Chapter 2071 But Daisy did not feel any of these emotions-all she felt was distress

She felt sorry for the burden that Nollace had to bear and the danger and situation that he had to be in

Daisy also wanted to face them with him, but she could not drag him down.

After a long time, Daisy broke away from Nollace's arms, and her throat was dry  
"Nollace, I should leave now Cameron won't be able to live an explanation to Waylon if he fails to locate

me."

Nollace pecked her forehead, and the hint of tenderness penetrated into her heart

He then let go of her. "Go back then, and don't run around." Daisy nodded, opened the door, and walked out of the corridor Nollace leaned against the wall, raised his head, and took a deep breath, although there was a moment when he just did not want to let her go

Daisy sorted her emotions out and returned to the private room

Cameron was already sitting in the room, eating snacks comfortably "You're back so soon?"

Cameron lowered her voice and explained seriously. "It's just that I hadn't been eating enough when I was a lod!"

Daisie touched her arm, and Cameron pulled away immediately, feeling, extremely startled "Are you trying to tease me?" She lifted her head and grinned. "I noticed that your arms look pretty smooth and tender too."

Cameron got up abruptly. "Okay, I won't stay here and talk nonsense with you. You're straight -up just bullying me."

She pretended to be pissed, turned around, and left

Perhaps Cameron was angry as she did not return after leaving the room. In the end, it was Waylon who came to pick Daisie up

Waylon drove the car and turned his head to glance at Daisie, who looked very absent minded He was not used to her not making a fuss when he was around "Why did you p\*\*s off Cameron?"

She came back to her senses and pouted. "I only made a joke that he doesn't look like a man. I didn't expect him to care about that so much."

Waylon chuckled, "You actually had the guts to say that." Daisie lumed to look at him."Am I the only one who thinks this way?"

However, a man's wrist and shoulders shouldn't look as slender as his Even his neck looks lean, and his hands don't look as big as those of me.' Waylon did not utter a single word, and no one knew what he was thinking about

Daisie knocked on her heel which was still rumming wild "Forget it. Maybe I'm just overlinkung things."

Huchanon thought of the words that Fabio had said to threaten him this morning. If he really did not find out any clue, that was it for him, and the more he thought about it, the more he could not suppress the anger that was burning within him "Collin Peralta, you devious bastard How dare you swap the Parkun Chamber of Commerce's liquor out without permission"

was dumblounded, "What do you mean by swapping the Parkun Chamber of Commerce's liquor out? I'm selling the batch of liquor I purchased!" "Bullshit" Buchanan stood up, picked up an opened but untouched bottle of liquor, and walked up to him "You should've drunk hard liquor before, shouldn't you?" He waved and intoned

‘I want to demolish my clubhouse's reputation, and that's how I'm going to destroy the Southern Clan's reputation After all, we're one of the largest entertainment venues located in the Southern Clan's territory. Mr Puzo told me that as long as I manage to run the Southern Clan's reputation in the industry, he'll direct all his customers from Orato me.

‘The conditions that Mr Puzo offered me were too attractive, so I was carried away by the terms and agreed to them. However, I really didn't expect something so absurd to befall me

‘If Mr. Puzo were to find out about this, this might be the end of me

He suddenly remembered someone “It's Ms. Serrano' it must be the doing of those two bastards!”

Buchanon was slightly startled and frowned “Ms. Serrano, also in Florence Serrano.”

Collin explained anxiously, “The Southern Clan confiscated my batch of goods, but a woman who addressed herself as Ms. Torres told me that Ms Serrano claimed the goods on my behalf I really thought that the goods were mine. It must be Ms Serrano She must be the one who's behind all these shenanigans I've been tricked too’ Buchanon was dubious about his explanation, but he believed Collin would not dare to deceive him in this context, so he asked one of the bodyguards to convey the explanation to Fabio.
