

Chapter 16

Tina could no longer maintain the smile on her face; she lowered her head and wept.

Toby frowned slightly and expressed dissatisfaction with Rose's behavior. "Grandma, Tina is just being thoughtful, and she's always been concerned about your health. Besides, she is the woman I love. Even if you are angry with me, just take it out on me."

The expression on Rose's face was faint as she did not reply.

Seeing that, Toby took Tina's hand, stood up, and said to Rose, "It's getting late. Rest well, Grandma. We don't want to take up too much of your time."

The two left after being there for less than ten minutes.

After they were gone, Mary walked up to Rose and sighed. "Madam, why did you do that? You didn't have to be angry at Mr. Fuller over some bystander."

The old lady stroked the jade bracelet on her wrist. "The girl of the Gray family is not any ordinary bystander. Don't you see? Toby is going against me for her sake."

Chapter 16

Mary helped her tuck the quilt as she listened tentatively. "How can it be? Mr. Fuller respects you the most."

Rose only smiled and remained silent.

Save for several senior figures on the board of directors of Paradigm Co., others did not know that Sonia had become the largest shareholder, and the fact that she held the decision-making power and had decisively signed a contract with Zane.

Zane was a potential business partner. Although he was not as successful as Toby was now, he was not any worse, and his future was limitless.

With Carl and Charles around her, everything was developing in a good direction.

But what Charles expected had finally happened.

The trending page was full of videos of a blue Audi car crashing into Tina, and the comments below were a series of insidious and sinister scoldings.

Tina became a veritable victim in their comments, and Toby had become the one

who was played by Sonia, his ex-wife.

The topic spread like wildfire, and if it continued, the police would come knocking at their door in no time.

The board of directors in Paradigm Co. quickly called Sonia, saying that this matter had a great impact on the company, and if it was not dealt with as soon as possible, it might affect the company's business prospects.

Charles sneered. "What a group of old foxes. The fact that my baby is the shareholder hasn't been announced at all, so how can it hurt the company's profits? They're all just scaring her and jumping on the chance to crush her."

Carl had been staring at the picture on the hot search, frowning. "Professionals would know that the video was altered. The problem is that there is too much public opinion, and the public's sight is blinded."

Thinking that Toby was so shameless as to upload a fake video, Charles mocked, "Baby, were you blind to have fallen in love with such a black-hearted guy? I think he and that fake b*tch, Tina, are meant to be together. They're both a*sholes anyway."

Sonia stared at the video without any expression and slowly lowered her eyes.

Charles thought that his words had irritated her, so he touched his nose with guilt. "Ahem, ahem... I didn't mean to taunt you. I'm just glad that you opened your eyes early, and we were prepared early by having the real video in hand."

Sonia raised her head and met with Carl's worried expression, whereupon she slightly raised the corners of her lips. "Well, Toby can divorce me for Tina; what else can't he do for her? I'm not surprised."

Charles suddenly became excited. "Anyway, now that we have the real video, should I send it out for clarification right away? So that we can slap them in the face!"

"Wait." Sonia had another plan for this. Raising her eyebrows at Charles, she said, "Tomorrow is the 1st. I heard you said that the Gray family was going to hold a banquet for Tina to celebrate her recovery, right?"

"Yeah. Are you going?"

She smiled. "Not only am I going, I'll also

Chapter 16

be bearing a big gift.”

Charles and Carl seemed to have realized something and smiled at each other.

Meanwhile, at the Fuller Residence, Toby frowned as he stared at the topic that was currently trending.

Standing beside him, Tom was trembling. "President Fuller, I didn't do it. Someone must have leaked it on purpose. Do you need me to get someone to stop it from trending?"

"There's no need for that." Toby pursed his lips as indescribable emotions flashed across his eyes. "The Gray Family must be behind this."

Tom understood what he meant.

The Gray Family must have deliberately leaked the video to suppress Sonia. If President Fuller helped to stop it from trending, the Gray Family would be unhappy. He wouldn't want to offend his future father-in-law because of Sonia.

"Then, this matter—"

"Don't worry about it." Toby turned off his phone, then raised his head and asked, "Has the Ocean's Heart arrived?"

Tom nodded. "It arrived yesterday. As per your order, Miss Gray's name is engraved

on it.”

“Okay. You can leave now.”

Toby lowered his head and massaged his temples, then his eyes skimmed over the red divorce certificate in the trash can, and his head began to hurt even more.

.....

Triforce Enterprise had a good reputation in Seafield. The Gray Family mostly invited upper-class people to the banquet they held for their daughter, so it was only natural that there were opportunities to curry favor with the rich and powerful as well as get to know their daughters.

Titus and his wife wandered through the crowd with smiles on their faces.

He was a refined middle-aged man with a beard, while his wife exuded a chilly demeanor, much like the typical lady of a rich family.

The sound of a piano being played slowly rang out.

The crowd looked over and saw that Tina looked fresh and refined in a green dress,

Chapter 17

and she was sitting elegantly and calmly while playing the piano. Her body seemed to be glowing, attracting everyone's attention.

After the song was finished, Toby walked over from the crowd and took Tina's hand. It wouldn't be an exaggeration to say that they looked like a golden couple.

Titus smiled and said, "Thank you all for taking time out of your busy schedules to attend our banquet. In addition to celebrating Tina's recovery, another major announcement will be made today."

He swept his gaze over the crowd before it finally landed on Toby. "I'd like to announce that Toby Fuller, the president of the Fuller Group, is going to be my son-in-law."

As soon as he finished, there was an uproar from the crowd.

Everyone was aware of Toby's divorce, because the news had spread like wildfire. Now that he was revealed to be the future son-in-law of the Gray family, the crowd recalled the video that was yesterday's trending topic.

They couldn't help but exclaim in awe.

Chapter 17

To be well matched in social status was truly important for a couple.

Toby appeared handsome and brilliant, looking like a perfect and beautiful match with Tina, who was similarly gentle and elegant.

He took out a golden brocade box, opened it, then got down on one knee in front of Tina.

His actions spoke for itself.

Surprised, Tina covered her mouth in disbelief.

At this moment, the man said, "Tina, will you—"

Suddenly, an untimely laugh interrupted Toby.

"I'm sorry I'm late, everyone."

That voice...

As complex emotions flashed across his eyes, Toby twisted his head to take a look.

All dressed up to look charming and enchanting, Sonia appeared, followed by

Charles and Carl.

Everyone was surprised to see her, because all of the people present knew that she was Toby's ex-wife.

The fact that she's showing up at this very moment...

Seeing that her son's happy moment was being interrupted, Jean suddenly stepped forth and pointed at Sonia before snapping, "Who let you in? Get out!"

Charles folded his arms across his chest. "We've come to attend Miss Gray's banquet."

"You—"

Titus stopped Jean from saying anything more, then looked at Sonia.

He was a wily old bird, so naturally, he wouldn't be impulsive, but his smile had considerably faded. "Although I didn't send you an invitation, you're still a guest, so the Gray Family welcomes you."

"She's the one who caused my daughter's car accident?"

The moment Julia laid eyes on Sonia, she experienced a strange feeling, but she couldn't pinpoint what felt strange.

Then, she remembered that this person almost killed Tina.

Julia's face hardened, and she disposed of all courtesy. "Miss Reed, I've not settled the score from six years ago with you, so how dare you show up at my house!"
