Nicko does the domestic work at home as he always be. Luckily,

Edmund's house is not as bigger than Howard's.

He has no regrets for doing all this kind of housework. What he is doing for now is an equality for his married life. Josephine, works for her family company to afford the needs include for her parents.

It doesn't mean that Nicko has no will to find a job and support his wife. His decision to leave his previous occupation directly makes it difficult in finding a job for now. Whereas His previous job was in a small town with a less prestigious company.

He got a job as a courier one day,

but the Windsor disagreed with it. Working as a courier has no prestige at all and going to embarrass the reputable Windsor. Thus, Nicko only stays home and does the housework.

Even the Windsor don't really like Nicko, but his existence gives them an advantage. By his appearance, they don't need to hire a maid to do the housework.

The domestics work is not a new thing for him,

he got used to it. He is enjoying his daily life without any care of the Windsor taunt.

'Be careful in cleaning the floor. Don't make it slippery and hurt your father in w. Remember, my husband Edmund just got a back pain. If you have not careful,

you will hurt him!' Daisy is sneering at him, while he is moping the floor.

Nicko just said yes and nods. Then he goes on with what he has been doing.

Josephine was sitting with her parents, then she stands up and tried to help her husband. This young dy gets the dishes and get ready to wash them. Unfortunately,

her family disagrees with her goodwill.

'What are you doing, Josephine?' Her Mom is asking her unhappy.

'I clean the dishes then wash them,' Josephine is saying in differently.

‘It’s not your duty,

that’s what a coward must do,’ Daisy is saying while gncd at Nicko.

‘I just want to help my husband.’

‘Why you need to help him. He deserved to do all of this things as a consequence for being a useless man,’ Her mother is saying once again.

Josephine just stays quiet, but deep in her heart she knows that Nicko is much better than her parents. Her father is always supported by her Grandpa and uncle Howard. As the youngest son,

he gets used to being spoiled and stay

ziness.

Both Edmund and Daisy always lived in a luxurious way. As time goes by, they don’t know how to make money until their children grow up to adults.

They are depend on Josephine to earn and Catherine’s help to support their lifestyle.

‘But, Dad,—’ Josephine can’t go on with her sentence, since she found a middle aged man gncd at her.

‘Sit down and let this loser do all these things!’ Edmund gives a command to his daughter.

Nicko is nodding and glanced at his wife, give a sign to her to do what Edmund said.

‘Hey Nicko, you don’t need to be satisfied at all.

What you did on Howard’s birthday was only a fortune!’ Edmund Windsor tries to remain his son in w not to be imperious.

Nicko only nod and do what he has been doing. However, Edmund and his wife stop him.

‘On my brother’s birthday you were able to beat Adrian, but it doesn’t mean he is below your level,’ Edmund is remaining him once more.

‘Adrian has a promising occupation,

and came from a reputable family. You should know that,

he got a positive connection to the Lloyd family,’ Daisy tries to tell him.

‘Huh, how could this kind of guy knows about the Lloyd,’ Edmund underestimate him once again.

The Windsor couple are arguing.

ugh at Nicko unfortunate as a guy without a surname.

‘You better release my daughter, let her marry Adrian and live happily ever after. Don’t you realize that you’re always bothering her!’ Daisy tells him.

Nicko feels like wants to use his magic card from the Lloyd. He wants to gag her parents in w to stop underestimate him, but hes to be patience.

Nicko prefers to stare at his parents in w and saying,

‘I will divorce Josephine,  
only if she wants it.’

‘And i will never want my husband to divorce me!’ Josephine says confidently.

‘Huh! It’s no use talking to a youth. Remember Josephine,  
one day you will regret on marrying a loser like him!’

His father is telling a threat.

‘Honey, I am sorry for cannot do anything to stand  
for you,’ Josephine is saying while hugging  
her topless husband.

The dy he is marrying thinks that what her family has been doing on him is above too much and intolerant.

‘Don’t worry my dear.

I can compromise to all of this things,’ Nicko is saying  
wile rubing his wife’s finger softly.

‘Honey,

should we leave this house and make our own life?’

Nicko is surprising when he heard her wife statement.

Honestly, he wants to do what she have said,

but he doesn’t want to make her dy live in suffer.

The result of DNA testing will be seen tomorrow. If it’s proven that he is the missing son of Lloyd, it will be easy for him to make his wife happy. On the other hand, if it’s not, he will only promise a suffer to the beauty Josephine.

‘No worry honey,

what will happen to your parent if you left them,’ Nicko tried to be wise.

‘But, honey. They treat you like a servant, they never had any appreciation to you, never.’

‘As long as you treat me as a man as a husband, it’s more than enough.’

‘Really? What can i do to make you happy?’ Josephine says and put down her robe and show him a silhouette of her violin body, which is covered by her mini, almost

transparent gown.

Nicko bites his own lips, he is still young and lustful as a fire. He comes closer to his wife and kiss her pinky lips

wildly.

with her leg wrapping on his waist. She lets her husband's lips moving around her face and neck. Before he y her down on the bed and stay on top of her, finally.
