

“The timing is right. I was also looking for an opportunity to chat with you properly.” When Chen Hao saw Yang Xia, his face turned a little red. After all, Chen Hao had very complicated emotions.

“What do you want to chat with me about?” Yang Xia approached Chen Hao with a pleased look. “However, I really want to know this. Now, I am nothing like the Yang Xia I used to be. Truth to be told, before this, I could only dream of the luxurious lifestyle you have now. But as for me, I couldn’t experience this type of luxurious lifestyle, not even in my dreams. However, I am living a life of wealth and influence now. At that time, you embarrassed me and rejected me. Now, we are equals. I want to know what your feelings are now.” Yang Xia got closer and closer to him.

“I don’t feel anything. I just want to clarify everything with you. If you think that I have wronged you, if you have grudges with me or if you hate me, you can take them all out on me. There is no need to take revenge on the people around me,” Chen Hao said.

“Hehe, what do you mean, ‘If I think’? Haven’t you, Chen Hao, realized anything? Some things you did to me were way overboard.” Yang Xia’s eyes suddenly turned red.

Yang Xia had introspected over the previous events. True enough, when she got together with Lu Chen, she crossed the line with Chen Hao. But that, at best, was her way of getting back at him for causing her to suffer the contemptuous looks from people around her for two whole years, that was caused by Chen Hao.

At that time, the more she thought about it, the more she felt that God was unfair and that she was being pathetic. She knew that she was very pretty. However, why didn’t she have what other girls had? Other guys brought their girlfriends to buy bags, branded makeup, Apple smartphones, eat good food, and have good fun. However, she didn’t have any of that. On the other hand, she had to use her own money to pay for this guy’s expenses for two years.

What did she do wrong? She didn’t want to go on like this. Previously, she would do

anything for love, including giving her everything. But in the end, was it so wrong that she wanted to be more realistic? Was it wrong for her for merely wanting to vent her emotions and fulfill her desires?

However, she never thought that Chen Hao would become so rich after they broke up. At that time, of course she was full of regret. She was about to reach the light at the end of the tunnel, but instead, they parted ways. How could Yang Xia not regret it?

Therefore, Yang Xia waited; she waited for Chen Hao to reconcile with her. All Chen Hao had to do was say the word, and she would've returned to his side and be hell-bent on following him.

But he didn't. He even flirted with other girls.

Yang Xia hated it so much. From then on, the things she did became more and more drastic.

But in the end, Chen Hao's identity as Jin Ling's Young Master Chen was exposed.

That day, although she was further grieved, she was also joyful, but more so than anything else, she felt that she had lost; she stayed with this guy for three years and was about to see glory and splendor, then, he chose to be with another girl.

So, that day, she abandoned her dignity as a girl and begged him to give her a chance, but all she got was his plain rejection.

In the end, she left Hot Spring Villa, no longer able to even stay back in school out of shame. After she left school, she grew to know better than anyone about the anxiety of uncertain futures and the society's hardships.

She hated it! She hated it so much! All of these were Chen Hao's doing. So, she wanted him to suffer too; she wanted him to see her glorious self now and feel regret, even remorse.

However, this guy didn't even apologize; he even expected her to take the initiative.

Smack! Yang Xia raised her hand and gave Chen Hao a slap.

Chen Hao didn't retaliate. All he said was, "If you can vent your anger by doing this, then hit me. After you're done, I hope that we can call it even, and we don't owe each other anything anymore."

"Okay!" Yang Xia angrily raised her palm and was about to go for another slap. However, while her hand was still in mid-air, Yang Xia retracted her hand. "You think it's so easy to get even? Let me tell you, don't even think about it. And, Chen Hao, the harm that you caused me won't be so easily settled with me hitting you." Yang Xia took a deep breath and returned to her previous indifferent self.

"What else do you want?" Chen Hao asked.

"Nothing much. Right, I heard that after we broke up, you had many female friends. One of them was called Su Ziyue?" Yang Xia said as she crossed her arms and smiled coldly.

Chen Hao raised his head fiercely. "What do you want to do? Yang Xia, I'm telling you, if you dare to touch her, I will never let you go."

Yang Xia took a deep breath, frowned, and said, "Hehe, and I'm telling you, Chen Hao, right now, I don't care about anything anymore." As soon as she finished speaking, she took out her phone, and let Chen Hao watch a video call. The video stream showed Su Ziyue at a school picking her children up. She didn't even realize that she was being watched.

"You don't have to scare me. I'm not afraid of you. Right now, I can do anything. Do you believe that? All I need is slightly over ten seconds, and Su Ziyue's life will be gone. Do you believe that I have this ability?" Yang Xia said fiercely. "On top of that, don't think of saving Su Ziyue or alerting her. If you do this, you are just speeding up her demise."

Then, Chen Hao said, "Then what do you want to do? As long as you don't touch the people around me, I will agree to some of your requests!"

Smack! As soon as he finished speaking, Yang Xia gave Chen Hao another slap. "Alright, I see that you are very affectionate now. So why, why were you so cold-

hearted to me back then?" Yang Xia worked hard to control her emotions. "If you don't want me to touch the people around you, that is not impossible. What about this? You help me with a few tasks. After you are done, we can consider our feud settled. Don't worry, I won't ask you to kill anybody or commit arson," Yang Xia said.

"Alright!"

"Firstly, I want you to toast me in front of the crowd later."

Chen Hao nodded. "No problem with this."

"Then do this first." As soon as Yang Xia finished speaking, she got ready to leave, pleased. But just as she was about to leave the bathroom, Yang Xia walked back in. "I know you. To you, I'm a dirty and deplorable girl. The kind of girl that will let anybody do anything for money. But let me tell you that I've never been that kind of girl. Although I am now engaged, I still maintain my virginity, because I am a woman with dignity!" As soon as she said that, Yang Xia left.

When Chen Hao heard this, he was momentarily stunned; Chen Hao had really never thought of that before. The truth was that Chen Hao inexplicably felt a complicated mixture of emotions; he couldn't understand if he was feeling touched or grateful. He had never expected that Yang Xia was still a virgin.

Therefore, he felt guilty about how he treated Yang Xia before. However, guilty or not, Chen Hao knew that Yang Xia was indeed a different person from who she was before. He knew that he shouldn't have ill intentions, but he should not let his guard down either.

Chen Hao then walked out. However, he didn't really understand the reason Yang Xia wanted him to make a toast to her in public.

## Chapter 308 Finding Faults

Chen Hao returned to his seat. At this moment, the rich businessmen were still toasting to Long Shaoyun and the others.

Yang Xia threw Chen Hao a signal with a meaningful look, as she was saying, "Look at them. They're so capable!"

Huang Yonghao said displeasedly, "Wait till my sister is back!"

Chen Hao took a deep breath, picked up his wine glass, and walked toward Yang Xia.

"Hao, where are you going?" Huang Yonghao asked.

"Don't worry about it, Young Master Chen has his own thoughts!"

Although Li Zhenguo was also surprised when Chen Hao walked toward them with his wine glass in his hands, he understood that he was definitely doing it for a reason.

"Ah! Are you here for a toast too, Young Master Chen?"

## Chapter 308 Finding Faults

When the rich businessmen saw Chen Hao coming, they immediately made way for him. Once again, no matter how much they relied on the Long family, that was none of his business; they could never afford to offend Chen Hao, so they quickly stepped aside.

Chen Hao stopped in front of Yang Xia.

Long Shaoyun tucked his hands into his pocket and smiled coldly while looking at Chen Hao.

“Xue, allow me to propose a toast to you!”  
Chen Hao raised his glass.

Yang Xia should have stood up by now, but she remained seated while swirling the red wine in her glass. Suddenly, Yang Xia splashed the red wine onto Chen Hao’s face, drenching him in the red liquid.

“Hmph! Okay, consider this glass of wine as my payback toward you for hurting me in the past!” Yang Xia sneered as she continued, “Besides, stop calling me Xue! You don’t have the rights to call me Xue! Please behave yourself!”

## Chapter 308 Finding Faults

“What?” The scene of Chen Hao being splashed with red wine shocked many rich businessmen. Damn, this wasn’t as simple as a slap in the face.

Li Zhenguo and the rest stood up abruptly. “How dare you!”

It seemed like a fight was about to begin. However, Chen Hao wiped the red wine off his face and signalled Li Zhenguo and the rest not to interfere.

“Okay, Miss Yang, are we good now?” Chen Hao raised his glass.

“Of course!” Yang Xia smiled lightly, raised another glass of wine and poured the wine over Chen Hao’s head.

“Consider this glass of wine as my revenge toward you!”

The crowd was stunned as they watched.

Yang Xia finally drank the third glass of wine. It turned out that Yang Xia had been waiting for him here.

## Chapter 308 Finding Faults

Chen Hao was agonized beyond words as he returned to his seat. To be honest, Chen Hao wasn't afraid of Yang Xia; he just didn't know how to deal with her at the moment, especially when Yang Xia made it clear that she was still a virgin. Chen Hao could only let out a sigh as he nursed his own complicated emotions.

After the networking session, Li Zhenguo went to meet the appraiser of antiques from the Southern Region, Mr. Wei.

As for Chen Hao, he went to look for Yang Xia. Yang Xia knew that Chen Hao would come looking for her. At this moment, she was waiting for Chen Hao outside the manor.

"Miss Yang, I hope that you could dismiss the people you sent to hurt Su Ziyue! You've achieved your goals of insulting me today!" Chen Hao said.

"Hehe! Don't worry, I'm not going to hurt her. You're the one that I'm resentful of, and she has nothing to do with me, so why should I hurt her? As a condition, you'll need to promise me two more things!"

Yang Xia said.

Chen Hao let out a sigh. "Okay, spill it out!"

"These two things should be easy for you to achieve. Firstly, you'll allow me to stay in your Cloud Mansion for a few days! Don't worry, I wouldn't extort your property. I just wanted to borrow it for a few days, isn't that easy?" Yang Xia said.

"Okay!" Chen Hao nodded.

"The last thing should be easy too. You'll help me to teach someone a lesson and destroy his business! This person is a total scum, hence I believe it wouldn't be hard for you too!" Yang Xia said.

"Who's that?" Chen Hao asked.

"His name is Li Hongfeng. He's from the same village as my parents, and he used to be blood brothers with my father. A while ago, he borrowed a few hundred thousand from my family to start a business in Jin Ling. However, when his business became successful, he refused to return the money to us. Do you

## Chapter 308 Finding Faults

remember that I had taken a leave to go back to my hometown during my second year of university? He was the one who sent someone to hit my father. I've told you all these before!" When she uttered her last sentence, Yang Xia's voice was obviously softer. After all, she had mentioned the past of both of them, which made her feel uncomfortable.

"I got it. But why are you asking for my help? You now have the capability to teach him any lesson you want to!" Chen Hao said curiously.

"Hehe! I'm afraid that it wouldn't be effective if I'm the one teaching him a lesson. It wouldn't be appropriate for me to ask the Long family for help on this matter either. Of course, that's not the main point. The main point is that you're a famous person in Jin Ling. The impact would be greater if you're the one doing this!" Yang Xia explained.

"That person is indeed a jerk. I remember that he sent someone to the school to block you. He's the one operating a bar here, isn't it?" Chen Hao also recalled the

things that happened in the past.

“Yes, it’s him! A few of the girls in our village were kidnapped and had their futures destroyed by him. My sister nearly became one of his victims! Don’t you think he should be punished?”

“Okay, I’ll do this for you, but I hope that you’ll stop targeting my friends after this!”

“Sure, I’ll dismiss my people right now!” After finishing her words, Yang Xia turned around, went into the car, and the driver drove off.

“Young Master Chen, what were you talking about with that woman? You’ve been too nice to her today!” At this moment, Bai Xiaofei and Huang Yonghao approached him.

“That’s right, Young Master Chen!” Bai Xiaofei was furious on behalf of Chen Hao.

“I understand your concerns. I’m not afraid of her, I just didn’t want to deal with her. I hope that she will stop causing trouble after releasing her anger. That way we’ll

## Chapter 308 Finding Faults

not owe each other anymore!” Chen Hao said casually. “Oh, one more thing. I’m going back to change in a while. Please accompany me to a place later on. Get enough manpower, we’re going to deal with something!” Chen Hao said to Bai Xiaofei and Huang Yonghao.

“No problem, Young Master Chen! We’ll get everything ready immediately!” They immediately went to make some phone calls without asking for further details.

Chen Hao went back to Cloud Mansion and changed into a new set of clothes. He hopped into a car, and Bai Xiaofei drove Chen Hao and Huang Yonghao to a small bar in Jin Ling.

“Is this the place, Young Master Chen?” Bai Xiaofei chuckled while smoking. The three of them walked toward the bar.

“I heard that this place has prostitutes. It seems to be an illegal place.”

“We’re here because it’s illegal!” Chen Hao smiled bitterly.

## Chapter 308 Finding Faults

“What? Are you serious, bro? Are we here for prostitutes?” Huang Yonghao was shocked.

“Bullsh\*t! We’re here to...” Chen Hao whispered to Huang Yonghao and Bai Xiaofei the rest of his speech in a low voice. Then, their eyes lit up instantly.

After that, the three of them strutted into the bar and picked a seat with a wide table in the hall, then they took their seats.

Chen Hao was glancing around after he sat down. He spotted a bald middle-aged man covered in tattoos at the bar counter. He was standing with his hands tucked into his pockets, and he was chatting with a few gangsters.

Chen Hao recognized this middle-aged man; he was the one who owed money to Yang Xia’s father. When he was causing trouble to Yang Xia back then, Chen Hao was beaten up by one of his gangmates. Of course, if it wasn’t because of Yang Xia bringing it up again, Chen Hao would have forgotten about it. This time, he promised Yang Xia to resolve this conflict.

## Chapter 308 Finding Faults

Otherwise, he wouldn't even care about her private matters.

"Sir, what would you like to order?" A girl with exquisite makeup approached them and took their order from Chen Hao, who was lying on the sofa with his legs on the table.

"Nothing!" Chen Hao replied softly with his eyes shut.

"Huh? Sir, we have..."

"F\*\*k you! He said nothing! Didn't you hear that?" Bai Xiaofei kicked the side table as he stood up and roared at the girl...
