With that, he turned and left with Leyla.

So he turned to Arius and said, "Arius, I'll leave the rest to you."

Kurt panicked when he heard this

Bartley barely recognized Kurt when he saw Kurt's swelling and bloody face

Bartley was fierce and ruthless.

"Based on my exhaustive calculations, if this gentleman were to be fully divided by inch and calculated according to the highest price, the total

compensation would be is about fourteen million Five hundred and twenty thousand dollars," said the chief financial officer coldly.

Garry waved his hand in disgust.

"It's quite expensive," said Garry, surprised.
