## 10. I want to see which language President Joi could use

After marriage, Si Li and Lu Lan head over to the dealer office for her parents' house.

In the dealer office, Lu Lan went to the receptionist "I want to meet President Joi tell him I want to buy my house back"

Receptionist: "Miss Lu, President Joi don't want to meet you, please head back to your way without causing trouble".

Lu Lan shouted at the receptionist "I want my house back. I will give you whatever money do you want".

After this, Lu Lan started moving towards to elevator ignoring receptionist warning then receptionist hint the security men.

Security man stopped Lu Lan and said in a harassed way "Miss, it seems that you don't understand the human language that President Joi don't want to meet you, it seems that I have to explain you in my language?"

All security men started moved forwards towards Lu Lan and she stepped back and her hands were trembling and regretted her decision by coming alone here again.

Si Li wanted to come along with Lu Lan but she stopped him, by saying that she can handle it alone.

"I want to see which language President Joi could use". A male voice came suddenly. Lu Lan saw that Si Li came along a bunch of bodyguards who spread across the hall. All the bodyguards wore a black suit with sunglasses and have a threatening face.

She never expected Si Li came here along with all bodyguard in spite she told him that she didn't want his help.

Si Li was well aware of the President Joi background and the way he worked. For his business and status, he killed anyone without a second thought and Si Li also knew how to handle this kind of people that why he came with full preparation.

"President Si..." receptionist shocked to see the legendary Si Li.

"I want President Joi here in 5 minutes" Si Li commander.

"Yes... Yes..." receptionist started running towards the meeting room.

---

"President... President Si is here with his bodyguards and he wants to meet you in 5 minutes".

Receptionist entered the meeting room without knocking and stride towards President Joi.

President Joi knew that President Si have a strong background and he never went to anyone especially with his bodyguards unless someone offended him.

"What.... President Si..." President Joi was in his thoughts.

"President... hurry President Si only give us 5 minutes" receptionist reminded him and all the board members started running for the entrance hall.

Exactly 5.10 minutes later.

President Joi and rest reached at the entrance, having sweat on the forehead.

"Pres...President Si... What a pleasant surprise. Why... Why are you standing here? Please... Please come to my office... Please, this way..." President Joi made away towards his office for Si Li.

"It seems that President Joi don't understand 5 minutes meaning or he is trying to offend me deliberately," Si Li said in cold voice without moving.

Lu Lan checked her watch and saw that he was late by 10 seconds.

Lu Lan blackly look to Si Li 'why is he creating an issue for the 10 seconds unnecessarily?'

President Joi started to panic and tried to explain "No...No... President Si... Please forget me."

"Forget" Si Li smile in a mocking way.

President Joi point towards receptionist angrily "Bitch why didn't you inform me about President Si early"

"President Si, I will remove this person from this earth right way." President Joi hurried to explain to Si Li and start shouted to his men "Why are you standing here, hurry remove this foolish women right way".

Even though it was not receptionist's fault that President Joi had come late byTEN SECONDS, but she insult Lu Lan so how can Si Li let her go easily.
