

Chapter 60 Three Days

8:30 PM.

Leon took Alyssa back to the old house.

Kevin sat in the master's seat.

Audrey sat with her arms folded on one side, and Emily sat on the other.

Leon's face was not good. He didn't look this bad when he brought her over just now.

Leon didn't bother to waste time. When he arrived at the old house, he directly told everything about how Emily found someone to carjack Alyssa and hurt her.

Alyssa sat quietly on the surface but was shocked inside. She didn't expect Leon to know everything and to know it so well.

He already knew that those people were sent by Emily. Before, she had intentionally revealed this information. She thought that he didn't believe her, but it turned out that he did.

"Leon, I don't know any of what you said. You and Emily grew up together, do you think Emily can do what you said? Emily is so kind. She can't possibly do such things." Audrey was not satisfied with Leon's statement. She turned her head to look at Emily who bowed her head and didn't say anything, "Emily, this matter has nothing to do with you at all, right?"

Emily didn't say anything. Audrey said sadly, "Emily is scared by you guys. She's been a good girl since she was little. How can she stand to be scared like this? Dad, this has nothing to do with Emily."

"Leon, Emily is usually very well-behaved. Is there any misunderstanding in this matter?"

"Emily, I gave you respect at school because Alyssa had to study and live at school. I classify this matter as a family matter because I want this to end. If you don't admit it, I'll show the evidence. You'll be the only one embarrassed."

Emily froze in place, not daring to move.

Audrey glanced at Leon and said, "You're threatening Emily! Leon, what happened to Alyssa had nothing to do with Emily. Emily, you better defend yourself."

Audrey looked at Leon who wouldn't give up and didn't panic. Instead, she winked at Emily.

Emily looked at Audrey's wink and immediately nodded, "Leon, you misunderstood. I didn't do what you just said."

"Then I'll get someone here and ask them about it."

Leon picked up the phone and said something. After hearing the voice on the other end of the phone, he froze.

He put the phone down and looked at Audrey and said, "In three days, I'll come back and ask Emily what's going on."

Leon looked at his grandfather and reached out his hand to Alyssa.

Alyssa took Leon's hand and stood up.

"Grandpa, I'll take Alyssa home first. After three days, I'll see you again."

He pulled Alyssa and turned to leave.

Two minutes later.

Alyssa sat in Leon's car.

"What just happened?"

"It's nothing! Don't worry. You just concentrate on your studies."

"Did those two men, one tall and one short, slip away?"

"I'll fix it." Leon looked at Alyssa, "I'll take you home now."

"Fine, I just happen to be busy with my recent exam preparation!"

She really didn't have the time recently. She had an appointment with Ella to take the business English test, which was on the day after tomorrow. She couldn't waste any more time in the next few days.

The corners of Leon's mouth lifted up and he deliberately said, "The business English test is hard. I happen to know a friend who does assessments. Do you want me to help you?"

"No, if I can't make it this year, I'll take it next year. I already plan to pursue postgraduate studies."

Alyssa just wanted to honor herself with her real achievement.

Leon was pleased, "Go for it then."

"You ... have to trust me about what happened yesterday. That video is fake. I can swear to you."

Alyssa finished and then felt that she was being redundant. They clearly did not have a conflict over this matter. She suddenly brought it up as if she was guilty.

It was as if she was defending herself.

She thought Leon wouldn't care about this, but instead, Leon took her hand. She looked up in shock and saw Leon staring at her.

"You ..."

"I just told you to only concentrate on your studies. I can help you with anything."

"Okay."

Hearing Leon's words, Alyssa was relieved.

In a flash, three days had passed.

Alyssa was almost ready for her exam. She got up early in the morning and started to organize the things she needed to bring.

She moved a little faster and woke Leon up.

"Sorry, I woke you up."

"I'll drive you there later." Leon had actually woken up long ago. Last night, Alyssa had caught a cold and had been coughing. She lay in bed and didn't know anything, but he heard her coughing all night.

Knowing that she had an exam today, he woke up early and prepared to take her there personally later.

"No need. It's still early. You get some rest. You've been working overtime these past few days and you're tired."

Leon didn't say anything and quickly went to the bathroom.

Ten minutes later, Leon waited outside the door in his car.

Looking at Alyssa in her heavy down jacket, he hurriedly got out of the car and opened the car door.

Alyssa froze for a moment, and Leon just carried Alyssa into the car.

Alyssa felt warm in the car. Leon had turned on the heat. She didn't feel cold in the car now.

She was still in a daze when she suddenly got a sandwich in her hand, "Eat it!"

She was a little hungry. Seeing the hot sandwich, she hurriedly ate it.

"Ahem ... ahem ..."

"Slow down."

Leon said as he brought the milk to Alyssa.

She hurriedly took a sip of the milk and finally swallowed the food.

With the lesson of being choked, Alyssa began to eat slowly.

After breakfast, they also arrived at the examination place.

As it was still early, Ella hadn't arrived yet. Alyssa was about to get out of the car and wait for her when Leon grabbed Alyssa and handed her cold medicine and cough medicine.

"Take your medicine."

"Thank you."

Alyssa was surprised. Leon actually knew about the pills she'd taken yesterday. She had thought that he didn't know anything about that.

She took her pills and saw that Ella was getting out of the car on the far side. She was about to get out but Leon stopped her again.

"Ella's here. I have to get out of the car."

"You're not unbuckled."

"Oh!" Alyssa unbuckled her seatbelt and smiled at Leon, "I'm leaving."

"You forgot your materials." Leon watched Alyssa leave and hurriedly reminded her.

Alyssa got her things and smiled at Leon. At that moment, Leon said again, "One more thing! I've found those two men. When you finish your exams, I'll pick you up and take you to the old house to settle this thing."
