Lu Lan was numbed at that time, in past many times she had faced worse kind of situations and endured it because there was no one who trusted her and believed her. Even this time when she told everything to Si Li. She didn't expect that he would believe her and seek justice for her.

Seeing Lu Lan was in silent without giving any response, Si Li held her hand. Lu Lan looked up towards Si Li, his eye showed a sense of warmth and love which she missed in her life then a tear fell from her eye and said "Grandpa... I want, Si Li to decide"

"If that is the case, Si Li tell me what do you want?" Elder Lu asked.

"Elder Lu, you don't have to worry, you will know what I want. I know how to handle people who dare to hurt my family".

"And for the envelope, consider as your birthday gift for not showing in front of everyone". Si Li said heartlessly.

"Let's go," Si Li said to his brother Si Yan.

Si Li took Lu Lan in his arms, she was silently sobbed in his embrace. Maybe she was happy that finally, she got someone to whom she can rely on.

LuYaohua and Shu Han-You were in shocked they saw the hall and found that Lu

Xuelon was missing.

"Where is Xiao Xuelon?" Lu Yaohua hurriedly asked the maid.

"Master... We don't know..." A maid was scared by saw the frightened expression of Lu Yaohua.

Lu Yaohua and Shu Han-You started running after Si Li but were stopped by Si Li's bodyguards.

"Si Li... I know I was wrong... please... leave my daughter"

"Lu Yaohua... what are you doing.... please bring my Xuelon..."

"Xiao Xuelon..." Madam Lu cried aloud.

Lu Yaohua jogged towards Elder Lu and bagged "Father... please do something... if anything happened to Xiao Xuelon... her life will be finished... Father... Father please..."

"Enough... Now you are worried about Xiao Xuelon but did you guys ever think what did you do with Xiao Lan?"

"Only because she is your illegitimate child, you thought she doesn't deserve to live a life like everyone".

"I have always supported you because I don't want that my family will become a joke in the society"

"I have always sacrifice the happiness of Xiao Lan only for the rest of you but this time, don't expect anything from me".

Elder Lu was in enraged, because of his stupid son he wouldn't able to show his face to his best friend.
