

TIMELESS LOVE

CHAPTER 14 CHILDISH MAN

Leon didn't continue to say anything after Hathaway finished speaking. After smoking a cigarette, he lowered his eyes, pressed out the cigarette butts and said lightly, "I'll let the Taylor Group join in the cooperation. However, you should remember that you can't make any mistakes in doing things under my command, otherwise, I can kick you out at any time."

His voice was slightly hoarse because he had just finished smoking, and it sounded more charming in the night.

Hathaway felt very happy in her heart, but she replied seriously on the surface, "I see. I will work hard."

Although she had few contacts with Leon, she could perceive that he was a very serious and strict person. If she laughed now, he could kick her out

immediately. Hathaway still had such insight.

Leon looked at her again. "Besides, the reason why you can get this project should be a secret."

"I see." Hathaway nodded vigorously.

In other words, this relationship between them must be kept confidential.

It was really humiliating, so it was better not to be told.

Now that she got what she wanted, and now it was so late, Hathaway felt that there was nothing to say between them. When she turned back to get off the car smartly, Leon stopped her, "Where did you get the money to repay your debt?"

Hathaway paused while holding the door handle. She looked back at Leon with some surprise, "I don't have

to report it to you, do I?"

Although there was a substantial relationship between them, they were not in a stable relationship. They were not even friends, so she didn't think it was necessary for her to explain her secrets to Leon.

However, Leon exposed her secret directly, "Did you sell your company?"

Hathaway, "..."

Why was he so sharp?

Since he had guessed it correctly, there was no need for Hathaway to continue to hide it. "Since you have gues

sed it, why do you ask me?"

Leon squinted at her, "I just can't imagine how people like you can start a company."

It was not difficult for Leon to guess the secret of Hathaway. The rumor that she made money by sleeping with others was proved absurd after he personally verified it tonight. When he thought of her saying that he caused her to lose her own child, he guessed it should be her career.

Only when a person ran his business step by step would it be treated as a child.

Hathaway was very angry at Leon for saying this because he was clearly saying that she was a person with only beauty but no wisdom. On the one hand, he praised her beauty, on the other hand, he slandered her ability. Should she thank him or scratch him?

Leon suddenly changed the subject. "Is your painting

ability quite good?"

"Uh-huh." Hathaway snorted angrily.

"Come." Leon command in a low voice.

Hathaway showed a look of vigilance and confusion.

"What?"

"Let me show you something."

Hathaway moved toward him slowly and saw his slender fingers slide on his mobile phone. He quickly found the photo to show her. Hathaway's face suddenly became hot and red.

What Leon showed her was the picture she painted last time that a man and a woman were kissing. However, it didn't matter how she painted or imagine behind his back. But when she was exposed in front

of him, she definitely felt very embarrassed.

At that time, she was trying to make Abby angry. She hadn't expected Abby to show him this thing.

"Ahem—"

"I..."

When Hathaway searched awkwardly for words to explain her behavior, Leon put away his mobile phone happily. "You can get off now."

His expression showed obviously that he was teasing her.

Seeing that she was embarrassed, he felt very happy.

Hathaway felt a little angry. Why was he so vulgar?

He was so childish!
