## 46 'I like you too'

Lu Lan woke up by a call from Mr Shin "Miss Lu, you are fired".

Lu Lan hurriedly asked, "What happened?"

Mr Shin angrily replied, "You should ask from your boyfriend because of him my company has gone bankrupt".

"But Mr Shin, how is it related to me? We have already broken up".

"What did you just say? You mean I have waste my one billion dollars only for good for nothing".

"What do you mean, Mr Shin?"

"I mean is I had given you the offer only because Mr Si is your boyfriend so that I can take advantage of your relationship. If I would have known that by giving you job means offending Mr Si, then I shouldn't have met you, first. Now don't dare to bring your a\*\* in my company ever" Mr Shin warned her and hung up.

Again, this time Si Li did what he wanted. Lu Lan was in dazed didn't know what to do now, until her phone rang, it was from Si Li.

"Hello" Lu Lan replied absent-mindedly.

"I hope now you understand why has Mr Shin contacted you?" Si Li said.

"Why are you doing this to me? You know that I like you. Why?...Why?...Ah! Ah!Ah!" Lu Lan started crying, she can't take this anymore.

Lu Lan knew that Si Li also like her, but why was he sending her away from him? She thought if she resigned from Si Corporation, she was able to go back to Country Z but now it seems that he didn't want her to his side.

Si Li heard Lu Lan's crying voice, his heart tightened and he clenched his fist tightly

and after took a deep breath and said "I like you too"

"Liar...Liar...if you have liked me then why are you sending me away?" Lu Lan said in a hoarse voice.

"Because I don't want to lose you" Si Li calmly replied. He still can't let Lu Lan know about his black side of life.

After a while, she calmed herself down, but still, she didn't understand why was he so unsecured for their relation "W-what do you mean?"

"That I can't tell you now. Just wait for me for a while. I promise I will bring you back and we will live the rest of our life together" Si Li said.

"Really?"

"I promise I will bring to back. Just wait for me. Okay?"

"Okay. I will wait for you".

Si Li also brought Little Champ in his penthouse. Without Elder Si and Lu Lan around, Si Li decided to take care of Little Champ.

-----

Si Li and Mo Jinnan decided to meet, as they both wanted to live with their lover with any insecurity, so they had considered the safety measure for their partner.

"I never expected that you can actually confess your love to her" Mo Jinnan was sitting on the armchair in the Si Li's office.

"Why do you have a problem with that?" Si Li asked indifferently.

"Actually yes, I wanted to see your loving side," Mo Jinnan said mockingly.

Si Li narrowed his eyes and warned him "If you don't stop with your nonsense I will throw you out".

Actually, Si Li had already planned to throw Mo Jinnan out, but suddenly Song Tianxin had come and saved him.

Knock... knock...

"Come in"

Song Tianxin came inside and slightly bowed towards Si Li. Mo Jinnan immediately got up from his seat and offer his seat to her intimately. If Si Li hadn't presented here, then Mo Jinnan would have offered his lap for her to sit instead of his chair... Devil Si Li!!!

Si Li shot a warning glanced at Mo Jinnan to behave and authoritatively said to Song Tianxin "You are required to go to Country M".
