

TIMELESS LOVE

CHAPTER 20 YOUR SISTER WOKE UP

Hathaway and Barry entered the conference room with the participants. After sitting down in their place, Hathaway gained attention from all directions.

In a male-dominated project group, the existence of women was quite eye-catching. Especially, she was still so young, beautiful and fashionably dressed, so other men would definitely notice her.

Hathaway gave a polite and sweet smile to everyone who looked at her. However, her smile was particularly dazzling in Leon's eyes, who was sitting in the central position. It was not too much to use the word artful to

God can't bear to take away a beautiful person like you."

Before entering the ward, Hathaway had suppressed all tears and negative energy and tried to show her optimism in the presence of Ashley, who escaped from death in a great disaster.

But Ashley shook her head sadly weakly. "You don't have to flaunt your superiority in the presence of me. Dr. Jackson has told me everything."

Hathaway, "..."

She turned to look at Nick next to her and asked him with her eyes, "Is it really appropriate for him to stimulate a patient who just woke up in this way?"
