## 20. Past of Little Champ

After a few days resting in the home, Lu Lan was bored she didn't have a habit of staying at the home. Since she was 16, she started working to meet up her daily lifestyle and now Si Li didn't allow her to do a single work. How can she won't be bored?

Tomorrow was weekend and Lu Lan had decided that she would go to Old Mansion. She really missed Little Champ.

To fulfil her wish, Lu Lan decided to go on hunger strike. Initially, Si Li ignored her childish behaviour because he knew whatever happened she didn't miss her meal. Later, actually, Lu Lan started regretting her decision.

Now she can't go back from her words and what if Little Champ heard that his mommy had chosen food over him he must be very upset. Therefore Lu Lan stubbornly continued her hunger strike.

This time, Si Li surrender in front of Lu Lan "Fine, I will get someone to fetch Little Champ from Old Mansion, tomorrow. Now Eat"

"Hehehe" Lu Lan laugh aloud. Finally, after so many days, a single thing would happen accordingly to her.

"Ohhh.... I forgot to ask something" Lu Lan asked Si Li while eating her food.

"Naam...Naam"

"Speak" Si Li took a deep breath helplessly. He didn't know what this time Lu Lan would ask. Since that incident Si Li really spoiled her, she shameless asked many new things.

Maybe he was the first person who spoiled her like this after the death of her parents and of course, she was the lover of Si Li, who would he spoiled other than her.

"It's about Little Champ. Actually, I didn't see him speaking. So I want to ask..." Lu

Lan wanted to continue but she stopped even Little Champ can't speak she didn't want to hurt Si Li by asking a question like this.

"He can speak" Si Li saw her hesitation.

Lu Lan ecstatically widely open her eyes "Why didn't he speak, then?" of course Little Champ was so cute and when he spoke he would be more adorable.

"When he was in the orphanage due to some bad incidents he stopped speaking and become rigid. Now because of loves from Old Man his rigidness come to the down but still, he didn't like speak and I don't want to force him for that." Si Li explained.

"Ohhh..." Lu Lan felt bad for Little Champ.

"Poor my Little Champ he had suffered so much" Lu Lan thought.

"I think you can help me in this" Si Li saw Lu Lan in a daze.

"Huh???" Lu Lan looked questionally at Si Li

"From the first day, Little Champ is quite attached with you. Even you both make the video call every day, maybe you can make him speak a little" Si Li's eye showed a hope.

"Sure, I will definitely help Little Champ," Lu Lan said confidently.

"Now can I ask you something," Si Li asked

"Sure..." Lu Lan said enthusiastically, maybe because she would be meet Little Champ tomorrow.

"Which punishment did you decide for Madam Lu?" Of course, Si Li didn't forget about Madam Lu. He was just wanting for Lu Lan's health to become stable.

Lu Lan was startled. She didn't know why Madam Lu hate her so much? Lu Lan's eyes became watery by remembering that incident. She still felt that pain.

Si Li saw tears in her, he put aside the documents and stood up from the soft and sat in front of her, held her hand and asked softly "You can share it with me".

Lu Lan saw warm in the eyes of Si Li and then told him the entire incident that happened that night. After hearing that Si Li's body stiffed, his heart ached and his blood boiled. He wanted to kill Madam Lu right at this moment but he wanted Lu Lan to decide what she wanted.

"I don't know why she hates me so much," she said in shrieked voice.

Seeing her crying, Si Li immediately hugged her tightly "Don't worry I will never let her go"

"But I don't want to hurt grandfather," Lu Lan said while she was in his embrace.

"Then leave it to me" Si Li patted her head to comfort her.

Then Si Li released her from his embrace "Do you trust me?"

Lu Lan nodded.
