

《The Mysterious CEO》

111 You are an illegitimate child of my husband and your mother...

"Why... Why should I break up with him, only because Xuelon likes him? Si Li doesn't like her, he likes me. So, I won't break up with him" Lu Lan coldly said.

If she had known that Lu Family would treat her like a puppet, to tell her to do this and that. Then she wouldn't have agreed with Elder Lu and wouldn't have changed her name from Wang to Lu.

It seemed that becoming the part of Lu Family was the biggest mistake of her life.

"NO... because you don't deserve him" A woman's voice came from behind.

Lu Yaohua and Lu Lan turned to the source of the voice and found that Shu Han-You was standing there.

"Han-You... what are you doing here?" Lu Yaohua annoyed asked.

Couldn't this woman let him handle his stupid daughter?....

"To handle the things, which you can't do," Shu Han-You said and then she turned towards Lu Lan and looked at her and disdainfully said "You don't deserve to be him. Understand? Now get lost from his life".

Lu Lan chuckled "Madam Lu... from your point of view, I don't deserve anything in my life, right?"

"Exactly, even you don't deserve to be alive. If I get a chance, I would definitely kill you, without any regret".

"Madam Lu... Why do you hate me so much? Is just because grandfather adopted me. If this can decrease your hatred for me then I am ready to leave Lu Family".

"My hatred for you never die till you are alive"

"Why...?"

"Han-You...." Lu Yaohua held Shu Han-You's arms and stopped her from saying

anything.

Shu Han-You forcefully retreated her arms back and yelled "What...? I can't allow your despicable daughter to ruin to the life of my daughter... as her mother did to me".

"Han-You... I am warning to stop" Lu Yaohua gave an ultimatum.

"My Mother... what did she do to you? Tell me, why do you hate her so much?" Lu Lan immediately asked. she wanted to know the reason, why did Shu Han-You hate her and her mother, so much?...

"Enough... Xiao Lan..." Lu Yaohua shouted at Lu Lan and wanted to tell her to go from here. However, before he completed his sentence, Shu Han-You finally said, which she was hiding from the world.

"Because... you are an illegitimate daughter of my husband".

"Han-You...." Lu Yaohua yelled and held his hand up to slap Shu Han-You, however, at that moment, Assistant Long came and held Lu Yaohua's hand and saved Shu Han-You.

"Master Lu, please see where are you?"

Assistant Long noticed that Shu Han-You was also missing, so he had a feeling that might be Shu Han-You went after Lu Yaohua and Lu Lan and might be, she could hurt Lu Lan because of her hatred for Lu Lan, so he also came here.

Thankfully, he came at the right time, otherwise, only God knew what would happen?...

Lu Yaohua pushed Assistant Long away "You cheap servant... How dare you to stop me?"

Lu Yaohua always disliked Assistant Long, because his father trusted Assistant Long more than him, whereas, he was Elder Lu's son, but still, Elder Lu treated Assistant Long more respectfully like his own son.

Well...Assistant Long deserved this respect...

"What did you say? Ill...Illegitimate child" Lu Lan stuttered.

Lu Lan was so shocked that she didn't notice that Lu Yaohua wanted to slap Shu Han-You and Assistant Long saved Shu Han-You.

She couldn't believe that she wasn't the daughter of her parents, but an illegitimate child of Lu Yaohua...

"Miss..." Assistant Long went towards Lu Lan.

"Yes... You are an illegitimate child of my husband and your mother" Shu Han-You said in a high voice while tears were falling from her eyes.

At that time, Si Yan and Lu Xuelon also came there, they heard the voice of Lu Yaohua, when he yelled at Assistant Long.

"Mother..." Lu Xuelon came towards Shu Han-You.

"This...this can't be true..." Lu Lan murmured and took the few steps back.

"This is the truth... You are an Illegitimate child of my husband..." Shu Han-You again said in a high voice.

All the people passing through the corridor, heard Shu Han-You's voice and stopped on their track and looked towards Lu Family.

"No...no... I am the daughter of my parents" Lu Lan disbelievingly shook her head, as if whatever she just heard wasn't true.

She was the daughter of her father, who was doting on her when he was alive...

She was the daughter of Wang Yong and not the illegitimate daughter of Lu Yaohua...

No....No.... this couldn't be true....
