Chapter 341: You're Not Worthy

"Domineering!"

Cai Ling's dim eyes gradually regained their light after saying this. It was as if she had seen a hero standing in the light, emitting an incomparably dazzling light. Gradually, her eyes began to fill with admiration.

Seeing this scene, the Purple Lightning Cloud Swallowing Beast immediately panicked.

"F*ck, this atmosphere isn't right! Didn't you say that you would help me pick up girls? Why are you bragging?"

The Purple Cloud Swallowing Beast panicked completely. This should have been his show. Shouldn't Cai Ling be convinced by his dominance? Why was she looking at Ye Qiu in the blink of an eye? Wasn't he handsome?

This sudden change caught the Purple Lightning Cloud Swallowing Beast off guard.

"No, looks like I have to do something."

He thought to himself that his goddess could not be snatched away just like that. He had to do something.

The flood dragon's expression immediately became extremely ugly after Ye Qiu said this. His killing intent gradually soared. He was completely furious.

Yes, this fire was started by Ye Qiu.

"Haha... good, very good..."

The flood dragon's eyes were filled with killing intent as he spoke coldly. He, a dignified True Dragon descendant, was actually mocked by a human cultivator today? Easily? How arrogant and disdainful was this?

"Kid, there's a price to pay for bragging. I want to see how you'll do it easily today."

.....

In an instant, the battle was about to begin. The flood dragon roared into the sky. Suddenly, a violent wind rose, sweeping up ten thousand miles of the sea. A powerful aura crushed over, and the waves were slapped away. A shocking power ruthlessly slapped over.

Ye Qiu strolled leisurely and watched the scene in front of him. His right hand moved slightly and he instantly slapped down. A terrifying power poured out. A shocking power instantly suppressed the wave.

The violent wind slapped back with an absolute suppression. At first glance, the figure above the Nine Heavens had a peerless aura.

“Hiss...”

“What a powerful palm force. Is this an immortal technique?”

For a moment, everyone present was scared silly. Even the flood dragon was shocked. He turned around and looked at the hall that had been destroyed by Ye Qiu’s palm. Cold sweat flowed down his face.

“This guy is indeed something.”

He was shocked but quickly recovered. The flood dragon still did not believe it.

The Purple Lightning Cloud Swallowing Beast also had such a method, but it was only a terrifying method. A battle of this level was not something that could be resolved with this little method.

“Hmph... You’re only so-so. Is this all you’ve got? If that’s all, then that’s it.”

Seeing that Ye Qiu didn’t continue attacking, the flood dragon became even more determined and mocked. His patience was gradually worn down, and he was in no mood to waste his breath. He had to deal with Ye Qiu as soon as possible.

Then, he would deal with the Purple Lightning Cloud Swallowing Beast and suck his divine blood dry. Finally, he would bring Cai Ling back.

Cai Ling was a descendant of the Peacock God Clan and could help him cultivate. Once he mastered the divine technique, he could ascend to the Immortal World and soar into the sky.

It had to be said that his dream was indeed not bad.

After the flood dragon said those words, its circling dragon body instantly soared into the sky, and its roar resounded through the clouds.

“Suppress!”

A strange rune instantly shot out in front of him. The destructive power instantly formed a mark and ruthlessly slapped down, wanting to end Ye Qiu in a single strike.

The moment the rune landed, Ye Qiu slowly raised his head and revealed a strange smile.

“Since you want to play, I’ll play with you.”

As soon as these words were spoken, the flood dragon’s heart trembled.

What does that mean? He was already trapped by his runes, so why was he still so arrogant?

The flood dragon did not understand, but in the next second, he understood.

Ye Qiu suddenly opened his hands. Pressure came. Brilliant golden runes floated in the air, and a dragon roar seemed to come from the sky.

“That... that’s...”

At this moment, the flood dragon completely panicked. He looked dazedly at the golden true dragon in the sky. The suppression from the soul made him lose his mind for a moment. It was as if he had really

seen a true dragon appear in the world. It was an impact from the soul and the suppression of the bloodline.

“No... impossible. Why do you have my ancestral runes on you.”

For a moment, the flood dragon was in a daze. He stared at the holy and inviolable figure in the sky as if he had seen a nightmare and fell into extreme fear.

Ye Qiu looked at him coldly and said, “You’re just a bastard. How dare you call yourself a dragon? You think you’re worthy of being called a dragon?”

Ye Qiu’s cold words were like what the True Dragon had said. The impact on the flood dragon’s heart was incomparably huge. At that moment, he suffered a huge blow in his heart and denied it.

He had always claimed to be a descendant of the dragon race, but he did not have any bloodline connection with the dragon race.

This was also the reason why the Purple Lightning Cloud Swallowing Beast said that he was a bastard.

Ye Qiu’s words directly impacted his firm heart. He began to hesitate, feel uneasy, and gradually became unconscious. When the True Dragon Golden Body appeared, it was as if it had disappeared into thin air. All his firm beliefs were denied.

“No... impossible.”

After being dazed for a few seconds, the flood dragon went crazy and roared angrily.

“I am the descendant of a true dragon. No one can question me, not even you! Die!”

He was completely crazy. His eyes were red as if he had been possessed. He charged towards Ye Qiu.

A golden light flashed and he was firmly locked in a golden cage. Dark clouds covered the sky as rolling heavenly lightning struck down.

“Have you ever felt darkness?”

The flood dragon gradually woke up and began to fall into extreme fear. This person was too strong! His methods were extremely terrifying.

In millions of years, he had never encountered such a difficult opponent.

He looked up at the surging heavenly lightning. The moment the golden light appeared, the world seemed to have become dim.

“What secret technique is this?”

This sudden change made everyone’s expressions change drastically. Looking up at the Nine Heavens, it was as if the Heavenly Dao was venting its anger. A divine punishment was underway.

“Phew...”

Cai Ling took a deep breath. This nervous and anxious battle and this ferocious and terrifying spell made her heart beat faster. This was too terrifying. Ever since she debuted, she had never seen such shocking heavenly lightning. This battle made her break out in cold sweat.

“What a ferocious attack. Think about it. If the person standing inside is me...”

Cai Ling didn't dare to imagine what would happen next. She claimed to be a genius of the same generation and was peerless.

However, when she truly saw the invincible appearance of the world, she felt inferior.

Chapter 342: Divine Sun

At this moment, the world changed.

The originally insufferably arrogant flood dragon also revealed a terrified gaze at this moment. He looked at the lightning in the sky and fell into endless fear.

Boom!

As Ye Qiu shouted coldly, thick heavenly lightning surged over and ruthlessly smashed into the flood dragon's body.

“Roar!”

A shocking scream resounded throughout the four seas, and the sky trembled.

“Hiss...”

The Purple Lightning Cloud Swallowing Beast stared fixedly at the flickering purple lightning and took a deep breath. It was only now that he truly saw his big brother's strength. He was even more amazed in his heart. His lightning laws were actually even more terrifying than hers.

“Hehe, I'm following the right big brother! He's too fierce. Good fellow, with him protecting me from behind, won't I be able to show off in the future?”

For a moment, the Purple Lightning Cloud Swallowing Beast was delighted. He revealed an evil smile and gradually became impudent. If he could learn a move or two from Ye Qiu, he could also be so fierce.

Under Ye Qiu's continuous attacks, the flood dragon became even more miserable. It could only flee crazily to avoid the lightning attacks. However, there was a spatial imprisonment power in the purple lightning law that restricted his movements, preventing him from escaping Ye Qiu's domain.

“No... I can't lose just like that.”

In its fear, the flood dragon roared in a sorry state. He did not believe that the invincible him would be defeated by a human ant. He was a peak-level Deva expert, a True Dragon descendant.

.....

With a furious roar, a shocking power erupted from the flood dragon's body. This was his last strength, and he did not hold back at all.

The surging water of the East Sea surged into the sky. Countless waves erupted as the terrifying power of laws collided.

The battle between the two supreme experts shocked everyone.

"Oh my god, these two people's strength is too astonishing. If it weren't for the restrictions of the laws of this Heavenly Palace, they would have long collapsed."

Everyone discussed it in fear.

In the void, Ye Qiu could control the clouds and rain with a flip of his hand. He controlled lightning like a god. He did not use the Immortal Slayer Sword or any sword techniques. He only used pure lightning techniques to deal with the flood dragon.

After using the Purple Lightning Cloud Swallowing Beast's lightning technique to replenish the laws last time, Ye Qiu's lightning technique was gradually perfected and his strength increased greatly.

It completely exceeded the limit of a divine technique and reached the immortal level.

However, after fighting, he slowly discovered some problems. Although the lightning technique was powerful, it was still difficult to forcefully suppress someone with an absolute realm.

"Hmm... This lecherous dragon is quite capable." Ye Qiu continued, "No, I can't waste time like this anymore. The electricity I charged from Second Brother is almost used up. Looks like I have to end the battle as soon as possible."

Thinking of this, Ye Qiu's eyes gradually became firm. The corners of his mouth curled up into an evil smile. However, this evil smile was so terrifying in the eyes of the flood dragon.

"Damn it! Who is this guy? Why are his methods so terrifying?" The flood dragon cursed in its heart.

In the beginning, he thought that Ye Qiu and the Purple Lightning Cloud Swallowing Beast were the same kind of people who liked to pretend. In reality, he did not have much strength and would be crippled in one strike.

However, as they slowly fought, he realized that this guy was really fierce and not pretending.

Damn it, I was careless. The flood dragon was afraid and gradually wanted to retreat. However, there were many experts watching, so he endured it. After all, he had the dignity of the dragon race on him. He could not leave just like that.

Therefore, he said stubbornly, "Hmph... You're just so-so. What other moves do you have? Use them."

After saying this, he panicked. He had the urge to slap himself. Wasn't he courting death by being stubborn instead of running away now? However, there were too many people watching. He did not dare to retreat, nor could he retreat. He could not lose his aura.

Hearing his tough words, Ye Qiu was silent for a while. The flood dragon was delighted when he saw this.

“Could this guy be afraid? Or was he shocked by my might and dominance just now?”

The more it thought about it, the more excited it became. The flood dragon immediately thought that it could do it again, and its expression gradually became confident.

Suddenly, Ye Qiu smiled and said, “Since you want to see my true ability, I’ll play with you today.”

As soon as these words were spoken, the flood dragon’s heart skipped a beat.

Oh no... He was too pretentious.

“Impossible. This guy fought for so long? Hasn’t he used his true ultimate move?”

The flood dragon could not believe that the other party had not taken it seriously even though it had used all its strength.

You’re exaggerating, right? Big Brother...

The flood dragon immediately seemed to have wilted. It smiled bitterly in its heart.

Ye Qiu suddenly soared into the sky and gathered his hands in front of his chest. In an instant, a wave of righteous aura suddenly erupted.

“What is this!”

For a moment, everyone present panicked. They watched as a phantom gradually appeared behind Ye Qiu. It was his phantom, like a god in the world, looking down at this world.

In the short period of the flow of laws, eleven more phantoms appeared. Every one of them was incomparably terrifying and had an astonishing aura.

In an instant, everyone was shocked.

“This... is impossible. How can there be such a law in the world?”

No one could believe the scene in front of them. They were completely shocked. Their hearts raced as they looked at the gods looking down from the Heavenly Abyss. They felt like they were looking straight at death.

“This is a supreme immortal technique?”

“No, it’s far above immortal techniques. Heavens, this guy actually grasped such a terrifying divine power.”

“What move is this?”

Everyone’s hearts trembled and their breathing became tense. Under this shocking pressure, let alone those with weak cultivation, even the Martial Monarchs and the Deva Realm flood dragon revealed incomparable fear.

Some meticulous people discovered that every time Ye Qiu’s phantoms successfully gathered, the pressure would increase.

There were a total of twelve divine true bodies. Under the stacked layers, their strength had already reached a limit.

“Damn it!”

A cursing voice came from below. The flood dragon could no longer sit still.

Hit your head. Wasn't this bullying? No, he was bullying a dragon.

In an instant, the flood dragon, who originally wanted to fight, immediately killed the desire to fight in its heart.

Run...

He would be a fool not to run now.

With a dragon roar, the flood dragon tried its best to tear open a hole, wanting to rush out of the barrier and return to the abyss.

The moment he moved, Ye Qiu suddenly opened his eyes. The twelve divine true bodies opened their eyes at the same time. At this moment, it was as if the world was enveloped by him. He was the master of this world.

Everywhere he looked, he was suppressed by this terrifying aura.

It was an aura that surpassed the limits of the world, instantly giving people the feeling that the world was about to collapse.

Chapter 343: The Use of the Charger Treasure

He watched as the flood dragon fled crazily below, trying its best to tear open a hole to escape.

Ye Qiu smiled and sneered, “Stop struggling. Under the gaze of my Divine Sun, there's nowhere to hide. Even if you escape to the ends of the earth, you won't be able to escape my grasp.”

This Divine Sun was Ye Qiu's most terrifying amplification immortal technique.

Once the Divine Sun was used, he could basically ensure his win.

Under the terrifying increase in strength, Ye Qiu's strength began to increase rapidly.

Under everyone's terrified gazes, he crossed the Martial Monarch realm and reached the shocking peak of the Deva realm. The enhancement of the twelve divine true bodies once again increased, crossing the limit of the Deva realm and reaching the terrifying strength of a Perfected Immortal.

“Oh my god, a Perfected Immortal!”

“What is this guy's limit?”

For a moment, everyone was shocked. They had never seen a terrifying secret technique that could cross two realms in one step. With such a powerful increase in strength, would there still be a match for him in the same realm?

Cai Ling's face turned pale.

"What... what kind of immortal technique is this?"

She was shocked. This was the first time in so many years that she had been so stunned. Such an invincible appearance was rare in the world. If she hadn't come to the East Sea today, she probably wouldn't have seen such a shocking technique.

What kind of experience was it to be an opponent of such an existence? She could understand the dragon's despair. Yes... the helplessness.

.....

It was the despair she had just experienced. Previously, the flood dragon could rely on its cultivation advantage to fight Ye Qiu to a draw.

However, now that Divine Sun was activated, this gap no longer existed.

This was Ye Qiu's first time using the Divine Sun. He was a little excited. Perhaps he didn't expect this move to be so terrifying. As he thought about it, the smile on his face became brighter and gradually became evil.

"Hehe... Divine Sun? Not bad, not bad. So this move has such astonishing effects. I'll have fun in the future." He thought to himself and felt a little regretful. He had placed all his focus on the Cursive Sword.

As a result, he cultivated the Divine Sun to the proficient level and did not explore further. Therefore, he could barely condense twelve divine true bodies when he activated it with all his might.

If he cultivated it to the limit of perfection and activated all twenty-four of his divine true bodies, wouldn't he be invincible?

Thinking of this, Ye Qiu immediately became excited. "This won't do. In the future cultivation, I have to put Divine Sun first and practice it first."

Ye Qiu took a step forward and twelve divine true bodies instantly locked their gazes on the flood dragon.

"Flood dragon, your crimes are unforgivable. You should be killed. Why aren't you surrendering?"

Hearing that vast and empty voice, it was as if it was the judgment of the gods.

The flood dragon roared angrily and cursed, "F*ck you, come and kill me if you have the guts."

He struggled for a long time and realized that he could not escape at all. In his despair, he turned into endless grief and indignation. As if he knew his ending, he might as well go all out.

The flood dragon gave up on the thought of escaping and adjusted its state. It was already prepared to fight to the death. He raised his head and let out a long cry. In an instant, the chaotic energy of heaven and earth erupted. As he breathed, darkness covered the sky.

The strength of a peak-level Deva gradually erupted.

Such astonishing power also shocked everyone present.

“Is this a situation of life and death? He has no way out. If he wants to leave alive, he has to fight to the death.”

Seeing this scene, everyone discussed it and began to look forward to it.

This battle was definitely the most exciting battle in the Heavenly Palace.

It was a battle between two supreme experts of the world. Although it was a little overwhelming, the flood dragon’s desperate struggle was worthy of admiration.

A powerful force gradually gathered, and the flood dragon’s aura instantly increased greatly. Seeing this scene, Ye Qiu frowned.

It had to be said that the power of the flood dragon, who had been forced into a state of despair, was indeed terrifying. It just so happened that he could borrow his life today to make the Divine Sun known to the world.

“Alright, then let me see what you have.”

Ye Qiu sneered and suddenly stretched out a hand. His energy formed a palm and grabbed the Purple Lightning Cloud Swallowing Beast.

“F*ck, Big Brother, what are you doing?”

This sudden grab caught the Purple Lightning Cloud Swallowing Beast off guard. He was in a panic.

Is there anything else for me to do? I can’t do it. I’ll only be sending myself to death in a battle of this level. Don’t drag me down with you.

The Purple Lightning Cloud Swallowing Beast immediately panicked and tried his best to break free from Ye Qiu’s shackles. Suddenly, he felt a shocking suction force coming from Ye Qiu’s palm force. The endless lightning power in his body was crazily absorbed by Ye Qiu.

What was he doing?

Ye Qiu’s strange actions immediately stunned everyone present.

The purple lightning continuously gathered towards Ye Qiu. The moment the purple lightning entered his body,

Ye Qiu seemed to have obtained great satisfaction.

“Ah, awesome...”

He let out a long cry. It was extremely comfortable, as if he was filled to the brim. He immediately felt refreshed.

It was comfortable to have a charger with him. What was there to be afraid of?

Everyone below was dumbfounded when they saw his intoxicated expression.

The corner of Cai Ling's mouth twitched. She suddenly felt that the man in front of her was a little indecent. At first, she thought that she might not be worthy of him. Now, it seemed like... she was.

"Pfft..."

Even the usually cold Lian Feng could not help but laugh at this scene.

"We will never guess what he will do next."

Her eyes were filled with admiration and she found it very fun.

In less than a moment, Ye Qiu was revived. He felt refreshed and his aura instantly increased.

"Ah... comfortable."

Ye Qiu let go of the Purple Lightning Cloud Swallowing Beast in high spirits. The smile on his face gradually became impudent.

Under the shocking increase of the Divine Sun, he gently raised his hand. His hand was filled with destructive lightning that was gradually wreaking havoc.

"Hehe... This power is violent enough. I wonder if I can kill him in one strike?"

Ye Qiu looked forward to it. He looked down coldly and prepared to test it.

"Come on, my time is limited. Let's see if I can kill you in one move. If not, I'll let you live today." Ye Qiu said coldly. These words were extremely humiliating to the flood dragon.

He flew into a rage out of humiliation and roared, "Arrogant brat, you actually dare to humiliate me like this. Come at me if you have the guts. If your Grandpa Dragon frowns today, I'll take your surname."

Before he could finish speaking, dark clouds turned around and lightning flashed in the sky.

Ye Qiu's figure flashed and he was above the chaos. In an instant, the lightning in his hand suddenly erupted.

"On behalf of the heavens, execute evil!"

With a cold shout, a shocking heavenly lightning instantly smashed down. The extreme power seemed to have pierced through the entire void.

Boom!

The strike that crossed the void was extremely fast. The flood dragon barely had time to react before it was struck.

"Pfft..."

Chapter 344: Who Else?

The flickering lightning ruthlessly shattered the darkness.

Outside the Nine Heavens, the raging storm was like the roar of a true dragon in the violent wind.

Under the terrifying enhancement of the Divine Sun, in less than a moment, a huge body smashed into a hall.

“Pfft...”

The flood dragon spat out a mouthful of blood. Its aura began to dim and its vitality rapidly decreased. He had lost. Facing this move, he had no way of fighting back. Even if he used his inherited secret technique in the end, he was still unable to save the situation. His eyes were filled with despair as he looked at the god-like figure in the sky. He was no longer as lawless as before.

Boom!

The furious lightning streaked across the sky again and ruthlessly struck the dragon’s body under everyone’s gaze.

At this moment, he completely closed his eyes.

“Hiss...”

This shocking scene stunned everyone present and they all sucked in a breath of cold air.

“F*ck, isn’t this too ruthless? He still wants to whip the corpse after he dies...”

Everyone could not bear to look at the corpse that had been struck until it was charred on the outside and tender on the inside.

Everyone felt their scalps go numb as they looked up at the divine true body.

.....

“This guy is too terrifying! Damn it, whoever provokes him will definitely be unlucky for eight lifetimes.”

“Too ferocious. Their methods are each more ferocious than the other. It’s simply torture to be opponents with such a person.”

For a moment, everyone present had the same thought.

Today’s battle could be considered the opening battle of the Divine Sun, allowing this secret technique that had been lost for many years to reappear in the world.

The battle ended. Suddenly, a figure darted past Ye Qiu and quickly arrived in front of the flood dragon’s corpse.

It was none other than the Purple Lightning Cloud Swallowing Beast.

When he arrived in front of the flood dragon’s corpse, he kicked it twice worriedly. After confirming that the other party was dead, he immediately revealed a confident smile.

“Hehe... Little bastard, aren’t you arrogant? If you have the guts, stand up and fight me one-on-one.”

The Purple Lightning Cloud Swallowing Beast was furious when he recalled his painful experience of being tortured by the flood dragon.

Now that he saw him die, the anger in his heart was finally relieved.

The Purple Lightning Cloud Swallowing Beast immediately felt refreshed as he looked around and felt the respectful gazes around him.

Awesome... It felt so good. For millions of years, I've never bragged before. Today, I finally had the urge to show off. It was too awesome. As expected, I could only brag if I followed the right big brother.

He sorted out his emotions and changed to a very domineering expression as he looked at all living beings disdainfully.

He shouted, "Who else?"

No one dared to meet his gaze.

Everyone thought to themselves, *"His brother is already so powerful, he's probably even more ferocious. We'd better not provoke him. Yes, yes, yes. I think so too. Bear with it for a while and everything will be fine. Take a step back, your life is more important."*

Seeing how everyone was angry but did not dare to say anything and looked afraid, the Purple Lightning Cloud Swallowing Beast immediately felt that he could do it again.

"Oh my god, this is too awesome. What kind of immortal experience is this?"

He was so happy that he almost laughed out loud. He was a little fearless. In his words, his big brother was right in front of him. If you're awesome, come and fight me.

He had managed to brag.

After having a good time showing off, the Purple Lightning Cloud Swallowing Beast quickly arrived in front of the dragon's corpse and dug out an inner core from its body. It swallowed it in one go without any hesitation.

In an instant, the world changed. The inner core that contained tens of thousands of years of cultivation was instantly devoured by him.

"Burp..."

After a while, the Purple Lightning Cloud Swallowing Beast burped in satisfaction, and his aura suddenly underwent a tremendous change.

Even Ye Qiu was shocked when he saw this.

"Damn, this guy... takes everything for himself?"

Ye Qiu could clearly feel that the Purple Lightning Cloud Swallowing Beast's strength was rapidly increasing. His cultivation actually showed signs of breaking through to the Perfected Immortal realm. Moreover, he had also absorbed the power of the flood dragon's runes, strengthening his physical defense and increasing his strength by several times.

Ye Qiu was stunned. He hadn't thought of this, so the Purple Lightning Cloud Swallowing Beast beat him to it. What made him most speechless was that he was the one who killed the flood dragon, and he was the one who did the hard work.

Why did it seem like he was working for the Purple Cloud Swallowing Beast?

The worst thing was that he finished bragging alone.

After devouring the inner core of the flood dragon, the Purple Lightning Cloud Swallowing Beast emitted a dazzling purple light. In the blink of an eye, his body began to rapidly shrink, about the height of an adult.

He did not choose to take human form. Perhaps it was because he was extremely confident in his race's appearance and thought that he was very handsome.

On the other side, the Purple Lightning Cloud Swallowing Beast was still intoxicated when Ye Qiu flew over with a black face.

He said unhappily, "Second Brother, it's not a good habit to eat alone."

Hearing this, the Purple Lightning Cloud Swallowing Beast's heart skipped a beat. He hurriedly explained, "Big Brother, I didn't eat it alone. This inner core is mine to begin with. Back then, this lecherous dragon slept calmly, ambushed me, and snatched my inner core. Today, it's just returning it to its owner."

After hearing his explanation, Ye Qiu felt relieved. After all, he didn't want to work for others. He had always been the one who tricked others. When was it anyone's turn to trick him? He was just feeling uncomfortable just now.

"Don't do it again."

Ye Qiu nodded and looked at the flood dragon's corpse below, thinking about what other valuable treasures he had. This was the corpse of a Deva Realm expert, not to mention that it was a true dragon descendant. Its entire body was filled with treasures, so he could not waste it.

Just as Ye Qiu was worrying, Lian Feng flew over with a small knife in her hand and said indifferently, "This little loach's scales are a good treasure. Its defense is extremely strong. You can take it back and refine a few precious armors for your two disciples to protect themselves."

Before Ye Qiu could say anything, she had already begun to dismember the corpse. Her movements were very agile.

After collecting the scales, she returned to Ye Qiu's side in satisfaction. She divided the scales she had arranged into two parts and said, "These 108 scales can be combined with ice-attribute treasures to refine an ice armor. These 108 pieces can be combined with fire-attribute treasures to refine fire armor. One for Qingzhu and one for Wan'er. Just nice."

It had to be said that as a mistress, she was quite concerned. She cared more about his disciples than Ye Qiu.

Ye Qiu sweated. He thought for a moment and hesitated for a moment before saying, "Only two?"

When Lian Feng heard this, she was stunned for a moment. She said with a blank expression, "Two is enough. One for each."

Ye Qiu was silent for a moment before saying, "Actually, I have a little disciple... She should be eight this year."

Lian Feng : "..."

Chapter 345: Cai Ling's Gratitude

Lian Feng was stunned and speechless. She had never heard of Little Linglong. She had seen Lin Qingzhu and Zhao Wan'er before. She quite liked these two little girls, who were very considerate. However, she had yet to see this little disciple. She did not know if she was cute.

After hesitating for a while, Lian Feng flew down silently. She took out her knife again and prepared to perform another tissue separation surgery on the flood dragon's corpse.

Poor flood dragon. It still had to be whipped after it died. It was too tragic.

"Big Brother, has my sister-in-law always had this personality?"

The Purple Lightning Cloud Swallowing Beast was a little afraid when he saw Lian Feng's simple and crude actions. He had not forgotten the scene of Lian Feng beating him up.

Ye Qiu glanced at him and said, "What's wrong? Is there a problem?"

"No... no... I'm just a little curious. How did you subdue such a powerful woman?"

Ye Qiu smiled and said, "Simple. As long as you study my pick-up book seriously, you can do it too."

"Really?"

The Purple Lightning Cloud Swallowing Beast was excited when he heard this.

The two of them were secretly discussing something when a colorful figure suddenly flew in front of them.

The Purple-Lightning Cloud Swallowing Beast looked up and realized that it was Cai Ling. He immediately changed into his usual domineering demeanor.

"Beautiful Princess Peacock, how can I help you?" He said with a gentlemanly expression.

.....

Cai Ling ignored him. Instead, she bowed to Ye Qiu and said gratefully, "Thank you for saving my life. I can't thank you enough. I don't know how to thank you for saving my life. If you don't mind..."

At this point, she hesitated for a moment.

Ye Qiu was stunned for a moment when he saw her clear and moving eyes filled with endless gratitude. He looked at the worried Purple Lightning Cloud Swallowing Beast in front of him and said, "Don't thank me. If you want to thank someone, thank my brother. He saved you."

It had to be said that Cai Ling was indeed very beautiful. However, he had a good wife at home, so Ye Qiu was no longer in the mood to flirt. No matter how fragrant the wild flowers outside were, they were not as fragrant as his cold little wife.

Hearing Ye Qiu's words, Cai Ling was a little disappointed. She could see the coldness in Ye Qiu's words and couldn't help but feel depressed. She turned around and looked at the busy Lian Feng, understanding their relationship.

She only sighed in her heart.

When the Purple Lightning Cloud Swallowing Beast heard this, he immediately looked at Ye Qiu gratefully and gave him a praising look. *?I love you to death, Big Brother.*

With an expectant gaze, the Purple Lightning Cloud Swallowing Beast's expression seemed to be saying, "Hurry up and thank me. Hurry up, hurry up."

Cai Ling glanced at him and the corner of her mouth twitched. Why did she have a strange feeling that this guy was not too serious?

Was it her imagination? He clearly looked quite serious. He had a mighty and domineering figure, and that insufferably arrogant gaze. No matter what, he could be considered an indomitable man, right?

However, her sixth sense told her that this guy was not a proper divine beast.

After hesitating for a moment, she still bowed to the Purple Electric Cloud Swallowing Beast and said gratefully, "Thank you for saving my life. I can't thank you enough."

Silence...

After an unknown period of time, the Purple Lightning Cloud Swallowing Beast said in a daze, "That's it? Is there nothing else to express your gratitude?"

What did she mean? Shouldn't she say that she would give herself to him? Why did the atmosphere change when it came to me?

"Pfft..."

Ye Qiu couldn't help but laugh at the Purple Lightning Cloud Swallowing Beast's reaction.

"Haha!"

It seemed that the old saying had come true. This kind of trick was only suitable for handsome people. Sigh, this was a charm that made one obsessed but had nowhere to place it.

Cai Ling was a little confused by the Purple Lightning Cloud Swallowing Beast's reaction. What did he want? Could it be that he saved me with ill intentions?

Cai Ling immediately revealed a vigilant expression. Seeing this, Ye Qiu patted the Purple Lightning Cloud Swallowing Beast's head. He hurriedly explained, "Haha, Miss Cai Ling, I'm really sorry. My brother has been in the void for a long time and has a problem with his brain. He spoke without thinking. Don't take offense."

Hearing Ye Qiu's humorous explanation, Cai Ling couldn't help but cover her mouth and laugh. Her curved eyes were very beautiful.

The men present were stunned.

"Oh my god, she's really a fairy of the world. Wonderful... Too wonderful."

The wolves couldn't help but swallow their saliva. They were clearly bewitched.

Hearing Ye Qiu say this, the Purple Lightning Cloud Swallowing Beast wanted to retort but was pressed back by Ye Qiu.

Cai Ling found it funny as she watched the two of them fight. Actually, she knew very well that the person who really saved her was Ye Qiu. Therefore, the gratitude in her heart was more towards Ye Qiu.

Moreover, compared to the domineeringness of the Purple Lightning Cloud Swallowing Beast, she admired Ye Qiu's trueness more.

Unfortunately, someone had gotten him first. Furthermore, the other party was a peerless empress who was not inferior to her. She knew that she had no chance and felt very disappointed.

"Benefactor, I will remember your kindness today. If there's a chance in the future, you can come to my Peacock Clan as a guest. I will definitely treat you well."

Ye Qiu hesitated for a moment. The corner of his mouth twitched when he saw the Purple Lightning Cloud Swallowing Beast's murderous gaze. He was a little depressed, but he still said, "Yes, I'll definitely go if I have the chance."

"Alright, it's a deal."

Cai Ling left behind a sweet smile and turned into a peacock again. She emitted a seven-colored light and disappeared from everyone's sight.

After she left, the Purple Lightning Cloud Swallowing Beast could no longer sit still.

"Ah... My goddess, she flew away." He looked at Ye Qiu with a murderous gaze and said indignantly, "Big Brother, you're too much. Didn't you say that you would find me a girl? Why are you flirting with her?"

Ye Qiu spread out his hands and said, "I didn't do anything. How can you blame me?"

"I don't care. You said it yourself. You took my treasure and did my thing. Think of a way to resolve it."

The Purple Lightning Cloud Swallowing Beast was furious. It wasn't easy for him to be tempted, but the goddess chose Ye Qiu.

His heart ached.

The Purple Lightning Cloud Swallowing Beast naturally knew that Ye Qiu was really helping him flirt, but it was useless. If he was the one who had suppressed the dragon just now, the outcome would probably be different.

However, his strength did not allow him to show off.

It was unbearable.

Ye Qiu thought for a moment and said, "Second Brother, don't panic. If this doesn't work, then we'll go for the next one. There's never a lack of peerless girls in this world. As long as you're outstanding enough, you'll definitely be able to find a suitable Dao companion."

The Purple Lightning Cloud Swallowing Beast was doubtful. "Really?"

"When have I ever lied to you?"

Hearing Ye Qiu say it so sincerely, the Purple Lightning Cloud Swallowing Beast chose to believe him again.

"Alright, the next one is even better. The next one is even better."

This guy was really heartless. He was just calling her a goddess, but he forgot about it in the blink of an eye.

Chapter 346: Something Is Gradually Wrong

They watched as the colorful light bloomed in the chaos.

Ye Qiu couldn't help but think of a poem.

The peacock flew southeast.

He praised in his heart and came back to his senses. He realized that Lian Feng had unknowingly appeared beside him and was looking at him with an extremely cold gaze.

Ye Qiu was stunned. He felt like he had been caught looking at a beauty.

After an unknown period of time, Lian Feng's mouth moved slightly. She gritted her teeth and said coldly, "Is she beautiful?"

"Uh... No. She's not as beautiful as my Lian'er. In my heart, you are the most beautiful person in the world. No one in the world can compare to you." Ye Qiu said guiltily.

Lian Feng glanced at him and didn't blame him. She looked at Cai Ling who was leaving. After an unknown period of time, she pursed her lips. No one knew what she was thinking, but she took out a golden stick and threw it to Ye Qiu.

"This is a Dharma artifact I plundered from the flood dragon. From the quality, it should be a sealed immortal artifact. I don't know what use it has. Take it and slowly study it."

She did not care much about these Dharma artifacts because she did not like such weapons. After all, it was really a little inappropriate for a girl to play with a stick all day long. This wasn't her style either, so she directly threw it to Ye Qiu to see if he had any wild disciples outside who were suitable for this weapon.

Ye Qiu looked at the rusty rod that was emitting a faint golden light and took it in confusion. He was suddenly stunned for a moment, "Hmm... Jingu Rod?"

“What Jingu Rod?”

Lian Feng was stunned. Could it be that Ye Qiu knew this thing?

.....

Ye Qiu didn't answer. He just waved his arm. In an instant, the rust on the rod was shaken off, and an intense golden light instantly erupted.

This sudden change attracted the attention of everyone present.

“What's that?”

Everyone was puzzled. They felt the powerful immortal aura from the Jingu Rod and were instantly shocked.

“Immortal... Immortal artifact?”

“F*ck, this guy obtained another immortal artifact.”

It was fine if they didn't look, but when they saw it, everyone immediately revealed envious gazes. Damn it, his luck was too good. There was such an unexpected gain while he was bragging?

Compared to their shock, Ye Qiu was more surprised and excited. He waved the Jingu Rod in his hand and clearly saw the words, Ruyi Jingu Rod.

“Haha, I didn't expect there to be such a thing in this world. Interesting.”

Ye Qiu was delighted when he felt the terrifying power coming from the Jingu Rod. He could feel that the quality of this Jingu Rod was at least a low-grade immortal artifact. Its power was somewhat weakened because it had been sealed for many years and its aura had been hidden.

Therefore, from the looks of it, it did not seem to be lethal, but if it encountered a suitable owner, its power might be different.

In his joy, Ye Qiu didn't forget to explain, “This rod is called the Ruyi Jingu Rod, also known as the Sea-Calming Divine Needle.

“It's an ancient immortal artifact. It's extremely powerful. It can be big or small and can extend or shrink.”

At this point, Ye Qiu glanced at the surrounding people and put away the Sea-Calming Divine Needle.

Then, he looked at the cute Lian Feng and continued, “Its exact origin is unknown. However, since it appeared in the hands of the flood dragon, this weapon must be a treasure of the Ancient Heavenly Palace, right?”

After hearing Ye Qiu's explanation, Lian Feng nodded doubtfully. She still didn't quite understand. She said in a daze, “It can be big or small, it can extend or shrink. Is it that magical?”

“Of course, this rod is an ancient immortal artifact that contains the profundities of endless Dao. It can reach the sky and stabilize the sea. With the might of a dragon, it swept through the surroundings as no one could control it.”

The more Ye Qiu spoke, the more ridiculous it became, and the more Lian Feng listened, the more interested she became. She immediately stretched out her hand and said proudly, "I don't believe it. Let me see."

Ye Qiu smiled and said, "Lian'er, actually, this Sea-Calming Divine Needle isn't much of a treasure. I actually have one rod on me too. It's even more powerful than this. Do you want to experience it?"

Lian Feng's eyes lit up when she heard this. She asked curiously, "You have one too?"

"Yes, how can there not be?" Ye Qiu said seriously.

Lian Feng's interest was piqued. She didn't understand what Ye Qiu meant. Perhaps her senior sister hadn't taught her anything about this.

Pursing her lips, an image seemed to have appeared in Lian Feng's mind. On the endless peak of the East Sea, Ye Qiu held a huge rod and swept through the surroundings in anger.

No, no, I want to see. I want to see. Curious, Lian Feng said, "Can that one of yours become bigger and smaller too?"

When Ye Qiu heard this, he almost couldn't help but laugh.

Haha...

Suddenly, he felt a sense of evil in his heart. He felt a little guilty to lie to his wife when he looked at her innocent appearance.

She was not an old driver like Ming Yue where she understood everything. Her inner world was very simple. There might only be emotions. Even dating was taught by her senior sister bit by bit.

Seeing that she was so curious, Ye Qiu smiled and said, "To become bigger and smaller, to be able to extend and shrink is secondary. The main thing is that it can also let you experience the joy of an immortal. Lian'er, do you want to experience it?"

As he spoke, his smile gradually became evil.

Lian Feng didn't hear anything and muttered, "There's such a magical thing in this world? Hmm... It can be big or small, it can extend and shrink? It can also let me experience the happiness of an immortal? What kind of strange thing is this? I don't understand..."

It turned out that she was inexperienced and indeed did not know. She could not imagine that scene, nor could she imagine that kind of happiness. She proudly stretched out her hand again and said, "Give it to me. I want to see what kind of strange thing it is."

*F*ck, for real??* Her sudden outstretched hand gave Ye Qiu a fright. *Baby, you can't see this now. There are so many people present. We have to go home before you see it.*

Ye Qiu sweated. He had miscalculated. He had miscalculated Lian Feng's curiosity about new things and how simple she was.

With a smile, Ye Qiu leaned close to her ear and gently kissed it. He whispered, "Lian'er, this treasure is too shocking. It can't see the light of day. Otherwise, it will attract bad effects. If you want to see it, I'll definitely let you see it to your heart's content when we find a deserted place later."

Lian Feng still didn't understand what he meant. Her expression was slightly adorable. She looked at her surroundings and was very puzzled.

"Oh... Is this thing so magical? It can't be exposed?"

After thinking about it seriously, Lian Feng gave up on wanting to see it. Since Ye Qiu said that he couldn't take it out casually, he definitely wasn't lying to her. This was because Ye Qiu had never hidden anything from her. As long as she asked for the Longevity pill, Ye Qiu would give it to her without hesitation.

Not to mention immortal artifacts.

Therefore, she was very at ease.

Chapter 347: Celestial Thearch's Treasure Vault

"Un," After thinking for a long time, Lian Feng nodded seriously and said, "Alright, you must show me when you have time."

She made a note. She really made a note.

Ye Qiu had successfully piqued her curiosity. Now, he had no choice but to show it to her. If it weren't for the fact that it was inconvenient here, she would want to see what kind of thing it was.

It was actually so magical? It could be big and small? It could extend and shrink? She had seen all kinds of treasures, but this was the first time she had heard of such a new thing.

Yes, she had to take a look and study it when she had time.

"Haha!"

Ye Qiu couldn't help but laugh when he saw how serious she was. He wondered what kind of surprised reaction she would have when she really saw it. He was looking forward to it. What kind of reaction was it to have her pure heart polluted?

"Alright, as long as my baby wants to see it, I'll go all out. I'll let you see enough even if I die. Not only do you have to look, but you can also touch it." Ye Qiu said righteously, looking impassioned.

Lian Feng's heart tightened when she heard this. Was this thing that serious? Would he die just by taking a look?

The more he spoke, the more ridiculous and terrifying it became. This must be a rare treasure, right? An existence that even a Martial Monarch could submit to?

Well... it must be.

Just as they were chatting happily, the Purple Lightning Cloud Swallowing Beast came over from afar.

“Big Brother, Sister-in-law.”

.....

His sudden shout shocked Ye Qiu and he glared at him unhappily.

“What is it?”

Hearing the unhappiness in Ye Qiu’s voice, the Purple Lightning Cloud Swallowing Beast’s heart tightened. He didn’t know what mistake it had made. He hesitated and said, “I heard a rumor over there just now.”

“What rumor?”

Ye Qiu frowned and looked around. The surrounding people had almost dispersed. There were many treasures in this immortal palace, and there were countless immortal ruins. They had all gone to search for treasures.

How could they have time to stay here?

The Purple Lightning Cloud Swallowing Beast whispered, “I heard from an old man just now that there seems to be a mysterious domain on the upper level of the Heavenly Palace. There are many immortal treasures inside, and it seems to be the Celestial Thearch’s treasure vault. Many people are heading that way. Should we go over and take a look too?”

As soon as these words were spoken, Ye Qiu’s expression immediately became serious. He asked, “Aren’t you a native of the Heavenly Palace? How can you not know where the treasures are?”

At the mention of this, the Purple Lightning Cloud Swallowing Beast’s expression immediately became awkward.

“Uh... This, that... Big Brother, I’ll tell you the truth. I don’t know.”

He answered righteously.

Ye Qiu was amused. On second thought, it didn’t seem wrong. This guy had been hiding in the void since he was born and had never dared to come out to explore. How could he dare to come out and walk around while guarding the Longevity pill and avoiding the flood dragon?

Therefore, he knew nothing about the situation in the Heavenly Palace.

After a short silence, before Ye Qiu could say anything, Lian Feng asked curiously, “Celestial Thearch’s treasure vault? Could it be left behind by the owner of this immortal palace?”

“Very likely. As far as I know, this immortal palace has existed since the Immortal Ancient. In one of my chaotic memories, the person who once ruled this place was an incomparably terrifying existence. It can make all races fear and change their expressions.

“Back then, when my father passed away, he planted a seal on me and sent me into this ancient immortal palace with great methods. At the same time, many descendants of the Monarch’s bloodline and the God race were sent to various regions and fell into a deep sleep for several eras.”

After hearing the Purple Lightning Cloud Swallowing Beast mention this history, Ye Qiu and Lian Feng looked at each other.

A thought appeared in their hearts. That was, what happened in the Immortal Ancient? Why would so many ultimate experts send their descendants into this immortal palace and seal them inside?

Ye Qiu could roughly understand that their goal was to protect the continuation of their bloodline. They couldn't bear to see their bloodline end just like that. However, they could not figure out what kind of despair they had experienced. How terrifying was an enemy that even they, the strongest experts, could not face?

It was as if a doubt had been planted in his heart. He did not choose to ask the Purple Lightning Cloud Swallowing Beast because it was useless.

This guy only thought about girls other than eating, drinking, and sleeping. He didn't know anything else.

"Hmm... Looks like this exploration of the Heavenly Palace is the beginning of the path to immortality."

"Just now, my senior brother sent news that the supreme experts of several ancient orthodoxies have already rushed to the upper levels. Some supreme experts who have disappeared for many years have also appeared. They're clearly heading for the Celestial Thearch's treasure vault."

Lian Feng analyzed seriously and continued, "Qiu, I already have a premonition that this trip to the Celestial Thearch's treasure vault will be the time I ascend."

At this point, there was some reluctance and hesitation in her eyes.

Actually, she could have broken through a long time ago, but she couldn't bear to leave the world, leave Ye Qiu, and the senior brothers and sisters of the Heaven Mending Sect.

Therefore, she had been suppressing her realm and refused to break through the final shackles. She had yet to settle the matter in the mortal world and didn't want to leave so rashly. She still wanted to wait for Ye Qiu.

She wanted to wait for Ye Qiu to ascend together.

However, when she thought of the White Tiger Li Tian, she had no choice but to take the lead. This was because if Li Tian was heavily injured by Ye Qiu once, he would definitely stop him on the way to immortality.

Therefore, she had to go up in advance to pave the way for Ye Qiu.

Ye Qiu's heart was touched when he saw her pitiful gaze. He gently hugged her. He could feel her hesitation. He gently stroked her beautiful hair and muttered softly, "Silly.

"It's difficult for mortals to become immortal in a hundred lifetimes. It won't be long before we meet in the Immortal World. If an immortal encounter descends, feel free to catch it. No matter where you go, I will stand behind you."

Ye Qiu gave her an incomparably firm look. This was his promise.

Actually, wasn't Ye Qiu the same? He could already begin to reach the Deva Realm, but he couldn't bear to miss his two disciples. As well as Little Linglong, who was still sleeping, so he had deliberately not cultivated.

If he wanted to ascend, he had to at least settle the matters in the lower realm. Only after the Heaven Mending Sect was completely stabilized could he leave in peace.

In the past hundred years, the Heaven Mending Sect had experienced several great life and death tribulations. They were in a precarious situation and their foundation was almost pulled out. It was not easy for him to stabilize it. He could not leave now. This was his promise to Little Martial Uncle in the Jade Pure Cave Abode.

Lian Feng was deeply moved. She looked up at this tall and handsome man and revealed a gentle smile. She knew that she was very lucky to have met a very outstanding man who loved her deeply.

Silently, she stood on her tiptoes and gently kissed Ye Qiu's face.

"Oh... Showing off your love again, ah..."

When this scene fell into the eyes of the Purple Lightning Cloud Swallowing Beast, his weak heart seemed to have suffered a heavy blow.

Are they torturing a single dog?

Hell!

Chapter 348: Infuriating Monkey

"Ah, I can't take it anymore..."

At this moment, the Purple Lightning Cloud Swallowing Beast seemed to have suffered a heavy blow. His weak heart was severely injured. He was stuffed with sweetness and his eyes rolled back.

"Let's go, let's go..."

As he cursed, the Purple Lightning Cloud Swallowing Beast turned around and fled. This adulterous couple was too much.

There was no end to their blatant display of affection.

"Pfft..."

Lian Feng turned around and couldn't help but laugh when she saw the aggrieved expression of the Purple-Lightning Cloud Swallowing Beast and his angry back as he left.

After Ye Qiu's guidance, the knot in her heart was finally untied.

"Let's go too."

After saying this indifferently, Lian Feng composed herself and her gaze became firm. The day of ascension was imminent, and she had no way out. Because she had her own mission, which was to compete for the Heaven Mending Goddess.

The successors of the other worlds had already ascended one after another. If she stayed in the mortal world, she would probably lose her final qualifications to become a goddess.

From the moment she had embarked on this path, this battle had been destined. She could not avoid it. What she could do now was to increase her strength as much as possible.

Seeing her incomparably serious gaze, Ye Qiu smiled in relief and nodded. "Okay, let's go."

.....

The two of them walked together and immediately flew towards the void.

After passing through a level of countercurrent, they seemed to have arrived in the upper level. A natural immortal aura assaulted their faces.

Ye Qiu immediately frowned and stared fixedly at a forbidden area at the top.

"What astonishing power. This aura..."

Ye Qiu took a deep breath. What kind of terrifying existence once lived in the Ancient Heavenly Court buried in the forbidden area?

At this moment, more and more people were gathering at the top. Almost all the famous figures in the Eight Desolates were here.

Among them were many familiar faces, such as the number one bootlicker in the Great Desolate World, Hua Feiyu. What puzzled Ye Qiu the most was that in the chaos not far away, there was a sage-like old man staring at him with hatred.

The killing intent in his gaze was very obvious. This abnormal action confused Ye Qiu.

At this point, there was still someone who dared to provoke him? Perhaps there was some deep hatred between them. Otherwise, the other party would not be so openly hostile.

"Who is that?" Ye Qiu was stunned. He looked at the old man above the chaos and asked.

Lian Feng looked over and frowned. She said coldly, "Immortal Mountain, Gongsun Baizhi."

"Immortal Mountain?"

Ye Qiu was stunned when he heard this familiar name again. He immediately remembered that the Immortal Mountain had branches in other domains.

Back then, the Immortal Mountain Holy Land in the Eastern Wasteland was eradicated by Ye Qiu and the disciples of the Heaven Mending Sect. In addition, Ye Qiu had once killed a First Elder of the Immortal Mountain in the Monarch's tomb. He seemed to be called Gongsun Yang.

"Haha... Interesting. Is he looking for revenge?"

Ye Qiu calmly returned the other party's gaze and revealed a playful smile. He could feel that this expert from the Immortal Mountain was extremely powerful. His realm was also at the half-step Deva realm. It could be said to be the ceiling of the mortal world.

Moreover, his realm was extremely stable. Because he had not broken through for many years, after tens of thousands of years of precipitation, his mental state and Dao techniques had already been perfected to the extreme.

He did not say a word, but the surroundings seemed to be emitting his hatred-filled killing intent.

Ye Qiu observed carefully. There were many young and handsome people below. These people should be disciples of the Immortal Mountain.

"Hmm... Interesting. Looks like there's a good show to watch."

Ye Qiu nodded silently. He was thinking about how to deal with it next.

Suddenly, a figure darted out from the sky.

"Oh my..."

"Hold on, hold on, hold on..."

"F*ck..."

The originally tense and oppressive atmosphere was completely shattered by the sudden intrusion of a monkey.

"Damn, why is this monkey here?"

Everyone was shocked. They saw the monkey suddenly pick up a stick and ruthlessly smash it onto the barrier of the forbidden area.

With a loud bang, the monkey was sent flying and fell to the ground, eating a mouthful of mud.

"Bah,"

"I'm so angry..."

.....

"Pfft..."

After a few seconds of silence, everyone couldn't help but laugh when they saw Monkey's ashen face.

"Haha... Where did this wild monkey come from? He doesn't know the immensity of heaven and earth. He even dares to touch the barrier of the Ancient Heavenly Court. Can't he see that so many Martial Monarch experts can only watch here and don't dare to attack?"

Everyone mocked Monkey for his loss.

Ye Qiu couldn't bear to look at it. The corner of his mouth twitched and he felt embarrassed. However, on second thought, it was a good thing that these people didn't know that this monkey was his disciple, so he didn't have to embarrass himself.

“Master, Mistress.”

At this moment, a clear voice came from behind. Ye Qiu and Lian Feng turned around and saw that Lin Qingzhu and Zhao Wan’er had also arrived.

Ye Qiu appeared quite calm, but Lian Feng was a little surprised. “Girl, why are you here?”

Lin Qingzhu and Zhao Wan’er obediently walked to her mistress. Zhao Wan’er gently explained, “Mistress, we chased this damn monkey here.”

Zhao Wan’er was furious when she mentioned this damn monkey. She gritted his teeth and said, “This damn monkey is too cheap. I’m so angry. I have to beat him up ruthlessly. It’s best if I beat him into a pig’s head.”

Seeing that she was so angry, Lian Feng was very curious and said, “What’s wrong with this monkey?”

Zhao Wan’er didn’t know how to explain. Lin Qingzhu found it a little funny. She covered her mouth and said, “Mistress, it’s like this. Previously, there was a Nine-leaf Begonia Flower hidden in the Abyss Nest. Its quality is at least at the level of a supreme-grade immortal medicine.

“Wan’er finally defeated many opponents and successfully obtained the immortal medicine. Before she could come back to her senses, this monkey suddenly popped out and hit the back of her head with a black stick.”

“Pfft...”

At this point, Lin Qingzhu could no longer hold it in and laughed unkindly. “Haha!”

“Senior Sister.”

Zhao Wan’er felt wronged when she heard Lin Qingzhu mocking her. She had clearly succeeded. Who knew that this monkey would be so unpredictable?

Monkey took away her immortal-grade begonia flower and swallowed it before she could react. She was so angry that she could only stomp her feet, but she was helpless.

After hearing Lin Qingzhu’s explanation, Lian Feng finally understood what had happened. She couldn’t help but smile, but she quickly covered it up.

No, the girl needed comfort at this time. She couldn’t laugh.

Haha...

Even though she was trying her best to suppress it, she still couldn’t help but want to laugh.

Chapter 349: I Swear, This Monkey Has Nothing To Do With Me

“Alright, alright. I won’t laugh anymore.”

Seeing that Zhao Wan’er was a little angry, Lin Qingzhu hurriedly held back her laughter.

Lian Feng was still calm. No matter what, she was a person who had experienced great storms. She still had this bit of patience. She comforted Zhao Wan'er and said, "Wan'er, it's fine. I'll help you. How did this monkey secretly eat your immortal medicine just now? I'll make him vomit it out later. Hmph, he actually dares to bully my Wan'er. Watch how I deal with him."

At this point, Lian Feng instantly emitted an incomparably cold chill. Ye Qiu panicked when he saw this. Although he was also very angry that his precious disciple had been bullied, the problem was that the person who bullied her was also his disciple.

As a master, it was indeed a little difficult to deal with him. However, in the end, Ye Qiu was still biased towards the little darling. He also planned to teach Monkey a lesson and let him restrain himself.

But from the looks of it, Lian Feng was planning to suppress him.

Ye Qiu immediately panicked. Lian Feng didn't know that this monkey was also his disciple. What if she accidentally killed the monkey?

"Wait a minute..."

Thinking of this, Ye Qiu hurriedly stopped Lian Feng.

Lian Feng, on the other hand, looked puzzled. "Wait for what? My disciple was bullied. I can't stand it even if you, the master, don't care."

The corner of Ye Qiu's mouth twitched. For a moment, he didn't know how to answer. He hesitated for a moment and moved aside.

He called out silently. *"Monkey, I've tried my best. Take care."*

He wanted to say that Monkey was also his disciple, but he had his concerns and did not say anything. After all, this monkey had great karma on him, and he was a troublemaker. Who knew what else he would cause?

.....

Ye Qiu didn't want to clean up his mess, so he might as well let Lian Feng deal with him so that he could restrain his desire to fight.

"Hmm... Alright, don't kill him. Just teach him a lesson." Ye Qiu said the last sentence and didn't intend to interfere in this matter.

Lian Feng looked at him in confusion. She only felt strange.

"Why is this guy so strange? I feel like he's deliberately siding with this monkey. Could it be that... this monkey is also his disciple?"

This thought suddenly appeared in her mind. It had to be said that a woman's sixth sense was really accurate. She guessed it right.

Lian Feng's suspicion wasn't unreasonable because the Ye Qiu she knew never cared about your life unless you were family. The only thing that could make him care so much was his family.

With suspicion, Lian Feng stared fixedly into Ye Qiu's eyes and said, "Speak, is this monkey your wild disciple?"

Ye Qiu panicked when he heard this. *?Damn, I didn't say anything. How could she guess? Are you from God's perspective?*

Lian Feng's words immediately shocked Lin Qingzhu and Zhao Wan'er.

"What? We still have a junior brother?"

Lin Qingzhu and Zhao Wan'er looked at each other. They looked at their master's guilty expression and then at Monkey's infuriating expression in the distance. They felt depressed. Was this guy really their master's disciple?

Lin Qingzhu suddenly remembered that her master had left Violet Cloud Peak for a few months the day the monkey was born.

Could it be...

Thinking of this, Lin Qingzhu was shocked. If she remembered correctly, that monkey seemed to have come from the back mountain of Violet Cloud Peak, right? Others might not know, but as the master of Violet Cloud Peak, she knew the situation of Violet Cloud Peak very well.

Seeing that she was about to say something, Ye Qiu knew that she might have guessed correctly. He hurriedly gave her a look and Lin Qingzhu immediately stopped. She covered her mouth and said nothing.

Ye Qiu immediately heaved a sigh of relief. She still had him in her heart.

"How is that possible..."

Ye Qiu looked at Lian Feng guiltily and denied this matter. He continued, "The Dao techniques that monkey learn are nothing similar to my Violet Cloud Peak. How can he be my disciple? I swear I have nothing to do with this monkey."

Lian Feng was doubtful after hearing his words. She had also noticed that the spell Monkey used was indeed different from Ye Qiu's.

Ye Qiu used a sword, while Monkey used a rod.

"Hmm... Since he's not your disciple, I have no worries." Lian Feng said coldly, instantly releasing her cold killing intent. Ye Qiu was shocked, but he didn't dare to speak.

Lin Qingzhu knew her master's difficulties and hurriedly stood up. "Mistress, although this monkey is mischievous by nature, he doesn't deserve to die. He just needs to be taught a lesson. No matter what, he is one of the young supreme beings of my Eastern Wasteland. It's a pity to kill him like this."

"Senior Sister, why are you still speaking up for this monkey?"

Lin Qingzhu's words immediately attracted Zhao Wan'er's dissatisfaction. She was already so miserable. Her senior sister did not help her but spoke up for an outsider. She felt very wronged.

Lin Qingzhu : "..."? *I didn't want to either.*

Lin Qingzhu looked back at her master's gaze and could only brace herself. She said, "Mistress, let me do it. I want to see what kind of extraordinary ability this monkey has."

Lin Qingzhu had no choice but to pull out the Cloudy Heavens Sword and prepare to attack herself. At the very least, she knew her limits. If she were to make a move, with her cold personality, even if the monkey did not die, it would lose a layer of skin.

For her master, she could only do it herself.

As soon as she spoke, Ye Qiu hurriedly echoed, "Yes, I think it's feasible. You've just mastered your sword technique, so you can use this monkey to practice. Disciple, go."

Lian Feng became even more suspicious as the master and disciple echoed each other. She seemed to already know what was going on. She sneered and looked at Ye Qiu meaningfully, as if she had seen through his thoughts. However, she didn't expose him. She was still quite considerate of Ye Qiu. After a while, she returned to her cold appearance.

"Alright, Qingzhu, go. If you can't win, I will attack..."

Hearing this, the pressure in Lin Qingzhu's heart multiplied. It would have been fine before, but now, Monkey's strength has increased greatly.

She was not confident that she could successfully take him down because after Monkey ate the begonia flower, his cultivation had increased greatly. His strength had already surpassed the limit of the Paragon realm and was about to step into the King-Ranked realm.

She did not dare to say that she could control the monkey, so she was afraid. She turned around and looked at her master bitterly. She was going all out for him.

Ye Qiu didn't dare to look into her eyes. He silently said in his heart: *For me, you've suffered. I'll definitely make it up to you later. Go.*

Just as Lin Qingzhu was about to attack, suddenly, the void distorted and a large number of people surged in from below. The moment these people saw the monkey, sparks seemed to appear in their eyes as they burned with anger.

"Damn Monkey, attack together and kill him."

"Oh my..."

This sudden turn of events caught everyone off guard. Even Ye Qiu was a little surprised.

He heaved a sigh of relief in his heart. It seemed like there was no need for Lin Qingzhu to do anything. This monkey had offended too many people. There were too many people who wanted to deal with him.

Chapter 350: Celestial Thearch's Treasure Vault Opened

With a furious roar, a large number of people surged in from below. The scene was instantly in chaos.

The experts of the world and the Martial Monarchs of various factions waited and did not interfere. They wanted to see what stunning experts there were in this generation.

“Haha, interesting. This wild monkey from the Eastern Wasteland can actually attract the hatred of so many people at the same time. No one else can do it.”

A mysterious expert in the void sneered.

Many people were guessing the origin of this monkey, wanting to know who his master was. However, so far, no one had guessed who Monkey’s master was.

“Monkey, return my Ginseng Fruit.”

With a furious roar, a descendant of a Monarch’s bloodline rushed up from the airflow below. In an instant, his murderous aura erupted and a violent wind swept over.

“Hmm? What kind of creature is this?!”

The monster had silver stripes all over its body. It held a trident in its hand and rushed up from the lower level.

Ye Qiu was also stunned. This was the first time he had seen such a creature. However, judging from the powerful bloodline, it should also be a descendant of a Monarch’s bloodline.

Lian Feng explained, “This person’s name is Feng Xi, a descendant of the Northern Wilderness’ Silver Dragon Clan. He’s the strongest expert of the younger generation and was born to be a Paragon.”

“Silver Dragon Clan? Could it be a true dragon descendant?”

Lian Feng shook her head and denied, “No, it can only be considered a continuation of a branch. It can’t be considered a true pure-blooded True Dragon descendant.”

.....

“I see.”

Ye Qiu nodded and understood something.

Monkey looked back and saw that the trident had already arrived in front of him. The staff in his hand instantly swept across and sent Feng Xi flying. He even shouted, “Hehe, you? You’re not worthy of me making a move.”

Monkey did not panic in the face of so many hateful and angry gazes. Instead, he became even more excited. His naturally combative personality made him very brave.

“Damn it!”

Feng Xi was embarrassed after being sent flying by a single strike. He had roamed the world and had never met a match since he started cultivating. He had never experienced such defeat. Today, he was tortured by a monkey to such an extent. He felt extremely aggrieved.

Seeing how arrogant Monkey was, the onlookers could no longer sit still.

“Damn it! Everyone, attack together. I don’t believe he can overturn the sky.” A rhino said angrily.

As soon as he said this, the anger in everyone’s hearts was instantly aroused.

“Attack together and kill him.”

.....

“Sigh... What kind of heartless thing did this monkey do to have so many people wanting to kill him?”

Even Ye Qiu was shocked by this scene. Fortunately, they didn’t know that he was Monkey’s master. Otherwise, it would be troublesome.

Hearing that her master was a little puzzled, Lin Qingzhu pursed her lips. When she thought of what Monkey had done before, she also had a headache.

“This monkey is too sinister. He specially beat people up and snatched away many people’s treasures. He has done all kinds of sinister and cunning things.

“That Silver Dragon Clan’s genius was knocked unconscious by Monkey with a single strike. Not only did he snatch away everything on him, but he also stripped him naked and tied him to the stone tablet for everyone to watch.”

After hearing Lin Qingzhu’s explanation, the corner of Ye Qiu’s mouth twitched.

“How ruthless...”

No wonder this monkey was so popular. Who wouldn’t want to kill him?

The battle had already begun. Facing the siege of hundreds of people, Monkey seemed a little powerless.

Ye Qiu also noticed a problem. Monkey didn’t learn many spells, nor did he have a suitable weapon. He could maintain his undefeated state only by relying on his strong body and the suppression of his cultivation.

However, Monkey would not be able to withstand it if this continued.

Thinking of this, Ye Qiu suddenly remembered the Jingu Rod Lian Feng had given him.

“Hmm?”

Thinking of this, Ye Qiu’s eyes lit up. This Jingu Rod was also an immortal artifact that had yet to be triggered. It was better to find an opportunity to give the Jingu Rod to Monkey. This way, not only could he increase his combat strength, but he could also get a free return.

“Hehe... Let’s do it. In this world, no one is more suitable for this weapon than this monkey.”

However, how should he give it to the monkey? This was a troublesome matter.

Ye Qiu didn’t want to appear as Patriarch Bodhi again.

“Monkey, die.”

With a furious roar, a huge sound wave tore through the clouds and shattered the void. A descendant of the Monarch’s bloodline suddenly slapped towards the monkey.

With a loud bang, Monkey was sent flying and spat out a mouthful of blood.

“Pfft...”

The intense pain made Monkey feel pain for the first time and he was furious. However, when he saw a few more descendants of the Monarch’s bloodline charging over, he knew that it was disadvantageous to him to fight them to the death. He suddenly smashed his rod at the barrier behind him.

Bang..

A deafening sound rang out, and the hearts of all the experts in the surroundings trembled.

“What does this guy want? He already suffered a huge loss once, yet he still dares to touch that barrier?”

Everyone was puzzled. Just as everyone thought that the monkey would be shattered by the barrier, the barrier began to shatter.

Lian Feng was shocked. “The barrier is open. Go!”

Under the monkey’s full-powered strike, the rod in his hand broke, but the barrier of the Celestial Thearch’s treasure vault was also shattered by him.

Before everyone could be shocked, their gazes instantly became greedy the moment the barrier opened.

“Haha! Celestial Thearch’s treasure vault, I’m here.”

A heroic voice sounded. An old man with an immortal bearing walked over from the void and instantly entered the treasure vault.

The scene was in chaos. At this moment, no one cared about the monkeys. They all rushed into the Celestial Thearch’s treasure vault like crazy.

Lian Feng also moved out. Ye Qiu was as steady as a mountain as he silently watched everything. He was not in a hurry to leave because he noticed that Gongsun Baizhi was looking at him coldly from above the Heavenly Abyss.

The smile on his old face was very evil. Ye Qiu knew very well that this old thing would definitely do something next. He wasn’t in a hurry.

He wanted to see what he wanted.

Unfortunately, Gongsun Baizhi didn’t attack here. He only took one last look at Ye Qiu and led the Immortal Mountain disciples into the treasure vault.

“Master, who is that person?” Lin Qingzhu also noticed Gongsun Baizhi’s strange gaze. Her heart tightened as she said worriedly.

“Gongsun Baizhi, the ancestor of the Southern Wasteland’s Immortal Mountain, a Martial Monarch expert.”

As soon as these words were spoken, Lin Qingzhu and Zhao Wan’er were shocked.

“What, Immortal Mountain?”

They looked at each other, and their expressions became solemn.

They had experienced that massacre and knew very well that the Immortal Mountain orthodoxy of the Eastern Wasteland had been uprooted by the Heaven Mending Sect.

Now that the Southern Wasteland’s Immortal Mountain had appeared and cast such a complicated gaze, its meaning was very obvious.
