### Chapter 339: Has He Always Been So Brave?

“Hmm?”

As soon as this voice sounded, it was as if it had touched the flood dragon’s reverse scale. In an instant, a shocking killing intent locked onto him. He looked up at the sky coldly and found the source of the voice.

“It’s you?”

That’s right, the person who said this was none other than the Purple Lightning Cloud Swallowing Beast.

The killing intent in the flood dragon’s eyes became even colder when he saw his old acquaintance.

Meeting the flood dragon’s gaze, the Purple Lightning Cloud Swallowing Beast had a disdainful expression on its face. He looked down from above and had a proud demeanor. That mighty and domineering body and insufferably arrogant gaze instantly shocked everyone present.

“This guy...”

Even Cai Ling, who was in the chaos, was shocked by his dominance when she first saw him. She did not expect that someone would not fear the pressure of the flood dragon and dare to stand up for her when she was in danger.

Moreover, the other party actually had a noble bloodline that was not inferior to a flood dragon, the descendant of a divine beast.

For a moment, she was a little touched. This was the indomitable man in her heart. He wasn’t afraid of power and dared to speak up for injustice.

She looked dazedly at the mighty and domineering body of the Purple Lightning Cloud Swallowing Beast. His entire body was suffused with the violent aura of purple lightning. Ordinary women really could not resist the temptation of this domineering aura.

It had to be said that the Purple Lightning Cloud Swallowing Beast’s tens of thousands of years of cultivation on appearances was not completely useless.

The atmosphere gradually froze. After hearing the source of this voice for the first time, Ye Qiu was a little frightened. He turned around and looked at the Purple Lightning Cloud Swallowing Beast, who was pretending to be fine, and was secretly shocked.

.....

*Was this guy always so brave? When did he become so brave? Is this still the second brother I’m familiar with?* Ye Qiu was stunned as many questions popped up in his mind.

*Hmm????* Not to mention Ye Qiu, even Lian Feng found it unbelievable. She roughly understood the personality of the Purple Lightning Cloud Swallowing Beast.

His actions sent out a series of question marks. How dare he?

“Qiu, is this guy possessed? Why did he suddenly become so brave?”

Lian Feng gently tugged at Ye Qiu’s clothes. That dazed expression formed a huge contrast with his cold persona. At this moment, he looked quite cute.

Ye Qiu was stunned for a moment before nodding. “Yes... This is probably the power of love.”

“Hmm? Where did he get love from?”

Lian Feng was stunned and a little confused.

Ye Qiu smiled without saying anything. He looked at the flood dragon below with shocking killing intent in his eyes.

The atmosphere in the surroundings gradually froze. A shocking battle was about to arrive. This was the calm before the storm.

Ye Qiu really couldn’t understand the Purple Lightning Cloud Swallowing Beast’s abnormal actions. He thought for a moment and said, “Let’s wait and see. There’s no hurry.”

After an unknown period of time, the flood dragon finally spoke. He said coldly, “I was wondering who it was. Isn’t this a coward who has been hiding in the void barrier for tens of thousands of years and doesn’t dare to come out? Why? Do you think you can do it after not seeing you for thousands of years?”

The flood dragon said with disdain. Others might be frightened by the mighty appearance of the Purple Lightning Cloud Swallowing Beast. After all, most people who looked like this were not that weak.

However, the flood dragon was different. He knew the background of the Purple Lightning Cloud Swallowing Beast very well and had fought with him before. He knew that this guy’s cultivation was used for styling. His actual combat strength was just trash.

Seeing that the flood dragon was about to expose his background, the Purple Lightning Cloud Swallowing Beast immediately panicked. He could not lose his aura in front of his goddess.

“Shut up!” He shouted coldly and said domineeringly, “You’re just a bastard. How dare you talk about me, the descendant of the divine bloodline?”

“Hiss...”

Ye Qiu instantly sucked in a breath of cold air. Damn, did this guy take the wrong medicine today? Why was he so brave?

As soon as the Purple Lightning Cloud Swallowing Beast said this, the flood dragon’s expression instantly froze.

That’s right, he was indeed a bastard with an impure bloodline. Otherwise, he would have long broken through to the Perfected Immortal realm.

It was also because of this that he wanted to absorb the blood of the Purple Lightning Cloud Swallowing Beast to condense his divine blood and godhood and refine his bloodline to purity to get rid of the title of a bastard.

This was also the reason for their conflict. Unfortunately, although the Purple Lightning Cloud Swallowing Beast's combat strength was poor, his escape ability was indeed top-notch.

Back then, he had chased after this guy for a hundred years, but he had never caught up to him.

The flood dragon was furious when it heard the Purple Lightning Cloud Swallowing Beast mention its reverse scale again.

"Good, very good... You have guts."

The flood dragon gritted its teeth in pain. Its eyes were filled with killing intent, and it didn't even care about Cai Ling. He successfully transferred the hatred to the Purple Lightning Cloud Swallowing Beast.

It had to be said that the Purple Lightning Cloud Swallowing Beast's hatred was maxed out.

"I hope you won't regret your words later." The flood dragon said coldly. Black runes began to appear on its body, and killing intent gradually rose.

Seeing this scene, the Purple Lightning Cloud Swallowing Beast, who was originally pretending to be calm, immediately panicked. He was not a fool. He naturally knew that he was no match for the other party.

The reason why he did this was because he had learned Ye Qiu's pick-up skills. He was pretending to attract the goddess' attention.

Clearly, his goal had been achieved. He had indeed attracted the attention of the goddess, and she was looking at him with admiration.

However, he was not willing to fight the flood dragon.

Seeing that the flood dragon was about to attack, the Purple Lightning Cloud Swallowing Beast said disdainfully, "Hmph, a mere bastard dares to be impudent in front of me? You want to fight me? You're not worthy. Fight my brother first."

After saying that, the Purple Lightning Cloud Swallowing Beast walked behind Ye Qiu seriously. His face wasn't red and he was very calm. It was as if this was nothing to him.

However, Ye Qiu was stunned when he heard this.

*What does that mean? You want me to do the work after you finish bragging? Damn, when did this kid learn this move? I didn't teach him this.*

Ye Qiu was stunned. This guy was f\*cking pretending, yet he wanted him to do the hard work?

"Hey, aren't you going too far? Why should I clean up your mess?" Ye Qiu said unhappily.

The Purple Lightning Cloud Swallowing Beast smiled slyly, “Hehe... Big Brother, you said that you would help me pick up girls. Look at that little beauty. Her eyes are filled with admiration. I’m just one step away from such a rare opportunity. You can’t stand by and do nothing.

“Big Brother, go ahead and torture him ruthlessly. I’ll go up and brag again. This matter will definitely succeed.”

After hearing his words, Ye Qiu was speechless, not knowing how to refute.

“Then why don’t you do it yourself? Wouldn’t the effect be better if you defeated him yourself?” Ye Qiu said unhappily.

The Purple Lightning Cloud Swallowing Beast smiled bitterly, “Hehe, Big Brother, you know me. Although this little loach is a bastard, it still has something. If I could defeat him, I would have done it long ago.”

He did not hide anything at all. Even if he could not defeat him, there was nothing he did not dare to admit.

However, Ye Qiu had no choice but to be a tool for his good brother’s happiness.

There was no choice. He had accepted the benefits and bragged. He still had to do what he needed to do.
