

The Ugly Wife Returns: She's Gone Viral Chapter 26

Chapter 26 She turned her head in shock, and George's fingertips lightly rubbed her flawless skin. He found some makeup on his fingers.

"You covered them?"

Yvonne rolled her eyes gracefully. "You still have the nerve to ask. Do you know that I used a whole jar of concealer?! Otherwise, it wouldn't be enough to cover the bite marks of a certain wolf dog." "Wolf dog?" George naturally knew that she was talking about him. He bowed his head, buried it in her neck and shoulders, and sniffed gently. She had a fascinating scent of perfume on her body. It was irresistible. George admitted that he was somewhat fascinated by that woman. "The wolf-dog will only be bothered with prey it's interested in, leaving a mark and declaring sovereignty."

Yvonne smiled as she heard his words. "Mr. Grieg, did you know that real hunters always appear in the form of prey?"

George bit her earlobe as a warning and sighed. "Be careful not to be eaten by me before you hunt me down."

"It depends on what Mr. Grieg does with me."

Her red lips parted slightly, and each word carried a sort of charm.

George could not help but think about how that arrogant and coquettish little face begged for mercy last night, and he could not help but recall her taste.

"The wolf-dog won't let go even if it bites the prey, even if the prey begs for mercy."

Yvonne raised her arm and hooked his shoulder lightly. "If Mr. Grieg bites me, I'll cry..." George kissed her collarbone, his voice hoarse as he replied, "Huh? You don't know? The more you cry, the harder I'll bite."

"Such a fierce wolf-dog, but I like it very much," Yvonne chuckled as she gently leaned against his shoulder.

However, the cold light that flashed through her eyes quickly dissipated.

Just as Chloe Cooper walked out of the Global Entertainment building gate, the car was already parked in place.

"Ms. Cooper..." When the security guard saw Chloe, he greeted her politely. Unfortunately, Chloe looked like she was in a bad mood and waved her hand like she was swatting flies. "Ms. Cooper, just now... Mr. Grieg has been here..." The security was speaking slowly.

Chloe paused and turned around suddenly. “Mr. Grieg?”

“Yes... I thought he was here to pick you up! I didn’t expect...” “Where is he?” The security guard hesitated and said, “Mr. Grieg... Mr. Grieg, he...” “Say it! Say it!” “Mr. Grieg picked up Yvonne Palmer and left.” Chloe was petrified on the spot, and it was not an exaggeration to say that thunder rolled across the sky. Chloe’s chest was like an erupted volcano. She rushed to the security guard and grabbed his collar, “Who did you say he picked up!?” “Palmer... Ms. Palmer...” “That woman?!” Chloe was incoherent. “That b*tch!!” The agent immediately came over, took her arm, and calmed her down, “Chloe, pay attention to your image... Be careful. There are reporters outside...”

Chloe regained her senses.

Yes. Chloe was a shining star, and she had to pay attention to the burden of idols at all times.

It was ridiculous, but the company reminded her constantly to pay attention to her public image. It was taboo to get angry in public. Even when she learned that the man she loved had picked up another b*tch, she had to keep her composure!

Yvonne Palmer!

That b*tch! That wretched b*tch! Chloe had cursed that woman thousands of times in her heart. She loosened the guard’s collar. The anger on her face faded, and she immediately put on a professional smile. “I’m sorry... I just lost control...” The security guard did not dare to blame her. “Understood. I can understand.” Anne Mutter whispered, “I don’t blame our Chloe for being angry. Mr. Grieg is Chloe’s sweetheart, but he was with another woman. If the public sees it, they’ll start to talk...” The security guard immediately patted his chest. “Don’t worry! I didn’t see anything earlier, so of course, I won’t say anything. Besides ... Ms. Cooper is Mr. Grieg’s sweetheart, isn’t she?”

Chapter 27 Anne smiled with satisfaction. She hooked Chloe’s arm and got into the car.

Chloe asked with a gloomy face, “Where did he take Yvonne?”

Anne took out her phone and retrieved Yvonne’s announcement from the company. “Yvonne will be attending a cocktail party in the evening, so she should be trying on dresses now.”

“At Boujee?” Boujee was the best custom-made apparel studio in the city. If Yvonne wanted to order a dress, she could only go to Boujee. Chloe said, “Let’s go to Boujee.”

Anne replied worriedly, "Well... Mr. Grieg and that woman are both there. Will you be embarrassed if you go and bump into them?"

Chloe responded coldly, "Even if they're not here, I will get the dress. Besides, what are you afraid of?! It's her who should be embarrassed! She seduced my man. She's a scumbag!" Anne said, "I'm afraid of public influence..."

"That's right! I can't wait to let the world know that George Grieg is my man. He's Chloe Cooper's man! Yvonne Palmer, don't even think about it!"

With that said, Chloe pointed forward and said, "Go to Boujee immediately!"

"Yes."

Boujee was a luxury fashion brand favored by superstars and celebrities.

The interior decoration of the store was luxurious, and every piece of furniture was worth millions of dollars.

It was the top fashion coordinate in the city.

When Chloe arrived, she opened the door, and the store manager greeted her in person.

"Ms. Cooper, you're here."

"Is my dress ready?"

The store manager looked very nervous. "The ocean-blue dress is ready. Do you want to try it

on?"

Chloe raised her eyebrows. "Why are you so nervous?" Naturally, Chloe would not ask about George. It looked like she wanted to catch him red handed, which would damage her image as a big star. The store manager beat around the bush and replied, "Nervous? I'm not nervous! Haha! So, Ms. Cooper, come with me to VIP Room Two to try on the dress!"

Chloe smiled. "Why should I go to VIP Room Two? VIP Room One is my exclusive changing room. I'm going there." "Ah... This..."

The store manager showed an embarrassed expression. "VIP Room One is under maintenance. It's undergoing repairs." "Repairs? Why is it being repaired now that I want to try on my dress? What were you doing before this?" "Well..."

There was no way that the manager could say that just half an hour ago, Mr. Grieg brought another woman to try on a dress.

At that time, both of them were in VIP Room One.

Everyone in the capital knew that Mr. Grieg was Ms. Cooper's sweetheart.

It was rumored that the two had a marriage contract, but the marriage news had not been finalized.

However, Mr. Grieg brought another woman to choose a dress, and they had no choice but to turn a blind eye.

Although it was said that Chloe Cooper was George Grieg's fiancée, he was a man, after all. There were many, especially in this lucrative place.

Besides, they did not dare to intervene in matters between the powerful. They would avoid trouble as much as possible.

He could not let the two parties collide in the store.

"Ms. Cooper, we take full responsibility for our poor preparation. I'm very sorry..." Before the store manager could finish, Yvonne's lazy voice came from the direction of VIP Room One. "Mr. Grieg, what do you think of this piece?" The store manager broke out in cold sweat.

Chloe heard the voice and pretended to be surprised. "Is there someone in VIP Room One?" "No, you must've misheard."

Chapter 28 "Manager!" Yvonne pushed open the door and added softly, "Come here." The store manager was on the verge of tears. "Yes, Ms. Palmer..." However, Yvonne did it on purpose. She heard Chloe's voice across the room, and she deliberately attracted her attention.

She predicted that Chloe must have known that she and George were in Boujee.

What she wanted was to meet Chloe. She wanted to make Chloe watch.

Yvonne wanted her to watch how she snatched George Grieg away from her.

Chloe also noticed the provocation in her tone, and her face became ugly.

The store manager wiped his cold sweat. "Ms. Cooper..."

Chloe walked towards VIP Room One.

“Ms. Cooper...”

The store manager immediately stretched out his hand to stop her, but Chloe pushed him away vigorously! Chloe strode forward. “Go away.”

She walked to the door of the VIP Room One and saw that Yvonne had changed into her dress. Yvonne’s arm hooked George’s shoulders with style, and she sat on his lap.

She wore a white evening dress. It was simple, but it had inexhaustible elegance and nobility.

Hearing the footsteps, Yvonne slowly turned her face and looked at the door, pretending to be surprised. “Chloe, why are you here?” “Yvonne Palmer!?”

Chloe glanced out of the corner of her eye and saw George sitting gracefully on the sofa with an indifferent expression on his handsome face. He also looked at the door, but he was not surprised when he saw Chloe. It was as if she was an irrelevant person.

She could not contain the anger in her chest any longer. She stomped toward Yvonne, preparing to slap her.

“Yvonne, you b*tch! You seduced my Georgie!”

Yvonne shrieked and hid in George’s arms.

Seeing that the slap was about to land on her face, the man raised his hand suddenly and grabbed Chloe’s hand.

Chloe was about to cry. “What are you doing? Georgie... You... How are you with this woman!? Didn’t you say that you would accompany me to try on dresses? How can you let her sit on your lap! She... She’s a rotten b*tch. You know how showbiz people are!”

George frowned lightly and did not express his position. However, somewhere between his brows was disgust towards Chloe’s rude behavior. He was indifferent to the drama of her bitterness. Chloe was caught by his gaze, and she took half a step back. Yvonne touched her lips, and an innocent expression appeared on her face. “Chloe, Mr. Grieg promised to be my male companion. He came to accompany me to try on the dress. What’s the matter?” “Why are you sitting on his lap?!” “Oh? I can’t sit on his lap? Mr. Grieg asked me to.”

Yvonne looked at George as she spoke, eyes filled with soft waves, “Mr. Grieg, am I right?”

Chloe almost broke down on the spot. George asked her to sit on his lap?

How could it be!? Besides, when did he promise to be her boyfriend?

He was her man!

Chloe's anger and blood attacked her heart, and she almost could not hold it anymore.

She sobbed, "Georgie, do you know who this woman is? How could you be with such a person?"

Initially, she wanted to publicly accuse Yvonne of being a vixen and a slut who seduced men. However, she did not expect Yvonne to be a better actress than her. Instead, she played an innocent victim.

Yvonne sneered and asked, "Ms. Cooper, such a person, you say? What kind of person am I? Why don't you tell me?"

"Yvonne, I know exactly who you are! You are notoriously promiscuous! There have been scandals between you and major directors, and there have also been sex scandals! Now that you're back in your own country, do you think you can leave your dark history behind?" She was shocked.

Everyone looked at Yvonne in surprise.

"Ah? Really!?"

"I heard about this a long time ago! Yvonne is a notorious b*tch. She sleeps with people everywhere. Otherwise, how could she get so many connections and resources?"

"I heard that a famous director got her pregnant. It's just that they covered it up well! Mr. Grieg shouldn't have a relationship with such a dirty woman!" "It's just tarnishing Mr. Grieg's reputation!"

The Ugly Wife Returns: She's Gone Viral Chapter 29

Chapter 29 George interrupted her with a cold voice. "Chloe." "Georgie..." The man's eyes were indifferent. "Dirty b*tch? Slut?" He raised his eyes as if he was looking at a stranger. "It's hard to imagine those words coming out of your mouth."

Chloe was speechless.

In front of George, she had always been gentle and well-behaved, but she could not hold back earlier.

Chloe was aggrieved as she replied, "Georgie, didn't you promise to accompany me to try on the dresses today? You said that you'd attend the reception with me..."

Yvonne interjected, "Did Mr. Grieg promise you? Mr. Grieg promised me first, Ms. Cooper. First come, first served."

Chloe yelled, "Shut up! You've slept with so many directors and producers. Anyone can be your male companion! You are not allowed to think about my Georgie!"

Yvonne spoke with a resentful expression on her face. "Ms. Cooper, why are you slandering my innocence? I have an innocent relationship with Mr. Grieg. I only asked him to be my male companion, yet you attacked me with false rumors. What are you trying to do?"

Chloe became agitated again. "Innocent? You dare say that you're innocent?! Yvonne, your sex scandals have already caused a stir! I don't care what kind of person you are, but you can't seduce my man!" "Seduce your man? What is seduction? Did I do such a thing? Mr. Grieg and I are innocent!"

Chloe could not bear it any longer. She stood up suddenly and complained, "Innocent? I think it's clear that you want to seduce my Georgie!"

She turned to George. "Georgie, what did I do wrong? Why do you treat me like this!?" Yvonne gently raised George's face and asked quietly, "Mr. Grieg, are the rumors true? Are you her man?"

George naturally heard the threat in her tone. He could even predict that she would definitely retaliate if he dared to embarrass her a little.

She had the means.

However... At one point, he was a little confused. George asked casually, "Your man?" When did he become Chloe Cooper's man? He had promised her based on duty and responsibility. Responsibility for Tommy.

However, what he did gave Chloe a wrong perception, which made her think she had the right to control him. Chloe was shocked. Her Georgie had never been so indifferent to her.

In the past, George would give her what she wanted. He said that he owed her his life and would marry her and give her a wedding. However, the man in front of her... Why did he act like he was possessed by a ghost?

It was that b*tch!

Chloe replied solemnly, "You promised to marry me! We have a marriage contract! You promised me!"

George replied, "I said that I owe you my life, but I paid it back five years ago." Chloe took a half step back in shock.

Yvonne's eyelids twitched fiercely. The man mentioned the incident five years ago. He owed Chloe his life, so he had caused so much damage.

The drama kept progressing.

Yvonne pretended to be surprised. "Mr. Grieg, Ms. Cooper, what are you talking about? I really don't understand!"

Chloe burst into anger and grabbed Yvonne's wrist. "Shut up! You're not allowed to touch Georgie! Go away!"

Yvonne hid in George's arms. The man protected her in his embrace as if it were an instinct.

He seemed a little embarrassed that the woman was being bullied. Even if that person was Chloe Cooper, he could not intimidate her.

The Ugly Wife Returns: She's Gone Viral Chapter 30

Chapter 30 "Georgie!" There was a great uneasiness that lingered in Chloe's mind. She suddenly felt that she could no longer control the man even if she used Tommy against him! Chloe clenched her fists and suddenly exclaimed, "Then, what about Tommy!?"

Yvonne was stunned.

"Tommy is our child!" Even in front of everyone, Chloe did not hold back! Initially, she had fiercely protected Tommy for the sake of her own career. She was a famous star. If it was revealed that she had a child out of wedlock, it would have a significant impact on her career and the reputation of the Cooper family. However, she did not care. George Grieg was worth more than those things! Since the beginning of time, a child was precious to a mother. However, she had lost her mind, and she was blackmailing him with her child! However, only the Cooper family knew that Tommy was not Chloe's biological child.

George was unaware that Chloe was born without the ability to produce eggs, and the doctor asserted that she would not be able to give birth in her life. She was born unqualified to be a mother.

Tommy was Yvette Palmer's child who survived the incident five years ago. Back then, the kidnappers detonated the warehouse. The fire burned Yvette, and the Cooper family found a woman's body near the fire.

The female corpse was beyond recognition , and many parts of her body were burned off by fire, but the two children in her arms were completely unharmed. Chloe knew that the two children belonged to Yvette – the children Yvette protected with her life.

She ruthlessly strangled one of them, and when she was about to strangle the second one, Peggy stopped her.

Peggy said, “Chloe, you’ll never be able to have children in your life, so you might as well treat this child as your own. In the future, the mother will be valued because of the child, and trust me, the Grieg family will value the child.”

Therefore, Chloe kept the child. She sent the child to the Grieg family in the name of a ‘test tube baby’.

At that time, Mr. Grieg was still mourning Yvette’s death. The child gave him great comfort.

Yes, the child belonged to Yvette, but so what? Yvette was already dead. She was dead, and she could not prove anything!

Chloe was kind, and she only strangled one of her children. She thought that the child dying with the mother would make her less lonely on the road to heaven. She had to use the child to force George to give her fame and fortune! She kept the child as her biggest bargaining chip. Her name, status, and George Grieg-she wanted them all! If the child could not give her those things, why did she not strangle him too?

At that point, she had sacrificed too much. Her hands were contaminated with so many lives. She only had one path left to walk, and it was a dark one.

Thinking of that, Chloe knew that there was no turning back.

“Georgie, after so many years, Tommy is now five years old. When are you going to recognize me as his mother? Do you know how long I’ve waited for you? I’ve waited for a full five years!”

Her words undoubtedly set off a thunderstorm.

Everyone was stunned.

“What... Chloe and Mr. Grieg have a child?” “My God! You’re unmarried, yet... You have children?” “The Cooper family... They are finished.”
