In Joseph's room, Yin Chaoge also felt that Joseph had gone too far. She also felt that Paige's husband has gone insane. He actually said that Terrance was not worthy to seat in front of them? At this moment, Yin Chaoge and Leng Yijun felt uneasy because if Terrance was really angry, Joseph would not be able to return to the military. If that were to happen how were they going to face Paige when this happens. "You're the same! Shut up! You don't have the right to talk here! You're more troublesome than Leng Yijun!" Joseph roared furiously at Yin Chaoge. Yin Chaoge was dumbfounded on the spot. She stared at Joseph blankly for a long time. But when she wanted to refute Joseph, she suddenly found that Terrance was sitting beside her. She gave a wry smile and really stood up. Terrance actually stood up? He stood up? Ying Chaoge and Leng Yijun widened their eyes. "Chaoge! Stand up and don't speak!" At this time, Yin Zheng tugged Yin Chaoge in a low voice. Yin Chaoge was pulled up by him and she felt that something was wrong. It was because Terrance's attitude toward Joseph was very strange. It was very odd. "Mr. Wang, should I stand up too?" Eason asked. Seeing that Wang Tianhai and Terrance had both stood up, he didn't dare to be seated any longer. Although Joseph didn't bother much about him but he did not dare to continue to be seated. "I don't know why, but I suddenly felt a little flustered. What's going on? What's going on? Mr. Lambert is the First Commander of Frogua's military. His position in Frogua's military is second only to his grandfather. Don't scare me. What's wrong..." Eason was really about to lose his mind because at this moment, the First Commander of Frogua's military, Terrance, was forced to stand up by Joseph. He didn't dare to sit down anymore. "Am I dreaming?" Eason pinched Wang Tianhai, who was next to him. Wang Tianhai directly pulled out his saber and uttered to Eason, "Try and f*cking pinch me again!" At this moment, Terrance sighed deeply and said to Joseph with a bitter smile on his face, "Well, don't be mad. This time, our military really encountered a huge problem. All the experts above Divine King level went there, and we also lost several God of Wars. We really couldn't afford to draw anyone out..." With a sneer, Joseph leaned forward, glared at Terrance, and said, "Then what is the meaning of bringing both my wife's best friend here? Are you trying to expose my identity?" The man quickly waved his hand and said seriously, "No! The two of them are here to thank you. Don't be angry, don't be angry." "F*ck off! Stop your little tricks! Terrance, I know what you are up to. You are forcing my mother-in-law, my father-in-law, my wife, and my daughter to join back the military right? Tell me how do you want to bury the hatchet? Are you telling me that you want me to join back the military and be a God of War?" Joseph was staring at Terrance with a sharp gaze. "I'll settle this, there is no way I can win you in a fight. Calm down." Terrance was terrified when he saw Joseph's gaze. This guy was the existence that was feared in the Outer Region battlefield. He was still pursuing a Royal level warrior the day before and he had forced him into a corner. Thus, Terrance was certain that he was not a match for him. Even with so many people around, he did not believe that Joseph could cripple him. But if he made a fool of himself, his reputation would be ruined. At this moment, Eason, Leng Yijun, and Yin Chaoge also widened their eyes. They were losing their mind. "Mr. Lambert, what do you mean? What does Joseph mean? Isn't he always the

God of War in the Outer Region? What do you all mean? Then what about the news that

was spreading the Vowhye?"

Eason was stunned and reached out his hand to Wang Tianhai. Wang Tianhai once put the knife on his arm. "Are you done? If you don't believe me, you can pinch yourself." Meanwhile, Joseph did not care how dumbfounded he was. He just stared at Terrance and said, "Well so you will deal with it right. Then tell me how do you want to deal with it?" Terrance wiped the cold sweat from his face carefully and said, "Well then if I ask Sebastian to resign and you be the Marshal? You can then take over Frogua's military." As soon as he finished speaking, the three people in the room were uneasy. They were so taken aback that they couldn't speak. The look in Joseph's eyes became even colder. He gritted his teeth and said, "Terrance, do you want to die?"

Terrance wiped his face again and said coldly, "In fact, I'm not wrong. It's ju time. Your identity can't be hidden for too long. It's just a matter of time." As he spoke, he saw that Joseph wanted to stand up, so he quickly waved his hand and said, "Don't be impulsive. Why don't I give you a title in the military? If the God of War can't do it, then what about the Divine King? You can be the Seventh Commander of Frogua's military. What do you think?" At this time, after he said this, not only Eason, but also Leng Yijun and Yin Chaoge were puzzled. Even Yin Zheng, Wang Tianhai, and Felix were shocked. What did he mean? Did he really want the Lord to take over Frogua's military? "F*ck off! I know very well what you old foxes are up to. Tell Sebastian that I will never take over Frogua's military and ask him to find another successor..." Joseph uttered angrily.

As soon as he finished speaking, he saw Eason, so he pointed at Eason and said to him, "By the way, don't bother me. This is a good candidate? He's Sebastian's grandson. Isn't it better for him to take over the Frogua's military?" "Me? Can I?" For some reason, Eason became excited after hearing Joseph's words. He quickly jumped out and said. "Get lost... Who knew that as soon as Eason finished speaking, he would be kicked by Terrance. Eason was so excited that he sat on the ground in a daze. He couldn't come to his senses for a long time. What did he mean? Was he not qualified? He was at the God of War, he was just 29 years old and he was at the early stage of God of War. In the next moment, Terrance no longer paid any attention to Eason. Instead, he continued to carefully look at Joseph and said, "Well, it's settled, right? I'll call Mr. Sebastian and let him report to the military?" Terrance swallowed his saliva carefully. After all, this time they really owed Joseph a big favor. Joseph helped them kill two Semi Royal level experts and went to the Outer Region military. He slaughtered 88 foreign forces' strongholds overnight. After this battle, it would take a long time for the foreign Outer Region Alliance to recover. Therefore, Terrance had to come to Usmit in person this time. On one hand, he was apologizing to Joseph. On the other hand, he was thanking Joseph. In terms of the merit points needed for the promotion in Frogua's military, not to mention being an executive officer, even if he took over the entire Frogua's military, Joseph's pervious night achievements were enough. He had killed at least dozens of God of Wars, several of them were at the Divine King level warriors, three were at the Semi Titan level, and he had seriously injured a late-stage Royal level. In the Frogua's military, no one could do that except for Sebastian. Joseph frowned deeply. In fact, in his heart, he knew that it was impossible for him to avoid being promoted to Divine King

level. He had already expected that, otherwise, he wouldn't have told Alpha 1 and Paige about that. However, it was different if he took the initiative to look for Terrance and Terrance took the initiative to look for him. At this time, Joseph deliberately said in a low voice, "Okay, but I have several requirements. First, I am suspended from my job. Don't report this to the Outer Region. Second, don't interfere with my freedom. Third, don't give me any tasks, or you can try!" Joseph looked at him with a very terrifying look. Seeing that Joseph nodded, he nodded excitedly. Then he took out his mobile phone and contacted Sebastian in front of everyone. After the video was connected, he told Sebastian Joseph's conditions. On the other end of the screen, Sebastian was in a conference room. He nodded and said, "Okay, the Seventh Commander of the military. I agree. Terrance, let me talk to the child." Then, he handed the phone to Joseph. With a cold face, Joseph said, "What do you want to say?" Sebastian, who is on the other end of the call, smirked. Then he looked at Joseph sincerely and said, "My child, thank you. Thank you for everything you have done for the Frogua. I'm old. I really hope that one day you can take over Frogua's military." Joseph shook his head and sneered. "I'm not interested. I'll give it to your grandson. Your grandson is not bad. He is also at God of War. After Joseph finished speaking, he threw the phone into Eason's arms. Eason looked at his grandfather on the screen with an extremely serious expression. He stared at the Chief Commander of Frogua's military, nodded his head in an extremely serious manner and said, "Grandpa, I feel that Joseph is right." Then, Eason took a deep breath and said, "I am willing! I am willing to take over the Frogua's military! Grandpa, don't worry!" "Willing my a*s! You are a good-for-nothing. You have just reached the early stage of God of War. Who gave you the audacity? Go back to Vowhye and don't make a fool of yourself! You are a good-for-nothing! I am so mad whenever I see you. Get back now!" After hearing Eason's words, Sebastian was furious. The smile on his face disappeared instantly. In the end, he smashed his mobile phone in anger. Eason was uneasy when he saw that his Grandpa had smashed the phone in his hand. What he really his grandson? Scanner

"Joseph... Who the hell are you, actually?" At this moment Leng Yijun had came back to the senses and she had difficulty swallowing her saliva. It was too much for her brain to comprehend, their conversation was just too much for her. Now she finally understood why 'Terrance had to let them sign an agreement everything confidential. At this moment, she felt something was off, something was very off Her silly sister's husband had disappeared for five years and now when he returned, his identity was just too weird. Joseph smirked coldly, stood up, walked in front of Leng Yijun, looked at her face and said faintly, "Don't you want to know who am I for a very long time? Haven't you figured out who am I the first time we met?" Leng Yijun looked up at Joseph. The next moment, a scene suddenly flashed in her mind. It was the first time Joseph and her went for a meal and she had suspected that Joseph was the president of the Junlin Group. In an instant, she widened her eyes and she stared blankly at Joseph. "You, you... You are..." Leng Yijun was so dumbfounded that she couldn't even say a word. But Joseph ignored her and walked to Yin Chaohe saying, "Didn't you say that

you wanted to meet the president of Junlin Group? Didn't you say that you wanted to meet the founder of

the Junlin Group?" At this time, Yin Chaoge had some doubts in his heart. Seeing that Joseph asked this question, she nodded subconsciously and said, "Well, I have always wanted to meet the founder of Junlin Group, the legendary figure in Usmit City seven years ago."

ded. He looked at Yin Chaoge and Leng Yijun and said, "Well, you two, listen up. Don't doubt me anymore. Don't expose my identity with Paige! Otherwise, you two will regret it! Now listen up, I am the president of Junlin Group, the founder of Junlin Group, Joseph! Well, now do you have any doubts?" "You, you, you, you are the president of Junlin Group, Joseph? The surname of the president of Junlin Group is Dawson?" Yin Chaoge's mouth was wide open, and her eyes were full of disbelief. Joseph was speechless and answered, "I have already said that I am the president of Junlin Group, Joseph Dawson! You should be confused about Fernando Dawson, that was the name that I used to have. So do you understand now?"

"Fernando is Joseph, but I no longer use that name. So are you clear?" "It's true, the president of Junlin Group had been missing for five years?" Yin Chaoge pointed at Joseph with her trembling fingers and was speechless. Joseph was speechless and uttered, "Did I not disappear for five years?" After a moment, Joseph looked at Yin Chaoge impatiently and asked, "Didn't you always want to meet me? Now I'm here, is there anything you want to say?" "I, I..." Yin Chaoge's eyes were still full of disbelief. Joseph was speechless. Then he took out his mobile phone, turned on a projection against the wall, and said to Yin Chaoge, "Okay, still don't believe it right? Well, watch carefully."

Then, Joseph video called Ren Pinsheng, the current vice president of Junlin Group. Soon the call was picked up. Ren Pingsheng, who was standing in the president's office of Junlin Group, appeared on the wall of Joseph's living room. "Mr. Dawson, do you have any orders?" The projection transmitted Ren Pingsheng's respectful voice, and he also respectfully lowered his head and waited for Joseph's orders. Joseph looked at Ren Pingsheng and said, "It's nothing. I just want to show you on the projector. Well, it's fine. You can proceed with your thing." After that, Joseph hung up the call. At this moment, Ren Pingsheng, who was in the president's office of the Junlin Group, was afraid again. "F*ck! You want to show me on the projector?" Ren Pingsheng was trembling with anger. "I want to resign, I want to resign. I don't want to toy around. No, I have to take my medicine quickly." At this moment, in the hall of Joseph's house, Joseph looked at the completely dumbfounded Yin Chaoge and said, "Will that do? Do you believe it now?" She was certain but her heart couldn't stop trembling. All this time the person she wanted to meet the most was just right by her side. She had to calm down.

At this moment, Terrance said faintly, "Well, Mr. Dawson, Miss Yin always wanted to meet the Dragon Temple Lord." Joseph was extremely speechless. Was Yin Chaoge a fool? He had two Divine King level experts as his bodyguards. Does she not suspect that he has some kind of high status? Why doesn't he just expose all of his identity in one go? Thus seeing that Yin Chaoge was still in a daze, he uttered, "Don't you always want to meet the Dragon Temple Lord?" Yin Chaoge nodded subconsciously and said, "Yes, yes, I have always wanted to meet him."

Joseph nodded and put out his hand to Yin Chaoge for the second time. "Hello, I am the Dragon Temple Lord, Joseph. Do you need anything?"³ What? Yin Chaoge was speechless. Leng Yijun was dumbfounded. Eason was rooted in place. When Joseph saw Yin Chaoge's expression, he understood that this silly girl was probably the

same as before. She didn't believe it. Well, he didn't want to talk nonsense anymore. He directly took out his mobile phone and projected it on the wall. He dialed the secret number of Slaughter. The next moment, Slaughter had returned back to the Outer Region battlefield and he was carrying his sword on his back. Beside him was Vanish dressed in black. "Boss, what's wrong?" "A deep voice came from the projection. Joseph said to Slaughter, "Nothing. Let me ask you, am I the lord of the Dragon Temple?" The corners of Slaughter's mouth twitched. "Lord, don't say that. I'm on my way to find Bai Hao. If you have nothing to do, I'll hang up..." After Slaughter finished speaking, he hung up the video call with a strange expression. After he hung up, Yin Chaoge was so puzzled that her face turned pale. Her fingers trembled as he pointed at Joseph and said, "You are the Lord of the Dragon Temple?" Joseph answered impatiently, "Nonsense. If you don't believe me, you can go to ask Terrance. Now, tell me, why are you looking for me? I don't seem to have anything to do with you, right? Yin Chaoge was completely confused and said, "The Dragon Temple Lord used five years of time to build the Dragon Temple in the Outer Region battlefield." Joseph stared at Yin Chaoge as if he were looking at a fool and said, "Didn't I just said that I was missing for five years?"

The next moment, Yin Chaoge finally reacted and said in answered in shock, "You mean, five years ago, after you left Usmit, you went to the Outer Region battlefield and then established the Dragon Temple? So five years ago, the founder of Junlin Group was also you, and the Lord of the Dragon Temple was also you?" Joseph's face was gloomy. He said, "Nonsense, what else do you think? Why is there a problem? Do you still feel that something is wrong?" "No." Yin Chaoge answered blankly. Joseph nodded and said, "Well, since you have no problem, let's talk about my problem. I'm confused. You, Yin Chaoge, are the top genius woman in Usmit City. Why do you always want to meet me? Do I have any connections with you or did I do something to you? did I accidentally hurt you in some ways?" Joseph stared at Yin Chaoge with great confusion. He had heard from his wife, Paige, that Yin Chaoge wanted to meet three people. One was her husband, one was the founder of Junlin Group, and the other was the Lord of the Dragon Temple. In fact, when Paige told Joseph, Joseph was a little puzzled. Why was she so eager to meet him? At this moment, not only Joseph was stunned, but also Yin Chaoge and Leng Yijun were so puzzled that they fell motionlessly to the ground. Eason in the distance was also in a trance. He also wanted to fall to the ground but he was already on the ground. Thus the two were so dumbfounded that they lied on the ground. "Say it. Why do you want to meet me? If I have done something wrong, can't I apologize to you? Hurry up, don't waste time. My wife and children are still waiting downstairs." Joseph frowned more deeply. "F*ck, Yin Chaoge is sick, isn't she? She wants to see me all the time, and now I am finally here, she doesn't say a word?" At this moment, what Joseph didn't realize was that Yin Chaoge, the most beautiful girl in Usmit City, had lost her composure. She said to Joseph foolishly, "All the three people that I wanted to meet were just you? Joseph was speechless and said, "I am not the one who wanted to meet you. Quick say what you wanted to say." Yin Chaoge wanted to cry but she couldn't. She was about to collapse, how was this possible? "Oh my god, I am about to collapse." Similarly, Leng Yijun, who was sitting on the ground,

muttered. "My silly junior is able to be the top establishment in Usmit City! The Lord of the Dragon Temple, who had a reputation in the Outer Region battlefield! What kind of peerless husband did she have..." The heart of this Leng Yijun was aching. "What the hell is going on? I am really useless." Now lying in the distance, Eason finds it so hilarious that he wanted to die. Now he finally understands why his grandfather scolded him as a good-for-nothing. At this moment, when he knew the identity of Joseph and found out that he was the person who was chasing the late stage Royal level the day before, he truly agrees that he was a useless garbage. |

When Joseph saw Yin Chaoge, he was so shocked. He was also confused. Yin Chaoge didn't tell him, he didn't know why she was looking for him. After all, in his memory, he and Yin Chaoge seemed to have never had much interaction. It was really strange. He squatted down, looked at Eason, and said, "Hey, and you, I heard that you are the most talented person in this generation in Vowhye? You wanted to provoke me as soon as you entered the door, didn't you? Do you want to fight with me? Well, don't say that I didn't give you a chance. How about I fight with you with one of my hands? If you want to fight, hurry up." At this moment, when Eason heard what Joseph had said to him, he was so scared that he almost cried. Don't joke around. He was at the early stage of the God of War. How could he fight against the Dragon Temple Lord who was able to escape from the Outer Region battlefield after killing a Royal level expert? If that was the case, was there any difference between that and asking him to die? "Boss, I didn't, absolutely didn't. I couldn't beat you..." Eason was really about to cry, and his body was trembling with fear. He really didn't dare to stand up. His only thought at the moment was to run away and leave here. However, Joseph acted as if he didn't hear Eason's words. He looked at Eason and said, "Okay, if you don't want to challenge me, then I'll come and challenge you. I also want to see the level of the most talented person of the young generation in Vowhye. How about we just start the fighting?" Eason shivered and said, "No, Boss, my dear Boss, I really don't dare to fight with you. I really haven't provoked you. Can I quit fighting?" Joseph shook his head and said, "No, there's no other way. You're Sebastian's grandson. Your grandfather is too old, I can't fight with him, so I'll beat you to vent my anger. It's your grandfather's fault. Don't you think so?" As Joseph spoke, he slapped Eason's right arm, and it was dislocated. Eason, "..."

coming with me. He said that you also came from Vowhye, and you were of the same age as him, so he insisted on fighting with you," Terrance, who was looking for a chance to stir up trouble, said. "Terrance, f*cking you," Eason shouted in his heart. He was scared by Terrance's words. Joseph was the Lord of the Dragon Temple. If he fought with Joseph, he really would die. "Hey, you're so boring. I'm asking you one last time. You really don't want to fight with me? How about I suppress my strength at the early stage of the God of War?" Joseph continued to ask Eason with a smile.

"No, Boss. I was wrong. I was really wrong. You are the boss, and you are the boss of the younger generation in the entire Vowhye. No, you are the boss of the younger generation in the whole Frogua..." In order not to be beaten, Eason said all kinds of shameless words to Joseph. Compared with being beaten, it was okay to be shameless. "Well, well, then forget it." Joseph stood up helplessly and shook his head. Well, it was just that he accidentally dislocated Eason's left arm. Well, he really didn't do it on purpose. Eason endured the sharp pain and didn't even dare to fart. He lay on the ground and trembled with fear. He made up his mind that he wouldn't dare to provoke Joseph again. This person was too horrible, too horrible. Joseph was very angry. He originally wanted to beat Eason to vent his anger. After all, Eason was the leading figure of this generation in Vowhye, the peerless talent. Moreover, he was the same age as Eason. Although he was no longer in Vowhye, he had heard of Eason before, so he had always wanted to see Eason, the peerless talent of the younger generation in Vowhye. Unexpectedly, five years later, he would see Eason again. The gap between the two was like heaven and earth. Things had changed, and the world had changed. Since Eason didn't want to fight, then Joseph looked at the man who was watching the show. He smiled and said, "Terrance, I heard that you are also a Semi Titan level. You." But the next moment, before Joseph could finish his words, Terrance's face suddenly turned pale, and then a trace of dark red blood suddenly spilt from the corner of his mouth. His breath dropped sharply, and he said weakly, "Lord Dawson, what did you just say? What, what happened to me? I'm sorry, I was really badly injured two days ago. I just suffered from internal injuries. I'm sorry, I'm sorry." The corner of Joseph's mouth twitched twice, and he stared at Terrance. "Okay, Terrance Lambert, you win!" Then Joseph looked at Wang Tianhai, the God of War of Usmit. But the next moment, Wang Tianhai knelt on the ground with a bang. "Mr.Dawson, I was wrong... Joseph was suddenly speechless, and then he looked at Felix. Felix said with a bitter smile, "Lord, we are on the same side, and I am Alpha 34." Finally, Joseph looked at Yin Zheng, who was standing behind Yin Chaoge. He frowned and said, "Yin Zheng, this time, your Yin family." Yin Zheng knelt on the ground and said sincerely to Joseph, "Mr.Dawson, all the members of the Yin Group are gifts of gratitude to you. Even the Chaoge Group will be your gift." Joseph was speechless. He waved his hand, sighed, and said gloomily, "Forget it! Forget it! Your small family business is useless for me I don't even want to take the Junlin Group, how come I want your Yin Group? You're a person who is experienced in the business field. Five years ago, when I left, you were suppressed by Shangguan Bo. Now five years have passed, and you're still suppressed by Shangguan Bo. You are so useless and do not fight back." "Well, well, Mr. Dawson, you are right. I am useless, and Shangguan Bo is also very strong. He is cunning, and I really want to defeat him, but I really can't do it." Facing the reprimand from Joseph, Yin Zheng quickly nodded.

"Forget it, I'll teach him a lesson some other day. Shangguan Bo, that old bastard, actually took my wife to work in their company. D*mn it, I have to settle this with him..." Joseph said angrily. To be honest, he wanted to find a vent this time. He planned to teach the people of the military of the Frogua who came in a few days a good lesson. Hearing that, Yin Zheng was immediately delighted. Of course, in front of Joseph, he didn't dare to laugh out loud but sniggering. However, he had never expected that Terrance was too insidious. He took everyone to pay a visit. At this moment, whenever Joseph thought of how excited his mother-in-law and father in-law were when they saw Terrance, he would be angry. He was absolutely sure that Terrance did it on purpose. He really wanted to beat Terrance up, but he didn't expect that he would pretend to vomit blood. "D*mn,

this old man is really evil." Well, just when Joseph looked at him, the corners of the mouth of Terrance's mouth split out again. Seeing this, Joseph's gritted his teeth. He looked at Terrance and said, "Mr. Terrance, why are you doing such a thing? You're the First Commander of the Frogua's military. You're even a Deputy Commander outside. Are the people in the Frogua's military all like you? Alright, stop acting. You're already at the Semi Titan level, so why are you still acting here? If you continue acting, do you believe that I'll let you spit out some guts?"

*Er..” The expression on Terrance's face froze. He knew that Joseph had seen through him, so he decided not to act anymore. The corners of his mouth were closed, and his face immediately became ruddy again. The corners of Joseph's mouth twitched, and he was too lazy to pay attention to him. "Huh, of course not. The military of the Frogua is a group of loyal and righteous people. We are all very sincere and never lie," When saying this, Terrance did not feel guilty. Joseph snorted and ignored him. Then, Terrance glanced at the people in the hall and said, "Everyone! What you heard today, what you saw, is secret! Who dares to reveal it! I promise that you will stay in prison for the rest of your life! Before coming here, you have signed a secret document! Please remember it clearly With a click, Joseph lost control of his strength and broke a handle. He thought to himself, "Terrance is indeed well-prepared." At this time, Yin Chaoge finally came to her senses. She looked at Terrance with extremely complicated eyes and said, "Terrance, is he really the president of Junlin Group, the lord of the Dragon Temple? That god-like man? The smile on Terrance's face disappeared. He took a deep breath and looked at Yin Chaoge seriously. "Yes, Miss Yin, please remember that I wasn't joking with you. Lord Dawson hasn't joined the military of the Frogua over the years, but the Dragon Temple he led has helped the Frogua both openly and secretly on the battlefield and even in the entire outer region. Therefore, it's not a big deal to call him the National Warrior of the Frogua. It's not even enough. Also, Miss Yin, please remember clearly that the reason why your Yin family was able to escape this disaster was due to Lord Dawson. Otherwise, your Yin family will definitely be destroyed this time. This is great kindness to you! I hope that Miss Yin won't have the mentality of a little woman to cause trouble for Lord Dawson.

The words Terrance said were extremely serious. Yes, even if the one in front of him was a talented girl. However, compared with Joseph, although Yin Chaoge was important, she was much worse. Joseph at Frogua, he and Sebastian had a lot of confidence to concentrate on doing something big. At this time, Yin Chaoge also took a deep breath and said to Terrance seriously, "Yes, Mr.Lambert, I understand. I will not make trouble for Lord Dawson.

In the distance. Joseph frowned. He took a look at Yin Chaoge and said, "You can do as usual. Don't let my wife suspect me. I can't show all of my identity to her now. I have my difficulties, But I feel that I am going to tell her before the end of the year." Yin Chaoge nodded seriously and said, "Well, okay, Mr. Dawson, but I've always wanted to see you. Well, because I never thought that the legend in Usmit City seven years ago would be the same as the Dragon Temple Lord who is famous in the Outer Region! So Mr. Dawson, can I invite you and Paige to have a meal with me tomorrow night?" Joseph also nodded seriously and said, "Okay." Yin Chaoge nodded and pulled Leng Yijun, who was still sitting on the ground up, but he said with some fear, "Can I, can I stand up?" Joseph smiled and said, "Of course I can. And Miss Leng, I hope that you will keep today's affairs a secret from Paige. You should at least help me hide it from her for a period of time. Because of me, she has been separated from society for five years. Now that she has just

returned to her job, she needs to get used to it. I also plan to hand over Junlin Group to her in a month.” Leng Yijun took a deep breath and suppressed the shock in her heart. She said, “Well, don’t worry. I will, Dawson.” “Well, it’s nothing.” In the end, she still wanted to say something to Joseph, but when she was about to say something, she couldn’t say anything. Her heart was complicated and shocked. She couldn’t imagine what kind of good things Paige had done in her last life. In this life, she could find a man like Joseph.

The group of people, including Terrance, left. When they came, they were still very cheerful. However, when they left, they were all shocked and their faces were pale especially Leng Yijun, Yin Chaoge, and Eason. Well, that unlucky boy Eason, when he left, his arms were still hanging down. He didn’t dare to correct them in front of Joseph. Ten minutes later, Paige and her family ran upstairs. When the group of people saw Joseph, they had a lot to ask in their hearts. But when they really came to Joseph, they found that they couldn’t say a word. Finally, it was Paige who walked up to Joseph and asked nervously, “Honey, you.” Before Paige could finish her words, Joseph interrupted her with a smile. “Don’t worry. From now on, I’m the First Commander of the Frogua’s military. Don’t force me to find a job!” “Well, honey, you’re so handsome,” Paige looked at Joseph with a smile. Joseph also smiled and looked at Paige without saying a word. As the commander of the military already made his wife so happy. He had too many secrets to tell her. Well, perhaps for Paige, what she wanted was enough, really enough. But for Joseph, it was far from enough. As the wife of the Lord of the Dragon Temple, how could she not stand at the peak of this world with him? How could she not see the best scenery in this world?

Chapter 132

Estella and Yahir were also overjoyed. They finally felt relieved. In the past two months they

“Yahir, let’s go shopping. We’ll make a good meal for Joseph at noon today. You and Joseph should have a drink. This is a great joy!” Estella said excitedly. After that, she took Yahir out to buy food “Congratulations, Joseph. I knew you were the best.” Serena was also sincerely happy for Joseph. “This world is still beautiful and there are many good people. People like you finally returned to the military and became the seventh commander of the Frogua. How glorious this is!” Serena’s eyes were also a little wet, “Chloe, come out and play with me,” “Serena brought Chloe away because she felt that there was something wrong with her sister, her mood was fluctuating.

After Serena and Chloe left, Paige couldn’t help but burst into tears. Joseph panicked and hurriedly said, “Paige, what’s wrong with you? Why are you still crying?” Paige wiped away her tears and said, “It’s okay, I’m happy. You can finally go back. I’ve always thought that I am a burden on you. Honey, I’m sorry.” Joseph smiled and said, “It’s okay. It’s all passed. Besides, I’ve been promoted again. Not only did I go back, but I also promoted...”

Paige looked at the man in front of her in great love. This was her husband, the most outstanding man in the world. For some reason, she stood on tiptoe and kissed Joseph's lips directly. "Honey, I want it," said Paige softly in Joseph's ear. She didn't know what was wrong with her. She wasn't like this in the past, but when facing Joseph, she couldn't help it. Especially in the past few days, her mood and emotions were very turbulent. She had been worried about Joseph before, but at this moment she was happy. Therefore, everything eventually melted into love. Uh... Joseph was shocked and said, "This... is not good. It's daytime, and your parents will come back soon."

face turned red. Without further ado, Joseph's heart beat faster. He bent down and picked up Paige. With one hand holding her waist, and the other holding her long legs in black stockings, he rushed into the bedroom in an instant. Well, anyway, this bedroom was soundproof, and Paige locked the door.

After an hour, the Paige, who had put on her clothes again, sat on the bed, lying in the arms of Joseph, and breathed a long sigh of relief. She felt unprecedented satisfaction. In fact, her husband was right beside her, "Honey, you've been so lecherous recently!" Joseph couldn't help but pat on Paige's leg and joked. Paige bit her lips and glared at Joseph charmingly. "Do you not like it? Why don't we sleep in separate beds in the future? You sleep on your own, and I'll sleep on Chloe's side?" "Oh, haha, honey, don't be angry. I'm just saying this, don't take it seriously. I like it, but you can't do this outside. Otherwise, I'll be mad. If there are men talking to you outside, you can't pay attention to them, okay?" Joseph was a little worried about her. There was no other way. After all, she was so beautiful. Paige nodded with a smile and said, "Well, don't worry. With such a good husband, how can I

like the men outside? By the way, don't talk about me. You are so handsome, and now you are the Seventh Commander of the military. I don't know how many beautiful women who want to stay with you will be at the Usmaït. When I am working outside, you are not allowed to flirt with others outside. Paige is lying in the arms of Joseph. She looks up at the man's side face. He is so handsome and powerful. She suddenly feels very worried. Men like Joseph are born to provoke women. Joseph shook his head and said with a smile, "It's impossible. I don't know why, but I have mysophobia. I don't even like women other than you. It's true. "Hmph, who knows if you've said the same thing to other girls? I don't believe you, you only know to speak sweet words." Paige twisted in the arms of Joseph, looking very jealous. Her long hair was scattered on Joseph's legs, and her long legs were on the bedside. Joseph's heart was burning again. Just now, he was a little anxious because he was afraid that someone would come in. "Honey, you're so beautiful. Why don't we do it again?" Joseph swallowed and said to Paige. His eyes had become hot again. "Ah? No, no, Mom and Dad are really coming back soon. They're really coming back soon..." Paige suddenly panicked. She regretted that she shouldn't have flirted with this man just now. She wanted to run away as soon as she spoke, but she was directly dragged back by Joseph. Joseph smiled at Paige in his arms. After about ten minutes, Paige hurriedly ran out of Joseph's room. However, not long after she went out, Estella and Yahir came back with a lot of vegetables and meat. Paige's pretty face was extremely red and embarrassed. "Mom and Dad, you're back. Paige and I are going out to find Chloe. Serena is playing with Chloe," Joseph walked to Paige and put his arms around her shoulders. He said to Estella and Yahir. Estella looked at Paige strangely. She was a little suspicious of what they had done just now, but she didn't say anything. She just smiled and nodded. "Well, okay, you go

down and play with Chloe, but don't be too late. It's almost noon." Joseph nodded and said, and then went out with his arms around the blushing Paige. When they arrived at the corridor, the Paige pinched Joseph's waist. She pouted her lips and said to Joseph shyly, "It's all your fault! You have to come again. Look, Mom saw it again." Joseph smiled and said, "It doesn't matter. You are my wife and I am your husband. How long have we been married? Besides, who asked you to doubt me? If you doubt me again in the future, humph." Looking at Joseph's devil-like expression, Paige was so scared that she shivered and then ran down hurriedly. As she ran down, she felt that her long legs were very sore. It wasn't until lunch that she lowered her head and didn't dare to speak. Estella and Yahir were very happy. Yahir and Joseph began to drink again. Joseph was the seventh commander of the Frogua's military. What a great honour! Yahir was extremely excited, and so was Estella. She kept feeding meat into Joseph's bowl. At this moment, she had made up her mind to take Joseph to her parents' home. Her parents' home was also in Usmait. At that time, the military vehicle of the military would clear a path and hundreds of soldiers of the military would follow them. Then she would have a good reputation. So Estella asked Joseph, "Joseph, when are you going to take up an official post? And it is in Usmait? Or in Vowhye?" Before Joseph could speak, Yahir said, "As for where he will stay in the future, let's talk about it later. However, he definitely needs to go Vowhye. After all, Vowhye is the head of the Frogua's military. This time, Joseph must go to Vowhye to take office. Besides, Joseph's family is in Vowhye, isn't it? I heard you mention it once." Before Yahir could finish his words, Paige's expression changed drastically. She quickly glared at him and said, "Dad! Stop talking!!! If you don't want to drink anymore, go back to sleep!" "Well, what's wrong? Joseph must have to go back to Vowhye." Yahir said with great confusion. Estella saw that Paige was so anxious, and the smile on Joseph's face disappeared. He became extremely gloomy. Estella seemed to think of something and directly kicked on Yahir's foot. She shouted, "Can't you shut your mouth while eating? Don't talk too much!" Then, Estella looked at Joseph and said, "Joseph, Yahir not good at talking. We will not about your things. Don't take it to heart..." Estella used to chat with Paige and knew that Joseph used to be driven out by the family in Vowhye. Besides, Joseph's mother was dead. She died in Vowhye. Joseph lowered his head, and there was sadness and anger in his eyes. Vowhye! It was the place he didn't want to go back to in his life. But could he really hide? As Yahir said, there were some things that he had to go to Vowhye to meet Sebastian. What's more, the biggest regret before his mother died was that she didn't see him get married. But at the moment, he was not only married but also had Chloe. As a son, shouldn't he take Paige and Chloe to Vowhye to worship his mother? "Maybe there are some things that he can't escape from in this life. Besides, there are many things in Vowhye that I haven't dealt with. I didn't want to go back, but I really have to go back," Joseph muttered in his heart.

Then he looked up at Yahir and Estella and said, "Well, Mom and Dad, if I take office, I will choose another place next month. I have to go back to Vowhye. I haven't been to my mother's grave for a long time. What's more, my mother's last wish was to find a wife who is good to

Chloe to go back to worship my mother. The sadness in Joseph's eyes is even more intense. "Honey, Chloe and I have been by your side all this time!" Paige's eyes were filled with complicated emotions as she grasped Joseph's hand tightly. Chloe replied, "Dad." At this time, Yahir finally reacted and quickly apologized to Joseph. He really forgot about it. Vowhye? That was a heartbreaking place for Joseph, the place where everything began.
