

## The Most 631

### Chapter 631 Contestant Appears

“What a terrifying aura!” On the divine mountain, Ming Yue looked down in the direction of Violet Cloud Training Hall and commented in shock. She could feel that the destructive aura was gradually sublimating. What kind of heaven-defying divine technique was this?

Ming Yue was puzzled. She could determine from the source of the aura that it came from Violet Cloud Training Hall.

The stars in the sky changed like a speck of light in the night. The world began to tremble amidst the violent wind. At this moment, Ye Qiu closed his eyes tightly in the violent wind and used his heart to feel the domineering aura in the world. Unknowingly, he silently activated the Dragon Slayer Technique in his body. The blood energy in his entire body began to boil.

“Is this the resonance of the Dao of Blood?” Ye Qiu was shocked. He had sensed this faint change. As the blood energy in his entire body began to boil, his aura increased dozens of times.

This surprising discovery made Ye Qiu overjoyed. He calmed down and slowly experienced the profundity of the saber. In the next second, Ye Qiu suddenly opened his eyes.

“Oh no!” The hidden watchers in the forest realized that something was wrong. In the next second, dozens of figures appeared in unison and ran away from the forest.

However, the moment they appeared, Ye Qiu had already attacked. “Slash!” He drew his saber and slashed. The world seemed to have opened up, and the saber energy that tore through the sky suddenly slashed out.

At that moment, the world trembled. The violent saber slashed towards the forest like the harvest of the Grim Reaper. A terrifying aura instantly spread out. At this moment, even Meng Tianzheng couldn't sit still.

“Good kid! What kind of heaven-defying divine technique is this? It actually has such earth-shattering power.” Meng Tianzheng was shocked. He looked at the shocking slash on Violet Cloud Dao Training Hall in shock. He had never seen this saber before, let alone know its origin.

At this moment, everyone was shocked.

The watchers in the forest who had just appeared and had yet to escape the scene were even paler, as if they were facing a ruthless death god.

“No! They let out an indignant scream. In just a moment, dozens of watchers were instantly cut in half by Ye Qiu. They had almost no strength to fight back. Some of them even had the strength of a Heavenly Venerate, but they had no chance of resisting Ye Qiu's saber.

Only a few watchers who had escaped in advance survived this strike. They sensed that something was wrong in advance, so they left first. They only dared to turn around to check after escaping hundreds of miles.

After seeing that terrifying scene, their faces turned pale and their bodies began to tremble.

“Phew... This is too terrifying. Has this kid’s strength already reached such a terrifying level? He actually killed so many top experts with just one strike. They don’t even have the ability to resist under this strike.”

Everyone was shocked. No one dared to believe that there was such a terrifying divine technique in the world. They were incomparably shocked and hesitant. The few watchers who had escaped did not dare to stay any longer, let alone return to monitor. This was because they already understood that Ye Qiu had long discovered them. If they returned, what awaited them was death.

They already had a rough judgment of Ye Qiu’s strength. They had to go back and report and let their families prepare for it.

The world-destroying slash descended. In an instant, a tsunami-like commotion alarmed the entire divine mountain. However, after a moment of chaos, everyone could not help but wonder. They did not know what had happened, nor did they know who had done this strike. Their eyes were filled with confusion.

Ye Qiu’s slash really caused a lot of panic. Seeing this, Meng Tianzheng shook his head helplessly and revealed a bitter smile.

“Rascal, you really know how to find problems for me.” Meng Tianzheng had no choice but to help Ye Qiu suppress this chaos.

“Elder Gu!” After calming down, Meng Tianzheng called out softly and Gu Sanqiu instantly walked in.

“First Elder, what instructions do you have?”

Meng Tianzheng looked at him with a smile and said, “Go and make the arrangements.”

“As you wish.” Gu Sanqiu had also seen the scene just now. As the person who had followed Meng Tianzheng the longest, he instantly understood even if Meng Tianzheng didn’t say it clearly. He had done this kind of thing many times and was very experienced.

In less than a moment, a piece of news came from Star Picking Pavilion. The commotion just now was accidentally caused by the First Elder when he was cultivating. He hoped that the disciples would not panic and continue cultivating.

As soon as this news was released, the panicked disciples immediately calmed down.

“So it’s the First Elder who caused the commotion. No wonder the commotion was so huge. Only a figure like the First Elder can cause it.”

“Phew, I was scared to death. I thought that my Heaven Mending Holy Land had been invaded by foreign enemies. So it’s the First Elder.”

As Gu Sanqiu sent out the news, the flustered divine mountain quickly regained its calm. Although this news was a little unreliable, many people believed it. After all, Meng Tianzheng was the god in their hearts. Only he could easily cause such a huge commotion in the world.

But some people knew what was going on. They also knew the profundities very well.

On the hopeless cliff, close to the edge of Violet Cloud Training Hall, a woman in red stood at the peak of the cliff. She looked in the direction of Violet Cloud Training Hall and fell into deep thought. From her angle, she could see the commotion clearly. It could be said that she had witnessed all of this and could not help but smile.

“Young Master Xiao, is this the legendary Heaven Mending Deity? His strength is indeed unfathomable. Should we visit? After all, this is our first time here. If we can befriend such a person, he might be useful in the future.”

After a while, the woman in red turned around and looked at the young man leaning lazily against a tree by the cliff.

The young man’s eyes were filled with sloppiness and he didn’t care at all. He picked up the wine pot in his hand and took a small sip. He said, “I advise you to dispel this thought. If you want to rope him in and become your helper to advance to the Heaven Mending Goddess position, then you’re thinking too much.”

“Why?”

Xiao Mo’ answer confused Lu Zhi. As one of the successors of the Heaven Mending Goddess, although she had just entered the divine mountain a few days ago, there were already many outstanding figures on the divine mountain who were friendly to her.

She couldn’t understand Xiao Mo’ words. Xiao Mo smiled faintly and said, “Miss Lu Zhi, you might be able to get to know someone else, but you can’t come into contact with this person. You’ll know why in the future.”

Xiao Mo smiled faintly and did not explain too much. He slowly stood up and looked in the direction of Violet Cloud Training Hall before leaving.

Chapter 632 Lu Siblings

“Chaofeng! What do you think?” Lu Zhi’s eyes gradually turned cold as she watched Xiao Mo leave. She glanced at the dark valley.

As soon as she finished speaking, a black-robed young man walked out expressionlessly.

Lu Chaofeng was Lu Zhi’s biological younger brother. The two of them were geniuses of the Infinite Region and ascended to the Nine Heavens and Ten Lands together. Among them, Lu Zhi was the successor of the Heaven Mending Goddess in the Infinite Region.

Just like Lian Feng, they were both contenders. Their goal was the same. They wanted to become the center of attention, the supreme Heaven Mending Goddess.

Lu Chaofeng was Lu Zhi’s guardian. He was in the dark, clearing obstacles for Lu Zhi and doing some work to kill without spilling blood.

Lu Chaofeng appeared coldly when he heard his sister’s question. He stared coldly at Xiao Mo’s departing figure. After a while, he said coldly, “Those who can’t be used by me can be killed.”

His answer was very final. Lu Zhi nodded when she heard this. She was not a kind person to begin with and agreed with her brother's suggestion.

"Hmm... This person is the Heaven Mending Deity, so he naturally has some strength. If we can obtain his support, we will definitely have a great help towards the Goddess path." After a careful analysis, Lu Zhi said, "It's our first time here and we're unfamiliar with the place. It's better not to act rashly. We don't know the situation for the time being. If we attack rashly, we will only ruin things."

Hearing Lu Zhi's analysis, Lu Chaofeng nodded tacitly. Then, he said, "Sister, what do you think of Xiao Mo?"

As soon as this question was asked, Lu Zhi also had a headache. She shook her head and said, "This person is lazy and indulgent by nature. He doesn't care about power at all. He's an extremely unstable factor."

"From the tone of his voice just now, he doesn't seem to approve of us befriending Ye Qiu. I wonder why?"

Lu Zhi couldn't figure it out. Xiao Mo didn't make things clear. He only reminded her but didn't tell her before he left. This person was very strange. He looked like he was helping them, but he didn't seem to be sincerely helping them. It was more like a formality.

However, the truth was as she had thought. Xiao Mo was only here to make his stand clear because of her father's kindness to him back then.

In all these years in the Heaven Mending Holy Land, he had never taken sides or participated in any disputes. He was more like an expert who had attained the Dao without any desires. He was free and lazy and had truly reached the realm of inaction.

However, such a strange person still appeared today. The moment he appeared, it meant that he was standing on Lu Zhi's team.

As for why he did this, it was actually very simple.

Just like Lu Zhi, he was also from the Infinite Region and was much older than Lu Zhi. He belonged to the group of competitors on the path to immortality before her. In that cruel competition, he was similar to many young people. He also had the determination to not fall behind others.

However, in the subsequent competition, he almost lost his life. If not for the Patriarch of the Lu Clan, Lu Chengfeng, saving him, he would have died in that sea of blood.

From that moment on, he owed the Lu Clan a favor. It was also because of this that after Lu Zhi and Lu Chaofeng ascended, they were guided by Lu Chengfeng and brought a token, forcing Xiao Mo to return this favor.

Therefore, there was the scene just now.

The two of them began to discuss Xiao Mo's intentions. After thinking for a long time, Lu Zhi said, "Father said that in the early years, this person had a good reputation in the Infinite Region. He never went back on his word. He owes my Lu Clan a favor. This is also his promise to Father back then. I believe he won't harm us."

Lu Zhi trusted Xiao Mo very much, but Lu Chaofeng might not. He said coldly, "Haha, people will always change. The promise from back then might not be useful today. In this world, we can only trust ourselves. We have to be wary of others. Xiao Mo looks lazy, but his heart is incomparably meticulous. This person... hides it very deeply. Even now, I can't see through his thoughts."

This was Lu Chaofeng's highest evaluation of Xiao Mo. After so many years, he could be considered to have experienced hundreds of battles and was knowledgeable. He had seen all kinds of people, but in his heart, people like Xiao Mo were the most terrifying existences.

Hearing this, Lu Zhi became a little vigilant. After all, they didn't know Xiao Mo very well. It could be said that they were very unfamiliar with him. The reason why he chose to help them was because he owed their Lu Clan a favor back then. As for how much this favor was worth, that was another story.

"Hmm... You have a point." After a while, Lu Zhi already knew in her heart that she was not a fool to be able to reach this point. She also had her own schemes. After thinking for a long time, she slowly said, "I've also asked around these few days and roughly understand the situation of the Heaven Mending Holy Land.

"So far, in the Holy Land, other than the Heaven Mending Saintess, Ming Yue, and this Heaven Mending Deity who suddenly appeared, there are many powerful figures who have hidden themselves.

"For example, that disciple of the Ye Clan, Ye Qingxuan. This person's strength is astonishing and cannot be underestimated. He has a chance of winning the position of Deity.

"I heard that this person has already broken through to the Ten Heavenly Sanctums and successfully entered the Heavenly Venerate realm. Only the Heaven Mending Saintess, Ming Yue, can compare to such talent, right? If we can't befriend Ye Qiu, we can give this person a try."

After a simple analysis, Lu Zhi agreed with Lu Chaofeng. If possible, their first choice would definitely be Ye Qiu. However, Xiao Mo's inexplicable words just now made them hesitate. They couldn't figure out why Xiao Mo said that they could rope in anyone in the entire Heaven Mending Holy Land except Ye Qiu.

They really could not figure out this problem. Lu Zhi wanted to visit Violet Cloud Training Hall with the intention of giving it a try. After all, they couldn't completely believe Xiao Mo's words. They needed a clear answer.

Lu Chaofeng agreed with Lu Zhi's decision. The two of them discussed for a moment and chose to go to Violet Cloud Training Hall to investigate the situation.

At this moment, on a big tree outside the mountain, Xiao Mo was lying lazily on a branch, leisurely dozing off. After a while, he couldn't help but smile when he saw the Lu siblings heading towards Violet Cloud Peak. He only felt mockery in his heart.

"Haha, I've already said what I needed to say. If you insist on asking for trouble, I won't care." Xiao Mo smiled faintly and didn't stop them. He knew very well that these siblings were clearly guarding against him.

Although he felt very uncomfortable, he, who was carefree by nature, did not care much. He only wanted to return Lu Chengfeng a favor. It didn't matter if the siblings believed him or not.

## Chapter 633 Visitors Outside the Mountain

How should he repay this favor?

He naturally knew what was going on. From beginning to end, he knew very well what he should and should not do. If Lu Zhi wanted to ascend to the Goddess Position, that was her business. Xiao Mo could not interfere. The most he could do was save them when their lives were in danger and return the favor. He had no control over the two siblings going to Violet Cloud Training Hall.

Lying leisurely on the tree, Xiao Mo looked at the two figures in the sky and revealed a faint smile. "Haha, not a bad idea. Your methods are alright. Unfortunately, your luck is too bad. You want to rope Ye Qiu in? It's a fool's dream."

After watching for a long time, Xiao Mo gave a faint evaluation. Don't think that just because he had nothing to do all day, he knew nothing about the Heaven Mending Holy Land. In reality, he was very well-informed.

He knew Ye Qiu's strength and Lian Feng behind him very well.

Many people in the Heaven Mending Holy Land did not know about Lian Feng. Perhaps it was because she went into seclusion as soon as she entered the Holy Land and did not come out to walk around at all, so very few people knew of her existence.

Not to mention knowing her relationship with Ye Qiu.

At this moment, in the Violet Cloud Training Hall.

Standing at the peak of the sea of clouds, Ye Qiu held the Scarlet Flame Divine Saber and looked at the cliff that had been cut in half. He fell into deep thought. In the blink of an eye, the dozens of watchers had already fallen into a pool of blood. Unfortunately, a few of them had escaped. Ye Qiu felt very depressed.

"Hmm... Looks like I'm still not very familiar with this move. I have to practice more."

Ye Qiu already had a rough idea of the power of the Sword Slash. From the looks of it, it was very explosive. The level of destruction was even more terrifying. Unfortunately, Ye Qiu had only grasped the tip of the iceberg and hadn't completely mastered it.

What a pity. Otherwise, that strike just now would have been enough to kill all the watchers. But overall, it was not bad. Ye Qiu was very satisfied with the power of this strike.

After a while, Ye Qiu put away the Scarlet Flame Divine Saber and turned around to walk back to the stone table. With the deterrence of today's strike, no one should dare to send out monitors to monitor him in the following period of time.

"Master!" As soon as Ye Qiu returned to the stone table, Yaya walked up excitedly.

Seeing her expression, Ye Qiu understood what she was thinking. It must be because Ye Qiu's saber just now had stunned her. She immediately felt like she had been injected with chicken blood.

“Haha... How is it? Did you see my saber clearly just now?” Ye Qiu didn’t hide anything and calmly asked Yaya about her feelings.

Yaya praised him generously, “It is very domineering, very handsome. Master, I want to learn this saber technique too.”

Yaya looked at Ye Qiu with a pleading expression. She was completely shocked by Ye Qiu’s saber just now. Her heart was immediately filled with endless imagination. If she learned that saber technique, wouldn’t she be able to come and go freely in the world in the future?

Not only her, but even Ye Chen, who was kneeling on the other side of the stone bridge, was completely shocked by Ye Qiu’s saber. He didn’t expect Ye Qiu to have such a terrifying saber technique. If he could learn it, would he be afraid that he wouldn’t be able to make a comeback?

For a moment, his determination to become his disciple became even more firm. He had been kneeling for a few months. He firmly believed that as long as he kept kneeling, Ye Qiu would be moved by his sincerity one day.

Unfortunately, Ye Qiu completely ignored his thoughts and looked at his little disciple dotingly.

After hesitating for a while, Ye Qiu didn’t cushion his blow and said, “Haha, damn girl, you’re dreaming. With your current foundation, you can’t even hold the saber steadily. It’s not enough for you to comprehend the profundity of this saber. Even I have only comprehended the tip of the iceberg.

“This seemingly ordinary saber technique contains thousands of profundities and endless changes. You should dispel this thought. Just the Dragon Sparrow Treasure Technique is enough for you to cultivate. It’s not impossible for you to learn if you really want to. That depends on whether you have the talent.”

Hearing her master’s answer, Yaya was a little disappointed, but it was only the self-blame in her heart. Master had made it very clear. You wanted to learn the Dragon Slayer Technique? Be realistic, you were not talented enough and did not have the qualifications.

A high EQ answer: The Dragon Sparrow Treasure Technique is already very strong. It’s completely enough for you to use now.

“Oops...” Sticking out her tongue, Yaya suddenly felt a little embarrassed. She was being despised by her master for being too stupid.

No, I must work hard to comprehend the Dragon Sparrow Treasure Technique and strive to reach the goal Master gave me as soon as possible. I can’t let Master look down on me. Thinking of this, her blood boiled as if she had been injected with chicken blood.

“Master, I understand! I’ll go cultivate now and strive to master the divine technique as soon as possible.”

She believed that her master did not teach her the Dragon Slayer Technique not because he was hiding it, but because she really could not do it.

She did not doubt this at all.

This was because her master had really never hidden anything from her. Which master had given her a supreme-grade longevity medicine as soon as she entered the sect?

Where could she find such a master?

Therefore, in essence, her talent was not good enough. Because of this reason, her master did not teach her. It was not that he was afraid that she would bite off more than she could chew, but he was afraid that she would go astray and destroy her future. She also knew very well that if she wanted to cultivate an even stronger precious technique, she had to have a firm foundation. Now was a good time to build a foundation.

Hearing her answer, Ye Qiu was very satisfied. This disciple was still very sensible.

“Yes, I’m very gratified that you have such firm determination. If nothing unexpected happens, you will definitely have a place on the path to immortality in the future.” After giving a very high evaluation and encouraging her, Ye Qiu said, “Alright, you should go and cultivate! Don’t forget your homework today. You have to strictly implement it every day. Don’t play around and neglect your cultivation.”

“I understand.” Yaya replied and ran back to the cliff. She began her daily homework and focused on cultivation.

Looking at this master guiding his disciple one-on-one and teaching profound secret techniques, Ye Chen was envious from the bottom of his heart. He wanted to make some noise to attract Ye Qiu’s attention and strive to have the same outcome like Yaya as soon as possible. He was also incomparably jealous. Why would Yaya, who was the least favored among them, enjoy such good treatment?

One had to know that such one-on-one tutoring had almost never happened in the holy land. The elders of the other peaks taught their disciples together. How much you could comprehend depended on your luck.

With such a comparison, the difference appeared. Ye Chen’s intestines were green with regret. If he had known that Violet Cloud Training Hall was so good, he would have firmly chosen to acknowledge him as his master.

Actually, he wasn’t the only one who regretted it. Everyone in their group regretted it back then. Among them, Gu Jun, who performed the best, regretted it the most because he should have had the least competitors at that time. If he had chosen Violet Cloud Training Hall back then, his life might have been completely different.

At this moment, Ye Qiu, who was sitting leisurely above the sea of clouds, was about to return to his room to rest when suddenly, a breeze blew past.

“Hmm?” Ye Qiu was stunned for a moment. He was about to get up and look at the sea of clouds. “We have a guest.”

Chapter 634 This Leg Is Not Bad

The brilliant red light flickered in the sky. In an instant, two figures quickly appeared in the sky above Violet Cloud Training Hall.

“Hmm? Who is this?” Ye Qiu was stunned as he looked at the man and woman in the sky. He was very sure that he didn’t know these two people in his memory.

With many doubts, Ye Qiu slowly walked back to the stone table. The surrounding sea of clouds floated. He gently raised his hand and the teacup on the table slowly floated up. A total of three cups landed steadily on the stone table. Ye Qiu leisurely poured the tea into the teacup.

Then, he said, “It’s a pleasure to have a friend from afar. Please come to the pavilion for a chat.”

Ye Qiu didn’t look up at the other party. He calmly and elegantly poured two cups of tea and looked at the sea of clouds. However, this voice floated for several kilometers and fell into the ears of the Lu siblings. It was like the sound of the Great Dao, long and distant.

“What a deep Dao technique. This person is indeed hiding his strength.” Lu Zhi immediately commented in shock. Lu Chaofeng, who was behind her, was also shocked and felt an inexplicable sense of danger. The first impression Ye Qiu gave them was that he was mysterious! It seemed simple, but it contained thousands of Dao techniques and endless changes. It could be determined that this person’s Dao technique cultivation was definitely above theirs.

“I can’t see through him. I can’t see through him at all! This person’s mental state is like a vast sea that can’t be seen clearly. Moreover, his aura is so stable, and his every move reveals the profundity of a supreme Dao technique. Sister, you have to be careful.”

The cautious Lu Chaofeng couldn’t help but remind her. Lu Zhi was also shocked. She didn’t expect Ye Qiu to receive such a high evaluation from her brother, Lu Chaofeng. She knew her brother very well. He was born arrogant and had fought countless times in his life. He had never tasted defeat.

Among his peers, very few people could make him value them so much, let alone give them such a high evaluation.

“Let’s go. He’s already discovered us.” After a while, Lu Zhi said and flew towards the sea of clouds. She wanted to see what was so special about this legendary Heaven Mending Deity. The various rumors about him were too mysterious. It could be said that in the entire Heaven Mending Holy Land, other than Ming Yue, Ye Qiu was the most special existence.

Ye Qiu was a Deity, an existence below one person, others might be a little reserved when they saw him. However, Lu Zhi was very calm because she had her own pride. This was because she was one of the supreme successors of the Heaven Mending Goddess. Perhaps in her heart, the Goddess was already in her grasp. She was also absolutely confident that she could ascend to that position.

Therefore, from beginning to end, she didn’t feel that she was inferior to Ye Qiu and was on par with him. She slowly landed on the Cloud Sea Stone Pavilion and looked at the handsome and immortal-looking white-clothed youth in front of her. She smiled and said, “I’ve long heard of the Heaven Mending Deity’s great name. Seeing you today, you really live up to your reputation.”

“Oh?” Hearing this, Ye Qiu’s expression didn’t change at all. He glanced at the peerless woman in front of him and nodded in satisfaction.

It had to be said that the fairies of the Nine Heavens and Ten Lands were all peerlessly beautiful. None of them were bad. In terms of appearance, she was a little inferior to Lian Feng. In terms of figure, she was inferior to Ming Yue.

But this leg...

Ye Qiu couldn't help but swallow his saliva. Not bad. Only this leg was interesting. Bonus points, he had to add points. Overall, this woman was flirtatious and charming. Her personality was unknown for the time being, and she had the gentleness of a Jiangnan woman.

Ye Qiu took a few more glances without hiding anything. As if sensing Ye Qiu's gaze, Lu Zhi immediately felt proud. She was naturally completely confident in her own beauty. Seeing Ye Qiu's performance, she thought that he was attracted to her beauty and immediately became proud.

If Ye Qiu was a lecherous person, wouldn't it be easy to rope him in? She was very experienced in dealing with such a man. Unfortunately, she might be thinking too much.

Ye Qiu didn't hide his interest after taking a few more glances. Then, he looked at Lu Chaofeng behind her. He was shocked when he saw this person, who had such hostility, standing silently behind Lu Zhi. If he didn't pay special attention to him, he really wouldn't have noticed his existence. He seemed to have become one with the surrounding environment. It was obvious that he often hid in the dark and did relatively dark things.

Ye Qiu looked at him a few more times. After a while, he raised his hand and gestured, "The two of you are guests from afar." Pointing at the two cups of tea in front of them, Ye Qiu said, "This is my Violet Cloud's hospitality tea. Please."

He was calm and chatting happily. From Ye Qiu's expression, it was impossible to tell what he was thinking.

Lu Chaofeng had been observing Ye Qiu's every move. The more he watched, the more shocked he became.

Lu Zhi didn't think much of it. From the moment Ye Qiu looked at her, she thought that Ye Qiu was already attracted to her beauty. She sat down confidently and unintentionally lifted her skirt, revealing her snow-white thigh.

Ye Qiu saw this subtle action and couldn't help but want to laugh. Did this woman think that she could make me work for her just by looking at her legs? No way, there's no way, right?

Ye Qiu was amused. On second thought, it would be a waste not to take advantage of her. He'll look since it's free. It had to be said that this woman's legs were really not bad. He really wanted to touch them.

In that quiet atmosphere, everything seemed very strange. The three of them had different thoughts. The three of them seemed to be plotting something.

Lu Zhi picked up the cup of tea Ye Qiu gestured at and took a small sip out of courtesy. In the next second, she felt a warm current surge into her body, instantly causing the seas and rivers in her body to surge.

“Immortal tea!” At this moment, Lu Zhi’s expression changed drastically in disbelief. She looked at Ye Qiu in surprise and disbelief. Was the tea he usually used to treat guests of this level?

How generous was this? In the lower realm, their entire Lu Clan did not have much of this immortal tea. Only when her father received some more important guests would he occasionally take it out and treat it as a treasure.

And Ye Qiu actually took it out so casually to entertain them. Sensing his sister’s abnormality, Lu Chaofeng was stunned for a moment. He picked up his tea and took a sip, revealing the same expression as his sister.

Just a cup of tea shocked the two of them.

Seeing this, Ye Qiu smiled indifferently and said humbly, “My training hall is newly built, so I don’t have any good tea to entertain the two of you. I hope the two of you don’t take offense.”

As soon as these words were spoken, the corners of their mouths twitched. They felt like they had been tricked by him.

Chapter 635 Aren’t You Courting Death?

“Haha, Young Master is so humorous. Such an immortal tea is already the best of the best. Many people dream of it. I didn’t expect it to be so unattractive in Young Master’s eyes.” Lu Zhi smiled tactfully and replied.

Looking at the tea in the cup, she seemed to have thought of something. Then, she said, “I heard that the Heaven Mending Deity, Ye Qiu, is hiding his strength and has an outstanding appearance. Seeing you today, you really live up to your reputation.

“I’m Lu Zhi. This is my brother, Lu Chaofeng. We just ascended to the Holy Land a few days ago and are unfamiliar with this place. I came to visit. I hope Young Master will take care of us in the future.”

In just a few words, Lu Zhi directly expressed her intentions. When Ye Qiu heard this, he immediately understood their thoughts. At the same time, he was very puzzled. She said that the two of them had just ascended, but in Ye Qiu’s impression, he should know that the Great Desolate World had such talent.

However, Ye Qiu had never seen these two people. On second thought, they might be from another small world, not the Great Desolate World.

After figuring this out, Ye Qiu immediately felt relieved. He didn’t show any dissatisfaction as he chatted.

“No, no. We’re from the same sect. We should help each other.” Ye Qiu said politely and continued, “May I ask where you are now?”

A trace of pride flashed across their hearts when they heard Ye Qiu’s question. They admitted that Ye Qiu was indeed very strong, but they didn’t think they were very bad either. After all, the treatment they enjoyed was not something many people could enjoy.

Lu Chaofeng said very confidently, "As soon as we entered the Holy Land, we entered the divine mountain to cultivate. We live on the Hopeless Cliff, the Taiqing Cave Abode. We are forbidden land's disciples."

Lu Chaofeng had the capital to be proud that he could advance to a forbidden land's disciple after just entering the sect. Ye Qiu was also quite surprised. He nodded. He did not expect these two people to be extraordinary.

Immediately after, Lu Chaofeng continued, "My sister is the successor of the Heaven Mending Goddess. She has the potential of a celestial and entered the top level of the divine mountain to cultivate."

Lu Chaofeng was incomparably proud when it came to his sister. He believed that once Lu Zhi's identity was exposed, Ye Qiu would definitely show friendliness. After all, as the Deity, he should understand what kind of existence the Heaven Mending Goddess was.

However, the reality was completely different from what he had imagined. Not only did Ye Qiu not have any excited expression, but he also frowned.

After hearing that Lu Zhi was one of the successors of the Heaven Mending Goddess, Ye Qiu couldn't sit still anymore. Damn it, my wife's competitor came to rope me in? Wasn't this courting death?

It was only today that Ye Qiu finally saw Lian Feng's true competitor.

The successor of the Heaven Mending Goddess was a huge chess piece that Meng Tianzheng had played back then. He nurtured the successors in many small worlds and prepared for the final competition.

Until today, when the fruit was ripe, these chess pieces that Meng Tianzheng had set up back then began to gradually surface.

Thinking of this, Ye Qiu's eyes turned cold and the atmosphere began to become oppressive.

Lu Zhi and Lu Chaofeng were a little confused. They didn't know what Ye Qiu's sudden change in attitude meant. Why did the situation change the moment Lu Zhi's identity was revealed?

"So you're the successor of the Heaven Mending Goddess?" Ye Qiu slowly stood up and looked at Lu Zhi with interest, his eyes filled with mockery.

Lu Zhi didn't understand and said, "Young Master, what do you mean?"

Ye Qiu's reaction made her very unhappy. Was there something wrong with her identity? She had always been proud of her status as the Heaven Mending Goddess and could not tolerate others looking down on her.

Facing her question, Ye Qiu smiled and said, "Didn't you do your homework before you came? Heaven Mending Goddess? I'm afraid it's a little inappropriate for her to come to me."

As soon as these words were spoken, Lu Zhi's heart trembled. She suddenly remembered Xiao Mo's words. Xiao Mo had previously warned them that she could rope in anyone in the Heaven Mending Holy Land except Ye Qiu. She didn't understand why Ye Qiu was so special. She also didn't understand why he was so sensitive to the title of Heaven Mending Goddess.

The atmosphere was a little stiff. Seeing that their expressions were a little ugly, Ye Qiu didn't make things difficult for them. He said, "Please do your homework before you decide to do something next time. Otherwise, it will easily cause a misunderstanding. Alright! Forgive me for being rude. Yaya, see the guests out."

Ye Qiu stood up elegantly and was about to leave when Yaya obediently walked up and prepared to send the guests off.

Ye Qiu didn't intend to fuss over it, but it didn't mean that Lu Zhi would endure this anger. She was proud and arrogant to begin with, so she came with a friendly intention. She didn't expect Ye Qiu to be so rude. Anger surged into her heart. Her tone turned cold as she said, "Wait."

"Why? Is there anything else?" Ye Qiu didn't turn around. He only glanced at her.

She suppressed the anger in her heart. She said coldly, "We siblings have never offended you and came to visit with sincerity. How can you be so rude? Young Master Ye isn't going to give us an explanation?"

"Explanation?" Hearing this, Ye Qiu was amused. "Haha... Interesting."

Turning around, Ye Qiu suddenly felt that this little girl was quite fun. Since she wanted an explanation, he would give her an explanation.

After a while, he said, "What explanation do you want? Fight? That's fine too. Coincidentally, my hands have been itching recently, so I can play with you."

For a moment, the tense atmosphere instantly soared. Ye Qiu's eyes turned cold and killing intent appeared. On the other side, Lu Chaofeng had unknowingly taken out his Dharma treasure, preparing to fight at any time.

Lu Zhi, on the other hand, looked furious. She couldn't figure out why Ye Qiu would treat her like this. What did she say wrong? As the successor of the Heaven Mending Goddess, no man beside her did not curry favor with her. How could she not be angry now that she had lowered her status to get to know Ye Qiu and received such treatment?

"Hmph! With a cold snort, Lu Zhi wasn't blinded by anger. She knew that Ye Qiu's cultivation was above theirs. If they really fought, they wouldn't have any advantage. She might as well endure it for now. After she ascended to the Goddess position, she would make Ye Qiu return today's humiliation a hundredfold. "Young Master Ye, I, Lu Zhi, will remember today's humiliation. I hope you won't regret your actions today. Your god position is just an empty title. There are many people better than you. I don't believe that there's no one in this huge Heaven Mending Holy Land who can replace you."

After saying this, Lu Zhi turned around to look at her brother, Lu Chaofeng, and said coldly, "Let's go."

The two of them were about to leave.

No one expected that this originally harmonious scene would end unhappily because of the words "Heaven Mending Goddess".

Yaya was still a little dumbfounded. She could not understand why her master disliked this Heaven Mending Goddess so much.

Facing Lu Zhi's ruthless words, Ye Qiu smiled indifferently and didn't care at all. "Take care, I won't send you off."

Chapter 636 Seeing Ye Qingxuan Again

"Hmph! Let's go." Lu Zhi was furious. At first, she thought that Ye Qiu was a good person and could consider giving him a chance to pursue her. She did not expect him to be so rude. As the successor of the Heaven Mending Goddess, she had never received such treatment.

Lu Chaofeng was so angry that he wanted to draw his saber. If his sister hadn't stopped him, he really wanted to see how strong Ye Qiu was.

The two of them didn't understand why Ye Qiu would suddenly turn the tables so quickly, nor did they understand why Xiao Mo had persuaded them not to come.

Just as they were about to leave, suddenly, a light flashed across the horizon and a green light appeared. A lotus flower bloomed in the sky. In an instant, a fair and flawless foot appeared from the endless void.

"Hmm?"

This sudden change puzzled them. They all looked at the sky. A peerless beauty appeared in the sky. Her beautiful face instantly stunned everyone. Even Lu Zhi felt inferior. Lu Chaofeng, who was beside her, revealed an infatuated gaze.

"Wow... so beautiful." Yaya, who was beside Ye Qiu, had a dazed expression. Her strange reaction made Ye Qiu raise his guard. Could this wretched girl like women?

He looked at the holy and flawless beautiful woman in the sky. His cold and proud eyes were filled with doubt. Her temperament was outstanding and she had the demeanor of a fairy. Ye Qiu didn't hide it and took a few more glances.

"Hmm... So so." Ye Qiu commented seriously. Perhaps because he had seen too many beauties with outstanding looks, Ye Qiu's heart was already numb.

In terms of beauty, this woman could be compared to Lian Feng. However, Ye Qiu didn't like the arrogance in her eyes. Judging from her strength, this woman seemed to be quite strong. At the very least, she was not weaker than Lu Zhi.

Thinking of this, Ye Qiu couldn't help but wonder. Who was this person? He had been in the Heaven Mending Holy Land for a period of time and firmly believed that he had never seen this woman and it was impossible for him to know her. Why did she suddenly appear in the sky above Violet Cloud Training Hall?

As the beautiful woman appeared, the void trembled. In the next second, a green-robed figure slowly walked out.

"Oh, I was wondering who it was. So it's Young Master Ye." In the next second, Ye Qiu's originally tightly furrowed brows relaxed and he revealed a playful smile.

This person was none other than Ye Qingxuan, who had suffered at Ye Qiu's hands last time. For some reason, Ye Qiu felt a sense of familiarity when he saw this kid. It was a very special feeling. Although he felt that this kid was a little rebellious and not easy to get along with, he had to subdue him.

As Ye Qingxuan appeared, the atmosphere instantly became strange.

Above the sea of clouds, Lu Zhi was even more stunned. She looked at Ye Qingxuan in the sky. She had just hit a wall with Ye Qiu and wanted to visit Ye Qingxuan. Unexpectedly, Ye Qingxuan appeared in the next second. From the looks of it, there was already a woman standing beside him who was not inferior to her in terms of looks.

The jealousy and anger in his heart reached an extreme.

"Damn it!" For a moment, Lu Zhi's eyes were filled with hatred, as if she was filled with hatred for the surname Ye. Why? In the past, no matter where she went, she would be the center of attention. But now, she received such treatment.

In the sky, Ye Qingxuan was calm and elegant, like an elegant young master. He walked up to the beautiful woman and was about to speak when he suddenly heard Ye Qiu's teasing. The smile on his face stopped.

The resentment that had been accumulated these days seemed to be unable to be suppressed in a second. He silently clenched his fists and was very angry. However, in order to maintain his demeanor in front of a beauty, he gritted her teeth and endured it.

"Phew... I'll endure it. I'm not angry, I'm not angry." Ye Qingxuan comforted himself and tried his best to calm down. He calmed down and smiled again. He couldn't be bothered to argue with Ye Qiu. The most important thing now was to maintain his image as an elegant young master and perform well in front of a beauty.

Thinking of this, Ye Qingxuan said, "Haha, Fairy, don't take offense. I don't know this person. I'm not familiar with him at all."

The woman in white nodded silently and did not say anything. She had high hopes for Ye Qingxuan. After all, he was one of the most outstanding disciples of the Heaven Mending Holy Land in name. Be it talent or strength, he was one of the best. She admired such an outstanding man.

However, in the next second...

"Yo, Young Master Ye, I was wondering why you suddenly visited my Violet Cloud Training Hall today. It turns out that you're had a new little girlfriend and are preparing to bring her over for me to recognize."

As soon as these words were spoken, Ye Qingxuan's face darkened.

"Do I tolerate you?" Ye Qingxuan's anger suddenly soared. He could no longer pretend.

"Hmm? Why are you so anxious? Your mentality isn't good. It's difficult for you to become great." Seeing that Ye Qingxuan was angry, Ye Qiu immediately smiled and didn't forget to stab him.

Ye Qingxuan could no longer hold it in. "Ye Qiu, enough is enough. I don't want to fight you today."

Although he was furious, Ye Qingxuan still maintained his consciousness. Through this period of surveillance, he knew very well that Ye Qiu was very strong. If he faced him now, he didn't have absolute confidence in defeating Ye Qiu. Therefore, he decided to endure it a little longer.

Ye Qingxuan was a shrewd and steady person. But for some reason, it was very easy for him to lose his rationality every time he met Ye Qiu. It felt like a bloodline suppression.

Originally, when Lu Zhi and Lu Chaofeng saw Ye Qiu angering Ye Qingxuan, they thought that there would be a good show to watch. Who would have thought that Ye Qingxuan was not in the mood to fight at all? Lu Zhi and Lu Chaofeng could not help but be disappointed. They really wanted Ye Qingxuan to teach Ye Qiu a lesson and vent his anger. Who would have thought that Ye Qingxuan would be afraid?

Seeing this, Lu Zhi couldn't help but guess. Could it be that Ye Qiu's strength was above Ye Qingxuan's?

"Sister, looks like this Ye Qiu isn't a simple person. We might have to be careful." Lu Chaofeng reminded her softly, and Lu Zhi nodded.

The atmosphere was very strange. Ye Qiu was overjoyed when he saw Ye Qingxuan was on the verge of going berserk. The days of cultivation were boring to begin with. The appearance of this kid could pass the time.

However, Ye Qiu was very curious as he looked at the woman standing beside Ye Qingxuan. Could it be that he had fallen for someone else and didn't like Ming Yue? Had he started pursuing other little fairies?

After sizing her up seriously, it had to be said that this woman was indeed very outstanding. Be it temperament or appearance, she was not inferior to Ming Yue. Ye Qingxuan's taste was not bad. He was surprisingly similar to Ye Qiu.

#### Chapter 637 This Kid Suits Me Very Much

But then again, this kid's Dao heart was not very firm. How could he fall in love with someone else? Wasn't Ming Yue fragrant? How could he fall in love with another woman?

However, on second thought, it seemed understandable.

After all, Ming Yue was not easy to deal with. Even Ye Qiu didn't have absolute confidence in taking her down. Her heart was as cold as ice. It was harder than ascending to the heavens to make such a woman fall in love with you. Therefore, it was normal for him to give up.

However, Ye Qiu was very curious. What was so special about the woman in front of him that Ye Qingxuan treated her like this?

If it was an ordinary woman, Ye Qingxuan would definitely not be like this. At their level, beauty alone was not enough. After all, there were thousands of beautiful women, but there were many factors that make a relationship work. Moreover, Ye Qingxuan was a descendant of a big clan. He would have more considerations.

As the atmosphere became more and more oppressive, the white-clothed woman who had been quiet for a long time suddenly said, "Young Master Ye, is this the Heaven Mending Deity you mentioned, Ye Qiu?"

“Exactly.” Seeing the goddess ask, Ye Qingxuan hurriedly said.

Hearing this, the white-clothed woman silently nodded and seriously sized up Ye Qiu. Her expression wasn’t too emotional, and no one could tell what she was thinking.

“As expected of the Heaven Mending Deity. He’s indeed hiding his strength.” After a long time, Hui Caiyi commented seriously. From the first time she saw Ye Qiu, she felt that this person was very dangerous. Yes, her years of intuition told her that this man was much more dangerous than everyone present.

Hearing her evaluation of Ye Qiu, Ye Qingxuan’s mouth twitched. The jealousy and anger in his heart couldn’t be suppressed anymore.

“Ye Qiu!” Gritting his teeth in hatred, Ye Qingxuan no longer knew what words to use to describe his current mood. Originally, he was the most outstanding person in the Heaven Mending Holy Land. He didn’t expect a lifelong enemy to suddenly appear, Ye Qiu. He had snatched away all the light that should have belonged to him. Even the woman he liked looked at him in a different light.

No man could tolerate it. Ming Yue was like this, and so was Hui Caiyi. Just as he was holding back his anger, Lu Zhi, who seemed to have found an opportunity, suddenly flew up.

“You’re Ye Qingxuan, Young Master Ye, right? I’ve heard a lot about you. I originally wanted to visit you later. I didn’t expect to meet you here so coincidentally.”

Hearing this, Ye Qingxuan was stunned. He looked at the woman who suddenly appeared and a trace of displeasure flashed across his eyes.

“Who are you?” He said coldly.

Not every woman could catch Ye Qingxuan’s eye. His aloofness was not something ordinary people could compare to.

“I’m Lu Zhi. This is my younger brother, Lu Chaofeng. Greetings, Young Master Ye.” After Ye Qiu’s lesson, Lu Zhi kept a low profile this time and didn’t go overboard. She had already lost the chance to curry favor with Ye Qiu. She didn’t want to lose Ye Qingxuan again.

Unexpectedly, the moment he heard her name, Ye Qingxuan was instantly amused.

“Haha, I was just holding back my anger when you came knocking on my door.” Ye Qingxuan was amused when he thought of this. “Lu Zhi? I remember now. You’re the Lu siblings who just ascended from the Infinite Region a few days ago, right? I remember you, the successor of the Heaven Mending Goddess!”

Ye Qingxuan’s words exposed Lu Zhi’s identity. After Hui Caiyi heard this, her eyes suddenly turned cold and she revealed a vigilant gaze.

“Heaven Mending Goddess’s successor! Have I met a contender so quickly?” Hui Caiyi thought to herself. She did not expect to meet her competitors today after arriving at the Heaven Mending Holy Land yesterday. This made her wary, especially when Lu Zhi expressed her friendliness right from the start. It was obvious that she wanted to curry favor with Ye Qingxuan and make him her ally.

Hui Caiyi did not know what Ye Qingxuan was thinking. After all, they had just met. In the end, if her father hadn't specially instructed her, she wouldn't have wanted to be too involved with Ye Qingxuan.

As someone from a large clan, she knew very well that her family and the Ye Clan were allies. The two clans had a marriage alliance many years ago, and the target of the marriage alliance was her. Unfortunately, because of that chaos back then, the Ye Clan had been reshuffled. Her former marriage partner had already died in the sea of flames, so this marriage alliance was canceled.

Originally, Hui Caiyi thought that she had regained her freedom. Unexpectedly, this time, her father sent her to the Heaven Mending Holy Land and deliberately let Ye Qingxuan get close to her.

The meaning behind it was obvious. He still did not want to give up on this marriage alliance and wanted to continue this relationship. She looked at Ye Qingxuan. To be honest, she had no feelings for Ye Qingxuan. It was just that she could not refuse his goodwill because of her father.

Lu Zhi's appearance was unexpected. From the looks of it, she seemed to want to rope Ye Qingxuan in. Thinking of this, Hui Caiyi immediately fell silent. She silently looked at Ye Qingxuan to see how he would deal with this matter.

Ye Qingxuan smiled at Lu Zhi. He had long known of the existence of Lu Zhi and her brother. One had to know that he had many followers. Nothing in the Heaven Mending Holy Land could escape his eyes. Ever since the Lu siblings ascended, they had already entered his sight. What the two of them had done over the past few days had not escaped his eyes.

Ye Qingxuan really wanted to laugh as he looked at Lu Zhi in front of him. Did this woman really think that I would be stupid enough to form an alliance with her? He was too embarrassed to say what Lu Zhi had done. Ever since she ascended, she had been visiting everywhere to win people over. She was too scheming. He was really not interested in such a woman at all.

However, Lu Zhi had yet to realize this. When she heard that Ye Qingxuan knew her identity, she was delighted.

Thinking that he had been paying attention to her, she couldn't help but smile and say, "I didn't expect Young Master Ye to be so concerned about my matters. I wonder if Young Master has time? Let's find a place to have an in-depth discussion?"

Lu Zhi smiled confidently, thinking that she had Ye Qingxuan under control. Unexpectedly, in the next second, her expression froze and turned incomparably ugly.

Ye Qingxuan said disdainfully, "That's not necessary. We're not on the same path. Miss Lu, please respect yourself. We're not familiar."

As soon as these words were spoken, Lu Zhi's face darkened. She could not figure out why Ye Qingxuan still did not buy her humble attitude.

"Haha!" Seeing this, Ye Qiu, who had been quiet for a long time, suddenly laughed loudly. "An exciting performance, too exciting."

It had to be said that Ye Qiu, who originally didn't like Ye Qingxuan, suddenly felt that this kid suited his taste. Their opinions and thoughts were surprisingly identical.

Lu Zhi was indeed beautiful, but she was mainly thorny. She was too scheming and they did not like her. Clearly, Lu Zhi did not realize this at all and was still trying to curry favor.

Chapter 638 Ant, How Dare You Act Tough In Front of Me?

“Young Master Ye, what do you mean?” Lu Zhi was furious. How could the proud her not be angry after being treated so rudely twice in a row?

Hearing her cold question, Ye Qingxuan smiled disdainfully and looked coldly at the siblings. “Haha, I don’t mean anything else. I’m just not interested in you.”

As soon as these words were spoken, Lu Chaofeng’s killing intent instantly soared behind him. He could no longer suppress it. His sister’s humiliation was equivalent to his humiliation.

Anger instantly ignited. Lu Chaofeng drew his saber angrily and said, “How dare you be so rude!”

Everyone thought that a huge battle was about to erupt. Unexpectedly, the moment Lu Chaofeng attacked, Ye Qingxuan’s eyes turned cold and he instantly stretched out his hand.

“Stop!”

In the next second, Lu Chaofeng’s throat was grabbed by him like a chicken. At this moment, Lu Zhi panicked. She had long heard that Ye Qingxuan’s strength was unfathomable. He was the ultimate expert who had become a Heavenly Venerate with the Ten Heavenly Sanctums.

How could a small Endless Realm with Seven Heavenly Sanctums like Lu Chaofeng compare?

In just a second, the battle ended. Ye Qingxuan stared coldly at the siblings and grabbed Lu Chaofeng’s throat tightly. He said coldly, “Ant, you dare to act rashly in front of me?”

Ye Qingxuan was definitely not a good person. As a direct descendant of the Ye Clan, he was born noble. The ease he displayed was just an act. The pride in his heart was no less than anyone else. Putting on airs in front of him? It was tantamount to teach one’s grandmother how to suck eggs.

Ye Qingxuan replied coldly. In an instant, a shocking killing intent erupted and enveloped the entire Violet Cloud Training Hall.

At this moment, the Lu siblings truly realized how terrifying Ye Qingxuan was. Not to mention them, even the experts of the older generation did not dare to act rashly in front of him.

Lu Chaofeng broke out in cold sweat. He was completely afraid. In all these years, he had never encountered such a terrifying opponent. Just that pressure made him feel suffocated, as if the other party could easily kill him with a look.

He truly understood now that these descendants of the big clans of the Nine Heavens and Ten Lands were completely different from the profligate sons he had come into contact with in the past.

Not only were they powerful and talented, but their shrewdness and schemes were also existences that one could not compare to.

Playing tricks with them? You’re not worthy at all.

Lu Chaofeng wasn't the only one who was afraid. Lu Zhi was also afraid. She broke out in cold sweat, afraid that Ye Qingxuan would be unhappy and kill her brother. She hurriedly begged, "Young Master Ye, my brother is young and insensible. He offended you. Please forgive him and spare his life. I apologize to you here. Young Master Ye, please be magnanimous."

This was the first time Lu Zhi had lowered her head in so many years. She began to regret not listening to Xiao Mo. If she hadn't come to Violet Cloud Training Hall, such a thing wouldn't have happened. Making her lower herself to apologize to Ye Qingxuan now was worse than killing her. But even though she pleaded so humbly, Ye Qingxuan did not buy it.

"Hmph, clown. Others might be afraid of your Lu Clan, but I'm not. How dare you show your saber in front of me? Do you really think I'm like those trash outside?" Ye Qingxuan said coldly. Not to mention the mere Lu Clan of Infinite region, even if their Lu Clan's patriarch in the Upper Realm personally appeared today, he would still not buy it.

In terms of family background, he had never been afraid.

Seeing that Lu Chaofeng was in danger, Lu Zhi completely panicked. This was the first time she felt so powerless. No matter how she threatened Ye Qingxuan, it had no effect on him. She did not have the strength to fight him either. In an instant, her heart was like dead ashes.

At this moment, a very carefree voice sounded. "Haha, Young Master Ye, can you spare this ignorant kid's life on account of me?"

Lu Zhi was delighted and hurriedly looked at the source of the voice. She suddenly realized that at some point, a young man had been lying on the big tree beside the cliff. He said leisurely as he drank his wine. He looked carefree and happy.

This person was none other than Xiao Mo.

When she saw who it was, Lu Zhi's gaze quickly changed from anticipation to despair. She originally thought that the person who helped was Ye Qiu, but she didn't expect it to be Xiao Mo.

Although she didn't know Xiao Mo's strength, they had interacted with him before. They felt that this person was very unreliable. He had nothing to do all day and was muddle-headed. What kind of reputation could he have in the Heaven Mending Holy Land?

This was also the reason why they chose to visit Violet Cloud Training Hall. If Xiao Mo had the strength, they would not have come to Violet Cloud Training Hall.

Lu Zhi was very disappointed. She did not expect that after Xiao Mo spoke, the originally murderous Ye Qingxuan would restrain himself.

"So it's Brother Xiao! Long time no see."

"Hmm?" As soon as these words were spoken, Lu Zhi's heart trembled and she was confused.

Ye Qingxuan continued, "Brother Xiao, why are you speaking up for this kid today? Is there a reason?"

Hearing this, Xiao Mo laughed and was very helpless. He shook his head and said, "Brother Ye, please excuse me. In the early years, I was saved by this youth's father and owed a favor. I specially came today to return this favor. I wonder if Brother Ye can spare him this time for my sake?"

As soon as these words were spoken, Ye Qingxuan suddenly understood. He looked at Lu Chaofeng, whose face was already red and who had almost been killed by him. He couldn't help but sigh at this young man's luck.

The doubts in his heart were swept away. At first, he was puzzled as to why Xiao Mo, a fellow who stood aloof from the world, would suddenly plead for mercy. Now that he heard the reason, he immediately understood that this guy was here to return a favor.

Others might not know what kind of person Xiao Mo was, but as a fellow disciple for many years, Ye Qingxuan knew very well. Xiao Mo was a very terrifying opponent. In terms of strength, he might be above him.

However, this person was very strange. He was indifferent to fame and fortune and stood aloof from the world. He was the most unusual existence in the Heaven Mending Holy Land. With his strength, he clearly had the highest chance of getting the Deity position, but he had never fought for it.

Ye Qingxuan thought for a moment and slowly let go of Lu Chaofeng. He could not give face to others, but he still had to give face to Xiao Mo. This was because he knew that if Xiao Mo insisted on saving Lu Chaofeng, his strength was definitely enough. If they fought, he might expose his trump card in advance and benefit Ye Qiu. It would be disadvantageous to him.

On the contrary, Ye Qingxuan giving him face was equivalent to asking him to owe him a favor. If he needed help in the future, even if he didn't help, he wouldn't stab him in the back.

Ye Qingxuan believed in Xiao Mo's character. After all, this guy had a good reputation for keeping his promises. A favor from him was much more precious than those so-called treasures.

"Haha, it's rare for Brother Xiao to ask. Alright, I'll give you face today." Laughing loudly, Ye Qingxuan let go of Lu Chaofeng and threw him in Xiao Mo's direction.

Xiao Mo smiled and received him. He simply checked his injuries. He was fine. Then, he heaved a sigh of relief.

#### Chapter 639 Invitation from a Beauty

"Chaofeng, are you alright?" Seeing that Ye Qingxuan had finally let go, Lu Zhi finally heaved a sigh of relief. She hurriedly came to Lu Chaofeng's side and checked his situation with concern.

Lu Chaofeng coughed heavily and said, "Sister, I'm fine." Even though he said that he was fine, Lu Zhi was still very worried with a flustered appearance.

Xiao Mo shook his head, feeling very unhappy. If they had listened to him in the beginning and not come to Violet Cloud Training Hall, this would not have happened. Now that they were here, not only did they not obtain any benefits, but he also owed someone a favor, and it was a favor from Ye Qingxuan.

Xiao Mo was more or less unhappy, but he had no choice.

Shaking his head, Xiao Mo picked up the gourd in his hand again and drank a little. He looked at Ye Qingxuan and said, "Thank you, Brother Ye. I will remember today's favor. If Brother Ye needs anything in the future, feel free to look for me."

"Haha, Brother Xiao, what are you saying? We've been close friends for many years. I can ignore others, but I still have to give you face. Everyone in my Heaven Mending Pavilion knows your Brother Xiao's name." Hearing this, Ye Qingxuan laughed and said politely.

Hearing their conversation, Lu Zhi finally realized that Xiao Mo was not as simple as they thought. The true big shot had always been by their side, but they had ignored him. At this moment, she was incomparably regretful. From the conversation between Ye Qingxuan and Xiao Mo, she could at least determine that the two of them were similar.

From the start, Xiao Mo was standing in her team. There was no need to rope him in. She didn't discover how terrifying Xiao Mo was in time. Instead, she came to Violet Cloud Training Hall to rope Ye Qiu in and ignored Xiao Mo. After a round, she finally realized that there was an incomparably terrifying existence beside her from the beginning.

After the two of them exchanged a few pleasantries, Xiao Mo saw that the time was right and looked at Ye Qiu.

"I've disturbed you today. I hope Your Highness won't take offense." Xiao Mo apologized. This was an apology to the owner of this place. He hadn't forgotten that this was Ye Qiu's territory. It wasn't Ye Qingxuan's territory. If Ye Qiu was unhappy, not to mention him, even Ye Qingxuan would have to crawl out. Therefore, he could still differentiate between priorities.

Ye Qiu smiled at him and felt that this young man was very interesting. He did not expect such an expert to be hidden in the Heaven Mending Holy Land. He looked completely aloof from the world. Usually, one would think that he was just an ordinary person who was muddle-headed and idle. However, the moment he truly revealed his strength, you truly realized how terrifying he was.

Such people were often the most terrifying.

Ye Qiu couldn't help but praise him. Then, he said, "No need to say that. You came from afar, so I don't have anything good to entertain you. This is my fault. If there's nothing else, please feel free."

Ye Qiu didn't intend to continue entangled with this problem. To him, today's matter was just a small farce. Compared to these things, he wanted these people to leave as soon as possible so that he could go back and comprehend the Dragon Slayer Technique. This was because this precious technique was too terrifying. If he really comprehended it, he would have another killing move in the future.

Ye Qiu wasn't angry about the Lu siblings just now. To him, these two weren't a threat. In comparison, the woman beside Ye Qingxuan was more threatening.

Just now, Ye Qiu had taken a preliminary look and discovered that this person's aura was incomparably stable. Her aura was astonishing, and her strength was several times stronger than Lu Zhi.

Ye Qiu couldn't help but worry. Could this person be the successor of the Heaven Mending Goddess? If that was the case, Lian Feng would feel immense pressure.

Ye Qiu was still considering whether he should test her.

After hearing Ye Qiu's words, everyone immediately heaved a sigh of relief and prepared to leave. However, Hui Caiyi did not intend to leave yet because she suddenly sensed a subtle abnormality. "Strange, why is the King's seal on their foreheads so similar?"

Yes, the meticulous her finally discovered that the King's seal on Ye Qiu and Ye Qingxuan's foreheads was the same. She couldn't help but feel puzzled. She naturally knew the origin of the King's seal very well.

She fell into deep thought. From the conversation between the two of them just now, they did not look like brothers at all. They were more like enemies, the kind who would attack after a few words. However, such a situation would not have happened unless they were from the same clan.

She couldn't figure it out.

Just as everyone was about to leave, Hui Caiyi suddenly said, "May I ask Young Master Ye? I have a question in my heart. I wonder if Young Master can answer it?"

"Hmm?" As soon as these words were spoken, Ye Qingxuan, who was originally glad that Ye Qiu didn't find trouble with him, felt worried again.

What is going on now?

Not only was he dumbfounded, but even Ye Qiu was stunned. He didn't have much interaction with Hui Caiyi, nor did he have any conversation during this period. Why did the other party suddenly ask him to answer her doubts?

Looking at Ye Qingxuan beside her, an evil thought appeared in Ye Qiu's mind.

"Hehe, this kid is definitely pursuing her. If I interfere, will he be so angry that he wants to jump up and hit me?" Thinking of this, Ye Qiu wanted to laugh even more. Ye Qiu was quite experienced in picking up girls. Moreover, he was very happy to make Ye Qingxuan unhappy. "Hmm... I'll do it."

Looking at Ye Qingxuan's threatening gaze, Ye Qiu became even more determined. Thinking of this, the thought of tricking him gradually appeared in Ye Qiu's heart.

"Oh? How can I not agree to your request? Please come to the pavilion for a chat. I will definitely answer your confusion." Ye Qiu smiled faintly. At first glance, he looked like an immortal.

Such a contrast made Lu Zhi feel very unhappy. She was clearly not much inferior to Hui Caiyi, so why was the difference in treatment between the two of them so great? In comparison, Ye Qiu's actions and speech revealed elegance. He was just like a gentle and elegant young master, and his temperament instantly attracted Hui Caiyi.

Hui Caiyi couldn't help but praise him in her heart. This person was indeed the Heaven Mending Deity. Be it appearance, temperament, or cultivation, he was above Ye Qingxuan. In comparison, Ye Qingxuan was more like an immature child. He didn't know how to coax girls at all and only knew how to show off.

Seeing Ye Qiu's invitation, Hui Caiyi happily landed and arrived at the pavilion.

Seeing his goddess go down just like that, Ye Qingxuan was furious, but there was nothing he could do. He shouted hatefully in his heart, "Damn it, Ye Qiu, you better really answer her confusion. Otherwise, I won't let you off."

Hui Caiyi did not consider Ye Qingxuan's feelings. She slowly sat down on a chair and looked at the gentle and elegant young master opposite her. Her heart could not help but tremble and she was a little moved.

#### Chapter 640 Ye Qiu's Background

"This guy is quite interesting. He's not as difficult to get along with as the rumors say." She evaluated in her heart. In the beginning, when Hui Caiyi heard Ye Qingxuan introduce Ye Qiu, he had said all kinds of bad things. He had a bad temper, was arrogant, looked down on everyone, and liked to be a hooligan.

Therefore, she felt a little disgusted. But now that she saw him, she didn't seem to think that Ye Qiu matched what Ye Qingxuan said at all.

Not only was he not arrogant at all, but he was also very approachable, gentle, and elegant. She didn't know what grudge Ye Qingxuan had with Ye Qiu. Why was he belittling him?

"Fairy, please." Ye Qiu didn't know what Hui Caiyi was thinking. He poured a cup of tea and smiled.

"Thank you, Young Master." Hui Caiyi nodded and lightly took the cup of tea. She took a sip and was suddenly shocked. She was more or less shocked that Ye Qiu would take out such immortal tea to entertain her. This was an extremely high level of respect for her. She couldn't help but feel grateful.

After she drank the cup of tea, Ye Qiu continued to pour the tea in an orderly manner. Then, he slowly said, "I wonder if Fairy has any doubts? Fairy, feel free to ask. It's my honor to be able to answer your questions."

As soon as these words were spoken, Hui Caiyi couldn't help but look up at Ye Qiu. Her heart trembled and she was secretly delighted. It seemed that he was really not as arrogant as Ye Qingxuan had said. Instead, he was very polite, easygoing, and carefree.

"Haha, Young Master must be joking. I was a little rash. I hope Young Master won't blame me if I offended you." With a sweet smile, Hui Caiyi slowed down. She looked at Ye Qingxuan, who was gritting his teeth in anger not far away, and hesitated. "I wonder where Young Master comes from? Are you from a big clan in my Nine Heavens and Ten Lands?"

This was Hui Caiyi's first question. She wanted to confirm Ye Qiu's identity. After all, the King's seal on his forehead was too similar to Ye Qingxuan's. She also knew that this question was more or less offensive, but in order to solve the mystery in her heart, she gritted her teeth and asked.

This was the first time Ye Qiu heard this question. He looked at Hui Caiyi in confusion, unable to figure out this girl's thoughts. Why was she asking about my background? To check my household register?

Ye Qiu had nothing to hide about his background. After all, many of his enemies knew his background.

This was not a secret.

After thinking for a moment, Ye Qiu smiled faintly and said, "Haha, I came from a commoner background and cultivated all the way from the Great Desolate World. I was lucky enough to ascend and barely entered this Heaven Mending Holy Land. I'm not worthy of that big family."

As soon as these words were spoken, Hui Caiyi's eyes were slightly moved, as if she was very surprised. "Great Desolate?"

A trace of shock flashed across her eyes. After carefully thinking through Ye Qiu's words, she understood Ye Qiu's background. He came from a small world called the Great Desolate World and was an ascender.

She more or less understood about ascendants. Usually, such figures would experience various calamities and obtain the recognition of the Heavenly Dao before they could ascend to become immortals.

The price of becoming immortals was much harder than any genius in the Nine Heavens and Ten Lands. This was because that small world was originally barren and the laws were incomplete. It was extremely difficult to cultivate.

Ye Qiu must have experienced hundreds of battles and various hardships to be able to reach this point.

Thinking of this, Hui Caiyi was incomparably shocked, and her eyes were filled with admiration. Compared to these ascenders, their cultivation path was too smooth. They could not experience the pain of millions of people fighting for a chance of survival.

But on second thought, since Ye Qiu was an ascendant, why was the King's seal on his forehead so similar to Ye Qingxuan?

After a while, Hui Caiyi said again, "I didn't expect Young Master to be the legendary ascendant. I'm sorry. I still have a question in my heart. I wonder if Young Master can answer it?"

Ye Qiu smiled and didn't say anything. He had roughly guessed Hui Caiyi's doubts. Ever since she asked about his background, Ye Qiu had vaguely guessed it.

After a while, Ye Qiu said indifferently, "Haha, Fairy, you want to ask why the King's seal between my eyebrows is so similar to that Young Master Ye, right?"

Ye Qiu's words exposed the mystery. Hearing this, Hui Caiyi was also shocked. She knew that Ye Qiu had already guessed her thoughts. She couldn't help but admire this person. Be it his mental state or shrewdness, he was very deep.

Hui Caiyi nodded and didn't continue speaking because she knew that this question was a little rash. Therefore, if Ye Qiu wanted to answer, he would. If he didn't, she couldn't continue asking.

Seeing that she was so curious, Ye Qiu rolled his eyes and glanced at Ye Qingxuan not far away. He revealed a meaningful smile.

Ye Qiu was indeed quite confused about this King's seal at first. After all, in his memory, he was not related to this so-called Immortal Ancient clan. Therefore, it was unlikely that he was a descendant of the Ye Clan.

In his memory, from wandering in the Great Desolate World to being brought to Violet Cloud Peak by Daoist Xuantian, all his past memories had nothing to do with this large clan. However, what Ye Qiu couldn't confirm was that before he was discovered by Daoist Xuantian, he had been wandering for a long time. He didn't keep any memories during this period.

Perhaps it was because he was too young at that time and did not remember it. In his blurry memories, there was only one fire. That fire often appeared in his dreams. However, Ye Qiu couldn't remember how that fire came about.

He only knew that when Daoist Xuantian discovered him, he told him that there was a ferocious beast riot at the foot of the mountain. All the nearby villages had been flattened by the ferocious beasts. The mountain flames covered the entire wasteland and burned for more than a month.

Therefore, the fire in Ye Qiu's memory should be the mountain fire caused by the beast riot.

Ye Qiu recalled in his heart and replied with a smile, "Fairy, you're thinking too much. I'm a commoner from a humble background. I can't climb up to that supreme clan.

"As for this King's seal, it might be a coincidence. There are all kinds of strange things in the world. It's predestined. It's not good for me to follow the path of cultivation if I care too much about the past.

"The path to immortality is long. Fairy, if you want to ask about the future and the path to immortality, I might be able to answer your confusion. However, I can't answer this question." Ye Qiu spoke confidently and freely.

Hui Caiyi nodded silently when she heard this. It seemed like they were indeed not in contact. The little hope in her heart was shattered.

Why did she ask Ye Qiu about this? Especially when she heard that Ye Qiu came from the Great Desolate World in the lower realm. It was actually very simple. She still had fantasies in her heart and was unwilling to accept the fact that her fiancé, whom she had yet to meet, had already died in the sea of flames.

She was still hoping that at some special time, he would return again. Even if he couldn't complete the unfinished marriage, he should cancel this marriage agreement with her and remove the last shackles in her heart.
