

The Rise of Dragon Temple By Wu Xia

Chapter 2

Chapter 2

"Mom said that Dad went to a far place to make money." Chloe had sparkling eyes. "Mom also said that dad lives a tough life. When he makes enough money, he will come back for us..."

In the pigpen, the little girl said to Ava with a smile. Her words were full of innocence, romance, and hope.

"Your father might be dead..."

"No, he's not dead! Mom claims that Dad is powerful... He will definitely come back for me..."

Ava had never seen such a firm yet hopeful look in someone's eyes.

Chloe's eyes were as bright as the stars, which made others feel pity for her.

Despite the risk of being beaten by a group of thugs, Ava secretly gave her some bread and other delicious food.

That night, when Chloe looked up in the sky, she noticed that the stars were gone. Instantly, she burst into tears. After asking, Ava realized that the little girl was worried that her father was gone and would never come back.

As such, Ava's heart ached. Initially, she assumed that Chloe did not understand the ways of the world. However, in reality, the little girl understood everything.

"Chloe, be good. Your father will definitely come back..."

Chloe adorably hugged Ava's muddy calves and muttered to herself, "Actually, I already knew that Mom was lying to me... Dad won't be coming back at all... Mom was taken away. If Dad were to return, he would have done so already..."

Looking at Chloe who was crying while talking, Ava could no longer suppress her emotions.

"You can call your father. Perhaps he will then find out about your mother..."

"Really? Mom said that she was the one who bought Dad's mobile phone, but she had never allowed me to call him... Ava, can I really call Dad?" Chloe uttered Joseph's phone number expectantly.

The line was connected, which proved that her mother did not lie to her.

However, before she could say a few words, she was discovered by the gangsters.

It ended up in such consequences.

Ava was beaten so badly that she almost fainted.

Meanwhile, Chloe knelt on the ground and begged for mercy, but why would the adults listen to her?

"Please don't hit Ava again... Boohoo... I won't do it again."

The strong man glanced at Ava on the ground and pointed at the foul-smelling pigpen. "Do you really want to save her?"

Chloe immediately nodded obediently.

"In that case, then eat up all the pig food! Only then will I let her go, okay?"

Chloe's face turned pale, and she instinctively shook her head.

"I know that she has given you some food in secret. Hurry up, or I'll kill her!"

Upon hearing this threat, Chloe hurriedly strode to the pigsty.

Ava, who was lying on the ground on the verge of death, mumbled, "No... Don't..."

At the pigpen, Chloe reached out her dirty little hand to grab the smelly pig food and said, "Dad will come back... Dad will save me..."

"Your father has passed away long ago." The muscular man added, "He is dead. Do you understand? If your mother doesn't obey us, you will also die!"

"Well... In fact, it's good for you to die. You can accompany your father, can't you?"

"My father is not dead... He will save us and defeat you guys," Chloe shouted emotionally.

The sturdy man did not expect that this little girl would have the guts to slander him. His expression instantly darkened, and he was going to slap her.

Boom!

There was a loud bang.

The gate of the villa collapsed directly, and an armored vehicle rushed in.

Both Chloe and the muscular man looked at the armored vehicle with shock. They saw the murderous military man in armor jump out of the car.

The moment Chloe saw the man, she had a feeling of intimacy that she had never felt before.

She almost subconsciously shouted, "Dad..."

Joseph's body trembled violently after he got off the vehicle.

His gaze fell on the little girl beside the pigsty...

"Chloe?" Joseph felt as if he had been struck by lightning when he saw the little girl squatting by the pigs and holding on to something pungent.

"Dad... I finally meet you... My father is not dead... I miss you so much..."

As Chloe spoke, she suddenly blacked out and her body fell to the ground!

Boom—

With the surge of killing intent, Joseph charged straight at Chloe.

"Who are you? How dare you... Ah..."

With just a punch, the gangster's brains had been smashed out.

Without even batting an eye at the dead man, Joseph picked Chloe up staggeringly.

"Chloe... Chloe... I'm back..."

Chloe was in a coma, yet she seemed to be smiling faintly.

"Ah—" Joseph roared angrily. His voice was like a violent beast, and the corners of his eyes started bleeding.

"Pfft—"

A mouthful of blood gushed out as Joseph's vision went black and he also fainted.

"Mr. Dawson!" Alpha 1 was stunned by what he saw.

"Alpha 7, kill them all! Leave no one alive!"

The killing intent swept like a storm.

“Ah... Don’t kill me...”

“Spare me... We didn’t do this to him...”

It was useless to beg for mercy at this point!

In the blink of an eye, everyone was dead.

Upon seeing Joseph’s arrival, Ava fainted.

Outside the mansion, the powerful warriors, who were full of killing intent, looked at Joseph and Chloe with worry.

Alpha 1 turned around with a cold look in his eyes. Then, he turned on his cell phone and broadcasted to all the members in Dragon Temple, “Mr. Dawson has been injured in a battle. Both he and his daughter are now unconscious. It’s unknown whether they will be able to make it alive.”

“Everyone from the Dragon Temple, head to Frogua immediately!”

As Alpha 1 sent this message, the whole world was in turmoil.

Dragon Temple members from all over the world set out to Frogua.

At night.

In the middle of Frogua, the sky was cold and the clouds seemed extremely depressing.

3,000 experts, who were scattered all over the world, stopped whatever they were doing previously and arranged the fastest route to Frogua.

In Wafresh!

In the endless desert, night had just fallen.

A fearsome voice was heard as a man was running. His destination was the airport 100 kilometers away.

Not only Mr. Dawson was injured, the condition of his daughter was still unknown!

As one of the four masters of the Dragon Temple, this man seemed extremely anxious and angry.

After all, Joseph saved his life in the past. Now that Joseph was in trouble, this man was naturally concerned about him.

This intense killing intent felt almost tangible!

He had to rush over as fast as he could.

Just after he ran for more than five kilometers, a shadow with a similarly intimidating aura appeared and blocked his way.

“Aren’t you the Murderous Master? Why are you in such a hurry? Is it because your boss is dead?”

In an instant, the Murderous Master rushed to him and slashed at him with the sword in his hand!

The figure who blocked him did not expect that this person, who was as strong as him, would choose to fight in such a blatant way.

“Are you out of your mind?” The figure quickly moved away in fear.

“Don’t stop me, or I’ll kill you!” The Murderous Master snorted.

Glancing at the Murderous Master, who had disappeared from his vision at this point, the man immediately took out his mobile phone. “Look into it immediately. There seems to be something wrong with Dragon Temple. Murderous Master acted very strangely.”
