

TIMELESS LOVE

CHAPTER 18 BRING YOUR PEOPLE TO THE DAVIS GROUP FOR A MEETING

As soon as Andrew left, Abby Taylor appeared in Hathaway's office aggressively.

Abby stepped on the messy ground and went to the presence of Hathaway. She asked through gritted teeth, "What happened between you and Leon Davis? Why did you get the Davis Group's project?"

Hathaway just took a new shirt to replace the dress that Andrew tore apart and couldn't be worn anymore. She stopped moving when she was slowly buttoning, deliberately throwing a glad eye at Abby and asked vaguely, "Then, why do you think I can get it?"

Abby and Hathaway we

lay on the sofa and looked at the clear blue sky

outside. She suddenly felt that it didn't matter if they drew a clear line like this. Anyway, since she had this project in her hand now, she didn't have to worry about being kicked out of the Taylor Group by Tom for the time being.

So, she didn't intend to go on pestering him. She said calmly and freely, "I see."

With this, she was ready to hang up. Leon said helplessly on the other end of the phone, "At two o'clock in the afternoon, you bring your people to the Davis Group for a meeting."
