

## TIMELESS LOVE

### CHAPTER 3 A MAN WHO WAS STUPID BUT RICH

However, Hathaway took the initiative to speak at this time, and the smile on her face was so polite.

"Then I won't bother you, Dr. Jackson."

With this, she took a step back and went to the side. She then took out the phone to call the driver. Her slender, smooth, and beautiful back was seen by Nick.

Nick looked away in embarrassment and said to Leon,

"I'll get the car."

Leon turned his back on him and Hathaway all the time, showing great indifference. At this time, he just responded indifferently.

After Nick left, Hathaway's phone call ended. At that time, the atmosphere under the veranda of the hotel lobby became very quiet.

There was a strong smell of tobacco in the air. It turned out that Leon Davis, who was standing there, was smoking. He flicked the ash with his fingertips and occasionally raised his wrist habitually to watch the time. He seemed to be casual, but in fact, his behavior gave people invisible pressures.

After a while, her slightly innocent and charming voice was heard by Leon.

"Mr. Davis, are you angry with me?"

Leon Davis raised his lips and sneered, but he did not look back.

He didn't want to talk to this woman and had no time to either.

Leon was an indifferent and highbred man. Hathaway appeared in the presence of him on her own initiative twice, so he already knew her intentions very well.

Was she trying to approach him, cling to him, and then use him?

Everyone knew that the Taylor Group was in a difficult situation now. Did Leon seem to be a stupid man with a lot of money?

He was rich, but he would never be the kind of man that a woman like Hathaway could offend.

The woman behind him went on talking,

"Mr. Davis, if I have just offended you, please be

tolerant and don't make a fuss with me."

He suddenly turned around and sneered at her,

"If I talk to you now, won't you think that I'm teasing you?"

She felt stunned with her beautif

ul eye at first and then showed a bright smile.

"Mr. Davis, are you being too serious? The reason I said that before is to alleviate the unfamiliar atmosphere between us at that time..."

"Ha-ha."

Leon didn't want to say to her except this word.

"Mr. Davis, you are so perfect. How is it possible for

you to tease me? It must be me to tease you."

With this, Leon turned around without hesitation, giving her an indifferent back. He fully expressed his dislike of her with his actions.

In the place where he couldn't see, Hathaway was holding her arms tightly and rubbing them, rolling her eyes at him very rudely.

His hands were put at her waist before and she deliberately wore such a sexy dress, but he had no reaction at all.

Besides, she already felt very cold. Even Nick hesitated whether to give her a ride, but he was still indifferent.

He was really as indifferent as the rumor had it.

Nick drove the car over. As soon as the car stopped, Leon opened the door and sat in.

Nick already understood that Leon didn't want to take the same car with Hathaway, so he rolled down his window to simply say goodbye with Hathaway and then pull the car off. However, as soon as he drove away, Nick received a phone call from the hospital. The nurse on the phone said anxiously,

"Doctor Jackson, Ashley Taylor suddenly has difficulty breathing. Can you come here right away?"

Nick's expression became dignified in an instant. After he replied to the nurse, he couldn't care about Leon behind him. He immediately drove back to Hathaway and shouted at her.

"Hathaway, get in the car!"

Hathaway was confused, and Nick continued,

"Your sister's situation is not very optimistic."

"What?"

Hathaway's face instantly turned pale and it was even to the point where her legs became weak because of panic. She didn't even know how she got in the car. It seemed that a man pulled her in with his big hand.
