

《The Mysterious CEO》

84 Partnership Cancel...

Mu Che nodded and gestured to their bodyguards. Bodyguards held her arms and dragged her out of the office.

"No....No... Leave me... Miss Lu....Please tell them to leave me..."Li Dauyi shouted while crying.

Lu Lan tightened her fist and lowered her head. In front of Li Dauyi, she looked ruthless, but inside, she felt bad for Shen Jiu, for separating him from his mother.

Si Li looked at her and understood how was she feeling?

Of course, being in the Underworld, he had taken similar kind of decisions many times.

However, as it was said that 'When bulls fight, crops suffer [1]'

Si Li wrapped his arm around her waist and hugged her "You did well".

"But... I feel bad for Mr Shen and for his son. It's not their fault" Lu Lan said in a sad tone.

"Don't worry, I will think something for them" Si Li assured her.

"Hmm," Lu Lan nodded and hugged him back.

She knew that Si Li wouldn't let them suffer, who showed their loyalty towards him.

"Aiyo.... How can both of you do this to me? I am not interested in dog food, Okay! We are currently in office, can't you guys control yourself?" Mo Jinnan complaint after seeing the lovey-dovey couple.

Lu Lan immediately apart from Si Li's embrace after hearing Mo Jinnan's complaints and her face was blushing.

However, Si Li still showed his shamelessness "It's my office. I can do whatever I want. If you have any problem, you can leave".

"You...!" Mo Jinnan narrowed his eyes and gave an unpleasant look.

"Mr Mo, why don't you marry Miss Song? I am sure that after your marriage, your father can't do anything against both of you" Lu Lan suggested.

Of course, after their marriage, Mo Jun couldn't do anything, but the fact was Mo Jinnan couldn't marry anyone without his father's consent.

Mo Jinnan's expression changed after hearing Lu Lan, but instantly he hid his expression and showed a smile.

However, Si Li saw Mo Jinnan's expression, but he didn't say anything.

At that time, Mu Che came inside the office again "President, Master Mo has come here".

Mo Jinnan confusingly looked at Si Li and asked: "My Dad... What is he doing here?"

"You will know" Si Li gave a short reply to Mo Jinnan and looked at Mu Che "Let him in".

"Yes, President" Mu Che bowed and left.

After Mu Che left, Mo Jinnan again asked with a serious expression "What are you planning?"

However, Si Li ignored him and looked at Lu Lan "Stay here, afterwards we will go home".

Lu Lan smiled and nodded "Hmm".

Although, Lu Lan was already got used to Si Li's this kind of behaviour, where he was hanging out everyone in suspense. However, she still felt uneasy after seeing a tense environment between Si Li and Mo Jinnan.

It was her first time when she had seen an angry look of Mo Jinnan.

After a few moments, Mo Jun came inside and sat in another sofa opposite to Mo Jinnan.

Mo Jun was in the military, however, he left the military and started his business and afterwards he joined the Underworld.

His body was muscular as an army man and he was still looking young despite his age

was around 55.

He was a very good friend of Si Li's father. After the death of Si Li's father, he treated Si Li as his son, like Mo Jiang and Mo Jinnan.

When Si Li married to Lu Lan, he was unhappy, but still, he didn't say anything to Si Li because it was not his place to tell Si Li anything about Si Li's personal matters.

However, when Mo Jinnan engaged with Song Tianxin, he straightaway rejected their relationship and while Mo Corporation was in the crisis, he put force on Mo Jinnan to break his engagement with Song Tianxin. As a result, Mo Jinnan had broken his engagement with Song Tianxin.

Still, Mo Jun wasn't able to completely cut off their relationship.

"Uncle Mo, Thank you for coming here," Si Li said in a firm voice.

Mo Jun nodded "Hmm... Tell me, what do you want? Because of which you have called me here".

"I am sorry, Uncle Mo, but I think I can't continue the partnership of Si Corporation and Mo Corporation," Si Li straightaway put his point.

Both Mo Jun and Mo Jinnan expressions changed.

Partnership cancelled...

What did this mean?...

Mo Jinnan knew that after a lot of the effects Mo Corporation was able to come over from the crisis and now if their partnership with Si Corporation got cancelled, then it would be another headache for Mo Jinnan.

But... wait... Why did Si Li want to cancel their partnership?...

[1]- When bulls fight, crops suffer () means one has to suffer even if none of his fault.
