

TIMELESS LOVE

CHAPTER 9 WOMEN LIKE HATHAWAY TAYLOR

When Abby returned from the bathroom, Hathaway whom she hated to the core was no longer there as well as Leon Davis. In view of Leon's ambiguous words to Hathaway, Abby immediately felt panic.

She had been fond of Leon for a long time. If Leon was really seduced by Hathaway...

At the thought of this, Abby even wanted to strangle Hathaway.

There was a note under the cup of her coffee. Abby took a look and immediately felt extremely angry. On the note was the unbridled font of Hathaway,

"Abby, I will enjoy a wonderful evening with Leon. Take your time to drink coffee. But I never liked coffee because it is bitter."

The term bitter coffee really humiliated Abby, and she even said they would have a wonderful night together...

What made Abby even angrier was that Hathaway shamelessly drew a picture on the paper, which was a tall man holding a woman and kissing her. Although there were no details of the two people's faces, the men and women in the painting were dressed like Leon and Hathaway today!

Abby was extremely angry and called Leon directly. On the one hand, she wanted to confirm whether what Hathaway wrote was true, on the other hand, she also wanted to discredit Hathaway in the presence of Leon.

Leon answered her all quickly and the alienated voice of Leon came first.

"I'm sorry, Miss Taylor. There is something urgent in my company, so I left first."

Abby was fascinated by his gentleness and pleasantly surprised at the same time.

Abby was fascinated by his gentleness and pleasantly surprised at the same time.

"So... Are you not with Hathaway?"

Leon simply answered,

"Of course not."

At this point, Abby really couldn't stand it, constantly discrediting Hathaway.

"Hathaway left me a note, saying that she would have a wonderful evening with you. She, she also..."

Leon asked casually,

"What else?"

Abby was extremely angry.

"She also shamelessly dr

ew a picture, and in the picture, you and she are kissing!"

"Picture? Kissing?"

Leon's tone of voice also seemed incredible, so Abby continued,

"Mr. Davis, you know that I am not intended to

discredit her. She has undergone a hymen repair surgery, and she does not deserve you at all!"

A month ago, Hathaway Taylor, who was originally studying abroad, was urgently asked to take over the Taylor Family. The first thing she did when she returned home was to go to the hospital. Later, this incident was revealed by an insider, who said that she had a hymen repairment operation.

Because of this, the Taylor Family's youngest daughter, Hathaway Taylor, instantly became synonymous with debauchery and became infamous overnight.

"Miss Taylor."

Leon said politely on the other end of the phone.

"Can I trouble you to take a picture of her painting and

send it to me? I want to see how shameless she is. She is so obsessed with me."

Abby readily agreed. She wanted Leon to see how brazen Hathaway was. Leon was clearly not with her, but she actually said that she would have a wonderful night with Leon and painted a shameless picture like that.

A few minutes later, Leon received a picture on his mobile phone.

Leon squinted and stared at it. He felt that the painting style was skillful, the proportion of characters was appropriate, and the lines were natural and smooth. At first glance, he knew she had specially studied painting.

Could she paint? And she seemed to paint quite well.

He thought she was nothing but a good look.

However, she was really shameless.

After the picture was enlarged, the absorbed expressions of the man and woman in the picture made him feel hot, and his throat became dry.

Leon felt that if she went to draw the erotic pictures, there would definitely be a market for her.
