

The Three Little Guardian Angels Chapter 2339

Chapter 2339

“Why can’t get worked up because of her?” Titus looked dissatisfied. “Did you hear what she just said? She doesn’t want to marry into the Goldmanns! Does she even know what she’s talking about? Wayne is an excellent man. Other women can’t even dream about laying their hands on him, and this girl is disgusted when she’s been blessed with an opportunity that other girls would fight each other to the death for?”

“This old man is just nitpicking now’

Cameron crossed her arms. “Since when did I say I’m disgusted by him? Didn’t you think that I’m too weak to support the Goldmanns as its future matriarch? Then I’ll just prove to you that you’re right.”

“You

”

What about me? I’ve never been humiliated to this extent ever since I was born. You make it sound like I’m trying to curry favor with the Goldmanns. If I were to know that I’d run into you here, I wouldn’t have come.”

After saying that, she turned her face away and snorted.

No matter what, I’m the one who’s being wronged here, and I don’t plan to act like nothing’s happened.

Titus took a deep breath and looked back at Waylon. “This is the woman that you’ve found?”

Seeing that Cameron had gotten a little emotional, Waylon could not help but laugh. “Great grandpa, you’re the one who wanted to meet her, so why must you scare her?”

“I scared her?” Titus gnashed his teeth. “I only wanted to find out just how capable she is, but I didn’t expect her to be this arrogant. This woman...” Come to think of it, she does resemble me a little when I was still a young lad back then.’

Waylon smiled. “How should I put this? Cameron is regarded as the overlord of the East Islands, so being a little arrogant is nothing.” Cameron elbowed Waylon and glared at him. “What do you mean by the overlord of the East Islands? Are you mocking me?”

Waylon approached her. “Don’t you look like one now?”

'Even Dad and I don't dare to act so arrogantly when we're in front of Great-grandpa. She's definitely the first in the family.'

"Get out of my way."

"Alright." Waylon stood aside obediently.

Titus was stunned

'What did I just see? This girl actually has the guts to boss Wayne around?'

Titus cleared his throat. "I thought you weren't the same as your father, but you're as useless as your father when your wife is around." Waylon said with a smile, "I learned from you, didn't I?"

Titus was at a loss for words.

Nicholas shook his head and said helplessly, "Father, you don't come back **that often, so don't** make such a huge fuss about things already. The children are all here."

Titus snorted softly, walked to the couch with his hands behind his back, and sat down." Those young ones, all of them, are getting more and more out of control as the days go by. Just look at the spoiled brats that you people have raised."

Nicholas and the others had gotten used to Titus' nitpickiness, so they would, at most, think that he was being stubborn and quarrelsome.

Cameron stepped back and moved to Waylon's side. "What does this old man **want from me?**"

'The first thing that he gives me as soon as I arrive here is such crap?'

Waylon turned his head to look at her and could not help but chuckle. "You'll get used to it soon."

She lowered her voice. "Why must I get used to that? I'll make it clear to you now, you're the one who insisted on dragging me here, so I won't show him any respect if that's how he treats other people. If he dares to step on me again, you'd better be there to voice out for me."

Waylon hooked her finger with his fingertips and got even closer to her. "I'm also afraid

Shouldn't you be the one who covers me?"

Cameron looked at him in surprise. "*Me?* You want me to cover you?"

'Is he actually afraid of that old man?' 1

Waylon squinted and smiled. "When I'm being scolded, you must protect me, alright?"

Cameron took a deep breath. 'I've already offended the old man. What makes him think that I'll be able to protect him?'

"What are the two of you whispering back there?"

Titus' hand that was lifting his teacup stopped mid-air while he glared sharply at them.

Waylon smiled and did not utter a single word.

Cameron bit the bullet and replied bravely, "We are not saying anything."

Titus took a sip of tea, put down the teacup, and looked solemn. "I've lived for decades, and I've never been treated like this by any youngster. They say you're Sunny Southern's daughter. What's your father's phone number?"

Cameron choked on her own words. "Are you telling me that you're going to bring my parents into this?" Titus snorted. "Why can't I call your father?"

Chapter 2340 "No, this is between us, so you better not get my father involved."

'He wants to complain about me to Dad? Over my dead body!'

Nicholas smiled. "Father, why are you making things difficult for the young lady?" "I'm making things hard for her? She's the one who's making things hard for me. She's been embarrassing me like I'm nothing. Does my reputation in the family look like something that can be trampled on?"

Titus looked upset.

Cameron muttered, "My reputation is worth something too."

Titus was shocked when he heard her refute. "Look, she's talking back at me again. Wh at a presumptuous woman. I must talk to her father about her attitude."

Cameron's eyes widened, "You're quite an unreasonable geezer!" Titus nodded. "Yes, I've always been, and I'll always be unreasonable. What do you plan to do about that?"

Cameron took a deep breath and forced a smile. "A truly great person knows when to yield. I'll apologize for what I've done; I'm sorry."

Titus turned his face away arrogantly. "It's too late for you to apologize now."

Cameron was about to say something when Charm, who was lying in Freyja's arms, suddenly burst into tears, interrupting the freezing atmosphere. Colton got up and walked over. "Charm, what's wrong?"

Freyja looked anxious and helpless. "I don't know either."

Maisie asked with a smile, "Could she be hungry?" Freyja replied, "I fed her before we departed here." Maisie stretched out her hands and carried Charm in her arms.

'Her diaper isn't wet, nor is she hungry. It's probably the noise that we're making. We're disturbing her sleep.' Titus uttered at this time, "Bring that little girl here. Why is she crying like this?"

Maisie brought Charm to Titus.

Titus held Charm in his arms, and something amazing happened as Charm, who was crying at the top of her lungs, became quiet instantly.

Nicholas also came over to tease her. "Charm. This girl seems to like you, Father." The old man smirked and claimed ostentatiously, "This girl has taste." Daisie and Nollace arrived in a hurry at this time, and she entered the door with a box of gifts. "Great-grandpa."

Titus raised his head. "Yo, it's Daisie. And you even brought me a gift?"

"Of course, **Nollace and I** bought this for you, hope you'll like it."

Titus opened the **box, took a glance into it, and saw that it was a ceramic tea set. It looked** simple but elegant, and it brought a wide grin onto Titus' face. "Yes, I like it. Thank you."

Daisie breathed a sigh of relief and stared at Nollace.

Nollace chose this tea set. Thank God that Great-grandpa likes it.'

Soon, it was time for dinner.

It was rare for the family to get together for a meal, so Titus was so happy that he naturally forgot about his argument with Cameron.

Titus poured himself a glass of wine. "In a blink of an eye, all three of my great-grandchildren have all grown up, so when will we be having the wedding banquets?"

Daisie and Nollace looked at each other, and she replied with a smile, "Any time will do for Nollace and me."

Nollace fetched her some vegetables and other dishes and added with a smile, "I plan to have one in Bassburgh and another one in Yaramoor."

"Fine by me." Titus nodded and then looked at Waylon and Colton. "How about you two?"

Colton glanced at Freyja. "Freyja will come up with the date after she's completed her university entrance examination. I'll respect her decision." 1

Titus was astounded. "A university program entrance examination? Is she still a student?"

Freyja replied, "No, I'm applying for a postgraduate program."

Titus lifted his gaze and stared at Waylon.

Before Waylon could speak up, Cameron had already responded to the question. "We're not in a hurry for the time being." Titus narrowed his eyes.

"You've obtained your marriage certificate, and you're telling me that you're not in a hurry?"

'Does this girl want to marry Wayne for real?'

Maisie said, "Grandpa, Cam and Wayne are still in the run-in period. Let's leave the date of the wedding banquet to the children to decide."

In the end, Titus did not say anything as if he could not be bothered enough to care.

As for the couple, Waylon did not speak while Cameron lowered her head and ate. The atmosphere between the two felt inexplicably awkward.
