

《The Mysterious CEO》

171 A Weak girl.

Time flowed at its own accord and a few years had passed in a blink of an eye. Liu Ruolan continued to pretend to be Liu Juan and lived a luxurious life which Liu Juan was supposed to live.

Bo Xiao's men were still not able to find Liu Juan. It was, as if, she wasn't born in this world.

Since Liu Ruolan came back to Bo Xiao's Villa as Liu Juan, everything had changed. The tough training sessions which Liu Juan had undergone, Liu Ruolan didn't dare to continue it after a mere two days of training.

Liu Ruolan was beautiful, intelligent but it did not make herself strong to protect herself from enemies like Liu Juan could.

Liu Juan lived here only for one week. However, she had shown her strength which is hard to find in any girl nowadays.

Nevertheless, Liu Ruolan didn't bother herself with these trivial matters and was living her life luxuriously without any worries about not getting food and other things.

She knew that as long as she was pretending Liu Juan and did not cause problems for Bo Xiao, her rest of life would be at ease.

However, Liu Ruolan didn't know that her peaceful life would soon come to an end.

It was the end of the month. Bo Xiao's boss always came to his villa at the end of every month whenever he was in the city.

Last time, he came here when Liu Ruolan had come to Bo Xiao's villa pretending to be Liu Juan. At that time, he had killed all the bodyguards of the villa as they failed to prevent Liu Juan from going out of this villa.

Even, Bo Xiao had almost lost his position as a leader. Luckily, he found out Liu Ruolan who unknowingly had saved him. Liu Ruolan was badly hurt at that time, so their boss could not recognise any difference in Liu Ruolan. However, she was well and fine now, but she was still very weak. Bo Xiao had protected her all these years from dangers but now the problem was, their boss was coming after so many years.

He would definitely test Liu Juan's (a.k.a Liu Ruolan's) strength.

Bo Xiao knew that Liu Ruolan would fail the test.

Somehow, it was good news for Bo Xiao, as their boss would find out that Liu Juan (a.k.a Liu Ruolan) was nothing but a useless person. Perhaps he would kick her out of this villa. Moreover, even if the original Liu Juan would come back now, there was no threat to Bo Xiao's position.

That was why Bo Xiao knowingly didn't train Liu Juan (a.k.a Liu Ruolan) despite constant nagging of the butler.

The butler was feeling suspicious after seeing that Liu Juan had become a weak girl all of a sudden. He tried to raise his question in front of Bo Xiao. However, Bo Xiao either waved off his question giving excuse that Mr Jin's violation towards her made her a weak girl to which they couldn't do anything except to wait for her to recover on her own with the passage of time or ignored his suspicions.

Back to the present...

A series of black cars entered in the driveway of the villa one by one.

Bo Xiao was waiting at the front door, Liu Juan(a.k.a Liu Ruolan) and butler stood behind him.

Liu Ruolan had a bad feeling about their boss's visit and her intuition kept telling her that something would go wrong today.

Liu Ruolan had shared her feelings with Bo Xiao, but he ignored her by telling that she was overthinking!
