

Then, Lin Fan's fingers landed wildly upon the keys of the piano like droplets of rain.

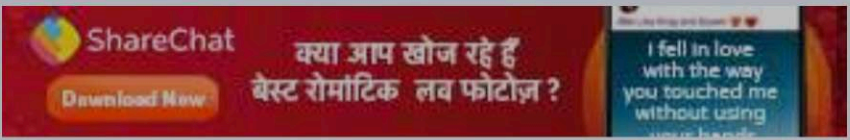

At that moment, the sonorous and steady notes of the music Lin Fan was playing entered the ears of the audience. It was a melody that sang of heroic warriors with shining spears on armored horses, which morphed into a sinister tune that sounded chilling, but then changed again into a procession of madness and violence.

The crowd was shocked.

Nearly everyone in the crowd felt an oppression induced by the song, for the melody was simply uncanny; it sounded like a mixture of all genres, which created a chaotic texture to the ears of the listeners. However, amidst the chaos, it did not sound jarring at all. On the contrary, the audience were able to feel the darkness and madness that was contained within the music.

"I-I don't want to listen to it anymore!"

A little girl screamed in agony as she stumbled across the room with her hands covering her ears.

## Chapter 524 Are You Trying to Get Me Killed?

She had burst into tears out of fear because of the music.

She was not the only one, for at this point, everyone there had subconsciously immersed themselves in the music that was filled with madness and darkness, as if they had all fallen into hell.

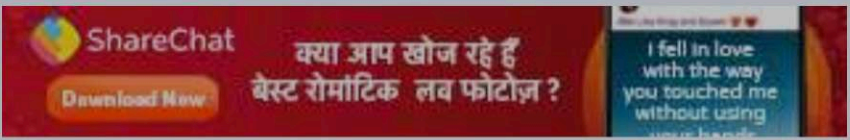

Guo Ailun was trembling as if he had been struck by lightning after hearing the familiar melody. Horrified, he stared at Lin Fan.

“It really is the Hell Sonata!”

Then, Jiang Xin, who was so petrified, asked Guo Ailun, “Master Guo, what is the Hell Sonata?”

She had never heard such a creepy piano piece that was so unbearable to listen to, not because the music itself was awful, but due the demonic nature of the melody that was hidden beneath its graceful and magnificent notes; every single note of the song sounded bone-chilling.

Guo Ailun’s face immediately turned ghastly pale as he forced out a smile.

## Chapter 524 Are You Trying to Get Me Killed?

“The Hell Sonata is the hardest piano composition to be played in the world. It’s also the most terrifying piece of piano music! To this day, no one has been able to listen to the whole song. Moreover, this piece of music has made thousands of people commit suicide, causing the music to be banned across the globe! This piece of music is also known as the invitation for demons!”

*This music had made thousands of people commit suicide?*

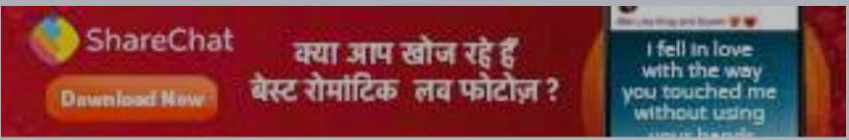

Everyone in the crowd shivered at once when they heard that. They were literally feeling chills out of fear.

*Gulp!*

Wang Mingzhe swallowed a mouthful of saliva as horror emerged in his eyes.

“T-This is impossible! It is said that the music sheet for this demonic tune was written by the devil himself. There’s no way it exists!”

The tune was overly horrifying and demonic, which resulted in the spread of rumors

about the Hell Sonata being a creation of the devil.

However, Guo Ailun merely nodded and said, "That's all made up. The composer of this tune is not the devil. In fact, he's a person!"

"Who is it?" asked the crowd of people simultaneously.

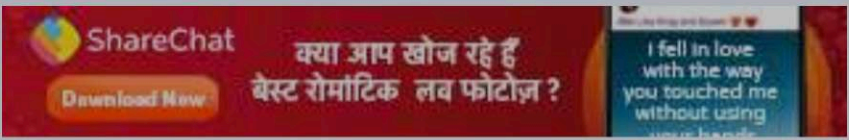

Guo Ailun did not utter a word after that. He was only staring dead at Lin Fan with an astounded gaze.

It was at this moment when the piano music abruptly stopped.

Lin Fan had noticed that many people at the scene had their pupils contracted and their eyes bloodshot, so if he continued playing the music, something bad would inevitably happen.

Once the crowd was being released from the horrifying melody, they immediately felt relieved; it was then when they realized that their backs were drenched in cold sweat.

There were miserable smiles filled with fear that lingered on their faces.

## Chapter 524 Are You Trying to Get Me Killed?

So this was the world's greatest demonic music?

It was extremely horrifying indeed!

As if he had gone mad, Guo Ailun then furiously shouted at Lin Fan, "This is the Hell Sonata, the most difficult composition to be played that was recognized by the entire music industry. Nearly every master level pianist has failed after trying to play the music! H-How do you know how to play it?"

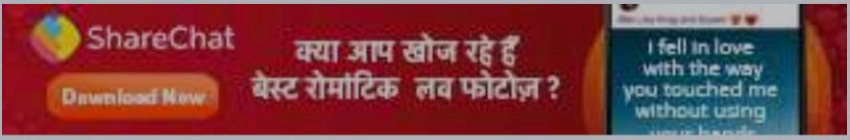

In an instant, the crowd turned their fearful gaze at Lin Fan all at once.

Lin Fan put on an evil smile before he said something that would strike even greater fear into the crowd.

"That's because I am the composer of the Hell Sonata!"

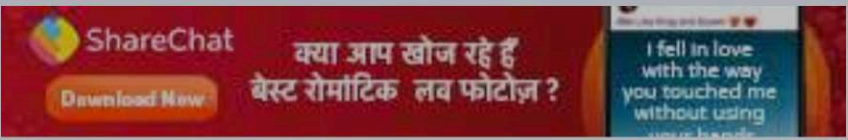

Wang Mingzhe and the others, including the guests at the scene, trembled violently after hearing what Lin Fan had said.

Those simple words from Lin Fan struck them like a thunderbolt that resounded loudly throughout the entire hotel.

“This man is the devil who composed the demonic tune that had killed so many people?”

“This is the world’s hardest piano piece to be played, and the composer is actually this teenager who is in his early twenties? H-How is this possible?”

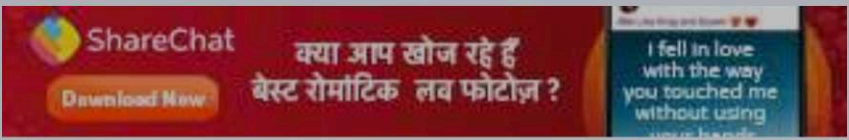

“This is impossible! It’s definitely impossible that such a horrifying tune could have been created by a human being. The composer must be the devil!”

It was absolutely chaotic throughout the entire hotel as everyone at present was plunged into utter horror.

One by one, the people turned their gaze toward Lin Fan, their eyes filled with pure horror as they focused on his figure, as if they were looking at the devil himself.

However, Wang Mingzhe and the others were the ones who were the most astounded.

All of them were stunned and dumbfounded as they could not believe their eyes.

## Chapter 524 Are You Trying to Get Me Killed?

This man could actually play the piano?

It was only moments ago when they mocked Lin Fan. They even turned up their nose at him while bombarding him with insults.

However, the ‘Hell Sonata’ played by Lin Fan just now had overturned their perceptions in life. The fear and awe they felt while listening to the song just now was the most intense one they had ever felt before in their lives.

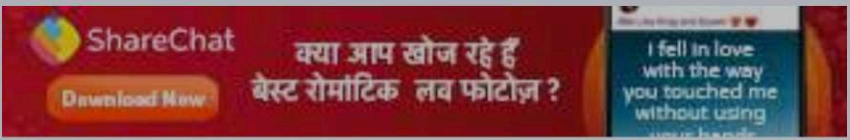

This made them feel that all of these were impossible!

“You really are the composer of the Hell Sonata, the mysterious Mr. X?”

Guo Ailun had lost his arrogance and enviousness right away. His cheeks were flushed when he made his way slowly up to Lin Fan with an excited, but anxious feeling.

The author of the Hell Sonata was a legend to the whole of the music industry. No one knew who he truly was, which was why they had given him that nickname—the mysterious Mr. X!

## Chapter 524 Are You Trying to Get Me Killed?

Guo Ailun looked like a passionate fan at this moment. His expression was filled with adoration and fanaticism after finally seeing the idol he admired for many years.

Lin Fan on the other hand, was smiling arrogantly.

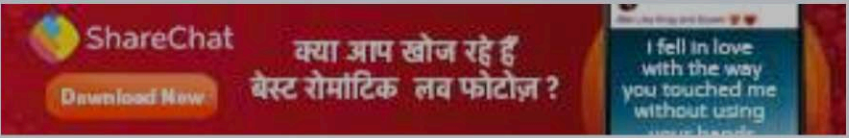

“Who else can play the Hell Sonata other than me?”

*Thud!*

Guo Ailun could no longer restrain his adoration toward Lin Fan. After hearing what he had said, Guo Ailun immediately kneeled down before him. He looked at Lin Fan with tears in his eyes, and his voice was trembling as he said emotionally, “Sir, you’re a legend to the entire music industry. What you’ve created was legendary and until today, there is no one who can surpass you! I-I’ve finally met you!”

The crowd was dumbfounded at the sight of this. They were all looking at Guo Ailun in utter disbelief.

The dignified master of music, the creator of all great singers—male and female—Guo

Ailun, was kneeling before this young man in front of him?

In an instant, the crowd were completely shocked; they could barely believe what they were seeing.

Judging from Guo Ailun's attitude and his behavior, they could basically confirm that Lin Fan was none other than the composer of the Hell Sonata.

It was at this moment when Lin Fan nonchalantly looked at Guo Ailun.

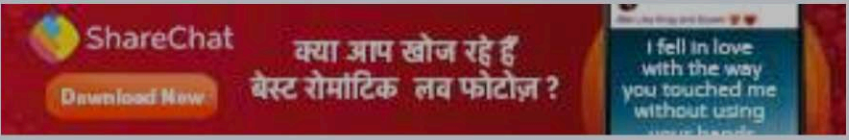

"If I said that I'm the master of all masters, do you agree with me? If I said that you are not worthy enough to even be mentioned in the same breath as me, do you accept it?"

"I admit it! I accept it!"

Then, Guo Ailun hastily nodded before he started kowtowing toward Lin Fan. He was acting very humbly.

"I've offended you just now by being so ignorant. Please... forgive me!"

If he really was the mysterious Mr. X, he

deserved to be called the master among all masters. Moreover, Guo Ailun was indeed not worthy enough to be mentioned in the same breath as him.

On the other hand, Wang Mingzhe, who was witnessing the scene, was on the verge of going mad.

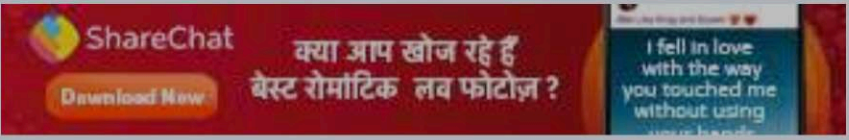

The person whom he hired in order to back himself up was now kneeling before the man who had humiliated him. How could he accept this?

The raging wrath of hatred had torched all his sensibilities. He then yelled in distress at the very next moment, "Impossible! This is impossible! This douche is clearly a scumbag. How can he possibly be the composer of the Hell Sonata?"

His gaze was filled with endless hatred and viciousness as he stared dead at Lin Fan. "Guo Ailun, I'm ordering you to kill this b\*stard immediately!"

*Huh?*

The expression on Guo Ailun's face abruptly darkened after hearing what he had said.

The entire crowd was completely baffled by this remark.

Going against this young man would mean that he was making enemies with the entire music industry?

How could a man possess such power that was enough to influence the entire music industry?

Wang Mingzhe and the others were totally dumbfounded!

“This is impossible... You must be joking!”

Completely appalled, Wang Mingzhe could not believe his ears.

*A single man who can influence the entire music industry? Even a figure like Guo Ailun did not dare to offend him? How is it possible that this wimp could have such a terrifying background?*

“Impossible?” Guo Ailun chuckled and said, “The Hell Sonata has shocked the whole music industry since it first made its debut!

The moment he finished talking, cold sweat had covered Jiang Xin and Zou Xiaoqin's forehead. They were on the verge of wetting themselves out of fear at this moment.

Lin Fan had such a terrifying background? And they had the audacity to humiliate him? They were practically digging their own grave!

They found it hard to believe that the loser they were ridiculing just moments ago had transformed into a figure whom they could not afford to offend in the blink of an eye.

Even Guo Ailun had to humble himself before Lin Fan, let alone them.

At this moment, they were having the urge to burst into tears.

However, Wang Mingzhe, who had lost his rationality, was still discontented as refuted, “Impossible! I know him too well. He has been a loser his entire life. You must have made a mistake! In my opinion, he only happened to know this piece. He is not the Mr. X that you mentioned at all! Even if he is that Mr. X, so what? All he knows is how to play the piano. He has offended me. So, he still has to die!”

Shaking his head, Guo Ailun did not explain any further at the sight of this.

He could see that Wang Mingzhe had lost his sanity. No matter what he said at this moment, he would not believe him at all.

Then, with a dark look, Guo Ailun yelled, “That’s enough. I will not lay a finger on Mr. X. Similarly, I will not allow you to harm Mr. X!”

amount of respect for him. Thus, he was determined not to allow anyone to harm his idol.

*What?!* Wang Mingzhe flew into a rage as malice emerged in his eyes. “Guo Ailun, you better not bring shame upon yourself!”

Guo Ailun, who was initially there to help him, had switched sides without warning and helped Lin Fan instead; this made Wang Mingzhe feel like he had humiliated himself.

“You can leave!”

Guo Ailun’s expression turned cold. Then, he chased Wang Mingzhe away, unwilling to continue the meaningless conversation with him anymore.

“You!”

Wang Mingzhe’s pupils constricted while the hatred in his eyes grew more intense. He never thought that Guo Ailun would be so heartless. For Lin Fan, he didn’t even care about offending the Wang Family. *He had gone mad! Guo Ailun had simply gone mad!*

“Young Master Wang, w-what should we do?”

At this moment, Wang Mingzhe’s face had turned extremely sullen too. He had never faced such humiliation before ever since he was younger.

But at this moment, a voice suddenly came from the entrance of the hotel. “Excuse me, is Lin Fan here?”

Wang Mingzhe turned his gaze toward the voice. When he saw a group of people standing at the entrance, his pupils abruptly constricted. *The Li Family? Looking for Lin Fan?*

He suddenly recalled the time when someone crippled the Li Family’s Young Master Li Xianghe; the assailant’s name seemed to be Lin Fan too?

Now, it seemed like they were the same person. So, the Li Family must be here to seek revenge!

Then, an evil and wicked smile appeared on the corners of his lips. "Looks like the show has just begun!"

*What?!* Hearing this, Guo Ailun immediately realized that things were not looking good. Feeling worried, he looked behind.

He then saw Li Huairen, Li Xianghe and the group of people walking in his direction at a fast pace; their expressions seemed rather sullen.

The surrounding guests were completely stunned at the sight of this. The man here had offended the Li Family, the tyrant of Jiangbei?

foresee the pathetic scene of Lin Fan being crushed by the Li Family.

They were not the only ones who had this thought! At this moment, the fear on Zou Xiaoqin and Jiang Xin's faces had instantly vanished at the sight of this; an expression of great complacency and arrogance had replaced it instead.

They began to smile and took pleasure in his upcoming misfortune.

It was especially so for Zou Xiaoqin; she was so delighted that she laughed fanatically when she saw this. "Hahaha! You asked for it! You dared to cross the Li Family? They are not people who can be compared to a musician like Guo Ailun. You're dead meat this time!"

She had no idea how terrifying Mr. X's influence was. She thought that he was merely a musician with a reputation, not someone who could not be mentioned in the same breath as a notorious tyrant in Jiangbei like the Li Family.

Zou Xiaoqin and Li Xianghe had had a fling some time ago. After being humiliated by Lin Fan just now, she then called up Li Xianghe to ask him to stand up for her.

But for some reason, Li Xianghe did not pick up the phone. So, Zou Xiaoqin could only tell him that she was waiting for him at the hotel through a text message. Li Xianghe must have seen her text, which was why he had rushed over for her.

However, she did not expect to see Li Xianghe showing up as a cripple. Furthermore, the assailant was Lin Fan?

*God must be on my side!* At that moment, Zou Xiaoqin welcomed Li Xianghe with a vibrant smile. "You're finally here, Young Master Li!"

But at this moment, Li Huairen's expression turned cold when he saw Zou Xiaoqin. "Who are you?"
