

## TIMELESS LOVE

### CHAPTER 22 I WAS WRONG, PLEASE FORGIVE ME

Nick was shocked, "Can't you just call him?"

Hathaway shook her head in despair. "He won't answer my phone."

Hathaway could completely imagine Leon's cold expression, and he might even pull her number into the blacklist. So, she needed to go directly to his home.

Nick Jackson gave her a frowning look and kindly reminded, "If you go to his home, it is clearly throwing yourself into his arms. Have you forgotten what the doctor told you?"

Hathaway, "..."

The female doctor said that she could not have sex

for half a month.

Nick also seemed a bit impure. She didn't think about doing anything with Leon and just wanted to explain it to him sincerely. Her loved one, whose life was uncertain, had been in a coma for more than a month and finally woke up. Couldn't he understand her anxious mood at that time?

She looked at Nick with stern eyes and insisted, "You could tell me his address."

, "I don't want to be so annoying. I just don't want to lose this opportunity..."

This time, Leon stared at her crying and red eyes, feeling completely speechless. She seemed to have some self-knowledge and knew that she was annoying.

After a while, Leon opened his door and dragged Hathaway in with his hand. Hathaway was pressed on the door panel behind, and Leon gained the initiative and kissed her soft lips, which seemed very raging.

After a while, Hathaway became spellbound under his hot kiss. She suddenly remembered what Nick said. So, she hurriedly raised her hand to push him away and protested faintly. "The doctor said that I should not..."

His voice became dull and dumb. "Do you think there is only one way?"

Hathaway blinked her blurred eyes and seemed very confused.

He bent over and kissed her again, and he also pulled her hand with his big hand and pressed it toward him.
