

《The Mysterious CEO》

9. I am ready

"May I know the reason?" Lu Lan asked in a calm tone, although she already knew the reason.

Lu Lan already knew these people when she was in Tax advisory and when Si Li offer her Tex corporation's proposal, the first thing she did was to contact these people, these were from a near village who have talent but due to lack of knowledge, they didn't know what to do.

"We are not capable" leader glanced the ground won't dare to look in the eyes of Lu Lan.

"I never expected that all of you betray me when I need your help at the most" Lu Lan was sad that after so much effort she left with nothing.

"That not we mean..." leader immediately tried to explain.

"If you mean that, then don't abandon me, I need your help" Lu Lan said helplessly.

"But..."

"Give me time till tomorrow morning, if I still don't solve this problem then you will leave as you're pleased." Lu Lan said and left without further discussion.

Rest of the day, Lu Lan continued to work till the late.

After Elder Lu adopted Lu Lan, he never differential between Lu Lan and Lu Xuelon. However, Madam Lu never considered Lu Lan as a daughter and deep down inside, Lu Lan knew that whatever she will do but she won't take place in the heart of Madam Lu and eventually she gave up.

When Lu Lan was lived in Lu Mansion, she met Si Li because of Elder Si but she never had a gut to have a chat with him instead of 'hello', 'Goodbye' as compare Lu Xuelon. Lu Lan also knew that Lu Xuelon had feelings to Si Li but because of Si Li cold nature, he never considered her feeling.

Afterwards, because of Xuelon's tricks, Lu Lan decided to leave the Lu mansion and she shifted to her parents' house till last night Lu Lan never met Si Li again.

Lu Lan came back from her thoughts and sent the text to Si Li 'I am ready'.

When Lu Lan left from office and saw Si Li's car waiting at the concern. By see Lu Lan, Si Li assistant came out of the car and open the back seat car door for her.

Lu Lan straightaway went to Si Li's car and sat next Si Li.

The car drove off.
