

The Rise of Dragon Temple By Wu Xia

Chapter 5

Chapter 5

The scene in front of him had completely blown his mind!

Who was Felix?

He was the operations commander in charge of military strategy!

However, how could such a highly decorated officer act so respectfully to the young man dressed in black in front of him?

Not only was Toby shocked, but he was also extremely curious.

In fact, he felt as if this situation had escalated way beyond his pay grade.

The matter had indeed escalated. After all, someone as important as Felix came here in person, but only have to behave humbly. One could only imagine how much emphasis the officials of Apren City had placed on this matter.

Drenched in a cold sweat, Toby immediately turned around and shouted, "Let's retreat now!"

He was afraid that if he kept pursuing the matter, he would lose his life!

Both Felix and Joseph did not even glance at Toby and his men.

Kneeling on the ground, Felix started tearing up.

At that moment, he recalled the scene when Joseph saved him and his comrades during a battle in Wafresh.

Joseph led his Dragon Temple team to help Frogua in the war many times in the past. Indeed, it was unforgettable for any active soldier on the battlefield!

Naturally, everyone in Dragon Temple knew that Joseph was originally from Frogua.

Later, Felix withdrew from Dragon Temple, but he still cared very much about the organization. He would hear the exciting news about how Dragon Temple troops had eliminated hostile forces time and time again in other countries.

In fact, Joseph was the most respected person in Felix's life!

Although Joseph was not officially conferred as a war general in Frogua, all the senior government leaders knew that he was a heroic protector of the country.

Although he did not officially join the government, he and many members of the Dragon Temple had contributed a lot to the country in the past few years, so much so that it was indescribable.

Despite his contributions, his daughter was abused here.

How infuriating it was!

Deep down, even Felix wanted to murder the culprit.

At this time, Alpha 1 came over and said to Felix coldly, "How can you bring the police here? Do you intend to arrest Mr. Dawson? Won't you repay Mr. Dawson's kindness toward you in the past?"

"B*stard. We must be blind to save you back then! If you have the courage to arrest Mr. Dawson, I will kill you..."

Shocked, Felix quickly shook his head and explained, "Alpha 1, I'm very sorry about this, but I really didn't bring these people here."

"I've submitted my resignation letter an hour ago. I'd like to request to return to the Dragon Temple team."

Toby was stunned.

What did he hear?

As commander of the military operations in Frogua, Felix chose to resign?

Only because he wanted to return to the Dragon Temple team?

Hearing this, Alpha 1 was also slightly stunned. After all, he did not expect that he had misunderstood Felix earlier.

Joseph glanced at Felix, who was kneeling on the ground at the time, and said, "Alpha 34, thank you for your kindness, but... You don't have to quit your job. Anyway, Frogua won't agree either."

"I have some matters to attend to for the time being. You and Alpha 1 can reminisce about the old days."

After that, he walked out. When Joseph passed by Felix, he gently patted him on the shoulder.

Felix, who was known as a tough man in the military, once again burst into tears.

After all, Joseph addressed him with his code name, signifying that Joseph still recognized him as a member of Dragon Temple.

At least, this proved Joseph still regarded him as a fellow comrade.

“Yes, Mr. Dawson!” The tearful Felix replied in an exceptionally loud voice.

As Joseph got closer, Toby’s legs were trembling, and he could not move at all. It was as if his shoes had been filled with lead.

In fact, Toby had never heard of Dragon Temple, nor was he qualified to get involved with such organizations.

However, even a fool could guess that something was up. After all, Joseph could make Felix kneel and cry with the mention of a code name.

Facing Joseph directly, Toby was incredibly intimidated.

At that moment, he felt as if a deity was walking toward him. Joseph was like a terrifying war god that could destroy the entire world.

With the temperament of an emperor, he was as dazzling as a god!

Until Joseph went far away, Toby subconsciously knelt on the ground. Even his clothes were soaking wet at the time.

This pressure was extremely immense!

His face was pale and his breathing was heavy.

Walking to Felix, Alpha 1 helped him up and greeted, “Long time no see, Felix!”

After saying that, he gave Felix a light punch!

Felix suddenly laughed.

“This is Frogua, your territory. Thus, you’re in charge of these people outside.” Alpha 1 added with a smile, “Joseph’s daughter, Chloe, is fine for the time being, but she is still in a coma. I don’t want them to disturb her sleep.”

Felix nodded excitedly and said as if he were showing his loyalty, “Please trust me!”

Actually, he left out a key detail previously. Before officially issuing his resignation letter, Felix was still the highest-ranked commander there.

Walking toward Toby with a cold face, Felix then ordered, “Withdraw your men immediately. At the same time, I don’t want to be disturbed here. You should stay put at the foot of the mountain! Remember, don’t intervene. In addition, call your boss and ask him to see me within ten minutes. Otherwise, you will bear the consequences!”

Feeling intimidated, Toby shivered. At this point, he finally understood that the incident had already escalated like never before.

The only thing he could do was to alleviate the problem.

As for that mysterious young man, he dared not overthink.

Felix alone was enough to make Apren City upside down. The person who could make Felix kneel might be able to trample the sky!

Without even a single hesitation, Toby immediately called his superior, Samuel Clark.

The moment Toby called, Samuel's furious roar was heard through the phone.

"Toby, f*ck you! How many times have I called you? Why didn't you answer my calls? You didn't attack the people over there, did you? Whether you did or not, just wait for me. Don't make a move. I will be there right away!" Samuel continued yelling, "Also, withdraw all your men!"

This was the first time that Toby heard his superior swearing at him so violently. At the same time, he became even more certain of his previous assumption.

"Samuel, I did not take any action yet. I will withdraw my men immediately..."
