

《The Mysterious CEO》

Chapter 240 - Suspicious about her (Part-7)

"Ahhh..." Liu Ruolan gasped in pain while fear was evident in her eyes. She didn't expect that not only Mo Jiang found her, but he had also shot her.

"Tsk...Tsk..." Mo Jiang couldn't help but walk towards her and bent down in front of her. "Do you really think you could kill me so easily, huh?"

"Please...Please...Let me go...I did what Liu Juan told me to do...Please let me go." Liu Ruolan dragged her body away from him.

"You mean...She used you again like she did always...Hmmm...don't worry, we will deal with her later, until now..." Mo Jiang pointed the gun at her head.

"Please don't kill me!" Liu Ruolan pleaded until tears were rolling down her eyes in continuous streams.

"Don't worry, I won't kill you if you prove to be useful to me. Tell me everything you know, would you or...?" Mo Jiang didn't need to continue as he put his finger on the trigger and got an instant response from Liu Ruolan.

"I will tell you everything! I will tell you...Please don't kill me..."

'Click!'

"Ohhh...we have one more guest. Make sure to take care of them. I have to go to work with my secretary. See you later guys." Mo Jiang announced and left the room.

....

Back to the late-night

'Click.'

Liu Juan entered her room with a sigh of relief that her day ended here and she was going back to Country X but her relief didn't sustain too long. As soon as she turned on the lights, a person came to fall on her feet.

'Thud!'

Liu Juan's eyes widened in horror seeing Liu Ruolan beating up badly. "Big Sis...."

Liu Juan immediately bent down towards Liu Ruolan when she realized that Liu Ruolan was not only beaten up badly but also a bullet was hit on her t.h.i.g.hs.

Although a cloth was wrapped around her t.h.i.g.h, the cloth had turned red and the bullet was still inside her t.h.i.g.h. If they wouldn't rush to the hospital now, perhaps Liu Ruolan would lose her leg like her.

"Who did this to you?" Li Juan immediately held Liu Ruolan in her arms.

"Mo...Mo..."

Liu Ruolan was so scared that a complete word couldn't come out from her mouth but she didn't need to give a reply.

"Tsk...Tsk...Such a painful thing to see a loved one in this condition, no?" A voice came to make Liu Juan look over there and her eyes widened in terror to see the face of the person.

"Pres....President Mo..." Liu Juan stuttered.

Mo Jiang was sitting on the couch while his one leg was crossed over the other and his hand was holding a cigar with the smoke escaping from his alluring lips.

At that moment, Mo Jiang's bodyguards also came in front of Liu Juan's sight with their guns pointed at the twin sisters.

"What? Why do you look so shocked? You wouldn't have been expecting that I wouldn't know that my shy looking secretary had come on a mission to kill me, would you?"

The fear which was eating up Liu Juan for so many months had now come true. So Mo Jiang knew about her, then why didn't he kill her?

Also, how did Liu Ruolan end up in Mo Jiang's hands?

Wasn't she in Country X?

"President...President Mo, my big sister didn't do anything...This mission is mine...My big sister didn't know anything... please let her go...I beg you." Liu Juan

immediately came to kneel in front of Mo Jiang. There was a fear in her eyes but not for her, for her big sister.

Mo Jiang knew that Liu Juan had been feeling guilty towards Liu Ruolan for the thing in which wasn't even her fault. Even for Liu Ruolan, Liu Juan started working in America and she was still stuck there because of her big sister.

Even if he wanted to feel sympathetic towards her, he couldn't because the Underworld was not the place where one should give value to their feelings.

Liu Juan came here to kill him and he caught her, so it would be only fair to kill her but not before getting the information he wanted.

Though, Mo Jiang had a plan to wait to test Liu Juan, as usual, Liu Ruolan showed her stupidity and forced Mo Jiang to take action earlier than he expected.

"Sure, I won't kill her then what about him?" Mo Jiang said and in the next moment, Bo Xiao fell down in front of Liu Juan.

His condition wasn't much better than Liu Ruolan.

Liu Juan was again stunned as she didn't know what Bo Xiao and Liu Ruolan did behind her back.

Unlike Liu Ruolan's selflessness, Bo Xiao didn't sell Liu Juan off.

"Juan... Juan... Runaway from here... Now."

And he got a kick instantly for that.

"Keep your mouth shut if you don't want to die." A bodyguard mercilessly kicked him.

They wanted to kill their boss. They could only think of running away in their dreams!

No one could keep their finger on their boss.

No one!

Seeing that Liu Ruolan was lying lifelessly and Bo Xiao would also die if they continued to beat him, Liu Juan was coerced to raise her voice. "What do you want?"

Mo Jiang knew that Liu Juan was smart that was why had she been waiting for the right time to attack, unlike these two fools? Furthermore, it wasn't that Mo Jiang would let her attack on him.

Nevertheless, now because of these two fools, she was dragged into a situation when she was forced to head down in front of Mo Jiang.

Of course, Mo Jiang couldn't let go of the chance to suffer his enemy "I want you...."

"Bang!"

"Bang!"

"Bang!"

"Bang!"

"Clash!"

"Ahhh!"

"Bang!"

"Bang!"

"Bang!"

"Bang!"

"Bang!"

"Bang!"

"Ahhh"
