

## The stars are originally a pair - Companionship 2 c15

The white and slender fingers were clutching his black T-shirt, forming a strong visual contrast.

An Xingyue felt night Xiu Chen's eyes kept staring at her hand clutching his shirt, thought he didn't like it, so she let go of her hand, she didn't know why she just did that, it was like a subconscious action.

"I'm sorry, I didn't mean to pull your clothes, it's mainly because you were too focused on your phone just now, I just wanted to remind you."

An Xingyue's voice at this time was different from the usual coldness, and had a few more dainty softness.

Night Xiu Chen watched her hand loosen from his clothes, and when he heard her words of apology, he re-clutched her hand in his heart.

"I do not blame you, just the same table you could do so, let me a little flattered ah, but I prefer your hand here." He said then raised the two held hands to her eyes, while walking towards the food court.

"Don't hold my hand at every turn." The girl who was following behind her muttered, but did not shake it off.

The moon whose mouth is too honest for the body. ( \_\_, \_\_ )

"What do you want to eat? There is hot pot, hot and spicy hot, and all kinds of soup and noodles."

"Want to eat hot pot, can I?"

An Xingyue looked at a hot pot restaurant and looked at Night Xiu Chen with bated breath.

In the past, she could count on one hand the number of times she ate hot pot. Often only by herself, eating hot pot is also very cold.

For An Xingyue's pitiful eye attack, night Xiu Chen could not resist at all, "Let's go."

After saying that, he pulled An Xingyue into a popular hot pot restaurant.

"Delicious, delicious, you try this." An Xingyue's hidden foodie attribute lit up.

Night Xiu Chen looked at the person in front of him eating so happily, originally did not have much appetite he also ate a lot.

In the end, night Xiu Chen was serving the little girl something to eat.

"Night Xiu Chen, I'm done eating, let's go."

The little girl ate some spicy, red lips, tempting, night Xiu Chen used great willpower to hold back not to kiss up. It is estimated that the kiss, this time all done in vain, and may also be listed as a non-corresponding households.

The little girl walked out, night Xiu Chen looked at the time, "now more than nine o'clock, where else do you want to go to play? Is there any access control at home?"

"Home is not prohibited, but I do not play, we go back to that old grandfather that that get things, get it and go." An Xingyue thought about it, although many places have not gone, but the future is long, there is no hurry a moment, and tomorrow there are classes.

"Do you want to come with me? Or do you still want to play here?"

"Together, I'll send you back later." Night Xiu Chen thought about it, originally it was to accompany you to come.

"It's just that I thought you good students, your homes would be gated."

Hearing these words, An Xingyue originally still had light eyes instantly darkened, but a swiftly passed.

"I'm the only one in my house, no one cares." An Xingyue finished and laughed mockingly.

Night Xiu Chen knew that this question had caused her to be unhappy, and could not help but be chagrined.

An Xingyue looked at Night Xiu Chen's chagrined expression and laughed, "Well, this has nothing to do with you, you should quickly accompany me to get something."

"Mm."

"Old grandpa, I'm here, is it done please?" An Xingyue walked into the store and asked.

"Little girl came ah, look, this is what you want, full or not?" With that, he handed two ropes to An Xingyue.

An Xingyue looked at them carefully, touched the carved wood carvings, and was satisfied.

Complimented the old grandfather's craftsmanship, turned around to settle the bill and dragged night Xiu Chen away.

Handed the black rope in his hand to night Xiu Chen, indicating him to take it, "This is for you, I think boys should not like red rope, so let the old grandfather replaced it with a black rope, you see."

"For me?!" Night Xiu Chen reached out to take the black rope and carefully examined it, the rope was beautifully braided, and the words on that wooden carving strung were well carved. If this is not given to him by An Xingyue, it is estimated that this kind of thing he will not even look at, wear bracelets such behavior girls like, he a man wearing this kind of thing, he still want to face?

But this is the girl who likes to send, really is good-looking.

An Xingyue thought about it, the great demon king should not like this kind of things, as if sent to the wrong, he will not receive very reluctantly.

"Night Xiu Chen, if you don't like it, you can return it to me, it's me who didn't ask what you like." An Xingyue looked at him, "I'm the one who forgot, you boys shouldn't like this."

How could the untamed Daimao receive something so feminine?

"You want to go back on what you gave me, how can you ask for it back? And this is engraved with my words, who else do you want to give it to but me?" After saying that, he stretched the rope together with his hand towards An Xingyue, "Here, help me put it on, I'll see the effect."

Tell you with actions, I really like this gift from you.

"You don't have to force yourself, if you don't like it."

"I think it looks good, no reluctance, put it on for me and see." Well, the main thing is that you gave it to me, how can I refuse.

An Xingyue looked at the hand handed over, ten fingers slender, fracture distinct, completely meet the imagination of the hand control.

Help him to wear the rope at the wrist, black hand rope and white skin, the visual impact is a little strong.

"Very nice."

"I also think, what about yours, do not wear? But you already have a bracelet and can't wear it." Night Xiu Chen looked at the bracelet on his wrist, then at the one on An

Xingyue's hand, then at the silver chain on her wrist, and finally his eyes fell on An Xingyue's face.

"I'll remove the bracelet so I can wear it, so you can help me put it on." With that, he removed the silver chain on his wrist.

Seeing the red rope on An Xingyue's wrist and his own black rope, the corner of Night Xiu Chen's mouth hooked, is this considered a couple's bracelet?

The two of them went home from the night market, originally An Xingyue was going to take a car for one person to go, so that they don't have to bother, but Night Xiu Chen didn't agree and had to send her home first, so the driver sent An Xingyue to the entrance of the neighborhood first, and watched her walk in, before Night Xiu Chen let the driver leave.

When she got home, An Xingyue saw the man sitting in the living room, said hello, and went back to her room.

Ready to rest, eyes fell on the wrist wearing a red rope, thinking of the night Xiu Chen who accompanied her for a long time tonight, eyes are warm, perhaps the great devil in addition to high cold, unruly, etc., but also very patient, and very gentle ah.

No no no, young lady, the great devil king is just very gentle to you, patient with you.

Early love ah, if it is him, you can try ah.

Good-looking, good voice, and very good to her. (◡)◡)

If Daimao knew that the young lady had counted him in her heart as the object of early love, she would probably be too happy to sleep, but now even if she didn't know, Daimao is already too happy to find the north.

The young table smiled at me tonight, and gave me a gift. o(∩∩)O

Another step closer to success.
