

## The Rest Of My Life Is For You

Chapter 31: Must love each other

At the dining hall in the villa.

When Niao Xiaomu walked in with Xiao Liuliu in her arms, a strapping figure was already seated.

Recalling what had happened earlier, her body stiffened slightly.

Then, she intentionally ignored the domineering presence of that man and walked straight in while carrying Xiao Liuliu.

The cuddly little ball had just woken up and was still half-asleep. She was nestled in Nian Xiaomu's arms, but when she saw the delicious food, her pretty round eyes immediately sparkled!

"Hungry?"

Nian Xiaomu pinched her little face and put her down in her high chair.

She placed the snacks that were prepared by the chef in front of Xiao Liuliu.

"Let's eat together, Pretty Sister!" Xiao Liuliu used her good hand to pick up a spoon and scooped up a spoonful of porridge to feed Nian Xiaomu.

"..." Nian Xiaomu was slightly surprised, but quickly shook her head.

Just as she was about to decline Xiao Liuliu's offer, a calm voice spoke from the other side of the table, "Butler, didn't you hear what Little Mistress said?"

Butler: "...!!!"

The Yu Family was the number one clan in City H. It was only natural for them to have family rules given how expansive their household and fortunes were.

Xiao Liuliu was young, so the butler did not take what she had said too seriously. Moreover, it did not abide with the rules.

The Yu Family had never allowed a servant to eat together with Young Master!

Even if Nian Xiaomu was not considered a servant, she was only a lowly nurse.

The butler had not expected to be chided by Young Master over this. He recovered from his shock and quickly turned to get some cutlery.

He personally placed the cutlery in front of Nian Xiaomu.

"..." When Nian Xiaomu saw the bowl and chopsticks in front of her, she instinctively raised her head to look at Yu Yuehan.

He sat calmly at the dining table, his handsome face radiating an aura of indifference and elegance under the reflection of the light. His every move was captivating.

It was as if he had not noticed her and was merely enjoying his meal slowly.

Xiao Liuliu, however, quickly tugged at her hand when the butler came over with the cutlery. "Sit down, Pretty Sister! There's so much yummy food!"

Her pair of crystal-clear eyes sparkled like stars.

They were filled with anticipation.

Nian Xiaomu felt unsure at first. After all, she was only a nurse and certainly had no right to eat together with Xiao Liuliu in the Yu household.

But when her eyes met with Xiao Liuliu's, she threw away all thoughts of hierarchical considerations and simply pulled a chair out and sat down.

Picking up her chopsticks, she started selecting food to put into Xiao Liuliu's bowl.

Just when she was about to ask Xiao Liuliu to eat more, the little girl raised her head, smiled, and said, "Pretty Sister loves only me. She only gives me food, but not Daddi."

Nian Xiaomu: "..."

Stunned, she raised her head. Her eyes met Yu Yuehan's deep gaze.

*He has hands and legs, so why would he need her to get food for him.* As she was wondering about that, Xiao Liuliu had already pushed his bowl before her.

"Pretty Sister, Daddi wants some food too!"

Nian Xiaomu: "..."

To give or not to give?

Although she had not used her chopsticks to eat yet, who knew if he had a habit of not eating food picked out by other people?

Forget it. If he cared, then he would just leave the food in his bowl.

Nian Xiaomu calmed her heart and placed the same food that she had picked for Xiao Liuliu in his bowl.

Just as she was going to eat her rice, a little hand took her bowl and pushed it in front of Yu Yuehan.

Grinning like a little fox, she said, "Daddi, you haven't picked food for Pretty Sister."

Shocked, Nian Xiaomu was about to say, "No need," but Yu Yuehan had already picked up his chopsticks and placed some vegetables in her bowl.

Chapter 32: This is... a clearance sale?!

"Good job, Daddi! I love Pretty Sister the most, so the two of you must get along and love each other!" Xiao Liuliu clapped happily.

When she said that, she almost caused Nian Xiaomu to fall out of her chair.

When she managed to balance herself, she turned to look at Yu Yuehan and felt that something was wrong.

What was this about getting along and loving each other... It was as if they had something going on between them...

But she just could not recall how she had crawled into his bed in the middle of the night, and thinking about it made her feel so awkward.

In the restaurant, the atmosphere had turned a bit fuzzy.

For people who did not know better and had stepped in at this moment, they would have thought that this was a family of three having a meal together.

It was so heartwarming and cordial that no one could bear to disturb them.

In contrast to Nian Xiaomu's restlessness, the father and daughter duo appeared calm. Xiao Liuliu was cheerfully eating her meal on her own, refusing any help, and shoving yummy food into her mouth.

As for Yu Yuehan...

From the beginning to the end, he did not speak a word. His indulgence toward Xiao Liuliu made it difficult for others to speculate about what he was thinking inside.

Nian Xiaomu poked at the vegetables that a certain person had placed in her bowl, unsure if she should eat them or not.

"Young Master, Matriarch is here!" The butler rushed in from outside, his face filled with anxiety.

Hearing that, Yu Yuehan's expression turned dark.

"You, bring Xiao Liuliu back to the room!"

He put his chopsticks down, got up from his seat, and turned to walk out.

Nian Xiaomu was just about to pick Xiao Liuliu up when she saw an old lady who was kindly and amiable, yet elegant and sophisticated at the same time. This lady was impatiently shoving aside the people who were holding onto her.

"All of you will not stop me from seeing my little sweetheart!"

Nian Xiaomu was just wondering who she was when she heard Xiao Liuliu call out from her arms.

"Great-grandma!"

"Grandma, why did you come over?" Yu Yuehan walked forward and reached out to hold onto her. His voice was indifferent, but his attitude was filled with respect.

It was evident that he valued the elderly person before him very much.

"You rascal! My little sweetheart met with an accident and you dared to keep it from me! Do you even acknowledge me as your grandma?" Matriarch Yu pushed him away irately and walked toward Xiao Liuliu.

She hugged her lovingly and gave her a thorough look-over.

When she saw that Xiao Liuliu's arm was bandaged, her eyes turned red.

"I already told you that your work keeps you away from looking after my little sweetheart, so you should have found someone to look after her. See for yourself, my little sweetheart not only lost weight, she even broke her arm!"

Matriarch Yu turned and glared at Yu Yuehan.

"Grandma, it was an accident and Xiao Liuliu is fine now." Yu Yuehan's expression did not change even though he was being reprimanded.

He only gave a brief explanation.

"Great-grandma, I already have Pretty Sister to look after me." Xiao Liuliu peered out of her arms and tried to comfort her.

"A sister is not useful. You need a mother!" Matriarch Yu looked over and was surprised when she saw Nian Xiaomu standing by the side.

The look in her eyes changed the very next second.

Nian Xiaomu's beauty and disposition matched up to the Yu Family.

Looking at that body, it would definitely be easy to conceive!

"Greetings to Matriarch," said Nian Xiaomu, who had just opened her mouth to speak when her hand was tightly gripped.

Matriarch Yu turned and walked closer to her to ask, "Young lady, are you married?"

Nian Xiaomu: "..."

“If you’re single, would you consider my grandson?”

Nian Xiaomu: “...!”

“He’s tall, rich, and handsome. If you get married now, you can be a mother instantly!”

Nian Xiaomu: “...!!!”
