

The ultimate husband in Chinese chapter 4001-4010

Chapter 4001

“Yes, Sect Master!”

Upon hearing the order, Ji Hongshang responded, and then ordered the surrounding elites of the Five Poison Sects to burst out and come towards Nalan Wushuang.

“You are all the murderers who killed my mother, go to hell.”

Seeing Ji Hongshang and many disciples of the Five Poison Sect erupting, Nalan Wushuang’s delicate face showed no nervousness at all, but instead let out a coquettish cry. , directly meet.

“Don’t be impulsive!”

However, at this moment, Haotian Divine Sovereign who was not far away couldn’t help shouting, and said anxiously at Nalan Wushuang: “Why did you rush out? There are too many opponents, you are not an opponent, Hurry up, I’ll hold them back...”

When he said this, Haotian Divine Sovereign was about to come to help, but he was entangled by the ancient poisonous scorpion and couldn’t get away at all.

Although Nalan Wushuang created Bai Yunfei, which relieved a lot of pressure on the Haotian God, but at the beginning, facing the siege of Bai Yunfei and the ancient poisonous scorpion, the Haotian God consumed a lot of the power of the primordial spirit.

Under such circumstances, Haotian Divine Sovereign alone is more than enough to fight the ancient poisonous scorpion, but if he wants to help Nalan Wushuang, he is helpless.

Hearing this, Nalan Wushuang calmed down, but at this time Ji Hongshang was surrounded by the crowd, and there was no chance to escape.

Bang bang bang...

In the blink of an eye, Nalan Wushuang and Ji Hongshang and the others fought fiercely in mid-air.

In the beginning, Nalan Wushuang was able to deal with it easily, but gradually it became unbearable. Speaking of which, Nalan Wushuang’s strength was much higher than Ji Hongshang, but when he attacked Bai Yunfei just now, he used all his internal strength. .

Under such circumstances, facing the siege of Ji Hongshang and the hundreds of elites of the Five Poison Sect, there was nowhere to parry.

boom!

This chapter is provided by . Visit for daily update.

Finally, Ji Hongshang found an opportunity, attacked from behind, and slapped Nalan Wushuang on the back.

At this moment, Ji Hongshang's delicate face was full of pride and coldness: "This is the end of the sneak attack on the sect master, honestly lead to death!"

"Shut up!"

Nalan Wushuang's face was cold: "You are just a A dog beside Bai Yunfei wants to kill me, it's not that easy!" As the

voice fell, Nalan Wushuang endured the pain, slowly raised his jade hand, and a strong internal force wave was released from around her!

I saw the surrounding air suddenly tore apart, and then, a white phoenix condensed out, whistled and hovered beside Nalan Wushuang! The loud phoenix ming spread throughout the audience!

"Baifeng pervades the sun." The

cold four words came out of Nalan Wushuang's mouth, and then he waved his jade hand.

Bai Feng Guanri is a unique skill of the Xia Yin sect, and only the master can practice it. Half a year ago, Nalan Wushuang successfully understood this trick under the guidance of Nalan Qing, but he never used it. Can't help it.

"Huh!"

In an instant, Bai Feng let out a loud cry and flew directly to Ji Hongshang!

This trick Bai Feng Guanri has reached Ji Hongshang in the blink of an eye! It looks like it's about to hit her!

At this moment, Ji Hongshang's pretty face changed, almost pale. She never thought that Nalan Wushuang would be able to burst out with such terrifying power after being slapped by her.

At this critical moment, Ji Hongshang didn't have time to think about it, she quickly mobilized all her strength, raised her jade hand, and saw a layer of protective film condensing in the air!

“boom!”

Bai Feng slammed hard on the protective film, making a loud noise, and saw that the protective film shattered instantly, Bai Feng also disappeared, and Ji Hongshang groaned and was directly sent flying.

At the same time, the surrounding Five Poison Sect disciples were also shaken back.

Taking advantage of this opportunity, Nalan Wushuang's delicate body flashed, rushed out of the siege, directly thinking about the distant horizon, and at the same time did not forget to turn around and shouted at Haotian Divine Monarch: “You must hold on, I will come back to help you. Yes .”

Hearing this, Haotian Divine Monarch showed a smile, and then continued to fight with the ancient poisonous scorpion.

Swish!

Seeing this situation, Ji Hongshang's delicate face was extremely ugly, and she scolded the surrounding disciples of the Five Poison Sect: “What are you doing, chasing, chase after me, chase to the ends of the earth and catch me too. “

Chapter 4002

“Follow the order!”

In an instant, thousands of elite disciples of the Five Poison Sect responded and chased Nalan Wushuang one by one.

Speaking of which, if it was before, with Nalan Wushuang's strength, these disciples of the Five Poison Sect would not be able to catch up with her, but Nalan Wushuang had just used the unique skill 'Baifeng Guanri', which consumed most of his internal energy, and the flight speed at this time was also too fast. been affected.

At this time, in midair.

Nalan Wushuang bit his lip tightly and flew forward with all his strength. The Ouyang family and the members of the Xia Yin Sect must be anxiously waiting and must rush over to join them.

She thought about it, and after meeting with Wen Chou Chou and everyone, she would kill the Five Poison Sect.

Huhuhu... At this moment, Nalan Wushuang clearly felt that there was a wave of aura behind him. Listening to the movement, it was obvious that many people were chasing after him.

Nalan Wushuang looked back subconsciously. Seeing this, he suddenly became anxious.

He saw that in the mid-air behind him, there were thousands of disciples of the Five Poison Sect, chasing after him.

Seeing this scene, Nalan Wushuang wanted to speed up, but just now, the internal energy was consumed too much, and he was completely powerless.

At this time, the thousands of elites of the Five Poison Sects behind them also discovered Nalan Wushuang, and they were very excited and shouted at the same time.

“Nalan Wushuang, you can’t run away, so just capture it!”

“You want to run away from the Sect Master,”

“Give it up, don’t struggle...” The

angry shouts kept coming, these Five Poison Sect disciples, Everyone is extremely excited, you know, catching Nalan Wushuang is a great achievement. Who doesn’t want to perform well?

In the past, these disciples of the Five Poison Sect did not dare to be arrogant in front of Nalan Wushuang, but now it is different. Nalan Wushuang consumes a lot of internal energy and is not afraid at all.

Huh....

Listening to these shouts, Nalan Wushuang just pretended not to hear it, and flew forward desperately, with a calm expression, but his heart was extremely nervous.

After finally escaped, he must not be caught back, otherwise, he would be in a doomed situation.

However, what made Nalan Wushuang depressed was that the heavens didn’t seem to help her tonight. It was a good day with the moon and stars sparse before, and suddenly there was heavy fog.

Nalan Wushuang was originally unfamiliar with the environment of the Five Poison Sect, and at this time, he was in the thick fog and immediately lost his way.

However, Nalan Wu couldn’t care less and flew forward desperately.

After flying for a few more minutes, Nalan Wushuang was extremely delicate and dripping with sweat. He landed on a mountain peak, rested for a while, and looked at the surrounding environment at the same time.

call!

Seeing this, Nalan Wushuang couldn't help but take a deep breath, and his heart sank to the bottom.

Oops, totally lost now.

I saw that there was a continuous mountain of peaks in front of me, and each peak was towering into the clouds. In addition, the fog was filled at this time, and the road could not be seen at all.

Seeing this situation, Nalan Wushuang just felt dazed.

Wow...

Just at this moment, footsteps came from behind again, and I saw those elite disciples of the Five Poison Sect chasing after them again.

The ghost doesn't go away.

Hearing the footsteps, Nalan Wushuang did not hesitate at all. Seeing that there was a mountain road ahead, he ran directly over.

"Still running?"

"Ma De, this woman can really run..."

"Hurry up, she won't run far."

Seeing this scene, the disciples of the Five Poison Sect were extremely annoyed and shouted one by one. At the same time, speeding up, chasing towards Nalan Wushuang.

Nalan Wushuang had flown all the way before, and was already exhausted. At this time, the mountains were foggy, and he couldn't tell the east, west, north, south, and south, and he was chased by thousands of elites of the Five Poison Sect.

Under such circumstances, Nalan Wushuang panicked and was chased to the top of a cliff.

Oops!

At the moment of reaching the top of the cliff, Nalan Wushuang's delicate body trembled as he looked at the cliff in front of him, and he quickly stopped, his delicate face also showed a bit of despair.

There is no road ahead.

Why it came out like this? Could it be... is this providence? Are you doomed to die here today?

Thinking to himself, Nalan Wu's eyes were full of sadness.

Haha....

At this moment, thousands of disciples of the Five Poison Sect at the back had already gathered around, and seeing the scene in front of them, everyone looked at each other and couldn't help laughing.

Chapter 4003

"You're still running, why aren't you running?"

"Nalan Wushuang, this is God's will, you betrayed the suzerain, and secretly raided, and now you have nowhere to go, you deserve it!"

"That's right, follow us obediently ! Go back and accept the Sect Master's disposal!"

Everyone's mockery came from you and me, and Nalan Wushuang's delicate face was full of grief and unwillingness.

call!

In the next second, Nalan Wushuang bit his lip tightly, looked at the thousands of Poison Sect disciples in front of him, and said coldly: "I betrayed Bai Yunfei? He killed my mother, this hatred is unbearable, I didn't kill it just now. He's blind."

"Want me to go back with you? Unless I die!" As the

voice fell, Nalan Wushuang's delicate body flashed, and he rushed directly into the crowd.

"Encircle her!"

"Yes, let's go together!"

Seeing that Nalan Wushuang dared to act at this time, thousands of disciples of the Five Poison Sect shouted and fought fiercely with Nalan Wushuang.

In the beginning, Nalan Wushuang was able to cope with it easily, but gradually he couldn't stand it anymore.

And the disciples of the Five Poison Sect were all restless. Ma De, it took so long for so many people to deal with a woman, and it was too embarrassing.

"It can't go on like this, let's use poisonous insects!"

Anxious, I don't know who shouted, and then everyone reacted, and they took out a huge spider from their bodies, and then threw them towards Nalan Wushuang.

As you can see, these spiders are the size of fists, dark red all over, and have crescent-shaped patterns on their backs.

This spider is called the blood widow. It is a poison specially raised by the Five Poison Sect. The Five Poison Sect is good at poisoning. Widows are the most sinister of all poisons.

As long as you are bitten by the blood widow, the poison will enter the heart through the blood, and then spread to the whole body.

It can be said that this blood widow is very scary.

Phew...

Seeing this scene, Nalan Wushuang's delicate body trembled, and his heart was extremely angry.

These people from the Five Poison Sect are too despicable. If they can't beat them, they use poisonous insects. These spiders look extremely sinister and must be careful.

Chi Chi...

Just when Nalan Wushuang was muttering secretly, countless blood widows let out a roar, sprayed venom from their mouths, and rushed over quickly.

Seeing this scene, Nalan couldn't wait to think about it, and quickly summoned his long sword and waved it to resist the attack of these blood widows.

Nalan Wushuang, as the head of Xia Yinzong, is very powerful, and his swordsmanship is also excellent. With a long sword, it is difficult for those blood widows to approach, but gradually, under the consumption of internal strength, Nalan Wushuang's speed slows down. .

Pfft...

Finally, a few blood widows found an opportunity and rushed up from behind. One of them jumped onto Nalan Wushuang's back, his fangs bit Nalan Xinran's shoulder at once, and the poison was injected into it.

At that moment, Nalan Xinran only felt a buzzing sound in his head, and the moment went blank, and at the same time, a sense of numbness came.

Oops!

Nalan's heart trembled with joy, knowing that he was poisoned, and he was instantly furious. With a wave of his long sword, he swept away several blood widows from his body, but his delicate body trembled faintly, and he could hardly stand still.

"Haha..."

Seeing this scene, the surrounding disciples of the Five Poison Sect were all extremely excited and shouted one by one.

"Nalan Wushuang, you have been poisoned by the blood widow, and you won't last long!"

"Surrender, don't struggle..."

Hearing this, Nalan Wushuang's delicate face was full of gloom.

"A bunch of bastards, get out of the way!" In the

next second, Nalan Wushuang clenched his teeth and gave a coquettish shout, then used all his strength to send out a palm force, heading towards the crowd.

boom!

This palm hit, only to hear a thunderous roar, and saw Nalan Wushuang's delicate body trembling, and a mouthful of blood spurted out, the palm just now completely exhausted all her inner strength.

However, the surrounding elite disciples of the Five Poison Sect were also shocked by this palm and retreated.

Taking this opportunity, Nalan Wushuang did not hesitate at all, with a glint of determination in his eyes, turned around and jumped off the cliff.

Nalan Wushuang has a strong personality and would rather die than give in.

What?

Seeing this scene, the expressions of these Five Poison Sect disciples changed, and they wanted to rush over to stop them, but it was too late.

Chapter 4004

Soon, everyone reacted, rushing to the cliff one by one, and saw the bottom of the cliff, the fog filled the bottom, where is the figure of Nalan Wushuang?

For a time, these elite disciples of the Five Poison Sect looked at each other, each with a gloomy expression.

“Ma De, this woman has such a strong personality...”

“Yes, she has been poisoned by the blood widow... The credit for her, she actually flew like this!”

“Forget it, so Gao will definitely die if she falls, let’s go back to the sect master!” After the

discussion, everyone quickly returned to the main altar of the Five Poison Sect.

.....

the other side!

Nalan Wushuang landed quickly, landing for more than ten seconds. Suddenly, his body was shocked, and he didn’t know what he fell on. The pain came, and Nalan Wu’s eyes went black and he fainted.

Time passed by minute by minute.

On the half-waist of the cliff, Nalan Wushuang woke up faintly, and the moment he opened his eyes, he felt severe pain all over his body.

I didn’t even die?

Nalan Wushuang endured the severe pain and looked at the environment she was in. She was immediately very fortunate. It turned out that she had smashed into a tree growing on a cliff before, and then hung on it.

However, at the same time, Nalan Wushuang felt extremely sad.

She clearly felt that the blood widow’s poison had invaded her heart, and her whole body was weakened by the poison’s paralysis.

What if you didn’t fall to your death?

In the end, isn't it going to be poisoned?

call...

In despair, Nalan Wushuang took a deep breath and looked down!

I saw that there was a stone platform extending out more than ten meters below. Although it was only a few square meters, it was also a foothold.

Seeing this scene, Nalan Wushuang took a deep breath, even if he was poisoned, he couldn't just sit still, so he might as well jump off the stone platform to see if there was a way out.

Maybe you shouldn't die.

Thinking to himself, Nalan Wushuang didn't move rashly either. He hung on the tree and rested quietly. After a few minutes passed, he felt a little better, and only then did he lightly jump to the stone platform below.

Um?

As soon as he arrived on the platform, Nalan Wushuang suddenly looked happy.

I saw that there was a narrow cave next to the stone platform. The cave was meandering, revealing a cold atmosphere, and I didn't know where to go.

To be honest, Nalan Wushuang didn't really want to go in. After all, this area is still under the control of the Five Poison Sect.

But there is no road ahead, and this stone platform is far from the bottom of the abyss, and I don't know how deep it is.

Nalan Wushuang stood there weighing for a moment, and finally decided to enter the cave to have a look.

This cave is very narrow, and the inside is crooked. Nalan Wushuang played with 12 points of spirit and carefully passed through.

Unconsciously, after walking for nearly ten minutes, Nalan Wushuang saw that a light appeared in front of him. At that time, my heart was overjoyed, and I quickly accelerated my pace.

Phew...

Soon, Nalan Wushuang successfully walked out of the cave and was stunned when he saw the scene in front of him.

I can see that there is a beautiful valley in front of me, a quiet forest in front, the grass next to it is full of exotic flowers and plants, and a stream next to it flows through, the stream is gurgling and crystal clear.

beautiful!

At this moment, Nalan Wushuang stood there in a daze, her delicate body trembled slightly, and the whole person was going to be stupid. Almost forgot about the pain.

This place is so beautiful, it's like a paradise.

I really did not expect that there is such a charming place near the Five Poison Sect.

At this time, Nalan Wushuang did not know that the valley he came to was the Tianxiang Valley where Bai Yunfei imprisoned Su Qingyan. This place is very hidden, and it is difficult for ordinary people to find it. Nalan Wushuang also happened to break in by accident.

To be honest, if Nalan Wushuang hadn't fallen off the cliff and accidentally entered the cave on the platform, he would never have found it.

After being stunned for a few minutes, Nalan Wushuang reacted and walked towards the inside along the stream.

After walking for a while, the surrounding woods disappeared, and there was a meadow in front of me. At the end of the meadow, there was an elegant courtyard.

The courtyard is not big, with only a main house and a side hall, but it is very elegantly deployed, surrounded by wooden fences, and the side hall extends out, and there is a pavilion.

Chapter 4005

At this time, in the gazebo, a slender figure sat quietly.

A long white dress sets off the charming curves, giving people a fresh and unstained beauty, and the facial features are exquisite and beautiful, but there is a lingering sadness between the eyebrows, but this does not affect this woman at all. The temperament, the whole person sits there, like a beautiful painting.

It was Su Qingyan.

Ever since she was trapped here by Bai Yunfei, Su Qingyan has been thinking about how to get out every day, but her dantian has been abolished, and she is no different from ordinary people. Facing the towering mountains on all sides, she is completely helpless.

However, Su Qingyan did not despair, but kept hoping that Yue Feng would find her here.

Su Qingyan?

At this moment, Nalan Wushuang arrived at the gate of the courtyard, saw Su Qingyan's face, and was immediately stunned.

This...isn't this Yue Feng's woman?

Why is she here?

When Nalan Wushuang clashed with Yue Feng for the first time in Donghai City, Su Qingyan was on the side, and Nalan Wushuang knew it naturally. I just never thought that I would encounter it here.

Yue Feng?

Hearing the footsteps, Su Qingyan thought that Yue Feng was coming, but she was stunned when she saw Nalan Wushuang.

is her? Nalan happy?

For a while, the two women were stunned, staring at each other from a distance.

Huh...

Finally, Nalan Wushuang took the lead in reacting, and said to Su Qingyan complicatedly: "Su Qingyan, why are you here? What is this place?"

"This is Tianxiang Valley!" Su Qingyan replied softly.

Tianxiang Valley?

Nalan Wushuang frowned, and immediately thought of something, her delicate face couldn't hide the embarrassment: "That... I had some misunderstandings with Yue Feng before, and I was offended at that time. I'm really sorry, and now I apologize to you. Hearing this, Su Qingyan smiled: "

The past is over, don't take it to heart."

Trapped in Tianxiang Valley for so long, Su Qingyan didn't want to care about the past grievances, just thinking about how leave here.

Seeing Su Qingyan say this, Nalan Wushuang showed a smile and at the same time heaved a sigh of relief.

“Miss Nalan!”

At this time, Su Qingyan thought of something and asked, “How did you get in? Can you take me out?”

When asking these questions, Su Qingyan’s eyes were full of expectations. You must know that Nalan Wushuang is very strong. If she can come in, she must know the way out. It is not a problem to save herself.

Nalan Wushuang took a deep breath: “I fell off the cliff, accidentally found a cave, and then came in.”

So....

Hearing this, Su Qingyan was extremely excited: “That’s great for you.” As he was speaking, he was stunned when he noticed Nalan Wushuang’s state.

I hadn’t noticed it just now, but at this moment, Su Qingyan noticed that Nalan Wushuang’s face was blue, his breath was weak, and he could hardly stand still.

Obviously, there were signs of poisoning at this time.

Realizing this, Su Qingyan still wanted to ask, but Nalan Wushuang couldn’t hold it anymore, his eyes darkened and he fainted.

“Miss Nalan!”

Su Qingyan was taken aback when she saw this scene, she hurried over, helped Nalan Wushuang up, and sent her to the room to take care of her.

Two hours later, Nalan Wushuang woke up faintly, but the situation became more serious. The originally delicate face turned dark blue, and the lips were black.

“Are you awake?”

Seeing Nalan Wushuang awake, Su Qingyan who was sitting beside her quickly stood up.

Nalan Wushuang nodded and said gratefully: “Thank you.” This Su Qingyan is indeed a chivalrous girl, disregarding previous suspicions and taking care of herself.

At this time, seeing her face getting worse and worse, Su Qingyan felt pity and asked, “What’s going on?”

Alas!

Nalan Wushuang sighed and explained his energy in detail.

Hearing this, Su Qingyan's face was extremely complicated.

I really didn't expect that so many things happened during this time, and I didn't expect that Bai Yunfei would be so evil, not only killing Nalan Qing, but also controlling Nalan Wushuang.

"What about you?" Just when Su Qingyan was thinking about it ,

Nalan Wushuang couldn't help but ask, "Why are you trapped here? Also, why is your inner strength gone?"

It hit Su Qingyan's pain.

"I was also deceived by Bai Yunfei." Su Qingyan gave a wry smile, and then told what happened to her.

The ultimate husband in Chinese chapter 4006-4010

Chapter 4006

"Damn."

Knowing the situation, Nalan Wushuang gritted his teeth and couldn't hide his anger: "This Bai Yunfei is really despicable and shameless..."

Just as she was talking, Su Qingyan smiled bitterly and interrupted. Said: "Things have already happened, it's useless to say these things now, by the way, what poison did you get?"

"Blood Widow!"

Blood Widow?

Su Qingyan's body trembled, and her expression became solemn.

As the Sect Master of Wenzong back then, of course Su Qingyan knew about the Blood Widow, which is the most sinister poisonous insect of the Five Poison Sect. It can be said that everyone in the rivers and lakes is talking about it.

The next second, Su Qingyan looked at Nalan Wushuang seriously: "Miss Nalan, do you believe me?"

Nalan Wushuang was stunned for a moment: "What?"

Su Qingyan smiled lightly: "You should have heard of, Yue Feng once learned some medical theory from senior Shennong, and later, Yue Feng passed on some medical skills to me."

"Although I still don't know how to develop the antidote for hemorrhagic widow, there are strange things everywhere in Xianggu today. Hua Yicao, if you believe me, I want to try to develop an antidote."

Su Qingyan's eyes were full of sincerity when she said this.

Speaking of which, she didn't like Nalan Wushuang, but they were all mutilated by Bai Yunfei, and Nalan Wushuang was so miserable, Su Qingyan felt pity and decided to help her.

More importantly, treating Nalan Wushuang is equivalent to saving himself. After all, he still needs to rely on Nalan Wushuang to get out of here.

Great.

This chapter is provided by . Visit [for](#) daily update.

At this moment, Nalan Wushuang showed a smile without hesitation: "You are willing to save me, I am naturally grateful, how can I not believe you?"

With that said, Nalan Wushuang looked at his blue hands, smiled bitterly, and continued: "Anyway, I'm already like this, if I don't want to cure it, I will die. You don't have to worry about anything, even if the antidote fails, I will I don't blame you."

Hu....

Hearing this, Su Qingyan breathed a sigh of relief, showed a smile, signaled Nalan Wushuang to rest, and then walked out of the courtyard to collect the exotic flowers and plants outside.

After a while, Su Qingyan collected dozens of herbs, set up a fire in the room, and started to brew the antidote.

Su Qingyan knew nothing about alchemy, and did not know how to make medicinal pills, but simple cooking was fine. ,

At this moment, looking at Su Qingyan's busy appearance, Nalan Wushuang was lying there, not interrupting by speaking, but watching quietly, deeply moved, and at the same time extremely looking forward to it.

Su Qingyan was once the suzerain of Wenzong and Yue Feng's woman, and Yue Feng's achievements in alchemy had long been famous in the world. As his woman, Su Qingyan would definitely be able to develop an antidote.

Finally... After half an hour, Su Qingyan wiped the sweat on her forehead, and then poured out the brewed antidote. In an instant, an herbal scent filled the room.

Great, it came out so quickly.

Seeing this scene, Nalan Wushuang was inexplicably excited.

Su Qingyan was also extremely relaxed. She came over with the soup and said to Nalan Wushuang: "The herbs I choose are all to restrain toxicity, so there should be no problem, but I don't have full confidence."

"I believe you." Nalan Wushuang smiled, then took the soup and drank it directly.

After drinking the soup, Nalan Wushuang sat cross-legged and began to adjust the strength of his dantian.

Su Qingyan stood quietly by the side, her delicate face full of anticipation.

hiss.

A few minutes later, Nalan Wushuang suddenly frowned, his face was blue, but it was pale, and the cold sweat on his forehead was very painful.

"Miss Nalan!"

Seeing this situation, Su Qingyan was startled, and quickly walked over: "How are you?"

Nalan Wushuang endured the pain and smiled bitterly: "This antidote doesn't seem to work. The poison has not been suppressed, but has become more serious."

As he was speaking, a burst of pain came, and Nalan Wushuang couldn't bear it any longer, curled up there, his delicate body trembled continuously, and his face became more and more blue. .

This...

At this moment, Su Qingyan was completely panicked.

How could this be? The herbs you chose are obviously to restrain the poison, how come they have no use at all, and they have exacerbated the deterioration of the situation?

At the same time of doubt, Su Qingyan couldn't express regret.

He was really too careless and had no attainments in medicine, so he rashly prepared an antidote for Nalan Wushuang.

How is this good?

Chapter 4007

“Uncomfortable!”

At this time, Nalan Wushuang opened his red lips and said weakly: “I’m so uncomfortable... Sister Qingyan, am I going to die?” My own person, I call my sister.

Su Qingyan took a deep breath and gently comforted: “Don’t worry, I will definitely find a way to save you.”

After speaking, Su Qingyan recalled some knowledge of medical skills taught by Yue Feng, and wanted to find a solution from it, however, In the current situation, how could it be so easy to come up with a solution?

Seeing that Su Qingyan was also a little panicked, Nalan Wushuang was completely desperate.

Could it be... that’s God’s will.

Can’t escape death after all?

At this time, Nalan Wushuang felt that his internal organs and internal organs were paralyzed by the poison, and the blood in his body lost its temperature. At the same time, an indescribable pain continued to come.

Under such circumstances, Nalan Wushuang couldn’t bear it at all, and the charming body kept rolling.

With the continuous invasion of the poison, Nalan Wushuang’s eyes finally lost their previous light, and the eyeballs turned dark green, and the delicate face looked extremely hideous.

“You...”

Su Qingyan was taken aback when she saw Nalan Wushuang’s appearance: “What’s wrong with you?”

At this time, Nalan Wushuang’s eyes flashed with a strange green light, as if he had fallen into evil spirits. Same, very weird.

Su Qingyan didn't know that the blood widow's poison had already invaded Nalan Wushuang's sensory nerves. Under such circumstances, Nalan Wushuang gradually lost his mind and was on the verge of going crazy.

Snapped!

At this moment, Nalan Wushuang suddenly sat up and grabbed Su Qingyan's arm.

Nalan Wushuang shot quickly, Su Qingyan had no inner strength, and was no different from ordinary people, and could not dodge at all.

"Miss Nalan, calm down..."

Su Qingyan was very panicked, but she still patiently persuaded: "Don't worry, I will definitely find a way to save you..." Su Qingyan said this, Light smoke is very regretful.

If I had known that this situation would turn into this, I should have been more cautious before letting her drink the medicine in such a hurry.

If only Yue Feng was here, he would definitely know how to crack the blood widow's poison.

"Sister Qingyan..."

Just when Su Qingyan was extremely frightened, she saw Nalan Wushuang speak softly and said weakly: "Don't panic, I don't...will not hurt you....I want to pass on all my inner strength to you."

"My current situation is incurable, I just died like this, I'm not reconciled... You were killed by Bai Yunfei and became an ordinary person, so I put Pass on your inner strength to you, and you can leave..."

When he said this, Nalan Wushuang looked hideous, but his eyes flashed sober.

Yes, Nalan Wushuang is going to pass all her cultivation to Su Qingyan. She knows that she can't do it anymore, and there is no cure. She can only pass all her power to Su Qingyan and let her kill Bai Yunfei for herself. , can be considered dead.

What?

Hearing this, Su Qingyan's tender body trembled, and she stared blankly at Nalan Wushuang, unable to speak for a long time.

She...she wants to pass on all her cultivation to herself?

How can this work?

Thinking of this, Su Qingyan shook her head again and again: "Miss Nalan, don't think about it, you will be fine."

"My situation, I know it myself." Nalan Wushuang smiled bitterly, her eyes twinkling with complexity, said slowly: "Don't be sad, I just want to die in a meaningful way."

"You should know the highly poisonous effect of the blood widow, and I will go into trouble later. At that time, not only will I die, but I may also hurt myself. You, so, will you accept it? Even if my last wish is fulfilled."

Nalan Wushuang's expression was very calm when he said this.

To be honest, she was very unwilling to die like this, but there is no other way to do so.

call!

Su Qingyan took a deep breath, and although she was reluctant, she reluctantly accepted the reality.

It's just that I am still a little puzzled: "Miss Nalan, my dantian has been destroyed, and I can only re-cultivation unless I have the treasures of heaven and earth. It seems unrealistic that you want to pass all the internal power to me..."

"After speaking, Nalan Wushuang laughed, and then interrupted weakly: "Sister Qingyan, you may not know that our Xia Yinzong has a secret technique called 'Reversing the Universe Dafa'. Even if you have never practiced, you can get all the power of the caster..."

Chapter 4008

What?

Hearing these words, Su Qingyan moved slightly, there is such a strange practice in this world?

When she was secretly shocked, Nalan Wushuang was holding Su Qingyan's wrist with one hand, and the other hand was touching the dantian position on Su Qingyan's waist, and began to inject internal force.

In an instant, Su Qingyan's delicate body trembled, only to feel a powerful force pouring in continuously.

"Miss Nalan, don't do this... You must still be saved..." Su Qingyan was very anxious, she couldn't help but stop her, and she wanted to struggle at the same time, but at this time she was no different from ordinary people. Can't break free at all.

“Sister Qingyan!”

Nalan Wushuang said with a wry smile while inputting his power: “I have no hope. After you get my power, you must help Yue Feng and eradicate the scum of Bai Yunfei..”

“And... ..to take Kyushu out of the control of the God’s Domain...”

Buzz...

When he said this, Nalan Wushuang urged the ‘Reversing the Universe Dafa’ to mobilize all his own power. There was no violent internal force surging, and the entire courtyard was shaking violently.

I saw that the power that Nalan Wushuang escaped formed white storms, and the power was amazing.

And this power, like a tide, poured into Su Qingyan’s body.

boom!

Finally, the strength in Nalan Wushuang’s body was completely exhausted, and the whole person was at the point where the oil was exhausted, his face was extremely pale, and his delicate body fell down softly.

However, with a slight smile on his face, he looked at Su Qingyan and said, “Sister Qingyan, what I said just now.... Please!” After the last word fell, Nalan Wushuang slowly closed his eyes.

“Miss Nalan!”

Seeing this scene, Su Qingyan’s heartache was indescribable, she burst into tears, and then walked up to check on Nalan Wushuang’s situation. She didn’t believe that Nalan Wushuang died just like that.

Om...

However, before taking two steps, Su Qingyan’s delicate body trembled, and she clearly sensed that an incomparably violent force was surging in her body.

Su Qingyan had already turned into an ordinary person, but suddenly she was given such a tyrannical power, and naturally she couldn’t bear it. At that time, she groaned, her delicate body fell to the side, and fainted.

After an unknown amount of time, Su Qingyan slowly woke up.

The moment he opened his eyes, he saw Nalan Wushuang lying there, motionless, with a dark blue face and no breath.

“Miss Nalan!”

Su Qingyan collapsed in an instant, shouted tremblingly, and then went over to say that Nalan Wushuang was in her arms, tears streaming down her face.

Speaking of which, she had no friendship with Nalan Wushuang, and even had some misunderstandings, but for some reason, seeing Nalan Wushuang end so miserably at this time, Su Qingyan felt very sad.

Tears fell down, and she didn't know how long she cried. Then Su Qingyan slowly stood up, dug a hole in the back of the courtyard, and buried Nalan Wushuang in it.

After doing this, Su Qingyan sat cross-legged in the pavilion and began to integrate Nalan Wushuang's power.

Buzzing...

Under the fusion, Su Qingyan only felt a pure power, filling the whole body, and the strength continued to rise...

Nalan Wushuang was right, it was urging the 'Reversal of the Universe' Under the premise, Su Qingyan not only regained the primordial spirit, but also successfully integrated all the power of Nalan Wushuang.

call...

At this moment, Su Qingyan slowly opened her eyes, a bit of determination flashed in her eyes, and then her figure rose up and flew out of the valley.

.....

On the other side, on a hillside more than ten kilometers away from the main altar of the Five Poison Sect, Wen Chou Chou, the members of the Ouyang family, and the members of the Xia Yin Sect were quietly guarding here.

At this time, everyone's faces were extremely anxious.

After negotiating with Nalan Wushuang before, she returned to the Five Poison Sect, looking for an opportunity to release Haotian Divine Sovereign, and then came back to join everyone, but after Nalan Wushuang left, several hours had passed, and she still hadn't come back.

Ugh!

At this time, Sun Dasheng finally couldn't wait any longer, and muttered: "After so long, there is no news, will this Nalan Wushuang deliberately set a trap for us?" The

voice fell, and many people from the surrounding Elder Huo and Xia Yinzong, They all frowned secretly, and there was a bit of displeasure in their eyes.

Immediately, Elder Huo couldn't help but said: "Master Sun, what do you mean by this? We are already allies, why do you talk like this?"

At the same time, Wen Chou Chou also blamed Sun Dasheng: "Dasheng, don't mess around. Said that if the head of Nalan hasn't come back for so long, he must be in trouble. After all, that Bai Yunfei is not an ordinary person."

Chapter 4009

Hearing this, Sun Dasheng scratched his head and stopped talking.

"Go!"

At this time, Wen Chou Chou lost his patience, and ordered a disciple of the Hall of Longevity behind him: "Go to the main altar of the Five Poison Sect, check the situation, and remember not to be discovered."

"Yes, Hall Master!" When the voice fell, the disciple responded and took advantage of the night to head towards the main altar of the Five Poison Sect.

Phew...

Seeing that disciple's figure go away, everyone couldn't help but exhale, and everyone felt inexplicably uneasy in their hearts.

For some reason, everyone had a bad feeling at this time.

"Palace Master..."

After half an hour, the disciple came back quickly, panting and sweating profusely.

Wen Chou Chou hurriedly asked, "How is the situation?"

At the same time, the eyes of everyone around were also focused on the disciple, waiting for his answer.

The disciple wiped off his sweat and said excitedly: "Palace Master, good news, I just arrived outside the Five Poison Sect's main altar, and I saw in mid-air that the Haotian Divine Sovereign was fighting with the ancient poisonous scorpion."

“The Five Poison Sects are now completely under martial law. It is said that Bai Yunfei was also seriously injured by Haotian Divine Sovereign.”

Great!

Hearing this news, whether it is Wen Chou Chou, or Sun Dasheng and Ren Yingying, everyone is inexplicably excited.

Elder Huo and the members of the Xia Yin Sect looked at each other in dismay.

Immediately, Elder Huo couldn't help but ask: “Is this the only one? Is there any news about our head?”

This...

The disciple scratched his head and said very embarrassedly: “No, there were many disciples patrolling around the main altar at that time. I didn't dare to stay for a long time, so I came back.”

At this

moment, Elder Huo and the Xia Yin Sect Division Everyone frowned, secretly anxious.

Without the news of the head, could it be that she really had an accident?

“Everyone, don't panic!”

Seeing the expressions of Elder Huo and everyone, Wen Chou Chou smiled slightly and comforted: “Since my disciples didn't see the head of Nalan, it means that she is fine, maybe she is just trapped inside, So I can't meet with us.” The

voice fell, and Ren Yingying also said: “Yeah, don't worry too much.”

Hu...

Elder Huo took a deep breath and said, “If that's the case, then what are we waiting for? Let's rush in together, kill Bai Yunfei, and clear the siege for the Sect Master.” The words

fell, and the surrounding disciples of the Xia Yin Sect responded.

At this time, Sun Dasheng was also inspired to fight, nodded and said: “Yes, since Haotian Divine Sovereign has been released, let's not wait, rush in and kill yourself.”

“Okay!”

Seeing the high spirits of the crowd, Wen Chou Chou was instantly infected, and he shouted with enthusiasm: "Everyone obeys the order and can go to the Five Poison Sect's main altar to rescue the head of Nalan and kill Bai Yunfei!"

"Kill Bai Yunfei!"

"Kill Bai Yunfei!"

In an instant, everyone shouted in unison, then rushed down the hillside, and slaughtered the Five Poison Sect's main altar.

.....

At this moment, the Five Poison Sect's main altar is here.

The fierce battle in mid-air continued.

But at this time, apart from the huge ancient poisonous scorpion, the enemies that Haotian Divine Sovereign faced, there were also a gossip formation formed by several thousand disciples of the Five Poison Sect.

Below, Bai Yunfei sat on a chair and directed the operation of the great formation.

Bai Yunfei is extremely intelligent, talented, and has some accomplishments in the formation technique. It is not a problem to direct everyone to deploy the gossip formation.

In this case, Haotian Divine Sovereign was completely trapped.

"Shenjun Haotian!"

At this time, Bai Yunfei was full of smugness and pride, and shouted at the God of Haotian in mid-air: "Even if Nalan Wushuang helps you unlock the locks of the demons, you will not be able to escape the five poisons. Zong."

"You have seen the current situation, give it up!"

Give up?

Haotian Divine Sovereign was full of contempt, met Bai Yunfei's gaze, and a cold voice spread throughout the audience: "I am dignified Haotian Divine Sovereign, how can I submit to a bastard like you?"

Mad!

Hearing this, Bai Yunfei's face turned hideous, and he shouted at the surrounding disciples of the Five Poison Sect: "Everyone, listen, whoever can knock Haotian Divine Sovereign down from the air will be rewarded heavily."

Whoops!

As soon as the words fell, many disciples of the Five Poison Sect were extremely excited, and they burst out one after another, rushing towards the Haotian Divine Sovereign.

"Hahaha..."

Looking at the disciples of the Five Poison Sect swarming up, Haotian Shenjun had a fearless face and laughed loudly.

"Just relying on these little bastards, you want to take down my Haotian Divine Sovereign? Bai Yunfei, your kid is too naive!" Haotian Divine Sovereign roared and slapped it with a palm.

Chapter 4010

Bang Bang Bang...

This palm hit, the situation changed, at that time hundreds of disciples of the Five Poison Sect couldn't react, and they were directly sent flying. .

However, Haotian Divine Sovereign's aura was not as good as before, and faced with the successive attacks of the disciples of the Five Poison Sect, it was almost impossible to stop him.

When he rushed out of the dungeon before, Haotian Divine Sovereign's Primordial Spirit was not completely recovered, and after that, under the joint attack of Bai Yunfei and the ancient poisonous scorpion, it was consumed a lot.

Despite this, Haotian Divine Sovereign did not flinch in the slightest.

Huh...

Seeing this situation, Bai Yunfei was also anxious, his eyes were blood red, and he kept howling at the disciples of the Five Poison Sect: "Kill, kill me, his Primordial Spirit has been used up a lot, don't be afraid. .." The

voice fell, and all the disciples of the Five Poison Sect present seemed to have been beaten with blood.

Seeing this scene, Haotian Shenjun's face was cold, but his heart was secretly anxious.

If you go on like this, you won't be able to last long.

How to do?

Whoa!

Just when Haotian Divine Sovereign was secretly anxious, suddenly, there was a thunderous howl not far away. Immediately afterwards, hundreds of thousands of figures were seen, rushing in like a tide.

It is Wen Chou Chou, and the Xia Yin clan members.

Swish!

Seeing this scene, both Bai Yunfei and the surrounding disciples of the Five Poison Sect changed their expressions.

“God Haotian, we are here to help you!”

At this time, he rushed to the front, and Wen Chou Chou shouted at Haotian Divine Monarch in mid-air.

Immediately, Wen Chou Chou looked around with murderous aura all over his body: “Everyone obeys the order, and clears the Five Poison Sect and Bai Yunfei, and leaves none of them!” A little mercy.

“Yes!” The

voice fell, and everyone responded in unison, and immediately pulled out their weapons, without the slightest nonsense, and rushed directly into the crowd of disciples of the Five Poison Sect.

“Ah...”

The crowd of Wen Chou Chou came very suddenly, and the disciples of the Five Poison Sect couldn't react at all. They heard screams and screams, and in a blink of an eye, hundreds of them fell into a pool of blood.

“Wen Chou Chou...”

Seeing this scene, Bai Yunfei was so frightened that his face turned pale.

As soon as he said a few words, he was interrupted by Sun Dasheng: “Bai Yunfei, today is the time when you and the Five Poison Sect will be destroyed. Come and accept your fate.” After the words

fell, Sun Dasheng held the open axe and charged directly towards Bai Yunfei.

At the same time, Ren Yingying and Elder Huo also pulled out their weapons and rushed into the enemy group.

“Protect the Sect Master!”

Seeing this scene, dozens of elites from the Five Poison Sect rushed to meet him, intending to stop Dasheng Sun. However, before he got close, he was swept away by Sun Dasheng with an axe.

Oops!

Sun Dasheng was like a ferocious tiger, Bai Yunfei's face changed, and he suddenly panicked. He was seriously injured by Haotian Divine Sovereign before, and he has not recovered yet. At this time, facing Sun Dasheng, who is like a rainbow, he has no strength to fight.

Whoosh!

At this critical moment, a slender figure came quickly and blocked in front of Bai Yunfei.

It was Ji Hongshang!

Seeing Ji Hongshang, Sun Dasheng chuckled, his tone full of contempt: “Ji Hongshang, you are also a member of Kyushu, why do you want to help this devil Bai Yunfei?”

“Stop talking nonsense!” Ji Hongshang's pretty face was cold: “With me here, you can't even think about Sect Master Typhoid Fever.”

“Okay!”

Sun Dasheng nodded, his eyes flashing with a strong killing intent: “Since you are so obsessed, don't blame me, go to hell!” The voice fell and clenched tightly. Holding the opening axe, he rushed forward thinking of Ji Hongshang.

Seeing Sun Dasheng rushing in, Ji Hongshang bit her lip tightly, and did not retreat at all, but her delicate body flashed and directly attacked.

To be honest, Ji Hongshang knew that Sun Dasheng was powerful, but she had no choice. When she recognized Bai Yunfei as the master a few months ago, she tied the entire Five Poison Sect and Bai Yunfei together, and they both prospered and suffered losses.

If Bai Yunfei dies, the Five Poison Sect will also be in a state of doom.

So, you have to fight.

boom!

In a blink of an eye, the figures of Sun Dasheng and Ji Hongshang collided in mid-air, and a violent vibration sounded, and then terrifying internal force fluctuations swept away.

The ultimate husband in Chinese chapter 4011-4015

Chapter 4011

Ji Hongshang and Sun Dasheng both groaned, and both of them were shaken out.

Obviously, neither of the two had the upper hand this time.

What?

However, in the heart of Sun Dasheng, he was extremely shocked. You must know that his current strength has already stood on the top of Kyushu, and he still has an axe in his hand, but this time he fought Ji Hongshang. .

Sun Dasheng didn't know yet that Ji Hongshang was infused with Bai Yunfei's demonic blood. Not only that, but during this period of time, Bai Yunfei's training had been instructed, and his strength was not what it used to be.

Huh...

Seeing this scene, Wen Chou Chou and Ren Ying Ying all looked at Ji Hongshang, secretly surprised.

It's been a long time since I saw this, and this Ji Hongshang has become so powerful.

Shocked, Wen Chou Chou was about to come to help, but was quickly stopped by Sun Dasheng.

"Brother Wen!"

Sun Dasheng took a deep breath and shouted: "I'll deal with Ji Hongshang, you all go to help Haotian God."

After saying that, Sun Dasheng locked Ji Hongshang's eyes tightly: "I really underestimated you just now. , but, today you will definitely die!" After speaking, he urged the figure to rush towards Ji Hongshang again.

"Stop talking big, none of you can leave today." Ji Hongshang bit her lip, not to be outdone.

Immediately, the two figures collided again, and then they fought fiercely in mid-air.

Seeing this situation, Wen Chou Chou did not hesitate, and said to Ren Yingying and others: "Forget about the Great Sage for now, let's help Haotian Divine Monarch to deal with the ancient poisonous scorpion."

This chapter is provided by . Visit for daily update.

Wen Chou Chou's form was calm, and he could see that there was no danger for Sun Dasheng against Ji Hongshang for the time being, so he decided to help Haotian Shenjun to deal with the ancient poisonous scorpion.

After all, the poisonous poison on the ancient poisonous scorpion is too terrifying. If you don't take the opportunity to get rid of it today, the entire Kyushu will never have a peaceful day.

"Okay." When the

voice fell, Ren Yingying and everyone agreed, and immediately urged their inner strength to go towards the ancient poisonous scorpion.

In a blink of an eye, the ancient poisonous scorpion was surrounded by a group, and the pressure on Haotian Divine Sovereign was relieved a lot in an instant. Taking the opportunity to land on the roof of the hall, he sat cross-legged and regained the power of his primordial spirit.

"Ow...Ow..."

Facing the siege of Wen Chou Chou and others, the ancient poisonous scorpion was instantly provoked and let out a howl. At the same time, under the instruction of Bai Yunfei, he swung his long body, thinking directly. Everyone dumped the ancients.

At this moment, Wen Chou Chou and the crowd did not dare to take it hard, so they had to dodge and give way.

Bang bang bang...

Dozens of skills hit the ancient poisonous scorpion, making a roar, and the ancient poisonous scorpion was shaken back several hundred meters, but with its hard carapace, it did not suffer much damage.

However, the ancient poisonous scorpion was still stimulated to roar, snarled, and sprayed out a piece of venom. The venom met the air, and immediately turned into a mist, spreading toward the surroundings.

"Quick!"

Seeing the poisonous fog, Wen Chouchou's face changed greatly, and he quickly shouted: "Hurry up, don't get caught by this poisonous fog." Once you inhale the poisonous fog, you will become a poisonous person.

Hearing the shouting, the surrounding Ren Yingying and Elder Huo quickly spread out towards the surroundings, opened up the distance, and continued the fierce battle with the ancient poisonous scorpion.

Wen Chou Chou, Ren Yingying, and Elder Huo are the top powerhouses in the Kyushu.

But even so, it was still impossible to kill the ancient poisonous scorpion.

“Ow...”

After the poisonous mist was released, the strength of the ancient poisonous scorpion was almost doubled. Under this circumstance, Wen Chou Chou and Ren Yingying were even more exhausted!

In the blink of an eye, half an hour passed, and instead of suppressing the ancient poisonous scorpion, the crowd of Wen Chou Chou was in a hurry by the poisonous fog that pervaded the surroundings.

Mad!

In the face of this situation, Wen Chou Chou's face was calm, but his heart was very anxious.

The defense of this ancient poisonous scorpion is too strong, and it is full of poison. It has not been able to find its weakness for so long, which is a little troublesome.

“Get out of the way!”

Just when Wen Chou Chou was anxious, he heard a loud cry from behind him, and then he saw Haotian Divine Sovereign bursting out. He had been resting for a while on the roof of the hall just now. The power has recovered a lot.

Chapter 4012

“Your Majesty!”

Seeing this scene, Wen Chou Chou was extremely overjoyed, and couldn't help shouting: “Quick, kill the ancient poisonous cockroach!”

At this time, Wen Chou Chou couldn't say how happy he was.

The Haotian Divine Sovereign came very timely. You must know that everyone fought fiercely with the ancient poisonous scorpion for a long time, and they were all exhausted. At the same time, they also consumed a lot of the ancient poisonous scorpion's strength.

It can be said that the ancient poisonous scorpion at this time is the weakest time.

“Don’t worry!”

Hearing this, Haotian Divine Monarch’s eyes flashed with a cold, loud voice, which echoed throughout the Five Poison Sect: “Today, this ancient poisonous scorpion will surely die. You

should step back first.” Tianshenjun stared at the ancient poisonous scorpion, flashing a strong killing intent.

The dignified Haotian Divine Sovereign was actually trapped by Bai Yunfei and the ancient poisonous scorpion. Fortunately, Wen Chou Chou and everyone arrived in time and gave him a chance to breathe. Otherwise, he would have died here today.

At this time, Haotian Divine Sovereign regained the power of the primordial spirit, and the first thing to do is to get rid of the ancient poisonous scorpion as soon as possible, so as to avoid future troubles.

Huh....

Seeing this scene, the surrounding disciples of the Five Poison Sect were all shocked, looking at Divine Sovereign Haotian one by one with fear in their eyes.

“This... This Divine Sovereign of Haotian was surrounded by us for so long before, and has regained his strength so quickly?”

“This strength is too perverted...”

“Divine Sovereign Haotian has regained his strength, now it’s troublesome! “The

discussion continued to come, and Bai Yunfei’s face changed greatly, staring closely at Haotian Divine Sovereign, flashing gloomy and cold.

Mad, this Haotian Divine Sovereign is recovering really fast.

Thinking to himself, Bai Yunfei looked around, his eyes swept over the Wen Chou Chou crowd, flashing gloomy and cold.

I thought that I could teach Haotian Divine Sovereign a good lesson this time. As long as Haotian Divine Sovereign is defeated, the morale of the Divine Realm will definitely drop. After all, Haotian Divine Sovereign is one of the best in the Divine Realm.

Unexpectedly, at the critical moment, Wen Chou Chou and the crowd came, and the situation was thrown into chaos. Not only did it hold back the ancient poisonous scorpion, but it also successfully bought time for Haotian Shenjun to regain his strength.

The more Bai Yunfei thought about it, the more angry he became, looking at Wen Chou Chou and everyone's eyes, full of murderous intent.

The people of the Ouyang family will be wiped out sooner or later.

However, the most important thing in front of us is not to deal with the Ouyang family, but to keep the safety of the ancient poisonous scorpion. At that time, Bai Yunfei did not hesitate at all, and shouted at the disciples of the Five Poison Sect around him: "What are you still doing? Give it to me. Chong, we must not let the ancient poisonous scorpion happen..."

Hula...

Hearing Bai Yunfei's scream, many disciples of the Five Poison Sect rushed forward, ready to intercept the Haotian God.

Speaking of which, Haotian Divine Sovereign's strength is terrifying, how dare these disciples of the Five Poison Sect dare to do it, only facing Bai Yunfei's orders, they dare not disobey, so they have to bite the bullet.

In fact, Bai Yunfei also knew that these disciples of the Five Poison Sect couldn't stop the Haotian Divine Sovereign at all, but if they couldn't stop it, they could also disrupt the rhythm of the Haotian Divine Sovereign and give the ancient poisonous scorpion a chance to breathe.

Yes, in Bai Yunfei's heart, the lives of the disciples of the Five Poison Sect were simply not as important as the ancient poisonous scorpion.

"Block them!"

Seeing this situation, the Wen Chou Chou people who had just retreated to the surrounding area, without the slightest hesitation, rushed towards the disciples of the Five Poison Sect who were rushing in from all directions.

In the blink of an eye, the disciples of the Five Poison Sect who rushed up were blocked by the crowd of Wen Chou Chou.

"Bastard, die!"

Seeing this situation, Haotian Divine Sovereign did not hesitate at all, shouted angrily, and charged directly at the ancient poisonous scorpion.

"Hey...Ow!"

Facing the powerful power of the Haotian Divine Sovereign, the ancient poisonous scorpion was not afraid at all. With a roar, he twisted his huge body to face it, and instantly fought fiercely with the Haotian Divine Sovereign.

Bang bang bang...

In the fierce battle, I saw Haotian Divine Sovereign showing great power, and in just one round, he suppressed the ancient poisonous scorpion.

At the beginning, the ancient poisonous scorpion fought fiercely with Haotian Divine Sovereign for a long time. Later, Wen Chou Chou and others came. Although they did not subdue it, it also consumed a lot of power. At this time, Haotian Divine Sovereign recovered his primordial spirit. The power of the scorpion came back again, and the ancient poisonous scorpion couldn't hold it any longer.

After all, Haotian Divine Sovereign is in the realm of the gods, and his strength is second only to the existence of the Nine Heavens God.

boom!

Soon, ten minutes passed, and the power of Haotian Divine Sovereign's primordial spirit erupted, and a group of golden light flashed up. In an instant, everyone around was almost blinded by this golden light.

Chapter 4013

The same is true for the ancient poisonous scorpion. His eyes were temporarily blinded, so he hurriedly swung his huge body and stepped back subconsciously.

However, how could Divine Sovereign Haotian give it a chance to retreat, his figure flashed, he chased after him, and slapped the head of the ancient poisonous scorpion with a savage palm.

"Wu..."

This palm contains 70% to 80% of the power of the primordial spirit of the Haotian Divine Lord, and it is extremely fierce. When I see the ancient poisonous scorpion whine, its long body curls up, and at the same time, it opens its bloody mouth. Spit out a bead with a burning green flame.

This bead, the size of a fist, is radiant, but the green flame burning all over the body gives people a very strange feeling.

Yes, this is the inner pill of the ancient poisonous scorpion, Tianhuo Pill!

All spirit beasts in the world have inner elixir, and the ancient poisonous scorpion is no exception.

Boom..

After spitting out the inner alchemy, the huge body of the ancient poisonous scorpion quickly fell from the air, directly smashing a huge deep pit out of the ground, and in an instant, dust and smoke were everywhere.

At the moment of landing, the ancient poisonous scorpion let out a mournful cry, then did not move, and died of breathlessness.

This terrifying poisonous insect that has existed for thousands of years has finally come to an end.

Swish!

At this moment, everyone didn't care about the death of the ancient poisonous scorpion. All eyes were locked on the inner alchemy in the mid-air, and they saw that the inner alchemy was floating above the air, as if it had spirituality, floating gently.

The inner alchemy of the ancient poisonous scorpion, this is a rare treasure in a thousand years.

Haotian Divine Sovereign was indifferent, and he didn't even look at the inner alchemy. He was in a detached position in the realm of the gods. What kind of treasures he had never seen before would naturally not put a small inner alchemy in his eyes.

"Thank you all!"

At this time, Haotian Shenjun nodded at Wen Chou Chou and expressed his gratitude, and then his figure flashed, he came to Bai Yunfei, and grabbed him.

Bai Yunfei was attacked by Nalan Wushuang before, and he was too injured to dodge.

"Your Majesty!"

At this moment, Ren Yingying, who was not far away, couldn't help shouting: "Kill him!"
The

voice fell, and everyone else spoke up, each one filled with righteous indignation.

"That's right, he is a descendant of the demon race, and he must not keep it."

"Kill him and eliminate the harm for Kyushu."

Feeling the hatred of everyone and the powerful breath of the Haotian God in front of him, Bai Yunfei's face turned pale. , full of fear.

Haotian Divine Lord looked around and signaled everyone to be quiet: "Everyone, this Bai Yunfei is indeed very sinful, but the real danger is the Demon Lord Gone."

"When I was trapped here before, the Demon Lord left, I have to Find out where he's going."

Hearing this, everyone stopped talking.

Because what Haotian Divine Sovereign said is right, Bai Yunfei is hateful, but the Demon Venerable behind him is the real terrifying existence.

Seeing that everyone was quiet, Haotian Divine Sovereign's eyes fell on Bai Yunfei: "Tell me, where did the Demon Venerable go?"

"Hehe!"

Facing this situation, Bai Yunfei was not so panicked for a moment, and showed a smile: "The devil Your Excellency Zun is gone, how do I know?"

Bai Yunfei is not stupid, since Haotian Shenjun wants to know the whereabouts of Demon Zun from his own mouth, he will not kill himself for the time being.

Swish!

Hearing this, Haotian Shenjun's face became cold, this Bai Yunfei, still dare to speak hard?

In his anger, Haotian Divine Sovereign wanted to kill him immediately, but he held back and said coldly: "You are not proud, if you don't say it, I have a way for you to say it."

Immediately, Haotian Divine Sovereign directed at Wen Chou The ugly people said: "The ancient poisonous scorpion is dead, and Bai

Yunfei has also been caught by me. The overall situation has been decided. You can deal with the rest." disappeared from the public eye.

Mozun disappeared, and the hundreds of thousands of divine soldiers and generals who had followed Haotian Shenjun before also scattered and left. Haotian Shenjun thought about it, first gather the scattered divine soldiers and generals, and then do all they can to track down Mozun Ge. Nirvana's whereabouts.

At this time, Divine Sovereign Haotian didn't know yet that Demon Lord Gone pretended to be him and broke into the realm of the gods.

Oops!

Seeing this scene, both Ji Linglong and the surrounding disciples of the Five Poison Sect were all anxious.

The Sect Master was arrested, the Five Poison Sect lost its protection, and it was at stake.

Anxious, Ji Linglong wanted to catch up, but was afraid of Haotian Divine Sovereign's strength, so he held back. At the same time, there was Sun Dasheng blocking him. Just hold back.

call!

And Wen Chou Chou everyone was relieved.

Chapter 4014 In the

next second, Wen Chou Chou looked around the audience, raised his arms and shouted: "Everyone, the ancient poisonous scorpion has died, and Bai Yunfei has also fallen into the hands of God's Domain. Now what we have to do is to completely destroy the five poisonous sects and eradicate these The scum who colluded with the demons will not be left behind."

"Kill!" The

voice fell, and the surrounding Ouyang family members and the Xia Yin sect members burst into a howl, killing the surrounding disciples of the Five Poison Sect.

Seeing this situation, Ji Hongshang's pretty face changed, and she immediately shouted: "Don't panic, fight back with all your strength, and swear to protect the sect."

"Protect the sect!"

Encouraged by Ji Hongshang, the Five Poison Sect present The disciples, one by one, screamed frantically as if they had been beaten with blood, and fought fiercely with the Xia Yinzong and the Ouyang family.

"Ah..."

For a time, the sound of skill collisions and screams constantly echoed over the Five Poison Sect, and the ground was stained red with blood.

Although these disciples of the Five Poison Sect were all brave and not afraid of death, without Bai Yunfei and the ancient poisonous scorpion, they would not be able to stop the siege of Wen Chou Chou and Xia Yin Sect.

In less than half an hour, the disciples of the Five Poison Sect were damaged. There were 150,000 disciples who originally stayed at the main altar, but now there are less than 50,000 disciples left.

Phew...

Seeing this scene, Ji Hongshang's delicate face was full of despair.

How to do?

Is the Five Poison Sect really going to be destroyed?

I'm so unhappy.

"Ji Hongshang!"

At this moment, a loud shout came, and then several figures came quickly, tightly surrounding Ji Hongshang.

It is the elders of Xia Yinzong, and the leader is the elder Huo. At this time, Elder Huo pointed at Ji Hongshang and shouted angrily: "Where is our head? Tell me, where is she?"

After entering the Five Poison Sect until now, Nalan Wushuang has never been seen. This made Elder Huo very anxious.

Swish!

At the same time, the elders of Feng also locked Ji Hongshang tightly.

"Come on, where is our head."

"If you tell the truth, we will give you a treat."

"Don't play tricks, you won't be able to run today."

Ji Hong shouted angrily from the elders. Chang's delicate face was full of solemnity, and her heart was even more frightened.

These Xia Yinzong people are really deceiving. Before Nalan Wushuang raided the sect master and ran away, but now, her subordinates questioned herself aggressively.

The head of the five poisonous sects, when has he suffered such a useless feeling?

However, Ji Hongshang was the master of a sect, so she quickly calmed down.

“You are in charge?”

At this time, Nalan Wushuang’s eyes turned, while thinking about it, he said coldly: “That Nalan Wushuang acted daringly, blatantly betrayed the sect master, and secretly raided.”

“The sect master was going to attack her on the spot . Kill, unfortunately, Yue Feng appeared at a critical moment and rescued her.”

Finally, Ji Hongshang’s eyes flickered with a hint of cunning, and pointed at the Wen Chou Chou crowd not far away: “If you want to know the whereabouts of Nalan Wushuang, just ask. Yue Feng and Ouyang family members.”

At this time, Nalan Wushuang knew very well that under the joint siege of the Ouyang family and the Xia Yin Sect, it would be difficult to preserve the Five Poison Sect’s main altar.

In this case, Nalan Wushuang deliberately said that Nalan Wushuang was rescued by Yue Feng.

Was rescued by Yue Feng?

Hearing this, Elder Huo was stunned for a moment, and then subconsciously looked at Wen Chou Chou and everyone.

Um?

At the same time, the crowd of Wen Chou Chou not far away were also stunned.

Immediately afterwards, Wen Chou Chou took the lead in reacting and shouted: “Several elders, this Ji Hongshang is completely nonsense, if Feng Zi came back, how could he not contact us?”

“Also, this day, we have been together.”

Yes.

Hearing this, Elder Huo suddenly recovered.

Since this day, Xia Yinzong has been with the Ouyang family all the time. If Yue Feng comes back, it is impossible for him not to know.

When they understood, Elder Huo turned around and continued to question Ji Hongshang.

However it was too late.

Huh...

Just as Elder Huo turned around a few times, he saw Ji Hongshang quickly take out a bottle of purple pollen from her body.

Chapter 4015 In the

next second, Ji Hongshang quickly unscrewed the bottle and raised her jade hand. Immediately, the pollen formed a purple cloud, directly covering the elders of fire.

It is Ziyang pollen.

The violet flower is a rare flower unique to the general altar of the Five Poison Sect. The pollen contains a strong fire poison. This fire poison is very strange.

Huhuhu...

Ji Hongshang's speed was too fast, Elder Huo couldn't even react, and they were covered with pollen. Then, the pollen came into contact with the air and burned instantly, forming a purple flame.

"Ah..."

In an instant, I heard a scream from the elders of the fire, and without exception, they were all burned by the purple flame, and even the elders of the wind had their eyes burned.

Under the screams, Elder Huo fell one after another, covering their faces and rolling on the ground in pain.

Mad!

Seeing this scene, Wen Chou Chou and everyone were furious.

This Ji Hongshang is really insidious, and she made such a ruthless move.

"Elder Huo..."

At the same time, the surrounding Xia Yin Sect disciples also exclaimed, and then wanted to surround themselves, but seeing the purple flames that were still burning, they were all inexplicably horrified, and they didn't dare to dare. One step closer.

Whoosh!

Taking advantage of the opportunity, Ji Hongshang's delicate body flashed, and she rose up, directly grabbing the poisonous cockroach Neidan floating in the air in her hand.

Yes, when Ji Hongshang diverted the attention of Elder Huo and the others, he also wanted to get the inner core of the ancient poisonous scorpion. Speaking of which, the inner alchemy of the ancient poisonous scorpion is extremely poisonous, and it is difficult for others to integrate the power inside. , but to Ji Hongshang, it is a priceless treasure.

After all, what Ji Hongshang cultivates are all poisonous exercises. Once the power of the ancient poisonous scorpion inner pill is integrated, the strength will be raised to a whole new level.

The moment she got the inner pill, Ji Hongshang didn't have time to get excited, but shouted at the disciples of the Five Poison Sects below: "Don't be in love... break through..." The

voice fell, Ji Hongshang urged her figure to move towards Fly away.

Swish...

At this moment, the disciples of the Five Poison Sect, who were still struggling, took out some bottles and jars from their bodies, and the bottles and jars were filled with all kinds of poisonous insects.

After joining the Five Poison Sect, one must always be in the company of poisonous insects, so each disciple of the Five Poison Sect often carries some poisonous insects with them.

In the next second, the disciples of the Five Poison Sect scattered the poisonous insects one after another. These poisonous insects gathered together, and there were tens of thousands of them.

It can be seen that among these poisonous insects, there are blood-red centipedes, and green scorpions...hs

...

Seeing this scene, everyone in the Ouyang family, as well as the members of the Xia Yin clan, couldn't help but gasp. .

"Hurry up!"

Wen Chou Chou shouted loudly without thinking too much.

Hearing this, everyone scattered to avoid being hurt by these poisonous insects.

Taking advantage of this opportunity, many disciples of the Five Poison Sect rushed out of the siege and fled towards the distance

...

the other side. Holy area.

In the Yuyao Xianyuan, it has been a day since the Demon Lord Gone broke into the wedding, but the entire Xianyuan is still dead.

I saw that in the fairy garden, the Nine Heavens God and Empress Hua Zhao were sitting on the throne with pale faces.

In the seats below, many guests were also sitting there, slumped.

I have to say that the poisonous Tianluosan used by Demon Venerable is too overbearing. One day has passed by now, and the poison in the bodies of the Nine Heavens God and many guests has not yet dissipated.

And Yue Feng on the wedding stage was even more anxious.

Mad!

Luo San was so terrifying today.

Just like the surrounding guests, Yue Feng Yuanshen was suppressed to the death during this day and could not be activated at all. Not only that, but the power of Bird Ancestor was also sealed.

Whoa!

At this moment, a team of patrolling soldiers came quickly.

These patrolling soldiers are responsible for inspecting the situation of the entire Divine Realm. They change their shifts once a day. Just now, this team of patrolling soldiers was about to return to the Yutian Palace to change their shifts, but found that there was no one in the Yutian Palace.

Under the doubts, these patrolling soldiers hurried to Yuyao Xianyuan to check the situation, because the Nine Heavens God was not in Yutian Palace, but rested in Yuyao Xianyuan.

This....

when they got to the front, seeing the scene in front of them, these patrolling soldiers were all stunned.

The ultimate husband in Chinese chapter 4016-4020

Chapter 4016

saw that the Nine Heavens God and the surrounding guests were all sitting there paralyzed, their faces pale, obviously suffering from highly poisonous symptoms. Not only that, but on the wedding stage, there was only the concubine Yuefeng, and the princess was nowhere to be seen.

Pfft!

After being stunned for a few seconds, the patrol leader at the head quickly knelt down, and said to Jiutian God in panic: "Your Majesty, this..."

Before he could finish speaking, Jiutian God interrupted anxiously: "Hurry up, go through the portal, go to Kyushu, and tell Haotian Divine Sovereign to come back."

When he said this, Jiutian God's face was weak, but his tone was unquestionable.

Dongling was taken away by Demon Venerable, and he must find a way to bring her back, but at this moment, all the subordinates in God's Domain have been hit by

Tianluosan, and he can't count on them at all. The only hope is all on Haotian God.

You must know that when Haotian Divine Lord went to Jiuzhou before, he took away hundreds of thousands of divine soldiers and generals, who were the main force of Jiutian God.

"Yes, Your Majesty!" The

voice fell, and the patrol captain didn't dare to neglect, he answered and walked out of Xianyuan quickly.

call!

Seeing this scene, Yue Feng couldn't help taking a deep breath, looking at Jiutian God's eyes with a bit of complexity.

Is God confused these nine days? Before Mozun could pretend to be the God of Haotian and break into the wedding, it proved that something had happened to the God of Haotian.

Under such circumstances, the Nine Heavens God also counted on the God of Haotian to turn the situation around, which is simply a nonsense.

Thinking to himself, Yue Feng closed his eyes and tried again to activate the power of his primordial spirit.

This chapter is provided by . Visit for daily update.

“His Majesty!”

After a while, the patrol leader ran back quickly, sweating profusely, and said in panic: “No, don’t go!”

Jiutian Shen frowned, and had a bad premonition: “What are you panicking? I didn’t let you pass the teleportation. Did the door go to Kyushu? Why did you come back? What happened?”

The patrol captain wiped his cold sweat and stammered: “Your Majesty, all the portals have been destroyed.”

What?

Hearing this, whether it was the Nine Heavens God or the guests around, they were all shocked.

Obviously, it was the Demon Lord Gone who destroyed the portal. The purpose is to disconnect God’s Domain from Kyushu.

Yue Feng was even more shocked and wanted to cry without tears.

Nima, all the portals have been destroyed, can’t I go back too?

For a while, the entire Xianyuan was silent, and a needle could be heard clearly.

“Everyone, don’t panic!”

After more than ten seconds, the God of Nine Heavens looked around and said slowly: “The duration of Tianluosan is no more than twelve hours. Now one day has passed, and the poison will be resolved soon. That’s it.”

Hearing this, both Yue Feng and the surrounding guests quickly held their breaths and tried to mobilize their primordial spirits.

Huhuhu....

After half an hour, I saw that the face of Jiutian God returned to normal. At the same time, the poisonous Tianluosan in everyone present disappeared completely.

At this moment, Yue Feng also felt that the weakness in his body disappeared.

“Bai Yuexingjun!” At this moment, Jiutian God looked around and shouted.

The voice fell, and a figure in the crowd came out and respectfully said to the Nine Heavens God: “This minister is here!”

It was Bai Yuexingjun.

Bai Yuexingjun is good at organ formation and is very appreciated by the Nine Heavens God.

“I ordered you to rebuild the portal immediately.” Jiutian God did not talk nonsense, and ordered: “How long will it take the fastest.” If the hundreds of thousands of divine soldiers and generals of Haotian Divine Sovereign cannot come back, the combat effectiveness of Divine Realm will be greatly weakened. Therefore, the portal must be fixed.

Bai Yuexingjun pondered for a while, then responded: “Avoid, it will take three hours at the earliest.”

Three hours?

Jiutian God frowned, stopped talking nonsense, waved his hand: “You hurry up, hurry up and hurry up.”

“Yes!” Bai Yuexingjun responded and left quickly.

call!

Seeing Bai Yuexingjun leave, Madam Hua Zhao, who was sitting beside her, frowned slightly, as if she couldn't understand, and said softly: “Strange, that Demon Lord Gone, after using Tianluosan to poison us, how good was it then? Chances are, but he didn't do it...”

“And now, he has destroyed all the portals in God's Domain. What he...does is really unpredictable...”

Chapter 4017

Yes!

Hearing this, many priests and guests around them also gave their opinions.

“Niangniang's words are not unreasonable. It is really intriguing for the Demon Venerable to do this.”

“Yeah, when I used Tianluosan to fascinate us before, he was completely capable of doing it, but he didn’t, just took Dongling away. Princess...”

“Could it be... what is the bigger conspiracy of Demon Venerable?”

Even Yue Feng frowned secretly.

Everyone’s suspicions are not unreasonable, what is the devil going to do?

The surrounding discussions kept coming, and the Nine Heavens God also fell silent, thinking silently about something.

“Mountain Sealing Mountain?” A

few seconds later, Jiutian God suddenly thought of something, his eyes flashed, and he almost blurted out: “Oops, Demon Lord Gone, he must have gone to Sealing Demon Mountain.” Sealing Mountain is the place where the demons

were buried . place of bones.

Tens of thousands of years ago, a fierce battle broke out between the gods and demons. At that time, the gods relied on their powerful strength to suppress the demons to death, and finally drove them to a mountain range on the border of the gods.

That battle was very tragic. Hundreds of thousands of demon tribes were defeated by demon souls and fell into a pool of blood. Demon Lord Gone was also physically destroyed, leaving only a trace of remnants and fled into the nine heavens.

Later, when God’s Domain cleaned up the battlefield, they buried hundreds of thousands of demon bones at the foot of the mountain, and called that mountain range, called the Sealing Demon Mountain, and deployed a powerful barrier around it.

For the next tens of thousands of years, the Demon Sealing Mountain has always been a forbidden place in the God’s Domain, because the evil spirits and grievances there are too heavy.

Demon Venerable went to Seal Demon Mountain?

At this moment, when they heard Jiutian God’s words, the whole audience was stunned.

Empress Hua Zhao frowned, she was very puzzled: “Your Majesty, what is the Demon Venerable going to do at Fengmo Mountain?”

Shuh!

The voice fell, and the eyes around him were also looking closely at the Nine Heavens God, waiting for his explanation.

Nine Heavens God took a deep breath and said solemnly: "In the war between gods and demons, although hundreds of thousands of demons were wiped out, their bones are still there."

"It stands to reason that those bones have been buried for tens of thousands of years, it is impossible It will be resurrected, but I have heard Master say that the blood of Demon Lord Gone has the ability to bring back the dead."

What?

Hearing this, the audience was dead silent, whether it was Yue Feng, or those priests and guests, they were all stunned.

Can the Demon Lord Gone resurrect the Demon Tribe who have been dead for tens of thousands of years?

It's... unbelievable.

At this moment, the God of Nine Heavens looked around and continued: "The Demon Lord Gone has just reshaped his body in Kyushu, and his strength has not yet returned to its peak state, so even if he used Tianluosan to fascinate us before, he did not Enough strength to completely kill me. There is no way to completely destroy this place."

"So, he took Dongling to inflict trauma on my soul, and then he destroyed all the portals in the God's Domain, that is, Prevent Kyushu from sending support."

Speaking of this, Jiutian God looked extremely solemn: "It will take a few hours for us to repair the portal, and in these hours, Demon Lord Gone has enough time to seal the Demon Mountain. When he resurrects the hundreds of thousands of demon tribesmen, the entire Divine Realm will enter a state of doom."

Phew...

At this moment, both Yue Feng and the surrounding priests couldn't help but take a deep breath.

If that's the case, it's terrifying.

After all, there are hundreds of thousands of demon tribes buried under the Demon Sealing Mountain. This burst of power is enough to destroy the entire God Realm.

"My dear gentlemen..."

At this time, the Nine Heavens God said again: "It is not too late, we must stop the Demon Venerable. Who among you is willing to take the lead and go to the Demon Sealing Mountain to find out

?

" Then, the priests and guests present looked at each other in dismay, and no one dared to stand up.

The atmosphere was also extremely depressing.

They are not stupid. This time they have to face, but the Demon Lord Gone, even the God of Nine Heavens is not an opponent. Who dares to take risks on the Demon Sealing Mountain? If I really met the Demon Lord Gone, it was a dead end.

Seeing that no one stood up, Jiutian God's face was extremely ugly, and he was very unhappy: "What? Usually, everyone is rushing to give allegiance to me. At a critical moment, no one dares to stand up?"

Feeling the wrath of Jiutian God, Numerous priests and guests were extremely apprehensive.

"Your Majesty!"

Finally, a figure slowly walked out, it was Xingri Xingri.

Chapter 4018

When he arrived at the front, the star of the sun saluted the God of the Nine Heavens, and slowly said: "This matter is no trivial matter. I am just mediocre. If I really want to meet the Demon Lord Gone, I am not an opponent at all.

" Xingjun looked around and continued: "Wei Chen recommends someone who can take on this role."

"Who?" Jiutian God looked impatient.

Sun Xingjun raised his hand and pointed to Yue Feng: "It's him, the Yulong Consort Yue Feng!"

Yue Feng?

Hearing this, Jiutian God was stunned.

Yue Feng was also shocked, what the hell, why did he suddenly involve me?

“Your Majesty!”

At this moment, Xingri Xingri showed a smile and talked eloquently: “Looking at the entire Divine Realm, the strongest person is naturally His Majesty, but His Majesty’s status is noble, and naturally he cannot rush to Fengmo Mountain.”

“Then It is Haotian Divine Sovereign. However, Haotian Divine Sovereign is in Kyushu at this time, and the portals of the Divine Realm have been destroyed, so His Excellency Divine Sovereign will not be able to come back for a while, so naturally I can’t count on it.”

“Except Your Majesty and Hao . Tianshenjun, the only person who is qualified to go to Fengmo Mountain is Yue Feng. After all, Yue Feng is not only the Jiutian Xuansheng proclaimed by the ancestors, but also the princess’ concubine. Before the demon took the princess, Yue Feng was the concubine. If the concubine can successfully prevent the Demon Venerable from resurrecting the Demon tribe and rescue the princess, it must be a story that will last forever.” After

speaking, the priests and guests around him nodded and said yes. .

Mad!

However, Yue Feng was very speechless, looking at Xingjun Yaori’s eyes, it was even more contemptuous.

This Luminary Xingjun, obviously afraid in his heart, dare not go to Feng Moshan, but his mouth is high-sounding.

Thinking to himself, Yue Feng watched the Nine Heavens God’s reaction closely, Nima, the Nine Heavens God will not really send me there.

Um!

At this time, Jiutian God pondered for a moment, and nodded in agreement: “Xingri Xingjun is right, and the best person to go to Fengmo Mountain is only Yue Feng.” After speaking

, Jiutian God’s eyes fell on Yue Feng On his body, he said with a smile that was not a smile: “Yue Feng, I will now designate you as the general of the Demon Slayer Striker, and then I can lead 50,000 heavenly soldiers to go to the Demon Sealing Mountain to find out the truth. If the Demon Lord Gone really wants to revive the Demon Tribe. , no matter what method you use, you must not let him succeed, you know?” The

voice was not loud, but it was full of majesty, unquestionable.

Swish!

At this moment, the eyes of the audience all converged on Yue Feng.

Under the gazes of the surrounding, Yue Feng wanted to cry but had no tears, so he had to step forward to give the order: "Yue Feng leads the order." To

be honest, Yue Feng wanted to refuse, and he was not sure about the Demon Lord Gone. , but there is no way, if you refuse, it is disobedience, and the end is death.

Left and right are dead, it is better to fight.

"Very good!"

Seeing Yue Feng nodding in agreement, Jiutian God nodded with great relief, and then looked around: "Next, we have to choose a lieutenant to assist Yue Feng, who would you like?" The

voice fell, There was silence again.

No one is stupid, to follow Yue Feng to Feng Mo Mountain is to die.

Seeing this scene, Yue Feng chuckled lightly.

This is still the gods above, and they have no courage at all. They are not as good as those Jianghu sects in Kyushu.

"My subordinates are willing."

However, at this moment, a resounding voice remembered, and then, a figure walked out quickly, wearing a golden armor, majestic and majestic, it was Gong Ao.

At the beginning, Gong Ao decided to sever ties with Princess Dongling, and handed Princess Dongling over to Divine Sovereign Haotian. After that, they returned to God's Domain together.

At this time, Gong Ao strode out and respectfully said to the Nine Heavens God: "My subordinate Gong Ao, I would like to be a lieutenant and assist the Jade Dragon Consort to go to Fengmo Mountain."

When saying this, Gong Ao's face was full of loyalty and seriousness, But there was a bit of evil in his eyes.

Yes, Gong Ao cut off the relationship with Princess Dongling on the surface, but deep down, he still hated Yue Feng. After all, he had admired Princess Dongling for so many years, and it was about to come to an end. The wind kicked in.

What made him even more unbearable was that Yue Feng had taken away Princess Dongling's chastity.

How can this be tolerated?

Chapter 4019

It's just that it is an indisputable fact that Yue Feng was named Jade Dragon Consort by the Nine Heavens God, and his status has risen, so Gong Ao has kept this anger deep in his heart.

At this time, seeing that the Nine Heavens God was going to send Yue Feng to investigate Fengmo Mountain, Gong Ao knew that his chance for revenge had come.

"Okay!"

Seeing Gong Ao taking the initiative to come out, Mao Sui recommended himself. Jiutian God was very happy and nodded in approval: "Gong Ao, you really did not disappoint me, so I will appoint you as a lieutenant, and quickly prepare to go to Feng Mo Mountain."

"Yes, Your Majesty!"

Gong Ao responded and left Yuyao Xianyuan with Yue Feng.

When walking out of Yuyao Xianyuan, Yue Feng did not speak, but his eyes kept on Gong Ao.

At this time, Yue Feng was also very puzzled.

This Gong Ao, I robbed Princess Dongling that he liked, but instead of showing any resentment, he offered himself to help me... It's really unexpected.

Yue Feng's gaze made Gong Ao feel uncomfortable, but he didn't dare to show it.

"Your Majesty!"

Soon, after leaving the Yuyao Xianyuan, Gong Ao cautiously said, "Why are you looking at me like this? Is there something wrong?"

Yue Feng was not polite, and directly said what he thought. came out.

Phew ...

At this moment, Gong Ao took a deep breath and said with a smile: "Your Majesty, you are really worrying too much. You and the princess are so talented and beautiful, how can I feel resentment?"

"I really like the princess, but I don't dare to have excessive expectations. I'm just a small commander, how can I be a princess? You are different. You are the God of the Nine Heavens proclaimed by the ancestors, and you are powerful, and you are the same as the princess. The door is right."

When he said this, Gong Ao's face was full of sincerity, and at the same time he always paid attention to the changes in Yue Feng's expression.

Yue Feng naturally didn't believe it, and looked at him with a half-smile, "Really?"

Pfft!

Gong Ao was stunned for a moment, then he pretended to be very flustered, and quickly knelt on the ground: "Your Majesty, the concubine has a clear view, what your subordinate said is true, if there is any falsehood, teach me to destroy the primordial spirit." After speaking

, Gong Ao After thinking for a while, he continued: "I know that Your Majesty has some suspicions about me. Speaking of

which , my subordinates do not dare to have any extravagant expectations for the princess. This time I took the initiative to recommend myself, just to make military achievements and be appreciated by Your Majesty." .

Seeing Gong Ao's terrified look, Yue Feng completely let go of his suspicions. He smiled slightly and raised his hand and said, "Commander Gong, I'm just asking casually, you don't need to be nervous, get up quickly."

After that, Yue Fengshen said Taking a breath, his expression gradually became solemn: "It's not too late, let's quickly gather the army and go to Fengmo Mountain."

At this time, Yue Feng was calm on the surface, but his heart was extremely uneasy, and he kept praying secretly.

I hope that the God of the Nine Heavens guessed wrong, and the Demon Lord Gone was not in the Demon Sealing Mountain.

Speaking of which, Yue Feng had thought about using the Spirit Bone, but he finally held back. When he was in the prison, he had already used one, and this last one could not be used casually.

"Follow the order!" Gong Ao responded, and hurriedly went to assemble the army.

Dong Dong Dong... A

few minutes later, tens of thousands of divine soldiers were assembled, and under the leadership of Yue Feng, they marched mightily towards Feng Mo Mountain.

...

On the other side, Feng Mo Mountain.

Fengmo Mountain is located on the northwestern border of God's Domain. On the other side of the mountain range is the Primal Chaos Void. After the Primal Chaos Void is nine days away, the environment here is harsh, with gloomy air all year round, and the air is filled with a strong evil spirit.

This is a forbidden area in the forbidden area. Even if the patrolling soldiers come to this area, they will deliberately bypass the Fengmo Mountain.

hum!

At this moment, a terrifying aura erupted from the distant horizon, and then, a figure stood proudly atop the top of Fengmo Mountain, like lightning.

It was the Demon Lord Gone.

The Nine Heavens God guessed it well. The Demon Lord Gonie used Tianluo San to fascinate the Nine Heavens Gods, but he didn't make a move after that because he had just reshaped his body and had not recovered to his peak strength.

As for destroying all the portals in God's Domain, it is to buy time for the resurrection of the demon tribe.

"How many years."

At this moment, Demon Venerable stood there, staring at a depression at the foot of the mountain, his tone was full of emotion and excitement: "This Venerable is finally back, my subjects and warriors, you don't need to sleep in That's it."

Chapter 4020

Om!

The voice fell, and the figure of Demon Venerable slowly floated up. Then, a violent and unparalleled force erupted. In an instant, lightning flashed and dark clouds rolled over the entire Demon Sealing Mountain.

Immediately, the power that Demon Lord Gone erupted quickly condensed in the air, forming eighteen black dragons, madly submerging into the depression below.

Rumbling...

In an instant, I saw that the depression vibrated violently, the vibration became stronger and stronger, and the entire Fengmo Mountain shook violently, as if the end of the world.

Kachacha.... The

violent vibration lasted for more than ten minutes, and I saw stone pillars bursting out of the ground around the depression. These stone pillars were extremely huge, several meters in diameter, and there were 18 in total, forming a huge circle. shape.

The stone pillar slowly rose until it reached a height of 100 meters before it stopped.

At this time, the Demon Lord Gone did not hesitate at all, his figure flashed, suspended above the center of the eighteen stone pillars, his eyes flashing with terrifying light.

In the next second, Demon Lord Gone cut his wrist, and blood spurted immediately. However, the spurting blood did not land directly, but was pulled by an invisible force, turned into eighteen blood lines, and flowed to the surrounding eighteen. On the huge stone pillar, then, blood was left along the stone pillar, forming strange runes.

That's right, what Demon Lord Gone deployed at this time was the top-secret formation only possessed by the Demon Race: the Demon Blood Sacrifice.

Huhuhu....

Eighteen stone pillars, after the blood-colored runes appeared, the blood continued to stay and penetrated deep into the underground soil. In an instant, the entire blood-stained magic circle was filled with an incomparably sinister power fluctuation. .

Not only that, the billowing dark clouds above his head also seemed to be affected and gradually turned bloody.

The blood-colored clouds shrouded the entire Demon Sealing Mountain, which looked extremely strange.

At this time, not far from Fengmo Mountain, Yue Feng and Gong Ao led tens of thousands of divine soldiers to come quickly.

hiss!

When they approached Fengmo Mountain, they were all stunned when they saw the scene in front of them, whether it was Yue Feng, Gong Ao and those divine soldiers.

I saw that the entire Demon Sealing Mountain was shrouded in a blood-colored cloud.

Not only that, but eighteen huge stone pillars stood around the depression below the Demon Sealing Mountain, and blood lines were connected between the stone pillars.

And at the intersection of these blood lines, a figure hovered proudly there, and the whole body was filled with the terrifying power of destroying the sky and destroying the earth.

It was the Demon Lord Gone.

Seeing this scene, Yue Feng and Gong Ao were extremely shocked.

Oops, the Demon Venerable is really here.

Moreover, the Nine Heavens God did not guess wrong, the Demon Venerable really wanted to resurrect the Demon Tribe who were buried here.

call!

At this moment, Gong Ao took a deep breath, calmed down, and said to Yue Feng: "Consort, this Demon Venerable is resurrecting his followers. Seeing that the situation is at a critical moment, we can just make a surprise attack."

Hearing this After saying this, Yue Feng's eyes were calm and he shook his head: "Don't make a move rashly. We don't know what the situation is with these eighteen stone pillars."

When he said this, Yue Feng's face was solemn.

At this time, Yue Feng was very shocked. He could see that the eighteen huge stone pillars in front of him were a formation, but this formation was too suffocating, and there was no record in "Bai Qi Shen Formation".

It can be said that it was the first time that Yue Feng had seen such a terrifying and strange formation, and of course he did not dare to act rashly.

Seeing that Yue Feng was not planning to take action, Gong Ao's eyes flashed with gloom.

As the highly respected commander of the Nine Heavens God, Gong Ao was not stupid, and he saw the power of the formation in front of him. The reason why he encouraged Yue Feng to take action was to make Yue Feng make mistakes. At that time, Gong Ao

could find an opportunity to get rid of Yue Feng. Feng, the shame that Princess Snow was robbed.

If he failed, Gong Ao turned his eyes and looked very anxious: “Concubine, the situation is urgent. When Demon Venerable resurrects his followers, it will be too late. At this time, you must be decisive.”

With that said, Gong Ao turned his head and shouted at tens of thousands of divine soldiers, “Quick, rush in and stop the Demon Venerable from doing what he did.”
Swoosh,

swish... The

voice fell, and thousands of divine soldiers erupted one after another, heading towards the air. The Demon Venerable in rushes away.

The ultimate husband in Chinese chapter 4021-4030

Chapter 4021

Demon Venerable is concentrating on performing the Demon Blood Sacrifice, but his powerful perception senses the first time that an enemy is coming from outside the formation.

At this moment, when he sensed the eruption of thousands of divine soldiers, Demon Venerable didn't lift his eyelids, his cold and arrogant face showed a bit of contempt.

Heavenly Demon Blood Sacrifice, only Demon Venerable can mobilize, its power is terrifying, even if the Nine Heavens God comes, there is nothing to do, let alone thousands of divine soldiers.

"Don't go..."

Seeing this scene, Yue Feng's face changed greatly, he couldn't help shouting, and at the same time tilted his head and glared at Gong Ao.

At this moment, Yue Feng was speechless.

This Gong Ao, why can't he hold his breath, so eager for quick success will only backfire.

Under the shout, Yue Feng wanted to stop it.

However it was too late.

hum.

I saw that thousands of divine soldiers entered the scope of the Heavenly Demon Blood Sacrifice in the blink of an eye, but at this moment, they saw eighteen huge stone pillars bursting out with a dazzling light. One after another blood-colored enchantment.

Bang bang bang...

Thousands of divine soldiers didn't have time to react at all, and they slammed into the blood-colored barrier. Thousands of divine soldiers, without exception, the primordial spirit was directly destroyed, and after landing, only one skin and bones remained.

shit.

Seeing this scene, both Yue Feng and the remaining divine soldiers couldn't help but take a deep breath.

This chapter is provided by . Visit for daily update.

This.... this is too scary.

Shocked, Yue Feng looked at the Demon Lord Gone, who was floating in the air, and his eyes became more and more complicated.

As expected of the Supreme Being of the Demon Race, the power of Gone is too perverted. It is no wonder that the Nine Heavens God would spare no effort to deal with him. If he really wanted him to resurrect hundreds of thousands of tribes, the entire God Realm, and even the Kyushu Continent, would fall into a terrifying situation. of disaster.

Today, no matter what, he cannot be allowed to succeed.

Thinking of this, Yue Feng took a deep breath, his eyes fixed on the eighteen stone pillars, his mind turned quickly, and he thought about the solution.

hiss.

And Gong Ao next to him, even though he guessed the result, he couldn't help but gasp when he saw the bursting power of the blood-colored enchantment.

Shocked, Gong Ao couldn't help but asked Yue Feng, "Concubine, what should I do next?"

Yue Feng did not respond, but concentrated on studying the magic blood sacrifice formation in front of him.

After a full ten seconds, Yue Feng had a scruple in his heart, and said seriously to Gong Ao: "I think, I have found a way to solve it."

What?

Gong Ao was startled, and at the same time felt very unhappy, Mad, this is the formation deployed by the Demon Venerable, and Yue Feng found the weakness so quickly?

However, Gong Ao did not show it, but made a very respectful look: "The concubine is amazing, you have found the weakness of these stone pillars so quickly."

Yue Feng nodded, pointing to the two stone pillars in the northwest: "In front of me This formation is composed of a regular nine-gong formation and an anti-nine-gong formation, and at the same time with the help of the unique terrain of Fengmo Mountain."

“And those two stone pillars are the junction of the regular nine-gong formation and the anti-nine-gong formation. , that is, Shengmen, is the only place to enter.”

When he said this, Yue Feng looked serious.

Guiguzi once taught Yue Feng that all things in the world are inseparable from yin and yang, and the same is true of demons, and the blood sacrifice formation in front of him also contains the way of yin and yang.

Yue Feng studied it for a while, and soon saw that half of the eighteen huge stone pillars were formed by the nine palaces, and the other half were the anti-nine palaces.

Positive nine palace formations belong to yang, while anti-nine palace formations belong to yin.

Therefore, the only way to solve it is at the junction of the positive and negative nine palaces.

What Yue Feng said was serious, but Gong Ao could not understand it. Although he was the commander of the Divine Realm and had an extraordinary position, he didn't know anything about fighting techniques.

However, Gong Ao didn't care, and pretended to say: “Your Majesty, what do you need me to do?”

Yue Feng smiled slightly and pointed between the two stone pillars: “It's very simple, wait for you to break in with me, these stone pillars are between them. The blood-colored barrier formed between them is too strong, so when we enter, the two of us have to join forces, otherwise, it will be very dangerous.”

Chapter 4022

said, Yue Feng's face showed a bit of confidence: “When I enter, I will use my own strength to deploy a protective film around it, but my primordial spirit is limited and I need you behind me. , input divine power for me, understand?”

It turned out to be the case.

Hearing this, Gong Ao's eyes flickered, he nodded, and said with a smile: “Don't worry, concubine, I will do my best.”

When he said this, Gong Ao's face was sincere, but his heart was extremely cold.

This Yue Feng, you stole my Princess Dongling and her virginity, and now, you want me to inject inner strength into you, what are you dreaming about?

Gong Ao thought about it, pretended to agree first, and when the critical moment came, he decided to abandon Yue Feng and let him die in this day's devil blood sacrifice formation.

Yue Feng didn't notice that there was anything wrong with Gong Ao, so he nodded gratified when he heard his answer.

Immediately, Yue Feng didn't have time to think about it, and ordered the tens of thousands of soldiers behind him: "Wait for Gong Ao and I to enter the big formation in front of you to inquire, don't act rashly, just guard the surrounding area, understand?"

"Understood!"

Tens of thousands of divine soldiers responded in unison.

At this moment, Yue Feng stopped talking nonsense, and said to Gong Ao: "Okay, you can act." After the

voice fell, Yue Feng moved his figure and went directly to the blood sacrifice formation.

Gong Ao took a deep breath and followed closely behind.

Soon, Yue Feng and Gong Ao arrived at the position of Shengmen. The eighteen stone pillars that stood up seemed to have spirituality. When they sensed someone approaching, a blood-colored mist came out.

The blood mist quickly filled the air, and soon shrouded the surrounding area of the formation, drowning Yue Feng and Gong Ao at the same time. Not only that, in the blood mist, there is also a powerful force to suppress.

This... The

blood fog filled the air, directly blocking the line of sight. Watching the situation in the distance, tens of thousands of divine soldiers, instantly saw the figures of Yue Feng and Gong Ao, and they became inexplicably nervous.

What a weird blood fog.

Consort and Your Excellency Gong Ao, will something happen?

While nervous, these divine soldiers thought of Yue Feng's previous explanation, and they were not good at acting rashly.

At this time, Yue Feng is here.

Feeling the suppression of the power in the blood mist, Yue Feng looked as usual and did not panic at all.

hum!

In the next second, the Primordial Spirit and the power of Bird Ancestor were directly activated to form a protective film all over the body. It was seen that the protective film was pale gold with some red lines on it, which was very strange.

Yue Feng not only possesses Primordial Spirit, but also possesses the power of Bird Ancestor. This situation is unique in the entire Divine Realm, so the protective film deployed is completely different from others.

Huh...

Seeing this scene, Gong Ao's expression was complicated, and his heart was even more shocked.

I can't see that Yue Feng's strength is so strong, and the protective film deployed, I'm afraid that he can't break it with all his strength.

Under the shock, Gong Ao strengthened his determination to kill Yue Feng. After all, in dealing with such a powerful enemy as Yue Feng, one cannot have the slightest soft-heartedness, otherwise there will be endless troubles.

"Gong Ao!"

Seeing Gong Ao stunned, Yue Feng turned his head and said, "Get into the protective film, and then help me. Remember, you can't stop in the middle, otherwise we are both in danger."

Gong Ao calmed down and quickly With a sound, he entered the protective film, and then put his hand on Yue Feng's back, activating his divine power.

Feeling that Gong Ao had stimulated the divine power, Yue Feng no longer hesitated, and walked slowly towards the Shengmen. As long as he passed through the Shengmen and entered the inside of the Heavenly Demon Blood Sacrificial Array, Yue Feng was sure to interrupt the Demon Lord Gone.

However, Yue Feng didn't notice that Gong Ao, who was behind him, lost the respectful expression on his face, but was extremely hideous.

At this moment, in mid-air.

Um?

Yue Feng and Gong Ao approached the blood sacrifice formation, and the Demon Lord Gone felt it instantly, but he was at a critical moment and could not escape.

For a time, Demon Lord Gone was furious and anxious.

At the same time, Demon Venerable's eyes locked on Yue Feng through the blood mist, and he was also a little shocked.

His own Heavenly Demon Blood Sacrifice Array, in the real God Realm, no one can break apart from the ancestors of the Great Wilderness, and this guy has found his life so easily.

Incredible.

Seeing Yue Feng and Gong Ao, they were about to pass through the gate of life and enter the blood formation.

Chapter 4023

At this moment, Yue Feng's face was calm, but his heart was extremely excited.

As long as you enter the blood formation, you are half successful.

Whoosh!

However, at this moment, Gong Ao suddenly withdrew his hands, then turned around and flew out quickly.

While flying backwards, Gong Ao did not forget to turn his head and sneered at Yue Feng: "Yue Feng, you want to break this formation and make great achievements, don't be delusional, and you stole my Princess Dongling, Go to hell." After the

last word fell, Gong Ao laughed proudly, then accelerated his speed and rushed out of the blood mist.

mad.

At this moment, Yue Feng was extremely frightened and angry. He never thought that at this most critical moment, Gong Ao would be plotting against himself behind his back because of personal grievances, regardless of the overall situation?

Click!

Gong Ao fled, Yue Feng alone could not resist the terrifying pressure from the blood formation, he heard a crisp sound, and the protective film around his body shattered instantly.

hum!

Without the protective film, a terrifying and unparalleled blood formation pressure erupted, and Yue Feng groaned.

At this time, the blood formation was outside.

Gong Ao rushed through the blood mist and returned to the front of the tens of thousands of divine soldiers.

This...

Seeing this situation, tens of thousands of divine soldiers looked at each other in dismay, very puzzled.

what's the situation?

Didn't the concubine and the commander of Gong Ao go to explore the great formation together? Why is only the commander of Gong Ao coming back now?

Facing the gazes of tens of thousands of divine soldiers, Gong Ao had a sad expression on his face, and pretended to say, "The concubine is too arrogant and self-confident, and if he insists on entering the large formation, this commander will not listen to any persuasion."

What?

Hearing this, tens of thousands of divine soldiers were stunned.

This concubine is too conceited, and even broke into the blood formation alone.

I have to say that Gong Ao's acting is very similar, and these tens of thousands of magic soldiers have no doubts.

At this time, Gong Ao glanced back and said regretfully: "The concubine entered hastily, and I am afraid that I will die. I need to go back and report to Your Majesty as soon as possible about this matter. You continue to stay here and pay attention to the situation of the big formation."

After saying this, Gong Ao rushed towards Yuyao Xianyuan with a few divine soldiers.

.....

On the other side, Kyushu.

Located on the southern border of the Tianqi Continent, there is a huge ruin. This place was originally the top of the Kunlun Peak, the first divine peak in Kyushu. Later, the top of the Kunlun Peak collapsed, forming this ruin.

At this time, in an open space in the center of the ruins, hundreds of thousands of troops gathered.

This army, wearing a uniform golden armor, each has a strong momentum, but at this time, each one is more embarrassed.

That's right, these hundreds of thousands of troops were the gods and gods who followed Haotian God to besiege the Five Poison Sects and were then defeated by the Demon Lord Gone. After the defeat at that time, these gods and gods retreated to the Kunlun ruins.

Whoosh.

At this moment, in the distance, a figure came quickly, looking like a golden meteor from a distance, with a powerful aura all over his body.

It is Haotian Shenjun.

Haotian Divine Sovereign has vast magical powers. Through perception, he quickly knew the location of hundreds of thousands of divine soldiers and generals. He rushed over without thinking about it.

I saw that in the hands of Haotian Divine Sovereign, he was still holding a figure tightly, dressed in white, very handsome, but his face was weak and inexplicably embarrassed.

It's not Bai Yunfei, who else would it be?

“Shenjun!”

“His Royal Highness.”

Seeing the appearance of Haotian God, many gods hurriedly surrounded them, and they were all excited.

One of the divine generals said cautiously, “Shenjun, we are relieved to see that you are all right.” The

voice fell, and the other divine general followed suit: “Since the divine emperor was caught by Nagone, we have tried our best to do everything possible. Contact with God's Domain, but we have used many methods, and we are completely unable to get in touch with God's Domain.”

Is there such a thing?

Hearing this, Divine Sovereign Haotian frowned secretly, and immediately activated his divine power to try to get in touch with the Divine Realm, but it also failed.

For a time, Haotian Shenjun was inexplicably anxious.

How could this be?

At this time, Divine Sovereign Haotian didn't know that all the portals in God's Domain were destroyed by Demon Lord Gone.

Chapter 4024

"You guys, continue to try to connect with God's Domain."

After a few seconds, Haotian God Sovereign took a deep breath and instructed a few generals.

"Yes, His Royal Highness!"

Several gods responded, and hurriedly walked to the side, urging the primordial spirit to try to contact the gods.

Haotian Shenjun took Bai Yunfei aside, his face was gloomy, and he asked coldly: "Bai Yunfei, where is the Demon Lord?" Getting

in touch with God's Domain and inquiring about the whereabouts of the Demon Race are both very important.

Feeling the suffocation of Haotian Divine Sovereign, Bai Yunfei took a deep breath and said with a smile: "Haotian Divine Sovereign, didn't I say it before? Your Excellency Mozun is uncertain, and I don't know where he is." After

speaking, Bai Yunfei looked Looking at the ruins in front of him: "Perhaps, Your Excellency Mozun is nearby, be careful..."

Bang!

Before he finished speaking, Divine Monarch Haotian's eyes flashed coldly, and he clenched his fists, smashing them into Bai Yunfei's heart.

Bai Yunfei groaned, and a mouthful of blood spurted out.

"Bai Yunfei, don't challenge my patience." Haotian Shenjun said coldly, looking down at Bai Yunfei.

Bai Yunfei endured the pain and did not respond, thinking about how to get out.

It's just that I was hit hard by Haotian Divine Sovereign before, and I haven't responded yet. At this time, I was punched by him again, and I only felt that the demon soul was about to collapse. In this case, unless the demon lord arrives, there is no possibility of escape at all. .

But Bai Yunfei thought about it, no matter what, he would spend it with Haotian Divine Sovereign.

Seeing that Bai Yunfei didn't speak, Haotian Shenjun sneered: "Don't say it, right? You think it's enough to pretend to be dumb? If I destroy your demon soul, what do you think will happen?"

Om!

The voice fell, Haotian Divine Sovereign raised his right hand, and saw a ball of golden light flickering up, and a golden dagger was condensed by divine power.

Bai Yunfei was shocked, and then he remembered something and laughed: "God Haotian, Your Excellency Mozun is in my demon soul and cast a forbidden spell, you can't destroy it!"

When he said this, Bai Yunfei said Proud face.

He was right, after the Demon Lord Gonie successfully possessed a physical body, in order to reward Bai Yunfei, he blessed a forbidden spell in his demon soul.

With the protection of this forbidden spell, even if Bai Yunfei suffered severe injuries, the demon soul would not be destroyed.

Forbidden spell? !

Hearing this, Divine Sovereign Haotian frowned, and immediately sensed Bai Yunfei's demon soul. Sure enough, he sensed a powerful forbidden spell hidden in that demon soul.

Knowing this, Haotian Divine Sovereign was very angry.

Mad, in this kid's demon soul, there is a forbidden spell blessed by Demon Lord Gone.

Annoyed, Haotian Shenjun thought of something, and said coldly: "Okay, I can't destroy your demon soul, and there are other ways to teach you!" The

voice fell, and Haotian took out a piece from his purple gold armor. A golden whip.

The golden light of the whip circulates, and it contains extremely strong power.

It's the whip.

The whip of the gods, as the name suggests, can spur the gods. In the entire divine domain, there are three whips of the gods, which symbolize the supreme authority. Two of them are in the hands of the Nine Heavens God and Empress Hua Zhao, and the last one, At this time, it was on the body of Haotian Shenjun.

“Do you know what this is? With the whip, you can whip the gods, and of course you can deal with the remnants of the demon race like you!” Haotian Shenjun waved the whip, and a trace of cruelty appeared on the corner of his mouth.

Gudong!

Seeing the divine whip, Bai Yunfei swallowed subconsciously. Of course, he had heard of the divine whip. It was said that being whipped would make life better than death.

Although he was very flustered in his heart, Bai Yunfei still showed an indifferent look on his face: “Dignified Haotian Divine Monarch, is that all you can do?”

Haotian Divine Monarch snorted coldly, stopped talking nonsense, and raised his voice. Hit the whip, and slammed it hard.

“Crack!”

Hearing a thunderous explosion, a bloodstain appeared on Bai Yunfei's body. Not only that, but the depths of his soul were also severely tortured. That kind of pain was simply beyond the reach of ordinary people.

hiss!

Bai Yunfei couldn't help gasping for air, and his whole body twitched, but he had a tough personality, clenched his teeth tightly, and didn't make a sound.

Chapter 4025

Seeing that his expression was distorted, but he didn't cry out, Haotian Shenjun also became ruthless and shouted angrily: “Come on, where is the devil?”

Bai Yunfei showed a smile, but still didn't say a word Say!

Haotian Divine Sovereign was completely furious, raised the whip in his hand again, and threw it on Bai Yunfei.

“Crack! Slap! Slap!” The

whip of the gods flew up and down, like a soaring golden dragon, raging on every part of Bai Yunfei's body, and the crisp and loud whipping sound reverberated over the ruins.

Seeing this scene, the surrounding gods and soldiers were all terrified.

But Bai Yunfei didn't say a word from beginning to end.

.....

the other side.

Gong Ao hurried back to Yuyao Xianyuan with a few divine soldiers.

Soon, after seeing the Nine Heavens God, Gong Ao told the lie he had made up.

What?

At this moment, whether it was the Nine Heavens God, Empress Hua Zhao, and the surrounding priests, their hearts were shocked.

Immediately, Nine Heavens God reacted and looked at Gong Ao closely: "What did you say? Yue Feng broke into the blood formation deployed by the Demon Lord alone? Corpse... no bones left?

", Nine days God has great confidence in him in his heart.

You must know that it was the ancestor of the ancient ancestors, who, in front of the gods, sealed Yue Feng Jiutian Xuansheng, and the people who could make the ancestors look at him were by no means general.

Unexpectedly, the first time Yue Feng was sent to work, there was a problem.

Gong Ao knelt there, looking extremely sad, nodded and said, "Yes, Your Majesty, at that time, the subordinate tried to discourage it, because the blood formation was too weird, but the concubine didn't listen at all. , is the best in Kyushu, even the blood formation deployed by Demon Venerable can be easily broken, but the result..."

Hearing this, Jiutian God was very helpless: "Reckless, reckless... alas, Speaking of which, I believe in Yue Feng too much."

Empress Hua Zhao next to her was also extremely sad: "This Yue Feng is too conceited."

Phew!

Seeing this situation, Gong Ao secretly sighed in relief, his face was sad, but his heart was incomparably secretly delighted.

Haha...

You have deceived Your Majesty so easily, Yue Feng, Yue Feng, even if you die, you can't blame me. Who told you to take away my Princess Dongling?

At this time, Empress Hua Zhao thought of something, and asked Gong Ao: "By the way, did you see Dongling when you arrived at Fengmo Mountain?"

Gong Ao shook his head: "I didn't see it."

Saying that, Gong Ao was also secretly anxious.

At that time, there was indeed no sign of Princess Dongling around the blood formation. Could it be that she has been killed by Demon Venerable?

Hearing the answer, Empress Hua Zhao couldn't tell the sorrow, "My Dongling is too bitter, I was taken away by the Demon Venerable, let alone the newlywed husband died..."

For a moment, the audience was silent.

The atmosphere was indescribably depressing.

"Your Majesty!"

At this moment, a figure walked in quickly, it was Bai Yuexingjun.

When he got there, Bai Yuexingjun respectfully said to the Nine Heavens God: "Your Majesty, the portal has been built."

Great.

Hearing this, Jiutian God was very excited, and quickly said: "Quick, send a message to Jiuzhou immediately, ordering Haotian God to lead the army to return to God's Realm quickly."

"Yes, Your Majesty!"

... On the

other side.

Kyushu, Kunlun Ruins.

Papapa...

God Sovereign Haotian waved his whip, and he didn't know how many times he beat, and he saw Bai Yunfei was covered in bruises and was dying.

At this moment, Haotian Divine Sovereign put away the whip, indescribably annoyed.

This Bai Yunfei can't be killed and can't be killed, and even a whip can't make him surrender, it's really abominable.

"Shenjun!"

At this moment, a god general walked over quickly, his face full of joy: "We are in contact with God's Domain, just heard the news from His Majesty, ordering God's Lord to return to God's Domain at a rapid rate."

Hu...

heard With these words, God Sovereign Haotian took a deep breath, his gloomy expression softened, and then he asked, "What else did your majesty say?"

The god general didn't dare to neglect, and quickly said, "Your majesty also said that Demon Venerable went to seal demons. Shan, 100,000 is in a hurry."

What?

Demon Lord Gone went to Seal Demon Mountain?

Hearing this, Haotian Shenjun was shocked, but his mind was buzzing.

The ultimate husband in Chinese chapter 4026-4030

Chapter 4026

Hundreds of thousands of demon tribesmen were buried under the Demon Sealing Mountain, and where the Demon Venerable went, it was obvious that he wanted to resurrect those dead tribesmen.

Thinking of this, Haotian Divine Sovereign did not hesitate, his figure flashed, and he rushed into the air and shouted: "Hurry up and gather, and return to God's Realm with this sovereign."

Wow... the

voice fell, and hundreds of thousands of gods and soldiers will quickly converge.

At this moment, one of the gods pointed at the dying Bai Yunfei: "His Royal Highness, what should I do with this?"

"Don't worry about it!" Haotian Shenjun said lightly without hesitation.

Although this Bai Yunfei has a demon soul, he has been whipped so many times by the beating god that he will not die or be disabled. Moreover, the most important thing now is to go to the realm of the gods to stop the demon sovereign.

Wow...

Soon, hundreds of thousands of divine soldiers and gods were assembled, and they hurried back to the realm of the gods with Haotian Divine Sovereign.

call!

Seeing Haotian Divine Sovereign leading the army to leave, Bai Yunfei breathed a sigh of relief, and then he couldn't hold it any longer, his eyes darkened and he fainted.

To be honest, Bai Yunfei couldn't hold it any longer after receiving hundreds of whips, but in front of Haotian Divine Sovereign, he didn't want to appear vulnerable, so he held on until now with his tenacious personality.

At this time, as soon as Haotian Shenjun left, Bai Yunfei's spirit relaxed, and he fainted immediately.

Whoa!

Not long after he passed out, he heard the sound of neat footsteps, and from a distance, he saw a mighty army of hundreds of thousands coming.

This chapter is provided by . Visit for daily update.

Uniform bright armor, holding a long spear, imposing like a rainbow.

It is the Imperial Forest Army of the Apocalypse Continent.

In front of the Imperial Forest Army was a splendid luxury carriage, pulled by eight white horses. It was very imposing. Inside the carriage, sat a figure with a powerful royal aura permeating its body.

It was King Guangping.

A month ago, a vision appeared in the Tianqi Emperor's Mausoleum, and then the ancient tomb of Chiyou descended. At that time, King Guangping was full of confidence, but in the end, Ren Yingying got the inheritance of Chiyou's demon soul.

This matter made King Guangping very annoyed. He vowed to find Ren Yingying to settle the account, but later the Ouyang family had been fighting with the Tiandao League.

A day ago, King Guangping got news that hundreds of thousands of god soldiers and generals had been found in the Kunlun ruins.

Um?

At this moment, hundreds of thousands of Imperial Forest troops arrived at the ruins, and they were stunned when they saw the situation in front of them.

Just saw the huge ruins, empty, where is there the shadow of the gods and soldiers?

However, someone with sharp eyes suddenly found Bai Yunfei who was unconscious, and suddenly shouted: "Look, there is someone there."

Shuh!

In an instant, all eyes turned to a dirt slope not far away.

I saw a figure lying there quietly, motionless, covered in blood, with a handsome and handsome face that was even weaker.

It was Bai Yunfei who was unconscious.

Seeing this scene, King Guangping frowned, and then waved his hand: "Drag over and see, who is he?"

"Yes, Your Majesty!" The

voice fell, and the two imperial guards walked over quickly and dragged the man away. come over.

Bai Yunfei?

At this moment, King Guangping observed closely, recognized Bai Yunfei at a glance, and was immediately stunned.

At the same time, everyone around was stunned.

Recently, Bai Yunfei has disturbed the entire Kyushu, how could he appear here? Also, it looks pretty bad.

"Quick!"

Finally, King Guangping came to his senses, and ordered to his side: "Take this person back to the palace and take good care of him."

When he said this, King Guangping couldn't hide his excitement.

You must know that Chi You, the ancestor of King Guangping, is also a member of the Demon Race. In other words, King Guangping and even the entire weather royal family, like Bai Yunfei, are descendants of the Demon Race.

Under this premise, King Guangping would not sit idly by when he saw that Bai Yunfei was in a coma.

More importantly, Bai Yunfei is a celebrity under Mozun. As long as he has a good relationship with Bai Yunfei, he will have the opportunity to approach Mozun in the future.

King Guangping thought about it, as long as he was appreciated by Demon Venerable, the Tianqi royal family would definitely dominate Kyushu.

Chapter 4027

"Yes, Your Majesty!" The

voice fell, and several soldiers of the Guards carefully lifted Bai Yunfei onto the horse's back, and then quickly returned to Tianqi Imperial City.

.....

On the other side, the Five Poison Sect.

After Ji Hongshang escaped, the remaining disciples of the Five Poison Sect also scattered like birds and beasts.

But there is still stubborn resistance.

It was not until dawn that the battle was completely over, and I saw that the five poisonous sects, which were full of vitality, were like hell on earth. Bloody smell.

Phew...

At this moment, the crowd of Wen Chou Chou, as well as the followers of Xia Yin Sect, were also relieved.

it's finally over.

But it is a pity that Ji Hongshang escaped at a critical moment, and before escaping, he also snatched the inner elixir of the ancient poisonous scorpion.

“That’s right!”

At this moment, Elder Feng suddenly thought of something and looked around: “Why haven’t I seen the Sect Master?” The

voice fell, and everyone in the Xia Yin Sect also realized that it was not good.

Nalan Wushuang returned to the Five Poison Sect alone, looking for an opportunity to release Haotian Divine Sovereign, and then reunited with everyone, but at that time, Wen Chou Chou and Xia Yin Zong waited for several hours, but they did not see Nalan. The unparalleled figure, finally had no choice but to break in directly.

At this time, Haotian Divine Monarch had left safely, Ji Hongshang also fled, but only Nalan Wushuang was not seen. This has to be suspicious.

Wen Chou Chou, Ren Yingying and others also looked at each other in dismay.

Yes, after fighting for so long, the battle is over, and I haven’t seen Nalan Wushuang, so nothing will happen, right?

Soon, Wen Chou Chou took the lead in reacting, and comforted Elder Feng and everyone: “Don’t worry, Miss Nalan is lucky, she will be fine.”

After saying that, Wen Chou Chou looked around at the Five Poison Sect’s main altar: “The environment here is complicated. Maybe Miss Nalan ran into trouble and hid for the time being. Let’s look carefully to see if there are any secret passages, dark rooms, etc.”

In fact, Wen Chou Chou was not sure what happened to Nalan Wushuang . What, say that, just to appease the emotions of the Xia Yinzong tribe.

Huh....

Hearing this, Elder Feng and Elder Huo looked at each other and nodded.

“Palace Master Wen is right.”

“Quick, everyone goes to search. Even if this place is turned upside down, we will find the whereabouts of the head.”

After receiving instructions, the members of the Ouyang family and the members of the Xia Yinzong quickly dispersed. Kailai, carefully searched the main altar of the Five Poison Sect.

boom!

While searching, suddenly, the stone gate at the entrance to the main altar of the Five Poison Sect was smashed to pieces.

When the news came, the Ouyang family and the people from the Xia Yin Sect were all taken aback, and immediately gathered to check the situation.

This....

at the entrance of the main altar, seeing the scene in front of you, whether it is Wen Chou Chou or Elder Feng and everyone else, they are all stunned there.

I saw hundreds of thousands of troops swarming in, surrounding the entire Five Poison Sect general altar like an iron barrel!

These hundreds of thousands of troops, wearing uniform silver armor, armed with long spears, were imposing. Wen Chou Chou could see at a glance that this army had a unique mark on the hearts of no one.

It is the exclusive symbol of the Imperial Guard of the Nagumo Continent.

The Imperial Guard is the elite of the Nagumo Imperial Family! The combat power was amazing. Back then, Yang Jian led the Northern Ying army to attack the Nanyun Continent. It was these imperial guards who fought desperately to resist, and the Nanyun Continent was not destroyed.

At this time, this Guards Army suddenly appeared in the Five Poison Sect, which made the originally messy Five Poison Sect have an atmosphere of slaughter and solemnity.

Directly in front of the Janissaries is a chariot made of gold.

On the chariot, a slender figure sat quietly, dressed in a gorgeous dragon and phoenix robe, which showed the graceful figure vividly, but the beautiful face showed a hint of coldness.

The whole body is also filled with a royal majesty that cannot be desecrated.

It is Long Qianyu!

At that time, Mo Zun succeeded in shaping his body, causing a vision of heaven and earth. At that time, Long Qianyu did not hesitate, and directly led the army to check it out.

Long Qianyu?

At this time, seeing Long Qianyu, whether it was Wen Chou Chou or Sun Dasheng and others, his face became complicated.

Chapter 4028

You must know that Long Qianyu had a marriage contract with Yue Feng before, but only a few years ago, Yue Feng had a relationship with her sister, the former queen, and Long Qianyu had a relationship with Yue Feng. The hatred grew, and after that, Long Qianyu sent troops to the Ouyang family more than once to forcibly take Long Qianying and the children, but they were all repelled by the Ouyang family.

It can be said that between Long Qianyu and the Ouyang family, there is an inexplicable and inexplicable grievance.

At this time, Long Qianyu suddenly led the army to appear, which was not a good thing for the Ouyang family.

Um?

At the same time, Long Qianyu also frowned.

She clearly saw that the entire Five Poison Sect's main altar was full of corpses and blood flowed into rivers, like a hell on earth. Not only that, but there was also the corpse of a huge beast lying on the open space not far away.

Didn't the devil respect him? Why is there no trace?

Thinking to himself, Long Qianyu looked at the members of the Ouyang family and the members of the Xia Yin clan, and realized that he was a step too late.

I have to say that Long Qianyu's aura is really strong, and the person who is almost overwhelmed can't breathe.

However, the Ouyang family, Xia Yinzong and others were not ordinary people, and they quickly recovered. Immediately, Elder Feng took a deep breath, took a step forward slowly, and said politely to Long Qianyu: "With such a phoenix appearance, it must be Her Majesty Queen Nanyun."

The situation on the mainland is still well understood.

In the entire Kyushu, only Nanyun Continent is ruled by the Queen, so Elder Feng immediately concluded that Long Qianyu was in front of him.

Long Qianyu's delicate face did not fluctuate in the slightest. He looked at him coldly, with a forceful aura: "Who are you?"

For more than a year, Long Qianyu has been staying in the palace, living in seclusion, and naturally does not know Xia Yinzong and others.

call!

Elder Feng exhaled and cupped his hands: "I'm going to be the elder of Xia Yinzong."

Xia Yinzong?

Hearing this, Long Qianyu frowned, a bit of contempt flashing in his eyes, what kind of Xia Yinzong, never heard of it.

Thinking to himself, Long Qianyu asked coldly: "What's going on here? Didn't you say that the devil respects life?"

Feeling Long Qianyu's contempt, Elder Feng didn't care, so he put the previous experience as simple as Say it again.

Demon is gone?

Knowing the situation, Long Qianyu frowned and thought secretly.

"What's the matter with him?"

However, at this time, the fiery elder Huo couldn't help it, and shouted at the elder Feng: "What kind of queen does she care, it's the most important thing for us to find the head now, you and her What are you talking about?"

Nalan Wushuang disappeared, and Elder Huo was anxious. At this time, seeing Long Qianyu putting on airs, he couldn't bear it any longer.

Swish!

Hearing this, Long Qianyu's pretty face froze, and he was very angry.

"Bold."

At the same time, one of the generals shouted angrily, pointing at Elder Huo and angrily: "Dare to be disrespectful to Her Majesty the Queen, courting death?" The

voice fell, and the hundreds of thousands of guards behind him swept together. Brush out the long knife.

In the face of this situation, Elder Huo was not wrong at all, he was about to refute with a sneer, but before he could speak, he was interrupted by Sun Dasheng.

“Long Qianyu!”

At this moment, Sun Dasheng took a step forward, looked directly at Long Qianyu, and said with a half-smiling smile: “What do you mean? Demons respect life, and it is about the safety of Kyushu. Our Ouyang family and Xia Yinzong, risking destruction, only after eradicating these minions from Demon Venerable’s subordinates, you appeared right after the fight.”

“When we were fighting with the Five Poison Sect, you disappeared. Now that the battle is over, you are here to show off your strength. Are you embarrassed?”

and Like Elder Huo, Dasheng Sun also has a hot personality. When he saw Long Qianyu trying to bully others, he couldn’t help it.

Hearing this, Long Qianyu was furious, and his delicate body trembled faintly.

But she held back.

“Everyone!” In the

next second, Long Qianyu looked around, his eyes swept over the members of the Xia Yin Sect and the Ouyang Clan: “The devil respects life, and it matters a lot. In this case, we on the mainland of Kyushu, need to be closely united!”

After speaking, Long Qianyu gave Sun Dasheng a deep look: “For the time being, put aside the previous grievances. So I don’t care about what you said just now.”

Chapter 4029

Huh?

At this moment, both Sun Dasheng and Wen Chou Chou were all stunned.

This Long Qianyu suddenly became so open-minded, not like her personality.

Soon, Wen Chou Chou reacted and smiled at Long Qianyu: “It’s best if you want to let go of the past. I don’t know what you plan to do next?”

Long Qianyu smiled and said slowly: “Wen Chou Chou, you are the hall master of the Hall of Longevity, and you have a long-term plan. You should be very clear about the situation in Kyushu. The Demon Venerable is so powerful that it is impossible to compete against it by relying on the strength of one party alone.”

“At this time, the Demon Venerable disappeared. Before he comes back, we must unite in Kyushu, and all the forces must be dispatched in a unified way to be able to compete against it.”

Speaking of this, Long Qian's tone was unquestionable: "So, I want you, the Ouyang family, and this Xia Yinzong, from now on, join us. This is a major event related to the safety of our Kyushu, I hope you can take care of the overall situation." The

last sentence fell, Long Qianyu's beautiful face was full of pride.

That's right, the reason why Long Qianyu didn't turn against Dasheng Sun just now was because he wanted to merge the Ouyang family and the Xia Yinzong.

Although Long Qianyu is a daughter, she is very talented. Before she became the queen, she was a famous female god of war in the Southern Cloud Continent. After becoming the queen, she vowed to develop the Southern Cloud Royal Family and call it the Supreme of Kyushu.

And recently, the matter of Demon Venerable has caused panic among people in Kyushu. For Long Qianyu, this is a great opportunity to make achievements.

As long as the Nayun Royal Family can be placed on the top of Kyushu, Long Qianyu will naturally not take the personal grievances in the past.

What?

what does she say?

At this moment, hearing Long Qianyu's words, the entire Ouyang family and even the members of the Xia Yin Sect were stunned. Then, one by one complex expressions.

This Long Qianyu is really ambitious. He actually wants to annex the Ouyang family and the Xia Yin Sect?

"Long Qianyu, don't do this!"

Finally, after a moment of silence, Sun Dasheng finally couldn't bear it anymore. He was the first to come out, staring at Long Qianyu and scolding: "You look down on yourself too much, But a female class, why let us join you and follow your command?"

Wen Chou Chou took a step forward and said, "Yes, we should be united in dealing with the Demon Venerable, but we don't have to join. You can do it, Long Qianyu, if you want to use this as an excuse to annex the Ouyang family, then I'm sorry, but I advise you to give up."

Hearing this, Long Qianyu chuckled and ignored it.

But one of the generals below was unforgivably angry, and scolded Sun Dasheng and Wen Chouchou angrily: "It's your honor to do things for Your Majesty if you don't know how to lift things up. Don't

you know how to lift things up.” Do you have the strength to refuse?”

Whoops!

Hearing these contemptuous words, everyone in the Ouyang family was extremely indignant.

The members of the Xia Yin Sect couldn't listen anymore, and they were filled with righteous indignation. Together with the members of the Ouyang family, they all started to refute!

“It's a joke, our dignified Yinzong has been passed down for nearly ten thousand years, but it is said to be a 'rabble crowd'? You Nagumo royal family, your tone is really not small!”

“Even if all forces in Kyushu unite and need to elect a commander, it will be not your turn to Nanyun Continent!”

“That's right, don't think we're scared because you have too many people!”

The Ouyang family and Xia Yinzong, who had just joined forces to deal with the Five Poison Sect and Bai Yunfei, were now more united in the face of Long Qianyu's strength.

Especially Long Qianyu's arrogant attitude made the Ouyang family and the people of Xia Yinzong even more upset.

“Okay, very good!”

Listening to everyone's rebuttals and ridicule, Long Qianyu's face flushed red, his anger rose, and he nodded coldly and said, “I planned to throw away the previous grievances and give you a chance, but I didn't expect you people, So ignorant of praise. Since you insist on courting death, then I will fulfill you!”

Speaking of this, Long Qianyu's eyes fell on Sun Dasheng and Wen Chouchou:
“Especially your Ouyang family, I have repeatedly tolerated it, and even voluntarily backed down. , but you are toasting and not eating and drinking, and since that's the case, let's count it as an old account!”

Chapter 4030

When he said this, Long Qianyu couldn't hide his anger!

At the same time, Long Qianyu didn't forget to look around, trying to find Yue Feng's figure. After all, Yue Feng is the strongest in the Ouyang family. If he hides in the dark, it will be very troublesome.

At this time, Long Qianyu did not know that Yue Feng was not in the Kyushu continent at this time.

“If you want to do it, come.”

Sun Dasheng’s fiery personality is almost at a point. At this time, he can no longer hold back the anger in his heart, and suddenly burst out: “If you want to settle the account, okay, let’s make a good calculation today, You sent an army to encircle the Ouyang family and killed so many of us, and today you will pay your debts with blood!”

Om!

The words fell, and Sun Dasheng’s dantian’s inner power exploded, and he saw a golden light flashing, and the opening axe was tightly held in his hand.

At the same time, the elder Huo next to him was also full of fighting spirit, and said to the people around him: “Scholars can’t be humiliated. We were here before, how could we be at the mercy of a woman? Even if we die today, we can’t give in!”

“Not bad!”

“Isn’t it just the hundreds of thousands of Nanyun army? Fighting with them!”

At this moment, the elders of the wind next to them all nodded in agreement.

“Everyone obeys!”

Listening to the clamor of everyone, Long Qianyu’s beautiful face was full of murderous intent, and he shouted: “Destroy all these people, and leave none of them!”

Don’t blame me if you don’t have a chance. Ruthless.

“Yes!” The

voice fell, and the hundreds of thousands of Guardsmen, with great momentum, drew out their long knives one after another, and without a word of nonsense, rushed directly into the crowd of the Ouyang family and the Xia Yinzong.

“Ah!” The

Ouyang family and the Xia Yin Sect had just ended their fierce battle with the Five Poison Sect, and their strength had not recovered. Facing the attack of the Imperial Guards, many people could not react in time, and only heard a few screams. The few people didn’t have time to dodge and fell to the ground.

“You...”

Seeing this scene, Wen Chou Chou's face turned pale, glaring at Long Qianyu, extremely frightened: "Now the enemy of the entire Kyushu is the Demon Venerable, but you have to provoke disputes and kill each other, you are crazy "

Long Qianyu is suspended in the air, his delicate face is full of coldness: "Shut up for me, I tolerated everything about your sister in the past, and I gave you the last chance just now. It's yourselves. I'm not sure, no wonder !!"

Long Qianyu was inexplicably furious when he thought that Yue Feng and his elder sister had a dark knot on their backs when they had a child.

Angered, Long Qianyu lost his senses completely, pointed at Wen Chou Chou and shouted, "Damn you all, everyone should die!"

"Kill!"

Facing Long Qianyu, who had lost his sense, Wen Chou Chou stopped talking nonsense. , with a roar, holding a long sword in his hand, he rushed towards the Guards!

He knew that today Long Qianyu was determined to destroy the Ouyang family, so it was useless to talk too much, and he could only resist desperately!

"Kill!"

At this moment, the Ouyang family and the members of the Xiayin Sect also reacted, pulling out their weapons and fighting with each other.

However, the strength of the Ouyang family and the Xia Yin Sect did not recover. In the face of hundreds of thousands of imperial guards, the disparity in strength was too great. in a pool of blood.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Five Poison Sect!

The fierce battle is getting worse.

Although the strength of the two sides is too great. However, the Ouyang family, Xia Yinzong and the others did not flinch at all, they rushed forward without regard for their own lives, all of them were red-eyed.

A bloody smell gradually filled the air, and in mid-air, it seemed to condense into a layer of blood mist!

In the blink of an eye, ten minutes passed, and nearly half of the Ouyang family and Xia Yinzong had fallen!

However, the remaining people are still stubbornly resisting.

“Want to destroy us? Your strength is not enough!”

Sun Dasheng roared, his eyes were blood red, howling, and the opening axe he said swung out fiercely, and saw a golden light burst out, and suddenly, there were a few The ten Guards were swept away, blood spurting wildly, and after they landed, they lost their breath.

The ultimate husband in Chinese chapter 4031-4040

Chapter 4031

Hiss...

Seeing this scene, the surrounding Guards couldn't help but gasp.

This Sun Dasheng deserves to be a famous peak powerhouse.

Especially the power of this opening axe is too terrifying.

After the fierce battle began, Long Qianyu held the identity of the queen herself, and did not take action, but suspended in mid-air, watching the battle coldly.

At this time, seeing Sun Dasheng like a tiger going down the mountain, madly killing his subordinates, Long Qianyu's pretty face blushed, and he was furious. He coldly shouted: "Deal with this Sun Dasheng first.

" But Long Qianyu could clearly feel that the opening axe consumes a lot of internal energy, and Sun Dasheng kept urging the opening axe, and the internal energy was quickly consumed.

Perceiving this, Long Qianyu decided to let more people besiege Sun Dasheng. As a result, Sun Dasheng's internal power would soon be completely wiped out, and it would be easy to kill him at that time.

As long as Sun Dasheng, Ouyang family and Xia Yinzong are killed, their morale will drop.

"Kill!"

Hearing Long Qianyu's order, tens of thousands of Imperial Guards instantly locked Dasheng Sun, urging their figures one by one and besieging them.

"Great Sage!"

"Sect Master Sun!"

Seeing this situation, Wen Chou Chou and Elder Feng were all taken aback, exclaiming at the same time, they were about to rush over to save the siege, but there were too many guards around, and they couldn't beat it at all. Come.

"Haha!"

This chapter is provided by . Visit for daily update.

Seeing the tens of thousands of Guardsmen besieging, Sun Dasheng was not at all nervous. On the contrary, he was full of fighting spirit and shouted: "Just rely on these stragglers, if you want to kill me, come on."

Under the howl, Sun Dasheng clenched the Heaven-Opening Axe and waved it wildly.

Just saw the golden light, madly raging, the soldiers of the Guards, who had no time to dodge, were swept by the golden light, screamed and fell in a pool of blood.

At this time, Sun Dasheng was like a god of war, and within 100 meters of his body, it was like an Asura slaughterhouse.

However, Long Qianyu's perception was correct, the opening axe consumes a lot of internal energy. At this time, Sun Dasheng kept urging the opening axe, and the internal energy consumption was very serious. Gradually, the movement slowed down.

"Go to hell, Sun Dasheng!"

Seeing this scene, Long Qianyu didn't hesitate at all, let out a coquettish cry, and his figure came out, like a bolt of lightning, coming straight towards Sun Dasheng.

That's right, the reason why Long Qianyu has not shot is because he is waiting for an opportunity. You must know that the power of the opening axe in Sun Dasheng's hand is too terrifying, so Long Qianyu asked the Imperial Guard to consume Sun Dasheng's internal strength first.

At this time, seeing that Sun Dasheng's internal strength was almost exhausted, Long Qianyu did not hesitate and made a decisive move.

hum!

Long Qianyu's speed was very fast, and in the blink of an eye, he was behind Sun Dasheng, and a powerful aura burst out from his body. .

"Long Qianyu!!!"

At this moment, seeing Long Qianyu's surprise attack from behind, Sun Dasheng was shocked, his eyes were blood red, and he roared with gnashing teeth.

He never thought that this woman would be so vicious and use such despicable means.

"Yufeng Sword Art!" The

cold four words came out of Long Qianyu's mouth, and the surrounding air was suddenly torn apart. Then, an illusory sword shadow condensed. This sword shadow is more than ten meters long. , surrounded by strong winds, which is very amazing.

Yufeng Sword Art is a sword art secreted by the Nanyun royal family. Because it is too profound, no one has ever mastered it. After Long Qianyu became the queen, it took half a year to successfully comprehend it with his extraordinary talent.

Mad!

Feeling the power of the illusory sword shadow, Sun Dasheng was both angry and shocked.

As soon as this Long Qianyu came up, he made a killing move. This was to kill him.

hum!

Long Qianyu didn't talk nonsense, and when he raised his jade hand, the illusory sword shadow ripped apart the world and burst towards Sun Dasheng.

At that time, Sun Dasheng didn't have time to think about it, and quickly put the Kaitian Axe in front of him to resist!

Bang!

In the next second, Jianying slammed into the sky-opening axe, and heard a huge shock, Sun Dasheng let out a muffled groan, and the whole person was shocked and flew out, and it flew more than 100 meters away before it was heavy. fell to the ground.

When facing the siege of the Imperial Guards just now, Sun Dasheng urged the opening axe, which had consumed a lot of internal energy. At this time, he could not resist Long Qianyu's stunt.

Chapter 4032

"Great Sage!"

"Master Sun!"

Seeing this scene, Wen Chou Chou and Elder Feng couldn't help exclaiming. More and more, almost impossible to move.

"Sun Dasheng!"

At this time, Long Qianyu's figure landed gracefully, and his eyes were fixed on Sun Dasheng, showing arrogance and coldness: "What if you have an axe? In my eyes, you are just a reckless man. "

Speaking, Long Qianyu paused, and said coldly: "I will give you one last chance, do you surrender?"

Hu!

Hearing this, Sun Dasheng took a deep breath and chuckled, without the slightest hesitation: "Joke, I, Sun Dasheng, respect the heaven and my parents, and let me be willing to surrender to the people who have not yet been born. How old are you?"

"Okay, You have a lot of backbone!"

Long Qianyu's delicate face was extremely red, and his heart was even more ashamed and angry: "Then let me see if it's your bones or your mouth." As

he spoke, Long Qianyu's inner strength exploded, and he walked towards Sun Dasheng step by step.

A terrifying aura filled the entire battlefield!

Mad!

Seeing Long Qianyu getting closer and closer, especially feeling the powerful killing intent, Sun Dasheng was angry and panicked. He was a hero of his own life. Could it be that he was going to die at the hands of this woman today?

I'm so unhappy.

"Stop it!"

"Long Qianyu, if you dare to touch the Great Sage, I am at odds with you."

Seeing this scene, Wen Chou Chou, who was not far away, and Elder Huo and the others couldn't help shouting angrily.

Especially Wen Chou Chou, his eyes were blood red, and he lost his mind in an instant. More than ten years ago, he made a blood alliance with Yue Feng and Sun Dasheng, became brothers of the opposite sex, and vowed to live and die together, how could he watch the Dasheng being killed ?

Howling, Wen Chou Chou was about to break through the siege and rushed over to save Sun Dasheng. However, just after a few steps, he was stopped by the guards who rushed up.

At the same time, Ren Yingying and Elder Huo were also dragged so tightly that they couldn't escape.

"Go to hell!"

At this time, Long Qianyu's pretty face was icy cold, and when he got to the front, he gave a coquettish shout, and immediately raised his jade hand and slapped it directly on the top of Sun Dasheng's head.

Seeing the call from Long Qianyu's palm, Sun Dasheng's face was miserable, and his heart was completely desperate.

Brother Wen, Fengzi!

See you in the next life.

"Great Sage!"

At the same time, Wen Chou Chou couldn't help shouting, his heart was burning, and the tears couldn't stop flowing. His brother was about to be killed, but he was helpless. At this time, Wen Chou Chou felt like a knife in his heart.

"Whoosh!"

Seeing Long Qianyu's palm, he was about to slap it on top of Sun Dasheng's head. At this critical moment, a stream of light suddenly shot out, like lightning, and hit Long Qianyu's jade hand.

Um?

Long Qianyu reacted quickly, his delicate body flashed, and dexterously avoided, his delicate face was full of anger.

I saw that after the streamer was avoided by Long Qianyu, it was directly embedded in a stone not far away, crystal clear and white.

It turned out to be a white jade token.

What a powerful force.

At this moment, while Long Qianyu was angry, he was also extremely shocked.

The white jade is very fragile, but the comer can rely on the internal force to sink the white jade into the stone, and the white jade has not been damaged in the slightest. This method is really shocking.

Could it be Yue Feng?

Wow...

At the same time, seeing this scene, Wen Chou Chou everyone was stunned for a moment, and then they all became inexplicably excited.

Great, the wind must be back.

Because other than Yue Feng, in Kyushu, who else has such a clever means?

“Long Qianyu!”

Just when everyone was stunned, they heard a coquettish shout, which sounded from the sky not far away, and then saw a charming figure coming from the sky.

Wearing a long white dress, she looks astonished, like a fairy who has fallen into the mortal world.

It was Su Qingyan.

At that time, in Tianxiang Valley, Nalan Wushuang was poisoned with poison, and there was no cure. When he was about to die, he handed over all his inner strength to Su Qingyan.

After Su Qingyan buried Nalan Wushuang, she left Tianxiang Valley and went to the Ouyang family for the first time. Only after arriving did she learn that the Ouyang family had come to the Five Poison Sect. At that time, Su Qingyan didn't hesitate and rushed over directly.

“Su Qingyan?!”

Seeing Su Qingyan, Long Qianyu frowned, and there was a trace of coldness in his eyes.

Chapter 4033

Long Qianyu hated Yue Feng to the core. When he saw his woman, he naturally hated him. More importantly, Sun Dasheng was about to die at his own hands, but was interrupted by Su Qingyan at a critical moment. Not angry?

Phew...

At the same time as being angry, Long Qianyu was also secretly shocked. At this moment, she could clearly feel that Su Qingyan in front of her was much stronger than before.

It was actually the late stage of the Tribulation Realm.

impossible!

Feeling this, Long Qianyu was both shocked and resentful. You must know that after she became the Queen of Nayun, she has been taking the treasures of heaven and earth in the palace for all these years.

What made her even more unacceptable was that the original strength of Su Qingyan was comparable to hers, but at this time, Su Qingyan's realm was two levels higher than hers.

Why?

Despite being shocked and furious, Long Qianyu remained somewhat calm and looked behind Su Qingyan to see if Yue Feng was following.

“Qingyan...”

“It's Qingyan's younger brother and sister...”

“Haha.”

At this time, Wen Chouchou, Sun Dasheng and others also reacted, and they were all very happy.

Although it was not Yue Feng who appeared, everyone was extremely happy when they saw Su Qingyan appearing. Speaking of which, it has been nearly two months since Su Qingyan was deceived by Bai Yunfei.

In the past two months, Yue Feng and Ouyang's family have inquired about Su Qingyan's news everywhere, but they found nothing at all. Now that Su Qingyan is safe and sound, how can they be unhappy?

“Great Sage, Brother Wen...”

Feeling the joy of everyone, Su Qingyan was also very happy, and said hello with a light smile. Immediately, Su Qingyan turned her head to look at Long Qianyu: “Long Qianyu, why do you insist on getting

along with the Ouyang family? Can't you write off those grievances in the past? Do you have to die forever?”

Su Qingyan's beautiful face was very indifferent.

But seeing the situation around him, he was extremely tender and angry, and his tender body also trembled.

Su Qingyan was suspended in midair, looking around at the situation below, she could see that the entire Five Poison Sect was like a hell, and many disciples of the Ouyang family fell in a pool of blood.

Not only that, but Wen Chou Chou and Ren Ying Ying were all injured.

“One write-off?”

Hearing this, Long Qianyu smiled contemptuously, with a bit of coldness and hatred on his delicate face: “If it wasn’t for Yue Feng, our Nanyun royal family would not be called the laughing stock of Kyushu, don’t I thought that after so many years, I would forget.”

After speaking, Long Qianyu raised her jade hand and pointed at Su Qingyan: “Is Yue Feng hiding around? Let him show up.”

In Long Qianyu’s heart It is believed that Yue Feng is nearby.

After all, his relationship with Su Qingyan was so good that they were almost inseparable. Now that Su Qingyan is here, Yue Feng must be nearby.

Swish!

The words fell, and everyone’s eyes were focused on Su Qingyan.

If Fengzi was nearby, Long Qianyu in front of him wouldn’t have to be afraid of her.

“Yue Feng?”

However, under everyone’s attention, Su Qingyan shook her head and said with a complicated expression: “He is not with me.”

Yue Feng didn’t come?

Long Qianyu was stunned for a moment, and then smiled contemptuously: “Since Yue Feng is not here, you should die with these people.” As he

spoke, Long Qianyu stared at Su Qingyan tightly, her beautiful face was as cold as frost, and her jade hand froze. Hui: “All the officers and soldiers obeyed the order and killed all the people like the Ouyang family and Xia Yinzong! Also, take this Su Qingyan for me .

“

One after another, they responded, and they burst out immediately, thinking about Su Qingyan and rushing up.

“Want to destroy the Ouyang family, dream!” A

cold voice came from Su Qingyan’s mouth, and in the next instant, Su Qingyan’s jade hand slowly raised, only to see palm shadows condensed in the air.

“Thousands of Shadowless Palms!”

Su Qingyan shouted tenderly, her jade fingers pointing at the thousands of guards who were besieging her.

That’s right, what Su Qingyan performed was exactly the unique kung fu technique that Nalan Wushuang taught before his death. Speaking of which, Xia Yinzong’s kung fu technique was very unique. While giving it to Su Qingyan, he also passed on all the exercises he had learned to Su Qingyan.

Chapter 4034 Huhuhu

... When the

voice fell, I saw the countless palm shadows, as if they had spirituality, roaring up, carrying a terrifying power, to meet the guards.

“Ah...”

In an instant, thousands of palm shadows erupted and hit those Guards hard, and then a scream came out, and ordinary people were shot down on the spot and fell heavily in a pool of blood. among.

At this...

At this moment, Wen Chou Chou and everyone in the Ouyang family are both worried and excited.

I haven’t seen each other for a while, but Su Qingyan’s strength has become so powerful?

And... what kind of exercises did she practice, why haven’t you seen it before?

At the same time, Elder Huo and Elder Feng, as well as the followers of Xia Yinzong, frowned secretly.

This... This Su Qingyan performed, seems to be the unique skill of Xia Yinzong’s town school ‘Wuxiang Qianjie’, Wuxiang Qianjiu, only the head of Xia Yinzong can practice it, it is never rumored, this Su How did you learn to smoke?

Especially Elder Huo and Elder Feng, their eyes were fixed on Su Qingyan in midair with extremely complicated expressions.

Huh...

This scene angered Long Qianyu, who could have wiped out the Ouyang family and Xia Yinzong together, but Su Qingyan suddenly appeared, disrupting everything.

At this time, Long Qianyu was suspended in mid-air, seeing his own guards, dead, wounded, and his delicate face was full of gloom.

"All officers and soldiers obey the orders." Long Qianyu's delicate body trembled, and he shouted: "Don't confront Su Qingyan, hold her back for now. For the rest, get rid of the Ouyang family and Xia Yinzong as soon as possible, hurry up!"

When he shouted these words, Long Qianyu's eyes were full of cruelty.

Whoa!

As soon as the words fell, several thousand more imperial guards came to besiege Su Qingyan, while the rest revived and continued to attack Wen Chou Chou.

"Ah..." The

strength of the two sides is already somewhat disparate, and many people from the Ouyang family, as well as the disciples of the Xia Yin Sect, have been unable to fight any more due to the consumption of internal strength. At this time, under the charge of the Imperial Guard, many people suffered screamed and fell in a pool of blood.

"Crazy."

Seeing this situation, Su Qingyan was furious, looked at Long Qianyu and said, "You are really a lunatic."

Long Qianyu chuckled, unable to hide the hatred in his heart: "I am crazy. Now, you thought you were strong enough to turn the situation around, but you were wrong, you are only one person, and I have an army of half a million guards."

"I tell you, today is a heavy price to pay, and I'm going to be destroyed. The Ouyang family." The

last word fell, and Long Qianyu's delicate body flashed like a shock, entering the battlefield and fighting with Wen Chou Chou and the others.

hateful!

Su Qingyan was very anxious and wanted to rush over and join up with Wen Chou Chou, but there were too many Guards in front of her, rushing up like a tide, and it was almost impossible to kill them all.

Long Qianyu's plan was very successful, using tens of thousands of janitors to hold Su Qingyan back, while herself, with the remaining hundreds of thousands of janitors, besieged Wen Chou Chou and everyone else.

Bang bang bang.

In the blink of an eye, a few minutes later, I saw the Ouyang family and the Xia Yinzong, and thousands of people fell.

Seeing this scene, Su Qingyan was completely anxious, and she shouted: "Long Qianyu, if you think this can hold me back, then you are very wrong!"

hum!

As soon as the words fell, Su Qingyan's inner strength exploded completely, and in an instant, the air around her body suddenly condensed, and a terrifying force spread out from her delicate body crazily!

"Fire Cloud Palm!" The

cold four words came out from Su Qingyan's mouth. The moment the last word fell, the sky above his head burst with thunder, and the sky and the earth changed color.

Just saw Su Qingyan's jade hand raised, her eyes looking up at the sky, her delicate face was extremely solemn and solemn.

"What a powerful force..."

"What kind of skill is this?" The

sky changed suddenly. At that time, many people looked up subconsciously and saw that the sky was densely covered with dark clouds and thunderous, as if the end of the world.

In particular, the hundreds of thousands of Guards were all inexplicably panicked. They could feel that in the dark clouds, there was a terrifying force that was rapidly gathering.

"Fire Cloud Palm?" At this time, Elder Feng was also looking up at the sky, but his expression was extremely complicated, and he couldn't help but murmured.

Hearing this, Wen Chou Chou next to him asked subconsciously, "Elder Feng knows this skill?"

Chapter 4035

Elder Feng's face was complicated: "Of course I know it, this is the last trick in our Xia Yinzong's sect's unique technique 'Wuxiang Qiangong'."

What?

What Su Qingyan was using was the unique skill of Xia Yinzong?

At this moment, Wen Chou Chou was stunned, and only felt that his brain was buzzing. When did Su Qingyan learn the martial arts of Xia Yinzong?

Just when Wen Chou Chou was secretly wondering, he heard Elder Feng continue: "Wuxiang Qianjue Gong, never spread, especially this last trick 'Huoyun Palm', which is very profound, unless we teach it personally, Otherwise, it will be difficult to comprehend. And this Su Qingyan is so skilled... Could it be that she was with our head before?"

This...

Hearing these words, Wen Chou Chou's mind was instantly confused, if Nalan Wushuang taught Su Qingyan's unique skills, why didn't he see anyone?

Also, why did Nalan Wushuang pass on the unique skills of Xia Yinzong to outsiders without reservation?

hum!

At this moment, I saw the dark clouds in the sky, suddenly rolling violently, followed by a fiery red palm shadow, which appeared in everyone's sight.

The palm shadow, surrounded by crimson flames, became larger and larger as it landed, and at the end, it was several hundred meters in diameter.

boom!

This flaming cloud palm slapped the ground fiercely, and the terrifying palm force enveloped the more than 20,000 janitorial guards. In an instant, a roar resounded through the sky, and the surrounding area was filled with dust and smoke.

The Guards, who were shrouded in palm shadows, all died tragically, without exception, and there was no time to escape.

Hiss...

Seeing this scene, the rest of the Imperial Guards trembled and couldn't help gasping for air.

A palm shadow has such power, this is too perverted.

At this moment, Long Qianyu was also shocked, his delicate face was extremely ugly.

With just one move, he killed so many of his soldiers. If Su Qingyan didn't get rid of it, he would suffer endless troubles in the future.

boom!

Just when Long Qianyu was distracted, Wen Chouchou found an opportunity and burst out quickly. He slapped Long Qianyu's back with a palm, and heard Long Qianyu groan, his tender body trembled, and he was directly knocked back a few times. Ten steps.

"Pfft..."

After stabilizing his figure, Long Qianyu spat out a mouthful of blood, his face instantly pale. At the same time, he stared at Wen Chou Chou, terrified.

"Long Qianyu, you are defeated!" Wen Chou Chou said lightly.

Long Qianyu did not respond, but quickly adjusted the disordered internal strength, and then shouted at the remaining Guards: "Withdraw, the whole army is evacuated."

When he shouted this sentence, Long Qianyu clenched his teeth tightly. Lips, the heart is extremely unwilling.

But there was no way. Just now, Su Qingyan broke out a stunt and killed more than 20,000 soldiers in one move, and he was also injured. If he did not withdraw in time, the casualties would increase.

"Evacuate, quickly retreat!"

Hearing Long Qianyu's order, many janissaries shouted, and immediately protected Long Qianyu and retreated to the distance.

"Chase!"

Seeing this scene, Sun Dasheng clenched the opening axe tightly, howled, and chased up one step ahead, but he was stopped by Wen Chou Chou before he chased a few steps.

“Great Sage.” Wen Chou Chou took a deep breath and couldn’t hide his weakness: “Don’t chase after poor thieves. Besides, everyone’s internal energy consumption is very serious, and they don’t have the strength to chase.”

Hearing this, Sun Dasheng looked around and saw that the Ouyang family and the Xiayin Sect were all very weak. They fought against the Five Poison Sect at the beginning, but they didn’t catch their breath after the end, and they were attacked by Nanyun again. Siege of the Continental Guard.

After several fierce battles in a row, no one could bear it.

Ugh!

Seeing this situation, Sun Dasheng was very helpless, sighed deeply, and had to retreat.

“Everyone!”

At this time, Wen Chou Chou looked around and said slowly: “Long Qianyu has a peculiar personality, I’m not sure he will make a comeback, let’s hurry and meditate to recover, just in case.” The

voice fell, everyone nodded, one by one. Sitting there cross-legged, he began to regain his inner strength.

Time passed by minute by minute.

Soon, an hour later, I saw that the pale faces of everyone had recovered some blood.

At this moment, Elder Feng and Elder Huo glanced at each other.

Whoa!

The next second, under the leadership of Elder Feng and Elder Huo, the Xia Yin Sect members stood up one after another and surrounded Su Qingyan.

what’s the situation?

Seeing this scene, Wen Chou Chou and Ren Yingying were all stunned.

What is Xia Yinzong going to do?

The ultimate husband in Chinese chapter 4036-4040

“Su Qingyan!”

At this time, Elder Huo had a hot personality, and he was the first to come out and asked Su Qingyan: “How can you know the unique skills of our Xia Yinzong’s sect of ‘Wuxiang Qianjiu’ ?”

Huh!

As soon as the voice fell, Elder Feng and the surrounding Xia Yin Sect members all looked at Su Qingyan closely, each with complex and hostile eyes.

Faced with this situation, Su Qingyan didn’t panic at all, let out a sigh of relief, and said slowly, “This technique was taught to me by your head Nalan.”

What?

Hearing this, Elder Huo and Elder Feng looked at each other in dismay.

The boss passed it on to her?

How is this possible? Xia Yinzong’s secret skills of the town school are never rumored, this is the iron law of the sect.

“Impossible!”

Soon, Elder Huo reacted and said loudly: “Wuxiang Qianjue Gong is the unique style of our Xia Yin Sect. It is never rumored. Besides, our head and you can’t be friends. Why did I tell you?” The

voice fell, and the surrounding Xia Yin clan members nodded in agreement.

“That’s right, your explanation doesn’t hold at all.”

“There must be something strange about it!”

“As far as I can see, you must have learned something... It’s best to explain it honestly.

This chapter is provided by . Visit for daily update.

”, Wen Chou Chou was also full of doubts, but he acted calmly.

“Everyone, fellow Xia Yinzong.”

At this time, Wen Chou Chou looked around, and finally looked at Elder Huo and Elder Feng and said, “Don’t worry, Su Qingyan is my younger brother and sister, and was once the sect master of Wenzong. There must be a secret about this matter.”

After speaking, Wen Chou Chou tilted his head to look at Su Qingyan: "Brother Qingyan, what is the situation, you should tell me in detail." The

voice fell, and Ren Yingying also said: "Qingyan, just say it directly, so as not to be misunderstood."

Ren Yingying and Su Qingyan have a very good relationship, although she still doesn't know the situation, Ren Yingying firmly believes that Su Qingyan will not do the trick legal matter.

After all, that was a taboo in the arena.

call!

Hearing this, Su Qingyan took a deep breath and nodded, "Okay."

After that, Su Qingyan explained how she was deceived by Bai Yunfei, how she was imprisoned in Tianxiang Valley, and how Nalan Wushuang was poisoned afterward. , and how to break into Tianxiang Valley by mistake, they all said in detail.

Su Qingyan originally planned to tell the situation after taking everyone to Tianxiang Valley, and she was very saddened by Nalan Wushuang's death, and she has not recovered until now.

But at this time, facing Xia Yinzong's questioning, Su Qingyan also knew that she couldn't hide it.

What?

Sect Master.... Sect Master Poisoned?

At this moment, knowing the situation, whether it is Xia Yinzong or Wen Chou Chou, everyone is shocked, and they are all stunned in place.

Su Qingyan sighed, unable to hide her sadness: "Before I left Tianxiang Valley, I buried Sister Nalan there, you all come with me!" After saying that, Su Qingyan rose up and walked towards Tianxiang Valley. go.

The crowd followed without hesitation.

A few minutes later, Tianxiang Valley.

Behind the quiet and elegant yard, the Chou Chou crowd, as well as the members of the Xia Yin Sect, stood quietly in front of a new grave, all in silence.

"Sister Nalan."

At this moment, Su Qingyan took a step forward, tears kept streaming down: "It's all me, I didn't have any confidence at that time, so I helped you cook the antidote, and as a result, your poisoning deepened..."

Speaking, Su Qingyan burst into tears, although she and Nalan Wushuang knew each other for a short period of time, but after spending a few hours here before, Nalan Wushuang's generosity before her death passed on what she had learned to Su Qingyan for free, which made Su Qingyan extremely grateful.

After all, at that time, Su Qingyan had no inner strength in her dantian. If it weren't for Nalan Wushuang, she would still be a waste.

Listening to Su Qingyan's cry, everyone present felt very uncomfortable.

"Miss Qingyan!" At this moment, Elder Feng came out and said

with emotion: "Don't be too sad, the head is unfortunate because of her unfortunate fate. You have done your best at that time."

The elder bowed deeply to Su Qingyan: "Now our Xia Yin sect has no leader, please also ask Miss Qingyan to take over as the head and lead our Xia Yin sect."

Chapter 4037

Puff.

As soon as the voice fell, the surrounding Xia Yin sect members knelt down in an instant and spoke in succession.

"Yeah, please take Miss Qingyan as the head."

"See the head."

"Meet the new head..."

Faced with this situation, Su Qingyan was stunned, even though she had Sect Master Wenzong, I have seen all kinds of scenes, but this is the first time I have encountered such a thing.

You must know that Xia Yinzong is a hidden world sect that has been passed down for nearly ten thousand years. I don't understand it at all. How can I be the head?

Thinking to herself, Su Qingyan quickly shook her head: "...how can I be qualified to be your head?"

Since following Yue Feng, Su Qingyan has taken fame and fortune very lightly.

Huh...

Hearing this, Elder Huo and Elder Feng looked at each other.

Immediately, Elder Feng took a deep breath and said with sincerity: "Miss Qingyan, you have acquired the skills of our previous master, and also inherited the unique skills of the town school 'Wuxiang Qianjue', this master is naturally up to you. Do it." The

voice fell, and Elder Huo also said: "Yes, in the past 10,000 years, as long as you have learned the 'Wuxiang Qianjue', you are the head of Xia Yinzong, Miss Qingyan, you should agree.

" ...

At this moment, upon hearing the words of the two elders, Su Qingyan bit her lip tightly, her delicate face showing embarrassment.

"Haha..."

At this moment, Wen Chou Chou, who had been watching, couldn't help but smile, and then said to Su Qingyan, "Qingyan, since the elders are so sincere, let me see , you promise."

"You got Miss Nalan's exercises, which proves that you have a relationship with the Xia Yin Sect."

When he said this, Wen Chou Chou's eyes showed a bit of wisdom. In his opinion, Su Qingyan became the Xia Yin Sect. It outweighs the disadvantages. After all, the overall strength of Xia Yinzong is very strong. Otherwise, it would not have been so feared by the Heavenly Dao Alliance before. If Su Qingyan became the head, the Ouyang family would have a strong ally in the future.

When the voice fell, Ren Yingying and everyone also comforted them.

"Qingyan, agree."

"Yeah..."

Seeing this scene, Su Qingyan breathed a sigh of relief, and had no choice but to nod: "Okay then."

Seriously, she really didn't want to be a Xia Yinzong The head of the sect, but the kindness is hard to resist. Moreover, before Nalan Wushuang died, he passed all his skills to himself. This kindness will never be repaid in a lifetime. The only thing I can do now is to help her lead Xia Yinzong well. .

Great.

Seeing that she finally agreed, Elder Feng and Elder Huo were extremely happy.

The next second, everyone saluted again.

“Subordinate, I have seen the Sect Master.”

.....

On the other side, God’s Domain!

Imperial Palace.

The Nine Heavens God sat on the throne with an extremely anxious expression on his face.

The many priests below, standing there one by one, are also in a hurry. Just now, there was another news from Gong Ao, saying that the blood formation deployed by the Demon Lord Gone could not be broken at all, and the situation was extremely critical.

In this case, the Nine Heavens God was in a hurry.

“His Majesty—“

At this moment, a figure hurried in, it was Haotian Divine Sovereign.

When he got to the front, Haotian Shenjun said respectfully, and at the same time showed a bit of shame: “I am back, Your Majesty, I am ashamed to say that my Five Poison Sect in Kyushu failed to stop the Demon Lord Gone and let him run away... “

Just before he finished speaking, he was interrupted by the Nine Heavens God.

“Okay, let’s not talk about this for now!”

At this time, the Nine Heavens God had a solemn expression on his face: “Mozun has already gone to Fengmo Mountain. Moreover, the Heavenly Demon Blood Sacrifice Array has been deployed.”

What?

Demon Lord Gone deployed a blood sacrifice formation on the Demon Sealing Mountain?

Hearing this, Haotian Shenjun’s face changed, and his heart shook inexplicably.

As an existence under one person and more than ten thousand people in the God Realm, Haotian God Sovereign certainly knows what it means for the Demon Venerable to deploy a blood sacrifice formation in Fengmo Mountain.

Once Demon Lord Gone is successful, those Demon tribesmen who died in battle tens of thousands of years ago will be reborn and swept across the entire Divine Realm.

“It’s not too late for this matter, take your subordinates and head to the Demon Sealing Mountain!” At this time, the Nine Heavens God took a deep breath and quickly issued an order.

“Yes!”

Haotian Divine Monarch did not dare to neglect, and hurriedly walked out of the hall after agreeing.

Soon, hundreds of thousands of divine soldiers and generals, led by Haotian Divine Monarch, rushed to Fengmo Mountain.

Chapter 4038

Swish!

Seeing the scene in front of him, whether it was the god of Haotian or the nerves of hundreds of thousands of divine soldiers, they were all stunned, each with a chill down their spines.

I saw that the Demon Sealing Mountain in front of me was completely shrouded in a blood-colored fog.

On the periphery of the thick fog, a lot of magic soldiers were thrown down in various directions. At the same time, not far away, Gong Ao was still organizing the remaining magic soldiers for the next charge.

At the beginning, Gong Ao and Yue Feng brought 20,000 divine soldiers to check on the situation of Fengmo Mountain. When they arrived, they saw Demon Lord Gone deploying the blood formation. At that time, Yue Feng thought of a way to break the blood formation. At a critical moment, Gong Ao plotted behind his back.

After Gong Ao plotted against Yue Feng, he pretended to go back to Jiutian God to report the situation. Then, under the instructions of Jiutian God, he returned to Fengmo Mountain to monitor the situation here.

Jiutian God repeatedly told Gong Ao that he should not act rashly, just report the situation at any time.

However, Gong Ao was in a hurry to make meritorious deeds, so how could he honestly stand still? At that time, after returning to Fengmo Mountain, he immediately organized 20,000 divine soldiers to continuously attack the position of Shengmen, trying to destroy the blood sacrifice formation.

Although Gong Ao hated Yue Feng to the core, he also knew that Yue Feng's accomplishments in the formation technique were not comparable to ordinary people. Since he said that the position of the Shengmen was the key to destroying the entire blood sacrifice formation, he would absolutely Can't go wrong.

But as a result, Gong Ao was extremely depressed. The fog surrounding the blood formation is too terrifying, as long as it is contaminated with Dao, those divine soldiers will become mentally ill and kill each other.

After several attempts, the original 20,000 divine soldiers now only have a few thousand left.

"Your Majesty."

At this moment, seeing the appearance of Haotian God with hundreds of thousands of divine soldiers, Gong Ao was very excited and hurried up to greet him.

call....

Haotian Shenjun looked around, looking at the casualties around him, his face was very ugly: "Gong Ao, what's going on?"

He clearly saw that at the edge of the blood fog, many divine soldiers fell on the ground. There, there was no breath, and behind Gong Ao, the thousands of people were still alive, and they were all very embarrassed.

Uh...

Gong Ao was very embarrassed and explained: "Reporting to the gods, my subordinates have been trying to break this blood formation, so..." Before he

finished speaking, he was coldly interrupted by the gods of Haotian: "Broken Array? Your Majesty told you not to act rashly, why didn't you listen?"

"That's it."

Feeling the anger of the Divine Sovereign Haotian, Gong Ao was sweating profusely, and hurriedly said: "Before, after the Jade Dragon Consort did not act, Zeng Ao After carefully observing the blood formation, the only place where the formation broke is the Shengmen." As he

spoke, Gong Ao pointed to the direction of the Shengmen.

Gong Ao knew that he would end up disobeying his orders. In a desperate situation, he could only put the blame on Yue Feng. After all, Yue Feng was already trapped in the blood formation.

There is no evidence of death, so naturally don't worry.

Hearing this, Haotian Shenjun frowned, waved his hand and said: "It's alright, just follow my orders later, understand?" As he

said, Haotian Shenjun looked in the direction of Shengmen, and couldn't help it Secretly muttered.

Where is the key to breaking the formation? It doesn't look like it anyway.

That Yulong consort, Yuefeng, must have been talking nonsense at that time, otherwise, he would not have been trapped in it.

hum!

Just when Haotian Divine Monarch muttered secretly, suddenly, a terrifying aura wave came, and then I saw a figure rushing out of the blood mist and suspended above the entire blood sacrifice formation.

It is the Demon Lord Gone!

Demon!

Seeing this scene, both Haotian Shenjun and Gong Ao's expressions changed.

In the next second, Haotian Divine Sovereign stared closely at the Demon Lord Gone in mid-air, without hesitation, he raised his hand and waved: "Kill the Demon Lord and destroy the great formation!"

"Remember, avoid the blood fog!"

"Yes, Your Excellency!" The

voice fell, and hundreds of thousands of gods and soldiers responded, and then they rose into the air and charged directly towards the Demon Lord Gone!

In an instant, the aura of hundreds of thousands of divine soldiers and generals erupted, and the entire sky of the Demon Sealing Mountain was distorted, and the momentum was astonishing.

“Another group of annoying ants.” The breath of hundreds of thousands of gods and soldiers came, and the Demon Lord Gone slowly opened his eyes, and a blood-colored light shot out, his cold and arrogant face was full of disdain.

Chapter 4039

“Get out of here!” In the

next second, the Demon Lord Gone said a few words lightly, raised his hand and waved, and suddenly, an extremely violent and terrifying breath burst out, forming a blood-colored storm, heading towards swept around.

“Ah!” The

blood-colored storms, like lightning, came in an instant, and many of the gods and soldiers rushing in front of them were too late to escape, and were instantly submerged, screaming constantly, and thousands of them fell from the air. , fell into a pool of blood.

what! ?

Seeing this scene, both Haotian Divine Sovereign and Gong Ao couldn't help gasping for air!

Is this the strength of the Demon Venerable?

It was so terrifying that thousands of divine soldiers and generals were wiped out in just a few gestures.

Under the shock, Haotian Divine Sovereign's eyes became more and more gloomy. There was a strong fighting spirit all around him.

“Demon Lord!”

Soon Haotian Divine Sovereign calmed down and shouted: “With me here today, you can't revive the demon subordinates here.” After the last word fell, Haotian Divine Sovereign exploded with divine power, like a cannonball. Go to the Demon Lord Gone.

Wherever the figure passes, the world seems to be divided into two worlds.

“Haha!”

However, the Demon Lord Gone just smiled contemptuously: “Haotian Divine Sovereign? You are a defeated general, what qualifications do you have to tell me these words?”

Hearing this, Haotian Divine Sovereign was very embarrassed, and at the same time his heart was angry. Thoroughly stimulated, speeding up.

“God, I’m here to help you.”

Seeing this, Gong Ao’s eyes flickered, and then he shouted, holding a golden spear tightly, and rushing straight towards the Demon Lord Gone.

Gong Ao knew in his heart that with his own strength, in front of the Demon Lord Gone, he was afraid that he would not be able to catch a single move, but this was the best opportunity to perform, and he should not miss it.

Gong Ao thought about it, with Haotian Divine Sovereign present, Demon Venerable wouldn’t target him, he just had to rush up and make a show.

If you defeat the Demon Venerable, it will be a great achievement.

“Looking for death!”

Seeing Haotian Divine Monarch and Gong Ao burst out, Demon Lord Gone sneered, and then urged his figure to attack.

Bang Bang Bang...

In the blink of an eye, Demon Zun Gone and Haotian Divine Sovereign, as well as Gong Ao, fought fiercely in the sky above the blood formation, and saw three figures constantly shuttle back and forth, causing thunder in the air, terrifying breath Surging, the world changes color.

When the two sides first fought, Haotian Divine Sovereign had no certainty in his heart. After all, the other party was the supreme demon of the demon race, and his strength was so terrifying.

After the fight, Haotian Shenjun was pleasantly surprised to find that the strength of Demon Lord Gone was much weaker than before.

Haha...

Gong Ao also found out and was very excited.

This Demon Lord Gone must be doing this because of the deployment of the blood sacrifice array and the consumption of power. Great, this is a great opportunity to kill the Demon Venerable.

Gong Ao guessed right, Demon Lord Gone had consumed a lot of Demon Soul power in order to deploy the Heavenly Demon Blood Sacrifice Array, and his strength at this time was only half of his peak period.

However, in the face of Haotian Divine Sovereign and Gong Ao's pincer attack, Demon Zun Gone didn't panic at all, and kept his eyes on the blood formation from time to time.

At the last moment of the blood sacrifice formation, as long as one persists, hundreds of thousands of demon subordinates will be able to break through the ground and be reborn.

boom!

Soon, Haotian Divine Lord and Gong Ao found an opportunity, and together they condensed a golden ball of light and smashed it on Mozun Gone.

After taking a few dozen steps back, Demon Lord Gone stabilized his figure, but a bit of weakness appeared on his proud face.

"Hehe..." At this moment, Gong

Ao was extremely excited, and laughed proudly at Demon Lord Gone: "The Supreme Demon Race is nothing more than that."

That is to say, it is to deliberately anger the Demon Lord Gone. Once the Demon Lord loses his sense of anger, more flaws will be revealed.

The voice fell, Haotian Divine Sovereign also looked at Demon Zun Gone, and said coldly: "Goni, don't be stubborn, just admit defeat."

"Hahaha..."

Hearing this, Demon Zun Gone's eyes flashed with evil spirits. , Yangtian laughed.

"Do you think that because I have consumed my strength because of the deployment of the blood formation, I can take advantage of the opportunity and control the situation?"

"..."

Chapter 4040 At the

end of the story, the Demon Lord Gone raised his hands slowly, and his thick and deep voice spread throughout the entire Demon Sealing Mountain.

"Great demon warriors, wake up."

Huhu!

When the last three words fell, I saw the blood mist that permeated the blood formation, as if it had spirituality, and quickly gathered towards the bottom, and finally fell into the ground below the big formation.

not good!

Seeing this, Divine Sovereign Haotian's expression changed, he was furious, and his body trembled faintly.

No wonder the Demon Lord Gone consumed his strength and remained so calm.

It turns out... his demon subordinates are about to be resurrected.

Gong Ao on the side was also pale and extremely ugly.

Kachacha...

Just when Haotian Shenjun and Gong Ao were secretly shocked, they heard a strange sound from the ground below the formation, and then, they saw one after another figure breaking out of the ground. .

When I saw these figures, it was a blue skeleton, and in the empty eye sockets, a strange blood-colored light flashed, which was breathtaking.

Hundreds of thousands of skeletons gathered together, and the scene was too shocking.

Huh...

At this moment, seeing the scene in front of me, whether it's the Haotian Divine Sovereign or the surrounding gods and soldiers, I feel chills down my spine and inexplicable chills.

At the same time, there is an unprecedented crisis in my heart.

Demon Lord Gone successfully captured hundreds of thousands of demon subordinates, and this catastrophe was inevitable.

woohoo...

Just when the surrounding gods and soldiers were secretly shocked, they saw blood lines emerging from the ground, and then clinging to those skeletons, forming blood-red armor.

Whoa!

After the blood-red armor was formed, the army of hundreds of thousands of demons saluted the Demon Lord Gone in mid-air,

“Hahaha!”

At this time, the Demon Lord Gone was very excited. After so many years, he could finally be revived. Demons are prestige.

Thinking to himself, the Demon Lord Gone put away his smile, his eyes were suddenly extremely cold, and he shouted: “Demon warriors, you have been buried for so many years, and you have waited a long time for one day.”

“Seeing these magical soldiers around you . Are you a god? Vent out all the grievances in your hearts, and destroy them all, leaving none of them!”

“Ow!” The

voice fell, and the hundreds of thousands of demon tribesmen let out bursts of howl, with a terrifying momentum. Like a beast, it rushed directly to the surrounding gods and soldiers.

“Ah!”

At this time, the surrounding gods and gods were all still in shock. Faced with the sudden attack of the demon tribe, they couldn't react for a while. It was pierced, sprayed with blood, and fell to the ground.

“Damn...”

Seeing this situation, Haotian Divine Sovereign clenched his fists and was furious.

At this time, Demon Lord Gone was full of pride and madness, and laughed at Haotian God Monarch: “Haotian God Monarch, weren't you very confident before? Why can't you laugh now?”

“You thought you brought hundreds of thousands of gods. Soldiers, can you control the situation? Let me tell you, they will all die here today, and none of them can escape!”

Shua!

Hearing these words, Haotian Divine Monarch's eyes were instantly blood red, and he shouted: “You are not proud, it is not necessarily who will win today and who will lose!”
The

voice fell, Haotian Divine Monarch roared, and his divine power exploded, rushing directly into the enemy group.

At the same time, Haotian Divine Sovereign did not forget to shout at the surrounding god soldiers and gods: "All the soldiers of the God Realm, this battle is related to the safety of the entire God Realm, don't back down, even if you fight to the last one, you must annihilate them all. "

Kill!"

At this moment, hearing the encouragement of Haotian Divine Sovereign, many gods and soldiers reacted one after another, mobilizing their inner strength one by one, and fighting fiercely with the demon clan who rushed up.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing sounds echoed in the sky above the entire Demon Sealing Mountain, making the originally gloomy Sealing Demon Mountain become like hell.

The two sides were equal in number and evenly matched, and they were still at a standstill at the beginning.

Gradually, however, the Divine Realm side became unstoppable, and I saw that the ground in the area of the Blood Sacrifice Array collapsed from time to time, and deep holes came out. Those deep holes were all drilled out by the demon tribe Formed, at this time, it seems like a trap, and from time to time there are magic soldiers and gods falling into it.

The ultimate husband in Chinese chapter 4041-4050

Chapter 4041

Wow...

With many companions falling into the deep hole, the formation of hundreds of thousands of divine soldiers and generals was in chaos in an instant.

At this time, no one noticed that at the edge of the blood sacrifice formation, a person lying there also fell into a nearby hole.

It was Yue Feng who was in a coma.

Previously, Yue Feng asked Gong Ao to help him enter the blood sacrifice formation, but was abandoned by Gong Ao at a critical moment. At that time, Yue Feng couldn't bear the powerful pressure of the blood formation and fainted directly.

After fainting, Yue Feng crouched beside the stone pillar of Shengmen.

At that time, Demon Lord Gone's mind was on the blood formation. He felt that Yue Feng was stunned when he broke in, so he didn't pay attention. After that, Haotian Shenjun came, and no one paid attention to Yue Feng.

.....

On the other side, in a dense forest not far from Sealing Demon Mountain.

Shashasha...

In the dense forest, dozens of figures were cautiously approaching the Demon Sealing Mountain, and they saw that these people were dressed in strange clothes, and they were all powerful.

Headed by, are two extremely beautiful women. The slightly larger ones are dignified and quiet, yet dignified. Smaller bright eyes and white teeth, but it gives people a sense of savagery.

This group of people is the demon tribe.

At the beginning, after Yue Feng released the demon clan from the place where the demon clan was sealed, he went to besiege the Yutian Palace. The battle was fierce at that time.

At that time, the ancestors of the Honghuang Dynasty named Yue Feng as Jiutian Xuansheng, and also resolved the grievances between the demon clan and the gods.

After that, the White Tiger King and Qi Cai Lingfeng took the demon clan and lived in seclusion in the northwest area of Fengmo Mountain. In the jungle, I plan to rest here.

This chapter is provided by . Visit for daily update.

In the past two days, the Demon Lord Gone came to the Demon Sealing Mountain to prepare to revive the minions buried in the ground, and the demon clan was alerted at that time.

Today, the White Tiger King sent a team of monsters to quietly come to Fengmo Mountain to investigate the situation.

The two women at the head are the daughters of the White Tiger King.

The older one is called Liya, and the younger one is called Mengya.

The two daughters of the White Tiger King, Liya is dignified and steady, while Mengya is stubborn and willful. It can be said that their personalities are two extremes.

Bang bang bang...

At this time, as it got closer and closer to the Demon Sealing Mountain, I heard the sound of fighting, and the screams kept coming. In an instant, Liya made a gesture to stop everyone.

"There seems to be a fight over there." Liya frowned and said slowly: "Could it be that the Demon Lord Gone has resurrected his subordinates?" The

voice fell, Mengya said disapprovingly: "What the hell happened, you can't tell if you look at it in the past?"

"No way!"

Leah shook her head, her beautiful face was a little dignified: "We can't take risks."

Whether it's Divine Realm or Demon It is not something you can provoke yourself, so you should be careful.

Thinking to herself, Liya ordered to a few of her subordinates behind her, "You guys, Tu Dun go over and take a look, remember, if you find out the news, come back quickly, don't be found out."

"Yes . ." The

voice fell, and several subordinates cast soil escape one after another, burrowing into the ground and heading towards Fengmo Mountain.

Earth escape is a common skill among the demon clan, burrowing into the ground like walking on the ground.

“elder sister!”

At this time, Mengya felt very boring, and said to Liya: “I want to go too.”

Liya said without thinking: “You can’t go, today’s exploration of Fengmo Mountain is no trivial matter, you have to be obedient.” My sister, who is stubborn by nature, will definitely go wrong.

Hearing this, Mengya stomped her feet.

Shasha...

After waiting for a while, I heard the sound of earth drilling, and then, several men who had been sent out by Lia, broke out one after another.

“The Demon Lord Gone really resurrected his subordinates.”

“Yeah, now he is at war with the hundreds of thousands of troops of the Haotian God...”

The two who came out first rushed to report the situation.

Hearing this, Liya frowned and her face suddenly became solemn.

This time it’s troublesome, the Demon Venerable resurrected his subordinates, not only the gods will be in chaos, but the demon clan will also suffer.

“Huh?”

At this moment, the last subordinate drilled out of the ground, and all of a sudden, the eyes around him converged.

I saw that his subordinate was dragging a comatose figure.

It was Yue Feng.

Originally, Yue Feng fell into the cave under Fengmo Mountain, but it was a coincidence that Liya’s subordinates ran into Yue Feng by using the dungeon, and brought it over without thinking at the time.

Chapter 4042

At this moment, Lia and Mengya, as well as the surrounding men, all gathered around.

“This is?”

“Isn't it from the Demon Race?”

Speaking of which, Yue Feng is the benefactor of the Demon Race, and it can be said that he is well-known throughout the Demon Race. However, Liya and her sister Mengya, as well as the men who brought them, are the guard soldiers of the demon clan.

The so-called rear guard means that when there is a crisis in the demon clan, they do not need to rush to the front line, but protect the young and old soldiers of the demon clan. When the vanguard army is at war with the enemy, these guard soldiers are responsible for protecting the old and the weak. Keep the young safe and move them to a safe place.

In other words, these rear guard soldiers are called logistics support personnel in Kyushu.

When Yue Feng took the White Tiger King, Colorful Lingfeng, and the demon clan to leave the sealed land, Li Ya and these guard soldiers were the last ones to come out. Later, Yue Feng and the demon clan besieged Yutian Palace. Ria and these rear guard fighters moved to a safe place.

It can be said that Liya and these guard soldiers have hardly seen Yue Feng.

Moreover, at this time, Yue Feng's face was covered in blood and mud, and he was even more embarrassed than a beggar. In this case, Liya and the others would not associate him with Yue Feng.

call!

Soon, Liya reacted, sighed lightly, and asked the subordinate, “Who is this person?”

Shuh!

The voice fell, and all the eyes around him focused on the subordinates, and each and every face was full of curiosity.

“Miss.”

The subordinate did not dare to neglect, and quickly responded: “When the subordinate was using the dungeon, he happened to meet this guy. At that time, he looked very strange. He was neither a magic soldier nor a demon tribe, so he brought it back directly. “

Hearing this, Leah pondered.

A few seconds later, Liya made up her mind and said, "Take him a Beast Yuandan and see if he can wake up."

Beast Yuandan is a unique healing medicine within the demon clan, and Lia is not sure if he is right. Whether the person in front of him is useful, but there is no other way but to give it a try.

Speaking of which, Liya didn't want to waste the beast Yuandan to treat an unfamiliar person, but the situation in the Demon Sealing Mountain was complicated, and she brought dozens of subordinates.

Since the person in front of him came down from the Demon Sealing Mountain, he must know some details.

"Yes, Miss."

Upon hearing the order, one of his men quickly took out the Beast Primordial Pill and stuffed it into Yue Feng's mouth.

"Sister."

At this moment, Mengya looked unhappy and muttered: "This person is hurt like this, it is a waste to use the beast Yuandan, and ah, looking at his clothes, he is not as good as a beggar, even if he wakes up. I guess I don't know much about it."

When she said this, Meng Ya didn't even look at Yue Feng, her delicate face was full of disgust.

Hu...

Hearing this, Lia couldn't help laughing, and then said softly: "Little sister, how can you say that? Even if this person doesn't know the situation of Feng Moshan, we saved him, It can be regarded as a good fortune."

What good fortune...

Mengya couldn't listen to it at all, she pouted to refute, but seeing her sister's seriousness, she finally held back.

"Wake up!"

At this moment, the surrounding subordinates did not know who shouted, and at what time, all eyes suddenly converged on Yue Feng.

I saw that Yue Feng, who had been in a coma, moved his fingers at this time, and then he let out a low pain and slowly opened his eyes.

At this time, Yue Feng only felt that his whole body was in extreme pain.

Damn, that blood sacrifice formation was really terrifying. At that time, it was shaken and flew out, not only breaking a leg, but also nearly dissipating the primordial spirit.

Um?

Muttering in his heart, Yue Feng looked around and was stunned.

I go, what's the situation?

I saw a group of people standing around, staring at him one by one, and two extremely beautiful women among them.

Even though she was wearing an ordinary grass skirt, her graceful figure and beautiful face were no less than the fairies in the realm of the gods.

Moreover, looking at their outfits and the power within their bodies, it is clear that they belong to the demon race.

Feeling Yue Feng's gaze, Liya and Mengya felt a little unhappy in their hearts. Liya was gentle and didn't show it, while Mengya was unruly but not used to Yue Feng.

Chapter 4043

"Hey!"

Soon, Mengya was the first to react, and said fiercely at Yue Feng: "What are you looking at? Let's dig out your eyeballs." Then, she made a fierce look .

Hearing this, Yue Feng didn't panic at all, but couldn't help but laugh.

This little girl is young, but her temper is not small.

"Are you still laughing?"

At this moment, Meng Ya was so angry that she was about to come over and do it. But she was soon stopped by Leah.

"Little sister, don't make trouble." Liya said softly, her voice gentle, but with an unquestionable majesty.

Meng Yatian was not afraid, but she obeyed Liya's sister's advice. She glared at Yue Feng and stood aside.

"Hello."

This is, Liya's eyes fell on Yue Feng and asked, "Who are you?" The leading woman asked Yue Feng, "Who are you?"

"Me?"

Facing Li At Ya's question, Yue Feng smiled slightly, and did not answer immediately, but instead asked: "If I guess right, you are all from the demon clan, right?"

"Yes!"

Liya nodded and responded: "My father The king is the White Tiger King."

As soon as he finished speaking, Mengya on the side answered proudly: "Have you heard of the White Tiger King, among the demon clan, the strongest and greatest being, one of the four innate spirit beasts, so, you have to be more respectful to us, and even more aware of awe, you know?"

What? The daughter of the White Tiger King?

At this moment, Yue Feng was stunned for a moment, surprised.

Haha, that's really good.

At this time, the realm of the gods has entered an unprecedented crisis. If there is help from the demon clan, the Demon Lord Gone will definitely be defeated. It's just that Yue Feng was seriously injured, and the whereabouts of the demon clan were mysterious. In this case, it was difficult to find the habitat of the demon clan.

But Yue Feng never thought that he would meet the demon clan so quickly.

Also, they were rescued.

Speaking of which, the Nine Heavens God is self-willed, selfish and arrogant. Yue Feng doesn't like him at all, and he doesn't want to help the God Realm to deal with the Demon Lord, but Yue Feng also understands that once the God Domain falls, the Demon Lord's next target is the continent of Kyushu.

The so-called cold lips, for the sake of the overall situation, Yue Feng felt that it was necessary to talk to the demon clan.

Phew...

Seeing Yue Feng smiling but not saying a word, Liya and her surrounding subordinates were a little baffled.

What the hell is this guy doing? No brain problem.

Finally, Leah frowned and couldn't help but said, "What are you laughing at? You haven't said who you are? My men brought you out of the ground, what happened to you? Also, why are you here? Feng Moshan?"

"Me."

Yue Feng took a deep breath and said seriously: "I am Yue Feng, since you are the daughter of the White Tiger King, take me to see her quickly."

When he said this, Yue Feng's eyes full of urgency.

What?

Hearing this, whether it was Liya, Mengya and the surrounding subordinates, they were all stunned, followed by a roar of laughter.

"What did he say? Yue Feng?"

"Looking at this outfit, the beggars are better than you."

"Do you know who Yue Feng is? The benefactor of our entire demon clan, the Nine Heavens Profound Sage of the Divine Realm, just like you, how dare you brag that you are Yue Feng ?

"

The subordinates couldn't help but sneered, each of them couldn't hide their contempt for Yue Feng, and at the same time they were all angry.

You must know that Yue Feng is so powerful that even the ancestors of the Great Wilderness praised him. How could such a character be so miserable?

More importantly, Yue Feng is the benefactor of the demon clan. The guy in front of him pretends to be Yue Feng, but he looks down on the demon clan, why is he not popular?

The mockery kept coming, Yue Feng smiled and didn't take it to heart at all.

"I don't know whether to live or die."

At this moment, Mengya couldn't help it, she walked over quickly, and shouted at Yue Fengjiao: "You're not too timid, you dare to fake the name of our demon benefactor, you really have come to the end of your life. "

Speaking, Mengya tilted her head and said to Liya: "Sister, I said just now to leave him alone, you still give her the Beast Yuandan, this is a crazy neurosis."

Chapter 4044 The

last sentence fell, Mengya couldn't help but glared at Yue Feng.

Seeing her arrogant look, Yue Feng was very helpless.

This is, Liya is also Xiumei, and she couldn't help but say: "Mengya, don't talk yet."

Saying that, Liya said to Yue Feng: "Do you know what you were talking about just now? Do you know, Yue Feng is the benefactor of our demon clan, and has a very high reputation in our entire demon clan, you pretended to be him, have you thought about the consequences?"

Like Mengya, Liya also thought that the man in front of her was lying.

Uh...

Yue Feng was very helpless, scratched his head and smiled bitterly: "I can't see that I have such a high reputation in the demon clan, that... I'm really Yue Feng, I can still lie to you. Can't it?"

After speaking, Yue Feng looked at Liya seriously: "So, you take me to see my father, the White Tiger King, whether it's true or not, and then we'll know."

This...

Hearing this, Liya lightly Biting his lip lightly, he groaned.

This is true. As long as he goes back to see the father, he will know at a glance whether this person is lying. However, the situation of Fengmo Mountain has not been investigated much.

Moreover, this person was too seriously injured, and it would take some time to bring him to the Hui family.

How to do?

"Sister!"

At this time, Mengya couldn't stand it any longer, she walked over and frowned, "Do you really believe what he said? This man is a liar. He just wasted one of our beast Yuandan, and now he pretends to be Your Excellency Yue Feng, follow me Look, just kill it." With

that, Mengya pulled out a cold dagger.

I go.

Seeing the dagger in Mengya's hand, Yue Feng was startled, is this girl so cruel?

At the same time, Liya also trembled, and quickly stopped: "Little sister, don't be impulsive."

After saying that, Liya looked around, and ordered to the surrounding men: "I'll go first, Hui people, you guys. Accompany Mengya, follow him with him, remember to take good care of his injury and don't let him have an accident."

When she said this, Liya's delicate face showed a bit of complexity.

Speaking of which, Liya didn't believe in the man in front of her either, but she also understood the impermanence of fate. If this person is really Yue Feng, and leave him here and ignore him, it will be troublesome.

After thinking about it, Liya returned to the clan first, and told her father the situation as soon as possible, so that the father could make a decision as soon as possible.

What?

Hearing this, Mengya was stunned and reluctantly said: "I don't want to take him, sister, if you want to go back, I will go back with you."

Then, Mengya pointed to Yue Feng: "Even if you want Save him and let these subordinates take care of it."

Lia smiled bitterly and said softly: "Sister, you are obedient, I do this because I want you to experience the experience alone. Moreover, if this person is really Yue Feng If you do, you will take good care of him along the way, and your father will reward you when the time comes." At the

end, Liya patted Mengya's shoulder: "Okay, that's it, my sister believes in you. That's ok."

After saying the last sentence, Lia moved her figure and quickly rushed towards the clan.

"Sister..."

At this moment, Mengya was very depressed and couldn't help shouting, but Liya was very fast and disappeared in the depths of the jungle in the blink of an eye. At that time, Mengya stomped her feet in anger.

After that, Mengya glared at Yue Feng angrily: "Wait, wait until you meet the father, let me know that you are not Yue Feng, and see how I peel your skin and cramp your muscles..."

After saying this, Mengya walked forward quickly.

The surrounding subordinates did not dare to neglect, they lifted Yue Feng up and followed closely behind. Yue Feng was seriously injured, his right leg was completely broken and he could only carry it.

Haha...

Looking at Mengya who was annoyed in front of him, Yue Feng was not angry, but was indescribably relaxed.

He now just wants to see the White Tiger King as soon as possible.

Because of meeting the White Tiger King, not only did he save his own life, but he could also invite the demon clan to send troops to help the God Realm deal with Demon Venerable.

.....

At this moment, the Demon Sealing Mountain is here.

"Ah..." On the

battlefield, the fighting became more and more tragic, and I saw that the morale of the demon tribe was getting stronger and stronger under the encouragement of the Demon Lord Gone. The divine soldier fell into the hole under the blood sacrifice formation, and the formation was in chaos. In this case, the casualties were increasing. ...

Chapter 4045

"Your Excellency God."

Seeing that the situation was getting worse and worse, Gong Ao panicked and shouted at Haotian God: "I can't beat it, withdraw... withdraw,"

If you don't withdraw, you will die . .

call!

Hearing this, Haotian Divine Sovereign did not respond, took a deep breath, and his face was extremely gloomy.

Ma De, in the end, it was a step too slow. I thought that this time, leading hundreds of thousands of gods and soldiers, I could disrupt Mozun's plan, but I didn't expect that in the end, Mozun successfully captured those Mozu tribesmen. .

"Evacuate!"

After a few seconds, Haotian Divine Sovereign shouted unwillingly: "Quickly evacuate Fengmo Mountain."

When he shouted this sentence, Haotian Divine Sovereign was unwilling, and he was the number two figure in God's Domain. , invincible and famous, but now he is in a situation of escape.

But there is no way, if you don't withdraw, you will die.

There is still a chance to withdraw.

Wow....

Hearing Haotian Divine Sovereign's cry, the surrounding gods and soldiers didn't hesitate, one by one gave up their stubborn resistance and fled in all directions.

Hahaha...

Seeing this scene, Demon Lord Gone laughed up to the sky, and at the same time madness and cruelty flashed in his eyes: "Warriors, don't let any of them run away, chase..."

"Ow.... "The

voice fell, and the hundreds of thousands of demon tribesmen screamed frantically as if they had been beaten with blood, and chased after the gods and soldiers who had fled in all directions to the west.

.....

At this moment, in the dense forest a few miles away from the Demon Sealing Mountain.

Mengya and more than 20 subordinates were walking slowly with Yue Feng. Because of Yue Feng's injury, they walked very slowly.

"Slow death..."

At this moment, Mengya couldn't help but turn her head and glared at Yue Feng, and muttered to herself, "I don't know what my sister thinks, she has to protect this liar.

” A burden, when will I be able to return to the clan?” The words were full of disgust.

Mengya’s voice was not loud, but Yue Feng, who was behind him, could hear it clearly. I didn’t think much about it at the time, just smiled.

After all, it’s hard for anyone to be calm about this kind of thing.

“Ow...”

But at this moment, I heard a burst of howling sounds coming from behind, and then I saw a lot of figures, approaching quickly.

All of them were tall and covered in blood-red armor.

There are hundreds of them, and it is the demon subordinates captured by Demon Venerable.

Just now, under the order of Haotian Shenjun, the gods and soldiers fled in all directions, some of them fled into the dense forest here, and there were hundreds of demon tribes chasing in at that time.

It’s just that this dense forest is too big, these demon tribes did not catch up with the escaped warriors and gods, but unexpectedly bumped into Yue Feng and his party.

Oops....

Seeing this scene, whether it was Mengya, Yue Feng and dozens of subordinates, their expressions changed.

“This... this is a demon warrior...”

“Oh, there are too many demon warriors, we are not opponents at all.”

“It’s all because our speed is too slow, otherwise, we would have left here long ago...”
During the

discussion among dozens of subordinates, they all looked at Yue Feng subconsciously, and regarded him as a broom star in their hearts.

“Miss!”

Soon, one of his subordinates reacted and said to Mengya: “What should I do now? Demon warriors are very difficult to deal with.”

Mengya is young and has never experienced this. How can I know what to do? , panicked.

“Don’t panic, there is me.”

At this moment, Yue Feng smiled slightly and said, “As long as you follow my command, I...”

At this time, Yue Feng was very confident, because this is a dense forest , The natural environment is very suitable for formation, but Meng Ya coldly interrupted before he finished speaking.

“Shut up for me.” Meng Yajiao shouted, pointed at Yue Feng and said coldly, “It’s all you, if it weren’t for dragging you as a burden, we wouldn’t be overtaken by the demon warriors.”

Without this guy , everyone has long returned to the clan.

As soon as these words came out, many of the subordinates were also very indignant and opened their mouths one after another.

“Yes, this kid is not only a burden, but also a broom star.”

“Miss, why don’t you kill him. If you kill him, we will leave quickly. Those demon warriors should not be able to catch up with us.” During the

discussion, many subordinates advocated To kill Yue Feng on the spot.

Hearing this, Meng Ya did not hesitate at all, holding the dagger tightly, she was about to stab Yue Feng.

The ultimate husband in Chinese chapter 4046-4050

Chapter 4046

However, there are also rational subordinates. Seeing this scene at this time, he quickly stopped and said: “Miss, calm down. When the eldest lady left just now, she repeatedly told me to take good care of this person.”

Phew...

hear this Then, the dagger that Mengya swung stopped instantly.

Yes, when my sister left, she said that you can’t hurt this person.

But...with his words, everyone will be unable to leave after being chased by the demon warriors behind.

Good hanging.

Seeing that the killing intent in Mengya's eyes had weakened a lot, Yue Feng secretly breathed a sigh of relief. To be honest, he was really afraid of Mengya's actions just now, and he didn't understand when he died, but it would be too wrong.

Rejoicing secretly in his heart, Yue Feng smiled at Meng Ya: "Actually, it is very simple to save your life, you just need to listen to my orders."

Meng Ya rolled her eyes and said contemptuously: "You shut me up. Mouth, you are a crippled person, you can't even protect yourself, what can you do?" The

voice fell, and many of his subordinates also laughed.

"That's right, stop bragging."

"Shut up, crippled, we will protect you."

Just as he was talking, he heard footsteps behind him, getting closer and closer. At the same time, the hundreds of demon warriors I also found Yue Feng and the others, and all of them suddenly flashed evil rays of light in their eyes, and rushed over with howling.

Huh...

Feeling the powerful breath of the demon warriors, whether it was Mengya or dozens of subordinates, all of them were pale and panicked.

This chapter is provided by . Visit for daily update.

The next second, Meng Ya bit her lip tightly and said softly, "Since you can't hide, you can only fight with them."

As soon as the voice fell, Mengya was about to greet dozens of subordinates and rush up.

I go.

Seeing this scene, Yue Feng was immediately anxious: "Don't be impulsive, if you rush up like this, you will die."

Said Yue Feng, pointing to the surrounding trees, and instructed the dozens of subordinates: "Go, go here. A branch, the thicker the better."

Mengya was upset, she shouted: "You still don't shut up?"

This crippled nonsense is too much.

Yue Feng looked serious: "You rush up, there is only one dead end, why can't you listen to me?" Huh

..

At this moment, Mengya thought for a while, nodded and said, "Okay, I'll listen to you asshole once. Saying that, Mengya ordered dozens of subordinates: "Do as he said."

"Miss, this crippled..."

"Come on, do you want to disobey?"

Seeing Mengya's serious face, those subordinates Not daring to neglect, he quickly broke some branches around, holding them one by one.

Yue Feng hurriedly shouted: "Ten to the left, ten to the right, the left is in the shape of a product, and the right is in a herringbone shape, hurry up, after you are in place, just wave the branch in your hand."

When he shouted these, Yue Feng In a hurry, but his face is very calm.

Yes, Yue Feng asked them to deploy a green wood formation.

Yue Feng felt that these demon warriors were still in a state of chaos because they had just been resurrected. In this case, they could be dealt with by deploying a simple green wood formation.

And there are trees all around here, and the deployment of the Aoki Formation is completely at your fingertips.

that's it?

Hearing Yue Feng's orders, both Mengya and those subordinates frowned and were full of doubts.

Can you deal with those demon warriors just by shaking the branches?

Is this too much of a joke?

"Ow..."

At this time, the hundreds of demon warriors had already rushed to the front, and the situation was extremely critical. At that time, the dozens of subordinates had no choice but to 'dead horses and live horse doctors'. On both sides, after standing in a good position, they waved the branches in their hands.

Clap la la....

The branches were waving with bursts of noise, whether it was Mengya or dozens of subordinates, they were extremely nervous, and their hearts were all adjusted to their throats.

However, to their astonishment, after the hundreds of demon warriors rushed to the front, they didn't seem to see themselves, but one by one with a bewildered expression, they looked around blindly.

The scene in front of them is very strange. Yue Feng, Meng Ya, and dozens of subordinates are right in front of these demon warriors, but they seem to be blind, they just can't see it.

This...

Seeing this situation, dozens of subordinates were stunned, staring blankly at Yue Feng, speechless, extremely calm.

How did he do it?

Mengya's body trembled and she was completely stupid.

Chapter 4047

This guy looks like a cripple, but he didn't expect to have this kind of ability.

Wow...

Soon, hundreds of demon warriors gradually left without discovering Yue Feng and others.

At this moment, whether it was Yue Feng or Mengya and the others, they all breathed a sigh of relief.

"Let's go!"

Then Yue Feng reacted and said to Meng Ya, "Let's get out of here quickly."

Meng Ya nodded, then greeted dozens of subordinates, and continued to move forward with Yue Feng.

...

the other side.

Kyushu, Apocalypse Imperial City.

In the splendid palace, Bai Yunfei slowly woke up, and the moment he opened his eyes, he was stunned.

Is this the palace?

At this time, Bai Yunfei was very surprised. He saw that in the bedroom where he was, the golden light was everywhere, and it was extremely luxurious. Not only that, but there were also several beautiful palace maids waiting by the side.

Strange, shouldn't I be in the Kunlun ruins? How can it appear in the palace?

And... which continent's palace is this?

"Where is this?"

Soon, Bai Yunfei came to his senses, and asked the court maid beside him, "Who rescued me?" "Go

back to your Excellency."

Saved you, this is the Apocalypse Palace."

Apocalypse Palace?

Hearing the answer, Bai Yunfei frowned. He remembered that the emperor of Apocalypse Continent was King Guangping, but he had nothing to do with King Guangping, and was even considered hostile before.

Because, at the beginning, King Guangping had let the weather royal family join the Tiandao Alliance, and Bai Yunfei and Tiandao Alliance had always been at odds, so they were naturally enemies.

Under such circumstances, King Guangping suddenly came to the rescue, which made Bai Yunfei puzzled.

"Haha..."

Just when Bai Yunfei was thinking about it, he heard a burst of laughter. Then, King Guangping, accompanied by several guards, walked in quickly.

At this time, the King of Guangping was wearing a golden robe, and he was in high spirits, showing the extraordinariness of the royal family.

When they arrived at the bedroom, when Bai Yunfei woke up, King Guangping was very happy: "Your Excellency is finally awake, it's really gratifying." After

speaking, King Guangping waved: "You all go down."

"Yes, Your Majesty!"

The voice fell, and several guards, as well as those maids who were originally in the palace, responded in unison, and then quickly exited the palace.

call!

As soon as his forefoot left, Bai Yunfei took a deep breath and looked at King Guangping complicatedly: "Why do you want to save me?"

King Guangping smiled slightly, and while pacing, he said, "Don't be nervous, Your Excellency, I have no other purpose in saving you. , just to show sincerity."

Sincerity?

Bai Yunfei frowned: "Please make it clearer."

King Guangping smiled and said slowly: "A month ago, there was a vision of heaven and earth in my Tianqi Emperor Mausoleum. I think your Excellency knows it."

Bai Yunfei nodded. , did not speak.

At that time, a vision appeared in the Tianqi Emperor's Mausoleum, and Kyushu was shaken. Of course Bai Yunfei knew it, and it was at that time that Yue Feng was paying attention to Tianqi Emperor's Mausoleum. Bai Yunfei broke into the ghost world for the second time and snatched it away. Sealed magic mirror.

At this moment, King Guangping's expression became complicated, and he continued: "That is the ancient tomb of my ancestor Chiyou. After the ancient tomb descended, I was fortunate enough to find the spiritual hall where my ancestor was."

"It was also at that time that I realized that it turned out that Ancestor Chi You is also a member of the Demon Race."

What?

Hearing this, Bai Yunfei was shocked, and looked at King Guangping tightly, unable to speak for a while.

According to this, the weather royal family is also a descendant of the Demon Race...

"Your Excellency!"

Just when Bai Yunfei was shocked, King Guangping stepped forward and said sincerely: "You and I are both flowing with Demon Race. Blood, it is considered a family, and your Excellency is a popular person beside Mozun, so I would like to ask you to introduce me so that I can take the royal family to serve Mozun."

It turned out to be the case.

Bai Yunfei looked stunned, but he wasn't stupid. He smiled slightly when he thought of something: "If you want to see the Demon Venerable, your allegiance is false, is it true that you want to unify the Kyushu continent?"

"The son guessed the original intention of King Guangping.

Uh..

His mind was pierced, and King Guangping's face flushed, very embarrassed.

Seeing his appearance, Bai Yunfei laughed and waved his hand: "Looking at you nervous, we are all members of the Demon Race. If you want to serve the Demon Lord, I will naturally help you."

Chapter 4048

said, Bai Yunfei suddenly noticed something, looked at King Guangping's eyes with doubts: "No, you don't have a demon soul in your body. Did you not inherit it in the tomb of your ancestor Chiyou?"

"The

voice fell, and King Guangping was directly poked into the pain in his heart. At that time, his face changed and he said fiercely: "To be honest, when I found the ancestor's temple, Yue Feng and a dead girl were there, and the girl called Ren Yingying, the daughter of the previous emperor, was only expelled from the royal family by me."

"Yue Feng and Ren Yingying are cunning and cunning, the inheritance of the Demon Venerable should belong to me, but they were robbed by despicable means at that time.

"

At the end, King Guangping was full of resentment.

When he thought that the ancestor's demon soul was obtained by Ren Yingying, King Guangping couldn't hold back his anger.

Ren Yingying?

Knowing these circumstances, Bai Yunfei nodded silently, and then said: "Since this is the case, you should not be too obsessed. Once the demon soul is inherited, it cannot be changed." After

speaking, Bai Yunfei thought for a while: "Since any Yingying has been inherited, so he must find a way to take it for his own use." Although the Demon Venerable has reshaped his body, the current situation is not optimistic for the Demon Race.

Since Ren Yingying has a demon soul, she must find a way to win over him.

"Your Excellency wants to subdue Ren Yingying?"

King Guangping's face flashed with complexity, and he couldn't help but say: "That girl has a very stubborn personality. She has been following Yue Feng many years ago. Based on what I know about her, it is impossible to rely on us. Although King

Guangping hated Ren Yingying deeply, he also knew that she had a deep affection for Yue Feng, and it was impossible for her to betray the Ouyang family.

call....

Bai Yunfei took a deep breath and smiled: "So, let's find a way to lead Ren Yingying out. Of course, we have to discuss the specific plan."

After speaking, Bai Yunfei comforted King Guangping: "Don't worry, as long as you help me subdue Ren Yingying, I will definitely arrange for you to meet your Majesty Mozun."

Hearing this, King Guangping finally smiled: "It's all up to your arrangement." The two laughed at each other. Immediately, the negotiation of the plan began.

...

the other side!

Kyushu, Tianxiang Valley.

At this time, in the pavilion in the courtyard, Wen Chou Chou, Sun Dasheng, and several elders of Su Qingyan and Xia Yinzong were sitting around discussing the next plan.

"Fengzi went to Shengzong, and there was no news at all. It's really urgent!" Ren Yingying bit her lip tightly, her face full of anxiety.

Wen Chou Chou pondered for a while: "When Haotian Divine Sovereign was there, I once heard him say that Feng Zi was brought back to the Divine Realm. If he is in the Divine Realm, he should not be in danger for the time being. What we need to do now is to Find that Ji Hongshang."

When Ji Hongshang fled at that time, he snatched the inner core of the ancient poisonous beetle, which was a big hidden danger.

The voice fell, and Sun Dasheng couldn't wait to answer: "Then Ji Hongshang is very cunning, you must catch her as soon as possible."

Elder Huo also nodded: "Yes, that Ji Hongshang has been with Bai Yunfei for so long, he must know a lot. The secret, this woman must not be easily let go."

Hmm!

Wen Chou Chou nodded, looked around and said, "It's not too late, we will immediately send people to various continents to inquire about the news."

When he said this, Wen Chou Chou looked confident.

At this time, the Ouyang family and Xia Yinzong joined forces, and it was difficult for Ji Hongshang to fly.

As a result, at this moment, a disciple of the Ouyang family walked into the yard quickly, first bowed to Wen Chou Chou and others, and finally Ren Yingying said: "The five poison sect general altar, suddenly a eunuch came, panicked, Said to ask to see the young lady."

Ren Yingying has been in the Ouyang family for a long time, because she has not yet married Yue Feng, so she has always been called the young lady.

Eunuch?

Hearing this, everyone, whether it was Ren Yingying or Wen Chou Chou, was stunned.

In the next second, Ren Yingying reacted and said, "Bring him here." A eunuch came inexplicably. Could it be that something happened to the Tianqi royal family?

"Yes, miss!"

The disciple responded, and hurriedly left Tianxiang Valley. After a few minutes, he brought a little eunuch back.

I saw that the little eunuch looked eighteen and nineteen, pure and white, with his hands down and a humble attitude.

Chapter 4049 Arrived

at the front, the little eunuch respectfully said to Ren Yingying: "The servant has seen the princess, the servant's name is Xiwang, he is the personal eunuch next to the ninth prince, His Royal Highness the ninth prince learned that the princess was in the Five Poison Sect, so he asked the servant to send it A secret letter."

After saying this, Xiwang handed over a letter.

Eighth prince?

At this moment, Ren Yingying's delicate body trembled, and her thoughts suddenly surged.

The eighth prince Jiayin was born to Emperor Tianqi and his concubine, and he and Ren Yingying were half-brothers. At Ren Yingying's martial arts contest, Emperor Tianqi was raided to death by King Guangping, and the eighth prince at that time was only two years old. age.

Ren Yingying was talented and witty since she was a child, and she likes to tease people the most, so she has always had a bad relationship with other princes and princesses, but Jiayin is the exception.

At that time, after the tragic death of Emperor Tianqi, Ren Yingying followed Yue Feng to leave the Tianqi Continent. During that time, he always wanted to bring Jiayin out, but there was no chance.

Later, King Guangping became the emperor. In order to show his generosity, he regarded Jiayin as his son, and continued to let him stay in the palace and continue to enjoy the treatment of a prince. Knowing this at the time, Ren Yingying was no longer worried, but occasionally thought of this younger brother.

"Xi Wang!"

At this time, Ren Yingying took the letter and couldn't help but ask: "What's wrong with Jiayin?"

Xi Wang bowed slightly and said complicatedly: "The situation of the eighth prince is very bad now, specifically, the prince is in It should be written in the letter, the princess will know after reading it!"

When he said this, Xiwang looked serious, but there was a gloomy look in his eyes.

In fact, Xiwang was not the personal eunuch of the Eighth Prince Jiayin at all, but was sent by King Guangping to lead Ren Yingying to the Apocalypse Continent alone.

Hearing this, Ren Yingying didn't ask, but opened the letter and read it.

Swish!

Soon, after reading the letter, Ren Yingying's body was trembling, and her delicate face was full of anxiety, because it was clearly written in the letter that Jiayin's Bieyuan was blocked by heavy troops sent by King Guangping, and Jiayin's every move was under surveillance. , it can be said that freedom is completely lost.

In the eyes of others, this matter may be nothing, but in Ren Yingying's heart, it is no trivial matter. You must know that the emperor's family is the most sinister. A few years ago, King Guangping had just ascended the throne and became emperor, and the throne was unstable. To win the hearts and minds of the people, such as treating Jiayin kindly.

At this time, King Guangping's throne was already stable, and it was not impossible for him to attack Jiayin.

Thinking of this, Ren Yingying was very anxious.

Whoa!

Seeing that her face was wrong, Wen Chou Chou and the crowd quickly gathered around and asked.

"What's the situation?"

"What happened?"

Facing the question, Ren Yingying took a deep breath and told the situation, and finally said: "It seems that I am going to the Apocalypse Palace." The

voice fell, Sun Dasheng couldn't help but said: "You are too dangerous alone, why don't we go together, so that we can also take care of him."

Others also nodded.

However, Ren Yingying shook her head: "It's not good if there are too many people, we just had a fierce battle with Long Qianyu, the strength of the disciples has not recovered yet, and rushed to Tianqi Continent, I'm afraid it will be difficult to stop King Guangping The army."

Saying that, Ren Yingying's delicate face showed a bit of complexity: "Moreover, once we enter the Tianqi Imperial City, King Guangping will threaten Jiayin, Jiayin is still young, I will never allow him to have an accident. "

This...

Hearing this, Wen Chou Chou frowned and fell silent.

A few minutes later, Wen Chou Chou reacted, looked at Ren Yingying and said, "Do you have any plans?"

Ren Yingying thought for a while, and said, "I have decided, I will go alone, which is more convenient for the action, and I Even if the whereabouts are revealed, King Guangping can't do anything to me."

When she said this, Ren Yingying's eyes flashed with complexity.

There is one thing that she is inconvenient to say, that is, there is a secret passage in Tianqi Palace, and it is just below Jiayin Garden, but these are royal secrets, so Ren Yingying is inconvenient to say.

"Okay!" Seeing her say that, Wen Chou Chou had no choice but to nod: "Then be careful, if you encounter a situation, come back directly, and then we will discuss countermeasures."

Chapter 4050

Hmm!

Ren Yingying responded, and then looked around: "Everyone, let's just leave it alone!"

"Be careful!" Su Qingyan came over and couldn't help saying.

At the same time, everyone else also warned.

Ren Yingying responded one by one, then smiled, said goodbye to everyone, and then took the little eunuch Xiwang, left Tianxiang Valley, and rushed towards Tianqi Palace.

After several hours of traveling, Ren Yingying and Xiwang finally arrived at Tianqi Imperial City.

It was getting dark by this time.

Ren Yingying and Xi Wang did not go through the gate of the palace, but went to the slightly remote west gate, and hid in a corner.

"Xiwang!"

At this time, Ren Yingying directed at Xiwang: "When you go back, tell Jiayin to let him wait for me by the rockery in the backyard."

In the other courtyard where Jiayin is located, there is a rockery that is secretly located. The entrance to the road is in the rockery. Ren Yingying grew up in the Tianqi Palace and often went to that secret road to play.

“Yes, princess!”

Xiwang responded and quickly entered the palace. He had a waist badge on his body that allowed him to enter and exit freely, so he was not afraid of being checked by the guards.

But Ren Yingying is different, she has been expelled from the royal family by King Guangping.

call!

Seeing Xiwang entering the palace, Ren Yingying breathed a sigh of relief, turned and walked towards the moat outside. A hidden location on the moat was the exit of the secret passage.

Soon, the entrance to the secret passage was found, and Ren Yingying quickly got in. After walking for a few minutes, he arrived at the other courtyard where Jia Yin lived.

Um?

At this moment, when he came out of the rockery, Ren Yingying looked around and frowned.

I saw that there was no one around, and it was quiet.

what happened?

Didn't Xiwang tell Jiayin to wait at the rockery?

Whoa!

As a result, at this moment, a fire lit up not far away!

Ren Yingying looked at it subconsciously, her body trembled and she was furious.

I saw that there were nearly a hundred royal guards lined up not far away, and in front of these guards stood a proud figure, a golden dragon cannon, with a gloomy face, it was King Guangping!

Behind King Guangping is Xiwang.

“You!”

At this moment, Ren Yingying stared at Xiwang closely, her delicate face was full of anger, and the scene in front of her was obvious. Xiwang belonged to King Guangping. bring over.

“Ren Yingying!”

At this moment, King Guangping showed a smile, which couldn't hide the smugness and treacherousness in his smile: “Did you not expect it? It seems that I still know you very well, as long as you mention Jiayin. Son, you will come here no matter what.”

Ren Yingying didn't speak, but looked at him coldly.

King Guangping's expression gradually turned hideous: “You stole the demon soul of the ancestor, thinking that with Yue Feng's protection, you can sit back and relax? Let me tell you, if I don't get what I want, then I will destroy it!”

madman!

Hearing this, Ren Yingying frowned, then laughed lightly and mocked: “King Guangping, you have come to the throne improperly, the inheritance of the ancestors was not given to you, it is God's will.”

Having said that, Ren Yingying looked around and continued: “Even if you lure me here, you will not get the demon soul of the ancestors.”

Ren Yingying seems to be weak, but her personality is extremely tough. If other women face it In this situation, her legs have been weakened with fright, but she is different. Not only does she not panic, but she can calmly mock the other party.

Moreover, in this situation, Ren Yingying immediately guessed that Jiayin was all right, it was just an excuse for King Guangping to attract him.

Since this is the case, then there is no need to worry about Jia Yin's safety.

Swish!

Hearing this, King Guangping's expression changed. At that time, he was full of anger and stopped talking nonsense. He pointed at Ren Yingying and shouted angrily: “Take him down for me!”

Swish swish....

The voice fell, and many palace guards behind him, one after another He rose into the air and charged directly towards Ren Yingying!

Looking at the royal guards rushing up, Ren Yingying's beautiful face did not fluctuate in the slightest, and said lightly: "But this person wants to trap me?" The

voice fell, Ren Yingying raised her hand, a powerful force It broke out, and in an instant, the palace guards who rushed to the front were shocked and flew out before they understood what was going on.

Bang bang bang...

In the blink of an eye, dozens of royal guards fell to the ground, all pale and lost their fighting power.

The ultimate husband in Chinese chapter 4051-4060

Chapter 4051

Hiss!

Seeing this scene, the remaining royal guards couldn't help gasping for air.

At the same time, King Guangping was also furious, and looking at Ren Yingying's eyes, it became extremely hot.

Is this the power of the demon soul of the ancestor Chi You? Really strong.

"King Guangping!"

At this moment, Ren Yingying didn't talk nonsense, his eyes locked on King Guangping, the jade hand raised again, and saw a blood-colored light burst out, heading straight for King Guangping.

Ren Yingying is extremely talented. During this period of time, she has devoted herself to research, and soon integrated the power of the devil's soul, and her strength is not what it used to be.

Seeing that golden glow, King Guangping's heart skipped a beat, but he didn't feel the slightest panic, but was indescribably excited.

hum!

In the next second, King Guangping didn't have time to think about it. He stimulated his inner strength and quickly formed a protective film in front of him. At the same time, the figure quickly retreated.

boom!

The blood-colored light slammed into the protective film, and a thunderous roar was heard, and the protective film shattered instantly. Although the protective film offset a lot of power, the aftermath of Jin Mang still tore the surrounding air.

Fortunately, King Guangping retreated more than 100 meters in time, otherwise he would be disabled.

"King Guangping!"

At this moment, Ren Yingying had a pretty face with anger and looked at King Guangping closely: "Back then, you attacked my father emperor and seized the throne at the martial arts contest, and today I will pay your debts with blood!"

This chapter is provided by . Visit for daily update.

King Guangping sneered: "Okay, if you want to kill me, just come."

Shouting, King Guangping did not take the initiative to attack, but ordered the surrounding royal guards: "Everyone obeys the order, as I said before, form a formation!" The

voice fell, and the surrounding royal guards erupted one after another. In the blink of an eye, Ren Yingying was surrounded in the middle.

Um? !

At this moment, Ren Yingying's face flushed and she was secretly surprised.

This array is a bit weird.

Since establishing a relationship with Yue Feng, Ren Yingying's skills in formations have also improved a lot. Although he has not yet reached the level of 'unbreakable formations', he also has some understanding of various formations in Kyushu.

But Ren Yingying had never seen this formation in front of her.

Haha...

Seeing this scene, King Guangping showed a smile, indescribably proud.

Yes, this formation is the 'chaotic magic formation' that Bai Yunfei learned from the Demon Lord Gone, and it has never been recorded on the Kyushu Continent.

With the formation, Ren Yingying was quickly restrained.

I have to say that this chaotic demon formation is too sinister and evil, even if Ren Yingying possesses the power of the demon soul, he will not be able to rush out for a while.

"Ren Yingying!"

At this moment, King Guangping exploded his inner strength and flew over quickly, sneering and sneering: "What if there is a demon soul? With this formation, it is difficult for you to fly today, so you should give up resistance and die obediently. ." The

voice fell, and King Guangping urged his inner strength to cooperate with the surrounding royal guards to fight against Ren Yingying!

"you..."

In the face of the siege of King Guangping and many guards, Ren Yingying was anxious and angry, and said coldly: "King Guangping, you are really despicable and shameless, and the dignified emperor used such a method, and he really lost the face of the royal family!"

Feeling Ren Yingying's sarcasm, King Guangping was not angry at all at this time, but laughed more happily.

Because once Ren Yingying is angry, it is difficult to calm down, so that there is a chance to defeat her.

After making up his mind, King Guangping did not respond, but continued to besiege Ren Yingying with the surrounding guards.

boom!

Soon, King Guangping found an opportunity. Taking advantage of Ren Yingying's attention, he was attracted by the guards, and suddenly broke out, hitting Ren Yingying on the back.

Hearing a dull sound, Ren Yingying's delicate body trembled and fell heavily to the ground.

puff!

Finally, Ren Yingying spit out a mouthful of blood in the sky, her face was extremely pale, and her whole body was extremely weak.

"Ren Yingying, I said, you are the one who died today." At this time, King Guangping, his eyes full of madness, said coldly, his figure burst out and came to Ren Yingying again.

This time, King Guangping burst out with all his strength, the surrounding air was distorted, and the power was amazing.

Looking at the rushing King of Guangping, Ren Yingying spat out a mouthful of blood, and her delicate face was full of grief, anger and unwillingness.

"Stop..."

However, at this moment, a loud shout came, and then a figure quickly landed in mid-air, blocking Ren Yingying's face.

Wearing a black long shirt, he is indescribably handsome. The whole body is filled with more powerful momentum.

It is Bai Yunfei!

Chapter 4052

Is he?

Seeing Bai Yunfei, Ren Yingying's delicate body was shocked, and she was stunned at the time.

This... Wasn't this guy taken by Haotian Divine Sovereign at the time? How could it appear in the Apocalypse Continent?

"Bai Yunfei?"

At the same time, King Guangping and the surrounding royal guards were all taken aback, but at the same time, there was complexity in King Guangping's eyes.

Yes, his surprise was fake.

Everything in front of me was originally a scene played by King Guangping and Bai Yunfei. King Guangping first used the little eunuch to lead Ren Yingying to the Weather Palace alone, and then trapped her through the formation. At the critical moment, Bai Yunfei appeared. , to rescue Ren Yingying.

The purpose of this is to let Ren Yingying dispel her previous views on Bai Yunfei. Then take her for himself.

"Bai Yunfei."

At this moment, King Guangping calmed down, pretended to be very angry, and shouted angrily at Bai Yunfei: "You are not too timid, you dare to trespass in my weather palace, if you are sensible, hurry up and capture. "I

have to say that King Guangping is very similar.

At the same time, the surrounding royal guards also locked their eyes on Bai Yunfei, with a gesture of making a move at any time.

Haha...

Faced with this situation, Bai Yunfei raised his head to laugh, his eyes couldn't hide the cold arrogance, and sneered at King Guangping: "King Guangping, it's a pity that you are still the emperor of the Apocalypse Continent, to deal with a weak woman, even using such a There are many royal guards, I will be embarrassed for you."

After speaking, Bai Yunfei looked at Ren Yingying and continued: "I heard that Ren Yingying still calls you uncle according to her seniority, and you killed her in public. The father of the emperor also robbed the throne, and now he has to kill her to silence her, tsk tsk, it's really inhuman."

When he said this, Bai Yunfei's face was full of contempt, as if he was mocking King Guangping, but in fact he had been secretly paying attention to Ren Yingying's reaction.

After all, all of this is just a show, deliberately done for Ren Yingying to see.

"You..."

King Guangping's face flushed, his eyes almost spitting fire.

At this time, Ren Yingying reacted and shouted at Bai Yunfei: "Bai Yunfei, this is a personal matter between me and him, and it is not your turn to intervene."

Although Ren Yingying is talented and intelligent, Bai Yunfei and Guangping Wang are too good at acting. Like, she didn't notice it at all, but she was very principled, even though she was at a disadvantage, she didn't want Bai Yunfei to help.

After all, between her and King Guangping, there is hatred between the country and the family.

More importantly, Bai Yunfei is the subordinate of Demon Venerable and the biggest threat to the continent of Kyushu. How can he help him?

"Miss Ren."

However, Bai Yunfei was not angry at all when he heard Ren Yingying's coquettish drink, but said with a smile: "You and I both have demon souls, and we are our own people. I passed by here today and see that you are in trouble, come here. Help."

Saying this, Bai Yunfei looked innocent: "I really want to help, don't turn away people thousands of miles away."

Bah!

Hearing this, Ren Yingying's face was frosty, she couldn't help spit, and said coldly: "Whoever is with you, don't put gold on your face. This is my own business, and you don't need to worry about it. "

Bai Yunfei smiled, very helpless.

"Bai Yunfei!"

At this moment, King Guangping roared, "Since you have to meddle in your own business, let's stay together."

Having said that, King Guangping ordered the surrounding royal guards: "Take these two together, life or death .

"

Directly rushed towards Bai Yunfei!

Om...

In an instant, the breath of nearly a hundred royal guards distorted the sky, and the momentum was astonishing.

Seeing this scene, Bai Yunfei did not panic at all, but let out a light smile, mobilizing the power of the demon soul, and then slowly raised his hands.

Huhu...

In an instant, under the explosion of the power of the demon soul, I saw a bloody figure condensed in front of Bai Yunfei. Yin evil.

The next second, the phantom roared out, carrying a blood mist, and charged directly towards the royal guards.

"A bunch of ants, get out of here." Bai Yunfei roared loudly!

Chapter 4053

"Ah!" In the

blink of an eye, I saw more than half of the royal guards being slammed into by a huge ghost, screaming incessantly in an instant, falling from the air one by one, their faces pale.

Because it was a show, Bai Yunfei didn't have the right to break out. He just wounded the royal guards. Otherwise, this move would have killed them.

hiss!

Even so, seeing this scene, the remaining royal guards couldn't help but gasp.

Ren Yingying was also trembling in the suburbs, and she was shocked.

This Bai Yunfei...was worthy of being the right-hand man of Demon Venerable. He was injured so badly before, not only did he not die, but he also regained his strength so quickly.

Where King Guangping stood, his eyes were extremely complicated.

Then, under Bai Yunfei's eyes, he looked very annoyed and shouted: "What a thief, do you really think our weather palace is empty?"

Then, Wang Yangtian of Guangping shouted: "Where is the Royal Forest Army? Drive!"

"My subordinates are here!"

As soon as the voice fell, there were thunderous shouts not far away, and then there was a tide of nearly 100,000 Imperial Forest troops.

Yes, these imperial guards were arranged in advance by King Guangping.

Oops.

Seeing those imperial guards, Ren Yingying furrowed her brows, feeling a little nervous in her heart. At the same time, she didn't forget to give Bai Yunfei a stern look.

If it were just those royal guards, Ren Yingying would still have the confidence to break out of the siege, but now, Bai Yunfei has appeared, completely angering King Guangping, and attracting so many imperial troops at once. In this case, let alone kill King Guangping, for The father emperor took revenge, but it was very difficult to rush out.

"Miss Ren."

Bai Yunfei just pretended he didn't see Ren Yingying's coldness, and called out with a relaxed expression: "Don't worry, I'll help you break through the formation." The

voice fell, and Bai Yunfei burst out and rushed in directly. Ren Yingying was trapped in the 'chaotic magic formation', which was originally taught by Bai Yunfei to King Guangping, and naturally there was a way to break it.

But Bai Yunfei also understood that Ren Yingying was very smart, and if she completely destroyed the Chaos Demon Formation, she would inevitably have no doubts.

Therefore, Bai Yunfei did not directly break the formation, but scrambled from left to right in the formation, fighting indiscriminately.

"I said, you want you to help me." Ren Yingying snorted, and randomly activated the power of the devil's soul, trying to continue to break the formation.

Whoops...

At this moment, nearly 100,000 Imperial Forest troops rushed to the front and surrounded the outer circle of the Chaos Demon Formation, like an iron barrel.

Oops!

Seeing this, Ren Yingying bit her lip tightly, anxious.

The formation hasn't been broken yet, and there are nearly 100,000 Imperial Forest troops on the periphery, so it's really impossible to leave now.

Bump....

Just when Ren Yingying was anxious, she saw Bai Yunfei hit two palms, and the ten royal guards flew out. Suddenly, a gap appeared in the impregnable 'chaotic magic circle'.

"Miss Ren."

At this moment, Bai Yunfei shouted eagerly, "There is a gap in the formation, hurry up and follow me."

When shouting, Bai Yunfei's face was full of sincerity, but there was a hint of cunning in his eyes.

He was certain that Ren Yingying would not miss this opportunity.

call!

At this moment, Ren Yingying took a deep breath, and looked at Bai Yunfei's eyes, which flashed with complexity.

I really didn't expect... This Bai Yunfei is quite capable, and so quickly made a gap in the formation in front of him.

At this time, Ren Yingying didn't know that everything in front of her eyes was performed by Bai Yunfei.

With emotion, Ren Yingying didn't have time to think too much. Following Bai Yunfei, he rushed out of the Chaos Demon Formation. Bai Yunfei guessed right. Ren Yingying would not miss such a good opportunity.

Whoops...

As soon as they rushed out of the Chaos Demon Formation, the nearly 100,000 Imperial Forest troops who were waiting outside drew their long knives and rushed forward.

“Haha...”

In the face of this situation, Bai Yunfei laughed and burst into battle: “I haven’t paid attention to the Royal Forest Army in the Apocalypse Continent.”

After speaking, Bai Yunfei did not forget to call at Ren Yingying. Said : “Miss Ren, there are a lot of enemies now, let’s take care of ourselves.” I

have to say that Bai Yunfei is very smart. He knows that he is too enthusiastic and will disgust Ren Yingying, so he just reminded him at a critical moment.

Ren Yingying snorted coldly and ignored it.

At the same time, Ren Yingying burst out with the power of demon soul, and fought fiercely with the imperial forest army who kept rushing up.

Chapter 4054

At the beginning, Ren Yingying could easily deal with it, but there were too many enemies. After repelling a wave of the Imperial Forest Army, the Imperial Forest Army behind them rushed up again. It took a lot of energy and started to struggle.

Speaking of which, although Ren Yingying possesses a demon soul, she has not fully comprehended the power in it, let alone how to use it flexibly. Naturally, it is quickly consumed.

Not far away, Bai Yunfei was still very relaxed.

However, Bai Yunfei didn’t forget the purpose of tonight. While fighting fiercely, he paid attention to the situation on Ren Yingying’s side.

At this time, seeing Ren Yingying’s pretty face gradually turning pale, Bai Yunfei knew that the opportunity was coming, and shouted: “What? Can’t hold it anymore?”

Huh!

Bai Yunfei’s concern caused Ren Yingying to resist from the bottom of her heart, she breathed a sigh of relief, and said angrily: “Who can’t hold it anymore? Take care of yourself.”

Seeing her stubbornness, Bai Yunfei smiled and continued: "The devil's soul The power is incomparably mysterious, but you didn't use it like this, you listen to me now, reverse the qi and blood..."

Reversing the qi and blood is a way of using the power of the devil's soul.

Of course, there are also disadvantages.

Reversal of blood?

Hearing this, Ren Yingying bit her lip, and couldn't help but secretly underestimate.

Among the major sects in the Kyushu rivers and lakes, reversing qi and blood is a taboo. If you don't do it well, you will go into trouble. Did Bai Yunfei deliberately harm me?

But after thinking about it, the power of the demon soul is different from that of human beings, and it may have unexpected effects.

wow..

At this moment, hundreds of imperial forest troops came besieged. At that time, Ren Yingying didn't have time to think about it, and immediately reversed her blood. At some point, the power of the demon soul broke out again, and a powerful aura lingered around Ren Yingying.

Really can.

At this moment, Ren Yingying was both shocked and delighted. She clearly felt that the power of the demon soul consumed in her body had recovered a lot at this moment.

"Go to hell!"

Under the excitement, Ren Yingying let out a coquettish cry, her delicate body flashed, and she rushed into the enemy group again.

Haha...

Seeing this scene, Bai Yunfei showed a smile, and his heart was even more excited.

Even though Ren Yingying was witty and clever, in the end, she still fell for her.

You must know that although reversing qi and blood can greatly increase the power of the demon soul in a short period of time, the drawbacks it brings are also huge. Know how to deal with that dangerous malady.

Huh...

Under the excitement, Bai Yunfei burst out, gathered with Ren Yingying, and continued to fight fiercely with the surrounding Royal Forest Army.

A few minutes later, Bai Yunfei knew that it was almost the same, and a powerful force suddenly erupted. He saw that this force was extremely terrifying, and six ghosts condensed out in mid-air.

“Be careful!”

“Dodge away...”

Feeling the terrifying power of the six shadows, the surrounding Royal Forest Army and the royal guards were all shocked, and at the same time urged their figures to dodge backwards.

“Let’s go!”

Taking advantage of the opportunity, Bai Yunfei shouted at Ren Yingying, and then rushed out of the palace.

Ren Yingying bit her lip and hesitated for a while, but she got up and followed closely.

But when rushing into the air, Ren Yingying did not forget to turn her head and shout to King Guangping: “King Guangping, you are lucky today, let you live a few more days, and I will collect your head next time.” During the

speech, Ren Yingying Speed up, and in a blink of an eye, he and Bai Yunfei disappeared into the night sky.

Haha...

Watching Ren Yingying and Bai Yunfei fly away, King Guangping’s face was gloomy, but the corners of his mouth evoked a sneer without meaning.

The play is over, and now, it’s up to Bai Yunfei.

the other side.

In the mid-air northwest of the Imperial City of Weather, Bai Yunfei and Ren Yingying flew one after the other, flying in the air for half an hour. They reached a valley and saw that there was no Yulin army chasing behind them, so they landed one after another.

call!

Ren Yingying took a deep breath, the frost on her delicate face, she was very annoyed.

This King Guangping is really despicable and shameless, and he even used the Eighth Prince to lure him over.

Fortunately, I was lucky today, otherwise, I would be trapped in the palace and couldn't get out.

Thinking to herself, Ren Yingying looked at Bai Yunfei not far away with doubts flashing in her eyes, this guy appeared so coincidentally.

Chapter 4055

Moreover, as a member of the Ouyang family, he is hostile to Bai Yunfei, why should he help himself? Is it really like what he said, he has a demon soul and is his own person in his heart?

"Miss Ren!"

Facing Ren Yingying's gaze, Bai Yunfei looked relaxed and smiled, "Why are you looking at me like that? I said before, we are our own people, and I should help you.

"!

Hearing this, Ren Yingying's face flushed, and she scolded: "Shut up, I also said, I'm not your own."

Bai Yunfei was stunned: "You got Chiyou's demon soul, too. A member of the Demon Race, this is something that cannot be changed, why are you so persistent?"

Ren Yingying snorted and retorted lightly, "Even if I have a Demon Soul, I am a member of the Kyushu Continent, and you are a human traitor. , so please don't confuse me with you."

Having said that, Ren Yingying stopped talking nonsense, turned around and left.

"It's really persistent." Just after taking two steps, he heard Bai Yunfei smiling behind him: "If you want to leave, just leave, but we can make a bet that you will regret it soon, and come back and beg me. "

Hehe..

Hearing this, Ren Yingying chuckled lightly and said lightly: "Bai Yunfei, are you overconfident, I will come back to beg you? Stop dreaming." The

voice fell, and Ren Yingying left quickly.

At that moment, Bai Yunfei didn't stop her, but leaned against a tree and watched Ren Yingying walk towards the distance with a half smile.

Um?

Ren Yingying took a dozen steps, and suddenly her brows were furrowed, her delicate body was shocked, and she stood there.

At this time, Ren Yingying's delicate face showed a bit of consternation, no, it was fine just now, why suddenly, her whole body is so sour, and she can't exert any strength?

Not only that, the power of the demon soul in the body also showed signs of disorder, which... seems to be a precursor to going crazy.

Feeling this, Ren Yingying only felt her legs tremble, and she could barely stand still.

"Miss Ren."

At this moment, Bai Yunfei, who had been leaning against the fat tree, walked over slowly and asked with a smile, "Don't you want to leave? Why did you stop suddenly?"

"Haha, if you want to thank me, no need, I said, we are our own people."

When saying this, Bai Yunfei looked polite, but there was a trace of evil smile in his eyes.

call!

Hearing this, Ren Yingying frowned and did not respond.

This is, Bai Yunfei approached slowly, observed Ren Yingying's situation, a bit of joking appeared on his handsome face: "Miss Ren, you don't have to endure it anymore, the power of the demon soul in your body has already appeared disordered. There are signs that I can't exert any strength, isn't that so?"

Swish.

At this moment, Ren Yingying's face changed suddenly, she looked closely at Bai Yunfei, flashing with anger: "It's you... You poisoned me, right?"

Ren Yingying is very smart, the situation in front of you, Bai Yunfei obviously couldn't get rid of the relationship.

Moreover, with his strength, it was easy to poison himself silently.

"Poisoning..."

Bai Yunfei smiled slightly and shook his head with disdain: "I, Bai Yunfei, still disdain to do that kind of indiscriminate thing."

Wasn't he poisoning?

Hearing this, Ren Yingying frowned, her mind suddenly confused.

His situation was obviously a sign of poisoning, but Bai Yunfei said no.

This Bai Yunfei dare not admit it?

No, there is no need to lie to oneself with the existence of such strength as Bai Yunfei.

But if it's not poisoning, what's the matter with you?

"Hey..."

At this time, seeing Ren Yingying's face changing, Bai Yunfei's smile grew thicker, with his hands behind his back, he walked leisurely in front of her, and said slowly: "You don't have to guess, You are not poisoned, but the reversal of qi and blood before, and the backlash from the power of the demon soul."

What? The backlash of the power of the demon soul?

At this moment, Ren Yingying's delicate body trembled, and she immediately understood something.

Obviously, in the Weather Palace before, Bai Yunfei was helping himself on the surface, but he was actually hiding evil intentions. He knew that the reversal of qi and blood had great drawbacks and would trigger the backlash of the demon soul, but he deliberately didn't say it at the time.

No wonder he said just now that he would come to beg him, which turned out to be this.

The ultimate husband in Chinese chapter 4056-4060

Chapter 4056

Thinking of this, Ren Yingying's body trembled, staring at Bai Yunfei, she was so angry.

For so many years in the arena by myself, I have always been playing tricks on others and playing with others. Many years ago, I faked Yue Feng and captured all the major sects in the Earth Circle Continent together and trapped them in the Xingxing Building. The sweet girl was planted in Bai Yunfei's hands.

What a shame!

“Miss Ren.”

At this time, Bai Yunfei smiled and said, “You don’t have to look at me like this, the situation was urgent at that time, and I have no time to tell you the drawbacks of the reversal of qi and blood.”

After speaking, Bai Yunfei sighed and continued hypocritically: “But it’s not too late, it’s just a condition.”

“If you have something to say, hurry up and let go.” Ren Yingying bit her red lips and said coldly.

This Bai Yunfei said it nicely, but who knows what he was thinking secretly.

Bai Yunfei smiled: “It’s very simple, I’ll teach you the method of cracking, but you have to swear to join us and join me in allegiance to Your Majesty Demon Lord.”

“You were originally a descendant of the Demon Race, and now you have a Demon Soul, if you sincerely seek refuge If you do, Your Majesty Mozun will be very happy.”

“When the time comes, Your Majesty Mozun will have you and me to help, and the entire Kyushu, and even the Divine Realm, will be our world, haha...” At the

end, Bai Yunfei was very proud. laugh it out.

However, Ren Yingying had a cold look on her face, she didn’t even think about it, and decisively refused: “I want to be like you, to cause harm to Kyushu and ruin the lives of people? Stop daydreaming, even if I die, I will not agree to you.” The

voice Although weak, there is no doubt.

“Okay! As expected of Yue Feng’s woman, this chivalrous benevolence is admirable.”

This chapter is provided by . Visit for daily update.

After Bai Yunfei finished speaking with a smile that was not a smile, he sat on the grass beside him and waited quietly.

Ren Yingying snorted coldly, didn’t bother to pay attention, and was about to leave again. However, at this moment, a scorching power spread in Ren Yingying’s body.

At that moment, Ren Yingying felt like she was roasting on fire.

The burning sensation lasted for a while, followed by a bone-chilling cold.

Ren Yingying has a tough personality, gritted her teeth and did not make a sound, but a layer of sweat soon appeared on her delicate face.

Hearing the movement, Bai Yunfei stood up slowly, and said with a smile that was not a smile: "Don't hold on, the pain of the demon soul's backlash is not something that anyone can endure, so why do you do this?"

Ren Yingying couldn't stop herself. The trembling, resisting the feeling of alternating hot and cold, biting his lips tightly, he just didn't speak!

"Okay, I'll see how long you can hold on."

Bai Yunfei smiled slightly, not in a hurry, walked over slowly, sat under a tree and began to close his eyes and rest.

How to do?

Seeing this situation, Ren Yingying was angry and confused.

Do you really want to promise him?

No, my man is a hero of Kyushu, how can I join forces with the scourge of Kyushu like Bai Yunfei?

Thinking to herself, Ren Yingying gritted her teeth and continued to endure. She made up her mind that she must endure it.

However, the backlash of the demon soul is no trivial matter. The longer the time goes on, the stronger the pain that comes from the body. Bai Yunfei is right, ordinary people can't bear it at all.

call!

I don't know how long it took, Ren Yingying finally couldn't hold it anymore, her face was pale, and she was dripping with sweat.

"Bai Yunfei!"

At this moment, Ren Yingying said weakly at Bai Yunfei: "I can promise you, but there is one condition."

Haha...

Seeing that Ren Yingying finally gave in, Bai Yunfei was very excited and said with a smile: "Okay, you say."

Ren Yingying pondered and said weakly: "I can help you, but it must be done in secret, and my whereabouts must not be exposed."

Immediately, Ren Yingying lowered her head and muttered. He said to himself, "I can't let Yue Feng know about this. If he knew that I helped Mozun, he would definitely leave me.

"Flashing cunning.

Yes, Ren Yingying pretended to agree and didn't really plan to join Bai Yunfei. This was just a stopgap measure, in order to get Bai Yunfei's solution to the demon soul's backlash.

Ren Yingying is smart and witty. She knows that if she agrees, she will definitely be suspicious of Bai Yunfei. After all, the other party is not an ordinary person.

Chapter 4057

"Haha..."

Seeing that Ren Yingying finally agreed, Bai Yunfei was overjoyed, and he smiled and said: "Great, I knew that Miss Ren is a smart person, and now Your Excellency Mozun's team is growing, join us, is the most sensible choice."

Said, Bai Yunfei showed a meaningful smile: "Also, we are all descendants of the demon race, and we are a family."

At this time, Bai Yunfei was very excited, because Ren Yingying joined the demon. Respecting the team can be said to be of great significance. After all, Ren Yingying is not only witty, but also Yue Feng's woman.

Speaking of which, Bai Yunfei is not a fool either. He knows that Ren Yingying will not agree easily, and is likely to pretend to surrender. However, when he heard Ren Yingying talk about his concerns just now, Bai Yunfei instantly dispelled his doubts.

You know, Ren Yingying's feelings for Yue Feng are well known.

Therefore, she joined Bai Yunfei and worried about Yue Feng, which was completely natural. Moreover, saying it without any scruples proves that he has regarded Bai Yunfei as his own.

However, Bai Yunfei didn't know yet that this was deliberately pretended by Ren Yingying.

Although Bai Yunfei is smart and witty, he has only been involved in the arena for half a year. Compared with Ren Yingying, he still has some background.

Looking at Bai Yunfei's reaction at this time, Ren Yingying smiled lightly, but did not respond, but she was secretly amused.

This Bai Yunfei looks very smart, but it's actually not that good.

"Okay.."

At this time, Bai Yunfei walked over with a smile and said seriously: "Since it is my own, I will teach you the method of cracking the backlash of the devil's soul. You have to keep it in your heart."

At this point, Bai Yunfei explained the cracked formula in detail.

Ren Yingying listened very carefully, she was originally smart, Bai Yunfei only spoke it once, and deeply recorded all the formulas in her heart.

After jotting down the formula, Ren Yingying didn't dare to be slighted in the slightest, and hurriedly sat cross-legged and began to adjust the power of the chaotic demon soul in her body.

Bai Yufei stood by, watching with a half-smile.

Huhu...

After half an hour, I saw that Ren Yingying's pale complexion had improved a lot, and the power of the chaotic demon soul in the body finally calmed down.

However, Ren Yingying clearly felt that there was still a power of demon soul in the position of the heart, which was not under his control.

How could this be?

At this moment, Ren Yingying was very surprised, she couldn't help but said to Bai Yunfei: "There is still a demonic soul power that wanders in the body and is completely out of my control, what's going on?"

" ...

Hearing this, Bai Yunfei smiled slightly and explained slowly: "Don't panic, what I taught you just now was only the first half of the formulas, in other words, you only learned half of the formulas, your body The chaotic power of the devil soul has not completely subsided, so it is normal for this to happen."

What?

At this moment, Ren Yingying Overseas Chinese Federation rose to the red, and she couldn't tell the shame and anger: "Bai Yunfei, I have promised to join you, but you are still playing this way, isn't it funny?"

Ren Yingying was very angry at this time. , this Bai Yunfei is too cunning.

Uh...

Facing Ren Yingying's anger, Bai Yunfei was very embarrassed, and explained with a wry smile: "Miss Ren, you misunderstood, I didn't mean to pass on half of your formulas, but Lord Mozun passed it on to me before. half."

Saying that, Bai Yunfei smiled and continued comforting: "But don't worry, your current situation is no longer in danger. When Your Excellency Mozun comes back, I will introduce you. At that time, Your Excellency Mozun will definitely teach you the next lesson in person. Half of it."

Bai Yunfei's face was sincere when he said this.

Because what he said was right, when Demon Lord Gone passed down the formula, he did only pass half of it.

This....

looking at Bai Yunfei doesn't seem like she's lying, Ren Yingying bit her lip and didn't speak, feeling very depressed.

If that's the case, then you're out of luck. Thinking to herself, Ren Yingying made a very embarrassed look: "Looking at this situation, I misunderstood you, by the way, do you have any arrangements for me later

?"

Somewhat apprehensive.

What if Bai Yunfei lets himself harm the people of the Ouyang family?

Chapter 4058

Bai Yunfei smiled slightly: "No need for now, you go back to the Ouyang family first, and I will find a way to notify you if you have any plans."

Well!

Ren Yingying nodded, and then said goodbye to Bai Yunfei.

.....

On the other side, God's Domain.

Yue Feng and Mengya, as well as dozens of demon warriors, didn't know how long they walked, and finally left the dense forest. At this time, there was a meandering stream in front of them.

The water is gurgling and clear.

call!

Seeing this scene, Yue Feng felt relieved all of a sudden, and now he can finally quench his thirst. Since he was unconscious in the blood sacrifice, and then rescued by the people of Mengya, Yue Feng hasn't drank a drop of water for almost half a day. , is almost thirsty.

More importantly, Yue Feng had broken a leg and needed to rehydrate.

"Let's take a rest."

At this time, Yue Feng pointed at the stream in front and said to Meng Ya, "I want to go to the river to drink some water." After speaking, Yue Feng couldn't help licking his dry lips.

Swish.

The words fell, Meng Yaxiu frowned, and her delicate face showed impatience: "Why do you have so many things? After crossing this river, it will be our demon clan's territory not far away, you can bear it."

The voice was cold, beyond doubt.

Although Yue Feng used the Aoki Array to protect everyone from the harassment of the demon warriors, in Mengya's heart, her views on Yue Feng still did not change much.

From her point of view, Yue Feng asked everyone to hold the branches to avoid the pursuit of the demon warriors, but it was just some small tricks, and it was just good luck.

More importantly, she will soon arrive at the clan, and Mengya doesn't want to delay time.

I go.

This girl is too cruel, she is not allowed to drink water. Hearing Mengya

's words, Yue Feng didn't know whether to laugh or cry, and said slowly: "If I don't drink water, I will die. If I die, who will direct you to avoid those demon warriors?"

A few of the demon clan's

subordinates around: "You guys, take him to drink water." Seriously, Mengya didn't want to compromise, but this man was right, in case he died of thirst, another demon warrior would appear. , everyone is in danger.

"Yes, miss."

Upon hearing the order, several of the demon clan's subordinates responded in unison, then dropped the branches in their hands, and was about to come over and help Yue Feng to the stream.

"Stop."

Seeing this scene, Yue Feng hurriedly called out.

Um?

This voice, whether it is Mengya, or the surrounding demon clan's subordinates, is stunned.

Immediately afterwards, Mengya's delicate face was full of displeasure, and she said angrily at Yue Feng: "You are crazy, you are shocked, what are you trying to do?"

While talking, Mengya glared at Yue Feng. At a glance, I couldn't hide the disgust in my heart.

This person is really getting more and more annoying. If it wasn't for my sister's explanation before she left, she would take good care of him, and I really wanted to leave him here.

In the face of Mengya's accusation, Yue Feng was not angry at all, and said with a smile: "Mengya girl, don't be angry, I have no other intentions, look at this place, the vision is wide. Once the demon warriors appear nearby, It's easy to spot us."

Saying that, Yue Feng took a deep breath and pointed to the surrounding demon clan's subordinates: "So, the branches in their hands cannot be thrown away, and they must be arranged according to the previous position."

Phew...

Hearing this, Meng Ya was very angry After disappearing a lot, he waved his hand at random, and said to the monsters: "Did you hear it, don't throw away the branches, and stand according to the previous position."

Then, Mengya tilted her head to Yue Feng and said: "In this case, Go to the stream and drink water yourself."

However, Yue Feng didn't move, but leaned against a tree and looked at Mengya with a half-smile.

I have to say that Mengya is at a young age. Although her personality is a bit unruly, her delicate facial features, coupled with her slender curves, are enough to drive any man crazy.

Especially after walking through the jungle for a long time, Mengya's face was rosy, and there were some beads of sweat on her forehead, giving people an indescribable style.

"You..."

Yue Feng's eyes made Mengya very unhappy. At that time, her almond eyes glared, and she said: "What are you looking at? Don't you want to drink water? Why don't you hurry?"

Yue Feng slightly With a smile, he pointed to his broken leg: "Miss Mengya, look at me like this, why do I go to the stream alone?"

Chapter 4059

When he said this, Yue Feng was leaning against the tree, supported by one leg, looking very embarrassed.

Mengya was stunned for a moment, then said coldly: "Then what do you want?"

This...

Yue Feng scratched his head, looking very embarrassed: "I originally wanted your subordinates to help me over, but they It is also necessary to set up an array around to prevent the demon warriors from appearing at any time."

Said, Yue Feng's mouth twitched: "The only way now is for you to accompany me. You must know that the Aoki formation I deployed requires three There are sixteen people, and there are exactly thirty-six of your subordinates, none of which is indispensable. Therefore, Miss Mengya, I have to work hard for you once."

When he said this, Yue Feng's face was sincere, but his eyes flashed with slyness.

Yes, Yue Feng did it on purpose.

The green wood formations deployed by these monster clan's men need to be commanded by Yue Feng and constantly change their orientation in order to exert their effect. Standing still like this one by one, it is useless.

The reason why Yue Feng did this was to educate Mengya. This girl is arrogant and willful, and she doesn't know how to respect others at all. Yue Feng has been mocked by her with cold words several times, and she has long been unhappy in her heart.

Swish!

Hearing this, there was an uproar around.

Dozens of subordinates stared blankly at Yue Feng, their eyes full of complexity and shock.

This boy is not small, he dares to say that the young lady will wait for him to go to the stream to drink water.

At the same time, Meng Yayue's delicate body was trembling, her delicate face was full of shame and anger, she stared at Yue Fengjiao and shouted, "What are you thinking about? What status are you, and what qualifications do you have for me to serve you? Drink water?"

Meng Na was very angry at this time.

Father Wang is the famous White Tiger King, and he is a thousand-dollar body, but this man is dressed in tatters and has a broken leg. He is not even a beggar. How can he let himself serve him?

The more she thought about it, the more angry she became, she pointed at Yue Feng and scolded: "If you want to drink water, go by yourself. If you want me to accompany you, there is no way." The

attitude is firm and unquestionable.

Hehe...

Hearing this, Yue Feng was not angry at all, but said with a smile: "Don't get excited, I'm just saying, how dare you really serve me." As

he said that, Yue Feng broke a branch . Use it as a crutch, then stagger toward the stream. It's just that Yue Feng took one leg and walked very slowly.

"Hey!"

After taking a few steps with difficulty, Yue Feng stopped and muttered to himself: "I've broken a leg, and I've really become a cripple. It's such a short distance, I'm afraid it will take a long time to walk. Drink some water..."

"It's fine if you drink water, but I'm afraid, just after drinking the water, those demon warriors appeared, and by then, everyone would not be able to leave."

"Alas, just for the sake of If I drink water alone, I will take advantage of everyone's safety, and the loss will outweigh the loss."

Yue Feng muttered and walked slowly towards the stream. At the same time, Yu Guang kept an eye on Mengya's reaction. These words were deliberately said to her.

This man is so annoying.

Yue Feng's voice was not loud, but Ke Meng could hear clearly. At that time, he was ashamed and angry, and he stomped his feet and walked over: "Wake up, don't talk about it, I'll just support you.

" Then, Mengya stretched out her jade hand and supported Yue Feng.

To be honest, Mengya hated this beggar-like man from the bottom of her heart, and would not support him at all, but Yue Feng's self-talk really made her unbearable.

Moreover, what Yue Feng said was right. If there was no one to help him, it would take him nearly three times or even four times as long to walk to the stream to drink water than a normal person.

In the current situation, there may be demon warriors around at any time, and the time is very urgent.

In this case, Mengya was reluctant, but for everyone's safety, she could only come and help Yue Feng.

Phew...

At this moment, the moment Mengya hugged his arm, Yue Feng smelled a faint scent that was unique to the girl of the demon race. At that time, his heart swayed, and he couldn't help taking a deep breath.

smell good.

This pair of jade hands is so beautiful.

Seeing the intoxication on Yue Feng's face, Mengya blushed instantly, and she felt even more disgusted in her heart, and said angrily, "What are you stunned for? Why don't you hurry up?" The

voice fell, and Mengya dragged Yue Feng towards the stream. go.

Chapter 4060

Hiss.

Mengya was very strong. At that time, Yue Feng only felt the piercing pain from his broken leg. At that time, cold sweat broke out, and then he smiled bitterly: "Miss Mengya, please slow down.

" He murmured, but still slowed down.

Soon, to the stream.

Mengya urged coldly: "Hurry up and drink water, hurry up, everyone is waiting for you."

When she said this, Mengya couldn't hide the contempt in her heart, and at the same time she was relieved secretly, and finally said This waste was brought to the stream.

However, Yue Feng smiled and looked embarrassed: "Miss Mengya, you need to do me a favor."

"What?" Mengya said coldly.

Yue Feng scratched his head, showing a sly smile: "In my situation, I can't bend down at all, and I can't reach the water. Why don't you help me scoop some water

?"

Meng Yaxiu frowned and was very conflicted in her heart, but she resisted the attack, but looked around: "There is nothing here, what can I use to help you scoop the water?"

Yue Feng pointed to her pair of jade hands: " This is simple, you can hold the water with both hands and feed it to me."

Saying that, Yue Feng didn't forget to wipe the sweat from his forehead, and then urged: "Come on, Miss Mengya, I'm dying of thirst. "

What?

Hearing this, Meng Ya's body trembled, and fire almost spewed out of her eyes.

This person is getting more and more excessive. It's not enough to be supported by himself. He wants me to hold water in my hands to feed you?

What are the good things in this world that make you think about it?

Whoa!

At the same time, the surrounding demon clan's subordinates also exploded, looking at Yue Feng and discussing in a low voice.

"This kid is so courageous."

"That is, dare to let the young lady feed him with water..."

"Dare to tease the young lady like this, he is finished..."

The discussion from the surrounding men kept coming, Mengya's exquisite His face also turned red.

The next second, Mengya let go of Yue Feng directly, and said softly: "Don't be too aggressive, I have already brought you to the water, whether you have the ability to drink it is your business, don't be too aggressive in front of me."

After that, Mengya was about to turn ashore.

I go.

Mengya let go abruptly. At that time, Yue Feng was unsteady and almost fell, but fortunately, Yue Feng was quick-witted and grabbed a wooden stick tightly on the ground, which stabilized his figure.

In the next second, Yue Feng looked helpless and said with emotion at Mengya's back: "Alas, it seems that this is my fate, forget it, just die of thirst, it doesn't matter if I die, it's just a little bit. Trust me, I can't help you return to the clan."

"You..."

Hearing this, Mengya stomped her feet, then walked back quickly, holding a cup of clear water by the stream and handing it to Yue Feng In front of him: "Okay, don't talk nonsense, hurry up and drink it."

At this time, Mengya could not wait to kill Yue Feng immediately.

But there is no way, my sister said, we must protect his safety.

More importantly, this person does have some ability, so that dozens of subordinates can hold a branch to avoid the search of the demon warriors. He is really dying of thirst, what should he do if he encounters a demon warrior again?

Ha ha....

Seeing that Mengya finally compromised, Yue Feng felt indescribably happy, smiled slightly, and then went up to drink a few sips of stream water.

After drinking the stream water, Yue Feng was refreshed and felt much better than before.

“Thank you Miss Mengya.” Yue Feng smiled and thanked him.

However, Mengya didn't appreciate it at all, she curled her lips, and said angrily: “Stop talking nonsense, and the water is drunk. Now let's go on the road .

“

With help, he walked towards the road.

Crash...

However, every two steps, I heard the sound of dense footsteps coming from the woods not far away.

broken.

Hearing the movement, whether it was Mengya or the surrounding monsters, their expressions changed and they became inexplicably nervous.

Those demon warriors, catching up so quickly?

But soon, Mengya calmed down. The surrounding subordinates were all holding branches at this time. Even if the demon warriors came, they could not find everyone's whereabouts.

After calming down, Mengya rushed towards the woods.

At the same time, Yue Feng also looked up.

I saw that nearly a thousand figures rushed out of the woods quickly, very fast.

The ultimate husband in Chinese chapter 4061-4065

Chapter 4061

These figures are wearing uniform armor, and they are indescribably powerful, but they all look pale and look very embarrassed.

It was the divine general who had been defeated in the Demon Sealing Mountain before.

The one at the head, dressed in golden armor, is full of style, but there is deep fatigue between his brows.

It was Gong Ao.

Huh....

Seeing this scene, whether it was Mengya or the surrounding demon clan's subordinates, all of them subconsciously breathed a sigh of relief.

It turned out to be some gods and soldiers, what a false alarm.

When the ancestors of the Great Desolation appeared, they resolved the hatred between the demon clan and the gods for thousands of years, and the grievances between the two sides were eliminated, so seeing that it was from the gods, Mengya and these demon clan's subordinates were not panic at all.

shit.

However, Yue Feng's expression changed, his eyes looked at Gong Ao from a distance, and he was shocked and angry.

In Fengmo Mountain before, Yue Feng originally found a way to break the blood sacrifice formation, but at the last critical moment, he was plotted by Gong Ao, and finally crushed by the powerful force of the formation, he broke a leg and passed out.

It can be said that if it wasn't for Gong Ao, Yue Feng would not be so miserable.

Yue Feng originally thought that Gong Ao had plotted against him and would leave Fengmo Mountain directly, but he never thought that not only did he not leave, but he saw it so quickly.

At this time, Yue Feng still didn't know that after the fierce battle at Fengmo Mountain, the Divine Realm was completely defeated at that time, and Haotian Divine Sovereign had no choice but to announce his retreat.

However, during the retreat, many gods and soldiers panicked and strayed into the surrounding jungle, among them Gong Ao.

This chapter is provided by . Visit for daily update.

At that time, after Gong Ao entered the jungle by mistake, because he was unfamiliar with the environment, he could only move forward by feeling. Along the way, he encountered many broken soldiers and gods, and Gong Ao integrated them.

At the beginning, there were only a hundred people, but now there are more and more, almost a thousand people.

call!

When the enemy met, he was extremely jealous.

However, Yue Feng remained a little calm, and before Gong Ao found himself, he turned his head, and then used the branches in his hand to pick up some silt from the stream and smear it on his face.

Soon, Yue Feng's face was painted like a black cat, completely changing his appearance.

Speaking of which, Yue Feng didn't want to act so cowardly, but he couldn't help it. He was severely injured in the Blood Sacrifice Array before, and his Primordial Spirit had not recovered yet. Not only that, but his leg was also broken.

In this case, if Gong Ao found out, Yue Feng would definitely die.

"What are you doing?"

At this time, Mengya looked back and saw Yue Feng's appearance, and was stunned.

Yue Feng smiled and wrote lightly: "It's nothing, I didn't know that something jumped into the stream just now and splashed mud on my face." I can't tell the real situation, I can only make up a reason.

deserve it.

Hearing this, Mengya grumbled angrily, and then she signaled to the surrounding demon clan's subordinates not to move.

At this time, in Mengya's heart, he thought that these subordinates hadn't lost the branches, and the formation had always existed. These gods and soldiers in front of him would be the same as the previous demon warriors, and even if they got there, they wouldn't be able to find them.

However, she didn't know that this kind of green wood formation needs to constantly change its orientation in order to be effective.

Swish!

At this time, Gong Ao and those divine soldiers and generals also discovered Mengya and the others.

"Huh? Someone over there?"

"Looks like it's from a demon clan..."

"Go over and take a look." The

voice fell, and under the leadership of Gong Ao, nearly a thousand soldiers and gods rushed up quickly and sent Mengya He Yue Feng and those demon clan's subordinates surrounded him.

What?

Seeing this situation, Mengya and dozens of demon clan's subordinates stood there in a daze, all dumbfounded.

This is impossible, it is impossible to be seen by deploying the formation.

In shock, Meng Ya tilted her head to look at Yue Feng: "What's the matter? What kind of green wood formation did you deploy, why is it useless?"

"Yes!"

Yue Feng nodded with a calm expression on his face: "This Aoki Array, only with different changing orientations can it be effective, standing there still is useless, so it can be seen."

Hearing this, Mengya nodded suddenly, but then felt wrong.

Since this is the case, since Yue Feng was about to drink water, these men stood there and didn't move. In other words, from the very beginning, the formation was useless.

Understand this, Mengya is ashamed and angry.

Chapter 4062

Obviously, before Yue Feng asked him to accompany him to the lake by the stream, it was all intentional.

The more Meng Ya thought about it, the more angry she became, she stretched out her jade hand and pinched Yue Feng's waist.

hiss.

When the pain came, Yue Feng couldn't help taking a breath of cold air, and his footing was unstable for a while, and he almost fell.

"Miss Mengya, what are you pinching me for?" Yue Feng couldn't help saying.

Meng Ya bit her lip tightly and glared at Yue Feng angrily: "You rascal, you lied to me before and took advantage of me. Miss Ben didn't kill you, she just took advantage of you."

Whoa!

Just as he was talking, he saw Gong Ao with nearly a thousand soldiers and generals, rushing to the front, directly surrounding Yue Feng and Mengya gang.

Gong Ao's face was full of arrogance. He first looked at dozens of demon clan's subordinates, and finally his eyes fell on Mengya: "You all belong to the demon clan?"

Gong Ao's tone was very cold when he said this.

You must know that there was a war between the demon clan and the God Realm thousands of years ago. Later, although the ancestors of Honghuang came forward to resolve this grievance, the demon clan besieged Yutian Palace before, and the nature was very vicious, so in Gong Ao's heart, I've never been fond of demons.

Huh...

Feeling Gong Ao's tyranny, dozens of monsters looked at each other, and then silently urged their power, ready to fight at any time.

These monster clan warriors are all aggressive and good at fighting. At this time, seeing Gong Ao's bad words, he is naturally unconvinced.

Mengya looked even more coquettish and looked at Gong Ao without fear: "Yes, we are from the demon clan, and I'm not afraid to tell you that my father is the White Tiger King."

Mentioning the White Tiger King, Mengya is exquisite On his face, he couldn't hide the pride.

The daughter of the White Tiger King?

Hearing this, Gong Ao was stunned for a moment, then he showed a smile, and his attitude became obviously polite: "It turns out to be the daughter of the White Tiger King, haha, disrespectful!" After speaking, Gong Ao took a

step forward, He said eagerly, "So, your clan is near here?" To

be honest, Gong Ao didn't want to be so polite, but he couldn't help it. The beautiful woman in front of her was the daughter of the White Tiger King, and her identity was extraordinary.

Moreover, in the previous battle of Fengmoshan, hundreds of thousands of gods and soldiers were defeated, and they were almost defeated. In this case, the God of Nine Heavens must be furious.

Gong Ao thought about it. Before returning to Yutian Palace to see the Nine Heavens God, he must do something to make up for his faults. And the demon clan in front of him is a good opportunity.

After all, there are hundreds of thousands of demon clan tribes, which is not a small force.

Gong Ao thought about it, going to see the White Tiger King through Mengya, as long as he can persuade the White Tiger King to help the God Realm deal with Demon Venerable, that is a credit, and when he sees the Nine Heavens God, he will not be punished.

Swish!

Seeing Gong Ao's look of anticipation, Mengya's delicate face suddenly changed, and she suddenly became vigilant.

In the next second, Mengya said lightly: "What about the times? What about not?"

Although Mengya is savage, she is also very smart. She knows that there was a deep grievance between the demon clan and the gods, and seeing Gong Ao like this at this time Ask, and instinctively get on guard.

Haha....

Seeing Mengya's reaction, Gong Ao smiled and explained: "You don't have to be nervous, I just have something to do. I want to see Your Excellency the White Tiger King. If it is convenient, I hope you can show me the way.

" ...

Mengya pondered for a while, did not answer directly, but asked: "Is it because of the Demon Sealing Mountain?"

"Yes." Gong Ao nodded, his face solemn: "The Demon Lord Gone has resurrected his genus. Next, there are hundreds of thousands, this power is very terrifying, and the God Realm is about to face the biggest catastrophe in thousands of years."

After speaking, Gong Ao took a deep breath, looked at Mengya seriously, and continued: "I know your demon clan. I don't care about the world, but the situation is very critical right now, the so-called 'lips are dead and teeth are cold'. If the Yutian Palace is destroyed and the Divine Realm is in chaos, your demon clan can't be immune, right?"

Hearing this, Mengya couldn't refute, so she nodded. Said: "Okay, I'll take you to see my father." That's

great.

Seeing her promise, Gong Ao was very happy, then turned his head to see Yue Feng, and was stunned for a moment: "What's the matter? You have met the demons?"

Speaking of which, Gong Ao hated Yue Feng. It should not be unrecognizable, but at this time Yue Feng was in a mess, his clothes were tattered, not only a broken leg, but also black mud on his face, completely changed his appearance.

Moreover, after Gong Ao plotted against Yue Feng in Fengmo Mountain at that time, he was expected to die without a doubt.

So in this case, Gong Ao naturally couldn't recognize it.

Um?

In the face of Gong Ao's inquiry, Mengya was stunned.

Chapter 4063

What's the situation? This Yue Feng is the Nine Heavens Profound Sage of God's Domain. In other words, he is Gong Ao's boss. At this time, this Gong Ao didn't even recognize him?

Soon, Mengya calmed down and said, "Don't you know him? He is..."

Shit...

Seeing this scene, Yue Feng was taken aback and quickly covered the dream with his hands ya's mouth.

At this time, Yue Feng almost broke out in a cold sweat. He had just put on makeup, but Mengya couldn't tell his identity, otherwise he would be dead.

When Yue Feng suddenly covered his mouth, Mengya was ashamed and angry, and pushed him away, disgusted: "What are you doing? It's too presumptuous."

So annoying.

Um?

At this moment, Gong Ao also frowned secretly.

What's the situation?

What Mengya said was as if she was very familiar with this black-faced guy, and this guy seemed to be very sensitive to his identity.

Something strange.

Yue Feng smiled and hurriedly pulled Mengya in a low voice: "Miss Mengya, in front of this Gong Ao, don't tell me who I am, do you know?"

Yue Feng's voice was very small when he said this. , only he and Mengya can hear it.

Meng Yaxiu frowned, although she was very puzzled, she pressed her voice and said, "Why?"

Hu...

Yue Feng took a deep breath and said seriously, "Don't ask so much first, I can only talk to you about it. Say something, once my identity is exposed, not only will I die, but you and your subordinates will also be silenced, so you have to help me cover up my identity, understand?"

Identity exposure will be silenced?

Hearing this, Mengya only thought it was a little ridiculous, but seeing that Yue Feng didn't seem to be joking, she had to nod her head.

"What?"

At this moment, Gong Ao, who was not far away, couldn't help but ask, "Is there any problem?" After saying that, Gong Ao couldn't help but look at Xia Yuefeng.

Meng Ya opened her red lips and was about to speak, but was interrupted by Yue Feng.

“It’s all right...”

Yue Feng put on a smile and said to Gong Ao: “I told our lady just now that I’m just a small person, and I’m not qualified to let Your Excellency Gong Ao know about the situation!

” His mind turned quickly, and he continued: “After the Yutian Palace incident, I was ordered by His Excellency the White Tiger King to go to Yutian Palace to spread a message. At that time, I had a one-sided relationship with Your Excellency Gong Ao.”

One-sided relationship?

Gong Ao frowned secretly, why can’t he remember?

However, Gong Ao didn’t bother to think about such trivial matters. He didn’t say much, and smiled at Mengya: “There’s not much time, it’s not too late, let’s go to your clan.”

Well...

dream Ya Ying snorted, and immediately led the way with Yue Feng and dozens of subordinates, heading towards the clan’s land.

Gong Ao greeted nearly 1,000 divine soldiers and generals, followed by him.

After walking for half an hour, Yue Feng, Mengya, and Gong Ao finally came to the demon clan land.

I saw that there was a huge stone hall in the center of the clan. Around the stone hall, there were huge statues of the four innate spiritual beasts, majestic and solemn, with an indescribable style.

Outside the door of the stone hall, dozens of figures stood.

These figures are all the top powerhouses in the monster clan, headed by a silver satin robe, tall and majestic, it is the White Tiger King.

On the right back of the White Tiger King, is Ria.

Ten minutes ago, Liya returned to the clan and told the story of her encounter with Yue Feng. The White Tiger King was also a little surprised at the time, because Yue Feng was so powerful that it was impossible to be so embarrassed. He almost died without breaking his leg. .

However, after hearing Li Ya describe the other party’s appearance in detail, the White Tiger King was very excited and determined that it was Yue Feng. Then you will call

your subordinates and go to meet them. Just before leaving, I heard a report from my subordinates that Mengya came back with someone.

Knowing the situation, the White Tiger King did not dare to neglect, and hurriedly stood at the door of the stone hall to greet him.

“Haha!”

At this moment, Mengya and Gong Ao also came to the stone hall. At this moment, Gong Ao put a smile on his face and greeted the White Tiger King: “Your Excellency White Tiger King, don’t count. Today, your style is still the same.”

Speaking of which, Gong Ao wouldn’t be so polite to the White Tiger King before, but there is no way, in order to win the White Tiger King over, and even more to do meritorious service in front of the Nine Heavens God, he doesn’t care at this time. So much on.

Chapter 4064

However, what Gong Ao didn’t expect was that the White Tiger King didn’t even look at him, walked down the steps quickly, and walked towards Mengya.

Mad!

At this moment, Gong Ao stood there, his smile froze on his face, very angry.

This white tiger king is too crazy, he is also the commander of the Nine Heavens God, he is so neglectful.

It’s him!

At this time, the White Tiger King came to him and looked closely at Yue Feng behind Mengya, excited.

At the same time, the White Tiger King couldn’t express his anger. He couldn’t believe it. He couldn’t believe that the benefactor of the entire demon clan would end up in such a mess now.

A month ago, the entire demon clan was still trapped in the sealed land. At that time, the various tribes were still fighting with each other, and it was almost a mess of sand. After that, Yue Feng strayed into the sealed land. , pacified the grievances of various tribes, and then successfully brought everyone out of the sealed land.

It can be said that without Yue Feng, the entire demon clan is still trapped in a dark and dark place.

Without Yue Feng, there is no Yaozu today.

In the heart of the White Tiger King, not only is he extremely grateful to Yue Feng, but also very respectful. Therefore, even though Yue Feng was so embarrassed and deliberately smeared black mud on his face, the White Tiger King only saw Yue Feng's figure and still recognized it.

"It's really him, it's him..."

At this moment, the White Tiger King was so excited that his voice trembled. It was unimaginable that the White Tiger King, as the existence that ruled the entire demon clan, lost all his majesty at this moment, but was excited. like a child.

Broken, broken!

Feeling the excitement of the White Tiger King, Yue Feng felt very complicated.

Although he arrived in the demon clan's territory, Yue Feng didn't have to worry about Gong Ao's revenge, but he had broken his leg and his primordial spirit had not recovered, so he didn't want to worry about it.

Moreover, in Yue Feng's heart, there is a personal grudge between him and Gong Ao, and he doesn't want to involve the demon clan.

"Pfft!"

Just when Yue Feng was thinking about what to do, he saw the White Tiger King kneeling on the ground in excitement!

"Benefactor, we meet again... Back then you saved all of our demon clan, please accept my worship." The White Tiger King was so excited that he said with emotion.

Whoa!

Seeing this scene, there was an uproar in the audience, whether it was the surrounding demon clan, Gong Ao and nearly a thousand soldiers and generals, all opened their mouths.

Shock!

Totally shocked!

This is the White Tiger King who has commanded the entire demon clan. His status is detached and his strength is strong. At this time, he is so excited to kneel to a waste with a broken leg.

And Liya and Mengya were also stunned there, their delicate bodies trembling.

Especially Meng Ya, biting her lip, she stared blankly at Yue Feng, speechless.

I thought that this cripple was a big liar, but I never thought that he was really the benefactor of the demon clan!

This....

Gong Ao, who was frozen there, frowned, staring at Yue Feng's back, thoughtfully.

What's the situation?

The White Tiger King paid no attention to his dignified commander of the Divine Realm, but he was so respectful to a guy with a broken leg.

At this time, Yue Feng's mood was extremely complicated. But soon calmed down.

"Oh, king!" In the

next second, Yue Feng leaned on a wooden stick in one hand, and quickly supported the White Tiger King with the other hand, pretending to be very frightened: "What are you doing? Legs, this is my duty." As

he said that, Yue Feng blinked at the White Tiger King secretly, and at the same time glanced at Gong Ao not far away from the corner of his eye.

The White Tiger King is very smart. Seeing Yue Feng doing this, he immediately guessed something. Your Excellency Yue Feng must have some grudge with Nagong Ao, and he did not want to reveal his identity, so he said that he broke his leg for the sake of the demon clan.

Thinking to himself, the White Tiger King quickly stood up and smiled at Yue Feng: "No matter what, you are the great hero of our monster clan."

Yue Feng nodded and let out a sigh of relief.

Fortunately, this White Tiger King is not stupid, otherwise, his identity would really be exposed.

big hero?

Hearing this, the surrounding Yaozu tribe looked at each other in dismay. This guy is not from the demon race, how did he become a big hero?

Liya also frowned, very puzzled, but she was icy and smart, knowing that her father did this, he must have his reasons, so she stood aside and didn't ask more.

Chapter 4065

However, Mengya couldn't help it, she came over and said to the white tiger king: "Father, what's the matter with you? He is obviously..." While speaking, Mengya did not forget to look at Yue Feng in surprise .

What the hell is this Yue Feng doing?

Even if he is afraid of Gong Ao, but this is the territory of the demon clan, Gong Ao has less than a thousand magic soldiers and generals, what is there to be afraid of.

"Shut up!"

Just after saying a few words, the White Tiger King stopped him: "You have been exploring outside for so long, you should be tired, go and rest."

Seeing the White Tiger King say this, Mengya pouted. , no longer speak.

"Commander Gong Ao."

At this time, the White Tiger King turned around and smiled at Gong Ao: "I'm sorry, I was neglected just now."

Gong Ao reacted and forced a smile: "It's okay.

", Gong Ao couldn't help but glance at Yue Feng: "This is..." To

be treated so politely by the White Tiger King, it must not be easy for him to be in the Monster Race, right?

The White Tiger King turned his eyes and explained with a smile: "The commander doesn't know anything, this is the hero of our demon clan, who made more contributions for our demon clan than I did, so even me, I have to be courteous. "The

White Tiger King is very smart, and deliberately made up a reason to prevaricate it.

Speaking of which, aware that Yue Feng and Gong Ao had something to do, the White Tiger King planned to drive Gong Ao away directly, but seeing that Yue Feng did not have any instructions, he could only play it on the spot.

At the end of the story, the White Tiger King directed at Lia: "Quick, bring the hero back to heal."

“Yes, Father King!”

Hearing the order, Liya responded, then greeted a few of her subordinates, and helped Yue Feng to the resting place behind the stone hall.

I see.

Seeing Yue Feng being taken away, Gong Ao suddenly nodded. In the next second, Gong Ao thought of the formality, and hurriedly said to the White Tiger King, “Your Excellency White Tiger

King, please forgive me for disturbing you so rashly. To be honest, I came here this time to ask for something.”

“Really?”

The king’s face did not fluctuate in the slightest, and he said lightly: “What is the matter, please tell the commander.”

Gong Ao took a deep breath and explained in detail what happened in Fengmo Mountain.

At the end of the speech, Gong Ao looked anxious and bowed deeply to the White Tiger King: “Your Excellency White Tiger King, although there were some grudges between our God Realm and your demon clan before, it has passed, and now we are in the God Realm and should be mutually dependent. , to help each other.”

“The Demon Lord has resurrected his hundreds of thousands of clans, and he is so powerful that he is going to start a war in the realm of the gods, so I want to invite Your Excellency the White Tiger King to lead the demon clan to fight against the devil with our gods.”

“Your Excellency, it should be clear that Demon Venerables are cruel by nature. Once they capture Yutian Palace, they will turn their heads to deal with your demon clan.”

After saying the last sentence, Gong Ao looked closely at the White Tiger King, his eyes full of urgency and anticipation.

This...

Knowing these circumstances, the White Tiger King did not directly agree, but frowned and pondered, and finally said slowly: “Gong Commander. This time is indeed no trivial matter, but, although I am the supreme commander of the monster clan, I am so big. You can’t make decisions on your own, you need to hold a meeting to discuss it.”

At this time, the White Tiger King was serious on the surface, but there was a hint of coldness in his heart.

Of course, the White Tiger King would not agree to this kind of thing easily, and he also needed to seek Yue Feng's opinion.

"Okay!"

Gong Ao nodded quickly and said with a smile, "This is what it should be." The

White Tiger King hummed, then looked at the nearly 1,000 soldiers and soldiers behind Gong Ao, and said lightly: "There are more , This is the habitat of our demon clan, there are many inconvenient places, so please bring your men and camp in the woods outside the clan."

What?

Hearing this, Gong Ao was stunned and felt very unhappy.

This White Tiger King is too arrogant, and they all formed an alliance immediately. You didn't provide us with a place to cultivate, and you drove us out of the clan?

But even though he was upset, Gong Ao didn't show it. He nodded embarrassingly, and then gathered nearly a thousand soldiers and generals to set up a temporary camp in the woods outside the clan's land to rest.

The ultimate husband in Chinese chapter 4066-4070

Chapter 4066 Huh

....

Watching Gong Ao take people away, the White Tiger King took a deep breath, and then walked quickly towards the back of the stone hall.

At this moment, Yue Feng is here.

Liya and a few demon clan men helped Yue Feng into a stone room.

At this time, Liya asked a few of her subordinates to leave, and then respectfully said to Yue Feng: "If your Excellency needs anything, just ask me."

Hmm!

Yue Feng thought for a while, and then said, "Just help me collect a few herbs. I saw a lot of herbs nearby, so it shouldn't be difficult to find them." After speaking, he said the names of several herbs.

Although he broke his leg, Yue Feng did not panic at all. With his superb medical knowledge and alchemy skills, as long as he had the necessary herbs, he could recover quickly.

"Okay!" Leah memorized the herbs and left in a hurry.

Squeak!

As soon as the forefoot left, I heard the door of the stone room being pushed open, followed by a slender figure, flashing in, with clear eyes flashing a bit cunning and mischievous.

It was Mengya.

Why is this girl here?

Seeing Mengya, Yue Feng was stunned.

"Hey!"

This chapter is provided by . Visit [for daily update.](#)

At this moment, Mengya walked up to him and looked up and down at Yue Feng: "Are you really Yue Feng?" There seemed to be some disbelief in the words.

Hearing this, Yue Feng showed a smile: "You have seen your father's attitude towards me just now. Do you think that besides me, who else can make him kneel?"

Also.

Meng Ya nodded in understanding, then thought of something, and looked at Yue Feng excitedly: "I heard from my father that at that time in the sealed land, you got the power of the bird ancestor of Queen Suzaku, really Is it fake?"

"Of course it's true." Yue Feng nodded.

Great.

Mengya suddenly became excited, and her eyes were full of anticipation: "I heard that the power of Bird Ancestor is very strange. It can be separated from the body and condense a fire bead. I will get it out for me to see, okay?"

Although Mengya is just an adult , but still retains a childlike nature, curious about everything. It is also the special existence of the power of bird ancestors.

I go. Hearing this, Yue Feng wanted to cry without tears: "What's so good about the power of bird ancestors? I'm about to recover from my injury. Next time, next time

I have a chance, I'll let you take a good look, okay?"

Yue Feng had a headache, and finally got to a safe place. He thought he could have a good rest, but he didn't expect that he would be disturbed by the quirky Mengya.

Seeing Yue Feng's refusal, Mengya suddenly became unhappy, and said with a pouting voice: "Stingy, if you don't let me see, I will always bother you." The

voice fell, Mengya turned and sat on the stone bench opposite, some He looked at Yue Feng proudly, with a gesture of never giving up until his goal was achieved.

Ugh.

Seeing this, Yue Feng sighed and said helplessly: "Okay, I'll show you." After speaking, he activated the power of Bird Ancestor to form a fist-sized fire in front of him. Beads come out.

Although he was hit hard in the blood sacrifice battle before, it was no problem to unleash the power of Bird Ancestor.

Of course, in the state of Yue Feng, the power of the bird ancestors summoned is no longer as powerful as before, but the visual effects are still shocking.

Wow...

At this moment, seeing the fire bead floating there, Mengya quickly stood up, her eyes full of amazement: "Is this the power of the ancestor bird? It's amazing." After

speaking, Mengya walked forward and reached out to the fire. Grab the beads.

"Don't..."

Seeing this scene, Yue Feng was taken aback and hurriedly said to stop it. You must know that although the power of Bird Ancestor's power is very weak at this time, it still contains a powerful flame power, and Mengya's strength is in the entire demon clan. , can only be regarded as middle-class, and it is still very dangerous to rashly touch the flame formed by the power of bird ancestors.

Yet it was too late.

As soon as Yue Feng's words fell, Mengya had already caught the fire bead, and she saw a flash of fire, which instantly enveloped Mengya.

"Ah..."

All this happened so fast that Meng Ya couldn't react at all. She exclaimed at that time and quickly let go of the fire beads, but even so, the fire still spread all over her body.

Chi Chi...

As the fire spread, I saw the grass skirt on Meng Ya's body, which was instantly burnt. In an instant, the graceful curve appeared unobstructed in Yue Feng's sight.

Chapter 4067 What the hell

!

Seeing this scene, Yue Feng was stunned, his eyes involuntarily focused on Mengya.

I have to say, this Mengya's figure is really exquisite.

Especially the perfect curve, it's so charming...

shuh!

At this moment, Mengya's delicate face suddenly turned red, she was shy, and she wanted to find a place to hide herself. However, this stone room was very simple, except for the stone bed where Yue Feng rested, there was no hiding place at all. place.

At that time, Mengya was so anxious, she said anxiously at Yue Feng: "You...you are not allowed to look, close your eyes!"

When she was talking, Mengya almost cried.

At this time, Mengya regretted it very much. She knew that the flames possessed by the power of bird ancestors were so powerful, so she didn't touch it. It's just too late to say anything now.

"Okay..."

Seeing that Mengya was about to cry, Yue Feng secretly laughed. After answering, he recalled the power of Bird Ancestor and closed his eyes.

Speaking of which, Yue Feng didn't like Mengya, but the other party was still young, so he didn't care about her.

At the same time, Yue Feng felt extremely happy.

Haha...

This Mengya, calling you unruly and self-willed, is now at a disadvantage.

Phew...

Seeing Yue Feng obediently closing his eyes, Mengya breathed a sigh of relief, but then got into trouble again.

My clothes are on fire, how can I get out?

It would be embarrassing to be seen by the patrolling soldiers outside.

At this time, Yue Feng couldn't help but say: "Miss Mengya, I have closed my eyes, what else do I need to do?"

Mengya bit her lip tightly, thought about it, and said softly: "I...I You can't go out like this now, can you give me your clothes?"

When she said this, Mengya's face flushed, like a ripe fruit, these words are really hard to say, but there is no other way. , you can't stay here forever without going out.

The only way is to put on Yue Feng's clothes and leave here quickly.

What? Pass my clothes?

Hearing this, Yue Feng was stunned for a moment, this girl is really rude, you are wearing my clothes, what should I do?

But on second thought, this seems to be the only way at the moment.

After all, this Mengya is still a clean, innocent little girl. If she looks like this and is discovered by others, her innocence will be ruined.

Thinking of this, Yue Feng closed his eyes and nodded: "Okay, I'll take it off, as long as you don't dislike it." The clothes were full of blood and tatters.

Seeing Yue Feng's agreement, Mengya was very happy, and looked at him without blinking, just wanting him to take it off quickly.

Squeak.

However, at this moment, the stone door was suddenly opened, and then, a graceful and charming figure walked in slowly.

Delicate face, perfect curves, beautiful beyond measure.

It is the colorful phoenix that I haven't seen for a long time.

Qicai Lingfeng was once the right-hand man of Queen Suzaku, the most powerful assistant, and her strength was tyrannical. Later, Queen Suzaku fell to the sealed land and passed on the power of bird ancestors to Yue Feng. When she learned of the situation, Qicai Lingfeng did not hesitate. From the beginning to assist Yue Feng, in her heart, the person chosen by Queen Suzaku must not be wrong.

Therefore, in addition to admiring Yue Feng, Qi Cai Lingfeng also respects Yue Feng very much.

Just now, Qicai Lingfeng got news from the White Tiger King, saying that Yue Feng followed Mengya to the clan, and Yue Feng was seriously injured. Come to the stone room to visit.

This...

is just the moment of entering the stone room, seeing the scene in front of me, the colorful phoenix trembled, completely stunned.

what's the situation? Mengya and Yue Feng...

At this moment, Qicai Lingfeng only felt that her brain was buzzing and blank, and she saw Mengya standing there, blushing and panic, without covering up.

And Yue Feng, who was sitting there, clutching his clothes with both hands, had already taken off half of it...

I'm going...

At the same time, I was also startled when I saw Yue Feng, "Yue Feng..."

Finally, A few seconds later, Qi Cai Lingfeng reacted, her beautiful face was extremely red, she looked at Yue Feng shyly and angrily: "What are you and Mengya doing? You...I didn't expect you to be this kind of person... "

Chapter 4068

When he said this, the colorful phoenix trembled, and he was almost speechless.

In her heart, Yue Feng is the hero of Kyushu, the existence like a holy king among people, and the great benefactor of the entire demon clan. When dealing with men and women, you must have his own principles and be able to restrain himself.

But she never imagined that Yue Feng would be so 'indiscreet' and would not let go of a young girl like Mengya.

At this time, Qi Cai Lingfeng didn't know, and he misunderstood Yue Feng.

Everything in front of me is just a coincidence.

I go!

Feeling the anger of Qicai Lingfeng, Yue Feng was stunned at the time, and quickly explained: "Qicai Lingfeng, things are not what you think, in fact I..."

At this moment, Yue Feng was almost dumbfounded, and he never thought of it. , someone will come in at this time. And it's also the colorful Lingfeng. You must know that the colorful Lingfeng is the great elder of the Vermillion Bird clan, and also has a very high status in the entire demon clan.

So, be sure to explain clearly.

However, Qicai Lingfeng was preconceived and decided that Yue Feng was lustful, and did not give him a chance to explain. Before Yue Feng finished speaking, he interrupted: "You don't need to explain, I really saw the wrong person before, Her Majesty the Queen even more. Seeing the wrong person."

Uh...

Seeing Qi Cai Lingfeng's affirmative look, Yue Feng couldn't help but laugh and cry.

At this time, Mengya also reflected, she lowered her head and walked to Qicai Lingfeng, and said with a red face: "Sister Lingfeng, you really misunderstood, there is nothing between me and Yue Feng."

At this time, the dream Asia, is also very helpless and anxious.

I'm really afraid of what's coming, but no matter what, we have to make things clear.

As soon as she finished speaking, Qi Cai Lingfeng shook her head and said, "Meng Ya, you are young, you don't know how sinister people are, and you don't know how important chastity is to a girl, you are ignorant and you are cheated by Yue Feng, sister is not to blame. You."

When she said this, Qi Cai Lingfeng was very serious, and she couldn't hide her love and affection when she looked at Meng Ya.

Speaking of which, when all the demon clan were still trapped in the sealed land, the Baihu clan and the Suzaku clan were constantly fighting, and the two sides were regarded as enemies. Later, after Yue Feng took the demon clan to leave the sealed land, the various tribes began to fight. Let go of each other's grievances, unite, and besiege Yutian Palace.

After that, the ancestors of the Great Wilderness appeared and resolved the grievances between the demon clan and the gods, and then the demon clan searched for a habitat and began to recuperate.

During this period of recuperation, the Baihu clan, the Suzaku clan, and the Xuanwu clan gathered together to help each other, and they were happy. The entire demon clan has entered an unprecedented stage of harmony.

Mengya likes to play with Qicai Lingfeng very much, and in Qicai Lingfeng's heart, she also regards Meng Adam as her own sister.

"I..."

Seeing Qi Cai Lingfeng's persistent affirmation, Meng Ya was dumbfounded, not knowing how to explain it for a while.

At this time, Qicai Lingfeng stopped talking nonsense, and raised her jade hand, urging power to form a feather coat on Mengya's body, and at the same time comforted: "Mengya, don't panic, sister will take you out."

Immediately, Qicai Lingfeng thought of What, turned back to Yue Feng and said coldly: "Yue Feng, I don't have to say anything about today's affairs, but I want to warn you, stay away from Mengya in the future, and pay less attention to her." The

last sentence Falling down, Qicai Lingfeng took Mengya away.

I....

watching Qi Cai Lingfeng and Meng Ya walk out of the stone room, Yue Feng sat there with a bitter face, almost crying without tears.

This Nima! I am too wrong.

It was Mengya who came to look for me, but I had to see the power of Bird Ancestor before my clothes were burnt. How could I have become a heinous womanizer?

Depressed in his heart, Yue Feng sat cross-legged, closed his eyes and continued to recuperate.

After a while, Liya sent herbs, and Yue Feng explained the same.

Yue Feng was very happy, so he asked Liya to prepare a jar, and then began to refine the medicine pill for the broken leg.

“Your Excellency Yue Feng...” Liya stood aside and couldn’t help but ask, “Just these herbs can cure your broken leg?” As she spoke, Liya’s delicate face was full of curiosity.

Although the White Tiger King did not reveal the identity of Yue Feng in front of the stone hall before, Liya knew that the person in front of her was undoubtedly Yue Feng.

Chapter 4069

In Liya’s cognition, Yue Feng took the entire demon clan out of the sealed land, and was named the Nine Heavens Profound Sage by God’s Domain, almost omnipotent. At this time, seeing Yue Feng concocting pills is naturally very novel.

Yue Feng smiled, nodded and said, “Of course you can.” As

he said that, Yue Feng ignited the fire skillfully, then set up the jar and began to refine the medicine pill.

Every step is methodical and careful.

This...

Seeing this scene, Leia couldn’t help frowning.

Just started alchemy? Is it too casual?

As the daughter of the White Tiger King, Lia had read an ancient book, which recorded some records of the alchemy priest in the divine realm, and some records about the refining of medicinal pills. , a special alchemy furnace will be prepared, and the place for alchemy is very particular, and ordinary soldiers and generals cannot approach it at all.

And the process of alchemy is also very complicated.

But Yue Feng, who was in front of him, started to concoct alchemy with just an ordinary jar. It was like playing a house, which was completely different from what was recorded in the book.

Thinking to herself, Liya couldn't help but softly said: "Your Excellency Yue Feng, isn't it too much fun to make alchemy like

this?" , and the utensils for alchemy, but in fact, the most important thing is the state of mind, it is to achieve the state of mind, there are enough herbs, and you can refine it anytime, anywhere."

Hearing this, Lia nodded in understanding. Then he stopped talking, just stood by and watched silently.

boom!

I don't know how long it took, when I heard a vibration from the jar.

Lia was taken aback, took two steps back subconsciously, and saw that the jar hadn't burst. Obviously, the vibration just now was the movement of the heat flow generated by the high temperature in the jar.

At this time, Yue Feng opened the jar and took out a yellow medicinal pill from it. In an instant, the entire stone room was filled with the fragrance of medicinal pills.

Really can.

Seeing the medicine pill in Yue Feng's hands, Liya's delicate body trembled, biting her lips tightly, watching Yue Feng's incomparable shock and admiration.

Under such circumstances, it is possible to refine the medicinal pills so quickly, this Yue Feng is indeed a strange person.

Gudong!

Yue Feng took the medicinal pill without any hesitation, and directly threw it into his mouth and swallowed it.

Afterwards, Yue Feng picked up the remaining herbs, crushed them on the stone bed, and began to apply them to the broken leg. Although the broken leg is not fatal, it is more troublesome to treat. When time gets better, 'internal and external use' is required.

The medicinal pills that Yue Feng had just refined were for internal use, and at this time, herbal medicines were used and applied to the position of the broken leg, which was for external use.

It's just that Yue Feng's injury has not healed, and the power of his primordial spirit has not recovered. At this time, it is very difficult to bend over and apply medicine on his legs. After a few seconds, a layer of sweat came out on his forehead.

"I'll help you!"

Seeing this scene, Liya didn't have time to think, she hurried over, took the herbs in Yue Feng's hand, and helped him apply the medicine.

Huh...

Yue Feng didn't refuse, sitting there, looking at Liya who was close at hand with a gentle face, he was filled with emotion.

I have to say, this pair of sisters Liya and Mengya is really superb.

The elder sister is gentle and generous, and the younger sister is young and moving.

With emotion, Yue Feng thought of Ren Yingying and Su Qingyan from the Kyushu Continent.

Trapped in God's Domain for so long, I don't know what happened to Yingying and the others, and Qingyan, whether the family has found her whereabouts.

"Yue Feng!"

Just when Yue Feng sighed inwardly, he heard a shout from the stone room, and then, he saw Qi Cai Lingfeng walk in with a cold face.

Just after sending Mengya back to rest, Qi Cai Lingfeng became more worried the more she thought about it, so she came back and warned Yue Feng again.

Shit...

Seeing the colorful Lingfeng leaving and returning, Yue Feng couldn't help laughing and crying, why did the colorful Lingfeng come back?

At the same time, Leah was also taken aback.

what happened? Why is this colorful phoenix so angry?

Swish!

But seeing the scene in front of her, the colorful spirit phoenix trembled and completely froze there. The mood that was originally the atmosphere became extremely complicated at this time.

This Yue Feng... first with my younger sister...

In a blink of an eye, I became my elder sister?

Chapter 4070

In the heart of Qi Cai Lingfeng, although Liya was squatting there at this time, just applying medicine for Yue Feng, this scene is still too ambiguous.

Especially thinking of the scene where Mengya was here before, Qi Cai Lingfeng did not dare to think further.

I'm going, this time seems to be completely unclear.

Looking at Qi Cai Lingfeng's expression, Yue Feng couldn't help laughing and laughing. He wanted to speak, but he didn't know where to start.

"Excuse me!"

Soon, Qi Cai Lingfeng reacted and said indifferently, then turned around and left in a hurry.

This....

at this time, Liya also recovered and looked at Yue Feng inexplicably: "What's going on? Why did Qi Cai Lingfeng leave without saying a word?"

Yue Feng smiled wryly Next: "Who knows, maybe I'm in a bad mood."

When he said this, Yue Feng was very depressed.

what happened tonight? One after another, he was misunderstood by the colorful Lingfeng.

Liya didn't ask any more questions, and continued to help Yue Feng apply the medicine.

Watching Liya leave, Yue Feng exhaled and lay down to rest.

After sleeping for a few hours, when Yue Feng woke up, he felt a little sense of his broken leg, and his mood suddenly improved a lot.

Seeing that it was still dark outside, Yue Feng sat up cross-legged, preparing to restore the power of his primordial spirit.

“Your Excellency Yue Feng.”

At this moment, I heard a call from outside, and then I saw the White Tiger King, surrounded by several monster warriors, walked in quickly.

Seeing the White Tiger King, Yue Feng got off the stone bed and went up to meet him.

“Haha..”

Seeing that Yue Feng’s broken leg has improved a lot, the White Tiger King was very happy and praised: “Your Excellency Yue Feng is indeed omnipotent. It is really admirable that the broken leg has been cured so quickly.”

Yue Feng smiled: “I just understand some medical principles, it’s nothing.”

At this time, the White Tiger King thought of something, and waved the few monster warriors to step back, and then asked seriously: “Your Excellency Yue Feng, before that Gong Ao In front of you, why are you unwilling to reveal your identity?”

Yue Feng took a deep breath and smiled bitterly: “I was framed by him in Fengmo Mountain at that time...” Then he explained the situation in detail at that time.

When he said this, Yue Feng was calm on the surface, but his heart was full of anger.

Mad, this Gong Ao is really a villain, just because of Princess Dongling’s affairs, he does one thing on the surface and one thing secretly, it’s just too despicable.

What?

Knowing the truth, the White Tiger King was furious and scolded: “Ma De, I didn’t expect that Gong Ao was so despicable, and he even plotted against his own people. Your Excellency Yue Feng, don’t worry, you are the villain of our demon clan, I will help you with this grievance. You come out, and I will lead the demon warriors to destroy this villain.”

After speaking, the White Tiger King was about to leave the Shishi to gather the army.

“Wait a minute!”

Yue Feng stopped him just before he took two steps.

At this moment, Yue Feng took a deep breath and said slowly, "King Baihu, calm down, this is a personal grievance between Gong Ao and I, and I don't want to involve your demon clan.

"Come out, if you kill Gong Ao, the Nine Heavens God will definitely not let you go, so, let me handle this matter myself." The

voice was not loud, but there was no doubt about it.

Seeing Yue Feng's serious face, the White Tiger King nodded: "Okay."

Yue Feng thought about it and asked, "By the way, Gong Ao came to your clan's land to discuss something with you? Is it an invitation? Do you guys deal with Demon Venerable together?"

"Yes!" The

White Tiger King didn't hide it, he nodded and said, "He asked me to lead the army to go out to help the God's Domain and attack the Demon Venerable's army of hundreds of thousands on both sides." As

he spoke, the corner of the White Tiger King's mouth twitched. Aroused, showing a teasing smile: "Of course, I didn't agree to him easily, but let him bring those gods and soldiers to camp in the woods outside the clan."

Well!

Hearing this, Yue Feng nodded and looked at the White Tiger King with a full of approval.

The White Tiger King in front of him is much calmer and no longer as conceited as before, which is a good thing.

"Your Excellency Yue Feng!" The White Tiger King looked at Yue Feng closely, and asked for instructions: "How should our demon clan deal with it, please also ask Your Excellency Yue Feng to give some advice."

The ultimate husband in Chinese chapter 4071-4080

Chapter 4071

Yue Feng smiled and said: "My suggestion, of course, can't listen to this Gong Ao. He lost the battle in Fengmo Mountain and has no face to go back to face the Nine Heavens God, so he can only find a way to atone for his sins, And your demon clan is his life-saving straw."

After speaking, Yue Feng thought for a while and continued: "Also, based on what I know about Gong Ao, on the surface, he asked your demon clan to help, but in fact, he asked you to help. Be a pawn, be a cannon fodder."

"He will use the blood of your demon warriors to delay the advance of the demons."

Phew...

Hearing this, the White Tiger King's face changed, his eyes flashing cold: "Your Excellency said Yes, based on what he has done to you, he will not treat our demon clan with sincerity."

Speaking of which, the White Tiger King asked for advice again: "In that case, I order someone to drive him out of here?"

Yue Fengyao He shook his head: "No, just leave him alone and ignore it. If I guessed correctly, the Demon Lord Gone led the main force and has already rushed to the Yutian Palace, leaving only a small number of demon warriors to seal the demons. Wandering around the mountain. The situation is so critical, Gong Ao has no patience to wait."

"Understood!"

Hearing this, the White Tiger King Mao Said, nodded and smiled: "Your Excellency Yue Feng is indeed resourceful, it's getting late, Your Excellency, hurry up Rest, I will visit again tomorrow."

After speaking, the White Tiger King said goodbye and left.

...

The next morning, in the woods outside the demon clan.

In the tent of the camp just built, Gong Ao sat there with a gloomy face.

At this time, Gong Ao had not rested for three days and three nights, and his expression was haggard, but at this time he had no plans to rest at all, and his heart was extremely anxious.

One night has passed, and the White Tiger King has not sent his subordinates to summon him.

This chapter is provided by . Visit for daily update.

God's Domain is now in the midst of a storm, so you can't waste too much time here.

Thinking to himself, Gong Ao instructed a divine soldier, "If you go and spread the word, just say I want to see the White Tiger King." The White Tiger King had no news, so he could only take the initiative.

"Yes, Commander."

The magic soldier responded and walked out of the tent quickly.

After a while, the magic soldier came back, looking very embarrassed, and said cautiously to Gong Ao: "Commander, those monster warriors don't want to spread the word, saying that the White Tiger King is busy and can't see."

What?

Hearing this, Gong Ao's face sank and he was very annoyed: "You were stopped by those monster warriors?"

"Yes." The magic soldier was very ashamed and responded, "They won't let me in."

Ma Germany.

Gong Ao was furious, his whole body trembling with anger.

This White Tiger King and these demon clans are too arrogant and arrogant. Now the entire Divine Realm is suffering an unprecedented crisis. Not only are these demon clan unhelpful, but their attitude is so indifferent.

It really makes no sense.

In anger, Gong Ao stood up abruptly and went to the demon clan's territory in person.

However, the result was the same as before, Gong Ao was also stopped by those monster clan warriors. After several attempts, Gong Ao was always blocked from the demon clan territory.

In the end, Gong Ao was completely angry and returned to the camp tent in a rage.

More than a dozen god generals came to hear the news, but seeing Gong Ao's gloomy face, they did not dare to speak rashly for a while, and stood aside tremblingly.

"Command Your Excellency!"

Finally, one of the gods came out and said politely to Gong Ao: "Since the demon clan is not benevolent, we are not righteous..."

Before he finished speaking, Gong Ao interrupted him.

"Nonsense!" Gong Ao was in a very bad mood, and scolded coldly: "With our few troops, we can still go in and chop off the head of the White Tiger King?"

Huh...

The god will take a deep breath and carefully comforted him. : "Commander calm down, that's not what I meant, my solution is, let's release a 'help talisman'."

Help talisman?

Hearing this, Gong Ao frowned.

The god will continue: "This is the territory of the demon race. After we release the 'relief charm', we will definitely attract many demon warriors to come. When that time comes, let's leave first..."

Gong Ao's eyes flickered, revealing a trace of it. Smile: "Understood, what you mean, let's talk about the demon warriors being brought here, so that the demons are forced to fight with them, and then we hide in the dark and watch the tiger fight?" After speaking

, Gong Ao nodded in approval: "Okay, this is a good way."

Chapter 4072 After speaking

, Gong Ao became proud: "This white tiger king, the reason why you see me is that you don't want to waste the power of the demon clan. He thought that if he left me here, I would have nothing to do? Wait until I lead the demon clan warriors. Come here and see what he does, when the time comes, the monsters will have to fight if they don't want to."

Gong Ao's eyes were full of deep coldness when he said this.

No matter what, I have to pull the demon clan into the water. As long as they can hold back part of the power of the demon, I can be considered a meritorious deed.

“Everyone!”

Thinking to himself, Gong Ao looked around and commanded the surrounding gods: “Pass my order, and as soon as it gets dark, I will release the ‘rescue talisman’ immediately.”

“Yes, Your Excellency Commander!” The

voice fell . . . Inside the tent, more than a dozen gods will respond in unison.

.....

On the other side, within the demon clan’s territory.

The White Tiger King got Yue Feng’s suggestion and never summoned Gong Ao. At the same time, the White Tiger King was also a little worried about Yue Feng’s injury. In order to show his sincerity, he specially asked his eldest daughter Liya to take care of Yue Feng.

Liya had a lot of respect for Yue Feng, so she naturally agreed. During Yue Feng’s recuperation, Liya personally gave food and drink to almost every detail.

This made Wei An uncomfortable.

Wei An is the son of King Xuanwu, with a sturdy figure and super strength. He is regarded as a well-known powerhouse among the entire demon clan. Wei An and Liya have similar grades, and they had a good impression of Liya long before the demons left the Sealed Land.

Later, the two sides gradually became adults, and Wei An had an indescribable admiration for Liya.

At this moment, outside the stone room where Yue Feng cultivated, Wei An was standing behind a tree with a complicated expression on his face.

A day ago, Liya promised Wei An that she would accompany him to practice today, but after a long time, Wei An didn’t even see Liya’s shadow. Finally, I found out that Liya came to take care of Yue Feng, and Wei An was very uncomfortable at that time, so he came to take a look.

Beloved woman, to take care of other men, it would be awkward for anyone to do it.

Squeak!

Just when Wei An was depressed, he saw the Shishi door being pushed open, and then he saw Liya walking out with a plate.

Just now, Liya delivered lunch to Yue Feng, Yue Feng recovered well, and a plate of delicious food was quickly eaten, which made Liya very happy.

After all, Yue Feng is the big benefactor of the demon clan, and it is the blessing of the entire demon clan that he gets better soon.

Swish!

At this moment, seeing Liya coming out, Wei An's spirit was shocked, and he hurried up to meet him. He couldn't help shouting: "Liya, Liya..."

Hearing the call, Liya was standing there and looked back to see that it was Wei An was stunned for a moment, then smiled lightly: "Wei An, why are you here?"

"Lya!"

Wei An walked up to him, his burly figure, in front of Liya at this time, was shy Like a child: "You...you promised me the other day that you would practice with me, did you forget?"

When he said this, Wei An's eyes were full of urgency and expectation.

Oops...

Hearing this, Lia suddenly remembered, and quickly patted her forehead, with a hint of apology on her delicate face: "I'm so sorry, Wei An, I forgot about this.

" Liya looked back at Shi Shi: "My father asked me to take care of Yue Feng. He is very heavy and needs to be taken care of."

That's true.

Wei An smiled embarrassingly, with a stunned look on his face, but he was very aggrieved.

Even if Yue Feng is the benefactor of the demon clan, the White Tiger King doesn't have to ask Liya to serve him.

Thinking to himself, Wei An tentatively said: "Why don't I call a few maids here and serve Your Excellency Yue Feng well, you can still accompany me to practice, you know, without you, I can't feel at ease when I practice. ."

In Wei An's heart, knowing that Liya also likes him, he will definitely agree.

"Farewell!"

However, Liya's answer was to pour cold water on Wei An invisibly: "This is my father's order, and... Your Excellency Yue Feng is erudite and knowledgeable, and I am also I want to take this opportunity to ask him some questions."

Liya knew that Wei An liked her, but in her heart, she always regarded Wei An as a friend.

This...

Hearing this, Wei An's smile froze on his face, and the whole person was stunned.

He never thought that in order to take care of Yue Feng, Liya would reject her rejection so simply.

Chapter 4073

"Okay, let's not talk about it!"

At this time, Liya smiled: "I will also prepare some herbs for Your Excellency Yue Feng, so that his legs can recover faster, so I won't talk to you."

After saying the last word, Leah left behind a fragrance and left gracefully.

Phew...

Watching Liya's figure go away, Wei An was stunned for a few minutes before he recovered. At that time, he only felt very angry and clenched his fists subconsciously.

Ma De, he and Lia were childhood sweethearts, but they were not as good as Yue Feng?

No... Absolutely not.

Shasha...

Just when Wei An was extremely annoyed, several servant girls from the White Tiger clan passed by talking and laughing from a distance. These servant girls were not very loud, but the chatter and laughter still reached Wei An's ears.

I saw a maid wearing a white grass skirt, and said with a bright face: "I tell you, there was a very strange phenomenon yesterday..."

"What phenomenon?" "Yeah, let's hear it."

If it's about the Demon Lord's army, forget it, it's boring." The other maids urged.

The white-dressed servant girl smiled and said in a low voice, "Last night, I saw Miss Mengya entering the stone room where Your Excellency Yue Feng was resting. I was very curious at the time, so I stopped there and stopped, and then I heard the dream. Miss Ya made a very painful voice."

"Then, Qi Cai Lingfeng came. At that time, I saw that she was very excited before she went in, but when she came out, her face was full of anger."

"Miss Mengya also came out with Qicai Lingfeng, and ah, Miss Mengya's clothes changed. When she went in, she was wearing a short skirt, but when she came out, she was wearing a feather coat." At the

end, The white-dressed servant girl's eyes flashed, and she said with a gossip smile, "Isn't it interesting?"

Wow!

At this moment, there was an uproar among the surrounding maids.

Is there such a thing?

Interesting....

what?

Hearing this, Wei An, who was not far away, was also shocked and froze there.

Miss Mengya went to see Yue Feng late at night. When she came out, she changed her clothes?

This...it's worth scrutinizing.

Could it be that Mengya fell in love with Yue Feng?

For a time, Wei An only felt that his heart was messed up. It was okay to serve Yue Feng with the woman he liked. Now even Mengya and Qicai Lingfeng are so enthusiastic about Yue Feng, which made Wei An feel very unbalanced.

At this time, I heard the white-dressed maid continue: "I guess, Miss Mengya must be in love with Your Excellency Yue Feng, and then she took the initiative to dedicate herself. Then, Qi Cai Lingfeng also likes Your Excellency Yue Feng, so I ran into him last night.

I'm very angry about the matter between Miss Mengya and Your Excellency Yue Feng." The

voice fell, and the other maids nodded in agreement.

"Yes, Miss Mengya has an unruly personality, and no one is convinced. Only a character like Your Excellency Yue Feng can make her move.

"We are still trapped in the sealed land, if Miss Mengya chooses him as her man, she will be considered a wise man."

"Hey, I also like Your Excellency Yue Feng very much, but it's a pity that I have a humble status."

Listening to the companions around, all of them were filled with emotion, and the white-dressed maid pursed her lips and said mysteriously: "Do you think this is the end? What else?"

"Also?"

"Speak quickly!"

After hearing this, the other maids suddenly became interested and urged.

The maid in white sighed lightly and said, "I think Miss Liya also likes Yue Feng. I saw with my own eyes this morning that Miss Liya gave Hu Jing to Your Excellency Yue Feng for healing."

"Hu Jing is ours. The treasure of the White Tiger clan, Miss Liya took it out without hesitation, it can be seen that in her heart, Your Excellency Yue Feng is irreplaceable."

Hearing this, the other maids nodded.

"Yeah, when Miss Lia was injured, she was reluctant to use tiger crystals."

"It feels so messy, Miss Mengya, Qicai Lingfeng, and Miss Lia all like Your Excellency Yue Feng, guess what, Who will Your Excellency Yue Feng choose in the end?"

"Shh... keep your voice down."

Under the discussion, the maids walked further and further away.

This....

Wei An, who was not far away, heard this and was completely dumbfounded. He just felt unspeakably uncomfortable.

Chapter 4074

Liya also likes Yue Feng?

Impossible, this is never possible.

After a few seconds, Wei An regained his senses, and his face was extremely hideous.

In Wei An's heart, Liya was the pure and snowy goddess, and the partner he swore to protect for the rest of his life. He didn't believe that Liya's heart was also tied to Yue Feng.

But the fact is in front of her eyes, Liya has given the tiger crystal to Yue Feng.

Tiger crystal is the healing medicine of the white tiger family. According to legend, it is the essence of the white tiger that was born from the ancestor of the white tiger after the creation of the world. In the next ten million years, no matter how many injuries the king of the white tiger suffered, as long as he took out the tiger crystal, Can heal quickly.

Later, the White Tiger King handed over the tiger crystal to Liya for safekeeping, until now.

Wei An clearly remembered that half a month ago, he wanted to take a look at what Hu Jing looked like. At that time, he begged Liya to take it out, but Liya always refused. At this time, in order to heal Yue Feng, he took it out without hesitation.

The more Wei An thought about it, the more upset he became.

At this moment, Liya took the newly collected herbs and came from a distance to send it to Yue Feng.

"Lia!"

Seeing Liya, Wei An hurried up to meet her.

Liya was stunned for a moment, her eyebrows frowned lightly: "Wei An, why are you still here? Don't you want to practice?"

Wei An couldn't be in the mood to practice at this time. "Lia, did you take out the tiger crystal and give it to Yue Feng?"

Wei An's voice trembled a little when he asked about it.

Without thinking about it, Lia nodded and said, "Yeah, what's wrong?"

Yue Feng is the great benefactor of the entire demon clan. Without him, there would be no demon clan today. It is a matter of course to take out the tiger crystal for him to use.

Huh..

Hearing this, Wei An took a deep breath and endured his displeasure: "Lia, Hu Jing is the treasure of your white tiger clan, how can you just take it out? Besides, you didn't give it to me when I wanted to see it. Take a look."

Pfft...

Seeing Wei An's unhappy appearance, Lia couldn't help laughing and said softly, "Wei An, why are you so careful? You were not in a special situation at the time, of course I can't just take out Hu Jing and show it to you."

"The situation is different now. Your Excellency Yue Feng is the great benefactor of our demon clan. He is seriously injured and needs to recover quickly."

Wei An suddenly became anxious and couldn't help it. Holding Liya's wrist: "What's the difference? I'm your playmate since childhood. We've known each other for so long, and how long have you known Yue Feng?"

"Can this compare?"

Liya frowned . , while speaking, he also kept struggling: "What are you doing, let go of me."

However, Wei An was completely stimulated at this time, and he couldn't listen to Liya's words at all, and grabbed her wrist tightly. , asked unwillingly: "Lia, let me ask you, do you like Yue Feng?"

At this

moment, Lia was stunned, then nodded and said: "I like it, Your Excellency Yue Feng not only brings We monsters are out of the sea of misery, and they are omnipotent, who doesn't like this kind of existence?"

When she said this, Liya's face was taken for granted.

At this time, Liya didn't understand what Wei An said about love, it was love between men and women.

pedal...

Hearing this answer, Wei An only felt that the invisible sledgehammer hit him, his body was shocked, he stumbled back two steps, his face instantly paled, and he was in a trance.

Heart is also extremely uncomfortable.

Leah.... Leah really likes Yue Feng.

Seeing Wei An's reaction, Liya was at a loss. What happened to Wei An today? It doesn't feel like normal.

Muttering in her heart, Lia didn't bother to pay attention to it, so she was about to leave, because Yue Feng was still waiting in the stone room to deliver the herbs, so this matter could not be delayed.

"Lia!"

Wei An stopped him just before taking two steps.

"What's the matter with you?" Leah frowned, very impatient.

I need to take care of Your Excellency Yue Feng, and I am very busy, but it is really annoying to be stopped by Wei An repeatedly.

Wei An looked at Liya closely, with a bit of madness in his eyes: "You can't like Yue Feng, you mustn't like him."

Liya said lightly: "Why?"

Chapter 4075

Call!

Wei An took a deep breath and said loudly, "Don't you know? Your sister went to look for Yue Feng last night. She has already dedicated herself to it. They already have a relationship. Yue Feng is your sister's man. How can you like him?"

"Only me, I am your future and belonging."

Wei An almost roared out the last sentence.

What?

Hearing these words, Liya's body trembled, and she was completely stunned there.

My sister went to look for Yue Feng last night, and they were still...

impossible, this is absolutely impossible.

The younger sister is arrogant and willful, and she looked down on Yue Feng before, thinking that he was a lame, trash, how could he take the initiative to show up?

“Lya!”

Seeing that Liya froze there and didn't speak, Wei An came over again, took Liya's hand and said, “In my opinion, Yue Feng's appearance is benevolent, righteous and moral, but he is actually a lecherous villain. To...”

Pop!

Before the words were finished, Liya broke free, raised her jade hand, and slapped Wei An's face fiercely.

“Wei An, Yue Feng is an idol I respect, you are not allowed to slander him like this, let alone slander my sister's innocence.” Liya's pretty face was full of frost, and she said coldly, “Don't come to me again in the future. ‘ The

last word fell, and Leah turned to leave.

In Liya's heart, Yue Feng is a hero who stands up to the sky. Even if his sister devotes herself to her life, he will remain calm and will never accept her disorder. After all, my sister has just grown up and is still young.

And Wei An is just anecdotal, and he spreads it everywhere, which is very hateful.

Kachacha...

Seeing Liya resolutely leave, Wei An became angry and clenched his fists tightly, his nails almost bleeding.

Well, since you don't believe me, I will find evidence myself, and I have to seize Yue Feng's lewdness.

.....

At this moment, in the stone room.

Yue Feng was wearing a white robe, sitting there cross-legged, indescribably cold and handsome.

This day, under Li Ya's careful care, Yue Feng is no longer in a state of embarrassment, and his injuries have recovered very quickly. At this speed, in two more days, the

broken leg will be restored to normal, and the power of Yuanshen will be completely restored.

“Your Excellency Yue Feng!”

At this moment, Liya pushed open the door and walked in, her delicate face full of respect: “Father, the king asked me to send a message and ask you to go to the stone hall to talk about it.”

Encountered Wei An outside . Son, Liya didn't say it, she firmly believed that Yue Feng was a great hero, and the things Wei An said could not be true.

To the stone temple?

Hearing this, Yue Feng was stunned for a moment: “What are you going to do there?”

Liya smiled: “I reported your situation to my father just now, and my father learned that your injury was healed very quickly. Please all the leaders of the demon clan to hold a banquet for your Excellency.”

Yue Feng couldn't help shaking his head and laughed.

This White Tiger King, who is not an outsider, is so polite.

At this time, Liya came over and said softly: “Your Excellency Yue Feng, everyone in the stone hall is here and waiting for you, you don't know, all the warriors of our demon clan admire you very much. This banquet It's for you, they'll be disappointed if you don't go.”

Yue Feng wanted to refuse, but when he heard Liya say that, he had no choice but to nod: “Okay!”

After saying that, Yue Feng left the stone room and went to the stone hall with Liya.

Phew...

Soon, when he arrived at the stone hall, Yue Feng was stunned when he saw the scene in front of him.

I saw that there were hundreds of seats in the huge stone hall. At this time, the seats were filled with warriors and leaders of the monster clan, and on the innermost throne, the White Tiger King sat there with a smile on his face.

“Haha...” The

White Tiger King was very happy when he saw Yue Feng coming in, he quickly stood up and greeted: "Your Excellency Yue Feng is here, hurry up and be seated."

"I have seen Your Excellency Yue Feng!"

At this moment, the entire stone The demon warriors and leaders in the hall also stood up one after another and greeted Yue Feng with admiration on their faces.

However, there is a figure among them, his face does not have the slightest respect, but a trace of contempt and disdain.

It was Wei An.

Yue Feng smiled, nodded to everyone, and then sat in the VIP seat.

"Your Excellency the White Tiger King." After sitting down, Yue Feng smiled at the White Tiger King and said, "It's not an outsider, why are you so polite?"

The ultimate husband in Chinese chapter 4076-4080

Chapter 4076 The

White Tiger King hurriedly said: "Your Excellency Yue Feng, don't say that, you are the great benefactor of our Monster Race. I will hold a banquet for you and express my gratitude. It is nothing to be concerned about." After speaking

, the White Tiger King looked around. After a circle, he continued: "Looking back at the time, all of our demon races were trapped in the sealed land by the God's Domain for thousands of years. If it weren't for Yue Feng, we would not have the freedom we have now." The

voice fell, and the surrounding people responded.

"Not bad!"

"Without Your Excellency Yue Feng, there would be no our monster clan."

At this time, the White Tiger King stood up and raised his glass: "I just heard from Lia that Your Excellency Yue Feng's injury has improved a lot, which is really gratifying. Come on, let's toast Your Excellency Yue Feng together."

All of a sudden, everyone got up and toasted Yue Feng.

Yue Feng has a heroic personality. Seeing this scene, he is also unceremonious at the moment, and he picked up the glass and drank with everyone.

Three rounds of wine.

The White Tiger King thought of the business, and said politely to Yue Feng: “Your Excellency Yue Feng, I have already followed your advice and will not see Gong Ao again. What should I do next, please give me some instructions.”

This...

Yue Feng pondered for a while, and said slowly: “Now that the war between God’s Domain and Demon Venerable is breaking out, the situation is very unfavorable for God’s Domain. According to my speculation, even if Gong Ao doesn’t ask for your help this time, Jiutian God will send other men down.”

“Although the grievances between God’s Domain and your demon clan have been written off, but based on my understanding of the Nine Heavens God, he will make a fair alliance with you on the surface, but in fact, he will still make you pawns.”

“Wait until you have consumed the demons . After the main power of the clan, the Nine Heavens God will make a big counterattack.”

Yue Feng’s voice was not loud, but it spread throughout the stone hall.

This chapter is provided by . Visit for daily update.

call!

At this moment, whether it was the White Tiger King or the demon warriors present, all of them frowned and thought.

Yue Feng is right, Jiutian God is very hypocritical, but he can’t fall into his trap.

Soon, the White Tiger King reacted and smiled at Yue Feng: “Your Excellency is right, it’s just that God of the Nine Heavens really wants to send messengers, so I refuse directly, I’m afraid it’s not right.”

Yue Feng smiled: “It’s not right. Why is it so difficult, just transfer your territory so that the Nine Heavens God can’t find it.” That

’s right!

Hearing this, White Tiger King’s eyes lit up, he didn’t expect that the Nine Heavens God could not find the demon clan territory, so he didn’t need to be embarrassed.

“What a joke!”

But at this moment, a mocking voice remembered, and then a tall figure stood up on the seat below. A face full of contempt.

It was Wei An.

Swish!

At this moment, the eyes of the entire stone hall converged on Wei An, each of them secretly wondering.

What is Wei An doing?

Does he have a better solution? At this moment, the White Tiger King calmed

down and looked at Wei An: "Wei An, what are you doing? Are you dissatisfied with the proposal of Your Excellency Yue Feng?"

This Wei An dared to disrespect Your Excellency Yue Feng, he was really courting death.

However, Wei An was the son of King Xuanwu, and King White Tiger couldn't say anything.

"Ha ha!"

Facing the White Tiger King's question, Wei An sneered and said loudly, "Of course I'm not satisfied, our demon clan has inherited thousands of years, and in terms of strength, it is not inferior to the gods and the demons. At this time, the entire gods of the demons are fighting. We have a good opportunity for the rise of the demon clan."

After speaking, Wei An glanced at Yue Feng and continued: "If you want me to say, we don't need to transfer the territory at all, let alone wait for the envoys from the Nine Heavens to come to the alliance, but take the initiative to attack first. Destroy the nearby demon warriors."

Wow...

hearing this, the other demon warriors and leaders around immediately started talking.

"Wei An also has some truth in what he said."

"Yeah, over the years, our demon clan have been subordinated to the realm of the gods and have been oppressed."

"However, it seems a bit inappropriate to take the initiative to attack..." During the

discussion, some agree with Wei An's point of view, some are uncertain, and some are against it.

At this time, Yue Feng stood up slowly, looked at Wei An and said, "You are right in saying that, but have you ever thought about how many warriors will be damaged once the demon clan joins the war? You just came out of the sealed land, it is time to recuperate, and it is very unwise to join the war on a whim."

Chapter 4077 The

voice fell, and many warriors and leaders nodded in sympathy.

What Yue Feng said is also reasonable.

The monsters have been trapped for so many years, and finally left the sealed land. It is better to recharge their batteries rather than rashly participate in the war.

Wei An sneered and shouted at Yue Feng, "There are hundreds of thousands of warriors in our demon clan, why should we obey you as a foreigner? Even if you are the benefactor of our demon clan, you can't arbitrarily control our destiny like this."

When he said this, Wei An looked indignant.

Because of Liya's matter, Wei An had a lot of opinions on Yue Feng. At this time, seeing Yue Feng suggested that the entire demon clan should transfer the territory, and the White Tiger King also accepted the opinion, which made Wei An even more uncomfortable.

"Beast!"

As soon as he finished speaking, he heard a loud shout. King Xuanwu, who had been sitting there, stood up abruptly, walked over quickly, and slapped Wei An in the face.

At this time, King Xuanwu was shocked and angry, almost scared to death.

Mad, Wei An, this beast, dared to challenge Your Excellency Yue Feng in public, and continue to let him go on his way.

"Crack!"

This slap used all his strength, Wei An covered his face and stepped back several steps, his whole body was covered, and his face was swollen high.

For a while, the entire stone hall was silent.

"Father!"

Wei An quickly reacted and shouted, looking at King Xuanwu very aggrieved: "Did I say something wrong? This is our monster clan's business, how can he be an alien human to intervene? Son..."

"Crack!"

Hearing this, King Xuanwu slapped him again and scolded loudly: "Let's go, Your Excellency Yue Feng saved our demon clan from the sea of misery, how can we be outsiders? Although we are demon clan, we must repay our gratitude. How did I usually educate you?!"

"Father!"

However, Wei An's face was full of unwillingness, his eyes were red, and he was very aggrieved, and shouted: "Even so, the fate of our entire demon clan cannot be left to him. In my hands..."

King Xuanwu trembled with anger, pointed at Wei An and cursed: "Shut up, if you talk nonsense to me again, he will no longer be my son."

At this time, King Xuanwu was very angry.

This son of mine really has no rules at all. You must know that Yue Feng has a very high reputation in the entire demon clan. He not only possesses the power of bird ancestors, but is also treated with courtesy by the White Tiger King. In this case, his son is completely opposite to him. It is courting death, and it will even implicate the Xuanwu family.

This...

At this moment, Wei An covered his face, completely stupid there.

You must know that King Xuanwu has always loved Wei An very much. In Wei An's heart, no matter what he does, his father will support him unconditionally, but at this time he never thought that his father would cut off his relationship with him for the sake of Yue Feng.

The entire stone hall was also silent.

The White Tiger King and the other warriors around him, as well as the leader, all watched silently without stopping.

The White Tiger King is also very angry, this Wei An has no rules at all, but he is the son of Xuanwu King, so he can't say anything.

"What are you still doing?"

At this time, seeing Wei An froze there, the Xuanwu King shouted angrily: "You have lost all the faces of the Xuanwu family, why don't you get out?"

Wei An was very reluctant, but He didn't dare to refute, so he had no choice but to withdraw from the stone hall angrily.

However, Wei An did not leave directly. After leaving the stone hall, he hid outside the door and continued to listen to the situation inside.

At this time, in the stone hall.

"Your Excellency Yue Feng!"

After blasting his son away, King Xuanwu looked ashamed and clasped his fists at Yue Feng: "I'm really sorry, the dog doesn't understand the rules, and the words are offensive. Your Excellency is a lot, don't have the same knowledge as him. "

When he said this, King Xuanwu was very uneasy.

You must know that Yue Feng, as the Nine Heavens Profound Sage of the Divine Realm, since he has the ability to bring the demon clan out of the sealed zone, he can lock the demon clan in again.

Hehe...

Yue Feng smiled slightly and waved his hand: "King Xuanwu is polite, young people are a little impulsive, and your son is full of vigor. It is also excusable to disagree with my suggestion."

At this time, Yue Feng had a face Indifferent, after so many years, he really didn't take Wei An's rudeness seriously.

Chapter 4078 Huh

...

Hearing Yue Feng's answer, King Xuanwu breathed a sigh of relief, and a stone hanging in his heart fell to the ground instantly.

Great, Your Excellency Yue Feng did not pursue it.

At the same time, the White Tiger King and the surrounding monster warriors also showed smiles.

mad.

However, Wei An, who was eavesdropping outside the door, was burning with anger at this time.

This Yue Feng is too crazy, my father Xuanwu King apologized to you, but you are not humble at all.

Thinking about Liya again, Wei An wanted to rush in and scold Yue Feng, but considering that King Xuanwu was still inside, he held back.

At this time in the stone palace.

After King Xuanwu apologized, the awkward atmosphere at first eased a lot in an instant.

“Haha..”

At this time, the White Tiger King stood up and laughed: “Your Excellency Yue Feng is so tolerant, I represent all the demon clan, and I will toast you again.” After speaking, he drank the wine in the cup.

Yue Feng smiled and took a sip from the wine glass.

“Your Excellency Yue Feng!” The White Tiger King thought of something and asked, “After the banquet, we will transfer the territory immediately, do you want to go with us?”

There was a bit of concern in his words, because Yue Feng was on his leg. It has not completely recovered, nor has the primordial spirit completely recovered.

Yue Feng shook his head: “You don’t need to worry about me. My injury is not healed, so it is inconvenient to travel long distances. Moreover, I have to go back to see the Nine Heavens God.”

At this time, Yue Feng was calm on the surface, but dark currents were surging in his heart.

Mad, after that Gong Ao plotted against himself behind his back, he must have concealed the truth from the Nine Heavens God, and this matter must be exposed.

This...

Hearing this, the White Tiger King was stunned, and the surrounding monster warriors also looked at each other in dismay.

Your Excellency Yue Feng, don’t you transfer with the demon clan?

His wounds haven’t healed yet, can this work?

In the next second, the White Tiger King reacted first, and urged Yue Feng to dissuade him: "Your Excellency Yue Feng, it is too dangerous for you to stay here alone. What if you encounter a demon warrior?"

Yue Feng smiled: "Don't worry, as long as I hide in the stone room and don't come out, even if the demon warriors find me here, they won't be able to find me." However, the White Tiger

King was still worried and smiled bitterly: "Since Your Excellency insists so much, that's fine."

Wang suddenly thought of something, and continued: "In the northwest of this territory, there is a cave, where the location is hidden. If Your Excellency Yue Feng wants to restore his strength, it is better to go to that cave."

"Alright!" Yue Feng nodded without thinking.

He was reluctant to follow the demon clan to move away. The purpose was to restore his strength as soon as possible, but he also risked a lot of danger. At this time, Yue Feng, of course, would not refuse when he learned from the White Tiger King that there was a hidden cave.

Seeing Yue Feng agree, the White Tiger King smiled.

"Father!"

At this moment, Liya, who had been silent for a while, suddenly stood up and asked the White Tiger King for instructions: "Or... let me accompany Your Excellency Yue Feng and stay in that cave, This will also make it easier to take care of."

When she said this, there was a hint of blush on Liya's delicate face.

Speaking of which, Liya only admired and respected Yue Feng at first, but after taking care of Yue Feng for nearly a day, Liya gradually discovered that she felt different about him.

After being harassed by Wei An, Liya completely understood that she was in love with Yue Feng.

At this time, seeing that Yue Feng did not intend to leave with the demon clan, but stayed to continue to recuperate, Liya decided to stay by Yue Feng's side to take care of him without any hesitation.

Liya did this because in addition to being concerned about Yue Feng's injury, she also wanted to know more about this man.

This is a bit bad...

At this moment, aware of the shyness on Liya's face, Yue Feng immediately guessed that the daughter of the White Tiger King must have fallen in love with him.

At that time, Yue Feng's first reaction was to prepare to refuse.

You must know that in the Kyushu Continent, Yue Feng already has Ren Yingying, Su Qingyan, Xiao Yuruo... these confidantes are already very content, and really don't want to provoke other girls.

"Haha..." However, before Yue Feng could speak

, he saw the White Tiger King laugh in approval: "Okay, okay, I'm very pleased that Liya has this heart."

Wang Chong nodded to Liya and said, "Okay, you can stay here and accompany Your Excellency Yue Feng to heal in the cave. This is also a way of expressing gratitude for our entire demon clan."

Chapter 4079

Seeing the White Tiger King's agreement, Liya was full of joy, nodded and sat back in her seat, her eyes peeking at Yue Feng from time to time, showing a shy attitude, indescribably charming.

"This..."

Seeing this situation, Yue Feng couldn't help laughing and laughing. He opened his mouth to refuse.

However, as soon as he said a word, the White Tiger King came over, patted Yue Feng on the shoulder and said with a smile: "Your Excellency Yue Feng, this matter is settled like this, Liya is virtuous and attentive, with her taking care of you, I and I The warriors here can rest assured."

Seeing that he had said so, Yue Feng had no choice but to nod his head.

And Wei An, who was still outside the gate of the stone hall, was in a hurry at this time.

How could this be?

Liya actually asked to stay and take care of Yue Feng...

No, this is absolutely impossible.

The banquet lasted for more than an hour before it was completely over. The White Tiger King acted resolutely. After everyone left the stone hall, he immediately summoned everyone from the demon clan to prepare to transfer the camp.

And Liya took Yue Feng directly to the cave in the northwest.

But before going to the cave, Li Ya needs to go back to the stone room where Yue Feng rested and clean up. In fact, Yue Feng doesn't have many personal belongings, and he has nothing to pack. So soon Leah came out.

At this moment, Lia was very excited and anxious.

Excitedly, before Yue Feng's injury was completely healed, he was going to be alone with him.

And what is apprehensive is, will Yue Feng, a big man admired by everyone, like him?

While thinking about it, Li Ya rushed towards the place where she joined Yue Feng. Yue Feng's leg has not completely healed, so he can't wait too long.

Um?

However, when she came to a corner, Ria suddenly stopped, and her delicate face showed a bit of impatience.

I saw Wei An standing there with a complicated expression, as if he had been waiting here for a long time.

"Wei An!"

After being stunned for two seconds, Lia calmed down and said coldly at Wei An, "What the hell are you doing?" Originally in Liya's heart, she still regarded Wei An as a friend, but In the stone hall just now, Wei An was disrespectful to Yue Feng in public, which made Liya very angry, and began to hate Wei An in her heart.

Wei An was very excited and looked at Liya closely: "Liya, why do you want to stay and take care of Yue Feng? Didn't you say you didn't like him before?"

Huh!

Liya breathed a sigh of relief and said lightly, "Does this have anything to do with you?"

This Wei An is a lunatic, and he really doesn't want to say a word to him.

Feeling Liya's indifference, Wei An's head was shocked, and then she said affectionately: "Liya, can't you feel it? I like you. When our demon clan was still trapped in the sealed land, I would I'm fascinated by you, I want you to be my woman, I..."

Wei An became more and more excited as he spoke, and couldn't help but approach Lia.

Liya frowned, subconsciously distanced herself from him, and at the same time interrupted coldly: "Okay, Wei An, don't say it, even if you like me, we can't be together."

"Why?" Wei An froze there, puzzled in his eyes.

Li Ya is not hiding it, saying word by word: "Because I like Yue Feng, when you asked me before, I was not sure, but now I am sure, I like Yue Feng, not only like, but also worship him."

"I know that Yue Feng has many confidantes, and they are not inferior to me at all, so I don't expect to be his real woman. As long as I can stay by his side, I will be satisfied."

Speaking of this, Lia greeted him. Wei An's eyes: "So, stop pestering me, it's impossible for us, you know? Get out of the way." After the

last word fell, Lia pushed Wei An away and walked away without looking back. .

Swish!

Seeing Liya's figure go away, Wei An's face was hideous and extremely ugly.

good very good.

Leah...I am so affectionate to you, but you take me as a joke. At this moment, I, Wei An, swear to heaven, you will regret it.

Thinking about it, Wei An turned and walked towards the camp of the Xuanwu family.

At this time, the Xuanwu clan, like the other demon clan, responded to the order of the White Tiger King and was packing up and moving their territory, a noisy scene.

Wei An did not pack up, but found his confidant Tian Qi and said, "Don't pack up, take our people with me."

Chapter 4080

Tian Qi is a warrior of the Xuanwu family. He is about the same age as Wei An. He followed Wei An when he was very young, rested together, and practiced together. It can be said that Tian Qi is not only Wei An's right-hand man, but also his brother.

go?

Hearing this, Tian Qi was stunned for a moment: "Everyone is packing up and preparing to move the camp. What are you calling the brothers to do?"

Wei An was too lazy to talk nonsense, and urged: "Don't ask so many questions, hurry up. Go and convene people, this time, I have to do something earth-shattering."

Seeing him like this, Tian Qi didn't ask too many questions, so he hurried to convene his subordinates.

A few minutes later, nearly 5,000 warriors of the Xuanwu clan were assembled. These warriors were all under the direct jurisdiction of Wei An, and they were all very powerful.

At that time, Wei An did not hesitate to leave the territory with several thousand men and head towards Gong Ao's camp.

...

the other side. In the demon territory.

Yue Feng was sitting on the rock at the intersection, waiting for Liya to come and meet. There is a bit of complexity on the cold face.

Just now, Yue Feng saw Wei An intercepting Liya halfway.

Yue Feng had come here. He didn't understand at first that he and Wei An had no grudges, but Wei An had always been against himself at the banquet. It wasn't until he saw him stop Liya just now that Yue Feng understood that this kid likes Li Ya. Ya, that's why I can't get used to myself.

"Your Excellency Yue Feng!"

Just when Yue Feng was thinking about it, he heard a gentle voice, and when he looked up, he saw that Liya had come over at some point, standing in front of Yue Feng, slim and slim.

Yue Feng was stunned for a moment, then he recovered and smiled: "You're here!"

puff!

Seeing Yue Feng's goofy look, Liya couldn't help laughing out loud, and then asked curiously, "Your Excellency Yue Feng, what are you thinking? Are you absent-minded?"

Yue Feng scratched his head and smiled: "You and Is that Wei An all right?"

Wei An?

As soon as Wei An was mentioned, Lia was deeply conflicted, her smile froze, and she said lightly, "Let's not mention him, this Wei An is a lunatic."

Thinking of Wei An stopping her just now, Lia couldn't express her disgust. .

Sure enough, something happened.

Seeing this situation, Yue Feng immediately understood something, smiled and comforted: "I guess it is good, then Wei An likes you?"

This...

Lia was stunned for a while, a little uncomfortable, but still nodded: "Yeah."

Then, without waiting for Yue Feng to speak, Liya said quickly: "But I don't like him at all, this Wei An is too self-righteous, I used to regard him as a friend, but at the banquet today, he was so indifferent to your Excellency. Li, I don't understand the rules at all, I hate him to death." Hearing this, Yue Feng smiled bitterly and said

, "If he likes you, he would treat me like this, and it is human nature."

Yue Feng thought for a while and continued: "How about this, you don't have to take care of me, and move with your compatriots."

Seriously, this girl Liya is gentle and kind, and Yue Feng loves it from the bottom of her heart, but she doesn't want to be because of herself. This caused conflicts within the demon clan. After all, that Wei An was the son of King Xuanwu, and his status was not ordinary.

What?

At this moment, Liya's delicate body trembled, and then she bit her lip tightly and said, "Your Excellency Yue Feng...you...do you hate me?"

Yue Feng shook his head and said, "No, you have taken good care of me this day, and I am too late to be grateful. How could I hate you?"

"Then why did you drive me away?" Liya was a little excited and looked aggrieved: "In my heart, you are a great hero, a benefactor of our monster clan, and I stayed to take care of you, which was agreed by my father, and many warriors saw it at that time."

"If you don't let me follow, I will tell Father and those warriors knew about it, and thought I made you angry." At the

end of the story, Leah's eyes were red, and she almost burst into tears.

"Hey..."

Seeing Liya's pitiful look, Yue Feng panicked and quickly consoled: "Okay, don't be sad, I won't let you go, okay? "

Yue Fengtian was not afraid of the earth, but he was afraid that the woman would cry.

The ultimate husband in Chinese chapter 4081-4090

Chapter 4081

Seeing that he took back what he said before, Liya was in a good mood, she grabbed Yue Feng's hand and said with a smile: "I knew you couldn't bear it, let's go, it is said that the cave is very spacious and suitable for healing. "

Yue Feng smiled and was pulled towards the cave by Liya.

....

On the other side, not far from the demon clan's territory, Gong Ao brought thousands of divine soldiers and generals to camp here to rest.

At this time, in the military tent of the main camp.

Gong Ao sat there with a gloomy expression on his face.

Speaking of which, Gong Ao had already planned to release the 'rescue talisman' when it was dark, attracting the surrounding demon warriors and forcing the demon race to join the war.

But just now, the magic soldiers patrolling outside came to report, saying that the White Tiger King was organizing all the demon clan to transfer the territory. When he heard the news, Gong Ao almost vomited blood!

In anger, Gong Ao wanted to question the White Tiger King, but he held back when he thought that he had only a few thousand troops.

To be honest, Gong Ao has always been very confident in his own strength. Even if he fights against the White Tiger King alone, it is not false.

But if you let the demon clan transfer, you will not have the capital to 'make up for your faults', how can you go back to meet the Nine Heavens God?

Mad!

For a while, Gong Ao became more and more angry, sitting there, drinking non-stop.

Faced with this situation, the god generals standing beside them all had extremely complicated expressions, and they didn't dare to let out the air.

"Command Your Excellency!"

This chapter is provided by . Visit for daily update.

At this moment, a god general came out and couldn't help saying: "Then the White Tiger King really doesn't take us seriously, and he always refuses to see the commander, and now he is quietly taking the demon clan to transfer the territory and command your Excellency, this kind of thing. The White Tiger King has already done it, so we don't need to worry about it."

After speaking, the god raised the corner of his mouth, revealing a hint of gloom: "In my opinion, we pretended to be demon warriors, and in the process of demon clan transfer, constant nuisance, when the time comes, the White Tiger King can't bear it anymore, and he will definitely take the initiative to declare war with the Demon Race." The

voice fell, and the other gods nodded in succession.

"This method is not bad."

"I also think it is feasible... The White Tiger King is not benevolent, and we are not righteous." "

Yes, we cannot let them be successfully transferred."

A circle said coldly: "Don't mention this kind of trick. The White Tiger King is one of the four innate spirit beasts, not the idiots you think. No matter how fake we are, the White Tiger King has a way to see our identity!"

"Moreover, there is also a Xuanwu King beside the White Tiger King."

"Once our counterfeiting is exposed, there will be new grievances between the demon clan and the God's Domain. When that time comes, how do you ask me to explain to His Majesty?"

This...

listen At this point, more than a dozen god generals looked at each other, all embarrassed and speechless.

Just as he was talking, he saw a divine soldier walk in quickly, knelt in front of Gong Ao, and said respectfully: "Your Excellency, there is a team of monsters coming to our camp. The purpose is unknown, we are already on alert."

What?

Hearing this, both Gong Ao and those divine generals were all taken aback.

Isn't the demon clan going to transfer territory? Why did you suddenly send a team over?

Could it be... the demon clan secretly allied with the demon clan?

A few seconds later, Gong Ao took the lead in reacting and waved his hand: "Go, go out and see!" After saying that, he walked out of the tent first.

A dozen gods will quickly follow behind.

Um?

As soon as he arrived outside, seeing the scene in front of him, Gong Ao frowned and couldn't help taking a deep breath.

I saw thousands of monster warriors, rushing in like a tide, imposing like a rainbow, and at the front, a burly figure, suspended in the air, wearing black armor, majestic.

It was Wei An.

Seeing this scene, Gong Ao's expression changed, and he muttered in his heart.

What's the meaning? Are these sent by the White Tiger King? Want to kill yourself?

"Hey!" In the

next second, Gong Ao reacted, his eyes fixed on Wei An, and he sneered: "Who are you? What do you mean by bringing so many monster warriors into my camp?"

"At that time, Gong Ao secretly winked at the dozen or so gods beside him, making them prepare for battle.

Chapter 4082

"Hehe!"

Feeling Gong Ao's hostility, Wei An didn't panic at all, and showed a smile: "Don't be nervous, Commander Gong Ao, my name is Wei An, the son of King Xuanwu, and there is no malice in coming here rashly. I came to form an alliance with you!"

Wei An waved his hand.

In an instant, thousands of Xuanwu warriors around him retreated.

Ally?

Hearing this, Gong Ao was stunned for a moment, then showed a smile, nodded and said, "It turns out to be the son of King Xuanwu, disrespectful and disrespectful." After

speaking, Gong Ao said to the guards around him: "You too Retire."

Gong Ao was very excited at this time, thinking that this Wei An was specially sent by the White Tiger King. After all, he was the son of the Xuanwu King and had an extraordinary position. In the entire demon clan, except for the White Tiger King and the Xuanwu King, who else can command him?

Hearing Gong Ao's order, the gods and soldiers who were ready for battle were secretly relieved, thinking that these monster warriors were here to find trouble. After a long time, it turned out to be an alliance.

"Master Wei An, please come in."

At this moment, Gong Ao smiled at Wei An and made a gesture of invitation.

Wei An was not polite, and with Gong Ao's greeting, strode into the tent.

"Young Master!"

Soon, after taking a seat in the tent, Gong Ao looked at Wei An with a smile: "I came to form an alliance this time, I don't know what conditions the White Tiger King has."

In Gong Ao's heart, the White Tiger King was always reluctant. Seeing himself, he must be thinking about the conditions, and at this time, Wei An suddenly came with the monster warriors, which means that the White Tiger King has thought about the conditions.

However, Gong Ao didn't know that Wei An was not sent by the White Tiger King at all.

"Your Excellency!"

Wei An showed a smile, looked at Gong Ao and said, "I think you have misunderstood. I brought my hands down this time, not because of the White Tiger King. It doesn't mean the demon clan, but I want to make peace with myself. Your alliance."

Huh?

Hearing this, Gong Ao was stunned for a moment, and felt a little unhappy in his heart.

Mad, thought that this kid was sent by the White Tiger King, and it was his personal wish to do it for a long time.

Thinking to himself, Gong Ao lost his previous excitement, and said in a light tone: "This is interesting, the son can't represent the entire demon clan, so it seems a bit inappropriate to rush to me like this."

"Thousands of demon warriors, but these warriors are all good at fighting." Wei An responded neither humble nor arrogant.

On the way here, Wei An thought about it, Gong Ao knew the truth and would definitely look down on himself.

But the bow did not turn back.

For the sake of my own dignity, since I have taken this step, I will never regret it.

"Haha..."

Gong Ao couldn't help laughing, looking at Wei An's eyes with a bit of mockery: "Young master is burly, he looks like a brave man, this commander doesn't mean to look down on you, I'm just thinking, after forming an alliance with you, you thousands of monster warriors can't change the current situation."

Gong Ao is telling the truth, there are demon warriors activities everywhere around Fengmo Mountain. Those Demon Race warriors were all terrifyingly powerful, and only relying on Wei An and the thousands of Demon Race warriors would not be able to turn the situation around.

call...

Hearing this, Wei An took a deep breath and said with a smile, "What the commander of the palace said is not without reason, but the main purpose of my alliance this time is not to deal with the demons."

Isn't it to deal with the demons?

Gong Ao frowned, and he was very unhappy. Nima, this kid named Wei An, is there something wrong with his brain? If you don't deal with the demons, what are you doing with me?

Noticing Gong Ao's expression, Wei An smiled slightly and continued, "Commander Gong, I take the liberty to ask, is there a festival between you and Yue Feng?"

When he said this, Wei An's expression was indifferent, but his eyes flickering a bit of complexity.

Although Wei An is reckless, he is not a fool. Before Yue Feng and Gong Ao arrived in the demon clan territory together, Yue Feng had a dirty face and was very embarrassed, and he almost changed himself.

At that time, Wei An also noticed that Yue Feng, as the Nine Heavens Profound Sage of the Divine Realm, was originally Gong Ao's immediate boss, but Yue Feng did not

communicate with Gong Ao from beginning to end, and even deliberately kept a distance.

At first, Wei An didn't think anything, but later because of Liya's matter, after thinking about it carefully, he felt that there was something strange about it.

Chapter 4083

Later, in front of Gong Ao, the White Tiger King did not reveal the identity of Yue Feng, and he was also a big hero of the demon clan. Knowing that at that time, Wei An guessed that there must be a grudge between Yue Feng and Gong Ao.

Otherwise, Yue Feng would not deliberately make himself so embarrassed and conceal his identity.

It is precisely because of this that Wei An made a desperate attempt, brought his subordinates, and came to the Gong Ao Alliance. It was just a guess. At this time, when he saw Gong Ao, Wei An still wanted to confirm it.

Swish.

Hearing Wei An mentioning Yue Feng, Gong Ao's face instantly gloomy, and his heart became vigilant.

Mad, this Wei An will not be sent by the White Tiger King, I guess it is his own words?

But after thinking about it, Yue Feng is not here at all. It is impossible for the White Tiger King and the Yaozu to know that they are plotting against Yue Feng. In this case, there is no need for the White Tiger King to do so.

Muttering in his heart, Gong Ao looked at Wei An and said coldly, "Young Master, what do you mean by that? Yue Feng made the Nine Heavens Profound Sage in our God's Domain second only to His Majesty the Nine Heavens, and I admire him very much. I've never been disrespectful at all, where did the festival come from? You can't talk nonsense in the future."

Gong Ao was very cautious, and he didn't want to reveal a single word until he was unsure of Wei An's true purpose.

Hehe...

Hearing this answer, Wei An couldn't help laughing: "It seems that Commander Gong still doesn't believe me."

"How do you say this?" Gong Ao's face changed, and he said lightly.

Wei An took a deep breath and said slowly, "If you don't have a holiday, why would Yue Feng hide his identity from you? Besides, even the White Tiger King has to cover it up for him?"

Huh?

Hearing what he said, Gong Ao's heart was shocked, and he quickly said: "Master Wei An, please make it clearer and don't be sloppy."

At this time, Gong Ao's face seemed calm, but his heart was panicked to death.

Because he got a message from Wei An, that Yue Feng did not die in the blood sacrifice formation at the foot of Fengmo Mountain, but came to the demon clan territory.

Seeing Gong Ao's reaction, Wei An smiled slightly: "It seems that the commander of the palace is really kept in the dark..." After speaking, Wei An explained the situation at that time.

At the end of the story, Wei An looked at Gong Ao with a half-smiling smile and said, "Yue Feng was with Mengya at the time, but unfortunately, not only was you the commander of the palace, but even me and the other demon warriors were all killed. deceived."

What?

The lame man who was with Miss Mengya at that time was Yue Feng?

Knowing the situation, Gong Ao's face was gloomy, and his heart was even more annoyed and regretful.

If I had known this earlier, I could easily kill Yue Feng when I first met him by the stream. After all, at that time, Yue Feng had broken a leg, and his whole state was extremely weak.

It's just that it's all over now.

Seeing Gong Ao's expression, Wei An continued: "Commander Gong, the reason why I guess there is a grudge between you and Yue Feng is because you also helped him to conceal your identity at that time, the White Tiger King, perhaps this topic involves your privacy. , so please don't take offense." Hearing this, Gong Ao took a deep

breath

, did not respond, and his face was gloomy.

Finally, after a few minutes, Gong Ao slowly opened his mouth and said, "Young Master Wei An, what do you mean by telling me this?"

Wei An smiled and said, "It's very simple, because Yue Feng and I also have a relationship. resentment."

After speaking, Wei An explained the situation in detail, and at the end, Wei An couldn't hide his anger, and said fiercely: "Ma De, Yue Feng stole my Liya, how could I just let it go? ?" That's

right.

Knowing the situation, Gong Ao's eyes flashed, and he smiled, and asked randomly, "So, do you know where the cave where Yue Feng was recuperating is?"

At this time, Gong Ao was in a very comfortable mood. This Wei An was also robbed of a woman by Yue Feng. If so, he would have nothing to worry about.

"Of course I do." Wei An sat there, took a sip of wine leisurely, and answered without thinking.

Swish.

Gong Ao didn't have time to think, he stood up all of a sudden, his eyes flashed with hot light: "In that case, let's kill it together." Yue Feng's status is extraordinary and his strength is strong, he must not be allowed to regain his strength, let alone let him go alive. See the Nine Heavens God.

Chapter 4084

Once his plot against Yue Feng is revealed, the Nine Heavens God will not forgive him lightly.

However, Wei An sat there without any intention of getting up, but continued drinking and said with a smile, "Commander Gong, what are you in a hurry, Yue Feng is resting in the cave, and he won't be able to run away for a while.

" Then, Wei An looked at Gong Ao with a half-smile, "I really want to know what kind of grievance there is between you and Yue Feng."

This...

Gong Ao frowned and said lightly, "You don't need to know this. Right?"

In Gong Ao's heart, being robbed of Princess Dongling by Yue Feng was the pain of a lifetime, and this matter was about his dignity, how could he say so easily?

Hearing Gong Ao say this, Wei An shook his head and was very disappointed: “Commander Gong, you are wrong, I took the initiative to form an alliance, and I even told my grievances and grievances with Yue Feng, which is full of sincerity. “

But you and Yue Feng’s hatred is hidden from me. If you do this, how can we work closely together?”

“Since we want to cooperate, we must be honest with each other. I tell my secrets, and you tell yours.” It’s fair to keep a secret, what do you think?” The

words were so sensible that they couldn’t be refuted.

Wei An seems reckless, but he is actually very smart. He knows that to cooperate with an existence like Gong Ao, he must have the other party’s handle. Otherwise, the other party is still in the alliance one moment ago, and he may sell himself the next moment. . Pheh

...

At this moment, Gong Ao took a deep breath, hesitated for a moment, and finally nodded and said, “Okay, since Young Master Wei An said so, then I won’t hide it.”

The matter of Princess Ling and the grievances and entanglements with Yue Feng were all spoken out.

Of course Gong Ao loves face, he did not say that Yue Feng took away Princess Dongling’s innocence, only that Yue Feng used despicable means to force Jiutian God to betrothed Princess Dongling to him.

At the end of the story, Gong Ao clenched his fists and said ruthlessly, “That Yue Feng looks benevolent and righteous, but he is actually a hypocrite. He stole my Princess Dongling, and I will make him doomed. To be honest, he was in Fengmo Mountain before. It was I who plotted against Yue Feng, which caused him to faint in the blood sacrifice formation of Demon Venerable, and he also broke a leg. Therefore, he later concealed his identity and infiltrated Miss Mengya’s team. When he saw me, he didn’t dare to expose it. Because he knows that once I see through his identity, he will not be able to live.”

At this time Gong Ao had a look of grief and indignation, but the look in Wei An’s eyes also showed a bit of gloom.

Gong Ao was ten extremely conceited people with strong self-esteem. At this time, Wei An forced him to tell his secrets. It didn’t matter on the surface, but he was actually very upset.

Gong Ao thought about it, and when Wei An cooperated with him to kill Yue Feng, he would get rid of him. You must know that the matter between you and Princess Dongling is no trivial matter, and this secret must not be leaked out.

At this time, Wei An didn't know that he forced Gong Ao to tell the secret, which had already inspired his inner killing intent. But very sympathetic.

“Commander of the Palace.”

At this moment, Wei An raised his glass and said earnestly, “It turns out that you were also taken away by Yue Feng's beloved woman. It seems that the two of us are really connected by the same fate.”

“In that case, we are here . Blood is an alliance here, and we won't stop until we kill Yue Feng.”

Gong Ao nodded again and again and laughed: “Okay, don't stop until you kill Yue Feng.” After speaking, he and Wei An exchanged a glass of wine.

Haha...

After drinking all the wine in the glass, Gong Ao and Wei An looked at each other and laughed.

A few minutes later, Gong Ao quickly gathered the gods and soldiers of the camp, followed Wei An, and rushed towards the cave where Yue Feng was recuperating.

.....

On the other side, in the

Imperial Palace, the Nine Heavens God was sitting on the throne, his face was extremely gloomy.

Below, Haotian Divine Sovereign and other priests stood there, all of them restless.

A day ago, Haotian God Sovereign was ordered to lead hundreds of thousands of divine soldiers and generals to go to Fengmo Mountain to stop the Demon Lord Gone, but the result was a failure. .

That battle continued all night, and finally ended in a disastrous defeat for Haotian Divine Sovereign. At that time, Haotian Divine Sovereign was frightened and angered, so he had to order the remaining divine soldiers and generals to escape.

Chapter 4085

This was done at the time to reduce casualties, but Haotian Shenjun did not expect that less than 100,000 people have successfully escaped back to Yutian Palace after half a day, while Gong Ao and other god soldiers and generals are completely in harmony with each other. Haotian Divine Sovereign lost contact, and has not come back with news until now.

Huh...

At this moment, the Nine Heavens God looked around and said coldly, "Is there any news from Gong Ao?" The words

fell, and the priests present bowed their heads and said nothing.

puff.

At this moment, Divine Sovereign Haotian walked out quickly, knelt down in front of the Nine Heavens God, and said ashamedly: "Your Majesty, it was all my fault for the battle to seal the Demon Mountain. We won't succeed in resurrecting the demon tribe. And now, we won't be so passive..."

Jiutian God sighed and waved his hand: "Forget it, although you are at fault, you can't blame it entirely..."

Om...

As he was talking, suddenly a strong breath came from the sky outside. The bright sky suddenly became gloomy. Day and night.

what's the situation?

Feeling the powerful aura fluctuations from outside, whether it was the Haotian Divine Sovereign or the surrounding priests, they were all inexplicably shocked.

Jiutian God also frowned, with a bad premonition.

"Your Majesty!"

It was at this time that a patrolling soldier rushed into the Yutian Palace in a panic, his forehead was covered in sweat, and he said in panic: "Your Majesty is not good, the demons... The demons are attacking!"

When he said this, the voice of the magic soldier trembled, and he almost collapsed to the ground!

What?

Hearing this, whether it was the Nine Heavens God, or the Haotian God Monarch and the surrounding priests, their expressions changed.

“Quick.” The

next second, Jiutian God stood up suddenly and shouted: “Quick, gather all the troops and prepare to meet the enemy.” The voice fell, and he walked out of the Yutian Palace quickly.

Haotian Divine Sovereign and many priests did not dare to neglect and followed closely.

hiss!

Arriving outside the Yutian Palace, seeing the scene in front of him, Jiutian God was shocked, he couldn't help taking a breath, and the Haotian God next to him also felt his head buzzing.

I saw an army of hundreds of thousands of demons coming from the sky like a tide. These demonic armies, one by one, wearing black armor and holding blood-colored long knives, surrounded the Yutian Palace in a blink of an eye.

In the sky above the demon army, Demon Lord Gone quietly hovered there, his expression proud and majestic.

Seeing this scene, Jiutian God was indifferent on the surface, but he was a little flustered in his heart.

This Demon Lord Gone came too fast. The previous defeat at the Demon Sealing Mountain, Gong Ao and many gods and soldiers have not yet returned. Now the Yutian Palace has only nearly 100,000 troops, how can he compete with the Demon Lord Gone?

Swish!

At this moment, the Demon Lord Gone, who was suspended in mid-air, suddenly locked his eyes on the Nine Heavens God, with a proud and arrogant expression: “Nine Heavens God, didn't you expect the deity to come so soon?”

“If I guess correctly, Your master, the ancient ancestor of the ancient world, is still practicing in seclusion. Haha... Without the blessing of the ancient ancestor of the ancient world, you are just a waste in my eyes.”

“Those who are sensible, come over and kneel and surrender immediately, otherwise, I will pacify you. The Royal Palace of Heaven.”

When he shouted the last sentence, the Demon Lord Gone stood proudly in the air, his face full of contempt.

Huh?

Hearing this, whether it was the Haotian Divine Sovereign or the many priests around, they were all shocked and furious.

Crazy, this Demon Lord Gone is really crazy.

The Nine Heavens God is also the ruler of the God Realm after all, but at this time he is so contemptuous by the Demon Lord Gone.

“Okay, very good!”

At this moment, Jiutian God also blushed and looked closely at the Demon Lord Gone: “In my heart, you are just a prisoner who escaped from the ghost world by chance, and let you successfully resurrect the demon clan before. My followers, it was just our negligence, and now, you dare to go straight to the Yutian Palace to provoke.”

“Since you are so confident, I want to see how powerful you are.” The

voice fell, and the Nine Heavens God erupted . , the figure turned into a golden glow, heading straight for the Demon Lord Gone.

“Beyond one’s own ability!”

Watching the Nine Heavens God burst out, the Demon Lord Gone chuckled lightly, and then went up to meet him.

Boom boom boom!

In an instant, I saw the Nine Heavens God and the Demon Lord Gone, in the rolling dark clouds, their figures kept colliding back and forth, sending out waves of earth-shattering vibrations.

The ultimate husband in Chinese chapter 4086-4090

Chapter 4086

At the beginning, Jiutian God was still very confident, because during this time, he often comprehends and cultivates in Yuyao Xianyuan, and his strength has improved a lot.

But gradually, the Nine Heavens God felt a little tired!

Although the Nine Heavens God is the ruler of the Divine Realm, in the face of the Demon Lord Gone, who reshapes the flesh, he is much inferior and cannot gain an advantage at all!

“Haha! This is the strength of the Nine Heavens God?”

At this moment, the Demon Venerable sneered and mocked, and the figure erupted again.

From a distance, the figure of Demon Lord Gone is like a blood-colored meteor, splitting the world into two worlds, and its power is very terrifying.

Huh...

Seeing this scene, the Haotian Divine Sovereign who was watching the battle from a distance, as well as many priests, couldn't help but sweat for the Nine Heavens God.

At this time, Haotian Shenjun really wanted to rush to help, but he didn't dare to act rashly, because there could be no single mistake in a battle of this level between the Nine Heavens God and the Demon Lord Gone. If Haotian Divine Sovereign joins the battle rashly, it may disrupt the rhythm of the Nine Heavens God.

In this case, Haotian Divine Sovereign could only watch and worry.

“Come on!”

Seeing the Demon Lord Gone erupting again, the Nine Heavens God's face was grim and he roared loudly, the power of the primordial spirit burst out and attacked without fear.

boom!

The two figures collided in the dark clouds high in the sky, and they saw that within ten thousand meters, the dark cloud instantly collapsed.

After a full retreat of a thousand meters, the Nine Heavens God stabilized his figure, his face instantly pale.

This chapter is provided by . Visit for daily update.

powerful!

At this moment, the Nine Heavens God was suspended there, looking at the Demon Lord Gone in shock and anger, his face was full of complexities.

This Demon Venerable has a physical body, and his strength is too strong.

The Demon Lord Gone was cold and arrogant, his eyes were fixed on the Nine Heavens God, showing absolute contempt: "Nine Heavens God, you are not my opponent at all, unless your master shows up, so you should surrender, will Give me the entire Divine Realm."

"Dream!" Jiutian God responded coldly without any hesitation.

"Looking for death!" Demon Lord Gone's face sank, and he stopped talking nonsense. The power of the demon soul exploded. In an instant, the air around the entire Yutian Palace was stagnant!

The violent power of the demon soul swept out, and the Haotian Divine Sovereign who was watching not far away, as well as those priests, were all horrified and could not help but retreat.

"Since you are so stubborn, then I will fulfill you and accept the move."

At this time, the Demon Lord Gone shouted, slowly raised his right hand, and saw the air twist and change, and then condensed a bloody palm Shadow out.

The Devil's Blood Clutch.

This...

Seeing that bloody palm shadow, Jiutian God's face suddenly became solemn.

The Devil's Blood Clutch is a unique skill created by the Demon Lord Gone. In the battle between the gods and demons tens of thousands of years ago, the Demon Lord Gone used this trick to kill nearly 100,000 soldiers and generals. It was very abnormal. Although so long has passed, the entire Divine Realm has not forgotten the scene at that time.

At this time, seeing the Demon Lord Gone again cast the 'Blood Devil Palm', whether it was the Nine Heavens God or the Haotian God, they were all inexplicably panicked.

"Your Majesty!"

"Your Majesty, be careful."

At the same time, those priests couldn't help but exclaimed.

Phew...

Seeing that the shadow of the blood-colored palm was about to approach, the Nine Heavens God didn't have time to think about it, he burst out all the power of his primordial spirit, raised his hand and condensed a golden shield in front of him, and saw

that although the shield was a The power of the primordial spirit is condensed, but it is condensed like a substance, with countless runes flowing on it, and golden light flickering.

It is the unique defensive stunt of the Nine Heavens God, the Qianyuan Golden Shield.

The Qianyuan Golden Shield is a defensive stunt realized by the Nine Heavens God five thousand years ago. After it is displayed, it can resist all forces.

Seeing this scene, whether it was Haotian Divine Sovereign or those priests, all held their breaths and their hearts were raised in their throats.

Your Majesty must win.

boom!

At this moment, the blood-colored palm shadow roared and slammed into the golden shield of Qianyuan. In an instant, the God of Nine Heavens only felt a violent and endless force coming. At that time, he groaned, and the figure was shaken and flew out and smashed heavily. Landed on the square in front of the Imperial Palace.

Chapter 4087

During the fierce battle with Demon Lord Gone just now, the Nine Heavens God had already consumed a lot of internal strength, and at this time, he could no longer stop him when he performed stunts in the face of Demon Lord Gone.

After all, that is the strongest demon clan, and can rival the existence of the ancestors of the prehistoric wilderness.

“Your Majesty!”

Seeing this scene, Haotian Shenjun howled and was about to rush over. Just after rushing a few hundred meters, I saw two blood-colored figures, like lightning, coming quickly and directly intercepting Haotian Divine Sovereign.

Twelve Holy Demon Kings?

Haotian Divine Sovereign was furious, but when he saw the appearance of the other party, he was still secretly surprised.

I saw that the two figures standing in front of them were extremely tall and burly, wearing black and red armor, with a hideous mask on their heads, only showing two blood-red eyes.

There was an evil blood mist all over the body.

It was the Twelve Sacred Demon Kings who made God's Domain terrified tens of thousands of years ago.

The Twelve Sacred Demon Kings are twelve powerful generals under the seat of the Demon Lord Gone. Because of their outstanding military exploits, they were named the Demon Lords by the Demon Lord. In the war between the gods and demons tens of thousands of years ago, all the twelve Sacred Demon Lords were killed by the gods. kill.

However, the twelve holy devil kings were also successfully resurrected by the Demon Lord Gone on the Demon Sealing Mountain a day ago.

Mad!

Being blocked by the two holy demon kings, Haotian Shenjun was furious, and did not hesitate at the time, the power of his primordial spirit exploded, and he directly fought with the two holy demon kings in midair.

"Haha!"

Seeing Haotian Divine Sovereign being intercepted by his subordinates, Demon Zun Gone was very proud. After laughing, he stared at Jiutian God with a proud tone in his voice: "Dangtang Jiutian God, this is all about strength. Is it? It's really disappointing..."

"Come, get up and fight again!"

As he said, the figure of the Demon Lord Gone flashed, landed on the square, and then slowly walked towards the Nine Heavens God.

The terrifying demon soul aura filled the entire Yutian Palace!

Jiutian God clenched his teeth tightly and did not respond, but he was very unwilling in his heart.

"Goni, stop it!"

At this critical moment, a coquettish shout was heard in the sky not far away.

At this moment, whether it was the Demon Lord Gone, the Nine Heavens God, and the army of both gods and demons, they all followed the voice subconsciously, and they were all stunned!

I saw not far away, a graceful and charming figure came swiftly like a giant.

Dressed in a pure white dress, with an extraordinary and beautiful face, no matter whether it is the demons or the gods, they can't feel the slightest blasphemy.

It's the Empress Nuwa!

"The goddess is here...."

"It's great..."

"With the goddess Nuwa here, the crisis in the Yutian Palace can be solved..."

At this moment, whether it is the god of Haotian or those priests, and the surrounding tens of thousands of divine soldiers are extremely excited.

This...

and Demon Lord Gone, and the army of hundreds of thousands of Demon Race, frowned secretly one by one.

"Nuwa is here...."

"As expected of the supreme goddess of the gods, she is so beautiful."

Under the shock, many demon warriors stared at the goddess Nuwa, unable to extricate themselves.

Just looking at Empress Nuwa floating in the air, her delicate face and sexy and perfect figure can be said to make all women in the world overshadowed.

Especially the unique temperament on his body makes people intoxicated!

Beautiful, sexy, peerless youth....

all the beautiful words in the world, it seems that they are not enough to describe her.

Among the emotions of the surrounding demon warriors, Demon Lord Gone had a complicated face, and a trace of worry rose in his heart.

You must know that Empress Nuwa is the most proud female disciple of the ancestors of Honghuang, and she has been following the ancestors of the floods.

At this time, Nu Wa suddenly appeared in the Yutian Palace, which means that the ancestors of the Great Desolation may also be nearby. Phew

... Thinking of this, Demon Venerable Gone couldn't help urging the power of the Demon Soul to sense the direction behind Empress Nuwa and the area of 10,000 meters around Yutian Palace. As the Supreme Being of the Demon Race, Gone is not afraid of anything, but he is only afraid of the ancestors of the Great Desolation. But after perceiving for a while, the Demon Lord Gone did not notice the aura of the

ancestors of the prehistoric land. Even so, Gone did not take it lightly. “Junior brother, don’t panic, I’m here!” At this moment, the Empress Nuwa was suspended in the sky, smiled at the Nine Heavens God below, and said.

Chapter 4088

At that time, after the ancestor of the prehistoric desolation named Yue Feng as Jiutian Xuansheng, he began to retreat and practice. As the eldest disciple, Empress Nuwa was there to protect the law, always ensuring that the ancestor of the prehistoric desolation would not be disturbed.

Just now, Demon Venerable led hundreds of thousands of troops and came to besiege Yutian Palace. Although the place where the ancestors of Honghuang retreated was far away from the Yutian Palace, the Queen Mother still felt it.

At the beginning, Empress Nuwa thought that God’s Domain could block the Demon Lord Gone, but soon found out that the situation was getting worse and worse. At that time, Empress Nuwa didn’t have time to think about it, so she rushed to support.

call!

At this moment, seeing Empress Nuwa arriving in time, Jiutian God also had a smile on his face, nodded and said, “Senior sister, it’s all up to you.”

After speaking, Jiutian God pointed at the Demon Lord Gone: “He reshapes his body. After that, the strength is stronger than before, senior sister must be careful.”

Hmm!

After listening to the words of the Nine Heavens God, Empress Nuwa nodded, and then her figure rose up and went straight to the Demon Lord Gone.

“Goni!”

At this moment, the mother Nuwa’s red lips lightly opened, and she spit out a few words coldly: “If you want to destroy the Yutian Palace, pass me first.” The voice fell, and the divine power exploded, and there was a dazzling expression. The red light shrouded her body like a flaming phoenix,

hehe...

Looking at the swiftly approaching Empress Nuwa, the Demon Lord Gone was suspended there, not moving at all, a contempt permeating his body. All arrogance.

And that pair of eyes also locked the Empress Nuwa tightly, and said coldly: “Nuwa, I admit that you are very powerful, but it is not enough to stop me. If you really want to

solve the crisis in the Yutian Palace, let your teacher Show your respect to the ancestors of the Great Desolation.”

When he said this, Demon Lord Gone looked around and determined that the ancestors of the Great Desolation were not nearby, and his heart suddenly lost his scruples.

“Arrogant!” Hearing this, Empress Nuwa bit her lip and retorted coldly: “Goni, you are a little too confident. To deal with a demon like you, there is no need for my master to take action.” The

voice fell, the girl Empress Wa rushed to the front and fought fiercely in mid-air with the Demon Lord Gone.

Huh...

Seeing this scene, both the Nine Heavens God and Haotian Divine Sovereign are extremely excited, but at the same time, they are also a little worried.

Now let's see how long Nuwa can last.

Thinking of this, Jiutian God stopped thinking about it, held his breath and began to recover his divine power.

Nine Heavens God has thought about it, as long as Nuwa holds back the Demon Lord Gone, and when her strength recovers, she can unite with Nuwa to suppress Gone.

Bang bang bang!

Empress Nuwa and Demon Lord Gone fought endlessly in mid-air. For a time, the sky was dark and the sun and moon were dark.

I saw that the Demon Lord Gone was very relaxed, with a contemptuous smile on his face all the time. On the other hand, Empress Nuwa was biting her lip, looking very labored.

“Devil warriors obey orders!”

At this time, while fighting with Nuwa, the Demon Lord Gone ordered the surrounding Demon Race warriors: “Take down the Yutian Palace for this deity, and destroy these hypocritical gods in front of you. Stay.”

“Ow!” The

voice fell, and the army of hundreds of thousands of demons let out a thunderous howl, rushing towards the Yutian Palace like a tide.

Seeing this scene, the priests standing at the gate of Yutian Palace were all panicked.

“Don’t panic!”

At this moment, Haotian Divine Sovereign rushed out quickly and raised his arms:
“Listen to my command, form an array to meet the enemy, even if the battle reaches the last moment, you must keep the Yutian Palace and protect Your Majesty.”

When shouting these, Haotian Divine Sovereign had a determined face, but was extremely worried in his heart.

His Majesty was already injured, and although Empress Nuwa held back the Demon Lord Gone, she was still struggling. The whereabouts of more than half of the army that had been brought to Fengmo Mountain were still unknown.

Under such circumstances, it was almost difficult to stop the army of hundreds of thousands of demons.

But if you can’t stop it, you have to stop it, because once Yutiangong misses, the entire Divine Realm will fall into a state of doom.

“Kill!”

“Swear to defend Your Majesty and Yutian Palace...”

Hearing the call of Haotian Divine Sovereign, tens of thousands of gods and soldiers burst out with a loud roar, directly attacking, and in the blink of an eye, it was with a few A hundred thousand demon armies collided and fought each other.

Chapter 4089

“Ah...”

For a while, screams and the sound of weapons colliding constantly echoed around Yutian Palace.

There are only tens of thousands of troops guarding the Yutian Palace, but there are hundreds of thousands of troops on the Demon Race side, and the strength of the two sides is very different.

In less than a few minutes, I saw thousands of divine soldiers, their souls destroyed by demon warriors, fell to the ground one by one.

“Haha...”

Seeing this scene, Demon Venerable Gone was very proud, and laughed loudly, then looked closely at Empress Nuwa and taunted: “Nuwa, you are not my opponent, and you can’t change today’s situation. In this situation, I advise you not to make such senseless resistance.”

“I have broken this Yutian Palace. The entire Divine Realm will also be mine.”

“So, you should give up.” The

voice was proud and could not be refuted . .

Hearing this, Empress Nuwa chuckled and said coldly, “Let me give up? Dreaming.” When she said this, Empress Nuwa did not flinch at all, but kept urging her divine power to come and fight with Mozun. Nirvana counterbalances.

“Very, very good.”

Demon Venerable Gone sneered, with a bit of admiration and coldness in his eyes: “As expected of the great apprentice of the ancestors of the Great Wilderness, in the face of such a desperate situation, you still won’t let it go.”

“Since you are like this . If you are over yourselves, then the deity has nothing to say.”

Om!

The voice fell, and the Demon Lord Gone slowly raised his right hand, and saw a blood-colored light flashing out, condensing a long knife. Mi Duo long, the moment it took shape, the surrounding dark clouds were dyed blood red.

Seeing this scene, Nu Wa’s delicate body was shocked, she knew that Demon Lord Gone was about to show his true strength.

“Senior sister, be careful...”

At this moment, the Nine Heavens God, who was still recovering his divine power below, felt the terror of the long knife in Gone’s hand, and couldn’t help but exclaimed.

call!

As soon as he finished speaking, he saw Demon Lord Gone clenching the blood-colored long sword, and with a strong swing, he heard a roar that broke out, followed by a blood-colored light like thunder, tearing apart the world. It burst out towards the Empress Nuwa.

Is this the true strength of Demon Venerable!

too horrible.

Feeling the power of the blood-colored sword glow, Nuwa's heart trembled. She didn't have time to think about it, she quickly raised her jade hand and deployed a golden protective film in front of her.

At this time, Empress Nuwa did not dare to underestimate the enemy, and burst out all her divine power.

boom!

In the next second, the blood-colored blade slashed hard on the protective film, and the Empress Nuwa let out a painful snort, her delicate body trembled, and the volley was knocked back several hundred meters.

call!

The moment she stabilized her figure, the delicate face of Empress Nuwa showed a trace of paleness, and at the same time, her eyes were also staring at the Demon Lord Gone, and her heart was shocked.

This Gonie is worthy of being the supreme being of the demon race, and even the master is afraid of it. His strength is really terrifying.

“Niangniang!”

“Senior sister...”

Seeing this scene, whether it was the Nine Heavens God, the Haotian Divine Sovereign not far away, or the gods and soldiers who were fighting fiercely with the demon warriors, all of them couldn't help exclaiming. .

Especially the Nine Heavens God, who was shocked and angry, stood up abruptly, and was about to rush to help.

In Jiutian God's heart, he originally planned to let Nuwa hold the Demon Lord Gone in order to give himself a chance to recover his divine power, but now it seems that he can't wait for that time.

After all, the strength of the Demon Lord Gone is too terrifying, if it drags on for a while, senior sister will be in danger.

“Don't come...”

However, at the moment when Jiutian God was about to explode, Nuwa's voice sounded in his ears. This voice could only be heard by Jiutian God alone.

It is the unique secret technique of the ancestors of the Great Desolate 'Ten Thousand Miles of Voices'.

Hearing this, Jiutian God was stunned for a while, and then he also used 'Ten Thousand Mile Voice Transmission', and responded to Empress Nuwa, "Why?

"Thousands of Miles of Voices'.

"Junior brother!"

Empress Nuwa took a deep breath and responded, "Your divine power has not fully recovered, and rushing over won't change the situation, so let me hold the Demon Venerable for a while."

Chapter 4090

"What you have to do now is to find a way to open the innate formation around Yutian Palace."

Innate formation?

Hearing this, Jiutian God was stunned for a moment, then his eyes lit up and he was very excited.

Yes, there are three innate formations around Yutian Palace, how could I forget.

The Innate Formation was tens of thousands of years ago, after the war between the gods and the demons, the ancient ancestors of the prehistoric deployed around the Yutian Palace. There are three formations in total, and each formation contains supreme divine power.

At that time, the ancestors of Honghuang did this to protect the Yutian Palace. Because the power of the three formations was too powerful, the rules were set at the beginning, and they should not be opened unless it was a last resort.

However, these three innate formations have not been used for more than 9,000 years since they were deployed, so the Nine Heavens God has almost forgotten them. At this time, I was reminded by the goddess Nuwa, and I suddenly woke up.

"Quick!"

At this moment, the Nine Heavens God reacted and shouted at the dozens of divine soldiers around him: "You guys, hurry up and smash the glazed orbs on the roof of Yutian Palace, hurry up..."

shouting these words At that time, the Nine Heavens God was extremely anxious.

The three innate law formations, the outermost one is the Nine Heavens Profound Thunder Formation, and the way to open it is to destroy the nine glazed orbs on the roof of Yutian Palace.

Of course, only the God of Nine Heavens and Empress Nuwa knew about this secret.

This...

Hearing the order, the dozens of divine soldiers looked at each other in dismay, all stunned there.

What's the matter, Your Majesty? Now that the situation is so critical, he has no idea how to deal with the Demon Lord Gone, but let himself and his people destroy the glazed orb on Yutian Palace.

Are you too desperate and have mental problems?

Confused, one of the divine soldiers couldn't help it, and said to the Nine Heavens God, "Your Majesty, calm down." The

voice fell, and the other divine soldiers also discouraged them. "Your Majesty

, we haven't reached the point where the mountains and rivers are exhausted. We don't need to destroy the Yutian Palace first."

Those demon warriors are approaching."

In the hearts of these divine soldiers, they all believed that the Nine Heavens God was mentally ill, and that would allow them to destroy the glazed orbs on the Yutian Palace. Those glazed orbs were all rare treasures and symbolized the Nine Heavens God. It would be a pity if it were destroyed.

"Shut up!"

Jiutian God was too lazy to talk nonsense, and shouted: "Follow what I say, otherwise, you will be convicted of deceiving the king, hurry up.

"

Seeing that the Nine Heavens God was angry, those divine soldiers did not dare to neglect, they burst out and rushed to the roof of Yutian Palace, and then began to destroy the glazed orbs above.

It's just those glazed orbs, each of which is protected by divine power. It is very difficult for these divine soldiers to completely destroy them.

boom!

It took a full two minutes and dozens of divine soldiers worked together to destroy a glazed orb. One by one was exhausted, and at the same time, one by one was puzzled, but he did not dare to ask more, and continued to try to destroy the second one. .

Hehe...

Seeing this scene, the Demon Lord Gone above the sky couldn't help laughing contemptuously, and then taunted her mother Nuwa: "Nuwa, did you see it, you are here? Desperately resist, your junior brother has given up."

In the heart of the Demon Lord Gone, he thought that the Nine Heavens God did this to destroy the Yutian Palace, but he was completely unaware that the other party was opening a formation.

"Not bad!"

Hearing this, Empress Nuwa snorted coldly: "Even if we are not your opponents, we will destroy this place and make you get nothing."

When she said this, Empress Nuwa looked delicately at it. Going up is very angry, but secretly chuckles in his heart.

This Demon Venerable still doesn't know that the glazed orb on Yutian Palace is the key to opening the innate magic circle.

"It's all ruined?!"

At this moment, the Demon Lord Gone stared at Empress Nuwa with absolute confidence and arrogance: "As long as I occupy the entire God's Domain, what is a mere imperial palace?"

"If you want to break the cauldron and sink the boat, then I will do what you want." As he

spoke, the Demon Lord Gone, holding the blood-colored long knife, volleyed into the air and quickly approached the Empress Nuwa.

The powerful demon soul aura permeated the whole world.

The ultimate husband in Chinese chapter 4091-4100

Chapter 4091

Call!

Empress Nuwa bit her lip, her delicate face was extremely solemn, and when she saw the Yutian Palace below, those divine soldiers destroyed five glazed orbs.

It can't go on like this, it's too slow!

Thinking to herself, Nuwa shouted at Haotian Divine Sovereign and the priests, "Haotian, come and stop him !

"

The sound echoed, and then erupted towards the Demon Lord Gone.

"Ah..."

Haotian Divine Sovereign and these priests, who originally fought with tens of thousands of divine soldiers to fight against the twelve holy devil kings and the army of the demon race, left the battlefield at once, and the formation was in chaos. The young god soldier let out a scream and fell in a pool of blood.

Even so, Haotian Divine Sovereign and these priests did not hesitate at all. They knew that Nuwa had her reasons for doing this.

"Goni, I'm here to learn about your strength!"

When he arrived in front of him in the blink of an eye, Haotian Divine Sovereign roared, his divine power completely exploded, and he was the first to charge towards Demon Lord Gone.

Buzz buzzing...

At the same time, dozens of priests followed, and in the blink of an eye, they cooperated with Haotian Divine Sovereign to surround Demon Lord Gone in the air!

"The defeated generals still dare to come out and show their shame?"

Seeing Haotian Divine Sovereign and many priests surrounding him, the Demon Lord Gone didn't panic at all, but showed a trace of contempt and coldness: "It's just you guys who still want to stop the deity. Go away!" The

This chapter is provided by . Visit for daily update.

voice fell, and a terrifying aura erupted from Demon Lord Gone's body, and the surrounding air seemed to freeze for a moment.

Immediately afterwards, the Demon Lord Gone wielded the blood-colored long sword and fought fiercely with the Haotian Divine Monarch and many priests.

Huh..

In the fierce battle, whether it is the Haotian Divine Sovereign or those priests, the hearts are extremely shocked.

This Demon Lord Gone, after reshaping his physical body, has increased his strength more than tenfold, which is simply too terrifying.

Although they were shocked in their hearts, Haotian Divine Sovereign and these priests still gritted their teeth, held the pressure, and fought fiercely with Demon Lord Gone.

A few minutes passed in the blink of an eye, and several priests had already been killed by Demon Lord Gone. The remaining priests and Haotian Divine Sovereign were also pale and could no longer hold on.

"Haha..."

At this time, while fighting fiercely with Haotian Divine Sovereign, Mozun Gone sneered at Empress Nuwa: "Nuwa, you let these rice buckets hold me back, are you trying to restore your divine power? It's a pity that they are so useless that they can't even hold on for an hour, I'm afraid you're going to be disappointed!"

Phew!

Empress Nuwa breathed a sigh of relief, her delicate face did not fluctuate in the slightest, and she looked at the Demon Lord Gone and said coldly: "Gonie, you don't know me too well, you sacrifice others to give me time to restore my divine power, this kind of thing I Never do it!"

"Also, you thought you had it all but you were so wrong!"

Om!

When the voice fell, the Empress Nuwa raised her jade hand, and the air around her body suddenly condensed. Then, a violent divine power burst out from her body.

"Cracking the Heavens!" The

next second, Empress Nuwa's red lips lightly opened, and she spit out a few words coldly. Immediately, her delicate body flashed like a shock, and she headed directly towards Yutian Palace.

Um? What is she going to do?

Seeing this scene, Demon Zun Gone frowned, and at the same time, the surrounding Demon army was puzzled.

Boom boom boom...

That is, at this moment, I saw the remaining four glazed orbs above the Yutian Palace, which were directly destroyed by the Nuwa Empress, and in an instant, the dust filled the air.

hum! hum! hum!

Immediately afterwards, the innate spiritual energy between heaven and earth was invisibly attracted by a powerful force, and gathered crazily towards the Imperial Palace from all directions. Then, a huge transparent protective layer appeared in front of everyone. This protective cover had purple flowing on it. The blue light, and countless cumbersome runes flicker, dazzling.

Huhuhu....

As the light of the protective cover became stronger and stronger, the dark clouds quickly gathered above the Yutian Palace, and I saw between the clouds, purple lightning, tearing the sky.

This...

is this the Nine Heavens Profound Thunder Formation?

At this moment, Demon Lord Gone finally realized something, his body was shocked, and his face was extremely solemn.

Chapter 4092

As the Supreme Being of the Demon Race, Gone recognized it at a glance. At this time, what was condensed around Yutian Palace was the Nine Heavens Profound Thunder Formation, one of the four innate magic formations.

The four congenital formations are the Nine Heavens Profound Thunder Formation, the Extremely Lieyang Flame Formation, the Holy Water Desolation Formation, the Three Talented Wind Dragon Formation, and the Four Great Formation Formations, each of which is extremely powerful. He used the four magic circles to deal with the demons,

which caused heavy damage to the demons, and the Demon Lord Gone still remembers it.

This...

At this moment, I felt the power of the thunder in the sky, hundreds of thousands of demon warriors, all of them were inexplicably heart palpitations.

Boom boom boom...

Along with the rolling thunderclouds, lightning bolts ravaged the sky.

“Not good! Hurry up!”

Seeing this situation, Demon Lord Gone couldn't help but shout, reminding the hundreds of thousands of demon warriors to disperse, but it was too late.

Kacha, Kacha, Kacha...

I heard a loud explosion of thunder, and from the dark clouds in the sky, thousands of thunder and lightning burst out, drawing dazzling rays of light between the heavens and the earth, and crashed down.

call!

Feeling the power of the thousands of thunder, many demon warriors turned pale and wanted to dodge at the same time, but their legs became weak in panic. Moreover, these thousands of lightnings almost completely destroyed the entire Yutian Palace. Blocked, you can't escape at all.

Boom, boom, boom!

In the blink of an eye, thousands of lightning bolts crashed into the demon camp, and a dazzling ray of light erupted. The entire Yutian Palace flickered with lightning and dust everywhere!

“what...”

In the midst of the terrifying thunder and lightning, I heard the screams of the demon warriors, and they were directly burned to ashes by the terrifying power of thunder and lightning. sounded.

The Nine Heavens Profound Thunder Formation mainly restrains the demons. Therefore, the surrounding tens of thousands of divine soldiers did not receive much damage.

call!

At this moment, Demon Lord Gone was suspended in mid-air, looking at the chaotic demon army below, his face was ashen, and his heart was burning with anger.

Speaking of which, with the strength of Demon Lord Gone, he is not afraid of the Nine Heavens Profound Lightning Formation at all, but the demon warriors under his command are different. At this time, he saw that the demon army he had just resurrected was struck by lightning one by one. Falling down, under the anger in his heart, he almost went crazy.

“Get out of this area, hurry up!” In anger, Demon Lord Gone howled loudly.

Relying on this demon army to occupy the entire God Realm and rule the human world, it cannot be destroyed like this.

wow.

Hearing the cry of Demon Venerable, many demon warriors came to their senses, mobilizing their demon souls one by one, rushing frantically towards the outside of Yutian Palace, and in a blink of an eye, more than one escaped from the dangerous area.

But even so, many of the demon warriors who managed to escape were injured by lightning and lost their combat effectiveness one by one.

Whoa!

Seeing this scene, tens of thousands of gods and soldiers suddenly cheered.

Haha...

At the same time, Empress Nuwa and the God of Nine Heavens also smiled.

Great, although the Nine Heavens Profound Thunder Formation was activated at the last moment, it was considered a success. Now that the demon army was severely damaged, the Demon Lord Gone was no longer able to occupy the Yutian Palace.

Ha ha...

At this moment, the God of Nine Heavens looked up to the sky and laughed loudly, unable to hide the pride in his heart, and mocked at the Demon Lord Gone: “Gonie, what if you have hundreds of thousands of troops? Are you going to break it here in the end? I said, if the master is not there, you may not be able to occupy the Yutian Palace...”

Swish!

Hearing this, Demon Lord Gone's eyes were extremely blood red, and he shouted angrily: "You are courting death!" The voice fell, Demon Lord Gone's whole body exploded with power, and he was about to rush over.

The army of hundreds of thousands of demons suffered such damage, and the Demon Lord Gone was already on fire. How could he bear the ridicule of the Nine Heavens God at this time?

"Your Highness!"

However, at this critical moment, a Holy Demon King rushed up quickly, stopped Demon Lord Gone, and said anxiously: "Your Highness, don't be impulsive, there are four innate formations, and the other party will only activate it now. If you have one, you have to think twice."

When he said this, the Holy Demon King's face was full of urgency.

right.

Hearing this, Demon Lord Gone calmed down instantly. There must be more than one Nine Heavens Profound Thunder Array near Yutian Palace, so don't be impulsive, you must be calm.

Thinking of this, Mozun Gone coldly glanced at the Nine Heavens God, then looked at Empress Nuwa, and said: "You are lucky today, I will break through Yutian Palace sooner or later!"

Saying that, Mozun Gone raised his hand. He waved: "The whole army retreats for the time being."

Dong Dong Dong... The

voice fell, and the demon army, led by Demon Lord Gone, receded like a tide.

Chapter 4093

Call!

Seeing this scene, the Nine Heavens God, the Goddess Nuwa, and those priests secretly sighed in relief.

Finally... finally defeated the strong enemy.

.....

On the other side, there is a dense forest more than ten miles northwest of Fengmo Mountain.

At this moment, in the dense forest, thousands of figures are gathering here, and I can see that among these figures, there are divine soldiers and warriors.

The leaders were Wei An and Gong Ao.

“Commander Gong!”

At this time, Wei An pointed to the canyon not far ahead: “The cave where Yue Feng recuperates and hides is in this canyon.”

“Okay, very good!” Gong Ao observed the terrain, very Excited nod.

“That’s right!”

Wei An thought of something, and continued: “When the time comes, please also ask the commander of the palace to cooperate with me properly.” At this time, Wei An was also extremely excited.

Just now, Wei An and Gong Ao negotiated. Gong Ao will go to the canyon first to force Yue Feng out. Then Gong Ao will deliberately embarrass Liya. At that time, Wei An pretends to pass by and rescues Liya. Go, stage a ‘Heroes Save Beauty’.

Haha...

Hearing this, Gong Ao laughed a few times and patted Wei An on the shoulder: “Don’t worry, since we are in an alliance, this commander will naturally help you bring beauty back!”

As long as he can successfully kill Yue Feng , by the way, help the son of the Xuanwu King, it’s nothing.

“Then I wish the commander of the palace a victory.” Wei An was very happy and hurriedly bowed.

Gong Ao waved his hand: “Okay, we don’t need so much etiquette, it’s not too late, I’ll go first.” After speaking, he greeted nearly a thousand soldiers and quickly set off towards the canyon.

Phew...

At this moment, Wei An stood there, staring in the direction of the canyon, and there was a bit of gloom in his smile.

Leah, don't blame me for doing this, you forced me to do this...

At

this time, in the canyon and cave.

Yue Feng sat there cross-legged, looking at his nose and heart, silently recovering the power of his primordial spirit.

Beside her, Liya stood there pretty, quietly guarding her.

Yue Feng thought about it, and when he completely recovered the power of the primordial spirit, he quietly passed through the portal of the gods and returned to the Kyushu continent. The war between the demons and the gods, let them go.

Phew...

After practicing for a while, Yue Feng opened his eyes and breathed a sigh of relief.

"Your Excellency Yue Feng."

At this moment, feeling that Yue Feng's condition was better than before, Liya was very happy and couldn't help but said, "Your complexion is much better than before, I believe you will soon be able to I'm healed."

Yue Feng nodded and said with a smile, "Thank you for your care. Without you, I wouldn't recover so quickly."

Lia was very happy when she heard the compliment, and then she thought of something and wanted to say something. Then he stopped: "Your Excellency Yue Feng, I...Can I ask you a question?"

"Okay!" Yue Feng responded without hesitation, and looked at Lia with a smile.

Leah bit her lip tightly, her delicate face was also a little red: "Well...that...I heard that my sister went to find you that night...and, you guys... .."

Thinking of her younger sister's devotion to Yue Feng, Liya's heart was up and down, and she couldn't calm down, and this kind of thing was too embarrassing, she couldn't talk about it halfway through.

What the fuck...

Although Liya didn't finish speaking, Yue Feng still understood something, and he couldn't help laughing.

The next second, Yue Feng sighed and said slowly: "Miss Liya, I don't know where you heard it from, but this is definitely a rumor. In fact, the situation at the time was like this..."

Next Within a few minutes, Yue Feng explained the situation that night in detail.

At the end, Yue Feng shrugged helplessly: "I was planning to give clothes to your sister at that time, who knew that Qi Cai Lingfeng suddenly came to me, seeing the situation at that time, she thought that my sister and I had something. In fact, that was a complete misunderstanding..."

Phew!

Knowing the truth, Lia was suddenly relieved, and her face was stunned.

That's how it was at the time.

Mengya is also true, too unruly, in the evening, she has to ask Your Excellency Yue Feng to see the power of bird ancestors.

At the same time, I am also a little fortunate in my heart that nothing happened to my sister and Your Excellency Yue Feng, so I... have a chance?

Thinking of this, a trace of blush appeared on Liya's delicate face again, showing her little daughter's attitude...

"Miss Liya?"

Seeing Liya's blushing face, Yue Feng was full of doubts: "You What's up?"

Chapter 4094

"Ah..."

When she heard the question, Lia reacted, she was shy, lowered her head, and panicked: "No...nothing!!"

Om! hum! hum! ...

Just as he was talking, there was a sudden burst of aura from outside.

Um?

Yue Feng was very alert and immediately opened his eyes.

At the same time, Liya was also shocked, and said softly: "Could it be that the father sent his men down?" This cave is very hidden, and outsiders can't find it at all.

Saying that, Leah walked out quickly.

Yue Feng followed closely.

hiss!

When I got outside the cave, I saw the scene in front of me. Whether it was Yue Feng or Li Ya, their expressions changed, and they couldn't help but take a breath!

I saw nearly a thousand divine soldiers and generals, who came quickly and surrounded the dough outside the cave.

And in the air in front of these divine soldiers and generals, a cold and arrogant figure was quietly suspended, dressed in golden armor, powerful and majestic!

It is Gong Ao!

Ma's!

When the enemy met, he was extremely jealous. Seeing Gong Ao, Yue Feng's pupils shrank, the anger in his heart rose, and at the same time, he was extremely surprised.

Mad, only the demons know about this place. How did Gong Ao find this place?

How are they?

At the same time, Liya's body trembled, and she felt that her mind was blank, and she was inexplicably nervous.

Swish!

Seeing Yue Feng, Gong Ao's eyes flashed with resentment and excitement.

Then Wei An didn't lie to himself, Yue Feng was indeed here.

The surrounding gods and soldiers looked at each other in dismay, and whispered one by one.

"The Jade Dragon Consort?"

"So he didn't die..."

"Great..."

When Gong Ao and Wei An were conspiring before, they deliberately let these gods and soldiers avoid them, so they didn't know, Gong Ao came to this cave with the purpose of killing Yue Feng, thinking that he happened to meet Yue Feng.

"Come on!"

Just when these gods and soldiers were inexplicably excited, Gong Ao's face sank, and he pointed at Yue Feng and shouted, "Take him down for me!"

What?

The commander of the palace wants to arrest Your Excellency Yue Feng?

Hearing this, the gods and soldiers became even more puzzled.

At this time, Liya reacted and pointed at Gong Ao and shouted: "Gong Ao, you are nothing but a commander, Yue Feng is the Nine Heavens Profound Sage, or the Jade Dragon Consort, you dare to do something to him, are you not afraid of the Nine Heavens God punishing you?"

"Falling down, the surrounding gods and soldiers all focused on Gong Ao, all of them incomparably puzzled.

Gong Ao had a cold face, without any expression, and sneered at Liya: "Girl, there is no time for you to speak here."

After saying that, Gong Ao looked around and shouted at the gods and soldiers: "All officers and men, this commander has received reliable information that Yue Feng secretly colluded with the demon clan and was preparing to betray the gods. Otherwise, he didn't die when he broke into the blood sacrifice formation, why didn't he go back to find your majesty, but hid in the demon clan?"

"Also, the White Tiger King has been reluctant to see me before, let alone help us to deal with the demons, because Yue Feng is in the way."

Wow!

Hearing this, nearly a thousand divine soldiers and generals suddenly burst into an uproar.

"Is there really such a thing?"

"Who knows, maybe it's true."

"Yeah, otherwise, why would he be hiding here?"

” Looking at Gong Ao with a half-smile but not a smile: “Wonderful, really wonderful, Gong Ao, your ability to confuse black and white is really extraordinary. At that time, in the blood sacrifice formation, you plotted against me behind my back, which caused me to be suppressed by the power of the formation. My legs passed out, and now, they are fabricating facts to slander me.”

“If your acting skills go to Kyushu, you will definitely turn red.”

Hearing the mockery, Gong Ao’s face turned blue and white, and then sneered. : “It’s a joke, you dignified Nine Heavens Profound Sage, I’m plotting against you behind your back? Yue Feng, don’t hide it, no matter what you say you can’t cover up the fact that you colluded with the demon clan.”

Haha...

Yue Feng sneered and ignored it.

Gong Ao’s eyes flickered, and he continued: “You said that I was plotting against you, then after you came to the demon clan, why didn’t you let the White Tiger King help you out, but hid here? It’s clearly your guilty conscience.”

Yes...

listen At this point, the surrounding gods and soldiers nodded secretly.

Commander Gong is right. Yue Feng has a close relationship with the demon clan. If he is plotted against by Commander Gong, why not let the White Tiger King come forward?

Chapter 4095

At this time, these gods and soldiers didn’t know yet. At that time, the White Tiger King really wanted to help Yue Feng, but was stopped by Yue Feng. Yue Feng did this because he didn’t want his personal resentment and implicated the Yaozu.

“Gong Ao!”

Seeing that these gods and soldiers were successfully confused by Gong Ao, Yue Feng sneered and said, “Whatever you say, what the facts are, you and I know the truth.”
After speaking

, Yue Feng’s tone gradually faded Leng, looked at Gong Ao and said word by word: “Also, I don’t let the demon clan help, because you are a scum, and it is not my turn to find help. If I kill you, it will be as easy as the palm of your hand.” The

last eight words , The voice is not loud, but it is full of domineering.

Swish!

Feeling Yue Feng's contempt, Gong Ao's face flushed, and it was unspeakably ugly.

Immediately, Gong Ao looked at Yue Feng closely, and sneered: "Okay, very good, Yue Feng, don't you want to kill me? Now I'll give you this chance."

After saying that, Gong Ao's divine power urged him to pull out his pocket. The golden spear pointed at Yue Feng in the distance: "Yue Feng, let's fight one-on-one, it is your ability to kill me, if you can't kill me, just follow me to see Your Majesty and explain the plot between you and the demon clan.!"

At this time, Gong Ao had a fearless face and sneered in his heart.

If it was before, Gong Ao would definitely not take the initiative to challenge Yue Feng. After all, Yue Feng's strength is too terrifying. But things are different now. Gong Ao clearly perceives that Yue Feng's Primordial Spirit has not fully recovered.

Hehe...

Seeing Gong Ao's confident look, Yue Feng chuckled, very contemptuous: "Gong Ao, you look down on yourself too much, if you say you beat me, you will beat you? What are you? Maybe the Nine Heavens God values you very much, but in my eyes, you are nothing more than a clown jumping on a beam!"

Yue Feng is not stupid. His Primordial Spirit has not fully recovered yet. If he rashly fights with Gong Ao, he will die.

Yue Feng thought about it, this cave is easy to defend and difficult to attack. As long as he sticks to the entrance of the cave, Gong Ao will not easily attack.

mad.

Hearing Yue Feng's answer, Gong Ao's face was ashen, and his heart was full of anger.

At this time, Gong Ao wanted to rush in immediately and take Yue Feng down, but thinking of Yue Feng's other abilities, he resisted the urge.

There is something strange about this cave, so you can't rush into it.

Moreover, Yue Feng has extremely high attainments in the formation technique and cannot underestimate the enemy. The only way is to force him out.

Thinking of this, Gong Ao couldn't help shouting loudly: "Yue Feng, you are the Nine Heavens Profound Sage and the concubine of the Jade Dragon, but you have turned your back on the Divine Realm and colluded with the demon clan, and now, like a

shrunken turtle, you are hiding in If you don't dare to come out of a cave, I'll be ashamed for you!" You ca

n't come out, right?

I'll scold you until you come out.

Swish.

Hearing the scolding, Yue Feng's face was indifferent, but his heart was full of anger.

This Gong Ao is really despicable, and he has resorted to such indiscriminate methods as scolding the street.

Seriously, for so many years, Yue Feng has acted upright and upright. When has he been scolded like this? I almost couldn't help it.

But on second thought, this was Gong Ao's aggressive tactics, and Yue Feng quickly calmed down.

At this moment, Yue Feng smiled slightly, looked at Gong Ao and said, "Gong Ao, save your energy, the aggressive method is useless to me, and the environment of this cave is good, my soul has not fully recovered, it is impossible to go out. Yes, if you have the ability, come in!"

Although he didn't have much contact with Gong Ao, Yue Feng also knew a little about him. This guy was suspicious by nature. The more mysterious he was, the less he dared to come in.

Thinking of this, Yue Feng sat at the entrance of the cave with a very relaxed expression.

Gong Ao's face was ugly and he didn't respond.

After a moment of stalemate, Gong Ao's eyes flashed and he sneered: "Yue Feng, you want to hide in it all the time as a tortoise? I won't let you do it." After

speaking, Gong Ao ordered the surrounding gods and soldiers: "Listen to my order, destroy the cave in front of you!"

This...

Hearing this, the surrounding gods and soldiers were all shocked and hesitant.

Even if Yue Feng secretly colluded with the demon clan, he was still the Nine Heavens Profound Sage.

Seeing them hesitating, Gong Ao's face sank, and he roared: "Are you all stupid? Yue Feng's crimes against the demon clan and the Divine Realm alliance are extremely heinous. Even if it is the Nine Heavens Profound Sage, His Majesty's Jade Dragon Consort will be severely punished.

" This commander is responsible for the consequences."

The ultimate husband in Chinese chapter 4096-4100

Chapter 4096

Hu Hu Hu!

Hearing this, the gods and soldiers didn't hesitate, they burst out and blocked the entrance of the cave.

Made!

At this moment, Yue Feng's face turned red and he was extremely angry!

This Gong Ao is really shameless. He didn't dare to break in, and let these gods and soldiers destroy the cave. I have to say that this trick of 'drawing wages from the bottom of the pot' is really amazing. Seeing that nearly a thousand divine soldiers and generals were about to join forces to destroy the cave, Yue

Feng didn't have time to think about it, and shouted, "Gong Ao, don't you want to fight me? I'll make it happen for you!"

The cave rushes out and rises into the air!

hum!

A powerful aura erupted from Yue Feng's body, and the surrounding air distorted instantly.

Feeling the breath of Yue Feng's eruption, whether it was Gong Ao or those divine soldiers, they couldn't help but take a deep breath and were secretly shocked.

This Yue Feng is indeed a talent valued by the ancestors of the Great Wilderness. At this moment, the power of the primordial spirit has not been completely recovered, and such a powerful breath can burst out.

Especially Gong Ao, while shocked, his eyes flashed coldly.

Ma De, if this Yue Feng is not eliminated, it will be difficult for him to sleep and eat.

At the same time, Gong Ao was indescribably excited in his heart.

Haha...

This chapter is provided by . Visit for daily update.

I thought this Yue Feng could bear it, but in the end, wasn't he forced out?

Excited, Gong Ao did not hesitate at all, and shouted: "Okay, you are finally willing to come out. Your Majesty often said that you are the number one person in Kyushu. Today, I want to take a good look at it."

Om!

The voice fell, and a powerful aura filled Gong Ao's body. He suddenly raised his hand and hit Yue Feng with a palm.

Seeing this scene, Liya's delicate body trembled, and her heart was clenched. She couldn't help shouting at Yue Feng, "Your Excellency Yue Feng, be careful."

Yue Feng smiled and signaled that Liya should not be nervous. .

clang!

The next second, Yue Feng came up to him, raised his hand and collided with Gong Ao's palms.

At the moment when the two palms collided, a loud noise was heard in the air, and then, a powerful aura wave swept across.

I saw that Gong Ao swayed slightly, but soon stabilized, while Yue Feng groaned, and Ling Kong was shaken back ten steps.

Obviously, with this palm down, Yue Feng suffered a loss.

Haha...

Seeing this situation, Gong Ao was extremely excited, he really guessed right, Yue Feng's strength has not fully recovered, he is not his opponent at all, this time, he must be killed.

Thinking to himself, Gong Ao sneered at Yue Feng: "This is the strength of the Nine Heavens Profound Sage? Can't you do it with just one move?"

Crack!

As soon as the voice fell, Gong Ao suddenly raised his right hand and summoned a golden spear.

Gong Ao's golden spear, although not ranked in the realm of the gods, is at the level of a magic weapon. It is an absolute rare treasure in Kyushu.

As soon as the golden gun came out, the temperature of the entire canyon seemed to plummet!

call!

At this moment, Li Ya clasped her hands tightly, secretly pinching a cold sweat for Yue Feng.

It was just the right hand just now, but Yue Feng couldn't stop it. At this time, Gong Ao was about to use his weapon, and Yue Feng was afraid that he would be in danger!

Mad!

Feeling Gong Ao's pride, Yue Feng was very angry, and his face was extremely solemn.

With a slap just now, Gong Ao knew that his strength had not recovered, and he began to act recklessly. The next move would definitely explode with all his strength, and he had to find a way to block it.

hum!

Just when Yue Feng was muttering, he saw Gong Ao swiping hard, and he heard a howling sound that shocked the heavens and the earth. It came from the golden spear, and then, a golden light ripped apart the heavens and the earth, bursting towards Yue Feng. Come.

Yue Feng didn't have time to think about it, and hurriedly exploded all his power, and at the same time urged the power of bird ancestors to deploy a protective film in front of him.

Bang!

Jin Mang slammed into the protective film, and saw that the protective film shattered in an instant. Then Yue Feng groaned, and the whole person was shocked and flew out, flying hundreds of meters away, and finally fell heavily into the cave. Entrance.

The power of Yue Feng's primordial spirit has not been fully recovered. In the face of Gong Ao's full outburst, it is difficult to resist even the power of bird ancestors. You must

know that the power of bird ancestors changes with the change of Yue Feng's strength. The stronger the strength, the stronger the power of bird ancestors.

Conversely, if the strength is too weak, the power of Bird Ancestor will not be fully exerted.

Chapter 4097

"Your Excellency Yue Feng!"

Seeing this scene, Liya couldn't help exclaiming, her delicate face was full of worry.

"Hey!" In the

air, Gong Ao stared at Yue Feng, his tone couldn't hide his pride: "What skills do you have, use them all, otherwise, there will be no chance." As he

spoke, Gong Ao said Ao's figure quickly landed at the entrance of the cave, holding the golden spear tightly, and slowly walked towards Yue Feng.

Mad!

Seeing Gong Ao approaching step by step, Yue Feng couldn't help but feel helpless.

"Stop!"

Seeing Gong Ao getting closer and closer, just at this critical moment, a tender shout came, followed by a flash of Liya's delicate body, blocking directly in front of Yue Feng.

"As long as I'm here, you are not allowed to hurt Your Excellency Yue Feng." Liya looked at Gong Ao tightly, her delicate face showing a bit of determination.

Liya knows that her strength is in front of Gong Ao, I am afraid that she can't hold it with three moves, but there is no way, Your Excellency Yue Feng is the big benefactor of the demon clan, and he is the man she likes. killed.

"Lia!"

At this moment, Yue Feng was both moved and anxious, and couldn't help but say, "This is none of your business, just get out of the way."

Liya stood in front of her without hesitation, which made Yue Feng feel anxious. Feng was very moved, but he and Gong Ao had a personal grievance, so she must not be implicated, and she was only one person. If she really wanted to fight, she was not Gong Ao's opponent.

Hearing the call, Li Ya didn't move at all, but said with a determined face: "Your Excellency Yue Feng, don't worry, I won't let you suffer any harm."

Seeing her so persistent, Yue Feng couldn't help laughing.

"Tsk tsk..."

Seeing this scene, Gong Ao couldn't help but sneer and mocked Yue Feng: "Really, Yue Feng, there are women to help you wherever you go. Are you embarrassed for a woman to help you out?"

When he said this, Gong Aoqiang suppressed the anger in his heart and thought of Princess Dongling in his mind.

Ma De, this Yue Feng, first stole his beloved goddess, and now he is hooking up with the daughter of the White Tiger King. This kind of scum, we must get rid of him today.

Hearing the mockery, Yue Feng sneered and said nothing.

At this time, Gong Ao's eyes flashed and fell on Liya: "You are the big daughter of the White Tiger King, Miss Liya, this Yue Feng is completely a womanizer, you must not help him."

"You shut up. Mouth!"

As soon as the words fell, Liya snorted and retorted coldly: "Your Excellency Yue Feng, the benefactor of our demon clan is bright and upright, not the kind of person you said." After speaking

, Liya opened her hands, the position is very firm: "I tell you, as long as I am here today, you will never want to hurt Your Excellency Yue Feng."

Although the voice is soft, there is no doubt.

Swish!

Hearing this, Gong Ao's face instantly turned gloomy, extremely ugly.

At this time, he was commanded by the dignified Shen Yun, and the celebrity beside Jiutian God was blackmailed by a demon woman. If this matter spread out, where would he put his face?

"Okay." In the

next second, Gong Ao sneered and said coldly to Liya: "You don't eat or drink for a toast, you really think you are the daughter of the White Tiger King, so I don't dare to do

anything to you? Hurry up. Get out of the way, otherwise, don't blame me, you're welcome." The

last word fell, Gong Ao's divine power exploded, and the surrounding air suddenly distorted.

Phew...

Feeling the breath of Gong Ao's explosion, Liya was secretly shocked, but her face was determined: "Gong Ao, you keep saying that Your Excellency Yue Feng is a scum, but in fact you are a villain. Feng Moshan, you conspired against Your Excellency Yue Feng, which caused him to lose a leg, and at this time, you slandered him again and again, and you should be eliminated as a scum."

Om!

When the voice fell, Li Yayu raised her hand, holding a long sword tightly, her figure flashed, and she stabbed directly at Gong Ao.

Liya's strength is not weak, in order to protect Yue Feng, this sword has ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

"Lia..."

Seeing Liya's direct action, Yue Feng was taken aback, and hurriedly said, "Don't be impulsive." Although Liya's strength is not weak, she is not Gong Ao's opponent.

After all, Gong Ao is the commander of Yutian Palace, the right-hand man of Jiutian God.

While shouting, Yue Feng was about to get up to stop it, but it was already a step too late.

"Haha..."

Seeing Liya rushing up directly, Gong Ao smiled coldly, standing there as steady as Mount Tai!

"Teach me? You don't have the qualifications yet."

After saying this coldly, Gong Ao's mouth twitched a hint of gloom, his divine power exploded, and the golden spear in his hand roared out, drawing a dazzling golden beam, and greeted Liya!

Chapter 4098 In the

blink of an eye, Gong Ao and Liya fought fiercely together.

“Dangdangdang!”

Liya held the long sword tightly and kept colliding with Gong Ao's golden spear, making loud noises. At first, Liya could deal with it calmly, but after a few rounds, she felt a little labored.

This Gong Ao had just fought fiercely with Your Excellency Yue Feng, and the power of the primordial spirit had been consumed a lot. Under such circumstances, how could such a strong formidable power erupt?

“Miss Lia, you are not my opponent, let's give up.”

Just when Liya was secretly surprised, Gong Ao sneered, the figure burst out, raised his hand and hit him!

The speed of this palm was as fast as thunder, and the opening of the hole was narrow, so Liya couldn't open it at all. At that time, in a desperate situation, she could only push the force and greet it with a palm.

boom!

In the next second, Liya and Gong Ao collided with each other's palms and made a dull vibration. At this moment, Liya groaned, her delicate body stepped back several steps, and her delicate face turned pale instantly.

Gong Ao's strength is stronger than her, and with that palm just now, Liya is of course not his opponent!

“You...”

Liya only felt her chest feel stuffy, she stabilized her figure, looked at Gong Ao in shock and anger, and at the same time she couldn't tell the fire in her heart.

This Gong Ao's strength is too strong.

This is over, I thought I could protect Your Excellency Yue Feng, but...

“Hehe...”

At this time, Gong Ao sneered and looked at Li Ya with a playful expression: “I thought the daughter of the White Tiger King is so powerful. Well, it turned out to be just that.”
The

voice fell, Gong Ao rushed over, quickly raised his hand, and tapped Liya's acupuncture point twice.

In an instant, Liya's body froze, unable to move at all.

Seeing this scene, Yue Feng's face changed greatly, and he was furious: "Gong Ao, you let her go, our grievances, don't involve others."

"Let him go?"

Gong Ao sneered and said lightly: "Yue Feng, do you think you are qualified to talk to me?" After speaking, Gong Ao made a lightning strike and sealed Yue Feng's acupuncture point.

At that moment, Yue Feng wanted to hide, but he was severely injured by Gong Ao just now, so he couldn't escape at all.

"Gong Ao, you scum!"

Liya's figure couldn't move, she was so anxious that she saw that Yue Feng had also been blocked, and she was even more angry, bit her lip, and yelled at Gong Ao: "I warn you, you'd better let us go, otherwise, I'll ask my father to rip you off."

Hearing the scolding, Gong Ao sneered and ignored it.

At this moment, Yue Feng took a deep breath and couldn't help shouting: "Gong Ao, if you think you are still a man, then let her go. This has nothing to do with her."

"Oh, I can't see it. You are quite worried about her safety." Gong Ao joked and sneered: "Yue Feng, the more you help her, the more I won't let her go, so you should save it."

"Yue Feng Your Excellency."

Liya was very excited and shouted at Yue Feng: "Don't talk so much to this kind of villain, he will not let us go, I have thought about it, even if we die, we will die together."

When she said this, Leah was very excited.

Two hours ago, when Liya realized that she had fallen in love with Yue Feng, she was both happy and shy, and at the same time a little inferior, because she was only the daughter of the White Tiger King, and she was not worthy of Yue Feng compared to her status. , Seeing Yue Feng in crisis, Liya was both worried and happy.

The worry is that Yue Feng is in deep danger, and he can't help.

Fortunately, he and Yue Feng died together, and he was happy.

This silly girl.

Seeing the fearlessness on Liya's face, Yue Feng was both moved and helpless.

"Gong Ao."

At this time, Liya continued to yell at Gong Ao: "You shameless and despicable villain, you must do it as soon as possible. If I die, my father will definitely avenge me.

" Lia was very excited, and the more she scolded it, the worse it sounded.

Mad!

At first, Gong Ao ignored it, but gradually he couldn't bear it anymore. At that time, he grinned, his eyes were bloodshot, and he walked to Liya step by step, slapped her face fiercely, and slapped her in the face!

To be honest, Gong Ao didn't want to hit Liya, but he was being scolded by a woman all the time.

"Clap!"

As soon as the slap went down, Liya let out a coquettish cry, and a slap print appeared on her fair face.

"I am the dignified commander of Yutian Palace, you are also qualified to scold me?"
Gong Ao looked at Liya coldly, and almost squeezed these words out of his teeth!

Chapter 4099

At this time, Gong Ao was very angry.

He was robbed of the princess by Yue Feng, what's wrong with seeking revenge from him at this time? But in this Leah's heart, she became a despicable and shameless villain.

Ma De, Yue Fengqiang other women, is not despicable, not shameless?

Speaking of which, Gong Ao didn't plan to deal with Liya at all, because he had discussed with Wei An before, and after capturing Yue Feng, he would cooperate with Wei An to stage a hero to save the beauty. But Leah's scolding made him really unable to bear it.

Lia was blinded by this slap, and it took a few seconds to react. At that time, she looked at Gong Ao in shock: "Gong Ao, you.... You dare to hit me! You are by the side of

Jiutian God. A dog, and now slandering Your Excellency Yue Feng, saying that you are a despicable and shameless villain, and it is already flattering you...”

The more she scolded, the more angry she became. He was polite, but now he was beaten by Gong Ao, how could he bear it?

“Crack!”

Just before he finished speaking, Gong Ao slapped him again!

“Stinky woman, it seems that you haven’t seen the facts clearly... You care so much about Yue Feng, do you two have already performed the ceremony of Duke Zhou in this cave? Tsk tsk, I really can’t see it, Baihu The king’s daughter, so dissolute...”

When he said this, Gong Ao grinned grimly and looked at Liya up and down.

I have to say, this Liya is really superb, with exquisite facial features and a perfect figure.

Such a superb product is really cheap Yue Feng.

Pooh!

Hearing these slurs, Lia was ashamed and angry, and the suburbs trembled. She didn’t hesitate at that time, spit blood on Gong Ao’s face, and scolded: “Despicable and shameless bastard, don’t slander my innocence.”

“Looking for death!”

Gong Ao wiped the snow on his face, his face was extremely ferocious, and after scolding, he slapped again!

With this slap, Gong Ao almost used all his strength. At that time, Liya groaned, her legs softened, and she almost fell to the ground.

Gong Ao’s face was hideous, and the more he spoke, the more vicious he said: “Ma De, did I say something wrong? You bitch, if it has nothing to do with Yue Feng, why did you die with him? If you dare to scold again, I will put your mouth out. Smash it.”

Gong Ao almost shouted out the last sentence.

Swish!

Seeing this scene, Yue Feng’s eyes were extremely blood red, and he yelled at Gong Ao: “Gong Ao, what the hell, you beat a woman, what’s going on at me?”

At the same time, Yue Feng couldn't bear it. Looking at Leah's swollen face, she felt distressed and angry.

He was a dignified Nine Heavens Profound Sage, who was taken care of by Liya before, and he was already very grateful. Seeing her being beaten at this time was really heartbreaking.

Hearing Yue Feng's anger, Gong Ao stopped.

"Yue Feng!" The

next second, Gong Ao looked at Yue Feng coldly: "Shut up for me. You are just my prisoner now, what qualifications do you have to yell at me? Dare to shout again, Believe it or not, I'll kill her right away?" As the

voice fell, Gong Ao raised his hand and held the golden spear at Liya's neck.

"You..."

Seeing this scene, Yue Feng was trembling all over, but he couldn't continue after only saying one word.

He could see that Gong Ao was not joking, and if he said it himself, he really dared to kill Liya.

Seeing Yue Feng closed his mouth, Gong Ao sneered, ready to continue torturing Liya.

Whoops...

But at this moment, I saw a wave of powerful auras in the air outside the canyon.

Immediately afterwards, a howl came: "Stop!"

Hearing this howl, Gong Ao immediately stopped and turned his head to look.

At the same time, Yue Feng and Liya were also trembling, and they all looked for the voice!

Huh...

At this look, Yue Feng was stunned, and Liya trembled, surprised and delighted.

I saw that thousands of warriors of the Xuanwu clan came from the sky, all in dark gray armor and holding long knives.

In front of these Xuanwu warriors, a figure flew quickly!

It was Wei An.

Half an hour ago, after Wei An and Gong Ao discussed the details of the plan, they waited outside the canyon for news. come over.

Wei An didn't know that Gong Ao was scolded by Liya, completely lost his mind, and forgot to send him a signal.

Chapter 4100

Huh?

At this moment, seeing Wei An, Yue Feng couldn't help frowning secretly.

I thought it was the White Tiger King coming, why is this Wei An?

And... haven't the demon clan been transferred? Why is this Wei An still here?

Phew...

At the same time, Liya couldn't help but take a deep breath, looking at Wei An's eyes with a bit of doubt.

Didn't he move with the main force of the demon clan?

But Liya didn't think too much, but was indescribably excited, because when Wei An came, she and Yue Feng were saved. Although he was a little indifferent to Wei An, he was a monster after all, so he wouldn't care.

At this time, Liya didn't know that Wei An and Gong Ao had secretly formed an alliance. It was Wei An's high density that Gong Ao could accurately find this cave.

Swish!

At this moment, Wei An came to the front and saw that Liya's face was blushing, obviously being beaten, and she was instantly furious.

Afterwards, Wei An glared at Gong Ao, and his anger surged.

Mad, what happened to Gong Ao, he told him that he liked Liya, but he actually moved.

"Haha!"

Feeling Wei An's anger, Gong Ao showed a smile and said slowly: "It turns out that the son of King Xuanwu is here, I tell you, this is my personal grudge with Yue Feng, you better not interfere. Saying that, Gong Ao pointed at Liya: "

And this woman, she insists on helping Yue Feng and insulting me, so I can only teach her a little bit and teach her a lesson.”

When saying this, Gong Aoyi His face was cold and arrogant, but he secretly winked at Wei An.

At this time, Gong Ao seemed to be calm, but he was also a little anxious.

This Wei An, won't turn against me for a woman? However, he has already explained that it was Liya who took the initiative to provoke and that he beat her. If Wei An didn't understand it and insisted on tearing his face, he wouldn't care.

call!

Seeing Gong Ao chong winking at himself and explaining it on the surface, Wei An took a deep breath, but he was still very upset.

In Wei An's heart, Liya is his woman, but she was beaten by Gong Ao just now, can you feel better?

“Wei An.” At this moment

, Liya reacted and shouted at Wei An: “Save us.”

At this time, Liya felt an unprecedented kindness towards Wei An. After all, he came too timely. Don't worry about Yue Feng's safety.

At the same time, Yue Feng's eyes were also fixed on Wei An, showing a bit of anticipation.

That's great, this Wei An is the son of King Xuanwu, and he has thousands of monster warriors. Now, Gong Ao will definitely not dare to be presumptuous.

“Don't be afraid, Liya!”

Hearing Liya's cry, Wei An quickly responded loudly: “I'm here, no one dares to hurt you.”

After speaking, Wei An tilted his head and said coldly, Gong Ao: “Gong Ao Commander, I don't care what kind of grievances you have with Yue Feng, he is the great benefactor of our demon clan, you quickly let them go.”

Although he was very upset, Wei An did not dare to turn against Gong Ao at this time, after all, Li Ya still In his hands, more importantly, Gong Ao needed to cooperate with him in acting.

“Haha!” The

voice fell, Gong Ao sneered, and said disdainfully at Wei An: “How old are you? You said that if I let Yue Feng go, I have to let him go?”

Since we want to act, we must act like a little bit.

“Ma De!”

Wei An pretended to be very angry, his eyes widened, and he shouted angrily: “Gong Ao, don’t think that you are a celebrity around the Nine Heavens God, I will be afraid of you, and I don’t even see what it is. Where?” The

voice fell, and Wei An raised his hand and waved: “All the warriors listen to the order and surround them all.”

Whoa, when the

voice fell, thousands of Xuanwu warriors erupted one after another, commanding Gong Ao, And those gods and gods surrounded them, thousands of Xuanwu warriors broke out in unison, and the surrounding air was torn apart, shocking people’s souls.

This...

Seeing this scene, nearly a thousand soldiers and generals were inexplicably panicked.

what’s the situation? How did Wei An turn his face when he turned his face?

When I was in the camp before, didn’t I still have an alliance with the commander of the palace?

Seeing this scene, Gong Ao’s face changed, and he looked very shocked and angry, and said to Wei An: “Boy, you know that I am a celebrity next to Jiutian God, but you still dare to provoke me, have you thought about the consequences?”

“Either let him go or lead him to death.” Wei An responded coldly.

The ultimate husband in Chinese chapter 4101-4110

Chapter 4101

“Wei An.”

At this moment, a god general finally couldn't help it and yelled at Wei An: “You renegade villain, you took the initiative to come to the palace to lead the alliance before, it took only a long time, It changed his face. It really is ‘not my race, its heart must be different’.” The

voice fell, and the other gods and soldiers also shouted and drank.

“That's right, none of these monster clans can be trusted.”

“Breaking things out, Mad, you're really a white-eyed wolf.”

In the hearts of these gods and soldiers, since Wei An was in an alliance with Gong Ao, he shouldn't go back on his word, neither of them You know, Wei An did this just to act with Gong Ao.

Hearing these scoldings, Wei An's face became complicated and his heart was a little flustered.

Damn, Gong Ao's subordinates have exposed their alliance with Gong Ao, how will they act next?

broken!

At the same time, Gong Ao was also secretly anxious.

At that time, I was only concerned about conspiring with Wei An, and forgot that there were these gods and soldiers around.

This...

And Yue Feng, who was at the entrance of the cave, also muttered in his heart when he saw the situation in front of him.

Wei An was in alliance with Gong Ao before?

With that said, it was Wei An who told him that Gong Ao could find it here. After all, this cave is very hidden, and only the high-level officials of the demon clan know about it.

This chapter is provided by . Visit for daily update.

If Wei An revealed the news to Gong Ao, then, in the current situation, it is very likely that they were acting.

Yue Feng has been involved in the rivers and lakes for so long, and he has never seen any scenes. The scene in front of him can be seen through at a glance.

Thinking to himself, Yue Feng couldn't help reminding Liya: "Miss Liya, be careful of this Wei An."

Be careful of Wei An?

Hearing the reminder, Liya Xiumei frowned and couldn't help but say, "Why?"

Although Liya is smart, she is not deep in the world and cannot be as thoughtful as Yue Feng.

Seeing her confused face, Yue Feng couldn't help laughing and laughing, and whispered: "Since they are allied, it is possible that they are acting at this time. Moreover, I doubt that Gong Ao can find this place because Wei An told him the location of the cave.

" !

Hearing this, Liya's pretty face changed, and she couldn't help it at the time. She shouted at Wei Anjiao, "Wei An, you dare to lie to me."

Facing Liya's questioning, Wei An became even more panicked and shouted. : "Lia, I like you so much, how can I lie to you? Don't think about it."

Liya was so angry: "You didn't lie to me? Then why did you alliance with Gong Ao, and there are no outsiders in this place at all. You know, how did Gong Ao find this place? Did you leak the news on purpose?"

Wei An's eyes flickered, his mind turned quickly, and he responded, "Liya, I wanted to make an alliance with Gong Ao before, because I think we are the demon clan. Avoiding without fighting is showing weakness to the demons, and it is a cowardly act, so I only asked Gong Ao to fight the demons with his alliance before, but I have never revealed the whereabouts of you and Yue Feng."

"Really , what I said is true."

Hearing this, Leia became suspicious and fell silent.

this girl.

Seeing this scene, Yue Feng was speechless, Liya was still too young to believe Wei An so easily.

Thinking to himself, Yue Feng was about to remind Liya, but he was interrupted before he spoke.

“Wei An.”

At this moment, Gong Ao looked complicated, and shouted at Wei An: “Interesting, really interesting, just for a woman, you want to break the contract with me?”

Gong Ao is very smart and knows how to seize the opportunity. Since the alliance can't be hidden, let's continue to play it, and there may be unexpected results.

While saying this, Gong Ao kept winking at Wei An.

Wei An is not stupid, he immediately made a decisive expression when he got the hint from Gong Ao, and shouted, “Yes, I did want to make an alliance with you before, but if you capture my beloved woman, this alliance will be dissolved. “

Okay, very good.”

Gong Ao's face was grim, and he sneered again and again: “I really underestimated you before, but with your thousands of troops, you want to challenge me?”

Om!

Wei An didn't talk nonsense, and his power exploded in an instant, shouting: “Try if you don't believe it.” After saying that, he signaled to the surrounding Xuanwu warriors to prepare to start.

Buzz buzzing...

In an instant, under Wei An's order, thousands of warriors erupted in unison, and the entire cave was distorted.

Chapter 4102

“Huh!”

Seeing this situation, Gong Ao took a deep breath and said quickly, “Young Master Wei An, don't be impulsive.”

“What?”

Wei An showed a sneer, looked at Gong Ao and said, "Commander Gong agreed. Released?"

At the same time, Liya was also secretly relieved, and at the same time looked at Gong Ao, showing a bit of contempt.

This Gong Ao is really a villain. He used to take advantage of the dangers of others and dealt with him and Your Excellency Yue Feng, how invincible. Now that Wei An is really moving, the disparity between the strengths of the two sides began to counsel.

The Nine Heavens God has such a subordinate, it is really a shame for the gods.

On the other hand, Yue Feng, who was beside him, frowned secretly.

Gong Ao and Wei An are so devoted in acting? Wait, it won't really fight.

"Young Master Wei An."

Just as Yue Feng was muttering to himself, he saw Gong Ao showing a smile and said to Wei An, "It's just a woman, if you want to take her away, I'll let it go, now God's Domain You and I both know the situation, and we need to work together to deal with the demons."

Immediately, Gong Ao waved at the god beside him: "Go, let Miss Liya go."

"Yes, commander."

Hearing The command, the god general complied, then walked over and brought Leah out.

At this moment, Liya was very happy, it was great, Gong Ao decided to give in, and he and Yue Feng were saved.

"Lia."

Wei An was also full of smiles, and rushed over to meet Liya: "You're not hurt, don't be afraid, it's all right."

When saying this, Wei An secretly expressed his thanks to Gong Ao.

That's right, Gong Ao's sudden confession was also part of the plan, so that Wei An could show the man's side in front of Liya.

Facing Wei An's enthusiasm, Liya didn't get too excited, but quickly calmed down.

"Wei An." In the

next second, Liya pointed at Yue Feng at the entrance of the cave, and said anxiously at Wei An: "Quick, let him release Your Excellency Yue Feng."

Liya worshipped Yue Feng again, It is love again, knowing that Yue Feng's safety has not been forgotten at this time.

Um.

Hearing this, Wei An nodded and reassured: "Don't worry, I will not leave Your Excellency Yue Feng." When he said this, Wei An looked serious, but there was a hint of gloom in his eyes.

This bastard Yue Feng, I wish he died sooner, how could I possibly save him.

Thinking to himself, Wei An pretended to shout at Gong Ao, "Commander Gong, since you have decided to release him, let your Lordship Yue Feng be released as well." As

he spoke, Wei An secretly winked at Gong Ao.

Gong Ao is very scheming, and naturally understands what Wei An means. He sneered at that time, and his attitude was very firm: "Master Wei An, I have given you a lot of face by letting go of Miss Liya. I hope you don't take an inch."

When he said this, Gong Ao glanced at Yue Feng coldly.

Haha...

This Yue Feng was probably thinking that I would let him go.

"What do you mean?" Wei An asked with a frown. His face was very unpleasant, but his heart was filled with excitement. Haha, it's really cool to make fun of Yue Feng.

Gong Ao had a firm face and said lightly to Wei An: "It's not interesting, Young Master Wei An, you should understand that Your Excellency Yue Feng is the Nine Heavens Profound Sage. I want to take him back to see His Majesty, and it has nothing to do with your demon clan."

After speaking, Gong Ao was full of confidence and continued: "Master Wei An, I have already given you face, I hope you will not embarrass me, and don't think that I am afraid of you, if you really want to fight, you will not It must be my opponent." The

last sentence fell, Gong Ao looked around, and shouted at the nearly a thousand gods and soldiers around him: "Everyone, the son of the Xuanwu King, wants Yue Feng to take it away, you guys Do you agree?"

"No!"

At some point, the gods and soldiers shouted in unison, and the momentum was overwhelming.

This...

Seeing this situation, Liya's delicate body trembled faintly, and she became anxious, and said to Wei An, "Wei An, you must rescue Your Excellency Yue Feng."

Alas...

at this moment, Wei An sighed hypocritically, and said to Liya: "Liya, you also saw that Gong Ao refuses to hand over Yue Feng, so I can't help it."

Chapter 4103

"Although we have a lot of people, we really fight, and the outcome is unpredictable."

After speaking, Wei An lowered his head and said, "I think we should leave first, and we will think about it when your strength recovers. Let's save Your Excellency Yue Feng."

Hearing this, Li Ya bit her lip tightly, unable to express her anxiety.

But Wei An was right. Gong Ao, who was in front of him, had already expressed his utmost tolerance. If it was really pressing and the two sides fought, Wei An might not be able to win.

After all, the nearly 1,000 divine soldiers and generals led by Gong Ao were the elites in the divine realm.

Thinking of this, Liya had no choice but to nod her head and said, "Okay then, listen to you."

Saying that, Liya raised her eyes to meet Wei An and said gratefully, "Thank you, Wei An, if you hadn't arrived in time, I really don't know what to do? Also... I have a bad attitude towards you before, don't mind."

At this time, Liya completely believed Wei An, but she didn't know that all the things in front of her were just Wei An. An and Gong Ao's play.

Haha...

Seeing Liya apologizing to himself, Wei An was overjoyed, but on the surface he put on a free and easy look: "Liya, look at what you said, we are childhood sweethearts, you are in danger, I will not save you Who are you to save you? Well, let's not talk about it, let's find a place to help you recover your strength."

Well!

Liya had no objection, nodded, and at the same time did not forget to shout at Yue Feng: "Your Excellency Yue Feng, Wei An and I are leaving now, don't worry, I will definitely find a way to save you."

This silly girl.

Hearing this, Yue Feng wanted to cry without tears.

The situation in front of them is so obvious, Gong Ao and Wei An are singing together, they are just acting, but this Liya can't see through.

Thinking to himself, Yue Feng was about to respond loudly, but he was too weak to speak.

"Commander of the Palace."

This is, Wei An shouted at Gong Ao: "I, Wei An, are not ignorant of current affairs. Since Your Excellency said so, let's say goodbye to it.

The last word fell, Wei An raised his hand and waved, ordering thousands of Xuanwu warriors to escort Liya out of the canyon.

In the blink of an eye, everyone was gone.

call!

Gong Ao watched Wei An go away, his eyes flickering complicatedly, and at the same time he was secretly relieved.

Mad, this scene is finally over.

With a sigh in his heart, Gong Ao turned his head, looked at Yue Feng with a half-smile, and sneered and mocked: "Yue Feng, are you disappointed, that Miss Liya, who protected you, followed others, and now I don't care what I do with you. , no one will care."

When he said this, Gong Ao's face was full of pride.

Hehe... In

the face of Gong Ao's arrogance, Yue Feng smiled lightly: "Gong Ao, stop pretending, the play you and Wei An acted just now can only deceive an ignorant little girl like Liya, and can't deceive me at all. "

If I guessed correctly, Wei An revealed the location of this cave to you.” Yue Feng looked indifferent, with a bit of contempt in his eyes, and continued: “Also, he pretended to do something with you just now, mainly It’s for Leah, right?”

“Seriously, in my eyes, this kind of ‘hero saving beauty’ sub-contract is really not worth mentioning.”

Wow...

Hearing this, surrounded by Nearly 1,000 divine soldiers and generals around were suddenly in an uproar.

Just now.... Gong Commander and that Wei An were acting?

If this is the case, the palace commander is just avenging his personal revenge.

At this time, when these divine soldiers and generals were muttering in their hearts, they looked at Gong Ao’s eyes with complicated expressions. You must know that Gong Ao is just a commander, and Yue Feng is not only the Nine Heavens Profound Sage, but also Princess Dongling’s Jade Dragon Consort.

If it is as Yue Feng said, Gong Ao is the one who commits the following crimes and is punished by heaven.

Swish.

Feeling the gazes of these divine soldiers and generals, Gong Ao’s face instantly turned cold and extremely ugly.

In the next second, Gong Ao looked around and shouted angrily: “Don’t listen to Yue Feng’s nonsense, it was him who colluded with the demon clan and betrayed our God’s Domain. I caught him completely in line with the way of heaven.”

After speaking, Gong Ao waved his hand: ” Go, go and guard outside the canyon, I want to interrogate the details of the conspiracy of Yue Feng and the White Tiger King, you are optimistic about the outside of the canyon to prevent the monsters from coming back.” The

voice was loud and unquestionable.

Chapter 4104 Huh

....

Hearing this, nearly a thousand gods and soldiers looked at each other, and felt a little hesitant in their hearts, but looking at Gong Ao's icy expression, they didn't dare to neglect, and quickly walked out of the canyon.

In the blink of an eye, Yue Feng and Gong Ao were left at the entrance of the cave.

"Yue Feng!"

This is, Gong Ao put away the coldness on his face, showed a smile, and said proudly to Yue Feng: "You are right, Wei An and I were acting just now, but even if you see through the truth, How? Who would believe you?"

"I admit, you are very powerful and talented. Even the ancestors of the Great Wilderness looked at you with admiration and personally named you the Nine Heavens Profound Sage, but in the end, you didn't belong to me. In your hand?" At the

end, Gong Ao's expression was incomparably crazy under the excitement in his heart.

Alas..

Yue Feng sighed and smiled bitterly: "Gong Ao, I know you always hate me in your heart, but the matter between me and Princess Dongling is completely a coincidence..."

Yue Feng's mind was sharp, and suddenly he Guessing that Gong Ao had secretly plotted against himself at the beginning, it was entirely because of Princess Dongling. Speaking of which, Yue Fengyuan didn't want to explain too much about this kind of thing, but his blindness was in critical condition and he had to say it.

Just before he finished, he was interrupted by Gong Ao.

"Shut up..."

Hearing Yue Feng mentioning Princess Dongling, Gong Ao's eyes were instantly red, and he pointed at him and roared: "You still have the face to mention Princess Dongling, do you know that I like Princess Dongling? For thousands of years, I finally waited until the princess had a good impression of me, and was about to break through the relationship, but at the most critical moment, it was all ruined by you..."

"You said that you were innocent, and the matter with the princess was a coincidence, then let me ask you, why did you steal my golden armor when you were at the main altar of the Tiandao Alliance? Also, when you sent the letter to the princess, why didn't you reveal your identity? Identity?"

"You lecherous, you clearly took the opportunity to steal the princess' innocence, right?"

"Aren't you reasonable? Say it." In the

last sentence, Gong Ao almost howled, his whole person was completely Crazy, completely out of sanity.

Huh...

Feeling Gong Ao's excitement, Yue Feng knew that it was useless to explain it, he took a deep breath and said slowly: "I have already said what I should say, whether you believe it or not, I don't want to say more."

"If you really feel aggrieved, take me back and let's settle this matter in front of His Majesty."

After so many years of walking in the rivers and lakes, Yue Feng has long been calm, he knows, He Gong Ao has nothing to say about the situation in front of him. Only by seeing His Majesty Jiutian can he be safe and sound.

"Bring you to see Your Majesty?"

Gong Ao was stunned for a moment when he heard this, and then grinned: "Don't come with me like this, I really think I'm stupid, Your Majesty and the Empress are on your side and see them. , do I still have the qualifications to speak?"

Gong Ao was not stupid, and immediately saw through Yue Feng's original intention.

His mind was punctured, Yue Feng did not panic at all, and said lightly: "Then what do you want?"

Om!

Gong Ao was too lazy to talk nonsense, he raised his arms and held the golden spear tightly. At the same time, a violent energy of the primordial spirit erupted from his body.

The next second, Gong Ao looked at Yue Feng closely, his eyes were like poisonous snakes dormant in the abyss, and he said word by word: "You ruined my life and Dongling's life, how can I make you feel better? I want to ruin yours. Primordial spirit, and then concoct alchemy with your body, so that you can take over the hatred in your heart." As the

voice fell, Gong Ao walked step by step.

A terrifying aura filled the world.

Gudong.

Feeling the strong killing intent from Gong Ao, Yue Feng couldn't help swallowing his saliva, and his heart panicked instantly.

Oops, this Gong Ao is determined to kill himself.

How to do?

“Yue Feng, die.”

Finally, Gong Ao walked up to him, raised the golden spear in his hand, and was about to stab Yue Feng.

At this time, Yue Feng was severely injured, and his acupoints were sealed, so he couldn't move, and he couldn't dodge at all.

Done.

At this moment, seeing the golden spear getting closer and closer, Yue Feng's face was miserable, and his heart was even more desperate.

Before in Fengmo Mountain, he was lucky enough to escape, but at this time, he still did not escape Gong Ao's palm. Could this be his destiny?

The Kyushu Continent still doesn't know what's going on, it just died like this, so I'm not reconciled.

Chapter 4105

“It's not good!”

Seeing Yue Feng's primordial spirit, he was about to be penetrated by Gong Ao's golden spear. Suddenly, a loud cry came from outside the canyon, and then, a magic soldier rushed in in a panic : “Commander Gong, it's not good, it's not good...”

Mad.

Suddenly interrupted, Gong Ao's face was extremely gloomy, and he said angrily: “What are you panicking about? You are not asked to stay outside the canyon, what are you doing here? As a member of the Divine Realm, what happened to make you panic?”

” The commander of the palace.” Facing Gong Ao's anger, the god soldier was sweating profusely, and under the tension, he could not speak properly: “There are a lot of demon warriors outside, the leader of them is very terrifying, and we are about to block them. Stop.”

What?

Hearing this, Gong Ao's heart was shocked, and he only felt that his brain was buzzing.

Those demon warriors, didn't they evacuate the area near Sealed Demon Mountain? How come there are so many?

Moreover, this canyon is hidden, how could they find it here?

Bang bang bang...

Just when Gong Ao was secretly shocked, he heard a sound of vibration, and then, a black figure, like black lightning, came quickly.

This is a very beautiful woman.

A black battle armor, tightly wrapped around the body, showing the graceful and charming figure, the finely crafted facial features, can not find the slightest flaw, whether it is the figure or the face, compared to the Nuwa Empress, there is nothing inferior.

It's just that there is a terrifying power of the devil's soul pervading the whole body. Under the pervading power of the devil's soul, the temperature of the entire canyon has dropped sharply, which is terrifying.

This woman is Mo Yan, one of the twelve holy demon kings under the seat of Demon Lord Gone.

At the time of the Battle of Sealing the Demon Mountain, Haotian God Lord greeted the hundreds of thousands of defeated divine soldiers and generals and fled everywhere. At that time, the Demon Lord Gone ordered Mo Yan to pursue these fleeing divine soldiers and generals.

This day, Mo Yan followed the orders of the Demon Lord Gone, constantly searched the area near Fengmo Mountain, and killed a lot of god soldiers. Just when he passed the canyon just now, he saw the activities of the god soldiers from a distance. Without any hesitation, Mo Yan immediately led thousands of demon warriors over.

Arriving in the canyon, Moyan made a decisive decision and ordered her subordinates to attack the gods and soldiers in the canyon. At the same time, Moyan urged her figure to explore the depths of the canyon.

Huh...

At this moment, feeling Mo Yan's demeanor, Yue Feng was stunned, and his eyes didn't blink.

Beautiful, such a beautiful demon woman, this temperament is comparable to that of the goddess Nuwa.

At the same time, Gong Ao was also stunned, staring at Mo Yan, unable to look away for a while. At the same time, I was very emotional.

Unexpectedly, among the demons, there are also such superb.

But soon, Gong Ao reacted and said coldly to Mo Yan: "A mere demon general dares to come here to make trouble, hurry up, or you will be at your own risk."

Among the demon army, there are very strict ranks. Divided, the one at the top is naturally the Demon Lord Gone, and then the twelve holy demon kings. Below the holy demon kings are many demon generals, and below them are the demon warriors.

At this moment, in Gong Ao's heart, although Mo Yan was extremely beautiful and her strength was not weak, there were at most ten demon generals. You must know that the main force of the demon clan is now near Yutian Palace, and it is impossible to send a holy demon king over.

Gong Ao didn't know that his guess was completely wrong.

"Not ashamed to speak."

Hearing this, Mo Yan's delicate face turned gloomy, her red lips parted slightly, and she coldly spat out four words, looking at Gong Ao's eyes with absolute contempt.

Swish.

Scorned by a demon woman, Gong Ao only felt that he had suffered a great humiliation. He held the golden spear tightly and shouted, "How dare a demon general in the area dare to be presumptuous in front of this commander? Die!

"It erupted, and the figure rose into the sky, like a golden lightning bolt, stabbing straight at Mo Yan!

call!

This spear contained 100% of Gong Ao's Primordial Spirit's power, and it could be clearly seen that the air around the golden spear seemed to be distorted, and the whole cave was enveloped by a golden glow.

"Beyond one's own strength."

Watching Gong Ao burst out, Mo Yan's delicate face showed indifference, no panic at all, where he was floating, and he didn't mean to dodge at all.

"You're the guy named Gong Ao, the deity has been looking for you for a day, and I finally met you today."

The ultimate husband in Chinese chapter 4106-4110

Chapter 4106

After saying this coldly, Mo Yan's eyes were extremely cold, and the power of the devil's soul suddenly exploded, and then he rose up, holding a long sword that was as dark as ink, and greeted Gong Ao!

In the blink of an eye, the two sides fought fiercely in the air.

Phew...

Seeing this scene, Yue Feng couldn't help taking a deep breath, his mind was complicated and excited.

The complicated thing is that he was caught by Gong Ao, the situation is already very dangerous, and now there is another strong woman from the Demon Race.

What's exciting is that if this powerful woman from the Demon Race defeated Gong Ao, she might have a chance to survive.

"Dangdangdang!"

In midair, Gong Ao and Mo Yan's silhouettes kept staggering and shuttled to each other. The black long sword and the golden spear kept colliding, and loud noises erupted.

At the beginning, Gong Ao was full of confidence, but gradually, he was sweating profusely and was shocked.

No, this woman looks like a demon general, how can she be so strong?

"Give it up, you're not my opponent."

Just when Gong Ao was secretly surprised, he saw Mo Yan shouting, and then he waved his jade hand and hit him as fast as lightning!

This palm was powerful, and it brought a strong wind, which blocked almost all of Gong Ao's escape routes. In this case, Gong Ao was in a panic and couldn't escape at all.

mad.

At this moment, Gong Ao didn't have time to think about it, and hurriedly activated all his divine powers, greeted him with a palm, trying to block the opponent's blow.

This chapter is provided by . Visit [for](#) daily update.

clang!

In an instant, the palms of the two sides touched, and there was an earth-shattering vibration. At this moment, the entire canyon seemed to be shaking, and I saw Gong Ao groaned and stepped back several steps, his face instantly pale.

As one of the Twelve Holy Demon Kings, Mo Yan is second only to the Demon Lord Gone in strength. Of course, Gong Ao is not his opponent for such an existence!

“Fortunately, you are still the commander of the Nine Heavens God, and you thought I was a demon general.” At this time, Mo Yan was suspended in the air, her delicate face was full of arrogance and contempt, and she said to Gong Ao: “Tell you, This seat is one of the Twelve Holy Demon Kings, lest you die without knowing, whose hands you died.”

What?

Hearing this, Gong Ao’s heart was shocked, and he looked at Mo Yan blankly, completely stupid, his face was full of incredible!

This... this woman turned out to be one of the famous twelve holy devil kings.

No wonder the strength is so terrifying, Mad, it seems that he underestimated the enemy.

At this time, Gong Ao felt very regretful in his heart. He knew that the woman in front of him was one of the twelve holy demon kings of the Demon Race, so he didn’t take the initiative just now.

“Now that you know my identity, you can die.”

Just when Gong Ao was shocked, he heard Mo Yan’s red lips lightly open, coldly spit out a few words, and then slowly raised her jade hand. A terrifying power of the devil’s soul condensed in front of him in an instant, and then in mid-air, a huge magic ball was formed, and it suddenly smashed towards Gong Ao!

hiss!

Feeling the power of the magic ball, Gong Ao’s expression changed, and he couldn’t help sighing.

The opponent broke out a killer move, I’m afraid it can’t be stopped.

Panicked, Gong Ao quickly exploded all his divine power and deployed a protective film in front of him.

“boom!...”

It was at this moment that the magic ball erupted and slammed into the protective film. A roar was heard, and the protective film shattered instantly. At the same time, Gong Ao also made a wow sound, blood spurted out, and his body was like a broken kite. Generally, it flies far away and ends up hitting a rock.

The disparity in strength between the two sides was too great, even if Gong Ao burst out with all his strength, he couldn't stop Mo Yan's blow.

puff.

Falling on the rock, Gong Ao howled in pain, and the pain came, and he almost fainted.

At this time, Gong Ao was no longer in love, but he knew that simply fleeing would not be able to escape Mo Yan's pursuit, but when he saw Yue Feng at the entrance of the cave, Gong Ao's eyes lit up and he had an idea.

“Your Excellency Jiutian Xuansheng.”

At this moment, Gong Ao endured the pain and cupped his hands at Yue Feng: “This subordinate is incompetent, and I can't protect your comprehensiveness by my side. I hope Your Excellency is not to blame.”

Gong Ao is very cunning, He knew that as long as Yue Feng's identity was exposed, the demon king's attention would definitely be diverted from himself.

Nine Heavens Profound Sage?

Sure enough, hearing this, Mo Yan's eyes instantly locked on Yue Feng.

Taking advantage of the opportunity, Gong Ao moved his figure and quickly flew out of the canyon.

Chapter 4107

Nima!

Seeing this scene, Yue Feng was furious.

This Gong Ao is really despicable. He even came to act as a shield, but I have to say that he played very beautifully.

Seeing Gong Ao fleeing, Mo Yan was also stunned for a moment, and then her delicate face showed a bit of contempt: “Fleeing from the battle, so timid as a mouse, to be

appreciated by the Nine Heavens God, and to take the position of commander, it's ridiculous. "

Shh!

After speaking, Mo Yan turned her head and her eyes locked on Yue Feng: "You are the Nine

Heavens Profound Sage named by the ancestors of the Great Desolation? That human named Yue Feng?" the situation of the gods.

"Beauty..." Facing the question, Yue

Feng panicked and smiled bitterly: "Don't listen to Gong Ao's nonsense, if I were Jiutian Xuansheng, I would be acupointed and trapped here?"

Feng pondered for a while, and continued: "Actually, I entered the Divine Realm by mistake through the teleportation array. If I was unlucky, Gong Ao saw me and arrested me. My name is Feng Tao, not Yue Feng at all."

When he said this, Yue Feng looked serious, but felt uneasy in his heart. At the same time, he kept praying secretly.

This demon king, who has never seen herself before, must not see through her lies, otherwise, it would be better to be killed by Gong Ao if it falls into her hands.

Not Yue Feng?

Hearing this, Mo Yan did not respond, but frowned slightly, looking at Yue Feng up and down.

"Beauty!"

Mo Yan's eyes made Yue Feng feel uncomfortable, he squeezed out a smile at that time, and said carefully: "I'm really not the Nine Heavens Profound Sage, you were deceived by that Gong Ao, he just wanted to divert his eyes, so he could take the opportunity to escape. "

Speaking of which, I'm also a victim..."

Before he could finish speaking, Mo Yan's pretty face froze, and she said tenderly, "Shut up for me. Don't call me a beauty." As

she spoke, Mo Yan noticed it. What, with a cold glow in his eyes, he said coldly at Yue Feng, "You have the power of Bird Ancestor, you are clearly the Nine Heavens Xuansheng Yue Feng, yet you still lie to me?"

Mo Yan was very angry at this time, because She clearly perceives that there is a strange power fluctuation in Yue Feng's body, and this power fluctuation is exactly the power of bird ancestors.

As one of the Twelve Holy Demon Kings, Mo Yan has dealt with the Four Great Innate Spirit Beasts, and is no stranger to the power of Bird Ancestor. Among the news from the God Realm, one of which is that Jiutian Xuansheng has Bird Ancestor. Power.

Under such circumstances, Mo Yan immediately realized that the poor man in front of him was Jiutian Xuansheng Yue Feng.

Done!

Seeing this situation, Yue Feng was dumbfounded and wanted to cry without tears.

This demon king is too strong, she has already restrained the breath of the power of bird ancestors, but she is still perceived by her.

“Okay!”

Depressed, Yue Feng smiled wryly, and said helplessly: “Beauty... oh no, your Excellency is really smart, you can see it out, yes, I am Yue Feng, but I want to explain Now, I have no intention of participating in the war between your Demon Race and the Divine Realm, and I am seriously injured now because of Gong Ao's plot.”

Since his identity was revealed, Yue Feng had no choice but to tell the situation. Also take a stand.

However, Mo Yan no longer believed him at this time.

“Smooth tongue!”

Mo Yan's delicate face was full of icy coldness, her red lips parted lightly, and she said contemptuously, “You humans are more cunning than each other, full of lies, you better shut up and don't say a word, then you will be provoked. Get angry with me and kill your primordial spirit directly.” After

speaking, Mo Yan's delicate body flashed, and she rushed over and grabbed Yue Feng: “Since you are the Nine Heavens Profound Sage, follow me to see the Demon Venerable.” The

last one As the words fell, Moyan's demonic soul erupted and headed out of the canyon.

Nima, this is trouble.

Being taken by Moyan into the sky, Yue Feng was frightened and panicked, and wanted to struggle. However, when Gong Ao tapped the acupuncture point before, he couldn't break free. For a while, Yue Feng was very desperate.

...

the other side.

Wei An led thousands of warriors of the Xuanwu tribe to protect Liya to a quiet valley.

I saw that the valley was surrounded by mountains on three sides, with a dense forest in the middle, and on the edge of the forest, there was a large rock several meters high, and under the rock was a shady open space.

Chapter 4108

This place is good.

Seeing this environment, Wei An ordered the thousands of Xuanwu warriors: "Everyone rest here for a while, be careful around, and don't take it lightly."

"Yes." After

hearing the order, thousands of Xuanwu warriors dispersed immediately. Rest around the valley.

Wei An took Liya to the open space under the big rock.

Pa...

When they got to the open space, Wei An quickly took action and helped Liya to open the acupuncture point, her face full of concern: "Liya, are you seriously injured? Is there anything wrong?"

"I'm fine!" Li Ya shook his head, with a delicate face that couldn't hide his worry, he slowly said, "I don't know how Your Excellency Yue Feng is now, Wei An, you must find a way."

Although he was out of danger, but Liya's heart was always on Yue Feng's side.

mad.

Hearing this, Wei An's face did not fluctuate at all, but anger rose in his heart.

I don't know what's good about Yue Feng. It's this time, and Liya is still worried about his safety.

Thinking to himself, Wei An made a look of embarrassment: "Lia, don't worry, I have been trying to figure out a way on the way just now. Gong Ao's strength is no trivial matter. It's very difficult to rescue Your Excellency Yue Feng without casualties."

This...

Lia was in a hurry: "What should I do? If it doesn't work, let's go to the new territory to find my father." The

current situation, I can only go to the White Tiger King.

"no!"

As soon as he finished speaking, Wei An quickly vetoed: "Lia, this is absolutely impossible. What if we have not reached the new territory and encounter the demons?"

Wei An wished Yue Feng died sooner, how could he seriously think of a solution? Woolen cloth?

"Then what do you say?" Leah lost her mind instantly.

Wei An pretended to think for a while, then took out a medicine from his body, and said seriously: "Lia, I think we have to do this on our own. This medicine is the holy medicine of our Xuanwu clan." Xuanwu Huiyuan Dan', after you take it and your strength is completely restored, let's go to rescue Your Excellency Yue Feng."

"I believe that as long as the two of us work together in a tacit understanding, we will succeed!"

After saying this, Wei An will The elixir was handed to Lia, with a smile on her face, but her eyes flashed cunningly.

Xuanwu back to Yuandan?

At this moment, looking at the medicinal pill in her hand, Liya's delicate body trembled, and she was inexplicably excited.

You must know that each of the four innate spiritual beast tribes has a unique healing medicine, and the Xuanwu tribe's is the 'Xuanwu Huiyuan Dan'.

Soon, Leah recovered, picked up the medicine pill, and sniffed it lightly.

It is really Xuanwu Huiyuan Dan.

Liya could clearly smell that the medicinal pill was filled with a unique aroma, which was the unique taste of Xuanwu Huiyuan Dan. You must know that Liya, as the daughter of

the White Tiger King, was well-informed and took Xuanwu Huiyuan when she was a child. Yuan Dan, naturally remembered.

“Wei An.”

At this moment, Liya was very excited, looked at Wei An and said, “Thank you.”

“Are you polite to me?” Wei An smiled and said, “You take it quickly, I’ll help you protect the law by the side, wait. If you restore your strength, we will kill you back.”

When he said this, Wei An had a sincere expression on his face, but his heart was extremely excited.

That’s right, everything Wei An did just now was faked, in order to gain Lia’s trust.

As for the pill that was taken out, it was indeed the ‘Xuanwu Huiyuan Pill’, but this ‘Xuanwu Huiyuan Pill’ had been soaked in the ‘Huanhe Water’.

Huanhe Shui is a unique magic medicine of the demon race. No matter how strong and tough a woman is, as long as she takes Huanhe Shui, she will completely lose herself.

That’s right, when he chose this place to rest just now, Wei An planned to get Lia here.

Um!

At this time, Liya didn’t expect Wei An to plot against her at all, she nodded at that time, and immediately put the medicinal pill in her mouth and swallowed it.

Haha....

At this moment, seeing Liya taking the medicine pill, Wei An couldn’t hide his excitement and excitement, and showed a smug smile.

Liya took the pill, and she will become her own woman later, can you be unhappy?

Chapter 4109

“Wei An!” Liya frowned lightly: “Why are you so happy?”

“Haha!”

Hearing the question, Wei An no longer concealed it, and said with a sinister smile: “Liya, you I’m usually so cautious, but there are times when I’m negligent. Let me tell you, the ‘Xuanwu Huiyuan Dan’ you took just now was soaked in the ‘Huanhe Water’!”

“You may not know that once the Xuanwu Huiyuan Dan is contaminated with Huanhe Water. When combined with water, the efficacy of the medicine will be weakened.”

What? Huanhe Water?

Hearing this, Liya’s pretty face changed, and she subconsciously wanted to urge energy, but she couldn’t exert any strength, her delicate body softened, and she slumped directly on the grass.

At this time, Liya clearly felt that after taking the medicinal pill, not only did her strength not recover, but a strange heat came from her body.

Not only that, but the brain also started to feel dizzy.

This is exactly the sign of being in the euphoria.

Although Lia had never drank Huanhe water before, she also knew what her state would be like after taking Huanhe water.

“Wei An, you...”

At this moment, Liya was extremely frightened, realizing that she had been deceived, and shouted at Wei Anjiao, “Why did you do this?”

“Why?”

Wei An smiled and stared at Wei Anjiao. He looked at Leah closely, flashing madly: “I like you so much, I can do everything for you, but what about you? I think about that Yue Feng wholeheartedly.”

“I tell you, I didn’t think about saving today at all. She, Leah, I didn’t want to do this, but who told you to treat me like that before?”

“You...”

Hearing this, Li Ya was so angry that she wanted to open her mouth to refute, but just after saying a word, the dry feeling on her body suddenly became stronger.

Liya bit the tip of her tongue, trying to wake herself up, and then glared at Wei An: “Wei An, if you do this, my father will not let you go!”

When she said this, Liya was very regretful.

Wei An is a narrow-minded person. Before, because of Yue Feng’s affairs, he was entangled with himself, and then he hated Yue Feng.

I was too stupid to believe him just now.

Haha...

Hearing Liya's scolding, Wei An did not panic at all, but sitting next to Liya, he said with a smile: "Afraid? Today I got you, cooked rice with raw rice, even if your father is angry, look in the face of my father, it won't do anything to me."

"On the contrary, the marriage between the Xuanwu clan and the white fox clan is a good thing, and more importantly, I can share joy with the woman I love, even if your father kills me. It's worth it!"

Finally, Wei An looked up and down Liya, unable to control himself any longer, reached out to grab Liya's wrist.

Liya hurriedly ducked, her delicate face was full of resistance and coldness: "Go away!"

However, her internal strength was depleted too much, and she was already weak. Even if he escaped, he was so weak and weak.

"Lia, don't hide, you can't escape from my palm today, don't worry, after today, I will protect you well in the future and love you."

Liya's resistance did not let Wei An converge, but stimulated his interest.

After saying this, he grabbed Liya again!

This time, Wei An was much faster, Liya didn't dodge, her wrist was tightly grasped.

Immediately, Wei An walked up slowly, sniffed gently in front of her, and said with intoxication: "Lia, I liked the smell on your body since I was a child, but when I grew up, you didn't let me get close. Thinking of the years that have passed, the smell on your body has become more and more fragrant!"

"Shameless, get out of my way, get out of my way!"

Hearing these words, Liya was so disgusted that she couldn't help but struggle, while shouting: "let me go!" However, with no strength, how can you break free?

"Hehe!"

However, the more Liya scolded, the more excited Wei An became. He raised his hand and deployed a protective film around it to cut off the sound, and then said with a smile: "Liya, shout, there are all my subordinates around, no one will come. Save you, let me go!" The

last sentence fell, Wei An suddenly rushed up, and was about to tear Liya's clothes.

Chapter 4110

Call!

At this moment, Lia was unable to express the shame and despair, and she felt very regretful in her heart.

I was so stupid, how could I believe Wei An, a shameless guy.

If he was defiled by him, how would he face his clansmen and Yue Feng in the future? By the way, is Yue Feng in danger now?

hum!

Seeing that Liya's clothes were about to be torn apart by Wei An, at this critical moment, a powerful wave of power suddenly came from the horizon not far away.

Madd... who's bad for Lao Tzu's good things?

Hearing the movement, Wei An was very annoyed, and cursed inwardly, and then looked back subconsciously, for a moment, his heart was shocked, and he was stunned.

I saw a slender figure coming quickly, wearing a colorful long dress, so beautiful, but the whole body was filled with an aura that could not be desecrated.

It is the colorful phoenix.

Half an hour ago, under the leadership of the White Tiger King, all the demon tribes were successfully transferred to a new territory. Only when the team was counted did it find that Wei An and thousands of Xuanwu warriors were not there. At that time, the White Tiger King and the Xuanwu King They were all in a hurry, so they asked Qi Cai Lingfeng to come back to investigate.

You must know that the colorful spirit phoenix belongs to the Vermilion Bird clan, and it flies fast. Even if it encounters the demon clan, it can escape in time.

Just now, Qi Cai Lingfeng passed by here, and saw a lot of warriors of the Xuanwu clan, so he hurried down to take a look.

Whoosh!

Just when Wei An was stunned, the figure of the colorful phoenix came down lightly and quickly landed.

“Wei An!”

Seeing the scene in front of her, Qi Cai Lingfeng’s delicate face was filled with doubts: “Why are you here? Also, what happened to Miss Liya?” When

Qi Cai Lingfeng saw that, Liya’s pretty face flushed and her eyes flashed. The strange light has lost its sanity.

“She...she...”

Facing the question, Wei An was flustered and stammered: “She seems to have been poisoned?”

Speaking of which, if other people came, Wei An was not afraid at all, but Qi Cai Lingfeng was not. In the same way, she has always been the elder of the Suzaku clan. She used to be the right-hand man next to Queen Suzaku, and her strength is not trivial. Even the White Tiger King and the Xuanwu King have to be courteous to three points.

Therefore, Wei An has always been afraid of the colorful Lingfeng.

Wei An has thought about it, he must not say anything about giving Lia ‘Huanhe Water’.

Hearing the answer, Qi Cai Lingfeng frowned.

The next second, Qicai Lingfeng carefully observed Liya, and asked very puzzled: “Isn’t she taking care of Yue Feng in the cave? Why did she suddenly get poisoned?” After

speaking, Qicai Lingfeng thought of something and asked Wei An. Said: “And you, why didn’t you follow everyone to the new territory? You brought thousands of Xuanwu warriors, what are you doing here?”

Hu...

Wei An took a deep breath, his face was extremely complicated, and at the same time his mind turned quickly, he responded: “It’s like this. When I was transferred, I got news that there was a small group of demon warriors nearby. The situation was critical at the time. I didn’t have time to tell my father, so I took someone to investigate.

” The shadow of the demon warrior was about to leave, but after passing through the cave where Yue Feng was recuperating, he heard Liya’s cry.”

“Then I went in curiously to have a look.”

When he said this, Wei An deliberately paused.

“What did you see?” Qi Cai Lingfeng asked quickly.

boom!

Wei An clenched his fists and slammed his fist on the rock next to him, his face full of anger: "That Yue Feng is really a bastard, Liya is so kind to him and takes care of him in every possible way, not only is he not grateful, but he gives Liya back to him. Ya took medicine and wanted to sully Liya."

Speaking of which, Wei An pointed to Liya and said, "You should know that I have liked Liya since I was a child. When I saw that scene, I was very angry and taught Yue a lesson. The wind paused, and then brought Liya here. But my ability is limited, so I can't make Liya wake up."

"Qicai Lingfeng, you are the elder of the Vermillion Bird Clan, with extraordinary strength, please help Liya. Let's go." The

last sentence fell, Wei An begging.

I have to say, Wei An's acting is very similar, too similar.

What?

Hearing this, Qi Cai Lingfeng's delicate body trembled, and she was so angry: "What did you say? Yue Feng wants to sully Liya?"

The ultimate husband in Chinese chapter 4111-4115

Chapter 4111

If it was before, Qicai Lingfeng would never believe it, but since that night in the stone room, seeing Mengya being naked in front of Yue Feng, Qicai Lingfeng no longer trusts Yue Feng.

“It’s absolutely true.” Wei An nodded heavily.

“Yue Feng, this bastard.” Qi Cai Lingfeng’s pretty face was cold and she couldn’t help scolding: “I can’t believe that he is such a person.”

Haha...

Seeing that Qi Cai Lingfeng has no doubts, Wei An looks angry. Appearance, but my heart is very proud.

He was so witty, and in just a few words, he put the responsibility on Yue Feng, and the colorful Lingfeng believed it.

“I...”

Seeing this situation, Lia was anxious and angry, struggling to stand up and state the truth to Qi Cai Lingfeng, but the medicinal effect of ‘Huanhe Water’ in her body started to attack, and her whole body was hot. Hallucinations also began to appear in my mind, and in this case, I couldn’t say a word.

“Lia!”

Qi Cai Lingfeng walked over quickly, took out a red medicinal pill from her body, and stuffed it into Liya’s mouth: “Don’t talk for now, at this time our Suzaku Clan’s ‘Suzaku Dan’, After taking it, the poison in your body will be expelled.”

Oops!

At this moment, Wei An’s face changed, and he wanted to stop it. If Liya wakes up, her lie will be broken. How can this be done?

But because the colorful Lingfeng was on the side, Wei An didn’t have the courage.

hum!

After taking Suzaku Dan, Liya only felt a buzzing in her head, and a strange power spread throughout her body, and then she didn’t know anything when her eyes darkened.

This chapter is provided by . Visit for daily update.

Wei An was originally very nervous, but when he saw Liya passed out in a coma, he quickly asked, "What's wrong with her?"

"Don't panic!"

Qi Cai Lingfeng's delicate face did not fluctuate at all: "After taking Zhu Que Pill, this is it. It seems that the more poisoned she is, the longer she will be in a coma."

It turned out to be the case.

Hearing this, Wei An heaved a sigh of relief, secretly thankful that, fortunately, Liya didn't wake up immediately, and she still had time to remedy it.

But... how to remedy it?

"Wei An!"

At this moment, Qi Cai Lingfeng thought of something and asked, "You said just now that you taught Yue Feng a lesson at the time, but what happened later?"

"Later..."

Wei An scratched his head, thinking, He responded, "After I taught Yue Feng a lesson, I took Liya and left. I don't know how Yue Feng is now."

Qi Cai Lingfeng nodded silently: "Go, follow me to see."

Said At these times, Qi Cai Lingfeng looked indifferent, but his heart was full of anger.

This Yue Feng, who had plotted against Mengya in the stone room before, was fortunately discovered by himself, but now, he has caught the attention of his sister Liya.

Wei An quickly nodded: "Okay!"

At this time, Wei An was very excited. Don't worry at all, Qi Cai Lingfeng will see Yue Feng, because Gong Ao will not let Yue Feng go.

However, Wei An did not know that Gong Ao did not succeed in killing Yue Feng, and Yue Feng was taken away by Mo Yan, one of the twelve holy demon kings.

Soon, Wei An summoned thousands of Xuanwu warriors, and together with the colorful Lingfeng, they rushed towards the canyon where the cave was located.

Um?

A few minutes later, Wei An, Qicai Lingfeng, and thousands of Xuanwu warriors arrived near the cave. When they saw the scene in front of them, they were all stunned.

Especially Wei An, standing there with a blank mind.

I saw that there was blood everywhere near the cave, and there were traces of fighting on the rocks next to it!

Obviously, there was a tragic fight here before.

This... what's going on here?

Wei An frowned, unable to hide the shock in his heart, and then entered the cave, but it was empty, there was no shadow of Yue Feng at all, and Gong Ao was gone.

At this time, several Xuanwu warriors found the bodies of some gods and soldiers not far away.

“This.... what happened?”

Qi Cai Lingfeng also frowned. At this time, she reacted and couldn't help but said to Wei An, “Why are there so many dead soldiers here? You taught me a lesson at that time. After Yue Feng, did you have a conflict with the Divine Realm?”

Wei An shook his head: “No.”

Qi Cai Lingfeng must not know about his conspiracy with Gong Ao.

Chapter 4112

Hearing the answer, Qi Cai Lingfeng thought for a while, and said slowly: “Looking at this, Yue Feng must have encountered a demon. Forget it, let's go to the new camp first.”

Well!

Wei An hurriedly nodded, looking very serious on the surface, but excited inside.

No matter what happens here, Yue Feng will definitely die, can you be unhappy?

Excited, Wei An summoned his subordinates, and Qi Cai Lingfeng led Liya and quickly headed for the new camp.

.....

the other side.

Dozens of miles northwest of Yutian Palace, Demon Venerable led an army of hundreds of thousands of demons to set up camp here.

In the past half a day, Demon Lord Gone has launched several more attacks, but all came back without success.

In the Yutian Palace, the Queen Mother Nuwa is in charge, and there are three innate law formations around. Although the Demon Lord's army is like a rainbow, it has never been able to break the formation.

Under such circumstances, Demon Lord Gone was very annoyed.

At this time, in the military tent of the main camp.

Demon Lord Gone stood there with a gloomy expression on his face. In front of him was a topographic sand table of the Imperial Palace. At this time, the sand table was filled with markers.

Yes, the Demon Lord Gone is deducing the law of the innate magic circle.

As long as the three innate law formations are broken, the demon army will be able to drive straight in and occupy the Yutian Palace.

However, the three innate magic formations were deployed by the ancestors of Honghuang. Not only are they extremely mysterious, but they also contain endless innate spiritual energy. Even the Demon Lord Gone knows the technique of formations, but for a while, it is No clue.

In the blink of an eye, Demon Lord Gone studied for half an hour, but there was no progress, and his face became more and more gloomy.

Faced with this situation, several holy devil kings around him stood there one by one, not daring to let out the air.

The atmosphere of the entire military tent was indescribably depressing.

Mad!

Finally, the Demon Lord Gone temporarily gave up breaking the formation, and threw the mark in his hand into the sand table, his eyes spitting fire, and his heart was extremely irritable.

In the heart of Demon Lord Gone, the Demon Lord army has been resurrected, and it could have easily captured Yutian Palace! Unexpectedly, at the last critical moment, it was blocked by three innate magic circles.

It can't go on like this.

When the ancestors of the Great Wilderness left the border, the advantage of Demon Venerable would be gone.

"Your Highness!"

Just when Demon Lord Gone was extremely annoyed, Jutian, one of the twelve holy demon kings, couldn't help but take a step forward and said cautiously, "It's better, let's attack hard!"

" ?

Demon Lord Gone said angrily: "Can you grow your brain? How many troops did we lose in the previous storm? Hundreds of thousands of troops have already suffered a lot of damage. If we continue to attack hard, we will only ask for trouble. Do you still want the deity to revive you again?"

Hearing the angry shout, You Tian stepped aside with embarrassment on his face.

However, at this moment, a slender figure slowly walked into the big tent, the curve was charming, but it was cold and arrogant, it was Mo Yan.

Seeing Mo Yan's return, Demon Zun Gone's expression did not fluctuate in the slightest, and he said lightly: "Moyan, I asked you to clear the deserters from the God Realm near Feng Mo Mountain. What happened?"

"Return to Zun!"

Mo Yan felt that the Demon Lord Gone was in a bad mood at this time, but he did not panic at all, but responded with a smile: "I have almost eliminated the deserters from the God Realm near the Demon Sealing Mountain, and my subordinates are still There is a windfall."

Windfall?

Hearing this, Demon Lord Gone frowned, and at the same time, the other holy demon kings around were also interested.

The next second, Demon Zun Gone reacted and couldn't help asking: "What's the harvest?"

Mo Yan smiled slightly: "Your Highness will know soon." After speaking

, Mo Yan shouted at the outside: " Bring it in."

Whoops!

The words fell, and the two Demon Venerable Warriors walked in with a person, and saw that the person was in a state of embarrassment, his breath was weak, but his eyes were rebellious.

It was Yue Feng.

Humanity?

At this moment, the other holy devil kings around him suddenly started talking.

“How do you get a human back?”

“What’s different about this kid? Moyan actually said it was an unexpected gain.”

In the discussion around, the Demon Lord Gone couldn’t help laughing, and praised Moyan: “Not bad, it really is an unexpected harvest, haha...”

Chapter 4113

Laughing, Demon Lord Gone walked slowly to Yue Feng, and said condescendingly: “Isn’t this the Nine Heavens Profound Sage named by the ancestors of the Great Wilderness? We really have a fate, we meet again so soon.”

Saying these At the time, the Demon Lord Gone had a smile on his face, but his eyes were a bit cold.

For the Demon Lord Gone, although he has never communicated with Yue Feng, he is very familiar with him. Before the Demon Lord Gone was remodeling his body, he made a lot of trouble in the Yutian Palace. Yue Feng was present at that time. After Gone was trapped in the sealed magic mirror, he was taken back to Kyushu by Yue Feng, and then sent to the ghost world.

Done!

Facing the ridicule of Demon Lord Gone, Yue Feng squeezed out a smile, but his heart was extremely bitter.

This fall into the hands of the Demon Venerable, I am afraid it is completely over.

“Your Highness!”

At this moment, Mo Yan thought of something, and asked Demon Lord Gone, “How is the situation here at Yutian Palace?”

Demon Lord Gone put away his smile and briefly explained the situation.

Knowing the situation, Mo Yan frowned and thought for a while, then said with a smile: "Your Majesty, don't worry, there is a way for your subordinates to make the Nine Heavens God and

the Empress Nuwa surrender." "Speak!" Flash, urged!

Mo Yan showed a smile, pointed at Yue Feng and said: "This Yue Feng is not only the Nine Heavens Profound Sage, but also the Jade Dragon Consort, the son-in-law of the Nine Heavens God, with an extraordinary position, let's put him in front of the Yutian Palace and force the Nine Heavens God to surrender. Otherwise, it will destroy his primordial spirit." As

she said that, Mo Yan's delicate face showed a bit of confidence: "My son-in-law was arrested, then the Nine Heavens God can't be indifferent

.

"At this point, the other holy demon kings around were extremely excited.

"It's still Moyan who has a solution."

"Yeah, it's wonderful to use Yue Feng to blackmail the Nine Heavens God!"

Hahaha...

At the same time, the Demon Lord Gone was also in a good mood and laughed loudly: "Okay, This is a good method, you should prepare immediately!"

"Yes!"

Mo Yan and the other holy demon kings responded in unison, and then took Yue Feng out.

At this moment, Yue Feng wanted to cry but had no tears, and at the same time he was unspeakably uneasy.

Ma De, even if he is a prisoner, he is still being used to threaten the Nine Heavens God. The Nine Heavens God has no good feelings for him at all, so how could he agree to the Demon Venerable's request?

I'm afraid that after the Nine Heavens God refuses, the Demon Venerable will kill himself to vent his anger when he gets angry.

Thinking of this, Yue Feng was very desperate.

Dong Dong Dong...

After a while, under the command of Demon Lord Gone, hundreds of thousands of Demon Clan army escorted Yue Feng and marched mightily towards Yutian Palace.

On the other side, Yutian Palace.

The news that Yue Feng was taken prisoner soon spread to Yutian Palace.

Upon hearing the news, the Nine Heavens God immediately summoned all the priests, walked out of the Yutian Palace, and confronted the demon army from afar.

Swish!

As soon as the Nine Heavens God and the priests came out, the Demon Lord Gone, who was suspended in the air, suddenly turned cold.

The next second, Demon Lord Gone shouted at the Nine Heavens God: "Why is it only you? Where is Nuwa?"

As he spoke, Demon Lord Gone looked around and searched for the figure of Empress Nuwa. Speaking of which, Demon Lord Gone didn't care about the Nine Heavens God at all, but he was still a little jealous of Empress Nuwa.

Jiutian God sneered: "My senior sister is where she should be."

When he said this, Jiutian God looked indifferent, but he was a little nervous. Just an hour ago, Nuwa returned to the place where the ancestors of Honghuang retreated to visit.

Nuwa was not there, and the Nine Heavens God had no confidence in facing the Demon Venerable. However, the palace of Jiutian God is very deep, and on the surface it looks like Nuwa is nearby.

Hearing this, the Demon Venerable chuckled lightly.

This time, I didn't plan to storm Yutian Palace, it doesn't matter where Nuwa is.

Immediately, Demon Venerable waved his hand, and immediately, several Demon Race warriors held a figure and walked slowly to the front.

It was Yue Feng.

wow.

Seeing Yue Feng, the priests were in an uproar.

“Jade Dragon’s Consort?”

“Didn’t he die on the Demon Sealing Mountain? Why was he in the hands of the Demon Race?”

“What happened?”

Listening to the discussion of the priests, the Nine Heavens God was also stunned, watching closely. Yue Feng was speechless. At the same time, I was also a little annoyed.

Gong Ao actually lied to me.

Chapter 4114

Yue Feng was obviously fine, but he said that he died in the blood sacrifice formation in Fengmo Mountain, and now, Yue Feng has fallen into the hands of Demon Zun Gone, which is a great shame for God Realm .

After all, Yue Feng is not only Jiutian Xuansheng, but also his son-in-law.

“Haha!”

Seeing the reactions of the Nine Heavens God and the priests, the Demon Lord Gone laughed proudly, and then said loudly: “Nine Heavens God, you should be familiar with this human being, who was named Nine Heavens Profound Sage by your master at the beginning. Later, it was said that he became your son-in-law again.”

“It’s a pity, but now he’s in my hands.”

Hu...

Hearing this, Jiutian Shen took a deep breath and said coldly: “Goni, you What do you want?” As he spoke, he couldn’t help but glance at Yue Feng.

“It’s very simple!”

Demon Lord Gone smiled and said lightly: “Let go of Yutian Palace, you and your subordinates, all surrender to me.”

Shuh!

Hearing this request, Jiutian God’s face darkened, extremely ugly. I was really worried about what was coming, and the Demon Lord Gone really used Yue Feng to coerce himself into surrender.

Speaking of which, Jiutian God didn't like Yue Feng. At that time, the situation forced Princess Dongling to be betrothed to him, just to save the royal family's face. It can be said that Jiutian God didn't care about Yue Feng's life or death.

But in the current situation, if you reject it directly, it will appear too cruel and indifferent. How can you control the realm in the future?

Can agree to Gone's request, but disobey the heart.

For a time, the Nine Heavens God fell into a deep tangle.

Whoosh!

At this moment, a figure came quickly from behind, sweating profusely and exhausted.

It was Gong Ao.

After escaping from Mo Yan before, Gong Ao immediately rushed in the direction of Yutian Palace, only to encounter a small group of demon warriors on the way, delaying for some time, but finally came back successfully.

Hiss...

At this moment, seeing the scene in front of him, Gong Ao couldn't help taking a breath of cold air, and he saw that outside the Yutian Palace, surrounded by hundreds of thousands of demon army, the Demon Lord Gone was suspended high in the air, with unparalleled momentum.

In front of the demon army, several demon warriors were holding a human.

Yue Feng?

Seeing Yue Feng, Gong Ao's heart trembled, thinking that he was confused, so he quickly rubbed his eyes.

After confirming that it was Yue Feng, Gong Ao was completely stunned, and only felt his brain buzzing.

what happened? That Demon King caught Yue Feng, didn't she kill him? How did you bring him to the Imperial Palace?

While muttering in his heart, Gong Ao didn't dare to ask any more questions, but walked over silently and stood behind the Nine Heavens God, but he was still uneasy in his heart.

You must know that in the blood sacrifice battle before, Gong Ao secretly plotted against Yue Feng. What he was most afraid of was that Yue Feng saw the God of Nine Heavens and told the truth. Once the truth was exposed, Gong Ao committed the crime of deceiving the king.

But Gong Ao's worry was unnecessary.

Because the Demon Lord Gone tapped Yue Feng's dumb point.

"Nine Heavens!"

At this time, seeing that the Nine Heavens God was reluctant to express his position, the Demon Lord Gone said coldly: "Have you thought about it, do you even want to save your son-in-law's life in order to preserve your status?"

call...

Hearing this, Jiutian God clenched his fists and wanted to speak, but he didn't know how to respond.

At this moment, Gong Ao couldn't help but stepped forward and said to the Nine Heavens God, "Your Majesty, don't be fooled." When saying this, Gong Ao tried his best to remain calm, but his eyes couldn't hide the complexities in his heart. .

Although he had just returned, Gong Ao was very thoughtful, and he could see at once that in the current situation, the Demon Lord Gone was going to use Yue Feng to force the Nine Heavens to submit.

Um?

Hearing the voice, Nine Heavens God turned back to see Gong Ao, and his face suddenly sank: "Gong Ao, where have you been, and why did it take you so long to come back? Also, Yue Feng is obviously fine, why do you say he died in the blood sacrifice college? Array?"

When he said this, the Nine Heavens God was very angry.

Pfft!

Feeling the wrath of the Nine Heavens God, Gong Ao's legs softened and he knelt directly on the ground. He said in fear, "Your Majesty, calm down, this subordinate did not lie, Yue Feng is really dead."

Really dead?

Jiutian God was so angry that he pointed at Yue Feng, who was tied with five flowers on the opposite side: "Then explain to me, how can he live when he is dead?"

Chapter 4115

This...

Gong Ao was full of fear, and his mind quickly turned: "Your Majesty, this Yue Feng may be fake, even if it is not fake, then the Demon Lord Goni will have a way to resurrect him." After

saying that, Gong Ao With a sincere look on his face: "I have always been loyal to Your Majesty, how dare I lie?"

Speaking of which, Gong Ao didn't have the courage to lie, but seeing that Yue Feng never opened his mouth, he realized that the acupuncture point was tapped by the Demon Lord, and he began to act recklessly. .

call!

Hearing this, Jiutian God took a deep breath, his expression changed, and he pondered.

At the same time, the surrounding priests all looked complicated.

"Okay!"

Finally, Jiutian God's expression softened, and he said to Gong Ao: "Get up, I don't blame you for this matter."

After saying that, Jiutian God's divine power exploded, rushing into the air, and Demon Lord Goni looked at each other from a distance and chuckled, "Goni, don't play this trick in front of me. My son-in-law, Yue Feng, died in your blood sacrifice two days ago. Don't you think it's funny that you are using a fake to intimidate me?"

When he said this, Jiutian God didn't even look at Yue Feng, his attitude was very indifferent.

Speaking of which, Jiutian God was originally very entangled, but Gong Ao's remarks just woke him up. As long as you don't admit that the Yue Feng in front of you is real, you can turn passive into active.

And, don't worry about losing your prestige.

What?

Hearing this, Demon Lord Gone frowned, his face extremely ugly.

What did God say in these nine days? The Yue Feng you caught was fake?

For the sake of status, he didn't even recognize his son-in-law, which was too ruthless.

What the hell!

At the same time, Yue Feng, who was below, was also stunned, wanting to cry without tears, and at the same time holding back his fire.

God is too cruel these nine days.

Although he does not belong to the realm of the gods, he has made a lot of efforts to prevent the Demon Lord Gone from resurrecting the demon tribe. Not only that, he is also the husband of Princess Dongling.

But what about the Nine Heavens God? For his own throne and rights, he actually denied himself in public.

It's irritating and ridiculous.

"Tsk tsk!"

Soon, Demon Venerable Gone responded with a sneer, and mocked at the Nine Heavens God: "You think you're fake, I can't do anything about it?"

Then Demon Venerable raised his hand: "Come on, First cut off a hand of this Nine Heavens Profound Sage."

Swish!

As soon as the voice fell, a demon warrior waved a long sword, and saw a flash of cold light, Yue Feng's left arm was instantly cut off, and blood spurted out in an instant.

Yue Feng was tapped on the acupuncture point and could not shout, but the severe pain still caused him to sweat coldly, his face turned pale, and his whole body trembled violently.

Groove Nima's.

At this time, Yue Feng kept cursing in his heart.

These nine gods, and the Demon Lord Gone, are more ruthless than the other. If they don't die this time, they must settle the account with both of them.

“Ha ha...”

Seeing this scene, Jiutian God's face did not fluctuate in the slightest, and he sneered: “Goni, stop acting, he is not Yue Feng at all, but your subordinate pretending to be, don't say you cut off his hand, Even if it is chopped on the spot, I won't even frown, so you should save it, and if you have time, do more research on how to break the innate magic circle around the Yutian Palace.” The

last word fell, and the Nine Heavens God turned and entered . Imperial Palace.

Gong Ao and other priests followed closely behind.

Seeing this scene, Mozun Gone's face suddenly turned gloomy. He never thought that the Nine Heavens God really didn't care about Yue Feng's life or death, and this recruitment was a complete failure.

“Go back to the camp!” In the

next second, Demon Lord Gone coldly shouted, and the figure was like a black lightning, and quickly went to the camp.

The army of hundreds of thousands of demons did not dare to neglect, and quickly brought Yue Feng and quickly followed.

Returning to the tent, the Demon Lord Gone sat there with a gloomy expression on his face.

He knew that Jiutian God was hypocritical, but he didn't expect such hypocrisy. For the sake of status, he didn't care about the life and death of his son-in-law at all. What was even more contemptible was that he also said that this Yue Feng was fake to protect his reputation.

The more he thought about it, the more angry the Demon Lord Gone became, his eyes blood red.

The holy demon kings standing around were silent one by one.

The ultimate husband in Chinese chapter 4116-4120

Chapter 4116

“Your Highness!”

At this time, a divine soldier walked in quickly and said carefully: “Then Yue Feng passed out, what should I do?”

Demon Zun Gone’s face turned cold, and he said coldly: “I can still How to deal with it? Kill it directly, destroy the primordial spirit, and destroy the corpse.” Since this Yue Feng had no use at all, he directly executed the matter.

“Yes, your honor!”

Upon hearing the order, the demon warrior responded and was about to go out and execute Yue Feng.

“Wait a minute!”

At this moment, Mo Yan, who had been standing beside him silently, walked out quickly to stop him: “Your Highness, this Yue Feng is not an ordinary human being, it would be a pity to kill him directly, it is better to keep it for now, maybe It will be useful in the future.”

When she said this, Mo Yan’s delicate face was full of seriousness and sincerity.

At this time, Mo Yan didn’t know why she wanted to save Yue Feng. She just felt that it was a pity that she finally brought Yue Feng from Fengmo Mountain and executed it like this.

Huh

Seeing Moyan’s opening, Demon Lord Gone waved his hand and said lightly: “Well, since you brought the person back, you have the final say on what to do with it.”

Moyan nodded and walked out quickly big account.

...

the other side.

Wei An brought thousands of Xuanwu warriors and colorful phoenixes to the new territory of the demon clan soon.

This chapter is provided by . Visit for daily update.

Soon, when I arrived at the stone hall in the new territory, I saw that the leaders of the entire demon clan had arrived, and they all had serious expressions.

The atmosphere was also a little depressing.

The White Tiger King sat there with a gloomy expression on his face.

Seeing this scene, Wei An was inexplicably panicked.

“Wei An!”

At this moment, King Xuanwu, who was sitting beside him, suddenly stood up and asked Wei An, “Why didn’t you follow us to the new territory, and you took three thousand Xuanwu warriors with you? What are you doing?”

“I…”

Father asked, Wei An was very frightened, scratched his head and explained, “Before I set off, I got news that a group of demon warriors appeared nearby, and the situation was critical at that time, and I didn’t have time I will report to your father and take someone there.”

Hearing this, King Xuanwu’s face softened a lot, and he said lightly: “Then what?”

” The canyon where Your Excellency is recuperating, I didn’t expect something to happen there.” Wei An tried to calm himself and responded.

Something happened?

King Xuanwu was stunned for a moment.

At the same time, the White Tiger King couldn’t help standing up, and said urgently: “What happened?” Yue Feng is the benefactor of the demon clan, so nothing can happen.

Also, my daughter Leah is there too.

Wei An did not answer directly, but glanced at the colorful Lingfeng beside him for help.

Wei An is not stupid, he knows some things, and he is not convincing to say it himself, but Qi Cai Lingfeng is different, she is the elder of the Vermillion Bird clan, and has a high reputation in the entire demon clan.

Swish!

At this moment, the eyes of the entire stone hall converged on the colorful Lingfeng.

Qi Cai Lingfeng did not answer directly, but waved at the outside. Suddenly, two warriors of the Xuanwu tribe walked in carrying the unconscious Liya.

“Ria!”

Seeing this scene, the White Tiger King’s heart trembled, and he hurried up to meet him. He was distressed and angry: “What happened?”

At this time, the White Tiger King clearly felt that the breath in Liya’s body was disordered. His face flushed, clearly a sign of poisoning. At the same time, Mengya

also ran over, and her beautiful face was full of worry: “What happened to my sister? How did it become like this? Hurry up and say it.”

In Ya’s heart, she still loves this sister very much.

“Your Excellency the White Tiger King!”

At this time, Qi Cai Lingfeng said slowly: “Don’t worry, Liya has taken Vermilion Bird Pill and is no longer in danger.” As

she said that, Qi Cai Lingfeng looked around, unable to hide her inner feelings. Angered, he continued: “Everyone, we were all deceived by Yue Feng’s superficial illusion. On the surface, he is unparalleled in benevolence and righteousness, but in fact, he is a despicable and shameless womanizer.”

What?

Hearing this, whether it was the White Tiger King, the Xuanwu King, or the surrounding demon clan leaders, their expressions changed.

Chapter 4117 In the

next second, the White Tiger King frowned and said displeased: “Qicai Lingfeng, don’t talk nonsense, don’t forget, Yue Feng is the inheritor chosen by Queen Suzaku, and he also passed on the power of bird ancestors. I gave it to him, and you have been doing your best to assist him before.” The

voice fell, and the surrounding Yao leaders nodded in agreement.

“Yeah, don’t talk nonsense!”

“Yue Feng saved our entire demon clan at that time, how could he be a lecherous villain?”

Listening to the discussions around, Qi Cai Lingfeng shook his head and said seriously: "When is it? , am I kidding about this? At that time, Yue Feng was in the cave and gave Liya 'Huanhe Water' to defile her. Fortunately, Wei An arrived in time to save Liya."

"I arrived at the time. At that time, Liya had already lost herself, so I gave her Zhu Que Dan, so she is in a coma now."

"Afterwards, when Wei An and I returned to the cave, Yue Feng had disappeared, and there were still traces of battle around. , and the corpses of many divine soldiers, according to my guess, Yue Feng was taken away by the demons." At the

end, Qi Cai Lingfeng looked at King Xuanwu: "These are what Wei An saw with his own eyes, if you don't believe me, ask him ."

For a moment, the entire stone hall was silent.

The Xuanwu King and the White Tiger King looked at each other in shock.

There is such a thing, Yue Feng wants to sully Liya...

After a few seconds, the Xuanwu King reacted and looked at Wei An and said, "Is this all true?"

Huh!

At this moment, the eyes of the audience suddenly converged on Wei An.

Afterwards, King Xuanwu took a deep breath and asked Wei An, "Wei An, is what Qi Cai Lingfeng said true?"

"Not bad!" When the

voice fell, Wei An nodded seriously: "Everything Qi Cai Lingfeng said is true. At that time, I was passing through the canyon and heard a strange sound coming from the cave, so I was curious and went to take a look."

"It turned out that I saw , Yue Feng gave Liya 'Huanhe Water', when I rushed in, Yue Feng was tearing Liya's clothes, and at that time, Liya had lost her sense." At the

end, Wei An made a pair of Looking angry, he said fiercely: "I was very angry at the time, so I taught Yue Feng a lesson, then took Liya away, and finally reached a valley, I wanted to help Liya detoxify the poison of 'Huanhe Water', but what The ability is limited, and there is no way to do it, but the colorful spirit phoenix arrived in time and used the Vermillion Bird Pill to quiet Liya."

"Wow!" The

voice fell, and the entire stone hall was full of discussions!

This Yue Feng, on the surface of benevolence and righteousness, did not expect that behind the scenes, it was such a person, and the entire demon clan regarded him as a great benefactor, which was really blind.

“But...” At this time, King Xuanwu frowned and shook his head at the same time: “But as far as I know, Yue Feng is not such a person.”

Hearing this, the eyes around him all looked at Xuanwu in surprise. King.

Now that the evidence is solid, what is there to doubt?

At the same time, the white tiger king next to him also took a deep breath and said, “There must be something else hidden in this matter, I also know who Yue Feng is, and he won’t do such a rude thing.”

Made.

At this moment, Wei An was a little anxious, and he couldn’t help but speak.

“King Xuanwu!”

Just before Wei An could say it, Qi Cai Lingfeng took a step forward with gritted teeth and said to the White Tiger King and Xuanwu King: “White Tiger King, Xuanwu King, you are all deceived by Yue Feng. Not only does he want to defile Liya, he has also Zeng almost ruined Mengya’s innocence.”

Saying that, Qi Cai Lingfeng looked at Mengya not far away, and continued: “The first night Yue Feng first came, I went to visit him in the secret room where he was resting, and saw that he used the The power of bird ancestors burned Mengya’s clothes...”

Speaking of which, if this kind of thing was in the Kyushu mainland, Qi Cai Lingfeng would definitely not say it, after all, this kind of thing is related to a woman’s innocence, but in the demon The clan is different, the women of the demon clan are not as conservative as the human women.

More importantly, Qi Cai Lingfeng was extremely disappointed with Yue Feng, and at this time, she wanted the White Tiger King to see Yue Feng clearly.

What?

Hearing this, the entire stone hall was in an uproar again.

Yue Feng not only wanted to be violent to Liya, but also did this kind of thing to Mengya before.

Both sisters are not spared, shameless.

So shameless.

Chapter 4118

“...”

At this time, Mengya came out slowly, with a bit of blush on her delicate face, and whispered: “One night, I took the initiative to find Yue Feng, want to Look at the power of Bird Ancestor.”

Although Mengya didn't like Yue Feng, she was straightforward and didn't want people to misunderstand her.

After all, what happened that night was mainly her fault.

However, Qi Cai Lingfeng shook his head: “Meng Ya, you are young and ignorant, and you don't know the characteristics of the power of bird ancestors. Although Yue Feng was injured, as the master of power of bird ancestors, he You can still control the power of the bird ancestors.”

“In other words, but Yue Feng doesn't want the power of bird ancestors to catch fire, it will be extinguished in a moment, and you will simply watch your clothes burn up.”

Speaking of this, Qi Cai Lingfeng looked around: “So, Yue Feng did it on purpose that night.”

Phew...

Hearing this, Meng Ya took a deep breath, her delicate body trembled, and she was very angry.

According to Qicai Lingfeng's statement, one night, Yue Feng pretended to be able to extinguish the flame of Bird Ancestor's power, but watched his clothes burn.

“Bastard!”

At this moment, the White Tiger King's expression changed, and he couldn't bear it any longer. He slapped the throne heavily, stood up abruptly, and shouted angrily, “This Yue Feng is so despicable, I respect him so much, but he treats me so much. The two daughters start.”

“This kind of scum, we still respect him so much in vain. If there is a chance in the future, we must cut him into eight pieces.”

“Yes, such a shameless villain, it is not a pity to die!” In an

instant, inside the stone hall The other leaders were also filled with righteous indignation, and they all followed suit.

Ha ha....

Seeing this, Wei An was as angry as everyone around him, but he was indescribably excited. In the end, he couldn't help it, and a smile appeared on the corner of his mouth.

Great, this black pot was successfully blamed on Yue Feng. Of course, it all depends on Colorful Lingfeng.

Wei An's expression changed, and the surroundings didn't pay much attention.

However, King Xuanwu saw clearly. At that time, he frowned secretly. Could it be that there is another secret about this matter? Otherwise, why would my son be so excited?

“Everyone!”

At this moment, the White Tiger King returned to his throne, looked around and said loudly: “Now I announce that the entire Yaozu and Yue Feng are cut off, and his life and death have nothing to do with the Yaozu.”

Saying these At that time, the White Tiger King was extremely angry.

He never thought that he respected Yue Feng so much, but the other party tried to attack his daughter.

At this time, the White Tiger King didn't know that he was being deceived. All of this was a lie fabricated by Wei An. Not only him, but also Qi Cai Lingfeng was also deceived.

“Follow the order of Your Excellency the White Tiger King.” The

last word fell, and the demon leaders of the entire stone hall responded.

The White Tiger King only felt physically and mentally tired, and waved his hand: “Okay, let's go!” In an

instant, the leaders walked out of the stone hall one after another.

Mengya also greeted the maid and carried her sister to the back to rest.

Wei An was relieved and followed everyone out of the stone hall, but he was still a little worried.

The framing plan was very successful, but it was only temporary. You must know that Leah was only temporarily in a coma, and she would wake up sooner or later. When she told the truth, she would be finished.

How to do it?

Outside the stone hall, Wei An became more and more worried.

...

On the other side, the Demon Camp.

Using Yue Feng to force Jiutian God to surrender failed, the Demon Lord Gone was very annoyed. Then let the Twelve Holy Demon Kings study together the way to decipher the Innate Formation.

However, the achievement of the Twelve Holy Demon Kings in the formation technique is less than half of that of the Demon Lord Gone, and the Demon Lord Gone can't break it, let alone them.

In this case, the Demon Lord Gone was even more annoyed.

"Your Highness!"

At this moment, Yutian came out and said boldly, "I think we should spend time cracking that innate magic circle, we might as well think of other ways."

"Do you have a way?" Demon Venerable Gone frowned and said angrily.

Yutian thought for a while, and said slowly: "Just now my subordinates got news that the demon clan has moved their territory, but during the migration process, many of our soldiers have been killed. I want to lead a reconnaissance team to find the demon clan. New territories, and then subjugate them with thunder."

Chapter 4119

"As long as the monsters surrender, we will let them be the vanguards and consume the power of the innate magic circle. When the power of the innate magic circle is almost exhausted, we will take the opportunity to launch an attack. At that time, the Yutian Palace will be broken.

"

Hearing this, Demon Zun Gone pondered for a while, nodded and said: "Okay, this method is feasible, this matter, I will leave it to you!"

“Yes, Your Highness!”

Jutian After answering, he quickly walked out of the tent. A few minutes later, he led five thousand demon warriors to explore the new territory of the demon race.

.....the

other side. Demon territory.

At this time, outside the stone hall, Wei An was standing there, ready to go to see Liya’s situation, but the moment he turned around, he was stunned.

I saw that my father, King Xuanwu, stood quietly behind him at some point, staring at him with a little scrutiny.

“Father!”

Wei An was uncomfortable with King Xuanwu’s gaze, but he squeezed out a smile: “Why are you looking at me like this?”

King Xuanwu didn’t answer directly, but said lightly: “Come with me, Let me ask you something.” After speaking, he turned around and walked towards the mountain behind the territory.

Wei An did not dare to disobey, and silently followed.

Along the way, King Xuanwu’s expression was indifferent, with no expression at all, and Wei An didn’t dare to ask any more questions.

Soon, on the mountain behind the territory, it was very remote and almost no one came.

“Father!”

At this moment, Wei An was inexplicably nervous, and asked cautiously, “What’s the matter? You still need to talk about it in such a place?” Perhaps there was a ghost in his heart. When he said this, Wei An felt very uneasy.

“Beast!”

As soon as he finished speaking, King Xuanwu’s face was full of anger, and he suddenly shouted: “You kneel down for me.”

With a sudden roar, Wei An shuddered, his legs were weak, and he knelt directly on the ground. .

“Let me ask you.” King Xuanwu looked at Wei An closely and asked coldly, “What is the truth about Liya? You tell the truth, if you hide anything, you will no longer be my son in the future. .”

King Xuanwu is very thoughtful. He has been in contact with Yue Feng several times, and he doesn't believe that Yue Feng is a lecherous villain. Moreover, he knows his son too well, and if he wants to get something, he must not compromise. means. Wei An has been in love with Liya since childhood.

Therefore, at that time, it was possible that it was not Yue Feng but his own son Wei An who wanted to defile Liya.

In the stone hall, when this idea flashed, King Xuanwu was not quite sure, but seeing the smile on Wei An's face when he walked out of the stone hall, King Xuanwu firmly believed in his guess.

“Father...Father!”

Wei An knelt there, sweat pouring out from his forehead, and tried to defend, “I said it in the stone hall just now, and it's all true.”

At this time, Wei An was very worried. Panic, but he knew that the truth could never be told.

“Fact?”

King Xuanwu's face was cold and he said angrily: “Others don't know you, but I don't know you? You looked so happy in the stone hall just now that you really thought I didn't see it? If you don't say it again, I'll give you to The White Tiger King, just don't have this son...”

Xuanwu King was just right, and he would never allow his son to do things that would harm the tribe.

Swish!

Hearing this, Wei An's face changed, and he quickly said: “No, Father, I said, I said...” The methods of the White Tiger King are known to everyone in the entire demon clan, and they are very cruel. If it falls on him In hand, it is completely over.

Afterwards, Wei An explained the real situation in detail.

At the end of the story, Wei An knelt there and kept kowtowing, and said with sincerity: “Father, it's all my fault, I'm a beast, I shouldn't have bad thoughts about Liya, please, please forgive me this time. , please.”

“You...”

Knowing the truth, King Xuanwu was so angry that he trembled, pointed at Wei An and cursed: “You bastard, Yue Feng is the great benefactor of our demon clan, how dare you If you do such a shameless thing and put the blame on him, you will lose all the face of the Xuanwu clan.” After speaking

, the Xuanwu King took a deep breath: “You go to the White Tiger King now and plead guilty in public. How to deal with it depends on your good fortune.” The

voice fell, Xuanwu King turned around and was about to leave.

Chapter 4120

Seriously, King Xuanwu doesn't want to do this either. After all, Wei An is his own son, but if he doesn't do this, the truth will be exposed in the future, and the Xuanwu clan will not be able to raise their heads in the entire demon clan.

After all, Yue Feng was the benefactor of the entire demon clan, and Wei An slandered him, which meant contempt for the entire demon clan, which was no small matter at this time.

“Father!”

Seeing that King Xuanwu was about to leave, Wei An was in a hurry, jumped up and hugged his leg, crying and begging: “Please, father, I don't want to be judged in public, I don't want to die.”

At this time, Wei An was really scared, he really didn't expect that his father and king would make such a decision, you must know that if he slandered Yue Feng, he was going to be judged in public, and he would end up in a terrible way. miserable.

In the face of his son's request, King Xuanwu was indifferent and said coldly: “When you slandered Your Excellency Yue Feng, you should have thought about this result.”

After speaking, King Xuanwu's face was full of hatred: “Wei An, I am so disappointed. Your Excellency Yue Feng saved our entire demon clan. Not only did you have no gratitude, but you also blamed him. Even if I wanted to spare you, the White Tiger King and other leaders knew, would they spare you? “

If I cover you up, what will the Xuanwu people do?”

“No, Father...” Wei An was completely panicked, knelt there and kept kowtowing: “If you do this, how sad your mother will be in the spirit of heaven.” , I really knew I was wrong this time, Father, please give me a chance, just a chance...”

Hu...

looked at Wei An with a pitiful look, and also mentioned his mother, King Xuanwu. Taking a deep breath, he suddenly softened.

Wei An's mother was King Xuanwu's favorite woman, but she had a bad face. When Wei An was very young, she became seriously ill. At that time, King Xuanwu searched for a lot of healing medicines, but they didn't work. His mother died in the Sealed Lands.

Because of this, King Xuanwu has always felt a little guilty towards Wei An.

"Okay!"

Finally, after a moment of silence, King Xuanwu opened his mouth and said, "Then I will spare you once as a

father." Kneel down.

"I can spare you, the White Tiger King and the other leaders, but I can't spare you easily." Xuanwu King's face was cold, without the slightest fluctuation, and said coldly: "If you want to save your life, you have to take advantage of Liya. Before you wake up, will you make up for the merits?"

Will you make up for the merits?

Hearing this, Wei An's head shuddered suddenly, and subconsciously said: "Father, what are you going to tell me to do?"

Wuwuwu...

King Xuanwu was about to respond when suddenly, a horn sounded from the entrance of the territory, and the demon As soon as the horn sounds, it means that there is a major enemy situation.

At that time, King Xuanwu did not hesitate, and took Wei An and quickly rushed towards the stone hall.

When they arrived at the stone hall, they saw that the White Tiger King and the other leaders had already arrived, each with a solemn expression.

"What happened?" Xuanwu King couldn't help but asked.

Wei Anan stood by the side, unspeakably uneasy. Compared with the happy mood before, it was completely in the sky and the other in the ground.

call!

The White Tiger King breathed a sigh of relief, looked at the Xuanwu King and said, "The news just came that the Demon Lord's subordinate, Jutian, one of the Twelve Holy Demon Kings, is coming to our new territory with 5,000 Demon Warriors."

Saying that, the White Tiger King looked around: "This matter is no trivial matter. We must send a warrior as soon as possible to lead Jutian away. Otherwise, once the new territory is discovered, we will no longer have a place to hide."

Hearing this, the other leaders around subconsciously lowered their heads.

Yutian, one of the twelve holy devil kings, is very powerful. Although this task is to lead him to another place, it is also a very dangerous task. Because of a little carelessness, I am afraid that he will not be able to come back alive.

At this moment, King Xuanwu looked around, and finally his eyes fell on Wei An: "Let Wei An do this task."

When he said this, King Xuanwu's eyes flickered with complexity.

Yes, King Xuanwu is going to let Wei An make up for his faults. You must know that Wei An slandered Yue Feng, but it is a huge crime. Only by making continuous achievements in battle can it be possible to obtain the forgiveness of the entire demon clan.

The ultimate husband in Chinese chapter 4121-4130

Chapter 4121

What?

Hearing this, Wei An trembled and almost sat on the ground.

Father is crazy, want to let yourself go to distract Jutian? Isn't this a death sentence?

Feeling Wei An's nervousness, King Xuanwu tilted his head and lowered his voice: "Wei An, this is your best chance, as long as you behave well, when Liya wakes up and things are revealed, there is still room for manoeuvre, understand?"

Wei An was full of misery, but nodded anyway.

As of now, it can only be so.

At this time, the White Tiger King walked over slowly, looked at Wei An and said, "Wei An, are you sure?"

Hu...

Wei An took a deep breath, nodded and said, "Yes, everyone, don't worry, I will definitely lead Youtian to the place. Elsewhere, we will never let him find out about our new territory."

When he said this, Wei An's face was full of confidence, but he almost cried in his heart.

To be honest, he really didn't want to accept this task, but he couldn't help it, because King Xuanwu said it well, if you miss this opportunity, when Lia wakes up, it will be too late.

Only by taking this opportunity and making great contributions can we make up for the previous mistakes.

"Yeah!" The

White Tiger King nodded approvingly, and then smiled at the Xuanwu King: "You have given birth to a good son, I am very proud of our demon clan to have such a warrior."
The

voice fell, and the other leaders also nodded their heads. go along.

This chapter is provided by . Visit for daily update.

Listening to everyone's admiration, King Xuanwu smiled and his heart was extremely complicated.

Soon, Wei An left the new camp with dozens of warriors.

hiss!

A few minutes later, when they arrived at a place more than ten kilometers away from the new territory, seeing the scene in front of them, whether it was Wei An or dozens of demon warriors, they couldn't help but gasp.

I saw that not far ahead, a team of demons was coming in a mighty way. Although there were only a few thousand people, the explosive atmosphere was extremely astonishing.

The leader, dressed in black and red armor, with a breathtaking aura, is Jutian, one of the twelve holy demon kings.

Swish!

At this moment, seeing Wei An's group, whether it is Jutian or thousands of demon warriors, their eyes converged instantly.

"Haha..."

Soon, Jutian laughed and said proudly: "It's really God's help, I met the demon clan so quickly, come on, give me all these dozens of demon clan guys. Get down."

Swish swish... The

voice fell, and nearly a thousand demon warriors erupted one after another, rushing towards Wei An. I saw that the sky was distorted, and the momentum was amazing.

"Let's go!"

Seeing this scene, Wei An's face turned pale, but he still forced himself to calm down. After shouting, he turned and ran away.

The mission this time was to lead Jutian away, as far as possible from the new territory. Therefore, there is no need to fight against the thousands of demon warriors in Jutian.

As soon as the voice fell, dozens of demon warriors followed Wei An and ran towards the opposite of the new camp.

"Run?"

Seeing this scene, You Tian sneered: "Can you run?" After saying that, he led the remaining demon warriors and quickly chased in the direction Wei An fled.

After half an hour.

After some pursuit, Wei An and his group were soon trapped in a valley.

"Boy!"

At this moment, Yutian stared at Wei An and said coldly, "None of the prey I was eyeing for Yutian could escape successfully, accept your fate!" The voice fell, and the power of the demonic soul burst out, and the figure Lightning fast, coming directly thinking of Wei An.

mad.

Feeling Yutian's speed, Wei An was taken aback. He didn't have time to dodge, so he could only push his energy to attack.

boom!

In the next second, the figures of the two sides collided in mid-air, and a vibration was heard. Wei An was directly shaken and flew out, while Yu Tian was suspended there, as steady as a rock.

"Pfft..."

Wei An flew for more than 100 meters, and after landing heavily, a mouthful of blood spurted out, and his face instantly paled.

"With this little strength, you dare to fight with me?" Yutian's face was full of contempt, and then he waved his hand: "Take it!" The

voice fell, and a dozen demon warriors came over quickly, tying Wei An with five flowers, and at the same time, with Wei Dozens of demon warriors who were with An were also captured.

"Speak!"

At this moment, Jutian sat on a rock and looked at Wei An coldly: "Who are you? Where is your new territory?"

Chapter 4122

Call!

Facing Yutian's inquiry, Wei An secretly exhaled, pretending to be very frightened, and whispered: "Return to Your Excellency, my name is Zhou Wu, my companion and I are an after-care patrol team, and for the time being I don't know the location of the new territory." After

speaking, Wei An tried his best to calm down and continued: "When the relocation was made, His Excellency the White Tiger King dispatched several after-care patrols to patrol around the old territory. The purpose is to prevent you from knowing the location of the new territory."

When he said this, Wei An was very sincere, but he couldn't express his anxiety.

The mission that came out this time is to lure away the Demon Lord's army and protect the new territory. More importantly, it is also the only opportunity for me to make up for my mistakes, so I must not make mistakes.

Wei An thought about it, as long as his true identity is not exposed, the Holy Demon King in front of him should not do anything to him.

After all, Jutian is one of the Twelve Holy Demon Kings, with an extraordinary position and self-contained identity, so he should not be ruthless against a patrol.

"I don't know?"

Hearing this, Youtian didn't doubt Wei An's identity, but his face still sank, and he said coldly, "Boy, do you know who I am? Have you ever thought about lying to me?"

Om. The

voice fell, and a terrifying aura swept the audience.

Feeling the powerful pressure, Wei An secretly swallowed his saliva and panicked, but he still insisted: "What I said is the truth, I dare not lie in the slightest, please be merciful, Your Excellency.

", Wei Fang pretended to be very flustered, his legs were weak, and he seemed to be unable to stand still.

Ha ha...

Seeing him like this, the corners of Jutian's mouth twitched, revealing a bit of contempt. These warriors of the demon race really have no courage at all, and they were frightened like this just by asking a few words.

Thinking to himself, Yutian no longer doubted, and continued to ask Wei An: "Okay, since you said that you don't know where the new territory is, then I ask you, after you have completed the task, how will you find the White Tiger King to meet?"

"

Wei An pondered for a while, his head turned quickly, and he responded: "When Your Excellency the White Tiger King assigned us a mission, he gave us half a day, and when the half day was up, let us go to a canyon to meet. When the time comes, the White Tiger King will send his subordinates to come down to meet us."

At this time, Wei An was very flustered in the face of Jutian's constant questioning, but he knew that if he couldn't tell the truth, he could only talk nonsense.

A canyon?

Yutian's eyes flashed and he asked, "What canyon, where is it?" As he spoke, Yutian couldn't hide his excitement.

Finally got some clues.

Without any hesitation, Wei An directly stated where Yue Feng had recuperated.

At this moment, Yutian made a decisive decision and ordered to a demon general next to him: "Go immediately, if you encounter a demon clan, take them all."

"Yes, Your Excellency Demon King." The

voice fell, and the demon general responded . , and then with several hundred demon warriors, they quickly rushed towards the canyon.

"Your Excellency."

At this time, Wei An took a step forward and said cautiously to Jutian: "I have already said what I should say, we are just some worthless and unworthy people, please forgive us and spare our lives, Let's leave." After

speaking, Wei An raised his hand and continued: "As long as your Excellency lets us go, I promise that I will never fight against the demons in the future."

Hu...

Seeing Wei An's timid look, Yutian chuckled, didn't bother to talk nonsense, waved his hands and said: "Okay, I'm in a good mood today, I'll let you go, but you have to remember you. What you said."

Wei An guessed right, Yutian was very conceited, and under his own identity, he would not attack these monster warriors at all. After all, this little monster leader in front of him had already told himself everything he knew.

However, Yutian didn't know that he was completely deceived by Wei An.

"Thank you, Your Excellency. Thank you, Your Excellency."

At this moment, Wei An was overjoyed, thanking Yutian again and again, and then left quickly with dozens of demon warriors.

Chapter 4123

Haha... At

that moment, Wei An rushed into the sky with dozens of subordinates, feeling indescribably comfortable.

This mission was really smooth.

I thought that in the hands of this holy devil, I would die, but I didn't expect to get out so easily. When I return to the territory later, my father will be very pleased.

the other side.

Wei An had just left with dozens of demon warriors, and soon, the demon general sent by Youtian returned with hundreds of demon warriors.

"Your Excellency the Demon King."

At this time, the Demon General quickly came to Yutian with a very complicated expression: "My subordinates explored the canyon, but didn't see a demon clan, and, near a cave, I saw a lot of dead soldiers of the gods."

After speaking, the demon general thought for a while, and continued: "My subordinate suspects that there is a dispute between the demon clan and the god's realm, and the two sides fought, and the demon clan kid just now deliberately We led us there to use us to deal with the realm of the gods."

"We were deceived." At the

very last sentence, the demon general looked solemn and slowly stepped aside.

Swish.

Hearing this, Yutian's face instantly turned hideous, almost unforgivable, and roared: "Ma De, that stinky boy just now dared to lie to me, hurry up, chase him back to me."

"Yes!" The

voice fell . , Thousands of demon warriors burst out one after another, chasing in the direction Wei An left, but after so long, in the vast sky, where is there still Wei An?

.....

On the other side, Wei An took dozens of demon warriors, flew for half an hour, and finally returned to the new demon land.

When entering the stone hall, I saw that the White Tiger King, Xuanwu King, and many other leaders had already arrived. They all looked expectant, and they had obviously been waiting here for a long time.

After all, protecting the new territory from intrusion is related to the future development of the demon clan, so Wei An's mission this time seems to be ordinary, but it is of great significance.

"Father! Your Excellency the White Tiger King."

This is, Wei An slowly walked forward and said with a slight salute.

The White Tiger King nodded, indicating that he would be excused.

King Xuanwu had an urgent look on his face, and couldn't help but ask, "How is the situation? Have you met

the demons?" "Yes." Wei An nodded.

Wow...

the voice fell, and the entire stone hall, whether it was the White Tiger King or the other leaders, were all emotional.

King Xuanwu also took a deep breath, unable to hide his nervousness: "What's the result?"

Wei An smiled slightly and said slowly: "Father, don't worry, I have successfully led the thousands of demons to our old man. Near the territory, that is, in the canyon where Your Excellency Yue Feng rests, they won't be able to find us in a short time." After

speaking, Wei An looked around and continued: ". We can rest in peace."

Mrs. All right.

Knowing these circumstances, the entire stone hall was filled with joy.

King Xuanwu also nodded in approval, looking at Wei An's eyes, showing a gratified smile.

Although this son has bad behavior, he has not let himself down in such a big event.

"Okay, okay."

At this time, the White Tiger King couldn't say how happy he was, and he praised the Xuanwu King: "Xuanwu, you have such an excellent son, which is really enviable."

After that, the White Tiger King Turning to look at Wei An, he smiled and said, "Wei An, what was the specific situation at that time, can you tell me?"

Shuh.

The words fell, and the eyes of the entire stone hall converged on Wei An at once. Like the White Tiger King, they all wanted to know how Wei An attracted the demon army away.

At this time, Wei An really enjoyed the feeling of being watched by everyone. At that time, he was pacing slowly in the stone hall, telling the story of how he encountered the Holy Demon King Jutian and how he tricked him into going to the canyon. Say it in detail.

At the end of the story, Wei An smiled and said: "The Holy Demon King Jutian is too arrogant, thinking that we, the dozens of monster warriors, have no threat to him, so he easily let us go, but how could he? I never thought that I was like a clown, being played around by me, haha..."

Chapter 4124

Haha...

The entire stone hall also burst into laughter, which was a tense atmosphere, but also became relaxed.

You must know that the Demon Race is too powerful and is the biggest threat to the Demon Race. Now that it has avoided a head-on confrontation with the Demon Race, can you be unhappy?

"Your Excellency the White Tiger King."

At this moment, a maid walked in quickly, her face couldn't hide her joy, and respectfully said to the White Tiger King: "Miss is awake, she is awake..."

Wow..

At this moment, the entire stone hall was in an uproar, and the surrounding leaders were extremely happy.

"It's great, Miss Liya is also awake."

"Haha, today is really a good day for our entire demon clan."

"Yeah..." The

surrounding discussions came, and the White Tiger King was also full of With a smile on his face, his mood is indescribably relaxed.

Great, my daughter was in a coma for more than ten hours and finally woke up.

broken.

However, Wei An, who was standing in the center of the stone hall, trembled in his heart, and suddenly panicked, completely lost his smug look before.

When Leah woke up, she couldn't hide the truth.

King Xuanwu also looked complicated.

"Let's go."

This is, the White Tiger King reacted, and said to the maid with a smile: "Go and have a look." The

voice fell, and he walked out of the stone hall first.

"father!"

Seeing this scene, Wei An felt even more uneasy, and couldn't help but whispered to King Xuanwu: "This... what should I do with this?"

King Xuanwu took a deep breath and comforted: "Don't panic, this is the end, it's time to face You have done a great job just now, and the White Tiger King will not do anything to you."

After speaking, the Xuanwu King waved his hand: "Let's go and have a look."

Hmm.

Hearing this, Wei An calmed down a little, and followed King Xuanwu towards Lia's resting room.

At this moment.

Leah's room.

Um?

Lia was sitting on the bed, only to feel the pain all over her body, and her head was a little dizzy. After looking around, she was stunned.

Is this new territory?

No, I wasn't drugged by Wei An, and then...

Thinking of the scene at that time, Liya Suburban trembled, and a burst of anger burst out in my heart. That Wei An was so despicable, I believed him so much. , he actually wanted to defile himself...

The more Liya thought about it, the more angry she became, and she was about to get out of bed.

"Lia."

However, at this moment, a shout came from outside, and then the door was pushed open, and the White Tiger King, as well as several elders of the demon clan, Qi Cai Lingfeng, walked in quickly.

"Haha.."

At this moment, seeing that Liya really woke up, the White Tiger King was happy and relieved, he quickly walked over and took Liya's hand, comforting: "My good daughter, seeing you it's alright, my father, I can rest assured."

"I've really wronged you on this day."

Saying that, the white tiger king showed a bit of anger on his face: "It's all my fault that the father is not good, he didn't see the right person, that Yue Feng is so despicable, and the father wants you to take care of him, it's really a mistake, but fortunately, you I'm lucky that nothing happened."

What?

Hearing this, Lia only felt her brain buzzing and a little dazed.

What did the king say?

Did he see the wrong person? Yue Feng is despicable?

Where is this going?

Just when Liya frowned secretly, all the people around the colorful Lingfeng also spoke.

“Ria, rest in peace, Yue Feng, the shameless villain, has already received his retribution.”

“Yes, don’t think too much, just rest in peace.”

“Even if that Yue Feng is not dead, next time we meet, our whole The demon clan will also help you get justice.”

When everyone said this, King Xuanwu and Wei An who came in later did not stand forward, but watched the situation quietly from behind.

And Leah was even more confused.

What is the situation? Why are they all blaming Your Excellency Yue Feng?

Your Excellency Yue Feng, you didn’t do anything to yourself.

Thinking to herself, Liya said to King White Tiger: “Father, what are you talking about, what did Your Excellency Yue Feng do to me?” Huh

!

Seeing her like this, the White Tiger King thought that his daughter was intoxicated by Yue Feng’s stimulation, and his heart suddenly surged with anger, and said fiercely: “My good daughter, have you forgotten? Yue Feng gave you ‘Huanhe Water’, I wanted to defile you, but fortunately Wei An arrived in time to stop Yue Feng’s atrocities.”

Chapter 4125 After speaking

, the White Tiger King looked back at Qicai Lingfeng and continued: “Later, it was Qi Cailingfeng who gave you Zhuque Pill to suppress the effect of the medicine in your body.” The

voice fell, Qi Cailing Feng Qianqian smiled, shook his head and said, “Your Excellency the White Tiger King is too polite, our entire demon clan is as close as a family, this is what I should do.”

This...

Seeing this situation, Liya was stunned, completely stunned. covered.

Your Excellency Yue Feng wants to defile himself? This has never happened.

“Sister!”

At this moment, a slender figure walked over quickly, it was Mengya.

Nightmare hugged Liya’s arm, her delicate face was full of anger and contempt: “Sister, you are so good to that Yue Feng, but he is plotting against you, but God has eyes, after Wei An rescued you. , Yue Feng was caught by the demons.”

“This kind of despicable villain, hmph, it’s better to be cramped and skinned by the demons.”

Mengya’s words, like raindrops, kept hitting Liya’s heart.

“No.”

Finally, Liya reacted, shook her head and said to the White Tiger King: “That’s not the case, Your Excellency Yue Feng is upright and upright, he never wanted to defile me, and he never gave me ‘Huanhe Water’.

” You...you all misunderstood him.”

What?

Hearing this, the White Tiger King, Qi Cai Lingfeng, and Meng Ya were all stunned.

Not Yue Feng? Who is that?

“Lia!” The White Tiger King took a deep breath, looked at Lea closely and asked, “Whoever gave you ‘Huanhe Water’ is not Yue Feng, who is that?”

Swish.

The voice fell, and the eyes of Qi Cai Lingfeng and Meng Ya, as well as others, were also looking at Li Ya, waiting for her answer.

Liya didn’t answer immediately, but looked around. Finally, behind the crowd, she saw Wei An standing at the door. At that time, Liya’s tender body trembled, and a wave of grief and anger surged out of her heart. She raised her hand and shouted tenderly. :
“It’s him.”

Saying that, Liya bit her lip tightly, jumped off the bed, walked quickly to Wei An, raised her jade hand, and slapped it hard.

Snapped.

With this slap, Liya used all her strength, and with Liya's endless anger, she heard Wei An groan, her figure staggered back, and a trace of blood came out from the corner of her mouth.

"Wei An."

At this time, Liya was almost furious: "You were the one who gave me the 'Huanhe Water', and it was you who wanted to defile me, but you put the blame on Your Excellency Yue Feng, if it's shameless, You are the most shameless, Your Excellency Yue Feng is the great benefactor of our monster clan, you let him take the blame, where is your conscience?"

What?

Seeing this scene, whether it was the White Tiger King, or the surrounding Colorful Lingfeng and Mengya, they all stood on the spot.

The truth is going to defile Lea, is it... Wei An?

"Father, everyone."

Li Ya's suburban trembled, looked at the White Tiger King first, then looked around: "The situation at the time was like this, Your Excellency Yue Feng and I, took it well in the cave, and the result was that Commander Gong Ao suddenly appeared and surrounded us..."

In the next few minutes, Li Ya explained the details of the situation one by one.

At the end, Li Yayu pointed at Wei An and said angrily, "When Your Excellency Yue Feng and I were under siege, Wei An didn't want to save us from the danger, but made an agreement with Gong Ao to take me first. When I went out, I was really naive at the time, thinking that he would help me regain my strength, and then go back together to save Your Excellency Yue Feng, but I never thought that he would do something in the Xuanwu Huiyuan Pill."

Shah!

At what time, all eyes converged on Wei An at once.

The whole room was also silent, and a drop of a needle could be heard clearly.

At this moment, whether it is the White Tiger King or Mengya, they are all extremely angry. This Wei An is really shameless, and he even slandered Your Excellency Yue Feng.

Wei An covered his face, his eyes flickered constantly, and his heart was even more panicked.

It's over, it's over now.

Alas...

The colorful Lingfeng standing on the side is even more complicated, annoyed, and ashamed.

Didn't expect the truth to be like this.

I... misunderstood Yue Feng.

The ultimate husband in Chinese chapter 4126-4130

Chapter 4126

"Father!"

Finally, after a brief silence, Mengya was the first to react, pointing to Wei Anjiao and shouting, "Tie him up and pull him out for trial."

Although Mengya is still young, her personality is also very good. It was a bit unruly, but it was still clear what was right and what was wrong. Although she didn't like Yue Feng, he was a big villain of the demon clan after all.

And Wei An used such despicable means to slander Your Excellency Yue Feng, which is simply unforgivable.

When the words fell, Liya and Qicai Lingfeng nodded in agreement.

Wei An did this kind of thing, according to the rules of the demon clan, he must be tried in public.

call!

The White Tiger King took a deep breath, his face was gloomy, and he did not respond.

puff.

Facing this situation, Wei An was completely panicked, knelt down at once, and pleaded with Liya: "Liya, it's my fault, I'm a beast, I'm obsessed, I shouldn't treat you like that, but I really love you too much to do such absurd things, you forgive me..."

Then, Wei An shouted at the White Tiger King again: "Your Excellency White Tiger King, I really regret it, I beg you to forgive me. For the sake of serving the demon clan just now, don't judge me publicly, please..."

When he said this, Wei An almost cried, and his voice trembled.

Facing Wei An's plea, King White Tiger was about to speak, but was interrupted by King Xuanwu's violent shout.

"You bastard."

At this time, the Xuanwu King suddenly shouted angrily, rushed over and kicked Wei An. Hearing Wei An screaming, he fell directly to the ground.

This chapter is provided by . Visit for daily update.

However, King Xuanwu was still not relieved, and he kept kicking Wei An, and while kicking, he cursed: "I have such high expectations for you, but you have done such a shameful thing, are you worthy of your dead mother? If I don't kill you today, I won't be your father."

The Xuanwu King at this time was very angry on the surface, but he was actually doing it for the White Tiger King.

King Xuanwu was quite resourceful. He knew that if he didn't express his opinion, King White Tiger would really let his subordinates tie Wei An and put him on trial. After all, Wei An almost defiled his daughter.

But if he plays a 'bitter game', the White Tiger King will be soft-hearted.

After all, he is the king of the Xuanwu clan, and his status is comparable to that of the White Tiger King. If he did this, the White Tiger King should give him face.

"Father, don't beat me, I was wrong, I was wrong..." Wei An was kicked and rolled on the ground, miserable, and kept begging for mercy.

Wei An is not stupid either. He knew that his father did this to show the White Tiger King and the others, so he cooperated very well.

"Okay, alright."

Seeing that King Xuanwu was fighting more and more fiercely, King White Tiger finally couldn't stand it anymore, and came up to stop him: "King Xuanwu, calm down too."

Phew!

King Xuanwu took a deep breath, stopped and said angrily: "King White Tiger, I'm so embarrassed for giving birth to such a beast, you can deal with him, don't worry about my face."

Saying this, King Xuanwu secretly pay attention to the change in the expression of the White Tiger King.

That's right, King Xuanwu said this because he made progress by retreating.

After all, no matter how unbearable Wei An is, he is still his own son.

"Really?" White Tiger King's eyes flickered and he said lightly.

At this time, the White Tiger King seemed to have calmed down, but looking at Wei An, his eyes flashed with anger.

Wei An, this bastard, not only wants to slander his own daughter, but also slander Your Excellency Yue Feng. This kind of scum, it is not a pity to die a hundred times.

Uh...

King Xuanwu was stunned for a moment. He didn't seem to have thought that King White Tiger would take it seriously, but at the time it was not easy to go back, so he could only bite the bullet and say, "When did I go back on my words?"

"Okay!"

Hearing the answer, White Tiger Wang nodded, then looked at Wei An and said, "Wei An, your actions should have been publicly judged, but in view of King Xuanwu's face and the great deeds you have just made for the demon clan, I will spare your life."

"Thank you. Your Excellency the White Tiger King, thank you..." Wei An was overjoyed, and hurriedly knelt down and kowtowed to thank him.

Just after saying a few words, he was interrupted by the White Tiger King.

"Don't be in a hurry to thank me." The White Tiger King looked indifferent and said coldly: "The death penalty can be avoided, and the living crime is inevitable. I now announce that I will expel you from the demon clan. From now on, you will no longer belong to our demon clan. , let alone step into our demon clan territory."

Chapter 4127

What?

Hearing this, Wei An only felt his brain buzzing, and instantly went blank.

Are you going to be expelled from the entire demon clan? How can this work?

With the current situation of God's Domain, if you leave the domain by yourself, no matter if you meet the demons or the gods and soldiers of God's Domain, you will be dead.

Thinking of this, Wei An was extremely frightened, and begged bitterly at the White Tiger King: "Your Excellency White Tiger King, please be merciful, don't expel me from the demon clan, I was wrong, really wrong."

While begging, Wei An looked at King Xuanwu for help.

Seeing his son's pitiful appearance, King Xuanwu couldn't bear it, so he wanted to speak to help.

"King Xuanwu!"

However, the White Tiger King didn't give him a chance to speak at all, and said with a half-smiling smile, "You asked me to execute Wei An just now, so you won't regret it now?" After speaking

, the White Tiger King looked at Wei An. An glanced, and continued: "The big benefactor who slandered the entire demon clan, what kind of fate will be, everyone present knows that I have made such a decision, and it is already open to the net."

Uh....

Xuanwu King's face is embarrassed , I don't know how to respond.

At the same time, there was a lot of discussion in the room.

Mengya was anxious and angry, and looked at the White Tiger King in a puzzled way: "Father, why did you spare his life? This Wei An is too hateful, and it's not a pity to kill him for this kind of scum." The

voice fell . , Qicai Lingfeng also said: "Yes, Wei An has bad behavior and slandered others, so you mustn't forgive it."

When she said this, Qicai Lingfeng was very excited. She was deceived by Wei An and misunderstood. In addition to guilt, Yue Feng also hated Wei An to death.

Seeing the White Tiger King at this time, he just expelled Wei An from the demon clan, and his heart suddenly became anxious.

“Don’t talk about it.” The

White Tiger King’s face did not fluctuate at all, he waved his hand and said, “Wei An’s matter has been decided like this.” The

voice was not loud, but there was no doubt about it.

For a time, Qi Cai Lingfeng and Meng Ya both shut their mouths, and although they were a little dissatisfied, they did not refute. You must know that the White Tiger King has a supreme position in the entire demon clan, and his words represent the entire demon clan.

Seeing that they all shut their mouths, the White Tiger King nodded in satisfaction. The next second, the White Tiger King quietly looked at the Xuanwu

King and said, “How is it? Your Excellency Xuanwu King, do you have any objection to this decision?”

.

Speaking of which, the White Tiger King also wanted to look at King Xuanwu’s face and spared Wei An once, but when he thought about his daughter, he was almost defiled by him, and he couldn’t stop his anger.

More importantly, Wei An slandered Your Excellency Yue Feng, which cannot be tolerated.

Swish!

At this moment, all the eyes of the room suddenly converged on King Xuanwu.

Xuanwu King’s face was gloomy and uncertain, then he squeezed out a smile, nodded at the White Tiger King and said: “Your Excellency White Tiger King, you are fair and strict, you can take my face and spare the dog’s life, I am very grateful, how could there be What about the objection?”

At this time, King Xuanwu had a smile on his face, but he was extremely annoyed in his heart.

Mad, the white tiger king, thought he could take my face and treat Wei An lightly, but he never thought that he would actually expel Wei An from the demon clan.

He is only such a son. If Wei An leaves the territory and something happens to him, wouldn't he be doomed?

But...the words that were said, the water that was poured out.

Just now, I have let the White Tiger King deal with it. If I regret it, how can I stand in the demon clan in the future?

Forget it, that's it for now, and I'll think of a way later.

"Father!"

Seeing Xuanwu's words, Wei An suddenly became anxious and couldn't help shouting: "I can't leave the demon clan, you have to help me, you must help me..."

"I If you leave the territory and get caught by the demons, you will die."

At this time, Wei An was panicking, because half an hour ago, Wei An had deceived Yutian, who was the twelve holy demon kings of the demons. One, the strength is tyrannical, and he will not give up if he is deceived. I am afraid that he is sending his subordinates and looking for himself everywhere.

Wei An could imagine what would happen if it fell into Yutian's hands.

Chapter 4128

"Beast, you shut up!" As

soon as the voice fell, King Xuanwu's face was gloomy, he slammed, pointed at Wei An and cursed: "You have the face to let me help you when you do this kind of thing. You? Do you know that your crime is enough to behead your head, and His Excellency the White Tiger King spared your life, which is already the greatest kindness, what kind of face do you have to beg for mercy ?

"

So, but things have come to this point, nothing can be changed.

Hearing this, Wei An was completely stunned. In the next second, Wei An took a deep breath and said

gratefully to the White Tiger King: "Thank you, Your Excellency

White Tiger King, for your kindness."

Heading towards King Xuanwu, he said, "Your father and son have a match, you can send them off."

King Xuanwu nodded and took Wei An out of the room.

Afterwards, Qi Cai Lingfeng also said goodbye and left.

Phew...

Watching King Xuanwu and his son leave, Liya and Mengya in the room looked complicated.

"Father!"

Finally, Mengya came over, took the White Tiger King's arm, and couldn't help asking: "I just don't understand why you spared Wei An, this bastard, almost ruined my sister's life. Innocent, and slandering Your Excellency Yue Feng. You just kicked him out of the demon clan, it's too light."

Li Ya, who was next to him, didn't speak, but she was also somewhat doubtful and dissatisfied.

The White Tiger King breathed a sigh of relief and smiled bitterly: "I know that you are dissatisfied, in fact, I also really want to kill Wei An immediately, but you also know that the main fighting force of our entire demon clan is our White Tiger clan and Xuanwu clan."

"Once I kill Wei An, the Xuanwu King will definitely be dissatisfied. At that time, he may lead the Xuanwu clan to leave."

"The Xuanwu clan will leave, and the strength of our entire demon clan will be weakened by half. The clan is attacking, how can we stop it? So, for the safety of the entire demon clan, forget about it."

When he said this, the White Tiger King looked complicated.

Liya and Mengya looked at each other, and at this time they both understood the painstaking efforts of the White Tiger King. It turned out that he spared Wei An for the sake of the overall situation.

the other side.

King Xuanwu took hundreds of warriors of the Xuanwu tribe and sent Wei An out of the new territory.

Along the way, no one spoke, and the atmosphere was very dull.

Especially Wei An, who couldn't express the depression and anger in his heart, Ma De, who managed to lure away the powerful enemy Jutian, made contributions to the entire demon clan, but was expelled from the demon clan by the White Tiger King.

"Father!"

Finally, outside the territory, Wei An couldn't bear it any longer, and looked at King Xuanwu puzzled: "Why didn't you object when the White Tiger King announced just now? Don't you have the heart to see me helpless from now on? Damn, wandering around?"

Alas!

King Xuanwu sighed and said slowly: "Wei An, you have seen the situation at that time. What if you are against your father? You will only be covered up by one person. Then, what will the entire demon clan think of me? "

Furthermore, the current situation in the Divine Realm is complicated. Once I have a dispute with the White Tiger King and there is a disagreement, the entire demon clan will be in civil strife. When the time comes, the demon clan or the Divine Realm will attack, and the consequences will be unimaginable..."

"So, You're still a little embarrassed for a while."

At the end, King Xuanwu looked unbearable and patted Wei An on the shoulder: "Don't worry, once the time is right, I will let you return to the demon clan, and the king's words will count. After all, the Xuanwu clan will still need you to lead in the future. "

Huh...

Hearing this, Wei An calmed down a lot, nodded and said, "Okay, I see! Father, let's just say goodbye to it, don't worry, I won't let you down."

After speaking, Wei An said goodbye to King Xuanwu, turned and flew towards the distant sky.

.....

the other side.

After Yue Feng was taken down, because of fatigue and weakness, he passed out directly.

I don't know how long it took, Yue Feng woke up, because of hunger and fatigue, he only felt a splitting headache.

Um?

Looking around, Yue Feng was stunned.

I saw that I was in a stone room. The stone room was simply furnished, with only a stone bed, but on the stone door, there was a blood-colored rune.

Chapter 4129

Call!

At this moment, Yue Feng stood up with difficulty, walked slowly to Shimen, and tried to push it open.

hum!

However, when his hand touched the talisman formation on the stone gate, he saw a blood-colored light flickering. Then, Yue Feng felt a violent force coming. The whole person was directly shocked and flew out.

“Pfft...” The moment he hit the wall, Yue Feng spurted out a mouthful of blood, and his eyes turned black, and he almost fainted again.

Nima!

Yue Feng endured the severe pain, wiped the blood from the corner of his mouth, looked at the talisman formation on the stone gate, and was furious.

This Demon Race’s talisman formation is so powerful?

The power of his own primordial spirit has not been restored, and he can’t break this talisman formation. Wouldn’t he be trapped and die here?

Squeak!

Just when Yue Feng was muttering in secret, suddenly, Shimen was slowly pushed open, and then, a slim figure walked in, his delicate face was full of coldness.

It was Mo Yan, one of the twelve holy devil kings.

is her?

I have to say that Mo Yan is very beautiful. When I first saw it in the cave, Yue Feng was already amazed. At this time, upon closer inspection, Yue Feng found that this woman had an indescribable charm.

A tight-fitting black-red armor, wrapped tightly, showed her exquisite and graceful figure vividly.

Swish!

Seeing Yue Feng's eyes staring at her tightly, Mo Yan's pretty face was cold, she didn't say a word at that time, and walked directly to Yue Feng.

Gudong!

At this moment, seeing Mo Yan getting closer, Yue Feng couldn't help swallowing his saliva.

It's a pity that such a stunner actually belongs to the Demon Race.

Snapped!

Just when Yue Feng was secretly sighing, he saw Mo Yan raised her jade hand, lightning fast, and slapped Yue Feng's face with a slap in the face.

The slap was too fast, Yue Feng didn't have time to react, and only heard a crisp sound, the whole person staggered back a few steps, and slammed into the wall.

What the hell!

Yue Feng covered his face, only to feel that his brain was buzzing, and his whole head was about to explode.

This Moyan is too cruel, she just takes a look at it and then does it. If she makes a joke, wouldn't she have to use a knife? At this time, Mo Yan

looked at Yue Feng with deep contempt in her eyes: "Humans like ants, if you dare to look at me with such eyes, I will dig out your eyes!"

Take any emotional swings.

In her eyes, Yue Feng was just a prisoner, and a prisoner who dared to look at himself like this was a form of blasphemy.

Ugh!

Feeling Moyan's coldness, Yue Feng did not panic at all, but sighed: "Moyan Demon King, you are a bit inhuman, you used me to threaten Jiutian God and failed. Fire, vent on me."

After speaking, Yue Feng made a very helpless look and continued: "Actually, I have the title of Nine Heavens Profound Sage, but I have no power in the realm of the gods, you guys use me to blackmail the Nine Heavens God. , it's completely useless."

Hearing this, Mo Yan frowned, and said coldly: "You have self-knowledge."

"Speaking of this matter, Your Excellency Mozun originally wanted to execute you, but at a critical moment, I I spoke to you and saved your life, do you know why?"

Um?

Yue Feng was stunned for a moment, frowning at Mo Yan, very puzzled.

This demon queen actually saved herself?

Thinking to himself, Yue Feng said, "Why? Please enlighten me."

Mo Yan showed a smile, looked at Yue Feng and said, "It's very simple, from now on, be loyal to me!" As the

voice fell, Mo Yan coldly look at him.

The atmosphere in the stone room also instantly became depressed and dull.

Haha, it turned out to be trying to make me surrender.

At this moment, Yue Feng secretly laughed in his heart, and then looked directly into Mo Yan's eyes: "Although I am only a human being, I also have my own principles, and you and I are different from the devil, so I'm sorry, your kindness I got it!" Clap

!

As soon as the words fell, Mo Yan's pretty face turned cold, her jade hand suddenly raised, and another slap slapped Yue Feng's face!

Nima...

Yue Feng scolded secretly, and suddenly there was some fire, but the power of the primordial spirit did not recover. At this time, he was very weak and had no ability to resist.

Rubbing his face, Yue Feng showed a smile and said with anger: "Your Excellency the Demon Queen, I am also a prisoner. You abuse the prisoner like this, are you not afraid of disgracing it?"

Chapter 4130

“Don’t come with me like this!”

Mo Yan sneered, with no emotion in her tone: “In our Demon Race, prisoners are not worthy of preferential treatment at all, I tell you, I just think you are still useful, so I keep it Your life, don’t know how to praise!”

“Okay, then I’ll tell you too, I already answered you just now, I don’t want to say it a second time.” Yue Feng said lightly.

Swish! Seeing that Yuefeng’s oil and salt did not enter, Mo Yan

suddenly lost his patience and said coldly: “You have a backbone, right? You are very tough, right, okay, I want to see how tough you can be.”

With a jade hand, a white bone whip condensed.

At this time, Mo Yan was very angry. She was one of the twelve holy demon kings, and she was one of the most powerful. Who would dare to go against her will?

What made her even more angry was that she had saved Yue Feng’s life in Demon Zun Gone before, but this Yue Feng did not give any face at all, and was simply courting death.

“Yue Feng, this is the bone whip I made with the bones of a strong monster 10,000 years ago. It hits me like a thunder strike. How many times do you think you can withstand your current state?” Mo Yan spoke coldly.

Nima, this demon queen is too cruel.

Hearing this, Yue Feng was startled, but he still had a calm expression on his face: “Really? I don’t think it’s any different from an ordinary whip.” “

Are you still stubborn?”

, The delicate face flashed a bit of coldness, and then the jade hand raised, and the bone whip was slammed.

Snapped!

Hearing a thunder-like crisp sound, a bloodstain appeared on Yue Feng’s chest, and the blood soaked his clothes in an instant!

At the same time, a heart-wrenching pain also hit Yue Feng’s body.

hiss!

Yue Feng gritted his teeth tightly, but did not cry out, his eyes were instantly bloodshot!

“Are you satisfied?” Mo Yan said coldly.

Yue Feng’s face was pale, and he did not respond, but showed a smile.

Seeing this scene, Mo Yan stopped talking nonsense, raised the whip in her hand again, and kept throwing it on Yue Feng.

Snapped! Snapped! Snapped!

For a time, the sound of the bone whip continuously resounded in the stone room.

.....

On the other hand, Wei An left the new demon clan territory, feeling very depressed, and wandering aimlessly.

Crash...

Just at this moment, a wave of breath came from behind, Wei An looked back subconsciously, and was stunned.

I saw that dozens of warriors of the White Tiger clan came from the sky, each with a gloomy face, the one at the head, with a graceful and charming figure, and a delicate face showing anger.

It was Mengya.

In the room where Liya was resting before, although the White Tiger King had made it clear that not killing Wei An was to take care of the overall situation, Mengya did not refute at that time, but she was very angry.

Later, after the White Tiger King left, Mengya selected dozens of subordinates and quickly left the territory to find Wei An’s whereabouts.

Mengya made a plan. Her father spared Wei An, but she couldn’t let him go easily. She had to let her sister out.

Swish!

At this moment, seeing Wei An, Mengya’s eyes flashed, and she shouted: “Encircle.”

As soon as the words fell, dozens of warriors of the White Tiger Clan burst out one after another and surrounded Wei An.

“Mengya!”

Seeing this situation, Wei An was furious, but he still looked very calm and said coldly, “What are you doing?” What are you

doing?

Hearing this, Meng Ya was very angry, pointed at Wei An’s nose and scolded: “What are you talking about? You bastard, you are obviously trying to slander my sister, but you slander Yue Feng.”

“I tell you, don’t think that My father spares your life and drives you out of the demon clan, you will be fine, I will break your leg and vent my anger to my sister.” At the

end, Mengya waved her hand: “Go!”

Swish swish...

At this moment, dozens of warriors of the White Tiger tribe burst into force and charged directly towards Wei An.

These white tiger warriors were carefully selected by Mengya, and they were all powerful and powerful.

Mad! Deceiving too much.

Seeing this situation, Wei An was furious. He didn’t say a single word at that time, and all the energy in his body burst out, and at the same time he shouted: “Mengya, I have already received the corresponding punishment, don’t force me.” As

he said, Wei An An urged the figure, went up to meet it, and fought fiercely with dozens of White Tiger warriors.

The ultimate husband in Chinese chapter 4131-4140

Chapter 4131

Mengya retreated to the side to watch the battle, her delicate face did not fluctuate in the slightest, and said coldly: "Forcing you? You did such a despicable thing, but in the end, you were only expelled from the demon clan, my father Wang Renci, I can't spare you lightly."

"You don't want to leave alive today if you don't leave two legs."

Hearing Mengya's coquettish shout, Wei An ignored it and focused on dealing with the white tiger warriors in front of him . .

Bang bang bang...

In a blink of an eye, after a few rounds, half of the White Tiger warriors were repelled by Weiner and fell to the ground one by one, losing their combat effectiveness.

Although Wei An is down and out, he is still the son of the Xuanwu clan, and his strength is strong.

"Haha..."

Wei An became more and more brave in battle, facing Mengya, and laughed proudly: "With this number of subordinates, you dare to speak up, and want to abolish my legs? Who gave you the courage? "

Shh!

Hearing this sarcasm, Mengya's delicate face instantly flushed red, and she said coldly: "You are still so mad, I think you are really courting death!" The

voice fell, Mengya's strength was urged, and her delicate body was graceful. Start, and fight against Wei An with the surrounding White Tiger warriors.

With the addition of Mengya, the situation quickly reversed.

At first, Wei An was able to deal with it calmly, but gradually, he couldn't hold it any longer.

"Wei An, go to hell!"

Finally, Mengya found an opportunity, snorted, and slapped Wei An's back with a palm.

This chapter is provided by . Visit for daily update.

This palm seems to be very slow, but it is lightning fast. Wherever it goes, the air is torn apart, which is amazing.

Oops!

At this time, Wei An was only concerned with dealing with the warriors of the White Tiger clan in front of him, and he had no time to take care of his back. Seeing Mengya attacking from behind, it was even more unavoidable.

boom!

The next second, Mengya's palm slammed into Wei An's back, and he heard a dull sound, Wei An screamed, and his body flew out like a broken kite.

Pfft!

After flying dozens of meters away, Wei An fell on a cliff, spewing out a mouthful of blood, and his face instantly paled.

"You bitch..."

Wei An gritted his teeth and stared at Meng Ya fiercely: "The daughter of the White Tiger King is so despicable, does she only attack?"

When he said this, Wei An wanted to stand He got up, but his whole body was in severe pain, and he couldn't exert any strength. The palm of his hand had already hit him hard.

Whoosh!

Hearing Wei An's scolding, Mengya's pretty face was cold, she landed down quickly, and shouted: "I'm despicable? Compared to what you did to my sister, I'm already very kind."

After that, Mengya walked over quickly. , pulled out a long sword and stabbed Wei An's right arm fiercely.

"Ah..." The

pain came, Wei An let out a miserable cry, and blood spurted out, dyeing half of his body red.

However, Mengya was still not relieved. After pulling out the long sword from the wound, her jade feet lifted up, stepped on Wei An's face, and said coldly, "You almost stained my sister's innocence, I have to kill you. "

Don't..."

Feeling Mengya's killing intent, Wei An suddenly panicked, and no longer had the arrogance before, while breathing in the cold air, he pleaded: "Mengya, Miss Mengya, I have already got it. Retribution, please, please spare my life..."

At this time, Wei An was very aggrieved. He was already homeless, but he was bullied by a little girl in Mengya.

If this matter spreads out, how can there be any face to return to the demon clan in the future?

But no matter what, you have to live first.

beg for mercy?

Hearing this, Mengya sneered, her eyes flashing with a bit of abusiveness: "You want to live, well, I'll give you a chance, you call yourself a beast now, be sincere, maybe I'll consider it!"

"I'm a beast, not as good as a pig or a dog." Wei An didn't hesitate, and hurriedly yelled.

While screaming, Wei An murmured fiercely in his heart.

Good you Mengya, humiliate me like this, you wait for me, when you fall into my hands one day, I will never spare you easily.

Wei An's attitude made Mengya very satisfied, but she felt that it was not enough, so she shook her head and said, "No, sincerity is not enough, you have to slap yourself."

What?

Hearing this, Wei An's body was shocked, and he froze there, his heart was burning with anger.

Chapter 4132

Mad.

At this time, Wei An was very angry, and his eyes almost spit out fire when he saw Mengya.

If it was before, how dare this Mengya be so presumptuous in front of him? But now, relying on her large number of people, she humiliated herself in every possible way.

Crunch...

Seeing that Wei An didn't make a move, Mengya's delicate face flashed a hint of coldness. She stepped on the foot on Wei An's face, and said coldly, "Why? Why don't you fight? , I'll pierce your other arm, and then chop off your feet." As

she spoke, Mengya waved the long sword in her hand, ready to stab it at any time.

for real?

Seeing this, Wei An couldn't help swallowing his saliva, gritted his teeth and said, "Okay, I'll fight, I'll fight..."

After the

voice fell, Wei An raised his hand and started to slap himself, what ? Time, the crisp slaps kept resounding.

In order to let Mengya let go of him, Wei An did not slap hard, and soon, half of his face was swollen, and a trace of blood overflowed from the corner of his mouth.

At the same time as he slapped himself, Wei An didn't go to see Mengya, he looked submissive, but he scolded Mengya thousands of times in his heart.

"Mengya..."

Finally, Wei An really lost the strength, stopped to look at Mengya, and said cautiously, "Are you satisfied with this? I really have no strength, please bypass me this time."

Mengya Ya raised her feet and said with a half-smile, "Tsk tsk, you're really obedient. If you want to slap yourself, you can slap yourself. Well, this lady is quite satisfied."

Saying that, Mengya looked at Wei An up and down, and there was a chill on her beautiful face: "But if I forgive you like this, how can I be worthy of my sister?"

Shuh!

The last word fell, Mengya clenched the long sword and waved it violently, and saw a flash of cold light flashing, Wei An's legs were cut off, and blood spurted out in an instant, like a rain of blood.

"Ah..." Wei An let out a miserable howl, his eyes were instantly congested with blood, and bursts of pain came, and he almost fainted on the spot.

"You...you are so cruel..." The

next second, Wei An stared at Liya, his eyes full of resentment: "Why, you said you wanted to let me go."

At this time, Wei An An, wishing to peel Mengya's muscles and skins, he never thought that this unruly and willful Mengya would not believe what she said and promised to let him go, but in the end he cut off his legs.

Hee hee...

In the face of Wei An's anger, Meng Ya chuckled, her tone full of arrogance and arrogance: "Wei An, do you have a problem with your brain? I just said I would spare your life, but I didn't say I won't cut you. Your legs."

After saying that, Mengya smiled and said contemptuously: "I tell you, it is a kindness for this lady to save you a dog's life, and your legs are gone. If you are lucky, you should not die. But it depends on your fortune."

After saying this, Mengya greeted dozens of White Tiger warriors and left quickly.

mad.

Seeing Mengya and the others disappearing into the sky, Wei An couldn't tell the grief and anger, and his eyes were full of resentment.

Half an hour ago, Wei An was already very depressed after being expelled from the demon clan by the White Tiger King, but at this time, Mengya was humiliated again, and his legs were cut off.

This bloody feud, no one could endure it.

For a time, Wei An was extremely sad and angry, and at the same time secretly swore in his heart.

The White Tiger Clan, I, Wei An, will be at odds with you from today, and I will not be called Wei An until I completely wipe out your White Tiger Clan.

"Ah..."

After secretly swearing, Wei An let out a roar, and then passed out as soon as his eyes darkened.

....

on the other side.

Papapa...

In the stone room, Mo Yan held the bone whip tightly and kept raising it, like a white lightning, falling on Yue Feng's body.

In the blink of an eye, there was no good spot on Yue Feng's body, his clothes were torn apart and completely stained red with blood.

At the beginning, Yue Feng was able to bear it with his strong willpower, but gradually, he couldn't bear it anymore and shouted: "Do you demons have this ability? If you can't attack the Yutian Palace, you will torture the prisoners and vent your anger. I tell you, with your actions, the demons will be defeated sooner or later."

"You are courting death!"

Hearing this, Mo Yan's delicate face was covered with frost, and she increased her strength, and she threw a few whips on Yue. on the wind.

Chapter 4133

These whips are really heart-wrenching, Yue Feng only feels that his eyes are black and he will faint at any time.

Mo Yan is right, this bone whip contains the power of thunder, and it is the nemesis of those divine soldiers and generals.

And Yue Feng, even though he had the power of Bird Ancestor to protect his body, but because the power of his primordial spirit had not recovered, he finally couldn't hold it after resisting it for dozens of minutes.

Huh....

Seeing Yue Fengning's unyielding death, Mo Yan lost her patience, put away her bone whip and said coldly: "Yue Feng, it is useless to fight against our demons, I will give you one last chance, you are good Think about it, I hope I will hear a different answer when I see you next time." After the

last sentence fell, Mo Yan turned and left the stone room.

To be honest, Mo Yan really wanted to kill Yue Feng immediately, but thinking about it carefully, Yue Feng is not only the Nine Heavens Profound Sage of the God Realm, but also has a close connection with the Monster Race, and it will be of great use in the future, so I will keep it for now. .

Pfft...

Watching Moyan leave, Yue Feng's spirit relaxed, and he collapsed to the ground. Before Moyan, Yue Feng had been holding on, but when Moyan left, he couldn't hold it any longer. .

At this time, Yue Feng was almost on the verge of crying without tears.

This female demon king gave an ultimatum, do you really want to take refuge in the demon clan? Once he takes refuge in the Demon Race, he will never be able to return to Kyushu again.

But if he didn't agree, this Moyan would definitely kill herself.

Under the entanglement in his heart, Yue Feng's eyes darkened, and he finally fainted.

...

Mo Yan walked out of the stone room, her delicate face was extremely gloomy, and her mood was extremely bad.

Especially when she thought of Yue Fengning's unyielding appearance, Mo Yan became angry. As one of the Twelve Holy Demon Kings, Moyan has captured countless prisoners. Among these prisoners, there are the powerful demons and the priests of the Divine Realm. Each of them has been treated obediently by her, and she has never seen them before. Not a single oil and salt.

Yue Feng was an exception.

"Let's go!"

At this moment, Moyan ordered the two demon warriors, "Follow me out for a walk."

Because they couldn't capture Yutian Palace, the demon army had been resting in the camp and had nothing to do for the time being, Mo Yan thought. He shared his worries for the Demon Lord Gone, but he couldn't think of a good way to come out, and just because of Yue Feng's suffocation, he could only go out to relax.

Hearing the order, a few demon warriors responded and followed Mo Yan towards the distant mountain range.

Um?

I don't know how long it took to fly, Mo Yan's eyes flashed and she subconsciously slowed down.

At the same time, several demon warriors behind him also discovered something, and one of them hurriedly shouted: "Your Excellency Demon King, there seems to be a person on the top of the mountain." In an

instant, more than a dozen pairs of eyes looked over.

On the top of the mountain in front, there was a figure lying quietly, covered in blood, dying, and there were two broken legs next to it. The blood spurted out, staining the ground red.

The scene was bloody.

This miserable figure was Wei An.

Huh...

Seeing this scene, Mo Yan Xiu frowned, pondered for a while, and said lightly: "Go and have a look." After saying that, the figure rose up and slowly landed on the top of the mountain.

The demon warriors behind him followed.

After landing, several demon warriors quickly went over to check Wei An's situation.

Soon, one of the demon warriors told Mo Yan: "Your Excellency the Demon King, it seems that you belong to the demon race. This kid has the symbol of the Xuanwu family." The

voice fell, and another demon warrior also said: "This kid There is still one breath, do you want to kill it?"

For the Demon Race, whether it is the Divine Realm, the Demon Race, or the human beings are all enemies.

"Don't do it yet."

Seeing that the demon warrior was about to do it, Mo Yan shook her head and stopped: "Leave him alive and bring it back."

Moyan also didn't like the demon clan. If it was before, she would definitely not hesitate. Let his subordinates take Wei An's life, but he changed his mind when he thought that the Demon Lord Gone was looking for a new territory for the demon clan.

Youtian led 5,000 warriors and walked for a long time, but no news came back. It is estimated that he has not found a new territory of the demon clan. In this case, he encountered a dying demon clan warrior, perhaps it was God's will.

"Yes, Your Excellency the Demon King."

After hearing the order, a few demon warriors responded, and then they took the unconscious Wei An and followed Mo Yan back to the camp.

Chapter 4134

At this moment, the demon camp.

In the stone room, Yue Feng lay there, motionless, recovering his strength silently.

Yue Feng not only possessed the primordial spirit, but also the power of bird ancestors to protect his body, but he was beaten dozens of times by Mo Yan, and he almost lost half his life.

Squeak...

At this moment, there was a movement outside, Yue Feng thought it was Mo Yan coming again, and quickly looked towards the door, and saw that the stone door was tightly closed, and no one pushed the door in.

At this moment, Yue Feng realized that there was a stone room next to him, and the movement just now came from the stone room next door.

Huh...

Understood this, Yue Feng struggled to get up, then walked to the stone gate, and looked out through the gap, Yue Feng was stunned for a moment.

She saw that in the aisle outside, Mo Yan walked in front of her with a cold expression on her face. Behind her, a few demon warriors followed closely with a bloody man.

The figure was dyed red with blood, his face was pale, his eyes were closed, he was unconscious, his legs were empty below the knees, and both calves were cut off. The bones are astounding.

It was Wei An.

is this kid?

Seeing that it was Wei An, Yue Feng's heart was stunned, but his mind was buzzing, and at the same time, he couldn't express his doubts.

As the son of the Xuanwu King, this kid is considered a noble in the Monster Race. Why is it so miserable now?

Could it be that he encountered the demons, and this injury was caused by the demons?

Pfft!

Just when Yue Feng was muttering, he saw Mo Yan nodded, and then a few demon warriors threw Wei An in the stone room next door, making a dull sound.

“Wake him up.” Mo Yan stood at the door and spoke lightly.

As soon as the words fell, the two demon warriors immediately went to get a bucket of cold water, walked to the door, and poured the cold water directly on Wei An.

Hiss...

Wei An was still in a coma, but when he was agitated by the cold water, he suddenly came to his senses.

In the next second, Wei An looked around and was completely stunned when he saw the scene in front of him.

where is this?

Wasn't he unconscious on that mountaintop?

In shock, Wei An's mind went blank and his eyes straightened when he saw Mo Yan standing at the door.

beautiful.

Such a beautiful woman, this figure, this appearance, this temperament, I don't know how many times the two sisters Bilialia are stronger.

Noticing Wei An's gaze, Mo Yan was very unhappy.

At the same time, one of the demon warriors rushed over, kicked Wei An, and scolded, “Dare to look at His Excellency the Holy Demon King like this, courting death!”

What?

At this moment, Wei An's head trembled, staring blankly at Mo Yan, and suddenly panicked.

This beautiful and sexy woman with extraordinary temperament is... the Holy Demon King of the Demon Race?

Under the shock, Wei An quickly lowered his head, not daring to look at Mo Yan again, and said in fear, “Your Excellency the Demon King, calm down, I didn't mean it.”

Mo Yan's delicate face did not fluctuate in the slightest. She looked at Wei An and said lightly, “Who are you? What is your status in the demon clan? Why are you unconscious

on that mountaintop?" , but she didn't care. She urgently needs to know whether the guy with the broken leg in front of her is of any use to her.

Huh...

At this moment, Yue Feng, who was next door, also pricked up his ears, wanting to hear how Wei An answered.

"I..."

Wei An's face was full of grief and anger, and he said weakly, "I was killed by my own people, just because I framed Yue Feng, the White Tiger King expelled me from the demon clan. He humiliated me in every possible way, and finally cut off my legs..."

At the end of the story, Wei An remembered the situation at the time, and his whole body trembled uncontrollably.

Speaking of which, if he was only expelled from the demon clan, Wei An would definitely not tell Mo Yan the matter. You must know that Wei An was thinking of returning to the demon clan at the time, but was humiliated by Mengya and chopped off his legs. , Wei An's heart was suddenly filled with hatred.

At this time, Wei An just wanted to take revenge on Mengya, the White Tiger King, and even the entire demon clan.

Chapter 4135

Wow!

At this moment, both Mo Yan and the surrounding demon warriors were stunned.

It turns out that this guy is the son of King Xuanwu.

Moreover, he slandered Yue Feng and ended up so miserably.

At this time, Mo Yan reacted, and looking at Wei An's eyes, she couldn't hide the contempt and contempt: "You do such a rude thing and end up like this, you deserve it."

Although Mo Yan is One of the twelve holy demon kings of the Demon Race, he acts ruthlessly, but he also has his own principles. The most annoying thing is the villain who cheats behind the scenes.

In this case, knowing Wei An's experience, naturally, there is no sympathy at all, on the contrary, there is an indescribable disgust in my heart.

Hehe...

At the same time, Yue Feng, who was in the stone room next door, also sneered secretly.

Mad, after a long time, this Wei An ended up like this because he slandered me.

It really deserves it.

Facing Mo Yan's mockery, Wei An smiled bitterly and did not respond. Mo Yan looked at Wei An up and down, her tone indifferent

: "Why do you say this kind of thing so happily? You want me to avenge you?"

"

Such humiliation, it is very difficult to take revenge in person, Your Excellency is the Holy Demon King, powerful, I beg Your Excellency to help me."

When he said this, Wei An's eyes flashed with strong hatred.

The White Tiger King, and the two Mengya sisters, I will not make it easier for you.

Hearing this, Mo Yan couldn't help but chuckle, and said angrily, "It's interesting, why should I help you?" While speaking, her delicate face was also full of icy arrogance.

Phew...

At this moment, Yue Feng also secretly exhaled and muttered.

Did Wei An have a mental problem with Mengya's abuse? The first time you see Mo Yan, do you want to ask her for help?

"Your Excellency the Demon King."

Facing Mo Yan's indifference, Wei An showed a smile and said confidently, "You will definitely help me. Because I have a vital role in your Demon Race.

" Why?" Mo Yan's eyes flashed, as if interested.

At this moment, Wei An took a deep breath and said word by word, "Because I know that your Demon Race is searching for the location of the Monster Race's new territory, and it seems that there is no progress yet, and I know where the Monster Race's new territory is, not only that, the demon I also know the defense deployment of the new territory of the clan."

“Your Excellency the Demon King, we can reach an agreement. From now on, I will join you to help you deal with the demon clan, in exchange for the white tiger king and his two A daughter, leave it to me.”

When the last sentence fell, Wei An’s weak face was full of hideousness, and there was also a strong hatred in his eyes.

Phew...

Hearing this request, Mo Yan let out a sigh of relief, did not respond immediately, but pondered.

At the same time, Yue Feng, who was in the stone room next door, was shocked and paled in shock.

Nima, this Wei An is crazy.

For his own personal resentment, he even betrayed the entire demon clan.

If Moyan agreed to his request, the demon clan would be in danger.

Thinking to himself, Yue Feng secretly prayed that Mo Yan would not agree. When he knew, Mo Yan could not refuse such a good opportunity.

“Okay!”

Finally, Mo Yan pondered for a few seconds, looked at Wei An, and smiled: “This condition is not too much, I promise you.”

After saying that, Mo Yan directed at the demon warrior behind him: “Get him out, send him to the tent outside, and take good care of him.”

“Yes.” The

voice fell, and several demon warriors walked in immediately and carefully carried Wei An out.

Mo Yan didn’t follow him out, but after watching the demon warriors take Wei An out, she turned around and came to the secret room where Yue Feng was.

It’s over, it’s over.

At this time, Yue Feng’s head was buzzing, and his heart was like a hot pot of ants, so anxious.

Wei An acted as the inner responder of the demon clan and betrayed the demon clan. Now the demon clan is in big trouble.

Must find a way to stop it.

Just thinking about it, Yue Feng heard the Shimen being pushed open, and then Mo Yan walked in slowly.

“Yue Feng!”

Looking at Yue Feng’s expression, Mo Yan’s eyes flashed slyly: “How is it? Have you considered it?”

The ultimate husband in Chinese chapter 4136-4140

Chapter 4136

When asking, Mo Yan’s expression was indifferent, and his previous irritability was completely gone.

That’s right, Moyan just now deliberately placed Wei An next to Yue Feng. The previous conversation was also deliberately made to be heard by Yue Feng. The purpose of this was to psychologically put pressure on Yue Feng.

“What if I still refuse?” Yue Feng said with a wry smile.

Mo Yan’s delicate face did not fluctuate in the slightest, and she said coldly, “Then I will have to execute you.”

Alas!

Hearing this, Yue Feng looked helpless and bowed slightly: “Okay, I’ll join you.”

When he said this, Yue Feng seemed to be reluctant, but he was very uneasy. .

Yue Feng thought about it. If he wanted to stop the demons from dealing with the demons, the best way at the moment was to join the demons, but Moyan in front of him was no ordinary person. If he agreed decisively, he would inevitably be suspected.

And showing a reluctant appearance, can appear real.

Oh?

Seeing that Yue Feng finally compromised, Mo Yan did not appear very happy, but said lightly: “Is it too late to promise? You should have heard just now, I just recovered the son of King Xuanwu, and he and you In between, there seems to be some grievances.”

“I’ve already agreed to his conditions, and it seems a bit inappropriate to accept you again.”

Mo Yan said slowly, keeping her eyes on the changes in Yue Feng’s expression.

Uh...

Yue Feng scratched his head, a little embarrassed, but still squeezed out a smile: “Your Excellency the Demon King, it’s a good thing to have one more person to be loyal.”

This chapter is provided by . Visit for daily update.

Moyan nodded: “It’s not bad, but Wei An knows the new territory of the demon clan and can help us even more, attacking the demon clan at the lowest cost. What about you? What can you help us?”

Yue Feng pondered for a while. , said with a smile: “Perhaps I can’t help you much against the demon clan, but I can help you deal with the realm of the gods.”

At this time, Yue Feng had a sincere expression on his face.

“Okay.”

Seeing Yue Feng’s sincere expression, Mo Yan nodded: “Then I’ll trust you for a while, rest well, and when I need you, my subordinates will bring you to see me.”

When the last word fell, Mo Yan turned and left.

Phew...

As soon as his forefoot left, Yue Feng took a deep breath, wiped away a cold sweat, and sighed inwardly.

This Mo Yan is too scheming, it seems that she has to be more careful in the future.

...

On the other side, the demon clan’s territory.

Mengya took the warriors of the White Tiger Clan privately to teach Wei An a lesson and cut off Wei An’s legs, which soon spread throughout the entire demon clan.

For a time, the entire demon clan was talking a lot, some said that Wei An deserved it, and some said that Mengyao was willful and did things recklessly.

At this time, in the hall where the White Tiger King was resting.

The White Tiger King sat there, his face gloomy and terrifying.

In front of him, Mengya stood there, the suburbs trembling faintly, obviously a little nervous.

Next to him, Liya was sitting there, her face was pale because her body had not fully recovered, but she was also a little worried at this time. After all, my sister was too self-willed. Although Wei An was very hateful, his father had already expelled him. Yaozu, how could she look at his legs privately?

“Mengya.”

At this moment, the White Tiger King shouted loudly, pointed at Mengya and roared, “Do you know what’s wrong?”

Just now, the White Tiger King also knew about Wei An’s legs being chopped off, and was very angry at the time. , You know, Wei An is the son of King Xuanwu. Before Wei An almost defiled Liya, he didn’t put him on trial publicly, just because he saw King Xuanwu’s face and didn’t want the whole demon clan to split.

But this Mengya, recklessly, looked at Wei An’s legs.

If King Xuanwu knew about this, how could he swallow his breath? At that time, there will be a gap between the Xuanwu clan and the Baihu clan, and the entire demon clan will no longer be united.

This was not the result the White Tiger King wanted to see.

call!

Faced with the anger of the White Tiger King, Meng Ya did not panic at all, breathed a sigh of relief, and said stubbornly: “Father, I think I did nothing wrong, then Wei An bullied my sister and slandered Your Excellency Yue Feng. It was a heinous crime, I think he cut him off. It’s already a kind of grace that he gave him a pair of legs and didn’t kill him.”

Chapter 4137

At this moment, the whole room was silent.

The White Tiger King’s face was gloomy and angry. This Mengya was really ignorant. Even if Wei An was hateful, he was the son of King Xuanwu after all.

If Wei An had three strengths and two weaknesses, how could King Xuanwu give up?

To be honest, the White Tiger King is not afraid of the Xuanwu King at all, he is just worried that the entire demon clan will become like before, falling into endless infighting.

“You bastard.”

Finally, the White Tiger King reacted, his eyes widened, and he scolded at the nightmare: “You made such a big mistake, and you still don’t know how to repent? You go to the Xuanwu clan now and confess to the Xuanwu King. Quickly. !”

When he said this, the White Tiger King was very anxious, and his tone was unquestionable.

The only way is to soothe King Xuanwu’s emotions quickly, eliminate his anger, and then send someone to find Wei An to ensure that he does not lose his life.

admit wrong?

Hearing this, Meng Ya’s body was shocked, and her delicate face was full of dissatisfaction: “I did nothing wrong, why should I admit it? Father, are you still afraid of the old turtle of King Xuanwu?”

Xuanwu is everything The ancestor of turtles, Mengya, was open-mouthed, and he kept calling King Xuanwu an old turtle behind his back. Originally, she seldom mentioned it in front of the White Tiger King, but at this time, in a hurry, she blurted out.

Snapped.

As soon as the words fell, the White Tiger King was so angry that he couldn’t help it at all. He walked over quickly and slapped Mengya’s face without warning.

This slap not only contained the anger of the White Tiger King.

“Presumptuous!” The White Tiger King burst into flames and shouted angrily: “Your Excellency Xuanwu, you are on an equal footing with me, and you have made a lot of contributions to the entire demon clan. How can you be so rude?”

“Although Wei An is wrong ? , but I have expelled him from the demon clan and given him the corresponding punishment, and you, regardless of the overall situation, privately sought revenge from him, cut off his legs, and dared to say that you were right?”

“Do you know that you Doing this may lead to an infighting between our White Tiger clan and the Xuanwu clan? Once we fight with the Xuanwu clan, and the Demons or the God Realm fight, who will bear the consequences? Are you?” In the

last sentence, the White Tiger King was almost roared out.

However, Mengya just bit her lip tightly, did not respond, and did not mean to regret at all.

“Sister.”

Seeing this scene, Liya, who had been standing beside her, suddenly became a little anxious, came over, gently pulled Mengya, and whispered: “Don’t make your father angry, take it easy, Admit it.”

When she said this, Rhea’s face was full of complexity.

To be honest, Liya was very moved by her sister venting her anger for herself, and she felt that there was nothing wrong with it, but thinking about it carefully, Wei An’s life was indeed very important. Once he died, King Xuanwu would be furious and even break with his father. , By that time, the Yaozu lost their unity. There will be great dangers.

In this case, for the sake of the overall situation, I can only make my sister feel wronged.

“I’m right.”

But what Liya didn’t expect was that Mengyao was stubborn and kept shaking her head, and said very firmly, “Sister, don’t persuade me, I did nothing wrong, I don’t want to admit my mistake to King Xuanwu. Yes, in fact, I regret it now, regret not directly killing Wei An at that time.”

Hearing this, Lia couldn’t help laughing.

The White Tiger King was even more angry, pointing at Mengya, almost speechless.

Whoa!

At this moment, several figures rushed in quickly, and the headed one, dressed in silver-black robes, was very mighty, but his face was ferocious, and his eyes flashed with endless anger.

It is the Xuanwu King.

Wei An’s story has long been rumored by the Yaozu. When Xuanwu King found out, he was furious and took people to the top of the mountain where Wei An’s accident happened. After arriving, Wei An was nowhere to be seen. Leaving a pool of scarlet blood.

Aiko, the king of Xuanwu, was eager and searched around the top of the mountain, but there was no clue.

“Where’s my son?”

At this moment, King Xuanwu couldn't hide his anger, pointed at Mengya and roared: "What happened to him?"

Chapter 4138

At this moment, the whole room was silent. The White Tiger

King blushed and was very embarrassed, but he quickly reacted and said with a smile at the Xuanwu King: "Your Excellency Xuanwu King, you see how this has made... you calm down first!"

The king would never be so servile to King Xuanwu, but he had no choice but to temporarily give up his dignity for the sake of the unity of the demon clan.

Besides, this time, it was Mengya's fault.

However, King Xuanwu ignored the White Tiger King at all, his eyes, like sharp swords, locked on Mengya tightly.

"Haha!"

In the face of King Xuanwu's anger, Mengya didn't panic at all, with an indifferent look: "Where is your son? How do I know? He has been expelled from the demon clan, you need to find him and go to the territory Look outside, ask me what to do?"

Shua!

Mengya's attitude made King Xuanwu furious and shouted: "Very good, you dare to be so righteous after committing a murder, you...you chased out of the territory and cut Wei An's legs on a mountaintop, this matter Think I don't know?"

When he said this, King Xuanwu was very angry.

This Mengya was so unruly and arrogant, she hurt her son, and even pretended that nothing happened.

It really makes no sense.

The more angry King Xuanwu, the more proud Mengya, sneered: "Yes, I cut off Wei An's legs, he tried to sully my sister, it's not a pity to die, I see his legs as punishment, what's wrong? ?"

With that, Mengya's delicate face showed a bit of disdain: "I tell you, if it weren't for him being your son, I would have killed him with a sword, so as not to harm others, Miss Ben. You should thank me for leaving him alive."

“You...”

Hearing this, King Xuanwu almost exploded with anger, pointing at Mengya, speechless.

In the next second, King Xuanwu turned his head to look at King White Tiger, and said angrily: “King White Tiger, you can do it, you really can, and you have given birth to such a good daughter.”

King White Tiger was speechless and smiled: “You calm down first, I have already checked this matter.”

Said, the White Tiger King scolded Meng Ya angrily: “You bastard, at this time, you still dare to speak out, and quickly kneel down to apologize to His Excellency King Xuanwu. Also, Wei Wei Where is An? You can tell me quickly.”

At this time, the White Tiger King was also in a hurry.

“I chopped off Wei An’s legs at the time, and then took the warriors away. Who knows where he is?” Mengya pouted and said lightly, “Perhaps, what Wei An did before, God knows where he is. I can’t stand it anymore, if I put it away, it may be captured by the Demon Race or the God Realm.”

Having said that, Mengya’s eyes fell on King Xuanwu and continued to tease: “Your Excellency King Xuanwu, you are here to rush. It’s useless for me to yell, if I have time, I might as well go out and look for it, maybe there is still a chance to find it, I’m afraid I won’t even be able to find the bones if it’s too late.”

Mad.

This damn girl deceives people too much.

When these words fell, King Xuanwu was furious, his eyes instantly turned blood red, and he shouted: “Well, you dead girl, you made my son become disabled, and you are still talking slander at this time? I think you are courting death.

” !

As soon as the voice fell, King Xuanwu’s power exploded, and his figure was like a ghost, hitting Mengya’s chest with a palm.

This palm contains all the power of the Xuanwu King, and it is as fast as a thunderbolt. Wherever it passes, the surrounding air is violently twisted, and its power is amazing.

call....

Feeling the power of this palm, Mengya lost her calmness just now, her delicate body trembled, and her pretty face was pale. At this time, she wanted to dodge, but the terrifying power of King Xuanwu completely enveloped her. His legs were so weak that he couldn't hide at all.

"Don't hurt my sister."

Seeing this scene, Liya next to her also changed her pretty face. She couldn't help exclaiming. At the same time, she wanted to rush over to resist, but her body was weak and she had not recovered. She was completely powerless.

Seeing that Mengya was about to die in the hands of King Xuanwu, at this critical moment, a figure rushed over quickly, blocking Mengya, raised his right hand, and greeted King Xuanwu with a palm.

It is the White Tiger King.

Chapter 4139 To

be honest, King White Tiger knew very well that this matter was entirely Mengya's fault, and it was reasonable for King Xuanwu to do something to her.

But... Mengya is his daughter in the end, and any father would not watch this situation and remain indifferent.

boom!

The White Tiger King and the Xuanwu King touched their palms, and they heard a dull sound. After that, the Xuanwu King and the White Tiger King frowned, and then each took a few steps back.

Obviously, no one took advantage of this palm.

However, King Xuanwu was extremely angry in his heart. This White Tiger King wants to cover up his daughter?

At the same time, I was a little surprised.

Since the Sealed Land came out, the strength of this White Tiger King has become stronger day by day.

The Xuanwu King at this time clearly felt that the White Tiger King just hit that palm, and he didn't use his full strength at all, but he used ten layers of strength.

In this case, it was just a tie.

If the White Tiger King exerted all his strength, he would definitely be seriously injured.

Realizing this, in addition to anger, King Xuanwu felt a little more jealousy.

“White Tiger King!”

Soon, Xuanwu King reacted and said coldly at White Tiger King: “What do you mean?”

Hu!

The White Tiger King took a deep breath, tried his best to calm himself down, and said lightly, “Your Excellency King Xuanwu, I have no other intentions, it’s Mengya’s fault, but even if you kill her, it won’t change the facts, I think just now Mengya is right, what we need to do now is to quickly find Wei An’s whereabouts.”

When he said this, the White Tiger King looked sincere.

“Haha...”

However, King Xuanwu didn’t appreciate it at all, and couldn’t help sneering: “King White Tiger, don’t pretend to be with me, aren’t you just trying to cover up your daughter? Today, I have to kill her.”

At this time, King Xuanwu had lost his mind because of his anger.

The White Tiger King took a deep breath and said in a firm tone, “Then I will have to accompany him to the end.” The

voice was not loud, but there was no doubt about it.

“Okay!”

King Xuanwu nodded, a hint of coldness in the corner of his mouth: “Since you want to show favoritism, it seems that we have nothing to say, I will go to Wei An now, if he has any problems, my Xuanwu clan, and you The white tiger clan must never die.” After the

voice fell, King Xuanwu strode away with a few of his subordinates.

Ugh!

Watching Xuanwu King leave, the White Tiger King let out a long sigh, his face was complicated, and his heart was even more chaotic.

The most worrying situation happened.

But Mengya, who was behind him, had a look of indifference, and pouted, "What's so amazing..."

Slap!

As soon as he finished speaking, the White Tiger King turned around abruptly, slapped him, and cursed angrily: "Shut up, you didn't cause this matter? You still don't know how to repent? Let me tell you, if we are the White Tiger clan. If you fall out with the Xuanwu clan and cause the entire demon clan to fall apart, you are a sinner."

Mengya was very dissatisfied with her face covered, and she had to refute, but was stopped in time by Liya.

"Your Excellency the White Tiger King!"

At this moment, a slender figure walked in quickly, with a delicate and beautiful face, showing anxiety, it was the colorful Lingfeng.

Qicai Lingfeng also knew about Mengya cutting off Wei An's legs. Just now, when she learned that King Xuanwu was angrily coming to Mengya to settle the account, Qicai Lingfeng rushed over immediately.

At this moment, seeing the situation in the room, Qi Cai Lingfeng immediately guessed something, looked at the White Tiger King and asked, "Have you done it?"

Hmm!

The White Tiger King nodded, and then told the situation just now.

After listening to this, Qi Cai Lingfeng was very helpless, and said to Meng Ya: "Meng Ya, you are so impulsive." After

saying that, Qi Cai Lingfeng thought for a while, and continued: "Then Wei An was cut off with two legs. Legs, without help outside the territory, will definitely die. If King Xuanwu finds his corpse, he will definitely come back and start a war with your White Tiger clan. What can we do?" The

White Tiger King sighed: "This is the end of the matter. What else can I do? Just fight."

"You..."

Hearing this, Qi Cai Lingfeng became anxious and stomped: "In our current situation, we must not fight infighting, think about it, we are demons. Once there is a fight within the clan, the Divine Realm and the Demon Race will take advantage of the emptiness to enter."

Chapter 4140 The

White Tiger King smiled bitterly: "Then King Xuanwu has lost his mind, can you persuade him?"

When he said this, the White Tiger King was holding back his fire and was speechless.

Qi Cai Lingfeng pondered for a while, and said slowly: "The only way to avoid this infighting is to change the territory again."

Change again?

Hearing this, the White Tiger King was stunned for a moment, then nodded in agreement: "Okay."

Speaking of which, the White Tiger King didn't want to fight the Xuanwu clan at all. You must know that the entire demon clan only escaped from the sealed land not long ago. It's time to recuperate, if you fight inwardly, it will take a long time to recover, but just for the sake of face, I just made a fearless appearance in front of Qi Cai Lingfeng.

After the discussion, the White Tiger King immediately summoned other tribal leaders to discuss the matter of continuing the migration.

A few minutes later, when all the tribes assembled, they left the newly established new territory and headed for the distance.

At this time, Qi Cai Lingfeng did not follow everyone, but stayed at the end, moving some wooden stakes and stones in the depths of the territory. Seeing this situation, the White Tiger King was very puzzled. He came over and asked, "Qicai

Lingfeng, what are you doing? Hurry up and go with everyone.

"

"I'll catch up with you after I set these up."

Phew...

At this moment, the White Tiger King frowned, "What did you set up?"

"A formation!"

"A formation?"

Seeing the puzzled look on the White Tiger King's face, Qi Cai Lingfeng smiled and said, "Yes, Your Excellency Yue Feng taught me some simple formations before, but I

have never used them, so I will try this time.” Feng looked around and continued: “This new territory, we searched for so long before we found it, it would be a pity to give up like this, I thought, if the demons or the gods came here to investigate, we would use this formation to give them a little lesson, so that we won’t be shy when we go, right?”

When saying this, Qi Cai Lingfeng’s delicate face showed a bit of cunning.

Yes, the formation of Qicai Lingfeng was taught by Yue Feng. At the beginning, Yue Feng had just obtained the power of Bird Ancestor and was assisted by Qicai Lingfeng, and finally gained the trust of the entire demon clan. At that time, in order to thank Qicai Lingfeng, Yue Feng taught some simple formations.

Haha...

Hearing these words, the White Tiger King understood Qi Cai Lingfeng’s intentions, and he couldn’t help laughing immediately, nodding his head and saying: “Okay, your method is good, it’s too embarrassing to leave like this, leaving one behind. Formation, so that when the Demon Race and the God Realm come, they can also suffer a little.” After

speaking, the White Tiger King called some demon warriors to help Qicai Lingfeng deploy the formation together.

A few minutes later, the deployment of the formation was completed, and the White Tiger King and Qi Cai Lingfeng quickly left.

.....

this moment, the other side.

Yue Feng had been recuperating in the stone room for several hours, and his condition was much better.

In the past few hours, Mo Yan also sent someone to bring medicine to Yue Feng, so Yue Feng’s injury has basically recovered, but the power of Yuanshen has not fully recovered.

“Squeak!”

At this time, Yue Feng was sitting there recuperating, and suddenly the door was opened. Then, a demon warrior walked in and said politely, “Mr. Yue Feng, Your Excellency the Demon King has a request.”

Half a day ago, Yue Feng was still a prisoner. These demon warriors didn’t take him seriously at all, but now it’s different. Yue Feng joined Moyan and is already his own.

And Yue Feng is also a hero of the Kyushu continent, so these demon warriors are politely called Mr.

Um!

Yue Feng nodded, followed the demon warrior out of the stone room and walked towards the tent where Mo Yan was.

Soon, after entering the camp, Yue Feng was stunned when he saw the scene in front of him.

I saw that Mo Yan was sitting in the center, with more than a dozen demon generals standing on both sides, each with a solemn expression, and the position below Mo Yan was Wei An.

At this time, Wei An changed into clean clothes and sat in a specially made wheelchair. Although he took medicine, his legs were chopped off, his vitality was severely injured, and his face was still pale.

The ultimate husband in Chinese chapter 4141-4150

Chapter 4141

Wei An this fool. He even became a guest of honor.

Seeing this scene, Yue Feng did not have any fluctuations on the surface, but he cursed inwardly.

Um?

At the same time, Wei An's eyes fell on Yue Feng, and his heart was shocked.

Yue Feng? He... shouldn't he be killed by Gong Ao? How are you still alive? And... still in the demon camp?

For a moment, Wei An's mind was buzzing, blank.

When he was brought back by Mo Yan, although Wei An was locked next to Yue Feng, because Yue Feng's door was closed, Wei An never saw it.

"Are you still alive?"

Wei An finally reacted, looking at Yue Feng, unable to hide his surprise: "This... this is impossible."

At this time, Wei An thought that he had broken his legs and lost blood. Too much leads to dizziness.

Seeing his reaction, Yue Feng felt contempt from the bottom of his heart, and sneered: "Yes, I'm still alive, you didn't expect it?"

When he said this, Yue Feng was very calm.

To be honest, if Yue Feng faced a person who slandered him before, he would definitely not be able to control his emotions, but years of experience in the arena has made Yue Feng look down on everything.

Moreover, Yue Feng is too lazy to care about a despicable and shameless person like Wei An.

"You..."

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Hearing Yue Feng's voice, Wei An finally understood that this was not dazzling, nor a dream. He wanted to refute, but he didn't know what to say.

The next second, Wei An turned around and shouted at Mo Yan, "Your Excellency Demon King, he is Yue Feng, Jiutian Xuansheng, and the son-in-law of Jiutian God. Kill him, kill him."

When he said this, Wei An Very excited, and very sad in my heart.

Because of Yue Feng, I lost Liya, because of Yue Feng, I was expelled from the demon clan, and because of this Yue Feng, my legs were cut off by Mengya.

In Wei An's heart, it was because of Yue Feng that he had ended up so miserably. Under such circumstances, how could he tolerate Yue Feng living well?

Facing Wei An's clamor, Yue Feng chuckled lightly, not taking it to heart at all.

"Wei An!"

Mo Yan also frowned, a little unhappy, and said lightly: "Okay, calm down."

After saying that, Mo Yan looked at Yue Feng and continued: "The grievances between you two, I It's already clear, but you're all doing things for me now, and you're already sitting in the same boat, so I hope that the previous grievances will be written off."

What?

Hearing this, Wei Anxin's head shook, and she froze there.

Yue Feng took refuge with Moyan Demon King?

This...

Shocked, Wei An was very unconvinced and wanted to speak, but Mo Yan glared at him and quickly closed his mouth.

"Yue Feng!"

At this moment, Mo Yan looked at Yue Feng: "How is your injury?"

"Much better." Yue Feng responded.

Mo Yan nodded, and then looked around: "Okay, then we can talk about business, now there are three innate magic circles around Yutian Palace, Lord Mozun can't break the formation, so we can only find the demon clan, with the demon clan's Strength, to consume the power of the magic circle."

As she said that, Mo Yan's eyes fell on Wei An: "Wei An, you know the location of the new demon clan's territory, right?"

"Clear!"

Wei An nodded repeatedly, with a look of flattery: "As long as Your Excellency the Demon King is willing to give it to you. If I have the chance, I will personally take you to the new territory of the demon clan."

Hearing this answer, Mo Yan was very satisfied and smiled: "Very good."

After speaking, Mo Yan ordered the surrounding demon generals: "Immediately gather the troops and go to the demon clan's territory."

"Yes! Your Excellency the Demon King!" The

voice fell, and dozens of demon generals responded in unison, ready to go out to gather the army.

"Wait a minute!"

However, at this moment, Yue Feng suddenly stood up and said in a complicated tone, "I don't think this is inappropriate." At this moment, Yue Feng was very anxious.

This Wei An really betrayed the demon clan. If he led the demon clan army to the demon clan's territory, his previous plans with the White Tiger King would all be in vain. Not only that, the demon clan would also suffer an unprecedented catastrophe.

So, there must be a way to stop it.

Swish!

At this moment, all the eyes of the tent were focused on Yue Feng. The atmosphere also became dull.

Chapter 4142

This...

Facing the gazes around, Yue Feng's mind turned quickly, and then he smiled at Mo Yan: "Your Excellency the Demon King, I don't think this matter is too hasty. The overall strength of the demon clan is not as good as your demons. There are hundreds of thousands of people. I'm afraid it's not safe to go there."

After speaking, Yue Feng glanced at Wei An subconsciously, and continued: "Besides, he is the son of King Xuanwu, and his status is in the demon. The clan is no trivial

matter, who knows if he really wants to help? In case he secretly colluded with the demon clan and asked the demon clan to ambush in advance, we just rushed out like this, wouldn't we be caught in the net?" The

last word fell, Yue Feng Shaking his head deliberately, he looked like he didn't trust Wei An.

To be honest, in other circumstances, Yue Feng would not deliberately slander Wei An.

But there is no way. After all, this matter is related to the safety of the entire demon clan. What's more, Wei An has slandered himself before, and he has slandered him once, and it can be regarded as a cleanup.

Whoa!

The voice fell, and the entire camp suddenly talked about it.

"Mr. Yue Feng's words are not unreasonable."

"Yeah, this kid looks treacherous. Who knows if he really joins us? What if he secretly cheats? It must be guarded."

"This. ... This kid has broken his legs, doesn't he have the guts?"

Under the discussion, many demon generals agreed with Yue Feng's point of view, and some thought that Yue Feng was too suspicious.

And the most excited is Wei An.

mad.

At this time, Wei An was anxious and angry, and shouted at Yue Feng: "Yue Feng, you are stinging blood, how could I frame Your Majesty the Demon King?"

After speaking, Wei An turned his head and shouted at Mo Yan, "Your Majesty the Demon King, don't listen to Yue Feng's nonsense, you saved my life, and I can't repay such kindness. Going up the mountain and going down to the sea of fire, the liver and brain are on the ground, never frown, and ask Your Excellency the Demon King to believe me."

When he said this, Wei An was anxious and angry, staring at Yue Feng, wishing to kill him immediately .

This Yue Feng dared to slander himself in front of His Excellency the Demon King. He wanted the Demon King to deal with him. It was too hateful.

“Okay!” Feeling Wei An’s excitement, Mo Yan’s delicate face did not fluctuate in the slightest. She raised her jade hand to comfort him, “Don’t be excited, I am loyal, how could I not trust

you?”

Then, Wei An secretly sighed in relief, and a smile appeared on his face.

In the next second, Wei An pointed at Yue Feng and scolded: “Yue Feng, you just said that because you don’t want us to find the territory of the demon clan, right? Who doesn’t know that you have a close relationship with the demon clan, especially the White Tiger King and the Colorful Spirit Phoenix. They are more obedient to you.”

Speaking of this, Wei An became excited again, and said to Mo Yan: “Your Excellency Demon King, this Yue Feng has ulterior motives, he keeps saying that my motives are impure, in fact, he has no real motives. I beg you, Your Majesty, to order her to be dealt with immediately.” As

he said, Wei An looked at Yue Feng fiercely.

Mad, let you slander me and see how I treat you.

Yue Feng pretended not to hear Wei An’s clamor.

“Your Excellency the Demon King.”

At this time, Yue Feng gave Mo Yan a deep salute and said seriously, “I definitely don’t mean that, I just make a suggestion. To know the battle between the two armies, the most important thing is to ‘know oneself and one enemy’. , We are now only relying on Wei An’s own words, it is difficult to determine whether the demon clan is in danger of ambush, so I think we should be cautious.”

Phew...

At this moment, Mo Yan didn’t respond, but sat there, quietly contemplating.

For a while, the tent was silent, and the atmosphere became somewhat subtle.

“Okay!”

Finally, after a few minutes, Mo Yan calmed down, looked around, and finally looked at Yue Feng and said, “Your worries are not wrong, but I choose to trust Wei An, the so-called ‘ Don’t be suspicious of hiring people, don’t need to be suspicious of people’. This matter is settled, you all prepare, we will set off immediately.” The

voice fell, Mo Yan stopped talking nonsense, stood up, and took the lead out of the tent.

More than a dozen demon generals followed closely behind.

Done!

Seeing this scene, Yue Feng was calm on the surface, but he was very anxious in his heart.

Chapter 4143

Haha...

Wei An walked at the back because he was in a wheelchair. At this moment, he saw Yue Feng standing there motionless, and he was instantly proud of himself.

“Yue Feng!”

At this moment, Wei An pushed the wheelchair, and when passing by Yue Feng, he deliberately slowed down and said in a low voice, “Are you fake surrendering?”

Yue Feng looked at him and did not respond.

Wei An’s mouth twitched and he sneered: “It doesn’t matter if you don’t answer, I know you won’t really join the demon clan, you want to break into them, and then find a chance to disintegrate them, I tell you, as long as I’m here, you will No drama.”

“Also, I advise you to stop saving the demon clan. Have you seen my legs? It was all done by that little bitch Mengya. I will make the Baihu clan, and even the entire demon clan, pay a heavy price.”

With the last sentence, Wei An had a grim expression on his face, and then slowly left the tent.

crazy!

Looking at Wei An’s back, Yue Feng took a deep breath, feeling a little sad in his heart in addition to anger.

King Xuanwu gave birth to such a son, isn’t it the sorrow of the entire demon clan?

Muttering in his heart, Yue Feng also walked out quickly.

A few minutes later, Mo Yan did not report the situation to Demon Venerable, but gathered an army of nearly 20,000, and marched mightily towards the demon clan’s territory.

Along the way, Wei An followed behind Mo Yan, indescribably high-spirited.

As long as you help Moyan defeat the demon clan, you have made a great contribution, and you will be the guest of this demon clan in the future, can you be unhappy?

But Yue Feng was dull all the way.

Um?

Half an hour later, the army of 20,000 Demon Race finally arrived at the Demon Race territory, but when they saw the scene in front of them, whether it was Mo Yan or Wei An, they were all stunned.

I saw that the entire demon clan territory was empty, and there was not a single person.

All the demon clan members seemed to disappear out of thin air.

This...

Seeing this scene, Wei An's head trembled, and he was suddenly dumbfounded. He was anxious and couldn't believe it.

This is impossible. When I was expelled from the demon clan a day ago, there were still hundreds of thousands of demon clan members here, and at that time, the White Tiger King also deliberately strengthened the surrounding patrol forces.

It's only been less than a day, why is it all gone?

At the same time, Mo Yan also looked around, her delicate face was gloomy and uncertain, unable to hide her anger.

All have been withdrawn... Is the information of this monster clan so well-informed?

Huh...

And Yue Feng, who was standing aside, was calm on the surface, but his heart was indescribably excited.

Great, the demon clan has moved again, don't worry about it now.

Excited, Yue Feng looked around and saw that there was no mess in the demon clan territory. Obviously, when the White Tiger King organization evacuated, everything was arranged in an orderly manner.

Upon discovering this, Yue Feng couldn't help but admire in his heart: The White Tiger King is indeed a hero of a generation, he acts decisively and is not at all sloppy.

"Wei An!"

Finally, Mo Yan was the first to react, her eyes flashing with anger, and she asked Wei An coldly, "What's going on? Is this the new territory of the demon clan? Where are the demon clan members? What about the White Tiger King?"

A series of questions caught Wei An by surprise.

At that time, Wei An was completely in a mess, opened his mouth, and was speechless: "Your Majesty, please calm down, this... This is indeed the new territory of the demon clan. When I was expelled yesterday, they were still there. What..."

"Why is this gone?"

Depressed, Wei An tilted his head to see Yue Feng, his eyes lit up suddenly, and shouted, "Your Excellency Mozun, it must be him, it is him Secretly reported to the demon clan." After

speaking, Wei An became more and more excited, stared at Yue Feng and said fiercely: "Well, you Yue Feng, Your Excellency Mozun kindly took you in, but you are secretly and secretly acting. Report to the demon clan and ask them to withdraw in advance."

Wei An was cunning and despicable, unable to explain what was happening in front of him, so he put the blame on Yue Feng.

What's more, Yue Feng has a close relationship with the Yaozu, and is most suspicious.

Hearing this, Mo Yan's eyes flashed coldly, and she locked on Yue Feng tightly: "Yue Feng, is that so?"

Speaking of which, Mo Yan did not believe that Yue Feng did it. After all, he had just joined the Demon Race. If you report to the demon clan, you are courting death.

Chapter 4144

But think about it carefully, except for Wei An, only Yue Feng is suspected of everyone present.

After all, it was Yue Feng who helped the demon clan and came out of the sealed land. They were closely related to the White Tiger King and Qi Cai Lingfeng. If it wasn't for him reporting secretly, who else would it be?

Swish!

At this moment, the eyes of the surrounding demon army also converged on Yue Feng.

The atmosphere instantly became tense.

In the face of this situation, Yue Feng did not panic at all, but looked at Mo Yan with a smile: "Your Excellency the Demon King, you flattered me too much, from the time you decided to come to the Demon Race territory, until now, I have been by your side, Even if you have the heart to report, there is no chance."

When he said this, Yue Feng looked calm.

Some truth.

Hearing this, Mo Yan nodded and no longer doubted.

Wei An was in a hurry and couldn't help shouting: "Your Excellency Mozun, don't listen to Yue Feng's explanation, this person is the most cunning, who knows what method he uses to send a message to the demon clan?"

"In my opinion . . . , tie him up first and torture him."

After the last sentence, Wei An stared at Yue Feng, unable to hide his hatred.

Wei An wanted Yue Feng to die without a place to be buried, so naturally he would not miss the opportunity in front of him.

"Okay!"

As soon as the voice fell, Mo Yan scolded coldly: "I have a sense of discretion, it's not your turn to teach me how to do it." The

voice was not loud, but it was full of majesty.

Looking at Mo Yan's face, Wei An didn't dare to say anything nonsense, but looking at Yue Feng's eyes, it was still cold.

At this moment, Moyan looked around and ordered, "Check the surroundings immediately to see if there are any clues left when the demon clan left .

"

Responded, then spread out, and carefully searched the territory.

Ten minutes passed in a blink of an eye, and these demon warriors had not found any clues. Seeing this, Mo Yan's delicate face was full of frost, and her heart was extremely annoyed.

It's really abominable. I thought that this time, Wei An would be able to take the entire demon clan with him, but I didn't expect it to be empty.

What's even more irritating is that there is no clue in this territory.

"Your Excellency Mozun!"

At this moment, a demon general walked over quickly, gave Moyan a salute, and said complicatedly: "In the depths of the territory, I found an area with many wooden stakes and stones at the entrance. Block, this subordinate looks a little weird, so I didn't dare to break in by mistake."

Stakes and stones?

Hearing this, both Mo Yan and Wei An were stunned.

Yue Feng frowned and muttered inwardly.

Could it be a 'mountain and wood formation' that Qi Cai Lingfeng deliberately deployed before the demon clan withdrew?

Among the entire demon clan, Yue Feng only taught the colorful spirit phoenix formation, so when he heard the wooden stakes and stones, his first reaction immediately thought of the formation, and at the same time he also thought of the colorful spirit phoenix.

"Go and have a look!"

Just when Yue Feng was muttering secretly, Mo Yan reacted, and with a wave of her jade hand, she led many of her subordinates and walked towards the depths of the territory.

"Your Excellency the Demon King, wait for me." Wei An called out, pushing his wheelchair and quickly chasing after him.

Yue Feng raised the corner of his mouth, showing a faint smile, and walked at the end.

This...

Soon, when they reached the depths of the territory, Mo Yan frowned immediately when she saw the situation in front of her.

At the same time, Wei An was also stunned.

I saw that there were thousands of thick wooden stakes in the open space in front of me, and between these wooden stakes, there were some large stones scattered. An indescribable feeling.

Sure enough, it is the mountain wood formation.

When Yue Feng saw this scene, he nodded secretly.

The Mountain Wood Array is a formation created by Yue Feng. When Yue Feng first got the “Bai Qi Shen Zhen Array”, he had studied how to create his own formation method. method, ‘Aoki Array’ and ‘Shanshi Array’ are combined to create a ‘Mountain Wood Array’.

Mountain Wood Array, there is wood in the stone, and there is stone in the wood. It can be said that it completely brings together the advantages of ‘Aoki Array’ and ‘Shanshi Array’, and its power has doubled.

Unexpectedly, the colorful Lingfeng has such a high talent in the formation technique. She only taught it once, and she learned it.

Chapter 4145

At this time, looking at the ‘mountain and wood formation’ in front of him, the figure of a colorful phoenix appeared in Yue Feng’s heart, and he was very impressed.

On the surface, however, Yue Feng remained calm.

“Wei An!”

At this moment, Mo Yan retracted her gaze from the ‘mountain and wood formation’ in front of her and asked Wei An, “Where is this place? Why are there so many stakes and stones?”

Although Mo Yan is a demon One of the twelve holy devil kings of the clan, with a detached status and tyrannical strength, but he doesn’t know anything about battle formations. At this time, he can’t see it at all. The chaotic piles and stones in front of him are a very powerful formation.

This...

Wei An scratched his head. At this time, he was also confused, and he couldn’t see what the purpose of the stakes and stones in front of him was.

But in order to show off in front of Mo Yan, Wei An still didn’t know how to pretend: “Your Excellency the Demon King, this should be the place where the warriors of the White Tiger clan practiced. The stakes and stones should be used by them.”

After speaking, Wei An stretched out. Neck, looked into the ‘Mountain Wood Array’, and continued: “But there are a lot of wood piles and stones, and I can’t see what’s going on inside, so let me, Lord Demon King, please allow me to lead a vanguard, First clean up these stakes and stones, and then go inside to check.”

When he said this, Wei An's eyes were full of urgency.

At this time, Wei An thought that there must be some clues behind these wooden stakes and stones. Perhaps, there were some demon people hiding inside. If they were found by themselves, they would have done a good job.

Huh ...

Hearing this request, Moyan frowned lightly, pondered for a few seconds, then nodded and said, "Okay, let's do it like this, I'll give you five thousand warriors." With

that, Moyan mobilized five thousand demon warriors . , to be led by Wei An.

Haha... At this moment, Wei

An was very excited, with a proud look on his face, waving his hands and shouting: "Warriors, follow me in first, and clean up these stakes and stones."

Ann pushes the wheelchair and is about to enter.

"Wait!"

However, at this time, Yue Feng suddenly stood up and stopped Wei An.

"Yue Feng!"

Seeing Yue Feng coming out to make trouble again, Wei An couldn't help it in an instant. He almost jumped up and shouted, "What are you doing?"

Mo Yan also frowned secretly, looking at Yue Feng in confusion. .

Yue Feng looked indifferent, pointed to the mountain and said: "From my experience, these stakes and stones are not simple, they seem to be a formation, if you enter rashly, there will be danger."

"So, let's be careful . One point, think twice before you act."

When he said this, Yue Feng deliberately made a very serious look.

Yue Feng knew that Wei An was in a hurry to make a contribution at this time. No matter what he said, he would think he was going against him.

really.

As soon as he heard this, Wei An couldn't help shouting: "What formation? It's just some stakes and stones, Yue Feng, I think you know something? Why don't you let us go in and investigate?"

Yue Fengqing He laughed and didn't answer.

Seeing Yue Feng like this, Wei An thought he had guessed right, and became even more arrogant: "Hehe, why didn't you answer me? I'll just say it, you must have a ghost in your heart." After speaking

, Wei An said to Mo Yan, "Your Excellency the Demon King, This Yue Feng has repeatedly blocked our actions, I guess, the evacuation of the demon clan must have something to do with him, maybe, he knows the secret behind the stake and stone."

Hearing this, Mo Yan was suspicious and looked at Yue Feng: "Is that so?"

At this time, Mo Yan was also suspicious of Yue Feng. After all, Yue Feng has been preventing this action, which is really suspicious.

call!

Yue Feng breathed a sigh of relief and smiled bitterly: "Your Excellency Demon King, I just feel that there is some insecurity in it based on experience, and there is no other meaning at all."

Hearing this explanation, Mo Yan obviously did not believe it, and at this time, she was too lazy to talk nonsense and rushed. Wei An said, "Are you sure you are sure? These stakes and stones are really not dangerous?"

"Your Majesty, don't worry."

Wei An patted his chest and said to himself, "It's just some stakes and stones, can there be any ? What's the danger? I must investigate the inside clearly." The

voice fell, Wei An raised his hand and waved, commanding thousands of demon warriors to rush into the 'mountain wood formation'.

The ultimate husband in Chinese chapter 4146-4150

Chapter 4146

Haha...

Seeing Wei An and the demon warriors rushing into the formation, Yue Feng had no expression on his face, but his heart was full of joy.

Wei An, this idiot, thought he was going to make a great contribution, but he didn't know that he had fallen into a trap.

"Everyone, listen carefully."

At this moment, the moment he entered the mountain wood formation, Wei An looked proud, and ordered thousands of demon warriors: "Let's clean up these stakes and stones as quickly as possible, Don't miss a single one, and see if there are any holes under the wooden stakes or stones, secret passages..."

Whoops...

Hearing this, the five thousand demon warriors immediately dispersed and moved the objects in front of them. Stakes and stones.

Ugh!

Seeing this scene, Yue Feng smirked in his heart, but he showed a helpless look on his face, shook his head and sighed.

The change in Yue Feng's expression was caught in Mo Yan's eyes. He frowned at that time and said lightly, "Why? You are so sorry, could it be that there are really members of the demon clan hidden here?"

"Yan looked at Yue Feng's eyes with deep dissatisfaction.

If this Yue Feng really pretended to rely on himself, he would definitely not be able to forgive him lightly.

Yue Feng smiled, shook his head and explained, "Your Majesty the Demon King, you still don't believe me? I really didn't pass the news to the demon clan. I don't even know if there are demon clan members hidden in it. It's a pity that this Wei An is too impulsive in order to make a contribution. These wooden stakes and stones seem to be messy, but there are hidden secrets, it's just you..."

Rumble...

Yue Feng was just halfway through, when suddenly, a violent vibration came from his feet, and then he saw that the 'Mountain Wood Array' in front was shaking violently, as if an earthquake.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

At this moment, I saw the wooden piles and stones in the 'Mountain Wood Array', as if they had life, and they started rolling one by one. Those wooden piles and stones were extremely heavy, and the rolling force was also amazing. .

what happened?

Seeing this, whether it was Wei An and the demon warriors in the 'Mountain Wood Array', or Mo Yan who was standing outside watching, they were all shocked.

At this time, they couldn't understand, these stakes and stones were obviously dead, how could they suddenly seem to have life.

Yue Feng knew that this was because Wei An and the demon warriors moved wooden stakes and stones without authorization, triggering the formation.

"Get out, get out..."

Wei An reacted in shock and shouted at the surrounding: "This is too evil, everyone rush out." While shouting, Wei An quickly turned the two wheelchairs. The wheel, desperately rushed towards the outside.

Whoops!

The voice fell, and thousands of demon warriors rushed out.

However, the mountain wood formation has been opened, and the situation is no longer under their control. They can see that many demon warriors were hit by the rolling stakes and stones because of their panic, and some were directly pressed under the stones. , Within the entire mountain wood formation, there was chaos, screams and mourning continued.

This....

Seeing this scene, Mo Yan bit her lip tightly, her delicate and beautiful face was full of gloom and anger.

Before seeing the shadow of the demon clan, nearly a thousand demon warriors were lost.

It really makes no sense.

While angry, Mo Yan couldn't help but glance at Yue Feng, her heart was extremely complicated.

It turned out.... His guess just now was true, and the area in front of him was really dangerous.

Kacha...

At this moment, Wei An pushed the wheelchair, escaped by luck, and rushed out of the range of the mountain and wood formation, but the wheelchair was still smashed into pieces by a rock. At that time, Wei An had no support and rolled out. Far away, his face was covered with mud, and he was indescribably embarrassed.

At this time, Wei An was frightened and suffocated.

Madd, how could this be?

This time, nearly a thousand demon warriors have been lost. Your Excellency Moyan will definitely not forgive himself.

“Wei An!”

Just when Wei An was restless, Mo Yan came slowly and looked at him condescendingly, with a cold tone: “Didn’t you say it’s safe here? What happened just now?”

Chapter 4147

“Your Excellency the Demon King...”

Facing Mo Yan’s anger, Wei An almost wanted to cry without tears, and panicked: “I... I don’t know what’s going on, those stakes and stones, it moved suddenly, completely unprepared...”

After speaking, Wei An’s eyes fell on Yue Feng, and he shouted: “It’s Yue Feng, he must have done it.”

At this time, Wei An, I was very angry, and I wanted to push the responsibility. After all, he killed nearly a thousand demon warriors without taking any credit. If Mo Yan really wants to blame, how can he afford it?

Mad!

Hearing this, Yue Feng frowned secretly, very angry.

This idiot, at this time, has not forgotten to slander himself.

Thinking to himself, Yue Feng chuckled, looked at Wei An and said coldly, “Wei An, you really don’t blush when you say this, you were the one who insisted on going in just now, and I tried to stop you, but What about you, not only kept, but also said that I secretly reported to the demon clan...”

“Now that I’m in trouble, you’re targeting me again, do you think it’s interesting?” The

words were neither humble nor arrogant.

At this time, Yue Feng looked very unhappy on the surface, but his heart was full of joy.

Haha...

This Wei An is against me all the time, this time I'll let you 'mute to eat coptis, you can't tell the pain. '

"You..."

Hearing Yue Feng's mockery, Wei An's face flushed red, extremely ugly. He wanted to refute a few words, but opened his mouth, but he didn't know how to speak.

Because Yue Feng said it well, he did stop it just now, and he didn't listen to it at all.

But...how do you think about this, how do you feel that something is wrong.

This Yue Feng obviously saw through everything, and he stopped himself just now, he did it on purpose, just to make himself suspicious.

Yes, definitely so.

Thinking to himself, Wei An was so angry that he shouted at Yue Feng: "Okay, don't pretend, anyway, it's all your fault, don't think that you are acting alike, I can't see it. Now , you..."

Yue Feng smiled lightly, ignoring it.

Snapped!

At this moment, before Wei An finished speaking, Mo Yan, who was next to him, couldn't bear it any longer. She walked over quickly, her jade hand suddenly raised, and she slapped Wei An's face with a slap in the face.

"It's like a waste." Mo Yan glared at Wei An and said coldly, "This matter is entirely because of your greed for merit and rashness, which led to such damage. You don't repent, and you still have the face to blame. Yue Feng?"

Mo Yan was very angry when she said this.

The scene in front of him is very obvious. Yue Feng just reminded him with good intentions, but this Wei An, who obviously didn't understand anything, almost killed himself 5,000 demon warriors for his credit.

At the same time of anger, Mo Yan looked at Yue Feng's eyes, and it was different from before, with a strange light flashing.

This Yue Feng, worthy of being a hero of Kyushu, the Nine Heavens Profound Sage of God's Domain, can see at a glance that there is something wrong with these stakes and stones, and he really has some skills.

Fortunately, he was not executed before.

"Your Excellency the Demon King!"

At this time, Yue Feng took a step forward, first glanced at Wei An, and said lightly, "This Wei An is greedy for merit and has made such a big mistake, and he must not be forgiven lightly."

If it was in the past, Yue Feng would definitely disdain doing this, but now the situation is different, a villain like Wei An must be removed early, and if he continues to keep him, there will be endless troubles.

After all, this kid is the son of King Xuanwu, and he has a lot of information about the demon clan in his hands.

Um!

After what happened just now, Mo Yan's view of Yue Feng had a new change. Seeing him say so, she nodded, and then directed at the surrounding demon warriors: "Come on, take Wei An. Drag it out and cut it."

Moyan agreed to take Wei An because he knew the location of the demon clan's territory, and now that the demon clan has been transferred, Wei An is useless.

Moreover, what Mo Yan hated the most was this kind of villain who would only flatter and please.

Whoa!

As soon as the voice fell, several demon warriors immediately surrounded Wei An.

Seeing this, Wei An was frightened, his face was pale, and his whole body trembled.

Pfft!

The next second, Wei An hurriedly knelt there and kowtowed to Mo Yan to beg for mercy: "Your Excellency the Demon King, please raise your hand, spare my life, and give me a chance."

Chapter 4148

Because he lost his legs, Wei An was completely lying on the ground at this time, looking very embarrassed.

Speaking of which, Wei An didn't want to be so dignified, but he couldn't help it. In this state, he had already taken refuge with the Demon Race, and there was no turning back.

While Wei An begged for mercy, he did not forget to stare at Yue Feng fiercely.

Mad, this Yue Feng wants to take the opportunity to get rid of me, but he must not be allowed to succeed.

Facing Wei An's hatred, Yue Feng looked leisurely and pretended to look at the surrounding scenery.

Mo Yan also had a cold face, not moved at all.

"Your Majesty the Demon King!"

Seeing this, Wei An was completely panicked, lying there kowtow non-stop, bursting into tears: "I am loyal to you, you think, I was hurt by the White Tiger King's daughter like this, how can I still Will I collude with them, and have second thoughts about you? It was a complete accident just now."

After speaking, Wei An thought for a while, his face full of sincerity: "Besides, you haven't caught the demon clan yet, I'm still useful to you, Isn't it?" The

last sentence fell, and Wei An's eyes were full of anticipation and prayer.

call!

Feeling Wei An's sincerity, Mo Yan breathed a sigh of relief, her face softened slightly, and said softly, "Okay, since you are so sincere, I will spare you this time."

Mo Yan didn't want to keep Wei An. , but on second thought, this Wei An was right.

The demon clan did not find it, this guy with a broken leg still has some use, so give him a chance.

"Thank you, Your Excellency the Demon King..." Wei An was overjoyed, kowtowing in gratitude.

"but..."

However, at this time, Moyan Yu turned around and looked at Wei An and said lightly: "You don't need to intervene in the investigation of this territory. Now all the affairs here are subject to Yue Feng's arrangements, including you, understand? "

When she said this, Mo Yan's face was firm and unquestionable.

In Mo Yan's heart, Yue Feng's timely stopping of the action just now fully demonstrated the quality and ability of an excellent leader. In many cases, it is best to leave it to Yue Feng to investigate the matter here.

As for this Wei An, he would only be greedy for merit, and could not be alone at all.

What?

Hearing this, Wei An was shocked, first looked at Mo Yan and then at Yue Feng, he was speechless, full of resistance.

Let me follow Yue Feng's arrangement? No, absolutely not.

Thinking about it, Wei An was about to protest.

However, seeing the change in his expression, Mo Yan didn't give a chance at all, and said coldly, "This is an order, whether you want it or not, don't forget, this seat has just spared your life, don't be ignorant of praise."

Said After finishing this, Mo Yan turned around.

This...

Seeing this situation, Wei An was paralyzed on the ground, wanting to cry without tears.

"Okay!"

At this time, Yue Feng took a deep breath, summoned the surrounding demon warriors, and commanded with a smile: "From now on, everyone should follow my arrangements, and don't make mistakes."

Said, Yue The wind divided these demon warriors into four teams and entered from the four directions of the mountain wood formation, which was the correct way to crack the mountain wood formation.

really!

Under the command of Yue Feng, the demon warriors began to clean up the wooden stakes and stones inside.

Huh...

Seeing this scene, Mo Yan, who was standing not far away, couldn't help but nod her head in approval.

This Yue Feng really has a set. With his help, why can't he break the Yutian Palace?

"You..."

At this moment, Yue Feng turned his eyes and landed on Wei An who was lying on the ground, and said with a half-smile, "Go clean up the sewage over there and see if there are any secret passages below. ..."

Said, Yue Feng pointed to a sewage ditch not far away.

This sewage ditch is full of sewage and debris, dark and stinky.

Swish!

Hearing this, Wei An's face was instantly ugly, and a burst of anger burst out in his heart. Ma De, this Yue Feng wants to avenge his personal revenge, and he is also the son of King Xuanwu, how can he clean up the sewage?

Thinking to himself, Wei An said very unconvinced: "Yue Feng, don't go too far, how can I clean up when I'm like this?"

Haha!

Yue Feng chuckled lightly and said slowly, "It's just that you don't have your legs, so it's easy to clean up, just like you said, all the places here have to be checked again, if there's a secret passage, we've missed it, and you'll be responsible for it. ?"

Chapter 4149

When he said this, Yue Feng looked serious, but there was a sly light in his eyes.

Yes, Yue Feng did it on purpose.

Wei An slandered Yue Feng repeatedly and twice, and always wanted to frame Yue Feng, which made Yue Feng very annoyed. At this time, he took advantage of the opportunity to tease Wei An well and speak out of anger.

"You..."

Hearing this, Wei An's face turned blue and white, and he was completely speechless to refute.

After a few seconds, Wei An didn't say anything, but gritted his teeth, turned and crawled towards the sewage, and began to clean up the debris inside.

While cleaning up, Wei Anxin swore secretly.

Yue Feng, you wait for me. When you fall into my hands, I will make you unable to survive or die.

Haha....

Feeling Wei An's hatred, Yue Feng chuckled lightly, pretending he didn't see it.

Half an hour later, the stakes and stones in the mountain-tree array were cleaned up. Mo Yan was very happy, and immediately sent his subordinates to investigate in the depths.

However, to Mo Yan's disappointment, the area behind the mountain wood formation was also quiet, and there was not a single person.

The entire demon clan did not send warriors to stay here, but evacuated cleanly.

call!

At this moment, Mo Yan stood there in a very bad mood.

After tossing for a long time, it was all in vain in the end.

Yue Feng was secretly relieved, and the heart that had been hanging all the time also completely fell to the ground.

That's great, White Tiger King and Qi Cai Lingfeng are still cautious, and they didn't leave any clues after withdrawing, so there's no need to worry.

"Your Excellency Demon!"

However, at this moment, a demon general found something, walked over quickly, and said excitedly at Mo Yan: "We are here and found the trace of the evacuation of the demon clan." That's

great. .

Mo Yan was originally in a very depressed mood, but when she heard this, she felt a lot relieved. She did not hesitate to let the demon general lead the way.

Oops!

Yue Feng was startled, secretly said something was wrong, and immediately followed closely.

Soon, when we got to the depths of the area behind the mountain wood formation, we saw a forest at the end, and in the woods, there was a winding path.

Sha Sha...

After seeing Mo Yan's arrival, a demon general guarding the entrance of the path took out some gleaming white powder from his body and sprinkled it on the road.

Seeing this scene, Yue Feng couldn't help frowning secretly, and couldn't help but mutter in his heart.

what are they doing? Didn't you find the trace of the evacuation of the demon clan? What are you doing with these powders?

hiss!

He was muttering in his heart, and the next scene suddenly made Yue Feng stunned, and he couldn't help but take a deep breath.

I saw that the powder sprinkled on the road by the demon general soon merged into the gravel on the road. In a blink of an eye, many footprints appeared on the road.

There are many footprints, extending in the far direction...

Obviously, at that time, the White Tiger King led the entire demon clan to evacuate from this direction.

What the hell!

Seeing this scene, Yue Feng was completely stunned.

What means is this? It's amazing. The road in the woods is covered with gravel, and there is no trace of it at all, but these demons actually have a way to make these footprints appear...

"Yue Feng!"

Sensing Yue Feng Astonished, Mo Yan showed a smile and said proudly: "I'm surprised, at this time, our Demon Race's unique 'Picture Dispersion' is specially used for tracking."

After speaking, Mo Yan looked at the direction in which the footprints extended: "These monster clans thought that they would be able to rest in peace if they evacuated in time,

but they didn't know that no matter how far they escaped, they would not be able to escape our palm." The

voice fell, and Wei An, who had just come over, couldn't help but pick it up. He said: "Yes, the demons are powerful and famous in the realm of the gods. Sooner or later, they will dominate the realm of the gods. The White Tiger King is too short-sighted."

When he said this, Wei An did not forget to smile at Mo Yan to please.

It's just that he has just cleaned up the sewage, and it's full of dirt and stinky. It doesn't match his long speech at all, and it looks extremely funny.

Is this kid addicted to being a lackey?

Yue Feng frowned secretly, contempt flashing in his eyes.

Mo Yan ignored Wei An and instructed the surrounding demon generals: "Since we have found the traces of the demon clan's evacuation, it is not too late to set off and catch up."

"Yes!" The

voice fell, and more than a dozen demon kings responded He, and then gratefully called his subordinates to gather, and then rushed towards the depths of the woods.

Chapter 4150

Seeing this situation, Yue Feng was so anxious, but he knew that he couldn't stop it, so he could only keep up.

Yue Feng thought about it, Moyan really wants to find the White Tiger King and the entire demon clan, so he will find an opportunity to raid Moyan. As long as Moyan is injured, the nearly 20,000 demon warriors will collapse.

Wei An followed behind, sitting on the wheelchair that had just been made, with a gloomy expression on his face.

After finding the demon clan, he must not let go of the White Tiger King and Mengya easily.

The father and daughter.

One expelled himself from the demon clan, and the other cut off his own legs. Such a bloody revenge must be avenged.

Shasha...

I don't know how long it took, but the team in front suddenly stopped. At this moment, Yue Feng and Mo Yan were both frowning secretly, and they heard the sound of dense footsteps on both sides of the woods in front of them, listening to a lot of people.

Whoa!

In the next second, I saw tens of thousands of warriors from the Xuanwu clan approaching quickly from all directions, surrounding Moyan and Yue Feng.

The one headed, wearing silver-gray armor, filled with a powerful aura, majestic.

It is the Xuanwu King.

Xuanwu King?

Yue Feng was stunned for a moment, and his heart suddenly became complicated.

Father King?

At the same time, Wei An's expression changed, both surprised and happy. He never thought that he would meet the Xuanwu family here.

But soon, Wei An's excitement quickly disappeared, replaced by anxiety and worry.

In Wei An's heart, the White Tiger King and Mengya hurt him so badly, wishing they were caught by Moyan sooner, but the Xuanwu clan was different, it was his own clan.

At this time, Demon King Moyan encountered the Xuanwu family, and he would definitely not let it go easily.

"Wei An?"

At this moment, King Xuanwu's eyes were fixed on Wei An, and he was pleasantly surprised: "I'm finally relieved to see that you're all right."

Two hours ago, after King Xuanwu and King Baihu turned their faces, He took all the warriors of the Xuanwu family and searched for Wei An's whereabouts everywhere, but he searched all over the area for hundreds of miles, but there was still no clue.

But King Xuanwu didn't give up, so he returned to the vicinity of the territory and prepared to search carefully. Sure enough, he found Wei An, but King Xuanwu never thought that there were nearly 20,000 demon warriors with Wei An.

"Who are you?"

At this moment, King Xuanwu stared at Mo Yan with a strong hostility in his eyes: "Why are you here, and what have you done to my son?"

Xuanwu said this. Wang Qiang suppressed his anger.

He could clearly see that the wound on his son Wei An's broken leg had healed, and he was still sitting in a wheelchair at this time.

Seeing this, King Xuanwu subconsciously thought that Wei An was captured by the demons.

Phew...

Feeling the hostility of King Xuanwu, Mo Yan breathed a sigh of relief, without the slightest panic, but said slowly: "This seat Mo Yan, Demon Venerable sits down as one of the twelve holy demon kings, Your Excellency has a good aura, It must be the Xuanwu King, one of the four innate spirit beasts, right?"

After speaking, Mo Yan glanced at the tens of thousands of Xuanwu warriors around, and continued: "Don't get excited, I am not here to fight you, but Come to recruit your demon clan, and join us to deal with the realm of the gods."

Mo Yan's voice was not loud, but these words clearly reached the ears of every Xuanwu warrior.

Surrender?

Hearing this, King Xuanwu's pupils shrank slightly, subconsciously thinking that Mo Yan was threatening herself with Wei An, and sneered at the time: "Interesting, when you come to our territory, you dare to speak madly? Our facial features, don't let us die for your demons."

Immediately, King Xuanwu pulled out his long sword and pointed at Moyan: "Let my son go immediately, otherwise, I will let you go back and forth.

"

The last word fell, King Xuanwu's power exploded, and the surrounding air was instantly distorted, which was amazing.

At the same time, the surrounding tens of thousands of Xuanwu warriors also pulled out their weapons. In an instant, there were many long knives, and the entire forest was filled with a chilling aura.

Qiang Qiang Qiang...

In the face of this situation, nearly 20,000 demon warriors, not to be outdone, set up their formations and confronted the Xuanwu warriors.

The ultimate husband in Chinese chapter 4151-4160

Chapter 4151

As for Mo Yan, she stood there quietly, unaffected by the situation in front of her, and her delicate face was full of calm.

call!

Yue Feng took a deep breath and turned his head quickly, thinking about countermeasures.

As long as the two sides make a move, they will find an opportunity to raid Moyan.

“Father!”

However, at this moment, Wei An rushed out with a wheelchair, his face full of anxiety, and shouted at Xuanwu King: “Father, don’t be impulsive, misunderstandings are all misunderstandings.”

“I was not captured . , but was rescued by the Demon King, not her, I would have died on that cliff.”

When he shouted this, Wei An’s face was full of urgency.

In Wei An’s heart, he no longer had any attachment to the entire demon clan, and the only thing he cared about was the Xuanwu clan. At this time, the Xuanwu King suddenly appeared. For Wei An, it was God’s favor.

This is destined to make an alliance between the Xuanwu clan and the demon clan.

Under such circumstances, how could Wei An allow the two sides to fight?

What?

Hearing this, Yue Feng’s face changed, and he looked at Wei An coldly, terrified.

This guy.... really wants to take refuge in the demons?

Whoa!

This chapter is provided by . Visit for daily update.

At the same time, the Xuanwu King and the surrounding Xuanwu warriors were also stunned, and there was an uproar.

“What’s the situation?”

“Wei An was not captured?”

“He joined the Demon Race?”

The discussion of the surrounding subordinates came, and Xuanwu King was also buzzing, and it was blank.

It took more than ten seconds for King Xuanwu to react, looking closely at Wei An and said, “Wei An, what nonsense are you talking about? Tell your father honestly, are you being controlled by them? These words are all hers. What did you say?”

When he said the last sentence, King Xuanwu raised his finger and pointed at Moyan, his eyes were full of anger.

In King Xuanwu’s heart, although his son Wei An was a little selfish and absurd, he was still very measured when it came to right and wrong.

Even if his legs were chopped off and he was reduced to a waste, he would not do anything for the Demons servilely.

After all, the Demon Race is too evil and a threat to the entire world.

This....

faced by King Xuanwu’s questioning, Wei An almost burst into tears, and quickly explained: “Father, I didn’t lie to you, I was really saved by His Excellency the Demon King, and she didn’t threaten me either. Now, I have taken refuge with the Demons.”

“Father, the White Tiger King is too arrogant, why should we be subservient to him? Why don’t we take this opportunity to bring the Xuanwu Clan and allegiance to the Demons. As long as we do our best to help The demons have unified the realm of the gods, and the demons will never treat us badly.”

Wei An at this time was sincere.

He could see that the White Tiger King evacuated with the demon clan, and the father king was still here, which showed that the father king and the white tiger king had turned against each other. Since this is the case, it is a matter of course for the Xuanwu clan to take refuge in the demon clan.

Swish!

Hearing this, King Xuanwu’s complexion changed, extremely gloomy.

Absurd, so absurd.

Even if the Xuanwu clan is separated from the entire demon clan, with their strength, they can still have their own piece of heaven and earth, so why should they be subservient to the demon clan? At their mercy?

This son is really crazy to say such a thing.

Thinking to himself, King Xuanwu was even more certain that Wei An was under the control of Moyan. He didn't have time to think about it, and roared: "Shut up, don't say anything, today, the father, no matter what, will remove you from the Demon Race. Save it with your hands."

Facing this situation, Wei An wanted to cry without tears.

Why doesn't the father believe it?

Mo Yan stood there, with a delicate face, without the slightest emotional fluctuations, quietly watching the situation.

no!

Seeing this scene, Yue Feng's face was calm, but his heart was also a little anxious.

What happened today must not let Wei An succeed, let alone the Xuanwu clan to join the demon clan.

At this time, Wei An took a deep breath and was about to speak, but was interrupted by Yue Feng.

"Okay, Wei An."

Yue Feng pretended to see through everything, and said lightly: "You don't have to pretend, you surrendered to Your Excellency the Demon King on the surface, and secretly sent a message to the Xuanwu clan to let them ambush here, right? "

When he said this, Yue Feng's face was serious, but his eyes flashed with a strange brilliance.

Yes, Yue Feng wanted to disrupt the situation and make King Xuanwu and Moyan fight.

Chapter 4152

Otherwise, let Wei An persuade the Xuanwu King to turn all the Xuanwu clan to the demons, then it will be troublesome.

Swish!

At this moment, Moyan Xiumei frowned, her eyes locked on Wei An, and she was full of scrutiny: "Is that so?"

Yue Feng was right. As soon as he left the demon clan's territory, he was surrounded by these Xuanwu clan. Wei An The suspicion is very big, after all, he is the son of King Xuanwu.

Gudong! Facing Mo Yan's questioning, Wei An was frightened and frightened, and quickly said

with a bitter face: "Your Majesty Demon King, my loyalty to you can be seen from the sun and the moon. Don't listen to Yue Feng's nonsense."

An viciously stared at Yue Feng and shouted, "Don't spit your blood. This day, I have been following Your Majesty the Demon King, and I have never secretly delivered news to the Xuanwu clan. Stop slandering me."

Yue Feng chuckled lightly . : "Slandering you? Then explain the situation in front of you, why did your father appear here without the news?"

"I..."

Wei An opened his mouth, his face flushed, and he was speechless for a while. to refute.

At this time, Wei An was completely in a hurry. Mad, this Yue Feng has been fanning the flames. If he continues, His Excellency the Demon King is bewildered by him, and it will be more and more detrimental to himself.

Muttering in his heart, Wei An's eyes flickered, and he suddenly had an idea. He said to Mo Yan, "Your Majesty the Demon King, my father's presence here is a complete coincidence.

" Just a moment. He knows the ins and outs of the matter, and he will definitely not be arrogant to you again."

When he said this, Wei An looked expectant.

let you go?

At this moment, Mo Yan did not agree immediately, but stood there frowning and thinking.

It would be best if Wei An could persuade King Xuanwu to join the Demon Race.

Is it just that simple?

“Your Majesty the Demon King.”

Just as Mo Yan was thinking about it, Yue Feng said lightly, “How could this Xuanwu clan appear here, we still don’t know, we will only be more passive if we let Wei An over there rashly.

”, Yue Feng couldn’t help but glance at Wei An and continued: “In case, as soon as Wei An passes, the Xuanwu clan launches an attack, we will be passive, let him stay and use it as a bargaining chip.”

“As long as Wei An passes. On our side, King Xuanwu would not dare to act rashly.”

At this moment, Yue Feng had a serious look on his face.

This Wei An wants to do something unfavorable to the entire demon clan, and he must stop him no matter what.

Nima!

When the words fell, Wei An was about to explode with anger, almost jumping up, and shouting at Yue Feng: “Yue Feng, what kind of heart do you have? I used to persuade my father to avoid a fight between the two sides, but you have been interrupting by the side. , what? Don’t you want the two sides to fight?”

When he said this, Wei An’s eyes were bloodshot, and he wanted to peel Yue Feng’s cramps.

Yue Feng looked indifferent and said with a light smile: “What’s my peace of mind? I said this for the safety of Your Majesty the Demon King and these warriors. Who knows if you really want to persuade your father after you pass, or you want to take the opportunity to leave Your Majesty Demon King. “

Hehe, don’t be so pretentious, you say that you are beautiful, but you are actually hiding bad intentions.” Wei An said coldly.

Yue Feng put his hands behind his back, and said lightly: “Whoever is hiding the evil between us, who knows in his heart.”

“You...”

Wei An was so angry that his whole body trembled uncontrollably.

The atmosphere instantly became tense.

“Alright, alright.”

At this moment, Moyan’s red lips lightly parted, and she said slowly, “Don’t be arguing.”
After

saying that, Moyan looked at Yue Feng seriously: “Do you really think, let Wei An’s past isn’t right?”

Although Mo Yan is strong and has been on the battlefield for a long time, this is the first time he has encountered the situation before him. At this time, he has no idea at all, so he can only ask Yue Feng to give some advice.

After all, Yue Feng performed well in the territory just now. At that time, he said that those wooden stakes and stones were dangerous, but neither he nor Wei An listened to it, but something really happened.

So this time, be careful.

Um.

Yue Feng didn’t even think about it, he nodded and replied, “We mustn’t let Wei An pass, think about it, the King Xuanwu on the opposite side, just because Wei An is with us, doesn’t dare to act rashly, once Wei An passes, King Xuanwu will No worries.”

Hearing this, Mo Yan nodded silently and pondered.

Chapter 4153

Swish.

At this moment, the King of Xuanwu on the opposite side and the warriors of the Xuanwu tribe around him all focused on Yue Feng.

“The one arguing with Wei An seems to be Your Excellency Yue Feng?”

“It’s really him, he seems to be fine...”

“Looks like this, he was taken away by the demons.” The

surrounding discussion spread Come on, King Xuanwu is also full of complexities, his eyes are fixed on Yue Feng and he is speechless.

To be honest, before Yue Feng helped the entire demon clan get out of the sealed land, King Xuanwu admired him very much in his heart, but since his son was expelled from the demon clan because of Yue Feng, King Xuanwu had a crush on Yue Feng in his heart. have an opinion.

At this time, seeing that Yue Feng was also on the side of the Demon Clan, and Moyan appreciated him very much, King Xuanwu suddenly felt a little displeased in his heart.

This Yue Feng, the entire demon clan respected him so much and had such high expectations, he actually took refuge in the demon clan.

Or... Yue Feng, like Wei An, was also controlled by the Demon Race?

Thinking of this, King Xuanwu took a deep breath and shouted at Yue Feng: "Your Excellency Yue Feng, are you also controlled by the Demon Race?"

Phew!

Hearing the call, Yue Feng secretly sighed and did not answer, but secretly shook his head at King Xuanwu. Signal him not to worry about himself.

Yue Feng's movements were so small that neither Wei An nor Mo Yan noticed it.

However, King Xuanwu saw it clearly, but he would have mistaken Yue Feng's meaning, and he was not under control, so why not leave, it seems that he really took refuge in the demons.

Muttering in his heart, King Xuanwu was too lazy to think about it, and shouted at Mo Yan, "Hey, have you thought about it? I'll give you one last chance and let my son go immediately, otherwise, we will never die today.

" It doesn't matter whether Yue Feng has taken refuge in the Demon Race or not, the most important thing now is to rescue his son first.

Swish!

Facing the threat of King Xuanwu, Mo Yan's face changed, and her eyes flashed with anger.

He is one of the twelve holy devil kings, and his status is detached. When has he been threatened like this? This Xuanwu King is really courting death.

At this time, Mo Yan wanted to kill Xuanwu King immediately, but she held back.

You must know that this time, only 20,000 demon warriors were brought along, while the Xuanwu clan had as many as 70,000 or 80,000 soldiers.

Thinking of this, Mo Yan breathed a sigh of relief and said to Wei An, "Wei An, go over there. Remember what you said just now, and persuade your father and king to bring the Xuanwu clan to join us."

"This is me . I'll give you one last chance, don't let me down." Hearing

this, Wei An was overjoyed and quickly said, "Don't worry, Your Excellency Demon King, I will definitely live up to the expectations." Yue Feng was startled, and said to Mo Yan, "Your Excellency the Demon King, you can't take risks..." This Wei An is too cunning, who knows what he has in mind? "Okay!" Just before Yue Feng could finish speaking, Mo Yan shook her head, her delicate face was full of confidence: "You don't have to worry, even if this Wei An wants to betray me, I have full confidence that in Xuanwu Killed him before the king."

The last word fell, and Mo Yan's face was full of pride.

She is not blindly confident, but she definitely has the strength. You must know that Wei An has broken his legs and is inconvenient to move. If Mo Yan really wants to kill him, it is really easy.

Alas...

Seeing Moyan say this, Yue Feng secretly sighed and stopped expressing his opinions.

"Father!"

At this time, Wei An pushed the wheelchair and walked towards King Xuanwu with a smile on his face.

Whoa!

When they were about to approach, under the signal of King Xuanwu, several warriors of the Xuanwu tribe rushed over to greet him.

"Father!"

When he finally got to the front, Wei An smiled at Xuanwu King: "My son is not filial, and the father is worried." As he spoke, there was a bit of shame on his face.

King Xuanwu snorted, his eyes could not hide the kindness, and then scolded: "My son, I am relieved to see that you are all right, Father, but what happened to you just now? How can you be in front of all the clansmen? Let me take refuge in the Demon Clan?"
As he

spoke, King Xuanwu couldn't help but glance at Moyan who was on the opposite side.

Chapter 4154

At this time, in King Xuanwu's heart, he thought that Mo Yan was afraid of his own strength, so he let Wei An go, but he never thought that Wei An took the initiative to request.

This...

Under the scorching gaze of King Xuanwu, Wei An lowered his head and felt a little nervous, but he quickly adjusted his emotions, squeezed out a smile and said, "Father, what I said just now is true. Look at me, what happened to me by the daughter of the White Tiger King?"

"When the White Tiger King expelled me from the entire demon clan, he didn't care about your face at all. His daughter Mengya was even more hateful, stalking me secretly, and then I cut off my legs."

"With such a bloody feud, is that the end of it?" Having

said this, Wei An looked around at the surrounding Xuanwu warriors, and continued, "Father, you didn't evacuate with the White Tiger King and the others. It seems that he has turned against him. In this case, why don't we go directly to the Demon Race?"

"The Demon Race is powerful, and with our participation, we will be able to unify the Divine Realm soon. At that time, our Xuanwu family will be a great hero. That Demon Lord Gone will definitely not treat us badly." After

saying these words, he spoke bitterly.

"Don't say it."

However, King Xuanwu shook his head, his expression was firm, and his attitude was also very firm: "As one of the four innate spirit beasts, I will never give in to anyone." After

speaking, King Xuanwu's eyes flickered, Looking at Wei An, he continued: "Wei An, think about it carefully. Thousands of years ago, the war broke out between the demon clan and the God Realm. What was it for? Wasn't it to be unwilling to live under the gods of the God Realm? It wasn't for freedom. , if we now turn to the Demon Race, wouldn't it go against our original intention?"

"But..."

Hearing this, Wei An was a little anxious: "But our Xuanwu clan has broken away from the entire demon clan. If you want to stick to the principle, you can only rely on the strength of our Xuanwu clan. Under the current situation of God's Domain, we can protect ourselves. "Is it?"

“The White Tiger King will not let us go, let alone God’s Domain, and now that we have the opportunity to list the big tree of the Demon Race, why can’t we follow the will of God?”

When he said this, Wei An’s face was full of expressions. eager.

He couldn’t understand why his father would be so pedantic, what’s the benefit of fighting against the demons?

“No!”

However, King Xuanwu didn’t listen at all, and shook his head again and again: “Don’t say it, I will never agree. If I agree, what face will I have to lead the Xuanwu clan in the future?”

Said, King Xuanwu. He squatted down and carefully inspected Wei An’s broken leg: “Let me see your injury, and then let’s get out of here.”

King Xuanwu thought that since his son had returned safely, he would not start a war with him.

Although there are only less than 20,000 demon warriors on the opposite side, each of them is very strong, especially the female demon king, whose strength is even more unfathomable. If you really want to do it, you may not be able to take advantage of it.

Um!

Seeing King Xuanwu’s resolute attitude, Wei An knew that it was useless to say any more, so he nodded and let King Xuanwu check the injury, but those eyes kept flickering, secretly thinking about countermeasures.

He had already promised His Excellency the Demon King to make the entire Xuanwu clan surrender.

But the father and the king have always disagreed, which is difficult to do.

No, you have to find a way.

call!

Seeing this scene, Yue Feng, who was standing opposite, frowned, and his heart was up and down.

What is Wei An doing? Really persuade King Xuanwu to surrender?

Although King Xuanwu's strength and resourcefulness were slightly inferior to King White Tiger, his belief was still firm, and he would definitely not agree.

At the same time, Mo Yan is also Xiumei frowning lightly. She seems calm on the surface, but her heart is a little complicated.

Is this Wei An okay?

Will Yue Feng guess right, Wei An will defect and betray himself...

At this time Wei An is on his side.

"Okay!"

At this moment, King Xuanwu carefully inspected Wei An's injury, and he was completely relieved, because the wound healed very well, and if he took good care of it, he would be able to grow new feet in the future.

Saying that, King Xuanwu is about to stand up.

Swish!

However, at this moment, Wei An suddenly raised his right hand, fast as lightning, and poked directly towards the center of the back of the back of King Xuanwu.

The center of the back spine is the weakness of the Xuanwu family. Others don't know it, but as the son of the Xuanwu King, Wei An is very familiar with it.

Chapter 4155

"What are you doing?" The

sudden change made King Xuanwu stunned and couldn't help but scold. He never thought that his own son would suddenly attack him.

"Father, I'm sorry, I don't want to do this either, but I can't do anything about it." Wei An's face was complicated, and at the same time madness flashed in his eyes, he responded, "I did this for our Xuanwu clan." The

voice fell, Wei An accelerated, his right hand was like a bolt of lightning.

"You bastard."

Xuanwu King shouted angrily, trying to dodge, but he was too close, and it was too late.

"Stop!"

“Hurry up!”

“Wei An, you are so bold...”

At this moment, the surrounding Xuanwu warriors, seeing this situation, their faces changed greatly, and they shouted, and at the same time wanted to rush over to stop . However, it was too late.

Snapped!

In the next second, I saw Wei An’s finger pointing precisely on the back of King Xuanwu, and in an instant, King Xuanwu’s whole body softened, and he just sat there and couldn’t move.

The weak spot was attacked, and King Xuanwu needed at least six hours to recover.

What the hell!

Seeing this scene, Yue Feng, who was standing on the opposite side, was suddenly shocked, watching Wei An tightly and speechless.

This kid is too ruthless, for the sake of his own future, his father dares to do it.

Huh...

And Mo Yan, who was standing aside, raised her red lips slightly, showing a charming smile, looking at Wei An’s eyes with a bit of approval.

good.

This Wei An finally did not let himself down.

“Wei An.”

At this time, King Xuanwu sat there paralyzed, his face was grim, his eyes were full of anger, and he shouted at Wei An: “Are you crazy? Have you thought about the consequences of doing this?”

Feeling the anger of King Xuanwu , Wei An was very nervous, but still gritted his teeth and said: “Father, you can blame me, but I don’t regret it, because this is the only way out for our Xuanwu clan.”

“You...”

Hearing this Then, King Xuanwu only felt that his heart was stuffed, and he couldn’t speak out of anger.

WOW.

At this moment, the surrounding Xuanwu warriors also gathered around, pointing the long knife at Wei An, and shouting.

“Wei An, do you dare to do something to your father? It’s absolutely disrespectful.”

“Let go of my king.”

“Let go of my king, spare you from dying.”

The angry shouts of the Xuanwu warriors kept coming, but Wei An didn’t hesitate at all. Panic, he held a dagger tightly in his right hand and placed it on King Xuanwu’s neck, his face became extremely fierce.

“Take me back with a special code, otherwise, don’t blame me for being cruel.”

Wei An almost roared these words.

This...

Seeing this scene, the surrounding Xuanwu warriors all froze there, not daring to move. They never thought that Wei An not only raided King Xuanwu, but also threatened his life.

Crazy, absolutely crazy.

Yue Feng was also completely stunned, looking at Wei An closely, his heart was extremely complicated.

This Wei An is really despicable. In order to please the demon clan, he even used his father’s life to blackmail the entire clan.

quiet!

For a time, the audience was silent, and a drop of a needle could be heard clearly.

Seeing that the warriors of the entire Xuanwu clan were stunned by him, Wei An’s face was hideous, but he couldn’t tell the excitement and excitement in his heart.

Afterwards, Wei An looked around and shouted, “Throw away all the weapons and swear allegiance to His Excellency the Demon King Moyan.”

What?

He wants the entire Xuanwu clan to be loyal to the entire Demon Queen?

Hearing this, King Xuanwu's eyes were bloodshot, and he almost fainted. At the same time, he wanted to scold him loudly, but Wei An's neck was tightly stuck and he couldn't speak at all.

Wow...

At the same time, all the surrounding Xuanwu warriors also exploded.

Allegiance to the Demons?

This... how can this become the lackey of the demons in the future?

No... Absolutely not.

The hearts of many Xuanwu warriors were extremely incomparable. They were all proud Xuanwu, and they were never willing to be subservient to others. At this time, they could not do anything to surrender and be loyal to Moyan in front of them.

But seeing the life of King Xuanwu, he was holding it in Wei An's hands at this time, and one by one did not dare to speak out against it.

Pfft...

Finally, one of the elders of the Xuanwu clan slowly walked out of the crowd, knelt down at Mo Yan, and said loudly, "I would like to be loyal to Your Majesty the Demon King."

He didn't want to be loyal, but he had no choice.

The ultimate husband in Chinese chapter 4156-4160

Chapter 4156

If you don't agree, not only will King Xuanwu die, but the warriors of the Xuanwu tribe will not escape bad luck.

Whoa!

In an instant, a large area knelt down around, and the Xuanwu warriors present, although they were unwilling, chose to face the reality.

Seeing this scene, King Xuanwu was in a hurry and anger. Under the fire, his eyes darkened and he fainted. He is stubborn and arrogant, never bowing his head to any force, and at this time, the entire tribe is loyal to the demons under his eyes, how can he not be angry?

Ugh!

Seeing this scene, Yue Feng secretly sighed.

The Xuanwu clan took refuge in Moyan, and the situation facing the demon clan will be even worse.

Haha...

Father fainted, Wei An didn't feel guilty at all, but was indescribably excited and excited. After putting away the dagger, he instructed two Xuanwu warriors to help the Xuanwu King up.

Afterwards, Wei An pushed the wheelchair and returned to Mo Yan with a flattering expression: "Your Excellency the Demon King, Wei An has lived up to his expectations."

"Okay!"

Mo Yan's delicate face was full of approval, she nodded and smiled: "Very good. , You have done a great job today, and from now on, you will be my personal lieutenant."

"Thank you, Your Majesty the Demon King." Wei An was overjoyed and nodded repeatedly to express his gratitude.

Moyan looked around and ordered the surrounding demon generals: "Immediately rectify the warriors of the Xuanwu clan, move on, and be sure to find the White Tiger King and the other demon clan."

"Yes..." The

This chapter is provided by . Visit for daily update.

voice fell, and all the demons It will be in unison, and the momentum will be shocking.

Mo Yan was very confident, because under the influence of the Demon Race's 'Xianxing San', she followed the trail all the way, and she was not worried about finding the White Tiger King.

However, what Mo Yan didn't expect was that when she reached a mountain peak, the trail disappeared. This made Mo Yan very annoyed. He ordered his subordinate demon generals to continue to use Visible Dispersion to search for traces around.

"Your Majesty the Demon King!"

However, at this moment, a team of demon warriors rushed over, and when they got to the front, the one headed respectfully said to Mo Yan, "Your decree, please, Your Majesty Demon Lord, lead the army back immediately. "

Let me go back now?

Hearing this, Moyan frowned and asked, "What did the Demon Lord say?" The Xuanwu clan had been recovered, and after finding the White Tiger King, he was done, and now he is really unwilling to go back.

"Report to Your Excellency the Demon King."

The demon warrior quickly replied: "It is said that your honor has found a way to crack the innate formation." That's

great.

Mo Yan's eyes flashed, and the depression just now was swept away, replaced by incomparable excitement.

With the method of cracking the Innate Formation, you can capture the Yutian Palace, occupy the Yutian Palace, and take the entire Divine Realm, just around the corner.

What the hell!

On the other hand, Yue Feng, who was standing beside him, was secretly frightened and anxious at the same time.

That Demon Lord Gone actually found a way to crack the innate formation.

"You all go back first!"

At this time, Mo Yan said to the demon warrior: "We will come later, by the way, go back and see your honor, and say that I have successfully recaptured the Xuanwu clan."

"As ordered." The demon warrior responded, and immediately returned with his partner.

Moyan's integrated subordinates also followed the same path and rushed towards the camp.

On the way, Yue Feng was almost in a hurry. He knew in his heart that once Moyan returned to the camp, the Demon Lord Gone would attack Yutian Palace.

The Yutian Palace is destroyed, and the entire Divine Realm will soon fall. By that time, Demon Lord Gone's eyes will turn to the Kyushu Continent.

This was not the result Yue Feng wanted to see.

"Your Majesty the Demon King!"

When he was about to arrive at the camp, he saw a Demon General who quickly greeted him and said to Mo Yan, "Your Excellency is very happy to know that your Excellency has subdued the Xuanwu clan, and specifically explained that he wants to meet His Excellency the Xuanwu King."

Do you want to see King Xuanwu?

Mo Yan was stunned for a moment, and then subconsciously looked at Xuanwu King, who was still in a coma. He is still in a coma.

Huh...

Seeing this situation, Yue Feng's eyes flashed, and he leaned in and whispered: "Your Excellency Demon King, Xuanwu King is still in a coma, why don't I take care of him first, and when he wakes up, I will rule over Your Excellency as soon as possible. ."

When he said this, Yue Feng's face was sincere, but there was complexity in his eyes.

Chapter 4157

Hmm!

Moyan had no doubts and nodded: "Okay, then it's hard for you, take care of King Xuanwu first."

In Moyan's heart, Yue Feng's ability is extraordinary, but he is not afraid of him playing tricks, after all, this is the demon camp.

Wei An, who was following behind, frowned secretly.

Mad, what tricks is this Yue Feng trying to play? I slandered him so much before, will he kindly take care of my father?

Thinking about it, Wei An wanted to ask Yue Feng, but because Mo Yan was by his side, he finally held back.

At this time, Mo Yan explained a few more words, and went to see the Demon Lord Gone first.

"Yue Feng!"

Wei An couldn't help it as soon as his forefoot left. He walked over quickly and said coldly to Yue Feng, "I tell you, don't play tricks with me. If you want to harm my father and king, Get rid of your thoughts as soon as possible."

When he said this, Wei An's face was fierce.

In Wei An's heart, the hatred between himself and Yue Feng is getting deeper and deeper, and it is impossible for the other party to take good care of King Xuanwu.

This fool.

In the face of Wei An's clamor, Yue Feng was too lazy to talk nonsense, and said lightly: "Wei An, no matter how bad I am, I will not be as shameless as you. You are afraid that I will be bad for your father, so you can stand by.

"Hearing this, Yue Feng couldn't hide the mockery in his eyes: "However, do you dare to stand beside me?"

"You..."

Hearing this, Wei An's face instantly flushed red. Speechless.

Because what Yue Feng said was right, how could Wei An dare to stand by King Xuanwu's side at this time.

King Xuanwu has a tough personality and strong bones, but Wei An, as a son, had attacked King Xuanwu before, and he even threatened the entire Xuanwu clan with King Xuanwu's life.

In this case, King Xuanwu woke up and saw Wei An by his side, and he would definitely not forgive him lightly.

Wei An knew this, so in the face of Yue Feng's mockery, he had absolutely nothing to refute.

"Let's go!"

Seeing that Wei An was speechless, Yue Feng chuckled lightly, and ordered a few demon warriors to take King Xuanwu to a tent not far away to rest.

"Okay."

When he arrived at the tent, Yue Feng let a few demon warriors leave, and then quietly stood by, waiting for the Xuanwu King to wake up.

Time passed by minute by minute.

Ten minutes later, I saw King Xuanwu let out a grunt, and then slowly opened his eyes.

Wei An this bastard.

At the moment of waking up, King Xuanwu thought about what happened, and his anger rose, and he was threatened by his son. If this news spread, how would he stand still in the future?

Um?

While angry, King Xuanwu looked around and was stunned.

I saw that I was lying in a huge tent, with simple furnishings and a demonic style everywhere, and a figure stood quietly beside it.

Yue Feng?

The moment he saw Yue Feng, King Xuanwu was stunned for a moment, then his pupils gradually contracted, and he said fiercely: "Yue Feng? Why are you here? Did you really join the demons?"

King Xuanwu was not stupid, seeing From the surrounding environment, I knew that I had been taken to the demon camp.

And Yue Feng was by his side, which proved that he, like Wei An, also took refuge in the Demon Race.

Huh....

Feeling the hostility of King Xuanwu, Yue Feng took a deep breath and explained with a smile: "Your Excellency King Xuanwu, don't get excited, I just pretended to join the demons, and I didn't really want to sacrifice my life for them."

Having said that, Yue Feng explained the situation at the time, how he was betrayed by Wei An, how he was found by Gong Ao, and how he ended up in Mo Yan's hands.

At the end, Yue Feng shrugged his shoulders and said helplessly: "I never imagined that your son Wei An would also fall into the hands of the demons, and he would promise to swear allegiance to that demon queen Moyan so quickly."

Alas!

Knowing the situation, King Xuanwu's face softened. It turned out that Your Excellency Yue Feng was forced to do nothing.

In the next second, King Xuanwu sighed and said with grief and indignation: "It's a sin, it's a sin, I have a great reputation in my entire life, but I didn't expect it to end up in the hands of this unfilial son." After

speaking, King Xuanwu asked: “Your Excellency Yue Feng, I What about those members?”

Yue Feng exhaled and sighed, “At that time, they were coerced by Wei An, and they have all surrendered to the demons.”

Bang!

When the words fell, King Xuanwu was furious, he couldn't help slapped on the table in front of him, and said furiously: “This villain, for his sake, I would not hesitate to turn against the White Tiger King, I knew this earlier and let him be killed by Mengya. How nice.”

Chapter 4158

said, King Xuanwu is about to walk out of the tent and go to Wei An to settle accounts.

“Your Excellency King Xuanwu.”

Seeing this scene, Yue Feng couldn't help laughing and laughing, and quickly stopped King Xuanwu to persuade him: “You calm down first, don't be so impulsive, this is the demon camp, you can't walk around easily, I'm afraid you won't find it. Wei An was taken down.”

When he said this, Yue Feng's eyes were full of sincerity, but at the same time he was a little helpless.

The temper of this Xuanwu King is really hot, just a little bit.

King Xuanwu's eyes flashed with anger, he stopped, and looked at Yue Feng tightly.

Huh... After dozens of seconds, King Xuanwu

calmed down, his face full of grievances: “Your Excellency Yue Feng, you are resourceful and foresight, what do you think about the current situation?”

Betrayed by his son, the entire tribe also took refuge in the Demons.

No one can accept this.

Yue Feng smiled and said patiently: “Your Excellency King Xuanwu, when he first arrived at the camp, the Demon Lord Gone was going to summon you. Depending on the situation, he is very happy that you have joined the Xuanwu clan. He will pay so much attention to it.”

Hearing this, King Xuanwu was not at all happy, but instead looked distressed: "Your Excellency Yue Feng, don't make fun of me."

"Why is it sarcastic?"

Yue Feng shook his head, seriously Said: "Wait, I will tell the Moyan Demon King the news of your awakening, and then she will take you to see the Demon Lord Gone .

"

Resolutely, he shook his head and said, "My Xuanwu clan would rather die than give in, and I won't see Demon Venerable if I die."

Saying that, King Xuanwu looked at Yue Feng closely: "Your Excellency Yue Feng, if you want me to compromise with Demon Venerable for the safety of our Xuanwu clan, I advise you to give up."

Alas!

Yue Feng sighed, not knowing whether to laugh or cry: "You misunderstood, that's not what I meant."

Afterwards, Yue Feng glanced outside, making sure that no one was eavesdropping, so he lowered his voice and said, "Your Excellency King Xuanwu, I will let you go to see the devil. Zun, I don't want you to compromise, but I want you to do me a favor."

"What?" King Xuanwu was stunned.

Yue Feng pondered for a while, his stern face was full of seriousness: "The army of the demons has never broken the Yutian Palace, because there are three innate magic circles around the Yutian Palace."

"However, now the Demon Lord Gone has found the solution. The solution. If the Demon Race breaks the Yutian Palace, the entire Divine Realm will fall. At that time, not only your Xuanwu Race, but also the White Tiger King and other Monster Races will not be able to escape bad luck."

Speaking of this, Yue Feng's eyes flashed with determination: " This matter must not let the Demon Lord Gone succeed, so you must help me."

This...

Hearing this, the Xuanwu King was slightly moved, what Yue Feng said was of great importance, as he was The king of the Xuanwu clan naturally cannot stay out of it.

But... I am trapped in a demon camp, how can I help?

Thinking to himself, King Xuanwu nodded and said, "What exactly should I do, Your Excellency Yue Feng, please tell me quickly, as long as I can do it, I will never refuse."

Yue Feng nodded and said his plan: "It is very simple, you wait to see the Demon Lord Gone, then pretend to be loyal to him, and then find a way to find out how he can crack the innate magic circle." After

speaking, Yue Feng showed a bit of a wry smile on his face: "Before the Demon Lord used me The coercion of the Nine Heavens God failed, so I am not qualified to see the Demon Venerable, this matter can only depend on you."

Yes, this is Yue Feng's plan.

Demon Lord Gone found a way to crack the innate magic circle, Yue Feng was very anxious, he knew that he was not qualified to enter the big tent of Demon Lord, and could only find a way on Xuanwu King.

You must know that the Xuanwu family has just joined the Demon Race, and the Xuanwu King must be treated as a guest by the Demon Zun. In other words, only the Xuanwu King has the opportunity to explore how the Demon Venerable cracked the innate magic circle.

As long as he knew how Demon Venerable cracked the innate magic circle, Yue Feng would find a way to pass the news to the Nine Heavens God, so that God Domain could make corresponding measures.

To be honest, Yue Feng didn't want to help God Realm at all, because Mozun used him to coerce Jiutian God before, but Jiutian God didn't care about Yue Feng's life or death at all, and rejected Mozun with a 'false'. At that time, Yue Feng was very chilled.

But for the sake of the overall situation, Yue Feng had no choice, because once the Divine Realm fell, the next target of the Demon Race was the continent of Kyushu.

Phew...

At this moment, after listening to Yue Feng's plan, King Xuanwu took a deep breath, unable to calm down for a long time.

Chapter 4159

After more than ten seconds, King Xuanwu raised his eyes and looked at Yue Feng, nodding his head and said: "Your Excellency Yue Feng, it is true that you are righteous, chivalrous and benevolent, well, I will listen to you."

Seeing him Agreed, Yue Feng was overjoyed, and clung to King Xuanwu's hand: "That's great, success or failure is here, then I'll report to the Demon King now."

After speaking, Yue Feng left the tent and reported to Moyan. According to the situation, King Xuanwu woke up.

Mo Yan was very happy, and hurriedly sent her subordinates to take the Xuanwu King to see the Demon Lord Gone.

ten minutes later.

In the big tent of the Demon Race.

The Demon Lord Gone was sitting on the throne in the center, with an indifferent expression, and his body was filled with a powerful aura. On the sides, Mo Yan and the other holy demon kings stood there quietly, each with a solemn expression.

Below, Xuanwu King stood there, his face did not fluctuate in the slightest, but his heart was secretly shocked.

powerful!

So strong!

At this time, he felt the terrifying aura around the Demon Lord Gone, and King Xuanwu only felt that he couldn't breathe, but he still pretended to be very calm.

At this moment, Demon Lord Gone's eyes flickered, and he said indifferently to King Xuanwu: "You are King Xuanwu?"

"Yes!" King Xuanwu replied.

call!

The Demon Lord Gone sighed lightly and continued to ask: "It is said that your Xuanwu clan only joined us under the coercion of your son Wei An. What about you? Are you willing to be loyal to the deity now?"

" Full.

Facing the question, King Xuanwu's expression changed, pretending to be very emotional: "To be honest, our Xuanwu family has never bowed to any force, but today's situation may be God's will." After speaking,

King Xuanwu looked around: " Now that the Demon Race is strong and powerful, and ruling the Divine Realm is just around the corner, if my Xuanwu Clan goes against the sky, it will undoubtedly dig its own grave."

Putong!

When the last word fell, King Xuanwu bent his legs and knelt down directly at the Demon Lord Gone: "I, King Xuanwu, swear at this time, from now on, I will follow Your Excellency, go through fire and water, and never change until I die."

When he said this, The firmness and sincerity on King Xuanwu's face was only serious and complicated.

To be honest, King Xuanwu is arrogant and would rather die than bow his head to the Demon Lord, but for Yue Feng's plan, he can only aggrieve himself at this time.

"Hahaha..."

Seeing that King Xuanwu finally surrendered, Demon Zun Gone was very happy, and couldn't help laughing up to the sky: "Okay, very good, I heard that King Xuanwu is also a generation of heroes. Don't worry, I will not treat you Xuanwu clan badly when I unite the God Realm."

After speaking, he ordered the demon general next to him to prepare a seat for the Xuanwu King.

"Thank you, Your Highness!" Xuanwu King thanked him, and sat down without hesitation.

"Okay!"

At this time, the Demon Lord Gone looked around and said with a smile, "Now let's start formulating a battle plan and a way to crack the innate magic circle. The deity has already figured it out, but when the time comes, you need to pay close attention to it. Just cooperate."

"Moyan, when the time comes, you will bring 50,000 troops and attack from the west."

"Yutian, you will bring 50,000 troops and be responsible for the east..."

In the next few minutes, the Demon Lord Gone began to distribute Tasks are deployed in great detail at every step.

Seeing this scene, King Xuanwu, who was sitting there, was indifferent on the surface, but he was very anxious in his heart.

How to do?

How this Demon Venerable cracked the innate magic circle, I don't understand at all.

Anxious in his heart, King Xuanwu had no choice but to keep in mind every word of the Demon Lord Gone and how to assign the twelve holy devil kings.

The next second, King Xuanwu tilted his head to see the sand table not far away, and his eyes lit up.

I saw that the sand table was filled with various marks, and the center of those marks was the Imperial Palace.

Seeing this, King Xuanwu didn't have time to think about it, and firmly remembered those marks.

.....

this moment, the other side.

King Xuanwu went to see the Demon Lord Gone, and Yue Feng sat alone in the tent, unable to calm down.

King Xuanwu is almost ignorant of the battle technique. Can he successfully complete the task?

Whoa!

Just when Yue Feng was thinking about it, the tent's curtain was suddenly lifted, and then Wei An pushed in the wheelchair slowly, with a gloomy expression on his face.

Chapter 4160

Seeing Wei An, Yue Feng didn't have any good face: "What are you here for?" Wei An didn't talk nonsense, and straight to the point: "After my father woke up, what did you tell

him?"

His temper, he would never meet the Demon Lord Gone, but after talking with Yue Feng, he went to see him honestly, which is really abnormal.

Speaking of which, Wei An didn't want to question Yue Feng.

However, when he raided King Xuanwu before, he used him as a threat to force the entire Xuanwu tribe to join the Demons, which made Wei An feel very uneasy.

Therefore, Wei An came to question Yue Feng and wanted to clarify the situation.

This fool.

Yue Feng chuckled lightly and said lightly, "I'm just persuading King Xuanwu to go to the Demon Venerable, what else can I say?"

This Wei An has become a jerk of the Demon Race, and the plan between himself and King Xuanwu is a secret. How could it be possible? tell him?

“Haha...”

Hearing the answer, Wei An obviously didn't believe it, and sneered: “You think I'm stupid? I know best what my father's personality is. How could he easily turn to Demon Venerable? There must be something between you two. Secret.”

Mad, is it over?

Yue Feng frowned and was too lazy to pay attention to him: “Ai believe it or not, if you want to ask, ask your father, don't be lazy with me.” The voice fell, and Yue Feng strode out of the tent.

Swish!

At this moment, in the face of Yue Feng's ignorance, Wei An's face turned red, extremely ugly.

However, I am more certain in my heart that there must be a secret between Yue Feng and King Xuanwu.

“Row!”

Soon, Wei An reacted, looked at the direction Yue Feng was leaving, and said to himself: “No matter what you and my father are planning, I will definitely figure it out, and when I figure it out, you will die. Come on, Yue Feng.”

After speaking, he also pushed the wheelchair out of the camp.

the other side.

Yue Feng strolled around the camp and returned to the camp.

As soon as he arrived at the camp, he saw King Xuanwu coming back.

“How is it?” Yue Feng was very excited and asked impatiently, “Have you found out how the Demon Venerable cracked the innate magic circle?”

Well...

King Xuanwu scratched his head and smiled bitterly: “I don't either. I know if it's right, anyway, I wrote down what the Demon Venerable said at the time.” After speaking, he explained in detail how the Demon Venerable allocated his troops.

After saying this, King Xuanwu thought of something, so he pulled out his dagger and drew the sand table on the ground.

While painting, King Xuanwu explained: "At this time, I also wrote down the sand table situation in the big tent." That's

great.

When he saw the sand table drawn by King Xuanwu, Yue Feng was very excited. His accomplishments in the formation technique had reached a peak, so he learned about the distribution of troops of the Demon Lord Gone and saw the situation of the sand table. Just know how the Demon Lord Gone cracked the innate magic circle.

In the next second, Yue Feng asked Xuanwu King to guard the entrance of the tent, and wrote a letter by himself, detailing how to crack the Demon Venerable.

After doing this, Yue Feng and King Xuanwu rested and waited for the dark.

The demon camp was heavily guarded, and it was very difficult to send the letter to the God of Nine Heavens. We could only wait until it was dark, and there might be a chance.

For a few hours, the sky gradually darkened.

Yue Feng and Xuanwu King said hello, and took advantage of the night to sneak out of the demon camp and rushed towards the Yutian Palace.

call!

Soon, when he arrived near the Yutian Palace, seeing the scene in front of him, Yue Feng was dumbfounded.

As you can see, there are more than a hundred thousand heavenly soldiers and generals around the entire Yutian Palace, divided into four lines of defense.

Mad!

A few seconds later, Yue Feng reacted and was secretly worried.

Surrounding Yutian Palace, the defense is so tight, it is definitely not possible to break through directly, because the God of the Nine Heavens has publicly stated that he is a fake Yue Feng.

At that time, I am afraid that the letter will not be delivered to Jiutian God, and it may alarm the demons.

Thinking of this, Yue Feng had no choice but to wander around, looking for opportunities.

Um?

At this moment, Yue Feng's eyes flashed, and he saw not far away, a patrol composed of dozens of divine soldiers came over.

It was the Sun Xingjun whom Yue Feng had met once.

The ultimate husband in Chinese chapter 4161-4165

Chapter 4161

This Luminary Xingjun has an upright personality. If you tell him clearly, maybe he can help deliver the letter.

At this moment, Yue Feng made up his mind and went up to him directly.

“Who is it?”

Because the sky was dark, seeing a figure approaching, the guards of the patrol team immediately became alert and looked at Yue Feng.

Sun Xingjun even directly pulled out his long sword.

Yue Feng?

As the distance got closer and closer, seeing that it was Yue Feng, whether it was Xingri Xingjun or those divine soldiers, they were all stunned.

In the next second, Xingri Xingri reacted, looking at Yue Feng’s eyes, with vigilance flashing: “Stop!”

At the same time as he spoke, Xingri Yao waved his hand.

Whoa!

Those divine soldiers did not hesitate at all, and directly surrounded Yue Feng.

At this time, Xingri Sun, and even these divine soldiers, all believed that the ‘Yue Feng’ in front of him was fake and was sent by the Demon Race to investigate the situation, because the Nine Heavens God had previously said in public that Yue Feng was already dead and died in the Seal the magic mountain.

“Xingri Xingjun!”

In the face of this situation, Yue Feng did not panic at all, and explained with a smile: “I know you are surprised, but I am not fake, I am the real Yue Feng. Die...”

In the next few minutes, Yue Feng quickly explained his experience.

This chapter is provided by . Visit for daily update.

Really Yue Feng?

Hearing this, Xingri Sun was shocked.

At this time, Yue Feng continued: "I am temporarily staying in the Demon Clan camp, and I have no choice. The Demon Clan Gone has found a way to crack the innate magic circle. I have written all the details in the letter. Your Majesty, remember, you must be fast." The

last sentence fell, and Yue Feng handed over the letter.

Phew...

At this moment, Xingjun Yaori took a deep breath, took the letter, and was completely shocked.

Demon Venerable has found a way to crack the innate magic circle? This is no small matter.

But fortunately, Yue Feng came to deliver the news in time, otherwise, the consequences would be disastrous.

In shock, Xingri Xingri looked closely at Yue Feng: "Your Excellency Yue Feng, since you have left the Demon Clan camp, why don't you follow me to see His Majesty and send the letter to him in person?"

"You return now . Isn't the Demon Clan camp dangerous?"

This...

Yue Feng pondered and smiled bitterly: "I have other things to do."

King Xuanwu and the entire Xuanwu Clan are under the control of the Demon Clan. How could Yue Feng leave alone? More importantly, Mozun used Yue Feng to blackmail Jiutian God, but Jiutian God didn't care about Yue Feng's life and death, and declared that Yue Feng was fake.

When he thinks of this, Yue Feng is very chilled, how could he go to see the Nine Heavens with Xingjun Yaori?

"Okay!"

Xingjun Yaori is a smart person. Seeing that Yue Feng hesitated to speak, he knew that he had something inconvenient to talk about, so he didn't ask any further.

Yue Feng was inconvenienced to stay for a long time, and after saying goodbye to Xingri Yaori, he left quickly.

“Continue patrolling!”

Watching Yue Feng go away, Yaori Xingjun took a deep breath, and after instructing those divine soldiers, he immediately returned to Yutian Palace.

“Your Excellency Xingjun!”

When they approached the Nine Heavens Palace of God, they heard a voice from not far away.

I saw that Gong Ao, dressed in golden armor and holding a golden spear, walked slowly.

After the last battle, the Nine Heavens God was severely injured by the Demon Lord Gone, and he has been resting in the palace since then. Gong Ao, as the commander, is responsible for guarding outside.

Sun Xingjun stood on the cloth and showed a smile: “Palace Commander, I have something important to report to Your Majesty.”

Important thing?

Gong Ao frowned and said displeasently: “Xingjun, it’s not like you don’t know, His Majesty said that he was injured, and he is currently recuperating, so he cannot be disturbed. If you have anything to do, tell me directly.”

This...

Sun Xingjun hesitated, then nodded and said: “Okay, I was patrolling outside the Yutian Palace just now, and I met Your Excellency Yue Feng. He said that the Demon Lord Gone found a way to crack the innate magic circle, and will start the attack tomorrow. Yutian Palace.”

“But Your Excellency Yue Feng has already written the details in the letter.”

What?

Hearing this, Gong Ao’s heart was shocked, and he was stunned there.

Chapter 4162

For a time, Gong Ao stood there, unable to calm down for a long time.

Mozun found a way to crack the innate magic circle, which shocked him. You must know that the three innate magic circles around the Yutian Palace were deployed by the ancestors of the prehistoric, mysterious and powerful.

In the realm of the gods, no one can understand.

And this Demon Lord Gone, it took just a few days to find a way to crack it, which is really incredible.

But what shocked Gong Ao more was Yue Feng.

At that time, the Demon Lord Gone used Yue Feng to threaten the surrender of the Nine Heavens God. After the failure, he did not execute Yue Feng... Mad, this Yue Feng's life is too big, right?

"Commander of the Palace?"

Seeing Gong Ao standing there, his face changed and his eyes flickering, Xing Sun couldn't wait any longer, so he couldn't help reminding him: "Can you help me pass a message to Your Majesty, this is a very important matter at this time, so it's a delay. No."

When he said this, Xingri Sun was anxious.

He really wanted to break in directly, but he didn't have the guts. You know, when the Nine Heavens God was recuperating, he didn't like to be disturbed the most.

"Oh..."

Gong Ao reacted with a smile: "Xingjun is right, this time is no trivial matter, I should help you spread the word, but Your Majesty is recuperating from his injury and is in a critical period." Speaking, Gong Ao's eyes turned, with a sincere look: "Well, you give me the letter, before dawn, I will find a chance to show it

to His Majesty." Xingjun pondered for a while, and had no choice but to nod and say: "Alright. That will trouble the commander of the palace." After speaking, he handed over the letter.

Immediately, Xingri Sun turned around and left.

To be honest, Xingjun Dayun really wants to hand over the letter to the Nine Heavens God in front of him, but Gong Ao said it well. Recently, because of the urgency of the war, the Nine Heavens God is already upset. In addition to being injured and recuperating, it is most annoying to be disturbed by others. Xingjun does not want to offend Shengwei.

Ha ha....

Watching the star of the sun go away, Gong Ao's mouth twitched, showing a sneer, then turned around and entered the palace.

When he arrived in the palace, Gong Ao opened the mechanism, opened a secret stone door in the secret room, put away his smile, and walked in carefully.

Although it is a secret room, the space is very large and the decoration inside is magnificent.

In the central position, there is a white jade bed, surrounded by gauze curtains, and the Nine Heavens God, dressed in a white robe, sits there quietly, his eyes are slightly closed, and he is quietly cultivating.

Even if he didn't wear a dragon robe, his whole body was filled with a powerful aura.

call!

Seeing this scene, Gong Ao took a deep breath, adjusted his nervousness, and said softly, "Your Majesty?"

Shuh!

The voice fell, Jiutian God suddenly opened his eyes, locked Gong Ao at once, frowned, and said very displeased: "Gong Ao, I asked you to stay outside to prevent others from disturbing me, why did you come in?"

When saying this, the Nine Heavens God suppressed his anger.

He was severely injured by the Demon Lord Gone before, and he has been resting here for a day and a night. At a critical moment, he was disturbed by Gong Ao. How can he not be angry?

Pfft...

Feeling the wrath of the Nine Heavens God, Gong Ao trembled, knelt down quickly, and said in panic, "Your Majesty, calm down, this subordinate did not intend to come in to disturb you, but to report something important."

"Speak!" Jiutian God said with a cold face.

Gong Ao took a deep breath and said slowly: "In the past two days, my subordinates have been secretly sending people to investigate the situation in the Demon Clan camp. Just half an hour ago, Demon Venerable found a way to crack the Innate Great Array and has already deployed it. With the battle plan in place, we are going to launch an attack on the Imperial Palace early tomorrow morning."

What?

Hearing this, Jiutian God trembled in his heart and was shocked.

“But...”

At this moment, Gong Ao Yu turned around and showed a pleasing smile: “My subordinates have already sent someone to write the detailed battle plan of Demon Venerable in the letter.”

Said Then, Gong Ao took out the letter that Xingjun had just handed to him, and presented it respectfully to the Nine Heavens God.

When he took out the letter, Gong Ao had a smile on his face, but there was a sinister glint in his eyes.

That’s right, Gong Ao didn’t plan to tell the truth, let alone tell Jiutian God that this letter was brought out by Yue Feng from the Demon Clan’s camp.

Chapter 4163

In Gong Ao’s heart, no matter what the purpose of Yue Feng is, he can’t let him get his wish.

Not only that, if what was written in the letter is true, Gong Ao has done a great job, so why not do it.

Huh... Nine Heavens God took the letter and didn’t open it directly. Instead, he glanced at Gong

Ao and said coldly, “You sent someone to the Demon Camp to investigate the situation? Why don’t you know?”

Facing an unprecedented crisis, Gong Ao acted without authorization, but it was a big taboo.

Gong Ao hurriedly said: “This subordinate did this, completely thinking of helping His Majesty’s worries. At that time, His Majesty was in retreat to recover from his injuries, so the subordinate did not ask for instructions in advance, and asked His Majesty to forgive.”

Seeing his panic, Jiutian God no longer cares , waved his hand: “Okay, okay, this kind of thing won’t happen again, get up.”

“Thank you, Your Majesty!”

Gong Ao breathed a sigh of relief and stood up quickly, but he was still a little nervous.

At this time, Jiutian God no longer spoke, but opened the letter and read it carefully.

For a while, the room was extremely silent.

The atmosphere is also a little dull.

This...

Nine days God became more and more frightened as he looked at it, and in the end, he could hardly sit still.

The letter clearly stated that Demon Lord Gone's detailed method to decipher the innate magic circle, not only that, but also made detailed arrangements for tomorrow's attack.

This Demon Lord Gone is really not simple.

After reading the letter, Jiutian God's face changed and he was secretly shocked.

Without this letter, Yutian Palace would definitely not be able to hold back when the demon army attacked tomorrow. Fortunately, Gong Ao was witty and knew that he secretly sent people to investigate the situation in the Demon Clan camp, otherwise, the consequences would not be imagined.

Speaking of which, the Nine Heavens God's skill in fighting the law and the first technique is 108,000 miles worse than that of the ancestors of the prehistoric wilderness. They all told the Nine Heavens God.

Not only that, but at that time, Empress Nuwa, considering that Demon Zun Gone might find a way to solve it, she also told the Nine Heavens God about the way to deal with it.

In this case, the Nine Heavens God already had a deep understanding of the innate magic circle.

At this time, the God of Nine Heavens clearly saw that what was written in the letter, the law enforcement by the Demon Lord Gone, was exactly the same as what the Empress Nuwa said, so why not be shocked?

However, Jiutian God didn't know that this letter was not due to Gong Ao at all, but was sent by Yue Feng.

Phew...

I thought to myself, the Nine Heavens God took a deep breath, smiled at Gong Ao, and praised: "Gong Ao, you did a good job this time, you really did a great job, when you defeat the demons, I will definitely There are many rewards."

"Your Majesty is serious, this is what your subordinates should do." Gong Ao said quickly.

When he said this, Gong Ao's face was calm, but he was secretly relieved and excited.

Haha...

I thought that Sun Xingjun was alarmist, but I didn't expect that what he said was true.

Yue Feng, Yue Feng, you have sent important information through all your hard work, but you never thought that the last credit would be robbed by me.

Excited, Gong Ao cautiously leaned forward and asked the Nine Heavens God, "Your Majesty, the Demon Lord has a way to crack the innate magic circle, how should we deal with it?"

Hehe...

Hearing this, the Nine Heavens God showed a smile and said confidently: "Don't panic, Senior Sister Nuwa Niangniang had long expected that the Demon Lord Gone might find a way to solve it, so put it away. The countermeasures have also been told to me." After speaking

, Jiutian God's eyes flashed a little bit of coldness: "Tomorrow, before the demons attack, we will slightly modify the innate magic circle, and then they will be defeated and return. "

Great.

Gong Ao was a little worried at first, but when he heard Jiutian God say this, he immediately smiled.

"Go!"

This is, the God of Nine Heavens got off the white jade bed, and ordered Gong Ao: "Give me a paper and a pen."

Gong Ao did not dare to neglect, and hurried to prepare.

After getting the paper and pen, Jiutian God did not hesitate, and wrote down all the methods of coping that Mother Nuwa said at the beginning, and then handed it over to Gong Ao to instruct: "According to what is written on this, remember, don't go out. A little mistake, do you know?"

"Subordinates keep this in mind."

Gong Ao respectfully responded and hurriedly took it.

Chapter 4164

However, Gong Ao did not leave, but stood there, hesitating to speak.

You must know that the letter to Jiutian God just now was given to Xingjun by Yue Feng, but Gong Ao took the credit for himself. Jiutian God will know about this sooner or later.

Once the Nine Heavens God knew the truth, he would not spare him lightly, so how could Gong Ao not panic?

“Why don’t you go?”

Seeing Gong Ao standing there motionless, Jiutian God frowned: “Is there something else?”

Uh...

Gong Ao pondered, and made an indescribable look: “Your Majesty, There is something, I don’t know if I should say it or not.”

Jiutian Shen exhaled, and said angrily: “If you have anything, say it quickly, don’t talk to your mother-in-law.”

“Yes!”

Gong Ao nodded, with a complicated expression: “Avoid, My subordinates heard that Yue Feng joined the Demon Race.”

Jiutian God’s eyes flashed with a cold light, but he didn’t answer.

Gong Ao continued: “Your Majesty, the previous matter of sealing the Demon Mountain was the fault of my subordinates. I didn’t stop Yue Feng in time, which made him trapped in the blood sacrifice formation. My subordinates thought he was really dead. Nie took him to threaten His Majesty, and I also thought he was fake.”

At this time, Gong Ao was talking eloquently, and at the same time, he kept noticing the changes in Jiutian God’s face.

Um!

Hearing this, the Nine Heavens God had no expression on his face and responded lightly.

Speaking of which, when the Demon Lord Gone was using Yue Feng to coerce, Jiutian God knew that that was the real Yue Feng at that time, but for the sake of dignity and the safety of Yutian Palace, Jiutian God never made a statement easily.

Until Gong Ao suddenly appeared and said that Yue Feng was fake, Jiutian God did not hesitate at all, and directly adopted Gong Ao's point of view.

In this way, it not only saves face, but also protects Yutian Palace.

At this time, seeing Gong Ao talking about this matter again, Jiutian God is not a fool, so he said along the way: "According to you, that Yue Feng was real at that time, and now he has taken refuge with the demons?"

"Yes . Yes!"

Gong Ao nodded with a pretentious look: "According to his subordinate's guess, when Yue Feng saw that we didn't save him, he also said that he was fake, and he must have resentment, so he turned to the Demon Race. "

Speaking, Gong Ao knelt down again, and said ashamed: "Your Majesty, this is all my fault, I beg Your Majesty to punish."

Alas!

Jiutian God sighed and waved his hand: "Forget it, you didn't know the situation at the time, and it was also to protect Yutian Palace, no wonder you."

Immediately, Jiutian God thought about it and said with emotion: "Perhaps this is Yue Feng's fate, at that time If I knew that he was the real Yue Feng, and I saved him, Yutian Palace would not be able to keep it. Forget it, I won't mention it in the future."

In the heart of Jiutian God, since he had given up Yue Feng before, Yue Feng would not be able to keep it. Where the wind goes, it has nothing to do with God's Domain.

"Yes, Your Majesty!"

Gong Ao responded quickly, and said with tears of gratitude: "Thank you for your generosity." After speaking

, Gong Ao slowly stood up and said with a complicated expression: "There is one more thing."

"Speak!" Nine Heavens God said lightly.

Gong Ao hesitated and said, "Your Majesty, since the last battle with the Demon Race, although we defeated the Demon Venerable by relying on the Innate Magic Array, the morale of the soldiers and generals below has always been demoralized, and the hearts of the entire Yutiangong have been lost. apprehensive."

“Privately, I have heard a lot of rumors that the Demon Lord Gone will break through the Yutian Palace sooner or later.”

“I also said that if we are at a stalemate with the Demon Race like this, we might as well surrender sooner rather than later.” Shuh

!

Hearing this, Jiutian God was furious, his eyes almost spitting fire: “Who are these rumors spreading? Damn, it’s a crime that deserves death.”

It is a taboo to disrupt the morale of the two armies against each other. How can the nine-day God not be angry?

“Your Majesty.”

Feeling the wrath of the Nine Heavens God, Gong Ao was taken aback, and quickly said: “Your Majesty, calm down, these rumors have been spreading in Yutian Palace this day, and my subordinates are also investigating.”

Afterwards, Gong Ao looked at Flickering, he said cautiously: “However, when my subordinates were investigating this matter, they accidentally discovered a situation.”

“What’s the situation?” Jiutian God’s face was gloomy.

call!

Gong Ao took a deep breath and said slowly: “My subordinates found out that Xingri Sun secretly met with Yue Feng in private. My subordinates guessed that Xingri Sun had no confidence in Yutian Palace. I want Yue Feng to be the introducer, and I also want to join the Demon Race.”

Chapter 4165

When he said this, Gong Ao looked serious, but his eyes were full of treacherousness.

Yes, Gong Ao said so much before, the main purpose is to frame Xingri Sun.

You must know that the truth of Yue Feng’s letter is known only to Xingri Xingri, but Gong Ao takes the credit for himself. In order to keep the secret, he can only find a way to get rid of Xingri Xingri.

As long as Xingri Xingri died, no one in Yutian Palace would know the truth.

What?

Hearing this, the Nine Heavens God was so angry that he stood up abruptly, and said angrily, "What you said is true?"

That Sunstar Xingjun dared to betray God's Domain.

It really deserves death.

"Yes, this subordinate saw it with his own eyes."

Gong Ao nodded, with a determined look on his face: "It was just dark and the distance was far, but the subordinate saw it clearly, Xingri Xingjun did meet Yue Feng.

", Gong Ao looked at Jiutian God's face: "Your Majesty, this Luminary Xingjun is obviously going to betray God's Domain, and he must be executed as soon as possible."

Hu!

Jiutian God took a deep breath and couldn't hide his anger: "Go, immediately call the star of the sun, and I will ask him in person."

"Yes!"

Gong Ao responded, and quickly walked out of the secret room, ordering the guards outside. Soldier, summon Sun Xingjun.

At this time, Gong Ao was calm on the surface, but panicked in his heart.

Oops!

His Majesty wants to personally interrogate Xingri Sun, which is troublesome. In case Luminary Xingjun tells the truth, he will turn over a heinous crime.

However, Gong Ao Chengfu was very deep, and he quickly thought of a countermeasure.

After a while, Xingri Sun was summoned, went to the secret room, knelt down respectfully, and said to the Nine Heavens God: "Xingri Sun, see your majesty."

When he said this, Xing Sun was inexplicably nervous. Because he saw that the Nine Heavens God was sitting on the white jade bed with a gloomy and frightening face.

Gong Ao, who was standing on one side, also had a gloomy expression on his face.

what's going on?

Seeing this scene, Xingri Xingri felt even more uneasy. Could it be that there is something wrong with the letter that Yue Feng gave?

“Xingri Xingjun.”

At this moment, Jiutian God looked at Xingri Xingri closely, and asked coldly: “I ask you, how do I treat you?”

Xingri hurriedly said: “Your Majesty is very kind to me. Righteousness is heavy, and you have the grace of knowing and meeting with me.”

Phew!

Hearing the answer, Jiutian God sneered and shouted angrily: “Even so, why did you betray me?”

When saying this, Jiutian God’s eyes almost burst out with fire.

What?

Sun Xingjun was terrified, almost paralyzed on the ground, and said in fear: “Why did your majesty say this? I am loyal to your majesty, how can there be a heart of betrayal?”

” He shouted: “I still don’t recognize it, so let me ask you, have you met Yue Feng before?”

Xingjun Yao’s heart trembled, and he said in a panic, “Yes.”

“Even so, you still said that you are not going to betray me? Jiutian God was so angry that he pointed at Xingri Xingjun and said angrily: “Do you think that Yutian Palace can’t hold it anymore, and in order to protect yourself, you want Yue Feng to introduce you so that you can meet the Demon Lord Gone?”

“No, nothing at all.”

At this moment, Yaori Xingjun suddenly panicked, and hurriedly shouted to explain: “That’s the truth, it’s Yue Feng...”

At this time, Yaori Xingjun, almost scared to death.

He never thought that he would become a traitor in the eyes of Jiutian God just by helping Yue Feng pass a letter.

“Shut up!”

Just before Yaori Xingjun could say it, he saw Gong Ao shouting loudly, and then he rushed over, shot like electricity, and slapped Yaori Xingjun fiercely.

Yes, Gong Ao is waiting for this moment.

“Commander Gong, you...”

Seeing Gong Ao’s palm calling, Xingri Sun was furious and wanted to dodge, but it was too late.

boom!

This palm contained all of Gong Ao’s divine power, and he heard Xingri Xingri groaning, the primordial spirit in his body was instantly scattered, and his figure flew out like a kite with a broken string, and finally collided with the entrance of the secret room. On the stone door, it slid down softly.

However, this was not enough for Gong Ao. At that time, he rushed over quickly, grasped the golden spear tightly, and pierced Xingri Sun directly.

The ultimate husband in Chinese chapter 4166-4170

Chapter 4166

At this moment, Yaori Xingjun spurted out a mouthful of blood and was completely out of breath, but his eyes were wide open.

“Your Majesty!”

At this time, Gong Ao put away the golden spear, turned around and knelt down at the God of Nine Heavens, with a pretentious look: “My subordinate was so angry just now that I couldn’t hold back for a while, and I also ask Your Majesty to punish.

” At that time, Gong Ao lowered his head and did not dare to look at the Nine Heavens God.

“Forget it!”

Jiutian God sighed and waved his hand: “You did a good job. If they can be as loyal to me as you are, why should I be afraid of the Demon Lord Gone?”

“The correspondence I gave you just now. The method, you hurry to prepare, be sure to be ready before dawn.”

“Yes, Your Majesty.”

Gong Ao responded, and took the corpse of Xingri Xingjun, and walked out of the secret room quickly.

When he got outside, Gong Ao showed a smile, and his mood was indescribably smooth.

Haha...

you don’t have to worry about it when Xingjun dies.

Thinking to himself, Gong Ao looked at the corpse of Xingjun Yaori, and said to himself: “Mister Yaori, you don’t blame me for being cruel. In order to make merit, there is nothing I can do.”

After speaking, Gong Ao called for a few people. A divine soldier, let them deal with the corpse of Xingri Xingjun.

Afterwards, Gong Ao summoned dozens of divine generals and, in accordance with the previous instructions of the Nine Heavens God, began to change the innate formations around the Yutian Palace.

This chapter is provided by . Visit for daily update.

...

On the other side, the Demon Camp.

After Yue Feng returned to the camp, he saw that King Xuanwu couldn't wait any longer.

"How is it?"

Seeing Yue Feng coming back, King Xuanwu quickly asked.

Yue Feng showed a smile: "I have already sent the letter to Xingri Sun, and asked him to help me transfer it to Jiutian God. It is estimated that Jiutian God has seen the letter by now." That's

great.

Hearing this, King Xuanwu was very excited, but he quickly frowned and said, "However, the Nine Heavens God is suspicious by nature, will he believe what you wrote in your letter?"

Yue Feng thought about it and smiled slightly: "He As long as you're not stupid, you'll definitely understand."

Saying so, Yue Feng had a bad premonition in his heart.

King Xuanwu is right, that the Nine Heavens God is suspicious by nature, will he think that he has deliberately made false information?

Forget it, I have done my best, and no matter what the result is, I have nothing to be ashamed of.

King Xuanwu was inconvenient to stay for a long time. After chatting with Yue Feng, he returned to his tent to rest.

The night is getting deeper and deeper.

After tossing for a day, Yue Feng was too tired, so he sat there to rest.

"Yue Feng!"

After sitting for some time, he heard a cold voice from outside, it was Wei An.

Yue Feng opened his eyes and said indifferently through the door curtain: "Come on if you have something to say, and if you have a fart, let it go." Mad, this Wei An is really haunted. Looking for him so late, he must be holding back something bad.

Swish!

Feeling Yue Feng's ignorance, Wei An outside looked gloomy in an instant.

However, Wei An quickly adjusted his emotions and said, "The Demon King Moyan wants to see you, so he wants you to go to his camp."

Moyan looking for me?

Yue Feng was stunned for a moment, then frowned: "It's so late, what is she looking for from me?"

"How do I know?" Wei An chuckled lightly, with a bit of treacherousness on his face: "Maybe it's a very important matter. Son, Your Excellency the Demon King didn't tell me, if you don't believe it, you don't have to go."

Nima!

Hearing this, Yue Feng hesitated again and again, and had to get up and come out, only to see Wei An's half-smiling face.

Yue Feng was too lazy to pay attention to him, so he walked towards the tent where Mo Yan was.

Yue Feng could feel that Wei An was really playing tricks on him, but he couldn't rule out that it was true.

After all, he had just 'followed' the Demon Race, so he must be careful not to make any mistakes.

Haha...

Watching Yue Feng walk away, Wei An showed a smile.

Yue Feng, this fool, really believed it.

Muttering in his heart, Wei An pushed his wheelchair into Yue Feng's tent and searched carefully.

That's right, Mo Yan didn't find Yue Feng at all. Just now, Wei An deliberately lied to Yue Feng. The purpose was to search Yue Feng's tent and find some evidence.

Because Wei An could feel that Yue Feng didn't really join the Demon Race.

Chapter 4167

Although Wei An held a grudge against Yue Feng, he also knew that Yue Fengyi Bo Yuntian was not a villain who defected.

Therefore, Yue Feng's reliance on Moyan must be fake.

For the past few hours, Wei An had been waiting for an opportunity, but at that time the White Tiger King had been in Yue Feng's tent, which gave him no chance at all.

Until the dead of night, when he saw King Xuanwu leaving, Wei An knew that his chance had come.

Wei An's plan is very simple, find a reason to deceive Yue Feng, and then enter the tent to find clues.

mad.

Soon, Wei An looked around in the tent, but found no clues at all. He remembered being very angry at the time, but when he was about to leave, he glanced at something, and his eyes suddenly lit up.

I saw that in the corner of the tent, there were paper and pen, and the ink on the pen was not completely dry. Obviously, Yue Feng had written a letter before...

Wei An was very excited when he saw this scene, Hurry up and bury the pen and paper under the tent.

Wei An is very cunning. He knows that paper and pen are not enough to convict Yue Feng, but at a critical time, it may become evidence.

After burying the paper and pen, Wei An left the tent.

.....

On the other side, Yue Feng came to Moyan's tent and saw that the lights were still on in the tent.

Seeing this situation, Yue Feng first shouted softly from the outside: "Your Excellency the Demon King?"

However, it was quiet inside and there was no response.

Yue Feng frowned, hesitated, and then walked in slowly.

What the fuck?

The moment he entered the camp, when he saw the scene in front of him, Yue Feng was shocked and completely stunned.

I saw that there was a bathtub inside the tent. The bathtub was very large, made of black stones, and filled with hot water. At this time, in the rising mist, a very graceful figure, soak in it.

The fair skin and the black bathtub formed a sharp visual contrast, and the charming curves were looming, which made Yue Feng's eyes straight.

It was Mo Yan.

hiss!

At this moment, Yue Feng could clearly see that Mo Yan, who was bathing at this moment, had delicate and beautiful facial features, covered with water droplets, and looked extremely moist and crystal clear.

Simply impeccable.

beautiful!

So beautiful. I really didn't expect that Mo Yan, who was always aloof at the top, would be so charming at this time when she showed the soft beauty of a woman.

At this moment, Yue Feng's eyes did not blink, and his heart was filled with admiration.

At this time, Yue Feng didn't know that Mo Yan was not only taking a bath, but cultivating a unique magic technique called 'Nether Demon Taiyin Technique'.

This is a cultivation technique from extreme yin to cold. In order to avoid being attacked by the cold and cold, every time Mo Yan practiced, she would soak in hot water to dissolve the excess cold energy.

Swish!

At this moment, just as Yue Feng was looking at it, he suddenly felt a killing intent in front of him.

"Yue Feng?" I

saw that Mo Yan opened her eyes at some point. At this moment, her beautiful face was flushed with steam, while her eyes stared at Yue Feng coldly, revealing intense murderous aura.

What the hell!

Feeling Mo Yan's gaze, Yue Feng broke out in cold sweat, and was suddenly at a loss.

I just looked at it myself, forgetting the identity of the other party.

"You!"

At this moment, Mo Yan bit her lip and locked Yue Feng tightly, her eyes full of resentment: "You are so bold, who let you break into the deity's tent? You are courting death..." The

voice fell . At that moment, Mo Yan's face was filled with endless anger.

She is one of the twelve holy demon kings of the dignified demon clan, cold and noble. At this time, she was looked down upon by a man, which was even more uncomfortable than killing her.

"Your Excellency the Demon King, calm down!"

Feeling Mo Yan's anger, Yue Feng couldn't help laughing and laughing, and quickly explained: "Don't get excited, Wei An said just now that you want to summon me, and I'm here. I was outside asking for instructions just now, you There was no response, I...I came in!"

While speaking, Yue Feng looked up and down at Mo Yan. I have to say, this Moyan is really a beauty, her figure is perfect.

Especially the situation of bathing in the water in front of me is simply a beauty in the world.

However, at the same time as he was calm, Yue Feng was also secretly holding back his fire, Mad, that Wei An really lied to him. Mo Yan didn't summon her at all.

Chapter 4168

"Shut up..."

Mo Yan was very angry, and she shouted: "When is this deity going to summon you? Honestly, why did you break into my camp? What is your purpose?"

Saying this At that time, Mo Yan bit her lip tightly and felt extremely angry in her heart. She didn't believe Yue Feng's words at all, because Wei An didn't have the courage to falsely pass on her orders.

"Uh..."

Hearing this, Yue Feng wanted to cry without tears, knowing that it was useless to say what he said, so he could only say: "Your Excellency the Demon King, let's talk about something slowly, that...you Continue soaking, I'll dodge first..." With

that, Yue Feng was about to turn around and leave.

"Let's go?"

Mo Yan was very annoyed, how could he just leave like this, when he shouted, his delicate body flashed and rushed out, bringing a splash of water, and slapped Yue Feng's back with a palm.

shit.

Mo Yan's speed was very fast, and Yue Feng didn't have time to dodge.

At the moment of the shot, seeing Mo Yan's charming curves, Yue Feng only felt that his mind was blank.

Damn it, this Demon King Moyan is so cruel, he started without clothes on.

boom!

The next second, Yue Feng and Mo Yan touched their palms, and they heard a loud noise. Then, Yue Feng groaned and stepped back again and again, and finally slumped on the ground with a pale face.

Yue Feng's Primordial Spirit power has not fully recovered, so he is naturally not Mo Yan's opponent.

What the hell!

At this moment, Yue Feng only felt a tightness in his chest, and looked at Mo Yan in astonishment, his face full of incredulity.

powerful! This Moyan is worthy of being one of the twelve holy devil kings, and his strength is too powerful.

"Speak!"

At this moment, Mo Yan quickly pulled a white scarf around her body, and then looked at Yue Feng coldly: "Why did you break into the deity's tent?"

Yue Feng wanted to cry without tears, and sighed Said: "Your Excellency the Demon King, I have just said that I didn't break in on purpose, it was Wei An..."

Yue Feng was very depressed at this time, Mad, if I knew this earlier, I should have spent more time outside. Shout a few times.

Um!

In a hurry, Yue Feng wanted to explain clearly, but just halfway through, he saw Moyan make a trembling sound, and her delicate body also trembled slightly, her forehead was covered with a layer of sweat, and her face turned pale.

what's going on?

Seeing this scene, Yue Feng was stunned.

Mo Yan was even more frowning, her heart was secretly anxious, bad, just now was the critical moment to practice "Nether Demon Taiyin Gong", but she couldn't help but attack Yue Feng, causing the cold to backlash.

Realizing this, Mo Yan hurriedly activated her magic power, preparing to suppress the cold air in her body.

What she didn't expect was that the more she suppressed it, the more the chill would counteract.

At this time, Mo Yan clearly felt that the cold energy in her body was getting stronger and stronger, and it was no longer under control.

Mo Yan suddenly became anxious, but the more anxious, the more uncontrollable the chill in her body became.

Knowing this earlier, it would not have been easy to take action just now.

But if he didn't do anything, Yue Feng would run away.

At this moment, with the raging cold energy in her inner strength, Mo Yan clearly felt that her whole body seemed to be frozen, getting colder and colder. The pain of the cold air was almost unbearable!

"Um..."

Finally, Mo Yan couldn't help it, let out a painful moan, her delicate body curled up on the ground and trembled gently, her beautiful face was full of pain.

Seeing this situation, Yue Feng reacted and couldn't help but ask: "Your Excellency Demon King, what's wrong with you?"

Yue Feng is not stupid, he can already see it at this time, Mo Yanpao was there just now, and he was practicing A very unique exercise, just rashly shot, resulting in a backlash.

Haha...

You made me want to kill me just now, and now you are suffering the consequences?

Understanding this, Yue Feng's surface is indifferent, but his heart is indescribably happy.

"Shut up..."

Mo Yan bit her lip tightly and glared at Yue Feng: "Did you know that I was going to practice tonight, so I came here on purpose to make trouble?"

Alas!

Seeing that she was still misunderstanding herself at the moment, Yue Feng was very helpless, shrugged and said: "Your Excellency Demon King, I am really unintentional, if you don't believe it, forget it."

After speaking, Yue Feng shook his head, his expression very is helpless.

Seeing his serious face, Mo Yanxiu frowned, her beautiful face showing a bit of daze!

Could it be....I really misunderstood him?

Is all of this Wei An's fault?

Chapter 4169

"It's so cold!"

Thinking, the chills hit her body, Mo Yan couldn't help but groaned, and she saw that the water droplets all over her body instantly froze, and, one after another, ice blue The light quickly spread throughout the body in a mesh.

This icy blue mesh-like light is the Nether Demon Cold Poison.

Once the "Nether Demon Taiyin Gong" is counterattacked, the yin and cold power in the practitioner's body will explode completely, forming the Nether Demon Cold Poison. If it is not eliminated in time, the consequences will be very serious.

Card wipe!

At this moment, the Nether Demon's Cold Poison broke out completely, and the entire tent instantly became a frozen world. Mo Yan's delicate face and graceful body were covered with ice.

At the same time, the white scarf that surrounded Mo Yan's body also shattered instantly under the extremely cold temperature.

Gudong!

At this moment, seeing Mo Yan's unobstructed, delicate and tight curves, exposed in front of him, Yue Feng was immediately stunned, and couldn't help swallowing secretly.

Although this Moyan is a demon, she is also a top goddess. This figure is absolutely amazing!

"Yue Feng, you..."

Seeing Yue Feng's gaze, Mo Yan blushed, anxious and angry: "Close your dog eyes for me!"

At this moment, Mo Yan wanted to kill immediately Yue Feng, but under the attack of the Nether Demon Cold Poison, she is now completely frozen, unable to move at all.

What the hell!

It's all like this, and it's so irritable.

Hearing this, Yue Feng was speechless, and he didn't feel any nervousness in his heart. He looked up and down at Mo Yan, very indifferent.

"you..."

Yue Feng's gaze made Mo Yan feel uncomfortable, her whole body trembled with anger, and she almost spurted blood.

In the next second, Mo Yan scolded angrily: "Yue Feng, take a look again, believe it or not, this deity dug out your eyes!"

She is one of the twelve holy devil kings, pure and pure, cold and noble, but Yue Feng is looking at him one after another. Now, how can I bear it?

What a shame!

Hearing the scolding, Yue Feng did not panic at all, but at this time he was willing to go out and said with a smile: "Your Excellency Demon King, don't be so unreasonable, if you want to kill me, you are not allowed to look at you twice?"

“Besides, you If it wasn’t for killing me just now, wouldn’t it be backfired?”

Hearing this, Mo Yan was so angry that she had nothing to refute.

Because what Yue Feng said was right, it was indeed because he wanted to kill him just now that he received a backlash.

Depressed, Mo Yan suddenly discovered something, looked at Yue Feng in surprise, and said coldly, “No, why are you all right?”

When she said this, Mo Yan was very shocked.

She could clearly see that Yue Feng was sitting there paralyzed, nothing happened. It stands to reason that he had just been injured by his own palm. At this time, under the raging cold poison, he would soon freeze to death.

However, apart from his pale face, Yue Feng did not seem to be affected by the surrounding cold air at all.

“This...”

Hearing the question, Yue Feng scratched his head, as if nothing had happened: “Who knows, maybe I have the power of bird ancestors in me, and you also know that the power of bird ancestors contains the power of the Suzaku clan. The power of fire. So don’t be afraid of the cold.”

The power of bird ancestors? Suzaku flames?

Hearing this, Mo Yan’s eyes flashed, and a bit of excitement appeared on her delicate face.

That’s great, the flames of Suzaku can just restrain the cold poison of the demons.

Thinking to herself, Mo Yan looked at Yue Feng closely, her red lips parted lightly, revealing the smell of an order: “Yue Feng, quickly release the flame in the power of Bird Ancestor.”

At this moment, Mo Yan’s tone was unquestionable. , with anticipation in his eyes.

“Why?”

Yue Feng leaned there with a leisurely expression on his face, and said with a smile: “These cold air can’t hurt me, why should I release it?”

“Then what about me...” Mo Yan said angrily. As he continued, his delicate body trembled: “You want to watch the deity die?”

“Oh!”

Yue Feng looked astonished, but quickly frowned, and said in embarrassment: “Your Excellency Demon King, if Before, I should have been obliged to help you get rid of the cold poison, after all, that is my duty.”

“But... you didn't believe me at all just now, and you wanted to kill me, tell me, how can I How about you?”

When he said this, Yue Feng leaned there leisurely, looking indifferent.

Huh...

Hearing this, Mo Yan bit her lip tightly and fell silent, the humiliation she couldn't express in her heart.

Chapter 4170

Mo Yan's mind is quick. Looking at Yue Feng's smiling face, she immediately guessed that she wanted to beg him.

But how could she be one of the twelve dignified demon kings and the first female demon king of the demon race?

Thinking to herself, Mo Yan bit her lip tightly, trying to mobilize the power of the demon soul to expel the cold poison of the demon in her body. However, the cold poison had spread to the whole body and was beyond control.

After just ten seconds, Mo Yan's lips turned pale, and there was a hint of pain on her delicate face.

It was obvious that Mo Yan was going to be unable to stand it any longer.

Hissing... Mo Yan's suppression not only did not have any effect, on the contrary, the power of the cold poison broke out more and more unscrupulously, and the incomparably cold cold air continued to invade.

Ugh!

Seeing Mo Yanning's unyielding death and unwilling to submit to herself, Yue Feng was speechless, this demon queen is too strong.

Thinking to himself, Yue Feng said with a smile: “Forget it, what happened just now is over, Your Excellency the Demon King, don't hold back, you hurry up and come to my protective layer.” The

voice fell, Yue Feng used the power of the ancestors, With a wave of his hand, a layer of flame protection film was placed in front of him. It's just that this protective layer is so small that it can barely accommodate two people.

Swish!

Seeing this scene, Mo Yan's delicate face instantly turned red.

This Yue Feng is too hateful. He deliberately made such a large protective layer, and he has no cover up. If he passed by like this, wouldn't he be touched by him...

He must have done it on purpose.

"You make the range bigger." Mo Yan said angrily.

Yue Feng smiled bitterly: "Your Excellency the Demon King, don't make it difficult for me. Your slap just now was too heavy. It's pretty good that I can get such a wide range now."

"You... "

Hearing this, Mo Yan stomped her feet in anger, this bastard will really find reasons. As if all of this was his own fault.

For a while, Mo Yan was tangled.

She didn't want to go and was taken advantage of by Yue Feng, but she couldn't help it, the cold poison in her body was getting stronger and stronger, and her demon soul power could no longer be carried.

A few seconds later, after some inner struggle, Mo Yan no longer hesitated, bit her lip, and entered Yue Feng's flame protection layer.

Hiss....

the moment Moyan entered the protective layer, Yue Feng smelled an aroma that rushed towards his face, and the whole person was fascinated, and a pair of eyes couldn't help but look at Moyan from a close distance.

I have to say, this Mo Yan's figure is simply too perfect.

Because the range of the protective layer is very small, Mo Yan is very close, almost sticking to Yue Feng, and the scene is indescribably ambiguous.

The first demon queen of the dignified demon clan was actually in Yue Feng's arms without any cover.

If this story spreads, it will definitely cause an uproar in the entire Demon Race.

What a shame!

At this moment, she felt Yue Feng's gaze kept wandering on her body, Mo Yan's face flushed red, she bit her lip so hard that she was about to bleed, she felt uncomfortable, but she didn't dare to move.

Under such torment, Mo Yan said coldly: "Yue Feng, I warn you, don't make any crooked ideas, otherwise, the deity will make you go to hell."

"Your Excellency the Demon King, how can I dare to have any crooked ideas when you are so high up? Besides, I have no shortage of women in Kyushu."

"You..."

"Your Excellency the Demon Lord, don't move around, I'm very weak now, This protective layer won't last long."

"Don't follow me like this, I think you did it on purpose..."

Yue Feng and Mo Yan kept bickering, unknowingly, a few minutes later, they saw The ice on Moyan's body quickly melted, not only that, but the cold air outside the protective layer also completely disappeared.

"Your Excellency the Demon King."

At this time, Yue Feng showed a smile and removed the protective layer: "The cold is gone, it should be fine."

Mo Yan ignored him, but turned around quickly, took the clothes from the side, and put them on on oneself. In addition to a bit of shame and anger, the delicate face is also somewhat unnatural.

"Yue Feng..."

Finally, after a few seconds, Mo Yan calmed down and looked at Yue Feng and ordered, "Don't tell anyone what happened just now. Otherwise, the deity won't forgive you."

The ultimate husband in Chinese chapter 4171-4180

Chapter 4171

When she said this, Mo Yan's delicate face was full of frost, but she couldn't tell the shame and annoyance in her heart.

The dignified demon queen of the demon clan had just compromised with a human being. Not only that, but she was hugged by Yue Feng for so long. If this matter spreads out, how can he face those demon tribes?

How could he have the face to see His Excellency Demon Venerable?

Hahaha....

Hearing the threat, Yue Feng did not panic at all, but said with a smile: "Your Excellency the Demon King, it seems that nothing happened to us just now, what can I say when I go out?"

When he said this, Yue Feng couldn't bear it. I stopped to look at Mo Yan.

This female devil is also very interesting, I thought she was not afraid of the sky, but she was also worried about her own reputation.

call!

Hearing the answer, Mo Yan bit her lip, very embarrassed and angry, but she was speechless.

Because Yue Feng was right, nothing really happened when he was in the protective layer just now, but no matter what, the situation at that time, when he and Yue Feng were close together, was too ambiguous.

Thinking of the situation just now, Mo Yan couldn't help but her heart beat faster and her face blushed.

"Okay!"

At this time, Yue Feng stood up slowly, smiled at Mo Yan and said, "It's getting late, Your Majesty the Demon King, rest." After speaking, he hurried out.

This time, Mo Yan didn't stop her, but looked at Yue Feng's back thoughtfully.

Strange, this Yue Feng broke into his tent late at night. He was very angry at first, but in the end, why didn't he want to kill him?

This chapter is provided by . Visit for daily update.

Could it be that... after being seen by him just now, some like him?

No no.. not possible.

Thinking of this, Mo Yan quickly shook her head, her delicate face was extremely red.

How could she like a person like Yue Feng?

...

the other side.

After Yue Feng walked out of the tent, he quickly put away the smile on his face, and his eyes flashed with anger.

Mad, this Wei An is really hateful. He lied to himself to Moyan's camp and almost lost his life. If there is a chance in the future, he must get rid of this villain.

Thinking to himself, Yue Feng returned to his tent.

At this time, it was only two hours before dawn. At that time, Yue Feng was very tired and lay there to rest. He didn't notice that his tent was searched by Wei An.

He didn't even notice that the paper and pen he had written before were hidden.

dong dong dong...

I don't know how long I slept, I heard the sound of gongs and drums coming from outside the tent, which was the signal of the gathering of the demon army.

Are you going to fight?

Yue Feng woke up instantly, got up directly, and walked out quickly.

When he got outside, he saw that the army of hundreds of thousands of demons had assembled. On the high platform, the Demon Lord Gone was standing there with a strong aura. On both sides of him, Mo Yan and the other holy demon kings were also there.

Without any hesitation, Yue Feng walked over and stood behind Mo Yan.

"Great warriors."

At this moment, the Demon Lord Gone looked around the audience with a high momentum: "This battle will be our last battle with the Divine Realm. We will break through the Yutian Palace and be proud for nine days. All the glory will belong to us. you."

"Break the Yutian Palace, rise to power for nine days."

"Break the Yutian Palace, rise to power for nine days..." The

voice fell, and hundreds of thousands of demon warriors shouted in unison, the momentum was overwhelming.

Feeling this momentum, Demon Lord Gone was very satisfied and waved his hand: "Let's go." Wah wah wah

...

what time, hundreds of thousands of demon army, dressed up and set off, heading towards Yutian Palace.

Among the army, the Xuanwu clan followed behind.

"Your Excellency Yue Feng."

At this moment, King Xuanwu came over to walk with Yue Feng, lowered his voice and said, "The plan has not changed?"

Hmm!

Yue Feng nodded, his eyes flickered firmly: "It's better to be unexpected, the demons are defeated today, when the time comes, you will lead the Xuanwu clan to take the opportunity to disrupt the formation of the demons, and then leave quickly." After

speaking, Yue Feng exhaled softly: "When the time comes, I will also take the opportunity to leave."

King Xuanwu and Yue Feng spoke in very low voices, only the two of them could hear them.

At this time, Yue Feng was in a very relaxed mood.

He secretly leaked the situation of the Demon Race to the Nine Heavens God. As long as the Nine Heavens God made adjustments in time, he would definitely be able to defeat the Demon Race army today.

There is no army in the hands of Demon Lord Gone, and there is no threat. Yue Feng does not have to worry, the war will spread to the Kyushu mainland.

Chapter 4172

Hmm!

Hearing this, King Xuanwu felt relieved. Your Excellency Yue Feng has devised a strategy, this time the plan must be very smooth.

Soon, under the leadership of the Demon Lord Gone, the army of hundreds of thousands of demons arrived at the Palace of Heaven.

The demon race was coming, and the Yutian Palace soon got news that the Nine Heavens God immediately summoned all the priests, as well as all the gods and soldiers of the Yutian Palace, nearly a hundred thousand, ready to meet the enemy at all times.

For a time, the army of hundreds of thousands of God's Domain faced off against the army of hundreds of thousands of demons, and a strong chill filled the space between heaven and earth.

call!

Seeing this scene, the priests standing on the steps of Yutian Palace were inexplicably nervous.

The demons came prepared this time, and this battle is not easy to fight.

As for the Nine Heavens God floating there, his face was indifferent, and his eyes flashed with incomparable confidence.

The Demon Lord Gone has already known the secret of the innate magic circle, and the magic circle around the Yutian Palace has also been changed. In this battle, the demons will be defeated.

The matter of the secret letter is of great importance, so the Nine Heavens God did not inform the priests.

Swish.

At this moment, the Demon Lord Gone Yukong came, his eyes fixed on Jiutian God, and sneered: "Jiutian, the injury is recovering very quickly, but I tell you, you will lose today, surrender as soon as possible, maybe I will still I can open the net and save you and your

scumbags.” When he said this, Demon Lord Gone was extremely confident.

The innate magic circle around the Yutian Palace has already found a way to decipher it.

Without the protection of the innate magic circle, the Divine Realm side will definitely lose, because the current situation is already obvious, the number of the two sides is huge, no matter how they fight, the Nine Heavens God has no chance of winning.

Hehe...

Hearing this, Nine Heavens God chuckled lightly: “Gonie, you seem to be a little too confident. It’s not certain who will win when you wait.” “I don’t know how to praise

!”

With a cold snort, he was too lazy to talk nonsense any more, and waved his arm: “All the demon warriors obeyed the order and annihilated the army of the gods for this deity, and broke through the Yutian Palace, leaving no one behind.”

“Kill!” The

voice fell, and the army of hundreds of thousands of demons There was a burst of howl that shook the sky, and it rushed towards the Yutian Palace like a tide.

Seeing this scene, the God of Nine Heavens did not panic at all, and shouted at the hundreds of thousands of gods and soldiers around him: “Don’t panic, everyone, line up to meet the enemy, and defend the Yutian Palace.”

“Remember, don’t fight to the death, try your best. Contain.”

Hula.

Hearing the order of the Nine Heavens God, the army of more than ten thousand gods quickly formed a formation and attacked, but they did not fight to the death, but obeyed the orders of the Nine Heavens God and cooperated with each other to contain the demon army.

These divine soldiers and generals know in their hearts that there is an innate magic circle around the Yutian Palace, so there is no need to panic.

“Nine Heavens!”

At this time, the Demon Lord Gone looked closely at the Nine Heavens God, with a hint of teasing at the corner of his mouth, and sneered: “Stop doing this meaningless

resistance, I know that you are still relying on the innate magic circle. , but I tell you, your magic circle is useless.”

After speaking, the Demon Lord Gone looked around and directed at the Twelve Holy Demon Kings: “Yutian, Moyan, follow the plan...”

” Yes, Your Honor.”

After receiving the order, Yutian, Moyan, and the other holy demon kings responded one after another, and then each led tens of thousands of soldiers, divided into several routes, and attacked Yutian Palace from four directions from east, west, north and south at the same time.

It was seen that the holy devil kings like Yutian and Moyan were holding a black crystal in their hands. This black crystal was called ‘Magic Crystal’ and was produced in Fengmo Mountain.

Within these magic crystals, there are special energy fluctuations, which are the key to cracking the innate magic circle.

“Kill!”

At this moment, the army of demons, led by the Twelve Holy Demon Kings, let out a roar, rushing towards Yutian Palace from all directions.

This....

Seeing this scene, more than a hundred thousand gods and soldiers were inexplicably panicked, and those priests were also anxious.

What are these holy demon kings holding in their hands?

Could it be... they found a way to crack the innate magic circle?

Hahaha...

Seeing the army of God’s Domain, there is already panic, Demon Lord Gone is very proud, and laughed at Jiutian God: “Jiutian, have you seen the magic crystal I have? That’s right. It is the key to cracking the three innate magic circles. Under the influence of the magic crystal, the innate magic circles can no longer be opened!”

“Today, you can’t keep the Yutian Palace, give it up...”

Chapter 4173

“Really?”

Facing the pride of Demon Lord Gone, Nine Heavens God did not panic at all, showing a smile and said: "The so-called 'the devil is one foot high, the road is one foot high', can the innate magic circle be opened, it is not You have the final say."

After speaking, Jiutian God raised his hand and waved: "Let's start the battle."

Buzz.... The

voice fell, and the hundreds of magic soldiers who had already been waiting in place, mobilized their magic power to start the battle. Array agency. In an instant, a violent roar was heard, and the ground in a radius of thousands of miles vibrated violently.

What?

Seeing this, Demon Lord Gone's smile froze on his face, and he was very shocked.

This is impossible.

Under the influence of the magic crystal, the innate magic circle has been destroyed, how can it still be activated?

What went wrong?

At this time, the Demon Lord Gone still didn't know that his cracking of the innate magic circle was leaked last night. At that time, Yue Feng wrote it all in a letter, and asked Yaori Xingjun to give it to Jiutian God.

Although there were some twists and turns in the middle, the letter was stopped by Gong Ao, but it finally fell into the hands of Jiutian God.

Before dawn, Jiutian God quickly made a response, Ming Gongao changed the innate magic circle.

Huhuhu....

As the vibration became more and more intense, I saw a group of dark clouds that quickly gathered together. In just a few seconds, the entire Yutian Palace was shrouded in dark clouds, and it was dark.

card wipe...

Not only that, huge cracks appeared on the ground around Yutian Palace, and then, groups of extremely hot purple-red flames erupted from the cracks, forming dazzling walls of fire.

These purple flames are the most terrifying 'Purple Flame Heavenly Fire' in the Divine Realm.

After the last battle, the Divine Realm army had already gained experience, so at the moment when the Ziyang Tianhuo was raging, they dodged one by one in time and hid behind the prepared fire wall.

However, the demon army that had already rushed into the Yutian Palace at this time was too late to react, and the formation was in chaos in an instant, screaming again and again.

"Ah..." The

purple flames suddenly erupted, and those demon warriors had no time to dodge. At that time, many demon warriors were burned, screaming and turning into ashes.

Click! Click! Kacha...

However, this is just the beginning. When Ziyang Tianhuo was raging, I heard a thunderous sound from the sky, and then, a huge lightning bolt crashed down.

Yes, there are three innate magic circles around the Yutian Palace. In the last battle, the Nine Heavens God only opened the thunder circles.

But this time, after the Nine Heavens God changed, he directly activated the Thunder Array and the Fire Array with a very clear purpose, that is, to completely wipe out the army of hundreds of thousands of demons in one fell swoop.

Under the double eruption of Xuan Lei and Tianhuo, the entire formation of the demon army collapsed instantly, mourning and cries continued to sound, and the air was filled with a strong smell of blood.

mad.

At this moment, Demon Lord Gone was suspended in mid-air, his face ashen, extremely ugly.

He clearly saw that more than half of the hundreds of thousands of troops had been damaged in less than two minutes. Either they were burnt to ashes by the fire of the sky, or the scum that was struck by lightning was not left.

How could this be?

In the face of such a fiasco, Demon Lord Gone's eyes turned black and he almost fainted.

Until this time, the Demon Lord Gone did not realize that the Nine Heavens God changed the innate magic circle last night.

Whoa!

Seeing this scene, the priests and many gods and soldiers were all beaming with joy, and their hearts were extremely excited.

Great, this time the demons' vitality was severely damaged, and they will not be a threat in the future.

Yue Feng, who was behind him, was also secretly relieved at this time.

This Demon Venerable Gone, with a hundred secrets and a sparse, this fiasco, it is estimated that he will vomit blood in anger.

At the same time, the Xuanwu King standing on one side was also extremely excited. That's great, Your Excellency Yue Feng's plan has succeeded. When the Demon Race is defeated, he can take the opportunity to leave with the Xuanwu Race. No more threats from the demons.

Haha...

Over the Yutian Palace, the Nine Heavens God couldn't help laughing up to the sky, unable to hide the smugness in his heart, and mocked at the Demon Lord Gone: "How is it, Demon Lord Gone, as I said just now, today is a The battle, the outcome is unpredictable! Haha..."

Chapter 4174

Shua!

Hearing this, Demon Lord Gone's eyes were extremely blood red, and he didn't respond, but the anger in his heart was rising!

For this battle, I have waited for too long and must not fail.

Never!

"Your Majesty!"

At this time, Gong Ao stepped up quickly and asked the Nine Heavens God for instructions: "The enemy army has completely collapsed, we can fight back!"

When he said this, Gong Ao's eyes were full of urgency.

I contributed a secret letter last night, and I have already made credit. I will kill some more demon warriors later, but the credit will increase.

Haha...

God of the Nine Heavens laughed loudly, indescribably excited, and praised Gong Ao: "Okay, very good, you made a contribution last night, and when you defeat the Demon Race, I will definitely reward you!"

Speaking, Jiutian God's eyes flashed with excitement, and he shouted at the surrounding gods and soldiers: "Soldiers, it's time to counterattack, annihilate the demons, leave no one behind..." The

voice fell, Jiutian God The primordial spirit erupted, and the figure turned into a golden beam, coming straight towards the Demon Lord Gone.

"Your Majesty, I'm here to help you."

At the same time, Haotian Divine Sovereign, who had been watching the battle, also shouted, his figure burst out, and together with the Nine Heavens God, killed the Demon Lord Gone.

"The two will die together?"

Seeing the outburst of Jiutian God and Haotian Divine Sovereign, Demon Lord Gone didn't panic at all, his eyes flashing with strong killing intent: "Then I will fulfill you."

Om!

The voice fell, and a terrifying power of the devil's soul erupted, filling the world, and then, the devil, Gone, went up to meet him, and the two of them fought fiercely in the air with the Nine Heavens God.

"Kill!"

At this time, more than 100,000 divine soldiers and generals also launched a counterattack, howling and rushing towards the disintegrating Demon army. Before the disparity between the strengths of the two sides was too great, the Divine Realm side was very passive. Under the raging fire of the sky and the mysterious thunder, the clan army suffered heavy deaths, the formation was in chaos, and there was no longer any threat.

Swish!

Seeing this scene, Moyan and Yutian, the holy devil kings, were all anxious.

The next second, Mo Yan couldn't help but shouted: "Don't panic, everyone, quickly return to formation, and join forces to meet the enemy..." The

voice fell, and Jutian and the other holy demon kings also shouted.

"Don't panic."

"Obey the order, restore the formation..."

However, those Demon Race warriors, who had faced the power of Xuan Lei and Tianhuo before, were almost scared to death. The generals' counterattacks were so panicked that they couldn't raise their morale at all.

"Ah..."

In less than five minutes, I heard screams one after another, and tens of thousands of demon warriors fell in a pool of blood.

"Haha..."

Seeing this scene, Nine Heavens God was even more proud, and while cooperating with Haotian Divine Sovereign in the attack, he laughed and mocked: "Goni, today is not the day when my God Realm was destroyed, but the day when your Demon Race perished. Now, I want to give you back what you said before."

"Surrender immediately, maybe I can spare your life, haha..."

Shaw!

Hearing this, Demon Lord Gone's eyes instantly turned blood red, and a monstrous anger rose in his heart.

"The villain is successful." Coldly spit out a few words, the Demon Lord Gone broke out completely, and the terrifying power of the Demon Soul swept out, and the temperature in the whole world dropped sharply.

However, in the face of the alliance between the Nine Heavens God and the Haotian God, the Demon Lord Gone did not gain the upper hand, but instead became more and more disadvantaged.

Speaking of which, with the strength of the Demon Lord Gone, he is not afraid of the Nine Heavens God and the Haotian Divine Sovereign joining forces.

In this case, it is natural to fight the worse.

Haha...

Seeing the Demon Lord Gone lose his mind, the Nine Heavens God is even more proud.

But these were not enough. At that time, the Nine Heavens God laughed and sneered at the Demon Lord Gonia: "Gonia, maybe you are still in the dark? I'm not afraid to tell you, last night, I knew that you cracked it. The news of the innate magic circle, so I made a countermeasure at that time and changed the innate magic circle, haha..."

When saying this, Jiutian God was full of mockery.

What?

Hearing this, Demon Lord Gone was shocked, shocked and angry.

It turned out that he knew in advance, and then changed the innate formation...

No, all of his subordinates are extremely loyal, and it is impossible to betray him.

But who leaked the news?

Is it the Xuanwu family?

Chapter 4175

Thinking to himself, the Demon Lord Gone looked back at the Xuanwu King in the distance, his eyes full of coldness.

Gudong!

Feeling the killing intent in the eyes of the Demon Lord Gone, King Xuanwu only felt cold all over his body and couldn't help swallowing.

At the same time, Yue Feng was also shocked, bad, the Demon Venerable began to be suspicious.

In the next second, Yue Feng didn't have time to think about it, and said to King Xuanwu: "Your Excellency King Xuanwu, the demons have been defeated. Now is the best time. You should take your subordinates and go, or it will be too late."

Well!

King Xuanwu nodded heavily, then asked, "What about you?"

Yue Feng took a deep breath and said slowly, "Don't worry about me, I'll leave in the chaos later."

" A few miles away, there is a portal, wait for an opportunity to rush over, pass the portal, and return to the mainland of Kyushu.

Seeing Yue Feng say this, King Xuanwu stopped talking nonsense, and shouted at the tens of thousands of Xuanwu warriors behind him: "Everyone leave with me, hurry."

Whoosh!

When the voice fell, King Xuanwu urged his figure to take the lead in flying towards the distance.

Whoops...

Tens of thousands of Xuanwu warriors did not hesitate at all, and they urged their energy, followed closely, and in the blink of an eye, they were thousands of meters away.

Um?

Seeing this situation, whether it was the Demon Lord Gone or the holy demon kings of Moyan, their expressions changed and they were furious.

This Xuanwu clan is really abominable, and they actually fell into the trap? Ben thought about asking them to come to support, but they ran away at a critical moment...

Especially Mo Yan, her delicate body trembled with anger, and her delicate face was full of anger.

This Xuanwu clan was brought back by themselves, and now they have fled, and they have a great responsibility.

Out of anger, Moyan looked around and saw the army of hundreds of thousands of demons, and now there are only less than 20,000 left, and she was even more anxious at that time.

This...

At this moment, Wei An, who was fighting on the outside of the battlefield, was also blinded at this time, and only felt his brain buzzing.

He never thought that his father, King Xuanwu, would be so decisive that he chose to escape at such a moment.

Could this be what Yue Feng was conspiring with him?

Muttering in his heart, Wei An's eyes locked on Yue Feng, and he saw Yue Feng standing there with a thoughtful look.

Noticing the change in Yue Feng's expression, Wei An immediately guessed something.

This Yue Feng must also plan to escape.

Can't let him do it.

This side of the battlefield.

"Your Highness."

At this time, Mo Yan shouted at the Demon Lord Gone while dealing with the gods and soldiers in front of him, "Why don't you withdraw." As the words

fell, Jiutian and the other Holy Demon Kings couldn't help but rush in. Open your mouth.

"Yeah, if we continue, we will suffer more and more damage."

"Let's withdraw, Your Honor."

Hearing these words, the Demon Lord Gone did not respond, his face was hideous, and his eyes were blood red.

In the face of such a fiasco, the Demon Lord Gone had lost his mind, and he was thinking only about one thing, killing the Nine Heavens God and Haotian God in front of him.

It's just that he is in a state of chaos now, and in the face of the joint efforts of Jiutian God and Haotian God, he cannot turn the situation around.

After another ten seconds, Demon Lord Gone looked around and saw that there were fewer and fewer demon warriors, so he calmed down a lot at that time.

You can't be persistent anymore, if you continue to fight like this, the demons will be wiped out.

"Evacuate!" In the

next second, Demon Lord Gone did not hesitate, and shouted: "All the demon tribes, all evacuate!"

The moment the voice fell, Demon Lord Gone slammed a slap and slammed the Nine Heavens God and Hao Tianshenjun retreated, and then the figure turned and quickly walked away.

“Retreat, quickly retreat.”

Seeing that Demon Venerable finally decided to retreat, Moyan and Yutian, the holy devil kings, also shouted, and at the same time stood out from the encirclement.

Huh...

Seeing this scene, Yue Feng couldn't hide his excitement, it was now, the demons were defeated, and he hurriedly took the opportunity to leave.

Thinking about it, Yue Feng moved his figure to the northwest of Yutian Palace.

Wei An has been staring at Yue Feng, and seeing him fly up at this time, he did not hesitate at that time, and shouted: “Your Excellency Demon Kings, Yue Feng is going to run, he is going to run...”

Shuh!

Hearing this, the gazes of Moyan, Yutian, and other holy devil kings all locked on Yue Feng. Then invariably rushed towards Yue Feng.

Nima.

At this moment, Yue Feng was furious.

This Wei An is mentally ill. Never forget to fight against me.

The ultimate husband in Chinese chapter 4176-4180

Chapter 4176 Whispering

in my heart, I saw Moyan and Yutian several holy devil kings rushing to the front. At that time, Yue Feng didn't have time to think about it.

Bang Bang Bang...

In just a few seconds, Yue Feng was hit on the acupuncture point, unable to move. His Primordial Spirit's power had not been completely recovered. At this time, facing the siege of several holy devil kings at the same time, he was naturally not an opponent.

“Yue Feng!”

At this moment, Mo Yanxiu frowned, and said coldly at Yue Feng, “You are not too brave, you want to betray the demons and run away?”

“I didn’t run away, didn’t your honor just let you retreat?” Yue Feng had a bitter expression on his face.

Running away is a big crime, and it cannot be admitted under any circumstances.

Mo Yan sneered and was about to respond, but was interrupted by Yutian: “Stop talking nonsense with him, hurry up and meet with Zun Shang.” After saying that, Yutian grabbed Yue Feng and rushed towards the direction of Demon Zun Gone.

Swish swish...

Mo Yan stopped talking nonsense, and with the other holy demon kings, led the remnants of the defeated generals and left quickly.

Whoa!

Seeing that the demons were defeated and left, the entire Yutian Palace was filled with joy.

“Your Majesty is mighty!”

At this moment, hundreds of thousands of divine soldiers and generals cheered in unison.

Listening to the cheers around, Jiutian God floated in the air with a smile on his face, and then looked around the audience and said: “Today’s battle, the fight was very beautiful, everyone present immediately made great achievements, wait for the first to clean up the battlefield, and then I will fight. A reward.”

This chapter is provided by . Visit for daily update.

“Thank you, Your Majesty, Ron!”

..... the

other side.

You Tian took Yue Feng and Mo Yan to retreat all the way to Feng Mo Mountain, and then stopped to rest.

I saw that the Demon Lord Gone was standing on the top of the top of the Demon Sealing Mountain, with a gloomy and terrifying face.

Moyan and Yutian, the holy devil kings, also had solemn expressions.

In the battle just now, the demons suffered heavy losses. There were hundreds of thousands of troops. Now there are only less than 20,000. In this situation, everyone is in a bad mood.

For a time, the atmosphere was extremely depressed.

call!

At this time, seeing Yue Feng being tied up by the five flowers, Demon Zun Gane frowned: "What's going on?" You

Tian walked out quickly and responded, "Report to Zun, this kid just wanted to run away."

Run away. ?

Hearing this, Demon Lord Gane's eyes flashed with a hint of coldness.

Yue Feng was startled and quickly said: "Your Excellency Mozun, I didn't want to escape, I was planning to retreat with everyone .

"

Pointing at Yue Feng and shouting: "I saw it very clearly at the time, you didn't retreat with everyone, but wanted to escape, because you were running in a different direction from everyone."

After speaking, Wei An directed towards Demon Lord Gane respectfully: "Your Highness, I suspect that the Xuanwu clan escaped because of Yue Feng's attention."

When he said this, Wei An looked sinister.

Just now, King Xuanwu took the clan to leave, and Demon Venerable would definitely not let it go. As a Xuanwu clan, Wei An was very flustered in his heart. He was afraid that Demon Venerable's anger would spread to him, so he transferred the problem to Yue Feng.

Swish!

At this moment, whether it was Demon Lord Gane, or the eyes of the surrounding demons, all of them converged on Yue Feng.

This fool.

Yue Feng cursed secretly, and then looked very serious, and said slowly: "I do have a good relationship with King Xuanwu, but I really don't know about his plan to escape with the tribe. I never thought about it. Betrayal."

"Still lying?" Wei An shouted.

At this moment, Demon Zun Gone frowned and said, "Okay, shut up." It doesn't matter whether Yue Feng can escape or not. What matters now is how the cracking of the innate magic circle was leaked.

Seeing Demon Venerable speak, Wei An quickly closed his mouth.

The entire Peak of Sealing Demon was also silent, almost audible needles falling.

"Your Highness."

At this moment, Mo Yan couldn't help it, and asked the Demon Lord Gone carefully: "Didn't you crack the innate magic circle? How can the other party still activate it?" The

voice fell, and the other The Holy Demon King also frowned, puzzled.

call!

Demon Lord Gone took a deep breath, looked around the audience, and said lightly: "Because the news leaked out, they changed the formation before dawn today."

What?

At this moment, whether it was Mo Yan or Yutian, they all stood on the spot.

At the same time, Yue Feng's heart was instantly suspended.

Chapter 4177

For a time, Yue Feng couldn't help but muttered in his heart, the secret was leaked by himself, will he be suspected?

probably not.

When I left the Demon Race camp, I was very careful, no one saw it at all, and this Demon Venerable should not suspect him.

"Damn."

At this moment, Jutian reacted first, punching the stone wall next to him, shouting, "Who the hell leaked the news, I know, I must slap him with cramps."

At this time, Jutian was very angry.

The army of hundreds of thousands of demons has been damaged by 90%, and now there are only less than 20,000 who survived.

Whoa!

The voice fell, and the other holy demon kings, as well as those demon warriors, also guessed.

“Yutian is right, this traitor must be found out.”

“Yes, we must find out.” “This traitor has caused

us a complete defeat, and we must not forgive it lightly.”

Like Jutian, other holy demon kings said this. At the time, they were extremely indignant. You must know that in today’s battle, the Demon Race has a great advantage. If the news was not leaked, it is estimated that a celebration banquet would have been held at the Yutian Palace by now.

The Demon Lord Gone did not express his position, but stood there with a gloomy face, secretly thinking about something.

“Everyone.”

At this moment, Mo Yan, who had been silent all the time, came out and said slowly: “I think this matter was definitely not done by our Demon Race. When Zun Shang deployed the battle plan, Everyone was present, and they didn’t leave halfway, so there was basically no suspicion.”

After saying that, Mo Yan glanced at Wei An and continued: “According to my speculation, this matter must have been done by King Xuanwu, because at that time, after the honorable summoned him, the deployment began. All our plans, King Xuanwu knows it.”

“Also, during the previous war, King Xuanwu attacked us and took the opportunity to escape. It can be seen that his previous allegiance was fake and pretended.”

“There are various signs, King Xuanwu is the most suspicious , maybe he leaked our plan to the Nine Heavens God.” The

last sentence fell, Mo Yan looked around, her delicate face full of determination.

Wow...

Hearing this, the surrounding Jutian and other holy demon kings all nodded in agreement.

“Mo Yan is right, that King Xuanwu is very suspicious.”

“What suspect? It must be him.”

“Ma De, I will say that these monsters are unreliable at all, especially this King Xuanwu, I am more It’s not pleasing to the eye.”

Under everyone’s discussion, they couldn’t hide their anger.

Haha...

Seeing this situation, the stone hanging in Yue Feng’s heart fell to the ground in an instant, and his mood instantly relaxed.

Great, this Moyan is really interesting, she thought it was a secret leaked by King Xuanwu.

But that’s fine, everyone doubts King Xuanwu, and no one doubts himself.

Yue Feng was not worried that the demons would find trouble with the Xuanwu King. After all, they had just suffered a fiasco, their vitality was severely damaged, and they had no energy to pursue the Xuanwu King.

This...

Seeing that everyone began to doubt King Xuanwu, Wei An suddenly panicked.

Damn, if the father did it, he would not be able to escape the guilt. After all, he was also a member of the Xuanwu clan.

Thinking to himself, Wei An wanted to speak, but there was no chance to intervene at all due to the current situation.

“Okay!”

At this moment, the Demon Lord Gone also calmed down, looked at Moyan and said, “Moyan is right, that Xuanwu King is very suspicious, this bastard dares to play with the deity. Next time he is caught by me, he will be wiped out.”

When he said this, Demon Venerable’s face was extremely gloomy, especially the murderous aura in his eyes, which was terrifying.

Afterwards, Demon Lord Gone looked around and said slowly: "Everyone take a break, before dark, rectify and set off to pursue the Xuanwu clan, and then look for the whereabouts of the White Tiger King and the other demon clan." The

army of hundreds of thousands of demon clan was damaged. Halfway through, the troops are seriously insufficient. In this case, we can only find a way to recover the demon clan.

"It's your honor..."

For a while, Mo Yan and the other demon kings in Yutian responded in unison.

Chapter 4178

"Your Highness!"

However, at this time, Wei An rushed out with a wheelchair and said anxiously to the Demon Lord Gone: "Your Highness, it must not be a secret leaked by my father, it must not be..."

At this time Wei An looked worried.

Although Wei An had attacked King Xuanwu to threaten the entire tribe to surrender and surrender to the Demons, in his heart, he had always respected King Xuanwu very much.

After all, King Xuanwu is his father. How can he not panic when he sees that the demons believe that King Xuanwu is a traitor?

Swish!

At this moment, whether it was Demon Zun Gone, Mo Yan and the other sage demon kings, their eyes were all focused on Wei An.

Mozun Gone quickly reacted first, without the slightest emotional fluctuations on his cold face, he said lightly: "King Xuanwu is not a traitor, looking at this, you should know some clues."

"Then tell me, who is the traitor . ?" As the

last word fell, Mo Yan couldn't help but shout: "Wei An, what are you going to do? Do you want to clear your father's name?" As the words

fell, the other holy demon kings also spoke up, looking at Wei An His eyes flashed with contempt and disdain.

“This kid is in a panic.”

“Hehe, he is afraid that the matter of King Xuanwu will affect him.”

“Who knows, but then again, he is the son of King Xuanwu, will he also participate in this matter? Son?”

At this moment, Yue Feng also frowned secretly.

Nima, won't this Wei An say I did it? But he has no evidence, so don't be afraid.

call....

The surrounding discussions kept coming, Wei An took a deep breath, then looked at the Demon Lord Gone and said: “Your Highness, I know who is the traitor, it's him, Yue Feng.” After the

last word fell, Wei An suddenly raised his hand and pointed at Yue Feng .

At this moment, the eyes of the audience converged on Yue Feng again.

mad.

Yue Feng was also shocked, and then looked at Wei An with anger and anger: “Wei An, you are so bloody, how could I leak the secret?”

At the same time, Mo Yan also said coldly: “Wei An, you know Among the demons, what is the fate of slandering others at will? Hurry up and step back.”

Speaking of which, Moyan had also thought about suspecting Yue Feng just now, but thinking about it carefully, Yue Feng had no chance at all, because at that time, the Demon Lord Gone When the battle plan was deployed, he was not there at all.

In contrast, King Xuanwu is the most suspect.

And Wei An did this just because he was afraid of being affected. After all, he was the son of King Xuanwu.

Facing Mo Yan's reprimand, Wei An's body trembled, and he was very afraid, but with the anxiety on his face, he did not retreat in the slightest.

“Wei An.”

At this moment, Demon Zun Gonie looked at Wei An and said coldly, “You said Yue Feng was a traitor, do you have any evidence?” After saying that, Demon Zun Gone looked at Yue Feng lightly. .

Although the Demon Lord Gone did not like Yue Feng, he also had his own principles and would not follow Wei An's one-sided words to convict Yue Feng.

call!

Seeing the fair and stern look on the Demon Lord Gone's face, Yue Feng secretly breathed a sigh of relief.

Fortunately, this Demon Venerable is more enlightened.

He didn't leave any evidence, Wei An wanted to slander himself this time, but he was afraid that his efforts would be in vain.

"I have evidence!"

Facing Demon Lord Gone's questioning, Wei An suddenly shouted: "I have, this is what I found in Yuefeng's tent." After speaking, he took out a pen and paper from his body. .

That's right, Wei An was in Yuefeng's tent at the time, and after seeing the paper and pen, he hid under the tent, but when he left, he changed his mind and took the paper and pen away.

As you can see, paper and pens are unique to the Demon Race, and each piece of paper has a number on it.

However, looking at the traces above, it is obvious that a few have been used.

Swish!

At this moment, the eyes of the audience all converged on Yue Feng.

At this time, Yue Feng was also stunned, and only felt his brain buzzing.

Mad, when did Wei An steal the paper and pen he was using?

Muttering in his heart, Yue Feng acted as if nothing had happened, and said to Wei An, "It's just some paper and pen, what can you say?"

"Haha!"

Wei An sneered, looked at Yue Feng and said, "Yue Feng, I really don't know if you are really smart, or if you just came to the Demon Clan, I don't know the situation, these papers and pens were found in your tent, what can you say?"

Chapter 4179

As he spoke, Wei An's mouth curled into a sinister smile and continued: "I came to the Demon Clan a day earlier than you, but I also know that in the camp, paper and pen are rarely used." The

voice fell, and a man beside him The Demon General thought of something, came out and said, "Yes, I remembered, no one has used paper and pens in the camp for the past few days. Only last night, Mr. Yue Feng took some.

"

Faced with this situation, Yue Feng wanted to cry without tears.

I thought that what I did was unknowingly, but I didn't expect it to be revealed in the end.

At this time, Yue Feng never expected that the paper and pens in the demon camp would be managed so strictly.

"How is it?"

At this time, seeing Yue Feng's changing face, Wei An couldn't say how proud he was, and said word by word: "Last night, you were the only one who used paper and pen, and you have obviously used a few. I would like to ask , what did you write on those pieces of paper? Who did you give it to?"

Yue Feng's face was gloomy and he didn't respond.

Whoa!

At this moment, there was also a discussion around.

"It's really him?"

"It can't be wrong."

"Ma De, this Yue Feng is so cunning. Let's suspect King Xuanwu.

"

The surrounding discussions kept coming, and Mo Yan, who had been standing there silent for a while, was also extremely angry on her delicate face.

"Yue Feng!"

Finally, Mo Yan couldn't bear it any longer, and shouted at Yue Fengjiao, "What the hell is going on? You still haven't explained it?"

At this moment, Mo Yan was both angry and disappointed.

Since the close contact with Yue Feng last night, and the cold poison in his body was dispelled by Yue Feng's flames, Mo Yan's view of him has changed.

In Mo Yan's heart, Yue Feng is a very capable man. With his assistance, he will definitely make military exploits in the future, and his status is higher than other holy demon kings.

It can be said that Mo Yan had too many expectations for Yue Feng.

However, she never thought that she believed in Yue Feng so much, but he betrayed her.

Ugh!

Facing Mo Yan's tender drink, Yue Feng showed a wry smile and did not respond.

"Your Excellency the Demon King!"

At this moment, Wei An couldn't hide the smugness on his face, and respectfully said to Mo Yan: "Don't ask, it's obvious, it was Yue Feng who leaked the secret, and he wrote our battle plan. After the last sentence, Wei An looked at Yue Feng coldly, his smile full of

gloom. Yue Feng, Yue Feng, you are not dead this time? call! At this moment, Yue Feng took a deep breath, met Mo Yan's gaze, and said lightly: "Yes, I did it." The matter has come to this point, the evidence is conclusive, and it is meaningless to deny it. As soon as the words fell, several holy demon kings in Jutian, as well as the surrounding demon warriors, couldn't help but curse. "Boy is too nasty."

"Ma De, a white-eyed wolf."

"Just kill it."

Mo Yan was also very angry, and shouted at Yue Fengjiao: "Why? Why did you betray me?"

Betrayal?

Hearing this, Yue Feng showed a smile and said word by word: "How come my betrayal to you Demon Race, since I fell into your hands from the very beginning, I was destined to become your Demon Race's chess piece, I, Yue Feng, stand in the sky, how can I let you be so manipulated?"

“I just want to sabotage your plan and hurt your vitality, so that you will not be able to occupy the realm of the gods.”

“Because after you occupy the realm of the gods, the next goal, it is the continent of Kyushu, and the continent of Kyushu is my hometown, how can I make your wish come true?” The

words were loud and arrogant.

Huh...

Hearing this, Mo Yan's body trembled faintly, and she was speechless for a while.

There was silence all around.

Om...

At this moment, the Demon Lord Gone, who had not spoken for a long time, exploded with the power of the Demon Soul, and approached Yue Feng like lightning.

In the next second, Demon Zun Gone stared at Yue Feng and said coldly: “I didn't expect that when the deity was still looking away, it would be you who really leaked the secret!”

“Tell me, what other last words do you have? ?”

Chapter 4180

Gudong!

Feeling the terrifying aura of Demon Lord Gone, Yue Feng subconsciously swallowed his saliva, his face very calm: “I have no last words, if you want to kill me, do it as soon as possible.”

At this time, Yue Feng knew, Oneself must die.

But he didn't panic at all, because the power of the bird ancestors in the body contains the characteristics of Pannier, and the rebirth of Pannier is the unique power of the Suzaku family. With this power, even if he is killed by the demon, he can still live again .

“Okay, very good!”

At this moment, the Demon Lord Gone's brows furrowed, and he didn't seem to have expected Yue Feng to be so straightforward, and he didn't want to talk nonsense at that time: “Since you ask for death, the deity will fulfill you.”

Om!

When the words fell, Demon Lord Gone suddenly raised his right hand and hit Yue Feng with a palm.

This palm contains the endless anger of Demon Lord Gone, and the surrounding temperature suddenly dropped.

boom!

Demon Lord Gone shot too fast, Yue Feng didn't have time to dodge, this palm hit Yuanshen firmly, and Yue Feng let out a muffled groan, and he was shocked and flew out, and the whole person was sprinkled in the air. A rain of blood.

After flying a few hundred meters away, Yue Feng fell heavily on the ground, his whole body was dyed red with blood, his face was pale and pale, and his eyes were black.

Mad!

At this time, Yue Feng was extremely horrified.

As expected of the Supreme Being of the Demon Race, the power of Gone is really terrifying.

While horrified, Yue Feng clearly felt that his own vitality was rapidly fading away. The palm of his hand just now directly destroyed his Primordial Spirit, and if it was someone else, he had already died.

However, Yue Feng still has the power of Bird Ancestor to bless him, and he can barely support it.

Are you going to die?

With the passage of life, Yue Feng became weaker and weaker, his eyes were dark, and his consciousness became more and more blurred.

However, Yue Feng did not panic at all, and quickly burst out the power of the bird ancestors in his body.

hum!

In an instant, a group of flames burst out from Yue Feng's body. In just a few seconds, a sea of flames formed, completely covering Yue Feng.

In the sea of fire, Yue Feng's body instantly turned into ashes, but a ray of soul, but formed an illusory figure, swaying up and down with the flame...

Yes, the power of Pannier has been motivated, as long as If this ray of soul does not die, Yue Feng can be reborn from the ashes.

Um?

Demon Lord Gonie's eyes were like torches, and he discovered it at once, and couldn't help but mutter to himself: "The power of bird ancestors? Rebirth from ashes? Interesting..."

"Li knew very well, and at this moment, he could see at a glance that before his death, Yue Feng had stimulated the power of Pan Nirvana in the power of bird ancestors.

Talking to himself, Demon Lord Gone didn't talk nonsense, walked step by step, slapped again, and volleyed the phantom swaying up and down.

boom!

Hearing an explosion, the phantom shattered and scattered in the sea of fire.

"Go!"

Demon Zun Gone said lightly, turning around and walking away.

At this moment, Mo Yan, Wei An, the other holy demon kings, and the surrounding demon warriors followed quickly. No one sympathized with Yue Feng. In their hearts, Yue Feng betrayed the demons and died.

In the blink of an eye, the entire top of the Demon Sealing Mountain was left with a sea of flames that continued to burn.

I don't know how long it took, the sea of fire finally gradually extinguished, but there was still a faint flame left at the place where Yue Feng died.

Yes, this flame is the soul of Yue Feng.

Just now, the Demon Lord Gone found that Yue Feng was about to be reborn, so he decisively hit the second palm. Although he prevented Yue Feng from being reborn, he did not completely destroy Yue Feng's soul.

Time passed by minute by minute.

Soon, night fell, darkness enveloped the world, and I saw that flame, on the top of the Demon Sealing Mountain, strangely conspicuous.

Whoosh!

At this moment, a graceful figure came from the sky not far away, wearing a long lavender dress, delicate facial features, and an extraordinary temperament all over her body.

It is worth noting that behind her, she is carrying a beautiful lute.

It is the Pipa Fairy.

Like the Yutong Xianweng that Yue Feng met before, Fairy Pipa is also a fairy from heaven. She wandered to Fengmo Mountain just now and saw a strange flame on the top of the mountain. Fairy Pipa was very curious and came over to take a look.

The ultimate husband in Chinese chapter 4181-4190

Chapter 4181

Hmm!

At this time, Fairy Pipa came to the front, and after a close observation, she couldn't help but exclaimed: "Strange, there is a fire floating in a place with such a strong yin and evil energy, not only that, but there is also a ray of spirit inside..."

No matter who you are, if you meet me, it is considered a fate for us. Come with me first, and I will see if there is a way to help you reshape your body." The

voice fell, and Fairy Pipa took out a jade bottle, which contained The flame of Yue Feng's spirit was taken in.

After collecting it, Fairy Pipa rose up and disappeared into the sky.

.....

On the other side, the Imperial Palace.

Several hours have passed since the battle, and the traces after the fierce battle have been completely cleaned up, and the entire Yutian Palace is almost completely new inside and outside.

At this time, in the Imperial Palace, it was even more lively.

I saw that in the Imperial Palace, there were more than 100 seats, and many priests sat in sequence, each with a smile.

On the throne, the Nine Heavens God is dressed in a golden dragon robe, and his mood is also extremely comfortable.

In the previous battle, almost all of the hundreds of thousands of Demon Race troops were destroyed and completely defeated. In a short period of time, they could no longer pose a threat to Yutian Palace. Why are you unhappy?

Beside the Nine Heavens God, Empress Hua Zhao sat quietly there.

At this time, Empress Hua Zhao was wearing a gorgeous long dress, which showed her tight figure vividly, and her manners were endless, and she was unbelievably beautiful.

Since the war broke out between the Demon Race and the Divine Realm, Empress Hua Zhao has been hiding in the Yuyao Xianyuan. Now that the Divine Realm has won a big

victory, the Nine Heavens God will hold a celebration feast, so Empress Hua Zhao will naturally not be absent.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

But thinking that Princess Dongling's life and death are unknown, although Empress Hua Zhao had a smile on her face, she couldn't be happy in her heart.

In the positions below the throne, there were Divine Sovereign Haotian, Gong Ao...

Haha...

At this time Gong Ao was sitting there, calm on the surface, but indescribably excited.

In this battle, he has made continuous contributions, and His Majesty will definitely not treat him badly.

"Everyone!"

At this moment, Jiutian God slowly got up, raised his glass, looked around and smiled: "Today's battle, everyone has worked hard, this cup, I respect you."

Saying, Jiutian God drank it And do.

"Thank you, Your Majesty, Hong En." The priests responded in unison, and then raised their cups.

After a glass of wine, Jiutian God's mood became more and more cheerful, first glanced at Gong Ao, and laughed: "I want to commend Gong Ao Gong's commander, it was he who investigated the situation of the demons last night, and I changed it just before the war. The innate law formation."

"Without Gong Ao commanding, we will lose the battle today." "So, Gong Ao deserves the first credit. Here, I announce that Gong Ao is named 'Grand Marshal of

Yaotian'."

In the end, Nine Heavens God took out the letter that Gong Ao gave last night, smiled and said: "This is the commander of Gong Ao, the results of last night's investigation of the demon camp, you must take him as an example."

Wow!

When the voice fell, the entire Yutian Palace was in an uproar.

Many priests congratulated Gong Ao one after another.

“Congratulations to the commander of the palace to be promoted to the Grand Marshal.”

“The commander of the palace... oh no, Marshal Gong, it’s really gratifying...”

“Haha, Marshal Gong, I’ll give you a toast.”

Facing the praises of the priests, Gong Ao stood up and responded one by one, almost smiling and feeling very happy.

“Wait!”

However, at this moment, Haotian Divine Sovereign suddenly stood up and said to Jiutian God: “Your Majesty, this letter seems to be wrong. Can you show me?”

When he said this, Haotian Divine Sovereign looked at Staring closely at the letter, his expression was very complicated.

In order to deal with the Demon Lord Gone before, Haotian Shenjun specially conducted a rigorous investigation of the Demon Race army, including the letters in the Demon Race.

At this time, Haotian Shenjun discovered that the paper in the hands of the Nine Heavens God seemed to be exactly the same as the paper used by the demons.

Phew...

At this moment, the entire Yutian Palace was silent.

what’s going on?

Gong Ao was canonized as Grand Marshal, and his status was equal to that of Haotian God. Does this make Haotian God unhappy?

Gong Ao also put away his smile and frowned secretly.

“What’s wrong with the letter?” At this time, the Nine Heavens God was stunned, but he trusted Haotian Divine Monarch very much, and he handed the letter over while asking.

Chapter 4182

Swish!

At this moment, the eyes of the audience also converged on Haotian Divine Sovereign.

Haotian Shenjun carefully observed the letter and said slowly: "Your Majesty, there is something wrong with this paper. I want to ask the commander of the palace, where did you get it from?"

When he said this, Haotian Shenjun looked at Gong Ao. There was some deep meaning in his eyes.

Problem with paper?

Hearing this, the entire Yutian Palace was in an uproar, and many priests were talking about it.

"What's wrong with this paper?"

"Is it poisonous?"

"Shh, don't

talk nonsense." The chatter kept coming, and Gong Ao was inexplicably flustered. You know, this letter was originally sent by Yue Feng, the result was intercepted by himself.

But soon, Gong Ao calmed down and looked at Haotian Divine Monarch with a half-smiling smile: "Your Excellency, the demon army has been defeated by us, what's the point of discussing this now?"

At this time, Gong Ao still had some luck in his heart. .

This Divine Sovereign of Haotian, seeing that my status was on an equal footing with him, was unhappy, so he deliberately made a fuss about the letter, but I read this letter several times at the time, and there was no problem at all, so there is no need to be afraid.

"Haha!"

Facing Gong Ao's rhetorical question, Haotian Shenjun chuckled lightly: "Of course it makes sense, I want to ask you, when you wrote it, where did this paper come from?"

This...

Gong Ao was stunned. After a while, he said casually: "This is the paper I usually use for official business, what's wrong?"

"Really?"

The voice fell, Haotian Shenjun shook his head and said with a sneer: "If this is the case, you have committed the crime of deceiving the king, and you are not qualified to take credit, let alone be a grand marshal."

Gong Ao's face flushed, and he couldn't bear it. Stopped, and said displeasently: "Your Excellency, what do you mean?"

Mad.

Is this Haotian Divine Monarch sick in his head, is he deliberately making trouble for himself?

At the same time, the surrounding priests were also talking about it.

"Haotian."

At this time, the God of Nine Heavens couldn't stand it anymore, and said to the God of Haotian: "Gong Ao is right, the army of demons has been completely defeated by us, at this time at this celebration banquet, everyone is high Happy, why do you have to struggle with a letter?"

When he said this, Jiutian God was also a little dissatisfied, thinking that Haotian God Sovereign was a little too much.

Hu...

Feeling the dissatisfaction of the Nine Heavens God, Haotian Shenjun took a deep breath and said respectfully: "Your Majesty, you don't know something, the biggest problem with this letter is not the content written on it, but this kind of paper. It's not official paper in Yutian Palace, but paper used by demons."

After speaking, Haotian Shenjun completely unfolded the letter, pointed out a code on the lower right corner, and continued: "During this time, I have been investigating demons. I learned a lot about the situation of the clan camp, such as the paper for writing credit, the official paper of our Yutian Palace, there is no mark on it, and the paper of the demon clan has a special code for each piece."

said. At the end, Haotian Divine Sovereign looked back at Gong Ao, his eyes full of doubts: "I want to know, how did Commander Gong get this kind of paper from the demon camp?"

Wow...

the voice fell, and the whole imperial palace Tiangong suddenly exploded, and many priests were extremely surprised.

“Sure enough there is a code.”

“Yeah, if I didn’t look carefully, I really didn’t find it.” “Looking at this situation, is there something else

hidden behind this letter?” The paper on which Gong Ao wrote the credit turned out to be from the Demon Clan Camp? This... Seeing this scene, Gong Ao froze there, only feeling his brain buzzing. How could this be? There is actually a code on the letter that Yue Feng sent? Why didn’t you notice it at the time? Or....Haotian Shenjun deliberately created something out of nothing? “How could there be such a thing?” At this time, Empress Hua Zhao, who had been sitting silently beside her, was also frowning lightly at this time. She leaned over and looked at the paper carefully, and sure enough, she saw a special number on it. And this kind of number is the unique character of the Demon Race. Seeing this, Empress Hua Zhao breathed a sigh of relief, nodded at the Nine Heavens God and said, “The number on this is indeed a character unique to the Demon Race.” Empress Hua Zhao is not only beautiful and intelligent, but also knowledgeable and talented, so she naturally recognizes the Demon Race. Word.

Chapter 4183

With the affirmation of Empress Hua Zhao, Haotian Shenjun showed a smile and threw the letter directly at Gong Ao’s feet.

Speaking of which, Haotian Divine Sovereign and Gong Ao have no grievances or enmity, there is no need to deliberately seek trouble, but Haotian Divine Sovereign is very paranoid and serious.

“Gong Ao!”

Finally, Nine Heavens God reacted, frowned at Gong Ao, and asked coldly: “Gong Ao, tell me, what is going on here?”

“This paper is obviously owned by the Demon Race. Thing, why did you just say that it is the official paper of Yutian Palace?”

Putong!

When the words fell, Gong Ao’s face turned pale, and he was dripping with cold sweat. He knelt there in fear and said: “Your Majesty, I was wrong just now, this letter was written by the secret agent I sent out, and he infiltrated the demon camp at that time. , At that time, the situation was critical, so I threw the paper in the Demon Clan camp and wrote down their plan.”

At this time, Gong Ao was in a panic.

He never thought that a piece of paper could become a clue, and it was also seen by Haotian Divine Sovereign.

Now that it was seen, I quickly figured out a way to fool it.

Written by a spy?

Hearing this answer, Nine Heavens God frowned and pondered.

On the other hand, Divine Sovereign Haotian chuckled, his cold face full of disbelief, and said lightly, "Gong Ao, don't lie, as far as I know, the paper and pens used in the demon camp are all There are special demon warriors watching, it is impossible for the spies you sent to pass through their defenses to steal a few pieces of paper."

Saying that, Haotian Shenjun suddenly sharpened his eyes: "The only explanation is that this letter was not written by your spy at all, but leaked from within the Demon Race. It was just obtained by your chance, right?"

This...this....

Seeing that God Jun Haotian guessed the truth at once, Gong Ao was completely panicked, knelt there trembling all over, unable to speak.

Looking at Gong Ao's reaction, Jiutian God understood instantly. He was very angry at that time, but because of his identity, he did not break out, but said lightly: "Is that so? Gong Ao."

"Yes..."

Gong Ao He lowered his head and dared not look at the Nine Heavens God, and said tremblingly: "Yes, at that time, this letter was found outside the demon camp when my subordinate was on patrol at that time. Your Majesty, I was wrong."

"I read the letter at the time . After that, I was very excited, in order to make merit, I lied that I wrote it myself, Your Majesty, I was greedy for profit and committed this crime, I begged Your Majesty to forgive me this time."

When saying this, Gong Ao His face was sincere, but his heart was secretly lucky.

Anyway, Yue Feng is no longer there, and Xingri Sun is also dead. As long as he keeps his mouth shut, the Nine Heavens God cannot find out the truth at all.

As for the crime of 'deceiving the king', as long as he is sincere, His Majesty will definitely take it lightly.

Whoa!

Seeing this scene, the surrounding priests shook their heads one after another, with disappointment and contempt on their faces.

“It turns out that he picked up this letter.”

“Yeah, I thought he really had such great ability to probe the secrets from the demon camp.”

“Oh, I really can’t imagine that the always arrogant palace commander would be this one. This kind of person, for the sake of credit, dare to deceive Your Majesty.”

The surrounding discussion, you and I came, Gong Ao knelt there, feeling ashamed and depressed.

“Okay!”

At this time, Jiutian God nodded slowly, looked at Gong Ao, and couldn’t hide his anger: “Gong Ao, just admit it, I have such high expectations for you and trust you so much, but I didn’t expect that you How dare you deceive me.”

Feeling the wrath of the Nine Heavens God, Gong Ao trembled all over, he didn’t dare to let out a breath, and the cold sweat kept shedding.

Seeing him like this, Jiutian God was a little unbearable, and continued: “If you admit your mistake in time, I will not care about you, but the credit is taken back, you don’t need to take the seat of the Grand Marshal.” Seriously

. Yes, if it was someone else, Jiutian God would definitely kill him directly, but he had always trusted Gong Ao and reused him, so he couldn’t bear to kill him directly.

“Thank you, Your Majesty, Hong En.”

Gong Ao responded quickly, his face full of gratitude.

Although it’s a pity not to be a grand marshal, but it’s not bad to be able to save a life.

Chapter 4184 The

Nine Heavens God is too lazy to talk nonsense any more, he waved his hand, signaling Gongao to get up.

Gong Ao didn’t dare to be negligent, got up quickly, and sat on his seat tremblingly.

“Haotian.”

This is, Jiutian God's eyes fell on Haotian God Sovereign, and smiled: "Fortunately, your eyes are bright, otherwise, I would have been kept in the dark."

"Your Majesty is polite." Haotian God Sovereign slowed down He took a seat and nodded politely: "This is what I should do."

After speaking, Haotian Shenjun glanced at Gong Ao, and said lightly: "Gong Ao, don't blame me, I have always been fair and strict, not right to people. , I didn't mean to target you just now." Gong Ao sneered, and at this time he was completely complacent, and said humbly: "Your Majesty is

polite, I made a big mistake, how dare I blame you?"

"Your Majesty!"

Saying that, at this moment, a divine soldier hurriedly walked in and said to the Nine Heavens God in a complicated way: "Report to Your Majesty, Lun Ri... Xingri Sun, shouting grievances outside the hall."

What?

At this moment, Gong Ao stood on the spot as if struck by lightning, his brain buzzing.

Sun Xingjun is not dead?

Impossible, at that time, in front of His Majesty, he directly destroyed his primordial spirit, and then ordered his subordinates to bury him on the mountain a few miles north of Yutian Palace...

Wow...

At the same time, the entire There was also an uproar in Yutian Palace, and many priests whispered and talked a lot.

"Xingri Xingjun shouting injustice?"

"I was surprised just now, why didn't I see Xingri Xingri..."

"Yeah, I'm also puzzled."

When they said this, many priests were puzzled. Last night, Gong Ao executed Xingri Xingjun in the secret room. knowledge.

At this time, Jiutian God also frowned, then raised his hand: "Let him come in."

"Yes, Your Majesty." The magic soldier responded and walked out quickly.

Soon, the magic soldier came back, followed by a embarrassed figure, his body was covered with mud, his hair was fluffy, his face was pale and very weak.

But those eyes twinkled unwillingly.

It is the sun star.

Speaking of which, Xing Sun did indeed die last night, but he had taken the 'Returning Divine Pill' before, so he was resurrected again.

Before, the demon army camped a few miles away and stared at the Yutian Palace. At that time, not only Xingri Sun, but all the priests and hundreds of thousands of gods and soldiers felt unprecedented pressure. At that time, Xing Sun had a premonition that once the war broke out again, and Yutian Palace was captured by the demons. Everyone could not escape, and he would become the ghost of the demons.

Therefore, before meeting Yue Feng last night, Xingjun Yaori took a 'Returning God Pill'.

Returning the Divine Pill, as the name suggests, can save a life, but after resurrection, its strength is less than one-tenth of the previous one.

As a result, after taking the magic pill, Xingri Sun met Yue Feng, who came to deliver the letter, and was framed by Gong Ao. After that, he was killed by Gong Ao in the secret room.

Done.

Completely finished.

At this moment, seeing that Xingri Xingjun was really not dead, Gong Ao's face was extremely pale, and he slumped on the ground in panic.

"Sunday."

At this time, Jiutian God reacted, looked at Xingri Xingjun, and said indifferently: "Do you still have the face to see me?"

Until this time, God Jiutian thought that Xingri Xingjun colluded with Yue Feng and wanted to betray God's Domain.

Having said that, the Nine Heavens God looked up and down Xingri Xingjun, and continued: "I didn't expect you to take the pill, did you know that your betrayal would be exposed, so you took the pill and kept it for yourself? A way back?"

As the ruler of the Divine Realm, the Nine Heavens God could see at a glance from the state of Xingri Xingri at this time that last night, before he was killed by Gong Ao, he took the Divine Pill.

Still a god?

Hearing this, Gong Ao, who was already terrified, was even more shocked.

Mad, this Luminous Sun Xingjun took the magic pill last night. I was really careless, why didn't I think at that time that he would completely destroy his corpse?

Swish!

At this moment, Haotian Divine Sovereign, as well as the eyes of many priests around him, will all gather on the body of the Sun Star Sovereign.

Chapter 4185

Because they don't know the situation, no one dares to ask rashly.

In the entire Yutian Palace, it was silent, and even a needle could be heard clearly.

"Your Majesty."

Faced with such a scene, Xingjun Yaori did not have the slightest fear, but was unable to express his unwillingness. He knelt there and shouted weakly, "Your Majesty, I am wronged, I did not collude with Yue Feng, and more I never thought of betraying God's Domain, betraying Your Majesty."

When he said this, Xingri Sun was full of grievances.

He is loyal and loyal, but His Majesty does not believe in him.

"Really?"

Jiutian God's face did not fluctuate at all, and he said lightly: "Then why did Gong Ao say that he saw you secretly meeting Yue Feng with his own eyes?"

What?

Hearing this, Yaori Xingjun trembled, looked around immediately, and finally locked Gong Ao tightly.

For a time, Xingri Sun's eyes were extremely blood red, and his heart was also extremely resentful.

It turned out... it turned out that he slandered himself.

“Your Majesty!”

Thinking to himself, Xingjun Xingri knelt up instantly, pointed at Gong Ao and shouted, “Gong Ao slandered me, I didn’t have a secret meeting with Yue Feng at all. Last night, I was patrolling outside Yutian Palace. I met Yue Feng....”

“You are talking nonsense.”

However, just halfway through, Gong Ao reacted and almost jumped up and shouted: “Xingjun Yaori, have you ever had a secret meeting with Yue Feng? I want to make a quibble. Not to mention that I slandered you.”

At this time, Gong Ao looked very angry on the surface, but he was panicked in his heart.

The truth must not be known to His Majesty, otherwise, everything will be over.

“Gong Ao.”

In the face of the anger, Xingjun Xingri laughed in anger and looked at Gong Ao closely: “I have no enmity with you, why did you frame me like this?”

“You...”

Gong Ao I was so anxious that I wanted to refute, but I didn’t know how to speak.

After all, he did slander others, and he was at a loss.

“Gong Ao!”

This is, Jiutian God gave Gong Ao a cold look: “Let Xingri Sun finish the sentence, without my permission, you are not allowed to interrupt.” When saying this, Jiutian God’s face was extremely gloomy, and his tone was even more serious. It’s undeniable majesty.

At this time, the Nine Heavens God had vaguely understood something.

Because in the secret room last night, Sun Xingjun had not explained, but Gong Ao shot to destroy the primordial spirit. At that time, he thought that Gong Ao was just angry and would be so reckless.

But thinking about it now, the scene at that time was suspicious.

And these doubts are all on Gong Ao.

Seeing Jiutian God speak, Gong Ao was like a deflated ball, his face was extremely pale, and he bowed his head and replied: "Yes, Your Majesty!"

Immediately, he stepped aside.

At this time, Sun Xingjun did not hesitate at all, and explained the situation in detail: "Your Majesty, after I met Yue Feng at that time, Yue Feng gave me a letter, saying that it was the battle of the Demon Lord Gone. The plan..."

"Later, I was going to give the letter to Your Majesty, but I ran into Gong Ao, who stopped me at the time and said he wanted to help hand it over..."

"But I never thought that Gong Ao would be so insidious, slandering me and Yue Feng for colluding, and betraying His Majesty." At the

end of the story, Yaori Xingjun knelt there and shouted apologetically: "Your Majesty, I was wronged. , I beseech Your Majesty to be clear."

Wow!

The voice fell, and the entire Yutian Palace suddenly exploded.

This palace arrogance is really hateful, not only deceiving His Majesty, but also slandering Xingri Sun. This kind of scum, staying in the realm of the gods is simply an insult to the realm of the gods.

"Bastard!"

At this moment, Jiutian God was full of anger, slapped the throne heavily, stood up instantly, pointed at Gong Ao and shouted angrily: "You bastard, you really disappointed me."

"Your Majesty, this kind of scum, Let's execute it directly."

"Yes, Gong Ao is so evil, it really loses the face of our God's Domain."

For a time, the surrounding priests also criticized Gong Ao, and they were full of righteous indignation and anger.

"Gong Ao, die." Haotian Shenjun shouted angrily, without any hesitation at the time, the figure erupted, like a bolt of lightning, coming straight towards Gong Ao.

It's over, it's over now.

Seeing Haotian Divine Sovereign's return, Gong Ao's face was pale, his legs were weak, and he could hardly stand still.

The ultimate husband in Chinese chapter 4186-4190

Chapter 4186

In the blink of an eye, Haotian Divine Sovereign arrived in front of Gong Ao, without the slightest emotional fluctuations on his face, cold and ruthless: "Your Majesty, frame others, you will shame our entire Divine Realm, go to hell

!"

!

The voice fell, and a terrifying aura erupted from the body of Haotian Divine Sovereign. In an instant, the temperature of the entire Yutian Palace plummeted.

The terrifying and powerful coercion makes people panic.

The next second, Haotian Shenjun suddenly raised his right hand and hit Gong Ao with a palm.

Did it die like that?

Feeling the explosive power of Haotian Divine Sovereign, Gong Ao's face was pale, and despair rose in his heart.

No, I can't die.

Never die!

In the next second, a desire to survive rose from the bottom of Gong Ao's heart, the light in his eyes flickered, and all the divine power in his body burst out directly, and he greeted him with a palm.

boom!

When the palms of the two sides touched, they heard Gong Ao's miserable howl, and the whole person was shocked and flew out, raining blood in the air, and finally fell heavily on the steps outside the Yutian Palace.

The strength of Haotian Divine Sovereign is second only to the God of Nine Heavens. At this time, with all his strength, Gong Ao is not an opponent at all.

Whoops!

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

At this moment, Haotian Divine Sovereign, as well as all the priests present, rushed out one after another, each with a look of indifference. No one sympathized with Gong Ao.

“Gong Ao.”

At this time, God Sovereign Haotian stared at Gong Ao closely, with a cold tone: “Are there any last words? If not, get ready to go.” As he

spoke, God Sovereign Haotian slowly walked towards Gong Ao. Come.

A terrifying aura filled the whole world.

At this time, Gong Ao, half of his body was stained red with blood. Facing the strength of Haotian Divine Sovereign, he secretly gritted his teeth and did not respond. At the same time, he quietly touched his pocket with one hand.

In his pocket, there are five ‘Sky Thunder Orbs’.

The Sky Thunder Orb is a unique hidden weapon in God’s Domain. It is only the size of an elixir, but it contains the power of Sky Thunder.

Swish swish...

Seeing that Haotian Divine Sovereign was about to come to him, Gong Ao didn’t have time to think about it, he raised his hand and waved, and saw five celestial thunder beads roaring out, like lightning, towards Haotian Divine Sovereign.

Haotian Divine Sovereign reacted quickly.

Boom boom boom... As

soon as I avoided it, the five Sky Thunder Orbs exploded, making a violent roar, and then, I saw one after another thunder and lightning, raging at the gate of Yutian Palace.

Tianleizhu?

Seeing this scene, Haotian Shenjun frowned, and quickly shouted at the surrounding priests: “Quickly move away.” The power of the Tianleizhu is powerful, and once it is hit, it will not die or be disabled.

Hearing the call, many priests ducked into the distance.

call!

Seeing this scene, Gong Ao didn’t have time to think about it, he endured the severe pain on his body, soared into the sky, and fled into the distance.

That's right, Gong Ao cast the Sky Thunder Orb just now. He didn't intend to hurt Haotian Divine Sovereign, but created an opportunity to escape.

In the blink of an eye, Gong Ao disappeared into the sky.

hateful!

Seeing this scene, Haotian Shenjun wanted to chase, but it was too late, so he slapped the pillar at the door with a fierce palm.

At this time, the Nine Heavens God walked out quickly, and when he saw the scene in front of him, he was also furious.

“Pass on my will and pursue Gong Ao with all my strength, regardless of life or death!”
In the

next second, Sen Leng's voice came from Emperor Tianqi's mouth, his face was extremely cold and indescribably annoyed.

This Gong Ao, first committed the crime of deceiving the emperor, and then slandered Xingri Xingjun.

But now, he has been allowed to escape in full view of the public.

“As ordered!”

In an instant, Haotian Divine Sovereign and all the priests responded in unison.

.....

On the other side, the False Mountain.

The False Mountain is located at the border of the God's Domain connecting the nine heavens.

At this time, on the top of the false mountain, sat a graceful figure.

She was wearing a long white dress, floating like a fairy, and her facial features were beautiful and moving, but there was a bit of sadness between her brows.

It was Princess Dongling.

Under a tree next to her, Yutong Xianweng leaned there, holding a jug in one hand and a few precious fruits in the other, drinking happily.

Since ten days ago, Yutong Xianweng, after saving Princess Dongling from Demon Lord Gone, helped her treat her injuries. Now that more than ten days have passed, Princess Dongling has basically recovered.

However, her primordial spirit was shattered by the Demon Lord Gone, and there was no possibility of self-recovery.

Chapter 4187

“Senior!”

At this time, Princess Dongling’s delicate face was full of confusion, and she asked Yutong Xianweng: “We have been here for a long time, what are we going to do? “

When asked, Princess Dongling was full of doubts.

A day ago, Yutong Xianweng said that he would take her to find a way to reshape the primordial spirit, but when he came to this illusory mountain, he stopped leaving.

Hehe...

Yutong Xianweng smiled, then took a sip of wine, squinted his eyes, and said mysteriously: “Of course I’m waiting for people here, you think this old man likes to be in this kind of place, drinking by himself. Ah.”

As he said, Yutong Xianweng looked around.

wait?

Hearing this, Princess Dongling was stunned for a moment, and couldn’t help but ask again, “Who are you waiting for?”

Isn’t this Yutong Xianweng trying to help him reshape his primordial spirit, what are you waiting for here?

Seeing her puzzled face, Yutong Xianweng shook his head and smiled bitterly: “Thank you for being the daughter of the Nine Heavens God, don’t you know that after the primordial spirit is destroyed, it is difficult to reshape it?”

“Even if there is a way, some rare treasures are needed. Although I have been traveling around, I have too few treasures on my body, so I can only find a way to borrow it from others.”

Speaking of which, Yutong Xianweng touched his red nose and continued: “According to the old man You know, Fairy Pipa has a treasure called ‘Tianqingzhu’. This Tianqingzhu is a spiritual thing that was bred from the heaven and earth after Pangu

opened up the world. Like the Chaos Spirit Pearl, it captures the fortune of heaven and earth.”

“As long as you get the ‘Tianqingzhu’ Qingzhu’, if you want to rebuild the primordial spirit, it will be much easier.”

At this time, Yutong Xianweng seemed to be intoxicated, but his face was extremely confident.

Yes, Yutong Xianweng brought Princess Dongling to this False Mountain, just waiting for Fairy Pipa.

Yutong Xianweng and Pipa Fairy are both immortals from outside the sky. They are familiar with each other and have some friendship. Half a day ago, Yutong Xianweng learned that Pipa Fairy had arrived in the Divine Realm, so he rushed to the False Mountain with Princess Dongling.

Because the False Mountain is the only way to leave the God Realm and go beyond the Nine Heavens.

Pipa Fairy?

At this moment, Princess Dongling was stunned, her delicate face couldn’t hide her joy: “Is Fairy Pipa very powerful?”

Yutong Xianweng couldn’t help laughing: “Haha.... The question is, Fairy Pipa, like me, is an immortal from outside the sky, so she is naturally powerful, not only powerful, but also very beautiful.”

Oh...

Princess Dongling responded, and then she thought of something, and continued: “Then... ..will she give us the ‘Tianqingzhu’?”

Yutong Xianweng finished the last sip of wine, stood up and patted his chest, and said confidently: “You don’t have to worry about this, you think that the relationship with her, don’t saying ‘Tianqingzhu’ is a better treasure, and she will give it to me.”

After saying this, Yutong Xianweng’s heart was complicated.

After all, although he and Fairy Pipa knew each other well, they weren’t really good friends. They just couldn’t lose face in front of Princess Dongling.

Whoosh!

Just as he was talking, he saw a wave of aura coming from the horizon not far away, and then, a slender and charming figure flew over quickly. Wearing a long colorful dress with beautiful facial features, carrying a pipa on her back, her charming body exudes an undeniably powerful aura.

It is the Pipa Fairy.

Swish!

Seeing Fairy Pipa appearing, Fairy Yutong was very excited and hurried up to meet her. At the same time, he didn't forget to turn his head and explain to Princess Dongling: "Fairy Pipa is here, don't talk nonsense later, this woman has a weird personality. If you annoy her, I'm afraid you won't hand over the Tiantian Qingzhu."

Princess Dongling responded quickly.

In the blink of an eye, Yutong Xianweng arrived in front of Fairy Pipa, bowed first, and then said with a smile: "Fairy Pipa, stay safe, remember the last time we met, it was in the void nine days away, I didn't expect to be in a hurry It's been five hundred years since we said goodbye."

When greeting, Yutong Xianweng was full of smiles, but complex eyes flashed.

Um!

Fairy Pipa nodded, and then said softly, "It's true that we haven't seen each other for a long time. Time flies so fast, five hundred has passed in a blink of an eye. By the way, why did you suddenly appear here?"

Chapter 4188

Speaking, Fairy Pipa couldn't help but look at Princess Dongling who was not far away: "Who is this girl doll?" Although Princess Dongling is sexy and charming, in Fairy Pipa's eyes, there is no doubt that she is with the little girl.

After all, Fairy Pipa and Fairy Yutong have lived for nearly 10,000 years. Even if the Nine Heavens God comes, they will call out their predecessors.

"Haha..."

Upon hearing the question, Yutong Xianweng scratched his head and smiled, and said casually, "She is the ruler of the Divine Realm, the daughter of the

Nine Heavens God." The daughter of the Nine Heavens God?

At this moment, Fairy Pipa was stunned for a moment, her eyebrows wrinkled slightly, she was very surprised, but she was not shocked at all. In her capacity, Jiutian God came in person, and there would be no waves in his heart, let alone his daughter.

In the next second, Fairy Pipa asked curiously, "Don't you like to wander around and have nothing to do with any forces? Why would you bring the daughter of the Nine Heavens God?"

When asking these questions, Fairy Pipa couldn't help looking up and down at Dongling Princess.

This girl doll is really beautiful, slim and full of fairy spirit.

It's just a pity that there is no primordial spirit.

Uh...

Yutong Xianweng scratched his head and smiled awkwardly: "It's nothing, this girl has something to do with me. She was in trouble before, and I happened to meet her, so I saved her."

"That's it." Fairy Pipa responded lightly, and her delicate face did not fluctuate in the slightest.

Like Yutong Xianweng, Pipa Fairy has no desires or desires, so when she heard that Princess Dongling was in trouble, she couldn't make any waves in her heart.

"Speak up."

This is, Yutong Xianweng touched his nose, hesitating to say anything, with a very embarrassed look: "I learned that you came to the Divine Realm before, so I am waiting for you here."

Pipa Fairy smiled lightly: "Really? You are waiting for me here, but do you have any advice?"

Yutong Xianweng quickly shook his head: "I don't dare to give advice, don't you have a sky blue pearl on your body? You saw it just now, this girl has no yuan. God, it's very miserable and desolate, I just want to help her rebuild her primordial spirit."

Without waiting for Fairy Pipa to respond, Fairy Yutong continued: "But don't worry, I don't want you for nothing, we can fight. A bet, or a test, if you lose, give me the Sky Blue Pearl."

"If I lose, you can let me do anything." The

last word fell, and Yutong Xianweng looked at the pipa closely . Fairy, her eyes are full of anticipation.

To be honest, with the relationship between the two sides, Yutong Xianweng can completely borrow it, but he has a arrogant personality, and if he really wants to borrow it, it will be too shameless.

After thinking about it, Yutong Xianweng made a bet with Pipa Fairy, so that even if he lost, he would not lose face.

Huh...

After hearing this, Fairy Pipa sighed slightly and smiled: "After talking for a long time, it turns out that you want Tianqingzhu to help the daughter of Jiutian God."

"Yutong Xianweng, you used to It's not like this, I've never seen you help an outsider like this, but you make me look up to you."

Uh...

Hearing this, Yutong Xianweng scratched his head, a little embarrassed.

Fairy Pipa is right, Yutong Xianweng has always been alone, and has never made friends with anyone. Today's actions are indeed unexpected.

However, Fairy Pipa didn't know that Yutong Xianweng had been invited by Yue Feng to taste delicious food in the mainland of Kyushu. Yutong Xianweng liked nothing more, so he was very grateful to Yue Feng and almost became a confidant.

And Princess Dongling is Yue Feng's woman. Now that she is in trouble, Yutong Xianweng will naturally not sit idly by.

It's just this kind of thing, how can Yutong Xianweng say it?

"Okay!"

At this moment, Fairy Pipa smiled lightly and took out the azure pearl from her body: "Since you want the azure pearl, go and help the daughter of the Nine Heavens God reshape the primordial spirit, I will give it to you, We don't need to bet on the competition, anyway, this Tianqingzhu is of no use to me. I will be a favored favor and give it to you."

Said, the Pipa Fairy handed the Tianqingzhu over.

"Oh, this can't be done..."

However, Yutong Xianweng didn't take it, but shook his head and said, "This is absolutely impossible, how can I ask for your things for nothing? Let's make a bet and have a try. ."

Yutong Xianweng is not only proud, but also does not like to owe others favors.

Chapter 4189

Oh!

Seeing him like this, Fairy Pipa was speechless, shook her head and smiled bitterly.

This Yutong Xianweng really hasn't changed at all. He has a strong self-esteem and a good face. He even decided to give it to him, but he didn't want it.

Princess Dongling, who was not far away, was also dumbfounded.

What is Senior Yutong doing, the other party has given it away for nothing, so he still has to try?

Really worthy of his title, Yutong, like a child, he likes to play around...

"Okay!"

At this time, Fairy Pipa came back to his senses, temporarily put away the Tianqingzhu, and then looked at Yutong Xianweng said with a smile: "How do you want to compare?"

Hmm....

Yutong Xianweng stroked his beard, pondered, and then turned his head to see two stone peaks not far away, his eyes suddenly lit up, With a smile, he said, "Well, these two stone peaks are about the same size and height. Let's use immortal power to carve into our own shape. Whoever uses the shortest time wins." He was excited about his proposal and looked very urgent: "How is it?"

Although Yutong Xianweng has lived for nearly 10,000 years, he has always maintained a childlike innocence. In the eyes of others, seemingly boring things, in his heart, But it is very interesting.

What?

Hearing this, Princess Dongling, who had been silent for a while, suddenly trembled.

At the same time, she tilted her head to look at the two stone peaks, and Princess Dongling's delicate face also revealed a look of confusion.

Senior Yutong is crazy.

These two stone peaks are towering into the clouds. He actually wants to carve into his own shape. How much time and immortal power does it take?

At this time, Princess Dongling still didn't know that the abilities of immortals outside the sky were far beyond her imagination.

"Okay."

Feeling Yutong Xianweng's expectant gaze, Pipa Fairy seemed a little helpless, but she still smiled: "It's up to you, you choose first."

Seeing her agreement, Yutong Xianweng was very excited . , pointing to the one on the left: "I choose this one."

Fairy Pipa nodded: "Okay, then I'll take the other one. Let's start."

Om!

When the last word fell, he saw Yutong Xianweng rising into the sky, and a powerful breath burst out from him. This force was like a sea of smoke, filling the world in an instant.

"Wind and thunder..." The

next second, Yutong Xianweng shouted in the sky. At what time, it was a clear sky, but a gust of wind suddenly blew, and then the sky also quickly gathered a series of dark clouds.

Immediately afterwards, among the dark clouds, thunder and lightning ripped apart the world, shocking people.

Phew...

Seeing this scene, Princess Dongling's body trembled, and she was so shocked that she could barely stand still.

powerful!

What a powerful force.

Speaking of which, this is the first time Princess Dongling has seen Yutong Xianweng show her strength. In her heart, Yutong Xianweng is an immortal from outside the sky, but in terms of strength, it should be inferior to her father, the Nine Heavens God, after all. , the Nine Heavens God is the master of the Divine Realm.

However, at this time, seeing Yutong Xianweng's light-hearted words triggered a vision of heaven and earth, Princess Dongling's inner cognition was suddenly overturned.

Kacha Kacha...

Just when Princess Dongling was shocked, she saw that lightning bolts fell from the dark clouds and landed on the Shi Feng on the left.

After more than a dozen lightning bolts fell, Princess Dongling saw that the outline of a human head had appeared on the top of Shi Feng...

and the outline of this human head was exactly what Yutong Xianweng himself looked like.

Great, so great.

Seeing this, Princess Dongling's heart trembled, she was shocked and admired.

This Jade Child Immortal Weng actually used thunder and lightning to carve his own appearance on Shi Feng.

Simply amazing.

However, what shocked Princess Dongling was still behind.

hum!

At this moment, I saw the Pipa Fairy, and she also rose up, and the graceful figure blinked to the sky, agile and elegant, like a crane.

Immediately afterwards, Fairy Pipa picked up the pipa on her back, and her jade fingers waved slightly, and she heard a crisp and melodious sound of the pipa. Peak away.

Chapter 4190

"Small, small..."

While playing the pipa, the pipa fairy's red lips gently opened, and she gently recited a series of incantations.

Whoosh!

At this moment, Princess Dongling was surprised to find that after Fairy Pipa recited the incantation, the Shi Feng on the right seemed to have a special spirituality, and it quickly shrank.

In the end, Shi Feng shrank to the size of a palm, flew away suddenly, and landed on Fairy Pipa's jade hand.

In the next second, Fairy Pipa took out a delicate jade knife and began to carve carefully on the smaller pinnacle.

I have to say that Fairy Pipa is not only beautiful, but also strong and ingenious. When she saw her jade hand move gently, the jade knife quickly carved a graceful figure on Shi Feng.

This...

seeing this scene, Princess Dongling was completely dumbfounded, shocked and admired.

Is this the power of the Immortals from Outside Heaven?

It's really incredible, if you hadn't seen it with your own eyes, who would have believed it?

Whether it is Yutong Fairy or Pipa Fairy, their methods are truly amazing.

Under the shock, Princess Dongling watched quietly, not daring to blink, for fear of missing a more exciting moment.

Time passed by minute by minute.

Soon, ten minutes passed, and I saw Yutong Xianweng floating in the air, manipulating thunder and lightning, and constantly carving on Shifeng. Fairy Pipa was also holding the jade knife tightly, not in a hurry.

The progress of the two sides is similar, but Princess Dongling noticed that Fairy Pipa seems to be faster.

If nothing else, in this competition, the Pipa Fairy should win in the end.

Ugh!

Discovering this, Princess Dongling was very melancholy and couldn't help sighing in her heart.

If Yutong Xianweng loses, he will not be able to get the Sky Blue Pearl. Without the Sky Blue Pearl, it will be difficult for him to rebuild his Primordial Spirit.

This Jade Boy Fairy is also true. When the Pipa Fairy gave it away for free, why didn't you accept it? Why don't you try it?

Um?

Just when Princess Dongling was depressed, she saw the Pipa Fairy suddenly stop, and she saw that the Shi Feng in her hand had been carved into the appearance of a graceful fairy, but there was still one pair of feet left untouched.

How did she stop?

Seeing this scene, Princess Dongling was very puzzled.

Aware of Princess Dongling's gaze, Fairy Pipa met her gaze without speaking, but showed a meaningful smile.

At this moment, Princess Dongling instantly understood something, Fairy Pipa did it on purpose, she wanted to lose to Yutong Xianweng on purpose.

That's right, Fairy Pipa knew that Immortal Yutong had a strong self-esteem, and he would definitely not accept it if he gave Sky Blue Pearl directly, so at the last key point of the competition, he stopped and planned to lose the competition.

After all, Yutong Xianweng needs Tianqingzhu very much.

Boom boom boom!

At this time, with the sound of the last few thunder and lightning, Yutong Xianweng slowly landed, and said with a big smile: "You're done."

Princess Dongling quickly looked over, and saw Shi Feng on the left, which had been carved into a jade child fairy. The appearance, facial features and demeanor, all seem to be real, lifelike.

"Haha..."

Just when Princess Dongling was fascinated, she heard Yutong Xianweng laugh proudly.

"Pipa Fairy."

At this time, Yutong Xianweng looked at Shi Feng in Pipa Fairy's hands, and said leisurely: "I thought I was going to lose, but I didn't expect you to be one step behind me in the end."

Yutong Xianweng saw that Pipa Fairy's Shi Feng was only one foot away from carving. Obviously, he won this match.

However, he didn't know that at the last moment, Fairy Pipa deliberately stopped.

Um!

Seeing Yutong Xianweng as happy as a child, Fairy Pipa didn't say much. She smiled lightly and said, "You win, I will give you the Tianqingzhu." After speaking,

Fairy Pipa took out the Tianqingzhu and threw it to you. Jade boy fairy.

"I still have something to do, let's take a step first, we will have a date later." The

next second, Fairy Pipa's red lips lightly opened, and after saying a few words, her figure rose up and was about to leave.

Yutong Xianweng nodded and waved goodbye to Fairy Pipa.

Afterwards, Yutong Xianweng turned his head and looked at Princess Dongling with a smile: "Haha, how is it? The old man's words are counted, and this day, the Azure Pearl has been obtained."

"Speaking of which, this Pipa Fairy is very powerful, but with the old man It's still a little underwhelming in comparison."

The ultimate husband in Chinese chapter 4191-4200

Chapter 4191

At this time, Yutong Xianweng is in a very happy mood.

In the competition just now, not only did he not lose face, but he also successfully obtained the Sky Blue Pearl, can you be unhappy?

“Senior!”

Seeing his smug look, Princess Dongling bit her lip and said, “Actually, you should thank the Pipa Fairy.”

“Thank her?”

Yutong Xianweng was stunned, then nodded. Said: “Well, I want to thank her. If she doesn’t agree to the competition, I can’t help it.”

Until now, Yutong Xianweng thought that he won by his ability.

Princess Dongling became anxious all of a sudden, shook her head and said, “No, Fairy Pipa let you on purpose just now. I saw with my own eyes that she stopped at the last moment.”

“Senior, this Fairy Pipa is really nice, she is afraid. It’s not good for you to lose, so I deliberately lost to you.” To

be honest, Princess Dongling didn’t want to say anything, but she had an upright personality, and seeing Yutong Xianweng’s proud look, she couldn’t help but say it in the end.

What?

Hearing this, Yutong Xianweng was stunned for a moment, and only felt his brain buzzing.

Pipa Fairy deliberately lost to me?

No, this is absolutely not possible, I have to win by my own ability, and it is too shameless to be deliberately released by the other party.

Thinking to himself, Yutong Xianweng quickly took Princess Dongling and chased in the direction of Fairy Pipa’s departure: “Wait, Fairy Pipa, don’t go yet, wait for me.”

This chapter is provided by . Visit for daily update.

This...

this In an instant, Princess Dongling was speechless.

This jade boy fairy is really unpredictable, is face so important?

At the same time, I have some regrets.

If I knew he was going to catch up, I wouldn't say it myself.

...

the other side.

In a valley dozens of miles away from the False Mountain, Demon Lord Gone, with the twelve holy demon kings and less than 20,000 demon warriors, temporarily rested here.

The day before, Demon Lord Gone looked around for the whereabouts of the demon clan, but there was no clue at all.

Rumble.

As soon as I stopped to rest, I heard a burst of thunder coming from the direction of the False Mountain in the distance.

For a time, whether it was the Demon Lord Gone or the Twelve Holy Demon Kings, they all looked at each other, and they saw that the sky above the False Mountain was covered with dark clouds and the thunder was rolling.

"There..."

Mo Yan quickly reacted, frowning and said: "It seems to be in the direction of the False Mountain, strange, there is the boundary of the God's Domain, how can there be a vision of heaven and earth?" The

voice fell, Mo Zun Ge Nie said lightly: "What kind of vision of heaven and earth, there must be someone doing it there." As the supreme being of the Demon Race, Gone is very keenly aware that there is a strong presence in the False Mountain area and is exerting power.

Hearing this, Mo Yan hurriedly said: "Your Highness, do you want your subordinates to go over and take a look?"

"You don't need to go over there."

Demon Lord Gone shook his head, without the slightest fluctuation on his face: "Now we mainly do , is to find the demon clan as soon as possible, don't worry about other things."

Saying that, Demon Lord Gone pointed to Wei An and a demon general: "You guys go and have a look, find out the situation, and report back as soon as possible."

"Yes, Your Highness."

Upon hearing the order, Wei An and the demon general responded and rushed towards the Misty Mountain.

Wei An's wound on his broken leg has completely healed. Instead of using a wheelchair, he replaced a pair of prosthetic limbs. Although the speed is a bit slow, it does not affect his mobility.

...

on the other side, in the other direction of False Mountain.

In the woods, there is a tired figure who is constantly moving forward. His body is covered with blood, and his expression is tired and weak. It is Gong Ao.

After escaping from the Yutian Palace before, Gong Ao did not stop at all, and kept running for his life until he reached the vicinity of the False Mountain. He was almost out of strength, and then gradually slowed down.

call!

At this time, seeing that there was no Yutianguong pursuer behind him, Gong Ao took a deep breath, found an open space, sat cross-legged, and regained his strength.

Soon Gong Ao entered a state of ecstasy.

I don't know how long it took, Gong Ao slowly opened his eyes, exhaled a turbid breath, and a smile appeared on his face.

The strength has finally recovered more than half, even if you encounter the pursuit of Yutian Palace, you don't have to be afraid.

Muttering in his heart, Gong Ao slowly stood up and continued to walk towards the False Mountain.

hiss.

When he was about to reach the False Mountain, Gong Ao was stunned when he saw the scene in front of him, and he couldn't help taking a breath of cold air.

I saw that there were two huge stone sculptures standing beside the False Mountain. Both stone statues are 1,000 meters high and are carved into the shape of a man and a woman.

Chapter 4192

This... It

took a few minutes before Gong Ao recovered, but his heart was still extremely shocked.

Who carved this sculpture? It's amazing how amazing it is.

As the commander of Yutian Palace, Gong Ao is very familiar with every area of the entire God's Domain, and the False Mountain in front of him often patrols here.

The last time, before the battle between the Demon Race and the God Realm, Gong Ao clearly remembered that the area around the False Mountain was very desolate, and there had never been such a huge statue. How can I not be shocked by the sudden appearance of two such large statues?

Such a large statue is as lifelike as it is real. Even if it is made by the Nine Heavens God, it will take a lot of time.

Shasha...

Just when Gong Ao was fascinated, he heard footsteps in the woods not far away.

The next second, I saw two figures slowly coming, one of them was wearing black armor, and only a pair of eyes were exposed on the strange helmet.

The other features are handsome, but there is a bit of weakness between the eyebrows.

It was Wei An and that demon general.

The demon general's name is Dong Zang, he belongs to Mo Yan's direct subordinate, and he is powerful.

As assigned by the Demon Lord Gone just now, Wei An and Dong Zang did not stop for a moment and went directly to the False Mountain to check the situation.

Hiss....

at this moment, when I saw the two huge statues in front of me, whether it was Wei An or Dong Zang, they were all stunned and gasped.

Heart is also incomparable admiration.

What kind of power can create such a majestic statue.

Um?

Under the shock, Wei An and Dong Zang instantly found Gong Ao not far away, and they were stunned.

At the same time, Gong Ao also discovered the two Wei An, and there was a bit of surprise in his eyes.

Isn't this Wei An, the son of King Xuanwu?

How could he be with a demon general of the Demon Race?

When the demon army attacked Yutian Palace before, Wei An stood far away to watch the battle and did not participate in the battle, so Gong Ao never saw him at that time.

The next second, Gong Ao noticed Wei An's prosthetic limb and frowned.

This kid also broke a pair of legs?

"Isn't this the dog next to Jiutian Xiaoer?" At this moment

, Dong Zang took the lead in reacting, took a step forward slowly, and shouted at Gong Ao, "What? Are you alone?"

Dong Zang looked at Gong Ao with anger and hostility in his eyes.

A day ago, the army of hundreds of thousands of demons attacked Yutian Palace and suffered a crushing defeat. Only less than 20,000 escaped successfully. This is a great shame for the entire demons.

Therefore, the enmity between the Demon Race and the God Realm is getting deeper and deeper.

Under such circumstances, Dong Zang, as a demon general, could not restrain himself when he saw Gong Ao. You must know that Gong Ao was a general around the Nine Heavens God.

Swish!

Hearing Dong Zang's bad words, Gong Ao's face instantly turned gloomy, and he said coldly, "Keep your mouth clean." To

be honest, Gong Ao has an arrogant personality. Still held back.

After all, Gong Ao had been completely abandoned by God Domain, and was even chased by the Nine Heavens God. The situation he faced at this time was nowhere to go, so he didn't want to have any grudges with the Demon Race.

However, Dong Zang did not intend to let Gong Ao go easily.

"Haha."

Seeing the anger on Gong Ao's face, Dong Zang sneered and continued to super trick: "Calling you a dog is already flattering you, and I will cut off your head to pay homage to the undead of the dead soldier. ." The

voice fell, and Dong Zang urged the power of the demon soul to rise into the air.

Dong Zang is not a reckless person, but seeing that Gong Ao has no companions, he thought he was also sent by the Nine Heavens God to check the situation of the False Mountain, and he couldn't help it at that time.

Moreover, Dong Zang felt that Gong Ao's breath was a little weak, and it seemed that he had been injured before. In this case, he was even less afraid.

In Dong Zang's heart, as long as he kills Gong Ao, he can not only vent his anger, but also go back and ask for credit to His Excellency Mozun.

Simply kill two birds with one stone.

hum!

The moment he rose into the air, Dong Zang suddenly raised his hand and clenched a long black knife. At the same time, a powerful aura burst out from his body. Gong Ao came.

Mad!

Seeing that Dong Zang made a move, Gong Ao frowned secretly, shocked and angry.

Chapter 4193

Seeing that my strength has not fully recovered, this guy wants to bully people?

But... a little devil general, I haven't paid attention to it yet.

“I don’t know about life and death.”

Thinking to himself, Gong Ao’s face showed a trace of disdain, and there was no nonsense at all. After speaking coldly, he heard a crisp sound, the golden spear flickered, and was firmly grasped by Gong Ao in his hand. .

This...

Seeing this scene, Wei An, who was standing not far away, was inexplicably anxious, and at the same time wanted to discourage him, but his actions were not very convenient, so he could only watch and worry.

More importantly, after Wei An joined the Demon Race, everything was very careful, for fear of being caught by the Demon Venerable or Mo Yan.

So when he saw Gong Ao just now, Wei An was very flustered, because he and Gong Ao had joined forces to deal with Yue Feng, and they were allies, but this kind of thing should not be known to the demons.

After all, Gong Ao is a famous person beside Jiutian God, once let the demons know, he and Jiutian God’s subordinate alliance, the fate can be imagined.

At this time, Wei An was thinking about this, his eyes fixed on both sides, and he hoped that Dong Zang would successfully kill Gong Ao.

As long as Gong Ao died, no one would know about his alliance with him.

But Wei An also knew that his ideas were somewhat unrealistic.

You must know that Gong Ao is the commander of Yutian Palace after all, and he is powerful. He fights alone, and Dong Zang is not an opponent.

“Death to me.”

This is, Gong Ao shouted loudly, swung the golden spear violently, and heard a scream, and then, a golden beam ripped apart the sky and burst out towards Dong Zang in the air.

What?

Seeing the power of this golden light, Dong Zang’s face changed greatly, and he suddenly panicked.

He never imagined that Gong Ao, who was not at his peak, looked so tired, and could burst out with such a powerful force.

He regrets a little, regrets being reckless just now.

However it was too late.

Jin Mang was like thunder and lightning. At that time, Dong Zang wanted to dodge, but it was too late, and he was directly hit.

“Ah...”

Under the roar, I heard Dong Zang let out a miserable howl, and was directly shot and flew out. The figure sprinkled a rain of blood in the air, and I could clearly see the position of the demon soul on his body. He was pierced through a hole the size of the mouth of a bowl, and blood kept spraying out.

That's right, Gong Ao's shot directly pierced through his demon soul.

Pfft!

Dong Zang flew more than 100 meters, and finally hit one of the huge statues, only to hear the sound of bones shattering, and then slide down like mud.

When he finally landed on the ground, Dong Zang's pupils dilated, staring at the sky, no longer breathing.

Hiss...

Seeing this scene, Wei An couldn't help gasping for air, completely stunned there.

This Gong Ao is really strong.

In shock, Wei An stared at Gong Ao who was suspended in mid-air, and couldn't help sighing inwardly.

“Young Master Wei An.”

At this moment, Gong Ao's eyes flashed, and he looked at Wei An with a half-smile but not a smile: “Don't be alright.” Wei Anji smiled and said unnaturally, “Commander Gong, too. The style remains the same.”

Hehe...

Gong Ao chuckled lightly, looked at Dong Zang's corpse not far away, and said lightly, “I didn't expect that Young Master Wei An would become a member of the Demon Clan after not seeing him for a few days.”

“Just now . When I fought against him, did Young Master Wei An really want me to be killed? In this way, you can go back with him and ask the Demon Venerable for credit.”

When he said this, Gong Ao’s eyes flashed gloomily.

Gong Ao’s palace is very deep, although Wei An has not spoken just now, but from the change in his expression, Gong Ao can guess Wei An’s general thoughts.

Uh...

Wei An was very embarrassed when his mind was revealed, but he still pretended to be nonchalant and chuckled, “Why did Commander Gong say this? You and I used to be in an alliance, my own people, how could I want you to die? ?”

While speaking, Wei An paid attention to the change in Gong Ao’s expression.

Wei An realized that Gong Ao didn’t immediately take action against him, he must have other goals.

Hearing the answer, Gong Ao showed a smile, his tone softened, and he asked, “Okay, I was just joking just now, Young Master Wei An, don’t mind.”

After speaking, Gong Ao looked at Wei An’s prosthetic limb, so he asked. Tsukuru asked in surprise, “Huh? What happened to your leg?”

Chapter 4194

Speaking of which, Gong Ao didn’t want to be so polite to Wei An, but now he has nowhere else to go. Since Wei An has joined the Mozu, he thought of letting Wei An be an introducer and introduce him to Mozunge nirvana.

Gong Ao thought about it, fleeing in this state, sooner or later, he would be caught by the Nine Heavens God, and at that time, it would be the end of his soul and soul. It is better to break the cauldron and sink the boat and directly rely on the demons.

However, in the previous battle at Yutian Palace, the Demon Race suffered heavy casualties, and the entire Demon Race almost hated the Divine Realm. killed.

After all, in the concept of the Demon Race, Gong Ao is the right-hand man of the Nine Heavens God.

So the best way is to find a referrer.

And Wei An in front of him is undoubtedly the most suitable candidate.

Ugh!

At this moment, in the face of Gong Ao's question, Wei An sighed and said fiercely, "It's not because of Yue Feng." After that, Wei An explained the situation in detail.

At the end, Wei An couldn't hide his grief and anger: "Yue Feng has hurt me so badly, I can't wait to have him cramped and skinned, but fortunately, in the end, Your Excellency Mozun killed him directly. Yue Feng's corpse is being sealed The top of the magic mountain burned to ashes."

Yue Feng died?

Hearing this, Gong Ao was stunned for a moment, and then he looked up to the sky and laughed.

"Hahaha..."

Gong Ao at this time was indescribably comfortable: "Yue Feng, Yue Feng, you stole my Princess Dongling, but in the end, you still suffered retribution, the sky has eyes, it's really the sky You have eyes."

Seeing his complacent look, Wei An's eyes flickered, and he said lightly: "Commander Gong, Yue Feng is dead, we have no worries, I should have had three drinks with you, but there are still important things to do, So we can't accompany each other, we will have a date later." After the

last word fell, Wei An was about to turn around and leave.

Wei An is a smart person. He knows that the alliance with Gong Ao was entirely because of Yue Feng, but now that Yue Feng no longer exists, the alliance no longer exists.

In Wei An's heart, he had taken refuge with the Demon Race, and Gong Ao belonged to the God's Domain, so naturally he couldn't stay for long.

More importantly, Gong Ao killed a demon general just now.

"Wait a minute!"

Gong Ao shouted after just a few steps, and said with a smile, "Young Master Wei An, why are you leaving in such a hurry?" We still have to rely on Wei An as an introducer, so how could he let him go so easily? ?

call!

Hearing the call, Wei An took a deep breath and stopped: "Do you have anything else to do, Commander Gong?"

“Young Master Wei An.”

Gong Ao smiled, walked slowly, and said slowly, “You lost your legs, even if you lost your legs. I joined the Demon Clan, and the situation I’m facing isn’t that good, right?”

“Why do you say that?” Wei An frowned.

Hehe...

Gong Ao’s mouth twitched, and he said slowly, “As far as I know, the Demon Clan highly respects force, and always respects the strong. Whoever is strong can be respected, and you...

” At this point, Gong Ao deliberately looked at Wei An’s pair of prosthetic limbs: “Without both legs, it is equivalent to a waste person. No matter how loyal you are in your heart, it is estimated that you will not get any of the demons, right?”

Shuh!

Hearing this, Wei An’s face changed instantly, his eyes were a little blood red, and his heart was full of anger.

That’s right, Gong Ao’s words struck his pain at once.

These days, after Wei An joined the Demon Race, he has always been very focused, diligent and diligent in everything, but because he lost his legs, he encountered the eyes of many Demon Race warriors.

And in the Demon Lord Gone and the Twelve Holy Demon Kings, Wei An didn’t get the slightest appreciation.

Wei An was very troubled by this, but could not do anything about it.

However, these were all suppressed by Wei An in the depths of his heart. At this time, when Gong Ao said it directly, and bluntly said that he was a waste, how could he not be angry?

For a time, Wei An became more and more angry, unable to restrain his emotions any longer, and said coldly to Gong Ao: “Commander Gong, what do you mean?”

Phew...

Seeing Wei An’s angry face, Gong Ao didn’t panic at all, laughing. Hehe said: “Master Wei An, what I said is the truth, don’t be angry, and don’t take it to heart.”

Chapter 4195

“I just want to tell you that with your current state, it is very difficult to occupy a seat in the Demon Race.”

“The only way is to have a friend to support each other with you. “

Support each other?

Wei An furrowed his brows, only to feel that his mind was even more confused: “It’s easy for you to say, the demons are very xenophobic, and I’m alone, where is my friend?”

Gong Ao smiled and pointed to himself: “Of course it is Me. Are we allies after all?”

What?

At this moment, Wei An was completely blinded, looking at Gong Ao for a long time, unable to speak.

Finally, after dozens of seconds, Wei An reacted: “You...you want to join the Demon Clan like me?” Wei An shook his head subconsciously after he finished speaking.

impossible.

This Gong Ao is a famous person beside Jiutian God, how could he join the Demon Race?

The only explanation is that he is pretending to take refuge, the purpose is to inquire about the news inside the Demon Race.

“Not bad!”

Seeing Wei An’s face changing, Gong Ao nodded and said seriously: “To be honest, I have been expelled from the God Realm, and I have been hunted down by the Nine Heavens God.

” Introduce someone, help me introduce.” “At that time, we will be in the Demon Race together, we will be our own people, we will support each other, and with me, you are not afraid of being laughed at by those

Demon Race, right?”

, Gong Ao looked serious and sincere.

In fact, he never thought of supporting each other with Wei An, but only wanted to use Wei An as a springboard to join the Demon Race safely.

As long as you join the Demon Race, you won't be afraid of being chased by the Nine Heavens God.

What?

At this moment, Wei An froze there, only feeling his brain buzzing.

Gong Ao was hunted down by the Nine Heavens God?

No wonder he appeared on the False Mountain alone.

Under the shock, Wei An quickly reacted and smiled at Gong Ao: "I really didn't expect that, the dignified Gong Ao commander, the popular man beside the Nine Heavens God, will one day become a bereaved dog."

Wei An has a sinister personality, Jie Ji must report, just now Gong Ao said that he was a waste, so he held a grudge in his heart. At this moment, he came back with such a good opportunity and taunted him without hesitation.

Moreover, Wei An knew that at this time Gong Ao had something to ask of him, and even if he mocked him, he would not dare to do anything.

Swish.

When the voice fell, Gong Ao's face suddenly became ugly, and his heart was very angry.

Mad, Wei An, this waste, he has become a lackey of the Demon Race, how dare you humiliate me?

Although he was angry, Gong Ao didn't show it, but smiled awkwardly. Because Wei An's guess was good, Gong Ao wanted to ask him, even if he was angry, he had to endure it.

"Yeah!"

At this moment, Gong Ao forced back his unhappiness and forced a smile at Wei An: "Young Master Wei An is right, I'm like a lost dog now, the Nine Heavens God is stubborn and proud of himself. Big, it is no longer worthy of my allegiance."

After speaking, Gong Ao's eyes flickered with anticipation: "Now my only way out is to rely on the demons. Brother Wei An, we have been allied with each other. If we are our own people, just help me. How about a handful?"

"As long as you can help me recommend, I, Gong Ao, are very grateful."

The last sentence fell, Gong Ao looked at Wei An closely, waiting for his answer.

Huh...

Wei An pondered for a moment, then smiled slightly: "Commander Gong, you look down on me too much, although I joined the Demon Clan, I am a gentleman and have no right to speak, let alone status. It's not what you think. , you can see if you want to see the Demon Venerable." After

speaking, Wei An looked up and down at Xia Gongao and continued: "Besides, the Demon Race was defeated in the previous battle at Yutian Palace, and so many soldiers were injured, the Demon Venerable will not accept it. Yours, on the contrary, when I see you, I will kill you without hesitation."

"So, you should hurry up and leave, forgive me what I can do."

After saying the last sentence, Wei An turned to leave without looking at Gong Ao. .

Wei An was not stupid, he knew that Gong Ao just wanted to use himself as a springboard. If he really joined the Demon Race, he would definitely not support each other with him.

Moreover, Wei An is already very difficult among the demons. If he agrees to Gong Ao, wouldn't he have another competitor?

Although Wei An is sometimes reckless, he knows how to survive, so it is impossible to help Gong Ao.

The ultimate husband in Chinese chapter 4196-4200

Chapter 4196

Mad!

At this moment, watching Wei An turn and leave, Gong Ao's face was gloomy, and his heart was filled with anger.

This bastard with a broken leg doesn't even help me?

If you don't join the Demon Race, you have no backing, and sooner or later you will be caught by the Nine Heavens God?

No, you can't sit still like this.

Thinking of this, Gong Ao looked grim, and at that time his heart sank, and he stood up.

hum!

In the next second, Gong Ao's divine power exploded, lightning fast, and a palm slapped directly behind Wei An.

Gong Ao thought about it, since Wei An refused to help, he would just get rid of him.

"You..."

Wei An was taken aback when he felt the movement behind him, and when he turned back to see Gong Ao bursting out, he was even more shocked, and said angrily, "Gong Ao, what are you going to do?"

"Gong Ao was really insidious, and even attacked from behind.

"Young Master Wei An." The corner of

Gong Ao's mouth rose slightly, unable to hide the ruthlessness and madness in his heart: "I ask you the truth, but you refuse to help at all, so you can't blame me." The

last word Falling down, Gong Ao quickened his speed and slapped it with a palm.

This chapter is provided by . Visit for daily update.

"I'm afraid you can't do it?"

Wei An was frightened and angry, subconsciously wanting to dodge, but both of his legs were prosthetic limbs, so he couldn't move at all, so he couldn't dodge at all.

boom!

This palm slammed hard on Wei An, and then heard a dull sound, Wei An trembled, was directly knocked back dozens of steps, and finally hit a tree and stopped.

Gong Ao didn't use all his strength, otherwise, Wei An would be dead at this time.

"You..."

At this time, Wei An leaned on the book, only felt the blood in his body churn, and looked at Gong Ao in shock and anger: "If I don't recommend you, you will kill me? Kill me, It won't do you any good."

When he said this, Wei An was a little flustered in addition to anger.

He never thought that Gong Ao would be so ruthless, that he would be allied with him anyway, and he even said that he would do it.

At the same time, there are still some doubts in my heart.

Wei An clearly felt that Gong Ao's palm didn't explode with full power, otherwise, he would have died.

Could it be that... Gong Ao just wanted to teach himself a lesson?

Thinking of this, Wei An quickly said: "Commander Gong, it's not that I won't help you, but I really don't have a position in the Demon Race, so let's go back and have a look first, find an opportunity, and I'll recommend you to Demon Venerable, how?"

Speaking of which, Wei An didn't want to compromise with Gong Ao, but if he didn't compromise, he would die.

"Haha!"

In the face of Wei An's request, Gong Ao's face was full of contempt, and he sneered: "Young Master Wei An, you don't have to lie to me, you have never thought of helping me, why should you pretend to agree?"

Saying that, Gong Ao's eyes flashed coldly, and he continued: "Want to know why I didn't kill you immediately? Because, your body is still useful to me."

What? !

Hearing this, Wei An was inexplicably uneasy, and said in shock, "You... what do you want?"

Gong Ao's eyes flashed with playfulness, and he said word by word, "I thought about it just now, since you won't help me. , I had no choice but to occupy the dove's nest and use your identity to join the Demon Race."

"You should have heard that in the Imperial Palace, there is a forbidden technique called 'spiritual immersion'. Specifically, I destroy your soul consciousness, and then integrate my soul consciousness and primordial spirit into your body. Nai, at that time, I will become you, and no one will know."

"Although your body has broken a pair of legs, it is still barely usable."

"And my body will naturally be brought back to the devil. Respect for the credit."

"In this way, I not only used your body to save a life, but also used my body to take credit for Li Xia of the Demon Race, killing two birds with one stone, what do you think?"
At the

end, Gong Ao's face was full of expressions. crazy.

crazy!

This Gong Ao is simply a lunatic.

Hearing this, Wei An was both angry and panicked, but he felt shivering all over, and cold sweat broke out.

You can think of such a terrifying way, this Gong Ao is even more terrifying than the Demon Race.

In panic, Wei An almost cried: "Commander Gong, please give me a chance, I will definitely recommend you, I..."

Thinking that Gong Ao was about to occupy his body and become himself, Wei An Not shudder.

Ugh!

Gong Ao didn't listen to Wei An's plea at all. He shook his head and said, "Forget it, if you recommend me, I have to risk being killed. This is the best way to do it once and for all."

Chapter 4197

Papa... After the

voice fell, Gong Ao shot like electricity, his Yuan turned divine power, and sealed several big acupoints on Wei An's body. At any time, Wei An's body trembled, and he couldn't move.

"Gong Ao, you scum..."

He couldn't move, Wei An was so frightened that he was about to scold loudly, but as soon as he scolded a few words, he saw Gong Ao muttering words, and then put his hands on Wei An's on the head.

hum!

For a while, Wei An only felt his whole body tremble, and then a terrifying force poured into his body.

That's right, Gong Ao has already begun to perform 'Spirit of the Spirit'. The first step is to destroy Wei An's soul consciousness. After the soul consciousness is destroyed, Wei An becomes a body without a soul.

Under the crushing force of that force, Wei An only felt that his consciousness became blurred and ethereal.

“You won’t have a good end...”

“Ah...” The

soul consciousness was gradually destroyed, and the unspeakable pain continued to invade Wei An’s soul. For a time, Wei An kept cursing. write.

At first, he scolded fiercely, but gradually, his voice became weaker.

In the end, Wei An’s eyes became empty.

puff.

Finally, after the soul consciousness and soul were completely destroyed, Wei An’s body fell softly to the ground.

call!

At this moment, Gong Ao took a deep breath, the corners of his mouth raised a trace of cruelty, and said to himself, “Wei An, I don’t want to do this either, but in order to save my life, I can only sacrifice you.”

As soon as the words fell, Gong Ao continued to use the forbidden technique of ‘falling into the spirit’, allowing his soul consciousness and primordial spirit to escape from the body, and then slowly merged into Wei An’s body.

Buzz...

For a while, I saw strange forces circling around.

If there was someone next to him, he would definitely be shocked when he saw this scene. Gong Ao’s soul consciousness and primordial spirit gradually emerged from his body, and then slowly entered Wei An’s body...

I don’t know how long it took, Gong Ao finally successfully integrated into Wei An’s body.

“Haha!”

At this moment, Gong Ao slowly stood up and couldn’t help laughing up to the sky. Although this body with a broken leg didn’t feel very good, at least he didn’t have to worry about being chased by the Nine Heavens God.

After laughing a few times, Gong Ao dragged his original body and strode away.

Gong Ao didn't know where the temporary resting place of the demons was, but he believed that the fact that Wei An and Dong Zang could come to the False Mountain to investigate just now proved that their camp was not far away.

call!

I don't know how long it took, Gong Ao finally found the demon camp when he was out of the valley. He took a deep breath and walked over quickly.

wow.

At this moment, seeing Gong Ao dragging a corpse, the demon warriors patrolling around immediately surrounded him.

"This...isn't that Gong Ao? A subordinate beside the Nine Heavens God."

"Dead?"

Under the discussion, these demon warriors didn't realize that the 'Wei An' in front of him was occupied by Gong Ao. The body is no longer the Wei An before.

Seeing that these demon warriors had no doubts, Gong Ao was very excited.

Haha..

This forbidden technique of 'falling into God' is really powerful.

Thinking to himself, Gong Ao exchanged a few words with a few demon warriors and went straight to the big tent.

A few minutes later, in the big account.

Demon Lord Gone sat there without the slightest fluctuation on his face, and his whole body was filled with a palpating aura.

Moyan and Yutian, as well as the other holy demon kings, all looked awe-inspiring on both sides of the station.

Gong Ao knelt there with a respectful face, with his original body beside him.

"Wei An."

At this moment, Mo Yan spoke first, looking at Gong Ao and asking, "What's the matter? Where is Dong Zang who went out with you?" The

voice fell, and the eyes of Demon Lord Gone and the other holy demon kings, They all looked at Gong Ao closely, waiting for his answer.

At this time, whether it was the Demon Lord Gone or the Twelve Holy Demon Kings, there was nothing wrong with the 'Wei An' in front of him.

“Return to Your Excellency the Demon King.”

Gong Ao took a deep breath and said politely: “Just now, Dong Zang and I went to investigate the False Mountain, and we happened to meet this Gong Ao, so we started directly at that time, Dong Zang was defeated by Gong Ao and was defeated by Gong Ao. Kill him. I took advantage of Gong Ao's weakness and killed him.”

After speaking, Gong Ao made a very frightened look: “This subordinate is incompetent and failed to save Dong Zang's life, please punish him.”

Chapter 4198

Call!

Hearing this, Mo Yan breathed a sigh of relief, and her delicate face showed a bit of doubt: “How can this Gong Ao suddenly appear in the False Mountain?”

Mo Yan was very surprised at this time.

You must know that Gong Ao is very powerful. Wei An and Dong Zang joined forces to kill him.

She just wanted to know, how could Gong Ao appear here.

After all, Gong Ao is a popular man beside the Nine Heavens God. If he suddenly appeared in the False Mountain, will he be followed by the God Realm army?

“Back to the Demon King.”

Hearing the question, Gong Ao's mind turned quickly and responded: “We started fighting when we met, I don't know why this Gong Ao came to the False Mountain, but according to my guess, it should also be sensed. I came to check the situation from the previous tremors of the False Mountain.”

Gong Ao was very thoughtful and knew the truth that too much words must be lost, so he didn't explain too much.

Hearing the answer, Mo Yan nodded and stopped asking.

“Wei An.”

At this time, the silent Demon Venerable looked at Gong Ao and said slowly, "This Gong Ao has a very high status in the Divine Realm. If you can kill him, it can be regarded as our defeat before. Out of anger."

After speaking, the Demon Lord Gone smiled slightly: "This time you have made a contribution, and I will make you the Xuanwu General. I hope you will serve more of our Demon Race in the future."

At this time, the Demon Lord was not yet You know, it's not Wei An at all, but Gong Ao.

"Thank you, Your Highness."

Gong Ao was overjoyed and hurriedly bowed.

Heart is also indescribable excitement and excitement.

Hahaha...

This forbidden technique of 'spiritual immersion' is really easy to use, and even the Demon Venerable didn't notice it.

"That's right!"

At this moment, Demon Lord Gone thought of something, looked at Gong Ao and asked: "You were in the False Mountain just now, besides fighting against Gong Ao, what else did you see? Why did the vision of heaven and earth appear at that time? "

Go back to your honor."

Gong Ao was stunned for a moment, and quickly replied: "Beside the False Mountain, there are two huge statues..." After speaking, he explained the scene he had seen before in detail.

At the end, Gong Ao pondered and said, "My subordinates guess that those two statues should be masterpieces of immortals outside the sky, because other than immortals outside the sky, it is impossible for others to create such a big scene in such a short time. It will not trigger a vision of heaven and earth."

Immortals from outside the sky?

Hearing this, Demon Lord Gone frowned, suddenly thinking of something, his eyes flashed.

Could it be that Jade Child Immortal Weng?

....

on the other side.

“Fairy Pipa, wait...”

High in the sky, Yutong Xianweng took Princess Dongling and flew all the way, and finally caught up with Fairy Pipa.

Um?

Seeing this, Pipa Fairy Xiumei frowned, slowly landed, and asked Yutong Xianweng, “Is there anything else?” Huh

!

Yutong Xianweng took a deep breath, held the Tianqingzhu in his hand, and shook it: “I’ll give you this Tianqingzhu.”

Fairy Pipa was stunned: “This is what you won, why don’t you want it?”

Saying that, Fairy Pipa looked at Princess Dongling: “Aren’t you going to help her rebuild her primordial spirit? What? You have to give up now?”

“Why would I give up?”

Yutong Xianweng shook his head with a serious face. I just won disgraceful just now.”

Said, Yutong Xianweng looked at Fairy Pipa closely, and said excitedly: “Tell me, why did you deliberately lose to me just now? Are you afraid that I will lose face? Can I, Yutong Xianweng, not be able to lose?”

“No, we have to compete.”

When he said this, Yutong Xianwen was angrily.

He has a very strong self-esteem and knows that Fairy Pipa deliberately lost to him, so he can’t calm down.

Seeing him being a scoundrel

, Pipa Fairy couldn’t help laughing and laughing, and said softly, “How could I deliberately lose to you? Stop fooling around, I still have something to do.”

“Why am I fooling around?”

Yutong Xianweng suddenly became anxious, raised his finger and pointed at Princess Dongling: "She said it, just now she saw you at the end of the competition and deliberately stopped, you said, did you deliberately lose to me ? "

"Do you think I can't compare to you? You look down on me..."

Alas!

Hearing this, Fairy Pipa was very helpless and gave Princess Dongling a speechless look.

This girl is really interesting. I lost on purpose, so that you can get the Sky Blue Pearl, so that you can reshape the soul, you'd better, and tell the situation.

Chapter 4199

Feeling Fairy Pipa's gaze, Princess Dongling was very embarrassed, her face turned slightly red, and she lowered her head.

At the same time, I couldn't help but cry.

At this time, Princess Dongling did not expect that Yutong Xianweng was so determined to win, knowing that the opponent had lost intentionally, he would catch up and ask Fairy Pipa to try again. "Don't you have anything to say

?"

At this time, Yutong Xianweng looked like she was holding the opponent's handle, and smiled at Fairy Pipa: "The competition just now doesn't count, let's have a competition."

Sky Qingzhu threw it over.

"Wait."

However, Fairy Pipa stopped Yutong Xianweng, her delicate face was full of seriousness: "I can promise you, let's compete again, but you must accept this Tianqingzhu first.

" Why?" Yutong Xianweng was puzzled.

Fairy Pipa pointed at Princess Dongling: "Because she needs this thing."

After saying that, Fairy Pipa looked at Yutong Xianweng closely: "Don't you want a real competition? I can promise you, I don't want to release water on purpose, but Tianqingzhu, you must accept it."

“Okay!”

Yutong Xianweng was silent for a few seconds, then nodded, then turned his head towards Princess Dongling and said, “Daughter, you can make it happen. Fairy Pipa is so attentive, it’s really a blessing from her previous life. Since she insists on giving it to you, you can take it.” As he

spoke, he handed the Tianqingzhu to Princess Dongling.

“Thank you, senior.” Princess Dongling took the Sky Blue Pearl and smiled happily.

Immediately, Princess Dongling thanked Fairy Pipa again: “Thank you Fairy.”

Fairy Pipa smiled lightly, indicating that you are welcome.

“Okay, okay.” At this time, Yutong

Xianweng couldn’t wait to say: “What is the competition this time? If there is no bet in the competition, it will be very boring. Let me see what good things I have on me.”

Tong Xianweng began to rummage through his pockets, and after a while, he took out a colorful Ruyi.

I saw the colorful Ruyi, the whole body was lustrous, and there was a charming luster.

“This is made of colorful jade. Colorful jade is rare in the world, and it can be regarded as a rare treasure.” Yutong Xianweng said with a smile.

Um!

Fairy Pipa nodded, then thought about it, and took out a jade bottle from her body.

Swish!

At this moment, the gazes of Yutong Xianweng and Princess Dongling suddenly converged on the jade bottle. They saw that the jade bottle was delicate in texture, and it was also a good treasure. However, it was the inside of the jade bottle that attracted the attention. A strange flame jumped up and down.

Yes, this fire is the soul of Yue Feng.

In Fengmo Mountain before, Yue Feng was killed by Demon Zun Gone. At that time, he wanted to use the flame of Bird Ancestor’s power to regenerate Pan Nie, but when Demon Zun Gone noticed it, he shot again and destroyed the flame of Pan Nii, but It is still a hundred secrets, and a ray of Yue Feng’s soul escaped by luck.

Later, Fairy Pipa happened to pass by and saw the flames that were transformed by the spirit. At that time, she thought it was interesting and put it in the jade bottle.

Such a strange flame.

At this moment, both Yutong Xianweng and Princess Dongling were extremely curious.

“Jade boy fairy.”

This is, Fairy Pipa’s red lips lightly opened, and she said, “I don’t have any other treasures on my body, only this jade bottle, the flame in the jade bottle, which I got on the Mountain of Sealing Demons. I thought it was very interesting at the time, so I put it away. Inside the jade bottle.”

“If you think you can, let’s start.”

When she said this, Fairy Pipa’s delicate face was full of seriousness.

Because anyone with a discerning eye can see that these two bets, Yutong Xianwen’s colorful Ruyi is obviously rarer, while the jade bottle of Pipa Xianzi is very common.

The only interesting thing is the flame inside.

“Hurry up.”

Immediately after he finished speaking, Yutong Xianweng couldn’t help urging. In his heart, it didn’t matter whether the bet was precious or not. What was important was that he could compete fairly and impartially with Fairy Pipa.

“What do you want to compare this time?” Fairy Pipa asked with a slight smile.

“Let me think about it.” Yutong Xianweng responded, handing over the Qicai Ruyi and the jade bottle to Princess Dongling, and then began to ponder.

Chapter 4200

“Think about it, I don’t have time to make trouble with you.” Fairy Pipa shook her head and smiled bitterly, and couldn’t help but urged gently.

Buzz!

As soon as he finished speaking, he sensed a powerful aura coming from not far away.

Sensing this breath, both Yutong Xianweng and Princess Dongling couldn’t help but turn their heads to look.

hiss!

Seeing this, Princess Dongling couldn't help but take a deep breath!

I saw nearly 20,000 demon warriors coming in a mighty manner. In front of these demon warriors, it was the Demon Lord Gone and the Twelve Holy Demon Kings.

At this time, the Demon Lord Gone, suspended in mid-air, was majestic and had an amazing aura.

Oops!

Seeing the Demon Lord Gone, Princess Dongling trembled in the suburbs and was flustered.

Princess Dongling can't forget that at the wedding with Princess Dongling, the Demon Lord Gone suddenly appeared, kidnapped him, and then destroyed his own primordial spirit. If it wasn't for Yutong Xianweng passing by, the consequences would be unimaginable.

In Princess Dongling's heart, she already had a shadow on Demon Venerable, and when she saw him again at this time, her soul would tremble.

"Girl!"

At this time, Demon Lord Gone's eyes were fixed on Princess Dongling, and his tone was filled with incomparable contempt: "My life is really big, the primordial spirit has been destroyed, and it has not died yet.

" In his proud mouth, when he learned about the situation on the False Mountain, Mozun Gone guessed that it might be the Jade Child Immortal. 's whereabouts.

call!

Feeling the powerful breath of Demon Lord Gone, Princess Dongling pretended to be calm and did not respond, but her delicate face was extremely pale.

Princess.

At this moment, Gong Ao, who was in the demon army, stared at Princess Dongling tightly, and was extremely shocked.

Is she not dead?

Although Princess Dongling was taken away from her innocence by Yue Feng, Gong Ao was very resentful and decided to forget Princess Dongling at that time, but when she saw it again, her heart was still hard to calm down.

After all, that was the goddess whom she had adored for so long.

At this moment, Gong Ao wanted to rush over and say hello to Princess Dongling, but thinking that he was using Wei An's identity, he forcibly held back.

Swish!

At this time, the Demon Lord Gone's eyes fell on Yutong Xianweng and Pipa Fairy's, his eyes flashed with complexity: "Yutong Xianweng, Pipa Fairy, it's really rare to meet two people here." The

last time In the battle between gods and demons, a ray of soul-mind of Demon Lord Gone had wandered for nearly ten thousand years outside the nine heavens. During those long years, he had encountered countless immortals from outside the heavens, including Yutong Xianweng and Pipa. Fairy.

What a disappointment.

Yutong Xianweng frowned, looking very displeased, took a step forward and said to Demon Zun Gone: "Demon Gonia, if you pass by, hurry up and don't hinder our competition.

" The Pipa Fairy deliberately released water, which has already made Yutong Fairy very depressed.

And this time, before the competition started, the demons came to make trouble again, which made Yutong Xianweng very annoyed.

Although the Demon Lord Gone is very famous and powerful in the realm of the gods, in the eyes of Yutong Xianweng, it is nothing at all, and his words are naturally rude.

"presumptuous!"

As soon as the words fell, the Holy Demon King Jutian strode out, pointed at Yutong Xianweng and scolded: "Dare to talk to our lord like this, you don't want to live anymore?"

This old man really has no rules at all, and he must be taught a lesson.

I thought to myself, Jutian was about to rush up, but was stopped by the Demon Lord Gone.

“Yutian, step back.” Demon Lord Gone said lightly, his voice was not loud, but there was no doubt.

Yutian took a deep breath, glared at Yutong Xianweng, and backed away.

“It turned out to be the Demon Venerable who was wandering outside the Nine Heavens.”

At this time, Fairy Pipa’s red lips lightly opened, and she said lightly to the Demon Venerable Gone: “I didn’t expect you to reshape the body, it’s really gratifying, Yutong and I. Immortal Weng is reminiscing about the past, if you are okay, please don’t disturb us.”

Fairy Pipa has a weak nature and doesn’t care about the battles in the realm of the gods. At this time, I just thought that my competition with Yutong Xianweng would not be disturbed by the outside world.

Hehe...

Hearing this, Demon Lord Gone smiled slightly, nodded and said, “I won’t disturb the two of you reminiscing about the past, but I will take this girl away.”

The ultimate husband in Chinese chapter 4201-4210

Chapter 4201

Speaking, Demon Lord Gone's gaze fell on Princess Dongling, and his face was gloomy.

If it was a day ago, Mozun Gone would not have made a fuss about Princess Dongling. After all, she is only the daughter of the Nine Heavens God, and she can't commit it, but since yesterday's defeat, Mozun Gone has been holding a fire in her heart.

Seeing Princess Dongling at this time, she naturally wouldn't let it go easily.

Swish!

Feeling the gloomy gaze of Demon Lord Gone, Princess Dongling's tender body trembled, her heart was terrified, and she trembled: "I...I will not go with you."

While speaking, Princess Dongling asked for help. Looking at Yutong Xianweng.

"Gonie."

At this moment, Yutong Xianweng was completely impatient, and shouted at the Demon Lord Gone: "You did it on purpose, didn't you? You asked me to take away this girl before, but now Do you want to take it back again?"

"Not bad!" The Demon Lord Gone's face did not fluctuate at all, and said lightly: "I regret it!"

Mad!

Hearing this, Yutong Xianweng's beard cocked up in anger, and mocked at the Demon Lord Gone: "Gonie, you are still the Supreme Lord of the Demon Race, you don't even need to talk, you don't need your face?"

Shah!

In an instant, Demon Lord Gone's face became extremely ugly. He was the supreme Demon Race, but was scolded in public by an immortal from outside the sky. Where would he put his face in the future?

The more he thought about it, the more angry he became, and he said coldly: "Yutong Xianweng, for the sake of our acquaintance, I don't care about you, and tolerate everything, don't think I'm afraid of you."

"I tell you, This girl, I have to take it away today."

This chapter is provided by . Visit for daily update.

Om!

The last word fell, and a violent and terrifying aura erupted from the Demon Lord Gone, sweeping the world.

However, Yutong Xianweng did not panic at all, and was also provoked at this time, and said with his hands on his hips: "Then I will also tell you, today I am here, you don't want to touch her a finger."

At the same time, Pipa Fairy couldn't see it either. Going down, he took a step forward and said coldly: "Goni, you dignified devil, why can't you get along with a baby girl? Why don't you give me a face, forget it."

Forget it?

Demon Lord Gone's eyes flashed cold and sinister, and he said word by word: "Her father, the Nine Heavens God killed so many of my tribe, this hatred is not shared by the sky, Fairy Pipa, what you say today is useless, I advise you not to meddle in your own business, or don't blame me for being rude."

What a lunatic.

Hearing this, Fairy Pipa knitted her brows tightly, her beautiful face showing a bit of displeasure, she didn't hesitate at that time, she walked over and firmly stood in front of Princess Dongling.

Fairy Pipa disliked this kind of injustice the most. Although she had no friendship with Princess Dongling, the Demon Venerable used her power to bully others, which was really hateful.

Fairy Pipa thought about it. No matter what, she must protect Princess Dongling's well-being.

Haha...

Seeing Fairy Pipa taking the initiative to help, Yutong Xianweng showed a smile and said excitedly: "Fairy Pipa, it seems that we can't compete normally this time, why don't we do this, wait for a fight, let's Compared with whoever has defeated more demon idiots." The

demon warriors are all very powerful, but in the eyes of Yutong Xianweng, they are just a bunch of idiots.

Pfft...

Princess Dongling was nervous at first, but when she heard this, she couldn't help it and pursed her lips and laughed.

Fairy Pipa couldn't help laughing too, her smile was like a flower, she was so beautiful.

Damn...

the Demon Lord Gone on the opposite side is unforgivable.

The twelve holy demon kings behind him were also instantly angry, and they were all so angry.

This Jade Child Immortal Weng is too mad to dare to despise the demon warriors so much, he can't bear it.

"Okay, very good!"

Finally, Demon Lord Gone took a deep breath and roared coldly: "Take this girl for me, if you encounter resistance, kill it."

When he said this, Demon Lord Gone's eyes flashed. Terrifying light. have lost their minds.

He knew that the combined strength of Yutong Xianweng and Pipa Fairy was terrifying.

But they had already given them face just now, and as a result, they toasted and didn't eat the penalty drink, so they had to use the thunder method.

Whoa!

The voice fell, and the twelve holy demon kings erupted one after another, coming towards Yutong Xianweng and Pipa fairy.

At the same time, nearly 20,000 demon warriors also poured in like a tide.

Chapter 4202

Swish!

Seeing this scene, Yutong Xianweng's face suddenly became cold, staring closely at the Demon Lord Gone, and sneered: "Okay, very good, saying you are shameless, you are really shameless, you want to bully more people. There are few people, right, let me tell you, even if you double the number of people today, don't even think about taking this girl away from me." The

voice fell, Yutong Xianweng burst out, a strong breath, Swept across the world, and then greeted the Twelve Holy Demon Kings.

Bang bang bang...

The next moment, I saw Yutong Xianweng's figure as fast as thunder and lightning, constantly shuttled in mid-air, the twelve holy demon kings, almost didn't respond what was going on, there were six or seven, directly After being shaken out, they all turned pale.

Hiss...

At this moment, whether it is Mo Yan or Yutian, it is extremely shocking.

The strength of this Jade Child Immortal Weng is too terrifying. The Twelve Holy Demon Kings united, but they couldn't suppress him, but were so easily shaken back by him.

Seeing this situation, Demon Lord Gone's face instantly became ugly.

"Yutong Xianweng." The

next second, Demon Zun Gone stared at Yutong Xianweng, and said word by word: "I know you are very strong, but today, the deity is bound to win."

Om!

The voice fell, a powerful breath permeated from the Demon Lord Gone, and then the figure drew a black trajectory, suddenly raised his hand, and hit Yutong Xianweng with a palm!

Speaking of which, Demon Lord Gone held his own identity and never thought of taking action in person, but seeing the Twelve Holy Demon Kings, he couldn't suppress Yutong Xianweng at all, and he couldn't help it.

Seeing the explosion of the Demon Lord Gone, Yutong Xianweng did not panic at all, but was extremely excited and shouted: "Gonie, you have finally shot, I have been waiting for you."

The competition with Fairy Pipa was disturbed . , Yutong Xianweng has long been holding his stomach, and he has long wanted to teach Mozun Gone a lesson, and seeing him take the initiative to rush up at this time is exactly what he wants.

The voice fell, Yutong Xianweng rose into the sky, and in the high sky, he fought fiercely with Demon Lord Gone.

Hula...

At this moment, nearly 20,000 demon warriors also rushed to the front.

Faced with this situation, Fairy Pipa bit her lip lightly, and her delicate face did not fluctuate in the slightest: "You demons want to win by having more people, but you underestimate me too much."

After saying the last sentence, Fairy Pipa was graceful. Get up and rush directly into the crowd.

This...

Seeing this situation, Princess Dongling, who was standing behind, bit her lip, unable to express her anxiety.

She knew that Yutong Fairy and Pipa Fairy were both very powerful.

But no matter how strong they are, they are only two people. How can they deal with the Demon Lord Gone, the Twelve Holy Demon Kings, and nearly 20,000 Demon Warriors at the same time?

Thinking to herself, Princess Dongling really wanted to help out, but now that she has no primordial spirit, she can only watch in a hurry.

"Baby girl."

Seeing Princess Dongling's anxious look, Fairy Pipa shouted while dealing with the demon warriors, "You step aside first and put away the Tianqingzhu." The

voice was not loud, but there was no doubt about it.

Tian Qingzhu can help Princess Dongling and rebuild her primordial spirit. If she loses it, it will be difficult to find another one.

call!

Hearing this, Princess Dongling breathed a sigh of relief, and quickly put away the Tianqingzhu, as well as the colorful Ruyi and jade bottle, and quickly stepped aside to watch the situation anxiously.

"Boom!"

At this moment, I saw that in the sky, the fight between Demon Lord Gone and Yutong Xianweng became more and more intense. I saw Demon Lord Gone raised his hand and collided with Yutong Xianweng's palms!

In an instant, a loud noise came out, and at the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Immediately afterwards, I saw Demon Lord Gone's face pale and groaned, and his figure was knocked back dozens of steps in the air. As for Yutong Xianweng, his face changed slightly, and his figure stood there proudly, as stable as a rock.

Obviously, with this palm down, Demon Lord Gone suffered a loss.

Speaking of which, if the Demon Lord Gone was in his peak state, he would never be so embarrassed. The next day, he went to investigate the whereabouts of the demon clan, and the Demon Lord Gone was almost physically and mentally tired.

In this case, facing the peak state of Yutong Xianweng, it is naturally not an opponent. mad.

At this moment, Demon Lord Gone stabilized his figure, glared at Yutong Xianweng, and was secretly shocked.

Chapter 4203

You must know that since the reshaping of the body, his strength has not been what it used to be. Even if he is not in the peak state, it is more than enough to deal with Yutong Xianweng, but the palm just now did not fight the opponent.

"Yu Tong Xian Weng."

Under the shock, Demon Lord Gone said coldly: "I didn't expect that over the years, your strength has reached such a state, not bad." The voice fell, Demon Lord Gone flashed, and again Rush over!

"If you want to fight, fight, what nonsense!" Yutong Xianweng snorted coldly, without fear, and directly attacked!

Boom....

In the next few seconds, I saw the silhouettes of both sides, constantly shuttled in mid-air, maybe the Demon Lord Gone was too impatient, and there were many flaws in the fight.

Naturally, Yutong Xianweng will not miss the opportunity to use these flaws to suppress the Demon Lord Gone.

"Your Highness, let's help you."

Seeing this, the Twelve Holy Demon Kings who were resting for a while rushed over with howling, and together with Demon Lord Gone, they tightly surrounded Yutong Xianweng.

Hehe...

In the face of this situation, Yutong Xianweng did not panic at all, but became more and more excited, and said with a big laugh: "You demons are like this, fighting alone is not an opponent, so you want to use the wheel to fight, but this Order someone, the old man has not paid attention to it yet." The

voice fell, Yutong Xianweng suddenly raised his hands, and the wind was surging above his head, the wind was howling, and the surrounding air was twisted, like the end of the world.

It is Yutong Xianweng's stunt 'reversing the world'.

"Dangdangdang!"

In the face of Yutong Xianweng's stunt, Demon Lord Gone, plus the Twelve Holy Demon Kings, was a little busy for a while, but still couldn't gain the slightest advantage!

on the other side of the battlefield.

Facing the constant charge of the demon warriors, Fairy Pipa's delicate face did not fluctuate in the slightest, and her figure was like an elf at night, dancing up and down in the army.

However, there are too many demon warriors. The next group fell, and another group rushed up.

Facing this situation, Fairy Pipa was calm on the surface, but a little anxious in her heart.

Can not be done.

Continue like this, the other party will catch the girl doll sooner or later.

hum.

Under the anxiety in her heart, the Pipa Fairy suddenly had an idea, her delicate body flashed, she rushed into the air, pulled out the Pipa on her back, and put her jade hand on it.

In the next second, a melodious and peculiar rhythm came out, and I saw this rhythm spread out, and the air within a kilometer radius suddenly distorted and changed.

“What kind of skill is this?”

“Do you want to kill people with rhythm? Haha...”

Seeing this, many demon warriors couldn't help laughing. In their opinion, Fairy Pipa did this like it's like playing a house, and there is no threat at all.

The sound of laughter came, but Fairy Pipa ignored it and continued to play.

The rhythm visible to the naked eye, like ripples, quickly spread around, covering the demon warriors.

What the Pipa Fairy played was her proud stunt 'Tianwai Xianyin'. Tianwai Xianyin has no real damage, but it can disrupt the enemy's soul thinking.

“Ah, my head hurts!”

“Who am I, where am I...”

At this moment, under the harassment of Tianwai Xianyin, many demon warriors held their heads tightly, only to feel a splitting headache, and their minds went blank.

Puff, puff...

A few seconds later, there were thousands of demon warriors who couldn't bear the intrusion of Tianwai Xianyin, and fell to the ground in a coma. The rest who were not in a coma were also in a trance.

This....

Seeing this situation, Gong Ao, who was watching the battle not far away, was stunned, staring blankly at Fairy Pipa in the air, indescribably shocked.

This Pipa Fairy is worthy of being a Heavenly Immortal.

Just playing a rhythm with the lute can achieve such a terrifying effect.

At the same time, Princess Dongling who had retreated to the side was also extremely shocked. At the same time, under the constant intrusion of the rhythm, she also felt a headache and almost fainted.

hum!

It was at this time that Fairy Pipa landed suddenly and patted Princess Dongling gently behind her back: “Quick, take advantage of the opportunity, you hurry up.”

When she said this, Fairy Pipa looked indifferent, but felt a little anxious in her heart.

Chapter 4204

She knows that the situation in front of her seems to be beneficial to her, but if she continues to fight, it is difficult to guarantee that there will be no accidents. The best way is to let Princess Dongling go quickly when the enemy formation is in chaos.

Whoosh!

This palm seems to be fluttering, but it contains extremely strong power. Before Princess Dongling could respond, she felt a strong force coming, and the whole person flew towards the distance.

“Thank you fairy.” Princess Dongling shouted gratefully, and when the last word fell, it was already a thousand meters away.

Princess Dongling was not stupid, she knew that Fairy Pipa did this for her own safety.

hum!

Before Fairy Pipa could respond, she made sure that Princess Dongling had left safely. With a flash of her delicate body, she rushed into the battlefield again.

mad.

Seeing this scene, Demon Lord Gone was instantly furious. He never thought that Fairy Pipa would use this method to send Princess Dongling away.

At this moment, Mozun Gone really wanted to chase, but was entangled by Yutong Xianweng and couldn't get out at all. In a hurry, he shouted at Gong Ao: “Wei An, what are you still doing? Go and chase that girl back to me. If you fail, don't come back to see the deity.”

“Yes, your honor.” Upon hearing the order, Gong Ao was shocked, and quickly responded, and then turned towards Princess Dongling. Chase in the direction it flew away.

At this moment, Princess Dongling is here.

After flying for a few minutes, Princess Dongling finally landed on the ground.

call!

At this moment, Princess Dongling was both excited and emotional.

That Pipa Fairy is so powerful that she can send me so far with one palm.

With emotion, Princess Dongling was still a little worried.

After he left, Senior Yutong and Fairy Pipa, can they escape successfully? After all, what they faced was the Demon Lord Gone and the Twelve Holy Demon Kings.

Forget it, take it one step at a time. Anyway, in my current situation, going back won't help, but instead causes trouble.

Thinking to herself, Princess Dongling put away the azure pearl, the colorful ruyi, and the jade bottle that already contained the essence of fire, and then walked forward. At this time, Princess Dongling didn't know where she was, but she knew exactly where she was. , I must go as far as possible, otherwise, the demons will soon catch up.

However, Princess Dongling did not notice that a figure quietly landed a few hundred meters behind her.

His eyes flickered with complexity, his expression cunning.

It was Gong Ao.

Phew.... I didn't get lost after all.

At the moment of landing, Gong Ao looked at Princess Dongling who was not far in front of him. He was both excited and emotional, and then quietly followed behind.

After a while, Princess Dongling came to the edge of a cliff.

I saw this cliff, surrounded by clouds and mist, and it was almost bottomless. If I accidentally fell, it would be shattered.

In the past, Princess Dongling would not panic at all and could easily fly over the cliff, but now that she has no primordial spirit, she has no way to pass.

Oops!

At this moment, looking at the steepness below the cliff, Princess Dongling was so anxious that she almost cried.

After finally getting out of the danger, she was blocked by a cliff at this time. For a time, Princess Dongling couldn't bear it any longer, and the tears kept coming.

"Father, Queen Mother, Dongling misses you so much, I really want to come back to you... woo woo..."

Since being captured by the Demon Lord Gone, Princess Dongling has suffered a lot, but with her tenacious character, she has been holding back, and at this time, she can't hold it anymore.

While crying, Princess Dongling clenched her pink fist tightly.

At this time, Princess Dongling really wanted to go back to help, but she knew that if she went back, she would die, but she couldn't calm down when she thought that Fairy Yutong and Fairy Pipa were still fighting fiercely with the demons for her own sake.

It's fine if he can't go back to help, and now he's blocked by a cliff.

What use are you for yourself?

Shasha...

Just when Princess Dongling was secretly blaming herself, she suddenly heard a slight footstep behind her.

It's broken, someone is following.

At that time, Princess Dongling's delicate body was shocked, she looked back quickly, and she was stunned.

I saw a man walking slowly with a smile.

Chapter 4205 Wearing

black soft armor, he looks very imposing, but the two prosthetic limbs on his legs are very eye-catching.

It was Gong Ao who pretended to be Wei An.

Huh...

For a while, Princess Dongling panicked in her heart. She seemed calm on the surface, but her delicate body couldn't stop trembling!

This devil's subordinate, found himself so quickly?

It's over, it's over.

"His Royal Highness."

At this moment, Gong Ao showed a smile and comforted: "Don't be nervous, I will not hurt you." As he spoke, Gong Ao's eyes flashed with complicated emotions.

When I learned that Princess Dongling's innocence was taken away by Yue Feng, and the two parties were going to get married, Gong Ao was hit hard, and his heart was almost ashes. In Gong Ao's heart, he thought that he would no longer have any nostalgia for the princess. .

However, when facing Princess Dongling alone at this time, Gong Ao's suppressed feelings surged up uncontrollably.

"I..."

Feeling Gong Ao's attitude, Princess Dongling frowned, and said in a puzzled manner, "I know you, you are the son of King Xuanwu, what do you want?"

"On the beautiful face of the princess, the hostility and vigilance could not be concealed.

Phew...

Gong Ao looked her up and down with his eyes, secretly exhaled, and then stepped closer: "I said just now, I will not hurt you, princess, if you believe me, let me escort you. Go back to Yutian Palace."

At this time, Gong Ao's eyes were full of urgency.

Speaking of which, Gong Ao originally wanted to take Princess Dongling back according to the order of the Demon Lord Gone, but seeing her at close range at this time, the old admiration flooded into his heart, and Gong Ao couldn't be ruthless.

He thought about it, and as the son of King Xuanwu, escorted Princess Dongling back to Yutian Palace. Anyway, he changed his identity and was not afraid of being killed.

What?

Hearing this, Princess Dongling froze there, frowning at Gong Ao: "You want to escort me back to Yutian Palace?" Although her face was full of vigilance, her eyes still couldn't hide her joy.

"Not bad!" Gong Ao nodded firmly.

Princess Dongling Xiumei frowned, and quickly calmed down, her delicate face regained her alertness: "I'm not familiar with you, why do you want to help me? Or do you have other goals?"

After so much, Princess Dongling has I won't trust anyone easily.

At this time, Princess Dongling still didn't know that the 'son of King Xuanwu' in front of her was actually Gong Ao, whom she once loved deeply.

"His Royal Highness!"

Seeing that Princess Dongling didn't believe in him, Gong Ao couldn't help laughing and crying, and said, "You don't know, my allegiance to the Demon Race on the surface is actually a fake. I just wanted to infiltrate the Demon Race and collect information.

" Although we are not familiar with each other, we have a common enemy, so you have to believe me."

However, the more he said this, the more unbelievable Princess Dongling became, shaking her head: "Forget it, I don't need your help, you can go, as long as I'm very grateful for pretending not to see me."

After saying this, Princess Dongling turned around and was about to leave, planning to bypass this cliff.

This...

Seeing this scene, Gong Ao suddenly became anxious, walked over quickly, grabbed Princess Dongling's arm: "I really want to help you, if you walk around now, it will be easy for the demons to find out. of."

"You...you let me go."

Gong Ao grabbed her arm, Princess Dongling was shy and angry, and she shouted: "Let go of me, I know you are uneasy and kind." While speaking, she struggled.

Gong Ao wanted to cry but had no tears, but in a hurry, he had to say: "Princess, calm down, I am not the son of King Xuanwu, but Gong Ao."

What?

At this moment, Princess Dongling was stunned, staring at Gong Ao in a daze, only to feel her mind buzzing.

what did he say?

He... he is Gong Ao?

After a few seconds, Princess Dongling reacted and said coldly: "What nonsense are you talking about? Let me go." This man is really crazy. He is obviously the son of King Xuanwu, but he says he is Gong Ao.

“Really!”

Seeing that she didn't believe it, Gong Ao was completely anxious, so he quickly said what happened to him during this period: “I became like this because of Yue Feng, the war. The night before, Yue Feng quietly brought the information of the demons, and he gave the information to Xingri Xingri...”

The ultimate husband in Chinese chapter 4206-4210

Chapter 4206

A few minutes later, Gong Ao finished talking about the situation, and his face couldn't hide the resentment: “It's not Yue Feng, I won't be hunted down by Your Majesty, and I won't make such a bad plan to use the 'spiritual ecstasy'. Forbidden art, occupy the body of this broken-leg waste.”

Saying that, Gong Ao looked at Princess Dongling affectionately: “Princess, I know you love me, so I don't want to hide from you, I was wrong before, I don't It's time to abandon you, forgive me, okay?”

“When I escort you back to Yutian Palace, I'll ask Your Majesty for a kiss. Anyway, Yue Feng is dead, and no one can break us up again, okay?”

When the last sentence fell, Gong Ao's eyes were full of expectation and affection.

Yes, Gong Ao still wants to return to Yutian Palace.

After occupying Wei An's body and staying in the Demon Race for a day, Gong Ao deeply understands that it is better to take a gamble than to live in fear in the Demon Race.

As long as Princess Dongling is willing to accept her, after returning to Yutian Palace, she will become the concubine, and since then, she will rise steadily and enjoy infinite scenery.

Hiss....

Knowing the truth, Princess Dongling couldn't help gasping for air, staring at Gong Ao, speechless.

He is really Gong Ao.

A few seconds later, Princess Dongling came back to her senses, her delicate face was changing, then she raised her jade hand and slapped Gong Ao fiercely.

Snapped!

This slap, Princess Dongling almost used all her strength, when she heard a crisp sound, Gong Ao's face instantly became red and swollen, leaving a bright red five-fingerprint.

"Gong Ao, you shameless and despicable scum, you have the face to tell me this." Princess Dongling's suburban trembled with anger, her eyes were full of resentment: "I love you so much, but how did you treat me? I was wrong at that time. Treat Yue Feng as you, and gave myself to him. Later, I learned the truth. Do you know how uncomfortable I am? I really wanted to die."

"But thinking of you at that time gave me the courage to live again. Later, I went to Kyushu Continent looked for you, rescued you from Xia Yinzong, and then told you the truth. I hoped that you would comfort me and stay with me."

This chapter is provided by . Visit for daily update.

"But you, knowing that I have lost my innocence, just sincerely Abandoned me, said that he loved me, but made me dizzy when I wasn't paying attention, and then handed it over to Divine Sovereign Haotian. Then let him take me back to God's Domain to marry."

"You don't want me anymore, and now there is no way out, Thinking of me again, and pretending to love me, don't you feel disgusted?" At the

end, Princess Dongling was so excited that she lost her sense of reason, and said tenderly, "Get out of here, I don't want to see you, forever. I don't even want to see you, whether you live or die, it doesn't matter to me."

Shuh!

Being scolded by Princess Dongling's nose, Gong Ao's smile suddenly froze, and his eyes flashed a little colder.

Mad, I have shown my sincerity to help you, but the bullshit you scolded is no more.

Thinking about it, Gong Ao suddenly slapped him.

Snapped!

With this slap, Princess Dongling was almost unprepared. She groaned and fell to the ground.

The next second, Princess Dongling looked at Gong Ao in shock and anger: "You...you beat me?"

“You shameless bitch.” Gong Ao revealed his true face and said coldly; “I kindly help You, but you are regarded as a donkey liver and lungs, how noble do you really think you are? It’s just a piece of shit that Yue Feng has played with, and now you’re putting on airs in front of Lao Tzu?”

As he spoke, Gong Ao approached slowly, his eyes flickering with evil light, and he kept looking at Princess Dongling.

He thought about it, since Princess Dongling hates him so much, he should enjoy her, and then kill her directly and take the corpse back.

“You, what are you going to do?”

Seeing Gong Ao approaching step by step, Princess Dongling was inexplicably panicked and shouted in a trembling voice.

“What are you doing?”

Gong Ao smiled and said word by word, “I used to love you for so long, but in the end, I was cheap for that kid Yue Feng. I’m not reconciled. How does the princess feel? I also want to feel it. “

You bastard.”

Hearing this, Princess Dongling was very angry, and she immediately scolded, while scolding, she retreated subconsciously.

At this time, Princess Dongling was both angry and desperate.

Chapter 4207

Tears flowed down unsatisfactorily.

Why is your life so hard? Not to mention being stopped by a cliff, he also met Gong Ao, a wolf in sheep’s clothing.

Whoa!

Maybe because she was too nervous, Princess Dongling didn’t see behind her clearly, when her foot slipped, she fell directly off the cliff.

“Ah...”

Princess Dongling exclaimed, her figure quickly landed, and finally disappeared into the clouds.

Mad!

Seeing this scene, Gong Ao's face was extremely ugly. He thought that after completely tearing his face, he could still enjoy the princess' gentleness, but he never thought that the princess would slip and fall off the cliff.

Forget it, go back to life.

Thinking to himself, Gong Ao hurried in the direction from which he came very depressed.

.....

On the other side, Kyushu mainland. Weather Imperial City.

It was already late at night, but the entire palace was brightly lit.

In the Qianyuan Hall, King Guangping, dressed in a golden dragon cannon, sat on the dragon chair in the hall, with a somewhat pleasing smile on his majestic face.

Next to him, sat a handsome figure, dressed in a white long gown, with handsome features.

It was Bai Yunfei.

In the entire Qianyuan Hall, there are only the two of them.

If there were outsiders present at this time, he would definitely be secretly surprised, because King Guangping's face was full of servility and kneeling. In contrast, Bai Yunfei, who was dressed in white, looked more like an emperor.

"Your Mightiness!"

At this time, King Guangping stood up and respectfully said to Bai Yunfei: "Today I have counted the number of troops, a total of 300,000 Imperial Forest troops, and they can leave at any time."

A month ago, King Guangping rescued the dying Bai Yunfei in the ruins of Kunlun. After the two sides reached an alliance, King Guangping brought all members of the Tianqi royal family to join the Mozu.

Bai Yunfei, on the other hand, promised King Guangping to help him unify the continent of Kyushu.

So this month, King Guangping and Bai Yunfei have formulated a detailed plan. The content of the plan is to force other continents to surrender by means of conquest.

“Okay!”

At this moment, Bai Yunfei was very satisfied when he heard King Guangping’s report, nodded and smiled: “Very good, your efficiency is very good, I am very satisfied, I believe that Your Excellency Mozun will be well when he sees you in the future. I want to reuse you.”

After speaking, Bai Yunfei stood up slowly and continued: “Since it is ready, let’s follow our previous plan to conquer the Northern Ying Continent.”

Among the Kyushu Continent, the Northern Ying Continent’s The most powerful, once the Northern Ying Continent is completely conquered, other continents will surely fall on the wind.

“Yes, Your Excellency.”

King Guangping responded quickly, and then showed a very embarrassed look: “That... The Northern Ying Continent is powerful, I am afraid that the 300,000 Royal Forest Army will be difficult to defeat.”

When he said this, King Guangping looked apprehensive.

Although Apocalypse Continent has kept a low profile during this period of time, and the overall strength has improved a lot, but compared with Beiyong Continent, there is still a lot of gap. After all, the strength of Beiyong Continent is recognized by Kyushu.

Many years ago, Yang Jian led the Northern Ying army and swept the world, but King Guangping still remembers it fresh.

Now, with only 300,000 Imperial Forest troops, he is about to conquer the Northern Ying Continent. King Guangping has no confidence in his heart.

Haha...

Feeling the concern of King Guangping, Bai Yunfei laughed and said comfortably: “You don’t need to panic, I have already made arrangements to attack the Northern Ying Continent. You lead the army first, and before the war, I will send a high Help.”

Senior?

Hearing this, King Guangping was stunned.

But looking at Bai Yunfei’s confident look, King Guangping didn’t dare to ask more, so he nodded and walked out of Qianyuan Palace quickly.

A few minutes later, the King of Guangping was on a personal expedition, leading an army of 300,000 imperial forests, and marched mightily towards the Northern Ying Continent.

...

On the other side, the Earth Circle Continent, the Ouyang Family.

At this time, it was late autumn, and the flowers in the flowerbed had withered, but the surrounding maple forest, the fiery red maple leaves, formed a unique landscape.

In the pavilion, Ren Yingying sat alone, with a bit of gloom and sadness on her delicate and beautiful face.

Half a month ago, Ren Yingying broke into the Weather Palace and was besieged by King Guangping. At the critical moment, Bai Yunfei appeared to relieve the siege and lured Ren Yingying to reverse the qi and blood, causing the demon soul to backlash.

Chapter 4208

After that, Bai Yunfei forced Ren Yingying to join his camp by teaching the formula of 'breaking the devil's soul's backlash'.

At that time, Ren Yingying pretended to agree, but Bai Yunfei only taught half of the formula, which made Ren Yingying very annoyed, but he did not dare to tear his face.

After returning to the Ouyang family, Ren Yingying locked herself up and devoted herself to researching ways to crack the demon soul backlash. However, half a month passed and there was no progress at all.

This made Ren Yingying very anxious and annoyed.

"Miss."

At this moment, a maid walked over quickly and respectfully said to Ren Yingying, "Someone sent you a letter just now." After speaking, she handed the letter over.

Ren Yingying has lived in the Ouyang family for many years, and the people below no longer call the princess, but prefer to call the lady.

my letter?

Ren Yingying and Xiumei frowned, and when the maid walked away, she unfolded the letter.

I saw a sentence written on the letter: 'At midnight tonight, there will be a temple break in the north of the city. It's urgent, don't come sooner or later.' There is no signature on the back, but a white cloud is drawn.

Bai Yunfei?

Seeing the white cloud, Ren Yingying didn't need to think about it, she knew that this letter was sent by Bai Yunfei.

Bai Yunfei is looking for himself, there must be nothing wrong.

For a time, Ren Yingying was irritable and instinctively resisted.

But if you don't see it, you can't bear it at all if the devil's soul devours it.

Thinking of the pain caused by the backlash of the demon soul, Ren Yingying's heart palpitated.

"Sister Yingying!"

At this moment, I heard a crisp sound, and then, two slender and charming figures walked quickly into the garden.

One was wearing a light green long dress with a high ponytail, looking youthful and beautiful.

The other one, in a bright yellow short skirt suit, with bright eyes and white teeth, is unbelievably beautiful.

It was Xiaoxi and Mihui.

Because they are similar in age, Xiaoxi and Meihui have a good relationship, and they are almost inseparable in the Ouyang family.

Seeing the two of them coming, Ren Yingying's eyes flashed with panic, and she quickly put away the letter, and the matter with Bai Yunfei must not be known to the people around her.

"Sister Yingying.

"When she came to the front, Meihui took Ren Yingying's hand and pleaded, "I encountered some problems in my cultivation. I told Xiaoxi just now, and Xiaoxi was helpless, why don't you help me? "

Ren Yingying is resourceful, and Meihui admires her very much. Every time she encounters a problem, she will ask Ren Yingying for advice.

Xiao Xi next to her also said, "Yeah, I don't understand the problem that Meihui encountered. Sister Yingying, you know so much, and you can definitely help her."

Hu...

Facing the situation, Ren Yingying He exhaled softly, shook his head and said, "You should still find Brother Wen, or the Great Sage. I also encountered some problems in my cultivation."

After speaking, Ren Yingying smiled lightly, then turned and walked out of the garden.

At this time, Ren Yingying was constantly being devoured by the devil's soul, and Ye Yunfei's letter was disturbing, so how could she be in the mood to help Meihui.

This....

Watching Ren Yingying leave, Xiao Xi and Mei Hui stood there blankly, looking at each other with complicated expressions on each other's faces.

In the next second, Meihui reacted and frowned: "What happened to Sister Yingying recently? She seems to be very busy.

"

She looks very worried. I feel that something must have happened to her."

Xiao Xi's mind is more delicate, thinking of Ren Yingying's hurried departure just now, which strengthens her guess.

"Forget it."

At this time, Mei Hui smiled bitterly and said, "I'm going to ask Brother Wen, you can play by yourself first, Xiao Xi." After saying that, Mei Hui left the garden and walked towards Wen Chou Chou's study.

Xiao Xi responded and walked towards the secret room where Ren Yingying was closed.

Xiao Xi thought about it, first secretly inquired about what happened to Ren Yingying, and then found a way to help. After all, Ren Yingying is the young master's beloved woman. She has something to do and she can't ignore it.

However, when he arrived at the secret room where Ren Yingying was closed, he saw that the door was tightly closed.

Xiao Xi didn't go in rashly, but stayed aside and waited quietly.

Time passed by minute by minute.

In a blink of an eye, it got dark, and Ren Yingying was not seen.

Xiao Xi didn't panic, and continued to wait outside.

Chapter 4209

Squeak...

Finally, until midnight, when Xiao Xi heard the door of the secret room open, she was shocked and wanted to go up, but she was stunned when she saw Ren Yingying's dress.

I saw that Ren Yingying changed out of her usual long skirt and wore a black night clothes, which looked very mysterious.

At this moment, Xiao Xi quickly hid aside, muttering in her heart.

Sister Yingying is getting more and more strange. What is she going to do when she changes into night clothes at night?

While muttering in my heart, I saw Ren Yingying's delicate body flashing, flying into the air, and heading towards the north of the city.

Follow along.

Seeing this, Xiao Xi didn't hesitate, and quickly followed.

A few minutes later, Ren Yingying arrived at a dilapidated temple in the north of Zhongzhou City, and saw that the dilapidated temple was in a state of dilapidation.

Xiao Xi followed here, not showing up rashly, but hiding aside and watching quietly.

When Xiao Xi was very young, she followed Yue Feng to travel all over the world. She has rich experience in rivers and lakes. She could see that Ren Yingying was dressed to meet someone.

And, this man is extraordinary.

At this time, in the broken temple.

Ren Yingying turned around in the yard and saw that the surroundings were desolate. She couldn't help but feel a little flustered, but she still summoned the courage to shout: "Where is the person? Are you here yet?"

Haha...

As soon as the voice fell, just listen There was a burst of laughter, and then, a handsome figure walked out from behind the dilapidated wall in front.

Dressed in white, he is handsome and handsome.

It was Bai Yunfei.

What?

Seeing this scene, Xiao Xi, who was hiding outside the ruined temple, suddenly trembled, her mind buzzing and blank.

The person Sister Yingying wants to see is actually Bai Yunfei?

What's happening here?

This Bai Yunfei is the lackey of Demon Venerable, and he is also the enemy of the son. When did Sister Yingying get involved with him?

Shocked, Xiao Xi wanted to get closer, but was afraid of Bai Yunfei's strength, so she held back.

"Miss Ren is really punctual." When he

got to the front, Bai Yunfei smiled and praised: "I just arrived, you came."

Ren Yingying was too lazy to talk nonsense, and said lightly: "What's the matter with me coming out this time? "

If it wasn't for the second half of the formula of 'deciphering the demon soul's backlash', she would not have met Bai Yunfei here.

"Haha..."

Bai Yunfei smiled and said straight to the point: "It's not a big deal, I want you to do a small favor!"

"What small favor?" Ren Yingying's face did not fluctuate at all.

She had long guessed that Bai Yunfei would not see herself for no reason.

Bai Yunfei smiled slightly: "Before I say this, let me tell you a secret first. King Guangping took the Tianqi royal family and has already taken refuge with our demons."

“Half a day ago, King Guangping had led an army and was ready to conquer the Northern Ying Continent.”

What? ?

Hearing this, Ren Yingying's body was shocked, and she stared at Bai Yunfei in shock.

This Bai Yunfei was so powerful that he regained King Guangping and the Tianqi royal family so quickly.

No....

muttering in my heart, Ren Yingying suddenly flashed her eyes, thought of something, and glared at Bai Yunfei: “Bai Yunfei, in the Weather Palace before, did you and King Guangping deliberately set a trap for me?”

Ren Yingying Thoughtful, through the previous events, he immediately guessed the clue.

Because the last time he was trapped in the palace, Bai Yunfei's appearance was too coincidental. The only explanation was that he had planned with King Guangping at that time.

Uh....

Hearing the question, Bai Yunfei's face showed a bit of embarrassment, and at the same time, he couldn't help but admire in his heart.

This Ren Yingying is worthy of being Zhuge in the girls' middle school. She is resourceful and resourceful. She guessed the truth with just one word of her own.

But Bai Yunfei didn't bother to explain, so he smiled and said: “Miss Ren, you are a smart person. It doesn't make any sense to say this now. After all, we are already on the same boat now.”

After speaking, Bai Yunfei closed his smile, Seriously: “I want you to set off immediately to help King Guangping conquer the Northern Ying mainland. Don't worry, I don't need you to follow the Tianqi army all the time, I just need to help them break through the Feilong Pass and the Imperial City.”

Feilong Pass is Beiyong . The mainland's first fortress, the first frontier gate, not to mention the imperial city, as long as these two places are breached, the Northern Ying mainland will be completely occupied.

Chapter 4210

“No!”

However, as soon as the words fell, Ren Yingying shook her head and refused, with a very firm attitude.

What Ren Yingying hated the most was starting a war, because once a war broke out, it would be the people who would suffer. More importantly, how could she and King Guangping kill her father again, how could she help?

Ugh!

Seeing that Ren Yingying would refuse, Bai Yunfei sighed and patiently persuaded: “Miss Ren, I know that you and King Guangping have an old feud, but for our great cause, I hope you can let go of your personal grievances, as long as we successfully unite Kyushu, you are a great hero. When the time comes, I will say a few words for you in front of Your Excellency Mozun.”

“Once you are appreciated by Your Excellency Mozun, you will have whatever you want. Think about it, Mozun has never liked the Ouyang family, and he will definitely take action against the Ouyang family, but if you do a great job, Mozun will not care about the Ouyang family, right?”

“Also, then solve the demon soul. I have already written the formula for the second half of the backlash.” At the

end, Bai Yunfei took out a golden secret book from his body.

Phew...

Seeing the golden secret book, Ren Yingying’s expression changed, and her eyes flashed with a bit of urgency.

However, Ren Yingying still did not agree.

what are they talking about?

At this moment, Xiao Xi, who was hiding outside the ruined temple, was very anxious. Because of the distance, she couldn’t hear what Ren Yingying and Bai Yunfei were talking about.

Xiao Xi wanted to get closer, but Bai Yunfei’s strength was too strong, and he was afraid that he would be noticed if he made a slight movement.

In this case, Xiao Xi had no choice but to continue to hide and watch.

“Any girl!”

At this time, seeing that Ren Yingying has been unwilling to agree, Bai Yunfei is not in a hurry, and smiled slightly: "I have said what I should say, I will not embarrass you, in fact, my conditions are very simple, I only need you to help the Tianqi army to break through The Feilongguan and the Imperial City."

"You have a demon soul, this trivial matter is very easy for you. As long as you do it, you can come to me and get the secret book."

After saying the last sentence, Bai Yunfei looked at it with a smile. With Ren Yingying, waiting for her decision.

For a while, the broken temple was silent.

Ren Yingying bit her lip tightly, fell silent, and fell into a war between heaven and man.

To help Bai Yunfei attack the Northern Ying Continent is to help Zhou to abuse her, which is completely inconsistent with her principles.

But if you don't agree, you will have to suffer the pain of the demon soul backlash.

call!

Finally, after a few minutes, Ren Yingying took a deep breath, looked at Bai Yunfei and said, "Okay, I promise you, but only this time."

Seriously, she didn't want to compromise, but there was no other way.

Haha...

Seeing that she finally agreed, Bai Yunfei smiled and was very happy: "Okay, then I will wait for the good news, when you help King Guangping break the Feilongguan, you can come back to me, and I will teach you some more. If you break the imperial city, I will give you all the secrets of the secrets."

After saying this, Bai Yunfei put away the secrets and left with a big smile.

Watching Bai Yunfei leave, Ren Yingying's delicate face did not fluctuate in the slightest, she sighed softly, and turned to rush towards the Ouyang family.

call!

Seeing that both of them had left, Xiao Xi, who was hiding in the ruined temple, came out quietly.

At this moment, Xiao Xi frowned, and she felt extremely doubtful in her heart.

What did Sister Yingying say to Bai Yunfei?

Xiao Xi didn't hear a word of the conversation between the two just now, but she knew that this matter was not easy.

A few seconds later, it was determined that Ren Yingying and Bai Yunfei had left, and Xiao Xi also left the broken temple and rushed towards the Ouyang family.

the other side.

Ren Yingying quickly returned to the Ouyang family, first changed clothes, then went to the front hall, and then summoned Wen Chou Chou and Sun Dasheng.

A few minutes later.

Wen Chou Chou, Sun Dasheng, Xiao Yuruo, and Long Qianying were all present.

"Brother and sister!"

At this time, Wen Chou Chou looked at Ren Yingying, unable to hide his doubts: "It's so late, what's the matter with you?"

Shuh!

When the words fell, Sun Dasheng and Xiao Yuruo looked at Ren Yingying curiously.

"Brother Wen."

Ren Yingying bit her lip lightly and hesitated: "... I'm going to leave for a few days. After I leave, you must strengthen the patrol defense of the Ouyang family, and you must not relax a little."

The ultimate husband in Chinese chapter 4211-4215

Chapter 4211

Ren Yingying is quick-witted, she is afraid that Bai Yunfei will do the same thing in the face, but she will do it behind the back, so she specially warns a few words.

away for a few days?

Hearing this, Wen Chou Chou was stunned, and he and Sun Dasheng looked at each other.

The next second, Sun Dasheng couldn't help but say: "It's so sudden, where are you going? Do you need help?"

"No."

Ren Yingying smiled and shook her head: "This is my own business, you don't need to. I'm worried, I'll be back soon." The

voice fell, and Ren Yingying walked out of the hall quickly.

What can I say about the matter with Bai Yunfei?

This...

Seeing this situation, Wen Chou Chou, Sun Dasheng and the others were completely blinded, and they stood there in a daze, unable to slow down.

What's the matter, so urgent.

Whoosh!

Not long after he left, he saw a petite and charming figure and walked quickly into the hall, it was Xiao Xi.

"Xiao Xi!"

Seeing Xiao Xi, Wen Chou Chou reacted with concern: "It's so late, why did you come back from outside?"

This chapter is provided by . Visit [for daily update.](#)

Xiao Xi didn't have time to explain, so she pulled Wen Chou Chou and asked, "Brother Wen, see you Is Sister Yingying?"

“Just left!” Wen Chou Chou said with a wry smile.

The voice fell, and Sun Dasheng said: “She just said that she will go out for a few days, and she wants us to strengthen the defense of the family, and I will not say the specifics.”

What?

At this moment, Xiao Xi was stunned for a moment, and then became anxious: “It’s broken, it must be something wrong.”

After saying that, Xiao Xi looked around and continued: “I followed Sister Yingying just now and went to the north of the city. A broken temple, she met Bai Yunfei at that time.”
After

speaking, Xiao Xi explained in detail what she saw at that time.

What?

Knowing these circumstances, whether it was Wen Chou Chou or Sun Dasheng and others, they were all stunned.

Ren Yingying met Bai Yunfei privately?

This is broken, that Bai Yunfei is Mozun’s subordinate, very despicable and insidious.

The more Wen Chou Chou thought about it, the more wrong it became. He didn’t have time to think about it at the time, and hurriedly shouted: “Come on, let’s go right away, no matter what.”

Wen Chou Chou was full of anxiety when he said this.

He firmly believes that Ren Yingying is a person and will not become friends with Bai Yunfei. The only explanation is what method Bai Yunfei used to coerce Ren Yingying to do something.

The words fell, and Sun Dasheng and others set off one after another.

.....

On the other side, King Guangping brought an army of 300,000 people, and after several hours of marching, they finally arrived outside the Feilongguan City.

Because the master Bai Yunfei said had not yet appeared, King Guangping did not rush to attack the city, but ordered the army to camp in the wilderness ten miles outside the city.

At this time it was still dark, the camp was brightly lit, and soldiers were patrolling from time to time.

Whoosh!

At this moment, a slender figure flew from a distance and gently landed in the camp.

Wearing a black tights, the charming curves are vividly displayed, with a black mask on his face, and his exposed eyes shine like stars in the sky.

It was Ren Yingying.

“Who?”

“Stop and don’t move.”

As soon as Ren Yingying appeared, he immediately alerted the surrounding soldiers, who all shouted and surrounded him.

At the same time, King Guangping heard the movement and walked out quickly.

“Who are you.”

Because Ren Yingying was wearing a mask, King Guangping couldn’t recognize it for a while, and he scolded coldly at that time: “Dare to trespass on my Apocalypse camp, are you courting death?”

Swish...

Ren Yingying didn’t have the slightest emotion He fluctuated and said coldly: “Bai Yunfei asked me to come.”

Hearing this, King Guangping was stunned for a moment, then quickly waved his hands and said, “Go back, all go back.”

After saying that, King Guangping accompanied a smile and rushed towards Ren Yingying flattered: “It turns out that the ‘superior’ is here, hurry up, please come in.”

Ren Yingying nodded and entered the tent at the invitation of King Guangping.

“Your Excellency!”

After entering the tent and taking a seat, King Guangping couldn’t wait, and said to Ren Yingying: “My Tianqi army is ready and can attack the city at any time. I wonder if Your Excellency has a detailed battle plan?”

In the heart of King Guangping , Those who can be favored by Bai Yunfei are not the generals.

At this time, he didn't know that the sexy woman in front of him was Ren Yingying.

"Since it's ready, it's good to attack the city tomorrow morning. What other battle plan do you need?" Ren Yingying responded lightly.

Chapter 4212

What?

To attack the city directly tomorrow morning?

Hearing this, King Guangping was stunned for a moment, and couldn't help muttering to himself, the 'skilled man' sent by Bai Yunfei was too cold and confident, and he didn't even deploy the battle plan...

"What?"

Jian Guang King Ping's expression changed, Ren Yingying was tightly locked, and she said coldly, "Do you have any objections?"

To be honest, Ren Yingying really wanted to kill King Guangping directly.

Especially when she thought of the tragic death of her father, Ren Yingying couldn't control her anger, but she finally held back.

"Don't dare, don't dare." Guangping Wang sneered, not daring to question any more.

Although there are some doubts about the ability of this 'skilled person', but considering that she was sent by Bai Yunfei, there should be no problem.

In the next second, King Guangping immediately summoned all the generals and said: "Pass my order, the whole army rests, and the city can be attacked early tomorrow .

" A few hours later, the sky was slightly brighter. Under the convocation of King Guangping, the 300,000-strong Imperial Forest Army was ready to go, and they saw the battle flags like clouds, the spears were lined up, and the chilling air filled the world. At this moment, Feilongguan, a few miles away, is also waiting. The tower is full of archers, and hundreds of thousands of defenders have also set up a formation outside the city. In the high sky above the tower, a graceful figure is quietly suspended there, cold and arrogant, and the whole body is filled with unacceptable desecration. breath. It is the world-famous Water God Gonggong.

At the time when the Rakshasa tribe crossed the wild and treacherous territory, causing the Great War in Kyushu, Yang Jian and other continents temporarily put aside their grievances and fought the enemy together. In the end, Yang Jian was killed in the battle. Since then, Gonggong has returned to the Northern Continent and no longer participates in the rivers and lakes. strife.

However, Gonggong was tyrannical and was soon elected as the Grand Marshal to protect the safety of the Northern Ying Continent.

This time, King Guangping led an army of 300,000 Tianqi to invade the Northern Ying mainland. After Gonggong learned the news, he immediately came to Feilongguan to deploy defense.

Wow wow wow...

At this time, I saw the army of 300,000 Tianqi, led by King Guangping, came quickly. For a time, above the wilderness, the dust was flying, shocking.

“Come, come, they are here...”

“The Apocalypse army is calling.”

Seeing this scene, the guard soldiers standing on the city tower were all inexplicably panicked and talked a lot.

Speaking of which, the Northern Ying Continent is strong and powerful, these defending soldiers did not need to be so nervous, but now they are guarding Feilongguan, with less than 100,000 troops.

However, there are 300,000 troops in the Tianqi army, which is twice as many. How can you not panic?

“What are you panicking about?”

Hearing the following discussion, Gong Gong knitted his brows and shouted angrily: “The Feilong Pass has not fallen yet, what are you nervous about? All cheer up, these hundreds of thousands of Tianqi army are only crowded. It’s just a little bit, nothing to worry about.”

When he said this, Gonggong looked at King Guangping who was slowly approaching from a distance, and his eyes were full of contempt.

In her heart, the strength of King Guangping was average, and she didn’t take it to heart at all.

Gonggong planned to take the life of King Guangping directly after the war. As long as King Guangping died, the army of 300,000 Apocalypse would be defeated.

At this time, King Guangping and his army of 300,000 people had already arrived at the Feilong Pass.

hiss, is that her?

At this moment, Wang Guangping was stunned when he saw Gonggong floating in the air, and then he couldn't help but gasp.

He thought that the guard at Feilongguan was just an ordinary general, but he never thought that it would be the water god Gonggong. You must know that Gonggong has lived for nearly a thousand years, and its strength is unfathomable, second only to Yang Jian.

King Guangping is also very confident in his own strength, but facing Gonggong, he has no chance of winning.

"Your Excellency."

Under the tension, King Guangping couldn't help but said to Ren Yingying behind him: "The guardian of Feilongguan is the world-famous Water God Gonggong. I have no confidence in dealing with her."

Saying this At that time, King Guangping couldn't hide his unease.

Chapter 4213

At this time, Ren Yingying was still wearing a mask. Seeing Wang Guangping's uneasy look, she snorted coldly and said lightly: "Why are you panicking, if she wants to take action later, you just fight, the key is When the time comes, I will come to help you."

This King Guangping is really cowardly, and when he encounters someone who is stronger than himself, he is afraid of being like this.

Huh....

Hearing this, King Guangping took a deep breath, wiped the cold sweat on his forehead, and said with a smile: "That's great, you must take action when you have a chance."

Ren Yingying was too lazy I understood, just nodded.

Of course Ren Yingying knew that King Guangping was not an opponent of Gonggong. He just said this to deliberately want King Guangping to suffer.

Of course, Ren Yingying would not let Gonggong kill King Guangping. After all, he had promised Bai Yunfei before, and he would also assist King Guangping in breaking the Beiyang Imperial City.

Whoosh.

At this moment, I saw Gonggong's delicate body flashing, coming from the sky, looking at King Guangping condescendingly: "King Guangping, you really ate the guts of a bear and a leopard, and came to invade my Northern Ying Continent, thought about it. Consequences?" The

voice was not loud, but it was majestic.

Gudong.

King Guangping couldn't help swallowing his saliva. He suppressed the nervousness in his heart and sneered at Gonggong: "Gonggong, don't put on airs in front of me. If you are not sure, I will not come.

"Surrender early, so as not to wait until the city is broken and bring disaster to innocent people."

Shua!

Hearing this, Gonggong's delicate face instantly became extremely ugly, and the anger in his heart also rose.

For many years, Gonggong has been respected as the God of Water by the world, with a high status. Even if Yang Jian sees it, he has to give three points of courtesy. When has he been threatened like this?

"Okay, very good."

At this time, Gonggong's mouth twitched, showing a sneer, looking at King Guangping's eyes with absolute contempt: "You are really kind, then I will see and see, wait a minute. How did you break through the Feilongguan?"

"But before the war starts, I have to measure your strength. Take it!" The

voice fell, Gonggong's delicate body came out gracefully, and came straight to King Guangping.

hum!

The speed of Gonggong was very fast, and it was in front of King Guangping in the blink of an eye. At that time, the internal force was urged, and a powerful breath burst out. The air within a kilometer around was distorted.

The strong breath, the suppressed people panic.

Immediately afterwards, Gonggong's jade raised his hand and hit King Guangping with a palm.

Hiss...

what a powerful force.

Feeling the fluctuating breath of Gonggong's outbreak, King Guangping's expression changed greatly.

At this time, King Guangping didn't dare to be careless at all, this palm stimulated almost all his inner strength.

boom!

The palms of the two collided, and King Guangping only felt an incomparably vast force coming. At that time, with a grunt, the volley was knocked back more than 100 meters.

When he landed, King Guangping was unsteady, and staggered back a dozen steps before he stabilized his figure. His face was pale, and his blood was surging, but he still resisted with gritted teeth.

Mad!

After stabilizing his figure, King Guangping looked at Gonggong closely and was shocked.

The strength of this Gonggong is simply too terrifying, and he used all his internal strength to barely block her palm!

Wow...

At the same time, the surrounding army of 300,000 Apocalypse was also incomparably shocked.

This Gonggong's strength is so terrifying that he wounded His Majesty in one move, can he still break through the Feilongguan today?

Under the tension, many soldiers couldn't help worrying about King Guangping.

On the other hand, the soldiers guarding Feilongguan on the opposite side were very excited and shouted excitedly one by one.

“Haha, this is the strength of Emperor Tianqi?”

“It’s a shame to dare to attack Feilongguan with this strength.”

“Hahaha...” The

laughter kept coming, and King Guangping blushed and embarrassed. Extremely, I can’t wait to find a ground seam to get in.

Ma De is really embarrassing, the emperor of his dignified Apocalypse Continent was injured by a woman. If this is spread out, how will Kyushu be unified in the future?

Embarrassed at the same time, there are some calls in my heart.

Why didn’t the ‘skilled man’ sent by Bai Yunfei take action?

Chapter 4214

Thinking of this, King Guangping looked behind him subconsciously. When he saw this, his heart was half cold, and he saw where Ren Yingying stood before, where is there still a shadow?

It’s over, the master is gone?

For a time, King Guangping was like an ant on a hot pan, almost crying.

At this time, King Guangping did not know that Ren Yingying did not leave, but hid.

The purpose of doing this is, firstly, to teach Gonggong more lessons to King Guangping, and secondly, to find the right time to attack.

“The strength is much stronger than I thought?”

At this time, Gonggong looked down at King Guangping, and sneered: “It’s not bad to be able to block my palm.”

Crack!

The voice fell, Gong Gong’s jade hand raised, holding a blue long sword tightly.

This blue long sword is a purple-ranked weapon of Fengchen in the Beiyong Palace’s warehouse. According to legend, it was a gift specially made by Emperor Hou Yi for the

Empress Chang'e. As a result, Empress Chang'e didn't like it very much, so she put it in the army. in the library.

When Gonggong was elected as the Grand Marshal, he took out this sword.

hum!

At this moment, as soon as the blue long sword came out, the surrounding temperature seemed to plummet!

Gudong!

Feeling the killing intent pervading Gonggong, King Guangping's face was pale, and he couldn't help swallowing his saliva, and his forehead was constantly sweating.

Oops, this Gonggong is going to make a killing move, I'm afraid I can't stop it.

"King Guangping, use all your abilities."

Gonggong's red lips parted lightly, and with a wave of his jade hand, the sky was torn apart abruptly. Then, a dazzling radiance ripped apart the world and burst towards King Guangping.

It was a sword shadow, a sword shadow that was completely condensed by internal force, nearly 100 meters long, and its power was amazing.

Hiss...

Seeing this, the 300,000 Tianqi army present sucked in their breaths. At the same time, many generals wanted to come and help, but the sword shadow was lightning fast, and it was too late.

Mad, this move can't be stopped, will he die?

When King Guangping was terrified, he didn't have time to think about it, so he quickly activated all his inner strength and pulled out his long sword to resist.

Bang!

The blue sword shadow slashed on the long sword in King Guangping's hand, and saw that the long sword shattered in an instant. Then, King Guangping let out a miserable howl, and was directly shaken and flew out, flying more than 100 meters away. He fell heavily into the wilderness.

At the moment of landing, King Guangping's face was miserable, a mouthful of blood spurted out, and his breath was extremely weak.

When he resisted Gonggong's power just now, King Guangping had already consumed a lot of internal energy. At this time, he was completely unable to resist Gonggong's stunts.

After all, the Water God Gonggong is a person who has been famous for nearly a thousand years, and her background is not comparable to that of King Guangping.

"Your Majesty..."

Seeing this scene, the 300,000 Apocalypse soldiers exclaimed in surprise, and then, those generals wanted to rush over, but they were afraid of Gonggong's strength and did not dare to approach.

And Ren Yingying, who was hiding in the dark, sneered even more.

At the beginning of the martial arts competition, King Guangping killed his father and emperor, and the hatred was as deep as the sea, but now he has been taught by Gonggong, which really relieves his hatred.

"With this little strength, you dare to speak up and attack Feilongguan?"

At this moment, Gonggong landed gracefully, his delicate face full of contempt, and then he walked step by step.

King Guangping was so shocked that he secretly swallowed his saliva, wanting to cry without tears!

Madd, just died like this?

No, you can't just die in Feilongguan. I haven't unified the Kyushu continent yet, so I can't die like this.

"Your Excellency!"

Seeing that Gonggong was getting closer and closer, King Guangping was in a hurry and rushed to his surroundings: "If you don't take action, I will die. Please show up and help."

When he shouted this, King Guangping was frightened and anxious again, almost crying.

Speaking of which, after becoming the emperor of the Apocalypse Continent, King Guangping's mood has become increasingly arrogant, and he would never ask for help in front of so many people. die.

Dignity and face are important, but not life.

Senior?

Hearing King Guangping's shout, Gong Gong Xiumei locked his arms tightly, and then sneered and said, "Even if Daluo Jinxian comes today, I can't save you."

When he said this, Gong Gong's face was cold, but he was secretly amused.

This King Guangping was beaten stupidly, and he even fantasized about someone who was good at saving him.

Chapter 4215 In the

contempt, Gonggong stopped talking nonsense, accelerated the speed, and stabbed the king of Guangping with a sword.

Done.

Faced with this situation, King Guangping suddenly became desperate.

hum!

However, at this critical moment, in the direction behind Gong Gong, there was a wave of aura, and then, a charming figure burst out with rapid lightning.

He was slender, dressed in black, with a mask on his face, revealing a pair of eyes like autumn water.

It is Ren Yingying!

Originally, Ren Yingying wanted to continue to hide in the dark, so that Gonggong could teach King Guangping a lesson, but seeing that King Guangping was dying, she was depressed and had to show up to help.

Because once King Guangping dies, Bai Yunfei will not give her the secret recipe to solve the demon soul backlash.

who?

Suddenly feeling the danger coming from behind, Gong Gong's heart trembled and he quickly looked back.

Seeing Ren Yingying, Gonggong was secretly shocked.

Such a powerful aura, when did such a strong woman emerge from the Kyushu mainland?

Because Ren Yingying was wearing a mask, Gonggong didn't recognize it for a while, but was very shocked.

Haha...

and King Guangping was very excited, the previous nervousness and fear were swept away, his face was full of smiles, and he shouted excitedly: "Your Excellency, you have finally appeared, hurry, hurry up and deal with this communist party. Gong, as long as you defeat her, the Feilongguan will be broken in a moment."

Ren Yingying ignored her.

She wished that King Guangping would immediately die at the hands of Gonggong, but in order to get the secret book in Bai Yunfei's hands, she could only help him temporarily.

In the blink of an eye, Ren Yingying rushed behind Gonggong. At that time, the power of the demon soul exploded, and the surrounding air suddenly distorted and changed.

This...

is this the power of the demon soul?

Feeling the power of the powerful demon soul, Gong Gong's delicate body was shocked, and shock and anger flashed on his delicate face. As the world-famous water god, Gonggong has a lot of knowledge and knowledge, and immediately recognized that the opponent was using the power of the demon soul.

The next second, Gong Gong shouted at Guangping Wang Jiao, "King Guangping, have you colluded with the demons, have you thought about the consequences?"

At this time, Gong Gong was full of anger.

Previously, Bai Yunfei stole the magic mirror that sealed the Demon Venerable from the ghost world, and then helped the Demon Respect to shape his body, and then launched a battle in the rivers and lakes, which made people's lives difficult.

It can be said that Bai Yunfei and the Demon Race are the great enemies of the entire Kyushu.

At this time, Gonggong never expected that King Guangping would find help from the Demon Race.

"Haha..."

Feeling the anger of Gonggong, King Guangping was a little flustered, but he still laughed: “Gonggong, Gonggong, you have become famous for nearly a thousand years, and you still haven’t seen the situation clearly? Let me tell you, Not only did I join the Demon Race, but the entire Apocalypse Royal Family joined the Demon Race.”

If five minutes ago, King Guangping didn’t dare to provoke Gonggong like this, he was only nervous, but now it’s different, Your Excellency has already taken action, Just wait and watch the battle.

“Despicable and shameless!” For a time, Gonggong was furious.

“Gonggong!”

At this time, Ren Yingying had reached the back of Gonggong, and said coldly: “Today, the Feilong Pass will be broken, you give up.”

The voice fell, Ren Yingying’s demonic soul exploded, and she slapped Gonggong’s back with a palm.

With this palm, Ren Yingying did not exert her full strength. You must know that she and Gonggong did not have a deep hatred. At this time, she just wanted to let her recognize the reality and take the initiative to give up Feilongguan, and did not want to kill her.

“Grand Marshal, be careful!”

Seeing this scene, the guard soldiers on the city tower couldn’t help but speak, and they all sweated for Gonggong.

Although they did not recognize Ren Yingying’s identity, they could feel that the strength of this sexy beauty was much more terrifying than that of King Guangping.

“I’m afraid you won’t succeed?”

Gonggong responded quickly, turning his delicate body, raising his jade hand, and colliding with Ren Yingying’s palms!

boom!

At the moment when the two palms collided, there was only a loud noise, and then, a tyrannical fluctuation of internal force swept the audience!

Immediately afterwards, both Ren Yingying and Gonggong were shocked by their delicate bodies, and at the same time they were shaken back by the volley.

Obviously, the two sides in this palm are evenly matched.

However, Gonggong's heart was secretly shocked, because the palm of her hand just now stimulated all her internal strength, but she only fought a tie with the opponent.

The ultimate husband in Chinese chapter 4216-4220

Chapter 4216 Gonggong

doesn't know at this time, Ren Yingying has no right to break out, otherwise, Gonggong has fallen to the ground with that slap just now.

Whoa!

Seeing this scene, whether it was King Guangping or the army of 300,000 Apocalypse, they immediately burst into jubilation.

The Feilongguan defenders on the opposite side were shocked.

This black masked woman is so terrifying?

call!

At this time, Ren Yingying exhaled softly and comforted Gonggong: "Give it up, Your Excellency Gonggong, you are not my opponent. Today, you can't keep Feilongguan."

Hearing this, Gonggong's face brightened . Red, angry and unwilling.

A person who has become famous for nearly a thousand years, is respected by the world as the existence of the water god, and can be regarded as the first strong woman in the Kyushu mainland, but now she is despised by another woman, how can this be tolerated?

Thinking to himself, Gonggong clenched his teeth and said coldly: "If you want me to give up, you can dream. Even if you die today, I will not give up on Feilongguan."

"A demon demon, I want to see if you have How capable." The

last sentence fell, Gonggong let out a coquettish cry, holding a blue long sword, and stabbed Ren Yingying directly.

"Really persistent!"

Ren Yingying sighed, and at that time there was no way to do it, so she had to face it.

clang clang!

This chapter is provided by . Visit for daily update.

For a while, Ren Yingying and Gonggong fought fiercely in midair.

Huh...

Seeing this scene, both sides of the two armies are very nervous, and at the same time, many soldiers from both sides are also feasting.

Ren Yingying and Gonggong can be said to be the goddess among the goddesses in Kyushu, both in appearance and figure, they are all superb. At this time, the two are fighting fiercely in mid-air. The perfect curve makes the two soldiers below, one All eyes straightened.

Although Ren Yingying has been covering her face, as long as she is not a fool, you can see that the face of this black-clothed woman is by no means inferior to Gonggong.

In the blink of an eye, Ren Yingying and Gonggong fought fiercely for more than ten minutes, and the fight was on a par.

Speaking of which, Ren Yingying has a demon soul, and her strength is much stronger than Gonggong, but she couldn't bear to hurt the other party, so she never did her best.

In order to defend the Feilong Pass, Gonggong made every move with all his strength.

At the beginning, Gonggong was a little confident, but gradually he found that no matter how he made a move, the other party could easily resolve it, and he was a little anxious at that time.

"With me here today, you don't want to break through Feilongguan!" In

anxiety, Gonggong gave a coquettish shout, and his jade hand suddenly lifted up. When the surrounding wind and clouds were surging, he saw that in the moat outside Feilongguan, huge waves rolled up one after another. The water column looks like a water dragon from a distance.

Gonggong is known as the god of water.

Wow...

what time, under the urging of Gonggong, more than a dozen huge water columns came towards Ren Yingying and the army of 300,000 Tianqi.

Hiss...

Seeing that 100-meter-high water column and the power contained in it, whether it was King Guangping or the army of 300,000 Apocalypse, they couldn't help but gasp.

The next second, King Guangping couldn't help shouting: "Quick, the whole army retreats, quickly retreat."

Once such a huge water column erupted, the army of 300,000 people would be drowned.

Wow...

Hearing the order, the Apocalypse army retreated one after another.

As for Ren Yingying, who was suspended in mid-air, her eyes that were exposed outside were extremely indifferent. No evasion at all.

“As expected of the Water God Gonggong.”

At this time, Ren Yingying looked at the dozens of huge water columns that erupted, and sighed softly: “The entire moat can be attracted by you to defend against the enemy. It’s really amazing.

” However, today’s Feilongguan is broken, it is God’s will, you can’t change it.”

Om!

The voice fell, Ren Yingying mobilized the power of the demon soul, and slowly raised a pair of jade hands, and saw a dark red ball of light that quickly condensed.

The ball of light became bigger and bigger, like a bloody sun.

In the next second, the ball of light quickly spread around, forming a huge protective film, blocking the dozen or so water columns that were surging.

At this moment, everyone present clearly felt that the blood-red protective film contained an incomparably powerful and scorching power.

Chapter 4217

Wow!

Seeing this scene, the defenders of Feilongguan all exclaimed and started talking.

“What kind of skill is this?”

“A protective film, just want to block the power of the Grand Marshal’s waterspout?”

“Don’t say that, this red protective film looks very strange.”

At the same time, King Guangping and Thirty Wan Yulinjun also held his breath, each in a complicated mood.

Gong Gong's stunt is so amazing, and this black-clothed woman just cast a protective film, can it be successfully blocked?

In particular, King Guangping was almost impatient.

If this expert is not the opponent of Gonggong, the plan to attack Feilongguan this time will fail, so in the current situation, we must make a decision as soon as possible.

Um?

Just when King Guangping was secretly anxious, the scene in front of him suddenly made him speechless in shock.

Boom boom boom...

I saw more than a dozen huge water columns slammed into the huge protective film, accompanied by loud noises, the protective film was not broken at all.

Not only that, the scorching high temperature contained in the protective film instantly evaporated a lot of water, forming a white mist.

In the mist of water, Ren Yingying was quietly suspended in mid-air without taking any damage.

This...

how is this possible?

At this moment, Gonggong's delicate body trembled, staring at Ren Yingying, his heart was so shocked that he couldn't say a word.

In order to attract the water of the moat, he had tried his best, but at this time, he was easily blocked by the other party with a protective film.

At this time, Gonggong didn't know that what Ren Yingying was urging was the power of the devil's soul.

blocked?

At the same time, the guards of Feilongguan were all staying there, and they were speechless in shock.

At the same time of shock, many people also felt a little bit of retreat in their hearts.

Even the Grand Marshal is not an opponent, so how can we fight this battle?

Haha...

At this moment, King Guangping reacted, and the whole person was extremely excited and excited, and shouted at Ren Yingying: "The master is really powerful, even the famous Gonggong is not an opponent, just this move, It's really eye-opening."

At the same time, the 300,000 Apocalypse army behind him also cheered, and the momentum was overwhelming.

Ren Yingying didn't seem to hear King Guangping's compliment, and there was not the slightest fluctuation in her charming eyes.

"Demon girl, die."

At this moment, Gong Gong reacted, his delicate face was full of unwillingness and determination, he snorted and slapped Ren Yingying with his palm.

At this time, Gonggong has lost his mind.

As a water god who is famous all over the world, he was defeated by a mysterious woman under the watchful eyes of the public.

Ugh.

This Gong Gong is too persistent.

Seeing Gonggong erupting again, Ren Yingying couldn't bear it, sighed secretly, and then greeted him with a palm.

With this palm, Ren Yingying still did not use all her strength.

boom!

The two palms touched, and there was a muffled sound, and the figures of Ren Yingying and Gonggong were shocked, and then took a few steps back at the same time.

"You...why didn't you kill me?"

Stabilizing her figure, Gong Gong's decisive face showed a bit of puzzlement. With the palm of her hand just now, she clearly felt that the other party didn't use all his strength, otherwise, He has already been killed. Ren Yingying breathed a sigh of relief, and said lightly, "I don't want your life, you can go, you

can't keep Feilongguan today.

“You still don't want to kill me, and you're still wearing a mask, could it be that you're someone I know? Don't want me to see your true colors?”

Gong Gong's eyes were full of suspicion when he said this.

Yes, Ren Yingying wore a mask on purpose, just because she didn't want people to recognize her. After all, it was not her heart's desire to help Bai Yunfei attack the Northern Ying Continent.

Moreover, she is also Yue Feng's woman. Yue Feng has done so much for Kyushu and is recognized as a hero of Kyushu. If people know that Yue Feng's woman helps Zhou and the demons to wage war, then Yue Feng's image will be completely destroyed. .

Chapter 4218

Faced with Gonggong's questioning, Ren Yingying did not respond.

“Master!”

At this moment, King Guangping couldn't bear it anymore and shouted at Ren Yingying: “Kill her, this Gonggong is the grand marshal of Beiyang Continent. Once she dies, Beiyang Continent will die. No one can stop us.”

King Guangping was very anxious when he shouted this.

He could also see that when they fought just now, Ren Yingying showed mercy to Gong Gong's men.

“Shut up!”

Ren Yingying and Xiumei were tightly locked, very irritable, and shouted at Wang Jiao of Guangping: “If I kill her or not, it is not your turn to tell me.” This King of Guangping is really disgusting.

Swish!

However, at this moment, Gonggong suddenly flashed his tender body, rushed over, and ripped off the mask from Ren Yingying's face.

Ren Yingying's attention was distracted by King Guangping, and she couldn't react at all, and the mask fell down in an instant, revealing her exquisite and beautiful face.

“You...”

At this moment, Ren Yingying was furious, staring at Gong Gong, speechless, and at the same time feeling a little upset.

Too bad, his identity is exposed, and Yue Feng and the Ouyang family will be implicated.

Swish!

At this time, everyone present was stunned. Whether it was the army of 300,000 Tianqi, or the defenders of Feilongguan, all eyes were focused on Ren Yingying's face, and they were all stupid.

Beautiful...what a beautiful woman.

Isn't this Yue Feng's woman, Yingying, the former director of Yueying Gong in the Apocalypse Royal Family?

quiet.

For a time, the entire Feilongguan was silent and silent, and a drop of a needle could be heard clearly.

"It turned out to be you."

At this time, Gonggong stared blankly at Ren Yingying, and after a few seconds of stunned reaction, he mocked with a half-smile: "Back then, the Rakshasa clan traveled through the wild and strange realm to bring disaster to Kyushu, Yue Feng. However, he has made immortal contributions and is a well-deserved hero of Kyushu. He is admired by the world, but who would have thought that one day his woman would help the demons to attack Kyushu."

"Ren Yingying, do you think I am ridiculous, or is it okay? Sigh."

When saying this, Gonggong resisted the urge to insult, but looked at Ren Yingying's eyes, full of ridicule and disappointment.

In her heart, Yue Feng and his family would not do such a perverse thing, but at this time, it happened. The helper invited by King Guangping turned out to be Ren Yingying.

If you hadn't seen it with your own eyes, who would have believed it?

Mad!

At the same time, King Guangping, who was standing below, was also stunned, watching Ren Yingying in midair with a complicated expression, unable to calm down for a long time.

The expert invited by Bai Yunfei turned out to be her?

At this time, King Guangping had completely lost the excitement and excitement he had just now, and he only felt anger and unwillingness in his heart.

Speaking of which, if it was someone else, King Guangping could accept it, but Ren Yingying couldn't. Not only did the two sides have a bloody feud, but Ren Yingying was still in the ancient tomb of Chiyou and robbed the demon soul.

In King Guangping's heart, the demon soul that Ren Yingying snatched should belong to him.

What made King Guangping even more unacceptable was that he had been servile to Ren Yingying before, trying to please him in every possible way. At this time, he found that the so-called 'superior' turned out to be Ren Yingying, and it was difficult for him to calm down for a while.

Swish!

At this time, in the middle of the sky, Ren Yingying's delicate face suddenly turned red when she heard Gonggong's ridicule, and she felt even more embarrassed.

The next second, Ren Yingying tried her best to calm herself down, and said seriously to Gonggong: "Your Excellency Gonggong, I don't want to explain a lot, I can only tell you that everything I did today has nothing to do with Yue Feng, but with the Ouyang family. It doesn't matter."

Hehe...

Hearing this answer, Gonggong obviously didn't believe it, sneered at that time, turned around and flew towards Feilongguan without any hesitation.

While flying, Gonggong shouted at the defending soldiers below: "All exit Feilongguan, hurry up." After the

last word fell, Gonggong quickly went away.

At this time, Gonggong already understood that Feilongguan couldn't stand it anymore. Although he was very unwilling to lose just now, at least he knew Ren Yingying's identity, and it was worth it.

The most important thing now is to let the defenders evacuate Feilongguan to avoid unnecessary casualties.

"Evacuate. Evacuate!"

Upon hearing the order, nearly 100,000 defending soldiers quickly evacuated from Feilongguan without any hesitation.

Chapter 4219

Run?

Seeing this scene, King Guangping's eyes flashed with a hint of coldness.

She had lost all face in front of Gonggong before, how could she be able to successfully evacuate with the soldiers of Feilongguan at this time?

"The whole army obeys!" In the

next second, King Guangping endured the pain and jumped up in the air and shouted: "Immediately capture the Feilong Pass and pursue the complete enemy army. There must be no mistake."

When he said this, King Guangping couldn't bear it. Zhu Zhu glanced at Ren Yingying, her eyes full of dissatisfaction and anger. Still held back.

Although it was a bit embarrassing and embarrassing just now, the most important thing right now is to occupy Feilongguan as soon as possible, and then enter the Beiyang Imperial City after resting.

"Kill!" The

last word fell, and the army of 300,000 Apocalypse rushed into the Flying Dragon Pass like a tide.

...

On the other side, the Apocalypse Palace.

To the northwest of the palace, there is an independent hall called the Hall of Prayer for Good Fortune. The entire hall is mainly red and black, which is a bit abrupt compared to the other golden and red halls around it.

The Hall of Prayer was the place where the emperors of the past dynasties prayed and worshipped the gods. It was originally a little deserted, but at this time, there were many imperial guards standing around. Not only that, there were also many guards who were constantly patrolling back and forth.

At this time, in the prayer hall, a figure was sitting there.

Wearing a white long gown, he has handsome and handsome features.

It was Bai Yunfei.

At this time, Bai Yunfei was sitting cross-legged, his eyes were slightly closed, and a cloud of red mist rose above his head.

Around Bai Yunfei, white candles were lit. Under the light of the candle, Bai Yunfei's figure fluttered in the huge palace, looking very strange.

In a place not far in front of Bai Yunfei, there are several corpses on display. Each corpse is very small. It is a few boys and girls, but at this moment, they are all black and black, and their faces are terrifying. It is obvious that they suffered unimaginable before death. of fear.

That's right, Bai Yunfei is cultivating a demon special skill 'Tian Mo Zhu Lie'.

At that time, after Bai Yunfei successfully brought Demon Zun out of the ghost world and helped him reshape his body, Demon Zun Gone admired Bai Yunfei very much, and taught many Demon Clan stunts at that time, 'Tian Mo Zhu Lie' was one of them.

To cultivate Heavenly Demons, it requires an extremely cruel process, which is to continuously absorb the souls of virgins and girls.

But if you practice it, your strength will be raised to a whole new level.

At that time, when the Demon Lord Gone was teaching, he warned Bai Yunfei that when he was not in a desperate situation, he must not rashly practice Tianmo Zhulie, because among the early demons, very few people practiced it.

Bai Yunfei has always kept it in his heart.

However, a month ago, after the battle of the Five Poison Sects, the Demon Lord Gone went to the Divine Realm, and after that, there was no news of him. After that, Bai Yunfei was captured by the Haotian Divine Sovereign and almost lost his soul.

After that, Bai Yunfei was rescued by King Guangping. After the injury recovered, Bai Yunfei originally planned to continue to wait for the news of Demon Lord Gone, but a month later, there was still no news of Demon Lord Gone.

This made Bai Yunfei very anxious, and finally, after some careful consideration, he decided to practice Heavenly Demon Zhulie.

Bai Yunfei has thought about it, as long as he improves his strength, even if His Excellency Mozun is not there, he can fight against a powerful enemy like Haotian Shenjun.

After making the decision, Bai Yunfei asked King Guangping to set aside the Hall of Prayer for his own cultivation.

Because of this, when King Guangping was about to attack the Northern Ying Continent, Bai Yunfei did not follow the army, but coerced Ren Yingying to help.

Phew...

At this time, Bai Yunfei absorbed the soul of the last virgin in front of him and slowly opened his eyes, without the slightest excitement, instead he looked extremely sinister.

“Li Dong.” In the

next second, Bai Yunfei spoke lightly and shouted out of the hall.

As soon as the words fell, a captain of the guards rushed in, with a respectful look on his face: “What is your order?”

Li Dong was a captain of the guards in the palace. Before the royal expedition, King Guangping specially instructed him to take care of all the affairs of Bai Yunfei’s cultivation.

Bai Yunfei glanced at Li Dong lightly, pointed at the corpse in front of him, and said coldly, “This is all the boys today?”

Chapter 4220

When he said this, Bai Yunfei’s eyes were cold, revealing a trace of anger.

To cultivate the Heavenly Demons, at least 20 virgins are needed every day, but Li Dong only prepared 16 today, how can he not be angry?

puff.

Feeling Bai Yunfei’s anger, Li Dong was sweating profusely, and hurriedly knelt down, tremblingly said: “Your Excellency, calm down, these past few days, my subordinates have been looking for virgins and virgins in the imperial city to agree to the conditions, and I dare not show any slights.” It’s just... that there are constantly missing children, and the entire imperial city is panicking

. Many people with children have quietly fled. Today, my subordinates tried their best to find sixteen.”

Stop kowtowing: “Don’t worry, Your Excellency, I will try my best to find four more.”

Phew...

Hearing this, Bai Yunfei's face was extremely gloomy.

This Li Dong's ability to handle affairs is too poor. Just by looking for twenty virgins every day, he can leak the news, and also let those people with children escape.

Simply trash.

Seeing that Bai Yunfei did not speak with a cold face, Li Dong knelt there, not daring to stand up at all, not even daring to let out the air.

For a time, the atmosphere of the entire prayer hall was extremely depressed.

"Tsk tsk..."

At this moment, a chuckle came from outside the hall, and then a sweet voice sounded: "It is so difficult to find twenty boys and girls every day in an imperial city, you captain of the guards, Really stupid."

"Who?"

Hearing the ridicule, Li Dong shook his body and turned his head to look outside the hall: "Break into the palace hall and seek death."

Swish!

At the same time, Bai Yunfei also stared at the door of the main hall. I saw a slender figure walking in slowly.

This is a very beautiful woman.

A long black and red dress perfectly showed her graceful figure, her delicate facial features, charming eyes, and a terrifying aura all over her body.

Although it is beautiful, it gives people a feeling of coquettish charm, like a beautiful snake.

This woman is Ji Hongshang.

Swish!

Seeing Ji Hongshang, Li Dong's eyes were worth it, but he quickly stood up and shouted angrily, "Who are you?"

"But it was stopped by Bai Yunfei.

"You step back first." Bai Yunfei said lightly.

Li Dong didn't dare to neglect, he responded and hurried out of the hall.

As soon as the forefoot left, Ji Hongshang showed a smile and flew towards Baiyun with a salute: "My subordinate Ji Hongshang, see the sect master." Before in the Five Poison Sect, Ji Hongshang used to call Bai Yunfei the sect master.

Um!

Bai Yunfei nodded and looked at Ji Hongshang up and down: "Where have you been all this time?"

When he spoke, Bai Yunfei's face was indifferent, and his previous anger was gone. Ji Hongshang was the first Bai Yunfei to subdue. , so I trust her very much in my heart.

Before the battle of the Five Poison Sects, Ji Hongshang fled in the chaos, and Bai Yunfei was still a little worried. At this time, seeing her come back safe and sound, it seems that her strength has also improved a lot, which is very gratifying.

"metropolitan."

Ji Hongshang smiled lightly and stepped forward: "To tell the truth, after I swallowed the inner elixir of the ancient poisonous cockroach at the time, I escaped very far. Later, the inner elixir's power broke out, and my subordinates couldn't bear it for a while, so I fell into a coma. A forest."

"Later, I woke up in a daze and tried to integrate the power of the inner alchemy. Fortunately, I successfully merged it in the end. Now that the strength of my subordinates has greatly increased, I went around to inquire about the news of the suzerain, and learned that you were in the weather. The imperial palace, I rushed over." At the

end, Ji Hongshang was full of smiles.

Incorporating the inner liner of the ancient poisonous scorpion, the strength has more than doubled, can you be unhappy?

Haha...

Knowing the situation, Bai Yunfei showed a smile and nodded in relief: "Okay, very good, you have successfully integrated the inner elixir of the ancient poisonous scorpion, and your strength has increased a lot, which is really gratifying."

Ji . Hongshang is his most trusted subordinate. Now that her strength has increased greatly, she naturally wants to be happy for her.

Ji Hongshang smiled and asked, "Sect Master, I heard that you asked King Guangping to lead troops to conquer the Northern Ying Continent. Are we going to start unifying the Kyushu Continent?"

"That's right."

Bai Yun Fei nodded: "Originally, this matter needs to be decided by Your Excellency Mozun, but he is not in Kyushu now, so I can only take the first step."

The ultimate husband in Chinese chapter 4221-4230

Chapter 4221 is

great.

Hearing this, Ji Hongshang was very excited. The reason why she recognized Bai Yunfei as the master was to make her famous in the world. At this time, she was very happy when she learned that Bai Yunfei wanted to unify Kyushu.

Of course, she didn't forget the more important thing, that is, killing Yue Feng and destroying the Ouyang family.

Thinking of this, Ji Hongshang couldn't hide the urgency in her heart, and pleaded with Bai Yunfei: "Sect Master, I have something to ask for."

At this time, Bai Yunfei was in a good mood, smiled and nodded: "Speak."

Hu. ..

Ji Hongshang bit her lip lightly and said slowly: "Before my subordinates came, they have gathered up the foundation of the Five Poison Sects who had been living in all directions, nearly tens of thousands of people."

"Since the sect master is ready to conquer other continents, the subordinate also wants to show his strength. Isn't King Guangping attacking the Northern Ying Continent now? The subordinate wants to lead the disciples of the Five Poison Sect to eradicate those sects that do not obey us in the Jiuzhou rivers and lakes.

"The sects of Jianghu are not small forces, as long as these sects are eradicated now, when the army is overwhelmed, the resistance of other continents will be weakened a lot."

When saying this, Ji Hongshang looked serious . .

Hmm...

Bai Yunfei nodded and smiled: "Your proposal is very good, which continent are you planning to start from?"

At this time, Bai Yunfei was in a very comfortable mood.

This Ji Hongshang was really caring, and she shared her worries as soon as she came back.

"Earth Circle Continent!"

This chapter is provided by . Visit for daily update.

Ji Hongshang's eyes flickered and she said without hesitation, "Furthermore, the first Jianghu faction to be eliminated is the Ouyang clan. The Ouyang clan is famous. As long as they are eliminated, other sects will be greatly affected."

When it comes to Ouyang In the family, Ji Hongshang's eyes were full of hatred and anger.

Thinking of the scene of her sister's tragic death, Ji Hongshang couldn't wait to peel Yue Feng's cramps.

"No."

However, upon hearing this, Bai Yunfei smiled and said without doubt, "The Ouyang family has to be kept for the time being and cannot be removed first."

Ren Yingying is still helping herself to attack the Northern Ying Continent. Ji Hongshang must rebel against the Ouyang family. After all, Ren Yingying is Yue Feng's woman.

In this case, Bai Yunfei didn't want to stimulate Ren Yingying.

"Why?"

Ji Hongshang was stunned when she was rejected, her delicate and charming face was full of puzzlement: "With the current strength of my subordinates, even if Wen Chou Chou and Sun Dasheng join forces, I am not afraid, and I can easily defeat them. They killed them, why is the Sect Master not allowed."

Bai Yunfei was too lazy to talk nonsense, and waved his hand: "There is no reason, I will not allow it."

After speaking, Bai Yunfei looked into Ji Hongshang's eyes: "What? You want to disobey my order? "

Hoo!

At this moment, Ji Hongshang took a deep breath and looked at Bai Yunfei quietly, feeling very unwilling.

A few seconds later, Ji Hongshang smiled charmingly: "How dare your subordinates, what the sect master says is what you say." After speaking, she walked over slowly and rubbed her shoulders and back for Bai Yunfei, looking as gentle as water.

Seeing her submissive look, as before, Bai Yunfei was very satisfied.

At this time, feeling the tenderness of Ji Hongshang, Bai Yunfei closed his eyes very comfortably, and then thought about it and said, "Ji Hongshang, there is one more important thing than eradicating Jianghu Sect."

Then, Bai Yunfei explained in detail about his cultivation of Heavenly Demons.

"That Li Dong is a complete waste. From now on, you will help me find twenty virgins every day, and when I become Heavenly Demon Killer, you will accompany me to conquer Kyushu."

When he said this, Bai Yunfei The voice was gentle, but unmistakable.

This....

Hearing this, Ji Hongshang bit her lip lightly, there was no mood swing on her face, but she was extremely reluctant.

This Bai Yunfei, he thought he was the master at first, wanted him to help him kill Yue Feng, but now half a year has passed, Yue Feng is still alive and well.

But now, he has enough strength to destroy the Ouyang family, but he is stopped by him.

Since this suzerain can't count on it, the old lady can't count on it.

Thinking of this, Ji Hongshang's eyes flashed with a hint of coldness, but there was a charming smile on her face, and she gently agreed: "Sect Master ordered, the subordinates will naturally do their best."

Chapter 4222

"When I finish serving the suzerain, I'll go look for virgins and virgins."

Well!

Bai Yunfei nodded, feeling very comfortable at this time.

Because her back was facing Ji Hongshang, Bai Yunfei couldn't notice the change in her expression at all.

After serving for a while, Ji Hongshang left.

When walking out of the Blessing Hall, Ji Hongshang's delicate face showed a charming smile.

“Why are you crying? If you cry again, you will be thrown into the moat.” At this time, one of the disciples of the Five Poison Sect, with a fierce look on his face, scolded the children angrily.

It's just that these children were frightened, and when they heard the angry shouts, they cried even more fiercely.

Seeing this scene, the Non-Poison Sect disciple pulled out a soft whip and was about to step forward to teach these children a lesson.

“Retreat.”

At this moment, Ji Hongshang couldn't help but let out a coquettish snort and scolded: “I can't do this little thing well, it's a waste, you broke the child, how can I use it?”

” Yes...” The disciple was ashamed, and quickly put away the soft whip and stepped aside.

Ji Hongshang stopped talking nonsense, turned around, and showed a smile at the children.

Huh...

Seeing such a beautiful woman and a child who was still crying, she stopped her tears and focused her eyes on Ji Hongshang.

“Children.”

At this time, Ji Hongshang smiled and said comfortably: “Don't be afraid, my sister is arresting you, not to harm you, we are orthodox Jianghu sects, passing by here today, want to recruit some disciples, look Since your qualifications are good, I brought you here.”

At this time, Ji Hongshang smiled like a flower, but in her eyes, there was a venomous snake-like coldness.

Jianghu Zongmen?

Hearing this, those children were stunned for a while, and they were not so afraid anymore.

In the cognition of these children, those orthodox sects on the rivers and lakes are all chivalrous and righteous, hoeing the strong and helping the weak, helping the weak, and will not bully children. Seeing that they were not so nervous anymore, Ji Hongshang smiled lightly and said, “Yes, don't be afraid, my sister asked you, do you want to join the sect and become a

cultivator?" The twenty children looked at each other in dismay, and because they were timid, they did not dare to respond rashly. Finally, an older boy took a step forward with courage and said to Ji Hongshang: "Think, I have dreamed of becoming a cultivator and eradicating evil." Fear, they all spoke up. "I think so too." "Can I really join the sect?" "Sister, you won't lie to us, will you?"

Chapter 4223

Seeing that the children were suspicious, Ji Hongshang showed a smile and nodded: "Sister won't lie to you, you are all specially selected, as long as you are willing, I will accept you as disciples immediately."

Said, Ji Hong Chang took out a small porcelain bottle from his body, which was filled with green pills: "Have you seen these pills? This is specially made by me for you disciples who are beginners. As long as you take it, you can become a cultivator. It 's over."

When she said this, Ji Hongshang's evil and charming face could not hide the treacherousness.

The elixir she took out was the treasure of the Five Poison Sect, the Five Poison Soul Eater Pill. Big hair, completely lost my mind.

Ji Hongshang's plan is very simple, give these children the Five Poisons Soul Eater Pill, and then send them to Bai Yunfei. Once Bai Yunfei absorbs the souls of these children, the poison will spread to him, and then he will practice Heavenly Demon Punishment. , will inevitably fail.

Ji Hongshang knew that Bai Yunfei was so powerful that it would be difficult to subdue him by other means. You can only use the 'Five Poison Soul Eater Pill'.

After these children take the 'Five Poison Soul Eater', their body will be full of highly poisonous, but within six hours, there will be no abnormality on the surface, but if they are too afraid, the toxicity will occur earlier.

It is precisely because of this that Ji Hongshang treats these children in a kind manner, just to appease their fearful hearts, so as to avoid mistakes when they are sent to Bai Yunfei.

Whoa!

At this moment, after listening to Ji Hongshang's words, the twenty children were all inexplicably excited, and they all stared at the porcelain bottle in Ji Hongshang's hand.

"Beautiful sister..."

Then, the older child summoned up his courage and said to Ji Hongshang: "After taking this pill, can I really become a cultivator?"

The words fell, and the other children also looked at Ji Hongshang closely, all of them inexplicably excited.

Ji Hongshang smiled and nodded: "Of course, my sister won't lie to you, come, eat it all." As

soon as the voice fell, the older child hurried over and took the first one, without any He hesitated to swallow.

The other children were also extremely excited, gathered around one by one, and took out the pills to take.

Seeing this scene, Ji Hongshang showed a smile and felt very happy.

Bai Yunfei, ah, Bai Yunfei, in the past six months, I have pinned all my hopes on you, and I am willing to be your sidekick, but what did I get in the end?

So, don't blame me either.

Thinking to herself, Ji Hongshang smiled at the twenty boys and girls and said, "Okay, you have all taken the pills, now go to the palace with me, there is a big man in the palace who will teach you all. Unskilled."

After saying this, Ji Hongshang took the lead in walking towards the imperial city.

Whoa!

Hearing this, the twenty children were extremely excited and quickly followed behind.

Soon, when they arrived at the main gate of the palace, Ji Hongshang revealed her identity, and the two guards guarding the gate did not dare to neglect and quickly let go.

King Guangping had specially explained that Bai Yunfei's friends were the distinguished guests of the palace, and these guards naturally did not dare to offend.

great.

Seeing this scene, the twenty children who followed Ji Hongshang were extremely excited and admired.

This beautiful sister is so talented that she can enter and leave the palace freely.

Excited, these children completely let down their guard.

Finally, we arrived at the Prayer Hall.

Ji Hongshang stepped forward quickly and respectfully said to Bai Yunfei, who was still meditating: "Sect Master, the twenty boys and girls have been found."

Haha...

Bai Yunfei opened his eyes and saw Ji Hongshang. The twenty children behind them suddenly smiled, nodded approvingly and said, "Okay, very good, Ji Hongshang, you are the person I trust the most, you have come here so quickly."

When he said this, Bai Yunfei. When I glanced at the children, I noticed that they were all calm, and some even looked very excited.

For a time, Bai Yunfei felt a little strange.

Aren't these kids afraid?

Chapter 4224

You must know that the children that Li Dong caught before were all crying and making a fuss.

But in front of them, one by one, something good happened.

broken.

Seeing Bai Yunfei's expression, Ji Hongshang suddenly felt uneasy in her heart, but her mind was quick, she quickly thought of a way, and said with a fake smile: "Don't worry, Sect Master, I have taught these children, they will not be noisy. It is convenient for you to cultivate in peace."

"Okay, very good."

Hearing this, Bai Yunfei smiled and said with great relief: "I am very relieved when you do things."

When he said this, Bai Yunfei completely let go Suspicion.

At this time, Bai Yunfei had never imagined that behind Ji Hongshang's docile surface, there was a murderous intention.

call!

Seeing that Bai Yunfei no longer doubted, Ji Hongshang secretly exhaled, and then smiled: "Then master, let's practice, the subordinates are temporarily retired." After speaking, he left the prayer hall.

But outside, Ji Hongshang did not leave, but hid in the dark, quietly observing the situation in the prayer hall.

At this time, in the prayer hall.

Bai Yunfei smiled and looked at the twenty boys and girls in front of him, feeling very comfortable.

Sure enough, Ji Hongshang was still very efficient. That Li Dong was just a waste. Yesterday, only 16 were sent, and the spirit of four boys was missing. There was almost no progress in yesterday's practice. It's past midnight now, so I have to step up my practice.

Thinking of this, Bai Yunfei waved at a boy in front of him: "You... come here."

The boy didn't hesitate at all, he came over happily, and said, "Sir, are you trying to pass on my unique skills?" Bai Yunfei was dressed in white, handsome and stylish, and looked more skilled than the teacher, so he subconsciously called Mr.

The boy didn't realize the danger yet, and thought that Bai Yunfei was going to teach him the unique skills of kung fu.

At the same time, the other children looked at Bai Yunfei one by one with longing and expectation in their eyes.

Taught esoteric?

Hearing this, Bai Yunfei was stunned for a moment, then laughed, nodded and said, "Yes, I just want to teach you the unique skills. Come on, do it well in front of me."

When he said this, Bai Yunfei secretly applauded . .

This Ji Hongshang has quite a set of tricks, and she actually lied to these children, saying that she wants to teach the secret skills, no wonder they are so well-behaved.

Bai Yunfei was thoughtful, and he guessed it right at once, but he didn't guess that Ji Hongshang's arrangements were not only these.

Um!

Hearing Bai Yunfei's order, the boy immediately sat down in front of him.

Om...

At this moment, Bai Yunfei didn't hesitate at all, the power of the devil's soul urged him, then he raised his right hand and placed it directly on the boy's head.

A powerful force poured out from Bai Yunfei's right hand and began to frantically absorb the boy's soul.

The boy's body was shocked, and he only felt indescribable pain. He washed all over his body, his brain was buzzing, he couldn't move, and he didn't even have the strength to speak.

puff.

After more than ten seconds, the boy's face was pale, and he died immediately, and fell to the ground. Because the soul has just been absorbed, the boy's appearance seems to be fine, as if he is asleep.

This...

Seeing this scene, the other virgins were all stunned.

Afterwards, the older boy couldn't help but asked Bai Yunfei, "Sir, what's wrong with him?"

"The exercises I taught were too strong, he couldn't support it, and temporarily fainted."
"Bai Yunfei said with a smile.

Speaking of which, Bai Yunfei didn't want to lie and lie to them, but in this way, these children would not be troubled and troubled.

Phew...

Hearing this, those virgins were relieved, it turned out that they couldn't bear it and passed out.

At this time, Bai Yunfei beckoned to the other one: "It's your turn!"

The boy hurriedly trotted over, without waiting for orders, he did a good job in front of Bai Yunfei.

Bai Yunfei didn't talk nonsense, still running the demon soul, and then began to absorb the soul.

Puff, puff....

Soon, two minutes passed, Bai Yunfei had absorbed the souls of ten virgins, and these virgins, without exception, died of exhaustion, lying there motionless.

Chapter 4225

These children don't know until they die, they have been deceived.

"They..."

Just when Bai Yunfei was about to greet the eleventh, suddenly, a virgin found something, pointed at the bodies of the ten virgins, and exclaimed: "They're face black, It's dark..." The

voice fell, and the remaining boys and girls hurriedly looked at them, and saw the little friends who had fallen to the ground before, all of them were black and frightened, and they were obviously dead.

"They're dead..."

"It's scary."

"Wow..."

Under the fright, these virgins were all panicked and burst into tears. pants.

Swish!

Bai Yunfei was so arrogant that his face instantly turned hideous, and he shouted angrily: "Shut up whatever you cry."

However, when he shouted so angrily, these ten children cried even more fiercely, even two of them, plucked up their courage Running outside the hall, these children already understood that this handsome man in front of him did not want to teach them the exercises, but to kill them.

A few stinky little dolls, still trying to escape from under my nose?

At this moment, Bai Yunfei was furious and stood up abruptly, about to catch the two children who escaped, but just standing up, his brows suddenly wrinkled.

Mad, something is wrong.

Bai Yunfei frowned, his face very bad.

I was fine just now, why suddenly, the power of the demon soul in the body, there are faint signs of disorder?

At this time, Bai Yunfei clearly felt that not only did the power of the demon soul show signs of disorder, but he couldn't exert any strength all over his body, and he even felt paralyzed.

This is clearly a sign of poisoning.

How could this be?

“Run.”

Just as Bai Yunfei frowned secretly, the remaining eight boys and girls, who didn't know who shouted, immediately ran out of the hall shouting.

Bai Yunfei was so

frightened that he endured the discomfort in his body. He grabbed a little girl and said coldly, “Tell me, who has poisoned me?” : “You bad guy, let me go, I didn't poison, and I don't know who did it.”

“Ma De, I didn't poison, how could my demon soul suddenly become disordered?” Bai Yunfei at this time, in a rage, Has lost his mind, shouting at the little girl.

“I...”

Feeling Bai Yunfei's anger, the little girl kept crying, shaking her head and saying, “I don't know, I really don't know...”

Buzz!

At this moment, a powerful aura erupted from outside the hall, and then, a slender figure, as fast as a shock, rushed from behind and slapped Bai Yunfei with a palm!

It was Ji Hongshang!

To be honest, if it was before, Ji Hongshang would never have dared to raid Bai Yunfei, but when she heard the movement of the Prayer Hall just now, Ji Hongshang knew that Bai Yunfei was successfully poisoned, and her attention at this time was right in front of her eyes. The little girl was completely defenseless. How could Ji Hongshang miss such a good opportunity? !

hum!

Rushing to the front, a powerful aura burst out from Ji Hongshang. .

“Ji Hongshang?”

Bai Yunfei was taken aback when he felt the movement behind him. He instinctively turned his head. After seeing Ji Hongshang, he immediately burst into anger and shouted coldly.

At this time, Bai Yunfei was not only angry, but also a little shocked.

He never thought that Ji Hongshang, who had always been loyal to him, would suddenly attack.

“Sister, save me!”

At the same time, seeing Ji Hongshang, the little girl cried out as if she had grabbed a life-saving straw: “This gentleman is a bad guy, he killed them.” The

little girl has a naive personality, until now I thought Ji Hongshang was a good person.

Facing the little girl’s cry for help, Ji Hongshang’s face did not fluctuate in the slightest, her eyes only locked on Bai Yunfei tightly.

“Sect Master!” In the

blink of an eye, Ji Hongshang was in front of Bai Yunfei, her evil and charming face couldn’t hide the coldness: “I don’t want this either, but you disappoint me, since you can’t help me deal with Yue Feng With the Ouyang family, I can only do it myself. So I want to get rid of you.” As

she spoke, Ji Hongshang burst out with all her strength and slapped it with a palm.

The ultimate husband in Chinese chapter 4226-4230

Chapter 4226

“You’re courting death!”

Bai Yunfei was furious when he saw Ji Hongshang slapped with a palm.

boom!

This palm slammed into Bai Yunfei’s body, and a dull vibration was heard, Bai Yunfei’s body trembled, and he was knocked back ten steps.

At the same time, the little girl also flew out, hit a pillar, and fainted directly.

Speaking of which, if it was before, it would be difficult for Ji Hongshang to hurt Bai Yunfei, but after combining the power of the ancient poisonous scorpion’s inner alchemy, her strength has grown by leaps and bounds. In addition, Bai Yunfei has been

poisoned, and the power of the demon soul has appeared. The signs of disorder, Ji Hongshang had the opportunity to take advantage of it when the body was at its weakest.

“You...”

At this time, Bai Yunfei struggled to stand still, his face was extremely gloomy, and he glared at Ji Hongshang: “Ji Hongshang, you dare to betray me?”

Ji Hongshang smiled charmingly: “My good Sect Master , I didn’t want to betray, but who told you to promise to help me kill Yue Feng, but you delayed it again and again? Now I have enough strength to deal with the Ouyang family, and I was stopped by you. I am not reconciled.

” Hearing this ,

Bai Yunfei was extremely angry, and wanted to kill Ji Hongshang immediately, but the power of the demon soul in his body became more and more disordered, and he couldn’t use it at all.

In this case, Bai Yunfei had no choice but to try to suppress the disorder in his body.

“Hee hee...”

Seeing Bai Yunfei’s expression, Ji Hongshang showed a charming smile, and said very proudly: “Sect Master, don’t waste your energy, you can’t solve the poison I gave you at all.”

Shuh! ?

This chapter is provided by . Visit for daily update.

Hearing this, Bai Yunfei was furious and at the same time extremely shocked!

Is the poison from Ji Hongshang? What kind of poison is this so powerful, I didn’t even notice it at all!

At this time, Ji Hongshang walked slowly, smiling like a beautiful snake, took out a porcelain bottle from her body, and looked at Bai Yunfei with a smile: “Sect Master, at this point, I will tell you the truth. Our Five Poison Sect’s treasure is the Five Poison Soul Eater Pill.”

“The Five Poison Soul Eater Pill is refined from ninety-nine to eighty-one kinds of poisonous insects, and no one in the world can solve it except our Five Poison Sect. “

I know that this kind of poison won't kill you, but aren't you practicing the stunt of slaying the devil? I think, if the devil soul in your body is completely disordered, the consequences will be serious, right?"

Mad!

Hearing this, Bai Yunfei was furious and stared fiercely at Ji Hongshang, wishing she could cramp and peel off her skin.

The young master of his dignified Bai family, by his own power, rescued the Demon Lord from the ghost world. His achievements are unparalleled. His current strength is even the best in Kyushu, but he was planted in Ji Hongshang's hands today. inside.

What made him even more unacceptable was that he trusted Ji Hongshang so much.

This is simply a disgrace!

"Sect Master!"

Seeing that Bai Yunfei's face was changing and he was very angry, Ji Hongshang said proudly: "Sect Master, are you thinking about how I poisoned me, hee hee, let me tell you the truth."

Saying that, Ji Hongshang pointed to the corpses of the ten children next to her, her eyes flashing cruelly, and continued: "Before I brought them, I made them take the Five Poison Soul Eater Pill, and you absorb their souls. I was poisoned before I knew it, how about it? Did you not expect it?"

Swish!

Hearing this, Bai Yunfei's face changed: "Okay, very good... You planned very well, but have you ever thought about it, even if my demon soul power is disordered, you can't kill me, because I am a demon The descendants of the clan..."

At this time, Bai Yunfei was extremely angry, but just after scolding a few words, his body suddenly trembled, and his face suddenly turned blue and white.

First, he was poisoned by the five poison soul-devouring pills, which caused the demon soul to become disordered. Now, Bai Yunfei was attacked by the anger of anger, and he could no longer control the power in his body.

"Hee hee!"

Hearing this, Ji Hongshang looked thoughtful: "You are right, you are a descendant of the demon race, it is very difficult for me to kill you, but if I absorb you What about the power of the Demon Soul?"

Swish!

At this moment, Bai Yunfei's heart was shocked, panic and anger.

Yes, Ji Hongshang can't kill herself completely, but she can absorb the power of her demon soul.

Chapter 4227

"I'm going to kill you... ah..."

Under the anger, Bai Yunfei howled wildly, and wanted to rush over to kill Ji Hongshang, but the power of the demon soul in the body was completely violent, Totally out of control.

Buzz...

Under the madness of power, the entire prayer hall was shaking violently, and I saw that the power of the terrifying demon soul escaped from Bai Yunfei.

boom!

A few seconds later, Bai Yunfei couldn't bear it anymore, his figure fell to the ground with a bang, and passed out.

At the same time, a violent force broke out from his body.

Seeing this situation, Ji Hongshang didn't have time to think, and immediately sat cross-legged, and began to integrate the power of the demon soul that Bai Yunfei had scattered.

Speaking of which, Ji Hongshang was not a descendant of the demon race, so it was impossible to absorb Bai Yunfei's demon soul power, but she had previously integrated the inner elixir of the ancient poisonous scorpion, and the ancient poisonous scorpion had survived for nearly 10,000 years. , At that time, there were many demons domesticating the poisonous scorpion, so the ancient poisonous scorpion and the demons have a deep relationship. In this case, Ji Hongshang can naturally integrate the power of the devil's soul.

Of course, Ji Hongshang didn't know the origin of the ancient poisonous scorpion and the demons, and she just decided to do it temporarily, which was a mistake.

Huh... I

don't know how long it took, Ji Hongshang absorbed the power of the devil's soul, and the face that was originally coquettish seemed even more evil and charming, and the whole body was full of tyrannical aura.

At this time, Bai Yunfei was completely fainted, his face was pale, and his whole body was weak.

He is a descendant of the demon race. Although Ji Hongshang absorbed the power of the demon soul, it is difficult to die.

Um?

At this moment, Ji Hongshang was about to stand up when she suddenly saw something in Bai Yunfei's arms. She was very curious and pulled it out.

I saw that it was a golden book, and this book was exactly what Bai Yunfei was going to give to Ren Yingying.

Ji Hongshang opened it and looked at it, and was immediately overjoyed.

Great.

I was still worried that after rushing to absorb the power of the demon soul, what should I do if something bad happened, but I didn't expect that Bai Yunfei had a secret formula for 'solving the backlash of the power of the demon soul'.

With this cheat book, I don't have to worry about the backlash of the demon soul.

Thinking to herself, Ji Hongshang was indescribably happy, so she quickly put away the secret book.

Whoa!

At this moment, there was a sound of footsteps outside, and soon, dozens of royal guards were seen rushing in.

The one at the head, dressed in silver armor and majestic, is the commander of the palace guards, Peng Yunhai.

After King Guangping became emperor, he had cultivated a lot of powers over the years, except for Nie Yunxiao, who was able to stand on his own, was this Peng Yunhai.

Speaking of which, the Prayer Hall is a forbidden place. Peng Yunhai and these guards were not qualified to break in directly. It was just that Bai Yunfei's demon soul was

disordered, and the breath was completely violent. The surging breath attracted the air around the Prayer Palace. Severely twisted.

In this situation, Peng Yunhai felt the movement, and immediately brought his subordinates to take a look.

After all, Bai Yunfei was King Guangping's guest. If he made a mistake, it would be difficult for him to do business.

Swish!

Entering the Blessing Palace and seeing the scene in front of him, both Peng Yunhai and the guards behind him were all stunned, shocked and angry.

I saw that more than a dozen children fell to the ground, their faces were black, and they had been dead for a long time. On the other side, Bai Yunfei was lying there, his face was pale, and he was unconscious.

Beside Bai Yunfei, Ji Hongshang stood there beautifully, with an unparalleled beauty, that charming curve almost aroused infinite reverie, but the whole body was filled with a suffocating terrifying aura.

"This..."

Finally, Peng Yunhai reacted, staring at Ji Hongshang and asking angrily, "Sect Master Ji, what's going on? What's wrong with Your Excellency Bai Yunfei?"

As the commander of the palace guards, Peng Yunhai's natural way, what Bai Yunfei has done these days, so he doesn't care much about the corpses of those children on the ground.

Peng Yunhai only cares about Bai Yunfei's life and death.

You must know that Bai Yunfei is His Majesty's honorable guest, and if something happens to him, he cannot escape responsibility.

Chapter 4228

"Nothing." The corners of

Ji Hongshang's mouth twitched, revealing a charming smile, and said lightly: "My sect master has absorbed too many boys' souls recently, and he couldn't bear it for a while, and temporarily passed out."

Said After that, Ji Hongshang glanced at Bai Yunfei lightly, and continued: "I have seen it just now, he is fine, just rest for a few days."

Comatose?

Hearing this, Peng Yunhai frowned.

At this time, Ji Hongshang was too lazy to talk nonsense, walked over slowly, and hugged Bai Yunfei: "In order to let the sect master rest in peace, I will take him away first. If your majesty comes back, just tell him the news."

Saying these At the time, Ji Hongshang looked serious, but treacherousness flashed in her eyes.

Ji Hongshang was very careful. He knew that Bai Yunfei was very difficult to kill. If he left Bai Yunfei here, when he woke up, his surprise attack would definitely be exposed.

Moreover, Ji Hongshang still didn't understand many things about the golden cheat book that he just got, so the best way is to take Bai Yunfei with him, and when he wakes up, it's easy to ask.

"No!"

Hearing this, Peng Yunhai refused without even thinking: "Before your Majesty left, I specially explained that I will do my best to guard Your Excellency Bai Yunfei, you can't take him away."

At this time, Peng Yunhai, His heart was full of vigilance, and his eyes were fixed on Ji Hongshang.

This woman is very strange. Since Bai Yunfei is in a coma, it would be good to rest in the palace. After all, this is the safest place, but she wants to take people out, which is really suspicious.

Thinking to himself, Peng Yunhai raised his hand.

wow.

In an instant, he got a signal, and the dozens of guards behind him immediately dispersed and surrounded Ji Hongshang.

At the same time, Peng Yunhai said with a faint smile, "Sect Master Ji, I know you belong to Your Excellency Bai Yunfei, but please don't make me embarrassed."

Shuh!

Seeing this situation, Ji Hongshang's beautiful face was instantly gloomy and cold, and a burst of anger rose in her heart.

This Peng Yunhai dared to stop himself, he really didn't know whether to live or die.

In the next second, Ji Hongshang was too lazy to talk nonsense, and said coldly to Peng Yunhai: "This seat has limited patience, I have to take him away today, get out of my way quickly, lest this seat get angry."

What a crazy woman!

Hearing this, Peng Yunhai's face instantly flushed red, and his heart was also extremely frightened.

But a head of the Five Poison Sect dares to be unrestrained in the palace, who gave her the courage?

At this time, Peng Yunhai didn't know, if it was before, Ji Hongshang did not dare to be so arrogant, but now and then, Ji Hongshang not only integrated the inner core of the ancient poisonous scorpion, but also absorbed Bai Yunfei's demon soul just now. The power, the strength greatly increased.

In this case, let alone Peng Yunhai, even if King Guangping came back, Ji Hongshang would still ignore it.

"Sect Master Ji."

Finally, Peng Yunhai reacted, took a step forward, pointed at Ji Hongshang and shouted angrily: "I have given up again and again, you don't know what to do, you can leave, but Your Excellency Bai Yunfei must stay, otherwise Don't blame me for being rude."

"You are courting death!" Ji Hongshang was completely impatient, her charming and coquettish face showed a bit of killing intent.

"Insanity!"

Hearing this, Peng Yunhai was completely furious. After shouting angrily, a powerful breath burst out from Peng Yunhai's body, and then he clenched a long knife and stabbed Ji Hongshang straight.

hum!

I saw that where the long knife passed, the air was suddenly torn apart, and the power was amazing.

Seeing Peng Yunhai burst out, Ji Hongshang's beautiful face was full of contempt.

"I didn't want to pay attention to you, but if you insist on courting death, then you can't blame me." Ji Hongshang's red lips lightly opened, and she spit out a word coldly, and

then the whole body's power exploded. In an instant, the entire prayer hall was instantly swept away by a terrifying force. Full of power.

Hiss...

Feeling the terrifying power of Ji Hongshang, both Peng Yunhai and the guards couldn't help but gasp.

Especially Peng Yunhai, he just felt that it was difficult to breathe.

This Ji Hongshang, who was not much stronger than himself before, was only good at poisoning, but after not seeing him for a few months, his strength has become so terrifying.

Chapter 4229

Not only that... Her burst of power seems to be somewhat similar to that of Your Excellency Bai Yunfei.

How could this be?

Muttering in his heart, Peng Yunhai only felt that his head was getting bigger.

He didn't know that Ji Hongshang absorbed the power of Bai Yunfei's demon soul, so the power that erupted was so powerful and evil.

In shock, Peng Yunhai's speed also slowed down.

"Die!"

It was at this moment that Ji Hongshang raised her jade hand and called directly to Peng Yunhai's heart. It seemed light and fluttering, but it was lightning fast.

boom!

This palm hit Peng Yunhai's heart. At that time, he heard a scream, and Peng Yunhai was shocked and flew out, flying dozens of meters away, and then fell heavily on the floor at the entrance of the main hall. At that time, a mouthful of blood spurted out, the pupils dilated, and there was no breath.

This...

Seeing this scene, dozens of guards were shocked, and they all froze in place, not daring to come out.

This Ji Hongshang's strength is too terrifying, and Commander Peng was killed in one move, who would dare to go up.

quiet!

In an instant, the entire prayer hall was silent, almost audible needles falling.

At this moment, Ji Hongshang picked up Bai Yunfei again, glanced at the guards, and said lightly: "Who else is not convinced and wants to stop, just come up." The

voice was not loud, and it even sounded a little charming . , can be heard in the ears of the guard, but can't tell the gloomy and terrifying.

Ha ha..

Seeing this scene, Ji Hongshang smiled contemptuously and left quickly with Bai Yunfei. Phew... As soon as the forefoot left, dozens of guards breathed a sigh of relief, and then gathered around to check on Peng Yunhai's situation

. "The commander is dead..." "That woman is really scary, it's just a palm!" "Look, the death of Commander Peng is very similar to these children. Could it be that...she absorbed the power of Your Excellency Bai Yunfei?" "It's very possible..." Under the discussion, one of them realized that the matter was serious, and quickly shouted: "Quick, send someone to Beijing Continent to inform His Majesty, quick..." the other side , Northern Ying Continent. After King Guangping occupied Feilongguan, after a short rest, he continued to set off. After a few hours, he finally arrived at a valley dozens of miles away from the imperial city. King Guangping wanted to attack the imperial city immediately, but it was clear that one night, he had to order the army to camp in the valley. At this time, in the big tent, King Guangping invited Ren Yingying to discuss the siege plan together. "Yingying." King Guangping showed a smile, looked at Ren Yingying and said: "In the battle of Feilongguan, our army is as strong as a bamboo, and the momentum is like a rainbow. The so-called 'one rush, another decline, three exhausted.' In my opinion, let's go early tomorrow morning , I will launch an attack. I guess within two hours, the imperial city will be destroyed. What do you think?" When he said this, King Guangping's face was very polite, but his heart was extremely gloomy. To be honest, King Guangping didn't want to be so polite to Ren Yingying, but thinking that she was sent by Bai Yunfei, he could only suppress his dissatisfaction.

What's more, in the previous battle of Feilongguan, Ren Yingying showed a strong strength, which also made King Guangping a little jealous.

Huh... Hearing this title, Ren Yingying

frowned and said angrily, "Don't call me Yingying, don't forget, our old accounts haven't been settled yet."

disgust.

King Guangping was very embarrassed, and at the same time, his heart was also filled with anger.

mad.

Because this Ren Yingying was sent by Bai Yunfei, it is really hateful that she doesn't take herself seriously.

At this time, King Guangping wanted to tear his face, but he held back and said with a smile: "Okay, if you don't like it, then I will call you Your Excellency. What do you think of my plan just now?"

Ren Yingying asked delicately. There was no fluctuation on his face, and he said lightly: "We came from Feilongguan, the soldiers are a little tired, and it is not suitable to attack tomorrow."

"Also, we have not explored the terrain of Beiyong Imperial City, and we will attack rashly, if we fail. , what should you do?"

This...

Hearing this, King Guangping was stunned for a moment, and then squeezed out a smile: "What are you afraid of, in the battle of Feilongguan, the Gonggong has been defeated by you, and now In the Northern Ying Continent, no one is stronger than Gonggong, even if she is defeated, who can be your opponent?"

Chapter 4230

Speaking, King Guangping continued hypocritically: "When the war starts tomorrow, your Excellency only needs to show up. I think that the defenders of the imperial city must have broken their minds and have no courage to fight again."

At this time, King Guangping, Just want a quick fix.

"No!"

However, Ren Yingying shook her head very simply, and said beyond doubt: "If you want to go to war tomorrow, you will go to war. I won't show up anyway. Anyway, my suggestion is to take a day off and go to war the day after."

After saying this, Ren Yingying didn't give King Guangping a chance to refute at all, got up and walked out of the big tent.

Yes, Ren Yingying didn't want to break the Beiyang Imperial City, because once the Beiyang Imperial City was broken, the entire Beiyang Continent would be completely occupied. This was not the result she wanted to see.

Therefore, Ren Yingying rejected the proposal of King Guangping.

call!

Soon, returning to the resting tent, Ren Yingying took a deep breath, her delicate face was full of worry.

The current situation, even if it is delayed for a day, will not change the hidden danger of the Northern Ying Imperial City being breached. After all, after Gonggong was defeated by himself, the entire Northern Ying continent was panicked, and the soldiers did not have the courage to fight again.

How to do it?

For a time, Ren Yingying frowned and fell into contemplation.

A few minutes later, Ren Yingying suddenly thought of something, and the whole person was excited, and she could help Beiyang mainland to find reinforcements. At that time, he pretended that he couldn't beat him, and then went back to ask Bai Yunfei for the cheats.

Yes, just do it.

After making up her mind, Ren Yingying walked out of the tent quickly, and sneaked into the Beiyang Imperial City while taking advantage of the night.

Ren Yingying plans to ask Su Qingyan to support Beiyang Imperial City. You must know that Su Qingyan is now the suzerain of Xia Yinzong, and Xia Yinzong is very powerful. Once they come to support, Beiyang Imperial City will definitely be able to defend. .

However, to deliver the message to Xia Yinzong, it is definitely not possible to find soldiers in the camp, so Ren Yingying thought about it and decided to go to Beiyang Imperial City to find someone to deliver the message.

the other side. in the big account.

Ren Yingying's extremely cold and arrogant departure made King Guangping very annoyed.

boom!

At this moment, King Guangping's face was gloomy, thinking of Ren Yingying's attitude just now, his heart became more and more angry, and he couldn't help but patted the table.

Ma De, this Ren Yingying, doesn't give himself any face at all, or else he has his own battle plan.

"Your Majesty!"

At this moment, a general walked in and said cautiously: "The whole army has already begun to rest, tomorrow morning, do you want to start the siege?"

King Guangping said angrily: "What city to attack? Tomorrow Continue to rest, that little bitch Ren Yingying doesn't show up, can you beat Gonggong?"

Uh...

Hearing the scolding, the general was very embarrassed, but he quickly thought of something and whispered: "Your Majesty, before coming in just now, my subordinates seem to have seen Ren Yingying leaving the camp and seem to be heading towards Beiyang Imperial City."

Huh?

At this moment, King Guangping froze there, frowning secretly.

This Ren Yingying, who doesn't want to attack the city tomorrow, is now taking advantage of the night to go to the Beiyang Imperial City. Could it be that she wants to cooperate with the enemy?

No, she has been subdued by Bai Yunfei, and it is impossible to betray her.

After thinking about it, King Guangping didn't guess Ren Yingying's intention. He didn't want to guess too much at the time. He ordered to the general: "Go, send someone immediately, and secretly guard all the exits of the imperial city. Once you find Ren Yingying coming out, come back and report immediately."

The general didn't dare to be negligent, and nodded quickly: "This subordinate understands." The

voice fell, and he quickly walked out of the big tent.

It was late at night, and King Guangping felt a little tired, so he waved the other generals out, then closed his eyes and rested.

Time passed by minute by minute.

Two hours later, the general walked into the tent quickly, and respectfully said to King Guangping: "Go back to your majesty, the last general will send someone to guard around the imperial city, and then Ren Yingying will return after half an hour in the imperial city. The big camp."

King Guangping was meditating when he was suddenly disturbed, and he was very unhappy, but he didn't have a seizure, but said lightly: "Since she came back half an hour ago, why are you so late?"

"Your Majesty!"

The general showed a smile and couldn't hide his excitement: "At that time, the general kept an eye on his mind, and let his soldiers continue to guard the major exits of the imperial city. As expected, when we were about to leave, we saw a sneaky person. He left the imperial city in a hurry, very suspicious, so I caught him."

The ultimate husband in Chinese chapter 4231-4240

Chapter 4231

said, the general was very excited: "The last general guessed that this person may have gone to rescue soldiers." Huh

..

Hearing this, King Guangping suddenly cheered up and waved his hand: "Where is the person? Bring it in."

The general replied, and quickly walked out of the tent, and after a while, he brought a person in, dressed in Jianghu clothes, with a cold and arrogant expression, and his strength was not low.

This person's name is Liu Heng, and he is the foundation of Guiyuanzong. Guiyuanzong belongs to a small sect in Beiyang mainland, but everyone has a chivalrous heart. Today, when he learned that Tianqi's army was attacking Beiyang Imperial City, he rushed out spontaneously. to support.

"Who are you?"

At this time, King Guangping looked at Liu Heng up and down, and asked coldly, "Leaving the imperial city late at night, what are you going to do? Tell

the truth." When he said this, King Guangping sternly said, A powerful royal aura pervaded his body.

Hehe...

However, feeling the momentum of King Guangping, Liu Heng sneered, without panic, and said lightly: "I am a person from the rivers and lakes, and I like to travel around. Is there anything wrong with leaving the imperial city late at night?"

" Liu Heng looked directly at King Guangping: "You are the emperor of the Apocalypse Continent. You rashly start a war. It goes against the law of heaven, arrests people casually, and violates public opinion. You'd better let me go."

Shua!

Hearing this, King Guangping frowned, feeling very angry.

This person is very talkative, he is the dignified Emperor Apocalypse, he actually said that it is not mine?

“Presumptuous!”

This chapter is provided by . Visit for daily update.

At this moment, the general standing by the side couldn't help but shout, and then kicked Liu Heng's leg, he heard Liu Heng snort and knelt directly there.

“You are robbers, bandits, why do you arrest me for no reason?” Liu Heng shouted with dissatisfaction on his face.

King Guangping was too lazy to talk nonsense, so he waved his hand: “Search it.”

The general next to him hurried up and searched Liu Heng carefully, and finally found a letter.

Swish!

At this moment, Liu Heng, who was still very calm, changed his face in an instant.

This letter was given to him by a mysterious woman, asking him to go to Xia Yinzong as soon as possible to rescue soldiers, but he did not expect that he would be arrested as soon as he left the imperial city.

But Liu Heng didn't panic at that time, thinking that if he revealed his identity, he would be let go. After all, he was not the defender of the imperial city, but he never thought that the letter of help would be found.

“Your Majesty!” The

general presented the letter to King Guangping.

King Guangping immediately opened the letter and looked at it. At that time, his face was gloomy and he was burning with anger. Because it was clearly written in the letter, it was to seek help from Xia Yinzong.

The Xia Yin Sect was powerful, and it was an ancient sect that could compete with the Heavenly Dao Alliance. Of course, King Guangping knew it.

“Who gave you the letter?” Wang Guangping looked at Liu Heng coldly and asked.

call!

Liu Heng took a deep breath, his face full of unyielding and perseverance: “I wrote it myself.” Although he is only a disciple of a small sect, Liu Heng has a tough personality and would rather die than tell the truth.

Hearing this answer, King Guangping didn't bother to talk nonsense: "Drag it out and behead it." The

voice fell, and the two soldiers walked in quickly and took Liu Heng out.

"His Majesty!"

At this time, the general leaned up and looked at the channel in the hands of King Guangping: "I see this handwriting, it is very similar to Ren Yingying's handwriting, look at this, she entered the imperial city just to find someone to deliver the letter."

Mad!

King Guangping's face was gloomy and he didn't respond, but his heart was burning with anger.

Ren Yingying, this bitch, really betrayed.

The more King Guangping thought about it, the more angry he became, and he wanted to bring someone to tie Ren Yingying, but thinking of Ren Yingying's strength, he forcibly suppressed his anger.

"Your Majesty!"

Seeing that King Guangping's face was gloomy and uncertain, the general said cautiously: "Then Ren Yingying is very strong, we might as well act on her rashly, but the last general has thought of a good plan to attack the city."

Said, the general pointed to The letter said: "We can order some loyal and brave soldiers to disguise themselves as disciples of the Xia Yin Sect and infiltrate the imperial city. When we attack the city, we should cooperate with the inside and the outside."

"At that time, we will definitely be able to attack without Ren Yingying's help. Go to the Imperial City."

Haha...

Upon hearing this proposal, King Guangping's eyes lit up, and he couldn't help but patted the table: "Okay, very good, this is a great idea."

Chapter 4232

King Guangping was very excited at this time.

Speaking of which, Ren Yingying has a demon soul, and King Guangping needs to rely on her strength if he attacks the imperial city.

But now that this method is in place, King Guangping doesn't need to look at Ren Yingying's face anymore.

Under the excitement, King Guangping was also a little annoyed.

This Ren Yingying is really hateful. On the surface, he wants to help the Tianqi army to attack the imperial city, but behind the scenes, he helps the enemy go to Xia Yinzong for help. Mad, after breaking the imperial city, he must not spare her lightly.

King Guangping thought about it, and immediately sent someone to deliver a letter to Bai Yunfei after he broke the imperial city.

call!

Thinking of this, King Guangping took a deep breath and instructed the general: "Wait, you first arrange the matter of the fake hero Yinzong, and after you are done, secretly spy on that bitch Ren Yingying, remember not to be discovered by her. That 's it."

Speaking of which, King Guangping didn't want to be so cautious, but there was no way, Ren Yingying was too strong and had to be careful.

"Yes, Your Majesty."

The general responded and walked out of the tent quickly.

.....

On the other side, Beiyong Imperial City.

Inside the Imperial City Hall, Gonggong was dressed in military uniform and sat on the main seat. His delicate face showed a bit of shame and dullness. Half a day ago, in the battle of Feilongguan, Gonggong was defeated by Ren Yingying. It was a great shame.

And now, King Guangping's army of several hundred thousand has already arrived at the imperial city.

At a critical juncture, Gonggong is almost at a loss.

King Guangping's army of 300,000 Apocalypse is not afraid at all, but that Ren Yingying has a demon soul and is too strong, and he is not an opponent at all.

On both sides of her sat dozens of imperial city generals, all of them frowning.

Ren Yingying in the enemy army, not even the Grand Marshal is an opponent, how to fight this battle?

Depressed, many generals couldn't help but talk.

"I didn't expect that the woman of the Kyushu hero Yue Feng would actually take refuge in the demons."

"It's not that, as far as I know, only the descendants of the demons have the demon soul. It can be seen that Ren Yingying is the descendants of the demons.

"What about Ren Yingying? The entire Tianqi royal family is descended from the Demon Race."

The following generals' comments kept coming, Gong Gong's beautiful face could not hide the irritability, and coldly shouted: "What's the use of talking about this now? The most important thing now is how to keep the imperial city."

Once the imperial city is lost, the entire Northern Ying Continent will fall, which is not what Gongong wants to see.

As soon as the words fell, dozens of generals immediately shut their mouths, each with embarrassed and complicated expressions.

"Grand Marshal." A

few seconds later, a general wearing a white robe stood up and said cautiously: "It is difficult for us to stop the current situation. In my opinion, we can only ask for foreign aid."

Said, the general Pointing to the topographic map in the middle of the table: "We can ask for help from the Xuanye Continent that borders us, and the Xi Cang Continent. As long as they are fast, they should be in time." The

voice fell, and the other generals nodded.

"No."

However, Gongong shook his head, his delicate face full of resistance: "Our Northern Ying Continent has always ranked first in Kyushu, and for thousands of years, we have never condescended to show affection to other continents. How can you keep your head up after asking for help from other continents?"

When he said this, Gongong's delicate face was full of arrogance.

Gongong's arrogance and arrogance, coupled with the superiority of the Northern Ying mainland, is that they are unwilling to ask other continents for help no matter what.

Uh..

Seeing Gonggong's rejection, dozens of generals were embarrassed and stopped talking rashly.

For a while, the entire hall was silent.

"Report!"

At this moment, a soldier from the imperial city guards rushed in, sweating profusely, and reported to Gonggong, "Reporting to the Grand Marshal, there are hundreds of people outside the north gate of the imperial city. A martial artist, they claim to be from the Xia Yin Sect, and they want to come to support us."

Then, the guard soldier's face showed a bit of complexity: "The captain doesn't dare to make his own decisions, so he specially asked me to ask for instructions.

" !

When the voice fell, the entire hall was in an uproar, and dozens of generals were inexplicably excited.

"Great, Xia Yinzong is here to help, there is hope in this battle."

"Yeah, Xia Yinzong is very strong, and I thought it could compete with Tiandao Alliance at the beginning."

Chapter 4233

While discussing, many generals looked at Gonggong subconsciously, expecting her response.

Just now, Gonggong was unwilling to take the initiative to invite foreign aid out of face, but now, Xia Yinzong took the initiative to come to help, she shouldn't refuse, right?

Under the gazes of everyone, Gonggong's delicate face did not show the slightest emotional fluctuations, nor the slightest excitement, but secretly muttered in his heart.

It was unexpected that Xia Yinzong suddenly came to help.

These generals here do not know about the situation of Xia Yinzong, but Gonggong knows it very well. Two months ago, the two suzerains of Xia Yinzong died one after another, and finally Su Qingyan became the new suzerain.

And Su Qingyan, like Ren Yingying, is also a woman of Yue Feng. Now, Ren Yingying helps Tianqi army to attack Beiyong Imperial City, and Su Qingyan comes to help defend the city. Anyone would doubt this matter. .

call!

But after thinking for a few seconds, Gong Gong still raised his hand and said indifferently: "Open the city gate, and then let these people from Xia Yinzong come to see me."

No matter what the other party's purpose is, ask first.

"Yes, Grand Marshal." The soldier responded and walked out quickly.

Ten minutes later, the soldier returned to the main hall, followed by a dozen powerful people from all corners of the world, wearing uniform white shorts and embroidered with the symbol of Xia Yinzong.

The one headed by him is tall and imposing, and his whole body is filled with a powerful aura.

This person is called Hongda, and he is a spy sent by King Guangping, who pretends to be Xia Yinzong.

"Are you from Xia Yinzong?" Gong Gong sat there, looked Hong Da up and down, and asked lightly.

"Yes."

Hong Da responded and gave a deep salute to Gong Gong: "In Xia Hongda, it is Elder Xia Yin Zong Huo who sits down as a big disciple, your Excellency is the Grand Marshal of Gong Gong, I received news from Xia Yin Zong that the Tianqi royal family is taking refuge. After the Demon Race, and now they have attacked the Northern Ying Continent, the situation is extremely critical. At that time, the suzerain of my family discussed with the elders and sent our five hundred disciples to come to support."

When he said this, Hong Da's face was sincere, because of these remarks, are prepared in advance. However, there was still some apprehension.

You must know that the other party is Gonggong, not only powerful, but also witty. You must deceive her this time, otherwise, if your identity is revealed, you and hundreds of apocalypse soldiers will not want to leave alive.

Disciple of Elder Huo?

Hearing this, Gong Gong Xiu frowned, and some were suspicious. The fire elder of Xia Yin Sect, Gong Gong had met once, and he was a strong man in the sky, but he was only his disciple and had never seen it before.

But looking at Hong Da's attitude and rhetoric, it doesn't seem like it's fake.

Thinking about it, Gonggong's red lips lightly opened, and he asked again: "Xia Yinzong puts the world first and helps you with chivalry. Naturally, I am grateful, but I have a question."

Question?

At this moment, Hongda became inexplicably nervous, but he still pretended to be very calm: "If the Marshal has any doubts, just say it."

Gong Gong smiled lightly, looking casual: "As far as I know You know, your Xia Yin Sect, the two previous sect masters died in the Five Poison Sect, and the current Sect Master is Yue Feng's woman Su Qingyan." As

he spoke, Gong Gong's delicate face showed a bit of gloom. "And now, Ren Yingying, who came with the Tianqi army, is also Yue Feng's woman."

"Yue Feng's two women, one is going to attack us, the other is going to help us, tell me, should I believe you? ?"

When the last sentence fell, Gong Gong's eyes were fixed on Hong Da's face, noticing the change in his expression.

Swish!

At this moment, the other generals in the hall also looked at Hong Da, waiting for his response, while whispering.

"The current Sect Master of Xia Yin Sect is that Su Qingyan?"

"I really didn't expect that Yue Feng's woman became the Sect Master of Xia Yin Sect."

"Yeah, I don't know if the Grand Marshal doesn't say it. "The

surrounding discussions kept coming, and Hong Da stood there, unspeakably nervous, and secretly admired in his heart.

This Gonggong is really amazing, the problem is so tricky.

However, Hong Da was very witty, and he quickly thought of his words. At that time, he squeezed out a smile and said slowly: "The Grand Marshal is really overthinking it."

Chapter 4234 Having

said that, Hong Da took a step forward and continued with sincerity on his face: "To tell the truth, the suzerain of my family was Yue Feng's woman before, but Yue Feng has

been missing for two months, and we, Xia Yin, There is an unwritten rule in Zong that once you become the suzerain, you can no longer involve your children.”

“In other words, the suzerain of my family has nothing to do with Yue Feng. Moreover, the Tianqi royal family has taken refuge in the Mozu to bring disaster to Kyushu. , this is a major event in the world, and the suzerain of our family is also for the overall situation, so let us support.” At the

end, Hong Da said with emotion: “What should be said has already been said below, if the marshal does not trust it, we will Just leave and return to the suzerain.”

Saying so, Hong Da did not leave in a hurry, but paid attention to Gonggong’s reaction.

Phew ...

Hearing this, Gong Gong Xiumei frowned and pondered.

What Hongda said was reasonable, and he seemed to have no reason to doubt it.

At the same time, the dozens of generals around were talking in a low voice.

“I didn’t expect this Su Qingyan to be so knowledgeable.”

“Needless to say, she used to be the sect master of the Wenzong Continent in Dongao Continent.”

“Alas, such a goddess, I didn’t know what to think at the beginning, but she actually fell in love with Yue Feng. Kind of people...” During the

discussion, a general stood up and said to Gonggong: “Grand Marshal, Xia Yinzong came to help with sincerity, so let’s not turn away thousands of miles.”

The voice fell, and the other generals also nodded.

Huh...

Seeing this situation, Gonggong no longer doubted, nodded, and then said to Hong Da: “During the war, this commander must be cautious, I hope you don’t take offense.”

When he said this, Gonggong showed a smile, and he completely let down his guard.

Haha...

Seeing that Gonggong no longer doubted, Hong Da was extremely excited in his heart, but his face showed a very humble look: “The Marshal is serious, it is also our honor to be able to help you.”

At this time, Hongda, a big stone hanging in his heart finally fell to the ground.

Great, I finally won the trust of Gonggong and lived up to His Majesty's trust.

Gong Gong nodded and ordered a general named Ding Ning next to him: "Hong Da and other knights of the Xia Yinzong have been exhausted all the way, first arrange for them to rest, and after dawn, let them familiarize themselves with the deployment of the imperial city. The situation."

"Yes." Ding Ning responded, and then greeted Hong Da and everyone to leave.

"General!"

When he got outside, Hong Da's eyes flashed cunningly, and he said to Ding Ning: "Leave the rest for a while, let's take us to see the deployment of

the imperial city." If you want to cooperate with the inside and outside, and cooperate with the army to attack the city, how can you go to rest?

This...

Ding Ning looked melancholy: "I'm afraid this is inappropriate. If the Grand Marshal finds out, he will definitely blame me for not taking good care of the chivalrous men."

Haha.

Hong Da laughed loudly, shook his head and said, "We are here to help defend against the Apocalypse army, not to have fun. How can the Grand Marshal blame him?"

Seeing his sincere expression, Ding Ning nodded and couldn't help but admire: "All It is Xia Yinzong who cherishes the world and puts chivalry first, and when I see it today, it really lives up to its reputation." As the

voice fell, Ding Ning led the way in front, leading Hongda's people to see the defense of the imperial city.

Soon after arriving at the South Gate, Ding Ning said with a smile: "Apocalypse's army is just outside the South Gate, more than ten miles away, so the deployment here is also the strongest, you can take a look at it."

Well!

Hong Da responded, smiled and said nothing. In my heart, I was extremely excited and excited. I entered the imperial city tonight, and the ultimate goal was to open the south gate, cooperate with the inside and outside, and let the Tianqi army rush in.

The next second, taking advantage of the moment Ding Ning turned around, Hong Da shot like electricity and slapped him in the back of the heart. Ding Ning didn't have time to scream, a mouthful of blood spurted out and passed out.

"You..."

Seeing this scene, the surrounding soldiers in the city were all shocked and angry.

However, Hongda didn't give them any chance to fight back. At that time, he raised his hand and waved: "Kill!"

"

The voice fell, and the hundreds of companions behind them quickly rushed up and fought with the soldiers guarding the city at the south gate.

Chapter 4235 The

sudden change made those defending the city too late to react. In just a few minutes, they were killed by Hong Da and others one by one and fell in a pool of blood.

Haha...

At this moment, Hong Da was extremely excited, and directed at his companions: "Hide all the corpses, put on their clothes, and send a signal to the camp."

"Yes..."

.....

On the other side, King Guangping was sitting in the tent, closing his eyes and resting.

On both sides below him, more than a dozen weather generals, one by one, dressed in armor, were ready to fight.

Half an hour ago, the five hundred elite soldiers sent out had successfully entered the imperial city, and now we are waiting for their news.

"Report..."

I don't know how long I waited, but a soldier came over excitedly, knelt down with a plop, and shouted at King Guangping: "Your Majesty, there is news from Hongda!"

Shuh!

King Guangping suddenly opened his eyes, concealing his inner urgency: "Come on, what's going on over there?"

The soldier was very excited and said, "Your Majesty, Hongda and the others have successfully won the trust of Gonggong, and they have just occupied the After entering the South Gate, wait for His Majesty's order now!"

Haha...

Hearing this, King Guangping was extremely overjoyed, stood up all of a sudden, and laughed loudly: "Okay, very good, this Hongda really didn't let him down. I am disappointed."

Having said that, King Guangping looked around and shouted: "Pass my word, and you can launch an attack. Before dawn, be sure to take the Beiyong Imperial City!"

"Follow my order!"

As soon as the voice fell, a dozen generals quickly stood up and responded in unison.

"Boom! Boom! Boom!" A

few seconds later, the Apocalypse Barracks, the war drums were beating! Hundreds of thousands of troops were slaughtering the imperial city of Beiyong!

At this moment, Ren Yingying is in the tent.

what's the situation?

Ren Yingying was meditating and resting. Suddenly, the army quickly assembled to attack the Beiyong Imperial City. At that time, Ren Yingying was shocked and angry.

What the hell is this King Guangping?

Without his own help, he actually started to attack the city. The Beiyong Imperial City has a strong defense, can he attack it?

Thinking about it, Ren Yingying quickly walked out of the tent and chased after the army.

"King Guangping!"

When approaching the city gate, Ren Yingying caught up with the army and shouted at Wang Jiao of Guangping: "Why don't you listen to me and attack the city now, if you fail, will you take responsibility yourself?"

Haha. ..

Hearing this, Guangping Wang Yangtian laughed, his face full of arrogance: "Ren Yingying, you think you are very strong, and I have to rely on you to win this battle? You are wrong, the way of using soldiers is to The ever- changing, unexpected."

"Before dawn, I will be able to break through the Beiyang Imperial City, so you can watch the show."

When he said this, King Guangping's face was extremely proud, and there was a hint of gloom in his eyes.

Ren Yingying, you secretly helped Northern Ying Continent to seek help from Xia Yinzong, this matter will be counted with you in the future.

Huh..

Seeing his confident look, Ren Yingying frowned, ignoring it, but suspended in mid-air, watching the situation.

The next second, seeing the situation in front of her, Ren Yingying's body was shocked and she was immediately blinded.

"Open the city gate."

I heard a loud cry from the south gate of the imperial city, and then the heavy city gate slowly opened. For a while, the Tianqi army barely encountered any resistance, and rushed in like a tide.

This scene, Ren Yingying was shocked.

King Guangping actually sent someone to sneak into the imperial city, but how did these apocalyptic soldiers sneak in without being discovered by the defenders of the imperial city?

At this time, Ren Yingying didn't know that Liu Heng, who she asked to send letters to Xia Yinzong, was caught by King Guangping's people as soon as he left the imperial city. After that, King Guangping was inspired and asked Tianqi soldiers to pretend to be Xia Yinzong. Only then did they successfully infiltrate the imperial city.

At this moment, within the imperial city.

In the hall, Gong Gong and dozens of soldiers were still discussing the countermeasures.

Wow...

Suddenly, there was a sound of fighting in the distance outside the hall.

what's the situation?

Gong Gong frowned and stood up suddenly.

It was at this moment that a guard soldier staggered in and ran in with a pale face: "Grand Marshal, it's not good, the South Gate has been lost, and the Tianqi army is fighting.... It's coming in!"

When he said this, the soldier's breath Weak, almost paralyzed to the ground!

The ultimate husband in Chinese chapter 4236-4240

Chapter 4236

What?

Hearing this, both Gong Ao and the generals present changed their expressions.

South Gate lost?

How is this possible? You know, the South Gate is the most tightly guarded.

Thinking to himself, Gonggong suppressed his anger and asked coldly, "How could the South Gate fall?

" people, they pretended to check the deployment of the South Gate, but when they arrived, they suddenly started..."

Damn!

Hearing this, Gonggong's heart trembled, and he was both regretful and angry.

Those heroes of Yinzong were really unreliable, and I was so negligent at the time that I actually believed them.

Gonggong at this time didn't know that Hongda and the others were not disciples of Xia Yinzong at all, but soldiers of Tianqi pretending to be soldiers.

But at this time, Gonggong didn't blame himself too much. He calmed down and walked quickly out of the hall. Dozens of generals followed.

Phew...

Outside the palace, seeing the scene in front of him, Gong Gong's delicate body was shocked, his delicate face was extremely frightened, and the dozens of generals behind him also took a deep breath.

I saw that on the street in front of the palace, the corpses of the soldiers of the garrison were everywhere, and the ground was stained with blood. Hundreds of thousands of the apocalypse army came in a mighty manner, surrounding the entire palace like an iron barrel!

In front of the army, a man was riding a white horse, wearing a golden armor, majestic.

This chapter is provided by . Visit for daily update.

It was King Guangping.

In the sky above the rear of the army, there was a slender figure floating in the air, with a delicate and beautiful face, full of complexity, it was Ren Yingying.

At this time, Ren Yingying felt very uncomfortable seeing the Beiyong Palace being breached.

Before helping to break Feilongguan, it was all to gain Bai Yunfei's trust. At that time, Ren Yingying had thought about it. When King Guangping attacked Beiyong Imperial City, he must try his best to delay the time.

But she never thought that Beiyong Imperial City would be breached so quickly.

"Haha..."

At this moment, King Guangping couldn't help laughing proudly, and said to Gonggong, "Your Excellency Gonggong, didn't you expect us to meet again so soon?"

Gonggong bit his lip tightly . , said coldly, "King Guangping, don't be proud of yourself. You sent people

to pretend to be disciples of the Xia Yinzong to break through the southern gate. Even if you win, it will be disgraceful." Disciples', all arranged by King Guangping.

King Guangping smiled coldly: "A soldier never tires of deceit, if you lose, you lose. You don't need to give yourself a reason." With

that, there was a treacherous glint in King Guangping's eyes, and he looked back at Ren Yingying, who was hovering in the sky not far away, and continued: "Speaking of this time, I was able to break through the South Gate. It was all thanks to Your Excellency Ren Yingying. She deliberately arranged for the people of Xia Yinzong to

infiltrate the imperial city. Otherwise, I wouldn't have broken through the South Gate so quickly!"

King Guangping was very cunning. At this time, he did not forget to deliberately provoke the hatred between Gonggong and Ren Yingying.

Swish!

Sure enough, hearing this, Gonggong's eyes locked on Ren Yingying in the sky, his eyes were full of resentment and hatred.

It's her again!

Half a day ago, she was the one who fell at Feilongguan, and now, because of this woman, the imperial city is about to fall.

"The whole army obeys orders!" At

this time, King Guangping was too lazy to talk nonsense. They responded in unison, the momentum was overwhelming, and then they rushed into the palace directly by mobilizing their internal strength! "Arrange to meet the enemy!" Seeing this situation, Gong Gong didn't have time to think about it. At this time, Gonggong knew very well that the South Gate was lost and the enemy troops poured into the imperial city. There was no possibility of reversing the situation. The battle had already been defeated. The current situation made it impossible to defend the last area of the palace. But it was very unwilling to fail like this. Before the palace fell completely, he had to kill a few more enemy soldiers. "Kill! Defend the palace." At this moment, dozens of generals, as well as the palace guards who came quickly, howled, pulled out their weapons, and fought fiercely with the Tianqi army. However, there was too much difference between the numbers of the two sides, and during the fierce battle, many imperial guards wailed and fell in a pool of blood.

Chapter 4237

"King Guangping!"

Seeing this scene, Gonggong was furious, his body flashed, and he went straight to King Guangping.

Gonggong even captures the thief first and captures the king first. As long as the King of Guangping is killed, there may be room to turn around. Of course, Gonggong has no net and pays attention to Ren Yingying not far away.

Yes, Gonggong is not afraid of King Guangping and the army of hundreds of thousands of Tianqi. The only thing they are afraid of is the power of Ren Yingying's demon soul.

I saw Ren Yingying suspended there quietly, without any intention of doing anything.

For a time, Gong Gong was a little surprised.

what's the situation? Why didn't Ren Yingying do it?

At this time, Gonggong didn't know that Ren Yingying never thought of helping the Tianqi army, let alone breaking the Beiyong Imperial City.

"Haha! I'm afraid you won't succeed."

Watching Gonggong approaching quickly, a trace of disdain flashed on King Guangping's face, then he drew out his long sword and headed towards Gonggong to meet him.

If it was half a day ago, King Guangping would never be so confident, because he is not a rival of Gonggong at all, but in the previous battle at Feilongguan, Gonggong was defeated by Ren Yingying. At this time, King Guangping clearly felt that Gonggong was injured. Not healed yet.

In this case, King Guangping is naturally true.

"Your Majesty, we are here to help you."

At this moment, more than a dozen weather generals shouted one after another, and immediately followed, one by one vacated the sky and surrounded Gonggong!

"Okay, very good..."

Seeing this scene, Gonggong sneered, without the slightest expression on his face: "Since you all come to die together, then I will fulfill you.", hum!

The voice fell, and a terrifying aura erupted from Gonggong's body. In an instant, the surrounding air seemed to stagnate.

Incomparably powerful breath, the people who suppressed it panic!

Phew...

Feeling such a strong aura, whether it was King Guangping or those generals, they couldn't help but take a deep breath, but they still rushed forward, fighting and working together.

King Guangping firmly believed that Gonggong's injuries had not healed, and no matter how severe it was, he would not be able to stop himself and so many of his subordinates from being besieged at this time.

In fact, King Guangping made a right bet. Since the fiasco at Feilongguan, Gonggong has not fully recovered because of his severe injuries, so facing the siege of King Guangping, he is completely helpless.

“Ah..”

At the same time, the battle in the palace has also heated up. It is seen that many palace guards fought desperately to resist, but they couldn't stop the Apocalypse army, and the last one fell in a pool of blood.

Inside the palace, there were originally tens of thousands of imperial guards, but in less than ten minutes, more than half of them were damaged.

At this time, the palace was full of blood, and the air was filled with the smell of killing and blood.

hateful!

Seeing this scene, Gong Gong's delicate face was extremely cold and angry!

Can't stop today?

I'm so unhappy.

At the same time of anger, Gonggong's delicate body trembled, and he felt a little regretful in his heart. If he knew this would be the case, he should not have let in those fake 'Xia Yinzong' before, but now it's too late to say anything.

“Haha, take me a slap.”

At this moment, seeing Gonggong distracted, King Guangping laughed loudly, his figure came hurriedly, and slapped Gonggong's Xiang on the shoulder.

“Huh...”

With this palm, King Guangping almost used all his strength, when he heard Gonggong groan, his tender body trembled, and he stepped back a dozen steps, his face pale and a little ugly.

Although Gonggong had a strong defense, the palm of her hand made her even more injured, and at this time she was no longer able to fight.

“Grand Marshal!”

Seeing this scene, the imperial guards not far away couldn't help exclaiming, and at the same time wanted to rush over, but there were just too many enemies in front of them.

“Grand Marshal... Stop being persistent, I think we should withdraw...” The

situation is getting more and more serious, this is the side of the Guards, and I don't know who shouted, and then, many imperial cities banned The guards turned around and ran away, their faces full of fear!

Seriously, they also want to fight desperately. But in the current situation, if you continue to resist, you will die.

None of these imperial guards are stupid. I saw it just now. Gonggong was besieged and has been at a disadvantage. It can't reverse the situation at all. Now they have been injured by King Guangping. very thorough.

Chapter 4238 Gonggong

is a well-respected water god in Northern Ying Continent. He has been famous all over the world for nearly a thousand years. There are very few people who can hurt her. Now, even she can't stand the imperial city. How can you fight this battle? !

Huh....

Seeing the guards fleeing into the distance, Gonggong bit his lip, feeling anxious and indignant at the same time.

She wanted to yell at these men and let them continue fighting, but she couldn't shout.

At this time, Gonggong also knew that the imperial city could not be preserved today, but he was not reconciled.

However, Gonggong calmed down very quickly. He didn't have time to think about it at the time. He hit it with a palm. With this palm, Gonggong stimulated all the power in his body, and the air was extremely distorted and the power was amazing.

King Guangping and more than a dozen generals, fully aware of the power of Gonggong, did not dare to meet them, and they all ducked back.

Whoosh!

Taking this opportunity, Gonggong turned around and flew towards the sky in the distance.

But when they escaped, Gong Gong did not forget to turn around and shout at Wang Jiao of Guangping: “King Guangping, don't be too proud, I will take this imperial city back sooner or later.”

Mad!

Hearing this, King Guangping's face was gloomy, he waved his big hand, and shouted angrily: "Follow me, whoever catches Gonggong alive, I am seriously injured.

"Go up to the sky and chase in the direction where Gonggong left.

It's just that the speed of Gonggong is very fast, how can those apocalyptic soldiers catch up? In the blink of an eye, he was left far behind.

"waste!"

Seeing this situation, King Guangping was furious, and said angrily: "If a woman can't catch up, what do you want?" After saying that, King Guangping's eyes flashed, and he immediately locked on Ren Yingying, who had been floating in the air.

"Your Excellency Ren Yingying." In the

next second, King Guangping took a deep breath and shouted at Ren Yingying, "Don't let Gonggong escape, help me get it back." Gonggong is the Grand Marshal of Northern Ying Continent, if he escapes Yes, there are endless troubles.

However, Ren Yingying didn't seem to hear it. She hovered there, motionless, and said lightly, "King Guangping, I'm only responsible for helping you break through the imperial city, but I'm not obliged to help you arrest people. So don't make a mistake."

Hearing this, King Guangping was very angry, but he had nothing to refute.

At this time, the Tianqi army completely occupied the palace, and the soldiers cheered in unison for a while, and the sound shook the sky.

Haha...

King Guangping was in a very comfortable mood, he couldn't help laughing, and then surrounded by many soldiers, he slowly entered the palace hall.

Ren Yingying remained calm and walked in as well.

call!

The moment he entered the hall, King Guangping couldn't help but take a deep breath, feeling extremely emotional.

This Beiyong Palace is worthy of being the place where Emperor Hou Yi lived. It is so majestic, I don't know how many times bigger than the Weather Palace.

The many generals behind him were all inexplicably excited.

You know, this is the Northern Ying Palace. For thousands of years, the Northern Ying Continent has surpassed Kyushu in strength, and no other continent can compete with it. It can be said that attacking the Northern Ying Continent in the past was simply unthinkable.

At this time, the Beiyang Palace was actually taken down, which is a lifetime honor for any battle-hardened soldier.

Swish!

Just when the surrounding soldiers were extremely excited, King Guangping suddenly turned pale, his eyes locked on Ren Yingying, and he said with a smile, "Ren Yingying, don't you have anything to explain?" The eyes of the soldiers and soldiers all converged on Ren Yingying, each with a complex expression.

Gonggong escaped just now, but Ren Yingying did not pursue him, which was really suspicious.

Um?

Seeing the situation in front of her, Ren Yingying frowned, looked at King Guangping puzzled and said, "King Guangping, what do you mean? What can I explain to you?"

This King Guangping is sick.

call!

King Guangping's face was gloomy and cold, resisting the anger in his heart, he said coldly: "I ask you, Gonggong escaped just now, why didn't you pursue it?"

"Do you know that Gonggong is tyrannical and the biggest enemy of my Tianqi royal family? , once you escape, she will have endless troubles." The

last sentence, King Guangping almost roared out.

Hearing this, Ren Yingying suddenly understood that it was because of this.

Chapter 4239 In the

next second, Ren Yingying showed a meaningful smile and said lightly: "King Guangping, don't play your prestige in front of me, you know my identity best, I'm here just to help, I won't be affected by you at all. Command."

"Also, as I said before, I'm only responsible for helping you attack the imperial city, and I'm not obliged to help you arrest people."

“So, it’s not enough for you to punish me for offending me.”

When he finished the last sentence, Ren Yingying’s delicate face was full of fearlessness and disdain.

Swish!

At this moment, King Guangping’s face flushed red and he was burning with anger.

Crazy, this Ren Yingying is so crazy, how dare to be so rude to me in front of so many people.

Wow...

At the same time, many soldiers and soldiers around were also shocked and angry, and couldn’t help but talk about it.

“Ren Yingying is really arrogant.”

“Yeah, let’s just resist the decree, and now I dare to contradict Your Majesty...” During the

discussion, a general walked out quickly, pointed at Ren Yingying and yelled loudly: “Ren Yingying, you are so daring, you dare to be so arrogant to His Majesty, you don’t have to rely on your own strength, you can be arrogant.”

“Yes, you did make great achievements in the previous battle of Feilongguan, but today’s battle, without you, We also broke through the imperial city, so don’t stand in front of your majesty.” The

voice fell, and the other generals around nodded their heads one after another.

Hehe..

In the face of this situation, Ren Yingying was not angry at all, but chuckled: “Tsk tsk, you are really powerful, anyway, the imperial city has been captured, and my mission has been completed, so leave.”

When the voice fell, Ren Yingying turned around and was about to walk out of the hall.

In Ren Yingying’s heart, she didn’t want Beiyong Imperial City to be forced as soon as possible, but the situation is now a foregone conclusion, and it cannot be changed.

As long as the backlash of the demon soul in the body is completely resolved, there will be no need to look at Bai Yunfei’s face in the future.

“Stop!”

However, before taking two steps, he heard a cold scolding from King Guangping.

Ren Yingying stopped and looked back at King Guangping: “Is there anything else?”

Hu...

King Guangping took a deep breath, and there was a bit of meaning in his smile: “Ren Yingying, don’t you want to know how I broke through? Is it from the Imperial City?”

When he said this, King Guangping had a smile on his face, but his eyes were full of gloom.

This Ren Yingying secretly helped Beiyong Palace to find reinforcements. This matter is not counted, how can she easily let her leave?

King Guangping knew in his heart that with his strength, he was not qualified to challenge Ren Yingying at all, but no matter what, he was Bai Yunfei’s person, so Ren Yingying didn’t dare to do anything to King Guangping easily.

“Oh?”

Hearing this, Ren Yingying Xiumei frowned slightly, showing a bit of interest: “I want to listen to what you want to say.” His

face was calm, and his heart was a little curious.

You know, Ren Yingying has been pondering just now, how the soldiers of the apocalypse should cooperate with each other and break through the south gate first...

“Hehe...”

Seeing the change in Ren Yingying’s face, King Guangping laughed and said slowly: “Speaking of this matter, it all depends on a letter. Last night I sent people to secretly monitor several exits of Beiyong Imperial City. I grabbed a man named Hong Da, who was carrying a secret letter asking for help and was

about to send it to Xia Yinzong.” At the end, King Guangping looked closely at Ren Yingying: “Do you know about this matter? know?”

What?

At this moment, Ren Yingying’s body trembled, and she was shocked.

The secret letter he wrote by himself last night was actually intercepted by King Guangping?

Looking at this situation, King Guangping sent someone to pretend to be a disciple of Xia Yinzong, and then they infiltrated the Beiyang Imperial City. It is no wonder that Nanmen was attacked so quickly...

Under the shock, Ren Yingying looked like a With a calm look, he shook his head at King Guangping and said, "How would I know about this?"

"I don't know?"

King Guangping sneered: "According to my observation, the handwriting of that letter is almost the same as yours, you dare to say Didn't you write it?"

This... In

the face of King Guangping's questioning, Ren Yingying's face changed, and she suddenly panicked.

At the same time, the generals present also exploded.

"What's the situation?"

"Ren Yingying secretly wrote a secret letter to Xia Yinzong?"

Chapter 4240

"She helped us outright, but secretly, but helped Beiyang Imperial City to find reinforcements?"

Ren Yingying's eyes flickered and she was very uneasy when the surrounding discussions came.

Oops, if the truth is exposed, King Guangping will definitely tell Bai Yunfei that he will never be able to solve the demon soul's backlash when he is suspicious of Bai Yunfei.

After all, Bai Yunfei is cunning and powerful, but he is not so easy to deal with.

However, Ren Yingying quickly reacted.

When writing the letter at that time, there was no signature at all. Even if the handwriting was similar, King Guangping could not conclude that it was written by himself.

Yes, come to die and refuse to admit it.

Thinking of this, Ren Yingying exhaled softly and looked at King Guangping with a half-smiling smile: "King Guangping, you said I wrote a secret letter to Xia Yinzong, where is the letter? Can you show me?"

"Haha..."

Guang King Ping's eyes flickered, and he sneered: "It's fine if you don't admit it. You'd better be calm, otherwise, I will definitely tell Your Excellency Bai Yunfei about the situation."

The secret letter, King Guangping has already sent someone to the Weather Emperor . It's a city, how can I get it out at this time?

King Guangping was very thoughtful. The purpose of talking about the secret letter at this time was to upset Ren Yingying. He didn't want to completely tear his face. He thought about it and waited until Bai Yunfei read the letter. Fei is backing up, and then deal with Ren Yingying well.

Huh...

Seeing that King Guangping couldn't take out the letter, Ren Yingying was completely relieved, and said lightly: "If there is nothing else, I will leave." After saying that, she walked out of the hall quickly.

After leaving the hall, Ren Yingying did not leave in a hurry, but hid on the top of the hall, secretly observing the movements of King Guangping.

Ren Yingying Bingxue was smart and realized that King Guangping would not let him go easily. Since he mentioned superstition, he will definitely have a backhand.

At this time, in the hall.

Ma De,

seeing Ren Yingying leaving, King Guangping's face was extremely gloomy, and his heart was burning with anger.

This Ren Yingying is really arrogant. She just leaves and doesn't take herself seriously. If this continues in the future, what kind of majesty does he have as an emperor?

The more King Guangping thought about it, the angrier he became, and he waved at the generals in front of him: "Okay, you all step back and arrange for the soldiers to clean the battlefield. I want to be quiet."

"Yes, Your Majesty.

” The general walked out of the hall quickly.

Huh..

Seeing this scene, Ren Yingying, who was hiding on the top of the hall, just felt that it was boring and had to leave completely.

“Your Majesty!”

However, at this moment, a guard from the Weather Palace quickly ran into the hall, panting and soaked with sweat. Seeing this, it was the Weather Palace who rushed over and looked very anxious.

“What’s so urgent?” King Guangping frowned and asked angrily.

“It’s not good.”

The palace guard was about to cry, lying there, panicking: “Ji Hongshang, the sect master of the Five Poison Sect, raided His Excellency Bai Yunfei, took him out of the palace, and killed him before leaving. Our captain...”

When he said this, the palace guard’s eyes were black for a while, and he was so tired that he almost fainted. At that time, after Ji Hongshang severely injured Bai Yunfei in the prayer hall, the guard left and came to Beibei. Ying mainland reported the news, and rushed all the way, without resting for a moment.

What?

Hearing this, King Guangping widened his eyes and stood up abruptly, feeling his brain buzzing.

Ji Hongshang attacked Bai Yunfei?

How is this possible, Ji Hongshang is Bai Yunfei’s most loyal subordinate, how can he betray?

At the same time, Ren Yingying, who was hiding on the top of the hall, was also shocked and shocked.

“Then...”

Soon, King Guangping reacted, looking closely at the guard and asking, “Your Excellency Bai Yunfei, how was the situation when you were taken away?”

When asked, King Guangping was extremely anxious.

After King Guangping brought the Tianqi royal family to join the Demon Race, it can be said that all the chips were placed on Bai Yunfei. Once Bai Yunfei had an accident, the consequences would be unimaginable.

“Your Majesty.” The guard knelt on the ground, tremblingly said: “Your Excellency Bai Yunfei was dying at the time, very weak, and the situation was very bad.”

The ultimate husband in Chinese chapter 4241-4250

Chapter 4241

said, the guard kept kowtowing: "The subordinates are not well protected, please atone." It's

over!

Hearing this, King Guangping swayed, his face full of anxiety and depression, and then quickly ordered: "Quick, pass my order, immediately assemble the army and return to Tianqi Imperial City."

Bai Yunfei's identity is special, and he needs to rely on He introduced himself to Demon Venerable, and he must not be allowed to have an accident.

When the voice fell, the guard quickly responded and ran out.

Ugh!

At this moment, King Guangping sat down again, frowning. He couldn't help but sigh, what if he captured the Beiyang Imperial City, without Bai Yunfei, it would be difficult for him to unify Kyushu.

hum!

Just when King Guangping was melancholy, suddenly, he heard a hole in the top of the hall above his head, and then, a slender figure burst out, lightning fast!

It is Ren Yingying!

Before, because of Bai Yunfei, Ren Yingying had been holding back her old hatred and did not attack King Guangping, but now, knowing that Bai Yunfei was captured by Ji Hongshang, Ren Yingying could no longer hold back

!

Rushing to the front, Ren Yingying's demonic soul exploded, and the powerful aura instantly filled the entire hall.

"You...you didn't leave?!"

Feeling the killing intent behind him, King Guangping was shocked and almost jumped up to look back. When he saw Ren Yingying, he was both panicked and angry.

This chapter is provided by . Visit for daily update.

“King Guangping!” Ren Yingying’s delicate face was full of grief, anger and resentment: “You killed my father, now it’s time to pay for your life. Moreover, I’m not afraid to tell you that I did write a secret letter to Xia Yinzong before. , but I didn’t expect that the secret letter would be intercepted by you.”

“But these are not important anymore. Bai Yunfei can’t protect himself now. If I kill you, I don’t have to worry about being found out by him.

“

Mad!

At this moment, King Guangping was furious, staring at Ren Yingying tightly, his heart was extremely furious.

She really betrayed Your Excellency Bai Yunfei.

In his anger, King Guangping didn’t have time to dodge, so he had to use all his internal strength and attacked with one palm. He knew that his strength was too different from Ren Yingying, but he also wanted to fight.

boom!

The palms of the two collided fiercely, and they heard King Guangping screaming. The whole person was shocked and flew out, blood spurted wildly, and flew dozens of meters away. Soft slide down.

Ren Yingying has a demon soul, and even Gonggong is no match, let alone King Guangping.

“Pfft...”

After landing, King Guangping spat out a mouthful of blood again, his face pale and pale, and he clearly felt that all the meridians in his body were broken by shock, and even if Da Luo Jinxian came, it would be difficult to treat.

At this moment, King Guangping looked at Ren Yingying in astonishment, with endless fear and unwillingness in his eyes.

I haven’t ruled Kyushu yet, I don’t want to die like this...

Bass!

At this moment, Ren Yingying drew out her long sword and stared at King Guangping: “Do you remember how you killed my father? Back then, when you hit my father’s heart with a single palm, it hurt my heart. He died tragically.”

“I originally wanted to beat you to death, but I felt that doing so would be really cheap for you.” As

she spoke, Ren Yingying walked over step by step.

The terrifying power of the devil’s soul pervades the graceful and delicate body, and even those eyes are extremely blood red.

At this time, Ren Yingying was like a witch descending to earth.

Gudong!

Feeling the terrifying breath, King Guangping couldn’t help swallowing his saliva and said weakly: “Yingying...no...don’t kill me...whatever I say...you are also your uncle...”

“Back then I will kill your father, take... take the throne... I have no choice but to...”

At this time, King Guangping was extremely weak and had no strength to speak, but under the support of his desire to survive, he continued to speak. beg for mercy.

No one wants to die, even if there is a trace of hope, they must fight for it desperately, and the same is true of King Guangping.

Hehe...

However, where did Ren Yingying listen, she chuckled at the time, “Why did I know it today?” The voice fell, and the long sword swung directly to cut off King Guangping’s head.

In an instant, blood spurted out, staining the ground red.

Chapter 4242

At this moment, the moment the head fell, I saw King Guangping’s eyes wide open, full of unwillingness and astonishment, as if he never thought that he would really die in the hands of Ren Yingying in the end.

“Father...”

At this moment, Ren Yingying took a deep breath, glanced coldly at Meng Lang’s corpse, and then knelt down to the sky outside, her delicate face showing sadness and sadness: “Yue Ying finally I have avenged you, you are in the spirit of heaven, you can finally rest in peace.” The

voice fell, and tears could not help falling from his cheeks.

For so many years, Ren Yingying has always wanted to avenge her father and emperor, but many previous opportunities were delayed because of other things, and now she finally got her wish, why not happy?

“Dangdang...”

After a few seconds, Ren Yingying stood up and went out to ring the big bell outside the hall. This big bell can only be run by the Beiyang Palace in an emergency.

After a while, when the bell was heard, dozens of generals of the apocalypse came quickly.

Huh...

Entering the camp, seeing the scene in front of them, all the generals changed their expressions, only their brains were buzzing, and they were completely stunned.

I saw that King Guangping's body was leaning against the pillar at the door, blood was splattered everywhere, the air was filled with a disgusting smell of blood, and King Guangping's head was more than ten meters away from the corpse. Outside, with a stiff and pale face, facing the sky, his eyes stared, obviously dead.

Your Majesty... dead?

For a time, the same voice sounded in the minds of all the generals.

A few seconds later, a general responded first and asked Ren Yingying, “Your Excellency, what's going on? Who assassinated His Majesty? Where is the murderer at this time?”

This general's name is Nie Yunchong. He is Nie Yunxiao's younger brother. He is strong and loyal to King Guangping. At this time, seeing King Guangping's death so tragically, Nie Yunchong was inexplicably shocked.

At this time, in Nie Yunchong's heart, he did not doubt Ren Yingying at all, thinking that it was King Guangping who was killed by someone else. You must know that Ren Yingying and King Guangping both worked for Bai Yunfei, and it was impossible for them to have internal strife.

Swish!

The voice fell, and the eyes of other generals also converged on Ren Yingying.

“Everyone!”

At this moment, Ren Yingying breathed a sigh of relief, her delicate and beautiful face did not fluctuate in the slightest, and her tone was extremely cold: "You don't have to guess, I killed this traitor."

Saying that, Ren Yingying Holding back his grief, he continued: "In those days when King Guangping committed a crime, killing my father and taking the throne, the method was cruel, and then he started wars everywhere. It can be said that it is hard to describe. Now, as Princess Yueying, I will kill her, too. Follow the way of heaven."

"A person like him is not qualified to be an emperor at all. I hope you all will also correct your position."

When she said this, Ren Yingying's expression was resolute, and her delicate body was filled with strength. Royal majesty.

Phew... I

have to say, Ren Yingying's aura is really too strong, for a while, the expressions of the generals present changed, and they just felt that they couldn't breathe.

At the same time, one by one was extremely shocked.

She turned out to be the one who killed His Majesty...

Quiet!

At this moment, there was a dead silence in the entire hall, and a needle could be heard clearly.

I don't know how long it was silent, Nie Yunchong was the first to react, with endless anger flashing in his eyes, he shouted angrily at Ren Yingying: "Ren Yingying, you are very courageous, you dare to stab Your Majesty, you'd better capture it immediately, otherwise don't blame me for being rude "To

be honest, Nie Yunchong knew what Ren Yingying said was true. King Guangping's throne was indeed disgraceful. At the beginning of the martial arts contest, King Guangping killed Emperor Tianqi in public. It can be said that everyone knows that, in other words. In other words, the throne of King Guangping was snatched, and it was reasonable for Ren Yingying to kill him at this time.

But in Nie Yunchong's heart. The status of myself and my brother was given by King Guangping. Without King Guangping, there would be no achievements of their brothers today.

Moreover, Nie Yunchong and Nie Yunxiao also swore allegiance to King Guangping back then. Now that King Guangping died so tragically, if they turned a blind eye, how would they be seen in the future, and what kind of loyalty would they talk about?

Hehe..

Hearing Nie Yunchong's scolding, Ren Yingying chuckled lightly and looked at Nie Yunchong with great interest: "What? You want to avenge the traitor King Guangping?"

Chapter 4243

"Rebels?" Nie Yunchong shouted with grievance and resentment on his face: "When your father was in power, his political achievements were mediocre, but after His Majesty came to power, the strength of Tianqi Continent did not know how much improved, so only His Majesty is the The real emperor, and you are just a fugitive princess."

"Not much nonsense, Your Majesty has been very kind to me. If I want you to surrender, how will I see people in the future?"

Om!

The voice fell, and a powerful breath burst out from Nie Yunchong's body, and then he pulled out his long sword, like a shock, and stabbed Ren Yingying straight.

Wherever the long sword passed, the air was torn apart.

Seeing Nie Yunchong burst out, Ren Yingying's delicate face flashed with a hint of complexity, and sighed softly: "I don't know whether to live or die, you Nie brothers are really pedantic." The

voice fell, Ren Yingying urged the power of the demon soul , In an instant, the entire hall was full of killing energy.

Strong...really strong.

Feeling the power of Ren Yingying's explosion, the other generals around were all taken aback.

At the same time, Nie Yunchong was also secretly shocked, but in order to repay King Guangping, he still rushed up.

"Om!"

Seeing that the long sword was about to stab Ren Yingying, at this moment, Ren Yingying's expression did not change in the slightest, she suddenly raised her jade hand, and the two jade fingers directly clamped the tip of the sword.

Yes, with only two jade fingers, the tip of the lightning-fast sword was clamped.

At this moment, the powerful power of Nie Yunchong's eruption also disappeared in an instant.

This...

Nie Yunchong gritted his teeth and wanted to go further, but what made him terrified was that almost all his internal force was mobilized, and the long sword that was caught by Ren Yingying could not be handed out at all.

"Don't bother."

At this moment, a trace of pity flashed in Ren Yingying's eyes, she said a few words softly, and the other hand fluttered out.

This palm seemed to be very slow, but it came to Nie Yunchong in the blink of an eye. At that time, Nie Yunchong wanted to dodge, but the long sword in his hand was tightly grasped by Ren Yingying, and he couldn't draw it out at all.

boom.

In the next second, Nie Yunchong was directly hit by the palm shadow, and he let out a scream, and the whole person was shocked and flew out. When he landed, his face was extremely pale, and a mouthful of blood spurted out, and he died immediately.

Hiss...

Seeing this scene, the other generals around couldn't help gasping for air, looking at Ren Yingying one by one, with awe and fear in their eyes.

This Ren Yingying is indeed an existence that even Bai Yunfei wants to win over, his strength is really too strong.

quiet!

For a while, the entire hall was silent, only the urgent cries of these generals could be heard.

"Everyone..."

At this time, Ren Yingying's beautiful face was incomparably indifferent, she walked to the throne in the main hall step by step, looked around, and said lightly: "King Guangping, the traitor, is dead, the so-called court is not acceptable. There is no king for a day, I, Ren Yingying, as Princess Yueying, will inherit the line from now on and be the queen of the Apocalypse Continent." As

she spoke, Ren Yingying's eyes flashed with determination, and continued: "Although you have always been the most popular King Ping does things, but now as long as you are loyal to me, I can let go of the past, of course, if you want to leave, I will not stop it, but if you want to see it in the future, I will naturally not be soft-hearted."

The voice of the words was clear, but it was indescribably majestic and domineering. These generals present felt stuffy in their hearts and almost breathless.

Speaking of which, Ren Yingying never thought of asking for the Empress Apocalypse, and this idea has just arisen. Ren Yingying thought about it. After becoming the queen, she immediately investigated Bai Yunfei's whereabouts.

He had been passive in his confrontation with Bai Yunfei before, but now he has the initiative, and he will definitely be able to get the secrets from Bai Yunfei.

quiet!

In the entire hall, the silence was terrifying.

Pfft!

Finally, a few minutes later, one of the generals couldn't bear it anymore. He was the first to walk out, kneeling in front of Ren Yingying, and respectfully shouting: "My subordinate Huang Qingyun, see my emperor. Long live my emperor! Long live!"

The general shouted Huang Qingyun was comparable in strength to Nie Yunchong.

Huang Qingyun is a very shrewd person, and she can see clearly the situation in front of her. Ren Yingying, who was able to get the demon soul in the ancient tomb of Chiyu, means that she is the heir to the Tianqi royal family.

More importantly, if you don't accept the situation in front of you, you will be looking for a dead end.

Chapter 4244

Wow..

Seeing Huang Qingyun taking the lead, the other generals no longer hesitated, knelt down one after another, and then shouted in unison.

“See Her Majesty the Queen.”

“Long live, long live, long live, Your Majesty...”

When they shouted loudly, the expressions of these generals were extremely respectful, and their attitudes became more sincere.

No one is stupid. King Guangping is dead, and Ren Yingying is already the general trend. Who dares to object?

Um!

Seeing this scene, Ren Yingying showed a charming smile, and nodded with satisfaction: “All soldiers and soldiers, get up! I hope you will do your best in the future and do more for my Apocalypse Continent.” The

voice fell, Huang Qingyun and everyone stood up one after another. .

“Your Majesty.”

After getting up, Huang Qingyun thought for a while, and asked a step forward: “Now our Apocalypse army has successfully occupied Beiyang Imperial City. If nothing else happens, within three days, we will be able to control the entire Beiyang Continent. I don’t know what your plan is next, Her Majesty the Queen?”

Huo!

Hearing this, Ren Yingying breathed a sigh of relief, and ordered: “Let the soldiers rest first, by the way, send someone to inquire about Ji Hongshang’s whereabouts immediately!”

When she said this, Ren Yingying’s expression was calm, but her eyes were not concealed. Live anxiously.

The original plan was to help the Tianqi army and contribute to the Beiyang Imperial City, Bai Yunfei would give the secret book to Ren Yingying, who knew that Ji Hongshang suddenly betrayed Bai Yunfei, not only that, but also injured Bai Yunfei and brought out Tianqi Royal Palace.

In Ren Yingying’s heart, although it was worth celebrating after killing King Guangping and regaining the throne, what was more important was Bai Yunfei’s whereabouts.

After all, the taste of demon soul backlash is too painful, Ren Yingying doesn’t want to be tortured forever.

“As ordered...”

Hearing this, Huang Qingyun and other generals agreed, and then quickly walked out of the hall to deploy.

...

on the other side, God's Domain.

Below the abyss, Princess Dongling was covered in blood and opened her eyes weakly.

Didn't you die?

Seeing the surrounding environment, Princess Dongling was both happy and aggrieved. She fell off a cliff before, she thought she would be smashed to pieces, and she was dead, but she did not expect that there was a pool under this abyss.

However, in addition to the water pool below this abyss, the sky is also covered with a thick fog that cannot be dispelled, and the line of sight is blocked, and there is no way out.

But Princess Dongling didn't think much about it, she swam to the edge of the water pool and started to check the things on her body.

Done!

At this moment, Princess Dongling's delicate body trembled, and she almost cried when she realized that Tian Qingzhu and Qicai Ruyi had fallen for some unknown reason. At this moment, there was only the jade bottle with a strange flame inside.

At this time, Princess Dongling was in a bad mood.

It doesn't matter if Qi Cai Ruyi is lost, but Tian Qingzhu can help him reshape his primordial spirit.

Depressed, Princess Dongling took out the jade bottle and looked at the flames jumping up and down inside, dazed.

Strange, how this flame gives a very familiar feeling.

At this time, Princess Dongling still didn't know that the flame in the jade bottle was exactly what Yue Feng left behind after his death.

whoosh...

Just when Princess Dongling was secretly surprised, suddenly, there was a wave of breath above her head, and then, a slightly fat figure fell into the pool with a thud.

“Ouch...”

The figure shouted for a while, very embarrassed: “Why is there a water pool below this? It’s sloppy.”

The man muttered and quickly swam to the side of the water pool.

Suddenly someone fell, Princess Dongling was very nervous at first, but when that person got to the edge of the water pool and saw his face clearly, Princess Dongling was stunned for a moment, and then she couldn’t help laughing out loud.

Pfft...

At this moment, Princess Dongling looked at the person who came, and said with a smile: “Senior Yutong, how is it you?”

Yes, this person is Yutong Xianweng.

“Aiya.”

Hearing the voice, Yutong Xianweng looked over immediately and found out that it was Princess Dongling, and was immediately surprised and delighted: “Girl, you are really down here, I am relieved to see that you are all right. .”

Saying that, Yutong Xianweng raised his hand and waved, and a flame burned out of thin air, quickly drying his and Dongling’s wet clothes. They swam out of the pool one after another, each more embarrassed than the other, and there were differences between men and women, so they had to dry their clothes.

Chapter 4245

At this moment, Princess Dongling’s face turned a little red, but in her heart, Yutong Xianweng was a senior, so she didn’t care much.

“Senior!”

Princess Dongling couldn’t help but ask, “How do you know I’m down there? Also, what about that Pipa Fairy?”

Alas!

Hearing the question, Yutong Xianweng waved his hand, looking very depressed: “Don’t mention this, that Demon Lord Gone, relying on the number of people, wanted to capture me and Pipa Fairy alive, but who are we? Heavenly Immortals, can you be caught by him?”

“Didn’t I tell you to run first? I saw a guy chasing you. I was worried, so I discussed with Fairy Pipa and asked her to divert the enemy away, and then I looked for a chance. Leave the battlefield.”

“I followed the direction you walked all the way to the vicinity, and found your traces disappeared on the cliff, I guessed that you might have fallen.” At the

end, Yutong Xianweng’s face He was proud: “It now seems that my guess is not false at all, haha...”

Hearing

this, Princess Dongling was very moved, looked at Yutong Xianweng and said: “Senior, you come to me , is it okay to let Fairy Pipa contain so many people from the Demon Clan by herself?”

Although she and Fairy Pipa are not very close, Princess Dongling also knows that Fairy Pipa is kind-hearted, otherwise, she would not have deliberately lost to Jade before. Tong Xianweng, willingly handed over the Azure Pearl.

At this time, when she learned that Fairy Pipa was alone to contain the demons, how could Princess Dongling not be worried?

Haha...

Seeing her worried face, Yutong Xianweng smiled and shook his head disapprovingly: “Girl, you are really worrying too much, Fairy Pipa alone might not be able to stop the siege of the demons, but she wants to If you leave, the Demon Venerable can’t stop him.”

Saying that, Yutong Xianweng touched his nose and changed the subject: “Well, let’s not talk about this, let’s get out of here quickly, and then use the Sky Blue Pearl to help you reshape the body.”

Sky Blue Pearl...!

Hearing this, Princess Dongling’s eyes drooped down, with a melancholy look that was pitiful.

“What’s wrong?” Yutong Xianweng was stunned and couldn’t help asking.

Ugh!

Princess Dongling sighed softly and said bitterly: “The Sky Blue Pearl is gone, and I also lost your Qicai Ruyi...” After that, she explained the situation again.

At the end of the story, Princess Dongling smiled bitterly at Yutong Xianweng: "Maybe this is my destiny. I lost the Sky Blue Pearl, and I am destined to be unable to reshape the Primordial Spirit."

What?

Hearing this, Yutong Xianweng's eyes widened, and he looked helpless: "You lost the Tianqingzhu? Oh, it's troublesome."

After speaking, Yutong Xianweng wanted to comfort a few words . . . However, at this time, when he saw the jade bottle in Princess Dongling's hand, he immediately frowned.

The flame in this jade bottle is a bit strange.

When he competed with Fairy Pipa before, Yutong Xianweng only thought about how to win, so when Fairy Pipa took out the jade bottle, he didn't pay attention to the fire inside.

At this time, seeing the flame in the jade bottle up close, Yutong Xianweng became interested.

"Come!" The

next second, Yutong Xianweng stretched out his hand and said impatiently, "Show me."

Princess Dongling responded and handed the jade bottle over.

call...

At this moment, Yutong Xianweng took the jade bottle and looked over and over, and the more he read, the more he read the Heart Sutra, and at the end he couldn't help but exclaim: "It is rumored that the Suzaku family has the power to rebirth, especially Queen Suzaku, who is almost a With an immortal body, even if it is destroyed, it can be reborn with powerful power."

"I have always been curious about the power of this rebirth, but I have never been able to see it, but I didn't expect it to be in a small I met it in the jade bottle."

When he said this, Yutong Xianweng's eyes were full of brilliance, and he couldn't hide his excitement.

As an immortal from outside the sky, Yutong Xianweng has learned from ancient times and modern times, and knows almost everything. At this moment, he can see at a glance that the essence fire in the jade bottle is related to the power of the Suzaku family.

You know, apart from the power of the ashes, ordinary flames cannot burn forever.

What?

Hearing this, Princess Dongling's delicate body trembled, and she was stunned for a long time, but she couldn't come to her senses for a long time.

The ultimate husband in Chinese chapter 4246-4250

Chapter 4246

A small flame in this jade bottle has such a big origin?

Under the shock, Princess Dongling's eyes flickered, and she suddenly thought of something, she was excited and excited to look at Yutong Xianweng: "Senior, according to you, will this jade bottle belong to Yue Feng? Spirit?"

Although Princess Dongling is sometimes willful, she is very thoughtful.

When I met the Demon Lord Gone before, I learned that Yue Feng was dead, and Yue Feng had received the inheritance of the Empress Suzaku, possessing the power of bird ancestors in the body, and possessing the ability to be reborn.

The combination of these two clues is exactly in line with the situation in the jade bottle in front of him.

In other words, in the entire Divine Realm, only Yue Feng was the only one whose soul could be immortalized by a flame for a long time.

"Oops!"

Yutong Xianweng's eyes lit up when he heard this, and he couldn't help patting his thigh: "Nuwa really has a quick mind, why didn't I think of this?" After

saying this, Yutong Xianweng carefully Looking at the flame in the jade bottle, he sighed: "Look at this, this flame is the boy of Yue Feng. This boy's life is really big, so he didn't die."

Hmm!

Princess Dongling responded softly, then pondered.

A few seconds later, Princess Dongling looked at Yutong Xianweng, bit her lip and said softly: "Senior, the sky blue pearl is gone, I can't rebuild the primordial spirit for the time being, why don't you help Yue Feng first, help him rebirth Resurrection. Okay?"

Princess Dongling's eyes were full of pleading and anticipation when she said this.

To be honest, in Princess Dongling's heart, she didn't have the slightest affection for Yue Feng. If it wasn't for Yue Feng's fake Gong Ao appearance, Princess Dongling would not have lost her innocence, and she would not have been forced to marry Yue Feng due to the situation.

It's just that after so much experience in this period of time, Princess Dongling is open to everything, and, through understanding later, Princess Dongling also knows that Yue Feng is not as despicable as he thought before.

This chapter is provided by . Visit for daily update.

But now, Yue Feng ended up like this because he helped Divine Realm fight against Divine Realm, which made Princess Dongling feel both emotional and distressed.

"Uh.."

At this time, facing Princess Dongling's request, Yutong Xianweng scratched his head, wondering: "Girl, don't think of me as omnipotent, before helping you reshape your primordial spirit, All need to rely on the power of Tianqingzhu, now this kid only has a ball of fire, how can I let him be reborn?"

Princess Dongling suddenly became anxious, pulled Yutong Xianweng's arm, and gently Shaking: "Senior, you and Yue Feng hit it off right away, and you can't bear him to become like this."

"What's more, he took you to Kyushu to taste delicious food before. If you don't care, can you still be a friend?"

"Okay. , okay..."

Hearing this, Yutong Xianweng was very helpless, and nodded with a wry smile: "Don't talk about it, girl, I'm afraid of you."

After speaking, Yutong Xianweng scratched his head and pondered: "Yue Feng's current situation is very special. The reason why he became what he is now is obviously because he wanted to be reborn at that time, but he suffered a second blow."

"But no matter what, he only has a ray of fire left. , it is very difficult to be reborn. This is the first time I have encountered such a situation..." At the

end, Yutong Xianweng almost scratched his scalp.

Done.

Seeing this situation, Princess Dongling's delicate face revealed deep despair and anxiety.

If Yutong Xianweng can't do anything, let alone others.

"Have it!"

At this moment, Yutong Xianweng's eyes suddenly lit up, and he said very excitedly: "Thousands of years ago, Nezha, the third son of Li Jing, the king of Tota, committed suicide at that time, leaving only a trace of his soul. His master used lotus to reshape his body."

"As far as I know, there is a kind of Dharma-karma red lotus where God's Domain and Void are linked. This Dharma-karma red lotus is even rarer than Nezha's reborn lotus, as long as we find it It might be able to bring Yue Feng back to life." At the

end, Yutong Xianweng looked smug.

Fortunately, I have learned from the past, otherwise, I will be embarrassed in front of this little girl.

Yeah?

Hearing this, Princess Dongling was excited all of a sudden, and excitedly pulled Yutong Xianweng: "Great, I know there must be a way for the seniors, let's hurry to find the 'Faye Red Lotus'."

Chapter 4247

Hmm!

Yutong Xianweng nodded, and immediately took Princess Dongling up into the air, rushing towards the border of the gods.

...

the other side.

The fierce battle between the Pipa Fairy and the Demon Race continues.

In the middle of the sky, the Twelve Holy Demon Kings cooperated with the Demon Lord Gone to surround Fairy Pipa. Under the fierce battle between the two sides, the surrounding sky was extremely distorted, dark clouds were rolling, and thunder was roaring, as if the end of the world.

call!

Facing the enemy's siege, Fairy Pipa's delicate face seemed calm, but her heart was indescribably anxious.

This Demon Lord Gone is so shameless that he even joined forces with his subordinates to deal with me.

Speaking of which, if she was fighting alone, Fairy Pipa would not be afraid of the Demon Lord Gone at all, but with the Twelve Holy Demon Kings, it would be completely different. Being suppressed to death, she had no chance to rush out at all.

Mad!

And the Demon Lord Gone was also secretly annoyed. He took action himself, and the Twelve Holy Demon Kings helped. After dozens of rounds, he still couldn't take her down. When the news spread, the reputation of the Demon Race was greatly reduced. How to conquer God's Domain?

What made Mozun Gone even more anxious was that Yutong Xianweng slipped away just now because of his inattentiveness.

This Yutong Xianweng must have gone to find Princess Dongling, and he cannot be allowed to succeed.

"Fairy Pipa."

Thinking of this, the Demon Lord Gone became more and more anxious, and shouted coldly at Fairy Pipa: "You think you can hold us back by yourself? You are too naive."

"Today not only You can't run away, Yutong Xianweng and the daughter of Jiutian God, don't even try to escape from my palm."

hum!

The voice fell, Demon Lord Gone suddenly raised his hand, and in an instant, a terrifying Demon Soul power condensed, as if in mid-air, forming a huge blood-colored skull, directly blasting at Princess Dongling.

Wherever the skull passed, the sky was stained with blood, which was extremely terrifying.

Seeing this situation, the Twelve Holy Demon Kings hurried back to avoid them. They all knew in their hearts that at this time, one of His Excellency Demon Venerable's stunts, 'Gore Demon's Fall', was unparalleled in power. Once touched, it would be injured.

At the same time, Fairy Pipa also changed her pretty face and was secretly surprised.

The next second, Fairy Pipa didn't have time to think, and quickly raised the Pipa in her hand to resist.

boom!

The huge skeleton carried endless power and slammed into the pipa fiercely. I saw the pipa fairy tremble, her face paled instantly, and her body was blown away by the volley.

“Haha...”

Seeing this scene, the Demon Lord Gone was full of pride and sneered at Fairy Pipa: “Fairy Pipa, the deity said that you can’t escape, so give it up.”

Fairy Pipa tightly biting her lip, she didn’t respond. She knew that if she continued to fight, it would be more and more detrimental to herself. At that time, she stopped fighting, holding the pipa tightly in her jade hand, urging Xianli to play a few rhythms.

Buzz buzzing...

These rhythms are the tunes created by the Pipa Fairy during this period of time. They are called ‘Mortal Sounds’ and contain incomparably mysterious power. They are the Pipa Fairy’s trump card.

Originally, Fairy Pipa didn’t want to come up with the stunt of pressing the bottom of the box so quickly, but now she is being pressed step by step by the Demon Lord Gone, and there is really no way to do it.

I have to say that the power of this mortal sound is really amazing. Just looking at the fluctuation of the rhythm, the surrounding air is extremely distorted in an instant, and the demon warriors who hear these rhythms are also dizzy.

The twelve holy demon kings hurriedly covered their heads to resist the power of the rhythm. Even so, their bodies trembled and they could not stand firm.

Even the Demon Lord Gone subconsciously urged the Demon Soul to resist the power of the rhythm.

Whoosh!

At this moment, Fairy Pipa didn’t have time to think about it. Taking advantage of the influence of the rhythm on the Demon Lord Gone and his subordinates, the delicate body flashed and flew directly to the distant sky. In the

blink of an eye, Fairy Pipa’s graceful and charming figure disappeared. Between the clouds, when Demon Lord Gone reacted and wanted to stop it, it was too late.

Swish!

At this time, the Demon Lord Gone, his face was extremely gloomy and gloomy, his eyes were blood red, and he almost spewed out fire.

“Trash.”

Afterwards, Demon Lord Gone looked around and roared angrily: “There are so many people who can’t catch a pipa fairy, they are all trash.” First let Yutong Xianweng rush out of the siege, and then let him Fairy Pipa ran away, and it would be difficult for anyone to calm down.

Chapter 4248

Feeling the anger of the Demon Lord Gone, whether it was the Twelve Holy Demon Kings or the nearly 20,000 Demon Warriors around, all of them bowed their heads in shame, not daring to let out the air.

“Your Highness!”

But at this moment, a figure came quickly, it was Gong Ao.

Seeing Gong Ao coming back, Mo Zun’s face was gloomy and he ignored it.

“Wei

An!” Mo Yan, who was beside him, couldn’t help but quickly walked out and asked Gong Ao, “I asked you to intercept Princess Dongling and bring her back. Where is the person?”

” Yan and Demon Zun Gone, as well as the surrounding companions, did not realize that the ‘Wei An’ in front of him was fake, and the soul inside was actually Gong Ao’s.

“Your Excellency the Demon King.”

Hearing the question, Gong Ao looked ashamed and said tremblingly, “This subordinate is incompetent, I stopped her on a cliff at the time, and I wanted to catch her back, but who knew that she would fall with one foot. Go down.”

After speaking, Gong Ao carefully glanced at the change in the expression of Demon Lord Gone, and continued: “The bottom of the cliff is bottomless, and if you fall, you will die, so I will come back.”

Huh... At

this moment, both Mo Yan and the other holy demon kings frowned.

This Wei An is really stupid, to let Princess Dongling fall off the cliff.

“Pass the deity’s order.”

At this moment, the Demon Lord Gone took a deep breath, looked around and said coldly: “Go to the bottom of the cliff to investigate immediately, be sure to find the whereabouts of Princess Dongling, live to see people, die to See the corpse.”

To Mozun, Princess Dongling did not threaten him at all, but no matter what, she was the daughter of the Nine Heavens God, and if she caught her, she had a bargaining chip in her hand.

“My subordinates obey.”

In an instant, Mo Yan and the other holy demon kings, as well as the surrounding demon warriors, responded in unison, the sound shook the sky, and then quickly rushed towards the cliff that Gong Ao said.

.....

At this moment, the boundary of God’s Domain.

Between the mountains and mountains, Yutong Xianweng and Princess Dongling flew slowly at a low altitude. As they flew, their eyes kept searching around.

At this time, the sky was getting dark, and Princess Dongling’s delicate face could not hide the anxiety.

“Senior.”

Princess Dongling looked around and couldn’t help but said, “Have you misremembered, is there a red lotus in this place? We’ve been searching for a long time, and we haven’t even found a shadow.”

Yutong Xianweng scratched his head, and said in disbelief: “Girl, where are you going? It’s not like you don’t know how big the boundaries of God’s Domain are, and we’re looking for Faye Red Lotus.”

“You know Faye Hong How rare is the lotus? It only appears once every five thousand years, and there is only one plant. It is more difficult than finding a needle in a haystack to find it.”

What?

Hearing this, Princess Dongling’s delicate body trembled, and she was immediately stunned.

It only appears once every five thousand years, and there is only one plant. When will it be found?

“Ha ha...”

Just when Princess Dongling was secretly depressed, she saw Yutong Xianweng staring at a mountain in front of her eyes with a strange brilliance, and her whole person was extremely excited: “Fire... red lotus fire... .It seems to be the red lotus of Faye, haha...We are so lucky...”

Princess Dongling was very excited, and quickly followed his gaze. Sure enough, she saw a mountain above the front. A group of red flames, looming.

“Go and have a look.”

Yutong Xianweng was very excited, and after saying a word, he took Princess Dongling to speed up and headed towards the mountain.

Soon, when they reached the top of the mountain, the scene in front of them made Princess Dongling stunned.

I saw a strange flower and grass growing in a stone crevice at the top of the mountain, with azure blue leaves, and a red lotus flower on top. The lotus was bright red, like a burning flame.

Princess Dongling clearly felt that this lotus flower contained a peculiar power and an incomparably full vitality.

Not only that, this blood-colored lotus flower seems to have spirituality. It feels like someone is approaching, and it shrinks into the stone crevice.

so amazing.

Seeing this, Princess Dongling couldn't help but sigh in her heart while she was excited.

Chapter 4249

“Haha...”

At this time, Yutong Xianweng observed for a moment, and then he looked up to the sky and laughed: “Faye Red Lotus, it really is Faye Red Lotus, this kid Yue Feng has such a good life, I still I thought I would be looking for ten days and a half months, but I didn't expect to find it so quickly.”

Hearing this, Princess Dongling was very excited and walked over quickly, saying as she walked, "It's great, with the Faye Red Lotus. , Yue Feng will be able to be reborn."
The

voice fell, Princess Dongling had already reached the stone crevice, and stretched out her jade hand to collect.

"Oh, don't touch..."

Seeing this scene, Yutong Xianweng's expression changed, and he hurriedly spoke to stop it, and was about to jump up in a hurry.

However, it was still a step behind.

Hearing the stop, Princess Dongling's delicate body was shocked and stopped subconsciously. Although she did not collect the red lotus of Faye, her jade hand had already touched it.

"What's wrong? Senior?" Princess Dongling withdrew her hand and asked in surprise.

What happened to this senior Yutong Xianweng? Shocked.

call!

Yutong Xianweng took a deep breath and said incredulously, "Girl, as the daughter of the Nine Heavens God, haven't you read the book and don't know the situation and taboos of the Faye Red Lotus?"

Princess Dongling's delicate face , full of ignorance: "What are the circumstances and taboos?"

Although she was of noble birth, she was playful and self-willed since she was a child, and was not interested in books at all, so her knowledge of all things in the domain of the gods was very limited, and she really didn't know anything about the red lotus of the law. thing.

Seeing her ignorant look, Yutong Xianweng almost wanted to cry without tears.

The next second, Yutong Xianweng said slowly: "I told you before that the red lotus of Faye only appears once every five thousand years, and there is only one plant, so the requirements for the growth environment are very strict. Look at this place, The surrounding innate spiritual energy is extremely full, just right for it to grow."

Princess Dongling looked around and nodded, "Then what?"

Alas!

Seeing her until this time, she still didn't understand, Yutong Xianweng was very speechless, pointed to the red lotus of the law industry in the stone crevice and said: "This red lotus of the law industry is obviously not fully mature, you rashly collected it, only It will backfire."

"But I didn't pick it."

"But you touched it. I said just now that its growth environment is very harsh, and there cannot be the slightest mistake in the growth process. Once it is disturbed by external forces, it will appear. Unpredictable situation."

Speaking of the last sentence, Yutong Xianweng's face was full of bitterness, and at the same time, his eyes were fixed on the changes of the Faye Red Lotus.

Unpredictable situation?

Hearing this, Princess Dongling was also a little flustered, and quickly took a few steps back and closely observed the Faye Red Lotus.

Buzzing...

Nothing happened at first, but after more than ten seconds, the innate spiritual energy around the entire mountain suddenly began to surge violently.

It's over...

Feeling the innate aura surging around, Yutong Xianweng and Princess Dongling looked at each other, each with a bad feeling in their hearts.

Obviously, just now, Princess Dongling rashly touched the Faye Red Lotus, which caused its normal growth to appear.

call...

Just when the two of them were uneasy, they saw the red lotus of Faye in the stone crevice, suddenly flashing a fire, and then, the crystal petals began to roll inward, and at the same time, the pattern on it also appeared. signs of wilting.

"Senior!" Seeing this situation, Princess Dongling became anxious all of a sudden, and couldn't help but say: "It...is it about

to wither? What should we do? Are we going to collect it?"

Not many, but the current situation also made Princess Dongling realize that once the red lotus of the Faye withered completely, it would lose its original effect, and Yue Feng would not be able to be reborn.

“I...”

At this time, Yutong Xianweng was also in a hurry, listening to Princess Dongling's call, with a wry smile on his face: “Girl, I said before, I'm not omnipotent, why? Do you know what to do?”

Yutong Xianweng's face was bitter when he said this.

Speaking of which, although he has some knowledge about the red lotus of the law, he has only read it in the ancient books, and he has never encountered it before. Today is the first time he sees the red lotus of the law.

Chapter 4250

Hearing this, Princess Dongling almost cried and pleaded, “Senior, you must think of a way.”

At this time, Princess Dongling felt very anxious and guilty.

If it wasn't for marrying her, Yue Feng would not have been caught in the God's Domain. Although Princess Dongling felt a little resentful in her heart because of his innocence, but after so much experience in this period of time, she had already seen it.

In Princess Dongling's heart, Yue Feng ended up like this. Although it wasn't her fault, it couldn't get rid of it.

If Yue Feng completely lost the chance to be reborn, Princess Dongling would not be at ease for the rest of her life.

“Don't worry, don't worry...”

Under the urging of Princess Dongling, Yutong Xianweng was also in a hurry. While scratching his head, he comforted: “Let me think of a way...”

After speaking, Yutong Xianweng sat on the ground, closed his eyes and started to think.

Huh...

Seeing this scene, Princess Dongling was so anxious, but she didn't dare to disturb her, so she could only wait anxiously on the side.

At the same time, I also hope that Yutong Xianweng can come up with a solution soon.

Swish!

A few seconds later, Yutong Xianweng seemed to think of something, his eyes suddenly opened, and he stood up at the same time: "I thought of a way..." However, halfway through, he shook his head and said to himself: "No, this is absolutely impossible."

"Senior!"

Seeing that he was hesitant to say anything, Princess Dongling stomped her feet in a hurry: "What is the solution, tell me quickly."

"No..."

Yutong Xianweng kept shaking his head, like a child who did something wrong: "This method is too cruel, and it will completely destroy you."

Ruin me? Hearing this, Princess Dongling

was stunned for a moment, then bit her lip and said firmly: "Senior, don't worry too much, as long as you can bring Yue Feng back to life, I can do anything?"

Out of the jade bottle, looking at the soul of Yue Feng inside, he said meaningfully: "Although I had some entanglements with him before, but anyway we held a wedding, I am his wife, and I have the responsibility to protect him and save him."

"Senior, what can I do, tell me what I can do, I will definitely do it."

Seeing her expression, Yutong Xianweng frowned and did not respond immediately.

Ugh!

After two seconds, Yutong Xianweng sighed and said with emotion: "It's really a sin."
After speaking

, Yutong Xianweng put away the hippie smile before, with a very serious and complicated expression: "The way I said, It's a special blood sacrifice ceremony."

"What happened just now, you don't need me to explain it to you. You rashly touched the red lotus of the law industry, which caused it to wither ahead of time. If you want it to return to normal, you need to burn blood and blood. Life, merge it into the red lotus of the law to make it return to normal."

"You are the daughter of the Nine Heavens God, with noble blood, so you can definitely do it."

"It's just... once you do this, not only will you not be able to reshape your primordial spirit, Even the body and soul will be lost."

At the end, Yutong Xianweng's eyes flickered unbearably, and he sighed: "If it doesn't matter, Yue Feng has come this far, maybe it's his life, you don't need to burn it. Use your own blood and life to help him."

This...

At this moment, after listening to these Princess Dongling, she was stunned, her delicate body trembled, and she couldn't come back to her senses for a long time. He was deeply troubled in his heart.

Is this the only way to save Yue Feng?

After being away for so long, I still want to return to Yuyao Xianyuan and reunite with my father and mother, so I can't just die like this.

But if you don't do this, Yue Feng will not be able to be reborn. He is a hero of Kyushu, and there are many important things to do.

"Girl!"

Seeing that Princess Dongling couldn't pay attention, Yutong Xianweng smiled bitterly and greeted: "Maybe this is Yue Feng's life, maybe God is destined that he can't be reborn with the red lotus of the law, so Forget it, let's get out of here and think of other ways." The

voice fell, Yutong Xianweng turned around and was about to leave.

"Wait a minute, senior."

However, before he took two steps, he heard Princess Dongling's eager voice behind him.

Yutong Xianweng turned around and saw Princess Dongling standing there, her delicate and beautiful face showing a bit of complexity and determination.

The ultimate husband in Chinese chapter 4251-4260

Chapter 4251

“You...” Yutong Xianweng scratched his head and couldn't help but speak.

Just saying one word, she was interrupted by Princess Dongling: “Senior, is the blood sacrifice you just said really okay?”

Hmm!

Yutong Xianweng nodded: “This blood sacrifice comes from the Demon Race. I used to have some friendship with Demon Lord, and I know a little bit. Of course, now that Demon Lord Gone is completely crazy, and I can't talk about friendship with him. “

But there is no problem with this kind of blood sacrifice.”

Hearing this, Princess Dongling nodded, her delicate face full of seriousness: “Okay, the senior is ready to start, I have decided to use the Help him with your own blood and life.” The

last word fell, and Princess Dongling's eyes flashed with determination.

I go!

At this moment, Yutong Xianweng was suddenly stunned, frowning and looking at Princess Dongling: “Are you crazy? Are you sure you want to use your own life in exchange for Yue Feng's life?”

After speaking, Yutong Xianweng looked at Yutong. The spirit of Yue Feng in the bottle: “As long as this kid's spirit does not die, there will always be a chance. You are different. Once you do this, you will never come back.”

While saying that, Yutong Xianweng Shaking his head.

This girl is so impulsive.

“Senior!”

Princess Dongling smiled lightly and responded, “I understand what you mean, I mean it, my current situation is not much better than Yue Feng's, without the primordial spirit, I will encounter the demons at any time. No life, although you have been helping me all this time, but I don't want to be called a burden to my predecessors.”

“Furthermore, I also have a little responsibility for Yue Feng’s fate. Although I used to despise him, I gradually discovered that, Although he is human, he is extremely extraordinary, and it is my honor to be his woman.”

This chapter is provided by . Visit for daily update.

“If a woman can’t even help her own man, what’s the point of living? So, senior, please fulfill me, okay?” The

words were sincere and sincere.

Huh...

Hearing this, Yutong Xianweng was slightly moved and looked at Princess Dongling closely, unable to speak for a while.

A few seconds later, Yutong Xianweng shook his head with a wry smile, and said with emotion: “Sure enough, the word ‘love’ is the most difficult thing to understand in this world. No matter whether it is a mortal or a god above, there is no escape.

” Yutong Xianweng glanced at the faye red lotus that was slowly withering, and made a final decision: “Forget it, since you are willing, then I will fulfill you.”

Well!

Princess Dongling nodded and smiled gratefully: “Thank you, senior, by the way, this jade bottle will be handed over to Yue Feng after he is reborn, and it will be regarded as a souvenir I left him.”

Said, Princess Dongling gave the jade bottle containing the soul of Yue Feng to Yutong Xianweng.

At this moment, Yutong Xianweng stopped talking and began to deploy blood sacrifices. Soon, after everything was ready, Yutong Xianweng told Princess Dongling in detail about the steps and details of the blood sacrifice.

Princess Dongling wrote down one by one, and then, under the gesture of Yutong Xianweng, took a dagger, cut her wrist, and then dripped blood on the slowly withering red lotus of Faye.

hum!

The moment the blood dripped on the Faye Red Lotus, it turned into a blood mist and slowly merged into the petals that were about to wither. This process lasted for more than ten minutes.

Finally, Princess Dongling shed the last drop of blood, her face was extremely pale, but she still kept her spirits strong, cooperated with Yutong Xianweng, controlled her spirit, and entered the red lotus of the law.

woohoo....

After integrating into the soul, I saw that the Faye Red Lotus was rejuvenated with vitality again, and each petal was crystal clear and bloody. Originally, the Faye Red Lotus was not yet mature, but after the situation just now, it completely bloomed.

However, the beauty of the Faye Red Lotus was indescribably sentimental in the eyes of Yutong Xianweng.

Princess Dongling, on the other hand, was completely fragrant, leaving only a faint fragrance in the air....

“Alas...”

Seeing this scene, Yutong Xianweng was very emotional, and directed at the jade bottle in the jade bottle. Yue Feng’s soul said: “Yue Feng, your boy is really a blessing, let alone so many confidantes in the Kyushu mainland, now even the daughter of Jiutian God is willing to give everything to save you.” As he

said, Yutong said Xian Weng raised his hand and waved, and took out the ball of spirit and placed it on the Faye Red Lotus.

Chapter 4252

Call!

The moment the spirit was placed on the red lotus of the law, a dazzling light burst out, and then the spirit was directly integrated into the red lotus of the law.

Yutong Xianweng quickly activated his immortal power and recited incantations to help Yue Feng reshape his body.

Om...

Under the blessing of Xianli, I saw the red lotus of Faye burning directly, and under the swaying fireworks, an illusory figure slowly emerged.

It was Yue Feng.

It’s just that Yue Feng at this time is still in the state of spirit, and the flesh still needs to be shaped by the red lotus of the law.

But even so, this scene is shocking, and if someone else is present, it will definitely be a surprise. You must know that Yue Feng was almost in a state of disintegration before, which can be said to be completely cold, but at this time, he can still be resurrected with only a wisp of spirit.

Simply incredible.

Chi Chi...

As the flames became more and more vigorous, I saw the red lotus of the Faye melted completely, and then wrapped the illusory Yue Feng to form the internal organs, skin, hair...

I don't know how long it took, The physical body was finally rebuilt successfully. But it looks kind of weird.

I saw Yue Feng's face, and even all over his body, were covered with blood-red lotus marks, red coquettish, indescribable evil.

call!

It was at this moment that Yue Feng slowly opened his eyes and woke up.

At the beginning of Fengmo Mountain, after being killed by Demon Zun Gone, Yue Feng relied on the power of Bird Ancestor to be reborn, but was hit hard by Demon Zun again, and finally only a wisp of spirit remained. At that time, his thinking also entered The state of the seal dormancy.

What the hell!

After waking up at this time, Yue Feng was completely stunned. He was severely injured by Demon Zun Gone twice, and, wasn't Pan Nii's rebirth a failure at that time?

It's not dead?

In shock, seeing the surrounding environment, Yue Feng was stunned again, his mind buzzing, almost blank.

I saw that I was on the top of a mountain, surrounded by clouds and mist, and I couldn't see where it was at all.

And a few meters away in front of him, stood an old man with white hair and beard, who was looking at himself with a smile that was not a smile.

"Senior!" In the

next second, Yue Feng reacted and looked at Yutong Xianweng in surprise and joy: “Why are you here? And am I not dead? How did I survive?”

When he said this, Yue Feng was full of doubts.

“Haha...”

Seeing his dazed look, Yutong Xianweng laughed and said proudly, “Is there any need to ask this? Of course, the old man resurrected you.” What the hell

!

Hearing this, Yue Feng was both excited and moved, and he quickly gave a deep salute: “It turned out that it was the senior who helped, and I, Yue Feng, will never forget such kindness.”

In Yue Feng’s heart, Yutong Xianweng Helping him to be reborn is not surprising at all, after all, he is an immortal from outside the sky, capable people can’t.

Hehe...

Seeing Yue Feng’s grateful face, Yutong Xianweng was very pleased, and then thought of something, his expression darkened: “Yue Feng, speaking of which you should not only thank me, but also a person who sacrificed for your rebirth. It’s too much.”

After speaking, Yutong Xianweng sighed deeply.

Anyone else?

At this moment, Yue Feng was stunned for a moment, then looked around, and said in surprise: “Senior, how can there be anyone here?”

Yutong Xianweng smiled bitterly and said slowly: “You don’t need to look for it, because she has already It doesn’t exist anymore.”

It doesn’t exist anymore?

Hearing this, Yue Feng became even more puzzled, and couldn’t help urging: “Senior, don’t play dumb riddles, what’s going on? You said someone else helped me, where is she? Why doesn’t she exist? ?”

Alas!

Yutong Xianweng sighed, and told the previous situation one by one.

At the end of the story, Yutong Xianweng looked at Yue Feng's eyes with a deep meaning: "Yue Feng, you are really beautiful, and speaking of it, when I saw you and Princess Dongling for the first time, I can feel that she is very disgusted with you, and even has some hatred."

"It's just that I never thought that at the last critical moment, she would not hesitate to lay down her life and spirit to help you regenerate."

Chapter 4253

said, Yutong Xianweng pointed to the position of the stone crevice: "At that time, after the Faye Red Lotus was accidentally touched by her, it began to wither. The only way is to sacrifice life and soul to let the Faye Red Lotus. Back to normal, I persuaded her at the time that she didn't have to do it, but she didn't listen, and she was very determined at the time."

"Alas, the daughter of Jiutian God seems to be arrogant and willful, but she is actually very kind. It's a pity." Huh

. . . .

Knowing these circumstances, Yue Feng seemed to have been hit in the heart by a sledgehammer invisibly. He staggered back a few steps, stared blankly at the crack in the stone, and was speechless for a long time.

It turned out.... that I could be reborn all thanks to Princess Dongling.

Why is she so stupid? She took away her innocence and caused her to be separated from Gong Ao. Not only did she not hold grudges, but she paid so much to herself.

"Dongling.."

In grief, Yue Feng's voice was choked and he murmured: "Why are you so stupid, you don't need to do this..."

At this moment, Yue Feng's voice was trembling, his heart was like a knife cut.

To be honest, he didn't have much contact with Princess Dongling, and his relationship was not deep, so he never imagined that Princess Dongling would be willing to give his life to bring him back to life.

"Okay!"

Seeing his uncomfortable appearance, Yutong Xianweng was also very uncomfortable, he smiled and walked over to comfort him: "She sacrificed her life to make the Faye

Red Lotus return to normal, and then help you to be reborn, it counts. , she is not completely disappeared, but is closely integrated with your life.”

After speaking, Yutong Xianweng looked up and down at Yue Feng: “Let’s go, this place is too high and too conspicuous, you It would be embarrassing to be seen by others in this outfit.”

Uh...

Hearing this, Yue Feng lowered his head and glanced, and his face suddenly flushed, very embarrassed.

Because he had just been resurrected and reborn, and rebuilt his body by relying on the red lotus of Faye, Yue Feng had nothing to hide at this time.

Embarrassed, Yue Feng left the mountain with Yutong Xianweng.

Soon, in a nearby forest, Yue Feng broke off some branches, weaved it into a simple coat, and draped it over his body. Although it was a bit ugly, it was better than being naked.

“Boy!”

Seeing this scene, Yutong Xianweng, who was standing by the side, couldn’t help but exclaim: “I can’t see it, you know quite a lot, and it’s not bad to use branches to make clothes.”

Hearing the praise, Yue Feng smiled modestly: “Compared to the abilities of my predecessors, what am I?”

Before he was called a cultivator, Yue Feng had learned the skills of survival in the wild, and it was no problem to weave clothes from branches.

Saying that, Yue Feng saw a message not far away, so he quickly walked over to wash his face.

What the hell!

As soon as he arrived at the stream and saw his own reflection on the water, Yue Feng was taken aback and turned around and shouted at Yutong Xianweng: “Senior, I... What’s the matter with me?”

” Yue Feng clearly saw that his face was covered with the imprint of the blood-colored lotus flower. Not only that, but he also had such imprints on his body, which looked very different and had some evil spirits.

Even his hair turned dark red.

At this time, Yue Feng's appearance, let alone enemies, is the closest Wen Chou Chou, Sun Dasheng, and Ren Yingying's confidantes, I'm afraid they won't recognize it for a while.

"Ha ha..."

Seeing his terrified expression, Yutong Xianweng couldn't help laughing, and said angrily: "Look at the way you make a fuss, you are a Nine Heavens Profound Sage after all, don't you know what happened after Pan Nii's rebirth?"

Yue Feng frowned: "What's the situation? Haven't I been reborn successfully now?"

Alas!

Yutong Xianweng sighed softly and shook his head speechlessly: "You have indeed succeeded in rebirth, but it is only a resurrection of life. Now you can feel the power of your own primordial spirit."

Hearing this, Yue Feng couldn't say much. I thought, and quickly felt my primordial spirit, I was dumbfounded at that time.

He clearly felt that there was no shadow of the primordial spirit in his body, and not only that, all the power he had cultivated before had all disappeared.

How could this be?

For a while, Yue Feng was stunned, only feeling that his head was big, and asked Yutong Xianweng: "Senior, what's going on? Where is my primordial spirit? Where is my cultivation?"

Chapter 4254

"Yue Feng, ah Yue Feng!"

Yutong Xianweng looked at Yue Feng speechlessly, crying and explaining: "You are not stupid, you are not really confused now, right? Think about it, before you were caught When the Demon Venerable kills you, your body and soul will be destroyed."

"In other words, after you die, you have nothing left, including your primordial spirit and cultivation base. It is already a miracle that you can be reborn with the help of the Dharma Karma Red Lotus, so don't expect too much. "

Speaking of this, Yutong Xian Weng Yufeng turned around and said with a smile: "But don't worry, now that you are reborn with the help of the red lotus of the law, your

physique is completely different from the mortal body of others. Even if you re-cultivate, you will be better than others. Much faster.”

Phew!

Hearing this, Yue Feng fell silent.

In the next second, Yue Feng pointed at the red lotus marks on his body: “What’s the matter with these?”

“These marks are the power of the red lotus attached to you. Although you have been reborn with the help of it, it has not yet merged. The power of the red lotus of the law.” Yutong Xianweng stroked his beard and said slowly: “When you cultivate to a certain level and completely integrate the power of the red lotus of the law, these marks will completely disappear, do you understand? ?”

Yue Feng nodded, then suddenly understood.

It turned out to be so.

After understanding it, Yue Feng felt a little melancholy in his heart. If so, wouldn’t he have to start from scratch?

But soon Yue Feng figured it out.

Start from scratch, start from scratch, you are lucky to be alive.

Muttering in his heart, Yue Feng suddenly thought of something, and asked Yutong Xianweng: “Senior, is it possible to be reborn from Pan Nirvana, must a treasure like the red lotus of Faye be reborn successfully?”

I don’t know why, Yue Feng suddenly Reminds me of Queen Suzaku.

Back then, in the Sealed Land, Queen Suzaku sacrificed herself at the last moment, and passed on the power of Bird Ancestor to herself. Now think about it carefully, why didn’t she rebirth herself?

Could it be that there was a lack of treasures like the Faye Red Lotus around at that time?

“Nonsense!”

Hearing the question, Yutong Xianweng rolled his eyes subconsciously, and said angrily: “Without a treasure like the Faye Red Lotus as a medium, even if you have the power of rebirth, it is just a wisp Soul, how to reshape the body successfully?”

Phew...

Hearing the answer, Yue Feng took a deep breath and smiled embarrassedly.

At the same time, I was completely stunned.

It seems that I guessed right. At that time, there were no treasures like the red lotus of the law as a medium around, so the Queen Suzaku couldn't be reborn by herself, so she made a desperate attempt to pass the power of the bird ancestor to herself.

hum, hum, hum!

Just as he was talking, he suddenly sensed that there was a strong aura vibrating in the sky not far away.

Sensing the vibration of this breath, Yue Feng and Yutong Xianweng were both stunned for a moment, and then they looked up subconsciously. Seeing this, Yue Feng couldn't help taking a deep breath.

In the sky not far away, tens of thousands of demon warriors came rushing in, each of them wearing black armor, and the momentum was astonishing.

In front of these demon warriors are the Demon Lord Gone and the twelve holy demon kings of Moyan.

Mad!

Seeing this scene, Yutong Xianweng's expression changed and he was shocked.

This Demon Lord Gone is really haunted, he was found so quickly.

At this time, Yutong Xianweng didn't realize that the Demon Race's tracking skills were very powerful. Half a day ago, Demon Zun Gone ordered Gong Ao to lead the way and went under the cliff to investigate. As a result, the body of Princess Dongling was not found. Nie ordered his subordinates to use the tracking secret technique to find out the departure of Princess Dongling and Yutong Xianweng.

After that, the Demon Lord Gone led his subordinates to find this place along the trail.

"Jade Child Fairy!"

At this moment, Demon Zun Gone's eyes were fixed on Yu Tong Fairy, unable to hide the coldness: "Do you think you can get rid of me by letting the Pipa Fairy be the queen? I tell You, you can't escape from my palm, this time I see you running there!"

Hehe!

Feeling the gloomy and coldness of the Demon Lord Gone, Yutong Xianweng did not panic at all, and said with a smile: "Gonie, stop bragging in front of me, I want to go, you can't stop me!"

Chapter 4255

Yutong Xianweng's answer made Mozun Gone very angry.

Swish!

However, just as he was about to respond, he was stunned when he saw Yue Feng standing on the side of Yutong Xianweng.

Who is this kid with blood marks on his face?

At this time, Yue Feng had blood-colored lotus marks all over his face, and even his hair had turned crimson, as if he had completely changed into a person, and the Demon Venerable could not recognize it at all.

Not only the Demon Lord Gone, Mo Yan, and other twelve Holy Demon Kings did not recognize them, but they were all secretly surprised.

Swish!

At this moment, Mo Yan and the other holy demon kings also locked their eyes on Yue Feng and muttered in their hearts.

Who is this person beside Yutong Xianweng?

Huh...

Being stared at by so many eyes, Yue Feng's heart suddenly hung up, and he was unspeakably uneasy.

Mad, these demons must not recognize me, you must know that without the primordial spirit and cultivation, you are a waste.

"Xianweng Yutong!"

At this moment, the Demon Lord Gone looked away from Yue Feng, and asked Xianwen Yutong coldly: "Where's that girl from the Nine Heavens God? Hurry up and hand it over, as long as you put She handed it over to me, and I'll let you go."

When he said this, the Demon Race Gone looked hideous, and his whole body was filled with a terrifying suffocating aura.

Repeatedly let Yutong Xianweng and Princess Dongling escape, the Demon Venerable was very angry, and this time he secretly vowed to catch Princess Dongling no matter what.

At this time, Mozun still didn't know that Princess Dongling sacrificed her life and soul in order to bring Yue Feng back to life, and she no longer exists.

“Goni!”

At this moment, Yutong Xianweng lost his patience and responded coldly: “You still have the face to ask me? When you besieged me and Fairy Pipa before, that girl fled, and now her whereabouts are unknown. I'm still looking for her.”

“I suspect that she has been caught by you, so you should report the wicked first, and let her go quickly, otherwise don't blame me for being rude.”

Although Yutong Xianweng is usually crazy, but Thoughtful, seeing that Mozun did not discover Yue Feng's identity at this time, he deliberately messed up and confuses the public.

Swish!

Hearing this, Mozun Goni's face suddenly became extremely gloomy, and said coldly: “Don't talk nonsense to me, if I catch that girl, I will come to ask you?” After

speaking, Mozun was too lazy to talk nonsense: “Since you don't know where that girl is, then I have to deal with you. Anyway, that girl can't escape without your help.” The

last word fell, and the power of Demon Lord Goni broke out. The once clear sky suddenly became dark.

Nima!

Seeing this situation, Yue Feng's face changed, and he kept scolding in his heart.

This Demon Lord Goni is really shameless, fighting alone is not the opponent of Yutong's predecessors, and he wants to bully the less.

Yutong Xianweng also frowned secretly, his expression solemn, but he did not panic too much, and whispered to Yue Feng: “Boy, don't panic, this Demon Venerable is just a lot of people

”, This senior Yutong is too confident. You must know that the other party is a demon. Not only are there twelve holy demon kings, but also tens of thousands of demon warriors.

Thinking about it, Yue Feng was about to respond.

“Um?”

However, at this moment, Yutong Xianweng suddenly made a very exaggerated appearance, looked closely at the direction behind Demon Lord Gone, and shouted: “Girl? Are you really here? Run, run. “

When he shouted, Yutong Xianweng’s face was full of anxiety, but slyness flashed in his eyes.

Yes, Yutong Xianweng deliberately pretended to pretend that Princess Dongling appeared, in order to confuse the attention of Demon Lord Gone.

Swish!

I have to say that Yutong Xianweng is very similar, whether it is the Demon Lord Gone, or the Twelve Holy Demon Kings and the surrounding Demon Warriors, they all looked back at that time.

Seeing this, they all frowned.

There is nothing behind, who is there?

Haha...

Seeing this scene, Yue Feng was originally very nervous, but he couldn’t help laughing out loud.

This Demon Venerable and those Demon Race warriors are too deceiving. Senior Yutong just pretended, and they all believed it.

The ultimate husband in Chinese chapter 4256-4260

Chapter 4256

“Go!”

Just when Yue Feng was secretly laughing, Yutong Xianweng grabbed his hand, urged Xianli to rise into the air, and quickly rushed towards the distant sky.

Yutong Xianweng is very fast, and in the blink of an eye, he has reached a kilometer away.

“Run?”

At this moment, the Demon Lord Gone knew that he had been deceived, and immediately became furious, and the Demon Soul erupted, chasing after Yutong Xianweng directly.

While chasing, the Demon Lord Gone did not forget to direct the Twelve Sacred Demon Kings and the demon warriors: “Yutian, take 20,000 warriors to search around, and if you come across that girl, immediately capture him alive.

” Yan and the other holy demon kings, follow me to pursue Yutong Xianweng.”

Until this time, Mozun did not realize that Princess Dongling was dead, but thought that Princess Dongling and Yutong Xianweng had an appointment to meet here. Otherwise, Yutong Xianweng would not stop here for no reason.

“Subordinates obey!”

Yutian responded quickly, commanding the demon warriors, quickly dispersed, and started a search in the surrounding woods.

Moyan and the other ten holy demon kings followed the Demon Lord Gone and chased in the direction where Yutong Xianweng escaped.

in the sky.

Because Yutong Xianweng had to take Yue Feng, his speed was limited, and he saw that the distance between Demon Lord Gone and them was getting closer and closer.

“Senior!”

Looking at the Demon Lord Gone who was chasing behind him, Yue Feng panicked a little and couldn't help but say, “They are catching up.”

This chapter is provided by . Visit for daily update.

Yutong Xianweng was also anxious, and responded, “I know, you Don't panic.”

While speaking, Yutong Xianweng frowned, thinking about countermeasures.

Swish!

The next second, seeing the portal not far ahead, Yutong Xianweng's eyes flashed: "Yes." After saying that, he landed quickly with Yue Feng.

This portal was built by God's Domain to connect with the human world, but it has been destroyed. At the beginning, in order to start the war between God and Demon, Demon Lord Gone was the first to destroy all the portals in God's Domain. This is one of them.

"Yue Feng!"

Landing in front of the portal, Yutong Xianweng said quickly: "I remember you told me that you have a very deep knowledge of the first method of confrontation, wait for me to block them, you say that the portal is repaired, Then leave here."

When saying this, Yutong Xianweng looked serious.

He couldn't escape far with Yue Feng, and sooner or later he would be intercepted by the Demon Lord Gone. Rather than being passive, it would be better to find a way to send Yue Feng back to the human world.

good!

Yue Feng nodded, but his heart was a little bitter.

He understands the formation technique, but the teleportation formation in the Divine Realm is much more mysterious than the Kyushu Continent. Whether he can repair it is still unknown.

More importantly, Yutong Xianweng faced the Demon Lord Gone and the eleven holy demon kings of Moyan, can they be opponents?

Swish swish...

Just when Yue Feng was secretly depressed, he saw the Demon Lord Gone, and the eleven holy demon kings of Moyan, already chasing after him.

"Goni!"

At this moment, Yutong Xian Weng's immortal force was urged, with endless fighting intent on his face, he laughed: "The previous battle was very unpleasant, this time the old man will go all out, you and Let's go together with your rubbish men."

Yutong Xianweng was very clever, and in order to facilitate Yue Fengxiu's portal, he deliberately used words to anger Demon Lord Gone.

"I'm not ashamed." The

Demon Lord Gone was already full of anger, but when he heard Yutong Xianweng say this, his eyes burst into flames, and he shouted angrily, "I want to see how you beat me and my Eleven. subordinate."

Om!

The voice fell, and the figure of Demon Lord Gone broke out, leaving a black trail in the air, killing directly towards Yutong Xianweng.

Swish swish...

At the same time, Mo Yan and other holy demon kings also burst out with the power of demon souls, urging their figures to surround Yutong Xianweng.

"Haha, good time!"

In the face of such a situation, Yutong Xianweng did not panic at all, but laughed loudly, and fought fiercely with Mozun and Moyan in the air.

Phew...

Seeing this scene, Yue Feng took a deep breath, walked quickly to the portal, and began to study it carefully.

Speaking of which, Yue Feng couldn't calm down at all in the current situation, but there was nothing he could do. If he didn't quickly repair the portal, Senior Yutong's efforts would be in vain.

Chapter 4257

Thinking to himself, Yue Feng tried his best to calm down and began to study the portal in front of him.

At this time, Yue Feng, in the formation technique, has reached the level that no one can match. Knowing that the world formation technique is inseparable from the five elements of heaven and earth, he quickly came up with a solution.

Haha...

A few minutes later, Yue Feng completely repaired the portal, and the whole person was very excited.

However, Yue Feng did not leave immediately through the portal, but looked up at the battle in mid-air.

In midair, the fierce battle between Yutong Xianweng and Demon Zun Gone continued.

At the beginning, Yutong Xianweng was able to deal with it calmly, but after all, there were too many people on the other side. Gradually, Yutong Xianweng's face was a little pale and anxious.

"Yutong Xianweng."

At this moment, Demon Zun Gone's face flashed with absolute contempt, and said coldly: "Stop doing unnecessary fights, surrender, and tell me where that girl is."

Yutong Xianweng He chuckled softly: "Surrender? Did you know me on the first day? I, Yutong Xianweng, have been around for so many days, but I never knew what surrender was."

"Also, let me tell you, where is that girl, you will always be there. I don't know, let's give up."

Shua!

Hearing this, Demon Zun Gone's face instantly turned gloomy, and he stopped talking nonsense at that time. Taking advantage of Yutong Xianweng being restrained by Moyan's demon kings, he turned around and went directly behind Yutong Xianweng.

"Since you are courting death, this deity will fulfill you."

A few cold words came from the mouth of Demon Lord Gone, and then he suddenly raised his right hand and hit Yutong Xianweng's back with a palm.

What the hell!

Seeing this scene, Yue Feng, who was standing in front of the teleportation gate, suddenly had a heart suspended, secretly squeezed the sweat for Yutong Xianweng, and at the same time, he couldn't tell the anger in his heart.

This Demon Lord Gone is so despicable, it's okay to bully the less, and now he is still doing sneak attacks.

Phew...

At the same time, Yutong Xianweng was also very shocked and furious. He never thought that Demon Venerable would come to this hand. At that time, it was too late to think about it. Immortal power all over his body was running, and he had to turn around to meet him.

boom!

It's just that Demon Lord Gone's speed was too fast, and before Yutong Xianweng could meet him, the palm had already hit him on the back. At that time, Yutong Xianweng groaned, and only felt the qi and blood in his body churning. The whole person was also shaken back more than 100 meters by the volley.

"Pfft..."

At the moment when he stabilized his figure, Yutong Xianweng spurted out a mouthful of blood, staring at the Demon Lord Gone, sneering and mocking: "Do you still want a face for a sneak attack from the back of the dignified

Demon Supreme?" Zungone's face was gloomy, but his emotions were not affected in the slightest: "Why do you need to use common sense to deal with you?"

"Senior!"

At this moment, Yue Feng, who was standing beside the portal, couldn't help it, and shouted: "Don't be deadlocked with them, the portal has been repaired, let's leave together, hurry up."

When he said this, Yue Feng's face was full of anxiety.

He clearly saw that Yutong Xianweng was pale and weak after being beaten by the palm of the hand. Obviously, he could not continue the fight. If he continued to stand still, he was afraid that it would be more fortunate than good.

Huh...

When he heard the shout, Yutong Xianweng shook his head and said lightly: "You go, don't worry about me." As he said, Yutong Xianweng couldn't help but glance at the repaired portal, Eyes full of approval.

This Yue Feng is indeed a prodigy. In such a short period of time, he has repaired the portal of God's Domain.

I go!

Seeing Yutong Xianweng unwilling to leave, Yue Feng became anxious and continued to shout, "I won't leave if you don't leave."

Princess Dongling sacrificed her life and soul in order to regenerate herself. It has already made Yue Feng feel very uncomfortable. At this time, Yutong Xianweng is absolutely not allowed to have an accident.

Facing the conversation between the two, the Demon Lord Gone quietly floated there, his face full of coldness and arrogance.

In his heart, Yutong Xianweng was injured and there is no threat. As for the boy with the imprint on his face, he has no cultivation base at all, so he doesn't need to worry about it at all.

Until this time, Demon Zun Gone did not realize that the boy with the blood lotus mark on his face was Yue Feng who had been killed by him before.

“Hey!”

At this time, facing Yue Feng's urging, Yutong Xianweng was also a little anxious, and couldn't help but say: “You brat, why are you so stubborn? The old man said if you don't go, you won't go.”

Chapter 4258

After speaking, Yutong Xianweng took a deep breath and patiently said to Yue Feng: “Don't worry, if the old man wants to go, no one can stop you, you are different, you are a hero of Kyushu, and there will be many more in the future. Things are waiting for you to do.”

“Let's go, if you delay any longer, I really can't hold it.”

When he said this, Yutong Xianweng's face seemed calm, and he was secretly anxious.

This Yue Feng is really stubborn, can't it be seen that in the current situation, the two of them can't go together at all?

Ugh!

Hearing this, Yue Feng was very depressed and heaved a long sigh.

Kyushu hero?

At the same time, the Demon Lord Gone in mid-air, as well as the Holy Demon Kings of Moyan, frowned secretly.

Why is this title so familiar?

Although Yutong Xianweng didn't directly say Yue Feng's name just now, the holy devil kings such as Demon Zun Gone and Moyan were not fools. Just from a title, they realized that something was wrong.

Oops!

Seeing this situation, Yutong Xianweng was startled, anxious and regretful.

Did they guess Yue Feng's identity?

It's all my fault that I was so anxious that I missed the point...

Thinking to myself, Yutong Xianweng shouted anxiously at Yue Feng: "Boy, what are you still doing? Hurry up, do you want to watch me with your own eyes? Was beaten to death?"

"Goni, don't you want my life? Come on." The

last word fell, and the immortal power of Yutong Xianweng exploded, rushing directly towards Demon Lord Gone.

At this time, Yutong Xianweng knew that Demon Lord Gone had already suspected Yue Feng, and in order to prevent him from suddenly attacking Yue Feng, he could only stop him one step ahead.

"Looking for death!"

Seeing Yutong Xianweng bursting out, Demon Zun Gone roared, and directly attacked him, fighting fiercely in mid-air with Yutong Xianweng.

While fighting fiercely, Demon Zun Goni did not forget to command Moyan and these holy demon kings: "I immediately capture that kid, it doesn't matter if he lives or dies."

Demon Zun Gone is not stupid, even though he is still unsure of Yue Feng's identity, But seeing that he had repaired the portal so quickly, and was so worried by Yutong Xianweng, he must have an extraordinary status.

Swish....

The voice fell, Mo Yan and the other holy demon kings did not hesitate at all, they burst out and came towards Yue Feng.

Especially Mo Yan, those charming eyes, locked on Yue Feng tightly at this moment, and shouted tenderly: "Boy, stand still, or you will be at your own risk." The

voice was not loud, but it was full of aura, no doubt.

Nima!

Seeing this scene, Yue Feng's face changed greatly, and when he heard Mo Yan's coquettish drink, he sneered and retorted: "You think I'm stupid, stand still for you to catch?"

"The portal rushed.

At this moment, Yue Feng raised his heart. The portal was less than two meters away from him, but he lost his primordial spirit and cultivation base. In his eyes, this distance seemed to be separated by thousands of mountains and rivers. In the same way, I wish I had wings.

“Looking for death!”

Seeing this scene, Mo Yan’s delicate and beautiful face flashed with killing intent. After she gave a coquettish shout, she raised her jade hand, and a red light shot out, heading towards Yue Feng’s back.

At this time, Yue Feng had already rushed to the portal. He felt the danger coming from behind, and was shocked and angry. At that time, he didn’t dare to look back and plunged into the portal.

boom!

However, at the same time, Mo Yan’s red glow, like thunder and lightning, hit Yue Feng’s back with a roar.

Yue Feng only felt that he was hit by an overwhelming force, the pain came, and he fainted in the portal as soon as his eyes darkened, but fortunately, the power of the portal has been activated.

hum!

In the next second, a dazzling light was seen, wrapping the fainted Yue Feng, and then the light became stronger and stronger, directly sending Yue Feng away.

Damn it!

Seeing this, Mo Yan stomped her feet angrily. This kid was lucky to be teleported away at the last moment.

Annoyed in her heart, Mo Yan shouted at the other holy demon kings: “You help Zun Shang to deal with Yutong Xianweng, I will go and catch this kid back.” The

voice fell, Mo Yan’s delicate body flashed, and she rushed directly into the portal. middle.

Chapter 4259 The

next second, with a flash of light, Mo Yan disappeared into the portal.

Swish swish....

Seeing this situation, the other holy demon kings turned around and rushed into the air, cooperating with the Demon Lord Gone, and continued to deal with Yutong Xianweng.

.....

the other side.

Yue Feng didn't know how long he had been unconscious, but he only felt that he had a very long dream.

Finally, Yue Feng slowly opened his eyes.

hiss!

The moment he opened his eyes, Yue Feng only felt incomparable pain all over his body, especially the position of his back. There was a burst of tearing pain, which almost made him faint again.

Mad!

Yue Feng gritted his teeth and endured the severe pain, scolding in his heart.

That Moyan is really cruel. The red light that burst out, I don't know what kind of stunt, but fortunately, she is the rebirth of the red lotus of the law, otherwise, she would have been dissipated.

Um?

Enduring the severe pain, Yue Feng looked around and was stunned when he saw the environment he was in.

In front of him is a boundless forest, the forest is so lush, it is almost obscuring the sky, and you can't see where you are at all.

What is this place?

Kyushu Continent, or another human world?

Muttering in his heart, Yue Feng gritted his teeth and tried to stand up, but he found helplessly that he was so weak that he couldn't exert any strength.

Done.

After several failed attempts, Yue Feng wanted to cry but had no tears.

I can't stand up, what should I do? Just waiting here to die?

There won't be any beasts in this forest, right?

Shasha...

Just when Yue Feng was secretly anxious, he heard footsteps coming from not far away, almost more than one person, and after a while, several mountain people came over.

These mountain people, all dressed in plain clothes and carrying bamboo baskets, seem to have come to the mountains to collect herbs.

Great.

Seeing these mountain people, Yue Feng was very excited. At that time, his first reaction was to open his mouth to call for help, but to his astonishment, he could only make an 'ahhh' sound, and he couldn't say a word at all.

How could this be?

This time, Yue Feng panicked and rubbed his Adam's apple subconsciously, but the sound of 'ahhh' was still indistinct.

How can you say nothing?

At this time, Yue Feng only felt his brain buzzing, anxious and inexplicable.

Yue Feng didn't know that it was because of Mo Yan that she couldn't speak. The red glow that she burst out at that time was the 'blood seal' among the many stunts of the demon race. However, Yue Feng relied on the Faye Red Lotus to be reborn, so he resisted some of the power of the 'Blood Spirit Seal'.

But even so, the meridians, blood, and even the vocal cords in Yue Feng's body were seriously affected.

In this case, Yue Feng was naturally unable to speak.

Um?

Although he couldn't speak, Yue Feng's 'ahah' voice also alarmed the mountain people.

"what is that?"

"Anyone?"

"It seems to be, go and see..."

Several mountain residents discussed, and then cautiously stepped forward to check.
hiss!

Seeing this, several mountain residents were shocked and couldn't help gasping for air.

I saw an inhuman figure lying in the grass, his face full of scary blood marks, and his long dark red hair draped over his shoulders, like a savage monster.

“Strange...monster.”

Finally, someone shouted, and ran down the mountain in a panic. Then, the other mountain people scattered, one by one.

These mountain people, who have lived in this deep mountain for generations, have limited knowledge and instinctively regard Yue Feng as a monster.

But it's no wonder that anyone who sees Yue Feng's appearance at this time will be shocked.

What the hell!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, these mountain people were too timid, they only had some blood lotus marks on their faces, and they were actually regarded as monsters.

Depressed, Yue Feng wanted to shout for those mountain people to stop, but he couldn't speak, and he couldn't stop it at all.

In just a few seconds, those mountain people ran away one by one, and the shadows could not be seen.

For a while, the surroundings of Yue Feng fell into silence again.

Chapter 4260

Oh!

Yue Feng sighed, it seems that others are unreliable, and you still have to be yourself at the critical moment.

Thinking to himself, Yue Feng closed his eyes and began to silently feel the blood lotus marks on his body. Yutong Xianweng said that these marks contain the power of the red lotus of the law.

As long as he successfully integrates these powers, he can return to the peak.

After a while, Yue Feng entered a state of cultivation, and his heart was clear. He was pleasantly surprised to find that, under his own understanding, there were indeed strange powers in the blood lotus marks all over his body, slowly flowing to the meridians from the blood lotus mark. converge.

As this power slowly gathered, the pain in his body was not as intense as before.

Haha...

For a while, Yue Feng was indescribably excited. Senior Yutong didn't lie to himself. This Dharma Red Lotus is indeed a good thing.

Shasha...

However, when Yue Feng was immersed in it, he heard footsteps on the mountain road not far away, but these footsteps seemed a little hurried.

Not only that, but a series of conversations kept coming.

"Woman, that monster is right in front."

"That monster is very scary, with red hair all over its body. Women must be careful."

"Yeah..."

Hearing these comments, Yue Feng suddenly He was stunned for a moment, and then he couldn't help but smile.

The mountain people who escaped before came back, and they also brought a helper.

"Don't panic everyone."

Just when Yue Feng was muttering in his heart, he heard a gentle and sweet voice: "If it really is a monster, I will protect you."

Phew...

Hearing this soft voice, Yue Feng felt like a spring breeze. I felt that when I looked up at that time, I was stunned.

Just saw, surrounded by a few villagers, a young woman walked slowly.

This woman was wearing a light yellow dress, slim, graceful, indescribably charming, in her twenties, her hair was curled up, with a white veil on her face, revealing a pair of eyes like autumn water.

In her right hand, she was holding a delicate long sword, which was obviously a disciple of Jianghu Sect.

Such a temperamental beauty.

Body and temperament are so outstanding, compared to the face is not bad.

For a time, Yue Feng was fascinated, and couldn't help but mutter in his heart.

Muttering, the woman and those mountain people also came to the front.

"Woman, that's him."

At this moment, one of the mountain people pointed at Yue Feng, and then took a few steps back in horror. The other mountain residents were also nervous.

Huh...

At this moment, seeing Yue Feng's appearance, the woman was also startled, but she still took courage and asked, "You... Who are you? What are you doing here?"

Said, the woman Looking at Yue Feng up and down, his delicate body trembled slightly.

This man is so scary, with dark red hair and blood marks on his face.

Hearing the question, Yue Feng sat up straight and responded to the woman, but he couldn't speak at this time, and the sound was still 'Aah...'. .

Unable to speak, Yue Feng was completely in a hurry, and danced with gestures.

At this time, Yue Feng wanted to know where this place was, but it was too uncomfortable not to be able to speak.

"The monster has gone mad..."

Seeing Yue Feng waving his hands, the mountain people thought he was going mad, and ran down the mountain with a loud cry.

For a time, only the woman and Yue Feng were left around.

At this time, Yue Feng didn't know that this was the Dongao Continent of Kyushu. This woman was called Qingyi, a female disciple of Sword Sect. She passed by the neighborhood today and saw a few mountain people running down the mountain in a panic, so she asked After learning about the situation and learning that there were monsters on the mountain, Qing Yi asked these mountain people to lead the way.

Nima!

Seeing those mountain people at this time, they were scared away again, and Yue Feng was speechless.

Are you really that scary?

bass!

At this moment, Qingyi was also a little nervous, and quickly pulled out his long sword, pointed at Yue Feng, and said in a trembling voice: "You... What are you doing? Don't get excited, I... I am Jian Zong. Your disciple is very powerful, be honest, or I will hurt you."

When he said this, Qing Yi tried his best to make himself look fierce, but in Yue Feng's eyes, there was no threat at all, but something different. so cute.

The ultimate husband in Chinese chapter 4261-4265

Chapter 4261

It turns out that this is Dongao Continent.

Hearing this, Yue Feng felt relieved at once, and then couldn't help looking at Qing Yi up and down.

This girl turned out to be from the Sword Sect, but it looked really interesting.

Muttering in his heart, Yue Feng gave Qing Yi a friendly smile, then picked up a branch and wrote on the ground: Don't panic, I'm not blaming me, I'm human.

call!

Seeing the words on the ground, Qing Yi breathed a sigh of relief, and was not so afraid anymore, took a step forward with courage, and asked Yue Feng, "How did you become like this as a human? What happened? Right?"

Yue Feng nodded.

Qing Yi patted his chest: "I thought it was a monster too, it scared me to death just now."

After speaking, Qing Yi discovered the injury on Yue Feng's back and exclaimed, "You are seriously injured, can you stand up? Is it?"

Yue Feng took a deep breath, nodded, and was about to stand up, but he didn't have the strength to sit on the ground. He was very depressed at the time, so he gave Qing Yi a wry smile.

Ugh!

Seeing him like this, Qing Yi sighed lightly: "Looking at you, you should be a pitiful person, so let's take you back to our sword sect. Our sect master is very powerful and may be able to heal you.

", Qing Yi came over and helped Yue Feng up.

At this moment, Yue Feng was not polite and took advantage of Qing Yi's arm to stand up, but accidentally knocked off the veil on Qing Yi's face. In an instant, Yue Feng saw Qing Yi's face, and the whole person was completely confused. stunned.

Just seeing Qingyi's delicate facial features, her skin as white as snow, she is a rare beauty embryo, and it is hard to extricate oneself at a glance.

This chapter is provided by . Visit for daily update.

However, there is a black birthmark on the right side of the face, which is shocking.

Pity.

Yue Feng looked at the birthmark and sighed inwardly, God is really unfair, but such a kind girl got such a flaw on her face.

At the same time, Yue Feng also understood why Qing Yi was wearing a veil.

After all, girls love beauty, and with such a large birthmark on their face, it is naturally inconvenient to see people.

“You...”

Qingyi was very flustered when the veil was touched. At this time, he felt Yue Feng’s gaze, and he was even more ashamed and angry. At that time, he let go and stamped his feet: “You...don’t look around “

Pfft!

Yue Feng sat on the ground and looked at Qing Yi innocently. He opened his mouth and made an ahhhh sound. At the same time, he gestured with both hands, indicating that he didn’t mean it.

Seeing his appearance, Qing Yi was relieved, put on the veil again, and said softly: “Forget it, you didn’t mean it, I won’t blame you, let’s go on.”

When saying this, Qing Yi said Looking at Yue Feng’s eyes, there is a bit of sympathy.

He has a birthmark on his face, and has been ridiculed by his peers since he was a child, and the man in front of him has such a scary face. For a time, Qing Yi felt a sense of being connected with his life.

The last word fell, and Qing Yi helped Yue Feng up again.

Really kind girl.

Feeling Qingyi’s tenderness, Yue Feng secretly sighed in his heart, and then with her help, he walked down the mountain step by step.

I don’t know how long I walked, and finally arrived at the mountain village at the foot of the mountain.

Whoa!

At this moment, when they saw Yue Feng, the villagers in the mountain village exploded as if they had seen the god of plague.

“Monster...”

“The monster is here.”

While shouting, many villagers rushed into the house, holding shovels and scythes, all of them looked like they were facing a formidable enemy.

Seeing this situation, Yue Feng was both angry and funny.

Even if I look scary, but I did nothing, these ignorant villagers, there is no need to do this, right?

“Fellow folks.”

Just when Yue Feng was speechless, Qing Yi stood in front of him and said to the mountain people, “He is a human, not a monster. It was only because of a change that he became like this.”

Said, Qing Yi took out the money from his body and continued: “Which one of you has a cart, I will buy it.”

From here, there is still a long way to go. After all, Qing Yi is the daughter’s house and has been supporting him. It is not common for Yue Feng to walk. The best way is to get a cart.

Huh....

Hearing this, those mountain people calmed down one by one, and all the disciples of Jianzong said so, it seems that this red-haired guy is really not a monster.

Chapter 4262 After

a while, a villager pushed over a wooden cart.

As soon as Qing gave the money, he pushed Yue Feng away from the mountain village.

At that moment, Yue Feng was sitting on the wooden cart, secretly sighing in his heart, he never imagined that his former master of Tianmen, the hero of Kyushu, would have such a turn.

At the same time with emotion, Yue Feng looked at Qing Yi who was pushing the cart behind him, and was also somewhat moved.

This girl is not only kind-hearted, but also works so carefully, which is really rare.

“You...”

Qing Yi seemed a little embarrassed to be looked at by Yue Feng like this, and his face was a little reddened under the veil: “What are you looking at me doing?”

“Ah...” Yue Feng opened his mouth, still speechless.

Nima!

At this moment, Yue Feng couldn't express his anxiety. He didn't have the primordial spirit and cultivation base to endure. He couldn't speak, and it really suffocated people to death.

Pfft..

Looking at Yue Feng's appearance, Qing Yi couldn't help laughing out loud. Then he thought of something and asked, “Can you write?”

Yes, why didn't you think of this?

Hearing this, Yue Feng's eyes lit up and nodded quickly.

Qingyi seemed to be in a good mood. While pushing the cart, he asked, “Then what's your name? Where do you come from?”

He suddenly brought a strange person back to the mountain gate, and the master would definitely ask, so it's better to know first.

call!

Yue Feng sighed secretly, thought for a while, and then dipped his saliva on the wooden cart and wrote the word 'Diyuan Continent' and then the word 'wind'.

To be honest, Yue Feng really wanted to write down his identity, but he held back after thinking about it.

Yue Feng clearly remembered that when he first came to Dongao Continent, he and Xiaoxi went to Wenzong to see Su Qingyan. At that time, there was a person from Jianzong who pretended to be the elder of Danzong and gave Su Qingyan the Three Poison Pills.

At that time, Yue Feng was familiar with 'Wu Ji Dan Shu' and refined the antidote for Su Qingyan on the spot, which made her escape.

Since then, Jianzong and Wenzong have forged a grudge.

And Su Qingyan later became Yue Feng's woman. Under such circumstances, if Jianzong knew his identity, he would definitely not give up. Although Qing Yi was kind-hearted, she was still a disciple of Sword Sect, so Yue Feng had to be very careful.

What's more, Yue Feng has no primordial spirit and cultivation base at this time. Before he completely integrates the power of the red lotus of the law, he is no different from ordinary people, and he must be more cautious.

wind?

Seeing the words written by Yue Feng, Qing Yi smiled and said, "So you are from the Di Yuan Continent. I heard that the technology there is very advanced, but unfortunately I have never been there."

After speaking, Qing Yi looked up and down. Zuo Yue Feng: "Do you have 'Feng' in your name? Then I'll call you A Feng."

Well!

Yue Feng nodded, looking at Qing Yi's smiling face, his mood became very comfortable.

Along the way, Qing took good care of Yue Feng, almost taking care of them.

Of course, Qingyi was talking all the way, and Yue Feng was listening.

Through understanding, Yue Feng knew that Qingyi was originally an orphan. When he was very young, he was adopted by the elders of Jianzong, and later he became the teacher of the deputy sect master Hua Yemeng.

However, Qingyi rarely said anything about her and her classmates.

Yue Feng felt that Qingyi was not very popular with her peers. Although she was slim, she had a large birthmark on her face. It was because of this that Qingyi was alone.

Realizing this, Yue Feng felt a little more pity for Qing Yi.

After walking for a long time without knowing it, Qing Yi took Yue Feng and finally arrived at the main altar of Sword Sect.

I go!

At this moment, when he saw the main altar of the Sword Sect, Yue Feng couldn't help feeling secretly.

The people of this sword sect are not very good, but the general altar is quite domineering.

I saw that the main altar of Jianzong was set up on the top of a cliff. It was a group of white palaces, surrounded by clouds and mist, which was quite immortal.

At the intersection of the mountain, stands a stone sword dozens of meters high, simple and majestic, with two elegant characters written on it: Jianzong!

“It’s here!”

At this time, Qing Yi wiped the sweat from his forehead and said with a smile, “Ah Feng, we’re here. When we meet Master later, she may be able to heal you.”

Yue Feng nodded.

Chapter 4263

Speaking of which, no one in the entire Kyushu can treat Yue Feng’s symptoms at this time.

After all, the blood lotus mark on his body is the red lotus of the law in the realm of the gods. In the entire Kyushu, no one has heard of it, even if Shennong came, he would be helpless.

However, seeing Qingyi’s enthusiastic appearance, Yue Feng couldn’t refuse.

Qing Yi didn’t speak, and pushed Yue Feng up the mountain road.

The mountain road was steep, and it was very laborious for Qing Yi to push the wooden cart. The originally ten-minute mountain road took more than an hour to push Yue Feng to the square in front of the mountain gate.

At this time, there was really a pair of disciples patrolling the square.

Whoa!

Seeing Qing Yi pushing Yue Feng up, several disciples gathered around at once.

“Qingyi? Why do you just take people up the mountain? Don’t you know the rules?”

“Oh, this guy’s face is so scary.”

“Who is this? Even his hair is red?”

Several disciples questioned Qing One, looking at Yue Feng up and down, each expression is complicated, just like those mountain people before, it seems to see a monster.

Mad, are you treating me like a monkey?

The gazes of several disciples made Yue Feng very unhappy, but because of Qingyi's face, he held back.

“Several senior brothers.”

At this time, Qing Yi lowered his head and said timidly, “This person is from Diyuuan Continent, his name is A Feng. He suffered a change and became like this. I saw him hurt on the way. It was very heavy, so I brought him back.”

When he said this, Qing's eyes were full of sincerity and tension.

Although Qingyi has joined Jianzong since she was a child, because of the birthmark on her face, her brothers and sisters do not play with her. Over time, Qingyi has an inferiority complex and feels inferior, and she does not dare to speak loudly when she meets her classmates.

What?

Picked it up halfway?

Hearing this, several disciples were stunned, each with an extremely wonderful expression. The next second, one of the leading disciples said angrily: “Qingyi, did you go down

the mountain this time without thinking? The main altar prohibits outsiders from approaching, so you brought it up like this?”

accuse.

“We are Jianzong here, not a shelter.”

“Yes, you can't bring all the garbage...”

“It's like you, how will our Jianzong stand in the rivers and lakes in the future?”

Several disciples accused, you One sentence came from me, and Qingyi was nervous and embarrassed at the same time.

Mad!

Yue Feng frowned secretly, feeling very unhappy in his heart.

These disciples of the Sword Sect, just bully Qingyi and call me trash?

“Several senior brothers!”

At this moment, Qing Yi gathered up his courage and pleaded with the disciples: “He is so injured that he can’t stand up, very pitiful, please don’t drive him down.”

At this time, Qingyi almost cried.

Huh....

Hearing this, several disciples looked at each other in dismay, and then the leader waved his hand impatiently: “Okay, okay, we won’t drive him away, let’s just leave him here and go alone. Report to the sect master, if the sect master agrees, we will not say anything more.”

“Thank you, brothers!” Qing Yi was very happy and nodded quickly.

Afterwards, Qing Yi tilted his head towards Yue Feng and said softly: “A Feng, wait for me here first, I will report to the Sect Master, and I will be back soon.”

Yue Feng nodded.

To be honest, the attitude of these Sword Sect disciples made Yue Feng very angry, and he didn’t want to stay here for a while, but Qing Yi took good care of himself along the way, and he was busy, and really didn’t want to disappoint her.

Qing Yi explained a few more words, then left Yue Feng and hurriedly walked towards the hall.

Whoa!

As soon as Qing walked away, several disciples surrounded Yue Feng tightly.

“Hey!”

One of the leading disciples, with a face full of badness, looked at Yue Feng up and down: “Who are you? Did you fool her into bringing you to our sword sect general altar because you were so stupid?

” Be honest, otherwise don’t blame us for being rude.”

Several other disciples also looked at Yue Feng.

A bunch of idiots.

Faced with this situation, Yue Feng's face was indifferent, and he was not at all panic. He pointed his finger at his mouth, and then shook his head, indicating that he could not speak.

Chapter 4264

Haha...

Seeing Yue Feng's reaction, several disciples looked at each other and burst into laughter.

"It turned out to be a mute."

"I said why I didn't say a word for a long time, so I can't speak." "I can't speak with an imprint on my face. Such a waste has been brought up to the mountain."

Amidst the laughter, several disciples were arguing with Yue Fengpin, and one was more than one.

Yue Feng was very angry, but thinking of Qingyi, he still held back, and then he simply closed his eyes and meditated.

"Oh, how dare this kid pretend?"

Seeing Yue Feng closing his eyes, several disciples felt contemptuous and were very angry, so they were going to teach Yue Feng a lesson.

"What are you arguing about here?"

However, at this moment, a faint voice came, not loud but rather majestic.

Yue Feng opened his eyes, followed the voice, and saw a young man walking slowly, dressed in a white long gown, handsome with handsome features, and elegant demeanor.

It is Jianzong's senior brother Dongliu.

"Senior Brother!"

Seeing Dongliu, several disciples stood up one by one and greeted very politely.

Dongliu is strong and powerful, and has a very high status in the entire Sword Sect. He is not only a senior brother, but also a close disciple of the head Mu Jianli, who is expected to become the next generation of Sect Master in the future.

Therefore, the disciples of the entire Sword Sect were in awe of Dongliu.

Um!

Dong Liu nodded proudly, then walked over, looked at Yue Feng up and down, and frowned: "Who is this? Who brought him up?"

As soon as he finished speaking, one of the disciples hurriedly said, "Reporting to Senior Brother, This freak was brought by Junior Sister Qingyi, who said that he met him halfway, and when he saw that he was seriously injured, he took him up the mountain."

"Senior brother, this kid is not only full of birthmarks, but also dumb." Another disciple followed. .

dumb?

Hearing this, Dongliu frowned, looking at Yue Feng who couldn't hide his sense of superiority: "Boy, you are mute but not deaf, right?"

Yue Feng was too lazy to pay attention, but nodded anyway.

The corners of Dongliu's mouth twitched, revealing a hint of evil smile: "Can you write?"

Yue Feng continued to nod.

"Very good!" The

smile on Dongliu's face deepened, and he said word by word, "Then write me, how did you meet Qingyi, and why did you lie to her to bring you to Jianzong.

" Shi Dongliu looked very polite with a smile on his face, but his heart was extremely cold.

As a senior brother of Jianzong, Dongliu is very proud and thinks that the dumb person in front of him is trying to use Qingyi's relationship to curry favor with Jianzong. After all, over the years, Jianzong's prestige has overshadowed Danzong and Wenzong.

Under such circumstances, in the past two years, many Jianghu Xiaoxiao have been thinking hard about joining the Sword Sect.

call!

Hearing the question, Yue Feng took a deep breath, then picked up a stone and wrote a few words on the ground.

‘Qingyi girl and I met by chance, I didn’t ask her to bring me to Jianzong, she brought me to Jianzong because she wanted to help me heal.’

A few words, smart and elegant, make people feel relaxed and happy.

When he owned the Linglong Pagoda before, Yue Feng released the book sage Zhang Xu. During that time, Yue Feng often discussed techniques with Zhang Xu, and the words he wrote at this time already had everyone’s style.

Seeing Yue Feng’s words, Dong Liu and those disciples were stunned.

“Tsk tsk...” In the

next second, Dongliu grinned and exclaimed: “The writing is good, you said that you didn’t want to come to the Sword Sect, it’s empty, who would believe it?”

“I tell You, there are many people who want to join our Sword Sect. Every day, many people do everything possible to come in, but they are all healthy, how about you? You are just a dumb waste with a disgusting mark on your face.

” Finally, Dongliu came up and looked condescending: “What qualifications do you have to set foot on our Sword Sect Mountain Gate?” It’s

really interesting.

Hearing this, Yue Feng smirked, this senior brother has a really strong sense of superiority, he thought I was here to join the Sword Sect.

I used to be the lord of Tianmen, the hero of Jiuzhou, how could I possibly see you as a small sword sect?

Chapter 4265

Seeing Yue Feng’s smile, Dong Liu thought he guessed right, and his face became more proud and arrogant: “If this is the case, I will give you a chance, lie on the ground and kowtow three times, maybe I will I’ll leave you here to be the servant who cleans the yard.”

Said, Dong Liu held his arms in an aloof posture.

fool.

Yue Feng sneered in his heart, and turned his eyes to other places, without even looking at Dong Liu.

Seeing him like this, Dong Liu's face suddenly turned gloomy.

This dumb guy dares to put on airs in front of me, he is really courting death.

"Senior Brother!"

Seeing that the atmosphere was not right at this time, a disciple next to him said with a smile: "You are a mute, you can't be angry, by the way, Qingyi went to the main hall to see the sect master..."

Before he finished speaking, he was caught Dongliu interrupted: "Joke, that ugly and stupid girl has such a big face, so that the sect master can take this dumb?"

Uh...

Hearing this, the disciple was stunned for a while, and then laughed along with him. : "Of course not, among the disciples of the entire Sword Sect, who has the face of the big brother." The

voice fell, and the other disciples also echoed.

"That's right, the eldest brother will be the sect master in the future."

"The entire sword sect, who doesn't give the eldest brother face."

Listening to the compliments from several disciples, Dong Liu was very useful and looked extremely proud.

"Hey! Mute."

Complimented, Dong Liu glanced at Yue Feng, his eyes full of contempt: "Hurry down and kowtow to me, as soon as I'm in a good mood, I'll leave you here as a servant, there is only one chance, Don't be ignorant of lifts."

Dongliu was used to being arrogant and domineering. When he saw Yue Feng at this time, he was thinking about how to humiliate him.

Ha ha!

The corners of Yue Feng's mouth twitched, revealing a slight smile, as if he didn't hear it.

"I don't know what to lift!" Dongliu was

completely angry, and he yelled, and was about to make a move, but was stopped by the disciple next to him.

“Eldest brother.” A disciple comforted: “You have an extraordinary identity, why bother with a dumb person? If others see it, they will say that you are bullying the weak.” The other disciples also nodded.

Yes.

Hearing this, Dongliu calmed down, his dignified senior brother, he really couldn't justify taking a shot at an injured mute.

But this bad breath can't be swallowed like that.

Muttering in his heart, Dong Liu turned his eyes and suddenly had an idea. He looked at Yue Feng with a half-smiling smile and said, “Dumb, are you the one that stupid girl is looking for?”

After speaking, Dong Liu pointed at The mark on Yue Feng's face, he laughed wantonly and said: “Look, this kid has a mark on his face, and Qingyi's stupid girl has it too. They are really a couple. No wonder that stupid girl is so interested in him. Haha...”

Dong Liu was narrow-minded and knew that he couldn't do it, so he deliberately found a topic to humiliate Yue Feng.

Haha...

The voice fell, and the surrounding disciples also burst into laughter.

“Senior brother is right, this mute and Qingyi are really a good match.”

“No, a woman like Qingyi can only be found like this. A normal man, who would dare to ask her.”

“Yeah, I saw her face and I wasn't interested at all.”

In the wanton laughter, Dong Liu and several disciples became more and more arrogant, and the words they said were even more unbearable.

Groove Nima's.

At this moment, Yue Feng was completely on fire.

In his heart, it was okay for Dongliu and these disciples to humiliate him, but they couldn't help it on the spot when they said rude words to Qingyi.

After all, Qing was kind-hearted and took good care of Yue Feng along the way.

More importantly, innocence is more important to a woman than her life, but now she is wantonly slandered by several people in Dongliu, and no one can bear it.

Pfft...

In anger, Yue Feng wanted to stand up and punch Dong Liu hard, but his whole body was still sore and he couldn't exert his strength. In a panic, Yue Feng spat at Dong Liu.

In an instant, saliva splashed Dongliu all over.

"Dead mute, looking for death!"

Looking at the saliva on his body, Dong Liu's eyes instantly turned blood red, he roared on the spot, and slapped Yue Feng's heart with a palm.

He never thought that a mute sitting on a wooden cart would spit on himself, which was more uncomfortable than a slap in the face. It was a shame.

The ultimate husband in Chinese chapter 4266-4270

Chapter 4266

Om!

With this palm, Dongliu almost used all his strength, and wherever he passed, the air seemed to be torn apart.

The few disciples next to him, none of them stopped him, they looked at Yue Feng with indifference and anger.

This mute is really tired of living, how dare he spit Big Brother?

Live and die.

mad.

Seeing Dongliu's palm call, Yue Feng cursed inwardly, both startled and anxious.

He had just been reborn by relying on the Faye Red Lotus, and it was too embarrassing to be beaten to death by a palm like this.

Muttering in his heart, Yue Feng wanted to dodge, but he was so weak that he couldn't even stand up, let alone dodge.

Phew...

Seeing that this palm was about to hit the center of the mouth, Yue Feng didn't have time to think about it, he quickly raised his arms to block, he knew it would be useless, but it was better than sitting still.

Om...

At this moment, Yue Feng thought he was dead, but the moment he raised his arms, he saw a red glow flashing out from the mark on his arm, followed by a strange force that enveloped Yue Feng .

Yes, this is the power of the Faye Red Lotus hidden in Yue Feng's body.

boom!

This chapter is provided by . Visit [for daily update.](#)

It was at this moment that Dongliu's palm hit Yue Feng's arms, and a vibration was heard, followed by Dongliu's muffled groan, and the whole person was shocked and flew out, flying dozens of meters away. fell heavily to the ground.

Dong Liu struggled to stand up, but only felt the qi and blood in his body churning, especially the right arm that had just thrown out his palm was broken.

“you...”

For a time, Dongliu looked at Yue Feng in shock and anger, but only said one word, and a mouthful of blood spurted out.

At this time, Dongliu was very shocked. This dumb guy has no internal strength at all, and he can actually send himself flying...

How could this be?

In a panic, Dong Liu's eyes darkened and he fainted.

This...

Seeing this scene, the disciples next to him were all dumbfounded.

what's going on? Isn't the big brother trying to teach this dumb one a lesson? Why was he knocked out.

“Senior brother!”

“Senior brother...” A

few seconds later, several disciples reacted and shouted and surrounded them.

What the hell!

At this moment, Yue Feng stared blankly at the marks on his arms and was shocked.

The red light just now was the power of the Faye Red Lotus?

It is worthy of being a rare treasure that only appears once every five thousand years in the Divine Realm. It is too powerful.

“You...”

Just when Yue Feng was secretly shocked, one of the disciples reacted and pointed back at Yue Feng and shouted, “You monster, if you dare to hurt Senior Brother, you are doomed.

” The disciple ordered to his companion: “Quick, go to the main hall and report to the sect master.”

.....

At this moment, inside the main hall of Jianzong.

At the top of the hall, there is a very strange throne, surrounded by various iron swords, and inlaid with colorful gems.

On the throne, sat an elegant middle-aged man. The man was dressed in a dark purple long gown, giving him a scholarly atmosphere, but the aura that pervaded his body should not be underestimated.

This man is Mu Jianli, the Sect Master of Sword Sect.

On the seat on the lower right side of Mu Jianli, sat a slender and graceful figure, dressed in a long white dress, with delicate facial features, a charming figure, and an air of immortality, but there was a kind of coldness between his brows that was refusing to be thousands of miles away.

It is the vice suzerain Hua Yemeng.

On the seats on the two sides below, there are several elders of Jianzong.

At this time, the entire hall was silent and the atmosphere was somewhat solemn.

In the open space in the center of the hall, Qing Yi knelt there, with a solemn and apprehensive expression on his face.

“Qingyi!”

At this time, Hua Yemeng’s red lips lightly opened, and she asked, “I asked you to go out to investigate the situation in Kyushu, why did you come back so quickly?”

Three days ago, Tianqi Continent suddenly launched a war to attack Beiyong On the mainland, Feilongguan was broken on the first day. When the news spread, the entire Kyushu was shaken. When Jianzong got the news, he immediately sent his disciples to investigate the situation.

Swish!

At this moment, the eyes of Mu Jianli and the surrounding elders also converged on Qing Yi.

“Return to Master!”

Qing Yi quickly knelt up and responded respectfully, "This disciple has already found out that the weather army has broken through the Beiyang Imperial City, but on the first day the Imperial City was broken, King Guangping was killed by Ren Yingying. "

Chapter 4267

"After that, Ren Yingying became the Queen of Apocalypse and ordered the weather army to guard the Beiyang Imperial City, and then there was no other action."

Huh....

Hearing this, it was not only Hua Yemeng, but also Mu Jianli As well as the surrounding Jiansong elders, all secretly relieved.

King Guangping rashly launched a war, thinking that it would cause turmoil in Kyushu again. Now that King Guangping is dead, the hidden danger has been eliminated, and there is no need to worry that the war will spread to Dongao Continent.

"Well, very good!" The

next second, Hua Yemeng's delicate and arrogant face showed a slight smile, and nodded towards Qing in approval: "Qing Yi, you did a good job this time, you should have worked hard on the way. Now, go down and rest."

When saying this, Hua Yemeng looked at Qingyi's eyes, full of love.

In the entire Sword Sect, almost everyone kept away from Qingyi, avoiding the birthmark on her face, only Hua Yemeng loved this disciple very much.

Um!

Qing Yi responded and stood up slowly, but did not walk out of the hall immediately, her eyes flickered, and she hesitated.

"Qingyi!"

At this time, Mu Jianli, who had been sitting there in silence, couldn't help but ask, "Do you have anything else to report?" His tone was calm, but his eyes were a little impatient.

The elders sitting on both sides also frowned.

This Qingyi, it's really unruly that he doesn't leave after the matter is reported.

Under the gazes of everyone, Qing Yi bit her lip slightly, feeling a little nervous, but she still had the courage to say: "Qi, Sect Master, on my way back, I met a poor man. He was seriously injured and could not walk. I...I brought him back."

After talking, Qing took a look at Hua Yemeng: "Sect Master, Master, that person is very pitiful, please save him."

What?

When the voice fell, the entire hall was in an uproar, and the elders sitting on both sides pointed at Qing Yi and talked a lot.

"This Qingyi is really nonsense."

"That is, how can you bring outsiders back to the mountain gate casually?"

"Going down the mountain, it becomes more and more unruly."

Under the discussion around, Mu Jianli also frowned and pointed at Qingyi. Displeased: "Qing Yi, have you forgotten the rules? The disciples are not allowed to bring outsiders up the mountain at will." The

voice fell, Hua Yemeng also took a deep breath, and looked at Qing Yi helplessly: "Where does the other party come from, What kind of sect, what is it called, do you know?" When

the accusations from the sect master and the surrounding elders came, Qing Yi was very frightened, and when he saw the master speak, he quickly said, "His name is A Feng, and he is from the Diyu Continent."

"Ashamed, Qing Yi lowered his head in shame: "I don't know what sect, but I know that he is very heavy, and he has no inner strength at all. Maybe...he doesn't belong to the rivers and lakes, just an ordinary person."

Ordinary people ?

Hearing the answer, Hua Yemeng was stunned.

At this time, Qing Yi became more courageous, looked around, and continued: "Sect Master, Master, Elders, the original intention of our Sword Sect was founded back then, wasn't it to hoe the strong and help the weak for the benefit of the rivers and lakes? Ah Feng collapsed at that time. In the woods, I really can't bear to leave it alone."

"He was miserable at the time, and he was treated as a monster by the nearby mountain people."

When he said this, Qing's eyes were full of anxiety and urgency, because along the way, she and Yue Feng said, Jianzong would definitely help him heal, so he didn't want to disappoint Yue Feng.

call....

After listening to this, Mu Jianli's expression softened a little, and nodded: "Qing Yi is right, if ordinary people are in trouble, we Sword Sect disciples should lend a helping hand. By the way, Qing Yi, where is that person? What?"

Seeing the change in Mu Jianli's face, Qingyi knew that Yue Feng was saved, and was very excited at the time, and quickly said, "It's in the square in front of the mountain gate." After speaking

, Qingyi was about to go out and take Yue Feng with him. Come in.

"It's not good!"

However, at this moment, a patrol disciple rushed in in a panic, sweating profusely, and shouted at Mu Jianli: "The sect master is not good, the senior brother was knocked out."

As he spoke, the disciple couldn't help but glance at Qing Yi, his eyes full of gloom.

This ugly and stupid girl rashly brought outsiders up the mountain without saying anything, and even injured her senior brother and waited to die.

Chapter 4268

What?

Hearing this, whether it was Mu Jianli, Hua Yemeng and the surrounding elders, all of them were shocked.

Especially Mu Jianli, who stood up abruptly at that time, his face full of anger: "Who did it?"

Among the many disciples of Mu Jianli, Dongliu is the most talented, and he is most deeply injured and reused. At this time, How can I not be angry when my disciple is injured?

Phew...

At this moment, Qing Yi was standing there, extremely surprised.

The strength of the senior brother Dongliu is very strong, and among the entire Sword Sect disciples, no one is his opponent.

Who was the one who wounded Dongliu?

“It’s her.”

The disciple didn’t hesitate, raised his finger and pointed at Qingyi, extremely indignant: “It’s the monster she brought, I don’t know what kind of magic trick she used to shake the senior brother out, and he fainted at that time. In the past.”

At that time, a red light flashed on Yue Feng’s body, and the disciples who were watching around didn’t understand what was going on. In addition, Yue Feng did not have the slightest inner strength.

In this case, those disciples defined Yue Feng as a monster.

There is no inner strength, but it can beat people to death, what is not a monster?

Ah Feng?

At this moment, Qing Yi’s delicate body trembled, and she stared at the disciple tightly, she was suddenly dumbfounded, and her clear eyes were full of inconceivable.

Ah Feng injured the big brother?

Impossible, this is absolutely impossible, A Fengzhan can’t stand up, he has no inner strength, how can he be the opponent of Senior Brother?

“Blue One!”

Just when Qing Yi was thinking about this, Mu Jianli reacted and glared at her and asked, “What the hell is going on here? Who the hell did you bring?”

Dong Liu is the one he loves the most. Disciple, in the future, I will pass on the position of Sect Master to him. If something goes wrong today, all the years of hard teaching will be in vain.

Swish!

At this moment, the surrounding elders also glared at Qingyi.

This stupid girl brought an outsider and injured Dongliu, she was so daring, she could already be expelled from the Sword Sect according to the rules of the sect.

“I…”

Facing Mu Jianli's fury, Qing Yi was quite frightened, her face was pale, and she was almost speechless.

At this time, Hua Yemeng said softly: "Qingyi, what's the matter? You tell the truth, as long as you don't hide it, the sect master will not punish you."

Seeing the master's opening, Qingyi calmed down. After being a little bit terrified, he said in a panic, "A Feng can't do it. He's injured so badly that he can't stand up, and he has no inner strength at all, so it's impossible to hurt the senior brother."

After speaking, Qing looked at the Disciple: "He must be wrong."

"Shut up!" As

soon as he finished speaking, the disciple shouted excitedly, "It's the monster that knocked the big brother out, not only me, but also several teachers. Brothers have also seen it."

After speaking, the disciple couldn't hide the disgust in his heart: "Do you think I'm slandering you? Is it worth me to slander you for someone like you?"

He seemed to know that he was going too far. The last word of the disciple fell, and he glanced at Mu Jianli who was sitting on it with a guilty conscience.

At this time, Mu Jianli's face was ashen and angry.

"Okay!"

At this moment, Hua Yemeng slowly stood up, looked around and said softly: "Let's go out and have a look." The voice fell, Hua Yemeng walked out of the hall quickly.

Qing Yi followed closely.

Mu Jianli took a deep breath and walked out quickly.

Huh... When I

got to the square outside, I saw the scene in front of me, whether it was Mu Jianli, Hua Yemeng, or those elders, they were all stunned there.

I saw Dong Liu lying there quietly, his face was pale, his clothes were stained red with blood, his eyes were closed, and his life and death were unknown.

Around Dongliu, several disciples stood there, bewildered and terrified.

A dozen meters across from them, a red-haired man sat quietly in a wooden cart, his face was a little weak, but his eyes were bright.

What's even more peculiar is that this person's face and even his arms are covered with strange red marks.

The feeling of the whole person is indescribably weird.

It was Yue Feng.

Chapter 4269

For a time, everyone's eyes locked on Yue Feng, and they were secretly surprised.

Is this the person who knocked Dongliu unconscious?

But... as Qingyi said, he has no inner strength at all, how did he stun Dongliu?

It's really baffling.

Huh...

Under everyone's attention, Yue Feng's eyes also slowly swept over Mu Jianli, Hua Yemeng and others.

Feeling the aura around Mu Jianli's body, Yue Feng realized that this was the Sect Master of the Sword Sect.

Immediately, Yue Feng couldn't help but glance at Hua Yemeng, and couldn't help but admire secretly in his heart.

So beautiful... such a cold woman.

Regardless of her aura or strength, this woman is not much better than the Sword Sect Sect Master. It seems that she is Qing Yi's master, Hua Ye Meng.

When he was on the road before, Qingyi told Yue Feng a lot about Jianzong, so Yue Feng still knew some things.

"Sect Master!"

At this moment, the disciple who came out of the hall together raised his finger and pointed at Yue Feng and shouted, "It's this weirdo who injured the senior brother."

Shuh.

At this moment, Mu Jianli's eyes flashed with suffocation, and he locked Yue Feng tightly.

The atmosphere suddenly became tense.

"Sect Master!"

Seeing that the situation was not good, Qing Yi hurried over, stood in front of Yue Feng, and begged: "Sect Master, please don't hurt Ah Feng, he can't hurt Senior Brother, there must be a hidden meaning."

Although he has not been in contact with Yue Feng for a long time, on the way back, Ah Feng has always been very polite to Qing Yi.

What's more, he has no inner strength at all.

Seeing Qingyi protecting Yue Feng, Mu Jianli's face became more and more gloomy, but because of his identity, he didn't show it.

In the next second, Mu Jianli took a deep breath, calmed down a bit, and asked the disciples, "What happened? Say it one by one, dare to hide the slightest bit, and never forgive me lightly. "

This...

Hearing this, several disciples looked at each other, very embarrassed.

Just now, Dongliu took the initiative to trouble Yue Feng, and the words were full of humiliation. If this kind of thing was said, the reputation of the senior brother would be ruined.

"Come on!"

Seeing that they were all embarrassed, Mu Jianli was even more annoyed, and said coldly: "Do you want to be punished together?"

" , said it in detail.

At the end, one of the disciples said with a terrified face: "It happened so fast, we didn't see clearly how this monster knocked the senior brother to the ground. But it was indeed he who hurt the senior brother. "

Silence!

For a while, the entire square was silent.

Whether it was Mu Jianli or the elders beside him, the expressions on their faces were extremely complicated.

Dongliu took the initiative to humiliate others, and he deserves to be injured, but... this is the main altar of the Sword Sect after all, and the dignified disciple was severely injured by an unknown soldier, which is really detrimental to the prestige of the Sword Sect.

While embarrassed, Mu Jianli and the others looked at Yue Feng with deep doubts.

If he really knocked Dongliu out, how did he do it?

After all.. this person has no inner strength at all.

Phew...

After a few seconds, Mu Jianli came to his senses, took a deep breath and looked at Yue Feng and said coldly, "Boy, let's not talk secretly, how did you hurt Dongliu? Also, you What is the secret of coming to Jianzong?"

At this time, in Mu Jianli's heart, he believed that Yue Feng was sent by a hostile force.

Hehe..

Hearing the question, Yue Feng showed a smile, and then gestured at Qing Yi, asking her to bring a pen and paper.

Qingyi didn't hesitate, and quickly brought the paper and pen.

Swish swish.

At this moment, Yue Feng took the pen and quickly wrote a paragraph on the paper: Your apprentice humiliated me and forced me to kneel. If I disobeyed her, I immediately took action. It may be that the qi and blood were too strong, causing the internal force to backlash. I will be shaken out by myself. I am just an unknown person in the Diyu Continent. I was looted by bandits before, and I was seriously injured and passed out in the woods.

After writing this, Yue Feng thought about it and added another sentence: I have no grievances or enmity with Jianzong. It was the girl Qingyi who brought me here, and there is no secret at all.

Chapter 4270 is

a paragraph with only a few hundred words. It is written in a dance of dragons and phoenixes. Every word is full of charm, showing everyone's demeanor.

Huh...

Seeing Yue Feng's words, whether it was Mu Jianli, Hua Yemeng, or those elders, they all secretly admired them.

This man looks strange, but the writing is so wonderful.

After reading the content of these hundreds of words, everyone secretly muttered in their hearts.

According to what he said, it wasn't that he injured Dongliu, but when Dongliu made his hand, he passed out because he lost his mind and caused the internal force to backlash?

This statement seems plausible.

Seeing the changes in everyone's expressions, Yue Feng's expression remained calm, but he was secretly amused.

He was just talking nonsense, and these people seemed to really believe it.

There is nothing to say about the fact that he has the red lotus of the law.

But having said that, Sword Sect has a great reputation in Dongao Continent, and has been famous for hundreds of years. It's a pity that in recent years, the middle-class people have become more and more bad. That Dongliu humiliated me first, you don't think about his problems. , instead asking how he was injured.

To be honest, if it was before, Yue Feng didn't bother to talk nonsense, so he turned his head and left.

It's just that his body is weak, he can't move easily, and he is still in other people's territory. The so-called 'people have to bow their heads under the eaves', Yue Feng can only be careful.

"Sect Master!"

At this moment, an elder walked out slowly, and said to Mu Jian, "No matter what the truth is, this person has a bloody mark on his face. Drive him down the mountain."

When

he said this, the elder gave Yue Feng a contemptuous look.

In his heart, Yue Feng was no different from begging waste in Jianghu, and he was not qualified to stay in Jianzong at all.

The voice fell, and many people around nodded.

“Yeah, he looks unlucky when he looks like that.”

“The elder is right, let’s go down the mountain.” “Leaving such a waste in the main altar will damage the reputation of our Sword

Sect.”

In a hurry, he couldn’t help but argue: “Don’t talk nonsense, Ah Feng is very good, he is not a waste.”

However, no one paid any attention to her.

Qing Yi was about to cry, walked over to Hua Yemeng, and begged softly: “Master, please help Ah Feng with a few words, he is seriously injured, and if he is driven down the mountain, I’m afraid he won’t live long. Yes, please, Master.”

When he said this, Qing Qing’s eyes were red and pitiful.

Ugh!

Seeing that Qingyi has been helping himself to speak, Yue Feng only felt a warm current pouring into his heart, and he was indescribably moved.

This girl is so kind, she has only known her for a day, and she is desperate to help herself.

While muttering in his heart, Yue Feng couldn’t help but look at Hua Yemeng.

This deputy sect master is as cold as an iceberg. Will she agree to Qingyi and speak for me?

Phew...

At this time, under Qing Yi’s constant pleas, Hua Ye Meng sighed in relief, smiled at Qing Yi, and signaled not to panic.

In the next second, Hua Yemeng tilted her head towards Mu Jianli and said, “Sect Master, the situation just now, I really don’t blame this person named A Feng, it was Dong Liu who lost his mind and started to cause himself to be attacked by internal forces.”

“Furthermore, Ah Feng has no internal strength and was seriously injured. If he drives down the mountain like this, if the matter spreads, our sword sect will be laughed at by fellow Jianghu people and will say that our sword sect will die.”

“So I think, Let’s keep him.” His

remarks were reasonable and could not be refuted.

I go!

Seeing this scene, Yue Feng was stunned for a moment, looking at Hua Ye Meng in surprise, feeling secretly.

This flower and leaf dream is cold on the surface, but also kind on the inside.

“Okay!”

At this moment, Mu Jianli’s face changed, and then nodded: “Let’s just follow the vice sect master.” After

saying that, Mu Jianli ordered several disciples next to him: “You guys, carry Dongliu. Go back to recuperate.” The voice fell and turned to leave.

Before leaving, Mu Jianli gave Yue Feng a cold glance.

To be honest, Mu Jianli didn’t want to keep his beloved disciple who had suffered such a serious injury, whether it was done by Yue Feng or not, but Hua Yemeng said so, so he had to give face.

The ultimate husband in Chinese chapter 4271-4280

Chapter 4271

You must know that although Hua Ye Meng is the deputy suzerain, his status and prestige in Jianzong are not inferior to Mu Jianli. Moreover, Hua Ye Meng once saved Mu Jianli's life.

All the rivers and lakes of Dongao Continent know that Jianzong and Danzong are not compatible.

Eight years ago, Mu Jianli went down the mountain to work on errands. On the way back, he was ambushed by Danzong and was seriously injured by Zheng Chunqiu, the sect master of Danzong. At that time, Mu Jianli fought alone and finally retreated to a valley, where he was besieged by Danzong. Very desperate.

When the news reached Jianzong, Hua Yemeng made a decisive decision, led thousands of elite disciples, and rushed to rescue.

In that battle, Hua Yemeng and Zheng Chunqiu fought fiercely for a day and a night, and then they found an opportunity to rescue Mu Jianli.

Especially in the battle with Zheng Chunqiu at that time, Hua Yemeng used the sword sect's stunt 'one sword to return to the heart', cut off the stone bridge in the valley, and stopped Danzong's pursuit. That sword was really amazing.

Eight years have passed since this incident, but Mu Jianli has always kept it in his heart.

After Mu Jian left, several disciples carried Dongliu away to rest, and the elders who were watching also left one after another.

For a time, there were only three people left in the huge square, Yue Feng, Qing Yi, and Hua Ye Meng.

"Qing Yi!"

At this moment, Hua Yemeng said softly: "Bring him here, I'll see his injury."

Qing Yi quickly responded, walked over and pushed Yue Feng, followed Hua Yemeng, towards the hall Go behind.

At this time, Qingyi was very happy, and said to Hua Yemeng: "Master, thank you."

After speaking, Qingyi couldn't help but said to Yue Feng: "You don't know, Ah Feng, the entire sword sect, just Master is the best to me, Master is not only beautiful, but also kind-hearted, and she is the best woman in the world."

Hearing this, Yue Feng smiled.

This chapter is provided by . Visit for daily update.

Swish!

However, Hua Yemeng, who was walking in front, turned red all of a sudden, and glanced back at Qing: “Why are you talking so much?”

This Qingyi is really, really no big or small.

Qing Yi stuck out his tongue and didn't talk too much, but he still had a smile on his face.

Soon, the three arrived at a thatched cottage.

call!

Seeing the thatched cottage in front of him, Yue Feng was stunned.

As you can see, the thatched cottage is very elegantly arranged. On one side of the bookshelf, there are some ancient medical books, and on the other side are some medicinal materials. The flowers around the cottage are beautiful.

Arriving in the thatched cottage, Hua Ye Meng began to take the pulse of Yue Feng. strangeness!

At this moment, Hua Yemeng frowned, and she couldn't tell the surprise in her heart.

This person really has no internal strength at all, and the injury is very serious, but his injury is very strange, the body is very weak, but the meridians are normal.

“How about Master?”

Seeing this situation, Qing Yi couldn't help but ask: “Can Ah Feng's injury be cured?”

Hua Yemeng shook her head and said her doubts.

This...

Knowing the situation, Qing Yi was also stunned. He frowned and looked at Yue Feng and said, “A Feng, what kind of bandit did you encounter at that time? Why is your injury so strange?”

Yue Feng showed a smile. shook his head.

At the same time, he was secretly laughing in his heart.

Mo Yan, one of the Twelve Sacred Demon Kings, was responsible for his injury. The Demon Clan's cultivation technique was very strange and unique, and Hua Ye Meng was only a member of the Kyushu Sword Sect, so it was naturally unpredictable.

"Forget you can't speak anymore." Seeing Yue Feng's appearance, Qing Yi muttered.

Afterwards, Qing Yi wanted to ask again, but was interrupted by Hua Ye Meng.

"Forget it."

Hua Yemeng's red lips lightly opened, and she said slowly: "His injury is not very serious, it will not endanger his life, so let's recuperate first. You can accompany him around in the past few days and get familiar with our general altar. Environment, remember, you can't go to those places in the forbidden land."

After explaining this, Hua Yemeng got up and left.

"Respectfully send Master!" Qing Yi responded.

Watching Hua Yemeng go away, Qing Yi turned her head and smiled at Yue Feng: "A Feng, you heard it just now, your injury is fine, just stay in Jianzong during this time. It's getting late now. Well, starting tomorrow, I'll show you the environment here."

Hmm!

Yue Feng responded, but his mood was extremely complicated at this time.

To be honest, Yue Feng really wanted Qingyi to send him to the Diyuan Continent, but after thinking about it, let it go. Qingyi is not welcome in the entire Jianzong. In order to let himself stay in the Jianzong to recuperate, it has been abandoned. A lot of effort, if she left, she would definitely be sad.

Let's talk about taking care of the injury.

Chapter 4272

It was getting late at this time, and night was gradually coming.

Qing Yi brought some food, explained a few words, and left.

Huh....

Looking at Qing Yi's leaving back, Yue Feng secretly sighed, and at the same time he thought of Xiao Xi and Ren Yingying.

I don't know what happened to them these days.

After that, Yue Feng ate something at will, and then began to meditate and rest, trying to integrate the power of the red lotus of the law.

hum!

Soon, Yue Feng entered the state, and felt a strange power gushing out of the blood lotus marks all over his body, and began to spread into his limbs, bones, and meridians.

This feeling made Yue Feng extremely comfortable and accelerated the speed of fusion.

But nothing can be done overnight. At the beginning, Yutong Xianweng also told Yue Feng that the power of the Faye Red Lotus cannot be completely integrated in a day or two. these.

After a while, the power of the blood lotus imprint became stronger and stronger, and Yue Feng couldn't bear it, but felt that his body was on fire.

What the hell!

It wasn't until this moment that Yue Feng woke up, feeling a little regretful.

I only care about integrating the power of the red lotus of the law, and forget the truth of 'the extreme will be reversed'.

For a time, waves of heat raged in Yue Feng's body, and the burning sensation became stronger and stronger, constantly invading Yue Feng's nerves.

"Ah..."

Yue Feng couldn't help shouting, rolling on the ground.

I knew it wasn't so quick for instant success.

Muttering in his heart, Yue Feng wanted to cry but had no tears. Under the constant rolling, his eyes darkened and he fainted.

After a full night of coma, Yue Feng finally slowly opened his eyes.

call!

The moment he opened his eyes, Yue Feng saw that he was still in the thatched cottage, the surroundings were silent, and the sky was just bright.

Fortunately, no one saw it.

Yue Feng murmured in his heart, and then sensed the situation in his body, and was instantly overjoyed.

Haha...

At this moment, Yue Feng could clearly feel that the burning pain on his body and the weakness he had experienced before had all disappeared, and what was replaced by it was an endless amount of strength.

Not only that, but you can also speak.

At this speed, within a month, Yue Feng will re-condense his primordial spirit, and his strength is far superior to before.

“A Feng!”

Just when Yue Feng was secretly excited, he heard a pleasant shout, and then Qing Yi walked in excitedly, carrying a few medicines in his hand: “Master gave you some medicine, I brought it for you.”

Aoichi looked very excited when he said this.

In her heart, she has long regarded Yue Feng as a friend, and sincerely hopes that Yue Feng will get better.

Seeing Qingyi, Yue Feng felt a lot more relaxed, and nodded with a smile.

Speaking of which, Yue Feng wanted to say hello to Qing Yi, but it was too abrupt. After all, Qing Yi believed that he was mute, and if he suddenly spoke, it would scare people.

Yue Feng thought about it, and waited until a suitable time to tell Qingyi the truth, including his true identity.

“I’ll cook it for you.”

Qing Yi said with a smile, walked to the table, skillfully took out the clay pot, and then prepared medicine for Yue Feng.

Yue Feng sat on the bamboo chair and quietly watched Qing Yi busy. At that time, his mind seemed to return to the scene of more than ten years ago, with Xiao Xi taking care of him.

At that time in Dongao Continent, Xiao Xi also took care of Yue Feng’s daily life, almost meticulously.

“Okay.”

Just when Yue Feng was in a trance, Qing Yi brought over the prepared soup.

At this moment, Yue Feng didn't want to drink, because his injury was beaten by Mo Yan, and the medicine couldn't solve it at all, but seeing Qingyi's look of anticipation, the kindness was difficult, so he took it and drank it.

“Pfft...” As soon as he took a sip, Yue

Feng frowned and his facial features were crowded together. He couldn't help but shouted, “Damn, what kind of medicine is this, so bitter?”

I couldn't help but spit out the dregs in my mouth.

It was too bitter, even more bitter than Huanglian.

“You...”

He suddenly heard Yue Feng speak, Qing Yi's delicate body trembled, and the real person was stunned, staring at Yue Feng, his voice trembling: “You... can you speak?”

Chapter 4273 What the hell

!

Looking at Qing Yi's expression, Yue Feng was also stunned.

It's broken, it's broken, I can't hold back at all, and I'm exposed.

Thinking to himself, Yue Feng smiled bitterly and quickly explained: “Qingyi, don't get me wrong, I really couldn't speak yesterday. After a night's rest, my throat recovered.”
As he

spoke, Yue Feng watched closely. With Qingyi's expression on her face, she was afraid that she would be angry.

If it were another woman, Yue Feng wouldn't worry so much, but Qing was kind-hearted. Yesterday, in order to keep herself in the Sword Sect, it can be said that she did everything possible. If it made her sad, Yue Feng would feel very guilty.

Pfft...

Seeing Yue Feng's worried look, Qing Yi reacted and couldn't help laughing: “So you are not dumb, and your voice is quite magnetic.” After speaking

, Qing Yi tilted her head. Looking at Yue Feng, he asked curiously, "Ah Feng, how did you get hurt? Why couldn't you speak before?"

Qingyi grew up in Jianzong, and has been in Jianghu for more than ten years. He has a lot of experience and is still the first. The first time I heard that the injured can't speak.

Uh...

Yue Feng scratched his head, his head turned quickly, and he responded, "I don't know what happened, I was beaten on the back by those bandits, so I passed out, and I couldn't wake up. Speak." The

real situation must not be told, and can only make up a lie at will.

Seeing Yue Feng's serious look, Qing Yi no longer doubted, nodded and said, "Okay, it seems that you are quite unlucky."

After speaking, Qing glanced at Yue Feng's legs: "You can walk. Is it?"

"Yeah!" Yue Feng nodded.

Great.

Qingyi clapped his hands very happily, with a look of joy: "I thought you were going to rest for a few days. The weather is good today. I'll show you something to eat later. I'll show you around in Jianzong."

See her Full of interest, Yue Feng couldn't bear to refuse, so he smiled and nodded.

Soon, the two ate some breakfast, and Qing Yi took Yue Feng out of the cottage and turned around.

I have to say that the sword sect has been passed down for thousands of years, and the environment of the main altar is really good. There are towering ancient trees and flowers everywhere, and every ten steps is a scene, which makes people linger and forget to return.

Soon, in a garden, I saw a group of disciples in the distance, standing there discussing something.

Among the crowd, there is a slender figure, which is very eye-catching.

Although Yue Feng had also seen many beauties, his eyes were immediately attracted.

What a beautiful woman.

I saw that the woman was in her twenties, not a few years older than Bi Qing. She was wearing a deep red dress, which gave people an indescribably cold and glamorous feeling.

Although the flower and leaves dream I saw yesterday was also a goddess of coldness, but this one, compared with the flower and leaf dream, has a little more charming temperament.

Especially the peach blossom mole on his face is even more enchanting.

Yue Feng and Guiguzi had learned some face-to-face techniques. As soon as he saw this woman, he knew that under that beautiful appearance, there was a bitter and mean heart.

Such a woman is the worst.

At this time, Yue Feng didn't know that this woman was called Hongxia, and she was also a disciple of Sect Master Mu Jianli. There were not many female disciples of Jianzong, but Hongxia was the best among them, second only to Dongliu in strength.

At this time, Hongxia was talking with the surrounding disciples about what happened yesterday.

"Eldest brother hasn't woken up yet.."

"Yeah, what happened yesterday is really evil."

"Eldest brother is very strong, how can he be attacked by his own internal strength when dealing with a dumb person who has no inner strength?"

Listening to the disciples and brothers, Hongxia frowned, very annoyed, and said coldly: "Qingyi, that little slut, who violated the rules and brought back a mute, and even caused the senior brother to go into a coma, if I touch him, he must be I can't spare her."

Hongxia has always admired Senior Brother Dongliu, so she couldn't calm down when she learned what happened yesterday.

When the words fell, the surrounding disciples responded and flattered.

"Yes, Senior Sister should have taught that stupid girl a long time ago."

"Speaking of which, we also wanted to vent our anger for Senior Brother, but we didn't have the guts. After all, the Sect Master promised to let the dumb girl stay."

“We didn’t have the guts, But Senior Sister, you are different, the Sect Master loves you so much, even if you kill that mute in public, no one will say anything.”

“That’s right, don’t look at who Senior Sister is.”

Chapter 4274

These disciples speak so loudly that Yue Feng and Qing stand far away and can hear them clearly.

Hehe...

Hearing this, Yue Feng sneered secretly.

This group of Sword Sect disciples is really interesting. They think about taking care of their own people every day. Qingyi is so kind and beautiful. The only flaw is that there is a birthmark on his face, but he is bullied by them like a monster.

What a bunch of assholes.

Oops!

Just when Yue Feng was muttering secretly, Qing Yi saw everyone not far away, but his tender body trembled, panicking.

Senior Sister Hongxia and Senior Brother have the best relationship, and what happened yesterday will definitely not let me go.

Thinking about it, Qing Yi quickly took Yue Feng’s hand and whispered, “Ah Feng, let’s go!”

Seriously, Qing Yi was not afraid of being bullied, because he was used to being bullied by his brothers and sisters in Jianzong since he was a child. Now, she is afraid that these people will deal with Ah Feng.

After all, Ah Feng’s injury has just gotten better.

Um!

Yue Feng responded and was about to leave with Qingyi.

If it was before, Yue Feng was not panic at all, but now it is different, the injury has just improved, and it is not the opponent of those Sword Sect disciples.

However it was too late.

Swish!

Before they could turn around, Hongxia and the disciples noticed Yue Feng and immediately started yelling.

“Huh? Ugly girl and that mute?”

“Can this mute walk?”

“Ma De, the senior brother is still in a coma, and the two of them are in the mood to visit the garden?”

At the same time, Hongxia also looked closely at Yue Feng and the two of them without any hesitation. Someone chased after him.

Whoa!

Soon, Yue Feng and Qing Yi were surrounded by a group.

“Senior Sister Hongxia!”

Seeing this scene, Qingyi was very nervous, and the hand that held Yue Feng was sweating, but she still shouted respectfully.

Yue Feng was indifferent.

“Tsk tsk!”

At this time, Hongxia first looked at Qingyi and then at Yue Feng, with a disdainful expression on her face, and sneered: “Damn girl, is this the mute you brought? A disgusting look on her face. The imprint of yours really matches you very well.”

After he finished speaking, he didn't forget to glare at Yue Feng.

With such a person, the eldest brother was in a coma, and for a while, Hongxia became more and more angry.

Swish!

Hearing this, Qing Yi's face turned red all of a sudden, she was shy and frightened again, and there was some atmosphere. She and Ah Feng were innocent. Why do these people always like to slander themselves?

Thinking to himself, Qing Yi summoned the courage to defend: “Senior sister, Ah Feng and I are not what you think, I...”

Slap!

Just halfway through, I saw Hongxia walking over quickly, Jade Hand raised, and slapped Qingyi's face with a slap in the face, making a clear sound, Qingyi groaned and almost fell to the ground.

Hongxia's shot was quick, and neither Qingyi nor Yue Feng had time to react.

Especially Yue Feng, his strength has not completely recovered, even if he wants to block it, he is powerless.

Mad!

Seeing the handprint on Qingyi's face at this time, Yue Feng was angry at the time, his eyes were instantly congested, and he stared at Hongxia.

This woman is not only bitter and mean, but she is also so cruel, it is really hateful.

"Damn girl!"

At this time, Hongxia pointed at Qingyi and cursed: "I really don't want any face at all, you are holding this trash's hand so tight, why are you embarrassed to say it doesn't matter? Bah, I'll take care of you You are ashamed."

After the last sentence, Hongxia spat fiercely on the ground, her face full of disgust and contempt.

The words fell, and the other disciples also pointed at Qing Yi.

"Senior sister is right, this stinky girl is really showy."

"That is, I can't see it on weekdays, I didn't expect it to be so unscrupulous behind my back."

"That's because people haven't found their sweetheart, so they are so disciplined in front of us, Maybe, she's only interested in those with marks on their faces."

"Yes, yes... this mute has marks all over her face, this bitch, I'm afraid she won't be able to hold back last night."

Haha..

Everyone said a sentence to me, and when it came to excitement, they burst into laughter, and their faces were full of mockery and disgust .

"You..."

Qing Yi almost cried when she heard this. She had endured all these people bullying her since she was a child, but now they are slandering her innocence.

Chapter 4275

Qingyi was very angry at this time, but she had low self-esteem since she was a child, so she wanted to refute at this time, but she didn't know what to say.

“What?”

Hongxia sneered and looked at Qingyi playfully: “Not convinced yet? As a disciple of the Sword Sect, you brought a wild man back to be happy, and you still feel reasonable, don't you?”

” Xia's aggressive attitude made Qingyi very aggrieved. Tears finally flowed down unsatisfactorily, and whispered: “I don't, I really don't...”

Mad!

At this moment, Yue Feng finally couldn't stand it any longer, and pulled Qing Yi behind him.

Immediately, Yue Feng looked directly at Hongxia, and said coldly, “Have you had enough trouble? A group of people bullying a woman is very fulfilling?”

Seriously, Yue Feng didn't want to be exposed in front of these people, but seeing them grow more and more When he was too angry, he couldn't help it at all.

Um?

Seeing Yue Feng suddenly speak, both Hongxia and the surrounding disciples were all stunned, each with a wonderful expression.

“Oh, it's not dumb.”

Finally, no one in the crowd reacted first, so he couldn't help but say, “So this kid can talk, and he pretended to be quite like yesterday.” The

voice fell, and the other disciples also spoke.

“Let's just say, this kid is a liar.”

“Hehe, it's really a pair of male thieves and female prostitutes, and they are wronged when they meet each other. This kid can't bear it anymore.”

“I thought there was something wrong with this kid yesterday, maybe. It was him who injured the eldest brother, any internal force backlash is completely nonsense.”

Everyone’s words kept coming, and Hongxia’s delicate and charming face was extremely gloomy.

bass!

In the next second, Hongxia was too lazy to talk nonsense, she turned her hand and pulled out her long sword, pointed it directly at Yue Feng’s heart, and said coldly: “You ugly thing, I ask you, did you hurt the senior brother? You Why are you pretending to be dumb?”

When she said this, Hongxia’s eyes revealed a strong murderous intent.

She adored senior brother Dongliu for so many years and wanted to be his wife in the future, but from yesterday to now, Dongliu has been in a coma. Thinking of this, Hongxia is extremely angry.

The icy tip of the sword was less than ten centimeters away from Yue Feng’s heart, but Yue Feng’s face was indifferent, and he said lightly, “How your senior brother was injured, I made it very clear yesterday, and your master also agrees with me. “

Besides, I don’t have any internal strength at all, so how did I hurt him?”

When he said this, Yue Feng had a leisurely expression on his face. In the heart of the wind, there is almost no wave to splash.

Hearing this, Hongxia obviously didn’t believe it and sneered.

“Senior Sister Hongxia.”

At this time, Qing wiped away her tears and couldn’t help but said, “What Ah Feng said is true, he didn’t lie, he really couldn’t speak yesterday.”

“He met Shan Shan before . Bandit, he was severely injured and can’t speak.”

“After resting last night, he only recovered this morning. I can testify that he really didn’t lie.”

Qing Yi is kind-hearted, straightforward, and trusts Yue Feng very much.

Alas, this silly girl.

Seeing this situation, Yue Feng was calm on the surface, but felt a little guilty in his heart.

Qingyi is so naive and kind. I am ashamed that I didn't tell her her true identity.

"Haha..."

Seeing Qingyi came out to help Yue Feng again, Hongxia said with a contemptuous expression, "Okay, you two are in a nest of snakes and rats, so don't talk to your sweetheart, I'll tell you. , I won't be called Hongxia if I don't teach you two men and women a lesson today."

Om!

The voice fell, and a powerful aura burst out from Hongxia's body, and the long sword in her hand also flashed with a cold light, and the momentum was overwhelming.

Whoa!

At this moment, the surrounding disciples also cooperated very well, retreating one after another, leaving an open space.

Qing Yi bit her lip tightly, feeling both wronged and nervous: "Senior Sister Hongxia, the matter of Senior Brother really has nothing to do with A Feng, he was the one who humiliated A Feng first..."

"Qing Yi was so anxious that Hongxia's strength was the strongest among the female disciples of the Sword Sect. Together, she and Ah Feng were no match for her.

The best way at the moment is to be soft and let the other party let go of you and A Feng.

The ultimate husband in Chinese chapter 4276-4280

Chapter 4276

"Stop talking nonsense!"

Hongxia's face was full of impatience, regardless of whether Qingyi wanted it or not, she said coldly: "It's useless what you said today, the senior brother is still in a coma, if I let you go, I will later Why are you still staying in Jianzong?" After speaking

, Hongxia's eyes flashed with arrogance and contempt, and continued: "Qingyi, don't say I bullied you, I heard that recently, the deputy sect master taught you a new sword. Fa, in this way, the two of us don't use internal strength, we only compete with swordsmanship, if you win, I will let you two go, if you lose, you are good friends, let me deal with it." The

last word fell, Hongxia The seductive face is full of playfulness and gloom.

Among the female disciples of Jianzong, no one's swordsmanship can surpass Hongxia.

Hongxia has thought about it, today she must humiliate this pair of dogs and men.

Wow...

the voice fell, and the surrounding disciples became more excited one by one.

"This method is better than swordsmanship."

"I haven't seen Senior Sister Hongxia use swordsmanship for a long time. I'm really looking forward to

it ."

She doesn't dare, as far as her skills are concerned, who doesn't know about the entire Sword Sect, it's impossible to fight, so she can only go down the mountain to investigate some outside news." The

mocking voices kept coming, Qing Yi couldn't tell the inferiority complex in his heart. Also extremely nervous.

"Senior Sister!" In the

next second, Qing Yi's delicate body trembled slightly, almost crying: "We really didn't hurt Senior Brother, and A Feng and I are nothing, just let me go, I beg you. "

This chapter is provided by . Visit for daily update.

After saying the last sentence, the tears couldn't help falling again.

Hongxia's face was charming and unmoved, she said coldly: "Bitch, don't give me the fake betrayal, do you think you still have the right to choose?"

After speaking, Hongxia looked around: " Whose sword is to be used by her?"

"Me!" The

voice fell, and a disciple quickly responded, then threw the sword in his hand to Qingyi's feet, and said contemptuously: "Stinky girl, originally my sword, I didn't want to use it for you. , but Senior Sister Hongxia is so interested today, I will make an exception and treat this sword as a beggar."

Haha...

For a while, there was a sneering voice around.

Qing Yi bit her lip tightly, but did not pick up the long sword, her delicate body trembled, and she felt extremely aggrieved.

Why?

Why has he been so ugly and lowly in their eyes since he was a child? I didn't do anything wrong at all, why should I receive these injustices?

Thinking of what happened from childhood to adulthood, Qingyi couldn't hold it any longer, and tears kept streaming down her face.

Phew...

Seeing this scene, Yue Feng took a deep breath, feeling unspeakably distressed, and at the same time grabbed Qing Yi's hand.

This girl must have been bullied too much since she was a child, so she is so weak.

It was so distressing.

"Cry?"

At this time, Hongxia's face was full of impatience, and she said coldly to Qingyi: "Do you think crying can solve it? Little bitch, don't think I don't know what you think, and want to show Weak, and then escaped this disaster? I tell you, there is no way, pick up the sword quickly."

Qing Yi cried and shook his head.

She knew that if she picked up the sword, the fate of herself and Ah Feng would be even worse.

"Bitch can't hear me, can you?"

Hongxia lost her patience, walked over quickly, raised her hand and slapped Qing on the face.

Snapped!

However, at this moment, Yue Feng's eyes were quick and he grabbed Hongxia's hand and said coldly: "You are better than swordsmanship, right? I will compare with you. Qingyi is not your opponent, and it is interesting to always bully her. Is it?" The

voice fell, and Yue Feng shook Hongxia's hand away.

What?

At this moment, the surrounding disciples were stunned, looking at Yue Feng closely, their eyes flashing with surprise.

What is this kid saying?

He wants to compare swordsmanship with Senior Sister Hongxia?

At the same time, Hongxia was also stunned, frowning at Yue Feng, thinking that she had heard it wrong.

The next second, Hongxia looked contemptuous and said to Yue Feng, "You know how to use swordsmanship? Look at your appearance, I'm afraid you haven't even taken a sword, right?" .

It's ridiculous.

Chapter 4277

Boom....

At this moment, the surrounding disciples also burst into laughter, and then they couldn't help laughing loudly.

"I'm afraid this kid hasn't woken up yet."

"Just don't look at what this place is, this is the sword sect, he actually wants to compare swords for that stinky girl and senior sister?"

"But then again, this kid is pretty good. The one who protects the stinky girl."

"Does it need to be said? Both of them have marks on their faces. At this time, the bastard looked at the mung bean and had a crush on it."

Hahaha... During the

discussion, many people laughed again. , In their eyes, Yue Feng looks so weird, like a savage in the mountains, what kind of swordsmanship does he know.

"A Feng!"

The ridicule of everyone kept coming, Qing Yi was also a little anxious, and quickly pulled Yue Feng and said anxiously: "Don't be impulsive, Senior Sister Hongxia is very powerful, how could you be her opponent?"

” Then, Qingyi asked Hongxia again: “Senior sister, he is talking nonsense, don’t know him in the same way, we are not your opponents together, please let us go.”

At this time, Qingyi , almost crying.

Ah Feng is really impulsive. He has no internal strength at all, so he wants to compete with Senior Sister Hongxia. Even if he does not use internal strength, he is not a match for Senior Sister Hongxia. You must know that this is Jianzong, and Jianzong’s swordsmanship has always been famous in the entire Dongao Continent.

“Don’t worry.”

Feeling Qingyi’s nervousness, Yue Feng smiled, patted Qingyi’s hand lightly and comforted: “I’m measured.” The

voice fell, Yue Feng bent down and picked up the long sword on the ground. His expression was also extremely solemn.

Yes, at this moment, Yue Feng remembered his master Nangong Jue. When Yue Feng came to Dongao Continent through Shenxing Talisman, he first met Xiaoxi, then he was framed, fell off a cliff, and met a man who was trapped at the bottom of the cliff. Nangong Jue.

Nangong Jue was known as the Sword Demon in those days, and he has been in the East Proud Continent for decades. When the two sects of Danzong and Wenzong joined forces, they were not the opponents of Nangong Jue. In particular, the self-created ‘Tiangang Sword Art’ is unmatched.

Back then, at the bottom of the cliff, Nangong Jue passed the entire set of ‘Tiangang Sword Art’ to Yue Feng. Now that so many years have passed, Yue Feng has already practiced those sword skills to perfection, and has also improved a lot.

And, as Hongxia said just now, she doesn’t use internal power, she only uses swordsmanship.

And it just so happens that Yue Feng has no inner strength, so there is no need to worry at all.

call!

At this time, seeing Yue Feng pick up the sword, Hongxia frowned and asked coldly, “Have you studied swordsmanship?”

When saying this, Hongxia paid special attention to Yue Feng’s hand holding the sword. The appearance of the sword is similar, and at first glance, it is not an ordinary person.

Yue Feng smiled and said slowly: "I don't think I have learned it before. I met a senior in Jianghu before, and I was instructed by him on a few swordsmanship."

Yue Feng would never say the name of Nangong Jue. After all, He was Sword Sect's number one enemy.

Senior Jianghu?

Hearing this, Hongxia frowned and became even more suspicious.

This guy named Ah Feng really has a problem. Perhaps... he entered the general altar of Jianzong through Qingyi, and he was stealing to learn swordsmanship.

"really interesting!"

At this moment, some of the surrounding disciples sneered and said, "I just learned a few swordsmanship from others, and I dare to compare with our Senior Sister Hongxia, boy, you are very confident, I'm thinking about that sword. Who taught you the law? Wouldn't it be a beggar?"

Haha... The

voice fell, and the surrounding was full of laughter.

Mad!

Yue Feng's face turned cold, and he was suddenly a little angry.

This person compares Master Nangong Jue to a beggar, which is so abhorrent that he can't bear it.

But thinking of the situation in front of him, Yue Feng still suppressed his anger, just pretended he didn't hear it, and then quietly looked at Hongxia: "Senior Sister Hongxia, you should also ask what you should ask, is it better?"

Hongxia Man With a contemptuous face, she said angrily: "Don't get too close to me, who is your senior sister?"

After saying that, Hongxia looked up and down at Yue Feng: "You really compare it, but you are not qualified to fight against me, so, You first compete with my junior and junior brothers, and if you really want to win, I will compete with you."

Chapter 4278

When saying this, Hongxia's face was full of contempt.

While contemptuous, Hongxia also wanted to see what Yue Feng was capable of.

Whoa!

The words fell, and the surrounding disciples were very excited, and they came over one by one volunteered.

“I’m coming!”

“I’ll try for senior sister how much this kid has.”

“You can’t do it, let me come and beat this kid to the ground with one move.”

Hongxia is charming and charming, and she is senior sister again. She is the goddess in the hearts of many Sword Sect disciples. At this time, they all want to show her in front of her.

Hongxia showed a smile and said angrily, “Looking at how impatient you all look, I don’t think you want to share your worries for me, but to show it in front of me.” As

she spoke, Hongxia pointed at one of them . : “Liu Xin, come here!”

Liu Xin was the weakest among the disciples present, and was more than enough to deal with Yue Feng.

In Hongxia’s heart, even if Yue Feng had learned swordsmanship, he would not be able to compare to the disciples of Jianzong. After all, Jianzong was famous for his swordsmanship.

Phew...

Seeing Hongxia say this, the other disciples were a little disappointed, but they didn’t care.

Afterwards, a disciple smiled and said, “Senior sister said that this kid has no internal strength at all, and his swordsmanship is definitely not good. Liu Xin can defeat him easily, we just watch the show.” The

voice fell . , the others nodded in agreement.

Ha ha...

Seeing this scene, Yue Feng laughed without saying a word.

However, Qing Yi, who was standing beside him, was very nervous. He held Yue Feng’s hand tightly: “A Feng, do you really want to fight? Don’t be impulsive.”

Yue Feng smiled and comforted: "Don't panic. , I won't lose."

Master's 'Tiangang Sword Art' is the best in the world, and dealing with the disciples of Jianzong is no problem at all.

Seeing his confident look, Qingyi didn't say anything anymore, but he was still a little worried.

"Boy!"

At this moment, Liu Xin walked out quickly, his eyes fixed on Yue Feng, unable to hide his contempt: "Wait a little bit, don't stab me, I don't want to die. "

After saying that, Liu Xin's face was full of sneer.

Haha...

For a while, the surroundings were full of laughter again.

Hearing this irony, Yue Feng smiled slightly and said lightly to Liu Xin: "Don't worry, let's stop when we click, I won't hurt you."

What?

Whether it was Hongxia or the surrounding disciples, they were all stunned.

Is there something wrong with this kid's brain? Can't you hear what Liu Xin said? He actually took it seriously...

Made!

Hearing the answer, Liu Xin only felt humiliated, his face was ashen, and he sneered: "Okay, since you are so confident, then I really need to ask for advice.

"

When the words fell, Liu Xin pulled out his long sword and stabbed directly at Yue Feng. Although he did not exert his internal force, his speed was also very fast. In the blink of an eye, he was in front of Yue Feng.

Seeing this scene, Qing Yi was inexplicably nervous, and his heart was suspended.

The surrounding disciples looked at Yue Feng and sneered.

An ugly waste who dares to compare swordsmanship with the disciples of Jianzong is simply beyond his own power, and he deserves to be killed by a sword.

Especially Hongxia, with a sneer on her seductive face. Although Liu Xin is the weakest, she is more than enough to deal with Yue Feng. She seems to have seen Yue Feng fall in a pool of blood.

To be honest, there are express regulations in the general altar of Jianzong, prohibiting fighting. However, Hongxia has already thought about it. When the time comes, the Sect Master will blame it, saying that this 'A Feng' took the initiative to challenge, and no one can blame others.

Huh...

At this moment, watching Liu Xin stab with a sword, Yue Feng stood there as steady as a rock, with a faint smile on his face, and the next second, the long sword was lifted at will and greeted Liu Xin. .

This sword seems weak and powerless, but it hides a mystery.

Dang!

The next second, the two long swords touched, and a crisp sound was heard. Liu Xin didn't realize what was going on, but his intuitive wrist went numb, and the long sword suddenly fell to the ground.

What?

Liu Xin's expression changed, and he stared at Yue Feng, his face full of incredulity.

impossible.

He has been learning swordsmanship in the main altar for eight years, which is considered a small achievement, and at this time, it is too embarrassing to be knocked out by an unknown soldier.

Chapter 4279

Yes, I must be careless.

At this time, Liu Xin didn't know that his opponent had inherited the Sword Demon's 'Tiangang Sword Art'. Not to mention him, even Mu Jianli came in person, not an opponent.

This...

At the same time, the surrounding disciples and Hongxia were also stunned, completely blinded.

what's the situation?

With just one move, Liu Xin was defeated? Even the long sword was knocked out?

Is this Liu Xin too underestimated?

Won?

Seeing this situation, Qing Yi was also full of surprise, and her delicate body trembled faintly. Looking at Yue Feng's eyes, he was also extremely happy.

He thought he would lose badly, but he didn't expect to win Liu Xin so easily.

What a surprise.

"Senior sister!"

When everyone was puzzled, they saw Liu Xin's face ashamed, walked slowly to Hongxia, bowed his head and said, "I'm sorry, I was too careless and disappointed you."

Hongxia nodded: "Okay . . , you go down."

At this time, the surrounding disciples also reacted, looking at Yue Feng's eyes, restored the previous disdain.

Liu Xin himself said so, it seems that he was really careless just now.

At this moment, Yue Feng clenched his sword tightly, looked around, and said with a smile, "Is there anyone else who wants to ask for advice?" It's

just swordsmanship, not internal strength. Even if Hongxia and these disciples go together, Yue Feng is not afraid. .

call...

For a time, the surrounding disciples looked at each other in dismay, as if he did not expect that this kid would have the guts to make provocative words after winning a game by luck.

Hongxia curled her lips, her charming face was full of disdain, this kid really doesn't know how to live or die, he just got lucky and started to flutter?

Thinking to herself, Hongxia looked around: "Who is going to fight him?" The

voice fell, and a burly disciple strode out and said loudly: "I'm coming!"

” Using the epee, he saw that his epee was four or five times wider than a normal sword.

Whoa!

As soon as Chen Gang came on stage, the surrounding disciples were in an uproar, and they were all very excited.

“Chen Gang, I want to save Liu Xin’s face.”

“Yes, teach this ignorant boy a lesson.”

“Beat him to kneel and beg for mercy, haha...”

In the eyes of everyone, Chen Gang’s heavy sword was strong and powerful. , even if you don’t use internal force, you still have an absolute advantage, and the opponent has no chance of winning.

Epee?

Looking at the heavy sword in Chen Gang’s hand, Yue Feng’s eyes flashed, and a smile appeared on the corner of his mouth.

Among the Tiangang Sword Art, there are several tricks that are specially designed to deal with heavy swords, but Yue Feng has not had the chance to use it for so many years. When I meet this Chen Gang today, I can just use him to practice.

Um!

Listening to the shouts of the people around, Chen Gang nodded, and then his eyes locked on Yue Feng: “Boy, it’s too late for you to admit defeat now.” The

voice was loud, revealing absolute contempt.

“Admit defeat?”

Yue Feng listened very funny, and said lightly: “Why should I admit defeat? You haven’t defeated me yet.”

These Sword Sect disciples are more confident than each other. I really don’t know where their confidence comes from. .

Madness!

Hearing this, both Hongxia and the surrounding disciples looked at Yue Feng coldly and were furious.

This kid was lucky enough to win a game and became so arrogant. At the same time, Chen Gang

also looked gloomy, looked at Yue Feng and said with a sneer: "Okay, listen to you, do you still want to defeat me? Then I will give you this chance.

"

He clenched his epee in both hands, and slashed towards Yue Feng in a volley.

I saw that where the epee was swung, the air made a burst of hiss, and the power was amazing.

interesting.

Seeing Chen Gang slashing, Yue Feng didn't dodge immediately, but nodded in approval.

Without exerting his inner strength, just relying on a heavy sword can produce such an effect. This Chen Gang can be considered to have some attainments in swordsmanship.

It's just a pity that he met me Yue Feng today.

"Ah Feng, be careful."

Seeing that Chen Gang's heavy sword was about to hit Yue Feng, Qing Yi, who was watching the battle from behind, couldn't help sweating for Yue Feng, and at the same time he couldn't help exclaiming.

Perhaps Chen Gang's strength is not the strongest, but his heavy sword, among the disciples of the entire Sword Sect, few can catch it.

Chapter 4280

Yue Feng smiled and signaled Qingyi not to panic.

In the next second, Yue Feng's feet quickly moved half a step to the side, just avoiding the whistling heavy sword. When Nangong Jue taught the swordsmanship, he once said that when dealing with this kind of heavy sword, remember not to be the first to distance, but to find the gap between the opponent's moves.

You know, the epee is very heavy and lacks flexibility.

boom!

The heavy sword deviates and slashes fiercely on the flagstone road, only to hear a vibration, and a piece of bluestone floor shatters directly.

dodge?

Seeing this scene, both Hongxia and the other disciples around were stunned.

If he had dealt with Liu Xin before, Yue Feng had depended on luck.

Well this time, they have been made to understand that this guy with a face full of imprints is not as weak as they thought.

Especially Hong Yan, her eyes are locked on Yue Feng, flashing complex.

This man really practiced swordsmanship.

Mad, was avoided by him.

At this moment, seeing Yue Feng deftly avoided his sword, Chen Gang's face flushed, and he was indescribably embarrassed.

“Ah...” In the

next second, Chen Gang shouted, and was about to raise the epee and perform the next move. However, as Yue Feng expected, the epee was very heavy and lacked flexibility when waving.

At this time, Yue Feng was grasping this flaw. At that time, he turned around, used the Heavenly Gang Sword Art, and slapped the back of Chen Gang's hand with the back of the sword.

Snapped!

With a crisp sound, Chen Gang was in pain, but he didn't let go of his hand, still holding on to the epee.

However, Yue Feng didn't give him a chance to continue to use it. He pulled out a ball of sword flowers from the long sword in his hand. While Chen Gang was dazzled, the tip of the sword had already touched his throat.

Gudong.

Feeling the coldness from the tip of the sword, Chen Gang broke out in a layer of cold sweat, secretly swallowed his saliva, and didn't dare to move.

At the same time, looking at Yue Feng's eyes, he was also extremely shocked.

This kid is so exquisite in swordsmanship, where is this no-name soldier, those swordsmen who walk in the rivers and lakes, I am afraid that they are not as powerful as his swordsmanship.

“Are you admitting defeat?”

Yue Feng put away his long sword and looked at Chen Gang with a half-smile: “If you don’t agree, we can do it again.”

When he said this, Yue Feng’s tone was relaxed and very leisurely.

Ugh!

Chen Gang let out a long sigh, didn’t respond, dragged his heavy sword and strode away.

Although they only fought for one round, Chen Gang has realized that his swordsmanship is far worse than that of this guy with a face full of imprints. He has just lost once, and he will not win if he fights again, but it will be even more embarrassing.

quiet!

For a time, there was a dead silence in the entire garden.

Whether it was Hongxia or the surrounding disciples, they were all stunned, they just felt that the scene just now seemed like a dream.

Chen Gang also lost, and he lost so fast.

Also, the swordsmanship that this person used just now is really exquisite, almost unseen before.

Speaking of which, Jianzong once had a grudge with Nangong, so every disciple of Jianzong knew a little bit about Nangong’s Tiangang swordsmanship. It stands to reason that they would be able to see the clues as soon as Yue Feng made a move.

However, after Yue Feng practiced the Heavenly Gang Sword Art, relying on his talent and intelligence, he improved the entire set of swordsmanship. The improved Heavenly Gang swordsmanship no longer needs to use the “slanting finger at the setting sun”.

Under such circumstances, the disciples of Hongyan and Jianzong naturally couldn’t see the slightest clue.

Another win.

Seeing this scene, Qing Yi was overwhelmed with excitement, and looked at Yue Feng's eyes with a strange brilliance.

I really didn't expect that Ah Feng's swordsmanship was so powerful that even Chen Gang was no match.

The match just now was really exciting.

Yue Feng remained calm, his eyes fell on Hong Yan: "Am I qualified to fight you now?"

Hong Xia's charming face was full of complexity.

"If you want to fight with Senior Sister Hongxia, pass me first." Before she could respond, a disciple came up with a face full of disbelief, but in the end it was just one move, and Yue Feng knocked off his long sword. .

Immediately afterwards, other disciples also came up to compete.

In the end, without exception, they were all easily defeated by Yue Feng.

The ultimate husband in Chinese chapter 4281-4290

Chapter 4281

At this time, Yue Feng looked at Hongxia with a half-smiling smile: "Now only you are left. If you don't decide to compare with me, then Qingyi and I will leave." The

voice was not loud, but it was clear With a palpating aura.

Swish!

At this moment, whether it was Qingyi or the surrounding disciples, their eyes suddenly converged on Hongyan.

This Ah Feng has won more than a dozen games in a row, and even Chen Gang is no match.

Will Senior Sister Hongxia fight him?

call!

Finally, Hongxia breathed a sigh of relief, walked up slowly, looked at Yue Feng and said lightly: "I really can't tell, you actually have some skills, well, I promise to compete with you."

Hehe...

Yue Feng smiled . , and then said seriously: "Okay, but before we start, I want to change the bet."

"What bet?" Hongxia frowned.

Yue Feng turned his head and pointed at Qing Yi: "If we win, you have to apologize to Qing Yi in public, not only you, but everyone present, but also to her, and don't bother her again in the future.

" If you lose, it

's up to you." When he said this, Yue Feng was extremely serious and could not be doubted.

This group of people treats bullying Qingyi as a common occurrence, which is really disgusting. Today, I will take this opportunity to help Qingyi solve this problem, so as to prevent these people from getting worse in the future.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Whoa!

The words fell, and the whole garden burst into flames. The surrounding disciples were all shocked and angry, and they pointed at Yue Feng and scolded them.

“Boy, do we think we’re amazing when we win?”

“Mad, what are you? Why do you want us to apologize?”

“It’s really good. Before we even start, we’re going to fight against that stinky girl. “The angry reprimands kept coming, Yue Feng was very annoyed, but he didn’t attack, but watched Hongxia closely, waiting for her response.

Hongxia’s charming face is covered with frost: “Do you know who you are talking to?”

As the senior sister of Jianzong, anyone who sees it is polite, but this ugly guy in front of him wants to be in public. Apologize to this stinky girl, Qingyi.

Just looking for death.

At this time, Hongxia wanted to kill Yue Feng with the sword immediately, but she held back her identity.

“I know!”

Feeling Hongxia’s anger, Yue Feng smiled and nodded, not panicking at all: “You are a senior sister that everyone admires, so I bet with you that as long as you agree, Qingyi will only be able to I won’t be bullied.”

“Okay!”

Hongxia bit her lip tightly, looking at Yue Feng and said word by word, “I promise your bet, remember it to me, if you lose, you two will take over for me. Dispose of.”

When she said this, Hongxia’s face was gloomy, and she had already thought of a thousand ways to torture people.

Hehe...

Seeing her finally agreeing, Yue Feng showed a smile, and then raised his hand at Hongxia, very politely: "Thank you, Senior Sister for your accomplishment, ladies first, Senior Sister, let's make a move."

"Looking for death!"

Hong Xia Jiao shouted, the jade hand raised, the long sword turned into a shock, directly thinking of Yue Feng coming.

It has to be said that Hongxia is indeed Sect Master Mu Jianli's favorite female disciple, and she has won the true inheritance.

Such a fast sword.

At this moment, Yue Feng also put away his smile, not daring to show the slightest contempt, and clenched his long sword to meet him.

"Senior sister is senior sister, the swordsmanship is really exquisite..."

"But unfortunately, this sword deviates."

"Aiya, I missed it again!

" speaking, to affect Hongxia's mood.

asshole!

Listening to Yue Feng's constant ridicule, Hongxia's face flushed, embarrassed and angry, and then she used all the sword moves she had learned, but what made her furious was that no matter how sharp she was, she could be attacked. The opponent easily blocked.

This...

seeing this scene, the disciples standing around were completely dumbfounded.

This kid's swordsmanship is so powerful? Senior Sister Hongxia couldn't even gain the upper hand...

At the same time, Qingyi was also secretly shocked, and at the same time was extremely excited and puzzled.

Ah Feng's swordsmanship is so exquisite, who is he?

Chapter 4282 In the

blink of an eye, the two fought for dozens of rounds.

Still unable to defeat Yue Feng, Hongxia was a little anxious, her eyes flashed with a hint of coldness, and she shouted coldly: "Snake slash."

Chi Chi... When

the voice fell, she saw the long sword in Hongxia's hand, slashing. An S-shaped sword glow, like a snake, quickly stabbed towards Yue Feng's heart.

The Spirit Snake Slash is the superior swordsmanship of the Sword Sect. Among the disciples of the Sword Sect, very few can perform it, but Hongxia is the beloved female disciple of the Sect Master Mu Jianxin, so as early as three years ago, The trick was passed on to her.

The Spirit Snake Slash is agile and elegant, but not swift and ruthless. Even if Hongxia didn't motivate her internal strength at this time, its power was still amazing.

Whoa!

Seeing this scene, the surrounding disciples were inexplicably excited.

"Snake Slash, Senior Sister actually performed Spirit Snake Slash!"

"Really? I've only heard of this sword technique, but I've never seen it before!"

"It's not worth walking around this world."

Listening to the discussions around, Qing Yi, who was standing not far away, was originally very excited, but at this time he was also shocked and his body trembled, and he couldn't help pinching for Yue Feng. sweat.

Although Ah Feng defeated the surrounding disciples and amazed the four, but in the face of Senior Sister's Spirit Snake Slash, can he stop it? You must know that the Spirit Snake Slash is the first-class swordsmanship of Jianzong.

interesting.

Feeling the fierceness of Hongxia's sword, Yue Feng frowned slightly, admiring secretly.

Although Jianzong's actions are disgusting, it has to be said that the swordsmanship under his sect is quite exquisite.

Thinking to himself, Yue Feng slid under his feet and took two steps to the side, trying to avoid the sword.

Chi Chi...

But what Yue Feng didn't expect was that this move of the Spirit Snake Slash was very strange, as if it had spirituality.

"Be careful..."

Seeing this scene, Qing Yi's delicate body was shocked, and finally she couldn't help exclaiming.

However, Yue Feng did not panic at all. There are many ways to deal with this situation in Tiangang Sword Art. At that time, Yue Feng seemed to have eyes on his back. The sword in the back.

clang!

A crisp sound came, Hongxia only felt her arm go numb, she almost couldn't hold the long sword, and her delicate body staggered back two steps.

After stabilizing her figure, Hongxia looked at Yue Feng closely, her charming face was full of shock.

Total shock.

Impossible, absolutely impossible.

The Spirit Snake Slash was the most lethal move in the swordsmanship he had learned. At this time, he was so easily blocked by this person, which was really evil.

Also, the swordsmanship he used to resist the Spirit Snake Slash just now was simply amazing, even if the master came, he couldn't do it.

Phew...

At the same time, Qing Yi and the surrounding disciples were all dumbfounded.

Senior Sister Hongxia's such a fierce move was actually blocked?

If he hadn't seen it with his own eyes, who would have believed that a kid with no inner strength could have such exquisite swordsmanship.

quiet!

For a while, the whole garden was silent.

"Senior sister!"

At this moment, Yue Feng showed a smile and said to Hongxia: "You lost, it's time to fulfill your promise and apologize to Qing Yi." After

speaking, Yue Feng looked around and continued: " And you, you also need to apologize to Qingyi for the rudeness just now, of course, be sincere, not sincere."

Mad!

Hearing this, whether it was Hongxia or the surrounding disciples, their faces were gloomy, and their hearts were even more frightened and angry.

This kid is so arrogant, he wants to apologize to Qing Yi, this stinky girl.

But... the previous bet was like this, and this kid did win Senior Sister Hongxia.

How to do?

Do you really want to apologize?

Thinking of this, many disciples looked embarrassed, so they were ready to admit defeat and apologize to Qing Yi, but because of face, none of them spoke.

Especially Hongxia, her face flushed red, her eyes fixed on Yue Feng, and it was even more volatile.

"Apologize?"

Finally, Hongxia reacted and looked at Yue Feng coldly: "I ask you, where did you learn your swordsmanship?" It is impossible for an unknown person to have such exquisite swordsmanship. something wrong.

Chapter 4283

"I said just now that I learned it from a senior in Jianghu." Yue Feng's expression remained unchanged, and he responded lightly: "The senior has a relationship with me, so he passed me a few tricks."

Hongxia's eyes flickered and continued . He asked, "What's the name of the senior Jianghu?"

With such exquisite swordsmanship, the senior must be famous in the rivers and lakes.

However, how could Yue Feng say Nangong Jue's name? He smiled lightly at the time: "That senior is indifferent to fame and fortune, and he has no name in the arena. Moreover, when he taught me the swordsmanship, he didn't tell me his name."

Haha!

Hearing this answer, Hongxia sneered: "Don't know the name? Do you think I'm a three-year-old child?" After

saying that, Hongxia pointed at Yue Feng with her long sword: "I thought you were a waste, but I didn't expect you to hide it. Leak, now I suspect that you deliberately infiltrated my sword sect and plotted to do something wrong."

"Perhaps, your injury yesterday was deliberately faked. You deliberately infiltrated our sword sect general altar to stealthily learn the subtlety of my sword sect. Swordsmanship, right? Besides, is this ugly girl your inner responder?"

When she said this, Hongxia's face was mean.

Yes, Hongxia did this because she didn't want to apologize to Qingyi in public, and deliberately messed up.

Of course, Yue Feng's identity is indeed questionable. A person who looks weird, has no inner strength, but possesses extremely exquisite swordsmanship. No one can calm down about this matter.

"Senior sister!"

Seeing that the atmosphere was not good, Qing Yi hurried over and explained anxiously, "I'm not an inner responder, and A Feng is not what you think."

However, Hongxia didn't listen at all, and the long sword was still pointed at Yue Feng.

call!

Yue Feng took a deep breath and looked at Hongxia indifferently: "I've said everything I need to say, feel free to doubt what you want, but you have to say what we made just now."

Hongxia frowned tightly . , The charming face is full of contempt: "I and you are a person of unknown origin, do you still need to keep your word?"

Nima!

Yue Feng was too lazy to talk nonsense, and said seriously: "Today you must apologize." He has been open and upright in his life, and he doesn't know how much slander he has suffered, so it's nothing to be humiliated by Hongxia and others just now, but Qingyi can't do it, she is still an innocent girl, she can't suffer injustice.

Swish!

Seeing Yue Feng's attitude, Hongxia's heart suddenly burst into anger, and murderous intent flashed in her eyes.

This waste like a beggar, actually speaks to me in such a tone.

Whoa!

At this moment, the surrounding disciples also suddenly gathered around, glaring at Yue Feng one by one.

This kid is not small, how dare he challenge Senior Sister Hongxia.

Afterwards, a disciple walked out of the crowd and sneered at Yue Feng: "Boy, what our Senior Sister Hongxia said is true, your origin is unknown, and you came to my Sword Sect's main altar with ulterior motives, even if you were lucky enough to win us. , so what? If you don't explain your origin clearly, you want us to apologize? What kind of truth is this?" The

voice fell, and the other disciples nodded in agreement.

"That's right, who do you think you are?"

"Maybe Senior Sister Hongxia guessed right, this kid is here to steal our Sword Sect swordsmanship.

" Take it down and talk about it."

The discussions of the disciples kept coming, but Yue Feng ignored it and kept staring at Hongxia.

call! At this moment, Yue Feng took a deep breath, didn't bother to explain, and said

to Hongxia, "Is this the way your Sword Sect behaves? What was agreed one moment ago will not be accepted the next moment?"

Feng looked around, showing a bit of pride: "It's even more ridiculous to say that I came to stealthily learn the swordsmanship of your sword sect. Although I don't have a great reputation in the arena, I really can't see the swordsmanship of your sword sect. Come on."

Yue Feng was right, in his capacity, he really did not despise a small sword sect.

What?

Hearing this, both Hongxia and the surrounding disciples were furious.

What does this kid say? He actually despised Jianzong's swordsmanship?

Under the anger, many disciples couldn't help shouting at Yue Feng.

"The boy's tone is not small."

"Mad, court death!"

Chapter 4284 In the anger

, many disciples have already drawn out their long swords.

For a time, the atmosphere instantly became tense.

Seeing this scene, Qing Yi was both anxious and panic. He quickly pulled Yue Feng's arm and whispered, "Ah Feng, why not? I don't want them to apologize, let's go."

Saying this At that time, Qing Yi was about to cry, and looked at Yue Feng's eyes and was a little reproachful.

This Ah Feng is true, it's okay to win senior sister and the others, why are they deliberately provocative?

After all, he didn't have any inner strength, so he really provoked public anger, and the consequences could not be imagined.

At this time, Qing Yi didn't understand Yue Feng's good intentions. He did this to avoid future troubles. Otherwise, these Sword Sect disciples would bully Qing Yi even more in the future.

Yue Feng shook his head and signaled Qingyi not to worry.

Swish!

At this moment, Hongxia Xingxing's eyes widened, she was completely angry, and she shouted: "I think you are really courting death!" Her dignified Senior Sister Swordsman, who was threatened by an outsider, if it spreads out, where will she put her face?

The voice fell, Hongxia's inner strength urged, and a sword stabbed towards Yue Feng's heart.

Yes, this time Hongxia stimulated her internal strength, and she saw the long sword draw a shock. I don't know how many times faster than just now. With the sword qi raging, the surrounding air was faintly distorted.

Seeing this scene, the surrounding disciples all showed indifferent smiles.

This guy with a face full of imprints, dare to challenge Senior Sister Hongxia, really tired of living.

He deserves to be killed by a sword.

But Qing Yi was too anxious. Even if Ah Feng's swordsmanship was exquisite, he had no inner strength, so he couldn't stop Senior Sister Hongxia's sword. In her anxiety, Qing Yi wanted to stop her, but Hongxia's sword was too fast. It's almost too late.

Hehe...

Seeing that Hongxia's internal strength exploded, and a sword stabbed, Yue Feng's mouth twitched, showing a slight smile, not panic at all.

Although he didn't have the slightest bit of internal strength, he could block Hongxia's sword with his Tiangang swordsmanship, but he might be injured, but Yue Feng didn't care anymore.

He wants these Sword Sect disciples to understand that it will not be so easy to bully Qingyi in the future.

"Stop!"

Seeing Hongxia's sword, she was about to stab Yue Feng, and at this critical moment, a coquettish shout came from a distance.

The voice is soft and beautiful, but full of majesty.

Everyone was stunned and turned their heads to look.

Hongxia was also shocked and stopped. As everyone looked at it, she saw a sexy and charming figure walking over slowly, with an unpleasant expression on her cold and beautiful face.

It is the vice suzerain Hua Yemeng.

"Master!"

Seeing Hua Yemeng, Qingyi was both surprised and delighted, as if grabbing a life-saving straw, she quickly walked over to hold Hua Yemeng's arm, and whispered: "Master, please save Ah Feng, Hong Senior Sister Xia, they want to kill him."

What?

Hongxia and these people want to kill Ah Feng?

Hearing this, Hua Yemeng frowned and quickened her pace.

Arriving at the front, Hua Yemeng first looked at Yue Feng, then looked around and asked, "What's going on?"

Saying that, Hua Yemeng's eyes fell on Hongxia: "Hongxia, private fights are prohibited in the main altar, you still want to kill people, do you know what's wrong?" Hua Yemeng saw the scene just now.

Hongxia is the direct disciple of the sect master, and she actually did something to the newly arrived A Feng, and A Feng is still injured, which is outrageous.

"I..." I

have to say that Hua Yemeng, as the deputy suzerain, was very aura. At that time, Hongxia's face flushed and she bowed her head in a guilty conscience: "I didn't want to kill him."

Said, Hongxia glared at Yue Feng and continued: "The origin of this person is unknown, I just asked him a few questions, and I want him to explain it well."

At this time, Hongxia completely lost her previous arrogance.

Although she is the leader of this generation of disciples, and there are many male disciples around her every day, but facing Hua Ye Meng, her aura is still inferior.

After all, Hua Yemeng is not only the deputy suzerain, but also Mu Jianli, the master who saved Hongxia.

Even when Mu Jianli met Hua Yemeng, he had to give three points of courtesy. As a disciple, how dare Hongxia be presumptuous?

unknown origins?

Hearing this, Hua Yemeng frowned and said softly, "When Ah Feng first came yesterday, he didn't already say it, he was just an ordinary person who was injured by a bandit."

Chapter 4285

"Not only that, he is still a mute, don't you feel ashamed to bully him like this?"

Ordinary people? dumb?

Hearing these words, Hongxia and the surrounding disciples looked at each other, each with a very exciting expression.

“Vice Sect Master!” In the

next second, Hongxia’s charming face showed a bit of complexity, and she slowly said: “It seems that you are also deceived by his appearance, this guy is not only dumb, but also a master of swords. What?”

When she said this, Hongxia couldn’t hide her embarrassment.

Thinking of being defeated by Yue Feng’s sword just now, was really embarrassing and embarrassing.

Of course, in order to take into account her own face, Hongxia did not say that she and Yue Feng lost the sword battle.

“Yeah!” The

voice fell, and Liu Xin, who was the first to compete with Yue Feng, walked out of the crowd and said, “This kid’s swordsmanship is very subtle. We tried with him just now, but we didn’t win.”

Liu Xin He is also a smart person, he didn’t say that Hongxia lost.

The other disciples around also nodded.

What?

Hearing this, Hua Yemeng’s heart trembled, and she looked at Yue Feng closely, full of inconceivable.

Isn’t this Ah Feng dumb? And you just won the swordsmanship with these disciples?

You must know that these disciples present are all elites among the disciples of Jianzong, and it is unbelievable that they were all defeated by this Ah Feng.

“Is that so?” In shock, Hua Yemeng asked Yue Feng.

call...

Yue Feng sighed secretly, scratched his head and said with a smile: “Yes, I was seriously injured before, so I couldn’t speak. I rested for a night last night, and it’s already fine, and I just made a bet with these brothers and I was lucky to win. It’s been a few games.”

At this time, Yue Feng’s face was humble, and he completely lost the calmness he had before.

To be honest, Yue Feng didn't want to be so cautious, but there was no way, in order not to reveal his identity, he had to be more cautious in front of Hua Yemeng.

After all, Hua Ye Meng is the vice sect master of Sword Sect. No matter it is Jianghu experience or strength, it is not something that the disciples like Hongyan can compare.

Hearing this, Hua Yemeng's eyes flickered and he pondered.

"Master!" At this time, Qing Yi couldn't help but feel excited, leaned up and whispered in Hua Yemeng's ear: "A Feng is really powerful, just now Senior Sister Hongxia used the Spirit Snake Slash, it wasn't the same. Where is his opponent?"

Qing Yi was so innocent not long after he set foot in the rivers and lakes, he didn't know what to say, his own words immediately aroused Hua Yemeng's suspicion of Yue Feng.

What?

Hua Yemeng thought that Yue Feng had won the other disciples, but it was just a fluke. At this time, she learned that Hongxia had used the Spirit Snake Slash, and she was not an opponent. At that time, her delicate body trembled and she was stunned. Afterwards, Hua Yemeng

looked up and down at Yue Feng, and her delicate and beautiful face was full of doubts: "Who are you? Where did you learn from? Who did you learn your swordsmanship from?"

Xia's Spirit Snake Slash had to be suspicious.

Done!

Feeling the suspicion in Hua Yemeng's eyes, Yue Feng was dumbfounded.

It's just that the disciples like Hongxia are nothing to be suspicious of, but if Hua Yemeng also doubts, it will be troublesome, after all, she is the deputy sect master of Jianzong.

Ha ha...

Seeing this situation, Hongxia and the surrounding disciples all smiled and looked at Yue Feng triumphantly.

Now even the vice sect master is suspicious, let's see how you can explain it.

"I..."

At this time, Yue Feng scratched his head and explained to Hua Yemeng: "I had a chance to meet a senior in Jianghu, and I was fortunate enough to be taught a few swordsmanship by him.

"At that time, Yue Feng looked directly into Hua Yemeng's eyes with incomparable sincerity.

"Just like this?" Hua Yemeng frowned: "What's the name of the senior?"

Yue Feng shook his head: "Yes, I just learned a few tricks, I don't know the name of the senior."

Hua Yemeng's eyes flickered and he pondered. Next, he waved his jade hand: "Okay, you and Qingyi go back first."

When he said this, Hua Yemeng looked indifferent, but there was a strange light in his eyes.

Huh...

Hearing this, Yue Feng secretly breathed a sigh of relief, and hurriedly greeted Qingyi to leave.

But Hongxia and the other disciples were so anxious one by one that they just let this guy go? He hasn't explained his identity yet, the deputy sect master is too casual.

But there was some dissatisfaction in his heart, and in front of Hua Yemeng, the disciples like Hongxia didn't dare to show it.

"Qing Yi!"

At this moment, Hua Yemeng said softly: "Bring him here, I'll see his injury."

Qing Yi quickly responded, walked over and pushed Yue Feng, followed Hua Yemeng, towards the hall Go behind.

At this time, Qingyi was very happy, and said to Hua Yemeng: "Master, thank you."

After speaking, Qingyi couldn't help but said to Yue Feng: "You don't know, Ah Feng, the entire sword sect, just Master is the best to me, Master is not only beautiful, but also kind-hearted, and she is the best woman in the world."

Hearing this, Yue Feng smiled.

This chapter is provided by . Visit for daily update.

Swish!

However, Hua Yemeng, who was walking in front, turned red all of a sudden, and glanced back at Qing: "Why are you talking so much?"

This Qingyi is really, really no big or small.

Qing Yi stuck out his tongue and didn't talk too much, but he still had a smile on his face.

Soon, the three arrived at a thatched cottage.

call!

Seeing the thatched cottage in front of him, Yue Feng was stunned.

As you can see, the thatched cottage is very elegantly arranged. On one side of the bookshelf, there are some ancient medical books, and on the other side are some medicinal materials. The flowers around the cottage are beautiful.

Arriving in the thatched cottage, Hua Ye Meng began to take the pulse of Yue Feng. strangeness!

At this moment, Hua Yemeng frowned, and she couldn't tell the surprise in her heart.

This person really has no internal strength at all, and the injury is very serious, but his injury is very strange, the body is very weak, but the meridians are normal.

"How about Master?"

Seeing this situation, Qing Yi couldn't help but ask: "Can Ah Feng's injury be cured?"

Hua Yemeng shook her head and said her doubts.

This...

Knowing the situation, Qing Yi was also stunned. He frowned and looked at Yue Feng and said, "A Feng, what kind of bandit did you encounter at that time? Why is your injury so strange?"

Yue Feng showed a smile. shook his head.

At the same time, he was secretly laughing in his heart.

Mo Yan, one of the Twelve Sacred Demon Kings, was responsible for his injury. The Demon Clan's cultivation technique was very strange and unique, and Hua Ye Meng was only a member of the Kyushu Sword Sect, so it was naturally unpredictable.

"Forget you can't speak anymore." Seeing Yue Feng's appearance, Qing Yi muttered.

Afterwards, Qing Yi wanted to ask again, but was interrupted by Hua Ye Meng.

"Forget it."

Hua Yemeng's red lips lightly opened, and she said slowly: "His injury is not very serious, it will not endanger his life, so let's recuperate first. You can accompany him around in the past few days and get familiar with our general altar. Environment, remember, you can't go to those places in the forbidden land."

After explaining this, Hua Yemeng got up and left.

"Respectfully send Master!" Qing Yi responded.

Watching Hua Yemeng go away, Qing Yi turned her head and smiled at Yue Feng: "A Feng, you heard it just now, your injury is fine, just stay in Jianzong during this time. It's getting late now. Well, starting tomorrow, I'll show you the environment here."

Hmm!

Yue Feng responded, but his mood was extremely complicated at this time.

To be honest, Yue Feng really wanted Qingyi to send him to the Diyuan Continent, but after thinking about it, let it go. Qingyi is not welcome in the entire Jianzong. In order to let himself stay in the Jianzong to recuperate, it has been abandoned. A lot of effort, if she left, she would definitely be sad.

Let's talk about taking care of the injury.

Chapter 4272

It was getting late at this time, and night was gradually coming.

Qing Yi brought some food, explained a few words, and left.

Huh....

Looking at Qing Yi's leaving back, Yue Feng secretly sighed, and at the same time he thought of Xiao Xi and Ren Yingying.

I don't know what happened to them these days.

After that, Yue Feng ate something at will, and then began to meditate and rest, trying to integrate the power of the red lotus of the law.

hum!

Soon, Yue Feng entered the state, and felt a strange power gushing out of the blood lotus marks all over his body, and began to spread into his limbs, bones, and meridians.

This feeling made Yue Feng extremely comfortable and accelerated the speed of fusion.

But nothing can be done overnight. At the beginning, Yutong Xianweng also told Yue Feng that the power of the Faye Red Lotus cannot be completely integrated in a day or two. these.

After a while, the power of the blood lotus imprint became stronger and stronger, and Yue Feng couldn't bear it, but felt that his body was on fire.

What the hell!

It wasn't until this moment that Yue Feng woke up, feeling a little regretful.

I only care about integrating the power of the red lotus of the law, and forget the truth of 'the extreme will be reversed'.

For a time, waves of heat raged in Yue Feng's body, and the burning sensation became stronger and stronger, constantly invading Yue Feng's nerves.

"Ah..."

Yue Feng couldn't help shouting, rolling on the ground.

I knew it wasn't so quick for instant success.

Muttering in his heart, Yue Feng wanted to cry but had no tears. Under the constant rolling, his eyes darkened and he fainted.

After a full night of coma, Yue Feng finally slowly opened his eyes.

call!

The moment he opened his eyes, Yue Feng saw that he was still in the thatched cottage, the surroundings were silent, and the sky was just bright.

Fortunately, no one saw it.

Yue Feng murmured in his heart, and then sensed the situation in his body, and was instantly overjoyed.

Haha...

At this moment, Yue Feng could clearly feel that the burning pain on his body and the weakness he had experienced before had all disappeared, and what was replaced by it was an endless amount of strength.

Not only that, but you can also speak.

At this speed, within a month, Yue Feng will re-condense his primordial spirit, and his strength is far superior to before.

“A Feng!”

Just when Yue Feng was secretly excited, he heard a pleasant shout, and then Qing Yi walked in excitedly, carrying a few medicines in his hand: “Master gave you some medicine, I brought it for you.”

Aoichi looked very excited when he said this.

In her heart, she has long regarded Yue Feng as a friend, and sincerely hopes that Yue Feng will get better.

Seeing Qingyi, Yue Feng felt a lot more relaxed, and nodded with a smile.

Speaking of which, Yue Feng wanted to say hello to Qing Yi, but it was too abrupt. After all, Qing Yi believed that he was mute, and if he suddenly spoke, it would scare people.

Yue Feng thought about it, and waited until a suitable time to tell Qingyi the truth, including his true identity.

“I’ll cook it for you.”

Qing Yi said with a smile, walked to the table, skillfully took out the clay pot, and then prepared medicine for Yue Feng.

Yue Feng sat on the bamboo chair and quietly watched Qing Yi busy. At that time, his mind seemed to return to the scene of more than ten years ago, with Xiao Xi taking care of him.

At that time in Dongao Continent, Xiao Xi also took care of Yue Feng’s daily life, almost meticulously.

“Okay.”

Just when Yue Feng was in a trance, Qing Yi brought over the prepared soup.

At this moment, Yue Feng didn't want to drink, because his injury was beaten by Mo Yan, and the medicine couldn't solve it at all, but seeing Qingyi's look of anticipation, the kindness was difficult, so he took it and drank it.

"Pfft..." As soon as he took a sip, Yue

Feng frowned and his facial features were crowded together. He couldn't help but shouted, "Damn, what kind of medicine is this, so bitter?"

I couldn't help but spit out the dregs in my mouth.

It was too bitter, even more bitter than Huanglian.

"You..."

He suddenly heard Yue Feng speak, Qing Yi's delicate body trembled, and the real person was stunned, staring at Yue Feng, his voice trembling: "You... can you speak?"

Chapter 4273 What the hell

!

Looking at Qing Yi's expression, Yue Feng was also stunned.

It's broken, it's broken, I can't hold back at all, and I'm exposed.

Thinking to himself, Yue Feng smiled bitterly and quickly explained: "Qingyi, don't get me wrong, I really couldn't speak yesterday. After a night's rest, my throat recovered." As he

spoke, Yue Feng watched closely. With Qingyi's expression on her face, she was afraid that she would be angry.

If it were another woman, Yue Feng wouldn't worry so much, but Qing was kind-hearted. Yesterday, in order to keep herself in the Sword Sect, it can be said that she did everything possible. If it made her sad, Yue Feng would feel very guilty.

Pfft...

Seeing Yue Feng's worried look, Qing Yi reacted and couldn't help laughing: "So you are not dumb, and your voice is quite magnetic." After speaking

, Qing Yi tilted her head. Looking at Yue Feng, he asked curiously, "Ah Feng, how did you get hurt? Why couldn't you speak before?"

Qingyi grew up in Jianzong, and has been in Jianghu for more than ten years. He has a lot of experience and is still the first. The first time I heard that the injured can't speak.

Uh...

Yue Feng scratched his head, his head turned quickly, and he responded, "I don't know what happened, I was beaten on the back by those bandits, so I passed out, and I couldn't wake up. Speak." The

real situation must not be told, and can only make up a lie at will.

Seeing Yue Feng's serious look, Qing Yi no longer doubted, nodded and said, "Okay, it seems that you are quite unlucky."

After speaking, Qing glanced at Yue Feng's legs: "You can walk. Is it?"

"Yeah!" Yue Feng nodded.

Great.

Qingyi clapped his hands very happily, with a look of joy: "I thought you were going to rest for a few days. The weather is good today. I'll show you something to eat later. I'll show you around in Jianzong."

See her Full of interest, Yue Feng couldn't bear to refuse, so he smiled and nodded.

Soon, the two ate some breakfast, and Qing Yi took Yue Feng out of the cottage and turned around.

I have to say that the sword sect has been passed down for thousands of years, and the environment of the main altar is really good. There are towering ancient trees and flowers everywhere, and every ten steps is a scene, which makes people linger and forget to return.

Soon, in a garden, I saw a group of disciples in the distance, standing there discussing something.

Among the crowd, there is a slender figure, which is very eye-catching.

Although Yue Feng had also seen many beauties, his eyes were immediately attracted.

What a beautiful woman.

I saw that the woman was in her twenties, not a few years older than Bi Qing. She was wearing a deep red dress, which gave people an indescribably cold and glamorous feeling.

Although the flower and leaves dream I saw yesterday was also a goddess of coldness, but this one, compared with the flower and leaf dream, has a little more charming temperament.

Especially the peach blossom mole on his face is even more enchanting.

Yue Feng and Guiguzi had learned some face-to-face techniques. As soon as he saw this woman, he knew that under that beautiful appearance, there was a bitter and mean heart.

Such a woman is the worst.

At this time, Yue Feng didn't know that this woman was called Hongxia, and she was also a disciple of Sect Master Mu Jianli. There were not many female disciples of Jianzong, but Hongxia was the best among them, second only to Dongliu in strength.

At this time, Hongxia was talking with the surrounding disciples about what happened yesterday.

"Eldest brother hasn't woken up yet.."

"Yeah, what happened yesterday is really evil."

"Eldest brother is very strong, how can he be attacked by his own internal strength when dealing with a dumb person who has no inner strength?"

Listening to the disciples and brothers, Hongxia frowned, very annoyed, and said coldly: "Qingyi, that little slut, who violated the rules and brought back a mute, and even caused the senior brother to go into a coma, if I touch him, he must be I can't spare her."

Hongxia has always admired Senior Brother Dongliu, so she couldn't calm down when she learned what happened yesterday.

When the words fell, the surrounding disciples responded and flattered.

"Yes, Senior Sister should have taught that stupid girl a long time ago."

"Speaking of which, we also wanted to vent our anger for Senior Brother, but we didn't have the guts. After all, the Sect Master promised to let the dumb girl stay."

"We didn't have the guts, But Senior Sister, you are different, the Sect Master loves you so much, even if you kill that mute in public, no one will say anything."

"That's right, don't look at who Senior Sister is."

Chapter 4274

These disciples speak so loudly that Yue Feng and Qing stand far away and can hear them clearly.

Hehe...

Hearing this, Yue Feng sneered secretly.

This group of Sword Sect disciples is really interesting. They think about taking care of their own people every day. Qingyi is so kind and beautiful. The only flaw is that there is a birthmark on his face, but he is bullied by them like a monster.

What a bunch of assholes.

Oops!

Just when Yue Feng was muttering secretly, Qing Yi saw everyone not far away, but his tender body trembled, panicking.

Senior Sister Hongxia and Senior Brother have the best relationship, and what happened yesterday will definitely not let me go.

Thinking about it, Qing Yi quickly took Yue Feng's hand and whispered, "Ah Feng, let's go!"

Seriously, Qing Yi was not afraid of being bullied, because he was used to being bullied by his brothers and sisters in Jianzong since he was a child. Now, she is afraid that these people will deal with Ah Feng.

After all, Ah Feng's injury has just gotten better.

Um!

Yue Feng responded and was about to leave with Qingyi.

If it was before, Yue Feng was not panic at all, but now it is different, the injury has just improved, and it is not the opponent of those Sword Sect disciples.

However it was too late.

Swish!

Before they could turn around, Hongxia and the disciples noticed Yue Feng and immediately started yelling.

“Huh? Ugly girl and that mute?”

“Can this mute walk?”

“Ma De, the senior brother is still in a coma, and the two of them are in the mood to visit the garden?”

At the same time, Hongxia also looked closely at Yue Feng and the two of them without any hesitation. Someone chased after him.

Whoa!

Soon, Yue Feng and Qing Yi were surrounded by a group.

“Senior Sister Hongxia!”

Seeing this scene, Qingyi was very nervous, and the hand that held Yue Feng was sweating, but she still shouted respectfully.

Yue Feng was indifferent.

“Tsk tsk!”

At this time, Hongxia first looked at Qingyi and then at Yue Feng, with a disdainful expression on her face, and sneered: “Damn girl, is this the mute you brought? A disgusting look on her face. The imprint of yours really matches you very well.”

After he finished speaking, he didn't forget to glare at Yue Feng.

With such a person, the eldest brother was in a coma, and for a while, Hongxia became more and more angry.

Swish!

Hearing this, Qing Yi's face turned red all of a sudden, she was shy and frightened again, and there was some atmosphere. She and Ah Feng were innocent. Why do these people always like to slander themselves?

Thinking to himself, Qing Yi summoned the courage to defend: “Senior sister, Ah Feng and I are not what you think, I...”

Slap!

Just halfway through, I saw Hongxia walking over quickly, Jade Hand raised, and slapped Qingyi's face with a slap in the face, making a clear sound, Qingyi groaned and almost fell to the ground.

Hongxia's shot was quick, and neither Qingyi nor Yue Feng had time to react.

Especially Yue Feng, his strength has not completely recovered, even if he wants to block it, he is powerless.

Mad!

Seeing the handprint on Qingyi's face at this time, Yue Feng was angry at the time, his eyes were instantly congested, and he stared at Hongxia.

This woman is not only bitter and mean, but she is also so cruel, it is really hateful.

"Damn girl!"

At this time, Hongxia pointed at Qingyi and cursed: "I really don't want any face at all, you are holding this trash's hand so tight, why are you embarrassed to say it doesn't matter? Bah, I'll take care of you You are ashamed."

After the last sentence, Hongxia spat fiercely on the ground, her face full of disgust and contempt.

The words fell, and the other disciples also pointed at Qing Yi.

"Senior sister is right, this stinky girl is really showy."

"That is, I can't see it on weekdays, I didn't expect it to be so unscrupulous behind my back."

"That's because people haven't found their sweetheart, so they are so disciplined in front of us, Maybe, she's only interested in those with marks on their faces."

"Yes, yes... this mute has marks all over her face, this bitch, I'm afraid she won't be able to hold back last night."

Haha..

Everyone said a sentence to me, and when it came to excitement, they burst into laughter, and their faces were full of mockery and disgust .

"You..."

Qing Yi almost cried when she heard this. She had endured all these people bullying her since she was a child, but now they are slandering her innocence.

Chapter 4275

Qingyi was very angry at this time, but she had low self-esteem since she was a child, so she wanted to refute at this time, but she didn't know what to say.

"What?"

Hongxia sneered and looked at Qingyi playfully: "Not convinced yet? As a disciple of the Sword Sect, you brought a wild man back to be happy, and you still feel reasonable, don't you?"

"Xia's aggressive attitude made Qingyi very aggrieved. Tears finally flowed down unsatisfactorily, and whispered: "I don't, I really don't..."

Mad!

At this moment, Yue Feng finally couldn't stand it any longer, and pulled Qing Yi behind him.

Immediately, Yue Feng looked directly at Hongxia, and said coldly, "Have you had enough trouble? A group of people bullying a woman is very fulfilling?"

Seriously, Yue Feng didn't want to be exposed in front of these people, but seeing them grow more and more. When he was too angry, he couldn't help it at all.

Um?

Seeing Yue Feng suddenly speak, both Hongxia and the surrounding disciples were all stunned, each with a wonderful expression.

"Oh, it's not dumb."

Finally, no one in the crowd reacted first, so he couldn't help but say, "So this kid can talk, and he pretended to be quite like yesterday." The

voice fell, and the other disciples also spoke.

"Let's just say, this kid is a liar."

"Hehe, it's really a pair of male thieves and female prostitutes, and they are wronged when they meet each other. This kid can't bear it anymore."

"I thought there was something wrong with this kid yesterday, maybe. It was him who injured the eldest brother, any internal force backlash is completely nonsense."

Everyone's words kept coming, and Hongxia's delicate and charming face was extremely gloomy.

bass!

In the next second, Hongxia was too lazy to talk nonsense, she turned her hand and pulled out her long sword, pointed it directly at Yue Feng's heart, and said coldly: "You ugly thing, I ask you, did you hurt the senior brother? You Why are you pretending to be dumb?"

When she said this, Hongxia's eyes revealed a strong murderous intent.

She adored senior brother Dongliu for so many years and wanted to be his wife in the future, but from yesterday to now, Dongliu has been in a coma. Thinking of this, Hongxia is extremely angry.

The icy tip of the sword was less than ten centimeters away from Yue Feng's heart, but Yue Feng's face was indifferent, and he said lightly, "How your senior brother was injured, I made it very clear yesterday, and your master also agrees with me. "

Besides, I don't have any internal strength at all, so how did I hurt him?"

When he said this, Yue Feng had a leisurely expression on his face. In the heart of the wind, there is almost no wave to splash.

Hearing this, Hongxia obviously didn't believe it and sneered.

"Senior Sister Hongxia."

At this time, Qing wiped away her tears and couldn't help but said, "What Ah Feng said is true, he didn't lie, he really couldn't speak yesterday."

"He met Shan Shan before . Bandit, he was severely injured and can't speak."

"After resting last night, he only recovered this morning. I can testify that he really didn't lie."

Qing Yi is kind-hearted, straightforward, and trusts Yue Feng very much.

Alas, this silly girl.

Seeing this situation, Yue Feng was calm on the surface, but felt a little guilty in his heart.

Qingyi is so naive and kind. I am ashamed that I didn't tell her her true identity.

"Haha..."

Seeing Qingyi came out to help Yue Feng again, Hongxia said with a contemptuous expression, "Okay, you two are in a nest of snakes and rats, so don't talk to your sweetheart, I'll tell you. , I won't be called Hongxia if I don't teach you two men and women a lesson today."

Om!

The voice fell, and a powerful aura burst out from Hongxia's body, and the long sword in her hand also flashed with a cold light, and the momentum was overwhelming.

Whoa!

At this moment, the surrounding disciples also cooperated very well, retreating one after another, leaving an open space.

Qing Yi bit her lip tightly, feeling both wronged and nervous: "Senior Sister Hongxia, the matter of Senior Brother really has nothing to do with A Feng, he was the one who humiliated A Feng first..."

"Qing Yi was so anxious that Hongxia's strength was the strongest among the female disciples of the Sword Sect. Together, she and Ah Feng were no match for her.

The best way at the moment is to be soft and let the other party let go of you and A Feng.

The ultimate husband in Chinese chapter 4286-4290

Chapter 4286

Yue Feng is in a very relaxed mood.

Fortunately, this Mosaic Dream was indifferent and did not continue to ask questions, otherwise, it would be really difficult to answer.

Chi...

Just when Yue Feng was secretly rejoicing, he heard a cracking sound behind him, and then a sword qi directly enveloped him.

I saw that Hua Yemeng suddenly pulled out the long sword, lightning fast, and directly thought of Yue Feng's heart stabbing.

Moreover, what Hua Ye Meng used was the Spirit Snake Slash that Hongxia used before.

Of course, Hua Yemeng, as the deputy sect master, even though he didn't use his internal power at this time, the Spirit Snake Slash that he used was more than double the power that Hongxia used her internal power just now.

Chi Chi...

As soon as the sword passed, the air suddenly tore apart, and the surrounding temperature plummeted.

That's right, Hua Yemeng, as the deputy sect master, is naturally not incomparable to Hongxia. She knows that if she keeps asking questions, Yue Feng may not answer truthfully, so she can think of this trick and force him to reveal his true form.

"Master, don't..." The

sudden change occurred, Qing was blinded for a while, and exclaimed, she was about to stop, but how could she stop Hua Yemeng's sword?

Haha...

At the same time, Hongxia and the surrounding disciples were stunned for a while, and then showed a schadenfreude smile.

Or the deputy sect master has a way. In this case, this guy will definitely show his true skills, and his identity can no longer be hidden.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

shit.

Feeling the danger coming from behind, Yue Feng looked back subconsciously and was surprised.

He never thought that the deputy sect master of the dignified sword sect would also attack from behind, but Yue Feng was quick-witted and guessed at once that Hua Yemeng did this to force himself to show his strength.

Realizing the intention of Hua Yemeng, Yue Feng planned to resign and give up resistance.

You must know that Hua Yemeng, as the deputy suzerain, has excellent swordsmanship, and can send and receive freely. Seeing that he can't resist, he will definitely stop.

But... the position of this sword is the heart.

If Mosaic Dream didn't stop, wouldn't he die in vain?

Seeing this sword, Yue Feng was about to penetrate. In this instant, Yue Feng finally made a decision, holding the middle sword tightly, waving a sword shadow, blocking Hua Yemeng's sword.

This sword is simple and unpretentious, but it has hidden secrets.

clang!

At that time, I only heard a crisp sound, and Hua Yemeng's sword was deflected. Although Hua Yemeng was not shaken back, the beautiful and delicate face with that palm was full of shock.

For a time, Hua Yemeng looked at Yue Feng tightly, shocked inside, unable to speak for a long time.

This Ah Feng's swordsmanship is indeed exquisite.

With the one move he had just made, the Spirit Snake Slash, the entire East Ao Continent, there were not many that could be blocked, but he was able to break it so easily.

Uh...

Facing Hua Yemeng's eyes, Yue Feng scratched his head, feeling very embarrassed and complicated.

It's broken, my identity is about to be exposed, what should I do?

"A Feng!"

Finally, Hua Yemeng reacted and looked at Yue Feng seriously: "You should tell the truth, who are you? And your master, who is the master?"

Ruo Afeng's master is just a nameless person on the rivers and lakes, and it is impossible to break the Spirit Snake Slash so easily.

Seeing that the deputy sect master had spoken, the surrounding disciples also shouted and drank.

"Hurry up and explain."

"If you don't tell the truth, you will die."

"Come on!"

Yue Feng sighed secretly after listening to the shouts around him. He knew that his identity could not be concealed at all. But you can't say it in front of everyone.

After all, Nangong Jue's name is no trivial matter.

This flower and leaf dream is still upright, so let's take a gamble.

Thinking to himself, Yue Feng looked at Hua Yemeng and said, "Okay, I can say it, but I can only tell you one person."

Huh?

Hearing this, Hua Yemeng frowned, but he didn't care, and nodded: "Okay, you come here with me."

After that, Hua Yemeng walked under a tree not far away.

Yue Feng walked over and made sure that there was no third person around, and then he said: "Sect Master Hua, to be honest, I am Yue Feng from the Earth Circle Continent, and the swordsmanship was taught by Master Nangong Jue."

Said, Yue Feng smiled bitterly and continued: "I have been hiding my identity before, it is really a last resort, I hope you can understand."

Chapter 4287

When he said this, Yue Feng's voice was very small, only he and Hua Yemeng could hear it.

At the same time, Yue Feng also quietly observed the changes in Hua Yemeng's face, feeling a little uneasy in his heart.

To be honest, it is impossible for Yue Feng not to panic.

After all, Jian Zong and Nangong Jue had an inseparable hatred back then. Nangong Jue was trapped under the cliff at that time, and was ambushed by Jian Zong and Dan Zong.

Yue Feng, as the apprentice of Nangong Jue, reveals his true identity in front of the deputy sect master of Sword Sect, can he not panic?

What?

Hearing this, Hua Yemeng's body trembled, and her delicate face was full of shock.

You heard it right, he...he is Yue Feng?

Famous in Kyushu, the dignified and illustrious Lord of Heaven, Yue Feng?

Under the shock, Hua Yemeng's eyes flickered with complexity, and he suddenly understood something in his heart. It is rumored that Yue Feng was at the bottom of the cliff and encountered the sword demon Nangong Jue, and obtained the peerless sword technique 'Tiangang Sword Art'.

No wonder his attainment in swordsmanship is not his opponent.

Thinking of this, Hua Yemeng's delicate face showed a bit of vigilance.

In the next second, Hua Yemeng lowered her voice and said, "Yue Feng, what are you doing with our Sword Sect?"

Although the sword demon Nangong Jue has been dead for many years, the old grievances and grievances still exist. As Nangong Jue's apprentice, Yue Feng, He also deliberately dressed up like this to join the Sword Sect, and now he has ulterior motives.

Maybe, he just came to avenge Nangong Jue.

At this time, Hua Yemeng thought that the mark on Yue Feng's face was deliberately made-up, and he didn't know that it was the effect of rebirth with the help of the red lotus of the law.

Ugh!

Feeling Hua Yemeng's doubts, Yue Feng smiled bitterly and said in a low voice, "Sect Master Hua, don't be nervous, I have no purpose in coming to Jianzong. Qingyi has already said the real situation. I saved it."

"I know that my master, Nangong Jue, and your sword sect have grudges against you, but he has been dead for so long, and I don't want to pursue it anymore. When will the grievances be repaid, right?"

"In other words, I'll come to you . Sword Sect, it's just a coincidence, I'll leave when my injury is completely healed, how about that?"

Yue Feng's face was serious when he said this.

Although Yue Feng had only dreamed twice with Hua Ye, he firmly believed that the female deputy sect master of the Sword Sect in front of him was not that kind of despicable villain and would definitely not embarrass himself.

Huh....

Hearing this, Hua Yemeng breathed a sigh of relief and pondered.

what's going on?

Seeing this scene, Qingyi, who was standing not far away, as well as Hongxia and other disciples, all frowned secretly.

What did the vice sect master and this kid whisper about?

Especially Qingyi, whose delicate face is full of worry, Master won't drive Ah Feng down the mountain, right? His injury hasn't completely healed yet...

"Okay!"

Finally, Hua Yemeng reacted, quietly looked at Yue Feng, and said slowly with red lips, "I can let you recuperate at the sword sect general altar. , but as an outsider, it is not appropriate to stay here for too long, so I will accept you as a registered disciple, so that others will not gossip." The

last word fell, Hua Yemeng bit gently . The lips, the heart is complicated.

She herself didn't know why, facing the disciple of this sect's enemy, she couldn't have the slightest hostility in her heart, but she had to help him cover up his identity.

Named disciple?

Yue Feng was stunned for a moment, then nodded with a smile: "Okay, then follow the arrangement of Sect Master Hua." Named disciples are not official disciples, so it doesn't matter.

Seeing Yue Feng agree, Hua Yemeng breathed a sigh of relief, and then slowly walked towards the crowd.

Swish!

At this moment, whether it was Qingyi, Hongxia or other disciples, their eyes were all focused on Hua Yemeng.

"I announce!"

At this moment, Hua Yemeng looked around, her delicate and beautiful face was extremely calm, and she slowly said: "I am going to accept Ah Feng as a named disciple, from now on, he will be his own, and in the future You have to unite and help each other, don't fight infighting, you know?"

What?

The voice fell, and everyone present exploded.

“The vice sect master accepts him as a named disciple?”

“Am I right?”

“What qualifications does he have?”

Chapter 4288

“That’s right, a person of unknown origin.”

The disciples spoke at length, unable to hide their disgust for Yue Feng.

Swish!

Seeing this situation, Hongxia also trembled, her face flushed, and she couldn’t tell the anger and dissatisfaction.

I thought Hua Yemeng could teach this guy a lesson, but she never expected that she would accept this ugly monster as a named disciple?

Does this Mosaic Dream have any special hobbies for people with imprints on their faces?

First it was Qingyi, and now there is Ah Feng.

No, this A Feng must not be allowed to join the Sword Sect.

Great.

At the same time, Qing Yi, who was standing beside him, was cheering, indescribable joy and excitement.

Master actually accepted Ah Feng as his apprentice, which is really unexpected joy. In this way, he has a partner, and he is no longer afraid of being bored alone.

Thinking to myself, Qing Yi walked over quickly, took Yue Feng’s hand, and smiled and congratulated: “A Feng, now you are a disciple of Jianzong, you will call me senior sister in the future.

” full of joy.

Haha...

Feeling her excitement, Yue Feng also showed a smile, but he still explained: “Don’t be too excited, I’m not a disciple yet, I’m just recording my name.”

“Your swordsmanship is so good . , I will definitely pass the test and be called an official disciple.” Qing Yi responded with a smile, feeling very confident in Yue Feng.

In Jianzong, every three months, the disciples will be assessed once.

Seeing her so excited, Yue Feng couldn't say anything else.

“Why are you so happy?”

At this moment, Hongxia walked over with a cold face, and said very bitterly: “The mark on one face simply destroys the image of our Sword Sect among the world, what qualifications do you have to do? Sword Sect disciple?”

When she said this, Hongxia's face was full of displeasure.

This guy named Ah Feng, who just defeated so many senior brothers, also caused himself to lose face in front of everyone. It would be a blessing not to kill him, but he still wanted to be a disciple of the Sword Sect?

Thinking of her pale scene just now, Hongxia's delicate body trembled, and her heart was completely filled with anger and hatred.

Haha...

Looking at Hongxia's expression, Yue Feng sneered secretly, this Hongxia looked very unconvinced.

At the same time, Qingyi couldn't help but said to Hongxia: “Senior Sister Hongxia, Afeng's swordsmanship is very good. I defeated you all just now, why can't I be a named disciple? Besides, my master has already said it. , how can you go back?”

These words directly hit Hongxia's sore spot, her face flushed at that time, and she scolded: “I know you will protect him, shut up for me.”

“Even if your master speaks, so what? His origin is unknown, this matter requires the head of the sect to nod.”

Honestly, Hongxia is very clever on weekdays, and she doesn't dare to be presumptuous in front of Hua Yemeng, but she is so angry that she has lost her mind.

“You...”

Seeing her making trouble unreasonably, Qing was so angry that she wanted to refute, but she didn't know how to speak.

Yue Feng was indifferent, and his mood was not affected in the slightest.

“enough!”

While arguing, Hua Yemeng frowned and coughed lightly.

I have to say that Hua Yemeng has a strong aura. Whether it was Hongxia or the other disciples who were talking about it, they quickly closed their mouths. In an instant, the surroundings were silent.

In the next second, Hua Yemeng first glanced at Hongxia, then looked around, and slowly said: “Qing Yi is right, A Feng’s swordsmanship is exquisite, he is a rare swordsman talent, join my sword sect. It’s more than enough.”

“You don’t have to discuss this matter, it’s settled.” The voice was not loud, but there was no doubt.

Huh...

Hearing this, the surrounding disciples lowered their heads, and none of them dared to refute.

However, Hongxia was very unconvinced, blushing and said: “Vice Sect Master, this seems to be against the rules, the origin of this Ah Feng is unknown, we don’t know his back, how can we accept him rashly?”

“I think, After telling the Sect Master about this matter, let’s make a conclusion.”

When saying this, Hongxia’s face was polite, but her eyes flashed with coldness and disdain.

Chapter 4289

Swish!

Hearing this, Hua Yemeng’s face changed, and she looked at Hongxia coldly: “Hongxia, I think you are getting more and more outrageous, I, the deputy sect master, can’t get into your eyes anymore, right? ?”

When he said this, Hua Yemeng’s voice was not high, even a little gentle, but it revealed a heart-pounding majesty.

For a time, the other disciples around didn’t dare to let out the air.

Pfft!

Feeling the strong pressure, Hongxia also trembled, and hurriedly knelt down: "Disciple dare not."

At this moment, Hongxia's charming face was full of fear.

After all, even the Master Mu Jianli had to give three points in the dream of flowers and leaves in front of him. If he went too far, he would ask for trouble.

But on the surface, Hongxia felt even more hatred for Yue Feng.

This guy can get the appreciation of Hua Yemeng, why is he? Just relying on those few tricks to break the sword?

Um!

Seeing that Hongxia finally softened, Hua Yemeng nodded with satisfaction, and said in a flat tone: "It's fine if you don't dare, Ah Feng has just come, don't make trouble with him in the future." After speaking, Hua Yemeng turned her

head to look at Yue Feng, meaning Deeply said: "From now on, you can temporarily live in the thatched cottage, get used to the new environment, remember not to run around."

Hua Yemeng Bingxue is smart, she knows that Yue Feng won't stay here for too long, it's just his identity It's special. If you walk around and get into trouble, it won't end well.

"Yes!"

Yue Feng smiled and nodded quickly.

The meaning of Hua Yemeng, he understands, is to let him rest in the thatched cottage, and leave Jianzong as soon as possible after he is completely healed.

Hua Yemeng stopped talking nonsense, and after a few words, turned around and left.

"A Feng!"

As soon as he left, Qing Yi smiled at Yue Feng and said, "A Feng, let's go too."

Yue Feng smiled and walked out of the garden side by side with Qing Yi.

I'm furious!

At this moment, watching Yue Feng and Qingyi leave, Hongxia bit her lip tightly, almost bleeding, and her eyes were full of resentment.

This kid is so lucky that he can get Hua Yemeng to support him.

But so what? My master is the suzerain, we will see later.

Thinking of this, Hongxia is also ready to leave.

“Senior Sister, Senior Sister...”

At this moment, a disciple ran in from outside with a face full of joy: “Senior brother is awake.”

Is that right?

Hearing this, Hongxia’s eyes flashed, and she was overjoyed, and hurried to the place where Dongliu rested.

The surrounding disciples looked at each other and quickly followed.

“Senior Brother!” When I

got to the room, I saw Dongliu sitting there. He had already woken up, his face was still pale, and Hongxia shouted happily at that time.

At the same time, the disciples who followed behind also greeted each other.

“Senior brother is awake? Great.”

“Senior brother, we are relieved to see that you are all right.”

Dongliu was used to being pampered in Jianzong, and when he heard everyone’s compliments, his face did not fluctuate in the slightest. , nodded in response.

“Okay!”

At this time, Hongxia’s charming face showed a bit of displeasure, and she waved her hand: “Senior Brother, you have also met, let’s all go out.” These people were really blind.

Uh...

Hearing this, those disciples were a little embarrassed, and then left the room wisely.

For a while, Hongxia and Dongliu were left in the room.

“Senior brother!”

At this time, there was no one else, and Hongxia also let go of her restraint and rushed into Dongliu's arms, worrying: "I'm so worried about you, I'm worried that you won't be able to wake up."

Hongxia and Dong Liu, as early as two years ago, confirmed the relationship, but has not admitted it in front of the brothers and sisters.

Ruanxiang was in his arms, and Dongliu was very useful. He hugged Hongxia's fragrant shoulders, smiled and comforted: "Okay, don't be nervous, I'm fine."

When saying this, Dongliu's face With a smile on his face, there is a bit of indifference in his eyes.

Yes, Dongliu and Hongxia are good. They don't really like them at all, they are just playing. Two years ago, when Hongxia took the initiative to confess, Dongliu agreed without hesitation.

Who doesn't want it delivered to the door?

"Senior Brother!"

At this moment, Hongxia leaned against Dongliu's arms and said fiercely, "I was in the garden just now, and I met that boy and Qingyi that ugly girl."

Chapter 4290

"At that time, I was going to vent my anger on you, but I never expected that that kid's swordsmanship is very good. I used the Spirit Snake Slash, and it was easily resolved by him."

When saying this, Hongxia's eyes flashed with shame Anger and hatred.

Being defeated by a little-known boy, it would be uncomfortable for anyone else.

At this time, Hongxia still didn't know that Ah Feng, who was competing with her in the garden just now, was the famous Yue Feng in Kyushu.

What?

Hearing this, Dongliu's face changed, he immediately sat up straight, and looked at Hongxia in astonishment: "That kid is so powerful?"

At this time, Dongliu was very shocked.

You must know that Jianzong's Spirit Snake Slash is a superior swordsmanship, and very few disciples can perform it, but Hongxia learned this trick two years ago, and has already grasped the essence.

But just like this, she was defeated by the guy with the imprint on his face.

Simply incredible.

Seeing Dongliu's expression, Hongxia nodded and said angrily, "I was very unconvinced at the time, but I had to admit that his swordsmanship is really good, so I suspect that you fainted before, it must be him. A ghost in the dark."

Phew...

At this moment, Dongliu didn't respond, but pondered.

A few seconds later, Dongliu calmed down and said complicatedly, "When I hit him, a red light suddenly appeared on the boy's body, and then, I was blown away by a powerful force that didn't do anything. Got it."

"And today you tried his swordsmanship again, so it can be seen that this man is extraordinary."

At the end of the story, Dong Liu looked at Hongxia: "What about others now? Have you left the Sword Sect?" If that kid left, it would be a pity, and he couldn't find his target when he was angry.

"I didn't go!"

Hongxia shook her head, her eyes flashing with complexity: "Hua Yemeng accepted him as a named disciple just now."

Thinking of the scene just now, Hongxia couldn't help but hold back her fire.

Afterwards, Hongxia explained the situation at that time in detail.

When it came to the end, Hongxia's charming face was full of dissatisfaction: "I just don't understand, what did Hua Yemeng think, a person of unknown origin, she actually accepted an apprentice."

What?

Dongliu froze again, frowning.

This kid is lucky, he actually defeated Hua Yemeng as his teacher.

Thinking of the dream of flowers and leaves, Dongliu felt a little throbbing in his heart. Dongliu, as the senior brother of Jianzong, is not only arrogant, but also very romantic. Apart from Hongxia, he is also ambiguous with other female disciples. .

However, in his heart, what he is most obsessed with is the Deputy Sect Master Hua Ye Meng.

It's just that Hua Yemeng has a arrogant temperament, like an iceberg that has never melted for thousands of years, refusing people thousands of miles away, and being the deputy suzerain, making it difficult for people to approach, so Dongliu has always suppressed this love in his heart.

"Senior Brother?"

Seeing Dongliu's changing expression, Hongxia couldn't help but ask: "What do you think?"

Dongliu came back to her senses and smiled slightly: "It's nothing, I was thinking that this kid didn't leave Jianzong, then It's easy to deal with, doesn't he live in thatched cottage? When I'm completely healed, I'll go look for his bad luck."

Speaking, Dongliu narrowed his eyes and couldn't help sighing: "Oh, but then again, this kid is lucky, he actually worshipped under the door of Hua Yemeng, and can face the peerless beauty every day, even if he dies immediately, he It's worth it." The

voice fell, and Dong Liu couldn't hide the envy on his face.

"You..."

Seeing this, Hongxia pouted, her face full of displeasure, and said in a coquettish anger, "Senior brother, you are so mean, you are holding me in your arms, but you are still thinking about Hua Yemeng. A woman..."

Dongliu likes Mosaic Dream, Hongxia has always known about it, and when she sees him say this, she is immediately jealous.

"Okay, okay."

Dong showed a smile and coaxed: "I just said that, in fact, I love you the most in my heart. I haven't touched you for several days, and I want to kill me.

" Then, Dongliu began to tear Hongxia's clothes.

"Don't, Senior Brother, I was seen..."

"What are you afraid of, this is my room, no one dares to come in."

At first, Hongxia pretended to be reserved, half pushing it, but finally she couldn't take it anymore, and took Dongliu in one hand. Pushed, bit his lip and sat up.

The ultimate husband in Chinese chapter 4291-4300

Chapter 4291

Oh!

For a time, a charming low voice echoed in the room.

.....

the other side!

After Qing Yi and Yue Feng returned to the cottage, they diligently prepared a place for Yue Feng to rest.

I have to say that Qingyi is very virtuous, and specially made a bed for Yue Feng in the position by the window, saying that when he wakes up here every morning, he can enjoy the scenery outside for the first time.

Seeing Qingyi's busy appearance, Yue Feng felt warm in his heart, and felt a little emotional.

This Qingyi, like Xiaoxi, is virtuous and diligent. Whoever can marry her in the future will be blessed with eight lifetimes of cultivation.

correct!

In addition to his emotions, Yue Feng suddenly had a flash of inspiration when he saw the herbs on the shelves around him. Senior Shennong taught himself some recipes to remove scars, so why not prepare a medicine for Qingyi.

If you can remove the mark on Qingyi's face, it's not in vain for her to take care of herself.

After making up his mind, Yue Feng began to choose herbs.

"A Feng!"

Seeing this scene, Qing Yi couldn't help but ask with a smile, "What are you doing?"

Yue Feng smiled and said, "I made a prescription for healing." Shennong said at the beginning, Because everyone's constitution is different, the need for dispensing medicines varies from person to person.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Therefore, Yue Feng didn't want to tell Qingyi before he was completely sure.

Seeing Yue Feng say this, Qing Yi didn't ask any more.

Half an hour later, Yue Feng prepared the medicine, mashed the medicinal materials according to the method taught by Shen Nong before, and then mixed them with water to make a paste.

After doing this, Yue Feng smiled at Qing and said: "This medicine needs to be applied externally, but I still have internal injuries in my body. Would you like to try it for me? I thought about it, it is inconvenient to apply it to other places, or else, the mark I put on your face?"

Huh?

Hearing this, Qing Yi was stunned for a moment, then nodded with a smile, "Okay." Qing Yi was

really kind and never doubted that Yue Feng would harm him.

Seeing her promise, Yue Feng quickly smeared the ointment on Qingyi's face, full of anticipation.

However, after a few minutes, Qingyi didn't feel at all, and the mark did not disappear at all.

Ugh!

At this moment, Yue Feng sighed and knew that the dispensing failed this time, but he was not discouraged at all. Anyway, he had to stay here for a while. Before leaving, he must successfully help Qingyi remove the mark.

In a blink of an eye, it was dark.

Qingyi couldn't wait any longer, so he bid farewell to Yue Feng and left.

After Qingyi left, Yue Feng sat cross-legged and began to integrate the power of the red lotus of the law.

For the next two days, Qing Yi accompanied Yue Feng during the day, prepared meals for Yue Feng, and left at night, while Yue Feng, constantly adjusting the formula during the day, was always looking for a way to remove the mark on Qing Yi's face.

At night, Yue Feng combines the power of the red lotus of the law industry.

This afternoon, Yue Feng prepared the ointment and waited for Qing Yi to arrive.

Whoa!

However, at this moment, he heard footsteps, Yue Feng turned his head and frowned.

I saw that more than a dozen disciples came over with Dongliu. At this time, Dongliu had been recuperating for a few days, and his injuries were almost healed. His face was red, but his eyes were cold.

“Boy!”

When he got to the front, Dongliu looked at Yue Feng up and down, unable to hide the hostility: “It’s good luck, I actually worshipped the deputy sect master as a teacher, but so what? You are a named disciple for a day, not a real sword. The people of the sect.” The

voice fell, and the disciples who followed him also opened their mouths to help.

“That’s right, a named disciple is nothing special.”

“As I see it, the vice sect master just sees him as pitiful...”

“Anyway, if he looks like this, if he becomes a formal disciple, it will be a shame for our Sword Sect. It’s like this, how can I take it out?”

The ridicule and ridicule of everyone came, Yue Feng sat there very indifferently, without the slightest expression fluctuation on his face.

To be honest, Yue Feng had long expected that Dongliu would find trouble for him, but he didn’t expect it to come so quickly.

Hehe...

Seeing that Yue Feng didn’t speak, Dong Liu thought he was cowardly, and approached with a sneer, “Hey, are there any rules? I’m not polite when I see the big brother?” After speaking

, Dong Liu saw the ointment next to him and deliberately knocked off the ground, and then kicked out: “A registered disciple, qualified to use the herbs here?”

Chapter 4292

Swish!

At this moment, Yue Feng’s face became gloomy, and his inner anger rose.

Mad, this Dongliu is getting more and more arrogant, the plaster was specially prepared for Qingyi by himself, and he was trampled on it like this.

However, Yue Feng did not attack, but held back.

This is Jianzong, and Hua Yemeng also hinted to himself before, don't make trouble here, just bear with it.

Haha....

Seeing the change in Yue Feng's expression, Dongliu kicked the plaster aside and looked at Yue Feng proudly: "What? Are you not convinced?"

The disciples behind him also stared at Yue Feng.

Yue Feng chuckled lightly and ignored it.

Ma De...

Dongliu felt that his self-esteem was underestimated, and suddenly became angry: "What did I just say? You are a named disciple, you don't understand the rules at all? Hurry up and salute me?"

Yue Feng took a deep breath and bowed symbolically. hand over.

This time, Dong Liu was stunned, looking at Yue Feng up and down, he didn't seem to expect that he would really salute, let alone that this salute would be so perfunctory.

In an instant, the air was filled with the smell of gunpowder.

"It's really unruly!"

At this moment, a charming voice came, and then I saw Hongxia walking through the crowd, looking at Yue Feng's incomparable contempt: "Can't you do salute? You are on your name. Disciple, you have to kneel to salute, do you understand?"

When she said this, Hongxia's face was firm, but her eyes flashed with cunning.

Hongxia was resting, and when she learned that Dongliu had brought people to trouble Yue Feng, she was very excited at the time, so she hurried over to take a look.

Speaking of which, Hongxia didn't dare to blatantly seek trouble with Yue Feng after receiving a warning from Hua Yemeng a few days ago, but at this time when the senior brother was present, Hongxia had confidence.

After all, Dongliu is the direct disciple of the suzerain, and the heir to the next generation of the suzerain, so he doesn't need to give Hua Yemeng face.

Wow....

The voice fell, and the surrounding Sword Sect disciples also roared.

"Yes, kneel down..." "Senior brother is the future suzerain, with a distinguished status, it is your honor to let you kneel and salute."

"What are you still doing? Kneel."

When it came, Yue Feng's face was indifferent, and he didn't pay attention at all. In the next second, Yue Feng took a deep breath and looked directly at Dong Liu: "What if I don't kneel

?" Moreover, Yue Feng knew very well that even if he compromised temporarily, Dong Liu would not easily let him go. "Don't kneel?" Hearing this, the corner of Dongliu's mouth raised a trace of cruelty, and sneered: "If you don't know how to lift up, as a senior brother, I have the right to punish you." Om! The voice fell, and a forceful aura burst out from him. The atmosphere also became tense. Seeing that Dongliu was ready to start, Yue Feng did not panic at all. On the contrary, a trace of contempt rose in his heart. In the past few days, Yue Feng has completely recovered from the injury in his body by integrating the power of the red lotus of the law. Not only that, but there is a strange feeling in his body the power of.

Although this power is only one-tenth of the full power of the Faye Red Lotus, it is more than enough to deal with the winter stream in front of him.

"What are you doing?"

Seeing that the situation was getting more and more tense, and the fight was about to break out, just at this critical moment, I heard a coquettish shout, and then, Qing Yi rushed in with a face full of anxiety.

In the next second, Qing Yi stood in front of Yue Feng and said to the Dongliu crowd: "A Feng is already a member of the Sword Sect, you are not allowed to bully him." The

voice was not loud, but there was no doubt.

Haha...

Hearing this, both Dongliu and the surrounding Sword Sect disciples couldn't help but laugh, their eyes full of sarcasm. " Jianzong

disciple? He is still named.”

“That’s...it’s not official, maybe he’ll be kicked off the mountain one day. ” Biting his lip, he didn’t move at all. In her heart, Ah Feng had already worshipped Hua Yemeng, her junior brother, so she must not be bullied. “Damn bitch!” Seeing this situation, Hongxia couldn’t bear it anymore, she walked over quickly, pointed at Qingyi’s nose and scolded, “Why are you everywhere? Today’s business has nothing to do with you, get out of the way. At this time, Hongxia was very angry. A few days ago, she lost to Yue Feng in public. This matter has always made Hongxia feel uneasy. At this time, the senior brother came to vent her anger, but was blocked by Qingyi. How not to get angry?”

Chapter 4293

“I’m not leaving.” Qing Yi looked resolute.

Swish!

Hongxia was so angry that she was too lazy to talk nonsense at that time, she raised her hand and slapped Qingyi in the face.

Hongxia shot quickly, Qingyi was very flustered, but she couldn’t avoid it, so she had to close her eyes.

However, at this critical moment, Yue Feng rushed over from behind, grabbed Hongxia’s arm, and said coldly, “Hongxia, don’t forget what my master told you two days ago, when he was making trouble without reason. , even if the suzerain comes, I will not be polite to you.”

Damn!

Hearing this, Hongxia’s face changed, and she threw off Yue Feng’s hand.

I don’t know why, but there is obviously a senior brother supporting him, but seeing this Ah Feng’s eyes, he feels a little palpitated.

However, Dong Liu couldn’t bear it anymore, and shouted angrily at Yue Feng: “Boy, you are courting death.”

Baso.

When the voice fell, Dongliu pulled out his long sword and stabbed directly at Yue Feng.

Hongxia was his woman, but Yue Feng grabbed her arm just now. Although Yue Feng released her hand later, in Dongliu’s heart, she still felt blasphemy.

again?

Seeing this scene, Yue Feng chuckled lightly, disdainfully.

Qing Yi was so anxious that he exclaimed, "Be careful, Ah Feng."

Seeing that this sword was about to stab Yue Feng, he saw his body dodge, took a step back, and avoided the sword very skillfully. A few days ago in the square, Yue Feng was injured and couldn't move. Facing Dong Liu's hand, he could only sit and wait.

But it's different now. In a few days, Yue Feng has been reborn through the fusion of the power of the red lotus of the law.

What?

Seeing that Yue Feng avoided easily, Dong Liu was shocked and angry. He didn't pay attention to his feet at that time, and stepped on the plaster that had been dropped on the ground before. He lost his balance and fell directly towards the shelf in front of him.

Whoa!

Dongliu smashed over the wooden frame. There were many bottles and jars of medicine on the wooden frame. In an instant, it was also smashed to the ground. The potion inside was spilled and mixed together, forming a strong medicinal smell in the air.

Coincidentally, there are several kinds of potions, and they also splashed on Dongliu's face at the same time.

But Dong Liu didn't care at that time, wiped the potion off his face, and glared at Yue Feng: "Boy, I have already given you a chance. If you don't want it yourself, don't blame me." The

voice fell, and Dong Liu had to shoot again . .

"Ah!"

However, at this moment, Dong Liu's body suddenly trembled, and an indescribable pain came from his face. He howled at that time, and then, he saw that white face, suddenly turned dark purple.

Obviously, the several potions splashed on his face just now mixed together to form a highly poisonous, at this time, the highly poisonous has spread on his face....

Put!

The pain and paralysis continued to invade, Dongliu couldn't hold it any longer, he fell to the ground all of a sudden, his long sword was thrown aside, his body bowed like a shrimp, and he couldn't stop shaking.

“Senior brother?”

“Senior brother, what’s wrong with you?”

Seeing this scene, Hongxia and the surrounding Sword Sect disciples were all shocked and rushed over in exclamation.

However, when they got to the front, they all stopped there, daring not to get close, and looked at Dongliu one by one, full of panic and anxiety.

I saw that Dongliu’s face had turned purple-black at this time, and the skin all over his body began to turn black...

“Senior Brother!”

At this moment, Hongxia panicked, her eyes red. Yes, her charming face is full of anxiety, she wants to help Dongliu, but the scene in front of her is too scary, she can’t summon the courage at all!

At the same time, I was secretly shocked.

How did the big brother get poisoned? too terrifying.

For a time, those Sword Sect disciples were also stunned and terrified.

“Quick!” The

next second, Hongxia reacted and shouted at the surrounding disciples, “Go and invite Master here.”

However, those disciples, look at me, and I look at you, all stood still.

Then, a disciple couldn’t help but said: “Senior sister, you forgot, the sect master went down the mountain today, and the deputy sect master is not here.”

Yes!

Hearing this, Hongxia reacted and was stunned.

It was because Mu Jianli and Hua Yemeng were not at the mountain gate today that the senior brother came to trouble this Ah Feng.

Chapter 4294

Thinking to herself, Hongxia’s eyes suddenly turned red, and she was anxious.

Master is not here, isn't the big brother dead?

"Senior brother, woo woo..."

Anxious, Hongxia looked at Dong Liu, who was dying, and couldn't help crying: "Junior sister is really useless, I don't know any medical skills, and I don't know how to save you. ..." The words

fell, and the eyes of the surrounding Sword Sect disciples also turned red, and they were very sad.

At this time, Dongliu was still a little sober, and when he heard Hongxia's words, his heart was instantly desperate.

Ma De, his dignified disciple, the future master of Sword Sect.

Did he just die in the thatched cottage today?

I'm not reconciled...

"Hey..."

Seeing this scene, Yue Feng was both angry and funny, and couldn't help but lightly said: "People are not dead yet, why are you all crying? Did he die sooner?"

Huh!

When the voice fell, whether it was Hongxia or the gazes of the surrounding Sword Sect disciples, they locked on Yue Feng all of a sudden, and they were all furious.

This kid, dare to speak slander?

Really tired of living!

In particular, Hongxia, her delicate body trembled with anger, and a strong killing intent flashed in her eyes.

At this moment, Hongxia glared at Yue Feng and said coldly, "I'm asking you, did you poison your senior brother? What is your intention?"

"What a joke!"

Yue Feng chuckled lightly and said lightly: "You saw the situation just now. He was about to kill me, accidentally knocked over the shelf, and then accidentally splashed on the face by those potions. You said I was poisoned?"

When he said this, Yue Feng suppressed the anger in his heart.

Nima, I have seen shameless, never seen such shameless.

At the same time, Qing Yi regained his senses and said, “The broken potions, one of them is ‘Black Manro’ and the other is ‘Dili Pollen’, both are highly poisonous, mixed together, It’s more poisonous, that’s why the big brother is like this, you have wronged Ah Feng, and you don’t care about him at all.”

The place where Qing Yi came most from childhood to adulthood was the Thatched Cottage, and he was very aware of the medicine bottles on the shelf. !

Hehe...

However, Hongxia didn’t listen at all, and instead sneered: “I think you all did it on purpose, you just poisoned it on purpose, let me tell you, the big brother has an accident today, and you don’t want to live.”

At this time The Hongxia has lost her mind.

She loves Dongliu, and wants to be the next generation’s wife of the suzerain, but now Dongliu has been poisoned and is really dead, and everything she owns is gone.

Really sick!

In the face of this situation, Yue Feng was too lazy to talk nonsense, and said lightly: “Whatever you think, we clean people are self-cleaning. Originally I have a way to heal, but for your attitude, let’s forget it!”

After saying this, Yue Feng pulled Get green, turn around and go!

Yes, Yue Feng studied medicine with Shennong back then, and he was highly accomplished in the art of alchemy. Of course, he knew how to detoxify the poison of ‘Black Mantra’ and ‘Dili Pollen’.

What?

At this moment, the whole cottage was in an uproar, whether it was Hongxia or the disciples of the Sword Sect, they all thought they had heard it wrong.

What does this kid say?

Can he save Big Brother? !

“Stop...” In the

next second, Hongxia reacted and shouted at Yue Fengjiao, "What did you just say? Do you have a way to save Senior Brother?" When she said this, Hongxia's charming face was full of expressions. surprise.

"Of course!"

Yue Feng looked at Hongxia with a serious face and said, "I do have a way to save me, but you have been unable to get through with me. Even if I have a way to save it, I will not save it."

Hearing this, Hongxia Her brows were knitted together, her complexion instantly hard to look at.

Those Sword Sect disciples also looked at each other in dismay.

Haha....

However, after two seconds, someone couldn't help laughing out loud, and all of a sudden, the whole cottage was in an uproar again!

"Is there something wrong with this person's brain..."

"It's really a shameless statement..."

"That is, as far as I know, our Sword Sect, and even the entire Dongao Continent, are very few who can detoxify the black mandala poison. Is there any way to save a little-known ugly monster?"

"Senior sister, this person is deliberately talking to you."

Listening to everyone's words, Hongxia's expression changed, and she felt that Yue Feng was talking big.

"Ah Feng!"

At this time, Qing Yi couldn't help pulling Yue Feng, secretly anxious: "Don't talk nonsense!"

Chapter 4295

Qingyi knew in his heart that this new junior brother was dissatisfied with the humiliation of Dongliu before, so he just said cold words, but at this time Dongliu was about to die. Can't say enough.

"Boy!"

Finally, Hongxia came to her senses and stared at Yue Feng: "Take the life of the senior brother to make fun of me, I think you are really impatient!"

Hula!

The words fell, and the surrounding Sword Sect disciples also gathered around and shouted angrily at Yue Feng.

"Senior sister, what nonsense are you talking to them?"

"This kid is so arrogant, and he is so shameless, he killed him..."

"Yes, let's avenge the big brother."

"And this stinky girl, kill them together and keep them. In Jianzong, it is a disaster."

Facing this situation, Qing Yi's face instantly turned pale.

However, Yue Feng didn't panic at all, took a deep breath, and said coldly: "Kill me, your senior brother, don't even think about living! I tell you, I really have a way to save him!"

Shuh!

Hearing this, the disciples of the Sword Sect stopped one after another and stood there in a daze.

Hongxia also trembled, looking closely at Yue Feng, her heart was extremely complicated.

Does he really have a solution?

"Hey!"

Thinking to herself, Hongxia bit her lip and said to Yue Feng, "Are you serious?"

"Of course it's true!" Yue Feng smiled lightly.

call!

Hearing the answer, Hongxia bit her lip tightly, with a bit of contempt and contempt on her face: "Okay, if you really have a way to save Senior Brother, I will spare you!"

"But if you lie to me, today I'll cut you into eight pieces!"

When she said this, Hongxia couldn't help but glance at Dongliu, only to see that he was dying under the paralysis of the poison, and he had no strength to speak.

To be honest, Hongxia doesn't believe that Yue Feng has a way to save her!

But now the senior brother's life is hanging by a thread, hoping that the master will arrive now, it is impossible, and he can only give it a try.

"Haha"

Hearing this, Yue Feng chuckled lightly and shook his head: "Let me save it, but I have a condition!"

Condition?

Hongxia frowned slightly, her charming face was full of anger, but she held back and said coldly, "What conditions?"

At the same time, the surrounding Sword Sect disciples also frowned at Yue Feng.

This kid is not too timid, and it's this time, how dare you put forward conditions?

Huh...

Yue Feng breathed a sigh of relief, looked at Hongxia with a half-smile, and said word by word: "It's very simple, if I succeed in rescuing him, all of you will greet Qingyi with respect in the future. Senior Sister, if I fail, I'll let you deal with it!" To

be honest, Yue Feng didn't want to save Dongliu, after all, this man was narrow-minded and his methods were vicious.

But in order to let Qingyi have peace in the future, Yue Feng can only go against his heart once. As soon as the words fell, Hongxia's pretty face changed, and she couldn't help but scolded: "I think you are courting death!"

"

At the same time, the surrounding Sword Sect disciples were also glaring at Yue Feng, terrified.

This kid... is crazy.

However, a named disciple actually asked the entire Sword Sect disciple to call that stinky girl Qing Yi as the senior sister?

"Ah Feng!"

Even Qingyi trembled, thinking that Yue Feng had gone too far, and said in a low voice, "Don't be ridiculous."

Qingyi knows best how much he has, how can he be qualified to be a senior sister? what.

However, Yue Feng smiled and signaled Qingyi not to be nervous.

Afterwards, Yue Feng looked at Hongxia with a smile but not a smile: "If you don't want to, forget it, I didn't force you." After speaking

, Yue Feng smiled at Qing and said deliberately: "The weather is very good today, let's Go out and walk around, there is a smell of potion here, and it is about to die, too bad!" The

last sentence fell, Yue Feng was about to pull Qingyi away from the cottage!

hateful!

Seeing this scene, Hongxia bit her lip and was about to explode with anger, but she still shouted, "Wait!"

At this time, Hongxia's charming face was full of entanglements, and she directed at Yue Feng coldly. Said: "I agree to your conditions!"

As long as the big brother is okay, what about calling that stinky girl the big sister?

However, the surrounding Sword Sect disciples all had complicated expressions, and then they all persuaded Hongxia.

"Senior sister, don't believe him."

"That's right, this kid is lying, how can he detoxify?"

"He's playing with you..."

The ultimate husband in Chinese chapter 4296-4300

Chapter 4296

In the hearts of these people, this new named disciple is useless except for his swordsmanship.

Swish!

However, at this time, Hongxia was concerned about the situation of Dongliu, so how could she hear it? At that time, her pretty face froze and she scolded: "Shut up, you don't want me to agree to this condition, you come to save Senior Brother? No If you have the skills, don't be long-winded!"

Honestly, Hongxia didn't want to agree to Yue Feng's conditions.

But there is really no other way!

If the big brother dies, he will be completely useless as the wife of the sect master in the future.

So, it's better to give it a shot.

Uh...

Hearing this, those Sword Sect disciples bowed their heads one by one, all ashamed.

"Ah Feng!"

At this moment, Qing Yi also reacted, looking at Yue Feng in a complicated way: "Are you really sure that you can cure Senior Brother?"

Yue Feng smiled and replied: "Of course, how could I Talking big?"

Hearing this, Qing Yi's delicate body trembled, and she was inexplicably excited and excited.

This Ah Feng seems to be omnipotent.

At first, I thought he was just an ordinary person who was seriously injured, but he didn't expect that in the swordsmanship competition two days ago, he actually won against Hongxia and those senior brothers.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

And now, he can even detoxify the poison of black mandala and dili pollen.

It's amazing.

Although Yue Feng has not yet begun to detoxify, Qing Yi believes in him very much.

"How many of you."

At this time, Yue Feng first looked at the situation of Dongliu, and then directed at the disciples of the sword sect around him: "Find me some herbs, I want to pick them just now."

After that, Yue Feng said a few herbs name.

Immediately afterwards, Yue Feng looked at Hongxia again: "And you, prepare a clay pot for me. If that doesn't work, a porcelain pot will do."

Phew!

Hongxia took a deep breath, a little unhappy, this kid really treats himself as a character, how dare he call me?

While feeling unhappy, Hongxia still had some doubts, looked at Yue Feng and said, "What do you want a clay pot or porcelain pot?"

Yue Feng said lightly: "Alchemy!"

What?

Alchemy?

Hearing this, Hongxia and those Sword Sect disciples froze in place, and then laughed.

"He can also concoct alchemy?"

"I heard it right..."

"I suspect that he is playing tricks on us on purpose, he won't detoxify at all!"

Yue Feng didn't care about these ridicules, just watched Hongxia He glanced and said lightly: "If you don't want to help, forget it. In short, his current situation is very dangerous. If you delay for a while, he will be more dangerous."

Phew...

Hearing this, Hongxia took a deep breath . , My heart is very suffocating, but I still hold back.

The next second, Hongxia urged the surrounding Sword Sect disciples: "What are you still doing? Hurry up and follow his instructions." After speaking, she twisted her body and looked for the alchemy utensils.

After a while, Hongxia found a clay pot, and at the same time, the disciples of the Sword Sect also picked up herbs.

At that time, Yue Feng did not hesitate, set up a fire under the clay pot, and began to refine medicine pills.

Every step, Yue Feng is methodical and serious.

However, seeing this scene, Hongxia frowned secretly, so that she can refine the antidote?

At the same time, those Sword Sect disciples also looked on with cold eyes, and even a few even laughed contemptuously.

This kid concocts alchemy, just like playing a family.

Can you be a little more fake?

“Hey!”

Finally, Hongxia couldn't bear it anymore, and asked coldly, “Are you really concocting alchemy, or are you deliberately tricking us?”

“Why am I tricking you?” Yue Feng responded lightly, his eyes tightened. Keep an eye on the pot and control the heat.

“Alchemy requires a closed environment and professional utensils.” Hongxia blushed, and said coldly: “How can you be like this? So casual?”

Although Jianzong is not good at alchemy, he has been fighting with Danzong all these years, so he also Learn more about the steps of alchemy.

Really ignorant.

Yue Feng smiled and was too lazy to talk nonsense: “How I refine is my business, so don't worry about it!”

“You...”

Hongxia was so angry that she pointed at Yue Feng and continued to say, However, at this moment, there was a sudden vibration in the pot.

boom!

With this shock, everyone was taken aback and retreated.

Chapter 4297

Yue Feng was calm, and then slowly opened the pot.

Whoa!

At this moment, no matter it was Hongxia, Qingyi, or the disciples of the Sword Sect around, they couldn't help but surrounded them. For a while, the whole thatched cottage was silent!

Qing Yi Jiao's body trembled, she was indescribably excited and excited, and her legs felt weak.

I saw that there was a yellow medicinal pill lying quietly at the bottom of the pot, and the whole body was flowing with a charming luster. At the same time, a fragrant medicinal medicinal herb also filled the air.

What? !

This... This kid really knows how to make alchemy? !

At this moment, the minds of everyone present were blank. Looking at the medicinal herbs in the clay pot, they felt incredible!

Qing Yi, who was on the side, bit her lip even more tightly. At this time, in addition to being shocked, she was also even more curious!

As a junior brother A Feng, he is almost omnipotent, his swordsmanship is so powerful, and he can

even concoct alchemy... I really can't see through him more and more.

On the opposite side, Hongxia and the disciples of the Sword Sect were also unable to calm down for a long time, and at the same time they were extremely excited and excited.

This kid really made an elixir.

Then... isn't the senior brother saved?

"The medicinal pill is ready, let him take it."

At this time, Yue Feng took out the medicinal pill and handed it to Hongxia.

Hongxia responded, without any hesitation at the time, she gently opened Dongliu's mouth and stuffed the medicine pill into it.

At this time, Hongxia was filled with indescribable excitement and anticipation. At that moment, she was really afraid of losing her senior brother.

Phew...

At the same time, the surrounding Sword Sect disciples, looking at Yue Feng's eyes, also became complicated. At the same time, he held his breath and quietly observed the reaction of the winter stream.

However, two minutes later, Dongliu's face was still purple and black, his eyes were closed and he didn't move.

Five minutes passed, and there was still no sign of waking up.

ten minutes!

Half an hour...

"What's going on?"

At this time, Hongxia frowned and looked at Yue Feng quietly, very suspicious.

Swish!

The surrounding Sword Sect disciples also reacted and questioned one by one.

"Hey, isn't this an antidote?"

"Why is there no reaction at all?"

"Tell me honestly, is this an antidote?"

Yue Feng ignored the anger of the surrounding Sword Sect disciples and looked at Hongxia instead. Said: "Don't worry, he was poisoned by the black mandala and Dili pollen at the same time, and he couldn't get rid of it for a while. You have to know that it takes a process to remove the poison.

"It's dangerous, within two hours, he will definitely wake up!"

After speaking, Yue Feng stood by and waited quietly.

Huh....

Hearing this, Hongxia's face softened slightly, and at the same time signaled those around to shut up.

After ten minutes, I saw Dong Liu's complexion, slowly returning to normal, from purple-black to rosy, with brows stretched, obviously not so uncomfortable.

It works!

Seeing this scene, everyone in the audience secretly breathed a sigh of relief, and at the same time secretly rejoiced for Dongliu!

Although Dongliu has not fully awakened, looking at the situation, there should be no danger.

Especially Hongxia, and the disciples who were close to Dongliu on weekdays, were even more excited, and they cheered loudly.

“Haha... eldest brother is all right!”

“Yes, eldest brother is blessed, how could something happen so easily?”

“That’s great...”

Under the excitement, Hongxia was deeply relieved. In one breath, the charming face returned to a smile at this time. The big brother is finally fine, it really scared me to death just now!

call!

At the same time, Qing Yi was also full of excitement, and looked at Yue Feng with admiration.

Ah Feng is really awesome.

At this time, Yue Feng came slowly and looked at Hongxia with a half-smiling smile: “Your senior brother is all right. I believe that Senior Sister Hongxia is also someone who can tell her words.” After speaking

, Yue Feng pointed Refers to Qingyi: “Next, you should apologize to Qingyi, and from now on, you must honor her as a senior sister!”

When he said this, Yue Feng looked at the disciples of the sword sect behind Hongxia, a The face is relaxed and indifferent.

“...”

At this moment, Hongxia bit her lip tightly, her face flushed, and her mood was extremely complicated.

And those Sword Sect disciples behind her also had embarrassed expressions.

This... how about this?

I made a bet with him just now that if he succeeded in saving the senior brother, everyone present would recognize Qingyi as the senior sister. At that time, I just thought that this Ah Feng was talking big, but he didn't expect that he really did it.

Chapter 4298

But... This Qingyi is not only ugly, but also the weakest female disciple of the entire Sword Sect, and these people are all elites. If you recognize Qingyi as a senior sister, where will you put your son?

"A Feng!"

Seeing this scene, Qing Yi walked over quickly, with a complicated tone, and whispered to Yue Feng: "Okay, don't embarrass them, and I'm not qualified to be a senior sister.?"

Qing was kind-hearted, and when he saw the embarrassment of Hongxia and the others, he couldn't bear it.

Moreover, Qingyi was bullied since childhood, and suddenly, when she was asked to be the senior sister of these people, her identity changed from heaven to earth, and she felt a little uncomfortable.

Wow...

Hearing this, Hongxia and the surrounding Sword Sect disciples nodded subconsciously.

This Qingyi is quite self-aware.

not qualified?

Yue Feng frowned and said patiently to Qing Yi, "Qing Yi, you are so smart and kind-hearted, why are you not qualified to do it? Today, you should obey my arrangement and don't express your opinion."

When he said this, Yue Feng felt in his heart. Very emotional.

Alas, this Qingyi is really kind. He was bullied by Hongxia and this group before, but now he can't bear to see that the other party has a problem.

Seeing Yue Feng say this, Qing clenched her mouth for a while, looking so cute that she couldn't tell.

"What?"

At this moment, Yue Feng's eyes turned back to the people in Hongxia, and his tone was somewhat sarcastic: "You really want to go back on your word? Talking doesn't count?"

Hu!

Hearing this, Hongxia's face flushed extremely red, and she couldn't wait to find a crack in the ground to get in.

Afterwards, Hongxia took a deep breath, walked slowly to Qingyi, pressed the dissatisfaction and resistance in her heart, and whispered: "Elder Sister..."

When she called out this title, Hongxia lowered her head and said in a very loud voice. It's so small, you can't hear it if you don't listen carefully!

Seriously, calling out to Senior Sister Qingyi, Hongxia felt ten thousand reluctance in her heart.

This stinky girl, not only looks ugly, but also has average strength, what qualifications does she have to be a senior sister?

But I can't help it. I lost the bet with Ah Feng just now. There are so many people around me watching.

Um!

Seeing Hongxia really shouting out, Qing Yi's body trembled, she couldn't believe it, but she still responded in a low voice.

Until now, Qingyi still hasn't gotten used to it.

Hongxia bit her lip tightly, hiding her disdain, and was about to turn around.

"Ah?"

However, Yue Feng couldn't see it anymore, looked at Hongxia with a smile, and asked, "Senior Sister Hongxia, what are you calling? The voice is too low, I didn't hear it."

"She heard it!" Hongxia said angrily.

Yue Feng shook his head: "She doesn't count, I have to hear it, you forget, it was me who bet with you just now, you have to make me satisfied."

Shuh!

Hearing this, Hongxia instantly burst into anger, this Ah Feng was deliberately trying to embarrass herself.

At this time, Hongxia wanted to kill Yue Feng immediately, but she held back in the end. Anyway, this Ah Feng is Hua Yemeng's named disciple, and the trouble is too stiff, Hua Yemeng will definitely ask.

Thinking of this, Hongxia bit her lip so hard that she was about to bleed, and shouted at Qingyi again: "Senior sister .

"

You're welcome."

After saying that, Qing Yi still gave Yue Feng a speechless look, Ah Feng really likes to play around, but thinking about it carefully, being a senior sister seems to be a good feeling.

"Yeah!"

Seeing this scene, Yue Feng nodded, but he wasn't very satisfied. Looking at Hongxia, he said seriously: "By the way, I heard about the rules of your Sword Sect. This is the first time this disciple sees Senior Sister, Or if it's the words of the master, it's not over with just one shout, you still need to kneel, right?"

When he said this, Yue Feng deliberately glanced at Dong Liu who was still in a coma.

This idiot, just deliberately pretended to be in front of me just now, to see how I deal with your woman and companion.

"You..."

At this moment, Hongxia was completely angry, and she raised her jade hand and pointed at Yue Feng: "Don't go too far."

At the same time, the surrounding disciples of the Sword Sect also glared at Yue Feng.

Chapter 4299

Yue Feng didn't panic at all, he smiled and said: "Senior Sister Hongxia, don't be angry, I don't want to do this, but when Dongliu came just now, he really told me that."

Immediately, Yue Feng Looking around, he said to the disciples of the Sword Sect, "You have all seen it, right? I didn't mean to be embarrassed."

For a while, the disciples of the Sword Sect bowed their heads in embarrassment and said nothing to refute.

Because of what Yue Feng said, Dong Liu did force him to kneel before.

call!

Seeing this, Hongxia's face flushed red, and she couldn't help but feel aggrieved.

When Dongliu forced Yue Feng to kneel just now, although Hongxia was not there, she knew Dongliu best. As a senior brother of Jianzong, Dongliu has always been arrogant and domineering. What Ah Feng said at this time proved that Dongliu had it does.

Pfft!

After a few seconds of stalemate, Hongxia finally couldn't stand it anymore. She bent her knees and knelt down in front of Qingyi. All her dignity and pride were forgotten at this moment.

"Elder Sister..." Hongxia lowered her head and said slowly, "I have offended you before, I hope you don't take it to heart."

When she said this, Hongxia almost cried.

She never dreamed that one day she would apologize to this stinky girl, Qing Yi, and she never thought that she would be so servile in front of this stinky girl.

At this time, Qingyi's face did not fluctuate in the slightest, and he did not respond.

Only at this point did Qing Yi understand that Yue Feng did this for his own good and for the sake of not being bullied in the future. Therefore, he must show his due attitude.

If they are still as obedient as before, it will only make people like Hongxia look down on them even more.

call!

Seeing that Qingyi did not respond, Hongxia was a little anxious and looked at Yue Feng for help.

Yue Feng showed a smile and nodded with satisfaction: "It's okay!"

After saying that, Yue Feng didn't let Hongxia get up immediately, but looked around at the surrounding Sword Sect disciples: "Senior Sister Hongxia has already set an example. , what about you? What are you still hesitating about?"

This...

Hearing this, the surrounding Sword Sect disciples immediately looked at each other with complicated expressions.

After a brief silence, these Sword Sect disciples all knelt down and apologized to Qing Yi.

"I've seen Senior Sister.."

"Elder Sister, we were wrong in the past, please don't bother with us!"

"Yes, please forgive us!"

Seriously, these Sword Sect disciples don't want to be here either. Qing Yi was so complimented in front of him.

But there was no other way. Senior Sister Hongxia was too soft. If she didn't do it herself, she would have no face to stay in Jianzong in the future.

For a time, dozens of Sword Sect disciples knelt in front of Qing Yi. Although there were not many people, this scene was shocking enough.

"Yeah!"

Seeing this scene, Qing Yi was no longer silent, but showed a smile and raised her hand: "Everyone is welcome, please get up."

After speaking, Qing glanced at Dong Liu, who was still in a coma: "Senior brother hasn't woken up yet, you guys hurry up and send him back to his room to rest."

"Yes, yes..."

At this moment, how dare Hongxia and those Sword Sect disciples have any opinions? They nodded one by one, then helped Dongliu up and left in despair.

"A Feng!" As soon as

his forefoot left, Qing Yi couldn't hide his excitement and admiration, and hugged Yue Feng tightly at once: "You are really amazing, you are not only good at swordsmanship and alchemy, but also Hongxia and alchemy just now. Those people are all stunned."

"You know what? When I saw them before, I would hide far away, and I didn't have any sense of existence in Jianzong, but just now, I finally experienced what it feels like to be respected by others. , thank you, Ah Feng, thank you very much."

When he said this, Qing Yi hugged Yue Feng tightly, completely forgetting the difference between men and women.

call!

At this moment, Ruanxiang fell into his arms, and Yue Feng's mind was immediately clouded. He only felt a scent penetrated into his nostrils, and his brain was buzzing.

However, Yue Feng quickly reacted and smiled awkwardly: "It's nothing, these people are just bullying the soft and afraid of the hard. By the way, you... can you let me go first?"

Shuh!

Hearing this, Qing suddenly understood something, and quickly let go of her hand, her face flushed, and she couldn't say anything shy.

Chapter 4300

What happened to me? Why did you get carried away and hug Ah Feng?

Thinking of this, Qing Yi's face turned even redder.

For a while, the atmosphere became a little more subtle.

"I..." After a few minutes, Qing Yi reacted, lowered his head and said

softly, "I suddenly remembered something, I'm leaving first, and I'll see you tomorrow."

, ran out of the thatched cottage as if escaping.

Haha...

Watching Qingyi's back go away, Yue Feng couldn't help laughing.

This Qingyi's shy look really looks like Xiaoxi, it's really cute.

correct!

At this time, Yue Feng was in a good mood, and his thinking and business ratio were active. At this moment, he suddenly thought of something.

I'm really stupid. I always wanted to use ointment to remove the marks on Qingyi's face, but why didn't I think of refining a five-soul pill?

Previously, Yue Feng had been concentrating on using herbs to make ointments, but he never thought of refining medicinal pills. At this moment, he suddenly remembered that there was a medicinal pill that would treat the marks on Qing Yi's face very well.

And this elixir is the Five Spirit Pills.

Many years ago, when Yue Feng recognized Ouyang Zhennan as his adoptive father, Ouyang Zhennan planned to marry his daughter Jingwen to him, but Jingwen liked a man named Bai Xiaotian.

Yue Feng clearly remembered that when he met Bai Xiaotian for the first time, the other party was humiliated in all kinds of ways, and he also proposed to try to make medicine pills.

At that time, what Bai Xiaotian refined was a Five Spirit Pill.

Five Spirit Pills, as the name suggests, after cultivators take it, there are five kinds of gain effects, namely 'tempering the muscles and bones', 'improving internal strength', 'quieting the mind', 'beautifying the skin and keeping the face', and 'immune to poisons' effect.

Speaking of which, the Five Spirit Pills are only a medium pill among the Wuji Pills, so Yue Feng seldom refines them.

And just after refining the antidote for Dongliu, Yue Feng remembered the five spiritual pills.

Haha...

Thinking of this, Yue Feng was very excited, he quickly selected the medicinal materials, and began to refine the five spiritual pills.

Yue Feng thought about it, taking the Wuling Pill as the main ingredient, and then preparing an ointment for external application. With such a two-pronged approach, the marks on Qingyi's face will definitely be removed.

Half an hour later, Yue Feng refined the five spiritual pills, but it was already dark by this time.

call!

At this time, Yue Feng put away the Five Spirit Pills and muttered secretly.

It's better to wait until Qingyi arrives tomorrow, and then give her the Five Spirit Pills.

Muttering in his heart, Yue Feng sat there cross-legged, and began to integrate the power of the red lotus of the law. He practiced until the middle of the night before falling asleep.

Perhaps it was to help Qing Yi solve his worries, Yue Feng slept soundly this time.

“Ah Feng!” Early the

next morning, Yue Feng was in a daze when he was awakened by Qing Yi.

Yue Feng opened his eyes and was stunned when he saw Qing Yi in front of him.

I saw that today Qingyi was wearing a long emerald dress, her hair was tied up high, and she was indescribably youthful and charming, but the mark on her face made Qingyi still a little unconfident.

gorgeous!

Even so, Yue Feng was stunned for a while.

If there is no such mark, Qing Yi’s temperament is comparable to Chang’e.

“Ah Feng!”

Seeing Yue Feng staring blankly at him, Qing Yi was very embarrassed and lowered his head and said, “Why are you looking at me like this?”

Haha...

Seeing her shy look, Yue Feng couldn’t bear it. Zhu laughed, and then took out the five spiritual pills from his body: “Qingyi, you take this, and then apply the ointment I specially prepared for you.”

Five spiritual pills?

Qingyi was stunned when she found the pills, and then asked curiously, “What five spirit pills? There are ointments, what are you doing?”

Yue Feng smiled, with a mysterious look on his face: “You follow me first. Go do it, and keep you in case you have unexpected surprises.”

Hmm!

Qing trusted Yue Feng very much, and immediately stopped asking questions and took the Five Spirit Pills.

Afterwards, with the help of Yue Feng, Qing Yi carefully smeared the plaster prepared by Yue Feng last night on his face.

At that moment, Qing Yi felt that her face was cool and comfortable. After a few minutes, she washed off the ointment under the prompting of Yue Feng.

“And then?”

After washing his face, Qing Yi asked Yue Feng.

Yue Feng smiled slightly, but instead of answering immediately, he handed over a mirror.

hiss!

At this moment, Qing Yi took a delicate photo, and suddenly her delicate body trembled, she couldn't help taking a breath of cold air, her heart was full of surprise.

The ultimate husband in Chinese chapter 4301-4310

Chapter 4301 I

saw that the scars on the face in the mirror were significantly lighter than before, not only that, but the skin became extremely smooth.

Amazing.

In shock, Qing Yi stared blankly at Yue Feng: "You... the plaster you made these days was made for me? Specifically to remove the birthmark on my face?"

Qing Yi is not stupid, so here it is Shi finally understood that what happened to Yue Feng a few days ago was all for himself.

"Yes!"

Yue Feng smiled and replied seriously: "Qingyi, you are a kind girl. You saved my life in the mountains and forests. I will remember this kindness for the rest of my life. I have nothing else to repay you. I can only find a way to get rid of the mark on your face."

Said, Yue Feng pointed to a few small medicine bags next to him: "Here is the medicine I prepared, mix it with some water and make it into a plaster, it can be used, and then For half a month, if you apply it once a day, the marks on your face will disappear completely."

"Ah Feng..."

Hearing this, Qing Yi was so moved that her eyes were red, and after calling out a name, I was speechless.

At this time, Yue Feng looked at her with a smile and continued: "Qing Yi, you are the most beautiful female disciple of Sword Sect without your imprint. You should be happy, why are you crying?"

"A Feng!"

At this moment , Qingyi couldn't bear it any longer, and suddenly threw himself into Yue Feng's arms: "You are so kind to me..."

At this time, Qingyi hugged Yue Feng tightly, completely lost the shyness of yesterday, and It is indescribable gratitude and admiration.

Ugh!

Yue Feng sighed softly and patted Qingyi's shoulder: "Okay, in my heart you are just like my sister, don't be like this, don't cry anymore, you won't be pretty if you cry."

This chapter is provided by . Visit for daily update.

"By the way, I want to tell you something, I'm leaving tomorrow."

Yue Feng felt very sad when he said this, but he couldn't stay in Jianzong for the rest of his life. After the strength, Yue Feng has re-condensed the primordial spirit.

What? Hearing this, Qing Yi suddenly let go of his hand and stared at Yue Feng in a daze.

He smiled and said, "It's just a temporary agreement between me and your master to be a named disciple. I will not be a disciple of the Sword Sect."

This...

Qing Yi was confused: "Why?"

Yue Fengshen He took a breath and said with emotion: "I can't tell you yet, but I promise you that when we meet next time, I will definitely let you know my true identity."

"So, you must also promise me that after I leave, don't cry, you have to remember, you have a big brother who will always care about you, okay?"

Seeing Yue Feng's serious face, Qing nodded reluctantly.

"That's right!"

At this moment, Yue Feng thought of something and said with a smile: "Didn't you say that my swordsmanship is very good? Would you like to learn

it?" "Of course I will." Thinking about it, he said, "Even Hongxia and Dongliu are not your opponents. Your swordsmanship is as good as that of the sect master."

Haha...

Hearing this, Yue Feng couldn't help laughing, and then nodded. Said: "Okay, then I'll pass it on to you. This set of swordsmanship is called 'Sijue Sword'!"

Yes, Yue Feng is going to pass the Tiangang swordsmanship to Qingyi, but the name of this swordsmanship is in Jianzong. It is a taboo, so Yue Feng changed his name.

Sijue, as the name suggests, means missing Nangongjue.

Thinking Sword?

At this moment, Qing Yi tilted her head and was very puzzled: "What a strange name."

But she didn't think much about it, at this time, she only thought about learning swordsmanship.

Yue Feng smiled: "Well, you're optimistic, every move and every style is unpredictable." As he said, Yue Feng picked up the long sword next to him and demonstrated it.

call!

At this moment, Qing Yi watched intently, not missing every subtle change in Yue Feng's moves.

Speaking of which, Qing Yi Bingxue is intelligent and extremely talented, but because of the birthmark on his face and being mocked by his peers, he has low self-esteem, so he doesn't pay much attention to learning the sword.

Under Yue Feng's words and deeds in the past few days, Qingyi's mind has become more and more confident, as if reborn.

At this time, Qing Yi would never have imagined that in a few years, he would become the only female sword god in Dongao Continent for thousands of years.

Chapter 4302

During the next day, Yue Feng taught Qing Yi all the 'Tiangang Sword Art'.

I have to say that Qing Tian is extremely talented. In this day, he has learned all the moves. Although he can't fully comprehend the essence of it, the speed is already amazing.

Huhu...

At this moment, Qingyi held the long sword tightly, and under the guidance of Yue Feng, he practiced the last sword technique, and he saw that the long sword in Qingyi's hand turned into one after another, dazzling and dazzling. Dazzling.

Yue Feng watched from the side and nodded again and again.

This Qingyi is worthy of being a prodigy of swordsmanship. If he can learn all Tiangang swordsmanship in one day, if Master Nangong Jue knows about it, he should be very pleased.

After all, his swordsmanship was not buried there.

Huh...

Finally, Qing Yi finished practicing swordsmanship, her delicate face was flushed red, and her body was dripping with sweat, she walked to the chair in the cottage and sat down: "I'm so tired." After speaking

, Qing Yi was looking forward to it. Looking at Yue Feng: "Ah Feng, how is my practice?"

"Very good!"

Yue Feng smiled and nodded approvingly: "You are very talented, you must practice hard in the future, I believe it will not take long, Your strength will improve a lot. You can easily crush Dongliu, and Hongxia and the others."

Really?

Hearing this, Qingyi was very excited. If he could really reach the level that A Feng said, he would not be afraid of being bullied in the future.

Muttering in his heart, Qingyi thought of something, looked at Yue Feng and asked, "By the way, Ah Feng, are you leaving tomorrow?"

Yue Feng thought for a while, then nodded and said, "Yes!"

In fact, Yue Feng plans to leave tonight, because he has been delayed here for too long, and his heart has already flown to Diyuan Continent. But in order to avoid parting, Yue Feng deliberately lied to Qing Yi.

Ugh!

Qing Yi looked at Yue Feng with a face full of reluctance, and looked at Yue Feng quietly: "Then...then will you come back in the future?"

Yue Feng smiled and comforted: "If we have a predestined relationship, we can meet again soon. "

Speaking, Yue Feng looked at Qing Yi's sweat-soaked long skirt: "Okay, it's getting late, you can go back and rest."

Shuh!

Qing looked down consciously, her face flushed instantly, she was very embarrassed, and only then did she realize that her long skirt was soaked a lot, revealing a charming curve.

While shy, Qing Yi was still a little embarrassed and complicated.

Ah Feng looks at himself like this, does he like me?

The more Qing Yi thought about it, the more embarrassed he became. He lowered his head and said, "Okay, then I'll go first. I'll see you off tomorrow." After speaking, he hurriedly left the thatched cottage.

Huh....

Watching Qing leave, Yue Feng smiled, then sat there cross-legged and continued to integrate the power of the Faye Red Lotus. Although Yue Feng had re-condensed the primordial spirit, the Faye Honglian's power The power has not yet been fully integrated.

...

the other side!

Apocalypse Continent and Dongao Continent are handed over, and there is a virgin forest that stretches for hundreds of miles. In this virgin forest, there is a Falling Maple Valley, named after it is covered with maple trees.

At this time, it was already autumn, and in the entire Fallen Maple Valley, the maple leaves were yellowish, and it looked like a golden ocean from a distance, which was indescribably spectacular.

In the depths of Luofeng Valley, there is a hidden cave.

I saw that a temporary camp was built outside the cave. There were many Jianghu disciples walking around in the camp, all dressed in dark blue to serve. It is embroidered with the symbols of the Five Poison Sects.

Yes, this is a temporary stronghold of the Five Poison Sect.

A month ago, after Ji Hongshang raided Bai Yunfei, he took him out of the palace to join his subordinates. At that time, because of inhaling the power of Bai Yunfei's demon soul, Ji Hongshang had to find a hidden shelter.

At that time, Ji Hongshang ordered his subordinates to find a place, and finally selected the location of Luofenggu.

At this moment, deep in the cave.

In the depths of the cave, it was arranged as a simple wooden cell, with a figure lying quietly inside.

He was dressed in white, his face was weak, and he was unconscious.

It was Bai Yunfei.

Bai Yunfei didn't know how long he had been in a coma, as if he had had a long dream.

call!

Finally, Bai Yunfei breathed a sigh of relief and woke up, but when he woke up, his brain was still a little swollen.

The moment he opened his eyes, Bai Yunfei looked around at the surrounding environment and was stunned.

Chapter 4303

saw that he was trapped in a cell, and the cell in front of him seemed to be a simple transformation of a cave. Outside the wooden fence, a slender figure was meditating there.

Curvy and sexy.

It was Ji Hongshang!

I have to say that Ji Hongshang is very beautiful. Many years ago, she and her elder sister Ji Linglong became the sisters of the Five Poison Sect. Now, after devouring the inner elixir of the ancient poisonous scorpion, she seems to be even more charming.

Especially the dress at this time, wearing a deep red dress, showed her exquisite and graceful figure so vividly that it would be difficult for any man to look away when he saw it.

call!

Aware that Bai Yunfei had woken up, Ji Hongshang opened her eyes and smiled slightly, then stood up and walked slowly to the wooden cell.

Squeak!

The next second, Ji Hongshang opened the prison door, stood there looking down at Bai Yunfei, and asked with a half-smile, "Awake? Sect Master!"

"You don't deserve to call me Sect Master." Bai Yunfei took a deep breath, He responded coldly: "Ji Hongshang, I am not mean to you, but you secretly attacked me and absorbed the power of my demon soul. Demon Venerable knows and will not let you go."

When he said this, Bai Yunfei's eyes were full of resentment, but because he was too weak, his words were not threatening at all.

Hee hee...

Feeling Bai Yunfei's anger, Ji Hongshang smiled charmingly, looked at Bai Yunfei and said, "My good sect master, you are indeed very kind to me, but then again, I was loyal to you before."

I was determined to kill Yue Feng and the Ouyang family. You promised to help me, but you kept putting it off, so I really have no other way."

Hearing this, Bai Yunfei's eyes flickered, and he said lightly: "This is the end, I don't want to say more, I just want to know, what's the purpose of you arresting me?"

" Slowly said: "Sect Master, Sect Master, you are also a generation of heroes, can't you guess the purpose of me arresting you?"

After speaking, Ji Hongshang's tone became cold: "I absorbed the power of your demon soul, But I am a human body and can't bear such a powerful force for a while, but I also know that you must have a solution, right?" After the

last word fell, Ji Hongshang looked at Bai Yunfei tightly, unable to hide it. expect.

For a time, the atmosphere in the cave also became a little subtle and dull.

Hehe...

Hearing this, Bai Yunfei was stunned for a moment, and then he couldn't help but sneer.

This Ji Hongshang is really greedy enough.

Thinking to himself, Bai Yunfei showed a contemptuous smile, looked directly into Ji Hongshang's eyes, and said word by word, "Ji Hongshang, you are really shameless, you have absorbed my strength, and you want me to teach you how to integrate. It? Are you still awake from a daydream?"

Swish!

Hearing the ridicule, Ji Hongshang's face froze, then walked over quickly, raised her jade hand, and slapped Bai Yunfei's face with a slap.

This slap, Ji Hongshang didn't use much strength, but Bai Yunfei was absorbed the power of the devil's soul and was very weak at this time, when he heard a clear sound, the whole person fell to the ground at once.

Nima...

Bai Yunfei was burning with anger, scolding secretly in his heart, he was about to stand up and fight back, but he had no strength in his body and could not stand up at all.

Under the anger in his heart, Bai Yunfei laughed and said to Ji Hongshang: "Ji Hongshang, you have committed the following crime, and now you want me to help you integrate the power of the devil's soul, do you think it is possible?"

Ji Hongshang With a sneer: "Stop putting on airs in front of me, Bai Yunfei, do you think you still have the right to refuse in your current situation?"

"What if I don't tell you?" Bai Yunfei responded coldly.

"Don't tell me?"

Ji Hongshang's eyes showed a bit of chill, and said coldly: "I said, you have no choice, if you want to spend time with me, okay, I will spend it with you slowly. "

But before that, I want you to taste my methods first, lest you think I'm being fooled."
After the

last word fell, Ji Hongshang slowly raised her jade arm and saw her hand, not knowing what to do At that time, there was a swarthy whip.

Chapter 4304

Ji Hongshang at this time, with cruelty and excitement in her eyes, smiled at Bai Yunfei and said, "You have been in my Five Poison Sect for a while, maybe you don't know, I still have the bottom of the box. What about things?"

"This whip is made of a mixture of poisonous insects such as 'purple scale snake', 'blood scorpion' and 'three-eyed centipede'

. How long do you think you can last?" The

last sentence fell, Ji Hongshang had a smile on her face, but cruelty flashed in her eyes.

Nima, what a femme fatale!

Hearing these words, Bai Yunfei's face changed and he scolded angrily: "Ji Hongshang, don't go too far." "

Excessive?"

The joke: "You promised me to get rid of Yue Feng, but it's been more than a year, have you done it? I'm just a pawn in your hand."

"You've been using me, thinking that I I don't know? Tell me, who is going too far?" The voice fell, and the whip in the palm of the hand was thrown away!

Snapped!

With a crisp sound, Bai Yunfei's body suddenly burst into flesh, and blood soaked his clothes in an instant!

Bai Yunfei gritted his teeth tightly, but did not cry out, his eyes were bloodshot instantly!

"Ji Hongshang, you'd better let me go immediately, otherwise, you will die ugly!" Bai Yunfei took a deep breath and said coldly.

Hehe...

In the face of the threat, Ji Hongshang laughed without panic, and looked at Bai Yunfei coldly: "As expected of a descendant of the demon race, you dare to threaten me in this situation, but now you still have Am I qualified to negotiate?"

"Tell me, how to integrate the power of the devil's soul and suffer less from the pain of flesh and blood!"

Bai Yunfei snorted coldly, but did not respond.

The bones are really hard...

Seeing Bai Yunfei's reaction, Ji Hongshang felt contemptuous and extremely angry, and then she raised the whip in her hand again and threw it on Bai Yunfei's body.

Snapped! Snapped! Snapped!

The whip kept beating on Bai Yunfei, and every stroke made a crisp sound!

At first Bai Yunfei was able to grit his teeth and endure it, but in the end he couldn't hold it anymore, so he shouted loudly: "Ji Hongshang, I don't think I can spare you... ah..."

He wanted to scold more. But it was too weak, and the pain kept coming, and after only a few words, I couldn't go on.

I don't know how long it took, Bai Yunfei finally couldn't hold it anymore and passed out.

hateful!

At this time, Ji Hongshang was also a little tired, and threw the leather whip aside, her delicate and charming face was extremely angry, staring at Bai Yunfei, unable to speak.

This Bai Yunfei, the bones are really hard, he was beaten to death, and he still did not compromise.

“Sect Master!”

Just when Ji Hongshang was extremely irritable, a disciple hurried in, with a nervous expression on his face: “It’s not good…”

“Why are you panicking?” She looked like she was angry, and said, “As a disciple of the Five Poison Sect, what does it look like when you are in a panic?”

” After speaking, Ji Hongshang took a deep breath: “Tell me, what’s the matter.”

The disciple took a few breaths and said cautiously: “The disciple just found out that after the Tianqi army broke the Beiyang Imperial City, King Guangping suffered a surprise attack and died on the spot.”

What?

Hearing this, Ji Hongshang was stunned for a moment, and asked in amazement: “Who did it?”

“Yes…it’s the former princess of the Apocalypse Continent, Ren Yingying. She killed Queen Guangping and then Ascended the throne and became a female emperor.” The disciple quickly replied.

Ren Yingying?

Ji Hongshang frowned, unable to hide her inner anger, Ren Yingying is Yue Feng’s woman, and now she is the female emperor of Apocalypse Continent, which is not a good thing for herself.

Muttering in her heart, Ji Hongshang reacted: “Even so, why are you so nervous?”

The disciple wiped off his sweat and responded, “After Ren Yingying became the queen, she sent orders to search for the whereabouts of the suzerain, according to my knowledge. You know, the entire Northern Ying Continent, as well as the Apocalypse Continent, have issued a hunting order for our Five Poison Sect.”

After speaking, the disciple looked up at Ji Hongshang and continued: “Sect Master, the Luofeng Valley where we are located, At the border of the Apocalypse Continent, it’s okay for temporary repairs, but it seems a bit inappropriate if it is a long-term camp.”

Chapter 4305

Hmm!

At this moment, Ji Hongshang did not get angry, but nodded silently.

Because what this disciple said is right, the Five Poison Sect has been staying in Luofeng Valley, which is indeed not a long-term solution.

To be honest, Ji Hongshang is not afraid of the Tianqi army, let alone Ren Yingying, but she has not yet fully integrated the power of the demon soul. If her whereabouts are revealed, there will be a lot of trouble.

Thinking of this, Ji Hongshang pointed at Bai Yunfei, who was unconscious in front of him: "Pass my order, leave two hundred elite disciples, stay here with me, and take Bai Yunfei with me, and hurry to Dongao Continent."

Ji Hong Chang also wanted to leave, but the power of the demon soul in her body had not been fully integrated, and it had been churning in her body, so she decided to try the fusion again.

"Yes, this subordinate understands."

Hearing the order, the disciple hurriedly responded, then called a few people and carried Bai Yunfei out.

A few minutes later, nearly 10,000 disciples of the Five Poison Sect left Luofeng Valley with Bai Yunfei and headed towards Dongao Continent.

The remaining two hundred elite disciples continued to stay in the camp, guarding the cave. Ji Hongshang, on the other hand, sat in the cave and tried to fuse the power of the demon soul again.

I don't know how long it took, Ji Hongshang frowned, and her delicate and charming face also showed an anxious look.

Or not.

The power of this demon soul is not only powerful, but also very strange. According to the traditional method of the Kyushu rivers and lakes, it cannot be completely integrated.

boom!

Just when Ji Hongshang was extremely irritable, only a loud noise was heard, and suddenly it came from outside, and the gate of the temporary camp outside the cave was smashed abruptly!

This loud noise caused the inside of the cave to vibrate, and the movement was very loud. In an instant, Ji Hongshang was stunned.

what's the situation?

Muttering in her heart, Ji Hongshang quickly got up and walked out.

Who is so daring to come to the Five Poison Sect's camp to make trouble?

hiss!

As soon as she arrived outside, when she saw the scene in front of her, Ji Hongshang couldn't help taking a breath!

I saw the army of hundreds of thousands of Tianqi surrounding the camp tightly, like an iron barrel!

In the midair in front of the Tianqi army, a slim and charming figure was quietly suspended there, wearing a golden robe, luxurious and elegant, yet majestic.

The whole body is filled with a powerful aura.

It was Ren Yingying.

is her? !

Seeing Ren Yingying, Ji Hongshang's pretty face changed and she was shocked.

A few minutes ago, the disciples were still talking about this Ren Yingying, but they didn't expect that she would come so soon. It's just that Luo Fenggu is so hidden, how did she find it here?

At this time, Ji Hongshang didn't know that Ren Yingying was able to find this place by coincidence.

Two hours ago, the Tianqi army discovered a disciple of the Five Poison Sect. At that time, he did not act rashly, but first reported to Ren Yingying. Ren Yingying made a decisive decision and led the army to follow the traces of the disciple of the Five Poison Sect, and pursued it all the way here.

“Ji Hongshang!”

At this time, Ren Yingying's eyes were fixed on Ji Hongshang, and she said lightly, "Don't come here!"

Phew!

Feeling Ren Yingying's powerful aura, Ji Hongshang breathed a sigh of relief and showed a sweet smile: "Yeah, long time no see, I heard that you became the queen of Apocalypse Continent, I am very happy for you, I was thinking about what to do Congrats to you, but I didn't expect to meet you here." As

she spoke, Ji Hongshang looked at the mess in front of her and said hypocritically, "Your Majesty, you and I have no personal grudge, why did you destroy my Five Poison Sect? The camp?"

Seriously, Ji Hongshang didn't want to be so polite to Ren Yingying, but sensing the demon soul in her body, Ji Hongshang had to be more cautious.

More importantly, there are only 200 elite disciples of the Five Poison Sects around. Compared with the army of hundreds of thousands of Tianqi, it is like hitting a stone with an egg, so it is necessary to find a way to stabilize the opponent.

"Stop talking nonsense!" Ren Yingying said coldly with a straight face: "Ji Hongshang, you

raided Bai Yunfei and took him away. Where is the person?"

nonsense.

"Bai Yunfei?"

Ji Hongshang looked surprised: "I haven't seen him for a long time, how could I raid him? Where did you learn about these hearsays?"

Shuh!

Hearing this, Ren Yingying's face instantly turned gloomy.

The ultimate husband in Chinese chapter 4306-4310

Chapter 4306

This Ji Hong dress is quite similar. The fact that she broke into the Tianqi Palace and raided Bai Yunfei is completely true, but she does not admit it.

Thinking about it, Ren Yingying suddenly frowned, only to feel that the power of the demon soul in her body began to show signs of backlash.

No, I must see Bai Yunfei today.

Suddenly there were signs of backlash in the body, Ren Yingying was completely impatient, and said coldly to Ji Hongshang: "I won't talk nonsense with you, I will hand over Bai Yunfei immediately!"

Ji Hongshang shook her head: "I really don't know. Where is she?"

Seeing that Ji Hongshang was still not cooperating, Ren Yingying was completely angry, her eyes flashing with murderous intent.

"The whole army obeys the order!" In the

next second, Ren Yingying's red lips lightly opened, and she spit out a sentence: "Kill the disciples of the Five Poison Sect in front of you, and then search the cave carefully for me."

"Yes!" The

voice fell, Hundreds of thousands of the Tianqi army, with great momentum, pulled out their long knives one after another, and without a word of nonsense, rushed directly into the crowd of disciples of the Five Poison Sect!

"Ah!"

All this happened so fast, no one reacted at that time, only a few screams were heard, and many disciples of the Five Poison Sect didn't have time to react, and fell in a pool of blood.

"You..."

Ji Hongshang was furious, and her delicate and charming face instantly turned pale.

Before she could finish speaking, Ren Yingying interrupted coldly: "Ji Hongshang, I already gave you a chance, but you play me like a fool, Bai Yunfei is in your hands, but you refuse to admit it, so , don't blame me for being cruel!"

This chapter is provided by . Visit for daily update.

Speaking of which, Ren Yingying was kind by nature and didn't have such a big murderous intention at first, but at this time, the demon soul was about to retaliate, and he couldn't care about that much. Because only Bai Yunfei knew how to solve the demon soul backlash.

It's just that Ren Yingying doesn't know yet that Bai Yunfei has been transferred away.

“Ah...”

As soon as Ren Yingying finished speaking, there were screams all around, and she saw that more than a dozen disciples of the Five Poison Sect were killed.

“Do you really think I’m easy to bully?!”

Seeing this situation, Ji Hongshang’s delicate body trembled, and finally she couldn’t bear it any longer. She tapped the ground with her toes, like a shock, and rushed directly into the Tianqi army!

Ji Hongshang knew that today’s battle would be impossible without fighting. Rather than being passive, it would be better to resist desperately!

“Kill!”

At this moment, the disciples of the Five Poison Sect also reacted one after another, pulling out their weapons and fighting with each other.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Fallen Maple Valley!

However, the disparity between the two sides was too great. In less than five minutes, the two hundred elite disciples of the Five Poison Sect were all killed.

In the field, only Ji Hongshang was left.

“Do you still want to resist!”

At this moment, Ren Yingying said lightly, and her delicate body flew out, straight towards Ji Hongshang.

hum!

In a blink of an eye, Ren Yingying was in front of Ji Hongshang. At that time, a terrifying aura erupted from Ren Yingying’s body. In an instant, the surrounding air seemed to freeze!

The terrifying aura of the devil’s soul was overwhelming.

The next second, Ren Yingying raised her jade hand and called Ji Hongshang with a palm!

This palm looks light and fluttering, but it is as fast as lightning.

Phew...

Feeling the power of this palm, Ji Hongshang's delicate body trembled. At that time, it was too late to dodge, so she had to mobilize all her internal strength to face it, trying to block Ren Yingying's palm.

Bang!

The palms of the two sides touched, and Ji Hongshang only felt a vast and endless force coming. At that time, with a grunt, the delicate body was directly shaken and flew out, flying more than 100 meters, and finally landed at the entrance of the cave.

At the moment of landing, Ji Hongshang spat out a mouthful of blood, only to feel the blood in her body churning and almost fainted.

After Ren Yingying possessed the power of the demon soul, she became really strong!

At this time, Ji Hongshang stared at Ren Yingying blankly, her heart was full of fear and shock.

"Ji Hongshang!"

At this time, Ren Yingying landed slowly, her eyes fixed on Ji Hongshang: "Tell me where Bai Yunfei is now, and I will give you a treat!" The

voice fell, and Ren Yingying slowly turned towards Ji Hong Chang came.

At the same time, the army of hundreds of thousands of Tianqi also surrounded the entrance of the cave.

Phew...

Seeing this situation, Ji Hongshang took a deep breath, feeling extremely nervous, but soon calmed down.

"Ren Yingying." The

next second, Ji Hongshang looked at Ren Yingying with a sinister smile: "I admit that you are very strong, but if you think that if you take my word for it today, it is a big mistake. "

Chapter 4307

hum.

When the last word fell, Ji Hongshang suddenly raised her hands, and at the same time her red lips parted lightly, she quickly recited a spell, and then, a strange and powerful aura burst out from her body.

I saw that when this breath met the air, it formed a thick green fog, and the surrounding flowers and trees were contaminated with this fog, and instantly withered and died!

Yes, what Ji Hongshang broke out was the power of the ancient poisonous scorpion's inner pill.

The ancient poisonous beetle is extremely poisonous, and the poison contained in the inner core is unimaginable.

Huhuhu...

I saw that the green poison, moving in the wind, covered the camp in a blink of an eye, and spread to the surrounding at a fast speed...

"Disperse, spread quickly..."

Seeing this scene, Ren Yingying's body trembled, she was furious, and at the same time she drank to the surrounding weather force.

Whoa!

Hearing the order, many Apocalypse soldiers didn't have time to hesitate and fled to the outside desperately, but they were still a step behind.

Puff, puff...

I saw that many apocalyptic soldiers were shrouded in the poisonous mist, and before they could scream, they fell to the ground, their faces turned black and purple, and they lost their breath.

In less than ten seconds, more than 100,000 Tianqi army died in the fog and miasma. For a time, the entire Luofeng Valley was in chaos!

Whoosh!

Taking advantage of this opportunity, Ji Hongshang did not hesitate at all, her inner strength pushed her, her delicate body flew up, and rushed into the sky.

"Ren Yingying!"

At this moment, Ji Hongshang's charming eyes were full of resentment: "I will write down this hatred for you, and we will have an appointment later." hands-on.

The 200 elite disciples who remained, all lost their lives.

When the words fell, Ji Hongshang speeded up, and in a blink of an eye, she disappeared from everyone's sight.

Swish!

Seeing Ji Hongshang fleeing, Ren Yingying's pretty face froze, anxious and angry. At that time, she wanted to catch up, but there were poisonous fog everywhere in front of her, so she didn't dare to take risks.

"Pass on my will and go after Ji Hongshang with all my strength!" Ren Yingying's red lips parted lightly, she spat out a few words, and her eyes were full of anger.

Under this kind of siege, this Ji Hongshang was able to escape, it was really shameless.

No matter the cost, Ji Hongshang and Bai Yunfei must be found.

"Subordinates obey!" The

voice fell, and an earth-shattering response sounded throughout Luofeng Valley.

...

the other side! Jianzong general altar.

Yue Feng sat cross-legged and fused the power of the red lotus of the law industry, and before he knew it, it was already midnight.

Phew...

This is okay, Yue Feng opened his eyes and let out a long sigh of relief, feeling refreshed.

Looking at the sky outside, Yue Feng did not hesitate, first changed his clothes, then walked out of the thatched cottage and walked towards the Jiange behind.

The sword pavilion is the forbidden area of Jianzong, and it is also the place where Hua Yemeng rests.

Although the interior of the Sword Sect's main altar was heavily guarded, because it was late at night, it was quiet everywhere, and many of the patrolling disciples had rested, so no one noticed Yue Feng.

"Who?"

However, when he was about to reach the sword pavilion, he saw the shadow in front of him, and there was a coquettish shout.

Immediately following, a slender figure came out quickly, and it was a female disciple guarding the sword pavilion.

This female disciple was wearing a purple tights, holding a long sword, and her facial features were delicate, but her expression was unusually cold.

call!

Seeing the female disciple guarding the sword pavilion, Yue Feng took a deep breath, and then said with a smile: "Senior sister, don't be nervous, I'm the named disciple of the deputy sect master. Now I have something to do with the deputy sect master. This is my token.

" Really, Yue Feng didn't want to be so polite, but he also knew that the guard disciples of the sword pavilion were all very strong, and this place was still forbidden.

So, it's better to be polite, otherwise it will be very troublesome.

When the last word fell, Yue Feng took out an exquisite token. This token was secretly given to him when Hua Ye Meng accepted Yue Feng as his named disciple.

call!

Seeing the token, the female disciple's face softened a bit: "In the middle of the night, what are you doing with the deputy sect master?" Although her tone was not so cold, she still looked at Yue Feng's eyes with a bit of a hint. Sophisticated and suspicious.

Yue Feng hurriedly said, "I'm looking for the deputy sect master, because I have something important to do. I also ask senior sister to be accommodating."

Chapter 4308

Seeing what Yue Feng said, the female disciple didn't ask too much, and nodded: "Okay, after you see the deputy sect master, you must leave the Jiange as soon as possible, and you are not allowed to stay." After speaking, the female disciple stepped aside

· ·

Yue Feng smiled and walked slowly into the sword pavilion.

Huh.. it smells so good!

However, when he passed by the female disciple, he smelled the faint fragrance from her body. Yue Feng took a deep breath and couldn't help but admire: "Senior sister, you are so fragrant."

I don't know why, Yue Feng Seeing the cold and unselfish appearance of the female disciple, I wanted to make a joke.

"You..."

Looking at Yue Feng's expression, the female disciple was ashamed and angry.

This person is really not serious, and I don't know what the deputy sect master thinks, but he actually accepted such a disciple.

"Hey, goodbye, Senior Sister! I'll go first!"

Seeing that she was about to get angry, Yue Feng smiled, and quickly stepped into the sword pavilion.

"Hey!"

As soon as his forefoot left, a slender figure came slowly and asked.

Through the moonlight, I could see that her facial features were exquisite and charming, and there was a bit of arrogance between her brows.

It is Hongxia.

Although Hongxia is the senior sister, according to the rules of Jianzong, she also needs to patrol. Just after the patrol tonight, Hongxia is going to go back to rest. After hearing the movement here, she came over to ask.

When she arrived at the front, Hongxia asked the female disciple, "I heard something going on here just now, what's the matter?"

The female disciple didn't dare to hide it, so she told what happened just now: "Senior Sister Hongxia, there was a strange-looking person just now, who said that she was a new disciple of the deputy sect master, and she wants to see the deputy sect master."

Shah!

Hearing this, Hongxia's face changed, and she immediately guessed Yue Feng.

This kid, what are you doing looking for Hua Yemeng in the middle of the night?

Thinking of this, Hongxia asked, "Did he say anything?"

“No.” The female disciple shook her head, and then responded, “But he has the token of the vice sect master, so I didn’t stop him. .”

At this moment, Hongxia frowned, and her heart became even more suspicious.

Hua Ye Meng attaches so much importance to that Ah Feng? He even gave him his token.

Muttering in her heart, Hongxia ordered the female disciple, “It’s alright, you’ll take good care of yourself.” After speaking, she turned around and left, and walked towards the room where Dongliu was resting.

Squeak!

Soon, in Dongliu’s room, Hongxia pushed the door directly in.

At this time, Dongliu was meditating on the bed.

“Good Junior Sister!”

Seeing Hongxia coming in, Dong showed a smile, and quickly got out of bed: “You’re looking for me so late, do you miss me again?” in the arms.

Hongxia’s face flushed red, she pushed it slightly, and said in a sullen voice, “Senior brother, can you be serious, why do you think about that when you see me?”

After speaking, Hongxia’s face became serious and continued: “I discovered a secret just now.”

“What secret?” Dongliu stopped and asked.

call...

Hongxia breathed a sigh of relief, and then explained in detail what she had just known. At the end of the story, Hongxia’s eyes flickered: “Senior brother, you said that Ah Feng went to find Hua Yemeng

so late, what’s the secret?” Hearing this, Dongliu’s face remained calm, but he was secretly shocked and anxious in his heart. Ma De, it’s definitely not a good thing for a man and a woman, no, Hua Ye Meng is the goddess in my dream, and I can’t let that bastard take advantage of Ah Feng. Thinking to himself, Dongliu sneered: “There must be something shameful, otherwise, why don’t you see me during the day?” “I think so too.” Hongxia nodded again and again. The next second, Hongxia suddenly thought of something, and looked at Dong Liu with a half-smile, “Senior brother, if that kid is really dating Hua Yemeng, would you be jealous?” Dong Liu’s eyes flickered and denied: “Why am I jealous, don’t talk nonsense.” After speaking , Dong Liu’s eyes became

gloomy: "If it is what we guessed, this is a good opportunity, good junior sister, you can find a way to sneak into the sword pavilion and monitor their situation. I'm going to find Master." At this time, Dong Liu's eyes were full of viciousness.

Chapter 4309

Sword Sect is strictly disciplined, and there must be no personal relationships between men and women. Once discovered, they will be severely punished. If Hua Yemeng is really dating that kid and it is exposed, then both of them will fall into a doomed situation.

In the hands of Yue Feng, Dongliu suffered many losses and resentment in his heart. How could he let it go when he seized the opportunity?

"Okay!"

Hearing this arrangement, Hongxia nodded hurriedly, with a bit of admiration on her charming face: "It's still Senior Brother leaving, I've figured out a countermeasure so quickly, don't worry, I'll definitely check it out."

Said After finishing this, Hongxia put her feet up and kissed Dongliu's face lightly, and then quickly walked out.

...

this moment, the other side.

Perhaps it was because he was about to leave, Yue Feng was in a good mood, and his whole body was refreshed. After entering the Jiange, he quickly found the room where Hua Yemeng was resting.

Didn't sleep? Looks like it's time for me to come.

At this moment, Yue Feng stood outside the door and saw that the lights were still on in the room, and suddenly showed a smile.

"Master?"

Thinking to himself, Yue Feng shouted softly at first, but no one responded.

After waiting for another ten seconds, Yue Feng couldn't bear it any longer. He gently pushed the door, and found that the door was not locked, and the door was easily pushed open.

As expected of the deputy sect master of the Sword Sect, the art masters are bold and do not lock the door at night.

At this moment, Yue Feng muttered in his heart, and then walked in slowly.

I go!

However, the moment he entered, Yue Feng was stunned when he saw the scene inside.

I can see that this room is very elegantly furnished, and there is a seductive fragrance in the air. However, there is no one with the lamp lit by the bedside!

not there?

Yue Feng frowned, that's not right, in the middle of the night, where can Hua Ye Meng go?

In the next second, Yue Feng took a deep breath and called out carefully, "Master?"

Although Hua Yemeng and him made an agreement in private, the named disciple was fake, and the two parties did not have the name of master and disciple, but after all, this is the In the main altar of Sword Sect, Yue Feng decided to call her Master in order to show respect.

After all, without the help of Hua Yemeng, Yue Feng would not be able to stay in Jianzong safely.

However, after shouting a few times, no one responded!

Ugh!

Seeing this situation, Yue Feng was speechless and sighed secretly.

Will this dream of flowers and leaves be cultivated in the secret room?

Forget it, I will be leaving at dawn, so wait a little longer.

Thinking to himself, Yue Feng took courage, walked to a chair not far away, sat down, and then carefully looked at the room in front of him.

I have to say that although the room of this flower dream is not particularly luxurious, it is very elegantly arranged. Whether it is the bed or the chair Yue Feng is sitting on, it is all precious wood with exquisite patterns carved on it.

Um?

Looking around, Yue Feng's eyes fell on the bed, and he was stunned.

I saw that some fresh petals were sprinkled on the edge of the bed, and inside, there were some white underwear. And the degree of folds on the clothes is not difficult to judge, at this time, Hua Yemeng just wore it today.

What the hell!

Aware of this, Yue Feng's heartbeat suddenly accelerated, and his mind felt a little foggy.

If Hua Yemeng leaves, there will be no change of clothes on the bed.

Did she not go out? Did you judge yourself wrong?

Doubt in his heart, Yue Feng finally couldn't bear it any longer, got up and walked over, picking up those salacious clothes.

What the hell!

At that moment, Yue Feng could clearly feel that there was residual warmth on those few underwear. At that time, it was even more certain that Hua Ye Meng did not go out, but just changed clothes.

Realizing this, Yue Feng was very embarrassed and had to put down his underwear and go out.

Squeak!

However, at this time, I heard a soft sound coming from the direction of the room. Immediately afterwards, I saw the wall inside the bed, a hidden secret door slowly opened, and then a charming figure came out.

Seeing the figure that came out, Yue Feng was stunned and his mind was dizzy!

It is the dream of flowers and leaves!

At the moment of the dream of flowers and leaves, her hair was wet against her forehead, giving a different charming taste. Because her hair was not dry, she closed her eyes and wrapped a white scarf around her. The scarf was not very large, only barely covering the important parts.

What the hell!

Seeing this scene, Yue Feng was completely stunned, and only felt that his mind was buzzing and completely blank.

Chapter 4310

Beautiful, it's so beautiful.

Clear water comes out of hibiscus.

With emotion in his heart, Yue Feng also realized that he guessed wrong before, Hua Ye Meng did not go out at all, but went to take a bath!

At this time, Yue Feng could never have imagined that there was a dark room in Hua Yemeng's room, and that dark room was actually Hua Yemeng's bathroom and a training ground.

And Yue Feng broke in just in time when Hua Yemeng was bathing. It was a trick of fate.

Gudong!

For a time, Yue Feng was extremely shocked in his heart. At the same time, he looked up and down the dream of flowers and leaves, and seriously admired the beautiful scenery in front of him.

The figure of this flower dream is really superb, especially the half-covered state in front of him, any man will find it hard to extricate himself.

At this time, the dream of flowers and leaves has not opened his eyes.

Speaking of which, she has stayed in this room for so many years, and she knows every place in her chest. Even with her eyes closed, she can accurately avoid the obstacles in front of her!

She didn't know yet that there was one more person in the room.

Finally, Hua Ye Meng walked to the edge of the bed and slowly opened her eyes while wiping her hair.

Swish!

The moment she saw Yue Feng, Hua Ye Meng's body trembled and she was stunned.

"Ah!" After a few seconds, Hua Yemeng exclaimed!

Done!

This exclamation also brought Yue Feng back to reality, and suddenly woke up, feeling uneasy in his heart.

It's not clear now.

You must know that Hua Ye Meng is the deputy sect master of Sword Sect. He is usually aloof, detached, and a proper goddess level, but now that charming curve has been seen by himself, can you not be angry?

But then again, this figure is really superb! Tsk tsk ...

Thinking so in my heart, Yue Feng secretly swallowed his saliva and said to Hua Yemeng Anwei with a smile: "Deputy Sect Master Hua, don't get me wrong, I'm here so late to bid you farewell, I really I didn't know you were taking a bath..."

When he said this, Yue Feng was very depressed.

Nima, if I knew this earlier, I didn't come in rashly just now.

"Shut up!"

However, Hua Yemeng didn't believe it at all, her delicate face was full of blush and anger, and she shouted tenderly: "Yue Feng, you bastard, the rumors in the rivers and lakes over the years say that your superficial righteousness is thin, but the truth is But he is a despicable and shameless villain, I see nothing wrong."

"Don't say goodbye in a pretentious way. You can't say goodbye during the day? You have to sneak into my room in the middle of the night?"

"You clearly have bad intentions, like It's not a pity for a person like you to die a hundred times."

Om!

After saying this, Hua Yemeng directly pulled out the long sword next to her, and at the same time a very strong murderous aura burst out from her.

At this time, the dream of flowers and leaves was full of anger, and the deputy sect master of the sword sect, who was dignified and pure, was now seen by Yue Feng. If he didn't kill him, how would he see people in the future?

Whoosh!

Under the anger, Hua Yemeng did not hesitate at all, with a wave of her jade hand, the long sword turned into a shock, flying directly towards Yue Feng's heart.

At that time, Yue Feng didn't have time to think about it, and quickly stepped aside.

"Boom!"

In the next second, only a muffled sound was heard, and I saw the long sword nailed to Yue Feng's previous position. Half of the blade had not penetrated into the ground, showing the power of the sword just now.

What the hell!

At this moment, Yue Feng secretly rejoiced, fortunately, he reacted quickly and hid in time, otherwise, he would have been shot through by this long sword at this moment.

Seeing Yue Feng dodging the sword, Hua Yemeng was embarrassed and angry, but she calmed down at the time, and while Yue Feng was still in shock, she grabbed the long skirt next to her and quickly put it on her body.

Afterwards, Hua Yemeng's eyes locked on Yue Feng tightly, and the killing intent was even stronger.

For a while, the atmosphere became extremely tense.

"Vice Sect Master Hua!"

At this time, Yue Feng explained with a wry smile: "I really didn't mean it..."

"Stop talking nonsense, lead to death!"

However, Hua Ye Meng didn't give him a chance to explain at all, and he was tenderly drunk at that time. With a sound, the delicate body suddenly rose, and a palm hit Yue Feng.

Ugh!

Seeing Hua Yemeng coming, Yue Feng sighed and had no choice but to go up to meet him.

Bang bang bang...

In an instant, the two figures were in the room, shuttled back and forth, and the powerful breath that burst out caused the surrounding air to violently distort...

The ultimate husband in Chinese chapter 4311-4315

Chapter 4311

At this time, Yue Feng and Hua Yemeng were only concerned about fighting, but they didn't know that a figure was quietly approaching outside the room.

Through the moonlight, I saw that charming and delicate face, which revealed a bit of cunning at this time.

It is Hongxia.

At this...

At this moment, when Hongxia heard the movement in the room, Hongxia was shocked and inexplicably delighted.

Then Ah Feng actually fought with Hua Yemeng. There is a good show to watch, so go back and report to the senior brother.

Thinking to herself, Hongxia showed a sinister smile and quickly disappeared into the night.

At this time, in the room.

Yue Feng and Hua Yemeng are still fighting.

It's just that Hua Yemeng is getting more and more frightened. This Yue Feng is indeed the top powerhouse in Kyushu. He was injured before and is still so weak. In just two days, his strength has recovered so quickly.

hum!

Thinking of this, Hua Yemeng became more and more anxious. In a hurry, he directly urged all the internal forces to condense on the right hand, and hit Yue Feng with one palm.

At this time, Yue Feng, leaning against the corner of the wall, was unavoidable. He did not hesitate at that time, and decisively stretched out his palms. In an instant, the palms of the two people were tightly attached to each other, not separated!

This...

At this moment, Hua Yemeng's body trembled, and she was secretly taken aback. Does this Yue Feng want to fight with me?

This chapter is provided by . Visit for daily update.

He has just recovered from his injury, and fighting for internal strength is not his strength at all.

Thinking of this, Hua Yemeng bit her lip tightly, constantly urging her inner strength to fight against Yue Feng.

In Hua Yemeng's heart, although Yue Feng had regained his strength, he was injured so badly before that he was definitely not his opponent.

"Pfft..."

However, Hua Ye Meng only lasted for two minutes before she couldn't hold it anymore, her pretty face was extremely red, her delicate body was shocked, she staggered back a few steps, and a mouthful of blood spurted out.

Afterwards, Hua Yemeng sat paralyzed on the floor, her face pale and extremely weak.

This...

The dream of flowers and leaves at this time, eyes staring at Yue Feng, full of inconceivable.

This is impossible. He was injured so badly two days ago. In such a short period of time, it is impossible for him to fully recover his internal strength.

At this time, Hua Ye Meng did not know that the power Yue Feng possessed at this time did not belong to the Kyushu Continent at all, but a treasure that would only appear once in five thousand years in the Divine Realm, the Faye Red Lotus.

In the red lotus of Faye, there is an incomparably pure innate spiritual power. Even if Yue Feng is not fully integrated, it is not something that Hua Yemeng can compete with.

At this moment, although Yue Feng stabilized his figure and was not shaken back, his body was also churning with blood. It was the first time he used the power of the red lotus of the law, but he was still not used to it, and he couldn't retract it freely.

call!

But Yue Feng didn't panic at all. He took a deep breath at the time, then walked over and asked Hua Yemeng with concern, "Are you all right?" "

You stop!"

With a cry, she couldn't hide her disgust: "Don't get close to me."

Until now, Hua Yemeng still believes that Yue Feng broke into his room in the middle of the night with bad intentions.

Ugh!

Feeling the hostility of Hua Yemeng, Yue Feng smiled bitterly and explained: "Vice Sect Master Hua, I really have no ill intentions, you are injured, I will obey you, don't worry, I will not have any bad thoughts about you. Yes ."

Saying that, Yue Feng walked over and was about to help her up.

"Shameless villain!"

However, at this moment, Hua Yemeng suddenly pulled up the long sword on the ground and stabbed it violently. At that time, Yue Feng was very close, and there was no defense, and he couldn't escape at all.

laugh!

This sword directly pierced Yue Feng's shoulder, and blood poured out, staining his clothes red.

Yue Feng covered the wound and stared blankly at Hua Yemeng, not knowing whether to laugh or cry, this woman's personality is too stubborn, why don't you believe me? Are you going to kill me?

Depressed, Yue Feng took two steps back, fell on the chair, and said bitterly to Hua Yemeng: "What am I going to do so that you can trust me?"

"Leave my life!" Hua Yemeng's red lips Qing Kai said without hesitation.

"I really didn't mean to..."

"Shut up, I really regret that I didn't kill you directly two days ago. Instead, I was bewitched by you and accepted you as a registered disciple. It's really a nuisance.

"

The two were talking when suddenly they heard footsteps from outside the room!

The footsteps were quick and there were many people listening.

Swish!

In an instant, Yue Feng and Hua Yemeng looked at each other, and both closed their mouths subconsciously. At this time, the appearance of the two is inconvenient for others to see.

Chapter 4312

Especially the dream of flowers and leaves, because just after taking a shower, the long hair is messy, and anyone who sees it will think about it.

Who will come?

At this moment, Yue Feng and Hua Yemeng were secretly looking forward to the people outside, hurry up and leave!

Don't come in.

"Master!"

At this moment, I heard a charming and beautiful voice from the crowd outside: "I passed by here just now, and I did hear the sound of fighting in the deputy sect master's room. I doubt that it might be the Dan sect. Assassin here."

This voice was Hongxia.

Jianzong and Danzong have always had a grudge, and it is reasonable for Hongxia to say so on purpose.

Nima!

Hearing this voice, Yue Feng and Hua Yemeng were stunned.

Did Hongxia just pass by outside?

Just when they were secretly surprised, they heard another low voice from outside: "Then what are you waiting for? Rush in, no matter who the other party is, you must protect the safety of the deputy sect master."

Broken...

Hearing this, Hua Yemeng's body trembled, and her beautiful face was extremely complicated!

How can I be seen by the sect master and other disciples when I am like this.

At the same time, Yue Feng was also shocked!

What the hell! This Hongxia actually called Mu Jianli too? Obviously, she and Dongliu had been embarrassed in the thatched cottage before, and now she is looking for an opportunity to take revenge.

Whoops!

Just when Yue Feng was frowning secretly, a dozen elite disciples of the Sword Sect came in quickly. Behind them were Mu Jianli, Hongxia, and Dongliu.

Yes, Mu Jianli was called by Dongliu.

At that time, after Hongxia secretly inquired about the situation of Jiange, she immediately went back and told Dongliu. At that time, Dongliu did not hesitate and directly reported the situation to Mu Jianli. Lies that an assassin has broken into the sword pavilion.

At that time, Mu Jianli was very shocked, so he immediately summoned the elite disciples and rushed to the Jiange quickly.

Whoa!

The moment he came in, Mu Jianli's eyes saw Yue Feng and Hua Yemeng!

In an instant, Mu Jianli was not locked, first looked at Yue Feng, then at Hua Yemeng, and asked, "Vice Sect Master, what's going on? Why is this kid here?"

When he said this, Mu Jianli's face was complicated, and when he looked at Yue Feng's eyes, he was even more suspicious.

Mu Jianli knew that Yue Feng was accepted as a named disciple by Hua Yemeng, but the named disciple had a humble status in the general altar and was not qualified to enter the Jiange at all.

But in the current situation, this kid not only entered the sword pavilion, but also seemed to have fought against Hua Yemeng just now.

More importantly, Miao Yemeng's hair was loose and wet, obviously he had just taken a bath...

Could it be that this kid is sneaking in to plot against Miao Yemeng? No, it's impossible, this kid is just a named disciple, how could he be able to hurt Hua Ye Meng?

Thinking of this, Mu Jianli's face became more and more gloomy.

Um!

Hearing Mu Jianli's question, Hua Yemeng's red lips parted slightly, and she was about to respond, but she was so weak that she was so weak that she couldn't help but let out a painful low voice.

"You are hurt!?"

Seeing this, Mu Jianli was taken aback, reacted quickly, and asked Hua Yemeng, "How are you? Who injured you? Where is the assassin?" There are only Hua Yemeng and Yue Feng, but Yue Feng can't hurt Hua Yemeng. After all, this guy with a face full of marks is just a named disciple.

Moreover, he is still the apprentice of Hua Yemeng, how could the apprentice hurt the master?

Hua Ye Meng endured the pain and was interrupted by Dong Liu before she could respond.

"Master!"

At this moment, Dongliu strode out, looking indignant, pointed at Yue Feng and shouted, "Is there any need to ask? The situation in front of me is obvious, this kid is a spy."

"He was seriously injured before, and it was deliberately pretending to join our Sword Sect successfully."

"After joining successfully, he sneaked into the sword pavilion while the Deputy Sect Master was resting, trying to do something wrong to the Deputy Sect Master... ."

Said, Dong Liu glared at Yue Feng with contempt: "On the first day this person came, I felt that there was something wrong with him, I never thought that he would be so bold."

Shuh!

Hearing this, whether it was Mu Jianli or the disciples of the Sword Sect around him, they locked on Yue Feng tightly and were furious.

This kid turned out to be a spy, it's really hateful.

Ha ha....

In the face of this situation, Yue Feng really sneered secretly.

Dongliu, this idiot, was not my opponent in the two previous provocations, but now he has changed his tricks and started to slander me.

Chapter 4313

Thinking, Yue Feng looked around, and finally his eyes fell on Mu Jianli, and said slowly: "Everyone has misunderstood, I came to Jiange so late, not to do anything wrong, but to ask Master for some advice."

Yue Feng glanced at Hua Yemeng subconsciously: "Right, Master."

When he said this, Yue Feng was very anxious. If Hua Yemeng didn't believe in himself at this time, it would be troublesome.

call!

Feeling the sincerity and anxiety on Yue Feng's face, Hua Yemeng sighed softly and said weakly: "Yes, Ah Feng is here tonight to ask me for some cultivation matters."

At this time, Hua Yemeng, The mind is also extremely complicated.

It stands to reason that when the two competed for internal strength just now, she was injured by Yue Feng, and she should be very angry, but for some reason, Mu Jianli and these people suddenly arrived, and Hua Yemeng did not want to tell the truth.

You must know that Ah Feng's true identity is Yue Feng, the hero of Kyushu and the Lord of Tianmen. Once it is exposed, Mu Jianli will definitely not let him go easily. At that time, the entire sword sect general altar will definitely be a bloody storm.

More importantly, he is pure and clean. If he admits that Yue Feng has intruded and plotted to do something wrong, how will he see people in the future, he is the deputy sect master of Sword Sect, and his innocence cannot be blasphemed.

For a while, Hua Ye Meng struggled in your heart and finally decided to help Yue Feng lie.

Ask for advice?

Hearing this, no matter it was Mu Jianli, Dongliu and Hongxia, and the disciples of the Sword Sect around, they all frowned secretly and stood there stunned.

If so, have everyone misunderstood this Ah Feng?

A few seconds later, Mu Jianli and the disciples of the Sword Sect, one by one, gradually reacted, and they were all suspicious.

On the other hand, Dongliu and Hongxia looked at each other and sneered.

The two of them could see that Hua Ye Meng's words were not true. When they spoke, they didn't look at everyone. It was obvious that they were lying and were deliberately covering up Feng.

"Vice Sect Master."

At this moment, Mu Jianli also recovered, and asked Hua Yemeng inexplicably: "Since you are asking for advice and training, why are you hurt so badly?"

Hua Yemeng's strength, She was on a par with Mu Jian, and it was difficult for ordinary people to hurt her, but at this time, she was injured so badly, it was really unpredictable.

This...

Hearing the question, Hua Yemeng bit her lip lightly and said weakly: "Maybe because I have reached a bottleneck in my cultivation, when I demonstrated to Ah Feng at that time, except for some problems, it caused the internal force to backlash..."

When he said this, Hua Yemeng's face was weak and his head was deeply bowed.

Hua Yemeng has a pure and good nature and has never told a lie. At this time, she lied in order to protect Yue Feng's identity, and she was very uneasy, and she was embarrassed to look at Mu Jianli.

This is it....

Hearing this, Mu Jianli nodded suddenly, this statement seems to be reasonable.

Muttering in his heart, Mu Jianli ordered the disciple next to him: "Don't be stunned, hurry up, help the deputy sect master up, by the way, bring Qing Yidan and give it to the deputy sect master.

"Sword Sect's holy medicine for healing, especially in response to the backlash of internal forces, has a remarkable effect.

At this time, Mu Jianli did not realize that he was deceived by Hua Yemeng.

Huh...

Seeing this scene, Yue Feng secretly felt relieved, and at the same time, his heart was a little funny.

This Mu Jianli's thinking is too simple, so easy to believe his own words.

At the same time, Hua Ye Meng was also relieved.

The Sect Master no longer doubts, and his innocence can be considered to be preserved.

Hearing Mu Jianli's order, the two female disciples hurried over, helped Hua Yemeng up, let her sit on the chair, and then hurried out to get Yidan.

quiet!

For a while, the room was silent, and no one spoke.

The atmosphere has also become a little subtle.

“Senior Brother.”

At this moment, Hongxia Xiumei was locked, and couldn't help but whispered at Dongliu: “This Ah Feng came to Hua Yemeng for advice, we can't grasp the reason, tonight's efforts, it's wasted.”

When saying this, Hongxia glanced at Yue Feng with disdain, very unwilling.

Hu...

Dong Liu took a deep breath, his face was extremely gloomy, and then he thought of something, and whispered: “Don't worry, as long as you wait and cooperate with me, you can definitely convict this kid.”

Chapter 4314

was talking when he saw the two female disciples coming back, one of them holding Qing Yidan in his hand.

“Vice Sect Master!”

The female disciple quickly walked to the front, and respectfully said to Hua Yemeng: “Here comes the Qing Yidan, take it quickly.” After saying that, she will hand over the Qing Yidan in her hand to Hua Yemeng. dream.

Hua Ye Meng nodded and was about to reach out to pick it up.

“Wait a minute.”

However, at this moment, a figure came out quickly and snatched the Qing Yidan away, with a smile on his face but not a smile, it was Dongliu.

“What are you doing?” Hua Yemeng was furious, looked at Dong Liu displeasedly, and asked coldly.

Swish!

At the same time, Mu Jianli and the surrounding Sword Sect disciples also frowned and looked at Dong Liu, all of them very puzzled.

Mad!

Yue Feng was also stunned, then frowned, secretly underestimating.

What kind of tricks does this winter stream want to do?

“Dongliu!”

Finally, Mu Jianli reacted, glared at Dongliu, and scolded: “What are you fooling around for? Hurry up and give the Qing Yidan to the vice sect master.”

At this time, Mu Jianli was very annoyed. This winter stream is so ridiculous.

Didn't you see that the Deputy Sect Master was already very weak?

The words fell, and the other disciples of the Sword Sect around looked at Dong Liu with complex expressions, and felt that he was a little foolish.

“Master!”

Looking around, Dong Liu was not nervous at all, smiled slightly, and said to Mu Jianli, “I don't think today's matter is that simple.”

Mu Jianli was stunned for a moment: “Why do you say that?”

“Hehe...”

Dongliu chuckled and took a step forward, pointing at Hua Yemeng: “First, the sword pavilion where the vice sect master lives is the forbidden area of our sword sect, and ordinary disciples are not qualified to enter, and this Ah Feng, not only came in, but also Don't you think it's suspicious to choose it late at night?”

“As for what he said about coming to ask for advice, it's even more nonsense. Why don't you ask it during the day, but choose this time?”

Wow!

The last sentence fell, and the surrounding Sword Sect disciples nodded subconsciously in agreement.

“Senior brother is right.”

“Yeah, how can you ask for advice in the middle of the night?”

“If you say that, it is full of doubts.” As

the surrounding discussions came, Mu Jianli fell silent and began to hesitate. stand up.

Mad!

At this moment, Yue Feng was also angry, this Dongliu has a sick mind, and is against himself everywhere? Thinking to himself, Yue Feng looked at Dong Liu with a half-smile

, and said coldly: “Senior brother, what did you say so much to?”

“What do you express?”

Feng said loudly: “You know better than me, you came to Jiange tonight because of impure motives.”

With that, Dongliu raised his hand to Hua Yemeng: “You didn’t come to ask questions at all, but with Vice The sect master is on a tryst, right? It doesn’t matter if you deny it, but the dress of the deputy sect master says it all, her hair is still dry, she obviously just took a bath, right?”

“The deputy sect master met you in the middle of the night and took a shower in advance. What does this mean? I believe that there is no need to explain too much, everyone can think of it.”

After finishing the last sentence, Dong Liu couldn’t help but looked at Hua Ye Meng.

beautiful.

This dream of flowers and leaves after bathing is really beautiful.

Under the emotion, Dongliu’s eyes became gloomy, Mad, Hua Ye Meng is my goddess, but secretly dating a named disciple tonight is really suffocating.

Wow....

when I heard these words, the whole room exploded.

“The vice sect master is dating this kid?”

“Fuck, it’s impossible...”

"I don't believe it either, but the situation at hand is exactly as the senior brother said, the appearance of the vice sect master..."

What the hell!

At this moment, Yue Feng's heart was shocked, and he watched Dongliu closely, and Wuming became angry.

In order to slander me, this kid even disregarded Hua Yemeng's innocence.

"Shut up!"

Hua Yemeng, who was sitting there, trembled even more delicately, her face flushed with anger, she couldn't help scolding Dongliu: "Shut up for me, this seat is innocent, why is it? Can it be easily slandered?"

How could he let a named disciple sneak into his room in the middle of the night?

In anger, Hua Yemeng couldn't help but tilted his head and glared at Yue Feng.

Chapter 4315 It's

all him, if he hadn't barged in in the middle of the night, he wouldn't have been slandered.

In the face of Hua Yemeng's rebuke, Dong Liu smiled and said nothing.

"Vice Sect Master!"

At this time, Hongxia, who had been standing by the side, couldn't help coming out at this time, looking at Hua Yemeng and said contemptuously: "Vice Sect Master, don't be so nervous, the so-called clearer is self-clearing, you don't If you do, others will not slander you, right?"

When she said this, Hongxia had a smile on her face, seemingly polite, but her eyes flashed slyly.

Hongxia has always loved Dongliu, and even sacrificed herself, but in Dongliu's heart, she always regarded Hua Yemeng as a goddess, which made Hongxia always hold a grudge against Hua Yemeng.

At this time, there is a good opportunity to slander Huaye Meng, how could Hongxia let it go so easily?

"What do you mean?"

Looking at Hongxia's pretentious posture, Hua Yemeng was very displeased: "If you have something to say, you don't need to beat around the bush."

At this moment, the whole room was silent, and the surrounding disciples of the Sword Sect were complicated. Looking at Hongxia, each one's mood is full of emotions, and the atmosphere does not dare to let out.

Senior Sister Hongxia is crazy, she dares to question the Deputy Sect Master like this.

Feeling the gazes around, Hongxia didn't panic at all, Yingying smiled at Hua Yemeng and said, "Vice Sect Master, don't be angry, I just want to know, Ah Feng came to ask questions, why do you want to take a bath? This is what you guys agreed?"

Hoo!

Hua Yemeng breathed a sigh of relief, thought for a while, and responded: "We didn't have an appointment at all, I just told him that if there is anything he doesn't understand in the future, just come to me directly."

"I didn't expect that he would come at night. Ask me for advice."

Hua Yemeng is very smart, and in just a few words, Hongxia's questioning has been restored.

At this time, Hua Ye Meng thought that Hongxia would not dare to be aggressive anymore after she explained it.

But she was wrong.

Hehe...

At this moment, the corners of Hongxia's mouth twitched, revealing a playful smile: "Oh, the vice sect master really loves his disciples so much that he even asked your disciples to come and ask you questions at will."

Said, Hongxia After a deliberate pause, he continued, "I'm just curious, Ah Feng is just a named disciple, and according to the rules of the sect, he is not qualified to enter the sword pavilion at all, so I would like to ask, how did he get in

?

"With these words, Hua Yemeng lost the calmness before, and there was a bit of hesitation on her delicate face.

Two seconds later, Hua Yemeng replied calmly: "I gave my token to Ah Feng."

What?

The words fell, and the disciples of the surrounding Sword Sect were all stunned.

Even Mu Jianli frowned, thinking he had heard it wrong.

This... the vice sect master actually gave a token that symbolized his identity to a named disciple, which is totally against the rules.

“Tsk tsk...”

At this moment, Hongxia smiled all over her face, and she was proud of the success of her trick: “The named disciple is not qualified to enter the forbidden area, and he is not qualified to have the token of the deputy sect master, but you gave him the token, Besides, you two met in the middle of the night.”

“What does this mean? It means your relationship, it’s not as simple as it sounds, it’s very intriguing.”

“So, the senior brother didn’t guess wrong at all, the two of you are meeting here privately. .”

quiet!

For a time, the room was deadly silent, and the disciples of the Sword Sect present changed their eyes when they looked at Hua Yemeng. They lost the respect they had before, but showed a kind of disappointment.

“You...”

Hua Yemeng’s face flushed, and she stared at Hongxia fiercely. She was very angry, but she didn’t know how to refute.

Because what Hongxia said was right, Yue Feng appeared in his room at this time, no matter how he explained it, it was unreasonable.

Mad!

At this moment, Yue Feng also frowned, indescribably annoyed.

This winter stream and Hongxia seem to have come prepared.

Haha...

Seeing this situation, Dong revealed a smile, and his heart was indescribably happy.

From now on, the innocence of this flower and leaf dream has been damaged, and he will no longer be high above him. If he wants to approach him in the future, he will have many opportunities.

“Master!”

Thinking to himself, Dongliu said to Mu Jianli: “Sister-in-law said everything is reasonable, this Ah Feng and the deputy sect master met privately in the Jiange late at night, violating the rules of the sect and leading us to the entire sword sect. Shame, don’t hesitate, give the order.” As

soon as the voice fell, Hongxia also rushed up: “Yes, Master, this is the first day of Ah Feng’s arrival, I feel that there is a problem, and the deputy suzerain, I really let it down. It has fulfilled our expectations of her.”

The ultimate husband in Chinese chapter 4316-4320

Chapter 4316

Swish!

Hearing this, Mu Jianli's face was gloomy, his eyes were fixed on Hua Yemeng, and he was very disappointed: "Vice Sect Master, you rescued me back then, I have always remembered it in my heart, but what you did today really made me feel bad. People are very disappointed."

Seriously, Mu Jianli didn't believe that Hua Yemeng was such a casual woman.

But the two disciples, after a detailed inference, Hua Yemeng and this named disciple have almost established an impure relationship.

"Sect Master, you..."

At this moment, Hua Ye Meng was very aggrieved and suffocated, and looked at Mu Jianli in surprise: "You don't believe me?"

Mu Jianli sighed, shook his head, and then To the Dongliu crowd, he said: "Listen to my order, take down Hua Yemeng and put it in the water prison."

After speaking, Mu Jianli turned his head to look at Yue Feng, his eyes couldn't hide the contempt and contempt: "As for this name Disciple, kill directly without leaving any alive."

"Yes, Sect Master!"

Upon hearing the order, Dongliu and Hongxia, as well as the surrounding disciples, responded in unison, and then burst out and came towards Yue Feng.

At this moment, both Dongliu and Hongxia were extremely excited. Looking at Yue Feng's eyes, there is also a flash of revenge.

Isn't this kid great? Does it still fall into our hands in the end?

"Boy, no matter what your purpose of mixing with Jianzong is, lead to death."

At this moment, Dongliu shouted, then pulled out his long sword, drew a shock, and stabbed directly at Yue Feng.

laugh!

This chapter is provided by . Visit for daily update.

With this sword, Dongliu exploded ten successes, and it could be clearly seen that the air around it was torn apart where the long sword passed.

At the same time, Hongxia also shouted, and attacked Yue Feng with a sword!

Ha ha!

Seeing this, Yue Feng stood there, as steady as Mount Tai, sneering silently.

“Just the two of you, do you want to teach me

a lesson?” After Leng Leng said this, Yue Feng’s eyes turned gloomy, urging the power of his Primordial Spirit to avoid Dongliu’s sword with lightning speed. Then flashed to Hongxia’s side, raised her hand and knocked down Hongxia’s long sword!

Although Hongxia’s strength is one of the best among the disciples of the Sword Sect, compared to Yue Feng, she is almost one in the sky and one in the ground. At that time, she didn’t see how Yue Feng made a move, and the long sword fell to the ground.

clap clap!

Before Hongxia could react, Yue Feng raised his hand again and slapped Hongxia twice in the face. Only two crisp sounds were heard, and Hongxia’s face was red and swollen, and she fell directly to the ground.

“You’re courting death...”

Seeing this scene, Dong Liu’s eyes instantly turned blood red, he shouted loudly, and a sword stabbed from behind.

However, Yue Feng seemed to have eyes behind his back, his body flashed, he avoided it easily, and then rushed into the crowd.

Bang bang bang.

Yue Feng’s speed was as fast as a ghost, and in the blink of an eye, the disciples of the Sword Sect who surrounded him were knocked to the ground before they could react.

More than ten seconds later, around Yue Feng, apart from Mu Jianli, who was watching the battle, there was only Dongliu.

Mad!

At this moment, Dong Liu’s face was full of anger, but his heart was uneasy, and a layer of cold sweat broke out on his forehead, staring at Yue Feng, speechless.

Is this kid so strong?

In such a fast time, to hit Hongxia and those senior brothers, I'm afraid that Master can't do it, right?

"Boy, do you still dare to say that you are not a spy?" In the next second, Dong Liu reacted and roared at Yue Feng, and then the long sword stabbed again.

I am a big brother, and I must not be ashamed.

"Go away!"

Hearing Dong Liu's roar, Yue Feng couldn't bear it any longer, his face sank, and his figure rose into the air. While avoiding Dong Liu's sword, he also kicked hard in Dong Liu's heart. .

boom!

At this moment, Dong Lin only felt an overwhelming force coming. With a miserable cry, he flew out directly, and finally smashed the wooden door of the room and fell heavily on the stone slab outside.

"Pfft..."

At the moment of landing, Dongliu looked at Yue Feng unwillingly, the last blood spurted out, and passed out.

Swish!

Seeing this scene, Mu Jianli was secretly shocked, and looked at Yue Feng coldly: "Good boy, it's really hidden." The voice fell, the long sword was drawn, and he stabbed it directly.

Yue Feng sneered, picked up the long sword on the ground, and directly met Mu Jianli.

"Dangdangdang!" The

two long swords kept colliding, making loud noises. After a few rounds, Mu Jianli was full of confidence at first, but gradually, he felt something was wrong.

This kid's swordsmanship is so exquisite? No flaws at all?

Chapter 4317

Mu Jian was more and more shocked from the Vietnam War. Taking advantage of the long sword and Yue Feng's collision, the other hand used the internal force, and directly thought of Yue Feng's shoulder.

hum!

With this palm, Mu Jianli used almost all of his internal strength, and he was bound to kill Yue Feng on the spot.

clang!

Seeing this, Yue Feng chuckled lightly, then raised his hand and collided with Mu Jianli's palms, only to hear a loud noise! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

In the next second, Mu Jianli snorted, and the whole person was shaken back ten steps, but Yue Feng was as steady as Mount Tai, his face changed a little, and he returned to normal.

Obviously, with this palm down, Mu Jianli suffered a loss!

What a powerful inner force!

At this moment, Mu Jianli's heart was suddenly shocked, and he stared at Yue Feng closely, flickering with fear and doubts, this kid is young, not only has exquisite swordsmanship, but also has such deep internal strength. Moved all the internal strength, and actually did not take advantage of it at all.

Feeling Mu Jianli's gaze, Yue Feng's eyes were indifferent: "Mu Changmen, to be honest, I did hide my identity, but these things have nothing to do with Vice Sect Master Hua, if you are looking for trouble, just come to me That's right."

Saying that, Yue Feng looked Mu Jianli up and down: "However, if you really want to fight, you are not my opponent at all, so let's give up."

Since his identity has been suspected, he will not pretend.

"Who the hell are you?" Mu Jianli took a deep breath and asked coldly.

Hehe...

Yue Feng smiled slightly, shook his head and said, "No comment!"

Even if he didn't pretend, he couldn't tell his true identity.

Crash...

Just as I was talking, I heard footsteps coming from outside the door, and then, I saw hundreds of elite disciples of the Sword Sect rushing over. middle-aged man.

These middle-aged men are wearing uniform silver-gray long shirts with silver longsword logos on the necklines. There are obvious differences from those elite disciples.

It is the six elders of Jianzong.

Under the Sword Sect, the Sect Master, is the Deputy Sect Master, and then there are the six elders. It can be said that the six elders have a very high status in the Sword Sect and are very powerful.

Speaking of which, the six elders are only responsible for the affairs of the main altar, so they rarely show up. On weekdays, they only retreat and practice in the back mountain of the forbidden area. But tonight, there was a big movement in the Jiange. The six elders felt that something was wrong, so they rushed over over here!

call!

Seeing the six elders and many elite disciples coming, Mu Jianli suddenly cheered up, took a deep breath, pointed to Yue Feng, and loudly ordered: "Take this person to me and kill him!

" Swish...

The voice fell, and hundreds of elite disciples pulled out their long swords and charged directly towards Yue Feng!

These elite disciples are specially responsible for the security of the main altar, and they are not low in strength. At this time, hundreds of elite disciples shot at the same time, and the burst of aura distorted the sky, and the momentum was amazing.

Seeing this scene, Yue Feng looked indifferent and did not panic at all. There was no nonsense at that time, and the primordial spirit was directly urged to condense on the long sword in his hand.

"Om!" In the

next second, a scream was heard from the long sword, and then, a blood-colored sword light ripped apart the world and swept away toward the elite disciples who rushed up!

Yes, what Yue Feng used at this time was his improved Tiangang Sword Art.

Back then, Nangong Jue, with a few tricks of the Heavenly Gang Sword Art, swept the world, and was famous in the world of Dongao Continent.

“Get out of here!” Yue Feng roared loudly!

“Chichichi...” In the

blink of an eye, the sword glow ripped apart the night sky. At that time, more than half of the hundreds of elite disciples were shrouded in the sword glow, screaming constantly, falling from mid-air and lying in a pool of blood. middle.

hiss!

Seeing this scene, both Mu Jianli and the six elders couldn't help gasping for air!

This kid seems ordinary, and even makes people dare not approach, but the power of the swordsmanship displayed is so terrifying.

Phew...

Shocked, Mu Jianli couldn't help taking a deep breath, his eyes suddenly became hot.

This kid's swordsmanship must have a lot of origins.

Don't let him run away tonight, be sure to get the swordsmanship he learned!

Chapter 4318

Mu Jianli is the master of Jianzong, and Jianzong is good at using swords, so Mu Jianli has a paranoid pursuit of swordsmanship. At this time, seeing Yue Feng's swordsmanship, he immediately gave birth own mind.

“Sect Master, I'll deal with him!”

At this time, one of the elders reacted, his eyes flickering solemnly, and then he pulled out his long sword, his figure suddenly flew up, and went straight to Yue Feng.

“Don't be impulsive!” Seeing this scene, Mu

Jianli was taken aback, and quickly shouted: “This kid's origin is unknown, and his swordsmanship is even more ridiculous. You must not act rashly.”

Jianli said to the other elders, “Quick, let's go together.”

Speaking of which, Mu Jianli would not have paid so much attention to a little-known kid in the past, but after fighting against Yue Feng just now, he was very clear. The guy with the imprints on his face in front of him is very powerful and must not be underestimated.

“Yes, Sect Master!”

Hearing this, the remaining five elders responded in unison, then drew out their long swords, flew up, and surrounded Yue Feng.

Chi Chi...

At this moment, the six elders released their inner strength, and the long swords came out, and they saw the cold light flickering, and the night sky seemed to be shattered!

The six elders were originally strong men who guarded the main altar, and their strength was no trivial matter. In recent years, they have retreated and practiced, and their strength has been further improved. At this time, when they are united, their power is amazing.

“Shengren Sword Formation!”

I saw that the six elders shouted in unison, their figures flickered, and they cooperated with each other to form a sword formation in mid-air, trapping Yue Feng tightly.

chi chi chi...

Under the swaying of the six long swords, terrifying sword shadows came out. These sword shadows quickly condensed together to form a huge sword shadow, like thunder and lightning, suddenly slammed into Yue Feng!

Shengren Sword Array?

Seeing this scene, Hua Yemeng, who was paralyzed in the room, suddenly trembled, and his heart was sweating for Yue Feng.

Others may not know it, but Hua Yemeng, as the deputy sect master of Jianzong, is very clear about this sword formation. The Shengren sword formation is a thousand years ago of Jianzong, who thought that he was extremely talented. A set of sword formations that broke out.

This set of sword formations is infinitely powerful, and once it is displayed, even the masters of the Tribulation Realm will be smashed into pieces.

It can be said that no one can escape as soon as this sword formation comes out.

What the hell!

Seeing that huge sword shadow coming, Yue Feng was also shocked, and immediately urged the figure to retreat, and then used the Tiangang sword art to try to crack it.

Dangdangdang....

I saw that Yue Feng clenched his long sword and waved a few sword flowers to resist the huge sword shadow. The sword flower and the sword shadow collided and made a violent vibration.

Under the cancellation of the strength of the two sides, the sword flower disappeared, and the huge sword shadow became illusory.

Yue Feng's improved Tiangang Sword Art can be said to be the strongest swordsmanship in Kyushu. Of course, he is not afraid of the sword formation of Shengren, but he fought fiercely with Hua Yemeng at first, and then fought with Mu Jianli. The power was already consumed a lot.

At this time, after the original Shengren sword formation, Yue Feng's strength was consumed a lot, and his face showed a bit of weakness.

What?

Seeing this scene, no matter it was Mu Jianli or the six elders, they were all shocked, they stared at Yue Feng, speechless in shock.

This....this kid, is he a human or a monster?

Shengren Sword Formation is the strongest sword formation in Sword Sect, but it was broken so easily by him.

Especially Mu Jianli, his body trembled faintly, and his heart was shocked and complicated.

This kid's swordsmanship is so powerful, he must not be allowed to run away.

Absolutely not, such a superb swordsmanship can only be possessed by Jianzong, and others are not worthy of it.

Thinking to himself, Mu Jianli almost lost his mind, and shouted at the six elders: "Take it down, be sure to capture this kid alive, don't kill him."

Just now Mu Jianli wanted to peel Yue Feng's cramps, but the real After seeing his swordsmanship, let alone the thought of silence.

After all, when a person dies, the swordsmanship cannot be obtained.

Whoosh whoosh!

Hearing the order, the six elders looked at each other and gathered around Yue Feng again.

Chapter 4319

At this moment, the six elders did not care about their identities, and stood up with their own unique skills, and fought fiercely with Yue Feng in the air.

call!

Seeing this scene, in the dream of flowers and leaves in the room, her delicate body trembled, and her heart couldn't calm down for a long time.

This Yue Feng is worthy of being a well-known figure in Kyushu, and it is so easy to deal with the entire Sword Sect master by himself.

It would be a pity for such a person to fall into Mu Jianli's hands.

Oops!

Thinking of this, the previous situation suddenly appeared in Hua Yemeng's mind, her face flushed and she shook her head subconsciously.

What do you think about yourself? Yue Feng is so hateful, he rushed into his room and looked at himself...

For a while, Hua Ye dreamed that he had just come out of the bath, and when Yue Feng saw it, he felt shy and angry again. But she didn't know why, even so, she didn't want Yue Feng to fall.

Mad!

At this time, in mid-air outside, Yue Feng scolded secretly in his heart while dealing with the six elders.

He obviously didn't do anything, just wanted to say goodbye to Hua Yemeng at night, but the group of people in front of him have been aggressive, which is really unreasonable.

Depressed, Yue Feng continued to use his long sword to deal with the siege of the six elders.

To tell the truth, Yue Feng was very easy to deal with the six elders, but after repeated fierce battles, a lot of power was consumed.

"Hey..."

Finally, one of the elders found the opportunity, rushed from behind, and stabbed Yue Feng's waist with a sword.

In an instant, blood gushed out, Yue Feng couldn't help taking a breath of cold air, his figure swayed, fell from the air, and after landing, he staggered back a few dozen steps before he stabilized his figure.

Haha...

Seeing this scene, Mu Jianli was very excited and shouted: "You elders are good at swordsmanship, that's all, catch me alive!"

Mu Jianli shouted, but the six elders did not respond. Instead, they cooperated with each other, and the figures quickly descended and attacked Yue Feng again.

Mad!

Yue Feng was completely anxious, scolded secretly, and shouted: "Sword Dance Changkong!"

Sword Dance Changkong is the strongest sword technique among Tiangang swordsmanship, and it is also a life-saving killing move. I don't want to use it, because this sword technique consumes too much power.

But there is no way, if you don't show it, you really won't be able to run.

Chi Chi Chi....

the moment the voice fell, Yue Feng clenched his long sword, rose into the sky, and waved a dazzling sword shadow in the air. At the same time, it was dazzling, and the sky of the entire Sword Sect main altar was lit up, which was very shocking.

This... what kind of swordsmanship is this?

So strong!

Seeing this scene, both Mu Jianli and the six elders were inexplicably frightened. Afterwards, the six elders did not hesitate at all, and they all spread out to avoid them.

Whoosh!

Seeing this scene, Yue Feng knew that his opportunity was coming, he turned around and flew directly towards the night sky in the distance.

In a blink of an eye, he had disappeared into the night, but he was injured and blood was spilled all the way.

"hateful!"

Seeing Yue Feng escape, Mu Jianli's face was hideous, and he was indescribably annoyed.

At this time, the six elders walked over quickly, and one of them saw the blood spilled on the ground and said, "Sect Master, don't be annoyed, that kid is injured and can't escape, we will immediately pursue him, and we will be able to catch him soon. Come back."

Saying that, the six elders broke out in unison, flew into the air, and chased in the direction that Yue Feng fled.

"Master?"

As soon as he left, he heard an eager shout, followed by a slender figure coming quickly from the outside.

His face was full of anxiety, it was Aoichi.

Qingyi was resting and slept until midnight when he heard the sound of fighting coming from the Jiange side. At that time, Qingyi didn't hesitate to come over to take a look.

This...

At this moment, seeing the scene in front of her, Qing Yijiao's body trembled and she was stunned.

I saw that there were hundreds of corpses of elite disciples of Sword Sect everywhere. Near the door, Dongliu and Hongxia fell to the ground, unconscious.

Not far away, Sect Master Mu Jianli stood there with a dark face, gloomy and scary.

Chapter 4320

In the room, Hua Yemeng sat paralyzed there, her delicate face was pale, and there was blood in front of her, and she was indescribably weak.

what happened?

A few seconds later, Qing Yi reacted and shouted at Hua Yemeng in the room, "Master, how are you? Who injured you?" After speaking, he was about to rush into the room.

Hua Yemeng smiled weakly, and no longer had the strength to respond.

"Stop!"

But at this moment, Mu Jianli flickered, blocking the door, and scolded Qing Yi with a gloomy face: "You said you were allowed to enter the Jiange?"

"I..."

Feeling Qingyi was very nervous about Mu Jianli's aura, and opened his mouth: "I'm here to see Master, Master... is injured."

Mu Jianli snorted coldly and waved at Qingyi: "Your master Not dead, it's already good luck." The dignified deputy sect master, to do such a thing, really embarrassed Jianzong's face.

At this time, Mu Jianli, under the bewitchment of Dongliu and Hongxia, believed in his heart that Hua Yemeng and Yue Feng had an unspeakable secret.

What?

Qing Yi was confused. She had just arrived and didn't know what was going on.

At this time, Mu Jianli said coldly: "Your master is no longer the deputy suzerain, and you, the person you brought called A Feng, whose origin is unknown and has ulterior motives, has now killed so many of my elite disciples."

"The culprit in all of this is all you."

When he said the last sentence, Mu Jianli's eyes flashed with strong killing intent, he drew his long sword and pointed at Qingyi: "Tell me, how do you want to die!"

What? ?

Feeling Mu Jianli's killing intent, Qing Yi's body trembled. At that time, the whole person was blinded, and his brain was buzzing?

This.... these disciples were all killed by Ah Feng? Why would he do this?

If it was because of Ah Feng's words, it would make sense for the sect to kill himself...

"Don't!"

At this moment, the delicate face of Hua Yemeng in the room was full of anxiety, and he directed at Mu Jianli's weakness. Said: "Sect Master, don't kill Qingyi, she is simple-minded, young and ignorant, she was deceived by that A Feng. Please take my face and spare her life."

When saying this, Hua Yemeng Heartbroken.

Although she has many disciples, the one she loves most is Qingyi.

Ha ha!

Hearing this, Mu Jianli's mouth twitched, revealing a sneer: "Hua Yemeng, if you say that, she doesn't even know about you and that kid?"

"That kid came to Jianzong because of your arrangement. "

It's your decision to accept him as a named disciple? You know his identity very well, right?"

Huo!

Hearing this series of questions, Hua Yemeng took a deep breath, nodded and said, "Yes."

Yue Feng changed into A Feng's false name, and was accepted as a named disciple by himself, and he really knew it.

"Okay!"

Seeing Hua Yemeng's answer so happy, Mu Jianli nodded: "Since you admit it, then I will promise you and spare this girl's life."

After speaking, Mu Jianli glanced at Qing coldly. At a glance, the tone was unusually indifferent: "Girl, you are lucky, you can go, from now on, you are no longer a disciple of Jianzong."

Dengdengdeng...

Hearing this, Qingyi felt that his heart was hit by an invisible sledgehammer, and his delicate body staggered back, and his heart was even more reluctant and sad.

Have you been expelled from the mountain gate?

Speaking of which, Qingyi grew up in Jianzong. Although he has been bullied all the time, he still regards this place as his home, because there is a master here. Although the master is usually cold on the outside, he always loves himself very much in his heart.

Qing Yi was stunned there, her delicate body trembling non-stop. After more than ten seconds, she regained her senses and called out to Hua Yemeng softly; "Master..." As soon as she said two words, she burst into tears It flowed uncontrollably.

“Let’s go!” Hua Yemeng was also very uncomfortable, her red lips parted lightly, and she spit out a word with difficulty.

To be honest, she didn’t give up, but she couldn’t help it. She had already taken care of the whole thing, so don’t bother her apprentice anymore.

However, Qing Yi stood there without moving, just crying silently.

The ultimate husband in Chinese chapter 4321-4330

Chapter 4321

Huh?

Seeing that Qing didn't move, Mu Jianli lost his patience and said coldly: "Girl, are you still leaving?"

Qing Yi took a deep breath, shook his head and said, "Where is the master, where is I, I will not leave."

Mu Jian Li's eyes flickered, and his tone was somewhat abusive: "Don't want to die?"

Qing opened her mouth and wanted to respond, but was interrupted by Hua Yemeng.

"Mo Qingyi."

At this time, Hua Yemeng, anxious and angry, shouted at Qingyi: "From now on, I will officially expel you from the teacher's door, you and I are no longer a master-disciple relationship, So, my affairs have nothing to do with you, you hurry down the mountain for me."

When he said this, Hua Yemeng's pale face was full of unsympathy. Mo Qingyi is Qingyi's full name.

However, she felt a pain in her heart.

In fact, she didn't want to do this either, but she couldn't help it. At this point, if Qing Yi continued to stay in the Sword Sect, it would definitely be more fortunate than good luck. Driving her down the mountain would save her life.

"Master..."

Hearing this, Qing Yi's body trembled, and she could barely stand still: "You...you love me the most, don't drive me away..."

"Qingyi, I don't know yet, Hua Yemeng did this for her own good.

Hua Yemeng's delicate face was full of indifference, and she shook her head and said, "Mo Qingyi, just because you brought a person of unknown origin, I lost my position as deputy sect master, do you think I will recognize you as an apprentice? Is it? I'm already like this, you still want to stay by my side and continue to harm me?" After

speaking, Hua Yemeng turned her head and stopped looking at her: "Go away, never let me see it again."

This chapter is provided by . Visit for daily update.

You go Well, never let me see it again.

Pfft!

Hearing this sentence, Qing Yi felt extremely uncomfortable, his whole body seemed to have been exhausted, and he fell down and sat there, tears kept streaming down.

Master doesn't want me anymore, really doesn't want me anymore.

At this time, Qing Yi kept these words echoing in his mind.

Finally, Qing Yi was tired from crying, turned around and knelt on the ground, crying at Hua Yemeng, "Master, I'm leaving, you... take care of yourself."

After kowtowing three times, Qing Yi slowly He stood up, lost his soul and turned to leave.

Ugh!

At this moment, Hua Yemeng raised her eyes and looked at Qing Yi's leaving back, and she felt unspeakable in her heart. Silly girl, it's not that Master doesn't want you anymore, but in the current situation, you will have a lot of trouble staying in Jianzong. Master has to do this in order to protect you.

"Tsk tsk!"

At this moment, Mu Jianli walked into the room slowly, and mocked at Hua Yemeng: "It's really a teacher-disciple relationship, Hua Yemeng, I know that you are protecting her like this, and I will fulfill you."

"However, that kid named Ah Feng, you must make it clear."

Hua Yemeng sighed lightly: "I have nothing to say."

Mu Jianli was stunned for a moment, and then sneered: "This is not up to you!"

Said After that, Mu Jianli issued an order, summoned the patrolling disciples outside to come, clean up the mess after the battle of Jiange, and then let the comatose Dongliu go to rest.

After everything was cleaned up, it was already dawn.

At this time, the unconscious Hongxia woke up. At that time, Mu Jianli did not hesitate to ask her to call everyone in the main altar and gather in the square. He wanted to publicly interrogate Hua Yemeng.

Half an hour later, the square in front of the main hall of Jianzong's main altar.

Mu Jianli sat on a chair with Hongxia standing beside him. There were thousands of general altar disciples standing around.

On the stone slab below, Hua Yemeng tied his hands and feet, and stood there with acupuncture points on his body, unable to move at all.

"Hua Ye Meng!"

At this moment, Mu Jianli asked lightly, "Tell me, what does that kid named A Feng have to do with you, and the swordsmanship he displayed, what's going on?"

Hua Ye Meng bit her lip lightly and said weakly, "I have nothing to do with him at all." What

she said was the truth, and indeed it had nothing to do with Yue Feng!

"No?"

Hearing the response, Mu Jianli's face became gloomy: "At this time, you still want to hide it?" The

voice fell, and Hongxia, who was standing by the side, couldn't help but quickly stepped up and raised her hand fiercely. Give Hua Ye Meng a slap in the face.

Snapped!

With this slap, Hongxia tried her best, only to hear a crisp sound, Hua Yemeng's body trembled, and she almost collapsed to the ground.

Chapter 4322

Hua Ye Meng was shocked and angry, looking at Hongxia coldly.

She never thought that this Hongxia not only slandered herself before, but also was so arrogant and domineering that she dared to do it in public.

"Dare to stare at me?"

Feeling Hua Yemeng's anger, Hongxia's face was gloomy and her eyes were cold: "Hua Yemeng, thank you for being the vice sect master of our Sword Sect, but you're so disrespectful that you meet wild men privately in the middle of the night."

"We all bumped into this, you still don't admit it?"

"Crack!" The

voice fell, Hongxia stepped forward quickly, and slapped Hua Yemeng in the face again.

This slap was even more ruthless, and a crisp sound was heard, Hua Yemeng groaned, and blood poured out from the red lips, directly dyeing the long skirt.

At this moment, Hua Ye Meng wanted to stand up, but her hands were tied behind her back and her feet were injured, so she couldn't exert any strength at all!

"Okay!"

At this time, Mu Jianli, who was sitting there, seemed to be unable to bear it any longer, and scolded Hongxia: "Hongxia, she was also the deputy sect master of Jianzong, how could you be so rude Retire first!"

Said, Mu Jianli picked up the teacup next to him, took a sip, then looked at Hua Yemeng and asked, "Hua Yemeng, this is the end, what else do you have to hide? You have violated the rules of the house by meeting that kid late at night. I didn't kill you immediately, which is already a lot of face for you."

"Speaking of which, you saved me back then, I shouldn't have treated you like this, but privately. It's private, the public is public, if I am open to you and don't ask anything, how will I lead the entire

Sword Sect in the future?" At the end, Mu Jianli's eyes showed some anticipation: "Tell me, that What is the true identity of A Feng, and what does it have to do with you? Where did he learn his swordsmanship?"

To be honest, Mu Jianli didn't want to do this either. After all, Hua Yemeng saved him a few years ago.

But when such a big thing happened last night, it was very difficult for Mu Jianli to be selfish.

More importantly, the boy with the imprint on his face, the swordsmanship is excellent, it is simply exquisite, and Hua Yemeng has such a close relationship with him, he must know something.

"Sect Master..."

Facing Mu Jianli's question, Hua Yemeng felt bitter in her heart, her lips were white and pale, and she said helplessly: "What should I say, I have already said it, I have nothing to do with him, where does his swordsmanship come from? I don't know what I learned."

Hua Yemeng certainly knew where Yue Feng's swordsmanship came from, but he absolutely couldn't say it. You must know that Yue Feng's swordsmanship was learned from Sword Demon Nangong Jue, and Sword Demon Nangong Jue was the great enemy of Sword Sect.

As the apprentice of Nangong Jue, Yue Feng has always been regarded as the number one enemy by Jianzong.

In this case, if he said that Ah Feng was Yue Feng, Mu Jianli, Hongxia and the surrounding disciples would definitely think that he was secretly colluding with his great enemy.

At that time, the situation facing him will be even worse.

Therefore, these things cannot be said at all.

Mad, you're still stubborn!

Hearing this answer, Mu Jian was out of anger, so he gave Hongxia a hint and asked her to continue teaching Hua Yemeng.

Mu Jianli is a hypocrite. On the surface, he is polite to Hua Yemeng. In fact, he has long forgotten the grace of saving his life. At this time, due to his identity, it is not easy to teach himself a lesson, so Hongxia can only do it for him.

Hongxia understood, walked over quickly, and slapped Hua Yemeng on the face again: "You bitch, still haven't admitted it yet?"

"According to what you mean, the one named A Feng killed so many disciples of Jianzong last night, and it has nothing to do with you? If you hadn't sheltered him at that time, would things have developed to this stage?"

Wow!

The moment the words fell, the thousands of Sword Sect disciples around were all staring at Hua Ye Meng with complicated expressions.

At the same time, Mu Jianli lost his patience, his face became more and more gloomy, and he asked coldly: "Hua Yemeng, that kid, is your apprentice Qingdai who went up the mountain, right?"

Hua Yemeng nodded . , with complex emotions flashing in his eyes: “Yes. That’s right..”

Hmm!

Mu Jianli nodded, and then asked coldly: “Before Qing took him up the mountain, you knew it, right? What secret is he coming to our Sword Sect?”

Hua Yemeng breathed softly and shook his head: “I do not know about this.”

Chapter 4323

Seriously, Hua Yemeng also knows that he and Yue Feng have no personal grudges, so he can’t commit himself to a desperate situation because of his identity.

But she has a cold and arrogant personality. Seeing people like Mu Jianli and Hongxia, she believes that she is dating Yue Feng, and her innocence has been slandered.

Because she knew that it would be more troublesome to talk about this kind of thing, so it would be better not to say a word.

“Okay! Very good!”

Seeing Hua Yemeng’s softness and hardness, Mu Jian was trembling with anger, stood up directly, pointed at Hua Yemeng and shouted: “That kid killed so many disciples in the general altar, you still You want to cover him up, okay, I want to see how much your mouth wins.”

“Fight, continue to fight until she’s willing to say it!” The

voice fell, and Hongxia walked over, raised her hand, and slapped her hard. Throwing it on the face of Hua Yemeng.

Snapped! Snapped! Snapped!

A burst of crisp slaps sounded, and the people around were terrified.

How could Hua Ye Meng endure such humiliation? At that time, she gritted her teeth tightly, endured the pain, and did not shout.

After beating for a while, Hongxia was still not relieved, so she brought a whip and kept hitting Hua Yemeng. It was a leather whip with barbs, and when the whip went down, it would leave a trail of blood.

In the blink of an eye, the long dress on Hua Yemeng’s body was completely stained with blood, and the whole person was extremely weak and sluggish, but his eyes were still determined.

Hua Yemeng has a tough personality, as long as it is something she believes, she will not say it if she is killed.

Seeing that Hua Yemeng was about to pass out, Hongxia didn't intend to stop.

In Hongxia's heart, she has always been very jealous of Hua Yemeng. She became the deputy suzerain at a young age, and she often looks like she is aloof. More importantly, the senior brother is very obsessed with her, which makes Hongxia feel extremely envious and happy. envy.

But Hua Yemeng was the deputy suzerain before, and her status was detached, so Hongxia was dissatisfied and didn't dare to show it, and now she finally had the opportunity to teach her a lesson, naturally she would not be merciful.

"Stop it!"

At this moment, Mu Jianli saw that Hua Yemeng could faint at any time, and he couldn't bear it any longer. He stood up and waved his hand.

"Master!"

Hongxia held the whip tightly, her charming face full of reluctance: "This bitch is too hateful, he deserves to be killed..."

Before she could finish speaking, she was stopped by Mu Jianli. "Shut up, you don't listen to what Master said?"

Seeing Master's anger, Hongxia reluctantly put away the soft whip, and then stepped aside, just looking at Hua Yemeng, still full of resentment.

At this time, Mu Jianli slowly approached Hua Yemeng with a complicated expression, and said lightly, "Hua Yemeng, I'll give you one last chance, will you tell me?"

"As long as you say who he is, Jian Where did I learn the law from, I can let it go!"

When he said the last sentence, Mu Jianli's eyes were full of urgency.

Huh...

Looking at Mu Jianli's expression, Hua Yemeng completely understood something.

It turned out that Mu Jianli had done so much, and the last thing he wanted was swordsmanship...

Thinking to himself, Hua Yemeng breathed a sigh of relief, only to feel pain all over his body, and he didn't even have the strength to speak, but he was still weak. Said: "I don't know!"

Shua!

At this moment, Mu Jianli was completely angry, his face was extremely ferocious, his eyes flashed coldly, and he shouted angrily: "Okay, since you are so ignorant of praise, don't blame me. You were the deputy sect master of Jianzong before, and you have a lot of skills. They all studied in Jianzong, and now they have been expelled from the mountain gate, this body of cultivation will come back."

Om!

The last word fell, and a powerful breath burst out from Mu Jianli.

In the next second, Mu Jianli raised his palm and hit directly on the dantian of Hua Yemeng. In an instant, Hua Yemeng was unavoidable, and he felt severe pain all over his body, and his dantian's inner strength collapsed directly!

"Ah..."

Under the severe pain, Hua Yemeng cried out in pain, only to feel that the only strength in her body dissipated in an instant. The delicate body kept trembling, and her face was pale.

Seeing this scene, the surroundings were silent, and everyone present looked at Hua Ye Meng with indifference in their eyes, without the slightest sympathy.

You must know that Hua Yemeng, as the deputy suzerain, but together with outsiders to harm the same family, is simply an unforgivable sin!

At this time, Mu Jianli said coldly: "Mian Yemeng, I gave you a chance, but you can't blame me for always hiding it for an outsider!"

Chapter 4324 After speaking

, Mu Jianli said to the surrounding disciples: "Put her in Houshanshui Prison, let her rest for two days, and continue the interrogation when her injuries are better!"

"Yes, Master!"

Hearing The order, Hongxia complied, and then greeted several disciples, dragged Hua Yemeng out of the square, and locked it in the water prison in the back mountain.

After doing this, Hongxia hurried to Dongliu's room.

Senior Brother should wake up now.

Sure enough, when I got to the room, I saw that Dongliu had woken up and the wound had been bandaged, but his face was still a little pale.

“Senior Brother!”

Seeing this situation, Hongxia was very happy, she hurried over and hugged Dongliu’s arm and said, “You’re awake, it’s great, I thought you were seriously injured!”

Dongliu Nodding, his emotions seemed to be a little depressed, and he didn’t speak.

As a senior brother of Jianzong, he was taught by an outsider over and over again, and he was even knocked unconscious. It was impossible for anyone to balance this matter.

Hongxia is extremely relaxed. Thinking of something, she said with a smile: “By the way, I forgot to tell you, the one named A Feng ran away, but Hua Ye Meng was caught by Master.

” Ye Meng, Hong Xia couldn’t hide the atmosphere: “This flower and leaf dream is really cheap. I was in the square just now and refused to admit my relationship with that Feng, but I also taught her a lesson!”

What?

Hearing this, Dongliu’s heart was shocked, and his face was very complicated. Has Hua Yemeng been arrested? That is her own goddess.

Thinking to himself, Dongliu couldn’t help but ask, “What about now?”

Hongxia looked relaxed and said proudly: “Just locked in the water prison. Master wants to know the swordsmanship of that kid. He won’t kill Hua Yemeng for the time being, and he has to get clues from her mouth.”

Oh...

Dongliu breathed a sigh of relief, and was very fortunate that it would be good if he didn’t die.

Afterwards, Dong Liu pretended to be very weak, covered his head and said, “Junior sister, I’m a little tired, you can go to work and let me rest for a while.”

“I’ll accompany you.” Hongxia said softly, showing full expression charming.

However, Dong Liu was in no mood at this time, shook his head and said, “Junior sister, I’m really tired, come back tomorrow night, darling, let me have a good rest.”

Seeing him say that, Hongxia pouted, reluctantly. He snorted and walked out.

As soon as his forefoot left, Dongliu swept away his weak appearance and quickly got out of bed with a smile on his face.

Yes, Dongliu just pretended to send Hongxia away, and then went to the water prison to see Hua Yemeng.

Hua Ye Meng was the deputy suzerain before, with a detached status. Although Dong Liu had an idea in his heart and didn't have the courage to approach, it is different now. Hua Ye Meng has become a prisoner. For Dong Liu, it is a once-in-a-lifetime opportunity.

Haha... Flower Dream, here I come!

At this moment, Dongliu deliberately changed his clothes, and then quietly rushed towards the Houshanshui Prison, indescribably excited.

...

the other side.

More than ten kilometers away from the main altar of Jianzong, there is a small town called Huai'an Town.

This town is not big. It is named after a locust forest around it. Although the town is small, it is very prosperous because it is located in a major traffic road.

At this time, at the intersection of the town, there was a slender figure standing alone, wearing a long white dress and carrying a sword, which seemed out of tune with the environment in front of him.

It was Mo Qingyi.

"Master..."

At this moment, looking at the bustling street in front of him, Mo Qingyi's mood did not improve in the slightest, but instead became more and more desolate. When he thought of being expelled from the teacher's door, his grief came from it, bitterness. In response, tears poured out again!

"Why!"

While crying, Mo Qing questioned himself in his heart: "I didn't do anything wrong, why did things become like this, Jianzong drove me down the mountain, and the master didn't want me anymore..."

At this time, Mo Qingyi felt very uncomfortable, she couldn't understand why her master who had always loved her suddenly became so heartless.

Originally, when I took the injured Ah Feng up the mountain, Master praised it, but all of a sudden, everything changed!

Originally, I was an orphan. Master didn't want me, so I went to wander around the world.

Chapter 4325

But .. why are you so unwilling?

Thinking to myself, Mo Qing stood there blankly, crying for a while, laughing for a while, and almost collapsed!

After a while, Mo Qing calmed down and was about to find a place to eat.

“Woooooo...”

However, when she passed an alley, Mo Qing suddenly stopped, and she heard a heart-wrenching cry coming from the alley.

There are children and women in the cry, which is very desolate and heart-wrenching.

As soon as he heard the cry, Mo Qing thought about his own situation, and his heart was touched.

Swish!

As soon as he entered the alley, seeing the scene in front of him, Mo Qing was shocked, angry and distressed!

I saw in the alley, a well-dressed middle-aged man, standing there with an impatient face, surrounded by a few servants, in front of them, a mother and daughter sitting on the ground, hugging each other and crying.

The mother and daughter, wearing patched clothes, were pitifully dirty.

Beside them, there was a stretcher, and on the stretcher was a dead man covered with a white cloth, which should be the father of the little girl.

This mother's Aying, the little girl's name is Fangfang.

Fangfang's father died unexpectedly when he was working for others, and the family suddenly had no source of income, and even no money for Fangfang's father's burial.

Moreover, Aying herself had a terminal illness, so she had no choice but to bring Fangfang out, planning to sell her and bury her husband with the money she got.

The mother and daughter sat here for a day, and finally met a kind middle-aged man, who knew that Fangfang kept crying and refused to leave.

Seeing her daughter cry, Ayingna could stand it, and she burst into tears at that time.

“Ahh..”

Seeing the mother and daughter crying, the middle-aged man standing there was completely impatient, and frowned at A Ying: “Is your daughter still for sale? If you don’t sell it, I’ll leave. “The

middle-aged man’s name is Li Dong, a businessman. He passed through Huai’an Town today, and saw that A Ying was going to sell her daughter to bury her husband, and that Fang Fang was beautiful and well-behaved, so she decided to sell it. How could she know that Fang Fang would not live or die? leave mom.

“Fangfang.”

Hearing Li Dong’s urging, Aying wiped away her tears and said earnestly to Fangfang: “Listen to mother’s words, go with this uncle, follow him, you won’t have to suffer from cold and starvation. Do you know?”

When he said this, Ah Ying was heartbroken.

In the world, is there any parent who is willing to sell their child? They are all forced helplessly.

“Mom...”

Hearing this, Fangfang cried even more fiercely, hugging Aying’s neck tightly, choking her throat: “I’m not leaving... I want to be with my mother, I don’t want to leave with others. 呜 ... “

Arit is anxious, one will push Fangfang, deliberately and deepen.” You sweep the stars, you are to buy new clothes, go to find live Something went wrong, you killed your father, are you going to continue to implicate me? Get out, get out of my way...”

Halfway through the scolding, Aying couldn’t help turning her head and wiped her tears.

She didn’t want to scold the child like this, but she couldn’t help it. If she didn’t do it on purpose, the child wouldn’t go with this Boss Li. And she was seriously ill, and the child would only endure hardship when she followed her.

While secretly wiping her tears, Aying coughed quietly, and even coughed up blood.

Seeing her mother suddenly become so fierce, Fangfang was stunned.

call!

Seeing this scene, Mo Qingyi felt very uncomfortable.

A Ying's expression changes, as well as subtle movements, Mo Qing saw it in his eyes, and his heart was very touched at this time, and at the same time, he suddenly understood something.

This mother, not only her husband died, but also fell ill herself, she was really desperate, so she would sell her daughter.

That master....is she the same as this mother?

At that time, he pretended to be heartless and terminated the relationship between master and apprentice, but was he actually protecting me?

For a time, Mo Qing suddenly became enlightened.

“Let's go!”

Just when Mo Qing was muttering in his heart, he saw Li Dong throw the money to A Ying, then took Fang Fang's hand and was about to leave.

“Wait!”

Seeing this situation, Mo Qing didn't have time to think, and hurried over.

Swish!

At this moment, both Li Dong and Aying and the mother and daughter looked at Mo Qingyi in astonishment.

The ultimate husband in Chinese chapter 4326-4330

Chapter 4326

As soon as Mo Qing walked up to him, he smiled at Aying: “You love your daughter so much, no matter how difficult it is, don't leave her, I have a few spirit beasts, you If you sell it for money, not only can you bury your husband, but the rest can also protect your mother and daughter.”

After speaking, Mo Qing handed the retail inner pills on his body to A Ying. Dan, Mo Qingyi went down the mountain to do things a few times before, and Hua Yemeng gave her a reward.

After giving Neidan, Mo Qing turned around and left, rushing towards the main altar of Jianzong.

At this time, Mo Qingyi had completely understood that when Hua Yemeng drove her away, it was not really to cut off relations with her, but to have good intentions.

...

the other side!

Sword Sect, Water Prison!

The water prison was dark and damp, and Hua Yemeng sat on the stone slab in the water prison, her delicate and beautiful face was full of weakness, and her heart was also extremely hopeless.

The inner strength of the dantian was destroyed, and he has now become an ordinary person.

Could it be that... his final destiny is to die in this water prison?

In despair, Hua Yemeng thought of Mo Qingyi again.

Aoichi....you're already down the mountain now.

It's not that Master doesn't want you anymore. If you stay, you'll be like Master, and they won't let you go.

Shasha...

Just when Hua Yemeng was secretly sad, suddenly, a slight footstep sounded slowly from outside.

This chapter is provided by . Visit for daily update.

It was already late at night, and the entire mountain behind the Sword Sect was silent, so the sound of footsteps was particularly harsh.

squeak-

Soon, the door of the water prison was slowly opened.

Hua Yemeng exhaled lightly, looked up quickly, and saw a young man walking in slowly, with a smile on his face.

It is the winter stream!

Seeing Dongliu, Hua Yemeng was stunned for a moment. Although she was a little flustered, she still looked indifferent and said lightly, "Dongliu, what are you doing in the water prison in the middle of the night?"

Hehe.

Dongliu first smiled, and then came up with a pleasing look: "Hua Yemeng, don't panic, I'll come and see you!"

After saying that, Dongliu looked up and down at Hua Yemeng with a distressed expression: "Master Junior sister and sister, it's really cruel, to actually beat you like this, alas!" As

he said, Dongliu admired Hua Yemeng, his eyes straightened.

beautiful!

So beautiful.

Although the flower and leaves dream at this time, his face is weak and embarrassed, and the long skirt is still full of blood, but it can't hide the charming curve, especially the weak look at this time, any man will be happy when he sees it. Pity, I can't wait to hold it in my arms and comfort it.

Phew...

Hearing this, Hua Yemeng took a deep breath and did not respond, and felt a little unhappy in her heart.

There must be nothing wrong with this guy, especially those eyes, which are too wretched.

Thinking about it, Hua Yemeng said coldly, "What exactly are you trying to say?"

Dongliu looked up and down at Hua Yemeng, walked up slowly, and smiled and reassured: "Don't be a jerk of a thousand miles. From the outside, I really came to see you."

"You said that you, the dignified deputy sect master, have fallen into such a state. Do you know that you are a goddess high above the ground in my heart. You are so sexy and charming. Wouldn't it be a pity to die in this water prison?"

“Otherwise, You are my woman, as long as you agree, I will take you down the mountain quietly and arrange a safe place for you, okay?”

After saying the last sentence, Dong Liu’s face was full of seriousness, and his eyes flashed with madness.

Yes, this is the purpose of winter flow.

For so many years, he has been coveting the beauty of Mosaic Dream, but because of the identity of the other party, he did not dare to take excessive actions. Now, Mosaic Dream has become a prisoner, how can Dongliu miss the opportunity?

He thought about it, after taking Hua Ye Meng down the mountain, he would find a hidden place for her to live in, and when he had time in the future, he would accompany her and enjoy the tenderness of the beauty.

It was a magical day.

Swish!

Hearing this, Hua Yemeng’s pretty face froze, and she was full of shame and anger: “You...you get

out of my way...” This Dongliu is really shameless. He can say such a rebellious and outrageous words, even when he is now locked in a water prison. , was also the deputy sect master of Jianzong. According to his seniority, he was regarded as his uncle, and he actually wanted to be his woman.

Chapter 4327

Hey!

Hua Yemeng’s scolding did not make Dongliu restrain, but stimulated his interest, and said with a smile: “Hua Yemeng, I really did not expect that you look so charming when angry, do you know that in recent years, I’ve always been fascinated by you!”

“Come on, be my woman, I won’t treat you badly!”

After saying this, Dongliu pulled out his long sword and cut the ropes of Hua Yemeng’s hands and feet at once.

After doing this, Dongliu’s eyes flashed with a wicked smile, he suddenly raised his hand and grabbed towards Hua Yemeng!

Dongliu's hand was very fast. Although Hua Yemeng regained his freedom, his dantian's inner strength was abolished. At this time, he was very weak. Even if he wanted to dodge, it was too late. In an instant, his wrist was tightly grasped.

Phew...

The moment she grabbed her wrist, Dongliu got closer again, sniffed gently in front of Hua Yemeng, her face was wretched and intoxicated, she couldn't help but admire: "Hua Yemeng, you are so fragrant. , I can't take it anymore."

"You..."

Hua Yemeng was shy and angry, struggling and scolding: "Dongliu, show me some respect. This is a water prison, you mess around. If you come, you are not afraid of being known by your master?"

When she said this, Hua Yemeng was angry, but she couldn't tell the tension in her heart.

If a day ago, Hua Ye Meng didn't take Dong Liu in his eyes at all, but now it's different.

Haha...

Hearing the anger, Dongliu didn't panic at all, and smiled proudly: "Hua Yemeng, don't say that, I respect you very much now, you think, I will take you down the mountain quietly, but I will take you down the mountain. It's a big risk, and in return, shouldn't you cooperate a little to make me happy?"

"Also, I'm the senior brother, even if someone is outside, I don't dare to talk nonsense."

While saying that, Dongliu rubbed the jade hand of Hua Yemeng very obscenely, and was extremely obsessed.

"I..."

Hua Yemeng struggled, trying to break free, but couldn't, and said coldly: "You stop being self-righteous, even if I die here, I don't need you to save me, let alone Come down with you."

"Hurry up and get out of here!"

Hua Yemeng almost said it through gritted teeth. He used to be the deputy sect master of Sword Sect, he was pure and clean, and he was aloof. When was he ever so blasphemed by a man?

Simply a shame.

roll?

Hearing this word, Dong Liu was stunned at first, then smiled evilly, and became more courageous, grabbing Hua Yemeng's hand and pulling it violently.

Hua Yemeng exclaimed and slammed into Dong Liu's arms. At that time, before he could struggle, he was hugged tightly by Dongliu.

"Flower Dream!"

At this moment, Dongliu said with a smile: "At this point, do you think you still have the right to refuse? Let me tell you, I am in a good mood now, and I have the patience to say a few good things to you. But don't make me anxious!"

"If you make me anxious, I'll kill you!"

When he said the last sentence, Dong Liu's face was full of hideousness, like a demon in hell.

Huh...

Feeling the killing intent on Dong Liu's body, Hua Ye Meng's body trembled, and she was stunned, panicking in her heart.

Crazy, this winter stream is really crazy.

"That's right!" Seeing that Hua Yemeng was no longer struggling, she was obviously restrained by herself, Dong Liu was in a very happy mood, said a word with a smile, and then slowly put her mouth up.

Oh...is this my destiny?

Seeing Dongliu approaching slowly, Hua Yemeng realized that she could no longer escape from the clutches, her heart was full of misery, she gave up struggling, and closed her eyes in despair.

Why? Why does it become like this?

In this water prison, if you are insulted by Dongliu, you might as well just die!

It's all that Yue Feng. If he didn't come to Jianzong, so many things wouldn't happen, but he helped him hide his identity, which is an indisputable fact.

Perhaps this is his destiny.

Thinking of this in my heart, Hua Yemeng was indescribably miserable, her eyes were red, and her tears couldn't help falling.

At this time, the dream of flowers and leaves can clearly feel that the heavy breathing of Dongliu hit his face.

At this moment, Hua Ye Dream was about to make a final struggle, but was hugged tightly by Dong Liu, unable to move at all.

Qingyi, you must walk the rivers and lakes well and learn your skills well. When your strength improves, you must return to the Sword Sect and avenge me.

Chapter 4328

In despair, Mo Qingyi's figure suddenly appeared in Hua Yemeng's mind.

In Hua Yemeng's heart, the world is so big, and Mo Qingyi is the only one who is closest to him.

Qingyi, Master will not be in this world tonight, please take care.

Thinking about it, Hua Yemeng's tears were falling down, she could feel that Dong Liu's lips were about to touch her, and in an instant, her heart was ashes!

Hua Ye's dream is good, if he is really insulted by Dongliu, he will try his best to commit suicide, and he will never live in this world.

"Stop."

Just when Hua Yemeng was in despair, Dong Liu's mouth was about to touch her. Suddenly, a cold and tender voice came from the room at the entrance of the water prison.

The voice was soft, with a hint of tension, but it was extremely firm.

Mad, who's bad for me?

Hearing the voice, Dongliu was stunned for a moment, then quickly stopped, looked back subconsciously, and looked back.

I saw a slender figure coming slowly, walking briskly, holding a sword in his hand, looking at the female disciple dressed as Sword Sect, but because it was dark and his vision was not good, he could not see the face of the other side for a while.

"I told you to come in?"

Dongliu thought it was another female disciple who came in to see the situation, and angrily scolded: "I'm interrogating the criminal, the stakes are very important, you can get me out quickly.

" The female disciple of Dongliu, who was full of anger and didn't know the eye circles, was Mo Qingyi who had been driven down the mountain before.

Blue one?

At the same time, Hua Yemeng was also stunned, his heart was surprised and excited, and his delicate body kept shaking.

She and Qingyi master and apprentice for so many years, they are very familiar with each other, Dongliu can't hear Qingyi's voice, but Hua Yemeng can hear it all at once.

"Qingyi?"

Under the excitement and surprise, Hua Yemeng couldn't help but said softly: "You...why are you back?" He said that, but his heart was indescribably excited.

"Master!" Mo Qing squeezed out a smile, and said bitterly: "After I went down the mountain, I figured out that you were protecting me, so you drove me away on purpose, right? I was so stupid at the time, I didn't even think of this. With

that said, Mo Qing raised her jade hand, pointed at Dong Liujiao and shouted, "Let go of my master, or I will be rude to you."

When he said the last sentence, Mo Qing was full of anger, but his tone But a little nervous.

For so many years, Mo Qingyi has been bullied in the main altar, especially Dongliu. Every time she sees her, she is ridiculed in all kinds of ways. Mo Qingyi has become a habit. But still a little timid.

"Oh?"

Hearing Qingyi's anger, Dongliu reacted and sneered: "Who am I? It turns out to be you stinky girl."

After speaking, Dongliu's eyes froze and threatened: "Smelly Girl, get out of here quickly, you are a waste who was expelled from the mountain gate, how dare you come back?"

When he said this, Dong Liu's face was full of disdain.

In his heart, Mo Qingyi is not only ugly, but also has average strength, so he doesn't have to worry about it at all.

However, Mo Qing stood there, motionless, and had no intention of leaving at all.

Seeing this situation, Dongliu suddenly lost his patience, stood up suddenly, pointed at Mo Qing and angrily said: "What? Seeing me and your master so close, you feel uncomfortable? Let me tell you the truth, your master is so Mei, it would be a pity if she died in prison, so I violated the rules and prepared to take her down the mountain! So I would like to thank me, otherwise, with your ability, how can you help Master?"

"However, I will take the risk. With such a big risk, your master always wants to give me some benefits. Forget it, I won't tell you so much, you stinky girl, I'm afraid you'll never know what it's like to be a real woman, hurry up and don't get in the way My eyes." The

last word fell, and Dongliu waved his hand, his face full of impatience.

"I won't go."

Mo Qing's eyes were full of determination, looking at Dong Liu and said word by word: "If you want to go, I will also take Master with you, and I will not let you touch me. Master."

Chapter 4329

Huh?

Hearing this, Dongliu was completely angry: "Ma De, you are ugly, what qualifications do you have to talk to me like this? I think you are courting death!"

After saying that, Dongliu's inner strength exploded, and at the same time he pulled out his long sword.

In an instant, a powerful aura filled the entire water prison.

"Qingyi!"

Seeing this situation, Hua Yemeng's body was trembling and anxious, and she couldn't help shouting at Qingyi: "Go away, you are not her opponent, go away, go!"

"If Master today If you are humiliated, you will avenge me in the future. You know that."

In Hua Yemeng's heart, Mo Qingyi was very satisfied that he could appear at a critical moment. But in the current situation, if she doesn't leave, she will be killed by Dongliu.

After all, Qingyi's swordsmanship was taught by herself, how could she be able to beat Dongliu?

However, Mo Qingyi didn't seem to hear it, and stood there quietly, watching Dongliu's internal power erupting, his eyes were full of determination: "Dongliu, I don't want to fight you, you let me take Master away!"

"What are you doing daydreaming?"

Dongliu sneered, and his eyes were even more contemptuous: "What qualifications do you have to tell me this? I warn you one last time, hurry up, or I'll be rude!"

" ...

Hearing this, Mo Qing let out a long breath and silently clenched the hilt of the sword.

Master can't go just when he needs him!

Absolutely can't go!

Mo Qingyi's movements, Dong Liu looked at her, saw her holding the hilt of the sword, and suddenly showed a contemptuous smile.

"Stinky girl, I have already given you a chance. If you don't grasp it yourself, don't blame me. Kill you, and I will enjoy your beautiful master!" The voice fell, Dong Liu's figure flashed, and a sword stabbed at Mo Qing Come!

call!

This sword contains 70% to 80% of Dongliu's skill. It can be clearly seen that the air around it seems to be distorted wherever the long sword passes!

Seeing this situation, Mo Qingyi became inexplicably nervous, but after thinking about his master, he quickly regained his composure.

"I'm here today, and you mustn't let you touch my master!"

Mo Qingyi bit her lip tightly. After saying this, she quickly stimulated her inner strength, and immediately drew out her long sword, attacked it, and fought against Dongliu. stand up.

"Dangdang!"

Mo Qingyi used the sword technique taught by Hua Yemeng. She saw that she was constantly colliding with Dongliu's long sword, making loud noises. After a few rounds, Mo Qingyi felt a little bit supported. stop!

After all, Dongliu is a senior brother with outstanding strength. Among the entire Sword Sect disciples, there are few rivals.

And Mo Qingyi's strength is weak, and among the disciples of this sword sect, he is not ranked at all. At this time, fighting against Dongliu is completely hitting the stone with the egg.

“Ma De!”

After fighting for a few rounds, Dongliu looked at Mo Qingyi in a complicated way: “I can't tell, the swordsmanship has improved a lot compared to the previous two years, and it can actually block me so many moves.”

“But I I'm not in the mood to play with you anymore, go to hell!”

Said coldly, Dongliu flipped his wrist, raised his hand and hit him!

At this time, Dongliu just wanted to kill Mo Qingyi as soon as possible, and then enjoy the dream of flowers and leaves.

“Qingyi, be careful...”

Seeing this scene, Hua Yemeng couldn't help but let out a coquettish cry, her eyes full of worry.

Qingyi is really stupid, you are not Dongliu's opponent at all, why don't you leave.

Huh...

Seeing Dong Liu's palm coming, the speed is extremely fast, Mo Qing's delicate body trembled, and she panicked, she couldn't escape at all.

boom!

The two palms touched each other and made a dull vibration. At this moment, Mo Qing's delicate body stepped back several steps, and his face was instantly ugly!

Dongliu is a senior brother with strong internal strength, and Mo Qingyi is certainly not his opponent!

Mo Qing felt a tightness in his chest, stabilized his figure, looked at Dong Liu in shock and anger, his face was full of unwillingness and fear.

The strength of Dongliu is really strong.

How to do? Should he be allowed to defile the master?

“I can't think of myself!”

Looking at Mo Qingyi's expression, Dongliu's mouth twitched into a sarcasm: “With this little strength, you dare to speak out and save people? Smelly girl, I have long disliked you, and I told you to get out of here just now. You don't get out, so don't blame me.”

Chapter 4330

As he spoke, Dongliu held his long sword tightly and walked towards Mo Qingyi step by step.

“Run...”

At this time, Hua Yemeng stomped her feet in a hurry and shouted at Mo Qingyi: “Qingyi, run away, do you want to die here too?”

“Don't forget that the master gave you As you say, go down the mountain to practice hard, and avenge your master in the future.”

When she shouted the last sentence, Hua Yemeng's tears couldn't stop flowing.

Huh...

Hearing Hua Yemeng's cry, Mo Qingyi bit her lip tightly, and felt a little flustered in her heart.

How to do?

He is not the opponent of Dongliu, and if he continues to fight, he will die.

What the master said was right, keeping the green hills, not afraid of running out of firewood, it is more important to run for your life.

But.... if he left, Master will be insulted by him... That

's right!

Just when Mo Qing was entangled, suddenly a flash of light flashed and thought of something.

Ah Feng passed on my 'Sijue Swordsmanship' before, you can try it, maybe you can defeat Dongliu.

Thinking of this, Mo Qingyi was very excited, and he was not so nervous in an instant!

In the next second, Mo Qingyi looked closely at Dong Liu who was approaching, and his red lips lightly opened: "Dong Liu, I said just now that as long as I am here, you will never be allowed to hurt my master, never!

" Falling, Mo Qing silently recited the formula in his heart, the jade hand clenched the long sword, and swung it violently, the air around it distorted in an instant, and a sharp sword qi burst out.

laugh...

The sword light was as fast as thunder, and it was almost in the blink of an eye, and it arrived in front of Dongliu.

What?

This... what kind of swordsmanship is this? It's so fierce!

Seeing that sword glow, like thunder and lightning, Dong Liu was secretly taken aback, and there was an inexplicable panic in his heart, and then he wanted to dodge, but it was too late!

Pfft...

In the next second, I saw that sword light pass through Dongliu's body, Dongliu's body was shocked, he groaned, a wound appeared in his heart, and blood gushed out instantly.

impossible!

Dong Liu stretched out his hand to cover the wound, trembling all over, staring at Mo Qingyi blankly, speechless in shock.

This is impossible, how could this stinky girl have such exquisite swordsmanship?

You must know that you have just played against her, and Mo Qingyi's skills are completely familiar to him. How can he suddenly become a person and hurt himself so easily.

Moreover, that sword energy just now was really terrifying!

"You..."

Finally, Dong Liu reacted and glared at Mo Qingyi: "I see, you learned the swordsmanship of A Feng, right? He passed the swordsmanship to you."

Saying this At that time, Dongliu was full of humiliation and grief.

I remembered that the swordsmanship that Mo Qingyi used just now was used by that kid a few days ago. At that time, that kid used this swordsmanship to defeat Hongxia and other senior brothers.

This...

At the same time, Hua Yemeng was also trembling, staring at Mo Qingyi blankly, shocked and excited.

Yue Feng taught Qing Yi swordsmanship?

That sword just now must be the 'Tiangang Sword Technique' of Sword Demon Nangong Jue, right? Absolutely exquisite!

In the face of Dongliu's questioning, Mo Qingyi ignored it and walked over quickly.

"Master!" The

next second, when he arrived at Hua Yemeng, Mo Qing asked in a soft voice, "How are you? Can you leave?"

As he was talking, Mo Qing felt something, and his heart trembled: "Master, You...you hit the dantian's inner strength..." She clearly felt that the dantian inner strength of Hua Yemeng had all disappeared, and it was empty.

"It's okay..."

Hua Yemeng smiled bitterly and said lightly: "Master, like you, was also expelled from Jianzong. This cultivation base was learned in Jianzong, and now he has returned."

Wow

Hearing this, Mo Qingyi couldn't bear it any longer, hugged Hua Yemeng tightly and cried: "Master, it's all my fault, if I didn't leave then, you wouldn't be bullied by them. ."

At this time, Mo Qingyi felt very guilty.

I was so stupid at the time that I thought that Master really didn't want me anymore, but I didn't know that she took everything for my safety.

"Okay, okay!"

Hua Yemeng smiled weakly and comforted: "Isn't Master okay? Stop crying, why is it still the same as when I was a child?"

The ultimate husband in Chinese chapter 4331-4340

Chapter 4331

Hearing this, Mo Qing stopped her tears.

In the next second, Mo Qing glanced at Dong Liu, who was slumped on the ground: "Master, what should I do with him?"

"Kill him!"

Hua Yemeng bit her lip tightly, her delicate and beautiful face was full of coldness: "It is also a disaster for such a person to stay in the rivers and lakes. Today, I will take this opportunity to get rid of him."

When he said this, Hua Yemeng's eyes were full of shame and anger.

Dongliu, this bastard, who dared to sully himself just now, he deserves to die.

"Okay!"

Hearing this, Mo Qingyi didn't hesitate at all, holding the long sword tightly, and walking towards Dongliu quickly.

Mo Qing has always been well-behaved, what the master says is what the master says, and this Dongliu has bullied her since he was a child because he is a big brother. Mo Qing wanted to kill him early in the morning, but he only thought about it in his heart before, not at all. Dare to put in practice.

And today, when finally got this opportunity, Mo Qingyi naturally won't let it go.

Pfft!

Seeing this situation, Dong Liu's face instantly turned bloodless, and he was so frightened that he knelt down on the spot, his voice trembling: "Don't kill me, don't kill me, Deputy Sect Master Hua, Junior Sister Qingyi, I was I'm obsessed, I'm shameless, I'm despicable, I'm not a human... Please, spare my life."

At this time, Dongliu, almost crying, kept kowtowing in apology.

To be honest, he didn't want to be so cowardly, but he had no choice. The sword just pierced through his heart, and he had no ability to resist. If you don't beg for mercy, you will die.

Scum!

This chapter is provided by . Visit for daily update.

Hua Yemeng was not moved at all, but incomparably contemptuous, directed at Mo Qing: "Kill him!"

Um!

Mo Qing nodded, the long sword turned and stabbed directly at Dongliu!

At this moment, Dongliu's face turned pale, and he was suddenly desperate.

Crash...

But at this critical moment, I heard footsteps coming from outside the water prison, followed by a charming voice: "Senior Brother, are you inside?"

It was Hongxia.

In the evening, Dongliu pretended to be very weak and pushed Hongxia away. After Hongxia left, she felt a little uneasy. In the middle of the night, she went to Dongliu's room, but Dongliu was not there.

Hongxia knew that Dongliu admired Hua Yemeng and guessed that he must have come to the water prison, so she came to check.

Here comes!

At this moment, Mo Qing was startled, quickly put away the long sword, turned around to support Hua Yemeng, and left from the back door of the water prison. The Shanshui Prison behind Jianzong has two exits because of its unique location.

Before leaving, Mo Qing turned back and glared at Dong Liu: "You are lucky today."

With that, Mo Qing helped Hua Yemeng to leave quickly.

To be honest, Mo Qingyi is not afraid of Hongxia, but this is the main altar of Sword Sect after all, if Hongxia shouts loudly and calls more people, it will be troublesome.

After all, Master has no inner strength in his dantian and needs to be taken care of.

Phew...

Dong Liu let out a long sigh of relief, and suddenly collapsed on the ground, clutching the wound in his heart, secretly rejoicing.

Fortunately, Hongxia came in time, otherwise I would really die today.

At this moment, Hongxia brought two Sword Sect disciples and walked in quickly. Seeing the scene in front of her, her tender body trembled.

“Senior Brother!” The

next second, Hongxia let out a coquettish cry, and hurried over to help Dongliu up: “How are you? Are you all right?”

After speaking, Hongxia said to her two companions, “Quick, Hurry up and invite Master to come.”

The two disciples looked at each other, didn’t dare to neglect, and hurried out.

After a while, Mu Jianli walked quickly into the water prison, surrounded by several disciples.

what’s the situation?

Seeing the scene in front of him, Mu Jianli’s face was gloomy and inexplicably annoyed.

I saw that the eldest disciple Dong Liu’s heart was full of blood, his face was pale and he was dying, but Hua Yemeng disappeared.

Soon, Mu Jianli came to his senses and took out Qing Yidan for Dongliu to take. Qingyidan is the holy medicine for Jianzong to heal wounds. Even if Dongliu’s heart is injured, as long as he takes Qingyidan, he can temporarily save his life.

Huh...

A few minutes later, Dongliu’s expression improved, and he looked at Mu Jianli with fear and confusion: “Thank you, Master.”

At this time, Dongliu was very terrified.

If Master knew that I had broken into the water prison privately, and that I was still plotting against Hua Ye Meng, I would definitely not forgive me lightly.

Chapter 4332

“Winter Liu!”

Mu Jianli’s face was gloomy, and he asked Dongliu: “What’s going on? What are you doing in the water prison in the middle of the night? Who injured you? Also, where did Hua Yemeng go? already?”

Huh!

At this moment, Hongxia and other Sword Sect disciples next to them also watched Dong Liu closely, waiting for his answer.

Dongliu took a deep breath and said weakly, "The disciple was out on patrol tonight, and I overheard the movement in the water prison, so I came over to have a look. After arriving, I saw that Mo Qingyi was about to save Hua Yemeng and leave. When

he said this, Dongliu had a serious look on his face, but felt uneasy in his heart.

Entering the water prison privately, and preparing to sully the dream of flowers and leaves, this matter must not be said, only a lie can be made up.

"Mo Qing ran back?"

Hearing this, Mu Jianli frowned: "She took Hua Ye Meng away?"

"Yes!"

Dong Liu nodded, very humiliated and angry: "At that time, the disciple wanted to stop him. How could he know that Mo Qingyi, who learned the swordsmanship from nowhere, was very cunning and ruthless. The disciple was not an opponent, so she was stabbed with a sword."

What?

Hearing this, Mu Jianli's expression changed, and he was secretly shocked.

The strength of Mo Qingyi is not even ranked among the disciples of Jianzong, but just now, he actually injured his most proud disciple with swordsmanship.

This....

just when Mu Jianli was muttering secretly, Dong Liu continued: "Master, I suspect that Mo Qingyi's swordsmanship was learned from that kid named A Feng..."

It was the same one again. kid.

At this moment, Mu Jianli clenched his fists tightly, holding back the fire in his heart: "Pass my order and send all the disciples down the mountain to capture Hua Yemeng and Mo Qingyi, no matter what, they must be brought back to me. "

Yes, Sect Master!"

Feeling Mu Jianli's anger, the surrounding disciples responded one after another, and then quickly walked out of the water prison.

At this time, Mu Jianli was very angry, and his face was extremely ugly. Last night, it was the one named A Feng who hurt so many disciples of Jianzong. Now, Mo Qing has hurt Dong Liu again.

In the final analysis, that kid's swordsmanship is too strong, and this swordsmanship must be obtained no matter how much it costs.

"Master!"

Seeing his face, Hongxia couldn't help but comfort her: "You calm down, the two Hua Yemeng can't run far, you forgot, you abolished her cultivation in the square before. , is now a waste, even if you get down the mountain by chance, you won't be able to run far."

Saying that, Hongxia couldn't help but glance at the weak Dongliu, and continued: "Senior brother has been hurt, and now the most important thing is It's healing."

Hmm!

Hearing this, Mu Jianli responded, and his expression softened slightly.

....

on the other side.

Located 80 miles northwest of Jianzong, there is a lake, and the lake is an antique manor.

This manor was originally a place for wealthy businessmen to recuperate. However, three days ago, it became a secret stronghold of the Five Poison Sect. After Ji Hongshang led the disciples of the Five Poison Sect into Dongao Continent, she began to look for a place to live, and finally locked it. this manor.

At this time, inside the manor hall.

Ji Hongshang was sitting there, wearing a deep red dress, indescribably charming and charming, but her complexion was very bad, a bit pale, and her mood was extremely bad.

After living in this manor, Ji Hongshang began to press Bai Yunfei, how to fully integrate the power of the devil soul, but after several times of pressing, Bai Yunfei refused to say a word.

This made Ji Hongshang very angry.

Now that three days have passed, Ji Hongshang can clearly feel that the power of the demon soul in the body is already showing signs of disorder. If it is not completely solved, I am afraid of endless troubles.

In front of Ji Hongshang, there were more than a dozen elite disciples standing, all of them bowing their heads and looking nervous.

“Sect Master!”

Finally, one of the elite disciples took a step forward and respectfully said to Ji Hongshang: “Then Bai Yunfei refused to say it, I don’t think we need to waste time on him.

” There are many famous doctors on the rivers and lakes of Dongao Continent, or if the disciples arrest those famous doctors, they may be able to solve the situation of the suzerain...”

Chapter 4333

Call!

Hearing this, Ji Hongshang breathed a sigh of relief and nodded: “Okay, just do as you said.”

Bai Yunfei refused to speak, and had to use other methods.

“Sect Master, rest assured, your subordinates will bring those famous doctors back as soon as possible.”

Seeing Ji Hongshang’s promise, the disciple was full of excitement, and hurriedly responded, and hurriedly left the hall with the others.

...

Valley of Flowers!

Hundred Flowers Valley is located in the north of Dongao Continent. There are many mountains and few people here. However, there is a valley between the mountains and forests. The valley is full of exotic flowers and grasses.

Although Baihua Valley has beautiful scenery and many famous wild herbs, but also because of this, there are many poisonous insects and beasts dormant in the valley. Therefore, for thousands of years, many people from all corners of the world have explored and collected medicines, but very few of them have successfully left. They were not poisoned by poisonous insects. To die is to be bitten by a beast.

But half a year ago, Qin Sheng Mu Xixi and his disciple Song Qian passed by here and saw the charming scenery of Baihua Valley, which raised the idea of living in seclusion here.

At that time, Mu Xixi and Song Qian, with their powerful strength, completely eliminated the poisonous insects and beasts in the Hundred Flowers Valley, and then built an elegant small courtyard.

Because it is in the Valley of Baihua, the courtyard is called Baihuacaotang.

Since then, Mu Xixi and Song Qian have lived in seclusion in Baihua Valley, living a life of indifference to the world.

Later, some people from all corners of the world came to Baihua Valley to collect herbal medicine. They were rescued by Mu Xixi because of indiscriminate drug use. Mu Xixi had stayed with Yue Feng for a while. When Yue Feng was studying medicine, Mu Xixi also Watching from the sidelines, over time, she has achieved some achievements in medical skills.

The rescued Jianghu people were very grateful to Mu Xixi. After leaving Baihua Valley, they told more people about their experience, saying that there was a beautiful goddess doctor in Baihua Valley.

In less than half a year, the story of the goddess doctor in Baihua Valley spread almost all over the rivers and lakes of Dongao Continent.

At this time, in the Hundred Flowers Thatched Cottage, Mu Xixi sat cross-legged on the grass and closed her eyes.

Next to her, Song Qian also leaned against the windowsill for a lunch break.

“Excuse me, is the goddess doctor here?”

At this moment, a polite voice came from outside the cottage.

Swish!

Hearing the voice, Mu Xixi opened her eyes, and her delicate face showed a bit of displeasure.

I thought that living in seclusion in Baihua Valley would be very clean, but I never thought that every few days, people from all corners of the world would come to seek medical treatment.

It's a real headache.

“It’s really annoying!”

At this time, Song Qian also woke up, frowning lightly, “Master, if you don’t want to see me, I’ll send him away.” After speaking, Song Qian got up and was about to go out.

Mu Xixi waved her hand and said softly: “Forget it, since he’s here, ask him if he needs help.”

Although Mu Xixi has a cold and arrogant personality, she is also very kind in her heart. People in the rivers and lakes should help each other, and it is not good to drive people out directly.

While talking, Mu Xixi got up and walked out.

Song Qian quickly followed.

When I got outside, I saw a man standing outside the thatched cottage door. He was wearing a dark blue long gown.

“Under Yuantong.”

Seeing Mu Xixi’s master and apprentice coming out, the man saluted respectfully: “It’s a disciple of Fengzhuang, and I have seen the goddess doctor.”

Fengzhuang?

Hearing this, Mu Xixi frowned, and she and Song Qian looked at each other, and they were a little puzzled by each other.

What sect is Fengzhuang? The two masters and apprentices have lived in seclusion in Dongao Continent for nearly half a year and have never heard of it.

Thinking to herself, Song Qian couldn’t help but ask: “Is your Fengzhuang a sect?”

Haha...

Hearing the question, Yuan Tong smiled slightly: “Master Hui, our Fengzhuang is a sect, which was established recently, you didn’t l’ve heard of it, and it’s normal.”

When he said this, Yuan Tong was polite on the surface, but there was a strange light in his eyes.

Yes, Fengzhuang is the manor occupied by Ji Hongshang, and this Yuantong is a disciple who was ordered to come out to find a famous doctor. During this time, the name of the goddess doctor Mu Xixi became more and more popular in the rivers and lakes. These five poisonous sects Disciple, the first to stare at her.

Chapter 4334 Huh

...

At this time, when he heard Yuan Tong's answer, Mu Xixi nodded: "It turned out to be a newly established sect, you came to me, what's the matter?"

Yuan Tong smiled, very He said politely: "The owner of my house heard that there was a goddess doctor in Baihua Valley, and he admired it very much, so he specially sent me here to invite the goddess doctor to Fengzhuang for a talk."

What?

Hearing this, Mu Xixi smiled lightly and said in a tactful tone: "You and your village owner don't know each other, and I don't want to go far, so let's forget it."

"Break through quickly, you don't want to go anywhere."

More importantly, this newly established Fengzhuang has nothing to do with himself, and is really not interested in making friends.

Uh...

Seeing her refusal, Yuan Tong was very embarrassed, but he still smiled and begged: "The goddess doctor don't refuse first, to be honest, the owner of my house has recently suffered from a strange disease, and the lotion has been greatly affected. I'm suffering, and I asked the goddess doctor to come with me and show the owner of my house."

It turned out that he came to see a doctor.

Mu Xixi froze there, silent.

"Goddess doctor."

At this time, Yuan Tong continued to say with a sincere expression: "Life is at stake, if the goddess doctor saves the owner of our house, we in Fengzhuang will definitely be grateful to Dade. The Buddhists say: saving one life is better than making seven grades. Buddha, the goddess doctor is very graceful, and she should not die without saving, right." I

have to say, this Yuantong is very good at talking, for a while, Mu Xixi put down her worries and nodded: "Okay, since you I sincerely invite you, then I will go with you."

After speaking, Mu Xixi ordered Song Qian, "Qianer, pack up, let's go."

"Okay!"

Song Qian nodded, then quickly turned around and went into the room to pack her bags.

A few minutes later, Mu Xixi and Song Qian followed Yuantong to leave Baihuagu and headed towards Fengzhuang.

At this time, Mu Xixi didn't know that she was facing a trap.

.....

At this moment, the main altar of Danzong.

On the mountain behind the main altar of Danzong, there is a huge alchemy room. This alchemy room is completely transformed from a natural cave and has a large scale.

At this time, in the alchemy room, the elder Lin Mu was sitting there, quietly observing the alchemy furnace in front of him.

Below the Dan furnace, the fire is burning vigorously.

There are five elders in Danzong. Each elder has a very high achievement in the art of alchemy, but the most skilled is Rinmu. It is said that Rinmu entered Danzong at the age of five, and now he is sixty-five years old. For 60 years, he has not left the alchemy sect, and he has devoted himself to studying the technique of alchemy every day.

As a result, Linmu was also dubbed 'Danchi' in Danzong. '

And at this time, Lin Mu was refining a kind of medicinal pill 'Jueyuan Dan' that was lost two years ago. The so-called Jueyuan Dan, as the name suggests, after taking it, the inner power of the dantian will be instantly emptied, which is very domineering.

Swish swish...

But at this moment, I heard a few breath fluctuations from outside the alchemy room.

Who is rushing into the alchemy room?

When the alchemy was disturbed, Rinmu was very unhappy, and immediately strode out. When he went outside, he was stunned when he saw the scene in front of him.

I saw that there were several men in black standing outside the alchemy room. These men in black covered their faces, only showing a pair of eyes, and they were not good people at first glance.

"Who are you?"

After being stunned for a few seconds, Rinmu frowned and asked, "Dare to trespass into the forbidden area of Danzong?"

Hearing the scolding, several masked men were not nervous, but looked at each other and talked in a low voice.

"Is it him?"

"That's right, Rinmu, the head of the five elders of Danzong, has extremely high attainments in the art of alchemy. If he is captured, he may be able to help."

"Then don't talk nonsense. ."

Under the discussion, several masked people couldn't help but rush over to surround Rinki.

Yes, these masked people are the disciples of the Five Poison Sect. They came to arrest Rinmu at this time to help Ji Hongshang solve the power of the demon soul.

What a bold man!

Looking at the masked men rushing up, Rinmu was furious. At that time, his inner strength urged him to directly attack him. However, he was skilled in alchemy, but his cultivation strength was not very good, and he was quickly caught.

Afterwards, several masked men quietly took Rinki out of the forbidden area in the back mountain.

It is precisely because the alchemy room is a forbidden area and no disciples come here on weekdays, so Rinmu was arrested and no one saw it at all.

Chapter 4335

During this day, the disciples of the Five Poison Sect acted simultaneously in various places in Dongao Continent. Not only did they deceive Mu Xixi and forcibly arrest Linmu, but also other famous doctors were also brought to Fengzhuang by various methods. .

....

the other side!

On Dongao Continent, about a hundred miles northwest of Jianzong, there is a mountain forest.

In the mountain forest, a figure rushed forward, and the blood-marked face was dripping with sweat. It was Yue Feng.

After escaping from Jianzong, Yue Feng had been flying for several hours and was already very tired, but Yue Feng did not stop. Because he knew that he had killed so many disciples of Jianzong, and Mu Jianli would not let it go.

Seriously, if Yue Feng would not have been so embarrassed before, but there is no way, the power of the Faye Red Lotus has not been fully integrated, and in the previous battle, Yue Feng has consumed a lot of strength, and continued to confront Jianzong head-on, It's self-destruction.

call!

I don't know how long it took to run, but Yue Feng breathed a sigh of relief. Seeing a small stream in front of him, he was instantly refreshed.

Muttering in his heart, Yue Feng walked quickly to the stream, washed his face first, then poured a few mouthfuls of river water, and sat by the river to rest.

Alas...

While resting, Yue Feng's thoughts were surging, and he unconsciously thought of Hua Yemeng and Mo Qingyi.

I'm gone, Jianzong won't deal with Hua Yemeng, right?

Although she is the deputy suzerain, I broke into her room in the middle of the night and was seen by so many people. It was difficult to explain who it was.

And Qingyi, will she also be implicated?

Muttering, Yue Feng thought about it, she and Hua Yemeng were not friends. If she wanted to protect herself, she only needed to tell her true identity.

Thinking to himself, Yue Feng is no longer worried.

Whoops!

However, at this time, there was a sudden sound of footsteps behind him. The footsteps were very dense and fast. Obviously, they were all experts in the rivers and lakes!

Hearing the movement, Yue Feng quickly looked back.

hiss!

Seeing this, Yue Feng almost jumped up from the ground, and at the same time he couldn't help gasping for air, very speechless.

Nima, this sword sect is coming so fast, it is bound to be with me forever.

I saw a few people coming from the direction behind them, all of them filled with a powerful breath, holding a long sword, murderous, and they were the six elders of Jianzong.

At the same time, the six elders also saw Yue Feng, and they were immediately refreshed and shouted angrily. "Stinky

boy, let's see where you're going!"

"Killed so many of our disciples, hurry up and capture!"

"You can't escape, accept your fate!"

Surrounded by a group.

Mad!

Yue Feng stood there, motionless, but his face was extremely gloomy.

That Mu Jianli really looked down on me so much that he even expelled all the six elders.

Thinking about it, Yue Feng smiled slightly, with a cynical attitude, and said to the six elders: "Let's stay on the line, see you in the future, do you Jianzong want to kill me?"

Having said that, Yue Feng sighed lightly and continued: "I'm just a nobody, so there's no need to engage in such a big battle, right?"

Huh?

Hearing this, the six elders looked at each other in dismay, and their hearts were all stunned.

This kid is quite courageous. Even in this situation, he can still laugh?

In the next second, the Great Elder Tang Yun couldn't help shouting angrily: "Don't chat with us, quickly put down your weapons and surrender, and return to the main altar with us, maybe you can save a life."

"If you are stubbornly resisting, then Don't blame us for being rude." The

voice fell, and the other elders nodded.

“Execute them on the spot.”

Yue Feng showed a smile and answered indifferently: “You think I’m stupid? If I go back with you, I’ll be the only way to die. Well, hurry up and leave, I don’t think I see you. , otherwise, I have no choice but to be rude.”

What?

Hearing this, whether it was Tang Yun or the other elders, their faces were instantly blue and angry.

This kid is really crazy. Not only does he not surrender, but he dares to threaten us?

“Stop talking nonsense with him!”

At this moment, Tang Yun’s eyes were full of anger, and he shouted: “Come together, first teach him a lesson, and then take it back to see the sect master.”

The ultimate husband in Chinese chapter 4336-4340

Chapter 4336

How can you endure being despised by a dignified Jianzong elder?

When the words fell, Tang Yun pulled out his long sword and came straight towards Yue Feng!

Swish...

The voice fell, and the other elders also urged their inner strength, clenched their swords tightly, and attacked Yue Feng.

Ugh! let’s hit!

Seeing the six elders attacking at the same time, Yue Feng was very helpless. He sighed secretly at that time, then clenched his long sword and went up to face it, fighting fiercely with the six elders.

Dangdangdang....

If anyone sees this scene at this time, they will definitely be shocked.

In the entire Dongao Continent, the person who can make the six elders of the Sword Sect take action at the same time is absolutely extraordinary.

He saw that Yue Feng was waving his long sword like a wandering dragon. His figure was elegant and he was constantly shuttled among the six elders. Although the swordsmanship of the six elders was fierce, he couldn't even touch the corner of his clothes.

Yes, what Yue Feng used was the Tiangang sword technique.

It's just that Yue Feng fought continuously and ran non-stop for several hours before, and the power of the red lotus of law fused in his body has been exhausted.

It can't be beat like this.

For a time, Yue Feng's speed became slower and slower, and his heart became anxious.

mad.

This chapter is provided by . Visit for daily update.

At the same time, Tang Yun and the other elders were all anxious.

Six people can't even win a kid. If it spreads out, the prestige of Jianzong will be ruined.

Thinking of this, Tang Yun and the other elders looked at each other, and all the internal energy burst out, and at the same time, the shot was getting faster and faster.

Chi...

Finally, taking advantage of Yue Feng's unpreparedness, Tang Yun stabbed a wound on his shoulder. At that time, Yue Feng groaned, and blood poured out instantly, staining his clothes red.

"Hahaha..."

Seeing this scene, Tang Yun was full of pride and laughed loudly: "Boy, should I advise you to surrender obediently? You can't hold it any longer. If you fight again, you won't be able to save your life.

", Tang Yun was originally very jealous of Yue Feng. After all, when they fought at the main altar before, this kid broke their Shengren sword formation.

However, when he noticed Yue Feng's weak appearance, he immediately lost his worries.

In the face of Tang Yun's mockery, Yue Feng ignored them, but swung his long sword and continued to fight them fiercely. But at the same time, Yue Feng was also constantly observing the surrounding environment.

Click!

A few seconds later, Yue Feng retreated while fighting, suddenly raised his hand with a sword, and cut off a tree with the thickness of an arm. After cutting it, Yue Feng grabbed it and stuck it on the ground.

Yes, Yue Feng is going to use the formation to deal with the six elders. You know, his strength is exhausted immediately, and it is no longer possible to fight recklessly.

Um? What is this kid doing?

Seeing this scene, Tang Yun frowned secretly, and then he couldn't help sneering and sneering: "Boy, do you want to use these trees to deal with us? It's so naive, I tell you, you can't run today!"

Yue Feng ignored it. He is still fighting while cutting down the surrounding trees!

And after cutting down these trees, Yue Feng would just put them aside. In less than a minute, dozens of trees were planted around Yue Feng.

Mad, something is wrong!

At first, Tang Yun didn't take it to heart, but as he saw more and more trees around him, he felt something was wrong. He clearly saw that these trees seemed to be in a mess, but after careful consideration, there seemed to be another mystery...

"Alas!"

Just as Tang Yun was muttering secretly, Yue Feng showed a smile and sneered: "Thank you all. Jianzong has passed down the great sect for nearly a thousand years, and the six dignified elders can't catch me as a nameless soldier. I see, don't go back, find a place to live in seclusion, so as not to embarrass Jianzong!

"I tell you, if you can't catch me today, it will be my grandson!" The

voice fell, and Yue Feng quickly entered the wooden formation.

Yes, Yue Feng just set up a wooden formation among the five elements. It seems simple, but in fact it is extremely mysterious.

"Looking for death!"

Hearing Yue Feng's ridicule, Tang Yun exploded with anger, and said angrily, "You brat who

doesn't know how to live or die, how dare you speak up?" At the same time, the other elders were also very angry.

The six elders of the dignified sword sect have an extraordinary status, but at this time they are mocked by an unknown pawn, how can they bear it?

Chapter 4337

"Cut off his feet!"

In anger, Tang Yun didn't hesitate at all, clenched his long sword and rushed in directly.

To be honest, Tang Yun at this time could not wait to kill Yue Feng immediately, but the sect master said that this kid must be captured alive, so he had to cut off his feet to vent his anger.

Wow...

At the same time, the remaining elders also rushed into the wooden formation.

Haha...

Seeing Tang Yun and the elders rushing in, Yue Feng showed a smile, and his heart was very funny.

With this little IQ, it is still the six elders of the Sword Sect, who just rushed in with a little provocation.

"Stinky boy!"

Seeing that Yue Feng was still able to laugh at this time, Tang Yun felt humiliated and shouted angrily: "You can still laugh when death is imminent. Can you stop us? It's so naive." With

that, Tang Yun's inner strength exploded, ready to cut off Yue Feng's legs with the other five elders. However, what happened next made him stunned.

At this time, Tang Yun was surprised to find that the wooden stakes in front of him seemed to be alive. He was very close to Yue Feng, but these wooden stakes would move, keeping him and Yue Feng apart.

what's the situation?

This is so wicked.

At the same time, the other five elders were also sweating profusely, and they were all in shock.

what happened?

It's just a piece of wood, why does it seem like it has entered the ecstasy array?

In amazement, Tang Yun and the five elders looked at each other and continued to chase Yue Feng, but the more they hurried, the faster the stakes turned in front of them, and in the end, they were a little dizzy.

“No!”

Finally, Tang Yun stopped, glared at Yue Feng who was a few meters away, and said fiercely, “This kid has set up a formation and trapped us all.”

Formation?

Hearing this, the other five elders were stunned, staring at Yue Feng not far away, their heads buzzing, it was incredible.

Who is this kid? Not only is he skilled in swordsmanship, but he is also proficient in Qimen Dunjia.

I haven't heard of this character on the rivers and lakes.

Haha...

Seeing this scene, Yue Feng quickly walked out of the wooden formation, then looked at Tang Yun who was trapped inside, his face was full of abuse, and he said with a smile: “Several elders, you guessed right, this is true. It's a wooden formation, but you only realize that it's too late now.”

“I still have things to do, so I won't accompany you. We will have an appointment in the future. If we are destined in the future, maybe we can meet again.”

“Goodbye!” The

last two words were finished . , Yue Feng laughed and turned to leave.

Mad!

At this moment, Tang Yun almost vomited blood, and kept howling: "Stinky boy, you are not proud, a mere wooden formation can't trap us at all, I will catch you sooner or later..." The

howling continued. When it came, Yue Feng ignored it, and disappeared at the end of the stream in a blink of an eye!

boom!

Seeing Yue Feng walking away, Tang Yun almost exploded with anger, and slapped a wooden stake in front of him, his face extremely ugly.

I thought that the six elders of the dignified sword sect, all of them, could easily capture this kid back, but I never expected that he would be trapped by some wooden stakes.

Shame, what a shame!

At the same time, the other five elders were also terrified.

"Ma De, let him run away!"

"What a shame, none of the six of us caught him."

"This kid is too evil..."

Hearing the other elders' words, Tang Yun's face became even gloomier, and then Taking a deep breath, he said patiently: "Okay, don't talk about this, hurry up and see if you can find an exit!" With

that, Tang Yun put away his long sword and started to run around, trying to find an exit.

The other five elders also endured their anger and tried to get out of the wooden formation.

However, more than half an hour later, Tang Yun and the five elders were still trapped in the wooden formation.

.....

On the other side, Yue Feng left the creeks where Tang Yun was trapped, and rushed directly towards the Earth Circle Continent.

After leaving for so long, I don't know how the situation in Diyuang Continent is going?

There are Brother Wen, Dasheng, Yingying and others.

When he thought of these relatives and friends, Yue Feng felt even more at ease.

Chapter 4338

After several hours of traveling, Yue Feng finally arrived at the border of Donggao Continent, Wuying Mountain.

Wuying Mountain, located in the north of Donggao Continent, stretches for thousands of miles, and there is a gorge in it. Because of the dense forest and the perennial cloud and mist, it is named after it.

Nima, it's almost here.

At this time, Yue Feng slowly landed, looking at the fog shadow mountain in front of him, his heart was indescribably excited.

As long as you pass through the gorge of Wuying Mountain, you will completely leave Donggao Continent.

Phew...

Thinking to myself, Yue Feng took a deep breath and slowly walked towards the mouth of the foggy mountain.

After rushing for a few hours, Yue Feng was a little tired and planned to enter Wuying Mountain to find a place to rest.

Um?

However, before taking a few steps, Yue Feng stopped, looking at the place a few hundred meters ahead, frowning secretly.

I saw a man and a woman standing on the breakthrough not far ahead, looking very nervous.

The man was in his twenties, with handsome features, wearing a blue-gray long gown, holding a strange sickle in his hand, and carrying a bamboo basket on his back.

The woman looks smaller, she should be 18 or 19 years old. She wears a bright yellow dress, which perfectly shows her slender curves. The facial features are exquisite, giving people a youthful, beautiful and innocent charm.

This pair of men and women, standing on the breakthrough hand in hand, looked at the woods not far away, and looked nervous.

The girl, in particular, seemed to be quite frightened, and there was a thin layer of sweat on her forehead.

Clearly, the two were in trouble at first sight.

what happened?

Seeing this scene, Yue Feng frowned secretly and couldn't help muttering in his heart.

Encountered a bandit?

"Uuuuu..."

Just when Yue Feng was thinking about it, he heard a wolf howling coming from the woods far away from the slope. There was only one sound at the beginning, and then, the wolf howling came one after another, constantly echoing. The woods resounded, and there seemed to be a lot of them.

It turned out to be met with wolves.

Hearing this voice, Yue Feng thought about it, showed a smile, and then slowly walked towards the slope.

"You two!"

When they reached Banpo, Yue Feng cleared his throat and said to the couple, "Have you been in trouble?" To

be honest, Yue Feng didn't want to meddle in his own business, but when he saw the couple, I was so scared that I could barely stand still, so I decided to help. After all, people should help each other in the arena.

Swish!

Hearing the sound suddenly, both men and women were shocked and looked back at the same time.

Seeing this, both of them were surprised.

The girl in particular was so frightened that she grabbed the man's arm and exclaimed, "Senior brother, this...is there a savage?" As she said that, she carefully looked at Yue Feng.

At this time, Yue Feng has red hair and a shawl, and his face is also full of blood marks. Although Yue Feng has been integrating the power of Aye Honglian these days, the

color of the marks on his face has become much lighter, but Normal people will still be startled when they see it.

What the hell!

Hearing the girl's words, Yue Feng was very depressed and didn't know whether to laugh or cry.

Is your appearance really scary? Was called a savage?

“girl!”

Thinking to himself, Yue Feng smiled at the girl and said softly: “I'm not a savage, just a passerby passing by here.”

Not a savage?

Hearing this, the girl put down her vigilance, looked at Yue Feng curiously, and said slowly: “If you pass by, be careful, there are wolves in the woods ahead.” As

she spoke, the girl shrank in fear. Behind the man, that careful look is indescribably cute.

Yue Feng laughed all of a sudden, waved his hand and said, “It's just a pack of wolves, there's nothing to be afraid of.”

Yue Feng wasn't talking big, the four innate spirit beasts were all respectful to him, how could they be afraid of a pack of wolves?

“Go go go...”

The man who had been looking at Yue Feng secretly, waved his hand angrily: “Where is the lunatic? Don't bother us.” As he spoke, his eyes were full of contempt and contempt.

This kid, with red hair and marks on his face, is a savage.

In the hearts of men, even if Yue Feng is not a savage, he is still a beggar in all corners of the world. Such a person is not qualified to speak to their brothers and sisters.

Chapter 4339

Hu...

The man's words, Yue Feng didn't take it to heart, but he still frowned.

This guy is quite superior.

In the next second, Yue Feng looked at his outfit, and immediately laughed at himself. The way he looks now is really scary.

“Senior brother!”

At this moment, the girl pulled the man and whispered: “Don’t be so fierce, I don’t think this person is malicious.” After

saying that, the girl turned her head and looked at Yue Feng: “You really Aren’t you afraid of wolves?” The

voice was clear and full of curiosity, and at first glance, it seemed that he had not been deeply involved in the world.

Yue Feng nodded.

Afterwards, Yue Feng walked to the hillside and stared at the woods not far away. He saw that in the woods, hundreds of wild wolves were densely gathered. Each of these wild wolves was huge and his eyes flashed fiercely. , Seen from a distance, green Yingying is a piece of hair, it is hairy.

I go, a lot.

Seeing this scene, Yue Feng took a deep breath and asked the girl, “What are you doing here?”

The environment in this area is dangerous, and most people rarely go to such a place.

“We...” The

girl suddenly became sad when she heard the question, her eyes were red: “Our master has been captured by the bad guys. My brother and I are looking for master. After passing here, who knows that we will encounter a pack of wolves.”

“I heard it before . People say that if you encounter a wolf, run to a high place, so that the wolf will not dare to attack.” At the

end, the girl almost cried.

Master was arrested?

Hearing this, Yue Feng was stunned.

“Junior sister!”

At this time, the man was a little anxious, pulled the girl, and scolded: "This person looks crazy, not normal at all, who knows whether he is good or bad, why do you say anything?"

Speaking, the man looked at Yue Feng with disgust and waved the sickle in his hand: "Hey, don't talk to us, we don't know you, I don't care what your purpose is, hurry up." The

words were full of Contempt, in the eyes of men, Yue Feng is not qualified to speak to their brothers and sisters.

"Senior brother!"

Seeing this situation, the girl was very helpless and comforted: "Don't be like this, maybe he really has a way to drive away the wolves?" The

voice fell, and the man opened his eyes as if he had heard a joke: "You believe him? Junior sister, you seldom walk around the rivers and lakes, and you don't know the dangers of the rivers and lakes. Some people seem harmless to humans and animals, but they actually harbor evil intentions." After

speaking, the man gave Yue Feng a cold look: "This person is extremely strange, who is this guy? Do you know what his purpose was when he came up to chat with him? Maybe, he was a lecher, and seeing that you were good-looking, he deliberately came up to get close to you."

Shuh!

Hearing this, the girl's face instantly turned red, a little shy, and a little helpless.

Nima!

Yue Feng couldn't even laugh or cry, this kid is quite imaginative.

But I have to say that this girl is a rare beauty, but she has so many confidantes, she has no other idea at all, she just came up to help.

Depressed, Yue Feng was too lazy to talk nonsense, and said lightly to the man: "Whatever you think."

When the words fell, Yue Feng walked down the hillside and strode towards the wolves in the woods.

This...

Seeing this scene, the man was shocked, this guy is really a lunatic, he is going to deal with the wolves alone?

At the same time, the girl also trembled, and couldn't help shouting at Yue Feng: "Hey, big brother, what are you doing?" When she said this, her eyes were full of surprise and worry.

There are hundreds of wolves in the woods, how did he deal with it alone? I'm afraid that there will be no bones and scum that will be gnawed.

Hehe...

Hearing the question, Yue Feng turned back and smiled at the girl, with a cynical look on his face: "What else can I do? Of course it is to deal with the wolves." The

girl trembled, unable to hide it. Worrying: "You...don't be impulsive..." The

girl is kind-hearted. Although she just met, she doesn't want to see that Yue Feng is in danger alone.

Just before he finished speaking, he was interrupted by the man.

"Junior sister!" The

man frowned and became impatient: "What do you care about him? If he wants to die, let him go?"

Chapter 4340

said, the corner of the man's mouth evoked a hint of gloom: "It seems that I guessed well before, this weirdo, just likes you."

"Oh!"

Hearing this, the girl's face turned red again, shy He stomped his feet: "Senior brother, what nonsense are you talking about? He just met me, how could he like me?" The

man shook his head and said self-righteously: "You don't know men, especially lecherous men, when you see beautiful If you are a woman, you want to take it for yourself, and men have a common problem, that is, they like to show off their skills in front of beautiful women."

Speaking of this, the man pointed to Yue Feng who was walking down the hillside: "He is now Behavior is a good example. He is going to deal with the wolves now, just to prove his ability in front of you."

“Unfortunately, there is a knife on the head of the color, he is too confident in himself, these wolves will put him to ‘s torn apart.”

“So, you should ignore this kind of person, even if he is eaten by wolves, he deserves it.”

Huh...

Hearing these words, the girl was stunned for a moment. Staring closely at Yue Feng’s back, he suddenly became silent.

After a few seconds, the girl reacted and couldn’t help but whisper: “But... I think he is just helping, and he doesn’t mean to hit me at all.”

Hehe...

Hearing this, the man He shook his head and smiled: “Junior sister, you are still too young.”

“Ow!”

Just as the two brothers and sisters were talking about this, they saw that Yue Feng had already arrived in front of the woods, and in an instant, hundreds of wolves locked him in an instant. , issued a wolf howl, and each and everyone’s eyes flashed with a cold light.

At the same time, the murderous aura of hundreds of wolves permeated the entire forest.

Haha...

Seeing this, the man showed a smile, and his eyes flashed even more coldly.

This stinky beggar-like guy, he actually hit my junior sister’s attention, and he didn’t know how to provoke the wolves. He was really courting death.

At this time, the man had already guessed the result, Yue Feng would be torn to pieces by the wolves.

Huh...

However, the girl standing beside her looked at Yue Feng’s back, and was secretly surprised.

This man is so brave, facing the wolves, he didn’t panic at all.

At this time, Yue Feng is here.

Facing the lock of hundreds of wolves, Yue Feng did not panic at all, instead he showed a smile, and then raised his hand and waved: "Don't be restless, don't be restless."

Huh?

Seeing this scene, the man standing on the hillside was stunned.

This guy is really crazy, how dare he take the initiative to provoke him?

At the same time, the girl also held her hands tightly, and her delicate face was full of surprise and worry.

He...is he really not afraid of death?

"Ow, oow...Ow!"

At this moment, I saw that after seeing Yue Feng's actions, hundreds of wolves not only did not calm down, but instead let out a roar and rushed towards Yue Feng. They opened their bloody mouths one by one, revealing terrifying fangs.

At this moment, the man's heart skipped a beat, and he was almost speechless.

Hundreds of wolves attacked together, and the scene was really shocking.

And the girl on the side was also frightened, and quickly closed her eyes, unable to bear to look any more.

Phew...

Seeing the hundreds of wolves rushing up quickly, Yue Feng took a deep breath and didn't panic at all. He hurriedly activated his inner strength, then raised his dantian, and said to the leading wolf king, "Wolf king, wolf king, I I didn't mean to be provocative, please calm down with your companions."

When he said this, Yue Feng used ventriloquist and used the language of the wolf clan.

After the red lotus was reborn with the help of Faye, all the things on Yue Feng's body disappeared, including the beast-fighting ring that was often used before.

If this was the case before, Yue Feng would definitely use the beast-fighting ring, but now, the beast-fighting ring no longer exists, and Yue Feng can only speak the language of the wolf clan.

When the beast-fighting ring was still around, Yue Feng learned a lot of the language of beasts, including wolf language, through the special spiritual power of the beast-fighting ring.

Therefore, it is no problem to be able to communicate with the wolves in front of him at this time.

Um?

At this time, when he heard Yue Feng's words, the wolf king who rushed in front was stunned and stopped abruptly, looking at Yue Feng in astonishment.

The ultimate husband in Chinese chapter 4341-4350

Chapter 4341

At the same time, I was also secretly shocked.

This human can actually speak the language of our wolf clan?

Incredible.

“Ow...”

At the same time, the other wild wolves around, after hearing Yue Feng’s words, also let out a burst of agitation, and then stopped, their eyes focused on Yue Feng, puzzled.

This person actually speaks our language?

However, while puzzled, the wolves did not relax their vigilance, their eyes locked on Yue Feng, and they let out a low roar, waiting for an opportunity.

Haha...

Seeing this situation, the man on the hillside was nervous and relieved for no reason.

This stinky beggar dared to hit my junior sister’s attention and wanted to show off his ability to tame animals, but unfortunately, his courage is commendable and his ability is not very good. At this time, he has already angered the wolves. Let’s see what he will do.

The man at this time believed that Yue Feng was too arrogant and had already angered the wolves, but he did not know that Yue Feng had just used his inner strength and spoke the language of the wolf clan to make the wolves a little restless.

At this time, in front of the woods.

Seeing that he was surrounded by wolves, Yue Feng looked leisurely and relaxed, smiled and said to the wolf king in front of him: “Calm down, I don’t want to have a conflict with you.”

“And, I’m not afraid to tell you, I and I The Four Great Innate Spirit Beasts have deep roots. You know the Four Great Congenital Spirit Beasts, so if you go against me, you will not gain the slightest benefit.”

“As long as you are obedient, you will be fine.”

This chapter is provided by . Visit for daily update.

Saying this At the time, Yue Feng was very relaxed, but he was a little uneasy in his heart.

I used to have a beast ring on my body, and I was not afraid of any beasts, but now that the beast ring is gone, I just rely on the beast language to communicate, what if the wolf king in front of me doesn't buy it?

"Aww.."

Hearing Yue Feng's words, the wolf king first let out a howl, and then responded in wolf language: "Dear Your Excellency, it turns out that you are a friend of the four innate spirit beasts, please forgive us for being rude just now."

Saying that, the wolf king walked over slowly, and when he reached Yue Feng, he stretched out his tongue and licked Yue Feng's hand.

There are many beasts in the world who like to lick them when they show their affection. So do wolves.

Whoa!

At this moment, seeing the wolf king's movements, other wild wolves around also quickly gathered around and licked Yue Feng's hands and legs.

Huh ...

In the face of this situation, Yue Feng breathed a sigh of relief, and a stone hanging in his heart finally fell to the ground.

It seems that his wolf language is okay, and he has finally saved his life.

Seeing this scene, the man standing on the hillside was trembling all over. From his angle, hundreds of wolves surrounded Yue Feng and completely blocked Yue Feng's figure, so he thought he was besieged.

Deserved!

While trembling, the corner of the man's mouth evoked a hint of indifference.

This is the end of arrogance.

"Senior brother?"

At this time, the girl waited for a while, but couldn't help but open her eyes and asked, "How is the situation?" While asking, she couldn't help but look in the direction of the woods.

Seeing this, the girl suddenly couldn't help exclaiming, her delicate body trembled, and she could hardly stand still.

She saw that there were hundreds of wolves around, licking something.

Obviously, the man was attacked just now. At this time, these wild wolves are eating his flesh...

alas!

Thinking to herself, the girl felt inexplicably sad, and whispered, "I knew this earlier, I should have stopped him just now." Although he was just a stranger, but seeing him eaten by the wolves made the girl feel bad. .

The man pouted and said disapprovingly, "It's him who is courting death, who can be blamed?"

After saying that, the man couldn't help but glanced at it, then took the girl's hand and said, "Junior sister, hurry up, let's go quickly, Now that the wolves are eating that person, they shouldn't have time to pay attention to us, let's take the opportunity to leave quickly." The

man pulled the girl and quickly went down the hillside.

"Senior brother, look..." The

girl felt a little sad in her heart. When she was being dragged down the hill, she couldn't help but look back. At this sight, her body trembled and she couldn't help but exclaimed.

"Junior sister, don't scream, you'll bring the wolves here later." The man frowned and muttered. At the same time, he couldn't help but follow the girl's gaze. He was stunned and his mind went blank.

Chapter 4342

saw that the wolves slowly dispersed, and Yue Feng's figure also stood up. Although it looked a bit wasteful, there was no scar on his body.

Obviously, the wolves didn't attack him at all just now.

Not only that, but the man was even more surprised to discover that the wolves, which were originally vicious and brutal, became extremely docile in front of Yue Feng at this time.

At this...

At this moment, both brothers and sisters widened their eyes, staring at Yue Feng dumbfounded, their eyes full of inconceivable, completely stupid.

Has he successfully tamed all these hundreds of wild wolves?

It's incredible.

He... how the hell did he do it?

The two brothers and sisters at this time did not know that Yue Feng was extremely talented and had learned a lot of animal language a few years ago, so it was not a problem to communicate with the wolves in front of him at this time.

quiet!

Shocked, the brothers and sisters froze there, incomparably silent.

However, after being shocked, the man's face turned into a pig liver color, which was indescribably embarrassing, and his heart was also inexplicably annoyed.

Mad, I thought that this kid was too arrogant and would definitely be buried among the wolves, but he never expected that this guy was lucky enough to tame these wolves quietly.

This kind of ability, the entire East Austria Continent, I am afraid that there is no second one.

"Big brother!"

At this time, the girl also recovered, unable to hide her excitement and excitement, and shouted at Yue Feng: "You are so amazing, how did you do it?!"

When shouting these words, the girl's face was full of admiration and excitement, and she looked at Yue Feng's eyes with a strange brilliance.

Like her senior brother, she also thought that this man would die badly in the end, but the result was unexpected.

Hearing the girl's admiration, Yue Feng smiled slightly.

"Okay!" In the

next second, Yue Feng turned around and said to the wolf king: "The two people on the hillside are my friends. I hope you don't hurt them. There's nothing else to do. Let's go.

" At that time, Yue Feng's tone was gentle, but he gave people an undeniable majesty.

“Ow!”

Hearing this, the wolf king raised his head and howled in response, then turned and walked towards the depths of the woods.

Whoa!

The wolf king took the lead, and the other wild wolves also let out a howl, and then followed the wolf king away, disappearing into the dense woods in the blink of an eye.

“Wow...”

Seeing this scene, the girl was even more excited and looked at Yue Feng with joy: “It’s really amazing, these wild wolves can still understand you, are you a beast trainer?”

said The girl’s eyes were full of anticipation.

You must know that there used to be animal trainers in the Kyushu continent, but because of the excessive rounding up of spirit beasts by humans, there are fewer and fewer spirit beasts. Therefore, beast trainers mastered their skills thousands of years ago.

And at this time, this weirdo in front of him could tame the wolves, no doubt that he was a beast trainer. This was simply too attractive for a girl who had not yet experienced the world, and it was impossible to be excited.

Uh...

Feeling the urgency in the girl’s eyes, Yue Feng scratched his head embarrassedly: “I only know a little animal language, so I’m not a beast trainer.”

Yue Feng is not being humble, he has never learned the skills of a beast trainer. Actually, it doesn’t count.

Hehe...

At this moment, the man who was standing on the sidelines could not help but said coldly: “Beast language? I think it’s just luck.”

In his heart, he still didn’t believe that this guy with all the marks on his face could tame the wolves. The ability, at best, is luck, the blind cat meets the dead mouse.

But the girl ignored her brother’s words and looked at Yue Feng with a look of admiration: “Even if you can speak animal language, that’s very powerful, you know, I like small animals since I was a child, and I really want to communicate with them, just a little beast. I don’t even know how to speak. How about you teach me something?”

When she said this, the girl's face was innocent and cute.

"Haha..."

Yue Feng couldn't help laughing, nodded and said, "Okay, in fact, beast language is very easy to learn." After speaking, he simply explained the language tricks of various beasts.

The girl listened very carefully and memorized every word of Yue Feng.

Chapter 4343 The

man was a little impatient, and urged the girl: "Okay, don't fool around, let's hurry up to find the master."

This guy with a face full of imprints, the more he looks, the more angry he is. Break up with him now.

However, the girl's impression of Yue Feng was getting better and better, and she refused to leave at this time.

"Big brother!"

At this time, the girl said to Yue Feng very enthusiastically: "My name is Yueqing, and my brother's name is Cheng Yi. Big brother helped us drive away the wolves just now. I don't know what your name is or where you came from. What."

"Me!"

Hearing the question, Yue Feng thought for a while, and replied with a smile: "My name is Ah Feng, I'm just a nameless person wandering around."

Yue Feng is like this, naturally he won't reveal his true identity, and said the name used in Jianzong along the way.

Ah Feng!

Hearing this, Yueqing tilted his head and mumbled a few words, then nodded with a smile: "The name is quite special, you must have been to many places and seen a lot of the world, no wonder you can understand animal language!"

Immediately, Yueqing thought of something, He asked Yue Feng curiously, "Where are you going next?" Huh

!

Hearing this, Yue Feng secretly sighed and said with a smile, "Wandering around."

Then, Yue Feng thought of something, looked at Yue Qing with a complicated face, and continued: "By the way, I heard you just now that your master was taken by I'm caught, what's going on?" To

be honest, Yue Feng didn't want to ask so much, but this Yueqing was so lovable, he couldn't help but ask.

Ugh...

When he mentioned Master, Yueqing sighed, and his delicate face showed a bit of sadness: "My master is called Yang Chenzi, and his medical skills are the most powerful. A few days ago, Master took us out to collect spirit herbs, and suddenly he was attacked by a group of hackers. The clothed man blocked the way, and the other party asked the master's name, and then took him away." After

speaking, Yueqing's eyes were a little red, and he was very worried: "Now the master doesn't know what's going on, is there any danger."

Is there such a thing?

Hearing this, Yue Feng was stunned.

At this time, Yue Feng didn't know that the people who captured Yang Chenzi were the disciples of the Five Poison Sect.

"Junior sister!"

At the same time, Cheng Yi was full of anxiety and rebuked Yueqing: "You are crazy, how can you tell an outsider about Master's affairs?"

Cheng Yi couldn't help but glance at him. He glanced at Yue Feng, full of contempt.

Yueqing Xiumei frowned and said puzzled: "Senior brother, how can you do this? Master said that the most important thing in walking around the rivers and lakes is to make friends. This eldest brother helped us drive away the wolves just now, so chivalrous, don't you think? Isn't it our friend? Why do you have trouble getting along with him everywhere?"

"I..."

After saying that, Cheng Yi didn't know how to refute, and turned his head angrily.

Cheng Yi's aim was everywhere, but Yue Feng didn't take it to heart.

A few seconds later, Yue Feng pondered for a while, and couldn't help but ask Yueqing, "Do those people in black have any grudges against you?"

Yueqing shook his head: "My master hangs the pot to help the world, and he has been saving people all these years. , I didn't offend anyone at all."

No enemies?

Hearing this, Yue Feng frowned and smelled again: "Then do you know the origin of the other party?"

Yue Feng firmly believes that there will be some reason for any grievances, otherwise, the other party will not seek trouble for no reason.

This...

Yueqing tilted his head and thought for a while: "When the other party was leaving, he claimed to be from Fengzhuang."

At this moment, Yue Feng became more and more confused, Fengzhuang? Never heard of such a sect in Dongao Continent.

"That's right!"

At this moment, Yueqing's eyes flashed, and he seemed to think of something: "Today, my senior brother and I passed through a small town, and I heard that besides my master, there are other genius doctors who were also arrested by this Fengzhuang. "

Furthermore, according to the gossip in the rivers and lakes, those people in Fengzhuang were originally from the Xi Cang Continent, and they seem to be the Five Poison Sect..."

What?

Five Poison Sect?

At this moment, upon hearing Yueqing's words, Yue Feng's heart was shocked and he almost jumped up.

The main altar of the Five Poison Sect is in the Xicang Continent, how could it come to the Dongao Continent? Moreover, the previous battles between the major sects and the demons had already destroyed the Five Poison Sects.

Chapter 4344

Yue Feng clearly remembers that Ji Hongshang, the suzerain of the Five Poison Sect at that time, disappeared without a trace after the destruction of the Five Poison Sect.

Thinking of this, Yue Feng looked at Yueqing eagerly: "Yueqing, are you sure those people in Fengzhuang belong to the Five Poison Sect?"

"Proud of the mainland, there will definitely be a bloody storm on the rivers and lakes.

This...

Seeing Yue Feng's serious face, Yue Qing bit his lip lightly and said uncertainly, "I don't know either, but that's how the gossip is spread."

Hearing this, Yue Feng pondered . down.

Ma De, if it was really Ji Hongshang, he would not be able to leave Dongao Continent for the time being.

"Junior sister!"

At this time, Cheng Yi, who had been silent by the side, urged angrily: "It's getting late, let's go to Fengzhuang to save Master, I'm afraid it will be too late."

After speaking, Cheng Yi looked Looking at Yue Feng, Yin Yang said strangely: "Don't make new friends and forget about the life and death of Master."

Shah!

Hearing this, Yueqing's delicate face suddenly turned red, very embarrassed.

At this time, Yue Feng took a deep breath, made a decision in his heart, and said to Yueqing: "Yueqing, it is fate to meet each other, since your master has been arrested, I will go to Fengzhuang with you, maybe I can help I'm busy."

Speaking of which, Yue Feng didn't want to meddle in his own business, but as the matter involved the Five Poison Sect, he couldn't just stand by.

After all, the Five Poison Sect, under the leadership of Ji Hongshang, fully supported Bai Yunfei, not only that, but also released the ancient poisonous scorpion, which harmed many people in the arena and became poisonous. Therefore, Yue Feng must be in charge.

What?

This kid wants to go to Fengzhuang with us?

At this moment, Cheng Yi frowned and his face was also very unhappy.

This guy is not trying to help at all, but is looking for an opportunity to get close to his junior sister.

“That’s great.”

Yueqing was very happy, and cheered and held Yue Feng’s hand: “Are you going to help us save Master? Brother Afeng, you are so nice.”

Just as he was talking, Yueqing was caught by Cheng Yi . pull away.

“Oh, boy!” In the

next second, Cheng Yi looked at Yue Feng up and down, unable to hide the contempt in his heart, and said coldly: “I don’t care what your purpose is, from now on, stay away from us.”

“But I am here . It’s not unreasonable, you just drove away the wolves, it’s a favor for us, and this gold coin is your reward.” The

voice fell, Cheng Yi took out a gold coin from his body and threw it away. At Yue Feng’s feet, there was a very contemptuous attitude.

In Cheng Yi’s heart, he was the only one who could be so close to his junior sister. At this time, seeing Yueqing’s admiration for Yue Feng, not only talking about his friends, but also holding hands and laughing, he was very upset.

Nima!

Looking at the gold coins on the ground, Yue Feng remained calm, but his heart was a little angry.

This Cheng Yi is really interesting. I don’t know you in the same way. Are you finished yet?

Thinking to himself, Yue Feng still ignored Cheng Yi, but smiled at Yueqing: “It just so happens that I have something to do, and I have to pass through Fengzhuang. We are friends, so please help if you can, so don’t be too polite.”

Um!

Hearing this, Yueqing was very happy and nodded quickly.

Swish!

Yue Feng's ignorance completely made Cheng Yi angry.

In the next second, Cheng Yi grabbed Yue Feng's collar, gnashing his teeth and threatening: "Boy, take my words as a deaf ear, right? I warn you again, stay away from us."

With that, Cheng Yi pointed to the ground The gold coin: "Just like you, a scoundrel, you want to approach my junior sister? You should take care of yourself first when you urinate. This is my last warning. Get the gold coin and get out."

Seeing his angry look, Yue Fengqing Laugh without saying a word.

"Senior brother!"

However, Yueqing couldn't stand it any longer, and quickly pulled Cheng Yi away, and said very unhappily, "How can you do this? This brother Afeng is bright and upright, and he helped us drive away the wolves just now. , how can it be as unbearable as you said?"

When he said this, Yueqing's face flushed, and he was angry and shy.

Senior brother is really, always said that this Feng has ideas for me.

Uh...

Seeing that Junior Sister was angry, Cheng Yi was stunned for a moment, then his tone softened, and he comforted: "Junior Sister, don't be angry, I'm doing this for your own good, you must know that the rivers and lakes are sinister."

Chapter 4345

"Look at this person, a person appears in such a place, with so many marks on his face, he has to be guarded."

Hehe..

Hearing this, Yue Feng couldn't help laughing: "I just It just happened to be passing by."

Saying that, Yue Feng tilted his head towards Yueqing and said, "Forget it, since your senior brother is suspicious of me, let's not be together, you can hurry up." The

voice fell, and Yue Feng turned around and was about to leave.

Yue Feng really planned to go to Fengzhuang to find out, and he had no idea about Yueqing, but Cheng Yi kept making irresponsible remarks, so he dismissed the idea.

“Big Brother Ah Feng!”

However, at this moment, Yueqing chased after him and grabbed Yue Feng’s arm, his delicate face was full of sincerity: “My senior brother doesn’t know what’s wrong today, he’s crazy, please don’t I have the same knowledge as him.”

Having said that, Yueqing looked at the mark on Yue Feng’s face, and continued: “Brother Ah Feng, I see the mark on your face, it is not natural, my master is very skilled in medicine, you can follow us. Let’s go together, when the master is rescued, I will let him remove the mark on your face for you, and it can be considered as a repayment for your life-saving grace, okay?” The

words were so reasonable that it was difficult to refuse.

call!

At this moment, Yue Feng breathed a sigh of relief and nodded in approval.

This Yueqing is not young, but he knows how to repay his gratitude, which is really rare.

Seeing Yue Feng smiling but not speaking, Yueqing was a little anxious, and continued: “Brother Ah Feng, you forgot, you promised to teach me animal language just now, you are gone, who will teach me? Let’s be together, okay? “

When he said this, Yueqing’s charming eyes were full of sincerity.

“Junior Sister!”

Seeing this scene, Cheng Yi was completely anxious, and suddenly shouted: “He is going to leave, why do you keep him?”

Immediately, Cheng Yi gave Yue Feng a cold look: “Boy, hurry up Let’s go, don’t stay here

to get in the way.” When he said this, Cheng Yi was both annoyed and depressed.

I don’t know what kind of charm this kid has, and he actually fascinated his junior sister like this.

No, no matter what, this kid can’t be allowed to follow.

“Brother, are you enough?”

At this moment, Yueqing’s pretty face was full of anger, completely anxious, and stomped her feet: “If you do this again, I will tell Master everything that happened today,

Brother Afeng helped us just now, you But if you treat him like this, see if the master knows and won't punish you!"

With that, Yue Qing snorted, then pulled Yue Feng and said, "Brother Ah Feng, let's go!"

Hmm!

Yue Feng nodded and walked down the hill with Yueqing.

To be honest, Yue Feng didn't want to go with them, this Cheng Yi was really annoying, but Yueqing sincerely invited him and was really embarrassed to refuse.

This....

seeing this scene, Cheng Yi's face was blue and white for a while, and then he reacted and shouted: "Junior sister, wait for me."

Yelling, Cheng Yi quickly chased after him.

...

the other side. Fengzhuang.

Mu Xixi and Song Qian, led by Yuan Tong, finally arrived at Fengzhuang after two hours of rushing.

At this time, it was dusk, and I saw the entire Fengzhuang bathed in a golden sunset. Not far away, the mountains in the distance and the lake nearby formed a beautiful picture. This beauty is simply fascinating. .

call!

Seeing this scene, Song Qian was very emotional, and couldn't help but said to Mu Xixi: "Master, this place is so beautiful. It would be very nice to be able to live in seclusion in such a place."

Mu Xixi smiled lightly and said Without responding, he was interrupted by Yuan Tong, who was walking in front.

"Haha..."

At this time, Yuan Tong was full of smiles, looking at Song Qian and said with a smile: "Little Master, as long as Your Excellency the Goddess Doctor cures the illness of my house owner, you are our VIP guests of Fengzhuang, and I want to be here. You can stay as long as you want."

As he spoke, Yuan Tong led the master and the apprentice into the hall of the manor.

“Yuantong?”

Mu Xixi looked around in the hall, and saw that there was no one there, and couldn't help but ask, “Where is the owner of your house?”

Mu Xixi frowned secretly as she spoke.

Strange, before entering Fengzhuang, I thought the environment here was pretty good, but after entering, why did it feel gloomy?

At this time, Mu Xixi didn't know that after Ji Hongshang occupied Fengzhuang, he instructed his disciples to raise poisonous insects everywhere.

The ultimate husband in Chinese chapter 4346-4350

Chapter 4346

“Wait a moment for the goddess doctor.”

Hearing the question, Yuan Tong showed a smile and responded calmly: “The owner of my house is suffering from a chronic illness and rarely comes out to walk around. I am afraid that he is still recuperating in the secret room.”

Immediately, Yuan Tong clapped his hands: “Come here, show the two distinguished guests some tea.”

Wow... the

voice fell, and the two maids slowly entered the hall, holding the freshly brewed tea in their hands, giving it to them very respectfully. Mu Xixi and his apprentice poured a cup of tea each.

For a time, a scent of clear tea filled the entire hall.

“Smelling tea.”

Song Qian couldn't help but sighed in admiration when she smelled the fragrance of the tea.

Hearing this, Yuan Tong said with a smile: “The little master also seems to be someone who understands tea. This tea is called ‘Mingxiang’, which is a special product in our area and is not found anywhere else.”

Saying these At the time, Yuan Tong looked polite, but treacherous flashed in his eyes.

Yes, the tea was poisoned.

In the past few days, the disciples of the Five Poison Sect have arrested many famous doctors from all over the world. In order to ensure that these famous doctors can be controlled, they have poisoned their tea.

Um!

Mu Xixi didn't notice Yuan Tong's strangeness, she nodded and smiled, "Thank you for your hospitality." After saying that, she picked up the teacup and took a sip.

Song Qian also quickly tasted it.

This chapter is provided by . Visit for daily update.

Haha....

Seeing both the master and the apprentice drinking, Yuan Tong was extremely excited and proud, but he still pretended to be very polite: "Those two are slow, I will ask the owner to come out."

Said Then quickly walked out of the hall.

At this moment, the secret room in the backyard of Fengzhuang.

Ji Hongshang sat there cross-legged, her delicate face was pale, her forehead was covered with a layer of sweat, and the suburbs trembled faintly.

On the chair next to him, Bai Yunfei was sitting there tied up.

At this time, Bai Yunfei's expression was very weak, and he could hardly exert any strength. Ever since he was brought here by Ji Hongshang, Bai Yunfei has been tortured every day.

Even more cruel, Ji Hongshang broke Bai Yunfei's leg bone, and then helped him connect it, just to make him suffer, but even so, Bai Yunfei still did not tell her how to integrate the power of the devil soul.

Phew...

Finally, Ji Hongshang adjusted her breath and played with her inner strength, slowly opened her eyes, her delicate face was full of doubts and anger.

"Bai Yunfei!" In the

next second, Ji Hongshang picked up the secret book in front of her and looked at Bai Yunfei closely: "Why is the formula for luck that you wrote yourself useless?" The

cover of the secret book is golden, it is Bai Yun The formula that was specially written for Ren Yingying before Fei.

At that time, after Ji Hongshang raided Bai Yunfei, she got this cheat book, but she never read it carefully until she saw it two days ago, and she was pleasantly surprised to find that it said how to prevent the backlash of the demon soul.

Afterwards, Ji Hongshang began to practice directly, but what made her depressed was that no matter how she practiced, the power of the demon soul in her body still showed no signs of getting rid of the disorder.

"Haha..."

Facing Ji Hongshang's questioning, Bai Yunfei's weak face showed cold arrogance, and said lightly: "You are not a descendant of the demon race, you don't have the blood of demons, so cultivating this formula is naturally useless at all. ." That's

it.

Hearing this, Ji Hongshang suddenly woke up, and immediately asked: "Then what should I do?"

"No comment."

Bai Yunfei spit out four words coldly without any hesitation.

In his heart, Ji Hongshang committed the following crimes, absorbed the power of his own demon soul, and delusionally wanted to successfully merge. Bai Yunfei is a person who will be punished, how can she make her wish?

Swish!

Hearing this, Ji Hongshang's pretty face froze: "Are you really not afraid of death?"

Bai Yunfei smiled: "Ji Hongshang, don't scare me, if you could kill me, you would have killed me long ago. It won't be delayed until now, and I have almost learned your methods, if you have other skills, feel free to use them."

"You..."

Ji Hongshang's suburban trembled with anger, and she didn't know how to refute it . .

Because Bai Yunfei said it well, during this time, all kinds of means were used, and Bai Yunfei was almost tortured to death, but he just didn't let go.

It's just like a stone in a hut, stinky and hard, making people helpless.

"Sect Master!"

At this moment, Yuan Tong's voice came from outside the secret room: "The goddess doctor from Baihua Valley is here, do you want to meet?"

Chapter 4347 The

goddess doctor in the Valley of Flowers?

Hearing this, Ji Hongshang was refreshed, and she was in a depressed mood, but also instantly relaxed a lot.

You must know that Ji Hongshang ordered people to inquire about the famous doctors in Dongao Continent during this time, and the one who heard the most was the goddess doctor of Baihuagu. There are rumors in the rivers and lakes that this goddess doctor of Baihuagu has superb medical skills, which is comparable to a medical fairy.

For a time, Ji Hongshang was very excited, and quickly walked out of the secret room, and said to Yuan Tong: "Very good, take me to see the doctor."

"Yes, Sect Master!"

Yuan Tong responded and hurriedly led the way in front.

Um?

Soon after reaching the front hall, Ji Hongshang just glanced at it, and was suddenly shocked inwardly.

Those two women felt so familiar.

I saw two slender figures sitting quietly in the hall, one soft and quiet, the other enthusiastic and energetic, it was Mu Xixi and Song Qian.

Over the years, Ji Hongshang has been trying to find a way to seek revenge for Yue Feng, so she has checked many of Yue Feng's friends. Mu Xixi and Song Qian, one is Yue Feng's confidante, and the other is Yue Feng's cousin. He was still with Yue Feng for a while, and Ji Hongshang had met before.

However, after two or three years, Ji Hongshang couldn't remember it for a while, she just felt very familiar.

piano?

The next second, when Ji Hongshang saw Qin beside Mu Xixi, her tender body trembled, and she thought of it in an instant, and couldn't help being shocked in her heart: It turned out to be Qin Sheng Mu Xixi, no wonder she looked so familiar.

It turns out....the goddess doctor of Baihua Valley is her.

It's really a narrow road.

Thinking of this, Ji Hongshang's delicate and charming face showed a bit of gloom.

"Two distinguished guests."

Just when Ji Hongshang was muttering secretly, Yuan Tong quickly walked over and introduced Mu Xixi's master and apprentice with a smile, "This is our Fengzhuang owner.

" !

At this moment, the eyes of Mu Xixi and Song Qian converged on Ji Hongshang's face.

What a beautiful woman, looks familiar.

Moreover, the aura that pervaded the woman's body was a bit evil, as if...

Suspicious in her heart, Mu Xixi thought for a moment, her pretty face suddenly changed, and she stared at Ji Hongshang and said, "You are five Ji Hongshang, the sect master of the Poison Sect?"

Like Ji Hongshang, Mu Xixi was a little surprised when she first saw it, she only felt that the woman in front of her looked very familiar, so she didn't react at the time, but she quickly thought of it. the identity of the opponent.

You must know that Mu Xixi had traveled around and had stayed in Xicang Continent for a long time. She was very familiar with the various sects in Xicang Continent, and she was no stranger to the Five Poison Sect.

More importantly, the Five Poison Sect had been fighting against the Ouyang family in recent years. In this case, Mu Xixi, who was Yue Feng's friend, was even more impressed by Ji Hongshang.

"It's her?"

Hearing Mu Xixi's words, Song Qian also trembled, and said in surprise, "I said why she looks so familiar, it turned out to be that vicious woman."

When she said this, Song Qian looked at Ji Hongshang closely, unable to hide the hatred in her heart.

In Song Qian's heart, although Yue Feng is only a cousin-in-law, he is more pro-brother than his own brother, and the Ji Hongshang in front of her, who opposes Yue Feng everywhere, is naturally her own enemy.

Swish!

Seeing this scene, Yuan Tong, who was standing beside him, turned gloomy in an instant. He stared at Song Qian and said coldly, "Young master, don't be presumptuous. Dare to talk to our villa owner like this. Have you thought about the consequences?"

"Ji Hongshang waved his hand and said lightly: "Yuantong, don't interrupt, they are my old friends, you go out first and leave it to this seat."

When she said this, Ji Hongshang was blank. expression.

"Yes, Sect Master!"

Yuan Tong responded, turned around and walked out of the hall, but the moment he walked out, he didn't forget to give Song Qian a stern look.

"The two of you!"

Ji Hongshang first looked at Song Qian before she left, and finally her eyes fell on Mu Xixi, she said with a half-smile, "Remember the last time we met, it was at the Jianghu Conference held by the Heavenly Dao Alliance. Thinking that you haven't seen each other for so long, you still have the same demeanor."

Phew!

Seeing Ji Hongshang's appearance, Mu Xixi Xiumei frowned lightly and said lightly, "You don't need to be hypocritical between us, why are you in such a place? Also, what is the purpose of letting your subordinates lie to us over here? ?"

Chapter 4348

Mu Xixi is smart and smart. Seeing Ji Hongshang's state at this time, he knows that he has been deceived. The owner of Fengzhuang Village and the hidden illness are all excuses and fake.

Ha ha! Feeling Mu Xixi's hostility, Ji Hongshang didn't get angry at all, but smiled lightly: "As expected of the famous piano saint in the world, in the face of this situation, she can still keep her face unchanged. I really admire it."

, Ji Hongshang's pretty face sank, and she continued: "My Five Poison Sect acts, and I never need to explain it to anyone."

Phew!

Hearing this, Mu Xixi and Song Qian looked at each other, but did not respond, but secretly guarded.

At this time, Mu Xixi finally understood why the interior of Fengzhuang was so gloomy, it must be because the Five Poison Sect raised poisonous insects.

"Sacred Qin."

Just when the master and the apprentice were secretly guarding, Ji Hongshang showed a smile and said slowly: "To be honest, I am also surprised that the famous goddess doctor in the Valley of Flowers is actually you. , If I knew in advance, I would never let my subordinates disturb you easily."

"But since you are here, I can tell you."

When she came to this point, Ji Hongshang's face changed, and she said word by word: " This seat has absorbed the power of Bai Yunfei's demon soul before, but this power of demon soul is very powerful, I have tried many methods, but I can't successfully integrate it."

After speaking, Ji Hongshang looked at Mu Xixi closely: " Since you are the goddess doctor of Baihua Valley, if you can help me fully integrate the power of the devil soul, I will be very grateful, and I will assure you that the previous grievances with Yue Feng will be over, and I will not be able to do it in the future. How about going to trouble the Ouyang family again?"

Ji Hongshang's eyes were full of anticipation when the last sentence fell.

To be honest, Ji Hongsang didn't want to be so polite in front of Mu Xixi, but in order to fully integrate the power of the demon soul, he could only apologise to himself temporarily.

Moreover, what Ji Hongshang said was only one-sided. The hatred between her and Yue Feng is inexorable, so how could she be able to release the quarrel?

She has already thought about it, no matter what method she uses, let Mu Xixi do her best to help her first, and when the goal is achieved, how to deal with it is how to deal with it.

What?

Hearing Ji Hongshang's words, Mu Xixi's delicate body was shocked, and she was immediately blinded.

This woman actually absorbed the power of Bai Yunfei's demon soul?

It's incredible, how did she do it? You must know that Bai Yunfei's demon soul power is very terrifying. At the beginning, he easily defeated the leader of the Heavenly Dao Alliance. In Kyushu, there were almost very few people who could suppress him.

And such a powerful person was planted in Ji Hongshang's hands.

Under the shock, Mu Xixi looked at Ji Hongshang, her red lips parted lightly, without the slightest hesitation: "You think too much, I will not help you, and I will not do any business with you."

Although there is not much contact, Mu Xixi also understood Ji Hongshang's personality, the five poison sect master, charming and charming on the surface, but like a snake in his heart.

More importantly, her sister died indirectly at the hands of Yue Feng, and Ji Hongshang could not give up because of such deep hatred.

"That's right."

Song Qian, who was next to her, couldn't help but said, "You vicious woman, you helped Bai Yunfei and killed so many comrades in the rivers and lakes. It's a heinous crime, and I want us to help you fuse the spirit of the devil. It's like a dream of spring and autumn."

After speaking, Song Qian said to Mu Xixi, "Master, let's go."

At this time, Song Qian had no idea about the beautiful environment of Fengzhuang, and just wanted to leave early.

Um!

Mu Xixi nodded, and without looking at Ji Hongshang, she was about to leave with Song Qian.

Hehe...

Seeing this situation, Ji Hongshang sat there leisurely, without any intention of getting up and blocking, and said lightly: "Go? Come to Fengzhuang, without my order, I'm afraid you won't be able to leave."

Said At these times, Ji Hongshang had a faint smile on her face, but her eyes flashed coldly.

Swish!

Hearing this, Mu Xixi stopped and turned to look at Ji Hongshang, her delicate face did not fluctuate at all: "Ji Hongshang, I know you are very powerful, but my master and apprentice are leaving, I am afraid you still Can't stop."

Chapter 4349 The

voice is not loud, but it gives people an unquestionable aura.

Mu Xixi wasn't talking big. In the past year, she and Song Qian spent most of the time in seclusion in Baihua Valley, and their cultivation realm improved a lot.

In this case, even if the entire Fengzhuang belonged to the Five Poison Sect, she was not afraid.

"Really?"

Hearing this, Ji Hongshang was not angry at all, but said with a smile: "You are a famous Qin sage in the entire Kyushu, I know you are very powerful, but I don't believe in evil, I really want to Give it a try." The

last word fell, Ji Hongshang slowly stood up from the chair, her delicate and charming face was full of arrogance and confidence.

Huh ...

Seeing this scene, Mu Xixi frowned, knowing that this battle was inevitable, then nodded and said, "Okay, since you want to try, then I will fulfill you."

Said, Mu Xi Xi held the Yuqin tightly, and at the same time prepared to stimulate her inner strength.

Um?

However, at this moment, Mu Xixi's delicate body suddenly trembled, and her delicate face was also somewhat pale.

Strange, I was fine just now, why is my body soft now, as if all the strength in my body has been emptied, not only that, but also in the dantian, it has also been virtually suppressed.

This...this is a clear sign of poisoning.

In shock, Mu Xixi only felt that her legs were weak, and she could not stand still.

“Master?”

Seeing Mu Xixi’s state, Song Qian was taken aback, and quickly asked, “What’s wrong with you?”

At this time, Song Qian was also very shocked. Master was fine just now, why suddenly, look so bad?

Mu Xixi frowned and shook her head.

“Hee hee!”

At this moment, Ji Hongshang walked slowly, with a playful expression on her delicate face: “Your Excellency Qin Sheng, is the tea you just had just now good?”

After speaking, Ji Hongshang’s smile grew thicker: “When I activated my inner strength just now, did I feel a sudden throbbing pain in my dantian, and then my whole body felt weak and weak.”

Shuh.

Mu Xixi is a smart woman. Hearing this, her face changed suddenly. She looked at Ji Hongshang in shock and anger: “There is poison in the tea?”

At this time, Mu Xixi was very regretful, she was too careless just now. .

At the same time, I was also extremely shocked, what kind of poison is this? It’s so powerful that when I was drinking tea just now, I didn’t even notice it!

“Hee hee..”

Seeing the change in Mu Xixi’s expression, Ji Hongshang became even more proud, picked up the teapot from the table, and said in a leisurely tone, “Although my behavior, Ji Hongshang is disgraceful, we are still old. Knowing each other, so I will not hide from you, the poison in the tea makes the Qian Gu of our Five Poison Sect scattered.”

Qian Gu scattered?

Hearing these three words, Mu Xixi’s face changed, and she only felt cold all over.

In recent years, Mu Xixi has been studying medical theory, and naturally he has heard of Qian Gu San. It is said that this poison is the most terrifying poison in the Five Poison Sect. At the point above, you will be completely powerless and your inner strength will be suppressed.

To be honest, when tasting the tea just now, Mu Xixi felt that there was something wrong with the tea scent, but she did not expect that there would be Thousand Gu San in it.

In the final analysis, this Ji Hongshang is really a scorpion woman, and she is not sure about fighting herself alone, so she uses this despicable and shameless method.

“you...”

Thinking about it, Mu Xixi glared at Ji Hongshang and mocked: “The sect master of the five poisonous sects will only hurt people with secret arrows, don’t you feel ashamed?”

When he said this, Mu Xixi was very angry. , After so many years, walking around the rivers and lakes by yourself, what scenes have you never seen? Unexpectedly, I was planted on a cup of tea today.

What a shame.

Hearing the ridicule, Ji Hongshang did not panic at all, and smiled slightly: “Qin Sheng, you are wrong about this, the tea is not aimed at you alone, these days, the entire Dongao Continent has As long as there are some famous doctors in the world, I have invited them here, and this Thousand Gu San is to deal with them.”

“As for your master and apprentice, it’s just a coincidence.”

“You...”

Hearing this, Mu Xixi’s weak face turned red all of a sudden, and she was so angry that she couldn’t refute it.

What Ji Hongshang said was right, it was because she was not cautious, no one could blame others.

Chapter 4350

“You wicked woman.”

At this time, Song Qian couldn’t help it, and yelled at Ji Hongshang: “It’s obvious that she is despicable and shameless, but it’s reasonable? Do you feel honored for using this method?”

” The Five Poison Sects are nothing more than that.”

Swish!

Hearing the scolding, Ji Hongshang's face changed, and she glared at Song Qian with a sneer: "You are Yue Feng's cousin, right? You have sharp teeth, but don't shout, you are just like your master, I was also hit by Qian Gu San."

Song Qian hurriedly tried to activate her inner strength, and her delicate body trembled.

At this time, Song Qian clearly felt that her inner strength could not be exerted, and her whole body was limp.

In a frightened anger, Song Qian couldn't bear it anymore, and scolded Ji Hongshang: "Ji Hongshang, you vicious woman, you are going to die..."

"You got the devil . What can you do with soul power? A wicked woman like you will never try to integrate completely..."

Song Qian scolded more and more fiercely, scolding whatever she thought of.

court death!

Hearing Song Qian's scolding, Ji Hongshang couldn't calm down, her delicate and charming face was covered with frost.

His own dignified Five Poison Sect Sect Master, was so abused, if it spread to the rivers and lakes, what face would he have?

In anger, Ji Hongshang walked over quickly and slapped Song Qian in the face without warning!

This slap used all his strength!

Snapped!

Hearing a crisp sound, Song Qian exclaimed, and her delicate body trembled and took a few steps back. At the same time, a slap print appeared on her fair face. Blood flowed from the corners of his mouth.

"Stinky girl, just because you are qualified to scold me? Your cousin Yue Feng, who gave my sister a poison, not only forced her to do things, but also caused her to die from the poison, and the corpse was not left, if it really counts Damn person, your cousin Yue Feng is the one." Ji Hongshang said coldly, her eyes full of resentment: "As Yue Feng's cousin, I should have killed you immediately, but I decided to let you live a few more days. , so, shut up for me immediately. You have no right to scold me." The

voice fell, and Ji Hongshang slapped her again!

Song Qian covered her face, feeling both grievance and anger: "You lie, my brother is not a hateful person at all, you are."

"You helped Bai Yunfei and the Demon Race to bring disaster to the Kyushu Continent before, full of evil, I have to say Evil, your five poisonous sects are the worst."

Shua!

Hearing this, Ji Hongshang's face was extremely gloomy, and she shouted coldly: "Shut up for me, my Five Poison Sect was only temporarily helping Bai Yunfei before, and it is not complicity at all."

When it comes to Bai Yunfei, Ji Hongshang Get out of breath.

At that time, Bai Yunfei promised to avenge himself by killing Yue Feng, but he has not done so until now. However, because of the cooperation with Bai Yunfei, the Five Poison Sect has now become the source of evil in the Kyushu continent.

"Stop arguing..."

Seeing that Ji Hongshang was a little out of breath, Song Qian sneered and continued to mock: "Now who doesn't know the entire Jiuzhou Jianghu, you are the dignified Five Poison Sect Sect Master, but willing to be Bai Yunfei's lackey, Facts have proved that this statement is not wrong at all, you are a lackey, not only to harm the rivers and lakes, but also to bite your own master."

"You think that if you absorb the power of Bai Yunfei's demon soul, the Jiuzhou rivers and lakes will be able to change the way they treat you. Are you wrong? Your five poisonous sects will be completely destroyed in the end. And you will also pay the price you deserve."

"Okay, very good!"

Hearing this, Ji Hongshang trembled in the suburbs, and laughed in anger: "You can say yes, I will let you say it. I want to see how powerful your mouth is." The

voice fell, Ji Hongshang He raised his jade hand again, and slapped it slap after slap.

Snapped! Snapped! Snapped!

A slap is heavier than a slap. At first, Song Qian was able to retort, but gradually she couldn't say it anymore, and her whole face was swollen.

"Stop it."

Seeing this scene, Mu Xixi was so angry that she shouted at Ji Hongshang, "You are also the master of a sect, don't you feel ashamed to attack a poisoned girl now? Do you want to? Come at me when you're angry."

While shouting, Mu Xixi wanted to rush over, but her body was sore and weak, completely helpless.

The ultimate husband in Chinese chapter 4351-4360

Chapter 4351

Hearing Mu Xixi's shouting, Ji Hongshang snorted coldly: "Qin Sheng, you don't come to provoke me, this stinky girl is so rude to me, if I don't teach her a good lesson, I will not let it be called Ji Hongshang."

Saying that, she slapped her again.

Pfft!

At this moment, Song Qian finally couldn't bear it anymore, and she fainted in front of her eyes.

Seeing this situation, Ji Hongshang stopped.

"Yuantong." In the

next second, Ji Hongshang shouted at the outside. As soon as the voice fell, Yuantong walked in quickly, followed by a few Five Poison Sects.

"Detain them temporarily and keep them under strict guard." Ji Hongshang pointed at Mu Xixi's teacher and apprentice, and said beyond doubt: "If someone runs away, I'll ask you about it."

"Yes."

Yuan Tong hurriedly said. After answering, he and a few non-toxic sect disciples took Mu Xixi out.

...

the other side.

Yue Feng and Yueqing finally arrived at Fengzhuang after several hours of traveling.

Huh...

Seeing the environment around Fengzhuang at this time, whether it was Yue Feng or the Yueqing brothers and sisters, they couldn't help but admire secretly.

This chapter is provided by . Visit [for](#) daily update.

What a beautiful scenery.

While Yue Feng was admiring, his face was also extremely solemn. He clearly saw that there were many people wearing dark blue gowns around Fengzhuang, patrolling back and forth.

Not only that, the gate of Fengzhuang was even more heavily guarded.

And these people's clothes have the symbols of the Five Poison Sects.

mad.

Seeing this, Yue Feng couldn't help taking a deep breath. It seemed that the news Yueqing had received before was not false. The people in Fengzhuang were indeed people from the Five Poison Sect.

"Master was caught here."

At this time, Cheng Yi was full of impulsiveness and clenched his fists and said: "Junior sister, let's go up and ask for someone. If Master has three strengths and two weaknesses, we will not finish with them." The

voice fell, Cheng Yi was ready to rush over.

What the hell!

Seeing this scene, Yue Feng was shocked and very depressed.

This Cheng Yi has a sick mind. There are thousands of elites from the Five Poison Sect in the entire Fengzhuang, but there are only three of them on his side. Does Cheng Yi want to save his master?

How confident is this in yourself?

"Senior brother!"

Just when Yue Feng was frowning secretly, Yueqing also quickly reacted, grabbing Cheng Yi, and anxiously said: "You are crazy, there are so many people patrolling around Fengzhuang, just the three of us, How could it be an opponent?"

Cheng Yi was full of anxiety: "Then what do you say?"

"I don't know."

Yue Qing bit her lip tightly, also very worried, and said softly: "But let's discuss it carefully, There must be a way."

Alas!

Hearing this, Cheng Yi sighed, then his eyes fell on Yue Feng, and he said coldly: "Hey, aren't you very talented? Wolves can be tamed. Tell me, what will you do next?"

The attitude is arrogant, and the tone is even more contemptuous.

At this moment, Yueqing also looked closely at Yue Feng, full of anticipation: "Brother Ah Feng, is there any way you can save my master out?"

Phew...

Yue Feng secretly took a breath, and was about to open his mouth with a smile, when he was suddenly interrupted by the sound of footsteps.

At this moment, Yue Feng hurriedly turned his head to look, and saw on the road not far away, a dozen people were rushing towards Fengzhuang. These people were wearing uniform gray long gowns.

The man at the head looked like he was in his 30s or 40s, with a moustache, giving him an elegant bacillus, and it was Zheng Chunqiu, the sect master of Danzong.

Brother Zheng?

Seeing Zheng Chunqiu, Yue Feng's heart was shocked, and he was indescribably excited and excited.

Speaking of which, Yue Feng hadn't seen Zheng Chunqiu for several months since his farewell in Xia Yinzong.

Under the excitement, Yue Feng was still a little puzzled.

Why did Brother Zheng come to Fengzhuang? Could it be that the Five Poison Sects also captured their Dan Sect people?

Because the three Yue Feng were hidden in the dark, Zheng Chunqiu did not find them, but went directly to the gate of Fengzhuang.

"Stop!"

At this moment, the foundation of the Five Poison Sect guarding the gate suddenly surrounded Zheng Chunqiu, and then asked loudly: "This is Fengzhuang, outsiders are not allowed to approach, hurry up.

" At the same time, the disciples of the Five Poison Sect who were patrolling around rushed over quickly when they heard the movement, and surrounded Zheng Chunqiu.

Chapter 4352

In the face of this situation, Zheng Chunqiu had no fear, looked around, and said word by word: "Report to your Fengzhuang owner immediately, and say that Danzong Zheng Chunqiu has something to see."

When he said this, Zheng Chunqiu said Chunqiu suppressed the anger in his heart.

One day ago, the elder Linmu suddenly stopped in the alchemy room in the back mountain. At that time, the entire alchemy sect was mad, and Zheng Chunqiu was even more impatient. He sent elite disciples to inquire around, and finally found out about the elder Linmu and was caught in Fengzhuang.

After hearing the news, Zheng Chunqiu didn't have time to think about it, so he rushed over with some elite disciples.

In Zheng Chunqiu's heart, Danzong has nothing to do with this Fengzhuang, but the other party kidnapped Elder Linmu, how can he not be angry?

Danzong Sect Master?

Hearing these words, the disciples of the Five Poison Sect surrounding them were all shocked, and their eyes were complicated, revealing a trace of fear.

You must know that there are three major sects in the entire Dongao Continent, namely Wenzong, Danzong and Jianzong. Among them, the suzerain of Wenzong, Su Qingyan, left with Yue Feng many years ago. Since then, Wenzong has rarely asked about it. It's a matter of the rivers and lakes.

In this case, Danzong and Jianzong are left to fight for hegemony.

However, Zheng Chunqiu and Yue Feng have a good relationship. With this relationship, Danzong's reputation in the arena is stronger than that of Jianzong, especially the suzerain Zheng Chunqiu. With the increase in strength in recent years, he is famous in the rivers and lakes. No one knows, no one knows.

At this time, when Zheng Chunqiu visited Fengzhuang in person, these disciples of the Five Poison Sect were naturally unable to calm down.

What?

Seeing the scene in front of them, Cheng Yi and Yue Qing, who were hiding in the dark, also trembled, staring at Zheng Chunqiu blankly, speechless.

The visitor turned out to be Zheng Chunqiu, the famous Danzong sect master in the world?

It's really not as famous as seeing it at first sight, and it really has an extraordinary bearing.

Yueqing, in particular, was even more excited. He quietly took Yue Feng's hand and said, "Brother Ah Feng, you know Dan Zong, right? It is said that Dan Zong's alchemy technique is the best in the East Ao Continent, and makes people yearn for it.

"I have liked the technique of alchemy since I was a child, but unfortunately I already have a master, so I can no longer worship the mountain gate."

"However, now that I can see the famous Zheng Chunqiu, I am also satisfied."

When he said this, Yueqing's face was full of Excited, with a bit of regret in his eyes.

Hehe...

Hearing this, Yue Feng couldn't help laughing. He really didn't expect that in the past few years, Zheng Chunqiu's reputation would become more and more famous in Dongao Continent, and he didn't expect that Yueqing, who was beside him, also liked alchemy, and , and also wanted to join Danzong.

Muttering in his heart, Yue Feng smiled at Yueqing and comforted him in a low voice: "Dan Zong is so famous, of course I heard about it. Since you like alchemy so much, I just happen to know some. When I have time in the future, I will teach you."

Yue Feng's alchemy technique is unmatched in the entire Kyushu, and teaching Yueqing some simple things is simply a piece of cake.

"Really?"

At this moment, Yueqing was very excited and held Yue Feng's hand tightly: "Can you still make alchemy? Brother Afeng, you are amazing."

As soon as he finished speaking, Cheng Yi next to him couldn't bear it. He snorted coldly and looked at Yue Feng with disdain: "It's really shameless, even if you can make alchemy, can you still compare to Dan Zong?"

Then, Cheng Yi pulled Yueqing away and said earnestly: "Junior sister, can you? Don't be so naive, believe what other people say, I think this kid is not only a liar, but also very good at bragging."

When he said this, Cheng Yi looked at Yue Feng's eyes, full of contempt.

This kid dresses like a beggar, and he can have any real skills, but he is purely a liar.

Yueqing didn't take it seriously, and pouted his lips unpleasantly: "Senior brother, why are you so prejudiced against Big Brother Ah Feng? Anyway, he helped us drive away the wolves before, and he saved our lives." Huh

..

Hearing this, Cheng Yi's face flushed, and he was speechless for a moment to refute. He only needed to change the subject: "Shh, stop talking, first look at the situation in front of you, and then think about how to save Master."

As he said, Cheng Yi His gaze fell on Zheng Chunqiu and the others who were not far away.

Chapter 4353

Seeing him say so, Yueqing didn't say more, pulling Yue Feng to watch together quietly.

At this time, Zheng Chunqiu was here.

Huh....

After being stunned for a few seconds, the disciples of the Five Poison Sects around them reacted one after another, and then the one in the lead said politely to Zheng Chunqiu: "It turns out to be Sect Master Zheng, please wait a moment, I'll go in and report."

With that, the disciple hurried into Fengzhuang.

After a while, the disciple came out. Behind him, a dozen elite disciples, surrounded by a slim figure, slowly walked out of the door.

Wearing a deep red dress, her facial features are exquisite and charming, her body exudes a powerful breath, and her eyes are extremely sinister, just like a beautiful snake.

It was Ji Hongshang.

Swish!

Seeing Ji Hongshang, Zheng Chunqiu's face changed suddenly, and he was even more shocked.

Ji Hongshang, the sovereign of the Five Poison Sect? It was her.

No wonder the surrounding Fengzhuang is so heavily guarded.

Zheng Chunqiu once led the Danzong, cooperated with the Ouyang family to encircle and suppress the five poisonous sects, and even played against Ji Hongshang, and the opponent could be recognized when they turned into ashes.

At the same time, Yue Feng frowned when he saw Ji Hongshang.

It's really her, I haven't seen her for a few months, how has Ji Hongshang's strength improved so much?

At this time, Yue Feng could clearly feel that the aura that filled Ji Hongshang's body was not only much stronger than before, but also more sinister.

Afterwards, Yue Feng felt further and was shocked.

The power of the demon soul?

This Ji Hongshang... actually possesses the power of a demon soul?

Yue Feng has been dealing with the demons and has been trapped in the realm of the gods. He is no stranger to the power of the demon soul. After being reborn with the help of the red lotus of the law, his perception is sharper than before, so he noticed it all at once.

"Ji Hongshang!"

Finally, Zheng Chunqiu reacted, glared at Ji Hongshang, and roared: "You witch, you helped the demons to harm Kyushu before, and now you have come to our Dongao Continent to do evil again.

"Let my people go, otherwise we'll never finish."

Wow....

The voice fell, and the surrounding Five Poison Sect was in an uproar, full of anger.

This Danzong Sect Master is really crazy, so rude to the Sect Master when we first met?

Speaking of which, only a few cronies knew about Ji Hongshang sending people to arrest famous doctors, and most of the ordinary disciples did not know it. Under such circumstances, seeing Zheng Chunqiu being so rude as soon as he came up, he was naturally furious. .

"Haha..."

Ji Hongshang was not angry at all, looking at Zheng Chunqiu with a half-smiling smile: “Zheng Sect Master, we are old acquaintances, we haven’t seen each other for a few months, and you asked me for someone as soon as I saw you. , it seems a little inappropriate.”

The disciples below did not know about the arrest of the elder Linmu of Danzong, but she knew it very well.

It’s just that this kind of thing involves the reputation of the Five Poison Sect, and of course it cannot be easily admitted.

Mad! Hearing this, Zheng Chunqiu got angry, took a step forward, glared at Ji Hongshang and shouted: “Don’t mess around

with me. I ask you, are you going to let people go?”

Basically, they are all angry.

There is something wrong with this Danzong Sect Master.

At the same time, Ji Hongshang also raised the corners of his mouth, and said in a leisurely tone: “Zheng Sect Master, you keep asking me to let me go, but I don’t even know who it is, how can I let it go?” I

don’t know?

Zheng Chunqiu’s anger rose and said coldly: “My Danzong elder, Linmu, was refining alchemy in the back mountain the day before yesterday, and was suddenly kidnapped by your subordinates. Don’t you admit it?”

“Elder Linmu?

“

Seeing this, Yue Feng, who was hiding in the dark, was secretly surprised.

This Ji Hongshang is really daring to take the elder of Danzong, no wonder Zheng Chunqiu came here.

Thinking to himself, Yue Feng continued to wait and see.

In the face of Zheng Chunqiu’s questioning, Ji Hongshang looked astonished and nodded with a smile: “Oh, I’ve heard of this elder, obsessed with alchemy, and he hasn’t been down the mountain for decades, so I’ve heard of it. However, I didn’t arrest this person.”

When she learned that Zheng Chunqiu came to the door just now, Ji Hongshang made up her mind and refused to admit it.

Saying that, Ji Hongshang met Zheng Chunqiu's gaze and mocked: "Zheng Sect Master, your Dan Sect is one of the top sects in Dongao Continent after all, but his subordinates were kidnapped in the main altar, alas, what a shame. what."

Chapter 4354

Mad!

Hearing the mockery, Zheng Chunqiu's eyes were instantly blood red, and he clenched his fists tightly, burning with anger.

This Ji Hongshang is really hateful, even if she doesn't admit it, she even dares to make fun of herself.

Under the anger, Zheng Chunqiu clenched his teeth, his anger could no longer be controlled, and shouted: "Okay, if you don't admit it, then I will go in and search, if Elder Linmu is really here, I will absolutely I can't spare you."

Search?

Ji Hongshang smiled contemptuously, looking at Zheng Chunqiu's eyes, full of disdain: "Zheng Chunqiu, don't take yourself too seriously, want to search my Fengzhuang? Are you qualified?"

"I tell you , if this seat respects you, you are a person, if you disrespect you, you are not even an ant." The

last word fell, Ji Hongshang's charming face was full of arrogance.

To be honest, if it was half a year ago, Ji Hongshang would never have the courage to say that to Zheng Chunqiu, but after possessing the power of the demon soul in her body, it would be different, and she did not take him seriously at all.

After all, once the power of the demon soul is successfully integrated, there will be no rivals in Kyushu, and naturally Zheng Chunqiu will not be taken seriously.

Not even an ant.

Hearing this sentence, Zheng Chunqiu was furious and felt a great humiliation.

"Okay, very good."

For a while, Zheng Chunqiu's eyes were blood red and blood red, completely furious, and howled: "Ji Hongshang, it seems that I really underestimate you, don't let me search, right, then I will smash you. The Fengzhuang, as well as you and all the disciples of the Five Poison Sect here, must pay for the life of the elder Linmu."

Ji Hongshang refused to admit it from beginning to end, making Zheng Chunqiu think that the elder Linmu had been killed.

Under such circumstances, Zheng Chunqiu suddenly lost his mind.

The cold voice came from Zheng Chunqiu's mouth, resounding over the entire Fengzhuang. For a moment, the audience was silent.

The surrounding disciples of the Five Poison Sect looked at each other, all stunned there.

Haha...

But after a brief silence, many disciples of the Five Poison Sect burst into laughter.

"What did he say to the sect master? He wants to destroy us all?"

"Tsk tsk, this dan sect sect master is really not an ordinary madman."

"That is, although their dan sect is famous these years, they also used Yue Feng's prestige. That's it, without Yue Feng, who would know about their Dan Zong in the Jiuzhou Jianghu."

Many disciples of the Five Poison Sect, you and I were mocking each other, all of them with contempt in their voices.

Ugh!

Seeing this situation, Yue Feng, who was hiding in the dark, frowned secretly and was a little worried in his heart.

Brother Zheng is so impulsive, how can a sinister woman like Ji Hongshang face it head-on?

"It's about to start a fight."

At this moment, Cheng Yi next to him, with an inexplicable excitement on his face, whispered to Yueqing: "This Fengzhuang is really crazy, even the general manager dares to arrest him, wait for this Zheng. If the sect master takes action in person, this Fengzhuang will be destroyed, and then our master will be fine."

When he said this, Cheng Yi's eyes were full of excitement. Can definitely beat the opponent.

Um!

Yueqing nodded, also excited.

At this time, Zheng Chunqiu was here.

“Haha..”

Hearing the mocking of the surrounding disciples, Ji Hongshang couldn't help but smile charmingly, and looked at Zheng Chunqiu jokingly: “Zheng Chunqiu, are you kidding me? Okay, I want to see how much you are. Horizontal.”

Om!

The voice fell, and a very strong breath burst out from Ji Hongshang's body, and then the figure rose up and came straight to Zheng Chunqiu.

In the past few days, Ji Hongshang tried all kinds of methods to integrate the power of the demon soul. Although it was not completely successful, her strength had improved somewhat. At this time, she used Zheng Chunqiu to practice her skills.

“Come on.”

Seeing Ji Hongshang bursting out, Zheng Chunqiu didn't mean to evade at all, but instead yelled and slapped him with a palm.

Half a year ago, Zheng Chunqiu played against Ji Hongshang. At that time, Zheng Chunqiu was superior in skill and almost injured Ji Hongshang, so in his heart, he did not regard Ji Hongshang as an opponent at all.

The only thing he is afraid of is that there are more disciples of the Five Poison Sect around.

But in order to save Elder Linmu, Zheng Chunqiu couldn't care so much.

Chapter 4355

Bang!

The next second, Ji Hongshang and Zheng Chunqiu collided with their palms, and they heard a dull sound, a powerful wave of internal force swept the audience.

Dengdengdeng...

Immediately afterwards, I saw Ji Hongshang and Zheng Chunqiu groaning and taking a few dozen steps back at the same time.

Obviously, when the palms met, neither of them took advantage of it.

However, those with discerning eyes can see that although Ji Hongshang was shaken back, there was no fluctuation on her delicate face, while Zheng Chunqiu's face was pale.

mad.

Soon, Zheng Chunqiu stabilized his figure and looked at Ji Hongshang closely, shocked.

How did this Ji Hongshang's strength suddenly become so strong? You must know that in a fight six months ago, the opponent was still his defeated general, but in that palm, Ji Hongshang's internal strength was more than twice as strong as before.

How could this be?

At this time, Zheng Chunqiu did not know that Ji Hongshang had experienced too much in the past six months. Not only did he gain the inner alchemy power of the ancient poisonous scorpion, but he also absorbed the power of Bai Yunfei's demon soul. .

Phew ...

At the same time, Ji Hongshang took a deep breath and looked at Zheng Chunqiu quietly, without the slightest fluctuation on the surface, and also muttered in her heart.

No, if you don't successfully integrate the power of the devil's soul, you can't go all out.

At this time, Ji Hongshang could clearly feel that after the confrontation with Zheng Chunqiu just now, the power of the demon soul in her body was already showing signs of disorder.

Realizing this, Ji Hongshang glared at Zheng Chunqiu fiercely.

Damn, I originally planned to take the opportunity to get rid of him today, but now it seems that this plan can only be slowed down.

Thinking so in her heart, Ji Hongshang made a relaxed look and laughed at Zheng Chunqiu: "Zheng Chunqiu, I haven't seen you for half a year, your strength has not improved much, it's really bad. Fighting with you is simply Lowered my status."

After saying that, Ji Hongshang waved her hand with a generous look: "You are not my opponent, let's go."

Mad!

Hearing this, Zheng Chunqiu almost exploded with anger, and roared: "Ji Hongshang, Shaotema, give me this set, let's continue.

" Ji Hongshang is so humiliated, if she bears it, how will she have any face in the arena in the future?

Today, no matter what, I have to fight her to the death.

Oops.

Seeing this scene, Yue Feng, who was hiding in the dark, couldn't help it.

Brother Zheng is so upright, he didn't find out, is the other party a radical?

Moreover, Ji Hongshang possesses the power of demon soul, and her strength is not what it used to be. Even if Zheng Chunqiu goes all out, she is not her opponent.

Thinking about it, Yue Feng was about to rush out to stop Zheng Chunqiu.

Yue Feng knew clearly in his heart, and rushed out hastily, and the whereabouts of himself and Yueqing were completely exposed.

But for the safety of Zheng Chunqiu, Yue Feng couldn't care so much.

"Sect Master!"

However, before Yue Feng could leave, he saw a Danzong elder who quickly rushed over to stop Zheng Chunqiu: "Sect Master, don't be impulsive, this Ji Hongshang is extremely sinister, let's go back first and have a long-term plan."

The voice fell, and several Danzong disciples who accompanied him also comforted each other.

"Sect Master, think again."

"Yes, the other party is very cunning, we can't force it."

"As I see it, let's withdraw first and discuss the countermeasures."

They all knew in their hearts that Ji Hongshang dared to be so unscrupulous, there must be a conspiracy secretly , Moreover, Zheng Chunqiu fought against her just now, obviously suffered a loss, and if they continue to fight, it will only become more and more unfavorable.

Phew ...

Hearing the consolation, Zheng Chunqiu took a deep breath and waved his hand unwillingly: "Let's go." When the

voice fell, he took his subordinates to leave.

But after walking more than ten steps, Zheng Chunqiu was unwilling, and turned back to Ji Hongshang and said coldly: "Ji Hongshang, don't be too proud, I will come back."

Seriously, Zheng Chunqiu didn't want to do it like that . Face is gone, but there is no way.

Ji Hongshang's strength has improved so much, and she is no longer an opponent. If you continue to fight, you can only bring shame on yourself. It is better to go back and think of a way.

call!

Hearing Zheng Chunqiu's harsh words, Ji Hongshang was not happy at all, and a smile appeared on her charming face.

The ultimate husband in Chinese chapter 4356-4360

Chapter 4356

But in my heart, I was secretly relieved.

Fortunately, Zheng Chunqiu confessed and left, otherwise, if he continued to fight, the power of the demon soul in his body would be completely disordered, and he could not control it, and it would be over.

"Everyone listens to the order."

Thinking to herself, Ji Hongshang turned around and instructed the surrounding disciples of the Five Poison Sect: "From now on, strengthen the guard around you and make sure there is no mistake."

"Yes, Sect Master!"

The voice fell, and the surrounding disciples of the Five Poison Sect responded in unison.

Ji Hongshang explained a few more words, then turned around and entered Fengzhuang.

Phew...

At this moment, Yue Feng, who had been hiding in the dark, was also secretly relieved when he saw the situation in front of him.

Fortunately, Brother Zheng listened to what his subordinates said, and did not continue to fight with Ji Hongshang, and he didn't have to show up.

"Junior sister, go!"

At this moment, Cheng Yi suddenly stood up, pulled Yueqing, and chased in the direction where Zheng Chunqiu and others were walking.

Yueqing's face was puzzled, and while struggling, he asked, "Senior brother, what are you doing? Aren't we trying to save Master?"

Alas!

Cheng Yi sighed, pointed to the door of Fengzhuang, and said in a complicated tone: "Junior sister, didn't you see it just now? That woman was so powerful just now that she was not at a disadvantage against Danzong Sect Master. You and I are mediocre, how can you save me? Master?"

This chapter is provided by . Visit for daily update.

"I've made up my mind, let's go to Sect Master Danzong for help. I heard that Sect Master Zheng's heroic spirit will definitely help."

Hearing this, Yueqing thought for a while, and felt it made sense, so he nodded.

Afterwards, Yueqing greeted Yue Feng: "Brother Ah Feng, hurry up and keep up."

Hmm!

Yue Feng responded and quickly followed.

In Yue Feng's heart, he also planned to catch up with Zheng Chunqiu first, but at this time, he heard Yueqing's call and naturally did not refuse.

"Junior sister!"

However, Cheng Yi was unhappy, and said with a disgusted expression: "What are you calling this waste for? Look at his appearance, how can he help?"

Yueqing's delicate face was full of determination: "Brother Ah Feng is my friend, what's wrong with me calling him?"

“What friend, he’s a liar.”

“You said, you already said I was angry…”

“Okay, I won’t say it anymore . . , sigh…”

Yue Feng followed, listening to the brothers and sisters bickering, but didn’t take it to heart.

Half an hour later, the three of Yue Feng tracked and finally found Zheng Chunqiu and the others. They saw that Zheng Chunqiu and his party did not return to the main altar of Danzong, but took a rest in a dilapidated temple.

This monastery is less than ten miles away from Fengzhuang, and the location is very hidden, so I am not afraid that Ji Hongshang will send someone to investigate.

Swish!

At this moment, when the three of Yue Feng entered the temple, Zheng Chunqiu and others, who were sitting there resting, suddenly cast their eyes.

Whoa!

Immediately afterwards, more than a dozen Danzong disciples walked over quickly and surrounded the three of them.

“Who are you?” Zheng Chunqiu sat there cross-legged, glanced at Yue Feng three times, and said with a bit of majesty: “Why are you following us?”

Because Yue Feng at this time not only has long red hair, but also has marks on his face, which Zheng Chunqiu couldn’t recognize at all.

Gudong!

Feeling the strong pressure pervading Zheng Chunqiu, Cheng Yi couldn’t help swallowing a mouthful of saliva, and quickly explained with a smile: “Sect Master Zheng, don’t misunderstand, we are not following you, but asking for something.”

Yueqing next to him was also nervous. No, he nodded and said, “Yes, we are not bad people.”

Then, Cheng Yi told the story of his master’s arrest one by one, and at the end, Cheng Yi looked at Zheng Chunqiu with a sincere expression on his face. : “Zheng Sect Master, you are a hero respected by everyone in our East Ao Continent. Please help us. When you save your Danzong elders, let’s save our master by the way.”

Yueqing's delicate face, also full of anticipation, he followed up and said, "Yes, please."

It turned out to be the case.

Hearing about the situation, Zheng Chunqiu suddenly nodded, but he did not immediately nod in agreement, but asked curiously, "You two are senior brothers and sisters, so who is this one? Why is he with you?" The

last sentence fell, Zheng Chunqiu pointed to Yue Feng.

Chapter 4357

At this time, Zheng Chunqiu's expression was indifferent, but looking at Yue Feng's eyes, there was a bit of surprise.

Who is this man holy? Not only is he full of long hair, but his face is also full of red lotus marks.

It's so peculiar.

At this time, Zheng Chunqiu didn't know that the person in front of him was Yue Feng.

At the same time, the eyes of the surrounding Danzong disciples also focused on Yue Feng, all of them were extremely surprised.

"He."

Hearing the question, Cheng Yi said lightly: "He's just a nobody in the world. Sect Master Zheng doesn't need to pay too much attention to it."

When he said this, Cheng Yi's expression was full of disdain. Feng is a liar, how can he get Zheng Chunqiu's eyes?

Hehe...

Hearing Cheng Yi's introduction, Yue Feng couldn't help but secretly smiled in his heart.

This Cheng Yi is really a chicken belly, and he never forgets to belittle me everywhere.

But in his heart, Yue Feng smiled politely at Zheng Chunqiu.

He has changed his appearance, and there is a villain like Cheng Yi by his side. Forget it, I will not recognize Brother Zheng for the time being. Let's talk about it when I have a chance.

"Senior brother!"

However, at this time, Yueqing, who was standing by the side, was unhappy, and couldn't help but pull Cheng Yi, and whispered, "Why are you still like this?"

Having said that, Yueqing respectfully said to Zheng Chunqiu: "Sect Master Zheng, this is my friend, his name is A Feng, A Feng is very powerful, he helped us drive away the wolves before."

Yue Qing is kind-hearted, seeing that Cheng Yi has always been against Yue Feng, he can't bear it.

Um?

Hearing this, Zheng Chunqiu froze for a moment, then looked up and down at Yue Feng, secretly startled.

Can one man drive away wolves?

This man is interesting.

Cheng Yi was a little anxious. The more junior sister protected Yue Feng, the more upset he felt. At that time, he smiled lightly and waved his hand: "It's nothing, this Ah Feng often wanders in the barren mountains and mountains, and it's nothing to speak a bit of animal language."

Having said that, Cheng Yi turned his eyes and quickly changed the topic: "Zheng Sect Master, my master is also locked in Fengzhuang, please help me."

Phew!

Zheng Chunqiu breathed a sigh of relief, and said lightly, "Everyone is the sons and daughters of all corners of the world. Since your master has also been arrested, I naturally can't stand by and watch."

"But it's getting late, so let's just rest here tonight, the three of you. Come on, tomorrow morning, I'll figure out a plan, and I'll tell you what to do." That's

great.

Seeing Zheng Chunqiu finally agreeing to help, Cheng Yi couldn't tell how excited he was. He nodded and said gratefully: "Thank you, Sect Master Zheng, Sect Master Zheng is really righteous."

As he said, Cheng Yi pulled Yueqing and said, "Junior sister, Zheng The sect master said so, let's go to rest first."

Yue Qing nodded with a smile, and at the same time did not forget to greet Yue Feng: "Brother Ah Feng, let's stay here for one night."

"Okay!"

Yue Feng has no objection . . . , nodded.

This dilapidated monastery is not big, but there are still a lot of rooms, but most of them are occupied by the disciples of Danzong. In the end, there are only two rooms, and they can barely rest.

One of the doors and windows was intact, while the other was leaking everywhere.

"Big Brother Ah Feng . ." When she got

to the better room, Yueqing smiled and said, "Tonight, the three of us, just live here, don't dislike it."

In her heart, Yue Feng followed. Coming to Fengzhuang to save Master, it was very tiring to travel all the way, and it was okay to live together.

After all, it's good to have a place to live in this dilapidated monastery.

Hehe...

Hearing this, Yue Feng showed a smile: "How can it be? When I was walking in the rivers and lakes before, I lived in even worse environments."

Yue Feng is not talking big, when he was in Tianqi Continent, he was with Xiaoqiu. In the evening, Su Qingyan fell to the bottom of the volcano together, the scorching temperature could almost cook people, but the three Yue Feng still stayed in it for half a year.

In contrast, the environment of this monastery is simply much better.

What?

Junior sister wants to rest in the same room with this liar?

Seeing this situation, Cheng Yi quit, his face flushed instantly, and he pulled Yueqing behind him: "Junior sister, are you crazy? You are just an adult, how can you rest with other men? Don't know the difference between men and women? ?"

Chapter 4358

Swish!

Hearing this, Yueqing's delicate face instantly blushed, and at the same time, she was helpless and angry: "Senior brother, what are you talking about? Isn't there no place to live? Besides, brother Afeng is not an outsider. It saved our lives."

Cheng Yi was a little embarrassed, but still said coldly: "Don't keep talking about this, as I see it, he was just lucky at the time, and besides, I didn't ask for it at the time. He helped." Saying

that, Cheng Yi took out the sickle in the bamboo basket behind him: "Also, I also drove away the pack of wolves at that time.

"

He said angrily: "Okay, brother, don't brag. I still remember that when you saw the wolves, your face turned pale."

"In short, I have already decided that you can't chase Big Brother Afeng tonight. Go out."

After saying the last sentence, Yueqing took Yue Feng's hand, and his delicate face was full of firmness: "Go, let's go in and rest."

Yue Feng did not refuse, and followed him in.

This....

seeing this scene, Cheng Yi was so angry, but he had no choice but to follow through with gritted teeth.

Although Yueqing is young, he is very virtuous and diligent. He made some straws and made three simple beds.

"Hey!"

When lying down to rest, Cheng Yi stared at Yue Feng: "Boy, I warn you, you'd better be honest when you rest tonight, if you dare to call my junior sister's attention, I will never forgive you. Not you."

An idiot.

Yue Feng just pretended he didn't hear these words, turned over, closed his eyes and rested.

At this time, Yueqing also turned over and said softly to Yue Feng: "Big brother Afeng, my senior brother is like that, don't mind."

After speaking, Yueqing continued with a little embarrassment: "That... I can't sleep, can you continue to teach me animal language?"

Because it wasn't too far away, Yue Feng could clearly feel her breath, a little itchy feeling, and a fresh fragrance when she was talking at this time. keep coming.

Hu...

Yue Feng took a deep breath, resisted the strange feeling, nodded and smiled, "Okay..." Then he began to teach Yueqing Beast Language seriously.

mad.

Seeing this scene, Cheng Yi, who was lying next door, almost exploded with anger.

This kid with a face full of imprints is really going too far. Just after I warned him, he chatted with his junior sister unscrupulously.

For a while, Cheng Yi felt humiliated, stood up directly, kicked Yue Feng in the leg, and said coldly, "Get up for me."

"What?" Yue Feng frowned and asked back. road.

At the same time, Yueqing was also a little unhappy: "Senior brother, what are you doing?"

Cheng Yi ignored her, but pointed at Yue Feng and scolded: "Boy, I think you are really toasting and not eating and drinking, do you think that My junior sister is young, it's easy to lie, right, I tell you, I have seen a lot of perverts like you."

Nima!

Hearing this, Yue Feng suddenly became a little angry.

This Cheng Yi has a mental illness, right? I chatted with your junior sister a few words, just because I liked her? Is it a werewolf?

"Brother."

At this moment, Yueqing was also very angry, and explained: "What are you talking about? I just asked Brother Afeng to teach me animal language, there is nothing else at all."

"I don't care about this, you talk like this and disturb my rest."

"You..."

Hearing this, Yue Feng couldn't help but chuckle, looked at Cheng Yi and said, "What do you want?"

Cheng Yi pointed to his position: "Let's change ." Separating this kid from his junior sister, the two of them won't have a chance to communicate.

"Senior brother, you are going too far." Yue Qing was so

angry that he pouted and said, "I just want to learn animal language with brother A Feng, and I have no other ideas at all, but I am so crooked by what you think... As he was talking, Yue Feng smiled and comforted: "

Forget it, maybe your brother is really tired, so I'll change it with him." As he spoke, Yue Feng secretly took out a grass from his body and rubbed it Broken grass blades, smeared the juice on the straw under him.

This grass, called 'hemp cow', is a kind of material needed for alchemy, and it is relatively rare.

Chapter 4359

When Yue Feng was on his way before, he saw a plant and picked it. It was intended to be used for alchemy in the future.

In addition to being able to concoct alchemy, hemp grass has another feature, that is, the leaves contain powerful itching ingredients, as long as it gets on the skin, it will be unbearably itchy.

Originally, Yue Feng didn't plan to argue with Cheng Yi, but seeing that he was getting more and more over the top, he was against himself everywhere, so he decided to use hemp grass to rectify him.

At this time, Yue Feng quietly smeared the hemp cow grass, then stood up and said to Cheng Yi: "Since you like it, then you can sleep here."

Then he walked to Cheng Yi's seat and lay down.

Hehe...

Seeing that Yue Feng's clothes were softened, Cheng Yi showed a sneer of disdain and slowly lay down on Yue Feng's seat.

The moment he lay down, Cheng Yi smiled at Yueqing with a gentle smile: "Junior sister, if you want to chat, would you like my brother to accompany you?"

However, Yueqing was in the mood at this time? He snorted and turned over.

Uh...

Hit a soft nail, Cheng Yi is very embarrassed, but he is still very comfortable, at least that kid has no chance to get close to the junior sister.

Thinking to himself, Cheng Yi closed his eyes and prepared to rest.

Um?

However, at this time, Cheng Yi suddenly frowned, and his body twisted subconsciously. It was strange, it was fine just now, why is his back so itchy all of a sudden?

At this time, Cheng Yi clearly felt a tingling sensation in his back, and he couldn't help but stretch out his hand and scratch it.

But what he didn't expect was that the more he stretched out his hand to scratch, the stronger the tingling feeling.

Wipe...

Finally, Cheng Yi couldn't bear it anymore, he simply stretched his hand into his clothes, scratched it hard, and made a sound. Because you worked so hard, you scratched your back, and a trace of blood was oozing out.

But even so, the tingling feeling did not subside, but became clearer.

At this moment, Cheng Yi almost cried, but felt a burning itching on his back. He wished that the knife would peel off that layer of skin.

Haha...

Hearing the movement from Cheng Yi, Yue Feng knew that the effect of the hemp ox grass had struck, and at that time, he couldn't tell how happy he was, because no one could hold back the itch.

After scratching for a while, Cheng Yi couldn't take it anymore, he took off his shirt and grabbed his hands on his back.

Through the light outside, I could see that Cheng Yi was sweating profusely, his facial features were twisted, sweat and tears were mixed together, and he was indescribably miserable.

"Senior brother!"

Finally, Yueqing was awakened by the movement, and couldn't help but ask, "Aren't you going to rest? What are you doing?" As he asked, Yueqing turned over and looked at Cheng Yi.

Swish!

Seeing Cheng Yi's shirtless shirt and the clothes beside him, Yueqing's delicate body trembled, and then a trace of blush and anger spread on his face.

Senior Brother... Senior Brother, he actually undressed beside me?

"Ah..."

After being stunned for a few seconds, Yueqing finally reacted, let out a scream, and then said angrily, "Senior brother, what are you...what are you doing? You are so shameless..."

"Sister... ."

Seeing Yueqing's misunderstanding, Cheng Yi was embarrassed and explained nervously: "Don't misunderstand, it's not what you think, I just took off my clothes and scratched my back suddenly." As he said, Cheng Yi's hands He kept scratching his back.

Mad, what a shame.

More importantly, he was also misunderstood by his junior sister.

While depressed, Cheng Yi was also very puzzled, it was really strange, why was his back so itchy all of a sudden, and it was so strangely itchy. Thinking to himself, Cheng Yi

doubted Yue Feng, and immediately turned around and asked, "Boy, are you the one who did it?"

Yue Feng's face was innocent: "How do you say this?"

"Still pretending to be garlic?"

His voice trembled, and he pointed to the straw under him: "Did you do something on it?"

Yue Feng chuckled and said lightly, "It's really interesting, I was fine just now lying there, you just lie down and just lay down. Is something wrong?"

After a few words, Cheng Yi who retorted was speechless.

“Senior brother!”

At the same time, Yueqing was also angry, frowning and said, “You don’t need anything, it’s all on Brother Afeng’s head.”

Hearing this, Cheng Yi was even more depressed.

Chapter 4360

“Hey, what’s going on?”

At this moment, a question from a Danzong disciple resounded outside the door: “What are you shouting at in the middle of the night?” Obviously, Yueqing’s exclamation just now alarmed other rooms. A resting Danzong disciple.

call!

Hearing the question, Cheng Yi hurried over and said politely across the door: “It’s nothing, there was a mouse just now, which scared my junior sister. I’m sorry to disturb you.

” So embarrassing.

Hearing the answer, the Danzong disciple didn’t ask any more questions, turned around and left.

How to do?

Hearing the sound of footsteps go away, Cheng Yi breathed a sigh of relief, and at the same time his facial features were crowded together, unspeakably uncomfortable.

The numbness on the back is getting worse and worse, it’s life-threatening.

At this time, Yueqing also came over curiously and took a closer look at Cheng Yi’s back. When he saw it, he was shocked.

Just saw Cheng Yi’s back, full of wounds scratched by nails, blood red, indescribably scary.

“Senior brother.”

At this moment, Yueqing no longer complained, but asked worriedly, “Did you get bitten by some poisonous insect?”

“I don’t know.” Cheng Yi replied with a grin, almost crying.

This feeling is really uncomfortable.

Ugh!

At this time, when Yue Feng saw that he was almost done, he sat up slowly and said, "There is a well outside the temple, and the water in the well is cold. You jump in and soak for a while, and it should be able to relieve the itching."

Although this kid is abominable, he has also been rectified. , just let him go.

Hearing Yue Feng's words, Cheng Yi's eyes flickered, and he was a little hesitant at the time, but his back was too itchy, so he finally walked out of the room, found the well outside the temple, and jumped in.

A few minutes later, Cheng Yi came back soaking wet, his face was much better, but he was just like a drowning dog, indescribably embarrassed and funny.

puff.

Seeing him like this, Yueqing couldn't help laughing, and then set up a bonfire to help Cheng Yi bake his clothes.

Cheng Yi was tossing about it just now, and no one was sleepy at this time.

For a while, the room was very silent except for the crackling of the bonfire.

"Gugu..."

Suddenly, Yueqing's stomach made a gurgling sound.

"I'm hungry." Yueqing said embarrassedly with a bit of blush on her delicate face.

After all, Yueqing is a girl. She has been running around for a day and hasn't eaten much. At this time, she can't stand it anymore.

"Junior sister, don't panic."

Cheng Yi quickly stood up and smiled at Yueqing: "When I came, I saw a deer appearing in the woods next to the temple, I'll grab one for you later, let's roast the deer. Eat your legs."

Saying that, Cheng Yi tilted his head and glanced at Yue Feng: "Wait for me, let's go."

In his heart, Yue Feng is just a liar, even if he is hunting, he is only worthy of his own. Start.

Seeing his aloof attitude, Yue Feng secretly smiled, but he didn't care.

"I'll go too."

Hearing that he was going to go hunting, Yueqing immediately became energetic.

At this time, the clothes were also drying, and after Cheng Yi put them on, the three walked out of the room and walked towards the woods outside the monastery.

Speaking of which, Zheng Chunqiu, who was resting next door, and those Danzong disciples must have something to eat, but in Cheng Yi's heart, he had already begged others to save the master, so these little things would not be troublesome.

Tonight is a good night, with a bright moon in the sky.

Soon he reached the woods, and from a distance, he saw a male deer eating the night grass not far away.

Haha...

Seeing this scene, Cheng Yi was full of confidence and smiled at Yueqing: "Junior sister, wait and see how senior brother catches this stag."

As he spoke, Cheng Yi broke a branch . , made a simple bow and arrow.

At this time, Cheng Yi was in a good mood.

This day, my sister's attention has been all on that kid, and now it's finally my turn to show my skills.

Hearing this, Yueqing nodded again and again, with anticipation in his eyes.

Yue Feng laughed secretly.

This Cheng Yi, at first glance, has never survived in the wild. It is strange that such a simple bow and arrow can catch a stag.

After finishing the bow and arrow, Cheng Yi didn't talk nonsense, the cat quietly approached with his waist, and then pulled the bow to shoot the arrow.

However, what he didn't expect was that the stag was too alert, and before Cheng Yi could shoot the arrow, he turned and fled away.

The ultimate husband in Chinese chapter 4361-4365

Chapter 4361

Mad!

Seeing this situation, Cheng Yi was very annoyed and hurried to catch up.

In the blink of an eye, ten minutes passed, and all of Cheng Yi's arrows failed, and none of them hit the buck.

"Senior brother!"

At this time, Yueqing finally couldn't bear it anymore, Xiumei frowned and said, "Can you do it?"

At the same time, Yue Feng also shook his head secretly.

This Cheng Yi is so stupid, he can't even catch a stag, yet he dares to speak up.

Uh....

Cheng Yi was embarrassed, scratched his head and smiled bitterly: "Junior sister, don't worry, this male deer is too clever, it's really hard to catch, but it's okay, it's almost running out of physical strength to be chased by me."

Yueqing Then he pouted, "Forget it, why don't you let Brother Afeng try it."

With that, Yueqing took Yue Feng's hand, his eyes full of anticipation: "Brother Afeng, if you use animal language, you will definitely be able to catch it. "

Haha...

Hearing this, Yue Feng couldn't help laughing, shook his head and said, "This method is feasible, but it must not be used."

"Why?" Yueqing asked curiously.

Yue Feng took a deep breath and said solemnly: "Think about it, if I said to it in animal language, 'Come here, let me eat you.' You said, will it come over? Wouldn't it run faster? "

This chapter is provided by . Visit [for daily update.](#)

When he said this, Yue Feng was very funny.

This Yueqing is so naive, but also very cute.

puff...

Hearing this, Yueqing couldn't help laughing, and suddenly burst out laughing, nodded and said, "Yeah, why didn't I think of that, hehe..."

Seeing that the two were talking and laughing, Cheng Yi didn't get angry. He said coldly: "I can't catch it, he can catch it? It's really a small ring." After speaking

, Cheng Yi threw the bow and arrow in front of Yue Feng: "Come on, you try."

Yi's face was full of contempt.

In his heart, he couldn't catch the stag, let alone Yue Feng.

"I don't need this." Yue Feng said lightly, without looking at the bows and arrows on the ground, then picked up some branches around, and then inserted the branches into the open space not far away.

After doing this, Yue Feng pulled up a lot of night grasses. These night grasses, stained with dew at night, are all the deer like to eat.

Putting the night grass between those branches, Yue Feng retreated into the distance.

This...

Seeing this scene, Yueqing was stunned for a moment, and saw those branches, which looked messy, but after careful consideration, it seemed a little mysterious.

"Bullshit!"

Cheng Yi even smiled disdainfully, and sneered: "Just using these branches, you can catch a deer? How about a child playing a house?" The

male deer was chased for a long time without catching it. Arrived, and this kid, with some branches, wants to trap it, it is simply whimsical.

Hehe..

Hearing the ridicule, Yue Feng ignored it, but quietly hid behind the tree and waited.

At this time, Cheng Yi wanted to make fun of him, but was interrupted by Yueqing.

"Senior brother." Yueqing said in a low voice, "regardless of whether Brother Afeng's method succeeds or not, don't talk about it, I think it's quite interesting."

Having said that, Yueqing also hid behind the tree.

Cheng Yi sneered silently, waiting for Yue Feng to make a fool of himself.

Soon, a minute passed, and no buck came.

five minutes.

ten minutes.

Just when Cheng Yi was waiting impatiently, suddenly, he saw the male deer walking slowly, as if smelling the fragrance of the night grass, and entered the branches that Yue Feng had inserted.

“Senior brother, look.” At this moment, Yueqing was very excited, and whispered to Cheng Yi: “That stag was really attracted.”

Hehe...

Cheng Yi was also stunned, but soon He just sneered: “What if it’s brought over? It’s just some branches, can it be trapped?...”

Before he finished speaking, the next scene suddenly stunned the cause.

I saw that the stag, when it entered the branches, was like a drug, and lost its direction in an instant.

Yes, those branches that Yue Feng swung are a fascination formation.

Whoosh!

It was at this moment that Yue Feng rushed over quickly, and after entering the fascination array, he cut his palm on the male deer’s numb bone. Suddenly, the male deer let out a cry of grief, and his body went limp and fell directly to the ground.

“Wow!”

Seeing this scene, Yueqing was stunned, looking at Yue Feng’s eyes full of admiration: “Brother Ah Feng, you are amazing.”

Chapter 4362

As he spoke, Yueqing held Yue Feng’s arm, and his eyes were full of curiosity: “How did you do it? How did the deer get in and couldn’t get out?”

This man is really unfathomable. As if nothing is impossible.

Yue Feng showed a smile and said slowly: "It's nothing, these branches seem to be very random, but in fact they contain the truth of the five elements, mutual generation and mutual restraint."

Yue Feng did not say much, after all, Yueqing did not understand the battle method, and said a lot. She doesn't understand either.

Hearing this, Yueqing, even though he knew only a little about it, was still incomparable admiration.

"Cut!"

At this time, Cheng Yi came to his senses, his face was full of disdain: "What five elements, it's all a lie, that stag had no strength to chase after me, so he was trapped in those branches. Among them, this kid just picked up a cheap one."

With that, Cheng Yi pulled Yueqing away: "Junior sister, you forgot what I said again, men and women don't get along."

Shuh!

Hearing this, Yueqing blushed and let go of his hand, and at the same time he couldn't help saying: "Senior brother, you are just not convinced, this male deer was caught by brother Afeng, how can it be cheap?"

", Yueqing greeted Yue Feng: "Brother Ah Feng, let's go back to roast the deer to eat. We're starving to death.

" Yi hung to the side.

To be honest, Cheng Yi's attitude made Yue Feng very unhappy.

Even though he was incompetent, he had to behave in front of his junior sister, but he lost face and refused to admit it.

However, Yueqing has been helping Yue Feng to speak, which makes Yue Feng feel very happy, so he doesn't care.

While talking and laughing, Yue Feng and Yueqing walked towards the dilapidated temple.

"Huh?"

Seeing this scene, Cheng Yi was anxious and angry, and quickly shouted: "Junior sister, wait for me, I have a credit for successfully catching the stag this time."

Said, Cheng Yi quickly Follow up.

...

At this moment, on the other side, Fengzhuang.

In the hall, Ji Hongshang was sitting there, her delicate and charming face was full of sullenness, and at the same time, she was a little weak. Although she had the upper hand in the battle against Zheng Chunqiu during the day, it also caused the disorder of the power of the devil in her body. .

For Ji Hongshang, this was a bit of a loss.

Failing to kill Zheng Chunqiu, and letting the other party go, is really shameless.

“Sect Master.”

At this moment, Yuan Tong quickly walked into the hall and said excitedly: “I have already found the whereabouts of Zheng Chunqiu and his party. They are in a dilapidated monastery with a dozen exceptions.”

Said Then, Yuan Tong wiped the sweat from his face.

“Very good!”

Hearing this, Ji Hongshang showed a sneer, slowly stood up and said, “This Zheng Chunqiu really didn’t leave, just because of his ability, he still wants to save the elders of their alchemy sect? Hmph, tonight. Just use this dan sect, I want to make the five poison sects in the entire Dongao Continent, famous and famous, no one dares to provoke.”

Said, Ji Hongshang ordered Yuantong: “Immediately summon a thousand elite disciples and follow me. Destroy Zheng Chunqiu.”

At this time, Ji Hongshang was full of ruthlessness in her heart.

Speaking of which, during the day, Ji Hongshang planned to kill Zheng Chunqiu on the spot, but the power of the demon soul in his body became disordered, so he had to give up temporarily. Naturally, the opportunity will not be missed.

“Yes, Sect Master.” Yuan Tong replied when he heard the order, and then quickly walked out to prepare.

A few minutes later, Yuan Tong and a thousand elite disciples, led by Ji Hongshang, quickly headed towards the dilapidated temple.

.....

On the other side, in a dilapidated temple.

The three of Yue Feng gathered around the bonfire and started roasting venison.

Yueqing seldom walked around the rivers and lakes, and had no experience of survival in the wild, so he sat on the side with his hands on his cheeks and waited. Yue Feng and Cheng Yi each roasted a deer leg.

I saw that Cheng Yi's baking technique was average, and many places were baked in a short while.

On the other hand, Yue Feng was not in a hurry. Back then, when he and Xiao Xi were in the wild, Xiao Xi cooked food every time. Over time, Yue Feng also learned a lot of cooking and barbecue skills.

I have to say that Yue Feng's craftsmanship is very good. After a while, he saw that the deer legs were roasted golden brown, and the meat was fragrant.

Chapter 4363

Wow!

Yueqing was already very hungry, but when he smelled the aroma of meat, his eyes lit up instantly, only to feel that the greedy worms in his stomach were not hooked out: "It's delicious." As

he said, his eyes were fixed on Yue Feng's hand. The roasted deer leg looks very cute.

Haha...

Seeing her appearance, Yue Feng couldn't help laughing, and then handed over the deer leg: "Try it, I haven't eaten anything roasted in the wild for a long time."

Yueqing took the roasted deer leg with a smile. After taking a sip, I only felt it was tender and delicious, and repeatedly praised: "It's really fragrant, it's delicious, brother Afeng, you really know everything, it's amazing."

Hearing the praise, Yue Feng nodded with a smile: "Eat more if it's delicious."

Mad.

Seeing this scene, Cheng Yi, who was sitting on the side, was suddenly unhappy, and quickly handed over the roasted deer leg in his hand, looking forward with anticipation: "Junior sister, mine is more delicious, you can try it."

Yueqing glanced and muttered . Said: "It's all roasted black, it doesn't taste good at first glance, you should eat it yourself."

Uh...

Seeing that Yueqing was a little disgusted, Cheng Yi was very embarrassed, and at the same time he felt a sullen breath in his heart. Get up, walk outside the door, and nibble on your roasted deer leg.

As a result, the roasted deer leg was mushy in many places, and Cheng Yi couldn't eat it himself.

Mad!

The more Cheng Yi thought about it, the more angry he became. He really wanted to go back to the trouble of looking for Yue Feng, but he couldn't think of a reason, so he had to take a walk around the temple to relieve his depression.

rustle....

As a result, as soon as he walked outside the gate of the temple, he heard a rustling sound from the grass in the corner of the wall. Cheng Yi hurried over and looked at it by the moonlight, and was immediately stunned.

I saw that in the grass, there was a half-meter-long centipede that was slowly crawling. Its carapace was reddish-brown, and there were looming ring marks on it. Nearly a hundred legs were squirming, making the scalp numb. .

This...

is this a red-ringed centipede?

However, while Cheng Yi was shocked, he was also inexplicably excited. He had learned medical skills from his master for several years, and he knew all kinds of poisonous insects in the Kyushu continent.

The red-ringed centipede in front of him seems to be very large, but it is not poisonous at all, and it is also a rare medicinal material.

Haha... I

didn't expect to go out for a walk and pick up a big baby.

Excited, Cheng Yi walked over quickly, clipped the red-ringed centipede with a branch, and put it into the bamboo basket. Over the years, when the master prepared a rare

elixir, the medicinal material of the red-ringed centipede was lacking. I didn't expect to catch one so easily.

If the master knows, he will be very happy.

Thinking in his heart, Cheng Yi carried the bamboo basket and ran back to the room excitedly.

At this time in the room, Yue Feng and Yueqing were full and were chatting and laughing.

"Junior sister!"

At this moment, Cheng Yin walked in quickly and said excitedly, "Guess what I caught just now?" He said with a mysterious look on his face.

"What is it?" Yueqing asked curiously.

"Hey-hey."

Cheng Yi smiled first, then took out the red-ringed centipede from the bamboo basket: "Junior sister, look at what this is? Master has been preparing elixir for the past two years, but the red-ringed centipede is missing, hehe, I was taken by me today. I caught it inadvertently."

After saying this, Cheng Yi couldn't say how proud he was: "How is it? Senior brother is not very powerful?"

What?

Hearing this, Yueqing's delicate body was shocked, and she was very surprised, because what Cheng Yi said was right, in the past two years, in order to find the red-ringed centipede, Master has found many places.

Afterwards, Yueqing took a closer look, and was also very excited at the time: "It's really a red-ringed centipede, brother, you are awesome, you have caught such a big one. If Master sees it, he will be very happy." The

last sentence fell, Yueqing He was about to walk over to pick up the red-ringed centipede in Cheng Yi's hands.

"Be careful, don't touch it!"

However, at this moment, Yue Feng, who had been sitting there, suddenly stood up and stopped Yueqing.

Yueqing was startled, and quickly retracted his hand, looking back at Yue Feng, his delicate face was full of suspicion: "What's wrong? Brother Afeng?"

Is this kid sick?

Cheng Yi's face was full of anger, and he couldn't help shouting at Yue Feng, "What are you doing in such a shock?"

Chapter 4364

Stupid!

Yue Feng cursed secretly and pointed at the red-ringed centipede in Cheng Yi's hand: "This thing is highly poisonous, you should put it away quickly, and don't get hurt."

Yue Feng once studied medical theory with Shennong, and he could see at a glance that this The red-ringed centipede has a problem.

What? poisonous?

Hearing this, Cheng Yi was stunned for a moment, then laughed: "Boy, do you know what this is? It's called a red-ringed centipede. It looks big, but it's not poisonous at all."

Yes."

When it fell, Yueqing couldn't help but said to Yue Feng, "Big Brother Ah Feng, you haven't studied medicine, so you shouldn't know what this is. Brother is right, this kind of red-ringed centipede is big in size. It's just scary, you don't need to panic."

At this time, Yueqing also thought that Yue Feng was making a fuss.

"Junior sister!"

At this moment, Cheng Yi's face was full of impatience, and he said to Yueqing: "This kid doesn't understand medical theory at all, why are you explaining so much to him?"

In his eyes, Yue Feng is a liar. Nothing but good luck.

Huh, I don't understand?

Hearing this, Yue Feng couldn't help laughing. My master is Shennong, who is known as the ancestor of medicine. If you really want to talk about medical theory, you are not worthy of my shoes.

Thinking to himself, Yue Feng was too lazy to pay attention to him.

The next second, Yue Feng smiled slightly at Yueqing: "You are right, this thing is indeed called the red-ringed centipede, but the normal red-ringed centipede has a light blue abdomen, that is because it is active in humid places all year round. It was caused by absorbing the cold air from the ground."

Saying that, Yue Feng pointed to the red-ringed centipede in Cheng Yi's hand: "And this one has the same reddish-brown belly as the carapace. Obviously, it was not grown in the wild, but was raised and tamed by humans."

"Also, the environment around this monastery is not suitable for the growth of the red-ringed centipede at all. The sudden appearance of such a large one is really suspicious." The

remarks are well-founded and hard to argue.

This...

Hearing this, Yueqing was stunned for a while, staring blankly at Yue Feng, speechless, shocked and amazed.

The habit and growth environment of the red-ringed centipede are exactly what he said.

Could it be.... this red-ringed centipede really has a problem?

Thinking of this, Yueqing couldn't help but said to Cheng Yi: "Senior brother, if you don't listen to Big Brother Afeng, you can put it away, in case..."

"Shut up!"

But he didn't say anything. After he finished speaking, he was interrupted by Cheng

Yi, and said very displeased: "Junior sister, I think you are really confused. This kid has never studied medicine, what can you understand? Do you believe in nonsense?"

Turning his eyes, he sneered at Yue Feng and said, "Boy, I think you are deliberately trying to scare me. When I release the red-ringed centipede, you will quietly catch it back and sell it for money, right?"

This kid is a liar, for sure It is so.

really interesting.

At this moment, Yue Feng was suddenly angrily laughed, and his face was indifferent: "Although this red-ringed centipede is a good thing, I still don't like it, anyway, I have already said what I should say, whether you listen or not is your own business. Son."

Yue Feng is not bragging, even the four innate spirit beasts are related to him, so naturally he doesn't look down on a red-ringed centipede.

The last word fell, and Yue Feng lay there leisurely, closing his eyes and resting.

"Haha..."

Seeing Yue Feng's appearance, Cheng Yi thought he was pretending, sneered at that time, and said contemptuously, "Okay, what do you think, I know very well, don't follow me like this."

With that said, Cheng Yi put the red-ringed centipede back into the bamboo basket, and when the master was rescued, let him make the elixir.

Chi ...

But before it was put in, I saw the red-ringed centipede, its long body suddenly bowed, and then, a venom spurted from its tail, hitting Cheng Yi's face.

"Ah!"

Cheng Yi yelled at that time, shook off the red-ringed centipede like an electric shock, and fell to the ground with his face covered, his body trembling non-stop, like a sieve of chaff.

"Senior brother!"

Seeing this scene, Yueqing was taken aback and rushed over to help Cheng Yi up.

However, when he got to the front, seeing Cheng Yi's state, Yueqing's face was pale, and his eyes were full of panic and fear. I saw that Cheng Yi's face had turned reddish brown under the attack of the poison, which was very scary.

Chapter 4365

This... This red-ringed centipede is really poisonous.

And it's very toxic.

For a time, Yueqing was so panicked, her eyes were red and her face was full of anxiety, she wanted to reach out and pull Cheng Yi, but she didn't have the courage.

Who knows if this poison will be contagious.

"You..."

At this time, Cheng Yi covered his face with one hand, enduring the pain, and pointed at Yue Feng with the other: "You did the ghost, right? Otherwise, how would you know it

's poisonous?" When he said this, Cheng Yi's eyes were blood red, and he could not wait to peel off Yue Feng's cramps.

This kid, who was able to tell the origin of the red-ringed centipede just now, then this highly poisonous red-ringed centipede must have something to do with him. Maybe, he deliberately brought it to harm.

"Senior brother!"

Hearing this, Yueqing stomped his feet in a hurry: "Why are you still against Big Brother Afeng? He reminded you just now, but you didn't listen."

At this time, Yueqing almost wanted to I cried, brother is so narrow-minded.

Ugh.

At the same time, Yue Feng also sighed, looked at Cheng Yi and shook his head: "I originally planned to try to save you, but I didn't expect you to target me everywhere. Forget it, life and death have fate, the taste of this poison, Take it slow."

"Haha..."

Cheng Yi laughed miserably, and shouted at Yueqing, "Junior sister, you heard, he knows how to detoxify, what does it mean? This poisonous red-ringed centipede is the He got it."

"This person has ulterior motives and is not a good person, you should find the antidote from him and kill him."

This person is really hopeless.

Seeing this, Yue Feng shook his head secretly, his face extremely indifferent.

He was not worried that Yueqing would do something to himself. After all, she was kind-hearted and could see good and evil.

"Senior brother!" Sure enough, when he heard Cheng Yi's words, Yueqing

trembled with anger in the suburbs. He stomped his feet at that time: "If you still do this, I won't care about you anymore. You can fend for yourself."

To turn away.

Seeing this scene, Cheng Yi panicked and quickly shouted: "Junior sister, don't go."

Then, Cheng Yi apologized to Yue Feng: "Brother Ah Feng, I was wrong, I shouldn't have treated you like that before, I promise in the future. No. "

When he apologized, Cheng Yi seemed sincere, but he was extremely reluctant.

Yue Feng smiled and did not respond.

At this time, the poison on Cheng Yi's face had spread to his neck. He was so panicked at the time that he asked Yue Feng carefully, "Can you really help me detoxify?"

"Yeah." Yue Feng nodded.

"Okay!"

Cheng Yi took a deep breath and said suspiciously, "If you really help me detox, I will never go against you again, and I will sincerely apologize to you."

Seriously , If it was half an hour ago, Cheng Yi would not have soft words to Yue Feng.

But there is no way, I am deeply poisoned now, if I drag it on, I am afraid that my life will be lost, so I can only give it a try.

"Haha..."

Hearing this, Yue Feng smiled slightly, shook his head and said, "You have already apologized just now, and it's useless to apologize again, so let's just say, if I successfully detoxify you, you will see me in the future. How about calling your master respectfully?"

To be honest, with Yue Feng's personality, he is too lazy to care about Cheng Yi's life and death, but no matter what, he is Yueqing's senior brother.

However, Cheng Yi is narrow-minded and really hateful, and Yue Feng decided to completely suppress his dignity.

This kind of person just needs to be treated severely.

"You..." As

soon as he finished speaking, Cheng Yi was furious and glared at Yue Feng: "Don't go too far, you want me to call you master? What qualifications do you have?" How dare you humiliate yourself.

Feeling Cheng Yi's anger, Yue Feng didn't panic at all, stretched his waist, and said slowly: "Forget it if you don't want to, I didn't force you, it's getting late, I still want to sleep well." When the

last word fell, Yue Feng was about to lie down and rest.

"Big Brother Ah Feng."

Seeing this situation, Yueqing hurried over, biting his lip and begging: "My senior brother has a small heart, don't be as knowledgeable as him, hurry up and save him." As he

said, Yueqing pulled Yue Feng arm, shaking slightly.

The ultimate husband in Chinese chapter 4366-4370

Chapter 4366

Yue Feng lay there, just pretending not to hear.

But in my heart I couldn't help but secretly underestimate, this Yueqing is really kind, such a senior brother, if he doesn't treat him severely, he will cause more trouble in the future.

Thinking to himself, Yue Feng pretended to mutter: "Oh, I'm so sleepy."

"Brother Ah Feng."

Seeing that it was useless to see the junior sister, Cheng Yi was completely anxious, and the poisonous face showed a deep expression. The entanglement: "Okay, I promise you."

After saying this, Cheng Yi lowered his head deeply, wishing to find a crack to get in.

Seriously, he didn't want to be so shameless in front of his junior sister, but he didn't want to die. Compared with life, what was dignity?

"Okay!"

Seeing his promise, Yue Feng stood up at once, and looked at Cheng Yi with a half-smiling smile: "Before detoxification, I need to know what kind of poison this is, so I feel wronged." The

voice fell, and Yue Feng took off from his body. He took out a dagger and slashed Cheng Yi's face.

In an instant, dark brown poisonous blood flowed out, Yue Feng was quick-witted, and pulled out a burning wooden stick from the bonfire beside him.

Chi...

the poisonous blood dripped on the wooden stick, and suddenly a cold and nauseating poisonous smoke came out. Yue Feng hurriedly asked Yueqing to avoid it in the distance, while he sniffed the smell of poisonous smoke.

Yes, Yue Feng is to identify the highly toxic ingredients through the sense of smell.

At that time, Shennong tasted all kinds of herbs and became the ancestor of medicine admired by the world. However, tasting herbs was only the foundation. Later, Shennong

invented various methods to identify herbs and poisons, and smelling is one of them. When Yue Feng followed Shennong to study medical theory, he also learned this trick.

This chapter is provided by . Visit for daily update.

This...

Seeing this scene, Yueqing, who was hiding not far away, immediately frowned, secretly surprised.

There are still people in the world who use this method to identify poisons.

If you don't see it with your own eyes, who can believe it?

Incredible.

On the other hand, Cheng Yi, who was lying on the ground, was full of suspicion, and his heart was even more disturbed.

Will this kid detoxify?

How can it be like playing?

Yue Feng didn't notice the changes in the eyes of the two, but closed his eyes and slowly felt the smell of the poisonous mist.

The poison of Huanglin snake?

After identifying the highly poisonous ingredient, Yue Feng squinted his eyes and was secretly shocked.

Strange, in a red-ringed centipede, how can there be the venom of the yellow-linn snake? The living environment of the two is completely different, and it is impossible for them to meet.

Is it man-made?

If it is true, then this person must be a master of poison.

Thinking in his heart, Yue Feng turned around and waved at Yueqing: "Help me go to the woods outside and get some herbs out..." With that, Yue Feng reported the names of the herbs one by one.

When he was catching a deer in the woods before, Yue Feng saw that all the herbs he needed were available.

Um!

Yueqing responded and hurried out. After a while, the herbs were picked.

Yue Feng took the herbs, mixed them together according to the proportion, and smashed them together, and then smeared them on Cheng Yi's face.

call!

At this moment, Yueqing stood aside, not daring to let out a breath, but his eyes were full of curiosity and sigh.

This method of detoxification is so unique that even Master may not know it.

Cheng Yi closed his eyes, and only felt that his face was cool and comfortable.

Soon, a few minutes passed.

Cheng Yi only felt that the pain on his face gradually disappeared, and his body was no longer numb.

“Senior brother.”

At the same time, Yueqing also clapped his hands and cheered: “The poison on your face seems to have subsided, it’s really amazing.”

Having said that, Yueqing did not forget to express his gratitude to Yue Feng: “Thank you, Ah Brother Feng, by the way, have you studied medicine?”

“You know a little bit.”

Yue Feng nodded with a smile, then his eyes fell on Cheng Yi, and said lightly: “Cheng Yi, the poison on your face is cured, It’s time to fulfill the promise.”

“I...”

At this moment, Cheng Yi's face flushed red, and his heart was extremely entangled.

How to do?

I promised this kid just now that if I can successfully detoxify myself, I will call him master in the future. Unexpectedly, this kid is really rejuvenating.

But...if you really shouted, how would you meet people in the future?

Seeing his tangled face, Yue Feng did not urge him, but secretly pondered the poison on the red-ringed centipede. You must know that the poison of the Huanglin snake is very domineering, and it will poison the red-ringed centipede if it is not done properly.

However, the red-ringed centipede is alive and well. It can be seen that the person who does this, the means of poisoning, has reached a state of ecstasy.

Who is the one?

Chapter 4367 Deng

Deng....

At this moment, Cheng Yi slowly got up, walked to Yue Feng, and whispered: "Master!"

When he called out this title, Cheng Yi lowered his head, The sound is so small that you can't hear it if you don't listen carefully.

In Cheng Yi's heart, he felt extremely humiliated when he called Yue Feng's master, but he had no choice. Just now, he personally promised Yue Feng.

Um!

Seeing that he was finally subdued, Yue Feng nodded: "Okay, the poison on your body has just been removed, you should rest more."

If it was before, Yue Feng would definitely reprimand Cheng Yi and let him know how to behave in the future. But at this time, Yue Feng was thinking about Huang Lin's snake venom all the time, so he didn't bother to bother with Cheng Yi.

At the same time, Yueqing also walked over quickly and said to Cheng Yi earnestly: "Senior brother, don't feel awkward. Brother Afeng did this because you were too much before."

When he said this, Yueqing's tone Complicated, looking at Cheng Yi's eyes, he was also full of helplessness.

Senior brother was really arrogant before, I hope that through this incident, he can learn a lesson.

"I see." Cheng Yi replied in a low voice, much more honest on the surface, but he couldn't tell the fire in his heart.

Mad, I have already admitted my mistake, but my junior sister is still helping this guy to speak.

Why?

Why does this kid make his junior sister face him everywhere?

The more Cheng Yi thought about it, the more unbalanced his heart became. He simply stood up and walked outside, planning to take a walk to calm down.

“Brother!”

Seeing this scene, Yueqing hurriedly shouted: “Where are you going?”

“I can’t sleep.” Cheng Yi responded lightly and walked out of the temple without looking back.

Yueqing was in a hurry and was about to catch up, but was stopped by Yue Feng.

“Forget it!” Yue Feng smiled at Yueqing and said, “Tonight, your senior brother has been losing face in front of you. It’s better to let him go out to relax. If you figure it out, he will come back by himself.”

” Yueqing was very puzzled by these words: “Senior brother is too weird today, he was not like this before.”

Haha...

Yue Feng couldn’t help laughing: “You don’t understand men, he likes you, So seeing you and me so close, I feel uncomfortable, so I have been looking for trouble for me before.”

This Yueqing’s mind is really simple.

Huh.... When

the voice fell, Yueqing’s delicate face suddenly flushed red, and he couldn’t say shy: “Senior brother likes me...this...”

At the same time, Yueqing suddenly woke up.

At this time, Yue Feng didn’t say more, but studied the red-ringed centipede in front of him. When he detoxified Cheng Yi just now, Yue Feng anesthetized the red-ringed centipede.

Seeing Yue Feng’s serious look, Yueqing didn’t dare to ask any more questions, and just watched curiously.

...

On the other side, Cheng Yi was walking aimlessly in the woods.

Mad, the guy with the imprint on his face, not only caught his junior sister's attention, but also asked me to call him master.

Really deceiving.

Cheng Yi originally came out to relax, but the more he thought about it, the more angry he became, and the more he hated Yue Feng.

Shasha...

Just when Cheng Yi was extremely annoyed, he heard strange noises coming from all around him. Cheng Yi was taken aback and looked around, his scalp tingling.

I saw a few red-ringed centipedes in the grass not far away, and they were quickly heading towards the direction of the temple. Some of these red-ringed centipedes were much larger than the one I caught before, and they all had their abdomens. They are also dark brown, and they are obviously highly poisonous.

In addition to the red phosphorus centipede, there are also many poisonous snakes, as well as palm-sized spiders, poisonous scorpions...

why...

why are there so many poisonous insects all of a sudden?

After being stunned for a few seconds, Cheng Yi regained his senses, only to feel that the hairs all over his body stood up, and his brain was buzzing.

Just when Cheng Yi was secretly shocked, several poisonous scorpions had already reached his feet.

Whoops...

But before taking a few steps, Cheng Yi stepped on the air and fell directly into a hole in the ground. It turned out that this area has a special geographical environment, and many natural karst caves have been formed underground.

Chapter 4368

"Ah..." In the

cave, Cheng Yi's body kept falling, and in panic, Cheng Yi let out a burst of howl, and his heart was even more frightened.

Damn, I'm really dead this time.

But fortunately, this cave is not straight up and down, but curved, which slowed down a lot of strength for Cheng Yi's fall.

Pfft...

After a few minutes, Cheng Yi finally reached the bottom of the cave, smashed his body on the wet ground, and let out a dull sound.

Didn't he fall to his death?

Cheng Yi took a deep breath and was indescribably excited, but when he fell just now, there were many bruises on his body, and the severe pain caused him to gasp for air.

hiss!

The next second, Cheng Yi Ninja looked around in pain and was stunned.

I saw the cave in front of me, extending in all directions. I didn't know where to go. It was like a huge ant's nest. There was groundwater flowing slowly under my feet, which was indescribably cold and damp.

Seeing this kind of environment, Cheng Yi wanted to cry without tears.

Mad, he was so reckless, humiliated by the guy with the mark on his face, and now he has fallen into such a ghost place again.

Swish...

Just when Cheng Yi was extremely depressed, he heard a dense voice, which made his scalp tingle.

Cheng Yi didn't have time to think about it, he quickly followed the voice, and he was shocked.

Poisonous scorpion!

I saw that hundreds of scorpions came quickly. Each of these scorpions was as big as the mouth of a bowl, and the whole body was dark red, obviously containing highly poisonous.

Obviously, these scorpions also fell from the entrance of the burrow.

It's over, this time it's dead.

Seeing these poisonous scorpions, Cheng Yi's face was ashen, and he could hardly stand still.

Hiss..

At this time, a poisonous scorpion quickly crawled over, jumped on Cheng Yi, and took a bite on his leg. At that time, Cheng Yi let out a miserable cry, feeling extremely desperate in his heart.

It's over, it's over, it's definitely dead after being bitten by this venomous scorpion.

Hissing...

Just when Cheng Yi was desperate and frightened, the other poisonous scorpions swarmed up and bit him.

For a while, Cheng Yi only felt numbness and pain all over his body, but soon, he was surprised to find that the numbness disappeared quickly, leaving only the pain of being bitten.

These poisonous scorpions are useless to me?

Soon, Cheng Yi realized something, but he didn't have time to think about it at the time, so he gathered up his courage, picked up the stone at his feet, and smashed it at the poisonous scorpions.

At this time, Cheng Yi still didn't know that the antidote that Yue Feng had taken before could not only detox the Huanglin snake venom, but also had the effect of immunity to other poisonous insects.

It can be said that now Cheng Yi is almost invincible.

Of course, the medicinal effect only lasted for twelve hours. After twelve hours, the medicinal effect in Cheng Yi's body disappeared, and any poisonous insect could kill him.

Clap, crack...

For a while, Cheng Yi kept waving the stones, and saw that many poisonous scorpions were directly killed, the carapace cracked, and the venom splashed everywhere.

.....

On the other side, Yue Feng studied the red-ringed centipede for a while, and suddenly thought of something, slapped his thigh and stood up.

“Big Brother Ah Feng!”

Seeing this, Yueqing’s delicate body trembled, and he quickly asked, “What’s wrong? What did you think of?” As

he said, Yueqing couldn’t help but glance at the red-ringed centipede. When Cheng Yi was poisoned just now, she also felt very strange. After all, the environment of this place should not have the red-ringed centipede.

However, not only did one appear, but it was also highly poisonous, which was really suspicious.

call!

Hearing the question, Yue Feng looked solemn and said slowly: “In the entire Kyushu, there are countless sects that can use poison, but there is only one that can transfer the Huanglin snake venom to the red-ringed centipede, and that is the Five Poison Sect. “

Speaking, Yue Feng looked at Yueqing seriously: “I suspect that this red-ringed centipede was sent by Ji Hongshang. Ji Hongshang is the master of Fengzhuang, or the master of the Five Poison Sect.”

What?

Yueqing’s delicate body trembled, and on her delicate face, she couldn’t hide her panic and anger: “Brother Ah Feng, you mean, that abominable woman knows where we rest and wants to kill us with poisonous insects?”

Chapter 4369

Yueqing was so angry when he said this.

That Ji Hongshang is really hateful. Not only did he arrest Master, but he also used poisonous insects to harm people.

Swish....

just as he was talking, he heard a burst of dense sounds from outside.

Hearing this voice, both Yue Feng and Yueqing realized something, and when their expressions changed, they hurriedly walked towards the door.

hiss!

As soon as they arrived at the door, seeing the situation outside, both of them couldn’t help gasping for air.

Through the moonlight, I can see countless poisonous insects crawling in from the broken walls of the monastery. These poisonous insects include many red-ringed centipedes, not only that, but also pieces of poisonous snakes, poisonous scorpions and poisonous spiders...

The darkness was like a tide, which instantly flooded the dilapidated yard.

“Eat it now!”

Seeing this, Yue Feng didn't have time to think about it, he quickly took out a red medicinal pill from his body and handed it to Yueqing.

The elixir is called 'Ling Sheng Dan'. It is a poison-removing elixir that Yue Feng has recently researched. After taking it, it will not invade a hundred poisons. At that time, when he was recuperating in Jianzong Thatched Cottage, Yue Feng refined a few pills in his spare time.

“Brother Ah Feng!”

Yueqing took the medicine pill, but instead of taking it immediately, he said worriedly, “I've taken it, what should you do?” She was so smart that she knew without asking that the medicine in her hand could dispel poison.

But she was not far from Yue Feng being bitten by those poisonous insects.

Feeling Yueqing's worry, Yue Feng showed a smile and comforted: “I'm fine.”

After being reborn with the help of the Faye Red Lotus, Yue Feng is already a system that is invulnerable to all poisons. You must know that the Faye Red Lotus absorbs the innate aura, and the poison in the world is useless to him at all.

Hearing this, Yueqing no longer hesitated, and hurriedly swallowed the medicine pill.

Swish...

It was at this time that many poisonous insects had already begun to pour into the room. At that time, Yue Feng didn't have time to think about it. He stimulated the power of Yuanshen, raised his hand and waved, and suddenly a wall of fire formed, blocking those poisonous insects from the outside. .

After doing this, Yue Feng said to Yueqing: “With this wall of fire, those poisonous insects can't get in for the time being. I'll go out and have a look. You just stay here and don't move.” When the words

fell, Yue Feng rushed out.

At this time, Zheng Chunqiu and those Pill Sect disciples were also awakened by the movement outside and quickly walked out one by one.

What?

When he came out and saw the scene in front of him, whether it was Zheng Chunqiu or those Dan Zong disciples, they were all shocked.

Just saw the darkness outside, all terrifying poisonous insects, thousands of them.

Swish ...

Just when Zheng Chunqiu and the disciples were stunned, the poisonous insects hissed for a while, and then rushed towards them quickly.

“Ah...” The speed of the

poisonous insect was very fast. In the blink of an eye, many disciples were bitten and let out a scream. Some disciples even died of poisoning before they even had time to scream.

Mad!

Seeing this scene, Zheng Chunqiu was furious and shouted at the remaining disciples and elders: “Quickly counterattack and block these poisonous insects.” As he spoke, Zheng Chunqiu took out a poison-repelling pill and swallowed it directly. down.

Afterwards, Zheng Chunqiu pulled out his long sword and slashed at the surrounding poisonous insects.

Hearing your order, the remaining disciples and elders also took the medicinal pills one after another, and then fought with the surrounding poisonous insects.

Pill sects are good at refining medicine pills, so everyone has a lot of poison-repelling medicine pills on them. However, these poisonous insects domesticated by the five poison sects are very different from those that grow naturally. Not only are they extremely fast, they are also more toxic.

Bang bang bang...

During the fierce battle, I saw a lot of poisonous insects, which were completely beheaded by Zheng Chunqiu and others. The whole dilapidated temple was full of the remains of poisonous insects, and there was also a disgusting smell in the air. odor.

As for Zheng Chunqiu and others, although there were no casualties for the time being, dealing with so many poisonous insects made them a little tired.

Huh..

Seeing this scene, Yue Feng didn't have time to think about it. He activated the power of his primordial spirit and joined the battle. I saw that Yue Feng's fists and feet were condensed with purple flames, and once those poisonous insects touched, they were directly burned to ashes.

This...

Seeing this scene, whether it is Zheng Chunqiu, or those disciples and elders, are secretly shocked.

Chapter 4370

This person looks so weird, and his internal strength is so strong that he can form a flame with any random move.

Moreover, this flame is so special that it is purple-red.

At this time, Zheng Chunqiu didn't know that the person in front of him was Yue Feng. Moreover, Yue Feng was reborn through the red lotus of the law, and after integrating the power of the red lotus, he was reborn.

"Quick!"

After being stunned for two seconds, Zheng Chunqiu reacted and shouted at the people around him, "First eradicate these poisonous insects." With that, he clenched his long sword and rushed into the poisonous insect swarm again.

Crash...

Hearing the shout, several elders and the remaining disciples rushed forward.

Boom!

The fight was fierce, and suddenly, a loud noise was heard. The gate of this dilapidated monastery was smashed abruptly, and at the same time, a special whistle sounded.

Hearing the whistle, the poisonous insects who were besieging Zheng Chunqiu and others quickly retreated outside the temple.

what's the situation?

Seeing this scene, whether it was Yue Feng, Zheng Chunqiu and others, they were all stunned.

Soon, Yue Feng was the first to react, and quickly walked out.

Zheng Chunqiu and everyone from Danzong also followed with great strides. When Yueqing heard the movement, he hurried out of the room and followed everyone outside.

Mad!

As soon as he arrived outside, when he saw the scene in front of him, Yue Feng frowned and cursed secretly.

Zheng Chunqiu and others were even more shocked and angry.

I saw that nearly a thousand disciples of the Five Poison Sects surrounded the monastery, like an iron barrel! In front of the shattered door, Ji Hongshang was wearing a dark red dress, suspended in mid-air, charming and evil, with a dignified aura.

call!

Seeing Ji Hongshang, Zheng Chunqiu's face was extremely gloomy, and his heart was even more angry.

Obviously, the poisonous insects just now were arranged by Ji Hongshang.

"Zheng Chunqiu!"

At this moment, the corners of Ji Hongshang's mouth twitched, revealing a charming smile, but her tone was incomparable: "Didn't you expect it? You could have escaped, but who told you not to leave? Rest here?"

Hehe!

Hearing this, Zheng Chunqiu sneered and sneered: "Ji Hongshang, you are only capable of this. You fought against me in the daytime, and you failed to defeat me, so you secretly used this despicable method.

"In your hands, it will be destroyed sooner or later."

Swish!

Hearing this, Ji Hongshang's seductive face instantly sank, and her heart was filled with anger.

This Zheng Chunqiu really doesn't know whether to live or die. In the face of such a disadvantage, he dares to mock himself.

However, Ji Hongshang did not have a seizure, but took a deep breath, suppressed her anger, and looked at Zheng Chunqiu with a half-smiling smile: "Zheng Chunqiu, I don't want to argue with you, you know the current situation in your heart. Many of my subordinates were bitten to death by poisonous insects, and the rest were exhausted. If you continue to fight, you will only lose your life in vain."

"In this way, as long as you are ready to capture and promise to surrender to me, I promise that you will never hurt you again. Anyone."

When saying this, Ji Hongshang's face was full of treacherousness.

To be honest, Ji Hongshang originally interrupted to kill Zheng Chunqiu and the others, but suddenly changed his mind just now. You must know that the Five Poison Sects have been wandering since they left Xicang Continent. If they want to grow, they need to absorb them. fresh blood.

And Zheng Chunqiu, ten good candidates.

"Hahaha..."

As soon as the words fell, Zheng Chunqiu couldn't help laughing up to the sky, looking directly at Ji Hongshang and cursing: "Ji Hongshang, you are really whimsical and want me to want you to surrender, you do What daydream?"

"I will die today, and I will not bow to you." The words were sonorous and forceful, beyond doubt.

Seeing his answer, Ji Hongshang frowned and was very annoyed.

At the same time, Yuan Tong, who had been behind her, took a step forward and scolded Zheng Chunqiu: "I really don't know how to praise. My sect master has given you a chance to live. Don't be shameless."

Ji Hongshang waved her hand. , motioned for him to step back, then looked at Zheng Chunqiu and said, "Zheng Chunqiu, I know you are not afraid of death, but have you ever thought about it, after you die, what about Dan Zong?"

"Dan Zong has been passed down for thousands of years, and you don't want to completely Destroyed in your hands, right?" Phew

... Hearing this, Zheng Chunqiu's expression changed, and he suddenly became entangled. Yes, Dan Zong has been inherited for so long, and it has always been one of the top sects in Dongao Continent. If it is destroyed in one's hands, how can one face the ancestors of Dan Zong?

The ultimate husband in Chinese chapter 4371-4380

Chapter 4371

For a time, the entire temple was silent.

Seeing this scene, Yueqing was very angry, and whispered to Yue Feng: "This Ji Hongshang is really despicable. First, he used poisonous insects to attack us, and now he makes Sect Master Zheng surrender.

"This is her usual style."

"Zheng Chunqiu!"

Seeing that Zheng Chunqiu had been struggling, Ji Hongshang lost her patience and said coldly, "Have you thought about it, is it to protect your reputation today or die in battle? Rely on me, keep your

Danzong inheritance, and quickly give me a happy word."

Hearing the urging, Zheng Chunqiu took a deep breath and was about to respond, but was suddenly interrupted by a voice.

"Interesting, really interesting."

At this moment, Yue Feng shook his head and smiled as he walked out: "Murder is no more than a nod to the ground, but it is extremely shameless to use this method to force others to surrender."

Ji Hongshang just now He secretly drove the poisonous insects to raid everyone, and Yue Feng was on fire. At this time, when he saw her forcing Zheng Chunqiu to surrender, he couldn't stand it anymore. In Yue Feng's heart, Zheng Chunqiu was his brother and friend. Seeing him in danger, no matter what. No matter what, you can't just sit back and ignore it.

Swish!

All of a sudden, the audience's eyes will focus on Yue Feng, and they will be surprised. This man looks very strange, with red hair and marks all over his face.

Especially the foundation of the Five Poison Sect, they all look contemptuous.

Where did this kid come from? Looking for death?

At the same time, Zheng Chunqiu and Danzong's people were also surprised.

This chapter is provided by . Visit for daily update.

This person is dressed in ordinary clothes. At first glance, he looks like an unknown person on the rivers and lakes. Faced with the situation in front of him, if he doesn't run away quickly, he dares to move forward?

Don't want to live anymore?

Thinking to himself, Zheng Chunqiu smiled wryly at Yue Feng and said politely: "This little brother, you should not interfere in the grievances between our Dan Zong and the Five Poison Sect.

" The Poison Sect was too powerful, and he really didn't want him to suffer.

At the same time, Yueqing, who was standing behind him, looked at Yue Feng closely and was worried.

Aware of Zheng Chunqiu's worry, Yue Feng smiled indifferently and shook his head to indicate that it was all right.

Afterwards, Yue Feng took a step forward, looked at Ji Hongshang, and said lightly: "Ji Hongshang, as the master of a sect, you are considered to be a prominent figure in the Jiuzhou Jianghu. Tonight, you used this despicable method to force Zheng Sect Master to surrender. Aren't you afraid that the world will laugh at you?"

Wow!

Hearing this, the surrounding disciples of the Five Poison Sect were furious and glared at Yue Feng.

This kid dares to accuse the Sect Master in public.

Really tired of living.

Swish!

At the same time, Ji Hongshang's seductive face turned extremely cold in an instant. She looked at Yue Feng up and down, and scolded: "What are you? Dare to talk to me like that?"

During this time, Ji Hongshang first merged with the ancient The inner strength of the poisonous scorpion, and then absorbed the power of Bai Yunfei's demon soul, and he was in a very arrogant mood, but the boy in front of him even openly said that his own is not, how can he bear this?

Feeling Ji Hongshang's anger, Yue Feng didn't panic at all, smiled and said, "I'm a Jianghu native, and I naturally have to take care of the Jianghu affairs that I can't understand."

With that said, Yue Feng looked serious and continued: "Ji Hongshang, don't you rely on your own strength? Why don't we make a bet, let's have a test, if you lose, you must surrender to Sect Master Zheng, I lost, people like Dan Zong and I are at your disposal, how about that?"

What?

Hearing this, everyone from the Five Poison Sect, Zheng Chunqiu and Dan Zong were all in an uproar.

What does this kid say? Is he going to compete with Ji Hongshang?

Although this kid looks weird, but his strength, at most, is the strength of the third-rate in the arena, how could he possibly beat Ji Hongshang?

At this time, everyone did not know that after Yue Feng integrated the power of the red lotus of the law industry, he could restrain his strength as he wanted, and no one could perceive it.

At this moment, Yueqing was also anxious, and couldn't help but pull Yue Feng: "Brother Ah Feng, are you crazy?" The

other party is the sect master of the Five Poison Sect, how can he be an opponent?

Yue Feng smiled, gave Yue Qing a comforting look, and signaled not to be nervous.

Chapter 4372

Haha...

At this time, many disciples of the Five Poison Sect reacted and laughed, and at the same time sneered at Yue Feng.

"Is this guy mentally ill? He wants to compete with our Sect Master?"

"Looking at his appearance, he should be a savage in the deep mountains. He has never seen the world, and he doesn't know how to write dead words..."

Endless mockery When it came, Yue Feng ignored it, but looked at Ji Hongshang closely, waiting for her answer.

It's really shameless...

At this moment, Ji Hongshang is also full of contempt, looking at Yue Feng's eyes full of contempt, and said lightly: "You really don't know whether to live or die, but an unknown person in the world, still wants to bet with me, Are you qualified?" The

voice fell, Yuan Tong couldn't help it anymore, pointed at Yue Feng and shouted angrily: "Where is this kid who doesn't know if he is alive or dead, you are not qualified to speak here, hurry up."

Yue Feng ignored it. Instead, he looked directly at Ji Hongshang, and said with a faint smile: "Ji Hongshang, when you encounter this kind of thing, as long as you are a righteous person in the rivers and lakes, you are qualified to take care of it. Forget it, now using despicable means to trap Sect Master Zheng here, if all the people in Jianghu stay out of the way, what justice is there in this Jianghu?"

With that, Yue Feng's mouth twitched, and he continued to sneer: "Still, You are afraid of losing to me, so you dare not fight?"

Huo!

Seeing this scene, Yueqing, who was standing behind him, suddenly trembled, staring at Yue Feng with the same brilliance.

Big Brother A Feng actually provokes the Five Poison Sect Sect Master in public. Who can do this in the whole arena?

This man is becoming more and more invisible to himself.

At the same time, Zheng Chunqiu and the surrounding Danzong people were also moved.

Especially Zheng Chunqiu, who looked at Yue Feng's eyes full of approval, this person helped each other with righteousness, and it was really rare.

It's just... his strength, can he beat Ji Hongshang?

Thinking to himself, Zheng Chunqiu wanted to go up to dissuade him, but when he thought about the scene of Yue Feng killing the poisonous insects just now, he held back. When this person killed those poisonous insects just now, any move could condense a strange flame. Maybe he There is really a way to defeat Ji Hongshang.

Realizing this, Zheng Chunqiu was no longer worried, but he couldn't help but said to Yue Feng: "Brother, if Ji Hongshang really takes on the challenge, be careful, this woman is very poisonous."

Hehe. ..

Feeling Zheng Chunqiu's worry, Yue Feng smiled and looked cynical: "It's okay, no matter how powerful her poison is, I'm not afraid."

After speaking, Yue Feng looked at Ji Hongshang and urged again. "How is it? Do you dare to fight me?"

Ji Hongshang's delicate face was extremely gloomy. She did not respond, but muttered in her heart.

This person is so confident, is there anything tricky in this?

quiet!

At this moment, Ji Hongshang pondered secretly, and the audience was even more silent, and she could hear a needle drop.

"Okay!"

Finally, Ji Hongshang made up his mind, looked at Yue Feng up and down, nodded and sneered: "Since you are so confident, I promise to fight you, but I want to see, you are a righteous man in the world. Shi, what's so powerful about it?" The

voice fell, and Ji Hongshang walked slowly, although the pace was slow, but every step seemed to be stepping on the hearts of the people around, and the aura was amazing.

call...

Seeing this situation, many disciples of Danzong couldn't help but sweat for Yue Feng.

To tell the truth, these elders and disciples of Danzong are very grateful to see Yue Feng's righteous help, but how could an unknown person be Ji Hongshang's opponent?

Finally, one of the elders couldn't bear it anymore and whispered to Zheng Chunqiu: "Sect Master, the courage of this friend is indeed admirable, but it would be inappropriate for him to represent our Dan Sect." The

voice fell . , and the others couldn't help but speak.

"Yeah, if we lose, our Dan Zong will be completely finished..."

"Sect Master, think twice."

When everyone's words came, Zheng Chunqiu calmly said, "Don't talk about it, this brother is sincere. So confident, I believe he has the ability, we just watch."

Chapter 4373 The

sound is not loud, but it is unquestionable.

Speaking of which, Zheng Chunqiu didn't know why, but he had an inexplicable sense of trust in this man with a face full of imprints.

Seeing the sect master say this, everyone around him closed his mouth.

At this time, Ji Hongshang stood ten meters in front of Yue Feng, her eyes full of contempt: "Let's start."

Yue Feng smiled slightly: "You are a woman, you should shoot first."

Shuh!

When the words fell, both Ji Hongshang and the surrounding disciples of the Five Poison Sect were all shocked and angry.

Especially Ji Hongshang, her seductive face instantly flushed red, and her heart was even more angered. Her own dignified Five Poison Sect Sect Master was actually regarded as a female class by the other party.

"I don't know whether to live or die." Ji Hongshang's red lips lightly opened, and she spit out a few words coldly.

hum!

Ji Hongshang was very fast, and wherever the figure passed, the air was distorted.

Seeing this situation, Yue Feng showed a smile, not panic at all.

"Go to hell!" In the

blink of an eye, Ji Hongshang was in front of her, and with a coquettish shout, she raised her jade hand and called directly to Yue Feng!

Yue Feng's face did not change, his heart did not beat, he stood there as steady as Mount Tai, then chuckled lightly and greeted him with a palm.

boom!

The two of them touched their palms and made a dull vibration. They saw that Ji Hongshang was shocked, and then she took a few steps back to stabilize her figure, her face changing!

And Yue Feng just swayed his figure, his face was very indifferent.

Obviously, this palm Yue Feng is slightly better.

Speaking of which, although Ji Hongshang has integrated the power of the ancient poisonous scorpion and absorbed the power of the devil's soul, it has not completely integrated the power of the devil's soul, and Yue Feng has been reborn with the help of the red lotus of the law. In this case, Ji Hongshang is naturally not an opponent.

What?

Seeing this scene, everyone from the Five Poison Sect, Zheng Chunqiu, Dan Zong and the others were all stunned, staring at Yue Feng blankly, full of disbelief.

This... this person actually blocked Ji Hongshang's palm?

Sure enough, people can't be seen.

"You..."

At this moment, Ji Hongshang only felt stuffy in her chest, and looked at Yue Feng tightly, shocked inside.

This is impossible.

The person in front of him, dressed in clothes, looks like Yamamura Nofu and his like, it is impossible to have such deep inner strength.

Could it be... This person hides his identity, and the mark on his face is made up of makeup?

In shock, Ji Hongshang bit her lip tightly, stared at Yue Feng and said coldly: "Who are you?"

Yue Feng smiled and said lightly: "I said just now, I'm just a nobody, It's not a big man, why? This is the first round, so you are afraid?"

When he said this, Yue Feng's face was full of cynicism, and his tone was full of mockery.

Yes, Yue Feng intends to anger Ji Hongshang. The most important thing to know about the duel between masters is to be calm and calm.

I am afraid!

Hearing this, Ji Hongshang's face flushed, and the suburban trembled with anger.

This ugly boy dared to mock himself.

“No matter who you are, today I will tell you that you can’t survive, you can’t die.” A cold voice came from Ji Hongshang’s mouth.

“Om!”

At the moment when the voice fell, a powerful breath burst out from Ji Hongshang’s body. This breath quickly spread to the surroundings, forming a strange rhythm of power. Then, I saw Ji Hongshang’s mouth coming out. A scream.

Clap la la... When

I heard this scream, I saw the poisonous insects that had retreated to the depths of the surrounding grass, quickly crawled out, gathered into several teams, and rushed towards Yue Feng from all directions.

At this time, these poisonous insects, like an army that has always been strictly disciplined, advanced and retreated quickly, and they surrounded Yue Feng in a blink of an eye.

I go!

Seeing this scene, Yue Feng was secretly shocked and couldn’t help but mutter in his heart.

what’s the situation? These poisonous insects can actually obey orders.

At this time, Yue Feng didn’t know yet that Ji Hongshang’s move was called ‘Ten Thousand Worms Swallowing Bone’. As the name suggests, it was to issue a special order to make these poisonous insects form a formation, trap the enemy in it, and wait until the enemy was exhausted. When the time comes, the enemy will be devoured completely, leaving no bones behind.

Chapter 4374

Call!

Seeing this scene, the surrounding disciples of the Five Poison Sect were all excited.

Haha, the sect master activated ‘Ten Thousand Worms Swallowing Bone’, this kid is dead, you must know that no one in the entire Kyushu rivers and lakes has been able to escape under the siege of ‘Ten Thousand Worms Swallowing Bone’.

Yuan Tong, who was standing there, stared at Yue Feng, who was besieged, with a look of contempt and contempt.

A wild man in a mountain village, an unknown person, dare to stand up for Danzong?

I really don't know how to live or die!

In Yuan Tong's heart, even though Yue Feng blocked Ji Hongshang's palm just now, it is impossible to win this battle, and the result will be a tragic death.

Swish...

At this moment, I saw the several teams formed by this poisonous insect, under the cooperation of each other, began to attack Yue Feng, and the limbs made a dense rubbing sound on the grass, which made the scalp numb.

At first, Yue Feng was in a hurry, but gradually he found the clue.

The formation formed by these poisonous insects seems to be related to the Five Elements.

It's a bit interesting....

When he noticed this, Yue Feng showed a smile and immediately moved his figure to walk among the countless poisonous insects.

This....

seeing this situation, Zheng Chunqiu and everyone in Danzong were all heartbroken, and couldn't help but break a cold sweat for Yue Feng.

Can he stop so many poisonous insects?

Yueqing, who was standing on the side, was even more anxious, and his delicate face was full of worry.

Although Big Brother Afeng has a lot of skills and medical skills, there are too many poisonous insects. No matter how strong a master is, he will be completely eaten up in this situation. Can he bear it? ?

At this time, in the battlefield.

The poisonous insects continued to attack from all directions, and they cooperated very well with each other. At first, Yue Feng could easily avoid it, but gradually it became unstoppable, the figure became slower, and beads of sweat appeared on his forehead.

Mad, where is the flaw in this trapped formation composed of poisonous insects?

For a time, Yue Feng was a little anxious, but he still secretly warned himself to be calm, otherwise, he would be buried in the mouth of these poisonous insects.

Haha...

Seeing Yue Feng's embarrassed appearance, the surrounding disciples of the Five Poison Sect were extremely excited, and even many people began to mock him.

"This guy can't stop it anymore, haha, now you know how powerful our Five Poison Sects are."

"Hehe, that's what he asked for..."

"Yes, this is the end of arrogance!"

There were more and more mocking voices. In the hearts of the disciples of the Five Poison Sect, Yue Feng challenged Ji Hongshang to seek death, and was not worthy of sympathy at all.

Huh ..

seeing this situation, Zheng Chunqiu, Dan Zong and others all looked complicated, and while they were worried, many people also felt a little regretful.

The person in front of him is too arrogant. If he knew this, he would not be allowed to challenge Ji Hongshang on behalf of Danzong, because if he loses, the entire Danzong will pay a heavy price.

"Brother Afeng, you have to hold on."

At the same time, Yueqing was also nervous, his hands were clenched, his palms were sweating, and he couldn't help exclaiming.

Hearing Yueqing's cry, Yue Feng showed a smile and turned back and said, "Don't worry about me, I'm fine."

When he said this, Yue Feng looked relaxed, and at this time he had already seen that the 'ten thousand insects swallow the bone' 'rules. You must know that Yue Feng's accomplishments in the formation technique have reached the peak of the peak. Ji Hongshang's 'Ten Thousand Worms Swallowing Bone' seems scary, but the formation of the formation is not very profound.

Ha ha! Seeing that Yue Feng was still able to talk to his companions at this time, Ji Hongshang showed a trace of contempt, and said coldly to Yue Feng: "Don't hold on, I advise you to give up, no one can escape the 'ten thousand insects swallowing bones'.Huh?"

Before she finished speaking, Ji Hongshang's body trembled when she saw the scene in front of her, but her mind was buzzing and blank.

He saw Yue Feng's figure rising into the air, raising his hand and hitting the two pairs of poisonous insects on the left with a palm. At this time, the two groups of poisonous insects were alternately swapping formations. It seemed that they had a tacit understanding, but in fact their flaws were revealed.

Chapter 4375

Impossible!

Others couldn't see anything, but Ji Hongshang was indeed shocked, because this was one of the flaws of '10,000 insects swallowing bones'.

How did he see it?

For a while, Ji Hongshang stared at Yue Feng's figure closely, her eyes were full of incredible.

Huh....

Just when Ji Hongshang was secretly shocked, she saw Yue Feng's palm hit, and the powerful force formed a purple fire ball in the air. The fire ball touched the poisonous insect and exploded instantly.

"Squeak..." The

scorching flames formed a sea of fire around them in the blink of an eye. Those poisonous insects let out a terrified roar, and then fled in all directions. Some escaped slowly, and they were directly burned to ashes.

All things have spirits, and these poisonous insects raised in the five poisonous sects also have extraordinary wisdom. These poisonous insects are afraid of fire, and the flames that Yue Feng casts contain the power of the red lotus of the law. In this case, these poisonous insects are even more frightened.

In the blink of an eye, thousands of poisonous insects escaped cleanly, leaving only a few scattered ashes in place.

This...

Seeing this scene, whether it was Ji Hongshang and the disciples of the Five Poison Sect, or Zheng Chunqiu and others, they were all stunned, stunned and shocked.

What kind of flame is this, so powerful?

Yueqing's delicate body was trembling, and she was speechless with excitement. Looking at Yue Feng's eyes, she was completely dumbfounded.

It turns out that Big Brother Afeng is so strong.

“You...”

Finally, Ji Hongshang reacted, looking at Yue Feng in surprise, her tone trembling:
“Who are you?”

The flame that this man burst out just now is beyond imagination. No one in Kyushu has such a powerful power.

“Ji Hongshang!” In

the face of the question, Yue Feng did not answer, but sneered: “I have dispelled all your poisonous insects. If you have other skills, hurry up and use them, otherwise you may not have a chance.”

The moment the words fell, Yue Feng flew up and went straight to Ji Hongshang.

“I’m afraid you won’t succeed?”

Looking at Yue Feng, Ji Hongshang bit her lip tightly, and responded unwillingly, and then her delicate body trembled, urging her inner strength to fly up to meet her.

In an instant, the two figures fought fiercely in mid-air, and the aura that erupted caused dark clouds to roll, as if the end of the world.

At this time, Ji Hongshang had realized that she had underestimated the enemy at first, and she did not hold back when she took another shot, but went all out to unleash all her inner strength.

But even so, Ji Hongshang’s attack was still dismissed by Yue Feng’s understatement.

hum!

Soon, after a few rounds of fierce fighting, Yue Feng chuckled, raised his hand and condensed a fireball, which burst towards Ji Hongshang, and saw that the fireball was purple-red, and the air followed wherever it passed. Burning, the power is very terrifying.

“Sect Master, be careful!”

Yuan Tong couldn’t help shouting when he saw this scene. At this time, he had completely lost his previous arrogance, and the surrounding five poison sects were all sweating for Ji Hongshang.

At the same time, everyone was shocked.

This kid is so terrifying? I really missed it before.

Seeing the rapidly approaching fireball, Ji Hongshang's pretty face changed. She didn't dare to be careless at the time. She raised her jade hand and formed a protective film in front of her in an attempt to block the blow.

"Boom!..." In the

next second, the fireball slammed on the protective film, and the protective film instantly collapsed. At the same time, Ji Hongshang groaned, and the delicate body was directly shaken and flew out. More than a hundred meters away, Ji Hongshang fell down.

At the moment of landing, Ji Hongshang did not hesitate at all, turned around and ran into the distance.

Ji Hongshang is not stupid, she already knows that she has provoked someone she shouldn't, and if she doesn't run away, she will lose a small bet. If the entire Five Poison Sect surrenders to Zheng Chunqiu, it will be the most shameful.

"Run?"

Yue Feng snorted coldly, catching up quickly!

At the same time, Yuan Tong and the surrounding disciples of the Five Poison Sect looked at each other in dismay, and then quickly chased after them.

"Sect Master, Sect Master..."

Seeing this scene, Zheng Chunqiu, Dan Zong and others were stunned and shocked.

I thought that the guy with the imprint on his face would be easily killed by Ji Hongshang, but he never expected that he would actually hit Ji Hongshang with a head and a mouse, which is incredible.

The ultimate husband in Chinese chapter 4376-4380

Chapter 4376

"Sect Master!"

Soon, one of the Danzong elders reacted and asked Zheng Chunqiu, "Should we catch up?"

Zheng Chunqiu thought for a while, then shook his head and said, "We don't have to keep up, then This brother is so powerful that he doesn't need our help at all."

Having said that, Zheng Chunqiu looked around and ordered, "Let's return to Fengzhuang immediately and rescue Elder Linmu and the other arrested people."

"Yes . , Sect Master."

After receiving the order, everyone agreed in unison, and then set off towards Fengzhuang.

At this time, Zheng Chunqiu saw Yueqing standing there, motionless, so he couldn't help but say, "Girl, you are that brother's friend, right? It's not suitable to stay here for a long time, you'd better go with us, just in case. If the people from the Five Poison Sect come back, you will be in trouble."

Hmm!

Yueqing hesitated for a moment, and finally nodded, and followed Zheng Chunqiu and the others to leave.

At this time in Yueqing, her heart was very complicated. The senior brother disappeared, and Brother Afeng also went after Ji Hongshang. She didn't know where to go, but Zheng Chunqiu said it was right. There are many people in the Five Poison Sect. If you come back, you will be in danger.

.....

On the other side, Ji Hongshang ran and looked back, and saw that the distance between Yue Feng and her was getting closer and closer, and she was about to catch up!

Done!

Seeing this situation, Ji Hongshang was anxious and depressed at the same time. It was really embarrassing that the sect master of the five poisonous sects was chased all over the ground.

Depressed, Ji Hongshang saw a hidden hole in the grass in front of her, her eyes lit up and she had an idea.

This chapter is provided by . Visit for daily update.

The next second, at the edge of the hole, Ji Hongshang stopped abruptly and looked back at Yue Feng, who was chasing after him, with a sly smile.

call!

Seeing Ji Hongshang stop suddenly, Yue Feng slowed down, stopped a few meters away from her, and sneered: "Don't run?"

Hu...

Ji Hongshang took a deep breath and showed a charming smile: "Friend, you and I have no hatred and no grudges, just for the sake of a Danzong, there is no need to kill me." To

be honest, Ji Hongshang didn't want to be so polite, but there was no way, the person with the imprint on his face in front of him was too powerful .

Moreover, there are only himself and him here, no one else, and he is not afraid of losing face.

No grudges?

Hearing this, Yue Feng chuckled lightly: "Ji Hongshang, the four words 'no hatred and no grudges', you have the nerve to say it, Danzong has no grudges with you, didn't you still catch Elder Linmu?"

" Also, I'm not afraid to tell you, I'm Yue Feng, and you said I'd spare you easily?"

Yue Feng's eyes were full of coldness when he said this.

There is no one else around, and there is no need to hide your identity.

What?

Hearing this, Ji Hongshang's tender body trembled, her eyes fixed on Yue Feng, she was shocked, and she was almost speechless: "You... Are you Yue Feng?"

Yue Feng has been missing for half a year. After a long time, why did you suddenly become like this ghost?

Under the amazement, Ji Hongshang carefully observed, and found that the facial features of the person in front of him were indeed Yue Feng, but the blood-colored marks on his face made people unable to recognize them for a while.

"Ji Hongshang!"

Seeing her shocked face, Yue Feng raised his mouth and looked at her with a half-smiling smile: "Didn't you always want to kill me and avenge your sister? Now I'll give you this chance, come on, go ahead. "

While talking, Yue Feng walked towards Ji Hongshang step by step.

“You...”

Seeing Yue Feng getting closer and closer, Ji Hongshang only felt an overwhelming pressure coming towards her face, her delicate body trembled faintly, and she couldn't tell the despair in her heart.

I thought this person was just a nameless pawn, but I never thought that he was actually Yue Feng.

If you fight alone, you are not an opponent at all, what should you do?

In a hurry, Ji Hongshang suddenly sounded something, and sneered at Yue Feng: “Yue Feng, I know you are very powerful, but if you kill me, you will not be able to save your friend.”

Friends?

Hearing this, Yue Feng stopped abruptly and looked at her in surprise: “What do you mean, make it clearer.”

“Hee hee...”

Seeing Yue Feng being frightened, Ji Hongshang showed a charming look. He smiled and said slowly: “A few days ago, I arrested the goddess doctor of Baihuagu, and her apprentice, guess who she is? That goddess doctor is the famous Qin Sheng Mu Xixi, if I remember correctly If so, her apprentice is your cousin, right?”

Chapter 4377

Swish!

The words fell, Yue Feng's heart was shocked, and he shouted angrily at Ji Hongshang: “What did you do to them?” At this time, Yue Feng was not as calm as before, and was a little flustered.

Song Qian is Liu Xuan's cousin and has no blood relationship with Yue Feng, but in his heart, she is the same as her own sister.

Noticing the change in Yue Feng's face, she was obviously a little nervous, Ji Hongshang couldn't express the joy, she smiled lightly, and said, “Look at how nervous you are, Mu Xixi is a famous piano saint in the world, what can I do to her? What?”

After saying that, Ji Hongshang turned her eyes and continued: “At that time, when I arrested their master and apprentice, I just wanted to ask some questions, how could I know that Mu Xixi didn't cooperate at all, so I had to poison her to punish her. As for the poison, it will take three days to attack, and today is the third day, Yue Feng, if you rush

back to save them now, it may be too late, but if you have to kill me first, I am not afraid, at least there is Mu Xixi I have no regrets about being buried with such a person.”

When she said this, Ji Hongshang was full of pride and kept an eye on the changes in Yue Feng’s expression.

That’s right, Ji Hongshang was completely trying to scare Yue Feng. She didn’t poison Mu Xixi’s master and apprentice at all. She said that to divert Yue Feng’s attention and disturb his mind.

Nima!

Sure enough, upon hearing this, Yue Fengxin thought it was true, and panicked completely. His eyes were blood red, and he glared at Ji Hongshang: “Ji Hongshang, you will be punished for doing so many evil things sooner or later.”

“I wanted to stay today . You are dead, but you have done so many evil things, and your sins are unforgivable.” As he

spoke, Yue Feng urged the power of his primordial spirit to rush up to kill Ji Hongshang.

Yue Feng thought about it, first killed Ji Hongshang, and then rushed to Fengzhuang to rescue Mu Xixi and Song Qian. As long as he was fast, he should be able to rush over.

call...

Feeling the killing intent in Yue Feng’s eyes, Ji Hongshang was inexplicably frightened, but she still showed a very calm look, and said lightly: “If you want to kill me, just do it, if you can pull your confidante and cousin to death, I will die. I have no regrets.”

Just as she was talking, Ji Hongshang suddenly stepped out of a surprised look and looked behind Yue Feng: “Mu Xixi? You... When did you run out?

” It’s astonishment, and it’s like it.

Yes, Ji Hongshang deliberately deceived Yue Feng, and there was no Mu Xixi behind him.

I have to say that Ji Hongshang was very similar. At that time, Yue Feng was shocked and quickly looked behind him.

Um?

The moment he turned back, Yue Feng realized that he had been fooled, and saw that there was nothing behind him, and there was no Mu Xixi’s figure. For a time, Yue Feng was furious.

Mad, this Ji Hongshang is really cunning.

Cursing secretly, Yue Feng turned around.

Whoosh!

However, it was at this moment that Ji Hongshang showed a treacherous smile. Without any hesitation at that time, her delicate body flashed and jumped directly into the hole behind her.

Ji Hongshang just said that to Yue Feng, the ultimate purpose is to create an opportunity to rush into the cave to escape when Yue Feng is unprepared, because Ji Hongshang just observed that the entrance to the cave is not large, but the bottom is extending in all directions. Once he rushed in, it was difficult for Yue Feng to catch himself.

Nima!

All this happened so fast that Yue Feng couldn't react at all. When he rushed to the entrance of the cave, he saw that it was dark inside, and he didn't know how deep it was.

For a while, Yue Feng stared at the hole with a gloomy expression on her face. This Ji Hongshang was really cunning, and she was still allowed to escape without paying attention.

At the same time, I was a little confused.

Should he enter the cave to pursue Ji Hongshang, or return to Fengzhuang to rescue Mu Xixi and Song Qian?

Forget it, let's go to Fengzhuang.

After a heart-to-heart battle, Yue Feng made up his mind, turned around, and quickly headed towards Fengzhuang.

To be honest, Yue Feng knew very well in his heart that what Ji Hongshang said just now may have been deliberately fabricated to scare him, but Yue Feng did not dare to gamble. If Mu Xixi and Song Qian were poisoned to death, they would feel guilty for a lifetime.

Mu Xixi, Song Qian, here I come.

With this in mind, Yue Feng increased his speed, and his face was full of anxiety.

Chapter 4378

At this moment, Fengzhuang is here.

Zheng Chunqiu brought everyone from Danzong, as well as Yueqing, to the gate of Fengzhuang quickly.

At this time, the sky was bright and bright, and I saw that Fengzhuang was still heavily guarded. Many elite disciples of the Five Poison Sect were patrolling back and forth outside the gate. Previously, Ji Hongshang only brought a thousand elite disciples to raid the monastery and stayed in Fengzhuang. There are tens of thousands more.

Huh ...

But seeing this scene, Zheng Chunqiu didn't panic at all, but strode over and shouted at the disciples of the Five Poison Sect guarding the gate: "Hurry up and give all the people you have arrested these days. I let it go. Otherwise, don't blame me for being rude." The

voice was loud and unmistakable.

Huh...

Hearing these words, the disciples of the Five Poison Sect guarding the gate were all stunned, secretly surprised.

Didn't the suzerain lead someone to exterminate Zheng Chunqiu? Why is this man still alive?

And... where did the sovereign go?

Whoops!

At this time, when they heard the movement at the gate, many disciples of the Five Poison Sect rushed over and quickly surrounded Zheng Chunqiu and the others. The one at the head was dressed in a dark blue long gown, with a thin body and pale complexion. Like a dead body, very scary.

This person is Chen Qing, the elder of the Five Poison Sect.

When Ji Hongshang took people to raid the temple before, he specially explained to Chen Qing and asked him to guard Fengzhuang.

Zheng Chunqiu?

Seeing Zheng Chunqiu at this moment, Chen Qing was secretly surprised, but still looked calm, and said coldly: "Zheng Chunqiu, do you still have the courage to come to Fengzhuang? It's really too long."

At this time, Chen Qing didn't know the situation at all, but he firmly believed that Ji Hongshang would be back soon, and Zheng Chunqiu's group would not be able to fly.

"Stop talking nonsense."

Zheng Chunqiu frowned, and said coldly at Chen Qing: "I repeat, quickly release all the people you have arrested, otherwise, I will pacify Fengzhuang." The

last sentence, sonorous and forceful, irrefutable.

For a while, the entire Fengzhuang was silent and silent, and the five poisonous sects around them felt the breath of Zheng Chunqiu, and they were extremely afraid, and could not say a word.

"Haha..."

Chen Qing was also stunned for a moment, then showed a sneer, looked at Zheng Chunqiu and said, "Zheng Chunqiu, what do you think of our Five Poison Sect? You want people if you want people? I tell you, even if the Sect Master is not here, I'm not afraid of you."

"Everyone listened to the order and prepared to fight." The voice fell, and the surrounding tens of thousands of poisonous

sects

pulled out their weapons and went straight to Zheng Chunqiu and the others. There was also a chilling air in it.

To be honest, Chen Qing knew that Zheng Chunqiu was very strong, but he was not afraid. He believed that Ji Hongshang would come back soon.

However, at this time, Chen Qing didn't know that Ji Hongshang was chased by Yue Feng and had no way to escape, and finally jumped into the hole, and couldn't come back after a while.

Swish!

Seeing the scene in front of him, Zheng Chunqiu's eyes were instantly blood red, and he looked around behind him and said loudly: "There are hundreds of times more people in the five poison sects than us, are you afraid?"

Ji Hongshang used poisonous insects to attack the temple before, when Dan sect died a lot of people, there are only less than a hundred people left, and the foundation of the five poison sects in Fengzhuang is as many as tens of thousands.

The disparity in numbers is not unusually large.

However, Dan Zong and the others did not flinch in the slightest. When they heard Zheng Chunqiu's words, they all shouted and drank.

"Don't be afraid..."

"The way of heaven will last forever, kill these scum and save the elders..." "

Yes, swear to save the elders, those are the same."

Zheng Chunqiu has put his life and death aside, what is he afraid of?

Seeing this scene, Zheng Chunqiu nodded approvingly, and then waved his hand at Yueqing: "Girl, swords have no eyes, you should step aside and wait for us to kill these scum of the Five Poison Sects and take your master to the side. Let's save them together."

Hmm!

Hearing this, Yueqing complied, and quickly retreated into the distance, at the same time clasping his hands tightly together, unable to express his nervousness.

Sect Master Zheng can beat so many people from the Five Poison Sect with just this few people?

And brother Afeng, I don't know what happened to him now.

Chapter 4379

"Kill!"

At this moment, Zheng Chunqiu howled and rushed into the crowd of the Five Poison Sect.

At the same time, the Pill Sect elders and disciples behind them also clenched their weapons, followed closely behind, killing the Five Poison Sect.

"Arrogant!"

Seeing this scene, Chen Qing was furious and stared closely at Zheng Chunqiu: "With just this number of people, do you still want to turn the sky over? All of these Danzong people were killed, and none of them were left behind." As the

voice fell, Chen Qing turned his hand over, holding a green poisonous staff tightly, and greeted Zheng Chunqiu.

“Kill!”

At the same time, tens of thousands of people from the Five Poison Sect also rushed up and fought fiercely with the people from the Dan Sect.

For a time, the sound of swords colliding, and the screams continued to resound in the sky above Fengzhuang.

“Ah..” The

disparity between the numbers of the two sides was too great, and in a short while, many disciples of the alchemy sect fell in a pool of blood.

Seeing this scene, Chen Qing was full of pride, and laughed at Zheng Chunqiu and sneered: “Zheng Chunqiu, did you see it? You’re doing this with an egg.”

“It won’t take long for your people to die. I advise you. Surrender.”

Madd.

Hearing the ridicule, Zheng Chunqiu’s face was extremely gloomy, and when he looked around, he saw that many people from the Dan Sect were surrounded by disciples of the Five Poison Sect.

Wow..

At the same time, dozens of elite disciples, waving long knives, rushed towards Zheng Chunqiu.

No, if you go on like this, the damage will be too serious.

Frightened, Zheng Chunqiu tried his best to calm himself down, and his blood-red eyes locked Chen Qing tightly: “Don’t be proud of me, and die.” When the words

fell, Zheng Chunqiu’s inner strength exploded and came straight to Chen Qing.

Zheng Chunqiu knew very well the principle of ‘to capture the thief first to capture the king’. If this battle continues, none of the people in Danzong will survive. The only way is to subdue Chen Qing. After all, he has the highest status in Fengzhuang now. .

Hahahaha ...

At this time, Zheng Chunqiu only had Chen Qing in his eyes, completely ignoring the surrounding disciples of the Five Poison Sect. At that time, he was chopped a few times by several disciples of the Five Poison Sect, and blood immediately poured out. Dye red clothes.

However, these injuries did not stop Zheng Chunqiu, but instead accelerated.

In the blink of an eye, Zheng Chunqiu was in front of Chen Qing, covered in blood like a god of war, and his tone was cold: "I said, I want to step on Fengzhuang and die."

Om!

The voice fell, and a powerful breath burst out from Zheng Chunqiu, and the surrounding air was violently distorted at any time.

Immediately afterwards, Zheng Chunqiu slammed a palm and called directly to Chen Qing's heart.

The madman..

Feeling the power of Zheng Chunqiu's palm, Chen Qing's face changed greatly, with fear and anger.

This Zheng Chunqiu is really crazy, he would rather take a few knives than deal with me.

Thinking to himself, Chen Qing didn't hesitate at all, and he couldn't dodge at the time, so he had to use his inner strength to greet him with a palm.

boom!

In the next second, the palms of the two collided fiercely. Chen Qing only felt an overwhelming force coming from the mountains. With a groan, the whole person was shocked and flew out, flying dozens of meters away, breaking Fengzhuang. A pillar at the gate fell to the ground.

"Pfft..." At the moment of landing, Chen Qing spurted out a mouthful of blood and looked at Zheng Chunqiu closely, shocked.

As expected of the Danzong Sect Master, his strength is indeed strong.

"Elder..."

"Elder Chen..."

Seeing this scene, many disciples of the Five Poison Sect around were shocked, and then rushed over to help Chen Qing up. As for the other disciples, seeing that Chen Qing was severely injured, their morale plummeted instantly, and they lost the courage to continue fighting.

"Elder,

why don't we withdraw." After helping Chen Qing up, someone shouted, and all the disciples nodded.

"Yeah, although there are many of us, we are not Zheng Chunqiu's opponent."

"If the sect master is not there, if we fight hard, we will only lose our lives in vain."

"Elder, your injury is important, withdraw.

", Most of them are people who are greedy for life and fear of death. They used to rely on a lot of people and they could be fearless, but at this time, seeing that Chen Qing was severely injured, they suddenly lost their backbone.

Chapter 4380

Hu... The

sound of consolation kept coming, Chen Qing's face was pale and extremely ugly.

In the next second, Chen Qing waved his hand: "Withdraw." To

be honest, Chen Qing didn't want to withdraw in such a woeful manner, but he had no choice. He was seriously injured and had no strength to fight. If he continued to fight, he would die in vain.

However, Chen Qing is despicable and cunning, and it is not far from being cheap to Zheng Chunqiu.

When he was about to leave, Chen Qing ordered to the disciples of the Five Poison Sect around him: "Let me tell you, I set fire to Fengzhuang." When he said this, Chen Qing's eyes were full of cruelty.

Ma De, even if he withdraws himself, he cannot let Zheng Chunqiu successfully save people.

"Yes, elder."

Upon hearing the order, the disciples of the Five Poison Sect guarded Chen Qing and quickly evacuated, while igniting the torches and throwing them into Fengzhuang.

Huhuhu....

In the blink of an eye, the flames spread rapidly, covering the entire Fengzhuang.

Mad!

Seeing this scene, Zheng Chunqiu was extremely shocked and furious. He never thought that Chen Qing and these disciples of the Five Poison Sect would be so despicable that they didn't care about the morality of the rivers and lakes at all, and set fire to them before leaving.

In anger, Zheng Chunqiu's eyes were blood red, and he shouted at Dan Zong and others: "Quick, go in and save people."

Yelling, Zheng Chunqiu rushed in first.

To be honest, Zheng Chunqiu really wanted to catch up and kill Chen Qing completely, but the fire in Fengzhuang was burning, and the fellow rivers and lakes trapped inside were in urgent need of rescue. One step at night would be burned alive.

It can be said that time waits for no one.

wow..

Seeing that Zheng Chunqiu rushed in first, the surrounding Danzong people did not hesitate at all, and rushed into the sea of fire.

Half an hour later, many people were rescued, including Yang Chenzi.

"Master."

Seeing Yang Chenzi, Yueqing, who had been watching not far away, was surprised and delighted, and hurried over and hugged Yang Chenzi tightly: "Master, I'm relieved to see that you are all right. "

While talking, Yueqing kept expressing gratitude towards Zheng Chunqiu: "Thank you, Sect Master Zheng."

At this time, Zheng Chunqiu, because he was saving people in the fire, was covered in blackness and was in an indescribable embarrassment, but fortunately at this time The fire wasn't that big and there were no injuries.

"You're welcome." Zheng Chunqiu waved his hand and responded with a smile.

Yang Chenzi was also grateful, and then asked Yueqing, "Where is your senior brother?"

"Senior brother..."

Yueqing bit her lip tightly, not knowing how to answer for a while: "Senior brother left last night, I will I haven't seen him again, and I don't know where he went..."

Just as he was talking, Zheng Chunqiu interrupted: "You two, the fire in Fengzhuang is getting bigger and bigger, it is not suitable to stay here for a long time, let's leave first. "

Hmm!

Yang Chenzi nodded, and followed Dan Zong and others with Yueqing and quickly left Fengzhuang.

In a blink of an eye, everyone walked cleanly, leaving only a raging fire in the entire Fengzhuang.

However, no one knew that in a secret room in the basement of Fengzhuang, there were still two people trapped, it was Mu Xixi and Song Qian. Because of Mu Xixi's special status, Ji Hongshang did not detain them with the others, but detained them alone in the underground secret room.

This underground secret room is very hidden, and neither Zheng Chunqiu nor Danzong found it.

Huhuhu...

At this time, watching the fire spread to the secret room, accompanied by the billowing smoke, Song Qian's body trembled, and she couldn't tell the panic: "Master, it's on fire, what should we do?"

Mu Xixi His face was also extremely pale, completely lost his previous calm, and sighed: "Could this be the fate of our master and apprentice?"

When he said this, Mu Xixi closed his eyes and felt very desperate.

He was a dignified piano saint, and he ran across Kyushu. In the end, he was trapped in the underground secret room of Fengzhuang.

I'm so unhappy.

At this moment, outside Fengzhuang.

The fire was getting bigger and bigger, turning the whole sky red.

Whoosh!

It was at this time that a figure flew quickly from not far away, with long red hair and a blood-colored face, it was Yue Feng.

What the hell!

When he got to the front, seeing the scene in front of him, Yue Feng felt a little stunned in his heart.

I saw the entire Fengzhuang, submerged in a raging fire, except for the fire, not a single person could be seen.

The ultimate husband in Chinese chapter 4381-4390

Chapter 4381 The

good Fengzhuang, why did it suddenly catch fire?

Is there anyone here?

For a time, Yue Feng was so anxious that he rushed in and searched carefully. Because of the rebirth of the red lotus with the help of the law, Yue Feng is not afraid of these flames at all.

...

on the other side, inside the underground cave.

Huhu...

Ji Hongshang landed quickly, listening to the wind whistling in her ears, her delicate and charming face, unable to hide her nervousness.

Yue Feng, you have hurt me so badly today, and one day I will definitely get it back with profit.

At the same time as they landed, Ji Hongshang secretly swore in her heart.

Pfft!

I don't know how long it took, and finally reached the bottom, only to hear a dull sound, Ji Hongshang fell on a stone, although the winding cave had slowed down a lot of strength when she landed before, but this time, it still sprained Ji. Hong Chang's right foot.

At this moment, Ji Hongshang sucked in a breath of cold air, then looked around.

This... what the hell is this place?

I saw that there was a huge underground cave in front of me, and the caves criss-crossed like a huge maze.

After being stunned for a few seconds, Ji Hongshang secretly rejoiced that no matter what, she did not die.

This chapter is provided by . Visit [for daily update.](#)

Thinking to herself, Ji Hongshang struggled to stand up, holding on to the rock wall of the cave, and walked slowly forward.

Um?

Not long after walking, Ji Hongshang's delicate body trembled, and she quickly stopped.

I saw that not far ahead, a man was sitting on a stone, gasping for breath, his body was full of smudges, and in front of him, the corpses of poisonous insects, red-ringed centipedes, and others were piled up. Poisonous snake and scorpion...

This man is exactly Cheng Yi who is trapped here.

This...

for a while, Ji Hongshang was stunned, her charming face was full of inconceivable.

These poisonous insects were all killed by him?

Impossible, these poisonous insects are all raised in a special way by the Five Poison Sect, and they are extremely poisonous. Anyone who touches them will die from the poison, and this person can kill so many.

At this time, Ji Hongshang didn't know that before, Yue Feng helped Cheng Yi to detoxify the Huanglin snake venom, and the effect lasted for twelve hours. During this time, Cheng Yi had a physique that was invulnerable to all poisons, so these poisonous insects were fundamentally Can't hurt him.

anyone?

At this moment, Cheng Yi, who was sitting there resting, heard the movement and immediately looked over with alertness.

When he saw Ji Hongshang, Cheng Yi was shocked, his mind was buzzing, and his heart was even more nervous and frightened.

Isn't this the suzerain of the Five Poison Sect, that beautiful and evil woman? How is she here?

At the time when Zheng Chunqiu and Ji Hongshang played against each other, Cheng Yi still clearly remembered that this woman was very powerful, and she was not an opponent at all, so why not panic?

"Hey!"

Just when Cheng Yi was panicking, Ji Hongshang was expressionless and asked coldly, "Who are you? Why are you in this place?"

Although her expression was indifferent, Ji Hongshang's eyes were not. With deep suspicion.

You must know that this person in front of him is mediocre, and he can kill so many poisonous insects from the Five Poison Sect, which is really suspicious.

Facing the question, Cheng Yi became even more nervous and opened his mouth, not knowing how to answer.

Snapped.

Seeing his terrified look, Ji Hongshang was very impatient, picked up a stone and smashed it on Cheng Yi's face: "Where did the deity ask you, are you dumb?"

Ji Hongshang sprained her foot. Inconvenient to move, can only bully Cheng Yi in this way.

Ji Hongshang's shot was ruthless, and even though it was only a small stone, it still broke Cheng Yi's head with blood.

"I..."

Cheng Yi wiped the blood on his forehead, feeling even more frightened, and stammered: "I'm just a herbalist, passing by here today, accidentally fell into a hole in the ground, and was trapped. I'm here."

When he said this, Cheng Yi only felt that his heart was beating in his throat, he knew very well that he would never say his true identity, after all, Ji Hongshang caught his master Yang Chenzi. If he knew that he was Yang Chenzi's apprentice, he would definitely kill him.

Pharmacist?

Hearing this, Ji Hongshang sneered at the corner of her mouth, obviously not believing: "Do you think I am a child, a medicinal farmer, with such great ability to kill so many poisonous insects?"

Chapter 4382

As he spoke, Ji Hongshang turned his eyes and thought of something, and shouted tenderly, "Tell me honestly, are you and Yue Feng in the same group?" When it came to Yue Feng, Ji Hongshang couldn't hide the resentment.

In her heart, the person in front of her is not afraid of these poisonous insects, and it must be related to Yue Feng. After all, she was forced to jump into the hole by Yue Feng a few minutes ago.

Yue Feng?

At this moment, Cheng Yi was full of doubts and almost wanted to cry without tears.

Is there something wrong with this Ji Hongshang's mind? Why did a 'Yue Feng' suddenly pop up? Simply inexplicable.

Thinking to himself, Cheng Yi smiled and said cautiously, "I don't know what you're talking about, what Yue Feng? I've never seen it before."

Haven't seen it?

Ji Hongshang frowned, obviously in disbelief, she picked up another stone and threw it at Cheng Yi, and said tenderly, "You still want to lie to me? You don't look like a good person from the look of you."

Pa... The

stone slammed on Cheng Yi's body. Cheng Yi groaned and squatted down in pain. Although Ji Hongshang was injured, he tried his best to throw the stone.

Before Ji Hongshang was finished, she kept picking up stones and smashing them towards Cheng Yi.

Papapa...

While smashing, Ji Hongshang scolded: "You think I can't do anything if you don't admit it? See if I don't kill you." When saying this, Ji Hongshang's charming face, Full of gloom.

Ji Hongshang at this time, it is expected that Cheng Yi is Yue Feng's person. In an instant, the resentment against Yue Feng in the depths of his heart broke out completely at this time, and all of it was vented on Cheng Yi.

Nima!

Stones kept pounding and fell on Cheng Yi's head, shoulders, and legs. A burst of pain came, and Cheng Yi was depressed and suffocated.

The suzerain of the Five Poison Sect is really a lunatic. He didn't say anything about the arrest of the master, and now he is humiliating me in every way because of a person I don't know.

Finally, when there were no stones under her feet, Ji Hongshang stopped.

call!

Cheng Yi let out a sigh of relief, looked down, and saw that his clothes had been smashed with a lot of holes. bleed.

Damn, this woman is crazy.

While he was annoyed, Cheng Yi also discovered that Ji Hongshang in front of him seemed to be very imposing, but leaning against the rock wall of the cave, her delicate body trembled faintly, and her charming and coquettish face was a little pale.

The woman was injured, and her injuries were not minor.

Upon discovering this, Cheng Yi suddenly became less afraid, stood up slowly, and fixed his eyes on Ji Hongshang.

“Close your dog’s eyes!”

Cheng Yi’s gaze made Ji Hongshang feel uncomfortable. At that time, her pretty face changed, and she scolded, “Look again, this deity dug out your eyes.”

When he said this, Ji Hongshang was extremely angry, and at the same time she had to pick up stones to smash, but the stones under her feet had already been picked up by her.

dog eyes?

Hearing this, Cheng Yi’s anger rose, but he didn’t attack immediately, but sneered, and looked at Ji Hongshang more presumptuously.

beautiful!

I really didn’t expect that the five poison sect masters were so sexy and charming.

Before, because of fear, Cheng Yi didn’t dare to look directly at Ji Hongshang, but at this time, he was a little fascinated by careful observation.

I saw that although Ji Hongshang was very weak at this time, and had fallen from the hole before, and had a lot of dust on her body, she still couldn’t hide her slender curves, and her charming face was revealed at this time. Anger has a different kind of charm.

“You...”

Seeing Cheng Yi's unbridled look, Ji Hongshang was so anxious that she wanted to scold her, but she was inexplicably frightened and didn't know how to speak.

Broken, this guy seemed to see that I was hurt.

At this time, Ji Hongshang had already guessed something, and she couldn't help but feel nervous, but she still made a cold and strong attitude: "Get out of here, don't let this deity see you again."

However, Cheng Yi did not leave, and He

looked up and down at Ji Hongshang, and said with a half-smile, "It's really interesting, this underground cave is also your Five Poison Sect? at his feet: "Is there no stones around? Would you like me to pick them up for you?"

Chapter 4383

When he said this, Cheng Yi's eyes were still on Ji Hongshang.

Mad, if this woman humiliated me like this just now, if she swallowed her anger, would she still be considered a man? Just in time, while she is injured and weak, she can enjoy it.

While thinking about it, Cheng Yi walked slowly.

"Stop for me."

Seeing Cheng Yi walking towards him with a malicious expression on his face, Ji Hongshang was shocked and angry, and scolded coldly: "I don't know who is alive or dead, do you know who I am? I am the Five Poison Sect. Sect Master Ji Hongshang, get out of here quickly, otherwise, I will tell you to die without a place to be buried."

At this time, Ji Hongshang had already guessed that the man in front of him didn't know Yue Feng, and she must have misunderstood just now. However, the Five Poison Sect is very famous, and the other party will definitely have some scruples when he knows his identity.

However, Ji Hongshang didn't know it yet, and the other party had always known her.

"Haha!"

At this moment, Cheng Yi's mouth curled into a sinister smile, and he said word by word, "Of course I know you are Ji Hongshang. If you hadn't arrested my master, I wouldn't be here."

Saying this At that time, Cheng Yi's face was hideous, indescribably scary.

If it wasn't for Ji Hongshang's arrest of Master, she and her younger sister would not have encountered wolves, were trapped on the hillside, and would not have gotten to know Ah Feng, and the series of things that followed would not have happened.

When he thought of all the humiliation he had suffered last night, Cheng Yi felt angry.

Mad, all of this was caused by Ji Hongshang in front of her, and she was the culprit.

What?

Hearing this, Ji Hongshang's delicate body trembled, and she only felt her brain buzzing.

Did you catch his master yourself?

Thinking to herself, Ji Hongshang took a deep breath and asked coldly, "Who is your master?"

Cheng Yi gritted his teeth and responded, "Yang Chenzi."

Yang Chenzi?

Ji Hongshang's eyes flickered, and her charming face showed a trace of disdain: "It turns out that Yang Chenzi is your master. I tell you, your master will be respectful when he sees me, so you better be polite.

"Also, your master is in the secret room of Fengzhuang, and the deity is treated with delicious food and drink. If you don't treat him well, you should go to Fengzhuang to meet him."

"When you arrive in Fengzhuang, if there are people from the Five Poison Sect. When the disciple cross-examined, he said it was my order."

When she said the last sentence, Ji Hongshang's expression was cold and arrogant, but there was anticipation in her eyes.

She knew very well in her heart that if Cheng Yi's plan was wrong, she would not be able to resist at all. She had to know that her strength was almost exhausted in the previous battle with Yue Feng.

Ji Hongshang thought about it and figured out a way to deceive Cheng Yi. After he left, he would cultivate himself to regain his strength. When his strength was restored, he would not be afraid of anything.

However, Ji Hongshang did not know at this time that Fengzhuang had been burned to ashes by the fire. Moreover, Yang Chenzi and the other arrested persons were also rescued by Zheng Chunqiu.

“Haha!”

But what she didn't expect was that when she heard these words, Cheng Yi didn't mean to leave, but laughed sinisterly: “According to what you said, my master is not in danger, then I will There's no need to leave in a hurry.” With

that, Cheng Yi greedily looked at Ji Hongshang's charming curves: “If I guessed right, you were seriously injured, right? Hey, do you want me to help you heal? I'm Yang Chenzi's apprentice, and I have very good medical skills.”

As he said, Cheng Yi walked step by step.

Swish!

Faced with this situation, Ji Hongshang was furious and shouted: “Stop for me and dare to take a step forward. Believe it or not I killed you?”

“Kill me?”

Hearing this, Cheng Yi put it away With a smile on his face, his face was gloomy: “If you had the ability, you would have killed me a long time ago, so why don't you wait until now? Bitch, you still dare to threaten me.” The

last word fell, Cheng Yi suddenly shot, and directly took Ji Hongshang Stop the hole!

Ji Hongshang was already injured, so she didn't have time to react. At that time, her delicate body trembled and she couldn't move.

“You are courting death!”

Ji Hongshang bit her lip tightly, her charming face was full of anger, she never imagined that this man in front of her knew his identity and dared to do it!

Chapter 4384

“It's so hot!”

Facing Ji Hongshang's murderous gaze, Cheng Yi was not nervous at all, but was indescribably excited, and said with a smile: “To be honest, I haven't tasted your kind before. As for a woman who is high above, I really look forward to it!”

Said, she sincerely picked up Ji Hongshang by the waist, found a flat ground and put it down, admiring Ji Hongshang up close.

For a while, in this huge karst cave, apart from the poisonous corpses on the ground not far away, there were only Cheng Yi and Ji Hongshang.

The atmosphere is somewhat subtle.

At this moment, Cheng Yi's gaze was like a beast, staring at Ji Hongshang.

Ji Hongshang was wearing a long dark red dress, but it fell from the hole just now, and many places were scratched, revealing her snow-white skin, and her sexy curves were even more looming and provocative.

"Get out of here, get out of here."

Ji Hongshang was about to go crazy, screaming non-stop, trying to struggle at the same time, but she was tapped and completely powerless.

Om...

At the same time, because of the emotional excitement, the power of the demon soul in Ji Hongshang's body was completely disordered, forming a red halo around her.

At the same time, the powerful aura formed a gust of wind around him.

Seeing this situation, Cheng Yi was taken aback and hurriedly retreated to the distance to watch. He soon discovered that these gusts of wind were formed by the power in Ji Hongshang's body. People are not hurt.

Realizing this, Cheng Yi approached cautiously.

woohoo...

After a few minutes, the surrounding winds gradually disappeared, and Ji Hongshang's demonic soul power that escaped from the body also formed a blood-red light ball.

You must know that after Ji Hongshang absorbed the power of Bai Yunfei's demon soul, it never really merged. In this case, Ji Hongshang was seriously injured and could not control the power of the demon soul. The force left her body and returned to its original state.

Huh...

Without the power of the demon soul, Ji Hongshang was even weaker, her face was extremely pale, and she almost lost the strength to speak.

“Huh? What is this?”

And at this moment, Cheng Yi’s eyes were also attracted by the blood-red light ball. At that time, he walked over carefully and grabbed it in his hand.

Chi...

As soon as his hand touched the ball of light, Cheng Yi felt an incomparably burning pain, and he let go of his hand with a sound of pain.

The next second, Cheng Yi looked at Ji Hongshang closely: “What is this? It’s so weird.”

“This...”

Ji Hongshang glanced at him, and said weakly, “This is the demon soul of the demon race. , once it is successfully merged, it will have an incomparably powerful power.”
With

that, Ji Hongshang’s eyes flickered, and she continued: “Take this thing, just please let me go.”

Seriously, Ji Hongshang didn’t want to . Showing weakness, and even less wanting to belittle someone like Cheng Yi, but there is no way, in the current situation, I am the meat on the chopping board, and I will be slaughtered by others.

What the hell, Demon Soul?

Hearing this, Cheng Yi was shocked, and looked at the blood-red light ball again, his eyes were extremely hot.

It turns out that this is the demon soul of the demon race, a priceless treasure.

Although Cheng Yi seldom walks around the rivers and lakes, before Bai Yunfei rescued Mozun from the ghost world, and then caused chaos in the rivers and lakes in Kyushu, Cheng Yi heard a lot of these things.

But he never thought that one day he would get a demon soul.

Haha...

At this moment, the more Cheng Yi thought about it, the more excited he became. If he successfully merged with the demon soul, he would be able to fight the invincible hand all over the Kyushu just like the rumored Bai Yunfei.

While thinking about it, Cheng Yi quickly opened the spirit beast sac on his body and put the blood-red light ball inside.

The spirit beast sac is used for holding spirit beasts. Very few people in the entire Kyushu own it. This spirit beast sac was given to him by Yang Chenzi two years ago. At this time, Cheng Yi's power could not be merged with the demon soul at all, but it could be put into the spirit beast bag.

After installing it, Cheng Yi put away the spirit beast bag.

“You...”

Seeing this scene, Ji Hongshang felt very unhappy in her heart, but she didn't dare to show it. She said sincerely, “You already got the devil soul, let me go, okay?”

Saying this When Ji Hongshang was about to cry.

Chapter 4385 The sect master of the

dignified Five Poison Sect actually wants to beg for mercy from an unknown pawn. If this matter spreads out, how can there be any face?

Ji Hongshang thought about it, so she would be soft for the time being, and when she regained her strength, she would find Cheng Yi to take back the demon soul. Not only that, but also let this man live and die.

“Hey!”

Cheng Yi looked down at her, and didn't mean to leave at all, but said with a smile: “You gave me such a big gift, I can't leave even more, I have to make up for you.

” Falling down, Cheng Yi looked up to the sky and laughed, indescribably excited.

In the next second, Cheng Yi finally couldn't help it and kissed Ji Hongshang's red lips all at once.

“Go away, go away!”

Ji Hongshang shouted loudly, but she was tapped and couldn't move at all. Can only keep his eyes open, Cheng Yi's movements are getting more and more excessive.

At this time, Ji Hongshang really wanted to die!

You must know that the exercises of the Five Poison Sect are somewhat special. Whether it is a man or a woman, they must maintain the body of a boy. Once the precept is broken, the internal power of the Nine Success Techniques in the body will be passed on to the other party.

In other words, if Cheng Yi took away Ji Hongshang's virginity today, he would get 90% of her power.

The innocence is gone, and the internal strength will be taken away by the other party. This is the most unacceptable thing for Ji Hongshang.

However, in the current situation, Ji Hongshang no longer has the ability to resist, and can only resign.

"Get out, get out..."

For a while, along with Cheng Yi's actions, it became more and more excessive, only the voice of Ji Hongshang's refusal could be heard in the huge cave.

It didn't take long for Ji Hongshang to hold back. Under Cheng Yi's offensive, she couldn't hold back.

Huhu...

At the same time, a strong internal force was also transmitted to Cheng Yi through Ji Hongshang.

Haha...

At this moment, Cheng Yi was even more excited. I really didn't expect that today, not only did he enjoy the tenderness of the beauty, but he also got the other party's skills.

.....

On the other side, Fengzhuang.

During the fire, Yue Feng was sweating profusely and couldn't be anxious. He searched carefully in every room of Fengzhuang.

However, what made him depressed was that he almost turned over Fengzhuang, but he didn't see Mu Xixi and Song Qian.

"Well..."

Soon, when passing a side hall, Yue Feng suddenly stopped, and heard a weak hum from the floor under his feet, very painful.

Is there a secret room down there?

Without any hesitation, Yue Feng quickly squatted down and forced the floor to open, and saw that there was a dungeon under the floor.

The dungeon doesn't have much space, only a few square meters. In the corner, there is a figure curled up.

It's him?

Seeing that figure, Yue Feng was stunned.

I saw that the man was wearing a white robe, but the robe was completely stained with blood, and his body was covered with wounds.

It was Bai Yunfei.

When Zheng Chunqiu took Dan Zong to save people before, he didn't find the dungeon at all, and he didn't know that Bai Yunfei, who once caused a sensation in the Kyushu rivers and lakes, was still imprisoned here.

Whoosh!

After being stunned for two seconds, Yue Feng quickly jumped down and brought Bai Yunfei up.

"Yue Feng?"

When he got to a safe place, Bai Yunfei looked at Yue Feng complicatedly, with a sad smile on his face, and said weakly, "It's really impermanent, I didn't expect that it was you who rescued me in the end."

Said At these times, Bai Yunfei looked withered and could die at any time.

During this period of time, Ji Hongshang tortured him almost every day in order to integrate the power of the demon soul. He was roasted by the fire just now, and he couldn't hold it anymore.

Ugh!

Yue Feng sighed and hurriedly injected an internal force into his body. At the same time, he asked, "Why are you locked up here?"

Seriously, if it was before, Yue Feng would never have been so polite to Bai Yunfei, but this time When I saw him so miserable, I couldn't bear to mention the previous festivals again.

Bai Yunfei shook his head weakly, and said with emotion: "It is especially wrong to do evil in the sky, and it is impossible to live by doing it by yourself. Why did I become like this, you don't need to ask more."

Immediately, Bai Yunfei looked serious: "I will pass on you now. A set of formulas can help your woman, Ren Yingying, to solve the problem of demon soul backlash, you have to listen carefully."

After speaking, Bai Yunfei said the formula word for word.

The ultimate husband in Chinese chapter 4386-4390

Chapter 4386 The

so-called man is about to die and his words are good. Bai Yunfei knows that although he is a descendant of the demon race, he can't live happily after being tortured like this. Before dying, he decided to do a good deed, after all, Ren Yingying was deceived by him at the beginning, and then suffered the backlash from the demon soul.

Mantra! ?

Also related to Yingying?

At this moment, although Yue Feng was stunned, he did not dare to have the slightest carelessness and kept the formula firmly in his heart.

After saying the formula, Bai Yunfei's face became even paler, and he almost lost the strength to speak.

Ugh!

Looking at his appearance, Yue Feng secretly sighed, this Bai Yunfei still has a little conscience, I hope he can be a good person in the next life.

Muttering in his heart, Yue Feng suddenly thought of something, and quickly asked: "By the way, do you know where the Qin Sheng Mu Xixi and her apprentice are locked up?"

Thinking of Mu Xixi's teacher and apprentice, Yue Feng almost is anxious.

The fire has been burning for so long, and I don't know if they can withstand it.

Qin Sheng Mu Xixi?

Hearing the question, Bai Yunfei shook his head: "I haven't seen it before, but there are many secret rooms under Fengzhuang..." Halfway through the sentence, Bai Yunfei's eyes were blurred and he lost his breath.

Huh....

Seeing Bai Yunfei's generation of heroes end up like this, Yue Feng took a deep breath and felt a little complicated in his heart.

The next second, Yue Feng used the power of his primordial spirit and threw Bai Yunfei's corpse into the fire in front of him. After doing this, Yue Feng entered Fengzhuang again and began to carefully search the secret room.

This chapter is provided by . Visit [for](#) daily update.

With the clues Bai Yunfei just provided, Yue Feng did not search aimlessly, but entered Fengzhuang to search for the secret room hidden underground.

there's noise!

Finally, near the back garden of Fengzhuang, Yue Feng heard that there seemed to be a few subtle movements from below the room in front of him, like a woman's voice.

At this moment, Yue Feng's spirit was shocked, and he quickly followed the voice to find it.

Soon, the floor of the room was lifted, and a tunnel entrance came into view. Yue Feng hurriedly jumped down, walked a dozen steps, and reached an underground secret room.

I saw that the door of this secret room was an iron door made of cold iron, but it had been burned red by the fire!

In the corner of the secret room, two slender figures cuddled tightly together, their faces weak, it was Mu Xixi and Song Qian.

"It can be considered that I found you."

At this moment, Yue Feng was so excited that he slapped open the iron door and was about to walk in.

At this time, Yue Feng was overwhelmed with excitement and happiness. Fortunately, he arrived in time. If it was later, the two of them were really helpless.

"You... you stop!"

However, before Yue Feng entered, Mu Xixi gave a coquettish shout, and said with great alertness: "Who are you?" While speaking, Mu Xixi looked up and down at Yue Feng, secretly surprised .

This man looks so weird, with red hair and a blood-colored lotus mark on his face.

What's even more surprising is his strength. The red-hot iron gate can be opened with one palm. Isn't he afraid of fire?

At this time, Mu Xixi didn't know that the strange person in front of him was Yue Feng!

At the same time, Song Qian's delicate face was full of vigilance, and she called out, "Master and I don't know you, what are you doing?"

What the hell!

Looking at the expressions of the master and the apprentice, Yue Feng couldn't help laughing and crying, and quickly said: "It's me, I'm Yue Feng."

At this time, Yue Feng was very depressed, but he didn't blame them. Reborn, the appearance has changed.

Yue Feng?

Hearing this, Mu Xixi and Song Qian looked at each other and were extremely surprised.

How did Yue Feng become like this?

The next second, Song Qian took the lead in reacting, and couldn't help but walk towards Yue Feng: "Brother-in-law...is it really you? How did you become like this?"

After speaking, she was going to pull Yue Feng hand.

"Xiaoqian!"

But at this moment, Mu Xixi pulled Song Qian away, frowned, and rebuked, "You trust people too easily, this person looks weird, his strength is not trivial, and he pretends to be Yue Feng. , it is very likely that Ji Hongshang sent it, we can't take it lightly."

When saying this, Mu Xixi couldn't help but look at Yue Feng, her eyes full of vigilance.

Chapter 4387

Yes!

Hearing this, Song Qian's body was shocked, and she quickly stopped.

I was too reckless. The appearance of the man in front of me was very different from that of my brother-in-law, and this was Fengzhuang controlled by Ji Hongshang. Maybe the master said it right. The man in front of me was not my brother-in-law at all, but sent by Ji Hongshang. of.

Thinking of this, Song Qian bit her lip tightly and asked Yue Feng, “You honestly, who are you? Why are you impersonating my brother-in-law?”

I’ll go!

Seeing this scene, Yue Feng wanted to cry without tears.

This teacher and apprentice are really interesting, why don’t you believe in yourself?

But thinking about it carefully, Mu Xixi and Song Qian have been locked up here for several days, and they have been humiliated by Ji Hongshang in various ways, so it is right to be vigilant.

correct!

Muttering in his heart, Yue Feng’s eyes suddenly lit up, and he thought of something, and said to Mu Xixi with a smile: “You don’t believe that I am Yue Feng, right? Well, then let me tell you something.”

“I still remember . When I was in Tianqi Continent, before I participated in the Yueying Princess Martial Arts Competition, we met a few interesting friends in the rivers and lakes called ‘Four Dragons and Four Phoenix’. We were in a ruined temple at that time. In order to save you, I pretended to be with the four. Long Sifeng makes friends.”

Having said this, Yue Feng showed a smile and looked closely at Mu Xixi: “That night, you told me that as long as I become the emperor of any place in the Kyushu continent, you will just be my woman, and later, I became Emperor Xi Cang, but you have never fulfilled this promise, do you remember?”

When he said this, Yue Feng smiled and his eyes flashed with a bit of playfulness. .

To be honest, it’s been a long time since I saw Mu Xixi and Song Qian. Since they didn’t believe their identities at this time, I took the opportunity to tease them.

Swish!

Hearing this, Mu Xixi’s delicate face turned red with embarrassment, and then she stomped her feet and said anxiously: “You... shut up, when did I say I’m going to be your woman, don’t Smelly ...”

At this time, Mu Xixi was very shocked.

Is he really Yue Feng?

You must know that what Yue Feng said was only known by Mu Xixi and him at the time, and outsiders didn't know about it at all, and Mu Xixi still remembered it fresh, how could he forget it?

Haha...

Seeing Mu Xixi's shy face, Yue Feng couldn't help laughing and said slowly, "How is it? Believe me now that I am Yue Feng."

Hmm!

Mu Xixi nodded, blushing like the sunset on the horizon.

This Yue Feng, who hasn't seen him for a year, is still the same as before, not serious at all.

"Brother-in-law!"

At this moment, Song Qian reacted and took Yue Feng's hand with great joy: "Are you really brother-in-law? Great, my master and I are finally saved." As

she said that, Song Qian's face was complicated. After looking at Mu Xixi, she continued at Yue Feng: "Brother-in-law, you...you and my master really have such an agreement?"

When she said this, Song Qian felt very complicated.

My brother-in-law is my cousin Liu Xuan's man. If he were a master's man, what would he call him?

Seeing Song Qian's complicated appearance, Yue Feng smiled and said nothing.

Mu Xixi stomped her feet anxiously, pulled Song Qian, and said coquettishly, "Xiao Qian, what are you talking about? I didn't make an agreement with him at all."

It's really embarrassing to say this kind of thing in front of the apprentice.

Seeing Mu Xixi's reaction, Yue Feng was overjoyed, and quickly nodded with a smile: "Yes, there is no agreement, I was just talking nonsense."

Nonsense?

Hearing this, Song Qian was even more confused.

If he is talking nonsense, how can Master be sure that he is the brother-in-law?

At this moment, Song Qian murmured in her heart. Seeing Yue Feng's face, she couldn't help but ask, "Brother-in-law, why did your face become like this? And your hair has also turned red. What happened to you? Huh?"

At the same time, Mu Xixi also looked up and down at Yue Feng, her eyes full of doubts and curiosity.

Ugh!

Looking at the inquiring eyes of the master and the apprentice, Yue Feng sighed and said with a wry smile: "This is a long story, I was..."

Just after saying a few words, he heard the sound from outside the secret room. There was a roar, and there was a lot of movement. The three of Yue Feng were startled and looked out almost at the same time.

Chapter 4388

Call!

Seeing this, the three of Yue Feng were all taken aback.

I saw that because the fire was too big outside, the stone slabs above had cracked. Not only that, but the entire underground secret room also began to shake, and there was a possibility of collapse at any time.

"Quick, get out!" In the

next second, Yue Feng reacted, stretched out his hands to pull Mu Xixi and Song Qian, and quickly rushed out of the underground secret room.

Huhuhu...

However, when I got to the passage, I saw the fire above, which had spread, and the whole passage was red.

"What should I do?"

Seeing this scene, Mu Xixi's delicate body trembled, and she couldn't help exclaiming.

At the same time, Song Qian was also extremely nervous, holding Yue Feng's arm, her face turned pale: "It's over, the passage is completely blocked by fire, we can't go in."

This underground secret room is very hidden, and only A passage, and now the only passage is blocked by the fire, if you don't hurry up and find a way, you can imagine the fate.

For a time, Mu Xixi and Song Qian became more anxious the more they thought about it, and they were completely panicked.

Ugh!

At this moment, Yue Feng also frowned and sighed secretly.

If it wasn't for the teacher and the apprentice who doubted their identity just now and wasted time, they would have left safely.

But then again, his appearance has changed, and whoever he is, will be suspicious.

Thinking to himself, Yue Feng showed a smile and comforted Mu Xixi and Song Qian: "Don't panic, there is me!"

Om!

As he spoke, Yue Feng mobilized the power of his primordial spirit and raised his hand to form a protective film around his body. In an instant, the fire was isolated from the protective film.

The red lotus of the law reborn by Yue Feng contains extremely strong properties of heavenly fire, so he is not afraid of the blazing fire in the mortal world of Kyushu at all. It's just that this protective film is not big, and it can barely squeeze three people.

After finishing the protective film, Yue Feng greeted the master and apprentice with a smile: "Come in quickly."

"Okay, brother-in-law!"

Song Qian hurriedly responded, and hurriedly entered the protective film. In her heart, although Yue Feng was her brother-in-law, she was more kissable than her own brother, and she didn't care about skin contact at all.

Huh ...

However, Mu Xixi was different. Seeing the small space beside Yue Feng, she bit her lip tightly, her delicate face full of tangle and complexity.

The next second, Mu Xixi couldn't help but said to Yue Feng, "Yue Feng, did you do it on purpose?"

Just finished talking about his wife, and now he made the protective film so small.

This Yue Feng is really not serious at all.

on purpose?

Yue Feng was stunned for a moment, and said in surprise: “How do you say this?”

Mu Xixi pointed to the protective film, and said angrily: “You can’t make it bigger, such a small space, how can I... how can I get in? ?”

I’m going!

Hearing this, Yue Feng suddenly woke up, and at the same time, he was a little dumbfounded.

What time is it, this Mu Xixi still cares about this.

Thinking to himself, Yue Feng smiled bitterly: “With my current ability, I can only make it so big.” He didn’t lie. Although he has been working hard these days, he has not completely integrated all the power of the Faye Red Lotus. , and the fierce battle with Ji Hongshang before, consumed a lot, and at this time, it was the limit to condense such a large protective film.

Slick tongue!

Hearing this, Mu Xixi was no longer talking nonsense, gave Yue Feng a blank look, and walked in quickly.

Huh ...

The moment Mu Xixi came in, Yue Feng smelled an aroma that rushed to his face, and he was instantly fascinated.

However, Yue Feng quickly regained his senses, holding Mu Xixi and Song Qian’s waist tightly with both hands, and said with a smile: “Okay, let’s go out now.” After the

voice fell, Yue Feng urged the protective film while wearing The master and apprentice rushed out of the passage.

Hu...

quickly rushed out of Fengzhuang, Yue Feng let go of the master and apprentice, sat on the grass outside the villa, and took a deep breath.

Finally rescued people.

Mu Xixi’s face blushed, thinking of the scene of Yue Feng holding her waist just now, she couldn’t tell how shy, but because of the apprentice’s presence, it was not easy to attack.

“That’s great!”

Song Qian cheered, with indescribable joy and excitement: “Finally see the sun again.”

With emotion, Song Qian looked at Fengzhuang full of fire and couldn’t help but asked Yue Feng: “Brother-in-law, why did Fengzhuang catch fire? What about Ji Hongshang and the people from the Five Poison Sect? Also, how do you know that Master and I are trapped here?”

Chapter 4389

Yue Feng smiled and explained: “Ji Hongshang told me personally that she arrested you. As for how the fire broke out here, I don’t know. When I came, the fire started to spread.

”, Yue Feng will tell the details.

Whoa!

However, at this time, I heard footsteps coming from not far away. These footsteps were dense and urgent, and there were obviously many people.

Hearing the footsteps, both Yue Feng and Mu Xixi’s master and apprentice all looked at them subconsciously.

Seeing this, they were all shocked.

I saw that nearly 2,000 elite disciples of the Five Poison Sects came quickly, and the one headed was Yuan Tong.

Oops, they belong to the Five Poison Sect.

Seeing this situation, Yue Feng frowned and felt a little anxious.

My own power wasted too much, and in case of a fight, I’m afraid I wouldn’t be able to protect Mu Xixi and the two. Phew

... At the same time, Mu Xixi and Song Qian were also trembling and nervous. They were trapped during this period of time, tortured and weak. Swish! At this moment, Yuan Tong and the disciples of the Five Poison Sect also discovered the three Yue Feng, and their eyes converged one after another. Before Yue Feng chased Ji Hongshang, Yuan Tong and these disciples of the Five Poison Sect chased after them, but how fast could they keep up with Yue Feng? In the end, Yuantong had no choice but to take people back to Fengzhuang. At this time, Yuan Tong did not expect that he would meet Yue Feng again here. Why is this kid here? At this moment, Yuan Tong stared at Yue Feng, secretly surprised.

Isn't he chasing the suzerain? Why did you come to Fengzhuang?

Muttering in his heart, Yuan Tong became even more frightened and angry when he saw Fengzhuang submerged by the fire.

Mad!

This kid set Fengzhuang on fire?

In anger, Yuan Tong stepped forward and asked Yue Feng loudly: "Boy, where is my suzerain? Also, did you burn this Fengzhuang?" To

be honest, Yuan Tong had seen Yue Feng before. Strength, I don't dare to be so arrogant, but there is no way, now that the sect master is not there, among the five poison sects who are present, his status is the highest.

While asking, Yuan Tong couldn't help but look at Mu Xixi and Song Qian, even more secretly surprised.

This kid saved the goddess doctor in Baihua Valley? they know each other?

call!

Hearing Yuan Tong's question, Yue Feng took a deep breath and said lightly, "I don't know where your suzerain is, and I didn't set the fire in Fengzhuang."

At the same time, Yue Feng sat there, secretly speaking The power consumed before respiration.

do not know?

Hearing this, Yuan Tong's face was full of disbelief.

At this time, Song Qian on the side couldn't help but whispered to Yue Feng: "Brother-in-law, this is the person who deceived me and Master." After saying that, Song Qian glared at Yuan Tong fiercely.

At this time, Mu Xixi looked at Yuan Tong's eyes with shame and anger.

This person is too cunning. If it wasn't for his fake invitation, he and Song Qian would not have been locked under Fengzhuang and tortured every day.

Knowing the situation, Yue Feng did not respond, but calmly motioned Song Qian not to speak.

My own strength has not recovered, so I can't act rashly for the time being. After all, there are too many people on the other side.

Brother-in-law?

However, Song Qian's voice was not loud, but Yuan Tong on the opposite side could hear it clearly. She looked at Song Qian and Yue Feng at the time, and couldn't help but muttered in her heart.

This goddess doctor's apprentice, calling this guy brother-in-law?

For a while, Yuan Tong frowned and felt that something was wrong, because he had heard Ji Hongshang say that the goddess doctor of Baihua Valley was the famous Qin Sheng, and the female apprentice of Qin Sheng was Yue Feng, the master of Tianmen. cousin.

And now, this woman calls this man cousin.

Could it be that he is...

Yuan Tong became more frightened the more he thought about it, and couldn't help shouting at Song Qian, "Hey, do you call him brother-in-law?"

"Right?"

Song Qian looked proud and pointed at Yue Feng said loudly: "He is my brother-in-law, the master of Tianmen who used to shake Kyushu, and Yue Feng, who is honored as the hero of Jiuzhou, how is it? Are you afraid?"

What?

Hearing this, Yuan Tong's heart trembled, and he could hardly stand still, staring blankly at Yue Feng, speechless.

Is he really Yue Feng?

Chapter 4390 It is

no wonder that in the previous fierce battle, the suzerain was not an opponent.

Whoa!

At the same time, the surrounding nearly 2,000 elite disciples of the Five Poison Sect were also in an uproar, all eyes focused on Yue Feng, shocked.

He...he is Yue Feng, the lord of Tianmen?

In the face of everyone's attention, Yue Feng's face did not fluctuate in the slightest, he slowly stood up, holding Mu Xixi and Song Qian with one hand, and said, "Let's go."

Taking advantage of his reputation, he can still calm down the audience and leave quickly, otherwise there will be many dreams in the night.

This...

Seeing this scene, the disciples of the Five Poison Sect looked at each other in dismay, and felt a little unhappy in their hearts. This Yue Feng was really daring, and he left without giving any face to the Five Poison Sect.

But no one dared to step forward to stop him.

"Stop!"

However, at this time, Yuan Tong took a step forward and shouted at Yue Feng: "Yue Feng, do you want to leave without making it clear?"

When he said this, Yuan Tong was very nervous, but his face was extremely firm.

If Yue Feng is let go like this, the Sect Master will definitely be blamed when he comes back. You must know that over the years, Yue Feng has always been the number one enemy of the Five Poison Sect.

Huh..

Yue Feng stopped, turned his head to look at Yuan Tong, and said indifferently, "What should be said, I said it just now. Don't mess with me." The

voice fell, Yue Feng didn't even look at him, he pulled Mu Xixi continued to walk towards the distance.

Mad!

At this moment, Yuan Tong was completely anxious, and shouted at the surrounding elite disciples of the Five Poison Sect: "Everyone from the same sect, stop him together. We must not forget the hatred of the former head of the

Five Poison Sect." It was Ji Linglong, who was forced by Yue Feng to take Tongtian Pill, and finally died of poisoning. All the disciples of the Five Poison Sect felt pain in their hearts.

Whoa!

These disciples of the Five Poison Sect were originally a little afraid of Yue Feng. At this time, when Yuan Tong mentioned Ji Linglong's revenge, they gathered up their courage and rushed over quickly to surround the three Yue Feng.

Nima!

Seeing this scene, Yue Feng frowned secretly, these disciples of the Five Poison Sect are really desperate.

At the same time, I was also a little depressed. I was really afraid of what was coming. At this time, the strength in the body had not fully recovered, and I really had to start. I was afraid that it would be difficult to successfully take the two of Mu Xixi away.

Thinking to himself, Yue Feng looked at Yuan Tong with bright eyes: "Just because of this person, you want to stop me?"

No matter whether the strength has recovered or not, the momentum cannot be lost.

Facing Yue Feng's gaze, Yuan Tong was very guilty, but he still gritted his teeth and shouted: "Yue Feng, you killed our previous head, this is a blood feud, we have to avenge it. Blame us for being rude."

When he said this, Yuan Tong looked righteous, but he couldn't tell the tension in his heart.

Yue Feng's strength is unmatched in Kyushu, and now he can only hope that he and the surrounding disciples of the Five Poison Sect can hold him back until the Sect Master appears.

Qiang Qiang Qiang...

Hearing Yuan Tong's words, the surrounding disciples of the Five Poison Sect were all boiling with enthusiasm, pulling out their weapons one by one, pointing at Yue Feng.

"Okay!"

Facing this situation, Yue Feng smiled and said lightly: "Since you are so confident, then I will do as you wish."

At this time, Yue Feng knew that this battle was inevitable.

After speaking, Yue Feng let go of his hand and said to Mu Xixi and Song Qian: "You retreat to a safe place, and I will deal with this gang of rabble."

"Yue Feng!" The

voice fell, and Mu Xixi's delicate face could not be concealed. The nervousness: "Can you do it alone?"

Mu Xixi felt that Yue Feng's strength had not fully recovered. In this case, it would be dangerous for him to deal with so many elite disciples of the Five Poison Sect alone.

At the same time, Song Qian also said worriedly, "Brother-in-law, if it really doesn't work, you should go first and leave me and Master alone. If you're not here, they won't do anything to me and Master."

If it was before, Song Qian is not worried at all, after all Yue Feng is powerful, but the situation is different now.

"I'm not going!"

Yue Feng's face was resolute, he shook his head and said, "Let's go together if we want to go, and we must stay together."

The ultimate husband in Chinese chapter 4391-4400

Chapter 4391

After finishing speaking, Yue Feng pushed Mu Xixi's master and apprentice aside: "Trust me."

Then Yue Feng strode towards Yuantong: "If you want to catch me, it depends on whether you have the ability, let's work together. Come on."

Huh!

Hearing this, Yuan Tong's face changed, and then he shouted: "Let's go together, don't underestimate the enemy." With

such a shout, Yuan Tong didn't mean to shoot, but quietly took a step back.

Yuan Tong is very cunning, he thought about it, first let the surrounding classmates hold Yue Feng, and when the time is right, he will surprise him.

"Kill!" The

voice fell, and nearly 2,000 disciples of the Five Poison Sect let out a burst of howls, killing Yue Feng.

Since you are going to fight, come with a special code.

Seeing the disciples of the Five Poison Sect rushing up, Yue Feng did not panic at all, but showed a smile, even though he was very weak at this time, he did not have the slightest fear.

"Come on!" In the

next second, Yue Feng let out a howl, clenched his fists, and rushed directly into the enemy group.

...

on the other side, in an underground cave.

After some cloud and rain, Cheng Yi got dressed and sat there, indescribably excited.

This chapter is provided by . Visit for daily update.

call!

At this moment, Cheng Yi took a deep breath, felt the power he had just absorbed in his body, and couldn't restrain his inner excitement.

Hahaha...

Today is really a good day. Not only did I taste the taste of the female sect master of the Five Poison Sect, but I also gained an extremely powerful internal strength. This is really a blessing from God.

Not far from him, Ji Hongshang curled up there, with tears streaming down her face, her eyes filled with resentment, she wished she could slash Cheng Yi with a thousand swords!

This bastard who is not as good as a pig and a dog has defiled himself.

Not only that, 90% of the internal power in his body was also passed on to him.

It's really eyeless.

At this moment, Cheng Yi stood up slowly, walked up to him with a smile, stretched out his hand to lift Ji Hongshang's chin: "Follow me in the future, I won't treat you badly, haha..." I

have to say, this five The Sect Master of the Poison Sect is so sexy.

Especially the feeling just now is really memorable.

"Get out, get out of here!" Ji Hongshang gritted her teeth tightly, her eyes full of resentment: "Wait, I will definitely kill you, sooner or later!"

When she said this, Ji Hongshang's eyes were full of resentment. It's killing intent!

"Bitch, shame on your face!"

Hearing this, Cheng Yi's face sank, his eyes flashing coldly, and he immediately slapped him hard!

"Clap!"

With this slap, Cheng Yi used all his strength to hear Ji Hongshang cry out uncontrollably, her delicate body trembled, and she fell directly to the ground, a bright red handprint appeared on her face.

"You... insult my innocence, I will teach you not to die..." Ji Hongshang covered her face in shock and screamed at Cheng Yi.

“Haha.. I can’t die? When you arrested my master, why didn’t you think that you would be today?” Cheng Yi sneered and retorted coldly: “When you smashed me with a stone and humiliated me just now, why didn’t you think of it?” How could you end up like this? Mad, how noble do you think you are? You’re just a slut!”

“I told you to scold, keep scold!”

While shouting, Cheng Yi stepped forward again, slap after slap!

“Slap! Slap! Slap!”

Every slap made a crisp sound.

The crisp sound made everyone tremble!

A slap is heavier than a slap!

Ji Hongshang kept screaming, she wanted to struggle, but the acupoints on her body were lit and she couldn’t move at all!

At this time, Ji Hongshang couldn’t wait to die immediately, and she didn’t want to be so humiliated.

hum!

I don’t know how many times I played, Cheng Yi suddenly stopped, and he felt a heat current raging all over his body, and the burning feeling became stronger and stronger, attacking Cheng Yi’s nerves.

what happened?

At this moment, Cheng Yi suddenly became nervous. He didn’t know that he was originally only in the realm of Emperor Wu, but suddenly he got 90% of Ji Hongshang’s internal strength. Without guidance, his body would not be able to bear it.

“Ah...” The

burning sensation became stronger and stronger, and Cheng Yi finally couldn’t stand it anymore. He shouted and rolled on the ground.

Seeing this scene, Ji Hongshang quickly got up and staggered to the distance.

Chapter 4392

To be honest, Ji Hongshang really wanted to kill Cheng Yi at this time, but she was so weak that she had no strength to walk, so she could still kill people. Opportunity to escape from Cheng Yi's clutches first.

Mad, the bitch is going to run.

Seeing Ji Hongshang fleeing, Cheng Yi was furious. He wanted to stand up and chase, but the pain in his body was getting stronger and stronger, and he couldn't care about it at all.

Finally, Cheng Yi couldn't stand it anymore, his eyes darkened, and he passed out.

....

Ji Hongshang stumbled and ran forward, her face pale, extremely weak, and her heart was full of grief and anger.

live.

must live.

When he regains his strength, kill Cheng Yi first, and then kill Yue Feng.

While running, Ji Hongshang was full of revenge.

It's just that this huge cave is full of forks, and the light is extremely dim. I don't know how long it took to run, and Ji Hongshang suddenly stepped on the air and fell into a deep cave.

Done!

At that time, Ji Hongshang exclaimed, her heart was full of despair, she never thought that in this underground cave, there was actually a downward hole.

.....

the other side!

Cheng Yi didn't know how long he had been in a coma. When he woke up, he only felt sore all over, but the burning feeling disappeared!

Ha ha...

When he opened his eyes, Cheng Yi saw that he was still lying in the same place, but he was pleasantly surprised to find the burning pain on his body. Not only did it

disappear completely, on the contrary, the inside of the dantian was filled with an incomparably strong force.

call!

At this moment, Cheng Yi took a deep breath, indescribably excited, his whole body trembled with excitement.

In the later stage of the Tribulation Transcendence Realm, he gained 90% of Ji Hongshang's power, and he was suddenly promoted from the Martial Emperor to the later stage of the Tribulation Transcendence Realm.

The feeling of being full of power is really cool, haha.

Sure enough, God still treats him favorably, and he did not let himself be unable to bear that power and lose his life.

Speaking of which, Cheng Yi's ability to successfully integrate that power is not considered his luck. You must know that he has been studying medicine with Yang Chenzi all these years, and he often takes some spiritual herbs. His physique is different from ordinary people. , to obtain such a strong and pure power, he would have exploded and died long ago.

By the way, that bitch!

Excited, Cheng Yi suddenly thought of something, stood up quickly, and chased in the direction that Ji Hongshang had fled before.

The Five Poison Sect Sect Master is a stunner of a generation. She must enjoy it well in the future and must not let her slip away.

Thinking to himself, Cheng Yi quickened his speed.

Nima!

It's just that this underground cave is really too big. Cheng Yi searched for more than an hour, but he didn't find Ji Hongshang's figure. Instead, he almost fainted.

Forget it, I won't be looking for it for the time being, let's go back to Fengzhuang to find Master.

After looking around again, Cheng Yi gave up completely, left the underground cave and rushed towards Fengzhuang.

.....

At this moment, Fengzhuang is here.

The fierce battle between Yue Feng and the Five Poison Sect continued.

I saw that in the crowd of thousands of disciples of the Five Poison Sect, Yue Feng was like a tiger descending the mountain, extremely brave!

However, when Yue Feng rescued Mu Xixi's master and apprentice, a lot of power had been consumed. At this time, facing the siege of the disciples of the Five Poison Sect, it was already the end of the force. At this time, it seemed that he was fighting bravely, but in fact he was just struggling to support.

I saw that Yue Feng's body was already covered with blood, and dozens of wounds had been cut all over his body. At this time, the blood was still flowing out, like a blood man.

In front of him, several thousand disciples of the Five Poison Sect, divided into dozens of teams, took turns to attack, constantly consuming Yue Feng's only strength.

call!

Faced with this situation, Yue Feng was exhausted, but he still gritted his teeth and held on with his last breath.

"Brother-in-law!"

Seeing this scene, Song Qian outside the battlefield clasped her hands together and couldn't help exclaiming, "You must hold on."

Beside her, Mu Xixi was also anxious.

However, Mu Xixi was relatively calm. She knew that anxiety was useless, so she sat there cross-legged, seized the time to adjust her breath, and planned to restore her internal strength to help Yue Feng fight the enemy.

Chapter 4393

Haha...

Seeing that Yue Feng's movements were getting slower and slower, Yuan Tong, who had been commanding not far away, instantly lost his previous fears, but couldn't help laughing, shouting at the surrounding classmates: "Yes, that's it, he is alone, and he can't stop it."

At the same time, Yuan Tong couldn't help but sneered at Yue Feng: "Yue Feng, I think you should surrender, haha, keep fighting. Go down, you're just afraid of dying."

What a hero of the Kyushu, what a master of Tianmen, that's all!

Nima!

Hearing Yuan Tong's mockery, Yue Feng Wuming became angry.

This boy is really a little boy.

puff.

Just when Yue Feng was distracted, a disciple of the Five Poison Sect rushed up and slashed directly on Yue Feng's shoulder with a long knife in his hand. In an instant, blood gushed out and dyed the ground red!

Yue Feng couldn't help taking a breath of cold air, but he didn't cry out, his eyes were blood red.

It's really a tiger falling and Pingyang being bullied by a dog.

"Kill!"

At this moment, many disciples of the Five Poison Sect rushed up again howling.

"Go away, get out of here!"

Seeing this situation, Yue Feng was completely furious. He howled at that time, raised his hands, and completely released the power of the red lotus in his body. He saw the surrounding air suddenly distorted, and then A huge fireball condensed out.

"Kill!" Yue Feng roared frantically, raising his hand to point at the crowd!

chi chi chi...

In an instant, the fireball burst out with dazzling rays of light, like a stream of fireballs, heading directly towards the disciples of the Five Poison Sect. Everywhere the firelight passed, the air was divided into cracks!

What skill is this?

What a powerful force...

Seeing this scene, the disciples of the Five Poison Sect who rushed up were inexplicably frightened and wanted to dodge, but it was too late.

"Ah!" In the

blink of an eye, the flames came to the front. The disciples of the Five Poison Sect felt a huge impact, making them unable to stand still. Just this blow, hundreds of people were beaten. Spit blood, no more resistance!

After the outbreak, Yue Feng took a deep breath, his face suddenly pale.

This move takes almost all his power away.

Brother-in-law!

Seeing this scene, Song Qian's heart twitched.

At the same time, Mu Xixi was also extremely worried, Yue Feng's internal strength was almost exhausted, and he was afraid that he would not be able to withstand it, so he must quickly regain his strength.

However, the more anxious he was, the slower Mu Xixi's internal strength recovered.

Nima, is this still human?

And Yuan Tong, who was standing not far away, was very shocked.

They are all injured like this, and they can still explode with such a powerful force.

Under the shock, Yuan Tong clearly saw that Yue Feng's face was pale at this time, and he was shaky as he stood there, obviously he was about to lose his strength.

Noticing this, Yuan Tong couldn't help shouting: "Senior brothers, this Yue Feng can't hold it anymore. He just released his skills and has no strength. Don't be afraid, let's go together."

When he shouted this, Yuan Tong couldn't hide his excitement.

Haha, if Yue Feng was captured alive, he would not only be rewarded by the sect master, but also famous in Kyushu.

"Let's go together!"

Hearing this, the remaining more than a thousand disciples of the Five Poison Sect looked at each other, then howled and rushed over quickly!

"Brother-in-law!"

At this moment, Song Qian couldn't bear it any longer, she rushed up quickly, hugged Yue Feng's arm, and cried, "Brother-in-law, go away, leave me and Master alone for now!"

” At that time, Song Qian’s tears kept streaming down. She knew that after Yue Feng released the fireball just now, his face was pale, and he was at the end of the fight. If he continued to fight, he was afraid that he would die here.

“No!”

Yue Feng shook his head with a resolute expression on his face: “If you want to go, you must also go with your master and apprentice.” With

that, Yue Feng gritted his teeth and pushed Song Qian away: “You are optimistic. Your master!”

After a word fell, Yue Feng took a deep breath and rushed up again.

“A bunch of rabble, just because you want to arrest me? You want to arrest me alive, right? Come, come here!” At this time, Yue Feng almost lost his mind, his eyes were blood red, and his expression was hideous.

Bang bang bang...

Howling, Yue Feng once again used the power of the red lotus of the law industry, like a god of hell, quickly shuttled through the crowd, punching punch after punch.

Chapter 4394 I

have to say that the Faye Red Lotus is worthy of being a rare treasure in the realm of the gods. At this time, the power in Yue Feng’s body is almost exhausted, but the imprint attached to him continues to inject power into his body.

Although these forces are not very powerful, they are enough to support Yue Feng not to fall down immediately.

Yue Feng didn’t know how many punches he had punched, but only knew that every time he punched, a disciple of the Five Poison Sect would be smashed into the air.

This...

Seeing this scene, the disciples of the Five Poison Sects surrounding them were all stunned, and they were all terrified, and even many people couldn’t help but exclaimed in a low voice.

“Is this a human? It’s just a monster!”

“It’s all hurt like this, and its strength is so strong...” “A madman, he is completely a madman

, how do you fight this?”

Unspeakable anxiety.

This Yue Feng is worthy of being a hero of Jiuzhou, he is already at the end of the road, and he can be so heroic, these fellows have been beaten and feared.

It can't go on like this.

Thinking to himself, Yuan Tong took a deep breath, first glanced at Yue Feng in a complicated way, and then shouted at the surrounding: “Brothers, don't panic, you can see that Yue Feng is exhausted, as long as we persevere. If we go down, we will definitely be able to subdue him, as long as we catch Yue Feng and the sect master comes back, we will definitely not treat everyone badly.” I

have to say that Yuan Tong is quick-witted and can be appreciated by Ji Hongshang. would be inspiring.

Whoa!

At this moment, hearing Yuan Tong's words, the remaining disciples of the Five Poison Sect, one by one, cheered up again, as if they had been beaten with chicken blood, and rushed up one after another.

puff!

In the face of this situation, Yue Feng was a little powerless. Suddenly, a disciple of the Five Poison Sect attacked from behind and slashed at Yue Feng's head!

In an instant, blood swarmed out and flowed down Yue Feng's face.

“Yue Feng!”

Seeing this scene, Mu Xixi couldn't help exclaiming, her heart was hanging.

Next to Song Qian, she couldn't cry too, brother-in-law, don't have any trouble, don't have trouble.

“Haha...”

Feeling the blood flowing down, Yue Feng didn't have the slightest fear, but laughed loudly.

In the next second, Yue Feng looked at Yuan Tong with a bright gaze, and said coldly, “You Five Poison Sects, which are also considered to be the major sects of Xicang

Along with the numbness of the scalp, I saw that a behemoth came out of the poisonous mist and appeared in front of everyone's eyes.

It was a huge spider!

Chapter 4395 I

saw that this huge spider was completely transformed from internal force, surrounded by poisonous gas, tens of meters tall, with eight legs in total, each leg was dozens of meters long, and its back was covered with The dark green scales, the poisonous fangs in the mouth, flashed with cold light, which made people feel chills down their spines.

The moment this giant spider appeared, the surrounding temperature dropped several degrees rapidly, and everyone present felt a chill to the bone.

While shocked, many disciples of the Five Poison Sect were also inexplicably excited.

“Heavenly Spider Art!”

“Senior Brother Yuantong, you actually practiced the Heavenly Spider Art?”

Under the exclamation, the eyes of each disciple of the Five Poison Sect were widened, and looking at Yuantong's eyes, they were also full of shock. and admiration.

The Heavenly Spider Art is one of the unique skills of the Five Poison Sect. It has infinite power. The Five Poison Sect has been passed down for thousands of years, but very few people can practice it. It bites itself, so for thousands of years, everyone who tried to cultivate the Heavenly Spider Art was bitten to death by poisonous insects, and very few people succeeded.

But I never imagined that Yuan Tong, who was in front of him, had actually practiced it.

Incredible.

Speaking of which, the Sky Spider Art is one of the secret arts of the town school, and it can only be practiced by the sect master. However, half a year ago, Yuan Tong made a great contribution. At that time, Ji Hongshang was very happy, so he rewarded the secret book of the Sky Spider Art. Yuan Tong.

In the past six months, Yuantong has worked hard to cultivate, relying on luck to practice the Sky Spider Art.

“Heavenly Spider Art?!”

Hearing the exclamations of the surrounding disciples of the Five Poison Sect, Mu Xixi opened her eyes and looked at the huge spider, and couldn't help but gasp.

Isn't it possible that very few people can practice spider art today?

This.... how can this Yuantong do? !

As a piano sage, Mu Xixi has traveled to the continent of Kyushu, and knows a lot about the situation of the Five Poison Sect. He knows that the Heavenly Spider Art is the unique skill of the Five Poison Sect.

It is said that as long as one has mastered the Heavenly Spider Art, one can rely on internal strength to transform into huge poisonous insects, and the transformed poisonous insects are not only huge, but also extremely ferocious.

However, these Mu Xixi have always heard of it, never seen it, but did not expect to see Yuantong perform it with his own eyes today.

"Everyone, get out of the way!"

At this moment, someone in the crowd shouted, and immediately, the disciples of the Five Poison Sect scattered, keeping a safe distance from the huge spider.

These disciples of the Five Poison Sect, because they understand the Heavenly Spider Art, know that although this huge spider is an illusion, its body is covered with highly poisonous.

Phew...

Seeing this, Yue Feng frowned and his face was solemn.

This Yuantong is really insidious, and he was not ready to take action until the last moment, but I have to say that the huge spider he transformed into is indeed very powerful.

Haha..

At this time, Yuan Tong, with a face full of pride, couldn't help but turn his mouth up, and said coldly at Yue Feng: "Yue Feng, today I will let you experience the greatness of my Five Poison Sect!" The

voice fell . , Yuan Tong issued an order to the giant spider.

"Chi-chi!"

After receiving the order, the giant spider's blood basin suddenly opened its mouth and let out bursts of hiss, like a hill, rushing towards Yue Feng in an instant!

"Brother-in-law!"

Seeing this scene, Song Qian burst into tears and exclaimed, she was about to rush over to block in front of Yue Feng, but her legs were weak, and it was too late!

Huh ...

Seeing the giant spider rushing towards him, Yue Feng stood there, shaking slightly, without the slightest fear on his face, but closed his eyes, silently comprehending the red lotus in his body.

After a series of fierce battles just now, Yue Feng had a different understanding of the power of the Faye Red Lotus.

“A poisonous insect is about to defeat me? Hehe...”

Suddenly, Yue Feng’s eyes suddenly opened, staring at the giant spider rushing up, all over his body, flashing countless red rays of light, at the same time, a powerful Power, burst out.

What?

In an instant, everyone’s eyes were focused on Yue Feng’s body, all of them shocked and inexplicable.

“Can he fight back?”

“What kind of power is surging in him? It’s so strong...”

“Impossible, it’s impossible...”

The ultimate husband in Chinese chapter 4396-4400

Chapter 4396

Just when the five poisonous sects were exclaiming, they heard Yue Feng’s hoarse voice, spreading throughout the sky!

“Burning red lotus, burning the sky and purifying the world...”

“Boom!” When the

last word fell, he saw Yue Feng’s whole body glowing brightly, and the firelight quickly condensed a huge blood-colored lotus, spinning in mid-air .

That’s right, this is the new skill that Yue Feng realized in desperate situation, the red lotus art!

“Om!”

At the moment when the huge red lotus was formed, the surrounding air suddenly rose, and the sky and the earth were enveloped by this fire, and everyone felt that the heat was unbearable.

Whoosh!

At this moment, Yue Feng raised his hand and waved, and a red lotus petal rushed towards Mu Xixi and Song Qian, and when they arrived, a protective film was formed, covering the master and the apprentice.

The power of Yue Feng and even the red lotus of Faye is stronger than the cold fire of white lotus. It can burn almost everything. Mu Xixi and Song Qian can't stop such a scorching power.

“Ah!”

Soon, the gowns on the closest disciples of the Five Poison Sect suddenly burst into flames.

Seeing this scene, Yuan Tong's face turned pale, but he still pretended to be calm, and shouted at the surrounding: “Hurry up and deploy the protective film!”

When speaking, Yuan Tong's face was calm, but his heart was inexplicable panic.

This Yue Feng's strength is really perverted. The blood-colored lotus flower that burst out is like the sun. If you don't take precautions quickly, I'm afraid that you and your classmates will die here.

This chapter is provided by . Visit for daily update.

Hearing this, the remaining disciples of the Five Poison Sect mobilized their inner strength.

“boom!”

It was at this time that the blood-colored lotus flower collided fiercely with the giant spider that rushed up. Suddenly, a deafening roar was heard, and within a kilometer radius, dust and smoke were everywhere.

Soon the dust and smoke disappeared, and I saw that the giant spider was burnt cleanly by the terrifying flame power of the blood-colored lotus, and there was not a trace of ashes left.

Pfft... The

giant spider was destroyed, Yuan Tong was shocked, he stepped back several dozen steps, a mouthful of blood spurted out, and his face was extremely pale.

After stabilizing his figure, Yuan Tong looked at Yue Feng closely, his eyes were full of shock, and he was speechless for a long time.

quiet!

At the same time, the audience was deadly silent, even if a needle fell on the ground, it could be heard clearly!

Everyone looked at Yue Feng as if they were looking at a monster!

He has already exhausted his power, yet he can still burst out with such terrifying skills. Is this special code still human? !

Pfft!

Under everyone's attention, Yue Feng's legs softened and he slumped on the ground.

That's right, the red lotus art broke out just now at the juncture of life and death, which completely exhausted Yue Feng's energy. At this time, he has already fought again. It can be said that a child can easily kill him.

"Huh.."

Finally, Yuan Tong reacted, staggering over, looking at Yue Feng with complicated eyes, and his tone was extremely resentful: "I didn't expect that you still have the stunt of pressing the bottom of the box, but so what? You hurt me, I still have so many colleagues, today, you can't fly!"

Said, Yuan Tong raised his hand to Yue Feng: "Catch him! He has no resistance now."

Seriously, Yuan Tong really wanted to do it himself, but he clearly felt that his heart was severely damaged, and he couldn't use any strength.

Whoa!

Hearing this, the surrounding disciples of the Five Poison Sect looked at each other one by one, and then rushed over quickly.

Nima!

Seeing this scene, Yue Feng was angry and anxious.

Is this fate? Today is destined to fall into the hands of this Yuantong? I have tried my best, really tried my best.

Under the rush of fire, Yue Feng's eyes darkened and he fainted.

"Yue Feng!"

Mu Xixi exclaimed when she saw this scene, she didn't have time to think about it, she rushed over and fought fiercely with the disciples of the Five Poison Sect who rushed up.

At this time, Mu Xixi's internal strength did not recover much, but he had no choice but to grit his teeth and fight recklessly.

"Brother-in-law, brother-in-law!" At the same time, Song Qian also ran over, hugged Yue Feng in her arms, and kept shouting, tears kept shedding.

Bang bang bang...

Mu Xixi's internal strength has not recovered much. Facing the siege of the disciples of the Five Poison Sect, he is not an opponent at all. In less than two minutes, a disciple of the Five Poison Sect found an opportunity, slapped it hard, and hit him directly. In the back of Mu Xixi's heart. " Pfft

!" With this palm, Mu Xixi's delicate body trembled, a mouthful of blood spurted out, and she stepped back and fell to the ground.

Chapter 4397

"Master..."

Seeing this scene, Song Qian couldn't help exclaiming, and wanted to rush over to help, but she didn't recover her internal strength, her physique was very weak, and she didn't take two steps, only her legs felt weak, and she fell directly. on the ground.

Haha...

Seeing this scene, Yuan Tong wiped the blood from the corners of his mouth and shouted: "Quick, take them all down!" The

voice fell, and several disciples of the Five Poison Sect rushed up and stopped Mu Xi. Xi's acupuncture point, for a moment, Mu Xixi's delicate body trembled, unable to move.

Papa...

Immediately afterwards, the other two disciples of the Five Poison Sect rushed to Song Qian, quickly sealed her acupuncture point, and dragged Yue Feng out.

At this time, Yue Feng was still in a coma.

“Senior Brother Yuantong!” The two disciples let go of Yue Feng when they were dragged in front of Yuantong. One of them asked, “What should we do with this Yue Feng?” The great enemy Yue Feng was finally caught. call! Yuan Tong took a deep breath, pondered, and said lightly: “First cut off his hands and feet, lest he wake up and find a chance to escape.” When he said this, Yuan Tong’s face was cold, and his eyes flashed even more cruel. Yuantong is cunning by nature. He knows Yue Feng’s ability well. In order to avoid unnecessary trouble, he decided to make Yue Feng a cripple. You must know that only cripple will not escape. “Yes, Senior Brother Yuantong!” Upon hearing this, one of the disciples responded, then pulled out the machete on his body and slashed directly at Yue Feng’s right leg.

“No...don’t...”

Seeing this scene, Song Qian’s heart was cut like a knife, and she burst into tears instantly.

For a time, Song Qian’s heart was ashes!

She has already decided that if her brother-in-law has three strengths and two weaknesses today, she will not live!

At the same time, Mu Xixi was also anxious, shocked and angry!

“You...” In the

next second, Mu Xixi bit her lip and shouted at Yuan Tongjiao: “You have already caught him, why do you need to chop off his legs again? To attack a comatose person, you five poisons Isn’t Zong afraid of people in the world laughing at him?”

When saying this, Mu Xixi looked at Yue Feng closely, praying in her heart.

Yue Feng, you can’t be in trouble, you mustn’t be in trouble.

Ha ha!

Hearing Jiao’s drink, Yuan Tong smiled coldly and looked at Mu Xixi with disdain: “I’m just a defeated general, how can I make irresponsible remarks about our Five Poison Sect?” After speaking

, Yuan Tong waved his hand. : “Don’t pay attention to her, hurry up!”

Hearing these words, the disciple stimulated his inner strength and clenched the machete to speed up.

Done!

Seeing that Yue Feng's right leg was about to be chopped off, Mu Xixi closed her eyes in despair, and Song Qian's eyes darkened even more, and she almost fainted in a hurry.

Om....

However, at this critical moment, an extremely strong breath came from not far away, and at the same time, a full body also sounded: "People from the Five Poison Sect, listen, let me go. Master."

At this moment, both Yuan Tong and others around him all looked over.

The disciple who was about to cut off Yue Feng's right leg also subconsciously stopped and followed the voice with everyone.

I saw a figure coming quickly. The visitor was wearing a dirty long gown, like a beggar, but his whole body was filled with a strong aura, and his expression was arrogant and arrogant.

It was Cheng Yi.

In the underground cave before, Ji Hongshang was not found, so Cheng Yi gave up the search and came directly to Fengzhuang.

Whoa!

Feeling Cheng Yi's breath, both Yuan Tong and the surrounding disciples of the Five Poison Sect were secretly shocked.

This guy is so powerful.

Especially Yuan Tong, frowning and looking at Cheng Yi, he was shocked and puzzled.

Strange, this person's inner strength seems to be the 'Five Saint Heaven's Ultimate Skill' of our Five Poison Sect. It's only the Five Saint Heaven's Ultimate Skill. Only the sect master is qualified to practice. Where did this strange guy come from?

At this time, Yuantong didn't know that Cheng Yi took away Ji Hongshang's innocence, so he got Ji Hongshang's eighth-level skill.

Um?

Facing everyone's attention, Cheng Yi was full of pride, but when he saw Fengzhuang in front of him, he was stunned for a moment.

Chapter 4398

What's the situation, how did Fengzhuang become a sea of fire?

The sincerity at this time clearly saw that Fengzhuang, which was originally beautiful, was completely in ruins under the burning of the fire at this time. The smoke was billowing inside, and there was not a single person.

"This friend!"

Just when his sincerity was in doubt, Yuan Tong endured the pain, took a step forward, and said cautiously, "Excuse me, what are you doing? I just heard your Excellency say 'Let us let your master go', I think, is there any misunderstanding in this?"

When asked, Yuan Tong looked sincere, but felt uneasy in his heart.

This person is so tyrannical, isn't his master even more powerful? In the past half month, the Five Poison Sect had captured many famous doctors, but none of them were stronger than Emperor Wu.

So, it must be a misunderstanding.

To be honest, Yuan Tong didn't want to act so cowardly, but he couldn't help it. He was severely injured by Yue Feng in the first battle, and he no longer had the strength to fight again. At this time, facing Cheng Yi, he could only be extremely polite.

call!

Seeing this scene, Mu Xixi and Song Qian were relieved at the same time.

Very dangerous, just now Yue Feng's legs were almost unable to be saved.

While rejoicing, both the master and the apprentice couldn't help looking at Cheng Yi, and couldn't help but mutter in their hearts, when did such a strong man appear in Dongao Continent?

Listening to what he said just now, the Five Poison Sects also arrested his people. The so-called enemy of an enemy is a friend. It seems that this time is saved.

Thinking of this, Mu Xixi and Song Qian looked at each other, unable to express their excitement.

"misunderstanding?"

At this moment, when Yuan Tong spoke, Cheng Yi showed a sneer: "Five days ago, people from your Five Poison Sect took my master, can I still admit it?"

When he said this, Cheng Yi's face was full of expression. It was cold, and my heart was indescribably happy.

So cool.

Is this what it feels like to be a peerless master? Anyone who sees it is respectful. If this is the case before, how dare you think about it.

"Dare to ask..." Yuan Tong was inexplicably nervous, and asked with a wry smile: "Dare to ask your master's name?"

Cheng Yi snorted lightly, put his hands behind his back, arrogantly, and said word by word, "I Master is Yang Chenzi, where did you get him? Hurry up." In the

last sentence, Cheng Yi almost roared.

At the same time, Cheng Yi couldn't help but glance at Fengzhuang, which was still burning, with a gloomy expression on his face. If the master was burned to death, then let everyone present be buried with him.

Sheep dust?

At this moment, Yuan Tong's heart was shocked, and he hurriedly said with a smile: "This friend, your master has been taken away by Dan Zong, it was half an hour ago, I assure you that he was not trapped in Fengzhuang. Inside."

While speaking, Yuan Tong observed the change in Cheng Yi's expression.

Madd, if he wasn't seriously injured, why would he be rude to him?

In fact, Yuantong didn't know where Yang Chenzi was, because when Zheng Chunqiu came to save people, Yuantong and these elite disciples were not in Fengzhuang.

However, Yuan Tong was quick-witted, and in a hurry, he made up a lie, intending to deceive Cheng Yi.

But he never thought that an hour ago, Yang Chenzi was indeed rescued by Zheng Chunqiu.

Master is not dead?

Cheng Yi frowned and looked at Yuan Tong suspiciously: "What you said is true?"

"It's absolutely true!" Yuan Tong nodded quickly, and at the same time secretly winked at the surrounding Five Poison Sects.

The disciples of the Five Poison Sect understood each and every one of them, and spoke to Cheng Yi one after another.

"Yes, Yang Chenzi did go with Dan Zong."

"We were all there at the time!"

These disciples of the Five Poison Sect were not fools. They knew that Yuan Tong was talking nonsense, but if they didn't help Yuan Li, the man in front of him would be furious. , no one can stop him.

Seeing that the disciples of the Five Poison Sect were saying this, a stone hanging in Cheng Yi's heart fell to the ground in an instant, and a smile appeared on his face.

Then, Cheng Yi was about to turn around and leave.

Um?

However, at this moment, Cheng Yi was stunned when he saw Yue Feng lying on the ground.

Why is this kid here?

Isn't he with his sister-in-law? How could it appear here, with so many injuries, and fainted?

Chapter 4399

Also, where did the junior sister go?

Muttering in his heart, Cheng Yi's eyes fell on Mu Xixi and Song Qian, and he was immediately stunned.

hiss!

Two beautiful women.

I saw that although Mu Xixi and Song Qian were also injured, trapped for a few days and their clothes were dirty, they couldn't hide their charming curves, especially the weakness on their faces. , will feel pity.

For a while, Cheng Yi's expression was sluggish, he couldn't help taking a deep breath, and secretly praised in his heart.

These two beauties are even more charming than that Ji Hongshang.

Cheng Yi's gaze made Mu Xixi feel uncomfortable, but the current situation was not easy.

"Your Excellency!"

Seeing this scene, Yuan Tong was a little panicked, and quickly walked over and said, "These two women and Yue Feng have some personal grievances with our Five Poison Sect, please don't interfere."

At this time, Yuan Tong was very nervous.

Ma De, after fighting for a long time just now, he managed to catch Yue Feng, but he can't let this person mess up the game.

Yue Feng?

Hearing this, Cheng Yi was stunned and looked at Yuan Tong in astonishment: "What did you say? Who is Yue Feng and where is he?"

Cheng Yi couldn't help muttering secretly while asking.

Wouldn't he be talking about Yue Feng, the famous master of Tianmen in Kyushu?

Yuan Tong hurriedly pointed at Yue Feng, who was still in a coma: "It's him. Your Excellency, you may not know. Although this Yue Feng is famous in Kyushu, he is the most cunning person. You see what he looks like now, he is deliberately dressed up."

Yuan Tong could see that Cheng Yi and Yue Feng were not familiar with each other, otherwise they wouldn't recognize him, so he took the opportunity to slander Yue Feng.

"You are talking nonsense!"

Song Qian, who had been silent for a while, couldn't help it at that time, and shouted at Yuan Tongjiao: "My brother-in-law is not such a person, he is a hero, a great hero in Kyushu."

Yuan Tong was cold He sneered and ignored it, but observed Cheng Yi's reaction.

I'm going...

At this moment, Cheng Yi's heart was shocked, he looked at Yue Feng tightly, and was speechless for a while.

This kid turned out to be the famous Lord of Heaven.

No wonder he understands so much, first to disperse the wolves, then to catch the stag, and to detoxify himself, as if he is omnipotent.

But thinking of losing face in front of his junior sister for the past few days, Cheng Yi couldn't admire Yue Feng at all. On the contrary, after knowing his true identity, his resentment grew stronger.

Nima, this Yue Feng is really shameless, he clearly has a prominent identity, but he pretends to be a nobody and has a relationship with my junior sister.

There are rumors in the rivers and lakes that Yue Feng has countless confidantes, each of which is a national beauty and a beautiful country, but he still wants to rob my junior sister from me.

This person is the most shameless.

Thinking to himself, Cheng Yi's heart became colder and colder, but there was a smile on his face.

The next second, Cheng Yi ignored Yuan Tong and walked over directly.

"Girl!"

When he got to the front, Cheng Yi looked at Mu Xixi, while pretending to be polite: "Are you all Yue Feng's friends?" After speaking, he couldn't help but glance at Song Qian.

At this time, the close observation made Cheng Yi even more itchy.

So sexy.

One intellectual and charming, one youthful and beautiful.

What kind of virtue and ability of Yue Feng, will two peerless beauties accompany him?

Facing the question, Mu Xixi's red lips lightly opened to answer, but was interrupted by Song Qian.

"Why are you so incapable of talking?" Song Qian frowned, and said angrily at Cheng Yi: "This is my master, Qin Sheng Mu Xixi, what girl?" After speaking

, Song Qian glanced at Yue Feng, very proudly continued: "Also, Yue Feng and I are not friends, he is my brother-in-law."

Qin Sheng Mu Xixi?

At this moment, Cheng Yi's eyes lit up, and he was indescribably excited and excited.

It turns out that this is the famous Qin Sheng. According to rumors, Qin Sheng is not only powerful, but also has a fairy-like appearance. When I saw it today, it really lived up to its reputation.

Although Cheng Yi had never left Dongao Continent, he had also heard of the name of the Qin Sheng, Mu Xixi. At this time, after learning about the relationship between Yue Feng and Mu Xixi, a bold thought arose in his heart.

Chapter 4400

This Yue Feng dares to hit his junior sister's attention, why don't I grab his woman?

If I could spend a good night with this Mu Xixi, it would be worth it to die immediately, haha...

Honestly, if it was half a day ago, Cheng Yi would never have dared to have such a thought. After all, his strength is low, and his master Yang Chenzi You don't have much fame in Kyushu, how dare you think about the famous Qin Sheng? But after he got Ji Hongshang's eighth-level skill and tasted Ji Hongshang's taste at the same time, his strength became stronger, and his heart swelled up.

At this moment, Cheng Yi thought happily, the smile on his face thicker, and politely said to Mu Xixi: "It turned out to be Your Excellency Qin Sheng and his beloved disciple, disrespectful!"

As he said, Cheng Yi pointed at Yue Feng , continued: "To tell the truth, although Yue Feng and I have just met, but we met late, of course, I didn't know he was Yue Feng before, he always called himself A Feng..."

Said, Cheng Yi He told the process of getting to know Yue Feng. Of course, Cheng Yi deliberately concealed some unpleasantness during the period. He only said that Yue Feng had helped their junior sister to disperse the wolves and detoxify him before.... In short, the relationship is very good. .

call!

Hearing this, Mu Xixi and Song Qian looked at each other and relaxed their vigilance.

It turned out that this person knew Yue Feng, that would be great.

Speaking of which, Mu Xixi has been in the rivers and lakes for a long time, and should not be deceived so easily by Cheng Yi, but almost all of the things Cheng Yi said happened, but some details were deliberately concealed, which made it difficult for Mu Xixi to distinguish .

Song Qian's mind is relatively simple, and she is even more convinced of Cheng Yi, she pointed at Yuan Tong excitedly at the time: "Since you are brother-in-law's friend, help me kill him, it is him and the surrounding disciples of the Five Poison Sect who take advantage of the situation. The danger of human beings is to make my brother-in-law look like this."

When she said this, Song Qian glared at Yuan Tong fiercely, her eyes full of killing intent.

Oops!

Seeing this scene, Yuan Tong's heart trembled, cold sweat broke out on his forehead, and he couldn't panic.

This person turned out to be Yue Feng's friend, and now he is in trouble.

However, listening to Song Qian's cry, Cheng Yi did not mean to do anything, but comforted with a smile: "Don't panic, girl, Yue Feng saved my life, I will definitely avenge him, but he is seriously injured now. , the most important thing for us is to leave here first, and then heal Yue Feng."

When he spoke, Cheng Yi's face was serious and sincere, but his eyes flashed cunningly.

He wasn't stupid, so he wouldn't waste his inner strength fighting the Five Poison Sect for Yue Feng's sake.

Hearing this, Song Qian was a little anxious and wanted to say more, but was interrupted by Mu Xixi.

"Xiaoqian, this friend is right." Mu Xixi sighed lightly, bit her lip and said, "The most important thing now is to heal Yue Feng, and put other things aside for now. It's not too late for a gentleman to take revenge. Besides, these five poisonous sects won't be arrogant for a long time!" At the

end, Mu Xixi nodded at Cheng Yi and said, "It's hard work!"

Mu Xixi didn't know what Cheng Yi was thinking, she only knew that now Yue Feng The situation is very serious, and it is necessary to find a safe place for treatment as soon as possible.

"You're welcome!"

Cheng Yi smiled slightly and stepped forward to unlock the acupoints for Mu Xixi and Song Qian. Phew

... At this moment, Cheng Yi could not help but take a deep breath when he smelled the fragrance of Mu Xixi's master and apprentice at close range, and he was indescribably intoxicated. Later, Cheng Yi turned around and helped Yue Feng up. At this time, Yue Feng was still in a coma and had no idea what was going on. "Let's go!"

At this moment, Cheng Yi supported Yue Feng, and said to Mu Xixi with a smile: "There is me, don't be afraid!" When he said this, Cheng Yi didn't look at the Yuantong people around him, and didn't take it to heart at all. .

hateful!

Seeing this scene, Yuan Tong's face was gloomy and uncertain, burning with anger.

This guy is too arrogant. I have already explained the situation. He even took Yue Feng away. He really doesn't care about the Five Poison Sect.

Thinking to himself, Yuan Tong couldn't help shouting: "Stop!"

Shuh!

Cheng Yi stood on the footcloth and looked back at him coldly: "What?"

Yuan Tong took a deep breath, unable to hide his anger, and said word by word: "Your Excellency, this Yue Feng is the offender of our Five Poison Sect, you can't bring it with you. He goes."

The ultimate husband in Chinese chapter 4401-4410

Chapter 4401

Haha!

Hearing this, Cheng Yi smiled coldly: "What if I have to take it away?"

Yuan Tong clenched his teeth tightly and shouted, "Since you don't know how to lift, then we will be blamed for being rude." As soon as he finished speaking, he waved at the surrounding disciples of the Five Poison Sect!

To be honest, Yuan Tong really didn't want to fight with Cheng Yi, but there was no way, let him take Yue Feng away today, even if the prestige of the Five Poison Sect was completely destroyed.

Swish swish... The

voice fell, and hundreds of disciples of the Five Poison Sect erupted one after another, rushing directly towards Cheng Yi.

"Beyond one's own strength!"

Looking at the hundreds of disciples of the Five Poison Sect who were rushing in, Cheng Yi's mouth curled up with a trace of cruelty, he sneered, without a word of nonsense, he raised his hand and waved suddenly!

hum!

In an instant, an extremely strong breath burst out from his body, forming a poisonous mist in mid-air. Then, sharp blades condensed in the poisonous mist, tearing the air and flying towards the disciples of the Five Poison Sect!

As you can see, these sharp blades are completely condensed from poisonous mist, appearing green and extremely sharp.

"Ah!"

These sharp knives were like shooting stars. The hundreds of disciples of the Five Poison Sect didn't have time to dodge, and they were passed through by the sharp knives one by one. In an instant, screaming constantly, they fell from the air and fell into a pool of blood.

After landing, I saw these disciples of the Five Poison Sect, all of their faces turned black, and their death was very terrifying.

hiss!

This chapter is provided by . Visit for daily update.

Seeing this scene, whether it was Yuan Tong, or the remaining disciples of the Five Poison Sect, as well as Mu Xixi and Song Qian, they couldn't help gasping for air!

So strong!

Especially Yuan Tong, who looked at Cheng Yi in horror, almost unable to stand still.

This... This is the 'Five Saint Heaven's ultimate power' of the Five Poison Sect, it can't be wrong.

But he is a person from the East Proud Continent, how can he know the unique skills of our Five Poison Sect?

quiet!

For a while, the audience was silent, and a drop of a needle could be heard clearly.

Cheng Yi stood there arrogantly, looking at Yuan Tong with contempt in his eyes: "Do you want to continue?" The

voice was not loud, but the aura was amazing.

Gudong!

Yuan Tong secretly swallowed his saliva. At this time, he was very unconvinced, but he didn't have the courage to respond.

The disciples of the Five Poison Sect around, look at me, I look at you, there is no one who dares to step forward. This person is too powerful, and if he goes up, he will die.

"Let's go!"

Seeing this situation, Cheng Yi smiled disdainfully, and took the three of Mu Xixi and strode away.

Watching Cheng Yi and the four go away, the disciples of the Five Poison Sect present were extremely suffocating, and it was a shame for the Five Poison Sect to let Yue Feng take away under their noses.

"Senior Brother Yuantong!"

Soon, one of the disciples reacted and asked Yuantong, "What should we do? Just watch them go away like this?"

Huh!

Yuan Tong took a deep breath and his face was extremely gloomy: "Send a few people to follow them quietly, and the others go to find the Sect Master."

"Yes, Senior Brother!"

...

On the other side, Cheng Yi took Mu Xixi's master and apprentice, as well as Yue Feng, to a cave.

In front of the cave is a small stream, the water is gurgling, the environment is quiet, and the location is also very hidden. It is a very good place for healing.

"You two!"

At this time, Cheng Yi put the unconscious Yue Feng in the cave, and said with a smile: "You must have been very tired from the fierce battle with the Five Poison Sects before. Just rest here now, and I'll go get some water."

The face is polite, but the heart has a bad idea.

Although Mu Xixi was injured, he was an old man after all. It would be inappropriate to do it directly, so he had to think of a foolproof solution.

Um!

Mu Xixi didn't suspect that Cheng Yi had other motives, nodded, and sat cross-legged with Song Qian in the cave, and began to regain his strength.

Cheng Yi stopped talking nonsense and walked out of the cave quickly.

Mad!

When he got to the stream, Cheng Yi didn't lock up and started to get into trouble.

How can Mu Xixi lose their resistance completely?

Got it!

The next second, Cheng Yi's eyes flashed, he thought of something, took out a small black bottle from his body, and saw a few small words 'soft tendons scattered' written on it.

This bottle of Soft Tendon Powder was found by Cheng Yi on Ji Hongshang before, and he put it away without much thought.

Cheng Yi studied medicine with Yang Chenzi for several years, and knew that Ruanjinsan is a unique poison in the world. It is colorless and tasteless. After taking it, it will become weak and weak, and internal strength will also be suppressed.

Chapter 4402

Yes, just use soft tendons to disperse!

Cheng Yi was very excited at this time, and after using the soft tendon powder, he was not afraid that Mu Xixi's master and apprentice would escape from his palm. As for Yue Feng, he was still in a coma at this time, which was nothing to worry about.

Thinking to himself, Cheng Yi wiped off the words on the bottle with all his might, then made a pot of water by the stream and hurried back to the cave.

"Come on!"

When he got to the cave, Cheng Yi put the water in front of Mu Xixi and the two of them, and said hypocritically, "You two are tired too, drink some water. By the way, I have some healing medicines here, you guys should take them first. That's it."

After speaking, Cheng Yi poured out the soft tendons, divided them into two parts, and handed them to Mu Xixi's master and apprentice: "This medicine was prepared by my master Yang Chenzi. You quickly recover your inner strength."

At the end, Cheng Yi's eyes were full of urgency.

Take it quickly, after taking it, you will no longer have the power to resist.

"Thank you!"

Mu Xixi nodded, picked up the water and took a sip, at the same time, muttered in her heart.

This person is so attentive and attentive, it seems that he is really Yue Feng's friend, but the way he looks at people, he always feels that something is wrong...

Muttering in his heart, Mu Xixi picked up the soft tendons.

At the same time, Song Qian also picked up Ruanjinsan and prepared to take it.

“Xiaoqian! Hold on...”

At this critical moment, Mu Xixi noticed something and interrupted Song Qian, her delicate face also became extremely solemn.

No, this is not a healing medicine.

During the six months of her seclusion in Baihua Valley, Mu Xixi was called a goddess doctor by people in the world. She has good medical skills. Just smelled it and found out the clue.

“Master!”

Song Qian was startled, she quickly put down the soft muscles and looked at Mu Xixi puzzled: “What’s wrong?”

At the same time, Cheng Yi was also shocked and looked at Mu Xixi complicatedly.

This piano saint won’t find anything, right?

call!

Mu Xixi took a deep breath and glanced at Cheng Yi coldly: “This is not a healing medicine at all, but the famous ‘soft muscle powder’ in the world. You are not Yue Feng’s friend at all.”

At this time, Mu Xixi I was very angry. The person in front of me was so cunning. He even used the soft tendons to disperse fake healing medicines.

What?

Hearing this, Song Qian’s body trembled, and she hurriedly threw away the soft tendons in her hands. She looked at Cheng Yi in shock and anger: “You...why did you lie to us?”

” Instead, he smiled and nodded his head in approval: “As expected of a world-renowned qin sage, he is indeed amazing, so you can detect it.”

Mu Xixi’s eyebrows were tightly locked, and she silently used her inner strength.

“No matter what your purpose is, if you dare to poison us, you must get rid of you scum today!” The cold words came from Mu Xixi’s mouth, and then, Mu Xixi walked lightly and called Cheng Yi with a palm.

call!

Although Mu Xixi's strength has not fully recovered, the ash content of this palm is fierce, and you can clearly see that wherever the figure passes, the air in the cave is distorted!

At the same time, Song Qian also gave a coquettish shout and called Cheng Yi with a palm!

Watching the master and apprentice attacking at the same time, Cheng Yi smiled slightly, without any intention of dodging.

"Two beauties come together, it's exactly what I want, haha..."

Cheng Yi laughed, his tone was full of frivolity, then his inner strength exploded, his figure sprang out like lightning, raised his hand and slapped Song Qian bump.

At that moment, Song Qian's delicate body trembled, and she was directly shaken back a few steps.

Song Qian's strength is not comparable to Cheng Yi, and because she has not fully recovered, she is naturally not an opponent. With just one move, he was repelled by Cheng Yi.

Papa..

At the same time that Song Qian was repelled, Cheng Yi followed closely, charged her with electricity, and quickly tapped her acupuncture point. In an instant, Song Qian's body was shocked, and she couldn't move!

After controlling Song Qian, Cheng Yi turned around and met Mu Xixi directly, and the two fought fiercely in the cave.

"Bang bang bang!"

I saw the figures of the two of them, constantly shuttled to each other, and the palms collided with each other. Mu Xixi was able to deal with it at first, but after a few rounds, he couldn't hold it anymore.

For a time, Mu Xixi was secretly surprised.

Chapter 4403

This person's strength is too strong.

It's just...how come the exercises he used belong to the Five Poison Sect?

Wasn't his master arrested by the Five Poison Sect? It stands to reason that he should have a hostile relationship with the Five Poison Sect.

"How is Mu Damei? Do you want to continue fighting?"

Just when Mu Xixi was secretly surprised, she saw Cheng Yi let out a wicked smile, and then she raised her hand and slapped it towards Mu Xixi's heart.

This palm was as fast as thunder, and the cave was so small that Mu Xixi couldn't dodge it at all. In desperation, she bit her lip, burst out all her inner strength, and greeted it with a palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Mu Xixi's delicate body stepped back several steps, and her face was instantly ugly!

Speaking of which, Mu Xixi had regained some strength in Fengzhuang before, but at that time the situation was urgent and less than half of her internal strength had recovered. Naturally, she was not Cheng Yi's opponent.

After all, Cheng Yi obtained Ji Hongshang's eighth-level skill. And among these eight layers of skill, it is the power of the ancient poisonous scorpion inner core, and its power is infinite.

"You..."

Mu Xixi stabilized her figure, her face was pale, she only felt a tightness in her chest, she looked at Cheng Yi in shock and anger at the time, and asked in surprise, "How do you know the five poison sect's exercises?"

While inquiring, Mu Xixi was puzzled.

Hahaha...

In the face of the inquiry, Cheng Yi was full of pride, and looked at Mu Xixi with a half-smile: "As of now, I won't lie to you anymore, I am indeed Yang Chenzi's apprentice, and my strength is in all corners of the world. I'm not in the flow at all, but I can't help it, I'm lucky, I got the power of the Five Poison Sect Sect Master half a day ago. And, this power, I have completely integrated."

What?

Hearing this, Mu Xixi was shocked.

This person...this person got Ji Hongshang's practice? How did he do that? You must know that the exercises of the Five Poison Sect are terrifyingly toxic, which is simply beyond the reach of ordinary practitioners. That is to say, this Yang Chenzi has absorbed Ji Hongshang's power and will only end up being poisoned.

But not only was he alive and well, he even successfully merged.

At this time, Mu Xixi still didn't know that Yue Feng had a big reason for Cheng Yi's success in gaining Ji Hongshang's power. He detoxified Cheng Yi at that time, and the effect lasted for twelve hours. In the middle, Cheng Yi belongs to the state of being invincible from all poisons, and it is in this way that he can successfully integrate Ji Hongshang's skills.

Seeing Mu Xixi's surprised expression, Cheng Yi's smile gradually deepened: "Mr. Mu, didn't you expect it?" After the

voice fell, Cheng Yi quickly raised his hand and tapped on Mu Xixi's acupuncture point twice.

In an instant, Mu Xixi's delicate body trembled, and she couldn't move.

"Master..."

Seeing this scene, Song Qian's face changed greatly, she couldn't help exclaiming, and then shouted at Cheng Yi: "You bastard, let us go! We have no grievances with you. Qiu, why do you do this?"

At this time, Song Qian was very angry.

The person in front of him is really despicable and shameless. He pretended to be a friend of his brother-in-law, and then tricked himself and his master here. This kind of person is simply a scum of the rivers and lakes.

At the same time, Mu Xixi also glared at Cheng Yi fiercely.

"No grievances?"

Hearing this, the corner of Cheng Yi's mouth evoked a hint of coldness: "This Yue Feng, relying on his own reputation in the arena, took my junior sister's attention and robbed my woman, he will not be despicable anymore. ?"

With that said, Cheng Yi kicked Yue Feng fiercely and continued: "He can do this, why can't I do it? One of you is his confidante, and the other is his cousin. It is only natural that I will attack you. "

Shut up!"

Song Qian's body trembled, and she was very angry: "You are not allowed to say that to my brother-in-law, he is not that kind of person. How can a villain like you be compared with my brother-in-law? Quickly give us a solution. "

Little man?"

Hearing these two words, Cheng Yi only felt humiliated. At that time, his face was gloomy, his eyes were blood red, and he slapped Song Qian fiercely.

Snapped!

As soon as this slap went down, Song Qian let out a coquettish cry, and a slap print instantly appeared on her delicate and fair face.

Chapter 4404

"Bitch woman!"

At this time, Cheng Yi had lost his mind, like a demon in hell, gnashing his teeth and scolding: "Yue Feng has bad conduct, insulting the title of Hero of Jiuzhou, you even help him scold him Me? What qualifications do you have?"

Slap!

Speaking fiercely, Cheng Yi slapped him again.

The more Cheng Yi talked, the more angry he became, especially when he thought of the situation where his junior sister and Yue Feng had been intimate these days, the anger in his heart could not be controlled.

With this slap, Song Qian's body trembled, she staggered back, and almost fell to the ground.

brute!

Seeing this scene, Mu Xixi's petite body trembled with anger, and her delicate face was covered with frost, and shouted, "Stop, you shameless scum."

In recent years, Mu Xixi and Song Qian have They are inseparable, although they are master and apprentice, but in her heart, she regards Song Qian as her own sister, and Mu Xixi is heartbroken when she sees Cheng Yi beating Song Qian.

He is a dignified musician and famous in Kyushu, but he cannot protect his apprentices.

Simply a great shame.

Swish!

Hearing the angry shout, Cheng Yi stopped, turned around and looked at Mu Xixi with a smile instead of a smile, with a playful expression: "Tsk tsk, it hurts to beat your apprentice? Well, then I won't beat her, let's have fun! When the words

fell, Cheng Yi turned around and walked towards Mu Xixi step by step.

"You..."

Cheng Yi's gaze made Mu Xixi furious and couldn't help shouting: "You dare to touch me, I will teach you to die without a place to be buried."

While shouting, Mu Xixi looked at Song Qian with distress.

Ha ha!

Cheng Yi sneered, looked Mu Xixi up and down, and saw that she was angry, but gave a different kind of sexy.

After appreciating for a few seconds, Cheng Yi said with a smile: "You are the famous qin sage in the world, why would I be willing to hit you? On the contrary, it's too late for me to love you."

With that, Cheng Yi picked up the soft tendons on the ground, He walked to Mu Xixi, opened her lips, and forced her to take it.

Gudong!

At this time, Mu Xixi had no resistance at all, and before she could react, she swallowed the loose tendons.

"You..."

Ji Hongshang looked at Cheng Yi fiercely, panicked and angry.

Cheng Yi clapped his hands with a playful expression on his face: "Don't look at me like that, you are a powerful Qin Sheng, and I did this to be safe."

While talking, Cheng Yi forced Song Qian to take Soft Tendon Powder . .

Done!

At this moment, Mu Xixi and Song Qian looked at each other, and they were extremely desperate for each other.

After taking Ruanjinsan, the internal force will be suppressed, and it is no longer possible to open the acupoints. This time, it is completely in the hands of this bastard.

At the same time of despair, Mu Xixi and Song Qian looked at the unconscious Yue Feng at the same time.

Yue Feng....

you wake up soon.

.....

On the other side, in the underground cave.

call!

Ji Hongshang woke up faintly in the darkness, let out a sigh of relief, and began to look around.

What the hell is this place?

The surrounding light is dim, but Ji Hongshang can vaguely see that this is an underground cave, this cave is full of disgusting mucus, and the smell is suffocating.

Not only that, but there are several bones not far away. Obviously, someone has fallen and failed to get out alive in the end.

Seeing this kind of environment, Ji Hongshang's delicate body trembled and she felt inexplicably flustered.

The next second, Ji Hongshang struggled to stand up and looked around.

rustling ...

However, at this moment, I heard a rustling sound, which was the sound of countless legs rubbing against the stone, which made people feel nervous.

As the sect master of the Five Poison Sect, Ji Hongshang has been dealing with poisonous insects all the year round. As soon as she heard this voice, she knew that there were poisonous insects and their size was not small.

At this moment, Ji Hongshang was very vigilant and looked in the direction from which the voice came.

hiss!

Seeing this, Ji Hongshang's delicate body trembled, and she couldn't help but gasp.

I saw hundreds of gigantic poisonous scorpions crawling over quickly. Each of these poisonous scorpions was half a meter long, with a faint blue body, obviously extremely poisonous.

Under this huge cave, there are so many poisonous scorpions naturally cultivated?

In the past, Ji Hongshang was not afraid of seeing so many poisonous scorpions, but now it is different. She has been taken away by Cheng Yi, and she has no way to control these poisonous insects through the secret techniques of the Five Poison Sect.

Chapter 4405 In the

blink of an eye, hundreds of poisonous scorpions rushed to the front.

“Go away!”

Ji Hongshang forced herself to calm down, raised her hand and slapped it out, directly smashing the poisonous scorpion that had rushed to the front, smashing it, and the poisonous juice splashed on the ground.

Although Ji Hongshang was very weak at this time, it was not a problem to deal with these poisonous scorpions.

Hissing...

The companion was killed, instead of scaring the remaining scorpions, it inspired their ferocity. All of a sudden, they screamed and rushed up.

All things have spirits, and these poisonous scorpions also have their own spiritual wisdom. They can sense that the woman in front of them contains a strong poisonous power. As long as they devour this power, they can become stronger.

Driven by the concept of 'the strong eat the weak', these poisonous scorpions are desperate one by one.

“Looking for death!”

Ji Hongshang was shocked and angry when she saw the poisonous scorpion rushing towards her, urging her internal strength to burst out again and again.

Bang Bang Bang...

With the wave of the palm, the poisonous scorpions were continuously killed, and the sprayed poisonous scorpions also splashed on Ji Hongshang's body, but Ji Hongshang did not panic at all.

Speaking of which, if other cultivators were sprayed with these venoms, they would have been poisoned to death, but Ji Hongshang was different. As the sect master of the Five Poison Sect, she had a special physique and was not afraid of these poisons at all.

In the blink of an eye, a few minutes passed, and hundreds of poisonous scorpions were killed by Ji Hongshang, and the corpses were all over the place.

Ji Hongshang was already weak. Killing so many poisonous scorpions in a row made her even more exhausted, but she was gratified that among the hundreds of poisonous scorpions, more than a dozen actually possessed inner elixir within their bodies.

Ji Hongshang once read an ancient book, which said that some insects and beasts have lived for a long time and absorb the spiritual energy of heaven and earth, and will form an inner elixir in their bodies.

Seems to have good luck.

For a while, Ji Hongshang took the inner pill without hesitation, but felt that her internal strength had improved a little, and her weakness suddenly disappeared a lot.

After taking the inner elixir, Ji Hongshang regained his strength and walked forward slowly.

This place is so big.

After walking for half an hour, Ji Hongshang only felt that her head was getting bigger. This underground cave was like a huge labyrinth.

Hissing...

At a fork in the road, Ji Hongshang suddenly stood on the footcloth, and heard the screams of poisonous insects not far away, the screams were intense, it seemed that two waves of poisonous insects were biting each other.

And poisonous insects?

Hearing the biting sound, Ji Hongshang frowned, and then she couldn't help but slowly walked over to check.

This...

When she got to the front, Ji Hongshang was stunned when she saw the scene in front of her.

I saw thousands of poisonous scorpions besieging a giant python. The giant python was covered with golden scales, and the bowl was as thick as a dozen meters long.

Obviously, this giant python is not yet an adult, otherwise it will be more than this big.

At this moment, Ji Hongshang stared at the golden giant python with incomparable surprise.

This... This seems to be the 'Holy Scale Golden Python'.

The holy scale golden python is the most powerful one among the giant snakes in Kyushu. It is said that the adult holy scale golden python is second only to the dragon in strength, even if it is the beast unicorn, Qiongqi and the like, seeing the holy scale The golden python is also afraid of three points, but for thousands of years, under the scrutiny of the practitioners in the rivers and lakes, the holy scale golden python has disappeared.

As the sect master of the Five Poisons Sect, Ji Hongshang had seen the picture of the holy scale golden python in ancient books, but had never seen the real one, but unexpectedly, in this unknown underground cave, she saw a living one.

Hissing...

Just when Ji Hongshang was secretly shocked, he saw the holy scale golden python, under the siege of thousands of poisonous scorpions, opened its bloody mouth, twisted its huge body to fight back, and every bite went down. , there must have been a dozen scorpions killed.

But despite this, there are still dangers. Those poisonous scorpions kept biting on it, and soon, the huge body became slow under the paralysis of the poison.

Like the previous attack on Ji Hongshang, these poisonous scorpions wanted to devour the power of the holy scale golden python to strengthen themselves.

call!

Seeing this, Ji Hongshang's eyes were complicated, and she had a feeling of being connected to this holy scale golden python in her heart.

The ultimate husband in Chinese chapter 4406-4410

“Hey, you and I are both being bullied by dogs.” Ji Hongshang’s red lips lightly opened, looking at the holy scale golden python, she said to herself: “If you meet me, we count as us. If you have a predestined relationship, I’ll help you.” The

voice fell, Ji Hongshang’s inner strength urged, she rose up, and rushed directly into the scorpion group.

Bang Bang Bang...

After more than an hour of fierce battle, thousands of poisonous scorpions, after seeing Ji Hongshang’s poisonous skills, finally slowly retreated, leaving behind a wreckage.

Huh ..

Ji Hongshang picked up the inner pills left on the ground and took them one by one, only to feel refreshed.

Afterwards, Ji Hongshang turned her head to look, and saw that the body of the holy scale golden python was dozens of meters long, covered with bite marks, which looked shocking, but the holy scale golden python had strong defense, tough scales, and countless bite marks. Among them, it is basically skin trauma.

However, under the paralysis of the poison, the holy scale golden python was already frozen, and it was difficult to move.

If it is not treated in time, it will not last long.

Hissing...

At this moment, Ji Hongshang looked at the holy scale golden python, and the holy scale golden python also stared at her, and kept spitting out snake letters, with vigilance in his spiritual eyes.

The holy scale golden python has a very high spiritual wisdom. Although the human woman in front of him helped it, it still did not let its guard down, because it knew that sometimes people are more terrifying than poisonous insects.

“Don’t panic!”

Aware of the vigilance in the eyes of the holy scale golden python, Ji Hongshang breathed a sigh of relief, and said slowly, “I was just passing by and saw you being besieged by poisonous scorpions, I will help you, I will not hurt you. of.”

After saying that, Ji Hongshang looked at its state and continued: “You are very poisoned, if you don’t expel the poison in time, it will be very dangerous. I am the sect

master of the Five Poison Sect, and I am the best at this. If you believe me, just do it. Nod, I'll help you detoxify, how?"

This chapter is provided by . Visit for daily update.

When she said this, Ji Hongshang's charming face was full of sincerity.

This holy scale golden python, even though it is still a minor, is already spiritual, and can fully understand human speech. At this time, seeing Ji Hongshang say this, he pondered.

A few seconds later, the holy scale golden python nodded at Ji Hongshang.

call!

Seeing that it agreed, Ji Hongshang breathed a sigh of relief, then walked over slowly, and began to help the holy scale golden python to expel the poison from the body.

A few minutes later, the detoxification was completed. Ji Hongshang clapped her hands and stood up with a smile on her face: "Okay! You should be all right now, and I should go too." She

quickly found a way to get out of here.

After speaking, Ji Hongshang turned around and wanted to leave.

Hiss...

But at this moment, the holy scale golden python suddenly let out a hiss, and then it opened its mouth and bit the corner of Ji Hongshang's skirt.

Ji Hongshang stopped in her footsteps with a surprised look on her face: "Do you have anything else to do?"

Saint Scale Jin Pythonsong opened his mouth, nodded, and then walked quickly into a dark hole behind him, while turning his head to signal Ji Hongshang to follow. .

What is it going to do?

Seeing this scene, Ji Hongshang was secretly surprised, but she still followed.

A few minutes later, the holy scale golden python took Ji Hongshang to a unique cave, and saw this cave, which was a little different from other places in the cave. It was very dry here, not as humid and uncomfortable as other places.

And in the deepest part of the cave, sat a mummified corpse.

Ji Hongshang saw that the clothes on the mummified corpse showed no signs of weathering. It was obvious that the person had died a few years ago, and looking at the clothes, he was also a person from the rivers and lakes.

Hissing..

At this moment, the holy scale golden python swam to the side of the mummy, and kept screaming at Ji Hongshang, which meant something.

Ji Hongshang is a smart woman, she immediately understood that she walked over quickly, checked the mummified body, and soon found a secret book.

Nether Dafa?

At this moment, Ji Hongshang's tender body trembled when she saw the four words on the secret book, she was surprised and delighted.

As the suzerain of the Five Poison Sect, Ji Hongshang naturally knew about the Great Law of the Netherworld. According to legend, this is a kind of evil practice that is forbidden to practice in the arena. If you want to practice this practice, you need to absorb the essence of a woman every day, and a woman who is absorbed by the essence will not survive a day and a night.

When Ji Hongshang first investigated Yue Feng, she learned that one of Yue Feng's confidantes was named Xiao Yuruo, who was almost killed by Hu Sanyang, the head of Kunlun. Later, Yue Feng found the phoenix gall and rescued Xiao Yuruo.

Chapter 4407

This person...

Under the shock, Ji Hongshang stared at the mummified corpse in front of her, very puzzled.

In the past 100 years, there has been only one person in the Kyushu mainland who has successfully practiced this exercise, that is, Hu Sanyang, the head of Kunlun, and it happened that Hu Sanyang disappeared in Jianghu five years ago.

The mummified corpse in front of him had been dead for several years depending on the situation.

Could it be... this mummy is Hu Sanyang?

Ji Hongshang guessed right. The mummified corpse in front of her was Hu Sanyang. Hu Sanyang did a lot of evil and completely angered Yue Feng. Under the suppression and

pursuit of Yue Feng and the Ouyang family, he was forced to hide everywhere. Finally, he passed through this place and accidentally fell to the ground.

At that time, Hu Sanyang himself was injured, fell into the burrow and broke his leg. He was alone, calling Tian Tian not working, and calling the ground not working. Finally, he was attacked by poisonous insects and died here. A few years later, the body was already weathering.

Phew...

At this moment, Ji Hongshang stopped thinking about it, couldn't wait to open the "Netherworld Dafa", and began to study it carefully.

Half an hour later, Ji Hongshang read the secret book roughly, and she couldn't hide her excitement and excitement. Her charming face was also full of smiles.

Great.

I didn't expect that I would survive the hardship, and I even picked up a baby.

Because she had heard rumors about the "Netherworld Dafa" on the rivers and lakes, Ji Hongshang always believed that only men could practice this secret book, but just after reading the secret book, she realized that this secret book can be practiced by both men and women.

It is rare to cultivate to absorb the essence of a woman to improve her strength. Similarly, after a woman cultivates, she also needs to absorb the essence of a man to make herself stronger.

As long as you absorb the essence of a man, you can improve your strength, how can Ji Hongshang not get excited? After all, she was deprived of eight layers of skill by Cheng Yi. She was very weak, and she was thinking about how to recover quickly. At this time, she suddenly got the secret book of "Netherworld Dafa", which was like a help in the snow.

With this secret book, as long as you absorb enough man's essence, you can return to the peak state.

God is so kind to me.

Thinking of this, Ji Hongshang felt very comfortable. With the "Netherworld Dafa", she could quickly improve her strength and seek revenge on Chengyi. Can you be unhappy?

Thinking to herself, Ji Hongshang quickly put away the secret book, and then said to Saint Scale Jin Mang: "Thank you for bringing me here, I saved you just now, you brought me to find the secret book, we don't owe each other."

"We have a chance to see you again, good luck!"

Ji Hongshang strode into the distance downstairs at the last floor.

Hissing...

But just after walking a few steps, he heard the scream of the holy scale golden python behind him. Ji Hongshang looked back subconsciously and was stunned.

I saw that Saint Scale Jinmang followed unhurriedly, and kept screaming at the same time, as if he had something to say to Ji Hongshang.

"You..."

Ji Hongshang was witty, although she didn't understand what Saint Scale Jinmang wanted to express, but she also guessed something, and said complicatedly at that time: "You want to come with me?"

Hu...

voice Falling down, Saint Scale Jinmang nodded quickly, and in the scary blood-colored eyes, there was also a bit of urgency and expectation.

Although this holy scale golden python is not yet an adult, it has a certain IQ. It knows that the woman in front of it is not simple, and it has been trapped here for a long time. Instead of fighting with the poisonous insects in the cave every day, it is better to do it. Her spirit beast, at that time, the sky is high and the sea is wide, and it can be freely vertical and horizontal.

Did you guess right?

Seeing the holy scale golden python nodding, Ji Hongshang was stunned for a moment, then showed a charming smile, nodded and said: "Well, we can meet in such a place, it is also fate, you can follow me in the future, I am Your master." After speaking, Ji Hongshang looked at the holy scale golden python and continued: "Look at your golden body, from now on, I will call you Xiaojin

. How is it?" Seeing

that

Ji Hongshang promised to take him, Xiao Jin was very excited, nodded again and again, and then came over and rubbed his head against Ji Hongshang's leg, very intimate.

"Good!"

Ji Hongshang was also in a good mood after receiving a holy scale golden python spirit beast. She patted Xiaojin's head and turned to leave.

Chapter 4408

Xiaojin has lived here for many years, and he knows the environment of the entire underground cave very well. After a while, under its guidance, Ji Hongshang successfully left the cave and returned to the ground.

Phew...

At this moment, breathing the fresh air outside, Ji Hongshang was filled with emotion.

Finally came out, thought he was going to be trapped inside.

With emotion, Ji Hongshang's charming face was instantly cold and cold, and she swore in her heart.

Yue Feng, and the one named Cheng Yi, you all wait for me. When I regain my strength, I will definitely smash your corpses into ten thousand pieces.

.....

On the other side, in the cave.

Mu Xixi and Song Qian sat there back to back, both the master and the apprentice were weak, and their brows were full of despair.

After being forced to take Ruanjinsan, they were all sore and weak, unable to exert any strength.

On the ground not far from them, Yue Feng was lying there with his eyes closed, and there was still no sign of waking up.

call!

At this time, it was getting dark, and Mu Xixi and Song Qian looked at each other, both anxious.

Half an hour ago, Cheng Yi left the cave and didn't know what to do. It was a good opportunity to escape, but both of them were so weak that they didn't have the strength to escape.

More importantly, don't leave Yue Feng alone.

call!

At this moment, a fire lit up outside the cave, and he saw Cheng Yi lit a bonfire, then skinned two hares, and then skewered them on the branches to start the barbecue.

Obviously, Cheng Yi just went hunting.

After a while, the smell of meat spread to the cave. Mu Xixi and Song Qian both bit their lips subconsciously. They were locked in Fengzhuang for several days, and they were weak, hungry and sleepy.

Speaking of which, Cheng Yi's roast was not very good, but Mu Xixi couldn't help but smell the meat.

"Hey!"

At this time, Cheng Yi walked into the cave with two skewers of roasted rabbit meat, and said to Mu Xixi with a smile: "You two beauties, you must be hungry, come, this is what I specially gave to you. Baked."

Saying that, Cheng Yi looked at the figure of the master and apprentice unscrupulously, and smiled evilly: "You can do other things with me when you are full, hehe."

At this time, Cheng Yi's face was wretched and even more serious, furious.

In his heart, the two Mu Xixis in front of him were boiled ducks, and it was impossible for them to fly out of his palm. In this case, how can nature be happy.

Swish!

Feeling Cheng Yi's arrogant gaze, Mu Xixi's face was frosty, and she ignored her and turned her face aside.

Mu Xixi seems to be delicate, but her mind is very strong. She is really hungry at the moment, but even if she starves to death, she will not eat what this bastard made.

Song Qian was the same, she didn't see it as the meat skewers in Yi's hands, she shouted coldly: "You shameless person, don't come to disgust us, I warn you, let us go quickly, otherwise my brother-in-law will wake up. , you look good."

When she said this, Song Qian's delicate face was full of contempt and anger.

Hehe...

Cheng Yi laughed, glanced at Yue Feng lightly, and said disdainfully, "Just him? It's not as good as a dead dog at this time. With his current state, even if he wakes up, he's a waste."

Saying that, Cheng Yi threw the meat skewers in front of the two of them: "I put the stuff here, I advise you to eat it. It's a long night, let's have fun, haha..." The

last word fell. , Cheng Yi laughed and walked out, sitting by the bonfire, eating rabbit meat, while observing the master and apprentice.

However, Mu Xixi did not pick up the meat skewers on the ground at all.

Quite character.

Seeing this scene, the corner of Cheng Yi's mouth evoked a sinister smile.

The next second, Cheng Yi took out a bottle of wine from his body and drank while eating meat.

I don't know how much I drank, but Cheng Yi got a little drunk and entered the cave again, pointed at Mu Xixi and said arrogantly: "Mr. Mu, don't pretend to be arrogant in front of me, come, have a drink with Lao Tzu, maybe Lao Tzu If you're happy, I'll kill you."

At this time, Cheng Yi looked at Mu Xixi closely with the strength of the wine, and the whole person was fascinated.

Chapter 4409

Let the world-famous Qin Sheng accompany you to drink, the taste must be wonderful.

Shameless!

Hearing this, Mu Xixi was so angry that she shouted coldly: "You are not as good as pigs and dogs, you are also qualified to let me drink with you? Stop daydreaming."

At this time, Mu Xixi, again Angry and a little nervous at the same time.

This shameless villain, if he really wants to do something wrong with his own plans, what should he do?

Song Qian next to her was also trembling with anger, she couldn't help cursing, "You are a villain, you are not worthy to carry shoes for my master, and you want to drink with you, I see you drinking. The swill is more or less the same."

Swish!

Hearing the insults from the master and the apprentice, Cheng Yi's face was instantly ugly, and his eyes were extremely cold: "Ma De, shame on your face."

After saying that, Cheng Yi picked up the jug and handed it directly to Mu Xixi's mouth: "For Lao Tzu Drink!"

What piano saint? It's just my daughter who was toyed with and applauded by me. At this time, she dared to slap her face, it was really courting death.

Cheng Yi thought about it, and today Mu Xixi will accompany him to drink no matter what.

Pooh!

Seeing that Cheng Yi was going to forcibly drink alcohol, Mu Xixi was anxious and angry, and then spit at Cheng Yi and scolded: "Shameless villain, go away! Don't use this method to humiliate me, if you have the ability, you can One sword killed me."

When she said this, Mu Xixi's delicate face was full of fearlessness.

Rather than being humiliated like this, it would be better to just die.

Song Qian also stared at Cheng Yi fiercely, full of hatred.

"good very good."

Seeing that Mu Xixi's face was not afraid of death, Cheng Yi was also completely angry, and his face was grim: "You want to die? I won't let you die." When the words

fell, Cheng Yi dropped the jug and grabbed Song Qian's wrist.

Song Qian was so weak that she couldn't dodge at all. She let out a coquettish cry and slammed into his arms.

call!

At this moment, Cheng Yi had a wicked smile on his face, sniffed gently in front of her, his face full of intoxication: "Beauty's body is so fragrant. In this comparison, the wine I just drank has no taste at all, haha. .."

While speaking, Cheng Yi looked at Mu Xixi proudly.

Aren't you strong-willed? I'll take your apprentice first.

"You despicable and shameless bastard, let me go." Song Qian was anxious and angry, cursing and struggling, but she was tightly grasped by Cheng Yi's wrist, how could she break free?

"You..."

Seeing this scene, Mu Xixi was also very angry, and scolded coldly: "You quickly let her go?"

Hehe...

Cheng Yi smiled evilly, looking at Mu Xixi's leisurely expression. He said, "Do you think your words are a threat to me now?" As he spoke, he began to slap Song Qian again.

Song Qian couldn't break free, she was about to cry in a hurry, and kept scolding: "Bastard, let me go, let me go..."

At this moment, Mu Xixi was also very anxious, so she had to compromise: "Okay. , Aren't you going to drink? I'll accompany you to drink, but you let my apprentice go." To

be honest, Mu Xixi was reluctant to agree to accompany Cheng Yi to drink.

But there is no way. Compared with his own dignity, the innocence of the apprentice is more important. After all, innocence is more precious to a woman than life.

"Tsk tsk..."

Seeing that Mu Xixi finally agreed, Cheng Yi couldn't help laughing, his face full of teasing: "Beauty Mu? Now you know how to be soft? Haha, but it's too late. I don't want to drink now. That's it."

After speaking, Cheng Yi couldn't help but hooked Song Qian's chin with his hand: "I want to play something else now, you apprentice, you are so beautiful, like a flower that has just bloomed, it tickles your heart. , I'll make her an appetizer first, and after I taste it, let's have fun." The

last word fell, Cheng Yi smiled, and slowly moved his mouth towards Song Qian.

"Shameless, beasts are not as good as..."

At this moment, Mu Xixi's eyes almost burst into flames, and she kept cursing.

At the same time, I felt extremely guilty towards Song Qian.

Xiaoqian, my good apprentice, Master is sorry for you, for not protecting you...

Under the anger, Mu Xixi almost fainted, and the tears could not stop flowing.

I really suffer.

At this moment, Song Qian knew she couldn't escape, so she closed her eyes with despair on her face.

Chapter 4410

At this time, Song Qian was desperate and miserable.

Over the years, I have been walking the rivers and lakes with my master, and I have learned a lot, but in the end, I have to be defiled by such a shameless person.

It's really eyeless.

Thinking to herself, Song Qian's tears couldn't stop falling. She could clearly feel that Cheng Yi's lips were about to touch her, and her heart was ashes at that time.

"Stop!"

At this critical moment, a hoarse voice came from behind.

Hearing this voice, both Cheng Yi and Mu Xixi's master and apprentice were shocked.

The next second, the three of them turned their heads to look at the same time, and saw that Yue Feng had woken up at an unknown time. At this moment, he was standing there quietly. Although his face was pale and very weak, his eyes were blood red and his aura was amazing.

"Brother-in-law!"

"Yue Feng, you're awake."

After being stunned for two seconds, Mu Xixi and Song Qian reacted almost at the same time, and spoke in surprise.

Especially Song Qian, she was even more excited to shed tears.

My brother-in-law woke up, and he would not be bullied again.

In Song Qian's heart, Yue Feng is omnipotent. Even if he is very weak at this time, there must be a way to help himself and his master out of trouble.

Feeling Song Qian's excitement, Yue Feng comforted her softly: "Don't be afraid, my brother-in-law is here." After

speaking, Yue Feng looked at Cheng Yi coldly, with an unquestionable tone: "Let her go."

"Yo?"

Cheng Yi squinted and looked at Yue Feng with disdain: "Awake? As expected of a hero in Kyushu, the momentum of his speech is different, but, as you are now, if I don't let her go, you can What do you do to me?" As he

spoke, Cheng Yi held onto Song Qian tightly, without any intention of letting go, and his eyes were full of provocation.

Speaking of which, if he had learned a day ago that the person in front of him was the famous Yue Feng, Cheng Yi would never have dared to be so arrogant, but now it is different. And Yue Feng was extremely weak, so naturally he didn't take it seriously.

Huh...

Seeing this scene, the anger in Yue Feng's heart rose, and he shouted angrily: "Cheng Yi, your master Yang Chenzi is a bit famous in the rivers and lakes of Dongao Continent, as his disciple. , you actually did such a despicable thing, bullying weak women, and you are not afraid to spread it out, ruin your master's reputation, and be ridiculed by the whole world?"

When he said this, Yue Feng's eyes were full of killing intent.

At the same time, I was a little surprised.

Strange, how did this kid Cheng Yi suddenly become so strong? A day ago, it was just Martial Emperor, and in the blink of an eye, he broke through the late Daodu Tribulation Realm?

How did he do it?

At this time, Yue Feng didn't know yet, and the cause took advantage of Ji Hongshang's weakness and took away her eighth-level skill.

"Fuck you."

Hearing the scolding, Cheng Yi's face changed, and he retorted coldly: "Yue Feng, don't pretend to be a righteous gentleman in front of me, if you want to be shameless, the most shameless is you, you are not deliberately hiding it yourself. Identity, to approach my little junior sister?"

"You can hit my junior sister's attention, so I can't start with the woman next to you?"
The

last sentence, Cheng Yi almost howled.

This man is sick.

Yue Feng frowned secretly, and responded coldly: "I tell you, I never thought of getting close to your junior sister, and I have no other thoughts about her. I just help her as a friend."

"You said I hit your junior sister. Attention, it's just imaginary, is there any evidence?"
The

words were so powerful that they couldn't be refuted.

This...

For a time, Cheng Yi was stunned, not knowing how to respond, because what Yue Feng said was the truth.

But at this time Cheng Yi was already crazy. At that time, his eyes flashed, and he shouted: "I don't care so much, anyway, when I see you and my junior sister together, I am not happy, and I just want to go against you.

" Yi looked at Mu Xixi and Song Qian, and continued to shout: "Yue Feng, you just woke up, I want to play with the women around you in front of your face, so that you can also understand the offense. Taste."

Nima!

Hearing this, Yue Feng trembled all over, burning with anger: "You dare."

The ultimate husband in Chinese chapter 4411-4415

Chapter 4411

These two words, Yue Feng said through gritted teeth, the look in his eyes made people tremble.

Phew..

Cheng Yi exhaled and muttered secretly.

Mad, this Yue Feng is obviously very weak, but his aura.... is still so strong.

“I don’t dare?” In the

next second, Cheng Yi showed a sinister smile, and his face was full of revenge: “Do you dare to see me?” As he spoke, he was about to tear Song Qian’s clothes.

Damn Nima.

At this moment, Yue Feng couldn’t take it anymore, roared, and quickly rushed over and punched Cheng Yi’s back.

However, he had just woken up, and there was no strength in his body at all. This punch was soft and did not pose any threat at all.

“Go away, trash.”

Cheng Yi sneered when he noticed that Yue Feng was coming from behind. He avoided the punch, and then struck Yue Feng with lightning speed.

boom!

This palm of Yue Feng was unavoidable, and with a groaning sound, his body was directly shaken and flew out, flying more than ten meters before he fell heavily at the entrance of the cave.

Yue Feng struggled to stand up, looking at Cheng Yi with blood-red eyes, only to feel the qi and blood in his body surging, his five internal organs were displaced, and a mouthful of blood spurted out.

Done!

This chapter is provided by . Visit [for daily update.](#)

Seeing this scene, Mu Xixi sighed secretly, Yue Feng's strength was exhausted, and even if he woke up, it would not change the situation.

"Brother-in-law, hurry up." Song Qian was even more anxious and couldn't help crying.

He was about to be defiled, and he couldn't avoid it. The most important thing now is that his brother-in-law quickly escaped.

As long as the brother-in-law leaves safely and regains his strength, he will definitely avenge himself.

However, Yue Feng didn't mean to leave at all, and stood up slowly, as steady as a rock.

"Yue Feng!"

At this moment, Cheng Yi, with a smug expression on his face, said with a playful smile: "How many slaps do you think you can take?"

Yue Feng clenched his fist tightly and said word by word, "Cheng Yi, dare you not? Dare to make a bet with me?"

Bet?

Cheng Yi was stunned for a moment, and then he looked disdainful: "There are two great beauties waiting for me, why should I bet with you?"

Hu...

Yue Feng took a deep breath, revealing a trace of vagueness "What? Are you afraid? I don't have any inner strength now, and you don't have the courage to make a bet with me?"

"Before, because of me, you were embarrassed in front of your junior sister over and over again, and you didn't want to be there. Do I get my face back?"

When he said this, Yue Feng held back the anger in his heart and was very calm.

Yue Feng knew in his heart that confronting Cheng Yi head-on was completely courting death. In the current situation, it is best to outsmart him.

mad.

Cheng Yi didn't talk nonsense with Yue Feng, but when he heard these words, his face turned gloomy, and he said coldly, "Okay, how do you want to bet?"

He had been embarrassed in front of his junior sister for the past two days. In other words, it is an indelible shame. At this time, seeing Yue Feng betting on this, he naturally agreed without hesitation.

At this time, Cheng Yi didn't know that he had already fallen into Yue Feng's trap.

Seeing his promise, Yue Feng chuckled and pointed to a mountain standing in the distance: "It's very simple, from here to that mountain, we don't have to compete with our internal strength. Whoever comes back first will win."

Yue Feng glanced at Mu Xixi and the two: "If I win, you let them go and I will stay. If you win, the three of us will be at your disposal.

"

Hearing this, Cheng Yi was stunned for a moment, and then laughed disdainfully: "I thought you were a hero of Kyushu and could come up with interesting rules of the game, so that's what it is, I'm in a good mood today, I'll compare with you. "

Speaking, Cheng Yi sneered again and again, his eyes twinkling.

Cheng Yi knew that Yue Feng was resourceful and proposed such a simple game rule, there must be some tricks behind it, but he didn't panic at all, because Yue Feng had no inner strength at all, even if he played tricks in secret, Cheng Yi was not afraid.

This....

Seeing this scene, Mu Xixi and Song Qian looked at each other, both puzzled.

What is Yue Feng going to do, isn't this a game that is lost? He is so weak now that even if he doesn't need internal strength, he can't run into Cheng Yi.

Confused, Song Qian was about to speak, but was interrupted by Mu Xixi's eyes.

"Don't panic, we'll just watch." Mu Xixi said softly, her delicate face was very calm, she didn't know what Yue Feng planned, but she knew that Yue Feng must have his own way of doing this. reason.

Chapter 4412

Seeing Master say this, Song Qian stopped talking.

At this time, Cheng Yi swaggered out of the cave and said contemptuously at Yue Feng, "Heroes of Kyushu, let's start?"

Hmm!

Yue Feng looked indifferent, nodded, and then picked up a wooden board next to the bonfire. The wooden board was picked up by Cheng Yi to burn the fire.

Seeing this, Cheng Yi couldn't help laughing, and said super tricked: "What? If you know you can't run fast, you can find a wooden stick as a crutch? Haha..."

Hearing the ridicule, Yue Feng's face did not fluctuate at all. Indifferently said: "Stop talking nonsense, let's start."

Cheng Yi sneered, without hesitation at the time, he rushed towards the distant mountain.

wow.

At this moment, Yue Feng calmly walked to the stream, threw the wooden board in his hand on the water, then jumped on it, adjusted his balance, used the wooden board as a skateboard, and rode forward quickly with the current.

"Brother-in-law is too smart."

Seeing this scene, Song Qian finally recovered and couldn't help clapping her hands.

I was still worried that my brother-in-law was so weak, how could he outrun Cheng Yi, but he didn't expect him to have a whimsical idea and take a board to slide on the water. You know, sliding on the water is much faster than running.

This bet was won by my brother-in-law.

At the same time, Mu Xixi next to him also showed a smile, looking at Yue Feng, nodding in approval.

Just know that Yue Feng will not disappoint.

It's a neat trick to glide across the water with a plank.

Um?

However, at this time, Cheng Yi, who was running in front, turned back to see this scene, and his face suddenly became gloomy: Mad, is this Yue Feng playing yin for me?

Thinking to himself, Cheng Yi turned back, jumped directly into the stream, and stopped Yue Feng, who was about to surpass the past.

"Yue Feng."

At this moment, Cheng Yi's face was extremely gloomy, and he said with a grim smile at Yue Feng: "Give me this hand, right? You actually slipped over the water compared to the strength of your feet?"

Feeling Cheng Yi's anger, Yue Feng calmly said: "I only said that there is no need for internal strength, I didn't say that there is no other way, if you have other better ways, I will not stop you."

"You.... Hearing this ,

Cheng Yi was furious, but he had nothing to refute.

Because Yue Feng was right, when he said the rules of the game just now, he only said that no internal force was needed, but he did not say that other methods could not be used.

Depressed in his heart, Cheng Yi suddenly thought of something, and a wicked smile appeared on his face: "Okay, very good, you said that, but it gave me a little reminder."

Whoosh!

When the words fell, Cheng Yi suddenly rushed over, pushed Yue Feng down, grabbed the plank, jumped up by himself, and went down the river.

Wow..

Yue Feng fell into the stream, soaking wet, very embarrassed.

"Yue Feng..."

"Brother-in-law!"

Seeing this scene, Mu Xixi and Song Qian were both angry, exclaimed at the same time, and ran over to help Yue Feng up.

Afterwards, Song Qian cursed at Cheng Yi, who was far away: "You are so shameless. My brother-in-law thought of this method. Why do you rob him?"

When she said this, Song Qian was very angry.

This man is so shameless.

Haha....

Cheng Yi was not angry at all when he heard the scolding, but turned his head and laughed loudly: "The rules are set by him. He only said that internal force is not allowed to be used, but he didn't say that you can't rob." After speaking

, Cheng Yi glanced at it. Yue Feng continued to mock: "Come on, catch up, or you will lose, haha..." The

last sentence fell, Cheng Yi rode the board, getting further and further away, gradually losing sight of him.

"Shameless villain." Song Qian was anxious and angry, and couldn't help scolding.

At this time, Mu Xixi also frowned, looking at Yue Feng and said, "What do you do now? Do you have a way to win?"

Huh.

Yue Feng sighed lightly, looked at Cheng Yi's figure in the distance, and smiled slightly: "It doesn't matter whether you win or not, you guys are waiting for me here." The

voice fell, and Yue Feng walked out of the stream and ran along the mountain road to the distance.

Seeing this situation, Mu Xixi and Song Qian looked at each other, each a little anxious.

Can Yue Feng win like this?

Just now, while Cheng Yi was walking far away, he might as well just run.

Just when the master and the apprentice were secretly anxious, they saw Yue Feng coming back with a few herbs in his hands.

Chapter 4413

"Quick!"

When he got to the front, Yue Feng handed the herbal medicine to the master and apprentice, with a very serious and dignified expression: "It's too late to make alchemy now, you will eat the herbal medicine, so that the softness can be relieved. The effect of tendon dispersal."

Hearing this, Mu Xixi and Song Qian hurriedly ate the herbs.

After eating the herbs, Song Qian couldn't help but asked Yue Feng, "Brother-in-law, I thought you were going to race against that villain."

Haha...

Yue Feng smiled slightly and couldn't help but touched Song Qian's body. Head: "Brother-in-law is that stupid? Everything I did just now was to divert Cheng Yi's attention. I didn't plan to play against him at all."

Yes, the game Yue Feng just said was just a stopgap measure.

However, Cheng Yi was narrow-minded. In order to avoid his suspicion, Yue Feng deliberately used a plank to slide on the water, creating the illusion that he really wanted to win, to confuse Cheng Yi's judgment.

In fact, Yue Feng's ultimate goal is to save Mu Xixi and Song Qian.

Mu Xixi's ice and snow is smart, and she immediately understood Yue Feng's intention at this time. She smiled lightly and nodded, "You still have a lot of crazy ideas." When the words

fell, Song Qian quickly said, "While that villain is still alive," she said. If you don't come back, let's go quickly."

As she spoke, Song Qian held Mu Xixi in one hand and Yue Feng in the other, and was about to leave.

However, Yue Feng shook his head: "I can't go."

"Why?"

Song Qian froze there, her delicate face full of doubts: "Why don't you go? What a great opportunity now." Huh

...

Yue Feng took a deep breath, looked at the surrounding environment, and said slowly: "The three of us, one is weaker than the other, and we can't run very far with all our strength, it is easy to be caught up by him, and running away now is not the best policy.

Mu Xixi pondered for a while, nodded and said in agreement: "Yes, let's run away first, and we will be caught by him." Hearing

this, Song Qian was very anxious and almost cried: "Then what should I do? ?"

When she thought of Cheng Yi's wretched appearance, Song Qian felt disgusted from the bottom of her heart, and fell into his hands, her innocence was gone, and she might as well die.

Mu Xixi did not respond, but looked at Yue Feng.

She knew that Yue Feng must have thought of a foolproof strategy, otherwise, he would not have made an effort to agree a match with Cheng Yi before.

Feeling Song Qian's nervousness, Yue Feng smiled and comforted: "Don't panic."

After saying that, Yue Feng returned to the entrance of the cave, put out the bonfire, and started to move stones inside. Before, a small five-element ecstasy array was deployed in the cave, and then he and Mu Xixi were hidden inside.

The Five Elements Fascinating Soul Array is extremely mysterious, and Cheng Yi can't crack it, and standing outside, he can't see the scene inside.

Speaking of which, Yue Feng has gambling elements, but now he can only try it. There is a saying that 'the most dangerous place is the safest'. Cheng Yi never thought that the three Yue Feng did not leave, but continued to hide in the cave.

Phew ...

Soon, after the fascination formation was deployed, Yue Feng wiped the sweat from his forehead and shouted at Mu Xixi, "Come in with me." After speaking, he brought the master and the disciple into the formation. among.

After entering, Yue Fengpanxi sat down and smiled at Mu Xixi: "Okay, we are safe now, let's quickly recover our inner strength, and if Cheng Yi comes back, none of us will make a sound. "

Hmm..

Hearing the warning, both Mu Xixi and Song Qian nodded seriously, then sat down and began to recover their inner strength.

Unconsciously half an hour passed.

"Hahaha..."

At this time, a loud laugh came from a distance, and it was Cheng Yi's voice: "Two beauties, you can't see the shadow of your Kyushu hero being dumped by me, he has already lost, You two get ready to serve me, haha..." The

laughter went from far to near, and soon saw Cheng Yi running over quickly.

At this time, Cheng Yi was very excited. He had won this match properly.

Um?

However, when he arrived at the cave, seeing the scene in front of him, Cheng Yi's heart was shocked, and he was stunned. He saw that the cave was empty except for a pile of stones. How could there be Mu Xixi's master and apprentice?

Chapter 4414

At first Cheng Yi thought he was dazzled, and quickly rubbed his eyes.

Mad!

After confirming that no one was there, Cheng Yi was extremely irritable, walked out of the cave quickly, and saw that the bonfire outside had also been extinguished. At that time, he was sure that he had been deceived.

Obviously, Yue Feng didn't want to compete with him at all, so he deliberately fell behind, and when he was far away, he came back and escaped with the master and the apprentice.

"Nima's." The

more Cheng Yi thought about it, the more angry he became, his face was extremely ferocious: "Well, you Yue Feng, dare to play with me?"

At this time, Cheng Yi still didn't know that the three Yue Feng did not go far at all, but Hidden in the deployed five-star ecstasy array. This formation is so mysterious that Cheng Yi can't see it from the outside at all.

It's great, I didn't find it....

Hearing Cheng Yi furious at the entrance of the cave, Yue Feng and Mu Xixi were both in a very happy mood, but at the same time they were a little nervous. They held their breath and didn't make the slightest movement.

boom!

At this moment, Cheng Yi slammed his fist on the rock wall at the entrance of the cave, gritted his teeth and said, "The three bastards are playing with me. When I catch up with you, you must look good." The

voice fell, and Cheng Yi's inner strength exploded, quickly Go away.

Huh....

Hearing that Cheng Yi walked away, the three Yue Feng hidden in the formation were all secretly relieved.

In the next second, Yue Feng showed a smile and said to Mu Xixi: "Okay, we are completely safe, let's continue to recover our inner strength."

Mu Xixi and Song Qian nodded at the same time, sitting there and continuing to practice

.

.....

On the other side, Divine Realm!

There is a mountain tens of thousands of miles south of Yutian Palace. The other end of the mountain is the chaotic void. The environment here is harsh, the hurricane is howling, the dark clouds are rolling over the head, and the thunder and lightning are raging.

At this moment, on the top of this mountain, a group of figures stood quietly, each with a powerful aura, and the one at the head was dressed in black armor with a solemn expression.

It was the Demon Lord Gone and the Twelve Holy Demon Kings.

In front of them, at a distance of more than ten meters from the top of the mountain, there was a strange white stone suspended. The side of the white stone was as smooth as a mirror, exuding unique power fluctuations.

"Your Highness!"

At this time, the Demon King Jutian, who was standing behind, couldn't help but stepped forward and asked, "What is this stone? It's so strange?"

Shuh!

The voice fell, and the other holy demon kings around also looked at Gone, and all of them were very curious.

Gone sighed lightly and said slowly, "Sacred Heaven Spirit Stone."

Holy Heaven Spirit Stone?

For a time, the Twelve Holy Demon Kings looked at each other and became even more puzzled.

"When Pangu created the world." Gone looked closely at the Holy Spirit Stone, and continued: "After dividing the heaven and the earth, the great god Pangu died, his eyes turned into the sun and the moon, his bones formed mountains, and his blood formed rivers... .."

Hearing this, the Twelve Holy Demon Kings nodded subconsciously, because they all knew this.

At this time, Gone's eyes flickered, and his tone was complicated: "But there is one thing that very few people in the world know about, that is the spiritual wisdom of the great god Pangu, turned into a holy spirit stone, and this holy spirit stone has been in the world. on top of this mountain."

Speaking, Gone couldn't hide his excitement, and continued: "The Holy Spirit Stone can know the past and the future, but it can only be opened once every 10,000 years. In the battle of the gods and demons, I came here to open the Holy Spirit Stone. I came to inquire about the future of the Demon Race, but unfortunately it failed."

"Now that 10,000 years have passed, the deity will come to see where our Demon Race will go in the future."

When he said this, Gone's face was extremely complicated.

The previous siege of the Yutian Palace resulted in the encounter with the innate magic formation deployed by the ancestors of the Great Desolation. The demons suffered heavy losses, with hundreds of thousands of troops, and in the end there were only less than 20,000 left, which can be said to be a heavy loss.

This matter made Gone very annoyed, but he was unable to change the facts.

What?

At this moment, the Twelve Sacred Demon Kings were all stunned, each one was extremely shocked.

This holy spirit stone can know the past and the future, is it too powerful? If you can really predict what will happen in the future, the demons can prepare in advance and take precautions before they happen.

Chapter 4415

Om!

Just when the Twelve Sacred Demon Kings were secretly excited, he saw Gone slowly walking over, raising his hands slowly, and for a while, an incomparably terrifying magic power burst out and poured into the Holy Spirit Stone.

After the magic power was injected, I saw the holy spirit stone shining brightly, like a scorching sun.

"The person who opened the spirit stone."

At this moment, an old and rich voice came from the holy spirit stone: "You can ask me three questions, you can ask questions now." The

voice was thick and loud, The vicissitudes of life are domineering, making it impossible to feel the slightest blasphemy.

Phew...

Hearing this voice, the Twelve Holy Demon Kings held their breaths, not daring to let out a breath. They knew that this voice was sent out by the spiritual wisdom of the great god Pangu, who would dare to be presumptuous?

At the same time, Gone also took a deep breath, took a step forward, and asked the Holy Spirit Stone: "After my demon race, will I be able to rule the world of the gods and the human world?"

"No!" The old voice did not hesitate. 's answer.

Swish!

Hearing this answer, Gone's face instantly became ugly: "Why?" The

old voice came out from the Holy Spirit Stone again: "There is a chosen person who will stop your demons."

The chosen person?

Gone frowned, and the twelve holy demon kings behind him looked at each other in dismay.

Will it be the Nine Heavens God? Fighting alone with him, who is the opponent of Demon Venerable?

It is even more impossible for the ancestors of the Great Desolation, because he is still in retreat, and he will not come out in a short time.

Who is the one?

Finally, Gonie reacted and asked the third question at the Holy Spirit Stone: "Who was chosen that day?" When he said this, Gone's eyes were full of urgency.

If there is such a person, no matter what the cost, they will be destroyed.

hum!

This time, the old voice did not sound, and I saw the light of the Holy Spirit Stone flickering, and then a strange force surged, and finally a figure appeared on the surface of the spirit stone.

Just saw that figure standing proudly high in the sky, followed by the four innate spirit beasts of Qinglong, White Tiger, Suzaku and Xuanwu, indescribably domineering and mighty.

It's him! ?

Seeing that figure, whether it was Gone or the Twelve Holy Demon Kings, was shocked, and his eyes were full of incredulity.

I saw that man's face was resolute, his facial features cut like a knife, and he was indescribably cold.

It was Yue Feng.

impossible.

At this moment, Gone stared at Yue Feng's image closely, his eyes were full of astonishment and doubts.

This kid tried to be reborn, but he was completely killed by himself. How could he stop the demons in the future?

It's just.... the revelation of the Holy Spirit Stone is never wrong.

At the same time, the Twelve Sacred Demon Kings stood there, each of them extremely surprised.

Yue Feng is not dead?

But he was obviously killed by Zun Shang at that time? It is impossible to be reborn.

call..

Finally, Gone reacted, his icy face was extremely gloomy, and he said coldly: "The Twelve Holy Demon Kings obeyed. From now on, enter the human world immediately, and no matter what method is used, we must find the whereabouts of Yue Feng."

"After finding it, kill him, I want him to die." The

last sentence fell, and Gone's eyes were blood red, full of murderous intent.

That Yue Feng was really dead, he didn't even die, but this time, he was bound to be doomed.

"Subordinates obey." The

voice fell, and the twelve holy demon kings responded in unison, and immediately flew down the top of the mountain.

At this time, the radiance of the holy spirit stone gradually weakened and finally disappeared. The three questions have been answered, and this prediction is over. To open it again, it will take another 10,000 years.

"Ancestor of the Great Wilderness!"

At this moment, Gone looked at the direction of the Yutian Palace, and said to himself: "It's time for us to meet again." The voice fell, and the figure drew a stream of light, towards the direction of the Yutian Palace. go.

Speaking of which, Gone is very afraid of the ancestors of the Great Desolation, otherwise, he would not have attacked the Yutian Palace while the ancestors of the Great Desolation were in retreat, but the demons lost one after another and suffered heavy casualties. too much.

The ultimate husband in Chinese chapter 4416-4420

Chapter 4416 On the

other side, Kyushu Dongao Continent.

There is a small town at the northwest junction of Dongao Continent and Apocalypse Continent.

The town is not big, but because of its special geographical location, people from the rivers and lakes often stop by, so there are many shops and it is very busy.

Whoosh!

At this time, a figure came from a distance, the whole body was filled with a powerful breath, his face was gloomy, and it was extremely manic.

It was Cheng Yi.

After learning that he had been tricked, Cheng Yi searched for several hours, but the whereabouts of Yue Feng and the three were not found.

When he arrived in the town at this time, Cheng Yi looked gloomy and underestimated in his heart.

The three Yue Feng are very weak, and they must not be able to run far. Maybe they are hiding in this small town.

Thinking to himself, Cheng Yi immediately rushed into the only inn in the town.

“Does the guest officer live in the store?”

As soon as he entered the lobby, a guy greeted him with a smile, and said politely to Cheng Yi: “There are still rooms in this shop.”

Cheng Yi was impatient and waved his hand: “Go away. , I’m looking for someone.” With that, Cheng Yi strode up the stairs, ready to search the room on the second floor.

what’s the situation?

Seeing this scene, the shop clerk hurried up to stop: “Alas, you can’t go up, disturbing the guests, we can’t afford it.” As he said, the shop clerk was about to grab Cheng Yi’s arm.

This chapter is provided by . Visit for daily update.

Wow...

At the same time, the guests resting in the hall also stepped forward to watch the excitement.

“Made.”

At this moment, Cheng Yi cursed loudly, and slapped the shop assistant on the face: “Dare to stop Lao Tzu and court death?”

Slap!

This slap directly slapped the shop assistant out, flying more than ten meters away, and smashed a table. When he landed, the shop assistant spat out a mouthful of blood and passed out.

That shop clerk is just an ordinary person, can that stand up to Cheng Yi’s slap?

Whoa!

Seeing this scene, everyone around was shocked and shouted.

“How do you beat people?”

“A cultivator is amazing? Are there no kings?”

The scolding around him kept coming, Cheng Yi’s face was gloomy, and he didn’t take it seriously at all. He looked around at that time and said coldly: “Anyone who is not convinced will come up and fight me, and if you do anything, just shut up for Lao Tzu.”

Om!

The voice fell, a powerful breath burst out from Cheng Yi, and the temperature of the entire hall dropped a little.

Feeling Cheng Yi’s momentum, everyone around him quickly shut up.

Cheng Yi stopped talking nonsense, went directly to the second floor, and began to search one by one.

At this moment, in the innermost room on the second floor.

A slender figure, sitting in front of the windowsill, was looking at the street outside in fascination. His facial features were exquisite and charming. He was wearing a long pale yellow dress, which could not hide his sexy curves. The whole body was filled with a noble royal aura.

It was Ren Yingying.

Behind Ren Yingying, there were eight cultivating powerhouses standing quietly. These eight powerhouses were all close to the realm of tribulation, and they were the royal guards specially selected by Ren Yingying.

Half a month ago, Ren Yingying ordered to trace the whereabouts of the Five Poison Sect, but there was no news. It was not until two days ago that it was found that the Five Poison Sect had come to Dongao Continent and occupied a manor. At that time, Ren Yingying didn't think much about it, and immediately selected several powerful guards to come to Dongao Continent.

Half an hour ago, Ren Yingying and her party passed by the town and took a short break here.

At this time, Ren Yingying was sitting in front of the window sill, thinking about something on her mind, when she suddenly heard a loud noise coming from the hall on the first floor.

Ren Yingying Xiumei frowned slightly, a little upset, and said softly, "Go down and see what's going on."

"Yes."

A royal guard responded and quickly pushed the door out to check.

After a while, the guard quickly returned, and said with a complicated expression: "Miss Hui, there is a person who is forcibly searching the room. He looks very powerful, and his subordinates can't see the history."

Is there such a thing?

Hearing this, Ren Yingying Xiumei frowned and stood up slowly: "Let's go, let's go out and have a look together." After speaking, she was about to leave the room.

boom!

However, at this moment, the door of the room was kicked, and then, Cheng Yi with a sullen face broke in.

Chapter 4417

Swish!

At this moment, the eyes of everyone in the room suddenly converged on Cheng Yi, and they were all shocked and angry.

This man is so bold that he dares to break into His Majesty's room. However, this time Ren Yingying came to Dongao Continent in micro-service and concealed her identity, so these royal guards did not rashly attack despite the atmosphere.

At the same time, Cheng Yi was stunned when he saw the situation in the room.

so many people?

In the next second, when Cheng Yi's eyes fell on Ren Yingying, he was stunned, and he couldn't help taking a breath.

Hey, what a beautiful woman.

Especially the noble temperament on her body is not comparable to a woman like Ji Hongshang.

I never thought that such a beautiful woman could be found in such a small town.

Swish!

Cheng Yi's gaze made Ren Yingying very displeased, his delicate face was covered with frost, this person has no rules at all, staring at me like this is simply courting death.

"Where are you from, dare to stare at my lady like this?"

At this moment, the surrounding royal guards were also extremely annoyed, and then one of the guards strode out, pointed at Cheng Yi and cursed: "Hurry up to my lady Kneel down and apologize."

Because Ren Yingying was reluctant to reveal her identity as the Queen of Apocalypse, these guards still respectfully called Miss.

kneel?

Hearing this scolding, Cheng Yi was stunned for a moment, then the corners of his mouth twitched, and a smile appeared: "Your young lady is quite a big girl. I just glanced at it, and I'm going to kneel down and apologize? What kind of reason is this?"

At this time, Cheng Yi still didn't know that the beautiful woman in front of her was the queen of Tianqi Continent.

In his subconscious, he thought that Ren Yingying was just a wealthy girl. Although he came from a humble background, he could not kneel casually.

When answering at this time, Cheng Yi couldn't help but looked up and down Ren Yingying, with a look of arrogance and pride.

Just a rich girl, nothing to be afraid of.

What a presumptuous boy!

Seeing this scene, both Ren Yingying and the surrounding royal guards were all furious. How could the royal majesty be trampled on like this?

In anger, the guard who scolded, without the slightest hesitation, pulled out his saber: "Dare to be disrespectful to my young lady, you are courting death!" The

voice fell, and a powerful aura burst out from the body of the guard. The long sword even drew a cold glow, stabbing directly at Cheng Yi's heart.

Chi Chi...

I saw that wherever the figure passed, the air in the entire room was distorted, and the power was amazing.

Seeing the guard attacking, Cheng Yi stood there with a look of disdain and no panic at all.

"Want my life? I'm afraid you don't have that ability!" A

cold voice came out of Cheng Yi's mouth. Then, Cheng Yi took out the electricity, stretched out his right hand, and grabbed it directly towards the guard's long sword.

I saw that Cheng Yi's right hand had a layer of green scales attached to it, like a poisonous snake. The scales were completely transformed from internal force, but it was like the real thing. cold.

Seeing this scene, both Ren Yingying and the surrounding royal guards were all surprised.

What kind of magic is this?

The breath is so evil...

Crack!

It was at this moment that Cheng Yi sneered, his right hand full of scales had already grasped the guard's blade tightly. The scales were so tough that the sharp blade could not be pierced. The guards only felt a terrifying force coming, and the long sword could not break free, let alone advance half a point...

"With this little strength, you dare to yell at me?!"

At this moment, Cheng Yi sneered and sneered, breaking the sword with all his strength . At the same time, the other hand suddenly slapped out, hitting the guard with a palm.

All this happened too fast, the guard couldn't draw the long sword, couldn't dodge, and was directly hit by a palm.

“Pfft!” The

guard groaned, spit out a mouthful of blood, and was knocked out, smashed the door of the room, and finally fell into the hall on the first floor, passing out.

What?

Seeing this scene, the rest of the royal guards were all stunned and furious.

Chapter 4418

A trick?

This person actually stunned the powerful royal guard with just one move?

In the East Ao Continent, there is such a master...

Phew...

At the same time, Ren Yingying also took a deep breath, her delicate and beautiful face was extremely dignified, and her heart was also extremely shocked.

This man is so powerful. His subordinates couldn't even catch a single move.

Afterwards, Ren Yingying took a closer look at Cheng Yi's scaly right hand, and her delicate body trembled faintly.

Scales grow out of the hands, this... This seems to be the practice of the Five Poison Sect.

Ren Yingying is well-informed and knows that although there are many sects in Kyushu that practice poisonous arts, they can practice with the help of poisonous insects, and can grow poisonous snake-like scales on their hands, which only the five poisonous sects can do.

Because, Ren Yingying immediately concluded that the man in front of him was a master of the Five Poison Sect, but he still had some doubts in his heart. You must know that Ren Yingying knew the Five Poison Sect very well, whether it was the Sect Master Ji Hongshang or the elders, they had all seen it before. .

But this is the first time I have seen this person.

When the Five Poison Sect developed such a powerful master, I don't even know...

For a while, Ren Yingying frowned and looked at Cheng Yi, muttering constantly in her heart.

At this time, Ren Yingying still didn't know that Cheng Yi was not a member of the Five Poison Sect at all.

Huh..

After two seconds, Ren Yingying reacted, her red lips lightly opened and she immediately issued an order: "Take this person down."

This time, I came to Dongao Continent to find the whereabouts of the Five Poison Sect. No matter what the identity of this person in the Five Poison Sect is, since I have encountered him, I must not let him run away.

Caught him, just in time to ask Ji Hongshang's whereabouts.

Swish swish.....

The voice fell, and the remaining royal guards erupted one after another, directly thinking of Cheng Yi and rushing over.

Seeing this scene, Cheng Yi didn't panic at all, but laughed instead: "Can you catch me with a lot of people? It's too self-sufficient, but I'm in a good mood at the moment."

Said, Cheng Yi looked provocatively Glancing at Ren Yingying, he smiled and said: "Since this beauty wants to play, I will play with you." The

last word fell, Cheng Yi's figure burst out, broke out of the window directly, suspended above the sky, a pair of With the arrogant gesture of waiting for work.

The room is so cramped that it can't be used at all.

"Looking for death!"

"Boy is rude..."

Hearing these words, Ren Yingying's face was gloomy and she didn't respond, but the few royal guards couldn't bear it anymore.

In the middle of the sky outside, several royal guards burst out in unison, with a surging breath, distorting the entire sky above the town, and the power is amazing.

You must know that these royal guards were carefully selected by Ren Yingying, and they were all top-notch in terms of strength and courage.

interesting.

Feeling the explosive atmosphere of these Huang family guards, Cheng Yi did not dare to underestimate the enemy, but he did not feel nervous at all. Ever since he obtained Ji Hongshang's eight-layered skill, Cheng Yi had an extraordinary confidence.

"It's best to go together."

At this time, Cheng Yi said lightly, and immediately activated the poison art. Suddenly, a violent evil force broke out, forming a green poisonous mist in the air.

The poisonous mist rose in the wind, directly heading towards the rushing royal guards.

"Poisonous!"

"Quickly take the elixir..."

Seeing this, several royal guards turned pale in shock, and while shouting, each took out the antidote from their bodies and took them quickly.

These royal guards have distinguished status, and no one has several antidote elixir on them.

"Haha..."

Seeing this scene, Cheng Yi's face was full of disdain, and he said contemptuously, "Don't waste your energy, the poison that Lao Tzu casts cannot be cured by ordinary elixir. Just wait for the fiasco to end.

" Falling down, the poisonous mist quickly drowned several royal guards.

Oops!

At this moment, several royal guards inhaled the poisonous mist without exception. All of them were shocked. They clearly felt that a sense of numbness was spreading on their bodies...

Obviously this person was right, he The elixir he took could not solve the poison in front of him at all.

Chapter 4419

However, these royal guards are all extremely loyal. Although they have been poisoned, they still rushed up and fought with Cheng Yi in mid-air.

Bang bang bang...

In the blink of an eye, five minutes passed, and I saw that the few royal guards were getting slower and slower under the paralysis of the poison. Finally, Cheng Yi found an opportunity and knocked them down from the air.

Puff, puff....

After landing, several royal guards sat there, all pale and extremely weak.

Afterwards, one of the guards said to Ren Yingying very ashamed: "This subordinate is incompetent..."

Before he could finish speaking, Ren Yingying shook his head and interrupted: "You don't need to blame yourself, you have done your best. Oh, this person is too sinister, too strong..."

Having said that, Ren Yingying looked at Cheng Yi with a burning gaze, her delicate and beautiful face was even more icy cold.

At this time, the strength is so strong, it seems that he will go out in person.

Whoa!

At this time, when they heard the fighting, many passersby came to watch, but they did not dare to approach, but watched from a distance.

"Tsk tsk..."

Facing Ren Yingying's gaze, Cheng Yi didn't panic at all, but was extremely proud and said with a smile: "Beauty don't look at me like this, look at your expression, do you want to make a gesture with me?"

said At this point, Cheng Yi's face was full of wretchedness: "You're not my opponent, let's forget it, I don't want to kill flowers, hehe."

After defeating several royal guards in a row, Cheng Yi's heart was extremely inflated at this time.

Especially seeing people watching the battle around, Cheng Yi's 'little man's ambition' was playing tricks on him, making him even more arrogant and arrogant.

"Shut your dog's mouth!"

At this moment, Ren Yingying gave a cold and tender cry, and then her figure rose up, flew into the air, and confronted Cheng Yi from a distance.

At this time, Ren Yingying looked at Cheng Yi's eyes with anger and contempt: "I didn't expect that my subordinates would not be your opponents if they united! But don't be too arrogant, you must know that there is a sky outside the sky."

hum!

The voice fell, Ren Yingying did not hesitate at all, and directly activated the power of the demon soul. In an instant, a terrifying and powerful aura burst out from Ren Yingying's body, and in an instant, the surrounding air was stagnant!

Although I haven't gotten all Bai Yunfei's formulas, Ren Yingying Bingxue is smart. During this time, I have also developed a way to restrain the backlash of the demon soul. Although this method can only be saved for a while, it can at least control the backlash of the demon soul. The timing of recurrence, in this case, it is very easy to deal with Cheng Yi in front of him.

"Death!" In the

next second, Ren Yingying's red lips lightly opened, and she spit out two words coldly, then she raised her jade hand and called Cheng Yi with a palm!

This palm looks light and fluttering, but it is as fast as thunder and lightning.

Such a strong strength, such a fast speed...

Feeling the incomparable strength and speed of Ren Yingying, Cheng Yi immediately put away his smile and was shocked.

At this time, Cheng Yi did not dare to be careless, and urged all his inner strength to resist!

He never thought that this seemingly delicate beauty in front of him had such a terrifying strength. At this time, Cheng Yi felt a little regretful. He had known that the other party was a peerless powerhouse, and he was less arrogant just now.

It's just too late to regret it now.

Bang!

For a time, Ren Yingying and Cheng Yi collided fiercely with their palms, and saw a deafening roar from the sky of the whole town, and then heard a muffled hum from Cheng Yi, and the whole person was shocked and flew out. After flying more than a hundred meters, he fell heavily to the ground.

Although Cheng Yi obtained Ji Hongshang's eighth-level skill, three days ago, he was only a small character in the realm of Martial Emperor, and in terms of background, he could not be compared with Ren Yingying at all.

More importantly, Ren Yingying not only possesses the power of the demon soul, but is also a descendant of the demon race. With a demon body, he is not afraid of poison at all, so in just one round, Cheng Yi will be completely crushed.

Wow...

Seeing this scene, the passers-by who were besieged not far away were all shocked.

Is this the power of a practitioner?

So strong.

At the same time, the royal guards who were sitting around to expel the poison were also extremely excited.

Chapter 4420

Sure enough, Her Majesty is still mighty.

It was just one move to subdue this arrogant guy.

"As a person in the rivers and lakes."

At this time, Ren Yingying slowly walked towards Cheng Yi, and while walking, she said coldly: "With guns everywhere, you say, should I save your life? Or Kill you directly?"
The

voice was not loud, but there was a strong aura that made people dare not question.

And the breath that permeated Ren Yingying's body made it even more breathless.

Gudong!

At this moment, Cheng Yi was completely panicked, and he was no longer complacent and arrogant, but secretly swallowed his saliva, begging for mercy at Ren Yingying with a sad face: "beautiful... oh no... woman, it's me who has no eyes, I shouldn't have offended you, please forgive me a lot."

When he said this, Cheng Yi almost cried.

I thought I would have the opportunity to have a good time with the beauties in front of me, but I never thought that the strength of the other party was so terrifying.

At the same time, he was very shocked.

The power that this beauty had just burst out was so terrifying, she couldn't even catch a palm, it was incredible.

Hearing the begging for mercy, Ren Yingying's expression was indifferent and ignored.

"Blind dog's eye thing!"

At this time, one of the royal guards couldn't bear it anymore, and yelled at Cheng Yi:
"This is the queen of our Apocalypse Continent, not the heroine you speak of."

"You Offending Tianwei, disturbing the holy car, it is not a pity to die a hundred times."
The

voice fell, and the other royal guards also spoke.

"Your Majesty, this kind of scum, just kill it."

"Yes, for the people."

The scolding from several royal guards kept coming, and Cheng Yi's heart trembled. .

This...is this woman the queen of Apocalypse Continent?

No wonder there are so many masters around, and their own strength is so terrifying.

Shocked, Cheng Yi hurriedly knelt there and kept kowtowing to Ren Yingying: "Your Majesty atonement, Your Majesty atonement, the villain just offended the holy car because he had no eyes, and begged Your Majesty to be kind, be kind..."

" ...

Seeing this scene, the people watching the excitement around were also dumbfounded, and then they knelt down one by one, looking horrified.

Who would have thought that the dignified weather queen would come to such a remote town?

Seeing this situation, Ren Yingying breathed a sigh of relief and raised her jade hand towards the passers-by around her: "Get up, I'm just going out on patrol, you don't need to be so polite."

After speaking, Ren Yingying turned her head to look at Cheng Yi , asked coldly: "If you want to survive, tell me where Ji Hongshang is now?"

As soon as Ji Hongshang was mentioned, Ren Yingying's delicate face could not hide the anger and irritability.

Originally, Bai Yunfei had already written a solution to the backlash of the demon soul, but Ji Hongshang betrayed Bai Yunfei, not only absorbed the power of his demon soul, but also took away the written solution.

If you can't get that formula for a day, you will continue to bear the risk of demon soul backlash.

Ji Hongshang?

Hearing the question, Cheng Yi's expression was startled, and he said cautiously, "Little man... Little man I don't know."

While answering, Cheng Yi knelt down and slowly stepped back, keeping a distance from Ren Yingying, for fear of offending Tianwei again.

"I don't know?" Ren Yingying frowned and said angrily: "Your strength is higher than the elders of the Five Poison Sect, and your status is not lower than that of the Five Poison Sect. You say you don't know Ji Hongshang. Where is it? Will I believe it?"

"Tell me where she is, as long as you answer truthfully, I will consider being kind." As she spoke, Ren Yingying approached slowly.

This... At

this moment, Cheng Yi was about to cry without tears, and he carefully stepped back while thinking about how to answer.

That Ji Hongshang escaped from the underground cave, but she didn't find it, how would she know where she was, but if she said that, the queen in front of her would definitely not believe it.

How to do?

Papa...

Just as Cheng Yi was retreating and thinking about countermeasures, suddenly, something fell from him.

This is a cheat book, and the golden cover is very eye-catching.

It was the formula written by Bai Yunfei before.

The ultimate husband in Chinese chapter 4421-4430

Chapter 4421

What is this?

Ren Yingying's eyes flashed, she walked over quickly, picked it up and looked at it, her body trembled, and she was surprised.

Isn't this the formula written by Bai Yunfei?

Great, with this formula, you don't have to worry about demon soul backlash in the future.

But while she was happy, Ren Yingying was also indescribably angry.

This person is too cunning, Ji Hongshang has given him this secret book for safekeeping. Obviously, the two sides have a very close relationship, but this person even said that he did not know where Ji Hongshang was.

"I'll give you one last chance!"

At this time, Ren Yingying put away the secret book and said coldly to Cheng Yi: "Immediately explain where Ji Hongshang is, otherwise I will never forgive me."

"I... In the

face of this situation, Cheng Yi wanted to cry without tears, and said in fear: "Ji Hongshang disappeared in an underground cave. I really don't know where she is now..."

"The situation at that time was revealed. Of course, he did not say that he took advantage of the dangers of others to defile Ji Hongshang, but that he had absorbed Ji Hongshang's skills.

When he said this, Cheng Yi felt very uneasy, because he didn't know what the relationship between Empress Tianqi and Ji Hongshang in front of him was. If they were friends, then he would be miserable.

But he had no way to ask, he could only gamble.

At the end, Cheng Yi kowtowed uncontrollably: "Your Majesty, everything I said is true, I didn't hide it at all."

What?

This chapter is provided by . Visit for daily update.

At this moment, Ren Yingying frowned, very shocked.

This person's skill was actually drawn from Ji Hongshang, but then again, this Ji Hongshang can be regarded as evil and retribution. When he betrayed Bai Yunfei and forcibly absorbed Bai Yunfei's demon soul, he probably did not expect it. I will have such a day.

Muttering in her heart, Ren Yingying looked at Cheng Yi: "Ji Hongshang really can't be found in the underground cave?"

"It's true!" Cheng Yi nodded again and again.

Seeing that he didn't look like he was lying, Ren Yingying didn't ask any further questions, and said to the royal guards around him, "Tie him up first, and look after him strictly these days!"

At this time, the royal guards had already expelled them. The poison in the body, when he heard the order, he quickly walked over to tie Cheng Yi Wuhua.

call!

At this moment, Cheng Yi secretly breathed a sigh of relief, Nima, finally got his life back.

At the same time, I was also a little depressed and anxious.

If you are caught by the Queen of Apocalypse, you will definitely die. You have to find a way to get out quickly.

...

on the other side, God's Domain.

A few miles north of Yutian Palace, there are three immortal mountains, which are in the shape of 'pin' from a distance.

In the direction of the south, there is a vortex shining with colorful rays of light, which is the entrance to the Yaotai Spiritual Realm.

The Yaotai Spiritual Realm is also the place where the ancestors of the prehistoric retreated and practiced.

I saw that there were two burly guards standing on both sides of the entrance, holding halberds and wearing silver armor. They were majestic. These two Yaotai guards were powerful.

After all, the place where the ancient ancestors retreated is no trivial matter, and there can be no mistakes.

Not only that, the two divine guards also held a spirit beast in their hands. That mythical beast with a dragon head and a tiger body, with ox hooves and snake tail is very strange, it is the 'Bi You' who is said to have clairvoyance and ears.

Bi You is a spiritual beast unique to the royal family of the Divine Realm. It is not only clairvoyant, but also extremely powerful. It can be said that although there are only two guards guarding it, they are heavily guarded, even if flies cannot fly in all the time.

Whoosh!

At this moment, a figure came quickly and slowly landed not far away.

This is a young man, dressed in a gray robe, holding a beautiful flower basket in which several spiritual fruits are placed.

“Stop!”

Seeing this scene, the two divine guards hurried up to meet them and shouted loudly, “Who are you? This is the Yaotai Spiritual Realm, and no one is allowed to approach. Hurry up.” The

young man was terrified and quickly put down the basket, bowed deeply: “Master Shenwei, don't be angry, I am a new fruit servant from Lingguo Garden. Today, I was instructed to deliver fresh spiritual fruit to Empress Hua Zhao, but I got lost.”

Chapter 4422

Lost?

Hearing this, the two Yaotai divine guards looked at each other and froze there.

This fruit servant is really stupid enough to go the wrong way to send spirit fruit to Empress Hua Zhao.

Thinking to myself, one of the divine guards pointed in the direction of the fairy garden where Empress Hua Zhao lived, and said loudly: “The fairy garden where Mrs. Hua lives, you can go straight there, this is the spiritual realm of Yaotai, the place where the ancestors retreated, Don't get close!” The

voice fell, and another guard also urged: "Hurry up, you can't stop here."

"Thank you two adults."

After hearing the guidance, the young man was very grateful, and directed at the two gods. Wei saluted, and then he was about to leave with a flower basket.

However, the young man looked down at the Lingguo in the flower basket, his face suddenly showed a bit of sadness, and he sighed, looking very uneasy.

what happened again?

Seeing this, the two divine guards frowned secretly, and then one of them asked, "Why haven't you left yet?"

Sigh.

The young man sighed and pointed at the spirit fruit in the flower basket with a wry smile: "This spirit fruit bloomed three years ago, and fruited three years ago. It is very rare. After picking it, it needs to be consumed within half an hour, otherwise it will be consumed within half an hour. It will be damaged and cannot be eaten."

"I got lost and wasted time just now. Even if I deliver it now, the spirit fruit will definitely not be so delicious. At that time, Empress Hua Zhao will definitely blame me."

"I'm just a small fruit. Servant, how can I take responsibility." The

young man said with tears in his eyes, which made people have to sympathize.

This...

For a time, the two divine guards were also a little embarrassed, and one of them said, "Then what are you going to do?" The

young man scratched his head, came over and put the flower basket on the ground, and said sincerely, "Two adults, I Now I can only go back to the Lingguo Garden again to collect the spiritual fruits for the goddess. I can't take these collected before, so I can only ask two adults to help me deal with it."

After speaking, the young man glanced at the flowers in the flower basket. Lingguo, continued: "These spiritual fruits are not broken yet, but they will not work if they are sent to the empress."

"Today's matter, I have troubled the two adults, and I hope the two adults can help me hide it.

” The last sentence, the young man bowed deeply, turned and left.

This...

In the face of this situation, the two Yaotai guards looked at each other and were stunned. They didn't expect things to develop like this. When they reacted, they saw that the young man had gone far.

For a time, the gazes of the two divine guards fell on the flower basket invariably, and bursts of spirit fruit fragrance came out, as if it could entice the greedy worms in the stomach, making people salivate.

“This... how to deal with it?” One of the guards, the first to react, couldn't help but said.

When he said this, his eyes were fixed on the spiritual fruit in the flower basket.

The other swallowed his saliva silently, shook his head and said, “I know that? In my opinion, the fruit servants have already been dealt with by us, why don't we just share them.

” We can only enjoy it with the goddess. We ate it, but it violated the rules of heaven.”

“Then how do you deal with it?”

“I...I don't know either.”

After discussing for a while, the two divine guards did not discuss a perfect solution. plan.

At this moment, the two guards did not know that the fruit servant just now did not go far, but was behind a tree not far away, quietly observing everything here.

I saw the young man's face full of evil smiles, completely lost the previous cautiousness, but gave people the feeling that the indescribable evil was terrifying.

Yes, this young man is not the fruit servant of Lingguoyuan at all, but the Demon Lord Gone in disguise.

Gone's plan was very simple. He quietly entered the Yaotai Spiritual Realm to raid the ancient ancestors, but it was difficult to break in directly, so he thought of this method.

As for the flower basket that Gone put there, it was not a spiritual fruit at all, but a magic fruit.

Magic fruit, which is highly poisonous, will cause a coma soon after taking it.

At this time, Yaotai Spirit Realm is here.

After negotiating for a while, the guardian who advocated eating it couldn't hold it any longer, and said, "I think you shouldn't worry about it, this spirit fruit was left by that kid just now, not by us. Besides, He asked us to deal with it, so what if we eat it?"

Chapter 4423

"Besides, this spiritual fruit will be broken in a while, and it would be a pity to throw it away?"

"Seriously, we have been guarding here for thousands of years, and we have no credit or hard work. Now we will eat a few. A broken spirit fruit is not considered a violation of the heavenly rules." The

last word fell, and the body walked over directly, picked up a spirit fruit, put it in his mouth, and took a bite.

When the flesh of the fruit entered his stomach, the god guard was full of intoxication, and couldn't help but exclaim: "It really tastes delicious."

Seeing this, another god guard also put down his worries, picked up the spirit fruit in the flower basket and ate it , After a while, the few spiritual fruits in the flower basket were eaten up by them.

After eating the spiritual fruit, the two divine guards threw away the flower basket and continued to guard the entrance to the Yaotai Spiritual Realm, chatting and laughing.

"I heard that after eating the spirit fruit, your strength will improve a lot. Do you have any feelings now?"

"Not yet, by the way, what to do with the core?"

"This is easy to handle, the core is also a good thing, just throw it away. Give it to Bi You, and let them have a taste of it."

While speaking, the two divine guards threw the fruit core in their hands to the two 'Bi You' spirit beasts, and at some point, the two Bi You quickly bit them and swallowed them directly. go down.

Seeing that Bi You ate the fruit pit, the two guards looked at each other and smiled.

Today's luck is not bad, a silly fruit servant walked by and gave a few spiritual fruit to the two of them in vain.

Um?

Just as he was complacent, one of the guards suddenly frowned, feeling that something was wrong.

Strange, it was fine just now, why is it suddenly dizzy?

Not only that, but the divine power in the body also seemed to be suppressed.

“What’s wrong with you?” Seeing that his companion’s face was not right, another divine guard hurriedly asked.

“I don’t know, I suddenly feel dizzy.”

“Why is this? Is there something wrong with the Spirit Fruit just now?”

Just as he was talking, the other divine guard was also shocked. unstable.

broken.

There is really a problem with the spirit fruit just now.

For a time, the two divine guards realized something and wanted to mobilize their divine power to call for help, but they were so dizzy that they lost the strength to speak.

Putong putong...

Soon, the two guards couldn’t hold it any longer, fell to the ground one after another, and passed out.

At the same time, the two Bi You spirit beasts also fell to the side.

Hehe...

Seeing this scene, Gone, who was hiding behind a tree not far away, showed a sneer on his face, and then walked over slowly, his figure flashed, and he directly entered the Yaotai Spiritual Realm.

...

On the other side, the Ouyang family.

In the hall, Wen Chou Chou, Sun Dasheng, and Xiao Yuruo were sitting there with complicated expressions.

Yue Feng has been gone for so long, and there has been no news, and everyone is extremely anxious and worried.

There is also Ren Yingying. After going to Beiyang Continent, she also lost contact. Two days ago, there was news that Ren Yingying had become the Queen of Apocalypse, but she never came back.

“Report!”

At this moment, a disciple of the Hall of Longevity walked in quickly and respectfully said to Wen Chou Chou, “My subordinate has found out Miss Ren’s whereabouts.”

Hearing this, everyone in the hall was refreshed, and then Wen Chou Chou urged: “Come on.”

The disciple took a deep breath and said slowly: “My subordinate found out that after Miss Ren became the queen, she has been inquiring. The whereabouts of the Five Poison Sect, a day ago, there was news that the Five Poison Sect was in Dongao Continent, so Miss Ren went to Dongao Continent.”

What?

When they received this news, whether it was Wen Chou Chou or Sun Dasheng, everyone was stunned, and then they frowned and pondered.

What happened to Ren Yingying? After being the Queen of Apocalypse, she didn’t send anyone to report the news, and now she went to Dongao Continent to pursue the Five Poison Sect. What was she going to do?

Seeing everyone’s contemplation, the disciple hesitated, and continued in a low voice: “Sect Master, there is one more thing, I don’t know if I should say it...”

“Speak!” Wen Chou Chou nodded without hesitation.

Huh...

The disciple took a deep breath and continued: “I heard from the gossip that when Miss Ren killed King Guangping in the Northern Ying Continent Palace, she used the power of the Demon Race.”

Hearing this Then, Wen Chou Chou was shocked and his eyes widened: “Are you sure?”

Chapter 4424

“My subordinates dare not lie.” The disciple said quickly.

Wen Chou Chou took a deep breath, waved his hand to signal the disciple to step back, and then looked around: “What do you think?”

“Brother Wen!”

As soon as he finished speaking, Sun Dasheng was the first to stand up and said, “This is still useless. Say? There must be something wrong with Ren Yingying, otherwise, why didn’t she get any news back after so long?”

“Speaking of which, when she went back to the Weather Palace by herself last time, I began to doubt it. The emperor’s younger brother is in danger and the situation is critical, but she won’t let us help.”

“This time she went to Beiyang Continent, she was like this again, she left without saying anything, I suspect that she has betrayed Feng Feng. Son, we secretly colluded with Bai Yunfei, we all know that Ji Hongshang betrayed Bai Yunfei, so Ren Yingying is chasing Ji Hongshang.”

When he said this, Sun Dasheng blushed and was very excited. .

Sun Dasheng has a straightforward personality, and he doesn’t care who the other party is.

Huh...

Hearing this, everyone in the hall fell silent.

What the Great Sage said is not unreasonable. Could it be that Ren Yingying really betrayed Yue Feng and colluded with the demon forces?

For a while, the hall was silent and the atmosphere was dull.

“Great Sage.”

Finally, Wen Chou Chou took the lead in reacting, and scolded Sun Da Sheng: “Don’t talk nonsense about these words, Ren Yingying has a deep love for Feng Zi, how could he betray?” Love dares to hate, although she is a woman, she has a tough personality and will not do anything that is sorry to Yue Feng.

Sun Dasheng took a deep breath and asked back: “Brother Wen, don’t help Ren Yingying speak now, when the Tianqi Emperor’s Mausoleum trembled, and after Chiyou’s ancient tomb came into existence, the whole Kyushu knew that Chiyou belonged to the Demon Race, while Ren Yingying was in harmony with him. All the members of the Tianqi royal family are descendants of the Demon Race.”

“With the blood of the ancestors, Ren Yingying colluded with the Demon Race, it is logical.”

This...

Hearing this, Wen Chou Chou opened his mouth, not knowing for a moment. How to refute, because Sun Dasheng said it right, the Tianqi royal family belongs to the descendants of the demon race, and the whole Kyushu knows about this. Besides, Ren Yingying also received Chiyou's inheritance in the ancient tomb.

After hesitating, Wen Chou Chou slowly said: "Well, no matter what happens to Ren Yingying, we must take precautions first."

After saying that, Wen Chou Chou ordered the disciple of the Hall of Longevity: "Send someone to Xia immediately. Yinzong, report the situation to Qingyan, and then ask her to bring the elite of Xia Yinzong to the Ouyang family."

Xia Yinzong is powerful and with their help, even if the Ouyang family encounters an emergency, they can Every misfortune turns into good luck.

"Yes!"

Upon hearing the order, the disciple of the Hall of Longevity responded and walked out quickly.

"Brother Wen!"

At this time, Xiao Yuruo, who was sitting next to him, bit her lip lightly, and couldn't help but whisper, "You doubt Yingying too? Do you think she will bring the Tianqi army to help the demons destroy the Ouyang family?"

Wen Chou Chou didn't have complicated eyes and was about to speak.

"Boom!"

However, before a word was uttered, a loud noise suddenly came from outside! The gate of the Ouyang family was instantly razed to the ground!

"Ah!"

Immediately afterwards, screams continued from outside the hall.

"What's the situation?"

Wen Chou Chou's heart was shocked, his face was extremely frightened, and he walked out quickly.

Sun Dasheng followed closely behind.

hiss!

When they got outside, seeing the scene in front of them, whether it was Wen Chou Chou or Da Sheng Sun, they couldn't help but take a breath of air, and their hearts were extremely shocked.

I saw that the front yard of the Ouyang family was a mess, the gate was split into powder, and a huge pit with a diameter of tens of meters was blasted out on the ground. In the huge pit, dozens of Ouyang family disciples were lying in a pool of blood. Howling! These people are obviously no longer alive!

Outside the gate, more than 100 men in black stood there quietly, with the terrifying aura of death all over their bodies.

Above the more than 100 men in black, a burly figure was quietly suspended, wearing blood-red armor, and his body was filled with a violent and evil aura, which was unparalleled.

It was Jutian, one of the twelve holy demon kings of the demon race.

Chapter 4425

After Gone opened the prophecy of the Holy Spirit Stone, he learned that Yue Feng was not dead. At that time, Gone was shocked and angry, so he directly sent the twelve holy demon kings to the Kyushu continent to destroy Yue Feng at all costs.

As one of the Twelve Holy Demon Kings, after arriving in Kyushu, Yutian's first target was the Ouyang family.

After all, the Ouyang family is Yue Feng's nest.

This...

This is the Demon Race...

Feeling the terrifying aura that erupted from Saint Demon King Jutian, Wen Chou Chou and Da Sage Sun all felt chills in their hearts, and their eyes were full of shock!

"You... Who are you?"

Under the shock, Wen Chou Chou couldn't help but speak!

The opponent's strength is terrifying, and the breath of demon soul permeating his body is more terrifying than Bai Yunfei, and he must have an extraordinary origin.

At the same time, the eyes of Dasheng Sun's people were also watching the Holy Demon King Jutian closely, and they were all shocked.

Hehe..

Hearing the question, the Holy Demon King Jutian smiled evilly, with a look of disdain on his face: "I am Jutian, one of the twelve holy demon kings of the demon clan, and today I am here to kill Yue Feng, where is Yue Feng? Call him out and lead him to death."

When he said this, the Holy Demon King Jutian had a proud look on his face. With his status and strength, he didn't take Wen Chou Chou in the eyes of everyone at all.

Are you looking for Fengzi?

Hearing the answer, Wen Chou Chou frowned, and at the same time, he was furious.

This holy demon king is not small, he came to the Ouyang family to find something, and even named Fengzi's life. But I have to say that the opponent's strength is terrifying, and it does have this strength.

At the same time, the children of the Ouyang family also came out when they heard the movement. They looked up at the Holy Demon King Jutian one by one.

Finally, Wen Chou Chou reacted, looked at the Demon King Jutian and said lightly: "It turned out to be looking for Yue Feng, unfortunately, he is not here." The

voice fell, and Sun Dasheng took a step forward and said loudly: "We are also looking for As for him, if you have news about him, you can tell us about it."

Shuh!

Hearing this, the Holy Demon King Jutian's face sank. Mad and the Ouyang family are very courageous. At this time, they still dare to mess with me?

Thinking to himself, the Holy Demon King Jutian sneered and looked around: "Since he is not here, I have no choice but to do something to you, you are all Yue Feng's family, if I arrest you all, Yue Feng will definitely appear. "

Speaking of which, Sage Demon King Jutian's face turned gloomy: "I advise you not to resist, whoever dares to resist will be shot to death, my goal is only Yue Feng, so don't force me to kill." The

last word fell, Sage Jutian The Demon King raised his hand.

Wow...

In an instant, the more than 100 demon warriors behind them came quickly, ready to tie up Wen Chou Chou and everyone.

Faced with this situation, Wen Chou Chou and everyone were extremely shocked.

The Holy Demon King of this Demon Race is really insidious, and he even wanted to lead out Yue Feng by imprisoning the Ouyang Family.

“Stop!”

Seeing those demon warriors rushing to him, Sun Dasheng had a fiery temperament. At that time, he shouted and pointed at Holy Demon King Jutian and cursed, “What are you? You are also qualified to let us be captured?”

“You Don’t you want to kill Fengzi? I’m his brother, his business is mine, come to me if you have the ability.”

hum!

The last word fell, Sun Dasheng raised his hand and waved, and saw a dazzling light flickering, the opening axe was tightly grasped in his hand, and then he rose up into the air and charged directly towards the Holy Devil King Jutian.

During this period of time, Sun Dasheng had a new understanding. Wherever the figure passed, the air was distorted, and the power was amazing!

“Great Sage, don’t be impulsive.”

Seeing this scene, Wen Chou Chou’s face changed, and he couldn’t help exclaiming. Although Sun Da Sage was strong and had the axe to open the sky, he was not necessarily Jutian’s opponent.

After all, the other party is one of the twelve holy devil kings.

While exclaiming, Wen Chou Chou wanted to stop him, but it was too late.

At the same time, the surrounding Xiao Yuruo and Long Qianying were also worried, and they all sweated for Sun Dasheng.

“Dare to come to the Ouyang family to find trouble, go to hell!” In the

blink of an eye, Sun Dasheng rushed to the front, his eyes were blood red, howling, raised his hand and waved hard!

The ultimate husband in Chinese chapter 4426-4430

Chapter 4426

“Roar!”

A dragon roar that shocked the heavens and the earth came out from the opening axe, and then, a golden glow burst out and quickly went towards the Holy Demon King of Jutian. I saw that this golden light seemed to split the world in half, which was so terrifying.

interesting.

Feeling the power of that golden light, the Holy Demon King Jutian's eyes flickered, without the slightest nervousness, instead he showed a smile.

In the next second, the Holy Demon King Jutian activated the power of the demon soul, slowly raised his right hand, and deployed a protective film in front of him. He saw that the protective film was flashing with blood-red runes, which was very strange.

boom!

In the next second, Jin Mang slammed hard on the protective film, and saw that the protective film appeared one after another cracks, but it did not collapse, and the figure of the Holy Demon King Jutian only swayed slightly.

Obviously, the power of this golden light was completely blocked by the protective film, and it did not cause any damage to the Holy Demon King of Jutian at all.

What?

Seeing this scene, whether it was Sun Dasheng or Wen Chou Chou, their expressions changed and they were shocked.

The defense of this holy devil is too strong, even with the power of the opening axe, it can't be broken.

“Is this the magic weapon of your human world?”

At this time, the Holy Demon King Jutian quietly looked at Sun Dasheng with a hint of contempt at the corner of his mouth: “It looks quite bluffing, but its power is nothing more than that, you have already moved your hand. , now it's my turn.”

Whoosh!

The last word fell, and the figure of the Holy Demon King Jutian flashed, directly drawing an afterimage in the air, slapped it fiercely, and called towards Sun Dasheng.

This chapter is provided by . Visit for daily update.

This speed...

Feeling the speed of the Holy Demon King Jutian, Sun Dasheng was shocked. At that time, he had no time to react, so he could only grit his teeth and raise the opening axe, hoping to block the opponent's palm with the opening axe.

In the next second, the palm force slapped the sky-opening axe fiercely, and Sun Dasheng only felt a terrifying force coming, he groaned, blood spurted out of his mouth, and his body was shaken out. It flew more than 100 meters away, and finally smashed to the ground, blood dripping from the body, and the breath was sluggish!

Although he didn't die, Sun Dasheng didn't have the strength to fight again at this time!

Mad...

At this time, Dasheng Sun, his face was pale, his eyes were blood red, and he stared at the Holy Demon King Jutian, secretly shocked.

Strong, really strong.

Is this the true power of the Demon Race?

What?

Just a trick?

Seeing this scene, everyone present couldn't help gasping for air!

You must know that Sun Dasheng's current strength is enough to disdain the entire Kyushu rivers and lakes. More importantly, he still has the Heaven-Opening Axe in his hand, but even so, facing the Holy Demon King of Jutian in front of him, he couldn't take a single move.

In shock, several disciples of the Ouyang family reacted and ran over to help Dasheng Sun up.

At this time, the Holy Demon King Jutian glanced at Sun Dasheng disdainfully: "How dare you be presumptuous in front of me with this little strength? It's just beyond your own power."

After saying this, the Holy Demon King Jutian locked his eyes on Wen Chou Chou: "You guys still Who is not convinced? Just come up, or else, just obediently capture."

Mad!

Feeling the arrogance of the Holy Demon King Jutian, the people of the Ouyang family present were all shocked and angry.

In the next second, Wen Chou Chou took a deep breath and took a step forward to look directly at the Holy Demon King Jutian: "The Ouyang family is not greedy for life and fear of death, if you want to capture us all, you have to see if the sword in my hand will answer. ."

Om!

The voice fell, and a tyrannical aura burst out from Wen Chou Chou's body! At the same time, a long sword was held tightly by him!

At this time, Wen Chou Chou had a determined face, but he was a little uneasy in his heart. He knew in his heart that the Holy Demon King Jutian in front of him was very powerful,

but the Ouyang family could not be slaughtered.

Thinking to himself, Wen Chou Chou took a deep breath and shouted at the people around him: "Everyone, this demonic evil sect has hit the door of the house, what should we do?" The

voice fell, and the entire Ouyang family looked at each other in dismay, and then shouted in unison. Said: "Fight to the end!"

"Okay!"

Wen Chou Chou was excited and laughed loudly when he heard the answer: "It's been a long time since I moved my muscles and bones. Today we'll be together and have a good time with these demons!"

Chapter 4427 The

voice fell, Wen Chou Chou rose into the sky, and went straight to the Holy Demon King Jutian.

"Kill!"

At the same time, many disciples of the Ouyang family behind him also howled and fought fiercely with those demon warriors.

Speaking of which, these disciples of the Ouyang family knew very well in their hearts that the demon warriors in front of them were tyrannical and could not compete with their own flesh and blood.

“Yi still want to resist?”

Looking at Wen Chou Chou who was rushing up, the corners of the Holy Demon King Jutian raised his mouth, showing a bit of contempt: “Don’t be a fearless struggle. Today, none of your Ouyang family can escape!” The

voice fell . At the moment, the Holy Demon King Jutian mobilized the power of the demon soul and waved his hand!

hum!

In an instant, a blood-red light condensed out, like a blood-colored lightning, tearing the sky apart. From a distance, the sky and the earth seemed to be split apart!

This move condensed the power of the fifth layer of the Holy Demon King of Jutian, and saw that blood-colored light, carrying a terrifying and unparalleled power, ruthlessly bombarded Wen Chou Chou.

Feeling the mighty power, Wen Chou Chou couldn’t think too much, and immediately used the unique technique of the Hall of Longevity, ‘Moving Flowers and Connecting Trees’, into the long sword, and faced the bloody light.

boom!

The next second, the blood-colored light collided with the long sword, and an earth-shattering roar erupted. Wen Chou Chou groaned, and was directly knocked back more than 100 meters by the volley.

And the blood-colored light, Yu Wei undiminished, landed directly on the ground and blasted out a large pit with a diameter of tens of meters. Not only that, the disciples of the Ouyang family who were close to the giant pit were all broken bones, screaming and falling to the ground. in a pool of blood.

Mad!

Seeing this scene, Wen Chou Chou resisted the churning of qi and blood in his body, stared at the Holy Demon King Jutian, and was furious.

This... the strength of this Holy Demon King is really too strong.

Can’t stop it at all.

At the same time, Xiao Yuruo and others below were also shocked when they saw this situation.

“Haha...”

Looking at Wen Chou Chou's expression, the Demon King Jutian couldn't hide his arrogance, and said lightly, "What? Do you still want to resist? If you don't end up fighting against my demon clan, just give up."

Huh !

Hearing this, Wen Chou Chou's eyes were extremely blood red, and he gritted his teeth and shouted, "Don't be complacent, our Ouyang family has never yielded to any evil forces. As long as I still have a breath, I won't let you succeed." The

voice fell. In an instant, Wen Chou Chou clenched his long sword and ran towards the Holy Demon King Jutian again!

"Father, I'm here to help you..."

Seeing this scene, Wen Xiaoyu, who was fighting fiercely below, did not hesitate at all, shouted and rushed into the air, fighting with Wen Chou Chou against the Holy Demon King of Jutian.

Over the years, Wen Xiaoyu has worked hard to cultivate, and his strength is already the top of Kyushu.

"Are the father and son going to battle together? It's interesting." Seeing the father and son rushing up together, the Holy Demon King Jutian didn't panic at all, but instead was full of interest, and his eyes flashed with amusement.

In his eyes, this is a battle without any suspense.

hum!

At this moment, the Holy Demon King Jutian sneered, his figure burst out, the power of the demon soul burst out, the blood-colored light all over his body was loud, and the father and son fought fiercely in the air.
