## 49 'sI dare to let me go's.

Song Tianxin loose her grip from his neck. She looked in Mo Jinnan's eyes, the same brown eyes as charming as before when she saw him the first time. Song Tianxin's eyes looked down to his thin lips and slowly she moved closer towards him and kissed him.

Even though they had kissed few times before but it was always initiated by Mo Jinnan. Song Tianxin always felt sly in front of him. Of course, he was charming but he was always intimated with Song Tianxin in front of everyone every time they met and made her embarrassed.

Soon, Song Tianxin nibbled his lips, even Mo Jinnan was shocked for a few seconds as it was the first time, she took initiated, but he also kissed her back. Mo Jinnan encircled his arms around her waist and pressed her against his body.

Even Song Tianxin's arms encircled around his neck and pulled him closer. As if she wouldn't want him to let go. Soon their tongues were dancing together. They kissed each other until they suffered from a lack of oxygen. After a while, they apart then both of them panted heavily. Their lips were swollen and numb.

Mo Jinnan's eyes darken by the desire but he controlled himself and he tried moved away from Song Tianxin "I think I should leave now".

But Song Tianxin hugged him again and said in a husky voice "Don't go. I...I want you"

Mo Jinnan was slightly taken aback as if he heard something wrong, but Song Tianxin moved back and looked in his eyes and said again "I want you Jinnan. Please don't go"

Mo Jinnan placed on her cheeks his palm and confirmed: "Are you sure?"

Song Tianxin nodded "Yes"

Instantly Mo Jinnan took Song Tianxin in his arms and went to the bedroom and he gently put her on the bed and again confirmed "You can't go back. For this lifetime, you will be mine. Are you really sure?"

Song Tianxin encircled her arms around his neck and smile mischievously "I dare to let me go".

After that Mo Jinnan didn't hesitate and kissed her. First, they kissed gently and passionately but soon it turned into hungrily and fierce.

During their kiss, Mo Jinnan started to take off her clothes and then his, soon both of them were naked. Mo Jinnan left her lips and then started to kiss her neck, collarbones and slowly he moved downwards and reached at her certain part. Then he spread her legs and put his mouth.

"Ahhh...D-don't...Ahhh" Song Tianxin screamed. Her body was shuddering and subconsciously, she grabbed his head. Mo Jinnan kissed her lips again to let her taste herself.

Mo Jinnan looked at her, he whispered "I am going to enter now. Just relax, okay!"

Song Tianxin's eyes were closed as tears were falling from it and whispered "Don't worry. I can handle it".

Soon, Mo Jinnan spread her legs and made a position for himself between her legs and whispered "If it hurts, just bite my shoulder"

Soon he started to move and their hands were intertwined. Song Tianxin scratched his back and bite his shoulder.

The room filled up with moans and groan as both of them didn't want to leave. Their lovemaking kept going until they exhausted and the sun began to pop up in the east.
