

The Pinnacle of Life Chapter 414

“I consider myself a good masseuse, Mr. Rockefeller. Won’t you give me a chance to show my skills?”

“I want to scrub him clean in the bath...”

Immediately the ladies crowded around Alex Rockefeller. Some even started touching him.

Alex was shocked. No matter how powerful he was, there was no way he could resist the incessant seduction from these ladies.

Fortunately, Hailey Lawson promptly came to his rescue.

“Okay, okay, hold yourselves, my girls. He has a wife already, sorry!”

Hailey led Alex into her office and breathed a sigh of relief after shutting the door. “I owe you so much, Alex. Thank you for today! Here, this check is for you.”

Alex eyed her office before replying, “No way. This is the Summers family’s compensation for the damage done to your beauty salon. Why should I take it instead? Moreover, I do not require money.”

“Well, your mother needs it! Destroying the Rockefeller Group in three months is no easy feat, and she needs all the money she can get. Without you, I would not have gotten this check, and worse still, my beauty salon was moments away from shutting down. You deserve it.”

“No, I have enough money. Keep this for yourself!”

They went back and forth as Alex backed into a couch. He lost his balance and stumbled onto the couch together with Hailey.

Hailey landed on top of Alex's body. They looked into each other's eyes as their bodies touched.

One second passed, and another...

Ten seconds passed...

Hailey looked flustered as she shook her head and said, "No, we can't do this!"

She stood up with a flushed expression, ruffled her hair, and sat on one end of the couch.

Alex retreated to the other end as they sat a meter apart and quickly explained, "I didn't mean it that way, I... I should leave."

It was at this moment that the doors were pushed open. In came a distraught Charles Carter.

"Hailey, I heard you angered the Summers family... Alex! Fancy meeting you here!"

Charles came immediately after learning of the incident and did not even stop to ask for clarification from the employees of the beauty salon.

Shocked, Alex and Hailey secretly breathed a sigh of relief. Luckily Charles came in late. Otherwise, he would have seen them in an embrace, which would have made things so much worse.

They currently sat pretty far apart, much to their relief. "There's nothing to worry about, Charles. An unreasonable woman came in and thrashed the place around," Alex stood up and said.

Hailey quickly explained the entire incident to Charles, who then told Alex, "You are our savior, Alex! I'm treating you to dinner tonight, no buts! Let's drink to our heart's content!"

He paused briefly and suddenly thought of something. "A very close buddy of mine, Thomas Hawk, is the chairman of South Cali Structures. They are looking for a lot of construction materials as they recently received a huge project. Perhaps Dorothy's company would like to cooperate with him?"

At the same time, over at Assex Manor.

With a smile on her face, Madame Joanne said to Emma Assex, "Good job getting together with the son of Chairman Hawk, Emma! This will be our business soon, and we can kiss Dorothy Assex goodbye! I want to destroy her company, but let us first take back her residence today!"

Emma smiled and nodded. "Wonderful, I have been longing for this for a long time!"
