

《The Mysterious CEO》

107 Juan's Villa...

Mo Jinnan went to the Law Department and as soon as he entered inside the department, his sight went on Song Tianxin, who were discussing something with her fellow colleague.

Mo Jinnan just stood there and staring at Song Tianxin, he didn't notice that other employees were looking at him with a weird expression.

However, Song Tianxin noticed her colleagues' weird expression and she followed the sight of her colleagues and saw that Mo Jinnan was staring at her and she didn't realize it.

She immediately turned around and went inside her cabin, ignoring Mo Jinnan and Mo Jinnan saw her ignorance and immediately followed after her.

All the employees of Si Corporation were very confused, especially the employees of the Business Administration and Management Department and Law Department.

Soon the company's Weibo official page had a discussion about Lu Lan and Song Tianxin, of course, they didn't dare to discuss anything about their big boss and his friend.

...

Song Tianxin had already expected that Mo Jinnan would arrive in her cabin, so she leisurely sat on the sofa and was sipping the tea.

After few moments, the door of her cabin opened without a knock, as only Mo Jinnan would dare to do this.

Mo Jinnan saw that his presence didn't affect Song Tianxin, sadness and guilt appeared in his heart. Nevertheless, without making any fuss, Mo Jinnan quietly walked towards her and sat beside her.

"Are you still angry for that day?" Mo Jinnan asked in a low voice.

Song Tianxin didn't give any response to him and she just continued sipping her tea, as

if he didn't exist.

"3 months...Just give me 3 months...after big brother comes..." Mo Jinnan wanted to explain.

However, she interrupted him in between and asked in a high voice "Big brother?... you mean Brother Jiang?"

Mo Jinnan nodded "Hmmm... He is coming back soon" Mo Jinnan looked at her eyes and continued "I promise this is for last time. Please wait for me".

As soon as, Mo Jinnan finished his sentence, he stood up to leave. He couldn't wait to get her answer. He was afraid that might be she said 'No'.

However, when Mo Jinnan reached near to the door, her voice reached to his ears "I will".

Mo Jinnan turned to look at her and then she continued "I can wait for you for the lifetime, YOU STUPID. Now go and do your work".

A smile appeared on both of them's face.

Afterwards, Mo Jinnan left.

Soon, Si Li, Mo Jinnan and their teams reached the airport. USA underworld was a scary place and if you were careless then it meant you would die, that was why, Si Li told Mo Jinnan to take his team as well.

However, whether Mo Jinnan's team would helpful for Si Li or not. Time would tell...

Soon, Si Li's private plane took off.

Soon after Si Li went, Si Yan called Lu Lan to plan Little Champ's birthday party. Lu Lan was startled because initially Si Yan was against Little Champ's birthday party and now he was initiating for Little Champ's birthday party. Lu Lan felt strange, but she didn't think much about it.

However, Lu Lan didn't know the motto behind Si Yan's help.

It was his first work, which Si Li had given him, so Si Yan immediately told Lu Lan to meet him at Juan's villa.

Juan's Villa is the villa of Mo Jiang and Liu Juan. Mo Jiang purchased this villa after their marriage and named this villa as Juan's Villa, as it was his wedding gift to Liu Juan.

This villa had the artificial lakes and beautiful garden, as Liu Juan liked to take care of the garden and natural things, so Mo Jiang had made sure that this villa had all things, which were related to the natural environment.

Currently, no one lived in this villa, but still, Mo Jinnan appointed a caretaker for this villa.

Soon, Lu Lan finished her work and reached Juan's Villa. As soon as, she entered in the villa, she was mesmerized, she couldn't believe that in this model world, someone could be closer to the natural environment.

Lu Lan entered in the villa, where Si Yan was already waiting for her.

When Lu Lan entered into the living room, she saw a big photo frame of Mo Jiang and Liu Juan. It was their wedding photo. Mo Jiang was looking charming and handsome in his black suit. He didn't have a cold expression like Si Li. Whereas, Liu Juan was looking like a delicate woman in her champagne colour wedding dress. Both are looking like made for each other.
