn't know what mistake he had made. His performance just now was clearly quite good. He was a good student who studied humbly. Why was he suddenly being beaten up?

Ye Qiu arrived beside him in a step. He smiled unkindly when he saw his sorry state.

"Haha, you deserve it. Who asked you to talk nonsense?"

The Purple Lightning Cloud Swallowing Beast rolled his eyes and grumbled. "You're so disloyal. Didn't you say that you would protect me if I followed you? Why did you turn invisible at the critical moment?"

Facing his question, Ye Qiu felt guilty. He turned around to look at the cold Lian Feng and said guiltily, "I'll tell you the truth. In this world, other than her, I can help you kill anyone who dares to bully you. But she can't. I can't handle her."

The Purple Lightning Cloud Swallowing Beast was extremely smart and instantly understood what Ye Qiu meant.

So this woman was his brother's Dao companion. He finally understood why Ye Qiu didn't dare to attack just now. He looked at Lian Feng behind him with lingering fear. He had been traumatized.

He whispered, "Big Brother, are you afraid of your wife?"

As soon as he finished speaking, two punches flew towards his face.

"Aiyo, you hit my face again. Don't hit my handsome face again, or I'll fall out with you."

Ye Qiu said unhappily, "There's no man in this world who's afraid of his wife. There's only a man who dotes on his wife. When you find someone you really like one day, you will understand my current situation."

Hearing Ye Qiu speak so seriously, the Purple Lightning Cloud Swallowing Beast immediately perked up. To be honest, he had never experienced this feeling. He looked forward to it. Although his mouth was a little cheap, his heart was still very pure and kind.

"Big Brother, what kind of feeling is this?"

He couldn't help but ask. He was gradually engrossed and forgot the pain on his face.

Ye Qiu smiled and patted the horn on his head. "You'll understand in the future. Anyway, it's very beautiful and magical. You'll definitely like this feeling."

Hearing Ye Qiu's strange words, the Purple Lightning Cloud Swallowing Beast was interested and wanted to experience it. However, when he looked up, he saw that there was no other woman within a hundred miles.

And Lian Feng was his big brother's, so he didn't dare to offend her. This worried him.

"Girl, I want a girl..."

The Purple Lightning Cloud Swallowing Beast shouted a chuunibyou slogan and struggled to stand up again. It was as if he had been injected with chicken blood and was instantly revived.

Indeed, girls were the source of endless motivation. They were the fuse of war, existences that could make a tough man go crazy.
