**Thinking that his grandfather might be back any minute now, Garry calmed down in an instant.**

**He knew what was more important at that moment, so he smiled at Frieda and said, `I'm sorry, Frieda.**

**There's something I have to do later.**

**Maybe some other time.**

**I have to go now. `Oh, okay.` Biting her lip, Frieda could hardly hide her disappointment.**

**She had been turned down not just once but twice.**

**It seemed that Garry just wasn't interested in her at all.**

**Garry quickly drove away and picked up the phone.**

**`Hey, what are you doing? Why did it take you so long to pick up the phone?`**

**Rafael Smith, Garry's father, ask Read full**

**chapter comlents so that you can put them into positions where they can thrive. `In the end, Rafael made up his mind and said, `I think it's about time for you to build your own team.**

**I have arranged a person for you, someone who's from the same school as you.**

**She'll be in touch with you later. ` Upon saying that, Rafael hung up the phone without giving Garry a chance to respond.**

**Garry was at a loss.**

**The person his father arranged for him was someone from his school.**

**Who could that person be? Suddenly, his phone rang again.**

**It was a call from Shelly.**

**Garry was taken aback.**

**Did Rafael arrange for Shelly to work with him? .**
