Chapter 5001

“Daoist Master!”

At this moment, Yue Feng took the medicine pill, walked over slowly, and looked at Taoist Qianqiu with a smile: “This is the Three Yuan Guiyi Dan, which has a miraculous effect on expelling cold and Gu Yuan, Daoist take it first and feel it.”

When he spoke, Yue Feng looked serious, but he was secretly amused.

Yes, what Yue Feng refined was Peiyuan Pill, not Sanyuan Guiyi Pill at all, Sanyuan Guiyi Pill, which was originally made up by him.

But that’s okay, Peiyuan Dan was originally meant to cultivate the soul and the soul, and Taoist Qianqiu had no side effects at all. Moreover, Peiyuan Dan is a positive drug, whether it is taken by Taoist Qianqiu or others around it, it can restrain the cold intrusion of the ice and jade below.

Um!

At this time, Taoist Qianqiu couldn’t hide the shock in his heart, and his eyes changed when he looked at Yue Feng.

This kid seems to be young, but he really knows how to make alchemy.

Yue Feng stopped talking nonsense, walked over quickly, and was ready to give the medicinal pill to Taoist Qianqiu.

“Little boy...”

However, at this moment, Liu Qiang, who was beside him, reacted from his shock, looked at Yue Feng tightly, couldn’t hide his suspicion, and said coldly, “I can’t see it. , you really know how to concoct pills, but...”

After speaking, Liu Qiang turned around and looked at Taoist Qianqiu: “You just concoct a pill, and you just want to fool us? What evidence do you have? Explain, this is the Three Yuan Guiyi Dan?”

Hu!

Hearing this, Yue Feng frowned.

Nima, is this kid mentally ill? He has rectified you a few times just now, but he still hasn’t learned his lesson?

This chapter is provided by . Visit for daily update.

Seeing that Yue Feng did not speak, Liu Qiang firmly believed in his speculation, and hurriedly shouted at Taoist Qianqiu: "Master, this kid's identity is suspicious, although he has refined medicinal pills, but who knows whether he refined three or not. Yuan Gui Yi Pill? Besides, as far as the disciples know, there is never any record of San Yuan Gui Yi Pill on those ancient medicinal pills."

"I suspect that this kid is lying to you, in case this medicinal pill contains It's highly poisonous, Master took it rashly, didn't he fall for his trick?"

When he said this, Liu Qiang was full of urgency. At the same time, looking at Yue Feng's eyes, he couldn't hide the hostility.

You Qi thought that Liu Qiang was even more annoyed when he was summoned by this kid just now.

Wow...

Hearing this, the surrounding three major disciples instantly burst into an uproar, and then they all nodded in agreement.

"Senior Brother Liu Qiang is right. This kid has no strength at all, yet he can refine medicine pills..."

"Yes, he is not from our three major sects, but he has always been diligent, so he must have a plan. "

I guess it is also, if the elder Qianqiu takes the other side's way, it will be a huge loss for our three major sects."

Everyone's doubts, you and I came, Yue Feng didn't have any fluctuations on the surface, but he wanted to cry without tears in his heart.

Ma De, the disciples of these three sects, is more suspicious than the other.

But it is no wonder that in the past 100 years, the three major sects have forcibly occupied the mysterious realm of the sky, and other sects are not allowed to enter. From the sect master, the elders, to the disciples, all of them suffered from persecution paranoia.

This group of people...

At the same time, Lu Xiaoshuang trembled, anxious and angry, and felt sorry for Yue Feng.

Aren't the disciples of these three sects unreasonable?

Yue Feng has already refined the medicinal herbs, and they are still deliberately looking for trouble, which is really hateful.

Feeling uneasy, Lu Xiaoshuang wanted to say a few words to Yue Feng, but thinking of his own identity, he held back.

Huh...

Hearing what Liu Qiang and the surrounding disciples said, Daoist Qianqiu held the medicinal pill in his hand, frowned slightly, pressed it for a while, and felt a little hesitant in his heart.

What Liu Qiang said to these disciples seemed to make sense.

The man in front of him named Yue Feng, who seemed to be ordinary, would have lost the thousand-year-old technique of alchemy. Moreover, he could accurately tell the hidden dangers in his body before, which was really doubtful.

But... if he poisoned me, what good would it do to himself?

Chapter 5002

Haha...

Seeing the Taoist Qianqiu also hesitated, Yue Feng was secretly amused and couldn't help but said: "Daoist, I have refined the medicinal pills, if you don't believe it, I can't help it."

Speaking, Yue Feng pretended to throw the medicine pill into the fire: "Oh, I thought I was sincere, but I didn't expect that in exchange, it was just suspicion and accusation. Forget it, I don't want this medicine pill..."

He didn't intend to really destroy the medicine pill, but just deliberately scare Taoist Qianqiu. Yue Feng could see that Taoist Qianqiu seemed to see through everything on the surface, but in fact, he valued his own life more than anything else.

Moreover, under the guidance of Yue Feng just now, Taoist Qianqiu had already sensed that something was wrong in his body. Under such circumstances, how could Yue Feng be able to destroy the elixir that he had finally refined?

"Little brother, you can't..."

Sure enough, when he saw that Yue Feng was going to destroy the medicine pill, Taoist Qianqiu's expression changed, he hurried over, stopped Yue Feng, and said with a smile, "The people below are ignorant, brother don't want it. Care."

After speaking, he took the medicine pill from Yue Feng.

Yue Feng laughed secretly, and said lightly: "Isn't the Taoist afraid of the poison in this medicine?" This Taoist is really interesting, and it is only when he has to make things stiff that he is happy.

Uh...

Seeing Yue Feng's smile but not a smile, Taoist Qianqiu was stunned for a moment, then smiled awkwardly: "Little brother, don't laugh anymore, even if it's poison, this old man has to try it."

At this time Taoist Qianqiu also wanted to understand, before his eyes Yue Feng did not dare to use poison at all. If it were really poison, he wouldn't be able to live.

Who in this world is not afraid of death?

Besides, if the dignified Grand Elder of Chunyang Palace doesn't even have the guts to test the medicine, wouldn't he be laughed at?

Thinking of this, Taoist Qianqiu didn't hesitate to take the medicine pill at this time.

Whoa!

Seeing this situation, Liu Qiang and the surrounding disciples of the three major sects all changed their expressions and instinctively wanted to dissuade them, but they were still a step behind.

For a time, everyone's eyes were fixed on Taoist Qianqiu, holding their breaths and waiting for the effect!

Haha...

Seeing Liu Qiang and the others being nervous, Yue Feng secretly laughed.

At the same time, Lu Xiaoshuang stood aside, only to feel that his heart was hanging.

Is this... the medicinal pill made by Yue Feng, can it be effective?

If it doesn't work, the Taoist Qianqiu and the disciples of the three major sects around him will immediately turn their faces.

Time passed by minute by minute.

In the blink of an eye, ten minutes passed, and Taoist Qianqiu was sitting there, silently running the Pure Yang Technique, his old face was full of red.

Huh...

Then, Taoist Qianqiu stood up slowly, looked at Yue Feng eagerly, and couldn't hide his excitement: "Brother Yue Feng, your medicinal pill is really amazing, the cold feeling in this old man's body, it's gone, it's amazing, it's really amazing..."

When he said this, Taoist Qianqiu smiled, and his attitude was the same as when he first came, and it was like heaven and earth.

When he was using his internal power just now, Taoist Qianqiu only felt like he was falling into an ice cave, but after taking the medicine pill, the cold feeling disappeared, and his whole body was warm and indescribably refreshing.

At this time, in the mind of Taoist Qianqiu, the Yue Feng in front of him was undoubtedly the alchemy god who descended to earth. Can you be rude?

What?

Seeing this situation, the surrounding Liu Qiang and the disciples of the three major sects were all shocked.

This... the medicine pill refined by this kid is really useful?

I thought that this kid had bad intentions and wanted to take the opportunity to poison Daoist Qianqiu, but he didn't expect that the effect would be so significant. From this, it can be seen that this kid is really good at alchemy.

It's incredible.

call!

At the same time, Lu Xiaoshuang was also very excited. It was great, the medicinal pill was effective, and neither he nor Yue Feng had to die.

At the same time, Lu Xiaoshuang's eyes were also fixed on Yue Feng, unable to hide the admiration and appreciation in his heart.

This Yue Feng is really amazing. Not only does he understand the formation method, he understands the language of animals, he can open the secret lock, but even the alchemy technique, which has been lost for thousands of years, is also perfect...

This is a talent that is rare in a thousand years.

Chapter 5003

Seeing everyone's expressions, Yue Feng showed a smile.

The next second, Yue Feng looked at Daoist Qianqiu seriously: "Daoist, the situation in your body has been relieved. As long as you concentrate on recuperation and stop frequent retreats, you should be fine."

Saying, Yue Feng tilted his head and glanced at Lu Xiaoshuang, and continued: "The Taoist priest also took the medicine pill. Now it's time to let us go. This girl Lu is my friend. I hope the Taoist priest will not embarrass him."

Huh.. When

the words fell, Lu Xiaoshuang was moved beyond words, and looked at Yue Feng's eyes with a hint of gratitude.

Up to now, he still thinks about my safety, this Yue Feng is really good.

While moved, Lu Xiaoshuang looked at Daoist Qianqiu with great anticipation. Just wait for him to say a word.

Hmm...

Daoist Qianqiu didn't answer immediately, but pondered.

At the same time, Liu Qiang and the three surrounding disciples of the three sects were in an uproar.

This Lu Xiaoshuang, who dared to break into the mysterious realm of the sky, how could he be lighthearted?

Thinking to himself, Liu Qiang was the first to stand up and pointed at Yue Feng and yelled loudly: "Hey, don't go too far, you have refined the medicine pill and solved the predicament of the master, you can save yourself from death, but this woman, but the elder sister of Shendiaomen, she trespassed into the secret realm, she represented Shendiaomen, and openly opposed our three sects."

"So, this woman must not be lenient, so boy, just take care of yourself, don't I thought that if I saved my master, I would be able to speak loudly..." The

voice fell, and the surrounding disciples all spoke up one after another.

"Senior Brother Liu Qiang is right, don't push yourself too far, kid."

“It’s good that you can save your own life, and you want to take care of others? Hehe...”

“Do you want to be a hero to save the beauty? Don’t look at the place, what’s the situation...”

Everyone scolded, you said, When I heard a sentence, my attitude was very tough, and it seemed that I did not intend to spare Lu Xiaoshuang lightly.

Swish!

Lu Xiaoshuang was originally full of hope, but when he saw the situation in front of him, his legs suddenly became weak, and he could barely stand still, and his face was extremely pale.

It’s over, it looks like I really can’t get out now.

But at the same time of despair, Lu Xiaoshuang couldn’t help but glance at Yue Feng, hoping that he could say good things to him again.

call!

Yue Feng also took a deep breath and frowned secretly.

Ma De, the disciples of these three sects have a strong sense of superiority.

Muttering, Yue Feng planned to speak to Lu Xiaoshuang again, but at this time, Taoist Qianqiu coughed and began to express his position.

“Shut up!”

At this time, Daoist Qianqiu looked around, his face was solemn, showing a bit of displeasure, and he said to Liu Qiang everyone: “What does it look like when everyone is yelling?” Daoist

Qianqiu not only He is the Great Elder of Chunyang Palace, and among the three major sects, he also has a very high prestige. Seeing his displeased face at this time, whether it is Liu Qiang or the other three major sect disciples around him, they hurriedly closed their mouths.

Taoist Qianqiu adjusted his mood and said slowly: “Brother Yue Feng, a genius in the sky, it’s a great honor to meet him, whether it’s this old man or you, and now Brother Yue Feng can help friends with a few words. , can’t everyone understand it?”

At this time, in the hearts of Taoist Qianqiu, Yue Feng was already regarded as the god of alchemy, and he did not dare to offend him in the slightest.

Uh...

After hearing this reprimand, Liu Qiang didn't dare to open his mouth to refute it, although he didn't agree with it.

"Liu Qiang!"

At this time, Taoist Qianqiu ordered Liu Qiang: "Bring a few people and send Miss Lu out of the secret realm. Remember to protect her safety and make no mistakes."

After speaking, Taoist Qianqiu rushed to Lu Xiao again. Shuang said, "Miss Lu, originally you trespassed into the secret realm today, and the old man couldn't spare you lightly, but since Brother Yue Feng has spoken, the old man will open up and give you a chance."

When he said this, Taoist Qianqiu paid attention, has always been on Yue Feng.

In the eyes of Taoist Qianqiu, Yue Feng is a once-in-a-millennium genius, and it is too late to flatter him. How could he offend him? Since this Lu Xiaoshuang is his friend, let's be friendly and let it go, nothing to lose.

Chapter 5004

"Thank you, Daoist Master!"

Hearing this, Lu Xiaoshuang was overjoyed, quickly nodded his thanks, and gave Yue Feng a deep look.

Today, thanks to him, I can save my life.

Whoops!

Soon, Liu Qiang picked a few disciples and asked them to send Lu Xiaoshuang out of the secret realm.

Lu Xiaoshuang didn't dare to disobey, but before leaving, he couldn't help but look at Yue Feng worriedly. Taoist Qianqiu only let himself go, but left Yue Feng here, and everyone would be worried.

Yue Feng smiled slightly, gave Lu Xiaoshuang a comforting look, and signaled not to worry.

Soon, a few Lu Xiaoshuang left.

call!

Seeing Lu Xiaoshuang's back go away, Yue Feng took a deep breath and looked at Taoist Qianqiu with a smile: "The Taoist didn't say let me go, is there something else?"

In fact, Yue Feng was not in a hurry to leave. After all, the marrow golden pill was still on the frozen jade stone below the altar that day, and that was a good thing that could restore his divine power. I'm afraid that there is only one in the entire Ziwei Continent. How can he leave so easily?

However, in the current situation, Yue Feng had to express his attitude, otherwise Taoist Qianqiu would be suspicious when he saw that he was not in a hurry.

Hehe... Hearing the question, Taoist Qianqiu smiled slightly and said very politely: "Brother Yue Feng, don't get excited, I'm leaving you just to ask

, have you joined Shendiaomen?"

At that time, Taoist Qianqiu had a bit of urgency in his eyes.

Yes, he wants to pull Yue Feng into the Chunyang Palace. After all, this is a genius who can make alchemy, so he must win over him.

This...

Sensing the expression of Taoist Qianqiu, Yue Feng pondered for a while, scratched his head and said, "No, I'm just a nobody in the rivers and lakes, how can I be qualified to enter the sect."

Yue Feng could see that Taoist Qianqiu wanted to win over himself, Moreover, people of his status are decisive in killing, and once they know that they are from other sects, they will be tempted to kill.

So after thinking about it, Yue Feng decided to answer truthfully.

Haha...

Daoist Qianqiu was very excited and said impatiently, "I don't know Brother Yue Feng, are you interested in joining our Chunyang Palace?"

Yue Feng looked humble: "This...I don't have any strength at all. I'm afraid I can't do anything when I join Chunyang Palace

." He said with a smile: "Just now, my brother refined the medicinal pills on the spot, but it was an eye-opener for me."

"Also, Brother Yue Feng, don't worry, as long as you join our Chunyang Palace, you will never be treated badly. The strength of alchemy will never make you a disciple."

When he said this, Taoist Qianqiu took out a jade pendant from his body and handed it to Yue Feng: "From now on, you are the Dan Pavilion of Chunyang Palace. Pavilion Master ."

The alchemy room of Chunyang Palace, also known as the Pill Pavilion, has been idle for nearly a thousand years, and has been taken care of by Taoist Qianqiu in recent years. It was decided to hand over the Pill Pavilion to Yue Feng.

Pill Pavilion is extremely special in Chunyang Palace. Once you become the Pavilion Master, let alone the disciples below, even the Palace Master of Chunyang Palace, you must be polite and courteous.

You must know that in the entire Ziwei Continent, alchemists are extremely rare.

wow.

Dan Pavilion Pavilion Master? !

As soon as the words fell, the surrounding Liu Qiang, the disciples of the three major sects, suddenly burst into an uproar, all eyes focused on Yue Feng, full of envy and jealousy.

"Master!"

After a brief silence, Liu Qiang couldn't help being the first to rush out, and said to Taoist Qianqiu in a complicated tone: "The position of the Pavilion Master of the Pill Pavilion has been idle for nearly a thousand years, although this Yue Feng knows a little about alchemy. Fa, but let him be the pavilion master, is it a bit too hasty, after all, he has no strength at all, how can he assume the position of the pavilion master of the Pill Pavilion?" The

voice fell, and many disciples of the surrounding Chunyang Palace also endured it. They kept talking.

"Yeah, the elder, Senior Brother Liu Qiang is right. This Yue Feng has no strength at all. It would be inappropriate for him to be the pavilion master of the Pill Pavilion."

"In case of trouble, he is caught by other sects. Isn't our Chunyang Palace very embarrassing?"

"Elder, think twice!"

Chapter 5005 Huh

...

Seeing this scene, Taoist Qianqiu's face instantly turned gloomy, and he looked around coldly: "Do I need to ask you for instructions on what this old man wants to do?" The

voice was not loud, but it spread throughout the audience. , At the same time, a powerful aura also permeated from Taoist Qianqiu.

For a time, feeling the strong pressure of Taoist Qianqiu, everyone couldn't help but take a deep breath and quickly shut their mouths. At this time, Taoist Qianqiu looked closely at Liu Qiang: "Even you questioned the old man, is it in your heart that you have no master

like me?" His whole body trembled, his legs softened, he knelt directly on the ground, and repeatedly said: "The disciple dare not, the disciple dare not..." Although he was arrogant and domineering, in front of Taoist Qianqiu, he did not dare to be arrogant in the slightest. . Seeing him admit his mistake, Taoist Qianqiu's face softened a little, then he looked around and said lightly: "This brother Yue Feng, just made a medicinal pill, everyone has seen it, since alchemy disappeared a thousand years ago, there are people on the rivers and lakes. Who dares to be able to make alchemy by himself? It is Brother Yue Feng, who has revived the brilliance of alchemy." "Now let him be the alchemy pavilion master of our Chunyang Palace, why not? I have decided on this matter. Now , after you go out, report to the Sect Master immediately, I believe the Sect Master will be very happy." "From now on, whoever dares to be disrespectful to the Pill Pavilion Master again, don't blame the old man for being rude. ." Hearing this, the disciples of Chunyang Palace present were all trembling, and no one dared to talk nonsense. call! Seeing this situation, Yue Feng's face was indifferent, but his heart was filled with joy.

What happened today is really twists and turns. I thought that it would be good to make a medicinal pill just now and save a life, but I never expected that I would become the Pill Pavilion Pavilion Master of Chunyang Palace in the end.

With this identity, it will be much more convenient to explore this secret realm next.

"Brother Yue Feng."

At this time, Taoist Qianqiu came over and said with an embarrassed expression: "The people below are ignorant, you don't have the same knowledge as them. From today, we are a family, haha..."

At this time Daoist Qianqiu is very happy.

Although today's Dao Discussion Conference had a lot of problems, and many people secretly broke into the mysterious realm of the sky, but in any case, it was definitely an unexpected surprise to win an alchemy master today.

Yue Feng smiled: "Daoist is polite."

Taoist Qianqiu nodded and said very politely: "I have been delayed here for so long, and I don't know where the other people who broke in are where, Brother Yue Feng. Would you like to go search with me?"

When he said this, Taoist Qianqiu's eyes were full of expectations.

This...

Yue Feng scratched his head and made a very embarrassed look: "Otherwise, you can go, I want to rest..." Under the altar, the Heavenly Marrow Golden Core on the Frost Jade Stone was still alive. If you don't get it, how can you follow them around?

Hearing the answer, Taoist Qianqiu was stunned for a moment, and then nodded suddenly: "Look at my brain, Brother Yue Feng must be tired if he can walk all the way here, then you rest, I will take someone to search for others, After that, let's meet here."

In Taoist Qianqiu's heart, Yue Feng had no strength, and after entering the Heavenly Mysterious Realm, to be able to get to this place must be exhausted, and naturally he has to rest.

At this time, Taoist Qianqiu still didn't know that Yue Feng's rest was fake, and his real purpose was to get the golden pill of heavenly marrow under the altar.

Wow...

Soon, Taoist Qianqiu led Liu Qiang and the others, and headed for the distance. There are many experts in the arena in the mysterious realm, and they must be cleared out.

Huh...

Watching Taoist Qianqiu lead people away, Yue Feng let out a long sigh of relief, Nima, he finally left. The situation just now really made me sweat.

Fortunately, I was resourceful and used alchemy to restrain Taoist Qianqiu. Otherwise, I and Lu Xiaoshuang would have been prisoners.

Thinking to himself, Yue Feng began to study the altar in front of him.

Although the organs around the altar are very delicate, they can't help Yue Feng at all.

The ultimate husband in Chinese chapter 5006-5010

Chapter 5006

Scratching...

After a while, Yue Feng found the mechanism under the altar. After opening it, he heard a sound of vibration, and then the slate on the altar slowly opened, revealing the ice inside. jade.

I saw that on the ice jade stone, the beautiful woman was still lying there, and the Heavenly Marrow Golden Core in her hand was still there.

Haha...

At this moment, Yue Feng took a deep breath, unable to restrain his excitement.

Although it has gone through twists and turns, doesn't this Heavenly Marrow Golden Core still fall into your hands in the end?

Excited, Yue Feng jumped down quickly, took the Heaven Marrow Golden Pill in his hand, then looked at the sleeping beauty, took a deep breath and said, "This fairy, I know that this Celestial Marrow Golden Pill is a You use it to restore your divine power after you wake up, but it is also very important to me."

"Don't worry, I took your Heavenly Marrow Golden Pill, and I won't ignore you. I will strengthen the formation of this altar later. Don't let anyone disturb you, and, if there is a chance in the future, I will come back to return your golden pill." The

voice fell, Yue Feng jumped onto the altar, twisted the mechanism and slowly closed the slate. After that, a formation was deployed around the altar again.

After doing this, Yue Feng took a deep breath and saw that it was relatively hidden under a big rock not far away, so he walked over quickly. After taking the Tianzhu Jindan, he sat cross-legged and began to silently adjust his breath.

Om...

At the moment of swallowing the Heaven Marrow Golden Pill, Yue Feng clearly felt that a vigorous and unparalleled force permeated his body, feeling these, Yue Feng couldn't tell the excitement.

The power contained in the Celestial Marrow Golden Pill is very powerful. According to the speed, it would take Yue Feng half a month to completely integrate the power of the Celestial Marrow Golden Pill. Then, the divine power in the body can be fully restored.

Although it took a long time, it did not affect Yue Feng's mood at this time.

As long as the divine power is fully recovered, even if the former teleportation formation cannot be found here, Yue Feng has enough strength to build one by himself.

Huh.. Thinking of being able to leave here soon, Yue Feng was very excited. He sat there

cross-legged, looking at his nose and his heart, and quickly entered a state of fusion

...

In the square in the distance, there was a sound of footsteps, and it seemed that there were not many people, only five or six.

“Senior sister...Master came in half an hour ago. We are only here now, so we may not be able to find anyone.”

“Yeah, as I see it, we are still guarding the entrance of the secret realm, maybe we will encounter some slipping nets. Where’s the fish.”

“Yes, yes...”

Several men’s pleasing voices came one after another, and then a clear and pleasant voice sounded: “You guys, one is really lazy than the other.”

“Today is On the days when our three major sects held the Dao Discussion Conference, those Jianghu Xiaoxiao dared to take the opportunity to break into the secret realm, but they did not take our three major sects seriously. At this time, the honor and disgrace of the sects should not be taken lightly. Did you bring people in in person?”

“Can’t you have some snacks? This is a good opportunity to show up in front of Master, so no matter what, we have to catch a few people here. Master will also have a face at that time, I understand. Is it?” The

woman said, walking towards the altar first.

I’m going...

Yue Feng is very depressed when he hears the movement, Mad, if he knew this, he would find a place far away to hide.

Muttering, Yue Feng couldn’t help but open his eyes, glanced outside, and was stunned for a moment, and saw a woman, with five disciples of Chunyang Palace, already on the altar.

The woman in her twenties is very sexy and charming, her brows lack the cold and arrogant air of Lu Xiaoshuang, but she also gives the impression of being a difficult master.

At this time, Yue Feng didn't know that the woman's name was Cao Qian. Like Liu Qiang, she was also a closed disciple of Taoist Qianqiu. Liu Qiang was the senior brother and she was the second senior sister.

However, because of her cleverness, Cao Qian is more favored. Among the disciples of Taoist Qianqiu, she has a high reputation. Even among the younger generation of the entire Chunyang Palace, very few people dare to provoke her.

Chapter 5007

Originally, Cao Qian was in charge of maintaining order at the Dao Discussion Conference, but after the Tian Mysterious Realm was intruded, the three major sects immediately decided to suspend the Dao Discussion Conference, and then did their best to arrest the trespassing secret realm. people.

Cao Qian was so overjoyed that she saw that her master brought people in, and she was unwilling to be lonely, so she quietly brought a few younger brothers in, intending to arrest a few people for merit.

At this time on the altar, Cao Qian checked the next four weeks!

"There are a lot of footprints and corpses here..."

"It looks like Master must have been here."

"Huh? Someone over there..."

While discussing, one of the disciples found Yue Feng behind the stone. , suddenly couldn't help shouting.

Swish!

In an instant, the eyes of Cao Qian and the other disciples also converged on Yue Feng. Each one looked cold.

"Tie this person up." In the

next second, Cao Qian's red lips lightly opened, and she spit out a few words coldly. Like the few people beside her, in her heart, the Yue Feng in front of her was the Jianghu Xiaoxiao who had sneaked in. To deal with this kind of person, you can't be polite at all, you must use the thunder method to teach you a lesson.

Whoa!

The voice fell, and several junior brothers walked over quickly and tied Yue Feng Wuhua.

To be honest, if they were a few minutes late, they would not be able to catch Yue Feng, but Yue Feng had just taken the Heaven Marrow Golden Pill, and his divine power was still in the awakening stage, so he couldn't resist at all.

Haha...

After Yue Feng was tied up, several disciples were all excited, and one by one, they tried to please Cao Qian.

"Senior sister is really right. We just got in and caught one."

"Yeah, I'll be very happy when Master sees you."

"Maybe there will be a reward."

Cao Qian was also full of smiles. Putting on the attitude of a senior sister, he said lightly: "That's right, wait and listen to my instructions. As long as you find someone who is not from our three major sects, they will all be arrested. Anyone who dares to resist will be killed." The

voice fell, Several brothers and sisters nodded.

In the next second, Cao Qian looked at Yue Feng coldly, with a condescending look: "You are very courageous, you dare to break into the mysterious realm of the sky, do you know the consequences?" Cao Qian

clearly sensed that the person in front of him, He has no strength at all, he must be at the bottom of the rivers and lakes, and he is too lazy to look directly.

Uh... Feeling Cao Qian's contempt, Yue Feng was

speechless, but still squeezed out a smile and said, "This beauty, a misunderstanding, we are our own people, let me go quickly."

The Pill Pavilion Master of Chunyang Palace, isn't it his own?

own people?

Hearing this, Cao Qian was stunned for a moment, and the disciples of Chunyang Palace next to each other also looked at each other, and then couldn't help sneering.

"The kid is not too timid, and dare to pretend to be someone from my Chunyang Palace."

"I think you are impatient with your life."

“You think we are all fools?”

Cao Qian also laughed angrily, looking at Yue with disdain. Feng Dao: “Looking at you, are you qualified to enter our Chunyang Palace? Honestly, who are you? What are you doing here? Are there any accomplices?”

The person in front of him, who dares to pretend to be a disciple of Chunyang Palace, is really tired of living.

Ugh!

Yue Feng sighed, very helpless, why don't these people believe it?

Thinking to himself, Yue Feng said seriously: “I really didn't lie to you, I just separated from Taoist Qianqiu, and it was because of Taoist Qianqiu that I joined Chunyang Palace...”

But before he finished speaking, Cao Cao Qian and a few disciples all changed their expressions and scolded them one after another.

“Bold...”

“Pretentious...”

“Shut up!”

Cao Qian's face was frosty, and she stomped her feet: “You're not too brave, so it's taboo to call my master by his name? You guys, throw him off the bridge. Go down.” Saying this, he raised his finger and pointed to the chain bridge in the distance behind him.

In their hearts, Master Qianqiu is a tyrannical person, and he has a broad understanding of ancient and modern, and he is like a saint, and Yue Feng dares to call his name outright, which is simply a kind of blasphemy to the master, and it is a provocation to the Chunyang Palace.

Whoa!

The voice fell, and a few disciples behind him walked over quickly, and they were about to drag Yue Feng away!

Chapter 5008

Nima!

Yue Feng was shocked and angry, so I called Taoist Qianqiu's name. Are you all so excited?

But thinking so in his heart, Yue Feng did not dare to get too excited, squeezed out a smile, and said to Cao Qian: "This beauty, have something to say, I was wrong just now, it is the Great Elder Qianqiu.

" I have a chance..."

At this moment, Yue Feng was very angry, Ma De, if his divine power hadn't fully recovered, why would he be arrogant to these people?

Huh ...

Seeing his sincere expression, Cao Qian thought for a while, and said arrogantly, "You can live if you want to. I kowtow three times to auntie, and I'll spare your life for the time being.

" Several disciples also opened their mouths.

"Call auntie..."

"It's rare for our senior sister to be open to the public, so don't be ignorant of praise."

Damn! In the face of this situation, Yue Feng wanted to cry without tears, and at the same time felt very funny, and immediately said to Cao Qian: "What if I don't kowtow?

" Not too lazy to talk nonsense, he waved his hand: "If you want to survive, but don't want to kowtow? Then break your legs."

Whoa!

The words fell, and several disciples beside him came over one by one eagerly, and they were about to do something to Yue Feng. In their hearts, the boy in front of him, if he didn't listen to his senior sister, was courting death.

"Stop, stop for me!"

However, at this critical moment, a roar sounded from a distance, and then, more than 100 people came forward in a mighty manner. Taoist.

After Taoist Qianqiu took people away, he inspected some nearby places, but did not find other people who broke in. He rushed back with Yue Feng's safety in mind.

You must know that Yue Feng can make alchemy, but the treasure of the entire Chunyang Palace must not let him have an accident. Just as soon as he came back, he

saw from a distance that the female apprentice Cao Qian and the named disciple actually took Yue Feng Tied, how not to get angry?

“You bastard!”

At this moment, Taoist Qianqiu walked over quickly, and his shot was as fast as lightning. Several disciples who followed Cao Qian were all slapped.

Snapped! Snapped! Snapped!

With these few slaps, Daoist Qianqiu took action very quickly, and several disciples didn't have time to react, and all of their faces were swollen. Several people were immediately stunned.

“Master, why did you beat us!”

“Yeah, we came in to help arrest someone.”

“We also arrested one.”

At the same time, Cao Qian couldn't help but say, “Master, you're weird. Did we come in without asking for instructions? Don't be angry, Master, you see, I just caught a stinky boy, and the funny thing is, this kid said he knew you.”

At this time, when Cao Qian spoke, she didn't notice at all. , The faces of Liu Qiang and others around him were extremely complicated.

“Shut up!” The

Taoist Qianqiu was also trembling with anger, and shouted angrily at Cao Qian: “You stinky girl, I brought someone in privately, I won't talk about you, this person is the Pill Pavilion Pavilion Master of our Chunyang Palace, You actually tied him up, do you still have rules in your eyes? Is there still a master like me?”

What? !

Hearing this, not only Cao Qian, but also the named disciples behind him were all stunned.

The kid I caught is the pavilion master of the Pill Pavilion?

However, the Pill Pavilion has not been sealed as a pavilion master for nearly a thousand years. This kid seems to have no strength at all, so how did he become the Pill Pavilion pavilion?

Doubtful, Cao Qian couldn't help but say: "Master, are you confused? This person looks like a liar, and it is impossible for him to be able to make alchemy. What's going on, the pavilion master of the alchemy pavilion?"

Shuh!

Hearing this, Daoist Qianqiu's face turned green with anger, and at the same time, Liu Qiang was too anxious, he walked over quickly, and said in a low voice, "Junior sister, this person is really the Pill Pavilion Master, please apologize. "

Later, Liu Qiang explained what happened before in detail.

What?

After learning about the situation, Cao Qian's body trembled, completely dumbfounded, staring blankly at Yue Feng, speechless.

This person... just made a medicinal pill on the spot and saved the master? This... how is this possible?

Chapter 5009

She never imagined that this seemingly useless kid in front of her would have such great abilities.

But seeing the scene in front of her, Cao Qian only felt that her legs were weak, and she could hardly stand still.

His master, in front of Yue Feng at this time, was extremely polite and complimented.

Are you dreaming?

Master has always regarded himself very highly, even in the face of the palace master of Chunyang Palace, he has always maintained a high attitude, but in front of this person, he is so polite.

How could this be?

"What are you doing?"

At this time, Taoist Qianqiu glared at the disciples around Cao Qian and shouted angrily, "Why don't you come over and apologize to the Pavilion Master of Pill Pavilion ?

"

They all trembled, and then walked over quickly, each one was in a very uneasy mood, and apologized to Yue Feng.

“I’ve seen the pavilion master, how offended it was just now!”

“We have eyes but don’t know Mount Tai...”

“Please forgive the pavilion...”

As they said, several people loosened Yue Feng’s ties.

Yue Feng smiled and ignored them, but looked at Cao Qian quietly.

The next second, Yue Feng said with a smile: “How is it? Trust me now, I said just now that we are our own people, but you guys don’t listen!

” Go to the abyss, and finally ask me to kowtow to apologize.”

“Oh, what do you think you guys are all about?”

The tone was leisurely, but when Cao Qian heard it, the words were like a talisman, all of them were pale and panicked.

It’s over, it’s over... I

was so disrespectful to the Pill Pavilion Master just now, and when Master knows it, he must be furious.

Swish!

Sure enough, upon hearing this, Taoist Qianqiu almost exploded with anger, glaring at Cao Qian and angrily said, “You are so daring, you dare to treat the Pill Pavilion Master like this, and you still don’t kneel down and apologize?”

“I tell you, if you can’t let it The pavilion master is satisfied, don’t call me master in the future, I don’t have a disciple like you.”

At this time, the Taoist Qianqiu was very angry, Ma De, he had managed to win over an alchemy genius just now, but he was almost given by these incompetent disciples. get killed.

If something happened to Yue Feng, it would not only be the loss of Chunyang Palace, but also the loss of the entire Jianghu.

hum!

Hearing Master's words, Cao Qian's beautiful face was instantly bloodless, and her delicate body couldn't help but take two steps back. She never thought that the master who had always loved her would be so angry with her today for Yue Feng's sake.

But she also knew that the master was really angry this time.

Pfft!

At this moment, Cao Qian bit her lip tightly, bent her knees, and knelt directly in front of Yue Feng, completely losing her arrogant aura.

"Pavilion Master, I was wrong just now, please forgive me this time."

Cao Qian almost cried when she said this. You must know that in Chunyang Palace, in addition to the master and the palace master, other disciples saw her. They are all polite, when do you bow your head to someone? But today, in front of so many people, not only have to bow to Yue Feng, but also kowtow to apologize.

Really lost face.

Haha...

Seeing her pitiful appearance, Yue Feng smiled slightly and said, "When you see me in the future, you will be so polite, do you understand?"

Cao Qian nodded repeatedly: "Understood, pavilion master!"

Seeing her being so obedient, Yue Feng nodded with satisfaction, turned back to Taoist Qianqiu and smiled: "It was just a misunderstanding, the Taoist priest should not be angry, give this girl a chance."

Although Yue Feng is more than Cao Qian. It's not a big deal, but he has been involved in the arena for more than ten years. Whether it is qualifications or experience in the arena, Cao Qian can't compare.

More importantly, Yue Feng is not only the Nine Heavens Profound Sage, but also the teacher of the Heavenly Emperor. It is not too much to call Cao Qian a girl.

Ha ha!

Seeing that Yue Feng no longer cares about it, Taoist Qianqiu also smiled: "Brother Yue Feng is still young, but he has such a mind, which is really admirable." After speaking,

Taoist Qianqiu glared at Cao Qian and said coldly: "Since the pavilion master doesn't care anymore, I will spare you this time, and next time, I will expel all of you from the division."

Chapter 5010

“Yes, Master!”

Hearing this, Cao Qian and several disciples nodded tremblingly, what else would they dare to say?

However, when Cao Qian lowered her head, she couldn't help but glance at Yue Feng, bit her lip, and swore in her heart that this bastard made me so embarrassed, and I will teach you a lesson when I find an opportunity in the future.

“Brother Yue Feng!”

At this moment, Taoist Qianqiu came over and said with a smile: “There was a misunderstanding just now, please don't worry about it, it's getting late, those Jianghu Xiaoxiao who broke in, let others Go catch, let's go back to Chunyang Palace first.”

Well!

Yue Feng showed a smile and readily agreed.

I have already taken the Celestial Marrow Golden Pill just now, so I don't need to go to the teleportation array at all. I just need to find a place, cultivate with peace of mind, and slowly integrate the power of the Celestial Marrow Golden Pill.

And Chunyang Palace is undoubtedly a very good place.

.....

Earth-circle continent, Donghai City.

Gone, Zhu Bajie, and Xiao Yuruo, the fierce battle between the two sides has been fought from the top floor office of the Liu Group Building to the vicinity of the Zhaixing Building.

They have been playing for hours, but still no winner.

Gone was one to two, facing Zhu Bajie and Xiao Yuruo's joint effort, and was constantly suppressed, and he was very frightened and angry. It's really shameful that he, the supreme being of the Demon Race, has been entangled by two humans for so long.

Mad!

And Zhu Bajie was not in a hurry.

This kid's strength is too strong, he and Xiao Yuruo have been fighting with him for more than two hours. Although they have always had the upper hand, they have never been able to completely suppress him.

Really suffocating.

“Boy!”

At this time, taking advantage of Xiao Yuruo's attention to Gone, Zhu Bajie knew that the opportunity was coming, and immediately shouted: “I think you should give up resistance.” The voice fell, and all the energy in his dantian exploded.

“Roar!”

At the moment when the terrifying aura erupted, a loud roar of a tiger resounded through the sky.

With the whistling sound, Zhu Bajie's figure jumped up, suspended high above the sky, and a huge yellow-spotted tiger appeared in front of him.

This yellow-spotted tiger is more than ten meters long. It is obviously formed by the illusion of internal power, but it is lifelike and has amazing momentum!

Yes, it was one of the great skills of Zhu Bajie's cultivation. With this move, Zhu Bajie defeated the countless guards in Beiyong Imperial City in one fell swoop, with infinite power.

“Kill! Lie down for me, Lao Zhu.” In the

next second, Zhu Bajie shouted and raised his hand straight to Gone.

In an instant, the tiger roared wildly, carrying unparalleled power, and charged directly towards Gone. Wherever the huge body passed, a crack was cut in the air!

Mad!

Seeing Zhu Bajie's ultimate move, Gone's face was extremely solemn, and he didn't dare to underestimate the enemy at that time.

“Boom!...”

Next wonderful, the tiger slammed into the protective film, and a thunderous roar erupted, and the protective film suddenly shattered. come down.

Damn, was actually injured by a human.

Gone stood up quickly, wiped the blood from the corner of his mouth, his eyes were extremely sinister.

Speaking of which, if Goni was at his peak, Zhu Bajie wouldn't even be able to touch his clothes, but Gone had just recreated his demon soul, and he was far from recovering to his peak. , naturally could not resist.

Seeing this scene, Xiao Yuruo was incomparably excited: "Big Brother Zhu, you played well!"

As she spoke, Xiao Yuruo's eyes locked tightly on Gone: "Drain my sister's essence and die!" The voice fell, and Xiao Yuruo clenched her hands tightly. The long sword rose lightly and stabbed directly at Gone's heart.

want to kill me?

Feeling the sternness of Xiao Yuruo's sword, Goni's mouth twitched into a sneer, standing there without escaping, and decisively slapped it with a palm.

boom!

The palm strength and the long sword collided, and a dull sound came out. This palm Goni almost tried his best, but the power was amazing. Xiao Yuruo's face was pale, and her delicate body was directly knocked back ten steps. Even Zhu Bajie had to back away!

Chapter 5011

Taking advantage of this opportunity, Gogone quickly took out a blood-colored pill and squeezed it directly. In an instant, a blood-colored fog spread.

Chi Chi Chi...

I saw that in the place where the blood mist filled the air, the grass and trees withered instantly, obviously containing highly poisonous.

“Poisonous...”

“Big Brother Zhu, be careful...” Seeing this, Zhu Bajie and Xiao Yuruo both exclaimed in surprise, and at the same time quickly avoided back to avoid being contaminated by the blood-colored mist.

Whoosh...

Taking advantage of this opportunity, Gogone's figure flashed, and he rushed towards the distance.

To be honest, just leaving like this, Gogone was very angry and embarrassed, but there was no way, his strength was not at his peak, and he was not the opponent of Zhu Bajie and Xiao Yuruo at all. caught by these two men.

But when he left, Gogone didn't forget to turn his head and glance at the two of them coldly.

Zhu Bajie, Xiao Yuruo, wait for me.

When the deity recovers to his peak strength, he must first take you to the sword....

Gogone's figure exploded to the extreme, and when Zhu Bajie and the two reacted, he had disappeared into the night.

“Aiya!”

Zhu Bajie patted his forehead angrily: “This kid is really cunning, he actually let him run away.”

Xiao Yuruo also stomped her feet in a hurry: “This person is powerful and will absorb the evil spirits of essence. Gong, if you let him escape today, there will be endless troubles in the future.”

This chapter is provided by . Visit for daily update.

After speaking, Xiao Yuruo turned her head towards Zhu Bajie and said, "Brother Zhu, you should stay in Donghai City first to prevent this person from coming back, I will go to Xia Yinzong now and get the news. Tell Brother Wen them."

call!

Zhu Bajie took a deep breath and waved his hand carelessly: "Brother and sister, don't worry, I'll leave this place to Lao Zhu, hehe, as long as I'm here, that kid will definitely not dare to come back."

Xiao Yuruo nodded and explained again After a few words, he immediately set off for Xia Yinzong.

Haha...

Seeing Xiao Yuruo walking away, Zhu Bajie suddenly became excited and said to himself, "That kid Liu Hao ran away, isn't it true that the Liu Group who stayed in Donghai City is ignored, hehe, this is It's cheap, my old Zhu."

Zhu Bajie has no interest in money at all, he is interested in those female stars under the Liu Group, but when Xiao Yuruo was there just now, he was embarrassed to show it, and it was obvious that someone had left, which revealed the lecherous nature.

Speaking of which, with Zhu Bajie's financial resources in the entertainment industry at this time, it would not be a problem to directly acquire the Liu Group.

"Hehe..."

Thinking of those beauties who were all over the country, waiting to be spoiled, Zhu Bajie's eyes almost lit up, and he rushed towards the Liu Group with a big laugh.

...

on the other side, Zhongzhou.

The weather is good today, and the streets of Zhongzhou City are also very lively, full of traffic, and a bustling and peaceful scene.

At this time, on the most famous snack street in Zhongzhou, a young man in sportswear was strolling leisurely. It was Wen Chou Chou's son, Wen Xiaoyu.

Wen Xiaoyu has completely inherited the advantages of Wen Chou Chou, with a face like a crown jade, gentle and elegant, and a proper handsome guy.

Half a year ago, the Ouyang family all lived in seclusion in Xia Yinzong in order to avoid the pursuit of God's Domain. At that time, Wen Xiaoyu also followed. In the first two months, Wen Xiaoyu hardly went out and kept practicing in seclusion.

Recently, after learning that the investigation of the Ouyang family had been lax, Wen Chou Chou started arranging the disciples of the Hall of Longevity and began to conduct activities in various branches.

As Wen Chou Chou's beloved son, Wen Xiaoyu, the future successor of the Hall of Longevity, will naturally come out to experience.

Not only Wen Xiaoyu, but Yue Wuya also came out to start deploying some matters of Tianmen, and set up the main altar of Tianmen in Zhongzhou.

Wen Xiaoyu and Yue Wuya are only two or three years apart. Because of their parents, their relationship is very good. They are like brothers. Today, Wen Xiaoyu passed through Zhongzhou City and thought that Yue Wuya was at the main altar of Tianmen. In the snack street, buy him something delicious.

Um?

Just thinking about buying something, Wen Xiaoyu was attracted by two people not far away.

I saw that the two people were wearing very strange clothes. They were wearing clothes made of special fish scales, which shimmered in the sun. They were very strange. Compared with the people around them wearing modern clothes, they seemed out of tune.

Chapter 5012

Wen Xiaoyu knows that there are many places where the 'dress up' culture is popular. Some people deliberately wear strange clothes to attract attention.

But the two people in front of them, from Wen Xiaoyu's point of view, didn't seem to be pretending to be like this on purpose.

It seems that someone has heard of such a dress...

At this time, Wen Xiaoyu observed for a while, and suddenly thought of something, patted his forehead, and remembered that it was the sea sharks that brother Wuya talked about before.

Yes, the sea sharks.

Two months ago, Yue Wuya and Wen Xiaoyu both retreated in Xia Yinzong. At that time, they had nothing to do. Yue Wuya told Wen Xiaoyu some interesting things. At that time, not only did they mention the sea shark clan, but also specially Said Hai Linger, the princess of the sea shark clan.

Yue Wuya and Hai Linger fell in love at first sight, but at that time they were catching up with the Rakshasa clan to disrupt Kyushu.

Later, the cholera subsided, Hai Linger returned to the station in the depths of the sea, Yue Wuya broke the news with her, but she never forgot her thoughts.

Wen Xiaoyu remembered that when Yue Wuya mentioned Hai Linger, his eyes were full of warmth.

“Maybe...”

At this time, Wen Xiaoyu thought of this, and said to himself: “These two people are really the clan of Brother Wuya’s sweetheart.” Muttering, Wen Xiaoyu slowly walked away. past.

Wen Xiaoyu guessed right, these two people are the sea sharks.

One is Ashu and the other

is Ali. Five days ago, Ashu and Ali accompanied Hai Linger to the mainland for training. When they first landed, something happened, Ashu and Ali stayed at the beach temporarily. At that time, I made an appointment with Hai Linger to meet in Zhongzhou three days later.

However, what the two of them didn’t expect was that when they arrived in Zhongzhou three days later, they couldn’t contact Shanghai Linger. For a time, the two were very anxious.

At this time, Ali and Ashu, from time to time, pulled passers-by to ask questions, and they were sweating profusely.

“Excuse me, have you seen my lady?”

“She is very beautiful. If you can provide clues, I will give you pearls, very large pearls...”

However, Ashu and Ali’s mouths are torn apart. Now, no one paid any attention to them at all, instead they thought it was two neuropathy.

However, the pearls they took out were noticed by a few local gangsters not far away.

Whoosh!

At this moment, Wen Xiaoyu was about to step forward to ask. Suddenly, a gangster with yellow hair rushed over and snatched the bag from Ah Shu's hand.

In the bag, it was the pearls that the two of them used as a reward.

robbing?

This sudden situation made Ashu and Ali a little stunned, but the two quickly reacted and quickly chased after the gangster.

Chasing and yelling.

“Stop!”

“Change our pearls...”

Seeing this scene, Wen Xiaoyu was also stunned, and then quickly followed behind.

Whoa!

A few minutes later, A Shu and A Li chased the gangster to a back street, and they saw a dozen people quickly surrounded them, all of them looking bad, it was the yellow-haired accomplice.

The first one, about thirty, had a scar on his face and looked very ferocious. It was the head of this group of people, nicknamed Brother Scarface.

“Brother Scarface.”

At this time, Huang Mao didn't pay attention to the two of Ashu at all, and blatantly handed the bag to Brother Scarface politely: “This was snatched from them just now, I just touched it. When I touch it, it seems to be a real pearl.”

Hearing this, Brother Scarface opened the bag and took a look, and saw that there were dozens of pearls in it, and each one was full of luster.

However, Brother Scarface only hangs out in Zhongzhou City, with ordinary vision, and immediately frowned: “Is this special code real? They dress like birds and look like beggars, so they can have such valuable things. Son?”

He said that, but he was reluctant to drop the bag.

Huang Mao scratched his head, and was a little unsure for a while.

At this time, Ah Shu couldn't help but said: "There are genuine pearls inside, which are raised by our sea sharks." When the

voice fell, Ali nodded and said, "This is a specially prepared reward, pay it back soon. Give it to us, if you don't want to give it, please help find our eldest lady. Okay?"

Ashu and Ali have lived overseas for a long time, what are they saying in their hearts, and they still don't know the dangers of the mainland rivers and lakes.

Chapter 5013

Are these pearls real?

Hearing the words of the two of them, Scarface Brother and Huangmao looked at each other, each with a wicked smile on their faces.

"Hey!" In the

next second, Brother Scarface put the pearls away and looked at the two Ashu with a half-smile: "Since this thing is real, then I'm welcome and let it all go down."

Ashu With a naive face, he hurriedly said, "Are you going to help us find our eldest lady? Thank you very much." As long as the other party can help find Hai Ling'er, let alone a bag of pearls, even if it is ten times more, it will be offered with both hands.

However, Brother Scarface sneered and ignored him at all.

At the same time, Huang Mao strode out, pointed at Ashu and scolded: "Is there something wrong with your brain? This bag of pearls, even if you honor our brother Scarface, who promised to help you find someone?

"Get the hell out of here!" The

voice fell, and the surrounding accomplices all stared at the two Ashu like fools, and they all laughed.

"Qiao Na is so stupid, it really amuses me..."

"Yeah, I really thought we would find someone for him? Hehe..."

"Go away..."

Listening to everyone's mockery, Ah Shu realized that he had encountered a robber.

Ali next to him, with a hot personality, immediately shouted: "If you don't help find someone, just return the pearl to us." Immediately, he rushed towards Brother Scarface, intending to snatch the pearl back.

However, the two of them, who were responsible for taking care of Hai Linger all the way at this time, had no strength at all.

"I'm going to Nima."

Before Ali rushed to the front, Scarface's face sank, and he kicked his stomach directly and scolded: "How dare you do it in Laozi's place? The special code is looking for death."

Ali covered his stomach, sweating profusely in pain, scolding: "You are a robber, a robber..."

Ah Shu was also angry, rushed over to help Ali, and shouted at Brother Scarface: "You gang of robbers, If you steal something and beat someone, you will be punished."

"You dare to curse me? Brothers, hit me." Brother Scarface was arrogant and waved his hand: "Hit me hard."

Hula ...

the voice fell, and the yellow hairs next to him immediately surrounded him, punching and kicking at Ashu.

"Yes, Brother Scarface, that your pearls are for your face, how dare you not know how to praise us." "You dare to call

us robbers, looking for slaps..."

"Beat them to death..."

Huang Mao Shi A few people scolded and punched each other. Both Ashu and Ali wanted to stand up and resist, but they couldn't stand the crowd, and they couldn't fight back at all.

howling loudly. He has just become a cultivator, and his strength is extremely low.

"Stop!"

At this moment, a cold scolding came, followed by a handsome figure who walked over quickly. With an awe-inspiring look on his face, it was Wen Xiaoyu.

Wen Xiaoyu could hear the conversation between the two parties clearly, and when he learned that the two Ashu were really from the sea shark clan, he immediately came to stop them.

Swish!

Hearing the scolding, Brother Scarface and the others all focused on Wen Xiaoyu, all staring at each other.

In the next second, Huang Mao was the first to react, pointing at Wen Xiaoyu and scolding: "Where is the boy without eyes, dare to care about Brother Scarface? Don't want to live."

Huang Mao kept on Following Brother Scarface's actions, at this time, relying on the number of people around him, he didn't pay attention to Wen Xiaoyu at all. From his point of view, the boy in front of him was pure and white, and there was no threat at all.

At the same time, Ashu and Ali also spoke.

"This little brother, thank you, go away..."

"Yeah, there are many of them..."

In their hearts, Wen Xiaoyu was very grateful for being able to help out, but he is alone, then The opponents of these ruffians?

Wen Xiaoyu smiled at Ashu and signaled not to worry.

Immediately, Wen Xiaoyu looked at Brother Scarface coldly, without the slightest nonsense: "Give it back to them, and then get out immediately." These

people are so arrogant to grab something in broad daylight.

Chapter 5014

Mad!

Hearing this, Huang Mao instantly became angry: "The stinky boy is not too small, mind your own business, right? I will let you know, the end of meddling." The

voice fell, Huang Mao directly rushed over, a Punch to Wen Xiaoyu.

Seeing this scene, Ashu and Ali were both in a hurry, but Wen Xiaoyu was standing there with a sneer, and didn't mean to hide at all.

boom!

The next second, Wen Xiaoyu made a quick shot and punched Huang Mao head-on, and he heard a dull sound. Then, Huang Mao covered his hands, fell to the ground and kept howling.

In the blink of an eye, Huang Mao was sweating profusely. She only felt that her right hand was cracked as if the bones were cracked. She felt extremely painful, and at the same time, she was also extremely shocked.

This kid looks thin and weak, but his fists are so hard?

At this time, Huang Mao didn't know that he was not facing ordinary people, but the young master of the Hall of Longevity, who was famous all over the world.

what's the situation?

All this happened so fast, Scarface brothers were stunned, all of them were full of surprise.

Huang Mao fights very hard, how did he fall to the ground in the blink of an eye?

mad.

Two seconds later, Brother Scarface calmed down and glared at Wen Xiaoyu: "The boy is courting death, the one who dares to touch me, brothers, come together and knock him out for me."

Saying that, Brother Scarface took the lead . He rushed over, followed by a dozen younger brothers.

Ha ha...

Looking at Brother Scarface and the others who rushed up, Wen Xiaoyu was full of contempt. In less than two minutes, more than a dozen Scarface Brothers were knocked to the ground.

This...

Seeing this scene, A Shu and A Li were also stunned. At the same time, they also realized that they had met an expert in the arena, and they were immediately grateful.

"Thank you young man!"

"Thank you young man for helping."

Wen Xiaoyu took out the bag of pearls from Brother Scarface, walked up to the two of Ashu, and smiled: "Lu Jianbu draws his sword to help, you are welcome. ."

With that, Wen Xiaoyu returned the pearls to them and asked, "I saw you guys have been looking for a girl just now, what the hell is going on?"

Alas!

Hearing the question, Ah Shu and Ah Li looked at each other and sighed, both of them extremely ashamed.

Immediately, Ashu explained the situation in detail.

What?

Knowing the situation, Wen Xiaoyu was shocked and his eyes widened: "What did you say? The eldest lady you are looking for is called Hai Ling'er?"

This... Isn't this Brother Wu Ya's sweetheart?

Seeing Wen Xiaoyu's reaction so big, Ashu and Ali were puzzled, but nodded anyway.

Wen Xiaoyu took a deep breath and confirmed again: "Is it the princess of your shark clan, Hai Linger?" This is too coincidental. If it is true, Hai Linger's disappearance is a big deal. Brother Ya knows.

"you..."

Now it was Ah Shu's turn to be stunned. After a few seconds of stunned, Ah Shu took the lead in recovering: "How do you know?" Instead of calling Hai Ling'er a lady, she didn't dare to call her a princess.

Wen Xiaoyu smiled: "Don't panic, I'm not a bad person, but a friend of your princess!"

Then, Wen Xiaoyu couldn't wait: "Go, go see someone with me, and then you'll know That's it." After saying this, he took the two Ashu and rushed towards the main altar of Tianmen.

...

At this moment, the main altar of Tianmen.

In the hall of the main altar, Yue Wuya was sitting cross-legged, closing his eyes and resting.

"Brother Wuya, Brother Wuya..."

At this moment, there was an anxious shout from outside, and then, Wen Xiaoyu walked in quickly with the two Ashu.

Seeing Wen Xiaoyu, Yue Wuya looked surprised: "Why are you here?" After speaking, he looked at the two Ashu in confusion, and was very puzzled in his heart.

The dresses of these two people are from the sea shark clan?

Wen Xiaoyu looked anxious: "Don't ask me how I got here, something big has happened, Brother Wuya."

After speaking, Wen Xiaoyu urged Ashu two: "Tell him the situation quickly, Only he can find your princess."

Chapter 5015

Call!

Hearing this, Ah Shu looked at each other, and then Ah Shu took a deep breath and said to Yue Wuya, "My princess has disappeared." After speaking, he explained the details one by one. come out.

What?

Knowing the situation, Yue Wuya stood up abruptly and was shocked, Hai Linger disappeared?

After being stunned for a few seconds, Yue Wuya hurriedly shouted outside: "Someone, come here..."

Whoa!

The voice fell, and dozens of Tianmen elites ran in quickly.

"Go!"

At this moment, Yue Wuya clenched his fists tightly, and his face couldn't hide the anxiety: "I immediately trace Hai Linger's whereabouts, don't let any clues go, go quickly."

"Yes, Sect Master!"

After hearing the order, dozens of disciples rushed out of the hall.

Half an hour later, the people who went out to investigate sent back the news that after Hai Linger participated in the Beihai City arena, she rested in the local hotel and disappeared after that, but some people saw that in the middle of the night, she and others The contestants were taken away by a group of mysterious people.

Finally, there was the latest news that these mysterious people, the people who held the ring, were gathering at the beach at this time.

Swish!

Hearing these news, Yue Wuya couldn't sit still at that time, patted the table, stood up and said: "The origins of these people who are holding the ring are unknown, and Linger is in their hands, the consequences are unimaginable, no, I will go and save them. They."

"Brother Wuya." Wen Xiaoyu, who was next to him, quickly answered, "I'll accompany you."

Hmm!

Yue Wuya nodded and set off with Wen Xiaoyu, rushing towards the sea.

After several hours of flying, Yue Wuya and Wen Xiaoyu finally arrived at Pearl Harbor. The news they got earlier said that the group of people who held the ring really gathered in Pearl Harbor.

Um?

However, after arriving, Yue Wuya and Wen Xiaoyu both frowned secretly, and they saw the port in front of them. Except for some fishing boats and freighters, there were no people in the rivers and lakes at all.

How could this be? Is the message wrong?

For a time, Yue Wuya frowned, very anxious.

"Brother Wuya! Look..."

At this moment, Wen Xiaoyu found something and pointed to a mountain road ahead: "There are many footprints on this road, they should be heading in that direction."

Yue Wuya hurriedly Looking at it, you can see that there are rows of footprints on the mountain road not far away. It just rained here two days ago, and the ground was wet, so the footprints are very obvious, and the footprints of ordinary people will be very deep, and these The footprints are very shallow, and they are obviously people from all corners of the world.

"Let's go!"

Seeing this, Yue Wuya was very excited, greeted Wen Xiaoyu, and followed the footprints.

After walking for more than half an hour, when they reached a cliff, Yue Wuya and Wen Xiaoyu both stopped, lay on the cliff, and looked towards the beach below.

Seeing this, both of them were very excited.

I saw that on the beach below, hundreds of practitioners were tied up with five flowers. In the middle was a young woman with a beautiful face and a slender figure. It was Hai Linger who Yue Wuya was thinking about.

At this time, Hai Ling'er looked very weak, her body was motionless, and it was obvious that her acupuncture point had been tapped.

Linger....

Seeing Hai Linger, Yue Wuya was excited and excited, and was about to rush down, but at this moment, he was stopped by Wen Xiaoyu.

"Brother Wuya, calm down." Wen Xiaoyu looked serious: "There are many people on the other side, and they are all experts. Let's rush down like this, I'm afraid that we won't be able to save my sister-in-law, and we will startle the snake..."

Hu!

Hearing this, Yue Wuya clenched his fists and calmed down, and then looked in the direction of Wen Xiaoyu's finger, and was also secretly startled.

I saw that there were thousands of masked people around the bound practitioners. These masked people were wearing dark blue long gowns, holding long knives, and they were imposing.

These masked people are not weak, and the weakest are the Martial Saint level.

Not only that, there were several large ships docked at the seaside, with a flagpole standing on the bow, and a soaring dragon was painted on the flag.

Seeing the flag, Yue Wuya couldn't help but muttered secretly, and then his heart was shocked.

With the dragon as the symbol, could it be that... these people are the members of the Hailong Palace, which has recently risen?

The ultimate husband in Chinese chapter 5016-5020

Chapter 5016

At the same time, Wen Xiaoyu also discovered these, and couldn't help but whisper: "These... are they from the Hailong Palace who have been in the limelight recently?"

Hailong Palace, in less than two months Time has ruled the pirate organizations of all sizes in the outer seas, and their strength is so strong that even the major sects in Kyushu that have been passed down for thousands of years dare not provoke them easily.

As the young master of the Hall of Longevity, Wen Xiaoyu naturally understands these situations very well.

Um!

Yue Wuya nodded, but his eyes were fixed on Huan Linger in the crowd on the beach, and he was extremely anxious.

Linger fell into the hands of the Sea Dragon Palace, which was a little troublesome. There were only himself and Wen Xiaoyu here. If you really want to do it, I'm afraid it will be difficult to rescue people.

Even if a summoning order is issued now to summon the people from Tianmen, I am afraid it will not be too late.

At this moment, I saw that all the people of Huan Linger were taken to the big boat, and then the big boat set sail and headed for the depths of the sea.

"Brother Wuya, what should I do?"

Seeing this scene, Wen Xiaoyu was also a little anxious and couldn't help standing up.

Yue Wuya was even more anxious, but he still tried to calm himself down at this time. He took a deep breath at that time and said slowly: "We will definitely not be able to face it head-on, we can only follow up first."

After that, Yue Wuya said Rush down the cliff quickly. Wen Xiaoyu followed closely.

Two minutes later, Yue Wuya and the two found a small boat and chased after the ship in the direction of the departure of the Sea Dragon Palace.

Chunyang Palace!

After half a day, the elites of the three major sects came out to arrest and expel all the people who broke into the mysterious realm of the sky. After the matter was over, the conference on Taoism was postponed.

After this incident, the Palace Master of Chunyang Palace immediately called the elders for a meeting.

At this time, in the hall, all the elders of Chunyang Palace were all present. As the just-appointed Pill Pavilion Master, Yue Feng will naturally also be present.

I saw that there was a throne in the middle of the hall. Sitting on it is a figure with thousands of postures, which is the Palace Master of Chunyang Palace, Su Lan.

Su Lan is the twenty-third generation head of Chunyang Palace. She is in her thirties this year, but she is well maintained and her strength is unfathomable.

Today, Su Lan, wearing a dark purple dress, is sexy and charming, and at the same time gives people a feeling of 'mother in the world'.

call!

Although Yue Feng knew that the palace owner was a beautiful woman on his way to Chunyang Palace, he couldn't help but light up when he saw Su Lan at this time.

Beautiful, I didn't expect the palace master to be so sexy.

In addition to Su Lan, Ye Feng looked at the elders around him. In addition to the first elder, Daoist Qianqiu, there were also four elders. It was the first time that Yue Feng had met.

The second elder, Chen Ya, is also a woman, in her forties, her charm is still alive!

The third elder, Gu Chen, was thin, but his face was full of arrogance.

The last tall man was the fourth elder, Temur, who had an honest personality and possessed unparalleled divine power.

call!

At this time, Su Lan looked around, and finally her eyes fell on Yue Feng, her eyes full of curiosity.

It was also the first time she saw Yue Feng, and she had heard Taoist Qianqiu specially say that this person could refine medicine pills, but now it seems that this person is so young that he can't be associated with the medicine alchemist.

“Palace Master!”

At this moment, the third elder Gu Chen strode out, first glanced at Yue Feng contemptuously, and said loudly: “This Yue Feng is so young and his strength is still so low, the first elder actually proposed to let him do it. Pill Pavilion Pavilion Master, isn't it too playful?”

When he said this, Gu Chen gave Daoist Qianqiu a provocative look.

Although they are all elders, Gu Chen has always been at odds with Daoist Qianqiu. Although Daoist Qianqiu is a great elder, he is qualified to arrange the position of Pill Pavilion Pavilion Master, but it also makes Gu Chen very uncomfortable.

Chapter 5017

Call!

Seeing this situation, Yue Feng smiled bitterly, it seems that his wish to cultivate well in Chunyang Palace is about to be dashed.

It's only the first day here, and some people don't like him.

Taoist Qianqiu also changed his face and walked out very unhappy, and said to Gu Chen: “What do you mean? I, Taoist Qianqiu, are loyal to Chunyang Palace, and in such an important position as Pill Pavilion Pavilion Master, I will be random. Are you coming?”

The Taoist Qianqiu was very angry at this time.

This ancient morning is really hateful. Whenever he gets the chance, he goes against me everywhere.

Hehe...

Hearing this, Gu Chen sneered, and said yin and yang strangely: “What is the truth, you know it well.”

Seeing him like this, Qianqiu Daoist is not good, but he doesn't bother to pay attention to it, and bows his hands to Su Lan. : “Palace Master, this Yue Feng's strength is not high, but his accomplishments on his face, I have seen it with my own eyes

. come out.

At the end, Taoist Qianqiu said slowly: "At that time, there were many disciples around who saw it, which can prove that this old man is not lying!"

Wow!

The words fell, the entire hall was in an uproar, and all the eyes on the scene looked at Yue Feng in astonishment, and they were speechless.

At such a young age, he was able to concoct alchemy on the spot, and he used a copper cauldron to refine it...

It's unbelievable to think about.

At this moment, Su Lan also nodded slightly, looked at Yue Feng and smiled lightly: "Since the first elder said so, it seems that you have real materials, okay."

Saying that, Su Lan looked around and said slowly: "From now on, this palace announces that Yue Feng is officially the Pill Pavilion Master of our Chunyang Palace, this matter is settled, and everyone should not have any objections. "

It wasn't loud, but there was no doubt about it.

At this moment, Gu Chen felt very unhappy, but the Palace Master had spoken, and he did not dare to say anything.

After all, the Palace Master always walks the talk, she has made a decision, who dares to refute?

Haha...

At this time, Taoist Qianqiu was very happy, and congratulated Yue Feng: "Brother Yue Feng, I'm right, the palace master has a discerning eye, and will definitely promise to let you be the master of the Pill Pavilion. " Speaking, Taoist Qianqiu did not forget to sneer

at Gu Chen: "It's not like some people, who have no eyes, no bullshit!" It's not easy to attack, but he just glared at Taoist Qianqiu. At the same time, other people around also gathered around and congratulated Yue Feng. Yue Feng smiled, and after greeting them one by one, he moved forward slowly, and said to Su Lan with a smile: "Thanks to the appreciation of the palace master, I am very grateful to be the master of the Pill Pavilion. Before coming, I prepared a medicinal pill to express my gratitude to the Palace Master." After speaking, Yue Feng took out a medicinal pill from his body. Although Yue Feng promised to stay in the Chunyang Palace, the main purpose was to integrate the power of the Heavenly Marrow Jindan, so as to quickly restore the divine power, but in any case, since he was in the Chunyang Palace, he had to find a way to please some palaces. host. After all, after making the Palace Master happy, it will be much more convenient to do things in Chunyang Palace later. Therefore, just before

coming to the main hall to gather, Yue Feng took the opportunity to secretly refine a magic face bead.

Huanyanzhu, as the name suggests, can make people's faces more beautiful, and can make ugly girls beautiful. Back then, when Liu Xuan was beaten by Lu Jiechen, the leader of the Ming sect, she used a poisonous palm to hit her and became extremely ugly. Not wanting to live anymore, Yue Feng traveled almost all over the continent of Kyushu in order to treat her face.

Later, Yue Feng learned from Chang'e that there was a kind of magic face beads in the Beiyang Palace, which could make people beautiful, so he brought it to Liu Xuan to take. As a result, Liu Xuan regained her appearance and even became more beautiful than before. beautiful.

It's just that Yue Feng only got one at that time, and after Liu Xuan took it, there was no more, and there was no refining method for Huanyan Pearl at that time.

However, Yue Feng never gave up trying to make it. Later, Yue Feng became the master of Prince Aolin in God's Domain. In his spare time, he studied how to make magic face beads.

Chapter 5018

At the end, it was really researched by Yue Feng.

Later, Yue Feng wanted to return to the Kyushu Continent, but he came to the Ziwei Continent by accident. He was thinking about going back, and he forgot about the Huan Yanzhu.

And when I came to see you today, Su Lan, Yue Feng suddenly remembered.

Yue Feng knew in his heart that no matter what kind of woman she was, she had an indescribable obsession with her appearance, and she couldn't stop the temptation to become even weaker.

Swish!

In an instant, the eyes of the entire hall were all focused on Yue Feng's hands, and they saw that this medicinal pill was actually colorful and colorful, and the appearance was filled with spiritual energy, which was very attractive.

Su Lan's delicate face was also full of curiosity, and she asked Yue Feng with a smile: "The pavilion master has this intention, this palace is very pleased, this medicinal pill is so beautiful, I don't know what it is called? What effect does it have? Ah?"

Su Lan was unspeakably excited when she said this.

You must know that as the Palace Master of Chunyang Palace, although you don't know how to concoct pills, there are also a lot of top-quality pills in the Palace of Pure Yang.

However, the pill that Yue Feng took out in front of him had never been seen before.

Colorful medicinal pills, let alone seen, just never heard of it.

Phew...

At the same time, everyone around was watching Yue Feng closely, waiting for his answer.

Especially the Taoist Qianqiu, who is full of smiles. After all, Yue Feng was attracted by him. At this time, he took out such a gorgeous medicinal pill and presented it to the palace master, and he also had a face.

However, Gu Chen, who was standing aside, was full of disdain.

At this moment, Yue Feng smiled slightly, looked at Su Lan and explained, "Reporting to the Palace Master, this medicinal pill of mine has an extraordinary origin. It is called Huanyanzhu, or Huanyandan, which has the effect of maintaining beauty and beauty. , stay young forever..."

Hiss.

Hearing this, everyone present couldn't help but take a deep breath of cold air, and they were all shocked.

Is there such an elixir in the world? If it's what he said, it's priceless. Su Lan was also so excited that she even forgot her identity, her delicate face was full of joy, she quickly stood up and said, "Is what the pavilion master said true? Does

it really have such an effect?" This is the dream of any woman in the world. Although Su Lan is the Palace Master of Chunyang Palace, she is also a woman, so why not get excited? Haha.. At this moment, Taoist Qianqiu laughed and praised Yue Feng:

"Brother Yue Feng, you really have a heart, you must know that our palace lord is the number one beauty in the rivers and lakes, and now we have this illusion. Pearl, the appearance is even more unparalleled." Saying that, Taoist Qianqiu helped to take the Huanyan Pearl and walked quickly to Su Lan: "Palace Master, Brother Yue Feng is so caring, you can take it quickly, or let it be We've known each other for a long time."

Hmm! Su Lan nodded, took the medicine pill and took it. You must know that Su Lan trusts Taoist Qianqiu very much. At this time, seeing that he respects Yue Feng so much, coupled with the effect of this medicine pill, is so tempting, naturally there is no hesitation. call! Seeing that the Palace Master took the medicine pill, all of the people in the hall were staring at Su Lan, holding their breath and waiting quietly for the effect!

Yue Feng and Taoist Qianqiu stood aside, chatting and laughing, very relaxed and comfortable.

“Brother Yue Feng, do you have any other rare medicinal pills?”

“Of course there are. When there is time in the future, my brother will refine a few for the Great Elder.”

“Haha...Okay, okay.” The

two laughed, time has passed.

Wow...

Ten minutes passed in the blink of an eye, and everyone couldn't help but take a deep breath and was amazed.

I saw Su Lan's delicate face, which obviously looked different from before, more rosy and lustrous, and looked much more beautiful than before, radiant and indescribably bright and moving.

Especially the female disciples around, covering their mouths one by one, their eyes full of amazement.

This...is this the effect of the magic face beads?

Amazing.

“Okay, okay...” At this time, Su Lan looked in the mirror, and she was also elated and overjoyed. After saying a few good words in a row, she looked at Ye Feng's eyes and praised it extremely: “Pill Pavilion Pavilion Master really has a heart, from now on, I will give you the Palace Master Jade Order to enjoy the treatment of the Deputy Palace Master.”

Chapter 5019 After speaking

, he took out a jade order from his body and asked the maid next to him to hand it over to Yue Feng.

Yue Feng was not polite, took it in his hand, and thanked him with a smile: “Thank you, Palace Master!”

Wow!

At this moment, the entire hall was in an uproar, and everyone looked at Yue Feng with incomparable envy. This Yue Feng, who had just become the pavilion master of the Pill

Pavilion, was now given the palace master jade decree and enjoyed the treatment of the deputy palace master.

This is an unprecedented treatment in the entire Chunyang Palace.

Hehe...

But at this moment, Gu Chen, who had been watching with cold eyes, immediately sneered, then strode out, and said to Su Lan: "Palace Master, what is a mere phantom bead? I was in the mysterious realm of heaven before, expelling it. When the rivers and lakes were young, their subordinates accidentally got a golden pill."

After speaking, he took out a pill from his body, and saw the pill, golden light, very dazzling.

Hiss...Kindane.

At this moment, whether it was Su Lan or everyone present, they were all shocked, their eyes locked on the golden pill in Gu Chen's hand, and they were shocked.

The three major sects have controlled the Heavenly Mysterious Realm for nearly a hundred years. In the past hundred years, the Chunyang Palace has also entered into the exploration many times. I know very well that this secret realm is left by the gods, and the medicinal pills in it are extremely rare, even if it is The alchemists on Ziwei Continent have not broken their inheritance, and they cannot refine them.

In particular, the golden core is something unique to the gods. According to legend, after taking Jindan, you can be reborn and possess supreme divine power.

It's just that over the years, Chunyang Palace has probed it hundreds of times. Except for some ordinary medicinal pills, I have never seen the shadow of the legendary golden pill.

Unexpectedly, Gu Chen found one this time.

call!

At this moment, Taoist Qianqiu frowned and looked at Gu Chen tightly, unable to speak for a while, and felt very unhappy in his heart.

Ma De, no wonder Gu Chen dared to embarrass me in person today. It turns out that he found the golden elixir, which is why he is so confident.

Jindan?

At the same time, Yue Feng was stunned for a while, secretly looking at the golden pill in Gu Chen's hand, thinking.

Judging from its appearance and luster, it should be a golden core, but it seems that it has been sealed for a long time.

"Not bad..."

At this moment, Su Lan recovered and said excitedly: "Quick, show it to me." His voice trembled, you know, this is a golden pill.

As long as you eat it, you can have supreme divine power. Who wouldn't be excited when you see it?

Gu Chen showed a smug smile, strode forward, and was about to hand over the golden pill to Su Lan.

At this time, Gu Chen's heart was almost a little swollen. You must know that Jindan is a treasure that everyone in Jianghu dreams of and cannot get. Today, it is dedicated to the palace master. In the future, his status in the Chunyang Palace will rise with the tide.

What Qianqiu Daoist, the Pill Pavilion Master Yue Feng, sees himself, and he has to behave himself with his tail between his legs.

For a time, the more Gu Chen thought about it, the more excited he became.

"Wait!"

At this moment, Yue Feng suddenly said: "Palace Master, I'm afraid there is something wrong with this golden pill." I was

not sure just now, but now, Yue Feng is more certain in his heart, the one in Gu Chen's hand It is indeed a golden core, but this golden core, in the mysterious realm of the sky, has been dusty for many years, and the effect has already changed.

After all, Yue Feng was the teacher of the Emperor of Heaven. He had stayed in God's Domain for a long time in order to teach Ao Lin before, and he could tell at a glance whether the golden core had failed.

You must know that Jindan is something that only exists in the realm of the gods. It contains an incomparably full of spiritual energy of heaven and earth. In the mysterious realm of heaven, the spiritual energy of heaven and earth is thin, and if it is placed for a long time, the effect will naturally decay slowly.

As for Yue Feng's Heaven Marrow Golden Pill, although it was obtained from the Heavenly Mysterious Realm, this Celestial Marrow Golden Pill was always held by the

fairy, and the fairy deployed a spirit on the surface of the Celestial Marrow Golden Pill. Power protection, so it has not failed.

And Gu Chen's golden pill was obviously not protected by the deployment of spiritual power.

Of course, this is not important. The important thing is that taking Jindan rashly after it fails will be very dangerous. It is precisely because of this that Yue Feng will come forward to stop it.

Chapter 5020

Swish!

At this moment, Yue Feng's voice was just upstairs, and the eyes of the entire hall instantly converged.

Gu Chen was even more angry, stared at Yue Feng and shouted: "What did you say just now, do you say it again?" Ma De, he finally got the golden pill from the mysterious realm of the sky, he actually said that there is a problem ?

Who is this, who is not angry?

At the same time, the eyes of the people around were also a little complicated.

call!

Yue Feng breathed a sigh of relief, smiled, walked over slowly, looked at Gu Chen seriously, pointed at the golden pill in his hand, and said, "I said, this golden pill has been sealed in the secret realm for many years, and it has expired. "

Furthermore, this is not something that only exists in the human world. If you take it rashly, it may be life-threatening."

Ineffective?

Hearing this, Gu Chen's eyes twitched, and then he sneered: "It's ridiculous, what kind of magic face beads are you presenting to the palace lord, you are talking about it, and it is rare in the world, so no one else is allowed to offer Dan to the palace lord. Medicine?"

"Your magic face beads are good, so you deliberately said that my golden elixir is invalid? I see, you are afraid that I will steal the limelight?" After speaking

, Gu Chen said with a straight face: "I I am loyal to the Palace Master, and I never thought of deliberately trying to please the Palace Master. When I got Jindan, the first

thing I thought of the Palace Master was completely sincere, but you, this kid, deliberately did bad things? You said, What's your peace of mind?" The

words, impassioned, directly described Yue Feng as a narrow-minded 'villain'.

Whoa!

At this moment, everyone around was also whispering, and looking at Yue Feng's eyes, it became complicated.

"Could it be that Elder Gu Chen is right..."

"I can't see that Yue Feng is so gentle and gentle, and his mind is so narrow." "

Who knows, let's look at the situation."

, When I heard a sentence, Yue Feng just pretended he didn't hear it, but looked at Su Lan and said, "Palace Master, I don't mean anything else. There is indeed a problem with this golden pill.

" He walked out and helped Yue Feng to speak: "Palace Master, I believe Brother Yue Feng, he is very accomplished in the art of alchemy, and he will definitely not see it wrong." After speaking, he

couldn't help but glance at Gu Chen. . Ma De, this Gu Chen clearly wanted to steal the limelight himself, but conversely, he said that Brother Yue Feng is a villain, which is really hateful.

This...

Hearing this, Su Lan pondered, Xiumei frowned, and she was a little uncertain for a while. Seeing this situation, Gu Chen was completely anxious, pointed at Yue Feng and shouted: "You still want to talk nonsense

, right? You said that this golden pill is invalid, how do you prove it?"

Gathered on Yue Feng.

Yeah..

he said it failed, how to prove it?

Facing the eyes of everyone, Yue Feng smiled lightly, looked at Gu Chen and said: "It's very simple, find someone to take it and see if it works."

"If you don't believe it, we can make a bet. You deal with it."

“If the golden pill is invalid, how about you kneel down and kowtow to me three times?”

Seriously, Yue Feng didn't want to challenge Gu Chen, but this man's aggressive attitude really made Yue Feng intolerable.

What?

Hearing this proposal, Gu Chen's expression changed. He didn't seem to have thought that Yue Feng would bet with him.

The next second, Gu Chen subconsciously glanced at Su Lan.

This golden elixir was originally dedicated to the palace lord. If it was a bet, it would be inappropriate for the palace lord to take it.

But .. this is a golden elixir, and it is reluctant to let others take it.

“Okay!”

After struggling for two minutes, Gu Chen gritted his teeth and said to Yue Feng, “I bet you, I take this golden pill myself, I don't believe it, it's really like what you said, it can Dead man.” The

voice fell, Gu Chen threw the golden pill into his mouth and swallowed it directly.

In his heart, this golden elixir was not suitable for the palace lord to take, and he was reluctant to give it to others, so he simply took it himself. After all, this is a golden pill. If it doesn't fail, after taking it, its strength will definitely improve by leaps and bounds.

Even if it fails, it cannot be as serious as Yue Feng said, and it will only be uncomfortable for a few days at most.

The ultimate husband in Chinese chapter 5021-5030

Chapter 5021

“Yue Feng!”

After swallowing the golden pill, Gu Chen said coldly at Yue Feng with a grim face: “If you prove that this pill is real, you have committed an unforgivable crime. “

I originally intended to dedicate this golden pill to the palace lord, but because I bet with you, I ate it myself. It was you who made the palace lord lose an opportunity to improve his strength, so you can ask for more after a while. Blessed.”

Wow...

the voice fell, and everyone around was talking about it.

“Elder Gu Chen is right.”

“Yes, only the palace lord is eligible to take the golden pill, and now, just because of Yue Feng’s words, the elder Gu Chen is forced to make a bet with him that if the golden pill is real, Didn’t the palace master lose the opportunity?”

“Who said no?”

Everyone around, the comments from you and me are all unfavorable to Yue Feng.

However, Yue Feng had a smile on his face, and his mood was not affected at all.

But seeing this scene, Taoist Qianqiu was a little panicked in his heart. He hurried over and whispered to Yue Feng: “Brother Yue Feng, have you seen it clearly? Is the golden pill really ineffective?”

You know, this But Jin Dan, in the entire Ziwei Continent, I am afraid that it may not be possible to encounter one for thousands of years, but it was found by Gu Chen.

And Yue Feng actually said that it was invalid.

If it really fails, it’s fine. If it doesn’t fail, the palace master will be furious. , forcing Gu Chen to eat it himself.

If Yue Fengwan took a wrong look, he would not only be angered and punished by the palace master, but he would also suffer. After all, Yue Feng’s position as the master of the Pill Pavilion was highly recommended by him.

This chapter is provided by . Visit for daily update.

“Relax!”

Feeling the apprehension of Taoist Qianqiu, Yue Feng nodded, and responded with relief, but at the same time, he was secretly funny, this Taoist Qianqiu is really interesting, are you afraid of being implicated by me? It was so tense.

Seeing him say this, Taoist Qianqiu breathed a sigh of relief, but he was still a little nervous.

For a while, the hall was silent.

Everyone looked at Gu Chen quietly, waiting for the reaction of Jin Dan after he took it.

Su Lan sat on the throne, her delicate face did not fluctuate at all, and her mood was extremely complicated.

It would be better if the golden pill failed.

If it didn't fail, wouldn't he miss a once-in-a-lifetime opportunity?

Let's wait and see Gu Chen's reaction.

Soon, ten minutes passed.

Hehe...

Gu Chen was full of pride, couldn't help but sneered at Yue Feng: “Boy, have you seen it? I don't have anything at all right now. You say this golden pill is fake, it's completely nonsense. “The

voice fell, and everyone around them began to discuss again.

“Looking at this, there is no problem with Jindan.”

“Alas, this Yue Feng is still young. Even if he can make alchemy, how could he have seen this rare Jindan?”

“Yeah, for the sake of grandstanding. , just say Jindan is fake, now it's good, it's self-defeating, wait and see how he ends.”

Seeing everyone say this, Dao Qianqiu's heart trembled, but he felt that he could not stand still.

Done.

Looking at it like this, Jindan really did not fail.

Brother Yue Feng's judgment was wrong, and he will inevitably be punished by the palace master later, and I am afraid that he cannot escape the guilt.

However, Yue Feng was indifferent and didn't care about the comments of the people around him, but looked at Gu Chen with a half-smiling smile: "Elder Gu Chen, you said that this golden pill is not ineffective, then let me ask you, your strength has improved. Is it?"

This Gu Chen is really interesting, the disaster is imminent, and he doesn't know it yet.

Um?

Hearing Yue Feng's question suddenly, Gu Chen was stunned, and at the same time, he was also secretly puzzled, yes, Jin Dan has been eating for so long, why is there no sign of improvement in his own strength?

At the same time, everyone around them frowned.

"Elder Gu Chen, it seems that his strength has not improved at all."

"Yeah, it has been a long time, and there is no movement at all." "

What is the situation?"

Well, I don't understand the situation at all.

Chapter 5022

Hehe...

At this moment, Gu Chen reacted and shouted at Yue Feng: "Good boy, are you trying to bluff me? This golden elixir is a rare treasure, how can it be found so quickly? The effect?"

"I tell you, it's been such a long time now, I don't have anything to do, don't think about delaying the time, the palace lord you killed can't take the golden pill, go to the palace lord and take the guilt, young You are messing around with me."

After saying this, Gu Chen turned his head and said to Su Lan: "Palace Master, it has been proved that this Yue Fengxin is completely unreasonable, right or wrong, please ask the Palace Master to clarify."

Shuh!

The voice fell, and the eyes of the audience suddenly converged on Su Lan.

Everyone present at this time knew what happened to Yue Feng. At this time, it was Su Lan's words. After all, Elder Gu Chen took Jindan for a while, and there was nothing wrong.

It can be seen that this golden pill has not failed. As Gu Chen said, the golden pill is a rare treasure, and it is impossible to have an effect so quickly.

Hmm...

In the face of this situation, Su Lan's delicate face did not fluctuate at all, and she pondered.

Afterwards, Su Lan looked at Yue Feng and was about to speak. Suddenly, seeing Gu Chen's expression changed, she immediately covered her heart and sat on the ground.

Pfft! When he was slumped on the ground, he saw that Gu Chen

was sweating coldly, his face was pale, and he seemed to be unable to speak properly. He stammered: "Cold, it's so cold..."

Falling into an ice cave, it was biting cold, as if the soul had been frozen.

Yes, it was caused by the failed golden elixir.

Yue Feng's guess was good. After the Jindan expired, it would be very dangerous to take it rashly. Just now, Gu Chen had not responded because the Jindan had been ineffective for too long and the effect had not yet been exerted.

what's the situation?

Seeing this scene, everyone was shocked.

I saw Elder Gu Chen in front of him, his face as white as paper, and the cold sweat on his body quickly turned into ice slag, which looked very scary.

Only Yue Feng shook his head secretly, sigh, Gu Chen's personality is too stubborn, he just said that this golden pill is ineffective, he doesn't believe it, and he has to say that I am talking nonsense.

"It's hot, it's so hot..."

Just when everyone was in shock, they saw Gu Chen called out again, his face full of pain, and the ice slag on his body melted at the speed visible to the naked eye, and it was replaced by a burning fire. flushed.

At this time, Gu Chen only felt that he was still in the ice cave for a second. At this moment, he seemed to fall into the burning mouth. His whole body was extremely hot, and his soul was burning. This kind of taste will never be forgotten for a lifetime. .

This...

At this time, everyone around also reacted and exclaimed one by one.

“It seems that the Pavilion Master of Pill Pavilion is right.”

“Yeah, it seems that this golden pill is really ineffective.

” The pill has failed.”

Everyone was discussing, looking at Yue Feng’s eyes, no longer had the suspicion before, but showed deep admiration and reverence.

call!

At the same time, Taoist Qianqiu was originally worried that he was about to die, but he was relieved at this time, patted Yue Feng on the shoulder, and said with a smile:

“Brother Yue Feng, you are really amazing, whether this golden elixir is invalid or not, it can even be used. I can see, it’s amazing, it’s amazing.”

When speaking, Taoist Qianqiu didn’t even look at Gu Chen.

The people around also complimented Yue Feng one after another. They changed their faces faster than turning over a book. Just now, they followed Gu Chen to question Yue Feng, but now that the situation has reversed, their expressions have changed.

Su Lan also secretly exhaled, feeling very fortunate.

Fortunately, I hesitated a moment ago and didn’t take Jindan to take it. Otherwise, wouldn’t life be better than death like Gu Chen?

For a time, everyone’s attention was on Yue Feng, completely ignoring Gu Chen.

“Ah...”

At this moment, Gu Chen shouted, his face full of pain, and he rolled directly on the ground: “Uncomfortable... I’m going to die, I’m going to die...” The

huge pain continued to invade Gu Chen’s sensory nerves, for a while, seemed to be frozen, and for a while, they seemed to be roasted on the fire. The taste was like death.

Chapter 5023

“Pavilion Master!”

However, Gu Chen still retained a bit of the situation, with tears streaming down his face, raising his head and staring at Yue Feng, full of pleading and anticipation: “I was wrong, I beg you, save me Me, help me...”

Gu Chen is not stupid, since Yue Feng can see at a glance that the golden pill has failed, there must be a solution.

After all, he is the pavilion master of the Pill Pavilion.

“Okay!”

Yue Feng looked at him with a half-smile, with a playful look on his face: “However, you lost the bet, so you shouldn’t have forgotten. What should you do?”

“I was wrong, I know I was wrong.” Gu Chen had a sad face, and regretted it in his heart. He knew that this golden pill was really ineffective, so he was less impulsive just now and swallowed it.

It’s too late to say anything now.

It’s just that he is also the elder of Chunyang Palace, and now he apologizes to Yue Fengxia in public, he really can’t afford to lose this person.

Ha ha!

Seeing him hesitating, Yue Feng smiled lightly, turned his head towards the Taoist Qianqiu and said: “Master, the weather is good today, I just came to our Chunyang Palace, I haven’t had a good time, I heard that there are many scenery in our mountain gate, I don’t know if you are interested, be a guide for me.”

While saying that, Yue Feng glanced at Gu Chen casually.

Just now he was targeting me everywhere, but now that something happened, he was thinking of me? If you want me to save you, but don’t want to kneel down and apologize, how can there be such a good thing in the world?

Daoist Qianqiu is also a good person. He immediately heard the sound of Yue Feng’s words, and immediately nodded with a smile: “Of course, I can be a guide for Brother Yue Feng, haha, but it’s an honor for this old man.

” There is a maple forest, and there is a hot spring next to it, how about I take you there?”

Saying that, Taoist Qianqiu also glanced at Gu Chen proudly. Mad, this kid, because he is also an elder, will go against me if he is okay, but today he smashed himself in the foot with a stone, which is really pleasing.

The two laughed and walked out of the hall.

In fact, Yue Feng didn't really want to leave, but deliberately stimulated Gu Chen.

Huh...

Seeing this scene, everyone around them laughed and said nothing. They could all see that Yue Feng did it on purpose, but none of them came out to speak for Gu Chen.

After all, Yue Feng had just joined the Chunyang Palace, but Gu Chen was always targeting others, but it was a bit too much. Now he has suffered a loss, and his memory is good.

"Don't!"

Sure enough, before taking two steps, Gu Chen's expression changed, and then he rushed over and crawled, hugging Yue Feng's legs tightly, almost crying: "Pavilion Master, you can I can't go, if you go, I will die."

Yue Feng looked at him with a half-smiling smile: "Really? But I see you, it doesn't look like a big disaster is coming, you won't lose the bet. admit..."

What? I'm dying, doesn't it seem like a catastrophe is imminent?

Hearing this, Gu Chen wanted to cry without tears, and immediately gritted his teeth and said, "Pavilion Master, it was my rudeness just now, it was my fault!"

"I kneel down and apologize!"

After saying the last word, Gu Chen hurriedly said. Kneeling in front of Yue Feng, at this moment in his heart, the elder's face and self-esteem were all forgotten.

No matter how important face is, life is not as important.

"Pavilion Master, I beg you, I beg you to save my life." At this time, Gu Chen clutched Yue Feng's trousers tightly, snot and tears, indescribably pitiful!

Um!

Seeing that he was finally soft, Yue Feng nodded and said earnestly: "You talk about internal strength, move to the vicinity of the 'Five Treasures' and 'Baichi Points', slowly

expel the remaining power of the golden elixir inside, and, Within half a month, you can't easily use strength to recover."

As the teacher of the Heavenly Emperor, Yue Feng naturally knew how to solve the side effects of the failure of the golden elixir.

Hearing this, Gu Chen didn't dare to neglect, and hurriedly operated his inner strength according to Yue Feng's instructions. Soon, the pain in his body was relieved a lot.

"Many thanks to the pavilion master, many thanks to the pavilion master..."

At this moment, Gu Chen no longer dared to despise Yue Feng in the slightest, and continued to thank him.

Whoa!

At the same time, everyone around was amazed and gave Yue Feng a thumbs up.

"Pill Pavilion Master, it really lives up to its reputation. The side effects of this golden pill have been resolved so quickly."

"It's really amazing, I admire it..."

Chapter 5024

"Yeah, Pill Pavilion Master, he truly deserves his name..."

Seeing everyone complimenting Yue Feng, Taoist Qianqiu also felt that his face was very bright, laughed and said: "Okay, you guys Don't brag about it, Brother Yue Feng, but the one I've drawn to our Chunyang Palace is weak? Haha..."

Everyone nodded in agreement.

This is, Yue Feng showed a smile, looked at Gu Chen quietly and said: "Elder Gu Chen, you will change your character in the future, you know? If you don't understand things, don't say it so absolutely. Otherwise, you will suffer in the end."

"Yes, yes..." Gu Chen nodded again and again.

Just now I learned the taste of a failed golden pill, but at this moment in front of Yue Feng, how dare Gu Chen say nothing?

"Okay!"

At this moment, Su Lan, who had been sitting on the throne, smiled slightly and looked at Yue Feng and said, "Just now, Pavilion Master of Pill Pavilion, to help resolve the

crisis of Elder Gu Chen is really exciting. Vision, it's getting late, everyone should go to rest."

Saying that, Su Lan looked at Yue Feng with a smile: "Yue Feng, you just came to Chunyang Palace, and I will let Taoist Qianqiu accompany you to walk around with you later. Familiarize yourself with the environment."

At this time, Su Lan, the more she looked at Yue Feng, the more pleasing to the eye.

Thanks to Yue Feng, who stopped him in time, he didn't take Jindan rashly. Otherwise, Gu Chen's encounter just now would be replaced by himself. After all, he is also the Palace Master of Chunyang Palace. Sweat, cold and hot, how ugly.

"Yes, Palace Master!"

Upon hearing the order, Taoist Qianqiu responded with a smile, and then pulled Yue Feng out of the hall.

I have to say that the scenery of Chunyang Palace is very good.

The entire Chunyang Palace, built halfway up the mountain, is an antique building, with pavilions and pavilions, scattered in an orderly manner, and it is refreshing to walk during the period.

When we approached the maple forest behind the mountain,

there was a big difference, Tian Maru Jindan was very annoyed and at the same time speechless. This guy is too talkative. For a time, he was speechless.

Seeing that he didn't speak, Taoist Qianqiu was even more proud: "I didn't expect that Tianmen Sect Master Yue Wudi was so timid and cowardly that he didn't even dare to enter a small forest."

"Haha..."

At this time, Taoist Qianqiu was walking in the In the front, while introducing the surrounding environment to Yue Feng, he smiled and said: "Brother Yue Feng, our Chunyang Palace has been inherited for thousands of years, and is known as the first 'Dongxuan Blessed Land' in Ziwei Continent."

"And this title , Naturally, thousands of years ago, the alchemy skills of our Chunyang Palace were second to none in the rivers and lakes, and were only recognized by the major sects. It's a pity that there was a catastrophe in the rivers and lakes, and alchemy was extinct. This cave of our Chunyang Palace No one has mentioned the title of "Mysterious Blessed Land"."

“However, now that the Yue Feng brothers are here, I believe that with your strength, you will be able to carry forward the techniques of our Chunyang Palace, haha...”

Said At these times, Taoist Qianqiu’s eyes were full of expectations.

Yue Feng also showed a smile: “I only know a little about the art of medicine pills. The Taoist priest has such high expectations for me, but I am flattered.”

When he said this, Yue Feng looked around at the surrounding environment and nodded in approval. .

This Pure Yang Palace is really good, full of spiritual energy, and it is a very rare place to practice. It is the most suitable place to comprehend and integrate the Heavenly Marrow Golden Pill.

“Master!”

Just thinking about it, I saw a disciple hurried over, sweating profusely, and said to Daoist Qianqiu: “It’s not good, Master, the eighth and ninth brothers were just discussing, accidentally except for the mistake, the ninth brother was hit with a sword. , the situation is very critical, Master, go take a look.”

When he spoke, the disciple was almost in a hurry.

“It’s really two idiots.”

Hearing this, Taoist Qianqiu’s expression changed, and he scolded very displeasely: “You can still make such a big mess by learning from each other, it really doesn’t make you worry at all, you go back and watch first. , I’ll be right here.”

“Yes, Master!” The disciple responded, turning around and returning to the original path.

Seeing the disciple walking away, Taoist Qianqiu looked embarrassed and said with a smile at Yue Feng: “Oh, something happened to the disciple, it seems that this old man can’t accompany Brother Yue Feng to continue shopping, or you can go around by yourself. , I’ll go check the situation right away?”

Chapter 5025

The Taoist Qianqiu at this time was very angry.

Originally, I wanted to take this opportunity to have more relationship with Yue Feng, but I didn’t expect that my disciples would be so worry-free. But no matter what, if something happens to the disciple, the master himself can’t ignore it.

Ha ha!

Seeing his embarrassed look, Yue Feng smiled and waved his hand: "Daoist, hurry up, don't let anything happen."

Anyway, it's almost gone, and Yue Feng also understands the general environment of the entire Chunyang Palace. , it doesn't matter if there are thousands of people who follow.

"Okay, then Brother Yue Feng take a walk slowly, I'll go first."

Hearing Yue Feng's words, Taoist Qianqiu smiled, turned around and left quickly.

call!

After Taoist Qianqiu left, Yue Feng was a little bored. Looking at the maple forest not far ahead, he suddenly thought that Taoist Qianqiu said just now that there is a hot spring through the maple forest.

Anyway, if you have nothing to do, just relax in the hot spring.

After making up his mind, Yue Feng walked towards Fenglin, and when he was about to reach the hot spring, he heard the sound of playing with water in front of him.

Um? Is someone taking a bath in the hot spring?

Moreover, listening to the voices of two women, so clear and sweet, they should be beautiful women.

Realizing this, Yue Feng wanted to turn around and leave, but he couldn't hold back his curiosity and walked out slowly.

call!

Soon, when I walked to the end of the maple forest, I saw a natural hot spring appeared in front of me. The water mist was like a fairyland, and in that pool of water, there were two graceful figures, playing and playing in it.

What the hell!

In the next second, Yue Feng was stunned when he saw the face of one of the female protagonists.

It was none other than Cao Qian who had met once in the mysterious realm of heaven. At that time, in the mysterious realm of heaven, Cao Qian saw Yue Feng and thought he was a Jianghu Xiaoxiao who slipped in, so he tied him up and humiliated him afterwards. Yue Feng, at a critical moment, Taoist Qianqiu arrived and scolded Cao Qian.

In the end, Cao Qian knelt down and apologized to Yue Feng.

It can be said that Yue Feng had a deep impression on this woman, but he didn't expect to meet again so soon.

In a daze, Yue Feng couldn't help but look at Cao Qian.

Although Cao Qian was wearing clothes, in the water at this time, her charming curves were looming, tight and sexy.

And the one next to him is also fair-skinned and beautiful, indescribably graceful and charming.

At this time, Yue Feng didn't know that the one who was soaking in the hot spring with Cao Qian was the eldest disciple of the palace master, Jiang Hongyu.

Jiang Hongyu, twenty-three years old, although young, is a well-known senior sister of Chunyang Palace. When she was seven years old, she became the master of the palace. Since then, she has been cultivating in Chunyang Palace with deep aptitude. It can be said that, In the entire Chunyang Palace, it has a very high status.

Because he is the eldest disciple of the Palace Master, even the elders like Daoist Qianqiu will give three points politely when they meet him.

“Ah...”

Just when Yue Feng was fascinated by it, the two beauties in the pool also found Yue Feng, blushing suddenly and exclaimed.

At the same time, the two women also hurried to the water's edge, trying to block themselves with the stones by the water's edge.

It's just that the stones by the water are too small, and the spring water is clear, Yue Feng can still clearly see through the water and see their slender curves...

“You...”

In the next second, Ouyang Jiang was the first to react, staring at Yue Feng with shame and anger: “You... Who are you? Who told you to run around? Get out of here quickly...”

This man, who seemed to be Sven, a pair of eyes, but looking straight at himself, really hateful.

You must know that you are the senior sister of Chunyang Palace, Bingqing Yujie, when was a man seen this way? Especially when you are in a hot spring.

“Senior sister...”

As soon as the voice fell, Cao Qian hurriedly pulled her, her delicate face was full of complexity, and she whispered: “You...you calm down first, don’t provoke this person, he... .He is Yue Feng, the just-sealed pavilion master of the Pill Pavilion.”

When he said this, Cao Qian quickly glanced at Yue Feng, and then quickly lowered his head, her heart was extremely complicated.

Jiang Hongyu doesn’t know Yue Feng, how could she not? Before in the mysterious realm of heaven, it was because of him that he was almost expelled from the master by Taoist Qianqiu.

The ultimate husband in Chinese chapter 5026-5030

Chapter 5026

Pill Pavilion Pavilion Master?

Jiang Hongyu was stunned for a moment, looking at Yue Feng with doubts in her eyes.

Taoist Qianqiu found a new Pill Pavilion master in the mysterious realm of heaven. Moreover, just now in the main hall, he heard that this Pill Pavilion Pavilion owner also made a bet with Elder Gu Chen. In the end, Gu Chen not only lost, but also He almost lost his life because he took the ineffective Jindan.

Jiang Hongyu had just heard Cao Qian talk about these things, and was very interested in this Pill Pavilion Master at that time.

I didn’t expect to meet so soon.

Is it him?

I thought he was such an amazing person, but I didn’t expect that he was so virtuous that he peeked at himself and Cao Qian bathing in the hot spring?

Moreover, this person has no strength at all, he can actually be the master of the Pill Pavilion, and he is so respected by Taoist Qianqiu.

Thinking about it, Jiang Hongyu felt even more disgusted in her heart, and couldn’t help but ask Yue Feng, “Are you the new Pill Pavilion Master?”

Yue Feng looked at her with a smile and nodded, “Yes, it’s me.”

While talking, he also admired Jiang Hongyu’s figure.

I have to say that this woman's figure is also of the highest quality. Standing with Cao Qian, they are simply different.

Swish!

Seeing Yue Feng's gaze, staring at him, Jiang Hongyu was very unhappy, and said coldly: "Even if you are the pavilion master of Pill Pavilion, don't you know a little bit of rules, don't you know the difference between men and women? Hear this Someone is taking a bath in the hot spring, you still come to watch?"

Said, Jiang Hongyu pointed to the distance: "Please leave immediately."

This chapter is provided by . Visit for daily update.

Jiang Hongyu was very angry at this time, if it wasn't for Yue Feng's identity, he really wanted to kill him with a sword.

Uh... This woman is young and has a good temper.

Looking at your eyes, you won't lose a piece of meat... Mumbling

in my heart, Yue Feng scratched his head and smiled: "Don't get excited, I am familiar with the environment today

. With that, Yue Feng looked at Jiang Hongyu strangely, and continued: "You are cultivating exercises, you are more feminine, right?"

When Yue Feng looked at Jiang Hongyu just now, he not only admired her figure, but secretly sensed her. Arrived, Jiang Hongyu's whole body was full of Yin energy, but she was soaking in this hot spring.

It's fine in a short time, but after a long time, I'm afraid there will be bad effects. You must know that the hot springs here come from the ground, and most of the hot springs are formed by underground magma. On the ground, the hot springs formed.

And the underground magma belongs to the pure yang fire, which is just to restrain the feminine, this Jiang Hongyu has been soaking in it, how can it be good?

Um?

Hearing this, Jiang Hongyuxiumei frowned lightly and said angrily, "What do you mean?"

This person is pretending to be mysterious, and he must have no good intentions.

Yue Feng smiled and said, "It's nothing, just soaking for a long time is not good for your health. I advise you to come out earlier."

When he said this, Yue Feng was completely kind.

However, from Jiang Hongyu's hearing, it's another matter. This person has been staring at himself and Cao Qian since he first arrived. He must be a womanizer. Pay attention.

Thinking of this, Jiang Hongyu said angrily: "I can't get up, what does it have to do with you? You hurry up, if you don't leave, I will tell the master, saying that you peeked at the female disciples bathing in the hot springs.

", to do such a thing, if you let others know, see how you can stay in Chunyang Palace..."

Speaking of which, Jiang Hongyu usually comes to the hot spring to take a bath, at most half an hour, Yue Feng just arrived. At that time, I had already soaked enough time, and I was about to leave, but when I saw Yue Feng, I was very upset, and I didn't want to leave when it was time to go.

After all, this lecherous Yue Feng was watching from above, and when he went ashore at this time, wasn't he seeing all of it?

Uh....

Seeing Jiang Hongyu's expression, Yue Feng was speechless and smiled bitterly: "Okay, believe it or not." After speaking, he turned and left.

"Senior Sister Hongyu!"

Looking at Yue Feng's back, Cao Qian bit her lip tightly and couldn't help but say, "Don't be so cruel to him, I don't think what he said just now was groundless!"

Chapter 5027

"When I was in the mysterious realm of the sky, I heard from the senior brother that my master had hidden dangers in his practice recently, and it was all in his words..."

Because he had seen Yue Feng's methods before, Cao Qian was not like Jiang Hongyu Willful, I couldn't help but console me.

Hearing this, Jiang Hongyu couldn't help laughing

: “Junior sister, what he said just now clearly meant something else, you think, we both went ashore, will he be full of happiness soon? Something will happen, but you are so simple...”

Just as she was talking, Jiang Hongyu suddenly trembled, Xiumei frowned, and her jade hand quickly supported her forehead.

At this moment, Jiang Hongyu’s face turned a little worse, and she was shocked and inexplicable.

Strange, it was fine just now, why is my body suddenly sore and sore, and I can’t exert any strength?

“Senior sister!”

Cao Qian, who was next to her, also changed her pretty face, and quickly asked, “What’s wrong with you?” She clearly saw that Jiang Hongyu’s face was completely pale without any blood.

It’s just... Now that the two of them are still soaking in the hot spring, why are their faces so pale?

Should not be ah.

Ha ha!

At this moment, Yue Feng, who had walked a few steps away, did not look back, but said lightly: “Look, I told you to come up just now, but if you didn’t come up, now the meridians in your body are disordered, of course something has happened. .”

What?

Hearing this, Jiang Hongyu’s pretty face changed. She looked closely at Yue Feng’s back, and said in surprise, “You...you said, did you do it just now? Secretly poisoned me?”

On the rivers and lakes, there are many people who are good at poisoning, and they can poison people quietly. At this time, in Jiang Hongyu’s heart, she believes that Yue Feng poisoned her, and it has nothing to do with the hot springs.

Cao Qian frowned and groaned.

This Yue Feng is really amazing. In the mysterious realm of heaven, he said that Master had hidden dangers because of his cultivation. At that time, Master confirmed it, and it really happened.

And just now, he said that Senior Sister Hongyu was not good after soaking in the hot spring for a long time, and in a blink of an eye, Senior Sister really had a problem.

Realizing this, Cao Qian wanted to console Jiang Hongyu, but she didn't know how to speak when she saw her annoyed look.

Ugh!

In the face of Jiang Hongyu's questioning, Yue Feng was also very speechless, and immediately smiled bitterly: "We have no grievances and no enmity, why should I poison you?" After

speaking, Yue Feng pointed to the hot spring and explained patiently: "The hot spring water is made from the fire of underground lava, and it contains the properties of pure yang fire, and you are practicing a yin and soft exercise, one yang and one yin, restraining each other..."

Phew...

listen At this point, Jiang Hongyu's eyes flickered, and her heart gradually calmed down. Could it be... as he said, it was caused by his long soaking in the hot spring?

Muttering in her heart, Jiang Hongyu raised her eyes to look at Yue Feng, and said in a complicated tone, "If it's what you said, how can you solve it?" Seriously, Jiang Hongyu didn't want to believe Yue Feng, but what he said was well-founded, let him People have to believe.

Yue Feng smiled slightly: "It's very simple, as long as you use your internal strength to clear the 'Yuqiong Point' and 'Tianming Point' on your back... the adverse effects on your body will be eliminated immediately."

Phew!

Hearing this, Jiang Hongyu breathed a sigh of relief, then nodded at Cao Qian, and said softly, "Junior sister, I'm sorry." There were only three people present at this time. Certainly not.

Not to mention Yue Feng, he is a man, so he can only ask Cao Qian to take action.

Cao Qian nodded understandingly, then moved behind Jiang Hongyu and began to work hard to help her clear up.

It's just embarrassing that Cao Qian's internal strength is still weak, and even though she tried her best, she still couldn't help Jiang Hongyu to clear her veins, so she was in a hurry at that time.

Jiang Hongyu's face was also flushed, and she was dripping with sweat.

It's just that Cao Qian didn't help her unblock her. What made her uncomfortable was that after the unblocking failed, the feeling of weakness and weakness all over her body seemed to be more serious.

After trying several times in a row and failing, Cao Qian was a little anxious, and her delicate face was full of apology: "I'm sorry, Senior Sister Hongyu, I... I'm not strong enough, I can't seem to help you."

Chapter 5028

Hearing this, Jiang Hongyu also frowned and frowned, a little anxious.

This is how to do?

This feeling on my body is getting more and more uncomfortable, and I can't drag it. Moreover, I was still soaking in the hot spring, so I definitely wouldn't be able to drag it.

"Senior Sister!" At this moment, Cao Qian came over with a blushing face, and her voice was so small that only the two of them could hear: "How about, let the Pill Pavilion Master help you? Although he has no strength, he There must be another way."

This.... Hearing this, Jiang Hongyu hesitated, but in the end she

asked Yue Feng, "You...do you have any other way besides this?"

I don't want to ask Yue Feng, but I can't help it, this feeling is really uncomfortable.

Hehe...

Yue Feng had been waiting for her to ask her before he left, and immediately said with a smile, "Yes." He could see that Cao Qian's strength was still weak, and he couldn't help Jiang Hongyu to clear the veins.

"What way?" Jiang Hongyu's eyes lit up, very urgent.

Cao Qian also flashed her big eyes, staring at Yue Feng closely, full of admiration. Although Yue Feng is young, he can always learn something from him.

Yue Feng scratched his head and said slowly: "I also have an exclusive massage technique, but... we men and women can't give each other a kiss. I think you are definitely not willing."

"Well, I'll go back and call someone for you . . ."

With that, Yue Feng was about to turn around and leave.

In fact, Yue Feng didn't really want to call someone. After all, Jiang Hongyu was still a yellow-flowered girl. At this time, in the hot spring, she was slender and looming, and it was not easy to be seen by others.

Do this just to tease her.

"Don't..."

Sure enough, just two steps away, Jiang Hongyu shouted eagerly from behind.

Yue Feng stopped and looked back at her with a smile: "Is there any other order? Or... Who do you want to call over?" With that, Yue Feng smirked.

Haha...you are just a girl, and you still want to put on airs in front of me? Now I know it's wrong...

"No... don't call anyone." Jiang Hongyu bit her lip tightly, her delicate face was very unnatural, she was the senior sister of the younger generation of Chunyang Palace, and now she looks like this , How bad is it to be seen by people like this?

Yue Feng pretended to be stunned for a moment: "If you don't call people, what will you do?"

In fact, the only way out of the current situation is for Yue Feng to go out in person, but how could Yue Feng reveal it?

At this...

At this moment, Jiang Hongyu bit her lip, hesitated, and finally lowered her head and said, "Would you like to give me a massage?" When she said the last word, her face was as red as blood, and she couldn't wait to find it. Drill into a hole.

At this time, Jiang Hongyu did not expect that she would take the initiative to make such a request to Yue Feng.

But she really had no choice. Cao Qian next to her couldn't help her. She called others to come, and she was worried that her reputation and innocence would be damaged. The last resort was to ask Yue Feng to take action.

Haha...

Hearing this, Yue Feng was calm on the surface, but he was overjoyed in his heart.

This woman was arrogant just now, but in the end, didn't she obediently beg me for help?

"Is this... suitable?" Yue Feng wanted to tease her again with a cheerful heart.

Jiang Hongyu's face flushed, and she didn't look at Yue Feng at all. She lowered her head and said shyly, "Please help me, the pavilion master."

"Okay!

"Although we men and women don't have a relationship, I shouldn't help you, but you said so, and I'm embarrassed to refuse."

As he spoke, he walked slowly and got off the hot spring.

Pfft...

Seeing his serious appearance, Cao Qian next to him couldn't help laughing. This Yue Feng, he obviously took advantage of him, but he still spoke sarcastically.

Jiang Hongyu is not stupid, how could he not see it? I was embarrassed and angry, but I couldn't say anything. She really didn't want to endure the feeling of soreness all over her body.

call!

The next second, Yue Feng came to Jiang Hongyu's back, saw the smooth and white beautiful back, and at the same time smelled the fragrance, he couldn't help taking a deep breath.

Really fragrant....

Sighing, Yue Feng slowly stretched out his hand and began to massage Jiang Hongyu.

Chapter 5029

Jiang Hongyu's body was tense, and she felt that Yue Feng's hands kept walking on her back. It felt like an electric shock, and she couldn't help shaking slightly.

Her face was also red and hot...

However, she did not dare to move, for fear that if she moved, the massage would fail...

"Okay!"

After more than ten minutes, Yue Feng clapped his hands and smiled. Said : “Now that you are trying to exercise, has the uncomfortable feeling on your body disappeared?”

As he spoke, he admired Jiang Hongyu’s curves up close.

I have to say, this Jiang Hongyu is really beautiful, especially this skin, which is like a peeled egg, which can be broken by blowing a bullet.

Um!

Jiang Hongyu responded and hurriedly urged her inner strength to try it out. She was pleasantly surprised to find that the feeling of soreness and powerlessness just now had disappeared without a trace.

For a time, Jiang Hongyu was very surprised.

Just a few massages and it solved the problem, it was amazing.

“Haha...”

This is, Yue Feng laughed, walked out of the hot spring, and said seriously to Jiang Hongyu: “In the future, you will have to save some snacks, and then come to the hot spring, remember not to take too long, within half an hour is the best, otherwise If you have this kind of problem again, I can’t help you.”

After speaking, he left with a smile.

At this moment, Jiang Hongyu stared blankly at Yue Feng’s back and fell into contemplation.

I thought that this person was a person who made a name for himself, but I didn’t expect that he was really capable, without the slightest strength, and he could actually help me clear the meridians?

Who would believe it if it wasn’t for personal experience?

“Sister Hongyu!”

Just when Jiang Hongyu was fascinated, Cao Qian next to him laughed and said with a playful look: “Look, let me just say, this Yue Feng is really a capable person, he has no strength, But I solved the problem for you.”

“Senior sister has also experienced it personally, how do you feel?”

When speaking, Cao Qian looked sly.

Jiang Hongyu blushed when she saw her, and quickly looked away: "What... how about what?"

"Oh!"

Cao Qian smiled and pointed in the direction where Yue Feng was leaving: "He left just now. When he was around, senior sister kept looking at him, do you already like him in your heart?"

Hearing this, Jiang Hongyu's face turned even redder, she stomped her feet, and scolded with a smile, "You bitch, are you trying to trick me on purpose? Who likes him? I'm just curious, he doesn't have any strength at all, how does he know so much?"

"Hehe..." Cao Qian smiled and continued to joke: "Just now, you both had skin-to-skin relationship, senior sister. If you don't like him, how can you let him touch you..."

"You..."

Jiang Hongyu couldn't be shy: "You are still talking nonsense, see if I don't tear your mouth..."

"Oh, no, no, Senior Sister, why are you angry..."

"You still said..." The

voice fell, and he and Cao Qian were playing in the hot spring.

...

On the other side, Yue Feng hummed a little tune and returned to the Pill Pavilion.

As the owner of the Pill Pavilion, the resting place is on the second floor of the Pill Refining Pavilion. The Pill Refining Pavilion is the most sacred place in the Chunyang Palace. Even if the palace owner comes, it must be notified. It can be seen that Yue Feng's identity is in the Chunyang Palace. how special.

Lying on the soft couch and resting, Yue Feng began to sit there, silently integrating the power of the Heavenly Marrow Golden Core.

"Pavilion Master!"

Just after a while, I heard a crisp and melodious cry from downstairs.

Yue Feng frowned, got up and walked downstairs, and saw a petite figure in the lobby on the first floor, standing there pretty, seventeen or eighteen years old, with a pretty appearance, and a pair of eyes flashing smart.

Seeing this girl, Yue Feng suddenly felt in a trance, as if he saw Xiao Xi from a few years ago, he immediately suppressed his displeasure and asked with a smile, "Who are you? What are you doing here?"

Alchemy Pavilion, anyone who comes in must be notified in advance, even the Palace Master. She actually broke in directly, which made Yue Feng very curious.

The girl Yingying gave a gift, very respectful and polite: "Report to the pavilion master, my name is Xiaorou, and it is Dan Tong arranged by the palace master."

Dan Tong?

Hearing this, Yue Feng was stunned. If it was Dan Tong, Xiaorou's grade would seem to be a bit older.

Moreover, she is still a woman, so I am afraid it will be a little inconvenient to face each other in the future.

Chapter 5030

Just when Yue Feng was thinking about this, Xiao Rou smiled gently and continued: "The Palace Master also said, let me take care of the Pavilion Master's diet and daily life, and I can't be sloppy." At the

end, Xiao Rou said His face was a little red.

I go!

At this moment, Yue Feng immediately understood something, and waved his hand embarrassingly: "Uh... just take care of your life, you can just be my Dan Tong."

When he said this, Yue Feng was a little ashamed.

Although Xiaorou is very good, and Yue Feng can understand the intention of the palace master, he wants him to eat and live well here, and someone to wait on him, so that he can refine medicine pills for Chunyang Palace.

It's just... Yue Feng is not from here at all, and he will leave sooner or later. Under such circumstances, how could he have done something excessive to Xiaorou?

"Yes, pavilion master!" Xiaorou replied very well-behaved.

Yue Feng thought about it again, and continued to instruct: "Also, if I am on the second floor in the future, if there is no major matter, don't disturb me easily, you know?"

Although the status of the Pill Pavilion's pavilion master is quite high, but in the In Yue Feng's heart, it is not uncommon at all. It is the most important thing to quickly integrate the power of the Heavenly Marrow Golden Pill to restore the divine power and return to the Kyushu Continent.

This...

Xiaorou is very simple, hesitated for a while, and asked softly, "Can I go up?"

Seeing her appearance, Yue Feng was immediately happy, and said with a smile, "When I called you, you Only then can you come up." I meditated on it and fused the Heavenly Marrow Golden Core, so I couldn't be seen casually.

Now Xiaorou is a little embarrassed: "Then... Then what can I do?"

Yue Feng thought about it and said, "Since it's Dan Tong, I'll teach you how to make some medicinal pills." After all, he is also the master of the Dan Pavilion. .

"Really?"

Xiaorou suddenly became excited. She had liked alchemy since she was a child, but unfortunately, the alchemy technique of Ziwei Continent has long been lost, and she has never found her master.

Today, Xiaorou was very excited to learn that Chunyang Palace was newly appointed as the Dan Pavilion Master. She was in front of the Palace Master at that time and recommended herself to be the Dan Tong of Yue Feng.

I wanted to stay by Yue Feng's side, and I was satisfied to see him alchemy with my own eyes. I never expected that the pavilion master could teach himself alchemy. host.

At this time, when she heard that Yue Feng was going to teach her alchemy, she was naturally very excited.

Yue Feng smiled slightly, picked up the paper and pen, and wrote down a few pills. Of course, they were all relatively simple methods of refining pills.

"Look at it for yourself, and then go to refine it after you've studied it." Yue Feng handed the pill to Xiaorou and said with a smile.

These pill recipes were enough for her to study for several days.

"Many thanks to the pavilion master." Xiaorou said with a smile as if she had obtained a treasure, and then went to the pill room at the back to study.

call!

Yue Feng breathed a sigh of relief, and a smile appeared on his face. With these pill recipes, for at least three days, you don't have to worry about being disturbed by Xiaorou.

What Yue Feng didn't expect was that Xiaorou woke up early the next morning.

"Pavilion Master!"

The next morning, Yue Feng was sleeping soundly when he heard Xiaorou standing at the entrance of the stairs, shouting cautiously: "Pavilion Master, it's time to get up, Pavilion Master..."

Yue Feng sat up very depressed, rubbed his eyes, not knowing whether to laugh or cry.

What's the matter? It's only been one night, Xiaorou has studied all the pill recipes thoroughly?

Thinking to himself, Yue Feng got dressed and went downstairs, and saw Xiaorou standing there respectfully, and immediately smiled bitterly: "It's early in the morning, what's the matter?"

Seeing Yue Feng's unhappy look, Xiaorou bit her lip and said softly: "Pavilion Master, Tianlongmen sent several disciples to visit the pavilion master specially."

Tianlongmen?

Hearing this word, Yue Feng was stunned for a moment, only feeling a little familiar, and then couldn't help but ask: "They sent disciples, why don't they go to see the palace master, why are they visiting me?"

Xiaorou pursed her lips and smiled, unable to hide it. His reverence: "You don't know the pavilion master yet. You became the pavilion owner of the Dan Pavilion of the Chunyang Palace, which not only caused a sensation in the entire Chunyang Palace, but also other sects on the rivers and lakes."

"You know, we Ziwei On the mainland, the art of alchemy has been lost for nearly a thousand years, and you, the pavilion master, were born out of nowhere, so naturally you have attracted much attention."

The ultimate husband in Chinese chapter 5031-5040

Chapter 5031 At the

end of the story, Xiaorou said with a smile: "It can be said that the pavilion master is now in the arena, and he is a man of influence, and everyone wants to come and see your true face." That's

what it is!

Hearing this, Yue Feng nodded, and then he couldn't help but ask: "What are these disciples of Tianlongmen coming to see me for?"

Xiaorou tilted her head, thought for a while, and responded, "I heard that they are heavenly. Longmen recently got a few pills in an ancient tomb, but they don't know the effect of pills."

"I learned that we have a new Pill Pavilion master in Chunyang Palace, so I came with pills and thought about it. Let the pavilion master help identify it."

When she said this, Xiaorou's delicate face showed a trace of complexity.

In recent years, there has been a frenzy of exploration in the rivers and lakes, and major sects are exploring the sites hidden in various places. For example, some time ago, several sects headed by Shendiaomen explored a sub-altar site of the Wuji Palace. It is said that a lot of things were taken from it, and even a fierce beast, Kuangxi, who was hibernating inside, was disturbed.

Recently, Tianlongmen also inspected an ancient tomb. I heard that many disciples died, but they also found a lot of sealed medicine pills.

It's just that Tianlongmen doesn't know anything about medicine pills, so they specially arranged a few disciples to visit the Chunyang Palace, intending to invite the new Pill Pavilion Master to have a look.

Huh...

Knowing these circumstances, Yue Feng frowned and couldn't help but ask, "What is the relationship between our Chunyang Palace and Tianlongmen?" Ordinary sects are eager to hide when they get the medicine pill. Hundreds of thousands of hidden messages.

And Tianlongmen even sent disciples to bring the medicinal pills to the Chunyang Palace, which is really incomprehensible.

"Pavilion Lord!"

Xiaorou smiled lightly and explained: "Don't you know? Tianlongmen is an alliance with us. If you think about it carefully, it should be an affiliate of our Chunyang Palace."

"Because the founder of Tianlongmen is our Chunyang. Although the disciples of the palace have set up a separate portal, they have left behind a legacy, asking Tianlongmen to always respect Chunyang Palace, so the disciples of Tianlongmen always regard Chunyang Palace as their ancestral court."

This chapter is provided by . Visit for daily update.

"And we are Chunyang Palace. As for the palace, on the rivers and lakes, it has always been very caring for Tianlongmen."

"A few years ago, Tianlongmen was besieged by several forces in the rivers and lakes, and it was almost destroyed. In the end, it was our Chunyang Palace who came forward to save Tianlongmen. A catastrophe."

Speaking of this, Xiaorou said seriously: "So, it is normal for Tianlongmen to come to Chunyang Palace to ask for advice."

Phew!

Hearing this, Yue Feng nodded with a smile on his face. It is no wonder that Tianlongmen and Chunyang Palace have such a relationship.

Thinking to himself, Yue Feng asked, "Where are the people now?"

Xiaorou hurriedly said, "I'll be waiting in the hall of Xianhe Tower." Xianhe Tower is the place where Chunyang Palace specially receives guests. After all, Pill Pavilion is only pure Yangyang. In the forbidden area, even if the palace lord came, they needed to be notified, and those disciples of Tianlongmen were even less qualified to enter.

Then let them wait.

At this time, Yue Feng was not in a hurry at all, and looked at Xiaorou with a smile: "How have you studied the pill recipes I gave you yesterday? Is there anything you can't do?" Early in the morning, Yue Feng It was because he was not in the mood to see any Tianlongmen disciple.

On the contrary, Xiao Rou, who is so well-behaved and sensible, taught her some alchemy techniques before leaving. After all, she returned to the Kyushu Continent, and she would never have the chance to meet again in the future.

"Pavilion Lord!"

Hearing the question, Xiaorou's eyes suddenly lit up, her delicate face showed a bit of restraint, she bit her lip and said softly, "Xiaorou is very ashamed, I tried to make it last night according to the recipe you gave me. Several medicinal pills failed."

Xiaorou looked very ashamed when she said this.

Speaking of which, Xiaorou wanted to ask questions just now, but she was embarrassed, but she didn't expect that Yue Feng took the initiative to ask, and her heart was suddenly excited and a little uneasy.

Haha...

Seeing her appearance, Yue Feng smiled and said, "Ask me if you don't understand, don't be restrained, let's go to the pill room."

Xiaorou was full of joy, but hesitated: "That... The pavilion master, the disciples of Tianlongmen, are still waiting in Xianhe Tower." In her heart, the disciples of Tianlongmen, although not high in status, are still guests.

Chapter 5032

Yue Feng said indifferently: "It's okay to let them wait for a while, I'll teach you alchemy first."

"Okay!"

Seeing Yue Feng say this, Xiaorou is full of joy, happy like a child: "Thank you, Lord."

After speaking, he and Yue Feng walked towards the alchemy room at the back.

When they arrived at the alchemy room, Yue Feng nodded with satisfaction. I have to say that Chunyang Palace is one of the leading sects in Ziwei Continent, and the alchemy room is still very stylish.

There are more than a dozen rows of wooden racks, which are filled with various materials and herbs needed for alchemy. Of course, these materials were prepared by the palace master in the past two days.

After all, alchemy has been extinct in the entire Ziwei Continent for thousands of years, and the Pill Pavilion will be abandoned. However, with the arrival of Yue Feng, the place that had been dusted for nearly a thousand years has regained its vitality.

Yue Feng looked around, and there were all kinds of medicinal materials on the wooden shelf, and there were even many rare herbs. It can be seen that the Palace Master Su Lan attaches great importance to Dan Pavilion.

On the table in the middle, there are several medicinal pills that failed to refine.

It was last night that Xiaorou made the medicinal pills by herself, but unfortunately, all of them were not made successfully.

“Pavilion Master!”

At this moment, Xiaorou stood aside, bit her lip, and whispered, “Xiaorou has tried several times according to the recipe given by the pavilion master, but unfortunately all failed, and she has never been able to find it. The problem.”

Yue Feng smiled and asked, “Is the order of the materials in the wrong order?”

“No.” Xiaorou tilted her head to think about it, and denied: “The order is not wrong... “

Yue Feng pondered for a while, then understood something, pointed at the pill furnace and said with a smile: “If the order of the materials is not wrong, it means that you did not control the heat well, you must know that the control of the heat is the most important key to refining the pills. .”

In the next few minutes, Yue Feng explained the essentials of how to control the heat in detail.

“Thank you pavilion master for your teaching.”

Xiaorou listened carefully to Yue Feng’s words, memorized them in her heart, and finally said with a smile, “Then... Then let me try again?”

Hmm!

Yue Feng nodded with a smile on his face. Seriously, teaching Xiaorou alchemy so earnestly is not just for liking this girl, but for her own relaxation.

In the future, Chunyang Palace needs simple elixir, and with Xiaorou, Yue Feng doesn’t need to do it himself.

After a while, under Yue Feng’s personal instruction, Xiaorou finally made a medicinal pill, and she was so excited at the time.

“Pavilion Master, you are really amazing.”

At this time, Xiaorou, with a flowery smile, looked at Yue Feng’s eyes, full of admiration.

Yue Feng smiled slightly: “As long as you master the heat, the chance of failure will be greatly reduced!”

After saying that, Yue Feng looked at the time: "Okay, I'll go to Xianhe Tower. You can refine a few more, and you'll be more proficient. Go to me!"

"Yes, pavilion master!"

Upon hearing the order, Xiaorou continued to refine the medicinal pills with great joy.

Seeing Xiaorou's serious look, Yue Feng smiled and returned to the second floor of the Pill Pavilion. After washing his face, he casually put on a white gown and went to the Crane Tower!

Speaking of which, as the pavilion master of the Pill Pavilion, Yue Feng's special clothes are just too cumbersome to wear, and there is no need to be so solemn when meeting these disciples of Tianlongmen.

Huh...

It's only a shot in the sun at this time, and the air on the mountain is fresh, so on the way to the Crane Tower, Yue Feng's mood is also very comfortable.

Soon, we arrived at the Crane Tower.

Um? It's them! ?

The moment he entered the Immortal Crane Tower, Yue Feng was stunned when he saw the scene in front of him.

I saw that several people were standing there respectfully, with anxious expressions on their faces, obviously they couldn't wait, but they didn't dare to say it.

Several men and one woman.

Among the men, one was wearing a satin blouse and looked suave and suave. It was the wealthy dude who Yue Feng knew when he first came to Ziwei Continent, Liu He, the eldest son of the Liu family.

When it was first spread to Ziwei Continent, Yue Feng was mistakenly regarded as a man named Yue Yang, and then was forcibly arrested into the Su family and became the son-in-law of the Su family.

Su Lin'er, the young lady of the Su family, although she is beautiful and kind-hearted, but Yue Feng is not from here.

Chapter 5033

But Yue Feng can't forget that Su Lin'er's cousin Liu He, relying on his status as a rich young master, always opposed Yue Feng during that time.

Seeing Liu He, Yue Feng couldn't help frowning secretly. He thought that he would never meet again with this rich guy, but he never thought that he would meet again here.

Thinking about it carefully, Yue Feng was suddenly a little surprised.

When I think about it, I heard Liu He say that, because of his family background, he went to Tianlongmen and almost forgot. No wonder he heard the words Tianlongmen just now, and he was a little familiar.

Muttering in his heart, Yue Feng couldn't move his eyes away when he saw the woman beside Liu He.

I saw that this woman was around 20 years old, wearing a long pale red dress, with beautiful curves, delicate facial features, and a heroic spirit between her brows. Standing there, looking at the writing on the wall, I was fascinated.

It was Zhang Yueqi, who was Liu He's senior sister and who had a relationship with Yue Feng.

When Liu He invited Su Lin'er to go out for an outing, Yue Feng also followed. Zhang Yueqi was with him at that time. Yue Feng clearly remembered that Zhang Yueqi looked delicate, but had a tough personality.

Later, everyone was besieged by the robbers of Jiang Yang, Zhang Yueqi has always been neither humble nor arrogant, which is very admirable.

I have to say, Zhang Yueqi, this is a rare beauty.

I haven't seen each other for a while, and it seems to have become more sexy and charming.

Ha ha!

After watching it for a few seconds, Yue Feng realized it and walked over with a smile on his face. After seeing each other for such a long time, they would not have thought that I have now become the Pill Pavilion Master of Chunyang Palace.

At this time, Liu He was talking to the people around him, while Zhang Yueqi was admiring the calligraphy and painting on the wall, so she didn't realize that Yue Feng came over behind her.

"Several!"

At this time, Yue Feng came to the front, and said with a smile: “Long time no see!”

Shuh!

Suddenly hearing the voice, not only Liu He, but also Zhang Yueqi trembled, and quickly turned around.

I thought it was the Pill Pavilion Master coming, and when they saw Yue Feng, several people were stunned.

This... this kid? How are you here? After being stunned for a few seconds, Liu He took the lead in reacting, looking at Yue Feng with wide eyes, “Yue Yang? You...why are you here?”

At the same time, Zhang Yueqi’s exquisite and beautiful face, also Full of surprise: “Why are you?”

Zhang Yueqi has never been very impressed with Yue Feng. The only thing she remembers is that during the outing, sister Liu He was bitten by a poisonous snake. This person brought some herbs around. Detoxified.

However, in Zhang Yueqi’s heart, he also believed that at most he only knew some medical skills. Later, after listening to Liu He, this person quietly left the Su family, thinking that he was kidnapped by the enemy family or revenge by those Jiangyang thieves.

But I never expected that I would meet again in Chunyang Palace at this time.

Zhang Yueqi was surprised, and Liu He was also buzzing in his head, puzzled.

The next second, Liu He couldn’t help but said, “Boy, why are you here?”

“What? You can be here, but I can’t be here?” Liu He’s tone made Yue Feng very upset, and he seemed to laugh replied nonchalantly.

Mad!

Yue Feng’s attitude made Liu He angry all of a sudden, and shouted: “Boy, you secretly left the Su family before because of your inferiority complex. Speaking of which, you still have self-knowledge.”

Speaking, Liu He’s eyes flickered, and he sneered: “Also, you are lucky to join the Chunyang Palace, but with your qualifications, you can at most be a handyman here, cleaning, right?”

” At that time, Liu He’s eyes were full of contempt, thinking that Yue Feng felt that he was not worthy of Su Lin’er, so he took the initiative to leave the Su family. How could such a person become a disciple of Chunyang Palace?

Must have been assigned to do the chores here.

Yes, it must be a handyman.

Thinking of this, Liu He was full of confidence and said condescendingly: “We are the guests here, you have nothing else to do, go out quickly.”

This Xianhe Tower, but the place where Chunyang Palace specially receives guests, is not casual. You can come in, what’s more, this Yue Feng, as a handyman, has no rules at all.

Chapter 5034

At this time, Liu He still doesn’t know that the master of Dan Pavilion is Yue Feng in front of him.

Moreover, his name is not called Yue Yang at all.

“I…”

Liu He’s attitude made Yue Feng secretly amused, this idiot, relying on himself as a rich young master, is arrogant and domineering everywhere, this problem will not change at all.

In his heart, Yue Feng wanted to say, I am the pavilion master of the Pill Pavilion you want to see, but after thinking about it, he held back.

In the next second, Yue Feng ignored Liu He, and said to Zhang Yueqi with a smile: “Miss Zhang, we met the robber Jiang Yang on our outing last time. Thanks to you, everyone was not harmed. I haven’t had time yet. Thank you.”

Hmm!

Seeing Yue Feng’s sincere face, Zhang Yueqi nodded: “It’s hard work, I can’t stop talking about it!”

After saying that, Zhang Yueqi looked outside the door: “Today we are going to see the Pill Pavilion Master, if you have nothing to do, then leave first. Right.” As a disciple of Tianlongmen, Zhang Yueqi’s quality is very good, and she will not look down on people because of her background.

“It’s okay!”

Yue Feng smiled and said carelessly: "We haven't seen each other for a long time, let's chat a little longer."

When he said this, Yue Feng secretly paid attention to Liu He's expression. He knew that Liu He always liked it. Zhang Yueqi wanted to stimulate him at this moment.

This...

Seeing the enthusiasm on Yue Feng's face, Zhang Yueqi pursed her lips, not knowing how to respond.

Liu He, who was next to him, couldn't stand, as if a lit cannonball exploded at once, pointing at Yue Feng and said, "Yue Yang, why are you so thick-skinned? Is my senior sister familiar with you? I have nothing to talk to you about."

"Also, you didn't listen to my senior sister, do you want to see the Pill Pavilion Master? What are you doing here? Get out of here!"

At this time, Liu He was almost furious. Mad, senior sister is my goddess. , This Yue Yang, but licking his face to please, how can he bear it?

Ugh!

Seeing that Liu He was angry, Yue Feng was not angry, scratching his head and said helplessly: "Master Liu, this is your fault, how can I say, I am also your cousin-in-law, your senior sister, and my senior sister. , what's the matter with me and her?"

Mad!

It's good that Yue Feng didn't mention this, but when he mentioned this, he immediately became furious: "You special code to shut up for me, you rubbish, don't pee and take pictures of yourself, are you worthy of my cousin? Ah? If it wasn't for your cousin, would you be able to recruit you to the Su family to be your son-in-law?"

At this time, Liu He was very angry.

You know, he liked Su Liner since he was a child, and he always wanted to marry him and be his wife. How could he know that when he grew up, Su Liner had a hidden illness and had to recruit a son-in-law. In Liu He's heart, this was a pity. .

Later, through the power of the family, Liu He became a disciple of Tianlongmen, and he was immediately attracted to Zhang Yueqi. He dreamed of becoming a fairy couple with her. In this case, Yue Feng took the initiative to show his favor to Zhang Yueqi.

Even if this trash stole his cousin, and now he wants to call his senior sister's attention, it doesn't feel good to be someone else.

“Alas!”

Seeing Liu He’s angry look, Yue Feng shook his head helplessly: “Master Liu, I am the son-in-law of the Su family, this is true, although I am no longer in the Su family, the relationship is still there. , Besides, you are coming to Chunyang Palace today, you are a guest, and it’s not good to swear at people like this!”

“Go to your code...”

At this time, Liu He was in a fit of anger, and he couldn’t care less at that time, and scolded: “You are still chatting with this young master, even if you are a handyman in Chunyang Palace, in my eyes, you will never be You’re just a piece of trash.”

“You still reason with this young master? This young master beat you to death!” When the words

fell, Liu He raised his jade hand and hit Yue Feng with a palm.

“Liu He, don’t...”

Seeing this, Zhang Yueqi’s face changed, and she was about to stop it, but Liu He was on fire, how could she listen to her?

Damn, this kid is so embarrassed?

Seeing Liu He rushing aggressively, Yue Feng frowned. Although his divine power hadn’t recovered, he didn’t panic at all, and immediately hid to the side and shouted, “Aiya, Young Master Liu, you can’t justify me, and you can’t either. Do you want to do it?”

Chapter 5035

Hearing Yue Feng’s cry, Liu He’s anger was like pouring oil again: “You stop this young master, Mad, you must break your leg today.

” At that time, Liu He always wanted to teach Yue Feng a lesson, but it was a pity that Su Liner had been protecting Yue Feng and never had a chance.

At this time in Chunyang Palace, Liu He naturally would not miss the opportunity.

Anyway, this kid is just a handyman, and if he beats him, he will beat him, and no one will care about it at all.

Hula...

Just at this moment, the disciples of Chunyang Palace outside rushed in when they heard the movement from the Immortal Crane Tower.

Seeing the disciples of Chunyang Palace who rushed in, Liu He squeezed out a smile and pointed at Yue Feng with a pleasing gesture: "Brothers, don't panic, this handyman doesn't understand the rules, I will teach him a lesson."

In his heart, I am a disciple of Tianlongmen, and I am a guest, and it is not wrong to teach a handyman.

Swish!

It's just that the words just fell, and the disciples of the Chunyang Palace who rushed in were all staring at Liu He, and facing Yue Feng, they were also extremely respectful.

what's going on?

Seeing this scene, Liu He was a little confused.

Next to Zhang Yueqi, Xiumei frowned, looking at Yue Feng with a hint of surprise in her eyes.

How do you look... This Yue Yang has a high status in the Chunyang Palace, but he has no strength at all, so he can only be a handyman.

"Pavilion Master..."

At this moment, a disciple of Chunyang Palace headed over quickly and said respectfully to Yue Feng: "This person is so rude, he wants to do something to you, pavilion. What is the Lord going to do with him?"

Whoa!

While speaking, several other Chunyang Palace disciples had already surrounded him and directly pressed Liu He to the ground.

Just now, Liu He was chasing Yue Feng, and all the disciples of Chunyang Palace saw it. This guy dared to take action against the pavilion master. He was just courting death. You know, even if the palace owner saw him, he would have to give three points of courtesy.

"Hey...Several senior brothers..."

Liu He was pressed tightly to the ground, unable to move, his whole person was stupid, his mind went blank, he immediately smiled bitterly: "Several senior brothers, is there any misunderstanding? ?" You

just taught a handyman a lesson and didn't do anything else?

Wait....

just now, these pure Yang Palace disciples, what are you calling this waste? Pavilion Master?

At the same time, Zhang Yueqi was also trembling, completely stunned, staring blankly at Yue Feng, speechless?

He...he is the new Pill Pavilion Master of Chunyang Palace?

At this time, Zhang Yueqi saw that the disciples of the Chunyang Palace in front of him were full of respect in front of Yue Feng at this time, and this kind of respect was not pretended at all.

How is this possible?

The person in front of him was just the son-in-law of the Su family. According to his younger brother Liu He, he was still a gambler in the local area. Even if he knew some medical skills, it would be difficult for him to be elegant. Not to mention the knowledge of alchemy.

It's just.... I haven't seen each other for a few days, and this person has become the Pill Pavilion Master of Chunyang Palace?

It's also incredible.

For a time, Zhang Yueqi only felt that her brain was buzzing, and her whole body was messed up.

Seeing their expressions, Yue Feng smiled and said nothing.

At this moment, the leading disciple of Chunyang Palace raised his finger and pointed at Zhang Yueqi: "Pavilion Master, do you want to tie her and the others together?"

"No, no..."

Yue Feng waved his hand with a smile. Pointing at Liu He, he said, "Just arrest this person. He almost hit him just now. Anyone else, don't need it!"

After saying that, Yue Feng looked at Zhang Yueqi and said, "This is my friend. There's no need to embarrass her."

"Yes, Pavilion Master!" The

voice fell, and several Chunyang Palace disciples responded in unison, ready to tie Liu He Wuhua.

For

a while, Liu He wanted to cry without tears, and looked at Yue Feng blankly: "Are you the master of the Pill Pavilion?" Ma De thought that this kid was just a handyman, but he never expected that it is the person that I and my sister want to see today.

It's just... how could this kid be the pavilion master of the Pill Pavilion?

"Otherwise?" Yue Feng looked at Liu He with a half-smile but not a smile: "If you can become a disciple of Tianlongmen, I can't be the pavilion master of Pill Pavilion?"

After speaking, Liu He was speechless.

"I..." The

next second, Liu He cried and said to Yue Feng: "I was wrong... cousin, I was just kidding you, don't take it seriously, let these senior brothers let me go."

When he said this, Liu He's eyes were full of urgency.

The ultimate husband in Chinese chapter 5036-5040

Chapter 5036

Haha!

Facing Liu He's plea, Yue Feng smiled lightly: "You wanted to kill me just now, why have you changed your attitude now? Besides, you also said that I am not qualified to be your brother-in-law, so you don't want to. You have a relationship with me." With

that, Yue Feng walked over slowly and sat on the main seat of the hall.

Uh...

Liu He wanted to cry without tears, lying there, begging non-stop: "Cousin-in-law... I was blinded by lust just now, you are a lot of adults, don't have the same knowledge as me..."

Yue Feng I poured a cup of tea and took a sip, as if I couldn't hear it at all.

Liu He was in a hurry all of a sudden, and he still wanted to beg. At this moment, a disciple of Chunyang Palace came over quickly, kicked him hard on the buttocks, and

cursed: "Things that don't have ears, I don't understand. What did our pavilion master just say? Don't mess around with relationships."

"This is our Dan pavilion pavilion master, what's your identity? You dare to call him cousin-in-law? You're courting death."

Putong!

This kick directly kicked Liu He into the mud, and one of his teeth collapsed. It was embarrassing and funny. My heart was so frightened that I didn't dare to talk nonsense any more.

Seeing him being honest, the disciple of Chunyang Palace snorted, and then cupped his hands at Yue Feng, asking for instructions: "Pavilion Master, what should I do with this person?"

"According to the rules of our Chunyang Palace, how should we deal with this situation?"

"Report to the pavilion master!"

The Chunyang Palace disciple responded loudly: "Although this person is a Tianlongmen disciple, but because of Tianlongmen and our Chunyangmen The palace is of the same origin and ancestry, and if you commit a crime, you should follow the rules of Chunyang Palace."

"If you offend the Pill Pavilion Master, there are no rules, and martial arts should be abolished."

This chapter is provided by . Visit [for](#) daily update.

Oh!

Yue Feng nodded suddenly, then waved his hand: "Then do it according to the rules." This Liu He, relying on his being a rich young master, often bullies the weak, abolishing his skills and preventing him from continuing to do evil in the future.

"Yes, pavilion master!"

Hearing this, the disciple of Chunyang Palace responded, and slowly walked towards Liu He, running his internal force, preparing to abolish his skill.

Gudong!

Seeing this, Liu He couldn't help swallowing his saliva. He was stunned and slumped on the ground, his voice trembling: "Don't... I know I'm wrong..."

Immediately, Liu He With a bitter face, she asked Zhang Yueqi for help: “Senior sister, save me, senior sister, help me with a good word.”

Seeing this, Zhang Yueqi couldn't bear it anymore, and hurried over to stop the disciple of Chunyang Palace, politely.

Zhang Yueqi turned around and looked at Yue Feng very complicatedly: “Yue... Pavilion Master, my junior brother was indeed a bit too much just now, but I also ask Pavilion Master to open it online . One side.”

She wanted to call Yue Yang, but thinking of the identity of the other party, she quickly changed her mouth.

Speaking of which, Zhang Yueqi didn't like Liu He very much either, but anyway, he came with him. If his internal strength was abolished here, and he returned to the mountain gate, how would he explain to his master?

Swish!

For a time, Liu He and the disciples of Chunyang Palace in front of him would focus on Yue Feng.

“This...” Yue Feng scratched his head and looked very embarrassed: “This Liu He is so rude to me, so I forgive him like this, I will have no prestige in Chunyang Palace in the future. ?only...”

“Since Miss Zhang has spoken in person, we can be considered good friends. If you don't give you face, you can't do it... It's really embarrassing.” Huh

....

Hearing Yue Feng's words, Liu He's heart was overwhelmed. He didn't dare to speak at the time, he just looked at Zhang Yueqi for help.

Zhang Yueqi's delicate face was also extremely complicated at this time, she took two steps forward, bit her lip tightly, and said to Yue Feng: “Pavilion Master, since you think we are friends, then for my sake, forgive me. My junior brother once, okay?”

Yue Feng said with a smile: “I think so too, it's just the identity... It's a bit difficult to handle.”

Zhang Yueqi was in a hurry, and hurried to Yue Feng and pulled him. On his sleeve, he said softly: “Junior brother knows he is wrong, you will give him a chance, even if...even if I beg you.”

Zhang Yueqi's voice was very small and only she and Yue Feng could hear the last sentence. .

Chapter 5037

Seeing her coquettish attitude, Yue Feng felt very at ease.

Speaking of which, he had a good impression of Zhang Yueqi. Seeing that she had said so, it was not easy to continue to be tough. He immediately leaned on the chair and shook his neck: "You said so, I'm not agreeing, it's just a little bit. It's not humane...just...I didn't sleep well last night, or what, why is my neck so sore?"

"This leg is also a little stiff, if someone gave me a thump and massage, then what should I do? How good is it?"

Shuh!

After these words fell, Zhang Yueqi, who was standing in front of her, instantly blushed and became a little unnatural.

This Yue Yang, do you mean to say these words, do you want me to massage him?

After all, she is also a female disciple of Tianlongmen. She is pure and clean. Now, in front of so many people, she beats his legs and rubs his shoulders. If it spreads out, how can he meet people?

At the same time, Liu He also changed color suddenly, looked at Yue Feng closely, wanted to get angry, but didn't have the courage.

Mad!

Senior sister is my goddess, this Yue Yang actually asked her to beat her legs and rub her shoulders in public? This... how can this work? But on second thought, his life is now in Yue Feng's hands. If he shows the slightest dissatisfaction, not only will his skill be abolished, but his life will not be preserved.

Thinking of this, Liu He could only bow his head angrily.

Haha...

Liu He's reaction, Yue Feng saw it, and it was a joy in his heart at that time.

This Liu He, aren't you very arrogant? Look for trouble with me at every turn, and today I will let your sweetheart beat my back and rub my shoulders and see how you can do?

Muttering in his heart, seeing Zhang Yueqi standing in front of him with a shy expression on his face, Yue Feng pretended to cough, and said regretfully, "Oh, since no one wants to beat me, that's fine, I'll go back to Dan. Pavilion, let my Dan Tong serve you."

With that, Yue Feng stood up slowly and was about to leave the Crane Tower.

"Don't..."

Seeing that he was about to leave, Liu He only felt that his heart was about to fall out, and he couldn't help shouting, "Don't go..."

After saying that, Liu He was crying and facing Zhang Yueqi said, "Senior sister, I don't want to die."

What a bummer.

Seeing Liu He's appearance, Zhang Yueqi couldn't help rolling her eyes, then she stomped her feet, and quickly grabbed Yue Feng: "Don't be in a hurry, I...I'll beat you..."

Seriously, she In his heart, he was reluctant to beat Yue Feng's back, but his younger brother's life was just in his mind, and his life was at stake. In order to go back and be able to deal with the master, he should be complacent.

"Oops!"

Yue Feng took advantage of the situation and sat back on the chair, looking very surprised, and looked at Zhang Yueqi with a smile: "Does Miss Zhang want to serve you? I... I'm a little flattered."

Said, Yue Feng deliberately glanced at Liu He and continued: "Miss Zhang, are you wronging yourself because of your unsatisfactory junior brother and wanting to please me? If so, there is no need for you, you are so clean and pure, You can't just put down your body and serve people for such a person." As he

said that, Yue Feng shook his head repeatedly: "No, no, and you are still my friend."

Pfft...

Seeing this scene , The surrounding disciples of Chunyang Palace couldn't help but laugh secretly.

The pavilion master is really interesting. He clearly wanted to let this Zhang Yueqi serve, but he had to pretend to be serious, haha, it was really interesting.

Rejoicing in my heart, several Chunyang Palace disciples did not dare to laugh out loud, so they quietly watched the excitement.

Nima!

Liu He, who was lying on the ground, almost vomited blood at this time.

This Yue Yang is really abominable, trying to take advantage of my senior sister, and deliberately pretending to be a gentleman, Nima, this is too shameless.

“I...”

Hearing Yue Feng’s words, Zhang Yueqi’s delicate face became even redder, and her heart became confused, she quickly shook her head and said, “No... I didn’t serve the pavilion master because of my junior brother, it’s just Seeing that the pavilion owner is so tired, I just want to let the pavilion owner relax.”

Zhang Yueqi is smart, how can she not know what Yue Feng means, if it were someone else, she would have become angry and turned her face, but the person in front of her was Pill Pavilion Pavilion Master, in the Chunyang Palace’s position, second only to the Palace Master, how dare to offend.

Chapter 5038

In this case, knowing that the other party is deliberately teasing him, he has to endure it. Not only have to endure, but also can not express their true thoughts.

Because Zhang Yueqi knew that once she wanted to say that she was doing it for Liu He’s sake, the other party might have to come up with other tricks.

So... just bear with it.

Yue Feng accepted it when he saw it, and seeing Zhang Yueqi had said so, he immediately nodded with a smile: “Well, since Miss Zhang is so considerate, then I will be disrespectful.” After

speaking, he sat there sternly. , in a very comfortable position.

Zhang Yueqi didn’t know what to say, she quickly walked behind Yue Feng, bit her lip, stretched out her jade hand on the back of his neck, and kneaded it gently.

call!

Feeling the strength of the slender jade fingers, Yue Feng squinted his eyes in enjoyment, and let out a light sigh of relief.

It feels... cool.

What makes people feel more cheerful is that Zhang Yueqi is just like Jiang Hongyu who I saw yesterday. She is a proud and arrogant woman. She is usually cold. When can she show such a gentle side like now?

There aren't many opportunities here, but you have to enjoy it.

Thinking of this, Yue Feng felt it for a while, and felt that it was not enough, so he raised Erlang's legs and looked leisurely and comfortable: "Oh, Miss Zhang is not only beautiful and kind-hearted, but also the means of serving people is so wonderful. My legs are a little numb, please help me beat it."

Hmm!

Zhang Yueqi's face was flushed red, like a ripe apple. She felt a little reluctant in her heart, but she couldn't refuse.

call....

The moment Zhang Yueqi squatted down, from Yue Feng's point of view, she could just see the magnificence in front of her... The snow white made Yue Feng's eyes straight.

I have to say, this Yueqi's figure is really sexy.

Zhang Yueqi kept her head down and beat her back. She didn't notice Yue Feng's gaze at all. After a while, she asked tentatively in a low voice, "Pavilion Master, do you... do you feel better now?"

"Well... "Yue Feng squinted, half lying there, like an uncle, when he heard the question, he hummed and said, "It's okay, maybe it's too late to rest last night, oh my, I'm not feeling well."

That's good . I'm afraid there won't be another chance, so of course I have to enjoy it.

Hearing this, Zhang Yueqi dared to say anything, she could only continue to beat her legs.

Liu He was lying there, keeping an eye on Yue Feng. At this time, seeing him unscrupulously admiring his sweetheart, he still looked unsatisfied.

However, he couldn't stop this scene, and Liu He was in a hurry, his eyes darkened, and he fainted.

Pfft!

Seeing Liu He fainted, Yue Feng secretly laughed. Oh, this kid can't stand it anymore. But this time I will teach you a lesson, see if you dare to bully others in the future.

Zhang Yueqi and the surrounding Chunyang Palace disciples were all startled.

What's up with this kid?

So why are you still dizzy?

At this time, Yue Feng was better off, he sat up straight, and said to Zhang Yueqi, "Alright, alright, Miss Zhang is really rejuvenating. I was too tired just now. After being massaged by you for a while, my whole body is relaxed. Not a lot."

Hearing this, Zhang Yueqi quickly stood up, her face still a little red. I also feel a little awkward.

This Yue Yang is really unobstructed when he speaks. I'm just beating your legs. How can you describe it as a rejuvenating hand?

Thinking to herself, Zhang Yueqi glanced at Liu He who was unconscious, bit her lip and said, "Pavilion Master, my junior and junior brothers have passed out, look..." She knew that Liu He just passed out, but she still felt in her heart. Some worry.

Yue Feng waved his hand with a smile: "Since he passed out, the rudeness before, forget it, I'm not someone who cares about it." He didn't want to do anything to Liu He, and he was also served by Zhang Yueqi just now. If you are so comfortable, you will be happy to be a smooth human relationship.

"Thank you pavilion master."

Seeing that he finally stopped caring, Zhang Yueqi felt relieved, and quickly opened her mouth to thank him.

Chapter 5039

But Yue Feng is not finished yet, he took a sip of tea with a teacup, and said lightly: "Miss Zhang, I forgive him this time, but it's all because of your face.

"It is also very clear that when he wakes up, tell him that if he dares to bully others or commit crimes in the future, he will not be as lucky as today. Do you know?"

Yue Feng smiled when he said this. Hehe, there was a sharp light in his eyes.

Yes, Yue Feng is telling the truth. If Zhang Yueqi was not here today, he would never have forgiven Liu He lightly, at least he would have to abolish his skills.

Huh ...

Seeing Yue Feng's eyes, Zhang Yueqi's delicate body trembled, and her heart suddenly lifted.

This... this Yue Yang's eyes suddenly became very sharp.

This is not a person who can only point medical skills, the eyes he can have, is it... He is not the waste that others say, but is hidden.

Until now, Zhang Yueqi thought that the person in front of her was the gambler in that small town, Yue Yang, the son-in-law of the Su family.

Thinking to herself, Zhang Yueqi did not dare to violate the slightest, so she nodded quickly and said softly, "Pavilion Master, rest assured, I will definitely convey this to my junior brother."

Hmm!

Yue Feng nodded, his expression softened, and he said with a smile: "If Miss Zhang can't be selfish and act justly, then it's the best. Come on, don't stand, just sit."

As he said, Yue Feng let people carry Liu He down, and at the same time let several disciples of Chunyang Palace also withdraw from Xianhe Tower.

For a time, Yue Feng and Zhang Yueqi were left in the huge hall.

Perhaps because of the beating of the back just now, the atmosphere was a little subtle.

Zhang Yueqi tried her best to calm herself down, and slowly sat on the guest seat with Yue Feng's warm greeting.

At this time, Yue Feng was in a good mood, and asked with a smile: "I heard that you Tianlongmen recently explored an ancient tomb and got a lot of medicinal pills from it? Is that right?"

"Yes!"

Zhang Yueqi quickly stood up, took out an exquisite box from his body, opened it, and placed it on the table in front of Yue Feng.

I saw that there were more than a dozen colorful medicinal pills in it.

At this moment, Zhang Yueqi looked into Yue Feng's eyes, full of expectation and complexity.

The expectation is that these dozen or so medicinal pills, according to the master, are all elixir that cannot be found, some can save lives and heal wounds, and some can increase their power.

It can be said that just taking one out and placing it on the rivers and lakes can trigger a wave of battles.

What's more complicated is that Yue Yang, who is in front of him, has become the pavilion master of the Pill Pavilion. He knows that he can use medical skills, but is he really good at the medicine pill? Can you identify these pills, and are they still effective?

call!

Facing Zhang Yueqi's gaze, Yue Feng looked indifferent.

The next second, Yue Feng glanced at the medicinal pills in the box and shook his head decisively: "It seems that you are going to run for nothing. All these medicinal pills have failed, but such a good box was made for nothing."

What? ?

Hearing this, Zhang Yueqi felt as if she had been hit with cold water, and her hopes were instantly shattered. At that time, her delicate body was shocked, she stood up directly, and said in disbelief, "All....all failed?"

When she spoke, Zhang Yueqi's delicate face could not hide the suspicion.

It's... impossible, right?

More than a dozen medicinal pills, when they were discovered in the ancient tomb, Master immediately ordered people to seal them up in the box, and no one ever opened them. Even if it fails, it can't all fail.

Moreover, it was so hard for me to go all the way from Tianlongmen to Chunyang Palace, I planned to bring back good news to Master, but now, how can I go back to make business?

At this time, Zhang Yueqi wanted to say something, whether you know the medicinal herbs or not, but she held back.

"What?"

Seeing Zhang Yueqi's expression, Yue Feng showed a smile and said slowly, "You don't believe me?" For so many years, Yue Feng is very good at observing words and expressions.

Zhang Yueqi, who is in front of her, is probably thinking that my Pill Pavilion Master is fake...

Zhang Yueqi was very embarrassed, and quickly shook her head: "No... I don't mean that. I just think..." She

didn't say anything. After finishing, he was interrupted by

Yue Feng: "You are thinking, how could all these medicinal pills fail, right? After drinking the tea in the wind cup, he walked out of the Crane Tower slowly.

Chapter 5040

Seeing Yue Feng's mysterious look, Zhang Yueqi frowned, and was embarrassed to ask more, so she quickly put away the box and followed closely.

Along the way, Yue Feng walked in front, admiring the surrounding scenery, very leisurely and comfortable.

Zhang Yueqi hugged the box and followed behind, her delicate face was full of sorrow, and the two formed a stark contrast.

Soon, I came to the first floor of Dan Pavilion.

"Pavilion Master!"

Xiaorou was talking with the people, and when she saw Yue Feng's return, she immediately looked happy, and hurriedly greeted her: "You're back."

At the same time as she spoke, Xiaorou was still a little uneasy, and looked back subconsciously. at a glance.

I saw a slender figure sitting on the chair inside, with a graceful figure and a delicate appearance. It was Jiang Hongyu who I met at the hot spring yesterday.

There are rules in the Pill Pavilion, no one is allowed to enter without authorization, even if the palace lord comes, he must notify in advance. And Jiang Hongyu, who is just a disciple of the Palace Master, naturally has no rights.

It's just that Xiaorou and Jiang Hongyu have a better relationship. In Xiaorou's heart, Jiang Hongyu is closer than her own sister. Just now, when Yue Feng was away, Xiaorou made her own decision and let Jiang Hongyu come in to visit. came back. I was naturally very nervous.

Phew ...

At the same time, seeing Yue Feng, Jiang Hongyu also quickly stood up, her delicate face also a little unnatural.

Seeing the atmosphere, Yue Feng was stunned for a moment, and then looked at Jiang Hongyu with a smile: "Oh, what a rare guest, Miss Jiang came to my place, but what is going on with the palace master, so I asked you to inform me?" As

he said, While looking at Jiang Hongyu.

Today's Jiang Hongyu is wearing a dark purple dress, her skin is fairer, and her delicate curves are highlighted. Any man who sees it will not be able to look away. Originally, Jiang Hongyu was a little guilty, but seeing Yue Feng's eyes, he kept looking at him, and he was suddenly a little unhappy, and said coldly

: "The Palace Master has nothing to report, I want to come and see, can't I?"

With a bit of coquettish anger, it seems that between Yue Feng and Yue Feng, it is like a sullen couple.

broken!

Xiaorou was young and didn't notice the subtlety of the atmosphere. Seeing Jiang Hongyu and Yue Feng clashing, she was a little anxious and winked at her secretly.

Afterwards, Xiaorou took Yue Feng's arm and took the initiative to apologize: "Pavilion Master, don't be angry, it's all my fault, I took the initiative to ask Sister Hongyu to come here."

After speaking, Xiaorou felt guilty and lowered her head. head.

"It's alright." Xiao Rou looked like Xiao Xi who had done something wrong, Yue Feng smiled slightly and didn't take it seriously at all.

Afterwards, Yue Feng nodded at Jiang Hongyu: "You can come and see, Dan Pavilion welcomes you at any time."

Yue Feng's eyes flickered, his tone became playful: "By the way, if your meridians are blocked in the future, what will happen? You can come to me for help anytime, I'd be more than happy to do so."

Thinking of the scene of massaging her beautiful back in the hot spring yesterday, that feeling is really unforgettable.

Swish!

When the words fell, Jiang Hongyu's delicate face turned red all of a sudden, she wanted to refute two sentences at that time, but because of Xiaorou's presence, it was not easy to attack, so she could only look at Yue Feng angrily.

This person is so shameless, he gets cheap and sells well.

Seeing this, Xiaorou was also stunned.

What's the matter?

The pavilion owner authorized Sister Hongyu to come often. This is a good thing. Why did Sister Hongyu react like this?

Haha...

Seeing Jiang Hongyu's embarrassed and angry expression, Yue Feng was in a very happy mood.

However, Yue Feng stopped when he saw it, and did not continue to tease her. At this time, he thought that there was a Zhang Yueqi behind him, so he patted his forehead: "Oh, I forgot there are guests." After

saying that, Yue Feng turned his head and rushed towards him. Zhang Yueqi, who was outside the door, smiled and said, "Miss Zhang, come in."

Hmm!

Zhang Yueqi responded, holding the box, walked in slowly, and after entering the first floor of the Pill Pavilion, she looked around curiously.

Is this the Chunyang Palace, the famous Dan Pavilion? Sure enough, it is more stylish than the alchemy room in Tianlongmen.

Just as she was sighing, Jiang Hongyu smiled lightly, walked over, and greeted, "Yueqi, you are here."

The ultimate husband in Chinese chapter 5041-5050

Chapter 5041

When he said this, Jiang Hongyu changed his icy arrogance before, and his face was full of tenderness. Two years ago, Jiang Hongyu met Zhang Yueqi during his travels in the arena, and together with the same origin of Tianlongmen and Chunyang Palace, he became A good friend who doesn't talk about anything.

Today, Jiang Hongyu came to the Pill Pavilion, originally wanting to see the brand new alchemy room, but did not expect to meet Zhang Yueqi.

“Sister Hongyu...”

Zhang Yueqi was also extremely happy when she saw Jiang Hongyu, walked over quickly and held her hand tightly. Originally, I was still in a low mood, but when I saw Jiang Hongyu, I was instantly relieved.

I'm going...

Seeing this scene, Yue Feng couldn't help scratching his head, what's the situation? Are these two girls so familiar?

At this time, Jiang Hongyu and the two completely left Yue Feng, the Pill Pavilion Master, to the side, as if their relatives had met, and they didn't see anything at all, sitting on the chair next to them and chatting.

After chatting for a while, Jiang Hongyu suddenly thought of something, and smiled at Zhang Yueqi: “I heard that your Tianlongmen found some medicinal pills, and they sent someone to deliver them today. I thought it was someone else, but I didn't expect it to be you. “

By the way, how about those pills?”

Alas!

Facing Jiang Hongyu's question, Zhang Yueqi's smile restrained a little, sighed softly, and said, “To tell the truth, Sister Hongyu, the pavilion master has seen it just now, and all the medicinal pills we brought are ineffective.

”, Zhang Yueqi couldn't help but glance at Yue Feng.

What? All failed?

Hearing this, Jiang Hongyu's delicate body trembled, her delicate face was full of disbelief, and when she saw the box in Zhang Yueqi's hand, she subconsciously took it and opened it to look at the medicine pill inside.

"This...."

This chapter is provided by . Visit for daily update.

After looking at the dozens of medicinal pills in it, Jiang Hongyu looked at Yue Feng very complicatedly: "Aren't these medicinal pills well-preserved? Why are they all ineffective? You... Are you bullying Sister Yueqi? If you don't know the medicine pill, you deliberately lie to her?" What the

hell?

Feeling Jiang Hongyu's questioning attitude, Yue Feng was stunned for a moment, and then he said in disbelief: "I lied to her on purpose? Why do you think of me like this? I have no grievances with her, why should I lie to her?"

"She couldn't help but pulled Jiang Hongyu, bit her lip lightly, and whispered: "Sister Hongyu, you...don't talk nonsense."

I am a guest, and I don't want to cause more trouble. More importantly, Junior brother Liu He had only offended Yue Feng before, and he is still unconscious. Under such circumstances, how could he dare to provoke him easily?

At the same time, Zhang Yueqi was also a little curious.

Although Sister Hongyu has some status in Chunyang Palace, she is only the eldest disciple of the Palace Master, and Yue Yang in front of her is the Pavilion Master of Pill Pavilion. At this time, Sister Hongyu dares to question him in public. Aren't you afraid of being blamed by the palace master?

Zhang Yueqi was in a hurry, but Jiang Hongyu was not panic at all.

Seeing Yue Feng smiling, Jiang Hongyu said angrily, "Anyway, I don't think all these medicinal pills will fail." Although Yue Feng massaged her yesterday, and the effect was remarkable, in her heart, this person would be better at best. Bug carving tricks.

As for alchemy, who knows if he really lives up to his name?

Ha ha!

At this time, Yue Feng was too lazy to talk nonsense. He picked up the box and walked towards the alchemy room inside. At the same time, he did not forget to greet Jiang Hongyu: "Come with me."

” No one dares to call it second. It seems that it is impossible not to show one’s hand today.

What is he going to do?

At this moment, Jiang Hongyu looked puzzled and looked at Zhang Yueqi.

Zhang Yueqi bit her lip lightly and said in a low voice, “When he came out of the Crane Tower just now, what he said to me is seeing is believing, and I don’t know what he is going to do.

“

Hearing this, Jiang Hongyu couldn’t help but murmured, then dragged Zhang Yueqi and followed him in: “Go, go in and see what the hell he’s up to.”

He couldn’t believe it, he still had a way to prove all the medicinal pills failed.

Huh...

Xiao Rou walked last, but she was also the most excited. She was smart and alert, and she could tell at a glance that Yue Feng was going to make the medicinal pill by herself.

Speaking of which, Xiao Rou has not seen Yue Feng concocting alchemy since she had been working with Yue Feng for three days, so how could she not be excited.

Chapter 5042

Soon, I arrived in the alchemy room.

Yue Feng took out an elixir from the box and asked Zhang Yueqi with a smile: “Before you came, your master told you what kind of elixir this is and does it have any effect?”

Zhang Yueqi thought about it and said: “Master said that this is called Tongxuan Pill, and within an hour after taking it, the strength will double.”

Hmm!

Hearing this, Yue Feng nodded, this Tongxuan Pill, on the continent of Kyushu, is called Shenli Pill. The effect of the two is the same, and the refining method should not be much different.

Thinking to himself, Yue Feng instructed Xiaorou, “Xiaorou, help me prepare some materials and herbs.”

After speaking, Yue Feng explained the required materials in detail.

“Okay, Pavilion Master!”

Xiaorou answered with a smile and hurried to prepare.

This...

Seeing this situation, Jiang Hongyu and Zhang Yueqi were both stunned. At this time, they realized something, and their eyes flashed with surprise.

He...he wants to refine these medicinal herbs on the spot?

In surprise, Jiang Hongyu couldn't help but said, “Do you want to concoct pills?” The pills in these boxes can be hidden in ancient tombs by the wind, which shows that they are very valuable, and they cannot be refined casually. .

And this Yue Feng actually wanted to make alchemy on the spot?

Is he really capable? Or are you ready to fish your eyes?

“Yeah!” Yue Feng nodded with a smile, looking cynical: “Don't you believe me? Then I will refine it on the spot and let you identify it. Everything is clear.”

When he said this, Yue Feng looked at Jiang Hongyu and laughed secretly in his heart.

Isn't this Jiang Hongyu who massaged you in the hot spring yesterday and had a skin-to-skin relationship with you? She's so stingy, she's going to run on me when she gets the chance.

Hehe...

Jiang Hongyu guessed that he would say this, and said angrily at the time: “Don't be too complacent, whether you can refine it is another matter.”

After speaking, Jiang Hongyu pointed at Zhang Yueqi seriously Said: “Yueqi, you are optimistic about your medicinal pills, don't let him secretly change them later, and then take the medicinal pills in your box and say that you made them yourself.”

This....

Hearing this, Zhang Yueqi Jiao His body trembled, and instinctively he covered the box in which the medicinal pills were placed with his hands, and his delicate face couldn't hide his vigilance.

When she was in Immortal Crane Tower just now, she had some doubts about Yue Feng's ability. Now that Jiang Hongyu said so, she felt a sense of being deceived.

This Yue Yang... Could it be that he really intends to get rid of my pills?

But... if he didn't have attainments in the art of alchemy, how did he sit on the alchemy pavilion?

Uh...

Seeing the expressions of the two of them, especially Zhang Yueqi's hand protecting the box, Yue Feng couldn't help laughing and crying, and said, "Okay, okay, I won't touch the box, so, what kind of pills I want to make later, Miss Zhang, you hold the medicine pill in my hand, I will never touch it, that's it."

These two women are so interesting.

The medicinal pills in this box are priceless to them, but to Yue Feng, they are nothing but ordinary things.

After all, Yue Feng is the teacher of the Emperor of Heaven, and golden pills are not rare, so how can these ordinary medicinal pills be taken seriously.

Jiang Hongyu's face did not fluctuate at all, and she said lightly, "This is the best."

Zhang Yueqi did not answer, but she also acquiesced to Jiang Hongyu's statement.

Haha...

Seeing them like this, Yue Feng was too lazy to say more. At this time, Xiaorou brought all the materials she needed.

Yue Feng checked the side and confirmed that it was correct. He couldn't help but nodded approvingly at Xiaorou. Although this girl was not very old, she was very careful in her work. More than a dozen kinds of materials were still the same.

Afterwards, Yue Feng skillfully lit the fire and sorted the medicinal materials.

Everything is orderly.

Huh ...

Seeing his serious and skilled appearance, Jiang Hongyu was stunned for a while, her eyes a little dazed....

Yesterday Cao Qian said that he had high attainments in the art of alchemy, but Jiang Hongyu didn't believe it at the time. I just feel that this person is slick, a full-fledged womanizer.

And now, it seems that this person really has real material.

Zhang Yueqi next to Chapter 5043

is even more delicate and trembling.

Does he really know how to make alchemy?

No, isn't he a gambler from his junior brother Liu He? At most, he has a little medical skills, so how could the alchemy technique that has been lost for nearly a thousand years?

"You..."

Finally, Jiang Hongyu reacted and couldn't help but ask Yue Feng, "What kind of medicinal pill are you refining now?"

Although he was very skilled, it seemed that he was too relaxed.

Yue Feng smiled slightly and pointed to the medicinal pill in Zhang Yueqi's hand: "Refining Tongxuan Pill, I said just now, all the ones she brought are useless, I will make one now and let you see the truth. "

Bragging!

Seeing his confident look, Jiang Hongyu couldn't help but pouted.

However, it was at this time that a vibration was heard from the pill furnace. Jiang Hongyu and Zhang Yueqi were both startled at that time, and couldn't help but take a step back, thinking that the pill furnace was about to explode.

Pfft...

Seeing this scene, Xiao Rou, who has been standing by the side, couldn't help but pursed her lips and smiled: "Sister Hongyu, don't panic, this is the air flow reaction generated by the high temperature in the pill furnace, not the pill. The furnace is about to explode."

She has been studying pill recipes in the alchemy room for the past few days, trying to refine a lot of pills, and she has long been accustomed to this situation.

Huh

Hearing this, Jiang Hongyu and Zhang Yueqi breathed a sigh of relief, and then their eyes focused on Yue Feng.

I saw that Yue Feng was very relaxed at this time, with a smile on his face, he took out two medicinal pills from the pill furnace, the appearance was orange-yellow, the halo was flowing, and the aroma was fragrant.

For a while, Jiang Hongyu was stunned.

Seeing that these two medicinal pills are similar to the medicinal pills in Zhang Yueqi's hands, but the surface gloss is more vivid, which makes people unable to hold back and want to take it as their own.

two?

After being stunned for a few seconds, Jiang Hongyu was the first to react, looking at the medicinal pill in Yue Feng's hand, and then at the medicinal pill in Zhang Yueqi's hand.

In the next second, Jiang Hongyu asked Yue Feng, "This is the Tongxuan Pill you made?"

At such a fast speed, can you make two at once?

Incredible.

"Yeah!" Yue Feng smiled and nodded: "It's Tongxuan Pill,

if it's fake." After speaking, Yue Feng handed one of them to Zhang Yueqi: "In order to prevent you from saying that I'm a ghost, I specially refined two of them, and one of them is for you to take on the spot and experience it for yourself. See if what I said before is true or false."

Zhang Yueqi took the medicine pill in a daze, but she didn't recover for a while. Come: "You... What do you mean, let me take it now?"

Is it too extravagant to just take such an expensive medicinal pill?

And... the two medicinal pills he refined are indeed very similar to the Tong Xuan Dan in his hand, but no one knows whether it will work or not. What if there is an accident?

After all, Zhang Yueqi still didn't believe Yue Feng in her heart.

Jiang Hongyu's expression changed even more, and she hurriedly stopped: "Why don't you eat the medicinal pill you made yourself? Let us try it out? I think you are mentally ill."

Alas!

Seeing their reaction, Yue Feng was dumbfounded.

At this moment, Xiaorou came over and said, "Sister Hongyu, you should trust the pavilion master. In the past two days, under the guidance of the pavilion master, I have been able to make pills by myself.

" , of course not bad."

What?

Hearing this, Jiang Hongyu's delicate body trembled and she was shocked. She stared at Xiaorou blankly, thinking that she had heard it wrong.

In just two short days, Xiaorou can concoct alchemy by herself?

You know, Xiaorou grew up in Chunyang Palace, Jiang Hongyu knew her best, and always liked alchemy, but the secret of alchemy on the road has long been lost, and no one has taught her at all. In other words, she has no interest in it. , but he knows almost nothing about alchemy.

And in this case, Xiao Rou only followed Yue Feng for two days before she could make alchemy?

Think it's impossible, right?

Zhang Yueqi was also stunned for a while, and quickly recovered, and then put the medicinal pill handed by Yue Feng into his mouth and swallowed it directly.

"Yueqi..."

Seeing this, Jiang Hongyu was taken aback and wanted to stop it, but it was too late, when Zhang Yueqi closed her eyes and swallowed the medicine pill.

Chapter 5044 Seeing that Zhang

Yueqi had swallowed it, Jiang Hongyue stomped her feet, but she had no choice but to wait quietly for the effect.

Xiaorou is also looking forward to it.

Yue Feng was leaning there, his face relaxed and comfortable.

Soon, five minutes passed.

Jiang Hongyu couldn't wait any longer, thinking that the medicinal pills made by Yue Feng must be fake, but at this time, Zhang Yueqi was full of joy.

“Sister Hongyu!”

Zhang Yueqi was very excited at this time, she grabbed Jiang Hongyu’s hand, almost cheering: “This medicine pill is really effective, I... my strength has doubled...”

“It’s really Tongxuandan.”

Because she was too excited, Zhang Yueqi’s voice trembled a little when she said this, her face was flushed, and she was indescribably sexy and charming.

Does it really work?

Seeing Zhang Yueqi’s excited look, Jiang Hongyu was completely stunned.

She clearly felt that Zhang Yueqi’s internal strength was significantly stronger than before, and her whole person became brighter.

I thought that this Yue Feng was just randomly creating two medicinal pills to fool himself and Zhang Yueqi, but he never expected that he had really refined Tongxuan Dan.

And still two.

“The pavilion master is amazing.”

Xiaorou next to him was also full of excitement, clapping her hands and admiring: “The pavilion master’s accomplishments in alchemy are really superb, and in such a short period of time, he has refined two Xuan Tong Xuan. Dan.”

“I have read a fragment of the pill recipe before, and it was clearly recorded that when an alchemy master was refining the Tong Xuan pill, it took a full half an hour, and the time spent by the pavilion master could be It’s less than one-tenth of the master of that year, which is really eye-opening.”

When she said this, Xiaorou looked at Yue Feng with admiration and admiration.

Huh ...

Hearing these words, Jiang Hongyu was also completely dumbfounded, staring at Yue Feng blankly, unable to speak for a long time.

This man had a cynical look on his face, and thought he was just relying on some method to confuse the master, and then he took the position of the pavilion master of the Pill Pavilion, but he did not expect that he would really be able to refine pills.

Not only can he alchemy, but his attainments are unfathomable.

It's just... He is so young, how can he be more powerful than those alchemy masters back then?

Zhang Yueqi was also full of shock. She experienced the effect of Tongxuan Pill firsthand, and felt even more deeply. At this time, her eyes were fixed on Yue Feng, and she didn't know what to say.

Just now, I had been misunderstanding him, thinking that it was just some kind of coincidence that he could take the position of the Pill Pavilion Pavilion Master.

It turned out that the clown turned out to be himself.

Haha...

Seeing their appearance, Yue Feng showed a smile, and put another Tongxuan Pill in Zhang Yueqi's palm: "There are two in total, let you eat one, and you can take this one back for business."

Of course, because of our relationship, I'm too embarrassed to let you take one away." With

that, Yue Feng instructed Xiaorou, "Go, light the other pill stoves. In addition, put the medicinal materials on fire." Prepare enough." He thought about it, and wanted to refine all the medicinal pills that Zhang Yueqi brought.

I was just practicing my hands just now, and now it's the real issue.

What?

As soon as the words fell, Jiang Hongyu and Zhang Yueqi trembled, completely stunned.

There are ten pill furnaces in the entire alchemy room. He actually wants to light all of them... What is he going to do?

Xiaorou was also dumbfounded for a while, her eyes widened, and she didn't calm down for a long time.

After a full ten seconds, Xiaorou asked tentatively: "Pavilion Master, you... Are you preparing ten pill furnaces to make pills together?" At the end, Xiaorou's voice trembled.

In the records of those elixir fragments, no one has ever used so many elixir furnaces to make pills at one time. According to legend, the originator of elixir on Ziwei Continent, 'Master Lu Wen', can only use three elixir furnaces at a time.

And the pavilion owner in front of him had to use ten pill furnaces at a time.

This... this is too shocking.

For a time, Xiaorou only felt that her brain was buzzing, and she only felt that her outlook on life had been completely subverted.

Yue Feng was indifferent, smiled and said, "Yeah, what's so surprising about using a pill stove at a time? I think it's too little." There is no problem with alchemy in a pill furnace.

Chapter 5045

In Yue Feng's heart, refining these elixir for Zhang Yueqi is not a big deal at all. The most important thing now is to get rid of them quickly, so that he can go back to the second floor to integrate the Tianzhu Jindan.

What?

Hearing this, Jiang Hongyu and Zhang Yueqi looked at each other, completely dumbfounded.

Is it too little for a pill furnace?

He's still not human...

At this time, Xiaorou also reacted from the shock, trotting all the way to prepare the materials, and after ten minutes, she came back with several large baskets of herbs.

Immediately, under Yue Feng's instruction, Xiaorou lit ten pill stoves on fire.

Huhuhu...

Ten pill furnaces burned at the same time, and the temperature of the entire pill refining room suddenly increased a lot.

At this moment, I can see that Yue Feng is still in the same relaxed and contented look, but the speed in his hand is a little faster, sorting materials, shuttle back and forth between ten pill furnaces, and control the heat, that incomparably relaxed appearance, where is Alchemy is like playing.

The pills that Zhang Yueqi brought were 18 pills in total. Yue Feng used ten pill furnaces to refine them, two pills for each pill, adding up to thirty-six pills in less than five minutes. practice.

Wow...

At this moment, when Yue Feng put the refined medicinal pills into the jade bottle, he heard only the sound of medicinal pills colliding in the entire alchemy room, and the three Jiang Hongyu were all dumbfounded.

Especially Jiang Hongyu and Zhang Yueqi, their faces blushed, staring at Yue Feng blankly, unable to speak for a long time.

So many medicinal pills, and they are all rare spiritual pills on the rivers and lakes, and they were all refined by him in the blink of an eye. Who would have believed it if he hadn't seen it with his own eyes.

Xiaorou's body trembled, and she could barely stand still.

Using ten pill furnaces at a time, it can be refined so quickly.

The pavilion master is simply divine, could it be... he is the reincarnation of the God of War?

"Okay!"

At this time, Yue Feng packed the medicinal pills, handed them to Zhang Yueqi, and said with a smile: "We are also friends. As for these medicinal pills, you can bring them back to Tianlongmen and give them to your master."

"That's right. If you need medicinal herbs in the future, feel free to come to me."

Speaking of which, Zhang Yueqi was in Xianhe Tower before. The wind is very appreciated.

Therefore, in Yue Feng's heart, he really wanted Zhang Yueqi as a friend.

"Really?"

Hearing this, Zhang Yueqi suddenly reacted from shock, as if she couldn't believe her ears, and looked at Yue Feng in surprise and joy: "I... I can really come directly to find it. You?"

After what happened just now, Yue Feng was already a god-like existence in her heart.

If you can come to Yue Feng at any time to get the medicine pill in the future, you will have more protection when you walk in the rivers and lakes. Can you not be excited?

Um!

Zhang Yueqi's reaction almost made Yue Feng laugh, and she nodded immediately: "Of course it's true."

“That’s great.” Zhang Yueqi couldn’t say how happy she was, so she carefully put away the medicinal pills, because she was too excited, and there was something wrong at the time. I wanted to rush up to hug Yue Feng’s urge, but thinking of my identity and the fact that there were people watching, I still held back.

Immediately, Zhang Yueqi looked at the sky outside, and was a little reluctant to part: “It’s getting late, I should return, Pavilion Master Yue, see you next time.”

After saying that, he waved goodbye to Jiang Hongyu.

Yue Feng showed a smile and asked Xiaorou to send Zhang Yueqi.

For a while, Yue Feng and Jiang Hongyu were left in the alchemy room.

At this time, Jiang Hongyu was still immersed in huge shock, staring blankly at the ten pill furnaces.

“Stupid?”

At this moment, Yue Feng came up with a smile and said in Jiang Hongyu’s ear: “If you want medicinal pills in the future, you can come to me at any time.”

“Although my status in Chunyang Palace is relatively high, You are tall, but who made the two of us have a relationship? Right.”

Jiang Hongyu had been suspicious just now, Yue Feng didn’t care, but at this time, he couldn’t help but want to tease her.

Swish!

Hearing something in Yue Feng’s words again at such a close distance, Jiang Hongyu suddenly recovered, and her delicate face suddenly flushed red.

The ultimate husband in Chinese chapter 5046-5050

Chapter 5046

“You...”

After more than ten seconds, Jiang Hongyu recovered, her face blushed, and she stamped her feet: “Who is destined for you.” The last word fell, like a victim The startled rabbit quickly ran out.

Haha...

Seeing her reaction, Yue Feng showed a smile. He never expected that Jiang Hongyu, who has always been arrogant, would be shy and embarrassed.

Thinking to himself, Yue Feng walked slowly to the front hall, made a cup of tea, and drank it leisurely.

“Pavilion Master!”

At this time, Xiaorou returned after sending Zhang Yueqi back, and happily ran in front of Yue Feng: “Pavilion Master, you were so amazing just now, you used ten pill furnaces to make pills at a time, I was just dumbfounded. Saying that ,

Xiao Rou looked at Yue Feng closely, her eyes full of anticipation: “Pavilion Master, how did you do it? Can you teach Xiao Rou?”

Yue Feng smiled: “With your current attainments , it is difficult to use two pill furnaces at the same time, let alone ten, and the art of pill making requires a step-by-step process, and there are no shortcuts.”

Oh!

Xiaorou nodded thoughtfully.

At this moment, Yue Feng thought of something, and asked with a smile, “How are you studying the alchemy recipe I wrote for you?” Xiaorou is very talented in alchemy. With a little training, she will definitely become a great master. Alchemy Master.

Xiaorou smiled humbly: “I have made a few pills in the past two days. Although I am not very skilled, I have not failed.”

Speaking of which, Xiaorou has refined several kinds of medicinal herbs in three days. I didn't dare to think, now that I have mastered the trick, I was a little complacent at first, but after seeing Yue Feng concocting pills just now, that smug heart disappeared instantly.

Compared with the Pavilion Master, he is still far behind.

This chapter is provided by . Visit for daily update.

However, Yue Feng was stunned, watching Xiaorou secretly surprised, I will go, this girl is too smart, six pill recipes, she actually learned it in just three days?

Haha...

Under the shock, Yue Feng couldn't help laughing.

Unexpectedly, I came to Ziwei Continent by accident, and I also met an alchemy genius. You must know that when Yue Feng obtained the Wuji alchemy technique, all the alchemy recipes in it had been comprehended for several months. At the fastest time, Yue Feng refined more than a dozen medicinal herbs in one day. Although Xiaorou is still a little worse than him, no matter what, this speed is also very terrifying.

“Pavilion Master.”

Seeing Yue Feng looking at her with a smile, Xiaorou felt a little embarrassed and asked subconsciously, “What are you laughing at?” After speaking, she couldn’t help touching her face, there was something on her face ?

Her appearance made Yue Feng even more happy, and he immediately smiled: “It’s nothing, I just think you are working hard, and I didn’t waste my hard work.”

Yue Feng knew very well that at an age like Xiaorou, it was the easiest I am proud and complacent, so it is necessary to teach in a step-by-step manner.

Having said that, Yue Feng asked Xiaorou to bring a paper and a pen, swish, swish, and write down more than a dozen kinds of pill recipes.

“These few pill recipes are much more difficult to refine than the ones given to you before.” Yue Feng put away his smile and pushed the pill recipe in front of Xiaorou with a serious face: “So you have to work harder, you know? You can’t be self-confident and self-satisfied just because you have refined a few simple pills.”

When he said this, there was a trace of gentleness in Yue Feng’s eyes.

This Xiao Rou is so similar to Xiao Xi, alas, it would be nice if Xiao Xi was by her side now.

call...

Seeing the pill recipe in front of her, Xiaorou’s delicate body trembled slightly, her heart couldn’t express her excitement, and she nodded her head: “Pavilion Master, rest assured, I will definitely work harder.”

Yue Feng smiled and waved her hand to let her Go to work, then return to the second floor and continue to integrate the Tianzhu Jindan.

.....

Kyushu Continent!

Overseas, Dragon King Island.

In the main hall, Mo Yan sat there, dressed in a gorgeous robe, dignified and charming, and the whole body was filled with an aura that could not be desecrated.

Next to it, a maid was holding a child carved in pink and jade.

Today, Mo Yan is in a good mood. The news just came that Yu Du successfully established the Gorefiend Sect in the mainland, and has recruited many experts from all corners of the world. Today, Yu Du will return to his life.

On the two sides below, dozens of leaders stood there, all of them extremely excited.

Chapter 5047

“Queen!”

At this moment, Yu Du walked quickly into the hall and said respectfully, “Yu Du, see the Queen. Your subordinates have lived up to their trust and have successfully established the Gorefiend Gate in secret on the mainland.”

Well. ..

Hearing this, Mo Yan nodded with joy, and a smile appeared on her beautiful face: “Very good, Yu Du, you have worked hard these days.” After

speaking, she asked the maids below to prepare Reward.

However, Yu Du was standing there, without the slightest joy, and instead said a little embarrassedly: “Report to the queen, there is one more thing, this subordinate... This subordinate has embarrassed you.”

Huh? what’s the situation?

Mo Yan was stunned, and the surrounding leaders also frowned secretly.

At this time, Mo Yan reacted and asked with a smile, “What’s the matter? You say it directly, I won’t blame you.” In her heart, Yu Du is the right arm, even if she did something shameful, Nor will it be to blame.

Yu Du took a deep breath, bowed his head and said, “Reporting to the Queen, one day ago in Donghai City, my subordinate met a strange person. This person is powerful, not only defeated me, but also forced me to take him back to Dragon King Island, saying that he wanted to meet. See the Queen.”

“My subordinate was very helpless at the time, so I agreed to him, and now I have taken him outside the hall.”

After saying this, Yu Du was ashamed.

As the No. 2 person in the Palace of the Sea King, it was really embarrassing to be forced to the door of the house.

What?

Hearing this, both Mo Yan and the surrounding leaders were secretly taken aback.

Who is the other party, so powerful?

You must know that Yu Du is second only to the Queen in the Palace of the Sea King, and even the Gorefiend Sect has been established. There is almost nothing that can't be done.

Under the astonishment, many leaders came to their senses, and all of them were extremely frightened.

“Who is so daring.”

“It's just a fluke that he won the leader of Yudu, and he dares to come to the door?” “

Bring it in quickly, but let's see who is holy.”

, as long as you see Muran later, you will obediently surrender.

The anger of the crowd came, and Mo Yan was also beautifully locked, and her beautiful face was very solemn.

The other party is so arrogant, could it be.... is it Yue Feng?

The thought of Yue Feng made Mo Yan feel both ashamed and complicated. If it wasn't for him, the Demon Race would not have been destroyed, and she would not have been reduced to overseas as the leader of these pirates.

It's just....

I have a child with him by accident, and I really want to meet later, how should I deal with it?

Just when Mo Yan was entangled in her heart, Yu Du cautiously stepped forward and said tentatively, “Queen, that person is waiting outside the palace, do you want to see me?”

Mo Yan breathed softly, trying to calm herself down, and said lightly: ” Bring it in.”

“Yes, Queen!” Yu Du responded and walked out quickly.

After a few seconds, Yu Du returned, followed by a young man. It was Gone who occupied Liu Hao’s body.

The moment he came in, Gone’s gaze fell on Mo Yan’s body, and a smile appeared on the corner of his mouth, and it really was her.

Swish!

At this moment, the eyes of everyone in the hall converged on the man, and each and every one of them was full of ill will. At the same time, there are some doubts in my heart.

Is such a kid who defeated Yu Po?

Then, aware of Gone’s gaze, he kept looking at Mo Yan, and everyone was extremely frightened and angry. This man is not small, dare to look directly at the Queen, he really has no rules.

Seeing that it wasn’t Yue Feng, Mo Yan was secretly relieved. Just facing Gone’s arrogant gaze, she was immediately a little unhappy, but what surprised her was that the person in front of her had a very familiar feeling on her body.

“Bold!”

Finally, someone couldn’t bear it anymore, stepped forward and pointed at Gone and scolded: “You are very brave, why didn’t you kneel when you saw our queen?” The voice fell, and everyone around was glaring at Gone .

Gone smiled lightly, and didn’t pay attention to them at all, still looking at Mo Yan.

Chapter 5048

At this moment, Mo Yan was also a little displeased, and said lightly to Gone: “Listen to Yu Du, do you want to see me?” As she spoke, Mo Yan looked at Gone carefully.

Strange, this person is only in his twenties, why does it feel like he has known each other for a long time.

Especially the aura of contempt for everything...

both unfamiliar and familiar.

“Not bad!”

Gone smiled and looked at Mo Yan quietly: "When I participated in the ring competition in Donghai City, I was thinking, is it you who is controlling everything behind this?"

"So I deliberately Let this Yudu bring me to Dragon King Island to see it, and the result is not what I expected, it's really you, Moyan."

When the next word fell, Gogne was very relieved.

Huh...

Seeing him say that, Mo Yan is even more puzzled, does this person know me?

At the same time, seeing Gone directly calling Moyan's name taboo, everyone around was furious, and they pointed at Gone and yelled at them.

"The kid is really rude."

"Dare to call our queen's name, courting death..."

"I don't know whether to live or die, I urge you to kneel down and beg for mercy, or you will be better off dead."

Among the anger, there were a few people. Unable to bear, he approached Gone directly, intending to subdue him on the spot. Although this person defeated Yu Du, with so many people present, it was still very easy to subdue him.

"Long-winded..."

Looking at the few people around, Gone frowned, and became a little irritable for a while: "Go away to the deity." The voice fell, and the strength of the whole body burst out.

hum!

Before those few people got to them, they felt an overwhelming force coming towards them, and they all stood unsteadily and were shaken back a few steps.

After stabilizing their figures, several people stared at Gone, their hearts were extremely shocked.

This man is young, but his strength is so terrifying. And... his explosive power is exactly the same as the queen?

"Stop!"

Mo Yan also stood up all of a sudden, couldn't help but shouted at Gone Jiao, and at the same time, feeling the strength of the other party, she was even more shocked.

Demon soul... Demon soul power?

This person actually possesses the power of a demon soul?

Isn't the entire Demon Race the only one left? How can there still be people with the power of the devil soul?

"Moyan!"

Just when Moyan was in doubt, Gone smiled and said lightly: "This deity has changed into a skin, you don't know it anymore? Or...you became the queen of this Dragon King Island and changed So arrogant and arrogant, no one cares about it?" The

voice was not loud, but there was a suffocating majesty.

He... he calls himself the deity?

Hearing this, Mo Yan felt that her legs were weak, and she could barely stand still. She was shocked and delighted.

Swish!

And the people around Yu Po were even more furious, Ma De, this person became more and more rude. Just calling the queen by her name was a taboo, but now she calls herself the deity?

"You're such a coward."

Finally, Yu Du reacted, pointed at Gone and shouted angrily: "Dare to be so rude to the Queen, everyone, let's go together and teach this ignorant boy a lesson." The voice fell, and he was the first to rush up.

In Yu Du's heart, he thought that Gone followed to meet Moyan on Dragon King Island, and was planning to join the Sea Dragon Palace, but he didn't expect that this person would not be astonished and die endlessly.

Simply insane.

Whoa!

The people around were eager to give it a try. At this time, seeing Yu Du rushing in first, they burst into internal energy, followed closely behind and surrounded Gone.

This time, Gone did not use the power of the demon soul, but just smiled contemptuously, stood there proudly, and did not move.

“Stop, stop all...”

Mo Yan also reacted at this time, and hurriedly shouted, and said to the rest of the people: “Retreat all, no one should be presumptuous.” At the same time, she watched closely. Gone was excited.

Moyan Bingxue was smart, and she already understood at this time that the person in front of her was the Demon Lord Gone.

This...

Hearing Mo Yan’s coquettish drink, Yu Du and the others hurriedly stood there, looking at each other in disbelief.

what’s the situation?

This person is so arrogant and rude, instead of being angry, the queen blames us?

Chapter 5049

And the next scene surprised them again.

Pfft!

Seeing Moyan walking down quickly, her knees bent, she knelt directly in front of Gone, her beautiful face could not hide her excitement and joy: “Subordinate Moyan, see your honor.”

In an instant, the entire The hall was silent.

Yu Du and everyone froze there, all of them were stupid, and they all felt that their brains were buzzing and blank.

what’s the situation?

The queen actually took the initiative to kneel to this person and call him honorable? Who the hell is he that can make the queen so arrogant to bow down to her knees?

For a while, everyone stared blankly at this scene, but didn’t speak. The hall was deadly silent, even if a needle was dropped, they could hear it clearly.

“Get up!”

Gone smiled and looked at Mo Yan, with a calm tone: "The situation is not as good as before, so don't be so polite."

Mo Yan responded and stood up slowly. My heart is still very excited, it's great, the honor is not dead, there is hope for the demons.

In the next second, Mo Yan looked around and said to the rest of Yu Du: "Everyone, listen carefully, from now on, he is the king of our Sea Dragon Palace and the owner of the entire Dragon King Island.

" Don't blame me for turning my face and being ruthless." The voice was clear and loud, unquestionable.

This...

Hearing these words, everyone in Yu Du looked at each other in dismay, what's the situation? Does the queen want to hand over the entire Sea Dragon Palace to this person?

How can he be?

Just looking at Mo Yan's serious face, everyone didn't dare to refuse in public.

The next second, Yu Du knelt down to Gone in public, and said respectfully, "I have seen you, Your Majesty." Yu Du has been able to travel overseas for so many years, not only by strength, but by the ability to judge the situation.

The queen in front of her is such a respectful person. If you object, you can imagine what will happen. Therefore, Yu Du resolutely surrendered, and when he saw Mo Yan calling Zun Shang, he also shouted.

At this time, Yu Du didn't know Gone's true identity yet, but he could guess that the person who could make the Queen compliment him like this must have an extraordinary origin.

Wow...

Seeing that Yu Du has softened, the other people around didn't hesitate, and they knelt down.

"See Your Excellency..."

Seeing this scene, Gone's face did not fluctuate in the slightest, he nodded, then walked up slowly and sat on the throne.

Mo Yan hurriedly followed, standing by the side respectfully.

“Get up.” Gone said lightly.

Yu Du and everyone hurriedly thanked them and stood up one after another.

Gone looked around at the lower hall, and smiled at Mo Yan: “This deity has always expected a lot from you, so I sent you to the Kyushu Continent at the beginning. Now it seems that you have not disappointed this deity.”

In such a short period of time, Unifying overseas pirate organizations, large and small, and establishing the Gorefiend Gate, Moyan’s actions made Gogne very happy to arrive.

Mo Yan smiled lightly and said humbly: “Thank you for your praise.”

However, at this moment, Gone’s eyes fell on the child in the maid’s arms next to him, and his brows frowned: “Moyan...this child Is it yours?”

His voice was calm, but there was a hint of sternness.

Pfft!

Moyan’s heart trembled, her secret channel was broken, and she immediately knelt down, her beautiful face couldn’t hide her inner fear: “Yes... Yes.”

“Born with a human?” Gone’s face gradually became gloomy.

call!

Mo Yan was even more nervous. A layer of cold sweat appeared on the bridge of her pretty nose. She lowered her head and said, “Yes.” When she answered, Mo Yan was so frightened that she almost lost her knees.

You must know that the demon clan has a clear decree that the clansmen are not allowed to have an affair with the gods, otherwise, they will be severely punished.

Not even a god, let alone a human being like an ant in the eyes of the demons.

And Moyan, as one of the Twelve Holy Demon Kings, actually had a child with a human being, which simply humiliated the demons, so how could Gone not be angry?

“Who is that person?” Gone was expressionless, looked around at everyone in the hall, and said coldly: “Is it here?”

Mo Yan said tremblingly: "No, that person is already dead..." She knew Gone's personality too well. If she let him know that she and Yue Feng had a child, she would be furious.

Not only that, the child has no chance to survive, so he can only make up a lie that the child's father is dead.

Chapter 5050

Dead?

Hearing this answer, Gone frowned, and then looked at the child subconsciously.

"Your Highness!"

At this moment, Mo Yan hurriedly kowtowed to apologize: "At that time, I was chased and killed by those gods and soldiers, and being with the child's father was also a coincidence, not the intention of the subordinates."

"It's just, now the child It has already been born, and it is a life after all, and the blood of the demons is flowing in my body. I beg your honor, for the sake of my loyalty and loyalty to the demons over the years, spare the child's life."

"I beg you. Your Highness ."

At the same time as pleading, Mo Yan knelt there, tears kept coming, and her beautiful face was full of anticipation.

After all, flesh and blood are connected. Without that mother, she would be ruthless and disregard the life and death of her child.

Hu....

Seeing Moyan kneeling there pitifully and begging for mercy, Gone took a deep breath, her face changed a few times, and finally nodded: "Okay, let this child live."

"Thank you for your honor..."

...

On the other side, Ziwei Continent, Chunyang Palace.

Unknowingly, Yue Feng had been in Chunyang Palace for a week. During this week in public, in addition to taking care of his diet and daily life, Xiaorou was studying medicine pills in the alchemy room in her spare time.

It has to be said that Xiaorou is very talented in alchemy, and all the medicinal pills needed in Chunyang Palace can be refined, and Yue Feng does not need to do it himself.

Under this circumstance, Yue Feng was completely able to calm down and fuse the Heavenly Marrow Golden Core.

The weather is fine today, with clear skies.

Yue Feng merged with the Heaven Marrow Golden Pill for a while, made a pot of tea in the pavilion outside the Pill Pavilion, then got a reclining chair, and leisurely enjoyed the quiet time in the afternoon.

In these seven days, Yue Feng had absorbed half of the spiritual energy of the Heaven Marrow Golden Pill, and his divine power had recovered quite a bit. Although he had not yet reached his peak state, walking on the Ziwei Continent would be no problem at all for self-protection.

Xiaorou is in the alchemy room, continuing to study medicine pills.

All around the Pill Pavilion, except for the occasional bird chirping, there was a peaceful and peaceful scene.

In the square a few hundred meters away from the Pill Pavilion, it was very lively at this time.

The elite disciples of the entire Chunyang Palace gathered here for the annual martial arts conference.

The martial arts conference is a unique day of Chunyang Palace. Every year at this time, all elite disciples are required to come to a competition to verify whether there has been progress this year.

I saw that in the middle of the square, a large space was vacated as a ring.

On the back of the square, a judging platform was set up, and a slender figure stood quietly on the platform. It was Jiang Hongyu, who judged this year's martial arts conference.

Speaking of which, in previous years, it was the elders who were responsible for judging this work. It was just a few days ago that the three major sects jointly held the Dao Discussion Conference, which was interrupted due to an accident. The palace lord and several elders were not there.

In this case, the judgment thing naturally falls on Jiang Hongyu.

After all, she is the palace master's eldest disciple.

Today, the palace master and several elders are not there. Many disciples present have no worries in the past, and they are chatting there in groups of three or five.

"All right!"

Seeing the commotion in the audience, Jiang Hongyu Xiumei frowned slightly, stood up and shouted, "Don't be noisy, it's getting late, the martial arts performance will start soon, everyone should be in place." I

have to say, Jiang Hongyu is still very aura. Yes, the voice fell, and the audience suddenly fell silent.

Seeing this scene, Jiang Hongyu nodded with satisfaction, and then prepared to let the first group of people play and learn from each other.

"Oh, beautiful Jiang, she is so majestic."

However, at this moment, a ridicule came from not far away.

The voice was loud, and all the disciples at that time couldn't help but raised their heads and looked up to the sky. When they saw the person coming, they all frowned.

"Xu Wenliang from Nianhua Palace?"

"Why is he here?"

He saw a figure coming from the sky, a young man in his twenties, dressed in a white gown, indescribably suave.

It was Xu Wenliang, the chief disciple of Nianhua Palace.

Nianhua Palace has only been established for a few hundred years, but it has a pivotal position in the rivers and lakes. See you at the main gate.

The ultimate husband in Chinese chapter 5051-5060

Chapter 5051

And this Xu Wenliang is the eldest disciple of the head of Nianhua Palace. He often walks around the rivers and lakes, and because of his tyrannical strength, he has created some famous halls, and all the disciples of Chunyang Palace present know it.

It's just... Chunyang Palace and Nianhua Palace have always kept the water from the well, but Xu Wenliang suddenly came to the door today, which is really strange.

"Haha..."

Facing everyone's attention, Xu Wenliang smiled and slowly landed on the ring in the center of the square, staring at Jiang Hongyu with a pair of eyes, and said with a grin, "Beauty Jiang, let's meet again. It's gone."

Half a year ago, Xu Wenliang traveled around the rivers and lakes and met Jiang Hongyu by chance. He was immediately overwhelmed by Jiang Hongyu's alluring beauty, and he was stalking him at that time. However, Jiang Hongyu never gave him a good face.

However, Xu Wenliang never gave up.

Seeing Jiang Hongyu at this time, Xu Wenliang couldn't move his eyes.

Beautiful, so beautiful.

I haven't seen each other for a while, this Jiang Hongyu seems to have become more sexy and charming.

Swish! Xu Wenliang's gaze made Jiang Hongyu very unhappy, her eyes couldn't hide the disgust, and her voice was cold: "Xu Wenliang, you don't stay in your Nianhua

Palace, why are you coming to our Chunyang Palace?"

Impression, simply not good at all. Relying on the fact that his master is the head of Nianhua Palace, this person is rampant in the rivers and lakes. In particular, this person is very lustful. According to Jiang Hongyu's knowledge, in order to expand the power of Nianhua Palace in the past two years, Xu Wenliang has been sent around to suppress some small sects. .

And after Xu Wenliang destroyed those small sects, he deliberately gathered those female disciples, saying that he wanted to select those with good aptitude and let them join the Nianhua Palace. In fact, it was to satisfy his private thoughts. The female disciples of the small sect were all forcibly defiled by him.

It can be said that this person is suave on the surface, but he is a beast in human skin.

Jiang Hongyu would never make excuses for such a person.

“Oops...”

Facing Jiang Hongyu’s indifference, Xu Wenliang didn’t get angry at all, but smiled and looked around: “Mr. Jiang, I heard that your Chunyang Palace is holding a martial arts conference today, and I happened to be here. If you pass by, come up and join in the fun. What? You won’t drive me away, will you?”

Jiang Hongyu snorted coldly: “What does it have to do with you when we hold a martial arts conference in Chunyang Palace? Please leave immediately.

” Thick, uninvited, and said in a grand manner.

To be honest, Jiang Hongyu really wanted to drive Xu Wenliang away, but considering the reputation of Chunyang Palace, she still endured it. After all, Xu Wenliang was just a bit cheap, and he didn’t do anything bad for Chunyang Palace. Taking action to drive away will make gossip on the rivers and lakes.

Uh...

Hearing that Jiang Hongyu didn’t give face at all and really drove him away, Xu Wenliang was a little embarrassed, but he still said with a smile: “Jiang Hongyu, we can be considered as old acquaintances, are you really driving me away? “

Speaking, Xu Wenliang looked serious: “Speaking of which, I’m here today, and I really have something to do.”

“What’s the matter?” Jiang Hongyuxiumei frowned, very impatient.

What the hell is this Xu Wenliang doing?

Hehe...

At this time, Xu Wenliang smiled, took out a green medicinal pill from his body, and said slowly: “Some time ago, your three major sects were going to hold a Taoism conference, and as a result, someone broke into the mysterious realm of heaven. Your Dao Discussion Conference had to be suspended.”

“After that, your three sects entered the secret realm and expelled people.”

“And I heard that at that time, your Chunyang Palace got a lot of golden scraps in it, so I thought, use this Tianyu Dan in my hand to make a bet with you, if you win, Tianyu Dan is yours, if you lose, give me a golden scrap, how about that?”

When he said this, Xu Wenliang looked at Jiang Hongyu closely, and there was a hint of slyness in his eyes.

You must know that Chunyang Palace is one of the three major sects. If it was normal, Xu Wenliang would have ten courage and would not dare to break in alone, but today he heard that the palace master and elders of Chunyang Palace, because of the The Dao Conference is not in the mountain gate, so he dares to bet with Jiang Hongyu unscrupulously.

Chapter 5052

Tian Yudan?

Hearing this, Jiang Hongyu did not respond, and looked at the Tianyu Pill in Xu Wenliang’s hand, there was no wavering on her beautiful face.

Tian Yu Dan, a treasure that can be found in the rivers and lakes, has the effect of tempering the bones and meridians.

To be honest, Jiang Hongyu might still be excited if it was before. After all, the alchemy technique on Ziwei Continent has been lost for thousands of years, but now it is different. With the Pill Pavilion Pavilion Master in Chunyang Palace, this kind of medicinal pill is no longer uncommon.

So Jiang Hongyu didn’t hesitate at all, and said lightly, “I’m sorry, I’m not interested in Yudan this day, and I don’t have the time to bet with you.” The

voice was not loud, but there was no doubt.

Um?

Hearing this answer, Xu Wenliang was stunned for a moment, and then he understood something. There is a Pill Pavilion Pavilion Master in Chunyang Palace. I heard that he is very good at alchemy. Not interested anymore.

But Xu Wenliang didn’t panic at all. He turned his eyes and said with a smile: “Beauty Jiang, I don’t think you don’t want to bet with me, but you don’t dare.”

“You are afraid that you will lose to me later, save face. Can’t hang up? Don’t worry about this, I’ll let you in later, haha...” At the

end, Xu Wenliang laughed, very arrogant.

Swish!

The voice fell, Jiang Hongyu frowned, and a bit of displeasure appeared on her beautiful face.

The surrounding Chunyang Palace disciples also changed their expressions. One by one was extremely angry.

“What did you say?”

“Our senior sister will lose to you?”

“It’s too crazy, don’t even look at this place?”

Jiang Hongyu is the chief disciple of the palace lord, and has a pivotal position in Chunyang Palace, and this Xu Wenliang, who dares to speak contemptuously, not only looks down on Jiang Hongyu, but also provokes the entire Chunyang Palace.

Wow...

For a while, under the anger of the disciples, many of them drew out their long knives and surrounded Xu Wenliang.

Looking at the crowd around, Xu Wenliang smiled and was not nervous at all, but looked at Jiang Hongyu closely, and said with a half-smile, “What? Jiang Damei didn’t dare to bet with me, but she wanted to bully the less with more? “

Okay, you all go, anyway, I won’t fight back.” After the

last sentence fell, Xu Wenliang took out the folding fan and shook it gently in front of him, a rogue attitude.

Mad!

When he said this, the disciples of the surrounding Chunyang Palace were not ready to act rashly.

This Xu Wenliang has already said that he will not fight back. Under such circumstances, if these people try to force their hands, won’t they really become more bullying than less? If it spreads to the rivers and lakes, it will have a great impact on the reputation of Chunyang Palace.

Jiang Hongyu also bit her lip tightly, very angry.

This Xu Wenliang is so shameless.

However, Jiang Hongyu still held back her anger, and said lightly, "Okay, how do you say bet?" The dignified Chunyang Palace was led by the nose by a Xu Wenliang, and it was just as embarrassing that this matter spread to the rivers and lakes.

Might as well bet with him.

Haha...

Seeing that she finally agreed, Xu Wenliang was very proud, and said to Jiang Hongyu with a folding fan: "Jiang Damei is still happy, today you are holding a martial arts conference, so let's learn from each other, you Chunyang Palace, feel free to send disciples to fight with me, as long as you can win a game against me, Yudan will be yours today."

"If no one can beat me, Miss Jiang will give me a golden scrap."

Xu Wenliang looked confident when he said this.

Whoa!

Hearing this, the disciples of Chunyang Palace present instantly burst into an uproar, and they were all shocked and angry.

This Xu Wenliang is too crazy, even if he is powerful, it is a bit too arrogant to provoke all the elites of Chunyang Palace present.

It's just that Xu Wenliang wasn't finished yet. At this moment, he turned his eyes and landed tightly on Jiang Hongyu, with an even stronger smile on his face: "Of course, if no one can beat me later, Jiang Damei can also play."

Shah!

Feeling Xu Wenliang's presumptuous gaze, Jiang Hongyu's beautiful face suddenly changed, and she was ashamed and angry.

Xu Wenliang is too arrogant, and he dares to provoke me in public without taking the disciples of Chunyang Palace in his eyes. If there is no response at this time, the matter will spread to the rivers and lakes, and others will definitely say that I, Jiang Hongyu, am afraid of him, Xu Wenliang.

Chapter 5053

"Okay!"

Thinking of this, Jiang Hongyu bit her lip tightly, with a chill on her face: "Just do as you said."

Haha...

Seeing her promise, Xu Wenliang laughed and put the folding fan away, Looking around the audience: "Which one of the people here wants to come up and ask for advice? But I said it before, and I won't keep it when I make a move. You'd better give up and let me compete with the beautiful girl Jiang." The

tone was indifferent, but With endless arrogance.

As soon as the words fell, the surrounding Chunyang Palace disciples suddenly became anxious, and pointed at Xu Wenliang and shouted out one by one.

"The kid is too crazy!"

"Let me come and learn, how talented you are."

"Let me come!"

For a time, the disciples of the surrounding Chunyang Palace were all angry, one by one scrambling to go up, To compete with Xu Wenliang.

Huh ...

Seeing this scene, Jiang Hongyu frowned and said lightly: "Don't fight anymore, there's no need to make such a fuss when dealing with a Xu Wenliang."

Jiang Hongyu was very aura, and when these words fell, the audience suddenly fell silent.

Jiang Hongyu looked around and said seriously: "This battle is about the glory of our Chunyang Palace. It's not just a passion. Who of you is confident to defeat Xu Wenliang?" As

soon as the voice fell, a figure walked out quickly : "Let me come."

It was Liu Qiang, the eldest disciple of Taoist Qianqiu.

Um!

Jiang Hongyu nodded and showed a smile.

Liu Qiang was a close disciple of Taoist Qianqiu, and he was extremely powerful, so he should be more than enough to deal with Xu Wenliang.

At this moment, the eyes of the audience were also focused on Liu Qiang.

Under everyone's attention, Liu Qiang, with a proud face, walked slowly to the center of the arena, and said coldly to Xu Wenliang, "I'm here to learn."

Just as Liu Qiang said this, the surrounding Chunyang Palace disciples, they all retreated subconsciously, making room for the two to fight.

Haha...

Xu Wenliang narrowed his eyes slightly, looked Liu Qiang up and down, his eyes were full of disdain, but he was still politely: "I really didn't expect that the first one to discuss with me was Brother Liu."

Liu Qiang is also a leader among the younger generation of Chunyang Palace, and Xu Wenliang knows it naturally.

After just a compliment, Xu Wenliang changed his words: "But Brother Liu, you are not my opponent, let's go."

Mad!

Seeing Xu Wenliang's confident look, Liu Qiang's face sank, and his heart suddenly became angry: "Don't talk nonsense with me, it's not certain who will win and who will lose later." After speaking

, his inner strength exploded, like a tiger. Usually they rushed up and slapped Xu Wenliang with a palm.

Liu Qiang was also an arrogant and arrogant master. At this time, so many people around him were watching, but he was so contemptuous by Xu Wenliang, and his heart was burning with anger.

hum!

With this palm, Liu Qiang almost used all his strength, and the air distorted wherever he saw his figure.

Feeling the power of this palm, Xu Wenliang's mouth curled into a smile, standing there, without any sense of evasion, he also raised his hand and slapped it.

I saw that when Xu Wenliang hit the palm, a red glow flashed in the palm of his hand.

What?

Seeing this red glow, Liu Qiang's heart was shocked, this... This is the stunt of the Nianhua Palace, the blood shadow palm?

The Blood Shadow Palm is a kind of exercise that is extremely yin and evil. A thousand years ago, a great villain used this palm method to bring disaster to the martial arts, killing many heroes of the arena, and later aroused public anger. The villain was finally helpless. After jumping into the sea to commit suicide, the Blood Shadow Palm practice also disappeared.

However, thirty years ago, this palm method appeared in the newly established Nianhua Palace, and was regarded as one of the treasures of the town. Only the head, or those who have made great contributions to the Nianhua Palace, are qualified to practice.

I just didn't expect that Xu Wenliang, who was in front of him, had also practiced.

While Liu Qiang was shocked, the surrounding Chunyang Palace disciples also exclaimed.

"Strange, Xu Wenliang's palm technique is so wicked that it flashes red..."

"Could it be... this is one of their stunts, the Blood Shadow Palm?"

"If it's really this palm technique, Brother Liu is only afraid of danger."

Chapter 5054 The

surrounding exclamations came, and Jiang Hongyu couldn't help sweating for Liu Qiang. As a closed disciple of the Palace Master of Chunyang Palace, Jiang Hongyu could see at a glance that Xu Wenliang in front of him was using a The forbidden martial arts, Blood Shadow Palm.

The blood shadow palm is extremely evil, although Liu Qiang is not weak, but it is impossible to be an opponent.

Worried, Jiang Hongyu couldn't help shouting, "Liu Qiang, be careful..."

It was just too late.

boom!

Just when Jiang Hongyu exclaimed, Liu Qiang and Xu Wenliang had already collided with their palms, and when a dull sound was heard, Xu Wenliang stood there with an evil smile on his face, motionless.

As for Liu Qiang's entire arm, there was a sound of bones shattering, and the whole person snorted and staggered back.

At this time, Liu Qiang's face was pale and pale, and he saw that his entire right arm was cracked with wounds, dripping blood, and it was very miserable.

Haha...

Xu Wenliang was full of pride, took advantage of the situation to pursue, rushed up, and kicked Liu Qiang's chest!

"Pfft!"

At that time, Liu Qiang didn't have time to dodge, and was kicked directly on the body, a mouthful of blood spurted out, and the whole person flew a few meters away and fell heavily to the ground.

Mad!

At this time, Liu Qiang was full of shock and anger. This Xu Wenliang was so despicable that he actually used the evil art of Blood Shadow Palm. However, he was also careless, otherwise, he would not have been beaten so embarrassingly.

"Oops!"

After kicking Liu Qiang, Xu Wenliang was full of pride, but said in a hypocritical manner, "Brother Liu, I'm so sorry, I really couldn't hold back just now, and I started a little harder."

He apologized, but his face was full of contempt.

Whoa!

Seeing this situation, the disciples of Chunyang Palace present were extremely angry, and they pointed at Xu Wenliang and shouted.

"The cat is crying and the mouse is fake..."

"Ma De, it's too despicable."

Liu Qiang was also very angry, struggling to stand up, and said coldly: "You just beat me by luck, what's the point of being proud of it? ?" The

voice fell, Liu Qiang wiped the blood from the corner of his mouth, his right arm was drooping, and when he raised his left arm and waved, he saw a long purple sword appear in his hand.

I saw this long sword, it was dazzling, and the Big Dipper was engraved on the blade.

It was the sword of Taoist Qianqiu when he was young, the Seven Star Sword.

Whoa!

Seeing the Seven Star Sword, the disciples of the surrounding Chunyang Palace were all excited. One must know that the strength of Taoist Qianqiu is second only to the palace master, and the seven-star sword he used when he was young is even a treasure of Chunyang Palace.

And now, Taoist Qianqiu actually passed the Seven Star Sword to Liu Qiang, which shows that Liu Qiang has obtained his true inheritance.

“Huh?”

At this moment, Xu Wenliang was also stunned, very surprised: “I can’t see it, Brother Liu, Elder Qianqiu passed all his saber to you.”

Xu Wenliang said so. But not the slightest nervous.

“Admit defeat!”

Liu Qiang didn’t say anything nonsense, he held the Seven Star Sword tightly in his left hand, his inner strength exploded completely, the whole person rose into the air, and the long sword drew a shock, coming towards Xu Wenliang.

Feeling the power of this palm, Xu Wenliang did not panic at all, a smile appeared on the corner of his mouth, his hands slowly raised, and a cold voice came from his mouth.

“Fire Lin is here!”

The moment the words fell, the air around Xu Wenliang suddenly became hot, and then accompanied by a dazzling light, a fiery red unicorn condensed out of the air.

This fiery red unicorn is completely transformed from internal force. It was more than ten meters long, and its whole body was burning with fire. Its fangs were half a meter long, and its eyes were blood red.

What?

Seeing the fiery red unicorn, Liu Qiang’s expression changed suddenly, this kid is too cunning, and even has a backhand.

“Roar!”

At the moment when Liu Qiang was shocked, under Xu Wenliang’s order, Qilin roared in the sky and rushed over.

In the next second, the two sides collided fiercely, and Liu Qiang let out a tragic cry, and the whole person was directly shaken, and finally landed outside the ring, his eyes darkened, and he passed out.

“Senior Brother!”

“Senior Brother Liu...”

Seeing this scene, the surrounding Chunyang Palace disciples exclaimed and quickly gathered around.

Chapter 5055

Haha...

Xu Wenliang was full of pride, and laughed loudly: “I just said, he is not my opponent, has anyone come to ask for advice?” His

tone was arrogant and irresistible.

Wow...

Seeing Liu Qiang being beaten so badly, all the disciples of Chunyang Palace present were extremely indignant, and they came to the stage to challenge one by one. However, they all ended in disastrous failure.

After winning nine games in a row, Xu Wenliang became even more inflated, with his hands behind his back, and bursts of smiles on his face: “Everyone present, whoever is not convinced, come up.”

“Oh, I thought Chunyang Palace was the three major sects . One of the sects is full of talents, and now it seems that it is nothing more than that.”

Hearing

Xu Wenliang’s mockery, all the disciples of the Chunyang Palace present secretly clenched their fists, but no one came out again. challenged.

The disciple of Chunyang Palace who was fighting against Xu Wenliang just now was beaten and lost his fighting power, or fainted. Under such circumstances, who would come to power and be humiliated?

Seeing this, Jiang Hongyu took a deep breath, walked slowly onto the ring, and looked at Xu Wenliang quietly: “I’ll fight with you.”

“Hehe...”

Seeing Jiang Hongyu finally playing, a smile appeared on Xu Wenliang’s face: ” Beauty Jiang, it’s really not easy to be able to compete with you.”

As he spoke, Xu Wenliang couldn't help but look at Jiang Hongyu from a close distance, how lewd his expression was, "Beauty Jiang, should we stop? Raise a bet? If I win, you'll be my woman, how about that? Hehe..."

Shameless.

Jiang Hongyu was ashamed and angry, and said coldly, "Stop talking nonsense." As soon as she finished speaking, she fought fiercely with Xu Wenliang.

After all, Jiang Hongyu is the close disciple of the palace master, and his strength is much stronger than the disciples of Chunyang Palace who played before, but even so, he still cannot suppress Xu Wenliang.

During the fierce battle, Xu Wenliang responded to Jiang Hongyu's attack while admiring Jiang Hongyu's figure, and kept joking: "Mr. Jiang, you are the eldest disciple of Chunyang Palace, and I am the eldest disciple of Nianhua Palace, we are the same family. , do you think about it?"

"As long as the two of us combine, not only can we promote a pair of stories in the arena, but with the help of our Nianhua Palace, your Chunyang Palace will definitely stand out from the three major sects and be called the first sect in the rivers and lakes. "

Hearing this foul language, Jiang Hongyu was so angry that she gradually lost her mind.

At this time, Jiang Hongyu didn't know that she had been fooled by Xu Wenliang. You must know that if you are a master, remember to be impatient. Xu Wenliang deliberately disturbed Jiang Hongyu's state of mind in order to win by surprise.

...

Dan Pavilion here.

Yue Feng was lying in the pavilion, very comfortable, and finally fell asleep in a daze. Suddenly, he frowned when he heard the noise coming from the direction of the square.

what's the situation? Why is it so noisy?

Just at this time, Xiaorou came out after refining the medicine pill and heard the movement in the square. She suddenly thought of something and said with a smile: "Pavilion Master, you don't know yet, today is the annual martial arts conference, which is very lively. "A

martial arts conference?

Hearing this, Yue Feng suddenly became interested, turned over and got off the reclining chair: "Let's go, let's go and see."

Hmm!

Xiaorou nodded and rushed towards the square with Yue Feng.

Soon, when they got there, they saw tens of thousands of disciples surrounding the square, and in the center of the square, two figures were fighting enthusiastically, it was Xu Wenliang and Jiang Hongyu.

boom!

At this time, Xu Wenliang found an opportunity and slapped Jiang Hongyu on the shoulder. Hearing her let out a coquettish cry, he fell backwards. Xu Wenliang, quick-witted and quick-witted, strode over and hugged Jiang Hongyu's slender waist.

"You...let me go..." Jiang Hongyu was shocked and wanted to break free, but Xu Wenliang hugged her tighter and tighter.

Haha...

At this time, Xu Wenliang was indescribably proud, admired Jiang Hongyu up close, and said with a smile: "Beauty Jiang, you lost. It seems that I have already won this game. The Chunyang Palace where you are present. Everyone, no one is my opponent."

Jiang Hongyu did not respond, and her face was even more ugly.

With so many people present, even Xu Wenliang couldn't beat him. If this matter spread, the reputation of Chunyang Palace would be completely ruined.

"Who said that there is no one in Chunyang Palace?"

At this moment, a voice came, and then, Yue Feng separated from the crowd and walked up slowly.

The ultimate husband in Chinese chapter 5056-5060

Chapter 5056

Swish!

In an instant, the eyes of the audience all converged on Yue Feng, and the eyes of the surrounding Chunyang Palace disciples were extremely complicated.

"The pavilion master? Why is he here?"

"The pavilion master is fighting with Xu Wenliang? He has no strength at all."

“Yes, although the pavilion master is powerful in alchemy, his cultivation strength is not as good as that of a junior disciple. Where is Xu Wenliang’s? Opponents?”

Under the discussion, many disciples of Chunyang Palace couldn’t help but worry.

Jiang Hongyu is also biting her lip tightly, her heart is complicated, this Yue Feng has no strength at all, if you don’t stay in the Pill Pavilion and study pill techniques, what are you doing in the square?

At this time, Yue Feng had already walked to the center of the square. Seeing that Xu Wenliang’s hand was still on Jiang Hongyu’s waist, he frowned and said lightly, “Take off your dirty hands.”

Speaking of which, Yue Feng was just admiring Jiang Hongyu. There is no love, but everyone is from the Chunyang Palace. At this time, seeing her being humiliated by Xu Wenliang, she can’t ignore it.

Huh ...

However, when Jiang Hongyu heard these words, a different kind of emotion arose in her heart.

He...he has no strength at all, and rashly came forward, just for me?

Thinking of this, Jiang Hongyu’s delicate face showed a faint hint of blush.

Um?

Yue Feng’s voice was not loud, but Xu Wenliang still smelled a dangerous breath, let go of his hand subconsciously, and looked at Yue Feng up and down: “Dare to disturb my good things, boy don’t want to live anymore?”

This chapter is provided by . Visit for daily update.

” Secretly surprised.

This kid, who doesn’t seem to have any internal strength, actually took the initiative to provoke, is he tired of living?

At this time, Xu Wenliang didn’t know that Yue Feng had recovered half of his divine power, but he had hidden his divine power at this time, so neither he nor the disciples of Chunyang Palace present were aware of it.

In surprise, Xu Wenliang chuckled and said coldly to Yue Feng, “Who are you?”

Although Yue Feng became the pavilion owner of the Pill Pavilion and has caused a sensation in the world, most people only heard of his name and never saw him. , Xu Wenliang is the same, I haven't seen Yue Feng, so I don't know yet, he is the new Pill Pavilion Master of Chunyang Palace.

Yue Feng remained calm and said indifferently, "Pavilion Master of Pill Pavilion, Yue Feng."

Pavilion Lord of Pill Pavilion?

Hearing this, Xu Wenliang was stunned for a moment, then he couldn't help laughing, his eyes couldn't hide the contempt: "Oh, who am I, with such a big tone, after a long time, it turned out to be the Pill Pavilion Pavilion Master. "

Speaking, Xu Wenliang looked up and down at Yue Feng: "You are not staying in the Dan Pavilion, why are you running to the arena? Although you are the pavilion owner and have a high status, hehe, I advise you not to fight this kind of thing. Participated."

When he said this, Xu Wenliang looked proud.

Although Yue Feng is the owner of the Pill Pavilion, and his identity is extraordinary, Xu Wenliang did not take it seriously. First of all, in his opinion, Yue Feng has no strength at all, and has no threat to himself at all.

Moreover, Xu Wenliang was not from the Chunyang Palace, so he naturally did not need to be polite to Yue Feng.

Whoa!

Seeing Xu Wenliang so arrogant, the surrounding Chunyang Palace disciples were all angry, but they could not help Yue Feng to refute.

After all, what people say is right. Yue Feng, as the pavilion owner, has a high status, but he has no cultivation strength. Now he is fighting against Xu Wenliang in the arena.

Jiang Hongyu also bit her lip tightly, looking at Yue Feng's complicated heart.

Speaking of which, Yue Feng was very courageous.

But no matter how brave you are, it's no use without absolute strength.

call!

Feeling Xu Wenliang's arrogance and the embarrassment of everyone around him, Yue Feng's face was indifferent, indicating that there was no fluctuation.

Immediately, looking at the injured disciples around, Yue Feng's eyes flickered, and he said to Xu Wenliang indifferently, "It's all your injuries?"

Hehe...

Hearing Yue Feng's question, Xu Wenliang opened the folding fan and slowly said: "Of course I beat them. They are over-thinking each other. If they have to fight with me, I will naturally give them some color to see."

After saying that, Xu Wenliang glanced at Yue Feng, and said yin and yang strangely: "Oops, I forgot, you are the pavilion master of the Pill Pavilion, specializing in alchemy, although these people are not seriously injured, but you can concoct pills to heal them..."

Chapter 5057

When he said this, Xu Wenliang decided in his heart that Yue Feng was here to save people.

After all, he has no strength at all, and it is impossible for him to fight with himself in the ring.

A fool.

Seeing Xu Wenliang becoming more and more arrogant, Yue Feng smiled lightly, cursed inwardly, and then directed at Xiao Rou behind him, "Xiao Rou, go to the Pill Pavilion to get some medicinal pills and give them to these disciples."

Yue Feng saw that many of the disciples of Chunyang Palace had their arms broken, which was very miserable. However, during this time, Xiaorou refined a lot of medicinal herbs to treat bone injuries.

"Yes, pavilion master!"

Xiaorou responded, then turned and walked towards the Pill Pavilion.

Haha...

Seeing this scene, Xu Wenliang shook the folding fan lightly and said impatiently, "That's right, the pavilion owner just needs to do his job well, don't participate in the arena.

"Besides, I am making a bet with Jiang Damei, so the pavilion master will not interfere."

After saying this, Xu Wenliang looked at Jiang Hongyu with a smile: "Jiang Damei, willing to accept the bet, you won't say anything, right?"

” He looked at Jiang Hongyu unscrupulously.

Today, the Palace Master of Chunyang Palace and those elders are not there, and the disciples of Chunyang Palace who are present are not his opponents, so Xu Wenliang naturally has no taboos.

Even if there is a Pill Pavilion pavilion next to him, but in his heart, Yue Feng is not a threat to an ordinary Chunyang Palace disciple.

“I...”

Jiang Hongyu bit her lip, looking extremely embarrassed, not knowing how to respond.

The dignified Chunyang Palace, of course, can't go back on its word, but with so many people present, none of them are Xu Wenliang's opponents, and even themselves are defeated. If the golden fragments are handed over today, the news will pass through. The laughing stock on the rivers and lakes?

More importantly, when the Palace Master and the elders return, how should I explain it?

“Wait!”

At this moment, Yue Feng's tone was indifferent, and he said to Xu Wenliang: “You said just now that you started a ring match, and everyone present is not your opponent?”

Seeing that he has not left, Xu Wenliang He frowned, but still said coldly and arrogantly: “Of course.”

With that, Xu Wenliang pointed to the injured Chunyang Palace disciples around him: “The one who should be playing has already fought with me just now, and they were all defeated in my hands. , this is something that is obvious to all. What? Does the pavilion master have any objection?”

Hmm!

Yue Feng chuckled lightly, nodded and said, “It's no wonder that after defeating so many people, your eyes have grown to the sky. Didn't your master tell you that there is a sky outside the sky, but is there someone outside the world?”

Xu Wenliang was stunned, then smiled faintly. : “There is a sky outside the sky, and there are people outside of people. Of course I know the truth. I don't need the pavilion master to remind me. It's just that none of the people present are my opponents. It's a fact.

” If you procrastinate, I advise you to save your time, it is a fact that your Chunyang Palace lost, if you go back on your word, you are not afraid of being ridiculed by everyone in the arena?”

Stupid!

Seeing his nose-up gesture, Yue Feng scolded secretly and sneered: “Originally, the pavilion master didn’t want to take action, but seeing that you are so confident, then I will give you a good lesson for your master.” As he

said , Yue Feng stretched and walked slowly to the center of the ring.

What?

Hearing this, whether it was Jiang Hongyu or the disciples of Chunyang Palace present, they were all stunned and anxious.

“What does the pavilion master do? He wants to compete with Xu Wenliang?”

“How can this be possible? He has no strength at all.

” Wen Liang will be even more arrogant and arrogant when he wins, and we, Chunyang Palace, are completely shamed and thrown home.” The

surrounding discussions kept coming, Yue Feng just pretended he didn’t hear it, but looked at Xu Wenliang lightly.

Xu Wenliang was also stunned and looked at Yue Feng in surprise. Then, as if he had heard the biggest joke in the world, he covered his stomach and laughed loudly: “Haha, what did you just say? Are you going to fight me?”

“Oh, I laughed so hard, pavilion master, although you have a high status, you have no strength at all, and you are not my opponent.”

Chapter 5058

“Wait, if you lose, wouldn’t it be even more embarrassing? Haha...” The

harsh ridicule continued to spread, and the surrounding Chunyang Palace disciples all had complex expressions.

Jiang Hongyu was also in a hurry. He walked over quickly and whispered to Yue Feng, “You...don’t make trouble.”

Taking the initiative to challenge Xu Wenliang at this time, is it not a humiliation in vain?

If Yue Feng was humiliated, the entire Chunyang Palace would be even more embarrassing.

“It’s okay!”

Feeling Jiang Hongyu’s anxiety, Yue Feng smiled slightly, with a calm expression on his face: “This kid is too arrogant, I have to teach him a lesson.” The

divine power has already recovered half, let alone Xu Wenliang, just The palace master of Nianhua Palace is here, and Yue Feng can easily beat him to the north.

Did you teach him a lesson?

Hearing this, Jiang Hongyu stomped her feet in a hurry, almost dumbfounded. You have no strength at all, so how can you teach others a lesson? I’m afraid that people will teach you a lesson.

Haha...

At this time, Xu Wenliang laughed enough, put away the folding fan and looked at Yue Feng condescendingly: “Since the pavilion master is so interested, then I will accompany you to have a good time, but I’m speechless, The pavilion was mainly injured by me, don’t blame me for being ruthless.”

After speaking, he walked slowly to the center of the ring.

Yue Feng nodded and pretended to be very worried: “Oh, since you said that, I really have to be careful in the future. Besides, I have to trouble you to be gentle.”

When he said this, Yue Fengshen The color was a little nervous, but there was a hint of cunning in his eyes.

This...

Why is Yue Feng not listening?

Jiang Hongyu was completely in a hurry and wanted to dissuade them, but the two had already entered the ring, and it was too late to say anything.

Alas...

the surrounding Pure Yang Palace disciples also sighed and shook their heads secretly.

It’s over, the pavilion owner doesn’t know what to think, why does he have to compete with Xu Wenliang? He has no strength at all, how can he fight? Lose.

Hehe...

At this time, Xu Wenliang looked at Yue Feng up and down and sneered: "Pavilion Master, I don't want to bully you either, so let's do it first." Seriously, Xu Wenliang didn't want to fight Yue Feng at all. No challenge at all.

However, this person is the Pill Pavilion Master of Chunyang Palace. If he beats him later, he will have a lot more to talk about in the future, so why not do it?

At this time, Xu Wenliang brought his arrogance to the extreme.

At this time, many disciples of Chunyang Palace around didn't want to watch it anymore. This was simply a fight without any suspense,

"No no..."

However, Yue Feng shook his head and waved his hand: "It's still you. Let's do it first, I haven't fought for a long time, so I don't know how to make a move."

Hearing this, Jiang Hongyu could not wait to find a crack in the ground to get in.

You don't know how to make a move? Even if he knew the move, he would not be Xu Wenliang's opponent.

Pfft...

At the same time, Xu Wenliang couldn't help laughing, and moved his wrist: "Pavilion Master, if you are afraid, just surrender, why should you suffer from flesh and blood?"

Haha, this Dan The pavilion master is really interesting. Before he even started to fight, he started to be cowardly.

At this time, Xu Wenliang didn't know what terrible existence he was facing.

surrender?

Yue Feng shook his head and said seriously: "No, I can't surrender, I am the master of the Pill Pavilion, and the dignity of the Chunyang Palace cannot be lost." This Xu Wenliang, touting you, you are really floating.

Hearing this, Xu Wenliang was even more happy.

I can't beat it, and I don't want to admit defeat for the sake of dignity. Isn't this self-inflicted?

Thinking of this, he smiled and said: "The pavilion owner is quite principled, well, since you don't want to admit defeat and don't want to take the first shot, then I have to offend you." When the

voice fell, Xu Wenliang urged his inner strength, and he With a drink, a punch hit Yue Feng's face.

Because he looked down on Yue Feng, Xu Wenliang just used a layer of skill. He had the ability to knock me down, within three lifetimes, to knock Yue Feng to the ground.

Huh

Seeing this scene, Jiang Hongyu and many disciples of the Chunyang Palace around, their hearts were raised, and they couldn't help sweating for Yue Feng.

Chapter 5059

They can all see that Xu Wenliang didn't use much internal force with this punch.

But even so, the pavilion master couldn't stop it.

Haha...

Seeing Xu Wenliang's punch, Yue Feng smiled faintly and stood there without moving, not trying to dodge at all.

This...

Seeing this situation, Jiang Hongyu and the disciples of Chunyang Palace were all in a hurry.

It's over... The pavilion master can't hide even if he hides, isn't he beaten in vain by Xu Wenliang?

"Are you hiding?" Jiang Hongyu even stomped her feet and couldn't help exclaiming. Since this Yue Feng is going to fight against Xu Wenliang, he doesn't even know how to hide, so how can he fight?

If this was knocked down by Xu Wenliang with one punch, Chunyang Palace would be too embarrassing.

However, Yue Feng still didn't move, but gave Jiang Hongyu a comforting look, seemingly casual, but in fact, the angle and strength of Xu Wenliang's punches were clear.

"Lie down for me."

At this time, Xu Wenliang had already rushed to the front, shouting angrily, and his speed suddenly accelerated. He couldn't wait any longer, he just wanted to get rid of Yue Feng quickly so that he could continue to tease Jiang Hongyu.

At this moment, Jiang Hongyu and everyone around him closed their eyes subconsciously.

Today, Chunyang Palace is really a shame.

Whoosh!

However, at this time, none of the people present saw that Yue Feng's right hand flicked, and a burst of energy shot out, hitting Xu Wenliang's leg directly.

This energy was formed by the condensed divine power motivated by Yue Feng.

"Whoops!"

Yue Feng shot too fast, Jiang Hongyu and the surrounding Chunyang Palace disciples couldn't see it at all, and Xu Wenliang didn't notice it either. At that time, his legs softened, he screamed, and fell directly into the mud.

Um?

Seeing this, Jiang Hongyu and the people around were stunned, their eyes widened, thinking they were wrong.

what's the situation?

How could Xu Wenliang be so good, and suddenly fell down?

Mad!

Xu Wenliang's nose was blue and his face was swollen, and he wanted to cry without tears.

"Oh!"

Yue Feng pretended to be surprised and exclaimed exaggeratedly: "Xu Wenliang, what are you doing? We are fighting, why do you kneel down and salute me?"

"You're polite, you're so polite, we're about the same grade, so you don't need to kneel for me."

When he said this, Yue Feng had a real face, but there was a smile in his eyes.

Pfft... The

voice fell, Jiang Hongyu, who was still extremely nervous, suddenly couldn't help laughing.

The surrounding Chunyang Palace disciples couldn't help but laugh. I saw that Xu Wenliang was lying in front of Yue Feng, and he looked like he was kneeling and salute.

"Go to Nima."

Xu Wenliang's face suddenly flushed, and he couldn't help but scolded, "Who wants to kneel for you?" After speaking, he struggled to stand up.

Just the moment he stood up, Xu Wenliang frowned, Ma De, what happened just now? The whole right leg was sore and numb, as if it could no longer stand.

At this time, Xu Wenliang thought that it was his own problem and that improper practice of the exercises would cause leg discomfort, and he did not think of Yue Feng at all.

But it's okay, although the legs are uncomfortable, it is more than enough to deal with Yue Feng in front of him.

Thinking to himself, Xu Wenliang gritted his teeth and endured the pain from his right leg, his eyes locked on Yue Feng fiercely, and another punch smashed towards Yue Feng's face.

This time, Xu Wenliang's speed was twice as fast as before.

Whoosh!

I saw that the air was distorted wherever this punch passed, and the power was amazing.

The corners of Yue Feng's mouth twitched, revealing a smile, and with a flick of his fingers, a burst of energy shot out, hitting Xu Wenliang's left leg.

Pfft!

In the next second, a dull sound was heard, Xu Wenliang's punch was empty again, and he stumbled and fell directly to the ground.

What?

Seeing this, the audience was completely dumbfounded.

Just now Xu Wenliang punched in the air. If it was an accident, it could be justified, but how could Xu Wenliang make the same mistake twice?

Chapter 5060

Jiang Hongyu was also stunned, looking closely at Xu Wenliang lying on the ground, her mind was extremely puzzled.

With Xu Wenliang's strength, it's impossible to make such low-level mistakes in a row? wrong!

Muttering in her heart, Jiang Hongyu couldn't help but look at Yue Feng.

Could it be... he did it?

But with so many people looking around, they didn't see Yue Feng's shot at all? mad.

Xu Wenliang lay on the ground, almost crying without tears.

What's going on here? Why did my left leg suddenly hurt just now?

"Alas!"

Just when everyone was secretly surprised, Yue Feng shook his head and made a very surprised look: "Xu Wenliang, I said it just now, no need to salute? Why are you kneeling again?"

Haha. ..

When he spoke, Yue Feng was almost happy.

Xu Wenliang, this idiot, probably still doesn't understand what's going on, right?

At this moment, Yue Feng held back his laughter, walked slowly to Xu Wenliang, and said hypocritically, "Look at you, you are still reluctant to get up, why don't I help you?"

Xu Wenliang ignored it and turned his head to look around. After looking at it, he shouted loudly: "Who is it? Dare to surprise me in secret? Have the ability to show up for me to meet."

At this time, Xu Wenliang's eyes were blood red.

At first, he thought it was his own problem, but after thinking about it carefully, even if there was a mistake in the practice, it was impossible for both legs to have problems one after another.

So Xu Wenliang was sure that someone secretly raided.

Swish!

When the voice fell, Jiang Hongyu and the surrounding Chunyang Palace disciples also quickly looked around.

Yes, Xu Wenliang fell twice in a row. Someone must have done it secretly.

Just... who is this guy?

Realizing this, everyone looked around the square, but after searching for a long time, they couldn't find any suspicious people at all.

"Ma De!"

At this moment, Xu Wenliang was furious and yelled at the surrounding: "I have the ability to make a surprise attack, but I dare not show up to admit it, right? Who is it? Who the hell attacked me? You come out for me."

However, only the wind responded to him.

At this time, Yue Feng walked over slowly, smiled at Xu Wenliang and said, "Xu Wenliang, why are you still embarrassed if you take the initiative to kneel for me? This is the gate of Chunyang Palace, how can anyone hide nearby?"

"Come on, I'll help you get up, see me later, you don't need to do this big gift."

With that, Yue Feng was about to help Xu Wenliang.

"Get out of the way!"

Xu Wenliang shouted angrily before touching it, and threw away Yue Feng's hand: "I repeat, I didn't kneel and salute to you, don't put gold on my face. "

Although the Yue Feng in front of him is the master of the Pill Pavilion and has an extraordinary identity, in Xu Wenliang's eyes, he is nothing.

Just now, Xu Wenliang had won the victory, and he could still pretend to be polite to Yue Feng. At this time, his legs were inexplicably beaten and he couldn't stand up. He was so angry that he was smoking. How could he be polite when he spoke?

Snapped!

Yue Feng sneered, without any hesitation, raised his right hand and slapped Xu Wenliang hard on the face.

The sound was crisp, and the audience was silent.

Whether it was Jiang Hongyu or the disciples of the Chunyang Palace present, they were all stunned.

Xu Wenliang was also stunned, and glared at Yue Feng: "You dare to hit me?" Ma De, the man in front of him, who had no strength at all, slapped himself in the face, and, in front of such a funny face, What a shame.

"What's wrong with beating you?"

Yue Feng said coldly, "I am the pavilion master of the Pill Pavilion, and I have a higher status than you. Even if your master comes, you have to be courteous to me, but you open your mouth and scold me? Beat you up? It 's all light."

"Also, now we're fighting for time, no matter how I hit you."

Hearing these words, Xu Wenliang's face flushed and he was about to explode with anger, but he couldn't refute it. .

"Okay!"

At this time, many disciples of Chunyang Palace reacted, applauded one by one, and applauded.

"Good fight."

"Too relieved..."

While everyone cheered, Jiang Hongyu also looked closely at Yue Feng, and a trace of throbbing rose in her heart. Although Yue Feng was not strong, the situation was decisive. Too manly.

The ultimate husband in Chinese chapter 5061-5065

Chapter 5061

“Do you admit defeat or not?”

At this time, Yue Feng moved his wrist and looked at Xu Wenliang with a half-smile: “You can’t stand up now, it’s pointless to continue fighting, let’s just admit defeat. .”

When he said this, Yue Feng’s eyes were full of ridicule.

admit defeat?

Hearing this, Xu Wenliang was embarrassed and angry: “I will not admit defeat, you are not my opponent at all.” Mad, if he hadn’t injured his leg inexplicably, would he be able to lie on the ground? Can you be slapped by this Yue Feng who has no strength at all?

Snapped!

Just as soon as the echo fell, Yue Feng slapped him in the face again: “Don’t admit defeat? Well, you can get up and fight me now.” This kid still doesn’t accept it?

“Nima...” Xu Wenliang was about to explode with anger and wanted to stand up to resist, but his legs were so numb that he couldn’t stand up at all.

Haha...

Seeing this scene, both Jiang Hongyu and the disciples of the Chunyang Palace present couldn’t help but laugh.

This Xu Wenliang, who was arrogant just now, looked like the number one in the world, but he never expected that he would be completely abused by a pavilion master who had no strength at all.

Who would believe it if you hadn’t seen it with your own eyes? But then again, this scene is really relieved.

Nima!

Seeing that Xu Wenliang was still stubborn at this time, Yue Feng also put away his smile, kicked him fiercely, and directly kicked him in the heart.

Pfft!

This chapter is provided by . Visit for daily update.

With this kick, Yue Feng did not use his divine power, otherwise Xu Wenliang would definitely die, but even so, Xu Wenliang screamed out and fell to the ground!

“I admit defeat, I won’t fight...” Xu Wenliang’s eyes were red and blood red, staring at Yue Feng and shouting: “I admit defeat.”

Xu Wenliang almost gritted his teeth when he shouted these words. He has already thought about it, and it will be soft for now. If there is a chance in the future, he must teach this Pill Pavilion pavilion well.

“Admit defeat?”

Hearing this, Yue Feng sneered, his face did not fluctuate in the slightest: “If you admit defeat, you admit defeat, when I came just now, in front of so many disciples of Chunyang Palace, you clamored to say pure Yanggong is just like this, but he still acts on Jiang Hongyu, so there are no rules and etiquette, you can’t fight now if you say no?”

“Ma De, what are you?” The

last word fell, Yue Feng’s face sank, Stepping on Xu Wenliang, he slapped him and slapped him!

Snapped! Snapped! Snapped!

Without a slap, Yue Feng used all his strength to make a crisp sound.

At the beginning, Xu Wenliang was still howling and scolding, but gradually he couldn’t hold it anymore, begging for mercy with blood and tears: “I was wrong... Pavilion Master, don’t fight, I was wrong...”

“I shouldn’t have scolded you just now, let alone underestimate the Chunyang Palace, the pavilion master...please forgive me.”

At this time, Xu Wenliang almost wanted to cry without tears. , Why is hitting someone so painful, Mad, his whole face was so swollen that he lost consciousness.

At this time, Xu Wenliang didn’t know yet that Yue Feng’s real strength was far beyond his imagination. He really wanted to kill him, but it was just a matter of moving his fingers.

Ha ha...

Seeing him finally begging for mercy, Yue Feng stopped and sneered: “Now you know what’s wrong?”

This kid really couldn’t shed tears without seeing the coffin.

“Wrong, I was wrong...” Xu Wenliang nodded like a chicken pecking at rice. There is absolutely no arrogance at the beginning.

Yue Feng looked at Jiang Hongyu next to her: “If you want to spare your life, don’t ask me, ask her.”

After saying this, Yue Feng greeted Xiaorou, turned and walked towards the Dan Pavilion. Although I didn’t see today’s martial arts competition, it’s a pity.

But after teaching Xu Wenliang a lesson, his heart was not in vain.

“Respectfully send the pavilion master.”

At this moment, all the disciples of Chunyang Palace in the audience moved their eyes closely with Yue Feng, and shouted in unison at the same time.

The momentum is soaring, and the momentum is shocking.

Speaking of which, many of the disciples of Chunyang Palace are still very unconvinced when Yue Feng is the Pavilion Master of Pill Pavilion, but after what happened just now, they realized that even if the Pavilion Lord of Pill Pavilion has no strength, he is a real man who stands above the ground. man. Phew

... At this moment, Jiang Hongyu was also trembling, staring at Yue Feng’s leaving back, a strange light flashing in her eyes. He didn’t have the slightest bit of strength, and Xu Wenliang had no power to fight back. This man is as unfathomable as the ocean.

Chapter 5062

At this time, Jiang Hongyu still doesn’t know that Yue Feng not only possesses strength, but also far exceeds her imagination!

...

the other side!

The continent of Kyushu, the vast sea!

Yue Wuya and Wen Xiaoyu, driving a small boat, finally arrived near Dragon King Island after tracking for a long time.

It was dusk at this time, and I saw that the entire Dragon King Island was full of sentries along the seashore, and there were more than a dozen sharks specially raised in the nearby bay.

The entire Dragon King Island can be said to be heavily guarded.

“Brother Wuya!”

Seeing this scene, Wen Xiaoyu’s brows furrowed, and he couldn’t help but

say, “There are too many people on the other side. If we try to break in, I’m afraid we won’t be able to get on the island.” Yu couldn’t hide the shock in his heart.

There are rumors in the rivers and lakes that this Sea Dragon Palace integrates all the overseas pirate organizations, and its strength is strong. I thought it was exaggerated by some people in the rivers and lakes.

There are so many people on the other side, even if they call everyone in the Hall of Longevity and Tianmen, I am afraid they may not be able to capture them.

call!

Yue Wuya also took a deep breath, his face was extremely solemn, and slowly said: “It’s getting dark, let’s find a chance to land on the island at night.” At this time, Yue Wuya couldn’t tell how anxious he was.

When Huan Linger was caught here, it was bound to be a lot of misfortune. He wanted to rush to the island to save people right away, but he tried to make himself rational.

He and Wen Xiaoyu were just two of them, rushing up and dying.

“Yeah!” Wen Xiaoyu nodded, and then drove the boat with Yue Wuya and hid in a reef.

Before I knew it, it was night.

Yue Wuya and Wen Xiaoyu found an opportunity to quietly board the beach while the seaside post was changing, and then rushed towards the palace group in the middle of the island.

In the dark night, on Dragon King Island, the palace was lit with lights, illuminating the surroundings like daytime, and it could be seen from a distance.

Yue Wuya and Wen Xiaoyu were very careful, but even so, they walked less than 200 meters in ten minutes, because there were too many sentries along the way, not only that, but also many members of the Sea Dragon Palace. Patrol the building non-stop.

Yue Wuya and Wen Xiaoyu were not familiar with the environment here. Although they were cautious, they were discovered when they passed the ninth post.

“Who? Dare to break into Dragon King Island? Looking for death.”

“Quick, take it!”

The moment it was discovered, the guards at the sentry lit the torches, and then, the surrounding patrols rushed over, one by one Shout out.

“Oops, it was discovered.”

Seeing this scene, Yue Wuya was shocked and angry. He didn't have time to think about it, he immediately raised his hand and waved to find the Overlord's Hammer.

Wen Xiaoyu also pulled out his long sword, his handsome face was full of solemnity, and shouted: “Brother Wuya, I will block them, you rush in while the chaos is, and find a chance to rescue your sister-in-law.”

When saying this, Wen Xiaoyu Very annoyed.

Mad, there are too many guards on this island, and the two of them are so cautious that they can still be discovered. When this happens, they can only fight. But you can't be too blind, you must rescue the sister-in-law.

Wen Xiaoyu has been cultivating hard over the years, and his strength is not what it used to be. He thinks that the outbreak of power can block the members of the Sea Dragon Palace in front of him.

“no!”

Yue Wuya was unusually calm, and immediately shook his head: “Let's go deep alone, it's already too risky, we can't be separated anymore, let's rush together.”

He and Wen Xiaoyu are like brothers.

Although the purpose of today is to rescue Huan Linger, the safety of the brothers cannot be ignored.

He thought about it, even if he risked his life today, he couldn't leave Wen Xiaoyu behind.

Whoa!

Just as they were talking, Yue Wuya and the two were surrounded by hundreds of members of the Sea Dragon Palace.

“Everyone!”

Yue Wuya said calmly with a calm face, “Where's the queen of your Sea Dragon Palace? Let her come out to see me.” Anyway, the whereabouts have been exposed, so I don't want to hide it, so let's get straight to the point.

Swish!

The words fell, and the surrounding Hailong Hall disciples were all looking at Yue Wuya closely, their eyes flashing with contempt.

“What are you?” In the next second, the patrol captain headed to Yue Wuya and shouted, “My queen, how can you see it if you want?”

Chapter 5063

In this patrol captain’s mind, Yue Wuya, two small, unknown people who sneaked onto the island, are not qualified to meet the Queen at all.

What’s more, the Queen has already handed over the power of the Sea Dragon Palace to a new man. For a long time in the future, she will need to raise her children quietly. How can she have time to meet outsiders?

Mad!

Seeing that a small patrol captain is so arrogant, Yue Wuya is very angry.

Wen Xiaoyu was even more furious, staring at the patrol captain and angrily saying: “Speak with respect, I tell you, he is the current Lord of Heaven’s Gate.”

Wow... When the

voice fell, the audience was in an uproar, all the The members of the Sea King’s Palace were all staring at Yue Wuya, secretly frightened.

It is no wonder that this person is so powerful, it turns out to be the son of the Tianmen Sect Master, the hero of the Kyushu Yue Feng.

The patrol captain was also stunned, but after a few seconds, he sneered and said disdainfully: “What about the Lord of Tianmen? Don’t care how prominent you are, when you arrive at our Dragon King Island, it is the dragon who is looking forward to me, and the tiger who is there for me. Lie down.”

“Don’t talk about the Lord of Tianmen, even if Yue Feng comes, he has to behave properly.” At the

end, the patrol captain looked at Yue Wuya and then at Wen Xiaoyu: “You want to See the Queen, hand over the weapons first, then tie hands and feet. Understand?”

What? Handing in weapons and tying hands and feet?

Hearing this, Yue Wuya and Wen Xiaoyu looked at each other and couldn't help but laugh.

Their fathers are all famous and indomitable heroes, how could they agree to such a thing of taking the initiative to become a prisoner?

“Ha ha..”

In the next second, Yue Wuya chuckled lightly, looked around, and finally looked at the patrol captain and said lightly, “What if we don't want to?”

Then, he clenched the Overlord's hammer in his hand.

“Take it!”

Hearing this answer, the patrol captain was too lazy to talk nonsense. He immediately raised his hand and shouted: “Brothers, take these two people down, and don't let either run away.”

Hula!

As soon as the voice fell, hundreds of members of the Sea Dragon Palace drew out their long knives one after another, mobilizing their inner strength and rushing towards the two of Yue Wuya.

These members of the Sea Dragon Palace were once full of vicious pirates, killing people without blinking an eye and being ruthless.

“Do it? I'm afraid you won't do it?”

Seeing the members of the Sea Dragon Palace who rushed up, Yue Wuya sneered and shouted: “A group of rabble, for the sake of the rivers and lakes, today I will represent Kyushu and eradicate you.

” !

When the words fell, Yue Wuya waved the Heaven-Opening Axe, his internal strength exploded, and he rushed over directly.

At the same time, Wen Xiaoyu also rose into the air, and together with Yue Wuya, rushed into the crowd.

Bang bang bang...

For a time, Yue Wuya and Wen Xiaoyu rushed into the enemy group like two fierce tigers descending the mountain, only to hear a sound of vibration, and the followers of the Sea Dragon Hall suddenly turned their heads.

Although there was a huge disparity in the numbers of the two sides, Yue Wuya and Wen Xiaoyu did not lose the slightest, and they saw their figures shuttle back and forth in the enemy group, the formation of the enemy group collapsed and screamed again and again.

In less than five minutes, nearly a hundred of the hundreds of members of the Sea Dragon Temple fell in a pool of blood.

This is no longer a battle, but a one-sided massacre.

“Tianmen Sect Master!”

Seeing this scene, the patrol captain, with blood red eyes, stared at Yue Wuya: “You hurt so many people in my Sea Dragon Palace, this hatred is not shared, you better just surrender and be captured. Otherwise, I will make you splatter blood on the spot.”

At the same time, the patrol captain did not forget to ask for help from a distance: “The enemy is attacking, come and support.”

When he said this, the patrol captain was full of resentment, this Yue Wuya, not only forcibly Breaking into the island and killing so many of my own brothers is really a crime that deserves death!

Wow..

Hearing the call for help, more disciples of the Sea Dragon Palace came in a steady stream, and there were nearly 10,000 people in the darkness.

Mad!

Seeing this scene, Yue Wuya was furious. There are so many people on this Dragon King Island?

Seeing more and more enemies, Wen Xiaoyu also frowned: “Brother Wuya, there are more and more enemies, what should I do?”

Chapter 5064

Call!

Yue Wuya took a deep breath, and a smile appeared on his dignified face: "Anyway, the whereabouts have been exposed. Since the other party is going to fight, let's kill the two of us today."

"Okay!" Wen Xiaoyu nodded.

Then the two brothers looked at each other and smiled, full of pride.

"Death to me!" In the

next second, Yue Wuya shouted loudly, holding the Overlord's Hammer and leaping for life, rushing into the air, the strength of his whole body exploded completely.

Clap la la...

This burst of shouting contained Yue Wuya's supreme inner strength, resounding through the heavens and the earth, and seeing huge waves rising from the sea, the surrounding trees were also broken.

"The world is proud."

Immediately after, the cold four words came out of Yue Wuya's mouth, and he saw that the Overlord's Hammer burst out with a dazzling brilliance. In front of him, a giant hammer phantom condensed out. The Hammer Phantom is almost the same as the Overlord Hammer in Yue Wuya's hands. It is completely condensed by the power of the Overlord Hammer.

It is more than 100 meters long and contains amazing power.

This move is exactly the new skill Yue Wuya has learned from the power of the Overlord Hammer in the past two years, and it is extremely powerful.

At this time, Yue Wuya just wanted to end the battle as soon as possible, so that he could rescue Huan Linger as soon as possible, and directly used his ultimate move.

hum!

At this time, under the command of Yue Wuya, the terrifying phantom of the giant hammer smashed towards the enemy group like a mountain.

"what!"

Because of the complex surrounding environment, with coconut trees on one side and steep mountain walls on the other, the members of the Sea Dragon Palace who were present wanted to dodge, but it was too late. A huge pit with a diameter of 100 meters was smashed directly on the ground, and the members of the Sea Dragon Temple

within the range of the giant pit were screaming in pain, and the sprayed blood dyed the ground red.

One move, just one move and solved nearly a hundred enemies.

This strength can hardly be described as terrifying, it is completely abnormal.

At the same time, Wen Xiaoyu also displayed the unique skills of the Hall of Longevity. The long sword in his hand was like a dragon, and when the sword fell in his hand, he heard a scream, and there were constantly people from the Sea Dragon Hall, falling in a pool of blood.

Gudong!

Seeing this scene, the patrol captain, who was still full of confidence, was sweaty and his hands and feet were cold.

Mad, these two guys are too terrifying. They killed so many people in the blink of an eye. According to the situation, before dawn, the entire Dragon King Island will not be slaughtered by them?

No, I have to ask the queen to do it.

Thinking to himself, the patrol captain was about to turn around and flee the battlefield to report the situation to Mo Yan.

“Who committed the murder on Dragon King Island?”

However, at this moment, a cold voice came from the direction of the palace group not far away, and then, a figure flew quickly, and the whole body was filled with the aura of the world, saying no Domineering.

In a black long shirt, it is extremely cold.

It was Gogne.

Gone was originally cultivating in the secret room, but when he heard the movement outside, he rushed over. At this time, seeing many members of the Dragon King Palace, all of them fell in a pool of blood, they were immediately shocked and angry.

Under the anger, Gonie's eyes also locked on Yue Wuya and Wen Xiaoyu coldly.

These two boys, who are not weak, actually killed so many people.

call!

Feeling Gone's gaze, Yue Wuya and Wen Xiaoyu couldn't help but take a deep breath and were secretly shocked.

Who is this person? The breath on his body is so strong.

They had never seen Liu Hao before, so they naturally didn't know about the eldest young master of Donghai City. What's more, Liu Hao's body was completely occupied by Gone. At this time, he was no longer the young master of the Liu family, but the Supreme Being of the Demon Race.

Shocked, Yue Wuya took a deep breath and said coldly to Gone, "Who are you?" Isn't the leader of the Sea Dragon Palace a woman? How did you become a man?

Wen Xiaoyu also frowned secretly.

"Boy!"

Faced with the question, Gone didn't answer, but snorted coldly: "You are not qualified to know my identity, but you, dare to break into Dragon King Island and start a massacre, it is useless to say more, save your life. ."

Om!

The voice fell, Gone slowly raised his right hand, and a terrifying breath burst out in an instant, and the world changed color.

Chapter 5065

Om!

In the next second, I saw a blood-colored long knife appear out of thin air in Gone's hand. This long knife was completely condensed by the power of the devil's soul.

Gudong!

Feeling the terrifying aura coming from the blood-colored long sword, many members of the Sea Dragon Palace present couldn't help but swallow their saliva, and subconsciously forced them back.

They all knew in their hearts that if the Queen could hand over the power, the strength of this person must be unfathomable.

Seeing this scene, many of the guards below, as well as the people in the distance, felt that their hearts were depressed and panicked, and they didn't dare to let out the air!

So strong!

Feeling Gone's endless killing intent, Yue Wuya and Wen Xiaoyu also felt their breathing tighten.

When did such a terrifying existence appear on the rivers and lakes?

"Brother Wuya!"

At this time, Wen Xiaoyu couldn't help but say: "This person is extraordinary, let's go together later."

Yue Wuya nodded, and then the two brothers burst out one after another, in mid-air Neutral and Gone fought fiercely.

call!

For a time, the members of the Sea Dragon Hall below were all shocked, and they saw three figures, shuttled back and forth in mid-air, stirring up the wind and clouds.

Speaking of which, if Gone was at his peak, the ten Yue Wuya and Wen Xiaoyu would not be rivals either. They had only recently recreated the Demon Soul, but even so, the two brothers were still unable to suppress Gone with their concerted efforts.

"ended!"

After more than a dozen rounds, Gone was a little impatient, his eyes flashed with a cold light, and he clenched the blood-colored long knife, and the power of the demon soul exploded completely.

hum!

In an instant, a blood-colored light burst out, dyeing the sky into a blood-red color.

"Shadow Slash!" In the

next second, Gone suddenly raised his hand, and a terrifying force burst out from the blood-colored long sword, forming a sword shadow that destroyed the sky and the earth, and suddenly slammed towards Yue Wuya and Wen Xiaoyu .

The moment Dao Ying appeared, both the Yue Wuya brothers and the members of the Sea Dragon Palace below felt a chill to the bones.

Oops!

Seeing this terrifying knife shadow, Yue Wuya and Wen Xiaoyu also changed their faces greatly. They didn't have time to think about it at the time, and they quickly joined forces to deploy a protective film in front of them.

“Boom!...” As soon as

the protective film was condensed, the terrifying blood-colored blade shadow slashed fiercely. The moment it hit the protective film, a thunderous roar was heard, and the protective film suddenly shattered!

At the same time, Yue Wuya and Wen Xiaoyu both had pale faces, and they spat out a mouthful of blood, and their bodies were shaken out like cannonballs.

Puff, puff...

After flying for a few hundred meters, the two fell to the sea, leaving a blood trail on the sea and sinking directly.

So strong!

Seeing this scene, the members of the Sea Dragon Hall were all shocked, and they looked at Gone with awe and admiration.

This... is this the strength of an absolute powerhouse?

With just one person, the Lord of Tianmen and his companions were repelled.

Simply too strong.

Under everyone's attention, Gone was suspended in mid-air, his grim face did not fluctuate in the slightest, and his eyes were fixed on the sea.

“Everyone listens!” The

next second, Gone said slowly: “Immediately search for traces of these two people in the surrounding waters. Once found, kill them.” The sound was not loud, but it spread throughout the entire Dragon King Island, no doubt. .

After fighting for dozens of rounds just now, Gone was very clear in his heart. Although the Shadow Slash was powerful, it was not enough to kill the two of Yue Wuya. The power of a lot of Shadow Slash.

And Wen Xiaoyu, who was with him, although he didn't have a magic weapon in his hand, but his internal strength was deep, and he was not a generalist.

Gone was very thoughtful. Seeing the two fell into the sea, although they did not surface in a short time, he knew in his heart that Yue Wuya and the two would not die so easily.

“Subordinates obey.”

Hearing the order, everyone present responded in unison.

Immediately afterwards, everyone rushed to the beach and began to search the nearby waters by boat.

Chapter 5066

Deep water underwater.

Yue Wuya only felt that the world was spinning, and his body continued to sink with the undercurrent of the sea.

Stimulated by the icy undercurrent, Yue Wuya was a little shocked in addition to the pain all over his body.

Nima!

Who the hell is that young man? He is so strong that he and Wen Xiaoyu are not even rivals when they join forces.

By the way, Xiaoyu...

It was at this moment that Yue Wuya suddenly thought of something, and quickly looked around. Soon, he found that in the water not far away, a figure was drifting with the current, it was Wen Xiaoyu.

Although the distance is a bit far, Yue Wuya can feel that Wen Xiaoyu is in a coma now, and is now submerged in the sea water. If he does not rescue in time, he is likely to drown.

Realizing this, Yue Wuya ignored the pain in his body, swam hard and grabbed Wen Xiaoyu.

I saw that Wen Xiaoyu's face was pale and his eyes were closed. Obviously, in the face of Gone's fatal blow just now, Wen Xiaoyu used all his strength to resist, but he was still exhausted. Living.

Brother, you can't be in trouble, you mustn't be in trouble...

At this moment, Yue Wuya dragged Wen Xiaoyu tightly and swam forward with all his strength, because it was in the sea, and he couldn't tell the direction at all. Ya heart indescribable anxiety.

Originally, this time I came to rescue Hai Linger, but I never thought that there was a terrifying existence sitting on Dragon King Island. No one was saved, and two lives were almost lost.

In Yue Wuya's heart, there is nothing wrong with him, and Wen Xiaoyu must never have an accident. If he died here today, not only would he not be able to explain to Wen Chou Chou when he went back, he would not be at peace for the rest of his life.

Finally, after abolishing the power of nine bulls and two tigers, Yue Wuya brought Wen Xiaoyu to the surface, and he couldn't help taking a deep breath.

The next second, Yue Wuya hurriedly looked around, and was immediately stunned.

I saw that there was a mess of rocks in front of me, and then there was a deserted island. The deserted island was surrounded by a vast sea. It was obvious that the two of them were drifting in the sea just now, and unknowingly, they had left Longwang Island.

fine.

Seeing this environment, Yue Wuya breathed a sigh of relief, as long as he wasn't near Dragon King Island, he didn't have to worry about being caught.

Thinking to himself, Yue Wuya quickly patted Wen Xiaoyu's face: "Brother, brother..."

However, Wen Xiaoyu still closed his eyes and was still in a coma.

Yue Wuya couldn't think about it, and hurriedly took Wen Xiaoyu to the deserted island, first found a flat area to put Wen Xiaoyu down, and then found some dead grass around and lit a bonfire.

In order to prevent the bonfire from being discovered, Yue Wuya deliberately moved some stones around to cover it, so that even if the members of the Dragon King Island were patrolling the nearby waters, they would not be able to see the fire here.

After doing this, Yue Wuya first meditated cross-legged for a while, after recovering some internal strength. He started to help Wen Xiaoyu adjust his breath.

"Pfft..."

After a while, Wen Xiaoyu woke up, spit out a few mouthfuls of sea water with a wow, and his pale complexion also recovered some blood.

In the next second, Wen Xiaoyu looked around and said weakly, "Brother Wuya, where is this?"

After falling into the sea before, Wen Xiaoyu went into a coma, and he didn't know what happened after that.

Ha ha...

Seeing that he finally woke up, Yue Wuya showed a smile, hugged his shoulders and said, "That's great, brother, I knew you would be fine."

Just now, I was completely swayed, but now I see Wen Xiaoyu woke up, completely relieved.

Feeling Yue Wuya's concern, Wen Xiaoyu's heart warmed, and then his face showed a bit of shame: "It's just a pity that we all made it to the Dragon King Island, and we didn't even see the sister-in-law, alas."

Hearing this, Yue Wuya also sighed deeply, holding back his fire.

However, Yue Wuya quickly adjusted his mood and showed a smile: "It's okay, as long as we're okay, there is still a chance. Let's rest for a while, and then have something to eat before making plans."

Hmm!

Wen Xiaoyu nodded, and after meditating cross-legged for a while, he and Yue Wuya caught a few fish by the sea. After roasting and eating on the bonfire, we began to discuss the next plan.

Chapter 5067

"Brother Wuya!"

At this time, Wen Xiaoyu ate a fish, his energy was much better, and he frowned: "The person who fought with us just now is too strong, we can't do it by force. "

Yeah!" Yue Wuya nodded and pondered: "So we can't do it head-on, we have to think of a complete solution."

When he said this, Yue Wuya felt very depressed.

After all, he is also the dignified Lord of Heaven. In all these years, in the Kyushu continent, when have you suffered such a loss?

Got it!

Just when Yue Wuya was secretly depressed, Wen Xiaoyu's eyes lit up and said with a smile: "There is a way, when we go to Dragon King Island again, we will try to catch two patrolling people and pretend to be them. It's much more convenient."

Wen Xiaoyu completely inherited Wen Chou Chou's excellent qualities, being resourceful and foresight, and acting calmly.

"Okay!" Hearing this method, Yue Wuya laughed and patted his thigh: "It's still my brother who is very witty, so let's use this method. Let's take a rest first, and then try to sneak into Dragon King Island in the middle of the night."

With that said, the two put out the bonfire and rested on the spot in the open space.

...

At this moment, Dragon King Island, in the main hall.

At this time, it was already late at night, and Gone was sitting on the throne, closing his eyes and resting.

At this moment, a patrolling disciple walked in quickly from outside the main hall, with an embarrassed expression, and said cautiously to Gone: "Your Majesty, we searched the nearby waters three times, but we did not find the figures of those two people." Mo Yan called Gone the honorable, and all the members of the Sea Dragon Palace also called Gone by this.

When he said this, the disciple felt extremely uneasy.

did not find?

Hearing this, Gone frowned. Could it be that those two people died in the sea?

With their strength, shouldn't they just die like this?

After thinking for a while, Gone said slowly: "Pass my order, the entire Dragon King Island should strengthen the defense, and there must be no slack." As the supreme demon, Gone has a keen mind and strong insight. At this time, he instinctively thought that, Yue Wuya won't die so easily in the sea, they are very likely to land on Dragon King Island.

Is it necessary to be so careful?

Hearing this, the patrolling disciple couldn't help but look embarrassed.

You must know that since Gone came, the defense of Dragon King Island has been doubled compared to before.

Now we have to strengthen defense patrols, who can afford it.

However, how could he dare to say these words in the face of the powerful Gone?

“What?” Seeing the patrolling

disciple standing there, hesitating, Gone frowned: “Is there anything else?”

” No.

Soon, the patrolling disciple passed on the order. In an instant, all the disciples on Dragon King Island were complaining, but the order had to be executed.

Time passed minute by minute, and in the blink of an eye it was midnight.

I saw that there were many more guard posts on the entire Dragon King Island where you could land. There were torches on them, but the disciples who were guarding there were all exhausted. In addition, it was late at night, and many disciples couldn't bear it, sitting there dozing off.

Whizzing...

At this moment, two shadows came over from the coast not far away, with light steps and quick movements.

It was Yue Wuya and Wen Xiaoyu.

The two rested on the deserted island for a few hours, and in the middle of the night, they sneaked into the Dragon King Island again, but this time, Yue Wuya and the two had already discussed it. disciple.

After reaching a rock, Yue Wuya and the two quickly hid.

“Brother Wuya!”

After observing for a while, Wen Xiaoyu lowered his voice and said, “Look at this, the island's defense has been strengthened again. Many new sentries have been set up around.”

Yue Wuya nodded, his face was the same Incomparably dignified, he saw that on the coastline of less than 200 meters in front of him, there were a full nine sentries, more than double the number before.

In this case, if you want to touch it quietly, I am afraid that it is more difficult than going to the sky.

Chapter 5068

Moreover, Yue Wuya also saw that there are people patrolling back and forth between these posts. It can be said that the periphery of the entire island is like an iron wall.

Mad!

After observing for a while, Yue Wuya scolded secretly, but he soon discovered that, whether it was the members of the Sea Dragon Palace on the sentry or the patrolling people, their mental state was not very good.

Especially those on guard, many of them are lethargic.

Haha...

Discovering this, Yue Wuya showed a smile, the enemy is already tired, which is a good thing.

Thinking about it, Yue Wuya and Wen Xiaoyu quietly waited for the opportunity. Half an hour later, while a team of patrols left, the two hurried through the post.

Passing through these sentries, even if it is the first defense chain of Dragon King Island, there are still many posts on the way to the inner palace group.

Yue Wuya and Wen Xiaoyu, although cautious, were unfamiliar with the environment, and it was dark at night, and after walking for a while, they felt a little dizzy.

Swish!

Soon, near a grass hut, Yue Wuya and Wen Xiaoyu immediately stopped.

I saw that this grass hut was completely made of plantain leaves. It was very simple. There were seven or eight patrolling disciples sitting around, chatting and drinking to keep warm.

Although it is spring at this time, the nights overseas are exceptionally cool. These patrolling disciples have been on duty for several shifts in a row, and they hardly have any rest. Now they can't bear it anymore. Warm up.

Yue Wuya and Wen Xiaoyu hid in the grass next to them, listening to the constant complaints of these patrolling disciples.

“I really don’t know what that gentleman thought, our Dragon King Island’s defense is already strong enough, and we have to strengthen our manpower, trying to exhaust people to death.”

“Yes, I haven’t slept all day and night, and I have to carry it. I can’t stop.”

“Shh, don’t talk anymore, come and continue drinking.”

Hearing these conversations, Yue Wuya and Wen Xiaoyu smiled at each other, haha... This big leader of Dragon King Island doesn’t care about the life and death of his subordinates. , which led to the following complaints, which is a good thing.

“Brothers, you drink...”

At this moment, I saw a guard walking out of the house staggeringly, his face flushed from drinking, obviously he was incapable of drinking, and he couldn’t speak well. Shi Zheng greeted several companions in the grass hut: “I...I’ll come out for convenience, I’ll drink later...” The

opportunity came.

Seeing this scene, both Yue Wuya and Wen Xiaoyu’s eyes flashed.

“Brother, go and deal with the grass huts.” Yue Wuya lowered his voice and said, “I’ll deal with this single person.” These people are almost drunk, and they have no deterrence at all. It is very easy to deal with.

Um!

Hearing this, Wen Xiaoyu nodded and slowly touched the grass hut.

Yue Wuya slowed down and followed the guard who came out to a secluded grass. Taking advantage of the guard’s convenience, Yue Wuya didn’t have time to think about it, rushed over and sealed the guard’s acupuncture point.

The guard couldn’t react at all, and couldn’t move for a moment.

Yue Wuya covered his mouth and dragged him into the grass!

“you...”

The acupuncture point was blocked and his body could not move, but the guard could still speak. When he saw Yue Wuya, he was immediately nervous, and stammered and said, “You...you dare to come back?” During the battle with Gone, the guard watched from the side, and naturally knew Yue Wuya.

Yue Wuya was too lazy to talk nonsense, and said straight to the point: "Let me ask you, where is Hai Ling'er?"

When he said this, Yue Wuya looked at the direction of the grass hut, and saw a few guards inside, who had been arrested. Wen Xiaoyu was all stunned. Immediately relieved.

Hailinger?

Hearing this, the guard was confused.

You must know that there are thousands of people in the arena that Yu Du brought back this time. With so many names, who remembers them?

boom!

Seeing how nervous he was, he couldn't say a word, and Yue Wuya didn't say any more. With no warning, a palm hit the back of his head, knocking him out.

After being knocked out, Yue Wuya quickly changed his clothes.

At this time, Wen Xiaoyu also changed his clothes and came over: "Brother Wuya, how is it? Did you ask anything?"

Chapter 5069

Yue Wuya shook his head: "No!"

Said this, but Yue Wuya was not discouraged in the slightest, and showed a smile at the time: "But it doesn't matter, we have set up a guard now, and it will be much easier to search around. ."

Wen Xiaoyu nodded and rushed towards the palace with Yue Wuya.

After the guards were completed, the journey was smooth, and the other patrols saw it and let them go without asking.

Haha...

Seeing this, Yue Wuya and Wen Xiaoyu were both excited.

Soon, after crossing a tree-lined road, the brothers came to the vicinity of a palace, and saw that there was a large garden outside the palace, with rockeries and flowing water in the garden, the scenery was pleasant, it was really like a palace.

"The leader of the Sea Dragon Palace will really enjoy it."

Seeing this environment, Wen Xiaoyu couldn't help but say: "It's just a bunch of pirates, and the place built is even more luxurious than the palace." After the words

fell, Yue Wu Ya also snorted coldly: "If you are so greedy for pleasure, you won't be able to jump around in this Sea Dragon Palace for a few days."

After saying this, the two had already passed through the garden. Behind the garden was a luxurious bedroom, and they saw that the surrounding area of the bedroom was gone. The guard, but there are many maids guarding.

"Wow..."

Not only that, but the baby's cry could be heard from time to time in the bedroom.

Aware of this, Yue Wuya and Wen Xiaoyu both frowned secretly, wondering, is this Dragon King Island a pirate nest from time to time? Why are there still babies?

"Quick!"

Just as he was puzzled, he saw several maids walk in quickly, and one of them said with a smile: "Young Master must be hungry and feeding him something to eat."

Yes, this bedroom is where Moyan and her children rest. It's just that Moyan needs to practice today, so she puts the child in the bedroom and lets these maids take care of her.

Little Lord! ?

Hearing the words of the maids, Yue Wuya and Wen Xiaoyu glanced at each other and vaguely guessed something.

The next second, Wen Xiaoyu guessed: "The leader of the Sea Dragon Palace, who calls himself a queen, it seems, this should be her child. As for the master who played against us before, it may be the father of this child."

At this time, Wen Xiaoyu, subconsciously regarded Gone as the father of the child. After all, his strength is so terrifying, and only he is qualified to be favored by the Queen of the Sea Dragon Palace.

Um!

Hearing this, Yue Wuya nodded in agreement: "It seems that we have found the wrong place." After saying that, he greeted Wen Xiaoyu and probed elsewhere.

In Yue Wuya's heart, there is nothing to see in a child, it is better to find Hai Ling'er earlier.

Soon, they left the palace. The two of them walked while observing the surrounding environment. Unknowingly, they reached the southwest of the palace complex. They saw that some stone houses were newly built here. Around the stone houses, many people were patrolling back and forth.

It was already the second half of the night, and Yue Wuya could clearly see that many stone houses were lit up with lights, and they could clearly see inside, and some experts from all corners of the world were imprisoned.

Most of these arena masters have their hands and feet tied. They all participated in the ring competition before and were caught here.

Found it, here it is.

Although they didn't see Huan Linger, Yue Wuya and Wen Xiaoyu were both excited. You must know that Huan Linger was also arrested because she participated in the ring competition, and she must have been imprisoned in these stone houses at this time.

As for which stone house it is in, it needs to be checked slowly.

It's just... With so many guards around, it's inevitable that they will be discovered after investigation.

"Brother Wuya!"

At this time, Wen Xiaoyu took a deep breath and lowered his voice: "There is no other way, wait for me to show up and lead these guards away, you can take the opportunity to find your sister-in-law."

Yue Wuya frowned. Lock, hesitant for a while.

Although this method is good, it is very risky. If Wen Xiaoyu is caught, it will not be worth the loss.

Shasha...

Just when Yue Wuya was secretly tangled, he saw a figure slowly walking towards the stone house, his steps were steady, his face was expressionless, and his whole body was filled with a terrifying aura.

It was Gogne.

He closed his eyes and rested for a while in the main hall just now, and Gogne had nothing to do, so he came out for a walk.

Chapter 5070

Mad!

Seeing Gone, Yue Wuya and Wen Xiaoyu both changed their expressions and hid behind the stone in front of them. The two had fought with Gone before, even his horror.

But they didn't panic. It could be seen that Gogne was out for a walk. Should be leaving soon.

However, what depressed Yue Wuya and the two was that when Gone reached the platform in front of the stone house, he stood there quietly and did not leave, looking at the distant sea in a trance.

Time passed by minute by minute.

One minute...

two minutes, five minutes...

Unconsciously, ten minutes passed, and Gogne was still standing on the platform, without any intention of leaving.

Huh..

Seeing this scene, Yue Wuya and Wen Xiaoyu were both in a hurry.

Especially Yue Wuya, his fists were clenched tightly, his palms were sweating, Ma De, if this person doesn't leave, he can't go to those stone houses to explore, how can I show it?

Wen Xiaoyu frowned, looking at the distant horizon, her belly was already white, and she couldn't help saying: "Brother Wuya, we can't wait any longer, it's almost dawn."

"For today's plan, I can only think about it. There is a way to exchange hostages."

At the end, Wen Xiaoyu's handsome face was full of solemnity.

Swap hostages?

Hearing this, Yue Wuya was stunned for a moment, and then he understood something: "You mean... let's go back to that bedroom and snatch the child away? Then exchange the child for Hai Ling'er?"

Yue Wuya was also very Smart, he immediately guessed what Wen Xiaoyu meant.

Wen Xiaoyu nodded heavily: "Yes, that child was born by this person and the female leader. The identity is extraordinary, and they will definitely be willing to change."

Phew!

Hearing this, Yue Wuya took a deep breath and made a final decision: "Okay, just do as you said." Speaking of which, as the sect master of Tianmen, he held his own identity, and he would never have done this before. It's a matter of losing your identity, but for Hai Ling'er, it doesn't matter anymore.

Under the discussion, Yue Wuya and Wen Xiaoyu quietly retreated, until they retreated very far, making sure that Gone would not find out, and then turned around and rushed towards the palace.

Soon, after walking through the garden to the bedroom, I saw that the maids guarding outside were also drowsy, and there was no baby crying inside, and it was quiet and peaceful.

Yue Wuya and Wen Xiaoyu looked at each other, and then Wen Xiaoyu stayed outside to take care of the wind, while Yue Wuya flashed and broke into the bedroom directly.

call!

When I got inside, I saw on the exquisite and luxurious bed, a baby carved in pink and jade, lying on the quilt and sleeping soundly. A pretty maid next to her was standing there.

"You..."

Seeing Yue Wuya coming in suddenly, the maid was taken aback and exclaimed, "Who are you?" You know, this is the Queen's bedroom, and no one can enter without permission.

Yue Wuya didn't respond, but rushed over quickly, shot like electricity, and directly blocked several of the maid's acupoints.

Papa...

In the blink of an eye, the maid's delicate body trembled, and she couldn't move at all. But there was terror in his eyes. Yue Wuya sealed her dumb acupoint and other acupoints, so she couldn't speak or move, but she was still awake.

Yue Wuya slowly picked up the child, turned back to the maid, and said word by word, "Don't be afraid, the acupuncture points on your body can be unlocked within two hours. I won't kill you."

"When you can act, send a message to your queen for me, and ask her to send a girl named Hai Ling'er to a desert island twenty miles southwest within half a day."

“I would like to make a special statement, I don’t want to hurt the child, so it’s best for your queen not to play tricks. Do you understand? Just blink when you understand.” The voice fell, and the maid was frightened and blinked quickly.

Seeing that she was very cooperative, Yue Wuya stopped talking nonsense, picked up a small quilt, picked up the child, tied it in his arms, and then rushed out with a flick of his body.

“Brother Wuya!”

Wen Xiaoyu couldn’t wait outside. When he saw Yue Wuya coming out, he breathed a sigh of relief and urged at the same time: “Come on, it’s almost dawn, let’s go quickly.”

Yue Wuya nodded. Nodding, under the cover of Wen Xiaoyu, they quickly rushed towards the beach, and in the blink of an eye, the two disappeared into the night.

The ultimate husband in Chinese chapter 5071-5080

Chapter 5071

Not long after Yue Wuya and Wen Xiaoyu walked on their forefoot, a slender figure walked through the garden and came towards the palace.

A long red dress with graceful curves and unbelievable beauty.

It was Mo Yan.

Mo Yan was in a good mood at this time. After practicing for a few hours just now, she gained a lot of insights. Come and see the child right now. Since having a child, Mo Yan's personality has become gentler than before, and she is a little more concerned about her.

But I have to say that the child is so cute that I can't think of it if I don't see it for a while.

Um?

When she was about to reach the entrance of the palace, Mo Yan suddenly trembled, and she felt a bad feeling in her heart.

I saw that several maids were sitting by the door and did not move, apparently their acupuncture points had been tapped, and there was silence in the bedroom.

Oops!

Realizing that something was wrong, Mo Yan hurried in and walked in quickly. Seeing that the bed was empty, her head suddenly buzzed, her legs went weak, and she slumped on the ground.

Kids.... Where's the kids?

For a time, Mo Yan felt like the sky was falling.

After a few seconds, Mo Yan recovered, struggled to stand up, and quickly relieved the acupuncture of the maid who was lying softly on the bed. Her delicate face was full of anxiety: "Where's the child? Where's my child?"

At this moment, Mo Yan was almost on the verge of crying.

In her heart, children are everything.

This chapter is provided by . Visit for daily update.

Pfft....

The maid's face was ashamed, and she knelt on the ground all of a sudden, crying and saying, "Queen, it's my fault, I didn't think highly of the young master, just now a man broke in and directly acupoints us, and then Take the young master away."

Having said that, the maid thought for a while, and then continued: "The man said that if you want the young master to be safe and sound, he will exchange... a girl named Hai Ling'er."

"Queen, the maid is useless . . , I beg the Queen to punish.."

At the end of the story, the maid fell to her knees on the ground, her face full of tears, indescribable fear and anxiety.

Phew...

Hearing this, Mo Yan sat paralyzed on the bed, her face pale and her mind blank. Heart is also extremely angry.

Who is so daring to kidnap my child?

Seeing that she didn't speak, the maid didn't dare to move when she knelt down.

For a time, in the entire bedroom, there was a dead silence, and a drop of a needle could be heard clearly.

"This matter..."

After more than ten minutes, Mo Yan came back to her senses and said to the maid, "I don't blame you for this matter, get up, and hurry up and remove the residual poison. Call me ."

In Mo Yan's heart, Yu Du is her right-hand man, no matter what happens, she will think of him immediately.

"Yes, Queen."

Seeing that Moyan didn't blame her, the maid was surprised and delighted, and quickly stood up and walked out.

At this moment, Mo Yan suddenly thought of something, and stopped her again: "Wait a minute, it's time for you to call Yu Du. When you meet other people, don't tell what happened here, understand?" The

child was lost , the stakes are important, but it cannot be publicized.

The maid was stunned for a moment, and immediately understood: "Understood." After speaking, she hurried out.

After a while, the maid returned, followed by Yu Du.

"Queen!"

Yu Du walked in quickly, with a respectful look on his face: "Call me so early, what's your order?" When he spoke, Yu Du subconsciously looked at the bed, feeling a little doubtful in his heart.

Strange, at this time of weekdays, the queen is holding her children and playing with them. Why don't you see the children today?

At this time, Mo Yan also calmed down and said softly, "The child was kidnapped." Then, she explained what happened in detail.

As one of the twelve holy demon kings of the demon race, Moyan is very different from ordinary women. Mental toughness, even in the face of big things, can calm down quickly.

What?

Knowing the situation, Yu Du was shocked and his eyes widened: "Young master was kidnapped?"

Mad, who? This is to eat bear heart leopard gall.

Thinking to himself, Yu Du clenched his fists and said, "I'll take someone there now and get the young master back. Mad, those two guys are not small, I know these two people, they broke into the island two hours ago. , killed a lot of us at that time, and then Zun took the shot and knocked them into the sea."

Chapter 5072

"At that time, Zun sent people to search the surrounding waters, but there was no news. I thought they were dead at sea, but I didn't expect that these two boys didn't die."

"By the way, these two boys, one is called Yue Wuya is Yue Feng's son." When he said this, Yu Du clenched his fists tightly, and his eyes almost burst out with fire.

At that time, when Yue Wuya and Wen Xiaoyu were fighting against Gone, Yu Du also came out to watch the battle when he learned of the movement. When I heard Mo Yan's narration, I immediately thought that it was the two young people who kidnapped the young master.

Yue Feng's son?

Hearing this, Moyan's heart shuddered, and her anxious mood suddenly became complicated: "They have been on the island before? They were also severely injured by respect?" She was practicing in the secret room at the time, so she didn't know this.

"Yes."

Yu Du nodded and said ruthlessly: "The two of them are really bold, they were severely injured by their respect and could not escape, and they dared to come back, and they still want to use the young master as a hostage? They are tired of living."

"Queen Don't panic, Dragon King Island is surrounded by the vast sea, and there are several small islands nearby, all of which are deserted, they can't run far, I will gather people now to rescue the young master."

After speaking, Yu Du was about to turn around . to call someone.

"Stop!"

However, Mo Yan's face became anxious and she stomped her feet: "You can't be so reckless."

Uh...

Yu Du stood there with an unconcealed anxiety on his face: "If you don't bring someone to rescue in time, only I'm afraid it will be too late."

Mo Yan bit her lip tightly, unable to hide her anxiety: "When that person kidnapped the child, he asked the maid to leave a message, saying that he would exchange it with a girl named Hai Ling'er."

With that said, Mo Yan suppressed the anger in her heart. The entire Dragon King Island combined, there were tens of thousands of tribesmen, but they couldn't stop the two young people. It was really embarrassing.

exchange?

Hearing this, Yu Du was stunned for a moment, and said in a complicated tone: "Queen, what do you mean... we want to exchange with them?" Dignified Hailong Palace, if you compromise with those two young people, the news will spread to the rivers and lakes. What will your face look like in the future?

Mo Yan nodded solemnly: "Yes."

She also knew that the Sea Dragon Palace would be very embarrassing if they exchanged, but there is no way, the safety of the child is the most important. She can not want the Sea Dragon Palace, not everything now, but she can't have no children.

After nodding, Mo Yan looked at Yu Du closely: "That girl named Hai Ling'er, do you know?"

"Yes!"

Yu Du quickly nodded and said, "And I have seen it before, she is very beautiful and very strong. Qiang, it is said... she is the princess of the sea shark clan."

Hu...

Knowing this, Mo Yan nodded: "It seems that the identity of the other party is not simple, so we can't have the slightest mistake, first of all we must Guarantee the safety of the child."

"So, hurry up and take Hai Linger to exchange now."

Feeling Mo Yan's nervousness, Yu Du nodded: "I understand, Queen, don't worry, I will take the young master safely. Bring it back." After speaking, Yu Du

thought about it for a while, and said tentatively: "Actually, if the Queen and the Honorable can come forward at the same time, we can save the child without any exchange..."

Gone's strength is strong, with his help, nothing will be lost.

Just before he finished speaking, Mo Yan interrupted: "No, this is absolutely impossible, I can't show my face, and this matter must not be known to the Lord."

She and Yue Feng had a child by mistake, and they had violated the rules of the demon clan. This matter has already made Gone very unhappy. If she knew that the child was taken away, not only would she not save it, but she would also It will prevent Moyan from exchanging hostages.

Mo Yan has been Gognie's subordinate for so many years, and he is very clear about his temperament, so he must not let him know about this.

As for herself, she also wanted to exchange the hostages herself at this time, but considering that doing so would arouse Gone's suspicions, she held back.

Seeing the solemn expression on Moyan's face, Yu Du didn't dare to ask any more questions, and nodded, "Okay."

“Remember!”

Mo Yan was still a little worried, staring at Yu Du tightly, saying, “This matter You only need to know it alone, and the person you bring with you must be very trustworthy, and don’t let your superiors know about it.”

Chapter 5073 Yu

Du responded and asked for some details that needed attention, and hurried out of the hall.

Pfft!

As soon as her forefoot left, Mo Yan sat there in a slump, like a deflated ball. Under extreme worry, her whole body was sore and weak.

In front of Yu Du just now, Mo Yan was just trying to support her. There was no one around, and she couldn’t hold on anymore. Although she was a witch, she was also a woman after all. , how could she calm down.

Boy, you can’t be okay.

There must be nothing wrong.

The moment she slumped to the ground, Mo Yan closed her eyes and kept praying in her heart.

.....

After Yu Du left the palace, he rushed towards the stone house.

Because Mo Yan had explained it, Yu Du did not call his subordinates to prevent the news from leaking out.

He made a plan, wait for the next person to bring Hai Linger to exchange, as long as the child can be successfully exchanged, even if it is broken.

Although Yu Du was a vicious pirate leader, he was very loyal. He knew that without Moyan, he would not be who he is now, so he was very grateful. In the past, he had to do things for Moyan. , is when he really needs to repay Mo Yan.

At this moment, in one of the rooms in the stone house.

Hai Ling’er was bound by chains and was sitting in the corner of the room, staring blankly at the sky outside the window with a gloomy expression.

It's been five days.

It has been five days since he was arrested. During these five days, Hai Ling'er had been sealed because of drinking poisoned wine. Under the custody of the members of the Hailong Palace, there was no chance to escape.

After being escorted to Dragon King Island, Yu Du came to see her once, tried to persuade her to join the Gorefiend Sect, and offered very favorable conditions, but Hai Linger refused without hesitation.

Moreover, in order to express her firm position, Hai Linger made a silent protest by going on hunger strike.

This has been going on for two days.

Every time the servants of the Hailong Palace brought in the food, Hai Linger didn't even look at it, just stared out the window.

She misses, misses the relatives of the sea sharks, and misses Yue Wuya whom she hadn't seen for several years.

However...

being locked in such a ghost place, will I be able to see these people in the future?

At this time, Hai Linger was thinking about her relatives, and she felt dizzy and lethargic. She couldn't hold it any longer without eating or drinking for three days.

Squeak!

Just when Hai Linger was about to faint, Shimen was suddenly pushed open, and then a figure walked in. Complex complexion, it is the residual poison.

"Brother Wuya..."

At this time, Hai Ling'er was already in a trance, thinking that it was Yue Wuya who appeared, and couldn't help shouting.

Yu Du didn't respond, but looked at her coldly.

Madd, because of this woman, the queen's child was kidnapped.

Thinking of this, Yu Du had the urge to kill, but she resisted it. The queen said that for the safety of the child, she must ensure that this woman is safe and sound.

Soon, Yu Du adjusted his mood and said to Hai Ling'er, "Seeing as you are young and temperamental, you still want to threaten us with a hunger strike. Do you think that when you arrive at Dragon King Island, you can die if you want?"

Um?

Hearing that it was not Yue Wuya's voice, Hai Ling'er was stunned and rubbed her eyes, only to realize that the person in front of her was not the Yue Wuya she had been thinking about, but Yu Po.

Just had a hallucination.

For a while, Hai Ling'er was very embarrassed, but she didn't give Yu Du a good look, she snorted coldly, and turned her head to the side.

Quite stubborn temper.

Hai Ling'er's attitude made Yu Du very angry, but she still smiled coldly: "I tell you, if it were a normal day, I would never care about your life or death, but you are lucky today, someone will save you out."

someone save me?

The voice fell, Hai Linger was stunned, she was caught here, almost no one knew, who would come to save me?

Seeing her reaction, Yu Du sneered: "Come with me."

After saying that, he untied the shackles on her feet and walked out first.

What the hell is this guy doing?

Hai Ling'er frowned, hesitated, and followed slowly.

Chapter 5074

At this moment, the other side.

Yue Wuya and Wen Xiaoyu quickly returned to the deserted island with the baby.

At this time, it was already bright, and the child woke up. At this time, he was staring at Wu Liuliu, looking at the brothers curiously.

Huh..

Seeing this scene, Wen Xiaoyu couldn't help laughing, and stretched out his finger to hook the child's chin: "This little guy is quite cute."

Seriously, in Wen Xiaoyu's heart, the enemy's child in front of him should have resisted, but seeing him so cute, he couldn't hate him at all.

Yue Wuya also frowned, the other party didn't know if he would exchange Hai Ling'er, how could he be happy?

Giggle...

At this moment, the child's eyes turned to Yue Wuya's face, and he suddenly laughed, his hands and feet fluttering happily, very happy, as if he had seen his relatives.

The child and Yue Wuya are considered to be half-sisters. After all, they should be called Brother Yue Wuya. Although he is still ignorant at this time, blood is thicker than water. Even if it is the first time, he will naturally give birth to a kind of intimacy.

However, Yue Wuya didn't know what was going on. Seeing that the child kept smiling at him, his brows furrowed even more.

Is this little guy laughing at me?

Um?

Wen Xiaoyu, who was on the side, saw this scene, but it was secretly novel: "This little guy is not afraid of strangers?"

Wen Xiaoyu looked at Yue Wuya and the child again, and couldn't help laughing: "Brother Wuya, what do I think of this little guy's facial features, it's a bit like you?"

"To be honest, it won't have anything to do with the two of you, right? Look, he's so happy to see you."

Saying that, Wen Xiaoyu was joking.

He could see that Yue Wuya was very anxious at this moment, so he took this opportunity to activate the atmosphere.

"Go to..." Hearing these words, Yue Wuya

couldn't help laughing and crying, and said angrily: "Don't talk nonsense, he is the child of the pirate chief, what does it have to do with me?"

I was very irritable, so I handed the child to Wen Xiaoyu: "You hold it first, I'll see the direction of Longwang Island to see if anyone is coming."

“Wow...”

However, as soon as the child left Yue Wuya's embrace, he immediately Just wow wow.

Wen Xiaoyu was suddenly in a hurry: “Brother Wuya, this child is crying non-stop, how to coax him?” As the young master of the Hall of Longevity, Wen Xiaoyu has a long history, and he has seen any scene, only the first Once I saw this kind of battle, my head suddenly became big.

Yue Wuya was also upset by crying, scratching his head and said, “How do I know, otherwise, let's get him something to eat?” As he

spoke, Yue Wuya looked around.

On this deserted island, apart from catching fish, there is really no other food to eat, just such a small child, can you eat fish?

For a time, both brothers had a headache.

“Yue Wuya...”

At this moment, a loud shout came from the sea not far away, showing anger.

Swish!

Hearing the shout, Yue Wuya and Wen Xiaoyu immediately turned their heads to look, and they were all shocked.

I saw that a small boat was approaching quickly, with a man standing on the bow, his face was gloomy and his aura was good, it was the aftertaste of coming to exchange the hostages.

In the cabin behind him, a slender figure sat with his hands tied behind him, it was Hai Linger.

Linger.

Seeing Hai Linger, Yue Wuya was overjoyed, excited and angry.

He clearly saw that Hai Ling'er had become more attractive and beautiful after not seeing him for several years, but at this time her face was pale and her energy was low, as if she was about to faint at any time.

Mad...

Seeing this, Yue Wuya clenched his fists. The bastards from the Sea Dragon Palace didn't know what method they used to torture Hai Linger like this.

At this time, Hai Linger also saw Yue Wuya, and her whole body suddenly cheered up, and she shouted with joy: "Brother Wuya." On the

way just now, Hai Linger thought that Yu Du was playing some tricks. When I saw Yue Wuya, I realized that someone really saved him, and he was still the one who had always been in his heart.

"Ling'er!"

Yue Wuya showed a smile, and his tone was full of warmth: "Don't be afraid, I'll save you."

At this moment, Yu Du drove a small boat to the shore.

Chapter 5075

At the moment of landing, Yue Wuya is about to rush over.

"Stop!"

Just before taking two steps, Yu Du scolded coldly: "Bring my young master here first." As

he spoke, he couldn't help but glance at the child in Wen Xiaoyu's arms.

call!

Yue Wuya took a deep breath, with a firm attitude: "When you get here, you must follow my rules. You let Hai Linger go first, and when I see her disembark, I will give you the child."

Yue Wuya said so. Ya's eyes were fixed on Hai Ling'er, unable to hide her concern.

Mad!

Seeing him at this time, he dared to bargain, Yu Du was furious: "Yue Wuya, don't think that you are the Lord of Heaven's Sect, you can do whatever you want, I tell you, my family's young master has made a mistake, and after your Heaven Sect, there will be no peace forever. "

If you know each other, give me the child first."

When he said this, Yu Du was very anxious, because he clearly saw that the child was crying non-stop in Wen Xiaoyu's arms.

Hehe...

Hearing this, Yue Wuya sneered, with a firm attitude: "No, let Hai Ling'er go first, otherwise we won't talk." After two trips to the Dragon King Island, he finally saw Hai Ling'er. It's not easy, so make sure you don't miss anything.

Yu Du was about to explode with anger, but in the end he chose to compromise and took Hai Linger off the boat.

"Ling'er!"

At this moment, Yue Wuya hurried up to meet him and hugged Hai Linger in his arms.

Then, Yue Wuya nodded at Wen Xiaoyu: "Give him the child."

Wen Xiaoyu responded and walked towards the boat with the child in his arms.

Boom...

But at this moment, Wen Xiaoyu just took two steps when he heard a deafening thunder in the sky, and then the sky over the sea was covered with dark clouds, and the sky was dark.

Huhu...

The originally calm sea also blew a strong wind!

Oops, it's the harbinger of a storm coming.

Seeing this scene, both Hai Ling'er and Yu Du's expressions changed. One of the two is a pirate, and the other is a princess of the sea shark clan. They live at sea all the year round, and they know the environment here very well.

Mad!

In shock, Yu Du's eyes were blood red, and he shouted at Wen Xiaoyu: "Quick, give me the child."

Just after he finished speaking, the rain had poured down.

Immediately afterwards, a wave of waves rolled over, directly overturning the residual poison and the boat into the sea.

The waves are getting bigger and bigger, quickly swallowing the desert island.

“Brother Wuya!”

Seeing this situation, Hai Ling'er couldn't help but let out a coquettish cry: “The storm is coming, let's go to the highest place on the island and hide behind the rocks.”

Yue Wuya responded with a tight voice. He held her hand tightly, then turned back and shouted at Wen Xiaoyu: “Brother, follow quickly.”

“I'll follow.” Wen Xiaoyu hugged the child tightly, lowered his head, and tried not to let the rain hit the ground. On the child, at the same time quickly follow.

In Wen Xiaoyu's heart, although the leader of the Sea Dragon Palace is abominable, the child is innocent.

More importantly, the other party has already sent his sister-in-law over, so he must not break his promise and must protect the child's life.

Soon, the three entered the highest point of the desert island.

Huhuhu...

That is, at this time, the rainstorm is getting bigger, the sky is dark and the earth is dark, as if it has entered the dark night, and the heavy rain is constantly falling, almost invisible.

“Brother!”

After hiding under a big rock, Yue Wuya saw the child in Wen Xiaoyu's arms and asked loudly, “Where's that person?”

Wen Xiaoyu looked around, only to see a frenzy around him. The waves are like the end of the world. After Yudu and the boat were overturned, they were completely submerged. How can they still see the figure?

Upon discovering this, Wen Xiaoyu responded loudly: “I can't see anyone anymore, I guess they were swept away by the waves.”

Phew!

Hearing this, Yue Wuya took a deep breath, and his heart suddenly became complicated.

Hai Linger was successfully rescued, but the child was still in her hands.

This is trouble.

It is definitely unrealistic to take the initiative to return to Dragon King Island. The only way is to hope that the storm will end soon, and then find a way to return to the Kyushu mainland.

After returning to the Kyushu Continent, think of a way to deal with this child.

The ultimate husband in Chinese chapter 5076-5080

Chapter 5076

This storm lasted for seven or eight hours. After everything was over, the sea was calm and the sky was clear.

call!

Seeing this scene, Yue Wuya and Wen Xiaoyu both breathed a sigh of relief.

However, at this time, Hai Ling'er couldn't hold it any longer. She fell down and sat there all of a sudden, her face was pale and her body was weak. She hadn't eaten or drank for three days. .

"Linger."

Seeing her appearance, Yue Wuya hurriedly supported her: "What's the matter with you?" As he said, he sensed her pulse, and when he noticed that the pulse was stable, he immediately guessed that Hai Linger might be hungry.

"I..."

Feeling Yue Wuya's concern, Hai Ling'er squeezed out a smile and said weakly, "Brother Wuya...I...I'm hungry." She was already weak, but now she felt a little uncomfortable. I'm sorry, the voice is very low and low, only she and Yue Wuya can hear it.

Hearing this, Yue Wuya smiled slightly, took out the previously grilled fish, and handed it to Hai Linger.

At that time, Yue Wuya said distressedly: "Linger, you are so stupid, even if you are caught, you can't stop eating?" Although Hai Linger didn't say anything, he could guess that Hai Linger It was because they were arrested and protested with a hunger strike that they were so hungry.

Hai Ling'er smiled lightly, did not speak, and ate the grilled fish in small mouthfuls.

After a while, after a piece of fish was eaten, Hai Ling'er's complexion returned to some ruddy, and the whole person looked much more energetic.

call!

Seeing that she was all right, Yue Wuya breathed a sigh of relief, then turned to look at the child in Wen Xiaoyu's arms.

I saw that the child's eyes were closed and he slept soundly. When the storm was raging before, Wen Xiaoyu kept pushing his inner strength and formed a protective film around him, so the bedding was not wet at all, and the child was fine.

This chapter is provided by . Visit for daily update.

"What a lovely child."

At this time, Hai Ling'er also came up, staring at the child with big eyes, unable to hide her joy: "Looking like this, it must have been a while since he was born, right? What's his name? What's your name?"

She was kind-hearted, and when she saw such a cute child, she liked it from the bottom of her heart.

This...

Hearing the question, Yue Wuya and Wen Xiaoyu looked at each other, but didn't answer. In their eyes, this child is just a hostage to exchange for returning Linger, who knows how old it is and what it is called.

Seeing that they didn't answer, Huan Ling'er didn't ask any more questions, she reached out and hugged the child.

It was already afternoon, but the sun was shining brightly, and the child seemed to be exposed to the sun, so he turned over subconsciously, that chubby appearance, not to mention how cute.

The more she looked at it, the more happy she became, and she wanted to tease the child, but seeing that he was sleeping so soundly, she held back, and then turned around to shield the child from the sun.

"That's right!"

At this moment, Hai Linger thought of something and turned to look at Yue Wuya: "Brother Wuya, the leader who brought me here just now, called this child young master? Could it be..."

Before she could finish speaking, Yue Wuya gave a wry smile and said, "He is the child of the Queen of the Sea Dragon Palace." As the Lord of the Heavenly Sect, Yue Wuya behaves in an upright manner, and since he has done some things, he is not afraid of being known.

"Sister-in-law!"

As soon as the voice fell, Wen Xiaoyu said: "This kid's identity is not simple, otherwise, we can't use it in exchange for you, you don't know, in order to save you, my brother Wuya and I But it took a lot of effort and I almost lost my life."

Thinking of Gone's horror, Wen Xiaoyu still had some lingering fears.

Swish!

Hearing Wen Xiaoyu's name, Hai Ling'er's beautiful face turned red all of a sudden, then she thought of something, bit her lip and said, "It's so pitiful for such a young child to be forced to leave her mother, Brother Wu Ya. , let's send him back."

Although the people in the Sea Dragon Palace are all very hateful, the children are innocent.

What?

Hearing this, Wen Xiaoyu almost jumped up, and said incredulously: "Sister-in-law, you are crazy, there are tens of thousands of people on the Dragon King Island, and the defense is like a copper wall and an iron wall, not even a fly can fly. Go in."

"Also, Brother Wu Ya and I have spent a lot of time trying to save you. If we send the child back, we will be caught in the net."

Chapter 5077 When the

voice fell, Yue Wuya also gave a wry smile, and said seriously to Hai Linger: "Linger, I know you pity this child, but we must not send him back."

"Dragon King Island is very dangerous, if we go back , I'm afraid the three of us won't be able to leave."

Phew!

Hearing this, Hai Linger Xiumei frowned and fell into deep thought. She knew that what Yue Wuya said was true. Dragon King Island was heavily guarded, and sending the child back would be death.

But...forcing an innocent child to be separated from his mother, she couldn't bear it.

A few seconds later, Hai Ling'er said, "Brother Wuya, if you don't send the child back, you have to promise me something." As she spoke, she carefully tucked the child's bedding.

Hehe...

Yue Wuya smiled and said: "I understand what you mean, you are afraid that I will hurt this child, don't worry, although his parents are both wicked people, I will not touch the child. On the contrary, I have to ensure his safety."

Said, Yue Wuya looked at the vast sea in front of him, with a bit of pride in his eyes: "The so-called disaster is not for the family, I am the dignified Lord of Heaven, it is absolutely I won't be embarrassed by a baby."

Hearing this, Hai Ling'er breathed a sigh of relief and smiled, "Brother Wuya, you are so kind." As she spoke, she gently leaned against Yue Wuya.

With a smile on his face, Yue Wuya gently hugged him with infinite warmth in his heart.

Uh...

Seeing this scene, Wen Xiaoyu scratched his head and walked into the distance with interest.

After walking around the deserted island, Wen Xiaoyu walked back with a dignified expression: "Brother Wuya, sister-in-law, don't rush to kiss me and me, there was a storm just now, and the boat fell apart. Can't go anymore."

Hearing this, Yue Wuya was very embarrassed, and quickly let go of the hand holding Hai Linger.

Hai Ling'er's face was also bright red, very shy and indescribably charming.

In the next second, Yue Wuya walked over quickly and looked in the direction of Wen Xiaoyu's finger. He saw the boat that Yu Du had driven earlier. It was stranded on a reef by the sea. .

As for the residual poison, it has disappeared, apparently washed away by the sea.

Oops.

Seeing this scene, Yue Wuya was also a little anxious.

It is so far from the mainland of Kyushu, and there is no boat, how to get back?

More importantly, I encountered a storm and failed to exchange hostages before. The female leader of Dragon King Island must think that I have gone back on my word. Maybe I have sent someone over now. At that time, it must be a fierce battle. I and Wen Xiaoyu are not afraid, just afraid of the sea. Linger had another accident.

Thinking to himself, Yue Wuya was in a panic.

“Is the boat broken?”

At this moment, Hai Ling'er came over with the child in her arms, and saw the boat stranded in the reef, she suddenly smiled: “It didn't fall apart, it can be repaired.”

She is a sea shark. The princess, who grew up at sea as a child, has many unique ways of repairing ships.

Ah? Can this be fixed?

At this moment, Yue Wuya and Wen Xiaoyu both looked at each other, very surprised, but also overjoyed.

If he can really repair it, he will be able to return to the Kyushu Continent.

At this time, Hai Ling'er handed the child to Yue Wuya, then walked slowly to the beach and took out a bag of colorful powder from her body.

call...

At this moment, Yue Wuya and Wen Xiaoyu both watched curiously, and at the same time did not rashly ask.

Hai Ling'er poured the powder into her hands, squatted on the beach, sprinkled it lightly in the sea water, and then quietly waited.

“Ling'er!”

Yue Wuya looked suspicious and couldn't help asking: “What are you doing?” Isn't it repairing the boat? Why are you squatting on the beach and waiting? What are you waiting for?

Shhh!

Hai Ling'er hurriedly turned her head and made a silent gesture, her beautiful face was very mysterious, and whispered, “You'll find out later.”

Seeing her appearance, Yue Wuya couldn't help but be amused, He didn't ask any more questions, and waited quietly with Wen Xiaoyu.

Clap la la...

After a while, I heard the sound of water splashes, and then I saw sea fish half a meter long, rushing to swim over, as if they had received an order.

Chapter 5078

This...

Seeing this scene, Yue Wuya and Wen Xiaoyu were dumbfounded, and looked at Hai Ling'er's eyes with strange light.

What are those colorful powders? Can even lure fish.

It's incredible.

Moreover, Yue Wuya and the two of them could clearly see that the fish that they took the initiative to surround themselves with were not ordinary sea fish, but a kind of fish that was red and looked very strange. The fish scales were covered with strange patterns. From a distance, it looks like a group of flames that are burning.

"Giggle..."

Seeing that both of them were dumbfounded, Hai Ling'er couldn't help giggling, then she skillfully caught a fish, pulled off two scales from it, and explained at the same time: "This kind of fish is very rare, it only lives in the deep sea, and it is called fire-patterned fish. Their scales are soft and tough, and they are the most suitable for filling holes in the cabin."

"And the powder I just sprinkled is the pollen of the sea soul flower."

"The sea soul flower, like the fire-patterned fish, only grows on the bottom of the deep sea and has a strange fragrance, and the fire-patterned fish is most obsessed with this fragrance. As long as it smells the fragrance, it will swim over desperately.

"Saying that, Hai Ling'er did not forget to continue catching fire-patterned fish from the seawater in front of her.

She is not only kind, but also has a very delicate mind. In order to avoid hurting these fire-patterned fish, she only took off two scales from each of them and put them back into the sea.

Even so, with so many fire-patterned fish in front of them, even if two fish scales were pulled from each of them, it would add up to a lot.

Huh...

Hearing Hai Ling'er's explanation, Yue Wuya and Wen Xiaoyu looked at each other and suddenly realized.

It is impossible to see that after living at sea for so long, there are still so many exquisite, and some unknown life tips.

For a while, Wen Xiaoyu couldn't help but smile and sigh: "My sister-in-law is not only beautiful, but she knows a lot. I'm fortunate to have you today, otherwise, Brother Wuya and I would have been really trapped here. Hearing the

compliment, Hai Linger was in a good mood, but still blushed and said, "You...don't keep calling me sister-in-law, I...brother Wuya and I haven't gotten married yet." "

He finally said, bowing his head shyly.

Haha...

Seeing her like this, Wen Xiaoyu couldn't help laughing: "Sister-in-law is still shy, it's a matter of time before you marry my brother, don't you...don't you like my brother?"

"You...you said that." Hai Ling'er's face turned even redder, and she stomped her feet in a hurry.

Yue Wuya also showed a smile, and at the same time said to Wen Xiaoyu: "Okay, don't tease her."

After saying that, Yue Wuya walked over quickly and looked at Hai Linger with a warm expression: "Do you need any help from us?" Originally, men did things like repairing the boat, but now he and Wen Xiaoyu are watching, and letting Hai Linger do it alone is really unreasonable.

"No need..."

However, Hai Linger shook her head and said with a smile: "Everything will be ready soon, you don't need to help, just watch the child." Although she is the princess of the sea shark clan, Hai Linger is not a big deal. There is no shelf at all. In the past, the ships in the clan's land were broken. As long as Hai Linger saw it, he would take the initiative to repair it.

Hearing this, Yue Wuya nodded, stepped aside, looked at Hai Linger's eyes, both admiration and curiosity.

This is the first time I have seen this method of replenishing the ship, so I must take a good look at it later.

Pfft!

At this moment, Hai Ling'er got enough fish scales, and with her toes on the ground, jumped directly into the sea.

Seeing this scene, Wen Xiaoyu was startled, and couldn't help shouting, "Sister-in-law..." As he spoke, he wanted to jump down. But was stopped by Yue Wuya.

"She is the princess of the sea shark clan. She is like going home in the sea, and there will be no danger." Yue Wuya said with a smile.

Wen Xiaoyu patted his forehead and laughed at himself: "Yeah, look at me, why did you forget it just now? I'm worried that my sister-in-law will have an accident when she jumps off."

Whoa!

Just as she was talking, Hai Ling'er surfaced, holding a few slender seaweeds in her hands, and came ashore again with a light posture. She saw that the water plants in her hands were several meters long, very thin, but very tough.

Chapter 5079

In the next few minutes, Hai Linger threaded the fish scales together with seaweed, and then patched the holes in the boat.

I saw that those fish scales were close to the hull, as if they were growing on it, and even a drop of water could not leak out.

God.

Seeing this scene, Wen Xiaoyu walked over quickly, checked the boat, and couldn't help but give a thumbs up: "Sister-in-law, you are really ingenious, oh my, you've opened your eyes today.

" face of pride.

The woman you love is not only beautiful, but also ingenious. Can you be unhappy?

"Don't compliment me."

Hai Ling'er smiled lightly, took the child from Yue Wuya, and urged: "Let's go quickly, the repair of the ship has been delayed for a while, I'm afraid those people in the Hailong Palace have already dispatched. "

Hmm!

Hearing this, the two brothers nodded at the same time, got the boat out of the reef, and then the three of them boarded the boat and quickly sailed towards the Kyushu mainland.

.....

Dragon King Island, in the bedroom.

Mo Yan kept walking around, her delicate face could not hide her worry and anxiety.

Yu Du has been gone for several hours and hasn't come back yet. Could it be that something happened?

Shasha...

At this moment, footsteps came from outside the hall, and then, Gone walked in slowly behind his hands.

Huh ...

Seeing Gone, Mo Yan's heart skipped a beat, but she still pretended to be nothing, hurried up to meet him, and said respectfully, "See your honor."

When speaking, Mo Yanjuemei's face was very calm, but her heart was very anxious.

It was broken, Yu Du did not come back, and Zun Shang came again.

Gonie seemed to be in a good mood, sitting on the chair next to him, smiling slightly: "Okay, there is no one else here, so you don't need to be polite."

After speaking, Gonie said cheerfully: "Just pass by here, just stop by and have a look. You and..." Before the child could say the word, he subconsciously looked at the bed, and was stunned when he saw that it was empty.

Oops.

Aware of Gone's gaze, Mo Yan's delicate body trembled, and she immediately realized that something was wrong.

Sure enough, Gonie frowned: "Where's the child?" Speaking of which, Gone was very unhappy when he learned that Moyan and the human had a child, and even wanted to put the child to death at the time, but after thinking about it, the child is innocent, and also has the blood of the demons flowing on its body.

When he wanted to understand this, Gogne didn't feel conflicted, so he decided to come over to have a look. He couldn't help but ask if he knew that the child was not there.

“Your honor...I...” Mo Yan was flustered and didn’t know how to answer for a while.

The matter that Yue Wuya stole the child and asked Hai Linger to exchange it was completely blocked by Mo Yan and deliberately kept Gone from knowing it.

Who knows, wait left and right, never see the residual poison coming back. But at this time, Gone came.

“Moyan!”

Seeing her faltering, Gogne stood up slowly, her cold face very unhappy: “Are you hiding something from your deity? Honestly, what’s wrong with the child?”

Moyan bit her tightly . He licked his lips, and his brain turned quickly, ready to fabricate a lie.

“Queen!”

However, at this moment, a voice came from outside the main hall, and then, Yu Du stumbled in and ran in, soaking wet, his face was pale, and he looked very embarrassed.

Om...

Mo Yan was already nervous in her heart, but when she saw him like this, she knew that the child was not rescued, and suddenly her head hummed, and she slumped on the ground.

Yu Du also had a face full of shame, and when he came in and saw Gone, the whole person was shocked.

Oops, why is Your Highness here?

The Queen had told me a lot before that the matter of the child being robbed must not be made known to the Venerable Master. How should I explain my appearance at this time?

“Yu Du!”

Just when Yu Du’s heart was going up and down, Gogne asked slowly: “How did you make it like this? What happened?”

“I...” Yu Du grimaced, no He answered immediately, but looked at Mo Yan subconsciously.

Seeing him like this, Gogne was even more certain that something had happened, and was very displeased, and said coldly, "Come on."

Chapter 5080 The

sound is not loud, but it is unquestionable.

Feeling the powerful breath that permeated Gogne's body, Yu Du only felt that it was difficult to breathe.

However, he was loyal to Mo Yan.

Mo Yan said that Gogne would never know about this matter, so even though he was very frightened by Gogne, he still gritted his teeth and didn't say anything.

"You want to die?"

Seeing that he didn't say anything, Gogne was completely angry, his eyes flashed with a cold glow, and he scolded coldly.

As soon as the words fell, Mo Yan quickly said: "Your anger, I won't let him say it." She knew that Gogne would do what she said, but Yu Du was her right-hand man, how could she just watch him die? Thinking to herself, Mo

Yan said to Yu Du, "Since your honor has asked, you shouldn't have to hide it, just say it.

"

What happened was told in detail.

At the same time, I was secretly happy.

Fortunately, the Queen relented, otherwise she would not be able to live tomorrow.

When it came to the end, Yu Du looked at Mo Yan with a look of shame on his face: "Queen, it's my fault, I was about to take over the young master from that kid when I knew that a storm suddenly came, my subordinates. He was still standing on the boat at that time, and was washed into the sea by accident."

"When the storm was over, the subordinates hurriedly swam to the deserted island, but at that time, they were nowhere to be seen."

"The subordinates failed to pick up The young master comes back and asks the queen to punish." The

last sentence fell, and Yu Du knelt there, feeling ashamed and frustrated.

hum!

Hearing this, even though Mo Yan was already prepared in her heart, when Yu Du said this, she only felt a thunder in her head, her tender body softened, and she slumped on the ground.

Child, my child..

why are you so miserable? Less than 20 days after birth, she was about to be separated from her mother.

“Absurd!”

At this time, Gogne also slapped the table heavily, stood up abruptly, his face full of anger: “It’s just two little thieves who let them break into Dragon King Island again and again, and finally snatched the child away. “

Moyan, you’ve followed me for so many years, and you’ve always handled things neatly, why are you so confused today? You were led away by the nose by two little thieves? They wanted to exchange hostages, so you compromised for the safety of your children. Not only did you compromise, but you also kept it from the deity.”

Saying that, Gogne looked at Yu Du coldly: “And you, you can do such a simple thing, what’s the use of you?”

” Gogne, the more he talked, the more annoyed he became.

When the two of Yue Wuya were shot into the sea, Gogne guessed that the two would not die so easily, but it never occurred to them that these two boys were lucky enough to escape, and they dared not to take the opportunity to leave. The second time he broke into Longwang Island and stole the child.

This is not the shame of Dragon King Island, but also the shame of his Demon Race Supreme.

Feeling Gogne’s anger, Mo Yan knelt there, extremely ashamed: “This subordinate has embarrassed the demons, and the subordinate is wrong.”

At the same time, Yu Du also knelt there, constantly blaming himself: “It’s all I, it was my unfavorable work that made the life and death of the young master unclear, your honor, if you want to punish me, punish me.” The

Queen lost her child, and she felt bad enough, she couldn’t bear to see her punished by Gogne again.

call!

Seeing the two of them, Gone took a deep breath and snorted coldly: "What's the use of admitting mistakes now? The child has been snatched away. Dragon King Island is also disgraced."

Bang Bang Bang...

Hearing this, Mo Yan's delicate body trembled, and she kept kowtowing to Gone: "Your Highness, I beg you to find a way to get the child back, please."

"It came out: "The deity's order is passed on. From now on, the Sea Dragon Palace will start a full-scale war against Tianmen. No matter how much the price is paid, we must kill Yue Wuya and take back the child."

"killing intent."

"Subordinate, obey."

Hearing this, Mo Yan and Yu Du were both shocked, and then agreed in unison.

Chapter 5081

Half an hour later, Yu Du led tens of thousands of Sea Dragon Palace elites, took hundreds of large ships, and headed for the continent of Kyushu.

...

Lagerstroemia mainland, the gate of Chunyang Palace.

In the elixir pavilion, Xiaorou refined the medicinal pills overnight, and was lying on the soft couch on the first floor, sleeping soundly.

On the second floor, Yue Feng was sitting cross-legged, integrating the power of the Heavenly Marrow Golden Core.

call!

Seeing that it was dawn outside, Yue Feng breathed a sigh of relief, opened his eyes, got up and went down to the lobby on the first floor, ready to go out to breathe the fresh morning air.

However, at this moment, a charming figure slowly walked in.

It is Jiang Hongyu.

Today Jiang Hongyu is wearing a long white dress, looking immortal and extremely charming.

How did she come?

Seeing Jiang Hongyu, Yue Feng was stunned for a moment, and after taking a deep look at her charming curve, he landed on her hand.

I saw that Jiang Hongyu was holding two bowls of hot breakfast in her hands.

“Pavilion Master!”

Jiang Hongyu seemed a little embarrassed when she got to the front, her face was a little red, and she said softly: “I really thank you at the martial arts conference yesterday, I don’t know how to thank you, so I specially prepared it for you and Xiaorou. Breakfast.”

This chapter is provided by . Visit for daily update.

While speaking, Jiang Hongyu put the breakfast on the table.

After the martial arts conference, in front of Yue Feng, Jiang Hongyu completely lost her previous arrogance, but her unspeakable gentleness and humility.

Speaking of which, at yesterday's martial arts conference, facing Xu Wenliang's constant provocation, Jiang Hongyu had already prepared for the destruction of his reputation, but he never thought that Yue Feng would come forward at a critical moment.

More importantly, Yue Feng didn't have the slightest strength, and Xu Wenliang, who was able to fight in the end, knelt down and begged for mercy.

The scene at that time, looking back on it now, is inspiring.

In Jiang Hongyu's heart, it was Yue Feng who kept her reputation and the prestige of Chunyang Palace, so it was nothing to cook him a breakfast in person.

I'll go...

Seeing Jiang Hongyu's humble look, Yue Feng was also stunned. Is this the same Jiang Hongyu who is aloof? It's only been a day's work, it's like a different person, and you cook for me yourself?

Thinking to himself, Yue Feng showed a smile: "Thank you." Then he picked up his breakfast and took a sip.

Hmm...the taste is not bad.

"How is it?"

Seeing Yue Feng drinking down, Jiang Hongyu quickly asked, her delicate face showing some anticipation. You know, this is the first time she has cooked for a man.

Yue Feng showed a smile, nodded approvingly and said, "This porridge is cooked very well."

With Yue Feng's approval, Jiang Hongyu felt relieved.

Wow...

At this moment, Xiaorou smelled the fragrance, sat up suddenly, rubbed her eyes and got up, staring at the porridge on the table: "It's so fragrant, Sister Hongyu, do you have mine? "

Yes!" Jiang Hongyu couldn't help laughing: "Didn't you see that I brought two copies here?" When she spoke, she looked at Xiaorou with love.

Xiaorou grew up in Chunyang Palace since she was a child, and has the best relationship with Jiang Hongyu. In Jiang Hongyu's heart, she is like her own sister.

Hearing the answer, Xiaorou cheered, and quickly walked over to take a sip of porridge, she couldn't help but admire: "This porridge is so fragrant, Sister Hongyu, if you can bring us breakfast every day from now on."

Xiaorou spoke without restraint, saying what she wanted to say.

Swish!

Hearing this, Jiang Hongyu's beautiful face suddenly turned red, and she said angrily: "You think so beautiful, how can I make breakfast for you every day?"

As she spoke, Jiang Hongyu looked at it subconsciously. Yue Feng glanced at him, unable to express the embarrassment.

When she came to deliver breakfast just now, in order to avoid being seen by others, Jiang Hongyu was very careful along the way. After all, she was the eldest disciple of the Palace Master, and she took the initiative to deliver breakfast to the Pill Pavilion Master. She hesitated for a long time. decision made.

It's just this time today that I've been very careful. If I come to deliver breakfast every day in the future, it's inevitable that no one will find out. She and Xiaorou have nothing to do, just afraid that someone will gossip about her and Yue Feng.

Chapter 5082

Hearing Jiang Hongyu's answer, Xiaorou stuck out her tongue playfully and continued to drink porridge.

"Pavilion Master!"

This is what Jiang Hongyu thought, walking to Yue Feng, biting her lip and saying, "Last night, Beihai Xingsu sent someone to invite the pavilion master to visit their suzerain. "

Go to Beihai Constellation?

Hearing this, Yue Feng frowned: "What are you going to do there?"

Jiang Hongyu smiled lightly: "Maybe it has something to do with alchemy."

Alchemy?

Yue Feng couldn't help but chuckle, and secretly muttered in his heart, this Beihai Xingsu really doesn't consider himself an outsider. Let me get through? Thinking to himself, Yue Feng waved his hand and said lightly: "If you don't go, just tell the

people in Beihai Xingsu, and say I'm busy and don't have time."

It has also merged more than half, as long as you stick to it, in ten days, the divine power in the body will be completely restored.

In this case, Yue Feng just wanted to stay in the Pill Pavilion quietly and didn't want to go anywhere.

"Pavilion Master!"

Hearing the answer, Jiang Hongyu quickly took his arm and persuaded him, "The sect master of Beihai Xingsu said that he wanted to see you. If you don't go, it would be inappropriate."

"You know, Our Chunyang Palace has always been an ally with Beihai Constellation, and we have helped each other for many years." At the

end of the story, Jiang Hongyu hesitated, biting her lip and said, "And...and, Master has already handed over this matter. Me, let me go with you, if you don't go, how can I explain to Master?"

Uh...

Seeing her like this, Yue Feng had no choice but to nod with a wry smile: "Well then, I'll accompany you for a trip."

Great!

Seeing his promise, Jiang Hongyu was very happy, smiled and nodded and said, "Okay, then I'll wait for you at the exit of the mountain gate." After speaking, she walked out quickly.

.....

There is a magical lake in the northwest of the Lagerstroemia Continent. There are more than a dozen large and small islands on it, and these islands are rich in a kind of night pearl, which will sparkle every night, far away. It looks like a starry sky.

Therefore, it is called the constellation, and it is also the main altar of the Beihai constellation.

Beihai Constellation has a history of thousands of years, which can be said to be profound. Up to now, the position of Sect Master has been passed down for thirty-six generations.

The current Beihai Xingsu Sect Master, called Deng Shiqi, is in his thirties, and his strength is unfathomable.

At this moment, in the main hall of the main altar, Deng Shiqi was sitting on the throne of the suzerain in a gray long gown. In front of him, the elders of Beihai Constellation stood there respectfully.

At this time, a disciple quickly walked over and said respectfully: "Qi report to the sect master, the Pill Pavilion Master of Chunyang Palace, and the palace master's eldest disciple Jiang Hongyu." Is the

Pill Pavilion Pavilion Master coming?

Hearing this, Deng Shiqi raised his eyelids and said indifferently, "Please come in."

"Yes, Sect Master!" The disciple responded and quickly turned around and went out.

After a while, the disciple came back, followed by Yue Feng, Jiang Hongyu, and Xiaorou.

Speaking of which, Xiao Rou was not qualified to meet the sect master of Beihai Constellation, but she is not only Yue Feng's dan child, but also a personal maid, so she needs to follow Yue Feng wherever she goes.

Swish!

At this moment, all the eyes in the hall converged on Yue Feng.

I saw that Yue Feng was only wearing a simple white gown, and he was still young, so he didn't look like an alchemy master at all.

For a time, both Deng Shiqi and the surrounding elders frowned.

Is this person the Lord of the Pill Pavilion? It doesn't look like it at all.

At the same time, many male disciples from Beihai Constellation were also attracted by Jiang Hongyu. This time, when he came to Beihai Constellation, Jiang Hongyu specially dressed up, wearing a long lavender dress, which was indescribably gentle and charming.

pretty.

She is indeed the first beauty among the younger generation of Chunyang Palace. This Jiang Hongyu is really temperamental.

At this time, Jiang Hongyu came to the front and bowed politely to Deng Shiqi: "Jiang Hongyu, I have seen the sect master!" The

voice fell, and Yue Feng, who was next to him, also bowed his hands symbolically.

Chapter 5083

Speaking of which, it is not that Yue Feng is arrogant and does not understand etiquette.

In Chunyang Palace, as the master of the Pill Pavilion, his status is second only to the master of the palace. Even if the master of the palace sees it, he must be polite and courteous. In this case, seeing the suzerain of Beihai Constellation, naturally, there is no need to give a big gift.

However, seeing Yue Feng's casual look, everyone present was a little unhappy.

Swish!

Seeing that Yue Feng just bowed his hands at this time, without salute at all, the elders present were even more angry.

"This is the Pill Pavilion Master?"

"It's really no rules at all..."

"Hmph, too arrogant..."

Yue Feng just pretended he didn't hear the comments from the people around him.

Jiang Hongyu was a little embarrassed, so he quickly helped to smooth things out, and said to Master Deng: "Sect Master, please forgive the rudeness of the pavilion owner, it is like this, in our Chunyang Palace, the pavilion owner's status is second only to my master, even if you see my master, No salute."

Phew!

Hearing this, Deng Shiqi nodded, restrained his displeasure, and said lightly to Yue Feng: "I heard that you have high attainments in medicine pills?"

His tone was indifferent, showing a sense of superiority. gesture.

Yue Feng smiled slightly: "I understand a little bit."

Deng Shiqi stopped talking nonsense, raised his hand, and suddenly a closed disciple came over, poured a pill from a jade bottle, and saw that the pill was ice blue. At first glance, it looks like an ice hockey puck, but it is a real medicine pill.

However, the medicinal pill looks good on the surface, but has no spiritual energy.

Obviously, this medicine pill has long since expired.

“Sect Master!”

Yue Feng glanced lightly and said, “What are you going to do with a failed medicinal pill for me?” This elixir has been ineffective for a hundred years.

Deng Shiqi’s eyes flickered, showing a hint of admiration, and said with a smile: “It seems that you really have some ability, but you can see that it is ineffective at a glance.”

“I believe you can see that, this medicine is called ‘Yubing’ Dan’, can stabilize the mind and prevent practitioners from going crazy.”

“So, I asked you to come this time, because I want you to help me refine a few jade ice pills.” The

voice was not loud, but there was no doubt.

At the same time, Deng Shiqi’s expression became a little dignified.

The reason why he sent someone to invite Yue Feng to refine Yubing Dan was to treat her wife.

Three years ago, Deng Shiqi’s wife went into trouble because of careless cultivation. At that time, Deng Shiqi found out in time and rescued her, so that her wife escaped without losing her life, but since then, her whole person has become confused.

Not only that, but every once in a while, Madam seems to be out of her mind, shouting and making a lot of noise in the room, which has always caused Master Deng to have a headache.

I heard that Yubing Dan can treat the sequelae left by this kind of mischief. Deng Shiqi rescued people to find them, but all the ones found were invalid. There was no other way, so he had to invite the Pill Pavilion Master of Chunyang Palace to come.

Swish!

At this time, Deng Shiqi’s voice fell, and the eyes of the audience were once again focused on Yue Feng.

Especially those elders, each with a cold and arrogant expression, as if Yue Feng gave them the alchemy of Beihai stars, which is a matter of course.

Ha ha...

Feeling this kind of atmosphere, Yue Feng felt very unhappy. He didn't talk nonsense at the time, and said bluntly: "I'm sorry, I don't practice!"

What?

Hearing this answer, both Deng Shiqi and the elders present were all stunned.

This kid actually refused?

Does this not take our North Sea Constellation seriously?

Too arrogant, too hateful.

The next second, the first elder reacted, staring at Yue Feng and scolding: "What did you say? Our Sect Master has spoken in person, you said you don't practice? Are you planning to give our Sect Master face? Do you still look down on Beihai Constellation?"

Jiang Hongyu was also a little anxious, couldn't help pulling Yue Feng, and whispered: "Pavilion Master, don't do this."

Speaking of which, Jiang Hongyu was also a little unhappy with the other party's attitude, but no matter what. After all, the other party is an ally, and Yue Feng's rejection seems a bit inappropriate.

Chapter 5084

Yue Feng is not panic at all.

The next second, Yue Feng looked at the great elder and said slowly: "I don't look down on you Beihai stars, but I just said that, you invited me to alchemy, is this the attitude?"

After that, Yue Feng glanced at the Yu Bingdan, which was ineffective, continued: "Ask someone to help with alchemy, without even an attitude, just a tone of command, hehe, I am not a disciple of your Beihai Xingsu, let alone your servant, why should I ask for it? Refining?"

After saying this, Yue Feng sat shyly on the chair next to him, looking like an uncle.

To be honest, Yue Feng doesn't want to be fussy about it, but these people in Beihai Xingsu are really arrogant and arrogant. They think that everyone is allies, so I should give you alchemy.

What about daydreaming?

Whoa!

Hearing these words, both Deng Shiqi and the elders present changed their expressions.

When was the dignified Beihai Constellation, one of the three major sects in the rivers and lakes, so accused? Moreover, it is still in the main hall of Zongmen's main altar.

Thinking of this, Deng Shiqi's face was extremely gloomy.

Mad, this person has no strength at all, but he is quite big.

"Good boy!"

At this time, the first elder was also very angry, pointing at Yue Feng and shouting: "I'm still putting on the air, and my sect master invites you personally, so I don't think I'm giving you face? You kid don't know how to praise ." The

voice fell, and several other elders also began to scold.

"That's right, don't know how to lift things up."

"The kid is young, but he is not small."

"If it weren't for the alliance, the old man would have taught you a lesson." The

more and more everyone talked about it, the dignified Beihai star was ridiculed by an incompetent kid. If this matter spreads out, how can you stand on the rivers and lakes in the future? ?

Deng Shiqi also had a gloomy face.

Seeing that the atmosphere was getting worse and worse, Jiang Hongyu was also a little anxious, walked up to Yue Feng, and whispered: "Pavilion Master, don't bother with them, both sides are allies, if the trouble is too stiff, it will be bad for everyone. Not good."

This Yue Feng, who had no strength at all, challenged Master Deng.

Isn't this asking for trouble?

"It's all right!"

Yue Feng shook her head at her with a calm expression: "You don't have to worry about it .

"

Kneeling in front of Deng Shiqi.

The maid knelt there, trembling as she spoke: "Sect Master, it's not good, Madam started smashing things in the room again."

Damn!

When the voice fell, whether it was Deng Shiqi or the elders present, their expressions changed.

Because of the hidden dangers left by going crazy, in the past two months, the frequency of the sovereign's wife going crazy has become more and more frequent. The most recent one was yesterday.

Yesterday, thousands of elite disciples were discussing in the Houshan Square. At that time, the wife was relaxing next door, and suddenly became crazy and rushed into the crowd. At that time, dozens of disciples were injured. Later, Deng Shiqi and several elders arrived in time. more casualties were prevented.

Unexpectedly, before a day passed, the lady lost her mind again and went crazy.

"Let's go and have a look."

At this moment, Deng Shiqi didn't have time to think, he quickly stood up and walked quickly to the bedroom where his wife was resting.

Several elders followed.

For a time, the atmosphere in the originally tense hall suddenly calmed down.

call!

Seeing this situation, Jiang Hongyu breathed a sigh of relief, looked at Yue Feng and asked for instructions: "Pavilion Master, what should we do now?"

Yue Feng smiled slightly: "Let's go, let's go have a look." After

speaking, Yue Feng followed everyone , walked to the back bedroom, Jiang Hongyu and Xiaorou looked at each other and quickly followed.

Bang bang bang...

When I was about to get to the bedroom, I heard a sound of crackling and falling things, accompanied by the panicked cries of several maids, and the situation was very chaotic.

I saw a slender woman with long hair scattered like crazy, smashing things non-stop.

The woman is the wife of Deng Shiqi, the wife of the suzerain, Zheng Wanwan.

Um?

Yue Feng did not go in, but stood outside the door and looked at it, frowning immediately. The state of the sovereign's wife does not seem to be the root of the disease left by the madness, there seems to be another reason...

Chapter 5085

"Madam!"

At this moment, Deng Shiqi rushed in quickly, his face full of anxiety: "Madam, stay awake." As he said, he reached out to hug Zheng Wanwan.

However, at this time, Zheng Wanwan had completely lost her mind. Her originally delicate face was extremely flushed, and her eyes were also full of frenzy. She kept shouting: "Death, all to die..."

As she said, He smashed a porcelain bottle in his hand towards Deng Shiqi.

Deng Shiqi hurriedly dodged, and the porcelain bottle passed by.

wow.

The next second, the porcelain bottle shattered at the door, and the elders who followed in were all startled.

Taking advantage of Zheng Wanwan's nothing in her hand, Deng Shiqi rushed up and grabbed her hand, showing pity and anxiety: "Madam, you see clearly, it's me."

Zheng Wanwan didn't stop at all: "Let go of me, Let me go..." he yelled, struggling.

Papa...

Seeing this situation, Deng Shiqi had no other choice but to sigh, then reached out and touched Zheng Wanwan's acupuncture point.

The acupuncture point was tapped, Zheng Wanwan's body trembled and she couldn't move at all. At the same time, her eyes darkened, and she fainted.

Huh ...

Deng Shiqi is quick-witted, holding Zheng Wanwan in his arms, and then shouting at the maids next to him: "Hurry up and decoct the medicine for Madam, hurry."

Whenever Zheng Wanwan's illness attacked, Deng Shiqi would make people Give her a decoction of tranquility and meditation. Although it can't be cured, it can alleviate some symptoms to some extent.

"Yes, Sect Master."

Hearing the order, several maids hurriedly responded, and then went to decoct.

Seeing this, Jiang Hongyu frowned. Speaking of which, she had been hearing about the madness of the North Sea Star Sect Master's wife recently, but she never expected it to be so serious.

"Pavilion Master..."

At this time, Xiaorou was also panicked, she couldn't help pulling Yue Feng, and whispered, "It's such a pity that the Sect Master's wife is so beautiful, but she's crazy..."

Soon, the soothing soup was cooked, and Deng Shiqi carefully gave Zheng Wanwan a drink.

Although Zheng Wanwan was in a coma, everyone could clearly see that after drinking the tranquilizer, her condition seemed to have calmed down a lot, and the violent aura around her body had also disappeared a lot.

"Hey!"

At this moment, the first elder came to his senses, and when he saw Yue Feng standing outside the door, he suddenly shouted: "Yue Feng, you have seen the situation of my suzerain wife, hurry up and make jade. Bingdan ."

The first elder saw Zheng Wanwan's situation just now, and was anxious in his heart.

The symptoms of the Sect Master's wife have become more and more serious recently. The only solution is to take Yubing Dan as soon as possible. In this case, she will point fingers at Yue Feng again.

The voice fell, and the other elders also urged.

"Yes, hurry up and make Yubing Dan."

“Whatever you want, just say it, as long as it doesn’t delay Madam’s condition.”

“Don’t know how to praise, if you want to continue to put on airs, don’t blame us for being rude. ...”

Under the urging of several elders, there was a threatening taste in his tone. Yue Feng was very upset when he heard it, but he didn’t show it, but said lightly: “I said just now, don’t practice.”

Whoa!

Seeing him at this time, he also said that he would not make medicinal pills, and everyone present was on fire.

“What did you say?” The elder was even more angry, staring at Yue Feng fiercely: “You want to die? I tell you, if you don’t refine Yubing Dan today, don’t even think about leaving here alive.”

Deng Shiqi was also burning with anger, looking at Yue Feng coldly, with a posture of ready to act at any time. He and Zheng Wanwan have been married for nearly ten years.

If his wife was seriously ill and died because Yue Feng didn’t practice alchemy, he wouldn’t mind massacres, and he wouldn’t mind breaking the alliance with Chunyang Palace.

Seeing that the atmosphere was not good, Jiang Hongyu and Xiaorou became nervous.

call!

Yue Feng was indifferent, ignoring the anger of everyone, and said to Deng Shiqi indifferently: “It’s not that I don’t want to concoct pills to save people, but your wife has eaten Yubing Pill, which is useless at all. Her current symptoms are not Caused by going into flames.”

The ultimate husband in Chinese chapter 5086-5090

Chapter 5086

What?

Hearing this, everyone present was stunned.

The next second, Deng Shiqi was the first to react and looked at Yue Feng coldly: “What do you mean? You mean my wife has become like this, is there another reason?”
The

voice fell, and the eyes of the audience were all tight. Staring at Yue Feng, waiting for his answer.

Yue Feng smiled lightly, and said lightly to Deng Shiqi: "Yes, your wife is crazy, not because she went crazy, but because she was poisoned."

After saying this, Yue Feng stood there with a smile but not a smile, quietly Watch everyone's reaction.

Yue Feng is not talking nonsense, just after careful observation, this Zheng Wanwan is indeed poisoned, and this kind of poison can make people confused, so she will become crazy.

Moreover, Yue Feng has already guessed that the person who poisoned it should be someone from Beihai Xingsu, maybe one of the people present. You must know that the main altar of Beihai Constellation is heavily guarded, and it is unlikely that outsiders want to sneak in and poison the Sect Master's wife. Therefore, the most suspect is the internal personnel of Beihai Constellation.

In particular, these elders present, each with extraordinary identities, often meet with the sovereign's wife, and have the best chance of poisoning.

What?

Poisoned?

In an instant, the entire dormitory was deadly silent. Deng Shiqi stood there, staring blankly at Yue Feng, only to feel his mind buzzing and blank.

Several elders also looked at each other, all shocked.

"Madam is because she was poisoned, so she lost her mind? How...how is this possible?"

"Who would have the courage to poison Madam?"

This chapter is provided by . Visit for daily update.

"This kid, didn't want to make alchemy, so he was talking nonsense on purpose?"

Deng Shiqi also reacted when the elders' comments came, frowning at Yue Feng: "You said that my wife was poisoned, so she became like this, What evidence do you have?"

Like everyone around him, he also thought that Yue Feng was talking nonsense.

The main altar is heavily guarded, especially in the madam's bedroom, where there are people guarding it day and night, let alone people, even a fly can't fly in, how could someone poison her?

Huh ...

Seeing this, Jiang Hongyu's delicate face also showed a bit of complexity, she gently pulled Yue Feng and said in a low voice: "Pavilion Master, if you are not fully sure, you must not mess around. Say it..."

After all, this is the North Sea Constellation, not in the Chunyang Palace, if it is self-defeating, it will be difficult to end.

Yue Feng smiled slightly, patted the back of her hand, and signaled not to worry.

"Sect Master!" In the

next second, Yue Feng showed a smile, walked slowly into the bedroom, looked at Zheng Wanwan, who had been placed on the bed, and said slowly, "I have always spoken with reason, if you don't believe it, now Just use a silver needle to prick your wife's Zhenhui point, and you'll know at a glance what's going on."

Seeing

his plausible words, Master Deng frowned and hesitated.

Could it be that... this kid is not just rhetoric?

At the same time, the surrounding elders exploded the pot again.

Especially the third elder Wu Ming, his face was full of anger, he jumped out and pointed at Yue Feng and cursed: "Good boy, you are getting bolder and more rude. Zhenhui point is one of the important points in the human body. , how can you casually use a silver needle to probe?"

"You just kept saying that Madam was poisoned, and that she deliberately wanted Yinfan and our Beihai Xingsu to be suspicious of each other, and now you say that you want to pierce acupoints with silver needles. Haha, I think you are completely uneasy and kind, and you want to make us Beihai Xingsu. Just mess up."

After saying this, Wu Ming bowed his hands to Deng Shiqi: "Sect Master, this man has ulterior motives, he refused to make alchemy for his wife just now, and now he is talking nonsense again, as I see it, just lock him up, when the time comes , The Palace Master of Chunyang Palace asked, let's explain the situation in detail."

At this time, Wu Ming had a straight face, but his eyes flashed with slyness.

Yue Feng guessed well just now that Zheng Wanwan was poisoned by someone, and this person was Wu Ming. On the surface, Wu Ming appears to be a gentleman, but in fact he is a womanizer.

Chapter 5087

A few years ago, when Deng Shiqi married Zheng Wanwan, Wu Ming was attracted by this beautiful and sexy sovereign's wife, but because of his status, he didn't dare to show it at all.

Three years ago, in order to practice a peerless secret book of Beihai Xingsu, Deng Shiqi often retreated, resulting in Zheng Wanwan often staying alone in the empty room, which made Wu Ming feel that his opportunity had come.

That night, while Deng Shiqi was away, Wu Ming sneaked into the bedroom and expressed his intentions to Zheng Wanwan. He thought that he was suave, eloquent, and his strength was not much worse than that of the sect master Deng Shiqi. Zheng Wanwan would definitely not refuse.

Who knows, Zheng Wanwan was furious on the spot when she saw him breaking into the bedroom at night, and angrily scolded him for committing the following crime, and then went to inform Deng Shiqi.

At that time, Wu Ming was frightened, and the beauty was gentle and did not enjoy it. If Deng Shiqi knew about this, he would not only be expelled from Beihai Xingsu, but he would also lose his life.

So in a panic, Wu Ming was timid, and directly shot at Zheng Wanwan. As the wife of the suzerain, Zheng Wanwan was not bad, and she fought with Wu Ming in the bedroom.

Wu Ming was already flustered, and soon he was at a disadvantage. At that time, in a hurry, he took out a pack of the world's strange poison 'Elephant Soul Powder' and threw it towards Zheng Wanwan.

As the name implies, as long as it is inhaled into the mouth and nose, the whole person will be confused and become crazy and stupid, and, from the outside, it looks like going crazy.

After that, Wu Ming took the opportunity to escape.

For the past three years, Wu Ming has kept secrets and dared not mention it to anyone. Moreover, seeing Deng Shiqi, and even the entire Beihai constellation, they all agreed that Zheng Wanwan was crazy because of her practice, and she was even more fortunate in her heart. endlessly.

As long as Zheng Wanwan doesn't wake up for a day, the scandal of that year will not be exposed.

Until today, when Deng Shiqi sent someone to Chunyang Palace and invited Yue Feng to come, Wu Ming didn't panic, because he knew in his heart that even if Yue Feng refined Yubing Dan, he would not be able to cure Zheng Wanwan.

So, he completely put his heart in his stomach.

What made him even more happy was that Yue Feng didn't give Deng Shiqi any face just now, and didn't say anything to refine Yubing Dan. At that time, Wu Ming's heart was broken, and he had a straight face on the surface, but his heart was actually happy flower.

But he never thought that after Yue Feng came to the dormitory, he would tell the exact location of Zheng Wanwan's illness.

Under such circumstances, Wu Ming couldn't help but jump out and be the first to attack Yue Feng in public.

Huh....

At this moment, Wu Ming's voice just fell, and several elders around also nodded in agreement.

"The three elders are right, this kid has ulterior motives."

"Just now he was holding on to the air and refused to refine the jade ice pill, and now he said that the wife was poisoned, which is really ridiculous.

"I can't spare him lightly."

At this time, these elders didn't even know that they were all used by Wu Ming.

Haha...

Seeing everyone accusing Yue Feng, Wu Ming was very angry on the surface, but he was very excited.

What if this kid sees the fame? Everyone doesn't believe it. Let's see what this kid can do. By the way, I have to give the sect master a good fight later. It's better to kill this kid. After that, no one will know about the lady's situation, and I can sit back and relax.

Thinking of this, Wu Ming's eyes flashed a hint of ruthlessness.

Ha ha...

Wu Ming's eyes changed, and Yue Feng had a panoramic view.

Looking at it like this, the Sect Master's wife was poisoned, and this third elder is very suspicious. As soon as I finished saying that my wife was poisoned, he was the first to fight against me. If it wasn't him, who else could it be?

Thinking to himself, Yue Feng chuckled in his heart, but his face was indifferent.

"Sect Master!"

At this time, Wu Ming made up his mind, cupped his hands at Master Deng Qi, and said with a fake face: "This Dan Pavilion Pavilion Master is really rude, and he refused to refine Yubing Dan before. Now I'm talking nonsense again, saying that the madam was drugged."

"It's so unruly, despising me Beihai Xingsu, it's better to put him directly in the water prison."

Chapter 5088 The

voice fell, and several other elders also agreed.

"Yes, I have to teach him a lesson."

"Let him know, the fate of the open-hearted..."

"Sect Master, don't hesitate."

Listening to the words of several elders, Deng Shiqi's face was gloomy, and he did not express his position. You must know that although Yue Feng has no strength at all, he is the Pill Pavilion Pavilion Master of Chunyang Palace after all. His status is second only to the Palace Master, and his status is not low. If he is imprisoned, the alliance between Beihai Xingsu and Chunyang Palace must be Cracks will appear.

But if you don't express your position, the dignified Beihai Xingsu will be pointed at by a young boy, and if the matter spreads to the rivers and lakes, wouldn't you lose all face?

Huh ...

Seeing this situation, Jiang Hongyu was also unhappy, and couldn't help but whispered to Xiaorou: "Xiaorou, does the pavilion master know medical skills?" Just now, Madam's madness seemed to be caused by her madness. Yes, but Yue Feng said she was poisoned.

Jiang Hongyu knew in his heart that Yue Feng was highly accomplished in the art of alchemy. Jiang Hongyu would never doubt if he expressed his opinion on alchemy, but

he could see that someone was poisoned at a glance. This is the ability of a master of medicine. Feng, do you know medicine?

“I...”

Facing the question, Xiaorou shook her head, her delicate face was also very confused at this time.

She only knew that Yue Feng was very good at alchemy, and she had never seen him demonstrate his medical skills.

Seeing Xiaorou’s reaction, Jiang Hongyu was a little anxious. Would this Yue Feng really be talking nonsense? If Madam wasn’t poisoned, wouldn’t it be a big joke?

For a time, Jiang Hongyu wanted to persuade Yue Feng to say a few words, but because so many people around were present, it was not easy to speak rashly.

“metropolitan!”

At this time, seeing Deng Shiqi’s changing face, Yue Feng smiled slightly and said, “Whether Madam is really poisoned, you will know if you try it. Anyway, the three of us are here and we can’t run away.”

“If Madam is not poisoned . , you lock me up, I have no complaints, if the lady is poisoned, you can treat me in time, right?” The

words were sincere.

“Okay!”

Deng Shiqi took a deep breath, took a deep look at Yue Feng and

said, “Then I will trust you once, come here and get a silver needle.” To be honest, in his heart, he also thought that Yue Feng was a Talking nonsense.

But on second thought, what Yue Feng said just now is not bad. It’s just a silver needle to test the acupoints.

“Yes, Sect Master!”

Upon hearing the order, a maid quickly responded and hurriedly walked into the side hall to get the silver needle.

Oops!

Seeing this situation, Wu Ming was taken aback. He didn't have time to think about it at the time, so he quickly walked out and said eagerly to Deng Shiqi: "Sect Master, this kid is just nonsense, and his words must not be taken lightly.

" At that time, Wu Ming looked loyal on the surface, but he was very anxious in his heart.

If the lady is found to have been poisoned, the matter will not be concealed. No, you have to stop it.

"Okay!"

Deng Shiqi waved his hand and said firmly: "I have made up my mind on this matter, so don't stop it." The voice was not loud, but there was no doubt.

Uh....

Seeing his resolute expression, Wu Ming didn't dare to say anything, and stood to the side disheartened.

But at the same time as he stepped back, Wu Ming's eyes flickered, and he had already made up his mind to pay attention. If something went wrong, he would rush out as soon as possible.

After a while, the maid brought the silver needle.

"Yue Feng!"

At this time, after Deng Shiqi disinfected the silver needle with fire, he did not rush to stab his wife's acupuncture point, but gave Yue Feng a deep look: "Yue Feng, if my wife is not poisoned later. If you do, all the consequences will be borne by you, even if your Palace Master of Chunyang Palace comes, he will not be able to save you."

Yue Feng smiled lightly and did not speak.

Seeing Yue Feng's confident face, Deng Shiqi stopped talking nonsense, walked to the bed, let out a soft breath, and then shot like electricity, the silver needle accurately stabbed the lady's Zhenhui point.

Wow...

At this moment, no matter it was the elders present, or Jiang Hongyu and Xiaorou, they couldn't help but look around.

In the entire bedroom, there was silence.

Chapter 5089 Chi

....

Soon, Deng Shiqi pulled out the silver needle, and at that moment, he saw a wisp of blood that splashed out.

Deng Shiqi is worthy of being the suzerain of the North Sea Constellation. He is extremely powerful. Before the blood fell on the ground, he took out the prepared white handkerchief, copied it with his backhand, and caught the blood.

Huhuhu...

In an instant, I saw the blood falling on the white silk handkerchief, showing black and red, and quickly corroding the white silk handkerchief. Puffs of white smoke came out.

Obviously, blood contains highly poisonous.

Whoa!

Seeing this scene, whether it was Deng Shiqi, Jiang Hongyu and Xiaorou, and the surrounding elders, they were all in an uproar.

This.... Madam is really poisoned.

Several elders looked at Yue Feng closely, their eyes full of surprise and surprise.

He was actually hit by this kid, but... how did he see it?

None of these elders knew that when Yue Feng was in the Kyushu Continent, he learned medical skills from Yaozu Shennong for a period of time, and it was a piece of cake to treat and save people.

You know, medical theory pays attention to seeing, hearing, asking, and Yue Feng can tell at a glance whether the wife is poisoned.

“The pavilion master is amazing.”

At this time, Xiaorou also looked at Yue Feng with admiration, and couldn't help muttering to herself: “Just by looking at it, you can be sure that the lady is poisoned. It's really incredible.

” At this point, Jiang Hongyu, who was standing beside her, was also trembling faintly. Looking at Yue Feng's eyes, she couldn't hide her admiration and shock.

This Yue Feng... not only will he lose the thousand-year-old alchemy technique, but he also understands medical techniques. This man... is really becoming more and more invisible.

“It’s really poisonous...”

At this moment, Master Deng held a white silk handkerchief in both hands, and he was shocked and angry.

To his shock, what Yue Feng said was not false at all, and that his wife was really poisoned. Moreover, he can see at a glance, his medical skills are really admirable.

And the anger is that the wife has been poisoned for three years, and she doesn’t even know it.

It’s over...

And Wu Ming, who was standing at the door, saw the scene in front of him, but his face was pale and nervous.

Madam’s poisoning can no longer be concealed, so we must quickly find a way to protect ourselves.

Huh...

After more than ten seconds, Master Deng came to his senses and smiled awkwardly at Yue Feng: “Brother Yue Feng, I was so offended just now, I didn’t expect that your medical skills are also extraordinary. , I can tell at a glance that my wife is poisoned.”

When he said this, Deng Shiqi completely lost his previous arrogance, and his tone became much more polite.

call!

The words fell, and the elders around, looking at Yue Feng, lost their previous hostility and admired each and every one of them.

“I can’t see that the pavilion master has such skills.”

“Yeah, I misunderstood before, I am ashamed...”

“Fortunately, the pavilion owner was not locked up just now, otherwise the misunderstanding will be big, haha...”

When several elders complimented and apologized, Wu Ming stood there without saying a word, his eyes flashed quickly, and he didn’t know what he was thinking.

Ha ha!

In the face of everyone's compliments, Yue Feng smiled slightly, and then said to Master Deng: "Sect Master and elders are polite. Now that the matter of Madam has been investigated, let's hurry up and treat it." As he

spoke, Yue Feng said lightly. Glancing at Wu Ming.

"That's right..."

Hearing this, Deng Shiqi quickly put down his handkerchief and patted his forehead: "What Brother Yue Feng said, it's just... What kind of poison did my wife have and how to treat it, please also ask Yue Feng Brothers can explain in detail." He

waved his hand as he spoke, Deng Shiqi looked at Yue Feng's eyes, full of anticipation.

This Yue Feng, since he can see at a glance that his wife has been poisoned, there must be a way to treat it.

Swish!

The voice fell, and the eyes of everyone in the audience were also focused on Yue Feng.

Especially Wu Ming, who was calm on the surface, but nervous in his heart, and his palms were sweating. If Yue Feng could really solve the poison of the epilepsy, then he would not be able to hide the fact that he was trying to sully his wife. .

Facing the eyes of everyone, Yue Feng smiled slightly and said to Master Deng: "Sect Master, before detoxification, I want to tell you about the situation. Your wife is a kind of poison that can make people crazy. Sect Master thinks about it carefully. I wonder if there is such a poison in the entire continent."

Chapter 5090

When he said this, Yue Feng looked serious.

Speaking of which, it's not that Yue Feng doesn't want to be healed quickly, but that this kind of thing requires extreme caution.

After all, Yue Feng is from the Kyushu Continent. Although he has been in the Ziwei Continent for nearly two months, he still doesn't know much about everything here, especially in terms of medical skills. .

Under such circumstances, Yue Feng naturally did not dare to act rashly.

However, he was already quite sure that the poisoning of his wife had something to do with the third elder Wu Ming standing at the door.

This...

At this moment, when I heard Yue Feng say this, both Deng Shiqi and the elders present frowned and thought.

Poisons that can make people crazy....not a lot.

If you think about it carefully, there are only one or two...

and the only symptoms corresponding to Madam's symptoms seem to be the world's most poisonous epilepsy powder...

Could it be... Madam's epilepsy powder? !

Thinking of this, Master Deng's heart was shocked, and he looked at Yue Feng with complicated eyes: "Brother Yue Feng, if you guessed correctly, in the whole arena, only the poison of the epilepsy can make people confused." The

voice fell . , The surrounding elders all nodded.

"That's right.."

"Sect Master is right, it should be the Despairing Soul Powder."

"That's right, I almost didn't remember it just now... This Dementing Soul Powder is extremely poisonous. Just a little inhalation can make people go crazy."

While nodding in agreement, several elders clenched their fists and were furious.

Ma De, who is so bold, dares to give Madam such a poison as Epilepsy Powder, it's just courting death.

broken!

As for the third elder Wu Ming, who was standing at the door, his heart was trembling uncontrollably, and he could barely stand. The truth was getting closer and closer, and he was about to be exposed.

No, just leave immediately.

Thinking to himself, Wu Ming was about to turn around and walk outside the dormitory while everyone was not paying attention.

However, Yue Feng had been keeping an eye on him, and when he saw him turn around, he immediately said with a smile: "This elder, the lady has been poisoned, what do you think?"

Saying this, Yue Feng's eyes flashed with a mocking smile.

Seeing that Wu Ming wanted to run at this time, Yue Feng further confirmed that he was the murderer, and naturally he would not let him slip away.

Swish!

The voice fell, and the eyes of the audience suddenly converged on Wu Ming.

Wu Ming quickly stopped, facing everyone's attention, a thin layer of sweat oozes out of his forehead instantly, and he scolded Yue Feng over and over again in his heart, Mad, this kid is sick, whoever doesn't ask will come over and ask me.

At the same time, everyone around was a little puzzled.

What's the matter with Yue Feng? Don't want to detoxify the lady immediately, but come to ask the third elder such a boring question?

"What?"

Seeing Wu Ming's face flickering and speechless, Yue Feng smiled slightly: "The lady has been poisoned, so this elder doesn't want to say something?"

"I..." Wu Ming opened his mouth, Resisting the nervousness in his heart, he came out with an angry look: "Does it need to be said? The person who poisoned really ate the guts of a bear and a leopard. If you dare to touch our sect master's wife, if you are caught by me, you will definitely put it away. He was slashed with a thousand swords."

When he said this, Wu Ming's face was plausible, but he wanted to cry without tears in his heart.

Ma De, I was planning to slip away when people weren't paying attention, but now it's alright, this Yue Feng brought the topic to me, and everyone looked at me, but they couldn't leave if they wanted to.

Hearing the answer, Yue Feng nodded with a smile.

"Brother Yue Feng!"

At this time, Deng Shiqi was a little anxious, and he said in a daze, "Please hurry up and find a way to save my wife." Life is at stake, and he actually asked these boring questions, which really made people die.

call!

Yue Feng breathed a sigh of relief and showed a faint smile. He first looked around, and then said seriously to Deng Shiqi: "Sect Master, don't be impatient, as far as I know, Madam lives in the palace for a long time and rarely walks around the rivers and lakes, so it is impossible for her to be poisoned outside, but you people from Beihai Constellation are doing the trick."

"With this premise, it will be much easier. Now the sect master starts to search everyone on the scene. The murderer."

"Of course, if the murderer is carrying a highly poisonous poison, he will also carry an antidote."

After saying this, Yue Feng looked at Wu Ming with a half-smile, "That's right, this elder."

The ultimate husband in Chinese chapter 5091-5100

Chapter 5091

“You...”

This abrupt sentence, like a thunderbolt sounded in Wu Ming’s mind, his whole body trembled, and it was a little awkward to speak: “What do you mean?”

When speaking, Wu Ming’s mind There was also a buzzing sound in the middle, a mess.

Why is this kid asking me alone? Could it be that...he knew that I was the murderer who gave Madam a psychedelic solution?

No...not possible. This kid has just become the Pill Pavilion Master of Chunyang Palace, and he didn’t know him before, how could he know what happened three years ago?

Impossible.

But why didn’t he ask others, just me?

For a time, Wu Ming was nervous and doubtful again. He was dripping with cold sweat, and his clothes were almost soaked.

call!

Seeing this scene, both Deng Shiqi and the surrounding elders were all secretly wondering.

What happened to Wu Ming today? He seemed to be very sensitive. The Pill Pavilion Master just asked casually, and he was nervous...

Under doubt, several elders couldn’t help but ask.

“Elder Wu, what’s wrong with you?”

“Yeah, sweating so much...”

“Are you uncomfortable?”

This chapter is provided by . Visit for daily update.

Facing the inquiries of several elders, Wu Ming almost wanted to cry without tears, so he quickly wiped it away. Wiping the cold sweat from his forehead, he squeezed out a smile and said, "I'm fine, maybe... Maybe it's too hot today." As

he spoke, he gave Yue Feng a vicious look.

Mad, it's all this kid that made me almost reveal my stuff.

Thinking to himself, Wu Mingqiang calmed himself down and said to Yue Feng: "If you have the ability, hurry up and treat our Sect Master's wife, and stop talking nonsense here."

"Everyone present is loyal to Beihai Xingsu, You don't have any second thoughts about the suzerain, who will poison the lady? I think you are deliberately telling stories, so as to provoke internal conflicts between our Beihai stars."

When he spoke, Wu Ming's face was straight, but his heart was nervous. to die.

Yue Feng's guess was good. Epilepsy Powder is a strange poison in the world. Wu Ming always carries it with him. How could he be searched casually? At this time, it is necessary to mess around and prepare to lead the contradictions to Yue Feng.

Whoa!

Hearing this, the surrounding elders all nodded their heads in agreement.

"Elder Wu is right, all of you present, who are not doing their best for the sake of the North Sea stars, and are more loyal and respectful to the sect master and his wife, how could they do such a rebellious thing?"

"Yes, the pavilion master is so Guess, the starting point is a good one, but it can't be fooled."

"Madam's situation is critical, if the pavilion master has a way to treat him, he should take action as soon as possible, and don't get involved in these related issues.

" Standing there, nodding silently.

Like everyone else, Deng Shiqi didn't believe that the murderer was from Beihai Xingsu. He felt that Yue Feng's guess was a bit rash.

Haha...

Seeing this, Yue Feng was speechless, but he still smiled lightly, looked around at everyone and said, "Everyone, I don't mean to provoke your internal unity, I'm just talking about things."

“You all know in your hearts that Epilepsy Powder is a strange poison in the world, and it is not something that ordinary people can solve. Although I know a little medical skills, it is impossible to prepare an antidote for Epilepsy Powder. Even if I try to dispense it. I don’t know how long it will take to prepare the correct antidote.”

“And my speculation just now is not groundless, everyone think about it carefully, Madam has been at the mountain gate, staying at home, and there is no enemy at all, even if It is the enemy of the sect master, and it is impossible to break into the main altar of Beihai Xingsu. Therefore, the murderer may be his own. I ask the sect master to investigate. It is completely kind, how can it be nonsense?”

“More importantly, today is really If the murderer is found in public, I don’t have to spend time trying to dispense the medicine, and my wife is saved?”

When he said this, Yue Feng’s face was sincere, but there was a hint of teasing in his eyes.

In fact, Yue Feng’s medical accomplishments made it easy to prepare an antidote for Epilepsy Powder, but in order to expose Wu Ming on the spot, he deliberately said this.

Chapter 5092

Hu...

Hearing these words, everyone looked at each other and fell silent for a while.

This Pill Pavilion Pavilion Master seems to have some truth in what he said.

At this moment, Deng Shiqi also took a deep breath and nodded in approval: “Brother Yue Feng is right, let’s do it like this. Elders, they are loyal to me and the entire Beihai stars, I believe they will not harm me. Mrs., the body search is just a passing scene, and I believe everyone will not object.”

Said, Deng Shiqi waved at a maid next to him, and ordered: “You... go and search the bodies of the elders.” The

maid After answering, he was ready to start the search.

Oops!

Seeing this situation, Wu Ming was completely anxious, and couldn’t help shouting: “Sect Master, no, how can we Beihai Xingsu be played around by an outsider?”

“If you listened to him today, everyone will be Searched the body, and the matter spread, didn’t we Beihai Xingsu become a laughing stock in the arena?”

Ma De, he has a ghost scattered on his body, if this is found, he will be completely finished, and he must stop it. .

Seeing him yelling, Deng Shiqi frowned.

The other elders were also a little puzzled.

Why does Elder Wu strongly oppose body searches?

“Haha!”

At this moment, Yue Feng chuckled and looked at Wu Ming meaningfully: “This elder, what do you mean, if you were searched today, you will lose your face, and if the matter spreads, the people in the rivers and lakes will also Are you laughing at you?”

“Nonsense!” Wu Ming rolled his eyes and said angrily, “I’ll go to Chunyang Palace to search your body, would you like it?” in the circle.

Hmm....

Hearing this, Yue Feng pretended to agree and nodded: “If someone runs to Chunyang Palace and searches my body, of course I don’t want it, what a shame.

” But held back laughter.

Wu Ming nodded his head: “Isn’t that right? You don’t want to, but you want to search our bodies. Is it suitable?” Yue Feng

shook his head: “Not suitable.”

, said word by word: “According to the elder’s intention, your face is more important than the life of the lady, the lady can be poisoned and die, and you elders must not lose the face. Right?

” Falling down, the expressions of several elders around are extremely ugly.

At the same time, Deng Shiqi stared at Wu Ming closely, hiding his anger.

“I...”

At this moment, Wu Ming’s face flushed, and he was speechless for a while. At the same time, he also realized that Yue Feng was just digging a hole to make himself jump after talking for a long time.

Thinking to himself, Wu Ming hurriedly explained to Deng Shiqi: “Sect Master, I... I didn’t mean that, what I meant was that our North Sea stars are too shameful.”

Before Deng Shiqi could respond, Yue Feng interrupted with a sneer: "This elder, he said that he doesn't want to be searched. Could it be that you are the murderer? You have the antidote for the madness scattered on your body?"

Shuh!

The moment the voice fell, the eyes of the audience all converged on Wu Ming.

Today's Elder Wu Ming, no matter how you look at it, something is wrong.

Could it be.. he is the murderer?

In the face of everyone's gaze, Wu Ming's face was instantly pale, and his eyes were fixed on Yue Feng. He was shocked, angry, and in endless panic.

Mad, how did he know I was the murderer?

Thinking to himself, Wu Ming blushed and defended: "Go to Nima, what nonsense are you talking about? How could I be the murderer?"

Yue Feng chuckled: "If you weren't the murderer, why did you always object to the body search? Son, the other elders didn't say anything, only you have been speaking out against it."

"If you don't have a ghost in your heart, why are you so nervous?"

After a few words, Wu Ming was speechless, the beads of sweat on his forehead, no Stopped and stayed, the whole person was completely messed up.

Oops, I can't hide it, what should I do?

In the panic, Wu Ming's eyes flashed a bit of ferocity, and he scolded: "Fuck you, I'm upright, how can you have a ghost? It's you kid who targets me everywhere, I think you're courting death.

" !

The moment the words fell, Wu Ming's inner strength suddenly exploded, and he slapped Yue Feng with a fierce palm.

Chapter 5093

At this time, Wu Ming was completely confused, so he planned to kill Yue Feng with one palm, and was taking the opportunity to escape.

In his eyes, Yue Feng has no strength at all, and has no chance to resist.

Huh...

Seeing this scene, everyone was shocked.

“Wu Ming, don’t be unreasonable.” Deng Shiqi shouted loudly.

Jiang Hongyu and Xiaorou were also so frightened that Hua Rong turned pale, and couldn’t help exclaiming.

“Pavilion master be careful!”

“Pavilion master...”

At the same time, Deng Shiqi and Jiang Hongyu wanted to rush over to stop them, but they were too far away, and Wu Ming shot too fast, it was too late.

Haha...

Seeing Wu Ming’s palm call, Yue Feng chuckled lightly and stood there motionless, without any intention of dodging.

These days, the power of the Heavenly Marrow Golden Core has been fused by Yue Feng by 70%, and it is a piece of cake to deal with a Wu Ming.

However, seeing that he didn’t move, Jiang Hongyu and Xiaorou were too anxious.

“Pavilion Master, hurry up and avoid

it.” ” Hide away...”

Jiang Hongyu and Xiaorou were both in a hurry at this time, Yue Feng stood there motionless, wasn’t he beaten alive? They didn’t know that Yue Feng’s strength was far beyond Wu Ming’s imagination.

Seeing that this palm was about to hit his body, Yue Feng’s mouth twitched, and he stepped back half a step. At the same time, he used his divine power to form a protective layer on his shoulders, directly meeting Wu Ming’s palm.

boom!

All of this was in the flash of light, and everyone around could only see a golden light flickering on Yue Feng’s shoulders, and then Wu Ming’s palm hit him, only to hear a dull sound.

In an instant, Jiang Hongyu and Xiaorou both closed their eyes subconsciously, and they couldn’t bear to see the bloody scene in front of them.

However, they didn't hear Yue Feng's miserable howl, on the contrary, Wu Ming screamed.

what's the situation?

Hearing the movement, Jiang Hongyu and Xiaorou quickly opened their eyes, and when they saw the scene in front of them, their delicate bodies trembled, and they were immediately stunned.

I saw Yue Feng standing there with a half-smile, his shoulders intact and without any injuries, while Wu Ming fell to the ground, his right hand was cracked and blood was dripping.

This...

For a time, Jiang Hongyu was completely dumbfounded, staring blankly at Yue Feng speechless, her heart was also extremely shocked.

what happened? Doesn't he have no power at all? How did Wu Ming get hurt?

Xiaorou was also indescribably excited. She stared at Yue Feng closely. In addition to being shocked, her eyes were filled with endless admiration and admiration. The pavilion master is really hidden. Not only is he powerful in alchemy, he is also a hidden master in cultivation.

quiet!

For a time, the entire dormitory was deadly silent, and a needle could be heard clearly.

Whether it was Deng Shiqi, or the other elders around, they were all dumbfounded.

What just happened?

Shouldn't it be the Pill Pavilion Master who fell? Why Wu Ming was shocked? You must know that Wu Ming, as the third elder, ranks among the top five in strength in the entire Beihai constellation. At this time, it is incredible to deal with a person who has no strength at all.

Also, what was the golden light flashing on the body of the Pill Pavilion Master just now?

In the shock, no one took care of Wu Ming, let alone his life or death. After all, he took the lead in hitting Yue Feng, and now he was re-injured by others, and he deserved it.

"You..."

At this time, Wu Ming gasped and looked at Yue Feng in shock and anger. He was also completely shocked.

Mad, what's the name of this kid? He obviously has no strength at all, but the palm just now seemed to be slapped on a diamond...

"Oh!"

Facing Wu Ming's resentful gaze, Yue Feng showed a smile and rubbed his shoulders and called out in a hypocritical manner. : "This elder, it seems that you really have a ghost in your heart. I just reasoned with you, but you beat people."

"Fortunately, I passed on the soft armor that the palace master gave me, otherwise, I would pay You really killed me."

While speaking, Yue Feng pretended to be in pain and rubbed his shoulders.

Chapter 5094

In fact, he didn't have any soft armor at all, just to avoid the suspicion of the people around him, he made it up at will, pretending that he was wearing a self-defense soft armor, so he could block Wu Ming's palm.

Huh....

Hearing this, everyone present was secretly relieved.

I thought he was hiding, and after a long time, he was wearing soft armor for self-defense. No wonder Wu Ming's palm just missed.

But knowing this, Xiao Rou's admiration for Yue Feng did not diminish in the slightest. On the contrary, she admired it even more. The pavilion master was so smart that she actually wore soft armor for self-defense.

Self defense soft armor?

In the audience, only Jiang Hongyu frowned, right? It wasn't long before Yue Feng came to Chunyang Palace. Even if his master favored him, he had never heard of any soft armor for self-defense?

"Huh?"

Just when Jiang Hongyu was wondering, Yue Feng suddenly discovered something and pointed to a small leather bag on the ground beside Wu Ming: "What is this?"

I saw that this leather bag is very exquisite in workmanship, half a slap in the face. The size is the shape of a fish tail, and the mouth is tightly tied by silk threads.

Swish!

At this moment, Wu Ming was extremely angry, and when he saw this small leather bag, his expression changed.

That's right, what's in this small bag is the world's strange poison.

Whoa!

At the same time, the eyes of everyone around him also looked over.

"What is this?"

"I've never seen Elder Wu take it out before..."

Hearing everyone's doubts, Wu Ming didn't have time to think about it before picking up the leather bag.

However, at this moment, Deng Shiqi's face was dignified, his body flashed, he directly grabbed in front of Wu Ming, picked up the leather bag, opened it, and found a green powder inside.

Deng Shiqi didn't hesitate, fell directly on the table, and said to Yue Feng: "Brother Yue Feng, take a look at what these powders are?" In his subconscious, Yue Feng knows medical skills, and he must be able to see what is inside. Element.

It's just that he didn't know that although the herbs in the Kyushu Continent and here are the same, but the names are different, even if Yue Feng knew, he couldn't tell.

Whoa!

Without waiting for Yue Feng's response, several elders quickly gathered around, took a closer look, and suddenly exclaimed.

"The color is green... Could it be... this is the rumored strange poison epilepsy powder?"

"It should be, I have heard people say that the epilepsy powder is green and powdery... Just inhale a little, it will be Losing your senses..."

"So... Elder Wu is the murderer?" While speaking

, the eyes of everyone in the dormitory were focused on Wu Ming, with shock and anger on their faces.

This man is really a beast.

“Wu Ming, it turns out to be you!”

Finally, the first elder couldn't help but pointed at Wu Ming and shouted loudly: “You bastard, the sect master treats you well, but you actually poisoned the sect master's wife.”

Saying this When he spoke, the elder was trembling with anger.

As the Great Elder, it was a dereliction of duty to have not found out for three years. What's even more irritating is that just now, Wu Ming was almost led by the nose, thinking that Yue Feng was talking nonsense, but he was the culprit.

For a time, the other elders were also filled with righteous indignation.

“Wu Ming, I didn't expect you to be virtuous, but you're a bastard in human skin.”

“No wonder you didn't allow yourself to be searched. It turned out to be the wife of the suzerain you killed.”

“What qualifications do you have to be an elder? 10,000 times is not a pity...”

While everyone scolded Wu Ming, they looked at Yue Feng's eyes, which were also very unnatural. I always thought that this Pill Pavilion Pavilion master was not very capable, but he did not expect that he would find it. The real murderer.

“Wu Ming!” At this moment

, Deng Shiqi drew out his long sword, pointed at Wu Ming from a distance, and looked extremely ferocious: “The evidence is conclusive, what else do you have to say?”

At this time, Deng Shiqi was about to explode with anger. He has always been good to Wu Ming, but he never thought that this bastard would harm his wife.

Wu Ming was sweating profusely, and stammeringly explained: “Sect Master, listen to me, I'm not...” Chi

...

However, Deng Shiqi was furious, so he was willing to listen to his sophistry. When he came over, the long sword in his hand let out a low cry, stabbing directly at Wu Ming's heart.

The sword was swift and fierce, and the air was torn apart wherever it passed.

The ultimate husband in Chinese chapter 5096-5100

Chapter 5095 It's

over!

Seeing Deng Shiqi's sword stab, Wu Ming was so frightened that he got up in a hurry and dodged to the side.

Sigh...

Although Wu Ming reacted quickly and avoided the key point, but the sword did not completely escape, he heard the sound of a torn shirt, a big hole was drawn on his shoulder, and blood rushed out. come out.

For a time, Wu Ming's face turned pale, and his heart was completely confused.

The matter has been exposed, what can I do!

Seeing that he still dared to hide, everyone around him was angry.

"You bastard, you still don't lead to death?"

"Dare to hide?"

"Sect Master, this scum, quickly kill him."

The anger of the crowd kept coming, Deng Shiqi's eyes were blood red, he and Zheng Wanwan were empathetic and affectionate. Deep righteousness was heavy, and when she learned that Wu Ming had killed her like this, she only felt a surge of anger.

"You almost killed Wanwan, if I don't take your life today, heaven and earth will not tolerate it!" After the

voice fell, Deng Shiqi held the long sword tightly, exerted his inner strength, and rushed up again.

At this time, Deng Shiqi was full of anger, and he just wanted to smash Wu Ming's corpse into ten thousand pieces before he could take over the hatred in his heart.

Wow...

At the same time, several elders also pulled out their ice blades and rushed towards Wu Ming.

call!

Seeing Deng Shiqi rushing again, Wu Ming only felt that his legs were weak, and he could hardly stand still, but under the stimulation of his desire to survive, he didn't know where the strength came from at that time, his face turned hideous, and he shouted: "Okay, very good, you all want to kill me, right..."

"I, Wu Ming, have been loyal to Beihai Xingsu over the years, and have made a lot of contributions. Now, because of my fault, you will kill me. "

Want to take my life? Let's see if you have the ability." When the

last word fell, Wu Mingxie laughed and quickly took out a small leather bag from his body. When it was sprinkled, it was a bag of green powder, and after it was sprinkled, it quickly formed a green smoke in the air.

It is epilepsy scattered strange poison.

Wu Ming had more than one pack of Epilepsy Powder on his body. At this critical moment, he decided to use Epilepsy Powder to save his life.

Whoa!

Seeing that piece of green powder, both Deng Shiqi and the surrounding elders' expressions changed, and they were extremely angry at the same time.

"Be careful, this is the madness."

"This bastard is still there."

"Let's spread it out, don't inhale it..."

Everyone panicked and forced to retreat, but even so, still inhaled some epilepsy.

Deng Shiqi was shocked and angry, but at this time he also kept a little calm, and shouted: "Inhale the epilepsy, hurry up, sit cross-legged on the ground, use your inner strength to seal your own Qihai hole."

As long as the Qihai hole is sealed, The poison of Epilepsy Powder will not spread to the meridians of the whole body.

Whoa!

The voice fell, and everyone around hurriedly sat cross-legged on the ground, Deng Shiqi was no exception.

For a time, in the entire dormitory, only Yue Feng was still standing there. He is the body of the Profound Sage, and is invulnerable to all poisons. Even if he inhales the Spiritual Soul Powder, there is nothing wrong with him.

Haha...

Seeing Deng Shiqi and everyone sitting on the ground to seal their caves, Wu Ming laughed and took this opportunity to rush out of the dormitory.

Seeing this scene, Deng Shiqi was furious.

“Beihai Xingsu, all the disciples obey the order... Execute Wu Ming immediately, there must be no mistake.” In the

next second, a cold voice came from Deng Shiqi’s mouth.

“Kill!”

Upon hearing the order, the dozens of elite disciples who were guarding outside immediately let out a howl, pulled out their long swords, and surrounded Wu Ming directly.

hum.

As the third elder, Wu Ming was tyrannical, so he naturally ignored these elite disciples.

Immediately afterwards, Wu Ming raised his hand and waved, holding a long black knife tightly in his hand.

“Go away for Lao Tzu, whoever dares to block me, whoever will die...” Wu Ming howled loudly, rushing directly into the crowd like a tiger going down the mountain.

“Ah...”

For a time, Wu Ming was like a tiger entering a flock, waving the long black sword in his hand constantly. The dozens of elite disciples who surrounded them couldn’t stop it. They screamed and fell into a pool of blood. among.

Chapter 5096

Ma De, Wu Ming this scum.

Seeing the disciples fall to the ground, Deng Shiqi and the other elders in the dormitory were furious.

Haha...

Wu Ming's face was grim and he laughed loudly: "From today onwards, I, Wu Ming and Beihai Xingsu, have nothing to do with each other. Everyone, we will have a period in the future." After the

voice fell, Wu Ming used his body technique to push the speed to the extreme. He rushed into the distance, and disappeared in the sight of everyone in the blink of an eye.

"Don't run!"

"Stop...it's abominable..."

Seeing Wu Ming fleeing, whether it was Deng Shiqi or other elders, they all shouted angrily, and wanted to get up and chase, but they all absorbed the madness Soul San, was expelled at this time, so he didn't dare to act rashly.

Jiang Hongyu and Xiaorou also sat at the door with Panxi, sealing their own acupuncture points to prevent the spread of the poisonous poison.

In this case, everyone could only watch Wu Ming leave.

"I'm going to chase."

However, at this moment, Yue Feng quickly walked out of the hall, and after a light sentence, he chased in the direction Wu Ming fled.

This...

Seeing this situation, Deng Shiqi and several elders all had complex expressions on their faces.

He has no strength at all, how can he catch up with Wu Ming?

Jiang Hongyu was even more anxious: "Pavilion Master, don't be impulsive..." Then Wu Ming is despicable and cunning, and his strength is outstanding. Even if Yue Feng catches up, he can't beat Wu Ming. Wu Ming's poisonous hand.

However, halfway through the shouting, Yue Feng's figure was gone.

Done!

Seeing this, Jiang Hongyu stomped her feet in a hurry.

Xiaorou is also worried.

.....

On the other hand, after Yue Feng left the Beihai Constellation General Altar, seeing no one around, he immediately exploded with divine power, driving the speed to the extreme.

Deng Shiqi was watched by so many people just now, and it was inconvenient to reveal his strength. Now that no one sees it, it doesn't matter.

Whoosh!

Half an hour later, Yue Feng tracked him all the way through his keen insight, and soon saw Wu Ming fleeing ahead, and suddenly showed a smile.

This Wu Ming thought that if he attacked Deng Shiqi and the others with the mad soul powder, he would be able to retreat completely? How naive.

Um?

At this time, in the woods in front, Wu Ming slowed down and was about to take a break. Yu Guang was stunned when he saw Yue Feng coming up behind him.

How did this kid catch up?

I am dissatisfied with my speed, how did he catch up with me?

In doubt, Wu Ming turned around and stood still, and looked at Yue Feng coldly: "Good boy, you are here to die." As he spoke, he observed Yue Feng's back, and when he saw that there were no other companions, he felt relieved. His tone and expression were also extremely cold and arrogant.

In Wu Ming's heart, Yue Feng, as the Pill Pavilion Master of Chunyang Palace, has a high status, but his cultivation strength is no different from that of ordinary people, and there is no threat at all.

At the same time, Wu Ming's eyes flashed with endless anger.

It's all this kid. If he didn't solve the truth, he wouldn't be the target of public criticism and was forced to escape from the North Sea Constellation.

Ha ha!

Feeling Wu Ming's arrogance, Yue Feng smiled lightly: "Stop talking nonsense, quickly hand over the antidote for insanity, and then capture it at your fingertips. Perhaps, you can survive."

Mad!

Hearing this, Wu Ming was immediately angry. He was too lazy to talk nonsense at the time: "Good boy, you hurt me a lot, but you dare to speak madly at this time? If I don't cut you into eight pieces, I will not be Wu Ming." The

voice fell . , Wu Ming raised his hand and called out a long black sword, and the whole person rose into the air!

hum!

In an instant, a powerful aura erupted from Wu Ming's body. With a long knife in his hand, he drew a shock and slashed straight at Yue Feng. He saw that wherever the figure passed, the air was distorted. The momentum is amazing.

Seeing Wu Ming attacking, Yue Feng smiled lightly and directly burst out his divine power.

Accompanied by a strong aura surging, he saw Yue Feng's body, faintly glowing with golden light, like a god descending to the earth, which is awe-inspiring.

hiss...

what's the matter? Why did this kid suddenly have such a powerful breath?

Feeling the terrifying aura pervading Yue Feng's body, Wu Ming's heart trembled. He only felt that his brain was buzzing, and he was also shocked. He never thought that Yue Feng, who seemed to have no threat just now, was so strong. fear.

"You are so despicable and shameless that you murdered the Sect Master's wife, and you are still obsessed with it. It seems that there is nothing to say." At this time, Yue Feng said coldly, and then suddenly slapped him.

Chapter 5097

Om!

With this palm, Yue Feng directly stimulated his divine power, and he saw a golden light flickering, and then a golden palm shadow burst out towards Wu Ming.

Wu Ming didn't have time to think about it, he quickly activated all his strength, and put the black long knife in front of him in an attempt to block the palm.

Bang!

The next second, the golden palm shadow slapped the black long knife fiercely, Wu Ming let out a scream, and the whole person shed a rain of blood in the air, and flew out at once, flying more than 100 meters away, In the end, it smashed a few big trees and slid down like a puddle of mud.

When he landed, Wu Ming was bloody and died.

Although Wu Ming's strength is tyrannical, he is only relative to the people in the rivers and lakes. Facing a superpower with divine power like Yue Feng, he is like a baby. Facing an adult, he is not at the same level at all.

After killing Wu Ming, Yue Feng didn't have the slightest emotional fluctuations on his face. He walked over slowly, found out the epilepsy powder and antidote from Wu Ming's body, and prepared to go back the same way.

Um?

However, at this time, Yue Feng heard the sound of a fight at the end of the woods. The sound was a little far away, but Yue Feng was still a mysterious saint, and his perception was very keen, and he heard it all at once.

Is it a battle of the rivers and lakes?

Muttering in his heart, Yue Feng walked over slowly, ready to take a look. Anyway, the antidote has been obtained, and Deng Shiqi and the others are not poisoned deeply.

Soon after passing through the woods, Yue Feng frowned.

I saw that there was an open space in front of me. In the open space, a slender figure was fighting fiercely with several big men. The woman was in her twenties, wearing a long purple dress, very sexy, but her body was filled with a cold breath.

call...

Seeing this scene, Yue Feng couldn't help scratching his head. Unexpectedly, after chasing Wu Ming, he met another beauty, but this beauty seemed to be very hostile.

Yue Feng could clearly see that there was a faint red tattoo on the back of the beauty's neck, giving a different feeling. Not only that, this beauty is very powerful, and she is able to handle the siege of several people with ease.

And the people who fought fiercely with the purple-clothed beauty, wearing uniform dark gray clothes, were obviously people from a certain sect.

Chi Chi...

At this moment, the beauty in purple seemed to be a little impatient. The long sword in her hand shook, and a few balls of sword flowers burst out. Before the big men could react, their throats were instantly cut off and they fell to the ground.

Seeing this scene, Yue Feng couldn't help but narrow his eyes slightly.

One move to kill, this woman is really ruthless.

"Speak!"

Just as Yue Feng was muttering secretly, the beauty in purple looked at the last big man alive in front of her, and her tone was extremely cold: "Where is your stronghold?"
The

voice was crisp and cold, no doubt.

The big man was full of cold sweat, but he was also stubborn: "Don't ask me to tell you, I won't tell you." After speaking, he rushed towards the purple-clothed beauty with a fearless face.

"Looking for death!" The

purple-clothed beauty flashed cold light in her eyes, her red lips coldly spit out two words, dodged to avoid, and at the same time, the long sword in her hand stabbed directly at the big man's heart.

Holy crap...

Seeing this situation, Yue Feng's heart moved, and he was ready to stop it. Speaking of which, he didn't know the beauty in purple clothes and these big men, but seeing her so cruel, and the big man was about to die, he was a little disgusted. down.

"stop!"

However, before Yue Feng appeared, he heard a loud shout. Then, he saw more than a dozen big men rushing fast from a distance. The one with a flat head, who should be the leader, was full of anger and eyes. He locked onto the purple-clothed beauty and shouted loudly, "Well, you witch, you actually killed so many of my brothers. If you don't cut your body into tens of thousands of pieces today, I swear that you will not be a human being."

"Brothers, let's go together!"

"Kill!" The

last sentence The words fell, and the companions behind the big flat-headed man let out a loud shout and rushed towards the purple-clothed beauty.

witch?

Hearing this, Yue Feng frowned and looked at the beauty in purple. Could it be... Is this woman a member of some evil organization?

“Beyond one’s own strength!”

Looking at the crowd rushing up, the beautiful face of the purple-clothed beauty showed a bit of disdain, her toes were a little on the ground, and her figure rose lightly to meet her directly and fight fiercely with the other party.

Chapter 5098 I

have to say that the beauty of purple clothes is very strong, even in the face of the siege of the flat-headed man, there is no pressure at all.

Bang bang bang...

After a few rounds, half of the flat-headed man’s companions were knocked to the ground, each with a painful expression and lost their combat effectiveness.

Swish!

It was at this moment that the eyes of the beautiful woman in purple were locked on the big flat-headed man, and she said coldly, “It’s just a bunch of rabble, they dare to shout in front of me, and die.” The

voice fell, and the long sword in her hand stabbed directly at the big flat-headed man. .

Feeling the sharpness of this sword, the big flat-headed man did not dare to neglect, he held a big sword tightly, and used all his internal strength to resist, but even so, he was beaten and retreated.

call!

Seeing this scene, Yue Feng knew that it was impossible not to make a move. This beauty in purple clothes was too cruel. If he didn’t make a move, he was afraid that the big flat-headed man and his companions would all die at the hands of this beautiful woman.

After making up his mind, Yue Feng did not shoot directly, but turned his eyes, pretended to be panicked, and shouted: “Oh, there are poisonous snakes.”

While shouting, he rushed towards the battlefield. past.

Um?

Suddenly I heard someone shouting, whether it was a purple-clothed beauty or a big guy with a flat head, they were all stunned.

At this moment, Yue Feng had already rushed in front of him, his face full of horror: "Everyone, don't fight, there are poisonous snakes in the woods, oops, they almost bit me..."

As he said that, he grabbed Ziyi. The beauty's waist, hiding behind her, looked at the woods nervously, with a look of panic.

In fact, there were no snakes in the woods, it was just Yue Feng pretending to be there.

At this moment, while holding the slender waist of the purple-clothed beauty, Yue Feng's hand calmly touched the numb hole on his right arm.

call!

At the same time, Yue Feng couldn't help taking a deep breath when he smelled the fragrance of the purple-clothed beauty, and the whole person was almost intoxicated. This beauty is not only the best body, but also smells so good.

"You..."

Suddenly Yue Feng hugged her waist, the beautiful face of the purple-clothed beauty instantly flushed red, and her eyes flashed with a strong killing intent: "Take away your dirty hands and get away..."

At the same time as the scolding, the beauty in purple wanted to kill Yue Feng with her sword, but she held back when she felt that he had no strength at all.

At the same time, the flat-headed man and his companions also frowned secretly, looking at Yue Feng in confusion.

Who is this kid who suddenly appeared?

While puzzled, many people subconsciously looked at the direction of the woods.

Are there any venomous snakes in it?

"It's really a poisonous snake." Seeing the killing intent flashing in the eyes of the purple-clothed beauty, Yue Feng was not at all panicked, but a look of panic appeared

on his face: "This beauty, I didn't mean to disturb it, just... There are really poisonous snakes in the woods."

When he said this, Yue Feng's hand was still tightly around the waist of the purple-robed beauty.

"Shut up." The

purple-clothed beauty was so angry that she scolded coldly, "What kind of poisonous snake is not a poisonous snake... Hurry up and let go, or you'll cut off your head."

In her heart, Yue Feng was just an ordinary person passing by. He must have encountered a snake in the woods, so he was frightened. Although she was ruthless, she only aimed at everyone in the rivers and lakes, so even if she was hugged by Yue Feng, she still held back her identity.

Whoa!

At this time, the flat-headed man and his accomplices also recovered, and shouted at Yue Feng one by one.

"Hey, get out of the way, don't get in the way."

"The sword has no shadow, it won't be good if it hurts you, hurry up .

"

She has been staring at the purple-clothed beauty, and she has not paid attention to Yue Feng at all.

Like the beauty in purple, they also believed that Yue Feng lived in the nearby mountain people.

"Oh...oh!"

Hearing their words, Yue Feng nodded in a panic, let go, and stepped aside.

"Suffer to death."

The moment she released her hand, the purple-clothed beauty snorted coldly, clenched her long sword tightly, and attacked the big flat-headed man directly.

Um? what happened?

Just before taking a step, the purple-clothed beauty suddenly trembled, and her eyebrows knitted together.

Chapter 5099

Why is the whole right arm soft?

At this time, the beauty in purple was surprised to find that her right hand was unable to exert any strength, and her entire right arm was unbearably sore and numb.

Dang!

Immediately afterwards, the purple-clothed beauty was unsteady, and the long sword fell to the ground.

Seeing this scene, the big flat-headed man and his accomplices were overjoyed, and they didn't have time to think about it, they rushed up and subdued the purple-clothed beauty.

“Haha...”

After tying up the purple-clothed beauty with five flowers, the flat-headed man was full of smugness and excitement: “The dignified red-clothed saint, even though she is extremely powerful, did not fall into the hands of me, Hao Dashuang, in the end? Haha...”

When he said this, Hao Dashuang couldn't help looking up and down at the beauty in purple.

In his opinion, it was the purple-clothed beauty who fought continuously, which caused her internal strength to be exhausted, so she was unable to hold the long sword just now. They didn't even realize that it was Yue Feng who helped them secretly.

The purple-clothed beauty is called Leng Yue, a saint of the red-clothed religion, second only to the sect leader. It can be said that one person is more than ten thousand people, and her strength is powerful. She is known as a 'ruthless fairy' in the rivers and lakes.

What the hell!

Hearing Hao Dashuang's words, Yue Feng was stunned and looked at Leng Yue in surprise.

Is she from the Cult of Red? And a saint?

Speaking of the Red Clothes Sect, Yue Feng couldn't help but think of the person named Wang Meng he encountered in the mysterious realm of heaven before.

At that time, Wang Meng, relying on his power, forced Yue Feng to cooperate. As a result, Yue Feng used the surrounding traps to exhaust Wang Meng's men a little bit. In the end, Wang Meng also died on the altar...

It can be said that after that incident, Yue Feng had always had a bad impression of the Red Clothes Sect. At this time, he was relieved to learn that this purple-clothed beauty was also from the Red Clothes Sect.

Since this woman is taught by the Red Clothes, she is definitely not a good person. It seems that it was the right decision to help these big guys deal with her just now.

However, the words below Leng Yue made Yue Feng stunned again.

"You gang of shameless people."

At this time, Leng Yue was tied up with five flowers, and her delicate face was full of resentment, and she shouted at Hao Dashuang Lengjiao: "My Red Clothes Sect and you Four Seas Alliance, the well water never violates the river water, but Today, you looted our Red Clothes Sect's materials and killed dozens of our subordinates, if it wasn't for the accident just now, I would have killed all of you scumbags."

When she said this, Leng Yue's eyes were full of anger.

Yes, the reason why Leng Yue was killing Hao Dashuang and the others just now was because today another batch of supplies from the Red Clothes Sect was to be delivered to the main altar from outside. , All the Red Clothes Sect disciples accompanying him were killed.

At that time, Leng Yue was doing errands nearby, and when she learned of the situation, she rushed over immediately. As soon as she started working with Hao Dashuang's people, she was met by Yue Feng.

Uh...

at this moment, upon learning the general situation, Yue Feng immediately became ashamed.

It's over, it's embarrassing now, I thought that I helped catch a scourge of a Jianghu girl, but I didn't expect that it was these big men who provoked the dispute, and what Yue Feng didn't expect was that Hao Dashuang and the others were from the Four Seas Alliance. people.

The general leader of the Four Seas Alliance, Gu Sanniang, is an acquaintance of Yue Feng.

Haha...

Just when Yue Feng was ashamed, Hao Dashuang laughed loudly: “What about the things you taught in red clothes, what if I led someone to rob it? It’s your honor to be seen by my Four Seas Alliance, haha... .”

As the head of the branch of the Four Seas Alliance, Hao Dashuang has a arrogant temperament and is reckless. Moreover, in the batch of supplies escorted by the Red Clothes Sect, there are many gold and silver treasures. Most of the people in the Four Seas Alliance are Jiangyang thieves. Treasures, how can you not be moved?

And now, Leng Yue has been subdued, Hao Da Shuang naturally has no worries.

“Despicable...”

Leng Yue was so angry that her face was full of frost: “You’d better let me go, otherwise, I guarantee that each of you will die without a place to be buried.”

Despite being arrested, But the momentum is still not lost.

Hao Dashuang smiled and was not intimidated at all: “I finally caught you, such a beauty, how could I let you go? Brothers, take this saint back to the village.”

Chapter 5100

“It’s the hall master!”

Hearing the order, the surrounding Sihai Alliance members responded one after another, and then held Leng Yue to return to the sub-altar with Hao Dashuang.

However, at this moment, Yue Feng walked out with a smile, cupped his hands and said, “Wait a minute, everyone.”

While speaking, Yue Feng glanced at Leng Yue intentionally or unintentionally, with a bit of shame in his eyes. I thought that this woman was killing innocent people indiscriminately, but she never thought that it was Hao Dashuang and the others who took the initiative to stir up trouble.

Speaking of which, Yue Feng didn’t have a favorable impression of the Red Clothes Sect, but he didn’t have any grudges. Moreover, Leng Yue was arrested because of him, so Yue Feng planned to help her and make up for the mistake just now.

Swish!

As soon as the voice fell, whether it was Hao Dashuang and others, even Leng Yue’s eyes focused on Yue Feng.

The mountaineer hasn’t left yet?

Soon, Hao Dashuang reacted angrily and said angrily, "Boy, what are you doing?" The hall he manages is far from the main altar, unless there is a major event, so it is rare to see the general leader Gu San within a year. Mother, some time ago, Gu Sanniang released the news that Yue Feng should be treated politely at the entrance of each hall. Hao Dashuang also received this order, but he had never seen Yue Feng before.

Therefore, Hao Dashuang at this time had no idea that the person in front of him was Gu Sanniang's VIP.

Hehe...

Facing Hao Dashuang's indifference, Yue Feng smiled slightly, took a step closer and said, "That...I just heard that you are from the Four Seas Alliance?" They are all from the Four Seas Alliance, so it's easy to handle.

"Not bad!"

Hao Dashuang looked at Yue Feng up and down, with a arrogant expression on his face: "I can't see that you are an ordinary person, but you actually know about our Four Seas Alliance? Now that you know, hurry up and stay away, so as not to cause trouble."

As he said that, he couldn't help but glance at Leng Yue, unable to hide his urgency.

At this time, Hao Dashuang was almost hooked by Leng Yue's appearance. He just wanted to return to the hall as soon as possible to feel the tenderness of the beauty, and naturally he would not have a good face towards Yue Feng.

Yue Feng said with a smile: "Speaking of which, I am also a friend of your Sihai Alliance. I have walked a lot just now, and I am thirsty. Can you let me go back to the hall with me and ask for a cup of tea by the way?"

"At the time, Yue Feng looked polite.

To be honest, if he was weak, Yue Feng could easily knock down Hao Dashuang and the others, and then rescue Leng Yue. However, Gu Sanniang was a pretty good woman, and it was not appropriate to beat her subordinates.

More importantly, Yue Feng has not completely recovered his strength, so he really doesn't want to expose it.

What?

Hearing Yue Feng's words, both Hao Dashuang and everyone behind him were stunned, and then they couldn't help but laugh.

"Is there something wrong with this kid's brain?"

“Haha, what are you? We can also enter if you want to enter the hall?”

“It’s interesting, haha…”

Hao Dashuang was also full of contempt when everyone laughed. Yue Feng waved his hand impatiently: “Ma De, is your skin itchy, you are deliberately making fun of Lao Tzu, right? Believe it or not, Lao Tzu slashed you with a knife.” The

words were full of arrogance and contempt.

Huh…

Seeing his attitude, Yue Feng frowned, but still smiled: “You are a hall master, right? I have no ill intentions, and I believe you don’t have the guts to touch me.” The

last one When the words fell, Yue Feng stood there, seemingly unremarkable, but his body was filled with an aura that should not be underestimated.

Oops?

Hearing this, Hao Dashuang became angry and looked at Yue Feng with a sneer: “How interesting, I still dare not touch you? Who do you think you are?”

After speaking, Hao Dashuang waved his hand: “Take this The kid chopped it up for me and threw it into the woods to feed the wild dogs!” Ma De, who is also the head of the dignified Four Seas Alliance, was threatened by an ordinary person with no strength at this time. If you don’t show some color, Where will the back be placed?

Whoa!

At the moment when the voice fell, the two big men behind him directly pulled out their long knives and walked towards Yue Feng with a cold expression.

Yue Feng stood there, not panic at all, but took out something from his body and shouted at Hao Dashuang, “Do you know this thing?”

The ultimate husband in Chinese chapter 5101-5110

Chapter 5101

is the token that Gu Sanniang gave to Yue Feng before, which symbolizes the supreme power in the Four Seas Alliance.

The reason why Yue Feng is so confident is because he has this token in his hand. After all, Hao Dashuang is only a hall master of the Four Seas Alliance.

Um?

At this time, several of his subordinates had already raised the long knives in their hands, but they were all stunned when they saw the token in Yue Feng's hand.

At the same time, Hao Dashuang was also shocked, and couldn't help shouting: "Go back, you all go back." After saying that, he walked over quickly.

Hearing the order, several of his subordinates stepped aside.

what's the situation?

Leng Yue, who had been watching from the side, frowned and was very puzzled.

Isn't this person just an ordinary mountain person? How could this Hao Dashuang be so excited when he saw what he was holding? Could it be that this person has another identity?

"You..."

At this time, Hao Dashuang had already walked in front of Yue Feng, staring at the token in Yue Feng's hand, with a complicated expression and a very surprised tone: "Where did you get this token from? What?"

When speaking, Hao Dashuang tried his best to restrain his excitement. You must know that this token is too familiar to him. This is the token of the chief leader Gu Sanniang, which symbolizes Gu Sanniang's supremacy in the Four Seas Alliance.

And now, how can he not be surprised when he is in the hands of this kid in front of him?

Haha...

Seeing Hao Dashuang's shocked look, Yue Feng showed a smile, his face was calm, and he responded slowly: "This token was given to me by your chief Gu Sanniang, by the way, my name is Yue Feng."

This chapter is provided by . Visit for daily update.

Yue Feng?

Hearing this, Hao Dashuang was shocked, stared at Yue Feng blankly, and was speechless for a while.

Is he Yue Feng? The VIP Gu Sanniang said?

A few seconds later, Hao Dashuang squeezed out a smile, indescribably polite and complimenting: "Oh, so it's Mr. Yue. It was really flooded with the Dragon King Temple just now, and the family doesn't know each other."

Hao Dashuang said, He hurriedly saluted: "Hao Dashuang, the head of the Beiling branch, has met Mr. Yue."

At this time, Hao Dashuang was polite and a little nervous.

Who does not know in the entire Four Seas Alliance, Yue Feng is Gu Sanniang's VIP, and he almost hurt him just now, if Gu Sanniang knew about this, ten heads would not be enough to chop off.

Now I can only hope that Yue Feng, who is in front of him, can be a lot of adults, so he doesn't care about himself.

What?

Seeing this, the big men around were also stunned.

This person is Gu Sanniang's VIP, Mr. Yue?

At the same time, Leng Yue, who was tied to the side, had a messy mind. This person had no strength at all, yet he had such a high status in the Four Seas Alliance, and looking at it, he seemed to be a friend of Gu Sanniang. Otherwise, Hao Dashuang would not be so polite to him.

At the same time of astonishment, Leng Yue was also extremely ashamed and angry.

I thought that my arm suddenly went numb just now, it was an accident, but now it seems that it was all the ghost of this person. He pretended to be a mountain person, and when he hugged me, he secretly used some means to cause my long sword to fall to the ground. ..Leng

Yue, as a saint of the Red Clothes Sect, is talented and intelligent, and at this moment she realized that she could be caught, and it had nothing to do with this Yue Feng.

When she thought of being hugged by Yue Feng just now, Leng Yue was even more ashamed and angry, her eyes were staring, and she wanted to swallow him alive.

“Senior Hao, don’t be too polite.”

Feeling Hao Dashuang’s uneasy mood, Yue Feng smiled slightly and waved his hand: “It’s not strange for those who don’t know, I just happened to pass by.”

Huh!

Seeing him say this, Hao Dashuang breathed a deep sigh of relief and said with a smile: “If you say that, I really have a relationship with Mr. Yue, haha...Tangkou is not far away, Mr. Yue will go back with us and have a drink. Saliva, rest for a while.”

Yue Feng nodded, and walked towards the entrance of the hall under Hao Dashuang’s warm invitation.

Leng Yue was followed behind by those big men.

Along the way, Yue Feng could hardly laugh or cry when he felt Leng Yue’s hostile gaze behind him. This woman must think that I and the Four Seas Alliance are the same raccoon dog.

But think about it carefully, Leng Yue’s arrest has a lot to do with herself.

Chapter 5102

Forget it, go to the hall where Hao Dashuang is located first, and then plan carefully.

Yue Feng also knew in his heart that it was not impossible to directly order Hao Dashuang to release Leng Yue in his own capacity.

More than ten minutes later, Yue Feng and Hao Dashuang returned to the Tangkou station.

This Tangkou resident, deep in the mountains, is a cottage with a complex surrounding environment, which is easy to defend and difficult to attack.

“Hall Master!”

When they approached the gate of the stockade, several guards who were there quickly greeted them. At the same time, everyone’s eyes were also attracted by the bound Leng Yue.

Beautiful, what a beautiful woman.

Although Leng Yue was tied up with five flowers at this time, and her face was frosty, she couldn't hide her alluring appearance, especially her charming curves, which made all the men in the hall straight.

Speaking of which, the members of the Four Seas Alliance are either robbers from Jiangyang or the villains who have been expelled from the major sects. It can be said that most of them are extremely vicious people. These people do not understand gentlemanly manners at all, especially when they encounter Beautiful women, all eyes are very presumptuous.

call!

Feeling the eyes of everyone, staring at herself unscrupulously, Leng Yue seemed to be greatly humiliated.

The dignified red-clothed saint was caught in the altar hall of the Sihai Alliance, and was stared at by a bunch of stinky men. If this matter spreads to the rivers and lakes, the fame and festival will be ruined, and how will I see people in the future? ?

In shame, Leng Yue's hatred for Yue Feng deepened.

It's all this bastard, not him, and I won't be caught. If there is a chance to escape, I will be the first to kill this bastard.

"Everyone!"

Just when Leng Yue was embarrassed and angry, Hao Dashuang looked around and introduced with a smile: "Today is a big day for us, not only did we capture the saintess of the Red Clothes Sect, but even Sanniang's VIP, Mr. Yue is also here."

After saying that, Hao Dashuang looked at Yue Feng with a look of compliment: "Mr. Yue, it is my Hao Dashuang's honor to have you come to our hall, I will prepare the wine and food later, I hope Yue Sir, can you give me some thin noodles, so that my brothers and I have the opportunity to give you a few cups."

"Tang Master Hao is very polite." Yue Feng responded with a smile.

Hao Dashuang smiled humbly, then looked around, frowned and said, "What are you doing? You still don't show respect to Mr. Yue ?

" Yue Feng smiled and nodded and greeted everyone. Afterwards, Hao Dashuang invited him into the hall of the hall, while Leng Yue was tied to the pillar in the hall. Soon, under Hao Dashuang's arrangement, the people below prepared a sumptuous banquet. , is naturally arranged in the theme. "Haha!" Hao Dashuang was in a good mood at this time, and he took the lead to raise his glass and smiled at Yue Feng: "When Sanniang issued the order before, I admired Mr. Yue, but I didn't expect to be

lucky enough to meet today, come here. , let me toast you.” The voice fell, and other small leaders around also toasted Yue Feng. Yue Feng was not polite, he picked up the wine and drank it in one breath. But while drinking, Yue Feng couldn’t help looking at Leng Yue who was tied to the pillar, and saw that her face was still angry, but her eyes showed a bit of despair. Before I knew it, I had been drinking three times.

At this time, Hao Dashuang offered another glass of wine to Yue Feng, and then glanced at Leng Yue, his eyes flickered, as if he was thinking about something.

In the next second, Hao Dashuang turned to Yue Feng with a face of ingratiating expression: “Mr. Yue, heroes and beauties have been together since ancient times. Today, I am fortunate enough to meet Mr. Hao Dashuang. I have nothing to express, so I will present this saint of the Red Clothing Sect as a gift. Give it to sir.”

Having said that, Hao Dashuang looked at the sky outside and continued: “When the banquet is over, I will send this saintess of the red-clothed religion to the back room and let Mr. Yue enjoy the tenderness of beauty, haha. ..”

When he said this, Hao Dashuang took a deep look at Leng Yue’s charming curve. Speaking of which, who wouldn’t want to enjoy such a charming beauty? But Hao Dashuang knew in his heart that if Yue Feng could be favored by Gu Sanniang, there must be something special about him.

Chapter 5103

It is absolutely worth it to use a saint from the Red Clothes Sect for better development.

Whoa!

The voice fell, and the little leaders present all echoed and agreed.

“The hall master is right. Only Mr. Yue is qualified to enjoy this kind of beauty.”

“Yes, it is her honor to serve Mr. Yue.

” Non-stop on Leng Yue’s body, wandering freely. They are not good, there is no lewd.

But like Hao Dashuang, they also knew in their hearts that there would be many benefits in the future by dedicating the saintess of the Red Clothes to Yue Feng.

“You gang of shameless people...”

Seeing this situation, Leng Yuejue’s beautiful face instantly flushed red, her delicate body was trembling with anger, she couldn’t help shouting, “You better let me go. Otherwise, I will tell you to die without a burial place.” After

speaking, Leng Yue tried to break free, but the acupoints were blocked, and her hands and feet were tightly bound, which was completely useless.

Ha ha...

In the face of her anger, Hao Dashuang did not panic at all, and said with a proud face: "Tsk tsk... You are now a mud bodhisattva crossing the river, and you can't protect yourself. How dare you speak madly at me? I'll let you go. , do you think it's possible?"

"I advise you to think about it, how to serve Mr. Yue later, haha..."

Hearing this, Leng Yue was so anxious that she almost fainted.

"Mr. Yue!"

At this time, Hao Dashuang said to Yue Feng with a flattering face: "It's almost time, sir, rest, I'll send the beauty over later."

After speaking, Hao Dashuang deliberately approached a few minutes and lowered his voice: "Don't panic, sir, this woman has been acupuncture points by me, so she won't do anything to the husband, just enjoy it, hehe..."

At the end of the story , Hao Dashuang's face is full of wretchedness.

Yue Feng smiled, but did not respond.

Swish!

At this moment, Leng Yue's gaze, like a sharp sword, locked on Yue Feng tightly.

This person is despicable and cunning. If he takes away his innocence, he might as well die.

Leng Yue's hostility, Yue Feng pretended not to see it, but took a deep breath and smiled at Hao Dashuang: "I understand the kindness of Hall Master Hao."

Uh...

Hearing this, Hao Dashuang was stunned for a moment. , asked inexplicably: "Don't Mr. Yue like beautiful women?" This Leng Yue, but the saint of the red dress, is known as a ruthless fairy in all corners of the world. Know how many heroes of the arena have been fascinated.

And the Mr. Yue in front of him doesn't seem to be interested in her at all, which is really incomprehensible.

At the same time, the little leaders around also looked at Yue Feng in astonishment.

Yue Feng smiled slightly, glanced at Leng Yue lightly, and said lightly: "Speaking of which, this woman does have a bit of beauty, but in my eyes, it's just average, and she really has no interest."

When speaking, Yue Feng had a proud look on his face.

Yes, Yue Feng did this on purpose. After all, he was Gu Sanniang's VIP. If he behaved too lewd in front of Gu Sanniang's hands, it would be a bit inconsistent with his identity.

More importantly, along the way, Leng Yue had been looking at Yue Feng with hatred, that cold look made Yue Feng very upset, and she deliberately teased her at this time.

What?

Hearing these words, both Hao Dashuang and those little bosses were dumbfounded.

The famous 'ruthless fairy', with such an alluring appearance, was actually described as ordinary by Mr. Yue in front of him?

Swish!

At the same time, Leng Yue was also shocked, staring at Yue Feng, unable to hide her anger.

The dignified red-clothed saint, with a shy and shy flower appearance, is like a fairy coming down to earth, no matter which man sees it, he will be fascinated, but when the man in front of him speaks, it is just ordinary?

Leng Yue is a woman after all, if Yue Feng showed a lecherous side, she would only have disgust in her heart. But he said that his appearance was average, and his self-esteem was like being despised, which was simply unbearable.

"Uh..."

At this time, Hao Dashuang was the first to react, and said to Yue Feng with a face ashamed: "Mr. Yue is well-informed, and naturally he has read countless women, so he is naturally averse to such vulgar fans. I can't see it."

Chapter 5104

"However, in my hall, all of them are big and rude. The only one who can do it is this saint. Please ask Mr. Yue to pay attention to it."

When he said this, Hao Dashuang's eyes were full of complexity.

To be honest, Hao Dashuang was very surprised that Yue Feng refused to enjoy Lengyue. At that time, an idea popped into his mind, that he would enjoy it by himself, but he gave up.

After all, Yue Feng is the guest of honor of the chief leader, and he finally came to his hall.

So Hao Dashuang made up his mind, even if Yue Feng didn't like Lengyue, he couldn't enjoy the tenderness of beauty alone. This is an attitude towards life.

This...

Seeing him say that, Yue Feng scratched his head and looked embarrassed.

The next second, Yue Feng looked around and said with a smile: "The hall master is so kind, it's hard to refuse, but when I dealt with this saint just now, many brothers around me participated, and it seemed that I had the beauty to myself. It's a little inappropriate."

"Why don't we do it like this, let's have a drinking competition later, whoever wins in the end will enjoy the saintess of the red dress. How?

" with the audience.

Whoa!

At this moment, the entire hall was in an uproar, whether it was Hao Dashuang or the little bosses around, they were all astonished and excited at the same time.

"Is this okay?"

"Mr. Yue is really not an ordinary person. This proposal is very good..."

"Haha... If so, wouldn't everyone have a chance?"

Under the discussion, Hao Dashuang couldn't help laughing, and complimented Yue Feng: "Mr. Yue wants to let go of a beautiful woman, so it is really admirable."

You know, this Leng Yue is a stunning beauty, and Yue Feng let it out without hesitation, which is really admirable.

Swish!

But Leng Yue, who was tied there, was in a hurry and almost fainted. At the same time, she stared at Yue Feng fiercely.

If the eyes can kill, I am afraid that Yue Feng has already died thousands of times.

At this time, Leng Yue was burning with anger, as if she had been greatly humiliated.

This bastard, Mr. Yue, can't appreciate my beauty. He even proposed to let everyone win the wine. Whoever wins can enjoy me... I am a saint of the red dress, when did I receive such a thing? humiliation?

Under the anger, Leng Yue fiercely swore in her heart.

If you can escape by chance today, everyone here must be killed, and none of them will be left.

Leng Yue's vicious gaze, Yue Fengzhi pretended not to see it, picked up a wine jar at this time, and looked around: "It seems that everyone is very interested, come, since I proposed this rule, I will leave it to me. Come to check, who will challenge first?" His

voice was not loud, but he was full of pride.

Whoa!

The voice fell, and many people stood up one after another, and they were about to fight with Yue Feng.

"I'll..."

"You can't do it, I'll have to drink with Mr. Yue..."

"I..."

Amidst the shouting of the crowd, Hao Dashuang stood up confidently and said humbly to Yue Feng: "Mr. Yue is so interested, I, Hao Dashuang, will naturally give up my life to accompany the gentleman. Come, this first game, I will drink with Mr. Yue.

"When it fell, Hao Dashuang also picked up a wine jar, opened the seal at the mouth of the jar, touched it with Yue Feng, and then raised his head to drink.

"Tang Master Hao is really good at drinking."

Yue Feng said with a smile, raised his head and gulped down a jar of wine.

In just a few seconds in the blink of an eye, a jar of wine went down, Yue Feng's face did not change, and his eyes were even more radiant. You must know that he is the body of the Profound Sage, not only invulnerable to all poisons, but also immune to alcohol. As long as he secretly operates his divine power, let alone a jar, he will not get drunk even after drinking it for a day.

Huh...

Seeing this scene, the little leaders around looked at Yue Feng, stunned and shocked.

I can't tell, Mr. Yue looks thin, and he drinks so much. A jar of wine can be drunk in the blink of an eye?

Gudonggudong ...

At this moment, Hao Dashuang also drank a jar of wine. However, his face was flushed, and compared with Yue Feng's unchanged face, he was judged.

Chapter 5105

Yue Feng glanced at Hao Dashuang with a smile and nodded secretly.

After drinking a jar of wine in ten seconds, this Hao Dashuang's drinking capacity is not bad, but it's a pity that you met me.

Thinking to himself, Yue Feng showed a smile: "Section Master Hao? Go ahead."

After speaking, Yue Feng opened another jar of wine and poured it directly.

"Continue!"

Hao Dashuang nodded, opened a jar of wine, and drank it with his head up, but this time he only drank half of it, and he couldn't stand up, his body staggered, and he could fall down at any time.

Pfft!

Finally, Hao Dashuang couldn't hold it anymore, he put down the wine jar with admiration on his face: "Mr. Yue, you really drink well, I, Hao Dashuang, are willing to bow down."

Yue Feng smiled slightly, then looked around: "Which other brother, Come up to compare with me?"

"Me!" As

soon as the voice fell, the surrounding small leaders shouted in response.

Yue Feng is no nonsense, whoever comes up to challenge, just pick up the wine jar and drink it. In less than ten minutes, many leaders have been drunk.

"Haha."

At this time, Hao Dashuang sat there and looked at Yue Feng with admiration: "Mr. Yue is really huge. I, Hao Dashuang, really opened my eyes today."

After speaking, Hao Dashuang pointed to the bound Leng Yue on the pillar: "Mr. Yue, it seems that this is God's will, this beauty is still yours, haha..." The

voice fell, and the little leaders around also nodded. At the same time, I am also envious, but there is no way, who made this Mr. Yue so drinkable?

Ugh!

Yue Feng sighed with a wry smile: "The purpose of this fight is to have a good drink with you brothers, but I didn't expect that I would win in the end."

"Since it is God's will, then I But it's disrespectful."

When he said this, Yue Feng's face was still full of meaning.

Hearing this, Hao Dashuang and the little leaders around him were all depressed.

The ultimate goal of our drinking is to enjoy the tenderness of beautiful women. This Mr. Yue is good. He just wants to drink simply. It is really maddening to compare people.

Leng Yue is also embarrassed and angry.

This bastard, is he that bad? Interested in drinking yet?

"What are you doing?" At this time, Hao Dashuang waved his hand with a smile: "Go and bring the beauty to Mr. Yue." After the

voice fell, the two little leaders walked over, untied the rope on Leng Yue's body, and then it was brought in front of Yue Feng.

"Mr. Yue!"

At this time, Hao Dashuang pushed Leng Yue into Yue Feng's arms by taking advantage of the wine, and said with a big laugh, "A spring night is worth a thousand dollars, haha, Mr. Yue enjoy it." It's

so fragrant!

Yue Feng subconsciously wrapped his arms around Leng Yue's slender waist, only to feel a fragrant smell coming from his nostrils, and he was a little confused at the time.

However, upon meeting Leng Yue's hateful gaze, Yue Feng soon woke up and saw that Leng Yue's pretty face was frosty, and she wished to kill him like that.

Haha...

Is this woman going to be mad?

"Haha, Mr. Yue enjoy it." At this moment, Hao Dashuang laughed loudly, and then asked two of his men to take Yue Feng to rest.

Soon, in a resting room at the back, Yue Feng carried Leng Yue, closed the door first, and then put her on the bed. The room was not far from the hall, and the constant noise of Hao Dashuang and others could be heard.

"You..."

At this time, Leng Yue was lying there, unable to move because of the acupuncture points, her eyes glaring at Yue Feng: "You despicable and shameless thing, if you dare to touch me, I want you to break it. The corpse is ten thousand pieces." A

sentence, almost as if squeezed out of the teeth, revealed deep resentment.

What the hell!

Hearing this, Yue Feng was very speechless, and said with a smile at the time: "Okay, don't call me, I have a lot of women, and I'm really not interested in you."

He really wasn't bragging. How many confidantes, Xiao Yuruo, Su Qingyan, Qin Rongyin...Which one is not the allure of the country?

Hearing this, Leng Yue trembled all over, so angry that she was speechless.

"Okay!"

At this time, Yue Feng was too lazy to talk nonsense, and said slowly: "We have no grievances and no grudges, I am responsible for your arrest, and when I untie your rope, you can go quickly, Hao Dashuang, they all drink After drinking a lot of alcohol, in a short time, I won't find you running away."

The ultimate husband in Chinese chapter 5106-5110

Chapter 5106

Hearing this, Leng Yuexiu frowned, and then she couldn't hide her contempt: "Don't be hypocritical in front of me, I don't need your help, get out, don't let me see you.

" In his eyes, scum like Yue Feng and Hao Dashuang are like raccoon dogs.

Uh...

Feeling Leng Yue's cold and arrogant refusal from thousands of miles away, Yue Feng couldn't help laughing.

This woman is too cold, why doesn't she know good people?

...

At this moment, in the hall outside.

Hao Dashuang was still fighting with his subordinates, and he saw that many people were already very drunk, and even a few had drunk under the table.

Hao Dashuang also drank a lot, and his face was extremely red, but he was happy today, so he had to stay drunk.

Whoosh!

However, at this moment, a figure flew from a distance and landed steadily outside the entrance of the hall.

A dashing young man.

I saw him holding a folding fan, wearing a white long gown, with a face like a crown of jade, extraordinary temperament, a proper young and talented, but there was a cold and arrogant air between his eyebrows.

It was the eldest disciple of Nianhua Palace, Xu Wenliang.

Speaking of which, Nianhua Palace and the Sihai League had some festivals. Today Xu Wenliang passed by this area and learned that Hao Dashuang of the Sihai League had robbed the materials of the Red Clothes Religion. Moreover, there were gold and silver treasures in this batch of materials. Came here to see.

This chapter is provided by . Visit for daily update.

"Huh? Someone's here!"

"Who? Dare to break into the entrance of my Four Seas Alliance?"

"This kid looks a little familiar...it seems to be from the Nianhua Palace..."

At this time, Xu Wenliang just landed, and the guards guarding the door of the hall immediately locked on Xu Wenliang, one by one Angrily yelled.

In the face of everyone's anger, Xu Wenliang chuckled, his eyes full of disdain, and said coldly: "Stop talking nonsense, I am Xu Wenliang of Nianhua Palace, I heard that you

have robbed a batch of materials today, if you are wise, you will all be Hand it over, or I'll settle down here." The

voice was not loud, but it was extremely cold and arrogant.

Xu Wenliang was self-sufficient and strong, and he didn't take a small Four Seas Alliance in his eyes at all.

Mad, this kid has a lot of tone!

Hearing this, all the guards were furious. This kid is so arrogant, how dare he speak out in front of the Four Seas Alliance by himself?

"It's really Xu Wenliang... You trespassed in our hall, you're really courting death."

"Hurry up, otherwise, don't blame us for being rude."

"Ma De, do you think our Sihai Alliance is afraid of your Nianhua Palace? You When we hand over the supplies, we are going to hand them over? What are you?"

Frightened, several guards couldn't help drinking.

At this time, the leader of the guard looked at Xu Wenliang coldly, and said angrily: "Xu Wenliang, right, within three times, disappear quickly, or you will be at your own risk."

Hehe...

Hearing everyone's anger, Xu Wenliang sneered, and a bit of murderous intent flashed in his eyes: "A bunch of people with eyes but no eyeballs, just you little bastards, are you worthy of yelling at me?"

"!"

When the last word fell, Xu Wenliang's internal force was running, his body was like a cannonball, he rushed directly in front of the guard captain, slapped him hard, and slapped him directly in the heart.

boom!

I have to say that Xu Wenliang is worthy of being the chief disciple of Nianhua Palace. His shot was lightning fast, but the captain of the guard couldn't react at all. At that time, he was slapped firmly by this palm, and he let out a miserable howl and spurted blood. The body flew upside down several meters, and finally fell heavily to the ground.

At the moment of landing, the guard captain's eyes widened, and he was dead!

hiss!

Seeing this scene, the other guards present trembled, and they couldn't help gasping for air.

This... This kid's strength is so powerful? With just one palm, the captain was killed.

"Call someone quickly, let's go up together."

After being stunned for a few seconds, several guards glanced at each other, then burst into internal energy and charged directly at Xu Wenliang. At the same time, some people ran into the hall to call for support.

Whoa, whoa... Within

a few seconds, I saw many members of the Four Seas Alliance rushing out from the entrance of the hall. There were hundreds of people, and they locked Xu Wenliang one by one.

Chapter 5107

"A gang of rabble!"

Seeing so many people coming out, Xu Wenliang didn't panic at all, he said coldly, put away the folding fan, and pulled out his long sword.

Chi Chi...

In the next second, Xu Wenliang's inner strength exploded, and the long sword in his hand hummed, like a spirit snake, piercing the sky and coming towards the crowd.

Feeling Xu Wenliang's fierce sword move, the members of the Four Seas Alliance present were all jealous, but no one flinched, but gritted their teeth and swarmed up.

"Looking for death!"

Xu Wenliang's mouth twitched into a sinister smile, and he saw the long sword burst out with a lot of cold light, shrouding the crowd who rushed up. In just a few short breaths, many members of the Four Seas Alliance made a scream and fell into a pool of blood.

Although these Four Seas Alliance members are not weak, but facing a formidable opponent like Xu Wenliang, there is no room to fight back.

"Ma De, stop me!"

Just as Xu Wenliang was about to kill, suddenly, he heard a loud shout from inside the hall, and then, Hao Dashuang came out angrily.

Swish!

After coming out, Hao Dashuang locked Xu Wenliang tightly, with endless anger flashing in his eyes: "Xu Wenliang, you are brave enough to kill me from the Sihai Alliance."

As the head of the Sihai Alliance, Hao Dashuang naturally knew Xu Wenliang. .

At this time, Hao Dashuang was very angry, because he clearly saw that his subordinates fell to the ground one by one, dead and wounded, and the ground was stained red with blood.

"Haha, Hall Master Hao, you came out just in time."

Facing Hao Dashuang's anger, Xu Wenliang didn't panic at all, but with a condescending attitude, he said coldly, "I heard that you intercepted a batch of supplies today. I'm very interested in this batch of supplies. You can hand them over directly."

His tone was cold and arrogant, no doubt about it.

Mad, this kid wants to snatch supplies?

Hearing this, Hao Dashuang clenched his fists tightly, his heart was unforgivable, and he shouted angrily: "Good boy, you hurt our people from the Four Seas Alliance, and you still want to snatch supplies? I think you are impatient.

" !

When the words fell, Hao Dashuang urged his inner strength, then raised his hand and waved, and a long knife appeared in his hand.

Immediately afterwards, Hao Dashuang let out a loud roar, and a dazzling light erupted from the long knife in his hand, slashing directly at Xu Wenliang.

"Haha!"

Seeing Hao Dashuang burst out, Xu Wenliang raised a trace of contempt at the corner of his mouth. At that time, he did not flinch at all, but clenched his sword tightly, his figure flashed, and he directly attacked.

boom!

The figures of the two sides were touching each other in mid-air, and a dull sound was heard. Then, Hao Dashuang groaned and was bounced over a dozen meters. The moment he landed, his face was pale, and he seemed to be unable to stand still.

Xu Wenliang, on the other hand, fluttered to the ground lightly, his expression as usual.

Obviously, Hao Dashuang suffered a loss when the two sides fought just now. Although he is the head of the branch, his strength is still a lot worse when facing the chief disciple of Nianhua Palace.

Mad! This kid is very strong.

At this moment, Hao Dashuang stabilized his figure, staring at Xu Wenliang, unable to hide his shock.

Speaking of which, Hao Dashuang and Xu Wenliang fought against each other a year ago, and they were evenly matched at the time, but they never expected that a year later, this kid's strength has improved so quickly.

You must know that with the knife just now, 80% of his internal power exploded, but to Xu Wenliang, there was no threat at all, and he blocked it so easily.

Haha...

Just when Hao Dashuang was secretly shocked, Xu Wenliang showed a contemptuous smile and slowly walked over: "A mediocre person like you would be embarrassed to show humiliation in front of me?" As the

voice fell, Xu Wenliang suddenly accelerated, hit Hao Dashuang with a palm.

"Bang!"

Xu Wenliang was so fast that Hao Dashuang had no time to dodge. In addition, he had drunk a lot of alcohol before, so he couldn't keep up with his reaction. He was shot directly in his heart, and he heard a dull sound, and the whole person flew out again.

"Pfft!"

At the moment of landing, Hao Dashuang spat out another mouthful of blood, his face was pale, and his eyes were full of anger. Before he could react, Xu Wenliang walked over quickly, stepped on his body, and the long sword reached him. in his heart.

"Will the supplies be handed in?"

Xu Wenliang looked at him condescendingly, his tone extremely proud.

Chapter 5108

“Fuck you!”

Being stepped on by Xu Wenliang, Hao Dashuang only felt a great humiliation. After all, he was also the head of the Four Seas Alliance, but was stepped on by a disciple of Nianhua Palace.

How can you swallow this bad breath?

In anger, Hao Dashuang spat out a mouthful of blood and howled, “Xu Wenliang, kill me if you can, otherwise, I will kill you without a place to be buried.

” After grabbing this batch of supplies, how could it be handed over to Xu Wenliang?

More importantly, dignity cannot be lost.

“It’s pretty tough!”

Hearing this, Xu Wenliang sneered, and his eyes flashed a trace of cruelty: “Since you want to die, then I will fulfill you.” The voice fell, and the long sword slammed out, directly at Hao Da Shuang stabbed a blood hole in his heart.

The blood sprayed out, Hao Dazhuang’s eyes widened, his body twitched a few times, and he was immediately breathless.

“Hallmaster!”

“Hallmaster...”

Seeing this scene, the surrounding members of the Four Seas Alliance couldn’t help crying out, and their eyes locked on Xu Wenliang.

“You bastard, you actually killed our hall master.”

“Avenge the hall master...” “Let

’s go together...”

After shouting, the members of the Four Seas Alliance were extremely angry and rushed towards Xu Wenliang like a tide. .

“Unbelievable!”

Xu Wenliang’s face was full of disdain, he snorted coldly, clenched his sword tightly, and rushed into the crowd. His figure was like a ghost, and his swordsmanship was

even weirder. Every time the sword was swung, a member of the Four Seas Alliance would fall Down.

...

on the other side, in the room.

With a wry smile on his face, Yue Feng was still confronting Leng Yue.

At this time, Leng Yue's beautiful and arrogant face was full of disgust and contempt. She looked at Yue Feng coldly: "Why don't you get out? I said, I don't need your help.

" The passers-by never thought that he was the guest of Gu Sanniang, the chief of the Four Seas Alliance.

Leng Yue couldn't rub a grain of sand in her eyes, she thought she was deceived by Yue Feng, and Yue Feng said that she looked average, so she didn't have a good face.

Uh...

Yue Feng was speechless, but he untied the rope on her body: "Forget it, say whatever you want." After speaking, Yue Feng was about to untangle the acupuncture points on her body, but he held back.

This woman has a cold and arrogant temperament, and hates herself and Hao Dashuang to death. If she helps her to unlock the acupuncture point, she will definitely kill her. For the sake of safety, it is better to not understand the acupuncture point.

Seeing that Yue Feng was really loosening his bonds, Leng Yue was stunned for a moment.

Is this guy really going to save me?

Muttering in her heart, Leng Yue secretly tried to open the acupoint.

Haha...

Seeing her suspicious look, Yue Feng couldn't help laughing and crying: "I've already unfastened the rope for you, you can leave quickly..." As he was talking, when he heard the sound of fighting outside, Yue Feng suddenly wrinkled. frown.

what's the situation? Aren't Hao Dashuang's group drinking? How did it get up?

Thinking to himself, Yue Feng quickly turned around and walked out of the room.

What the hell!

When he got outside, Yue Feng was stunned when he saw the scene in front of him.

I saw that the open space outside the hall was like hell. Many members of the Four Seas Alliance fell into a pool of blood, and the blood stained the ground red.

Not far away, Hao Dashuang was lying there covered in blood, not breathing.

And near the hall, dozens of members of the Four Seas Alliance were besieging a handsome figure, wearing a white gown, handsome, but his shots were extremely ruthless, killing him.

And that handsome figure was Xu Wenliang, who had met Yue Feng once before.

What the hell! What is this kid?

Seeing Xu Wenliang, Yue Feng immediately frowned, unable to hide his disgust.

A few days ago, Chunyang Palace held a martial arts conference. Xu Wenliang suddenly made trouble. At that time, he defeated Jiang Hongyu and many elite disciples of Chunyang Palace. He was extremely arrogant, and even touched Jiang Hongyu.

At that time, after Yue Feng arrived, he competed with him as the master of the Pill Pavilion, and finally taught him a lesson. I thought that this kid would be restrained, but I never thought that at this time, there would be a massacre here.

This Xu Wenliang is really ruthless, not only killing Hao Dashuang, but also hurting so many people in the Sihai League.

Chapter 5109

To be honest, Yue Feng and Hao Dashuang don't have much friendship, and they can only be regarded as just getting to know each other, but in any case, Hao Dashuang is Gu Sanniang's subordinate, and he has been very polite to himself just now, seeing him dead at this time It was so miserable, Yue Feng couldn't help feeling a little regretful.

More importantly, Hao Dazhuang died at the hands of Xu Wenliang, which made Yue Feng unacceptable for a while.

Mad! This kid is really insane.

Soon, Yue Feng realized that he was going to stop Xu Wenliang.

hum!

However, at this moment, a strong wind suddenly came from behind.

Yue Feng was startled, he looked back subconsciously, and saw that Leng Yue had rushed through the acupuncture point. At this moment, he was biting his lip, and his beautiful face was full of shame and anger. The inner strength of the whole body burst out and condensed on the right palm. , fiercely called towards Yue Feng's back.

All this happened too fast, and Yue Feng was standing at the door, so it was too late to dodge.

“Bang!”

This palm was firmly slapped on Yue Feng's body, making a muffled sound. Although Yue Feng possessed the body of a Profound Sage, his body was blown away by Leng Yue's full-strength blow. Going out, he flew more than ten meters away, fell heavily on the ground, and spurted out a mouthful of blood!

Before, Leng Yue was greatly humiliated by Hao Dashuang's ridicule, but after rushing through the acupoints, she took all her anger on Yue Feng.

Nima, this woman is too cruel.

At the moment of landing, Yue Feng only felt a burst of pain coming from his body, and he almost fainted. At the same time, his heart was also depressed.

This cold moon is really crazy, I saved you, but you attacked me in turn.

Frightened, Yue Feng wanted to struggle to stand up, but Leng Yue's palm was too powerful, and Yue Feng had not regained his peak strength. Can't try it.

“You shameless scum!”

Aware of Yue Feng's speechless eyes, Leng Yue's beautiful face was full of disgust, and said coldly: “Don't think that if you let me go just now, I will be grateful to you, you and these People from the Four Seas Alliance should all be damned. “

After speaking, Leng Yue walked over quickly and looked at Yue Feng condescendingly: “Tell me, how do you want to die?”

He, he was not only caught by Hao Dashuang, but also almost humiliated, Leng Yue couldn't hide his anger!

Leng Yue thought about it, he couldn't let Yue Feng die too happily, and he could not survive or die, so that the hatred in his heart could be relieved!

Nima!

Feeling the coldness of Leng Yue, Yue Feng wanted to cry but had no tears, but there was a slight smile on the corner of his mouth: "Beauty, I saved you, but you treat me like this, is it revenge?"

"Crack!" The

voice just fell, Leng Yue's pretty face froze, she raised her jade hand and slapped Yue Feng fiercely!

Just after being attacked by Leng Yue, Yue Feng was severely injured, and he was very weak.

"You save me?" Leng Yue glared at Yue Feng and said coldly: "If it wasn't for you, I wouldn't have been caught by Hao Dashuang and this group of people, and you are a raccoon dog, put away your hypocrisy."

Bang bang bang... As

he was talking, outside the hall, Xu Wenliang had already killed all the remaining members of the Four Seas Alliance. Immediately, the figure flashed and rushed in.

call....

At this moment, seeing Leng Yue, Xu Wenliang couldn't help taking a deep breath, and the whole person was stunned.

Beautiful, so beautiful.

I have to say that Leng Yue is known as a ruthless fairy in the rivers and lakes.

Speaking of which, Xu Wenliang often walked around the rivers and lakes, but he had only heard of Leng Yue's name and had never seen a real person.

I saw that Leng Yue was wearing a long dress, which showed her sexy figure vividly. Although his body was filled with anger at this time, it also gave people a different kind of beauty.

"Who are you?"

Xu Wenliang's gaze made Leng Yue very displeased, but when he saw that he killed Hao Dashuang and others, he suppressed his anger and said coldly, "Looking at your dress, you don't look like the Four Seas Alliance people."

Chapter 5110

Call!

Hearing the question, Xu Wenliang came back to his senses and said with a smile: "Xu Wenliang in the Huagong Palace, dare to ask the beauty's name?" When he was addicted to Leng Yue's beauty just now, Xu Wenliang also guessed in his heart whether this woman was from the Four Seas Alliance. people.

But as soon as she opened her mouth, Xu Wenliang knew that this woman had nothing to do with the Four Seas Alliance, otherwise she would not have asked.

Nianhua Palace?

Hearing this, Leng Yue suddenly let go of her vigilance and said lightly, "Saint of the Red Clothes Sect, Leng Yue." When she spoke, Leng Yue couldn't help but looked at Xu Wenliang.

In recent years, Nianhua Palace has been in the limelight in the arena, and Xu Wenliang, the chief disciple, has made a lot of fame, and Leng Yue has also heard about it.

"Oops!"

Seeing Leng Yue reporting to her home, Xu Wenliang raised his brows, indescribably surprised and excited: "It turned out to be the famous 'ruthless fairy', disrespectful, haha..." As

he said, look When Yue Feng was hit hard by Leng Yue, Xu Wenliang was taken aback.

Mad, isn't this the Pill Pavilion Master of Chunyang Palace? how is it here? And looking at it like this, it seems to be injured.

However, Xu Wenliang's palace was very deep, and although he was shocked in his heart, he did not show it on his face.

In the face of Xu Wenliang's enthusiasm, Leng Yue was very indifferent, nodded and then asked, "What are you doing here?" Speaking of which, with her personality, she would not take the initiative to talk to people, but Xu Wen Liang helped her kill Hao Dashuang and asked politely.

Xu Wenliang smiled and said, "It's a coincidence. I heard that people from the Four Seas Alliance robbed a batch of supplies. I happened to pass by here and came here to have a look."

Hearing him mention the supplies, Leng Yue's beautiful face On, unable to hide the anger: "That batch of supplies is our Red Clothes Sect."

"So it is!"

Xu Wenliang was stunned for a moment, and then said with a smile: "Look at this, the fairy is also here to recover the supplies. Speaking of which, the Four Seas Alliance is really rampant, and even the things of your Red Clothes Sect are all over the place. If you dare to rob it, you will die."

After saying that, Xu Wenliang looked at the corpses outside the hall and couldn't hide his pride: "I don't like them the most, so I killed them all just now."

Said At these times, Xu Wenliang was full of compliments. His original purpose was to snatch supplies, but he was attracted by Leng Yue's beauty. How could he tell the truth?

Um!

Hearing this, Leng Yue nodded and responded.

"Fairy!"

At this time, Xu Wenliang pretended to have discovered Yue Feng, and asked knowingly, "Who is this kid? He has no strength at all. He can't be the cook here, right?"

He pretended not to know Yue Feng, but Don't forget to belittle him.

Leng Yue snorted lightly, glanced at Yue Feng, and said coldly: "This person is very cunning. Although he has no strength, his identity is not ordinary. According to Hao Dazhuang, he is the guest of Gu Sanniang."

At this time , Leng Yue , has regarded Xu Wenliang as her own, and said everything she knew, but she didn't know that Yue Feng had another identity, that is, the pavilion master of Pill Pavilion.

What?

Hearing this, Xu Wenliang was stunned, looked at Yue Feng in surprise, and muttered in his heart.

This kid has many identities, not only the Pill Pavilion Master of Chunyang Palace, but also Gu Sanniang's VIP?

Just when Xu Wenliang was surprised, Leng Yue seemed too lazy to talk nonsense, picked up a long sword beside him, and stabbed it towards Yue Feng's heart.

This man almost lost his reputation, and he must not be allowed to live.

What the hell!

Seeing the long sword piercing, Yue Feng couldn't avoid it, and he was instantly furious.

This cold moon is too cruel. I just said at the banquet just now that I am not interested in you, and you are going to kill me. It is really ruthless.

At the same time, Xu Wenliang was also taken aback, and hurriedly shouted: "Fairy sword is merciful." While shouting, he looked at Yue Feng with complicated eyes.

Speaking of which, Xu Wenliang lost all face in front of Yue Feng a few days ago, and could not wait to slash him with a thousand swords, but in any case, Yue Feng is the Pill Pavilion Master of Chunyang Palace, and has a unique skill in alchemy attainments.

The ultimate husband in Chinese chapter 5111-5115

Chapter 5111

You must know that the alchemy technique of Ziwei Continent has been lost for thousands of years, and a Yue Feng finally appeared. It would be a pity if he died like this.

“What?”

Leng Yue stopped the long sword, and Xiu Mei looked at Xu Wenliang tightly: “You know him?”

When asked, there was a bit of suspicion in Leng Yue’s eyes. If Xu Wenliang knew or was a friend of this Yue Feng, he would not mind killing him together.

call!

Feeling the killing intent in Leng Yue’s eyes, Xu Wenliang’s heart trembled, and then he denied it with a smile: “Fairy is really good at joking, how could I know this person?”

He could see that Leng Yue hated Yue Feng deeply. In this case, he would naturally not admit that he had seen Yue Feng before. First, he originally wanted to take revenge on Yue Feng, and secondly, he was fascinated by Leng Yue’s beauty and wanted to leave a good impression on her.

This idiot...

Seeing Xu Wenliang’s pleasing appearance, Yue Feng felt contempt from the bottom of his heart.

Seeing Leng Yue’s beauty, this kid almost fell out of his eyes, and he kept saying that he didn’t know me, what bad idea was in his heart?

Hearing the answer, Leng Yue’s expression softened a little, and then she asked in a puzzled way: “Since you don’t know him, why didn’t you let me kill him?” After

saying that, Leng Yue gave Yue Feng a fierce look.

Thinking of what happened before, Leng Yue was so angry that she could not wait to slash Yue Feng with a thousand knives.

This...

Xu Wenliang scratched his head, thought for a moment, and then said solemnly: "Fairy, you said just now, this person is the VIP of Gu Sanniang of the Four Seas Alliance, and his status is extraordinary, if he kills him so easily, it's too cheap for him."

This chapter is provided by . Visit for daily update.

"In my opinion, it's better to keep him. Maybe he is Gu Sanniang's weakness?" As he spoke, Xu Wenliang watched Leng Yue's expression closely.

Huh ...

Listening to him say that, Leng Yuexiu frowned and suddenly pondered.

This Xu Wenliang was right. Killing him like this was too cheap for him, and it was definitely not easy for him to be Gu Sanniang's guest of honor.

You must know that Gu Sanniang of the Four Seas Alliance is a well-known figure in the rivers and lakes. She is not only beautiful, but also very powerful. Moreover, in just a few years, she can make the entire Ziwei Continent, those vicious and vicious people. The robber Jiang Yang bowed his head to her, which showed that he also possessed extraordinary skills.

It can be said that Gu Sanniang is a strange woman in the rivers and lakes. Leng Yue clearly remembers that every time the leader of the Red Clothes Sect mentioned Gu Sanniang, there would be a look of fear in his eyes.

Even the sect leader was jealous of Gu Sanniang, and it was incredible that the Yue Feng in front of him could actually be her guest of honor.

Mad!

Just when Leng Yue was thinking about this, Yue Feng couldn't help but glance at Xu Wenliang, his eyes were full of contempt and anger.

This kid Xu Wenliang is really despicable and shameless. He actually wants to use me to deal with Gu Sanniang?

But this is good, at least escaped disaster.

Speaking of which, Yue Feng, as a mysterious saint, can't die at all, but he has finally integrated the power of the Heavenly Marrow Golden Core. If Leng Yue kills him, even if he cannot take Yue Feng's life, it will lead to His previous efforts were in vain.

In secret rejoicing, Yue Feng looked away from Xu Wenliang and admired Leng Yue up close.

Anyway, she has become a prisoner. Instead of looking at Xu Wenliang as a scum, it is better to appreciate Leng Yue. Although this woman is ruthless, her appearance and figure are amazing. It is also pleasing to see more.

“Okay!”

At this moment, Leng Yue also made up her mind and agreed with Xu Wenliang’s point of view: “Just listen to you, leave him alive for the time being, and then take me to see our leader before making a decision.”

Leng Yue is not an ordinary woman who can be a saint of the Red Clothes Sect. She was not overwhelmed by anger, and she was very calm at this time.

Huh...

Hearing her answer, Xu Wenliang breathed a sigh of relief, and said with a smile in admiration: “The fairy is really broad-minded, which is admirable.”

After speaking, Xu Wenliang turned his eyes and said with a flattering expression: “Fairy, it’s really fate that we can meet here, why don’t we do it like this, I’m fine, why don’t I escort you back to the Red Clothes Sect all the way, so that we can take care of you. What do you think, Fairy?”

Chapter 5112

Finally, Xu Wenliang stared at Leng Yue’s beautiful face, his eyes full of ingratitude and expectation.

He is lecherous by nature, and he was deeply fascinated by the first sight of Leng Yue just now.

Moreover, he could see that Leng Yue was calm on the surface, but was actually injured, so Xu Wenliang naturally had to seize such an opportunity to perform in front of beautiful women.

Of course, Xu Wenliang’s enthusiasm is not only because of his relationship with Leng Yue, but also because of Yue Feng.

After all, Yue Feng is the Pill Pavilion Master of Chunyang Palace, and the only person in the entire Ziwei Continent who can concoct pills. If he can get some top-quality pills from him, he will be rich.

This...

Leng Yue didn’t know what the hell Xu Wenliang was up to, she hesitated when she saw his sincere expression.

As the saintess of the Red Clothes Sect, Leng Yue has a arrogant temperament and has always been alone in walking around the rivers and lakes. At this time, facing Xu Wenliang and wanting to walk together, she was instinctively a little bit conflicted.

“Fairy!”

Seeing her hesitation, Xu Wenliang smiled slightly, and said quickly: “Are you worried that we are different men and women, it will be very inconvenient along the way? Don’t worry, as the chief disciple of Nianhua Palace, I have always been He is bright and upright, and he will never do anything nasty.”

“What’s more, this person is also a man, and it is very inconvenient for a fairy to carry him alone. Wouldn’t it be easier for me to look at him?”

Xu Wenliang not only chengfu Very deep, and very good at observing words and expressions, seeing Leng Yue’s hesitation, he immediately guessed her mind, and quickly expressed his attitude.

“Okay!”

Seeing him say that, Leng Yue’s doubts in her heart suddenly eased a lot, she nodded and said, “Then please help me watch him along the way.”

Xu Wenliang guessed well. When he attacked Yue Feng just now, Leng Yue forcibly broke through the acupuncture point, causing the internal force to backlash. On the surface, nothing could be seen, but in fact he was very weak.

If Xu Wenliang made a surprise attack at this time, he could easily knock her down.

However, Leng Yue was also very smart and did not show any weakness. Seeing that Xu Wenliang was so sincere at this time, he would agree to it.

Speaking of which, Leng Yue is not afraid of Xu Wenliang’s secret tricks, because the red-clothed teaching method she practiced is quite unique. Although she forcibly broke through the acupoints just now and was attacked, as long as she cultivates seriously, she can recover in half a day.

Seeing her promise, Xu Wenliang was overjoyed, gave a gentlemanly salute, and said with a smile, “Thank you fairy for your trust.” What the hell

!

Seeing this scene, Yue Feng wanted to cry without tears.

Is this cold moon going to take me to the Red Clothes Sect? It’s over, I was in the mysterious realm of the sky before, and I designed to kill their Red Clothes Sect’s head,

Wang Meng. Although nearly half a month has passed, the Red Clothes Sect is huge and must have gotten the news.

At that time, I met the leader of the red-clothed sect, and when he found out his identity, we could imagine what happened.

Thinking of this, Yue Feng stared at Leng Yue in a daze, thinking about countermeasures.

No, they can't take them to the Red Clothes Sect, they have to figure out a way to escape...

Swish!

Seeing Yue Feng's eyes staring at him tightly, Leng Yue's beautiful face could not hide the disgust, and a hint of coldness flashed in his eyes.

"Crack! Slap! Slap!" The

next second, Leng Yue shot without warning and slapped Yue Feng several times in the face.

"You shameless thing, if you dare to look at me like this, I'll dig your eyes out." Leng Yue said coldly.

Nima.

After receiving a few slaps, Yue Feng only felt that his brain was buzzing, and his heart was also filled with fire.

This Lengyue is really a femme fatale. Just looking at you, you are going to dig my eyes?

Thinking to myself, Yue Feng didn't respond either, and turned his eyes to the side. People had to bow their heads under the eaves, so bear with it.

"Deserving it!"

Seeing Yue Feng being beaten so badly, Xu Wenliang, who was next to him, immediately mocked and schadenfreudely said, "You are worthy of admiring the beauty of fairies? Toads want to eat swan meat? Hehe...also What kind of virtue do you take without urinating?"

Xu Wenliang became more vicious the more he said it, especially when he thought of being beaten up by Yue Feng in front of so many people a few days ago, he felt extremely resentful in his heart.

Chapter 5113

Stupid!

Seeing Xu Wenliang's schadenfreude, Yue Feng was very contemptuous, couldn't help rolling his eyes, and didn't bother to pay attention. This guy is just a villain.

Yue Feng's attitude made Xu Wenliang very upset.

Mad, this kid has become a prisoner, how dare he roll his eyes at me?

In anger, Xu Wenliang wanted to humiliate a few words, but was stopped by Leng Yue.

"Okay!"

Leng Yue was very irritable. Thinking of what happened before, she just wanted to leave here quickly: "It's getting late, let's go quickly." After speaking, she took the lead out of the hall.

"Okay fairy!"

Xu Wenliang responded with a flattering voice, then took out a rope to tie Yue Feng Wuhua, and then pulled him like a beast, hurriedly chasing after Leng Yue: "Fairy, don't go so fast. , wait a minute."

Mad!

Seeing the long rope tied to his body, Yue Feng felt very aggrieved.

This Xu Wenliang is pretty good at playing, is he pulling a rope and treating me like a dog?

Along the way, Xu Wenliang sat on Leng Yue's horses in every possible way. He walked for a long time without realizing it, and it got dark.

Seeing this situation, Yue Feng couldn't help but secretly complained.

I knew that so many things would happen. I heard the sound of fighting in the woods, so I went over to look at it without curiosity. After careful calculation, it has been more than ten hours since I left Beihai Xingsu, and I don't know about Jiang Hongyu and Xiaorou. How are they.

Yue Feng clearly remembered that Jiang Hongyu and Xiaorou also inhaled when Wu Ming was out of his mind.

However, Beihai Constellation is a major sect, and even if there is no antidote, it has enough ability to keep the two of them alive.

“Fairy!”

Just when Yue Feng was thinking about this, Xu Wenliang had a smile on his face, pointed to a dilapidated monastery on the hillside in front of him, and said to Leng Yue, “It’s getting late, and it’s not convenient to travel. Let’s rest there for a while.”

Hmm!

Leng Yue nodded. She had been on her way all the time. In order to conceal her situation, she had not stopped to practice. At this time, she was also a little tired. The temple in front of her was just perfect for practicing and meditating.

With permission, Xu Wenliang took Yue Feng and took the lead to enter the temple to investigate.

I saw that the incense in this temple should have been broken very early, the yard was overgrown with weeds, and the walls of the courtyard were collapsed in many places, but the main hall was well preserved.

Xu Wenliang tied the rope to the pillar at the entrance of the hall, not afraid of Yue Feng running away.

Afterwards, Xu Wenliang hurriedly swept out a clean place in the hall, and said to Leng Yue with a smile: “Fairy take a rest, I’ll go get something to eat.”

After speaking, he walked out quickly.

Leng Yue responded, walked into the hall, sat up cross-legged, and kept an eye on Yue Feng to prevent him from undoing the rope and running away.

Phew...

Seeing this scene, Yue Feng also began to close his eyes and recuperate.

After walking all the way, Yue Feng seemed to be weak, but in fact he had been secretly adjusting his breath. By this time, the injury severely injured by Leng Yue was almost healed, and in a few hours, he would be able to regain his strength.

So Yue Feng is not in a hurry. When he regains his strength, even if Leng Yue and Xu Wenliang join forces, they are not his opponents.

Ha ha...

After a while, Xu Wenliang came back with a wild rabbit, his face full of excitement, then he lit a bonfire outside the hall, then peeled and washed the rabbit and started to roast it.

Regardless of Xu Wenliang's lust, and his personality is not very good, the roasted rabbit is very good, and it will be fragrant in a short while.

"It's so fragrant!"

Leng Yue closed her eyes and rested her mind, and when she smelled the fragrance, she couldn't help but open her eyes and exclaimed.

Xu Wenliang was very proud of Leng Yue's praise. He laughed and said, "Xu Wenliang is really lucky to be praised by the fairy." As

he spoke, he tore off a leg of the roasted rabbit and handed it to him. cold moon.

After fighting with Hao Dashuang and others before, and after walking so far, Leng Yue was already hungry, so she took the rabbit legs and ate with restraint.

Xu Wenliang also enjoyed his meal, but this time he didn't find a chance to chat with Leng Yue, but walked up to Yue Feng on purpose and asked with a half-smile, "Hey, do you want to eat?"

Chapter 5114

Looking at the rabbit meat in Xu Wenliang's hands, Yue Feng licked his dry lips and did not respond.

Like Leng Yue, Yue Feng was tired and hungry after tossing around for so long. At this time, he smelled the aroma of meat and his stomach was growling. It's just that he knew in his heart that Xu Wenliang was cunning and despicable, and it was impossible to give him food easily.

Ha ha!

Seeing that Yue Feng didn't speak, Xu Wenliang chuckled and handed the rabbit meat to Yue Feng: "Just say it when you're hungry. Although you are a prisoner, you have the right to eat. Fairy and I will not abuse you."

Huh . !

Seeing him say that, Yue Feng secretly exhaled, and said lightly, "What do you want?"

"Hey!"

Xu Wenliang exaggerated, half a smile: "It's pretty smart, knowing that I have the conditions, okay, I won't tease you anymore, as long as you learn to bark, I will reward you with a piece of meat." As

he said, Xu Wenliang quietly observed Leng Yue's reaction.

Yes, he did this not only to retaliate against Yue Feng, but also to behave in front of Leng Yue.

Leng Yue ate the rabbit meat reservedly, watching it quietly, without any intention of stopping. She was called a vulgar fan by Yue Feng before, but Leng Yue was already on fire in her heart. Now, seeing Xu Wenliang humiliating him, naturally it is a pleasure to hear.

Mad!

Seeing Xu Wenliang's proud face, Yue Feng suddenly became angry.

This kid lost face in Chunyang Palace before, and now he is deliberately taking revenge on me, and wants me to learn how to bark? What do daydreams do?

Thinking to himself, Yue Feng sneered, didn't bother to pay attention to Xu Wenliang, and closed his eyes directly.

"It's pretty tough!"

Hit a soft nail, Xu Wenliang was very angry, but due to the presence of Leng Yue, it was not easy to do it, and immediately scolded: "You are all a prisoner, and you pretended to be so hard. When will you, Mad, starve you to death."

After speaking, he ignored Yue Feng, walked into the hall, and chatted with Leng Yue.

However, Leng Yue had an icy temperament. Xu Wenliang said ten sentences before she replied lightly, which made Xu Wenliang very embarrassed.

After a while, after eating the rabbit meat, it was not too early. Leng Yue said that she wanted to rest and monopolize the entire hall. She was a saint of the Red Sect, and she was pure and clean. Naturally, she did not want Xu Wenliang and Yue Feng beside her.

Xu Wenliang was not angry either, and happily took Yue Feng to the side room on the left to rest.

The night was getting deeper and deeper, and there was silence all around.

Huh...

Yue Feng didn't eat anything, he was very hungry, but he still held back, closed his eyes and silently adjusted his breath.

Shasha... I

don't know how long it took, and then I heard footsteps approaching slowly. Yue Feng quickly opened his eyes and saw Xu Wenliang sleeping at the door. He didn't know when he got up, standing in front of him. He stared at himself with a half-smile.

At this time, Xu Wenliang's expression was completely different from before. In addition to mocking, there were other things, but to Yue Feng's point of view, it was indescribably disgusting.

Mad, what does this idiot want to do if he doesn't sleep at night?

Muttering in his heart, Yue Feng couldn't help but curse.

"Hehe..."

At this time, Xu Wenliang walked over slowly, showing a smile, and said to Yue Feng: "George Yue, I have been wronged, I didn't tell you in front of the Saintess of the Red Clothes Sect before. The identity is to protect you."

He said that, but his eyes rolled around, and at first glance it was against his heart.

protect me?

Hearing this, Yue Feng couldn't help sneering in his heart, how could this kid be so kind?

Just when Yue Feng was thinking about it, Xu Wenliang slowly came up and said in a low voice, "George Yue, we didn't know each other before, so how could I hold grudges against you? The embarrassment I have been looking for you just now is all about Do it for that saint."

When he said this, Xu Wenliang's face was sincere, but treacherousness flashed in his eyes.

Yes, he said this to Yue Feng at night, not really to protect Yue Feng, but to obtain rare medicinal pills from Yue Feng.

Haha...

Who is Yue Feng, you can tell at a glance that Xu Wenliang is duplicitous, and he was too lazy to talk nonsense at the time, and said lightly: "Okay, stop talking nonsense, what do you want to do?"

Chapter 5115

When speaking, Yue Feng looked indifferent.

Uh...

Seeing Yue Feng's attitude of refusing people thousands of miles away, Xu Wenliang was very embarrassed, but he squeezed out a smile and said flatteringly: "Since Pavilion Master Yue said so, I will open the skylight and say something bright. , Pavilion Master Yue has unique accomplishments in the art of alchemy, and I just need some panacea, as long as the pavilion master promises to help me make it, I will secretly let you go, how about it?" The

last word fell, Xu Wenliang's eyes He looked closely at Yue Feng, flickering with anticipation.

Haha...

Facing Xu Wenliang's expectant gaze, Yue Feng did not respond, but sneered inwardly.

After a long time, this Xu Wenliang wanted me to concoct alchemy for him. No wonder he refused to tell Leng Yue about my true identity before.

Thinking to himself, Yue Feng smiled coldly; "Xu Wenliang, I tell you clearly, I only make alchemy for people in Chunyang Palace, and others don't practice it unless..."

"Unless you kneel down and kowtow to me a few times. , call me Patriarch, maybe I'll consider it."

Mad!

Hearing this, Xu Wenliang's face changed, and he almost exploded with anger. He glared at Yue Feng and said fiercely: "Well, you Yue Feng, you really don't know what's wrong, you are only a prisoner, I kindly help you out of trouble, you And scolding me in turn, trying to take advantage of me?"

Xu Wenliang became more and more angry.

The chief disciple of the dignified Nianhua Palace had already let go of his identity and begged him humbly, but this Yue Feng, in turn, humiliated himself.

He just didn't know what to do, and he deserved to be killed by that Leng Yue.

Facing Xu Wenliang's anger, Yue Feng's expression remained unchanged, and he said lightly, "I have already stated my conditions, and it is up to you to agree or disagree."

After saying the last sentence, Yue Feng closed his eyes directly . , continue to close your eyes and meditate. For a despicable and shameless villain like Xu Wenliang, Yue Feng is really too lazy to say a word.

Moreover, Yue Feng will soon be able to recover his divine power, and he does not need Xu Wenliang's help.

court death!

Seeing this situation, Xu Wenliang became anxious all of a sudden, with fierceness in his eyes, he pulled out a dagger directly from his body, placed it in Yue Feng's heart, and said coldly, "Do you think I dare not touch you? Ma De , don't forget that in Chunyang Palace before, it was you who disgraced me, I disregarded my previous suspicions and asked you to cooperate, and you pretended it for me."

"Tema, if you dare to say nothing again, Lao Tzu It will kill you immediately."

When he said this, Xu Wenliang held the dagger tightly, and his eyes were full of killing intent.

In order to get the elixir, he had been helping him hide his identity in front of Leng Yue along the way. How could he know that Yue Feng would not give any face at all. As the chief disciple of Nianhua Palace, Xu Wenliang, no matter what he did, It's all smooth sailing, when have you been so frustrated?

call!

Feeling the coldness from the blade, Yue Feng breathed a sigh of relief, and said lightly to Xu Wenliang: "You want to kill me? Okay, you can do it, even if you do it flawlessly, things will eventually be exposed one day. It's time to let Chunyang Palace know that you killed their Pill Pavilion Master, and how it will end, you can decide for yourself."

When he said this, there was a smile on Yue Feng's face, which was very contemptuous.

Yue Feng has been walking around the world for so many years. He has a very clear understanding of the heart of a person like Xu Wenliang. He knows that he takes out a dagger to scare people. If he really wants him to kill, I'm afraid he doesn't have the courage. After all, Yue Feng's identity is extraordinary. .

More importantly, Xu Wenliang's main purpose was to get the medicine pill. If he didn't get the medicine pill, he wouldn't kill Yue Feng so easily.

Nima!

Seeing Yue Feng's fearless look on his face, Xu Wenliang's eyes turned black and he almost fainted.

Ma De, this Yue Feng is really difficult to deal with, what should I do? Soon, Xu Wenliang

's eyes flashed, and a bit of coldness flashed out, and he smiled at Yue Fengxie: "Okay, very good, Yue Feng, you are right, I don't dare to kill you."

The crazier he said, his eyes were a bit hideous: "However, if I cut off one of your arms, it's not a problem."

The ultimate husband in Chinese chapter 5116-5120

Chapter 5116 The

voice fell, Xu Wenliang flipped his wrist, and an extra dagger came out, and he slashed towards Yue Feng's right arm.

Nima!

At this moment, Yue Feng was startled, and his eyes were blood red.

This Xu Wenliang is really despicable and shameless.

Thinking to himself, Yue Feng was about to break the rope. He closed his eyes and rested for two hours just now. The injury he had been severely injured by Leng Yue was almost healed, and breaking the rope would not be a problem.

Clap la la...

Just at this critical moment, suddenly there was a burst of footsteps outside the monastery. There were a lot of people listening, and the footsteps were light. Obviously, they were all experts in the rivers and lakes.

Swish!

Hearing the movement outside, Xu Wenliang's heart trembled, and he stopped his hand immediately, his face changed, could it be that the news of Hao Dashuang's murder spread out, and the Four Seas Alliance sent a master to chase here?

Although Xu Wenliang is strong and powerful, he is not invincible. He knows in his heart that there are many experts in the Four Seas Alliance. If the opponent comes prepared, he is definitely not an opponent.

Thinking of this, Xu Wenliang gave Yue Feng a cold look and lowered his voice: "If you are lucky, I will let you escape temporarily." After saying that, he put away the dagger, walked out quickly, and then gently Leaping onto the eaves of the temple gate.

Phew ...

Watching Xu Wenliang go out, Yue Feng also sighed secretly.

Mad, it was really dangerous just now, and I almost revealed my strength. At the same time, Yue Feng was also a little curious, so late, who came to this ruined temple?

Forget it, let's restore strength first.

This chapter is provided by . Visit for daily update.

Muttering in his heart, Yue Feng continued to close his eyes and rest, while paying attention to the movement outside.

At this moment, outside the broken temple.

call!

Xu Wenliang went up to the eaves of the temple gate, glanced outside, and immediately frowned.

I saw that dozens of figures were coming quickly, one by one holding a long knife, and the imposing manner was domineering. The leader was a man in his fifties, wearing a black long gown, and his body was filled with a powerful aura.

It was the Great Elder of Beihai Constellation, Zheng Xuan.

A few hours ago, Wu Ming sprinkled the poison in the bedroom, Zheng Xuan and other elders, as well as the head Deng Shiqi, all inhaled the poisonous gas.

However, everyone was calm at the time, so they quickly meditated cross-legged and sealed the acupoints so that the poison did not spread in the body. Later, when it was determined that everyone was fine, Deng Shiqi immediately summoned all the elite disciples, and several elders chased down Wu Ming and searched for Yue Feng at the same time.

The team led by Zheng Xuan had no clues after searching for several hours. They were very tired. They happened to pass this ruined temple, so they were ready to come in and have a rest.

“Elder!”

At this time, everyone arrived at the gate, and one of the disciples said to Zheng Xuan: “This ruined temple is very big, and it should be enough for us to rest.”

Zheng Xuan nodded and ordered very seriously: “Everyone rest. A moment, before dawn, let’s set off, remember, everyone is taking turns to rest, and be vigilant around!”

Then Wu Ming was very cunning, and he still had ecstasy on his body, so he had to guard against it.

At this time, Zheng Xuan did not know that Wu Ming was killed by Yue Feng long ago.

“Yes, elder!”

After hearing the order, dozens of disciples responded in unison, and then they were about to enter the ruined temple.

Whoosh!

However, at this time, a figure flew down from the eaves of the gate, and suddenly blocked in front of everyone, holding a folding fan, with extraordinary momentum.

It was Xu Wenliang.

At the moment when he stood in front of everyone, Xu Wenliang smiled lightly, and said, "Everyone from the North Sea Stars, if you want to rest, go elsewhere. Someone is occupying it here."

His tone was indifferent, but there was no doubt.

Chunyang Palace and Beihai Constellation are allies, and the Pill Pavilion Pavilion Master of Chunyang Palace is locked inside. They must not know about this. More importantly, Xu Wenliang has been creating opportunities to be alone with Leng Yue. It is not allowed to be disturbed by outsiders.

Swish!

At this moment, the eyes of Zheng Xuan and dozens of disciples suddenly converged on Xu Wenliang, and they all frowned, very angry. This kid has a big tone, how dare he block the way of Beihai Xingsu?

Chapter 5117

Huh?

This kid seems to be Xu Wenliang from Nianhua Palace.

In the next second, Zheng Xuan saw Xu Wenliang's face clearly through the moonlight, and frowned immediately: "Xu Wenliang, you are really good at twisting the flower palace, and even a broken temple should be taken by force?"

After speaking, Zheng Xuan couldn't hide it. Furious, he continued with a sneer, "In this kind of unowned land, you can rest in the Nianhua Palace, but not us?"

At this time, Zheng Xuan was very annoyed.

I just ran for more than two hours, and I didn't find Wu Ming or Yue Feng's whereabouts. I was tired, and I was in a bad mood. At this time, I finally found a place to rest, and I was stopped by Xu Wenliang outside. Big.

The last word fell, and dozens of disciples behind him all glared at Xu Wenliang.

Phew...

Feeling Zheng Xuan's anger, Xu Wenliang took a deep breath and smiled slightly: "Elder Zheng, don't be impatient, it's not that we are overbearing in the Nianhua Palace, it's just that everything has to come first, right?"

" , Xu Wenliang glanced back at the temple hall, and continued: "There are so many of you, it will be very inconvenient to wait for the next rest. Therefore, please forgive Elder Zheng."

He said politely, but his attitude was an inch. Do not let.

Although Zheng Xuan has many people, he is not afraid at all. You must know that the Nianhua Palace has developed rapidly in the rivers and lakes in the past two years.

Mad!

Hearing this, Zheng Xuan became even more angry: "You rest yours, we rest ours, what's the inconvenience?" This Xu Wenliang, just a disciple of Nianhua Palace, actually put on airs in front of me? Looking for death?

However, Xu Wenliang turned a blind eye to Zheng Xuan's anger. He shook the folding fan in his hand and smiled faintly: "It's about the secret of our Nianhua Palace, so Elder Zheng should not break the casserole and ask to the end.

" The palace is occupied, you want to rest, find another place."

"Excuse me." After the

last word fell, Xu Wenliang was about to turn around and enter.

Whoa!

Seeing this scene, the dozens of Beihai Xingsu disciples present were all shocked and angry.

Mad, this Xu Wenliang is so arrogant.

Zheng Xuan's face was also extremely gloomy, and he couldn't bear it any longer. He shouted loudly: "Good boy, stop for me." The elder of his dignified Beihai Constellation was despised by others. If this matter spread to the rivers and lakes, Where will you put your back?

The voice fell, and dozens of disciples behind him also scolded.

“Stop...”

“The kid is really rude.”

“Dare to say this to our elders, do you really think our Beihai Stars are afraid of your Nianhua Palace?”

Hearing this scolding, Xu Wenliang stopped and looked back at Zheng Xuan, sneered: “What else does Elder Zheng have to say?” His face was indifferent, and his heart was also a little nervous.

After all, the other party is the Great Elder of Beihai Constellation. However, he is the chief disciple of Nianhua Palace, and his momentum must not be lost.

call!

Zheng Xuan was too lazy to talk nonsense with him, and said coldly: “Who is the one in Nianhua Palace who is resting inside? You asked him to come out and talk to me.” The implication is that you are not qualified as a disciple.

At this time, Zheng Xuan subconsciously believed that the high-level executives of Nianhua Palace were resting in this broken temple, otherwise, Xu Wenliang would not be so arrogant.

But it's too embarrassing to leave like this.

Haha...

Hearing this, Xu Wenliang was instantly happy, this Zheng Xuan, did he think my master was inside?

This is also good, just use the name of the master to scare him.

Thinking to himself, Xu Wenliang looked confident, smiled and said, “I'm sorry, my master is resting, and he doesn't have time to talk to you.”

Referring to his master, Xu Wenliang looked arrogant.

Um?

At this moment, Zheng Xuan immediately frowned, and his face became solemn. The palace master of Nianhua Palace was here, and it was a little difficult to handle. You must know that the strength of the palace lord of Nianhua Palace is unfathomable. A year ago, the suzerain Deng Shiqi fought with him, and it was a draw at that time.

That Nianhua Palace Master, even the Sect Master can't win, if he breaks in, isn't he asking for trouble?

However, it would be too embarrassing to leave like this.

Chapter 5118 The

dignified Beihai Constellation Great Elder, with dozens of disciples, was frightened away by Xu Wenliang's words. If this matter spread to the rivers and lakes, wouldn't people be laughed at?

For a time, Zheng Xuan was caught in a dilemma, it was not good to leave, and it was not to keep.

Haha...

Seeing Zheng Xuan's changing face, Xu Wenliang felt extremely happy.

Master's name really has a deterrent effect, haha, this Elder Zheng Xuan was really frightened.

"Xu Wenliang!"

However, at this moment, a cold and pleasant voice came from the direction of the main hall, and then, a slender and charming figure walked over quickly.

It is the cold moon.

Leng Yueben was meditating in the main hall, and when he heard Xu Wenliang arguing with people at the gate, he couldn't calm down and was a little irritable, so he came out to have a look.

What the hell!

Seeing Leng Yue coming out, Xu Wenliang became anxious all of a sudden, and hurriedly winked at Leng Yue, wanting her to go back. You must know that he had created the illusion that the master was there, and had already fooled Zheng Xuan. If you let him know the truth, it would be inevitable. Some fight.

It's just that it's late at night, Xu Wenliang keeps blinking, and Leng Yue can't see it at all.

Um?

When Zheng Xuan and dozens of disciples heard Leng Yue's voice, they couldn't help but murmured secretly.

Isn't the palace lord of Nianhua Palace resting here? How can there be a woman's voice? Moreover, this woman called Xu Wenliang's name directly, and she should have a high status in the Nianhua Palace.

It's just....I haven't heard of the high-level executives of Nianhua Palace, which one is a woman?

Just wondering, Leng Yue also appeared at the gate, under the moonlight, that exquisite curve, looming, slender waist, long straight legs, it is simply too perfect.

Hiss...

At this moment, both Zheng Xuan and the dozens of disciples behind him were all attracted by Leng Yue.

beautiful! What a beautiful woman, is this a fairy descending to earth?

However, everyone in Zheng Xuan also felt that the icy aura on Leng Yue's body was like a rose with thorns.

Done!

Seeing this scene, Xu Wenliang was in a hurry, and Leng Yue was exposed. This Zheng Xuan would definitely not give up, and there would be a fight later.

After being stunned for a few seconds, Zheng Xuan reacted and looked at Leng Yue with a burning gaze: "Who are you?" As the Great Elder of Beihai Constellation, Zheng Xuan has a keen insight and can see at a glance that the beauty in front of him is not Nian Because of her inner strength, the people of Hua Gong are obviously very different from Xu Wenliang.

Speaking of which, Zheng Xuan had also heard of Leng Yue's name, but had never seen it before.

call!

Hearing Zheng Xuan's question, Leng Yue did not answer immediately, but looked him up and down and asked, "Who are you?" She could see from the dozens of disciples behind Zheng Xuan that they were from Beihai Xingsu, but I have never seen Zheng Xuan, and I am not sure of his identity.

Leng Yue's arrogant attitude made Zheng Xuan very unhappy, but he still responded: "I am the Great Elder of Beihai Xingsu, Zheng Xuan."

Beihai Xingsu?

Knowing the identity of the other party, Leng Yue's delicate face showed a bit of solemnity. It was strange, why did Beihai Xingsu dispatch so many people at night? Also led by the elders?

Has there been any turmoil in the rivers and lakes? Or... is it also for the supplies of our Red Clothes Sect?

"This girl!" Just

when Leng Yue was thinking about it, Zheng Xuan urged impatiently, "You haven't told your identity yet.

"

Said: "What is her identity, does it have anything to do with you? I said it just now, this temple has been occupied by us. If you want to rest, you can find another place." "

Is it interesting to spend here all the time?"

These, Xu Wenliang tilted his head to look at Leng Yue, and said in a low voice to please: "Fairy, these people from Beihai constellations are just passing by, you don't need to pay attention, I'll send them away."

He said calmly, but in his heart Can't be in a hurry.

I just pretended that my master was here, but I absolutely can't reveal my secrets.

Seeing him say this, Leng Yuexiu frowned lightly, and said lightly, "Since they are passing by, don't cause more trouble." Although he didn't know what happened, but seeing his attitude towards Zheng Xuan and the others, he knew that the two sides just now. Unpleasant.

Chapter 5119

Seriously, in Leng Yue's heart, it has nothing to do with Xu Wenliang and Zheng Xuan.

It's just... There is a Yue Feng tied inside. This person is the VIP of Gu Sanniang, the chief of the Four Seas Alliance, so people like Beihai Xingsu can't be discovered.

Leng Yue is not afraid of things, but in the current situation, it is better to have less than one more thing, and only think that Zheng Xuan and the others will leave quickly.

Leng Yue still didn't know that she was deceived by Xu Wenliang. Zheng Xuan's group did not pass by, but wanted to rest in the ruined temple, only to be stopped by Xu Wenliang.

Mad!

Seeing Xu Wenliang coming out to interrupt again, Zheng Xuan was very angry, but there was no attack at that time.

In the next second, Zheng Xuan held back his anger and asked Leng Yue again: "Looking at the girl's appearance, it shouldn't be from Nianhua Palace? I don't know which sect master."

As the great elder of Beihai Xingsu, Zheng Xuan Be cautious, the things in front of you should be clarified.

call!

Seeing this scene, Xu Wenliang hurriedly winked at Leng Yue and shook his head secretly, not wanting to tell himself.

Seeing Xu Wenliang wink again, Leng Yue frowned. This time, she just pretended that she didn't see it, and replied lightly, "Saint in the Red Dress, Leng Yue!" She has a arrogant temperament and acts bright and upright. How could she hide her identity?

Oops!

Seeing Leng Yue revealing his identity, Xu Wenliang sighed in his heart. It was over, let Zheng Xuan know the situation, and there would be a big battle later.

What? The red dress?

Saintess?

Hearing this, both Zheng Xuan and the dozens of disciples behind him were all shocked.

In recent years, the Red Clothes Sect, like the Nianhua Palace, has rapidly developed its power in the rivers and lakes, especially this Holy Maiden, who is beautiful and ruthless.

According to legend, none of the people she targeted could see the sun the next day, so Jianghu gave her a nickname, Ruthless Fairy.

When I saw Leng Yue just now, everyone was attracted by her beauty, but they never thought that she was a famous ruthless fairy in the world, and she never expected that she would be with Xu Wenliang of Hua Gong.

Hehe...

After a few seconds, Zheng Xuan recovered from his astonishment, first looked at Xu Wenliang and then at Leng Yue, unable to hide his anger and sarcasm: "So you are the ruthless people spread on the rivers and lakes. Fairy."

After speaking, Zheng Xuan gave Xu Wenliang another cold look: "Boy, you are not too timid, you and this woman are obviously the only two people in this broken temple, but you say that the people from your Nianhua Palace are resting. You're so rude, do you really think this old man dare not touch you?"

It's been a while, if the palace lord of Nianhua Palace was here, he would have come out long ago.

At this time, Zheng Xuan guessed the situation, and there was no scruples in his heart.

Swish!

At the same time, dozens of disciples behind him also glared at Xu Wenliang.

Mad, this kid is really cunning. The lord of Nianhua Palace is obviously not here, but just now he deliberately created an illusion to scare people, which is really hateful.

Seeing this, Leng Yue frowned and asked Xu Wenliang, "What's going on?" Knowing this, she didn't know what happened just now.

Uh....

Xu Wenliang was very embarrassed, so he lowered his voice and said the situation just now: "It's like this, they were going to break in just now, I was afraid to disturb the fairy's rest, so I said my master was inside... ."

"So, I kept winking at you just now, don't reveal your identity."

Hearing this, Leng Yue suddenly realized that it was the case.

"Haha..."

At this moment, Zheng Xuan looked at Xu Wenliang with a smile but couldn't hide his anger: "Boy, why don't you dare to speak? I didn't expect that you Nianhua Palace and the Red Clothes Sect colluded in Together, a man and a woman are alone in a ruined temple in the wilderness, hehe, they are really interested."

"Just now I was afraid that we would disturb a good thing, so I deliberately lied, you are really cunning."

When the Lord was not there, Zheng Xuan had no worries at all. He thought of what to say, just to vent the anger in his heart as soon as possible.

Hearing this mockery, Xu Wenliang's face flushed, and he didn't know how to refute for a while.

Swish!

At the same time, Leng Yue's face was also cold, and she was very embarrassed.

Chapter 5120

"You..." The

more Leng Yue thought about it, the more angry she became, and she scolded Zheng Xuan coldly: "You shut up." She is pure and clean, and her relationship with Xu Wenliang is even more innocent, how can you let others mess up Say? Seeing her scolding

, Zheng Xuan chuckled: "What? You are a man and a woman, and you are sneaking around here. Are you afraid that others will say it?"

What's the matter? And I tell you, Fairy and I are innocent, if you dare to talk nonsense again, don't blame me for being rude."

Mad!

Hearing this, Zheng Xuan's face changed suddenly, he looked onto Xu Wenliang, and sneered: "Good boy, your tone is not small, I want to see how you are welcome."

Om!

The voice fell, a powerful breath burst out from Zheng Xuan, and then the figure burst out, slapped it fiercely, and hit Xu Wenliang directly.

Just now, in order to track Wu Ming for a few hours, and there was no clue for a while, Zheng Xuan was a little angry in his heart. At this time, he realized that he had been deceived by Xu Wenliang, and his anger increased even more.

"I'm afraid you won't succeed?"

Seeing Zheng Xuan's slap, Xu Wenliang didn't panic at all.

Although the other party is the Great Elder of the North Sea Constellation, Xu Wenliang is self-sufficient and is not false. Besides, there is a Leng Yue beside him.

boom!

In the blink of an eye, the two collided in mid-air, and they heard a dull sound. At the moment when the palms of the two sides collided, a strong internal force wave swept out towards the surroundings.

Immediately afterwards, Zheng Xuan's figure swayed, and he quickly stabilized his figure.

Ding Ding Deng...

However, Xu Wenliang was pale. After landing, he took five or six steps back in a row before finally stabilizing his figure. Obviously, Xu Wenliang suffered a loss from this palm.

Although Xu Wenliang is very powerful, Zheng Xuan, as the Great Elder of Beihai Constellation, has been famous for several years, and his background is not comparable to him.

"Haha!" The

first palm had the upper hand, and Zheng Xuan did not hesitate at all, and immediately took advantage of the momentum to pursue. The figure flashed and attacked Xu Wenliang again.

Xu Wenliang was a little panicked, but because of his face, he did not show the slightest nervousness, gritted his teeth, and continued to fight with Zheng Xuan.

"I'll help you!"

Seeing that Xu Wenliang was gradually at a disadvantage, Leng Yue gave a coquettish shout, and her figure rose up, ready to come over to help Xu Wenliang and deal with Zheng Xuan together.

Speaking of which, Leng Yue didn't want to take part in such a meaningless fight, but Xu Wenliang was very diligent on the way, before and after the saddle, and at this critical moment, Leng Yue couldn't just watch it.

More importantly, the other party slandered her innocence, which made Leng Yue the most unbearable.

Whoa!

Seeing this, the dozens of disciples who were guarding the surroundings roared angrily.

"Do you want to bully the less with more?"

"Do you think we have no one in Beihai Xingsu?"

“Go on, stop this ruthless fairy.”

The disciples erupted in anger and surrounded Leng Yue.

Although Leng Yue is only a woman, she has the highest strength among all the people in the audience. At this time, facing the siege of dozens of elite disciples from the North Sea Constellation, her beautiful face did not fluctuate in the slightest. Indifferently said: “Go away!”

At the moment when the voice fell, Leng Yueyu raised her hand.

hum!

In an instant, she saw a group of blood-colored rays of light that quickly condensed in front of her, and finally formed a blood-colored lotus flower.

The moment the blood-colored lotus flower appeared, the surrounding air seemed to be filled with a bloody aura.

It is Leng Yue’s unique technique ‘Pure World Blood Lotus’.

In the next second, Leng Yueyu waved her hand, and the blood lotus suddenly became larger, carrying a strong wind, whistling towards the crowd.

“Ah...” The

dozens of elite disciples of Beihai Constellation, before they could react, were shrouded in huge blood lotus, and then let out a scream, and in the blink of an eye, half of them fell into a pool of blood. among.

However, after performing the stunt, Leng Yue’s face also turned pale. Before, she forcibly rushed to open the acupuncture point. She was backlashed, and she has not yet recovered.

Bang bang bang...

Not far away, Xu Wenliang and Zheng Xuan also fought for more than a dozen rounds, which seemed to be comparable, but Xu Wenliang was in a hurry.

The ultimate husband in Chinese chapter 5121-5130

Chapter 5121

Mad! The strength of this Beihai Constellation Great Elder is so strong?

The more Xu Wenliang thought about it, the more anxious he became. If he kept fighting like this, he was afraid that he and Leng Yue would both be arrested.

Thinking about it, Xu Wenliang shouted at Leng Yue: "Fairy, leave those disciples alone, let's deal with this great elder together." As the chief disciple of Nianhua Palace, Xu Wenliang knew that it would be better to catch the thief first than the king. reason.

As long as Zheng Xuan is under control, he is not afraid that these disciples will surrender without disarming.

However, he didn't know that Leng Yue performed a stunt just now, and his internal strength was severely depleted. How could he have the intention to deal with Zheng Xuan with him at this time?

call!

Hearing Xu Wenliang's call at this time, Leng Yue let out a light sigh of relief, and with a palm pushed back the two Beihai constellation disciples in front of her, and said softly, "Xu Wenliang, we'd better break through separately."

"I'll lead someone first. Go, you can also find a way to leave, don't fight." After the

last word fell, Leng Yue turned around and rushed towards the broken temple, very decisive. Leng Yue has been walking on the rivers and lakes for so many years, and she is best at judging the situation. In the current situation, there is no benefit in continuing to fight.

What's more, there is also a VIP of the Four Seas Alliance, so the best way is to break out separately.

Want to run?

Seeing the situation here, Zheng Xuan frowned, and immediately ordered the disciples: "Don't let this woman run away, stop her..." The Red Clothes Sect is both righteous and evil, and it is with one of the three major sects. The North Sea Constellation is the opposite.

Just now Xu Wenliang had been teasing Zheng Xuan, making Zheng Xuan very angry.

And this Leng Yue, as a saint of the Red Clothes Sect, and with Xu Wenliang, naturally couldn't let it go easily.

Whoa!

This chapter is provided by . Visit for daily update.

After hearing the order, dozens of Beihai Xingsu disciples burst out with internal energy and chased after Leng Yue.

Shit ...

At this moment, Xu Wenliang was furious.

Especially seeing Leng Yuetou rushing into the ruined temple without looking back, wanting to part ways with herself, her heart was even more angry, Nima, this woman is really cold-blooded and ruthless.

On the way before, I took care of you in every possible way. If you don't appreciate it, forget it. Now, at a critical juncture, you left me and left.

Thinking of this, Xu Wenliang only felt that he had been greatly humiliated, his face was grim, and his eyes flashed with a trace of resentment. As the chief disciple of Nianhua Palace, he was suave, especially when it comes to women, he has always been able to capture, but this time, How can you swallow this bad breath?

For a while, Xu Wenliang became annoyed the more he thought about it, and suddenly swore in his heart.

Well, you cold moon, when I was useful, I shouted to and drank at me, and now when the critical moment is reached, kick me away, and you wait for me.

After making up his mind, Xu Wenliang clenched his sword tightly, and while responding to Zheng Xuan's attack, he shouted, "Elder Zheng, we have no grievances and no grudges

. Dealing with Zheng Xuan, it is impossible to reverse the situation, it is better to admit it in time.

Hehe...

However, Zheng Xuan didn't give him a chance to reconcile at all. He sneered at that time: "Boy, when you played with me before, you were very arrogant. Now that your companion runs away, you don't want to fight?"

"Stop talking nonsense, I think you should just be obedient and capture it." The

voice fell, Zheng Xuan's internal strength exploded, and the offensive became even more severe.

Nima!

Seeing that Zheng Xuan didn't give face at all, Xu Wenliang was furious and even more bitter in his heart, so he had to bite the bullet and continue to fight with Zheng Xuan.

.....

the other side.

After Leng Yue rushed back to the broken temple, she did not return to the main hall, but arrived at the side room for the first time.

At this time, Yue Feng had already broken free from the rope, and his divine power had almost recovered.

"Follow me!"

However, Leng Yue, who rushed in, didn't notice anything wrong with Yue Feng. When he got there, he took out a white silk bag from his body, put it directly on Yue Feng's head, and then pulled his hand rushed out quickly.

In Leng Yue's heart, Yue Feng is the VIP of the chief leader of the Four Seas Alliance, and he has an extraordinary status. The Four Seas Alliance had just robbed the materials of the Red Clothes Sect, so he must be brought back to the main altar. an explanation.

In this case, Yue Feng must not be discovered by the people of Beihai Xingsu.

Chapter 5122

However, Leng Yue did not know at this time that Yue Feng was not only a VIP of the Four Seas Alliance, but also the Pill Pavilion Master of the Chunyang Palace, and an alliance with Beihai Constellation.

Uh...

Suddenly Leng Yue covered my head with a silk bag, Yue Feng was curious and ridiculous, what is this woman doing with my head? Are you afraid of being discovered?

Speaking of which, Yue Feng had almost recovered his divine power at this time, and it was very easy to break free from Leng Yue, but he felt her soft hand pulling him, and at that moment, he gave up his plan to fight back.

In the blink of an eye, Yue Feng was taken out of the side hall by Leng Yue.

Swish!

It was at this moment that the dozens of elite disciples of Beihai Xingsu who caught up also discovered Yue Feng, but he was covered with a silk cloth bag, so none of them recognized him.

“There are people here...”

“It must be their accomplices.”

“Stop, stop them all...”

Under the shouts of dozens of elite disciples, they urged their figures and quickly surrounded them.

What a bunch of ghosts.

Seeing these disciples rushing up, Leng Yue’s beautiful face, unable to hide her disgust and anger, immediately waved her jade hand and threw a few black beads.

Bang Bang Bang...

These black beads seem to be inconspicuous, but their power is not small. When they reach the crowd, they burst immediately, bursting out with a pungent disgust. Those elite disciples were too late to react, and many were injured.

And those who were not injured, smelling the pungent smell, also retreated.

This black bead is exactly the product of the first sect’s Tianji Palace a thousand years ago, called Thunder Bead. Half a year ago, Leng Yue walked across the rivers and lakes and got it by accident, but it has never been used.

Whoosh!

Seeing those disciples retreat, Leng Yue didn’t have time to think about it, bit her lip tightly, and pulled Yue Feng to quickly rush out of the broken temple.

Whoa!

Seeing this scene, the dozens of elite disciples were all shocked and angry.

“The woman ran away with her accomplice...”

“We chased...”

“This woman has a hidden weapon on her body, we can’t do it alone, hurry up, send out a firework signal and call for support...”

At a time, dozens of The elite disciples, while chasing in the direction of Leng Yue’s departure, released a special rescue fireworks signal from Beihai Constellation.

Soon, seeing the rescue signal, the nearby Beihai Constellation disciples rushed to help.

Oops.

Leng Yue took Yue Feng and quickly walked between the mountains and forests, seeing the fireworks signal in the night sky behind him, her beautiful face, and suddenly became extremely dignified.

Beihai Constellation released a fireworks signal, and more and more people were chasing it. What should I do?

Thinking to herself, Leng Yue did not dare to stop at all, because once she stopped, she might be caught up by the people of Beihai Xingsu.

call!

I don’t know how long it took to run, Leng Yue was almost sweating, Yue Feng looked as usual, but he had a belt on his head, so Leng Yue couldn’t see it at all.

Arriving on a platform, Leng Yue stopped to take a break while looking at the surroundings.

Done!

This is not serious, Leng Yue’s heart trembled, suddenly a little anxious.

I saw that the platform was halfway up a mountain, and there was no road in front of it. Below the platform was an abyss, and there was only the way up behind.

Just on the way, many disciples from Beihai Constellation are coming, and it is impossible to go back the same way.

However, she also noticed that there was a cave next to the platform. The entrance of the cave was overgrown with weeds. Obviously, very few people entered. It was deep inside, and I didn’t know how deep it was.

Seeing this environment, Leng Yue was anxious and self-blaming. Just now, she just ran away and panicked, now it’s troublesome.

Crash...

It was at this time that I heard footsteps on the mountain road behind me. The footsteps were very dense and very fast. There were obviously many people.

Hearing the footsteps, Leng Yue hurriedly looked back, and Xiu Mei was immediately locked.

I saw that hundreds of Beihai Xingsu disciples were holding long knives, and they were all imposing.

Swish!

Seeing Leng Yue, these disciples suddenly howled.

“You have offended us Beihai Xingsu, and you still want to run?”

“You have no way out, so hurry up and capture?”

Chapter 5123

Under the huh, many disciples rushed up quickly.

Damn...

In the face of this situation, Leng Yue was so frightened that she couldn't tell the grievance in her heart, she was a dignified saint of the red-clothed religion, has she had bad luck recently? In the daytime, he was first caught by Hao Dashuang of the Four Seas Alliance, and now he was driven to a desperate situation by the disciples of the North Sea Constellation.

It's really a blessing and a disaster, and it's back home.

But... how can you be a merciless fairy by yourself?

“Listen..”

Under the anger, Leng Yue's red lips lightly opened, and she said coldly to the disciples in front of her: “Today's grievances, I wrote down Leng Yue, and later on the rivers and lakes, let me meet You people of Beihai Constellation, see one kill one, see two kill one pair.”

Whoosh!

The last word fell, Leng Yue did not hesitate at all, dragged Yue Feng, and rushed directly into the cave next to her. In order to prevent the opponent from chasing, Leng Yue did not forget to throw a thunderbolt at the entrance of the cave.

Bang bang bang...

Almost in the blink of an eye, along with the explosion of the thunderbolt, the figures of Leng Yue and Yue Feng had disappeared into the cave.

Mad!

Seeing this situation, many disciples of Beihai Constellation were all shocked and angry, and at the same time, their faces were also extremely fearful.

“This woman is really cunning.”

“They ran into the cave, and they can’t go far in a short time, so let’s rush in...”

“No, we don’t know what’s going on inside, and the woman is strong and rashly entered the cave. I’m afraid there will be casualties.”

Under the discussion, everyone surrounded the entrance of the cave, and no one dared to enter rashly.

“There...”

At this moment, one of the Beihai Xingsu disciples, his eyes lit up, showing a sinister smile: “At first glance, few people enter this cave, the woman must be unfamiliar with the environment, let’s just If you set fire at the entrance of the cave, even if you don’t burn them to death, they can’t stand the smoke released.”

As soon as these words came out, everyone applauded.

“Yes, just set fire..”

“Haha, this is a good way.”

“Burn them to death..”

After deliberation, everyone hurriedly found wood nearby, and then piled it at the entrance of the cave and lit it.

Phew...

In an instant, the fire burned quickly and spread rapidly towards the cave.

...

Leng Yue dragged Yue Feng, and after entering the cave, he quickly probed inside.

“Beauty!”

At this time, Yue Feng tore off the silk belt on his head, and said with a speechless smile: “You can’t protect yourself, so don’t take me with you.” I

didn’t know who was chasing Leng Yue before. , Until when he was at the entrance of the cave just now, when he heard Leng Yue put down his harsh words, Yue Feng realized that it was the people from Beihai Xingsu who had been chasing her.

He is the pavilion master of Pill Pavilion, and he is allied with Beihai Xingsu, so naturally he doesn’t panic, but at this time, seeing Leng Yue’s exhausted appearance, he finds it funny, so he can’t help but tease.

“shut up!”

Leng Yue was in a very bad mood at this time, and when she heard Yue Feng’s words, she immediately shouted: “You and Hao Dashuang harmed me before, how could I easily let you go?” As she said, Leng Yue

continued to move forward.

This cave is winding, there are many forks, there must be other exits to leave.

This woman is so interesting.

Hearing this, Yue Feng laughed secretly, he was chased as a bereaved dog, and he still held revenge like this.

Thinking to himself, Yue Feng looked around, and through the weak light, he saw some natural yellow crystals growing on the stone walls on both sides, and could smell a pungent odor vaguely.

Damn, so many brimstones?

Yue Feng has been in the rivers and lakes for a long time, and he is very knowledgeable. At a glance, he can see that there is a natural sulfur cave in front of him. Sulfur is a flammable ore, and the odor it emits is harmful to the human body.

No wonder this cave, very few people come in.

Upon discovering this, Yue Feng didn't take it to heart, and was ready to say goodbye to Leng Yue. He has almost recovered his divine power now, and is eager to return to Beihai Xingsu to join Jiang Hongyu and Xiaorou, so there is no need to pretend.

Huhuhuhu...

However, before Yue Feng could open his mouth, he saw a raging fire that spread rapidly in the direction of the entrance of the cave. Wherever the fire passed, the sulphur in the cave was directly ignited.

Chapter 5124

Almost in the blink of an eye, the entire cave was raging with fire, and the air was instantly filled with scorching breath.

Not only that, after the sulphur stones in the cave were ignited, a pungent smell filled the entire cave, almost making people faint.

Cough cough...

In an instant, the pungent breath hit, Leng Yue couldn't help coughing a few times, her delicate face was also full of anger, and subconsciously said: "Damn, those people from Beihai Xingsu actually set fire to it. "

Yue Feng smiled slightly, but did not respond.

He is a mysterious saint, and the surrounding fire and pungent smell have no effect on him.

However, Leng Yue couldn't stand it anymore. She had used a stunt before, and her internal strength was severely exhausted. She had just fled all the way and was exhausted. At this time, she was almost powerless in the face of the surrounding fire.

At first, Leng Yue, with her tenacious personality, could barely endure it, but gradually she couldn't stand it anymore. Her delicate face was extremely red, and her delicate body was dripping with sweat.

These damned North Sea Constellation disciples.

Under the scorching fire and the pungent smell, under the constant invasion, Leng Yue's eyes were filled with incomparable anger, scolding inwardly, she wanted to rush out and start killing.

But she also knew in her heart that her internal strength was severely exhausted. Even if she rushed out, she was afraid that she would be captured by the opponent if she couldn't kill a few people.

But if you don't go out, facing the fire and thick smoke in the cave, you will not be burned to death, but will suffocate to death.

call!

Under the anxiety, Leng Yue was completely unable to calm down. At the same time, the surrounding heat waves hit, sweat dripping from the body, the long skirt was completely soaked, and the perfect curve was completely revealed.

I go...

Seeing this scene, Yue Feng couldn't help taking a deep breath and swallowed his saliva.

I have to say, this Leng Yue is really sexy, especially those long legs, which are superb.

Swish!

Aware of Yue Feng's gaze, Leng Yue was furious: "You are courting death!" As she finished speaking, she drew out her long sword and stabbed at Yue Feng at once.

In her heart, since she could not survive, she would kill Yue Feng first.

What made her even more angry was that, before she died, she was almost seen by Yue Feng, which was absolutely intolerable.

What the hell!

Yue Feng was startled when he saw Leng Yue's long sword stabbing, and wanted to cry without tears: "Hey, calm down." This woman's personality is too hot, just looking at you, she will die?

However, the cold moon did not stop at all, and even accelerated.

Um?

Seeing that the long sword was about to stab Yue Feng, Leng Yue suddenly discovered something, stopped abruptly, looked at Yue Feng up and down, and asked incredulously, "You... why are you okay?" Leng Yue

at this time Surprised to find that under the raging fire around him, Yue Feng's expression was as usual, and not even a drop of sweat appeared.

This person has no strength at all, so he is not afraid of fire?

It's so weird.

At this time, Leng Yue still didn't know that Yue Feng possessed the body of a mysterious saint, not to mention ordinary fire, even the divine fire of God's Domain could do nothing to him.

broken!

Facing Leng Yue's suspicious gaze, Yue Feng quickly scratched his head, revealing his identity.

However, Yue Feng's eyes flashed, and he explained with a smile: "This, I don't know either. Half a year ago, I took a strange medicine pill, and it seems that I am not afraid of fire." The

truth can't be told, only nonsense . Eight.

Weird elixir?

Hearing this, Leng Yuexiu frowned, and couldn't help but ask, "What kind of medicine?" I have been involved in the arena for so many years, and I have never heard of any medicine that will make you not afraid of fire.

Yue Feng shook his head solemnly: "I don't know, anyway, after taking the medicinal pill, as long as there is fire around, my body will become extremely cold." As

he said, he secretly observed Leng Yue's reaction.

Is there such a thing?

Hearing this, Leng Yue couldn't help but stretch out her hand and touched Yue Feng's arm. As expected, she felt icy cold, which was in complete contrast to her own state of burning fire.

For a time, Leng Yue only felt that her brain was buzzing, completely messed up.

His strength is so high that he is almost burned to death. He is an ordinary person who has no strength, and he is not afraid of fire.

It's really people-to-people, maddening people.

Chapter 5125

"Then..."

Depressed, Leng Yue put away the long sword and looked at Yue Feng with a burning gaze: "Then is there any way for you to make me not afraid

of fire like you?" When saying this , There was a hint of anticipation in Leng Yue's eyes.

This....

Yue Feng scratched his head and made a thoughtful look: "Yes, yes, but..."

Before she finished speaking, Leng Yue interrupted eagerly: "Hurry up and help me. "

Haha...

Yue Feng showed a smile and said slowly: "You are really unreasonable woman. You wanted to kill me just now, and now you want me to help you? Do you think it is possible?"

Shuh!

Hearing this, Leng Yuejuemei's face turned red all of a sudden, and then said coldly: "Okay, if you don't help me, I will kill you before I get burned.

" Yue Juemei's face was full of coldness. This person is really hateful, dare to threaten me?

I go!

Feeling the killing intent in Leng Yue's eyes, Yue Feng was speechless, this woman was really ruthless and wanted to kill at every turn.

But Yue Feng also knew that she had a chance to survive, so she didn't dare to do it.

Thinking to himself, Yue Feng made a fearless face: "Anyway, in your hands, I have no hope of surviving. If you want to kill, kill it."

"But if you want my help, you have to promise me. One condition, otherwise, even if you kill me, I will not help you."

"You..."

Seeing that he dared to talk about the conditions at this time, Leng Yue was very angry, but she still said coldly: "What conditions?" Yue Feng guessed right, she now knows that Yue Feng is not afraid of fire and will not act easily.

After all, no one wants to die.

Haha...

Seeing her willing to compromise, Yue Feng felt extremely happy, and said with a smile: "I don't make it difficult for you, so please beg me, call me a good husband, and I will help you!"

What? ?

Hearing this, Leng Yue's pretty face changed, and a strong killing intent permeated her body: "You are courting death!" When the

voice fell, Leng Yueyu turned over her hand, clenched her long sword, and pointed directly at Yue Feng's heart. .

I am a dignified saint of the red-clothed religion, pure and clean, but this bastard in front of me actually wants me to call him a good husband? What about daydreaming?

Ugh!

Seeing her angry look, Yue Feng didn't panic at all, and said lightly: "If you don't want to, forget it, there's no need to kill someone if you don't move, right?"

After speaking, Yue Feng looked around at the burning fire around him: "Anyway, I will die at your hands sooner or later, so it's not too much to ask you to call me a good husband before I die, right? Besides, this cave is filled with brimstone, no matter how strong you are, you won't be able to support it for long. "

Besides, it's just the two of us here. It's impossible for you to tell me about my husband."

"Dignity is important, but it's not as important as life."

Hu...

Hearing this, Leng Yue Biting his lip tightly, he didn't respond, but his heart was a little shaken.

Yes, fame is important, but it's not as important as life.

It's just that name, how do you call it out? Too shy.

Thinking to herself, Leng Yue gritted her teeth secretly and continued to persevere, but within half a minute, her whole body was reddened by the fire, and her beautiful face also showed a trace of pain.

"Okay..."

At this moment, Leng Yue chose to compromise, biting her lip tightly, and shouting at Yue Feng, "Okay...good husband." The

voice was so small that if you didn't listen carefully, you wouldn't be able to hear it . .

"What?"

Yue Feng stood there with his hands behind his back, looking like he was beaten: "What are you calling me? I can't hear you at all."

Haha...

This Lengyue, relying on herself as a red -clothed The saint who taught, is cold and arrogant, and finally in front of me, did you want to let go of your dignity?

This bastard.

Leng Yue is a smart woman, at a glance it can be seen that Yue Feng is deliberately pretending, at that time he stomped his feet in anger, but did not dare to attack, just shouted again: "Good Xianggong, you... help me. "

When she called out this title again, Leng Yue felt an indescribable shame. The man in front of him, who had no strength at all, made me so embarrassed.

Wait until you leave the cave safely and watch how I torture you.

Um!

Seeing Leng Yue shouting again, Yue Feng nodded with satisfaction and said with a smile: "Okay, seeing you are quite sincere, I will help you."

The ultimate husband in Chinese chapter 5126-5130

Chapter 5126 Huh

...

Seeing that he finally agreed to help, Leng Yue was very happy, and quickly said: "Then please help me."

Yue Feng nodded and said with a smile: "Actually, my method is also very simple, As long as you stick close to me, you can relieve your burning sensation." As

he spoke, Yue Feng looked up and down at Leng Yue, with a wicked smile on his face.

Yes, Yue Feng is deliberately teasing Leng Yue. This woman often has a high-level attitude. How can she miss such a good opportunity to play with her?

However, Yue Feng is not talking nonsense. He is a mysterious saint. As long as Leng Yue is next to him, he will not be attacked by the surrounding fire.

Swish!

Hearing this, Leng Yue's delicate body was shocked, her beautiful face was extremely red, and her heart was also filled with shame and anger.

This... This Yue Feng is really an asshole. It's not enough to take advantage of him just now, and now he wants to have a skin-to-skin relationship with him. If he does what he says, how will he meet people in the future?

Frightened, Leng Yue couldn't bear it anymore, stared at Yue Feng fiercely, and said tenderly, "You're playing with me, do you want to die?" With that, she raised her jade hand and pulled out her long sword.

The dignified red-clothed saint was actually teased by a scoundrel of the Four Seas Alliance. If this were to spread out, why would there be any shame?

Ugh!

Seeing Leng Yue draw out the long sword again, Yue Feng did not panic at all, but sighed: "Why do you draw the sword at every turn, I didn't lie to you, what I said was true."

"Half a year ago, I A little cousin was surrounded by fire, and I was the one who rescued her. When I carried her through the fire, I thought she would be burned, but it turned out that she was fine."

"So, I have practiced this kind of thing personally, so I will tell you this. Don't think that I am taking advantage of you."

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng was serious, but he laughed in his heart.

Leng Yuehan did not speak with a cold face, but her heart was slightly shaken.

As he said....does this really work?

But.... I am pure and clean, if he is carried on his back, how embarrassing.

"Oh, forget it!"

Seeing her hesitating, Yue Feng pretended to be indifferent and said: "Since you don't want to, then treat it as if I didn't say it, and kill it if you want. Anyway, there is a stunning beauty like you buried with me. I'm not at a loss." The

voice fell, Yue Feng raised his neck and closed his eyes.

call!

Seeing this situation, Leng Yue took a deep breath and fell into a tangle in her heart.

It would be too unwilling to be burned to death like this.

Forget it, it's just me and him here, no third person sees it, so let him carry it.

Thinking of this, Leng Yue put away the long sword, finally compromised, biting her lip: "Then...then back me." The last word fell, her face flushed red, like a ripe apple.

Hehe...

Hearing this, Yue Feng secretly laughed in his heart, this cold moon is really interesting, after struggling for so long, don't you have to compromise in the end?

Muttering in his heart, Yue Feng nodded and squatted down with Leng Yue on his back. At this moment, Leng Yue hesitated for a moment, but slowly climbed up, with a pair of jade arms tightly hooking Yue Feng's neck.

hiss...

At this moment, I felt Leng Yue's soft body, clinging to her tightly, and at the same time, a charming fragrance continued to come, Yue Feng couldn't help taking a deep breath, and the whole person was fascinated.

It's so soft and fragrant.

With emotion in his heart, Yue Feng held Leng Yue's legs tightly with both hands, and walked forward quickly, looking for the exit of the cave.

Leng Yue was tensed up and didn't dare to move, but she could feel Yue Feng's hands on her legs, constantly bumping up and down as she walked, and suddenly felt a strange feeling flooding deep inside her heart. Getting up....

But what surprised her was that her body was close to Yue Feng, and she only felt a cold feeling coming from Yue Feng Mountain, and the scorching atmosphere around her suddenly felt less uncomfortable.

This is amazing.

Feeling these, Leng Yue was extremely surprised.

This Yue Feng seems to be ordinary, but he did not expect that his body is so special that he is not afraid of fire.

“You...”

But after walking for a while, Leng Yue felt that Yue Feng’s hands seemed to have changed positions, and suddenly became shy: “You... don’t put your hands too high...”

Chapter 5127

When saying this, Leng Yue’s beautiful face was blushing.

She clearly felt that every time Yue Feng took a step, his hands on her legs would collide back and forth, which was really uncomfortable.

Uh... Hearing this, Yue

Feng couldn’t help laughing and crying: “Fairy, if I don’t hold your legs, why should I carry you on my back? Just bear with it.”

Hold her up.

Leng Yue was shy, but she didn’t know how to refute it.

A few seconds later, Leng Yue thought of something, bit her lip and said coldly: “By the way, this time in the cave, you will rot to my stomach, if you go out and you dare to talk nonsense, I will make you unable to survive. , I can’t beg for death.”

Letting him carry it like this has violated her own life principles, and it is also the limit she can bear in her heart.

Haha...

Seeing her at this time, still caring about her own reputation, Yue Feng couldn’t laugh or cry, and responded slowly: “Fairy, my life is still in your hands, how can I go out and talk nonsense?”

“Besides, this The environment of the cave is complicated, it is hard to say if there is a second exit, maybe, we will both die here in the end.”

Hearing what he said, Leng Yuexiumei frowned, but she couldn’t help but scold: “Shut your crow’s mouth.” You are still young and haven’t done a lot of things, how can you just die like this?

“Okay, I’ll shut up.”

For a while, Yue Feng quarreled with Leng Yue, braving fire and moving forward quickly.

....

the other side at this time.

In the broken temple, Xu Wenliang and Zheng Xuan were still fighting fiercely.

Bang bang bang...

At this time, the two collided continuously in mid-air, and saw Xu Wenliang’s face pale, and Zheng Xuan’s figure was also shot down. When he landed, he stepped back several dozen steps before he stabilized his figure.

“Haha...”

Zheng Xuan sneered and sneered: “A disciple of Nianhua Palace in the district dares to pose in front of this old man. Now I know that there are people outside, and there is a heaven outside?” The

voice fell, Zheng Xuan’s figure flashed, and he again turned towards Xu Wenliang rushed over.

Mad!

In the face of this situation, Xu Wenliang was furious. He was the chief disciple of Nianhua Palace, when did he suffer such a loss, and under his anger, he directly broke out all his inner strength.

hum!

The next second, Xu Wenliang suddenly slapped his palm, and saw a strange red light flashing in the palm of his hand. Moreover, where the palm shadow passed, the surrounding air was also filled with a strong bloody smell.

It is in the rumors of Jianghu, the most yin and evil practice, the blood shadow palm.

Um? Blood Shadow Palm?

Feeling the power of this palm, Zheng Xuan’s expression changed, and he quickly pushed back to the side. He was the Great Elder of Beihai Constellation.

Although he is strong and powerful, it is not easy to face Xu Wenliang’s desperate blow.

Whoosh!

Taking advantage of Zheng Xuan's chance to dodge, Xu Wenliang turned around and ran without any hesitation.

Almost in the blink of an eye, Xu Wenliang disappeared from Zheng Xuan's sight.

Mad!

Seeing Xu Wenliang flee, Zheng Xuan was very annoyed, and he did not hesitate at all, and immediately chased after him.

.....

On the other side, in the cave.

call!

Carrying Leng Yue on his back, Yue Feng walked along the winding cave for about half an hour, and finally saw a hidden exit in front of him.

Haha...

Seeing the exit, Yue Feng was very excited, showing a smile and exclaimed: "Great, we are finally out." With that, he carried Leng Yue on his back and quickly got out of the cave.

Leng Yue is also very happy.

Great, finally get out of this damn cave, and don't have to worry about being burned to death.

Thinking of the embarrassment just now, the anger in Leng Yue's heart was all counted on Beihai Xingsu's head. At this time, her face was gloomy and cold, and she vowed in her heart: Beihai Xingsu, the humiliation you gave me today, one day, I will let you all Tenfold refund.

After secretly swearing, when she saw that she was still on Yue Feng's back, Leng Yue's beautiful face was instantly red, and she quickly ordered: "Quick, let me down."

After leaving the cave, who knows if there is anyone nearby? It would be too embarrassing to be seen on Yue Feng's back.

Chapter 5128

Well!

Seeing her eager tone, Yue Feng smiled secretly, nodded, and then let go of his hands.

When he was free, Leng Yue quickly jumped off Yue Feng's back, but because he was too anxious, his right foot caught the vines next to him. At that time, his footing was unsteady, and he fell to the ground with a squeak.

At that time, Leng Yue's right hand was still holding Yue Feng's shoulder, so she fell to the ground and brought Yue Feng down along the way.

puff.

Coincidentally, Yue Feng fell to the ground, just pressing on Leng Yue's body, and the distance between the two's faces was less than one centimeter.

call!

At this moment, feeling the fragrant soft body under him, Yue Feng's mind suddenly went blank, and when he smelled the fragrance, his whole body was messed up.

At the same time, a pair of eyes could not help but admire Leng Yue.

gorgeous.

I have to say that this Lengyue not only looks beautiful, but also has a superb body, especially the touch, it is absolutely amazing.

Leng Yue was also blinded, staring at Yue Feng blankly, unable to speak for a while.

For a time, the two were so close to each other, very ambiguous, and the atmosphere was indescribably subtle.

"You..."

Finally, after a few seconds, Leng Yue calmed down and scolded in shame and anger: "You are still looking around, believe it or not, I will gouge out your eyes and get out of the way."

Saying this At that time, Leng Yue's beautiful face was flushed with anger and shyness.

As a saint of the Red Clothes Sect, she was taken advantage of by Yue Feng over and over again. At this time, Leng Yue's heart was dead.

Seeing her annoyed look, Yue Feng said in disbelief: "Fairy, when you came down, you brought me down, and I was on top of you. Why do you blame me for coming?"

This woman has a strong personality, and she passed through the cave just now. things, do not know convergence yet.

“You...”

Leng Yue was furious, but couldn't refute.

Because what Yue Feng said was right, it was true that she didn't get it right when she went to the ground just now, which caused her to fall.

It's just that she is a saint, she thinks her status is higher than Yue Feng, and in shame, she said coldly: “Don't mess with me, can't you get up?” This Yue Feng is really hateful, taking advantage of it, but also glib.

“Okay, I'll get up...”

Yue Feng closed it up when he saw it, and seeing that Leng Yue was really going to get angry, he got up with a smile.

Leng Yue also hurriedly sorted out the messy long dress, stood up quickly, her delicate face was still a bit blushing, and she was indescribably charming.

call!

After tidying up her clothes, Leng Yue looked around the surroundings and found that there was a valley in front of her, surrounded by dense woods, and the location was relatively remote, so few people came here.

Seeing such an environment, Leng Yue breathed a sigh of relief.

In such a remote place, there is no need to worry about being found by those people in Beihai Xingsu. Thinking of this, Leng Yue is ready to take Yue Feng and return to the Red Clothes Sect.

Hao Dashuang of the Four Seas Alliance robbed the materials of the Red Clothes Sect. Although the materials were not recovered, he brought Yue Feng back to give the sect master a message.

After all, Yue Feng was the VIP of Gu Sanniang, the chief of the Four Seas Alliance.

“Grumpy...”

Just before Leng Yue could speak, she heard Yue Feng's stomach growling.

Yue Feng scratched his head and said with a smile at Leng Yue: “Fairy, take a rest first, I'll go find something to eat.” Since being caught, Yue Feng has not gotten any water

until now, and just walked away with Leng Yue on his back. After a long day, I was very tired.

Although the divine power is almost restored, it is not enough to not eat.

Leng Yuexiu frowned, and without thinking about it, she scolded coldly, "I'm hungry!" This bastard, who took advantage of himself just now, still wants to find something to eat. What are you dreaming about?

Uh...

Yue Feng looked embarrassed, but still said with a smile: "Fairy, even if you want to take me back to the Red Clothes Sect for business, you must ensure my safety. You think, if I starve to death halfway, you It's inconvenient to carry a dead person, and when you meet your sect master, it's not easy to explain, right?"

Yue Feng's face was serious when he said this.

Hearing this, Leng Yue fell silent, and finally nodded: "Hurry up, if you let me know that you want to escape, you will never forgive me." After speaking, she sat there cross-legged and began to close her eyes.

Chapter 5129

Seriously, Leng Yue is not afraid of Yue Feng escaping. In her heart, this man is just not afraid of fire. He has no strength at all and can't escape from her palm.

More importantly, the environment here is complicated, and even if Yue Feng wanted to escape, he couldn't escape.

"Okay!"

Yue Feng has a keen insight and can see Leng Yue's thoughts at a glance, and immediately smiled: "We are already on the same boat. We have just experienced life and death together, how could I escape quietly?"

Said After that, Yue Feng turned around and walked towards the depths of the woods.

Hearing this, Leng Yue couldn't hide her disdain. This Yue Feng really has no formality at all. Who is in the same boat with you? However, she held her own identity, and did not say the words in her heart, but closed her eyes and rested.

Whoosh!

As soon as Yue Feng walked away, a figure came quickly, dressed in a white long gown, with a handsome figure, but his face was pale and looked a little embarrassed.

It was Xu Wenliang.

Half an hour ago, Xu Wenliang used the Blood Shadow Palm to escape, but was closely pursued by Zheng Xuan. Xu Wenliang was shocked and angry, so he had to use the surrounding complex environment to go around with Zheng Xuan. Just now, Xu Wenliang finally got rid of Zheng Xuan. .

Swish!

Hearing the movement, Leng Yue suddenly opened her eyes, and when she saw it was Xu Wenliang, she frowned, but her beautiful face did not fluctuate in the slightest.

At the same time, Xu Wenliang also saw Leng Yue, and suddenly showed a smile: "Oh, the fairy is here too." He said politely, but Xu Wenliang was furious in his heart.

Mad, this bitch, just abandoned me just now, let's see how I will deal with you later.

Um!

In the face of Xu Wenliang's enthusiasm, Leng Yue still had a cold look, nodded and asked, "Are you chasing troops behind you?" Before in the ruined temple, she used a stunt, which caused serious loss of internal strength, but just now in the cave He was almost burned to death again, and was very weak at this time.

In this case, Leng Yue needed to meditate quietly to recover, and naturally she had to ensure her own safety. If there were soldiers behind Xu Wenliang, it would be troublesome.

Madd...

Feeling Leng Yue's indifferent attitude, Xu Wenliang was very angry, but on the surface he smiled hypocritically: "Fairy, don't worry, I, Xu Wenliang, have always done things neatly and will never let a tail follow me."

Saying that, Xu Wenliang approached step by step and continued: "The Great Elder of the North Sea Constellation has been completely thrown away by me, but then again, the strength of that old thing is really strong."

"By the way, how about Fairy? Are you not injured?"

Xu Wenliang looked concerned when he said this, because he clearly noticed that Leng Yue seemed to be fine, but his face was a little pale, and he obviously consumed a lot of internal energy and was very weak.

"I'm fine." Leng Yue said lightly.

Hehe...

After hitting a soft nail, Xu Wenliang was not angry at all, but took out a pill from his body, and said sincerely: "It would be best if the fairy is okay, but the fierce battle before, should also be It has consumed a lot of internal energy, this Huiyuan Dan was given to me by my master, and it has the effect of quickly restoring internal energy, so I will give it to the fairy here."

Said and handed it to Leng Yue.

However, Leng Yue had no intention of accepting it at all, and said lightly: "My internal strength will recover soon, and I don't need medicine pills, but thank you for your kindness.

" Accept other people's things.

Well...

Xu Wenliang was a little embarrassed when his kindness was rejected, but he still put the medicinal pill on the grass in front of Leng Yue, and said with a smile: "Before, Fairy and I were in the same boat, and it was considered a hardship, and a mere pill counts as one. What? If the fairy really doesn't want it, just throw it away."

After speaking, Xu Wenliang's eyes flashed with a hint of treacherousness, and continued: "Fairy, I will go to the woods to see if there is any game, and I will come back to you later."

When the last word fell, Xu Wenliang strode away and disappeared into the woods in a blink of an eye.

Xu Wenliang was very cunning and knew that Leng Yue would not take the medicinal pill in person because of his face, so he deliberately found a reason to leave so that Leng Yue had a chance to take the medicinal pill.

Chapter 5130 Phew

...

Sure enough, seeing Xu Wenliang walking away, Leng Yue bit her lip lightly, hesitated, and picked up the medicine pill on the grass.

The moment she picked up the medicine pill, Leng Yue put it on the tip of her nose, sniffed gently, and a hint of joy appeared on her beautiful face.

Really Huiyuandan.

Speaking of which, although the alchemy technique of Ziwei Continent has been lost for nearly a thousand years, Leng Yue, as a saint of the Red Clothes Sect, is also well-informed. Half a year ago, she got two Hui Yuan in an ancient tomb. Dan, so you can see at a glance that this one is real.

Unexpectedly, this Xu Wenliang was quite generous.

Thinking of this, Leng Yue hesitated and ate the medicinal pill.

Xu Wenliang guessed well just now, Leng Yue held her own identity and was unwilling to take medicine pills in front of him. But now that Xu Wenliang was gone, Leng Yue naturally let go of her disguise.

After all, in the past, the internal energy was severely depleted, and it took at least an hour to just meditate and rest, but after taking Huiyuan Dan, it only took a moment to restore the peak.

However...

Leng Yue didn't know at this time that in the woods more than ten meters away, Xu Wenliang was watching this scene with great excitement.

Yes, just now Xu Wenliang was a fake, but he was actually hiding in the woods to observe Leng Yue's situation. Before Leng Yue decisively abandoned him, how could he be kind enough to give the medicine pill?

Speaking of which, the pill was indeed Huiyuan Pill, but it was also miserably mixed with some special drugs in the rivers and lakes by Xu Wenliang.

Xu Wenliang is lecherous by nature. He used to walk around the world and often used medicinal pills to deceive women. This time, he was abandoned by Leng Yue, so he naturally had to take revenge.

"Hey-hey..."

Seeing Leng Yue taking the medicinal pill at this time, Xu Wenliang couldn't help laughing, and walked out of the woods with a proud face: "The fairy is really hypocritical, she doesn't eat it face to face, but she still takes it behind her back. "

What? I, Xu Wenliang, are in your heart, so I'm so annoying?"

When he spoke, Xu Wenliang's tone was mocking, completely losing the polite look he had before.

Swish!

Seeing Xu Wenliang's sudden appearance, Leng Yue's pretty face changed, and she immediately stood up and said coldly, "What do you mean by saying this?" She was so smart, how could she not see that Xu Wenliang just left fake.

"What do you mean?"

Xu Wenliang sneered: "Fairy, you know how I treated you before, but when the Beihai Xingsu gang besieged us, how did you treat me? You decisively abandoned me at that time."

"It is said that the most poisonous woman's heart is indeed the case. I am so good to you, but you have abandoned me like a shoe! However, I, Xu Wenliang, have always had clear grievances, how can you treat me? Can't I? Will you come back with revenge?"

As he spoke, Xu Wenliang looked at Leng Yue's charming curves recklessly.

Swish!

Hearing these words, Leng Yue sneered: "Do you want revenge? It's up to you..." As she said that, Leng Yue was about to stimulate her internal strength, but at this moment, she was shocked to find that her internal strength was useless at all. When she came out, her delicate body was so weak that she could barely stand.

What made her even more irritated was that after taking the Huiyuan Pill just now, not only did her internal strength not recover, but there was an uncontrollable force in her body, wreaking havoc in the meridians.

"You shameless person." Leng Yue was a smart woman, she knew instantly that the pill was poisonous, and glared at Xu Wenliang: "You dare to poison me? Have you thought about the consequences?"

Leng Yue was very angry at this time. He never thought that Xu Wenliang in front of him would be so despicable.

Haha...

Xu Wenliang laughed, approached step by step, and said proudly: "Fairy, this is your fault, only if you abandon me, you can't let me deal with you?"

"Besides, The one you took just now was indeed Huiyuan Dan, but I added a magic drug to it, haha, and once this magic drug occurs, no matter how reserved a woman is, she can't control herself, haha.. ."

What?

Hearing this, Leng Yue's delicate body shuddered, only to feel a dry heat coming from her body.

Immediately, Leng Yue glared at Xu Wenliang with incomparable shame and anger: "You despicable and shameless person, dare to do such a thing to me, I warn you, take out the antidote immediately, or you will die without a place to be buried. !"

Chapter 5131

In addition to anger, Leng Yue was a little annoyed at this time.

I have been very cautious all these years in the arena by myself. Why did I relax my vigilance just now?

After all, this Xu Wenliang was too cunning.

Haha...

In the face of Leng Yue's shame and anger, Xu Wenliang smiled evilly and stared at Leng Yue's slender curve: "Fairy, you can't say that, as the saying goes, you are unkind and I am unjust, before. If you didn't leave me alone, I wouldn't treat you like this."

"But, I'm not a man who cares about me. If you take care of me later, I will be responsible for you, haha..."

"Speaking of which, although you are a saint of the Red Clothes Sect and have a high status, I am also the chief disciple of Nianhua Palace, and I am not a high-ranking student, right?"

Xu Wenliang smiled and grabbed the last word. Cold Moon's wrist.

Swish!

At this moment, Leng Yue's delicate face was full of disgust and contempt, and she shouted: "Get out of my way..." As she spoke, she wanted to stimulate her inner strength to expel the magic medicine in her body.

It's just that the magic medicine contained in the Yuan Dan was very tricky. At this time, it had been scattered into the meridians of her whole body, and it couldn't be removed for a while.

Under this circumstance, Leng Yue's body was weak and weak, let alone killing Xu Wenliang, it would be difficult to protect himself.

"Hey..."

Leng Yue's scolding did not make Xu Wenliang restrained, but stimulated his interest, and said with a sinister smile: "My beauty, I finally fell for you and took medicine, how can I get out of the way? Woolen cloth."

When the last word fell, Xu Wenliang grabbed Leng Yue's wrist. At that time, Leng Yue subconsciously avoided the medicine, but she was so weak and weak that she couldn't escape at all, and the jade hand was immediately grasped tightly.

call!

Grabbing Leng Yue's hand, Xu Wenliang became more and more bold: "The fairy is so beautiful"

"Haha..."

Leng Yue almost fainted and struggled hard.

While struggling, Leng Yue's pretty face was frosty, and she kept scolding: "Xu Wenliang, you shameless person, let me go."

At this time, Leng Yue really wanted to tear Xu Wenliang apart, but only The magic drug in her body has begun to attack.

"Hehe!"

The more angry Leng Yue was, the more excited Xu Wenliang looked at it: "Fairy, don't be angry." When the

last word fell, Xu Wenliang leaned over.

You bastard, shameless...

At this moment, Leng Yue was so ashamed and angry, she wanted to die immediately, and she was completely desperate in her heart.

How could he be so unlucky, first in the cave, being taken advantage of by that Yue Feng, and now in the hands of Xu Wenliang.

Could it be... is this God's will?

She is a dignified saint in the red dress, holy as jade, how can she have the face to walk around the rivers and lakes in the future? How can I go back to meet the priest?

If his innocence is gone, he might as well just die.

Haha...

Seeing the despair flickering on her face, Xu Wenliang knew that she had accepted her fate. At that time, her heart was very happy: "My beauty, hehe..." The voice fell, and he was about to go further.

"Oops?"

However, at this critical moment, there was a sudden surprise in the woods behind him.

It was Yue Feng's voice.

Hearing the surprise of this life, Leng Yue quickly closed her eyes, embarrassed and angry, wishing she could find a crack to burrow in.

She was a dignified saint who was almost humiliated by Xu Wenliang, and now she was seen by Yue Feng. It was over, and she was completely embarrassed.

Chapter 5132

Swish!

At the same time, Xu Wenliang was also shocked and looked back quickly.

Seeing Shi Yuefeng, Xu Wenliang's face darkened instantly, Ma De, is this kid?

The good thing was interrupted, Xu Wenliang was in a bad mood, and he said coldly to Yue Feng, "Are you still dead?" Just now, when I found out that there was only Leng Yue alone, Xu Wenliang subconsciously thought that Yue Feng was on the run. died.

At this time, Xu Wenliang was very surprised to see that Yue Feng was safe and sound.

Thinking that it was because of him that Leng Yue abandoned herself, Xu Wenliang felt even more angry.

Nima!

Hearing this, Yue Feng couldn't help but scolded in his heart, this Xu Wenliang is really despicable, if I can't get the medicine pill from me, I wish I could die sooner.

Cursing inwardly, Yue Feng smiled slightly, and said to Xu Wenliang: "What you said is very wrong, you are not dead yet, how could I die first?"

While speaking, Yue Feng observed the situation.

Just saw Leng Yue lying on the grass, her long dress was messy, and her long, long, snow-white legs were exposed to the air, so tempting, any man would fall completely when he saw it.

However, there were tears and despair on that beautiful face.

Xu Wenliang was half-kneeling in front of her, holding Leng Yue's skirt tightly in his hand.

Yue Feng was a visitor, and he could see at a glance what the situation was. Obviously, Xu Wenliang wanted to forcibly sully Leng Yue.

Swish!

Hearing Yue Feng's answer, Xu Wenliang instantly became angry and shouted angrily: "What did you say in your special code?"

This Yue Feng, dare to curse me to death?

Feeling his anger, Yue Feng showed a smile and said slowly: "Just kidding, what are you excited about?"

After saying that, Yue Feng deliberately looked at Leng Yue: "I'm so sorry to disturb the world of the two of you. , I didn't see anything, you continue, continue haha." The

last word fell, Yue Feng waved his hand with a smile, turned around and ran towards the woods.

He deliberately understatement, in fact, to save Leng Yue. Because Yue Feng knew in his heart that Xu Wenliang wanted to get a panacea in his dreams, and he would not let him run away so easily.

"You..."

Seeing Yue Feng's reaction, Leng Yue's beautiful face suddenly turned red, and she was so embarrassed that she almost fainted.

This bastard, Yue Feng, thought that I was willing to be like Xu Wenliang...

Xu Wenliang was also extremely hot.

In his heart, it was important to enjoy Leng Yue's tenderness, but he couldn't let Yue Feng run away.

"Kid, stop for me!" In the

next second, Xu Wenliang shouted angrily, urging his figure to chase directly towards Yue Feng.

Yue Feng guessed it well. Xu Wenliang wanted to get the medicine pill, how could he let him run away? As for Leng Yue, now that she has taken the magic medicine, there is no threat at all. After capturing Yue Feng, it will not be too late to come back to enjoy it.

“Oops!”

At this time, Yue Feng had already rushed into the woods, and when he saw Xu Wenliang chasing after him, he couldn't help shouting: “Xu Wenliang, if you don't enjoy the two-person world with the beauty, why are you chasing me? I'm not your father.”

“Shut up and stop.”

“Hehe, if you told me to stop, I would stop? How old are you?”

Xu Wenliang was very angry because he was disturbed by Yue Feng. At this time, he dared to yell at him, and the anger in his heart was even more rushing up.

In the blink of an eye, Yue Feng and Xu Wenliang disappeared into the woods one after the other.

Huh...

Listening to the shouting and scolding of the two getting farther and farther, Leng Yue, who was lying on the grass, endured the shame in her heart and took a deep breath.

Although Yue Feng was a fool and was not serious at all, he at least led Xu Wenliang away, and he was indirectly helping himself. Taking this opportunity, he quickly got rid of the magic medicine in his body.

Thinking to herself, Leng Yue hurriedly sat there cross-legged and started to run the exercises.

Oops...

But just after the exercise, Leng Yue's beautiful face suddenly revealed a trace of pain, and she was also shocked and angry.

She clearly felt that the more she activated the exercise, the faster the magic medicine in her body would spread, and her body became weaker in just a few breaths.

Also, his mind was a little dizzy.

Chapter 5133

How can this happen?

For a time, Leng Yue was so anxious that she almost cried.

.....

the other side.

Yue Feng and Xu Wenliang pursued in the woods one after the other.

At first, Xu Wenliang was still full of self-confidence, thinking that with his powerful strength, he could easily catch Yue Feng, but after chasing him for a few minutes, something was wrong.

What's the matter, this kid is so fast?

At this moment, Xu Wenliang stared at Yue Feng who was more than ten meters in front of him, feeling annoyed and surprised at the same time. No matter how fast he increased his speed, Yue Feng, who was in front of him, always kept a distance of more than ten meters from him. No matter how fast Xu Wenliang accelerated, he couldn't catch up.

This made Xu Wenliang very puzzled.

No, although this Yue Feng is the pavilion master of Pill Pavilion, but he has no strength, how can he run so fast?

At this time, Xu Wenliang didn't know that Yue Feng secretly exerted his divine power, and he could travel thousands of miles away in an instant. Let alone him, it was his master, the palace master of Nianhua Palace, and he could only follow him. Ashes in the back.

Swish!

A few minutes later, when he reached a bamboo forest, Yue Feng felt that he was almost there and stopped abruptly.

It should be a few miles away from Leng Yue. Even if what happened, she didn't know.

Thinking of this, Yue Feng turned his hands behind his back and looked at Xu Wenliang with a smile that was not a smile.

Mad!

Seeing that Yue Feng finally stopped, Xu Wenliang scolded secretly, and also slowed down his pace, with a grim expression on his face, and said coldly to Yue Feng: “Boy, are you not running?”

This bastard, who disturbed his own good things just now, and also made abusive words, he must take care of him later.

Haha..

Seeing his expression, Yue Feng chuckled lightly: “Xu Wenliang, have you forgotten, how did you kneel down and beg me for mercy when you were in the square of Chunyang Palace?”

When he said this, Yue Fengyi His face was indifferent, and there was no tension in the face of danger.

Swish!

Seeing him mention what happened a few days ago, Xu Wenliang’s face was extremely ugly in an instant, and his hands were clenched tightly. You must know that a few days ago, in the square of Chunyang Palace, he was beaten in public by Yue Feng, and finally had to admit defeat. For Xu Wenliang, it is a lifetime of shame.

At this time, Yue Feng deliberately brought it up again, no doubt adding another fuel to the anger in his heart.

“I think you’re courting death!” In his anger, Xu Wenliang couldn’t help but scolded: “Nima, don’t think you’re the Pill Pavilion Master of Chunyang Palace, I wouldn’t dare to do anything to you.

” In the square, it’s just a fluke, and if I want to kill you, it’s as easy as crushing an ant.”
As

he spoke, Xu Wenliang’s eyes almost burst into flames.

Ugh!

Seeing his reaction, Yue Feng shook his head and sighed: “Xu Wenliang, do you know that I also gave you a chance that day. I thought you would be able to restrain yourself, but you didn’t expect that you would not change your mind.

”, Yue Feng’s eyes became serious: “I’ll give you one last chance now, you just swear that you won’t do harm to the world and humiliate women in the future, and I will spare your life.”

“Otherwise, you will be at your own risk.” The

voice was not loud, But there is an irrefutable majesty.

Yes, Yue Feng is too lazy to continue to pretend, anyway, there is no one around, so there is no need to worry about his identity being exposed.

“Go to your code.”

Hearing this, Xu Wenliang was stunned at first, thinking that he had heard it wrong, and after a few seconds, he cursed: “What is your special code? You only know how to refine a few pills. How dare you point fingers at me?”

“Ma De, you give me a chance? I will kill you now.”

Om!

The last word fell, Xu Wenliang was too lazy to talk nonsense, his inner strength exploded, the whole person rose into the air, pulled out his long sword, and drew a shock in the air, coming straight towards Yue Feng.

I saw that wherever the long sword passed, the sky seemed to be torn apart, and the power was amazing.

Haha...

Seeing Xu Wenliang burst out, Yue Feng smiled slightly, disdainfully.

“Since you are obsessed, then today I will act for heaven and get rid of you scum.” In the

next second, a cold voice came out of Yue Feng’s mouth, and immediately activated his divine power, slowly raising his right hand, towards the flying body. Xu Wenliang, who came, slapped him.

Chapter 5134

This palm seems light and has no strength, but Xu Wenliang clearly saw that the surrounding air suddenly distorted.

Um? what’s the situation?

Xu Wenliang frowned, secretly surprised.

This Yue Feng is only good at alchemy, and has no strength at all. How can he suddenly burst out such a powerful force?

hum?

Just when Xu Wenliang was secretly surprised, he saw a golden palm shadow condensed in front of Yue Feng. The palm shadow was completely condensed by divine power, and the golden light shone.

Gudong...

Seeing this, Xu Wenliang couldn't help swallowing his saliva, completely panicking.

Such a strong breath...

This... This Yue Feng is not without strength, but hidden.

It's just... What kind of exercises did he practice, and he was able to condense a golden palm shadow...

For a moment, Xu Wenliang's heart trembled, how could he still look arrogant just now, his forehead was dripping with cold sweat instantly, and the long palm in his hand The sword was almost unsteady.

At this time, Xu Wenliang didn't know that Yue Feng, who was in front of him, didn't belong here at all, and his strength was far beyond his imagination.

"I..."

Under the horror, Xu Wenliang quickly stopped the charge, and at the same time threw away the long sword, and said to Yue Feng in fear: "Pavilion Master, I have no eyes and I offended Your Excellency. Once..."

He was not stupid, from the golden palm shadow that erupted from Yue Feng, he knew that he was far from an opponent, and if he really fought, he would only die in vain. It is better to be soft if it is interrupted.

In the world of flowers on the rivers and lakes, he hasn't played enough, how can he die like this?

However, it was too late.

"Hehe..."

Hearing the begging, Yue Feng's face did not fluctuate at all, and he said coldly: "I gave you a chance just now, but you didn't grasp it properly. It's too late to beg for mercy now."

"Suffer to death!"

The last three words fell, Yue Feng raised his hand and waved, the golden palm shadow whistled and slapped towards Xu Wenliang.

Xu Wenliang was taken aback, and hurriedly picked up the long sword on the ground, mobilizing all his internal strength, trying to block the palm, however, it was just a man's arm acting as a cart.

boom!

The next second, the golden palm shadow slammed into Xu Wenliang, and he heard a miserable howl, and the whole person was shocked and flew out, and a rain of blood was sprinkled in the air. After flying more than 100 meters, it broke. It took a dozen trees to fall.

When he landed, Xu Wenliang was covered in blood, and he was out of breath.

A generation of scum in the rivers and lakes, life has come to an end.

call!

Yue Feng breathed a sigh of relief, restrained his divine power, turned around and walked in the direction of Leng Yue without looking at Xu Wenliang's body.

Just now Yue Feng saw that Leng Yue should have been restrained by Xu Wenliang, so she was powerless to resist Xu Wenliang's humiliation. Now that Xu Wenliang is dead, go back and help her.

Speaking of which, Yue Feng did not like Leng Yue, but even if this woman was abominable, she was not guilty of death.

Soon, reaching the grass, Yue Feng breathed a sigh of relief.

I saw Leng Yue still sitting there paralyzed, looking very weak, but her delicate face was bright red.

Um?

At this time, Leng Yue also saw Yue Feng, and immediately Xiumei frowned.

Why is Yue Feng back? What about Xu Wenliang?

In Leng Yue's heart, Yue Feng had no strength at all, and it was impossible to escape Xu Wenliang's pursuit, so he was very surprised to see him come back alone at this time.

“Where’s Xu Wenliang?” When Yue Feng approached, Leng Yue’s red lips parted slightly and couldn’t help asking. As he asked, he observed the movement around him.

Xu Wenliang was cunning and despicable, and even drugged himself, so he had to guard against it.

Haha..

Leng Yue’s action made Yue Feng laugh directly, and said slowly, “Xu Wenliang has been dumped by me. I don’t know where to go now.”

In order to avoid revealing his identity, he killed Xu Wenliang. Son, still don’t say it.

Dumped by you?

Hearing this, Leng Yue was stunned, her face full of disbelief: “Can you get rid of him?”

Yue Feng scratched his head, very casually: “Is it impossible? Let me tell you , I often live alone in the wild, especially in this complex environment, Xu Wenliang wants to catch me, but it’s not that easy.” After

speaking, Yue Feng changed the subject and looked at Leng Yue’s face: “Speaking of which, What’s wrong with you? Your face is so red?”

Chapter 5135

Swish!

Hearing the question, Leng Yue’s face changed, and she couldn’t tell the embarrassment. At that time, she bit her lip and said softly, “What’s your business?”

She must not say that she was drugged by Xu Wenliang, it’s too embarrassing.

Seeing her attitude, Yue Feng was speechless and said with a wry smile: “Okay, I’m talking too much. But I want to make it clear that we had no grievances, and I rescued you from the cave just now, so you should Let me go.”

Leng Yue’s expression was indifferent and did not respond.

At this time, she was thinking about how to get rid of the magic medicine in her body. How could she have the mood to discuss this with Yue Feng?

Uh...

Seeing that she didn't speak, Yue Feng was very embarrassed, scratched his head and said, "If you don't answer, I'll take it as your acquiescence. Do you need any help? If not, I can leave. Leng Yue

was so annoyed that she said coldly, "Hurry up and get out." Hearing this

, Yue Feng couldn't help laughing. This woman has such a big temper. It's time for her, and she's still looking high, forget it. , you can stay here slowly, I will not accompany you.

Thinking about it, Yue Feng turned around and left.

Just before taking a few steps, I heard Leng Yue, who was behind him, let out a low moan, revealing pain. This groan.

what's going on?

Muttering in his heart, Yue Feng stopped and looked back. When he saw it, he couldn't help but take a breath, and the whole person was stunned.

I saw Leng Yue curled up on the grass, her beautiful face full of pain.

Yes, just when Yue Feng turned around, Leng Yue tried to force her internal force to expel the magic drug from her body, but she failed again. Not only did it fail, but it also accelerated the onset of the magic drug.

What the hell, what's going on?

Seeing this, Yue Feng frowned secretly, and then couldn't help but ask, "What's wrong with you?"

I thought Leng Yue was injured just now, but now I found out that she seemed to be taking some kind of medicine, no need to guess, it must be Xu Wen bright.

Mad, that kid is really despicable and filthy, to actually use such a vulgar method

!

Just when Yue Feng was thinking about it, Leng Yue, who was blushing and lost her mind, suddenly sat up and hugged Yue Feng's leg.

"I'm uncomfortable." Leng Yue's red lips parted lightly, and she said painfully.

What the hell!

Yue Feng was startled, and quickly held onto her fragrant shoulder, and said seriously: "Don't panic, I'll help you!"

When Xu Wenliang was chasing him just now, Yue Feng remembered clearly that there was a water pool a few hundred meters away from here. , The water pool is shaded all the year round, and the water is cold. As long as Leng Yue is put into the water pool and the medicine in her body is driven out with divine power, she will be able to wake up.

Soon, near the water pool, Yue Feng carefully reached the shore and was about to put Leng Yue down.

"Uncomfortable!"

However, at this time, Leng Yuejue's beautiful face, her eyes were blurred, and she had completely lost her mind. She murmured, and her hands were tightly hooked around Yue Feng's neck.

puff.

The next second, Yue Feng was unstable, and together with Leng Yue, they both fell into the pool of water.

Suddenly immersed in the icy water, Yue Feng couldn't help shivering

despite being a mysterious saint, and then shouted in the direction of Leng Yue: "Hey, are you awake?" There was no response, his face was still extremely red, and when he heard Yue Feng's cry, he instinctively swam over and hugged Yue Feng tightly.

Yes, Leng Yue did not wake up, but instead stimulated the magical properties of the medicine in the body.

How could this be?

Feeling the softness of the cold moon in his arms, Yue Feng's mind was buzzing, blank, and he was extremely puzzled. It shouldn't be, this pool is so cold, even if she was addicted to the drug, she should wake up. , how is the situation even more serious?

At this time, Yue Feng still didn't know that Xu Wenliang's magic medicine was completely different from ordinary drugs. The more cold the environment, the faster the attack.

The ultimate husband in Chinese chapter 5136-5140

“Uncomfortable!”

At this time, Leng Yue, under the stimulation of the drug, had completely lost her mind, her eyes were wild and blurred, she hugged Yue Feng tightly, and kept mumbling:

“Quick. ..hold me....” The

voice fell, Leng Yue directly came over, a pair of hands hooked Yue Feng’s neck, and at the same time, the red lips also slowly moved up.

With the continuous invasion of the drug, Leng Yue is like a madman, completely lost the high-spirited attitude before, at this time, she is indescribably sexy and charming.

Om...

Feeling the softness of her red lips, Yue Feng only felt like his brain had exploded, buzzing.

Oops, that doesn’t seem to work.

The pool of water was cold enough to wake her up.

“You calm down...be sober...”

Thinking to himself, Yue Feng was a little anxious, and he didn’t hesitate at all at that time. He quickly activated his divine power and injected it into Lengyue’s Qingming point. The Qingming point dominates people’s senses of consciousness. As long as this acupoint is sealed, Leng Yue can be forced to wake up.

I have never used divine power before, because I am afraid that my identity will be exposed.

Moreover, Yue Feng also thought that this pool of water was enough to wake Leng Yue, but he never thought that this magic medicine was so domineering, in this case, he didn’t care about his identity.

Speaking of which, Leng Yue is very beautiful, it can be said to be a stunner of a generation. At this time, no man can refuse to give her a hug, but Yue Feng knows that he will leave sooner or later, and he must not leave any affection here. debt.

Chi Chi...

At this moment, Yue Feng turned his divine power and saw a touch of golden light on his right hand, and then a lightning-like point on Leng Yue’s Qingming Point.

“Well...”

Suddenly, such a powerful force poured into the body, Leng Yue’s delicate body trembled, and a low voice could not help but let out a low voice. All crispy.

Soon, the divine power injected into the body began to quickly dispel the medicinal power. Although Leng Yue was powerful, it was the first time she had experienced this.

Not only that, but there was also a trace of pain on that beautiful face...

Seeing this situation, Yue Feng did not hesitate, put his arms around Leng Yue’s waist, and hugged her tightly in his arms, guaranteeing that she would The movement should not be too large. You must know that when the divine power expels the medicinal power in her body, the reaction is too large, which will cause the expulsion to fail.

Once the expulsion fails, the situation will be even more dangerous, but at times, this divine power will remain in her body, and she is only a mortal, and she cannot withstand the power of divine power...

Therefore, Yue Feng can only hold her to ensure Leng Yue won’t move.

Yue Feng knew that this was too ambiguous, but for the safety of Leng Yue’s life, he couldn’t care so much.

Huh...

But even if Yue Feng had no other thoughts in his mind, at this moment, he was holding Leng Yue in his arms in the pool, feeling the slender curve, and he felt a little anxious.

This woman... is really life-threatening.

With emotion in his heart, Yue Feng simply closed his eyes and recited in his heart: “See no evil, speak no evil, and think no evil...”

While Yue Feng kept reciting and blew himself to sleep, Leng Yue was there. Under the flow of divine power in the body, the delicate body was still trembling, but was hugged tightly by Yue Feng, and the range of motion was much smaller.

Time passed by minute by minute.

One minute..

two minutes.

Finally, ten minutes passed, the magic medicine was completely expelled, and Leng Yue finally calmed down.

call!

Feeling that the magic medicine in her body had completely disappeared, Yue Feng was also completely relieved, and then pressed her Qingming acupoint to withdraw the divine power.

“You...”

As soon as she regained her divine power, she saw Leng Yue completely awake, looking at Yue Feng coldly with a pair of wonderful eyes: “What have you done to me?” When she spoke, Leng Yue’s face was extremely red.

She saw that she was hugged tightly by Yue Feng, with her hands still on her waist, how ambiguous her posture was.

Hearing Leng Yue’s opening, Yue Feng showed a smile: “Great, you are finally awake.” As he spoke, Yue Feng couldn’t help admiring Leng Yue up close.

At this time, the two were close to each other. Although they were soaked in the water, Yue Feng’s eyes were sharp. Through the water, he could clearly see the looming curve of Leng Yue...

Chapter 5137

Slap!

Just when Yue Feng was fascinated by it, Leng Yue was too embarrassed to bear, raised her right hand suddenly, and slapped Yue Feng’s face with a slap in the face: “You bastard, get out of here.”

Jiao drinking, Leng Yue struggled to break free from Yue Feng’s embrace, her eyes full of killing intent.

Although she doesn’t know what happened just now, but she pretends to be lofty and clean, how can she bear it when Yue Feng is hugged so tightly at this time?

I go!

Yue Feng covered his face and was very speechless: “Fairy, anyway, I saved you just now, why did you do it indiscriminately? You were poisoned by Xu Wenliang just now, you should be clear in your heart, right?”

” After I lead you away and come back to find you, the poison in your body will start to attack. There is no other way, I have to bring you to this pool to calm down.”

“If it wasn’t for me, you would have gone crazy.” As

he said, Yue Feng couldn't help but continue to admire Leng Yue's charming curves.

That 's right...

Hearing this, Leng Yuexiu frowned, suddenly fell silent, and began to recall what happened before.

Yue Feng is right. He was drugged by Xu Wenliang before. At that time, Xu Wenliang wanted to sully himself. At the critical moment, it was Yue Feng who appeared and led that bastard away...

But what happened to me later? Why can't you remember who came to this pool?

Thinking to herself, Leng Yue exhaled and asked lightly, "You really saved me? How did you bring me here? How did I get rid of my poison?"

Leng Yue was very puzzled at this time. .

You must know that she had tried to use internal force to expel the drug force before, but the more internal force was motivated, the faster the drug attacked.

This....

Hearing her series of questions, Yue Feng scratched his head and said lightly: "I brought you here, you looked like you were going to go crazy, I can only soak you in this pool of water. In the middle."

"Fortunately, this pool of water is icy cold, and you are finally awake."

When he said this, Yue Feng's face was indifferent, as if he was talking about an extremely ordinary thing. Moreover, she never mentioned the matter of injecting divine power into her.

After all, possessing divine power is no trivial matter, and it is better not to let her know.

So simple?

Hearing the answer, Leng Yue was stunned for a moment, and her beautiful face was full of doubts: "I just soaked here for a while, and the poison in my body disappeared?"

I couldn't get rid of it with internal force before, just soak it in water for a while. already? Impossible... This Yue Feng must be hiding something.

Uh...

Seeing the suspicion on her face, Yue Feng was very helpless, but he still pretended to be very serious: "Why am I lying to you?" As

soon as he finished speaking, Leng Yue suddenly thought of something, and just wanted his lips to cover it up. He couldn't stop being ashamed and angry: "Then...then you were holding me just now, you...are you taking advantage of me when I'm not conscious?" At the

end, Leng Yue's voice was very small, His eyes were full of shame.

In the cave before, Yue Feng had no choice but to carry it on his back. It was embarrassing enough, and he was embarrassed. He was holding him in the water just now. The Holy Maiden's Festival was completely ruined.

I went...

Seeing her expression, Yue Feng was both depressed and funny. After a long time, Leng Yue was struggling with this.

Thinking to himself, Yue Feng said with a smile: "Just now in the water, your body's medicinal power broke out. I was afraid that you would be submerged, so I had to hold you."

When speaking, Yue Feng couldn't help but look at Leng Yue again. That charming curve.

"You..."

Hearing this answer, Leng Yue secretly breathed a sigh of relief, but seeing Yue Feng's gaze constantly wandering on her body, she was immediately embarrassed and angry: "Look at it again? Look at your eyes again. I dug it."

Being carried by Yue Feng in the cave just now was already Leng Yue's bottom line, but at this time, he was soaked in water and his clothes were all soaked, it was no different from not wearing it, but Yue Feng saw it. Gotta be clean.

The dignified red-clothed saint was taken advantage of by this man over and over again.

What a shame.

I go!

I almost lost my life just now, so fierce?

Facing Leng Yue's humiliation and anger, Yue Feng couldn't help laughing and laughing, sighed softly, and said very speechlessly: "I just look at you without losing a piece of meat, besides, I'm just to see if you're really okay, have you? other ideas."

Chapter 5138

"Speaking of which, I'm worried about you."

Yue Feng could see that Leng Yue had just walked through the gates of hell. She was so weak that she couldn't even try, and she wasn't worried that she would make a move.

"Go away..."

Leng Yue's beautiful face suddenly turned red, and she scolded angrily: "Don't laugh at me. Hurry up and roll ashore for me and turn around."

This pool is so cold, it's not a problem to be soaking all the time, you have to go ashore quickly.

It's just....I'm like this, and I'm on the shore, isn't it cheaper to Yue Feng?

Ha ha!

The tone of Leng Yue's order made Yue Feng very unhappy. At that time, he chuckled: "Why should I roll ashore? It feels good to soak in this pool of water. I want to soak for a while."

"If you want to leave, just leave. , I won't stop you."

When he spoke, Yue Feng's eyes showed a bit of cunning.

"You..."

Leng Yue was so angry that she didn't know how to refute.

This Yue Feng is so shameless, the water in this pool is so cold, who would keep soaking in it stupidly, he just wants to take advantage, how can there be such a shameless person in the world?

At this time, Yue Feng shoved into the water, looked like he was enjoying himself, and said with a smile: "Oh, I was almost burned to death in the cave just now, and it's really comfortable to bubble in water now."

Said, Yue Feng smiled. Fei looked at Leng Yue with a smile: "Fairy, if you don't go, just stay with me for a while."

Knowing that Leng Yue was weak at this time, Yue Feng deliberately teased her, saying that she would often look aloof?

“Shut up!”

Leng Yue blushed, bit her lip, and interrupted coldly: “Who wants to accompany you to soak in water.” After speaking, Leng Yue

urged impatiently: “Are you going?”

Yue Feng exaggerated: “Fairy, this is your fault, you can go as far as you want, why bother with me? Besides, this pool is not yours, I don’t want to soak for a while? “

Shh!

Seeing that he was speechless, Leng Yue was out of breath, and raised her jade hand to give Yue Feng another slap.

“Oops!”

Yue Feng responded quickly, swam to the side quickly, and shouted at the same time: “Fairy, you are unreasonable, I saved you, you still want to beat me, this is revenge.”

“You give me revenge.” Stop.”

“Stop and let you fight? I’m not stupid..”

Leng Yueqi’s pretty face turned pale, swimming chasing after Yue Feng, Yue Feng grew up by the sea since he was a child, and his water is very good, how could he be caught Does she catch up?

For a time, the two staged a big chase scene in the pool.

Swish...

However, at this time, in the woods not far from the water pool, there was a sudden sound of footsteps. The footsteps were light, and it was obvious that the comer was very strong.

At this moment, both Yue Feng and Leng Yue hurriedly stopped and looked towards the woods almost at the same time.

Especially Leng Yue, with her delicate face, she couldn’t hide her nervousness.

It’s broken. Could it be that the North Sea Constellation gang found here? His strength has not recovered, and his body is still soaked. How can he be seen like this?

Whoops!

Just when Leng Yue was extremely anxious, she saw several graceful figures, slowly turning around the woods, and came to the lakeside.

There are five women!

The head of the one, wearing a bright red robe with exquisite patterns embroidered on it, shows his noble and extraordinary identity. His facial features are exquisite and the curves are graceful. Against the background of the robe, he looks even more graceful.

It was the leader of the Red Clothes Sect, Ding Lianxin.

Ding Lianxin is in her thirties this year, but she is well maintained, her skin can be broken by blowing bombs, and her beauty is indescribable.

The four women behind her are her four personal sword maids. Their names are distinguished by their flower names. They are Mei Jian, Lan Jian, Zhu Jian, and Ju Jian. The four sword maids are also first-class beauties. , standing together, each has its own merits.

I go!

At this moment, seeing Ding Lianxin and the four sword maids, Yue Feng was stunned.

Did you get lucky today? In such a remote place, a cold month is enough to deal with it, and now, suddenly, there are so many beautiful women all at once.

But at the same time with emotion, Yue Feng's eyes couldn't help but stay on Ding Lianxin's body for a while longer.

This woman is not only beautiful, but also seems to be very powerful.

Chapter 5139

Hu...

Yue Feng's eyes made Ding Lianxin very unhappy, but she held her identity and did not show it.

She was a sword maid who also glared at Yue Feng.

This man is so bold, he dares to stare at the leader like that.

"Sect Master!"

At this time, Leng Yue responded and called out with joy. The tension just now was swept away, replaced by endless excitement.

Leng Yue has been in the Red Clothes Teaching since childhood and was brought up by Ding Lianxin. The two have a deep relationship. In Leng Yue's heart, Ding Lianxin is also a teacher and a mother. She has encountered so many things in the past two days. At this time, she suddenly saw her master, Naturally, it is extremely happy.

What? Is she the cardinal?

At this moment, Yue Feng calmed down and was secretly shocked.

When he was in Chunyang Palace before, Yue Feng had heard people talk about the Red Clothes Sect, especially the Red Clothes sect master, the Shenlong saw the head but not the tail, and no one in the rivers and lakes had ever seen his true face. But I didn't expect that it was a woman, and she was a stunning beauty.

Speaking of which, Leng Yue is also the best, but this red-clothed sect leader is not inferior, and even has a unique charm unique to a mature woman.

Thinking to himself, Yue Feng was secretly worried.

This Leng Yue has a great opinion on me. Now that her leader is here, will she take the opportunity to take revenge on me?

call!

At this time, hearing Leng Yue's cry, Ding Lianxin's delicate face showed a bit of complexity and displeasure: "Leng Yue, how did you do this?"

She clearly saw that her beloved disciple was soaked in the pool of water, with a soaked pair of hair and messy long hair, and there was a young man beside him, although the two of them did not have any overstepping behavior. But Leng Yue was the saint of the Red Clothes Sect after all, she was pure and clean.

If this scene were seen by other people on the rivers and lakes, the reputation of the Red Clothes Sect would be ruined.

"Master!"

Feeling Ding Lianxin's dissatisfaction, Leng Yue hurriedly lowered her head and said very ashamedly: "Our supplies were robbed by the Four Seas Alliance, and when I went to rob them, something unexpected happened... "

Speaking, Leng Yue explained in detail what had happened in the past day.

Knowing the situation, Ding Lian frowned and locked her eyes tightly on Yue Feng. She said lightly, "Are you Gu Sanniang's guest?" As Yue Feng was regarded as a guest, Gu Sanniang was only in the Four Seas Alliance. It was announced, but the news was blocked from the outside world.

In this case, Ding Lianxin didn't know about it, but Leng Yue was her beloved disciple, so her words were definitely not made up, so she was very shocked.

This person seemed to have no strength at all, and was actually Gu Sanniang's VIP.

Incredible.

"Yeah!"

Hearing the question, Yue Feng smiled and nodded: "Gu Sanniang and I are friends."

Seeing his smiling face, Ding Lianxin's beautiful face did not fluctuate at all, but was extremely cold. You must know that the Four Seas Alliance also stole the materials of the Red Clothes Sect a day ago. The two sides have already formed a grudge, and Ding Lianxin will naturally not have a good face towards him.

"Lengyue!"

After a brief silence, Ding Lianxin asked Lengyue, "What's the matter with you?" What kind of formality did

a man and a woman have when soaking in a pool in this wilderness?

"Master....I..." Leng Yue bit her lip tightly, her face flushed, hesitating and not knowing how to explain. Although I have nothing to talk about with Master, the fact that I was almost sullied by Xu Wenliang before is really shameful, how can I say it?

call!

Seeing her hesitating and hesitating, Ding Lianxin's pretty face was covered with frost, and her heart was very angry: "Lengyue, why don't you say it? Is there something unspeakable?" After speaking

, Ding Lianxin gave Yue Feng a cold look. : "Did this person do something to you?" The

last word fell, and the plum, orchid, bamboo and chrysanthemum behind him pulled out their long swords one after another, all eyes locked on Yue Feng, as if they wanted to do something at any time.

What the hell!

Seeing this situation, Yue Feng couldn't help laughing. I didn't say a word, so why did the conflict come to me?

Thinking about it, Yue Feng gave a wry smile and explained to Ding Lianxin: "That... Your Excellency, I have nothing to do with Leng Yue. Speaking of which, I am still her benefactor."

Chapter 5140

Benefactor?

Hearing this, whether it was Ding Lianxin or the four sword maids of Meilan, Bamboo and Chrysanthemum, they were all stunned.

Immediately, all eyes focused on Leng Yue.

Leng Yue bit her lip tightly, her beautiful face was very embarrassed, and then whispered to Ding Lianxin: "Master, Yue Feng... Yue Feng is right, he... he did save me just now. "

When she said this, Leng Yue's heart was extremely complicated.

To be honest, she hated Yue Feng to death in her heart, but she also had her own principles. She did everything practically. Yue Feng did save her, and more than once.

call!

Seeing Leng Yue say this, Ding Lianxin's expression softened a bit. Leng Yue was brought up by her and she never lies.

However, there are some doubts in my heart.

No, this Yue Feng is Gu Sanniang's VIP, and he is also a member of the Four Seas Alliance. The Four Seas Alliance robbed the Red Clothes Sect before, how could this Yue Feng save Leng Yue?

Could it be...is there something else hidden in it?

Wait....

thinking about it in her heart, Ding Lianxin suddenly thought of something. She first took a deep look at Yue Feng, and then asked Leng Yue, "What did you say, what is his name? Yue Feng?"

"Yeah, Master." Leng Yue replied, very puzzled.

Why did the master react so strongly?

After hearing the response, Ding Lianxin's eyes flickered, and she looked at Yue Feng and asked again: "Your name is Yue Feng?"

Yue Feng was also stunned, is his name so famous?

Thinking to himself, Yue Feng nodded: "Yes, my name is Yue Feng."

Seeing Yue Feng's own admission, Ding Lianxin's delicate face became even more exciting, and her tone was a little urgent: "A few days ago, I heard news that Chunyang Palace has newly appointed a Pill Pavilion Master, and in Pill Medicine One In art, you have amazing accomplishments, could it be you?"

When she said this, Ding Lianxin looked at Yue Feng's eyes with some anticipation.

Yes, Yue Feng was a VIP of the Four Seas Alliance, because Gu Sanniang blocked the news, so Ding Lianxin didn't know about it, but the story of the Pill Pavilion's pavilion master had spread among the three major sects.

Ding Lianxin placed eyeliner in Chunyang Palace, so she knew exactly about this matter. My heart has always been very interested in this Pill Pavilion Pavilion Master, but I didn't have the opportunity to meet, but I never expected that people would be right in front of me.

What?

At this moment, whether it was Leng Yue or the four sword maids of Meilan, Bamboo and Juju beside the pool, their bodies trembled, their eyes fixed on Yue Feng, shocked.

Especially Leng Yue, her eyes changed when she saw Yue Feng.

He... he is the Pill Pavilion Pavilion Master of Chunyang Palace?

Impossible, this person has no strength at all, how can he make alchemy? You must know that the alchemy technique of Ziwei Continent has been lost for nearly a thousand years.

Uh...

Facing Ding Lianxin's expectant gaze, Yue Feng was stunned for a moment, and then fell into contemplation.

Is the leader of the Red Clothes Sect so well-informed? He even revealed my identity in Chunyang Palace at once.

Muttering in his heart, Yue Feng instinctively denied it, but then he thought about it, if he did not admit that he was the pavilion master of Pill Pavilion, and he and Leng Yue were soaked in the pool, which affected the reputation of the Red Clothes Sect, the sect master would definitely not forgive him. It might lead to a fierce battle.

The things that he possesses divine power must never be exposed.

Thinking of this, Yue Feng looked at Ding Lianxin with a smile, nodded and said, "The sect master is really eye-catching, yes, I am the Pill Pavilion Master of Chunyang Palace."

Jing!

As soon as these words came out, there was silence all around.

The four sword maids, Meilan, Zhuju, were all stunned, staring blankly at Yue Feng, speechless.

Leng Yue's body was trembling even more, her mind was blank, completely stupid.

He... is he really the Lord of the Pill Pavilion?

Um!

Ding Lianxin was the first to react, showing a smile, nodded approvingly and said: "It really is a hero born out of a boy, I heard that you are in the main hall of Chunyang Palace and presented a beauty pill to your palace master, I don't know if it is true. Fake."

Women in the world love beauty, and so does Ding Lianxin.

Yue Feng is a smart person, how could he not understand what Ding Lianxin meant? Immediately smiled: "That's true. After our palace lord took the beauty-enhancing medicinal pill, he became several years younger. If the sect master needs it, I will make one for the sect master if there is a chance in the future."

The ultimate husband in Chinese chapter 5141-5150

Chapter 5141

Well!

Hearing this, Ding Lianxin nodded with joy, looking at Yue Feng's eyes, full of praise: "Mr. Yue has this heart, this sect master is very happy, and I hope you will have the opportunity in the future to come. We are a guest of the Red Clothes Sect..."

Speaking of which, Ding Lian is the leader of the Red Clothes Sect, and has high self-esteem, and has never been so polite to others, but the Yue Feng in front of him is different, he is the Dan of the Chunyang Palace. Pavilion Lord.

You must know that the alchemy technique of Ziwei Continent has been lost for nearly a thousand years, and Yue Feng, as the pavilion master of the Pill Pavilion, can be said to be an extremely rare talent, can you disrespect it?

Although this Yue Feng was Gu Sanniang's VIP, it didn't stop Ding Lianxin from throwing an olive branch to him. You must know that this kind of rare talent, as long as you have a good relationship, will only have benefits, not the slightest harm.

More importantly, Yue Feng and Leng Yue, a man and a woman were soaking in this pool, and Yue Feng had saved Leng Yue before. As long as he wasn't a fool, he could see that there was a problem at a glance.

Thinking of this at this time, Ding Lian breathed a sigh of relief, and said earnestly to Leng Yueyu: "Leng Yue, you are not too young, you have to think carefully about what you do."

"Even if you and Yue Feng have a good impression of each other, but When you soak in this pool of water together, you should also pay attention to the impact, how bad is it to be seen by others?"

When she said this, Ding Lianxin was reproachful, but there was a smile on her face.

Swish!

Hearing this, Leng Yuejue's beautiful face turned red all of a sudden, and she felt shy in her heart.

What does Master mean by this? She wouldn't think that Yue Feng and I were playing in the water just now, right?

Thinking of this, Leng Yue suddenly became anxious, and quickly explained: "Master, it's not what you think, I have nothing to do with Yue Feng, it's just..." He glared at Yue Feng.

It was all the bastard Yue Feng, who just let him go, but he refused to go, but now he was misunderstood by Master.

What the hell!

This chapter is provided by . Visit for daily update.

At the same time, Yue Feng was also stunned, standing there dumbfounded.

This is troublesome. I and Leng Yue are alone in this wilderness pool, and they are misunderstood by the leader of the red-clothed sect. It is difficult to explain this.

At this moment, Leng Yue blushed and continued to explain: "Master, this disciple was poisoned just now and almost went into a demon. It was Yue Feng who brought me into this pool and used the coldness of the pool to help me expel the poison.

Hearing this, Ding Lianxin pursed her lips and smiled: "Okay, you don't need to explain, but Qudu will play here? When Master came just now, he heard it clearly." At

this time, Ding Lianxin decided that The two were really playing here, because when they were on the road just now, she could clearly hear the sound of splashing water.

Swish!

Seeing Master's affirmation, Leng Yue stomped her feet in a hurry, and wanted to explain, but was interrupted by Ding Lianxin.

"Leng Yue!" Ding Lian's eyes were full of love, and she said softly: "You were brought up by me since you were a child, and I still don't know your personality? You are cold outside and hot inside, and you want to save face very much."

"But now that you have grown up, Sooner or later, you will get married, and now that you can find a partner like Yue Feng, the teacher will only be happy for you, and will never blame you, so, don't hide it."

Hearing this, Leng Yue blushed . Incomparable, almost crying.

I go!

Seeing this situation, Yue Feng was also embarrassed. He never thought that Ding Lianxin's misunderstanding was so deep that he actually thought that he was swimming with Leng Yue here just now.

Thinking to himself, Yue Feng quickly explained: "Sect Master, Leng Yue is right, you really misunderstood."

As soon as the words fell, Ding Lianxin looked up and down at Yue Feng, Xiumei frowned, and said a little displeased: "What do you mean, you and Leng Yue really have nothing to do?"

Yue Feng nodded: "Yes."

This cold Although Yue is beautiful, any man will fall when he sees it, but this woman is too cold, and she will be beaten and killed at any time. Who can stand it.

Ding Lian nodded thoughtfully, and continued to ask: "Then let me ask you, is Leng Yue beautiful?"

Er... Leng Bu Ding

listened to his question, Yue Feng was stunned for a moment, and then answered truthfully: "Beautiful?" , almost as beautiful as a fairy."

Chapter 5142 The

voice fell, and Ding Lianxin's delicate face suddenly became cold: "Yue Feng, since you have said it, Leng Yue is as beautiful as a god, and she is still the saint of my red dress, pure and clean, but now she is with you. Soak in the pool together, and you will see everything that should be seen or not." "You have a

misunderstanding now, forget it, where do you put Lengyue? Where do you put our red-clothed teaching?"

, is justified and cannot be refuted.

Uh...

Yue Feng scratched his head, very embarrassed, and didn't know how to answer for a while.

This Nima, the more I say it, the more unclear it is.

Leng Yue's delicate face is also extremely complicated, and her brain is even more chaotic.

"Okay!"

At this moment, Ding Lianxin looked at Yue Feng closely: "This sect master is not a person who cares about everything. I will ask you now, do you have a good opinion of Leng Yue?" I

have to say, Ding Lian The mind and body is the leader of the red-clothed sect, and the aura is really strong.

Hearing the question, Yue Feng hesitated and smiled bitterly: "Leng Yue is so beautiful, I naturally like it..." With such a beautiful woman, does the man have a good impression when he sees it?

Just as soon as the words were spoken, Ding Lianxin interrupted them.

"Okay!" Ding Lianxin showed a smile, looked at Yue Feng and said: "Since you have a good impression of Leng Yue, then I will be the beauty of an adult. From today, you are the son-in-law of our Red Clothes Sect, your marriage to Leng Yue. Let's make a decision first."

Although Yue Feng has no strength, but he can refine medicine pills, and Leng Yue betrothed him, it is not a grievance.

Wow...

Downstairs, the four sword maids, Meilan, Bamboo and Juju behind them, were all in an uproar, and then they respectfully congratulated Leng Yue.

"Congratulations to the saint."

"Sister saint, congratulations..."

Seeing this situation, Yue Feng was really shocked, and his whole head was buzzing.

Nima, this red-clothed sect leader is too casual, right? Marry me Leng Yue like this?

In shock, Yue Feng stared blankly at Leng Yue in front of him, his mind was blank, and he didn't know what to say for a while.

This... Leng Yue

also trembled, her face flushed, and her heart was even more embarrassed and anxious, she said to Ding Lian: "Sect Master, I... I can't marry him."

Yue Feng, this bastard, three Fan twice took advantage of me, I wish he died sooner, how could I marry him?

"Okay..."

Ding Lianxin pursed her lips and smiled, and said slowly: "Yue Feng is the Pill Pavilion Master of Chunyang Palace, and his status is extraordinary. Even if their Palace Master sees them, they must be courteous and marry him. It's not that I have wronged you."

"Besides, the two of you are playing in the water, and things have developed to this stage, what's the embarrassment?"

At this time, Ding Lianxin thought Leng Yue was embarrassed, so she deliberately said no willing.

After all, girls have thin skin.

Hearing this, Leng Yue's face turned even redder, and she was even more anxious to cry.

Yue Feng on the side was dumbfounded.

"Yue Feng!"

This is, Ding Lianxin turned her head towards Yue Feng and said: "Yue Feng, the marriage has been decided, I hope you can treat Leng Yue well, and before you get married, I hope you two can restrain yourself a little bit. , don't be like this."

As he said that, he looked around the water pool again: "Although there are few people here, there is no guarantee that no one will come. It's not good for you to be seen by people like this."

Uh...

At this time, Yue Feng was almost speechless, so he had no choice but to Nodding with a wry smile: "Got it, sect master."

Ding Lianxin nodded, and she was too lazy to talk nonsense at this time, and ordered Leng Yue: "Leng Yue, you can find a home, I am very happy for you, I will go first. , you can play for a few days and go back to the main altar, and you can stay with Yue Feng for a few days."

Leng Yue wanted to cry without tears, seeing that the matter had developed to this stage, the explanation was useless, so she nodded.

"Let's go."

Ding Lianxin said no more, greeted the four sword maids, and turned to leave.

For a while, Yue Feng and Leng Yue were all around the pool.

The two were extremely embarrassed and did not speak, and the atmosphere was extremely subtle.

“Madam!”

Finally, after being silent for more than ten seconds, Yue Feng was the first to react and said to Leng Yue with a smile: “This pool is too cold, it’s not good to soak for a long time, let’s go up.”

Although Ding said Lian Xin specified a marriage contract, but he knew in his heart that Leng Yue would not marry him.

Chapter 5143

But seeing her cold look, Yue Feng couldn’t help but tease.

“You...” Seeing Yue Feng’s serious face, Leng Yue

’s face was flushed with anger, and she shouted angrily: “Shut up for me, who is your wife? Get out of here quickly.”

Feng is really abominable, even if it’s cheap, it’s a good thing, knowing that it was just a misunderstanding, which led to the leader’s suggestion of marriage, and deliberately said it.

Hehe...

Seeing her face full of shame and anger, Yue Feng did not panic at all, but said cheekily: “Miss, this is your fault, we are all family soon, how can you let me go?”

” Then, Yue Feng looked Leng Yue up and down: “Oh, did you save yourself from soaking in the water, are you tired? Let me carry you ashore.” When the last word fell, Yue Feng pretended to swim over.

Swish!

Seeing this scene, Leng Yue’s pretty face changed, and she scolded: “Get out of here, don’t come here.”

When she spoke, Leng Yue’s eyes were full of killing intent, and she wanted to tear Yue Feng into eight pieces, but she just After getting rid of the poison in the body, and after soaking in the water for so long, he was already exhausted. Not to mention killing Yue Feng, it was very difficult to mobilize his inner strength.

Uh...

Yue Feng closed it when he saw it, stopped and smiled bitterly: "How can we say that we were in trouble together just now, why do you have such a big opinion on me?"

Leng Yue didn't take this kind of thing at all, snorted coldly, and didn't hide it. The resentment of living: "Don't laugh at me, I tell you Yue Feng, it was a misunderstanding just now, I have nothing to do with you, and I will not marry you."

"Don't think that the leader pointed us to the soul, I It's yours, don't dream less."

"When I return to the main altar of the sect, I will explain everything to the sect master."

After saying the last sentence, the cold moon ninja swam to the shore with his teeth gritted, and then left without looking back.

This woman is so personable.

Seeing the graceful back of Leng Yue go away, Yue Feng laughed at himself, then left the pool and hurried towards the North Sea Stars.

After leaving for a day and a night, Jiang Hongyu and Xiaorou must be in a hurry.

...

On the other side, the mainland of Kyushu.

In the hall of Xia Yinzong's main altar, Wen Chou Chou, Sun Dasheng, and Su Qingyan were all sitting there, all of them frowning and restless.

A week ago, Wen Xiaoyu and Yue Wuya disappeared together.

According to the disciples of Tianmen, Yue Wuya once mobilized the disciples in the sub-altar of Donghai City to investigate the matter of the ring competition, and then there was no news. This made Wen Chou Chou very anxious.

Yue Feng is not in the mainland of Kyushu. As a sworn brother, Wen Chou Chou is obliged to take care of his family and children. It can be said that in Wen Chou Chou's heart, Yue Wuya is just like his own son.

Now Yue Wuya and Wen Xiaoyu seem to have disappeared out of thin air. There has been no news. How can people not be in a hurry?

"Palace Master, Palace Master..."

At this moment, a disciple of the Hall of Longevity hurriedly ran into the hall and shouted at Wen Chou Chou, "Young Master, Young Master and Sect Master Yue are back."

When he said this, the disciple was sweating profusely, but he couldn't hide his joy, and at the same time there was a hint of complexity in his eyes.

Because not only Yue Wuya and Wen Xiaoyu came back, but also a very beautiful woman and a newly born child.

Whoa!

Hearing this, everyone in the hall was very excited.

"Really?" Wen Chou Chou was overjoyed, stood up quickly, and walked towards the door. Sun Dasheng, Su Qingyan and the others also hurried out.

When they got to the yard outside, they saw Yue Wuya, Wen Xiaoyu, and Hai Linger just passing through the corridor of the front yard.

"Father!"

Seeing Wen Chou Chou crowd, Wen Xiao Yu shouted, and hurried up to greet him, his face full of joy.

Wen Chou Chou patted Wen Xiao Yu on the shoulder, his face was full of relief, and he was even more relieved: "You guys are back." At the same time of joy, there was some blame in his heart.

"Where have you been these days?" The next second, Wen Chou Chou couldn't help but ask, "Do you know how much everyone is worried about you?"

Er...

Wen Xiaoyu scratched his head embarrassedly: "It happened these days. There are too many things to say."

Chapter 5144

As he was talking, Yue Wuya and Hai Linger also arrived.

"Uncle Wen, Uncle Sun." Yue Wuya showed a smile, and said very ashamedly: "I've made you worry, but Xiaoyu and I are all right."

After that, Yue Wuya hurriedly introduced Hailing to everyone. Er: "She is Hai Linger, everyone remember, the princess of the sea shark clan. This time Xiaoyu and I went out mainly to save her." As he

spoke, Yue Wuya looked at Hai Linger with a smile, His eyes were full of love and tenderness.

I see!

Hearing this, Wen Chou Chou and everyone suddenly realized that they all smiled and nodded to Hai Ling'er. Back then, when the Rakshasa clan devastated Kyushu, the sea sharks did their best to help. At that time, it was this Hailinger who represented the sea sharks to help the Kyushu mainland. How could everyone forget?

Moreover, Hai Linger and Yue Wuya were in love with each other, and everyone knew clearly.

Even so, when they saw Hai Ling'er again, everyone was still amazed.

This princess of the sea shark clan is really beautiful, like a fairy descending to earth, and Yue Wuya is a match made in heaven.

“Ling'er has seen all your uncles and sisters.”

At this time, Hai Ling'er took a step forward and bowed to the crowd at Wen Chou Chou. With her graceful appearance, people liked it more and more.

“Haha...”

Wen Chou Chou quickly waved his hand and said with a smile: “When you get here, it's like your own home, you don't need to be more polite, haha...”

When he said this, Wen Chou Chou's eyes were full of love.

In his heart, Yue Wuya was just like his own son, and he was happy from the bottom of his heart to find such a good girlfriend now.

The voice fell, and Sun Dasheng and others next to him also laughed.

“No ceremony, no ceremony...”

“This girl is so nice, she is beautiful, and she knows how to be polite.”

“Don't be restrained here...”

When everyone spoke, they couldn't help but look at the child in Hai Ling'er's arms. I saw that the child was made of pink and jade, chubby, sleeping soundly, and very cute.

Yes, it is Mo Yan's child.

Two days ago, after Hai Linger repaired the raft, the three of them finally returned to the mainland after a day and a night. Along the way, Hai Linger treated the child as her own and took good care of her.

This child...

After watching for a while, Wen Chou Chou, Sun Dasheng and the others looked at each other, each with a meaningful expression.

This boy Wu Ya is indeed the son of Feng Zi.

At a young age, he not only became a married couple with the princess of the sea shark clan, but also had a child so soon.

It's really the back waves of the Yangtze River pushing the front waves.

At this moment, everyone believed that the child was born by Yue Wuya and Hai Linger. Otherwise, how could Hai Linger be so close to the child?

Haha...

After a few seconds, Sun Dasheng was the first to react, laughing and patting Yue Wuya's shoulder: "Good boy, you can, after leaving it to your Yue family so soon, let Fengzi be the grandfather. Yes, not bad." The

voice fell, and everyone around laughed along with it.

Wen Chou Chou also came back to his senses, smiled and said: "Great Sage, what you said is wrong, Feng Zi became a grandfather, don't we also become grandfathers?"

While talking, Wen Chou Chou leaned over to take a closer look at the child, and at the same time asked Yue Wu Ya, "Ya'er, have you named the child?"

Like everyone else, Wen Chou Chou also believed that the child was Yue Wuya and Hai Ling. child.

Uh...

Seeing this situation, Yue Wuya looked embarrassed and quickly explained: "Uncle Wen, Uncle Sun, don't talk nonsense, Linger and I haven't gotten married yet, how could we have a child? This child? It's not ours?"

Huan Ling'er, who was next to him, was also blushing.

no?

Hearing this, whether it was Wen Chou Chou or everyone else around, they were all stunned.

At this moment, Wen Xiaoyu smiled slightly, came out and said: "This child is indeed not from Brother Wuya, but the child of the Queen of the Sea Dragon Palace."

After saying that, Wen Xiaoyu looked around: "This matter is said. Long story, let's go back to the hall first, and let Brother Wuya and I explain it to you in detail."

Wen Chou Chou nodded and greeted everyone to return to the hall.

After they were all seated in the hall, Wen Xiaoyu and Yue Wuya talked about what they had experienced in the past few days.

Chapter 5145

Hu...

Knowing the situation, whether it is Wen Chou Chou or Sun Dasheng everyone, they are all frowning, and their faces are extremely solemn.

"Ma De!"

Sun Dasheng had a fiery temper, slammed the table and said fiercely: "I didn't expect a small pirate gang to be so insidious and despicable. On the surface, they sent people to hold ring competitions in various places, but secretly forced them to do so. Others surrender to them." The

voice fell, Wen Chou Chou took a deep breath, and continued: "I also heard about the ring match some time ago, I thought it was a deliberate stunt by some big family, but I didn't expect it to be Hailong behind it. Hall."

Everyone around nodded.

"The strength of this Sea Dragon Palace is growing day by day, we have to guard against it."

"Yes, let's continue to let it go, I'm afraid it is a big hidden danger in the rivers and lakes."

During the discussion, Wen Chou Chou's face was solemn, and he immediately discussed with Su Qingyan, and ordered the members of the Hall of Longevity to start to pay close attention to all the movements of the Sea Dragon Hall in various ports.

At the same time, Xia Yinzong, Tianmen, and Huaguoshan also deployed.

.....

Donghai City, Tianmen sub-altar.

The sub-altar is located on a hillside by the sea. In recent years, Tianmen has a great reputation in the Kyushu mainland, and is well-deserved as the main gate. Therefore, this sub-altar occupies a large area and is full of antique-style buildings. From a distance, there are many temples. , very stylish.

“Drink, ha...”

At this time, in the square in front of the conference hall, several hundred disciples of the sub-altars were standing there neatly, punching one by one, and their movements were uniform and imposing like a rainbow.

The rules of the Tianmen gate are strict, and every month of the month, the disciples will be organized to exercise uniformly. And today is the beginning of the month.

Clap la la...

Just as the disciples were training hard, all of a sudden, a strange sound came from the coast below the mountain.

“Hey, many people seem to be pirates.”

At this moment, a disciple found something, pointed to the shore, and couldn't help shouting.

As soon as the words fell, the disciples in the square all looked towards the seaside, and when they saw this, their hearts were shocked.

I saw that there were hundreds of large ships on the seashore, coming in a mighty way.

These boats are very large, and each boat is full of people standing neatly. It can be clearly seen that these people are wearing uniform dark green soft armor, holding long knives, and they are imposing.

On the front boat, there was a big flag on the bow with a five-clawed dragon on it.

This...

Seeing this scene, the Tianmen disciples present were extremely shocked in their hearts.

“Sea Dragon Palace...”

Soon, someone reacted and couldn't help shouting: “This is a pirate from the Sea Dragon Palace, my God, there are so many.” The

voice fell, and the expressions of all the disciples present became solemn, nearly half a year. Come, the Sea Dragon Palace first annexed large and small pirate organizations in the sea area and became the number one overseas force, and then held a ring competition in the Kyushu mainland, secretly captured many experts from all corners of the world. These things are no longer a secret in Tianmen. .

It can be said that these Tianmen disciples all know that the Sea Dragon Palace is very powerful, but they did not expect that there would be so many tribes, and they are still on the mainland with great fanfare today.

At this moment, Li Guangyong, the altar master of the sub-altar, arrived quickly, and was surprised when he saw the scene in front of him.

“Quick, pass my order immediately, ordering the Tianmen disciples in Donghai City to quickly return to the sub-altar, quick.” In the next second, Li Guangyong couldn’t help shouting.

“Yes, altar master!” After hearing the order, the two disciples looked solemn and quickly descended the mountain.

It was at this time that the large ships at sea had already docked, and thousands of members of the Sea Dragon Palace jumped off the boat like a tide, blocking the way down the mountain from the altar.

hum!

Immediately afterwards, a figure rose into the sky, suspended directly above the square, and a powerful aura pervaded his body.

It’s the aftermath.

“Call your Sect Master out immediately, or else, all of you present, die!” A cold voice came from Yu Du’s mouth.

The residual poison at this time, blood red eyes, unable to hide the killing.

The ultimate husband in Chinese chapter 5146-5150

Chapter 5146

Two days ago, Yu Du was ordered by Mo Yan to take Hai Linger to the deserted island to exchange the young master with Yue Wuya. He was full of confidence at first, but he never thought that at the critical moment, he would come down storm.

At that time, the residual poison and the boat were directly submerged by the sea. But Yu Du was a former pirate king after all, a generation of heroes at sea, and finally survived with his outstanding water.

However, what made him extremely angry was that Yue Wuya actually broke his promise and didn't send the young master back to Dragon King Island after obtaining Hai Ling'er.

To be honest, at that time, Yu Du also guessed that the three Yue Wuya, together with the young master, would die in the storm, but after thinking about it, he thought it was unlikely.

You must know that Yue Wuya, as the son of Yue Feng, is extremely powerful, and is the current Lord of Tianmen. It is impossible for him to be killed by a mere storm.

After returning to Dragon King Island, the exchange of hostages was revealed. Gone was furious on the spot and almost punished Moyan, which made Yu Du feel very uncomfortable, thinking that he was dereliction of duty. .

Therefore, when Gone decided to start a full-scale war against Tianmen, Yu Du was the first to stand up for support, and took the initiative to invite Ying, leading the 200,000 Hailong Hall members, and set off from Dragon King Island, heading for the first stronghold of Tianmen. , Donghai City.

After all, Donghai City is Yue Feng's hometown, and it is also the birthplace of Tianmen.

With this kind of mood, Yu Du at this time, seeing the Tianmen sub-altar in front of him, naturally couldn't hide the fighting intent in his eyes.

For Queen Moyan.

For the sake of the young master, and even more to make up for his mistakes, in this first battle, he must give Tianmen a thunderous blow, so that Yue Wuya would know and provoke the end of the Sea Dragon Palace.

Whoa!

In the face of Yu Du's powerful aura suppression, whether it was Li Guangyong or the Tianmen disciples present, there was an uproar, and at the same time, everyone was also furious.

This person is not small, dare to spread wild on Tianmen's territory?

Threatened to see the Sect Master? It's ridiculous.

This chapter is provided by . Visit for daily update.

Under the anger of everyone, Li Guangyong was even more angry, and shouted at Yu Du: "You are the leader of the Sea Dragon Palace? A mere gang of sea bandits dare to provoke our Tianmen?"

"You are limited to ten minutes. If you don't want to see the sect master, you can see it. Understand?"

Although he was shocked by Yu Du's strength, Yu Guangyong didn't panic at all. Wouldn't you be laughed at by fellow pirates if you confessed to the pirates?

"Looking for death!"

Hearing the answer, Yu Du's face was extremely ferocious, and he shouted angrily: "A small altar master should also talk to me like this, I think you can't shed tears without seeing the coffin."

Kacha!

The voice fell, Yu Du suddenly raised his right hand, and saw a purple light flickering, and then a long black knife was firmly grasped in his hand.

I saw that this long knife was dark, but the surface had a purple light.

It is a purple weapon.

Yu Po has roamed overseas for more than ten years, during which time he ran rampant. I don't know how many merchant ships were intercepted, and even some royal ships in the Kyushu mainland were not spared.

And this black long sword was obtained by Yu Du in the Nagumo Imperial Fleet. It has been treasured since then, and has never been displayed easily. This time, the attack on Tianmen needs to make up for the fault, so I did not hesitate to use this purple-level sword. The long knife was taken out.

Purple weapons?

Seeing the long knife in Yu Du's hand, whether it was Li Guangyong or the surrounding Tianmen disciples, they couldn't help but let out a low cry.

Especially Li Guangyong, his eyes are full of solemnity.

He knew that the Sea Dragon Palace was very strong, and because it was plundered at sea all the year round, it possessed many rare treasures, but he did not expect that the residual poison in front of him would be able to pull out a purple-rank weapon casually.

hum!

Just when Li Guangyong was stunned, Yu Du didn't talk nonsense at all. He raised his long sword and waved it suddenly. In an instant, a dazzling light burst out from the long sword. At the same time, a violent aura also swept into the surrounding air. out.

The powerful killing energy filled the world, and the air was filled with a bloody aura.

In the next second, the sword light was like a thunderbolt, tearing apart the world and slashing straight towards Li Guangyong.

Gudong...

Feeling the power of this sword light, Li Guangyong swallowed his saliva and felt a little panic in his heart. At that time, he didn't hesitate at all, and hurriedly mobilized all his inner strength and poured it into his long sword in an attempt to block the blow.

Chapter 5147

Boom...

Li Guangyong just slammed the long sword in front of him, the sword light had already slammed, and slammed into the long sword, when he heard a loud noise, Li Guangyong groaned, and the whole person directly Shocked and flew out.

Flying dozens of meters away, Li Guangyong smashed a big hole on the eaves of the front hall, and finally fell to the ground.

“

Pfft...” At the moment of landing, Li Guangyong spurted out a mouthful of blood, his eyes fixed on Yu Du, and he died of anger before uttering a word.

What?

Seeing this scene, all the Tianmen disciples present froze there, their heads buzzing, shocked and astonished.

This... This person's strength is too terrifying, right?

In just one move, he killed the altar master Li Guangyong? You must know that Li Guangyong is among the altar masters of the entire Tianmen, but he is among the top five in strength. Even if he encounters the heads of various sects, he can play dozens of rounds, but facing the pirate leader in front of him, he actually Not a single move can stop it.

Compared with the shock of the disciples of Tianmen, the members of the Hailong Hall guarding at the foot of the mountain were all excited.

“The leader is mighty..”

“Mighty..”

For a time, hundreds of thousands of members of the Sea Dragon Hall shouted in unison, and the momentum was shocking.

Hehe...

Yu Du was suspended in mid-air, a smile twitched at the corner of his mouth, and he raised his hand and waved: “All the disciples of the Sea Dragon Palace obey the order and kill all the disciples of the Heavenly Sect in front of them, leaving none of them.”

Anyway, this altar The Lord had already been killed by himself, and it would be fine to kill some more disciples of the Heavenly Sect.

In short, Yue Wuya knew that he would pay a heavy price for holding the young master of the Sea Dragon Palace hostage.

“Kill...”

Hearing the order, the members of the Sea Dragon Palace, who had already been eager to try at the foot of the mountain, burst into a sky-shattering cry of killing, rushing up like a tidal wave.

call!

Seeing this situation, the Tianmen disciples gathered in the square all calmed down and pulled out their weapons.

“To meet the enemy...”

“Guard the sub-altar, I’d rather die than retreat.”

“Kill...”

After shouting, all the Tianmen disciples urged their inner strength to meet the attack and fight with the Hailong Hall members.

Speaking of which, there is a huge disparity in the number of people on both sides. The Sea Dragon Hall has more than 100,000 people, and the Tianmen sub-altars here, all added up, are less than 10,000 people.

Ten thousand against a hundred thousand, there is no chance of winning at all. However, none of these Tianmen disciples flinched.

Speaking of which, these members of the Sea Dragon Palace were all pirates before, and their strengths were uneven. Half a year ago, they were just a bunch of rabble in the face of Tianmen, but since Moyan unified all the pirates, the training of the opponents is very strict, so in just six months, the strength of these pirates has increased rapidly.

In this case, Tianmen disciples are naturally not opponents.

“Ah...”

In less than half a minute, with the screams of Tianmen disciples, hundreds of people fell into a pool of blood, which was very tragic.

.....

Two hours later, the general altar of Xia Yinzong.

In the forbidden area behind the main altar, there is a bamboo forest with a beautiful environment and winding paths leading to seclusion.

As night fell, the pavilion in the bamboo forest was brightly lit.

Wen Chou Chou, Sun Dasheng, Yue Wuya, and Wen Xiaoyu were sitting around the stone table, chatting and laughing. There were more than a dozen plates of delicious dishes on the stone table, and there were two altars. wine.

Yue Wuya and Wen Xiaoyu have been missing for a week, and the two elders, Wen Chou Chou, naturally need to take care of them.

And to deepen communication between men, it is natural to have good wine.

At this time, under Wen Chou Chou's inquiry, Yue Wuya and Wen Xiaoyu explained all the details of their experiences in Dragon King Island in detail.

Of course, these details were not mentioned in the hall before.

Um?

When he heard that Yue Wuya was very Wen Xiaoyu, who had entered the Dragon King Island twice, and was defeated by a powerful young man, Wen Chou Chou's expression instantly became solemn: “In the Sea Dragon Palace, there are still such powerful people? What happened before? Don't you know?”

Wen Chou Chou looked at Sun Dasheng with a questioning face, unable to hide his doubts.

At this time, Wen Chou Chou was very surprised. You must know that when she learned that the queen of the Sea Dragon Palace might be Mo Yan, one of the ten demon kings of the Demon Race, Wen Chou Chou had been sending people to closely investigate the information about the Sea Dragon Palace. condition.

Chapter 5148

It can be said that the entire Sea Dragon Palace, whether it is Mo Yan, the Yudu below, and the situation of other little leaders, Wen Chou Chou knows clearly.

However, a young man with outstanding strength suddenly appeared in the Sea Dragon Palace, and even Yue Wuya and Wen Xiaoyu could not beat him together. However, this young man seemed to appear out of thin air, so how could people not be puzzled?

Hu...

Sun Dasheng also took a deep breath and frowned: "It's really suspicious, the identity of that young man should be checked carefully."

Wen Chouchou nodded, and then continued to ask Yue Wuya: "At that time When you fought against him, which sect did the other party use?"

As long as you know the other party's exercises, it's not difficult to find out the identity.

Uh...

However, in the face of such an inquiry, Yue Wuya and Wen Xiaoyu looked at each other with embarrassment.

In the next second, Yue Wuya scratched his head and said somewhat ashamedly: "Uncle Wen, I am ashamed to say that, Xiaoyu and I have played against that person no less than twice, I only know that the opponent's strength is unpredictable, and the tactics used are also very strange. , I can't see where the teacher is."

As soon as the voice fell, Wen Xiaoyu continued: "Yeah, that person's practice is very evil, and it seems that he does not belong to any sect."

What? Is there such a thing?

Hearing this, Wen Chou Chou and Sun Dasheng looked at each other, and they were both extremely shocked.

Does not belong to any sect, the strength is still so strong?

Who is that young man?

Shasha...

At this moment, there was a sound of footsteps outside the bamboo forest. The pace was very dense and seemed to be in a hurry.

“Who?”

When Wen Chou Chou was talking about things, he didn't like to be disturbed the most, so he frowned and shouted at the outside of the bamboo forest: “Who is there?

” stand up.

Hearing the scolding, the footsteps became faster, and the next second, I saw a Tianmen disciple running over, sweating profusely, his face full of fear and anxiety: “Sect Master, Palace Master Wen, Sect Master Sun, no. Okay, something happened...”

Seeing that it was a disciple of Tianmen, the displeasure in Wen Chou Chou and Sun Dasheng dissipated a lot. Hearing his words at the same time, his face became solemn.

Yue Wuya frowned even more, looked at the disciple and said, “What is it like to be in a panic, what happened?”

Huh!

Feeling Yue Wuya's displeasure, the disciple panicked and quickly said, “Sect Master, something happened to the sub-altar in Donghai City.”

After saying that, the disciple wiped the big man on his forehead and continued: “Two hours. Before, the Hailong Temple dispatched hundreds of thousands of troops to land in Donghai City and surrounded our sub-altar.”

“The altar master Li Guangyong was killed by the leader of the other party on the spot. The remaining nearly 10,000 altar disciples resisted desperately. In the end...in the end, no one was spared, and all were destroyed...”

What?

Hearing this, no matter it was Yue Wuya, Wen Chou Chou, Sun Dasheng, and Wen Xiaoyu, they were all shocked and stood up one after another, their faces even more shocked and angry.

This Sea Dragon Palace is really bold, dare to openly attack the Tianmen sub-altar?

At the same time of being frightened and angry, Yue Wuya was trembling all over, and his heart was also extremely sad.

There are more than 10,000 people in the entire Donghai City sub-altar, and all of them died. They were all brothers who once fought side by side.

Especially the altar master Li Guangyong, Yue Wuya admired him very much. He planned to promote him to the Dharma King two months later, but he never expected that he would be killed by the leader of the Sea Dragon Palace.

Mad!

Thinking of this, Yue Wuya clenched his fists and stared at the disciple: "What you said is true?"

The disciple's face was full of grief and indignation: "The disciple does not dare to deceive, what you just said is all true, Sect Master, Hailong Palace is daring and dares to offend our Tianmen, this revenge must be avenged."

Bang!

Hearing this, Yue Wuya's eyes were blood red, and he slammed down the table: "Hailong Palace is too deceiving, this revenge will not be repaid, and it will not be shared." After speaking

, Yue Wuya ordered the disciple: "Pass my order to gather all the disciples of Tianmen to encircle and suppress the Hailong Palace." When he said this, Yue Wuya was full of anger.

Chapter 5149

Hailong Palace first kidnapped Hai Linger, then went to Dragon King Island with Wen Xiaoyu to rescue them and almost died there, but now, Hailong Palace has even landed on the mainland and openly attacked the Tianmen sub-altar.

If you endure this tone, how can you call yourself a sect master? How to face the rivers and lakes fellows?

"Yes, Sect Master!"

Upon hearing the order, the disciple responded and turned to leave.

"Wait!"

But at this moment, Wen Chou Chou suddenly shouted, then took a deep breath, and said seriously to Yue Wu Ya: “Ya’er, this time is no small matter, remember not to act with anger.”

Seriously, If other sects and Tianmen go to war, Yue Wuya is enough to deal with it, and Wen Chou Chou will definitely not stop it, but the Sea Dragon Palace is different.

When Yue Wuya and Wen Xiaoyu went to rescue Hai Linger, it was a thrilling step by step, and they almost died in the sea.

More importantly, the mysterious young man in the Sea Dragon Palace is very powerful, and at this time, Yue Wuya is being carried away by hatred, and he hastily fought with the opponent, which is harmful and useless.

“Uncle Wen.”

Yue Wuya clenched his fists, unable to express the grief and anger in his heart, and said puzzled: “You want me to bear it for a while? There are nearly 10,000 brothers in the whole altar, and I will definitely hate this. Report.” At the

end, Yue Wuya’s voice was hoarse.

Wen Chou Chou took a deep breath and patted him on the shoulder: “Of course you have to avenge your revenge, but it can’t be in this state. In this way, you wait here for the news first, and I’ll take someone to check the situation.”

Phew!

Saying that, Wen Chou Chou narrowed his eyes slightly: “I want to learn how strong that mysterious young man is.”

Hearing this, Yue Wuya was no longer so excited, and nodded: “Alright then, Uncle Wen, be careful.” Wen Chou Chou acted cautiously and was resourceful. Even if Yue Feng was present, he would obey his arrangements. Wu Ya naturally dare not go against it.

Saying that, Yue Wuya said to the disciple, “Pass my order, everyone in the Tianmen, follow Uncle Wen’s arrangement, and make no mistake.”

“Yes, Sect Master!”

Upon hearing the order, the Tianmen disciple hurriedly responded.

Seeing him calm down so quickly, Wen Chou Chou nodded approvingly: “Ya’er, this revenge must be avenged, when I find out everything about the other party, let’s

counterattack in an all-round way, before that, you stay here first, Please accompany Hai Ling'er."

Hmm!

Hearing this, Yue Wuya felt warm in his heart and nodded.

"Brother Wen!" At this moment, Dasheng Sun looked impatient and couldn't hide his inner fighting intent: "Let me go with you, Mad, I haven't fought for so long, and I feel uncomfortable all over." For the

past six months, Dasheng Sun has He Wen Chou Chou has been staying in the Xia Yin Sect, trying hard and waiting for the opportunity, and he has long been overwhelmed. How could he miss the opportunity at this time?

Seeing his appearance, Wen Chou Chou couldn't help laughing: "Yes, but we have to agree first, you can't be too impulsive, everything has to follow my arrangement." The

Great Sage has a hot personality and is the most unstable. To prevent it in the future.

"That's natural."

Sun Dasheng nodded again and again: "I will do whatever Brother Wen asks me to do." In Sun Dasheng's heart, Wen Chou Chou is the eldest brother, and he naturally has to listen to his words.

More importantly, after holding back in Xia Yinzong for so long, he had long wanted to have a good fight. As long as there was a fight, let him do anything.

Ha ha...

Seeing his appearance, Wen Chou Chou couldn't help laughing, and then he explained a few words to Yue Wuya, and brought Sun Dasheng to gather everyone, quickly left Xia Yinzong, and headed towards Donghai City.

"Brother Wuya!"

As soon as his forefoot left, Wen Xiaoyu stood up and comforted Yue Wuya: "You must be calm, then the Sea Dragon Palace will do the opposite and go against the law of heaven, and it will definitely not end well."

"We Just wait for the news from my father, and when the counterattack comes, our brothers will join forces to kill them without leaving a single piece of armor." At the end, Wen Xiaoyu's handsome face was full of pride.

"Okay!"

Hearing this, Yue Wuya smiled and hugged Wen Xiaoyu tightly.

After a few chats between the two, Wen Xiaoyu left. There was something wrong with the sub-altar of Tianmen Donghai City. How could he still be in the mood to drink?

Chapter 5150

After Wen Xiaoyu left, Yue Wuya sat alone in the pavilion for a while, then returned to his resting room and practiced cross-legged.

Yue Wuya originally wanted to see Hai Ling'er, but it was getting dark now. Although the two were already recognized as a couple, they hadn't had a wedding yet, so they couldn't go beyond the etiquette.

More importantly, Hai Linger has been taking care of the baby.

It was because of this baby that the Sea Dragon Palace raided the sub-altar of Donghai City, resulting in the tragic death of tens of thousands of brothers. Yue Wuya was really not like the past, and he was afraid that he could not control his emotions when he saw the child.

Time passed by minute by minute.

Unconsciously, the night passed, Yue Wuya breathed a sigh of relief and slowly opened his eyes.

After a night of training, Yue Wuya only felt that his body was full of internal energy, but he couldn't be happy at all. When he thought of the tragic deaths of nearly 10,000 brothers in Donghai City, Yue Wuya felt a pain in his heart.

call!

Looking at the bright sky outside, Yue Wuya took a deep breath, got up slowly, and then pushed the door and walked out.

When they got outside, Yue Wuya waved at a maid not far away: "I ask you, after the Palace Master Wen left last night, is there any news coming back?" After

so long, he should have found out the situation.

However, the maid shook her head: "Reporting to Sect Master Yue, after the Palace Master Wen left, there has been no news."

No news?

Hearing the answer, Yue Wuya suddenly felt a little heavy, what's going on, could it be that Uncle Wen and the others are in trouble?

Thinking of this, Yue Wuya didn't have time to think, and hurriedly walked towards the front hall.

When they got to the front hall, they saw Su Qingyan sitting there, discussing the situation with several elders of Xia Yinzong, and what they were talking about was the Sea Dragon Palace.

Su Qingyan also knew about the raid on the Tianmen Donghai City branch yesterday.

"Aunt Su."

At this time, Yue Wuya walked in quickly and greeted Su Qingyan respectfully: "Uncle Wen has been gone all night, what's the matter?" Although Yue Feng and Su Qingyan have not The wedding was held, but Yue Wuya always respected her and called her Auntie Su.

Su Qingyan breathed a sigh of relief and replied, "I just sent back the news."

"This time, the Sea Dragon Palace dispatched 200,000 followers, and the main target is your Tianmen. The leader on the surface is a pirate leader named Yu Du. , but your Uncle Wen secretly found out that the real commander is actually a young man named Liu Hao."

"It's just that this Liu Hao's whereabouts are very mysterious, and he has never shown up."

"In the news returned by your Uncle Wen, In particular, he is currently investigating the whereabouts of that Liu Hao, and we should not act rashly until we find him."

When she said this, Su Qingyan's delicate face was very solemn.

Liu Hao?

Hearing this name, Yue Wuya's heart was shocked, and he suddenly thought of something: "This Liu Hao should be the young man Xiaoyu and I met on Dragon King Island. ."

Yue Wuya still had some lingering fears when he thought of the scene of fighting against Wen Xiaoyu and the other party at that time.

To be honest, the situation at that time was extremely dangerous, the two of them couldn't beat each other together, and they almost died at the bottom of the sea.

Huh ...

Hearing this, Su Qingyan also frowned: "The other party is so strong? It seems that we have a fierce battle to fight."

With that said, Su Qingyan said softly to Yue Wuya: "Wuya, don't worry, let's wait for Brother Wen's next news. If there is a chance, Xia Yinzong will definitely help."

Yue Wu Ya nodded: "Thank you Aunt Su."

After chatting a few more words, Yue Wuya left the hall and walked towards the backyard.

Ling'er should have woken up by now, calling her to have breakfast together.

Thinking of this, Yue Wuya quickened his pace.

"Brother Wuya!"

As soon as he arrived in the corridor of the backyard, he heard a cheerful voice, followed by a slim figure from the direction of the guest room.

Not Hai Linger, but an eighteen or nineteen-year-old girl.

Wearing a red short skirt with a high ponytail, she is indescribably youthful and beautiful.

The ultimate husband in Chinese chapter 5151-5160

Chapter 5151

Uh, why is she here?

Seeing the girl, Yue Wuya suddenly had a headache.

The girl's name is Nalan Wushuang. She is a rookie of the Nalan family. She is gifted and intelligent, with delicate facial features, a slender and attractive figure, and a proper beauty.

Nalan Wushuang does not have much reputation in the arena, but the Nalan family behind her is a big and well-known family in the Earth Circle.

More than ten years ago, the various sects of the Earth Circle jointly established a training school in Donghai City, with Elder Wudang serving as the principal. At that time, Yue Feng and Sun Dasheng signed up together, and Yue Feng's classmate, Nalan Xinran, was Nalan family of people.

You know, when Nalan Xinran entered the school on the first day, it can be said that it caused quite a stir, and Nalan Xinran has always been regarded as the school flower goddess with her angel-like appearance.

Now that so many years have passed, the students of that year, as long as they think of Nalan Xinran, are still fascinated.

And the Nalan Wushuang in front of him is the daughter of Nalan Xinran's brother, in other words, Nalan Xinran's niece. Nalan Wushuang wants to call Nalan Xinran a aunt.

The Nalan family has been involved in the rivers and lakes since ten years ago, and encouraged family disciples to join the sect and practice the exercises to enhance their own strength. The purpose is to make the Nalan family stronger.

In the past ten years, the Nalan family has gradually evolved from a simple business family to a cultivation family, and gradually gained some status in the arena. Five years ago, the Nalan family began to communicate with Tianmen and the Hall of Longevity. Because of this, Nalan Wushuang also met Yue Wuya.

When the Nalan family communicated with Tianmen, it was when Yue Wuya just took over as the sect master of Tianmen. At that time, Yue Wuya was just an adult, handsome and powerful. It can be said that he was the youngest generation in the whole arena. doorman, and thus captured the hearts of many girls.

Among them is Nalan Wushuang.

You must know that Nalan Wushuang was just thirteen or fourteen years old at the time, at the age when his heart was sprouting and he worshipped heroes. The first time he saw Yue Wuya, he was deeply attracted by the masculinity of his body.

Coupled with the relationship between Yue Feng and Nalan Xinran, Nalan Wushuang felt a new layer of closeness to Yue Wuya.

So from then on, Nalan Wushuang's heart was tied to Yue Wuya. If there was anything, he would come to Yue Wuya, either to ask for advice or to let Yue Wuya take her out to play.

This chapter is provided by . Visit for daily update.

In Nalan Wushuang's heart, as long as he can be with Yue Wuya, he is in a sea of swords and flames, and his heart is sweet.

However, Nalan Wushuang's personality is a bit savage. Although he is very gentle to Yue Wuya, but because he is the young lady of the Nalan family, he always treats the people below with a high-level attitude, which makes Yue Wuya very unhappy. .

Two years ago, Nalan Wushuang entangled Yue Wuya to take her to travel around the world. At that time, Yue Wuya was so entangled that he only took her out to play for a long time.

During the tour, Nalan Wushuang summoned the courage to confess to Yue Wuya, but was politely rejected by Yue Wuya.

He doesn't like Nalan Wushuang's character, and Yue Wuya has always liked Hai Ling'er. How could he accept Nalan Wushuang's confession?

The confession was rejected, and Nalan Wushuang was depressed for several days. Later, after adjusting, he kept pestering Yue Wuya, causing Yue Wuya to have a headache.

Therefore, seeing Nalan Wushuang at this time, Yue Wuya was a little dumbfounded.

"Brother Wuya..."

Nalan Wushuang came to him at this time, hugging Yue Wuya's arm very intimately: "I knew that I would definitely meet you here. Hee hee."

"I heard that you disappeared for a week before, and both Tianmen and Changshengdian sent people to look for you. There has been no news from you. I am really worried to death."

“I heard that you are back, I will come to see you immediately, Are you very happy to see me?” As he

spoke, Nalan Wushuang hugged Yue Wuya’s arm tightly, her delicate face was bright red, and she looked very happy.

Uh...

Yue Wuya was embarrassed, and calmly broke away Nalan Wushuang’s hand: “Sister Wushuang, you are already an adult, don’t be like this, it’s not good to be seen by others.”

Chapter 5152

At this time, Yue Wuya was speechless.

Two years ago, I made it so clear that Nalan Wushuang was still persevering, so how could she give up? What a headache.

Moreover, Hai Linger was resting in a room not far away, and she would definitely feel uncomfortable when she saw that she and Nalan Wushuang were so close.

Pfft...

Seeing his serious appearance, Nalan Wushuang couldn’t help laughing, and said indifferently, “I like my brother, who doesn’t know, even if she is seen, Miss Ben is not afraid. “

Brother Wuya, I heard that the orchids are blooming in the valley north of Xia Yinzong, would you accompany me to take a look?”

At the end, Nalan Wushuang’s delicate face showed a bit of shyness. , You must know that the valley behind the Xia Yinzong is relatively remote, and no one usually goes there. It is a good place to talk about love.

As the young lady of the Nalan family and a daughter’s family, it was obvious that he took the initiative to invite boys to such a place, that is, to create a space for the two of them to get along.

Seriously, if it was another girl, it would be hard to tell.

But Nalan Wushuang’s heart is all on Yue Wuya, as long as he can be with him, any restraint will be forgotten.

Huh....

Feeling Nalan Wushuang's expectant gaze, Yue Wuya had a headache and smiled bitterly: "Little sister Wushuang, I have a lot of things to do, how can I accompany you to see orchids?"

"Besides, before I told you, I only see you as a sister, we can't be a couple, so don't waste your time on me."

"In Xia Yinzong, there are many young talents, and several of them have a good impression of you. You might as well give them some opportunities. By the way, my brother Wen Xiaoyu is also good. How about I ask him to accompany you later?"

While speaking, Yue Wuya deliberately kept a distance from Nalan Wushuang.

"I don't want..."

Nalan Wushuang pouted and stomped his feet: "I just like you, so I don't want to go to see orchids with other boys. Brother Wuya, just go with me, just this time, okay? Ok?"

Nalan Wushuang gently shook Yue Wuya's arm and acted coquettishly.

Uh...

Yue Wuya's head was entangled, and he was thinking about how to refuse, when he saw the door not far away opened, and then Hai Linger walked out slowly.

At this time, Huan Ling'er was no longer dressed in the sea shark clan's dress, but was wearing the traditional costumes of the Kyushu Continent, with a white long skirt, floating like a fairy, and unbelievably beautiful.

"Ling'er!"

Seeing Hai Ling'er coming out, Yue Wuya seemed to have grabbed the life-saving straw.

This girl is so beautiful.

At this moment, Nalan Wushuang was stunned when she saw Hai Ling'er. This was the first time she saw Hai Ling'er. Although she thought she was beautiful, she couldn't help but see the princess of the sea shark clan. A trace of jealousy rose.

The skin is creamy, with finely crafted facial features.

How can there be such a perfect girl in the world?

Admiring this in his heart, Nalan Wushuang also followed.

“Brother Wuya!”

Seeing Yue Wuya coming over, Hai Ling'er showed a smile: “Why did you get up so early today?” As she said that, she stretched out her jade hand and helped Yue Wuya straighten her collar, her face full of tenderness.

Although they are not married yet, in their hearts, they already regard each other as the only one in their lives.

Feeling Hai Linger's tenderness, Yue Wuya felt warm in his heart, and his eyes were full of warmth: “Something happened to Tianmen, I didn't sleep last night, and I practiced all night.” Huh

.... Kiss me and I ,

Nalan Wushuang bit his lip tightly, knocked over the vinegar jar at once, and couldn't help interrupting, “Brother Wuya, who is this woman?”

Yue Wuya's hand, and when he said the word ‘woman’, his pronunciation was deliberately biting hard.

Nalan Wushuang's actions made Yue Wuya very unhappy, but in front of Hai Ling'er, it didn't happen.

“Little Sister Wushuang.” In the

next second, Yue Wuya held back the displeasure in his heart, first broke away Nalan Wushuang's hand, and then introduced with a smile: “This is Hai Linger, my fiancée, and your sister-in-law. “

Chapter 5153

After that, Yue Wuya smiled and introduced to Hai Linger: “Linger, this is Nalan Wushuang, the young lady of the Nalan family, the Nalan family and our Tianmen are allies, they meet often, and I The relationship is good, just like my own sister.”

Oh...

Hai Ling'er nodded and greeted Nalan Wushuang with a smile: “Hello, sister Wushuang.”

Then she stretched out her hand.

Nalan Wushuang turned a blind eye, and did not mean to shake Hai Linger's hand at all, but muttered unhappily: “What sister, you are not my brother.”

After saying that, Nalan Wushuang asked Yue Wuya . Said: “Brother Wu Ya, do you want to marry this

Hai Linger? Does Uncle Yue Feng know?”

Speaking of which, Nalan Wushuang had heard of Hai Linger, the princess of the sea shark clan, with an extraordinary position. When the Rakshasa clan devastated Kyushu, they also represented the sea shark clan to support Kyushu.

However, in her heart, the sea sharks live far abroad, and whether it is diet or customs, they are very different from the Kyushu mainland. Yue Wuya is not suitable for her to be with.

The one who truly deserves Yue Wuya is Nalan Wushuang.

“What are you worrying about?”

Seeing Nalan Wushuang’s thorny words, Yue Wuya frowned and said lightly: “My father never cares about my relationship, he will support my actions, if I and Hai If Linger gets married, my father will definitely be happy and will bless us.”

Hearing this, Nalan Wushuang pouted, but could not refute.

“Linger!”

Yue Wuya didn’t bother to talk to her any more, and looked at Hai Linger with affectionate eyes: “You wake up so early, are you hungry, I’ll take you to eat, Xia Yinzong’s breakfast is very special, especially their rice porridge. , very delicious.”

“Okay.” Hai Ling’er smiled and nodded.

After saying that, Yue Wuya took Hai Linger’s hand and walked towards the side hall in front.

At this moment, Yue Wuya deliberately turned a blind eye to Nalan Wushuang, which was also deliberately done to her, so that she would give up.

However, Nalan Wushuang has a very strong personality. The more Yue Wuya is like this, the more she will not give up easily. She stomped her feet and shouted: “Brother Wuya, I’m going to have breakfast too.”

In fact, just now she It was already too early to disturb Yue Wuya’s two-person world on purpose.

Shouting in his mouth, Nalan Wushuang quickly followed.

Uh...

Seeing Nalan Wushuang following up, Yue Wuya was very depressed.

Hailing'er Bingxue is smart, although Yue Wuya didn't say anything, but she guessed something. At this moment, she pursed her lips and smiled, and said in a low voice: "Brother Wuya, it seems that this young lady Wushuang likes you very much.

" There was a bit of cunning in Hai Ling'er's eyes.

She and Yue Wuya have a deep and righteous relationship, knowing that Yue Wuya will not betray her, and she is not a person who is rambunctious. At this time, she is deliberately teasing her.

Swish!

Hearing this, Yue Wuya blushed and hurriedly explained: "Linger, don't think about it, she has been pestering me, but in my heart, I have always regarded her as a sister."

Seeing his urgent words She couldn't explain it clearly, Hai Ling'er burst into laughter and said in a low voice, "Alright, alright, I'm just asking to see how nervous you are."

When she said this, Hai Ling'er was full of smiles, and her heart was even more sweet.

I'm furious.

Seeing that the two were talking and laughing, Nalan Wushuang, who was following behind, pouted and puffed up. The delicate face is full of displeasure.

Apart from being beautiful, Hai Ling'er didn't see anything good in other places, but Brother Wu Ya was fascinated by her like this. I've never seen him so happy before when I hang out with him.

No, Brother Wuya is mine.

Brother Wu Ya must not be taken away by this princess of the sea shark clan.

Displeased in his heart, Nalan Wushuang's eyes flashed with determination, and he even swore in his heart.

Soon, in the side hall, Yue Wuya asked the maid to prepare breakfast, and then pulled Hai Linger to sit at the table.

Nalan Wushuang was determined to make trouble, so he also sat down. Yue Wuya knew that the eldest lady of the Nalan family was protesting silently, so she pretended not to see it.

Chapter 5154

“Miss Wushuang!”

At this time, a maid came over and asked Nalan Wushuang respectfully, “What do you want to eat?”

Nalan Wushuang glanced at Brother Wuya: “As before, Wuya I will eat whatever my brother eats.” After speaking, he gave Hai Ling'er a provocative look.

The meaning is obvious. I often have breakfast with Brother Wuya. Although you are a princess of the sea shark clan, although your status is noble, you don't spend as much time with Yue Wuya as I do.

“Yes!” The maid responded and turned to leave.

Seeing this, Hai Ling'er was not angry at all, but said with a smile: “Little sister Wushuang, do you often eat with Brother Wuya?”

She could see that this Nalan Wushuang was targeting her everywhere, but She didn't care at all.

“Of course!”

Nalan Wushuang said with a cold and arrogant look on his face, “Brother Wu Ya and I have known each other five years ago. We have many common hobbies and eating habits. The sharks are used to eating seafood, so the breakfast here may not suit your taste.”

It was still thorny.

Hai Ling'er smiled lightly and didn't mind at all.

But Yue Wuya couldn't help it, frowned at Nalan Wushuang and said, “Wushuang, what are you talking about?” Who can stand this young lady's personality?

“What I said is the truth.” Nalan Wushuang made an innocent look: “Could it be that she is overseas and eats fish and shrimp every day, how can we have abundant ingredients here?”

Seeing Yue Wu Nalan Wushuang was even more unhappy when Ya defended Hai Ling'er.

“Okay!”

Seeing that the atmosphere was not good, Hai Linger hurried to smooth things out, and said softly to Yue Wuya: “Young sister Wushuang is not bad, I rarely come to the mainland, the food here is indeed different from our sea shark clan, but I will I’m used to it.”

Hearing this, Yue Wuya smiled and nodded.

Nalan Wushuang snorted softly.

Wow...

Seeing this scene, several maids not far away couldn’t help but talk in a low voice.

“Look, Miss Wushuang seems to want to compete with this Hai Ling’er for Sect Master Yue.”

“Yes, Sect Master Yue is really lucky to be favored by two beautiful women...”

“One is the young lady of the Nalan family. , One is the princess of the sea shark clan. I don’t know how Sect Master Yue decides? But looking at the situation, Sect Master Yue seems to have a soft spot for Hai Ling’er.”

“Shh...be quieter.”

Just as several maids whispered While they were discussing, the breakfast of Yue Wuya and the three also brought them up.

“It smells so good!”

Hai Ling’er couldn’t help but exclaimed when she smelled the aroma of the rice porridge, and then she took a sip, but was burned, she quickly stuck out her tongue, she couldn’t tell cute.

Haha...

Seeing her like this, Yue Wuya couldn’t help laughing: “The rice porridge that just came out of the pot is very hot, come on, let me blow it for you.” After speaking, he scooped up some rice porridge with a spoon. Put it on your mouth and blow it gently. Unspeakable tenderness.

Hai Ling’er watched with a smile, an indescribable sweet happiness in her heart.

“I won’t eat it!”

Seeing this scene, Nalan Wushuang couldn’t bear it any longer. He threw away the spoon and turned away angrily.

Just now, Yue Wuya and Hai Linger were talking and laughing like no one else around, which already made her very unhappy. At this time, she saw Yue Wuya blowing rice porridge to Hai Linger, let alone Nalan Wushuang. No girl can stand it.

“She...”

Seeing Nalan Wushuang angrily leaving the stage, Hai Linger couldn't help but gently asked Yue Wuya, “Is she all right?” Hai Linger Bingxue is smart, what do you think? No, Yue Wuya was so close to him just now, part of it was to anger Nalan Wushuang.

Yue Wuya waved his hand and said indifferently, “This girl is just the eldest young lady's temper. There is nothing at all. Come on, let's have breakfast.”

Hmm!

Seeing what he said, Hai Linger stopped asking and started to eat quietly.

At this time, neither of them knew that Nalan Wushuang did not go far, but sat in a pavilion not far outside, sulking. She really couldn't figure out what special charm Hai Ling'er had that could make Yue Wuya so obsessed.

Chapter 5155

At this time, the side hall is here.

While eating breakfast, Yue Wuya told the story of the destruction of the Tianmen sub-altar.

At the end, Yue Wuya sighed and said, “Uncle Wen was afraid that I would be dazzled by hatred, so he didn't let me stay here temporarily.”

Upon learning of the situation, Hai Linger's delicate face was also extremely sad. “These people from the Sea Dragon Palace are really ruthless, they actually killed so many people.”

“Uncle Wen is also for your own good. After all, the other party is very powerful.”

Speaking of this, Hai Ling'er smiled gently: “Brother Wu Ya, I'll accompany you to relax.” She knew that it was useless to console him about the collapse of Donghai City's sub-altar, the only thing she could do was to accompany him to relax.

“Yeah!”

Yue Wuya nodded. After drinking the last mouthful of porridge, he walked out of the side hall with Hai Linger and walked towards Beishan. In the north of Xia Yinzong, in addition to a valley, there is also a lake with beautiful scenery. good.

This scene was seen by Nalan Wushuang in the pavilion outside, and immediately followed without hesitation.

While following behind, Nalan Wushuang felt very unbalanced. Just now I called Yue Wuya to go to the valley to see orchids, but Yue Wuya refused because he was busy, and in a blink of an eye, he went for a walk with Hai Linger.

Soon, we reached the shore of the lake.

At this time, the sun has just risen, and the morning glow is reflected on the lake, reflecting a charming golden color.

“It’s so beautiful.”

Seeing this scene, Hai Linger’s face was full of joy, and she couldn’t help but say: “It’s like watching the sunrise on the island.”

Yue Wuya smiled slightly and couldn’t help but hug her shoulders : “If you like it, I will bring you every day in the future.” With Hai Linger accompanying, Yue Wuya’s mood was much better at this time.

Um!

Feeling Yue Wuya’s expression, Hai Ling’er responded with a sweet heart.

At this time, Yue Wuya saw a few orchids blooming on the cliff not far away, and he suddenly had an idea to make a flower crown for Hai Linger to wear, it must be very beautiful.

Thinking to himself, Yue Wuya said mysteriously: “Linger, wait for me, I’ll come when I go.”

After speaking, he turned around and strode away.

What is so mysterious.

Hai Ling’er was full of smiles and did not ask any further questions. After Yue Wuya left, she stood by the lake alone and admired the scenery in front of her.

Shasha...

At this time, Nalan Wushuang, who had been following behind, saw Yue Wuya leave and walked over slowly. A pair of eyes, staring at Hai Ling’er, twinkling with complexity.

Hearing the footsteps, Hai Linger immediately turned her head to look.

Seeing that it was Nalan Wushuang, Hai Ling'er smiled and greeted very politely: "Little sister Wushuang, why are you here?" At this time, she didn't know that Nalan Wushuang had been following behind.

"Don't call me my little sister."

Yue Wuya was not there, and Nalan Wushuang didn't bother to pretend to be polite, and said coldly, "I'm not familiar with you, who is your little sister?"

Feeling Nalan Wushuang's hostility, Hai Ling'er smiled and said nothing.

They were all women, Hai Linger could feel it, Nalan Wushuang liked Yue Wuya very much, but now, if she stole her sweetheart, she would feel uncomfortable if she were any woman.

"Hai Ling'er!"

At this moment, Nalan Wushuang walked up to him, his delicate face was full of icy coldness: "I heard that you are the princess of the sea shark clan, and your sea shark clan's practice is unique, why don't we discuss it and let May I experience the unique skills of your sea sharks?"

Nalan Wushuang was very upset when he saw Yue Wuya taking care of Hai Linger in every possible way, and now he wanted to teach Hai Linger a good lesson in the name of learning from each other.

Learn from each other?

Hearing this proposal, Hai Ling'er was stunned for a moment, then smiled: "This is not necessary." She is not a competitive woman, she just wants to enjoy the beautiful scenery.

Seeing her refusal, Nalan Wushuang smiled disdainfully: "Princess of the sea shark clan, is this brave? You don't dare to discuss?" After

speaking, Nalan Wushuang turned his head: "Let's just discuss, let's go to the point, it's not It's really fighting to the death, and I'm very interested in the exercises of your sea sharks, and I really want to see it, don't you want to satisfy me for this small request?"

The ultimate husband in Chinese chapter 5156-5160

Chapter 5156

This....

Seeing her say that, Hai Linger pondered, as the princess of the sea shark clan, it is really unreasonable to shrink back in the face of challenges.

It's just... She and Nalan Wushuang have no troubles, and this place is so beautiful, I really don't want to do it.

More importantly, Hai Linger could see that Nalan Wushuang likes Yue Wuya very much, and it is precisely because of this that she is regarded as a thorn in the eyes and a thorn in the flesh. In this case, it is even more reluctant to accept the consultation.

If there is an accident during the consultation process, wouldn't the hatred be deeper?

"Hey.."

Seeing her hesitating, Nalan Wushuang became a little impatient and frowned, "Hai Linger, can you hurry up and fight? To tell you the truth, I like Yue Wuya, So I will never let you snatch him away from me."

"This time, it is the battle of my dignity, you have to fight, you have to fight. If you refuse, I will fight every day in the future. I'm following you."

When he said this, Nalan Wushuang's tone was savage, and he couldn't hide the hostility in his eyes.

Ugh!

Seeing that she had said so, Hai Ling'er sighed softly and nodded, "Well, let's stop here." She could see that Nalan Wushuang was not joking. There will never be peace.

"Okay!"

Seeing her finally agreeing, Nalan Wushuang showed a smile and said seriously: "Since it's a competition, we have to make a bet. If I lose, I won't bother you and Brother Wuya in the future.

", Nalan Wushuang's eyes flickered with ruthlessness: "And if you lose, leave Brother Wuya and go back to the place where your sea sharks took you, and you will never be able to set foot on the continent of Kyushu."

Hearing this, Hai Ling'er's delicate body was shocked, and her beautiful face became solemn at this time.

This chapter is provided by . Visit for daily update.

The next second, Hai Ling'er looked at Nalan Wushuang seriously, nodded and said, "Okay, but I want to tell you that I will not lose to you." The voice was not loud, but full of determination.

Back when the Rakshasa clan devastated Kyushu, after Hai Linger and Yue Wuya got to know each other, they left an indelible mark on each other's hearts.

"Haha!"

Seeing her seriousness, Nalan Wushuang sneered, unable to hide his contempt: "I can't tell, you are quite confident in your own strength."

"But don't forget, I am from the Nalan family. Miss, since I dare to challenge you, I'm not a vegetarian." As the last word fell, Nalan Wushuang pulled out his long sword, and swiftly stabbed towards Hai Ling'er.

Nalan Wushuang started cultivating five years ago. During this period, he had worshipped many high-ranking people as teachers, but his strength was not good. At this time, he was naturally ruthless in order to compete for his beloved.

Chi...

I saw that the sword Nalan Wushuang stabbed was as fast as electricity, and the air seemed to be torn apart wherever it passed.

Seeing Nalan Wushuang attack, Hai Ling'er bit her lip lightly, her beautiful face full of calm. Immediately afterwards, the jade hand raised, holding a flute as white as snow and came out.

I saw this flute, like jade but not jade, with a white halo flowing through it, and it was extremely tough.

It is the treasure of the sea sharks, the Xueshan Ice King Flute.

In the deep sea near the island where the sea sharks are located, there is a special white coral called snow coral. This coral is completely different from ordinary corals. It is not only large but also very tough.

Twenty years ago, the patriarch of the shark clan found a snow coral king on the bottom of the sea, polished it into a flute, and passed it on to Hai Linger.

At this moment, Hai Ling'er held Xue Shan Ice King Flute tightly, her delicate body flashed, and she met Nalan Wushuang.

Dang dang dang...

Nalan Wushuang's long sword collided with Hai Ling'er's Snow Mountain Ice King Flute constantly, making a crisp sound. At the beginning, Nalan Wushuang was still full of confidence, but gradually, in his heart But was secretly surprised.

Is this Hai Ling'er so strong?

You must know that although Nalan Wushuang cultivated relatively late, the masters that the Nalan family found for her were all well-known masters in the arena, plus Nalan Wushuang was talented and intelligent. Although she only practiced for five years, But his strength has far surpassed his peers, and he is the leader of the younger generation of the Nalan family.

Chapter 5157

Clang!

Just when Nalan Wushuang was secretly surprised, Hai Ling'er turned her inner strength and injected it into the Xueshan Ice King Flute, and it struck like lightning. Nalan Wushuang hurriedly put the long sword in front of him to resist, and heard a dull, satisfied sound. Lan Wushuang's delicate body stepped back again and again, and the long sword was almost unsteady.

After stabilizing his figure, Nalan Wushuang stared at Hai Ling'er, both shame and anger.

Since stepping into the arena, he has never been suppressed like this.

The person who made her even more unbearable, the girl in front of her, was still her underestimated enemy.

Huh..

Feeling the hatred in Nalan Wu's eyes, Hai Ling'er breathed a sigh of relief, her beautiful face did not fluctuate in the slightest, and

said softly, "Don't fight, you can't beat me." Ling'er has retained a bit of strength, otherwise Nalan Wushuang would have been defeated long ago, just to prevent her from losing too ugly, so she pretended to play more than a dozen rounds with her.

"Shut up!"

However, the more Hai Ling'er was like this, the more angry Nalan Wushuang became. He couldn't help but shout: "Don't be complacent, I won't give up easily." As the

voice fell, Nalan Wushuang was nervous. Holding the long sword, the figure rose up and attacked Hai Linger again.

Alas.. why is this girl so persistent?

Faced with this situation, Hai Ling'er sighed softly and had no choice but to continue to fight with the Xue Shan Ice King Flute.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely for several more rounds. Nalan Wushuang used various moves, but he was unable to reverse the situation. His delicate face was extremely red, and his heart was also anxious.

"I won't lose, I will never..." Nalan Wushuang snorted, and the inner strength of the whole body exploded.

hum!

In an instant, an incomparably powerful force erupted, and within a few hundred meters around, the temperature plummeted.

"Tianjue's life-threatening claws." The

next second, a cold voice came from Nalan Wushuang's mouth, and then, I saw her whole body soaring into the air, her jade hand five fingers forming claws, like a bolt of lightning, bursting towards Hai Ling'er come.

Kazuza...

Tianjue's life-killing claw is a stunt on the rivers and lakes of the Earth Continent thousands of years ago. Once practiced, it can be divided into gold and stone. The power is very amazing, but it was later lost.

In recent years, when the Nalan family was transformed into a cultivating family, they once sent people to collect the secrets of the exercises in the rivers and lakes.

Nalan Wushuang is talented and intelligent. Two years ago, he practiced his life-threatening claws, but he has never had the chance to use it. Because the moves of this technique are too cruel, as long as he uses it, the opponent will be killed or injured.

At this time, Nalan Wushuang was still unable to suppress Hai Ling'er, and when he was so embarrassed, he couldn't care less.

Chi Chi...

At this moment, at the moment when Tian Jue's life-threatening claws erupted, all directions around Hai Ling'er seemed to be sealed invisibly, and there was no way out.

This...is this a lost practice method in the arena?

Seeing Nalan Wushuang burst out with a stunt, Xiumei frowned lightly on Hai Ling'er's beautiful face, but she was not panic at all. As the patriarch of the sea shark clan, he naturally has stunts to save his life.

“Sea Beast Art!”

Seeing that Nalan Wushuang's claw was about to hit Hai Ling'er, just at this critical moment, she saw Hai Ling'er's red lips parted lightly and slowly spit out a few words.

Immediately afterwards, Hai Ling'er put away the Xue Shan Ice King Flute, and quickly raised a pair of jade hands.

hum!

In an instant, in the air in front of her, a water curtain quickly condensed out, and then, in the center of the water curtain, a dolphin transformed into an illusion.

This dolphin is several meters long and has a dark body. It was completely transformed by Hai Linger's internal power.

boom!

In the next second, the dolphin opened its mouth wide and met the bursting Nalan Wushuang. One person and one beast collided in mid-air, making a loud noise.

After the loud noise, I saw Hai Linger standing quietly in the same place, with the same demeanor, without the slightest bit of damage.

On the other hand, Nalan Wushuang groaned, and the delicate body was shaken out. It flew more than ten meters before landing on the ground, and the delicate body trembled and stepped back ten steps before stabilizing her figure.

This is impossible.

At this time, Nalan Wushuang's delicate face was extremely pale, showing a bit of weakness, but a pair of eyes stared at Hai Ling'er fiercely, and his heart was shocked and resentful.

Chapter 5158

How can this Hai Linger's strength be so strong?

He had already performed a stunt, and he didn't even hurt her at all.

Pfft...

Under the anger, Nalan Wushuang rushed to his heart, a mouthful of blood spurted out, and his delicate body was trembling faintly.

Brother Wu Ya was snatched by her, and he couldn't beat her.

Why is God so unfair?

"You..."

Hai Ling'er couldn't help exclaiming when she saw Nalan Wushuang vomiting blood, her beautiful face was full of worry: "You... are you all right?" Her tone was extremely soft.

Hai Ling'er has a kind heart, she knows that because of Yue Wuya, Nalan Wushuang will always show her face. In the end, the two have no grudges, and, as they said just now, it's just a matter of time.

Under such circumstances, seeing Nalan Wushuang being injured by herself, Hai Ling'er felt very sorry.

"The cat is crying and the mouse is fake."

Facing Hai Linger's concern, Nalan Wushuang snorted coldly, disdainfully.

Seeing that Nalan Wushuang did not respond, Hai Linger thought she was seriously injured and walked over slowly. At the same time, she said apologetically, "I'm sorry, I didn't mean it just now."

Hai Linger has been kind since she was a child. After death, I can feel sad for several days. At this time, seeing Nalan Wushuang vomiting blood from his beating is even more uncomfortable.

call!

Seeing that Hai Linger didn't seem to be pretending, Nalan Wushuang frowned and didn't appreciate it at all. Instead, he turned his head and came up with a cruel idea.

This Hai Ling'er is not only beautiful and powerful, but also so simple.

No wonder Brother Wu Ya is so obsessed with her.

No, Brother Wuya is mine, and I must not let other women take it away.

Pfft!

Thinking in his heart, Nalan Wushuang pretended to be unable to hold on, and fell to the ground all of a sudden. When he

fell to the ground, Nalan Wushuang's face was pale and seemed to be very weak, but his eyes were secretly paying attention to Hai Ling'er's reaction.

Yes, Nalan Wushuang planned to use Hai Linger's kindness to raid her.

Oops!

Seeing Nalan Wushuang fall to the ground, Hai Ling'er's delicate body was shocked, and she was suddenly in a hurry.

Although Nalan Wushuang made trouble unreasonably, in the final analysis, it was because he liked Yue Wuya too much, and, in Yue Wuya's heart, he always regarded her as a younger sister. Brother Ya explain?

Thinking of this, Hai Linger felt very guilty, she ran over and said to Nalan Wushuang, "I'm sorry, I'm really sorry, I didn't mean it just now."

Hai Linger was worried when she said this.

At this time, she didn't know that the Nalan Wushuang in front of her was completely fake.

"I'm sorry?"

Seeing her so nervous, Nalan Wushuang sneered secretly in his heart, with a sense of revenge, and immediately said coldly: "You don't pretend to be in front of me, you are afraid that I will steal Brother Wuya, so you hit me on purpose. Injury, right?"

"It's the end of the deal, but you are so serious, I really don't see it, you are so innocent on the outside, and so cruel at the bottom of your heart."

Nalan Wushuang at this time, deliberately made a very serious The look of grief and indignation, what viciousness said, as if the person in front of her was the most heinous woman in the world.

"I..."

Hearing this, Huan Ling'er's face flushed red, and she didn't know whether to laugh or cry.

When we were discussing just now, you were pressing step by step, and you were the first to use your stunt. I was just defending, why was it so cruel?

Hai Ling'er wanted to refute a sentence, but when she saw Nalan Wushuang's pale and sad expression, she held back.

They're all women, so why bother each other? Forget it, bear with it.

Thinking of this, Hai Linger breathed softly and said softly: "Sister Wushuang, don't be angry, I didn't know it would hurt you, let me adjust your breath for you." After speaking, Hai Linger squatted down, to help Nalan Wushuang up.

Here's your chance!

At this moment, Nalan Wu's eyes flickered sharply, without hesitation at the time, he slammed a palm directly into Hai Ling'er's heart.

Seeing Yue Wuya being so protective of Hai Linger before, Nalan Wushuang was already very unhappy, but it turned out that she was not her opponent, and the resentment in her heart deepened. At this time, she just wanted to kill Hai Linger.

As long as Hai Linger is dead, he will have a chance.

Chapter 5159

Om!

When he cast this palm, Nalan Wushuang showed almost all of his inner strength.

"You..." Hai Ling'er was taken aback when she saw Nalan Wushuang's sudden attack, and immediately knew that the other party was pretending just now: "Little sister Wushuang, what are you doing?"

She never thought that Nalan Wushuang would be so insidious.

"Don't call me little sister." Nalan Wushuang's delicate face couldn't hide the grimness: "Don't get involved with me, I don't want to do this, but who told you to take away my brother Wuya? You... Go to hell." The

voice fell, and a little more internal force was added to the palm.

boom!

Faced with this situation, Hai Ling'er wanted to dodge, but the distance was too close, and it was too late. She saw this palm hit her heart, causing a dull vibration.

Immediately afterwards, Hai Ling'er let out a painful cry, and the whole person flew out at once.

Pfft!

After flying dozens of meters away, Hai Ling'er fell heavily on the edge of the lake, blood spilled from her red lips, and bursts of severe pain almost passed out.

"You..."

Hai Ling'er looked at Nalan Wushuang closely, and was very angry. She wanted to reprimand, but she couldn't go on with just one word. She clearly felt that her heart was affected. The heavy damage, the inner strength of the dantian, is also completely disordered.

To be honest, the sea shark practice Hai Linger practiced is quite special. The palm just now, with the special body protection, offset part of the palm strength, otherwise, he would have died at this time.

Ha ha...

The raid was successful, Nalan Wushuang was full of joy, and quickly stood up, with a high attitude, sneered at Hai Linger: "With your IQ, you still want to be a woman of Brother Wuya? Don't you know that soldiers are not tired of cheating?"

As he spoke, Nalan Wushuang clenched his long sword and walked step by step: "The only one who is qualified to be Wuya's wife is me."

When he spoke, Nalan Wushuang couldn't hide the killing intent in his eyes.

Anyway, now Yue Wuya is no longer, and no one knows about killing Hai Linger.

Huh...

Seeing Nalan Wushuang approaching step by step, Hai Ling'er was angry and panic.

I have to stay with Yue Wuya for the rest of my life, so I can't die like this. It's just... my heart is injured, how can I be Nalan Wushuang's opponent?

Thinking to herself, Hai Ling'er was a little desperate, and tears flowed down her face.

"Ling'er!"

At this critical moment, he heard a shout from not far away, and when he turned his head to look, he saw Yue Wuya rushing towards him, holding a garland that had just been woven in his hand.

Seeing Yue Wuya appear, Hai Linger was overjoyed and couldn't help shouting, "Brother Wuya!"

Brother Wuya came, and he was saved.

hateful!

At the same time, Nalan Wushuang stomped his feet in anger. Brother Wu Ya came at a wrong time, and he was almost able to kill this vixen.

“Linger!”

At this moment, Yue Wuya rushed forward and hugged Hai Linger in his arms.

He clearly saw that Hai Ling'er's face was pale and her body was weak. Because her heart was injured, she was extremely weak at this time.

“Ling'er, don't scare me, you'll be fine...” Yue Wuya's voice was choked, his eyes were blood red, seeing the woman he loves in this state, his heart was like a knife.

“Brother Wuya.”

Snuggled in Yue Wuya's arms, Hai Ling'er was indescribably warm and happy. Although she was very weak, she still squeezed out a smile to comfort her: “Don't cry, I will be fine. ...”

“Sister Wu Shuang and I were discussing just now, and I was accidentally injured by her. Don't blame her...” As the

last word fell, Hai Linger couldn't hold it anymore, her eyes darkened, and she passed out. .

She has a kind heart, and even if things develop to this stage, she doesn't want to see Yue Wuya and Nalan Wushuang turn their backs.

“Linger!”

Yue Wuya howled, hugging Hai Linger tightly, tears welling up, her voice trembling.

Seeing Yue Wuya's sad face, Nalan Wushuang looked indifferent and couldn't help but say, “Brother Wuya, why are you crying, she's not going to die.

” She is so weak that she can't even catch my palm.”

Hai Ling'er helped to speak before she fell unconscious, but Nalan Wushuang didn't appreciate it at all, so she took this opportunity to deliberately reverse right and wrong to excuse herself.

Chapter 5160

“You...”

Seeing her cold-blooded and ruthless appearance, Yue Wuya trembled with anger and shouted, “Shut up.”

Linger was so hurt that she actually said This kind of thing comes.

Yue Wuya didn't know the situation just now, but he believed that Hai Ling'er's strength was really going to fight, and it was impossible to lose to Nalan Wushuang.

“Did I say something wrong?”

Nalan Wushuang didn't realize his mistake at all, and said indifferently: “She can't even catch my palm, who can blame it?” He

didn't kill Hai Ling in time just now Son, Nalan Wushuang was a bit suffocating, and seeing Yue Wuya taking such care of her at this time, she felt even more jealous.

Swish!

As soon as the words fell, Yue Wuya stood up suddenly, his eyes were blood red, and he locked onto Nalan Wushuang.

Yue Wuya had been restraining just now, but seeing Nalan Wushuang talking more and more, he couldn't help it.

“You...”

Nalan Wushuang's delicate body trembled as he felt Yue Wuya's gaze, and his heart became inexplicably nervous. Knowing Yue Wuya for so long, this was the first time he saw this kind of gaze.

It's scary as if it's going to eat people.

Snapped!

In the next second, before Nalan Wushuang could react, Yue Wuya slapped her in the face with a slap in the face. This slap was full of Yue Wuya's anger, and he almost used all his strength.

Hearing a muffled groan, Nalan Wushuang was directly fanned out and flew more than ten meters before falling to the ground.

“you...”

Nalan Wushuang covered his face, staring at Yue Wuya in shock and atmosphere: "You hit me?" He did so much, just because he liked him, but he actually did it for a princess of the sea shark clan, Do it yourself.

As the young lady of the Nalan family, whoever met her was not respectful, but at this time, she was beaten by a man she liked. It would be unacceptable for any woman.

"Shut up!"

Yue Wuya shouted, his whole body filled with anger: "Nalan Wushuang, I told you before, I only treat you as my sister, it is impossible for us both."

"My whole life , I only love one woman, that is Linger. She is my everything, if anything goes wrong with her today, I will not spare you, including your entire Nalan family.

" From now on, I don't want to see you again." The

last sentence fell, Yue Wuya turned around and picked up Hai Ling'er, strode away, and didn't even look at Nalan Wushuang.

'From now on, I don't want to see you again. '

These words, like an invisible sledgehammer, slammed into Nalan Wushuang's heart. For a time, Nalan Wushuang felt suffocated, as if he couldn't breathe.

Pfft!

A few seconds later, Nalan Wushuang slumped on the ground as if taking all his strength, watching Yue Wuya's leaving back, tears kept coming.

Yue Wuya, I love you so much, but you treat me like this.

The more Nalan Wushuang thought about it, the more angry he became. The love for Yue Wuya in his heart turned into endless hatred for a while, and he cried out loudly: "Yue Wuya, I will definitely regret you treating me like this..."

.

On the other side, Yue Wuya carried Hai Linger back to the room.

At this time, Yue Wuya clearly felt that Hai Ling'er's internal power was completely disordered.

"Linger!"

Feeling this, Yue Wuya was very annoyed: "It's all my fault, I should have been watching the scenery with you, if I were here, this kind of thing wouldn't have happened."

"I'm sorry, it's all I'm not good, I'm sorry..."

When he said this, Yue Wuya was trembling all over, and after that, he hurriedly ran the exercises to help Hai Linger to channel the disordered inner strength.

Time passed by minute by minute.

In the blink of an eye, two hours passed, and Hai Ling'er's turbulent internal power finally stabilized, and at this time Yue Wuya was also sweating profusely.

"Brother Wuya."

At this time, Hai Linger woke up faintly, and saw Yue Wuya sweating profusely, a smile suddenly appeared on his weak face: "I... I thought I was going to die. ."

The ultimate husband in Chinese chapter 5161-5170

Chapter 5161

Seeing her waking up, Yue Wuya was very happy. Hearing her say this, she immediately blamed: "Fool, what are you talking about? We haven't gotten married yet, and I want you to give me a lot of children, absolutely not Let you have an accident."

"In the future, you must never say such stupid things, you know?"

Yue Wuya hugged Hai Ling'er and said excitedly.

Seeing his nervous expression, Hai Ling'er showed a smile. Being able to be cared for by such a man, she felt unspeakable happiness. At that time, it was difficult for her to control herself, so she slowly moved up and kissed Yue Wuya's face.

Phew...

Feeling Hai Linger's tenderness, Yue Wuya's mind went blank.

But this kiss was fleeting, Hai Linger blushed, put her face in Yue Wuya's arms, and said in a low voice, "I'm fine now, I'll be fine after two days of rest, Brother Wuya. , don't be too uncomfortable."

Having said that, Hai Linger thought of something and continued: "By the way, don't blame little sister Wushuang, she is so hostile to me because she likes you so much...
"I

have to say that Hai Ling'er is really too kind, even if she almost died at the hands of Nalan Wushuang, she didn't want to blame her, and she even persuaded Yue Wuya in turn.

Just before he finished speaking, he was interrupted by Yue Wuya.

"Okay, don't talk about it." Yue Wuya hugged her tightly, the scene just now resounded in his mind, and he was angry with Nalan Wushuang: "Don't mention her in front of me in the future, that Nalan The family's young lady, I don't want to see you again in the future."

Yue Wuya couldn't restrain the anger in his heart when he thought that Hai Linger almost died at the hands of Nalan Wushuang.

Alas...

Seeing him like this, Hai Ling'er sighed softly and stopped talking.

On the other side, the Earth Circle Continent.

On the hillside outside the northern suburbs of Zhongzhou City, hundreds of thousands of people from the Sea Dragon Temple set up camp here. From a distance, the tents are connected together, and they are imposing.

A day ago, Yu Du led his subordinates to destroy the Tianmen branch altar in Donghai City, and they advanced all the way, directly approaching the Tianmen main altar in Zhongzhou City.

At that time, Yu Du planned to destroy the Tianmen General Altar in one fell swoop, so as to force Yue Wuya to appear, but he did not expect that many formations were deployed around the Tianmen General Altar in Zhongzhou City. It was unsuccessful, and in the end, thousands of subordinates were lost.

Three years ago, when the power of the demons ravaged the continent of Kyushu, Yue Feng set up a lot of formations near the main altar of Tianmen. Now, it will take at least a few days to break these formations.

The strong attack failed, Yu Du had no choice but to retreat temporarily with his subordinates, then set up camp on the mountain in the northern suburbs, and paid close attention to the situation of the Tianmen General Altar.

When a powerful enemy invades, the Tianmen General Altar has also strengthened its defense.

I saw that the various exits near the main altar were filled with elite disciples, each with a long knife, waiting in a strict formation, plus the surrounding formations, it can be said to be heavily guarded.

Not only that, but the entire Zhongzhou City is also panicking.

When Wen Chou Chou and Sun Dasheng arrived, it was already sunset, and they frowned secretly when they saw the situation in Zhongzhou City in front of them.

Mad!

At this moment, Sun Dasheng stood on the high platform of the main altar of Tianmen, looking at the Hailong Temple camp on the northern suburbs from a distance, with incomparable anger on his face: "These pirates are really bold, trying to destroy the main altar of Tianmen, it's just a fool's dream. ."

Tianmen was established by Fengzi, and it has been passed down for ten years. It is famous in the rivers and lakes. How can a group of pirates be able to shake it?

Wen Chou Chou next to him also had a solemn expression.

A few seconds later, Wen Chou Chou breathed a sigh of relief and said slowly: "Although the other party is just a bunch of pirates, we can't underestimate the enemy too much, don't forget, both Ya'er and Xiao Yu almost died on Dragon King Island before. After saying

that, Wen Chou Chou looked at the sky and continued: "The other party dares to camp on the northern suburbs of the mountain, he must have no fear. I guess that the mysterious young man is also there, let's go over to find out the truth."

"Okay!"

Sun Dasheng nodded quickly, looking impatient: "I want to see how capable that kid is."

Chapter 5162

After the discussion, Wen Chou Chou and Sun Dasheng walked directly to the camp of the Hailong Palace.

"Stop!"

Before they reached the entrance of the camp, the two were stopped by several disciples of the Sea Dragon Palace.

The captain at the head looked at Wen Chou Chou and Sun Da Sheng up and down, and his tone was cold: "Who are you? Don't you know this is the camp of our Sea Dragon Palace? If you don't want to die, get out."

His tone was arrogant and unquestionable.

Nima!

Seeing the other party's arrogant attitude, Sun Dasheng has a hot personality, and he suddenly became angry. He immediately stepped forward and shouted angrily: "My eldest son, Dasheng Sun, this is my eldest brother Wen Chou Chou.

"Let the fire burn your ruined camp."

When he said this, Sun Dasheng's eyes were full of anger, and a small captain was so arrogant that he was courting death.

What?

When the voice fell, whether it was the captain or the members of the Sea Dragon Palace, they were all shocked.

The two people in front of them are the hall master of the Hall of Longevity and the head of Huaguo Mountain, who are famous in the rivers and lakes of Kyushu? They and the founder of Tianmen, Yue Feng, are sworn brothers, no one in the arena knows, no one knows, who doesn't know.

Seeing their shocked expressions, Wen Chou Chou was too lazy to talk nonsense, and said indifferently: "Quickly call your leaders out."

Thinking of the Tianmen sub-altar in Donghai City, all 10,000 disciples were destroyed, and none of them survived, Wen Chou Chou couldn't hold back. Angry.

"I..."

Feeling Wen Chou Chou's powerful aura, the captain reacted, resisting the nervousness in his heart, and responded, "Our leader is not here."

"Furthermore, this is a grudge between us and Tianmen, so don't interfere with the two of you, so as not to get into trouble."

When he said this, the captain's face was full of fear. , but there are hundreds of thousands of companions, so don't be afraid.

"Nonsense."

At this time, Sun Dasheng couldn't bear it anymore, and he pointed at the captain and cursed: "Shao Tema give me this set, I will say it one last time, let your leader get out. Otherwise, don't blame We're welcome."

The captain's face turned cold, not to be outdone: "It's really interesting, although you two have a high reputation in the rivers and lakes, but you are only in the rivers and lakes of Kyushu, dare to come to our Sea Dragon Palace to be wild? Have you thought about the consequences? "The

last word fell, and the captain raised his hand and waved.

Wow...

Seeing the captain's gesture, several hundred members of the Sea Dragon Palace poured out of the camp and directly surrounded Dasheng Sun and Wen Chou Chou. These members of the Sea Dragon Palace were holding long knives and had a murderous aura.

"Looking for death!"

Seeing this scene, Wen Chou Chou stopped talking nonsense, raised his hand and waved, holding a long sword tightly.

“Flying Snow Sword Art.” The

next second, the cold words came out of Wen Chou Chou’s mouth, and in an instant, a dazzling light burst out from the long sword, condensing a sword shadow.

This move, Feixue Sword Art, was learned by Wen Chou Chou in the last few years from the unique technique of ‘Transferring Flowers and Connecting Trees’ in the Hall of Longevity, and its power is amazing.

Speaking of which, Wen Chou Chou acted cautiously and would not be so impulsive under normal circumstances, but today is different from the past. These people from the Sea Dragon Palace are notorious. At this time, if they want to see the mysterious leader, they can only use this method to force him. Appeared.

boom!

The huge sword shadow, like a thunderbolt, slammed into the local crowd, and in an instant, under the terrifying force, I heard the screams of the hundreds of Hailong Hall members, and they fell into the pool of blood. .

Even the captain’s face was pale, he spat out a mouthful of blood, and his figure stepped back several dozen steps before he stabilized his figure.

Hiss...

After stabilizing his figure, the captain stared at Wen Chou Chou closely, his face full of astonishment.

This...is this the strength of the Hall Master of the Palace of Longevity?

At the same time, the surrounding members of the Sea Dragon Palace who were lucky enough to survive were also extremely shocked. Looking at Wen Chou Chou’s eyes, they seemed to see a monster.

Strong..too strong!

One move...just one strike, killing hundreds of members of the Sea Dragon Palace, this strength is simply too terrifying.

“Who? Dare to make trouble in the camp of the Sea Dragon Temple?”

At this moment, a roar came, and then, a figure flew from the sky above the camp, dressed in black armor, majestic and majestic, it was Yu Po.

Chapter 5163

Swish!

When he rushed to the gate of the camp, Yu Du's eyes directly locked Wen Chou Chou and Sun Da Sheng.

At the same time, Wen Chou Chou and Sun Dasheng also looked at Yu Du closely, with an unconcealed hostility in their eyes.

call!

The next second, Wen Chou Chou took a deep breath and asked Yu Du coldly, "Are you the leader of the Sea Dragon Palace?" His tone was awe-inspiring, unable to conceal his killing intent.

At the same time, Sun Dasheng was also filled with a strong fighting spirit, and he directly pulled out the Heaven-Opening Axe.

"I am."

Feeling the strong atmosphere of Wen Chou Chou and Chou Chou, Yu Du responded coldly, and then asked back, "Who are you?" Yu Du has been a pirate for more than ten years, and has been active overseas all year round, rarely stepping into On the mainland of Kyushu, even if you know everything about the rivers and lakes in Kyushu, you have heard of Wen Chou Chou and Sun Dasheng, but you have never seen them.

At the same time as he asked, Yu Du looked around and saw hundreds of subordinates in the Sea Dragon Palace, one class was in a pool of blood, and his anger was rising.

Hehe...

Sun Dasheng sneered and took a step forward to look at Yu Du: "You don't even know us, how dare you come to the continent of Kyushu to find trouble with Tianmen?" The

voice fell, and Wen Chou Chou also responded: "I am Wen Chou Chou, This is my sworn brother Sun Dasheng."

What?

Hearing this, Yu Du's heart was shocked, and then he reacted, and his pupils shrank slightly: "Yue Wuya, that kid, who caused trouble, was a tortoise, and asked you to show up for him?"

"I tell you, Yue If Wuya does not hand over our young master, the gate of heaven will be destroyed." The

last sentence was arrogant and unquestionable.

Tianmen will be destroyed?

Hearing this, both Wen Chou Chou and Sun Da Sheng's expressions changed and they were burning with anger.

Mad, is just a group of robbers who are rampant overseas, and his tone is not small.

"Okay!" In the

next second, Sun Dasheng was the first to react, holding the Heaven-Opening Axe tightly, and locking on Yu Po: "I want to see how you destroy the Heavenly Gate." The

voice fell, and Sun Dasheng rose into the air.

hum!

At the moment of rushing into the air, Sun Dasheng's inner strength exploded and poured into the opening axe, and a dazzling light burst out, like a scorching sun, radiating in all directions.

Immediately afterwards, Sun Dasheng urged the opening axe to draw a shock in the air, and slashed directly towards Yu Po.

Hiss...

such a powerful breath.

Feeling the power of the Heaven-Opening Axe, whether it was Yu Po or the members of the Sea Dragon Temple present, they were all in a panic and couldn't tell the shock.

Gudong!

Especially Yu Du, he couldn't help swallowing a mouthful of saliva, and his body couldn't stop trembling. According to rumors, Sun Dasheng obtained the divine artifact Kaitian Axe, the strength of which is ranked among the top five in the entire Kyushu Continent. Sure enough.

The power of this opening axe is so terrifying, I'm afraid it can't be stopped.

Under the tension in my heart, when I saw the opening of the sky axe, I couldn't think about it at that time, and quickly pulled out the long knife that I carried, laying it in front of me, trying to block the blow.

boom!

In the next second, I saw the Sky-Opening Axe slashing on the long knife, and the long knife shattered in an instant. At the same time, Yu Du also let out a groan, and the whole person was shocked and flew out, flying for dozens of times. Mi Yuan fell heavily to the ground.

Speaking of which, Yu Du's strength is also very tyrannical, and his cultivation strength is comparable to that of Sun Dasheng. If it is a fair battle, it is difficult to predict who will win and who will lose, but Sun Dasheng has the peerless divine weapon, the Heaven-opening Axe, and naturally he can't stop him. Living.

"Pfft..."

After landing, Yu Du's face was pale, a mouthful of blood spurted out, and his whole body was extremely weak.

"Boss Yu!"

"Leader..."

Seeing this scene, many disciples of the Sea Dragon Hall exclaimed in exclamation.

Is this the power of the Peerless Divine Soldier? Too scary, right?

"Haha.."

Just when everyone was extremely shocked, Sun Dasheng clenched his axe and looked at Yu Du, full of contempt and disdain: "With this amount of strength, you still want to destroy Tianmen?" As he

said, Sun Dasheng took a step. As he walked, the fighting spirit pervaded his body, causing the air to distort.

Chapter 5164

Hu...

Sun Dasheng didn't walk fast, but every step, Yu Du felt as if he was stepping on his heart, making people breathless.

As expected of the world-famous Sun Dasheng, coupled with the peerless divine weapon Kaitian Axe, this strength is too terrifying.

hum!

Just when Yu Du was in a panic, suddenly, there was a wave of aura in the camp, and then, a figure came quickly like lightning.

Wearing a white long gown, it looks a little gentle, but the whole body is filled with an incomparably powerful aura.

It was Gogne.

Of course, at this time Gone is still Liu Hao's appearance.

"Holy King." Seeing Gone, Yu Du seemed to have grabbed a life-saving straw and couldn't help shouting.

"See the Holy Master!"

At the same time, all the members of the Hailong Temple at the scene also shouted in unison, each with a very respectful tone.

Holy King?

Seeing this scene, Wen Chou Chou and Sun Dasheng looked at each other, both of them were incomparably experienced, and then they looked at Gone closely, secretly shocked.

The breath of this man is very strong.

Could it be.... Yu Po, who was defeated just now, is not the real leader, but this young man?

Just as the brothers were thinking about it, Gone slowly landed, without the slightest fluctuation on his face, he first looked around, and then asked Yu Du, "Are you all right?"

Phew!

Yu Du took a deep breath and quickly responded: "Go back to the Holy Master, I'm fine. My subordinates are not strong enough to stop this Great Sage Sun, but... the Heaven Opening Axe in his hand is too powerful, the Sage Master be careful. "

Haha...

Hearing this, Gone chuckled lightly and looked at Sun Dasheng and Wen Chouchou with disdain in his eyes.

What if there are peerless soldiers?

Immediately, Gone stared at Sun Dasheng with a gleaming gaze: "That kid Yue Wuya didn't dare to show up and asked you two to come out and die? Don't think that if you

have an axe, you can do whatever you want. This deity doesn't want to do anything with you, so get out of here. "

Go back and tell that boy, Yue Wuya, to bring the child over within a day, otherwise, I want Tianmen to disappear from this world forever." The

voice was not loud, but it gave off an irrefutable aura.

Swish!

Hearing this, Sun Dasheng and Wen Chou Chou looked extremely ugly in an instant.

The two of them had been in the Kyushu Continent for so many years, and it was the first time that they had been despised by others, especially Sun Dasheng, who had a hot temper.

"I'm going to Nima."

In a fit of rage, Sun Dasheng shouted, and his figure burst out, clenching the sky-opening axe, and slashing directly at Gone.

Seeing Sun Dasheng rushing towards him, the corners of Gone's mouth twitched, revealing a trace of disdain: "I don't know how to live or die, dare to act wild in front of me?"

Om!

The voice fell, and a terrifying aura erupted from Gone's body. The next second, he raised his right hand and slapped Dasheng Sun lightly.

This palm seems to be soft and powerless, but it contains a very strong power of the devil's soul, and the surrounding air is suddenly distorted.

boom!

Sun Dasheng didn't know what was going on, the palm had already been slapped on the back of the axe, and he heard a dull sound. Sun Dasheng only felt an overwhelming force coming from the mountains, the whole person was about to suffocate, and he landed directly on the ground. .

Dengdengdeng...

When he landed, Sun Dasheng took a dozen steps back to stabilize his figure, but his body was still churning with blood.

Mad!

After stabilizing his figure, Sun Dasheng looked at Gone in shock and anger, unable to conceal his inner shock.

This kid is so young and his strength is so terrifying?

At the same time, Wen Chou Chou also had a solemn expression on his face, constantly looking up and down at Gone, and was completely shocked in his heart.

So strong.

Could it be that... Wu Ya and Xiao Yu, the peerless powerhouse they encountered on Dragon King Island before, was him?

At this time, Wen Chou Chou and Sun Dasheng did not realize that the young man in front of him was the reincarnation of the Supreme Being of the Demon Race, and he was reborn with the help of the body of the Liu family in Donghai City.

“Mad, I don’t believe it anymore.”

Sun Dasheng was a man who refused to admit defeat. After adjusting his breath, he held the Heaven-Opening Axe tightly and charged towards Gone again.

The head of the dignified Huaguo Mountain, a well-known figure in the Kyushu continent, was defeated by a famous boy. If this matter spreads out, where will you put your face?

Chapter 5165

“I don’t know whether to live or die!”

Looking at Dasheng Sun who rushed up again, Gone snorted coldly, and then activated the power of the devil’s soul, condensing a blood-colored palm shadow, and directly greeted Dasheng Sun!

hum!

This blood-colored palm shadow contains an incomparably powerful demonic soul power, and the moment it erupted, the entire world was filled with a bloody and chilling aura.

Oops!

Seeing this scene, Wen Chou Chou’s face changed, and what this kid displayed seemed to be the power of the Demon Race.

Realizing this, Wen Chou Chou hurriedly shouted at Da Sage Sun, "Be careful, Da Sage." The voice fell, and Wen Chou Chou quickly rushed in front of Da Sage Sun, urging his inner strength to form a protective film in front of his eyes.

At this time, Wen Chou Chou has already seen that the young man in front of him has a very terrifying strength. Even if he joins forces with Sun Dasheng, he may not be able to fight, so at this time, he gathers the protective film and exerts all his inner strength.

boom!

Just as the protective film was condensed, the bloody palm shadow slammed into it, slammed into the protective film, and heard a loud noise, and the surrounding area instantly filled with dust and smoke.

Click!

Under the terrifying power of the bloody palm shadow, the protective film instantly shattered, and Wen Chou Chou and Sun Da Sheng both groaned and were sent flying out.

Putong putong...

After landing, both brothers spat out a mouthful of blood, their faces were pale, and they were extremely weak.

Wow...

Seeing this scene, whether it was the surrounding Sea Dragon Palace Hall Master or Yu Du, they were all very excited, and they all cried out in excitement.

"The Holy King is mighty..."

Under the shouts, many members of the Sea Dragon Palace quickly gathered around.

Yu Du couldn't help but shouted: "These two are Yue Feng's sworn brothers, and they are Yue Wuya's closest relatives. They caught the two of them and forced Yue Wuya to show up." "

Yes!"

With these words, many members of the Sea Dragon Palace should be united, and they will start.

However, at this moment, Gone slowly landed and said indifferently: "No need. Since the Sea Dragon Palace has declared war on Tianmen, there is no need to take hostages and waste words with them."

When he said this, Gone was full of arrogance .

As the Supreme Being of the Demon Race, Gone never took any power in the Kyushu Continent in his eyes, nor did he bother to play hostage exchange.

Seeing what Gone said, Yu Du quickly nodded: "What the Holy Master said is very true." After saying that, he waved his hands to let the disciples of the Sea Dragon Hall retreat.

"You two..."

At this moment, Gone looked at Wen Chou Chou first, and then at Sun Dasheng, with an indescribably arrogant tone: "Today I will kill you all, and when I go back, I will give Yue Wuya that The kid said, if you don't want Tianmen to die, you should send the child back as soon as possible."

"In addition, when I send the child, I want all the members of his Tianmen to merge into the Sea Dragon Palace." The

tone was stern and unquestionable.

The last word fell, and Gogne turned around to return to the camp.

Mad!

Hearing this, Wen Chou Chou's face was extremely ugly.

Sun Dasheng's eyes were even more blood-red. When the three brothers had been in the rivers and lakes for so many years, when have they been so humiliated?

Under the anger, Sun Dasheng suddenly lost his mind, howling, holding the opening axe tightly, and rushing towards Gone again: "Don't be mad, kid, pick me up again."

"Dasheng!"

Seeing this situation , Wen Chou Chou was so anxious that he would stop him if he shouted.

The opponent's strength is too strong, even if the great sage has the axe, it is not an opponent. If you are a strong player, you will only be humiliated in vain.

Thinking of this, Wen Chou Chou would go up to stop him.

However it was too late.

"Shame on your face."

Facing Sun Dasheng's attack from behind, Gone didn't turn his head, said coldly, and slapped it with a backhand!

hum!

At the moment when this palm was hit, the surrounding air suddenly distorted, and I saw Sun Dasheng groaned. His body was like a kite with a broken string, and he flew out a dozen meters. After landing, he spit out a few mouthfuls of blood on his face. The axe also fell to the ground.

"You..."

Sun Dasheng was full of unwillingness, staring at Gone, just said one word, and then passed out.

"Great Sage!"

Wen Chou Chou shouted and rushed over quickly, holding Sun Dasheng in his arms. He was worried and anxious. He clearly sensed that the palm of Gogne just now directly pierced Sun Dasheng's heart. The pulse was broken.

The ultimate husband in Chinese chapter 5166-5170

Chapter 5166

For a time, Wen Chou Chou looked at Gone with frightened anger.

This man was so ruthless that he broke the Great Sage's heart with one palm, and at the same time he was anxious. You must know that if the heart is broken, if it is not treated in time, it will be life-threatening.

Moreover, ten years ago, Sun Dasheng's heart was broken once. At that time, after many twists and turns, Yue Feng got the phoenix gall before pulling Sun Dasheng back from the gate of hell.

In addition to the phoenix gallbladder, there is also the Panlong essence, which can also heal the wounds of the heart, but there is only one of these two treasures in the world, and ten years ago, these two treasures have been used.

Mad!

Anxious, Wen Chou Chou hugged Sun Dasheng tightly and clenched his fists tightly. If the Dasheng had three strengths and two weaknesses, he would definitely be inseparable from this Sea Dragon Palace.

"This is the end of provoking the deity."

Wen Chou Chou glared, Gone didn't take it to heart at all, looked cold and arrogant, and said lightly: "If you are not convinced, you can give it a try."

Phew...

hear this Then, Wen Chou Chou's eyes were blood red, and he gasped for breath, but did not respond.

To be honest, Wen Chou Chou really wanted to rush up, but he still held back. The boy in front of him looked young, but his strength was too terrifying. At this time, the life and death of the great sage was unknown.

Keeping the green hills, not afraid of running out of firewood, let's endure it first.

Hehe...

Seeing that he didn't speak, Gone sneered and continued: "I still said what I said just now, spare your life today, speak to that boy Yue Wuya for me, and hand over the child within a day, Otherwise, I will make Tianmen disappear forever in this world." The

voice fell, and Gone turned to leave.

Whoa!

Yu Du and the surrounding Hailong Hall disciples also retreated one after another. Speaking of which, they all wanted to kill Wen Chou Chou on the spot, but when the Holy King spoke, they could only obey.

But when he retreated, Yu Du did not forget to put down his harsh words to Wen Chou Chou: "Wen Chou Chou, you are lucky today, our holy king is in a good mood, spare your life, next time you will not be so lucky."

Wen Chou Chou ignored it, but hugged Sun Dasheng and strode down the mountain.

"Quick, open the door..." A

few minutes later, at the gate of the Tianmen General Altar, Wen Chouchou shouted with a face full of hoarseness: "Quickly open the door." While shouting, he observed the unconscious Sun Dasheng.

Brother, you can't be in trouble, you mustn't be in trouble.

what's the situation?

Seeing this scene, the Tianmen disciples present were all shocked.

What's the matter, how did the head of Sun suffer such a serious injury?

Shocked, several elite disciples quickly opened the door and took Sun Dasheng to the back room together. After a while, all the elixir in the main altar were taken out.

For a time, the news of Sun Dasheng's serious injury spread, and the entire Tianmen main altar was in chaos.

Wen Chou Chou is a rare talent in the Jianghu. Although he did not worship a medical master like Shennong as his teacher, he also had some research on medical theory. At that time, he chose some medicinal herbs and gave them directly to Sun Dasheng.

However, Sun Dasheng's heart pulse was broken, and the situation was much worse than expected. After taking several elixir, there was no sign of recovery at all, and his pulse became weaker and weaker.

Pfft!

Seeing this situation, Wen Chou Chou couldn't hide his grief. He knelt in front of the window all of a sudden. Tears poured out, and he said hoarsely, "Brother... I'm sorry for you..."

At this time, Wen Chou Chou Ugly regrets it very much. I knew this was the result. I didn't bring Sun Dasheng out and left him in the Xia Yinzong.

call!

Seeing this scene, all the Tianmen disciples present were silent and their expressions were sad.

Although Sun Dasheng has a hot temper, he is upright and upright, and has made a lot of contributions to the Kyushu rivers and lakes over the years. More importantly, he and the founder of Tianmen, Yue Feng, are still sworn brothers. Therefore, seeing him like this at this time, the Tianmen disciples present felt as uncomfortable as a knife.

"Brother Wen! Brother Dasheng!"

At this moment, a crisp and soft voice sounded outside the door, and then, a beautiful figure walked in quickly.

Chapter 5167

A long white dress brings out the graceful curves, floating like a fairy, with a delicate face that can't hide the anxiety and worry.

It was Xiao Yuruo.

Before, Xiao Yuruo returned to Donghai City and attended his father's birthday banquet. Because of his cousin, he never left. Today, when he learned that the Tianmen sub-altar in Donghai City was raided by the Sea Dragon Palace, Xiao Yuruo was also very angry and kept secretly. Follow developments.

Half a day ago, Xiao Yuruo learned that the Sea Dragon Palace was going to destroy the main altar of Tianmen, so he rushed over immediately.

hum!

At this moment, Xiao Yuruo walked into the room quickly, saw the scene in front of her, her mind buzzed, and instantly went blank.

I saw Wen Chou Chou kneeling in front of the bed with a look of grief on his face, while Sun Dasheng lay there, his face pale, his eyes closed, and he was dying.

Because of Yue Feng's relationship, Xiao Yuruo has always regarded Wen Chou Chou as brothers, and seeing Sun Dasheng in such a tragic state at this time is both shocking and sad.

"How could this be..."

After a few seconds, Xiao Yuruo regained consciousness, her delicate body trembled, and asked Wen Chou Chou, "What happened? How did the big sage become like this?"

Huh. ...

Wen Chou Chou took a deep breath, endured his grief, and told the situation at the time. In the end, Wen Chou Chou blamed himself: "It's all my fault, because the Great Sage has a hot personality, I shouldn't bring it with me. It's all my fault that he went to the camp at the Sea Dragon Palace..."

Xiao Yuruo's heart trembled when she heard the situation, and she was shocked.

There is such a terrifying existence in the Sea Dragon Palace? Brother Wen and Brother Dasheng joined forces, but they couldn't beat each other.

However, Xiao Yuruo quickly calmed down and gently comforted Wen Chou Chou: "Brother Wen, don't be too uncomfortable. Although Da Sheng is in a crisis, it is not impossible to treat him."

"Before I came to Zhongzhou, I contacted me. Senior Shennong, the news should have reached by now, I believe that senior Shennong will come over soon."

Over the years, Shennong and Zhu Rong have been living in seclusion, not bothering about rivers and lakes. In the entire Kyushu, Only Yue Feng knew where they were.

And Xiao Yuruo, as Yue Feng's woman, naturally knew where they lived in seclusion.

Although Xiao Yuruo was a woman, she was resourceful and far-sighted. The day before, she learned that the Tianmen main altar in Donghai City had nearly ten thousand disciples destroyed. At that time, she realized that the strength of the Sea Dragon Palace was not bad, and there would inevitably be a tragic confrontation after that. , Tianmen disciples, there are bound to be countless casualties.

Under such circumstances, Xiao Yuruo thought of Shennong. After all, he is the ancestor of medicine known to the world, and his medical skills are superb. If he is there, Tianmen can also reduce casualties.

Huh... Hearing this, Wen Chou Chou swept away the haze in his heart

and looked at Xiao Yuruo with joy: "Brother and sister, is what you said true? Senior Shennong is coming?"

, the words were a little trembling.

After all, Shennong's medical skills are superb, and it can be said that he exists like a living fairy. If he comes, Sun Dasheng will be saved.

Um!

Xiao Yuruo nodded and said softly, "Not only did I send a message to Senior Shennong, but I also invited Senior Zhu Rong to come along. Besides, we have a friend in Donghai City."

When she said the last sentence, Xiao Yuruo was exquisite. There was a hint of complexity on his face.

"A friend in Donghai City? Who?" Wen Chou Chou was stunned for a moment, and asked quickly.

Over the years, I haven't heard of any outstanding people in the arena in Donghai City.

Seeing his appearance, Xiao Yuruo pursed her lips and smiled: "This person, his temperament can do whatever he wants, and I'm not sure if he will come, so let me sell it first."

Uh...

Hearing this, Wen Chou Ugly is very depressed. When will this younger brother and sister learn to speak mysteriously.

hum!

Just as he was talking, he sensed the sky outside, and there was a strong aura fluctuation. Immediately afterwards, an old man surrounded by immortal energy walked in slowly.

He was dressed in a blue-grey long gown, with a bun and white beard.

It is Yaozu Shennong.

“Senior Shennong!”

Wen Chouchou was overjoyed when he saw Shennong, and hurried up to meet him, Xiao Yuruo also showed a smile.

“I have seen Senior Shennong.”

At the same time, the Tianmen disciples standing around shouted in unison.

Chapter 5168

You must know that Yue Feng studied medicine with Shennong in those days. Although he did not formally apprentice, in Yue Feng’s heart, Shennong was always regarded as his master.

Under such circumstances, the entire Tianmen naturally respected Shennong.

“Palace Master Wen!”

Shen Nong showed a smile, looked at Wen Chou Chou and said, “Don’t be alright.”

After saying that, Shen Nong looked at Xiao Yuruo again, and smiled: “After Miss Yuruo sent me a letter, I left immediately, it shouldn’t be too late.”

Xiao Yuruo nodded again and again: “Senior, you came too soon. You should save the big sage.”

Huh?

Hearing this, Shennong found Sun Dasheng lying unconscious, and was stunned for a moment: “Why is it hurt so badly?” As he said that, he went over to check Sun Dasheng’s condition. Wen Chou Chou looked ashamed, told the situation at the time, and finally knelt

down in front of Shen Nong, begging: "Senior Shen Nong, please save the Great Sage."

, almost unmatched. No one could make him let go of his dignity and kneel down like this, but Shennong is different. This is an existence that has been famous for thousands of years. More importantly, only he can save Sun Dasheng.

As long as the brother can be safe and sound, what is kneeling?

"Ouch!"

Seeing this scene, Shennong smiled, raised his hand to exert an internal force, and held up Wen Chou Chou: "Wen Chou Chou does not need to be so gifted, you are all Yue Feng's brothers, I will naturally do my best. If you can, be sure to heal Sun Dasheng."

With that, Shennong turned his head to look at Sun Dasheng's condition and frowned, "It's just... the heart is injured, unless there is a natural resource, it will be very difficult."

"Phoenix Gallbladder and Coiling Dragon Essence have been used as early as ten years ago, and there is no second one in the Kyushu Continent..."

This...

Hearing this, Wen Chou Chou became a little anxious: "What should I do? Seniors have other solutions?" The

voice fell, Xiao Yuruo also bit her lip tightly, and said, "Senior, you must find a way." She saw that Sun Dasheng's face was getting whiter and whiter, I was afraid that it would drag on. After a long time, it is powerless to go back to heaven.

"Don't worry, you two, let me think about it." Shennong breathed lightly, waved his hand, and began to think.

Seeing him say that, Wen Chou Chou and Xiao Yuruo quickly shut their mouths, for fear of disturbing Shen Nong's thoughts.

quiet!

For a while, the room was deadly silent, and the eyes of everyone present were focused on Shen Nong.

After all, Sun Dasheng's life and death were all in his mind.

"Yes!"

After more than ten seconds, Shennong's eyes flashed, and he suddenly had an idea: "As long as I find the dragon's blood as the medicine, I will prepare a few more medicines to adjust it, and the Sect Master Sun will be able to recover safely."

Shenlong blood?

Hearing this, Wen Chou Chou and Xiao Yuruo glanced at each other, both confused.

But soon, Xiao Yuruo was the first to react, with a delicate face that could not hide the joy: "Xiao Xi is a dragon, we can just find her."

That year Xiao Xi died tragically at the hands of Zhang Jiao, but at a critical moment, Motivated by Diaochan, she merged her divine soul into the unbroken dragon egg. After that, Xiao Xi was reborn with the body of a divine dragon.

In the past six months, Xiao Xi and the Ouyang family have been hiding in the Xia Yin Sect in order to avoid the investigation of the gods.

Yeah, how did you forget this? Wen Chou Chou slapped his thigh and hurriedly

ordered to the disciple of Tianmen next to him: "Quick, go to Xia Yin Sect and invite Xiao Xi to come.

"

Xia Yinzong.

A few hours later, Xiao Xi learned the news and quickly rushed to Zhongzhou City. Under Shennong's instructions, she cut her wrist and released the blood of the dragon to make medicine for Sun Dasheng.

After that, Shennong prepared several medicines and let Xiao Yuruo take it to Sun Dasheng after suffering.

After taking the medicine, Sun Dasheng did not wake up, but his face recovered a bit of blood, and his pulse became stable. In an instant, everyone present was relieved.

After treating Sun Dasheng and Wen Chou Chou, they called everyone together to discuss how to deal with the Hailong Hall in the main hall of Tianmen.

Chapter 5169

At this time, in the hall, after Wen Chou Chou explained the strength of the Sea Dragon Palace, Xiao Yuruo and Xiao Xi were secretly shocked.

It's just a group of pirates who are rampant overseas, and the leading young people's strength is so terrifying.

"Brother Wen!"

At this moment, Xiao Xi couldn't help but say: "The other party is very powerful, why don't I go to the Shenlong family and ask my sister to send Shenlongwei to help.

" It is a force to be reckoned with.

However, Wen Chou Chou shook his head: "No, the strength of that young man is beyond your imagination. We must not confront each other again. You can see what happened to the great sage."

Wen Chou Chou acted cautiously. After Sun Dasheng's teaching, he no longer dared to act rashly in his heart.

Hearing this, Xiao Xi frowned and fell into thought again.

"Brother Wen!"

At this moment, Xiao Yuruo, who had been silent, said slowly, "I should know the young leader of the Sea Dragon Palace, if I guess correctly, he is Liu Jiada of Donghai City. Young Master Liu Hao."

Before joining forces with Zhu Bajie, they fought fiercely with Gone for a day and a night in the office of Liu's Group Building. In the end, Gone lost and fled in a hurry.

At that time, Xiao Yuruo activated the power of the Xiao family and went around to find out about Gone's whereabouts, but the person seemed to have disappeared out of thin air.

And just now, after listening to Wen Chou Chou's detailed description, Xiao Yuruo was surprised to find that this young man from the Sea Dragon Palace was not only very similar in appearance to the Liu family's eldest son, but also had the same powerful strength. He immediately guessed that this was a person.

Young Master Liu?

At this moment, Wen Chou Chou and Xiao Xi looked at each other, and they were both extremely shocked.

How could a rich young master from Donghai City become the supreme leader of the Sea Dragon Palace in a blink of an eye? It's really unpredictable.

Huh...

After a few seconds, Wen Chou Chou was too lazy to continue guessing, and said slowly: "No matter what the identity of the other party is, in short, this time we are facing an unprecedented crisis. After that person injured the Great Sage, he said more than once, asking Wu Ya will hand over the child within a day, otherwise the entire Tianmen will be destroyed."

"The other party dares to say that, it is definitely not a big talk."

When he said this, Wen Chouchou's face was solemn. , Huaguoshan, and even the power of Xia Yinzong, can completely fight against the Hailong Palace.

But if this is the case, the entire river and lake will be in chaos, and God's Domain has not given up its pursuit of the Ouyang family.

Therefore, a full-scale war is impossible.

But now in the main altar of Tianmen, there are only himself, Xiao Yuruo, Xiao Xi, and Shen Nong.

Seeing Wen Chou Chou frowning, Xiao Xi suddenly thought of something, and said, "Brother Wen, since we can't face head-to-head, we might as well win with ingenuity."

After speaking, Xiao Xi took out a kit from her body: "This is When my son was very early, he gave me a kit, which contained an extremely powerful formation."

"Young Master said, this formation can be deployed by one person, several people, or even dozens of people. Time, it can come in handy."

After speaking, he handed over the kit.

call!

Wen Chou Chou was very excited. As a result, when the kit was opened, he saw a brocade handkerchief inside. It was densely written with words, and at the end, there were a few elegant characters written in block letters 'Heaven and Earth's Three Absolutes Array. '

Seeing this, Wen Chou Chou and Xiao Yuruo were puzzled.

Heaven and Earth Trinity Array?

What kind of formation is this, I have never heard of it on the rivers and lakes of Kyushu.

However, Shennong on the side was extremely excited, staring closely at Jinpa, his voice trembling: "Oh my God, Yue Feng actually knows about the Three Absolutes of Heaven and Earth?"

Seeing his reaction so big, Wen Chou Chou and Xiao Yuroo were even more puzzled. .

Is this formation great?

Thinking to himself, Wen Chou Chou couldn't help but ask: "Senior Shennong, do you know this formation?" To make Shennong so shocked, this formation must not be simple.

Hu....

Shennong took a deep breath, as if to hide his excitement, his eyes flashed with a strange brilliance, and slowly said: "This formation is called the Heaven and Earth Sanjue Formation. Created by the great god Fuxi."

Chapter 5170

"The first time this formation was famous in Kyushu was 5,000 years ago, when Hou Yi of the Northern Ying Continent had just proclaimed himself emperor. At that time, he was trying to unify Kyushu, so he led his troops to conquer all over the world. At that time, the Southern Cloud Continent, the Western The Cang Continent soon fell."

"However, when Hou Yi conquered the Earth Circle Continent, he was defeated. At that time, the commander of the Earth Circle Continent was a descendant of the great god Fuxi. With this formation, Hou Yi was besieged. After three days and three nights, Hou Yi could only give up the expedition and return home."

When he said this, Shennong looked excited.

This...

Hearing this, whether it was Wen Chou Chou, or Xiao Yuroo and Xiao Xi, they were all shocked.

How powerful is this formation? Even the famous Emperor Hou Yi of Kyushu could be trapped for three days and three nights?

Seeing their expressions, Shennong took a deep breath and continued: "The most powerful thing about this formation is that people with weak strength can understand the essence of this formation and besiege enemies whose strength is far beyond their own.

" You know, in the battle that year, only three people formed this formation, and these three people were only in the realm of Martial Saints, and the Great Emperor Hou Yi at that time was in the Empress Wu period..."

What?

When the words fell, Wen Chou Chou and everyone were stunned.

Three people from the realm of Martial Saints can actually trap the Emperor Houyi of the Empress Wu period? This formation... is too perverted.

Under the shock, Wen Chou Chou was also excited.

Haha...

So, with this formation, wouldn't it be just right to deal with the young man in the Sea Dragon Palace?

Thinking of this, Wen Chou Chou looked at Xiao Xi with a smile: "Xiao Xi, it's the right time for you to take out this kit. With it, even if that person is an immortal in the God Realm, he won't be afraid."

As soon as the words fell, Wen Chou Chou greeted Xiao Yuruo and studied the formation together.

"I'm here!" While

researching, I heard a loud laugh from outside, and I saw a handsome figure and walked quickly into the hall.

A white suit, indescribably suave.

It was Zhu Bajie.

"Brother Zhu."

Seeing Zhu Bajie, Xiao Yuruo's face was delighted, and she hurriedly greeted her: "You are here, I thought you were entangled in something and couldn't come."

Wen Chou Chou and Xiao Xi Several, also quickly greeted them.

Especially Wen Chou Chou greeted Zhu Bajie politely: "Brother Zhu, it's been a long time."

Speaking of which, Wen Chou Chou and Zhu Bajie are not very familiar, but because of Yue Feng's relationship, they also regard him as a brother .

Afterwards, Wen Chou Chou smiled at Xiao Yuruo: "Brother and sister, the helper you said earlier was Big Brother Zhu, you just gave me a good guess."

Xiao Yuruo smiled without saying a word.

Yes, she just said that there was another helper, and she was talking about Zhu Bajie, but Zhu Bajie acted too freely. Xiao Yuruo was not sure whether he would come to support Tianmen, so he didn't say his name before.

Haha...

At this moment, Zhu Bajie laughed, and first said to Xiao Yuruo: "Tianmen was created by Brother Yue Feng, and now it is in trouble, how can I just watch it?"

After speaking, he scratched his head again, He said very regretfully: "It's just a pity, I have an appointment with a female star for supper tonight, alas, it seems that it can only be the next time."

Shuh!

Hearing this, Xiao Yuruo's delicate face suddenly flushed red, both ridiculous and helpless.

This Zhu Bajie is just like Yue Feng, not serious at all. At this time, I still think about beautiful female stars.

"Haha..." Wen Chou Chou burst out laughing, admiring Zhu Bajie: "Brother Zhu is really good-natured, it just so happens that we are researching a formation, and you are also involved. When the time comes, we will join hands. Subdue the leader of the other party."

Hmm!

Zhu Bajie nodded and started to study with everyone.

I have to say that the Heaven and Earth Three Absolutes Array is really too wonderful, Zhu Bajie, Wen Chou Chou, these are all talented and intelligent people, but it took a few hours to fully understand the essence of it.

After comprehending the formation, it was already bright outside.

"It's not good!"

Just when Wen Chou Chou put away the jinpa, a Tianmen disciple ran in in a panic, his face pale: "Palace Master Wen, it's not good, those people in the Sea Dragon Palace... attacked! "

When he said this, the disciple of that day was sweating profusely, and he couldn't hide his nervousness.

The ultimate husband in Chinese chapter 5171-5180

Chapter 5171

What?

The other party came so fast?

Hearing this, whether it was Wen Chou Chou or others, their expressions changed.

“Quick...”

After a few seconds, Wen Chou Chou quickly stood up, with a very solemn expression on his face, and instructed the disciple, “Gather all the disciples in the main altar and prepare to meet the enemy.” The

voice fell, and Wen Chou Chou looked deeply . He glanced at Sun Dasheng, who was still lying there, and walked out of the hall quickly.

“I want to see how capable this Sea Dragon Palace is.” Zhu Bajie, also full of pride, walked out of the hall with Wen Chou Chou.

At this time, Xiao Yuruo and Xiao Xi looked at each other and hurried out.

call!

Arriving outside the main altar gate, seeing the scene outside, everyone couldn't help taking a breath of air. Wen Chou Chou, who was standing in front, was even more shocked, and only felt that his mind was buzzing and blank.

I saw that hundreds of thousands of the disciples of the Sea Dragon Palace rushed in like a tide, surrounding the main altar of Tianmen like an iron barrel, and almost a fly could not fly out. Teng Teng, the momentum is very amazing.

In mid-air, two figures hovered quietly.

It is Yudu and Gogne.

I saw that Yu Du was dressed in black armor and looked majestic. Gogne was still dressed in white yesterday, giving people the feeling of being elegant, but the breath that permeated his body was almost suffocating.

Hmm...is that him?

This chapter is provided by . Visit for daily update.

The moment he saw Gone, Zhu Bajie, who was standing beside him, was stunned for a moment, very surprised.

This kid fled a week ago, but he couldn't find it. How did he become the leader of the Sea Dragon Palace in a blink of an eye? Could it be that the Liu family in Donghai City had colluded with pirates?

At this time, Zhu Bajie didn't know that the person in front of him, on the surface, was the skin of the Liu family's eldest son.

Xiao Yuruo's body trembled, and she looked at Gone tightly, incomparably shocked in her heart.

It's really him.

When Wen Chou Chou told what happened before, Xiao Yuruo guessed that the powerful young man in Hailong Palace was most likely the eldest son of the Liu family who murdered his cousin.

Even though I had already guessed it in my heart, I was still shocked to see the real person at this time.

Swish!

At the same time, Gone, who was suspended in mid-air, also discovered Zhu Bajie at once, and his calm face suddenly became fierce.

Tianmen actually invited Zhu Bajie as foreign aid.

But so what, even if there are more foreign aids from Tianmen, it is bound to destroy Tianmen today.

"Zhu Bajie!"

At this moment, Gone thought to himself, his eyes locked tightly on Zhu Bajie, his tone was full of killing intent, and he said word by word, "I was going to find you, so you will take the initiative to send it to me. Come to the door. Today's matter is the grievance between the Sea Dragon Palace and the Heavenly Sect, if you don't want to die, get out."

When he said this, Gone couldn't hide the anger in his heart.

You You Qi thought of how Zhu Bajie and Xiao Yuruo joined forces a week ago and drove him to nowhere to hide, and finally fled. A shame that Gogne couldn't describe.

You must know that a week ago, Gone just reshaped the demon soul, and his strength was still low, so naturally he could not stop Zhu Bajie and Xiao Yuruo from joining forces, but after a few days of meditation on Dragon King Island, Gone's strength is now Not what it used to be. Not to mention Zhu Bajie and Xiao Yuruo, even if Wen Chou Chou was added, it would be completely ignored.

It's just... the main purpose of today is to force Tianmen to hand over the child, so Gognie doesn't want to talk nonsense with Zhu Bajie. After Tianmen is destroyed, he will settle accounts with him.

Swish!

Gone's icy voice came, and for a while, everyone on the Tianmen side was stunned, looking at Zhu Bajie in astonishment.

what's the situation?

This.... Zhu Bajie knew each other?

Hehe...

In the face of everyone's astonished eyes, Zhu Bajie looked condescending and smiled at Gone: "Boy, what kind of score are you giving me? Did you forget that I beat him back then? You don't even dare to go back to Donghai City?" "I tell you, Tianmen was founded by my brother Yue Feng, and if you want to destroy it, you must first ask my Lao Zhu's fist if he

will answer."

, arrogant Lingyun.

Chapter 5172

In Zhu Bajie's cognition, the person in front of him is the young master of the Liu family, and he has fought before, so he didn't pay attention to it at all.

wow.

However, after this fall, there was an uproar inside and outside the Tianmen main altar.

Whether it was the Yu Du people on the Hailong Palace side or Wen ChouChou on the Tianmen side, they were all shocked.

Especially Wen Chou Chou, who kept giving Zhu Bajie a wink in secret to tell him not to be too arrogant.

You must know that the opponent's strength is very terrifying, almost unfathomable, and Zhu Bajie's mockery is so outspoken, it is simply crazy.

At the same time, Wen Chou Chou still had some doubts in his heart.

Zhu Bajie said just now that there was no way to escape after chasing the other party? Is it true or false? If it is true, this young man was not very strong at the beginning, but in a short period of time, he became so terrifying?

Is there any practice in the world that can become so powerful in a short period of time?

Yes, it is the power of the demons.

Recalling the demonic aura that erupted when Gone defeated Sun Dasheng before, Wen Chouchou couldn't calm down for a long time, and believed that Gone was so powerful because he had practiced the demonic practice.

Mad!

But Yu Po, who was floating beside Gone, was furious, and his eyes were fixed on Zhu Bajie, almost spitting out fire.

This Zhu Bajie really doesn't know whether to live or die. Even the Queen is respectful to the Holy King, but he is provocative.

Swish!

At the same time, Gone's face also became extremely cold, like a pair of sharp knives staring at Zhu Bajie, staring at Zhu Bajie for more than ten seconds, and then sneered: "Okay, Zhu Bajie, before I do you really think I'm afraid of you?"

"Since you want to live and die with Tianmen, I will fulfill you." The

voice fell, and a terrifying aura burst out from Gone, which pervades the universe.

Um?

Feeling Gone's breath, it was obviously much more terrifying than before, and Zhu Bajie was stunned.

Strange, this kid was so-so a week ago, and he has become so powerful after not seeing him for a few days?

Although a little surprised, Zhu Bajie still pretended to be disdainful and said with a sneer: "Boy, you don't have to be arrogant here. It's not certain who will destroy who." The

voice fell, Zhu Bajie With a flick of the wrist, a burst of white light circulated, and then a nine-toothed rake appeared in his hand.

This nine-toothed nail rake is Zhu Bajie's personal weapon. The whole body is pure white and murderous. It is a rare purple-level weapon. Usually, Zhu Bajie is rarely displayed.

“Boy!”

After showing his weapon, Zhu Bajie pointed at Gone from a distance: “It's boring to keep arguing, come on, let's fight one-on-one, I want to see how much your strength has increased after we haven't seen you for a few days.”

When saying this, Zhu Bajie looked confident.

He could feel that the strength of Gone in front of him was much stronger than a week ago, but no matter what, the opponent was also a defeated general, so there was nothing to worry about.

Swish!

Seeing this scene, Wen Chou Chou was startled, and quickly stepped forward and whispered to Zhu Bajie: “Brother Zhu, don't be impulsive, this person's strength is very terrifying...”

Although Zhu Bajie is very strong, he may not be able to beat the opponent. You must know that last night when he joined forces with Sun Dasheng, they all ended in a disastrous defeat, and now Sun Dasheng is still in a coma.

Just before he finished speaking, he was interrupted by Zhu Bajie's smile: “It's okay, I'll explore his truth first.”

Haha...

Facing Zhu Bajie's provocation, Gone sneered and ignored it.

Yu Du couldn't stand it any longer, and respectfully said to Gone: “Holy King, this person is too arrogant, I will teach him a lesson.” The voice fell, and the figure flashed, hovering more than ten meters away from Zhu Bajie.

“Zhu Bajie.” In the

next second, Yu Du coldly said to Zhu Bajie: “Just because you are qualified to challenge the Holy King? I will meet you.” The voice fell, Yu Du suddenly accelerated, pulled out his long sword, He stabbed at Zhu Bajie fiercely.

hum!

This sword contains nine layers of residual poison, and as soon as the sword passed, the air was torn apart, and the power was amazing.

Chapter 5173

Watching the aftermath of the poison erupt, Zhu Bajie's face was full of contempt.

"A little brat, how dare you be presumptuous in front of my old Zhu?"

After saying this coldly, Zhu Bajie's inner strength exploded, clashing the nine-toothed nail rake and roaring out, meeting the residual poison.

Dangdangdang...

In an instant, the long sword and the nine-toothed nail rake kept colliding, making loud noises, but within three rounds, the residual poison was suppressed and retreated again and again.

For a time, Yu Du was secretly shocked.

This Zhu Bajie is indeed an existence that has lived for nearly a thousand years. His reputation is well-deserved, and his strength is too strong.

"Hehe, you're not my opponent, get out of the way for me." At this moment, Zhu Bajie let out a long whistle, and used the nine-toothed nail rake to fly away the poisonous long sword.

call!

The next second, before Yu Du could react, Zhu Bajie flipped his wrist and slapped his heart directly.

The speed of this palm was very fast, as fast as thunder. At that time, Yu Du was so frightened that he couldn't dodge at all, so he had to fight with all his inner strength, and also greeted him with one palm.

boom!

In an instant, the palms of the two sides collided, and a dull vibration spread. Immediately, Yu Du groaned, his body trembled, and he took a few steps back, his face instantly pale.

Speaking of which, Yu Du has been abroad for ten years, and his internal strength is extremely strong, but it is still inferior to Zhu Bajie. You must know that Zhu Bajie has lived for nearly a thousand years, and his background is not comparable to him.

“Ma De...”

After stabilizing his figure, Yu Du glared at Zhu Bajie fiercely, only to feel a burst of stuffiness in his heart, almost out of breath.

While shocked, he was also extremely annoyed.

I was still thinking of performing well in front of the Holy King today, but I didn't expect that Zhu Bajie's strength was far beyond his imagination.

In anger, Yu Du wanted to rush up, but was stopped by Gone.

“Yu Du, you retreat first.”

Gone said lightly: “You lead the people of the Sea Dragon Temple to destroy the main altar of Tianmen, and this Zhu Bajie is handed over to me.” The voice fell, the figure flashed, and it was in front of Zhu Bajie. .

hum!

The next second, Gone raised his right hand, and saw a flash of red light, a blood-colored long sword in his hands.

This long sword is completely condensed by the power of Gone's demon soul. It is called the blood demon sword. Although it is transformed from the power of the demon soul, it is extremely tough.

Hiss, what a fast speed.

Seeing this situation, Zhu Bajie, who was still somewhat confident at first, was startled and looked at Gone tightly, unable to hide the shock. He clearly felt that the 'Liu Family Young Master' in front of him was more powerful than a A week ago, the strength more than doubled.

“Kill! Destroy Tianmen.”

Just when Zhu Bajie was secretly shocked, Yu Du waved his arms and howled loudly, and rushed towards the main altar of Tianmen first.

“Kill!”

“Destroy the Tianmen, and leave no one behind.” In an

instant, hundreds of thousands of members of the Sea Dragon Palace burst into a thunderous howl, rushing directly into the main altar of Tianmen like a tide.

“Ah!”

At that time, many Tianmen disciples didn't react, and with a scream, they fell into a pool of blood.

“Made...”

Seeing this scene, whether it was Zhu Bajie or Wen Chou Chou, they were all shocked and angry, and their faces turned pale.

Immediately afterwards, Wen Chou Chou took the lead in reacting, pulled out his long sword, and shouted: “Tianmen disciples obey the order, fight back immediately, and swear to live and die together with the main altar.” The

voice fell, Wen Chou Chou tightly grasped the long sword, and rushed directly into the enemy group. among.

“I swear to live and die together with the main altar.”

“The dragon flag will not fall, and the Tianmen will not be destroyed!”

At this moment, all the Tianmen disciples in the main altar reacted one after another, pulling out their weapons, their eyes blood red, howling with the enemy. Fight together.

Speaking of which, the disciples who can stay in the main altar are the elites among the elites. However, the disparity between the numbers of the two sides is too great. There are more than 100,000 people in the Sea Dragon Palace, and only 40,000 or 50,000 in the Tianmen main altar. Almost every Tianmen disciple has to face three or four enemies.

Under such circumstances, the two sides fought fiercely for less than five minutes, and many Tianmen disciples fell.

However, none of the Tianmen disciples flinched. They knew in their hearts that once they retreated, the Tianmen main altar would be destroyed and the battle would not be reversed.

Chapter 5174 Swish

swish...

At this moment, Xiao Xi, Xiao Yuruo, Shennong and several others also burst into figures, flew up, and joined the battlefield.

“Haha...”

Seeing this scene, Gone was full of contempt, and said coldly: “A bunch of ants are just a mantra, I gave you a chance to heaven, but that kid Yue Wuya doesn’t know how to lift them up. Then I’ll have to send you to hell.” The

voice fell, and the blood demon phantom sword in his hand burst into a shock, heading straight for Zhu Bajie.

Mad!

Zhu Bajie’s face was dignified, completely lost the ease just now, so he quickly raised his nine-toothed rake to resist. In an instant, I saw the blood magic sword and the nine-tooth nail rake collide, and a roar broke out.

In the roar, Zhu Bajie’s body trembled, and the volley was knocked back dozens of meters, and his face was instantly pale.

“Brother Zhu, I’ll help you.”

Seeing this situation, Wen Chou Chou shouted, and his figure rose into the sky to help Zhu Bajie deal with Gone.

At the same time, Xiao Xi and Xiao Yuruo followed closely behind. In a blink of an eye, three figures rushed into the air and quickly surrounded Gone.

“Are the three of you coming to die together?”

Facing the three people’s siege, Gone didn’t panic at all, and a trace of contempt appeared on his face: “It’s just a senseless resistance. Your end is just like these Tianmen disciples.”

The voice fell, and in the battlefield below, many Tianmen disciples fell in a pool of blood.

Swish!

Seeing this scene, whether it was Wen Chou Chou, or Zhu Bajie and Xiao Yuruo, they were all extremely resentful.

“Shao special code is crazy, you give me death.” Zhu Bajie’s eyes were blood red, he roared frantically, and then he suddenly raised his hands!

“Tiger Roaring Universe!” The

next second, accompanied by Zhu Bajie's howl, the surrounding air quickly distorted, and then, a macular tiger appeared in front of Zhu Bajie.

Tiger Roaring Universe is the strongest stunt that Zhu Bajie cultivated. Normally, it is not easy to perform. Seeing so many Tianmen disciples being killed today, he couldn't help it.

"Kill!" In the

next second, Zhu Bajie stared at Gone, roaring loudly, and immediately the macular tiger roared, slack and unparalleled power, swept towards Gone!

Wherever the macular tiger passed, the air was melted into a crack.

Haha...

Seeing the macular tiger rushing towards him, Gone snorted coldly, disdainfully.

"You dare to show your ugliness in front of this deity?" A cold voice came from Gone's mouth, and then he raised his hand and waved, and a bloody light burst out from the blood magic sword, tearing apart the world and directly meeting the macula Tiger.

Boom....

The next second, the blood-colored light emitted by Gogne collided fiercely with the macular tiger, and a violent vibration of aura erupted. Immediately, the macular tiger was directly defeated, turned into a yellow light and shadow, and dissipated between heaven and earth !

What?

Seeing this scene, Zhu Bajie's heart trembled, his eyes widened, full of inconceivable.

What kind of exercises is this kid practicing, so terrifying?

"Brother Zhu!"

Wen Chou Chou was also full of shock, and then shouted at Zhu Bajie: "This kid is practicing the magic art, so you must not underestimate the enemy."

What? The magic of the demons...

Hearing this, Zhu Bajie was stunned.

"Remains of the Demon Race, die..."

At this moment, Xiao Xijiao shouted, bursting with the power of a dragon, rushing towards Gone. At the same time, Xiao Yuruo also clenched the long sword and stabbed Gone from the other direction.

The two erupted at the same time, with astonishing power. However, Gone didn't pay attention to it at all, and a hint of arrogance appeared on the corner of his mouth: "Beyond one's own strength." The

voice fell, and two sword shadows erupted from the blood demon sword in his hand, directly covering Xiao Xi and Xiao Yuruo.

Bang bang bang!

At this moment, Xiao Xi and Xiao Yuruo were both pale, and hurriedly urged their internal strength to resist, but the sword shadow was too powerful, the two girls groaned, and their delicate bodies fell directly below.

"Pfft..."

At the moment when she landed, Xiao Xi's delicate body trembled violently, her delicate face was pale, and she finally spit out a mouthful of blood. Although she has the body of a dragon, she can't stop Gone's sword.

Xiao Yuruo's face was also pale, and the sword just now also traumatized her.

Chapter 5175

Hehe...

At this moment, Gone was full of arrogance and said coldly, "Don't do hopeless struggles, just die honestly."

Wen Chou Chou took a deep breath, without the slightest hesitation at the time, directed at Xiao Xi, Xiao Yuruo, and Zhu Bajie shouted, "Brother Zhu, Xiao Xi, hurry up and form a battle together."

Hmm!

Hearing this, Xiao Xi and Xiao Yuruo responded in unison, then flew into the air again, and together with Wen Chou Chou Zhu Ba Jie, surrounded Gone in the middle again.

Formation?

Surrounded again, Gogne frowned.

He clearly saw that the four Wen Chou Chou, standing in four directions, north, south, east, and west, cooperated tacitly with each other, and every step had hidden secrets.

That's right, Wen Chou Chou, composed of four people, is exactly the world's three best formations that had just been enlightened at night.

"You want to trap me with a mere formation?" In the

next second, Gone reacted, sneered, and tried to break the formation while holding the blood demon sword. How powerful it is, it can be broken easily.

However, Gone did not know that the formation in front of him was not an ordinary formation, but it had been sleepy for three days and three nights by Emperor Hou Yi. Even if he is the Supreme Being of the Demon Race, and his strength has not recovered to the peak, he is still helpless.

Bang bang bang...

In an instant, the four of them, Gone and Wen Chou Chou, fought fiercely in mid-air, and bursts of violent vibrations erupted.

How could this be?

At the beginning, Gone was still full of confidence, but gradually he felt that something was wrong. No matter how he shot, he could never break through the formation of Wen Chou Chou.

As for Wen Chou Chou, he was secretly anxious.

Although they besieged Gone to death, they were unable to injure him. For a time, the two sides were at a deadlock.

"Ah..."

The battle was fierce in mid-air, and the battlefield below was also extremely tragic. I saw that the disciples of Tianmen were constantly screaming and falling in a pool of blood under the charge of the members of the Sea Dragon Temple.

Among the crowd, Shen Nong was also covered in blood.

Although Shennong has lived for nearly a thousand years, he is good at medical skills and his cultivation strength is not very strong. At this time, facing the Hailong Hall's followers, the attacking one after another is almost unstoppable.

The square in front of the main hall of the Tianmen General Altar was almost dyed red with blood, and there was also a strong bloody smell in the air.

Mad!

Seeing the scene below, Wen Chou Chou became even more anxious.

It's not enough to consume like this. Although the leader of the other party is trapped, the disparity between the number of the two sides is too great. According to this situation, I am afraid that within half a day, the Tianmen disciples in the main altar will be slaughtered.

At the same time, Xiao Xi, Xiao Yuruo and Zhu Bajie were all too anxious.

"Brother and sister, I'm here..."

Just when the four of them were secretly anxious, suddenly, from the sky not far away, there was a long howl, and then, a fiery red figure flew quickly.

The fiery red and frantic long hair was draped over his shoulders, looking wild and uninhibited, and his whole body was filled with a powerful aura.

It is the world-famous fire god Zhu Rong!

Hiss...

Feeling the powerful aura on Zhu Rong's body, the disciples of the Sea Dragon Palace in the battlefield couldn't help but take a breath, and their eyes converged on Zhu Rong.

Such a strong breath, who is this person?

"Brother Zhu Rong!"

At this moment, seeing Zhu Rong's arrival, Xiao Yuruo was overjoyed and couldn't help shouting, "You're here."

Great, Brother Zhu Rong is here, Tianmen is saved.

At the same time, Shennong, who was on the battlefield below, also took a deep breath and complained to Shennong: "You've come." Zhu Rong is known as the 'Vulcan God' in the rivers and lakes of Kyushu. Will turn things around.

Uh...

Feeling Shennong's complaint, Zhu Rong scratched his head embarrassedly, and smirked: "I encountered something on the way, so I'm late."

After saying that, Zhu Rong's eyes locked on Gone . , shouted: "Where is the wild boy, dare to act wild in my brother Yue Feng's Tianmen, and dare to do something to my brother and sister, courting death."

Om!

When the voice fell, Zhu Rong's inner strength exploded, and a flame filled the sky and the earth, and then the figure erupted and rushed towards Gone.

The ultimate husband in Chinese chapter 5176-5180

Chapter 5176

Wow!

Seeing this scene, many of the followers of the Sea Dragon Palace were shocked.

"This... This is Zhu Rong, who has been regarded as the god of fire for thousands of years?"

"Why did he come to support Tianmen?"

"Bad, if Zhu Rong helps, I'm afraid the Holy King can't stop it. "

Yu Du was also anxious and wanted to rush up and intercept Zhu Rong, but he was entangled by Shen Nong in front of him, and he had no chance to escape.

Hehe....

Seeing Zhu Rong burst out and still trapped in the Heaven and Earth Three Absolutes, Gone smiled coldly and didn't take it to heart at all.

In the hearts of others, Zhu Rong has been famous for thousands of years, and his control of fire can be said to be superb, but in Gone's eyes, he is just a jumping clown who can play with fire.

The Tianmen disciples were excited.

"Senior Zhu Rong."

Seeing that Zhu Rong was about to rush into the formation and start a fierce battle with Gone, Wen Chou Chou suddenly shouted: "Senior, don't be reckless."

Huh?

Hearing this, Zhu Rong frowned, and his figure hovered in mid-air with a puzzled look on his face: "Palace Master Wen, why did you stop me?" The situation is critical now, and only by quickly defeating the leader of the other party can the situation be reversed in one fell swoop. . However, Wen Chou Chou stopped his family from joining the battle. Whoever changed this matter would be puzzled.

"Senior!"

This chapter is provided by . Visit for daily update.

Feeling Zhu Rong's doubts, Wen Chou Chou smiled bitterly and explained: "This person has been trapped by our formation, and there is no threat for the time being, and the Tianmen disciples below are almost unable to stop him."

"Please also ask Zhu Rong to deal with the members of the Sea Dragon Hall below first, just leave this person to me and my younger siblings."

When he said this, Wen Chou Chou looked serious.

Wen Chou Chou is far-sighted and is good at judging the situation. The young man in front of him is trapped in the heaven and earth, and in a short period of time, he has no chance to hurt anyone.

However, in the battlefield below, Tianmen was losing ground, and many elite disciples were in a critical condition under the charge of the Hailong Palace members who were several times their own.

Therefore, in comparison, helping the disciples of Tianmen and dealing with the members of the Sea Dragon Palace are the most important.

More importantly, the Heaven and Earth Three Absolutes Array required close cooperation. Wen Chou Chou, Xiao Xi, and Xiao Yuruo spent a few hours in the evening before they understood the essence of it, and they all knew how to cooperate with each other.

And Zhu Rong doesn't understand the world's three best formations. If he breaks in rashly, I'm afraid that it won't be of much help, and it will also disrupt the formation formed by Wen Chou Chou and a few people. Let him take the opportunity to rush out of the formation.

"Okay!"

At this moment, when he heard Wen Chou Chou's words, Zhu Rong nodded without a moment's hesitation: "Then I will kill these pirates first."

Om!

The moment the voice fell, Zhu Rong's internal strength exploded, and his body was burning with raging fire, and he rushed down towards the formation of the members of the Sea Dragon Palace.

Although he didn't know much about the situation, Zhu Rong knew in his heart that Wen Chou Chou's arrangement must have his reasons.

Mad!

Seeing the eruption of Zhu Rong, Yu Du was shocked, and at the same time shouted at the surrounding Hailong Hall members: "Quick, prepare to meet the enemy and stop him." The

voice fell, Yu Du slapped the palm of his hand, Shennong shook back, and then he was the first to greet Zhu Rong.

"Beyond one's own ability!"

Seeing Yu Du rushing towards him, Zhu Rong's eyes were full of contempt, he shouted loudly, raised his hand to condense a big fireball, roared out, and came straight towards Yu Du.

Wherever the fireball passed, the air seemed to be on fire.

Gu Dong...

Feeling the terrifying power contained in the fireball, Yu Du couldn't help swallowing his saliva, how could he dare to fight head-on, he didn't have time to think about it, and quickly moved aside.

Boom...

just dodged away, the fireball slammed into Yudu's original position, and a roar was heard, and a deep pit with a diameter of more than ten meters was blasted out on the ground. All the items within the range of the deep pit, all Ashes.

Seeing this scene, whether it was Yu Du or the surrounding members of the Sea Dragon Palace, they couldn't help but take a deep breath of cold air and felt chills in their hearts.

So strong...Is this the power of the famous Vulcan?

Chapter 5177

Haha...

Seeing the horror of Yu Du and those in the Sea Dragon Palace, Zhu Rong laughed and shouted arrogantly: "Just you gang of rabble, dare to attack Tianmen?"

"The old man is here today . . . , to see who of you dares to make a mistake? Now this old man gives you a chance, if you don't want to die, hurry up and get out." The

voice was loud and resounded for a long time over the entire Tianmen.

Huh...

After hearing these words, many members of the Sea Dragon Palace, you look at me, I look at you, feel a little timid in their hearts.

Yu Du also blushed and was extremely complicated, but he quickly reacted and shouted at the surrounding: "Don't panic, the other party is already at the end of the shot. Even if Tianmen has Zhu Rong's help, it will not change the result of the destruction."

"Also, this Zhu Rong is alone, he can't hold it for long."

When he said this, Yu Du glanced at Gone in the air, who was still trapped by the Heaven and Earth Array, his eyes full of determination.

The Holy King is powerful, and with a mere array, he won't be able to trap him for too long.

Hearing this, the members of the Sea Dragon Palace, who were a little shaken in their hearts, regained their confidence one by one.

"Kill!"

In the next second, under the command of Yu Du, countless members of the Sea Dragon Palace, waving long knives, rushed towards Zhu Rong like a tide, densely packed and with astonishing momentum.

"Seeking death!"

Seeing this situation, Zhu Rong did not panic at all, showing a sneer: "Since you have to seek death, this old man will fulfill you."

Om!

The last word fell, Zhu Rong raised his hands, and the air around him suddenly condensed, and then, an extremely terrifying and scorching power swept out around him with him as the center.

"A raging fire!"

Immediately afterwards, Zhu Rong's face was extremely gloomy and cold, and four words came out of his mouth. In an instant, between heaven and earth, the wind and clouds changed color, and the rolling clouds also became red.

Immediately, Zhu Rong put his hands together, his body was like a sharp sword, and he rushed directly into the sky at an altitude of 10,000 meters, disappearing from everyone's sight in the blink of an eye!

This...

At this moment, whether it was the members of the Sea Dragon Palace or the disciples of Tianmen, they all looked up and saw Zhu Rong's figure, already hidden in the fiery red cloud.

In particular, the members of the Sea Dragon Palace felt inexplicable fear in their hearts for a while.

Because they all clearly sensed that in the burning clouds, an incomparably powerful force was rapidly condensing.

Haha...

Just when everyone around was shocked, Shennong was extremely excited, and couldn't hide the praise in his eyes: "After so many years, he finally understood this trick." The

relationship between Shennong and Zhu Rong Fortunately, when they lived together in Buzhou Mountain ten years ago, Zhu Rong had been comprehending a stunt, and named it Raging Fire, but he had been comprehending it for many years, but he could not comprehend it.

At this time, seeing Zhu Rong released, Shennong knew that he had already realized this stunt, and as a friend, he was naturally happy for him.

Excited, Shen Nong did not forget to shout at the surrounding Tianmen disciples: "Quick, seal all your spiritual marrow acupoints." The

spiritual marrow acupoint is one of the key points in the human body.

Sealing the spiritual marrow acupoints can improve one's ability to resist fire. This was discovered by Shennong inadvertently in a practice.

Wow...

Upon hearing the order, the surrounding Tianmen disciples quickly sealed their spiritual marrow points without any hesitation. You must know that Shennong is the famous

ancestor of medicine in the Kyushu continent, and he is also the master of Yue Feng, the founder of Tianmen. In his words, Tianmen disciples will naturally obey unconditionally.

Because they all knew that Shennong would not harm them.

Seeing this situation, Yu Du and the members of the Hailong Hall who were present were all sneering. This group of people is really crazy. The spiritual marrow acupoint is an important acupoint in the human body. If it is sealed rashly, it will be life-threatening.

Could it be this common sense that Shennong didn't know?

hum, hum, hum!

When Yu Du secretly mocked in his heart, suddenly, he saw a fiery red between heaven and earth, and then, one after another, huge fireballs fell from the sky.

Each of these fireballs has a diameter of more than ten meters and thousands of them. Wherever they pass, they leave a trail of burning traces between heaven and earth. From a distance, it looks like the end of the world, which makes people tremble.

Chapter 5178

Hiss...

Seeing this scene, whether it was the disciples of Tianmen or those in the Sea Dragon Palace, they couldn't help but gasp and were shocked.

Yu Du's face changed greatly, and he almost shouted: "Quick, dodge."

Hearing his roar, many disciples of the Sea Dragon Palace reacted and wanted to dodge in the distance, but it was too late.

Boom boom boom...

Countless fireballs crashed, and the entire Tianmen main altar instantly became a sea of fire.

"Ah..."

In the scope of the raging fire, many disciples of the Sea Dragon Palace screamed and were directly burned to death. Some were hit by the fireball, and instantly turned into flying ash...

And Tianmen Disciple, because he obeyed Shennong's instructions and sealed his spiritual marrow acupuncture point, his fire resistance ability was enhanced, so there

were very few casualties. Only a dozen people were burned, but there was no danger to their lives.

Under the raging fire, the entire Tianmen main altar was full of ghosts and wolves.

After more than ten minutes, the momentum of the sea of fire gradually diminished. It was seen that half of the hundreds of thousands of people in the Sea Dragon Palace were burned to death. Some people had no bones left, and more burned to a mummy.

hiss!

Seeing this, whether it was the disciples of Tianmen or the members of the Sea Dragon Palace who survived by chance, they all felt chills down their spines, and they were extremely horrified in their hearts.

The power of Zhu Rong's move is so perverted.

Tens of thousands of people were burned to death like this.

call....

Seeing this scene, Wen Chou Chou, Xiao Xi, and Xiao Yuruo were all excited in midair.

The next second, Wen Chou Chou shouted at Gogne: "Boy, I think you should stop struggling. Your Sea Dragon Palace is just a bunch of rabble.

"Your subordinates are almost dead. I think you should just be obedient and capture them." As he

spoke, Wen Chou Chou greeted Xiao Xi and the others, increasing the pressure on the formation of the Three Absolutes of Heaven and Earth.

Mad!

Hearing this, Gogne's face was extremely ugly. When he saw that half of the members of the Sea Dragon Hall below were burned to death by Zhu Rong's raging fire, and those who survived were also extremely embarrassed, he suddenly felt anger in his heart, Climb up.

"Death!"

Seeing Gogne's distraction, Xiao Yuruo, who was beside him, shouted tenderly, and clenched his long sword and stabbed quickly.

Gogne reacted quickly, dodging backwards, but still a step slower.

Shila ...

This sword was extremely fast and fierce, and it directly cut a hole in Gone's shoulder, and in an instant, blood sprayed out.

Speaking of which, this kind of injury was like a tickling to Gone, but the formation of the Sea Dragon Palace was in chaos and morale was low, and he himself was still unable to break through the three unique formations. For a time, he was also a little anxious.

hum!

In the next second, Gone clenched the Gorefiend Illusionary Sword tightly, and a blood-colored sword shadow erupted, which quickly shrouded Xiao Yuruo. Xiao Yuruo didn't dare to take it hard, so she quickly retreated.

Xiao Yuruo retreated, and there was a short loophole in the Heaven and Earth Three Absolutes Array.

Taking advantage of the opportunity, Gone's figure flashed and rushed out of the formation directly, heading towards the sky in the distance. At the same time, Gone also did not forget to shout at the residual poison below: "Withdraw!"

Seriously, just Gone was very unwilling to withdraw like this.

But there is no way, the other party's formation of the three worlds is too mysterious, and with Zhu Rong's help, in today's battle, the Sea Dragon Palace has no advantage.

"Withdraw..."

Seeing Gone's departure, Yu Du didn't have time to think about it, he shouted hello, and then quickly fled to the distance with the members of the Sea Dragon Palace who were lucky enough to survive.

Phew...

Seeing this scene, whether it was Wen Chou Chou or Xiao Xi, Xiao Yuruo breathed a sigh of relief, then cast her figure and slowly landed.

At the same time, Zhu Rong also landed on the ground with an unfinished expression on his face: "It's really boring, before the fight started, the mob ran away, alas, it's boring."

Hearing this, Wen Chou Chou and a few were dumbfounded.

You know, it was all luck and everyone's close cooperation to drive Gone away today. Even so, it paid a heavy price, and this Zhu Rong actually said that he didn't have fun...

Chapter 5179

However, Zhu Rong's identity is special, and everyone who is ugly and ugly can't say anything.

...

On the other side, the Lagerstroemia Continent.

After Yue Feng was in the water pool, he immediately rushed towards Beihai Constellation. Because he was unfamiliar with the environment, Yue Feng almost lost his way several times, and finally arrived at the Beihai Constellation General Altar a few hours later.

At this time, it had been a night and a day since Yue Feng left.

Because of Elder Wu Ming's betrayal, the Beihai Constellation General Altar at this time has strengthened its defenses both inside and outside. Along the way, patrolling disciples can be seen everywhere.

The whole mountain gate gives a very depressing atmosphere.

"Pavillion Yue?"

"Pavillion Yue is back."

When they were about to reach the main hall, several Beihai Xingsu disciples who were guarding the door quickly greeted them respectfully, and at the same time, they were all a little surprised.

The Pill Pavilion Master of the Chunyang Palace, who has no strength at all, has rashly pursued Wu Ming, and now he can come back safe and sound, which is really unexpected.

"Pavilion Master!"

Xiaorou, who had been waiting for news in the hall when she heard the movement outside, ran out at once, and the moment she saw Yue Feng's delicate face, she was overjoyed: "Pavilion Master, it's really you, You're finally back."

Saying that, Xiaorou was very excited and pulled Yue Feng's arm, unable to hide her joy: "Pavilion Master, do you know that this day, Sister Hongyu and I are really worried to death. "

Although I have only been with Yue Feng for less than half a month, in the past half month, Yue Feng has taught her a lot of alchemy recipes, and she has never looked down on her because she is a maid.

Because Xiaorou is very grateful to Yue Feng, and in her heart, she regards Yue Feng as a close relative. A day ago, Yue Feng chased Wu Ming rashly. Xiaorou was worried all the time, and even in her dreams, she was praying that Yue Feng would stay safe.

Seeing him come back safe and sound at this time, Xiaorou felt happy from the bottom of her heart.

Hehe....

Feeling Xiaorou's excitement, Yue Feng was in a good mood, he couldn't help reaching out and rubbing her head, and said with a smile, "Okay, seeing how worried you are, what can I do? "

Hehe!"

Hearing this, Xiaorou pursed her lips and smiled, then lowered her voice and said a little closer: "The pavilion master is the most capable, I knew you could come back safely, but Sister Hongyu didn't think so. Yesterday In the evening, you also told me that you have no strength at all, and you have no ability to protect yourself in the event of trouble."

"Pavilion Master, you don't know, Sister Hongyu, because of you, this day, you can hardly sleep or eat. .."

When she said this, Xiaorou had a sly smile on her face.

Although she is not yet an adult, she is also at the age when she is in love. It can be seen that Jiang Hongyu is really nervous about Yue Feng's safety.

In Xiaorou's heart, Yue Feng is the pavilion master of the Pill Pavilion and has an extraordinary status, and Jiang Hongyu is the eldest disciple of the palace master, with outstanding strength.

Just halfway through, I saw a slender figure walking out of the hall slowly.

She was wearing a long red dress, floating like a fairy, her slender curves were looming, her beauty was indescribable, but her delicate face couldn't hide her exhaustion. Obviously, she didn't get much rest this day.

It is Jiang Hongyu.

Seeing her appear, Xiaorou quickly shut up and smiled.

However, what she said just now was still clearly heard by Jiang Hongyu. At that time, her face flushed, and she gave Xiaorou a coquettish look: "Xiaorou, what are you talking about? Who can't sleep, eat without taste.

", Jiang Hongyu is about to come over, pretending to hit Xiaorou.

"Oh!"

Xiaorou screamed, hid behind Yue Feng, and said with a smile: "Sister Hongyu, I didn't tell a lie, last night, you kept telling me about the pavilion master, and you didn't sleep. Okay..."

Jiang Hongyu's face turned even redder, and she stomped her feet: "You said that."

Yue Feng didn't come back after a night and a day, she was really worried, but this worry was also because Yue Feng was the elixir of Chunyang Palace. The pavilion master has a special status. If something goes wrong, it is not easy to explain to the master when you go back. There is no other meaning at all.

At this time, Xiaorou deliberately added oil and vinegar, as if she liked Yue Feng. How to hold back?

Chapter 5180

Thinking, Jiang Hongyu continued to chase Xiaorou.

Xiaorou knew that she didn't really want to fight, so she dodged with a smile, and for a while, the two were chasing around Yue Feng.

Yue Feng looked at it with a smile, but did not stop it.

Speaking of which, it is also a pleasing thing to see two stunning beauties chasing them in front of their eyes.

"Ouch!"

Perhaps because she was too anxious, Jiang Hongyu accidentally tripped her foot and stumbled on Yue Feng's foot. At that time, her footing was unsteady, and she was about to fall to the ground with a coquettish cry.

I go!

Yue Feng's eyes and hands are quick, and he reached out his hand like lightning to stop Jiang Hongyu's waist, and pulled her into his arms. In an instant, the two were close to each other.

At this moment, upon smelling the fragrance of Jiang Hongyu, Yue Feng was refreshed, and when he looked at her delicate face and her sexy curves up close, his mind went blank.

Jiang Hongyu was also blinded. She didn't expect that she didn't hit Xiaorou, she almost fell, and was finally pulled into her arms by Yue Feng. Putong putong

... At this moment, she and Yue Feng were close together, Jiang Hongyu's face instantly flushed red, and there seemed to be a deer running around in her heart, jumping non-stop. Wow... Seeing this scene, Xiaorou couldn't help clapping her hands and said, "Sister Hongyu, you and the pavilion master seem to be a good match." She wasn't talking nonsense, Yue Feng in front of her was very personable. , Handsome and stylish, Jiang Hongyu is beautiful and charming, hugging each other at this time, no matter how you look at it, they look like a couple in love. Swish! Hearing this, Jiang Hongyu was shy and whispered to Yue Feng, "You...you let me go."

When Yue Feng reacted, he was also very embarrassed, and quickly let go of his hand.

For a time, the atmosphere was extremely delicate.

"Haha..."

At this moment, there was a loud laugh in the hall, and then the Sect Master Deng Shiqi walked out quickly, followed by a few elders, each with a smile on his face.

Speaking of which, everyone in Deng Shiqi is also worried about Yue Feng's safety. After all, he is the Pill Pavilion Pavilion Master of Chunyang Palace. At this time, seeing that Yue Feng had returned safely, everyone was naturally relieved.

Seeing Deng Shiqi and others, Yue Feng smiled slightly and said hello: "Sect

Master, elders." At the same time as saying hello, Yue Feng couldn't help but look at the young man behind Deng Shiqi, and was secretly surprised.

I saw that this young man was in his twenties, dressed in a white long gown, handsome with handsome features, indescribably handsome, and on his neckline, a pattern of embroidered clouds could be faintly seen.

Obviously, this young man is not a disciple of Beihai Constellation.

At this time, Yue Feng did not know that this young man was called Ye Xingyu, the eldest disciple of the Tianhaimen sect master, and the leader of the younger generation of Tianhaimen.

Today, Ye Xingyu was dispatched by the sect master to visit Beihai Xingsu.

“Haha...”

At this time, Deng Shiqi came to him, looked up and down at Yue Feng, made sure that he was not injured, and said with a smile: “Brother Yue, when you went to chase Wu Ming, we were really worried.” The

voice just fell . , Ye Xingyu, who was behind him, followed with cold words: “This is the Pill Pavilion Pavilion Master of Chunyang Palace? He has no strength at all, and he actually rushed to chase after the elder Wu Ming, huh...I really don’t know how much he weighs?”

There was unabashed contempt in his words.

Speaking of which, Ye Xingyu saw Yue Feng for the first time, and the two of them had no feud, but he and Jiang Hongyu were childhood sweethearts.

You must know that the relationship between the three-day sect, Chunyang Palace, Beihai Xingsu, and Tianhaimen has always been good, and Ye Xingyu grew up in Tianhaimen since he was a child, and he visits Chunyang Palace with his master almost every year. And every time they go to Chunyang Palace, Jiang Hongyu and Ye Xingyu are relatively close because they are the beloved disciples of the sect master.

After the two grew up, the relationship became more delicate. In Ye Xingyu’s heart, Jiang Hongyu had long been regarded as his future wife. It’s just that I haven’t found the right opportunity to express myself.

However, when Ye Xingyu walked out of the hall just now, Ye Xingyu was naturally very upset when he saw that Yue Feng and Jiang Hongyu were behaving intimately. In an instant, he became hostile to Yue Feng.

Um?

Seeing Ye Xingyu’s poor language, Yue Feng couldn’t help frowning secretly.

Is this kid mentally ill, I don’t know you and you, so he belittles me as soon as he comes up?

The ultimate husband in Chinese chapter 5181-5190

Chapter 5181

However, Yue Feng ignored him, chatted with Deng Shiqi a few words, and was about to say goodbye.

It's been two days since I left Chunyang Palace, and it's time to go back. If there is no accident, in half a month, the divine power will be fully recovered, and then the void will be broken, leave here, and return to the Kyushu continent.

Haha....

However, Deng Shiqi didn't mean to let Yue Feng leave, he laughed loudly, patted Yue Feng's shoulder and said, "George Yue, you finally came to Beihai Xingsu once, and you helped us chase down traitors before, This seat has not treated you well."

"It's getting late, why don't you stay here for one night tonight and leave tomorrow morning, I'll order people to prepare drinks and dishes, and let's have a good drink."

Said, He dragged Yue Feng into the hall.

Kindness is hard to resist, and Yue Feng is not good to delay.

An hour later, under the arrangement of Deng Shiqi, a sumptuous banquet was placed in the hall.

On the wine table, in addition to Deng Shiqi, Yue Feng, Jiang Hongyu, and Ye Xingyu from Tianhaimen. Because they were both from Chunyang Palace, Jiang Hongyu and Yue Feng were arranged to sit together.

Ye Xingyu was sitting opposite Jiang Hongyu.

This made Ye Xingyu unhappy, but because Deng Shiqi was present, it was not easy to attack.

During the period, Yue Feng and Deng Shiqi chatted and laughed happily, and told the situation that happened that day. Of course, in order to hide his identity, Yue Feng did not say that he killed Wu Ming.

"Right!"

Soon, after three rounds of drinking, Yue Feng thought of something, and said to Deng Shiqi: "After I left that day, the poison on everyone's body..."

Before he finished speaking, Deng Shiqi smiled slightly: "At that time, the poison we inhaled was not much, and it was almost dispelled by this day. However, my wife is in serious condition."

Speaking, Deng Shiqi sighed: "Now Wu Ming hasn't caught it yet, if he can't get the antidote, Madam will not be able to recover, alas..."

"Sect Master, don't worry too much."

Seeing him like this, Yue Feng smiled slightly, He took out a medicine bottle from his body, which contained the antidote, and handed it to Deng Shiqi: "This is the antidote. I'll give it to my wife later."

Yes, this bottle of antidote was exactly Yue Feng who killed Wu. After tomorrow, it was found from him.

Antidote?

Hearing this, whether it was Deng Shiqi, or Jiang Hongyu and Ye Xingyu present, they were all stunned, their eyes focused on Yue Feng.

In the next second, Deng Shiqi reacted, and when he found the medicine bottle, he subconsciously asked: "George Yue, where did you get this antidote..." In his heart, Yue Feng had no strength at all, so it was impossible for him to get the antidote from Wu. Ming grabbed the antidote.

Hehe...

Seeing his puzzled face, Yue Feng showed a smile and explained: "This is the antidote on Wu Ming's body, this is what I saw falling from Wu Ming's body with my own eyes, it should be the antidote without a doubt." The

real situation cannot be said, only a random reason can be made up.

"It fell from Wu Ming?" Jiang Hongyu couldn't help but speak, her delicate face was full of doubts.

Yue Feng nodded and explained seriously: "Wu Ming betrayed Beihai Xingsu. After escaping from the main altar, he only wanted to save his life, so in a hurry, the antidote on his body fell out."

"It's also my luck. , I just picked it up." Phew

... Hearing this explanation, Jiang Hongyu and Deng Shiqi both looked stunned.

And at this moment, Ye Xingyu, who was sitting beside him, couldn't help but chuckle: "Hehe, I thought it was Pavilion Master Yue who showed great power and took the initiative to hand over the antidote to Wu Ming, and he worked for a long time. , I picked it up on the road."

There was deep contempt in his words.

The voice fell, Jiang Hongyu's beautiful face suddenly became a little unnatural, and she couldn't help but said softly: "Senior Xingyu, don't say anything."

How to say, Yue Feng is also the Pill Pavilion Master of Chunyang Palace, now In Beihai Constellation, being ridiculed by other sects, where does the Chunyang Palace face?

Seeing Jiang Hongyu speaking for Yue Feng, Ye Xingyu was even more displeased, and looked righteous: "Did I say something wrong? He admitted it himself, he picked it up by himself." As he

spoke, he looked at Yue Feng provocatively. .

Haha...

Ye Xingyu's attitude made Yue Feng feel very unhappy, and immediately chuckled and said lightly: "Yes, this bottle of medicine was indeed picked up by me, if you have the ability, you can also go outside and pick up a bottle. return."

Chapter 5182

"You..."

Ye Xingyu's face flushed, and he was speechless to refute for a while, but his heart was full of anger.

Mad, this kid has no bullshit skills, how dare he challenge me?

"Sect Master!"

At this time, Yue Feng didn't bother to pay attention to him, handed the medicine bottle to Deng Shiqi, and said with a smile: "The antidote here is enough to make Madam recover."

Deng Shiqi nodded and hurriedly directed at the person beside him. The maid instructed: "Quick, take the antidote to the madam."

"Yes, Sect Master!" The maid responded, took the medicine bottle, and went to the backyard.

“Wait.”

But at this moment, Ye Xingyu suddenly stood up and said to Master Deng with a serious face: “Sect Master, you are too gullible. How can you prove that this is the antidote based on his words alone?”

Saying that, Ye Xingyu stared at Yue Feng with a burning gaze, unable to hide his contempt: “I suspect that he just took out some pills to fool His Excellency the Sect Master.”

“Just imagine, Wu Ming is very skilled, even if he fled in a hurry, It’s impossible to lose the antidote.”

Phew...

Hearing this, Deng Shiqi fell silent, and the maid stood there holding the medicine bottle, not knowing what to do for a while.

Yue Feng’s face became gloomy, and he looked at Ye Xingyu with a half-smile, “You said that the antidote is fake, how can you prove it?” Mad, is this person sick, and he went against me again and again.

Ye Xingyu was about to answer, but Jiang Hongyu interrupted him and said softly, “Senior Brother Xingyu, stop talking nonsense.”

Having said that, Jiang Hongyu glanced at Yue Feng and continued: “Yue Feng is the Pill Pavilion Master of our Chunyang Palace, and he has extremely high attainments in Pill Refining. “

Seriously, in Jiang Hongyu’s heart, Yue Feng has no strength at all, and is no doubt like ordinary people, but in terms of alchemy, he is definitely a master among masters. He said that the antidote is real, and it is absolutely not good.

Swish!

Seeing Jiang Hongyu speaking for Yue Feng again, Ye Xingyu was very angry, and immediately said coldly: “Anyway, I think this antidote is fake.”

After speaking, Ye Xingyu thought about it and continued: “It’s better than this, let’s try it out, When Wu Ming escaped the day before yesterday, in addition to the suzerain, there were two other disciples who were also poisoned? “

If it can’t be detoxified, it’s fake, so what?”

Ye Xingyu looked at Yue Feng with burning eyes, waiting for his answer.

Originally, Ye Xingyu was just unhappy with Yue Feng, but seeing Jiang Hongyu talking for him all the time, he was jealous and wanted him to make a fool of himself in public.

Whoa!

In an instant, the eyes of the entire hall converged on Yue Feng.

Faced with this situation, Yue Feng's face did not fluctuate at all. He nodded at Ye Xingyu and said with a half-smile: "Okay, I'll bet with you. If you lose, you have to pour me tea to make amends."

Since you If you are not comfortable, then I will fulfill you.

Ye Xingyu was very surprised to see his answer so straightforward, and immediately reacted, sneering: "If you lose, you must resign as the pavilion master of the Pill Pavilion and leave the Chunyang Palace."

Thinking of Jiang Hongyu's attitude towards him, Ye Xingyu sneered. The more I think about it, the more upset I feel. I just wanted to take this opportunity to drive him out of Chunyang Palace.

"Okay!"

Yue Feng agreed without thinking, and then smiled at Deng Shiqi and said: "Sect Master, since this kid still refuses to believe that the antidote is real, he even made a bet with me, please put the disciple who was poisoned that day. Call me here."

Deng Shiqi nodded and ordered someone to call a poisoned disciple.

Gudong!

A few seconds later, a disciple walked in. Under Deng Shiqi's signal, he opened the medicine bottle in public and took a pill.

I saw that this disciple had been poisoned the day before yesterday, his face was pale, with a hint of turquoise, and he looked very weak. After taking the antidote at this time, he immediately sat cross-legged on the ground and began to regulate his internal energy.

For a time, the entire hall was silent, and all eyes were focused on this disciple to observe his reaction.

One minute...

two minutes.

Soon, ten minutes passed, and the disciple was still pale, as if there was no change in the slightest.

Chapter 5183

This...

Seeing this situation, whether it was Deng Shiqi or Jiang Hongyu, they all frowned secretly.

Could it be... as Ye Xingyu said, this bottle of medicine pill is fake?

Hehe....

Just when everyone was thinking about it, Ye Xingyu sneered and slowly stood up and looked at Yue Feng: "Yue Feng, right, how is the situation, everyone can see clearly, the antidote you took out is fundamental It doesn't work."

"Hehe, it seems that you, the Pill Pavilion's pavilion master, are not worthy of the name. We are willing to bet and admit defeat. From now on, you should leave the Chunyang Palace and stop coming out to deceive people.

" Ye Xingyu looked proud.

It seems that his guess is good, the disciple did not respond for a while, which is enough to prove that this bottle of antidote is fake.

Oops!

At this moment, Jiang Hongyun's heart also trembled, and she became a little anxious.

Could it be that Yue Feng really missed it? Is what Wu Ming dropped when he fled in a hurry, is it a fake antidote? If this is the case, it doesn't matter if he is ashamed, and the face of Chunyang Palace will also be damaged.

Haha...

Facing Ye Xingyu's aggressive look, Yue Feng chuckled lightly and ignored it.

This time, Ye Xingyu was completely angry, Ma De, the result has already come out, this Yue Feng is so arrogant, it is really outrageous.

In anger, Ye Xingyu was about to scold.

"Cough cough..."

However, at this moment, the disciple who had been sitting cross-legged suddenly coughed and coughed out a mouthful of black blood.

The blood was coughed up, and the disciple's pale complexion quickly recovered a bit of blood. The weak appearance before was also swept away.

"Sect Master!"

Under everyone's attention, the disciple quickly stood up and respectfully said to Deng Shiqi: "This antidote is real, the disciple feels much better now, thank the Sect Master for giving the antidote.

" He glanced at Yue Feng.

Whoa!

The voice fell, and the entire hall was in an uproar. Whether it was Deng Shiqi or the maids around him, they all looked complicated.

The time for this antidote to take effect is too slow.

Immediately, Deng Shiqi breathed a sigh of relief, feeling very comfortable, the antidote was real, and his wife's illness was completely saved.

At the same time, Jiang Hongyu, who was still a little worried, also showed a smile at this time. Great, the antidote that Yue Feng brought is real, don't worry about the reputation of Chunyang Palace being ruined.

This....

Ye Xingyu froze there, and did not recover for a while.

How is this possible? A person without the slightest strength actually brought back the antidote.

"Boy!"

At this moment, Yue Feng looked at Ye Xingyu with a smile: "How is it? The truth is clear, the antidote I brought back is genuine, you should fulfill the bet now."

After saying this, Yue Feng sat on the chair with the attitude of an uncle, waiting for Ye Xingyu to pour tea to make amends.

Speaking of which, Yue Feng is not much older than Ye Xingyu, but the identities of the two are very different. As the pavilion master of the Pill Pavilion, even if the master of

Tianhaimen sees it, he must give three points of courtesy, so he calls Ye Xingyu a boy. It's also a matter of course.

Moreover, Ye Xingyu had been rude just now, and Yue Feng was very upset. Seizing the opportunity at this time, he naturally wanted to make fun of him.

Swish!

The voice fell, and the eyes of the entire hall were all looking at Ye Xingyu.

"I..." Ye Xingyu opened his mouth, his face was extremely embarrassed, he said a word but couldn't go on.

Ma De, the dignified disciple of Tianhaimen, would you like to apologize to this Yue Feng in public at this time?

"Xingyu!"

Seeing that he was reluctant to express his position, Deng Shiqi, who was on the side, couldn't help but said: "I am willing to admit defeat, you are the chief disciple of Tianhaimen, and you have to speak your words.

"An undeniable majesty.

call!

Hearing this, Ye Xingyu's face changed, and finally he took a deep breath and bowed his head to Yue Feng: "Yue Pavilion Master, I have offended you a lot just now, I'm sorry." His

voice was very soft, and he said it quickly, very perfunctory.

Hehe...

Yue Feng lazily leaned back on the chair, chuckled lightly, and said lightly, "Is this how you apologize to Tianhaimen?"

Chapter 5184

Speaking, Yue Feng scratched his head: "There is no sincerity at all."

"You..."

Seeing him like this, Ye Xingyu's teeth are itchy, Mad, he has already admitted his mistake, this Yue Feng still thinks how about it?

Seeing the dissatisfaction on his face, Yue Feng smiled slightly, and said lightly: "You have to pour me some tea to admit your mistake. Did you forget?"

Phew!

Hearing this, Ye Xingyu suppressed his anger, poured a cup of tea, and brought it to Yue Feng.

However, Yue Feng did not intend to spare him like this, sitting there, without any intention of taking the tea cup, said lightly: "Ye Xingyu, when you confessed your mistake to your master when you poured tea, is that what it is?"

Huh?

Ye Xingyu's face became gloomy, and he said unpleasantly: "What do you mean?"

Yue Feng smiled: "As the pavilion master of the Pill Pavilion of Chunyang Palace, in terms of status, I am similar to your master. Since I did something wrong, You have to admit your punishment."

"I want you to kneel down and offer tea to me, it's not too much."

Shua!

Hearing this, Ye Xingyu was furious, and he was about to throw away the teacup on the spot and walk away. But seeing Deng Shiqi next to him and everyone around him, he still held back.

"Okay, I'll kneel." In the

next second, Ye Xingyu gritted his teeth and spat out a few words, then bent his knees, knelt in front of Yue Feng, and raised the teacup high: "I bumped into the pavilion just now, and I still hope to see the pavilion. The Lord has a large number,

so don't care." To be honest, Ye Xingyu was unwilling to kneel down to Yue Feng.

But there is no way, I came to negotiate important matters on behalf of Tianhaimen. If I go back on my word, I will be laughed at by the people of Beihai Xingsu, and it will damage the reputation of Tianhaimen.

However, he apologized, but Ye Xingyu felt extremely cold in his heart.

Ma De, this Yue Feng has made me so embarrassed. If there is a chance in the future, I will definitely tell you not to live or die.

Um!

Seeing that he finally knelt down, Yue Feng made an appearance of reluctance to accept it, took the teacup, and said lightly: "Well, this looks a little bit like. Seeing that you are so sincere, then what happened just now, forget it."

After saying this, Yue Feng greeted Deng Shiqi with a smile, and directly put Ye Xingyu aside.

Yue Feng's arrogance made Ye Xingyu even more angry.

For the next hour or so, Yue Feng and Deng Shiqi chatted and laughed happily while drinking. The wife had an antidote, and Deng Shiqi was very happy and kept persuading Yue Feng to drink.

Jiang Hongyu accompanied him and drank a lot.

Ye Xingyu was sitting on pins and needles.

After the banquet was over, everyone went back to their rooms to rest.

"Senior Brother Xingyu."

When he walked out of the hall, Jiang Hongyu quietly called Ye Xingyu while others were not paying attention.

Ye Xingyu was in a bad mood at first, but when he heard Jiang Hongyu take the initiative to strike up a conversation, most of the previous discomfort was immediately eliminated, and he immediately showed a smile: "Junior Sister Hongyu, what's wrong?"

As he said, Ye Xingyu couldn't help admiring Jiang Hongyu, because drinking After drinking, Jiang Hongyu's delicate face showed a hint of blush, which was indescribably charming.

Jiang Hongyu bit her lower lip lightly, and hesitated: "Senior Brother Xingyu, don't hold any grudge against Pavilion Master Yue in your heart for what happened before. He's just like that.

"Actually, other people are actually very good."

When saying this, Jiang Hongyu quietly observed Ye Xingyu's reaction, and there was some expectation in his eyes.

Speaking of which, Jiang Hongyu was too lazy to care about such personal grievances, but then again, Yue Feng was the pavilion master of the Pill Pavilion after all, and Ye Xingyu was the chief disciple of Tianhaimen. The two sects were allies.

She didn't mention Yue Feng, but when Ye Xingyu mentioned him, Ye Xingyu suddenly became angry.

Thinking of how embarrassing he was in the main hall just now, Ye Xingyu said angrily: "Junior Sister Hongyu, don't mention him, this kid doesn't have any skills at all, and he can actually take the position of the Pill Pavilion's pavilion master, I think it's shit. Good luck."

As soon as he finished speaking, Jiang Hongyu said very displeased: "Don't talk nonsense, he has real skills. I saw with my own eyes that he can use ten pill furnaces to make pills at

the same time." When saying this, Jiang Hongyu couldn't hide the admiration in her eyes.

Chapter 5185

Seeing that she admired Yue Feng so much, Ye Xingyu felt even more uncomfortable.

Seeing that Jiang Hongyu had to say more, Ye Xingyu quickly changed the subject: "Okay, let's not talk about this."

After saying that, Ye Xingyu looked around to make sure no one was eavesdropping, showed a smile, and said mysteriously: "Red Junior Sister Yu, I have good news."

"What good news?" Jiang Hongyu suddenly became interested.

Ye Xingyu took a deep breath, deliberately got closer, and looked at Jiang Hongyu affectionately: "Before I came to Beihai Xingsu this time, I specifically told my master about our affairs, and my master has agreed to take me there in half a month. Chunyang Palace, I have proposed to your master."

Ye Xingyu was very excited at this time.

Since childhood, he and Jiang Hongyu have been childhood sweethearts. Many nights, they have dreamed of taking Jiang Hongyu as his wife, but this time, Master finally agreed to come forward to propose marriage, can you be unhappy?

Propose marriage?

Hearing this suddenly, Jiang Hongyu's delicate body trembled, and her whole body was stunned: "What kind of kiss are you talking about?" I drank a lot of wine at the banquet just now, but I didn't respond for a while.

Ye Xingyu looked at her lovingly: "Silly Junior Sister, of course it's our marriage."

Ah?

When the words fell, Jiang Hongyujia instantly woke up halfway. She stared blankly at Ye Xingyu. It took more than ten seconds before she realized it. She shook her head and said, "Senior Brother Xingyu, you...don't be joking."

Although she and Ye Xingyu were childhood sweethearts, The relationship is very good, but it has not yet developed into a couple. At this time, when he suddenly heard that he was going to propose a marriage, he instinctively resisted.

Seeing her reaction, Ye Xingyu suddenly became anxious: "Junior Sister Hongyu, you should feel it. I have always liked you for so many years, but I never said it."

"I really want you to be my wife, don't worry, I will treat you well."

After speaking, Ye Xingyu couldn't help holding Jiang Hongyu's hand.

Swish!

Jiang Hongyu retracted her hand like an electric shock, took two steps back, shook her head and said, "You...don't do this."

In her heart, she always regarded Ye Xingyu as a senior brother. At this time, the other party suddenly wanted to further the relationship, and her heart was in chaos for a while. of.

Feeling Jiang Hongyu's resistance, Ye Xingyu was in a hurry. Thinking that she had been talking to Yue Feng all the time, he couldn't help saying: "Junior Sister Hongyu, you...you don't want to be my wife because of that Yue Feng?"

Because of Yue Feng?

Hearing this, Jiang Hongyu's delicate body was shocked, and the appearance of Yue Feng could not help but appear in her mind, and a throbbing also rose in the depths of her heart.

Speaking of which, although he has been with Yue Feng for half a month, Jiang Hongyu does have a feeling of being unclear about this man.

Although he didn't have the slightest strength, at the previous martial arts conference, he relieved himself in public and taught Xu Wenliang of the Nianhua Palace a lesson. It can be said that if there was no Yue Feng that day, I don't know what Xu Wenliang could have done. Too much to come.

Moreover, Yue Feng's accomplishments in alchemy, looking at the entire Ziwei Continent, and no one can tell.

For a time, Jiang Hongyu fell into contemplation.

Huh ...

Seeing her like this, Ye Xingyu became even more anxious, and grabbed Jiang Hongyu's shoulder very excitedly: "You... do you really like that Yue Feng?"

Because he was very excited, Ye Xingyu exerted a lot of energy.

"you..."

Jiang Hongyu was in pain, she reacted instantly, and broke away Ye Xingyu's hands, feeling very upset: "I have nothing to do with him, I... I just don't want to get married so early."

"It's getting late, I should go to rest . It 's over." The

voice fell, Jiang Hongyu lowered her head and did not look at Ye Xingyu, turned and ran away.

boom!

Seeing Jiang Hongyu walking away, Ye Xingyu's face was extremely ugly, and he slapped the stone pillar next to him with a fierce palm.

Ma De, it's all that Yue Feng, who first embarrassed me on the main hall, and now he has to steal my beloved woman.

The more Ye Xingyu thought about it, the more resentful he became, and his eyes flashed with a bit of ruthlessness. Jiang Hongyu, we grew up together, childhood sweethearts, but you treat me like this...

well, very good, since you are ruthless to me, then don't Blame me for being unjust.

The ultimate husband in Chinese chapter 5186-5190

Chapter 5186

Making up his mind, Ye Xingyu returned to his resting room.

When I returned to the room, I saw a young man meditating inside, dressed in a white long gown, with a handsome appearance, looking like he was two or three years younger than Ye Xingyu.

It was Ye Xingyu's younger brother, Chen Shangzhi.

This time, Ye Xingyu, on behalf of Tianhaimen, came to Beihai Xingsu to discuss alliance matters, and he was accompanied by Chen Shangzhi. Because he was young and rarely walked around the rivers and lakes, Master specially let him come out to experience.

“Senior brother!”

Seeing Ye Xingyu coming back, Chen Shangzhi quickly stood up and greeted with a smile: “The banquet is over so soon?” Because of his junior qualifications, he was not qualified to attend the banquet in the main hall, so he had been waiting in the room. .

Um!

Ye Xingyu responded lightly, and made a fool of himself in front of Yue Feng tonight. Not only that, he just confessed to Jiang Hongyu and was rejected. At this time, he was in a terrible mood.

Chen Shangzhi didn't notice what was wrong with his senior brother, and continued with a smile: “Senior brother, did you tell Senior Sister Hongyu about the matter that Master is going to go to Chunyang Palace to propose marriage?”

Chen Shangzhi grew up in Tianhaimen since he was a child. I have known Jiang Hongyu for a long time, and I also know that my brother has a deep love for her. Before leaving Tianhaimen this time, I heard that the master was going to propose a marriage to the two, and I was happy for my brother from the bottom of my heart.

Alas, this junior brother, really, which pot can't be opened and lifted.

Seeing Chen Shangzhi's high-spirited look, Ye Xingyu became even more irritable, and said angrily: “Don't mention this, it will be a big hit.”

Thinking of Jiang Hongyu maintaining that Yue Feng everywhere, Ye Xingyu couldn't hide his heart. 's anger.

what's going on?

Chen Shangzhi was stunned for a moment, and asked inexplicably, “What's wrong? Senior brother and senior sister Hongyu quarreled?” Because of an alliance, Chen Shangzhi used to call Jiang Hongyu senior sister.

Huh

Ye Xingyu sat in front of the table, the more he thought about it, the more irritable he became, and finally he explained the situation in detail.

When referring to Yue Feng, Ye Xingyu's eyes almost spit fire: "Ma De, that kid named Yue Feng is only good at alchemy, and he doesn't know what kind of ecstasy soup he poured into Hongyu. At the banquet just now, he was defending him everywhere. "

Besides, I said that I wanted to propose a marriage, but she refused directly."

What?

Hearing this, Chen Shangzhi was taken aback, and in shock, he almost blurted out: "Jiang Hongyu moved away from love and abandoned his senior brother?"

Chen Shangzhi was very angry when he said this.

He and Ye Xingyu are as close as brothers, knowing that Ye Xingyu likes Jiang Hongyu very much, and over the years, in Chen Shangzhi's heart, Jiang Hongyu has always been regarded as his sister-in-law.

And now, Jiang Hongyu actually rejected his brother's proposal, which made Chen Shangzhi feel worthless for Ye Xingyu.

In the next second, Chen Shangzhi reacted and asked Ye Xingyu: "Senior brother, what are you going to do?"

Ye Xingyu took a deep breath and clenched his fists secretly: "I like her so much, but she abandons me like a shoe, in vain. I liked her so much, but it turned out to be empty, this bad breath, I really can't swallow it."

Thinking of the indifference of Jiang Hongyu turning and leaving just now, Ye Xingyu still felt a little pain in his heart.

Hearing this, Chen Shangzhi's eyes flashed, revealing a sinister smile: "Since the senior brother said so, it is natural for you to be a brother to support you. I have a way to let the senior brother out of this evil spirit.

" At that time, Chen Shangzhi couldn't hide the treacherousness on his face.

Chen Shangzhi seemed to be honest and honest, but it was only an appearance. In fact, he was full of bad water. Hearing what happened to Ye Xingyu at this time, he suddenly had a bad idea in his heart.

Swish!

Ye Xingyu suddenly regained his spirits and quickly asked, "What can I do?" Although he is a senior brother, when he encounters a problem, his mind is not as fast as this junior brother.

Hehe...

Chen Shangzhi didn't answer immediately, but gave a wicked smile and lowered his voice: "Senior brother, Jiang Hongyu rejected you. You are very angry, but at the same time, you want to get her more, right?"

Ye Xingyu nodded, angrily, he said, "Nonsense, is there any need to ask?"

Jiang Hongyu, the leader of the younger generation of the entire Chunyang Palace, is also the direct disciple of the palace master. More importantly, her figure and appearance are unparalleled, said It is not an exaggeration to be a goddess of the Chunyang Palace. Who wouldn't want to have such a woman?

Chapter 5187

Hearing the answer, Chen Shangzhi smiled and continued: "That's good."

Then, Chen Shangzhi took out a small jade bottle and said mysteriously: "Senior brother, I heard you just now that Jiang Hongyu was in I drank a lot of alcohol at the banquet."

"Wait a minute and pretend to give her the hangover soup, then mix this thing into the hangover soup. As long as Jiang Hongyu takes a sip, she will soon be unconscious. At that time, senior brother wants to do Do whatever you want."

"Even if Jiang Hongyu woke up the next day and felt unwell, she would think it was caused by drinking, and she would not suspect you at all."

After saying this, Chen Shangzhi put the jade bottle Handed it to Ye Xingyu.

This...

Holding the jade bottle, Ye Xingyu hesitated a little, frowned and said, "Is this okay?" Although he is usually arrogant and domineering, he still maintains a conscience deep in his heart.

What's more, the master has already agreed to the marriage, and said that he will go to Chunyang Palace to propose marriage in person. If Jiang Hongyu is forcibly occupied tonight and things are exposed in the future, then it will never be possible for him and Jiang Hongyu.

"Senior brother!"

Seeing his hesitation, Chen Shangzhi suddenly became anxious, and couldn't help but say, "What else is there to hesitate about? You have a deep love for Jiang Hongyu, it can be said to be a childhood sweetheart. How many times have you begged Master to

marry her? He only promised to help you propose a marriage, but what about Jiang Hongyu? Just for the sake of Yue Feng, who has no strength at all, he kicked you with one kick.”

“You can’t bear it, she is very heartless. Besides, as long as you Cover up well, you won’t make any mistakes.”

“Tonight is a great opportunity, and it will be gone in the future. When Jiang Hongyu and that Yue Feng are together, it will be too late for you to regret it.”

These words directly hit Ye Xingyu. heart.

In fact, Chen Shangzhi didn’t really want to help Ye Xingyu. Over the years, Chen Shangzhi has been coveting Jiang Hongyu’s beauty, but this woman and Ye Xingyu were childhood sweethearts, and Ye Xingyu liked her so much. Ideas come out.

But tonight, seeing the relationship between the two break down, Chen Shangzhi knew that his chance had come.

He thought about it, waited for Ye Xingyu to be stunned by Jiang Hongyu, and found an opportunity to enjoy Jiang Hongyu’s gentleness.

Snapped!

Under the constant encouragement of Chen Shangzhi, Ye Xingyu put away the jade bottle and patted his thigh: “Ma De, listen to you, just do it.”

“That’s right.”

Seeing that he finally agreed, Chen Shangzhi showed a trace With a smile, he praised: “Act decisively, when it’s time to take action, that’s the senior I admire.”

“When I’ll be outside, the senior brother can do it with confidence and boldness.”

When he said this , Chen Shangzhi was full of pride, and he couldn’t wait in his heart.

Haha...

Hearing this, Ye Xingyu was also in a very happy mood, laughed and patted Chen Shangzhi on the shoulder: “Good brother, after this is done tonight, I will give you the stunt taught by Master. “

At this time, Ye Xingyu didn’t know that he fell into the trap of this junior brother.

“Haha, then thank you Senior Brother.” Chen Shangzhi was indescribably comfortable. This Senior Brother looks shrewd, but he can be stupid.

Thinking of this, Chen Shangzhi couldn't hide the urgency in his eyes.

A few minutes later, the two brothers discussed it, and then took advantage of the night to slowly walk towards the room where Jiang Hongyu was resting.

call!

Arriving outside Jiang Hongyu's door, Ye Xingyu took a deep breath, suppressing his inner tension.

I saw that there was a faint light in the room, and it was obvious that Jiang Hongyu had not rested.

"Senior brother!" At this time, Chen Shangzhi lowered his voice and said, "Don't be nervous, as usual, pretend to care about her." After saying this, he hid behind a tree not far away.

Seeing that Chen Shangzhi was hiding, Ye Xingyu tried his best to calm down, and then knocked on the door.

Bang bang bang...

There was a knock on the door, and Jiang Hongyu, who was preparing to rest in the room, suddenly shouted alertly, "Who is it?" As he spoke, he slowly approached the door.

Hearing the question, Ye Xingyu said mildly, "Junior Sister Hongyu, it's me."

Chapter 5188

Ye Xingyu?

Hearing the voice, Jiang Hongyu Xiumei frowned, opened the door a crack, and said in a tired voice, "Senior Brother Xingyu, I'm going to rest."

At this time, Jiang Hongyu thought that Ye Xingyu was going to talk about proposing a marriage. I was very conflicted.

Hehe...

Seeing Jiang Hongyu's appearance of refusing people thousands of miles away, Ye Xingyu felt very unhappy, but there was a smile on his face, and he said hypocritically: "Junior Sister Hongyu, you drank a lot of wine just now. It should be very uncomfortable for a while."

"I specially made hangover soup for you just now, so you can drink it while it's still hot, so you can have a good rest."

At the end, Ye Xingyu handed the ready hangover soup to the door.

Hangover soup?

Seeing the soup bowl Ye Xingyu handed in front of him, with steam still on it, Jiang Hongyu was stunned, and at the same time, she felt a little ashamed. I thought he was talking about marriage again, but it turned out that he was here to deliver soup.

Senior Brother Xingyu is so caring, I almost blamed him just now.

"Thank you, Senior Brother!" The

next second, Jiang Hongyu smiled lightly, opened the door, and said embarrassedly, "Come in, it's cold outside." Speaking of which, it was so late, Jiang Hongyu really didn't want to invite Ye Xingyu in, after all, he was alone. Yes, it's not good to be seen.

But seeing him come to deliver sober soup so late, I really couldn't bear to keep him out of the door.

Um!

Seeing that Jiang Hongyu had no doubts, Ye Xingyu smiled happily, walked in quickly, and said with a smile, "Junior Sister Hongyu, I'm really sorry for disturbing you so late."

As he spoke, Ye Xingyu put the hangover soup on the table, and said with a smile: "The hangover soup is getting cold, drink it quickly." After speaking, he couldn't help looking up and down at Jiang Hongyu.

Although the banquet had been over for more than an hour, Jiang Hongyu's face still had a bit of blush on her face. At this time, under the dim light, she was like a blooming rose, which was incomparably beautiful.

While admiring, Ye Xingyu's heart became even colder.

Ma De, such a beautiful woman should belong to me, but when Yue Feng appeared, everything changed.

Thinking to himself, Ye Xingyu's eyes became sharp, Jiang Hongyu, Jiang Hongyu, don't blame me, who told you to be so ruthless to me?

Jiang Hongyu didn't notice the change in Ye Xingyu's expression at all. Hearing the urging, he nodded, walked over to pick up the soup bowl, couldn't help sniffing it, and exclaimed: "This soup is so fragrant!"

Haha...

Ye Xingyu smiled . He said: "Junior sister does not know, this is our unique sobering formula in Tianhaimen. No matter how much alcohol you drink, as long as you drink this sobering soup, you will be sober immediately."

In fact, Tianhaimen does not have any sobering soup at all. In order to gain Jiang Hongyu's trust, Ye Xingyu made up a lie temporarily.

Jiang Hongyu believed it to be true, and was very moved for a while: "Senior Brother Xingyu, thank you." After the

voice fell, Jiang Hongyu picked up the soup bowl and took a few sips very reservedly.

Speaking of which, Jiang Hongyu, as the first female disciple of Chunyang Palace, has been in the rivers and lakes for many years, and she is still very cautious in doing things. If someone else brings the soup, she will definitely consider it again and again, but she is not the least bit wary of Ye Xingyu.

After all, the two had known each other since childhood, and she didn't believe that Ye Xingyu would harm herself secretly.

Ha ha...

Seeing Jiang Hongyu drank most of the bowl of soup, Ye Xingyu's face was calm, but his heart was filled with ecstasy and excitement.

This woman is really deceiving, she drank the soup so easily.

Thinking to himself, Ye Xingyu looked at Jiang Hongyu with a burning gaze: "Junior sister, how do you feel now? People who drink this kind of soup from Tianhaimen for the first time will feel very sleepy. If you feel dizzy later, just lie down. Take a rest, don't be nervous."

In order to avoid waiting for the drug to take effect and causing Jiang Hongyu's suspicion, Ye Xingyu told the situation that might occur.

Um!

Jiang Hongyu nodded, put her hand on her forehead and said, "I haven't felt it yet, but after drinking it, my whole body is warm and comfortable."

Hearing this, Ye Xingyu smiled.

"That's right!"

At this moment, Jiang Hongyu blushed and did not look at Ye Xingyu: “Senior Brother Xingyu, I think we should put it on hold for the time being.”

Chapter 5189

“I... It’s not that I don’t like Senior Brother, I just want to stay with Master for a few more years, and I don’t want to get married for the time being...”

“So don’t think too much, I reject you and have nothing to do with Yue Feng. No, I hope senior brother can understand.”

When Jiang Hongyu said the last two sentences, Jiang Hongyu’s voice was very small, and she couldn’t hear it if she didn’t listen carefully, and the whole person was even more embarrassed.

In Jiang Hongyu’s heart, having known Ye Xingyu for so many years, she felt a little uneasy about her decisive rejection just now, so she wanted to take this opportunity to explain it well.

However!

The more she explained it, the more Ye Xingyu thought she was empathetic.

However, Ye Xingyu didn’t show it, but made a very understanding look, smiled and comforted: “Junior Sister Hongyu, don’t be like this, I was too abrupt just now. Besides, I should discuss with you in advance about marriage matters. It’s really inappropriate to ask the master to propose a marriage in private.” Phew

... Hearing this, Jiang Hongyu breathed a sigh of relief and smiled: “Senior brother, if you say that, I won’t be worried.” As she said, Jiang Hongyu suddenly felt that something was wrong, her delicate body trembled, and she put her hand on her forehead, only to feel that her entire head was dizzy, and she could hardly sit still. However, Jiang Hongyu was not at all nervous. Does this hangover soup work so fast? Just now, Ye Xingyu said that if you drink this hangover soup for the first time, there will be signs of dizziness and fatigue. She trusts Ye Xingyu very much, and she never imagined that the other party would deliberately deceive her. At this time, Jiang Hongyu didn’t know that she was completely deceived by Ye Xingyu. Ha ha...

Seeing her appearance, Ye Xingyu couldn’t tell how excited he was, but on the surface he looked concerned: “Junior Sister Hongyu, is the hangover soup working? Come on, I’ll help you to rest.”

As he spoke, Ye Xingyu said To step forward to help.

Jiang Hongyu shook her head: "No, senior, go back to your room, I'm fine." Although her mind was a little cloudy, she still knew to stick to the principle. After all, it was really inconvenient for a man and a woman to stay in the same room late at night. .

With that said, Jiang Hongyu staggered towards the bed.

Pfft ...

As soon as she arrived at the bedside, Jiang Hongyu couldn't hold it anymore, she only felt that the world was spinning, her delicate body softened, and she collapsed directly on the bed.

Haha....

Seeing this scene, Ye Xingyu was so excited that he no longer pretended to be. He strode to the bed and looked at Jiang Hongyu in front of him with impunity.

For a time, Ye Xingyu was almost fascinated by this drug that his junior brother brought, and it really worked.

A few seconds later, Ye Xingyu reacted and looked at Jiang Hongyu greedily, unable to hide the pleasure of revenge: "Jiang Hongyu, don't blame me for being shameless and despicable, who made you be so heartless to me?"

"Whether you like that Yue Feng or not ? , Tonight, I want you to be my woman, haha..." The

voice fell, and Ye Xingyu slowly leaned down.

Right now, outside the room.

Behind the tree not far away, Chen Shangzhi waited for a while and couldn't wait, so he quietly walked to the door and looked inside through the crack of the door.

Phew ...

Through the crack of the door, Chen Shangzhi could clearly see that Jiang Hongyu was in a coma.

This Jiang Hongyu's figure is really sexy. Ye Xingyu was so cheap that it was a waste.

"Who's there?"

Just when Chen Shangzhi was secretly regretting, suddenly, a question came from behind him, and then, a figure walked quickly.

It was Yue Feng.

Yue Feng and Jiang Hongyu, the room where they rested is very close. After returning to the room just now, Yue Feng did not rest, but meditated for a while.

Just after the meditation was over, I heard movement outside. You must know that Yue Feng is the body of a mysterious saint, and both his vision and hearing are very keen. He came out to check without hesitation.

Chapter 5190

Terrible!

Chen Shangzhi was fascinated by the peek, when he suddenly heard the voice behind him, and was startled at the time.

When he looked back and saw that it was Yue Feng, Chen Shangzhi's pupils shrank.

Ma De, I thought who it was, it turned out to be the Pill Pavilion Master of Chunyang Palace.

Speaking of which, if it was someone else, Chen Shangzhi would be very nervous, but facing Yue Feng, he did not panic at all. In Chen Shangzhi's heart, although Yue Feng had a high status, he had no strength and no threat at all.

"Hello!"

At this moment, Yue Feng came over and frowned at Chen Shangzhi: "What are you doing here?" While asking, Yue Feng subconsciously looked at the room.

The light was still on in the room, it seemed that Jiang Hongyu had not rested yet, and this person was sneaking outside the door, it was really suspicious.

Speaking of which, Yue Feng had met Chen Shangzhi in the hall before and knew that he was Ye Xingyu's junior brother. Because of Ye Xingyu's relationship, Yue Feng had a bad impression of him.

You must know that in the 'Yin-Yang Fengshui Art' that Yue Feng practiced before, there was a special face-to-face technique. When I first met Chen Shangzhi at that time, it could be seen from his face that he seemed to be honest and honest on the surface. , is not honest at all.

At this time, seeing him lingering outside Jiang Hongyu Gate at night, sneaking like a thief, he was even more unhappy.

Haha... Chen Shangzhi

didn't panic at all in the face of Yue Feng's questioning, and sneered: "I can't sleep at night and go out for a walk. Does it have anything to do with you?"

Report to Ye Xingyu in the room.

Nima!

At this time, Ye Xingyu could get what he wanted immediately. Suddenly, when he heard the movement outside, he was shocked, shocked and angry.

Who the code is so late and still not sleeping?

Boom!

Just when Ye Xingyu was very annoyed, the door was pushed open at once, and then, Yue Feng broke in directly.

Because of his magical power, Yue Feng was very fast. Chen Shangzhi, who was standing outside the door, couldn't react at all. He only felt that his eyes were blurred, and Yue Feng had already pushed in.

Swish!

At this moment, when Yue Feng saw the scene in the room, he was instantly furious.

Ma De, this Ye Xingyu is really daring, actually trying to sully Jiang Hongyu?

He clearly saw that Jiang Hongyu's eyes were tightly closed, and she was unconscious, but her face was crimson, and her delicate body was also trembling gently. It was obvious that someone had been drugged.

While shocked and angry, Yue Feng was also secretly relieved, fortunately, he came in time, Ye Xingyu, this bastard, has not succeeded, otherwise, Jiang Hongyu's innocence will be completely ruined.

Thinking of this, Yue Feng looked at Ye Xingyu coldly: "You are not small, you can do such a despicable and shameless thing?"

When he said this, Yue Feng was very angry. Afterwards, Yue Feng took off his coat and put it on Jiang Hongyu. It was really indecent for her to be exposed all the time.

Speaking of it, Yue Feng and Jiang Hongyu have been in contact for half a month. Although this girl is arrogant, she is kind in her heart. More importantly, Yue Feng, as the pavilion master of the Pill Pavilion of Chunyang Palace, saw that the female disciple was almost killed. Humiliation, of course, cannot stand idly by.

Swish!

In the face of Yue Feng's scolding, Ye Xingyu's face turned blue and white, and he was angry and nervous. The scandal is caught by others, and no one will be able to calm down.

Chen Shangzhi, who was standing outside the door, was also secretly anxious.

It's over, the plan has been revealed, if the master knows this, I'm afraid that he will be expelled from Tianhaimen.

However, Chen Shangzhi was very cunning. He rolled his eyes, and soon had an idea. He pointed at Yue Feng and shouted, "Wow, thank you for being the Pill Pavilion Master of the Chunyang Palace, to be so shameless. I want to get involved with my female disciples..."

While shouting, Chen Shangzhi came over and whispered to Ye Xingyu: "Don't panic, Senior Brother, he is alone, we are two, we will reason with him. No advantage at all." That's

right!

Ye Xingyu was not stupid either, he immediately understood what Chen Shangzhi meant.

In the next second, Ye Xingyu laughed evilly, pointed at Yue Feng and called: "Yue Feng, don't put on airs with me, you want to insult Junior Sister Hongyu, but our senior brothers caught me, but in turn slandered me?"

The ultimate husband in Chinese chapter 5191-5200

Chapter 5191

“The dignified Chunyang Palace Dan Pavilion Master, but doing this kind of thing, tsk tsk, it’s really thrown into the Chunyang Palace’s face.”

When saying this, Ye Xingyu gave Chen Shangzhi an approving look.

The younger brother is really witty. This move is the first to be strong. I didn’t think of it just now. As long as I agree with the younger brother, even if someone comes, Yue Feng alone can’t argue.

Haha... I

was the perpetrator, but at this moment I turned into a witness, which is really cool.

Nima!

Hearing this, Yue Feng’s face instantly became extremely gloomy. He never thought that Ye Xingyu and Chen Shangzhi would be so sinister and despicable, that the wicked would sue first?

Thinking to himself, Yue Feng said coldly to Ye Xingyu: “You don’t have a lot of blood, you know what’s going on, you know.”

Crash.... As

he was talking, he heard footsteps outside, and then, Deng Shiqi and Ji An elder walked in quickly. Because of the quiet night, the brothers Yue Feng and Ye Xingyu were arguing loudly. Everyone heard the movement and came to check the situation.

At the same time, Xiaorou heard the quarrel and rushed over.

This...

At this moment, everyone was stunned when they saw the situation in the room, and their expressions were extremely complicated.

I saw that Yue Feng was full of anger and was confronting the Ye Xingyu brothers.

On the soft collapse, Jiang Hongyu was lying there with her eyes closed, unconscious, but her face was showing an unusual blush, obviously being drugged.

This chapter is provided by . Visit for daily update.

“what’s the situation?”

“The three men, what are they doing in Jiang Hongyu’s room?”

“Could it be that the three of them are drugging Jiang Hongyu and preparing to...” The discussion kept coming, Ye Xingyu and Chen Shangzhi were a little flustered, but looked at each other. After a glance, he has the confidence again.

The two brothers, who identified Yue Feng together, were afraid of something.

“Sister Hongyu!”

At this moment, Xiaorou reacted, walking quickly to Ruantan, shaking Jiang Hongyu gently, and calling out constantly.

However, at this time, Jiang Hongyu’s body’s medicinal power was attacked, and there was no reaction at all.

Seeing this situation, Deng Shiqi also regained his senses and looked at Yue Feng with complicated eyes: “George Yue, what’s going on?” As he spoke, he looked at the Ye Xingyu brothers subconsciously.

The scene in front of him was so chaotic that even Deng Shiqi couldn’t figure it out for a while.

Yue Feng took a deep breath and was about to open his mouth to explain, but he was interrupted by Chen Shangzhi before he could say a word.

“Sect Master Deng.”

Chen Shangzhi took a step forward, first bowed respectfully at Deng Shiqi, and then said solemnly, “That’s it, my senior brother and I couldn’t sleep at night, so we went out for a walk together, but passed by Senior Sister Hongyu’s. When we heard movement inside the room, we felt curious and called for the door. But there was no answer in the room.”

“Senior brother and I, the more we thought about it, the more we went in.”

“The scene at that time made me Senior Brother and I were shocked. We both clearly saw that while Senior Sister Hongyu was drunk, Yue Feng was pulling on her skirt, trying to forcibly stain her.

”, Senior Sister Hongyu’s innocence is completely ruined.”

When he said this, Chen Shangzhi did not forget to look at Yue Feng with contempt, as if it were true.

“Not bad...”

Ye Xingyu hurriedly answered, “Just now, it was really close, Hongyu was going to be poisoned by him.”

After saying that, Ye Xingyu looked at Yue Feng viciously and shouted angrily: “You really know people, you know your face, you don’t know your heart, Yue Feng, you can’t see that you are honest and honest on the surface, but you are such a person behind your back.”

“You are the pavilion master of the Dan Pavilion, and Hongyu is the elder disciple of the palace master. You are her elder, but you are so bold, and you have done such a thing, and you have lost all the face of Chunyang Palace.” The

words were righteous and could not be refuted.

I have to say that the two brothers cooperated very well. At this time, when they sang together, they only described Yue Feng as a despicable and shameless womanizer.

Chapter 5192

Wow!

The voice fell, everyone was in an uproar, and everyone’s eyes were focused on Yue Feng, which was extremely complicated.

“I didn’t expect that the Pill Pavilion’s pavilion master turned out to be such a person.”

“Yeah, looking at the appearance, it is so dirty in secret ...

“

He whispered, but Deng Shiqi frowned secretly. To be honest, although he didn’t get along with Yue Feng much, he didn’t believe that Yue Feng would be such a person.

“You shut up!”

At this moment, Xiaorou reacted, first looking at Ye Xingyu, then at Chen Shangzhi, and shouted crisply: “Our pavilion master is not such a person, don’t try to slander him.

” At the time, Xiao Rou looked at Yue Feng, her delicate face full of trust.

Since Yue Feng was named the Pavilion Master of the Pill Pavilion, he spent most of his time in the Pill Pavilion. During this period, Xiaorou, as a personal maid and Dan Tong, has been taking care of his diet and daily life.

If Yue Feng was a lecher, he would have been able to resist Xiaorou for a long time, but he never did. On the contrary, he paid great attention to the dislike of men and women.

How could such a decent gentleman sneak into Jiang Hongyu's room in the middle of the night and plot against her?

These Ye Xingyu brothers are obviously slander.

Listening to Xiaorou's shout, the expressions of the people around did not fluctuate in the slightest. You must know that this Xiaorou is Yue Feng's Dan Tong, the person closest to him, and he is very likely to cover up.

Ha ha...

Chen Shangzhi's mind turned fast, and he also thought of this at this time, and immediately smiled coldly: "This little girl, you are Yue Feng's Dan Tong, and you must speak to him." As he spoke

, he admired Xiaorou . That slim figure.

Chunyang Palace is really outstanding. A Jiang Hongyu has already made people fascinated. I didn't expect that the girl Dantong beside Yue Feng was also a proper beauty embryo.

When the words fell, Ye Xingyu nodded and said, "Yes, I even suspect that Yue Feng is going to do something wrong tonight, and you also participated. Maybe, you were outside before, right?"

Shuh!

Hearing this, Xiaorou's delicate face instantly flushed red, and she said shyly and angrily, "You...you are talking nonsense..." She is not yet an adult, and she has only a limited understanding of men's and women's affairs. When faced with such blatant slander from Ye Xingyu brothers, how could he bear it.

Haha...

Seeing Xiaorou's reaction, Ye Xingyu and Chen Shangzhi looked at each other and sneered.

A little girl, dare to fight us? You are still too young.

call!

At this moment, Yue Feng took a deep breath, suppressed the anger in his heart, and said to Deng Shiqi: "Sect Master, these two people are completely confounding right and wrong, the real situation is that Ye Xingyu wants to sully Jiang Hongyu, and his junior brother, It's just outside the door."

"And at the last critical moment, I was interrupted, so I became angry and slandered me in turn."

"I am also the Pill Pavilion Master of Chunyang Palace, how can I do this kind of thing. The thing about self-destructing the festival?" The

words were loud and clear.

This....

At this moment, upon hearing Yue Feng's explanation, Deng Shiqi and the others around him pondered, and the room fell silent.

Especially Deng Shiqi, his brows were furrowed, and it was difficult to make a decision for a while.

Both sides have their own opinions. Who is true and who is false?

"Miss Xiaorou!"

After a few seconds, Deng Shiqi thought of something, took out a jade pendant from his body, handed it to Xiaorou, and instructed: "Put the jade pendant on Hongyu's Qingming point, she will wait for a while. I can wake up."

Deng Shiqi could see that Jiang Hongyu was drugged and could not wake up for a while, but as the head of Beihai Xingsu, he naturally had a unique way.

The jade pendant on his body is carved from ten thousand years of cold jade, and the cold air is overwhelming. As long as a person who is unconscious, puts the jade pendant on the designated acupoint, he will soon wake up.

The reason for this is because Deng Shiqi is really difficult to decide. The only way now is to wake Jiang Hongyu. She is a victim and must know something.

Um!

Xiaorou is well-behaved and clever, she immediately understood what Deng Shiqi meant, and nodded immediately.

Chapter 5193

Afterwards, Xiaorou took the jade pendant, and under Deng Shiqi's instruction, gently placed it on Jiang Hongyu's Qingming point.

For a while, all eyes in the room were staring at Jiang Hongyu, waiting for her reaction.

Oops...

Seeing this scene, Ye Xingyu suddenly became nervous. When Jiang Hongyu woke up, he would definitely not be able to get rid of the suspicion. After all, he just took the initiative to send Jiang Hongyu a sober medicine.

For a time, Ye Xingyu became more flustered the more he thought about it, and he could hardly stand still.

At this moment, Chen Shangzhi walked over slowly, patted Ye Xingyu on the shoulder lightly, and said in a low voice, "Senior brother, don't panic, even if Sister Hongyu wakes up, we will be fine."

"Wait a minute. Just look at me and act."

When he said this, Chen Shangzhi looked confident.

call!

Hearing this, Ye Xingyu breathed a sigh of relief and calmed down. He knew this junior brother too well, and he would not be so confident without full confidence.

"Hmm..."

At this moment, under the influence of Yu Pei's chill, Jiang Hongyu, who had been in a coma, let out a low moan, and Youyou woke up. But the body is still a little soft.

Um?

The moment she opened her eyes, seeing so many people in the room, Jiang Hongyu's delicate body trembled, and she was stunned.

what's the situation? what happened?

The next second, I found that the long skirt on my body had obviously been touched. Jiang Hongyu's face was even redder, and she was also a little angry. Did someone try to do something wrong while I was sleeping?

But fortunately, he was covered with a dress.

At this time, Jiang Hongyu hadn't found out that the clothes covering him belonged to Yue Feng.

Whoa!

Seeing Jiang Hongyu wake up, everyone around was extremely excited. Couldn't help but sigh in admiration.

"Sect Master's jade pendant is really a good thing."

"Yes, Miss Hongyu was in such a serious coma, but under the stimulation of Hanyu, she woke up so quickly."

While everyone was talking, Xiaorou was also full of joy . , and shouted at Jiang Hongyu: "Sister Hongyu, you can be considered awake."

After saying that, Xiaorou pointed at Ye Xingyu two, and continued: "Sister Hongyu, these two people slandered the pavilion master and said he If you try to sully you, you must return the innocence to the pavilion master."

At the end, Xiaorou did not forget to give Ye Xingyu two glances.

In her heart, Yue Feng was a gentleman and would never do such despicable things.

Seeing Xiaorou say this, Ye Xingyu and Chen Shangzhi both sneered.

What?

On the other hand, Jiang Hongyu trembled as she looked at Yue Feng subconsciously, only to feel her brain buzzing.

Yue Feng wants to defile me?

Although he is very informal on weekdays, he is not such a person, but for no reason, why did Ye Xingyu and the two identify him?

"Hongyu."

At this moment, Deng Shiqi took a step forward and asked Jiang Hongyu, "What happened before? Do you still have any impression? Think about it, everyone will decide for you.

" Deng Shiqi didn't want to deal with this kind of thing.

But this is the main altar of Beihai Constellation after all, Jiang Hongyu is really going to have an accident, and Beihai Constellation has an unshirkable responsibility.

Swish!

At this moment, all the eyes in the room focused on Jiang Hongyu.

Huh

Under everyone's attention, Jiang Hongyu let out a light sigh of relief, then put her hand on her forehead and recalled: "After the banquet was over, I went back to my room, and then Senior Brother Xingyu specially brought me sober soup and drank it. After that, I don't know anything."

Shuh!

The moment the words fell, the eyes of the audience suddenly turned to Ye Xingyu, and they secretly guessed in their hearts.

Could it be... is it that Ye Xingyu fainted Jiang Hongyu?

Seeing this situation, Yue Feng showed a smile, the truth is about to be revealed to the public, and he doesn't have to suffer injustice.

Xiaorou was even more excited, pointed at Ye Xingyu and shouted: "It seems that the situation is very obvious, that is, you are unconscious Sister Hongyu, and you want to slander my pavilion master. You are shameless.

"Xiao Rou was very angry, Yue Feng taught her the art of alchemy, so in Xiao Rou's heart, he completely regarded Yue Feng as a benefactor, but now, Yue Feng was slandered by Ye Xingyu, how could he not be angry?"

Chapter 5194 The

voice fell, and everyone looked at Ye Xingyu's eyes and couldn't hide their anger.

Gudong!

Faced with this situation, Ye Xingyu panicked, but he still blushed and argued: "You little girl

, stop talking nonsense here, how could I prescribe medicine for Junior Sister Hongyu?" Jiang Hongyu explained, "Junior Sister Hongyu, after you drank the hangover soup, you lay down and rested. I didn't dare to disturb, so I left." As he

spoke, Ye Xingyu glanced at Chen Shangzhi for help.

As soon as he finished speaking, Chen Shangzhi strode out, nodded and said, "Yes, Senior Sister Hongyu, I can testify that I couldn't sleep at the time. When I was passing

here, I met Senior Brother coming out of your room. If there is a conspiracy, how can I not see it?"

"Afterwards, I went around the neighborhood with my senior brother, and when we came back, we met Yue Feng who was plotting against you."

Ye Xingyu kept nodding his head: "Yes. That's right, that's it."

This....

Hearing this, Jiang Hongyu's delicate face suddenly became confused, and her heart was also a little confused.

Ye Xingyu has Chen Shangzhi to testify, which shows that he is innocent.

Could it be that... Yue Feng is the lecher?

At the same time, everyone around them also looked at each other, the situation became more and more confusing, and for a while, they were all uncertain.

really interesting!

Seeing this situation, Yue Feng couldn't help sneering, and looked at Chen Shangzhi with burning eyes: "You say that there is no evidence, you keep saying that I am trying to defile Jiang Hongyu, what evidence do you have?"

"I don't think you need to help your senior brother to cover up. He sent Jiang Hongyu sober soup before, so he secretly put medicine in the soup, and then took advantage of Jiang Hongyu's unconsciousness, and planned to do something wrong." The

words were loud.

"I..."

Ye Xingyu's face flushed, and he didn't know how to refute for a while, so he could only look at Chen Shangzhi for help.

The younger brother has a quick mind and can only rely on him when it is critical.

Ha ha!

At this moment, Chen Shangzhi looked at Yue Feng with a half-smile but not a smile: "You want evidence, right? Look back and see if the clothes on Senior Sister Hongyu belong to you?"

“You were about to commit violence, and I and I Senior brother broke in, you were very panicked at the time, so you put your clothes on Senior Sister Hongyu, the clothes are evidence, you can’t deny it.” The

last word fell, Chen Shangzhi raised his finger and pointed at Jiang Hongyu’s coat.

Anyway, Jiang Hongyu had already drank the decoction, and there was no trace left. In this case, Yue Feng’s coat was more able to attract everyone’s attention.

Swish.

At the same time, the eyes of everyone present were suddenly focused on Jiang Hongyu.

“This... is really Yue Feng’s clothes.”

“I didn’t pay attention to it just now.”

“According to this, the truth is revealed? Yue Feng is the liar.”

Everyone whispered, looking at Yue Feng’s eyes, They couldn’t hide their disappointment. In their hearts, the evidence was solid at this time, and the person who really wanted to sully Jiang Hongyu was undoubtedly Yue Feng.

This...

for a time, Xiaorou’s delicate body trembled, and her mind was clouded.

How could this be? The pavilion master is not such a person.

Yue Feng was also stunned. He never thought that Chen Shangzhi was so cunning to make a fuss on his jacket. When she came in just now, she saw Jiang Hongyu had nothing to hide, so she instinctively took off her coat and covered her, but she didn’t expect it to become evidence in the end.

“Hongyu!”

Depressed, Yue Feng took a deep breath and began to explain to Jiang Hongyu: “This coat belongs to me, just now...”

Just before he finished speaking, Jiang Hongyu was full of shame and anger, and her hands were fierce. He lifted up and slapped him hard.

Snapped!

With this slap, Jiang Hongyu almost used all her strength, and she heard a crisp sound, and the whole room was instantly silent.

“You...you go out.” Jiang Hongyu was very embarrassed at this time. Looking at Yue Feng’s eyes, she couldn’t hide her disgust and disappointment, and said coldly: “I don’t want to see you.”

Like everyone else , Jiang Hongyu didn’t believe it was Yue Feng at first, but he was covered with his coat, the evidence was conclusive, and he didn’t want to doubt it.

Chapter 5195

“Good fight!”

Seeing this scene, Ye Xingyu couldn’t be more excited, and hurriedly shouted: “Junior Sister Hongyu, such a shameless person must be taught a lesson.” When he spoke, his heart was also very happy.

At the same time, he did not forget to look at Chen Shangzhi approvingly.

Haha... As expected, the younger brother is still witty. With only one coat, Yue Feng is left speechless.

Chen Shangzhi was also full of smiles. The next second, Chen Shangzhi

took a hypocritical step forward and said to Jiang Hongyu, “Senior Sister Hongyu, do you want me and my brother to vent your anger and teach this Yue Feng a lesson?”

Looking at Yue Feng, he couldn’t hide his contempt.

You have no strength at all, how dare you fight with us? Looking for death.

However, at this time, Jiang Hongyu was irritable and shook her head: “You all go out, I want to be alone.” During this period of time, she started hating Yue Feng, and gradually turned into respect and admiration.

And tonight, knowing that she was almost tainted by Yue Feng, Jiang Hongyu’s affection for him disappeared instantly.

This kind of gap in the heart, anyone else would not be able to accept it.

Yue Feng covered his face, not knowing whether to laugh or cry, so he turned and walked out of the room. He knew that Jiang Hongyu was very upset now, and in this case, it was useless to explain.

Huh....

Seeing this scene, everyone around was silent.

Deng Shiqi looked at the back of Yue Feng leaving, shook his head secretly, and then greeted everyone to leave.

Now that the truth is revealed, there is no need to stay. After all, Yue Feng is the Pill Pavilion Master of Chunyang Palace and has a special status. Even Deng Shiqi did not do his best to deal with him.

After returning to the room, Yue Feng continued to meditate cross-legged.

Squeak!

At this moment, Xiaorou pushed the door and walked in, her delicate face was full of complexity: "Pavilion Master, what the hell is going on?"

Until now, she still doesn't believe that Yue Feng is a daring womanizer. .

Yue Feng smiled bitterly and said slowly, "I've already told you what happened, don't you believe me?" With that, Yue Feng explained the details of how to take off his jacket and cover Jiang Hongyu.

"So it is."

Knowing the details, Xiaorou stomped her feet angrily: "Ye Xingyu and Chen Shangzhi, it's really abominable, they are clearly plotting against Sister Hongyu, but they keep slandering you, the pavilion master."

"No way. , I must go and make it clear with Sister Hongyu." After

speaking, Xiaorou was about to push the door and go out. But it was stopped by Yue Feng.

"Forget it!"

Yue Feng took a deep breath, shook his head and said, "She's upset right now, and you're useless in the past. The truth will come in broad daylight sooner or later, don't worry."

"It's getting late, you should rest quickly. Right."

Seeing him say that, Xiaorou could only resist the urge in her heart and nodded.

Early the next morning, Jiang Hongyu took the first step and returned to Chunyang Palace, apparently because of what happened last night and did not want to go with Yue Feng.

This made Yue Feng very helpless.

What made Yue Feng speechless was that when the news of last night spread, the entire Beihai Constellation believed that Yue Feng was one of the ten lechers.

However, Yue Feng was too lazy to explain, greeted Xiaorou, and began to return to Chunyang Palace.

Swish...

Just after leaving the boundary of the Beihai Constellation General Altar, two figures suddenly appeared on the mountain road ahead, blocking the way.

The two sneered, it was Ye Xingyu and Chen Shangzhi.

What are these two idiots going to do?

Seeing them, Yue Feng frowned and said angrily, "You two, what do you mean?" Yue Feng was still on fire last night, and when he saw them again, he naturally didn't look good.

Xiaorou next to her was also full of vigilance.

Hehe...

Chen Shangzhi sneered and took the lead: "Yue Feng, what happened last night, don't think Jiang Hong won't be held accountable, it's over, we all feel that you are such a scum from the three major sects. Shame ." The

voice fell, Ye Xingyu took a step forward and said coldly: "Yes, my two brothers and sisters made a special trip to wait here and teach you a good lesson."

The ultimate husband in Chinese chapter 5196-5200

Chapter 5196

Although he successfully slandered Yue Feng last night, Ye Xingyu still felt uneasy. After discussing it with Chen Shangzhi this morning, he intercepted Yue Feng on the way and planned to teach him a lesson and export his anger.

Seeing their appearance, Yue Feng smirked.

Do these two really think I'm being bullied?

Thinking to himself, Yue Feng said lightly, "What do you guys think?"

Hehe!

When the words fell, Ye Xingyu sneered, unable to hide his arrogance: "How is it? Jiang Hongyu and I were childhood sweethearts, but last night, they were almost tainted by you, how could I easily spare you?"

" You escaped the disaster, but at this moment, hehe, you are not so lucky."

When he said this, Ye Xingyu's face was gloomy, he said it well, because Deng Shiqi was present yesterday, it was really difficult to teach Yue Feng a lesson, but Now that he has left the area of the Beihai Constellation General Altar, he has no worries.

A fool.

In the face of Ye Xingyu's arrogance, Yue Feng scolded inwardly and said lightly: "What is the truth, you and I both know in my heart, you people from Tianhaimen like to confuse black and white and do such despicable things?" The

voice fell. , Xiaorou on the side couldn't help but said loudly: "Ye Xingyu, don't spray people with blood, you are the one who drugged Sister Hongyu last night, and you are the one who wants to do bad things."

"And you slandered my family. Pavilion Master, you are really shameless, wait, when I return to Chunyang Palace, I will tell Sister Hongyu the truth and let her see who you are."

When she said these words, even though Xiaorou Yufeng was not very Sharp, but also awe-inspiring, irrefutable.

Swish!

Hearing this, Ye Xingyu's face instantly turned gloomy, and he glared at Xiaorou fiercely: "Damn girl, dare to talk to me like this, and when I finish teaching Yue Feng, I will take care of you.

This chapter is provided by . Visit for daily update.

" Senior brother, his status is extraordinary, and Xiaorou in front of him is just a little dan boy in Chunyang Palace. He dares to insult himself like this, he can't bear it.

Huh ..

Aware of the cruelty in Ye Xingyu's eyes, Xiaorou was very flustered and quickly hid behind Yue Feng. Yue Feng frowned, very unhappy in his heart, and said

coldly to Ye Xingyu: “Are you all that good at it? To frighten a little girl, if you have anything, come at me.”

He turned his head towards Xiaorou and said in a low voice, “Wait a minute, run away, and I’ll deal with these two.”

At this time, Yue Feng was already angry, you know, what happened last night made him feel Holding back the fire, seeing Ye Xingyu and the two actually intercepted them halfway, the anger in my heart couldn’t be suppressed immediately.

Although they did not return to their peak state, it was a piece of cake to deal with Ye Xingyu and the two.

“Pavilion Master!”

Hearing this, Xiao Rou was worried, and pulled Yue Feng’s arm tightly: “I won’t leave, I want to be with you, they are not easy to deal with.” The

Pavilion Master has no strength at all. No, how are Ye Xingyu’s opponents?

Xiaorou has thought about it, and when the fight starts, she will block in front of Yue Feng, try her best to hold back Ye Xingyu and the two, and then give Yue Feng a chance to escape.

Although Xiao Rou is a Dan child, she grew up in Chunyang Palace, and her cultivation realm has reached the level of an elite disciple.

Silly girl!

Seeing the determination in Xiaorou’s eyes, Yue Feng couldn’t help showing a smile, and his heart was also warm.

The conversation between the two was very low, but it was not far away, so Ye Xingyu and Chen Shangzhi could hear them clearly.

Haha...

For a while, the two looked at each other and laughed, and couldn’t help taunting Yue Feng.

“Just you, want to deal with the two of us?” Ye Xingyu couldn’t help mocking: “Looking at your physique, apart from alchemy, I’m afraid you can’t lift a bucket of water.” The

words were full of contempt.

At the same time, Chen Shangzhi sneered again and again, and then said to Ye Xingyu: "Elder brother, I will leave this Yue Feng to you later, this little girl, let me deal with it."
As

he said, Chen Shangzhi put away After his usual honest and honest appearance, a pair of eyes scrutinized Xiaorou unscrupulously.

Tsk tsk.. This girl's film looks quite tasty.

When he was at the Beihai Constellation General Altar before, Chen Shangzhi never had the opportunity to observe Xiaorou carefully, but at this moment, his eyes became straight when he admired it up close.

Xiaorou is still young, not yet eighteen years old. She is not as sexy and charming as Jiang Hongyu, but she is also slim. At this time, she is wearing a light pink short skirt, which is indescribably bright and moving.

Chapter 5197

is like a bud that is about to bloom, it provokes reverie, and there is an urge to pick it up.

"Okay!"

How could Ye Xingyu not know what Chen Shangzhi was thinking, and immediately nodded with a smile: "This girl looks like a beautiful girl. When the younger brother starts, you have to be anxious to pity the fragrance and cherish the jade."

Anyway, it has already been torn apart. Broken face, there is nothing to worry about.

"Hey!" Chen Shangzhi smiled evilly, nodded and said, "That's natural."

Shuh!

Seeing that the more they talked, the more explicit they were, and they were completely in control of the situation, Yue Feng frowned and his pupils contracted slightly.

And Xiaorou felt Chen Shangzhi's arrogant gaze, and her heart was also indescribably disgusted, her face flushed, and she couldn't help shouting: "You two don't go too far, don't forget, our Chunyang Palace and you Heavenly Haimen, or the Alliance."

"If you do this, you won't be afraid to go back and be punished?"

Punishment?

Hearing this, Ye Xingyu and the two smiled even more.

Immediately, Chen Shangzhi said slowly: "Little girl, your pavilion master almost defiled Jiang Hongyu last night, and everyone in the North Sea Stars knows that, no matter if it's true or not, he has lost all the face of your Chunyang Palace. Allied disciples, it doesn't hurt to help Chunyang Palace teach him a lesson."

"If you don't believe it, you can try it, go back to Chunyang Palace and tell what you know, and see at the end that they believe you. Well, still believe us..."

When he said this, Chen Shangzhi's face was full of sinister and cunning.

"you..."

At this moment, Xiaorou's delicate body trembled, her heart pounded with anger, and her delicate face flushed red, but she was speechless to refute.

Because Chen Shangzhi said it well, Xiaorou has a humble position in Chunyang Palace, just a little Dan Tong, her words are hardly convincing.

However, in a hurry, Xiaorou also gave it up, pulled out the sword on her body, and her eyes were full of determination: "Whatever you do, anyway, with me here, none of you want to hurt the pavilion master." The

last one As the words fell, Xiaorou drew out her long sword, and posed a sword trick.

Haha...

However, Xiao Rou's appearance, in the eyes of Ye Xingyu and the two, was a fearless resistance, and the acquaintance laughed at that time.

"Interesting, a little Dan Tong, dare to fight with us?"

"Little girl has a very strong personality..."

Listening to the mockery of the two, Xiaorou bit her lip tightly and did not respond, but with a determined expression, There was no intention of going back.

Silly girl.

Seeing this situation, Yue Feng was moved beyond words, and immediately shouted at Ye Xingyu: "Two big men, humiliating a little girl, is this the recuperation of Tianhaimen disciples? Tsk tsk, today is really insightful. It's here."

When he said this, Yue Feng's face was full of contempt, and at the same time he pulled Xiaorou behind him: "Listen to me, don't act rashly."

Xiaorou's strength is too shallow, and she is not the opponent of these two at all. Only to be humiliated in vain.

"Pavilion Master..." Xiaorou suddenly became anxious: "But you have no strength, I can protect you..." In the past half month, Yue Feng has taught so many alchemy recipes, Xiaorou Soft heart is grateful, this is the time to repay, how can I miss it?

However, Yue Feng's face was resolute: "I am the pavilion master, listen to me, this is an order." The

voice was not loud, but there was an unquestionable majesty.

call!

Feeling the aura of Yue Feng, Xiao Rou was in a trance for a moment. The pavilion master has no strength, but he can actually exude such a powerful aura.

In a trance, Xiaorou nodded.

Mad!

Seeing Yue Feng at this time, he dared to speak out and mock, Ye Xingyu and Chen Shangzhi were both angry in an instant.

The next second, Ye Xingyu's eyes were full of contempt, and he retorted: "It's really interesting, you are the pavilion master of Dan Pavilion, but you need a girl to protect you. I'll be ashamed for you, and have the face to talk about us?"

"Chen Shangzhi, who couldn't wait, couldn't bear it any longer, and shouted: "Senior brother, don't talk nonsense with him, let's do it."

Whoosh!

The voice fell, Chen Shangzhi's eyes locked on Xiaorou tightly, and the figure burst out.

Chapter 5198

Ye Xingyu responded and pulled out his long sword.

hum!

In the next second, Ye Xingyu's inner strength exploded and rushed towards Yue Feng, his eyes couldn't hide his pride: "Yue Feng, if you don't want to be abolished by me, just kneel down and call Grandpa."

At this time, Ye Xingyu was full of yin Ruthless, this time, I must teach Yue Feng a good lesson, let him know, and provoke the fate of his own woman.

In his heart, Yue Feng didn't have the slightest strength, there was a little girl beside him, she was completely meat on the chopping board, and he could torture him as much as he wanted to.

Haha...

Looking at Ye Xingyu rushing up, Yue Feng said with an indifferent expression, "What did you say? Are you going to call my grandfather?"

Hearing this answer, Ye Xingyu became furious: "You are looking for death!"

Even at this time, you dare to talk back, what is not courting death?

In anger, Ye Xingyu accelerated.

At this time, Chen Shangzhi, who was the first to do it, had already rushed to the front. In a hurry, Xiaorou just held the long sword tightly and fought fiercely with Chen Shangzhi.

Dangdangdang...

The long swords of the two kept colliding, sending out bursts of crispness, and she saw Xiaorou biting her lip and being forced to retreat again and again.

Although Xiaorou's strength has reached the level of an elite disciple, she is not Chen Shangzhi's opponent. After all, Chen Shangzhi is a leader among the younger generation in Tianhaimen.

"I'll take off your hand first."

At this moment, Ye Xingyu rushed to the front, screamed viciously, and the long sword in his hand drew a cold light, and slashed directly at Yue Feng's arm.

"Ouch!"

Seeing that his arm was about to be cut off, Yue Feng made a panicked look, shouted, turned and ran into the woods behind him.

To be honest, with Yue Feng's current strength, it only takes one move to subdue Ye Xingyu, but if he does this, the fact that he is cultivating will not be concealed.

When arguing with Ye Xingyu just now, Yue Feng quietly observed the surroundings and decided to trap the two people in the woods not far away.

run?

Seeing Yue Feng turn around and run away, Ye Xingyu felt even more contemptuous in his heart. He shouted at that time and chased after him. At the same time, the long sword in his hand once again burst into a shock, pointing directly at the back of Yue Feng's heart.

With this sword, Ye Xingyu burst into eight levels of skill, and he was very confident that even if he couldn't kill Yue Feng, he could still injure him.

However, what he didn't expect was that Yue Feng seemed to have eyes behind him. He did not wait for the long sword to pierce his body, and his body flickered to the side. He didn't stop at all, and continued to flee towards the woods.

Mad!

For a time, Ye Xingyu was furious. Yue Feng was so lucky that he avoided his own sword.

Just as he shook his head, he saw that Yue Feng had rushed into the woods.

After entering the woods, Yue Feng pretended to be very nervous and shouted: "Aiya, Ye Xingyu, you have a very bad heart, you say you want to teach me a lesson, but you want my life in your heart, fortunately, I flashed quickly just now, Otherwise, you will kill him with a single sword." As he

spoke, Yue Feng looked around, pretending to be looking for a place to hide, but secretly broke some small trees with the thickness of his arms.

Haha..

Seeing Yue Feng's nervous expression, Ye Xingyu grinned, his face grim: "What if I killed you? Anyway, no one knows about the barren mountains and mountains here."

"After killing you, we are brothers who enjoy your little Dantong, and then send her on the road. After Chunyang Palace investigates, there is no evidence of death, and they will only think that you have encountered robbers on the way."

As he said, Ye Xingyu Holding the long sword tightly, he rushed in directly.

Whoops!

Seeing him rushing into the woods, Yue Feng pretended to be very flustered and shouted, then turned to dodge.

While dodging, Yue Feng continued to break the small tree, which seemed to be accidentally broken, but in fact, Yue Feng had unknowingly deployed a formation.

Ye Xingyu didn't take Yue Feng seriously at first, and even planned to subdue him within three moves, but gradually, he felt that something was wrong.

It was clear that Yue Feng was just a few meters ahead, but no matter how fast Ye Xingyu accelerated, he could never catch up.

Chapter 5199

Mad!

For a time, Ye Xingyu was shocked and angry, and there was some doubts in his heart.

What a hell, this kid obviously has no strength, but why can't he catch up?

At this time, Ye Xingyu didn't know that he was trapped in the formation by Yue Feng.

Bang Bang Bang...

And outside the woods, Chen Shangzhi was still fighting with Xiaorou, but in fact, it was Chen Shangzhi who was teasing Xiaorou all the time. He was much stronger than Xiaorou, and he was not in a hurry Uniform, but admiring Xiaorou's posture while fighting each other.

"Little girl's swordsmanship is good...but unfortunately, there is no threat to me."

"Hee hee, why don't you give up resistance... wait for me later, I will teach you powerful swordsmanship... ."

Facing Chen Shangzhi's constant ridicule, Xiaorou was anxious and angry, but she couldn't get rid of Chen Shangzhi.

The more anxious Xiao Rou is, the more excited Chen Shangzhi is.

"Junior Brother!"

However, just when Chen Shangzhi was about to go further, he suddenly heard Ye Xingyu's anxious cry from the woods: "Come here and help, this Yue Feng is a bit evil."

There was anger in his voice.

what's the situation?

Hearing the shout, Chen Shangzhi frowned, Senior Brother wouldn't be able to win even an uncultivated person, right?

Muttering in his heart, Chen Shangzhi turned his head to look subconsciously, and was stunned when he saw it.

At the same time, Xiaorou also looked into the woods, and in an instant, her delicate body trembled, her eyes widened, and her mind went blank.

In the woods, Ye Xingyu and Yue Feng were clearly not far away, but for some reason, Ye Xingyu couldn't catch him, as if there was an invisible barrier between them.

"Senior brother!" In the

next second, Chen Shangzhi reacted and couldn't help shouting: "What are you doing, this kid has no strength at all, how did you catch it so hard?"

Ye Xingyu was embarrassed and depressed again, said angrily: "Nonsense, I said it all, this kid is very evil, come and help me."

When he said this, Ye Xingyu was very angry.

The dignified Tianhaimen disciple can't even catch a single strength. It would be too embarrassing to spread this out.

It's really troublesome....

Hearing this, Chen Shangzhi was very depressed, the little beauty in front of him was exhausted, and he could take it down with a few more moves, but at this juncture, Ye Xingyu asked him to help, I was immediately conflicted.

But the other party is a senior brother after all, and Chen Shangzhi is not easy to refuse.

"Little beauty, let's continue playing later." Chen Shangzhi said at Xiaorou with a smile, then turned and rushed into the woods.

Seeing this, Xiaorou suddenly became anxious.

The two of these four brothers went together, the pavilion master must be more fortunate than fortunate.

"Pavilion Master!"

Thinking to herself, Xiao Rou shouted at Yue Feng in the woods, "I'll help you." With that, she clenched her sword tightly, ready to rush in to help.

However, he was stopped by Yue Feng before he took a few steps.

“Little Rou.”

At this time, Yue Feng’s face was solemn: “Don’t come in, I will deal with the two of them, you hurry up and go back to Chunyang Palace first.” The formation has been deployed, and it is more than enough to trap Ye Xingyu two, and Xiaorou is not needed at all. help.

Moreover, when Yue Feng is ready to use his own methods to teach the two brothers a lesson, in order to avoid exposure of their identities, it is better for Xiaorou to avoid them.

“I...”

Hearing this, Xiaorou bit her lip tightly and hesitated: “I’m not leaving, Pavilion Master, I want to be with you.”

In her heart, she didn’t think Yue Feng could deal with Ye Xingyu and the two. .

Ugh!

Yue Feng sighed, not knowing whether to laugh or cry, but he still said with a straight face: “What? I don’t listen to what I said? Hurry up, otherwise, you will not be allowed to enter the Pill Pavilion in the future.”

Seeing that Yue Feng was a little angry, Xiaorou’s delicate body trembled, and then she nodded: “Pavilion Master, you must be careful, I am the Chunyang Palace to rescue soldiers now.”

After saying this, Xiaorou gave Yue Feng a deep look, and then she was reluctant to part. Leave.

Mad!

Seeing Xiaorou leave, Chen Shangzhi suddenly became anxious, glared at Yue Feng and shouted, “You are alone, and you still want to deal with me and the big brother? I will call you later, you can’t survive, you can’t die.”

Chapter 5200 The

last word fell, and Chen Shangzhi rushed directly into the formation deployed by Yue Feng.

Chen Shangzhi thought about it, first help Ye Xingyu catch Yue Feng, and then go after Xiaorou. After all, Yue Feng has no strength at all, so it is easy to deal with.

However he was wrong.

What's up with Madd?

After entering the formation, Chen Shangzhi was secretly shocked. He clearly felt that the trees in front of him seemed to be moving. No matter how fast he accelerated, there were always a few trees standing between him and Yue Feng.

“Senior Brother!”

In shock, Chen Shangzhi couldn't help but asked Ye Xingyu who was not far away:
“What's going on? Why are these trees around so strange?”

“I know so?” Holding back the fire, he said angrily, “If it weren't for the evil trees around me, would I need you to come in and help?”

For a while, the two brothers tried to surround Yue Feng while talking, but what made them depressed was that no matter what How tacit understanding the two cooperated, they were always a few meters away from Yue Feng.

At this time, Ye Xingyu and Chen Shangzhi didn't know that they were trapped in a 'four images and five elements' formation. This formation seemed simple. Otherwise, don't even think about it for the rest of your life.

Hehe...

Seeing the annoyed look of the two, Yue Feng showed a smile, and his mood was indescribably smooth.

These two idiots, don't they know they're trapped?

Thinking of this, Yue Feng walked out of the formation slowly, and laughed and mocked at Ye Xingyu: “This is the strength of your Tianhaimen? It doesn't look very good.”

“I can't even catch a person without strength, you What's the use?”

While saying this, Yue Feng was sitting on a stone outside the woods with a leisurely look, Xiaorou should have gone far now, no worries, just play with these two people.

Mad!

Ye Xingyu and the two were originally in a irritable mood, but when they heard Yue Feng's mockery, they became even more angry.

“You kid is courting death.” Ye Xingyu roared and was about to rush out of the formation, but he tried several times and failed.

Chen Shangzhi calmed down, he realized something quickly, and shouted at Ye Xingyu: "Senior brother, no, this kid should have arranged a formation to trap us."

Don't look at Chen Shangzhi's youth, but he has a quick mind. Immediately guessed the formation.

Formation?

Hearing this, Ye Xingyu was stunned for a moment, and then his face was full of disbelief: "This Yue Feng can form formations, it is impossible." How could a person with no cultivation strength be able to form formations?

Haha...

Seeing this scene, Yue Feng couldn't be more happy, Ye Xingyu, this idiot, has been trapped in the formation for a long time.

Thinking to himself, Yue Feng was about to mock a few words before leaving.

These two brothers, one is despicable and shameless, and whether they can break the formation depends on their own fortunes.

Shasha...

But at this moment, there was a sudden sound of footsteps on the mountain road not far away. It doesn't sound light, it's fast, and it's more than one person.

In this barren mountain, is there anyone else coming?

Yue Feng frowned, and immediately turned his head to look, and was stunned by this look.

I saw six slim figures coming quickly. It was obviously six women, but their faces were covered with black veils, and they were wearing uniform black tights, revealing their charming curves.

In addition, there are cloaks on the backs of the shoulders, giving people a heroic and sassy feeling, but everyone is filled with a suffocating aura that strangers should not enter.

Although there was a veil, Yue Feng could feel that the six girls were not big, and they were all beautiful women.

People from Nianhua Palace?

In the blink of an eye, the six women arrived, and at this moment, Yue Feng was stunned when he saw the sign at their neckline, because this sign had been seen on that Xu Wenliang before.

“Liu Jian Ji of Nianhua Palace?”

“Broken...”

At the same time, the two Ye Xingyu, who were trapped in the formation, were stunned when they saw the six women appearing, and then said subconsciously. the identity of the opponent.

The ultimate husband in Chinese chapter 5201-5210

Chapter 5201

Ye Xingyu and Chen Shangzhi, who have been wandering around in the arena in recent years, immediately recognized that the six women in front of them were Liu Jianji of Nianhua Palace.

Nianhua Palace is both righteous and evil, and Ye Xingyu once had an experience in the rivers and lakes half a year ago, and he had a festival with the disciples of Nianhua Palace, so when he saw Liu Jian Ji at this time, he was very flustered.

To be honest, Ye Xingyu would never panic if he met an ordinary disciple of Nianhua Palace, but the Six Sword Princesses in front of him were very ordinary people.

They are all direct disciples of the Palace Master of Nianhua Palace. Each of them is excellent in swordsmanship. Any one person can set off a bloody storm on the rivers and lakes. The combination of the six swordsmen is even more amazing.

It is rumored that Liu Jian Ji will be a sword formation that has been lost for nearly a thousand years, called the 'Six Dao Zhuxian Sword Formation'. Once the sword formation is formed, no matter how strong the enemy is, they will obediently be captured without a solution.

A year ago, the deputy sect master of Shendiaomen had a fight with Liu Jianji because of an ancient tomb fight. At that time, he was trapped by the Six Dao Zhuxian Sword Formation. He was trapped for a day and a night. Finally, Shendiaomen The deputy head of the sect had no choice but to admit defeat. At that time, that incident almost caused a sensation in the whole arena.

At this time, Ye Xingyu was trapped in the woods and couldn't get out, but he met Liu Jianji again, how could he not panic?

People from Nianhua Palace?

Hearing the exclamations of the two brothers in the woods, Yue Feng frowned and couldn't help standing up.

This place is so remote, what do people from Nianhua Palace come to do?

Thinking about it in his heart, Yue Feng couldn't help looking at Liu Jianji, secretly admiring that these six women seem to be young, but their strength is not weak.

Moreover, judging from the reactions of Ye Xingyu and the two, their status in Nianhua Palace does not seem to be low.

swoosh swish....

Just when Yue Feng was muttering secretly, Liu Jianji had already arrived. The next second, the leading eldest sister, Rumeng

, took out a portrait from her body, compared it with Yue Feng, and said coldly, "It should be him."

This chapter is provided by . Visit for daily update.

The door was brought up and given a unified name, the eldest sister was named Rumeng.

Whoa!

As soon as Rumeng's voice fell, the five sisters behind him drew out their long swords and directly surrounded Yue Feng.

Nima, what's going on?

Yue Feng frowned, and at the same time glanced at the portrait in Rumeng's hand, and saw a portrait of a man with facial features very similar to himself.

Not only that, the word 'Yue Feng' is also written under the portrait.

Obviously, Liu Jianji suddenly appeared, just running towards Yue Feng.

Noticing this, Yue Feng frowned secretly, what did Liujian Ji of Nianhua Palace want me to do? Could it be that the matter of killing Xu Wenliang by himself was found out by the Nianhua Palace?

No, when Xu Wenliang was killed, the place was very remote, almost inaccessible, and no one around saw it, it was impossible to find out the Nianhua Palace. Thinking to himself, Yue Feng made a very frightened

look and said with a smile: "Several sisters, what are you doing? Have you recognized the wrong person?"

A calm attitude.

Huh...

Six Sword Princesses are all sober and arrogant women. At this time, they were a little unhappy when they heard Yue Feng's name.

The next second, the second sister Ruyan took a step forward and pointed at Yue Feng with a long sword in her hand: "You are Yue Feng, the master of the Pill Pavilion of the Chunyang Palace?" The tone was cold, unable to hide the hostility.

Before Yue Feng could answer, the third sister Ruxue next to him couldn't help but said coldly: "Our junior brother Xu Wenliang died tragically in the wilderness, does it have anything to do with you?"

Yes, Liu Jianji came to look for Yue Feng, just to Xu Wenliang's tragic death.

Two days ago, Nianhua Palace and Xu Wenliang lost contact. At that time, the head was very anxious, so he sent people to check the news. After a day's search, he finally found the dead Xu Wenliang in the wild jungle.

Xu Wenliang was the head's beloved disciple, but suddenly died tragically. At that time, both the head and Liu Jianji were full of grief and indignation. Afterwards, under the anger of the head, he sent people to investigate the news on the rivers and lakes in an attempt to find out the cause of Xu Wenliang's death.

I have to say that the Nianhua Palace is very efficient. In less than half a day, it was found out that Xu Wenliang had been with the Saintess Leng Yue of the Red Clothes Sect and the Pill Pavilion Master of the Chunyang Palace before his death.

Chapter 5202

After learning about the situation, the head did not hesitate at all, and immediately dispatched Liu Jianji to go down the mountain to arrest Yue Feng.

After Liujianji went down the mountain, she kept investigating Yue Feng's whereabouts, and finally learned that Yue Feng was in Beihai Xingsu, so the six sisters rushed over immediately.

Because they had never seen Yue Feng before, the six sisters caught a person who had seen Yue Feng before and painted a portrait.

call!

At this moment, in the face of Liu Jianji's questioning, Yue Feng secretly exhaled, and he really came for Xu Wenliang.

However... these six women don't seem to know themselves, so don't panic.

Haha...

Seeing this scene, the two Ye Xingyu, who were trapped in the woods, both gloated.

This Yue Feng can really kill him, and he actually provokes the Nianhua Palace. Now he is being troubled by Liujian Ji, he really deserves it.

At this moment, Yue Feng came to his senses and waved his hands at Rumeng, who was in the lead: "Several sisters, you have mistaken people, what am I, the pavilion master of Dan Pavilion? I am just an ordinary person passing by. Trouble Several elder sisters put away their swords and looked very scary."

When he said this, Yue Feng looked very panicked.

Passing by?

Hearing this, eldest sister Rumeng frowned and took out the portrait again to compare: "You are almost exactly the same as the picture, and you still want to lie to us?" The

voice fell, and Ruxue also said: "Eldest sister, Stop talking nonsense with him, this person looks cunning at first glance, arrest him first."

Om!

The last word fell, Ruxue put away the long sword, raised her jade hand, and hit Yue Feng with a palm.

Damn, these women act so ruthlessly? Do you want to do it?

Seeing Ruxue's palm coming, Yue Feng hurriedly took two steps back and shouted in astonishment: "Oh, sisters, I'm really not the person you're looking for, how can I do it?"

The person you are looking for, since he is the pavilion owner, must be strong. I have no strength at all, so you must have mistaken the person."

Yue Feng could see that the other party didn't know him, so he wanted to confuse him with a few words. past.

Swish!

Hearing this, Ruxue immediately withdrew her palm, and Xiumei frowned.

At the same time, Rumeng's face became solemn, and he looked at Yue Feng again, and his heart became complicated, yes, this person in front of him has no strength at all, how could it be the Pill Pavilion Pavilion Master?

Liu Jianji didn't know much about Yue Feng's affairs, and subconsciously believed that the strength of the person who could be the master of the Pill Pavilion would not be too bad.

Haha...

Seeing them hesitating, Yue Feng was very excited. These six women are not weak, but their minds are so simple. If they just say a few words, they won't be able to pay attention.

However, the conversation between Yue Feng and Liu Jianji, the brothers Ye Xingyu, could hear clearly.

Mad!

Seeing Yue Feng deny his identity at this time, Ye Xingyu was annoyed and contemptuous.

"Several!" In the

next second, Ye Xingyu couldn't help shouting at Liu Jianji: "Don't listen to his nonsense, he is the Pill Pavilion Master of Chunyang Palace, and he didn't pass by at all.

", Ye Xingyu stared at Yue Feng, unable to hide his anger.

As soon as the words fell, Chen Shangzhi also shouted: "Yes, he is Yue Feng, this person is cunning and despicable, you must be careful." Originally thought that Yue Feng was easy to deal with, but after the situation just now, Chen Shangzhi realized, this Pill Pavilion Master is far more cunning than he imagined.

What annoyed Chen Shangzhi even more was that it was just a forest, and he and his senior brother could never get out. It was a ghost.

Swish!

Hearing the words of the brothers and sisters, Liu Jianji was shocked, and all eyes locked on Yue Feng.

This person is really cunning, and he almost cheated him just now.

Nima!

Seeing this situation, Yue Feng secretly complained in his heart. Just now, he just wanted to get through the border, but he forgot that Ye Xingyu and Ye Xingyu were still locked in the woods not far away.

However, when his identity was exposed, Yue Feng was not at all flustered.

The Six Swords Princess in front of her, although her strength is tyrannical, in Yue Feng's eyes, there is no threat at all.

Chapter 5203

After surrounding Yue Feng again, Liu Jianji was not in a hurry. "A disciple of Tianhaimen

." At this moment, Rumeng's eyes flickered, first looking at Ye Xingyu, and then at Chen Shangzhi: "You said he is the Pill Pavilion Master?"

aura.

"Not bad." Ye Xingyu nodded without thinking.

Rumeng snorted and said coldly, "Why should I trust you?" Nianhuagong had a festival with Tianhaimen, and she didn't believe that Li Xingyu would help her.

What's more, Chunyang Palace and Tianhaimen are the three major sects side by side, and they have been allies for a hundred years. Under such circumstances, how could Ye Xingyu betray the people of the alliance?

As the eldest sister of Liu Jianji, Ru Meng acted very cautiously. At this time, she thought that Ye Xingyu was deliberately confusing the public to protect Yue Feng.

Whoa!

The voice fell, and the other five sword princesses around also spoke.

"Big sister is right, why do we believe you?"

"You Tianhaimen and Chunyang Palace are allies, will you help us identify Yue Feng?"

"That is, if you say he is Yue Feng, he may be fake. "

Originally, Liu Jianji believed that the person in front of him was Yue Feng, but when he heard Ye Xingyu say this, he suddenly began to doubt.

Just like Rumeng, the surrounding five sword princesses also believed that the disciples of Tianhaimen could not betray the alliance.

Haha....

Yue Feng was overjoyed to see this scene.

Ye Xingyu still wanted to use Liu Jianji to deal with me, but he probably never thought of it, and it would be self-defeating in the end.

Thinking to himself, Yue Feng smiled at Rumeng and said, "Well, sisters, since I'm sure I'm not Yue Feng, then I'll leave."

"I'm a nearby mountaineer, my family. I'm still waiting for me to go back."

After saying the last sentence, Yue Feng turned around and was about to leave.

Liu Jianji looked at each other in dismay, and didn't mean to stop.

Mad!

Seeing this situation, both Ye Xingyu and Chen Shangzhi were too anxious.

In a hurry, Chen Shangzhi couldn't help but shouted: "Six sword princesses, he is really Yue Feng, and my brother and I said no lie."

"We were both used by him. He's trapped here, stop him quickly."

When he said this, Chen Shangzhi's eyes were full of urgency, and at the same time he was a little annoyed.

Not only did they fail to catch Yue Feng, but they were also trapped by his formation, which was already embarrassing enough. If they let him get away from under the nose, it would really be a disrepute.

Huh...

Hearing these words, Liu Jian Ji looked at each other, each with a solemn expression.

The next second, the eldest sister Ru Mengjiao shouted: "Sisters, stop him." The voice fell, and the figure on the toes rose up, directly blocking Yue Feng's way.

Swish...

At the same time, the other five sword princesses also urged their figures to block all the retreats of Yue Feng.

Faced with this situation, Yue Feng was very helpless.

Almost ran away, unfortunately.

At this time, Rumeng took a deep look at Yue Feng, and then asked the Ye Xingyu brothers: "You said, he is Yue Feng, the Pill Pavilion Master of Chunyang Palace?"

” Meng acted very cautiously, even if she was certain in her heart, she still had to ask.

“Yes!” Ye Xingyu quickly replied.

Chen Shangzhi also nodded: “It’s true.”

As he dreamed about it, he asked: “Since he is Yue Feng, and you are allies, why did he trap you in the formation?”

This... Hearing the question ,

Chen Shangzhi and Ye Xingyu looked at each other, and they couldn’t tell the embarrassment on each other’s faces.

A few seconds later, Chen Shangzhi turned his eyes and made a look of grief and anger, and replied to Rumeng: “You don’t know, this Yue Feng seems to be a gentleman, but in fact he is a scum, my senior brother and Jiang Hongyu of Chunyang Palace. , I used to be a childhood sweetheart, but now I have reached the age to talk about marriage.”

“But this Yue Feng, but he was in the middle of it, causing Jiang Hongyu to have a great misunderstanding of my senior brother.”

“What’s even more hateful is that last night in Beihai. In the main altar of the stars, Yue Feng broke into Jiang Hongyu’s room at night, stunned her, and tried to forcibly defile her.”

Chapter 5204

A remark, Chen Shangzhi said plausibly.

“Senior brother and I are naturally furious.” Chen Shangzhi glared at Yue Feng and continued, “It’s just that we were at the Beihai Constellation General Altar last night and it was inconvenient to do it, so I’ll be waiting for him here today, swearing. I have to teach him a lesson.”

“How could he know that although this person has no strength at all, he is extremely cunning. He used me and my senior brother to underestimate the enemy and trapped us.”

What?

Hearing this accusation, whether it was Rumeng or the other five sword princesses, their pretty faces changed, and they couldn’t hide their contempt for Yue Feng.

“How could there be such a despicable person in the world?”

“As a pavilion master, it is truly morally depraved to conspire against his female disciples.”

“This kind of person is a scum in the rivers and lakes, and everyone gets it and punishes him.”

Liu Jianji She is arrogant by nature, and as a woman, what she hates most is this kind of lecherous person. In addition, the death of junior brother Xu Wenliang is most likely related to Yue Feng, so his impression of him is extremely bad.

Nima!

In the face of Liu Jianji’s accusation, Yue Feng could not laugh or cry, but he was too lazy to argue.

“Good, you Yue Feng.” This is, Ru Meng looked at Yue Feng coldly, unable to hide her anger: “It’s really shameless and cunning, I

was almost deceived by you just now.”

Dream was very angry.

Dangtang Nianhuagong Liujianji was almost fooled by a person with no strength. If the matter spreads, how can he walk the rivers and lakes in the future?

Ha ha...

Seeing that his identity could no longer be hidden, Yue Feng didn’t panic at all, and said with a smile, “Don’t blame me for the so-called dangers in the rivers and lakes. I also consider my own safety.

“

, Liu Jian Ji was even more angry.

“Shut up!”

At this time, the third sister Ruxue couldn’t help but let out a coquettish cry, and said coldly, “Don’t laugh with us, let me ask you, how did our junior brother Xu Wenliang die?”

Shuh!

The voice fell, and the eyes of the other five sword princesses also locked on Yue Feng, waiting for his answer, while paying attention to the change in his expression.

Hehe, sure enough, it was because of Xu Wenliang.

Yue Feng smiled secretly in his heart, but he pretended to be surprised: "What? What did you say? Xu Wenliang died? When did he die? Why didn't I know?"

"Make sure that no one around you sees it, so naturally you won't admit it.

do not know?

Hearing such an answer, Ru Xue Xiumei clenched her locks and said coldly, "Don't pretend, we checked it out. Someone saw with your own eyes two days ago that our junior brother was with you. Saintess Leng Yue of the Red Clothes Sect."

"Afterwards, when you were pursued by people from the Four Seas Alliance, something happened to our junior brother."

I went.

At this moment, Yue Feng frowned secretly, unable to see that the news of Nianhua Palace was quite well-informed, and these things could be found out.

Thinking to himself, Yue Feng smiled slightly: "This sister is right, we were indeed pursued by people from the Four Seas Alliance, but the three of us were separated at that time."

"Perhaps, your junior brother was killed by the Four Seas Alliance."

Anyway, Xu Wenliang was dead, and there was no witness at the time, so Yue Feng could say whatever he wanted.

However, as soon as he finished speaking, he had been silent like a dream, and he shook his head and retorted: "Impossible! Junior Brother Xu was killed in one move, and the opponent was very powerful, so it couldn't have been done by people from the Four Seas Alliance."

Hehe...

Hearing this, Yue Feng couldn't help laughing and shrugged: "If it wasn't for the Four Seas Alliance, it wouldn't be me. You all noticed that I have no strength at all."

Rumeng Glancing at the other five sword princesses, he said coldly, "Whether you are the murderer or not, you have to go back to the Huagong main altar with us, and the head will interrogate them in person."

"So, I advise you not to play tricks. The

last word fell, and Ru Meng said to the sisters: "Tie his hands and feet and bring him back to the main altar."

"Yes, big sister!"

Hearing the order, Ru Xue responded in unison, and then from Pulling out a ribbon from his body, he was ready to tie Yue Feng's five flowers.

Chapter 5205 What the hell

!

Seeing this situation, Yue Feng couldn't help laughing. This Liu Jianji is too unreasonable. There is no evidence at all, so they are going to tie me up?

Thinking to himself, Yue Feng didn't wait for the snow to approach, his body flashed like a loach, and he hid to the side and shouted: "Oh, beautiful sister, I'm not a murderer, why are you tying me?"

Yue Feng's action, Seemingly inadvertent, but perfectly avoided Ruxue.

Um?

At this moment, Ru Xue Jiao's body was shocked, and she was very surprised. This person has no strength at all, and the reaction is so fast?

At the same time, Rumeng was also secretly surprised.

Isn't this guy incompetent? But how can ordinary people react so quickly?

"Several sword princesses."

At this moment, Chen Shangzhi, who was still trapped in the woods, couldn't help shouting: "You see, this Yue Feng is very evil, although he has no strength, you must not Underestimate the enemy."

At the same time, Ye Xingyu also shouted: "Yes, just because the two of us underestimated the enemy, we were trapped here by him."

Shuh!

Hearing this, whether it was Rumeng or the other five sword princesses, their delicate faces became extremely solemn.

In the next second, Ru Mengjiao shouted: "Sisters, take him down together." Ceng

Seeing this, Ye Xingyu and Chen Shangzhi, who were trapped in the woods, were indescribably excited and excited.

Although this Yue Feng is cunning and despicable, but facing Liu Jianji at the same time, he will definitely die.

Especially Ye Xingyu, who couldn't hide the pleasure of revenge in his eyes, said to himself: "Yue Feng, even someone like you wants to fight against me? I didn't let you die at my hands, it's cheap for you. When the words

fell, Chen Shangzhi said with a smile: "Senior brother, I think this is the best."

"If we kill Yue Feng, Chunyang Palace will definitely not let it go. If it doesn't work, Master will be under pressure. Punish us. And now, Liu Jianji has eliminated Yue Feng for us, which saves us a lot of trouble."

Hearing this, Ye Xingyu nodded, then looked at Chen Shangzhi and laughed.

outside the woods.

Seeing Liujian Ji bursting out at the same time, Yue Feng smiled and was not nervous at all, but he was a little helpless in his heart. With six people going up together, it is impossible to hide their strength now. Seeing that the six swords were about to be stabbed at him, Yue Feng

shouted at the time, "Oh, the six sisters have something to say, why do you want to kill them at every turn?"

Dodge again.

What?

Seeing that Liu Jianji's blow at the same time failed, whether it was Ye Xingyu or Chen Shangzhi, they were all shocked and thought they were confused.

Did this kid escape?

He has no strength at all, how did he escape? You must know that Liu Jianji's strength is also ranked in the ranks of the rivers and lakes, but just now, the six people shot together, but Yue Feng was deftly avoided.

It's incredible.

At the same time, the six sword princesses in the dream were also shocked.

How can it be?

A person with no strength at all has such a reaction speed. If he hadn't seen it with his own eyes, who would have believed it?

wrong.

The next second, Sister Rumeng realized something, Xiumei locked up, and looked at Yue Feng coldly: "Good you Yue Feng, I was almost cheated by you, you have been hiding your strength, right?"

"If so, Xu Wenliang's death must have something to do with you, look at the sword." The voice fell, like a dream, the inner force urged, the long sword made a buzzing sound, and stabbed towards Yue Feng again.

With the sword again, Rumeng did not dare to underestimate the enemy at all, and directly stimulated the eighth-layer skill.

hum!

I saw that wherever the long sword passed, the air was torn apart, and the power was amazing.

Yue Feng frowned, knowing that his strength could no longer be hidden, and immediately chuckled: "Is this embarrassed into anger? The anger hurts people." Open this sword and shoot it with one palm at the same time.

The ultimate husband in Chinese chapter 5205-5210

Chapter 5206

This palm is as fast as a thunderbolt, and it is shot directly on the back of Rumeng Longjian.

clang!

He heard a crisp sound, and the body trembled like a dream, and even took a few steps back, and the long sword in his hand almost fell to the ground.

"You..."

Rumeng only felt stuffy in her chest. After stabilizing her figure, she looked at Yue Feng in shock and anger, her face full of incredulity.

How is this possible? When this person shot just now, there was no fluctuation in his internal strength, but he almost knocked off his long sword...

At this moment, it was like a dream, no one would have thought that Yue Feng's body was the supreme divine power, and it was deliberately hidden, Not to mention her, even if the head of Nianhua Palace is here, she will not notice it at all.

Swish!

At the same time, Ruxue's five sword princesses all changed their pretty faces and exclaimed in surprise.

"Big sister, are you all right?"

"I can't see that Yue Feng is so powerful."

"Just now, I lied to us that he was a mountain citizen, and he has been hiding his strength. It's really hateful."

"Look at this, Junior Brother Xu . He killed it, otherwise, why did he keep hiding his strength?"

The words of several sisters kept coming, and the delicate faces of Rumeng were full of shame and anger.

In the next second, Rumeng stared at Yue Feng with a cold tone like ice: "Yue Feng, honestly, did you kill my junior brother Xu?" Speaking of which, Rumeng didn't doubt Yue Feng at all, but It is speculated that Yue Feng may know the murderer of Xu Wenliang.

This chapter is provided by . Visit [for](#) daily update.

But at this moment, after learning that Yue Feng had hidden his strength, Rumeng instinctively realized that Xu Wenliang was most likely killed by Yue Feng.

call...

Seeing that he couldn't hide it anymore, Yue Feng was too lazy to talk nonsense, and smiled lightly: "Well, I won't hide it from you now, I killed Xu Wenliang."

When he said this, Yue Feng looked indifferent.

Xu Wenliang was cunning and insidious, a complete scum of the rivers and lakes. If Yue Feng was given another choice, he would still take his life without hesitation.

Swish!

Seeing him finally admit it, Liu Jianji was all shocked and angry.

“Okay, very good.” Rumeng bit her red lips tightly, her eyes full of anger: “You finally admitted, killing my junior brother, I will ask you to pay the debt with blood today.” The

voice fell, Rumeng clenched the long sword, The figure quickly came towards Yue Feng.

“Eldest sister, let’s help you.”

At the same time, the six Ruxue also snorted coquettishly, one by one clenching their long swords, and quickly surrounded Yue Feng.

Buzz buzzing...

In an instant, the six long swords drew out one after another, intertwined into a sword net, blocking Yue Feng’s retreat. Liu Jianji was originally the leader among the young disciples of Nianhua Palace, but at this time, they broke out together with amazing power.

interesting.

Seeing Liujianji coming together again, Yue Feng showed a smile, not panic at all, raised his right hand, clenched a long sword, and fought fiercely with Liujianji in mid-air.

Yue Feng’s long sword was given by the palace lord of Chunyang Palace when he was named the Pill Pavilion Master at that time. I can’t find the purple-rank weapons in the Kyushu mainland, but I can’t check much.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely in mid-air, and under the collision of the long swords, bursts of golden roars continued to be heard.

This...

Ye Xingyu and Chen Shangzhi, who were still trapped in the woods, were shocked when they saw this scene.

Is this Yue Feng so strong?

They clearly saw that Yue Feng alone faced the siege of Liujian Ji, and his movement was swiftly drifting, and he was able to handle it with ease. This is not the slightest strength, it is simply unfathomable.

“Ma De!”

In shock, Ye Xingyu stared at Yue Feng's figure, and couldn't help but scolded: "This kid is hiding deep enough." When he spoke, Ye Xingyu was inexplicably ashamed and angry.

This Yue Feng has been unwilling to reveal his strength before, is he looking down on me?

Chen Shangzhi next to him was also shocked and speechless.

At the same time, his eyes were deeply attracted by Liu Jianji in mid-air. You must know that Liu Jianji is the best in both body and appearance. At this time, when he was fighting Yue Feng in mid-air, that charming curve was looming. , Any man who sees this scene will fall deeply.

Chapter 5207

Time passes minute by minute.

In the blink of an eye, the two sides fought for dozens of rounds, but Liu Jianji was still unable to defeat Yue Feng.

For a time, Rumeng was a little anxious, bit her lip tightly, and said softly: "Sisters, form the Six Paths Immortal Execution Sword Formation." The voice fell, and the inner strength burst out, condensing on the long sword.

hum!

I saw that, under the flood of internal energy, the long sword in Rumeng's hand suddenly turned blood red, and at the same time, a strong killing intent also filled the sky and the earth.

"Yes, eldest sister!"

At the same time, the five Ruxues were drinking coquettishly, their delicate bodies rose up, and they stood in four directions in the south, south, and northwest, surrounding Yue Feng in the middle, and, like Rumeng, urged their inner strength. Move to the long sword.

Six Paths Zhuxian Sword Formation?

Facing this situation, Yue Feng frowned, secretly surprised.

At this time, Yue Feng clearly noticed that after the formation of the sword formation in front of him, the surrounding air seemed to be stagnant, especially the long swords in Liu Jianji's hands, all of which had turned blood red, with a murderous aura.

Haha...

Seeing this scene, Ye Xingyu below was indescribably excited and excited: "Liu Jianji has finally cast her sword formation." Liu Jianji's Six Paths of Killing Immortal Sword Formation is unparalleled in the world, this time Yue Feng will surely die. When the words fell, Chen Shangzhi couldn't help but said, "I didn't expect that this Yue Feng could force Liu Jianji

to cast a sword array." No matter how

strong you are, facing the sword formation, you can't escape death."

In the hearts of Ye Xingyu's brothers and sisters, this sword formation can only be broken unless it is the head of the three major sects. As for Yue Feng, you can only wait for death. share.

"Yue Feng!"

Just when Ye Xingyu and the two were excited, in mid-air, Rumeng stared at Yue Feng, and shouted: "Repay my junior brother." The

voice fell, and a bloody sword shadow quickly condensed out. , like a blood-colored lightning bolt, instantly slashed towards Yue Feng.

Chi Chi Chi...

At the same time, Ru Xue Wu also burst out with five blood-colored sword shadows, slashing towards Yue Feng from several directions at the same time.

This blood-colored sword shadow is the most powerful killing move in the Six Paths Killing Immortal Sword Formation.

In an instant, six blood-colored sword shadows erupted in unison, and the sky seemed to be covered in blood, causing the two Ye Xingyus below to look at them in horror.

Ha ha!

Feeling the power of the six blood-colored sword shadows, Yue Feng was quietly suspended in the air, with a smile on his face, not panicking at all.

"Haha, this Yue Feng is frightened."

"I forgot to hide."

Seeing Yue Feng's reaction, both Ye Xingyu couldn't help laughing.

In their hearts, Liu Jianji broke out the strongest nirvana. Even if Yue Feng had great ability, he could not escape this disaster. At this time, they all thought that Yue Feng was scared and stupid.

“I didn’t expect that there is such a powerful sword formation on Ziwei Continent. I really saw it.”

Seeing the six blood-colored sword shadows, Yue Feng said with a light expression, and then raised his hands, A golden protective film is deployed around the body.

This protective film is completely formed by the condensation of divine power, and the defense is very powerful.

boom boom boom...

As soon as the golden protective film was formed, six blood-colored sword shadows slammed onto the protective film, and a thunderous vibration was heard, and thick smoke billowed around Yue Feng.

Phew...

Seeing this scene, the six sword princesses in Rumeng were all secretly relieved.

Can be considered to kill him.

Junior Brother Xu, you can rest in peace under Jiuquan.

At the same time, Ye Xingyu, who was trapped in the woods, also looked at each other, excited.

Haha... This Yue Feng is finally dead.

Especially Ye Xingyu, while excited, is also completely relieved. Once Yue Feng died, the truth about Jiang Hongyu that was almost defiled last night will be sealed forever, and there is no need to worry about being found out by Jiang Hongyu.

What?

At this time, Liu Jian Ji landed one after another and was about to leave, but when they saw the scene in mid-air, the suburbs trembled, and they were all stunned.

I saw that after the dust and smoke dissipated in mid-air, a figure was still quietly suspended there.

The figure is proud and tall, and the expression is the same as before, who is not Yue Feng?

Chapter 5208

At this time, Yue Feng, the corners of his mouth twitched, with a faint smile, his gown swayed in the wind, and there was no trauma on his body...

This...

Seeing this scene, Rumeng bit her lip tightly, Staring closely at Yue Feng, the suburbs trembled, and the whole person was completely stupid.

How could it be...he didn't even die.

You must know that the strongest strike in the Six Paths Execution Sword Formation was just cast, but he was able to block it so easily?

This man.. the strength is too strong.

Whoosh!

In the shock, Ru Meng's delicate face flashed a trace of perseverance, and the delicate body rose up and charged towards Yue Feng again.

The dignified Liu Jianji, even with the sword formation, could not kill Yue Feng. If this matter spreads out, wouldn't it be a joke from the people in the rivers and lakes? No matter how much the price is paid today, Yue Feng's life will be taken.

Again?

Seeing Rumeng rushing straight in, Yue Feng smiled slightly: "Beautiful sister, you can't kill me, so just give up." The words were extremely relaxed, as if facing a trivial matter.

"Shut up!" Ru Mengjiao shouted, the long sword in his hand was like a dragon, and he quickly stabbed at Yue Feng.

Yue Feng sighed, this woman is really persistent.

Thinking about it, Yue Feng moved his figure and fought fiercely with Rumeng in mid-air.

At this time, it was like a dream, and her internal power exploded completely. However, after a few rounds, Yue Feng could not be hurt in the slightest. On the contrary, Yue Feng seemed to have the ability to predict the prophet, and could predict the direction of her move every time.

"Ma'am, here we come."

Seeing this situation, Ru Xue looked at each other in dismay, and then they all shouted coquettishly, flew up, cooperated in the air like a dream, and fought with Yue Feng again.

Bang bang bang...

For a time, the two sides were in mid-air, and the fight was inseparable.

Half an hour later, Yue Feng lost his patience.

Seeing that it was getting late, Yue Feng laughed loudly: "Several beauties, I still have something important to do, so I won't play with you." After the voice fell, Yue Feng suddenly raised his right hand, condensing a golden palm shadow out, shoot towards the nearest dream like a dream.

call!

Feeling the power of this palm, the pretty face changed like a dream, and I didn't have time to think about it, and hurriedly mobilized all the power in my body, and it was also a palm to meet.

At the same time, Ru Xue and the others exploded their inner strength one after another, putting their hands behind Rumeng's back, continuously injecting inner strength into her, trying to help Rumeng's original palm.

However, they all underestimated Yue Feng's strength.

boom!

In the next second, the two sides collided, and Liu Jianji heard a coquettish cry, and the figures fell one after another. After landing, they all turned pale, and they were obviously severely injured.

Hiss...

Seeing this scene, Ye Xingyu and Chen Shangzhi couldn't help but gasped.

Is this Yue Feng still human? Liu Jianji tried her best, but she didn't kill him, but was severely injured by him alone.

At this moment, Yue Feng slowly descended, his face seemed indifferent, but his body was churning with qi and blood. Speaking of which, his divine power had not fully recovered. He had already reached the limit when dealing with the Six Paths Immortal Execution Sword Formation. With one palm, the meridians in the body also suffered some trauma.

“Several!”

Yue Feng took a few deep breaths, concealed the wounds in his body, and said lightly to Liu Jianji: “Your junior brother, who is benevolent and righteous on the surface, does everything behind his back, all about male thieves and female prostitutes, death is not a pity, I will kill him, It can be regarded as a cure for the rivers and lakes, so I advise you, don’t try to avenge him.”

“Of course, if you go your own way, you can settle accounts with me, and I will accompany you at any time.” The

voice was not loud, but there was no doubt.

Swish!

Hearing this, Liu Jianji all had complex expressions on their faces, and was extremely frightened in her heart. I thought that I could easily kill Yue Feng and avenge my junior brother, but I didn’t expect that the revenge was not avenged, and this Yue Feng was so mocked.

Simply shameful.

In anger, Ru Xue couldn’t help but shouted: “Yue Feng, don’t be hypocritical here. It’s not your turn to take care of our junior brother. If you kill him, you will pay for your life.” The

voice fell, like a dream. He also glared at Yue Feng.

Hehe...

Hearing this, Yue Feng smiled slightly, turned around and prepared to leave without answering.

Chapter 5209

Yue Feng knew in his heart that Liu Jianji was overwhelmed by hatred at this time, and it was impossible to reason with them.

Since it is unreasonable to talk about it, it is better not to talk about it and walk away.

Om....

However, before Yue Feng could take a few steps, suddenly, there was a strong vibration on the ground beneath his feet, as if there was an earthquake, and then, the ground collapsed and a large pit with a diameter of several hundred meters came out.

At the moment when the big pit appeared, a huge beam of light shot up into the sky, and at the same time, an extremely strong enchantment force spread out from the bottom of the big pit.

“Ah!”

The place where the big pit appeared was right below Liu Jianji and the Ye Xingyu brothers. In an instant, several people let out an exclamation and fell one after another.

In the blink of an eye, several people disappeared at the bottom of the big pit.

What the hell!

Seeing this scene, Yue Feng was immediately confused, what's the situation?

Thinking to himself, Yue Feng quickly walked to the edge of the big pit and looked down. He was stunned when he saw it. He saw that there was an energy vortex at the bottom of the big pit. Just now, Liu Jianji and Ye Xingyu, All were sucked in by the vortex.

For a time, Yue Feng frowned secretly.

Beneath this deep mountain and old forest, is there an energy barrier hidden? Is there another mystery below?

Thinking to himself, Yue Feng hesitated, then jumped and jumped into the vortex.

hum!

At the moment of entering the vortex, Yue Feng only felt a buzzing sound in his mind, and his eyes were pitch black, and then he didn't know anything.

I don't know how long it took, Yue Feng slowly woke up.

I go.

The moment he opened his eyes, Yue Feng was immediately shocked by the scene in front of him.

I saw that there was a huge underground town in front of me. The high and low buildings were connected together, and the streets were crisscrossed. The whole underground town was almost as big as two Chunyang Palace main altars.

Every ten meters on the street, there is a huge stone pillar. On the top of the stone pillar is a large oil lamp, which illuminates the whole town.

However, in the entire underground town, there was a dead silence, and not a single person could be seen.

Yue Feng saw that a thick layer of dust had accumulated on the ground of the entire town. It was obvious that no one had been here for a long time, but Yue Feng also noticed that all the buildings in this town had the same style as those on the Ziwei Continent. Not the same, a bit similar to the style in the mysterious realm of the sky.

Strange, is this underground town related to God's Domain?

Muttering in his heart, Yue Feng sat on the ground in the middle of the creek and began to adjust his breath.

call!

A few minutes later, Yue Feng felt better, so he stood up and probed forward.

Along the way, Yue Feng kept observing the surrounding environment, and noticed that the buildings here are not only different from those in the Ziwei Continent, but also hidden countless delicate mechanisms in many places.

Not only that, there are secret locks hanging on the doors of many rooms.

On the Ziwei Continent, the Heavenly Secret Lock is exclusive to the Heavenly Secret Palace. This kind of lock is delicate and cumbersome, and only the organ masters of the Wuji Palace can unlock it, but in this underground town, it seems to be the most common thing.

Um?

After walking for a few minutes, Yue Feng suddenly stopped and saw a stone gate at the end of the road ahead. The stone gate was designed with gossip locks, which was very clever.

On the walls on both sides of the stone gate, rows of dark holes could be vaguely seen. Perhaps it was too long, and some dark holes leaked black kerosene.

Obviously, these dark holes are organs, and there is kerosene hidden in them. Once someone approaches, the dark holes will spray out flames, and no matter how many people there are, they will be burned alive.

Who the hell designed this place? It's just startling every step, there are crises everywhere.

Muttering in his heart, Yue Feng walked over slowly, avoiding the place on the ground that might touch the organ, and finally came to Shimen step by step, and then studied the gossip lock on it.

Although this gossip lock is delicate and cumbersome, it is a piece of cake for Yue Feng.

Click.

In less than half a minute, I heard a crisp sound from the Bagua Lock, which was directly opened by Yue Feng.

Chapter 5210

Call!

The moment he opened the stone gate, Yue Feng took a deep breath and revealed a smile.

The gossip lock is specially designed on the stone gate, and there must be something good in it.

Shasha...

But at this moment, footsteps suddenly came from behind. Listening to the voice, it seems that there are only two people.

Yue Feng instinctively looked back and frowned when he saw the person coming.

Madd, how are they?

I saw two embarrassed figures, walking slowly, it was Ye Xingyu and Chen Shangzhi.

The two of them were originally trapped in the formation in the woods by Yue Feng, but suddenly the ground collapsed, revealing the energy vortex below, and the formation lost its effect.

After that, the two brothers and Liu Jian Ji fell directly into the energy vortex.

Yue Feng thought that this underground town was so big that it would be difficult to meet, but he didn't expect to see the brothers so soon.

"Yue Feng?"

At this moment, Ye Xingyu and the two also saw Yue Feng, and their expressions were instantly complicated.

Seriously, if they saw Yue Feng half a day ago, Ye Xingyu would definitely kill without hesitation, but just now I saw Yue Feng and Liu Jianji fight with my own eyes, and I saw Yue Feng's true strength. Dare to act rashly.

Although Ye Xingyu is arrogant, he is not stupid.

Even Liujian Ji is not Yue Feng's opponent, so rashly provoking her is just courting death.

"Senior brother!"

A few seconds later, Ye Xingyu took a deep breath and whispered to Chen Shangzhi, "Let's go." When the voice fell, he was about to pull Chen Shangzhi to turn around and leave.

Since he can't beat Yue Feng, he should stay far away to avoid embarrassment.

However, Chen Shangzhi didn't mean to leave, he pulled Ye Xingyu and whispered: "Senior brother, this place is not Yue Feng's, why should we leave?" After

speaking, Chen Shangzhi lowered his voice: "This Yue Feng Although it is powerful, it seems that he was injured when he fought against Liu Jianji before, so let's not panic." As he

said, Chen Shangzhi gave Yue Feng a meaningful look.

Although Chen Shangzhi is still young and doesn't often walk around the rivers and lakes, he is very insightful. The last time Yue Feng played against Liujian Ji before, he keenly discovered that Yue Feng was fine on the surface, but in fact he had received trauma secretly.

Swish!

Hearing this, Ye Xingyu immediately observed Yue Feng carefully, and as expected, Yue Feng's face was slightly pale, obviously he had received trauma before.

Seeing this, Ye Xingyu was very excited, the fear in his heart disappeared instantly, and sneered at Yue Feng: "Yue Feng, it's really a narrow road for enemies."

Since this kid has been traumatized, what is there to be afraid of?

A fool.

Seeing Ye Xingyu's provocative face, Yue Feng chuckled lightly and didn't bother to pay attention to it. You must know that the two brothers were talking very quietly, but Yue Feng could still hear them clearly.

Mad!

Yue Feng's attitude made both brothers angry.

Chen Shangzhi turned his eyes and whispered at Ye Xingyu: "Elder brother, this Yue Feng actually opened the lock on the stone door, there must be something good inside, wait for me to shoot at him, you find a chance to raid, let's join forces, get rid of him right here."

In Chen Shangzhi's heart, Yue Feng was injured, like a tiger with its teeth pulled out, and the threat was greatly weakened. As long as he cooperated with Ye Xingyu well, he would definitely be able to kill him.

Um!

Hearing this plan, Ye Xingyu nodded.

Chen Shangzhi stopped talking nonsense, took a step forward, and said to Yue Feng: "Yue Feng, our account has not been settled yet. Are you going to kneel and surrender, or wait for our brothers to do it?"

Yue Feng smiled lightly: "Want to touch me? I'm afraid you don't have that ability."

Speaking of which, Yue Feng admired this Chen Shangzhi very much, and he could see that he was traumatized, but unfortunately, this man's mentality was not right, and sooner or later he would die unexpectedly.

"You are courting death!"

Chen Shangzhi's expression changed when he heard the answer, and then he shouted angrily, directly urging the figure to rush over. But after two steps, the mechanism of the dark holes in the walls on both sides was triggered.

Huhuhu...

In an instant, tongues of fire spewed out from the dark hole, directly covering Chen Shangzhi.

Suddenly, Chen Shangzhi didn't have time to dodge, and a lot of kerosene was sprayed on his body, and his whole body was instantly ignited.

“Ah...” When the

severe pain came, Chen Shangzhi let out a shrill scream, his eyes were full of horror, and he shouted at Ye Xingyu: “Elder brother...help me...help I...ah...”

He considered himself to be very witty, but he never expected to encounter such an end.

Hiss...

Seeing the scene in front of him, Ye Xingyu couldn't help gasping for air, his face was full of astonishment. The surrounding Shimen, seemingly unremarkable, was hiding a murderous intention?

Hearing Chen Shangzhi's call for help, Ye Xingyu wanted to rush over, but when he saw that his whole body was burning with fire, how dare he approached?

“Senior brother...” A

few seconds later, Chen Shangzhi let out a final scream, and he fell to the ground. After the flames were extinguished, his whole body was burnt to black and he lost his breath.

“Junior Brother!”

Seeing Chen Shangzhi's tragic state after his death, Ye Xingyu shouted, tears pouring out all at once.

Although they were only senior brothers, the two grew up together in Tianhaimen and had a deep relationship. Ye Xingyu couldn't accept it when he saw his junior brother die so tragically.

In the next second, Ye Xingyu came back to his senses and looked at Yue Feng fiercely: “You killed my junior brother, and you and I are inseparable.” I thought that for Jiang Hongyu's sake, I could teach him a good lesson today, but Unexpectedly, not only did he not teach Yue Feng a lesson, but he also took the life of his junior brother.

Hehe...

In the face of Ye Xingyu's hostility, Yue Feng was both angry and funny: “It's really interesting, it was obviously your junior brother who wanted to come and kill me, but I accidentally ran into an organ and was burned to death.

”.” The

tone was calm, but could not be refuted.

Mad!

Hearing this, Ye Xingyu burned with anger, his eyes were extremely blood red, and he could not wait to peel Yue Feng's cramps immediately: "Yue Feng, you are less proud..."

At this time, Ye Xingyu's mind was full of hatred.

The woman he loves, because of Yue Feng, refused to get married, and the younger brother who grew up with him for many years is also alive and dead in front of him, and all of this is inseparable from Yue Feng.

But before he could finish his words, he was interrupted by Yue Feng coldly: "If you want to kill me, just let your horses come over, don't be rude all the time."

"I'm here right now, come here if you want to do it."

Said At these times, Yue Feng stood there lazily, with a relaxed attitude.

He could see that this Ye Xingyu would only be ruthless in his mouth, but when it came to the matter, he was actually very cowardly. Moreover, Chen Shangzhi was considered his think tank. Now that the think tank is dead, he has lost his backbone, and he has no courage to take action.

More importantly, there are many organs around Shimen, Chen Shangzhi is already dead, Ye Xingyu will definitely not dare to take the risk.

Swish!

In the face of Yue Feng's provocation, Ye Xingyu clenched his fist tightly, his nails dived deeply into the flesh, and a trace of blood came out, but his feet remained unmoved.

Yue Feng was right. Chen Shangzhi made a rash move just now and was burned alive. Ye Xingyu didn't have the guts to take risks. The only thing he can do now is restraint, restraint again...

Phew!

Finally, after two minutes, Ye Xingyu took a deep breath, suppressed his anger, and said to Yue Feng word by word: "I will kill you myself sooner or later, let's see..." The

voice fell, and Ye Xingyu turned around. step away.

Ha ha...

Looking at Ye Xingyu's back, Yue Feng chuckled lightly, and did not take his harsh words seriously at all. With Yue Feng's current strength, let alone Ye Xingyu, even if the head of Tianhaimen came, he did not panic at all. .

A few seconds later, after confirming that Ye Xingyu was far away, Yue Feng no longer hesitated, turned and pushed open the Shimen.

Kazaza...

With a dull sound, the stone gate slowly opened, Yue Feng waved the dust floating in front of his eyes, and strode in.

Just saw, behind the stone gate, is a hidden palace. Perhaps it is closed all the year round and the air inside is thin, so the candles in the palace have been extinguished.

Huhuhu...

But Yue Feng opened the stone door and brought in the outside air. For a while, the phosphor powder in the candle light touched the fresh air and ignited automatically one by one.

In an instant, what was originally a dark palace was instantly illuminated.

I go!

At this moment, seeing the scene in front of him, Yue Feng's heart was shocked, and he was stunned.

Chapter 5212 I

saw the palace in front of me. It was magnificent. Everything I saw was decorated with gold, which was indescribably luxurious.

And in the center of the main hall, there is a huge thousand-year-old cold jade platform.

This cold jade platform is more than two meters wide and nearly three meters long. Standing at the door, you can feel the cold air coming from it. On the cold jade platform, a crystal coffin was quietly placed.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and suddenly felt a sense of déjà vu. Back then in the Kyushu continent, the ancient tomb of a generation of fierce generals Lu Bu appeared in the world. At that time, Yue Feng and Zhu Bajie were the first to find Lu Bu's real Hall of Heroes.

In that Hall of Heroes, the layout was similar to the one in front of him. At that time, it was also a jade platform with a crystal coffin on it.

However, at that time, there were Lu Bu and Diaochan in the crystal coffin, but I didn't know who was in the crystal coffin in front of me?

Shocked in his heart, Yue Feng walked over slowly.

Um?

When he got to the crystal coffin, Yue Feng was stunned again.

I saw that there was a little girl lying inside. The girl was twelve or thirteen years old. She was wearing a red short fur coat. Sleeping quietly in the crystal coffin.

This....

Seeing this scene, Yue Feng only felt his brain buzzing and couldn't help thinking secretly.

Who is this girl? How could he sleep in a crystal coffin?

And....what does this huge underground town have to do with her?

Just wondering, Yue Feng's eyes flashed, and he saw the girl's left hand clenched tightly, as if she was holding something. At that time, Yue Feng did not hesitate and slowly opened the lid of the crystal coffin.

After opening the lid, Yue Feng spread out the girl's left hand, and saw that what she was holding in her hand was an orange-yellow medicinal pill. Yue Feng is an old man. Although he didn't see what kind of medicine pill it was, he knew in his heart that if the medicine pill was given to the girl, she would be able to wake up.

Realizing this, Yue Feng gently opened the girl's mouth and put the medicinal pill in it.

The medicinal pill melted in the mouth, and the girl's face gradually showed a trace of ruddy. After a few seconds, she slowly opened her eyes.

call!

Seeing her come back to life, Yue Feng was very excited and asked with a smile, "Little girl, what's your name? Why are you lying in the crystal coffin?"

Yue Feng's eyes were full of anticipation when he asked.

"You..." The

little girl just woke up and didn't seem to get used to it yet. When she suddenly heard Yue Feng's voice, she was even more startled. Who?"

At this time, the little girl was like a bird with a startled bow, and there was a resistance that rejected people thousands of miles away.

Ugh!

Seeing her like this, a trace of pity rose in Yue Feng's heart. The girl was so young, and she didn't know what she had been through before. She was afraid of being like this when she saw a stranger.

Thinking to himself, Yue Feng said cautiously: "Don't be afraid, I'm not a bad person, I just came in here by accident and found you."

"The cold jade below is very cold, come out."

Saying that, Yue Feng Reached out his hand and wanted to help the little girl get out of the crystal coffin.

"Don't touch me."

Seeing Yue Feng reaching out his hand, the little girl became even more frightened and shouted, "Don't touch me..." At the same time, the little girl seemed to think of something and quickly took it from her body. out the same thing.

Um?

Yue Feng's eyes were sharp, and he was stunned when he saw the thing in the little girl's hand.

He clearly saw that what the little girl took out was a divine talisman. Speaking of which, the divine talisman was used by Yue Feng when he was in the Kyushu Continent, and it was immediately transmitted, which was very unstable.

I just didn't expect that on the Ziwei Continent side, there is actually such a strange thing as the Divine Rune Talisman.

Muttering in his heart, Yue Feng hurriedly said: "Don't get excited, I really won't hurt you, don't urge the magic talisman, this thing is sent randomly, in case it is sent to you on the top of the mountain or in the sea, That would be troublesome."

"Good boy, put down the divine talisman."

Chapter 5213

When he said this, Yue Feng tried his best to keep his voice low, and his tone should be as gentle as possible, just for fear of irritating the little girl again.

hum!

However, the little girl didn't listen to him at all. At that time, she directly stimulated her inner strength and injected it into the divine rune. In an instant, a white light flashed, directly covering the crystal coffin.

The next second, the little girl was teleported away, leaving only the empty crystal coffin.

I'm going...

It's all in a flash, Yue Feng can't react at all, wait until the white light disappears, and then look at the crystal coffin, where is the little girl still inside?

For a time, Yue Feng was very helpless, and the little girl was too timid, so she ran away. Ben also thought about being able to ask some information about this underground town from her mouth. It seemed that he was wishful thinking.

With emotion in his heart, Yue Feng had no choice but to investigate around the palace.

...

at this very moment.

There are a lot of people gathered near the big pit outside, it can be said to be a sea of people.

Half an hour ago, a subsidence occurred here, and a beam of light rose into the sky. At that time, many sects discovered the situation and immediately sent people to check.

Soon, more than a dozen sect masters arrived, adding up to more than 100,000 people, and the scene was spectacular.

At this time, more than a dozen sects and tens of thousands of people surrounded the giant pit in front of them, each and everyone was shocked.

“Where is this place?”

“Could this vortex be the entrance to an ancient tomb?”

“It should be, hurry, there must be something good in it, rush in...”

Under the discussion of everyone, in the end, I don't know who shouted. In an instant, many sect masters present rushed to the energy vortex at the bottom of the big pit.

...

on the other side, in the palace in the underground town.

Yue Feng turned around and found that although the palace in front of him was luxurious, there was nothing worth paying attention to, so he was about to turn around and go out.

Um?

However, when he passed the crystal coffin, out of the corner of Yue Feng's eyes, he suddenly discovered that there was something hidden at the bottom of the crystal coffin.

I saw that the place where the little girl lay before, on the layer of silk, was vaguely written with words on it, because Yue Feng's attention had always been on the little girl before, so he didn't pay attention until this time. Just discovered.

Discovering this, Yue Feng quickly picked up the silk, and after reading the words carefully, he was stunned.

What was written on the silk was nothing but the matter of the Heavenly Secret Palace, which had been destroyed for many years.

And this underground town was specially built by descendants of Tianji Palace to avoid disaster.

Thousands of years ago, God's Domain sent the Nine Heavens Fairy to the Ziwei Continent to supervise the order of the world. These Nine Heavens Fairies are the same as the Nine Heavens Saintess in the Kyushu Continent before, but the difference is that there are nine Nine Heavens Saintess in the Kyushu Continent, while in the Nine Heavens Continent there are nine. In Ziwei Continent, there is only one Nine Heavens Fairy.

At that time, this Nine Heavens Fairy, in addition to cultivating in the resting place, also liked to travel around on the rivers and lakes of the Lagerstroemia Continent.

During a trip, the Nine Heavens Fairy met a man named Dongfang Yu. The two fell in love at first sight, and after getting along for a long time, they made a private agreement for life.

You must know that the Nine Heavens Fairy represents the realm of the gods. In the human world, she rewards the good and punishes the evil. She must not have the slightest affair, but she has moved the heart of the common man. After being with Dongfang Yu for a year, she became pregnant with a child.

On the day the child was born, there was a natural vision. At that time, the entire Ziwei Continent was shaken. The Nine Heavens Fairy and Dongfang Yu were even more happy. After negotiation, they named the child Dongfang Wuji.

Dongfang Wuji is free and intelligent, inheriting all the advantages of his parents. He can memorize poems at the age of three, and can play chess with his father at the age of five. He can speak surprisingly long and has unique insights into everything.

At the beginning, the Nine Heavens Fairy was still a little troubled, because the child was too outstanding, and because of her status, she was afraid that she would be noticed by the gods one day.

But later, seeing that the child was so smart and likable, the Nine Heavens Fairy couldn't help but teach her what she had learned, and because of this, when Dongfang Wuji reached adulthood, not only did the martial arts reach the level of the world. At the top, even omnipotent, whether it is astronomy, geography, or formation and physiognomy, everything is fine.

Chapter 5214

Later, the Nine Heavens Fairy and Dongfang Yu went into seclusion.

However, before going into seclusion, the Nine Heavens Fairy called Dongfang Wuji to her, told her identity, and finally warned him that in the future, he must act in a low-key manner, but not be too public, otherwise, if the God Realm knows, the whole family will suffer. to catastrophe.

At that time, Dongfang Wuji was already in his twenties, and he even promised his mother the benefits.

Ten years ago, Dongfang Wuji has been traveling around the world, never arguing with others for his strengths and weaknesses, but gradually, he felt that it was very boring. Wouldn't it be a waste to just bring what you've learned into the loess?

But after having this idea, Dongfang Wuji was still a little hesitant, because he had promised his mother that he could not easily show his skills in front of outsiders, otherwise there would be a big disaster.

After struggling for two years, Dongfang Wuji finally came up with an idea and established the Hidden World Sect.

After more than a year of preparation, Dongfang Wuji established the Heavenly Secret Palace. The reason why it is called this name is that it is a metaphor for the meaning of 'the secret of heaven cannot be revealed'.

After the establishment of the Tianji Palace, Dongfang Wuji did not recruit disciples with great fanfare, but traveled around, adopting some orphans without parents and mothers, and then selected some people with outstanding talents from these orphans, and then taught them according to their aptitude and taught them their skills. .

In addition, Dongfang Wuji has formulated extremely strict rules, not allowing the disciples to say anything about the Heavenly Secret Palace, and there are also extremely strict requirements for the disciples to travel outside.

In this case, in the first few decades of the Tianji Palace, no one on the rivers and lakes knew about this sect.

It was not until a few hundred years later that a Jianghu man fell off a cliff, survived the disaster, and was rescued by the people of the Tianji Palace, which made the Tianji Palace appear on the rivers and lakes for the first time.

After another few hundred years, some news of the Tianji Palace was spread on the rivers and lakes.

According to the rumors of Jianghu, there is a hidden world sect Tianji Palace, deep in the mountains, it is like a paradise, and the disciples of Tianji Palace are almost omnipotent, not only are they all extremely powerful, but also can deploy extremely powerful formations , and a variety of sophisticated and cumbersome mechanisms.

For a time, countless people in the rivers and lakes were incomparably fascinated by the Heavenly Secret Palace, and even some people were proud to meet the disciples of the Heavenly Secret Palace.

When the Palace Master of the Heavenly Secret Palace passed to the twenty-third generation, the Heavenly Secret Palace was no longer as conservative as before, but began to recruit disciples for the entire Jianghu, because if the disciples were accepted according to the previous method, the inheritance of the Heavenly Secret Palace would be difficult to continue. Going down, after all, to secretly collect orphans, but also to select talents from orphans, this method is too harsh.

Therefore, the Tianji Temple continued for the first few hundred years, and it did not flourish. Instead, the number of people was smaller than the generation.

Under such circumstances, the 23rd generation of the palace masters withdrew the previous rules and began to recruit disciples in the rivers and lakes. That is to say, from this time on, the power of the Tianji Palace grew rapidly and became the first sect of the rivers and lakes. .

In the next few hundred years, the rivers and lakes of the entire Ziwei Continent can be said to be dominated by the Tianji Palace family.

But the good times didn't last long.

When the master of the Tianji Palace passed on to the 34th generation, two thousand years had passed since Dongfang Wuji founded the Tianji Palace. For two thousand years, the Tianji Palace enjoyed the most glorious glory, but the paper couldn't keep it. Fire.

Finally, Divine Realm knew about the private life of the Nine Heavens Fairy and human beings, and sent the gods and gods to punish them in the lower realm, and Tianji Palace, as a sect founded by the descendants of the Nine Heavens Fairy, was not able to escape the bad luck.

As a matter of fact, the last generation of the Palace Master of the Heavenly Secret Palace knew that such a day would come to the Heavenly Secret Palace when they were in power, so they built an underground town in advance to avoid disasters.

However, on the day that the Heavenly Secret Palace was destroyed, an accident happened. The palace lord failed to summon his subordinates and escaped into the underground town together. In desperation, he exhausted his last breath and escorted his daughter Dongfang Yunqing to the underground town.

And this Dongfang Yunqing is the little girl Yue Feng saw just now.

Chapter 5215 Phew

...

At this moment, after reading the content written on the silk, Yue Feng took a deep breath, unable to calm down for a long time.

It turned out that the little girl just now was the daughter of the last Palace Master of the Heavenly Secret Palace...

After careful calculation, the Heavenly Secret Palace has been destroyed for nearly a thousand years, so this little girl has also slept here for nearly a thousand years.

For nearly a thousand years, the rivers and lakes of the entire Ziwei Continent have long since changed. Dongfang Yunqing was just a twelve- or thirteen-year-old girl who

suddenly woke up. She had no relatives and no reason in this world. Thinking about it, she felt pitiful.

Thinking of this, Yue Feng sighed, and walked out of the palace quickly, thinking to find this Dongfang Yunqing quickly, not because of the identity of the other party, but because she felt a little pitiful and could help.

...

At this time, it was in a square a few hundred meters away from the palace where Yue Feng was located.

Swish swish...

Over a dozen sect masters, nearly tens of thousands of people passed through the energy vortex, were sent over, and scattered on the streets around the square.

God...

for a while, seeing the scene in front of me, all the experts in the arena were dumbfounded.

“I didn’t expect that there is no cave here.”

“What a big place, huh? The style of these buildings seems to be the handwriting of Tianji Palace...”

“Tianji Palace? Hahaha... There must be treasures here...”

After being shocked, I learned that this underground town was built by the Tianji Palace. In an instant, many experts in the rivers and lakes rushed into the nearby buildings with great excitement and began to hunt for treasures.

However, this place seems peaceful, but there are hidden traps everywhere.

After a while, someone touched the trap, and all of a sudden, the crowd, who were still extremely excited, was in chaos.

“Hurry away, this smoke is poisonous, spread out...”

“Ah... my eyes...”

“Everyone be careful, there are many traps hidden here...”

Amidst the exclamations and screams , The rest of the people hurriedly retreated to the square in the middle. At this time, the excitement and excitement of these people just now disappeared, only panic and anxiety remained.

“Everyone!”

At this moment, an old man came out, looked around and said loudly: “It’s definitely not possible for us to walk around like this, there are organs everywhere, and the organs of the Heavenly Secret Palace are not that easy. It’s broken.”

“The old man suggested that we temporarily recommend an alliance leader and give them a unified command, so as to reduce casualties, and when the treasure is found, everyone present will have a share.”

“Of course, this alliance leader needs to be capable and prestigious. Only those with knowledge will do.” The

old man was dressed in gray robes, and he was not angry and arrogant, and he was Li Qinghai, the great elder of Tianhaimeng.

Whoa!

As soon as Li Qinghai finished speaking, there was an uproar in the audience. Everyone present couldn’t help but scream.

“This method is good.”

“Okay, just choose an alliance leader.” Amidst the

crowd’s shouts, a Tianhaimen disciple came out and said loudly: “Among all the fellows present, we are the only ones who discuss seniority and seniority. The elder is qualified to be the leader of the alliance.”

When speaking, the disciple gave Li Qinghai a respectful look, his face full of admiration.

The voice fell, and people from other sects objected.

“Joke, your Tianhaimen’s Great Elder is just a little older, what qualifications do you have?”

“In terms of qualifications, it’s still our Red Clothes Sect’s Hall Master Xue.” “Hehe, my clan master is the

most qualified.”

Time, everyone recommended their own people, there was a lot of noise, and the scene was full of chaos.

call!

Seeing this situation, Li Qinghai took a deep breath, and a smile appeared on his old face: "Everyone, stop arguing, since there are so many people who feel that they are qualified to be the leader of the alliance, then let's hold a competition. "

In this way, each sect will send one person to compete with each other, and the one who wins in the end will temporarily replace the leader of today's alliance. Of course, our ultimate goal is to search for the treasures here, not to compete for the first place in the rivers and lakes. So the game is over, what do you think?"

Hearing this, everyone looked at me, I looked at you, and nodded.

"Okay..."

"This is fair, so let's learn from each other."

The ultimate husband in Chinese chapter 5216-5220

Chapter 5216

Everyone was talking about it, and immediately dispersed, leaving an open space in the center of the square as a venue for discussions.

call!

Seeing this scene, Li Qinghai showed a confident smile, looked around and said loudly: "Since everyone has no opinion, let's start the discussion. Anyone who wants to prove their strength, please come on stage!" With that, Li Qinghai slowly step aside.

As the Great Elder of Tianhaimen, Li Qinghai is very confident in his own strength. For now, let the other sects learn from each other, and when it is almost done, he will play to clean up the mess.

The voice fell, and everyone present looked at each other, all of them hesitated.

You must know that there are a lot of good things hidden in this underground town. All the sect masters present are not fools. They all want to preserve their strength and snatch treasures at that time. No one will be the first to take the lead. waste of energy.

"Haha!"

After the audience was silent for a few minutes, a tall man smiled lightly: "You people from the sect are more cautious than each other, it's just a discussion, and it has nothing to do with the reputation of the sect. Come out, then I'll take the lead." The

voice fell, and the man slowly walked into the arena, dressed in a black long gown, majestic and majestic, with an aura that should not be underestimated.

There was a strange long sword hanging from his waist, and he saw that on both sides of the long sword, one side was smooth and sharp, and the other side was full of sharp teeth.

In the blood tank in the center of the long sword, there is a long blood line. From a distance, it seems that it can devour the blood of the enemy at any time.

Hiss....

Seeing this person and the strange long sword on his waist, there was a burst of restlessness in the surrounding crowd, and many people couldn't help but gasped, and they couldn't hide the fear in their eyes.

"Yan Tengfei?"

"Ten steps to kill Yan Tengfei?"

This chapter is provided by . Visit for daily update.

"I heard that this long sword of Yan Tengfei will see blood every time it is unsheathed. Moreover, his ten-step one-kill stunt has never been broken. Unexpectedly, this person is also here today to join in the fun."

For a while, everyone around was talking, and looking at Yan Tengfei's eyes, there was also a bit of fear.

Yan Tengfei, a famous loner on the rivers and lakes of the Lagerstroemia Continent.

According to rumors, Yan Tengfei was an orphan. When he was very young, he was abandoned in the snow-capped mountains in the extreme north. However, he had his own destiny. He was not frozen to death, but was rescued by a snow-capped wolf king.

It can be said that before Yan Tengfei was fifteen years old, he had always been in the company of Xuelang, and as a result, he had sharpened his indomitable personality. Later, Yan Tengfei met a strange person in all corners of the world and taught martial arts, because he lived in the snowy mountains all year round. Growing up in this environment, Yan Tengfei has extraordinary perseverance. In just a few years, his strength has grown by leaps and bounds, and he has created a very sharp swordsmanship, which is called one kill in ten steps.

One kill in ten steps, as the name suggests, Yan Tengfei displayed his swordsmanship in a fight against others, and within ten steps he would surely kill the enemy with a long sword.

Not only that, but Yan Tengfei specially ordered someone to build a strange long sword in order to better display his swordsmanship.

At the age of 20, Yan Tengfei left the snow-capped mountains and entered the rivers and lakes. Although he possessed stunts, Yan Tengfei never easily fought with people unless the other party took the initiative to provoke him.

In the next few years, Yan Tengfei traveled from south to north, and fought with people nine times. None of the enemies survived, but those who died under Yan Tengfei's sword were either the notorious Jiangyang robbers, or despicable and shameless people.

The most famous battle was during half a year, when Yan Tengfei passed the Tiger Ridge, where bandits were ravaged by mountain bandits. The bandits entrenched there were not only vicious and brutal, but also captive tigers to hurt people. Yan Tengfei, with one person and one sword, fought fiercely with the mountain bandits for a day and a night, and wiped out the entire nest of mountain bandits.

That is, in this battle, Yan Tengfei made a name for himself in the arena.

Therefore, although Yan Tengfei did not belong to any sect, none of the people present dared to look down on him.

“Everyone!”

At this time, Yan Tengfei stood in the center of the open space, looked around, and said indifferently: “The representative of that sect, wants to challenge? Come up.”

Chapter 5217

Call!

Hearing this, everyone around, you look at me, I look at you, none of them challenged.

You must know that Yan Tengfei's ten-step one-kill stunt is very domineering and fierce. If you don't have full confidence, you will be humiliated when you go up. More importantly, there are so many people watching at the scene.

At this time, not far from the square.

After Yue Feng left the palace, he put away the silk, and after knowing the cause and effect of Tianji Palace, he couldn't calm down for a long time. Especially when he

thought of Dongfang Yunqing who ran away through the divine rune just now, his heart was even more anxious.

Must find her.

After making up his mind, Yue Feng quickened his pace.

Um?

It's just that he didn't go very far, and when he saw many people crowding around the square in front of him, Yue Feng was stunned.

I saw that many sect masters were surrounded by them, and there was an open space in the middle, which seemed to be holding discussions.

What the hell!

Seeing this scene, Yue Feng frowned secretly. It seemed that a huge pit appeared before the ground collapsed, which led these people to come here.

Realizing this, Yue Feng did not go past, but hid aside and watched quietly.

At this time, this side of the square.

Yan Tengfei asked the question again, with a smile on his face: "What? With so many sects present, are you still afraid of me being a sectarian?" The

voice fell, and the faces of everyone present became a little embarrassed.

Whoosh!

In the next second, a man pushed away the crowd and walked out. He reached the center of the open space and clasped his fists at Yan Tengfei: "Chen Wei at the Shendiaomen, I'm here to experience your great tricks."

"I heard about your ten steps. One kill is really powerful, but if it is against the stunts of our Shendiaomen, it will still be slightly inferior."

"So... the leader of today's alliance must belong to our Shendiaomen." The

last word fell, Chen Wei slowly Raising his hands, he clenched two twin thorns that shone with purple light.

Whoa!

In an instant, the surroundings were agitated.

“Shendiaomen went up to challenge...”

“Huh? This double thorn in Chen Wei’s hand, is it the ‘Flying Cloud Thorn’ on the weapon ranking spectrum?”

“It seems... I heard that half a year ago, Shendiao The door inspected an ancient tomb, and there are not only countless treasures in it, but also a pair of flying cloud thorns, I thought it was a rumor, but I didn’t expect it to be true.”

Under the discussion, many people stared at Chen Wei’s hands . The double thorns, unable to hide the envy.

In the Lagerstroemia Continent, there is no such thing as a rank for weapons, but there is a weapon ranking spectrum. According to legend, this ranking spectrum was written by a strange man in the rivers and lakes thousands of years ago. It lists some magical weapons that have appeared on the Lagerstroemia Continent since ancient times. Weapons, it can be said that as long as the weapons can be written into this ranking spectrum, they are all treasures that cannot be found.

Under this circumstance, Chen Wei showed Feiyun Thorn, and everyone present naturally couldn’t calm down.

Haha...

Seeing this scene, Yue Feng, who was hiding aside, couldn’t help but secretly laughed. Naturally, he would not be interested in any flying cloud thorns, but he was a little amused by the actions of these sect masters at this time.

They chose the leader of the alliance in the mode of competition, which must be to better explore this underground town. The ultimate goal, of course, is to find treasures.

It’s a pity that there are secrets hidden everywhere in this place. Even if these people temporarily form an alliance, it will not help. In the end, I am afraid that the bamboo basket will be empty.

Thinking about it, Yue Feng wanted to leave.

However, the square is the only way for Yue Feng. In order to avoid being discovered, Yue Feng can only bear it temporarily.

At this time in the open space.

Yan Tengfei looked at Chen Wei up and down, took a deep look at Feiyun Thorn in his hand, and looked indifferent: “Feiyun Thorn? It’s interesting. It’s a good weapon, but it’s a pity that it’s in your hands, I’m afraid it’s a waste.

” The meaning is obvious, with Chen Wei’s strength, it is impossible to exert the power of Feiyun Thorn at all.

Swish!

Yan Tengfei’s tone was indifferent, but when Chen Wei heard it, he seemed to have been greatly humiliated, his face flushed, and his heart was instantly angry.

“Stop talking nonsense!” The

next second, Chen Wei shouted, unable to hide the anger in his heart: “I’m not qualified to use the thing that Feiyun thorn makes us divinely carved door, it’s not your turn to take care of it, take the trick Bar.”

Chapter 5218 When the

last word fell, Chen Wei shot up, flying clouds in his hand, and two cold beams erupted, like a meteor, quickly stabbing towards Yan Teng!

At this time, Chen Wei, in order to show the power of Shendiaomen in front of everyone around him, made a killing move.

hum!

I saw that wherever the Flying Cloud Thorn passed, the air was torn apart, and the power was amazing.

Seeing this scene, many people around couldn’t help but sweat for Yan Tengfei.

“It’s so strong!”

“As expected of a weapon written on the weapon spectrum, the power of this flying cloud thorn is truly extraordinary.” “I don’t know if Yan Tengfei

can block this blow.”

His face was calm, not panic at all.

clang!

Seeing that the Feiyun Thorn was about to stab his body, in the midst of the lightning, Yan Tengfei took a step back, raised the scabbard horizontally, and blocked it in front of him, when he heard a metal collision, Chen Wei’s sharp shot. He hit, but Yan Tengfei easily blocked it.

What?

Chen Wei stabilized his figure, his face changed greatly, and his heart was extremely shocked.

This is impossible. Among the younger generation on the rivers and lakes, there are very few who can block his own move, and Yan Tengfei in front of him not only blocked it, but even the long sword was not sheathed, just blocked it with the scabbard.

Ha ha!

Just when Chen Wei was shocked, Yan Tengfei smiled slightly: "I said, you are not my opponent, let's go." The moment the words fell, Yan Tengfei put away his long sword and slapped lightly.

This palm, seemingly slow, hit Chen Wei in the blink of an eye.

Chen Wei wanted to dodge, but it was too late. With a grunt, the whole person stepped back several dozen steps, and directly withdrew from the competition venue. After stabilizing his figure, his face turned blue and white, obviously suffering from internal injuries.

Chen Wei was very unconvinced, but he had to admit if he lost. He glared at Yan Tengfei before retreating.

Whoa!

At this moment, everyone around was in an uproar.

This Chen Wei, with the flying cloud thorn in his hand, was not Yan Tengfei's opponent. More importantly, Yan Tengfei didn't even draw his sword.

As expected of a famous solo traveler, this strength is too strong.

Feeling the admiration of the people around him, Yan Tengfei showed a smile on his face, standing there, very relaxed and comfortable.

Huh ...

At this moment, Yue Feng, who was hiding in the dark, looked at Yan Tengfei with his eyes, and couldn't hide the praise in his eyes.

This Yan Tengfei is a bit interesting!

It's just... just keep fighting like this, until when will we learn from each other.

Thinking about it, Yue Feng was a little anxious.

“Everyone!”

Just when Yue Feng was secretly anxious, Yan Tengfei, who was standing in the center of the open space, glanced around slowly, smiled and said, “Which other sect representative is going to come up to challenge?”

Everyone looked at each other in dismay. .

“I’m coming!” In the

next second, an elite disciple of Beihai Xingsu strode out and challenged Yan Tengfei.

bang bang...

However, in less than two rounds, Yan Tengfei caught a flaw in the opponent, and easily slapped the disciple to defeat the Beihai Xingsu disciple.

In the next few minutes, several more sect representatives came up to challenge Yan Tengfei. However, although these people were not weak, they were still inferior to Yan Tengfei, and they were all defeated by Yan Tengfei!

For a time, Yan Tengfei was like a rainbow, standing there at this moment, smiling at the crowd and asking, “Is there anyone else coming up to challenge?”

When he spoke, Yan Tengfei’s face was full of confidence.

However, the answer to him was silence.

Everyone, look at me, and I look at you, with some fear in their eyes.

This Yan Tengfei has defeated so many sect masters in a row, and many of them retreated with one move. Under such circumstances, who would dare to go up and look uncomfortable?

However, Li Qinghai, who was standing beside him, narrowed his eyes slightly.

This Yan Tengfei has helped me defeat so many competitors, and there are not many sects left, so it’s time for me to do it myself. The position of the leader of the alliance today must belong to Tianhaimen.

I thought to myself that Li Qinghai was about to play.

“I’ll meet you when I come.”

However, before Li Qinghai could leave, a pleasant shouting sound suddenly sounded, and then, a charming figure crossed the heads of everyone and landed in the center of the open space.

Chapter 5219

With a slender and graceful figure, delicate facial features, and a forcing coldness permeates his body.

It is the third sister Ruxue in the Six Swords Princess!

Whoa!

Beautiful, so beautiful.

As soon as Ruxue appeared on the stage, the audience suddenly became restless, and her charming appearance attracted the attention of many men in an instant.

The facial features are exquisite and beautiful, the long hair is shawl, especially the impeccable body, all the men present have straight eyes!

Damn it, it's her!

At the same time, Yue Feng, who was hiding not far away, was stunned when he saw Ruxue appear.

It was because of the fierce battle with Liujianji that the ground collapsed, and the underground town that had been hidden for many years was brought back to the world. Yue Feng thought that after the Liujianji entered the underground town, they would definitely explore everything here together. I never thought that Ruxue would appear here and compete for the position of the leader of the alliance.

At this time, Yue Feng didn't know that after Liu Jianji was sent in, she was scattered.

At that time, Ruxue was teleported near the square. I tried to explore the surroundings just now, but I touched the organ. For a while, Ruxue was afraid, and did not dare to act rashly.

Just when Ru Xue didn't know what to do, the major sects sent in one after another. At this time, seeing that everyone was going to elect the leader, Ru Xue thought about it and decided to fight for it.

As long as you become the leader of the alliance, it will be much easier to find other sisters.

Phew...

At this moment, everyone looked at Ruxue in the center of the open space and admired its beauty, and they couldn't help but talk about it.

“One of the Six Swordsmen of Nianhua Palace..”

“I've always heard that the Liujianji of Nianhua Palace, all of them are beautiful and beautiful, and the city is beautiful. When I saw them today, they really deserved their reputation.”

“Liu Jianji is not only beautiful, but also very strong. , Some have seen it.” The

crowd's comments came, and Ru Xue's delicate face did not fluctuate at all.

call!

At this moment, Yan Tengfei also looked at Ruxue deeply, and the corners of his mouth twitched, revealing a polite smile: “It turned out to be Miss Ruxue, one of the Six Swordsmen of Nianhua Palace.”

“Speaking of which, I have never had sex with a woman. If you have any offenses later, don't take offense.”

Yan Tengfei has been traveling around the world for several years, and he naturally knows Liujian Ji of Nianhua Palace.

Facing Yan Tengfei's politeness, Ruxue's face was indifferent.

In the next second, Ruxue said lightly, “Don't talk nonsense, let's get started.” When she said this, Ruxue couldn't hide her urgency.

I've been separated from my sisters for more than an hour, and I don't know what happened to them. I have to quickly end the discussion and bring everyone to find them.

Uh!

Facing Ruxue's coldness, Yan Tengfei smiled awkwardly: “Okay, since Your Excellency is so impatient, I'll take it easy, look at the move!” After the

voice fell, Yan Tengfei flashed and slapped Ruth directly with his palm. Snow hits.

This palm seems to be light, but it contains a very strong internal force. I can see that when this palm is hit, the air around Yan Tengfei seems to be stagnant.

Seeing this palm open, Ruxue's face was as usual, and there was no intention of dodging, and then the jade hand raised, and it was also a palm to meet.

boom!

In the next second, the two of them collided with each other and let out a dull sound. Immediately afterwards, the figures of the two sides were shocked, and they took two steps back at the same time.

Obviously, neither side took advantage of this palm.

However, Yan Tengfei was secretly shocked. You must know that when he was young, he had always lived in the cold snow-capped mountains. That is to say, under that kind of environment, he had cultivated incomparably strong internal strength. With seven layers of internal force, he couldn't suppress this snow?

Clang!

Under the shock, Yan Tengfei did not hesitate at all, and sure enough, he pulled out his long sword. In an instant, the moment the blade was unsheathed, a cold light flashed out.

Within a thousand meters, there was a strong murderous aura.

In the next second, Yan Tengfei's figure erupted, and the long sword came towards Ruxue like a shock.

One kill in ten steps, and the one in the middle will die.

Seeing this scene, the hearts of everyone watching the battle were instantly suspended, and they couldn't help sweating for Ruxue.

"Yan Tengfei has used his ultimate move."

"Is this a ten-step one-kill stunt? What an amazing murderous aura..."

Chapter 5220

"I don't know if this beauty can be stopped."

Everyone was talking about it, and even Yue Feng, who was hiding not far away, felt Yan Tengfei's sword energy, and his expression became solemn.

Clang!

At the same time, in the face of Yan Tengfei's ten-step kill, Ruxue's delicate face could not hide a bit of fear, but she didn't think much about it at the time, she drew out her long sword and attacked.

As one of the Six Swordsmen of the Nianhua Palace, Ruxue's swordsmanship is also incomparably outstanding. At this time, facing Yan Tengfei's stunt, he is not afraid at all.

Boom!

In the next second, the two figures collided in mid-air, and they saw each other, and they heard a crisp sound, like the long sword in Xue's hand, which was directly shot down by Yan Tengfei.

Speaking of which, Ruxue and Yan Tengfei are of equal strength, but they cooperated with other sisters and fought fiercely with Yue Feng, which consumed a lot of internal strength. live.

Whoosh!

At this time, Ruxue's long sword was shot down, Yan Tengfei's figure turned, and the sword edge drew a cold light in the air, and quickly stabbed Ruxue's heart.

One kill in ten steps will surely take people's lives. This is Yan Tengfei's habit since he set foot in the arena.

Done.

Ruxue couldn't dodge this sword at all. Seeing Yan Tengfei's long sword approaching quickly, a wave of despair surged into his heart. I thought of competing for the position of the leader of the alliance so that I could find other sisters, but I didn't expect that they would die under the sword of Yan Tengfei in the end.

In desperation, Ru Xue slowly closed her eyes.

Did she give up resisting?

Seeing this scene, Yan Tengfei's heart suddenly moved, and he felt a hint of pity, and immediately withdrew the sword. Although he had no friendship with Ruxue, he couldn't bear to see her like this.

Moreover, this time, it was said that the end of the discussion, I really couldn't bear to hurt her.

Um?

Realizing that Yan Tengfei's long sword had not pierced, Ruxue opened her eyes suspiciously, seeing Yan Tengfei looking at herself thoughtfully, and Ruxue realized something in an instant.

This Yan Tengfei, seeing that I am beautiful, can't bear to start?

Sure enough, there is no good thing for men in the world, all of them are lechers.

Thinking of this, a trace of contempt flashed in Ruxue's eyes, and without any hesitation, she raised her jade hand and slapped Yan Tengfei with a savage palm.

boom!

All this happened too fast, and Yan Tengfei had just shown mercy, and he never thought that Ruxue would suddenly attack. At that time, it was too late. He was hit hard by this palm, and immediately groaned, and the whole person flew a few meters. far, fell heavily to the ground.

After landing, Yan Tengfei looked at Ruxue in shock and fury. Before he could speak, his eyes darkened and he passed out.

This....

seeing this scene, the audience was in an uproar, and many people were stunned.

what's the situation? Didn't Yan Tengfei have the advantage just now? How could he be defeated by this woman in a blink of an eye?

And some people with outstanding strength, such as Tianhaimen elder Li Qinghai, are secretly frowning. This Ruxue was too cruel, Yan Tengfei was soft-hearted just now, and abruptly withdrew the sword move without hurting her.

However, Li Qinghai held his own identity and did not accuse Ruxue in public, but held back.

call!

At this time, Ru Xue secretly let out a sigh of relief, her delicate face did not fluctuate at all, she said to the crowd, "Is there anyone coming to challenge?" The

voice fell, and many people were eager to try.

Bang bang bang...

However, everyone who played was beaten very badly by Ruxue, either injured or broken, or passed out.

"Ah..." The

last person to play was even more shattered, and he screamed and died.

Seeing this scene, many people were shocked and angry, and this woman was too ruthless.

Li Qinghai couldn't take it anymore. He took a step forward and glared at Ruxue: "This time, when we talk about it, it's time to stop, but you are so ruthless." When he spoke, Li Qinghai kept his words straight. It looked like, but there was a sinister twinkle in his eyes. Tianhaimen had had a festival with Nianhua Palace. At this moment, seeing Ruxue provoking public anger, it was naturally a pleasure to see it.

The ultimate husband in Chinese chapter 5221-5230

Chapter 5221

Wow!

At the same time, the other sect masters present couldn't stand it any longer, and they all pointed at Ruxue and shouted.

"Elder Li is right, your shot is too ruthless." "

This is just a discussion, but you shot so hard?"

"That is, is this too much?"

Xue's delicate face was full of indifference. At that time, she looked around and said coldly, "It's because their skills are inferior to others, who can be blamed?"

"I've already shown mercy, otherwise, they will end up worse. "

Ru Xue is right, they Liu Jian Ji, all of them are ruthless, they have already reserved their limits just now, otherwise none of the challengers just now will survive.

Ruxue has an arrogant temperament and has always respected the strong, but she forgot that it was only a temporary alliance in front of her.

The voice fell, and everyone around was even more shocked.

Uh...

Seeing this scene, Yue Feng secretly shook his head and smiled bitterly.

This Ru Xue, although his strength is outstanding, his emotional intelligence is really not very good. You beat each and everyone of the challenges so badly. Who will support you as the leader of the alliance later?

It's so rude.

"A good skill is not as good as others!"

This chapter is provided by . Visit [for](#) daily update.

Finally, Li Qinghai was the first to react, and with a dignified expression on his face, he pointed at Ru Xuen and shouted: "As you say, all the sect masters present are not as strong as you Nianhua. Palace?"

Li Qinghai's face was sinister when he shouted angrily.

What he shouted sounded nothing at first, but after careful consideration, it could be seen that he was deliberately trying to provoke the relationship between Ruxue and the major sects. It is completely to sow discord and deepen the conflict.

Whoa!

The moment the voice fell, the masters of the major sects around were excited one by one, and their eyes were locked like snow.

This woman, because she is one of the six swordsmen of the Nianhua Palace, doesn't she put the major sects in her eyes?

If this is the case, then she is even less qualified to compete for the leader.

Ha ha!

Ruxue didn't hear what Li Qinghai said, so she just wanted to end the discussion quickly, so she sneered and ignored it. However, this reaction hit Li Qinghai's trap.

"Interesting!"

Seeing her reaction, Li Qinghai smiled and said yin and yang strangely: "Look at this, Nianhua Palace really doesn't care about the major sects."

After speaking, Li Qinghai looked around, Loudly said: "Everyone, this woman is not here to compete for the leader of the alliance, but to make trouble on purpose. If my guess is correct, the people from the Nianhua Palace have been secretly investigating around, in order to prevent us from robbing the people here. Treasure, let her disturb us."

"It's so sinister and despicable, let's take her down together."

After speaking, he was righteous.

Whoa!

The moment the words fell, dozens of Tianhaimen disciples rushed towards Ruxue and surrounded her tightly.

At the same time, the leaders of other sects also issued orders one after another.

"The disciples of Ziyun Pavilion obey the orders and take down this arrogant woman."

"Disciples of Shendiao Sect, take down Ruxue."

WOW.

With a loud shout, many sect disciples, after hearing the order, all pulled out their weapons and directly surrounded Ruxue, adding up to a thousand people.

In the hearts of these sect disciples, the sight in front of them is like snow, and they are so ruthless, and they despise the major sects so much that even if they look beautiful, they cannot tolerate it.

“You guys...”

Seeing this scene, Ruxue didn't feel nervous at all, her beautiful face showed a trace of anger: “If you can't beat me, you just want to bully the less, you want shame? Are there any rules?”

Alliance Leader?

Hearing this, Li Qinghai smiled coldly: “A ruthless person like you is not qualified to compete for the leader of the alliance, and you don't need to be disciplined at all.”

“I tell you, if you are obedient and capture, maybe we can still Give you a chance to live, if you resist, don't blame us for being rude.”

“The disciple you killed just now, we want to get justice for him.” A

few words, no doubt.

“You want me to be captured? Dreaming.” Ru Xue clenched her sword tightly, showing a bit of determination on her delicate face.

Chapter 5222

As one of the six swordsmen, when have you been too soft on the rivers and lakes?

“Since you're stubborn, then don't blame us.”

Li Qinghai was too lazy to talk nonsense at this time, took a deep look at Ruxue, and then shouted: “Fellow fellows, don't hesitate, join hands to get rid of this very bad thing . Poisonous woman.”

“Kill!” The

last word fell, and the nearly a thousand sect disciples surrounding them suddenly exploded with inner strength, clenched their arms tightly, and charged directly towards Ruxue.

Seeing this scene, Ru Xue's delicate face instantly flushed red, and she shouted: "A bunch of hypocrites, hypocrites, want to take my life, it depends on whether you have the ability."

Om!

Under the anger, Ruxue's inner strength exploded, and a powerful breath swept out.

Feeling the powerful aura of the snow, the disciples of the major sects showed some fear in their eyes, and many people slowed down and flinched.

In the competition field before, the people who played against Ruxue were either disabled or fainted. They had seen it with their own eyes, and they all knew how powerful she was. Everyone wanted to live well, and didn't want to be the first to die.

What a bunch of scumbags.

Seeing this situation, Li Qinghai frowned secretly, then thought of something, and shouted: "Don't be afraid, she is alone, and whoever catches her will have the right to deal with him." Li Qinghai, as a

Tianhaimen The great elder, who has been walking on the river for so many years, is well aware of the sinister nature of human nature. The sight in front of him is like snow, and he looks like a country and a city. None of the male disciples of the sect present are not greedy. There are brave men.

Whoa!

Sure enough, upon hearing this, the people who were still a little dreadful at this time felt as if they had been beaten by chicken blood, and their whole body was ignited with fighting spirit.

"Elder Li is right, she's alone, don't be afraid!"

"Yes, let's go together." "Don't talk nonsense

, the right to dispose of it is definitely mine."

come up.

What a bunch of shameless people.

Facing this scene, Ruxue's delicate face was full of shame and anger, and without any hesitation at that time, she clenched her long sword tightly and burst out a sword trick.

Chi Chi...

In an instant, I saw a dazzling ray of light that directly enveloped Ru Xue, and then, the spiritual energy of heaven and earth condensed crazily around Ru Xue.

For a time, within 100 meters around, the breath surged.

I saw Ru Xue clenched the long sword, suspended in mid-air, her long hair fluttering, like a god of war among women.

“Jian Luo Jiutian!” In the

next second, Ru Xue’s red lips parted lightly, coldly spit out four words, and the long sword in his hand suddenly pointed at the crowd!

Swish swish...

The last word fell, and above Ruxue’s head, the aura of heaven and earth condensed together, transformed into sword shadows, crashing down, and the air was torn apart by cracks wherever it passed!

I’m going....

Seeing this scene, Yue Feng, who was hiding in the dark, narrowed his eyes slightly, and couldn’t help but admire in his heart.

I can’t tell that there is such a powerful sword technique on Ziwei Continent. Compared with the previous Six Paths Sword Formation, it is not inferior at all. However, this sword technique takes almost all of Ruxue’s internal strength. The enemy is defeated, I am afraid that she will fall into a doomed situation.

At the same time, Li Qinghai also frowned, and his eyes flashed with a bit of ruthlessness.

The Liujianji of Nianhua Palace, each with outstanding strength, can be said to be a serious problem for Tianhaimen’s confidants, and now, Ruxue is only one person, and the power has erupted. If the six swordsmen gather together, the power is even more difficult to imagine.

So, we must get rid of this snow today.

“Ah!” The

sword shadows from the sky erupted, and none of the sect masters who surrounded them had time to react. At that time, they only felt that their eyes were blurred, and the terrifying power of the sword shadows had erupted around them. Suddenly, many People let out a scream.

This sword tactic killed hundreds of people on the spot, and the remaining ones who survived by luck also vomited blood, their faces were pale and pale, and they lost their combat effectiveness.

hiss!

Seeing this scene, those sect masters who were lucky enough to survive couldn't help but take a deep breath.

"This woman is so strong?"

Chapter 5223

"As expected to be one of the six swordsmen of the Nianhua Palace, under the siege of so many people, it is terrifying to be able to defeat so many people."

"But she used this move resolutely, and her internal strength seemed to be consumed. It's almost there."

Many people were shocked when they saw Ru Xue's face pale and her delicate body trembling. Is the end of the crossbow.

"Quick!" Li Qinghai couldn't help shouting when he found this: "She has almost exhausted her internal strength. Everyone is eager to take her down."

"Whoever takes her down first will own her. The right to dispose of it."

Whoa...

Hearing this, everyone rushed up like crazy again.

Everyone's guess was good. Ruxue's internal strength was severely depleted. At this time, facing the attack of everyone, he still couldn't resist. In less than a moment, Ruxue charged two swords, and in an instant, blood sprayed out.

Dengdeng...

The pain of the wound came, such as Xuejiao's body trembled, staggered back two steps, her face became paler, and her weak appearance was pitiful.

Seeing this situation, Yue Feng couldn't calm down. Speaking of which, although the Six Swordsmen had a cold temperament and even a little unreasonable, they were not guilty of death.

More importantly, Yue Feng couldn't bear to see her being humiliated by everyone because of such a pure and clean woman.

Haha...

At this moment, a sect disciple rushed in front of Ru Xue with a wicked smile on his face, looking at her slender body with unbridled eyes: "One of the six swordsmen who are famous in the rivers and lakes, immediately It's going to fall into my hands, haha, it's really exciting."

"Beauty, don't worry, I won't hurt you, as long as you are obedient." After the voice fell, the disciple speeded up and grabbed Ruxue's wrist directly.

Damn...

In the face of this situation, Ruxue was extremely sad and angry, but her body was so weak that she had no time to dodge. In shame, she could only close her eyes in despair.

Did he fall into the hands of these people like he was one of the Six Swordsmen? Rather than being caught and humiliated, it is better to die.

Thinking of this, Ru Xue clenched her long sword and slashed it directly towards her neck...

Yes, Ru Xue planned to commit suicide on the spot, she had a tough personality and would rather die than be humiliated.

What?

Seeing Ru Xue going to commit suicide, whether it was Li Qinghai or other sect masters, they were all shocked. They never thought that this woman had such a tough personality and would rather die than become a prisoner.

"What a stupid woman!"

Seeing that Jianfeng was about to cut Ruxue's neck, just at this critical moment, a magnetic voice came from not far away.

Immediately afterwards, a mighty force erupted from not far away, and then a figure stood in front of Ruxue like lightning, shot like electricity, raised his hand and shook the long sword in Ruxue's hand to the ground. .

Dang

bang... With the crisp sound of the long sword falling to the ground, everyone's eyes were on this uninvited guest, and they saw that he was tall and straight, wearing a black long gown, and a black cloth covering his face, although he couldn't see clearly.

Appearance, but a pair of eyes exposed outside, like the stars in the sky, revealing a kind of wisdom that sees through everything.

Yes, it is Yue Feng.

Speaking of which, Yue Feng didn't want to show up, but he couldn't bear to see Ru Xue's end, so he took the risk to rescue him. In order to avoid being discovered, he deliberately covered his face with a black cloth.

After all, many of the sects present were somewhat related to Yue Feng, and hiding their identities could save a lot of trouble.

"You..."

Ruxue froze for a moment, staring at Yue Feng blankly, her beautiful face full of complexities: "You... Who are you?" Liu Jianji has been in the world for so many years, because of her lonely personality. Leng never made friends, so Ruxue was very surprised that under such circumstances, someone came forward.

Yue Feng smiled slightly and said solemnly: "Don't talk, I will take you away later." After saying that, he looked around and looked at the masters of the major sects in front of him.

"Who are you?"

At this moment, Li Qinghai was the first to react, took a step forward, and shouted at Yue Feng: "Dare to meddle in your own business, have you thought about the consequences?"

Chapter 5224

Ha ha!

Feeling Li Qinghai's anger, Yue Feng smiled lightly: "It doesn't matter who I am, the important thing is that if so many of you bully a woman, if it spreads to the rivers and lakes, you won't be afraid of being laughed at?"

"Also, she is One of the Six Sword Princesses of the Nianhua Palace, is not afraid of revenge after being bullied so much by you?"

Hearing this, Li Qinghai's face flushed, and he didn't know how to refute for a while.

Phew...

At the same time, the masters of the major sects around were also embarrassed.

Soon, Li Qinghai came to his senses, with anger flashing in his eyes, and said coldly to Yue Feng: "This is about us and Nianhua Palace, it's not your turn to intervene. Those who are sensible, hurry up, or you will teach me You have no place to die."

"You don't dare to show your true face, and you dare to meddle in your own business and court death."

"What if I don't leave?" Yue Feng said lightly.

hum!

Hearing the answer, Li Qinghai didn't talk nonsense, his inner strength exploded, he raised his hand and called directly to Yue Feng.

In Li Qinghai's heart, the person in front of him had his face covered, and his strength was definitely not that great. Otherwise, why wouldn't he dare to show his true face? To deal with this kind of person, there is no need for nonsense at all.

Seeing Li Qinghai's palm call, Yue Feng chuckled lightly, and slowly raised his right hand, and also greeted him with a palm.

boom!

In the next second, the palms of the two collided, and a roar erupted. Li Qinghai groaned, and the whole person took a dozen steps back, his face flushed red.

However, Yue Feng stood there motionless, as steady as a rock.

Obviously, Li Qinghai suffered from this palm.

Speaking of which, Li Qinghai, as the great elder of Tianhaimen, has the highest strength in the rivers and lakes. It is a pity that the opponent he met today is Yue Feng. Not that he can compare.

What?

After stabilizing his figure, Li Qinghai's face was full of horror, and his eyes were even more shocked to look at Yue Feng.

How can it be? The palm of his hand just now stimulated 80% of his skill, and it didn't hurt this person at all. This person is young, and his inner strength is so deep.

When did such a No. 1 person appear on the rivers and lakes?

Hiss...

At the same time, the other sect masters around couldn't help but take a deep breath, looking at Yue Feng's eyes, they were all incomparably shocked.

Is this kid so strong?

With just one move, the Great Elder of Tianhaimen was repelled.

If you hadn't seen it with your own eyes, who would have believed it?

call!

Facing the eyes of everyone, Yue Feng breathed a sigh of relief, and secretly used ventriloquism to make his voice very thick: "I don't want to cause trouble, and I don't want to be an enemy of everyone present, now I just want to take her away, If anyone is not convinced, just come up." The

voice was not loud, but it spread to every corner of the square.

Feeling the aura that filled Yue Feng's body, the masters of the major sects looked at each other, none of them dared to step forward.

Even Li Qinghai of Tianhaimen is not an opponent, who dares to go up and ask for trouble?

Seeing that no one answered, Yue Feng stopped talking nonsense: "Since no one has an opinion, then I will take the person away." The voice fell, Yue Feng grabbed Ruxue, and jumped into the air, just a breath Kung Fu disappeared from everyone's sight.

Ma De...

Seeing Yue Feng leaving with Ru Xue, the sect masters present were indescribably holding back their fire, but they were afraid of Yue Feng's strength, and none of them rushed to pursue him.

At this moment, Yue Feng is here.

"You..."

In the mid-air of the underground town, Ruxue was tightly grasped by Yue Feng. She was very puzzled and couldn't help but say, "Who are you? Why do you want to help me?"

"Li Qinghai, looking at the age is not very big, the inner strength is so deep, it is really incredible, but, in the arena, I don't seem to know such a person.

Yue Feng smiled slightly and said lightly: "It doesn't matter who I am, I just pass by and can't stand what those people do. So, you don't have to think about repaying me." As he spoke, he saw an attic in front of him. The location is relatively remote, and no one should come. At that time, Yue Feng did not hesitate at all, and directly landed in the attic with Ru Xue.

Chapter 5225

"Okay!"

The moment he entered the attic, Yue Feng looked at the surrounding environment and said lightly: "This place is relatively remote, and no one will come for the time being, so you don't have to worry about being disturbed.

"Let's take a step first." The

voice fell, and Yue Feng turned around and was about to leave.

Although her face was covered with a black cloth, Liu Jianji was not an ordinary woman. I was afraid that she would find out her identity when she showed some flaws later, so Yue Feng would not stay for a long time.

"You... you stop!"

Just before taking two steps, there was a cry like snow behind him: "We Nianhua Palace, never receive favors in vain, you tell me your name, I will definitely have a chance in the future. Return your favor."

When she said this, Ru Xue's face was weak, but her eyes flashed with determination.

Uh....

Hearing this, Yue Feng stood there, looked back at Ru Xue, and smiled bitterly: "I said it just now, I was just passing by, I just helped you, no need to repay."

Kill yourself . After her junior brother Xu Wenliang, she couldn't reveal her identity at all. What else could she talk about to make her return the favor?

Seeing that he was reluctant to report his name and identity, Ruxue suddenly became anxious, struggling to stand up, but accidentally affected the wound, and suddenly her delicate body trembled, and her eyes turned black.

Putong...

The severe pain came, Ruxue finally couldn't bear it, fainted directly, and fell to the ground softly.

Before she broke out a sword technique, her internal strength was almost exhausted, and then she was hit by a few more swords and lost too much blood. No matter how strong a person was, no one could withstand such an injury.

Alas, this woman is so persistent.

Seeing Ruxue fainting, Yue Feng sighed, walked over quickly, helped her up, and then made her lean against the wall. After doing this, Yue Feng felt the snow-like situation and frowned.

Oops!

This woman has a serious internal energy consumption, and has lost too much blood. If she does not want to be cured, she is afraid that her life will be in danger.

However, men and women are not close to each other, if you want to save her, it is inevitable that you will touch skin.

For a time, Yue Feng's brows were furrowed, and he was in trouble. Because Ruxue lost too much blood, if she wanted to save her, the first thing she did was to help her bandage the wound, and then inject internal force into her body to keep her vitality.

never mind!

A few seconds later, Yue Feng stood up and said to himself: "Several of her sisters are also here, maybe they will find it in a while, seeing her like this, I will definitely do my best to save her, so I won't ask for it by myself. Trouble."

But after thinking about it, it felt wrong again.

This place is so big, if within a few hours, Ruxue's sister doesn't come here, wouldn't she be dead?

After thinking about it for a long time, Yue Feng turned back to Ru Xue, and while uncovering her clothes, he said, "I am here to save your life, not to take advantage of you.

" The wind tried his best to keep himself calm.

Gudong!

But after taking off the long skirt, Yue Feng couldn't help swallowing his saliva when he saw the graceful curves like snow exposed in front of him.

I have to say, this Ruxue is not only beautiful in appearance, but also in body, especially the skin like suet jade, which can be broken by blowing bullets. Although Yue Feng has seen many beautiful women, he is a little unable to extricate himself at this time.

After more than ten seconds, Yue Feng helped Ruxue to bandage the wound, put on her long skirt again, and then sat cross-legged and stretched out her hands, pressing her hands against her back, and slowly injected divine power into her body.

....

on the other side. in the square.

Yue Feng rescued Ru Xue, and the masters of the various sects were very suffocating, but there was nothing they could do.

“Everyone!”

At this moment, Li Qinghai walked slowly to the center of the square, and said indifferently: “It doesn’t matter if the woman is rescued, as long as we quickly select the leader of the alliance and lead everyone to explore this underground town, I believe we will find it soon. Her whereabouts.”

“At that time, there will be a unified command from the leader of the alliance, not to mention the woman alone, even if the six swordsmen gather together, we can catch them all in one go.” The

voice fell, and many people around nodded in agreement.

“Elder Li is right, let’s continue the discussion.”

“Yes, we can’t forget the business.”

Hearing everyone’s answer, Li Qinghai smiled slightly and clasped his fists at everyone: “Since everyone has no objection, I Li Qinghai will Let’s take the lead, who will come up to teach you?”

The ultimate husband in Chinese chapter 5226-5230

Chapter 5226 The

voice is not loud, but it is full of momentum.

At this time, Li Qinghai’s expression was indifferent, but he couldn’t hide the excitement in his heart.

Haha... Just now, Ruxue of Liujian Ji defeated so many masters on the field, and now there are almost very few people who can play. The position of the leader of the alliance has been settled by himself.

Huh....

Seeing this scene, the masters of the major sects present, look at me, I look at you, no one came up to challenge, in the previous competition, many representatives of the sects were defeated by Ruxue In hand, there are really not many who can play now.

Hehe....

Seeing that no one took the initiative to come up, Li Qinghai became more and more confident. At this time, he smiled slightly and said slowly: "If you don't have confidence in yourself, let's change the rules."

"From now on, we haven't played yet . How about sending two people out to challenge?"

Those who haven't competed in the arena are all small sects on the rivers and lakes, even if they sent two people, Li Qinghai didn't panic at all.

Wow....

Hearing this, there was an uproar in the audience, and many people looked at Li Qinghai with complex eyes.

Is the Great Elder of Tianhaimen overconfident? It was changed to two people to challenge alone. Do you really think that apart from their Tianhaimen, there will be no strong players?

For a time, many sect masters were very unhappy in their hearts, but because of Li Qinghai's identity, it was not easy to reprimand them in person.

"Haha..."

At this moment, a tall man strode out, first laughed loudly, and then said to Li Qinghai: "Since Elder Li is so confident, then we are welcome."

This chapter is provided by . Visit [for](#) daily update.

It was the chief disciple of King Kong Sect, Wanyan Gang.

King Kong Gate, once the gate of Buddhism, has gradually developed and has a pivotal position in the arena.

As soon as the words fell, Wanyan just waved at her back, when a short figure followed, and she saw that this person was not tall, very thin, but the skin all over his body showed a bronze-colored luster.

It was Wanyan Gang's younger brother, Shi Tian.

Shi Tian was born a dwarf, but his strength was infinite. He was very compatible with the practice of Jin Gangmen, so he was very much used and loved by the head of the King Kong sect, and he had a very close relationship with Wanyan Gang. The two brothers and sisters often travel together in the arena. At this time, seeing Li Qinghai threatened to be present, the sect sent two people to challenge. Wanyan Gang did not hesitate at all, and immediately greeted the junior brother to play.

Whoa!

Seeing the two brothers come up together, everyone around them suddenly exclaimed.

“Wanyan Gang and Shi Tian from the King Kong Gate?”

“It is said that the two of them have already practiced their King Kong skills to the Transformation Realm. After joining forces, wouldn't their power be even more terrifying?”

” It 's wonderful.”

Everyone's comments kept coming, but Li Qinghai's face was indifferent, and there was no wave in his heart.

call!

The next second, Li Qinghai breathed a sigh of relief, looked at Wanyangang and the two with a half-smile, and said slowly, “It turned out to be little brother Wanyangang, although your Jingangmen's exercises are extremely fierce, they are still very powerful. It's not my opponent, let's go.”

In the eyes of others, Wanyan Gang and Shi Tian are very strong, but Li Qinghai has not taken it seriously. After all, he is the great elder of Tianhaimen, and when it comes to the background, he is completely crushed. pressure.

Hearing this, the senior Wanyan Gang brothers looked at each other, and they were a little displeased with each other. However, as far as they are concerned, Li Qinghai is considered a senior in Jianghu, so he did not show it.

Ha ha...

The next second, Wanyan just smiled humbly and said to Li Qinghai, "Senior is indeed stronger than us, and it is precisely because of this that our brothers come to ask for advice."

Hmm...

see him Saying this, Li Qinghai nodded with an old-fashioned attitude: "Okay then."

Wanyan just stopped talking nonsense and shouted: "Elder Li, look at the move." The last word fell, and the figure was like a cannonball, directly He rushed towards Li Qinghai.

At the same time, Shi Tian also burst into internal power, and Wanyan Gang formed a double-team situation, and burst towards Li Qinghai.

hum!

The two brothers broke out at the same time, and they were using King Kongmen's 'Sorry Mountain Fist'. This boxing technique is extremely powerful and can easily smash boulders. At this time, the two of them erupted at the same time, and the surrounding air was suddenly distorted, with astonishing power.

Chapter 5227 Huh

...

Seeing this scene, everyone watching the battle was extremely excited and at the same time extremely shocked.

It is said that the practice of King Kong Gate is extremely fierce, and it can break mountains and crack rocks.

When I saw it today, it really lived up to its reputation.

Moreover, these two brothers, with such a tacit understanding, might really be able to defeat Li Qinghai.

It's a bit interesting...

Seeing the two brothers burst out together, Li Qinghai showed a smile, and he didn't panic at all. He slowly raised his hands, and his internal force urged a protective film to be deployed in front of him.

It was seen that there were faint fluctuations like flowing water on the protective film, which was the 'Yingshui Art' that Li Qinghai practiced.

Boom!

Just as the protective film was condensed and formed, Wanyan Gang's brothers slammed hard with a punch, and suddenly a roar erupted. Seeing that it was the two brothers, they were knocked back a few steps.

And Li Qinghai's protective film was completely shattered, but he was standing there, motionless.

Obviously, the punch from Wanyan Gang just now broke the protective film, but it didn't hurt Li Qinghai in half.

It is clear who is stronger and who is weaker.

This....

seeing this situation, everyone around was stunned, and everyone was shocked.

King Kongmen's practice is really powerful, and it shattered Li Qinghai's protective film in an instant, but then again, Li Qinghai's strength is really unfathomable, the protective film is broken, and he has not been injured at all. .

At the same time, Wanyan Gang and Shi Tian had extremely solemn expressions after stabilizing their figures.

Is this the strength of the Tianhaimen Great Elder?

Really strong.

Haha...

Seeing the astonishment on the faces of the brothers, Li Qinghai smiled slightly and put on an unfathomable attitude: "If you two still want to ask for advice, just wait for the next opportunity." Not my opponent, so don't waste your time.

Om...

At the moment when the voice fell, Li Qinghai's figure flashed, and he rushed directly to the two brothers, raised his hands, and quickly hit two palms.

These two palms seem to be light, but they contain extremely strong inner strength.

At this moment, Wanyan Gang and Shi Tian glanced at each other, without any hesitation at the time, they hurriedly used their inner strength, and quickly raised their hands and greeted them with a palm.

Although the victory and defeat are already divided, they can't be ashamed of King Kong Gate.

Boom...

The next second, the four palms collided, Wanyan Gang and Shi Tian groaned, staggered back, and directly exited the sparring arena.

"Elder Li is really strong, I'll lose." After stabilizing her figure, Wanyan was ashamed, and after speaking, she took Shi Tian to retreat.

For a while, the audience was silent.

The eyes of everyone present were fixed on Li Qinghai, secretly shocked.

The two disciples of King Kong Sect joined forces, but they couldn't even catch Li Qinghai's move. How could they fight in the next battle?

In the center of the open space, Li Qinghai looked around with a smile behind his hands, and said indifferently, "You fellows from all corners of the world, who else is going to challenge? If no one challenges, I will be the leader of the alliance."

The voice fell, and everyone around looked at each other, each with embarrassed expressions.

The two disciples of King Kong Sect joined forces, they are not opponents, who would dare to challenge?

However, it is about the glory of the sect. Many people know that Li Qinghai is extremely powerful, but they still want to give it a try.

"I'm here to challenge!"

"And our Five Elements Pavilion, also ask Elder Li's stunts!"

After a few seconds, many people shouted and stepped forward to challenge.

It's just that the strength of these challengers is too different from that of Li Qinghai, and they were easily repulsed by Li Qinghai in the blink of an eye.

In the next few minutes, many people challenged, but none of them could beat Li Qinghai.

Haha...

Seeing this situation, Li Qinghai couldn't tell how proud he was.

Almost all those who could play were defeated by him, and he was the leader of the alliance this time.

Thinking to himself, Li Qinghai clasped his fists at the surrounding, with a hypocritical look: "Thank you for your love, if there is no challenge later, then I will do my part and be the leader of the alliance for the time being."

"I hope, wait a minute. You can obey orders."

Chapter 5228

Saying that, Li Qinghai is about to walk out of the open space.

However, at this moment, a faint voice sounded: "Since no one is playing, let me try!" The voice fell, and a tall figure slowly walked into the center of the open space.

Wearing a black long gown, he was tall and tall, and there was a palpating coldness in his eyes.

It was the head of Lihuomen, Ren Pingsheng.

Lihuomen was once one of the top ten sects in Ziwei Continent. However, it began to decline five hundred years ago. After that, the talents under the sect withered away and gradually disappeared under the attention of the people in the rivers and lakes.

Up to now, Lihuomen has fallen into a second-rate sect on the rivers and lakes, not to mention the people from the major sects, even those thieves from Jiangyang, who have not paid attention to the people of Lihuomen.

The current director of Lihuomen has been in his thirties all his life. He is extremely talented. It took two years to comprehend the supreme martial arts of Lihuomen. Not well known.

Ren Pingsheng's biggest wish is to revive the prestige of the sect. This time he came to explore the underground town, and when he saw Li Qinghai's proposal to discuss, he knew that the opportunity was coming.

Swish!

At this moment, seeing Ren Pingsheng on stage, everyone was in an uproar, and all of them looked at Ren Pingsheng with a bit of mockery.

"Who is this person?"

"I've met him once, it seems that he was the head of Lihuomen in his entire life?"

“Lihuomen? Just that second-rate sect? Haha, it’s really interesting, just because he wants to defeat Li Qinghai? Dreaming What...”

Under everyone’s discussion, looking at Ren Pingsheng’s eyes, they couldn’t hide their mockery.

In their eyes, Lihuomen is just a declining second-rate sect. Even if Ren Pingsheng is the head of the sect, he is not necessarily Li Qinghai’s opponent. Speaking of which, although Li Qinghai is the great elder of Tianhaimen, he has deep inner strength. The background is not comparable to him at all.

Everyone’s ridicule, you and I came, and Ren Pingsheng just thought he didn’t hear it.

Um?

Li Qinghai also frowned slightly, looking at Ren Pingsheng up and down: “Master Ren also wants to try it? I’m afraid it’s a waste of time.” His tone was indifferent, but there was a trace of contempt.

Like everyone else, Li Qinghai looked down on Ren Pingsheng. After all, the head of a second-rate sect had no say in the arena. How could he compare with Tianhaimen, one of the three major sects?

Even if Li Qinghai is just an elder, his influence in the arena is far greater than that of Ren Pingsheng.

Feeling Li Qinghai’s contempt, Ren Pingsheng instantly burst into flames. No matter what he said, he was also the master of a sect, but Li Qinghai was so arrogant.

However, Ren Pingsheng didn’t have an attack, but showed a smile: “Elder Li, don’t misunderstand, I have self-knowledge, and I never thought of being the leader of the alliance.”

“I was just like the Wanyan of King Kong Gate just now, and I admired Elder Li very much. I just wanted to take this opportunity to ask for advice.”

When he said this, Ren Pingsheng’s face was humble, but the depths of his eyes were gloomy.

Starting today, Lihuomen will rise from the rivers and lakes and reproduce the glory of the past.

Haha...

Ren Pingsheng's words were very useful to Li Qinghai, and he immediately smiled slightly: "In that case, let's start." After saying that, he just stood there in his spare time, obviously waiting for Ren Pingsheng to take the shot first.

This kind of performance seems that Li Qinghai is really sympathetic to the younger generation, but in fact it is a great humiliation to Ren Pingsheng.

But Ren Pingsheng didn't bother to care about these, and immediately smiled lightly: "Okay, then I'll offend." After the voice fell, Ren Pingsheng's inner strength exploded, and he hit Li Qinghai with a palm.

Li Qinghai was very conceited and decided that Ren Pingsheng was not his opponent. He stood there motionless at that time, seeing that Ren Pingsheng's palm was about to hit him, and then he raised his hand and greeted him.

boom!

In an instant, the palms of the two collided fiercely, and a dull sound was heard, followed by a tyrannical internal force fluctuation that swept the audience.

In the next second, Li Qinghai and Ren Pingsheng both groaned and took a few steps back.

Obviously, this palm down, the two sides are evenly matched.

What?

Seeing this scene, everyone around was shocked, and looked at Ren Pingsheng, speechless.

Chapter 5229

This... This Ren's inner strength is so deep in his life that he and Li Qinghai face each other, and he does not lose the slightest.

Didn't Lihuomen fall long ago? How could he be so great?

Li Qinghai was also secretly shocked in his heart. You must know that the palm of your hand just now stimulated 70% of the internal force, and it was even on par with this Ren Pingsheng?

Moreover, he clearly noticed that Ren Pingsheng did not use his full strength.

Madd, he had gone astray.

Shocked, Li Qinghai chuckled at Ren Pingsheng: "Sect Master Ren is really strong, this old man will come to see him again." The voice fell, his figure flashed, and he rushed again.

Ren Pingsheng laughed, not to be outdone, and soon the two of them fought fiercely on the field.

At the beginning, Li Qinghai was still full of self-confidence. After a few rounds passed, he became more and more surprised. He felt that the opponent's internal strength was like a vast ocean. It was unfathomable. suppress.

The people around were also completely dumbfounded.

"Elder Li!"

After a few rounds, Ren Pingsheng smiled indifferently: "Tianhaimen's martial arts are really powerful, but unfortunately, the elders don't seem to have learned the essence."

"It's getting late, this competition is over. Right."

Om!

When the last word fell, Ren Pingsheng folded his hands, and a bloody light suddenly appeared in front of him.

Immediately afterwards, a blood-red Flood Dragon burst out of the air and appeared beside him in vain.

I saw that this blood-colored flood dragon was filled with a suffocating suffocating energy. It was obviously transformed from internal force. Although it was transformed from internal force, it was condensed like a substance, as if it were alive, and it was vivid. The dragon was dozens of meters long. , every scale on the body is clearly visible, especially the bloody mouth, which looks terrifying.

The moment the blood-colored Flood Dragon appeared, the temperature of the air within a few hundred meters suddenly dropped. Everyone present felt a chill in their hearts.

At the same time, many people couldn't help but gasp.

"This... what kind of exercise is this?"

"It turned out to be a Flood Dragon, could it be... This is Lihuo Sect's stunt, the Blood Dragon Art?"

“It’s really the Blood Dragon Art, I didn’t expect this. The stunt of the door has been used for hundreds of years, and now it has reappeared in the rivers and lakes.”

Under the amazement of everyone, looking at Ren Pingsheng’s eyes, there was no contempt before, but a complete shock. You must know that the Lihuomen back then. The founder of the school, relying on a blood dragon trick, traverses the rivers and lakes.

It’s just that after the fall of Lihuo Sect, very few of the succeeding sect masters were able to comprehend this stunt. It was just like this that Lihuo Sect declined more and more.

It just didn’t occur to him that at such a young age, he would actually comprehend this stunt.

“Roar!”

At this time, under Ren Pingsheng’s order, the blood-colored Jiaolong uttered a dragon roar, carrying an unparalleled momentum, and roaring towards Li Qinghai, where it passed, a hurricane was set off, and everyone around was almost unsteady. .

Li Qinghai’s expression changed drastically when he saw the flood dragon erupting. He immediately urged all his inner strength to resist without any hesitation.

boom!

The next second, the blood-colored Flood Dragon roared, collided with Li Qinghai, and heard a deafening roar, and the surrounding dust was filled with smoke.

After more than ten seconds, the dust and smoke dissipated, Ren Pingsheng stood there quietly, raised his hand and put away the blood-colored Jiaolong, with a confident smile on his face.

Swish!

And everyone’s eyes, involuntarily looked towards the center of the venue, they saw Li Qinghai’s face was miserable, his robe was almost torn to pieces, his whole body was trembling, and he was shaking.

Obviously, Ren Pingsheng won the last round.

quiet!

There was a deadly silence all around the square, and a drop of a needle could be heard clearly.

“Elder Li.” After a few seconds, Ren Pingsheng said with a smile: “You lost this competition. If there is no objection, I should be the leader of the alliance?”

Li Qinghai wanted to respond, but his body was full of energy. The blood was tumbling, and he couldn't say a word, he could only nod his head.

To be honest, Li Qinghai was 10,000 unwilling to surrender to Ren Pingsheng, but there was no way, the opponent's strength was indeed strong.

Chapter 5230

At this moment, several Lihuo Sect disciples shouted at Ren Pingsheng in public: “I have seen the leader.”

Whoa!

Seeing this situation, everyone around hesitated, and also saluted Ren Pingsheng.

“Alliance leader.”

“I have seen the alliance leader.”

Like Li Qinghai, people from the major sects did not expect that Ren Pingsheng would actually win the competition. However, since this person is so powerful, it is a matter of course for him to be the leader of the alliance.

Hehe...

Seeing this scene, Ren Pingsheng showed a smile, and then waved his hand gently: “You guys are polite, we temporarily formed an alliance this time, just to better explore this place, not the real martial arts alliance leader, so, it's better for everyone to call me the head of Ren.” The

voice fell, Ren Pingsheng looked around and said seriously: “Just now, everyone is tired, let's take a rest first, and then start exploring.”

“Yes..”

.....

On the other side, in a remote pavilion.

After half an hour of transmission of internal force, I saw the pale complexion like snow, and it recovered a bit of rosy.

call!

Seeing this, Yue Feng took a deep breath, removed his hands from Ruxue's body, and sat on the side to rest. Although it is not very expensive to transmit internal power to Ruxue, it is also a little troublesome.

"You..."

After resting for a while, he suddenly felt a killing intent, Yue Feng quickly turned his head to look, and saw that Ru Xue woke up at some point, staring at him coldly.

Oops!

Yue Feng was taken aback and felt a little depressed. When he was helping her transmit internal force, he took off the black cloth on his face. After it was over, he just wanted to rest and forgot to put it on again.

"Yue Feng!"

Just when Yue Feng was secretly depressed, Ru Xue bit her lip tightly and said coldly, "Why are you here? You..." Halfway through speaking, she suddenly thought of something.

Was he the one who saved him just now?

Realizing this, and realizing that something was wrong with her body, Ru Xue quickly looked down at herself, and at this sight, her anger surged.

This bastard actually undid my skirt when I was in a coma.

Ruxue clearly saw that the long dress on her body was in a mess, which was obviously the work of Yue Feng.

Uh...

Feeling Ruxue's killing intent, Yue Feng scratched his head and smiled bitterly: "Don't get excited, I didn't do anything to you, I just bandaged the wound for you."

"Also, you In the eyes of the loss of internal power just now, I will help you transmit some internal power."

"In other words, I saved you."

Hearing this, Ru Xue was even more embarrassed and shouted: "Shut up, you and I are at odds, no I need your help." This Yue Feng killed his junior brother and was the enemy of the entire Nianhua Palace.

Seeing her like this, Yue Feng was very helpless: “Look at you, why don’t you know what’s wrong? At that time, your junior brother wanted to kill me, so I couldn’t fight back?”

“Besides, I saved you just now. What happened to you?”

Yue Feng didn’t say this, but Ru Xue couldn’t help it, she quickly stood up, pulled out her long sword, and stabbed directly: “You shameless bastard. Disciple, I must kill you.”

I was clean and pure, but he saw it all, how would I meet people in the future?

I go!

Ruxue stabbed with a sword, but Yue Feng didn’t panic at all, and she ducked to the side

. Feng, her injuries have not healed yet, and her speed is not fast, but it also gave Yue Feng a headache, and finally had to escape from the pavilion.

Ruxue was swept away by hatred, clutching her long sword and chasing out.

For a time, the two were chasing among the Jian ethnic groups in this underground town.

Um?

After running for a few minutes, Yue Feng saw a forest of stone pillars ahead.

In the Stone Pillar Forest, there are thousands of stone pillars. Each stone pillar is more than ten meters high. It seems to be arranged randomly, but if you study it carefully, you will find another mystery.

Is this an array?

Yue Feng glanced at it roughly, and immediately saw that it was a huge illusion. Many years ago, when Yue Feng and Ren Yingying were investigating Zhao Yun’s ancient tomb, there were still many sect masters who also entered the exploration. At that time, they encountered a magic formation composed of wooden stakes.

The ultimate husband in Chinese chapter 5231-5240

Chapter 5231

Yue Feng clearly remembers that the piece of wood in Zhao Yun's ancient tomb was an extremely powerful illusion. The stone forest in front of him is exactly the same as the illusion formation in Zhao Yun's ancient tomb.

Of course, this piece of stone pillar forest, the piece of wood in Zhao Yun's ancient tomb, I don't know how many times larger, and the power of the illusion is stronger.

However, Yue Feng did not panic at all.

This phantom formation is extremely dangerous to others, but in Yue Feng's eyes, it is not the slightest threat. You must know that over the years, Yue Feng's accomplishments in formation techniques have reached the pinnacle of excellence. Phantom array, you can walk out with your eyes closed.

Whoosh!

At this moment, Yue Feng glanced at it, and immediately rushed into the stone forest without any hesitation.

After rushing in, Yue Feng stopped, turned around and laughed at Ru Xue: "Beauty Ru Xue, I advise you to stop chasing, this stone forest is a formation, if you rush in rashly, I'm afraid you won't be able to get out. ."

Formation?

Hearing this, Ruxue stopped suddenly, stood on the edge of the Stone Pillar Forest, and observed it carefully.

There are so many stone pillars, but it is a bit strange. Could it be really a formation?

Thinking to herself, Ru Xue Xiu frowned and said coldly at Yue Feng: "Don't scare me, if it is a formation, why would you break in?" Although he doesn't know Yue Feng very well, after what happened just now, She knew very well that the man in front of her was very cunning.

It is very likely that this stone pillar forest is not a formation at all. Yue Feng said this on purpose to scare himself.

Hehe...

Seeing Ruxue's disbelief, Yue Feng couldn't help laughing: "I am very familiar with this formation, so I am not afraid. I can tell you that the most powerful thing about this formation is not to sway people. trapped, but can be hallucinating."

"Once you have hallucinations, anything terrible can happen. So, don't chase after me. If you have time, go find your sisters."

Om!

When he was talking about this, Yue Feng only felt a sense of dizziness coming from his mind, and he knew that the phantom formation of the Stone Pillar Forest had begun to work. At that time, without hesitation, he quickly tapped the Shentai acupoint on his shoulder.

Shentai acupoint is an important acupoint in the human body. As long as this acupoint is sealed, it will not be affected by the illusion.

After sealing the Shentai acupoint, Yue Feng suddenly felt refreshed, and the dizziness in his mind immediately disappeared without a trace.

After doing this, Yue Feng saw Ru Xue still standing on the edge of the Stone Pillar Forest, without any intention of leaving, and suddenly smiled bitterly: "I have already said what I should say, what you want to do is your business."

"I There is something else, I won't waste it with you, we will have a future." After the voice fell, Yue Feng turned and walked towards the depths of the Stone Pillar Forest.

This bastard.

Seeing that Yue Feng was about to leave, Ru Xue suddenly became anxious, and immediately shouted: "Yue Feng, please stop for me, don't go." Saying that, with his toes on the ground, he rushed directly into the stone pillar forest.

At this time, in Ruxue's heart, she was even more convinced that Yue Feng was talking nonsense.

What kind of phantom formations are all fake, this Yue Feng is deliberately scare people, so as to take the opportunity to escape.

In Ruxue's heart, Yue Feng first killed her junior brother, and then took advantage of him in that pavilion. He wanted to cut him with a thousand swords, how could he let him go so easily?

What the hell!

Seeing Ruxue rushing in directly, Yue Feng was startled and somewhat helpless.

This woman is so persistent, she just broke in like this?

“Yue Feng, die.”

At the moment of rushing into the Stone Pillar Forest, Ruxue clenched her long sword and turned into a shock, stabbing straight at Yue Feng, with endless anger flashing in her eyes.

Yue Feng sighed in his heart and stood there without moving.

Why doesn't he hide?

Seeing this scene, Ru Xue Xiu frowned, and suddenly felt that something was wrong.

hum!

That is, at this moment, the surrounding magic formations started to operate, and Rumeng only felt that the world was spinning for a while, and all the scenery in front of him also distorted and changed.

What's going on here?

The sudden change made Ru Xue secretly surprised and quickly stopped.

Chapter 5232

In the next second, when Ruxue looked at Yue Feng again, her body trembled and she was stunned.

I saw that Yue Feng had disappeared, and standing not far away was the eldest sister Rumeng.

At this time, Ru Xue didn't know that she had already been affected by the illusion, and hallucinations appeared in front of her. The person standing in front of her was not Ru Meng, but Yue Feng.

“Eldest sister!”

Ruxue was overjoyed when she suddenly saw her own people, she quickly walked over, grabbed Yue Feng's hand, and said happily, “Eldest sister, I finally found you. It's great.. “

The most powerful part of this illusion is that it can show the deepest thoughts in people's hearts in front of people in an illusion. After Ruxue enters this underground town, what she wants to do most is to find a few Rumeng as soon as possible, so , After the magic formation opened, she also regarded Yue Feng as a dream.

Uh...

Feeling the joy of Ruxue, Yue Feng was very embarrassed, but he knew in his heart that Ruxue in front of him had already had hallucinations, and regarded his own as her eldest sister.

Realizing this, Yue Feng was speechless.

This Ruxue had advised her just now not to break in rashly, but she refused to listen. Now that she is well, her whole body has entered a hallucination.

Thinking about it, Yue Feng wanted to seal her Shentai acupoint to wake her up, but then she thought that if Ruxue woke up, she would continue to chase and kill herself. Although she wasn't afraid of her, it was also a headache.

Forget it, since she regards me as her eldest sister, she will be wrong.

Thinking of this, Yue Feng looked at Ruxue with a smile, and then he used ventriloquism, in a dream-like tone, and said slowly: "Ruxue, I'm relieved to see that you're all right."

"Let's get out of here first, go to Find other sisters."

As he spoke, Yue Feng took Ruxue's hand and slowly walked out of the Stone Column Forest. Yue Feng thought about it, and when he walked out of the Stone Pillar Forest, he would leave first.

Anyway, after leaving the illusion, Ruxue still needs a few minutes to wake up completely, and the time is enough.

Um!

Ruxue responded and let Yue Feng hold hands, very obedient.

For a while, Yue Feng tried hard not to let himself think of anything else, but the feeling of holding hands like snow, he couldn't help but secretly praised in his heart.

These snow-like hands are so soft and slippery.

"Eldest sister!"

Halfway through, Ruxue suddenly thought of something and asked Yue Feng, "Where are the other sisters? Didn't the eldest sister find it? By the way, when the eldest sister came just now, I didn't see that bastard Yue Feng?"

"Entering the hallucination, Ruxue did not forget what happened just now.

Uh....

Seeing her calling herself a bastard, Yue Feng's mouth twitched and he was speechless: "That... When I came in, I didn't see anyone else, so maybe that Yue Feng ran away."

Hearing the answer, Ru Xue did not have the slightest doubt, and said bitterly: "Yue Feng, this bastard, killed Junior Brother Xu, we must not let him go."

After speaking, Ru Xue suddenly frowned, with a delicate face, it also showed some pain.

"What's wrong?" Yue Feng was stunned and asked quickly.

Ruxue exhaled softly and said slowly, "I was injured just now, and my meridians are a little disordered. Please help me to guide me." After speaking, she sat cross-legged on the ground.

Ruxue's internal strength was severely depleted before. At that time, although Yue Feng transmitted some divine power to her, this divine power did not match Ruxue's physique. Fusion, it wandered freely in her body, causing her meridians to become disordered.

Oh!

Yue Feng responded, and then asked, "How can you help me guide you?"

When he fought against Liujianji before, Yue Feng could feel that the practice of Liujianji was very different from other sects and was very special. Therefore, the way of dredging the meridians is definitely different from that of most sects.

Seeing his dazed expression, Ru Xue froze for a moment: "Eldest sister, you must have forgotten, our practice is special. To clear the meridians, you need to put your hands on the dantian part of my lower abdomen..." The

one who spoke At that time, Ruxue's face did not fluctuate at all.

You know, this way of grooming, the actions of the two will be very close, but in Ruxue's heart, the eldest sister is also a woman, and she is also the closest relative, so there is no problem at all.

Chapter 5233

It's just that Ruxue doesn't know that she is hallucinating in public, and the person in front of her is not like a dream at all, but Yue Feng who makes her grit her teeth.

I go...

Hearing this method, Yue Feng's heart moved, and he hesitated for a moment.

It's like snow treating me as a big sister. Now, I want to help her unblock her meridians... Moreover, it's still this intimate way.

There is a difference between men and women, how can this work?

"Eldest sister!"

Just when Yue Feng was hesitating, Ru Xue, who was sitting cross-legged, trembled faintly, and a layer of cold sweat was covering his forehead, he shouted weakly: "Quick, I'm so uncomfortable. , I can't hold it anymore. Big sister, come and help me."

When she said this, Ru Xue bit her lip tightly, obviously enduring the pain.

call!

Seeing this scene, Yue Feng exhaled and gritted his teeth secretly: "Okay." After speaking, he sat cross-legged in front of Ruxue, and under her guidance, placed his hands on her lower abdomen.

Because there can be no deviations or mistakes, Yue Feng needs to stick his hands tightly against Ruxue's skin, so Ruxue untied her skirt in advance.

Gudong!

At this moment, Yue Feng touched the smooth skin with both hands, and when he felt the touch, his whole mind went blank, and he couldn't help swallowing.

Firming and firming, this feel is absolutely amazing.

For a time, countless thoughts ran through Yue Feng's mind, and he always felt that he was suspected of taking advantage of others.

But on second thought, this Ruxue insisted on breaking in, had hallucinations, and regarded me as her eldest sister, who was to blame? Besides, she is in critical condition now, and I am doing this to help her.

Thinking of this, Yue Feng's complicated mood finally calmed down a lot.

Time passed by minute by minute.

Finally, ten minutes later, under the guidance of Ruxue, Yue Feng successfully helped her to channel her internal strength, and she saw that Ruxue's pale complexion looked much better, and her whole person was in good spirits.

“Okay!”

At this moment, Ruxue was in a good mood, she stood up directly, and smiled at Yue Feng and said, “Thank you, eldest sister.” Because she was too happy, she forgot to tie the long skirt and ribbon around her waist, the charming curve, looming in Yue Feng's eyes.

Yue Feng nodded, tried not to look at her, and said, “Okay, let's find other sisters.”

Mmm!

Ruxue nodded and followed Yue Feng out of the Stone Pillar Forest.

“Ruxue!”

The moment he walked out of the Stone Pillar Forest, Yue Feng looked around and said in a complicated tone, “Your injury is just right, stay here now, I'll go find other sisters, and then come back to see you.”

When he said this, Yue Feng's face was calm, but his heart was a little anxious.

After leaving the Stone Pillar Forest, the magic formation has no effect on Ruxue, and within a few minutes, she will wake up, and then she will know the truth and know that the person who helped her to clear the meridians just now is not like a dream, then it will be troublesome.

“Don't...”

However, Ruxue was very excited, and pulled Yue Feng's arm tightly and said, “Eldest sister, we finally met, it's better not to separate, I'll be with you.” The

voice was not loud, but Very firm.

In fact, it's not difficult to understand. Ruxue entered the underground town for a few hours before and never found the other sisters. Now she finally met the eldest sister, and she didn't want to say anything.

Uh....

Seeing Ruxue's attitude, Yue Feng suddenly got into trouble.

I'm not your eldest sister at all, how can I be with you?

I muttered in my heart, looking at Ruxue again, the hallucination seemed to be over soon, Yue Feng didn't have time to think about it, suddenly raised his palm and cut it at the back of Ruxue's neck.

boom!

Yue Feng's shot was very quick, Ruxue couldn't react at all.

"Miss Ruxue." Yue Feng breathed, looked at Ruxue who was in a coma, and said to himself: "I don't mean to offend, I hope you don't take offense, this place is remote, I hope your sister can come over quickly. ."

Having said that, Yue Feng saw that the ribbon of Ruxue's long dress was not properly tied, and without any hesitation, he squatted down and helped Ruxue tie it up.

Although there is no one here, it is as pure as snow and ice, and the long skirt is so scattered, it is really indecent to look at.

Chapter 5234

"Stop!"

"Shameless, don't touch my third sister..."

However, the ribbon had just been tied halfway, and suddenly, a coquettish shout was heard not far away, and he turned his head to look at it. Seeing a few slim figures, they came quickly.

One by one, long skirts were flying, holding long swords in their hands, and they were arrogant.

Just like a few dreams.

What the hell!

Seeing the appearance of Rumeng, Yue Feng suddenly wanted to cry without tears. He quickly stood up and waved his hands to explain: "Don't misunderstand the beauties, I...I just help her to tie her skirt, nothing else."

As he explained, Yue Feng was so anxious.

It's over, Rumeng doesn't appear early or late, but it happens at this time, and I can't wash it out even if I jump into the Yellow River.

At this time, Rumeng had already rushed to the front.

Swish!

Seeing the scene in front of him, whether it was a dream or the four sisters around him, they were all shocked and angry.

I saw that the third sister was lying there like snow, her eyes were closed, she was unconscious, the long dress on her body was messy, and the ribbon around her waist was randomly tied.

Thinking of the scene just now, several sisters subconsciously believed that Yue Feng had forcibly stained Ruxue and was cleaning up the scene at this time.

“You...”

Realizing this, the eldest sister was furious like a dream, pointed her sword at Yue Feng and scolded: “You shameless fellow, kill my junior brother, humiliate my third sister, and don’t slash you with a thousand swords. I swear not to be a human being.” The

voice fell, and the inner power exploded like a dream, and the figure came straight towards Yue Feng like a shock.

“Kill this bastard together.”

At the same time, the remaining four sisters, with their eyes locked on Yue Feng, burst out and quickly surrounded Yue Feng.

“Oops...”

Seeing this situation, Yue Feng couldn’t help laughing and laughing. He shouted and explained, “You guys have misunderstood. I didn’t do anything to her. I was just kindly tying a skirt for her.”

“Everyone, calm down. , if you have something to say, talk about it.”

However, Rumeng was willing to listen, and their eyes flashed with murderous intent, as if they were going to eat Yue Feng.

Faced with this situation, Yue Feng had no choice but to mobilize his internal strength and fight fiercely with Rumeng. Because he didn’t want to hurt anyone, Yue Feng didn’t show his true strength.

But even so, the five sisters like Meng felt an unprecedented pressure.

“Several!”

Under the fierce battle, seeing Rumeng's few tricks and tricks, Yue Feng knew that the explanation was useless, and immediately smiled bitterly: "I still have something to do, so I won't accompany you, we will have a future." The

voice fell . , Yue Feng stimulated his inner strength, and suddenly slapped two palms.

Buzz....

These two palms were played, and the surrounding air seemed to be stagnant, and I saw two golden palm shadows condensed and whizzed towards the five sisters like a dream.

Feeling the terrifying power contained in the palm shadow, Rumeng's expression changed.

Taking advantage of the opportunity, Yue Feng turned around and ran, and in the blink of an eye, he disappeared from the sight of Rumeng.

"Bastard!"

Seeing Yue Feng running away, Rumeng was very annoyed, and at the same time was extremely shocked.

The two palms that Yue Feng hit just now, what kind of exercise is it, the power is really terrifying.

"Let's chase together!"

At this moment, one of the sisters reacted, holding the long sword tightly, and about to chase in the direction where Yue Feng fled, but before she could leave, she was stopped by Rumeng.

"Don't rush to chase." Rumeng breathed out, "Let's see how Ruxue is doing." The

voice fell, and the five sisters landed one after another. They reached Ruxue, helped her up, and then checked her condition.

"Eldest sister, Ruxue's chastity is still there."

"It's great, the third sister has not been defiled..."

"It seems that we came just in time, and Yue Feng has not succeeded yet. If it is one step too late, the consequences will be disastrous. "

...

On the other side, Yue Feng showed his figure and escaped the siege of the five sisters in the dream. He didn't stop all the way, and flew for more than ten minutes. After making sure that no one was chasing behind him, he breathed out. down.

Nima!

When he landed, recalling the scene just now, Yue Feng was dumbfounded.

Originally, because of Xu Wenliang, Liu Jianji and I were like water and fire. Now because of Ruxue, the grievance is getting deeper and deeper, which is really a headache.

Chapter 5235

Sighing with emotion, Yue Feng calmed down and probed forward.

Um?

After walking for a few minutes, Yue Feng stopped abruptly, and vaguely heard loud noises coming from not far ahead.

"Everyone, keep up."

"Without the order of the leader, don't move things around."

"Be careful of traps around you."

Hearing the voice, Yue Feng frowned and followed quietly.

Soon, after turning around a street, I saw a lot of sect masters gathered on the street not far away. The leader was Ren Pingsheng, the head of Lihuo Sect.

Not far from the crowd, there is a majestic hall, divided into three floors, indescribably solemn and solemn, with candles lit inside, but like the buildings we encountered before, it is quiet inside.

This hall is the most central location of the entire underground town.

call!

Seeing this scene, Yue Feng couldn't help muttering secretly, it seems that this group of people has already elected the leader, and it really is the efficiency of unified command. So fast, they found the main hall in the center of the town.

Thinking about it, Yue Feng didn't show up, but hid in the dark.

With these people taking the lead, Yue Feng is naturally happy and leisurely. After he has thought about it, he doesn't need to investigate later, he just needs to quietly follow these people.

Soon, under the command of Ren Pingsheng, everyone explored the surrounding of the hall, and after confirming that there was no abnormality, they rushed in one after another.

As soon as they entered the hall, many people shouted and shouted.

"Anyone in there?"

"Still a little girl? Strange, no one has come in this place for so many years. How could there be a little girl? There must be something strange .

" little girl? Hearing this, Yue Feng's heart was shocked, and Dongfang Yunqing, whom he had seen before, appeared in his mind. Sure enough it was her. Seeing the scene inside, Yue Feng was immediately excited. I saw that the masters of the major sects surrounded the inner three floors and the outer three floors, blocking a delicate figure there. The girl's facial features were exquisite and beautiful, and she couldn't hide her panic at this time. It is Dongfang Yunqing. After being frightened by Yue Feng before, Dongfang Yunqing crushed the divine talisman at the time, and it happened to be passed on to this hall. Just as he was thinking about how to leave, he met Ren Pingsheng and the others. "You..." Being surrounded by everyone at this time, Dongfang Yunqing was very nervous, but he still summoned the courage to ask: "Who are you? Why did you come here?" Oops? After the words fell, many people laughed, and then one of them smiled and asked back: "Who are we? I want to ask you, you little girl, why are you here?" "You and this underground What is the relationship between the town?" For a time, everyone's eyes locked on Dongfang Yunqing, waiting for her answer. "This..." Dongfang Yunqing bit his lip tightly, seemed to hesitate, then gathered up his courage and said, "This is my home, my father built it."

She is too young to know the world, she can say whatever she knows, and she doesn't understand the dangers of rivers and lakes at all.

wow.

As soon as these words came out, the entire hall was in an uproar, and the sect masters present were all astonished and at the same time extremely excited.

"What did she say? This place was built by her father?"

"This is obviously a secret stronghold of the Heavenly Secret Palace. By saying this, she proves that she is the descendant of the Heavenly Secret Palace?"

“Haha... Since it is the descendant of the Heavenly Secret Palace. People, you must know the secret here, we have made a fortune.”

Under the discussion, everyone couldn't help laughing, each one was indescribably excited.

Ren Pingsheng also showed a smile, walked slowly, and said to Dongfang Yunqing: “Little girl, since this is your home, tell me, what treasures are hidden here? For example, secret books, magic weapons and weapons? Yes .”

When asked, Ren Pingsheng was indifferent on the surface, but there was deep urgency in his eyes.

The ultimate husband in Chinese chapter 5236-5240

Chapter 5236

“I...”

Seeing that Ren Pingsheng's face was kind, not as vicious as the others around him, Dongfang Yunqing calmed down a lot, and shook his head decisively at that time: “I won't tell you.”

Said Then, Dongfang Yunqing looked around and scolded everyone loudly: “The place where you broke into my house is a group of robbers, bad people, you hurry up, otherwise... otherwise I'm welcome.”

Although Dongfang Yunqing was young, he still She's a girl, but she has a strong personality, and she's not too soft when it comes to problems of principle.

In her heart, although this underground town does not see the sun all year round, it is like an underground tomb, but because it was built by her father, it is a home, and when others break into her own home, they will be driven out.

Whoa!

As soon as these words came out, everyone around was stunned, and they were all shocked and angry.

“The little girl dares to scold us?”

“You're young and have a lot of temper. How dare you say we are robbers?”

“I really don't know how high the sky is, and I don't believe that a girl's film can be turned upside down. “

While shouting angrily, everyone was gearing up, discussing how to deal with Dongfang Yunqing, each one of them looked fierce and vicious, and there was no trace of the demeanor of a sect master.

Ren Pingsheng frowned secretly and remained silent.

Mad!

At the same time, Yue Feng, who was hiding on the eaves, also frowned secretly, feeling disgusted by the behavior of this group of people.

These people can be regarded as the most respected figures in the arena, but it is shameless to bully a little girl at this time.

This chapter is provided by . Visit for daily update.

Muttering in her heart, Yue Feng was about to rush down. Although she had nothing to do with Dongfang Yunqing, the scene in front of her was really unbearable.

“Okay!”

However, before Yue Feng could leave, Ren Pingsheng, who had been silent, suddenly shouted, “Everyone, be quiet.” The

voice was not loud, but it was full of majesty.

Seeing Ren Pingsheng speak, everyone suddenly quieted down. After all, Ren Pingsheng was the leader of the alliance just elected, and his words were still somewhat prestige.

“Everyone!” In the

next second, Ren Pingsheng took a deep breath and said very calmly: “She is just a child, so-called childlike words, everyone is a person of status in each sect, so don’t go with a child I care.”

When he said this, Ren Pingsheng’s eyes flickered with complexity.

Ren Pingsheng is still young, but the city is very deep. He knows very well that this underground town is so big that it is difficult to find treasures. Now the only chance is on the little girl in front of him. If he uses tough methods, he is afraid that it will backfire.

After all, Dongfang Yunqing was only twelve or thirteen years old. If she was frightened, it would be difficult to find out where the treasure was hidden from her mouth.

Huh....

Hearing this, everyone around, look at me, I look at you, and then they all stepped aside, no longer threatening Dongfang Yunqing.

Seeing this scene, Yue Feng, who was hiding on the eaves, stared at Ren Pingsheng, and couldn't help frowning secretly.

Is this person the elected leader? Looking young, he is quite authoritative.

However, looking at his appearance, it doesn't look like he really wants to protect Dongfang Yunqing.

"Little girl."

Just when Yue Feng was thinking about it, Ren Pingsheng pulled Dongfang Yunqing aside, showed a gentle smile, and said slowly: "Don't be afraid, we are not bad people."

"I ask you, what do you say about this place? It was built by your father, so who is your father?" The tone was easy-going, like an ordinary chat between the elders and the younger generation.

Dongfang Yunqing didn't understand the sinister nature of people's hearts, let alone Ren Pingsheng's tricks in the dark, and immediately replied: "My father is the palace master of Tianji Palace, Dongfang Yi."

After speaking, Dongfang Yunqing's delicate face did not hide the fact that The pride of living: "My father is very capable and can do anything, so hurry up and leave. When my father comes back, you can't leave if you want to."

In Dongfang Yunqing's heart, he was only in the crystal coffin. She slept in the room for a few days or a few months at most. Her father, Dongfang Yi, was not dead, but he was working outside. She didn't realize that she had slept for nearly a thousand years. Yi had died a long time ago, and the Heavenly Secret Palace no longer existed.

Chapter 5237

Dongfang Yi?

Hearing these words, Ren Pingsheng's expression froze, and his heart was even more shocked.

Isn't this the last palace lord of the Tianji Palace?

As the head of the Lihuo Sect, Ren Pingsheng knew a lot about the anecdotes and anecdotes on the rivers and lakes, especially the rumors of the Tianji Palace. Thousands of years ago, the Tianji Palace, which was at the top of the rivers and lakes,

suddenly collapsed overnight. People know what happened, but it is rumored that the gods sent the gods to destroy the palace of heaven.

At that time, the palace master of Tianji Palace was called Dongfang Yi.

Thinking of this, Ren Pingsheng frowned, and countless questions emerged in his heart.

No, Dongfang Yi is the last Palace Master, and has been destroyed by the Heavenly Secret Palace for nearly a thousand years, and the little girl in front of her is only a teenager, how could she be Dongfang Yi's daughter?

Could it be that... the Heavenly Secret Palace was not completely destroyed back then? This girl has been in this underground town for thousands of years by special means?

But why did she say that Dongfang Yi was still alive?

Could it be... Dongfang Yi is not dead, and is also hiding in this underground town?

Thinking of this, Ren Pingsheng suddenly felt a little nervous in his heart. You must know that there are countless unique skills in the Heavenly Secret Palace, especially the Palace Master of the Heavenly Secret Palace. Now, even if everyone present adds up, I am afraid they are not opponents.

For a while, the more Ren Pingsheng thought about it, the more nervous he became, so he asked Dongfang Yunqing, "Is your father here too?"

" just fine.

"My father is not here."

Dongfang Yunqing was still a child after all, with a simple mind, and his delicate face couldn't hide the melancholy, and replied, "He asked me to wait here, but I haven't seen my father come back until now."

"But I know that he must I will come back to find me." At the

end, Dongfang Yunqing's face showed a hint of determination.

call!

Hearing this, Ren Pingsheng was secretly relieved, and after a long time, her father was not here.

At the same time as his mood was relaxed, Ren Pingsheng also realized something. Dongfang Yi died a thousand years ago, and the little girl in front of him, somehow,

survived in this underground town for nearly a thousand years, and in his heart He still believed that his father was not dead.

Thinking of this, Ren Pingsheng suddenly became excited.

This little girl has been in this underground town for nearly a thousand years, and she still doesn't know that the world has changed dramatically.

Yes, definitely so.

“Hey!”

After confirming his guess, Ren Pingsheng sighed hypocritically, and said to himself: “Palace Dongfang, as expected of a person with great skills, it's just a pity that the Heavenly Secret Palace is doomed...”

See With a look of emotion on his face, Dongfang Yunqing was stunned for a moment, and then he couldn't help but say: “You...you know my father?”

“Of course you do.” Ren Pingsheng nodded earnestly with a gentle look on his face: “Speaking of which, I I have some friendship with Ling Zun.” When he spoke, his eyes flashed treacherous.

Ren Pingsheng is very cunning. He guessed that Dongfang Yunqing did not know that he had been here for thousands of years, so he took the opportunity to fabricate a lie and pretended to be Dongfang Yi's friend.

“Yes?”

Hearing this, Dongfang Yunqing frowned and said suspiciously, “But I have never heard of your father.” Although she was young, as a descendant of the Dongfang family, she was also very alert.

Seeing her disbelief, Ren Pingsheng took a deep breath and said mysteriously, “Little girl, has your Heavenly Secret Palace angered Heavenly Punishment? The God Realm has sent the Heavenly God to deal with you?”

” Be sure.

call!

At this moment, Dongfang Yunqing's delicate body trembled, and looked at Ren Pingsheng in disbelief: “How...how do you know?” Only a few people knew about the God Realm sending the gods to destroy the Heavenly Secret Palace, even some of the Heavenly Secret Palace. His disciples didn't even know about it, how did this person in front of him know?

At this time, Dongfang Yunqing still didn't know that nearly a thousand years had passed since the destruction of the Heavenly Secret Palace, let alone Ren Pingsheng.

Chapter 5238

Hehe...

Seeing her expression, Ren Pingsheng smiled slightly and said slowly: "I said it just now, I have some friendship with Ling Zun, naturally I know this kind of thing."

When he spoke, Ren Pingsheng was very heartbroken of excitement.

Haha... This is really a silly girl, it seems that she guessed right, she still doesn't know that a thousand years have passed.

"Great." Just when Ren Pingsheng was secretly excited, Dongfang Yunqing completely let go of his guard, looked at Ren Pingsheng very excitedly, and asked eagerly, "Then do you know where my father is

?"

Dongfang Yunqing, caring and caring, has no idea that he has fallen into Ren Pingsheng's trap.

Huh ...

Facing Dongfang Yunqing's urgent eyes, Ren Pingsheng did not answer directly, but heaved a sigh of relief, thought for a while, and said slowly, "Where is your father, I don't know now."

"However, you guys Before the accident in Tianji Palace, I met with Ling Zun once, and Ling Zun told me about this place and asked me to take you out."

In order to win Dongfang Yunqing's trust, Ren Pingsheng began to talk nonsense.

Hearing these words, Dongfang Yunqing was even more convinced.

Because the location of this underground town is very hidden, it is impossible for outsiders to find it unless it is from the Tianji Palace. Ren Pingsheng in front of him can find it, which is enough to prove that he is a friend of his father.

The conversation between Ren Pingsheng and Dongfang Yunqing was not very loud, but the surrounding sect masters could hear it clearly.

This...

At this moment, seeing Ren Pingsheng's few words, he stunned Dongfang Yunqing, and everyone was full of admiration.

The leader of the alliance is really powerful. He won the trust of this little girl with just a few words. It's really admirable. You don't need to be tortured to ask questions later. When you get a chance, you can ask where the treasure is hidden.

At the same time, Yue Feng, who was hiding on the eaves, also looked at Ren Pingsheng closely and couldn't help taking a deep breath.

The depth of this man's city is really terrifying. Just a few words won Dongfang Yunqing's trust. If he were to find the treasure hidden here, the consequences would be unimaginable.

Speaking of which, Yue Feng was too lazy to care what kind of person Ren Pingsheng was, and now he was only worried about Dongfang Yunqing's safety.

Thinking in his heart, Yue Feng had the urge to rush down, but after thinking about it, he held back. Now Dongfang Yunqing trusts Ren Pingsheng very much. If it goes on like this, I'm afraid it will be difficult to take her away, so it is better to wait and see. one time.

"Uncle..."

At this moment, Dongfang Yunqing looked at Ren Pingsheng eagerly: "Since it was my father who asked you to come to me, let's get out of here quickly."

Although this underground town was built extremely magnificently, it still has a lot to do with it. There is no sunshine all year round, Dongfang Yunqing is a child again, so naturally he can't wait.

More importantly, she was thinking about her father, so she couldn't wait to go out.

However, how could Ren Pingsheng take her out so easily. Once he goes out, will the lie just now be self-defeating?

Hehe...

At this moment, Ren Pingsheng first smiled, and then pretended to be concerned: "Now outside, many gods from the heavens are still tracking the whereabouts of your members of the Heavenly Secret Palace, it is very dangerous to go out, but Don't worry, I have such a good relationship with Ling Zun, and I will definitely take you out."

After speaking, Ren Pingsheng turned his head: "But before we go out, let's take the things here."

Things?

Dongfang Yunqing was stunned.

Without waiting for her to ask, Ren Pingsheng continued in a serious manner: "It's what your Heavenly Secret Palace left here, when your father brought you in, he must have told you that he hid something here, and he will not tell you about your Heavenly Secret Palace. It's very important, isn't it?"

At this time, Ren Pingsheng was completely relying on guesswork.

You must know that there are countless treasures in the Tianji Palace. Since Dongfang Yi built an underground town here, he will definitely hide something, and he will definitely tell his daughter.

Facts have proved that Ren Pingsheng guessed right.

Um!

Seeing Ren Pingsheng's sincere expression, Dongfang Yunqing nodded: "Father did hide something." Now she is completely blinded by Ren Pingsheng's mask, and she has no idea that she has been fooled.

Chapter 5239

Wow!

Hearing what she said, whether it was Ren Pingsheng or the sect masters around, all of them were extremely excited.

The next second, Ren Pingsheng hurriedly asked, "Where is the thing?" When he spoke, his tone was flat, but his eyes couldn't hide the urgency.

Dongfang Yunqing raised his finger and pointed to a statue standing behind the hall: "At that time, after my father brought me in, he used his own inner strength to fuse the soul of a heavenly secret, and integrated all the strange arts of the heavenly secret palace into it, and then it's sealed in this statue..."

Whew...

before he finished speaking, the masters of various sects around him who could not wait for a long time burst out and rushed towards the statue. The reason why they stayed honest just now was waiting for Dongfang Yunqing to tell the place where the treasure was hidden.

And now, the baby is in the statue, who would stand stupidly?

This...

Seeing this scene, Dongfang Yunqing was stunned.

At the same time, Ren Pingsheng was also furious and shouted: "What are you doing? Stop it for me." He racked his brains, and managed to deceive the treasure's hiding place from this little girl's mouth. Want to grab?

For a while, Ren Pingsheng became more and more angry: "I'm the leader of the alliance, and everything depends on me."

Haha...

As soon as the words fell, many sect masters couldn't help sneering, and then one of them shouted: "Okay. Now, Ren Pingsheng, everyone is here to find the treasure, and the alliance is also for the convenience of investigation, do you really think you are the leader of the martial arts alliance?" The

voice fell, and many people agreed.

"That's right, don't take yourself too seriously."

"The treasure is right in front of you, whoever grabs it will own it."

"Don't talk nonsense with him..."

Everyone taunted, keeping their feet, and in the blink of an eye, they arrived in front of the statue. Hit the god.

"You..."

At this time, Dongfang Yunqing reacted and realized that he had been deceived. At that time, he was extremely embarrassed and glared at Ren Pingsheng: "You...you are a liar, you are not my father's friend at all. "

Speaking, Dongfang Yunqing wanted to rush to stop her, but she was just a child, completely powerless.

Ren Pingsheng's thoughts at this time were also on the statue, and he didn't have time to pay attention to Dongfang Yunqing. At this time, seeing that everyone did not listen to the command, he also urged his figure and rushed towards the statue.

Bang bang bang....

Before reaching the statue, the attacks of the masters of various sects have already hit the statue, and a sound of vibration came, and the statue shattered instantly.

At this moment, everyone was overjoyed and rushed to the stone platform below the statue, ready to snatch the treasure inside.

hum!

However, it was at this moment that a stream of kerosene sprayed out from the broken statue, and then a flash of fire flashed, instantly igniting the kerosene.

Almost in the blink of an eye, within a few dozen meters of the statue, it was instantly enveloped in flames.

“Ah...”

Everyone had no time to react to this sudden change. In an instant, many people were drowned in the fire and let out a scream. In less than ten seconds, dozens of people were burned alive into mummified corpses.

hiss...

Seeing this scene, the sect masters who survived could not help but gasped, and then quickly backed away to avoid the raging fire.

Ren Pingsheng also secretly rejoiced, but fortunately he took a step slower, otherwise, he would have been burned by the fire just now.

Haha...

And Yue Feng, who was hiding on the eaves, showed a smile, and his heart was extremely enjoyable.

These hypocritical hypocrites thought that if they lied to Dongfang Yunqing, they would be able to get the treasure easily, but they never thought that there was an organ hidden in the statue.

Evil is rewarded with evil, and it deserves to be burned to death.

The fire burned for more than ten minutes, and finally went out gradually.

Wow...

that is at this moment, everyone's eyes were attracted by the broken statue, and they were all excited.

I saw that a bead the size of a fist was quietly suspended in the open heart of the statue, with colorful rays of light circulating throughout the body, and everyone present clearly felt that there was a very special inside this bead. Power is amazing.

Chapter 5240

“The Soul of the Heavenly Secret?”

“This is the Master of the Heavenly Secret Palace, the soul of the Heavenly Secret Palace left behind, which contains all the Qimen exercises of the Heavenly Secret Palace...”

“Baby, baby...”

Look When it came to the beads, everyone present was very excited.

The soul of heaven?

At the same time, Yue Feng was also deeply attracted.

This bead looks similar to the spiritual marrow bead in the ancient tomb of Lu Bu.

Yue Feng clearly remembers that when he entered the ancient tomb of Lu Bu, there was a similar bead in Lu Bu’s crystal coffin. At that time, Zhu Bajie called it a spiritual marrow bead, which was condensed after Lu Bu died. Lu Bu’s stunt during his lifetime was ‘Blood Battle in Eight Directions’.

And the soul of the heavenly secret in front of him also hides the valve stunt of the heavenly secret palace. As long as whoever takes it in his hand and pours his internal energy into it, the Qimen exercises inside will automatically enter his mind.

It can be said that the spiritual marrow bead and the soul of heaven have the same function.

The only difference is that the spiritual marrow bead was condensed from Lu Bu’s body. This heavenly secret soul was completely condensed by Dongfang Yi, the last palace master of the Heavenly Secret Palace, with powerful strength.

But in any case, the soul of the secret is indeed a peerless treasure in this underground town. After all, it contains all the Qimen exercises of the secret palace. Whoever gets it will have the ability to penetrate the sky and the earth.

Phew...

At this time, after everyone was amazed, their eyes were extremely hot, and they were about to rush up again.

card wipe...

However, before everyone could leave, they heard the sound of the opening of the organs coming from the four corners of the hall, and then, they saw several stone statues that were placed there, and they moved.

These stone statues, one by one, were carved into armored warriors with paint on them, which looked the same as the real ones from a distance. At this time, they suddenly moved, which was very strange.

For a time, everyone was shocked.

“What’s the situation?”

“How did these stone statues move?”

Just when everyone was in shock, Dongfang Yunqing, who had already understood, couldn’t help shouting: “You liars, bad people, want to snatch our Heavenly Secret Palace. My baby, it’s just a dream.”

“This is the ‘Mysterious Armor Formation’ that my father specially set up here, you don’t want to break it.”

When saying this, Dongfang Yunqing’s delicate face was full of pride.

Profound armor formation?

Hearing this, everyone had a bad premonition in their hearts, that is, at this time, it was a stone statue in the corner, and it had walked around the broken statue and formed a formation.

You can see that each stone statue holds a wide and sharp giant sword in the hand. The giant sword has a dark luster and is obviously made of special metal.

call!

Seeing this scene, Yue Feng frowned slightly and couldn’t help but admire in his heart.

The palace master of this Heavenly Secret Palace is worthy of being the descendant of the Nine Heavens Fairy. His attainments in the formation of the mechanism have reached a level beyond the reach of ordinary people. It is no wonder that the Heavenly Secret Palace can become a mythical existence on the rivers and lakes of the Ziwei Continent.

Others can’t see these stone statues, but Yue Feng can see at a glance that there are exquisite mechanical springs inside the stone statues. As long as the mechanism is triggered, the mechanical springs operate and drive the stone statues.

When the stone statue moves, it continuously brings power to the machine spring inside... In this way, the stone statue becomes a killing machine that will never rest.

It can be said that if you want to destroy these stone statues, you must destroy the machine springs inside, but these stone statues are all holding extremely sharp giant swords, and their attack and defense are very strong. If you want to destroy the machine springs inside, easier said than done?

“Ma De...”

Just when Yue Feng was thinking about this, a sect master in the crowd below reacted and shouted: “What kind of mysterious armor array, just a few broken stone statues...”
The

voice fell, The figure erupted and rushed up directly.

Swish...

Several stone statues looked at each other, sensing someone approaching, and immediately waved the giant swords in their hands, intertwined into a sword net, covering the sect master.

“Pfft!” In the

next second, before everyone around him could see what was going on, they saw the master of the sect, who was directly chopped into several pieces in mid-air, without even a single scream.

The ultimate husband in Chinese chapter 5241-5250

Chapter 5241

Hiss...

Seeing this scene, both Ren Pingsheng and the surrounding sect masters couldn't help but gasp.

These stone statues are nothing but dead objects. At this time, they formed a formation, the power is so terrifying? The dead sect master, who was also famous in the rivers and lakes, was killed by one move...

"Don't panic!" In the

next second, Ren Pingsheng calmed down and shouted at the people around him:

"These stone statues It's just deployed according to certain rules, as long as we unite as one, it's not difficult to break through."

Speaking of which, just now everyone didn't listen to the command, and they were scrambling to snatch the treasure in the statue, Ren Pingsheng was very annoyed, but He knew in his heart that in this situation, he could not tear his face for the time being.

When they get the Soul of Heaven's Secret, whether these people live or die will have nothing to do with them.

The voice fell, and Li Qinghai, who had been silent, also shouted: "Sect Master Ren is right, everyone was too reckless just now, and shouldn't be fighting, and the result was triggered, and we should obey the command."

"Otherwise, this is the case. A piece of loose sand, how can you not get the treasure."

When he said this, Li Qinghai had a straight face, but his eyes flashed with treacherousness. You must know that Li Qinghai lost to Ren Pingsheng in the competition before, and Li Qinghai was very worried. It is to hold back the fire, and it is a deep-rooted resistance to Ren Pingsheng's command.

But Li Qinghai is also very clear in his heart that if the current situation continues, it is impossible for everyone to break through the mysterious armor formation in front of them. The only way is to cooperate with each other.

Li Qinghai had thought about it, as long as the Profound Armor Formation was broken, he would immediately snatch the Soul of Heaven's Secret.

As long as you get the soul of heaven and learn the Qimen exercises in it, you can become the first person in the arena. At that time, Ren Pingsheng and the major sects don't need to be taken seriously.

Wow....

The voice fell, and everyone around nodded in agreement.

This chapter is provided by . Visit for daily update.

“Right, right... We can't be impulsive anymore.”

“There are dangers everywhere here, everyone put away their own careful thoughts, so as not to harm others and themselves.”

“However, these stone statues cooperate so well, how to find the weakness? ..”

Everyone's discussion, your sentence, and my sentence came, Ren Pingsheng's expression changed, and then he showed a meaningful smile.

The next second, Ren Pingsheng signaled everyone to be calm, then took a deep look at a few stone statues, and said slowly: “If I guess correctly, the weakness of these stone statues is in the chest, which is set inside. The machine spring.”

“When the machine spring is activated, these stone statues can move like human beings. As long as the machine spring inside is destroyed, the stone statues will become a pile of dead objects, and the mysterious armor formation will naturally be self-defeating.”

As Li The head of the Fire Sect, Ren Pingsheng observed closely, and saw the clues at a glance.

When the voice fell, everyone around was excited, and at the same time, they couldn't help but admire them.

“It seems to be the case, I didn't realize it just now...”

“The leader of the alliance is really powerful, and he can see the weakness of these stone statues at a glance.”

“Very good, let's take a shot together and directly destroy the springs inside the stone statues. “

At the same time as everyone admired, Yue Feng, who was hiding on the eaves, looked at Ren Pingsheng, and was secretly surprised.

This man is a bit skilled, he discovered the weakness of the stone statue so quickly.

It's just...it's easy to find weaknesses, and it's not that simple to say that you want to break the Profound Armor Formation.

"Everyone, do it!"

Just when Yue Feng was muttering secretly, he saw Ren Pingsheng shouting, pulling out his long sword, jumping up, and rushing into the Xuanjia formation first.

"Go!" The

surrounding masters of various sects did not hesitate, and immediately rushed into the formation to fight with those stone statues.

At the beginning, everyone was still full of confidence, thinking that as long as they united, they could easily break through the formation, but gradually, they felt a little powerless.

Everyone found that although these stone statues are dead objects, they cooperate with each other too tacitly. Whether it is defense or offense, they are all watertight. More importantly, many people have noticed that the material of these stone statues is not ordinary stone, but an extraterrestrial meteorite, so hard that it cannot be broken by a knife or pierced by a sword.

Chapter 5242

Under this circumstance, many people are a little anxious, and the formation is a little messy.

Bang Bang Bang...

The formation was chaotic, and many people were swept away by the giant sword in the stone statue's hand, causing a dull vibration, one by one vomited blood, and then fell to the ground, losing their combat effectiveness.

Mad!

Seeing this situation, Ren Pingsheng was completely anxious. He never thought that with so many people joining forces, they could not break the formation composed of several stone statues.

"Bang!"

At this moment, Li Qinghai was also swept away by the giant sword of the stone statue. After hearing a dull sound, Li Qinghai was directly shocked back a dozen steps, his face was pale, and he was obviously injured by the shock.

After stabilizing his figure, Li Qinghai's eyes were full of astonishment.

These statues... are too strong.

He clearly felt that the qi and blood in his body were churning, and his internal organs seemed to be displaced.

“Sect Master Ren!”

In horror, Li Qinghai turned his head and shouted at Ren Pingsheng, “It won't work like this. The defenses of these stone statues are too strong, and they can't be broken at all. Destroying them will definitely not work.”

“We have to find the law of this formation and use other methods to break the formation.”

As he said, Li Qinghai dodged the giant sword smashed by the stone statue and quickly retreated to a safe area.

call!

Hearing this, Ren Pingsheng took a deep breath, and when he saw the masters of various sects, dead and wounded, he was also very anxious

. He led the crowd and quickly exited the range of the Profound Armor Formation.

Seeing this scene, Yue Feng, who was hiding not far away, suddenly showed a smile. Although this Ren Pingsheng was very insightful and found the weakness of the stone statue, he didn't have the ability to break the hard stone armor, and everything was in vain.

After everyone retreated from the Profound Armor Formation, the expressions on their faces were extremely gloomy.

The previous attempt to break the formation has damaged many companions, and the few stone statues are still standing around the statue, as solid as a rock.

For a time, everyone was holding back fire and feeling helpless.

“That's right!”

At this moment, someone in the crowd shouted, "This girl is a descendant of the Heavenly Secret Palace, and she must know how to break the formation."

Shuh!

The voice fell, and everyone's eyes were locked on Dongfang Yunqing. Their gazes were scorching hot, like beasts who saw their prey.

Facing this situation, Dongfang Yunqing's heart trembled, and instinctively wanted to turn around and run away, but the gate of the main hall was blocked by these sect masters, and it was impossible to escape.

"You..."

There was no hope of escaping, Dongfang Yunqing bit his lip lightly, and while retreating, he said to Ren Pingsheng, "What are you going to do?" She was only in her teens, and after all these things, in panic, the voice All trembled.

The voice fell, and many people sneered.

"Little girl, tell me the way to break the formation."

"Don't think about playing tricks, hurry up and say..."

"Quickly say..." Amidst the anger of the

crowd, Ren Pingsheng walked over slowly and made a move. With a friendly look, he smiled at Dongfang Yunqing and said, "Don't panic, we won't hurt you. As long as you tell me how to break this formation, I will take you out safely."

Like everyone else, after several failed attempts, Ren Pingsheng could only put all hope of breaking the formation on Dongfang Yunqing.

The method of breaking the formation?

Hearing this, Dongfang Yunqing's handsome face showed a bit of determination, pointed at Ren Pingsheng and shouted, "You big liar, big bad guy, I won't tell you how to break the Profound Armor Formation.

"The soul of the secrets inside is something of our secret palace, and none of you want to steal it." The

voice was not loud, but there was no doubt about it.

Although Dongfang Yunqing was young, he also knew in his heart that the group of people in front of him were robbers who came in specifically to grab things. How could they get their wish?

The voice fell, and everyone was shocked and angry. They all have a lot of fame in the arena, and now they are pointed and scolded by a little girl, how can they bear it?

“Dead girl is courting death.”

“Dare to scold us, I really don’t know how high the sky is.”

“Tie her up directly and torture her.”

Chapter 5243

At the same time, Ren Pingsheng’s face was instantly ugly.

However, Ren Pingsheng did not have an attack on the spot, but squeezed out a smile that was uglier than crying, and said gently to Dongfang Yunqing: “Little girl, you also saw that the group of people around are very fierce, you still have to break the Tell me the method of the formation.”

“As long as you say it, I promise, they won’t dare to do anything to you.”

At this time, Ren Pingsheng had a fire in his heart. Identity, it is really shameless to say good things to a little girl.

But there is no way, that Profound Armor Formation is really too strong, the only thing that can be done now is to stabilize Dongfang Yunqing.

However, although Dongfang Yunqing is young, he is not a fool. He saw Ren Pingsheng’s plan at a glance, and immediately shouted: “I don’t believe you, you are a liar, a liar...”

Shuh!

When the words fell, Ren Pingsheng’s face instantly flushed red, and his heart was also filled with anger. He ordered to the disciple beside him, “Tie her up.”

It was just a teenage girl who scolded me over and over again.

Whoa!

Hearing the order, several Lihuo Sect disciples walked over quickly, holding ropes, and tying Dongfang Yunqing with five flowers.

“Let go of me...” Dongfang Yunqing was so frightened that she couldn’t stop screaming, trying to break free at the same time, but she was only a teenager, how could she break free?

Huh...

Seeing this scene, the masters of the various sects present were all indifferent, and even many people were a little excited. In their hearts, it is the most important thing to get the soul of heaven in the statue. As for Dongfang Yunqing’s life and death, it has nothing to do with them.

Nima!

At this moment, Yue Feng, who was hiding on the eaves, couldn’t bear it any longer, and his heart burst into flames.

This group of people is really a bastard. In order to get the treasure, they actually attacked a little girl. It’s not human.

“Little girl!”

At this time, Ren Pingsheng walked over slowly, looked down at Dongfang Yunqing who was tied up, and said coldly: “The people present are not good-tempered, you better tell the truth. The method of the formation will come out. Otherwise, I can’t guarantee what will happen next.”

Dongfang Yunqing snorted softly, clenching his mouth tightly, ignoring him.

Despite his young age, Dongfang Yunqing has a tough temperament.

Seeing her reaction, Ren Pingsheng was completely angry.

“Okay, very good!” In the

next second, Ren Pingsheng sneered a few times, pulled out his long sword, and pointed at Dongfang Yunqing’s heart: “As expected of the Wuji Palace, the descendants of the Dongfang family, they are quite individual. After staying here for so long, I really want to see the outside world, if one pair of eyes are blind, everything in the outside world will be invisible, wouldn’t it be a

pity ?” Proceed slowly.

Feeling the coldness from the tip of the sword, Dongfang Yunqing’s face turned pale and his body trembled, but his attitude remained firm: “You bad guy, kill me, I won’t say anything.”

The moment he spoke , Dongfang Yunqing's tears could not be stopped.

Father, and the uncles and uncles of the Heavenly Secret Palace, where are you all...

Until now, Dongfang Yunqing did not know that he had been sleeping in this underground town for a thousand years, and the Heavenly Secret Palace had long ceased to exist, and she His father, as well as those elders of the Heavenly Secret Palace, have all passed away.

"Tsk tsk..."

Looking at the long sword, he was about to stab Dongfang Yunqing's eyes. At this critical moment, he heard a cynical joke: "A dozen sects, bullying a little girl is really shameful.

" !

Hearing this, the long sword that Ren Pingsheng stabbed stopped abruptly, and he shouted in shock, "Who is it?" As he spoke, he looked out of the hall.

At the same time, the surrounding masters of various sects also looked outside, all of them were secretly shocked.

In this underground town, besides this little girl, is there anyone else?

However.

On the square outside the main hall, it was pitch black, how could there be half a figure?

Chapter 5244

Whoosh!

Just when everyone was in shock, a figure leaped down from under the eaves, and in the blink of an eye, it arrived at Dongfang Yunqing's side.

Dressed in a black long shirt, unrestrained and unrestrained.

It is Yue Feng!

Whoa!

Seeing Yue Feng, everyone present was in an uproar, and many people frowned secretly.

"Who is this person?"

“Yue Feng? The Pill Pavilion Master of Chunyang Palace?”

“It is rumored that the newly appointed Pill Pavilion Master of Chunyang Palace has extremely high attainments in the art of alchemy, and this is the person. ?”

Among the various sects present, there are many elite disciples of Beihai Xingsu, and a few days ago, Yue Feng and Jiang Hongyu visited Beihai Xingsu together, so they recognized it at a glance.

“It’s you...”

Seeing Yue Feng, Dongfang Yunqing’s delicate body trembled, and he was surprised again, and there was an indescribable complexity. Two hours ago, it was Yue Feng who woke her up from the crystal coffin. How can you forget?

“I told you not to run before, but you have to run, now it’s alright, let’s fall into the hands of the bad guys.” Yue Feng smiled at Dongfang Yunqing and rebuked lightly.

The next second, Yue Feng comforted: “But don’t be afraid, no one will hurt you if I am here.” The

last word fell, Yue Feng raised his hand gently, and the rope on Dongfang Yunqing’s body shattered instantly. .

“Hey!”

At this moment, Ren Pingsheng reacted and took a step forward and looked at Yue Feng coldly: “You are the Pill Pavilion Master Yue Feng of Chunyang Palace?”

This kid doesn’t seem to have any strength at all. How did he get down from the eaves just now?

Also, this person just raised his hand and shattered the rope on the little girl?

“It’s me.” Yue Feng replied lightly.

Ren Pingsheng nodded silently and continued: “Since he is a member of Chunyang Palace, he has nothing to do with Tianji Palace. Please step back immediately. We want to interrogate this girl.”

After speaking, Ren Pingsheng looked at Dongfang Yun deeply . Take a clear look.

Ha ha!

Yue Feng chuckled and said without shyness: “Interrogation? You are also the master of a sect, bullying a little girl in a grand manner, and I will be ashamed for you.”

In his words, there was no concealed contempt.

“You...” Ren Pingsheng blushed and wanted to refute, but was speechless.

At the same time, everyone around was also embarrassed. After all, Yue Feng was right. So many sect masters threatened and threatened a little girl. When the news spread, no one’s face was light.

For a time, the atmosphere was very dull.

“Haha...”

At this moment, Li Qinghai, who had been silent all the time, came out with a big laugh, cupped his hands at Yue Feng, and said almost: “Brother Yue Feng, old man Li Qinghai, the great elder of Tianhaimen.

” I have always heard that Brother Yue Feng has high attainments in the art of alchemy, and he admires it very much, but he has never had the chance to see it, and he did not expect to meet him here.”

Having said that, Li Qinghai licked his face and continued. : “Brother Yue Feng, you came to this underground town alone for the treasure. Since that’s the case, why don’t we join forces?”

“As long as you ask for the method of breaking the formation from this girl’s mouth, you will be able to get the soul of the secret inside. At that time, the Qimen exercises of the secret palace will be available at your fingertips...”

Li Qinghai said with a beaming expression, as much as possible. to win over Yue Feng.

In Li Qinghai’s heart, Tianhaimen and Chunyang Palace are allies, and he has said this to himself, and Yue Feng will not refuse because of reason.

However, he was wrong.

Seeing Li Qinghai’s face, Yue Feng sneered and interrupted before he finished speaking: “Elder Li, right, you don’t need to waste your words, despicable and shameless villains like you, I am ashamed to be in company with you. “

Yue Feng has been walking around the world for so many years, and what he dislikes most is this kind of hypocrite who does what he does in the open and what he does in secret.

What?

Hearing this, Li Qinghai was stunned for a moment, his face flushed, as if he did not expect that Yue Feng not only refused, but also accused himself in public.

Before he could react, Yue Feng continued word by word: "Elder Li, you are quite old, and among all the people present, whether it's status or fame, you are the highest. After all, you are also a senior in Jianghu. ."

Chapter 5245

"But when the head of the sect was coercing and tempting the little girl just now, it's fine if you don't stop it, and you just condone it. It's just thrown into the face of the seniors in the rivers and lakes."

"You still have the face to win me over, and You bully the weak together? Haha, it's so shameless, it's really shameful to have an elder like you in Tianhaimen." The

words were loud and could not be refuted.

"You..."

Li Qinghai's face turned blue and white, and he was about to explode with anger. He pointed at Yue Feng and wanted to refute, but he couldn't say a word.

Whoa!

At the same time, everyone around was glaring at Yue Feng, and they were all shocked and furious.

Yue Feng seemed to be scolding Li Qinghai just now, but between the words, he also scolded everyone present. They are all powerful figures in the arena, how can they tolerate Yue Feng being so presumptuous?

Looking at the expressions of everyone, Yue Feng smiled lightly, without taking it to heart, turned around and said to Dongfang Yunqing: "I'll take you out of here later."

What?

Yue Feng's voice fell, and the audience instantly exploded.

Whether it was Ren Pingsheng or Li Qinghai, their faces were ashen and their anger was unforgivable.

"Haha." Finally, a Tianhaimen disciple couldn't help scolding: "Yue Feng, don't think that you are the Pill Pavilion Master of Chunyang Palace, no one dares to touch you, you just said it nicely, On the surface, you want to protect this girl, but the final purpose is not to want to get the treasure here?" The

voice fell, and many people nodded in agreement.

“That’s right, righteous on the surface, but also a villain behind the scenes.”

“You still have the face to talk about us?”

“You are really villains, and you can’t be any better.”

Everyone said one sentence to another, and they all criticized Yue Feng. In their hearts, Yue Feng protected Dongfang Yunqing so much, not because of kindness, but also because he wanted to be in the idol. It’s just the soul of heaven.

Facing the reprimands from everyone, Yue Feng smiled lightly: “If I want to get the soul of heaven, why do I need to be like you?” After speaking, he glanced at the Xuanjia Formation not far away.

Yue Feng is not bragging, with his accomplishments in formation, breaking this mysterious armor formation is completely a piece of cake.

What?

For a time, everyone was stunned, thinking that they had heard it wrong.

What is this Yue Feng saying? He doesn’t need this little girl to break this Profound Armor Formation?

Too bragging.

Seeing everyone’s reaction, Yue Feng chuckled lightly. He was too lazy to talk nonsense at the time, and with a flash, he rushed into the Xuanjia formation.

Buzz buzzing...

Sensing that someone broke in, several stone statues in the Profound Armor Formation immediately moved, waving giant swords, interweaving into a sword net, covering Yue Feng.

This scene is very similar to the first person who broke into the array.

Go crazy.

Seeing Yue Feng rushing directly into the Profound Armor Formation, everyone sneered, as if they had seen him being killed by a giant sword.

However, the next scene surprised everyone present.

I saw that Yue Feng's figure was agile, passing through the gaps between several giant swords, completely predicting the law of the stone statues' shots.

bang bang bang...

Immediately afterwards, Yue Feng sent out several palms in a row, and in the middle of the chests of the stone statues, a few roars were heard, and the machine springs hidden in the chests of the stone statues were all destroyed.

Several stone statues were destroyed, and the Profound Armor Array suddenly lost its function.

silence!

In an instant, the entire hall was silent.

Everyone stared blankly at Yue Feng, as if they had seen a monster. You must know that when the masters of various sects joined together before, not only did the Profound Armor Formation not be broken, but a lot of casualties were also lost.

And this Yue Feng, with only one person, broke the Profound Armor Formation without getting the slightest injury.

Who would believe it if you hadn't seen it with your own eyes?

"This..."

Finally, I don't know who reacted first, and couldn't help muttering: "This person is not the pavilion master of Pill Pavilion, only has research on Pill Technique? How can he still understand the formation of Tianji Temple?" The

voice fell. , The surrounding people seemed to be infected, and the discussions came flooding in.

"How did he break those stone statues just now? It's too fast..."

"I didn't see it clearly."

"It's unbelievable..."

At the same time, Dongfang Yunqing was also trembling slightly, dumbfounded. Looking at Yue Feng, he couldn't say a word. You must know that this Mysterious Armor Formation seems simple but very mysterious. Only the Palace Master of the Heavenly Secret Palace knows how to break the formation.

The ultimate husband in Chinese chapter 5246-5250

Chapter 5246

Whoosh!

Just when everyone was shocked, Yue Feng's figure flashed, and he came to the statue in an instant, and directly took the soul of the secret in his hand.

Of course, Yue Feng didn't want the Qimen exercises inside.

Although the Heavenly Secret Palace's Qimen exercises have a fatal attraction to the masters of various sects present, to Yue Feng, they are just some ordinary techniques.

The reason why Yue Feng took out the Soul of Heaven's Secret was that he didn't want the Qimen exercises inside it to fall into the hands of despicable people like Ren Pingsheng. After all, Dongfang Yunqing was by his side, she was the descendant of the Heaven's Secret Palace and the Soul of Heaven's Secret. sole heir.

Swish!

Seeing that Yue Feng got the Soul of Heaven's Secret, whether it was Ren Pingsheng or the others present, all of them stared at Yue Feng's hands, and their eyes became extremely hot.

"Yue Feng!" In the

next second, Ren Pingsheng couldn't hide his excitement, and shouted at Yue Feng: "Give me the soul of the secret, the Qimen exercises in it, the sects we are present, have a calculation One, all share."

"Of course, if you break the formation, your Chunyang Palace will naturally have to share a little more."

When he said this, Ren Pingsheng was already a little impatient. In his heart, Yue Feng even got the secret. The soul does not dare to swallow it alone. You must know that the various sects who were present before have suffered serious casualties in order to break the profound armor formation. If Yue Feng swallowed the soul of the secret, he would be against all the sects present.

Even if Yue Feng is the Pill Pavilion Master of the Chunyang Palace, with an extraordinary position, he would not dare to take this risk.

After all, there are more than a dozen sects present, and if Yue Feng offends all of them, he will be the enemy of the entire Ziwei Continent.

Ren Pingsheng thought about it, first, in the name of the alliance leader, to deceive the soul of Tianji from Yue Feng's hands. As long as the things are in hand, he will find a way to deal with the surrounding sects.

"For you!?"

This chapter is provided by . Visit for daily update.

However, Yue Feng immediately guessed Ren Pingsheng's thoughts, sneered at that time, and said to Ren Pingsheng without mercy: "Sect Master Ren, is your head caught by the door? This is something from the Heavenly Secret Palace, why should I give it to you?"

"If you want it, at least you have to become a disciple of the Heavenly Secret Palace first."

Having said this, Yue Feng tilted his head to look at Dongfang Yunqing and smiled. He hehe asked: "Girl, are you willing to accept this person as your apprentice?" The words were full of playfulness.

"No!"

Dongfang Yunqing was still young and could not hear what Yue Feng was joking, and immediately refused: "I won't accept him as a disciple, this person is a big bad guy and a big liar.

" He glared at Ren Pingsheng fiercely.

In Dongfang Yunqing's heart, Ren Pingsheng first lied to her, and then in order to break the Profound Armor Formation, he had to blind her eyes with a sword. How could he accept her as a disciple?

Hearing this answer, Yue Feng shrugged at Ren Pingsheng and said with a smile: "You heard it too, Sect Master Ren, the little girl doesn't want to accept you as a disciple, then you can't become a disciple of Tianji Temple, so this Tianji Soul, you have no chance." The

words were full of mockery.

Swish!

At this moment, Ren Pingsheng's face was extremely ugly, and he almost exploded with anger.

In order to revive the glory of Lihuomen, he has practiced in closed-door retreat for more than ten years. Today, he finally had the opportunity to become famous in the

world, but he was so humiliated by this Yue Feng. How can I swallow this bad breath the next?

In anger, Ren Pingsheng drew out his long sword, pointed at Yue Feng and shouted angrily, "You... seek death."

A few minutes ago, Ren Pingsheng was a little jealous of Chunyang Palace because of Yue Feng's identity, so he kept a little polite, but at this time, seeing that Yue Feng didn't show any affection, he couldn't help it.

Swish...

At the same time, the disciples of the Lihuo Sect in the crowd were also holding their long swords tightly, their eyes locked on Yue Feng, flashing with strong killing intent.

When the head was humiliated, they naturally would not stand idly by.

Hehe...

Seeing this scene, Li Qinghai next to him couldn't help sneering secretly. When Ren Pingsheng was discussing with me just now, what a scene, I probably never thought that he would be slumped in front of Yue Feng.

Refreshing in his heart, Li Qinghai took a deep breath, pretended to come out to smooth things out, and said to Ren Pingsheng, "Sect Master Ren, don't be impatient, let me come."

Chapter 5247

Speaking, Li Qinghai took a step forward and looked at Yue Feng seriously: "George Yue, I know that you are a little bit contemptuous of my behavior just now, but to be honest, who are the fellows from all corners of the country who are here today? Didn't you come to look for treasures?"

"This place has been sealed for so many years, and it is a great blessing to be found by everyone. Moreover, just now, in order to get the soul of the secret, all the sects suffered heavy casualties, if you don't hand it over, I'm afraid you won't be able to convince the public."

"So, for the sake of our three major sect alliances for so many years, give me a face and hand over the soul of the sky, so that it can be counted as an explanation for all the sects present. "

When he said this, Li Qinghai's face was sincere, but there was a bit of cunning in his eyes.

Like Ren Pingsheng, Li Qinghai did this not for the various sects present, but the ultimate goal was to get the soul of the sky.

You must know that in the soul of the sky, the Tianji Palace has inherited the Qimen exercises for thousands of years. If you practice the same way, you will be able to stand alone in the rivers and lakes and traverse the Lagerstroemia Continent.

Ha ha...

Yue Feng's eyes were like torches, and he saw through Li Qinghai's tricks at once, and immediately sneered: "Okay, don't pretend, you and I know what you think in your heart."

"I tell you, this secret The soul, I will not give it to any of you." The

last word fell, Yue Feng slowly walked over, solemnly handed the soul of Tianji to Dongfang Yunqing, and said seriously: "Girl, take your things. , you have to remember, this is what your ancestors worked hard to pass down, so you must take good care of it, and don't be deceived by bad people."

These words seem to be telling Dongfang Yunqing, but in fact they are mocking Ren Ren. Life and Li Qinghai.

"Um!"

Dongfang Yunqing nodded sensible: "I know." After speaking, he put the soul of the secret on his body.

Mad!

Seeing this scene, the masters of various sects present were all shocked and angry.

This Yue Feng is really too much. If you don't hand over the soul of the heavenly secret, it's fine, but also accusing Sang of scolding Huai for humiliating us?

At this moment, Li Qinghai's face was also extremely gloomy, Ma De, this Yue Feng is really hateful, I put down my identity and said all the good things, but he didn't give any face at all.

Really ignorant.

"Okay, very good."

Thinking to himself, Li Qinghai looked at Yue Feng coldly, and his tone was cold: "George Yue, according to what you said, you have to go against the sect present, even if you destroy the alliance. Relationship, is it at all costs?"

Yue Feng smiled lightly: "Don't give me a hat, this is my personal matter, and has nothing to do with Chunyang Palace."

After saying that, Yue Feng grabbed Dongfang Yunqing's hand, Looking around, he said word by word: "I will not give you the soul of the secret, this little girl, I will also take it."

Bang!

When the words fell, Ren Pingsheng slapped his palm on the pillar next to him, staring at Yue Feng, almost spitting out fire: "Good boy, you have to walk right with all the sects present, there is something, I see how you bring it today. He's gone."

"All the disciples of Lihuo Clan obeyed the order and killed this ignorant thing for me to take back the soul of the secret."

Whoops!

When the words fell, the disciples of the Lihuo Sect, who had been unable to hold back for a long time, drew out their long swords and surrounded Yue Feng and Dongfang Yunqing.

In the face of this situation, Yue Feng's face was indifferent, not panic at all.

This....

Li Qinghai frowned, and he was in trouble for a while.

Although this Yue Feng is hateful, he is a member of Chunyang Palace after all. You must know that Tianhaimen and Chunyang Palace are also called the three major sects, and their relationship has always been good. Not suitable.

"Elder, Great Elder..."

Just when Li Qinghai was in a dilemma, a shout suddenly came from outside the hall, and then, a figure walked in quickly, sweating profusely, very embarrassed.

It was Ye Xingyu who fell into the underground town from the very beginning.

An hour ago, Ye Xingyu and Chen Shangzhi met with Yue Feng. At that time, Chen Shangzhi wanted to kill Yue Feng, but he touched the organ and died. At that time, Ye Xingyu was angry and panic.

After Xiang Yue Feng left with harsh words, Ye Xingyu went to investigate alone, because he knew that there were many traps in this place, so Ye Xingyu did not dare to rush in.

Chapter 5248

When Ye Xingyu passed the main hall just now, when he heard the noise here, he hurried over to check. When he arrived at the door of the main hall, he saw Li Qinghai and the people from Tianhaimen. Ye Xingyu was overjoyed as if he had caught a life-saving straw.

Swish!

At this moment, the eyes of the audience all converged on Ye Xingyu.

“Xingyu?” Li Qinghai was also very surprised, and asked in surprise, “Why are you here?” He knew about Ye Xingyu and Chen Shangzhi’s visit to Beihai Xingsu.

It stands to reason that they should be in the North Sea Constellation now? How would it appear here?

Moreover, is Ye Xingyu alone?

is this kid?

At the same time, Yue Feng was also stunned when he saw Ye Xingyu. There were traps everywhere, and he had nothing to do with him.

call!

Hearing Li Qinghai’s question, Ye Xingyu took a deep breath and said with a complicated expression: “It’s hard to say anything.” Because there were too many people around, Ye Xingyu hadn’t seen Yue Feng for a while.

At this time, Ye Xingyu was very depressed.

Originally, Ye Xingyu was full of longing for his visit to Beihai Xingsu this time, because his master had already promised to help him propose a marriage. How could he know that he met Jiang Hongyu, but was rejected because of Yue Feng. Not only that, but his younger brother also died because of Yue Feng.

It can be said that this time down the mountain, I was frustrated everywhere, but there are so many sects around, how can I say what happened? Seeing his complicated expression, he must have encountered something, so Li Qinghai was inconvenienced to say more, but seeing him alone, he couldn’t help but ask, ” Where’s

Chen Shangzhi?”

Good foreboding.

You know, the whole Tianhaimen knows that Ye Xingyu and Chen Shangzhi have a good relationship and are almost inseparable. Otherwise, they will not visit the North Sea Constellation together.

At this time, I saw Ye Xingyu, but not Chen Shangzhi. Obviously, something happened to Chen Shangzhi.

“Junior brother...”

Seeing him questioning Chen Shangzhi, Ye Xingyu’s nose was sour, and sadness came from it, and he said: “Junior brother...he died...” Thinking of the scene of Chen Shangzhi’s tragic death at that time, Ye Xingyu pressed Nai Incessant grief.

What?

Hearing this, Li Qinghai was shocked, as if he had been hit by an invisible sledgehammer, his body staggered, and he almost became unsteady.

You know, Chen Shangzhi is Li Qinghai’s close disciple. Because of his talent and intelligence, he is deeply loved by Li Qinghai, and he has high hopes for him.

Speaking of which, Li Qinghai felt bad when he saw Ye Xingyu alone just now, but when he heard that his disciple had an accident, he couldn’t accept it.

“He...”

For a time, Li Qinghai was very sad, clutching Ye Xingyu’s arm tightly, his voice hoarse: “How did he die?”

Ye Xingyu looked complicated and didn’t know how to answer for a while.

Um?

It was at this moment that Ye Xingyu saw the two Yue Feng who were tightly surrounded, and his heart was shocked, and he suddenly shouted: “It’s him.”

At this time, Ye Xingyu, like crazy, pointed at Yue Feng and shouted loudly. Howling: “Elder, it’s him who killed Junior Brother Chen, it’s him!” To

be honest, Ye Xingyu was still a little apprehensive when he suddenly saw Yue Feng. After all, when Liu Jianji besieged Yue Feng, he But he saw with his own eyes the true strength of Yue Feng, which is very strong.

But thinking that there are so many people around, Ye Xingyu has no worries.

Swish!

Hearing this, Li Qinghai's face was extremely gloomy, and he turned his head and looked on Yue Feng, like a dormant beast: "You...you killed my apprentice?"

"He himself touched the organ, what's my business?"

"You..."

Ye Xingyu's face flushed when he heard this, and he didn't know how to refute it, because Yue Feng was right, and it was indeed Chen Shangzhi who had rashly said that. Shot, only to touch the organ.

But the younger brother died so tragically that there were almost no bones left, and this bad breath had to be released.

Thinking to himself, Ye Xingyu shouted at Li Qinghai: "Elder Li, don't listen to him, this Yue Feng is the most cunning, and Junior Brother Chen is absolutely the one who killed him, so you must avenge Senior Brother Chen. "

Chapter 5249

Swish!

Hearing this, Li Qinghai's face was extremely blue, his eyes were like poisonous snakes, and he stared at Yue Feng: "Okay, you killed my apprentice, I can't stand against you."

"Tianhaimen disciple obeyed and took Yue Feng. Wind." Li Qinghai roared loudly, anger rising from his body.

To be honest, Li Qinghai, as the great elder of Tianhaimen, has been in the world for many years. Whoever tells the truth and whoever tells lies can be seen at a glance. He knows that what Yue Feng said is true, and his apprentice Chen Shangzhi is most likely himself. Touch the trap and die.

But before, because of the soul of the secret, Yue Feng didn't give any face, Li Qinghai was very annoyed, but because of the alliance, he didn't completely tear his face.

At this time, seeing Ye Xingyu publicly acknowledging that Yue Feng had killed his beloved disciple, Li Qinghai knew that the time had come.

Even if the Palace Master of Chunyang Palace knew about it, Yue Feng would not take it seriously.

"Kill him!"

At this moment, seeing Li Qinghai finally speaking, Ye Xingyu couldn't help but howl: "Kill Yue Feng to avenge Junior Brother Chen."

"Kill!" The

voice fell, and the Tianhaimen disciples present, They pulled out their long knives one after another, their eyes blood red, and slashed towards Yue Feng.

Huh...

Seeing that Tianhaimen and Yue Feng were completely torn apart, the other sects present also shouted.

"The disciples of Fengleitang obeyed the order and took down Yue Feng."

"Come on together, kill him, and snatch the soul of the heavenly secret..."

Hula..

In an instant, all the sect disciples present rushed towards Yue Feng after hearing the order. Speaking of which, these sects originally had some concerns about Yue Feng's identity.

After all, Yue Feng is the Pill Pavilion Master of Chunyang Palace, and his status is second only to the Palace Master. If he moves him, he will be the enemy of Chunyang Palace. At this time, seeing Li Qinghai completely torn his face, his previous concerns immediately disappeared.

This....

Seeing this scene, Dongfang Yunqing was unspeakably nervous, and said anxiously at Yue Feng: "Are we going to die? I'm afraid..." Although he and Yue Feng met for the second time, Dongfang Yunqing said: I can clearly feel that the man in front of me is the real good person.

"Don't be afraid!" Yue Feng smiled slightly, looked down at her and comforted her, "I am there."

As he was talking, he saw Li Qinghai with a grim face, and said coldly at Yue Feng, "Yue Feng, you killed me. Disciple, even if you hand over the soul of the secret, you will die today."

Hehe...

Hearing this, Yue Feng did not panic at all, and smiled lightly: "Don't use these high-sounding reasons, your ultimate goal is still to want Stealing the soul of the secret."

After speaking, Yue Feng glanced at the people who rushed up around him: "Full of benevolence, righteousness and morality, but behind the scenes, you do some bullying things. You so-called famous and decent people are nothing more than that."

Om!

At the moment when the voice fell, Yue Feng's divine power was urged, and he raised his hand and waved, and in an instant, an overwhelming force swept out.

Bang bang bang...

The dozens of masters of various sects who rushed to the front did not react, and were directly thrown out by a powerful force. After landing, they all passed out.

Yes, Yue Feng did not kill the killer, otherwise, these people would have become corpses.

hiss...

Even so, seeing this scene, Li Qinghai and Ren Pingsheng were still shocked.

Seeing that Yue Feng had no strength at all, he was able to explode such terrifying power. It seemed that he had been hiding his strength before.

It's so sly.

"Let's go!"

While everyone was in a daze, Yue Feng grabbed Dongfang Yunqing's hand tightly, jumped up, and led her out of the hall.

Mad!

Seeing Yue Feng fleeing, Ren Pingsheng was the first to react. His face was gloomy and he howled loudly: "Quick, stop him, we must not let him escape.

"Soul of the soul, but was taken by Yue Feng, if this made him escape, the matter spread to the rivers and lakes, and all the sects present would lose face.

Chapter 5250 The

voice fell, and everyone calmed down and shouted.

"Quick, stop him."

"You mustn't let him run away..."

“This person is too cunning.”

Everyone shouted, rushing out of the hall like a tide, chasing after Yue Feng.

At this time, Yue Feng had already rushed to a hundred meters away. Speaking of which, if there were not too many traps around, he would have disappeared long ago.

“They’re catching up.”

Seeing everyone chasing after him, Dongfang Yunqing couldn’t help but exclaimed, “Can’t we escape?” Yue Feng has been regarded as the closest person.

Yue Feng smiled and said indifferently: “Don’t panic.”

After saying that, Yue Feng glanced back and chuckled at that time: “You guys want to stop me?” The voice fell, and the divine power in the body was running. , raise your hand.

Huhuhu...

In an instant, the air behind him distorted violently, and then, a hot red flame condensed out, and in just a few seconds, a wall of fire was formed on the road behind.

I saw that the condensed flames were purple-red, very strange.

Yes, it is Yue Feng’s unique red lotus fire. When Yue Feng was reborn with the help of the red lotus in the law, the original white lotus cold fire was sublimated, and finally a new red lotus fire was formed.

Whoa!

The moment the fire wall was formed, everyone chased after them. For a while, Ren Pingsheng and Li Qinghai frowned.

This flame is a bit strange, it turned out to be purple.

But some people don’t care at all.

Soon, no one in the crowd shouted: “A mere wall of fire, like blocking us?” The voice fell, and a protective film was formed around him, and then he rushed in.

“Rush, go through the fire wall.”

“Can’t let him run...”

Seeing someone taking the lead, many people also deployed protective films around their bodies, and then followed closely.

Huhuhu...

In the eyes of this person, this wall of fire is just an ordinary flame. The protective film condensed with internal force can completely isolate the fire from the outside. However, what they never expected was that when they rushed into the wall of fire, The protective film was instantly burned, and then the flames spread, igniting these people directly.

“Ah...” The

burning pain came, and everyone let out a shrill scream. Because it was too painful, each and every voice became emphasized, and it made people’s backs chill.

“Help me...” “Help

me... help me...”

At the same time as the screams, several people called for help without listening, but none of the people present dared to step forward, all of them were Horrified.

what fire is this? The protective film condensed by the internal force was useless at all. You must know that the few people who rushed over were considered to be the top experts in the arena, but the protective film that was condensed was instantly burned.

This fire is so terrifying...

They don’t even know that Yue Feng, as an imperial teacher, contains the red lotus divine fire in his body, which is the gods in the realm of the gods.

Finally, the screams of several people gradually stopped, and when the wall of fire disappeared, everyone present was horrified to see that there were no bones and scum that were burned by several people.

Hiss...

Seeing this scene, Ren Pingsheng and Li Qinghai couldn’t help but look at each other and take a deep breath.

What kind of exercise is this Yue Feng practicing, and the flames displayed are so terrifying... In

horror, everyone looked at the direction Yue Feng was leaving, each with an extremely complicated expression, and no one dared to pursue it.

...

hoo!

Yue Feng took Dongfang Yunqing and drove all the way in a hurry. After ten minutes, he stopped when he saw that no one was chasing after him.

“Okay.” Yue Feng breathed a sigh of relief and smiled at Dongfang Yunqing: “Finally got rid of those bad guys.”

Dongfang Yunqing snorted, thought for a while, and then couldn't help asking: “Thank you, after you leave here, can you take me to find my father?”

Alas!

Seeing her look of anticipation, Yue Feng couldn't help sighing, this girl is really suffering, and she still doesn't know that her father died long ago.

The ultimate husband in Chinese chapter 5251-5260

Chapter 5251

Feeling emotional, Yue Feng touched the tip of his nose and said in a complicated tone: "Little girl, your father is long gone, and your Heavenly Secret Palace was destroyed a thousand years ago..."

Saying that, Yue Feng took out the silk from his body and handed it to Dongfang Yunqing: "This is what your father wrote at the time, and it has been under your sleeping crystal coffin, you can see for yourself."

What?

Hearing this, Dongfang Yunqing's delicate body trembled, and his brain buzzed, thinking that he had heard it wrong.

Father died, and the Heavenly Secret Palace no longer exists?

And, it's been a thousand years since the thing happened?

She is still young and has never experienced any big winds or waves. She just thinks that what Yue Feng said is like a fantasy.

She could tell at a glance that this was silk only available in the Tianji Palace, and because of this material, there was no other place.

In the next second, Dongfang Yunqing tried his best to calm himself down and read the above description carefully. After just a few minutes, the whole person froze completely, like a wood carving.

"Wow..."

Finally, after dozens of seconds, Dongfang Yunqing reacted and squatted on the ground and burst into tears: "Father... Uncles and uncles, why did you leave me..."

I'm the only one left now, what should I do? Father, I miss you so much, I miss you so much..."

Tears fell from Dongfang Yunqing's face like a string of pearls. Desolate and lonely, heartbreaking.

call....

Seeing this situation, Yue Feng didn't feel good in his heart. He wanted to comfort him, but he didn't know where to start. Speaking of which, Yue Feng has experienced a lot of wind and waves, but this is the first time that Dongfang Yunqing has encountered it.

This chapter is provided by . Visit for daily update.

Sleeping for thousands of years, relatives and friends have long since turned into dust. This kind of lonely and desolate mood can only be experienced by the parties involved. What's more, this Dongfang Yunqing is only twelve or thirteen years old.

Forget it, let her cry.

When you cry, you will feel better.

Thinking to himself, Yue Feng no longer thought about comforting, but quietly stood aside.

"Fake..."

After crying for a while, Dongfang Yunqing stood up slowly, with a bit of complexity flashing on his tender and handsome face: "This is all fake, my father is so powerful, how come Maybe he will die? The Heavenly Secret Palace will not be destroyed, I will go out to find my father.."

Because of too much grief, Dongfang Yunqing was a little irrational at this time, shouting to himself, he was about to find an exit and leave.

Silly girl!

Seeing this situation, Yue Feng felt helpless and distressed, and quickly grabbed her: "Calm down, it's a fact that your father and the Heavenly Secret Palace were destroyed. It's written clearly, you can't help but believe it."

"Now On the rivers and lakes outside, the Heavenly Secret Palace has become a thing of the past."

"Also, you have seen the situation just now, so many sects want to catch you, to rob your Heavenly Secret Palace's Qimen exercises, you just run around like this. , what will happen if it falls into their hands?"

Yue Feng's eyes were full of pity when he spoke.

call!

Hearing these words, Dongfang Yunqing slowly calmed down, but the tears could not be stopped again, and he choked: "Father is gone, and the Heavenly Secret Palace is gone, what should I do..."

Yue Feng sighed softly and said softly: "Don't panic, there is me, I will take you to Chunyang Palace, where are there two very good sisters, they will take care of you together." What

Yue Feng said was Jiang Hongyu and Xiaorou.

In the current situation, Dongfang Yunqing can only be brought back to Chunyang Palace. Moreover, Jiang Hongyu and Xiaorou are both kind-hearted and confident that they will be able to take good care of Dongfang Yunqing.

Chunyang Palace? Hearing this, Dongfang Yunqing tilted his head and thought for a while, and couldn't help but ask, "I heard those people call you Pill Pavilion Pavilion Master

just now, are you very good at alchemy?"

It is proud to say: "The alchemy technique of our Tianji Palace is also very powerful."

Haha...

Seeing her innocent look, Yue Feng couldn't help laughing: "It will be a little bit. In your Heavenly Secret Soul, there should be the alchemy technique of your Heavenly Secret Palace. When you reach the Chunyang Palace, you must practice hard, don't live up to your father's expectations, and you must continue the inheritance of your Heavenly Secret Palace. You can rest assured, I It is the Pavilion Master of Pill Pavilion, with me, no one in Chunyang Palace will disturb you."

Chapter 5252

Yue Feng thought about it, returned to Chunyang Palace, and let Dongfang Yunqing live in Dan Pavilion first.

You must know that there are only Yue Feng and Xiaorou in the huge Dan Pavilion. Because there are differences between men and women, and things are not very convenient, and Xiaorou is often bored. If Dongfang Yunqing goes, Xiaorou has company, Must be very happy.

Um!

Seeing the sincerity of Yue Feng's words, Dongfang Yunqing thought for a while, then nodded and said, "Well, I'll go to Chunyang Palace with you."

After saying that, Dongfang Yunqing thought of something, looked up at Yue Feng and asked. Said: "I heard them call you Yue Feng just now. I called you Uncle Yue Feng, or I should call you the pavilion master..."

As a descendant of the Tianji Palace, Dongfang Yunqing knew the etiquette from a very young age.

Yue Feng scratched his head and said with a smile, "You can call it whatever you like."

Hearing this, Dongfang Yunqing pursed his lips and smiled: "Then I'll call you Uncle Yue Feng. It looks kind." Dongfang Yunqing realized that Yue Feng was the real good person in front of him, and he completely let down his guard.

Uh...

Yue Feng was a little embarrassed to hear this title: "Call me brother Yue Feng, uncle, just call me old."

Dongfang Yunqing nodded, and then called out sweetly: "Yue Feng Brother." The smile was like a flower, and the mood was much better than before.

Yue Feng responded, then looked at the surrounding environment, and asked, "Do you know how to get out?"

Speaking of which, with Yue Feng's current strength, it would be great to directly break through the barrier with Dongfang Yunqing, but doing so would only lead to a collapse.

Back then, Dongfang Yunqing's father spent a lot of effort to build this place. It would be a pity if it collapsed and destroyed.

More importantly, forcibly breaking through the enchantment is very moving, and it is difficult to guarantee that Ren Pingsheng will not be attracted by that time. So after thinking about it, Yue Feng decided to find an exit.

And Dongfang Yunqing is the only descendant of Tianji Palace, so he must know where the exit is.

"Let me think about it."

At this moment, Dongfang Yunqing tilted his head to think for a while, and said slowly: "When the couple brought me in, they walked through the southeast entrance, but after entering, they gave the Qianjin Gate to the gate. It 's down."

"My father said that the Qianjin Gate can stop thousands of horses... But if the Qianjin Gate was put down, the entrance would definitely not be able to get out. But my father said at the time that there was an exit in the northwest."

Northwest...

Hearing this, Yue Feng did not hesitate at all, and immediately rushed towards the northwest with Dongfang Yunqing.

Along the way, the two of Yue Feng did not walk on the main street, but tried to take a hidden path to avoid being discovered by the masters of the major sects. Speaking of which, Yue Feng was not afraid of the major sects, but just didn't want to waste time.

Half an hour later, under the guidance of Dongfang Yunqing, Yue Feng took her to a courtyard in the northwest.

I saw that the houses in the yard were very short and very dense. In less than 1,000 square meters, there were hundreds of houses densely packed. The streets between the houses were very narrow and could only accommodate one person. go through.

Also, the door to the house was blocked.

Obviously, this yard is not used for rest at all.

It seems to be a virtual maze.

Seeing this scene, Yue Feng couldn't help but take a deep breath and muttered in his heart. His attainment in the formation technique had already reached a peak of excellence. At this time, just by looking at it, he recognized that the arrangement of these low-rise buildings in front of him was very similar to the Void Confusion Array in the Promise Array.

Although there are some subtle but different, but it can not help Yue Feng.

"I remember..."

Just when Yue Feng was muttering secretly, Dongfang Yunqing looked at the courtyard in front of him, Xiumei frowned, and said, "There is a formation here, I just forgot..."

"This formation was taught to me by my father at the time, let me think about it..."

Said, Dongfang Yunqing stretched out his finger and began to recite the formula, pondering the method of breaking the formation: "The universe is reversed, the five elements complement each other..."

However, Before she could finish reading, Yue Feng smiled slightly and shouted, "Come with me." After

saying that, he walked in directly.

Chapter 5253

This....

Seeing Yue Feng directly breaking into the yard, Dongfang Yunqing was taken aback and hurriedly shouted: "Brother Yue Feng, come out quickly, this formation is very dangerous, I don't know how to break the formation. If Fa rushes in, you will lose yourself..."

Dongfang Yunqing was very anxious when he shouted.

In her heart, although Yue Feng is strong and can concoct alchemy, it is impossible to break the formation in front of her.

As for the Profound Armor Formation in the previous hall, it was those sect masters who tried many times before Yue Feng took advantage of it, or even made a mistake.

Huh ...

Feeling Dongfang Yunqing's anxiety, Yue Feng showed a smile and turned back: "Don't be afraid, I know how to break through the formation, you just follow."

At this time, Yue Feng was full of confidence.

Not even the magic circle of God's Domain could trap Yue Feng, let alone a small illusion in front of him.

Seeing him say this, Dongfang Yunqing was even more anxious and had to persuade him again, but when he saw the location of Yue Feng's station, he was shocked and the whole person was stunned.

Because the location of Yue Feng is the same as what Dongfang Yunqing had just guessed, it is the route of Shengmen.

He really understands the formation...

"Come on!"

Seeing her dazed, Yue Feng couldn't help urging: "Don't be dazed." Xiaorou must have died of anxiety without news for so long.

Um!

Dongfang Yunqing came to his senses, responded, and walked in quickly.

After reaching Yue Feng, Dongfang Yunqing bit her lip and couldn't help her curiosity: "Brother Yue Feng, do you know the formation method?" In her memory, only her father was omnipotent.

Yue Feng smiled: "Of course, otherwise, in the previous hall, how could I easily break the Profound Armor Formation?"

"Oh..." Dongfang Yunqing nodded thoughtfully: "I was I thought you made a mistake by mistake, but I didn't expect that you are not only strong, but also know so much."

"I also know a lot of formations, and when we arrive at Chunyang Palace, we can communicate..."

She was naive . Brilliant character, at this time there is no more sadness in my heart, I can say whatever comes to my mind.

Haha...

Seeing her serious look, Yue Feng couldn't help laughing. He couldn't see that this little girl was quite interesting.

Thinking to himself, Yue Feng nodded and said: "Okay, wait until Chunyang Palace, let me see how powerful you are in the formation technique." The

two slowly walked through the courtyard while talking.

Ten minutes later, at the end of the courtyard, I saw a stone gate on the stone wall in front of it, and a huge heavenly secret lock was hung on the stone gate.

I have to say that Dongfang Yunqing's father was really meticulous at the time, and several insurances were set up at the exit here.

However, a mere secret lock can't beat Yue Feng.

Click!

After more than ten seconds, Yue Feng opened the Tianji lock, pushed the stone door open a crack, and greeted Dongfang Yunqing and walked in.

"Wow..."

At this moment, Dongfang Yunqing was amazed again. Looking at Yue Feng's eyes, it was even more shining: "Brother Yue Feng, you are so amazing, the secret lock will open."

No wonder Dongfang Yunqing was surprised, you know The Heavenly Secret Lock was invented by the Heavenly Secret Palace. It is ingenious and cumbersome, and it is impossible for outsiders to break it. At that time, Dongfang Yunqing also spent three months to thoroughly study the Heavenly Secret Lock.

Hearing the praise, Yue Feng smiled and chatted with her while walking forward.

Behind the stone gate is a dark and meandering road. The two of them walked and chatted, and soon they saw the light coming in from the front, and at the same time, there was a continuous sound of rushing water.

When he got to the front, Yue Feng discovered that this hidden exit was on a platform halfway up the mountain. A waterfall flew down from the top of the cliff. The water curtain completely covered the exit and was very concealed. Hard to find.

Whoosh!

At this moment, Yue Feng took Dongfang Yunqing, quickly flew over the waterfall, and landed on the other side's grass.

After landing, Yue Feng looked back at the waterfall, and secretly admired it.

This Dongfang Yunqing's father is really a genius. He even kept the exit so secretly. It's no wonder that after so many years, people in Jianghu have never discovered this underground town.

Chapter 5254

"It's finally out!"

Just when Yue Feng was sighing inwardly, Dongfang Yunqing stretched and felt very happy: "The air outside is so fresh."

After speaking, Dongfang Yunqing looked back. At the exit hidden behind the waterfall, the eye circles were faintly red, and a sadness surged out from the bottom of my heart.

Although the underground town inside was dark and dark, and she had been sleeping for a thousand years, but it was also built by her father, and she felt a little reluctant to leave suddenly.

Ugh!

Seeing Dongfang Yunqing like this, Yue Feng sighed in his heart, and then patted her on the shoulder: "I'll take you back when there is a chance in the future, let's go."

Dongfang Yunqing replied, and glanced reluctantly again. , ready to leave with Yue Feng.

“Wait!”

However, at this moment, a faint voice suddenly came from the woods beside him. The tone was indifferent, but it gave people an aura that could not be refuted.

Hearing the sound suddenly, Yue Feng and Dongfang Yunqing were both stunned.

The next second, the two of them turned their heads to look at the same time, and they saw a man standing quietly above the treetops, dressed in a wide black robe, wearing a hat, a pair of eyes under the hat, twinkling in the night. light.

It seems unremarkable, but it gives a strong sense of oppression.

What’s more, there was a huge black long sword hanging on this person’s back. The hilt was wrapped with hemp rope. The sword blades on both sides were not edged, and were covered with dense imprints.

This big sword seems to have been picked up from a rubbish pile, but when it is hung on this person, it has a kind of power that opens up the world, which should not be underestimated.

For a while, seeing this person, Yue Feng and Dongfang Yunqing both frowned secretly.

call!

A few seconds later, Yue Feng reacted and said to the mysterious man, “Did you talk to us just now?” As he spoke, he looked at the mysterious man.

Yue Feng clearly sensed that this man’s strength is very strong, as long as he is several realms higher than the Palace Master of Chunyang Palace.

It’s just... I’ve never heard of such a character on the rivers and lakes before.

“Of course!”

Hearing the question, the corners of the mysterious man’s mouth twitched, and he smiled: “It’s just the three of us here, and I’ll talk to you of course.” His

tone was indifferent, but he couldn’t hide the arrogance in his heart.

Yue Feng was stunned for a moment, then smiled: “We don’t seem to know each other, don’t we?”

"It doesn't matter if we don't know." The mysterious man waved his hand and said casually: "These are not important, I just ask you, this girl, did you bring it out from below?"

When he said this, the mysterious man glanced at the direction of the waterfall.

Yue Feng frowned secretly: "So what? Could it be that you are here for the treasure?" He could see that this mysterious man was waiting here on purpose, no need to guess, the purpose should be the same as those of the previous sect masters. Looting treasures from underground towns.

Hehe...

When the voice fell, the mysterious man chuckled and couldn't hide his contempt: "Don't confuse me with those so-called famous people, those people, dressed as gentlemen, are doing things like stealing chickens and dogs. "

Just relying on them, are they worthy of the Heavenly Secret Palace's Qimen Cultivation Technique? It's ridiculous."

Hearing this, Yue Feng nodded in agreement: "Since this is the case, you should go down and deal with the hypocrites, Why stop us?"

The mysterious man snorted coldly: "A bunch of stinky fish and rotten shrimps are not qualified to let me take action."

After saying that, the mysterious man looked at Yue Feng with a burning gaze: "It's you who actually have the ability to deceive the descendants of the Tianji Palace. , you kid has some skills."

It seemed like a compliment, but with a bit of ridicule.

Yue Feng was too lazy to talk nonsense: "What the hell are you doing?"

"Boy."

Seeing Yue Feng's reaction, the mysterious man stopped beating around the bush and said coldly, "Leave the girl beside you and get out."

"Why? ?" Yue Feng said lightly.

Why?

The mysterious man's face was solemn, and he said in a serious manner: "Everyone who enters below has only one purpose. If you want to get the Qimen exercises of the Tianji Palace, you are no exception!"

“Boy, I don’t care what method you use, To deceive this girl’s trust, in short, get out of here.”

Chapter 5255 The

last sentence fell, the mysterious man was filled with a powerful aura, and the whole world was filled with a chilling aura.

Um?

Hearing this, Yue Feng was secretly curious.

Every word this person says is maintaining the Heavenly Secret Palace. Could it be that... he is also a descendant of the Heavenly Secret Palace?

Thinking of this, Yue Feng took a step forward and asked, “Who are you?”

Hehe...

Hearing the question, the mysterious man jumped gently, like a fallen leaf falling on the ground, his eyes concealed the coldness and arrogance: ” Have you heard of ‘Eternal Cloud Sky, Lingkong Sword’?”

When he said this, the mysterious man was filled with a powerful aura.

If there are other sect masters present at this time, they will definitely be shocked, because the eight characters of ‘Eternal Clouds, Lingkong Yijian’, twenty years ago, were synonymous with Sword Saint Baili Cexuan, and even more so on the rivers and lakes. a myth.

Twenty years ago, Baili Cexuan was born in the sky. With a great sword without a front, he was invincible in battles all over the world. According to legend, the heads of the three major sects at that time joined forces and could not take his three swords. In the end, Jianghu was honored as a juggernaut, and praised his swordsmanship with ‘Eternal Clouds, One Sword in the Sky’.

In those 20 years, Baili Cexuan was everywhere, and no one dared to meet his edge. Later, because he had no rivals, Baili Cexuan went into seclusion and no longer easily set foot in the arena.

However, although Baili Cexuan is not in the arena, the legend of the Sword Saint is still circulating in the arena.

The mysterious man who stopped Yue Feng at this time was the Sword Saint Baili Cexuan.

Baili Cexuan, as a well-known swordsman in Jianghu, has never paid attention to the major sects in Jianghu, with the exception of Tianji Palace. The exercises are the best in the arena.

It's a pity that the Tianji Palace has already been destroyed, which makes Baili Cexuan very regretful, and often regrets that he was not born in the era of Tianji Palace.

During the day, Baili Cexuan was meditating on the mountain not far from the waterfall, and suddenly it collapsed violently. At that time, Baili Cexuan rushed over to check.

Seeing the energy vortex, Baili Cexuan guessed at the time that it must be the secret stronghold of Tianji Palace, because only a sect like Tianji Palace has such strength. Because of his own identity, Baili Cexuan did not enter.

After that, the major sects rushed over and couldn't wait to enter in search of treasures. Seeing this scene at that time, Baili Cexuan felt even more disgusted in his heart. Afterwards, Baili Cexuan carefully explored the area for more than ten miles, and finally found the exit hidden behind the waterfall.

Not long after finding the exit, Yue Feng came out with Dongfang Yunqing.

In Baili Cexuan's eyes, Yue Feng, like those sect masters, was an insatiable villain, so he stopped him.

Eternal sky, a sword in the sky?

Hearing this at this time, Yue Feng and Dongfang Yunqing looked at each other, and they were a little puzzled by each other.

Is this man bragging about himself? Such a big breath?

Yue Feng and Dongfang Yunqing, one does not belong to this world, and the other has been sleeping in an underground town for thousands of years. They don't know what happened 20 years ago in Ziwei Continent, and naturally they don't know about Sword Saint Baili Cexuan.

In this case, hearing these eight words, naturally, there is no reaction at all.

Um?

Seeing Yue Feng's reaction, Baili Cexuan frowned and said displeasedly, "Boy, you don't know me?" He is a famous swordsman in all corners of the world, and this kid is not surprised at all.

Yue Feng couldn't help laughing, looked into Baili Cexuan's eyes and said, "It's really interesting, why should I know you?"

Hearing this, Baili Cexuan was very unhappy.

I am a dignified swordsman, if others saw it, I would be scared to the ground, and this kid in front of him, not only did not respond, but also dared to contradict, he really did not know whether to live or die.

However, Baili Cexuan maintained his identity and did not attack on the spot, but waved his hand impatiently: "Good boy, I don't want to talk nonsense with you, you leave this girl and get out of here."

In Baili Cexuan's heart, Yue Feng must have controlled Dongfang Yunqing. He has always admired the Heavenly Secret Palace back then. In any case, he would never allow the descendants of the Heavenly Secret Palace to fall into the hands of villains.

The ultimate husband in Chinese chapter 5256-5260

Chapter 5256

Interesting!

Feeling Baili Cexuan's arrogance, Yue Feng couldn't help laughing, and looked at him with interest: "What if I don't get out?" After all, Yue Feng has been walking around the world for so many years, and this is the first time he has met him. Such an arrogant person.

But it is no wonder that this person is very powerful, and he is considered a peak-level existence in the rivers and lakes of the entire Ziwei Continent.

Seeing that Yue Feng was too soft and hard to eat, Baili Cexuan was completely fired up, he pulled up the giant sword on his back and waved it casually.

boom!

An invisible sword energy burst out, and then a huge boulder not far away was directly smashed into slag. The power of a sword is so terrifying.

Seeing this scene, Yue Feng frowned secretly.

This person's accomplishments in swordsmanship are indeed extraordinary. Compared with the master's realm back then, he seems to be much stronger. At this moment, Yue Feng couldn't help thinking of Nangong Jue.

Nangong Jue, a sword demon who has been famous for decades in the Kyushu Dongao Continent, has practiced the Heavenly Gang Sword Art, which is so fierce that it makes the entire Dongao Continent terrified. By chance, Yue Feng worshipped

Nangong. Absolutely a teacher, the strength of practicing Tiangang Sword Art has greatly increased.

It's a pity that Nangong Jue died at the hands of the national master of Tianqi Continent. In order to avenge his master, Yue Feng was furious and rushed into the palace alone.

In Yue Feng's cognition, only Nangong Jue's attainment in swordsmanship is the highest, but when he saw Baili Cexuan at this time, he knew that there is a sky outside the sky, and there are people outside of people.

With a single swipe, such a powerful sword energy can explode, smashing the boulders into pieces, even if it is Nangong Jue at his peak, it is difficult to do so.

Speaking of which, if Yue Feng had just set foot in the rivers and lakes, he would definitely be nervous when he saw Baili Cexuan in front of him, but at this time he was not panic at all.

No matter how high the swordsmanship is, it is only the strongest in the world, and Yue Feng, as the teacher of the Emperor of Heaven, will naturally not take it seriously.

"Boy!"

Just when Yue Feng fell into memory, Baili Cexuan looked at him coldly: "This sword of mine has not been stained with blood for more than 20 years, if you don't know the current affairs, I don't mind. Make an exception."

His tone was cold and arrogant, showing a domineering air of contempt for all beings.

In Baili Cexuan's eyes, Yue Feng was just like those greedy sects, despicable and shameless. He just said a few words to him, which was already enough face.

Yue Feng smiled and was about to answer, but at this moment, Dongfang Yunqing, who had been silent, suddenly blocked in front of Yue Feng.

The next second, Dongfang Yunqing summoned his courage and shouted at Baili Cexuan: "Why are you stopping us, you weirdo? Now you have to kill brother Yue Feng."

"With me here, you are not allowed to mess around. ." The

voice was soft and crisp, revealing a bit of immaturity, but there was no doubt about it.

Before in the underground town, Yue Feng risked his life to rescue Dongfang Yunqing, which moved her very much. The purpose of the Tianji Palace was to seek vengeance

and repayment for all kindness, so when she saw that Baili Cexuan wanted to punish Yue Feng, the wind was unfavorable, and Dongfang Yunqing couldn't help it.

This silly girl!

Seeing Dongfang Yunqing's actions, Yue Feng was both moved and amused.

The opponent's swordsmanship is outstanding, you are only a twelve or three-year-old little girl, how can you stop it?

Um?

At the same time, Baili Cexuan was also stunned, holding the hat on his head, and said with complicated eyes: "Girl, I have no ill intentions, I am here to save you."

"Tell me, did this kid use some method to control you? Tell me, I will decide for you." When he said this, Baili Cexuan's face was full of sincerity.

Deep in his heart, he highly respected the Heavenly Secret Palace and believed that Dongfang Yunqing was controlled by Yue Feng, so he made up his mind to take Dongfang Yunqing away no matter what.

"No..."

Dongfang Yunqing shook his head: "He didn't control me, he brought me out from below, he is a good person."

However, the more Dongfang Yunqing said so, the more Baili Cexuan didn't believe it. , You must know that there are many evil exercises to control the mind in the rivers and lakes, and Dongfang Yunqing is so small, it is easy to be recruited.

Thinking of this, Baili Cexuan ignored Dongfang Yunqing and looked at Yue Feng with burning eyes: "You don't get out of the way, do you really want to die?"

Chapter 5257

Being despised one after another, Yue Feng was not angry at all, but said with a smile: "I heard what you said just now, your swordsmanship is very good."

Baili Cexuan was stunned for a moment, and then he couldn't help it. He

sneered: "Boy, you have just set foot in the arena. If you knew the meaning of the eight words just now, you would not dare to talk to me like this." No one can match the sword. No matter where they go, everyone in the local rivers and lakes will be frightened when they hear the name of Juggernaut, even the heads of the sects.

And this kid in front of him doesn't even know the name of the Juggernaut, so he must have just set foot in the arena.

Baili Cexuan was even more dismissive of this kind of person.

Hehe...

Hearing this, Yue Feng smiled lightly, then walked to the edge of the woods, looked around, and finally picked up a wooden stick the thickness of a finger, picked it up and waved it a few times, then directed at Bai Rice Xuan said: "Since your swordsmanship is so strong, then I will experience it."

Since rebirth through the red lotus of the law, Yue Feng has a new understanding of the exercises he practiced before, especially the one taught by Nangong Jue' The Heavenly Gang Sword Art was completely improved by Yue Feng.

It was just that after improving the Tiangang Sword Art, Yue Feng never had a chance to find someone to try it out. When he met this Baili Cexuan today, he would naturally not miss this opportunity.

What?

Seeing that Yue Feng was holding a wooden stick and was about to challenge his swordsmanship, Baili Cexuan was stunned and looked at Yue Feng, speechless.

Is this kid a newborn calf who is not afraid of tigers, or is he deliberately courting death?

A few seconds later, Baili Cexuan reacted and couldn't help laughing up to the sky: "Haha...Interesting, really interesting, boy, I've been out for decades, and you were the first to challenge me, kind, very interesting. kind of."

Yue Feng was too lazy to talk nonsense. He held a wooden stick in his right hand, pointed at the sky, and said lightly: "Don't waste your words, you can shoot.

"Improvement, but this starting style has been retained, just to cherish the memory of Master Nangong Jue, who is no longer there.

call!

Seeing Yue Feng's serious face, Baili Cexuan took a deep breath: "Okay, since you are courting death, then I will fulfill you." Speaking of which, Baili Cexuan held his own identity and did not intend to kill Yue Feng. Just scare him away.

But he never imagined that the other party was a stunned young man. Since the other party is courting death, it will not waste time.

Om....

The last word fell, Baili Cexuan clenched the giant sword with one hand, and it suddenly lifted up. In an instant, a fierce sword energy suddenly condensed, like lightning, and went straight to Yue Feng. beheaded.

“Brother Yue Feng...”

Seeing this scene, Dongfang Yunqing couldn't tell the worry, and exclaimed at that time: “Be careful...”

Yue Feng smiled and comforted: “It's okay.”

Said When he got up, Baili Cexuan's sword qi burst out, if it were other people, he would have been frightened and lost his soul, but Yue Feng was not panic at all, standing there, like a person with nothing to do.

Hehe...

Seeing that Yue Feng didn't dodge, Baili Cexuan raised a trace of contempt at the corner of his mouth. This kid is really stunned, he doesn't even know how to dodge, but it's not a loss for you to die in my hands. .

Chi....

Seeing that sword qi, Yue Feng was about to be cut into two sections, that is, at this critical moment, Yue Feng held a wooden stick and drew an arc in front of him, followed by an invisible sword gas condensed out.

In the next second, the two swords collided, and a dull vibration broke out. Then, Baili Cexuan's sword qi vanished into thin air, while the sword qi condensed by Yue Feng was still powerful and carried a fierce momentum. Continue towards Baili Cexuan.

What...

Seeing the burst of sword energy, Baili Cexuan turned pale in shock. Not only did he think too much, he quickly put the giant sword in front of him.

Boom...

The sword energy slammed on the giant sword, and with a roar, I saw the figure of Baili Cexuan, and was directly knocked back ten steps.

Chapter 5258

After stabilizing his figure, Baili Cexuan's face turned blue and white, and he stared at Yue Feng, his eyes filled with incredible.

This...it's impossible.

This kid is still young, and his attainment in swordsmanship is so high?

You must know that with that sword qi just now, Baili Cexuan exploded 50% of his internal strength, but was easily defeated by Yue Feng's sword qi.

What made him even more unacceptable was that what Yue Feng used was just a wooden stick.

The dignified swordsman was actually forced to retreat with a wooden stick. If this matter spreads to the rivers and lakes, what will be the face?

"Wow..."

Just when Baili Cexuan was furious, Dongfang Yunqing, who was standing by the side, couldn't help but clapped his hands and cheered at Yue Feng: "Brother Yue Feng, it turns out that your swordsmanship is so powerful, can you teach me in the future?"

Dongfang Yunqing is only twelve or thirteen years old, so he doesn't know that, in the world, many people regard their own stunts as a taboo.

In particular, some efforts to press the bottom of the box are more important than life.

But Yue Feng has a broad personality, so naturally he won't bother with Dongfang Yunqing. At that time, he nodded with a smile: "Okay, if you want to learn, I will teach you in the future."

"Good boy!"

Listening to the conversation between the two, Bai Li Cexuan reacted, and the anger in his eyes could not be concealed: "I really missed it just now. It turns out that you are hiding it. Then I have to learn it." The

voice fell, and Baili Cexuan clenched the giant sword in both hands . , the internal force exploded.

Rumbling...

A terrifying sword intent filled the sky and the earth, and all of a sudden, the wind was surging, and the sky was thundering.

In the next second, Baili Cexuan jumped up and flew to a height of 100 meters. The giant sword cut through the sky and crashed down toward Yue Feng. Wherever the figure passed, the spiritual energy of heaven and earth in the air was directly evacuated.

The whole world was filled with Baili Cexuan's terrifying killing intent.

Yes, this is the strongest move in Baili Cexuan's 'Nine Heaven Sword Art', a volley sword.

This...

is this the true strength of this man? So terrifying...

Seeing this scene, Dongfang Yunqing opened his mouth wide, and endless fear and unease emerged in his heart. You must know that she was born in the Heavenly Secret Palace, and she has learned a lot of swordsmanship and swordsmanship since she was a child, especially the swordsmanship of the Heavenly Secret Palace, which is even more unique.

She was already surprised when she saw that Yue Feng had defeated Baili Cexuan's sword qi just now. She only felt that Yue Feng's comprehension of swordsmanship was no weaker than that of Tianji Palace.

At this time, seeing Baili Cexuan's real killing move, Dongfang Yunqing realized that this person's strength is far more terrifying than he imagined.

interesting.

Looking at Baili Cexuan who fell from the sky, Yue Feng put away his smile, his eyes flashed with a bit of solemnity, and said to himself: "With a sword in the sky, there really is something.

" matter.

Under the emotion, Yue Feng was still calm, standing there, calm and relaxed.

Chi Chi... Baili Cexuan's

speed is getting faster and faster. When he was less than 100 meters away from Yue Feng, he saw a flame suddenly ignited in the air above Yue Feng's head. This flame is Baili Cexuan. The extremely strong sword intent rubbed in the air to form a fire.

At the same time, the vegetation around Yue Feng was crushed into powder by the terrifying sword energy.

Seeing this scene, the corner of Baili Cexuan's mouth twitched into a smile. No one in the entire Jianghu could stop the sword qi that erupted from this volley sword. Strong, there is no possibility of dodging, only obediently leading to death.

Twenty years ago, there was a strong man who called himself 'Shijian Old Man'. He boasted that he was unmatched in swordsmanship. As a result, he also died on Baili Cexuan's 'Lingkong Yijian'.

At that time, when Baili Cexuan used his volley sword, the old man Shijian was also immobilized, and he had no time to dodge.

"What a strong sword qi coercion."

As Baili Cexuan got closer and closer, Yue Feng couldn't help but take a deep breath and secretly praised: "No wonder it can be called a sword saint, such a strong sword qi, I'm afraid it is Master is still alive, I guess it can't be stopped."

After speaking, Yue Fengyu turned around and showed a smile: "But it's a pity, you met me today."

Chapter 5259

"Boy!"

At this time, Baili Cexuan's speed was getting faster and faster, from a distance he looked as dazzling as a meteor, his tone was extremely proud: "You have no regrets if you can die under my stunt. ."

In his eyes, Yue Feng was unavoidable and would definitely die.

Hearing this, Yue Feng smiled and did not respond.

"Brother Yue Feng..."

Seeing this situation, Dongfang Yunqing was about to cry, and he was about to rush up after shouting. However, under the control of the terrifying sword pressure, his legs seemed to be filled with lead, and he simply walked away. Do not move.

Boom...

The next second, Baili Cexuan, carrying a terrifying sword intent, slammed down, and in an instant, he saw the location of Yue Feng, and the dust was billowing.

Above the dusty smoke, Baili Cexuan stood in the air, hanging the giant sword on his back, his expression full of indifference.

This kid has a unique understanding of swordsmanship, and is considered a talent. It's a pity to die like this, but then again, who told you to provoke me? Besides, I have already given you a few chances just now.

This...

At this moment, Dongfang Yunqing stood there, staring blankly at the dust and smoke in front of her eyes, her mind buzzing, she had been sleeping in the underground town for a thousand years, and was finally rescued by Yue Feng, she felt in her heart. He has been regarded as the closest person. And, it has been agreed that he will return to the Chunyang Palace with him.

It's just that he never expected that Yue Feng would die unexpectedly before returning to Chunyang Palace.

Wow..

The more Dongfang Yunqing thought about it, the more grief he became, and finally he couldn't help crying: "Brother Yue Feng, you don't want to die, you are dead, what should I do?"

Crying, Dongfang Yunqing sat on the ground, looking pitiful.

Um?

Seeing Dongfang Yunqing crying so sad, it didn't seem like he was pretending, Baili Cexuan couldn't help frowning secretly.

Could it be... I really misunderstood that kid? He didn't control this girl, but really rescued her from below? Moreover, there is no Qimen exercises that coveted the Heavenly Secret Palace?

If this is the case, you will kill a good person by mistake...

"Silly girl, I promised to take you back to Chunyang Palace, how could it be so easy to die?"

Just as Baili Cexuan muttered secretly, Suddenly, a faint voice sounded from behind him.

Swish!

Hearing the sound suddenly, Baili Cexuan was shocked, and quickly turned around to see Yue Feng floating a few meters behind him with a smile on his face, his expression as usual, and there was no scar on his body.

Obviously, the strongest move just now, 'Sword in the Sky', did not cause any damage to him.

This...it's impossible.

Under extreme shock, Baili Cexuan only felt his brain buzzing and almost fell from the air, his mind was in a mess.

He clearly had no chance to dodge just now, and he would definitely die. How could there be nothing at all?

"Brother Yue Feng..."

At this moment, Dongfang Yunqing regained his senses, quickly wiped away the tears from the corners of his eyes, and shouted with joy, "You're fine, great..."

Yue Feng rushed to her He nodded, and then turned his attention to Baili Cexuan.

"Juggernaut, right?"

The next second, Yue Feng touched his nose and looked at Baili Cexuan with a half-smile: "Your swordsmanship is indeed superb, but you are still a little worse than me."

Hearing this, Baili Cexuan frowned: "What do you mean?"

Yue Feng smiled without saying a word, and slowly raised his hand.

Whoosh!

Seeing Yue Feng's action, Baili Cexuan immediately realized that it was not good. He glanced back at that time and saw that the wooden stick that was in Yue Feng's hand at the beginning was now floating in his back.

Although it was a wooden stick, Baili Cexuan could clearly sense that it contained an extremely fierce sword energy. As long as Yue Feng's thoughts move, this mere stick of wood can pierce his heart.

He...he can actually use his qi to control the sword? Moreover, this sword is not a real sword, just a wooden stick...

At this moment, Baili Cexuan was completely stunned. Looking at Yue Feng's eyes, he completely lost his previous arrogance, but was extremely horrified and peaceful admiration.

"You lost." Yue Feng said with a smile.

call!

Baili Cexuan took a deep breath and nodded in embarrassment: “Your Excellency is really good at swordsmanship, I’m ashamed of myself.”

Chapter 5260

Hmm!

Seeing him admit defeat, Yue Feng smiled, landed slowly, and beckoned at Dongfang Yunqing: “Let’s go.”

Dongfang Yunqing replied, walked over quickly, and was about to leave with Yue Feng.

“Wait.”

However, at this time, Baili Cexuan quickly chased after him and asked respectfully at Yue Feng, “This little brother... oh no, what kind of swordsmanship did your Excellency perform just now?”

Yue Feng stopped . He stepped down and looked back at him: “Tiangang Sword Art.”

Tiangang Sword Art...

Hearing this, Baili Cexuan recited it a few times in his heart, and immediately knelt down to Yue Feng: “This sword The tactic is unfathomable, it can be called the best swordsmanship in the world, I beg your Excellency to accept me as a disciple and teach me this swordsmanship.”

When he said this, Baili Cexuan’s eyes were full of urgency.

He is notorious for being a swordsman. In order to understand Lingkong Yijian, he retreated in a cave for five years. He did not leave the cave for five years, and finally became a famous swordsman. At this time, he saw Yue Feng’s swordsmanship immediately became fascinated. As long as he could learn this swordsmanship, he didn’t care about his dignity and identity at all.

If there are other people around, you will definitely be shocked. You must know that Baili Cexuan is a famous swordsman in the arena. The eight words ‘Eternal Sky, Lingkong Yijian’ have been circulated in the rivers and lakes for more than 20 years. year.

And now, the dignified swordsman kneels down to worship his teacher and wants to learn swordsmanship from a young man. This scene is simply too shocking.

Uh... Seeing this situation, Yue Feng was very embarrassed and scratched his

head: "I don't accept apprentices."

"Your Excellency!"

At this moment, Baili Cexuan was in a hurry, kneeling there with a face full of determination: "I have always regarded the sword as my life, if I can't learn your Excellency's profound swordsmanship, I will not rest my mind, you If I don't agree, I'll kneel here until I die." What the hell

!

Is this guy so persistent?

Seeing this situation, Yue Feng didn't know whether to laugh or cry. He quickly waved his hand and said, "You get up first, I really don't accept apprentices. But if you really want to learn, I can teach you."

Yue Feng could see that Baili policy Xuan is really obsessed with swordsmanship, and from what happened just now, he also knows that this person is full of justice and is not a treacherous person.

Since he is so persistent, it is okay to hand over the Heavenly Gang Sword Art to him, and it can be regarded as helping the master to pass on this set of resolutely.

"Really?"

Seeing Yue Feng say this, Baili Cexuan jumped up, happy like a child, and shouted with a big laugh, "Thank you, Master."

In his heart, Yue Feng promised to teach the sword art, and it was himself. 's master.

Yue Feng shook his head: "Don't call me Master, you are older than me, how can I bear it?"

"No!"

However, Baili Cexuan was a muscle, he immediately shook his head, and said seriously: "You teach me the sword art, it is my master. This is the etiquette of the rivers and lakes, and it cannot be changed."

Uh...

Seeing him being so serious, Yue Feng smiled bitterly: "Okay, you can call it whatever you like. We want to Go back to Chunyang Palace, if you want to learn swordsmanship, come with us, but there is one condition, when you arrive at Chunyang Palace, you can listen to me."

“Master, don’t worry.” Baili Cexuan nodded again and again: “What did Master say, I’ll do whatever I want, and I won’t get into trouble.”

As long as you can learn the Tiangang Sword Art, you can’t eat it or not.

Yue Feng explained a few more words, and took Baili Cexuan and Dongfang Yunqing to continue on the road.

“Cuckoo...”

After walking for a while, Dongfang Yunqing suddenly heard a gurgling sound in his stomach, and a bit of embarrassment appeared on his delicate face, and he said to Yue Feng very embarrassedly: “Yue Feng Brother, I’m hungry.”

After sleeping for a thousand years, no one could bear it without eating for a few hours after waking up, not to mention she was still a child.

Yue Feng couldn’t help laughing because of her appearance. He was about to speak, but was interrupted by Baili Cexuan.

“Master, you two rest here first, and I’ll find something to eat.”

After shouting, Baili Cexuan turned around and entered the woods next to him with the giant sword on his back.

The ultimate husband in Chinese chapter 5261-5270

Chapter 5261

“Okay!”

Watching Baili Cexuan walk away, Yue Feng looked around, pointed to the grass beside him and said to Dongfang Yunqing, “Let’s rest here.”

Dongfang Yunqing is very well-behaved Responded.

At this time, the sky was already bright, and the morning sun, through the mist in the forest, dyed the mountains and fields a pale gold.

“So beautiful...”

After sitting on the grass, Dongfang Yunqing looked at the beauty of the morning in front of him and couldn’t help but sighed in admiration. Then he thought of something and asked Yue Feng, “Brother Yue Feng, is Chunyang Palace beautiful? ?”

Yue Feng nodded and replied with a smile: “The gate of Chunyang Palace is built halfway up the mountain, where the scenery is picturesque, like a fairyland on earth, you will definitely like it when you arrive.”

“By the way, in my Dan Pavilion. Among them, there is another sister, Xiaorou, who is also a few years older than you.”

Hearing

this, Dongfang Yunqing breathed a sigh of relief, and his delicate and delicate face suddenly filled with longing.

Swish swish... As I

was talking, I saw a few graceful and slender figures flying from the woods not far away.

Six figures, with a slender figure, and the swinging of the long skirt, gives people a feeling of floating like a fairy, each with delicate facial features, indescribably charming and sexy.

It’s just that there is a suffocating aura that doesn’t match their appearance between the six people.

It is the Six Swords Princess of Nianhua Palace.

This chapter is provided by . Visit for daily update.

Uh...

Seeing Liu Jianji, Yue Feng's relaxed and happy mood suddenly became depressed.

These six women are really haunted. You can meet them wherever you go. Not to mention, the underground town is so big, and there are traps everywhere, and they can come out safe and sound, which is quite a skill.

At this time, Yue Feng did not know that Liu Jian Ji was very lucky. At that time, he explored the underground town for more than two hours, and finally entered the courtyard in the northwest by mistake.

After entering the courtyard, Liu Jianji, with her keen observation, followed the footprints of Yue Feng and the two, successfully passed through the virtual maze, then passed through the stone gate, and finally successfully left.

It can be said that Liu Jianji was able to successfully walk out of the underground town, completely dipped in the light of Yue Feng.

Swish!

Feeling the evil spirit on Liu Jianji, Dongfang Yunqing realized that it was not good, and quickly stood up.

"Yue Feng?"

At this time, Liu Jianji also discovered Yue Feng and after looking at each other, they all speeded up and directly surrounded Yue Feng and Dongfang Yunqing.

"Yue Feng." The eldest sister looked at Yue Feng coldly like a dream, her eyes were like sharp knives, and she couldn't hide her anger: "The sky has eyes, let us find you scum so soon." The

voice fell, like snow He also bit his lip and said fiercely: "Yue Feng, you can't escape death this time, I have to kill you."

A few hours ago, Ruxue entered the stone forest and entered the hallucination, mistaken Yue Feng for the eldest sister, and then He asked Yue Feng to help her unblock her meridians, and after being taken out of the stone forest by Yue Feng, Yue Feng was afraid that she would continue to entangle after she woke up, so he knocked her unconscious, but happened to meet Rumeng and rushed over.

At that time, Yue Feng didn't want to entangle with Rumeng, so he resolutely fled. However, Rumeng thought they were guilty of thieves, and they thought that Yue Feng had defiled Ruxue, so they fled in a panic.

Afterwards, Ru Xue woke up and learned about the situation from Rumeng's people. She was very ashamed and angry. At that time, she also realized that what she saw in the stone forest was not the real eldest sister, but had hallucinations and mistakenly mistook Yue Feng for her. It's like a dream.

As one of the Six Swords Princesses, Ruxue knows her body very well and knows that she has not been defiled by Yue Feng, but when she thinks of Yue Feng pretending to be a big sister and helping her to clear her meridians, she cannot restrain her anger.

You must know that the exercises she cultivates are special, and dredging the meridians requires skin-to-skin contact. Even if Yue Feng didn't take away his chastity, he still took advantage of him.

So after calming down, Ruxue secretly vowed to kill Yue Feng.

After that, Ruxue told Rumeng about the real situation, and then they explored the surroundings together to find a way out. Finally, after a few hours, they finally walked out of the underground town.

The reason why they left at that time was because they encountered people from other sects. They learned from the mouths of those sect masters that Yue Feng took a girl from the Heavenly Secret Palace and stole the treasure 'Soul of Heavenly Secrets'. At that time, the six sisters discussed it and decided to leave.

Chapter 5262

But Ruxue never thought that soon after leaving the underground town, she met Yue Feng.

It's really a narrow road for enemies.

Thinking of the humiliation she received from Yue Feng before, Ruxue couldn't hide her anger.

Uh....

Feeling Ruxue's hatred, Yue Feng was very helpless. At that time, he smiled bitterly, and said slowly: "Beauty Ruxue, why do you always see me with a bitter hatred."

"You yourself Pat your conscience, did I rescue you in the underground town before? If it weren't for me, you would still be trapped in the stone pillar forest."

"Also, you mistakenly regarded me as the eldest sister, and you still need to I help you unblock the meridians, why is it all my fault now?"

Shuh!

After the words fell, Ruxue's delicate face immediately flushed red, and she stomped her feet in anger: "Shut up for me..."

This Yue Feng really didn't hide his mouth. The scene is really too embarrassing, even if all the people present are my sisters, it is hard to tell.

At the same time, Rumeng also shouted and drank.

"Hippie smiling face, full of nonsense, damn it."

"This scum must never let him stay in the arena and harm others."

"Yes, this time, he must not be allowed to run away, he must avenge his junior brother and his third sister. "

Rumeng drank and drew out their long swords one after another.

For a time, the atmosphere became extremely dignified, swords were drawn, and the surrounding air seemed to have dropped several times.

"you..."

At this moment, Dongfang Yunqing, who was standing by the side, couldn't hold it any longer. He took a step forward and shouted at Ruxue: "Why do you want to kill brother Yue Feng? He is a good person." The

voice fell, Ruxue said. Frowning, he couldn't help looking up and down Dongfang Yunqing.

Swish!

At the same time, the eyes of the people around Rumeng also focused on Dongfang Yunqing.

Rumeng quickly reacted first, looking at Dongfang Yunqing, and said complicatedly: "Little girl, are you the descendant of the Tianji Palace?"

"This bastard Yue Feng, is it coercing you? Don't be afraid. , the sisters will take you away after killing him." The

last word fell, and the other sisters nodded.

Like Baili Cexuan before, Liu Jianji also thought that Yue Feng had used some method to bewitch Dongfang Yunqing. After all, such a young child could easily be controlled.

"I..."

Dongfang Yunqing bit his lip lightly and said seriously, seeing the expressions of the people like Meng, "I was not controlled by him, I took the initiative to go with him, the people below are all bad guys, they They all want our Heavenly Secret Palace's Qimen exercises, it was Brother Yue Feng who rescued me, he is a good man, not a scum like you said." The

words were extremely solemn and could not be refuted.

However, the more she said that, the more Liu Jianji didn't believe it.

"Yue Feng!"

Finally, Ru Xue couldn't bear it anymore, took a step forward, her eyes couldn't hide the hatred, and shouted at Yue Fengjiao: "If you want to be a man, let this little girl go, and then Fight with us in an open and honest way."

"What kind of skill is it to control a little girl and use her as a shield?"

Hehe...

Hearing this, Yue Feng couldn't help laughing, looked Ru Xue up and down, and his tone was full of ridicule: "You woman really likes to get to the point, whether it's the death of your junior brother Xu Wenliang, or the death of your younger brother Xu Wenliang, or the one who was in the underground town before. I didn't provoked anything, so why did you insist on holding me down?"

"Besides, I and your sisters have already played against each other in the underground town, and you are not my opponents at all, so why are you asking for yourself? Boring?"

After speaking, Yue Feng shook his head helplessly.

"You..."

Hearing this, Ruxue's face flushed red, and she was very angry, but she didn't know how to refute, because Yue Feng was right, in the previous fights, Yue Feng had the upper hand. Liu Jian Ji is not an opponent at all.

"Yue Feng, don't be proud of yourself."

Just when Ru Xue was so ashamed and angry, Ru Meng couldn't help but shouted: "Before, our six sisters were deceived by you, too underestimate the enemy, and finally let you escape by luck, but this Now, you won't be so lucky."

Chapter 5263

said, Rumeng shouted at the sisters next to him: "Sisters, wait and do your best, and never give him the slightest chance to escape."

Hmm!

Hearing the elder sister's words, Ruxue and several other sisters nodded in unison.

They all thought about it, and when they started, they burst out with all their strength, and they didn't believe that they couldn't control Yue Feng.

Sigh....

Seeing that each of them is more persistent than each other, Yue Feng wanted to cry without tears, and looked around, and finally his eyes fell on Ruxue: "Several of them are like flowers and jade, and they have to fight with me to death. , why?"

When he said this, Yue Feng looked indifferent, very relaxed, but he was also a little depressed.

He is not afraid of Liu Jianji joining forces, but there is Dongfang Yunqing by his side. She is only twelve or thirteen years old. If she is accidentally injured, it will be bad.

"Stop talking nonsense, lead to death."

Seeing that Yue Feng was still acting like a fool at this time, Ru Xue was too lazy to talk nonsense, so she gave a coquettish shout, and the long sword in her hand drew a shock, stabbing straight at Yue Feng.

Swish swish ..

At the same time, Rumeng also stimulated their inner strength, and their figures rose up and attacked Yue Feng.

Under the interlacing of the six long swords, dazzling sword shadows burst out, tightly locking Yue Feng.

"Brother Yue Feng..."

Seeing this situation, Dongfang Yunqing couldn't help but exclaimed: "Be careful." When Yue Feng and Baili Cexuan played against each other before, they won easily. Dongfang Yunqing knew that he was very powerful. But at this time, six people were besieging together, the situation was completely different, and I was still a little worried.

"It's alright..." Feeling Dongfang Yunqing's worry, Yue Feng felt a warm feeling in his heart, and then smiled and comforted: "I can handle it, you stand far away, don't be hurt by their sword qi. Seeing

his confident face, Dongfang Yunqing responded and quickly took a dozen steps back.

At this time, Liujian Ji was about to rush forward. At that time, Yue Feng was not in a hurry, and slowly raised his right hand, ready to deal with them.

Swish....

However, at this critical moment, I heard a brisk footstep in the woods next to it. The footsteps were very light and light. It was still far away when I first heard it, but it was not too short. In just one breath, the man had walked out of the woods.

He was dressed in a black robe and wore an ordinary bamboo hat on his head. What was even more eye-catching was the giant sword on his back.

It was Baili Cexuan who had just gone hunting.

Hiss...

Feeling the strength of Baili Cexuan, whether it was Rumeng, Ruxue and the other sisters, all of them trembled, and couldn't help taking a breath of cold air, shocked.

Good strong breath oppression.

The strength of this man... is unfathomable, this cultivation realm is probably much higher than that of the Palace Master of Nianhua Palace.

When did such a powerful master appear in the arena?

"Giant sword?" The

next second, eldest sister Rumeng saw the giant sword on Baili Cexuan's back, and her body was shocked, she suddenly thought of something, and her tone trembled:

"You...you are twenty Years ago, the unmatched Sword Saint, Senior Baili Cexuan?"

When he said this, Rumeng's legs were weak, and he could hardly stand still.

As the eldest sister of Liujian Ji, Rumeng knows many rumors in the arena like the back of the hand. At this time, with the giant sword, she suddenly remembered Baili Cexuan who was in the world twenty years ago, because the rivers and lakes have used this kind of There is only such a person with a giant sword and an unfathomable strength.

When the voice fell, Ru Xue and several others also exclaimed in surprise.

"Juggernaut?"

"It's him? No wonder his strength is unfathomable." "

He... hasn't he disappeared for a long time? Why did he appear here?"

Li Cexuan's minds are blank. Sword Saint Baili Xuance, with a giant sword, swept the rivers and lakes for more than 20 years. In the arena, no one knows, no one knows. How can people not be shocked by appearing here at this time?

Huh...

Finally, Rumeng was the first to react, at that time he breathed a sigh of relief, and then said politely to Baili Cexuan: "Nianhua Palace is like a dream, with five sisters, I have met senior."

Chapter 5264 The

voice fell, and Ruxue also hurriedly saluted.

Speaking of which, with Liu Jianji's position on the rivers and lakes at this time, even if she encounters the heads of the three major sects, she will be arrogant and will never be so servile.

But the Baili Cexuan in front of him is different. This is a myth in the arena twenty years ago, and it is by no means comparable to those from the sect. Although Liu Jianji is very famous in the arena, she is not at the same level as Baili Cexuan.

It can be said that in front of Baili Cexuan, Liu Jianji was extremely humble.

However... In

the face of Liu Jianji's flattering conversation, Baili Cexuan just glanced at them lightly and didn't care at all.

In his heart, learning Yue Feng's Heavenly Gang Sword Art early is the top priority, and the rest are floating clouds.

This....

Seeing Baili Cexuan's indifference, Rumeng and Ruxue looked at each other, each delicate face is extremely embarrassing, the dignified Nianhua Palace Liujian Ji, no matter where she goes, she It can cause a sensation, but at this time, it has been ignored.

But there is no way, who makes the family a famous swordsman for more than 20 years.

Embarrassed, Rumeng took a step forward and said cautiously to Baili Cexuan: "Is the senior here also for the secret underground palace of Tianji Palace?" After

saying that, Rumeng pointed to Dongfang Yun who was standing beside him. Qing: "This girl is the descendant of the Tianji Palace, and the soul of Tianji, which contains the Qimen technique, is also on her. If the senior is interested, take this girl away as soon as possible, we will never stop it, but this is Yue Feng's, I have a personal grudge with us, and please don't intervene."

At this time, Rumeng's tone was indescribable compliment.

When the words fell, Ruxue and several others nodded, and at the same time closely observed Baili Cexuan's reaction.

In Liu Jianji's view, the Juggernaut who has been in seclusion for more than 20 years, suddenly appeared here, and it must be because of the Qimen cultivation method of Tianji Palace. Even so, it is better to sell his favor.

To be honest, Liu Jianji also wants to get the soul of the secret, but they are very self-aware. To snatch the soul of the secret in front of the Juggernaut is undoubtedly courting death.

Juggernaut's status is superb, it is impossible to get to know Yue Feng, let alone stand up for him.

Um?

At this moment, Baili Cexuan's eyes suddenly became sharp, and he looked at Rumeng coldly: "You want to kill him?" He pointed at Yue Feng.

"Yes." Rumeng nodded quickly, with a smile on her delicate face: "Relax, senior, we are not interested in this girl and the soul of the secret."

At this moment, Rumeng's palms were full of cold sweat.

He really deserves to be a swordsman, his eyes are too sharp and too scary.

Huh....

Hearing the answer, Baili Cexuan took a deep breath and walked directly to Yue Feng with a very respectful expression: "Master, these women want to kill you, do you want me to help you solve it?"

While speaking, Baili Cexuan raised his hand and waved, firmly holding the giant sword in his hand.

Om...

In an instant, a terrifying sword energy burst out, filling the sky and the earth.

What?

Seeing this scene, Ru Meng Jiao's body trembled, staggered back a few steps, and almost collapsed on the ground, looking at Yue Feng's eyes full of astonishment.

Ruxue and a few are also pale, thinking that they heard it wrong.

This... what did this Juggernaut just say? He...he called Master Yue Feng?

In terms of age, Sword Saint Baili Cexuan is more than a dozen years older than Yue Feng, so why did Yue Feng become his master?

How is this possible?

Under the shock, Liu Jianji looked at each other, both were extremely shocked in their hearts, completely stupid, and at the same time were extremely frightened.

Done.

I thought that my six sisters, working together to deal with Yue Feng, had some chance of winning, but now, Juggernaut and Yue Feng are actually together, how can they fight?

You must know that the swordsman's one move, 'Sword in the Sky', was an invincible player in the world back then. Now, more than 20 years have passed, and his accomplishments in swordsmanship are even more terrifying, not to mention his six swordsmen, even if it was Nianhuagong who came with all the elite disciples, and they were all offering to die in vain.

Chapter 5265

Haha...

Looking at Liu Jianji's expression, Yue Feng showed a smile. These six women are not afraid of the sky and the earth. I never thought that the situation would turn like this.

It seems that the promise to teach Baili Ce Xuan swordsmanship was the right choice. At least in this situation, you don't have to do it yourself.

Thinking to himself, Yue Feng shook his head at Baili Cexuan, signaling him not to act rashly.

Then Yue Feng walked over slowly.

"A few!"

When he got to the front, Yue Feng first looked at Ruxue, then at Rumeng, and said with a smile: "Aren't you going to kill me? Why don't you do anything?"

Seeing his face With a proud look, Liu Jianji was so angry that she was speechless.

With the Juggernaut, who would dare to be presumptuous.

"You..."

In the next second, Rumeng bit her lip tightly, and spat out a few words unwillingly: "You kill us." The Sword Saint stared at him, and his six sisters had no chance at all. , Rather than being humiliated by Yue Feng, it would be better to die.

At the same time, Rumeng closed their eyes reluctantly.

Like Rumeng, they would rather die than be humiliated by Yue Feng.

As expected of Liu Jianji, her personality is quite stubborn.

Seeing this situation, Yue Feng secretly smiled bitterly, and then said slowly: "How easy it is to kill you, as long as I say a word, my cheap disciple will do something to you, but after you die? The palace will be miserable."

At this time, Yue Feng's eyes were full of cunning.

He didn't think about killing Liu Jianji, but he just wanted to take this opportunity to tease them deliberately.

Swish!

Seeing him mention Nianhua Palace, whether it was Rumeng or Ruxue, all of them were shocked, and then Rumeng couldn't help but said: "What do you mean?" The tone was a little flustered.

They are loyal to Nianhua Palace. In their hearts, the honor and safety of the sect are more important than their own lives.

"Haha..."

Yue Feng smiled slightly and continued: "My cheap apprentice is very respectful to me, just now you kept saying that you wanted to kill me, he would never stand by, I am afraid that after killing you, he will not be relieved. , will go to your Nianhua Palace to make a scene."

"His name and strength, I believe you all know, if you really want to kill, do you think the entire Nianhua Palace has the strength to repel him?"

Hu. ..

When the voice fell, Rumeng's heart trembled, and their faces were extremely pale.

Yes, the strength of Juggernaut is extraordinary. No one could match it twenty years ago. I am afraid that his current strength has reached an unimaginable level. Elite disciples could not resist.

At that time, the entire Nianhua Palace will be in a state of doom.

Thinking of this, Liu Jianji trembled in the suburbs, and their faces were ashen. In their hearts, it didn't matter if they died, but if they affected the sect, they couldn't rest their eyes when they died.

For a time, Rumeng and several became nervous.

Afterwards, Rumeng suppressed the anger and unease in her heart, looked at Yue Feng and said, "You... what do you want?"

She is a smart woman, and Yue Feng's threat with Nianhua Palace must have a purpose.

Yue Feng smiled slightly, looked up and down the charming curve like a dream, and said calmly: "If you don't want to destroy the Huagong, just look at my face and act later, don't let me, a cheap apprentice, know our true relationship. Alright."

What is he going to do?

Hearing this, Rumeng looked at each other with doubts on their delicate faces.

In the next second, Rumeng was about to ask, but Yue Feng had already turned around and walked towards Baili Cexuan.

"Okay, put away the sword."

When he was about to approach, Yue Feng said casually, "A misunderstanding."

Misunderstanding?

Baili Cexuan was stunned there, scratching his head, very puzzled: "Master, these women just kept saying they were going to kill you, how could it be a misunderstanding?"

" He glared at Rumeng a few times.

In his heart, Yue Feng's accomplishments in swordsmanship have exceeded the realm of the unity of nature and man.

The ultimate husband in Chinese chapter 5266-5270

Chapter 5266

Seeing his puzzled face, Yue Feng said with a clear sigh and lowered his voice mysteriously: "To tell the truth, these six are my women. I had a little conflict with me before because of a trivial matter, that's why this is the case. "

Are they all from Jianghu? It's normal for people to fight and kill when they get angry."

After saying this, Yue Feng couldn't help but smiled and glanced at Rumeng.

Seriously, although these Six Swordsmen are arrogant and ruthless, they are so beautiful that they really want to die in the hands of the Swordsman. pleasure.

This....

Hearing this, Baili Cexuan was stunned for a moment, looking at Yue Feng's eyes with indescribable admiration and envy: "Master is really amazing, not only in swordsmanship, but also in the relationship between men and women, It's also so outstanding."

When he spoke, Baili Cexuan's eyes were full of emotion. Speaking of which, when he was traversing the arena twenty years ago, he also had some confidantes. No matter their appearance or figure, they were all of the best. Is out of reach.

Haha....

Hearing this compliment, Yue Feng couldn't help laughing, and then patted Baili Cexuan on the shoulder: "What's great or not, that's all."

"It's all family . Contradictions, so don't be so nervous, put away the sword."

Baili Cexuan responded quickly, then put the giant sword behind him, and smiled embarrassingly: "I know, I was fortunate that Master stopped me just now, or else There is a big misunderstanding."

At this time, Baili Cexuan was very ashamed.

It 's so dangerous...

These six beauties, all of Master's women, almost killed them all just now.

Huh....

This chapter is provided by . Visit for daily update.

Looking at Yue Feng and Baili Cexuan, they stood there muttering, and occasionally glanced here for a while. Whether it is Rumeng or Ruxue, they are all secretly frowning.

What the hell is this Yue Feng doing?

“Well...”

Just when Rumeng was secretly surprised, Baili Cexuan walked over quickly, scratched his head, and said very embarrassedly: “That...a few teachers, it was me just now. Reckless, almost hurt a few teachers, please adults, don't bother with me.”

What?

Hearing Baili Cexuan's name, both Rumeng and Ruxue blushed, and felt even more ashamed and angry.

This Yue Feng is really a bastard. I was just wondering how he could be so kind. After a long time, he wanted to take advantage of us.

Seeing their expressions, Baili Cexuan thought that they were still angry, so he quickly said: “Several teachers, it is normal for husband and wife to have conflicts, so don't be angry with Master.”

When speaking, Baili Cexuan Yi The sincerity of the face.

However, Rumeng bit his lip tightly and did not express his position. They hated Yue Feng in their hearts and wanted to slash him with thousands of swords, but because they were afraid of Baili Cexuan in front of them, they had a bad attack.

Haha...

Seeing Liu Jianji's reaction, Yue Feng showed a smile, and his heart was indescribably happy.

These six ruthless women would never have imagined that the famous Juggernaut would be my apprentice, right? It's so funny that they want to do something, but don't dare to act rashly.

“Brother Yue Feng...”

At this moment, Dongfang Yunqing, who had been by the side, also recovered, and couldn't help but said to Yue Feng: “Are they all your women? Why haven't I heard you say it before? Also, Should I call them sister-in-law?”

She was so innocent, she couldn't tell that Yue Feng was deliberately playing Liu Jianji in the situation in front of her.

“Shut up!”

As soon as he finished speaking, Rumeng couldn't help but snorted, and said angrily to Dongfang Yunqing: “Who is your sister-in-law?” Yue Feng is hateful, and this girl is also open-mouthed.

Swish!

At the same time, Ruxue and several others also glared at Dongfang Yunqing.

Feeling Liu Jianji's anger, Dongfang Yunqing instantly felt uneasy, and quickly hid behind Yue Feng.

Seeing this, Yue Feng sighed and smiled bitterly at Liujian Ji: “Didn't I just say a few words to other women before, I have already explained it, and the other party asked me for directions. ..”

Chapter 5267

“Hey, why don't you believe me?”

Yue Feng made up his mind to tease Liujian Ji, and started talking nonsense at this moment.

“What woman?”

At this moment, Ru Xue couldn't help it, and said angrily: “You stop talking nonsense here.” This Yue Feng is really hateful. First, he said that we are all your women, and now he starts to make up. story.

Ugh!

Yue Feng sighed and smiled bitterly: “Forget it, since you hate me so much, I won't explain it. I will find a piece of paper to write a letter of divorce and leave you all.

” We don't matter anymore, if you really want to kill me, just do it.”

After saying this, Yue Feng looked at Baili Xuance helplessly, and made an appearance of physical and mental exhaustion: “It's not a good thing to have too many women. Son, when I die, you have to avenge me.”

“But don't worry, before they kill me, I will tell you the sword trick.” I

have to say, Yue Feng's acting is very similar, Baili Cexuan couldn't see it at all. Seeing him say this at this time, he quickly persuaded him: “Master, don't say that, it's just a small problem, just explain it.” After speaking

, Baili Cexuan directed at Liujian Ji again. "Several mothers, Master is like this, so don't make it difficult for him. The so-called husband and wife in one day is a hundred days in love, there is no need to make such a mess, right?"

At this time, Baili Cexuan believed that Liujian Ji was Yue. The windy woman just wanted to reconcile it.

After all, in his heart, he already regarded Yue Feng as his master, how could Liu Jianji kill him?

Huh...

Seeing the sincerity and urgency on Baili Cexuan's face, Rumeng bit his lips tightly, and the suburbs trembled with anger.

Damn Yue Feng.

With the help of the Juggernaut, he became more and more unscrupulous.

Especially the eldest sister is like a dream, her body is trembling with anger, but because of the presence of Baili Cexuan, she has a bad attack.

"Okay!" The

next second, Rumeng tried to calm herself down, and said lightly to Yue Feng, "We won't kill you." Seriously, to reconcile with Yue Feng temporarily, Rumeng felt ten thousand reluctance in her heart. .

But there is no way. If I really want to kill him, the Sword Saint will definitely not let it go. At that time, not only will his six sisters die, but the entire Nianhua Palace will be implicated.

call!

Seeing Rumeng say this, Baili Cexuan heaved a sigh of relief and nodded with a smile: "That's right, this teacher is still reasonable."

Haha...

At the same time, Yue Feng couldn't help it. Laughing, she couldn't help looking at Rumeng, and said with a smile: "Aren't you mad at me? Then call Xianggong to listen to it."

These Liujianji have always been aloof, especially this eldest sister Rumeng. , It's like an iceberg. Now I finally have an opportunity to take advantage of it. Naturally, I can't miss it. I have to make fun of it.

“You...” The

voice fell, and the delicate face of the dream was extremely red, and the eyes were staring at Yue Feng, wishing to eat him.

At the same time, Ru Xue and the others were all trembling with shock and anger.

This Yue Feng is really going too far.

It's okay to use the Juggernaut to scare us, but now I have to take advantage of every inch, and even want the eldest sister to call him husband? The eldest sister is Bingqing and Yujie. She has set foot in the arena and has never let a man touch her hand.

Huh...

for a while, Rumeng exhaled deeply, trying to restrain the anger in her heart. After more than ten seconds, she still decided to compromise, and whispered to Yue Feng:

“Xianggong.” The

voice was very small and very small . . . , If you don't listen carefully, you can't hear it at all.

Calling Yue Feng Xianggong, Rumeng felt ten thousand reluctance in his heart, but the Juggernaut watched from the side, if he didn't shout, everything would be revealed.

“Oh!”

Seeing her like this, Yue Feng couldn't help laughing, and said deliberately: “My wife, your voice is too low, I can't hear it, don't be shy, this girl and the Sword Saint are all yourself. People.”

Ru Meng was almost furious, and wanted to scold her softly, but she held back, and then shouted again: “Xiang Gong.” This sound was a bit louder than before.

Um!

Yue Feng accepted it when he saw it, and nodded with a smile: “It's almost the same, the eldest wife is really good.”

Chapter 5268 When the

words fell, Yue Feng looked at Ru Xue and said, “Second wife, third wife, are you still angry? Hurry up and shout to the husband to listen to...”

Shuh!

Hearing this, Ru Xue and the others all trembled, and they were all so angry.

Yue Feng, this bastard, is not satisfied with taking advantage of the eldest sister, and wants to ask us to call him husband.

Under the anger, Ruxue did not dare to attack, all of them blushed, and then shouted in a low voice.

“Xiang Gong...”

“Xiang... Xiang Gong...”

Seriously, Ru Xue wanted to shout, but the elder sister Ru Meng had already shouted. If she didn't shout, her plan to endure humiliation and burden would not be in vain. ?

At this moment, after Ruxue shouted a few times, she scolded Yue Feng thousands of times in her heart.

Haha... Seeing Liu Jianji shouting out, Yue Feng was

in an indescribably happy mood, so he said with a smile: “Well, a few wives are good, don't be jealous in the future.” With that said, Yue Feng waved

at Liu Jianji: “Come here, Juggernaut has hunted game, let's taste his craft together later.

“

Looking at each other in dismay, one by one is incomparably conflicted in their hearts.

They were forced to call Xianggong Yue Feng helplessly just now. It was already the limit they could bear in their hearts. They hated Yue Feng to death, how could it be possible to sit and eat with him?

Seeing that they didn't speak, Yue Feng walked over slowly and said in a low voice, “Don't look at me with bitterness and hatred, I'm doing this to help you.”

“In front of the Sword Saint, you admitted that you are my woman. If you don't eat with me, you will be suspicious. If you reveal the consequences, you know better than me.”

When he said this, Yue Feng looked serious.

But there was a bit of slyness in his eyes.

Speaking of which, Liu Jianji wanted to kill Yue Feng several times, which gave Yue Feng a headache. Now that he seized the opportunity, he naturally wanted to play with them, how could he let them go easily?

Seeing Yue Feng say this, Liu Jianji glanced at each other and had no choice but to follow and sit around on the lawn.

“Eat the roasted rabbit.”

At this moment, Baili Cexuan took out the hares he had beaten, shouted with a smile, then lit the bonfire and started roasting the rabbits.

Dongfang Yunqing clapped his hands and couldn't wait: “I'm so hungry, I can't wait.”

Haha...

Seeing her like this, Yue Feng and Baili Cexuan couldn't help laughing.

The Liu Jianji sitting around were all depressed and couldn't see the slightest smile on their delicate faces. They had to stay because of Baili Cexuan's intimidation. How could they be happy?

Yue Feng was in a good mood. Seeing that Baili Cexuan was cooking slowly by himself, he also joined in.

When he and Xiao Xi were traveling together in Donggao Continent, Yue Feng learned a lot of cooking techniques from Xiao Xi, and soon, he baked a few rabbit legs.

In an instant, the meat was fragrant.

“Looks like it.” Smelling the fragrance, Dongfang Yunqing leaned in like a greedy cat, staring at the rabbit's legs, so cute.

Ha ha....

Yue Feng was amused by her again, and then handed over a rabbit leg: “Eat it quickly, but be careful not to burn it.”

Dongfang Yunqing responded, took the rabbit's leg, and took a small bite carefully. At that time, I only felt that my mouth was full of fragrance, so I couldn't help but praise: “It's really fragrant, brother Yue Feng's roast is so delicious.”

Hearing the praise, Baili Cexuan couldn't help but pick up a rabbit leg and took a bite. He nodded again and again: “Xiang, Master is still very good, and there is also a set of barbecues.”

Yue Feng smiled, and divided the remaining rabbit meat to Liujianji: "Several wives, hurry up and eat."

Liujianji I wanted to refuse, but since yesterday, I first fought with Yue Feng, and then fell into the underground town. I didn't eat or drink for more than a day, and I was a little hungry at this time.

Especially when they smelled the smell of meat, the six sword princesses couldn't resist at all. They took the rabbit meat one by one and ate it reservedly.

Oops!

After a while, after eating the rabbit meat, Yue Feng stretched and half lay on the grass: "Take a rest first, and then continue on the road."

Chapter 5269

Hmm!

Baili Cexuan and Dongfang Yunqing both nodded in agreement.

However, Liu Jianji was a little anxious.

"Big sister." The

next second, the youngest Ruchu bit his lip lightly, and whispered to Rumeng, "What should we do?" My few, who are not Yue Feng's women at all, can't follow him to Chunyang Palace what.

Rumeng Xiumei frowned and said in a low voice, "Don't worry, let's see the situation."

"Several wives."

Just as she was talking, she saw Yue Feng sitting lazily on the grass with a smile that was not a smile. Looking at the dream-like couple: "I was tossing around in the dungeon for so long before, and my whole body was exhausted. Come and help me squeeze."

"The eldest wife pinches my shoulders, the second wife rubs my legs, and the third wife Give me a slap on the back..."

When he said this, Yue Feng's face was relaxed and comfortable.

Baili Cexuan and Dongfang Yunqing also looked indifferent. In their hearts, it was only natural for a wife to beat her back and rub her shoulders, so Yue Feng's request was not excessive at all, it could only be considered a commonplace.

Swish!

However, when they heard these words, Ru Meng and Ru Xue's faces changed, and they were all shocked and angry.

This Yue Feng is getting bigger and bigger.

It's not enough to take advantage of your mouth before, and now you want us to beat your back and rub your shoulders? What about daydreaming?

"Huh?"

Seeing that the six of them didn't move, Yue Feng adjusted his posture and said slowly: "A few wives, are you still angry with me?" After speaking, he glanced at Baili Cexuan intentionally or unintentionally. at a glance.

"You..." Ruxue stomped her feet straight.

This Yue Feng, who used to take advantage of himself in the underground town, was taking advantage of him over and over again. Now he is more and more courageous, and he will not serve him even if he dies. Rumeng also hated her teeth, but she still whispered

: "Ruxue, don't be impulsive, this Yue Feng is intentional, let's endure it first, and if there is a chance in the future, we must tell him to die."

Meng bit her lip tightly, walked over slowly, put a pair of jade hands on Yue Feng's shoulders, and began to knead gently.

Phew...

Feeling the gentle force, Yue Feng couldn't help taking a deep breath, feeling indescribably comfortable.

Seeing that the eldest sister had compromised, Ruxue and the others all held back their anger and came over, some pinched Yue Feng's legs, some beat his back, all of them were indescribably gentle.

If there are other sect masters present at this time, they will definitely be shocked.

You must know that Liu Jianji is like an iceberg goddess in the rivers and lakes. Not only is her personality arrogant, but she is also ruthless, especially their sword formations, which are even more powerful and terrifying. With such an existence, who would dare to be presumptuous in front of them? Even if the heads of the sects meet, they will give three points politely.

At this time, these six sisters were obediently obeyed by Yue Feng, not only did not make any mistakes, but also put down their dignity to serve Yue Feng.

Comfortable!

At this moment, Yue Feng was half lying there, enjoying his eyes closed, feeling the service of Liu Jianji, and he felt very comfortable.

But Liu Jianji scolded him tens of thousands of times in his heart.

“Several!”

Feeling the resentment in Liu Jianji’s eyes, Yue Feng showed a smile and lowered his voice: “Don’t frown, there are not many opportunities like today, and if you want to serve me in the future, you probably won’t have a chance. already.”

Yue Feng was not joking.

The divine power in his body will soon return to its peak, and at that time, he will be able to shatter the void and return to the Kyushu Continent.

Swish!

Hearing this, Liu Jianji was ashamed and angry.

In the next second, Ruxue couldn’t help but whispered: “You are not proud, if you fall into our hands in the future, you will be cut into pieces.”

Yue Feng smiled: “Then you probably won’t have a chance. , From now on, this swordsman will always follow me, and it is estimated that he will live in Chunyang Palace in the future.”

“You...”

Ruxue was taken aback, if the swordsman followed Yue Feng every day, it was true When he had the opportunity to kill him, and seeing Yue Feng’s complacent look, he was so angry that he pinched him on his leg.

“Ouch!” When the

pain came, Yue Feng couldn’t help crying, and then he looked at Ru Xue in tears: “Three wives, it’s so good, why are you pinching me?”

Chapter 5270

“Because I’m talking to other women, you’re still angry.” After speaking

, Yue Feng leaned up and quickly kissed Ruxue's face.

Wave!

After kissing, Yue Feng said with a smile: "Okay, don't be angry, Xianggong loves you the most, darling."

In an instant, Ruxue froze there, her face was extremely red, the suburbs trembled, her eyes Almost burst out fire.

This... this bastard, just kissed me?

Seeing this scene, Baili Cexuan and Dongfang Yunqing, who were not far away, were a little embarrassed, and at the same time, they turned their attention elsewhere.

"Okay!"

Just when Ruxue couldn't help but get angry, Yue Feng stood up with a smile, looked at the sky, and said, "It's getting late, it's time to leave." With

that, Yue Feng tilted his head. He said to Rumeng: "Several wives, I remember that you still have to go back to Nianhua Palace to do business, so hurry up and go. When you are done, come to Chunyang Palace to find me."

While talking, Yue Feng secretly said Blink at the dream.

If there is trouble, they should be let go, otherwise, it is really inappropriate for them to go to Chunyang Palace together.

Um!

Rumeng understood and nodded quickly and said, "Yes, we have to go back quickly." She is a smart woman and naturally understands what Yue Feng means.

Saying that, Rumeng greeted the five sisters and prepared to leave.

At this moment, Dongfang Yunqing hurriedly waved: "Goodbye, sisters-in-law."

At the same time, Baili Cexuan also hurriedly said: "Several teachers and mothers are good to go." Speaking of which, at his age, he can be Uncle Liu Jian Ji, but there is no way, who let them be Yue Feng's women Woolen cloth.

Swish!

Hearing the names of the two, Liu Jianji was embarrassed, and each of them blushed, but they couldn't refute them, so they could only nod their heads, then turned and left.

Watching them go away, Yue Feng breathed a sigh of relief and said with a smile: "Okay, let's go too."

After saying that, he took Dongfang Yunqing and walked towards the Chunyang Palace first.

Baili Cexuan quickly followed.

.....

On the other side, the Kyushu Earth Circle Continent.

Located 300 miles northwest of Zhongzhou City, there is a natural grand canyon with towering peaks and magnificent scenery, showing the magic of nature everywhere.

There are many maple trees in the canyon. At this time, it is late autumn. Looking at the entire canyon from a distance, it looks like a red glow. Because of this, this canyon is called Luoxia Valley.

On the edge of the Sunset Cloud Valley, there is an antique courtyard, quiet and elegant, this is the other courtyard of the Nalan family.

At this moment, in the small garden behind the garden, Nalan Wushuang was sitting sullenly on a chair.

A few days ago in Xia Yinzong, Nalan Wushuang and Yue Wuya quarreled, and returned to the family garden angrily, and never took the Xia Yinzong general altar again.

In Nalan Wushuang's heart, she has been favored since she was a child, but in Yue Wuya, she has been repeatedly frustrated, which makes her heart very unbalanced.

I really don't know what's so good about Hai Ling'er.

At this moment, recalling the way Yue Wuya was angry that day, Nalan Wushuang pouted, very dissatisfied.

"Miss!"

At this moment, a disciple of the Nalan family walked in quickly, his expression full of compliments.

It was Nalan Wushuang's personal bodyguard, Nalan Yun.

call!

Seeing Nalan Yun, Nalan Wushuang's delicate face suddenly showed a bit of displeasure: "I asked you to monitor that Hai Ling'er, why are you back?"

Yes, since the day he left from Xia Yinzong, Nalan Wushuang was angry and would not see Yue Wuya again, but in order to vent his anger, he sent Nalan Yun to Xia Yinzong to spy on Hai Linger.

Uh,

seeing Nalan Wushuang looking very angry, Nalan Yun wiped the sweat from his forehead and said helplessly: "Miss, I have been observing secretly for two days, and Hai Linger doesn't seem to have any secrets. Most of the time, she babysitting."

Child?

Hearing this, Nalan Wushuang frowned and said coldly: "Is that the kid who was snatched from Dragon King Island?"

Nalan Yun nodded: "Yeah, I really don't understand, it's just a kid who was snatched. , but Hai Linger is very caring, even Yue Wuya is very concerned about that child."

The ultimate husband in Chinese chapter 5271-5280

Chapter 5271

He said it to himself, but he didn't notice Nalan Wushuang's complexion, which became more and more ugly.

"It's alright, alright..." The

sharp-eyed Nalan Yun wanted to say, but Nalan Wushuang waved his hand very irritably: "I'll let you spy on Hai Ling'er to see if she has any hidden secrets, you What do you keep mentioning the child? It's really annoying..."

She was already annoyed, but seeing Nalan Yun didn't bring back any useful news, her mood was even worse.

Uh...

Seeing that Miss was angry, Nalan Yun's face was full of embarrassment. She scratched her head at that time and quickly said, "What the lady taught me, then... Then I will go back and monitor." With

that, Nalan Yun said about to turn away. Nalan

Wushuang responded angrily. Seeing that Nalan Yun was about to leave the garden, he suddenly thought of something and called out, "Stop, come back first."

Bold guess.

"Miss."

Hearing the call, Nalan Yun hurriedly turned around and ran back, with a respectful look on his face: "Miss, what else do you want to tell me?" On the surface, he was respectful, but in his heart he was unspeakably uneasy.

In the entire Nalan family, who does not know that Nalan Wushuang is the most unruly and willful, and Nalan Yun, as a guard, has always had a headache.

I didn't find any useful information this time, so the lady won't punish me.

Thinking in his heart, Nalan Yun became even more panicked.

Seeing his nervous look, Nalan Wushuang frowned: "Why are you so panicked? Am I scary?"

This chapter is provided by . Visit for daily update.

“No, no...” Nalan Yun quickly shook his head.

call!

Nalan Wushuang breathed a sigh of relief and turned to the topic: “You said just now, that Hai Linger takes care of the children every day, rarely leaves Xia Yinzong, and has almost nothing else?”

“Yes.” Nalan clouded nodded.

Nalan Wushuang asked again: “Yue Wuya is also very caring for that child?”

Well...

Nalan Yun responded, and then said: “In addition to cultivating, Yue Wuya spends most of the time in Taking care of the children with Hai Ling’er in the room is like a family of three...”

Halfway through, Nalan Yun quickly stopped and carefully glanced at Nalan Wushuang’s reaction.

Nalan Wushuang likes Yue Wuya. In the whole Nalan family, it can be said that it is an open secret, but he said that Yue Wuya and Hai Linger get along like a family. Isn’t this asking for scolding?

However, Nalan Wushuang did not scold him, but frowned for a moment and thought for a while, and then expressed his guess: “You said...that child was born by Yue Wuya and Hai Ling’er?”

” At that time, Nalan Wushuang bit his lip tightly, and his heart was extremely complicated.

She liked Yue Wuya, almost to the point of hopelessness, and naturally didn’t want him to have children with other women, but the news that Nalan Yun brought back had to make people suspicious.

If it wasn’t for their own children, how could Yue Wuya and Hai Ling’er be so caring?

What?

Hearing this guess, Nalan Yun was immediately taken aback: “Miss, this... it’s impossible, didn’t Yue Wuya catch the child from Dragon King Island? I heard that it was the child of the Queen of Dragon King Island. It’s to exchange with Hai Ling’er.”

“And... Yue Wuya and Hai Ling’er are not married, how could they give birth to a child earlier?”

Nalan Yun shook his head as he spoke.

This guess of the young lady is really too bold, not to mention anything else, but just talking about Yue Wuya's identity, that is the current Sect Master of Tianmen, and every move has attracted the attention of all corners of the world. If you don't get married, you will have a child with a woman. will be big news.

"Why is it impossible?"

Nalan Wushuang snorted softly, her delicate face could not hide the resentment and resentment: "That bitch Hai Linger, who looks innocent on the surface, is actually a shameless slut, she wants to be Tianmen. Sect Master's wife, it is very likely that she will take the initiative to seduce Yue Wuya."

"Besides, no one except Yue Wuya and Hai Linger's true identity knows the origin of that child. They said that they were caught from Dragon King Island. It may be a pretense."

This....

Hearing this, Nalan Yun scratched his head, fell into deep thought, and responded after a few seconds: "Miss, the child was born to Yue Wuya and Hai Ling'er, It's just that they deliberately changed a lie to avoid being gossiped?"

Chapter 5272 After speaking

, Nalan Yun said puzzledly: "But... Yue Wuya acts upright, so he shouldn't do this."

"He won't, it doesn't mean that slut won't."

Nalan Wushuang slowly Standing up, he said coldly, "That bitch Hai Linger is very good at coaxing men. Brother Wuya obeys her words. As long as she insists on hiding her child's identity, Brother Wuya will not refuse."

Huh... ..

Hearing this, Nalan Yun couldn't help taking a deep breath, nodded slowly and said, "According to what the lady said, maybe it's really possible."

Immediately, Nalan Yun stepped forward, looked at Nalan Wushuang seriously, and said bitterly. He persuaded: "Miss, I'm a servant, there are some things I shouldn't have said, but I still want to persuade you, since Yue Wuya only has Hai Linger in his heart, don't be so persistent and let go.

" There is more than just him, Yue Wuya, a man, there are many young and talented people in the rivers and lakes, the young lady will meet better in the future..."

Just before he finished speaking, he was interrupted by Nalan Wushuang.

“Shut up!”

Nalan Wushuang’s face flushed, and he shouted: “It’s not your turn to make irresponsible remarks about my affairs. Just do things for me honestly.” Nalan Yun kicked.

Nalan Yun didn’t dare to hide after being kicked. At that time, he was full of bitterness: “What else do you want me to do?”

Nalan Wushuang tilted his head and thought for a while, with a bit of madness in his eyes: “You go to Xia Yin again. Zong is here to find a way to get the things on Yue Wuya and the child.” What

’s on them?

At this moment, Nalan Yun was stunned, only feeling that his brain was not enough: “What?” “It’s really stupid.”

Nalan Wushuang scolded and said coldly: “It’s just the blood or hair of the two of them. I want to do an appraisal to determine whether the child is Yue Wuya’s.”

“If the child is really Yue Wuya, then It proves that I guessed right. Hmph, then, I will definitely make that bitch pay a heavy price...”

After the last sentence, Nalan Wushuang’s beautiful face showed a bit of hideousness.

What?

Hearing this, Nalan Yun’s heart shuddered, Miss is really crazy, to be able to come up with such a solution.

Thinking to himself, Nalan Yun said with a bitter face: “Miss, Yue Wuya is the sect master of Tianmen, and Xia Yinzong is heavily guarded, how can I get his blood or hair?”

“And that child ? , Hai Linger watched all day long, how could I have a chance. Miss, don’t make it hard for me.”

At this time, Nalan Yun was about to cry. Speaking of himself, he is a top expert in the arena, and I am afraid that he cannot do it.

“You can’t do it, right?”

Nalan Wushuang's face was full of displeasure: "Okay, then I'll find someone else to do it, you go away, don't let me see it again in the future." She has a stubborn personality. No matter how much it costs.

"I'm going, I'm going..." Seeing her like this, Nalan Yun wanted to cry without tears, and quickly nodded in agreement.

Although his surname is Nalan, he is not a member of the Nalan family at all. He was originally an orphan, and was adopted by the Nalan family. He was finally given the name Nalan Yun. If he was driven away by the young lady, he would be homeless.

Um!

Seeing his promise, Nalan Wushuang's complexion improved, and he said lightly, "Don't worry, even if your behavior is exposed, I will keep you safe."

Nalan Yun responded, not daring to say more, and turned to leave.

After Nalan Yun left, Nalan Wushuang looked at the sky in the distance, unable to hide the resentment in his heart, and said to himself: "Hai Linger, you bitch, take away my brother Wuya, I must let it go. You are doomed."

.....

On the other side, Xia Yinzong.

At eight o'clock in the evening, in the hall of Xia Yinzong's main altar, there was a cheerful atmosphere.

I saw that there was a sumptuous banquet table in the hall, and the table was full of people, including Wen Chou Chou, Sun Dasheng, Xiao Yuruo, and Su Qingyan.

And the more eye-catching ones are Shennong, Zhu Rong and Zhu Bajie.

A few days ago at the main altar of Tianmen, Wen Chou Chou and Sun Dasheng defended the Sea Dragon Hall together, but Gone was too strong, and finally Wen Chou Chou and everyone had to form a formation to trap Gone.

Chapter 5273

And at the last critical moment, Zhu Rong arrived in time, and with the power of fire, finally forced Gone to retreat.

It can be said that in the first battle at that time, Wen Chou Chou won a great victory.

After the victory, Wen Chou Chou did not take it lightly, and ordered the Tianmen disciples in the main altar to strengthen their defenses, and then sat down with Sun Dasheng, Zhu Bajie and others, waiting for the Hailong Hall to counterattack.

However, after waiting for a few days, there was still no movement in the Hailong Palace, and Wen Chou Chou had to take everyone and temporarily return to the Xia Yin Sect.

Knowing that Wen Chou Chou and everyone defeated the Hailong Palace, the whole Xia Yin Sect was very happy, so in the evening, Su Qingyan specially prepared a table of wine and dishes, intending to treat everyone well.

The main altar of Tianmen was proudly preserved, Yue Wuya was very happy, and kept pouring Wen Chou Chou a few drinks on the wine table.

As Yue Wuya's girlfriend, Hai Ling'er naturally accompanied her.

"Uncle Wen, Uncle Great Sage..."

At this time, Yue Wuya stood up with a wine glass, looked around, and said with a smile: "And Uncle Zhu, Senior Shennong... This time the Tianmen General Altar will be exempted. Due to the catastrophe, thanks to a few of you, Wu Ya is here to toast you again." The

voice fell, and he drank the wine in the cup.

"Haha..."

Sun Dasheng laughed and nodded in approval: "Ya'er has grown up, and I have to say that she has a style of style, but you are the sect master of Tianmen, you really want to drink this wine." The

voice fell, Zhu Ba Jie also couldn't help but praised: "I really think that time flies so fast, when I met Yue Feng in Beiyong Palace, he was still a reckless boy, and now his son is so old.

" With that, Zhu Bajie sighed with emotion.

Wen Chou Chou couldn't help laughing and said, "Brother Zhu is not envious of Feng Zi for having a good son. If so, he should find a woman to start a family and have a child so that he can inherit the mantle."

Sun Dasheng nodded again and again.

Zhu Bajie drank a glass of wine and laughed: "How can one child be enough? At least ten..."

Haha...

Hearing this, Wen Chou Chou and Sun Da Sheng couldn't help but burst into laughter. Thumbs up.

"Brother Zhu still has the courage..."

And the faces of Su Qingyan on the wine table were all blushing.

This Zhu Bajie is really the same as Yue Feng's virtue. No matter what time it is, there is no righteousness at all. How can you say something like giving birth to a child on this occasion?

.....

Just when the front hall was full of laughter, at this moment, a figure quietly slipped into the resting backyard while taking advantage of the night.

By the moonlight, I saw this man wearing a black gown, his face could not hide the tension.

It was Nalan Yun.

Half a day ago, Nalan Wushuang asked him to come to Xia Yinzong again, trying to find a way to get Yue Wuya and the children's belongings. At that time, Nalan Yun was unspeakably depressed. But there was no way, and in the end, I had to bite the bullet.

After coming to Xia Yinzong, Nalan Yun knew that the opportunity was coming when he learned that everyone was celebrating in the front hall.

call!

Soon, in Hai Linger's resting room, Nalan Yun hid behind a tree to observe, making sure there was no one else around, and then carefully pushed the door and entered.

I saw that there was a cradle in the middle of the room, and the child in it was sleeping soundly.

"I'm sorry."

Nalan Yun took a deep breath, muttered to himself, took out the dagger and vial on his body, and walked over, preparing to take the blood from the child.

However, seeing the child carved in pink and jade, it was very cute, and Nalan Yun couldn't do anything.

More importantly, after the skin is cut, the child will definitely cry when it hurts, and it will attract people.

Forget it, let's take the hair.

In the end, Nalan Yun thought about it, gave up the plan to take blood, cut off a few fetal hairs of the child with a dagger, and then carefully put it away.

After doing this, Nalan Yun began to carefully search for Yue Wuya's things in the room. After all, it is not enough to only rely on a few hairs of the child for identification, and it also needs something from Yue Wuya.

...

At this moment, this side of the hall.

After three rounds of wine and five flavors of food, whether it's Wen Chou Chou or Zhu Bajie, they're almost done drinking. But they didn't mean to get up and rest, just sat there and continued to chat and laugh.

Chapter 5274

"Brother Wuya."

Seeing that it was getting late, Hai Linger couldn't help but whispered to Yue Wuya: "Otherwise, I'll go back to rest first, it's been so long, I don't know the child is awake No."

These few days, Hai Ling'er has been taking care of the child every day, and a feeling that cannot be separated has been born in her heart.

Seeing her appearance, Yue Wuya smiled: "Okay, I'll go to rest too, let's go together." After

speaking, Yue Wuya stood up and said embarrassedly at the Wen Chou Chou crowd: "Senior uncles, you guys Continue, I'm too drunk, so I'll go back to rest first." As

he spoke, he held Hai Ling'er's hand tightly.

Even if they were together every day during this period of time, they were inseparable, but it was not enough for Yue Wuya.

"Oh!"

Zhu Bajie shook his head and said as soon as he finished speaking, "How can you say that you are incapable of drinking at such a young age? You can't leave first, then accompany me to drink a few more drinks."

"Your father Yue Feng is not here, You have to drink his wine."

After speaking, Zhu Bajie was about to pour wine for Yue Wuya, but was stopped by Wen Chou Chou.

"Brother Zhu." Wen Chou Chou said with a smile: "Have you not seen it yet? This kid is not good at drinking, but wants to go back to accompany his confidante."

Hearing this, Zhu Bajie was stunned for a moment, then looked at When Yue Wuya and Hai Ling'er were holding hands, they immediately understood something, patted his forehead and said, "Haha, that's right, okay, I'll let you go this time." With

that, Zhu Bajie said. He couldn't help looking at Hai Ling'er up and down, and praised again and again: "I have to say, this kid and his father are both beautiful, and the girl looks like a fairy."

"Boy, you have to cherish it."

Shuh!

Hearing this ridicule, Hai Ling'er blushed and didn't know what to say for a while.

Yue Wuya also scratched his head stupidly: "I will not let Linger down." After saying that, he greeted everyone, and then walked out of the hall with Hai Linger.

"Brother Wuya."

When they got outside, Hai Linger took Yue Wuya's arm with a worried look on her delicate face: "You drank a lot tonight, are you feeling uncomfortable? Otherwise, I'll take you back first. Room."

Yue Wuya smiled and said, "I am the Lord of Heaven's Gate, how can I get drunk so easily? Let me take you back to the room." After

saying that, he dragged Hai Linger towards the resting courtyard at the back.

"Linger."

When approaching the room, Yue Wuya stopped and looked at Hai Linger affectionately: "When the matter of the Sea Dragon Palace is resolved, then I will ask Uncle Wen to go to the sea sharks to propose marriage, and wait until After my father comes back, we'll have a wedding, okay?"

Shuh!

Hearing this, Hai Ling'er was full of joy, but her face was extremely shy: "Is this too fast?"

"Is this too fast?" Yue Wuya smiled: "I still think it's too slow. Let the whole world know that the princess of your sea shark clan is my woman, and no one can take it away." After the

last word fell, Yue Wuya looked at her charming appearance, and couldn't help it any longer. , kissed slowly through the gall of wine.

Putong Putong...

Feeling Yue Wuya's breath getting closer and closer, Hai Linger's heart was like a deer bumping around, jumping non-stop, and her delicate face was as red as the clouds, but in the end she closed her eyes and got ready. Facing that tender moment.

Wow...

Seeing that Yue Wuya was about to kiss, suddenly, there was a movement in the room in front, it was already late and the courtyard was already silent, this movement seemed abrupt.

Hearing the movement, both Yue Wuya and Hai Linger were startled.

"Who is it?" In the

next second, Yue Wuya reacted, staring at the door, and scolded coldly: "Get out of here quickly." These days, Hai Ling'er has been taking care of the children by herself, basically not letting them The maid does the work, so there is no maid in the room except for the child.

And a child, it is impossible to make such a big movement.

The only explanation is that someone broke in at night.

Huh....

Hai Linger clutched Yue Wuya's arm tightly, and was full of nervousness. This is the main altar of Xia Yinzong. Someone dares to break in at night. Will the child be in danger?

Chapter 5275 It's

over!

At this moment, Nalan Yun was frozen in the room, sweating profusely, and his heart was extremely frightened.

Isn't Yue Wuya drinking in the lobby? Why did you suddenly come back? If he is caught, he will peel off his skin even if he doesn't die.

At this time, Nalan Yun almost wanted to cry but had no tears. After he got the baby's fetal hair just now, he was in the room, looking for something on Yue Wuya's body, but before he could find it, he came across Yue Wuya and came back .

Squeak!

Just when Nalan Yun was at a loss, the door was suddenly pushed open, and then, Yue Wuya strode in, followed by Hai Linger.

Swish!

The moment he came in, Yue Wuya's eyes were like electricity, and he locked on Nalan Yun at once. He was very shocked at the time: "Nalan Yun? Why are you?"

Nalan Wushuang had been pestering Yue Wuya before, and Nalan Yun Shi was the personal bodyguard and followed him all the time, so Yue Wuya knew it naturally.

Uh...

Seeing that he couldn't run anymore, Nalan Yun squeezed out a smile that was uglier than crying, and greeted Yue Wuya: "Yue... Sect Master Yue." When he spoke, he was so nervous that he almost lost his temper. Waddled.

Yue Wuya frowned: "What are you doing here?" As he

spoke, he observed the surroundings. This person was Nalan Wushuang's personal bodyguard. He quietly came to Hai Ling'er's room in the middle of the night. There must be something strange.

At this time, Hai Linger was worried about the child, so she hurried to the cradle, and she was relieved to see that she was still sleeping.

The next second, Hai Ling'er calmed down and asked Nalan Yun, "What are you doing in my room?"

This...

Facing the questioning of the two, Nalan Yun trembled all over, his lips trembled, and he couldn't answer.

How could he dare to say the real situation?

“Come on!”

Seeing that he couldn't say anything, Yue Wuya lost his patience and scolded: “This is the main altar of Xia Yinzong, you quietly broke in, if I hand you over to Xia Yinzong, What the consequences will be, you know better than me.” The

voice was not loud, but the powerful aura that filled his body was overwhelming.

Pfft...

The last word fell, Nalan Yun's legs softened, and he immediately knelt on the ground, panicking: “Don't hand me over, I said, I said...”

Immediately, Nalan Yun looked at Flickering, his mind was also turning quickly, and he said as he thought: “Sect Master Yue, calm down, this is the case, I...my lady, because I have a grudge in my heart, sent me to steal the child.”

Although Nalan Yun is a guard, his brain Very clever, he knew that if he told the truth, the young lady's plan would be in vain, and he would definitely not forgive himself at that time.

Moreover, the Yue Wuya in front of him is not easy to deal with. In this case, he can only make up a reason that can convince Yue Wuya to believe, but cannot destroy the young lady's plan.

Steal a child?

Hearing this, Yue Wuya and Hai Ling'er looked at each other, and they were both shocked and angry.

In the next second, Yue Wuya's face turned gloomy: “Why steal the child?”

Gu Dong!

Feeling Yue Wuya's powerful aura, Nalan Yun couldn't help swallowing her saliva and said cautiously, “Miss did this to let out a breath. Miss said, you cut off relations with her for the sake of the princess of the sea shark clan. , she couldn't take this breath, so let me steal the child so you can't find it, so that I can teach you a lesson.”

Saying that, Nalan Yun kept kowtowing and begging for mercy pitifully: “Sect Master Yue, this is what my young lady instructed me to do, please forgive me...”

Absurd!

Hearing this, Yue Wuya frowned, very angry, and said coldly: "This Nalan Wushuang is really crazy, what is the problem with the children between me and her before?"

The young lady of the Nalan family, It's so ridiculous.

At this time, Yue Wuya completely believed what Nalan Yun said, because with Nalan Wushuang's personality, it was not unusual for him to do such absurd things. It never occurred to me that I was completely deceived by Nalan Yun.

Ugh!

At this time, Hai Ling'er couldn't help but sighed and said to Yue Wuya, "It's all my fault, if it wasn't for me, you and Sister Wushuang wouldn't be like this."

The ultimate husband in Chinese chapter 5276-5280

Chapter 5276 The

voice fell, Yue Wuya shook his head: "Don't think too much, how can you blame you? You are optimistic about the child, I will solve this matter."

After speaking, he patted Hai Linger's Fragrant shoulders for comfort.

Hai Ling'er responded, then glanced at Nalan Yun, and hesitated: "Brother Wu Ya, he is also under orders, so don't blame him."

"I know." Yue Wuya nodded. However, his face remained gloomy.

The next second, Yue Wuya looked at Nalan Yun and said angrily, "Come with me." After that, he walked out of the room first. After all, this is Hai Ling'er's boudoir, so Nalan Yun has been staying there. It will be very inconvenient here.

Nalan Yun hurriedly stood up and followed him out with sincerity.

call!

When they got outside, Yue Wuya took a deep breath and looked back at Nalan Yun: "Since Linger is speaking for you, I won't bother with you about tonight's affairs."

When he said this, Yue Wuya pressed him. When he was angry, he knew in his heart that Nalan Wushuang was the mastermind behind tonight's incident, and he couldn't blame Nalan Yun in front of him, but he was really angry.

Gudong....

Feeling Yue Wuya's anger, Nalan Yun secretly swallowed his saliva and nodded again and again: "Thank you Sect Master Yue, thank you Sect Master Yue for your kindness." At this time, Nalan Yun's hands were sweating. .

You must know that the one in front of you is the Tianmen Sect Master. His strength is outstanding in the entire Kyushu, and he can easily pinched himself to death with one finger. Who is not afraid?

At the same time, Nalan Yun was also secretly grateful.

Fortunately, I was more witty and came up with a reason that was not easily suspected. Otherwise, I would have become a corpse at this moment.

"Don't be too busy to thank you."

This chapter is provided by . Visit for daily update.

Yue Wuya snorted coldly and said word by word: "When you go back, tell Nalan Wushuang that there is no more connection between me and her, and I can spare you one just now, one is Linger. Please ask for mercy, the second is that Tianmen and the Nalan family are still alliances, so I don't care, but next time, don't blame me for turning my face and being ruthless .

"

Yue Wuya had no expression on his face, and was about to turn around and go back to the room.

This...for

a while, Nalan Yun froze there, wanting to cry without tears, full of entanglement.

The matter was not settled, and was discovered by Yue Wuya, so go back like this, you must not be scolded to death by the young lady, no, you must complete the task given by the young lady.

Now I only got the baby's fetal hair, and I still lack one thing from Yue Wuya.

How to do it?

The more Nalan Yun thought about it, the more tangled it became, and the more anxious he felt in his heart.

Um?

At this time, Yue Wuya walked to the door, and Yu Guang saw that Nalan Yun was still standing there, he frowned, and said very unhappily: "Why don't you leave?"

"I... Seeing

Yue Wuya turning back, Nalan Yun only felt that his heart was about to jump into his throat, and he said in anguish, "Sect Master Yue, you also know the character of my young lady, and what she explained, I If you don't do well, you will definitely be punished when you go back."

"That's your business." Yue Wuya said coldly.

"Yes!"

Nalan Yun nodded quickly, with a look of panic on his face: "It's a child who deserves it, I shouldn't have broken into Miss Hai Ling'er's room and tried to steal the child, but..."

Speaking of this, Nalan Yun's eyes flickered, and he suddenly had an idea in his heart: "But even if I bring Sect Master Yue's words to my young lady, with her personality, she will definitely not let it go."

Shuh!

When the words fell, Yue Wuya's face suddenly became extremely cold: "What do you want to say?"

"I mean this." Nalan Yun wiped the cold sweat from his forehead and said cautiously: "Sect Master Yue only let me pass the word, If you don't have any convincing power, why don't you give me something that I carry with me, and I'll take it back to the lady to show her, so that she can give up completely."

As he spoke, Nalan Yun observed Yue Wuya's reaction.

For a while, Yue Wuya fell silent, and couldn't help muttering in his heart.

There is some truth to what Nalan Yun said. Nalan Wushuang is stubborn. If I let go of my harsh words, she will definitely not be convinced. Maybe she will come here to make trouble in a few days.

Only by letting her give up completely can the matter be completely resolved.

Chapter 5277

Thinking to himself, Yue Wuya looked at Nalan Yun: "Okay, what do you want from me?"

Huh!

Nalan Yun took a deep breath, his face full of anxiety, and tentatively said: "There is a saying in the ancients, called 'swear to take an oath', Sect Master Yue might as well give me a few hairs of his own, I went back to see the young lady, and said Sect Master Yue I swore an oath to Duan Fa."

"The young lady must be disheartened when she sees her hair, and she will never pester Sect Master Yue again."

After saying this, Nalan Yun's face was serious, but there was a twinkle in his eyes. points of expectation.

Yes, his ultimate goal is to get Yue Wuya's hair. Because he is well aware of Nalan Wushuang's temperament, if the matter is not done, he is afraid of being kicked out of the Nalan family.

However, Nalan Yun was quick-witted, and when he turned his head just now, he made up a perfect reason.

"This..."

Hearing this proposal, Yue Wuya hesitated for a moment, then took out his dagger, cut off a few hairs directly, and handed it to Nalan Yun: "This method is good, let's do it like this, I'll give you my hair, hurry up and leave."

At this time, Yue Wuya just wanted to clear his relationship with Nalan Wushuang as soon as possible, but he didn't expect that he had already been tricked by Nalan Yun.

Haha...

Seeing that Yue Wuya didn't have the slightest suspicion, Nalan Yun couldn't tell the excitement in his heart, but he didn't show it on his face, so he quickly took the hair and respectfully said: "Thank you Sect Master Yue for your cooperation, after I go back, I will definitely Persuade Miss."

"Go!" Yue Wuya waved his hand impatiently.

Nalan Yun didn't say more, put away his hair, and left with great excitement.

squeak...

As soon as her forefoot left, Hai Linger pushed the door open with her child in her arms, looked at the direction Nalan Yun was leaving, and said with a complicated mood, "Brother Wu Ya, the lady from Nalan's family seems to really like you. "

“A woman, only when she is deeply in love will do such absurd things. I think, do you want to have a good talk with her...”

“You ‘swear’ to talk to her . Is it not good to break up?”

She was kind in her heart, and always felt that Yue Wuya’s actions were a little too heartless.

Uh....

Hearing this, Yue Wuya was very helpless and smiled bitterly: “Linger, you are too kind, have you forgotten how she killed you a few days ago, if it wasn’t for you at that time? I arrived in time, we have been separated forever, and you are still helping her talk?”
After speaking

, Yue Wuya’s tone became gentle, and he gently held her in his arms: “In my life, I have only you in my heart, There is no room for other women.”

Feeling Yue Wuya’s warmth, Hai Ling’er was very moved.

But thinking of Yue Wuya’s decision just now, to break with Nalan Wushuang completely, I still feel a little inappropriate. After all, Nalan Wushuang has a stubborn personality, and Yue Wuya’s actions will definitely stimulate her even more...

It’s just Yue Wushuang . Wu Ya has said so, and it is useless to persuade him.

....

on the other side.

Nalan Yun left the main altar of Xia Yinzong, and took advantage of the night to rush back to the Nalan family’s other garden as soon as possible.

When I got to the room where Nalan Wushuang was resting, I saw that the lights inside had gone out. It was already the second half of the night. Obviously, Nalan Wushuang had already rested.

It’s so late, why don’t you wait for tomorrow?

Forget it, Miss is in a hurry, let’s wake her up now.

At this moment, Nalan Yun stood in front of the door, hesitating in his heart, and finally knocked on the door.

Boom!

The knock on the door was not loud, but it seemed very harsh on the silent night. Soon, Nalan Wushuang, who was resting inside, was awakened. He was very irritable at the time: "Who, what happened at night?"

Nalan Yun took a deep breath and said carefully outside the door: "Miss, it's me."

"You..."

Hearing Nalan Yun's voice, Nalan Wushuang suddenly became angry: "Why are you so fast? Are you back? Have you done everything I explained to you?"

"Miss!"

Nalan Yun's face was bitter, and he respectfully said: "Fortunately, Nalan Yun is not humiliated, I have everything on Yue Wuya and the child. I brought it back."

Huh.....

Hearing this, Nalan Wushuang was overjoyed, and quickly pushed the door and walked out: "Really?"

Chapter 5278

Nalan Yun smiled and took out the things from his body: "How dare I deceive Miss? These two things, one is the child's fetal hair, and the other is Yue Wuya's hair."

"Although the middle process is very difficult It's dangerous, but I finally got it."

After saying this, Nalan Yun handed the things over to Nalan Wu's hands.

Phew...

At this moment, Nalan Wushuang opened the thing and looked at it, and he was sure that it was what Nalan Yun said, and his delicate face was very relieved: "Okay, you did a good job, prepare the car immediately, I will go now Hospital identification."

When he said this, Nalan Wu couldn't hide the urgency in his eyes.

She thought about it, if the genes of the two things were matched, it would prove that the child was born to Yue Wuya and Hai Linger. At that time, Hai Linger must be saved forever.

If not, then it is the best, it means that Hai Linger and Yue Wuya have not made substantial progress, and they still have a chance.

"Okay!"

Seeing her impatient face, Nalan Yun quickly responded and went to prepare the car.

Half an hour later, Nalan Wushuang, accompanied by Nalan Yun, arrived at the hospital appraisal department.

The Nalan family is well-known in the entire Earth Continent, so even in the middle of the night, the hospital duty staff did not dare to show the slightest impatience when they saw the young lady from the Nalan family, and they were all very attentive.

“Doctor!”

At this time, Nalan Wushuang, with a high look on his face, said to the appraisal doctor: “As fast as possible, confirm the DNA matching of these two hairs, be quick, don’t make me wait too long. “

Okay, Miss Nalan.” The doctor found something and hurriedly entered the testing area.

Nalan Wushuang didn’t follow up, she sat on the chair outside the door and waited. Her delicate face was full of impatience. She didn’t like the smell of the hospital since she was a child. Nothing will come.

Nalan Yun stood aside, quietly accompanying him.

Time passed by minute by minute.

Ten minutes passed in a blink of an eye, Nalan Wushuang became a little impatient, and Xiu Mei clenched her locks: “It’s just for identification, why is it so slow? Is the doctor being lazy? Let me wait any longer, this lady will smash the hospital.”

Uh ...

Nalan Yun on the side was very helpless, smiled bitterly and comforted: “Miss, calm down, as far as I know, DNA identification will take some time. This hospital has advanced equipment and should be the fastest.”

Just as he was talking, he saw the doctor holding the test sheet and came out sweating profusely.

“I’m dying...”

Nalan Wushuang looked unhappy, and said coldly to the doctor: “What

’s the result?” When asked, Nalan Wushuang tried his best to keep himself calm, but his heartbeat accelerated inexplicably. Deep down in her heart, she naturally didn’t want the child to be born by Yue Wuya.

“Miss Nalan.” The

doctor unfolded the test sheet with a look of flattery: “The result is out, 99% match.”

What?

A word was like a thunderbolt from the blue sky, Nalan Wushuang’s delicate body trembled, only his brain was buzzing, and he was slumped on the bench, and the whole person was stupid.

The match is close to 100%, which proves that the child was really born to Yue Wuya and Hai Linger...

This...

At the same time, Nalan Yun was also stunned, thinking that he had heard it wrong.

The next second, Nalan Yun took the test sheet and saw the test results above. He was completely dumbfounded, and his mind went blank.

The young lady guessed right, that child really belongs to Yue Wuya.

I really did not expect that Yue Wuya, as the sect master of Tianmen, was righteous on the surface, but he was so unruly behind the scenes. Before getting married, he gave birth to a child with Hai Linger.

Although the concept of a round continent is not as conservative as other continents, it is not ashamed to have children before marriage, but he is the master of Tianmen, and his every move attracts the attention of all corners of the world. How could he do such a thing?

At this time, neither Nalan Wushuang nor Nalan Yun knew that they had completely misunderstood Yue Wuya under their preconceived notions. The child is not from Yue Wuya, but from Yue Feng.

Half a year ago, in order to avoid the pursuit of the magic soldiers, Mo Yan and Yue Feng had a skin-to-skin relationship, and then Mo Yan became pregnant.

Chapter 5279

Later, Mo Yan went overseas, rectified large and small pirate organizations, and finally established the Sea Dragon Palace.

Soon after the establishment of the Hailong Palace, Moyan gave birth to the child.

In terms of bloodline, the child is a descendant of the Demon Race, but the blood of Yue Feng also flows in his body. In other words, he is Yue Wuya's half-brother.

With such a relationship, the genes of the two are naturally the same.

“This bitch...”

Finally, Nalan Wushuang came to his senses, all of them passed the inspection sheet, and after reading it carefully, he said something harshly, and then strode out of the hospital.

At this time, Nalan Wushuang was filled with resentment.

I liked Yue Wuya for so long, it could be said that he regarded him as the whole world, but he turned a blind eye to his own admiration, and what was even more irritating was that Hai Linger, who was really cheap and slutty enough to actually seduce Yue Wuya, and even slander him. The child was born.

“Miss...”

Seeing that her face was wrong, Nalan Yun hurriedly chased out.

However, after chasing after the gate of the hospital, he saw that Nalan Wushuang had already driven away, and the direction of driving was the main altar of Xia Yinzong.

Oops...

Seeing this scene, Nalan Yun suddenly became anxious.

With the temper of the young lady, she will definitely go to that Hai Linger to make a fuss, no, you have to go back and inform the owner of the house.

Thinking to himself, Nalan Yun hurriedly stopped a car and rushed towards the Nalan family.

.....

Xia Yinzong.

In the early morning, the morning sun sheds a golden light, and the entire Xia Yinzong main altar looks extremely peaceful and peaceful.

However, the atmosphere in the hall was extremely solemn.

A few days ago, Wen Chou Chou, Sun Dasheng and others, although they defeated the Sea Dragon Palace and kept the Tianmen General Altar, but it was only a short-lived

victory. After all, the Sea Dragon Palace has a large number of people, with hundreds of thousands of followers, and they will definitely make a comeback.

Therefore, after the celebration banquet last night, Wen Chou Chou did not relax his vigilance, so he convened everyone early in the morning to discuss how to deal with the Sea Dragon Palace.

At this time, the hall was full of people.

Wen Chou Chou, Sun Dasheng, Su Qingyan, as well as Shennong, Zhu Bajie, Yue Wuya, basically all they could get there.

Hai Ling'er held her child and sat aside. In the near future, she was going to marry Yue Wuya. She was the wife of the Tianmen sect master, so the future of Tianmen should naturally be concerned.

"Everyone!"

This is, Wen Chou Chou looked around and said slowly, "I got the news just now that the Hailong Palace is temporarily retreating in Donghai City, and there have been reinforcements coming from Dragon King Island these days."

"I think, In a few days, they will make a comeback."

When saying this, Wen Chou Chou couldn't hide the worry on his face.

call!

When they heard the news, everyone frowned.

"What are you afraid of!"

At this moment, Dasheng Sun stood up and said: "No matter how many they are, they are just a bunch of pirates, and they can turn the world upside down, I..."

Wow...

just halfway through . , the door of the hall was suddenly pushed open, and then a slender figure rushed in aggressively.

Delicate face, charming curves, but there is endless resentment in his eyes.

It is Nalan Wushuang.

Seeing Nalan Wushuang, everyone present was stunned.

What did this young lady of the Nalan family suddenly come to do? This time against the Sea Dragon Palace, I didn't ask their Nalan family for support.

"You..."

Yue Wuya was displeased, stood up all of a sudden, and said coldly to Nalan Wushuang: "What are you doing? We are talking about business, please go out immediately."

This Nalan Wushuang, what a lunatic. Yesterday, I swore an oath to cut off all ties with her, but she was still making a fool of herself. She really has no rules at all.

Nalan Wushuang ignored him and walked straight to Hai Ling'er.

Seeing Nalan Wushuang approaching, Hai Linger hugged the child, stood up subconsciously, and called out very softly, "Sister Wushuang..."

Slap!

As soon as she said a few words, Nalan Wushuang suddenly raised her jade hand and slapped her fiercely. The crisp sound rang out, and she saw Hai Linger stagger and take two steps back after being beaten. A five-fingerprint appeared soon.

"You bastard swinger, who is your sister? Don't get involved with me." Nalan Wushuang shouted fiercely.

Chapter 5280

In an instant, the entire hall was silent.

Whether it was Wen Chou Chou or Sun Dasheng and others, they were all stunned.

Wen Chou Chou even frowned secretly, and couldn't help saying: "Wushuang, don't be so rude." He has a good relationship with the patriarch of the Nalan family. It is considered as the elder of Nalan Wushuang, and he has always called her Wushuang.

Nalan Wushuang likes Yue Wuya, the whole Xia Yinzong knows it, and Wen Chou Chou naturally also knows it.

I just didn't expect that this young lady of the Nalan family would act against Hai Ling'er in public because of the love of these children. It was simply too unruly.

Swish!

At the same time, Yue Wuya was even more furious, walked over quickly, grabbed Nalan Wushuang's arm, threw her aside, and shouted angrily: "You are really a crazy woman, don't think it's from the Nalan family. Miss, I don't dare to touch you."

Immediately, Yue Wuya turned around and stroked Hai Ling'er's face softly, "Does it hurt?"

He loved Hai Ling'er more than anything else, and when he saw her being beaten, he felt extremely distressed. .

Hai Ling'er shook her head and looked at Nalan Wushuang with complicated eyes. She didn't know how to speak for a while. After what happened last night, she knew that things would not be so simple, but she never expected that Nalan Wushuang would be so unruly. .

"Did I make a mistake?"

Seeing Yue Wuya defending Hai Linger everywhere, Nalan Wushuang was angry and aggrieved, and shouted: "This slutty bitch seduces you and even gave birth to a child. , shouldn't you fight?"

What?

The voice fell, and the entire hall was suddenly in an uproar.

Whether it was Wen Chou Chou or everyone else around, their eyes were all focused on Hai Ling'er and the child, all of them in amazement.

What did Miss Nalan say? The child....was born by Hai Linger?

Yue Wuya was even more angry, staring at Nalan Wushuang, and shouted angrily: "What nonsense are you talking about? What gave birth to a child, don't talk nonsense.

" Let her spread rumors indiscriminately?

Especially Ling'er, who is pure and pure, just like a fairy in the sky, Nalan Wushuang must not be allowed to slander her like this.

"I..."

At this moment, Hai Ling'er also recovered, looked at Nalan Wushuang in a complicated way, and said softly, "Miss Nalan, I know you hate me, but emotional matters are forced. I won't come." "It's really wrong for Brother Wu Ya to treat you like that, but even if you get angry again, you can't create something out of nothing. This child is the child of the Queen of Dragon King Island. How could it be born to

me?”

Ling'er, her heart was very calm, she didn't feel resentment because of being beaten at all, on the contrary, she felt sorry for Nalan Wushuang, she was so crazy because of her love for Yue Wuya.

Hehe...

However, Nalan Wushuang couldn't listen at all. At that time, he sneered and said contemptuously, “You bitch, stop pretending, this child is yours and Yue Wuya's.”

“If it weren't for your child . . , why are you guarding every day and taking care of it in every possible way?”

Yue Wuya was completely angry, and shouted: “Shut up for me, Linger has a good heart, and sees that the child is not accompanied by a mother, so take care of it carefully, what's the problem?”

call!

When the words fell, Wen Chou Chou also breathed a sigh of relief, looked at Nalan Wushuang seriously and said, “Wushuang, don't be ridiculous, we are talking about business. We will talk about you and Wuya later, okay?”

However, Nalan Wushuang didn't mean to leave at all.

“Uncle Wen.”

Nalan Wushuang took a deep breath and shouted at Wen Chou Chou: “I'm not fooling around, this child belongs to this bitch and Yue Wuya.”

When he said this, Nalan Wushuang was one face for sure.

What a crazy woman.

Yue Wuya was completely angry, his eyes were blood red and he glared at Nalan Wushuang: “You keep saying that the child belongs to me and Ling'er, what evidence do you have?”

Evidence! ?

Nalan Wushuang smiled and said, “I don't have any evidence, but do you dare to drop blood in public to recognize your relatives and do a paternity test.” The hospital's test list did not contain the names of Yue Wuya and the child, which is not evidence, but Nalan Wushuang did not panic at all, as long as Yue Wuya dared to confess his kinship in public, everything would come to light.

The ultimate husband in Chinese chapter 5281-5290

Chapter 5281

“Joke!”

At this moment, Yue Wuya laughed back in anger, and his heart burst into flames, and he said coldly to Nalan Wushuang: “Why should I confess my relatives by blood?”

“I’ll say it again . , we are talking about business, you don’t mess around here.”

This Nalan Wushuang is really crazy, it is simply unreasonable.

However, the more angry Yue Wuya became, Nalan Wushuang thought he had a ghost in his heart, and immediately shouted: “If you refuse, you are guilty.”

“You are afraid that the true identity of the child will come out and affect the reputation of you and Tianmen, which is more important. Yes, you have been defending this bitch all the time, right?” After

speaking, Nalan Wushuang glared at Hai Ling’er.

“Shut up!”

Yue Wuya was completely angry, he shouted loudly, and then nodded: “Okay, let’s confess by blood, I will do it, but we have to agree, if it doesn’t matter to me as a child, you are not allowed to pester me in the future. Follow me.”

At this time, Yue Wuya was really angry.

This Nalan Wushuang is really too presumptuous, just beat Ling’er just now, and now he is talking nonsense, even saying that the child belongs to me.

However, Yue Wuya also knew that if he did not prove his relationship with his child, Nalan Wushuang would continue to make trouble endlessly.

Huh...

Hearing this, Nalan Wushuang bit his lip tightly and sneered: “Okay, if the child has nothing to do with you, I will not bother you in the future, what if the child has anything to do with you?

” You put forward conditions.” Yue Wuya said without thinking.

This chapter is provided by . Visit [for daily update.](#)

This child was born by the Queen of the Sea Dragon Palace, and has nothing to do with him at all. Naturally, he is not afraid of Nalan Wushuang making a fool of himself here.

Huh...

Seeing that the two sides started to bet, the Wen Chou Chou people on the side frowned secretly.

Today, we will discuss how to deal with the Sea Dragon Palace. This is a top priority. Nalan Wushuang is just fooling around, and Yue Wuya, as the sect master of Tianmen, is also fooling around. It really shouldn't be.

Thinking to himself, Wen Chou Chou frowned and said to Yue Wu Ya, "It's okay, Ya'er, don't make trouble." As the words

fell, Sun Dasheng couldn't help but shout: "It's getting more and more absurd, this child is Hailong Palace. The queen, how could it be related to Ya'er?"

Said, Sun Dasheng looked at Nalan Wushuang: "Wushuang girl, you and Ya'er's private affairs should be resolved behind the scenes, isn't it ashamed to make trouble here?"

Sun Dasheng's character Straight, what to say, no matter what the identity of the other party.

Hearing Sun Dasheng's rebuke, Nalan Wushuang was very unhappy in his heart, but he didn't dare to attack. Who doesn't know that Sun Dasheng is a powder keg, just a little bit?

Therefore, Nalan Wushuang secretly adjusted his mood and pretended not to hear.

Seeing her like this, Sun Dasheng became even more angry, and he wanted to say more, but was persuaded by Yue Wuya.

"Uncle Great Sage."

Yue Wuya came over, pulled Da Sage Sun, and said in a complicated tone: "I understand her personality. If I don't get a result today, she won't let it go."

"It's just a drop of blood. It's just recognition, soon."

After saying this, Yue Wuya called a maid from outside the door and asked her to use a white porcelain bowl and water.

Seeing Yue Wuya say this, Wen Chou Chou and Sun Dasheng no longer stopped him.

laugh!

After everything was ready, Yue Wuya took out a dagger and cut his right finger. When the blood poured out, a drop was dropped into the bowl.

Afterwards, Yue Wuya motioned for Hai Linger to carry the child over.

At this moment, Hai Ling'er came over with the child in her arms, bit her lip lightly, she couldn't bear it, she whispered to Yue Wuya: "Is this really necessary? The child is so young, wouldn't it be very uncomfortable if his hand is cut? Does it hurt?"

She was kind-hearted, and up until this time, she was still caring about the child, and was not angry at all because Nalan Wushuang made trouble.

Huh...

Yue Wuya let out a light sigh of relief, smiled and comforted: "I'll cut a little bit shallower, it'll be fine."

After saying that, he grabbed the child's small Bai Nen hand and cut his middle finger.

Wow...

the child was still sleeping, but the moment the blood poured out, he felt pain and started crying. Hai Linger was so distressed, she quickly hugged him to the side and coaxed softly, not caring about what was in the bowl. Blood.

Because Hai Linger knew that the child was not born by herself and Yue Wuya at all.

Chapter 5282

At this moment, Nalan Wushuang walked over quickly, his eyes fixed on the bowl.

Whoa!

At the same time, the surrounding Wen Chou Chou and others also subconsciously surrounded them. Although what happened in front of him was absurd, it could at least prove Yue Wuya's innocence.

When the results come out, Nalan Wushuang will not pester Yue Wuya, and everyone will not have a headache.

Yue Wuya's face was gloomy, and he didn't look at the bowl at all, but stared at Nalan Wushuang coldly: "You are the young lady of the Nalan family, but you have to keep your word, and don't go back on your word."

Like Hai Linger, Di He has absolute confidence in the matter of blood recognition.

Nalan Wushuang did not respond, his eyes were always on the two drops of blood in the bowl.

“Look, melt... melt...”

At this moment, someone in the crowd shouted, and the whole hall exploded.

“It’s really fused together.”

“This....how is this possible?”

“My God...”

As everyone exclaimed, they saw two drops of blood slowly merging together, and the two drops of blood blinked. It turned into a drop, and stopped quietly at the bottom of the water...

hum...

At this moment, Yue Wuya was shocked, his eyes widened, and his mind went blank.

How could this be?

At the same time, Wen Chou Chou and Sun Dasheng, as well as everyone around them, were also full of surprise and doubts.

Could it be....

this child was really born by Ya’er and Hai Ling’er?

Just as Nalan Wushuang said, after the two gave birth to a child, in order to avoid affecting the reputation of Tianmen, they hid the truth and lied to everyone that the child was the child of the Queen of the Sea Dragon Palace.

If so, it would be ridiculous.

Dengdengdeng...

At this time, Nalan Wushuang was also trembling, her delicate face was pale, she could barely stand still, and took a few steps back. Unspeakable sadness.

When Nalan Wushuang saw the test sheet in the hospital before, despite the atmosphere, he still had some hope in his heart, hoping that the test sheet was inaccurate, so that he and Yue Wuya would still have a chance.

At this time, seeing with his own eyes the fusion of the child and his blood, Nalan Wushuang knew that it was completely impossible for him and Yue Wuya.

Heartbroken, if you die, all thoughts will be ashes.

Phew...

After two seconds, Nalan Wushuang took a deep breath, looked around, and shouted as if nervous: "Everyone sees, this child was born to him and this bitch, I'm not lying, no ..."

While speaking, Nalan Wushuang looked at Yue Wuya proudly: "You are the dignified Heavenly Sect Sect Master, who is highly respected in the rivers and lakes, but you did such a depraved thing."

"Until just now, you still thought about it. Protect this bitch, I see how you can protect it."

When she said this, Nalan Wushuang was full of resentment, because of love and hatred, she had completely lost her mind at this time.

Swish!

At this moment, the eyes of everyone present focused on Yue Wuya, each with a complicated expression.

He is usually prudent in his work, how can he be so absurd when it comes to men and women?

Finally, Wen Chou Chou couldn't bear it any longer, frowned, and asked Yue Wuya, "Ya'er, what's going on?" He and Yue Feng are life-and-death brothers, and they have always regarded Yue Wuya as a biological child. , I was very disappointed to see him come out of such a ridiculous thing at this time.

"This...it's impossible."

Hearing the question, Yue Wuya gradually reacted, shaking his head and shouting: "Linger and I are innocent, how could it be possible to have a child? This child is not mine."

At this moment, Yue Wuya's head was buzzing, but he was still calm.

Half a month ago, I and Wen Xiaoyu broke into Dragon King Island, and the scene of how to rob the child at that time was still in a hurry. The child is the Queen of the Sea Dragon Palace, how can it be mixed with his own blood?

For a time, Yue Wuya's mind was about to explode, and he couldn't think of the reason.

Could it be that there is something wrong with the water in the bowl?

Thinking of this, Yue Wuya suddenly turned his head and stared at the maid who prepared the bowl and water: "Did you move your hands or feet? Nalan Wushuang asked you to do this?"

If Nalan Wushuang secretly instructed the maid, moved hands and feet in the bowl, that's easy to explain.

Chapter 5283

"No..."

Looking at Yue Wuya's blood-red eyes, the maid was frightened and shook her head again and again: "I don't have it, it's just normal water."

Yue Wuya still asked, but was accepted Lan Wushuang interrupted.

"Yue Wuya!"

Nalan Wushuang shouted, his eyes couldn't hide his contempt: "Everything has been done, the child has been born, don't you admit it?"

"Right, okay, then look at this."

After saying the last sentence, Nalan Wushuang took out the inspection sheet on his body and threw it directly on Yue Wuya's body.

Inspection?

Yue Wuya frowned, grabbed it in his hand, and looked at it carefully.

Whoops!

At the same time, the people around Wen Chou Chou and Sun Dasheng also gathered around, and they saw that the result at the bottom was clearly written, and the gene matching degree was 99%.

But Wen Chou Chou was careful, and when he saw that there was no name on the list, he asked Nalan Wushuang, "Wushuang girl, what's going on with this list?"

Shah!

The voice fell, and everyone's eyes converged on Nalan Wushuang, waiting for her answer.

Especially Yue Wuya, his blood surged, and he was so angry: "What the hell are you doing?"

Haha...

Nalan Wushuang sneered and said proudly: "You don't have to stare at me, this is I did a paternity test with my baby's fetal hair and your hair, did you see the data above? 99% match."

"If you say there is a mistake in recognizing relatives by dripping blood, how can this list be wrong?"

What?

Hearing this, Yue Wuya only felt a buzzing sound in his head, and it became messy again, my hair?

Could it be...

In the next second, Yue Wuya thought of something, and shouted angrily at Nalan Wushuang: "Last night, that Nalan Yun asked me for my hair, and the purpose was to use it for a paternity test?"

", Yue Wuya was very annoyed.

That bastard, Nalan Yun, was honest and honest on the surface, but he was so insidious behind the scenes that he was deceived by him last night.

Seeing his expression, Nalan Wushuang was full of pride: "Are you hating Nalan Yun? It's useless for you to hate him, he is helping me with things, and whatever method I use, he will do it. "

If you want to make trouble, come to me."

At this time, Nalan Wushuang had a slight smile on his delicate face, which seemed to be pleasing to the eye, but there was a gleam of resentment in his eyes.

"You..."

Yue Wuya trembled in anger, but was speechless.

At this moment, the people around Wen Chou Chou also looked at each other in dismay, each and everyone was shocked.

The blood can be fused together, and the test sheet has come out.

Looking at this situation, the child and Yue Wuya can't get rid of the relationship.

It's just... Hai Ling'er was rescued from Dragon King Island by Yue Wuya half a month ago, which is about the same time as the child's birth. In this way, when did they get together before?

Just when everyone was puzzled, they saw Hai Linger hand over the child to the maid next to her, and then walked towards Yue Wuya step by step.

"Linger..."

Seeing Hai Linger approaching step by step, Yue Wuya smiled bitterly: "Today's events are getting more and more absurd, but don't worry, I will never let her slander you. Innocent."

Pop!

As soon as the words fell, Hai Linger suddenly raised her jade hand and slapped Yue Wuya fiercely.

In an instant, there was a crisp sound, and the entire hall was silent.

Everyone is stupid. You must know that Hai Linger has always been a girl who is gentle and quiet, never angry, and can't even speak loudly.

Especially for Yue Wuya, she is gentle.

At this time, she unexpectedly slapped Yue Wuya in the face in public.

Hehe...

After a short silence, Nalan Wushuang suddenly sneered and said to Hai Ling'er gloatingly, "Tsk tsk, finally showing your true colors?"

"Just because Yue Wuya didn't help you keep the secret, let you feel innocent. Lost, just turned your face?"

Hai Ling'er ignored him, just looked at Yue Wuya blankly, with a trace of tears in her eyes.

"Ling'er!"

Seeing her like this, Yue Wuya felt distressed and doubtful. He ignored the pain on his face and quickly said, "What's wrong with you?"

Chapter 5284

“You...”

Hai Ling'er's red lips were lightly opened, her eyes were full of sadness: “When did you meet the Queen of Hailong Palace?” The situation in front of you is obvious, this child is Yue Wuya and Hailong Born by the Queen of the Palace.

After all, the evidence is solid, it is an indisputable fact.

Speaking of which, Hai Ling'er believed in Yue Wuya very much, but she also believed too much. In the face of the two pieces of evidence, such as the blood test, the heart was hurt the most.

This....

Hearing the question, Yue Wuya wanted to cry without tears, and suddenly realized why Hai Linger was angry, and quickly said: “Linger, don't believe this, any drop of blood to recognize relatives, test sheets, all are It's fake.”

“I only have you in my heart, how could there be other women, let alone have children with other women.”

When he explained, Yue Wuya was sweating profusely.

fake?

Hai Ling'er gave a bitter smile and tried not to cry, but the tears remained unsatisfactory: “There are so many people watching here, the blood of you and the child are fused together, and Miss Wushuang's inspection sheet is enough to prove that, You have a blood relationship with the child.”

“I'm naive, but I'm not stupid.”

After saying this, Hai Ling'er couldn't hold back any longer, and tears kept streaming down her face.

This....

seeing this situation, whether it was Wen Chou Chou or Sun Dasheng and others, they were all stunned.

What is this situation? It was fine just now, why did it suddenly make trouble?

Nalan Wushuang also frowned secretly.

Could it be that Yue Wuya and Hai Ling'er were not born? But he and other women?

Just when everyone was puzzled, Huan Linger looked around and said solemnly:
“Everyone, I like Brother Wuya very much, but during the time we got along, we have always adhered to etiquette and never did anything deviant.

” Therefore, I take my life seriously, this child has nothing to do with me at all. As for the relationship with Yue Wuya, I don’t know, and I don’t want to know.”

“I thought that Yue Wuya would give me a beautiful and happy future. , but I was wrong, I really didn’t expect that he would give birth to a child with another woman ahead of time. It’s ridiculous that I still care so much about the child these days.”

After saying this, Hai Ling’er’s eyes were full of tears. His eyes were full of disappointment and heartache, which was heartbreaking.

Wow.... for

a while, the entire hall was in an uproar.

“This.... this child was not born by Hai Ling’er?”

“Things are getting more and more complicated...”

At this moment, Wen Chou Chou’s face changed, and then he frowned and looked at Yue Wu Ya: “Ya’er, what the hell is this? What’s going on?” You know, Wen Chou Chou is a traditional man, if the child was born to Yue Wuya and Hai Ling’er, it would make sense, after all, they were in love with each other and would get married sooner or later.

But Yue Wuya carried Hai Linger on his back and had children with other women, so the problem was bigger.

Not only in terms of morality, but also the reputation of Tianmen will be seriously affected.

“You stinky boy.”

At the same time, Sun Dasheng was also very angry, kicked Yue Wuya and cursed:
“How could you do such a thing? Are you worthy of your father? Son?”

This kick directly kicked Yue Wuya to the ground.

“I..”

Yue Wuya didn’t know whether to laugh or cry, and was almost on the verge of crying. He said loudly, “Uncle Wen, Uncle Great Sage, it’s not what you think, this child is not mine, not mine...”

What happened? It's getting worse.

Not only does Linger doubt me, but even Uncle Wen and the Great Saint don't believe me?

In a hurry, Yue Wuya quickly stood up, ran to Hai Linger, and held her shoulders tightly: "Linger, you believe me, I have nothing to do with the Queen of the Sea Dragon Palace, I will test my affinity with blood. Shan, I don't know what's going on..."

It's really uncomfortable to be suspected by the woman he loves.

However, at this time, Huan Ling'er was almost heartbroken, with no expression on her delicate face, she broke away Yue Wuya's hands and said lightly, "Let's...don't see each other in the future, take care. ..." The

voice fell, Hai Ling'er turned around and walked out of the hall quickly. When she reached the door, her inner strength pushed her toes a little on the ground and flew into the air, disappearing from everyone's sight in a blink of an eye.

Chapter 5285

"Ling'er!"

Yue Wuya shouted and rushed out to chase, but Hai Linger was determined to leave, how could she catch up?

For a time, all of Yue Wuya's strength seemed to have been drained, leaning on the stone pillar outside the door, in a hurry, he almost fainted.

Linger, why don't you believe me?

...

On the other side, the Lagerstroemia Continent.

Yue Feng took Dongfang Yunqing and Baili Cexuan to the main altar of Chunyang Palace after several hours of traveling.

Huh

Seeing the beauty of Chunyang Palace, Dongfang Yunqing looked east and west, and was amazed: "I didn't expect this place to be so beautiful." She slept in the underground town for a thousand years, and after seeing the sun again, she was able to Seeing such a scene, it is natural to be excited.

"Do you like it?" Yue Feng asked with a smile.

Dongfang Yunqing nodded heavily: "I like it."

Her appearance made Yue Feng laugh directly, and reached out and touched her head: "If you like it, this will be your home in the future."

"In the back, Baili Cexuan also sighed with emotion: "Chunyang Palace is indeed a paradise, but this place has not been here for 20 years."

Said, Baili Cexuan sighed.

Yue Feng smiled: "Are you related to Chunyang Palace?"

Baili Cexuan nodded, unable to hide his arrogance: "Twenty years ago, I compared swordsmanship with the then master of Chunyang Palace, Yu Xuzhen. "

Who won?" Dongfang Yunqing asked quickly, with a curious look on his face.

Along the way, Dongfang Yunqing and Baili Cexuan are also very familiar with each other, so in front of him, what Dongfang Yunqing has to say shows the innocence of a child's family.

Haha...

Without waiting for Baili Cexuan to respond, Yue Feng couldn't help laughing and said, "Looking at his proud expression, it must be the real Yuxu who lost, right?"

"That's natural." Bai Li Cexuan nodded proudly: "Although the swordsmanship of Chunyang Palace has changed a lot, it is still a lot worse in terms of artistic conception.

"The practice of this Chunyang Palace is not very good..."

After speaking in general, Baili Cexuan suddenly realized that the Yue Feng in front of him was the pavilion master of the Pill Pavilion of Chunyang Palace, and quickly changed his words: "Of course, Master is a gentleman. Exception, hehe..."

Seeing his expression, Dongfang Yunqing couldn't help laughing.

Yue Feng waved his hand in disapproval: "In front of me, you don't have to be so careful, I'm not one of those stubborn Taoists." After

speaking, Yue Feng saw the giant sword on his back and thought for a while: "This is Don't bring your sword up the mountain. To avoid attracting attention." Baili Cexuan has an extraordinary identity, and is a well-known swordsman in the arena.

"Master is right."

Baili Cexuan nodded again and again, then took off the giant sword, looked left and right, then walked to a large rock and pressed the giant sword under it.

Like Yue Feng, Baili Cexuan just wanted to learn swordsmanship quietly and didn't want to be noticed.

"By the way!"

Seeing that he hid the giant sword, Yue Feng thought of something: "When you enter the mountain gate, you can't call me master."

"Understood, master... oh no, pavilion master. "

"Well, let's go."

After everything was instructed, Yue Feng took the two to continue up the mountain.

"Haha..."

As soon as he entered the mountain gate, he saw Taoist Qianqiu walking over with a big laugh, patted Yue Feng's shoulder and said, "Brother Yue Feng, you have come back. The day before yesterday, Xiaorou came back and said that you were arrested by Ye Xingyu of Tianhaimen." Looking for trouble, I rushed over as soon as possible, but I still couldn't find your whereabouts. "

Now that you are safe and sound, I am relieved." "

When he said this, Daoist Qianqiu's eyes were full of concern.

Daoist Qianqiu didn't know that at that time, Yue Feng and Ye Xingyu both entered the secret underground town of Tianji Palace, and of course he couldn't find it.

Yue Feng smiled slightly: "Thank you, Daoist Master. Care. Just

as she was talking, Xiaorou ran over quickly, and took Yue Feng's arm very excitedly: "Pavilion Master, you are back, I was worried about you just now. Immediately ,

seeing Dongfang Yunqing behind Yue Feng, Xiaorou was stunned and couldn't help but admire: "Oh, what a beautiful little sister. "

The ultimate husband in Chinese chapter 5286-5290

Chapter 5286

As he spoke, he held Dongfang Yunqing's hand enthusiastically, and asked with a smile, "Little sister, what's your name?"

After Dongfang Yunqing came out of the underground town, the person he was most familiar with was Yue Feng. At this time, facing Xiaorou's enthusiasm, she felt a little uncomfortable for a while.

"Don't panic!"

Seeing her appearance, Yue Feng smiled and introduced: "This is the little sister Xiaorou I told you along the way, my Dantong."

Hearing this, Dongfang Yunqing immediately put it down. Being alert, he said to Xiaorou generously: "My name is Dongfang Yunqing. Are you Sister Xiaorou? Brother Yue Feng often mentions you." Because of Yue Feng's relationship, Diu Xiaorou also gave birth to several children close.

Seeing that the two were getting along well, Yue Feng smiled and said to Dongfang Yunqing, "In the future, you will stay in the Pill Pavilion and live with Xiaorou."

Dongfang Yunqing nodded obediently.

"That's great."

Xiaorou was also indescribably happy, holding Dongfang Yunqing's hand tightly: "I'll have company in the future." She was alone in the Pill Pavilion to serve Yue Feng, she can't be alone, come now I have a little friend, not to mention how happy I am.

This girl's surname is Dongfang?

At this moment, Taoist Qianqiu, who was standing beside him, looked at Dongfang Yunqing up and down, frowning secretly.

Could it be... she has something to do with the Heavenly Secret Palace that was once destroyed?

You must know that on the Ziwei Continent, there are very few surnames Dongfang, and the most famous one is the Tianji Palace, which was very popular in the rivers and lakes at that time. However, the Heavenly Secret Palace has been destroyed for thousands of years and has long ceased to exist.

Thinking about it, Taoist Qianqiu couldn't help but ask Yue Feng, "Brother Yue Feng, this girl is..."

Before he could finish his question, Yue Feng smiled and said mysteriously, "Her identity is not simple. Don't be in a hurry, Taoist priest. I will go to see the palace master first, and then I will reveal her identity."

This chapter is provided by . Visit [for](#) daily update.

Seeing what he said, Taoist Qianqiu didn't ask much, so he led Yue Feng and walked towards the hall.

call!

Entering the main hall, I saw the palace lord sitting quietly on the throne, wearing a gorgeous long dress, the charming curves looming, and the beauty was indescribably beautiful. Several female disciples went through both sides. Jiang Hongyu is also among them.

The palace lord was very happy when he learned that Yue Feng was back, and was waiting for Yue Feng's audience here.

"I have seen the Palace Master."

At this time, Yue Feng took a step forward, cupped his hands at the Palace Master, and said with a smile, "These days, the Palace Master has been worried." As he said, he admired the Palace Master's dress.

I haven't seen her for a few days, and the princess has become even more beautiful.

Of course, this was because of taking the 'beauty and beauty' pill half a month ago. The palace lord smiled lightly: "No need to be polite. I haven't heard from

you for the past few days. This palace is very worried. Now that you have returned safely, I am relieved."

Happy to live. After all, Yue Feng, as the master of the Pill Pavilion, is the only alchemy master in the entire Jianghu. If something happens, it will be a huge loss to Chunyang Palace.

Jiang Hongyu next to her had a cold face, and even snorted in her heart.

God really doesn't have long eyes, and actually let this erotic person come back.

Yes, Jiang Hongyu at this time was still worried about the Beihai constellation. Until now, she still thinks that it was Yue Feng who was plotting against her that night.

Although Jiang Hongyu didn't mention this kind of thing to anyone after she came back, her views on Yue Feng were deeply buried in her heart.

"That's right!"

At this moment, the Palace Master thought of something, and asked Yue Feng, "Xiaorou came back that day and said that you were being troubled by the two disciples of Tianhaimen. What happened?"

Uh... ..

Yue Feng scratched his head in embarrassment and smiled, "It's nothing, just a little misunderstanding." After speaking, he couldn't help but glance at Jiang Hongyu.

It seems that she is still thin-skinned, and she didn't even say what happened to Beihai Xingsu. Hearing that it was a misunderstanding, the Palace Master was relieved, but still said angrily: "The disciples of

Tianhaimen really don't understand a little etiquette. Knowing that you are the Pavilion Master of the Pill Pavilion, you are still asking for trouble."

He couldn't stop saying: "Yes, those disciples of Tianhaimen have become more and more arrogant in the past two years, and they are simply defiant."

Chapter 5287

They admired Yue Feng's talent very much, loved Wu and Wu, and determined that the cause of the incident must be the fault of the Tianhaimen disciples.

Seeing this, Jiang Hongyu was so angry that she wanted to tell the truth, but she held back.

Um?

At this moment, the palace lord saw Dongfang Yunqing standing behind Yue Feng, and asked curiously, "Who is this girl?" As the palace lord of Chunyang Palace, he could see at a glance that the girl in front of him He has a good temperament and is definitely not an ordinary person.

Swish!

At this moment, the eyes of Taoist Qianqiu, Jiang Hongyu and others also fell on Dongfang Yunqing.

Gudonggudong...

Yue Feng didn't answer immediately, but walked over, picked up a cup of tea brewed on the table, raised his head and took two sips. Along the way, I took Dongfang Yunqing and the two together, their throats were astringent and dry.

Seeing him like this, the palace lord was not at all displeased.

However, Jiang Hongyu, who was on the side, couldn't stand it anymore, and couldn't help but scolded: "Hey, do you understand the rules? I specially made this cup of tea for Master, who made you drink it?"

” Unstoppable anger and contempt.

Yue Feng, a lecher, really regards Chunyang Palace as his home. He can do whatever he wants without any rules.

“I’m thirsty...”

Feeling Jiang Hongyu’s anger, Yue Feng was not angry at all, and said lightly: “I see this cup of tea has been left for a while, and the palace lord doesn’t drink it. I just happen to be thirsty, what’s the problem with drinking it? “

You...”

Jiang Hongyu was so angry that she wanted to scold her, but was interrupted by the Palace Master.

“Okay, okay...” The Palace Master said with a smile: “The Pavilion Master has been exhausted all the way, and he should have a good rest. What is a cup of tea? Hongyu, don’t be rude.”

Seeing the master’s opening, Jiang Hongyu had no choice but to answer. A sound, but my heart is very unconvinced.

Isn’t this Yue Feng able to make alchemy? What’s amazing, but the master and the entire Chunyang Palace treat him so politely.

Haha...

Seeing Jiang Hongyu humming, Yue Feng was overjoyed.

This Jiang Hongyu must be furious.

Thinking to himself, Yue Feng wanted to tease her a few words, but he felt that the occasion was inappropriate, so he returned to the subject and replied to the palace master: “This girl, called Dongfang Yunqing, is a descendant of Tianji Palace.”

What?

As soon as these words came out, the entire hall was in an uproar, and both the palace master and Jiang Hongyu trembled.

The descendants of Tianji Palace?

How is this possible? The Tianji Palace has been destroyed for nearly a thousand years, and there are only a few hidden ruins left on the rivers and lakes. How could there be descendants?

Taoist Qianqiu was even more astonished, and said to Yue Feng: "Brother Yue Feng, this kind of joke is not allowed. You must know that the Heavenly Secret Palace has been destroyed for nearly a thousand years."

Haha...

Seeing that they didn't believe it, Yue Feng revealed. With a smile, he said to Dongfang Yunqing: "Girl, take out the things on your body and show them. Don't be afraid, they are all their own people."

Dongfang Yunqing responded, and put the soul of heavenly secret on him. And the silk took out.

At this moment, Jiang Hongyu hurried over, took two things, and presented them to the palace master.

call.....

Seeing the content written on the silk, the palace lord's delicate body trembled faintly, and his heart was shocked, but he couldn't calm down for a long time.

This... This girl is really a descendant of the Heavenly Secret Palace. At such a young age, she has been sleeping in a dark place for a thousand years, which is really incredible.

At the same time, the palace lord is also very distressed. It is so pitiful that his relatives are gone at such a young age.

Afterwards, the palace lord looked at Yue Feng and asked, "How did you find her?"

Yue Feng breathed a sigh of relief and explained the situation at the time. In the end, Yue Feng looked at Dongfang Yun. Qing: "She has no relatives, so I have to take her back to Chunyang Palace."

As soon as the voice fell, Dongfang Yunqing couldn't help but say: "Those people are all villains, they want to arrest me, and they want to snatch our secrets. In the end, Brother Yue Feng rescued me from Gong's Qimen Cultivation Technique."

Bang!

At this moment, Taoist Qianqiu was very angry, and slammed down the table: "Those sects are so shameless. For the sake of peerless cultivation techniques and treasures, they actually attacked a little girl."

Chapter 5288 The

palace lord's delicate face could not hide his anger: "It's really abominable, such a small child, how can they bear to do it."

After speaking, the palace lord praised Yue Feng: "Yue Pavilion The Lord is benevolent and righteous, and you have done a good job." Great benevolence and righteousness?

Hearing this, Jiang Hongyu, who was standing beside her, was very contemptuous.

This Yue Feng is a shameless lecher, what kind of benevolence is there? It's just that due to the presence of the palace lord, these words can only be said in the heart, and it is not easy to express at all.

At this time, the palace master looked at Dongfang Yunqing with a smiling face: "Yunqing, you will stay in Chunyang Palace in the future. This is your home. If anyone wants to bully you in the future, just tell this palace."

Dongfang Yunqing nodded. .

Yue Feng said with a smile, "I made arrangements just now. From now on, this girl and Xiaorou will live in the Pill Pavilion together."

"That's fine." The

palace lord smiled and nodded. , directed at the female disciple beside her, and said, "Wait for the next order, and set up a banquet tonight to celebrate the return of the pavilion master."

In her heart, Yue Feng came back safe and sound, which is already very happy, but the result is surprising. Yes, he brought back the descendants of the Heavenly Secret Palace.

You must know that Tianji Palace was the first sect of Jianghu, a holy place that all Jianghu people yearned for thousands of years ago. Speaking of which, the palace master has no intention of coveting the Qimen exercises of the Heavenly Secret Palace, but Dongfang Yunqing's stay in the Chunyang Palace has only advantages and no disadvantages for the future development of the Chunyang Palace.

Therefore, in the heart of the palace lord, Yue Feng brought Dongfang Yunqing back, it was a double happiness, and naturally it was time to celebrate.

"Yes, Master."

Upon hearing the order, the two female disciples quickly responded, and then walked out of the hall to make arrangements.

This...

Seeing this situation, Jiang Hongyu stomped her feet in anger. What qualifications does Yue Feng have to invite Master to entertain him?

In anger, Jiang Hongyu said glumly at the Palace Master, "Master, I'm a little uncomfortable, so I'll retire first." After saying that, she gave Yue Feng a stern look and walked out of the hall quickly.

Out of breath?

Seeing Jiang Hongyu's back angrily leaving, Yue Feng smiled bitterly.

The palace lord was also a little embarrassed, and said softly to Yue Feng: "Hongyu's character is like this, the pavilion lord should not take offense."

"It's okay.." Yue Feng waved his hand with a smile.

At this time, the palace lord looked at Baili Cexuan who had been standing silently at the door, and couldn't help but ask, "Who is this?" The

voice fell, and the eyes of everyone in the audience focused on Baili Cexuan's. It was only at this time that he realized that Yue Feng was not the only one who brought back Dongfang Yunqing.

This...

Yue Feng scratched his head, thought for a moment, and responded, "This is a friend I met on the way back. Because there was nowhere to go, I had to follow me to Chunyang Palace.

" Yue Feng waved at Baili Cexuan: "Come and introduce yourself."

As he said, Yue Feng blinked his eyes secretly.

Baili Cexuan is a smart person, he immediately understood what Yue Feng meant, and hurriedly took two steps forward and cupped his hands at the palace lord: "My name is Wuming, I'm just a person who has traveled in the arena, and I met your Excellency Yue Feng at first sight. He doesn't dislike it, take me to Chunyang Palace."

Speaking of which, as Baili Cexuan, he is completely disdainful to talk to the palace master, you must know that twenty years ago, the previous generation of Chunyang Palace Palace master, but even he Can't handle the three moves.

However, in order to learn Tiangang Sword Art with Yue Feng, Baili Cexuan could only choose to hide his identity and make up a random name.

Um!

Hearing this introduction, the palace master did not have the slightest doubt, nodded and smiled: "Since it is a friend of Pavilion Master Yue, it is also a friend of our Chunyang Palace."

"Your name is Wuming, then this palace will call you Mr. Wuming. Alright."

Baili Cexuan smiled and said, "Thank you, the Palace Master for taking in."

At this time, Taoist Qianqiu came out, looked up and down at Baili Cexuan, and couldn't help but admire: "Since Mr. He must not be a mortal, and we have the opportunity in the future to discuss and practice together."

Although Baili Cexuan restrained his breath, Daoist Qianqiu could still feel the aura that permeated his body.

Chapter 5289

"Don't dare to dare..."

Baili Cexuan quickly shook his head and smiled bitterly at Taoist Qianqiu: "I'm just a nobody, how can I be qualified to ask the Taoist priest for training?" As

he said, he looked carefully With Yue Feng's reaction.

In front of others, Baili Cexuan is extremely arrogant, but in front of Yue Feng, how can there be any bragging rights?

"Daoist."

Seeing Baili Cexuan's embarrassed appearance, Yue Feng hurried out to smooth things out, and said to the Taoist Qianqiu: "We're tired all the way, go back to rest first, and at the evening banquet, I want to have a few more drinks with the Taoist. "

Haha, good." Taoist Qianqiu laughed and nodded.

Yue Feng said no more, and greeted Dongfang Yunqing, Baili Cexuan, and Xiaorou, walked out of the main hall and returned to the Pill Pavilion.

In the blink of an eye it was night.

In the hall, there was a lively atmosphere.

In order to celebrate Yue Feng's safe return, the palace lord specially ordered several elders to accompany him. Baili Cexuan, as Yue Feng's friend, was naturally placed in the VIP seat.

At the banquet, Baili Cexuan drank a lot of wine, but his mind was always sober.

After two hours, the banquet was over.

"Master..."

When he walked out of the hall, Baili Cexuan looked at no one around, quickly followed Yue Feng, and whispered, "When will you teach me swordsmanship?"

When speaking, Baili Cexuan Eyes full of anticipation.

Haha.. This Baili Cexuan is really impatient.

Seeing his appearance, Yue Feng became happy. Seeing that the moon was bright tonight, and he was in a good mood, he nodded and said, "If you want to learn so much, let's start tonight."

With that, Yue Feng took the lead . Go to the back mountain. At this time, it was getting late, and there was basically no one in the back mountain, which was very suitable for teaching swordsmanship.

Great.

At this moment, Baili Cexuan was very excited and quickly followed.

Soon, when they arrived at an open space in the back mountain, Yue Feng looked around, picked up a branch from the ground, and said seriously to Yue Feng: "This set of Tiangang sword tactics originally had thirty-six moves, but I was finally used by me. Improve it into seventy-two moves, tonight I will teach you the first move, 'Sword Swing Eight Wilderness'. Look carefully." As the

voice fell, Yue Feng waved the branch in his hand and began to demonstrate.

call!

Baili Cexuan took a deep breath and stared at Yue Feng's movements closely, not daring to let go of the slightest detail. He was a famous sword idiot, and a set of superb sword tactics was more important than life.

Soon, Yue Feng resolutely demonstrated the first move, turned his head to look at Baili Cexuan and said with a smile: "How? Can you see clearly?"

Baili Cexuan nodded, unable to hide his excitement: "This sword The tactic is really ingenious, I looked at it very carefully just now, and now I will try it and ask Master for guidance." The

voice fell, and Baili Cexuan also picked up a branch and displayed it on the spot.

Huhuhu...

I saw that the branches in Baili Cexuan's hand were swayed, and the air was distorted.

You must know that Baili Cexuan was a swordsman who traversed the world 20 years ago. He was very talented, especially his understanding of swordsmanship was far beyond ordinary people. Ara learned.

I go....

At this moment, Yue Feng stood aside, watching Baili Cexuan play so ingeniously, fully comprehending the essence of this move, and couldn't help but admire secretly in his heart.

As expected of a swordsman, this sword technique was practiced so quickly.

Swish...

Just when Yue Feng was secretly admiring, he heard a slight footstep on the mountain road not far away, and there was only one person in the sound.

Strange, it's so late, who has nothing to do in Houshan?

At this moment, Yue Feng frowned, subconsciously turned his head to look, and saw a slender figure, walking slowly, through the moonlight, I saw that delicate face, unable to hide the worry and irritability.

It was none other than Jiang Hongyu.

Today, Yue Feng returned to Chunyang Palace safely, which attracted much attention, and even the palace lord held a special banquet for him, which made Jiang Hongyu very unconvinced.

Especially when she thought that she was almost tainted by Yue Feng in Beihai Xingsu before, Jiang Hongyu became more and more angry the more she thought about it, and where she could still sleep, she planned to come to Houshan to clean up.

Chapter 5290

Is she?

At this moment, Yue Feng was stunned when he saw that it was Jiang Hongyu.

She doesn't sleep at night, what is she doing in Houshan?

Swish!

At the same time, Jiang Hongyu also saw Yue Feng, her beautiful face immediately flushed red, and she was indescribably embarrassed.

Why is this bastard here?

Huhuhu...

At this time, Baili Cexuan was still waving the branches, immersed in the exquisite sword art, and did not notice Jiang Hongyu not far away.

"Oops..."

Soon, Yue Feng was the first to react and shouted at Jiang Hongyu with a smile: "Are you going out for a walk at night? Are you so interested?" hit.

Jiang Hongyu originally planned to turn around and leave, but when she heard Yue Feng's greeting, she suddenly said angrily, "Does it have anything to do with you?"

After saying that, Jiang Hongyu saw Baili Cexuan who was still playing swordsmanship there, Xiu Mei was locked, and she was cold. Leng asked: "You are so late, what are you doing here?"

Hearing the voice, Baili Cexuan came back to his senses and quickly stopped.

In the next second, without waiting for Yue Feng to speak, Baili Cexuan said with a smile: "The pavilion master asked me to practice swordsmanship. I made the girl laugh."

Practice swordsmanship?

Jiang Hongyu was stunned for a moment, looking at Yue Feng with complicated eyes, unable to hide his contempt: "You know swordsmanship?" This bastard, apart from alchemy, his strength is average, how can he know any swordsmanship?

Thinking to himself, Jiang Hongyu mocked Yue Feng and said, "As the pavilion master of the Pill Pavilion, don't you feel ashamed to learn swordsmanship from an outsider and let others tell you a lie?"

In her heart, she thought that it was Yue Feng who learned swordsmanship from Baili Cexuan, so he chose such a remote place, but he was the master of the Pill Pavilion and had an extraordinary status, so Baili Cexuan would lie for him.

Uh...

At this moment, Yue Feng is very depressed, this Jiang Hongyu is quite imaginative.

Thinking to herself, Yue Feng looked at her with a half-smiling smile: "Whether I learn swordsmanship or not, you don't need to belittle me like that, right?"

"To belittle you?"

Jiang Hongyu blushed and said angrily: "I wish you would die outside and never return to Chunyang Palace."

Seeing her expression, Yue Feng knew that she was still brooding because of the misunderstanding of the stars in the North Sea, and said at the time, dumbfounded, "Jiang Hongyu, what happened that night Son, I explained it long ago, it's really not me, it's Ye Xingyu..."

This woman is too grudge, it's been so many days, and she still remembers it all the time.

Thinking to himself, Yue Feng wanted to explain more, but before he could finish speaking, he was interrupted coldly by Jiang Hongyu.

"You...shut up for me."

Jiang Hongyu was very angry at this time. This Yue Feng was really open-mouthed, and there was a nameless gentleman beside him. How could he tell what happened that day?

For a while, Jiang Hongyu became more and more angry, and directly pulled out the sword on her body: "Whether you are teaching swordsmanship tonight or learning swordsmanship, the matter between us must come to an end."

"If you can stay here I promised me in swordsmanship, and I will never mention this matter again."

When saying this, Jiang Hongyu's eyes were full of icy coldness, and the long sword in his hand also let out bursts of low voices.

In her heart, Yue Feng was learning swordsmanship from Mr. Wuming, and his attainment was definitely not high. It was a good opportunity to teach him a lesson. She thought about it, Yue Feng was the master of the Pill Pavilion, and she couldn't kill him, but she had to take good care of him. Teach him a lesson.

than swords?

Feeling the coldness in Jiang Hongyu's eyes, Yue Feng could not laugh or cry. Seeing this situation ,

Baili Cexuan also frowned secretly, then slowly walked over and said seriously to Jiang Hongyu: "Does the girl want to compete with swords? I'll compare with you."

Practice your hands.

"You?"

Seeing Baili Cexuan taking the lead for Yue Feng, Jiang Hongyu furrowed her brows, and her resentment grew even more, she said coldly to Baili Cexuan: "Okay, then I will defeat you first, and I will teach this well. Shameless." The

voice fell, Jiang Hongyu tapped the ground with her toes, and stabbed Baili Cexuan with a sword.

As a close disciple of the Palace Master of Chunyang Palace, Jiang Hongyu is very confident in her swordsmanship. In her heart, the nameless gentleman in front of her is just a nameless person in the world, and she can easily win.

After defeating this unknown gentleman, I will teach Yue Feng a good lesson.

The ultimate husband in Chinese chapter 5291-5300

Chapter 5291

“Oh, it’s really hitting.”

Seeing this, Yue Feng cried out with an exaggerated expression, and then smiled at Baili Cexuan and said, “Mr. Wuming, since she insists on doing it, you can use me just now. Let’s learn from her about the trick I taught you.”

After saying this, Yue Feng hugged his arms and stood aside to watch the battle with a smile.

“Okay!”

Baili Ce Xuan responded, while clenching the branch in his hand.

Hearing Yue Feng’s words, Jiang Hongyu’s face was full of contempt. This lascivious person would make a fool of himself, and he would just practice alchemy. How could he have the ability to teach others swordsmanship?

Thinking to herself, Jiang Hongyu bit her lip and accelerated.

Om...

At this moment, wherever Jiang Hongyu’s figure passed, the long sword in his hand almost tore apart the surrounding air, with astonishing power.

Feeling the power of this sword, Baili Cexuan did not panic at all, standing there without moving, like a rock.

“If you want to teach the pavilion master a lesson, I’m afraid you don’t have enough skill, so let’s beat me first.” In the

next second, Baili Cexuan said lightly, silently mobilizing his inner strength, pouring it into the branch in his hand, and then posing. A starter pose that points diagonally to the sky.

It was at this moment that Jiang Hongyu’s long sword drew a dazzling brilliance and arrived in front of Baili Cexuan.

It has to be said that Jiang Hongyu, as the close disciple of the palace master, has outstanding strength, especially for the swordsmanship of Chunyang Palace, he has understood the essence of this sword. admit defeat.

It’s a pity that the opponent she met this time was Baili Cexuan.

This chapter is provided by . Visit for daily update.

“interesting.”

Seeing this sword, he was about to stab Baili Cexuan. At this critical moment, Baili Cexuan said lightly, slipped his feet to the side, and the branch in his hand also drew an arc to avoid it. Kai Jiang Hongyu’s sword blade accurately poked her wrist.

Jiang Hongyu didn’t have time to dodge at all, and didn’t even see how the opponent shot. At that time, she only felt that her wrist was sore, and the long sword fell from her hand immediately.

Dang...

With a crisp sound, Jiang Hongyu also covered her hands and took two steps back, looking at Baili Cexuan in horror, her delicate face was full of incredible.

How is this possible?

This person is sloppy and sloppy, and he is a nameless person who wanders around the world. He is so skilled in swordsmanship...

You must know that the sword that Jiang Hongyu used just now was a sword from Chunyang Palace Town. The tactic, the most powerful move in the ‘Three Styles of Cloud Piercing’, even if the Palace Master is present, one has to avoid his edge in the face of this move, but this person in front of him managed to resolve it so easily?

More importantly, the opponent did not use a sword, but held a.... branch?

Haha...

Baili Cexuan didn’t care about Jiang Hongyu’s astonished gaze, he was so excited and happy that he couldn’t help laughing. In the next second, Baili

Cexuan tilted his head and praised Yue Feng: “Master, the sword move you taught just now is really ingenious. How do you think I used it?”

Li Cexuan’s eyes were full of anticipation, and because of the excitement in his heart, he completely forgot about Yue Feng’s previous explanation, the word “Master”, and blurted out and shouted it out.

Uh...

Seeing him calling out Master, Yue Feng was speechless, but he still smiled and nodded: “Not bad, your savvy in swordsmanship is indeed beyond ordinary.”

“The sword just now was performed well, and I have fully understood the essence of it.”

Since the words “Master” have been shouted, there is no need to pretend. Anyway, there is only Jiang Hongyu here, and, with her personality, also Not necessarily believe.

Hearing Yue Feng’s praise, Baili Cexuan was very happy, happy like a child.

Master?

Jiang Hongyu furrowed her eyebrows and felt her brain buzzing. The swordsmanship that Mr. Wuming just performed was really taught by Yue Feng?

However, he obviously has no strength at all, so how can he teach others swordsmanship?

For a time, Jiang Hongyu was stunned there, unable to recover for a long time.

No...

After a few seconds, Jiang Hongyu calmed down and said coldly to Yue Feng: “Okay, you and this Mr. Wuming don’t have to pretend. You think that if you use this method to scare me, I won’t trouble you. already?”

Chapter 5292

At this time, in Jiang Hongyu’s heart, it was determined that Yue Feng and the two were acting together.

In Beihai Xingsu before, Yue Feng tried to smear Jiang Hongyu in the middle of the night, and was afraid that she would cause trouble if she returned to Chunyang Palace, so she found this unknown gentleman as a bodyguard on the way.

Moreover, Yue Feng also asked Mr. Wuming to pretend to be his own disciple, giving the illusion of a high level of swordsmanship, in order to make himself retreat in spite of difficulties.

Yes... for sure.

Thinking of this, Jiang Hongyu shouted at Yue Fengjiao again: “Yue Feng, if you are a man, fight with me, don’t be afraid to use others as a shield.” After the

voice fell, Jiang Hongyu quickly picked it up and dropped it on the ground His long sword, his eyes flashed with anger.

Uh....

At this moment, Yue Feng was about to cry but had no tears: “Jiang Hongyu, I have explained the matter of the stars in the North Sea countless times. It is Ye Xingyu who wants to plot against you, not me. Why don’t you believe it? ?”

With that, Yue Feng pointed at Baili Cexuan: “Also, he is really my apprentice, so I don’t need to lie to you.”

When he said this, Yue Feng felt very helpless, what is this Jiang Hongyu? Just dead brains.

“That’s right..”

Baili Cexuan nodded gratefully, and confirmed to Jiang Hongyu: “Girl, my master is right, I am really his apprentice.”

“Speaking of which, master doesn’t want to accept me at all . As an apprentice, it was I who kept pestering him, and he agreed. So... if you are better than swordsmanship, you should give up, you can’t even beat me, and you are not my master’s opponent at all.”

Hu...

Seeing the seriousness of what the two of them said, Jiang Hongyu only felt that her mind was in a mess.

Could it be... This Mr. Wuming is really Yue Fengshou’s disciple?

In shock, seeing Yue Feng standing there with a smirk but not a smile, with a cynical look, Jiang Hongyu suddenly became angry: “I don’t care what your relationship is, you must fight me today.” It

‘s about himself The reputation of innocence, this bad breath must come out.

Afterwards, Jiang Hongyu looked at Baili Cexuan and said angrily: “Also, this is Yue Feng’s private affairs, you don’t want to interfere.”

Uh...

Although Baili Cexuan is a sword idiot, he Not stupid, looking at Jiang Hongyu’s appearance at this time, he vaguely guessed something in his heart, and scratched his head in embarrassment.

The next second, Baili Cexuan smiled wryly at Yue Feng: “Master, since it’s your private matter, let’s settle it. I’ll go back to the Pill Pavilion to rest.” As the words

fell, Baili Cexuan dropped the branch and turned around. step away.

For a time, Yue Feng and Jiang Hongyu were left in the empty back mountain.

The atmosphere is also a little subtle.

wow.

At this moment, Jiang Hongyu threw the long sword on the ground and said coldly to Yue Feng, "If you don't have a sword in your hand, I won't take advantage of you. Let's fight with your fists." Yue Feng smiled bitterly: "You have to fight. ?"

This woman is really persistent.

"Don't talk nonsense." Jiang Hongyu's delicate face showed some determination: "Are you going to fight?"

"Okay, okay!"

Seeing her insistence, Yue Feng had no choice but to nod his head: "Then I will accompany you to learn from each other, we can agree, and it will stop..." Although the contact time is not long, Yue Feng has some feelings for Jiang Hongyu. Understand that what this woman believes is generally difficult to change.

If I don't agree to fight her tonight, I'm afraid I won't sleep well.

"Look at the move!"

Just before Yue Feng finished speaking, Jiang Hongyu let out a coquettish cry, raised her jade hand, and slapped her directly.

This palm contains Jiang Hongyu's ninth-layered skill, and wherever it passes, it forms a strong wind around it, which is very fierce.

However, Yue Feng did not panic at all, smiled slightly, and urged his figure to meet Jiang Hongyu directly.

Bang bang bang...

For a while, I saw the figures of the two intertwined with each other, exuding bursts of breath vibrations. At first, Jiang Hongyu was still full of confidence, but gradually she felt that something was wrong.

This Yue Feng obviously has no strength, how can his movement speed be so fast?

Jiang Hongyu was very anxious. You must know that in order to teach Yue Feng a lesson, she had already mobilized Jiu Cheng's strength. If others had been subdued long ago, she could not even catch the corner of Yue Feng's clothes.

Chapter 5293 Phew

...

Just when Jiang Hongyu was secretly shocked, Yue Feng smiled and slapped him with a fluttering palm. His mouth was full of ridicule: "Take over!"

When he came to the front, Jiang Hongyu didn't have time to think about it, so he could only stimulate his inner strength, and also greeted him with a palm.

boom!

In an instant, the palms of the two collided, and a dull sound was heard. Immediately afterwards, Jiang Hongyu's delicate body trembled, her footing was unsteady, and she took a few steps back.

Yue Feng is the body of a mysterious saint. The divine power in his body is vast and boundless, and his strength is far beyond Jiang Hongyu's imagination. Moreover, in the palm of his hand, Yue Feng has already restrained 90% of his divine power. Otherwise, Jiang Hongyu would have died.

"You..."

At this moment, Jiang Hongyu only felt the blood in her body churning, her delicate body trembling, her eyes fixed on Yue Feng, full of shock.

Isn't he only alchemy?

Is the strength so strong? It seems that he has been hiding his strength before, and he is really cunning.

For a time, Jiang Hongyu suddenly felt that the Yue Feng in front of her was very strange. At this time, Jiang Hongyu didn't know that Yue Feng's palm just showed less than 10% of her strength.

Seeing her appearance, Yue Feng smiled slightly: "Alright, the sparring is over, it's getting late, I should go back and rest." With

that, Yue Feng turned around and was about to leave.

Huh

Seeing his smug look, Jiang Hongyu was so angry that he finally found an opportunity tonight to teach him a lesson, but he never expected that Yue Feng would hide his strength so much.

Before in Beihai Xingsu, I was almost sullied by him, and my innocence was almost destroyed. Is this the case?

For a while, Jiang Hongyu became angrier the more she thought about it.

“Destroyer, you die for me.”

In grief and indignation, Jiang Hongyu let out a tender cry, all her internal energy exploded, melted into her right palm, and slapped Yue Feng’s back ruthlessly.

Damn, this woman is crazy.

Feeling the danger coming from behind, Yue Feng was startled, speechless and depressed. He knew that Jiang Hongyu was arrogant by nature and had strong self-esteem, but he never thought that his obsession would be so deep.

Because the distance is very close, and Yue Feng is unprepared, this palm is completely unavoidable.

boom!

This palm hit Yue Feng’s back hard, and a dull sound was heard. However, Yue Feng had nothing to do. On the contrary, Jiang Hongyu groaned, her body trembled, and she slumped on the ground.

Jiang Hongyu clearly felt that the moment the palm of his hand hit Yue Feng’s back, a powerful force came back.

What kind of exercises did he practice? So terrifying...

She didn’t know that Yue Feng was a mysterious saint, and her body was protected by divine power. Although her palm was very strong, it was difficult to hurt Yue Feng. On the contrary, she would be easily attacked by divine power. hurt.

Under the shock, Jiang Hongyu only felt the aura in her body, which instantly became disordered, her face pale and weak.

Ugh!

At this moment, Yue Feng turned around and looked at her helplessly: “Jiang Hongyu, I’ll say it again, it was not me, but Ye Xingyu, who was trying to defile you in Beihai Xingsu.”

“Whether you believe it or not, I took the raid just now as a misunderstanding, but I don’t want the next time.” After saying this, Yue Feng strode away.

In Yue Feng’s heart, he also sympathized with Jiang Hongyu about the Beihai constellations, but he couldn’t be misunderstood all the time.

Jiang Hongyu didn’t respond, and looked at Yue Feng’s back with complicated eyes.

“Hmm...” In the

next second, Jiang Hongyu frowned, and couldn’t help but let out a painful groan, and her whole body trembled.

Just now, she didn’t hurt Yue Feng with her full-strength blow, but was instead re-injured by Yue Feng’s divine power.

Jiang Hongyu was practicing the most yin exercises. At this time, her internal power became disordered, and the force of yin and cold washed her body. It felt like falling into an ice cave.

what’s the situation?

At this time, Yue Feng had already walked several dozen meters away, and he suddenly frowned when he heard the movement behind him.

The next second, Yue Feng looked back and was stunned.

Chapter 5294

What’s the situation?

At this moment, Yue Feng frowned secretly, and saw Jiang Hongyu sitting there paralyzed, her face pale, her delicate body trembling, and her forehead was covered with cold sweat.

Going crazy?

Soon, Yue Feng realized something and couldn’t help laughing.

This Jiang Hongyu hit me with all her strength just now, trying to kill me, but she was wounded back, causing her aura in her body to become disordered, which caused her to go crazy.

“Hey!”

Thinking to himself, Yue Feng turned around and walked over, sighed in front of Jiang Hongyu, and said, "Why are you so troubled, you don't understand things, you have to kill me, now it's alright, you can do it yourself Going crazy."

Saying that, Yue Feng crouched down and said seriously: "Come on, calm down, I'll help you regulate your inner strength." Seriously, if someone else wanted to kill him and ended up in such a situation, Yue Feng would only chuckle. For a moment, it won't work.

But Jiang Hongyu is after all the closed disciple of the palace master, and her nature is not bad.

"Go away!"

However, Jiang Hongyu didn't appreciate it at all. When she saw Yue Feng's hand, she was about to put it on her body, and her pretty face became cold, and she said tenderly, "I don't need your help."

At this time, Jiang Hongyu almost fainted . In the past, I was really reckless, the anger in my heart didn't come out, and I almost went crazy, but now, Yue Feng is still talking slander.

Jiang Hongyu hated Yue Feng in her heart, how could she ask him to help?

Oops?

Seeing her look of bitterness and hatred, Yue Feng couldn't help laughing and laughing, and immediately joked: "You're already like this, and you still care about me? Well, you can adjust your breath slowly, I'll go first."

With that said, Yue Feng turned around and left. Of course, he didn't really want to leave, he just deliberately teased Jiang Hongyu,

"You..."

Seeing Yue Feng turn around and leave, Jiang Hongyu bit her lip tightly, almost crying.

Speaking of which, she hated Yue Feng in her heart, and she didn't want to ask him to help, but... the situation in her body was getting worse and worse, her internal power was raging, and she couldn't suppress it at all. If Yue Feng didn't help, the result would be getting more serious.

Even... life-threatening.

Under the entanglement in her heart, Jiang Hongyu had to open her mouth softly: "You...don't go." The voice was so small that you couldn't hear it if you didn't listen carefully.

Yue Feng had no intention of leaving. Hearing this, he immediately stopped and looked back at her with a half-smile, "Did you talk to me just now?"

Jiang Hongyu bit her lip tightly, almost bleeding from the bite. Hmm.

She clearly felt that the power in her body was getting more and more frantic, especially the coldness released by the cold power, as if she was going to freeze her own life, the taste was too uncomfortable.

Haha...

Seeing her appearance, Yue Feng secretly laughed, this woman is really interesting, with such a high self-esteem, why don't you want to compromise in the end?

Thinking to himself, Yue Feng walked back slowly, approached and asked, "Don't you hate me now? Look at you now, you're crazy, and your life is at stake. If I were a villain who took advantage of people's danger, or a lecherous person, I would Don't you take advantage of the opportunity?"

"Unfortunately, you don't listen to how I explain it."

As he spoke, Yue Feng Panxi sat behind Jiang Hongyu, using divine power to help her regulate the turbulent internal power in her body.

call...

In an instant, feeling the strange and majestic divine power, Jiang Hongyu's delicate body trembled faintly, the uncomfortable feeling suddenly relieved a lot, and at the same time, she was secretly surprised.

Could it be that Yue Feng didn't lie? Wasn't he the one who was trying to defile him in Beihai Xingsu?

If he is a womanizer, he is about to go crazy at this time, Yue Feng will definitely not miss the opportunity, and his mouth is not serious, but there is no rudeness in the slightest, and he also helps himself to tease his inner strength...

Before I knew it, ten minutes passed.

call!

Feeling that Jiang Hongyu's internal strength had returned to normal, Yue Feng breathed a sigh of relief and slowly stood up and said, "Okay, you are all right now."

Jiang Hongyu did not respond, her delicate face was full of complexity, and her heart was also in a mess. Originally, he was going to teach Yue Feng a lesson tonight, but he didn't succeed. He almost went into trouble, and was finally rescued by Yue Feng.

No one will accept this.

Chapter 5295

"I..."

In a complicated mood, Jiang Hongyu stood up slowly and whispered, "I'll go back first." Subconsciously, she knew that Yue Feng might have been wronged, so she was very embarrassed.

However, she almost went crazy just now. Although she has stabilized the situation now, her body is still very weak. As soon as she stood up, her legs felt weak and she almost fell to the ground.

At this moment, Yue Feng was quick-witted and pulled her into his arms.

"You..."

Jiang Hongyu's face turned red all of a sudden. She was too shy at the time and tried to break free from Yue Feng's embrace: "Let me go, you lecher..."

In fact, she had already realized Yue Feng's embrace. The wind was wished, but he was used to shouting before, so he blurted out.

erotic?

Hearing this title, Yue Feng couldn't help laughing and crying: "Jiang Hongyu, this is not right for you, I just saved your life, when I saw that you were about to fall, I instinctively pulled you, how could you become a womanizer? Are you ready?"

As he said that, Yue Feng admired her delicate and tight curves up close.

I have to say that Jiang Hongyu's figure is absolutely amazing.

"You..."

Jiang Hongyu was ashamed and angry when she heard this, but she didn't know how to refute it.

At this moment, I saw a petite figure walking quickly from a distance, it was Xiaorou. Yue Feng hasn't returned to the Pill Pavilion to rest so late, so Xiaorou couldn't help but come out to take a look.

"Pavilion Master..."

Seeing Yue Feng standing there from a distance, Xiaorou's face became happy, and she quickened her pace: "You drank a lot at the banquet, why didn't you go back to Pill Pavilion to rest, I'm worried to death."

Because it was night and Jiang Hongyu was still leaning against Yue Feng's arms, Xiaorou hadn't noticed yet.

Um?

When she was about to approach, seeing the scene in front of her, Xiaorou's delicate body trembled, and she was stunned.

Just saw Jiang Hongyu clinging tightly to Yue Feng's arms, and under the moonlight, her delicate complexion revealed a charming blush.

What's the situation? Could it be that Sister Hongyu and the pavilion master....

Xiaorou has reached the age of the beginning of love. When she saw this scene, she immediately made up a lot of pictures, and then said with a smile: "Pavilion owner, Sister Hongyu, Excuse me... No, I haven't been here before, and I didn't see anything, you guys continue..." As

she said, Xiaorou covered her mouth and turned away with a smile.

This...

Seeing Xiaorou's misunderstanding, Jiang Hongyu suddenly became anxious, stomped her feet, and said to Yue Feng, "You... you explain to her." After speaking, she pushed Yue Feng away, turned and walked away quickly, his face was red, as if he could drip blood.

Because she was embarrassed, Jiang Hongyu walked quickly and saw her figure in a blink of an eye.

Seeing this scene, Xiaorou was very embarrassed and stood there and said to Yue Feng, "Pavilion Master, I didn't mean to." There was still a smile in her eyes when she spoke.

In her heart, she thought that Yue Feng and Jiang Hongyu were dating here.

Yue Feng smiled bitterly, walked up to him, and pointed at Little Judo: "Don't think blindly, I have nothing to do with you, Sister Hongyu, don't misunderstand." After speaking, he repeated what happened just now.

What?

Knowing the situation, Xiaorou was very surprised: "Sister Hongyu is looking for trouble for you? Hasn't the pavilion master already explained the matter of Beihai Constellation?"

"No, I will go to Sister Hongyu tomorrow, and I must make it clear."

Others don't believe in Yue Feng, but Xiaorou firmly believes that Yue Feng is not a womanizer.

"Okay!"

Seeing her serious appearance, Yue Feng smiled: "I have explained the matter to her, I believe she already knows that I was wronged, it's getting late, let's go back to the Pill Pavilion. "

Speaking, she took Xiaorou towards the Pill Pavilion.

.....

After a few days of returning to Chunyang Palace, I was finally able to take a good rest, so this night, Yue Feng slept soundly.

"Pavilion Master!" Early the next morning

, Yue Feng was still sleeping when he heard Xiaorou shouting anxiously from downstairs: "Pavilion Master, wake up, don't sleep, the big thing is bad."

what's the matter.

Yue Feng rubbed his eyes, quickly put on his clothes and went down to the pavilion. He saw Xiaorou standing at the entrance of the stairs, her delicate face was full of anxiety, and immediately asked, "What happened?"

Xiaorou took a deep breath . , the tone is complicated: "A dozen sects, many people, are now outside the mountain gate, saying that you robbed the treasure of Tianji Palace, and asked the palace master to hand you over."

The ultimate husband in Chinese chapter 5296-5300

“The palace lord and several elders have already rushed over to negotiate with them, but those from the sect said that Chunyang Palace would protect you, the pavilion lord, and even threatened that the palace lord would not drive you out of the mountain gate, but would Ping Chunyang Palace.”

Finally, Xiaorou’s delicate face was full of anxiety.

Nima!

Hearing these words, Yue Feng’s face changed, and his heart was full of anger.

Those people from the sect are really despicable and shameless. In the underground town, in order to snatch the Qimen exercises of the Tianji Palace, they did not hesitate to take action on a little girl in Dongfang Yunqing, regardless of their identity. Come to Chunyang Palace to make trouble.

Simply shameless to the extreme.

But think about it carefully, the Tianji Palace was at the top of the rivers and lakes a thousand years ago. Whether it was medicine pill refining, mechanical formations, or sect stunts, for other sects, they were only comparable to other sects, and it was impossible. beyond.

Even if the Heavenly Secret Palace has been destroyed for a thousand years, this concept still affects the rivers and lakes of the Ziwei Continent.

And now, the once glorious Heavenly Secret Palace Qimen Cultivation Technique has suddenly appeared in the world, and anyone who changes it will be desperate to fight for it. Therefore, it is reasonable for the major sects to go to the Chunyang Palace to provoke them together today.

“Brother Yue Feng.”

Just when Yue Feng was thinking about this, he saw Dongfang Yunqing woke up at an unknown time, walked out of Yikou’s room, and said sleepily, “Those bad guys, come to catch them again. Am I?”

While speaking, Dongfang Yunqing tried his best to calm himself, but his tender face still couldn’t hide his nervousness.

Hu...

Feeling Dongfang Yunqing’s panic, Yue Feng took a deep breath, smiled and comforted: “I’m here, don’t be afraid.”

Immediately, Yue Feng looked at Xiao Rou seriously: "Xiao Rou, you stay in Pill Pavilion and take care of Yun Qing, I will go outside the mountain gate to see." After the last word fell, Yue Feng tidied up his clothes and walked out quickly Dan Court.

This chapter is provided by . Visit for daily update.

Xiaorou responded, and then shouted at Yue Feng's back: "Pavilion Master, be careful."

After calling this sentence, Xiaorou smiled at Dongfang Yunqing: "Be careful, Pavilion Master is very capable. , with him here, those sect people would not dare to be presumptuous in the Chunyang Palace." After spending some time with Yue Feng, Xiaorou knew that he was hidden and that there was no trouble that could not be solved.

Hmm...

Hearing Xiaorou's consolation, Dongfang Yunqing nodded, but deep in his eyes, he couldn't hide his worry.

.....

Today's weather is drowsy, gloomy and terrifying. It makes people feel a little depressing.

Yue Feng walked outside the gate of the Pill Pavilion, and saw the entire Chunyang Palace deserted. The disciples who were patrolling the mountain road, this time Can't see one at all.

Obviously, all the major sects came to the Chunyang Palace to challenge things today, and all the disciples went to the gate.

Realizing this, Yue Feng quickened his pace.

call!

When approaching the mountain gate, Yue Feng couldn't help taking a deep breath when he saw the scene in front of him.

I saw that there were a lot of people gathered in the open space outside the mountain gate. It can be said to be a sea of people. From a distance, there are many familiar figures. Li Qinghai of Tianhaimen, who is standing closely behind him, is exactly the same as before. Li Xingyu, who always wanted Yue Feng's life, and the head of Lihuomen Ren Pingsheng.

It can be said that the sects who snatch treasures in the underground town before are all here today.

In addition, Deng Shiqi, the head of Beihai Constellation, also came with his disciples.

At that time, Deng Shiqi was very excited to learn that the underground town of Tianji Palace was alive, and there were treasures like the Soul of Tianji in it. Later, he learned that Yue Feng committed public anger and robbed the descendants of Tianji Palace and the soul of Tianji. Deng Shiqi again It was jealousy and atmosphere, and finally, under the invitation of many sects, I also came to Chunyang Palace to ask for justice.

So many sects, gathered together in Chunyang Palace, can be regarded as an unprecedented martial arts event.

At the entrance of the mountain gate, the palace lord led several elders, as well as thousands of elites of Chunyang Palace, waiting in full force, forming a confrontation with the major sects.

For a while, there was a strong smell of gunpowder in the air.

The sword is drawn, and it is on the verge of fire.

Chapter 5297

“Everyone!” At this moment, Taoist Qianqiu took a step forward, looked around the major sects, and said

loudly: “You lead the disciples and block the gate of my Chunyang Palace, what do you mean?”

Daoist Qianqiu looked at Li Qinghai and Deng Shiqi again: “Elder Li, head of Deng, our three major sects have been in alliance for hundreds of years, and they have always been of the same spirit, but today you are helping other sects to embarrass us Chunyang. Gong, what is your intention?”

“Are you planning to tear up the covenant?” The

words were loud and imposing.

Phew ...

At this moment, Li Qinghai and Deng Shiqi looked at each other, their expressions were a little complicated, and they didn't know how to respond.

Because Taoist Qianqiu said it well, the three sects have been allied for a long time. For more than a hundred years, they have been adhering to the principle of advancing and retreating together. No matter what happens, they will face it together. But now, Tianhaimen and Beihai constellations are in harmony with each other. It is inappropriate for other sects to come to Chunyang Palace to make trouble together.

Ha ha!

At this moment, Ren Pingsheng chuckled lightly, walked out slowly, looked at Qianqiu Daoist and said: "Your Excellency is extraordinary, immortal style Daogu, presumably the famous Qianqiu Daoist of Chunyang Palace."

"Qianqiu Daoist, what we have just said is very clear. A few days ago, our major sects discovered a hidden underground town in Tianji Palace together. At that time, we formed a temporary alliance to explore together, and agreed to find treasures. , but that Yue Feng, at a critical moment, stole the descendants of the Tianji Palace, and also took away the 'Soul of Tianji' that was integrated with the Qimen exercises of the Tianji Palace."

"Yue Feng has no one in his eyes and is arrogant. It is too arrogant and hateful to treat our sects as nothing, so please immediately hand over Yue Feng and the descendants of the Heavenly Jigong and give us an explanation."

Whoa!

As soon as the voice fell, the surrounding masters of various sects were filled with righteous indignation, and couldn't help shouting.

"Hurry up and hand over Yue Feng." "Yue Feng is really hateful , you Chunyang Palace don't want to cover him up."

"Hurry up and hand over him."

The Lord, as well as those elite disciples of Chunyang Palace, were all shocked and angry.

This group of people said it nicely, but in fact the ultimate goal is to snatch the soul of the secret, which is really shameless.

"Deal with someone?"

Soon, Taoist Qianqiu calmed down, looked at Ren Pingsheng up and down, and smiled coldly: "Yue Feng acts bright and upright, is it as unbearable as you say?"

"Also, Yue Feng made us Chunyang Palace. The Lord of the Pill Pavilion, his affairs are the affairs of our Chunyang Palace, and they can never be handed over to you." The

last sentence is full of vigour and cannot be doubted.

Swish!

Hearing this, both Ren Pingsheng and the surrounding sect masters were furious. “You Chunyang

Palace, are you sure you want to protect Yue Feng?”

“Is it worth fighting against the entire river and lake for one Yue Feng?” “Everyone!”

But at this moment, the princess who had been silent for a while, suddenly opened her red lips and said to the major sects: “You keep saying that Yue Feng is arrogant and snatch the things that should belong to you, but as far as this palace knows, At that time, you didn’t hesitate to attack a teenage girl in order to get the Qimen exercises of the Tianji Palace.”

“At the critical moment, it was Pavilion Master Yue who couldn’t stand it, so he took action to rescue the descendants of the Tianji Palace, and now, Don’t you feel ashamed that you have reversed black and white?” The

voice was gentle and pleasant, but it contained an invisible and powerful aura.

This...for

a while, Ren Pingsheng and Li Qinghai looked at each other in dismay, unable to hide the embarrassment on their faces.

At that time, in order to obtain the Soul of Heaven’s Secret, they threatened Dongfang Yunqing and used force, which was indeed a loss of identity. However, how could they admit to such self-destructing reputation?

Soon, Ren Pingsheng was the first to react and smiled at the Palace Master: “The Palace Master is wrong, we just asked the little girl some questions, how could it possibly hurt her?”

Chapter 5298

“All of this is due to Yue Feng’s self-justification. For the treasures of the Tianji Palace, he did not hesitate to turn his face with the major sects, and even robbed people and treasures in public. Everyone present at the time saw it with their own eyes.”

The voice fell, and many sect masters nodded.

“Yes, the real despicable one is Yue Feng.”

“We finally found the treasure, but he snatched it away unexpectedly. This kind of behavior is called fairness?”

“Don’t talk nonsense with them, just go in and take Yue Feng away. Find out...”

Under the clamor, many sect masters couldn't hold back.

Speaking of which, when we came to Chunyang Palace together this time, in addition to robbing the Soul of Heavenly Secret and Dongfang Yunqing, each of the major sects also had their own ghost ideas.

Especially some small sects, when it comes to the status of the rivers and lakes, they can't be compared with the Chunyang Palace. If they were before, they would not be qualified to come to the Chunyang Palace. This time, with the opportunity of crusade against Yue Feng, I can't wait for the situation to become more and more chaotic. Well, because once there is chaos, these small sects will have the opportunity to search in the Chunyang Palace.

After all, Chunyang Palace is a well-known and authentic sect that has been passed down for thousands of years, and there are many treasures hidden.

Huh...

In the face of this situation, the palace lord's beautiful face suddenly became difficult to look at, and his petite body was trembling with anger. These people are really shameless. They are obviously coveting the treasures of the Heavenly Secret Palace, but they want to Reversing the black and white, the black pot was firmly buckled on Yue Feng.

Speaking of which, the palace lord didn't know much about Yue Feng, but for some reason, she chose to trust Yue Feng unconditionally in her heart.

At the same time, Jiang Hongyu, who was standing beside the palace lord, also bit her lip tightly, with some atmosphere in her heart, and some indescribable complexities. Since this Yue Feng came to Chunyang Palace, big and small things have continued.

And now, he has offended so many Jianghu sects, and he has also implicated Chunyang Palace.

If this matter cannot be solved well, I am afraid that Chunyang Palace will encounter unprecedented disasters. After all, with so many sects, no matter how strong Chunyang Palace is, it is not an opponent.

Speaking of which, after Jiang Hongyu realized that she had misunderstood Yue Feng last night, she felt a little guilty at first, but when she saw the situation in front of her, that trace of guilt disappeared, replaced by inexplicable disgust.

"Palace Master!"

At this time, seeing that the situation became more and more difficult to control, Deng Shiqi hurriedly came out to smooth the game, and said to the Palace Master

hypocritically: "There is no way people from all walks of life have the same opinion. It's impossible to tell lies.

"Feng is indeed a talent, but it is a pity that he is too despicable, so you should hand him over as soon as possible, Yue Feng is already the target of public criticism, do you really have the heart to see that the entire Chunyang Palace was destroyed for the sake of Yue Feng?"

When he said this, Deng Shiqi's face was bitter, but his eyes flashed with slyness.

Yes, he persuaded him on the surface, but in fact, he also wanted to get the Qimen exercises of the Tianji Palace. Speaking of which, Yue Feng and Jiang Hongyu went to Beihai Xingsu together a few days ago. At that time, Yue Feng helped him clear the door and retrieved the antidote. Deng Shiqi's wife, it stands to reason that Deng Shiqi should be grateful to Yue Feng.

It's a pity that Deng Shiqi, who looks benevolent and righteous on the surface, is actually a hypocrite. In front of the huge temptation of the Heavenly Secret Palace's Qimen Cultivation Technique, what kind of benefactor is not worth mentioning at all.

Phew...

Seeing Deng Shiqi say this, the palace lord bit his lip tightly, and his delicate face was very tangled.

Looking at the situation, without handing over Yue Feng, the various sects present are really going to besiege Chunyang Palace. Although Chunyang Palace is one of the best sects in the world, its overall strength is strong, but it is not the opponent of so many sects.

How to do?

Seeing his hesitation, Li Qinghai couldn't help it, and said loudly: "Palace Master, Deng Sect Leader is right, Yue Feng is doing the opposite, and he is the enemy of the entire river and lake. Your Chunyang Palace can't keep it, so you should hand him over. If you go your own way and want to continue to cover up, don't blame me for disregarding the friendship of the alliance."

When he spoke, Li Qinghai couldn't hide the hatred in his eyes.

When he thought of his beloved disciple, Chen Shangzhi, who died tragically at the hands of Yue Feng in the underground town, Li Qinghai's anger rose.

Chapter 5299

Until this time, Li Qinghai didn't know that he was deceived by Ye Xingyu, and that his apprentice was not killed by Yue Feng at all, but died tragically under the formation of the organization, and it was entirely his own fault.

"Li Qinghai!"

At this moment, Taoist Qianqiu couldn't bear it anymore. He pointed at Li Qinghai and shouted angrily: "Dare to speak to our palace master in such a tone, do you want to die? It sounds nice on the surface, but it's not true behind the scenes. Want to get the Qimen exercises of the Tianji Palace?"

"Thank you for being the elder of Tianhaimen, and your methods are so clumsy that you have lost all the people of

Tianhaimen." Shuh!

At this moment, Li Qinghai's face was ashen, his eyes almost spitting fire, and he sneered again and again: "Okay, okay... It seems that your Chunyang Palace is determined to protect Yue Feng."

"In that case, there is nothing to say." When the

voice fell, Li Qinghai raised his right hand and was ready to call on the major sects to do it.

Whoosh!

However, at this moment, they saw a figure coming quickly, and everyone didn't react yet, they only felt that there was a flower in front of them, and the figure had already arrived.

He was dressed in a white robe and had a knife-cut face, indescribably handsome and cold.

It is Yue Feng!

Swish!

Seeing Yue Feng's appearance, the eyes of the masters of the various sects instantly locked him tightly, like a beast that had discovered its prey.

At the same time, everyone in Chunyang Palace was stunned.

Especially the palace master, with her delicate face, could not hide her anxiety, she said to Yue Feng: "You...how did you come out?" The various sects were aggressive, she

had already thought about it, no matter what. Yue Feng handed it over. Unexpectedly, Yue Feng took the initiative to show up.

"It's alright!" Yue Feng turned back and smiled at the Palace Master, indicating not to worry.

"Yue Feng!"

At this moment, Li Qinghai came out first, pointed at Yue Feng and shouted angrily, "I thought you were always going to be a tortoise, and finally willing to show up?"

"It's really interesting." Yue Feng laughed. Laughing, he sneered: "I didn't do anything wrong, why can't I show up, but you, open your mouth and shut up about the three major sect alliances, and now you bring people to Chunyang Palace to fall into trouble, so despicable, I am willing to be defeated, and I can't catch up. "

You..."

Li Qinghai blushed and was so angry that he wanted to refute, but he didn't know where to start, so he shouted angrily: "Good boy, you killed my apprentice before, today I will let him go." You pay your debts with blood."

After speaking, Li Qinghai looked behind Yue Feng and said coldly, "Where are the descendants of Jigong that day?"

Yue Feng said with a relaxed and comfortable expression, "I'm resting."

"Quick . Hand her over." Li Qinghai shouted, his tone unquestionable: "Not only that girl, but also the soul of the secret, you'd better hand it over honestly, as long as you obey obediently, I may still be able to stay. You have a whole corpse, otherwise, the entire Chunyang Palace will be buried with you today." The

voice fell, and the masters of the surrounding sects pulled out their weapons and shouted angrily.

"I don't want to let the blood of Chunyang Palace flow into a river, so I quickly hand it over."

"Don't know how to praise..."

Seeing this situation, Yue Feng didn't panic at all, and smiled lightly at the time, looking at Li Qinghai with a smile that was not a smile: "That girl Dongfang Yunqing is now my righteous sister, why should I give it to you?"

“Could it be that you, the great elder of Tianhaimen, want to worship her as a teacher and join the Tianji Palace? It’s just a pity, At your age, my righteous sister is afraid that she will not look down on you, an old man.”

When he said this, Yue Feng’s eyes were full of ridicule and teasing.

Dongfang Yunqing is very pitiful. She has been sleeping in the underground town for thousands of years, and now she has no relatives, so in Yue Feng’s heart, she has been regarded as a sister.

Swish!

These words made Li Qinghai’s face turn blue and white, and he was very embarrassed, but he couldn’t find any words to refute.

Seeing this scene, many disciples of Chunyang Palace couldn’t help laughing. At the same time, they couldn’t help but admire secretly. The pavilion master is really a real man who stands above the ground. I really admire it.

Pfft...

Even the palace master, who has always been calm and reserved, couldn’t help laughing, pursed his lips and laughed, but his beautiful face could not hide his worries.

Chapter 5300 There are many people on the

other side, and Yue Feng is so provocative, I am afraid that the situation will get worse and worse.

However, what surprised her even more was still behind.

At this time, Yue Feng looked around with a smile on his face, and said word by word: “I now solemnly declare that what I did in the underground town before was my own business, and it has nothing to do with Chunyang Palace. , what do you want, just come at me.”

Shua!

Hearing this, both the Palace Master and the Taoist Qianqiu changed their expressions, and they were all anxious.

What is Yue Feng doing? are you crazy.

You must know that the reason why these sects have been afraid to do anything is because they are afraid of Chunyang Palace, but once Yue Feng says so, these sects have no worries, and Chunyang Palace is not easy to intervene.

Jiang Hongyu's delicate body trembled as she stared at Yue Feng blankly, with a strange light flashing in her eyes.

I thought that Yue Feng was a broom star and would only bring trouble to Chunyang Palace, but he never thought that he would be such a man, so responsible, that he stopped the whole thing.

This man is getting more and more unpredictable.

Haha...

And the people from the major sects all smiled.

This Yue Feng is really too confident, and he doesn't let Chunyang Palace help. Isn't this purely seeking death?

"Okay, there is something!"

Finally, Li Qinghai was the first to react, pointing at Yue Feng and shouting, "Look at you, you're still a man, I'll give you a treat later." "Tianhaimen

disciple, take Lower the Yuefeng."

This Yue Feng personally said, the whole thing has nothing to do with Chunyang Palace, how can such a good opportunity be missed?

The voice fell, and hundreds of Tianhaimen elites pulled out their long knives and rushed towards Yue Feng.

At the same time, Ren Pingsheng and the other chiefs also shouted.

"The disciples of Lihuo Sect obey the order and seize Yue Feng."

"Take Yue Feng..."

Whoa!

In an instant, more than a dozen disciples of the sect heard the order and surrounded Yue Feng, adding up to several thousand people.

Like Li Qinghai, in the hearts of these sect masters, Yue Feng is a waste without the protection of Chunyang Palace. Although his own strength is not weak, no matter how strong he is, he cannot stop so many sects.

Only Deng Shiqi stood there, his eyes flickering and his face gloomy and uncertain.

Speaking of which, he also wanted to capture Yue Feng and get the soul of heaven, but Yue Feng saved his wife before, which was considered a kindness.

“Yue Feng!”

After hesitation, Deng Shiqi shouted at Yue Feng in a hypocritical manner: “The trend is over, you have no choice, you should just be obedient and capture the little girl and the soul of the secret, you can rest assured, as long as you give When people and treasures are handed over, I promise that the fellows in the rivers and lakes present will not hurt you a hair.”

“A man can bend or stretch, and he must not act recklessly.” What

Yue Feng said was very reasonable, but Yue Feng could see it at a glance. , Deng Shiqi is playing the set of ‘cats cry mice, fake compassion’.

Ha ha...

At that time, Yue Feng was too lazy to talk nonsense with him, and said with a cold smile: “Okay Deng Shiqi, we all understand what you are thinking, and you don’t need to be so pretentious .

” Hearing the ridicule, Deng Shiqi’s face turned red all of a sudden, extremely ugly. “Yue Feng!” At this time, Ye Xingyu clenched his long sword and rushed to the front, his eyes flashing with intense resentment, and shouted: “Repay my junior brother’s life.” Whoa! At the same time, other sect masters also rushed to the front, and the long knives in their hands slashed at Yue Feng. Seeing this scene, whether it was the Palace Master, Daoist Qianqiu and those disciples of Chunyang Palace, they were all anxious. “You run.” Especially Jiang Hongyu couldn’t help but let out a coquettish cry. However, Yue Feng was standing there, motionless, as steady as Mount Tai. Whoosh! Seeing that thousands of long knives were about to slash at Yue Feng, suddenly, a dazzling brilliance appeared in the sky, and then, a sword shadow cut through the sky like lightning and descended from the sky.

The ultimate husband in Chinese chapter 5301-5310

Chapter 5301

Chi... The

next second, the sword shadow was firmly on the ground, and after the rest of the energy dissipated, everyone looked at it, and all of them were secretly shocked.

I saw that the sword shadow turned out to be just an ordinary wooden sword. At this time, it was deeply embedded in the bluestone slab, and the entire blade was submerged in half, leaving only a hilt.

This... how strong is this internal force to pierce a wooden sword into the slate?

For a time, whether it was the major sects, the palace masters, and others, they were all amazed, and then they all looked up to the sky, wanting to be quiet, who is the holy place.

The disciples of the major sects who surrounded Yue Feng also stopped one after another, each with an extremely surprised expression.

Yue Feng was standing there with a calm expression on his face.

Everyone present did not know, but Yue Feng knew very well that this was Baili Cexuan.

“Who wants to move him?”

Just when everyone looked up at the sky, a low voice was heard, and then, the disciples of the Chunyang Palace behind the palace master squeezed out a figure.

He was wearing a black robe, and his eyes flashed with evil spirits.

It was Baili Cexuan.

Baili Cexuan was very excited after learning the trick ‘Sword Swing Eight Wilderness’ last night. Although he had already understood the essence of it, he went to the back mountain to continue practicing this morning.

In his heart, the Tiangang sword art taught by Yue Feng is extremely mysterious, and he must strive for perfection. Only halfway through the practice, I learned that the masters of the major sects came to the Chunyang Palace to find trouble with Yue Feng. At that time, Baili Cexuan was very annoyed and rushed over.

Swish!

This chapter is provided by . Visit for daily update.

At this moment, the eyes of everyone in the audience were all focused on Baili Cexuan, their brows furrowed.

Is he the owner of this wooden sword?

Dressed in such an ordinary way, it doesn't look like a peerless master....

Mr. Nameless?

The Palace Master and Taoist Qianqiu, as well as the disciples of Chunyang Palace, were also secretly surprised.

What is he doing out there? I don't want to help Yue Feng deal with these sects by myself...

"Hello..."

Finally, Ren Pingsheng reacted, strode forward, looked up and down Baili Cexuan, and said coldly : "Who are you?" He clearly felt that Baili Cexuan's body was filled with a strong aura, and it was not something ordinary people could do just now with the wooden sword sunk into the slate.

But... there are so many sect masters around, don't panic.

Hehe...

Baili Cexuan smiled coldly, with a very cold and arrogant tone: "You don't deserve to know my name." As a swordsman who has been in the world for more than 20 years, naturally he would not let a small Lihuo Gate The boss looked at it.

Feeling Baili Cexuan's contempt, Ren Pingsheng's face was instantly ugly, and his heart was angry. How can you bear it?

At the same time, everyone around Li Qinghai was also secretly angry.

This person has such a big tone. Does anyone from Lihuomen deserve to know your name? Do you think you are the leader of the martial arts alliance?

call!

Soon, Ren Pingsheng took a deep breath, suppressed the anger in his heart, and said coldly to Baili Cexuan: "No matter who you are? Today is the grudge between our major sects, Yue Feng, idle people, etc. Hugh wants to intervene."

“If you don’t want to die, get out of the way.” The voice fell, and the masters of the surrounding sects shouted loudly.

“That’s right, get out of the way.”

“The sword doesn’t have long eyes. If it hurts you later, don’t blame us for not reminding you in advance...”

Facing the anger of the crowd, Baili Cexuan sneered and looked around: “I don’t care what you guys are going to do. With me here today, no one wants to touch Yue Feng’s hair.” When the words fell, Baili Cexuan raised

his hand and grabbed it.

Chi...

In an instant, I saw the wooden sword stuck on the wooden board suddenly flying into the air, and then it was firmly grasped by Baili Cexuan.

At the same time, a powerful aura erupted from Baili Cexuan’s body and swept the audience. Whether it was the major sects or Chunyang Palace and others, they all felt an invisible and powerful pressure.

Chapter 5302

Although Yue Feng did not let him perform the apprenticeship ceremony, in Baili Cexuan’s heart, he had already regarded him as a master.

At this time, the major sects wanted to be unfavorable to Yue Feng, how could they stand by?

Strong...

what a strong breath!

At this moment, whether it was Ren Pingsheng or other sect masters, they were all secretly surprised.

In the next second, Deng Shiqi slowly moved forward and looked at Baili Cexuan in a complicated way: “Yue Feng robbed the treasures of the Heavenly Secret Palace and took it for himself, which is not tolerated by the whole river and lake. You want to stand up for him, have you thought about the consequences?”

Deng Shiqi is a sly and treacherous person. He can see that the Baili Cexuan in front of him is very powerful. The major sects present are afraid that no one is his opponent.

But no matter how strong a person is, it is impossible to deal with so many sects at the same time.

Deng Shiqi thought very simple, try not to lose face first, the best way is to let Baili Cexuan retreat.

Speaking of which, if other people saw so many sects, they might be frightened by Deng Shiqi's words, but unfortunately, Deng Shiqi saw the wrong person this time.

After all, Baili Cexuan is a famous swordsman, how could he be frightened by these two words?

Haha...

At this moment, Baili Cexuan glanced at Deng Shiqi, sneered a few times, and said mercilessly: "You hypocrites, full of benevolence and morality, are all despicable and shameless deeds."

"Before in that underground town, I tried every means to snatch the treasures left by the Heavenly Secret Palace, and even attacked an unarmed girl. It was extremely shameless."

"After that, Yue Feng couldn't see it, took the girl and the treasure away, and temporarily placed them in the Chunyang Palace, but you people are still chasing the Chunyang Palace shamelessly, and you keep saying that Yue Feng offended the public anger, really stinky. The face is a big joke in the world." The

words were loud and could not be refuted.

Pfft...

In an instant, many disciples of Chunyang Palace couldn't help but laugh out loud.

Even the Palace Master and Jiang Hongyu couldn't help pursing their lips and laughing. At the same time, they were also a little worried. Although this Mr. Wuming was upright and awe-inspiring, the other party had dozens of sects.

The other party has made it clear that they are going to grab it hard. What's the use of reasoning with them?

Papa...

At the same time, Yue Feng clapped his hands with a smile, and praised Baili Cexuan: "Well scolded, scolded happily..."

When he said this, Yue Feng had a leisurely expression on his face. .

Speaking of which, Yue Feng had planned to do it himself just now, but when he saw Baili Cexuan appearing, he was so happy that he relaxed and stood on the sidelines and watched.

To deal with so many sects, others can't, but for this Baili Cexuan, it is completely a piece of cake.

Shah...

Faced with Baili Cexuan's scolding, Deng Shiqi's face flushed red, and he was extremely angry, but he had nothing to refute.

Next to him, Li Qinghai, Ren Pingsheng, and other sect masters were all extremely annoyed.

In the next second, Li Qinghai couldn't help shouting: "Everyone, this person is so arrogant, kill him on the spot first, and then let's catch Yue Feng alive." The

voice fell, Li Qinghai clenched his sword, and his figure burst out. Came directly to Baili Cexuan.

Swish swish...

The surrounding sect masters didn't hesitate at all. They held their long knives tightly, and rushed towards Baili Cexuan quickly.

Seeing this, the corner of Baili Cexuan's mouth raised a trace of contempt, without the slightest nervousness, on the contrary, there was an excited fighting intent in his eyes.

"Alas!"

At this moment, Yue Feng shouted at Baili Cexuan in a relaxed tone, "Can you do it?"

"The wooden sword rushed out like a cannonball, and greeted everyone in Li Qinghai.

In the blink of an eye, the two sides fought fiercely in mid-air.

This...

Seeing this situation, the faces of the palace master and Taoist Qianqiu became complicated. Is this Mr. Wuming too arrogant, and he really wants to fight so many sect masters by himself.

Especially Jiang Hongyu, staring at the battle in midair, secretly sweating for Baili Cexuan.

Chapter 5303

“Alas!” Finally, Jiang Hongyu couldn’t help coming over and whispered to Yue Feng: “The other party has so many masters, can Mr. Wuming

be alone? Don’t hurt him.”

Baili Cexuan has fought against each other and knows that his swordsmanship is very strong, but with so many sect masters on the other side, how could he win alone?

In Jiang Hongyu’s heart, Baili Cexuan stepped forward, but Yue Feng didn’t care, it was really inappropriate.

“It’s all right!”

Feeling Jiang Hongyu’s worry, Yue Feng waved his hand with a smile: “These people are not enough for him to fight.”

After saying that, Yue Feng looked around and directed at a few women not far away. The disciple instructed: “You guys, go and bring some chairs for me and the palace master, as well as some elders.”

“Such a wonderful fight, it’s too tiring to stand and watch, it’s interesting to sit and watch.”

If it were someone else, Yue Feng would never be so confident, but Baili Cexuan is different. He has been famous for so many years, and he is also known as a swordsman. It is naturally more than enough to deal with these sect masters.

What?

As soon as these words came out, whether it was Jiang Hongyu, the palace master, and the others were all stunned, not knowing whether to laugh or cry.

Mr. Wuming is fighting fiercely with the major sects. He doesn’t need to worry about it. He has to sit in a chair to watch the battle...

“Go.”

Seeing those female disciples in a daze, Yue Feng couldn’t help laughing. He urged, “What are you doing?”

Seeing that the Palace Master did not stop her, several female disciples quickly responded, turned and ran to the main hall, and moved out a few chairs after a while.

However, the palace lord and Taoist Qianqiu were all in the middle of the fierce battle in the air, and they were all worried about the safety of Baili Cexuan, so how could they sit in the mood.

Yue Feng had a relaxed look on his face and didn't look nervous at all. He sat on the chair with a big thorn, looked at Erlang's legs, and shouted at Baili Cexuan who was fighting in the air: "Fight well, don't let me down."

"Don't worry."

Baili Cexuan responded loudly: "It's just a bunch of despicable people, it will be settled soon."

Mad!

At this moment, hearing Baili Cexuan's words, whether it was Li Qinghai or the other sect masters present, they were all annoyed.

This person is so arrogant and rude to call us despicable people.

Is this person so powerful?

In shock, seeing Li Qinghai being suppressed by Baili Cexuan and retreating, both Ren Pingsheng, Deng Shiqi and others were secretly shocked.

You must know that Li Qinghai, as the Great Elder of Tianhaimen, is considered a top-notch in strength in the entire arena, but in front of this person, he has no advantage at all.

"Elder Li, I'm here to help you." The

next second, Ren Pingsheng shouted loudly, and his figure erupted, rushing towards Baili Cexuan.

Swish swish...

At the same time, Deng Shiqi and several other sect masters followed closely, rushing into the air and surrounding Baili Cexuan tightly. I saw that the figures of the two sides were in the high sky, constantly shuttled back and forth, and the powerful aura that erupted caused the wind and clouds to surge.

Seeing this scene, both the people of Chunyang Palace and the disciples of various sects were shocked.

You must know that Deng Shiqi, Li Qinghai, and Ren Pingsheng, any of these people are enough to cause the Jianghu to shake. At this time, to join forces to deal with an

unknown person, it can be said that the entire Jianghu has been unique for a hundred years, or even a thousand years. thing.

What shocked everyone even more was that Baili Cexuan was holding a wooden sword. Facing the siege of so many masters, he did not show any signs of defeat. Instead, he looked very relaxed, which was really incredible.

At this time, in midair.

Seeing that everyone joined forces and could not suppress Baili Cexuan, Li Qinghai was holding back his fire and anxious, and shouted at Ren Pingsheng: "Everyone, this person is extremely powerful, I think we should not hesitate. Use all your stunts and join forces to kill him."

"Okay!" The

voice fell, Deng Shiqi and Ren Pingsheng nodded in agreement, and in the next second, several people suddenly raised their hands and united together to form a group. The dazzling ball of light came out, and the ball of light exuded a dazzling light that stabbed people to the point of being unable to open their eyes.

Chapter 5304 The

whole world is shrouded in this dazzling light.

Phew...

The next second, the ball of light hit Baili Cexuan directly like a lightning bolt. Where the ball of light passed, the spiritual energy of the surrounding heaven and earth seemed to have no time to spare, and the power was amazing.

Seeing this, the Palace Master, Taoist Qianqiu, Jiang Hongyu, and the disciples of Chunyang Palace present couldn't help but sweat for Baili Cexuan.

Yue Feng was still sitting comfortably in the chair, his face did not fluctuate at all.

Speaking of which, the ball of light condensed by Deng Shiqi and Li Qinghai was very powerful, but it was not enough to defeat Baili Cexuan.

midair.

Seeing the explosion of the light ball, Baili Cexuan narrowed his eyes slightly. He was not panicked at the time, and his inner strength urged him to hold the wooden sword in front of him.

boom!

In an instant, the ball of light slammed into the wooden sword, and an earth-shattering roar erupted. The light and shadow lasted for a few seconds before completely dissipating.

And after the light and shadow in the sky disappeared, I saw that the place where Baili Cexuan was suspended had disappeared.

Wow...

Seeing this scene, the disciples of the major sects watching the battle below suddenly cheered. "Haha... I

'm dead."

"Nonsense, how many great sect masters, combined with one blow, who can stop him?"

"Who told this person to be so arrogant, he deserves it."

Li Cexuan must have been bombarded by the power of the ball of light with no bones left.

Ugh!

On the side of Chunyang Palace, whether it was the Palace Master, Daoist Qianqiu and Jiang Hongyu, they all shook their heads secretly, feeling sorry for Baili Cexuan in their hearts.

It is rare that this person is extremely powerful, but he died so tragically, which is a pity.

However, Yue Feng did not feel the slightest bit of sadness, instead a smile appeared on the corner of his mouth.

Deng Shiqi and several others in the air all had solemn expressions on their faces, not the slightest excitement of victory, but an inexplicable unease.

Because they vaguely felt that among the rolling dark clouds above their heads, there was an extremely strong force that was slowly condensing.

"Look at the sky, what is that!"

Just when the disciples of the major sects were all excited, suddenly someone shouted, and all the eyes of the audience raised their heads to look up at the sky.

hiss!

Seeing this, many people couldn't help but take a deep breath.

I saw a dazzling light spot, tearing the rolling dark clouds, and coming down quickly. At first, it was just a light spot. As the descending speed became faster and faster, everyone could see clearly that it was a sword shadow.

The sword shadow is getting bigger and bigger. When it is only a few dozen meters away from Deng Shiqi, the sword shadow is still more than ten meters wide, and the blade is more than two meters wide.

good!

This is exactly Baili Cexuan's stunt, volleying a sword.

Feeling the power of this sword, whether it was Deng Shiqi, Li Qinghai and others, they all changed color, and they were all terrified at the bottom of their hearts.

boom...

Just after the protective film was formed, a huge sword shadow came crashing down. In an instant, a terrifying roar sounded, and the protective film shattered instantly. Deng Shiqi and a few were directly smashed to the ground.

Since the moment of landing, the surrounding dust is filled with smoke.

At the same time, a figure slowly descended from the sky, with long hair flying in the wind and a cold expression.

It was Baili Cexuan.

Obviously, the ball of light that Deng Shiqi and the others teamed up just now did not cause any damage to him, but Baili Cexuan was too lazy to fight.

What?

Seeing the figure of Baili Cexuan, whether it was the people of Chunyang Palace or the disciples of the major sects, they were all secretly shocked.

Total shock.

He...he's not at all.

Deng Shiqi, Li Qinghai, Ren Pingsheng, these strong men joined forces to strike, and they did not cause any damage to him. Is this still human? If you hadn't seen it with your own eyes, who would have believed it?

Just when everyone was secretly shocked, the dust and smoke gradually dissipated.

I saw that Deng Shiqi and Li Qinghai collapsed to the ground one by one, their faces pale and weak, and they still had no strength to fight again.

Chapter 5305

Quiet!

In an instant, the entire gate of Chunyang Palace was deadly silent.

Especially the disciples of various sects, seeing the appearance of Deng Shiqi and others, all of them have chills on their backs, and their brains are buzzing.

Who is this man?

It turned out that with the power of one person, the alliance of Deng Shiqi, the powerful men, was defeated.

On the side of Chunyang Palace, the eyes of the palace master and Taoist Qianqiu were also closely watching Baili Cexuan, their faces were full of incredible.

This unknown gentleman, his strength is too terrifying.

Jiang Hongyu bit her lip even more. She first looked at Baili Cexuan, who was suspended in mid-air, and then at Yue Feng, who was sitting on the chair. Her heart was also messy.

The strength of this Mr. Wuming can no longer be described as terrifying, it is simply abnormally terrifying, and just such a person, last night, Yue Feng still needed to teach swordsmanship.

Could it be that... Yue Feng's strength is stronger than his?

“Pfft!”

Just when Jiang Hongyu was in a tumultuous mind, she saw Deng Shiqi lying there, spurting out a mouthful of blood, and then stared at Baili Cexuan in horror, with a terrified tone: “Sword in the sky, Your Excellency... Your Excellency It was performed, but twenty years ago, the swordsman's unique skill?”

When he said this, Deng Shiqi's eyes were full of horror.

As the head of Beihai Constellation, although Deng Shiqi has never seen the Juggernaut who crossed the rivers and lakes 20 years ago, he has heard a lot of his deeds, especially his famous sword technique “Lingkong Yijian”. ‘, and even heard from many seniors of Beihai Constellation.

Swish!

As soon as these words came out, Li Qinghai, who was also very weak, and Ren Pingsheng, their faces were pale and pale, and their eyes were extremely horrified, looking at Baili Cexuan, waiting for his answer.

Yes, the sword trick just now was the 'Lingkong Yijian' of the Juggernaut.

Could it be that... the person in front of me is the Sword Saint Baili Cexuan?

"Juggernaut?"

At the same time, everyone below exclaimed.

"He was the Juggernaut who crossed the rivers and lakes twenty years ago?"

"My God, it's actually him.

"

Trembling, his eyes fixed on Yue Feng, but he couldn't calm down.

Mr. Wuming is the famous Sword Saint?

But... Last night, Yue Feng was still teaching this Mr. Wuming swordsmanship? Moreover, Yue Feng is so young, and Juggernaut is enough to be his father, how could he be her apprentice?

Tangled with these, Jiang Hongyu's mind became even more messy.

At this time, Baili Cexuan slowly descended from the air, and gave Deng Shiqi and the others a cold look: "I didn't intend to inquire about common affairs, but starting today, I will make an exception."

Said, Baili Cexuan Looking at Yue Feng, he continued word by word: "Whoever opposes Yue Feng will be in trouble with me, Baili Cexuan." The

voice was not loud, but it spread throughout the entire Chunyang Palace.

For a time, everyone from the major sects present trembled in their hearts, and no one dared to stand up and question.

Deng Shiqi and Li Qinghai even lowered their heads, not daring to look at Baili Cexuan at all, and felt even more terrified in their hearts. I thought this person was just a nameless person, but I never thought that his identity was actually a Sword Saint.

But it's not over yet.

Just when everyone was shocked, Baili Cexuan walked over quickly, and when he arrived in front of Yue Feng, his face was respectful and polite: "How is Master, how is my performance just now?" The

attitude is completely the same as before. It is a world apart, as if a child met his parents.

What?

At this moment, no matter it is the major sects or the people of Chunyang Palace, their hearts are shocked, their eyes are all looking at Yue Feng, and they are completely stupid.

What did the Juggernaut call him just now?

Master?

The pavilion master of the Pill Pavilion of the Chunyang Palace turned out to be the master of the Sword Saint?

Isn't he only alchemy? Even if he has some strength, he is not qualified to be a master of the Sword Saint.

However, the facts are in front of them, and everyone has to face the reality.

Um!

Just when everyone was shocked, Yue Feng stood up with a smile, nodded at Baili Cexuan and said, "So-so, not bad."

The ultimate husband in Chinese chapter 5306-5310

Chapter 5306

Speaking, Yue Feng winked at Baili Cexuan secretly: "What did you call me just now?" This Baili Cexuan seemed to be a little complacent and forgot what he had explained to him before.

Uh...

Baili Cexuan scratched his head in embarrassment, then laughed and patted Yue Feng's shoulder: "I said 'comfortable' just now, haha... Did you think I was there? How about calling you master?"

When he said this, Baili Cexuan smiled on the surface, but he couldn't tell the shame in his heart.

Before, the master repeatedly told me not to expose my relationship with him, why can't I remember it?

Huh

Hearing this, whether it is Chunyang Palace and others, or Ren Pingsheng, Li Qinghai and other masters of various sects, all look relieved, and they are secretly relieved.

After a long time, I heard it wrong, Your Excellency Sword Saint, what I just said was comfortable, not called Master Yue Feng.

If you think about it carefully, Juggernaut is the most powerful person who has been in the rivers and lakes for decades. A little action can cause turmoil in the rivers and lakes. Although Yue Feng is the Pill Pavilion Master of the Chunyang Palace, regardless of his qualifications and strength, It is impossible to become the master of the Sword Saint.

Thinking of this, the masters of the various sects couldn't help but let out a sigh of relief. However, there was still an unconcealed fear on their faces.

Although Lord Sword Saint and Yue Feng are not masters and apprentices, it seems that the two are also closely related.

Under such circumstances, it is impossible to capture Yue Feng alive today and snatch the treasures of the Heavenly Secret Palace...

Phew!

On the side of Chunyang Palace, Jiang Hongyu, who was standing beside the palace master, bit her lip lightly at this time, looking at Yue Feng and Baili Cexuan with complicated eyes.

Everyone didn't know the situation, but Jiang Hongyu knew very well that Yue Feng was really the master of Lord Sword Saint, because when Yue Feng taught him swordsmanship last night, Jiang Hongyu happened to see it.

This chapter is provided by . Visit for daily update.

At this time, seeing Baili Cexuan change his... words in time, Jiang Hongyu realized that the famous Sword Saint His Excellency did not want to expose his relationship with Yue Feng.

"You people..."

At this moment, Baili Cexuan looked around and said to the crowd in Li Qinghai: "Whoever is still unconvinced, come up." The

luck was indifferent, but there was a contempt for the world . arrogant.

Gudong!

Feeling Baili Cexuan's powerful aura, whether it was Li Qinghai, Ren Pingsheng and others, they couldn't help swallowing, and their eyes were full of fear.

The next second, Li Qinghai squeezed out a smile that was uglier than crying, and said flatteringly, "Your Excellency Sword Saint, this...this is a misunderstanding, a misunderstanding..."

"Since Yue Feng is your friend, How dare we embarrass him? Let's go, let's go..."

After saying this, Li Qinghai greeted two apprentices to support him, and then led the other disciples of Tianhaimen down the mountain in despair, disappearing in the blink of an eye. on the mountain road.

Just kidding, this Yue Feng is guarded by the Sword Saint, and all the sects present are not opponents. There is no point in staying here. It is better to leave quickly.

Seeing this situation, the other sects also hurriedly accompanied their smiling faces and said goodbye to Baili Cexuan.

"That's right, it's a misunderstanding..."

"Senior Juggernaut, we also left..." In the

blink of an eye, the major sects also walked cleanly, leaving only the people in Chunyang Palace standing there, one For a long time, he couldn't come to his senses.

call....

Finally, the palace master reacted, walked over quickly, and bowed to Baili Cexuan: "It turns out that the senior was the swordsman who traversed the rivers and lakes twenty years ago, and the junior was disrespectful. I didn't recognize it before, please also ask Don't be surprised, senior."

When he said this, the palace lord's delicate body trembled faintly, unable to hide his shock and excitement.

The Sword Saint came to Chunyang Palace, and also scared off the major sects and solved the crisis of Yue Feng. Who is not excited about this?

“Don’t be too polite.”

Baili Cexuan quickly waved his hand and said with a smile: “What a swordsman, it’s just a false name, you still call me Mr. Wuming, I won’t say more, I’ll go to the back mountain Sword practice.” The

last sentence fell, and Baili Cexuan flew into the air, heading towards the back mountain.

This...

Seeing this scene, both the palace lord and the others were stunned, and they were all puzzled. According to rumors, the Sword Saint is aloof and arrogant, and very few people can talk to him. Words, but Juggernaut was so approachable just now.

Chapter 5307 Jiang Hongyu on the

side was hesitant to speak, he knew that the reason why the Juggernaut was so polite was inseparable from Yue Feng.

But finally held back.

Since Juggernaut Your Excellency and Yue Feng don’t want to expose their relationship, let’s respect them.

“Pavilion Master!”

At this moment, the Palace Master was the first to react, and asked Yue Feng: “You and Your Excellency the Sword Saint...”

Just asking about the general situation was decided by Yue Feng.

“Oops.” Yue Feng slowly got up from the chair and rubbed his neck: “I drank too much last night, and I still feel a little uncomfortable now, Palace Master, I’ll talk about it later, I’ll go back to the Dan Pavilion and sleep again. Just a moment.”

Saying that, he turned around and walked away quickly.

Baili Cexuan’s identity has been exposed, and it’s really hard to explain.

Huh...

Seeing Yue Feng walking away, the palace lord was not easy to ask questions, he immediately smiled bitterly, and then waved for everyone to disband.

.....

On the other side, the various sects left the gate of Chunyang Palace, and when they reached the foot of the mountain, they saw Li Qinghai and the members of Tianhaimen who did not leave. Very depressed.

“Elder Li!”

Seeing this scene, Ren Pingsheng walked over quickly, and said in a very angry tone: “What should we do next?” When he spoke, Ren Pingsheng was also very angry.

This time, all the sects went to Chunyang Palace, caught Yue Feng, and recaptured the Qimen Cultivation Technique of Tianji Palace. They were determined to win, but they never expected that a swordsman would appear at a critical moment.

To be honest, Juggernaut is extremely powerful, and it is not a loss to lose in his hands, but it is really unwilling to leave like this.

Swish!

The words fell, and the eyes of other sect masters also converged on Li Qinghai.

Among the many experts present, Li Qinghai, although not the highest in status, is the oldest in grade and has the deepest qualifications in the arena. With his experience, he can definitely think of a way. Phew

... Under everyone’s attention, Li Qinghai took a deep breath, frowned and pondered, and said slowly: “Then Yue Feng, he should be the Juggernaut that he only met recently.

It’s also for the medicine pill.”

“According to my speculation, the Sword Saint will soon leave the Chunyang Palace, as long as he is not by Yue Feng’s side, we can rest assured... From now on, our sects will People, take turns monitoring Chunyang Palace and Yue Feng’s every move. Once he goes down the mountain, we will act immediately.”

When he said this, Li Qinghai’s eyes flashed coldly.

Yue Feng, you can’t escape my palm.

When the words fell, everyone smiled and nodded in agreement.

“This method is good.”

“Just do it like this...”

.....

On the other side, the Kyushu Continent.

In Donghai City, on the beach by the sea, Hai Linger was alone, walking silently, with a lingering sadness on her delicate face.

After saying goodbye to Yue Wuya that day, she wandered around and unknowingly came to Donghai City.

In the world, love hurts the most.

After confirming that Yue Wuya and the Queen of Dragon King Island had given birth to a child, Hai Linger suffered an unprecedented blow in her heart and was almost heartbroken. kind of result.

Could it be that... all men in the world see one and love one? Hai Linger firmly believes that Yue Wuya

is not such a person, and it is precisely because of this that when she saw two drops of blood melted together, her heart collapsed even more....

After a long time, suddenly, her stomach growled, and Hai Linger suddenly realized that she had been doing things every two days and two nights.

There is a snack street not far from the harbour, and Hai Linger walked over directly.

Soon, a seafood noodle restaurant was found. Hai Linger found a seat by the window and sat down. She said to the waiter, "Bring me a bowl of noodles.

"Ling'er was as beautiful as a fairy, and the excited Hua Du said that it was not easy to ask. After answering, he hurried to prepare.

Whoa!

At the same time, the surrounding guests also looked at Hai Linger, and many men's eyes were straight.

"What a beautiful woman..."

"This temperament, this appearance, is absolutely incredible."

"Shh, be quiet, such a woman is definitely not something that ordinary people can provoke."

Chapter 5308 The

surrounding discussion, the sound of admiration kept coming, Hai Linger just pretended not to hear it, looking through the glass window, staring at the sea outside in a trance.

It's been almost two months since I came out. I really miss those clansmen.

"Beauty, your noodles are here." After a

while, the waiter came over with a bowl of hot seafood noodles and said politely to Hai Linger, "Please use it slowly."

"Thank you.." Hai Linger He smiled lightly, and then ate with restraint.

Whoa!

While they were eating, two young people pushed the door and walked in, and sat down at the table next to Hai Linger. The two wore uniform black fish skin soft armor, and at first glance they were people from the Sea Dragon Palace.

If it were normal, Hai Ling'er would have been alert at the first moment, but at this moment she was feeling sad and didn't pay attention at all.

"Two bowls of seafood noodles."

"Hurry up, we have an urgent matter. If we delay, we will smash your store."

The moment they sat down, the two members of the Hailong Palace shouted at the waiter, and they were arrogant. , The ferocious look made the waiter tremble with fear.

The other guests around were also silent, eating silently, daring not to make a sound.

After a while, the face was brought up, and the two disciples of the Sea Dragon Palace devoured it.

Um?

They were eating when they saw Hai Ling'er's slender figure, both of them were stunned. When he saw Hai Ling'er's appearance, he was even more shocked.

This...isn't this Tianmen Sect Master, Yue Wuya's woman?

Why is she in Donghai City?

After being stunned for a few seconds, one of them whispered to the other: "I'm watching her here, you hurry up and tell the boss, hurry up."

"Okay!"

After the two discussed, one continued to stay for noodles, the other One is to leave quickly.

Hai Ling'er didn't notice any of these situations. At this moment, she just wanted to return to the sea shark clan as soon as possible, and she would never come to the mainland again. It can be said that the incident of confessing her relatives by blood two days ago made her heartbroken.

After a while, after eating the noodles, Hai Linger got up and paid the money, then pushed the door and walked out.

The members of the Sea Dragon Palace who stayed here to monitor, quickly got up and followed.

Um?

When she noticed that someone was following her, Hai Linger immediately stopped and looked back at the members of the Sea Dragon Palace. Xiumei frowned, "What are you doing with me?"

Hai Linger was very upset when she spoke.

She could see at a glance that the other party was from the Sea Dragon Palace, but there was only one person, so she didn't take it to heart.

"Hehe..."

Seeing that the other party noticed, the disciple of the Sea Dragon Palace didn't panic, and smiled coldly at that time: "If I remember correctly, your name is Hai Ling'er, the princess of the sea shark clan, or Yue Wuya's. Girlfriend, isn't it?"

"Our Sea Dragon Palace is fighting against Tianmen, do you think you can go?" As they said, the members of the Sea Dragon Palace couldn't help looking at Hai Linger up and down, their blood was boiling, this woman is so beautiful, is simply flawless, no wonder it fascinated the Tianmen Sect Master so deeply. For her, she ventured to Dragon King Island twice and kidnapped the Queen's child.

Swish!

This person's gaze made Hai Ling'er feel very unhappy. At that time, her pretty face froze: "Go away, I don't want to kill anyone, but don't force me to shoot either."

Originally, I was in a troubled mood, but now there is another one looking for trouble. For a while, Hai Linger's mood is even worse.

Feeling the aura that filled Hai Ling'er's body, the man took a deep breath, and a trace of fear appeared in his eyes.

Wow...

At this moment, the companions rushed over with dozens of members of the Sea Dragon Palace.

"Haha, my people are here." Seeing the support, the man was complacent and laughed at Hai Ling'er, "You can't run away today." When he spoke, his eyes were full of excitement.

You must know that this woman is the girlfriend of the Tianmen Sect Master, and her identity is extraordinary. If she catches it later, it will be a great credit.

Complimented, the man pointed at Hai Ling'er and shouted at his companion: "Quick, it's her, take it."

Whoa!

Hearing the call, dozens of members of the Hailong Hall rushed over and surrounded Hai Linger.

"It's really this woman." The leader of the team, who carefully identified Xia Hai Ling'er, could not hide the excitement on his face: "Heaven has a way, you don't go, hell has no door, you cheat and break in, I don't know that Donghai City is now closed. Has it been controlled by our Sea Dragon Palace?"

Chapter 5309

"Take it!" The

last two words fell, and dozens of members of the Hailong Palace burst into internal force and rushed towards Hai Linger.

The previous attack on the main altar of Tianmen failed, and all the members of the Hailong Palace were filled with fire. Seeing Hai Linger at this time, they would naturally not miss the opportunity.

"Go away!"

Seeing this situation, Hai Ling'er frowned and was suddenly irritated: "I have nothing to do with Yue Wuya, don't come to bother me."

Heart hurt, at this time still Linger, do not want to It has nothing to do with Yue Wuya.

It's just that the members of the Sea Dragon Palace didn't listen to this at all. They raised their long knives one by one and cut them directly.

I'm so bored!

At this moment, Hai Ling'er stopped talking nonsense, her figure rose up, drew out her long sword, and fought fiercely with the place.

As the princess of the sea shark clan, although Hai Linger's strength is not at the peak of Yue Wuya's, she is considered to be a top expert in the rivers and lakes. Down, with agile movements, like a sparrow, it shuttled through the crowd.

The long sword in his hand is as fast as lightning, and every time he makes a move, a person from the Sea Dragon Palace will fall.

Bang bang bang.

In just a few short breaths, under the vibration of aura, nearly twenty disciples of the Sea Dragon Palace fell to the ground, unconscious.

Hai Ling'er has a kind heart, even in the face of the enemy, she did not kill the killer, but knocked them out.

Mad!

Seeing this situation, the leader's anger rose, staring at Hai Linger: "Hai Linger, don't resist, you'd better surrender obediently."

When he said this, the captain's face was ferocious. It was a shame that so many people dealt with a woman and injured so many people.

The voice fell, and the others around also shouted.

"Go ahead and capture it."

"Yes, don't struggle, you can't escape today."

As everyone shouted, they saw a street not far away, and more members of the Sea Dragon Palace rushed over.

Swish!

Seeing more and more enemies coming, Hai Linger's delicate body trembled, and her eyes flashed with a bit of sternness. These hateful pirates are so hateful, do you really think I'm easy to bully?

hum!

In the next second, Hai Ling'er's pretty face was frosty, her toes were a little on the ground, and she flew into the air. A pair of jade hands slowly lifted up, and the surrounding air suddenly froze.

Immediately afterwards, a huge waterspout appeared in front of her out of thin air. This waterspout was more than ten meters in diameter and nearly 100 meters high. From a distance, it looked like a silver flying dragon, which was very spectacular.

It is one of Hai Ling'er's stunts, 'Ling Hai Jue'. You must know that the sea sharks have lived overseas for generations, and the exercises they practice are also quite different from those of various schools in the mainland. The most peculiar is the 'Linghai Jue', which can form a sea tornado anywhere and severely damage the enemy.

"Go away for this princess!"

At this moment, Hai Ling'er let out a coquettish cry and pointed her jade finger at the enemy group.

Huhuhu...

At the moment when the voice fell, the huge sea tornado, carrying the power of heaven and earth, whistled towards the members of the Sea Dragon Palace and swept away.

"Run..."

"God... what skill is this?"

At this moment, seeing the sea dragon roll whistling, many disciples of the Sea Dragon Palace turned pale, and they were dumbfounded on the spot. scream.

Bang bang bang...

After ten seconds, when the sea dragon scroll disappeared, I saw hundreds of disciples of the Sea Dragon Palace, all wet and falling to the ground, their faces pale, and they were like dehydrated fish, extremely weak.

Seeing this scene, the leader who fled to the distance couldn't help taking a deep breath.

As expected of a woman who is the Lord of Heaven, this skill is really terrifying.

The other people around who were not hit by the sea tornado were also shocked.

call!

In the next second, the leader of the team calmed down and saw the tiredness on Hai Ling'er's face, and immediately shouted: "Everyone, don't mess up, this woman has consumed a lot of internal energy just now, and she is already at the end of her power. Let's go together, catch her."

Chapter 5310

"Go!" When the

voice fell, dozens of members of the Hailong Hall regrouped and rushed towards Hai Linger again.

Seeing this situation, Hai Ling'er frowned and became a little nervous, because the leader of the team said it well, after using the Spirit Sea Art just now, more than half of her internal energy was consumed.

In this case, keep fighting and you will be caught sooner or later.

No, never get caught.

Thinking to herself, Hai Ling'er bit her lip tightly, and the long sword in her hand drew a shock to meet the rushing crowd.

Bang bang bang...

I saw Hai Ling'er's graceful figure, shuttled through the enemy group, and the long sword drew a dazzling brilliance.

In order to get out of trouble, Hai Ling'er mobilized all her internal strength, and she no longer hesitated and benevolent to take action. Every strike was a kill with one strike. In less than five minutes, around her, more than a dozen members of the Sea Dragon Palace fell to the ground. in a pool of blood.

Wow....

The sound of fighting has attracted many people and tourists, watching from a distance, and seeing this scene, many people exclaimed.

"Hey... This woman is so powerful."

"So beautiful, she is still so strong, it's like a goddess descended to the earth. I heard those people in the Sea Dragon Palace just now say that she is the woman of the Lord of the Heavenly Sect. Could it be... Is she the princess of the sea shark clan?"

"It seems so... It is said that the princess of the sea shark clan is very beautiful. It is rare in the world. When I see it today, it really lives up to its reputation."

Everyone exclaimed, no The young man looked at Hai Ling'er's figure closely, completely lost.

So beautiful and so powerful.

If you can marry such a woman, this life will be worth it.

The praises from the distance kept coming, Hai Linger bit her lip tightly, and her heart became even more anxious. She saw that at the street not far away, the members of the Hailong Hall were still coming.

"Hai Ling'er!"

In the next second, an angry shout came, and a figure burst out, with a powerful aura permeating his body, and his aura was soaring.

It's the aftermath.

Hearing that Hai Linger appeared in the noodle shop by the sea, Yu Du rushed over immediately.

Oops!

Seeing Yu Po, Hai Ling'er's delicate body trembled, and her heart sank to the bottom in an instant.

"Hehe, it's really you." At this time, Yu Du looked at Hai Ling'er up and down, and said with gritted teeth: "Last time, God didn't have long eyes, and a storm came down, and let that boy Yue Wuya take you to run. It's gone, this time, you're not so lucky."

Half a month ago, Yu Du had been deeply remorseful for his failure to exchange hostages, how could he miss the opportunity when he met Hai Ling'er again this time?

"Leader Yu."

Feeling Yu Du's anger, Hai Ling'er tried her best to calm herself and said slowly, "If you want to use me to deal with Tianmen, I advise you to give up. Yue Wuya and I have nothing to do."

Thinking of Yue Wuya, Hai Linger felt a pain in her heart.

no problem?

Hearing this, Yu Du froze for a moment, then sneered: "It doesn't matter, it's not you who has the final say, you can capture it." The voice fell, Yu Du's inner strength exploded, and a palm directly hit him.

The speed was as fast as lightning, and he was in front of Hai Linger almost in the blink of an eye.

During this period of time, Yu Du had been by Gone's side all the time. In terms of cultivation, after Gone's guidance, his strength had improved a lot in just a few days.

So fast...

Feeling the speed of the residual poison, Hai Ling'er's delicate body was shocked, and it was too late to dodge.

Bang.. The

next second, the palms of the two collided, Hai Linger only felt a majestic force coming, but with a coquettish cry, the figure retreated a dozen steps in a row, after stabilizing the figure, the blood in the body Tossing, the internal force will be shaken away.

This.... the strength of this Yu Po, in just a few days, has actually increased so much?

At this moment, Hai Ling'er stared at Yu Du's delicate face, unable to hide the fear and shock. You must know that a month ago, she and Yu Du fought against each other. At that time, the two sides were evenly matched, and Yu Du could only use the medicine secretly in the end. In order to catch Hai Linger, if it is an open and honest one-on-one, Yu Du will be difficult to win.

At this time, Hai Ling'er clearly noticed that Yu Du's strength increased by at least two realms compared to the last time they fought.

The ultimate husband in Chinese chapter 5311-5320

Chapter 5311

Haha...

Yu Du also looked in admiration, looking at Hai Ling'er with a slight smile: "As expected of the princess of the sea shark clan, her strength is indeed extraordinary, if it was a month ago, I really wasn't sure of winning you."

But now and then, the stunt of your sea sharks is no longer a threat to me." The

last word fell, Yu Du's eyes flashed with a cold light, and his figure rose into the sky, and at the same time there was a bloody long knife in his hand. .

I saw that this blood-colored long knife was very strange. The handle of the knife was forty or fifty centimeters, and it was more than enough to hold in both hands. Intimidating.

It was the Gorefiend Sword that Yu Du had recently ordered.

A month ago, Yu Du was ordered by Mo Yan to set up the Gorefiend Gate on the rivers and lakes of Kyushu, and used the arena to win over talents. Later, when Gone knew the situation, he greatly appreciated Yu Du's ability, not only to train Yu Du's cultivation, but also to use Demon blood to temper his bones.

After being tempered by the demon blood, even if Yu Du is a half demon, although he can't condense the demon soul, he can still explode with terrifying power with the power of the powerful demon blood.

Under such circumstances, Yu Du ordered someone to capture a disciple of Famous Sword Villa, and asked him to specially forge a Gorefiend sword that fit his abilities.

Although this blood demon knife is not of the same rank, it is completely comparable to the purple rank weapon because of the blood essence that has been poured into it.

"Hai Ling'er..."

At this time, Yu Du Ao stood in the air, holding a blood demon knife, his face was full of arrogance and confidence: "I advise you to surrender."

Feeling the momentum that erupted from Yu Du, Hai Ling Er bit his lip tightly, his attitude still firm: "I, the shark clan, never know what surrender is. If you want to fight, just do it."

Not self-sufficient.

Hearing this answer, Yu Du's face sank, and he stopped talking nonsense at that time. The inner strength of his body exploded, and in an instant, the entire sky was torn apart.

This chapter is provided by . Visit for daily update.

“Gore Demon Slash!” In the

next second, Yu Du roared loudly, and suddenly swung the Blood Demon Sword. In an instant, an extremely violent force burst out from the Blood Demon Sword, and finally formed a terrifying blood-colored sword shadow. He slashed directly at Hai Ling'er.

This blade shadow, more than 100 meters long, was completely formed by the power of the residual poison. Wherever it passed, the main sky was reflected in blood red.

Whether it was Hai Ling'er or the members of the Sea Dragon Palace present, they all felt a strong bloody aura. One by one was shocked.

The people and tourists who were watching from a distance felt that they were out of breath. In awe, many people left quickly, for fear of angering their upper body.

However, at the same time as the shock, many members of the Sea Dragon Palace were also extremely excited.

“What a powerful knife..”

“I didn't expect that Chief Yu's strength has improved so much in just one month...”

“Such a terrifying power... Today is really an eye-opener.”

Those sea dragons around The admiration of the people in the hall kept coming, Hai Ling'er stood there quietly, there was no expression on her beautiful face, but she couldn't tell the tension in her heart.

What a powerful knife.

Moreover, this blood-colored sword shadow seems to contain extremely strong demon power. Could it be that the young man called Liu Hao has something to do with the demons?

hum!

Just when Hai Linger was thinking about it, the terrifying blood-colored blade shadow came to her in an instant. At that time, Hai Linger didn't have time to think about it, she quickly activated all the internal energy in her body and injected it into the long sword, trying to block this terrifying blow.

Boom....

The next second, the blood-colored sword shadow slashed on the long sword, and the long sword shattered in an instant, Hai Linger groaned, and a mouthful of blood spurted out, her delicate body like a kite with a broken string. Usually, they were directly knocked out and flew over a hundred meters before they landed on the beach by the sea.

“You...”

At the moment of landing, Hai Ling'er felt as if her entire body had been shaken to pieces. She looked at Yu Du in shock and anger, and only said one word, her eyes went black, and she fainted.

Yu Du didn't talk nonsense, he slowly landed down, and ordered to the people around him: “Tie it up and take it away.”

Chapter 5312

“Yes!”

Several members of the Sea Dragon Palace responded quickly, then walked over quickly, tied Hai Linger's hands and feet, and took them to the temporary camp of the Sea Dragon Palace.

The temporary camp was set up at the Zhaixing Building by the sea.

The Star Picking Tower is a landmark building in Donghai City. Back then, Yue Feng and the major sects used to resist the invasion of the Apocalypse Continent here. A few days ago, the Hailong Palace attacked the Tianmen General Altar in Zhongzhou City. here.

A few minutes later, we arrived at the Star Picking Building.

Yu Du ordered Hai Ling'er to be locked in the underground secret room of the Xingxing Building, and then entered the lobby on the first floor alone.

In the hall, Gogne, dressed in a white gown, was sitting there thinking, with a cup of brewed tea beside him, and two maids stood silently behind.

The atmosphere is calm, yet depressing.

A few days ago, he failed to attack the main altar of Tianmen.

Seeing this scene, Yu Du felt very uneasy.

“Respect!” In the

next second, Yu Du walked up quickly and said cautiously, "I was at the beach just now and caught Hai Ling'er. I think this is a good opportunity for us.

"Linger?" Gone frowned, a trace of daze in his eyes. He was unfamiliar with Hai Ling'er, so naturally he didn't know who it was.

Seeing his expression, Yu Du hurriedly said: "Hai Linger, the princess of the sea shark clan, many years ago, when the Raksha clan brought disaster to Kyushu, the sea shark clan sent her to support the Kyushu mainland, and she met Yue Wuya at that time. , and then the two developed into a couple."

Oh?

Upon learning of these circumstances, Gone was stunned for a moment, and then showed a smile: "So, this Hai Ling'er is the woman of Yue Wuya?"

"Yes , Your Honor!" Yu Du replied

, his face changed I was also a little ashamed: "Half a month ago, I used this woman to exchange the young master with Yue Wuya. As a result, I encountered a storm, which led to the failure of the exchange of hostages..."

"But fortunately, now my subordinates will The capture of this woman can be considered to have made up for it."

When he said this, Yu Du kept an eye on the change in Gone's expression.

Hmm....

Gone nodded, smiled and praised: "Okay, you did a good job, catch this woman, we may be able to turn the situation around."

After speaking, Gone thought for a while, rushed With Yu Du instructed: "Go and interrogate this Hai Linger now, and ask her where Yue Wuya and Wen Chou Chou are hiding. If you can wipe out these people in one fell swoop, it's up to this opportunity."

"Subordinates obey."

Yu Du responded, and quickly exited the hall and went straight to the secret room below.

In the dark and damp secret room, Hai Linger collapsed on the straw, her eyes were closed, and she was still in a coma. There were two elites from the Sea Dragon Palace guarding the door, closely monitoring Hai Linger's situation.

At this moment, seeing Yu Du walk in, the two quickly greeted: "The leader!"

"I have seen the leader!"

Yu Du waved his hand and asked, "Have you woken up yet?"

"Not yet." One of the elites quickly replied, Then he stepped aside and let Yudu enter the secret room.

call!

Yu Du let out a light sigh of relief, and his expression became a little complicated. Did he strike hard just now? If she didn't ask anything, she died, wouldn't it be a waste of time?

However, seeing Hai Ling'er's state, she was only in a coma, and there was no danger to her life. Yu Du was not worried, and said to the two elites, "Splash her with water to wake her up."

After hearing the order, the two complied and hurriedly brought a basin. Cold water poured on Hai Ling'er.

Crash... The

cold water was poured on her body, Hai Linger's delicate body trembled, and Yunyou woke up.

At this moment, seeing who was soaking Hai Linger's body, the eyes of the two elites suddenly straightened, and they couldn't help swallowing secretly.

Beautiful.. so beautiful.

She really deserves to be the woman of the Lord of Heaven, the princess of the sea shark clan, with this face and body, it can be called the best of the best.

I sighed in my heart that the two elites did not dare to be too direct. After all, Hai Linger was a repeat offender caught by Yu Du himself, and her identity was extraordinary, and it was simply not something that people like them could get involved in.

Chapter 5313

What's more important, Yu Po is on the side, so they can only watch it, and they don't dare to speak rudely to Hai Linger.

call!

At this moment, seeing Hai Ling'er's graceful curves looming, Yu Du was also a little stunned, and was stunned for a while.

Feeling the gazes of the three, Hai Ling'er was shocked and angry, and then said weakly at Yu Du: "You...you caught me, what are you going to do?"

Hehe...

Hearing the question, Yu Du said He calmed down and smiled at Hai Ling'er: "Don't be nervous, we have spoken, as long as you cooperate obediently, we will not hurt you."

After speaking, Yu Du's face became serious: "Yue Wuya, Where are Wen Chou Chou and the others, as well as our young master of the Sea Dragon Palace, hiding now?"

Before launching the attack on Tianmen, Gone sent Yu Du to secretly investigate the whereabouts of Yue Wuya and the child, but Yu Du exhausted all means. No trace of Yue Wuya and his children could be found.

Until now, Yu Du and Gone didn't know that Yue Wuya and the child had been hiding in the main altar of Xia Yinzong.

The main altar of Xia Yinzong is very remote and hidden, and it can avoid the pursuit of the gods for thousands of years.

Turns out they wanted to check this out.

At this moment, Hai Ling'er quietly looked at Yu Du, bit her lip lightly, and answered decisively, "I don't know."

Although Yue Wuya made her very sad, the people from Wen Chou Chou and Xia Yin Zong were both The chivalrous warriors of the righteous Bo Yuntian must not tell where they are hiding.

do not know?

Hearing this answer, Yu Du's face sank, and he sneered: "Hai Linger, do you think I believe this? You are Yue Wuya's girlfriend, you don't know where he and Wen Chou Chou are hiding. "

Who are you lying to?"

Hai Linger's beautiful face did not fluctuate at all: "I broke up with Yue Wuya, I really don't know where he is. Otherwise, how could I be alone? Appeared in Donghai City?"

"You quickly let me go, I want to go back to the sea shark clan, the grievances between you and Tianmen have nothing to do with me."

What?

broke up?

Hearing this explanation, Yu Du was stunned for a moment, and then sneered: "You broke up with Yue Wuya? You really think I'm a three-year-old child. Back then, Yue Wuya went to the Dragon King Island three times and twice, and would rather be surrounded by a heavy siege. If I want to rescue you, you will break up?"

"Don't think I can't guess, you came to Donghai City alone to investigate the situation of our Sea Dragon Palace, right?"

Yu Du was smug when he said this, A look that sees everything.

Hai Ling'er was originally in a calm mood, but when she saw him mentioning Yue Wuya, her mood instantly became extremely irritable, and she said coldly, "Anyway, Yue Wuya has nothing to do with me, believe it or not."

Shah!

At this moment, Yu Du was completely angry: "You can't talk about it." After speaking ,

Yu Du said to an elite next to him: "Hit me."

It's not good to use torture directly..." This Hai Ling'er looks like a fairy, like a fairy, wouldn't it be a pity to break it?

"What nonsense?" Yu Du glared and shouted angrily.

Seriously, she didn't want to torture Hai Linger, but she had no choice. Your Excellency entrusted herself with the task of questioning. In any case, she had to ask Hai Linger about the hiding place of Yue Wuya and others. .

"Yes, Chief!"

Seeing Yu Du's anger, the elite didn't dare to say anything more, and walked out quickly, took a soft stool and came back, slowly walking towards Hai Ling'er.

When they got to the front, the gentleman said in a complex tone, "Beauty, I think you should say it. You were caught by our leader Yu, you can't escape, you might as well cooperate."

Hai Linger snorted coldly, completely ignoring it . .

As the princess of the sea shark clan, Hai Ling'er looks fragile, but her heart is very tough.

Ugh!

Seeing her like this, the elite didn't say any more, suddenly raised the soft whip, and slapped Hai Linger fiercely.

Hearing a crisp sound, Hai Ling'er's delicate body trembled, and a blood mark appeared on her body instantly. She felt severe pain. Hai Ling'er gritted her teeth and didn't cry out, but there was a layer of cold sweat on her forehead.

Chapter 5314

Before Hai Linger and Yu Du fought, she was shaken by the blood-colored sword shadow and dissipated her inner strength. She was already very weak. At this time, facing the blow of the soft whip, her delicate body naturally couldn't bear it.

For a time, Hai Ling'er endured the pain and tried to struggle, but her hands and feet were tied and she couldn't move at all.

"Hai Ling'er."

Yu Du's eyes flashed ruthlessly, without the slightest pity, he slowly walked over and said, "I really don't want to embarrass you, I ask Yue Wuya and Wen Chou Chou their whereabouts, I just want to find us as soon as possible. Lord. I hope you can cooperate well."

"As long as you reveal their hiding place, I will let you go immediately, and my words will count."

Phew! Hai Ling'er

took a deep breath, clenched her teeth tightly, raised her head to meet Yu Du's gaze, and said word by word, "I also count what I say, I don't know, I just don't know!"

Jumping straight, squinting at Hai Linger for a few seconds, then nodded and said, "Okay, very good, your personality is very tough, right? I want to see how long you can hold out."

"Continue to hit me, hit me. Until she is willing to speak." The

voice fell, and the elite waved the soft whip again and beat Hai Linger fiercely.

Papapa...

In an instant, the soft whip slapped Hai Linger again and again, the pain seemed to tear her nerves apart, however, Hai Linger clenched her teeth and didn't shout.

Soon, the long skirt on Hai Ling'er's body was dyed red with blood, and the whole person was indescribably weak, but her eyes were still shining with determination.

call!

Seeing her so tenacious, Yu Du was both amazed and annoyed.

Mad, what should I do when I meet a master who doesn't eat hard and soft? If you really want to kill him, there is no way to explain it to your honor.

Shasha...

At this moment, there was a slight sound of footsteps outside the secret room, and then, Gone walked in indifferently.

Seeing Gone, the elite hurriedly stopped.

Yu Du also hurried up to meet him: "Your Highness."

Gone glanced at the blood-covered Huan Ling'er and frowned, "How is the interrogation? The hiding place of Yue Wuya and Wen Chou Chou's gang, she said. No?"

Waiting for left and right in the lobby on the first floor, and seeing Yu Du come back to report, Gone really couldn't wait, so he came down to check the situation in person.

Uh...

Facing Gone's question, Yu Du's face was embarrassed, and he said very ashamedly: "Your Honor, this... This woman has a tough personality, no matter what method I use, that is not to say, this is not... It's being executed." As he

spoke, he wiped the cold sweat from his forehead.

Gone frowned, looked at Hai Linger, and said displeasely: "She doesn't want to say it, even if you kill her, she won't say anything." After speaking

, Gone thought about it, and then He waved at the two elite disciples: "You go out first."

"Yes, your honor!" After receiving the order, the two elite disciples hurriedly responded, and then quickly exited the secret room.

For a while, in the secret room, only Gone, Yu Du and Hai Ling'er were left.

"Your Highness!" Yu Du

couldn't help but ask, "What are you going to do with it?"

"It's useless to punish someone like her." technique'."

Soul Reaper?

Hearing these four words, Yu Du was stunned.

At the same time, the incomparably weak Huan Ling'er trembled inwardly and became inexplicably nervous. The name sounded very sinister.

Gone smiled at Yu Du: "The art of seizing the soul is to use powerful power to control her mind, soul and soul, and use it for me. When the time comes, she will do whatever she asks her to do."

"Wait for me to cast it. When the art of seizing the soul, you should look out for the door, and no one is allowed to come in to disturb." The

voice was not loud, but it revealed an unquestionably powerful aura.

"Yes, your honor!" Yu Du responded, and quickly stood obediently at the door.

At this moment, Gone slowly walked towards Hai Ling'er.

"You..." Seeing Gone approaching step by step, Hai Ling'er was so nervous that her voice trembled: "Don't come here...don't come here."

In Hai Ling'er's eyes, Ge Although Nirvana has a young and handsome appearance, there is no residual poison and looks scary, but for some reason, the aura that pervades his body makes people feel fear in the bottom of their hearts.

Chapter 5315

What's more important, Hai Linger resisted from the bottom of his heart what Gone said just now about the art of seizing the soul.

Hehe...

Seeing her terrified face, Gogne smiled lightly: "Yu Du has been interrogating you for a long time, but you still refuse to cooperate, so I can only do this."

"Unless you are willing to cooperate and reveal their hiding place. Earth."

Phew...

At this moment, Hai Ling'er took a deep breath, and her heart went deep into a deep tangle.

Do you really want to say it?

Wen Chou Chou, Sun Dasheng, and those from the Xia Yin Sect are all heroes. If they tell their situation, they will become sinners through the ages.

But if you don't say it, the other party will use the art of seizing the soul, and he will be controlled and become a walking corpse. If you really want to become like that, it is better to die.

Under the entanglement, Hai Linger almost collapsed: "Just because of a child, you are going to cause disputes in the rivers and lakes. Don't you know that your Hailong Palace and Tianmen are actually a family? Why do you have to mess with life?"

Saying these At that time, Hai Linger was still helpless.

In her heart, she believed that the child was born by Yue Wuya and Mo Yan, and under this premise, Tianmen and Hailongdian were naturally a family.

Um?

Hearing this, Gone frowned and looked at her puzzled: "What did you say? What family?" Yu Du, who was

standing at the door, also looked puzzled.

Seeing their reaction, Hai Ling'er said weakly, "That child was born to Yue Wuya and the queen of your Dragon King Island, don't you know?"

"I... that's why I broke up with Yue Wuya..." At the

end, the unspeakable sadness and helplessness in Hai Ling'er's eyes, coupled with the blood, was pitiful. .

What?

As soon as these words came out, both Gone and Yu Du were taken aback.

The father of the child is Yue Wuya?

This... how is this possible?

In the next second, Yu Du took the lead in reacting and shouted angrily at Hai Ling'er: "Don't talk nonsense, my queen, how could she like that kid Yue Wuya and have children with him..."

In Yu Du's heart, Queen Moyan is like a fairy in the sky, noble and extraordinary. Although Yue Wuya's status is extraordinary, it is impossible for the queen to fall in love with him.

Seeing him so excited, Hai Ling'er smiled sadly: "You think I'm talking nonsense, then tell me, who is that child's father?"

Uh...

Yu Du's face stiffened, and he was speechless for a while.

After learning that Moyan was pregnant with a child, the entire Dragon King Island was speculating, but no one dared to ask Moyan, and Moyan never said who the child's father was.

Later, Gone went to Dragon King Island and asked Moyan who the father of the child was, but Moyan also begged hard at the time, and finally Gone gave up the questioning.

It can be said that until now, no one except Mo Yan herself knew who the father of the child was.

"Then let me tell you."

Seeing that Yu Du couldn't say anything, Hai Linger let out a light sigh of relief, and then explained in detail what happened to Nalan Wushuang that day. In the end, Hai Linger's eyes were full of disappointment for Yue Wuya: "At that time After recognizing her relatives by drop of blood, the Nalan family's young lady also took out the hospital's test sheet. The 99% match is enough to prove that Yue Wuya is the father of the child."

"This matter is estimated to have already happened in Nalan. The family, as well as the rivers and lakes, have spread, you can check it out, I didn't lie to you, it's a fact."

Jing!

The last word fell, and the entire secret room was deadly silent.

Yu Du froze there, his mind buzzing, could it be that the father of the child is really Yue Wuya?

Next to Gone, his face flickered, his eyes were extremely gloomy, and a nameless anger rose in his heart.

This Moyan did such a thing and had a child with Yue Wuya. No wonder she would rather die than say it when she questioned her before...

huh!

Finally, after more than ten seconds, Gone took a deep breath and said to Yu Du: "This Hai Linger, wait for her to be healed, and then send someone to look after her."

“Also, send someone back to Dragon King Island immediately, Let Moyan come to see me in Donghai City as soon as possible.”

After saying this, Gone couldn't hide the anger in his heart and strode out of the secret room.

The ultimate husband in Chinese chapter 5316-5320

Chapter 5316

“Yes, obey.”

Yu Du quickly responded, sweating profusely at the time, and secretly worried about Mo Yan.

It's over, looking at the appearance of the honorable man, he is very angry. The queen may be in trouble now.

At the same time of worrying, Yu Du was also at a loss. He really couldn't understand how the Queen could see that kid Yue Wuya.

Thinking to himself, Yu Du walked outside the secret room, ordered a few elite disciples to guard Hai Linger tightly, and then sent someone to deliver the news to Dragon King Island.

“You guys...”

At this moment, Hai Ling'er was shocked and angry, she had already told the matter, but these people still didn't let her go.

.....

On the other side, the Lagerstroemia Continent.

The weather is nice today, sunny and cloudless.

In the small garden next to the Pill Pavilion, there is a chessboard on the table. Yue Feng is comfortably lying on the chair, sipping tea slowly while playing against Dongfang Yunqing.

Don't look at Dongfang Yunqing, who is only twelve or thirteen years old, but he is talented and quick-witted. In the past two days, with the help of Yue Feng, he has integrated the Qimen exercises in the soul of Tianji. No matter in all aspects of ability, has far surpassed ordinary people.

Xiaorou stood beside her with a smile on her face.

On the grass a few meters away, Baili Cexuan held a wooden sword and practiced one move at a time. In the past two days, Yue Feng passed all the 'Tiangang Sword Art' to Baili Cexuan without reservation.

Baili Cexuan is like a treasure, in order to understand the essence of it, he almost forgets to eat and sleep. Although Baili Cexuan is a famous sword idiot with extraordinary talent, it is obviously impossible to comprehend the essence of Tiangang sword art in a short time. After all, this set of sword art has been developed by Nangong Jue for decades. Created, and then improved by Yue Feng. Although there are only a dozen tricks, they are ever-changing.

Snapped!

At this time, Yue Feng took a sip of tea, then pinched a chess piece and landed it on the chessboard. He smiled at Dongfang Yunqing: "This step, but there is no solution."

Dongfang Yunqing put his hand on his cheek and looked carefully for a moment . , sighed helplessly: "Oh, I lost again."

Said, Dongfang Yunqing looked at Yue Feng with admiration: "Brother Yue Feng, you are very good at chess, just now, I will leave. One step, twenty steps, why can't you win?"

When he said this, Dongfang Yunqing's delicate face was full of unwillingness.

"Take one step, look at twenty moves?"

At this moment, Xiaorou, who had been standing beside her, couldn't help but exclaimed, "Sister Yunqing, as far as I know, the masters of chess in the past, that is, take one step and look at two. Ten moves, when you are a junior, you have reached the realm of a master."

Xiaorou is by no means making a fuss, if you know a chess skill, you can get started by taking one step and two steps, and if you can read five steps, even if you are an expert, The realm of twenty steps belongs to the master.

Dongfang Yunqing was only in the 12th or 13th grade, and it was really rare that he could take one step and watch twenty steps.

Uh...

Hearing Xiaorou's compliment, Dongfang Yunqing smiled embarrassedly: "Sister Xiaorou, don't praise me, even if I can watch twenty steps, I still won't lose in the end. Speaking of which, Brother Yue Feng is the most powerful."

Xiao Rou nodded in agreement.

If someone else can win Dongfang Yunqing, she must be surprised, but if it is Yue Feng, it is not surprising at all, this man is really hard to see.

Hehe...

Seeing Dongfang Yunqing's expression, Yue Feng couldn't help laughing, and said slowly: "Yunqing, being able to watch twenty moves is very powerful, but you must know that playing chess does not depend on the opponent. No matter how many moves the opponent can see, as long as you can guess the opponent's mind, the game will naturally be under your firm control."

Hearing this, Dongfang Yunqing froze. Mouth, with a look of astonishment: "You...you guessed my mind just now? How...how is this possible?"

This brother Yue Feng's palace is even more terrifying than his father. You know, when my father taught me chess, I couldn't do it.

Yue Feng smiled slightly, pretending to be mysterious: "Don't be surprised, after you have mastered all the Qimen exercises in the soul of heaven, you can do it too."

Chapter 5317

Hmm!

Dongfang Yunqing nodded heavily: "I will definitely pass on all the skills of Tianji Palace." After speaking, Dongfang Yunqing hurriedly cleaned up the chessboard: "Brother Yue

Feng, let's play another game."

Yes smiled and stood up: "It's getting late, let Xiaorou play chess with you, I have something to do, I have to leave for two days." After saying that, Yue Feng looked up at the cloudless sky, if thoughtful.

In the past two days, after Yue Feng taught Baili Cexuan all the Heavenly Gang Sword Art, his divine power has also returned to its peak state. With Yue Feng's current strength, he can completely shatter the void and leave.

However, if the void is broken, there are some risks. You must know that there are many human worlds separated by the chaotic void. If you accidentally enter the chaotic void, it will be troublesome.

So Yue Feng thought about it and thought that the best solution was to build a Chaos Teleportation Array.

The Chaos Teleportation Array was learned by Yue Feng after he accidentally entered the Roland Continent and followed the video learning left by Fuxi. At that time, Yue Feng was captured by a secret organization and finally entered the underground palace built by Fuxi by chance.

At that time, Fuxi left a trace of residual thoughts in the underground palace, and after communicating with Yue Feng, he handed over the method of constructing the Chaos Teleportation Array to Yue Feng.

Although this incident has passed for a long time, the scene at that time is still vivid in Yue Feng's mind.

So Yue Feng thought about it, and when the right opportunity came, he left Chunyang Palace and found a place to build a Chaos Teleportation Array. At that time, with the Chaos Teleportation Array, he would not be afraid to break into the Chaos Void by mistake.

Dongfang Yunqing has been here for a few days, he is familiar with the environment of Chunyang Palace, and his relationship with Xiaorou is also good. In addition, the weather is good today, Yue Feng is going to go down the mountain to find a place suitable for building a Chaos Teleportation Array.

away for two days?

At this moment, both Xiaorou and Dongfang Yunqing were stunned.

It's so good, why do you want to leave suddenly? At the same time, Baili Cexuan

also stopped practicing swordsmanship immediately, walked over quickly, and asked with great concern, "The pavilion is going out? Do you want me to accompany you?"

After the incident, Baili Cexuan became much more cautious, and never exposed his relationship with Yue Feng.

But in his heart, he always respects Yue Feng and regards him as his master.

Therefore, no matter where Yue Feng is going, in Baili Cexuan's heart, his disciple must accompany him.

"No need!"

Yue Feng shook his head and said lightly: "You should stay in the Chunyang Palace and continue to study the sword art. I will only be away for two days." After

speaking, Yue Feng took a step forward, lowered his voice, and rushed forward. Zhu Baili Cexuan continued: "This Dongfang girl has just come to Chunyang Palace. She

has a special status. Many sects want to capture her and snatch the Qimen exercises of Tianji Palace, so there must be someone around to protect her. In the entire Chunyang Palace, only you are the most suitable.” If

you want to go out and find the place to build the Chaos Teleportation Array, this matter needs to be kept extremely secret, and you cannot let the second person know. You must know that the Chaos Teleportation Array is no trivial matter. Knowing that, it will surely cause the rivers and lakes to shake.

And what Yue Feng said is right. Although Chunyang Palace is powerful, if the major sects are looking for trouble again, it will be difficult to stop it with the help of the palace master and Taoist Qianju. Foolproof.

After all, this Juggernaut who has been in the rivers and lakes for decades is not just a name.

“All right.”

Seeing Yue Feng say this, Baili Cexuan no longer insisted, and nodded immediately: “Pavilion Master, rest assured, I will definitely protect Dongfang girl, if there really is that one who doesn’t have long eyes and dares to come to Chunyang Palace to make trouble, I will definitely Let him come and go.”

Hmm!

With his words, Yue Feng was no longer worried, and after explaining a few more words, he went straight down the mountain.

On the way down the mountain, Yue Feng was in an indescribably happy mood. After spending a few months on the Lagerstroemia Continent, he finally had the chance to leave.

But...it’s not easy to find someone who can build a Chaos Teleportation Array.

Chapter 5318

Huh?

As soon as he arrived at the foot of the mountain, Yue Feng frowned. He was in a happy mood, but also became helpless.

He clearly felt that in the woods on both sides of the road, there were many experts in the rivers and lakes hidden. Listening to the sound of breathing, there should be many people.

Speaking of which, if it was someone else, it would never be felt.

But Yue Feng is a mysterious saint. Whether it is vision, hearing, or perception, he is far superior to ordinary people. Not to mention the hidden people around him, he knows how many birds and insects there are.

However, sensing this, Yue Feng didn't startle the snake, but took a deep breath, and while striding forward, he sang an Internet song that was popular in the Earth Continent a few years ago: "Pig... You have two holes in your nose..." The

resounding voice spread throughout the valley.

For a while, hearing this song, the masters of various sects hidden in the woods all looked at each other in dismay.

"What did he sing?"

"It's such a strange song... I've never heard it wrong..."

"Mad, why do I feel like he's scolding us in innuendo?"

"There was only one person, and there was no Baili Cexuan to follow. These sect masters suddenly felt confident and rushed out of the woods.

Whoa!

In an instant, thousands of masters from various sects rushed out together and directly blocked Yue Feng's retreat. The leaders were Li Qinghai, Deng Shiqi, Ren Pingsheng and others.

Two days ago, after they all went to the Chunyang Palace to make trouble and failed, although they were intimidated by Baili Cexuan's strength and did not dare to set foot on the Chunyang Palace mountain gate, they were all unwilling. Ambush at his feet, waiting for Yue Feng to go down the mountain alone.

Originally, they had made long-term plans, but they never expected that Yue Feng would go down the mountain alone after only two days.

Indeed they are!

Seeing the masters of various sects rushing out, Yue Feng frowned secretly, feeling very helpless.

These people are really persistent in order to snatch the Qimen exercises of the Tianji Palace.

"Yue Feng!"

Just when Yue Feng was muttering in his heart, Ren Pingsheng took the lead to step forward, the anger that could not be concealed in his eyes, and said coldly, "I'll see where you run this time.

"The gate of Chunyang Palace was frustrated, and Ren Ping was inexplicably angry.

The voice fell, and the others also shouted angrily.

"Yue Feng, those who are acquainted, hurry up and capture them!"

"You were lucky to have the protection of the Sword Saint the day before yesterday. You have no chance at all this time." When

the anger of the crowd came, Yue Feng did not panic at all, with a smile on his face. First, I looked at Li Qinghai, and then at Deng Shiqi.

"Oh!" In the

next second, Yue Feng's tone was full of ridicule: "I just walked from here, I thought there was a group of wild boars foraging in the woods, but I didn't expect it to be the heads and elders."

Shuh!

When the voice fell, whether it was Li Qinghai or Deng Shiqi, their expressions changed and their hearts were furious. These leaders are either the heads of the various sects, or the elders, each of whom has an extraordinary position. At this time, Yue Feng is likened to a wild boar. How can he not be angry?

"What did you say?" Li Qinghai couldn't help shouting angrily: "Are you courting death?"

This Yue Feng, who dared to call us wild boars when he was about to die, was simply ignorant.

Seeing his angry look, Yue Feng quickly waved his hand: "Elder Li, don't get excited, I'm just making a metaphor, and I'm not really calling you pigs." "Stop talking

nonsense!"

Li Qinghai thought that Yue Feng was cowardly, snorted coldly, and was too lazy to talk nonsense at the time: "I ask you, that girl named Dongfang Yunqing is still in Chunyang Palace?"

"Yes!" Yue Feng nodded, very relaxed.

Li Qinghai continued to ask: "Where is the soul of the machine that day?"

Yue Feng smiled and said of course: "Of course it is also in Chunyang Palace."

Li Qinghai frowned, his face full of disbelief: "Not on you?" In the soul of that day, there are hidden all the Qimen exercises in Tianji Palace, as long as the people in the rivers and lakes are not unmoved, so, in Li Qinghai's subconscious, he believes that Yue Feng has already learned it.

Yue Feng naturally knew what Li Qinghai was thinking, and smiled at that time: "Elder Li, you are asking the wrong question."

Chapter 5319

"In the soul of Tianji, hidden is the Qimen exercises of Tianjigong. Only disciples of Tianjigong can practice. I'm not a disciple of Tianjigong, how could it be on me?"

" , made a sudden realization: "I understand, Elder Li and everyone present are eager to worship that little girl as a teacher, so that they can learn the exercises in the soul of heaven, and think that I am the same as you.

" It's a pity, I am a good person in everything, but I don't like to worship master everywhere. By the way, that little Dongfang girl is playing chess in the pavilion at the mountain gate. There is no chance."

When he said this, Yue Feng's eyes were full of mockery.

Mad!

Hearing this sarcasm, both Li Qinghai and Deng Shiqi were all furious.

Ren Pingsheng was the first to resist, pulled out his long sword, pointed at Yue Feng and shouted: "Don't talk nonsense with him, just grab him and use him to exchange that girl with Chunyang Palace."

Om!

As soon as the voice fell, Ren Pingsheng's internal strength exploded, and the long sword drew a shock, stabbing directly at Yue Feng.

At the same time, everyone in Li Qinghai also burst out.

Hehe...

Seeing everyone rushing towards him, Yue Feng chuckled lightly, not panicking at all.

These hypocrites have done all the shameful things, but they are still afraid of what others will say.

Looking at the long swords of everyone, they were about to stab Yue Feng. At this critical moment, Yue Feng activated his divine power, and his figure was like a bolt of lightning, rushing directly into the woods beside him.

The road before and after was blocked, and the only way to break out was on both sides.

Whoosh!

Yue Feng's speed was very fast, and everyone only felt that he had reached a place dozens of meters away. In an instant, everyone was shocked.

What a great speed.

The next second, Li Qinghai's eyes flashed with excitement and anger: "Good boy, he said it so nicely, didn't he learn the Qimen exercises of the Tianji Palace behind his back?"

"Everyone, don't let this boy run away. Now, chase!"

In Li Qinghai's heart, Yue Feng's movement technique was so fast and mysterious, he must have practiced the exercises in the soul of heaven.

As soon as these words came out, everyone in Deng Shiqi was very excited, their eyes locked on Yue Feng, flashing with excitement and greed, and they also shouted in their mouths.

"Yue Feng, stop."

"If you have the ability, don't run."

Like Li Qinghai, everyone also believed that Yue Feng had practiced the cultivation technique of the soul of heaven. Only the Heavenly Secret Palace a thousand years ago had such a mysterious movement technique.

They didn't even know that Yue Feng was a mysterious saint and possessed supreme divine power. Although the Qimen exercises of that day's Jigong were mysterious, Yue Feng didn't like it at all.

Haha...

Listening to everyone's shouts, Yue Feng laughed loudly: "Have you become angry? Even I can't catch it, and you still want to snatch the soul of the secret?" As he said, he rushed into the distance.

Speaking of which, with Yue Feng's strength, he could easily get rid of Li Qinghai and the others, but Yue Feng didn't do that, he was ready to play these hypocrites.

In a blink of an eye, Yue Feng and Li Qinghai came to a river.

I saw this river, the river is not wide, but the water is very fast, but with Yue Feng's strength, he can easily leap over it, but when he reached the river bank, Yue Feng stopped.

Whoops ...

Not long after they stopped, everyone in Li Qinghai chased after him.

At this moment, seeing the situation in front of him, Li Qinghai had a gloomy expression on his face: "Boy, why didn't you run away?"

At the same time, everyone in Deng Shiqi's face was extremely proud.

"Boy, can't run away."

"Haha... God has eyes, a river stopped him."

"But then again, this kid can really run."

At this time, everyone thought that Yue Feng was too tired to cross the river, so it stopped in desperation.

Seeing everyone's complacent appearance, Yue Feng pretended to be appointed, and said hypocritically: "Okay, I can't run away. If you have any requirements, feel free to mention it."

"As long as you don't hurt me, I can do it. , must do it."

Chapter 5320

When he said this, Yue Feng looked very nervous, but his eyes flashed cunningly.

"Haha!"

Li Qinghai sneered when he saw that he was finally willing to give

in "Is it the body method of the Tianji Temple?"

"As long as you tell the formulas you have learned, we will spare your life."

Li Qinghai thought about it, as long as Yue Feng said the formulas, killed him immediately, and would never let him go. After all, this kid was the Pill Pavilion Master of Chunyang Palace, and his identity was extraordinary.

Haha...

Hearing this, Yue Feng's face didn't fluctuate at all, but he was overjoyed.

These idiots thought that what I had just displayed was the body technique of the Heavenly Secret Palace. They probably would never have imagined that what I have in my body is supreme divine power. Thinking to himself, Yue Feng showed a surprised look on his face, nodded and said, "Elder Li is indeed a senior in Jianghu

, but he can tell at a glance."

I have learned Qimen's Qimen exercises."

Wow!

As soon as these words came out, whether it was Li Qinghai or Deng Shiqi, everyone was very excited.

Haha... I am ambushed at the foot of Chunyang Palace's mountain gate for the past two days, and it really didn't go to waste.

Excited, everyone in Deng Shiqi started drinking loudly.

"Quickly say the formula."

"Quickly say..."

"Don't try to play tricks, if you dare to tell us fake formulas, you will die without a place to be buried."

At this time, everyone showed their greed incisively and vividly, showing their true colors one by one, like a group of people eating people without spitting out bones the wealthy wolf.

This...

Yue Feng pondered for a while, walked out of a very embarrassed look, scratched his head and said: "This... I can tell you the formula, but I have a condition."

Condition?

For a while, Li Qinghai and Deng Shiqi looked at each other in dismay, and they were a little bit angry with each other.

Mad, this kid really doesn't know whether to live or die, he can't save his life, and he dares to make conditions.

However, in order to get the formula as soon as possible, Li Qinghai glanced at each other, and then nodded.

"Tell me, what are the conditions?"

"As long as we can do it, we will promise you..."

Seeing their faces, Yue Feng was very contemptuous, and immediately smiled slightly: "Since you want me to teach the formula, even if you worship me as your teacher, kneel down now, kowtow to me a few times, and I will tell you

the formula." When he said this, Yue Feng stood there with a mocking expression on his face.

Mad!

Hearing this, everyone's expressions changed, their faces darkened with anger, and at the same time they realized that Yue Feng, who was in front of him, never thought of saying the formula, and he was playing tricks on everyone from beginning to end.

"Your special code is courting death!" In a fit of rage, Ren Pingsheng took the lead and couldn't help it. He clenched his long sword and stabbed directly at Yue Feng.

hum!

This sword contains 90% of Ren Pingsheng's internal strength, and it is as fast as lightning, and the air is violently twisted wherever it passes.

However, Yue Feng did not panic at all, and exaggeratedly shouted at that time: "Oh, you are not sincere at all, you will do it if you say it."

While shouting, Yue Feng pretended to be in a panic and bent over to dodge, taking the opportunity to be in the grass. He grabbed a bunch of flowers and smashed them directly at Ren Pingsheng.

As you can see, this group of flowers is lavender and not large in shape. At first glance, it is no different from ordinary wildflowers. In fact, this is a rare herb called 'lost soul flower'.

The pollen of this soulless flower has a strong hallucinogenic effect. No matter how high the internal strength of the person, once inhaled, they will have hallucinations and lose themselves.

The reason why Yue Feng stopped by the river just now was because he saw this kind of soulless flower.

wow.

At this moment, seeing Yue Feng throwing a bunch of flowers, Ren Pingsheng didn't even think about it, he picked up the long sword in his hand and directly split the flowers. In an instant, lavender pollen spread out, and Ren Pingsheng was unavoidable and inhaled a lot.

Immediately afterwards, the pollen faced the wind, forming a lavender smoke, which quickly drifted towards Li Qinghai and the others behind.

The ultimate husband in Chinese chapter 5321-5330

Chapter 5321

“Come on!” The

lavender smoke rushed towards the face, and everyone didn't care, shouting and rushing towards Yue Feng.

Just before they rushed to the front, all of them suddenly felt top-heavy, their brains were violently dizzy, and their eyes became blood red.

“My head hurts!”

“What's the matter.... how dizzy...”

“Me... me too...”

Under everyone's surprise, Ren Pingsheng, who had already rushed in front of him, suddenly became a body With a trembling, he covered his forehead with his hand, only to feel a splitting headache, and everything in front of him spun violently.

what happened?

Why all of a sudden, the head seems to explode. In the next second, before Ren Pingsheng didn't understand what was going on, he completely lost

his mind. He locked his eyes on the person next to him, and slapped him with a slap in the face: “Yue Feng, die.”

Under the stimulation of pollen, Ren Pingsheng not only lost his mind at this time, but also entered a hallucination and regarded his companion as Yue Feng.

boom!

The companion around him also entered the hallucination, and it was too late to react. He was directly shocked by Ren Pingsheng's palm and flew out more than ten meters away. He fell heavily to the ground and fainted directly.

At the same time, Li Qinghai and Deng Shiqi all became crazy, and they fought each other.

Like Ren Pingsheng, after these people entered the hallucination, they also regarded the people around them as Yue Feng.

This chapter is provided by . Visit for daily update.

“Yue Feng, don’t think you are the Pill Pavilion Master of Chunyang Palace, we will not dare to do anything to you.”

“Go to hell.”

In the roar, everyone was completely crazy, and each shot was more ruthless, and they saw blood splashing around, and many people fell into a pool of blood.

Seeing this scene, Yue Feng’s face did not fluctuate at all.

These people claim to be famous and authentic, but their actions are more despicable than each other. It is a scourge to leave them in the arena. At this time, using the pollen of lost souls to let them kill each other can be regarded as eradicating harm to the rivers and lakes.

Thinking to himself, Yue Feng didn’t stay for long, patted the dust on his body, turned around and strode away.

Whoops...

Just a few steps away, I heard the sound of hurried footsteps in the woods not far away. Then, Ye Xingyu and more than one hundred Tianhaimen elites rushed over quickly.

Two days ago, the major sects decided to stay at the foot of the mountain, waiting for the opportunity to capture Yue Feng. Ye Xingyu, the chief disciple of Tianhaimen, was sent by Li Qinghai to the back mountain of Chunyang Palace.

In the back mountain of Chunyang Palace, there is a hidden path. In order to prevent Yue Feng from coming down from the back mountain, Ye Xingyu guards it all the time. Ten minutes ago, Ye Xingyu learned that Yue Feng was going down the mountain, so he rushed over with the same door. .

Along the way, Ye Xingyu followed the footsteps left by the various sects to the river.

what’s the situation?

At this moment, seeing the scene in front of him, whether it was Ye Xingyu or those elite disciples of Tianhaimen, they were all shocked.

I saw that the masters of the various sects, with blood-red eyes, like crazy, were holding their swords and slashing, and the scene was extremely chaotic and bloody.

Mad, it’s this idiot.

Seeing Ye Xingyu, Yue Feng frowned secretly. No wonder he hadn’t seen this guy before. It seemed that he was leading people to ambush elsewhere.

“Yue Feng!”

At this moment, Ye Xingyu came to his senses, his eyes locked on Yue Feng, and he shouted angrily: “What have you done to them?”

More than a dozen sects scuffled together, this scene is too shocking.

But with Yue Feng alone, it is definitely not possible, there must be another reason.

Hehe...

In the face of the question, Yue Feng smiled slightly and said slowly: “I just gave them the Qimen exercises of the Tianji Palace, but they split the spoils unevenly, and they started fighting themselves.”

“Don’t ask me. , hurry up and help, oh, you Elder Li of Tianhaimen is being besieged by two people, if you don’t rescue, I’m afraid you will die.”

When he said this, Yue Feng smiled and his tone was full of mockery. .

Uneven distribution?

Ye Xingyu frowned, this reason seems to be reasonable, but seeing Yue Feng’s sly face, he realized that things are not so simple.

Chapter 5322

Regardless of the truth, this Yue Feng must die.

Thinking to himself, Ye Xingyu shouted: “Senior brothers, kill this Yue Feng.” When the voice fell, he burst into inner strength, clenched his sword, and charged towards Yue Feng first.

In Ye Xingyu’s heart, Li Qinghai was also the Great Elder of Tianhaimen, and his strength was outstanding. Even if he was besieged by several people, his life would not be in danger in a short period of time.

Therefore, the first thing to do now is not to join the melee, but to solve Yue Feng first.

Ye Xingyu couldn’t hold back his anger when he thought that Jiang Hongyu rejected his proposal because of Yue Feng, and then his younger brother Chen Shangzhi died tragically because of Yue Feng in the underground town.

Swish swish...

At the same time, more than 100 Tianhaimen elites also rose up one after another, bursting towards Yue Feng.

These Tianhaimen elites are not weak one by one. At this time, they erupted together, and the sky was distorted, and the momentum was extremely amazing.

Mad, really haunted.

Seeing Ye Xingyu and everyone rushing in, Yue Feng stood there motionless, without the slightest panic, on the contrary, he was a little angry.

This Ye Xingyu is really courting death. Before, he was in Beihai Xingsu, trying to sully Jiang Hongyu, and then put the blame on me. At that time, I didn't care about you as much. Later, in the underground town, he went against me everywhere, but I still ignored it.

But now, it's endless, do you really think I'm easy to bully?

Thinking of this, Yue Feng's eyes suddenly became cold, his figure was suspended in the air, and then he slowly raised his right hand.

"Nine dragons rise to the sky." In the

next second, Yue Feng coldly spit out four words, and saw the air in front of him suddenly tore apart, and then, nine golden dragons burst out of the air.

Nine Dragons Ascension was the first stunt that Yue Feng practiced when he first became a cultivator. With his inner strength, he formed a golden dragon to fight against the enemy. The power was amazing. Yue Feng had used this trick many times to turn the situation around.

At this time, Yue Feng had the body of a mysterious saint and possessed supreme divine power. When he used the Nine Dragons Ascension again, the power that erupted could be described as terrifying.

Hiss....

the moment the nine golden dragons appeared, whether it was Ye Xingyu or the elite disciples of Tianhaimen, they were all shocked and couldn't help but gasp.

What skill is this?

Such a strong breath...

In panic, many people were ready to turn around and run away, but it was too late.

“Death!” Yue Feng roared, raising his hand and facing Ye Xingyu and everyone.

The moment the words fell, the nine golden dragons rushed into the crowd with unparalleled power. In an instant, more than one hundred elite disciples of Tianhaimen screamed incessantly, and finally fell into a pool of blood.

Ye Xingyu didn't escape bad luck either. He was hit hard by a golden dragon, and the whole person was shocked and flew out. He flew more than 100 meters and broke several trees before falling softly to the ground.

“

Pfft...” After landing, Ye Xingyu spat out a mouthful of blood, his face was extremely pale, his whole body was extremely weak and sluggish, his eyes were fixed on Yue Feng, and he was shocked beyond words.

This...is this the true strength of Yue Feng?

Too strong, completely beyond his imagination...

At this time, Ye Xingyu clearly felt that all the meridians in his body were broken, and his dantian was also seriously damaged. Can't save it either.

Finally, the nine golden dragons slowly disappeared.

Yue Feng's face was indifferent, and he glanced at Ye Xingyu lightly. He didn't bother to say a word of nonsense, so he turned and left.

This Ye Xingyu was severely injured by Nine Dragons Ascension, and he won't live for long. There is no need to waste time on him. The most important thing now is to find a suitable place to build a Chaos Teleportation Array.

In the blink of an eye, Yue Feng disappeared from sight.

And Ye Xingyu collapsed there, looking at the direction of Yue Feng's departure, but he couldn't calm down for a long time. Until now, he was realizing what a terrible existence he had provoked.

It's just too late to regret.

After Yue Feng left, a few minutes later, the masters of various sects who had been killing each other by the river gradually came to their senses.

This.... what's going on here.

After waking up, seeing the surrounding scene, whether it was Li Qinghai, Deng Shiqi, Ren Pingsheng and others, they were all shocked, and their heads were buzzing.

Chapter 5323

saw that the bodies of many companions were lying all around, and the whole ground was dyed red.

And the people who woke up were also covered with blood, and many people were still injured.

Obviously, everyone was killing each other here just now.

“This...”

Finally, Deng Shiqi was the first to react, and his face was full of astonishment: “How could we fight each other? How could this happen?” Because he had been hallucinating just now, Deng Shiqi had no idea what was going on.

When the voice fell, Ren Pingsheng held his forehead and said, “My mind was in a mess just now, and I just wanted to kill Yue Feng...”

Hearing this, the others around him nodded.

“Me too... I’ve been thinking about killing Yue Feng just now, but I can’t kill it anyway.”

“I’m just like you...”

“Could it be... We all had hallucinations just now and regarded our own people as Yue Feng?”

During the discussion, everyone was puzzled, how could there be hallucinations so well?

Um?

Everyone was shocked when they saw Ye Xingyu not far away, and those Tianhaimen disciples who were lying in a pool of blood dozens of meters away, they were shocked again.

The next second, Li Qinghai called out, “Xingyu.” Then he rushed over.

When he got to the front, he saw Ye Xingyu’s face was pale, blood was soaked in front of him, he was indescribably weak, and the whole person was dying.

Li Qinghai was distressed and angry, holding Ye Xingyu with trembling hands: "Xingyu, what's going on?" As the chief elder of Tianhaimen, Li Qinghai could see the situation here and the chaotic scene by the river. , completely different.

More than a hundred Tianhaimen elites all died from shattered bones. Obviously, their lives were taken away by a fierce and domineering force. It's not that they were hallucinated and killed each other.

Whoops!

At this time, Deng Shiqi and the others also reacted one by one, and they all gathered around.

"Elder."

At this time, Ye Xingyu only felt that his life was passing little by little. Looking at Li Qinghai's extremely weak opening, he said, "Yes... it's Yue Feng, the brothers and sisters, they were all killed by him.

" I... I was also severely injured by him, and Yue Feng just used a trick..."

When he said this, Ye Xingyu was trembling all over, and in the gradually dim eyes, he couldn't hide the fear. .

What? one move?

He killed more than 100 elite disciples of Tianhaimen in one move, and also severely injured Ye Xingyu?

Hearing this, whether it was Li Qinghai or Deng Shiqi and the others, they were all shocked and thought they had heard it wrong.

They all know in their hearts that Yue Feng is very strong, but he has been hiding his strength before, but no matter how strong he is, it is impossible to kill so many people with one move.

You know, this is more than a hundred Tianhaimen elites.

But Ye Xingyu died immediately, a dying person couldn't lie.

Quiet...

For a while, everyone fell silent, and the scene was dead silent.

I thought that with so many sects joining forces, it would be easy to catch Yue Feng, and then obtain the Qimen Cultivation Technique of Tianji Palace through Yue Feng,

but I never imagined that this Yue Feng not only has the protection of the Sword Saint, but also his own strength is so powerful .

Thinking about it, many sect masters began to retreat in their hearts.

“Big... Great Elder.”

At this moment, Ye Xingyu held Li Qinghai's arm tightly, his eyes were complicated, and he said with all his strength: “Then... that Yue Feng, we can't provoke this. .. This person is unfathomable, let's... let's just stop here.”

“I... I have already sacrificed my life for this, I don't want... I don't want the entire Tianhaimen to follow in my footsteps...”

The last word fell, Ye Xingyu sank, slowly closed his eyes, and stopped breathing.

“Xingyu!”

Seeing Ye Xingyu's death, Li Qinghai was extremely sad, couldn't help crying out, and couldn't help but cry.

At the same time, the other sect masters around were also disappointed.

“Forget it, we don't want the Qimen exercises in the Tianji Palace. We're leaving.”

“We're leaving too.” In the

next second, many sects said their farewells and left. In order to capture Yue Feng, Tianhaimen, which was tied as the three major sects , has paid such a heavy price, a living example, how dare they continue?

Chapter 5324 In

a blink of an eye, various sects have left a lot.

Phew ...

Seeing this scene, Deng Shiqi took a deep breath, first looked at Ye Xingyu, who was lost, and then at Li Qinghai, and said solemnly: “Elder Li is sorry, since all the sects have given up, we Beihai Xingsu also It's hard to insist, let's say goodbye.”

After speaking, Deng Shiqi greeted the disciples of Beihai Xingsu to leave.

For a time, only Li Qinghai, Ren Pingsheng and the disciples of Lihuomen were left at the scene.

“Ma De.”

Seeing everyone leaving, Ren Pingsheng was very angry, and couldn't help but scolded: “They are all a bunch of rats who are greedy for life and fear of death.”

After speaking, Ren Pingsheng looked closely at Li Qinghai: “Li Qinghai Elder, you must not fail to repay such a bloody feud, don't worry, Lihuomen is willing to continue to persevere with your Tianhaimen.”

“In any case, I will kill Yue Feng and get the Qimen practice of Tianji Palace. “

When he said this, Ren Pingsheng's eyes flashed with madness.

Just now, the various sects killed each other, and the Lihuo Sect also lost many disciples. Ren Pingsheng was a man who would pay revenge. After seeing Yue Feng's methods, he didn't have the slightest timidity in his heart. Instead, he strengthened his stance.

Don't give up until the goal is achieved.

However, Li Qinghai held Ye Xingyu's body quietly, as if he had lost his soul, and did not respond at all.

“Sect Master Ren.”

It took dozens of seconds before Li Qinghai came to his senses, smiled sadly at Ren Pingsheng, and said bitterly, “You have seen the situation just now, Yue Feng is not only extremely powerful, but also a swordsman. Shelter, it is impossible for us to win against him.”

“My Tianhaimen has already suffered heavy casualties. I don't want to make mistakes again and again. If the head of Ren still wants to snatch the Qimen exercises of the Tianji Palace, he can do it himself. I will no longer participate in Tianhaimen.” The

last word fell, Li Qinghai slowly got up and walked away with Ye Xingyu in his arms.

This...

Seeing this situation, Ren Pingsheng's face was blue and white, and there was an unknown fire in his heart, and he had nowhere to vent.

It's okay for other sects to retreat, and now even Tianhaimen has stopped.

Ha ha...

The next second, Ren Ping was very angry and laughed, looking at Li Qinghai's back, and said with contempt: "What is one of the three major sects on the rivers and lakes, Tianhaimen is just like this."

"You are afraid of Yue Feng . And Juggernaut, I am not afraid of Ren Pingsheng, Ma De, when I practice the Qimen exercises of the Tianji Palace, I will definitely annex all of your sects."

After saying this coldly, Ren Pingsheng ordered the disciple next to him. Said: "Set off the 'Heavenly Fire and Flowing Flowers', and invite the 'Sacred Sister' to see me."

"Yes, Master..."

Hearing the order, several disciples quickly responded, then walked to the open space, took out the fireworks they carried with them, and set them off. .

In an instant, a firework rushed into the sky, and in the gorgeous light and shadow, a flame shape condensed. This kind of skyfire flow is the unique firework signal of Lihuomen, and it will only be released unless there is an emergency.

After the fireworks signal was set off, Ren Pingsheng ordered the disciples to rest in place.

Swish...

An hour later, I heard footsteps, and then I saw a dozen elite disciples of Lihuo Sect, surrounded by a graceful and graceful figure, rushing over.

The woman at the head looks like a twenty-five or six-year-old, her hair is like a waterfall, her facial features are exquisite and beautiful, especially those watery eyes, which seem to be able to seduce the soul. Any man who sees it will fall deeply. A fiery red dress could not hide her charming curves.

It was the saint of Lihuomen, Liu Ruxue.

Liu Ruxue, who is twenty-four this year, is Ren Pingsheng's junior sister. This woman is extremely talented and powerful. She has a detached position in Lihuo Sect, second only to the head Ren Pingsheng.

"Ru Xue!"

Seeing the younger sister arriving, Ren Pingsheng showed a smile and hurriedly greeted him: "You are here." The words were full of kindness. Although the two were brothers and sisters, they had a deep relationship, just like brothers and sisters.

Liu Ruxue smiled and said softly, "Senior brother, you ordered someone to set off Tianhuo Liuhua, what's the urgency?" At Lihuomen, Tianhuo Liuhua will not be easily set off unless there is a major accident.

Chapter 5325

Alas!

Ren Pingsheng sighed and said helplessly: "It's not because of that Yue Feng."

Thinking of several plans, all of them failed, Ren Pingsheng was very angry.

The voice fell, Liu Ruxue's delicate body trembled, and her delicate face couldn't hide the surprise: "Didn't we join forces with the major sects, can't we... Still can't deal with that Yue Feng?"

As Lihuomen The holy aunt, Liu Ruxue knew everything about Lihuomen's recent situation like the back of the hand.

Hu...

Ren Pingsheng took a deep breath, nodded slowly, and said, "Yes, this Yue Feng is very difficult, not only has the protection of the Sword Saint, but also his own strength is unfathomable."

After speaking, Ren Pingsheng put the last few days What happened is described in detail.

What?

Knowing the situation, Liu Ruxue bit her lip tightly and was extremely shocked.

Although she has never seen Yue Feng, she has heard of Yue Feng's deeds, but she would never have thought that this rumored person who can only refine alchemy is not only powerful, but also has the protection of the Juggernaut.

Incredible.

"Senior brother!" After a few seconds, Liu Ruxue recovered and couldn't help but said softly, "What are you going to do? All the other sects have given up, and we only rely on our Lihuo Sect, which is probably not Yue Feng's opponent.

Ren Pingsheng narrowed his eyes slightly, nodded and said, "I know this, that's why I asked you to come out. Junior sister, your charm is the best in the world. Anyway, Yue Feng has never seen you and doesn't know your identity. I want to You find a way to get around Yue Feng. Once you have the opportunity, control him."

When he said this, Ren Pingsheng looked expectant.

The reason why Liu Ruxue became the saint of Lihuomen was that in addition to being strong, she also had a kind of 'charm technique' that was lost in all corners of the world. Its at its mercy.

“Okay.”

Hearing this, Liu Ruxue pondered for a while, then nodded, with a bit of interest on her beautiful face: “I also really want to see how special that Yue Feng is. “

Haha...

Seeing her promise, Ren Pingsheng was very excited and laughed: “That’s great, Junior Sister is willing to take action, we have already succeeded in half, I will help secretly when the time comes, as long as we cooperate well, we will be able to Yue Feng captured it.”

.....

A hundred miles northwest of Chunyang Palace, there is a valley with beautiful mountains and rivers and pleasant scenery.

At this time, Yue Feng was meditating quietly on a meadow in the valley.

Half a day ago, Yue Feng found this valley and saw that the heaven and earth were full of spiritual energy, which was very suitable for building a chaotic teleportation array, but after exploring the surrounding environment, he gave up.

Although the environment here is good, it is not concealed enough. I am afraid that some people in the world will make troubles before the teleportation formation is built.

call!

After meditating for a while, Yue Feng stood up slowly, planning to leave the valley and find another place.

“Help!”

However, at this moment, in the woods ahead, there was a panicked cry from a woman, her voice full of panic.

Along with the cry for help, there were also some men’s anger.

“Stinky woman, stop for Lao Tzu!”

“Ma De, want to run?”

Hearing this, Yue Feng frowned secretly, listening to the situation, could it be that the women of that family were robbed by bandits?

Thinking to himself, Yue Feng didn't have time to think, and urged his figure to rush into the woods.

call!

After walking more than 100 meters into the woods, Yue Feng suddenly stopped and took a deep breath.

I saw a woman tied to a tree, her face full of horror, with tears in the corners of her eyes. Around her, more than a dozen men teased her, one or two, and they kept reaching out to take advantage.

“Mad, you're still running, why aren't you running?”

“Tsk tsk...the beauty looks so energetic...”

“Wait for a few brothers, train them well, and you'll know what escape is. It's over.” The

woman was wearing a long white dress, stained with mud, looking dirty, and her long hair was disheveled, but her eyebrows were beautiful and she could tell she was a beautiful woman even from a long distance.

Facing the provocation of these men at this time, the woman was terrified, her body trembled uncontrollably, and she begged for mercy: “I beg you...let me go.”

However, hearing her beg for mercy, more than a dozen men became even more presumptuous.

The ultimate husband in Chinese chapter 5326-5330

Chapter 5326

Nima....

Seeing this scene, Yue Feng was inexplicably angry, this group of people is really hateful, a dozen people bully a woman...

In anger, Yue Feng keenly noticed that these ten Several men wore uniform black long shirts with special logos embroidered on the necklines.

People from the Four Seas Alliance?

Seeing the sign, Yue Feng could tell at a glance that this was a member of the Four Seas Alliance, a subordinate of Gu Sanniang.

Realizing this, Yue Feng was a little relieved. You must know that most of the people in the Four Seas Alliance are some extremely vicious people, and many Jiangyang robbers are the elite backbone of the Four Seas Alliance.

The entire Four Seas Alliance has done bad things in the rivers and lakes, making enemies everywhere. Half a month ago, a sub-altar of the Four Seas Alliance also robbed the materials of the Red Clothes Sect. At that time, Yue Feng was involved in this incident.

In such an organization, it is normal for the people below to bully the weak.

But since you let yourself encounter it, you can't stand idly by.

Thinking to himself, Yue Feng walked over quickly and scolded coldly, "Stop."

Shuh!

Hearing the scolding, more than a dozen people who were still teasing women stopped one after another, their eyes focused on Yue Feng, and their faces flashed with confusion and complexity.

At the same time, the woman who was tied to the tree was also shocked, as if she had grabbed a life-saving straw, and called to Yue Feng: "This son, help, help."

When she shouted, the woman was full of His face was anxious and frightened, but there was a hint of cunning in his eyes.

This woman is not a nearby resident at all, but Liu Ruxue pretends to be.

This chapter is provided by . Visit for daily update.

A day ago, Liu Ruxue was arranged by Ren Pingsheng to approach Yue Feng, and after that, she took a dozen elite disciples to investigate Yue Feng's traces. Finally, half a day ago, the trace of Yue Feng was found near this valley.

As the saint of Lihuo Sect, Liu Ruxue is not only powerful, but also good at strategy. At that time, she decided to make a dozen elite disciples pretend to be members of the Four Seas Alliance, while herself pretending to be a helpless woman. Then staged a scene where a lonely woman was robbed by mountain bandits.

Liu Ruxue is very good at trying to figure out a man's heart. No man will sit idly by when he sees such a scene.

Besides... Yue Feng is not an ordinary man.

At this moment, seeing that Yue Feng was successfully attracted, Liu Ruxue was indescribably excited, but her expression still pretended to be very panic.

I have to say that Liu Ruxue's acting is very similar, but Yue Feng didn't notice it at all.

"Don't panic, girl." Yue Feng said to Liu Ruxue with a face of justice: "With me here, they won't hurt you." The

voice was not loud, but it gave off an unquestionably powerful aura.

Hehe....

Hearing this, Liu Ruxue couldn't help sneering in her heart. This is Yue Feng, who is causing headaches for Senior Brother and the major sects? Doesn't it look good? He fooled him by acting casually.

Thinking of this, Liu Ruxue gratefully nodded towards Yue Feng, with a bit of worry on her delicate face: "Thank you, son, but be careful, these people are very bad..."

Yue Feng smiled and signaled not to be nervous.

It's just a bunch of little bastards, so don't take it seriously, not to mention, he is still Gu Sanniang's VIP, these people from the Four Seas Alliance, knowing their identities, don't dare to make trouble.

"Hey..."

At this moment, more than a dozen men came to their senses one after another, and then, the one at the head looked at Yue Feng up and down, and shouted: "Where is a kid who doesn't know how to live or die? Dare to meddle in his own business? Are you looking for death?"

This The leader was Liu Tong, a close disciple of Ren Pingsheng, who was responsible for helping Liu Ruxue get closer to Yue Feng.

The words fell, and the other companions also started drinking at Yue Feng.

"Do you know who we are? From the Sihai Alliance." "Dare to manage the affairs of the Sihai Alliance, are you tired of living..."

"

The ferocious side is shown, and people who don't know it really think they are people of the Four Seas Alliance.

call!

At this moment, Yue Feng didn't realize that there was anything wrong, his brows furrowed, and he secretly exhaled.

I haven't seen each other for a while, these people from the Four Seas Alliance are really getting more and more arrogant.

Chapter 5327

Thinking, Yue Feng showed a smile and

said to Liu Tong: "It turns out that they are from the Four Seas Alliance, no wonder they are so majestic." Yue Feng's tone sank: "But I want to ask, you guys Gu Sanniang, the general leader of the gang, is this how you usually teach you to do evil everywhere?"

Although he and Gu Sanniang haven't met a few times, Yue Feng has some understanding of her conceit, and she has her own principles for doing things and will not bully her. Weak, and will not condone his subordinates to do evil everywhere.

Um?

Hearing this, Liu Tong's expression was stunned. He didn't seem to expect that Yue Feng would suddenly say this. According to his normal logic, he thought that Yue Feng would directly be a hero to save the beauty.

But he didn't expect that he would involve Gu Sanniang.

At the same time, Liu Ruxue also frowned slightly and muttered in her heart.

The tone of Yue Feng's speech... He also mentioned Gu Sanniang, do they know each other?

No, Yue Feng is the master of the Pill Pavilion of Chunyang Palace, and Chunyang Palace is a well-known and authentic sect in the whole arena. However, the Four Seas Alliance led by Gu Sanniang is notorious in the rivers and lakes. How could the two sides know each other?

He must be playing tricks.

Yes, definitely so.

Thinking to herself, Liu Ruxue lowered her voice and urged Liu Tong: "Don't talk nonsense with him, just force him to do it."

Today's main purpose is to find a chance to get close to Yue Feng, as for the relationship between him and Gu Sanniang is fundamental unimportant.

At this time, the position where Liu Tong was standing just blocked Liu Ruxue, and her voice was very soft, so Yue Feng hadn't noticed it yet.

Um!

Hearing the order, Liu Tong complied, and then shouted at Yue Feng: "What are you? Are you qualified to mention our general leader Gu Sanniang?"

"I warn you, if you don't get out, don't blame us for not doing it. You're welcome."

As he spoke, Liu Tong secretly winked at the surrounding companions, they all knew that Yue Feng was very strong, so they pretended to attack later, and then when Yue Feng fought back, they dispersed.

Haha...

Seeing Liu Tong's arrogant face, Yue Feng couldn't help but smile: "Who am I, you can see this thing." After speaking, he took out a token from his body.

This token was given to Yue Feng by Gu Sanniang when she was separated from Gu Sanniang. Seeing the token is like seeing Gu Sanniang herself. It is a symbol of Gu Sanniang's supreme status in the Four Seas Alliance.

Yue Feng's meaning is very simple, this token, as long as everyone in the Four Seas Alliance knows it, when it is displayed at this time, the group of people in front of them will definitely not dare to be presumptuous.

Um? What is this?

At this moment, seeing the token in Yue Feng's hand, whether it was Liu Tong or his companions, all frowned, secretly surprised.

What is this Yue Feng doing with such a thing?

They are not from the Four Seas Alliance, so naturally they do not know this token.

Especially Liu Tong, who thought that Yue Feng would reveal the identity of the pavilion master of the Pill Pavilion, but he never thought that he would not say anything at all, but instead revealed such a thing.

But soon, Liu Tong reacted and said disdainfully, "Boy, you just want to scare us by taking out something? Think we are three-year-olds?"

Huh?

Seeing him say that, Yue Feng frowned secretly.

Aren't these people from the Four Seas Alliance? How come you don't even know Gu Sanniang's personal token?

Could it be...they are all fake?

After thinking about it, seeing Liu Ruxue tied to a tree, he seemed very embarrassed, but he was not injured at all, and Yue Feng was even more sure of his guess.

These people are not from the Four Seas Alliance, and this woman is also pretending.

"Boy!"

At this time, Liu Tong was in a hurry to complete the task. Seeing Yue Feng standing there thinking, he couldn't help shouting angrily: "Don't get out of here, okay, let's let you know about our Four Seas Alliance today. Terrific." The

voice fell, and he pulled out his long knife and charged directly.

Wow...

At the same time, a dozen or so companions around followed closely behind, slashing at Yue Feng with a long knife in their hands.

Because it was acting, Liu Tong and the others did not burst out with all their strength. At this time, they were just pretending to attack Yue Feng. At this time, everyone seemed to be fierce, but in fact, they were all prepared to flee in embarrassment.

Chapter 5328

Interesting!

Feeling that Liu Tong and the others did not burst out with all their strength, a smile appeared on the corner of Yue Feng's mouth, and he was more certain that the other party was acting.

Since you want to play, then I will play with you.

"Good job!"

Thinking to himself, Yue Feng shouted, raised his hand and slapped it towards Liu Tong, who was rushing towards him.

hum!

This palm seems to be light, but it contains extremely strong power, and the air is rapidly twisted wherever it passes.

After knowing that the other party was pretending to be, Yue Feng planned to do it all. This palm did not burst out with all his strength, but after all, the power in his body was divine power.

boom!

Liu Tong didn't have time to dodge at all. He was hit hard by the palm of his hand. He heard a groan, and his whole body was shaken and flew out, flying more than ten meters before he fell heavily to the ground.

"Pfft..." After landing, Liu Tong spurted out a mouthful of blood, staring at Yue Feng tightly, full of astonishment.

It's no wonder that more than a dozen sects joined forces before and couldn't capture him. This Yue Feng is really powerful.

Hiss...

At the same time, the other companions around couldn't help but take a breath, looking at Yue Feng's eyes full of fear, and at the same time, they all stopped.

The Pill Pavilion Master of the Chunyang Palace is really powerful. Fortunately, the big guy is just acting. If he really goes up and tries his best, I am afraid that none of them will survive.

Yue Feng slammed Liu Tong into the air, and did not take advantage of the situation to pursue, but stood there with a leisurely expression, wanting to see what Liu Tong would do next.

"You..."

Finally, after more than ten seconds, Liu Tong struggled to stand up, and shouted at Yue Feng very shyly and angrily: "You have the seeds, do you dare to tell your name?"

When he said this, Liu Tong was full of shock.

Speaking of which, before acting just now, Liu Tong had already prepared in his heart that he might be hurt by Yue Feng, but he never thought that Yue Feng's strength was far beyond his imagination.

At this time, Liu Tong clearly sensed that his internal strength had been dissipated, and he had broken a few ribs. If he wanted to recover, he would have to rest for at least two months.

Hearing the questioning, Yue Feng replied lightly: "Yue Feng!"

"Yue Feng!"

Liu Tong repeated, struggling to stand up, his eyes flashing with resentment, and he uttered a cruel sentence: "Yue Feng, right? I'll wait." Saying this, he greeted his companions and fled into the depths of the woods.

In the blink of an eye, Liu Tong and the others walked away cleanly.

Haha...

Seeing this scene, Yue Feng secretly laughed in his heart, this group of people is really interesting, they all ran away before they had a complete fight.

Thinking to himself, Yue Feng turned his head and looked at Liu Ruxue with a half-smile.

Still an absolute beauty.

I hadn't noticed it before, but now, upon closer inspection, Yue Feng realized that the woman in front of her had beautiful facial features. Although her face was dirty, she couldn't hide her shocking face, especially her graceful curves, which could be called perfect proportions.

Even though Yue Feng had seen so many beauties, seeing Liu Ruxue at this time still felt amazing.

"Master... son."

Yue Feng's gaze made Liu Ruxue feel uncomfortable, and immediately lowered her head, looking weak and pitiful: "Thank you for saving me..." When she said this, Liu Ruxue secretly let out a sigh of relief.

The acting went well here, so Yue Feng should have no doubts.

At this time, Liu Ruxue didn't know yet, but Yue Feng had already seen through it, but he hadn't broken it yet.

Yue Feng smiled: "You're welcome." After speaking, he turned around and prepared to leave.

"Young Master!"

Just after taking two steps, he heard Liu Ruxue's anxious cry: "Young Master, stay a step..."

Yue Feng stopped, looked back, and saw Liu Ruxue biting her lip, a look of embarrassment look.

"Can you help me untie..." Liu Ruxue said softly, with a pleading look in her eyes, but she was speechless in her heart. A beautiful girl of hers was still tied to a tree, can't he see it? ?

This Yue Feng is really not playing cards according to common sense.

Oh!

Hearing this, Yue Feng looked stunned and nodded embarrassedly: "I'm sorry, I was in a hurry, I forgot that you were still tied."

Chapter 5329

While talking, Yue Feng turned around and tied Liu Ruxue loose.

In fact, Yue Feng knew that she was still tied, but he deliberately pretended not to know.

After loosening the ties, Liu Ruxue rubbed her somewhat red wrists and gave Yue Feng a salute: "Thank you, Young Master for your rescue." I have to say, this Liu Ruxue is worthy of being the number one beauty in Lihuo Clan, with every frown and smile. It's style.

However, Yue Feng seemed to be invisible, nodded and said lightly: "Well, you're being polite."

"The gangsters have already run away, you can go home quickly, I have something else to do, and we are destined to see you again.

", Yue Feng turned around and left.

The moment he turned around, Yue Feng had a smirk on his face, and slyness flashed in his eyes.

Haha...

This woman thinks she's pretty and thinks I'll greet you, but I'm not like that. Let's see how your next play will go on.

Yue Feng has been in the rivers and lakes for a long time, and before he started with Liu Dong and others, he could see that Liu Ruxue, who was tied to a tree, was the leader.

This...

Seeing Yue Feng leaving again, Liu Ruxue stomped her feet anxiously, is this Yue Feng a man, why is there no amorous feelings at all? According to normal thinking, shouldn't I be asked if I'm injured? But he didn't ask anything, honestly hurried away.

In Liu Ruxue's plan, she pretended to be a weak woman who was robbed by the Four Seas Alliance, and was rescued by Yue Feng by chance.

But she never thought that Yue Feng would be so indifferent, completely different from what was envisaged in the plan.

"Anything else?" Yue Feng stopped and looked at her with a smile.

Liu Ruxue breathed a sigh of relief and made a very weak look: "I...my wrists are numb and my legs are a little sore, can I...can I go with you?"

"I'm afraid just now Those people will come and go, and when the young master is gone, I will still be bullied by them..."

Hehe...

Finally showing the fox's tail, this is an excuse to approach me.

At this moment, Yue Feng smiled secretly, and instantly guessed Liu Ruxue's thoughts, but instead of saying it on the spot, he nodded and said, "Well, you can come with me for the time being."

Since you like acting so much, I'll have a good time with you.

Seeing Yue Feng agree, Liu Ruxue was relieved, Yue Feng did not refuse, and his plan was half successful.

Thinking to herself, Liu Ruxue said gratefully, "Thank you, son."

As she spoke, Liu Ruxue's delicate face was a little embarrassed: "But my hands and feet..." A weak woman, injured Wrists, legs are also sore, a man will take advantage of this opportunity.

She thought about it, as long as Yue Feng was bewitched by her beauty and couldn't help but approach, she would use the 'Charm Technique' and take the opportunity to control him.

However, she misunderstood Yue Feng.

"Your wrist is sore. It's because you helped too tightly just now, and there was congestion inside." Yue Feng glanced at Liu Ruxue lightly, and said slowly, "Wait for a bit of activity, it'll be fine."

"As for you . The same is true for the weak legs."

"Okay, let's go with me."

After saying the last sentence, Yue Feng walked forward first, without any intention of coming to help.

This....

For a while, Liu Ruxue was stunned again, looking at Yue Feng's back, biting her lips lightly, she felt that she had been humiliated invisibly, and had an indescribable sense of frustration.

What the hell is going on?

I'm not ugly, why can't I attract this man?

Thinking to herself, Liu Ruxue quickly followed, regained her mood, and couldn't help but said, "Master, don't you want to know why I was caught by those people?"

When she said this, Liu Ruxue said Very depressed.

According to the plan, these words were originally waiting for Yue Feng to ask, and then Liu Ruxue said it logically, and Liu Ruxue had already prepared the answer in her heart, but Yue Feng never asked, which made Liu Ruxue very depressed , and finally couldn't help but say it.

Hahaha.. This woman really can't hold her back at all.

The appearance of Liu Ruxue made Yue Feng very funny, but he held it back. He patted his forehead at the time, and asked in hindsight, "Yes, I almost forgot, why did they arrest you?"

Chapter 5330

"Uuuu..."

As soon as the words came out, Liu Ruxue cried very aggrieved, and started to sell miserably without losing the opportunity: “Young master doesn’t know anything, I... my life is too bitter. “...”

“My home is not here, but in Qingyun Lake, a hundred miles away in the northwest. All ancestors were fishermen who fished on Qingyun Lake. A month ago, a plague suddenly occurred, and my family and villagers died. I was lucky enough to escape, and then went out to make a living, but I didn’t expect that as soon as I got here, I would be targeted by those bad people who claim to be the Four Seas Alliance...”

“If the son suddenly appeared, I really don’t know what I would be. The end...”

Liu Ruxue’s crying pear blossoms brought rain, while telling, while paying attention to the changes in Yue Feng’s expression.

Of course, these life experiences were pre-edited by her in order to gain Yue Feng’s sympathy.

Pretty good at editing.

Yue Feng’s eyes were like torches, and he could see Liu Ruxue’s small movements clearly, and he sneered in his heart, but on the surface he made a very sympathetic look: “Oh, I didn’t expect the girl to be so miserable.”

Seeing Liu Ruxue acting so vigorously, Yue Feng was also interested. At this time, he had already guessed that this woman may have been sent by those sects, and I just wanted to see what tricks she could play in the end.

Ugh!

Seeing Yue Feng’s face of approval, Liu Ruxue sighed softly, and said quietly, “I’m not afraid of your son’s jokes, I have no relatives now, and I really don’t know where to go.”

“If the son doesn’t dislike it, let me I will stay by my side to wait on me, the son saved me just now, and my life will belong to the son in the future.”

When she said this, Liu Ruxue looked pitiful, but there was a hint of gloom in her eyes.

Yes, her ultimate goal is to get close to Yue Feng, so that she can control him with charm.

call!

At this moment, Yue Feng breathed a sigh of relief and did not respond immediately, but he understood something in his heart.

After a long time, this woman wants to win my sympathy and stay by my side. I have to say, this trick is really enough. She describes herself as lonely and lonely, and then I will definitely take her to Chunyang Palace. , and then she will have the opportunity to snatch the Qimen Cultivation Technique of the Heavenly Secret Palace. Thinking to himself, Yue Feng scratched his head: "Then... well, but I am a more casual and lazy person. You will

definitely endure hardship when you follow me."

By the way, by the way, check to see which sect sent this woman.

"You're welcome."

At this moment, Liu Ruxue said very seriously: "I was born into a poor family, and I'm not afraid of hardships. As long as the son is willing to stay with me, I will be satisfied."

Hmm!

Yue Feng nodded and stopped talking nonsense: "Let's go!" After saying that, he walked forward first.

Liu Ruxue quickly followed, because she wanted to hide her identity, Liu Ruxue did not dare to reveal her strength at all, and walked with Yue Feng in the mountains as an ordinary woman.

Yue Feng seized this point, and chose some difficult mountain roads along the way, and did not stop for several hours.

Liu Ruxue didn't dare to exert her internal strength. After a few hours, she only felt that her legs were sore and painful as if they had been filled with lead, and her feet were also blistered. At that time, she almost wanted to cry without tears.

call!

Finally, when it was getting dark, Yue Feng and Liu Ruxue came to a cave, Yue Feng found a large flat rock, lay down comfortably on it, took a deep breath and said, "It's getting dark, let's rest here for a while. ."

At this moment, Liu Ruxue nodded hurriedly, and at the same time was relieved, she could finally rest, and if she walked on, her feet would be worn out.

At this time, Liu Ruxue felt very aggrieved.

The dignified saint of Lihuomen has an extraordinary identity. When has she suffered such a useless situation? But for the brother's plan, I had to endure it.

Thinking to herself, Liu Ruxue was also going to find a place to rest.

“That’s right!”

However, at this moment, Yue Feng suddenly sat up, looked at her and asked, “You said before that your ancestors were all fishermen?” His face was peaceful, but his eyes were sly.

“Ah?”

Liu Ruxue was stunned when she heard the question, and then nodded quickly, “Yes, son.”

Chapter 5331

Yue Feng smiled slightly, pointed to the creek in front of the cave, and said lazily: "That's good, we've walked for such a long distance just now, we're really tired and hungry, there should be fish in this creek, you Catch a few and bring them up."

"I'm going to prepare a bonfire, and when you catch the fish, let's grill the fish."

When he said this, Yue Feng looked serious, but there was a bit of deep meaning in his eyes.

Before Liu Ruxue said that her ancestors were fishermen for several generations, Yue Feng naturally didn't believe it, so she took this opportunity to try her and see how she responded.

What?

Let me go catch fish?

At this moment, Liu Ruxue's delicate body was shocked, and her delicate face could not hide the complexity. When did she do this kind of subservient work?

Moreover, in Lihuomen, she has a maid to take care of her in her life, so how can she catch fish.

But... I said before that my family is all fishermen, and now it's too late to change my tune.

For a time, Liu Ruxue was very depressed and regretful. She knew that Yue Feng would let him catch fish, and he didn't say that his ancestors were fishermen before. To put myself in an embarrassing situation right now is really self-inflicted.

Um?

Seeing her standing still and squirming, Yue Feng held back a smile and looked puzzled: "What's wrong? Didn't you say before that you will be a cow and a horse by my side in the future? Don't you want to catch fish? He could see that Liu Ruxue didn't know how to catch fish at all ,

so he deliberately provoked her again.

"No no..."

Liu Ruxue quickly shook her head and said in a panic, "Young master, I didn't mean that, I was just thinking that it's getting dark and it's hard to catch fish."

This chapter is provided by . Visit for daily update.

"I... I'll go now." As

she said, Liu Ruxue endured the pain on the soles of her feet and slowly walked towards the stream.

Forget it, since she's pretending to be a fisherman's daughter, I'll try to catch two later.

Liu Ruxue thought about it, and when she got to the creek, she found a place that Yue Feng couldn't see, exerted her inner strength, and used her palm technique to shake a few fish up.

However, Yue Feng did not give her the opportunity to use her internal strength secretly.

Just as Liu Ruxue was walking towards the stream, Yue Feng stood up, quickly picked up some firewood around, and then lit a bonfire at the entrance of the cave.

After doing this, Yue Feng walked slowly towards the stream with his hands behind his back, humming a little song in his mouth.

This....

At this time, Liu Ruxue was about to use her internal strength by the stream, when she suddenly saw Yue Feng coming from behind,

she was stunned: "Master, why are you here?" Son, it must not be exposed, otherwise, the plan to approach Yue Feng will fail.

Thinking about it, Liu Ruxue decided to find a reason to let Yue Feng go.

"I've already made the bonfire." Yue Feng said with a smile: "I'm just waiting for your fish, it's okay to be left and right, just come and see how you catch the fish."

When he said this, Yue Feng looked on his face. Curious, but happy in my heart.

Obviously everyone in the rivers and lakes, if you have to pretend to be an ordinary fisherman, I want to see how you catch fish later.

Huh....

Hearing this, Liu Ruxue was very depressed, but her face was calm, she said with a shallow smile: "There's nothing good in catching fish, it will make you smell fishy, son, you are still here. Wait by the campfire, I'll go after I catch the fish."

With Yue Feng by his side, he couldn't use his palm to shake the fish, so he had to get rid of him.

How could Yue Feng not know her thoughts? At that time, he shook his head and said indifferently: "It's okay, I'm just looking at it, I won't disturb you, if you're afraid of the fishy smell on my body, I'll just stand a little further away."

After that, Yue Feng stepped back a few times. He took a step, his eyes were full of anticipation, and he had no intention of leaving at all.

This Yue Feng...

At this moment, Liu Ruxue wanted to cry without tears. Is there something wrong with Yue Feng's brain? What's so good about catching fish?

No... Did he notice something? Begin to doubt my identity, will this be the case?

On second thought, if Yue Feng had doubted my identity, he would have exposed it on the spot, and he would not have waited until now.

Thinking of this, Liu Ruxue said with a helpless smile: "Okay, then, the son will be optimistic." After saying that, he walked aside, broke a branch, and slowly walked into the water.

Chapter 5332

This...

The moment when both feet stepped into the stream, Liu Ruxue stared at the water surface, looking seriously for the whereabouts of the fish, but she was depressed.

As the saint of Lihuomen, she has always been dressed in fine clothes and jade. Although she has eaten a lot of delicious fish, this is the first time she has caught fish, and she has no clue at all.

What is even more speechless is that he has no strength, but he can't show it, and he has to use the fisherman's method to catch fish.

The more Liu Ruxue thought about it, the more depressed she became, but she had no choice, her identity could not be revealed, she could only bite the bullet and go back and forth in the creek, trying her best to catch fish.

However, she didn't know how to use it. She saw the fish right in front of her several times, but she couldn't catch it. Not only did she not catch the fish, but the long skirt on her body was almost splashed with water.

At this time, the moonlight was bright, casting a silvery patch on the mountains.

Under the moonlight, Liu Ruxue's soaked long skirt was tightly attached to her body, showing the charming and graceful curves without reservation.

Phew...

Seeing this scene, Yue Feng couldn't help but secretly admired it.

So beautiful.

It's a pity that such a beautiful woman with such a temperament does not stay well in her own place, and insists on running to my side to act.

With emotion in his heart, Yue Feng simply sat on the grass by the creek and slowly appreciated it.

Swish!

The distance between the two was more than ten meters, and it was night again, but Liu Ruxue could still clearly feel Yue Feng's gaze.

However, Yue Feng wasn't finished yet. Seeing that Liu Ruxue couldn't catch the fish, he couldn't help laughing: "Girl, it's been a while, why haven't you caught a single fish?"

"Didn't you lie to me? Your ancestors weren't fishermen?"

When he said this, Yue Feng's tone was very gentle, but his eyes were a bit sharp.

"No..."

Liu Ruxue panicked, and quickly explained: "Don't get me wrong, son, I really didn't lie to you, my ancestors were really fishermen, I have been fishing with my family since I was a child, but we all fish. It's daytime, and now it's too late..."

Perhaps she was too nervous, and the bottom of the creek was full of slippery stones, so Liu Ruxue fell down accidentally.

Whoa!

In an instant, a burst of water splashed around, and Liu Ruxue fell into the creek, soaking wet.

Seeing this scene, Yue Feng was instantly overjoyed, but his eyes were a little dignified.

This woman is really persistent, and she is still pretending to be.

Thinking to himself, Yue Feng said to the embarrassed Liu Ruxue: "Forget it, stop catching fish, I'll come, you go to the bonfire and bake your clothes."

Since you still don't want to reveal your true identity, then I'll play with you and see how long you can play.

Um!

Hearing this, Liu Ruxue, who had just stood up from the water, her delicate face flushed red all of a sudden, and she was so embarrassed that she could not wait to find a crack in the ground to get in.

After all, she is also the saint of Lihuomen. She has an extraordinary position. Now she is so embarrassed to catch fish. If she is seen by the disciples of Lihuomen, how will she have any face in the future?

Depressed, Liu Ruxue lowered her head, not daring to look at Yue Feng, and walked to the bonfire to bake clothes silently.

Yue Feng stopped talking nonsense, broke a branch, quickly stabbed a few fish, and then returned to the campfire and roasted it seriously. After a while, the smell of fish was overflowing.

"So fragrant!"

At this moment, Liu Ruxue couldn't help but sighed in admiration, and then took the opportunity to ask Yue Feng, "I don't know where the son is from." Of course she knew that Yue Feng was the Pill Pavilion of the Pure Yang Palace. Lord, but in order to play the trick, I deliberately asked.

Yue Feng smiled: "Just a wandering person on the rivers and lakes."

After saying that, he handed a grilled fish to Liu Ruxue.

Hearing this answer, Liu Ruxue was stunned for a moment. Yue Feng was quite cautious, but he didn't say that he was the Pill Pavilion Master of Chunyang Palace.

Thinking to herself, Liu Ruxue didn't ask any more questions and ate the fish very reservedly.

To be honest, Liu Ruxue didn't want to eat Yuefeng's roasted food, but after walking for a few hours just now, she was really hungry. More importantly, Yuefeng's roasted fish was so delicious.

After a while, a few fish were wiped out by Yue Feng and the two of them.

During Chapter 5333,

Yue Feng asked several questions, all about Liu Ruxue's life experience.

Liu Ruxue was well prepared, and answered every question without leaking, so that no one could find the slightest problem.

For a while, Yue Feng couldn't ask any more questions.

After eating the fish, Liu Ruxue sat by the bonfire and dried the clothes completely, then walked slowly to Yue Feng, with a gentle face, and said softly: "Young master, are you tired, do you want me to beat your legs for you? At

this time, Liu Ruxue looked gentle and pleasant, but there was a bit of coldness in her eyes.

That's right, Liu Ruxue is going to use the charm technique on Yue Feng. She is very confident in her appearance. As long as she is a man, it is impossible to block her gentle offensive.

Just to use the charm technique, you need to get close to Yue Feng, so it is proposed to beat Yue Feng's legs.

Um?

At this moment, Yue Feng was stunned for a moment, staring at Liu Ruxue's charming face, and couldn't help muttering in his heart.

Is this trying to seduce me? Finally can't help but start?

Thinking to himself, Yue Feng stretched his waist and nodded, "Okay then." After speaking, he stretched out his right leg.

Liu Ruxue smiled lightly, then slowly squatted down, and began to beat Yue Feng's legs. The surface is gentle, but the heart is extremely cold. I thought that this Yue Feng was different from other men, but it turned out to be a womanizer.

She thought about it, after she used the charm technique to control Yue Feng, she must make his life worse than death.

Huh...

Yue Feng was enjoying himself, but he was always vigilant in his heart, but at this moment, he couldn't help but take a deep breath while admiring Liu Ruxue up close. At this moment, Liu Ruxue squatted in front of him, giving Yue Feng the best viewing angle.

This woman is really dying.

If it were other people, I'm afraid that they would have lost their minds long ago, but it's a pity that this woman met me, Yue Feng.

Wow...

Just when Yue Feng was thinking about it, suddenly, in the woods not far away, there was a sound of footsteps, and there were many people listening.

The next second, I saw dozens of big men rushing out of the woods, all dressed as mountain bandits, fierce and vicious, with long knives in their hands. Eyes are daunting.

interesting!

Seeing these mountain bandits, Yue Feng did not panic at all, but instead showed a smile, and looked at Liu Ruxue with deep meaning.

This woman really knows how to play, and let her companions pretend to be mountain bandits again.

Thinking to himself, Yue Feng asked with a faint smile, "Is this arresting you again?"

"I...I don't know." Liu Ruxue shook her head, her beautiful face full of doubts. Where did this group of bandits come from?

do not know?

Seeing that Liu Ruxue's expression didn't look like she was pretending, Yue Feng couldn't help frowning secretly. Could it be that these are real bandits?

Yue Feng guessed right, these people are the nearby mountain bandits, the leading bearded man, called Liu Peng, was originally a Jiangyang robber, but later felt that the days of wandering around were too tiring, so he gathered a group of people, occupying the mountain as the king, and himself Be the leader of the mountain bandits.

Whoa!

At this moment, Liu Peng and his men quickly surrounded Yue Feng and the two.

The next second, Liu Peng's face was full of arrogance, and he said coldly to Yue Feng: "If you don't want to die, quickly take out the valuables on your body. Otherwise, you will be chopped up and fed to the wealthy wolf on the mountain."

The tone is unmistakable, very arrogant.

Huh...

Seeing this scene, Liu Ruxue's body trembled, pretending to be very panicked, hiding behind Yue Feng, and terrified: "What about the son?"

Seriously, if you encounter these mountains normally The bandit, Liu Ruxue solved it immediately, but now it is different. Now pretending to be a woman from a fisherman's family, if she behaves too calmly, it will make Yue Feng suspect.

At this time, while Liu Ruxue was weak in front of Yue Feng, there was a secret fire in her heart.

This gang of mountain bandits who don't have long eyes will come sooner or later, but they will come when I am about to cast charm.

Hehe...

Seeing that Liu Ruxue was dressed like the real one, Yue Feng smiled and ignored it, but looked at Liu Peng and said, "Everyone, we are just ordinary people. We pass by here, and we have nothing valuable on us."

Chapter 5334

"Nothing of value?"

Hearing this, Liu Peng squinted, looked at Yue Feng up and down, and sneered: "Boy, who are you deceiving with your special code, even the long gown you are wearing is not an ordinary person. You can afford to wear it."

"If I guessed correctly, which big family's son-in-law are you?"

He was often robbed, and he was well-informed. The brocade gown on Yue Feng's body was simply unaffordable for ordinary people.

Um? The eyes are pretty poisonous.

Seeing the other party revealing his own lie, Yue Feng was stunned for a moment, and then smiled: "If this good man likes my clothes, I will take it off."

After speaking, Yue Feng was about to take off his long gown.

Seeing this scene, Liu Peng suddenly became angry and shouted angrily: "What are you doing, kid? Stop, who cares about your ragged clothes?"

"I want money."

Yue Feng shrugged, With a cynical look on his face: "I don't have any money on me, so this dress is the only valuable thing. If you don't want it, forget it .

"

For so many years, this is the first time the bandit has encountered such a dumb boy.

In his anger, Liu Peng was still scolding, when he suddenly saw Liu Ruxue hiding behind Yue Feng, his eyes lit up, and the whole person was dumbfounded.

My god!

How can there be such a beautiful woman in this world?

This skin is as tender as the water tofu that has just come out of the pot. When you see it, you can't help but want to take a bite. It's life-threatening.

At this time, Liu Ruxue, although she just fell into the stream, was very embarrassed, but she still couldn't hide her charming beauty. In an instant, whether it was Liu Peng or the other bandits around, all eyes were straight.

Gudong!

After watching it for more than ten seconds, Liu Peng swallowed his saliva and pointed at Liu Ruxue: "Hey, you don't have any money, right? That's alright, give me this beauty and I'll let you go, why? Like?"

As he spoke, Liu Peng couldn't help but wipe his saliva.

In the past few years as the leader of the bandit, I have robbed a lot of property. I drink big bowls with my brothers every day, eat meat in a big mouth, and live a very happy life.

It seems that God sees that he has been alone for a long time, so he will send a beautiful woman tonight, haha...

Thinking of this, Liu Peng is too beautiful in his heart.

At this moment, the other bandits around were also howling and booing like crazy.

"Boss, this woman is so beautiful..."

“Pull it back to be Mrs. Yazhai haha...”

“I didn’t come out in vain tonight!”

The bandits shouted, all eyes were unscrupulous at Liu. Measured like snow.

Swish!

Faced with this situation, Liu Ruxue’s beautiful face instantly turned red, and the anger in her heart also rose.

As the saint of Lihuomen, whoever sees her is always polite, even Ren has always been courteous to her, when would anyone dare to be so rude to her?

But thinking of her identity at this time, Liu Ruxue took a deep breath and endured it.

Even if these bandits are hateful, there is also Yue Feng. After all, he is the Pill Pavilion Master of Chunyang Palace, and he will definitely not let them do whatever they want.

Moreover, since he is so beautiful, Yue Feng will not be willing to be bullied by these bandits.

Thinking of this, Liu Ruxue clung to Yue Feng’s arm and said in a panic, “Young Master, these people are bandits with many evildoings, don’t give me to them.”

Hmm!

Yue Feng responded lightly, and then smiled at Liu Peng: “This hero, you also heard, she doesn’t want to go with you, so... you should go rob others.”

When saying this, Yue Feng The wind still looked relaxed and indifferent, and there was no tension in the face of danger.

Mad! Hearing this, Liu Peng glared at him and became completely angry: “I want to rob, it does n’t

matter if you want it or not, do you think I will play a house with you?”

Take her away.” The

voice fell, Liu Peng’s inner strength exploded, he raised the long knife in his hand, and slashed directly at Yue Feng.

Chapter 5335

Hehe... Really courting death.

Seeing this scene, Liu Ruxue, who was hiding behind Yue Feng, sneered at the corner of her mouth.

This gang of incompetent mountain bandits really don't know whether to live or die, and they dare to be so arrogant in front of the Pill Pavilion Master of Chunyang Palace, it is simply self-defeating.

In Liu Ruxue's heart, with Yue Feng's strength, he could easily deal with the bandits like Liu Peng. So the expression on the face is very nervous, but the heart is not panic at all.

call!

At this moment, Yue Feng Yuguang noticed the change in Li Ruxue's expression and couldn't help but secretly smile.

Does this woman think I'll make a move?

Then I'm not what you want.

Thinking to himself, Yue Feng looked astonished: "Oh, you are unreasonable, how can you do it?" After speaking, he turned around and ran.

At the same time, he did not forget to hold Liu Ruxue's hand: "Run, there are many opponents, so I may not be able to fight."

What?

Hearing this, Liu Ruxue's body trembled, and she couldn't help but say: "Young Master, you...you didn't beat back the people of the Four Seas Alliance before, how could these bandits be beaten?"

How could he be pure? The Pavilion Master of the Pill Pavilion in Yanggong, moreover, all the more than a dozen sects united before, were unable to capture him, but all of them suffered heavy casualties.

Moreover, senior brother Ren Pingsheng also said before that this person's strength is unfathomable, how can he be so panic in the face of a gang of bandits?

Hehe....

Seeing her puzzled face, Yue Feng couldn't help but smile bitterly and said, "You don't know, I was injured a day ago and I haven't recovered yet, so naturally I'm no match for these bandits. "

Yue Feng knew that Liu Ruxue deliberately fabricated a lie while waiting for him to teach these bandits a lesson.

Yue Feng thought about it, and when he was defeated, at a critical moment, this woman would definitely not be able to bear it. At that time, her true identity would not be able to be concealed.

Injured the day before?

Hearing such an answer, Liu Ruxue was stunned again. Could it be... that Yue Feng was injured when his senior brother and other sects joined forces to contain them?

“The kid is still running?”

Just as Liu Ruxue was thinking, Liu Peng and the other bandits had already caught up, shouted loudly, and slashed at Yue Feng’s back.

Yue Feng’s eyes and hands are quick, and he pushed Liu Ruxue away and avoided the knife at the same time.

Immediately, Yue Feng turned around and fought with Liu Peng.

At this moment, several bandits rushed up quickly, directly surrounding Liu Ruxue and tying her up.

call!

Liu Ruxue did not resist, let them tie their hands and feet, and looked at Yue Feng closely.

In her heart, although Yue Feng was injured, it was more than enough to deal with these bandits. Therefore, you don’t have to reveal your identity and strength at all.

But she was wrong.

Bang Bang Bang...

Yue Feng and Liu Peng played against each other for more than ten rounds. In the end, they deliberately revealed a flaw and were hit by Liu Peng’s palm. At that time, Yue Feng groaned and took a few steps back pretending to be very painful. Ass fell to the ground.

“Oh, it hurts me to death.”

Yue Feng covered the place where he was beaten, grinned a few times, and then pretended to call at Liu Peng: “Well, you bold bandit, do you know who I am? Dare to rob me?”

As he spoke, he paid attention to Liu Ruxue’s side.

Haha... This woman thought I would take care of these gangsters, but I just lost, see what you do.

“Humph!”

Liu Peng sneered: “I don’t care who you are, when you come to my realm, you have to listen to me and tie him up to me.” The voice fell, and several bandits came over and tied Yue Feng Wuhua. .

How could this be?

Seeing that Yue Feng was also tied up, Liu Ruxue’s delicate body trembled, and her eyes were full of astonishment.

This Yue Feng, after all, is also the Pill Pavilion Master of Chunyang Palace, why can’t even a bunch of bandits handle it. Could it be that what he said just now was true, that he was seriously injured a day ago?

If this is the case, it will be too late if you don’t act.

No... If you do it yourself, your identity will be hidden, and the plan to approach Yue Feng will be completely ruined.

For a while, Liu Ruxue hesitated in her heart, but decided to endure the humiliation temporarily.

Um?

Seeing that Liu Ruxue’s eyes were flickering, and he never meant to take action, Yue Feng also frowned secretly.

This woman is quite patient, and she still refuses to take action at this time.

Well, since you still have to do it, I will accompany you to do it.

The ultimate husband in Chinese chapter 5336-5340

Chapter 5336

Yue Feng thinks about it, and continues to spend with Liu Ruxue to see how long she can endure.

Haha...

After grabbing the two of them, Liu Peng was very excited and looked at Yue Feng with a proud face: "With this little strength, how dare you fight with Laozi?" He patted Yue Feng's face.

At the same time, the other bandits in the surrounding mountains also shouted in flattery.

"That's right, it's beyond your own power.."

"Tai Sui's head is breaking ground, looking for death." "Haha.... The boss was really mighty just now. He

took this kid down with only three moves."

An arrogant, Yue Feng sneered and said nothing.

Seriously, if it wasn't for the purpose of forcing Liu Ruxue to reveal his true identity, Liu Peng's bandits in the mountains would have taken them down just now.

Huh ...

Liu Ruxue is Xiumei frowning lightly, biting her lip lightly, her heart entangled again.

How to do? Now that both of them have been caught, do you still want to keep pretending?

Forget it, let's take a step by step. After all, this Yue Feng is the Pill Pavilion Master of Chunyang Palace, and he must have a way to escape the danger.

Thinking of this, Liu Ruxue prepared to continue watching.

"Take them all and go back to the stockade."

This chapter is provided by . Visit for daily update.

At this time, Liu Peng took the lead in the direction of the cottage with a big wave of his hand after being bragged by many of his subordinates.

"Back to the village!"

The bandits in the mountains responded in unison, followed by Yue Feng and Liu Ruxue, each of them was indescribably excited. They came out tonight to try their luck. My son-in-law, he also caught a fairy-like beauty, which was a windfall.

"Young Master!" On the way, Liu Ruxue

took advantage of the inattentiveness of the bandits on both sides, and quietly said to Yue Feng, "What should I do now?"

However, in order to plan, without revealing his strength, he can only pin all his hopes on Yue Feng.

Ha ha...

Seeing her worried face, Yue Feng secretly laughed.

Does this woman think I can get out of trouble? Then I'm not what you want.

Thinking in his heart, Yue Feng sighed and put on a bitter look: "Alas... I'm afraid this time the misfortune will be much worse. My injury is too serious. If I want to recover, I have to wait until tomorrow at least."

"But These bandits are very vicious, and it is estimated that they will deal with us before tomorrow. When we get to the cottage, whether we live or die depends on our respective good fortune." As

he said this, Yue Feng's eyes showed a little bit of disdain. smile.

This...

Hearing this, Liu Ruxue panicked completely. If he had nothing to do, wouldn't he be even more passive?

"Young Master..." Under the anxiety, Liu Ruxue bit her lip, still holding the last glimmer of hope in her heart: "You...are you really helpless?"

Yue Feng looked helpless: "You also saw it just now. When I arrive, I can't beat them at all, how can I do it?" As

they were talking, the bandits brought Yue Feng and the two to a hidden cottage.

I saw that this cottage was built halfway up the mountain, surrounded by a tall and lush forest. The buildings of the entire cottage were all made of wood, and the tops of each house were camouflaged with straw. At the entrance of the cottage, there were also A bamboo forest, it can be said that this place is difficult to find even if you pass by.

Don't look at Liu Peng's stature, he looks like a reckless man, but in fact this man is very cunning. He designed the entire cottage, and it is because the cottage is very hidden, so he has escaped the encirclement and suppression of the government more than a dozen times.

Haha...

At this time, in the main hall, Liu Peng sat on the chair in the center with a look of excitement, and shouted: "Bring the wine." The

voice fell, and a few men came in with a few jars of wine.

At this time, several small leaders also sat down on both sides of the hall, Yue Feng and Liu Ruxue were tied to the pillars next to them.

Gudong!

Liu Peng took a few sips of wine, full of joy, and smiled at the little bosses around him: "Tonight is really an unexpected harvest, I caught a young master, and a stunning beauty, haha... You brothers have worked hard just now. "Come on, I respect you..."

"Boss is polite..."

"Drink..." The

little bosses raised their wine bowls with a smile, and after touching Liu Peng Yaoyao, they raised their heads to drink one by one.

Chapter 5337 In the

next second, a little leader named Deng Qi said to Liu Peng with a look of flattery: "Boss, we have a good luck tonight, this kid looks like the son of a rich family, now we can finally It's done."

After speaking, Deng Qi looked at Yue Feng coldly: "Boy, where is your home? Tell me, so that we can contact your family so that they can pay for you." The

voice fell, Liu Peng and the other little leaders also looked at Yue Feng with a smile like Concubine Xiao. In their eyes, Yue Feng at this time was the meat on the chopping block, and they could knead them any way they wanted.

Phew...

At this moment, Liu Ruxue also looked closely at Yue Feng, wanting to see how he reacted.

Under everyone's attention, Yue Feng smiled, with a condescending look, and said lightly: "You guys, you guessed wrong, I'm not the son of a wealthy family, I'm just a wanderer."

"If you want to . I'm afraid it won't work if you use me to pay back the money."

When he said this, Yue Feng looked indifferent, without the slightest panic.

Um?

Hearing this, whether it was Liu Peng, Deng Qi and other small leaders, their faces sank, and they all felt angry.

This kid has a kind of ah, at this time, he is not afraid of death.

Thinking to himself, Deng Qi stood up abruptly, strode in front of Yue Feng, and said viciously: "Boy, do you know where this place is? He even smiled with us."

"I ask you, can I get it from you? Money?"

Yue Feng said with a fearless face, "I'm alone, and I don't have a cent on me, so how can I give it to you?"

Deng Qi narrowed his eyes slightly: "In that case, if I can't get the money, I can only ask you for it. death."

With that said, Deng Qi looked back at Liu Peng: "Boss, just kill this kid, it's useless to keep it anyway."

Phew!

Liu Peng took a sip of wine and waved his hand impatiently: "Just pull it out and cut it." Like Deng Qi, Liu Peng was also very angry when he saw Yue Feng being so uncooperative.

Alright...

With permission, Deng Qi will escort Yue Feng out.

At this moment, Yue Feng's face was indifferent, and he still didn't panic at all, but his attention was always on Liu Ruxue opposite.

Yue Feng knew very well in his heart that this woman was approaching him for the sake of the Heavenly Secret Palace's Qimen cultivation technique, so he definitely wouldn't just watch him get killed by these bandits.

It's time for you to get started.

Huh....

Seeing that Yue Feng was about to be dragged out and beheaded, Liu Ruxue's eyes flickered, and her heart was extremely complicated. If Yue Feng died, the plan of himself and his senior brother would be a complete failure.

Do you want to do it?

No, let's wait, after all, Yue Feng is the Pill Pavilion Master of Chunyang Palace, so he won't be appointed, he must have a way to protect himself.

Thinking of this, Liu Ruxue took a deep breath and suppressed the urge to do it.

Damn, are you still enduring at this time?

Seeing that Liu Ruxue never interrupted, Yue Feng was also very depressed, Nima, this woman is too tolerant.

"Wait a minute..."

He quickly arrived at the door, and when he saw Deng Qi pull out his long knife, Yue Feng couldn't bear it anymore, and shouted at Liu Peng in the hall: "Hero, don't kill me first, I No money, but something else."

Something else?

Hearing this, Liu Peng raised his hand and motioned for Deng Qi to stop.

In the next second, Liu Peng looked at Yue Feng with bright eyes: "What? Take it out and have a look." As he spoke, he motioned for Deng Qi to untie Yue Feng.

In Liu Peng's mind, Yue Feng was his own defeated general, and he was still in his old lair, so there was no threat at all, and he was not afraid of him playing tricks.

call!

Seeing this situation, Liu Ruxue, who was originally very entangled in her heart, suddenly breathed a sigh of relief.

I knew that Yue Feng must have a way to save his life, but fortunately he held back and did not take action.

After being instructed, Deng Qi loosened Yue Feng's ties.

At this moment, Yue Feng moved his arms, then walked into the hall, took out two medicinal pills from his body, and said to Liu Peng with a smile: "Good man, these two medicinal pills are called Huiling Pills. , it can refine the meridians, which is of great benefit to cultivation."

Chapter 5338

“Two pills should be worth a lot of money. I hope the hero will accept it and spare my life.”

When he said this, Yue Feng smiled and looked relaxed.

The technique of medicinal pills in Ziwei Continent has been lost for nearly a thousand years, and even two ordinary medicinal pills such as Huiling Pills are of great value.

Hehe...

Seeing the two medicinal pills in Yue Feng’s hand, Liu Ruxue’s eyes flickered, and she couldn’t help sneering in her heart.

This Yue Feng is not stupid, and he actually used the medicinal pill to save his life.

Whoa!

However, Liu Peng and the little leaders present were all taken aback. They stared at the medicine pill in Yue Feng’s hands, all of them were so shocked that they were speechless.

The art of medicinal pills has been lost for nearly a thousand years. The boy in front of him actually took out two of them at once. How can people not be shocked?

“This...” A

few seconds later, Liu Peng was the first to react, staring at Yue Feng, unable to hide his excitement: “This is really a soul-returning pill? Can you temper the meridians

if you eat it?” It really has such an effect, and it will definitely come in handy at critical moments in the future.

“Of course.”

Hearing the question, Yue Feng smiled slightly: “My life is on you now, do I dare to lie to you?”

Liu Peng nodded in agreement, and said excitedly: “Okay, bring it here quickly. .”

Yue Feng smiled, took two steps forward, and was about to hand the Huiling Pill over.

“Boss.”

However, at this moment, Deng Qi’s eyes flickered, and he hurriedly stopped: “The rivers and lakes are sinister, and people’s hearts are separated from the belly. We don’t know if what this kid took out is really a magic pill, what if it is poison?”

As Liu Peng's most trusted subordinate, Deng Qi acted very cautiously, and this person was very intelligent. It was because of his repeated suggestions before that the entire cottage escaped several times of encirclement and suppression.

Phew...

Hearing Deng Qi's words, Liu Peng took a deep breath and his face instantly turned solemn. He looked at Yue Feng and said, "Boy, are you trying to poison me? Tell me honestly."

This idiot.

Yue Feng cursed inwardly, but with a wry smile on his face: "Honest man, my life is in your hands, how dare I poison you? If you don't believe me, I will eat one myself."

After speaking, Yue Feng directly took one Returning the elixir was thrown into the mouth.

Swish!

At this moment, all eyes in the audience were staring at Yue Feng, quietly watching his reaction.

Liu Ruxue looked indifferent.

Others don't know, but she knows very well that if others take out a few pills, they will definitely be suspected, but Yue Feng is different. After all, he is the Pill Pavilion Master of Chunyang Palace. It's a piece of cake.

Soon, five minutes later, Yue Feng stood there, his expression as usual, and there was no sign of poisoning.

Phew...

Seeing this, Liu Peng took a deep breath and realized that he was a little suspicious. At the same time, I also felt a little pity that a pill was wasted in vain.

Deng Qi and the others around him were also secretly relieved.

"Do you believe the hero now?" Yue Feng asked with a smile.

Liu Peng nodded again and again: "Well, I can see that your kid is quite sincere. Not bad..." While speaking, he took another medicinal pill from Yue Feng's hand, and then carefully put it away.

At this time, Yue Feng made a pleasing look and said tentatively, "Hey man, can you spare my life now?"

Hmm...

Liu Peng touched the beard on his face and said very treacherously. : "Although this medicine pill is a good thing, it can buy your life, but since you came to the cottage, I can't let you go easily."

"If you go out and lead the government to come here, wouldn't I ask for it myself? Trouble?"

Hearing this, Yue Feng smiled slightly: "Don't worry, hero, I will never expose you after I leave, I still have the last few coins here, and I'll give them all to you, so it's a matter of honoring you guys.

", Yue Feng took out a few pills from his body and put them on the table in front of Liu Peng with a flattering expression.

After so many years of walking in the rivers and lakes, Yue Feng knew very well that mountain bandits like Liu Peng were extremely greedy.

Chapter 5339

Seeing those few pills, Liu Peng's eyes were straight, and he made a very reluctant look at that time: "Well, seeing that you are so sensible, then okay, I will let you go."

Said, Liu Peng looked at the sky outside the hall: "Today is too late, you stay here all night, tomorrow morning, I will send someone to take you down

the mountain." When he said this, Liu Peng looked cold and arrogant, but his heart was full of arrogance. It's not exciting.

Haha...

I really made it today. Although I didn't knock out any money from this kid, I got a few panacea.

"Thank you, hero." Yue Feng smiled and thanked him.

This...

Seeing this situation, Liu Ruxue, who was still tied to the pillar, suddenly became a little anxious and couldn't help but said to Yue Feng: "Young Master, Master, save me..."

At this time Liu Ruxue is very depressed, this month, Yuefeng, just caring about herself, have you forgotten that I am still tied?

Speaking of which, Liu Ruxue, a woman, was waiting for Yue Feng to rescue her, but seeing that he didn't think of him at all, he couldn't help it.

Haha...

Seeing Liu Ruxue asking for help, Yue Feng suddenly became happy and laughed secretly.

This woman couldn't hold back after all.

Thinking to himself, Yue Feng walked over slowly and said to Liu Ruxue with a smile: "Girl, I think it's better for you to stay here." As he spoke, there was a bit of cunning in his eyes.

What?

Liu Ruxue's delicate body trembled, thinking that she had heard it wrong.

This Yue Feng...he didn't plan to save me?

Just when Liu Ruxue was stunned, Yue Feng smiled and continued: "I know, I saved you before, you are grateful to me, and you want to follow me, but you saw it just now, I even myself I can't protect you, so how can I protect you?"

After speaking, Yue Feng pointed at Liu Peng: "Although I just met this hero, I can see that he really likes you, so I think you might as well Just stay here and be a Mrs. Yazhai, with so many people around to protect you, you don't have to live a life of wandering."

When he said this, Yue Feng looked serious, but secretly smiled.

That's right, he deliberately confessed to Liu Peng just now, and even gave the medicine pill. The ultimate goal was just to leave alone, and he didn't plan to save Liu Ruxue at all.

Can this woman act? Then I will deliberately leave you here as Mrs. Yazhai, and see how you can continue to act.

"You..."

At this moment, after listening to Yue Feng's words, Liu Ruxue's delicate body trembled faintly, feeling depressed and angry at the same time.

This... this Yue Feng is too shameless, in order to sign up, the women around him don't care, and he wants to give me to the bandits to be Mrs. Yazhai?

There is no man's responsibility at all, how did he sit as the pavilion master of the Dan Pavilion of Chunyang Palace?

At this time, Liu Ruxue didn't know that Yue Feng did this on purpose to force her to reveal her true identity.

It has to be said that Liu Ruxue, as the saint of Lihuomen, is not a stupid woman. Although she was shaking with anger at this time, her face still showed a weak and helpless look.

"Young Master..."

At this moment, Liu Ruxue's red lips parted lightly, and she said pitifully, "I don't want to stay here, I want to be by your side, don't leave me, okay?"

Seriously, this At that time, Liu Ruxue wanted to get angry, but she held back.

I've been acting for so long before, so I can't be impatient, otherwise, all my efforts will be in vain. She thought about it, and continued to act like a weak woman in front of Yue Feng to win his mercy.

However, she was wrong.

Ugh!

Seeing that she was about to cry in a hurry, Yue Feng sighed and consoled earnestly: "I did this for your own good, you follow me in a precarious situation, and it will also implicate me."

"Okay, let's not talk about it, You can stay here. It is also your blessing to be Mrs. Yazhai."

After saying this, Yue Feng looked at Liu Peng with a smile: "Hero, this man, this girl can be seen by you, and I hope that the hero will be able to do so in the future. Treat her well."

Haha... Liu Peng

laughed approvingly: "This little brother is indeed a sensible person, and being my woman will be a lifetime blessing."

Looking at Liu Ruxue: "Beauty, since he has decided, you can stay and be my woman, don't worry, I will take good care of you, haha..."

Chapter 5340

“Go, send the beauty to my room.”

After saying this, Liu Peng smiled at Yue Feng: “Brother is so knowledgeable about current affairs, yes, come, let’s have a few drinks with us.” Got a few pills , There is also a peerless beauty, who is not happy?

Yue Feng was not polite, and cupped his hands: “Thank you, hero.” After speaking, he sat next to him, but his eyes were always on Liu Ruxue.

Haha... I sold you all, I don’t believe you can bear it.

At this moment, several mountain bandits forcibly took Liu Ruxue out of the hall and sent him into Liu Peng’s room.

Phew...

For a while, Liu Ruxue felt an unprecedented humiliation and bit her lip so hard that she was about to bleed. The dignified saint of Lihuomen was caught by a gang of bandits, and she was forced to be Mrs. Yazhai.

What a shame.

But in order for the plan to go smoothly, you must endure it. She thought about it, and when it was night, she would cast a charm on Liu Peng, and after controlling him, everything would be easy.

Thinking to herself, Liu Ruxue gave up her resistance and let several bandits send her into the room.

Um?

Seeing this situation, Yue Feng couldn’t help frowning secretly, is this woman so tough? It has come to this point, and it is still not resisting?

She won’t really take her life.

No, such a woman will not accept her fate, she must have a way to deal with these bandits.

Thinking to himself, Yue Feng decided to sneak into Liu Peng’s room at night to check the situation, but to see what this woman’s true face is.

After drinking a few bowls of wine, Yue Feng made an excuse to rest, but Liu Peng did not stop him and sent a few people to follow.

Entering the room, Yue Feng lay directly on the bed and pretended to rest. An hour later, the whole cottage was calm. Yue Feng immediately got up, avoided the surveillance of a few bandits outside, and quietly rushed to the room where Liu Peng was resting.

At this moment, Liu Peng's room.

"Haha..."

Liu Peng was drunk and opened the door with a smile: "Little beauty, I'm here."

The moment he entered the room, he saw Liu Ruxue sitting beside the bed, and Liu Peng looked at him. crazy. Under the candle light, Liu Ruxue's face was exquisite, and the charming curves were looming, which was simply indescribable beauty.

After watching for more than ten seconds, Liu Peng regained his senses, swallowed his saliva, and walked over slowly: "Beauty, from today onwards, you are my Mrs. Yazhai, don't worry, I will take good care of you. ."

While speaking, Liu Peng kept an eye on Liu Ruxue's movements to prevent her from suddenly resisting.

But what he didn't expect was that Liu Ruxue was out of breath at this time.

Ugh!

At this moment, Liu Ruxue sighed softly and looked at Liu Peng with a resentful expression, looking pitiful: "It seems that this is my life, I accept it, you have to say what you say, and take good care of me in the future."

Liu Peng was overjoyed: "It's natural."

He couldn't wait to pounce on it.

Papa...

However, just at this critical moment, Liu Ruxue's eyes suddenly flashed a little cold, and he shot like electricity, directly sealing his acupuncture point, and then silently chanted the charm formula, and looked at Liu Peng.

Om...

For a moment, Liu Peng's body trembled, and his head suddenly felt dizzy. After just a few seconds, he was completely changed, and he said respectfully to Liu Ruxue: "Master..."

“Yeah!” Liu Ruxue nodded, the gentleness just now disappeared, returning to the coldness before: “From now on, you have to obey all my orders, you know?”

“Yes, master.”

“Very good, It’s time to rest now, you go to guard outside the door.”

“Yes!”

Liu Peng responded, then exited the room, guarding the door like a sculpture.

call!

At this moment, Liu Ruxue breathed a deep sigh of relief, and finally managed to get the leader of the bandit. At the same time, he couldn’t tell the fire in his heart. Yue Feng, this bastard, was really selfish, and he left for his own safety. Keep me as Mrs. Yazhai. When I have the opportunity to control you, I will definitely make you unable to survive or die.

Thinking to herself, Liu Ruxue lay down and rested.

At this time, Liu Ruxue thought that what she had done was watertight, but she was completely unaware that behind the tree outside the room, a pair of eyes were watching all this quietly.

It was Yue Feng.

The ultimate husband in Chinese chapter 5341-5350

Chapter 5341

When Yue Feng arrived quietly just now, he ran into Liu Peng coming out of the room. Although he didn't know what happened just now, when he saw Liu Peng who looked like a sculpture, Yue Feng guessed that the leader of the bandit was controlled by Liu Ruxue.

interesting.

Realizing this, Yue Feng's eyes showed a bit of wisdom, and he showed a smile.

This woman is really not easy.

For a time, Yue Feng wanted to rush in and question Liu Ruxue, but after thinking about it, he gave up the idea.

It's boring to tear her apart like this, let's see what she does the next day.

Thinking to himself, Yue Feng turned around and left quietly, returning to his room to rest.

...

bang bang bang...

The next morning, Yue Feng was sleeping soundly, but was woken up by a knock on the door.

Immediately afterwards, a bandit shouted angrily outside the door: "Boy, I will send you out of the cottage today, hurry up and don't linger. In case my boss changes his mind, you won't have time to cry."

Yue Feng rubbed his eyes and sat down. When he got up, when he heard this, he immediately smiled and responded: "Okay, I'll get up right away." After the

voice fell, Yue Feng got out of bed and opened the door, only to see the bandit standing outside the door with an impatient look on his face. , holding a black cloth in his hand.

"Cover it yourself."

Seeing Yue Feng coming out, the bandit threw the black cloth over and said beyond doubt: "Don't be so slippery, let me tell you, since the beginning of our cottage, no one has been able to get out alive. , you are the first."

This chapter is provided by . Visit for daily update.

Yue Feng nodded again and again: "Understood." As he spoke, he covered his eyes with a black cloth.

After blindfolding, the bandit stopped talking nonsense, and took Yue Feng to leave the cottage, and finally sent him to an intersection at the foot of the mountain. At the intersection, the bandit turned around and returned to the cottage.

Huh...

At this moment, Yue Feng stood at the intersection, looked in the direction of the cottage, and pondered secretly.

The woman knew that I had left the cottage, and I was afraid that she would be even more depressed.

Forget it, since it's out, it doesn't matter.

Thinking to himself, Yue Feng turned around and strode away.

.....

This time, in the cottage.

After Liu Ruxue woke up, she saw that Liu Peng was still standing quietly guarding the door, and her beautiful face did not fluctuate in the

slightest.

Hearing the order, Liu Peng walked in quickly, with a respectful expression on his face: "What is the master's order?" After being controlled, Liu Peng completely lost his ability to think, like a sentence of walking dead.

Liu Ruxue looked at him quietly, with an aloof attitude: "You can kill yourself." After speaking, she threw a sword in front of Liu Peng.

In an instant, there was a murderous aura in the air.

Speaking of which, after he went to the room and controlled Liu Peng last night, Liu Ruxue wanted to kill him, but he was just a bandit on a small hill, not even Jianghu Xiaoxiao.

However, in order to avoid being disturbed by other mountain bandits, Liu Ruxue asked Liu Peng to go outside to watch the door, and she endured the murder all night.

This...

Although he was under control, Liu Peng's heart was suddenly shocked when he heard this, his empty eyes looked at the long sword on the ground, his hands trembled faintly.

He didn't have his own thinking at this time, but his survival instinct was still somewhat resistant.

Seeing this scene, Liu Ruxue snorted coldly, without any hesitation at that time, her jade hand suddenly raised and slapped Liu Peng's head fiercely.

boom!

A shock came out, and Liu Peng didn't have time to scream, his brain burst open, blood sprayed on the ground, his body collapsed to the ground, and he died of breathlessness.

It's disgusting...

Liu Ruxue wiped the blood that was splattered on her body, her delicate face was full of disgust and contempt.

The next second, Liu Ruxue was going to leave the room to check on Yue Feng's situation. At this time, he should still be sleeping.

"Boss!"

However, before he left the room, he heard a call from outside, and then, a little boss walked to the door with a smile on his face and shouted, "Boss, it's time to get up, the plan we made yesterday is to go to rob this morning, you won't forget it."

It was Deng Qi.

When she shouted, Liu Ruxue frowned, why did this person come?

Thinking to herself, Liu Ruxue said lightly across the door: "Your boss is still resting, don't disturb him."

Chapter 5342 The

tone is rigid and rigid, giving people the feeling that it is like an iceberg that will not melt for ten thousand years.

Uh...

Hearing Liu Ruxue's voice, Deng Qi was stunned for a moment, and then said with a smile: "Oh, my sister-in-law is awake. Please call the boss. The robbery today was planned for a long time."

At this time, Deng Qi didn't know that Liu Peng was dead.

Hearing this, Liu Ruxue was very irritable, and said coldly: "I didn't tell you, your boss is still resting." After speaking

, Liu Ruxue thought of something and asked, "By the way, I was with me yesterday. How is the person who was arrested together now?"

Feeling Liu Ruxue's tone, Deng Qi outside the door was stunned.

This woman, when she was arrested just yesterday, looked weak and frightened, but in just one night, she has changed into a person.

Tsk tsk... As expected of a woman who has become the boss, the change is really fast.

With emotion in his heart, Deng Qi put down his posture and smiled politely across the door: "My sister-in-law taught me that I will not disturb the boss's rest. As for the kid who was caught yesterday, he has just put down the mountain.

" The mountain bandit who went down the mountain was Deng Qi's subordinate, and he naturally knew it.

What?

At this moment, Liu Ruxue's delicate body trembled, and her beautiful face couldn't hide her anger. In order to hide his identity, he has endured humiliation and burden since last night, in order not to be suspected by Yue Feng.

Moreover, she had already thought about how to use her identity to take Yue Feng out of the cottage.

Unexpectedly, these mountain bandits let Yue Feng go.

For a while, Liu Ruxue only felt that she was being teased, and there was an indescribable humiliation.

Whoa!

In anger, Liu Ruxue opened the door and looked at Deng Qi coldly: "You let him go? Why did you let him go? Just because of a few broken pills?"

Because of anger, Liu Ruxue almost To lose your mind.

Seeing Liu Ruxue angrily opening the door, Deng Qi was taken aback, but he reacted quickly and cautiously comforted: "Sister-in-law, that kid gave you to the boss last night, so heartless, you still care about what he does "You..."

Halfway through speaking, seeing Liu Peng lying in a pool of blood through the crack of the door, Deng Qi's expression changed, and his mind was buzzing.

This... This woman killed the boss?

Soon, Deng Qi reacted and shouted: "You are not too timid, you dare to shoot at the boss. Come on... come on, the boss is dead." Shouting, Deng Qi rushed up and hit him with a palm. Liu Ruxue.

Not self-sufficient.

Seeing Deng Qi rushing towards him, Liu Ruxue snorted coldly. At that time, she stimulated her internal force, and a palm force shot out as fast as lightning, hitting Deng Qi's heart.

Anyway, it has been exposed, and Yue Feng is not there, so there is no need to keep it on.

boom!

Liu Ruxue's shot was very quick, and Deng Qi didn't have time to dodge at all, only to hear a dull sound, Deng Qi spurted out a mouthful of blood, fell to the ground, and died.

After killing Deng Qi, Liu Ruxue was about to leave.

Wow...

But at this time, when they heard the movement, many bandits came quickly. At this time, seeing Deng Qi tragically dying at the door, many bandits couldn't help but gasp.

"The boss and Deng Qi are both dead."

"This woman is really poisonous..."

"Kill her and avenge the boss and Deng Qi."

Under the shock, many mountain bandits reacted and shouted, directly holding Liu Ruxue tightly. surrounded.

"Since you are courting death, then I will send you all to the West." Faced with this situation, Liu Ruxue's eyes were full of disdain, and after spitting out a few words, her jade hand raised again.

hum!

In an instant, a powerful internal force erupted, and the surrounding air distorted. Immediately afterwards, Liu Ruxue's figure turned into a shock and rushed directly into the crowd.

“Ah...”

The mountain bandits present didn't understand what was going on, and they all let out shrill screams and fell into a pool of blood.

.....

On the other side, after Yue Feng left the cottage, he went to a mountain spring, drank a few sips of water, and then took a break.

Because of that woman, it took almost two days to find the place where the Chaos Teleportation Array was built, but thinking about it carefully, it was really difficult to find a place where the weather was full of spiritual energy and hidden.

Chapter 5343

Got it!

While depressed, Yue Feng suddenly thought of something, and his eyes lit up.

Isn't the Heavenly Mysterious Realm controlled by the three major sects the ideal place, where spiritual energy is full and very hidden, and the entrance is also controlled by people from the three major sects, so there is no need to worry about someone breaking in.

Just because of the soul of the secret, the alliance between Tianhaimen, Beihai Constellation, and Chunyang Palace has faintly appeared.

However, these Yue Feng were too lazy to take care of them. After a short rest, they were ready to leave for the mysterious realm of heaven.

Shasha...

But just standing up, he heard a slight footstep behind him, and after a while, a slender figure slowly walked over.

A delicate face, a charming and sexy figure, and a thin layer of sweat on his forehead.

Who is not Liu Ruxue?

What the hell!

Seeing Liu Ruxue, Yue Feng was stunned. This woman left the cottage unharmed?

Even though he knew that this woman was not easy, it could be seen that she could find this place. Yue Feng was still very surprised. At this time, he didn't know that, just half an hour ago, Liu Ruxue slaughtered the entire body with only one person's strength. Copycat.

"You..."

Seeing Liu Ruxue walking in step by step, Yue Feng reacted and couldn't help but ask, "How did you come out?"

There was a bit of resentment on Liu Ruxue's beautiful face. "Young Master, why are you not happy to see me at all? Do you really want me to stay there and be a copycat lady?"

When she said this, Liu Ruxue looked delicate and pitiful, not at all like that. The Jianghu master who just killed nearly 100 people.

Hu...

Yue Feng secretly exhaled, smiled bitterly, and said seriously: "Don't get me wrong, I really don't want to leave you alone, what I said last night was completely from the bottom of my heart, I can't even protect myself, How can I protect you?"

After speaking, Yue Feng asked curiously, "By the way, how did you leave the cottage?" Yue Feng knew that with this woman's ability, it was easy to leave the cottage, but it was still very difficult. curious.

This...

Liu Ruxue bit her lip lightly, pondered, lowered her head and said, "...I told the boss of the cottage last night about my life experience. He was very sympathetic, but he didn't. Forced me, so let me go early in the morning."

On the way here, Liu Ruxue thought about a lie, and said it naturally at this time.

"It's that simple?"

Hearing this answer, Yue Feng couldn't help but want to laugh. This woman can really make things up. Three-year-olds wouldn't believe it.

Seeing that he didn't believe it, Liu Ruxue stomped her feet angrily: "Really, can I lie to you? Actually, that mountain bandit boss used to be a fisherman, so he will sympathize with me."

Alright!

Yue Feng smiled and nodded, not asking more: "Well, it seems that we have good luck."

Liu Ruxue nodded: "Young master, last night, the boss of the mountain bandit did nothing to me at all, you You won't despise me, will you?" When he said this, his eyes were full of anticipation.

But the heart is indescribably cold.

She thought about it, and when Yue Feng was unprepared, she would directly cast the charm technique. Anyway, he was injured, and even a group of bandits couldn't beat him, so there was no need to worry.

Liu Ruxue did not know that Yue Feng was pretending to be defeated yesterday.

"Haha..."

Seeing that she was still acting, Yue Feng smiled slightly, nodded and said, "How can I despise you, since you have come out safely, continue to follow me."

After speaking, Yue Feng sat on the grass On: "Oh, my neck is a little sore, you can press it for me."

At this moment, Yue Feng was very tired, but his eyes flashed cunningly.

Yes, Yue Feng deliberately gave Liu Ruxue a chance.

After two days of contact, Yue Feng was too lazy to guess the identity of this woman, he just wanted to solve it as soon as possible, and then went to the mysterious realm to build a teleportation array.

"Okay!"

Liu Ruxue readily responded, her beautiful face was full of tenderness, and her heart was also indescribably excited.

I was thinking about how to do it, but I didn't expect that Yue Feng would take the initiative to give him a chance.

You brought it on yourself, don't blame me.

Thinking about it, Liu Ruxue walked slowly behind Yue Feng, a pair of jade hands resting on his shoulders, secretly urging her inner strength, and began to cast charm.

Chapter 5344

Afterwards, Liu Ruxue pretended to press Yue Feng's neck a few times, and then shot like an electric shock to seal the acupuncture point on Yue Feng's head. This is the most important part of the charm technique.

Papa...

But what she didn't expect was that, before she could seal the acupuncture point on Yue Feng's head, Yue Feng suddenly turned around and tapped the acupuncture point on her body one step at a time.

In an instant, Liu Ruxue's delicate body trembled, unable to move at all.

"You..." The

next second, Liu Ruxue bit her lip tightly, her face full of shock, and said to Yue Feng: "You...what are you doing?"

Yue Feng smiled: "How is it? Completely I didn't expect it? You don't have to pretend, I know that you approached me on purpose. The four sea gangs before are all fake."

"Also, I also lost on purpose when I fought against the bandit boss yesterday."

What? ?

Hearing this, Liu Ruxue stared blankly at Yue Feng, but her mind went blank.

Does he know it all?

This... how is this possible. Seeing her stunned, Yue Feng

stretched out his hand to hook her chin and said with a smile: "Such a beautiful woman, if she takes the initiative to approach me, even a man will fall. It's a pity that I am not an ordinary man."

Liu Ruxue couldn't help but admire secretly.

I have to say that this woman is really life-threatening, whether it is her appearance or figure, she is the best of the best.

Huh...

With Yue Feng's chin hooked, Liu Ruxue was shy and angry, and wanted to break free, but was tapped on acupuncture points, she was completely helpless.

After admiring for a while, Yue Feng breathed a sigh of relief and looked at Liu Ruxue closely: "Tell me, who are you? Why are you approaching me?"

Speaking of which, since Yue Feng set foot in the arena, he has seen all kinds of beauties, even The fairies of the God Realm have seen a lot of them, but the one in front of them is the most special. In order to get close to him, he can endure being caught by the bandits.

Faced with the questioning, Liu Ruxue bit her lip tightly and did not respond.

As the saint aunt of Lihuomen, Liu Ruxue has an extremely tough personality, and naturally she will not answer easily.

"I'll ask again."

Seeing that she didn't speak, Yue Feng became a little impatient and asked again: "Why are you approaching me? What is your purpose?"

Liu Ruxue smiled, her delicate face full of expressions Stubborn: "Do you think I can say it?"

Haha..

Yue Feng frowned, then took out a dagger from his body and placed it directly on Liu Ruxue's neck: "If you don't say anything, I will kill you. You."

When he spoke, a powerful aura burst out from Yue Feng, and the surrounding air distorted violently.

However, feeling the killing intent in Yue Feng's eyes, Liu Ruxue did not panic at all, but said decisively: "Okay, kill me, anyway, my plan failed, and I have no face to go back."

"You will kill now. Me, after I die, someone will avenge me."

Liu Ruxue was not only tough, but also very smart, she could see that Yue Feng was deliberately intimidating, and he didn't really want to kill herself at all.

Um?

Seeing her like this, Yue Feng took a deep breath and was speechless.

Nima, this woman is a bit hard to deal with.

“What? Don’t you dare to do it?” Seeing Yue Feng’s hesitation, Liu Ruxue made her guess even more firm, with a bit of provocation on her beautiful face: “If you don’t dare to kill me, let me go.”

Yue Feng received Picking up the dagger, a wicked smile appeared on the corner of his mouth: “Do you really think I can’t deal with you anymore?” With

that said, Yue Feng turned around and walked into the woods next to him. Formed a five-element universe.

After doing this, Yue Feng returned, picked up Liu Ruxue, and placed her on the grass in the center of the formation.

“You...”

At this moment, Liu Ruxue exclaimed, embarrassed and angry: “What are you doing?”

Yue Feng smiled and said seriously: “It’s okay to tell you, I deployed a formation just now, This formation can gather the hot and humid air from the ground into the formation, um, that is where you are now.”

“The hot and humid air will make people feel itchy and unbearable, you are not very strong, wait a minute. Just enjoy it slowly.”

After saying this, Yue Feng walked slowly to the edge of the spring and smiled at Liu Ruxue’s reaction.

Chapter 5345

Formation?

Can it also cause the damp heat in the ground?

At this moment, Liu Ruxue furrowed her brows, her eyes full of disbelief. She looked at Yue Feng and said contemptuously, “Do you think I would believe it?”

In her understanding, most of the formation techniques of Ziwei Continent They are all in the Heavenly Secret Palace, and the Heavenly Secret Palace was destroyed a thousand years ago. Today, there are very few people who understand the formation method.

And Yue Feng, who is in front of him, knows at most some alchemy techniques, and it is impossible to understand such a profound formation.

Ha ha...

Seeing that she didn't believe it, Yue Feng didn't talk nonsense, and waited with a smile. However, an interesting incident with Ren Yingying many years ago appeared in his mind.

At that time, Ren Yingying was still the princess of Apocalypse Continent, hiding her identity to go to Diyu Continent. Later, she pretended to be Yue Feng and arrested people from various sects. At a critical moment, Yue Feng came forward to sabotage her plan.

In the end, Ren Yingying escaped and entered a Liuhe Qiankun Formation. At that time, he thought that Yue Feng would not dare to enter. As a result, Yue Feng not only entered the formation, but also changed Liuhe Qiankun Town. Moreover, Yue Feng also used the formation at that time to disperse the underground humidity and heat. Qi was drawn to Ren Yingying.

At that time, Ren Yingying was unbearable and finally relented.

Although this incident has passed for a long time, Yue Feng still remembers it freshly, and recalling the scene at that time, he couldn't help showing a smile.

It's been so long since I returned to the Earth Continent, and I don't know what happened to Yingying and Brother Wen.

"Hey!"

Just as Yue Feng was recalling, Liu Ruxue in the formation couldn't help it and shouted: "If you don't dare to kill me, just let me go, and what's the matter with me trapped here?"

As soon as the voice fell, a hot and humid air slowly leaked out of the ground, directly surrounding her.

At that time, Liu Ruxue's delicate body trembled, and she suddenly felt a strange itch.

"Haha..."

For a moment, Liu Ruxue couldn't help but let out a pleasant laugh: "It's so itchy, so itchy..."

While laughing, Liu Ruxue looked at Yue Feng and shouted: "What the hell did you do to me? I...haha...I won't let you go...hahaha..."

At this time, Liu Ruxue hated Yue Feng to death, even if the plan failed, It was a shame and shame to be trapped in what kind of formation he was in. She didn't want to laugh, but every inch of her skin was itchy and unbearable, how could she bear it?

Yue Feng sat leisurely beside the spring water, looked at her funny appearance, and said with a smile: "Didn't I tell you all just now, this is a formation that can draw in the hot and humid air from the ground."

"Aren't you very tough? Can you bear it, continue to bear it. If you can't bear it, just answer my question, why did you approach me?"

Hearing this, Liu Ruxue was so angry that she bit her lip tightly, not intending to compromise at all.

"Ah?"

Seeing her appearance, Yue Feng smiled and joked: "It seems that you are determined to go against me, okay, can you bear it? I see how long you can bear it."

Said Then, Yue Feng simply lay down, closed his eyes and rested.

This bastard.

Seeing that he actually lay down to sleep, Liu Ruxue was very angry, and at the same time resisted the itch. However, as time passed by, the itchiness not only did not ease, but instead became stronger.

"Haha..."

Finally, Liu Ruxue held on for ten minutes, and couldn't hold it any longer. She laughed again, and while laughing, she begged Yue Feng for mercy: "Yue Feng, I admit defeat, hurry up. Let the formation stop."

Hearing the begging for mercy, Yue Feng stood up, entered the formation, and carried her out.

I saw that at this time, Liu Ruxue's face was bright red, his body was dripping with sweat, and the delicate and tight curves were looming, which was simply fascinating.

call!

Yue Feng admired it for a few seconds, then smiled and said, "Tell me, who are you? Why are you approaching me?"

"I..."

At this moment, Liu Ruxue bit her lip tightly, her delicate face disappeared. He was stubborn and arrogant, and said in a low voice, "My name is Liu Ruxue, and I am the saint of Lihuomen. I approached you in order to control you, and my ultimate goal is to obtain the Qimengong of Tianji Palace.

” The Saint of the Fire Gate?

Hearing this, Yue Feng was stunned for a moment. He had guessed that this woman was not simple, but he did not expect her identity to be extraordinary.

The ultimate husband in Chinese chapter 5346-5350

Chapter 5346

“Hey!”

Just when Yue Feng was thinking about it, Liu Ruxue bit her lip and said, “I answered everything you asked, should you let me go now?”

Hehe...

Yue Feng slightly With a smile on his face, he said with a playful look: “You want to hurt me, do you think I will let you go so easily? Also, you said before that you would stay by my side to be a cow and a horse.”

“Beside me, I am missing someone of you . Such a maid, so just stay with me.”

Yue Feng’s eyes were full of mockery when he said this.

Hearing this, Liu Ruxue’s tender body trembled, and she suddenly became furious: “Yue Feng, don’t go too far.” Before, she hid her identity to get close to him, how could she really be a bull and a horse by his side ?

Excessive?

Yue Feng smiled lightly and said lightly: “Listen to what you mean, you are deliberately approaching me, and it is not too much to control me?”

At this moment, Liu Ruxue’s face flushed, and she didn’t know how to deal with it.

At this time, I heard a burst of hurried footsteps in the woods not far away. It seemed that there were many people. Then, I saw Ren Pingsheng with dozens of Lihuomen elites, quickly came over.

Um?

Seeing Ren Pingsheng and others, Yue Feng immediately frowned. These people from Lihuomen came very quickly. It seemed that they should have been following them for the past two days.

Yue Feng guessed right. When Liu Ruxue implemented the plan, Ren Pingsheng took many elite disciples to protect him in secret. When the two were caught by bandits yesterday, Ren Pingsheng was hiding in the dark. He knew very well. The younger sister is amazing, so I don't have the slightest worry.

Half an hour ago, after Liu Ruxue slaughtered the entire cottage, he met with Ren Pingsheng. At that time, he told Ren Pingsheng that Yue Feng was injured, and decided that after finding Yue Feng, he would forcefully use the charm technique.

This chapter is provided by . Visit for daily update.

At that time, Ren Pingsheng was very excited when he learned of the situation, and he was very supportive of Liu Ruxue's decision.

Now that half an hour has passed, Ren Pingsheng guessed that the junior sister might have succeeded, so he couldn't wait to rush over with his disciple.

"Haha..."

When he was about to rush to the front, Ren Pingsheng couldn't hide his excitement, and laughed at Liu Ruxue: "Junior sister... Have you already controlled this kid? Huh?"

"Halfway through speaking, Ren Pingsheng suddenly stopped, his face also showing some doubts.

He clearly saw that the junior sister Liu Ruxue stood there, motionless, with a very aggrieved face, while Yue Feng, who was beside her, had a relaxed and comfortable expression, and there was no sign of being controlled.

what happened?

Could it be... Junior Sister's plan failed?

Just when Ren Pingsheng was secretly surprised, Liu Ruxue's delicate body trembled, and she couldn't help shouting: "Senior brother, let's take action together and take down Yue Feng..."

"Our plan has failed, this Yue Feng has failed. Feng is very cunning, he suspected me from the beginning..."

At this time, Liu Ruxue was both ashamed and angry.

The dignified saint of Lihuomen, who endured the humiliation for a few days, was seen by Yue Feng long ago, which is a great shame, but now that the senior brothers have brought so many elite disciples, Yue Feng can't escape even if he has great skills. .

What?

Hearing this, Ren Pingsheng's expression changed, and he looked at Yue Feng in astonishment. He and his junior sister's plan could be said to be flawless. How did he see through it?

However, Ren Pingsheng couldn't bear to think too much about the situation in front of him. At that time, he pointed at Yue Feng and shouted, "Go! Take Yue Feng."

Whoa...

the last word fell, dozens of elite disciples of Lihuo Sect, They burst into internal strength, and charged directly with the long knife in their hands.

Seeing this situation, Yue Feng didn't panic at all, instead he looked up to the sky and laughed: "Haha... Ren Pingsheng, in order to snatch the Qimen exercises of the Tianji Palace, you really do everything you can, and finally take your junior sister, Sent to me."

"Although I'm not a lecherous person, your junior sister is considered to be very beautiful, and she personally told me before that she wants to stay by my side to be a cow and a horse, so what? , I'm welcome, haha..." The

last word fell, Yue Feng raised his hand and waved.

hum!

In an instant, a powerful aura burst out, and the dozen or so elite disciples who rushed to the front only felt a strong force coming, and they all retreated.

Chapter 5347

Taking advantage of this opportunity, Yue Feng grabbed Liu Ruxue's waist, soared into the sky, and flew directly to the sky in the distance. In just a few breaths, he was hundreds of meters away.

"You..."

With Yue Feng in his arms, Liu Ruxue's face flushed red, and she was indescribably angry. She never thought that Yue Feng would dare to be so arrogant in the face of his senior brother and so many elite disciples.

What made her even more embarrassed was that what she said before acting was said by Yue Feng in front of so many people at this time, how would she meet people in the future?

Mad!

Seeing this scene, Ren Pingsheng almost vomited blood.

I thought that my sister would be foolproof, but I never thought that in the end, the bamboo basket would be a waste of water. More importantly, the junior sister was the holy aunt of Lihuomen. At this time, she was kidnapped by Yue Feng, and the matter spread to the rivers and lakes. Even if the reputation of Lihuomen was completely ruined.

“Chase!” The

more Ren Pingsheng thought about it, the more angry he became, he shouted angrily, jumped into the air, and chased in the direction Yue Feng had left.

Dozens of elite disciples followed.

...

on the other side, God's Domain.

On the northwestern edge of the God's Domain, there is a mountain range, which is shrouded in thick fog all the year round. It is called the Xuxu Mountain. The location of the Xuxu Mountain is very special. On this side of the mountain is the God's Domain where heaven and earth are extremely intelligent, with beautiful scenery, while the other side is endless. The chaotic void is raging with thunder and lightning all the year round, accompanied by turbulent voids that appear from time to time.

On the hillside of Xunxu Mountain, there is an antique courtyard. The courtyard is not big, very simple and clean.

This courtyard is the place of retreat for Immortal Venerable Taiyi.

Speaking of which, Taiyi Xianzun, as the master of Prince Aotian, was originally a respected position, but it was a pity that he tried to frame Yue Feng in order to help Prince Aotian compete for the throne of Emperor, but he ended up hurting himself.

At that time, Immortal Taiyi planned to trap Yue Feng in the fairy pavilion of the goddess Nuwa, but Yue Feng noticed it in time, and in turn subdued Immortal Taiyi. Finally, the gods arrived and saw that Immortal Taiyi was suspected of blaspheming Nuwa. , under the anger, he was expelled from the realm of the gods.

After being expelled from God's Domain, Immortal Venerable Taiyi had nowhere to go, so he built a courtyard in Wuxu Mountain to meditate with peace of mind.

This time, in a secret room in the courtyard.

Taiyi Immortal Venerable, dressed in a moon-white Taoist robe, sat there quietly, with a posture of immortal style, and in front of him, sat a handsome figure.

With sharp-edged facial features, he was wearing a gorgeous robe.

It is Prince Aotian.

After the Taiyi Immortal Venerable was expelled from the realm of the gods, Prince Aolin, who was supported by Yue Feng, quickly ascended the throne of the Heavenly Emperor and was worshipped by the gods.

Prince Aotian failed to compete with the Emperor, and he was very depressed, so he often came to find Immortal Venerable Taiyi to relieve his boredom. After coming and going, he simply didn't leave and lived directly in this courtyard.

During the recent period, Prince Aotian entered a bottleneck in his cultivation, so he retreated in the secret room of Immortal Taiyi, and Immortal Taiyi, as a master, naturally guarded the law beside him.

Today is the day when Prince Aotian breaks through, so the atmosphere in the entire secret room is indescribably solemn and tense.

“His Royal Highness!”

At this time, Immortal Venerable Taiyi couldn't help but said: “If you can successfully break through this time, your strength will be able to enter the ‘God Venerable Realm’, even if Ao Lin has become the Emperor of Heaven, he is not your opponent. .”

“So, you must get rid of distractions and concentrate on it.”

Hmm!

Hearing Immortal Venerable Taiyi's advice, Prince Aotian responded, slowly closed his eyes, and tried to break through himself. Gradually, he saw a golden light shining through his body.

This is the precursor to breaking through the realm of God Venerable.

However, Prince Aotian was too obsessed. Although he tried to keep himself calm, he couldn't stop thinking about the failure of competing for the Emperor.

Especially when he thought of that Prince Aolin, who was inferior to himself in all aspects, but finally won the throne of Heavenly Emperor, for a while, Prince Aotian couldn't calm down.

“Pfft...”

Finally, under the stimulation of huge resentment, Prince Aotian suddenly trembled, spurted out a mouthful of golden blood, and fell straight to the ground, the whole person was extremely weak and sluggish.

The biggest obstacle to breaking through the realm of God Venerable is inner demons, and Prince Aotian's inner demons are too strong to succeed.

Chapter 5348

"His Royal Highness!"

Seeing this scene, Taiyi Immortal Venerable was taken aback, and quickly got up to help Prince Aotian up, anxious and regretful: "How could this be? You clearly know that your inner demon is the emperor, why do you still want to think about it?"

When he said this, Immortal Venerable Taiyi was very depressed.

During this time, he pinned all his hopes on Prince Aotian. As long as Prince Aotian was still there for one day, he would still have the opportunity to return to Yutian Palace.

If Prince Aotian is gone, he will always be abandoned by God Domain.

"I..."

Hearing Immortal Venerable Taiyi's rebuke, Prince Aotian said weakly, "I'm not reconciled...Master." Although he said it weakly, there was a bit of arrogance in his eyes.

You are the most qualified to inherit the throne of Heavenly Emperor, why did you end up like this?

Huhuhu....

And when the last word fell, I saw a golden light scattered from the body of Prince Aotian. These golden lights were his primordial spirit.

Breaking through the God Venerable Realm failed, the light ones went into flames, the heavy ones lost their primordial spirit, and the situation of Prince Aotian was the latter.

It's over...

Seeing that Prince Aotian's primordial spirit is rapidly collapsing, Taiyi Immortal Venerable's hands are trembling, and his old face can't hide his anxiety.

One of his own apprentices.

Can't let him die, can't let him die like this.

"Master..."

At this time, Prince Aotian was getting weaker and weaker. He clearly felt that his vitality was fading little by little, and he couldn't help but say, "I... Am I going to die?"

"Don't be afraid!" Immortal Taiyi took a deep breath and comforted: "Master will not let you die." As he spoke, Immortal Taiyi's mind quickly turned.

The next second, Immortal Venerable Taiyi suddenly thought of something, and quickly took out a delicate jade box from his body, and saw that the jade box was the size of a palm, made of pure and flawless white jade, with exquisite patterns engraved on it, not only that, and also set up several enchantment restrictions.

Seeing this jade box, Prince Aotian was stunned for a moment, feeling a little dazed for a while.

What is this? I have never seen Master take it out before.

Thinking to himself, Prince Aotian asked weakly: "Master, this is..."

Before he could finish the question, Immortal Tai Yi smiled slightly and explained: "This is the essence of the red lotus of the law, which contains Supreme spiritual power can help you break out of the cocoon and rebirth, but the process is a little troublesome..."

Faye Red Lotus?

Hearing this, Prince Aotian's eyes flashed a bit of brilliance, and he was also a little excited.

As a prince, how could he not know the red lotus of Faye, which is a treasure in the realm of the gods. It only appears once in thousands of years, and the survival time is very short, which can be said to be fleeting.

For thousands of years, the gods in the realm of the gods have tried to find the trace of the red lotus of the law, but they all ended in failure.

Unexpectedly, Taiyi Immortal Venerable actually got the essence of the red lotus of the law.

"Ha ha.."

Seeing Prince Aotian's shocked expression, Immortal Venerable Taiyi smiled slightly: "Speaking of which, it's also Master, I'm lucky, once I passed by the floating island, and I came across a red lotus blossoming in the karma, and I went to integrate its power at

that time. Who knows that the divine fire of the Faye Red Lotus is too strong to be controlled at all, and in the end I can only retreat and put a part of its essence into this jade box.”

Saying that, Immortal Venerable Taiyi couldn't hide it. Excited: “His Royal Highness, the red lotus of Faye has taken over the creation of heaven and earth. With the essence of this jade box, you will not disappear forever.”

“Next, I will teach you some formulas, you must listen carefully, not If there is the slightest mistake, in this way, it is possible for you to reshape the primordial spirit.” The

last word fell, and Immortal Taiyi said a formula.

call!

At this moment, Prince Aotian did not violate the slightest bit, and tried to keep every word of the formula in his heart, but at the same time he was a little surprised, because this formula was completely different from the exercises he had cultivated before.

There is a clear difference between it and the exercises in God's Domain.

Confused, Prince Aotian couldn't help but ask: “Master, why have you never said this formula?”

Immortal Venerable Taiyi took a deep breath, his face showing a bit of complexity: “To be honest, this formula , I created it myself over the years, and I call it the ‘Soul Melting Technique’.”

Chapter 5349

“You must know that the essence of the Faye Red Lotus is the essence of the spiritual energy of heaven and earth, not an entity. It cannot help you completely reshape the body of God. It can only be regarded as the basis for you to reshape the primordial spirit.”

“That's why you You need to practice this set of soul fusion techniques, as long as you take away other people's life and essence, and reach a certain level, you can recreate a brand new soul...”

When saying this, Taiyi Xianzun covered his face. Unstoppable confidence.

This...

And hearing this, Prince Aotian was shocked.

Taking other people's life and essence for one's own use, this method seems to be the blood demon sorcery of the demon race. He clearly remembered that among the demons, there was a kind of blood demon sorcery, which was to continuously strengthen himself by devouring the essence of men and women.

Back then, the Supreme Being of the Demon Race, Gone, was in the human world, devouring the essence of countless men and women before he was reborn and regained his demon body...

Thinking to himself, Prince Aotian expressed his doubts.

Seeing his doubts, Immortal Venerable Taiyi smiled slightly, and said indifferently: "This soul-melting method sounds evil, but Your Highness must know that there is no evil method in the world, just look at whether the user is evil.

"And, has Your Highness forgotten? Tens of thousands of years ago, the gods and demons were originally a family. The evil exercises that the demons can do, the gods can also, but they have been disdainful to use them. Over time, they forgot."

"I created this The set of soul fusion art is also a reminder from an ancient book of gods and demons..."

Hearing this, Prince Aotian nodded. At this time, because of the collapse of the primordial spirit, his whole person looks empty and real, as if he will disappear at any time.

"It's not too late."

After discovering this, Immortal Venerable Taiyi didn't say more, and quickly released the essence of the red lotus of the law in the jade box, and integrated it into the primordial spirit of Prince Aotian who was about to completely collapse.

Om...

In an instant, the entire secret room was directly enveloped by a dazzling blood-colored light.

A few minutes later, as the blood-colored light gradually disappeared, the divine body of Prince Aotian disappeared completely, and a translucent figure was suspended on his original seat.

It is Prince Aotian's spirit that combines the essence of the red lotus of the law, and the spirit looks erratic, giving people a very unreal feeling.

call!

Seeing this scene, Immortal Venerable Taiyi took a deep breath, and said to Prince Aotian's incomplete soul: "His Royal Highness, the essence of Faye Red Lotus has been merged with your soul, you want to reshape the soul, You need to enter the human world, use the soul-melting art, and devour other people's essence."

Prince Aotian nodded, his voice was indescribably ethereal: "Everything is subject to Master's arrangement."

After speaking, Prince Aotian nodded. The soul hesitated for a moment: "It's just... Kyushu Continent, there is Divine Realm's Divine Guard to take care of it, I'm afraid that my soul will be noticed by them as soon as I enter, and then the boy Ao Lin will know, I'm afraid I will I have no chance."

Immortal Venerable Taiyi nodded, his old face couldn't hide his worry: "I am also worried about this, so I can't go to the Kyushu Continent, let alone let Ao Lin know about this."

Said, Immortal Venerable Taiyi's eyes flashed, and he suddenly thought of something: "Yes!"

"Master thought of a way?" The spirit of Prince Aotian asked quickly.

call!

Immortal Venerable Taiyi took a deep breath and said with a mysterious smile: "Your Highness can still remember that a long time ago, a fairy who was sent to the human world had some affair with mortals, and their descendants are still in the human world. A powerful sect has been built."

"At that time, we were at war with the demons, so we didn't notice it. Later, your father, the Nine Heavens God, finally realized it, and sent a magic soldier to send the fairy All the descendants left in the world will be wiped out."

Hearing this, Prince Aotian's eyes flickered, and he suddenly thought of something: "Master is talking about the Ziwei Continent in the human world?"

At that time, this incident caused a sensation in the entire God Realm. The fairies of the dignified God Realm actually moved the hearts of ordinary people, and even had children with human men. At that time, the Nine Heavens God was very angry.

Chapter 5350

Prince Aotian clearly remembers that he was in retreat when the gods sent the gods and soldiers to clean up, otherwise, he would definitely join in the fun.

"Not bad!"

Seeing Prince Aotian saying it, Immortal Venerable Tai Yi nodded with a smile on his face: "It is Ziwei Continent, as far as I know, after the incident, His Majesty the Nine Heavens had not come to send a new Because of this, God's Domain temporarily lost supervision of Ziwei Continent."

"As far as I know, until now, God's Domain has not sent a supervising fairy to Ziwei Continent. For His Highness, But it's a good opportunity."

"As long as His Highness does not go too far, God's Domain will not be able to find it. After you have reshaped your Yuanshen, I will bring you back to God's Domain for the teacher..."

Hearing this, Prince Aotian His soul also showed a smile: "Okay, just do as Master said."

Hmm!

Seeing his promise, Immortal Venerable Tai Yi nodded, and he stopped talking nonsense at that time. He directly opened the secret room's mechanism and opened a passage to the underground.

Below the passage, is a basement with a hidden teleportation array inside.

As the master of Prince Aotian, although Taiyi Immortal Venerable is not unprecedented, he is also a generation of masters. It is not difficult at all to build a teleportation array in the place where he meditates.

hum!

At this moment, Immortal Venerable Taiyi opened the teleportation array, and a dazzling light immediately enveloped the spirit of Prince Aotian.

"His Royal Highness, you have to be careful. After arriving at Ziwei Continent, before the primordial spirit is rebuilt, you must act cautiously and must not be too public." When saying this, Taiyi Immortal Venerable's face was solemn.

Prince Aotian nodded: "I know Master..." After speaking, he slowly closed his eyes. That is, at this moment, the burst of light from the teleportation array became stronger and stronger, and in the next second, Prince Aotian only felt that his eyes were dark, and he was directly teleported away.

...

On the other side, the mainland of Kyushu.

Donghai City, the lobby on the first floor of Zhaixing Building.

Gone was sitting there, with no expression of joy or anger on his face, Yu Du stood aside, and his mood was also up and down.

On the pillar next to her, Hai Ling'er was tied there. The wounds on her body have been healed, but her delicate face still shows some weakness.

One day ago, Gone learned from Hai Linger that the father of the child was Yue Wuya. He was so furious at the time that he asked Yu Du to send someone to inform Mo Yan and ask her to come to Donghai City as soon as possible.

Just now, news came that Mo Yan had disembarked at the Donghai City Seaport, and Gone sat in the hall waiting quietly.

For a while, the hall was silent and the atmosphere was extremely solemn.

Shasha...

At this moment, there was a sound of footsteps outside the door, and then, a slender and charming figure walked in quickly. A long red dress perfectly showed off her charming and compact figure.

The beautiful face could not hide the urgency.

"Your honor!" When they

arrived in the hall, Mo Yan first bowed respectfully to Gone, and then asked impatiently, "Has the child been taken back?"

During this period of time, because of the child, Mo Yan didn't think about it. Fan didn't want to, when he was suddenly summoned to Donghai City by Gone, thinking that they had taken back the child from Yue Wuya.

After asking these questions, Mo Yan wanted Yu Du to cast an inquiring look.

However, Yu Du secretly shook his head, unable to hide the anxiety in his eyes.

what's the situation?

Seeing Yu Du's reaction, Moyan Xiumei frowned and was very puzzled.

The next second, Moyan's heart moved when she saw Hai Linger tied to the pillar, this woman... Isn't this Yue Wuya's woman? When did you catch her?

"Moyan!" Just when Moyan was thinking about it, Gone snorted coldly, and said in a cold tone

, “Do you know why I called you to Donghai City in such a hurry this time?”

Nirvana couldn't hide the anger in her heart.

This Moyan, one of the twelve holy demon kings of the dignified Demon Race, has been loyal to him for so long. During this time, not only did he violate the rules of the Demon Race, he had a child with humans, but also because of the child's father. thing, has been hiding from myself.

The ultimate husband in Chinese chapter 5351-5360

Chapter 5351

“I...”

Feeling Gone’s anger, Mo Yan’s tender body trembled, and her heart became inexplicably nervous: “This subordinate... I don’t know.”

“I don’t know?” Gone sneered, Immediately, he slammed down the

table and shouted angrily, “Moyan, how long do you want to hide this deity? I ask you, who is the father of that child?” Ling’er, her heart trembled, and she didn’t dare to let out the air.

Huh...

Mo Yan was even more nervous, her beautiful face turned pale in an instant, and her voice trembled: “Respect.... The matter of the child’s father, I have said it before, it is completely... At that time, it was not what my subordinates wanted, so don’t ask your superiors, the subordinates are really embarrassed to say it.”

At this moment, Mo Yan was nervous and depressed.

It’s all that bastard Yue Feng. If he hadn’t taken away his innocence at the time and caused him to conceive a child, he wouldn’t be in such a passive situation now.

“I’m sorry to say it?”

Hearing this, Gogne smiled coldly: “I think you have no face to say it.”

“You still refuse to say it, okay, then the deity will say it for you, the child’s Father, is the current Lord of the Heavenly Sect, Yue Wuya, right?”

“Back then, Yue Wuya and that Wen Xiaoyu went to the Dragon King Island twice, and they were able to get out of their bodies. The deity always thought it was your negligence. Now it seems that you let him go on purpose at that time, right?”

“It’s ridiculous that this deity fought against Tianmen on the rivers and lakes for you to help you recover the child. Now I know how stupid this deity is.”

What?

At this moment, Mo Yan only felt that her mind was buzzing and blank.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

What does your honor say? The child's father is Yue Wuya?

This...how is this possible, that Yue Wuya has some skills, but he is only in his twenties, and he is the son of Yue Feng, how could he like this kind of hairy boy?

Thinking of this, Mo Yan said with tears in her eyes, "Respect your anger, Yue Wuya is just an immature boy, how could his subordinates like him and have children with him."

"This news is completely groundless. Don't believe it."

When she said this, Mo Yan was very depressed, and she didn't know who spread this kind of remarks, it was ridiculous.

It's just frustrating that Zun Shang actually believed it.

Out of nowhere? At this moment, Gou stared

at Mo Yan for a few seconds, his face changed: "What do you mean, everything I said is false?"

With Mo Yan, she couldn't hide her contempt and contempt.

This woman is really shameless.

It's all this time, and he still refuses to admit it.

call!

Mo Yan took a deep breath, shook her head, and said, "Yes, this kind of remark is completely made up." Some things are done, and she doesn't dare to lie in front of your honor.

"You're lying!"

However, as soon as he finished speaking, Huan Ling'er couldn't help shouting: "The child's genes have been compared with Yue Wuya's, and they are exactly the same, and the blood has been completely merged. Together."

"Although I can't produce any evidence, I watched the situation at the time, and I couldn't be wrong."

"The child belongs to you and Yue Wuya, why don't you admit it, why do you lie? Why do you want to separate me and brother Wuya, why..." At the

end, Hai Ling'er couldn't help her tears. Also a little hoarse.

That's right, although on the surface, he and Yue Wuya have made a clean break, but it's impossible to cut off emotional matters. Seeing Moyan not admit it at this time, Hai Ling'er couldn't help it at all.

This...

Looking at the crazy-looking Huan Linger, Mo Yan's eyebrows were furrowed, and the whole person was a little confused.

Gene match? And a drop of blood?

What the hell is she talking about?

At this moment, Gone's face was also extremely gloomy, and he said to Mo Yan, "This Hai Ling'er, because of the child, got into a quarrel with Yue Wuya, and then was caught by Yu Du. She told the deity all the details of the story."

"Moyan, what else do you have to say? At this point, you are still going to hide it, right?"

Chapter 5352

Hearing the questioning, Mo Yan fell silent. While inexplicably nervous, her mind was spinning rapidly.

How could the child have the same bloodline as Yue Wuya?

By the way...

The next second, Mo Yan suddenly thought of something. Her head was full of chaos, but she suddenly became much more awake. Yue Wuya was Yue Feng's son, and of course he had the same bloodline as the child.

It's just... it's more troublesome to tell the truth.

"Speak!" Seeing her hesitation, Gone was completely impatient, and suddenly shouted.

Hearing the explosion, Mo Yan's legs softened, and she knelt directly on the ground, gritted her teeth and said, "Your Excellency, the father of the child is indeed not Yue Wuya."

"Who is it?" Extremely cruel, if Mo Yan was not his beloved subordinate, he would have been beaten to death just now.

At this moment, Hai Ling'er's eyes were also fixed on Mo Yan.

This woman has always refused to admit that the father of the child is Brother Wu Ya, but I want to see what reason you can make up.

At the same time, Yu Du was also a little anxious, and said to Mo Yan: "Queen, let's talk about it now. Don't hide it anymore." When he spoke, Yu Du secretly sweated for Mo Yan.

He could see that if Moyan didn't tell the truth today, Gone would not forgive her lightly.
call!

Faced with this situation, Mo Yan took a deep breath, bit her lip tightly, almost bleeding from the bite, and finally whispered, "It's Yue Feng..." When she said these three words, Mo Yan was paralyzed. Sitting on the ground, the whole person almost collapsed.

She knew the consequences of telling the truth, but in the current situation, it was impossible not to tell the truth.

What?

Hearing this, both Gone, Yu Du and Hai Ling'er were all shocked.

Especially Gone, his eyes were full of inconceivable, and at the same time there was a bit of anger: "What did you say? Who is the father of the child?" If the father of the child is Yue Wuya, he can barely accept it, but if it is Yue Feng, But could not accept it.

You must know that in the God's Domain, if it wasn't for Yue Feng, the Demon Race would not have been completely defeated. In the end, even his Demon Race Supreme had no bones left, and in the end only a remnant soul was left to enter the Kyushu Continent.

Hai Ling'er and Yu Du were even more dumbfounded, staring at Mo Yan, speechless for a long time.

"Yes!"

Facing Gone's terrifying gaze, Mo Yan lowered her head, not daring to look at him, she nodded with gritted teeth, "The child's father is Yue Feng, and his subordinates lost their minds at that time due to special reasons. , I have a relationship with him..."

"Yue Wuya is Yue Feng's son, and my child is half the same mother, so they have the same blood."

"Your honor, all this may be It's all God's will, if you really want to blame, blame me, kill me if you want to, please don't take anger on the child, after all, the blood flowing in the child also has the blood of our demons..."

Finally, Mo Yan knelt there. , ashamed.

Phew

Gogne took a deep breath and watched her speechless for a long time, her mind in a mess.

And Hai Linger, who was tied to the pillar, was in a depressed and uncomfortable mood at first, but she felt relieved and regretted secretly in her heart.

It turns out... the child is the half-brother of Wu Ya's brother. Not his child at all.

I was wrong, Brother Wuya.

I'm so stupid, Brother Wu Ya has a deep love for him, how could he do such a thing? At that time, he left so heartlessly, how sad Brother Wu Ya should be.

For a while, Hai Ling'er bit her lip tightly, sinking into deep self-blame.

The entire hall was also deadly silent, and a drop of a needle could be heard clearly.

"No wonder!"

Finally, Gogne was silent for a few minutes, and then looked at Mo Yan in a complicated way: "No wonder you have been refusing to tell the deity that the father of the child is Yue Feng, okay, very good."

Saying that, Gogne He tilted his head towards Yu Du and said, "Pass my order. From now on, Moyan will be deprived of all rights in the Sea Dragon Palace. There will no longer be a queen in the Sea Dragon Palace. She will be thrown into a water prison. As for how to deal with it, wait for my instructions."

Pu Tong. ..

When the voice fell, Mo Yan's delicate body trembled, and her whole body flopped limply to the ground, her face extremely pale.

Chapter 5353

She knew that Gogne had always acted resolutely, but she didn't expect that she would punish herself in this way.

Under the panic in her heart, Mo Yan wanted to beg for mercy, but she held back.

She knows Gogne best, and in this situation, if you beg for mercy, Fei Fei will not be gracious.

“Your Highness!”

At this moment, Yu Du’s heart was shocked, and he quickly knelt on the ground and pleaded for mercy: “Your Highness, I beg you to be kind, the Queen just said that the whole thing was a mistake. Huai Yuefeng’s child is not her intention at all.”

“If you want to blame Yue Feng, I beg your honor to forgive the queen...”

When he said this, Yu Du’s face was full of anxiety. It was Moyan, if it weren’t for Moyan, I’m afraid he is still just a nameless pirate leader overseas.

It can be said that Moyan gave him everything he is now, so seeing Moyan being punished, Yu Du couldn’t bear to sit back and watch.

“What?”

Seeing him plead for mercy, Gone’s face became even colder, and he frowned: “Are you questioning the deity, thinking that the deity is too cruel?” When he spoke, there was an irresistible killing intent in his eyes.

The body of the Demon Race is supreme, Gone has always said what he says, and no one in the entire Demon Race dares to question, and the human race powerhouse in front of him dares to intercede for Moyan, and he is simply courting death.

Gudong!

Feeling Gone’s killing intent, Yu Du couldn’t help swallowing his saliva, a chill filling his forehead from the soles of his feet.

At this moment, Mo Yan’s body trembled, and she hurriedly said to Yu Du, “Don’t talk, and quickly apologize to your lord.” Others don’t know Gone, but she knows it best.

Anyone who dares to defy his will will end badly.

Pfft!

Hearing this, Yu Du wiped the cold sweat off his forehead, and said to Gone, “This subordinate doesn’t dare...”

Gone nodded, the killing intent in his eyes subsided, and said lightly: “Then what are you waiting for? Put Mo Yan in the water prison, and then come back to see the deity, the deity has important things, I will leave it to you to do.”

“Yes, your honor...”

At this time, Yu Du did not dare to violate the slightest, and hurriedly responded, Then, Moyan was tied up and taken out of the hall.

At this moment, Mo Yan did not dare to struggle at all, she knew that everything was out of control, but she still held some hope in her heart, and said to Gone: “Your Highness, this subordinate has been hiding from you, and has been imprisoned. The water prison is self-inflicted, but there is one thing, I hope your honor can agree.”

“Speak!” Gone said blankly, and answered a word lightly.

call!

Mo Yan took a deep breath and pleaded, “My subordinates only hope that the venerable can quickly save the child.”

Gone’s eyes flickered, and he said lightly: “You don’t need to worry about this, the deity has its own measure.” Indifferent, but his eyes twinkled with complexity.

This bastard, Yue Feng, has actually defiled my most trusted subordinate, and I will never let you go.

Gone thought about it, since the father of this child is Yue Feng and has a blood relationship with Yue Wuya, he can take advantage of this and cause disputes in the rivers and lakes.

Sigh...

Seeing Gone’s answer, Mo Yan knew that it was useless to say anything, so she secretly took a breath and walked out of the hall with Yu Du.

When he got outside, Yu Du couldn’t help but said: “Your Highness, what should I do now? Did you really appoint it like this? Why don’t we just leave and re-establish the Sea Dragon Palace. Why do you have to be under his command and suffer from this kind of cowardice?”

said At these times, Yu Du had a serious look on his face.

Until now, Yu Du didn’t know Gone’s true identity. He just felt that Mo Yan had given the power of the Sea Dragon Palace to this person, and now he is so humiliated, it is really too embarrassing, even if he is just a subordinate, it is a bit hard .

In Yu Du’s heart, the person who is truly convinced is Moyan. Even if Gone is stronger, it will be difficult for him to follow him willingly. .

“Shut up!”

At this moment, Mo Yan's pretty face changed when she heard Yu Du's words, and she hurriedly reprimanded in a low voice: "In the future, don't say anything like this again." Yu Du is really crazy, he even thought of asking for a backboard. superior.

"Why?"

Yu Du looked puzzled and couldn't help but glanced at the hall.

Chapter 5354

Mo Yan's face was solemn, and she said very unpleasantly: "Don't ask why, in short, you can't have this kind of thought in the future, otherwise, don't blame me for turning my face and being ruthless, you know?"

Despite being treated like this by Goni, But Moyan was still extremely loyal to him, and she would never hear anything against Gone.

Seeing her reaction like this, Yu Du was stunned for a moment, then nodded and said, "Don't blame the queen, I'm just worried about you. Since you did this, I won't mention it again."

After saying this, he took Moyan into the water prison.

Afterwards, Yu Du returned to the hall and saw Gone sitting there, frowning slightly, as if he was thinking about something.

"Your Highness!" Yu Du

approached slowly, and said respectfully, "What's the next order?"

Gone thought for a while, then said lightly, "You pick some powerful people, pretend to be from the Heavenly Sect, and go. Provoking the various sects in the Jianghu, in addition, spread the news, saying that the queen of the Hailong Palace has admitted her relationship with Yue Wuya, and the father of the child is Yue Wuya."

"Let the sects in the Jianghu realize that, Tianmen has secretly formed an alliance with our Sea Dragon Palace. Do you understand?"

When he said this, Gone's eyes couldn't hide the viciousness.

This....

Hearing this order, Yu Du was stunned for a moment, and hesitantly said: "Your Highness, this plan is very good, but... using the Queen's reputation as a price, isn't it... a bit bad.

"Rumors of Moyan and Yue Wuya having children spread on the rivers and lakes can break down the relationship between Tianmen and various sects, but in this way, how can Moyan meet people?"

Because of his respect for Mo Yan, Yu Du always thinks of her in everything.

Gone said lightly: "Her reputation is important, but compared to the overall situation, it's nothing. Besides, she was tainted by Yue Feng, and she has long since lost her holiness."

"Mischief, do you know?" The

voice was not loud, but there was no doubt.

Why is this man so ruthless?

At this moment, Yu Du was very upset with Mo Yan, but thinking of her warning just now, he held back and said in a low voice, "Understood, I will definitely not disappoint your honor." After speaking

, he exited with a complicated heart.

"You..."

As soon as Yu Du left, Hai Linger reacted and looked at Gone excitedly: "You are so sinister and despicable, Brother Wu Ya and your subordinates are completely innocent, why? Want to spread such rumors on the rivers and lakes?"

Hai Ling'er was very angry when she said this.

Hehe...

Seeing her excited look, Gone looked indifferent and said with a playful smile: "Girl, the child was born to Yue Wuya and the woman just now, these words, but you told me yesterday, I will now take this into account. The matter was announced in Jianghu, is there any problem?"

Hai Linger was so anxious: "But this is a misunderstanding, didn't she explain it just now?"

Misunderstanding?

Gone smiled, his face full of teasing: "When you left Yue Wuya, why didn't you think that this was a misunderstanding? Haha, anyway, I would like to thank you anyway."

“If it weren’t for you, I will not force Mo Yan to tell the truth, nor will I come up with such a wonderful way. If Yue Feng knew that because of him, his son lost his beloved woman, he would be very uncomfortable, right? Haha.... “

Hearing this, Hai Linger remembered to cry, but she was speechless.

Yes, why didn’t I think of it at the time, this was a misunderstanding?

For a while, Hai Ling’er regretted that she was too angry at the time to not give Yue Wuya a chance to explain, but now it has fallen into the hands of the enemy.

Seeing her stunned look, Gogne stopped talking nonsense, chuckled lightly, and walked out of the hall slowly.

...

the other side, the Shaolin faction!

As one of the nine sects in the Diyuan Continent, the Shaolin sect has been passed down for thousands of years.

For thousands of years, many Jianghu Xiaoxiao tried to sneak into the Shaolin sect and steal the secret books of the town sect. However, the main altar of the Shaolin sect was built in front of the cliffs and was heavily guarded. Therefore, those who tried to steal the secret books were all useless. Back with success.

At this time, it was midnight, and the entire Shaolin sect was shrouded in hazy moonlight.

Chapter 5355

Shasha....

However, at this time, there was a slight sound of footsteps on the mountain path outside the main altar of the Shaolin School. The footsteps were undisguised, as if they were not afraid of being discovered by Shaolin people.

A few seconds later, by the moonlight, I saw dozens of men in black coming slowly.

These men in black have a strong aura all over their bodies, with long knives hanging from their waists, and all of them have their faces covered. At first glance, they are not ordinary people, but the leading one has a tall and straight body, and the eyes exposed outside are even more Glittering dazzling light.

Yes, it is Yu Po who is leading the charge.

Half a day ago, Gone ordered him to pretend to be someone from Tianmen to provoke the major sects. After Yu Du was ordered, the first target he chose was the Shaolin faction.

Swish!

When they approached the entrance of the mountain gate, several Shaolin disciples who were guarding there immediately found Yu Du and others, and immediately scolded them.

“Who? Dare to break into the Shaolin sect at night?”

“What are you doing? Are you all covering your face, don’t you dare to see people?”

Under the anger, one of the Shaolin sect disciples immediately turned and ran away to call the others. support.

Hehe...

Seeing that Shaolin disciple and calling for support, Yu Du didn’t stop him in the slightest, but sneered, looked at the other Shaolin disciples guarding the mountain gate, and said coldly, “I heard that your Shaolin sect has six great skills. , I’m very interested, so I came to borrow two books to go back and have a look.”

Wow...

hearing this, the expressions of several Shaolin disciples who were guarding the door changed, and their hearts were full of anger.

This person is so courageous. In the past, those Jianghu Xiaoxiao only dared to sneak up the mountain for the secrets of the Shaolin sect, but this one in front of him had eaten the guts of a bear and a leopard, and even blatantly asked for it.

Who gave him the courage?

Finally, one of the Shaolin disciples in the lead looked at Yu Du coldly: “I think you are impatient, and you dare to run wild to our Shaolin faction.” The voice fell, and the toes lightly tapped the ground, and punched directly at Yu Du. Call at the door.

Whoa!

At the same time, several Shaolin disciples around him also followed closely behind, rushing towards Yu Du’s companion.

Hehe...

Seeing that the other party took the lead, Yu Du sneered: "Is the Shaolin faction great? It's your honor that I came to ask for your secret book. Since I'm so ignorant of flattery, I have no choice but to be rude." The

last one The words fell, Yu Du's figure flashed, and he punched him directly.

boom!

In the next second, the two fists collided fiercely, and they saw the Shaolin disciple screaming miserably, and the whole person was shocked and flew out. After flying ten meters and landing, a mouthful of blood spurted out and died.

This... this person is very strong.

Seeing this scene, the other Shaolin disciples around were shocked and couldn't help gasping. They didn't expect that the opponent's strength would be so tyrannical, and just one move, they killed one of their comrades.

At this moment, Yu Du's eyes showed endless coldness, and he ordered: "Kill all of them."

"Yes!"

After receiving the order, dozens of companions responded in unison, and then pulled out their long knives and slashed at those Shaolin disciples.

The people who followed Yu Du were all the elites of the Sea Dragon Palace. They shot lightning fast. Those Shaolin disciples didn't have time to react. After screaming, they fell into a pool of blood.

"Who is here to make trouble with Shaolin?"

At this moment, a loud shout came, and then an old monk strode out.

The whole body was filled with a sense of righteousness, the gentle face, the anger that could not be concealed, was the master of the Shaolin sect, Master Kong Wu.

"Oh!"

Seeing the appearance of Master Kongwu, Yu Du did not panic at all, but sneered: "Master Kongwu's style has not diminished in the past, I admire it." The explosion of Master Kongwu just now is the unique skill of the Shaolin school. One of them, 'Tianshi's Roar', has a deep inner strength that remains unaffected.

But the subordinates behind them all turned pale and obviously suffered shock injuries, but their lives were not in danger, so there was no need to worry.

“Who are you, why do you want to hurt my Shaolin disciple?”

Master Kong Wu asked coldly, the anger in his heart swelled, and he clearly saw that the dozen or so disciples who were guarding the mountain gate fell to the ground one by one and died. The situation is tragic.

The ultimate husband in Chinese chapter 5356-5360

Chapter 5356

Hehe...

Feeling the anger of Master Kong Wu, Yu Du didn't panic at all. At that time, he smiled evilly and replied slowly: “I'm just a nobody, and I don't care.”

“I came to Shaolin this time because I was right. You Shaolin sect masters are fascinated and want to borrow it for a look, how do you know that you Shaolin disciples, when you hear the purpose of our visit, you will suddenly change color, and you will do it indiscriminately.

When he said this, Yu Du's tone was indifferent and his expression relaxed and comfortable. It seems that it is a matter of course to lead people into the Shaolin sect at night and ask for the town sect cheats.

Nobody?

The moment the words fell, Master Kong Wu's face suddenly became difficult to look at. The black-clothed leader in front of him, no matter his words and deeds, or the aura that permeated his body, was extraordinary everywhere, how could he look like a nobody?

Moreover, the other party deliberately covered his face, obviously not wanting to reveal his identity.

Is it the enemy of the Shaolin faction? It's just... The Shaolin faction hasn't had any grudges with any Jianghu faction over the years.

He was puzzled, and when he heard the words behind Yu Du, Master Kong Wu was even more faintly angry. Shaolin sect's secret skills were never rumored. , is really arrogant.

call!

Thinking to himself, Master Kong Wu looked at Yu Du and said coldly, “I am a Shaolin master, and I never lend it to others. Your remarks just now were made to pick things up on your own initiative. Since you have hurt so many of my Shaolin disciples, stay here.

Let me repent in the Buddhist pagoda in the back mountain of Shaolin.” The pagoda in the

back mountain of the Shaolin school was built in the Sui Dynasty and has a total of thirteen floors. A place where felons are imprisoned.

Although Yu Du has killed so many Lin disciples, the Buddhist family takes compassion as their heart. As the head of the Shaolin sect, Master Kongwu does not want his life at this time, but just wants to imprison him in a Buddhist pagoda. Use the Dharma to forgive his sins.

Haha....

But hearing this prosperity, Yu Du couldn't help laughing up to the sky, his eyes full of mockery: “Master Kongwu, Master Kongwu, you chanting sutras and chanting Buddhas are just like those literate scholars, really Both pedantic and paranoid. I killed your Shaolin disciples just now, so I have to enter the pagoda to repent? Haha...that's a joke!”

“The Buddha you recite can save others, but not me, so that Buddha The position in the tower should be reserved for others.”

At this time, Yu Du's eyes were full of jokes.

This time I came to the Shaolin faction because it was deliberately provocative, so I had nothing to fear.

Arrogance...

At this moment, Master Kongwu couldn't help it any longer, his face turned cold and said: “Amitabha, since Your Excellency is obsessed, the old monk will be offended.”

The moment the voice fell, Master Kongwu urged Internal force, a palm quickly hit Yu Du.

This palm seems to be slow, but it is as fast as thunder, and the surging inner strength completely shrouds Yu Du's whole body. In this case, Yu Du has no chance to dodge at all.

It is one of the unique skills of the Shaolin School, Buddha Heart Palm!

Huh....

Feeling the power of this palm, Yu Du's face froze, and he didn't dare to look down on him in the slightest.

In the next second, the palms of the two sides collided, and a dull vibration broke out. Then, Yu Du's body was shocked, and he took a dozen steps back, and his eyes were also deeply shocked.

As expected of the head of the Shaolin School, his internal strength is indeed strong.

However, under the shock, Yu Du was not nervous at all, but a strong fighting spirit emerged from the bottom of his heart. Speaking of which, if it was three months ago, Yu Du would never have dared to be so presumptuous in front of Master Kongwu. After the training, the strength has improved by leaps and bounds, and it is still not what it used to be.

In this case, it is completely possible to fight against Master Kong Wu.

"Your Excellency is a good way."

Seeing Yu Du blocking his palm, Master Kong Wu also nodded, his face dignified: "You are so strong, but you are covering your face, don't you dare to see people?"

Chapter 5357

"The old monk wants to see today, where is your holy place?" The

last word fell, Master Kong Wu slowly raised his right hand, clenched a golden Zen staff, and at the same time a terrifying breath swept out, In an instant, the entire Shaolin faction was shrouded in a golden Buddha light.

Phew...

Seeing this scene, many Shaolin disciples around were extremely excited.

And the subordinates behind Yu Du were all inexplicably anxious. Under the shroud of this golden Buddha light, they only felt that their hearts were suppressed and panicked.

Yu Du also had a solemn expression on his face.

Is this old monk going to perform a stunt? I have to say, the mood is really different.

Thinking to himself, Yu Du put on a nonchalant attitude, smiled at Master Kong Wu and said: "Oh, the old monk is going to be serious? I'm just here to borrow books, if you don't borrow it, it's fine, why are you living? So much anger?"

"Arrogant."

As soon as he finished speaking, Master Kong Wu gave a cold scolding, then clenched his Zen staff and flew into the air.

In an instant, Master Kong Wu's internal power exploded completely, and the dazzling golden light filled the entire sky.

"King Kong subdues demons." In the

next second, Master Kong Wu's eyes locked on Yu Du, and the Zen staff in his hand suddenly lifted. Suddenly, an unparalleled Buddhist power burst out, condensed into a tall King Kong image, and slammed towards Yu Du. come.

King Kong is one of the gods of Buddhism. Although this one is formed by the condensed internal force, the tall and majestic posture still makes people tremble.

Gudong!

At this moment, seeing the giant King Kong appearing in mid-air, the surrounding Shaolin disciples all retreated subconsciously, and Yu Du's subordinates couldn't help sweating for Yu Du.

"This...this is one of the most powerful skills of the Shaolin school, King Kong to conquer demons?"

"It's better to be famous than to see it at first sight, so strong..."

"The leader doesn't know if he can stop it..."

The worries of the men When it came, Yu Du couldn't help but take a deep breath, his face lost the lightness he had just now, he didn't have time to think about it, he immediately activated his inner strength and deployed a protective film in front of him.

boom!

As soon as the protective film was formed, the huge diamond had already erupted. In an instant, a deafening roar was heard, and the protective film shattered instantly.

At the same time, Yu Du also snorted, and the whole person was shocked and flew out, flying dozens of meters away, and fell heavily to the ground.

"Boss..."

"Boss, how are you?"

Seeing this scene, the surrounding subordinates all exclaimed and came to check.

Yu Du waved his hand, indicating that he was fine, and at the same time stared at Master Kong Wu, unable to hide his shock.

As expected of the head of the Shaolin School, his strength is indeed very strong.

At the same time of shock, Yu Du also secretly rejoiced in his heart. If he had suffered this attack of King Kong to subdue demons a few months ago, he would have been immortal. leap.

“Amitabha!”

Just when Yu Du was secretly rejoicing, Master Kong Wu was suspended in mid-air, looking down at him, golden light flashing all over his body, as if a Buddha came into the world: “Your Excellency is extraordinary, and your identity must be extraordinary, I advise you not to cover up, Show your true colors.” The

voice fell, Master Kong Wu’s inner strength surged, and he slapped Yu Du again.

call!

Seeing this situation, Yu Du took a deep breath with a hint of slyness in his eyes, and sneered: “Master is very powerful, I am ashamed, let’s stop today, we will have a future.”

After speaking, Yu Du moved his figure and quickly retreated, He didn’t fight Master Kong Wu at all, and at the same time took out a medicine bottle from his body and spilled a piece of poisonous water.

The main purpose of his night attack on the Shaolin faction this time was to provoke a battle between Tianmen and the major sects. Now that the plan is going well, it is time to leave.

Chi Chi...

The poisonous water meets the air and instantly forms a faint blue poisonous mist.

In an instant, seeing the poisonous fog filling the air, Master Kong Wu immediately dodged backwards, and at the same time beckoned other Shaolin disciples to dodge.

“Go!” Taking

this opportunity, Yu Du shouted at his subordinates and quickly evacuated down the mountain. In the blink of an eye, he disappeared into the night, but when retreating, Yu Du deliberately accidentally dropped a jade token.

Chapter 5358

A few seconds later, after the faint blue poisonous mist dissipated, the rest of the poisonous people had already left.

Phew...

Seeing this situation, Master Kong Wu's face was extremely solemn, and there was an unnamed fire in his heart. This man killed dozens of Shaolin disciples, and finally let him run away.

If this matter spreads to the rivers and lakes, what will the Shaolin faction lose?

At the same time, there are still some doubts in my heart.

For thousands of years, the Shaolin faction has always kept its duty and never fought with other Jianghu sects. Why would someone blatantly come to Shanmen to make trouble?

"Master!"

Just when Master Kongwu was thinking about it, a disciple beside him suddenly found something, walked over quickly, and picked up the jade tablet Yudu had dropped in the grass: "There is something here, it seems to be the gang just now. It fell when people escaped."

As he spoke, he handed over the jade token.

Master Kong Wu hurriedly took it over and took a look, and suddenly his heart was shocked: "This....this is something from Tianmen?"

I saw that the jade brand is delicate in texture and shiny throughout, and it is carved from a very rare white jade. , the front is engraved with a dragon pattern, and the back is engraved with the word 'Tianwang'.

Most people don't know this token, but Master Kongwu is very clear.

At the beginning of Yue Feng's establishment of Tianmen, he set up four gods of war and ten heavenly kings, and created a jade card for each person as a symbol of identity.

Later, when the Apocalypse Continent invaded, all the sects in the rivers and lakes joined forces to resist. After the final victory, all the sects sat together to celebrate. At that time, Master Kong Wu had seen the jade tablets of the top ten heavenly kings of Tianmen. Although he had only seen it once, he was very impressed. .

WOW....

As soon as these words came out, the entire mountain gate was in an uproar, and the Shaolin disciples present exploded.

“Tianmen’s token?”

“Could it be... that the masked leader just now was one of the top ten heavenly kings of Tianmen? Why are they in Tianmen and Shaolin?”

“Yeah...we Shaolin and Tianmen have never had a festival. Ah.”

Under everyone’s astonishment, a disciple suddenly thought of something and couldn’t help but say: “Recent rumors in Jianghu, Tianmen’s current sect master Yue Wuya has an affair with the female leader of an overseas pirate organization, and the two have a child... “

“Because of this, the princess of the sea shark clan and Yue Wuya broke up and parted ways. If it is true, Tianmen and the pirate organization have secretly colluded, and it is not impossible to deal with various sects.”

There is such a thing... ..

When the voice fell, the expressions of the other disciples changed.

Master Kongwu also had a solemn look on his face, holding the jade card tightly, and said solemnly: “It seems that there is going to be another dispute in the rivers and lakes.”

After saying that, Master Kongwu looked at the bodies of those Shaolin disciples and instructed: “Bury them well, from now on, strengthen the defense of the mountain gate, and make arrangements immediately, tomorrow morning, prepare for the teacher to visit the heaven gate...”

He thought about it, tonight Shaolin Sect was attacked, and he must find Yue Wuya in person. ask clearly.

“Yes, Master...”

...

On the other side, Wudang Mountain.

The head of Wudang, Lingyu, is meditating in the secret room. Lingyu is the younger brother of Lingbao. He took over Wudang a year ago.

“Master, it’s not good...”

At this moment, a disciple rushed in in a panic, his face full of anxiety: "Suddenly a group of men in black came outside the mountain gate, threatening to ask for our Wudang town sect secret book, which has already injured many of our disciples.

" At that time, the disciple was sweating profusely and was nervous.

What?

Hearing this, the real person Lingyu was shocked, and at the same time, he was angry: "Where did you come from, you are a little boy, come to Wudang Mountain to spread the wild?" He got up and walked out of the secret room quickly.

Outside the mountain gate, I saw dozens of Wudang disciples fighting fiercely with a group of men in black.

Bang bang bang...

The sound of fighting between the two sides kept coming, and I saw those men in black, each with outstanding strength. The Wudang disciples were not opponents at all, and the situation was completely one-sided.

In just a few breaths, many Wudang disciples fell into a pool of blood.

Seeing this scene, Spiritual Master Lingyu was furious and shouted angrily at the man in black at the head: "Who are you waiting for? Why did you break into Wudang Mountain?"

Haha...

The voice fell, and the man in black laughed loudly: " I am one of the ten heavenly kings of Tianmen, and I came here today to ask you to hand over the secret books of the Wudang faction as soon as possible."

Chapter 5359

Tianmen?

Hearing this, the real person Lingyu said angrily: "Tianmen has always acted in an upright manner, never doing such despicable things. You keep saying that you are one of the ten heavenly kings of Tianmen, why don't you dare to show your face?"

"I see, You are pretending to be on purpose."

Lingyu real person acted prudently, and immediately thought that the group of people in front of him were really pretending to be Tianmen, causing harm to the rivers and lakes.

He guessed right, these people in front of him are not Tianmen at all, but fake people from the Sea Dragon Palace.

Seeing the real person Lingyu see through his identity, the leading man in black did not panic at all, and smiled coldly at that time: "As expected of the head of the Wudang faction, he really has piercing eyes."

"You are right, we are not Tianmen, but Hailong. The people of the temple, but we have already formed an alliance. The sect master of Tianmen, Yue Wuya, and the queen of our Hailong Temple have already tied the knot and have a son."

"For example, the door and my Hailong Temple have joined forces today and are ready to dominate the rivers and lakes. For a sect like your Wudang sect, there is only one way to surrender, otherwise, you will be expelled from the rivers and lakes."

When he said this, the leading man in black had a arrogant tone, and his eyes were full of cunning.

Just like Yu Du's entry into Shaolin, their purpose is to provoke disputes between the Tianmen and the various sects.

Swish!

Hearing these words, the real person Lingyu's face was instantly ugly, and he said angrily: "So it is."

Recently, it was rumored that the Tianmen sect master Yue Wuya and the female leader of the pirate organization gave birth to a child. I thought it was groundless, but I didn't expect it. , turned out to be true.

Although the real person Lingyu acted calmly, but the other party said it so confidently and without concealment, he believed it to be true.

"good very good!"

In the next second, Master Lingyu was furious and nodded again and again: "I never thought that Yue Feng, who has always been upright and upright, would give birth to such a son, I want to see how you will dominate the arena after the combination of Hailong Palace and Tianmen. ." The

voice fell, and the figure of Lingyu real person flashed, and he directly fought with the leading man in black.

Seeing that Spiritual Master Lingyu personally took action, the leading man in black did not love to fight. After more than ten rounds of fighting, he found an opportunity to leave quickly with his companions.

At the same time, other sects were also raided by mysterious men in black.

The situation is almost the same as that of Shaolin Wudang. After these men in black wounded the disciples of various sects, they did not fight and left quickly. Before leaving, they revealed the news of the alliance between Tianmen and the Sea Dragon Palace consciously or unintentionally.

...

A day later, in Zhongzhou, the main altar of Tianmen.

In the main altar hall, Yue Wuya sat on the throne, his face was gloomy, and his mood was a little low.

A week ago, Wen Chouchou and others helped to defend the main altar of Tianmen and repelled the main force of the Sea Dragon Palace, but the Sea Dragon Palace did not stop there.

Under such circumstances, Yue Wuya had to visit the main altar in person to deploy defense.

It's just... Hai Linger left angrily, and there is no news till now, which makes Yue Wuya very anxious and has no intention to manage the deployment of Tianmen.

"Sect Master!"

At this time, a sub-altar master walked over quickly and respectfully said to Yue Wuya: "The disciples below have been closely monitoring every move of the Sea Dragon Palace in Donghai City for the past two days."

"These two The Tianhai Dragon Palace has nothing to do, and most of their main force has been in the camp near the star picking building, I think it's a bit strange..."

Hearing this, Yue Wuya said absent-mindedly: "Okay, I understand."

After that, Yue Wuya asked, "Has Linger's whereabouts been found?" When referring to Hai Linger, Yue Wuya asked. The urgency in his eyes could not be concealed.

In his heart, the matter of Tianmen was important, but it was far less important than Hai Linger's safety.

Phew...

Feeling the expectation in Yue Wuya's eyes, the altar master took a deep breath and said complicatedly: "Sect Master, Princess Ling'er's whereabouts, I have been investigating, according to my guess, she..."

said Halfway through, the altar master hesitated and hesitated.

“What’s wrong?” Yue Wuya realized that something was wrong, and suddenly became excited: “Is something wrong with Linger?”

Chapter 5360

The altar master said complicatedly: “I’m just guessing, because we finally found the whereabouts of Princess Ling’er near Donghai City. After that, she seemed to have disappeared, and her subordinates suspected... Linger. The princess should have been caught by the people from the Sea Dragon Palace.”

What?

The voice fell, Yue Wuya’s heart trembled, and he stood up instantly: “Then have you sent someone to investigate the Hailong Palace camp?”

When he said this, Yue Wuya was in a hurry.

The altar master looked ashamed, lowered his head and said, “My subordinates tried it. It’s just the Hailong Palace’s camp, which is heavily guarded. The people I sent couldn’t get in at all. So...”

Before he could finish speaking, Yue Wu Ya interrupted: “Don’t say it, you go to deploy defense, I’m going to Donghai City.”

“Sect Master!”

The altar master was stunned for a moment, then anxiously said: “You must not take risks.”

Although Yue Wuya’s strength is outstanding, the leading young man in the Sea Dragon Palace is even more terrifying. If Yue Wuya enters Donghai City alone, isn’t it self-defeating?

Yue Wuya had a firm look on his face: “I have to go. If something happens to Linger, I will regret it for the rest of my life. Don’t persuade me any more.” After the words

fell, Yue Wuya was about to leave the hall.

Whoops...

But at this moment, outside the gate of the main hall, several figures broke in. The uniform yellow monk robes are not low in strength, and they are all elite disciples of the Shaolin sect.

The leader is dressed in a red cassock, holding a Zen staff, and his whole body is filled with majesty that cannot be blasphemed.

It is the Master of Nothingness.

“Master Kongwu?”

Seeing the visit of Master Kong Wu, Yue Wuya was stunned for a moment, and then politely said: “I don’t know if the master is visiting, but I have lost a long way to welcome it, so don’t take offense.” After

speaking, Yue Wuya said again: “The master suddenly visited, can there be any surprise? What’s important?” At this time, Yue Wuya was very puzzled, because the relationship between Tianmen and Shaolin was normal, and there was very little contact.

Master Kong Wu did not answer, but looked at Yue Wu Ya quietly, with a look of scrutiny in his eyes.

Feeling Master Kongwu’s gaze, Yue Wuya became even more puzzled.

At this time, Yue Wuya didn’t know that, a day ago, Yu Du sent the elites of the Sea Dragon Palace to create chaos in the various sects of the rivers and lakes, and the entire rivers and lakes were in chaos.

Doubtful, Yue Wuya had to ask again.

Whoops...

But at this time, a group of people broke in directly, there are thousands of people, it is the major sects.

what’s the situation?

Seeing this situation, Yue Wuya’s mind became even more confused. Why did all the sects suddenly come? Looking at the posture, I want to invite the teacher to ask the guilt.

“Yue Wuya!”

At this moment, Spiritual Master Lingyu came out first and glared at Yue Wuya: “You are still young, but your ambitions are not small, so it’s fine to have an affair with the female leader of the Sea Dragon Palace secretly, Delusional desire to dominate the rivers and lakes.”

“Last night, the people from your Tianmen and the Sea Dragon Palace joined forces and hurt my Wudang twenty-three lives. How do you explain?”

“

What?

Tianmen and Hailongdian alliance?

At this moment, Yue Wuya was stunned for a moment, then looked at the real person Lingyu with a wry smile and said: “Daoist Lingyu, my Heavenly Sect is open and upright, how can I join a group of pirates? I think there must be a misunderstanding.

” Falling down, the people from other sects screamed.

“Misunderstanding? Those people who broke into our mountain gate last night dropped the token of your heaven gate on their bodies before leaving.”

“Yes, the evidence is solid, do you

still want to deny it?” Master Wu, took out a jade card from his body and threw it to Yue Wuya: “Master Yue, this is what the people who broke into Shaolin last night left, if I remember correctly, this is the ten kings of your Tianmen. Pocket token, I think you should know it.”

At this

moment, Yue Wuya took the jade token and looked at it, stunned for a moment, and then laughed.

I can see that this jade card is exquisitely made. At first glance, it looks like a personal token of the Ten Heavenly Kings, but there are some differences in subtleties. He is the sect master of Tianmen, and it can be seen at a glance that it is a counterfeit.

Thinking to himself, Yue Wuya smiled: “Master Kong Wu, this jade card is fake.”

The ultimate husband in Chinese chapter 5361-5370

Chapter 5361

Speaking, Yue Wuya looked around, looked at the people around him and continued: "Everyone, this jade card is indeed fake. Although I don't know what's going on, I can guess it, it must be The purpose of the Sea Dragon Palace's alienation plan is to provoke disputes between the Tianmen and the various sects."

"Everyone must be calm and not be fooled by them." When

he said this, Yue Wuya looked sincere and serious, He was secretly holding back his anger.

It's no wonder that the Sea Dragon Palace has not moved in the past two days. It turned out that it secretly pretended to be Tianmen and raided the major sects. I have to say that this move is really sinister and despicable.

fake?

Hearing Yue Wuya's explanation, all the sect masters present looked at each other in dismay.

In the next second, a beggar gang elder reacted first, sneered at Yue Wuya and said, "It's a joke, so many people were killed and injured in our beggar gang last night, so it's fine if you say a fake one?"

"Today, your Tianmen must return We are fair." The

voice fell, and the others around were also infuriated and shouted.

"Yes, you must give us an explanation."

"The men in black who raided my sect last night, all of them are powerful, all of them are using your Tianmen moves, do you still want to deny it?"

"Seeing this jade card, I I also remembered that those who fought with us last night also dropped a jade card, which is exactly the same as this..."

Facing the anger of everyone, Yue Wuya couldn't help laughing and crying, and felt helpless in his heart.

This move of the Sea Dragon Palace is really insidious. Now the major sects are beginning to doubt the Tianmen. How should this be done? It would be great if Uncle Wen was here, he paid the most attention, and there must be a way to clear up the misunderstanding.

“Master Yue.”

This chapter is provided by . Visit for daily update.

Just when Yue Wuya was thinking about countermeasures, Master Kong Wu, who had been silent all the time, took a step forward slowly and folded his hands together and said: “What is the truth, let’s not talk about it for the time being, the old monk has something to do, I hope the donor Yue can do it. Explain.”

Like all the sects, Shaolin suffered serious casualties last night, and Master Kong Wu was also very angry, but he acted prudently and did not intend to turn against Tianmen until the matter was completely understood.

“Master, may I ask.” Yue Wuya said politely.

call!

Master Kong Wu took a deep breath and said slowly: “Recent rumors in the rivers and lakes, you and the female leader of the Sea Dragon Palace, you and the female leader of the Sea Dragon Palace, have a child together, is there such a thing?”

Shuh!

At this moment, the eyes of the audience were also locked on Yue Wuya, waiting for his answer. You must know that this matter has been circulated in all corners of the world, and no one is unaware of it.

Hearing the question, Yue Wuya’s face suddenly became embarrassed, as if he was invisibly poked into pain.

You must know that Yue Wuya has been having a headache over this matter for the past few days, and it is precisely because of this that Hai Linger left angrily, and her whereabouts are unknown until now.

Therefore, upon hearing Master Kong Wu’s mention, Yue Wuya suddenly had a nameless fire, but he held back because of his identity.

In the next second, Yue Wuya resisted the emotions in his heart and denied it through gritted teeth: “Master Kong Wu, during this time, the battle between our Tianmen and Hailong Palace, you should all know that it is an endless situation.

” If I have something to do with the female leader of the Sea Dragon Palace, how can we fight? So, this is completely a rumor and cannot be believed.”

When he said this, Yue Wuya’s face was serious and there was no doubt.

Ha ha...

Just as soon as the words fell, Master Miao Lian of the Emei Sect couldn't help sneering and mocking: "Okay, you don't have to hide it, you know the truth best in your heart."

"I heard that the Nalan family Miss, because of your neglect, I secretly investigated your relationship with the child, not only did the identification in the hospital, but finally forced you and the child to do a blood test, and the results were the same, the child is yours."

"Because of this, the princess of the sea shark clan cut ties with you and left."

When talking about this, Master Miao Lian concealed the disdain on his face: "Yue Wuya, I think you should stop arguing, you My father, Yue Feng, is a man of three and four, so it is said that the upper beam is not right and the lower beam is crooked, your father liked to mess around with flowers and weeds, and you are not much better."

Chapter 5362 "

I don't care what your relationship is with the female leader of the Sea Dragon Palace. In short, so many people died in Emei last night. You must bear the price."

Tai's junior sister, with a cold and arrogant personality, hates evil like hatred. Because of the various grievances between Yue Feng and the Emei faction, she has always been hostile to Tianmen in her heart. Last night, a group of black-clothed men who called themselves Tianmen made a fuss about Emei. Under the preconceived notions, Master Miao Lian believed that it was Yue Wuya who did it.

Swish!

Seeing her insulting herself and her father insinuatingly, Yue Wuya's face instantly turned ugly, looking at Master Miao Lian: "Master Miao Lian, let's talk about the matter, please don't insult my father.

" If there is any problem, it has nothing to do with my father, it's boring if you talk like this with a gun and a stick."

At this time, Yue Wuya was very angry.

This Master Miao Lian is really the same as Master Miao Yuan in the past. Relying on his own identity, it is really hateful to doubt others without making a fuss...

At the same time, the surrounding Tianmen disciples are also the same. A fire came, and he yelled at Master Miao Lian too.

"Shut up, Sect Master Yue Feng, how could you want to comment?"

“In the main altar of Tianmen, you wantonly insulted my former Sect Master in front of Tianmen. What’s your motive ?

“

When the anger came, Master Miao Lian did not panic at all, but showed a contemptuous smile: “Am I wrong? Although Yue Feng is strong, he has saved Kyushu several times from embarrassment. He can be regarded as a hero, but his character is high...hehe...”

At the end of the conversation, Master Miao Lian sneered again and again, the meaning is self-evident.

Whoa!

Seeing this situation, several altar masters of the Tianmen sub-altar suddenly couldn’t help it, and they all glared at Master Miao Lian, as if they were ready to do something.

Yue Wuya was also very angry, but he still held back and shook his head at those altar masters, signaling not to be impulsive.

As the sect master of Tianmen, Yue Wuya is very clear-headed at this time. Last night, the Shanghai Dragon Palace made such a big mess, and the blame was given to Tianmen. It must be solved properly. Hall of the time?

“Okay!”

At this moment, Master Miao Lian laughed softly and looked at Yue Wuya coldly: “Leave the past things aside for now, let me ask you, is what I said just now true? “

Do you and that child’s firmness really have something to do with it, or is it just a rumor?” The

voice fell, and the Wudang faction Lingyu sect who had been silent next to him couldn’t help but say, “It’s a big deal at this time, please also ask.” Sect Master Yue gave us a definite answer.”

Shuh!

At this moment, the eyes of the masters of the various sects were staring at Yue Wuya, waiting for his answer.

Yue Wuya’s face changed, and his heart was extremely complicated.

A few seconds later, Yue Wuya took a deep breath and said slowly: "It is true, at that time, Miss Wushuang of the Nalan family secretly took my child's hair and I had it evaluated in the hospital, and then we also had a drip. Recognize relatives by blood."

Paper can't hold fire, it's impossible to hide this matter, it's better to say it directly.

What?

Hearing this, whether it was Master Lingyu or Master Miao Lian, everyone was shocked, and they all looked at Yue Wuya with deep hostility.

According to this, those rumors in the rivers and lakes are not groundless?

Hehe...

In the next second, Master Miao Lian was the first to calm down and sneered at Yue Wuya: "Very good, if you dare to act, you can be considered a bit responsible." The

voice just fell, Master Kongwu next to him folded his hands together and said, "Since this is the case, Shizhu Yue, then come with us." After speaking

, Master Kongwu looked around: "What happened last night, each sect There are casualties, the old monk proposed to hold a trial meeting to determine the crime of Shizhu Yue." The

last word fell, and everyone from the various sects nodded.

"Master Kongwu is right, so many people can't die in vain."

"Yes, hold a trial meeting and make Yue Wuya pay the corresponding price..."

"Yes, try him..."

Chapter 5363

Seeing people from various sects and planning to hold a trial meeting to judge Yue Wuya, the surrounding Tianmen sub-altar masters and the Tianmen disciples present were all shocked and angry.

"Who dares to judge my Tianmen sect master?" "Make it clear, this is the main altar of Tianmen, and it is not your turn to be wild here."

"When our Tianmen is easy to bully?"

Some of the Tianmen disciples pulled out their long swords and confronted the masters of various sects.

call!

Seeing this situation, Yue Wuya suddenly became anxious, and waved his hand to signal to everyone in Tianmen not to be impulsive.

The next second, Yue Wuya looked at Master Kongwu seriously and said, "Master, there is indeed something about the identification between me and the child, but I have nothing to do with the female leader of the Dragon King Palace, and the child is not me at all. "

As for why our blood can be integrated, until now, I have not given the reason, but I guess that this may be part of the plan of the Sea Dragon Palace, the purpose is to use your sects to weaken my Heavenly Sect. Strength."

At this time, Yue Wuya was very helpless.

Why don't these people listen to my explanation?

call!

Seeing Yue Wuya's serious face, Master Kong Wu fell silent and said to himself, "Could it be that... there is really another hidden story in this?" "

What hidden story?"

Zhu shouted: "Just now he has personally admitted that he is of the same blood as the child. The alliance between Tianmen and Hailongdian is already a fact, so don't hesitate."

"Let's take him down together today and judge him in public for the sake of the dead Disciple revenge."

When the words fell, Master Miao Lian pulled out his long sword, pointed at Yue Wuya and shouted angrily: "Yue Wuya, you'd better be captured today, otherwise, I will smash your Tianmen main altar.

" ...

At the same time, other sect masters also pulled out their weapons.

The war was about to break out, and the air was filled with tension.

Mad!

Seeing this situation, Yue Wuya was also angry, clenching his fists, his face was extremely gloomy.

The various sects have identified the Tianmen, is it possible that this battle cannot be avoided?

Boom!

However, at this time, a loud noise was heard, and the gate of the Tianmen General Altar was smashed by a powerful force.

Immediately afterwards, a Tianmen disciple rushed into the main hall with anxiety on his face: "Sect Master, it's not good, the Sea Dragon Palace is calling, all of them are elites, there are tens of thousands of people..."

When he said this, The disciple's tone trembled and he almost collapsed on the ground.

What?

Yue Wuya's face changed, and endless anger flashed in his eyes instantly. Those despicable people in the Sea Dragon Palace raided major sects in the name of Tianmen last night, and they still dare to come to the main altar of Tianmen.

I'm not looking for you, you're still delivered to your door.

Thinking to himself, Yue Wuya summoned the Overlord Hammer and walked out quickly.

At this moment, Master Kong Wu and Master Lingyu, as well as the masters of various sects, all looked at each other.

"What's the situation?"

"Aren't Hailong Palace and Tianmen an alliance? Why are they still fighting?"

"I don't know, let's go and see..."

During the discussion, everyone quickly followed.

call!

Arriving outside the main altar, seeing the scene in front of them, whether it was Yue Wuya, Master Kong Wu and others, they couldn't help but take a deep breath.

I saw that more than 100,000 Hailong Hall elites came in a mighty manner, surrounding the entire Tianmen General Altar. These elites from the Sea Dragon Palace, each holding a long knife and wearing black soft armor, have awe-inspiring murderous aura.

In the mid-air in front of the team, a man suspended quietly, wearing a black robe, filled with a powerful breath.

It's the aftermath.

Swish!

Seeing Yu Du, Yue Wuya's eyes were instantly blood red, and his anger rose even more. He angrily said, "How dare you show up? Let me ask you, why did you pretend to be my Tianmen last night and go to various sects?"

When the words fell, Master Lingyu and Master Miaolian also glared at Yu Du.

Feeling Yue Wuya's anger, Yu Du didn't panic at all, and said with a smile: "Sect Master Yue, since your Heavenly Sect and our Sea Dragon Palace are already allied, don't pretend to be in front of these sects."

Chapter 5364

The residual poison at this time is full of cunning.

Early this morning, Yu Du was very excited when he learned that the major sects came to Tianmen to raise their teachers to ask for guilt.

Swish!

The voice fell, and the masters of various sects all glared at Yue Wuya.

"Yue Wuya, what else do you have to say?"

"The Sea Dragon Palace has admitted it."

"Damn, I almost believed him just now..."

Seeing everyone's confidence in Yu Du's words, Yue Wuya was extremely furious. Quick and angry.

The next second, Yue Wuya scolded Yu Du angrily: "What nonsense are you talking about? When will my Tianmen join you? Stop talking nonsense here."

Haha...

Yu Du smiled and said proudly, "Sect Master Yue, we have discussed before, I will let the people who pretend to be Tianmen raid the major sects first, and when they come to Tianmen to find you to ask for guilt, I will mobilize people to come and catch them all."

"It seems that our plan has been implemented perfectly, the heads of the major sects are all present, as long as we join forces to catch them, the entire river and lake will belong to our two families."

"No, it's one family, haha..." The

last word fell, and the lingering poison His eyes sank, and he suddenly ordered: "Everyone obeys the order and takes down all the sects. Those who dare to resist will be killed.

"

He pulled out his long sword, rushed directly into the main altar, and slashed wantonly.

Of course, in order to deepen the misunderstanding of the major sects, these elites of the Sea Dragon Palace did not attack the disciples of Tianmen, but kept their eyes on the people of other sects.

"Ah..."

All of this happened so fast that the disciples of the major sects almost didn't react. They only heard a scream, and many people fell into a pool of blood.

Seeing this situation, whether it was Master Kong Wu or Master Lingyu, they were all shocked and furious.

In the next second, the heads of the various sects responded and ordered their disciples to meet the enemy.

"Shaolin disciples, meet the enemy."

"Wudang disciples obey the order and form an array..."

As the order sounded, the disciples of the various sects did not hesitate at all, cooperated with each other, and fought fiercely with the disciples of the Sea Dragon Palace who rushed up. stand up.

The heads of the masters, Master Kong Wu, did not join the battle, but looked at Yue Wuya coldly.

"Yue Wuya!"

At this moment, Master Miao Lian gritted his teeth too tightly and said fiercely at Yue Wuya: "What else do you have to say this time? The Sea Dragon Palace is here, right?"

"I didn't expect that Yue Feng would give birth to such a son. Since he has cooperated with the Sea Dragon Palace, we will get rid of him."

"Yes, such a sinister and despicable person is not worth dying for."

The other sect masters around also scolded Yue Wuya angrily.

"Today, let's eliminate the damage to the martial arts." At this time, Spiritual Master Lingyu shouted angrily, pulled out his long sword, and stabbed towards Yue Wuya like a thunderbolt.

Mad!

Seeing this situation, Yue Wuya held back his anger very much. He didn't hesitate at that time, he raised the Overlord Hammer to block in front of him.

clang!

The next second, the long sword and the Overlord's Hammer collided, making a loud noise, and they saw Yue Wuya and Lingyu Zhenren each being shaken back a few steps.

After stabilizing his figure, Yue Wuya gritted his teeth and said to the real person Lingyu: "Shenzhen, I said just now, this is all the alienation scheme of the Sea Dragon Palace, and you are all fooled.

"Sophistry." Spiritual Master Lingyu shook his head.

He clearly saw that the Hailong Palace's hundreds of thousands of elites only killed people from major sects, and did not shoot at people from Tianmen.

"Don't talk nonsense with him."

At this moment, Master Miao Lian snorted: "Let's kill this scourge first, and resist the gang of gangsters in the Sea Dragon Hall together." The voice fell, Master Miao Lian clenched the long sword, towards Yue Wuya stabbed in the back.

This sword was as fast as lightning, and in the blink of an eye it reached a meter behind Yue Wuya.

"Sect Master be careful!"

Chapter 5365

“Be careful...”

Seeing this scene, the two Tianmen sub-altar masters couldn't help exclaiming, and then rushed over to join forces with the current sword, and then fought fiercely with Master Miaolian.

Bang Bang...

Although Master Miao Lian rarely walks on the rivers and lakes, his strength is not weaker than that of Han Aoran back then. In less than two rounds, accompanied by a few vibrations, he saw the division of the two heavenly gates. One of the altar masters was killed on the spot, and the other was beaten to death.

Damn Nima...

Seeing the tragic death of his subordinates with his own eyes, Yue Wuya's eyes were instantly blood red, and he roared at Master Miao Lian: “You special code to stop me, I said, this is all a trick of the Sea Dragon Palace, Are you a fool?” The

voice fell, Yue Wuya's inner strength exploded, and he violently swung the Overlord's Hammer, forcing the Lingyu real person in front of him to retreat.

“Haha!”

Master Miao Lian sneered too, with the anger that couldn't be concealed on his face: “You secretly united with the Sea Dragon Palace, and deliberately lured us in, and you want to kill us all, don't we have to wait and die?”

Said, Master Miao Lian Taichong He shouted to the other heads: “Everyone, don't hesitate, let's take down this kid together first.”

Hearing this, Master Kong Wu and the other heads nodded, and they burst into internal energy, rushing towards Yue Wuya .

“Okay, very good!”

Seeing the heads of various sects rushing in together, Yue Wuya laughed angrily: “Since you are obsessed, then I have nothing to say.” The

voice fell, Yue Wuya held the overlord tightly. Hammer, directly greeted him.

However, while rushing up, Yue Wuya did not forget to give orders to the surrounding Tianmen disciples: “Tianmen disciples obey the order and kill these intruders from the Sea Dragon Palace.”

“Kill...” The

voice fell, and the Tianmen disciples in the main altar responded in unison and rushed into the crowd in the Sea Dragon Hall. In an instant, the two sides started a fierce fight.

However, these Tianmen disciples, just after entering the battlefield, not only had to deal with the Sea Dragon Palace, but were also besieged by the disciples of the major sects.

In the hearts of the major sects, Tianmen and Hailong Palace have been allied, and they are both enemies.

For a time, the battlefield turned into a three-way melee, screaming and screaming in an endless stream, the ground was quickly stained red with blood, and even the air was filled with a strong smell of blood.

Haha...

Seeing this scene, Yu Du, who was suspended in mid-air, couldn't help laughing, and then shouted at Yue Wuya: "Sect Master Yue, quickly take down these heads, as long as this battle is won. Now, the rivers and lakes will be ours from now on."

Hearing the shout, Yue Wuya was furious and quickly woke up.

You can't fight, if you really fight with the major sects, wouldn't you be fooled by the Sea Dragon Palace?

Thinking about it, Yue Wuya's inner strength was mobilized, and he waved the Overlord Hammer to resist the attacks of the various heads, only defending, not actively attacking.

At the same time, Yue Wuya took a deep breath and shouted at the Tianmen disciples in the main altar: "All Tianmen disciples can stop when they obey the order, and quickly enter the secret passage and leave, hurry."

There is a special secret passage in the main altar, yes When it was built, it was used to deal with emergencies.

Yue Wuya thought about it. In today's situation, Tianmen must not participate in the war. Otherwise, the misunderstanding will become bigger and bigger, and it will be difficult to explain. The only way is to let Tianmen disciples evacuate from the secret path.

As for the major sects, they can only ignore it for the time being. After all, they were all misled by the Sea Dragon Palace and would not listen to any explanation.

WOW...

Hearing Yue Wuya's order, all the Tianmen disciples who were present withdrew from the battlefield one by one and quickly entered the secret passage to leave.

A few minutes later, in the battlefield, only the disciples of the Sea Dragon Palace and the major sects were left, and they continued to fight.

call!

Seeing that the Tianmen disciples successfully evacuated, Yue Wuya took a deep breath, and a terrifying aura erupted from the Overlord Hammer, forcing Grandmaster Kongwu and others to retreat.

Taking advantage of the opportunity, Yue Wuya's figure flashed, rushed out of the crowd, and came straight towards the residual poison in the air.

"Do you think you can completely destroy my Heavenly Sect with just one trick?" After saying this coldly, Yue Wuya raised his hand for a while, and the Overlord's Hammer burst out with a golden beam, coming straight towards Yu Po.

The ultimate husband in Chinese chapter 5366-5370

Chapter 5366

This golden beam is as fast as thunder, as if to split the whole world in half.

Huh...

Feeling the power of this hammer, even if Yu Du has taken control of the situation, he is still sweating, and his heart is even more shocked.

This kid deserves to be the Lord of the Heavenly Sect. This move shakes the world, I'm afraid some can't stop it.

In shock, Yu Du tried hard to calm himself down, and laughed at that time: "Oh, Sect Master Yue, what are you doing? The situation has been controlled by us, so you shouldn't continue to play."

"Could it be... you Do you want to cross the river and demolish the bridge?"

Yu Du is so deep in the city, in order to deepen the misunderstanding of Yue Wuya by the various sects, he has not forgotten to sow discord until now.

"Shut up!"

Hearing this, Yue Wuya's eyes were extremely blood red, and he scolded: "My Tianmen has never formed an alliance with you, don't talk nonsense any more, and you have provoked my Tianmen again and again, and I will call you here today. No reply."

Om!

The moment the voice fell, Jin Mang pierced through the heavens and the earth, and instantly arrived in front of Yu Du.

At this moment, Yu Du didn't dare to be careless, and immediately activated the power of his blood, condensing a protective film on his body, and at the same time raised the long knife in his hand, trying to block the blow.

boom!

In the next second, Jin Mang slammed into the long knife, and Yu Du groaned, the whole person was shaken back dozens of steps, and the granite slabs under his feet were shattered.

After stabilizing his figure, Yu Du's face turned blue and white, and a trace of blood overflowed from the corner of his mouth, looking very embarrassed. However, there was still a slight smile on his lips.

"Sect Master Yue."

Yu Du wiped the blood from the corners of his mouth and said hypocritically, "I didn't expect you to be so young, yet your heart is so ruthless. We talked about it earlier, and when we surrounded the major sects, we would divide the continent's rivers and lakes equally, but we didn't. Think of it, you want a dominant family."

"Last night, in order to raid the major sects, my Sea Dragon Palace was also seriously damaged, but in order to cooperate with you, I brought all my subordinates today, but I didn't expect that at the key point At that moment, you actually let the disciples of Tianmen leave and attacked me at the same time."

"ruthless, really ruthless." I

have to say, Yu Du's acting is very similar, completely describing Yue Wuya as a 'do not compromise means to achieve ends' 's ruthless character'.

Swish!

Seeing this situation, the masters of the major sects who were already suspicious of Yue Wuya were even more convinced, and they glared at Yue Wuya with unforgivable anger.

“Good, you Yue Wuya.”

Master Miao Lian was even more furious, pointing at Yue Wuya with his long sword: “What kind of Laozi really has what kind of son, you are really ruthless, you want to dominate the rivers and lakes. “

Today, my Emei faction is here, but it’s not as good as you want!” The

voice fell, Master Miaolian flashed, and the long sword made a humming sound as it rushed towards Yue Wuya.

Master Miao Lian didn’t like Tianmen in the first place, but Yu Du acted so much just now, so in her heart, she really thought that Yue Wuya and Hailong Palace were allied, and then crossed the river and demolished the bridge.

People in all corners of the world pay attention to ‘righteousness is thin and cloudy’, so Yue Wuya’s behavior of ‘returning on his promises and seeking profit only’ is the most contemptible.

At this time, Master Miao Lian did not know that she was completely deceived by Yu Du.

“Take him together.”

At the same time, Master Lingyu also shouted angrily, and together with the other masters of the sect, they burst into internal energy and charged towards Yue Wuya again.

“You...”

Seeing that they were bewitched and used by Yu Du again, Yue Wuya almost vomited blood in anger, Mad, are these people all pig brains? How could they not see such an obvious alienation plan?

It’s just that so many sect masters broke out together, Yue Wuya didn’t have time to explain, he was in a hurry at the time, his eyes were blood red, and he shouted: “My Tianmen never wanted to dominate the rivers and lakes, don’t force me, don’t force me. ..” The

roar echoed over and over again over the Tianmen main altar.

However, Master Miao Lian and the others, none of them were certain, instead they all speeded up, and they saw that one figure passed by, and the air was distorted.

well!

Seeing this scene, Yue Wuya laughed loudly: "Since you don't listen to the explanation and insist on killing me, then come on..."

Chapter 5367 In the

last sentence, Yue Wuya almost screamed.

hum!

In the next second, Yue Wuya's inner strength completely exploded, and the violent aura swept the entire sky.

Haha...

Seeing this situation, Yu Du's face was full of pride. Although this kid Yue Wuya is very strong, he is still young and inexperienced in the rivers and lakes. It was just a trick to drive him to a desperate situation.

Speaking of which, it is still the sublime of Zunshang's trick, which involves all the major sects, and this time Tianmen has absolutely no chance to turn over.

It's just a pity for the Queen's name festival.

Thinking of the damage to Moyan's famous festival, Yu Du felt a little pain in his heart. Mad, this kid Yue Wuya did all this. It wasn't because he went to Dragon King Island and kidnapped the young master, and things wouldn't have developed to this point. step.

Yue Wuya, your fate today was brought about by you.

Thinking about it, Yu Du's eyes showed a bit of ruthlessness, and then he shouted at Master Miaolian: "Master, Taoist priest, I will help you..." The

voice fell, Yu Du quickly adjusted his inner breath, and the figure Soaring into the sky, as the crowd erupted towards Yue Wuya.

"Come on!"

At this moment, Yue Wuya roared wildly, and the Overlord's Hammer in his hand suddenly became dozens of times, like a hill, slamming towards everyone.

"The overlord shakes the sky."

At the same time, four cold words came out of Yue Wuya's mouth.

Overlord Shaking the Sky is a stunt that Yue Wuya realized from the power contained in the Overlord Hammer. The power can shake the heavens and the earth, hence the name, but it has never been performed easily. Facing such a desperate situation today, he had to perform it as a last resort. come out.

What?

Seeing that mountain-like giant hammer, whether it was Yu Du or Master Miao Lian and the others, their expressions changed, and their hearts were indescribably terrified.

In the next second, Master Miao Lian didn't have time to think about it, and quickly joined forces to resist.

And Yu Po, because of the distance, was not within the attack range of the giant hammer, so he resolutely dodged backwards.

boom!

In the next second, the giant hammer smashed hard on the protective layer that everyone had jointly deployed, and an earth-shattering roar broke out. In an instant, the entire Tianmen main altar was filled with dust and smoke.

As the dust and smoke gradually dissipated, they saw Master Miaolian sitting on the ground one by one, with a pale face, and Master Lingyu vomited a few mouthfuls of blood, and his spirit was sluggish.

There are a few more heads, who just passed out, and their life and death are unknown.

Hiss...

Seeing this scene, whether it was the disciples of the various sects or the members of the Hailong Palace, they couldn't help but gasp, and looked at Yue Feng tightly, full of astonishment.

This... is this the true strength of the Lord of Heaven's Gate?

Defeating so many sect leaders in one move is simply too terrifying.

call!

At the same time, Yu Du, who had dodged not far away, was also squinting at this moment, watching Yue Wuya closely, and his heart was shocked.

This kid is really extraordinary. With so many sect leaders, he is not sure of defeating them, but this kid beat them to the point of being unable to fight back with one move.

Fortunately, I succeeded in alienating Tianmen and the major sects, otherwise, I would deal with that trick alone, and I would be disabled if I didn't die.

Fortunately, Yu Du was keenly aware that Yue Wuya's face was pale, and his aura was obviously not as strong as before.

Haha...

This kid just broke out the strongest blow, and in the eyes of the loss of internal power, he has now become a toothless tiger.

Realizing this, Yu Du didn't have time to think about it, and shouted loudly: "Yue Wuya, you betray your promise, tear up the covenant with our Sea Dragon Palace, and die."
The

last word fell, and the long knife in Yu Du's hand suddenly raised, bursting out with a dazzling touch 's knife awn.

Hu....

The sword light ripped apart the world and roared towards Yue Wuya.

Mad!

At this moment, Yue Wuya scolded secretly. At that time, there was no way to avoid it. He could only put the Overlord Hammer in front of him to resist. Yu Du was right. No longer able to fight.

Boom...

Almost in an instant, the sword light came to the front, and slashed on the Overlord Hammer. At that time, Yue Wuya only felt a powerful force coming, his body was shocked, and a mouthful of blood spurted out, and the whole person was directly shocked. fly.

Chapter 5368

Although Yue Wuya is powerful, it is difficult to block Yu Du's blow at the end of the force.

Dengdengdeng...

At this moment, after Yue Wuya landed, he stepped back several dozen steps before he stabilized his figure, his face extremely ugly.

"Haha, I can't do it."

Yu Du was full of pride, he rushed over with a big laugh, swung his long knife, and slashed at Yue Wuya again.

“If you want my life, you almost...”

Seeing Yu Po that was getting closer and closer, Yue Wuya gritted his teeth and roared, enduring the severe pain in his body, and slammed it with the Overlord Hammer.

Dang....

The next second, the long knife and the Overlord Hammer collided, and a huge shock was heard. I saw Yudu was shaken back a few steps, his body trembled, and the long knife almost let go. Naturally, a long knife can't fight it.

Taking advantage of Yu Po's shock retreat, Yue Wuya stopped fighting, turned around and ran away.

The moment he turned around and fled, Yue Wuya couldn't tell the grievances in his heart. The dignified Lord of Heaven, on his own territory, was beaten and fled in embarrassment. It was a shame.

But there is no way, I have exhausted my internal strength, and there are not only the members of the Sea Dragon Hall, but also the masters of other sects. If they continue to hold on, they will surely die.

“Haha... Is Sect Master Yue going to run away?”

Yu Du laughed loudly, and at that time he raised his dantian and ran after him.

While chasing, Yu Du didn't forget to order the surrounding Hailong Hall officials: “Control the people from the various sects and clean up the battlefield...” The

heads of the various sects were all captured by Yue Wuya just now. The strongest blow was wounded, so it was nothing to worry about.

“Follow the order!”

After hearing the order, hundreds of thousands of disciples of the Sea Dragon Palace immediately launched an attack on the surrounding sects. In an instant, the fierce shouting and killing sounded again in the Tianmen main altar.

Amid the screams of killing, Yu Du and Yue Wuya rushed down the mountain one after the other.

Along the way, Yue Wuya rushed forward desperately, but his internal strength was severely exhausted, and his speed could not be fast.

Madd, is this God's will?

No, I haven't found Ling'er yet, so I can't be caught by them, and I can't let Tianmen be destroyed.

Just anxious, Yue Wuya was a little flustered, and unexpectedly came to a cliff by the sea.

"Haha..."

Seeing Yue Wuya entering a dead end, Yu Du couldn't help laughing and said proudly: "Yue Wuya, save your energy, you have no way ahead.

"Dragon King Island, when we kidnapped our young master, did you ever think that today would come?"

When he said this, Yu Du slowed his pace, his face was full of jokes, like a beast playing with its prey.

Huh...

there is no way out, Yue Wuya simply stopped running, looked back at Yu Du coldly, and sneered: "What do you have to be proud of, your Sea Dragon Palace is just a bunch of rabble, if it weren't for those Zongmen, after listening to your provocation, it is not certain who wins and who loses."

Hearing the ridicule, Yu Du did not look angry, but said with a smile: "Do you think those sects are stupid? Actually not. The most important thing is that you have the same bloodline as my young master, so they will recognize you as an alliance with our Sea Dragon Palace."

After speaking, Yu Du's expression suddenly became playful: "Do you want to know why you are of the same bloodline as my young master?"

Yue Wuya looked at him coldly and did not answer.

Haha...

Seeing that she didn't respond, Yu Du smiled: "Then I'll tell you, you and the young master of my family are half brothers, so your blood will blend."

"Your father Yue Feng, who has defiled my queen, who is a Kyushu hero on the surface, is actually a despicable and lecherous villain, so God can't stand it anymore, so he gave us the opportunity to destroy your heavenly gate. So, if you want to blame, blame your father ."

When he said this, Yu Du's eyes were full of gloom.

To be honest, he didn't want to tell the truth, after all, it was about Moyan's fame, but he also knew that although Yue Wuya was young, he had an extremely strong personality. Completely admit defeat.

Chapter 5369

What?

Hearing these words, Yue Wuya only felt a buzzing sound in his head, and instantly went blank...

That child... is... my half-brother?

This... how is this possible? His father acted upright and upright, and his personality was even more jealous of evil. How could he have something to do with the female leader of the pirates?

This is impossible.

Thinking to himself, Yue Wuya stared at Yu Du with red eyes: "You spit blood, that child can't be my brother, my father would never do such a thing, all of this is your conspiracy..."

Did your Hailong Palace collude with the Nalan family and forged the hospital certificate? Yes, it must be a forgery, and the blood-dropping confession that day was also a conspiracy..."

When he said this, Yue Wuya His whole body trembled, his voice was hoarse, and he completely lost his mind.

Back then, in the Hall of Xia Yinzong, Yue Wuya had thought about many possibilities, but never thought that it would end up like this.

After all, he is the Lord of Tianmen, how can he accept this fact?

Haha....

Seeing his hysterical appearance, Yu Du's mouth evoked a smile: "It doesn't matter if you believe it or not, in short, my queen has admitted this matter herself."

Om.... The

voice fell, Yue Wu Ya's heart trembled, as if he was hit by an invisible sledgehammer, and the whole person was completely stunned.

The queen... admit it?

This is, Yu Du is too lazy to talk nonsense, and said slowly: "Okay, I have said what I have to say, you are now obediently captured, follow me to see the honor, and then tell the whereabouts of the child, maybe you can save a life. ."

However, Yue Wuya didn't respond, her face turned blue and white, her eyes flickered, as if she was going through some difficult struggle in her heart.

"Haha..."

After a few seconds, Yue Wuya looked up to the sky and laughed loudly: "I'm a member of Heaven's Gate, and I never know what surrender is." After the

last word fell, Yue Wuya turned around and jumped off the cliff.

Below the cliff is the turbulent sea, and in the blink of an eye, the figure of Yue Wuya was engulfed by rows of huge waves.

Mad!

Seeing this scene, Yu Du was terrified and furious. This time, he could say that the organization was exhausted, and he was sure that Yue Wuya would not have any chance to make a comeback, but he never expected that Yue Wuya had such a stubborn personality that he chose to jump off a cliff. .

"Hey..."

Under the anger, Yu Du put his finger to his mouth and blew a loud whistle. The whistle was continuous, and the sound spread for dozens of miles.

Soon, upon hearing the whistle, many elites from the Sea Dragon Palace rushed over.

"You guys listen carefully."

At this time, Yu Du's face was extremely gloomy, and he said coldly: "I want you to search every place in this sea area carefully, make sure to find Yue Wuya, you must meet people in life, and you must meet in death. Corpse."

The members of the Sea Dragon Hall were all battle-hardened pirates with excellent water skills, so they were not afraid of not being able to find Yue Wuya.

"According to the order!"

Upon hearing the order, all the disciples of the Sea Dragon Palace responded in unison, and then jumped into the sea to search.

.....
On the other side, the Lagerstroemia Continent.

In the woods 80 miles southeast of Tian Mysterious Realm, Yue Feng hugged Liu Ruxue and moved forward quickly. There was a swamp near this wood, so the air was humid and the terrain was complex, almost inaccessible.

However, in such an environment, Yue Feng and Liu Ruxue were still walking fast and flying, very relaxed and comfortable.

And a hundred meters away behind Yue Feng, a figure was chasing after him, a burly figure, a black robe, a gloomy face, unable to hide his anger.

Really Ren Pingsheng.

One day ago, after Liu Ruxue failed the charm technique, Ren Pingsheng arrived in time, but failed to save Liu Ruxue. He led the disciples to pursue him at that time. However, Yue Feng was too fast. After half a day, most of the Lihuo Sect disciples, They were all left far behind, and in the end only Ren Pingsheng could barely keep up.

There are many bushes in the woods. In order to avoid Yue Feng, he dodged from left to right. With such a bump up and down, Liu Ruxue only felt extremely uncomfortable, and his face flushed.

“You...”

Finally, Liu Ruxue couldn't bear it any longer, and said softly, “You...where are you going to take me? Let me go.”

Yue Feng kept at his feet and said with a smile: “You are my person, wherever I go, I will naturally take you with me.”

Chapter 5370

Upon hearing this, Liu Ruxue couldn't refute, and the suburban trembled with anger.

This Yue Feng is really shameless. He clearly knows that he was acting before, and he has been holding on to this topic.

Phew...

Finally, at a waterfall, Yue Feng stopped. He clearly remembered that the last time he came to the mysterious realm, he passed by here. When he saw this place, it meant that he was not far from the mysterious realm.

After stopping, Yue Feng put Liu Ruxue on the grass, walked to the spring in front of the waterfall, and washed his face.

It was at this time that Ren Pingsheng caught up.

“Yue Feng!”

Ren Pingsheng stopped when he was more than ten meters away from Yue Feng, drew out his long sword and pointed at Yue Feng and said coldly, “Let me go.”

At this time, Ren Pingsheng was full of anger.

Ma De, I finally made a perfect plan with my junior sister, but I didn't expect that Yue Feng would see through it at the beginning. Not only that, but at the end, my junior sister was also kidnapped by him.

Ugh!

Feeling Ren Pingsheng's anger, Yue Feng stretched his back and said slowly: “Sect Master Ren, right, you are very interesting, you were the one who calculated me first, and now it seems like it's my fault. “

Speaking, Yue Feng tilted his head and admired Liu Ruxue on the grass: “I have to say, your junior sister is really a national beauty. She approached me before and said that she would serve me for a lifetime, and now she wants me to pay it back.” You, I'm really reluctant.” As

he spoke, he looked up and down Liu Ruxue's curve.

“You...”

Feeling Yue Feng's gaze, Liu Ruxue's face flushed, embarrassed and angry: “You are so shameless...”

Yue Feng smiled and said: “Oh? You said this before, why didn't you admit it? I know you were acting before, but I can't control so much. Since you said that, I will take it as yes. It's true.”

“Come on, let this young master fragrant one.” The

last word fell, Yue Feng squatted down quickly, and kissed Liu Ruxue's beautiful face.

boo.

In an instant, Liu Ruxue's face was extremely red, and she was so angry that she couldn't speak. She is the holy aunt of Lihuomen, she is icy and pure, she is so tall that

even a man's hand has been pulled, but in the past two days, she has been teased repeatedly by Yue Feng, and even kissed, no one can stand it.

I go!

Seeing this situation, Yue Feng was stunned and speechless.

This woman's personality is also too strong, she just kissed without losing a piece of meat, she was dizzy.

Thinking to himself, Yue Feng shrugged at Ren Pingsheng: "You junior sister has quite a personality, forget it, since she hates me so much, I'll give her back to you."

After speaking, Yue Feng's tone became serious: "But there is one thing I want to make clear. From now on, it's best for you Lihuomen not to use any tricks. Otherwise, I'm really welcome." To be

honest, Yue Feng didn't plan to put Liu Ruxue at all. Stay by your side, the reason why I took it along the way is just to pass the time, otherwise it would be boring to be alone, and now, the mysterious realm of the sky is approaching, Liu Ruxue doesn't need to take it with him.

Swish!

Hearing Yue Feng's words, Ren Pingsheng's face was gloomy and uncertain, and he did not respond immediately.

Two seconds later, Ren Pingsheng sneered and said in a stern tone: "Good boy, do you really think that our Lihuomen are easy to bully? You got my junior sister and wanted to leave?"

The voice fell, and a powerful breath burst out from Ren Pingsheng. In an instant, the temperature within a thousand meters around him suddenly increased, and the cool autumn day was like entering a sweltering summer in a blink of an eye.

Um?

Feeling Ren Pingsheng's aura, Yue Feng was stunned.

This Ren Pingsheng's strength has suddenly increased several times. Could it be that...he was hiding his strength in front of other sects before?

Yue Feng's guess was good. Ren Pingsheng, as the most aspiring leader of Lihuomen for nearly a thousand years, was extremely talented. He spent two years comprehending Lihuomen's supreme martial arts 'Sacred Fire Mingzun'. Has been among the top of the rivers and lakes.

However, Ren Pingsheng knows the truth of 'Muxiu Yilin, the wind will destroy it', so before in the underground town of Tianji Palace, when he was discussing with various sects, and later with the major sects, he went to Chunyang Palace together. At times, they are hiding their strength and not really showing it.

The ultimate husband in Chinese chapter 5371-5380

Chapter 5371

“Boy!”

Just when Yue Feng was secretly surprised, Ren Pingsheng’s eyes were gloomy, and he said word by word: “Don’t think that if you have the protection of the senior swordsman, you can be arrogant, without the swordsman, you are nothing. “

I know that your own strength is not weak, but in my eyes, you are only Deng Shiqi, Li Qinghai and the like. Since Lihuomen dares to implement plans against you, I am not afraid of your revenge.”

Om!

When the words fell, a powerful aura erupted from Ren Pingsheng, and the whole body instantly burst into flames, then suddenly raised his hand and hit Yue Feng with a palm.

Before, because of the presence of other sects, Ren Pingsheng did not want to reveal his true strength, but now there is only Yue Feng alone, so there is no need to pretend.

It’s a bit interesting...

Seeing Ren Pingsheng burst out, Yue Feng had a smile on his face, very calm.

In the next second, Yue Feng stood there, not backing down or giving way, and quickly raised his hand to collide with Ren Pingsheng’s palm.

boom!

The moment the two palms touched, they heard a loud noise, and then, a terrifying internal force fluctuation swept the audience.

Immediately afterwards, I saw that Yue Feng and Ren Pingsheng were both shaken, and at the same time were shaken back a few steps.

Obviously, this palm down, the two sides are evenly matched.

Mad!

However, Ren Pingsheng was secretly surprised in his heart. You must know that the palm of his hand just now exerted 80% of his power. Even if he faced a top expert like Deng Shiqi, he would easily crush it. The Yue Feng did not hurt at all.

This chapter is provided by . Visit for daily update.

But soon, Ren Pingsheng calmed down.

This Yue Feng is young, and his internal strength cannot be higher than mine. That palm just now must be his full strength.

At this time, Ren Pingsheng believed that Yue Feng did his best with the palm of his hand, but he didn't know that Yue Feng only used 10% of his strength.

“Ren Pingsheng!”

At this moment, Yue Feng breathed a sigh of relief, and said slowly: “Up to now, you are still obsessed, and the Qimen exercises of the Tianji Palace are simply not something you people can comprehend, so why are you so persistent? For my own?”

“Although I saved the girl from the Heavenly Secret Palace, the Qimen exercises of the Heavenly Secret Palace are not on me. There is no point in your entanglement.”

“Besides, you are not my opponent.

” When talking, Yue Feng said it very seriously.

But Yue Feng is right, he has the body of a mysterious saint and has supreme divine power. Although Ren Pingsheng is extremely powerful, he is a mere mortal. How can he be his opponent?

Speaking of which, if it was someone else, Yue Feng would be too lazy to talk nonsense, but this Ren Pingsheng had good aptitude.

But from what Ren Pingsheng heard, it was as if he had been greatly humiliated, his face was instantly gloomy, and he sneered: “Boy, are you still pretending to be garlic? I checked you, and your strength is mediocre, but you have only made rapid progress recently. If you hadn't practiced the Qimen exercises of the Tianji Palace, how could you have broken through so quickly?”

“Also, you are so shameless in front of me, you will regret it later.” In the

last sentence, Ren Pingsheng almost roared out, his eyes blood red. Blood red, like crazy, in his heart, he believes that Yue Feng has practiced the Qimen exercises of Tianji Palace, and his strength will be so powerful. Moreover, Yue Feng only cultivated a part, and did not comprehend and integrate all the Qimen exercises of Tianji Palace.

And he himself, two years ago, had become Lihuomen's supreme martial art 'Sacred Fire Mingzun', and he had thoroughly mastered it.

In this case, if the two sides fight with all their strength, Ren Pingsheng is fully confident of winning.

Ugh!

Seeing him so persistent, Yue Feng shook his head secretly, very disappointed.

“Yue Feng!”

At this moment, Ren Pingsheng’s eyes flashed with madness, and he shouted angrily: “I tell you, I’m going to fix the Qimen exercises in the Tianji Palace, and in the whole river and lake, no one can stop me.” The

voice fell . At the moment, Ren Pingsheng was suspended in the air, and the flames all over his body burst out completely, and finally formed a huge fire shadow in front of him. fog.

Chapter 5372 I

saw that the huge Hokage was completely condensed by the flames that erupted. Wearing golden armor, it was a devil but a devil, like a saint and not a saint, and there was a daring and terrifying aura all over his body.

It is the supreme martial art of Lihuomen, the Holy Fire Mingzun.

Huh....

Seeing the huge Hokage, Yue Feng lost the ease just now, and his eyes showed a bit of solemnity.

This is Ren Pingsheng’s true strength... Really strong.

Moreover, the flame power that erupted was much stronger than the flame power exerted by Lu Jiechen, the leader of Ming Cult in the Earth Circle Continent back then.

No wonder this Ren Pingsheng is so confident, it turns out that this is the killer.

“Yue Feng, you can’t win against me.”

Just as Yue Feng muttered to himself, Ren Pingsheng let out a loud shout, and instantly issued an order to the huge Hokage.

hum!

After receiving the order, Hokage raised his hands suddenly, and a huge fireball was condensed in front of him, smashing towards Yue Feng fiercely.

In an instant, where the fireball passed, the air was instantly ignited, and in less than two seconds, Yue Feng almost became a sea of fire.

“Alas!”

Seeing this scene, Yue Feng regained his senses and sighed: “You are really stubborn. You said that you are not my opponent, so why don’t you stop?”

The same hand who spoke, Yue Feng slowly raising his right hand, he saw a dazzling blood lotus condensed in the palm of his hand in a wave of aura.

The blood lotus is in full bloom, gorgeous and charming.

It was the red lotus of the law that Yue Feng had reborn with the help of that year.

Bloody lotus?

Seeing the blood lotus in Yue Feng’s palm, Ren Pingsheng’s frantic eyes suddenly showed a trace of disdain. Did Yue Feng condense a flower to show his softness when he knew he couldn’t beat it?

Thinking to himself, Ren Pingsheng sneered: “Now you know you have to admit defeat? It’s too late.” The

voice fell, and the fireball erupted.

Haha..

At this moment, Yue Feng showed a smile, without panic at all, raised his hand and waved, the blood lotus was suspended in the air, absorbing the incomparably hot power of the fireball cleanly.

You must know that the red lotus of Faye is the treasure in the realm of the gods. When Yue Feng was reborn, the cold white lotus in his body was completely fused by the red lotus of Faye. Although the power of flame that Ren Pingsheng exerted was powerful, it was far away. Far less than the cold fire of the white lotus, at this time, facing the red lotus of the law industry, it is only natural to be integrated.

What?

Seeing this scene, Ren Pingsheng, who was full of self-confidence, suddenly changed his face, and he could hardly believe his eyes.

Isn’t that blood lotus condensed by Yue Feng’s inner strength? How can there be such a great power, able to integrate his own flame power...

Yes, the Qimen cultivation method of Tianji Palace.

This must be the Qimen Cultivation Technique of the Heavenly Secret Palace.

Under the shock, Ren Pingsheng's eyes became even more crazy. In his heart, only the Qimen Cultivation Technique of Tianji Palace can have such a powerful power.

"The Qimen exercises of the Tianji Palace are really mysterious..." In the

next second, Ren Pingsheng's eyes were red and blood red, completely lost his mind, and shouted at Yue Feng: "These exercises are only suitable for me to practice, And you mediocre talents are not worthy at all."

"Hand over the exercises..."

The last word fell, and Ren Pingsheng gave instructions to the huge Hokage again.

Buzzing...

In an instant, the huge Hokage burst into a fiery flame, like a hill rushing towards Yue Feng.

Until this time, Ren Pingsheng still believed that Yue Feng had practiced the Qimen exercises of the Tianji Palace and had not fully understood it yet, but with the stunt of the Holy Fire Mingzun, he would definitely be able to completely crush Yue Feng.

But the next battle made Ren Pingsheng more and more shocked.

Bang bang bang...

I saw that under the attack of the huge Hokage, Yue Feng kept dodging and moving, his expression relaxed and indifferent, and every time he fought, he would use part of the flame power of the blood lotus to fuse the Hokage.

In less than a minute, Hokage's flame power was completely fused by the blood lotus, and the huge figure disappeared completely.

This....

Seeing this scene, Ren Pingsheng was like being struck by lightning, the whole person froze there, his face changed, and he couldn't believe this fact at all.

Impossible... The patriarch of Lihuomen back then, but by virtue of the stunt of the holy fire, he took the title of the supreme martial arts, how could it be so easily broken by Yue Feng?

Chapter 5373

This is not true...

Under the huge shock in his heart, Ren Pingsheng froze there, unable to recover for a long time.

At this time, Yue Feng put away the red lotus of Faye and looked at Ren Pingsheng with a half-smile: "Ren Pingsheng, I said that you are not my opponent, now you should believe it."

"Also, I repeat, I haven't practiced the Qimen exercises in the Tianji Palace, but what I condensed just now is called Faye Red Lotus, and this thing doesn't belong here, understand?"

Yue Feng's eyes were full of pity when he said this.

This Ren Pingsheng has a good talent, but it is a pity that his obsession is too deep.

Legal industry red lotus?

Hearing this, Ren Pingsheng's eyes were stunned, and his mind was spinning quickly, but after thinking about it for a long time, he couldn't think of such a thing as a 'faye red lotus' in the whole Jianghu.

"Haha..."

After a few seconds, Ren Pingsheng seemed to realize something, looked at Yue Feng with a frenzied expression and laughed: "Yue Feng, you really think I'm stupid, you made up all the red lotus in the law industry. The..."

While roaring, Ren Pingsheng tilted his head to think about the situation just now.

The flame power of the Holy Fire Mingzun is very domineering, and there is no kind of cultivation technique that can integrate it...

But Yue Feng just condensed a red lotus, and defeated the Mingzun he had transformed into, is it? ..Is it my own practice?

For a time, Ren Pingsheng fell into a deep entanglement.

Alas...

Seeing him looking like a madman, Yue Feng sighed and shook his head secretly: "I've said everything I need to say, Ren Pingsheng, take care of yourself."

When the words fell, Yue Feng turned around and strode away.

At this moment, Ren Pingsheng was still frozen there, deeply entangled in his inner tangle.

How can the flame of the Holy Fire Mingzun be merged? In the experience of the ancestors of Lihuomen, I had never heard of such a thing.

It seems that he really practiced the stunt of the sacred fire Mingzun wrong... huh

...

Just when Ren Pingsheng was stunned and talking to himself, Liu Ru, who was unconscious by the spring Snow, faintly woke up.

When she opened her eyes and saw the scene in front of her, Liu Ruxue was stunned.

I saw that Senior Brother Ren Pingsheng stood there, his face flickered, his face changed, and the surroundings were in a mess. It was obvious that he had just experienced a fierce battle.

Looking around, she found that Yue Feng had disappeared, Liu Ruxue realized something and was very excited.

“Senior brother!” In the

next second, Liu Ruxue couldn't help shouting at Ren Pingsheng, “Where's Yue Feng? Did Yue Feng run away? Did you get the exercises from him?” In her subconscious, the situation in front of her, it should be the brother who won.

However, Ren Pingsheng stood there, motionless, completely immersed in his own world.

“The qi flows in the Qianyuan acupoint, it seems to pass through Yuyu...”

At this time, Ren Pingsheng muttered to himself, reciting the mantra of the Holy Fire Mingzun, and the whole person had entered a state of madness. She couldn't hear Liu Ruxue's cry at all.

“Senior brother?” Liu Ruxue called out again.

Ren Pingsheng still didn't respond...

What's going on?

For a while, Liu Ruxue panicked, what happened just now? Why does the sect master look crazy?

Crash...

At this moment, footsteps sounded from far to near, and then I saw dozens of Lihuo Sect disciples hurried over, sweating profusely.

Previously, these disciples were left far behind by Yue Feng, and they have not rushed over until now.

Whoa!

Seeing Liu Ruxue and Ren Pingsheng, these disciples breathed a sigh of relief and spoke respectfully.

“Sect Master, Saint Nun...”

Seeing the disciples arriving, Liu Ruxue trembled and shouted anxiously, “Quick, go and see Senior Senior Brother...” She and Ren Pingsheng were like brothers and sisters, I was very worried when I saw his face change at this time.

Hearing this, the leading disciples also realized that something was wrong with Ren Pingsheng, and they all responded and walked over quickly.

“Master?”

“Sect Master...” The

named disciple shouted cautiously as he approached.

hum!

However, before he got to the front, he saw Ren Pingsheng’s eyes suddenly turning blood red, and then his hands suddenly raised, and a powerful breath swept out.

Several of the disciples didn’t have time to react, they were sent flying, and after they landed, they fainted.

Chapter 5374

This....

Seeing this situation, whether it was Liu Ruxue or the other disciples of Lihuo Sect, they were all taken aback.

Haha...

Before everyone could react, Ren Pingsheng burst out laughing wildly, jumped up, and rushed into the distance.

Brother crazy?

At this moment, Liu Ruxue bit her lip tightly, and she couldn't tell the complexity and doubts in her heart.

When I was in a coma just now, what happened to make my brother feel so stimulated?

The surrounding Lihuo Sect disciples also looked at each other in dismay, not knowing what to do.

“What are you doing?”

After a few seconds, Liu Ruxue reacted and shouted anxiously, “Why don't you follow me? Also, come over and give me acupuncture points.” Yue Feng tapped the acupoints before, but now Still can't move.

Hula..

Hearing this, all the disciples came back to their senses and quickly chased in the direction where Ren Pingsheng had left. One of the elite disciples came over to unlock the acupoints for Liu Ruxue.

After being freed, Liu Ruxue stood up, with a beautiful face that could not hide her anger and anger, and ordered: “Immediately notify everyone in the sect, and do all they can to search for Yue Feng's whereabouts.” The

senior brother became like this, and Yue Feng could not escape the responsibility. .

Thinking of the humiliation she received from Yue Feng before, Liu Ruxue was even more angry.

“Yes, Saintess...”

.....

On the other side, when Yue Feng arrived at the entrance of the Heavenly Mysterious Realm, night gradually fell.

There were some people from the three major sects guarding the entrance, but it was not difficult for Yue Feng. After secretly observing, he finally found a chance and slipped in easily.

Soon near the altar, Yue Feng observed the orientation and quickly determined the position of the formation.

To build the Chaos Teleportation Array, a special kind of cloudy sky stone is needed. This kind of stone is extremely rare, but this is the mysterious realm of heaven, and the cloudy sky stone is everywhere.

Haha...

After a while, Yue Feng brought in the Yunxiao Stone he needed, and he was indescribably happy.

As long as the teleportation array is constructed, it is possible to return to the Kyushu continent. I am really looking forward to it.

With high spirits, Yue Feng began to deploy.

....

on the other side.

After Liu Ruxue issued the order, the entire Lihuo Sect's disciples rushed over from the main altar to track down the whereabouts of Yue Feng and Ren Pingsheng.

However, the two seem to have disappeared.

The whereabouts of the sect master was unknown, which made the entire Lihuo Sect panic, and Liu Ruxue was even more anxious.

Twenty miles northwest of the Heavenly Mysterious Realm, there is a valley with high mountains and dense forests and a complex environment. There is a hidden cave between the cliffs and cliffs.

I saw that there was a half-meter-long platform extending from the entrance of the cave, and there were several rare Blood Ganoderma lucidum growing on the platform.

Whoosh!

At this moment, a figure was like a sharp sword, rushing about in the woods, with long hair flying and looking crazy.

It was Ren Pingsheng, who was already insane.

After injuring several disciples half a day ago, Ren Pingsheng was full of self-cultivation matters. He flew aimlessly all the way, and unknowingly arrived here.

"Why can't the flame of the Holy Fire Mingzun hurt him... Instead, it was fused by the blood lotus he transformed into?"

“It must be my practice wrong.... I want to practice again.... Yes, I want to restart Cultivation.”

Ren Pingsheng muttered to himself when he went to the bottom of the cliff, saw the cave above, so he flew up and entered the cave to practice.

Swish....

Not long after Ren Pingsheng entered the cave, two more figures slowly walked out of the woods. The first one was dressed in a moon-white satin gown with extraordinary temperament. The other was dressed in a strong suit, with a long knife hanging from his waist.

It was Deng Shiqi, the head of Beihai Constellation, and his disciple Peng Shan.

Three days ago, after Deng Shiqi and the various sects failed to besiege Yue Feng, he gave up the idea of robbing the Qimen of Tianji Palace and returned to Beihai Xingsu for meditation. I immediately brought my disciples to check it out.

“Master, there really is blood ganoderma.” A

few seconds later, when he reached the bottom of the cliff, Pengshan said excitedly when he saw the blood ganoderma at the entrance of the cave.

Deng Shiqi squinted and looked at it, nodded and said: “Such a huge blood ganoderma, I am afraid that it has grown for hundreds of years. It seems that this trip is not in vain.”

Chapter 5375 When the

voice fell, Deng Shiqi jumped and flew to the platform in front of the hole.

Pengshan followed closely.

Um?

When they first arrived on the platform, both the master and the apprentice were stunned. They could clearly sense that there was movement in the cave, and it seemed that someone was cultivating inside.

In such a remote place, there are still people cultivating?

The next second, Deng Shiqi and his apprentice looked at each other and walked in slowly.

It's him?

After walking a few steps, Deng Shiqi and Pengshan were both stunned when they saw the scene inside through the dim light.

I saw a man sitting on a large stone inside, with frantic long hair scattered over his shoulders, dirty clothes, but a powerful aura pervaded his body.

It was Ren Pingsheng.

After being stunned for a few seconds, Pengshan reacted and said to Master Deng in a low voice: "Master, I heard in the morning that the head of Lihuomen has been lost, and all the disciples of Lihuomen are searching all over the rivers and lakes. I didn't expect him to be here."

"I guess... is there a big change in Lihuomen?"

Hearing this, Deng Shiqi shook his head and said in a low voice, "Let's not be rash about other people's affairs. Let's discuss." After speaking

, Master Deng cleared his throat, cupped his hands at Ren Pingsheng not far away, and said with a smile: "Master Ren, we parted a few days ago, I didn't expect to meet so soon."

Said It turned out that Deng Shiqi, as the head of one of the three major sects, originally disliked a small sect like Lihuo Sect, but Ren Pingsheng's outstanding strength was obvious to all, so be polite.

However, Ren Pingsheng sat there quietly, with his eyes closed and no response at all.

Huh..

Deng Shiqi frowned secretly, feeling a little unhappy in his heart. This Ren Pingsheng dared to stand in front of me, really thought that Lihuomen could be on an equal footing with the three major sects?

Pengshan was even more angry in an instant, and shouted angrily at Ren Pingsheng: "Hey, my master is talking to you? You ignore it, are there any rules?"

Shuh!

As soon as he finished speaking, Ren Pingsheng suddenly opened his eyes and locked Pengshan tightly. His eyes were blood red, which was very scary.

Pengshan was startled, and instinctively pulled out the long knife around his waist.

Deng Shiqi was also shocked, and said in surprise: "Sect Master Ren, what's wrong with you?"

Ren Pingsheng did not answer, staring at Deng Shiqi for a few seconds, and suddenly laughed: "Yue Feng, you are taunting me again. Right? Let me tell you, when I re-cultivate the Holy Fire Mingzun, I will fight with you again. At that time, I will never let you merge with my flame power..."

"Haha, you wait. Right ..."

At this time, Ren Pingsheng was completely insane, and regarded Deng Shiqi as Yue Feng.

Um?

Seeing this situation, Deng Shiqi frowned, Ren Pingsheng crazy? And it sounded like it was because of Yue Feng.

At the same time, Pengshan also reacted and said in a low voice, "Master, he seems to be crazy. It seems that Yue Feng became insane. No wonder

Lihuomen has been looking for him everywhere since last night." Deng Shiqi nodded silently. He nodded, signaling Pengshan not to talk nonsense.

The next second, Deng Shiqi imitated Yue Feng's tone and smiled at Ren Pingsheng: "Okay, the head of Ren is really a man, I will wait for you to practice the exercises again, let

's fight again." When saying this, Deng Shiqi had a smile on his face, but there was a hint of ruthlessness in his eyes.

Deng Shiqi looks like a modest gentleman on the surface, but in fact he has a very deep government. He is especially keen on the unique skills of the towns of various sects. Seeing Ren Pingsheng becoming crazy, he knew that the opportunity was coming.

He thought about it, since Ren Pingsheng regarded himself as Yue Feng, he simply decided to do it, and then looked for an opportunity to kill Ren Pingsheng directly and snatch the secret of the Holy Fire Mingzun.

After saying this, Deng Shiqi took Pengshan outside the cave.

"Master?"

Pengshan was very puzzled when he got outside: "This Ren has been crazy all his life, what are we doing to him so politely? Also, he mistook you for Yue Feng, why didn't Master explain it?"

Deng Shiqi smiled slightly and said slowly: "He's crazy, and the explanation is just a waste of time. Moreover, with such a good opportunity, we can just snatch Lihuomen's unique town school's unique skill 'Sacred Fire Mingzun'."

The ultimate husband in Chinese chapter 5376-5380

Chapter 5376

When he said this, Deng Shiqi's eyes flickered, unable to hide his greed.

Huh....

Hearing this, Pengshan couldn't help taking a deep breath and said in shock: "Master, what do you mean, let's kill him directly later?" At that time, Pengshan was present. At that time, the various sects had to elect their leaders, and Ren Pingsheng came out last to overwhelm the heroes.

Therefore, Pengshan knew that Ren Pingsheng was powerful, and at this moment, when he saw that his master was going to kill this person, he felt a little uneasy. To know that when two tigers fight each other, one must be injured. Although Deng Shiqi was powerful, it would not be easy to take Ren Pingsheng's life.

"Stupid."

Seeing Pengshan's complicated expression, Deng Shiqi frowned and said angrily: "Ren Pingsheng is crazy now, and if he shoots head-on, he will definitely fight to the death. If you want to take his life, you can't fight head-on."

Said With that, Deng Shiqi looked at the night in front of him and continued: "I noticed just now that this Ren's life is faintly showing signs of going crazy, so we don't have to take action at all, just wait quietly. Once he goes crazy, we will Just break in and give him a fatal blow."

After saying this, Deng Shiqi was full of pride.

This place is inaccessible, and Ren Pingsheng is crazy, so even if someone discovers the body later, he will never find out the truth.

Hearing these words, Pengshan suddenly realized, and said with a flattering smile: "So that's the case, Master is really observant. Just now, Ren Pingsheng's face was very scary, and I didn't see it at all."

"If that's the case. , this Ren Pingsheng must be like this because of Yue Feng."

Speaking of which, Pengshan's eyes flickered: "You said, when we get there, should we do some work on the scene and deliberately leave some clues to make people think it was Yue Feng who killed Ren Pingsheng."

Pengshan has followed Deng Shiqi for many years, and under his influence, his actions are also very despicable.

Haha...

Hearing this suggestion, Deng Shiqi's eyes lit up, he clapped his hands and smiled and said, "Okay, very good, this method is good, just do as you said."

This chapter is provided by . Visit for daily update.

At this time, Deng Shiqi couldn't hide the resentment in his eyes.

During this time, Beihai Xingsu and the major sects spent a lot of manpower and material resources in order to snatch the Qimen exercises of the Tianji Palace. In the end, it was over. Deng Shiqi didn't care on the surface, but he was very angry in his heart, and he wanted to break Yue Feng into pieces. Thousands of corpses.

However, Yue Feng's own strength is strong, and he has the protection of the Sword Saint who has been across the rivers and lakes for decades. In this case, it is difficult for Beihai Constellation to move Yue Feng.

At this time, there is such a good opportunity to blame Yue Feng, and naturally he cannot miss it.

After the discussion, the master and the apprentice smiled at each other, collected the blood ganoderma lucidum at the entrance of the cave, flew to the foot of the cliff, found a flat open space, lit a bonfire, and slowly waited.

Time passed by minute by minute.

It was very quiet in the cave at first, but when it was almost midnight, suddenly, there was a strong internal vibration in the cave, and then Ren Pingsheng's mad roar followed.

"My Lihuo Sect's supreme martial arts can't be so fragile...Impossible...Yue Feng...you wait, I will definitely defeat you with my own hands..." The

roar was silent. The cliffs echoed around, and the birds perched in the woods were frightened and flew away.

At this time, Deng Shiqi and his apprentice were taking a nap in front of the bonfire. When they heard the movement, they suddenly woke up.

“Master.”

The next second, Pengshan stood up, his eyes couldn't hide the excitement and excitement: “listen to the news, this Ren's life has gone crazy, it's not too late, let's go up.”

When he said this, Pengshan was full of face. Can't wait.

Deng Shiqi showed a smile and nodded: “Go.” The voice fell, and the figure flashed up to the cave platform.

Pengshan followed closely.

Huhuhu...

As soon as they reached the platform, the master and apprentice sensed hot and powerful breaths, bursting out of the cave, and the person blowing was hot, not only that, but the whole cave was also abusive. Groups of flames illuminated the entire cave.

Chapter 5377

And in the deepest part of the cave, it can be clearly seen that Ren Pingsheng was sitting there cross-legged, his face grim, and his whole body was burning with raging fire, like a burning man.

Hiss...

Feeling the terrifying fire breath, Pengshan couldn't help gasping for air, and his eyes were full of astonishment.

So strong.... so strong.

He clearly felt that the power pervading Ren Pingsheng at this time was more than twice as strong as when he was in the underground town before when he was sparring with the major sects.

This Ren's life is really capable of pretending, and he has been hiding his strength before.

At the same time, Deng Shiqi looked closely at Ren Pingsheng, and his face was also full of shock and excitement.

“Interesting...”

After a few seconds, Deng Shiqi reacted as if he had discovered a treasure: “No wonder Ren Pingsheng, after the separation of the various sects, dared to bring the Lihuo Sect

to trouble Yue Feng, it turned out that he had practiced it. Lihuomen's supreme martial art 'Sacred Fire Mingzun'."

"Haha, what an unexpected discovery."

When he said this, Deng Shiqi's face was full of excitement, Ren Pingsheng practiced the sacred fire Mingzun stunt, and even more so. It proves that the secret of this exercise lies in him.

Pengshan's face brightened: "That's great, this time we can finally settle old grievances."

Two hundred years ago, an elder from Beihai Xingsu, when he was traveling in the rivers and lakes, once became attached to a Dharma protector of Lihuomen. The Dharma protector is highly respected in the Lihuo Sect. He was once given half a piece of 'Sacred Fire Mingzun' formula by the sect master. Although it was only half a paragraph, this Dharma protector has grown by leaps and bounds in just two years.

After the two sides had a grievance at that time, the elder of Beihai Xingsu, because of his own identity, launched a public arena match to have a life-and-death showdown with the guardian of Lihuomen.

As a result, the elder of Beihai Constellation was killed on the ring in less than ten moves. This incident caused a sensation in the whole arena at the time.

At that time, although this ring match was a personal grievance, it was the elders of Beihai Xingsu who died after all. At that time, the entire Beihai Xingsu was extremely aggrieved, but they were unable to openly retaliate against Lihuomen.

Although two hundred years have passed, this matter has always been a great shame for the North Sea Constellation.

Fifteen years ago, after Deng Shiqi succeeded as the head of Beihai Xingsu, he secretly swore that he would take Lihuomen's town card practice 'Sacred Fire Mingzun' in his lifetime and wash away the shame of the year.

However, with the passage of time, Lihuomen has been keeping a low profile, leaving Deng Shiqi no chance... Until today, seeing Ren Pingsheng's infatuation, Deng Shiqi realized that the opportunity finally came.

As a disciple of Master Deng Qi Rumen, Pengshan is very clear about the grievance between the two sects. Seeing such a God-given opportunity, he couldn't help but say it.

"Not bad..."

At this moment, Deng Shiqi's eyes flashed gloomy and cold, he locked on Ren Pingsheng tightly, and said word by word: "Thirty years, thirty years, we can finally wash away the shame of the year, for the elders who died tragically, I have a bad breath."

After

speaking, Deng Shiqi said to Pengshan: "Wait, I will pretend to be Yue Feng to attract Ren Pingsheng's attention, you look for opportunities to get to know him directly."

"Understood, Master." Pengshan replied. With a sound, he hid in the shadows in the cave.

At this time, in the cave, under the raging power of Ren Pingsheng's scorching flames, it was red like a volcanic crater, but in order to make the plan go smoothly, Peng Shen still endured it.

Phew...

Seeing that Pengshan was hiding, Deng Shiqi took a deep breath, adjusted his emotions, and walked towards Ren Pingsheng slowly.

When he reached ten meters in front of Ren Pingsheng, Deng Shiqi stopped, imitating Yue Feng's tone, sneering and mocking: "Ren Pingsheng, I think you should give up, even if you practice hard, it is impossible for me to be Yue Feng. Your opponent."

Until now, Deng Shiqi didn't know what happened to Ren Pingsheng and Yue Feng, but he could vaguely guess when he heard Ren Pingsheng's mad roar.

Huh...

Ren Pingsheng at this time, his spirit is almost always, when he heard Deng Shiqi's words suddenly, he was shocked, staring at Deng Shiqi and roaring: "Yue Feng, don't be arrogant, you can integrate the power of my flame before, but It's good luck..."

At this time, Ren Pingsheng, because of the obsession in his heart, had completely lost his mind, and completely regarded Deng Shiqi as Yue Feng.

Chapter 5378

Hehe...

Feeling Ren Pingsheng's anger, Deng Shiqi didn't panic at all, he smiled contemptuously, and said coldly: "Ren Pingsheng, your Lihuo Sect is just a second-rate sect on the rivers and lakes, compared to the three major sects. The Chunyang Palace, Tianhaimen, and Beihai constellations are worlds apart."

“Even if you are talented, you can’t turn the tide. I advise you to get rid of the idea of revenge, as long as you are willing to kowtow to me. As soon as we start, our grievances and grievances will be written off.”

“If you are obsessed with it, I have enough confidence that you will be saved forever. Don’t forget that I, Yue Feng, not only have the protection of the Sword Saint, but also the Dan of the Chunyang Palace. Pavilion Master, fight with me, how much strength do you have? Huh?”

When he said this, Deng Shiqi was completely aloof and demeaned Lihuomen to nothing.

He knew in his heart that Ren Pingsheng was a proud and arrogant person, and the most unbearable thing was this kind of contempt and humiliation.

“You...”

Hearing this, Ren Pingsheng’s frantic mood became more violent, and his eyes were blood red. His heart was burning with anger.

Arrogance... This Yue Feng is really too arrogant.

At this time, Ren Pingsheng, under the madness of his mind, did not have the slightest sense of reason, and did not realize that the person in front of him was not Yue Feng at all, but Deng Shiqi, the head of Beihai Xingsu.

“Ah...”

Under his anger, Ren Pingsheng raised his head and roared wildly. The originally violent and uncertain internal force was completely disordered, and suddenly it went retrograde in his body, and instantly went crazy.

Buzz buzz....

Ren Pingsheng’s strength is not weak at all. After he got into the devil, the violent internal force instantly overflowed his body, forming a hot stream of fire, which swept out towards the surrounding.

Under this terrifying scorching hot breath, the entire cave was like a huge furnace, and the air was instantly distorted.

call!

Seeing this, even if Deng Shiqi was mentally prepared, he was still shocked.

Mad, I didn't expect this Ren Pingsheng's strength to be so tyrannical, fortunately, he has gone crazy, otherwise, it would be very difficult to win if he really had to fight with his life and death.

With emotion in his heart, Deng Shiqi winked at Pengshan, who was hiding in the dark.

"Go to hell."

With Deng Shiqi's hint, Pengshan roared wildly, and the whole person rushed towards Ren Pingsheng's back like a cannonball.

hum.

Approaching him, Pengshan erupted in internal strength, and slapped Ren Pingsheng's back with a ruthless palm.

At this time, Ren Pingsheng's attention was all on Deng Shiqi. He didn't expect that there were still people in ambush in the shadows next to him, and there was no time to dodge.

boom!

This palm was slapped hard on Ren Pingsheng's back heart, and a huge shock was heard, Ren Pingsheng groaned, and the whole person was blown away by the blood, and finally hit the stone wall in the depths of the cave, slowly sliding down. When he came down, his face was pale and his spirit was extremely sluggish.

Haha...it worked.

Seeing this scene, Pengshan couldn't hide his excitement, and said proudly to Ren Pingsheng: "What is the strongest person in Lihuomen for nearly a thousand years, and he will die at my hands in the end?"

"Just you Lihuomen, Still delusional to get the Qimen exercises of the Heavenly Secret Palace? Hehe, what are you dreaming about?"

When he said this, Pengshan looked cold and arrogant, and he looked like a villain.

Um!

Deng Shiqi also nodded approvingly, showing a smile, and said to Pengshan: "Okay, this palm is good. Once Ren Pingsheng died, we completely understand the humiliation of Beihai Xingsu for hundreds of years." As

he said, Deng Shiqi slowly walked towards Ren Pingsheng, saying word by word: "Ren Pingsheng, don't blame me, I was only here to collect blood ganoderma lucidum today,

who would have thought that I would have met you, if you really want to blame it, you will blame yourself for your bad luck. In the next life, just be an ordinary person...”

Hearing these words, Ren Pingsheng’s face changed, and his blood-red eyes gradually became clearer.

“Head Deng?” After a few seconds, Ren Pingsheng

locked onto Deng Shiqi tightly, and spit out a few words coldly: “I thought it was Yue Feng who was mocking me, but I didn’t expect it to be you.”

The blood on the corner of his mouth slowly stood up, and there was a violent and terrifying aura around him.

Chapter 5379

What?

Seeing Ren Pingsheng suddenly wake up, both Deng Shiqi and Pengshan were shocked.

This... how could this be?

This Ren Pingsheng has gone crazy, and he has been hit by Pengshan’s heart just now. Why is there nothing at all, but he has become sober?

At this time, the master and the apprentice did not know that Lihuomen’s unique sect, ‘Sacred Fire Mingzun’, could not help but contain a very strong flame power. .

In general exercises, after getting into the devil, the heart is injured again, and there is no doubt of death, but the Holy Fire Mingzun is an exception. In the state of being crazy, the heart is not only the door to death, but the only door to life.

In other words, Deng Shiqi master and apprentice, not only did not kill Ren Pingsheng, but instead restored his sanity to normal.

“You...”

Finally, Deng Shiqi reacted and looked at Ren Pingsheng in astonishment: “Why do you have nothing at all?” Xinmai pioneered that there was nothing at all, which was incredible.

Hehe...

Ren Pingsheng moved his muscles and bones, and smiled lightly: “Master Deng wants me to die so much?”

After speaking, Ren Pingsheng thought of something, and suddenly said: "I know, hundreds of years ago, I was in Lihuomen. The guardian of the North Sea, killed an elder of your Beihai Xingsu, which is regarded as a great shame by you. This is a personal grievance, but you Beihai Xingsu have always been brooding."

"No wonder, you two masters and disciples saw that I went into trouble, and fell into the trap. It's a pity, my Lihuo Sect's exercises are completely different from ordinary exercises. The door of death is the door of life. You thought you could kill me, but you never thought of it. Instead, you helped me solve the crisis of going crazy. "

When he said this, Ren Pingsheng was full of ridicule and ridicule.

Mad...

Hearing this, both Deng Shiqi and Peng Shan were stunned, their brains buzzing.

It turned out to be like this... The

next second, Pengshan came to his senses, and his eyes flashed with madness: "it's just luck, there's nothing to be proud of, I don't believe it anymore, just went through the madness, what else can you have? Means."

Om....

The last word fell, Pengshan pulled out his long sword, burst out with all his strength, and stabbed at Ren Pingsheng's heart.

At this time, Pengshan's face was full of madness. In his heart, he always wanted to perform in front of his master, but unfortunately he never had the chance. Tonight, he finally met the crazy Ren Pingsheng. Think of it, Ren Pingsheng has nothing at all.

Moreover, Pengshan has a hot personality. Seeing Ren Pingsheng mocking his master, how can he hold back?

"Pengshan, don't..."

Seeing this scene, Deng Shiqi's face changed, he couldn't help exclaiming, and at the same time he was about to rush up to stop it. Ren Pingsheng is the most talented head of the Lihuo Sect for thousands of years. His strength is unfathomable and hard to guess. How could he be able to deal with it?

However it was too late.

Hehe... Seeing Pengshan erupting, Ren Pingsheng snorted coldly, and a trace of contempt appeared in the corner

of his mouth: "Firefly, dare to compete with Haoyue? Give me...die!"

His right hand suddenly lifted.

Om...

In an instant, I saw a group of crimson flames condensed and quickly floated towards Pengshan.

The flame seemed to be slow, but it arrived in front of Pengshan in the blink of an eye. In a blink of an eye, the long sword was melted by the fire, and Pengshan's whole person was also ignited directly, burning a raging fire.

"Ah..." When the

severe pain came, Pengshan let out a shrill scream, looked at Deng Shiqi, and his voice was full of horror: "Master...Master...Father..." The last word fell, and the whole person was completely enveloped in flames.

In less than ten seconds, Pengshan lost his voice completely, and his whole body turned into ashes.

"Shan'er..."

Seeing this scene, Deng Shiqi was extremely sad, and after calling out, his eyes locked on Ren Pingsheng coldly, and he was extremely resentful.

The corners of Ren Pingsheng's mouth twitched, and he smiled lightly: "What? The tragic death of his beloved disciple makes Sect Leader Deng heartache?"

Chapter 5380

"Haha..." When the words

fell, Deng Shiqi Yangtian laughed, his eyes were full of madness: "Good Ren Pingsheng, I really saw you clearly." After

speaking, Deng Shiqi's eyes suddenly became extremely cold: "But, Second-rate sects are always second-rate sects, and they will never be able to replace our three major sects and become the mainstay of the rivers and lakes. Your Holy Fire Mingzun is indeed very strong, but my Beihai Xingsu's practice is not just used to scare people. Yes."

"Kill my disciple, I must pay for my life!" The

last word fell, and a terrifying aura erupted from Deng Shiqi's body. In an instant, the air in the entire cave froze for a

second, and Deng Shiqi suddenly pulled out his long sword, stabbing Ren Pingsheng like a lightning bolt.

Um?

Feeling Deng Shiqi's speed and the terrifying aura that erupted, Ren Pingsheng's arrogant face suddenly became dignified. At that time, he did not dodge, but urged the Holy Fire Mingzun to condense a flame barrier in front of him.

boom!

The next second, the long sword fiercely collided with the flame barrier, and an overwhelming aura dissipated and swept towards the surroundings. In an instant, both Ren Pingsheng and Deng Shiqi groaned and were shaken back a few steps.

After stabilizing his figure, Ren Pingsheng stared closely at Deng Shiqi and couldn't help but admire in his heart.

As expected of the head of the three major sects, his strength is indeed well-deserved.

Ma De..

Deng Shiqi was also secretly shocked. This Ren Pingsheng had just gone through the dangerous juncture of going crazy, but he was still able to burst out with such a powerful force.

In shock, Deng Shiqi's eyes flickered, trying his best to calm himself down.

The Holy Fire Mingzun practice is so unique, and you have to grab it tonight no matter what you say. He couldn't help but wash away the shame of Beihai Xingsu hundreds of years ago, and even avenge Pengshan.

Thinking to himself, Deng Shiqi looked at Ren Pingsheng coldly: "If you can block my sword, Master Ren is really extraordinary."

After speaking, Deng Shiqi slowly raised his left hand and brushed his fingers on the long sword.

Om...

In an instant, I saw a dazzling brilliance burst out from the unremarkable blade, illuminating the entire cave.

“Xingyan Sword Art?”

Seeing this scene, Ren Pingsheng was stunned and couldn't help exclaiming.

Xingyan Sword Art is a unique skill of Beihai Xingsu. It is rumored that it can mobilize the power of the Milky Way above the nine heavens. For a long time, the Star Flame Sword Art was just a rumor in the arena.

However, I didn't expect that Deng Shiqi, who was in front of him, actually practiced it.

“Okay, very good..”

Under the shock, Ren Pingsheng narrowed his eyes slightly, and endless fighting spirit emerged from his body: “I didn't expect that the head of Deng also kept a hand, then I will ask for advice, it's you Beihai Xingsu. The Xingyan Sword Art is powerful, and it is still my Holy Fire Mingzun of Lihuomen, even better.” The

last word fell, Ren Pingsheng raised his hands, and the flames rose fiercely all over his body, and the whole person came towards Master Deng.

Chi Chi...

Seeing Ren Pingsheng burst out, Deng Shiqi raised a gloomy look at the corner of his mouth, clenched his long sword tightly, drew a shock, and rushed forward.

As soon as I saw the long sword passing by, the stars were shining like a galaxy falling, and sword shadows were everywhere in the entire cave.

It is Beihai Constellation's stunt 'Xingyan Sword Art'.

Boom...

In the next second, the figures of the two sides collided, and there was an earth-shattering roar. The entire cave collapsed in an instant, and within a kilometer radius, dust and smoke filled the air.

In the dust and smoke, the figures of Ren Pingsheng and Deng Shiqi avoided the collapsed cave and suspended in mid-air. They saw that their faces were extremely pale and weak.

Obviously, no one took advantage of the competition between the two of the strongest exercises just now.

A few seconds later, Ren Pingsheng said slowly: “The strongest swordsmanship of Beihai Xingsu is nothing more than that.”

“Haha...”

Hearing the mockery, Deng Shiqi was not at all displeased, but showed a smile: “Holy Fire Mingzun It is indeed extremely fierce, and it is impossible to defeat you with the Star Flame Sword Art alone, but have you forgotten that in addition to the Star Flame Sword Art, my Beihai Constellation has a ‘ghost shadow clone’.”

The ultimate husband in Chinese chapter 5381-5390

Chapter 5381

Ghost clone?

Hearing this, Ren Pingsheng was stunned for a moment, and then he sensed a strong killing intent behind him.

In an instant, Ren Pingsheng realized that something was wrong, and instinctively turned his head to look at it. When he saw it, his heart suddenly tightened, and his brain was buzzing.

I saw a figure standing behind him at some point, holding a long sword, his eyes were sharp, and the corners of his mouth raised a trace of wickedness.

Another Deng Shiqi.

To be precise, it is a avatar of Deng Shiqi. This avatar is condensed by internal force, but it is condensed and lifelike, and it cannot be seen that it is fake.

If others were present, they would definitely be shocked. Two Deng Shiqi appeared at the same time. Who wouldn't be shocked?

However, as the head of Lihuo Sect, Ren Pingsheng knows the situation of Beihai Xingsu very well. He knows that Beihai Xingsu has a very strange exercise called 'ghost shadow clone'. , false and true, it is hard to prevent.

It's just that this 'ghost shadow avatar' exercise has extremely high requirements on practitioners. Beihai Xingsu has been passed down for thousands of years, and no more than three people have practiced it. Therefore, this exercise has always been sealed in the Beihai Xingsu Collection. The deepest part of the pavilion is rarely shown in front of the world.

I just didn't expect that Deng Shiqi actually practiced it.

Whoosh!

Just when Ren Pingsheng was secretly shocked, the clone behind him suddenly raised his long sword and stabbed him directly in the back.

The distance between the two sides was very close, less than one meter. Ren Pingsheng didn't have time to dodge when he heard a light sound, and his heart was directly pierced by the long sword.

"Pfft..."

At this moment, Ren Pingsheng's body was shocked, and then a mouthful of blood spurted out, and his eyes were instantly blood red: "Deng Shiqi, do you want to kill me with a clone? Isn't it a bit whimsical." When the

voice fell, Ren Pingsheng shot like lightning and quickly sealed it. Live in a few acupoints on your body to stop the bleeding from the wound.

hum!

Immediately afterwards, Ren Pingsheng raised his right hand, condensed a mass of flames, and blasted directly at Deng Shiqi's clone.

The flame collided with the avatar, and an aura vibrated, and the avatar was instantly defeated, turning into a light and shadow, dissipating between the heaven and the earth.

"Haha..."

Deng Shiqi didn't panic when he saw the avatar being destroyed, and laughed evilly at that time: "Ren Pingsheng, you are wrong, of course I am not stupid enough to kill you with the avatar, the avatar is just to attract your attention, the real The ultimate move is here." The

last word fell, Deng Shiqi's figure flashed, and he came quickly towards Ren Pingsheng.

In the blink of an eye, Deng Shiqi was in front of Ren Pingsheng, his eyes flashing with endless madness and gloom: "Pay the debt of blood, pay for my apprentice's life." In the

next second, a terrifying breath burst out from Deng Shiqi's body. The air between the heavens and the earth twisted wildly, and then his hands were suddenly raised and slapped on Ren Pingsheng.

Bang....

Both palms hit Ren Pingsheng, a dull sound came out, and Ren Pingsheng let out a groan, all his ribs were broken, and his heart was instantly destroyed. The whole person flew a few hundred meters away, and finally fell on the ground. among the woods.

After landing, Ren Pingsheng's face was miserable, and his previous arrogance was completely gone. A pair of eyes stared at Deng Shiqi in the air, and he was extremely resentful.

Mad, this Deng Shiqi is really insidious.

I thought that I had been hiding my strength for the past few years, which was considered deep enough, but I didn't expect this person to hide deeper, and he secretly practiced a ghost clone.

Hehe...

Feeling the resentment in Ren Pingsheng's eyes, Deng Shiqi sneered and slowly landed, his tone couldn't hide his pride: "How about Ren Pingsheng, if you lose to my ghost clone, you should also be convinced. Come on."

"If you have any regrets, hurry up and say, you won't have a chance if it's too late."

While speaking, Ren Pingsheng clenched his sword and walked towards Ren Pingsheng slowly.

Terrifying killing intent permeated the entire forest.

Hu....

Seeing Deng Shiqi approaching step by step, Ren Pingsheng took a deep breath, his face filled with endless unwillingness, and said word by word: "Deng Shiqi, you are still the head of one of the three major sects, and your actions are so despicable. , you...you're not going to end well."

Chapter 5382

Hehe...

Hearing this, Deng Shiqi's eyes narrowed, revealing a hint of gloom: "What happened to me, it's not your turn to judge." The

last word fell, Deng Shiqi waved his right hand, and the long sword was like a streak. The meteor flew out and penetrated Ren Pingsheng's heart.

"Pfft..." During the

blood spray, Ren Pingsheng's eyes were full of unwillingness, he fell to the ground on his back, but at the moment of dying, his right hand secretly sealed his dantian point.

Lihuomen's exercises are completely different from the major sects in Jianghu, especially the stunt 'Holy Fire Mingzun', which can be 'reborn from fire' when it reaches the highest realm, and the key to rebirth from fire is to seal it before dying. Live in your own dantian point.

At the moment when the Dantian point was sealed, Ren Pingsheng's other hand took out the fireworks signal on his body.

Bang..In

an instant, after the firework signal was released, a bright light was drawn and burst in the sky.

After doing this, Ren Pingsheng looked at Deng Shiqi mockingly: "Lihuomen, I won't let you go..." Before he finished speaking, Ren Pingsheng tilted his head, and was immediately breathless.

Mad!

Hearing Ren Pingsheng's words before he died, and seeing the fireworks signal in mid-air, Deng Shiqi's face was extremely ugly: "It's really a tough dog, and he didn't stop before he died." After

speaking, Deng Shiqi stepped forward and kicked Ren Pingsheng, after confirming that he was out of breath, squatted down and searched on him.

Haha...

A few seconds later, Deng Shiqi found a secret book, and when he saw the words 'Sacred Fire Mingzun' written on it, he immediately looked up to the sky and laughed: "I've got it, the supreme martial arts of Lihuomen is finally here. "

After laughing, Deng Shiqi put away the cheats, and then returned to the ruins of the cave to find Pengshan's body.

"Good apprentice."

At this moment, Deng Shiqi couldn't hide the sadness on his face: "I have killed Ren Pingsheng for the teacher, avenged you, and got the secret book. You can rest in peace."

After saying this, Deng Shiqi Looking around, I found a hidden place to bury Pengshan's body.

After doing this, Deng Shiqi didn't stop at all and left quickly.

Just before Ren Pingsheng was about to die, he released a firework signal, and the people from Lihuomen would arrive soon. Before they arrived, they had to leave.

In the blink of an eye, Deng Shiqi disappeared into the darkness, and silence returned to the forest.

If anyone was present at this time, it would definitely be a surprise.

I saw that Ren Pingsheng, who had died, was filled with flames, and these flames seemed to have spirituality, swimming endlessly on him.

The flames only slapped and laughed, but they contained extremely high scorching temperatures. Everything within a hundred meters around them was burnt to ashes. What was surprising was that Ren Pingsheng's corpse did not show any signs of burns.

That's right, this is exactly the effect of the highest realm 'Rebirth from Fire' in the Holy Fire Mingzun.

...

On the other side, the main altar of Lihuomen.

In the main hall, more than a dozen branch hall masters gathered together, each with a solemn expression. Beside the throne in the middle, Liu Ruxue stood there in a long dress, her delicate face could not hide the anxiety and worry.

The atmosphere of the entire hall was also indescribably depressing.

Ren Pingsheng disappeared, and the entire Lihuomen searched for a day and a night, but to no avail.

"You guys..."

At this time, Liu Ruxue looked around, unable to express her anger: "Are they all trash? With so many people, you can't even find the whereabouts of the senior brother?"

"Xue was so anxious that the Lihuo Clan had been silent for so many years. Finally, a genius like the head senior brother appeared. Under his leadership, the Lihuo Clan was expected to flourish. If something happened to him, all these hopes would be dashed.

Huh...

Facing Liu Ruxue's coquettish scolding, all the branch hall masters present bowed their heads in shame and did not dare to look at her.

Finally, one of the hall masters took a step forward and said cautiously, "Your Excellency, the whereabouts of the head of the sect are unknown. Why don't you assume the position of head first..."

Just as he was talking, a disciple suddenly rushed over. I came in and looked excited: "Saint Aunt, the firework signal... Northwest, we just discovered the firework signal of our Lihuomen."

Chapter 5383

When he said this, the disciple was sweating profusely and couldn't hide his excitement.

Wow...

the voice fell, and the whole hall was boiling. Whether it was Liu Ruxue or those branch hall masters, they were all very excited.

"It must be the sect master..."

"I knew that the sect master is very strong, and nothing will happen."

Under the excitement of the crowd, Liu Ruxue hurriedly greeted everyone: "Quick, gather the disciples immediately and go to the fireworks. The place."

"Yes, Saintess." A

few minutes later, thousands of Lihuo Sect elite disciples quickly assembled, led by Liu Ruxue, and rushed towards the place where the fireworks appeared.

Along the way, Liu Ruxue was in a hurry and kept urging everyone to speed up.

Speaking of which, if it was a month ago, Liu Ruxue would never have been so nervous. You must know that Ren Pingsheng has become the supreme martial arts sacred fire Mingzun. Looking at the entire river and lake, there are almost no rivals, but after seeing the strength of Yue Feng, he will know There are people outside the sky, and there are mountains outside the mountains.

Therefore, Liu Ruxue was very worried that the senior brother might have encountered Yue Feng again before releasing the fireworks signal for help.

Finally, an hour later, Liu Ruxue and the others arrived at the forest where the fireworks were set off.

Huh...

At this moment, seeing the situation in front of her, Liu Ruxue and the people around her were all stunned.

I saw a cliff a few hundred meters high, collapsed from the middle of the mountain, and there was a mess within a kilometer of the radius, and many places were burned by fire and traces of fighting.

Obviously, there was a fierce battle here before.

"quick!"

Seeing this scene, Liu Ruxue bit her lip tightly, very worried about Ren Pingsheng's safety, and immediately ordered everyone: "Look around to see if there is any trace of the Sect Master."

"Follow the order!" After hearing the order, everyone immediately dispersed, carefully searched around.

After a while, someone discovered something and shouted anxiously: "Come on, come quickly, the head is here."

Crash...

Hearing the call, Liu Ruxue and the others rushed over and saw the forest in the woods. Ren Pingsheng lay there quietly, blood all over his body, and there was a sword wound in his heart, which ran through his heart, and it was shocking to see.

Seeing this scene, whether it was Liu Ruxue or the others present, they were all shocked and angry.

Who the hell did it? How can you beat the boss so badly?

"Sect Master..."

"Sect Master..."

After a few seconds, more than a dozen hall masters and thousands of disciples fell to the ground one after another.

The heart is damaged, the person is not breathing, and he is obviously dead.

However, Liu Ruxue bit her lip tightly, without the slightest bit of sadness, but looked around and said coquettishly, "Why are you crying? The senior brother is not dead yet."

Others couldn't see it, but Liu Ruxue knew it. Seeing that, Ren Pingsheng's expression was peaceful. Although he was no longer breathing, there was still a force in his body, which traveled with the meridians.

As a saint, and with Ren Pingsheng's brother and sister, Liu Ruxue immediately realized that Ren Pingsheng did not completely lose, but at a critical moment, he used the 'fire rebirth' in the holy fire Mingzun.

not dead?

Hearing this, everyone present was stunned and looked at Liu Ruxue blankly.

The Sect Master was injured in his heart, and he couldn't breathe, how could he not die?

"Okay!"

Liu Ruxue was too lazy to explain, because she clearly saw that there was a faint flame looming on the surface of Ren Pingsheng's skin, she knew that 'Rebirth from Fire' had entered the key, and immediately ordered everyone: "You all Don't be confused, the head is not dead, hurry up and set up a camp nearby, and at the same time guard the surrounding area, no one is allowed to approach."

Seriously, seeing Ren Pingsheng so miserable, Liu Ruxue really wanted to know who did it. But the most important thing right now is to ensure that Ren Pingsheng can be successfully reborn.

Hearing the order, everyone did not dare to be neglected, took materials on the spot, quickly set up a huge tent, and then carefully moved Ren Pingsheng inside.

Afterwards, everyone set up vigilance around.

In the tent, Liu Ruxue quietly stood beside Ren Pingsheng, her beautiful face couldn't hide her worry. Although she knew that Ren Pingsheng had performed 'Rebirth from Fire', but this stunt has been practiced in Lihuomen for nearly a thousand years. No one knows whether Ren Pingsheng can succeed.

Chapter 5384

Brother, you must succeed.

Under the worry, Liu Ruxue kept praying in her heart.

At this moment, outside the tent.

Thousands of Lihuo Sect disciples guarded the surroundings like iron barrels. It could be said that the guards were so heavily guarded that even a fly would hardly get in.

Every disciple also played up the spirit of twelve points, without the slightest neglect.

Om...

But at this moment, everyone sensed that there was a wave of terrifying aura fluctuations in the sky above their heads. The bright moon was in the sky, but suddenly dark clouds rolled.

what's the situation?

For a time, all the disciples of Lihuo Sect were taken aback, and they looked up at the sky in shock.

In the dark cloudy night sky, a ray of light ripped apart the sky and fell from the sky.

The brilliant light seemed to tear the entire sky in half.

“What’s the matter?”

At this time, hearing the movement outside, Liu Ruxue walked out of the tent quickly, and when she saw the scene in front of her, her beautiful face was instantly shocked: “A natural phenomenon, is it. ..what treasures have come into the world?”

She saw this view from ancient books. Since ancient times, there must be treasures in the world.

It’s just that it has never happened in thousands of years, but I didn’t expect it to happen tonight.

Treasures come to earth?

Hearing this, everyone around Lihuo Sect was shocked.

The next second, one of the hall masters couldn’t help but ask: “Saint, is there really such a treasure in this world?” As he spoke, his eyes were extremely excited, because the light that ripped apart the sky and connected the ground is just far from here. not far.

If there is really a treasure, Lihuomen can rush over immediately.

Huh...

Liu Ruxue sighed lightly, her delicate face showing a bit of complexity: “I’m not sure if there is any, in short, it’s all recorded in ancient books.”

Boom.... The

voice fell, Just saw the light in the sky, and finally landed in the valley a few hundred meters away, and suddenly a huge roar came, and then, everyone felt the ground under their feet, and there was a burst of tremors.

For a time, everyone was a little unsteady, and their faces were shocked.

The treasure has already landed, this power is simply too terrifying.

“Quick!”

Under the shock, Liu Ruxue couldn't help shouting: "You all go over and take a look, remember, don't blindly shoot." After saying that, she looked back at the tent.

Speaking of which, Liu Ruxue really wanted to go check it out in person, but she held back when she thought that Ren Pingsheng in the tent was at a critical moment of rebirth.

"Yes, Saint Nun."

Upon hearing the order, more than a dozen hall masters responded in unison, and quickly rushed over with their disciples.

.....

At this time, in the valley.

I saw that a huge deep pit was bombarded in the open space in the valley. This deep pit was more than one hundred meters in diameter and tens of meters deep. At the bottom of the giant pit, lay a colorful dazzling light ball.

In the ball of light, there is a vague figure.

With a strong body and sharp eyebrows, he is indescribably handsome and handsome, but there is a paranoid evil spirit between his eyebrows.

It was sent from the realm of the gods, the divine soul of Prince Aotian.

At that time, in the courtyard where Taiyi Xianzun lived in seclusion, Prince Aotian failed to break through, resulting in the destruction of his primordial spirit. In the end, Taiyi Xianzun, through the essence of the Faye Red Lotus, saved the spirit of Prince Aotian, and then sent him to Ziwei Continent, okay Let him re-cultivation out of the primordial spirit.

But unfortunately, Prince Aotian landed not far from the Lihuomen camp after being teleported.

Huh....

At this time, as the light ball slowly disappeared, Prince Aotian also opened his eyes, seeing the surrounding environment, his eyes were full of disgust: "This is the Ziwei Continent of the human world? The spiritual energy of heaven and earth is really unusual. It 's bad."

Muttering, I heard footsteps not far away, and there were many people listening.

Prince Aotian frowned, his figure flashed, and he disappeared directly into the night.

“It’s here!”

“This...”

As soon as the figure of Prince Aotian disappeared, everyone from Lihuomen rushed over, and when they saw the huge pit in front of them, they were all dumbfounded.

“What kind of power can create such a terrifying power?”

“Strange, there is nothing down there?”

“Could it be... that someone took the lead and took the treasure?”

Chapter 5385 Under the

discussion, several hall masters immediately instructed the disciples: “Quick, search the vicinity, no matter who you find, take it down immediately.” With such a vision of heaven and earth, it is impossible to have nothing. Someone must have taken the lead and took the treasure away. This should belong to the Lihuo Sect. How could it fall into the hands of others? Whoops... For a time, thousands of Lihuo Sect disciples quickly searched around the giant pit. this moment, the other side. Liu Ruxue stood outside the tent door, looking in the direction of the giant pit, unable to hide her urgency. The disciples must have already arrived at the place, and they don’t know what treasure can trigger such a strong vision of heaven and earth... At this time, Liu Ruxue’s attention has been in the direction of the giant pit, and he didn’t notice that in her Behind him, an illusory figure quietly entered the tent. Take the illusory figure, it is almost transparent, and it is late at night, you can’t find it if you don’t look carefully. It is the soul of Prince Aotian. After Prince Aotian left the giant pit just now, with his keen perception, he noticed that someone nearby was performing a strange exercise to regenerate. Hmm.... At this time, I entered the tent and saw Ren Pingsheng lying in it, Prince Aotian narrowed his eyes slightly, and said to himself: “Although this person is seriously injured, the talent bone tool is the best choice. , It seems that this prince has good luck, as soon as he arrived here, he encountered a very suitable body.” As he said, Prince Aotian slowly approached.

At this time, Ren Pingsheng, Yuhuo Rebirth has taken the last step, his whole body is extremely red, and he slowly wakes up, sensing someone approaching, and immediately opened his eyes.

Um?

The moment he opened his eyes and saw Prince Aolin in front of him, Ren Pingsheng was taken aback and said weakly, “Who are you?”

He clearly saw that the person in front of him was actually in a transparent state.

Simply incredible.

Seeing him wake up suddenly, Prince Aotian was very surprised, but he quickly reacted and smiled lightly: "It doesn't matter who I am, you just need to know that it is your great honor that your body can be seen by me. "

When he said this, Prince Aotian's tone was incomparably arrogant, and his eyes were even more domineering with contempt for everything.

Fancy my body?

He...he wants to take me away?

Hearing this, Ren Pingsheng was stunned for a moment, then he realized something, and said angrily: "Good boy, you are so shameless, do you know who I am?"

"If you want to take me away, I'm afraid you are not qualified.

" Falling down, Ren Pingsheng's figure erupted, carrying an unparalleled power, and slapped Prince Aotian with a fierce palm.

In Ren Pingsheng's eyes, Deng Shiqi's powerful and very insidious people can't completely destroy him, and this young man in front of him is a joke.

"Beyond one's own ability."

Seeing Ren Pingsheng burst out, Prince Aotian raised a trace of contempt at the corner of his mouth, raised his right hand flutteringly, and condensed a ball of light, directly covering Ren Pingsheng inside.

boom!

Ren Pingsheng struck with all his strength and hit the inner wall of the ball of light fiercely, only to hear a dull sound, and the power of this palm instantly dissipated. Although there was a lot of movement, it was completely blocked by the light ball, so it couldn't be heard from outside at all.

What?

Seeing this situation, Ren Pingsheng changed color in shock, and with all his strength, he couldn't even break the protective film condensed by the opponent. What was the origin of the opponent?

"Your body doesn't look handsome at all, but you can barely make do with it..."

Just when Ren Pingsheng was secretly shocked, Prince Aotian said slowly, and then his soul turned into a streamer and entered the ball of light. Incorporated into Ren Pingsheng's body.

Om...

The next second, Prince Aotian's divine soul crushed Ren Pingsheng's soul, and then devoured it little by little.

"Ah..." The soul was devoured, the pain was unbearable to anyone, Ren Pingsheng let out a shrill scream, and at the same time shouted unwillingly: "You... in the end... who is...?"

Aotian Prince's voice sounded: "Anyway, you are about to cease to exist, and this prince will tell you that I am the son of the Nine Heavens God, the future God Realm, and even the master of your human world."

The ultimate husband in Chinese chapter 5386-5390

Chapter 5386

... Son of God in the Nine Heavens?

Hearing this, Ren Pingsheng's whole soul trembled, and a sense of despair swelled from the bottom of his heart: "I...I can't just die like this, I can't..."

Just halfway through the words, the soul Was completely engulfed by Prince Aotian.

Immediately afterwards, Prince Aotian quickly occupied this body, merged his soul into it, and tempered this body with the power of his soul.

Buzz...

For a time, within the ball of light, a stream of pure power spread out around Ren Pingsheng's body. Ren Pingsheng was already extremely talented. Refining the meridians, the injury before entering is completely healed, and the strength has also been improved by leaps and bounds.

After just a few minutes, Prince Aotian completely fit Ren Pingsheng's body.

Phew...

At this moment, Prince Aotian raised his hand to remove the ball of light covering his entire body, took a deep breath, and a smile appeared on the corner of his mouth. With a body, he could slowly reshape his primordial spirit.

At this moment, outside the tent.

Liu Ruxue waited for a while, but she couldn't help but feel anxious when she didn't see everyone coming back.

Those disciples... have you encountered any trouble?

"Holy aunt..."

Just when Liu Ruxue was a little worried, she saw more than a dozen hall masters returning quickly with thousands of disciples, all of them downcast and very depressed.

Seeing them come back, Liu Ruxue's spirit was lifted, and she quickly asked Zhao Bin, the head of the White Crane Hall, "How is the situation? What have you found?"

This chapter is provided by . Visit for daily update.

When asked, Liu Ruxue's eyes were full of anticipation.

It must be a rare treasure that can trigger such a grand vision of heaven and earth. If you can get it, it must be a blessing for Lihuomen.

Ugh!

Feeling the expectation in Liu Ruxue's eyes, Zhao Bin sighed softly and said ashamedly: "Reporting to the saint, a huge pit was blasted out where the light fell. Found any treasure."

"My subordinate guessed that someone might have taken the lead and took the treasure..."

Zhao Bin lowered his head and did not dare to look at Liu Ruxue while he was talking. At the same time, other people around him People, one by one, are also extremely embarrassed.

Nothing at all?

Hearing this, Liu Ruxue frowned, this is impossible... This place is inaccessible, and there are thousands of disciples in Lihuo Sect. If there are people, it is impossible not to find them.

Seeing Liu Ruxue's expression, everyone around didn't dare to speak rashly.

"Holy aunt..."

At this time, Zhao Bin took a step forward and said cautiously: "What should we do next, should we continue to explore the nearby area, or..."

Halfway through the sentence, he heard the tent curtain being lifted behind. Immediately afterwards, Ren Pingsheng walked out slowly.

Of course, at this time, Ren Pingsheng was no longer the head of Lihuo Sect half an hour ago. His body was completely occupied by Prince Aotian. The surface was the same as before, but in fact, this body had undergone earth-shaking changes.

"Senior brother..."

"Sect Master."

At this moment, Liu Ruxue and the Lihuo Sect members present were extremely happy, and they greeted each other and gathered around them.

Especially Liu Ruxue, she couldn't tell how happy she was at this moment. She could clearly see that the 'Ren Pingsheng' in front of her was a completely different person compared to her previous weakness, and she looked bright.

Not only that, the aura that pervades the body is also much stronger than before.

Excited, Liu Ruxue said with a smile: "Senior brother, our 'Holy Fire Mingzun' of Lihuomen is really amazing. Has your strength broken again? It's so strong."

Hehe.. Seeing Liu Ruxue's excited look ,

Prince Aotian squeezed out a smile, but he didn't respond, but he was secretly suspicious.

This woman is so enthusiastic that she even calls me senior brother. It seems that she and the original owner of this body are brothers and sisters from the same sect.

Although he took Ren Pingsheng and occupied this body, Prince Aotian knew absolutely nothing about the identity of this body, but Prince Aotian was not stupid and pretended to be Ren Pingsheng without any exposure.

Prince Aotian thought about it, since the body he occupies is the master of a sect, it is better to make good use of this identity and reshape the primordial spirit as soon as possible.

Chapter 5387

"That's right!"

Liu Ruxue didn't notice anything wrong with Prince Aotian's reaction. What did he think of at this moment, he quickly asked: "Senior brother, what happened before? Who put you down? Seriously injured?"

When asked, Liu Ruxue's eyes were full of solemnity, and if he could force his senior brother to use 'Rebirth from Fire', the opponent's strength must be very terrifying.

To be honest, Liu Ruxue thought of Yue Feng for a moment, but she still couldn't help but ask.

Swish!

At this moment, the eyes of everyone around were also watching Prince Aotian closely, waiting for him to say the name of the murderer. One by one was outraged.

No matter who the other party is, he must pay a heavy price for hurting the Sect Master so badly.

Facing the situation in front of him, Prince Aotian was stunned, and then waved his hand nonchalantly: "This... The incident happened suddenly, and that person attacked from behind, and I didn't have time to react. After being seriously injured, nothing happened. Got it."

When he said this, Prince Aotian looked serious, but there was complexity in his eyes.

He just snatched this body, how could he know who Ren Pingsheng was killed by before? However, as a prince, his mind turned very fast, and he made up a lie in just a few seconds.

This...

Hearing this answer, both Liu Ruxue and the surrounding Lihuo Sect members were all stunned, frowning secretly.

The boss was raided?

And I haven't seen the other party's appearance clearly... Who the

hell is this person, who can silently inflict heavy losses on the head, and still not reveal his identity, this strength... It's too perverted.

At this time, everyone in Liu Ruxue didn't know that the person in front of them was not their head at all.

"It doesn't matter!"

Finally, Liu Ruxue was the first to react, and smiled at Prince Aotian: "It doesn't matter who the other party is for the time being, as long as the senior brother is fine, we will have more time in the future. Check it out."

Hmm!

Prince Aotian nodded, but he was thinking of other things.

Once you have a body, just to reshape the primordial spirit, you need to integrate the pure yang essence and pure yin essence of the cultivator. These people must be in the body of a boy.

There are quite a few of the Lihuo Sect disciples in front of them who meet the conditions, but it is not easy to pretend to be their head.

"Senior brother."

Just when Prince Aotian was thinking about these things, Liu Ruxue thought of something and said quickly: "Before the senior brother woke up, a vision of heaven and earth appeared in this area..."

The next A few minutes later, Liu Ruxue explained the situation in detail.

At the end of the story, Liu Ruxue's delicate face could not hide the depression: "I asked them to investigate just now, but they searched the giant pit and its surroundings, and found no treasures."

"This matter is really strange. Senior Sect Master, what do you think we should do next?"

When she said this, Liu Ruxue looked at Prince Aotian with anticipation in her eyes, in her heart, Sect Master Senior Brother was omnipotent, and there was no difficulty that could stymie him.

Heaven and Earth anomalies? Giant pit?

Knowing these circumstances, Prince Aotian frowned lightly, secretly laughing in his heart.

Isn't this the vision caused by this prince, who was sent from God's Domain? It's ridiculous that this bunch of stupid humans actually think that some kind of treasure is in the world.

Hmm....

thinking so in my heart, Prince Aotian pondered for a moment, first looked around, and finally looked at Liu Ruxue and said, "Since we haven't found anything, maybe our Lihuomen has nothing to do with this treasure."

Said Then , Prince Aotian waved his hand: "It doesn't make any sense to stay here. Let's go back to the mountain gate as soon as possible."

When he said this, Prince Aotian looked indifferent and did not fluctuate at all. After all, the previous vision of heaven and earth was his It was caused by myself, but how could it be said.

This....

Hearing this, the Lihuo Sect disciples present were a little unwilling.

This is a treasure that can trigger weather phenomena, and the head actually gave up when he said he would give up.

At the same time, Liu Ruxue also frowned slightly, looking at Prince Aotian, and a little doubt appeared in her heart.

How do you think.... After the sect master experienced this catastrophe, it seems to have changed.

Chapter 5388

Change to the previous words, when encountering such a thing, with the temperament of the head senior brother, no matter how much the price is paid and what means are used, we must find the treasure.

And now, he has no interest at all.

Could it be that... after the success of 'Rebirth from Fire', one's character can be changed?

"What's wrong?"

Just when Liu Ruxue was stunned and thinking about this, Prince Aotian smiled at her: "Junior sister doesn't hurry up and get ready to go, what are you thinking about?"

Hmm!

Liu Ruxue reacted and replied, just looking at Prince Aotian's smile, the more he thought about it, the more he felt that something was wrong. He only felt that the senior brother in front of him, whether it was his words or deeds or the way he handled things, were completely the same as before. different.

It's like...a completely different person.

What the hell is going on?

Forget it, when you're on the road, find a chance to talk to your senior brother.

A few minutes later, everyone withdrew their tents, and then marched mightily towards the main altar of Lihuomen.

Along the way, Liu Ruxue kept looking for opportunities to chat with Prince Aotian, but Prince Aotian only thought about reshaping his Primordial Spirit, so he gave no response to Liu Ruxue's chat.

This made Liu Ruxue very depressed, and at the same time, he felt even more that there was something wrong with the senior brother in front of him.

Four hours later, Liu Ruxue, Prince Aotian, and thousands of elite disciples finally returned to the main altar.

Phew...

At this moment, looking at the majestic building complex in front of him, Prince Aotian exhaled secretly, feeling quite satisfied. This place has a quiet environment, which is very suitable for cultivation and rebuilding the primordial spirit.

It's just... Although this body is fused, it has to be adapted slowly.

Ten minutes later, inside the main altar hall.

Prince Aotian sat on the throne, Liu Ruxue and a dozen other hall masters stood on both sides of the sub-station, and the atmosphere was a little subtle.

"Senior brother."

At this moment, Liu Ruxue couldn't help but said: "We planned so closely in the previous plan, but we didn't expect that Yue Feng was so cunning, and this account can't be settled like this.

" Thinking of being taken advantage of by Yue Feng before, the anger in Liu Ruxue's heart couldn't stop rushing up.

The voice fell, and all the hall masters around were extremely suffocating.

With the strength of the entire Lihuo Sect, not only did he fail to capture Yue Feng, but he was also humiliated several times by him. How he swallowed his breath was a shame.

Um?

At this moment, Prince Aotian, who was sitting there with an indifferent face, suddenly heard Liu Ruxue mention Yue Feng, and his heart was shocked.

Yue Feng?

Wouldn't it be so coincidental, or is it someone else who they said?

Thinking to himself, Prince Aotian tapped his finger on the throne, concealing the tremor in his heart, and calmly said to Liu Ruxue: "Junior sister, after being hit so hard before, I can't remember a lot of things, you follow me carefully. Tell me, who is Yue Feng, and what kind of grievances do you have with our Lihuo Sect."

When saying this, Prince Haotian tried his best to keep his tone natural.

Can not remember?

Hearing this, both Liu Ruxue and the surrounding hall masters were stunned.

Such an important thing, the head has forgotten?

Especially Liu Ruxue, with her beautiful face, she couldn't hide the suspicion. Since the "Rebirth from Fire", not only has the whole person changed, but now he doesn't even remember what happened before.

Even if 'Rebirth from Fire' has drawbacks, it can't be so serious.

Just when Liu Ruxue was thinking about this, the surrounding hall masters, you and I explained the previous things in great detail.

Huh...

Hearing this, Prince Aotian's face suddenly became solemn, and his eyes also revealed a trace of gloom.

Ma De, can alchemy, and his strength is unfathomable. Isn't that the Nine Heavens Profound Sage Yue Feng?

Thinking to himself, Prince Aotian decided to check in more detail, looked around and asked, "How does this Yue Feng look? How old is he?" After the

voice fell, one of the hall masters quickly told Yue Feng's appearance and grade. .

It's him, can't be wrong.

At this moment, Prince Aotian was certain in his heart that the Yue Feng in everyone's mouth and the Yue Feng he thought were the same person, Xuansheng Jiutian, Prince Aolin's master.

Chapter 5389

Realizing this, Prince Aotian couldn't hide the resentment in his heart.

Yue Feng... This is Yue Feng.

It was because he secretly helped Ao Lin that he lost the position of Heavenly Emperor, and it was also because of him, Master Taiyi Immortal Venerable, that he was expelled from Yutian Palace.

And he lost the position of the Emperor of Heaven, his breakthrough failed, his Yuanshen was destroyed, and finally he had to enter the human world and re-cultivate his Yuanshen.

It can be said that he was able to end up like this, all because of this Yue Feng.

For a while, thinking of this in his heart, Prince Aotian clenched his fists, his eyes were blood red, and his face was incomparable.

Huh...

Seeing his appearance, Liu Ruxue and the others did not dare to let out the air. The entire hall was deadly silent.

"Damn..."

Finally, Prince Aotian calmed down, slapped the armrest of the throne fiercely, and said with a stern gaze, "This Yue Feng is so abominable, naturally he can't be easily let go, one day, I will smash him into tens of thousands of corpses with my own hands. Duan."

"However, this matter cannot be rushed, it needs to be considered long-term."

These people did not know Yue Feng's true identity, but he knew very well that the other party was Ao Lin's master, and he was the teacher of the Emperor of Heaven. Supreme divine power, unfathomable strength, and he doesn't even have primordial spirit, looking for trouble at this time is completely looking for death.

At the end of the conversation, Prince Aotian waved his hand: "Okay, there is nothing else to do, everyone should step back first.

"

With a sound, they are ready to leave, and at the same time they are also very relieved.

Although the Sect Master didn't remember some things, he didn't forget the grievances with Yue Feng.

“Senior Sect Master!”

However, at this moment, Liu Ruxue suddenly thought of something, stepped forward quickly, and said to Prince Aotian, “Senior Brother... In two days, it will be our Lihuo Sect's sacrificial ceremony. , all matters need the instructions of senior brothers.” The

sacrificial ceremony is a tradition of Lihuomen, held every other year to pay homage to the founder of the school. It was a very important day for the disciples of Lihuo Sect.

A sacrificial ceremony?

Hearing this, Prince Aotian frowned secretly, then waved his hand, and said lightly: “I'm preparing to retreat and practice, I'm afraid I won't be able to go out for a day or two, so I'll be solely responsible for the sacrifice ceremony.”

Although this body was successfully seized, it still took some time to get used to it. Under this circumstance, Prince Aotian was not in the mood to care about the sacrificial ceremony.

This...

Seeing him say that, Liu Ruxue was stunned for a moment, bit her lip lightly, looked at Prince Aotian in disbelief, full of complexity...

I heard right, Senior Brother let me be responsible ?

The sacrificial ceremony is the most important day of the Lihuo Sect. Every time it is held, the leader needs to do it himself. Moreover, in the past, the brothers in charge paid great attention to the sacrificial ceremony. What happened today?

At this moment, Liu Ruxue had a terrible thought in her heart.

The one sitting on the throne was not his senior brother at all. Although he was Ren Pingsheng on the outside, the soul inside belonged to another person.

This thought flashed, Liu Ruxue's delicate body trembled, and she was so frightened that she broke into a cold sweat.

“Junior Sister!”

At this time, seeing her stunned there, Prince Aotian said lightly: "What? Is there a problem?"

"No!" Liu Ruxue calmed down and shook her head quickly: "Since the sect master is going to retreat, then the sacrificial ceremony will take place. Leave it to me to preside over the matter."

After speaking, he respectfully left the hall.

Watching Liu Ruxue leave, Prince Aotian stood up slowly, called a disciple to lead the way, and entered the back mountain secret room to retreat.

...

On the other side, the mysterious realm of heaven.

In the square not far from the original altar, a teleportation array composed of boulders has been built.

call!

Yue Feng stood aside, looking at the Chaos Teleportation Array in front of him, he took a deep breath, his face full of excitement.

Nima, finally got it done.

The heaven and earth are full of spiritual energy here. As long as the formation is activated, the weather aura is gathered together, and it can be teleported away.

However, Yue Feng was not in a hurry to leave. He decided to return to the Chunyang Palace and explain everything before returning to the Kyushu Continent with complete confidence.

Chapter 5390

Om!

At this time, Yue Feng checked the surroundings of the next formation, and after confirming that there was no problem, he used his divine power to form a barrier around his subordinates.

With this barrier, even if someone breaks in, they cannot enter the teleportation array.

After doing this, Yue Feng quickly left the Heavenly Mysterious Realm and rushed towards the Chunyang Palace.

.....

On the other side, the main altar of Lihuomen.

It was already late at night, and the entire Lihuomen main altar was silent.

On the path leading to the secret room in the back mountain, Liu Ruxue walked slowly, with a delicate face that could not hide the complexity.

During the day, I found that something was wrong with the headmaster, and the more I thought about it, the more afraid it became, so I decided to go to the secret room to observe it secretly at night.

Speaking of which, the secret room where the head is closed is a forbidden place in the forbidden area, but Liu Ruxue is a saint, and she and Ren Ping are like brothers and sisters. For so many years, when Ren Pingsheng retreated, he never avoided Liu Ruxue.

And Liu Ruxue is also clear about the mechanism of the stone gate in the secret room.

“Saint aunt?”

When they approached the stone gate of the secret room, the two disciples who were guarding there were stunned for a moment, and then they couldn't help but greeted: “It's so late...”

Just before she finished speaking, Liu Ruxue said He made a silent gesture: “I'm discussing some things with the head senior brother, you all step back.”

Hearing

this, the two disciples looked at each other, then nodded and stepped back.

In the entire Lihuomen, who does not know the relationship between the saint and the head?

Seeing the two disciples leave, Liu Ruxue took a deep breath, suppressing the fear in her heart, and then quietly opened the stone gate.

After

a slight noise, the stone door slowly opened, and Liu Ruxue walked in directly.

Behind the stone gate, there is a long secret passage, and after passing through it is the secret room for cultivation.

When passing through the secret passage, Liu Ruxue put her footsteps very lightly, trying not to let the Aotian prince inside notice it, and her mood was indescribably uneasy.

Hiss...

a dozen seconds later, when approaching the secret room, seeing the scene inside, even though Liu Ruxue was prepared, she couldn't help but gasp.

I saw that 'Ren Pingsheng' was sitting cross-legged with his eyes closed and motionless, as if he was meditating.

However, in the shadow behind him, there was another figure floating, because the light was dim and it was difficult to see, but Liu Ruxue clearly felt that this figure was not Ren Pingsheng, or even a person at all.

It is the soul of Prince Aotian.

Because he was still not used to this body, after entering the secret room, Prince Aotian urged his soul to escape from Ren Pingsheng's body.

what 's wrong?

At this moment, in great panic, Liu Ruxue bit her lip tightly, her face was pale, and her palms were full of cold sweat.

What is the figure behind the senior brother? The ghost of hell?

Crash...

Because she was too nervous, Liu Ruxue accidentally kicked a small pebble and made a soft sound.

Swish!

Hearing the movement suddenly, Prince Aotian, who was meditating in meditation, suddenly woke up, and his eyes instantly turned to Liu Ruxue. In the dimness, his eyes were like sharp swords, as if they could penetrate people's hearts and souls.

Feeling Prince Aotian's gaze, Liu Ruxue was terrified and wanted to turn around and run away, but her legs were weak and she couldn't run at all.

Whoosh!

At this moment, Prince Aotian mobilized his soul and merged into Ren Pingsheng's body, then walked step by step, staring at Liu Ruxue: "Junior sister, what are you doing here in the middle of the night?" The

tone was calm and gentle, but it made people listen. When he got up, there was a terrifying chill.

"You..."

Watching him walk step by step, Liu Ruxue only felt that her heart was about to jump out, and her voice trembled: "Don't come here, let alone call me Junior Sister, you... You are not my senior brother Ren Pingsheng."

"Who are you? Why do you want to take away my senior brother's soul?"

At this time, Liu Ruxue tried her best to show a fearless appearance, but faced with Prince Aotian's powerful Breath, can't calm down at all.

Phew...

Hearing this, Prince Aotian stopped, stared at Liu Ruxue, and said slowly after a few seconds, "I thought I was hiding well, but I didn't expect that you would see it out long ago. You are a smart woman, but the smarter the woman, the easier it is to make fatal mistakes."

The ultimate husband in Chinese chapter 5391-5400

Chapter 5391

“Originally, I didn’t want to hurt you, but who made you discover my secret?” At the end, Prince Aotian’s eyes flashed with a hint of coldness, and he said in a playful tone: “You guessed right, I’m not arbitrary In his life, he took his body.”

“Your brother’s soul has been swallowed by me.” The voice was indifferent, but the words were chilling.

Huh...

Hearing this, Liu Ruxue took a deep breath, bit her lip, her body trembled uncontrollably, and her heart was even more frightened.

I guessed correctly, my senior brother was really taken away. No wonder he was out of place when he came out of the tent...

Thinking to himself, Liu Ruxue was shocked and angry at the same time. Knowing where the strength came from, he suddenly pulled out his long sword.

“No matter who you are, I will kill you to avenge my senior brother. Let me die.” After a soft drink, Liu Ruxue tapped the ground with her toes, and stabbed the long sword straight at Prince Aotian’s heart.

Om...

this sword, Liu Ruxue didn’t hold back at all, and stimulated ten successful powers. You can clearly see that where the long sword passed, the air in the entire secret room was violently distorted, and the power was amazing.

Speaking of which, Liu Ruxue knew very well in his heart that the person in front of him could take Ren Pingsheng’s soul, and his strength was no small matter.

Hehe...

Seeing Liu Ruxue stabbed with a sword, Prince Aotian showed a sarcastic smile: “Recognize the reality, since I dare to tell the truth, I’m not afraid of you doing it.” The

voice fell, and Prince Aotian figured. Dodge the sword in a flash.

what...

At this moment, Liu Ruxue only felt a flower in front of her eyes, and the other party easily avoided the sword. At that time, her delicate body was shocked.

Is this guy so strong? Even the head of the three major sects would have to do everything in his power to block this sword, but the person in front of him managed to dodge it with ease?

And just when Liu Ruxue was stunned, he saw Prince Aotian chuckle and hit him with a palm.

This palm seemed light, but it was as fast as a thunderbolt. Liu Ruxue's pretty face changed at that time, and it was unavoidable at that time, so she had to use her internal strength to meet her with a palm.

boom!

The next second, when the palms of the two sides collided, a dull sound was heard, and then, Liu Ruxue's delicate body trembled, and she took a few steps back before she managed to stabilize her figure. Her beautiful face was instantly pale.

She clearly felt that the blood in her body was churning, and her internal strength was completely disordered.

"You..."

Liu Ruxue endured the discomfort on her body and looked at Prince Aotian in horror: "Who are you?" The two fights made her deeply understand that the strength of the person in front of her is unfathomable. , I am afraid that the heads of the three major sects are all present, and they are not opponents.

When did such a terrifying figure appear on the rivers and lakes?

Prince Aotian smiled slightly: "Who am I, you don't need to know, just be my puppet with peace of mind."

Whoosh!

When the last word fell, Prince Aotian suddenly raised his right palm and clasped it directly on top of Liu Ruxue's head.

In an instant, Liu Ruxue only felt a terrifying force pouring in from the Heavenly Spirit Cover, her mind instantly became messy, and her delicate body couldn't stop shaking.

"You...what are you going to do to me...let me go...let go..."

Under the panic, Liu Ruxue couldn't help drinking, but just shouted, under the crushing force, her eyes darkened, and she fainted.

However, Prince Aotian's hand did not withdraw, but continued to mobilize divine power, and there were words in his mouth.

That's right, what Prince Aotian just performed was the soul-melting technique taught by Immortal Venerable Taiyi before he came to Ziwei Continent, and what he used at this time was the soul-locking technique in the soul-melting technique.

Soul Locking, as the name suggests, is to control the soul of the other party for one's own use. To put it bluntly, it is to turn Liu Ruxue into his own puppet.

To be honest, when he discovered Liu Ruxue just now, Prince Aotian wanted to kill her, but thinking about it carefully, this woman was the saint of Lihuomen, with a special status, and he had just arrived at Ziwei Continent. Everything is unfamiliar, it is better to use the soul search to control her. After turning her into a puppet, it will be much easier to do anything in the future.

Chapter 5392

A few minutes later, Prince Aotian completed the Soul Locking Technique.

Hmm...

At the moment when the Soul Locking Technique was completed, Liu Ruxue let out a light hum, and faintly woke up, her beautiful face did not fluctuate in the slightest, and her eyes were full of confusion.

The next second, seeing Prince Aotian in front of him, Liu Ruxue immediately became extremely respectful: "Master."

After being controlled by the Soul Locking Technique, Liu Ruxue completely lost her mind. The meaning of survival at this time is that Aotian prince's order.

Prince Aotian showed a smile: "Master's soul-melting Dafa is really mysterious."

After speaking, Prince Aotian looked at Liu Ruxue and said, "Don't call me the title of master, and I will call me senior brother in the future, let's The relationship between the two must not be known to a third person, understand?"

"Understood, Senior Sect Master." Liu Ruxue nodded, her face full of compliments.

Hmm....

Seeing her reaction, Prince Aotian nodded with satisfaction, then waved his hand: "For the matter of the sect sacrificial ceremony, you go to prepare, if there is nothing special, don't disturb me, alright. Go out."

When he said this, Prince Aotian was relieved.

With Liu Ruxue as a puppet, I don't need to worry about all the affairs of Lihuo Sect.

Hearing the order, Liu Ruxue responded: "Senior brother, then I will retire." After saying that, she slowly exited the secret room.

...

Yue Feng returned to the Chunyang Palace, the setting sun just went down the mountain, casting a golden afterglow on the entire mountain gate.

"The pavilion..."

When she first stepped into the Pill Pavilion, Xiaorou was packing her things in the hall, and when she saw Yue Feng coming back, her face suddenly brightened: "You're back." As

she spoke, she walked over quickly and pulled Yue Feng affectionately. "You said that you were going out for two days, but it only takes four days since you left. I've been worried that something will happen to you."

When she said this, Xiaorou's eyes were full of worry.

"Silly girl!"

Feeling Xiaorou's concern, Yue Feng felt a warm current in his heart, and reached out and wiped her head: "In the whole world, there are very few people who can threaten me, how could something happen?"

After saying that, Yue Feng looked around: "That girl Yunqing, and the swordsman?"

Xiaorou replied with a smile: "Yunqing is studying alchemy in it, pavilion master, let me tell you, the alchemy of Tianji Palace. The technique is also very powerful, I have been discussing it with Sister Yunqing for the past few days."

At this time, when Xiaorou mentioned alchemy, she couldn't tell how excited she was.

Yue Feng smiled. The ancestor of the Tianji Palace was originally the descendant of the fairy of the gods, and it was not uncommon to have a mysterious alchemy technique.

At this time, Xiaorou said again: "Master Sword Saint, he has been practicing swordsmanship in the back mountain, and will not come back until he eats and sleeps. By the way, in order not to disturb Master Sword Saint, the palace master specially ordered that no disciples are allowed to enter easily. Back Mountain."

Phew...

Hearing this, Yue Feng breathed a sigh of relief and smiled secretly, this Baili Cexuan is indeed an existence that has been in the world for decades, and he did not expect the Palace Master to treat him so politely.

But think about it carefully, with Baili Cexuan's strength, no matter which sect he goes to, he will be offered as an ancestor.

Thinking to himself, Yue Feng smiled and commanded: "I see, you go to prepare a table of banquets, and then call the Sword Saint and Girl Yunqing back."

"Okay!"

Xiaorou responded with a sound, and happily went to prepare.

After a while, a table of sumptuous wine and food was ready, Yue Feng made a cup of tea and sat there waiting slowly.

"It's so fragrant."

After doing it for a while, he heard Baili Cexuan's laughter coming from outside, and then he walked in in a hurry.

Seeing Yue Feng, Baili Cexuan's face brightened: "Pavilion Master, why did you think of drinking so well?" His tone was very polite and respectful. In front of others, he couldn't call Yue Feng a master, but he always respected him.

Yue Feng smiled: "Since we met, we haven't had a good drink together." As he spoke, Yue Feng motioned Baili Cexuan to sit down.

Baili Cexuan sat in front of the table, picked up a glass of wine, and said to Yue Feng, "Then I will toast the pavilion master first." After speaking, he drank it all.

Chapter 5393

Yue Feng accompanied him for a drink, and then asked with a smile, "In the past few days, how did you practice Gang Jianjue that day?"

At this time, Xiaorou Dongfang Yunqing was not present, and Yue Feng was also a little less. concerns.

Hehe...

Hearing the question, Baili Cexuan scratched his head and smiled, and said humbly: "I don't lie to the pavilion master, I have already mastered it, and in the following two sword techniques, I have added several changes."

Speaking of which, Baili Cexuan has always been very proud of the subtraction technique, and only in front of Yue Feng can he be extremely humble.

I'm going...

Hearing this, Yue Feng's heart was shocked, and he looked at Baili Cexuan closely, his eyes couldn't hide the admiration.

As expected of a swordsman, I have been comprehending this Heavenly Astral Sword Art for so many years before I improved a few tricks, and in just a few days, he actually added several changes.

This person's accomplishments in swordsmanship are indeed extraordinary.

Thinking to himself, Yue Feng picked up the jug, poured another glass of wine for Baili Cexuan, and looked serious: "I'm very pleased that you can understand such a state, and I don't have to worry about the inheritance of this sword art. Now ."

"The only thing I'm worried about now is Chunyang Palace, Xiaorou and Yunqing."

When he said this, Yue Feng's eyes flashed with complexity.

To be honest, when Yue Feng first came to this continent, he always had the mentality of a passer-by. After all, this is a foreign land, so he didn't have the slightest sense of belonging in his heart.

But since getting to know Xiao Rou, under her careful care, Yue Feng has gradually started to feel at home here, especially Xiao Rou, no matter in personality or appearance, she is too similar to Xiao Xi. .

After that, after rescuing Dongfang Yunqing from the underground town, Yue Feng regarded her as his younger sister because he felt sorry for her background. At this time, the Chaos Teleportation Array had been built, and he was very sad when he was about to leave.

Uh....

at this moment, feeling Yue Feng's mood swings, Baili Cexuan was stunned: "Why did the pavilion master say this?" Yue Feng breathed a sigh of relief, without any concealment, and said slowly: "Really To be honest, I'm leaving here soon, so I want to ask you something."

Leave?

Hearing this, Baili Cexuan was shocked: "Aren't you the Pill Pavilion Master of Chunyang Palace? This is your home, where are you going?"

Yue Feng shook his head: "To be honest, I'm not from here."

After speaking, Yue Feng briefly explained his identity, and at the end, Yue Feng looked serious: "Although this place is good, it is not my hometown after all."

This. ...

At this moment, Baili Cexuan froze there, staring blankly at Yue Feng, his mind went blank, and he was speechless for a long time.

It turns out... Master is from another continent.

No wonder his swordsmanship has never been seen before.

After more than ten seconds, Baili Ce Xuanfan reacted and couldn't hide the shock in his heart: "According to you, after you leave this time, you won't come back in the future?"

When he spoke, Baili Cexuan's eyes were burning , with a bit of reluctance.

Although he had been in contact with Yue Feng for a period of time, he was deeply attracted by his charisma. Suddenly, Yue Feng said that he was going to leave, and he felt very uncomfortable.

Yue Feng smiled bitterly and nodded, "Maybe."

Having said that, Yue Feng returned to the topic: "That's why I have to ask you to help me take care of Xiaorou Dongfang Yunqing. You also know that Yunqing girl has inherited the Qimen practice of Tianji Palace. Although this girl is smart, after all The grade is still young."

"The entire Jianghu, I don't know how many sects, secretly coveted these exercises on Yunqing girl. Although Chunyang Palace is powerful, it can only protect her for a while, and can't protect her all the time,"

"You understand what I said..." The

last sentence fell, Yue Feng looked at Baili Cexuan seriously, waiting for his answer.

call!

At this moment, Baili Cexuan felt very heavy, took a deep breath, nodded and said: "I understand, Pavilion Master, rest assured, after you leave, I will do my best to protect the safety of Chunyang Palace and the two girls, As long as I, Baili Cexuan, are around, no one can touch them."

"Okay, then I'll give you a toast."

Seeing his agreement, Yue Feng was very happy, and raised his glass and touched Baili Cexuan.

Chapter 5394

"Brother Yue Feng!"

As he was drinking, he saw Xiaorou Dongfang Yunqing walk into the hall.

At this moment, Dongfang Yunqing was very happy, ran quickly to Yue Feng, and said incessantly, "Brother Yue Feng, in the past two days that you have been gone, I have comprehended more than half of the exercises in the Soul of Heaven." In

the past two days, I have been discussing alchemy with Sister Xiaorou often."

When saying this, Dongfang Yun's beautiful face could not hide the pride.

Haha...

Hearing this, Yue Feng smiled and nodded in approval: "I really didn't see the wrong person, you really are very smart girl." In just a few days, he was able to comprehend the soul of heaven's secret. Half of the exercises are extremely rare in the entire Jianghu.

Being praised, Dongfang Yunqing was very happy, and then sat aside to eat.

Xiaorou also sat down, but did not move her chopsticks, but looked at Yue Feng, her red lips lightly parted: "Pavilion Master, I heard you outside just now, you want to leave?"

Uh...

Yue Feng and Baili Ce Xuan looked at each other, very embarrassed, she didn't want Xiaorou to know, but she didn't expect to hear it.

Thinking to himself, Yue Feng smiled bitterly and said, "Yes."

Wow...

As soon as she finished speaking, Xiao Rou burst into tears, her delicate face full of reluctance: "Pavilion Master, don't leave me behind, Wherever you go, I'll go."

During this period of time with Yue Feng, Xiaorou completely regarded him as the closest person in her heart. At this time, she knew that Yue Feng was going to leave completely, and no one else could accept it.

"Brother Yue Feng."

At the same time, Dongfang Yunqing next to him also put down his chopsticks and pulled Yue Feng's arm tightly: "Where are you going? I'm going too, you can't leave me.

" Full of determination.

Seeing this situation, Yue Feng didn't know whether to laugh or cry, and his heart was full of reluctance, but he still patiently persuaded him, but no matter how he persuaded, Xiaorou Dongfang Yunqing was determined to follow him.

This gave Yue Feng a headache.

This meal was drunk for more than three hours, and in the end, Yue Feng didn't talk to Xiaorou either.

At that time, Yue Feng was very helpless, and decided to stay in Chunyang Palace for two more days. After Xiaorou and the two had completely figured it out, they would return to the Heavenly Mysterious Realm and leave through the teleportation array.

...

On the other side, Lihuomen.

Today's Lihuomen is completely different from the past. All the disciples put on black long gowns.

Yes, today is the annual sacrificial ceremony of Lihuomen, which is the day to pay homage to the ancestors of Lihuomen.

At this time, under the attention of everyone, Liu Ruxue slowly walked to the platform in front of the stone tomb.

Because it is a sacrifice, the clothes must be very solemn and not too conspicuous, so Liu Ruxue wore a long black dress. Her perfect and sexy figure was looming, and at the same time, it gave people a solemn and solemn feeling.

Huh...

At this moment, only Liu Ruxue was seen, but the Sect Master was not there, and the disciples present couldn't help but talk in a low voice.

"Why don't you see the sect master?"

"Who knows, since the sect master returned to the mountain gate two days ago, he has been practicing in seclusion and rarely comes out..."

"Could it be that the Sect Master will not participate in this sacrificial ceremony?"

Hearing the discussion below, Liu Ruxue's beautiful face did not fluctuate at all, she looked around and said softly, "Today's sacrificial ceremony, I'm here to preside over the event. Senior brother in charge will not participate because he is at a critical juncture in the retreat..." The

voice was not loud, but it spread throughout the square.

Hearing this, many disciples frowned secretly.

Is it inappropriate for the head not to attend on such an important day?

Just seeing Liu Ruxue's frosty face, although these disciples were very suspicious, they didn't dare to stand up and question.

Haha...

But at this moment, a loud laugh came, and then, I saw a red figure coming from the sky.

The person who came was a man, dressed in a bright red gown, with a red mask covering his face, which formed a sharp contrast with the disciples of the Lihuo Sect who were all dressed in black in the entire square.

Swish!

At this moment, seeing the masked man in red, all the disciples of the Lihuo Sect immediately exploded, and they were all shocked and angry.

Chapter 5395

“Ma De, who is this person? Dare to come and make trouble when we hold the sacrificial ceremony.”

“It is also deliberately wearing red clothes, which is disrespectful to our ancestors.”

“Looking for death... .”

But Liu Ruxue just stood there quietly, unable to see joy or anger.

After being controlled by Prince Aotian, Liu Ruxue lost her own thinking, and everything depended on instructions.

At this time, under the anger, many disciples pointed at the masked man in red and scolded.

“Where is something that doesn’t know what to do?” “Dare to come to our Lihuo Clan to make trouble? Do you think you have a long life?”

“If you don’t want to die, hurry up and get out.”

The masked man did not panic at all.

At this moment, the masked man in red looked at Liu Ruxue and said with a smile: “You said just now...the head of your family is in retreat? Haha, you really can make it up.”

“Hehe, you are afraid of the truth. Speaking out, will it cause chaos in the Lihuo Sect?”

When he said this, the eyes of the masked man in red were full of treacherousness.

Yes, this person is the head of Beihai Constellation, Deng Shiqi.

After killing Ren Pingsheng near the uninhabited cliff before, Deng Shiqi immediately returned to Beihai Constellation. He knew that although he didn’t leave any evidence at the time, the truth would one day be known to Lihuomen.

Instead of letting Lihuomen take revenge when the time comes, it is better to strike first and completely destroy Lihuomen first.

After learning that Lihuomen was going to hold a sacrificial ceremony today, Deng Shiqi did not hesitate at that time. After disguising, he directly broke into the main altar of Lihuomen.

Huh...

At this moment, hearing Deng Shiqi's mockery, Liu Ruxue frowned and asked without any emotion: "Who are you? What do you mean by saying this?"

"Haha..."

Deng Shiqi chuckled lightly: "I don't matter who I am, I'm here today to announce something."

After speaking, Deng Shiqi looked around the audience and shouted in a loud voice, "Disciples of Lihuomen, your saint aunt is lying to you, Ren Pingsheng did not retreat at all. Cultivation, died at the hands of my pavilion master two days ago."

On the way before he came, Deng Shiqi thought about it, first announced Ren Pingsheng's death, and then put the blame on Yue Feng.

However, he didn't know yet that Ren Pingsheng was indeed dead, but his body was still there, and the existence of controlling this body was far beyond his imagination.

Wow...

the voice fell, the whole square was in an uproar, and all the disciples of Lihuo Sect were stunned there with complicated expressions.

"The sect master is dead?"

"How could it be possible... The sect master is cultivating in the secret room. I know, this person thought that the sect master was dead, but he didn't know that among the holy fire Mingzun who cultivated in the sect master, there was a trick 'Rebirth from the fire' 'It can be resurrected.'"

"But from this, it can be inferred that the head of the sect was indeed killed by Yue Feng."

Under the discussion, many disciples of Lihuo Sect stared at Deng Shiqi with hostility in their eyes.

Seeing the changes in everyone's expressions, Deng Shiqi frowned secretly.

No, it stands to reason that these people should be distraught when they know the news of Ren Pingsheng's tragic death. Why do they all react like this?

It doesn't matter, anyway, the black pot made Yue Feng's back, so I'll kill it today.

"Don't look at me like that."

After making up his mind, Deng Shiqi said coldly: "I came today on the order of Pavilion Master Yuefeng to kill all of you who don't know the heights of the sky.

"When

the last word fell, a terrifying force erupted from Deng Shiqi's body, and then swooped down, with both hands out, rushing into the crowd of Lihuo Sect disciples.

Bang bang bang...

Almost in the blink of an eye, several Lihuo Sect disciples were beaten in the heart by Deng Shiqi, blood spurting wildly, and before they could let out a scream, they fell into a pool of blood and died immediately.

Mad!

Seeing this scene, the eyes of the other disciples around were extremely blood red.

"Dare to run wild in Lihuo Sect? It's really a coward."

"Come together and kill him." In the

roar, many disciples of Lihuo Sect drew out their long knives and slashed at Master Deng.

Hehe...

Seeing this situation, Deng Shiqi didn't panic at all, but showed an excited smile: "Come on, if you want revenge, come, let me kill it, haha..."

Chapter 5396 When the words

fell, Deng Shiqi pulled out his long sword and rushed into the crowd of Lihuo Sect disciples like a tiger descending the mountain.

"Ah..." In the

blink of an eye, another scream rang out, and a dozen disciples of the Lihuo Sect were seen lying in a pool of blood under the raging sword lights of Deng Shiqi.

At this moment, the anger in the hearts of everyone in Lihuo Sect was completely aroused, their eyes were extremely blood red, and they rushed up desperately. Surrounded Deng Shiqi in groups.

However, Deng Shiqi came prepared, and as the head of Beihai Xingsu, he was extremely powerful. At this time, he was full of murderous intentions. How could these disciples of Lihuo Sect be opponents?

Dangdangdang...

The sound of weapons colliding, shouting and killing, echoed over the entire square.

Seeing this scene, Liu Ruxue's beautiful face did not have the slightest emotional fluctuations. Facing the tragic deaths of the Lihuo Sect disciples, she appeared indifferent.

After becoming the puppet of Prince Aotian, Liu Ruxue had no feelings for these disciples at all. She only knew that the master had explained to herself that she had to organize the sacrificial ceremony. Now the masked man in red is making trouble again, but he is a little unhappy instinctively.

At this time, more and more Lihuo Sect disciples gathered in the square, nearly ten thousand people.

"Kill!"

Nearly 10,000 disciples shouted, and they rose into the air one after another, and the aura that erupted distorted the sky.

In recent years, the Lihuo Sect has kept a low profile, and the disciples under the sect have worked hard one by one, and their strength is generally not weak.

Hehe..

Seeing more and more enemies around, Deng Shiqi did not panic at all, but inspired endless fighting spirit: "Show your strength, anyway, after today, you will not be able to see the sun tomorrow. already."

When the last word fell, Deng Shiqi's mouth raised a trace of cruelty, his left hand slowly raised, and quickly brushed over the long sword.

Om...

The next second, a dazzling brilliance burst out from the long sword, and the whole world was filled with an extremely powerful aura.

It is the stunt of Beihai Constellation, the Star Flame Sword Art.

hiss!

Feeling this powerful sword energy, all the Lihuo Sect disciples present were shocked and trembled from the bottom of their hearts.

Xingyan Sword Art is a stunt of Beihai Xingsu. For thousands of years, very few people have practiced it. Therefore, none of the disciples of Lihuomen who were present knew each other. .

“Death to me.”

Just when the disciples of Lihuo Sect were shocked, Deng Shiqi roared and pointed his long sword at the crowd. In an instant, sword shadows condensed out, like a shooting star, heading towards the crowd.

“Ah...” The

sword shadow was as fast as lightning, and many disciples of Lihuo Sect had no time to dodge.

Hiss...

Seeing this scene, the Lihuo Sect disciples who survived by chance could not help but gasp.

This man's strength is terrifying.

When did such a powerful existence appear around Yue Feng? Could it be...he is the Sword Saint Baili Cexuan? You must know that in the entire Jianghu, there is no one who can bring swordsmanship to such a state, except for Sword Saint Baili Cexuan.

It's just that Baili Cexuan is arrogant and arrogant in his actions, so it is impossible to cover his face.

“Liu Ruxue!”

At this time, Deng Shiqi was suspended in mid-air, looked at Liu Ruxue who was standing on the high platform, and sneered and mocked: “So many disciples have died, you really can hold your breath.”

“I tell you, Yue Feng The pavilion master has already ordered that Lihuomen will be destroyed, no matter what you think, there is no possibility of turning the situation around.” Deng Shiqi was a sinister and sinister person, and he never forgot to blame Yue Feng from beginning to end.

“Take it.” The

last word fell, and the long sword in Deng Shiqi's hand drew a shock, straight towards Liu Ruxue.

hum!

At this moment, Liu Ruxue's pupils shrank, and the long sword in his hand made a humming sound, and then his delicate body rose up and met Deng Shiqi in mid-air.

Dangdangdang...

In an instant, the two fought fiercely in mid-air, and the long swords of both sides collided, making a loud noise.

Seeing this scene, many disciples of Lihuo Sect couldn't help sweating for Liu Ruxue. After all, Liu Ruxue was the strongest in the audience. If she couldn't defeat him, The consequences could be disastrous.

Chapter 5397

In just a few breaths, Liu Ruxue and Deng Shiqi fought in mid-air for dozens of rounds.

At the beginning, the two were evenly matched, but after all, Deng Shiqi was the head of Beihai Constellation, and his internal strength was unfathomable.

"Saint Aunt Lihuomen, right?"

Soon, after Deng Shiqi forced Liu Ruxue back with a sword, before the other party could stabilize his figure, he immediately sneered and hit him with a palm.

This palm was as fast as thunder, Liu Ruxue couldn't dodge at all, and was hit directly on the shoulder.

boom!

In an instant, after a dull sound, Liu Ruxue's delicate body trembled, the whole person fell to the ground, and she stepped back several dozen steps, her beautiful face was extremely pale, and a trace of blood overflowed from the corner of her mouth.

Deng Shiqi hovered proudly in mid-air and looked down at Liu Ruxue: "Liu Ruxue, your head is no longer there, just relying on you as a woman, do you want to turn the tide?"

"I have never bullied women, so I will give you one now. If you have a chance, as long as you disband Lihuomen immediately and promise not to step into the arena, I will spare your life."

When he said this, Deng Shiqi's eyes were full of confidence.

In his heart, he believed that Ren Pingsheng died in the woods beside the cliff two days ago, and the only person Lihuomen could defend against him was Liu Ruxue.

However, a female-class generation can't pose a threat at all.

Wow....

Hearing these words, the Lihuo Sect disciples present were extremely shocked and angry.

"This person is really arrogant."

"Do you really think that our Lihuomen are easy to bully?"

"My dignified fire door has been passed down for thousands of years, so how can it be dissolved?"

The anger of everyone kept coming, but Liu Ruxue's face was cold, and she couldn't see the slightest expression.

Huh....

The next second, Liu Ruxue took a deep breath and looked at Deng Shiqi with indifferent eyes: "Destruction of the sacrificial ceremony, the crime can be punished."
The

last word fell, Liu Ruxue tapped the ground with her toes, and the whole person was relaxed. He got up, with an indomitable momentum, and walked towards Deng Shiqi in mid-air.

At this time, Liu Ruxue had no thoughts of her own, and the meaning of survival was to execute the master's orders.

Prince Aotian asked her to preside over the sacrificial ceremony. Whoever destroys the ceremony will be the enemy. As for the future of Lihuomen, in Liu Ruxue's heart, he has no concept at all.

Um?

Seeing Liu Ruxue rush up without fear, even ignoring the injuries in his body, Deng Shiqi couldn't help frowning secretly.

This woman...

is so badly injured, she still has to work hard, is she crazy?

Although he didn't have much contact with Liu Ruxue, Deng Shiqi had heard rumors about her. As the saint of Lihuo Sect, she was not only extremely powerful, but also very cautious in her actions, so she could never be so reckless.

Could it be... because of Ren Pingsheng's death, he was stimulated?

Thinking to himself, seeing Liu Ruxue rushing in front of him, Deng Shiqi's mouth twitched a bit: "Okay, very good, since you insist on courting death, then I will fulfill you."

Om!

The last word fell, Deng Shiqi's inner strength exploded, and the long sword burst out with dazzling rays of light, and he fought with Liu Ruxue again.

.....

At this moment, in the secret room of the headmaster.

Prince Aotian sat there cross-legged, his eyes slightly closed, and he was comprehending the soul-melting method taught by Immortal Venerable Taiyi.

Bang bang bang...

At this moment, the sound of fighting outside was heard from time to time. At that time, Prince Aotian suddenly opened his eyes and was very unhappy. Isn't today a sacrificial ceremony? Why is someone fighting?

Under the irritability, Prince Aotian got up and pushed open the stone door.

Squeak!

The moment the stone gate was opened, an elite disciple who was standing outside hurriedly saluted: "Sect Master." As

he spoke, the disciple couldn't help but glanced at the direction where the sacrificial ceremony was being held, his eyes flashing with a bit of anxiety. He could hear the movement of the fight clearly, and wanted to see it, but it was his duty to guard the secret room of the sect master, and he could not leave without authorization.

Prince Aotian frowned: "What happened?"

"I don't know." The elite disciple shook his head: "It seems that someone is making trouble."

Trouble?

Hearing this, Prince Aotian's eyes flashed with a hint of sternness. Who is so bold to come to the main altar of Lihuomen to make trouble?

Thinking to himself, Prince Aotian did not hesitate: "Let's go, let's have a look together."

Chapter 5398

The moment the voice fell, Prince Aotian took the lead and rushed towards the square of the sacrificial ceremony.

The elite disciple responded and followed closely.

.....

At this time, the sky above the Sacrificial Ceremony Square.

Bang bang bang...

The figures of Deng Shiqi and Liu Ruxue constantly shuttled back and forth, and the internal force fluctuations that erupted caused the surrounding air to be violently distorted.

"Do you still have to struggle? It's just a mantis arm."

At this time, Master Deng sneered and sneered coldly. After he raised his palm and fought Liu Ruxue's internal strength, the long sword stabbed out like a poisonous snake.

Chi....

This sword, Liu Ruxue could not avoid it, a blood hole was stabbed in the shoulder instantly, blood spurted out, and the whole person was instantly wilted and weak.

Liu Ruxue couldn't hold it anymore, fell from mid-air, and fell to the ground.

"Saint Nun..."

Seeing this scene, all the surviving Lihuo Sect disciples couldn't help exclaiming, their hearts were slammed, and their eyes were blood red.

Whoosh!

At this moment, Deng Shiqi's eyes flashed with pride, his figure flashed, and in the blink of an eye, he was in front of Liu Ruxue, clenched his long sword, and stabbed her heart: "If you don't take the chance, don't blame me."

” With one sword down, Liu Ruxue’s heart was pierced, and the immortals could not be saved.

“Whoever dares to touch me, court death!”

Just at this critical moment, I heard an icy voice, followed by a figure that flew quickly, dressed in black robes, and the whole body was filled with a powerful breath, majestic.

It was Prince Aotian who arrived in time.

Before he got to the front, Prince Aotian flicked his fingers, and a piece of jade pendant shot out. On the long sword of Deng Shiqi, he heard a huge shock. Deng Shiqi only felt a huge force coming, and his arm seemed to be broken. In the same way, the whole person also retreated dozens of meters in the air.

“Dare to come to my Lihuomen to make trouble, who gave you the courage?” Prince Aotian said coldly, and the moment his voice fell, he had reached Liu Ruxue.

“Sect Master!”

“Sect Master is out...”

At this moment, seeing the appearance of Prince Aotian, all the disciples of Lihuo Sect were excited.

But Liu Ruxue was very ashamed and bowed her head and said, “Senior brother, it’s because of my inability to do things well that I failed to carry out the sacrificial ceremony smoothly, and I didn’t kill the troublemakers...”

As Liu Ru spoke, Snow’s tone was extremely respectful.

Prince Aotian glanced at Deng Shiqi, felt his strength, and said indifferently: “Ruxue, it’s not your fault, step back first, leave it to me here.”

Prince Aotian clearly felt that the person in front of him The strength is strong, and Liu Ruxue can’t compete at all.

“Yes, Senior Sect Master.”

Upon hearing this, Liu Ruxue nodded, then silently stepped aside to start healing.

This...

Deng Shiqi clenched his long sword tightly, his body trembled faintly, looking at the sudden appearance of Prince Aotian, his eyes were full of inconceivable.

This is impossible... Two days ago, I saw with my own eyes that he died.

However, he is not dead, he is not dead?

What shocked him even more was that the strength of the 'Ren Pingsheng' in front of him seemed to be stronger than two days ago.

"You..."

After being stunned for more than ten seconds, Deng Shiqi finally regained his senses and looked at Prince Aotian: "How come you didn't die?" When he spoke, his eyes couldn't hide the shock.

Prince Aotian smiled slightly: "Why do I want to die?"

After speaking, Prince Aotian's eyes flickered, and he vaguely guessed something: "I heard what you said, I came prepared today, just because I thought I was dead, I dared to do it. Killing at Lihuomen?"

Although he occupied Ren Pingsheng's body, Prince Aotian didn't know what happened to this body before, but he was the son of the Nine Heavens God after all, and he was very talented. The person in front of him had grievances with Ren Pingsheng before.

"I..."

Hearing this, Deng Shiqi's eyes were a little flustered, and he couldn't say a word.

I thought that Ren Pingsheng was already dead, so he took advantage of the opportunity of Lihuomen's sacrificial ceremony to completely destroy Lihuomen, but he never expected that 'Ren Pingsheng' did not die.

At this time, Deng Shiqi would never have thought that the person in front of him was Deng Shiqi on the outside, but the soul inside had a great background.

Chapter 5399

"Dare to come and make trouble, don't you dare to show your true face?"

At this time, Prince Aotian looked at Deng Shiqi coldly, and said word by word: "If you take the initiative to take off the mask on your face, I can leave you a whole Corpse."

The

tone was indifferent, but there was an arrogance of contempt for the world.

Mad!

Feeling the contempt of Prince Aotian, Deng Shiqi only felt that he was greatly humiliated. At that time, his face changed, and his eyes flashed with endless coldness: "Very good, you are very confident, then I will take a good look at it."

Two days ago If I can kill you, I can kill you today.

hum!

The last word fell, Master Deng burst out with all his strength, his figure was like a cannonball, and he slapped Prince Aotian with a palm.

Seeing Deng Shiqi burst out, Prince Aotian raised a trace of contempt at the corner of his mouth. He didn't hesitate at that time, he raised his hand and collided with Deng Shiqi's palm.

Boom...

At the moment when the palms of the two sides collided, a loud noise was heard, and then, a terrifying internal force fluctuation swept the audience.

At that time, Deng Shiqi only felt an overwhelming force coming, the whole person groaned, staggered back a dozen steps, and then stabilized his figure.

After standing firm, Deng Shiqi's face was blue and white, his body was shaking, and the disordered internal force was churning in his body.

On the other hand, Prince Aotian stood there as steady as a rock, his face as normal as usual.

Obviously, with this palm down, Prince Aotian has the upper hand.

This.....

At this moment, Deng Shiqi endured the turbulent internal force in his body, and was shocked in his heart. You must know that two days ago, when he fought against Ren Pingsheng, the two sides were still evenly matched, and at the moment when they just met, he clearly felt that the opponent's strength had not only doubled...

shhh!

Just when Deng Shiqi was secretly startled, Prince Aotian sneered, his figure flashed, and he went directly to Deng Shiqi, raising his hand to tear off the red cloth on his face.

In an instant, seeing Deng Shiqi's face, the audience burst into an uproar.

The eyes of all Lihuo Sect disciples were locked on Deng Shiqi, unable to hide their shock and anger.

“The head of Beihai Xingsu?”

“Deng Shiqi? It’s him...”

“Ma De, it’s no wonder that he is so powerful that he is the head of Beihai Xingsu.”

For a time, the disciples of Lihuo Sect present were shocked. Many people also pointed at Deng Shiqi and shouted and insulted him.

“Deng Shiqi, as the head of Beihai Constellation, you are disguised and raided while I am at the Lihuomen sacrifice ceremony. It’s really shameless.

” In the

anger of many disciples, Prince Aotian was also full of contempt. Looking at Deng Shiqi, he sneered: “

Tell me, how does the head of Deng want to die?” The boss looked at it.

“Death?”

Hearing this, Deng Shiqi couldn’t help laughing up to the sky, his eyes blood red: “Ren Pingsheng, you can get away with not dying, but you are lucky. If you want to kill me, I’m afraid you don’t have the strength.” The

last sentence, Deng Shiqi completely roared out.

hum!

In the next second, Deng Shiqi burst out, and the long sword in his hand went straight to the sky. In an instant, the sky suddenly distorted, and then, sword shadows appeared.

It is the Star Flame Sword Art.

Thousands of sword shadows condensed again, and the surrounding Lihuo Sect disciples receded subconsciously when they saw this scene. At the same time, they also secretly worried for Ren Pingsheng. After all, the power of this move was too terrifying.

However, Prince Aotian stood there, his face indifferent, without the slightest fluctuation.

“Death!”

At this moment, Deng Shiqi's face was hideous, and after roaring, the long sword pointed at Prince Aotian.

At the moment when the voice fell, thousands of sword shadows erupted with the power of destroying the sky and the earth, whistling towards Prince Aotian.

"It's interesting."

In the face of this situation, Prince Aotian smiled contemptuously: "You are a despicable person, and you have a lot of housekeeping skills. This sword technique is not weak, but unfortunately, it is not a threat to me." The

voice fell. In an instant, Prince Aotian urged his energy and waved his hand.

hum!

A pure force burst out and quickly formed a protective barrier in front of him.

Bang bang bang...

The next second, thousands of sword shadows erupted, hit the protective barrier, and were blocked.

Chapter 5400

saw that the protective barrier was unusually tough, and there was no sign of fragmentation. Instead, after the sword shadows collided, they shattered and dissipated into the air.

What?

Seeing this scene, Deng Shiqi was shocked.

The Star Flame Sword Art is invincible, but it was blocked by a protective film at this time. If you hadn't seen it with your own eyes, who would have believed it?

"Sect Master Deng!"

At this moment, Prince Aotian raised his hand, grabbed a sword on the ground in his hand, looked at Master Deng and said lightly, "You've exhausted all your housekeeping skills, now it's my turn. Let's do it."

Phew...

Hearing this and feeling the killing intent on Prince Aotian, Deng Shiqi didn't answer, but he couldn't help taking a deep breath in secret.

It's over, the strongest sword trick just now didn't kill him. Now the internal energy consumption is serious, I am afraid that he will not be able to stop his counterattack.

hum!

Seeing that Deng Shiqi did not answer, and Prince Aotian stopped talking nonsense, his figure jumped into the air, and when he raised his hand and waved, he saw a golden sword shadow bursting out of the long sword, coming straight towards Deng Shiqi.

Although it is only a sword shadow, it contains the power of destroying the sky and destroying the earth.

At this moment, Deng Shiqi's face changed greatly. At that time, he didn't have time to think about it, and quickly urged all the internal force in his body to merge into the long sword, trying to block the blow.

Bang!

In the next second, the golden sword shadow slammed into the long sword in Deng Shiqi's hand, and he heard Deng Shiqi's scream, the whole person spurted blood, and was shocked and flew out, flying more than a hundred meters away, and finally collided. On a stone pillar, it slid down softly.

"Pfft..." After landing, Deng Shiqi spat out another mouthful of blood, his face was pale, and the whole person was indescribably weak.

He clearly felt that his heart was completely destroyed, even if he didn't die, he would be useless in this life.

How could this be?

At this time, Deng Shiqi endured the severe pain that came from his body, and looked at Prince Aotian in astonishment, shocked and puzzled.

In just two days, how could this Ren Pingsheng's strength increase so quickly? Two days ago, if we were to fight with all our strength, he and I would not be evenly matched, but now, he can't even catch a single move...

"Sect Master Deng!"

Just when Deng Shiqi was puzzled, Prince Aotian landed slowly, looking at him, unable to hide his cold arrogance: "The victory has been decided, do you have any last words?"
As he

said, Prince Aotian clenched his sword and walked step by step.

The terrifying killing intent permeated the whole world.

Seeing Prince Aotian approaching slowly, that step seemed to be stepping on his heart. At that time, his whole heart was filled with fear, and cold sweat broke out on his forehead.

“Master Ren.”

Soon, Master Deng came to his senses, knelt there, and kept kowtowing to Prince Aotian and begging for mercy: “Please forgive me, my lord, I am sinister and despicable, not a human... I shouldn’t have hurt you before, and I shouldn’t have broken into the Lihuomen to provoke...”

“I promise, I will never dare again, please save my life.” As

he said, Deng Shiqi couldn’t help it. Kowtow, full of pleading, how can there still be a master of a door?

To be honest, Deng Shiqi didn’t want to be so lowly, but there was no way, the opponent’s strength was too strong, as long as he could survive, how could he care about his dignity at this time?

Wow...

Seeing this scene, the surrounding Lihuo Sect disciples, each with grief and anger flashing in their eyes, couldn’t help shouting.

“Sect Master, kill him.”

“This man killed so many of our disciples just now, and he must not be tolerated.”

“Kill him... avenge the dead disciple.”

In the voices of the disciples, Prince Aotian He also arrived in front of Deng Shiqi, with an indifferent smile on his face: “You heard it too, the anger of the people is difficult to calm, and I’m afraid you can’t keep your life.”

Hearing this, Deng Shiqi only felt black in front of him. , Under the huge fear, he was almost speechless: “Sect Master Ren...I...”

However, before he could finish a sentence, Prince Aotian suddenly swung his long sword and swiped it from Deng Shiqi’s neck.

sigh... I

heard a crisp sound, Deng Shiqi's voice stopped abruptly, and the whole head flew directly.

The ultimate husband in Chinese chapter 5401-5410

Chapter 5401

Gululu... The

head flew more than ten meters away, and finally stopped at the feet of Prince Aotian.

For a while, the audience was silent.

Whoa!

After a brief silence, all the Lihuo Sect disciples burst into cheers, each with an indescribable expression of excitement and resentment.

“The sect master is mighty...”

“Congratulations to the sect master for cultivating the supreme magic skill and successfully killing Deng Shiqi.”

“Haha... What three sects, didn't they die in the hands of our sect master in the end?”

While everyone cheered Each and everyone looked at Prince Aotian with admiration. In their hearts, 'Ren Pingsheng' was the most talented head of the Lihuo Clan for thousands of years. To rise up completely on the rivers and lakes.

Under everyone's attention, Prince Aotian smiled.

The next second, Prince Aotian glanced at Deng Shiqi's head lightly, and instructed everyone: “Pick up the head and send it to Beihai Xingsu, then hang the body on the stone pillar of the mountain gate, and tell the people in Beihai Xingsu that they want Deng Shiqi. The corpse is taken according to your ability.”

“Also, spread the incident to Jianghu.”

What happened today was Deng Shiqi who broke into the Lihuomen first and was killed, so it is his own fault, and the truth spread to Jianghu. Above, no one will speak for Beihai Constellation.

But Lihuomen can take the opportunity to jump up.

“Yes, Sect Master.”

This chapter is provided by . Visit for daily update.

Upon hearing the order, all the disciples in the room responded in unison, and the momentum was overwhelming.

.....

On the other side, the continent of Kyushu.

At this time, the night had just come, and the ceremony hall of Xia Yinzong was full of people.

He saw that Wen Chou Chou, Sun Dasheng, Su Qingyan, Xiao Yuruo and the others were all in line.

A few days ago, the Sea Dragon Palace raided the main altar of Tianmen, and Yue Wuya was defeated. He was forced into a corner, jumped off the cliff by the sea, and his whereabouts were unknown.

At that time, when the incident happened suddenly, when Wen Chou Chou and others received the news to support, Yue Wuya had already jumped off the cliff for more than an hour.

But now a few days have passed, and there is no Yue Wuya who has disappeared.

Because of this, Wen Chou Chou, Sun Dasheng and others are extremely anxious and anxious,

alas!

At this moment, Sun Dasheng slammed down his chair and said with a suffocated breath: "The bastards in the Hailong Palace are so cunning, so they went to raid Ya'er while we were away."

"This child has been around since childhood. Fate has twists and turns, if something really happened this time, I don't know how sad Fengzi should be." The

voice fell, and everyone present bowed their heads, each with a heavy heart.

"Okay." A

few seconds later, Wen Chou Chou rubbed his brows and said slowly, "Ya'er is a lucky person, there should be no accident, the place where he jumped off the cliff is not far from Donghai City, and Donghai City is now being attacked by Hailong. The temple is completely under control, I guess, Ya'er deliberately hid in order to avoid being discovered by the Hailong Palace."

After saying this, Wen Chou Chou ordered a disciple outside the door: "Increase the number of people, on the coast near Donghai City. Search, remember, don't be found by the people of the Sea Dragon Palace."

"Yes..."

Upon receiving the order, the disciple complied and hurried to prepare.

At this time, Xiao Yuruo watched the disciple walk away, her delicate face couldn't hide her worry: "Brother Wen, what if we still can't find Ya'er? We can't be passive like this forever.

" Everyone nodded in agreement.

Hu....

Wen Chou Chou took a deep breath and said slowly, "If we still can't find Ya'er within three days, we will start a full-scale war against the Sea Dragon Palace." When he said this, Wen Chou Chou had a complicated face.

Speaking of which, this is the worst plan in Wen Chou Chou's heart. But I couldn't find Yue Wuya's words, and I couldn't watch the Sea Dragon Palace raging everywhere, and I couldn't be indifferent.

"Okay!"

Hearing this decision, Sun Dasheng stood up suddenly, his eyes full of fighting intent: "I have already done this, Mad, the pirates who will be killed by then will be shit..."

... ..on

the other side, Donghae City.

Although it was late at night, the upstairs of Zhanxingxing was brightly lit.

Chapter 5402 In the

hall on the first floor, Gone was half lying there comfortably, on the table in front of him, there were delicacies and fine wines, next to him, Yu Du with a respectful look on his face.

In the open space a few meters away from the table, a few specially selected beauties were dancing there.

These beauties were specially chosen by Yu Du.

A few days ago, after completely destroying the main altar of Tianmen, Gone was in a good mood.

At this time, Gone and Yu Du had a cup of tea and said with a smile: "The last time you attacked the Tianmen main altar, you did a good job. It's a pity that Yue Wuya ran away."

"It's been three days now, Has there been progress in tracking down Yue Wuya?"

His tone was indifferent, but he gave people a breathless coercion.

Gudong.

Hearing the question, Yu Du first drank the wine in the cup, and then quickly stood up with a look of shame: "I am ashamed, I have no news about Yue Wuya yet."

When answering, Yu Du was sweating profusely.

The more contact with Gone, the more Yu Du has a little understanding of this holy king. Don't look at the calm now, once he does something that makes him dissatisfied, he will be punished by thunder.

Queen Moyan, isn't that just an example?

"No?"

Sure enough, upon hearing this, Gone frowned, with a bit of displeasure on his face: "Yu Du, I value you very much, don't let me down."

"Yes, this subordinate understands. Yu Du quickly wiped the cold sweat on his forehead, nodded and said, "This subordinate is going to prepare, and try my best to catch Yue Wuya." The

last word fell, Yu Du quickly walked out of the hall.

Mad!

When he got outside, Yu Du took a deep breath of the cold air at night and felt very depressed. He said that accompanying the king is like accompanying a tiger, and accompanying this holy king is even more terrifying than a fierce tiger.

That Yue Wuya has been missing for three days, where can I find it?

But I have already promised the Holy King just now. If I can't find Yue Wuya's whereabouts, how can I explain it to the Holy King?

For a while, Yu Du felt restless in his heart, and had no clue about finding Yue Wuya's whereabouts.

Um?

Soon, Yu Du saw the entrance of the underground secret passage next to the Xingxing Building, and suddenly thought of something.

With that, Hai Linger is the woman Yue Wuya likes, and she must know where he is hiding.

Thinking of this, Yu Du didn't have time to think about it, and immediately opened the stone gate of the secret passage and walked in quickly.

This underground secret passage was built when the Sea Dragon Palace occupied the Xingxing Building. It was dark and damp inside. After the poison entered, he saw Hai Linger's hands tied with chains and curled up in the corner.

"You..."

Seeing Yu Du coming in at this time, Hai Ling'er's delicate body trembled, her eyes couldn't hide her vigilance: "What are you going to do?"

"Don't be afraid." Yu Du smiled and said slowly: "I You are Yue Wuya's sweetheart, how could I have any thoughts on you?"

Hehe...

Hearing this, Hai Ling'er couldn't help but chuckle: "If you really If you have principles, you should let me go. If it wasn't for me, you wouldn't have been able to know the truth."

At this moment, Huan Ling'er's face was full of anger.

As soon as these words came out, Yu Du's face changed, and he said coldly: "The truth? I hope the truth will never be exposed." If it wasn't for Hai Ling'er telling the truth at the time, the Holy King would not have forced Mo Yan to tell it. Who is the father of the child, and will not be imprisoned in the future.

Thinking of Mo Yan being imprisoned by Gone at this time, Yu Du felt an unnamed fire in his heart.

However, he is very shrewd and is very good at hiding his emotions. After a few seconds, he looked at Hai Linger with a smile and said, "Miss Linger, I came to find you so late, not to discuss this."

“I might as well. Let me tell you, three days ago, our Sea Dragon Palace successfully destroyed the main altar of Tianmen. Your sweetheart, Yue Wuya, was unable to fight, and finally jumped off the cliff by the sea.”

“I have been searching for his whereabouts these days, but it is No progress at all. I hope you can tell me where he might be hiding.”

“If you tell us and help us find Yue Wuya, I will not only reunite you, but also treat each other with courtesy, how about that?”

Chapter 5403

When the last word fell, Yu Du looked at Hai Linger closely, his eyes full of urgency.

What?

However, at this moment, Hai Ling'er's delicate body trembled, her brain buzzed, and her whole body was dumbfounded.

The main altar of Tianmen was destroyed by...?

Moreover, Brother Wu Ya also jumped off the cliff... disappearing?

How could this be?

After more than ten seconds, Hai Ling'er reacted, and her beautiful face couldn't hide the anger: “You shameless people who are chasing the rivers and lakes will not end well.”

“Even if I know Brother Wuya. I won't tell you where it might be hidden.” In

his remarks, his attitude was firm and unquestionable.

Swish!

Hearing this answer, Yu Du frowned and said lightly, “Miss Ling'er, you know the cause of the matter better than I do. If you hadn't kidnapped our young master, would the matter have developed to this point?”

” I am very cherished, even if I capture Yue Wuya, I will not kill him, but will only treat each other with courtesy.”

“By the way, if we find him, you will be able to reunite, why are you so stubborn? Don't you miss him?”

When he said this, Yu Du's face was sincere, but his eyes flashed sly, like a sly fox. In fact, the Sea Dragon Palace would not easily spare Yue Wuya.

call!

Hai Ling'er didn't know that, she knew very well that if Yue Wuya fell into the hands of the Hailong Palace, she would definitely die, she took a deep breath and said without any room for negotiation: "Don't pretend any more, I won't told you."

At the same time as she spoke, Hai Linger couldn't express the worry in her heart.

After Brother Wu Ya jumped off the cliff, there has been no news, so it won't really happen.

Speaking of which, Hai Linger knew that Yue Wuya had several hidden hiding places. Those hiding places were discovered when Yue Wuya traveled around the world, and later told Hai Linger.

In Hai Ling'er's heart, these places are her and Yue Wuya's secrets, how could they say it?

"Okay!"

Seeing her resolute expression, Yu Du's face instantly turned gloomy, and he said coldly, "I have said all my good words, but you are so uncooperative. If that's the case, don't blame me."

"You really think that you don't . With cooperation, I can't lead Yue Wuya to appear?"

While speaking, Yu Du clapped his hands, and the two Sea Dragon Palace elites who were guarding outside quickly walked in.

"Take her to the top floor of Zhaixing Building and tie her in a conspicuous place." Yu Du pondered for a while, and instructed the two disciples: "In addition, put up notices on various important roads throughout Donghai City, three days later, we will be in Zhaixing. Lou executes Hai Ling'er."

"As ordered!" The

two disciples agreed in unison after hearing the order.

"You..."

At this moment, Hailing'er suburban trembled, looking at Yu Du in shock and anger: "What are you going to do?" Seriously, as the princess of the sea shark clan, she is not afraid of death.

But Yu Du's arrangement just now was obviously a premeditated plan.

"Haha..." A

smile appeared on the corner of Yu Du's mouth, and he said unabashedly: "You and I both know that a person like Yue Wuya can't jump off a cliff and die. The reason why there is no news these days must be hidden. Woke up."

"Since you don't cooperate with me, I have no choice but to use you as bait. Killing you is fake, but it is real to lure Yue Wuya out."

"That kid has a deep love for you, and if he learns that you are about to be executed, he will definitely give his life. Come to save you, haha...how about it? Isn't my method very good?" At the

end, Yu Du laughed very proudly.

He is really a genius, he can come up with such a wonderful way.

"You..."

At this moment, Hai Ling'er's delicate body trembled, and she was so angry that she was speechless.

She never thought that Yu Du would be so insidious, and even used her as a bait.

For a time, Hai Linger's mood suddenly became complicated. On the one hand, she really wanted to see Yue Wuya, and on the other hand, she didn't want Yue Wuya to appear.

Confused, Hai Linger kept praying in her heart.

Heaven, you must bless Brother Wuya, don't let him have an accident, it is best to let him see through the tricks of Yu Po...

Chapter 5404

Seeing the change in Hai Linger's expression, Yu Du was too lazy to talk nonsense, raised his hand and waved: "Take it." The

voice fell, and the two disciples took her out directly.

After a while, Hai Ling'er was taken to the top floor of the Xingxing Building and tied to a post.

.....

At this moment, on the sea more than ten miles away from Donghai City, a figure is swimming towards the coast.

His face was pale, and he couldn't hide his tiredness, but there was an unyielding tenacity in his eyes.

It was Yue Wuya.

Three days ago, after Yue Wuya jumped off the cliff, his whole body was swept into the depths of the sea by the turbulent undercurrent. At that time, Yue Wuya was seriously injured and nearly drowned several times, but he finally managed to survive.

It was just that when he surfaced, it was already far, far from the coast.

However, Yue Wuya didn't have the slightest despair. At that time, he swam desperately to the sea with his tenacity. When he was tired, he soaked in the water and rested for a while.

The vast ocean is boundless, it is difficult to find a person, and it is precisely because of this that the members of the Sea Dragon Palace have never found Yue Wuya.

call!

At this moment, Yue Wuya didn't know how long he had been swimming, and when he saw the coast a few miles away, his face was happy, and he let out a long sigh of relief.

Mad, finally came back.

Yue Wuya couldn't hold back his anger when he thought that the main altar of Tianmen was destroyed and all his disciples were killed.

Sea Dragon Palace, wait for my Yue Wuya to recover, I will let you pay your debts with blood.

Um?

After swearing secretly in his heart, Yue Wuya glanced at the environment on the coast and frowned. He clearly saw that a group of people came over from a distance and were carefully searching the shore.

Although they were far away, Yue Wuya could clearly see that these were all members of the Sea Dragon Palace.

Nima!

At this moment, Yue Wuya scolded secretly, you don't need to guess to know that Hailong Palace has not given up searching for his whereabouts these days.

To be honest, at this time, Yue Wuya really wanted to rush up and kill this team of Sea Dragon Palace members, but he was injured too badly before, and his internal strength was completely depleted. After traveling for so long, he was exhausted. Do your best, let alone murder, I'm afraid an ordinary person can't deal with it.

Soon, after weighing the pros and cons, Yue Wuya didn't hesitate, his body sank quickly, and then he quickly dived to the shore.

However, he has been submerged under the water, without the slightest internal strength, and it is easy to be suffocated to death. The only way is to quickly bypass the area where the members of the Sea Dragon Palace are located.

After making up his mind, Yue Wuya moved his hands and feet to speed up his swimming.

After reaching the shore, Yue Wuya did not rush to the surface, but continued to move forward along the coastline.

Um?

Soon, Yue Wuya was farther and farther away from the gang of Hailong Palace members, and when he was about to go ashore, he suddenly discovered that there was a deep hole hidden under the shore in front of him.

The entrance of this cave was completely submerged by the water, so it was difficult for ordinary people to find it, but Yue Wuya was still in the water at this time, so he could see clearly.

I saw that it was dark inside this deep cave, and there was a faint stone road in it, leading to a deeper place.

This...

Is there a mountain gate near this place, how could there be a hidden underground hole? Moreover, and like this, it seems that someone has deliberately built it.

Doubt in his heart, Yue Wuya temporarily forgot his fatigue, immediately took a deep breath, and slowly dived in.

After entering the deep cave, I saw that the stone road was slowly rising, only a dozen meters away, and at the end was a stone room, which was just above the water surface.

Whoa!

Soon, Yue Wuya got out of the water and entered the stone room. He saw that the interior was simple, there was only one stone table, next to the stone table was a shelf made of slate, and there were several jade bottles on the shelf.

Perhaps no one came for a long time, and the entire stone room was covered with a thick layer of dust.

Yue Wuya looked around, and finally his eyes fell on the jade bottles. He vaguely guessed something in his heart. This place should have been an alchemist's retreat before. Later, the alchemist was gone, and no one came to this place.

I just don't know if there are any medicinal pills in this jade bottle.

Chapter 5405 Mumbling

in his heart, Yue Wuya opened the jade bottle and saw some medicinal pills inside, one by one filled with lustrous light, and at the same time a fragrance of medicinal medicinal herbs came to his face.

I'm going, these medicinal pills have not yet expired.

At this moment, Yue Wuya was indescribably excited.

I didn't expect... my luck was not bad. I had a serious loss of internal strength before. I was thinking of finding a place to practice and recover, but I didn't expect that I encountered so many medicinal pills.

It seems that God is still kind to me.

Gudong...

Under the excitement, Yue Wuya poured the medicinal pill into his mouth unceremoniously and took it. Then he sat cross-legged and began to fuse the power of these pills.

After a while, Yue Wuya only felt a warm current rushing up from his dantian, spreading into his limbs and bones, indescribably refreshing.

Haha...

At this moment, Yue Wuya was so excited that he held his breath and began to enter the state of cultivation.

Time passed by minute by minute.

Half an hour later, Yue Wuya slowly opened, only to feel that the tired feeling in his body disappeared, replaced by an incomparably pure power.

call!

At this moment, Yue Wuya took a deep breath and couldn't hide the excitement on his face.

This time, there is finally no need to worry about being discovered by the people of the Sea Dragon Palace.

Thinking to himself, Yue Wuya quickly left the cave, dived back to the coast, and rushed in the direction of Donghai City.

Nima!

When he was about to arrive at the port, he could see from a distance that the entrances of the port were guarded by people from the Sea Dragon Palace. Yue Wuya frowned, resisting the urge to rush in, and hid and observed secretly.

I saw that the members of the Sea Dragon Palace posted announcements in some conspicuous places, and many people around were pointing and pointing.

What is the Hailong Palace doing?

Seeing this situation, Yue Wuya couldn't help muttering in his heart.

It was at this time that a fisherman walked over slowly just after reading the announcement.

"Friend!"

When he was about to pass by, Yue Wuya shouted at the fisherman and asked curiously, "What is written on the notice?"

Yue Wuya drifted in the sea for three days, and his body was dirty. Yes, it can't be seen that it is the Lord of Heaven's Gate at all.

"What else?"

Seeing Yue Wuya's appearance, the fisherman thought he was a vagabond, and said angrily: "These people from the Sea Dragon Palace have controlled Donghai City, they really do all kinds of evil, they have caught a sea shark. Princess, it is said that the execution will be done at the Star Picking Tower in three days."

"Ah, what a sin."

After saying this, the fisherman carefully looked around, making sure that no one from the Sea Dragon Palace heard it, and hurried away.

What?

Hearing this news, Yue Wuya's heart was shocked, and his eyes were instantly bloodshot.

Mad, these bastards from the Sea Dragon Palace are going to execute Linger?

Thinking to himself, Yue Wuya clenched his fists tightly, and he couldn't hide the killing intent all over his body. He hadn't found Hai Linger's whereabouts before, so he guessed that he might be caught by the people from the Sea Dragon Palace. Unexpectedly, after Hailong Palace captured Hai Linger, it would kill her.

No, you must save Linger.

The more Yue Wuya thought about it, the more anxious he wanted to kill him immediately, but he also knew in his heart that people from the Sea Dragon Palace were everywhere in Donghai City, and it was still daytime. will fall into a trap.

After weighing the pros and cons, Yue Wuya chose to wait.

.....

In the evening, Zhaixinglou.

Under the enhanced deployment of Yu Du, on the mountain road leading to the Star-Zhailing Building, there are guard posts every few meters, and around the Star-Zhailing Building, there are hundreds of disciples of the Sea Dragon Palace, constantly patrolling back and forth.

It can be said that the entire Xingxing Building is heavily guarded, and the defense is like an iron wall.

Whoosh!

At this moment, a figure came silently from the back mountain by the night.

It was Yue Wuya.

Seeing the number of people defending the Star Zhai Tower, Yue Wuya took a deep breath, and there was a bit of disdain in his eyes. There are only so many people, nothing to worry about. As long as the residual poison and the person called the Holy King are not there, they will be able to do tonight. Rescue Linger.

Thinking to himself, Yue Wuya didn't rush up to the star-picking building, but covered his face and went directly to a group of patrolling disciples, shouting: "Hailong Palace is wrong, everyone can be punished."

Bang!

When the words fell, Yue Wuya punched the leading disciple, only to hear a dull sound, the disciple couldn't react at all, and was directly sent flying out.

Pu Tong ..

After landing, the disciple's eyes darkened and he passed out. Yue Wuya had no love for battle. After defeating one person, he turned around and ran away. At the same time, he kept shouting

: "Hailong Palace has done many evils, and it will not end well. Sooner or later, he will be punished."

go.

That's right, Yue Wuya was going to play 'Tiaohu Lishan' with one hand. After leading away all the enemies near the Zhaixing Tower, he returned quietly and rescued Hai Linger.

Although he had taken a lot of elixir, his injuries had recovered, and his strength had improved a lot, but after all, Star Zhailou was controlled by the Sea Dragon Palace, and the other party had a large number of people. For the safety of Hai Ling'er, it was better to be cautious.

Whoa...

Seeing this scene, many members of the Sea Dragon Palace were shocked and furious, and they chased after Yue Wuya, shouting loudly while chasing.

"Where did someone who doesn't know whether to live or die come to provoke our Sea Dragon Palace?"

"Stop... surrender obediently, spare you from dying."

"Catch him..." The

angry shouts kept coming, Yue Wuya endured He couldn't

stop laughing: "A bunch of little bastards, if you have the ability to catch Grandpa, don't talk nonsense."

Because it was a strategy to lure the enemy, Yue Wuya estimated that he would slow down the speed, and when the disciples of the Sea Dragon Palace caught up, he suddenly punched two people, knocked down two people, and continued to run into the dense forest.

For a time, the disciples of the Sea Dragon Palace were so angry that they shouted, and the patrolling disciples nearby rushed forward when they saw the situation. In the end, there were thousands of members of the Sea Dragon Palace who joined the pursuit of Yue Wuya.

This chapter is provided by . Visit for daily update.

Seeing this, a smile appeared on Yue Wuya's face.

Haha...

These people from the Sea Dragon Palace are really stupid enough to be provoked so easily.

So many people are almost all the forces guarding the Star Zhailou.

Thinking to himself, Yue Wuya speeded up and led the members of the Sea Dragon Palace behind him into the dense forest, and began to circle in circles.

At this moment, pick the stars upstairs.

Hai Ling'er was tied to a pillar on the top floor, and the night wind was blowing, her delicate and beautiful face was pale, and her delicate body was slightly trembling because of the cold night.

However, Hai Ling'er didn't care about this, her eyes kept looking around the Star Picking Tower.

Brother Wu Ya saw the notice on the street, will he come to save me?

He had been misunderstanding him all the time because of the child, and he must have been very sad...as if he could be by his side now.

But... he had better not come this time, this is Yu Du's conspiracy.

Wow...

I was struggling in my heart when I heard a commotion from below, and then I saw many disciples of the Sea Dragon Palace, chasing a masked man, heading towards the woods to the north.

Is it Wu Ya?

At this moment, Hai Ling'er's delicate body was shocked, and there was some indescribable joy in her heart, but after seeing the masked man fleeing into the dense forest, she couldn't help sighing and realized that she was wrong.

If it was Wu Ya, it would be impossible to be chased and run by a bunch of scumbags.

At this time, Huan Ling'er still didn't know that the masked man was Yue Wuya. At this time, it was only an expedient measure to bring those members of the Sea Dragon Palace into the jungle.

On a hillside a few hundred meters away from the Zhaixing Building, there is a boulder.

In the shadow of the boulder, Yu Du stood there quietly, looking at the situation of the Star Picking Tower.

Hehe...

At this time, I saw a masked man who led many disciples of the Sea Dragon Hall into the woods, Yu Du immediately raised his mouth and said to himself: "This kid Yue Wuya, he looks honest on the surface, but behind his back. He's quite cunning. He actually played 'Tiaohu Lishan', well, then I'll play with you."

Hai Linger's mind is simple, and he can't tell that the masked man is Yue Wuya, but Yu Du has a good plan and can guess it at a glance. , that masked man is Yue Wuya.

After talking to himself, Yu Du asked a subordinate behind him: "Have the staff been arranged?" The

voice fell, and the subordinate quickly said: "Leader Hui Yu, five thousand elites, have been picking stars for a long time. There is an ambush around the building, they won't act rashly without an order."

Um...

Hearing the answer, Yu Du nodded in satisfaction.

Chapter 5407 The

next second, Yu Du looked in the direction of the dense forest and said coldly: "Yue Wuya, do you think you can easily save your woman with this trick of 'adjusting the tiger

away from the mountain'? I'm afraid you would never dream of it, The people who were led away by you were just ordinary members, and the real elites of my Sea Dragon Palace have already set up a net of heaven and earth..."

... the

other side.

After Yue Wuya led the members of the Sea Dragon Palace to the dense forest, they continued to rush to the depths.

The dense forest on the mountain behind Zhaixinglou is very large, stretching for more than ten kilometers in front and back. People who are not familiar with the environment here, plus they enter rashly at night, will soon lose their way.

However, the main altar of Tianmen was set up in Donghai City, and Yue Wuya was the sect master of Tianmen, so he was very familiar with the environment in this area. He was like a cheetah in the dense forest. A few minutes later, Yue Wuya took those Sea Dragon Halls. The group led them to the depths of the jungle, and then found an opportunity to escape.

After getting rid of the members of the Sea Dragon Palace, Yue Wuya did not hesitate at all, and turned his head and rushed towards the Star Picking Tower.

Haha...

As they approached the Star Picking Tower, Yue Wuya showed a smile.

From a distance, I can see that the surroundings of the Star-Zhailing Building are deserted and quiet. The disciples of the Sea Dragon Palace who were originally guarding here have been led to the jungle. The environment of the jungle is complicated, and it is impossible to come back in a short time.

Muttering in his heart, Yue Wuya raised his head and looked towards the top floor of Zhaixing Building. Through the moonlight, he could see a slender figure tied to a pillar on the top floor.

Although it is far away, the temperament of the country and the city is unforgettable.

Who is not Hai Linger?

Whoosh!

Seeing Hai Ling'er, Yue Wuya didn't hesitate, jumped and flew directly to the top floor.

"Ling'er!" The moment he landed on the top floor, Yue

Wuya ripped off the mask on his face, feeling distressed and emotional: "It's all my fault, I made you suffer."

Wu Ya's voice trembled slightly.

He clearly saw that Hai Linger seemed to have lost a lot of weight after not seeing him for a few days, and her pale face was distressing.

"Brother Wuya..."

Suddenly seeing Yue Wuya appear, Hai Ling'er was stunned, her delicate body trembled faintly, she could barely stand still, and her eyes looked at Yue Wuya madly. I thought I was dreaming.

After staring at each other for a few seconds, Hai Linger finally came to her senses and said happily, "Is it really you?"

"It's me..."

Yue Wuya nodded, her nose was sore, she could hardly help crying come out.

It's just that I haven't seen each other for a few days. Ling'er has lost a lot of weight, and I don't know how much she suffered after being captured by the Sea Dragon Palace.

"Wow..."

As soon as she finished speaking, Hai Ling'er couldn't help it, she burst into tears, and choked up: "Brother Wu Ya, I thought I would never see you again, I... I miss you so much. "

It was me who misunderstood you before, and it was all my fault..."

Hai Linger couldn't tell the guilt when she said this. Seeing her like this, Yue Wuya felt even more distressed, shook his head and said, "Fool, how could

I blame you, under those circumstances, anyone would be angry, so don't blame yourself."

He walked over to help her untie the rope, but what he didn't expect was that the rope that bound Hai Ling'er was actually made of special metal and was very tough.

In desperation, Yue Wuya took out his dagger and prepared to cut off the rope.

The moment the dagger fell, a golden sound

was heard, and there was only a white trace left on the rope, which could not be cut at all.

Mad!

Seeing this situation, Yue Wuya suddenly became a little anxious, and at the same time did not forget the safety of Hai Ling'er: "Linger, don't be afraid, I will definitely save you from here."

Seeing him like this, Hai Ling'er couldn't tell how moved she was, but at the same time she suddenly thought of something and stopped: "Brother Wu Ya, this rope is specially made by Yu Po, and ordinary methods can't stop it."

"Also, the Hailong Palace is everywhere . Posting a notice saying that it is fake to deal with me, the purpose is to attract you to show up, this is a trap, Wuya brother, go away and leave me alone." While

saying this, Hai Linger observed the situation around the star-picking building. , the beautiful face is full of anxiety. When I saw Brother Wu Ya, I was only happy and almost forgot about it.

Chapter 5408

Trap?

Hearing this, Yue Wuya was stunned for a moment, and then smiled disdainfully:

"Linger, don't worry, I have already led all the members of the Hailong Palace here to the dense forest in the back mountain.

" , it's just a few stragglers, nothing to worry about."

"Even if this is a trap, Yu Po can't guess that I will be here tonight, and, just now I made such a big move, that Yu Po did not show up, it proves that he I'm not in the Xingxing Building, so this is the best time to save you from leaving."

After saying this, Yue Wuya hugged Hai Ling'er as a sign of comfort, and then continued to try to break the rope.

Phew...

Seeing that he didn't stop, Hai Ling'er bit her lip tightly and was so anxious.

"Haha..."

But at this moment, a loud laughter came from not far away, and then, a figure came quickly, suspended in mid-air, his face full of pride.

It's the aftermath.

Swish!

Seeing Yu Du, Yue Wuya's face changed, it was bad, it seemed that Linger was right, it was really a trap.

It's just... Why didn't he show up when he was making a fuss here just now?

"Tsk tsk..."

Just when Yue Wuya was secretly surprised, Yu Du smiled evilly, and his tone was full of mockery: "It's really a concubine's love, a deep love and righteousness."

"If it wasn't for a different position, I would I'm afraid I'm moved by you."

When he said this, Yu Du's face was full of smiles, but his eyes flashed with endless viciousness.

call.....

Yue Wuya took a deep breath and tried to calm himself down: "Yu Du, have you been around the whole time?"

"Of course!" Yu Du chuckled and said slowly, "Just now when you were covering your face and deliberately making trouble, I would Looking at the mountain opposite, hehe, Yue Wuya, you are very smart, you can even think of using 'Tiaohu Lishan', but unfortunately, you can't fool me at all with this trick."

Hearing this, Yue Wuya's face changed . Change, there is a calculated humiliation. However, seeing that Yu Du was the only one, he didn't panic at the time: "It really is scheming, but I didn't expect that I had tossed around for a while, and it became a joke in your eyes." After

speaking, Yue Wuya turned his head: "However, With you alone, do you think you can take me down?"

Om!

The voice fell, Yue Wuya's inner strength exploded, and a violent breath swept out.

Feeling the power of Yue Wuya's outbreak, Yu Du's face changed slightly. Mad, this kid is really tenacious. He was so seriously injured three days ago, but he has recovered. Moreover, his strength seems to be stronger than before.

Under the shock, Yu Du did not panic at all, smiled and said: "Yue Wuya, you are right, fighting alone, I may not be able to take you down, but don't forget, this place is already under the control of my Sea Dragon Palace."

"Do you really think that you led all my men away just now? Hey, let me tell you, those are just ordinary disciples, the real elites, who have been ambushing around all the time."

Papa...

The last word fell , Yudu clapped his hands.

In an instant, the elites of the Sea Dragon Palace, who were ambushed around the Xingxing Building, rushed out one after another and surrounded the Xingxing Building. These elites were all dressed in black armor, holding long knives, and their imposing manners were soaring.

Ma De...

Seeing this situation, Yue Wuya's face instantly became extremely ugly.

This residual poison is really insidious, and it still has a hand.

At the same time, Huan Ling'er, who was still tied to the pillar, was also trembling, her mind was in chaos, and her heart was panicking.

There are so many elites on the other side, and there are still residual poisons in the town, what should I do?

In anxiety, Huan Linger said to Yue Wuya: "Brother Wuya, the other party has a plan, or else, forget it this time, you hurry up and leave me alone."

"Their purpose is to arrest you, As long as they can't catch you, they won't do anything to me."

She was already very happy to see Yue Wuya, and she couldn't let him take risks.

"No!"

As soon as the words fell, Yue Wuya shook his head with a determined face: "Linger, I won't leave. Today, no matter what, I will save you from leaving."

When Linger left in anger before , Yue Wuya failed to stop her in time, so she fell into the hands of the Sea Dragon Palace. Now that they finally meet again, how can they leave her alone?

Chapter 5409

“Hehe..”

At this moment, Yu Du sneered: “Yue Wuya, give it up, since I dare to use Hai Linger to lure you out, I have enough confidence to take you down.”

Shah!

The last word fell, and all the elites of the Sea Dragon Palace drew out their long knives in unison, their eyes locked on Yue Wuya.

“Stop talking nonsense!” Yue Wuya was too lazy to talk nonsense, raised his hand and waved, the Overlord Hammer shook hands tightly, and a strong fighting spirit permeated his body: “Today, I will not only take Linger away, but also for three days. Revenge of the former Tianmen disciple who died.”

Om!

In the next second, Yue Wuya soared into the sky, raised the Overlord Hammer and burst into a golden beam, heading straight for the crowd in the Sea Dragon Palace.

Boom...

Jin Mang is like thunder and lightning. Dozens of elites from the Sea Dragon Palace only felt that there was a flash in front of them, and they didn't have time to dodge. Can't afford to fall.

Mad!

Seeing this situation, Yu Du's face was gloomy, and he shouted: “All the disciples can line up to kill Yue Wuya, don't panic, he is only one person, no matter how powerful the Overlord Hammer is, it consumes a lot of internal energy. .”

Crash...

Upon hearing the order, the surrounding Sea Dragon Palace elites looked at each other and moved quickly one by one to form a huge trapped formation that surrounded Yue Wuya.

As you can see, this formation is hexagonal, and the elites of the Sea Dragon Palace in the formation cooperate with each other. This formation was seen by Yu Du in an ancient book. Although it is not very mysterious, it is difficult to break through with the advantage of the number of people.

“Brother Wuya.”

Seeing that the other party formed a formation and trapped Yue Wuya, Hai Linger burst into tears, the tears could not stop, and shouted: "You go, go, I beg you, okay? ..."

She knew that Yue Wuya was very strong, but the opponent was so well prepared that he couldn't win at all.

Huh... Hearing Hai Ling'er's cry, Yue Wuya was heartbroken, but he still gritted his teeth and said

, "Linger, I must not leave you, even if I die, I will die together."

, Yue Wuya looked around, and shouted at Yu Du and the elites of the Sea Dragon Palace: "You want my life, come on." When the voice fell, Yue Wuya held the Overlord Hammer tightly and rushed into the crowd. .

Bang bang bang...

At this time, Yue Wuya's eyes were extremely red, and in order to save Hai Ling'er, the whole person fell into madness, and he saw that while the Overlord's hammer was swung, people kept falling down.

Seeing Yue Wuya being so brave, many of the elites of the Sea Dragon Palace were inexplicably terrified.

"Mad, is this kid still human?"

"This is the power of the Overlord's Hammer, isn't it too strong?"

"What are you afraid of? He is alone, let's consume him to death..." In

mid-air, Yu Du With a dignified expression, he looked at each of his subordinates, who kept dying in Yue Wuya's hands, always enduring not to shoot.

In the previous fights with Yue Wuya, Yu Du knew the opponent's power well, and at the same time he knew better that the Overlord Hammer in Yue Wuya's hands was very powerful, but it also consumed a lot of internal energy.

He thought about it, and when Yue Wuya's internal strength was almost exhausted, he would give a fatal blow.

After making up his mind, Yu Du shouted at the elites of the Sea Dragon Palace below: "Maintain a good formation, don't mess up."

The words fell, and the disciples of the Sea Dragon Palace below suppressed their fears and cooperated with each other, always surrounding Yue Wuya in the middle.

Time passed by minute by minute.

The elites of the Sea Dragon Palace, who fell in front of Yue Wuya, were almost piled up into a small mountain, with more than 2,000 people, but they could not break out of the siege of the other party.

Under such circumstances, Yue Wuya's internal strength was almost exhausted.

Lol...

At this moment, an elite from the Sea Dragon Palace attacked from behind and slashed at Yue Wuya's back with a savage slash, and a cracking sound was heard, and blood spurted out in an instant.

"Brother Wuya."

Seeing this scene, Hai Ling'er couldn't help but exclaimed, only to feel that her heart was being pulled hard.

However, Yue Wuya gritted his teeth and did not shout out, holding the Overlord's Hammer tightly, standing proudly, looking around the audience and laughing: "You Sea Dragon Palace, you have only this ability, you will only secretly raid, to fight more and less."

Chapter 5410

Hearing this, the elites of the Sea Dragon Palace present had complex expressions and did not dare to look at Yue Wuya.

After all, what he said was right. Tonight, the Sea Dragon Palace was able to trap Yue Wuya here with the advantage of the number of people.

Hehe...

However, the residual poison in the air was full of disdain, and he chuckled at that time: "The so-called winners and losers, as long as they can get rid of you, do you still care about any means?"

"Aren't you too confident? , will not fall into my trap, so, accept your fate."

Om!

When the voice fell, the inner force of the residual poison erupted, and the whole person swooped down, like a cannonball, bursting towards Yue Wuya.

A few meters away from Yue Wuya, Yu Du suddenly slapped Yue Wuya's heart with a palm, and saw that his entire right palm was blood red, as if it was soaked in blood donation.

At the same time, there was also a strong bloody smell in the surrounding air.

It was the 'Blood Devil's Palm' that Yu Du had recently acquired.

A few months ago, after Yu Du was re-tempered by Gone's bones and blood, the whole person has undergone earth-shaking changes, because the body has the blood of the demon race, but it is not a real demon, it is a half-human and half-demon state.

But Yu Du has a very high talent. With his understanding of the blood of the demons in his body, he has created a blood demon palm by himself in the last half month.

The blood demon palm is extremely fierce, and with the power of the demon clan, it is not something that ordinary practitioners can bear.

"Yue Wuya!"

At this moment, Yu Du's eyes were full of viciousness, and he shouted at Yue Wuya: "Everything is over, go die."

"Don't..."

Seeing this situation, Hai Ling'er let out a sad cry, her voice was extremely hoarse, and her heart was also extremely desperate.

At this time, Huan Linger was very regretful, regretting that she should not have been angry with Yue Wuya at the beginning.

"Hahaha..."

Feeling the power of Yu Du's palm, Yue Wuya's pupils shrank, completely ignoring Hai Ling'er's shout, and just stared at Yu Du's blood-red right palm.

"It's uncertain who will die today." In the

next second, Yue Wuya roared, holding the Overlord's Hammer tightly in both hands, he saw violent forces pouring out of the Overlord's Hammer and flowing into Yue Wuya. Endless body.

Yue Wuya owned the Overlord Hammer when he was a teenager. After several years of comprehension, he was able to flexibly use the power in the Overlord Hammer, but it was not easy to use it.

Because the power in the Overlord Hammer is very powerful, if you are not careful, you will be backlashed.

But at this critical juncture, Yue Wuya couldn't care so much.

hum!

After absorbing the power of the Overlord's Hammer, Yue Wuya instantly changed his previous weakness and sluggishness, and a violent and terrifying force erupted with him as the center.

"What?"

"He.... he can absorb the power from the Overlord's Hammer?"

Seeing this scene, both Yu Du and the Sea Dragon Palace elites present were all shocked.

At this moment, Yue Wuya's eyes were like lightning, and he raised his palm to meet Yu Po.

boom!

The palms of the two collided fiercely, and a deafening roar was heard. The entire surrounding of the Star Picking Building was filled with dust and smoke, and the terrifying aura dissipated and swept away.

"Ah..."

Many of the elites of the Sea Dragon Palace, too late to retreat, were shocked by this powerful aura, and fell into the distance one by one, their life and death unknown.

"Pfft..." At the same time, Yu Du also snorted, vomited blood, and stepped back several dozen steps, and finally slammed into the wall of Zhaixing Building and stopped.

Quiet...

For a while, the audience was dead silent.

Everyone in the entire Xingxing Building froze there, staring blankly at Yue Wuya, as if they had seen a monster.

With such a serious injury, such a terrifying power can still erupt.

The strength of this kid is a bit outrageous.

“Huh...” After a few seconds, Yu Du reacted and looked at Yue Wuya with complex eyes: “Good boy, I can’t tell, you still have trump cards, but after this move, you should be at the end of the game.”

With that said, Yu Du ordered the surrounding Sea Dragon Palace elites: “He has no resistance at all, kill him.” After the

voice

fell, more than a dozen Sea Dragon Palace elites, waving long knives, all moved towards Yue Wu. Ya cut.

Chapter 5411

“Get out of here!”

Looking at the elites of the Sea Dragon Palace who rushed up, Yue Wuya roared and waved the Overlord Hammer vigorously, knocking back several enemies. After this, he was completely exhausted, and the figure Staggered, almost fell.

“Brother Wuya...”

Seeing this scene, Hai Ling'er burst into tears and couldn't help crying out.

“Let's go, Brother Wu Ya, leave me alone, I beg you...” Hai Ling'er's tears were like broken pearls, which could not be stopped at all.

call!

Feeling Hai Linger's grief, Yue Wuya squeezed out a smile, with tenderness and determination in his eyes: “Linger, if I leave today, I won't be your brother Wuya.”

“Today is death, let's We have to die together.”

His voice was weak, but he was imposing.

The voice fell, Yue Wuya endured the severe pain from the wound, slowly walked up the wooden ladder outside the Star Picking Building, and went to the top floor.

He knew that he could not take Hai Linger away with just one person today, but even if he died, he would still be with Hai Linger. When Linger was gone for several days before, Yue Wuya only felt that the whole world It's black, it's hard to find at this time, and it won't leave.

Brother Wuya...

Hai Ling'er's heart trembled, and the scene of acquaintance with Yue Wuya appeared in her mind. Suddenly she was no longer afraid. She held back her tears and said, “Okay, we will die together.”

Huh ...

Seeing this scene, the disciples of the Sea Dragon Palace surrounding them couldn't help but be moved.

This chapter is provided by . Visit for daily update.

Regardless of his position, the Yue Wuya in front of him is really a strong man, willing to risk his own life for the woman he loves, which is really admirable.

“What are you doing?”

At this time, Yu Du was still leaning against the wall and did not slow down. Seeing everyone was stunned, he immediately roared: “Stop him!” With so many elites, they were unable to suppress Yue Wuya. Simply a shame.

“Kill!”

Upon hearing the order, the Sea Dragon Palace elites present burst into roars and charged towards Yue Wuya again.

“Come on...” Yue Wuya let out a long laugh, holding the handrail of the wooden ladder with one hand and waving the Overlord’s Hammer with the other, fighting with the elites of the Sea Dragon Palace who rushed up again.

....

the other side!

Xia Yinzong, in the square in front of the main hall, Wen Chou Chou carried his hands behind his back, looking up at the sky in a trance.

It’s been a day and there is still no news of Yue Wuya, could it be... this child is really dead? If this is the case, how should Feng Zi explain to him when he returns in the future?

“Brother Wen!”

At this moment, Su Qingyan came out of the hall quickly, her beautiful face couldn’t hide the complexity: “Brother Wen, the disciple I sent to Donghai City, the news just came.”

Hearing this, Wen Chou Chou suddenly cheered up: “Is there any news about Ya’er?”

Hu...

Su Qingyan shook her head and said softly: “It’s not Ya’er, it’s Hai Ling’er.”

“Hailong Palace He captured Hai Ling’er, and posted signs all over Donghai City, claiming that she would be executed at the Zhaixing Building in three days.”

Is there such a thing?

Hearing this, Wen Chou Chou's heart was shocked, and his worrying mood became even more anxious.

Seeing that he was silent, Su Qingyan thought about it and said, "I guess, this may be a conspiracy of the Sea Dragon Palace. They want to use Hai Ling'er to lead Ya'er to appear."

"If Ya'er jumped off the cliff and didn't die, When I get the news, I will definitely go to Zhaixinglou to save people regardless of my life. The situation is urgent, we have to make a decision quickly."

When she said this, Su Qingyan's eyes couldn't hide her anxiety.

Su Qingyan used to be the Sect Master of Wenzong. She was not only beautiful and kind, but also talented and intelligent. The moment she got the news, she guessed the intention of the Sea Dragon Palace.

call!

Hearing Su Qingyan's urging, Wen Chou Chou took a deep breath, without any hesitation at the time: "Okay, it's not too late, hurry up and call the Great Sage and the others, gather people to rush to Donghai City, be sure to wait before Ya'er..."

Wen Chou Ugly, resourceful and far-sighted, what Su Qingyan thought of, naturally also thought of it.

Su Qingyan responded and hurried to prepare.

...

On the other side, the star building in Donghai City.

The fierce battle between Yue Wuya and Hailong Hall continued, and the air was full of blood.

Chapter 5412

"Ah..." The screams of

killing, the screams kept resounding above the Xingxing Building, and the blood almost converged into a river.

During the fierce battle, it was seen that Yue Wuya had already reached the top floor, like a bloody man, with wounds all over his body, but he still stubbornly stood in front of Hai Linger to prevent her from being accidentally injured.

Seeing Yue Wuya's appearance, Hai Ling'er was heartbroken, but she held back her tears.

She knew that no matter how hard she cried, it wouldn't help Yue Wuya, but it would distract him.

Whoa!

At this moment, dozens of other elites from the Sea Dragon Palace rushed up the stairs.

Yue Wuya's eyes flickered fiercely, without hesitation, he went up to meet him again. At this time, he had already tried his best, but still insisted on gritting his teeth.

Because...the beloved is behind me, I can't fall down so easily.

Bang Bang Bang...

After a few rounds, the dozens of elites from the Sea Dragon Palace who rushed up were forced to retreat by Yue Wuya's Overlord Hammer, and they rolled down the stairs one by one.

"Haha... I'm happy..." Yue Wuya laughed loudly, then turned to Hai Ling'er and shouted: "Ling'er, it's not a loss even if I die today, I've already killed enough, but it's a pity, In the end, I couldn't protect you."

When he said this, Yue Wuya's eyes were full of unwillingness.

"Brother Wuya..."

Hearing this, Hai Ling'er finally couldn't hold back her tears, and said distressedly, "You're so stupid..."

At the beginning, he obviously could get away, but he had to die. fight to the end.

At the same time, there is an indescribable satisfaction in my heart.

It's worth it if you can't live with Yue Wuya until you grow old and die here today.

Huh...

Yue Wuya was exhausted long ago, and only one breath was left to hold on. At this time, he felt the tenderness in Hai Ling'er's eyes, and his whole body suddenly glowed with endless fighting intent.

"Heaven's Gate is immortal, and the battle is endless." In the

next second, Yue Wuya tried his best, shouted out eight words, and then said coldly to the elites of the Sea Dragon Palace below: "Whoever wants to kill me, come up. "

The Gate of Heaven is immortal, and the battle is endless.

These eight characters are the principles that all the people in Tianmen adhere to when they have experienced countless bloody battles at the beginning of the establishment.

This...

Feeling Yue Wuya's renewed fighting spirit, the elites of the Sea Dragon Palace present were all indescribably shocked.

You've been hurt like this, but you can continue to fight.

Is this the Tianmen of Megatron?

However, at the same time as the shock, the eyes of many of the Sea Dragon Palace's elites also showed a bit of coldness.

The Yue Wuya in front of him is indeed a man who stands above the ground and is admirable, but unfortunately, he provokes the Sea Dragon Palace, and he ends up dying.

"Kill!"

After a few seconds, I don't know who reacted first, shouted, and all of a sudden, everyone around shouted in unison, the momentum was like a rainbow, and the tide was rushing.

Yue Wuya sneered, and clenched the Overlord's Hammer to meet him.

Pfft!

However, in less than two rounds, Yue Wuya couldn't hold it anymore, his body trembled, and finally he fell to one knee on the ground.

Linger... I'm sorry...

I tried my best, really tried my best.

At the same time of despair, Yue Wuya clenched his fists tightly, pinched his nails into the flesh, and blood slowly flowed out.

Not reconciled, really not reconciled.

Wow...

At this moment, countless elites from the Sea Dragon Palace had rushed to the top floor, and they surrounded Yue Wuya and Hai Linger.

“Don’t...”

Seeing this scene, Hai Ling’er burst into tears, shouting at Yu Du below: “Leader Yu Du, don’t kill him, please, you can let me do anything, please don’t. Kill him...”

Originally in Hai Ling’er’s heart, she was ready to die together with Yue Wuya, but her love for Yue Wuya was so deep that at this moment, she really didn’t want to see Yue Wuya Ya was hacked to death in front of him.

Hehe...

After hearing Hai Linger’s plea, Yu Du, who was still meditating and recovering below, suddenly showed a sneer: “Now that you think of cooperation? Don’t you think it’s too late?”

After speaking, Yu Du’s face sank, and he directly ordered: “The two will be executed together, and don’t leave behind trouble.”

Huhuhu... After

hearing the order, many elites from the Sea Dragon Palace immediately raised their long knives and slashed at Yue Wuya and Hai Ling’er without any hesitation.

Chapter 5413

“Ya’er...”

“Ya’er don’t panic, we’re here.”

Seeing Yue Wuya and the two of them about to die tragically under the sword, suddenly, a loud shout came, and the sound shook the sky .

Huh...

suddenly hearing the shouting, everyone who chopped at Yue Wuya stopped subconsciously and looked towards the sky in the distance.

Yue Wuya and Hai Ling’er were also shocked.

Looking from a distance, I saw tens of thousands of people coming from the direction of the back mountain, headed by Wen Chou Chou, Sun Dasheng, and Su Qingyan.

At this time, Dasheng Sun, holding the axe to open the sky, took the lead, like a god coming into the world.

“Ma De!”

When he was about to approach, Sun Dasheng looked around the audience and shouted: “You Sea Dragon Palace are only capable of this, you will only bully the less with more, and I will let you experience the departure of Kaitian Axe later. “

Om...

the moment the voice fell, Sun Dasheng raised his hand and waved, and the opening axe burst into a rush, slashing at the sea dragon hall crowd.

In an instant, a roar sounded, and hundreds of elites from the Sea Dragon Palace didn't have time to react, and they all screamed and fell into a pool of blood.

Hiss...

Seeing this scene, the remaining elites of the Sea Dragon Palace retreated subconsciously, each with an unconcealed fear on their faces.

Is this the power of the Peerless Divine Weapon Kaitian Axe?

so horrible.

Oops...

At the same time, the aftertaste of meditating cross-legged below to recover his inner strength also changed his face.

I thought it would be easy to kill Yue Wuya today, but I didn't expect that at the critical moment, Sun Dasheng and Wen Chou Chou came.

The Holy King has something to go out, and he is not in the Xingxing Building for the time being. I am afraid that I can't stop myself and these elites from the Sea Dragon Palace...

Swish!

At this moment, Sun Dasheng flew up and landed directly in front of Yue Wuya. Seeing his state, Sun Dasheng's eyes instantly turned blood red. I saw that Yue Wuya was covered in stab wounds, and there was almost no intact place.

Even so, Yue Wuya still protected Hai Linger behind him.

In the back, Huan Linger, with both hands and feet tied to the pillars, her beautiful and beautiful face was extremely pale, full of tears, and her whole body was shaky.

Mad, they are still children, these bastards from the Sea Dragon Palace actually tortured them like this.

“Ya’er.” In a fit of anger, Sun Dasheng helped Yue Wuya up and said with great pride, “I’m here with your uncle. How did these people treat you? I want to pay you back tenfold.”

Hearing this Then, Yue Wuya’s nose was sore, and he almost cried: “Uncle Great Sage...”

It’s just that he is too weak, he can’t go on after only a few words, but he is completely at ease, Uncle Great Sage. With Uncle Wen here, he and Linger were saved.

“Ya’er!”

At this moment, Wen Chou Chou, Su Qingyan and the others also quickly flew up to the top floor of the Zhaixing Building and walked towards Yue Wuya.

The next second, seeing Yue Wuya’s appearance, Wen Chou Chou and everyone felt distressed.

However, Wen Chou Chou had a calm temperament, and smiled at the time: “You brat, there has been no news for a few days. Your great uncle and I thought something really happened to you.” As he

spoke, he checked the wound for Yue Wuya.

However, at this time, Yue Wuya, still thinking about Hai Linger, said weakly, “Uncle Wen, the great saint, save Linger quickly, the rope on her body is specially made...”

He loves Hai Linger, In his bones, he never forgot that Hai Linger was still bound.

“Small meaning.”

Sun Dasheng responded when he heard this, and swung the Heaven-opening Axe in his hand with precision, directly breaking the rope on the pillar. The Heaven-Opening Axe is one of the best weapons in the world, and no rope can stop its sharpness.

“Brother Wuya...”

After she was free, Hai Linger cried out in grief, and hugged Yue Wuya in her arms, her heart trembling: “How are you? How are you...”

Yue Wuya Weakly smiled: "Linger, I'm sorry, I was unable to protect you in the end."

"Don't say that."

At this moment, Hai Linger felt her heart was about to break, and tears kept streaming down: "All It's my fault, in the beginning, I shouldn't have been angry with you, and I shouldn't have left you."

Yue Wuya squeezed out a smile, what more to say, but he couldn't hold it any longer. Passed out.

Chapter 5414

"Brother Wu Ya.."

Seeing this situation, Hai Ling'er panicked, and her voice was crying.

Su Qingyan quickly comforted: "Don't panic, he was exhausted and passed out." As he spoke, he gave Yue Wuya a pulse, and at the same time input internal force to help him restore the strength of his dantian.

Hearing Su Qingyan's consolation, Hai Ling'er calmed down, but her beautiful face still couldn't hide her worry.

I kept praying in my heart.

Heaven... I beg you to bless Brother Wu Ya, don't let him have any trouble...

As long as he can recover, let me live a few years less...

At this moment, seeing Yue Wuya pass out, Sun Dasheng's anger broke out completely, and his eyes were blood red.

"Chat Nimad, Yudu, you give me orders. The Huaguoshan disciples obey the orders, kill me, and leave none of them." After a roar, Sun Dasheng clenched his axe and jumped down from the top floor, killing him. Enter the enemy group.

" Brother Qingyan."

At the same time, Wen Chou Chou also drew out his long sword, and the anger in his eyes could not be concealed: "You take care of the two Ya'er."

Immediately, Wen Chou Chou raised his dantian: "The disciple of Changsheng Temple obeys the order and will be executed. Kill all the members of the Sea Dragon Palace at the scene."

Wen Chou Chou was originally very stable, but seeing Yue Wuya injured like this, he was almost dying, where can he restrain the anger in his heart?

“Kill!”

Upon hearing the order, the disciples of Huaguo Mountain and Changsheng Hall, together tens of thousands, erupted in a roar that shook the sky.

“what...”

In the blink of an eye, the fierce battle broke out again, and after hearing a roar and shouting to kill, many people fell, and the entire sky above the Star Zhai Tower was dyed red with blood.

Mad!

Seeing this situation, Yu Du’s face flickered hideously, and without hesitation at that time, he directly released the emergency signal fireworks.

The Sea Dragon Palace occupied Donghai City for nearly a month, and all the elites were here.

Under such circumstances, although the Hall of Longevity and Huaguo Mountain were imposing, many people were injured or killed in the face of the continuous reinforcements from the Sea Dragon Hall.

“Yu Du!”

Seeing that the situation was getting worse and worse, Sun Dasheng howled, holding the Heaven-Opening Axe tightly, his whole being like a cannonball, coming straight towards Yu Du.

Om...

When it was dozens of meters away from Yu Du, Sun Dasheng raised his hand and waved, and a golden beam ripped apart the world and slashed at Yu Du.

The residual poison at this time, the internal strength has not been completely recovered, and feeling the power of Jinmang, there was no hesitation at that time, and quickly urged all the internal strength to deploy a protective film in front of him.

boom!

In the blink of an eye, Jin Mang draped himself on the protective film, hearing Yu Du groan, the protective film shattered instantly, and the whole person also staggered back, retreating more than ten meters, and finally fell to the ground.

"If you have a last word, hurry up and say it." Sun Dasheng hovered proudly in the air and looked at Yu Du condescendingly: "Otherwise, there will be no chance."

Haha...

Feeling Sun Dasheng's forcing momentum, Yu Du wiped the blood from the corner of his mouth and laughed loudly: "Sun Dasheng, you are also relying on the power of the axe to kill me, but you don't have that ability." The

voice was not loud, but it was extremely arrogant.

He wasn't talking big words. A few months ago, after being tempered by Gone, he possessed the blood of the demon race in his body, and he was not so easily killed.

"Looking for death!"

Sun Dasheng's face was full of disdain. At that time, there was no nonsense at all. With a strong wave, he heard a scream that shocked the world and came out from the opening axe. Then, a golden beam ripped apart the world and headed towards Yu Po. burst out.

Yu Du had already been severely injured when he fought against Dasheng Sun just now. At this time, facing Dasheng Sun's strongest blow, he had absolutely no resistance. Phew

... Seeing the golden light getting closer and closer, Yu Du took a deep breath, even though he had demon blood in his body, he was still uneasy.

After all, that's the opening axe.

hum!

Seeing that Jin Mang was about to hit Yu Po, suddenly, there was a wave of power fluctuations in the sky not far away, followed by a blood-colored light that cut through the sky.

The next second, the blood-colored light and the golden light collided, the two forces canceled each other out, and a roar erupted.

Swish!

In an instant, everyone present turned their heads to look.

Sun Dasheng frowned and shouted angrily, "Who is that?"

Chapter 5415 Angrily

shouting, Sun Dasheng looked back subconsciously and was stunned.

I saw a figure, quietly suspended there, dressed in a black robe, with a stern expression, no mood swings could be seen, and an unfathomable aura pervaded the whole body.

It was Gogne.

A day ago, Gogne returned to Dragon King Island to do some business. He just came back at this time, just in time for Sun Dasheng to kill Yu Du. At that time, he did not hesitate to block the strongest blow for Yu Du.

“Your Highness!”

Yu Du’s face was overjoyed when he saw Gogne, and he was indescribably excited and excited.

At the same time, the disciples of the Sea Dragon Palace present were all very excited and shouted in unison.

“Your Highness.”

“Very good, Your Highness is back.”

Compared with the excitement of the people in the Sea Dragon Palace, Wen Chou Chou, Sun Dasheng and the others secretly frowned, and their faces became solemn.

broken!

This person is back, and I am afraid there will be a fierce battle later.

In the past two months, Sun Dasheng, Wen Chou Chou and Gogne have played against each other no less than three times. They know how powerful this person is. Especially a month ago, if Zhu Bajie and Zhu Rong hadn’t arrived in time, Sun Dasheng and Wen Chou Chou might not have escaped. robbery.

“Brother Qingyan...”

After a few seconds, Wen Chouchou reacted and said quickly to Su Qingyan: “You must take Ya’er and Miss Ling’er to go first, hurry up.”

No matter what the situation is, you must To ensure the safety of Yue Wuya and Hai Linger.

Um!

Su Qingyan responded, without hesitation, she greeted a few people around her, and led Yue Wuya and the two to quickly return to the Zhaixing Building.

To be honest, Su Qingyan didn't want to leave like this, but she knew in her heart that Wen Chou Chou's arrangement must have his reasons.

"Let's go?"

Seeing this scene, Gone's mouth curled into a sneer, raised his hand lightly, and hit Su Qingyan with a palm. The two of them were originally far away, but in the blink of an eye, Gone was in front of him.

This speed...

Seeing Gone's ghostly speed, Su Qingyan's pretty face changed. At that time, she subconsciously urged her inner strength to meet her with a palm, but it was still half a beat.

boom!

This palm directly sent Su Qingyan flying out, flying more than 100 meters away. After landing, a mouthful of blood spurted out and fainted.

"Brother and sister..."

Seeing this scene, whether it was Wen Chou Chou or Sun Dasheng, they were all shocked and angry.

At this time, Gone turned around, and his eyes slowly swept over the Wen Chou Chou crowd: "You are all Yue Feng's closest relatives. It's good to bring them to your door now."

Because Mo Yan and Yue Feng have children, this incident made Gone angry, but Mo Yan was his capable subordinate, and he couldn't bear to execute it, so he blamed everything on Yue Feng.

And these people in front of them are all relatives of Yue Feng, so naturally they can't let it go.

"Holy shit, Nima, I want your life." As

soon as he finished speaking, Sun Dasheng roared furiously, clenched the sky-opening axe tightly, and slashed towards Gone.

He and Yue Fengqing are siblings, and Su Qingyan and Yue Wuya are both Yue Feng's family members. How can they bear it when they see that Su Qingyan's life and death are unknown at this time?

hum!

Under the swing of the opening axe, the dazzling golden light ripped apart the world and came towards Gone.

However, Gogne was full of disdain.

In the next second, Gone raised his hand and waved, and an invisible barrier condensed in front of him. At the moment, he heard a huge shock. The protective barrier of the five elements was still there, but Jin Mang collapsed between heaven and earth.

Hiss...

Seeing this scene, everyone present couldn't help gasping for air and was stunned.

The power of the opening axe, which has the power to open up the world, was blocked by him so easily.

Is that human being?

Especially Wen Chou Chou and Sun Dasheng looked extremely solemn.

This person's strength... seems to be much stronger than a month ago.

Moreover,... this power is getting more and more evil, obviously not something that the human world can have.

"You..."

Under the shock, Wen Chou Chou took a deep breath and looked closely at Gone: "Who are you? What is your relationship with the Demon Race?" Gogne is no ordinary human being.

Gonie smiled slightly, his face unable to hide the arrogance: "Anyway, you are all about to die, so it's okay to tell you."

The ultimate husband in Chinese chapter 5416-5420

Chapter 5416 In the

last sentence, Gone's tone was indifferent, but when everyone present heard it, they all felt that there was a thunder in their ears.

Demon Supreme?

Wen Chou Chou, Sun Dasheng and the others all had solemn expressions and deep fear in their eyes.

Especially Wen Chou Chou was even more shocked inside.

No wonder... No wonder when I saw this person for the first time, I felt that there was something wrong with him. He was originally a rich young master in Donghai City, how could he suddenly possess such terrifying power?

Moreover, after the first few fights, Wen Chou Chou clearly felt that the opponent possessed incomparably evil and powerful demon power.

But I never thought that the other party turned out to be the Supreme God of the Demon Race....

But... I heard from Fengzi before that the Supreme God of the Demon Race died with the Nine Heavens God in the previous battle between gods and demons. Why? Suddenly, he appeared as a young master from a rich family in Donghai City?

Huh....

Just when Wen Chou Chou was in shock, Yu Du, who was not far away, also stared blankly at Gone in the air. His heart was so shocked that he was speechless for a long time.

Your Majesty... is the Supreme Being of the Demon Race?

Speaking of which, the first time he saw Gone's strength, Yu Du knew that the other party had an extraordinary origin. After that, Gone trained him in his cultivation, and Yu Du further believed that Gone and Mo Yan were both at the level of Demon Kings. Why? I didn't expect it to be so big.

For a while, Yu Du's mind was buzzing and it was blank.

Demon Supreme.

This is an existence that can compete with the gods and even the Emperor of Heaven. With him, wouldn't the Sea Dragon Palace want to dominate the Kyushu Continent?

Thinking of this, Yu Du's eyes were extremely hot, and an indescribable excitement rose in his heart.

"It turned out to be you..."

Finally, Wen Chou Chou calmed down and looked at Gone with complicated eyes: "I should have guessed it a long time ago, how could a young master from the Liu family have such terrifying strength?"

"It seems that you took away his body and was reborn by rebirth."

The matter of rebirth by rebirth is just a rumor in the arena, because this kind of thing sounds very weird and absurd, but Wen Chou Chou died that year. Once, and later became the messenger of Hades, so I know a little about this.

"Haha..."

Hearing Wen Chou Chou guessing, Gone nodded approvingly: "As expected of a famous think tank in the world of the earth, you have guessed it."

"Yes, I borrowed Liu Hao. My body is reborn, but what if you know the truth? Today, none of you want to leave alive, the grievances between my Demon Race and Yue Feng, start with you..."

Om!

When the voice fell, Gone's whole body flashed red, and a terrifying aura locked Wen Chou Chou.

Feeling the terrifying pressure, Wen Chou Chou's face changed, and in the end, he gritted his teeth, and his long sword drew a panic and rushed directly to Gone.

Wen Chou Chou knew very well that with his own strength, it was impossible to resist Gone. But in the current situation, there is no way out at all. Instead of flinching, it is better to let go.

"Brother Wen, I'm here to help you."

Seeing this situation, Sun Dasheng howled, waving his axe, and charged towards Gone.

hum!

The brothers were one after the other, and the internal force that erupted distorted the sky, with amazing power.

However, Gone sneered, with a hint of contempt at the corner of his mouth: "However, two ants, dare to be presumptuous in front of the deity?" The voice fell, the power of the demon soul within the body was urged, and two blood-colored rays of light erupted, welcoming the two ugly and ugly people. people.

Bang Bang...

The bloody light was as fast as lightning, and in the blink of an eye, it collided with Wen Chou Chou and heard two vibrations. Both brothers groaned and quickly fell to the ground.

Dengdengdeng...

After landing, Wen Chou Chou stepped back a few dozen steps before he stabilized his figure. His face was extremely pale. In the past two years, Wen Chou Chou has devoted himself to cultivation, and his strength has reached the pinnacle. It can be easily dealt with, but unfortunately, in front of him is the Supreme Being of the Demon Race.

"Pfft..."

At the same time, after Dasheng Sun landed, he also quickly retreated, and finally hit the wall of Zhaixinglou, spewing a mouthful of blood, and the opening axe in his hand almost couldn't hold it and let it go.

Chapter 5417

"Wen Chou Chou, Sun Dasheng..."

At this moment, Gone stood proudly suspended in mid-air, staring at Wen Chou Chou closely: "There is no enmity between you and this deity, but who made you Yue Yue Feng's sworn brother."

"After killing you today, the deity will find Yue Feng as soon as possible and send him down to reunite with you." As the

voice fell, Gogne's whole body filled with energy and quickly approached the brothers.

Gudong...

The terrifying aura pervaded the world, Wen Chou Chou and Sun Dasheng looked at each other, feeling a little jealous and nervous in each other's hearts.

To be honest, the three brothers have experienced countless calamities and encountered countless powerful enemies since they set foot in the arena, but facing Gone at this time, they feel a sense of frustration.

After all, the strengths of the two sides are so different that they are not on the same level at all.

Phew...

At the same time, the surrounding Changsheng Hall, Huaguo Mountain, and even the disciples of Xia Yinzong secretly sweated for Wen Chou Chou.

The other party is the Supreme Being of the Demon Race.

Even if the brothers have the axe, I'm afraid they won't be able to stop them.

"Remains of the demon race, don't be mad."

However, at this critical juncture, an angry shout came from the sky not far away. The sound was thunderous and contained great power.

At this moment, Wen Chou Chou's heart trembled, and hope flashed in his eyes.

Looking at the sound, I saw a golden figure coming from the sky. These figures were wearing uniform golden helmets and gold armor, each holding a long spear, and their bodies were filled with powerful divine power.

It was a divine soldier dispatched by God's Domain to the Kyushu Continent.

A year ago, the Heavenly Emperor had not yet been elected in the Divine Realm. At that time, the Haotian God monarch was in power, and he personally led the gods and soldiers to enter the Kyushu Continent, intending to eradicate all forces related to Yue Feng. With the members of the Ouyang family, they entered the Xia Yin Sect to avoid disaster.

Later, when Prince Aolin succeeded to the throne of Heavenly Emperor, the power of Haotian Divine Monarch decreased sharply.

After that, these gods and soldiers did not recall the gods, but set up a diligent watch in the Kyushu mainland to monitor the strength and order of all parties in the Kyushu rivers and lakes.

At this moment, I saw four burly figures in front of these divine soldiers and generals, wearing purple-gold armor and surrounded by lightning.

It is the Four Profound Handle God Generals.

The four mysterious generals were originally four brothers. From the eldest to the fourth, they were Lei Xingyu, Lei Xingtian, Lei Xingshou and Lei Xinghai. The four brothers

started out as guards outside the gate of Yutian Palace. Later, in the battle with the demons, they were conferred the title of Xuangang generals by the Nine Heavens God.

A month ago, after Prince Aolin succeeded the throne of the Emperor of Heaven, he sent the four brothers to Kyushu to take charge of the diligent Tianjian.

In the past month, the four brothers have worked diligently to reorganize the military discipline of Qintianjian, and ordered that they should not interfere with the disputes in the Kyushu rivers and lakes at will, but at the same time, they are also paying close attention to the situation of all parties.

Especially the battle between Hailong Palace and Tianmen, Qin Tianjian has been watching secretly, and pays close attention to Gonie, although Gonie looks like Liu Hao, a wealthy disciple of Donghai City, but the powerful demon power contained in him makes Qin Tianjian not want to. It's hard to pay attention.

Half a day ago, when they learned that a fierce battle broke out between Hailong Hall and Wen Chou Chou, the Four Great Profound Handle Gods did not hesitate at that time, and immediately came with the subordinates of Qin Tianjian.

Swish!

At this moment, seeing the Four Great Profound Handle Divine Generals, Gone frowned secretly, and his eyes flashed a bit cold.

It's these four dogs!

To others, the four mysterious gods will be the gods above, but in Gone's heart, these four brothers were just the watchdogs of the nine gods at first. Didn't pay attention at all.

Wow...

But compared to Gone's disdain, Wen Chou Chou, Sun Dasheng, and even everyone present were shocked when they saw the golden light in the sky in front of them.

This... Divine Soldier and General of Diligent Tianjian?

Shocked, Wen Chou Chou and Sun Dasheng looked at each other, each inexplicably excited.

Great, I was worrying about how to deal with this supreme being of the Demon Race. At the critical moment, the Divine Soldier of Diligent Tianjian is coming.

"Remaining evil!"

At this moment, the four Profound Handle God Generals came to the front, and the leader, Lei Xingyu, fixed his eyes on Gone: "Sign up and die."

Chapter 5418

When speaking, Lei Xingyu couldn't hide the excitement on his face.

Since the complete collapse of the Demon Race, there have been many rumors in the Divine Realm that there are still some remnants of the Demon Race still alive, but the whereabouts of these Demon Race remnants have not been found for a long time.

At this time, feeling the power of the demon soul pervading Gone, Lei Xingyu knew that his chance to make a contribution had come.

As long as you catch the remnants of the demon clan in front of you, your Majesty will definitely reward them with great rewards. Maybe the four brothers will no longer need to stay in the Kyushu Continent, and can return to the God's Domain to increase their ranks.

At this time, in Lei Xingyu's heart, he completely regarded Gone as a fish that slipped through the net of the Demon Race, completely unaware that the other party was the Supreme Being of the Demon Race.

Hehe...

At this moment, Gone showed a disdainful smile, and said contemptuously at Lei Xingyu: "Just a lackey, how dare you be presumptuous in front of the deity?" After

saying that, Gone squinted slightly: "Just right, This deity wants to reshape the demon body, and I always owe some heat, and today I will use your divine power to temper my demon body."

Swish!

Feeling Gone's arrogance, whether it was Lei Xingyu or the three brothers beside him, his expression changed and he was furious.

This demon clan remnant is so mad, his four brothers, as the dignified Heavenly Gang gods, who are in charge of diligent Tianjian, can also be regarded as overlords of a party. In his mouth, they have become lackeys?

"Looking for death!"

In anger, the third Lei Xingshou shouted angrily: "I'm just a remnant of the demon clan, who dares to speak madly. Today, I will tell you that you will never be born again."
When the

voice fell, Lei Xingshou raised his right hand , clutching a mace, and charged directly towards Gone.

“Don’t be impulsive, the third child, don’t rush to kill him first.”

“Yes, we’d better capture these remnants alive and hand them over to His Majesty to receive the reward.”

At this moment, the three Lei Xingyu shouted, rushing up to surround Gone.

“Haha..”

Seeing the confident expressions of the four brothers, Gone gave a contemptuous smile: “With your strength, do you want to arrest me? It’s a shameless statement.” The voice went downstairs, Gone mobilized the power of the demon soul, terrifying The breath swept out.

In an instant, the main piece of sky above Zhaixinglou was stagnant.

A terrifying aura pervaded the heavens and the earth.

This...

In an instant, the four brothers Lei Xingyu frowned secretly, shocked inside.

Just a remnant of the demon race, how could he possess such terrifying power.

“Be careful...”

Just when the four brothers of Lei Xingyu were secretly shocked, Wen Chou Chou couldn’t help shouting: “He is the supreme god of the demon race, he was reborn with the help of Liu Hao’s body, don’t underestimate the enemy. ...” To

be honest, Wen Chou Chou didn’t have any good feelings for these divine soldiers and gods. At the beginning, Yue Feng helped the gods to deal with the demons, but the gods have always regarded Yue Feng as a thorn in their eyes, and they also targeted the Ouyang family and persecuted the Ouyang family. , had to hide in Xia Yinzong.

If Wen Chou Chou saw the situation in front of him three months ago, he would naturally be happy to see it.

But now the situation is different. Gone is cruel by nature. If he is allowed to control the overall situation, not only will everyone present at the scene be doomed, but the entire Kyushu will experience an unprecedented catastrophe.

What?

The moment the words fell, the four Lei Xingyu brothers were all shocked.

He... he is the Supreme Goni of the Demon Race?

In the Divine Realm War a year ago, didn't he die together with His Majesty the Nine Heavens God? It has been resurrected again...

No wonder the breath that permeates the body is so strong.

call!

Shocked, the boss Lei Xingyu took a deep breath and shouted: "The second, the third, the fourth, form a formation." When the

voice fell, the three brothers around him responded in unison, and immediately moved the figure, and the sub-stations were in the direction of east, west, north and south. , surrounds Goni in the middle.

Seeing this situation, Goni's face did not fluctuate at all, and said coldly: "With a single formation, you want to trap the deity? Are you four dogs too naive?"

"The power of the soul exploded, and in mid-air, it fought fiercely with the four Profound Handle God Generals.

At the beginning, Goni was full of self-confidence, but gradually his face became solemn. He clearly felt that the formation in front of him, although there were only four people, was ever-changing.

Chapter

5419 In less than ten minutes, Goni tried many times, but was still unable to break out of the formation.

If Yue Feng was present at this time, he would definitely nod his approval to the four Profound Handle God Generals. Because this formation was exactly the four-symbol demon-fighting formation that was passed down when Prince Aolin was taught in God's Domain.

After Prince Aolin became the Emperor of Heaven, he often studied this formation, and later dispatched the four great generals of the Profound Handle to be in charge of the Tianjian, and he passed this formation to the four brothers. to help them cope with emergencies.

To be honest, if Goni was in his peak state, a mere four-image demon-fighting formation would not be able to trap him at all, but he hadn't fully trained his demon body, so he couldn't forcefully break through the formation.

Haha...

Seeing this scene, Wen Chou Chou was extremely excited, looked around the audience and shouted: "The Hall of Longevity, the disciples of Huaguo Mountain can launch a counterattack against the Sea Dragon Hall if they obey the order.

"Will be trapped, it is a good time to counterattack.

"Kill..."

Hearing the order, the Huaguo Mountain, the disciples of the Hall of Longevity, and even the disciples of the Xia Yinzong, who were present, shouted loudly, and rushed towards the crowd in the Sea Dragon Hall.

The members of the Sea Dragon Palace were all focused on the fierce battle in mid-air, and they were suddenly caught off guard by the counterattacks of the three sects.

"Ah..."

Almost in the blink of an eye, hundreds of members of the Sea Dragon Palace fell into a pool of blood.

A few minutes ago, with his powerful strength, Gogne shocked the audience. The morale of the people in the Sea Dragon Palace was high, and they almost controlled the situation. Now Gogne is trapped by the formation, which has caused the morale of the people in the Sea Dragon Palace to plummet.

Under such circumstances, in the face of the counterattacks of Wen Chou Chou and the crowd, the formation of the Sea Dragon Palace collapsed, and it was difficult to restore the situation.

Mad!

Seeing that many members of the Sea Dragon Palace fell in a pool of blood, Yu Du clenched his fists tightly and his face was extremely cold.

How could this be?

In anger, Yu Du looked at Gogne in mid-air, and saw that he only focused on breaking the formation, ignoring the life and death of the members of the Sea Dragon Palace below.

It can't go on like this. He is the supreme being of the demon race. Even if he loses, he won't die for the time being, but the following people will all die.

"Yu Du, die!"

Just when Yu Du was secretly anxious, Sun Dasheng roared, waving the axe to open the sky and rushed forward.

Yu Du's complexion changed, and he did not hesitate at that time, mobilized all his inner strength, and fought fiercely with Sun Dasheng. However, although his strength was strong, he could not stop the power of Kaitian Axe.

boom!

In less than two rounds, the residual poison was shaken back by an axe, his face was pale, and a mouthful of blood spurted out.

"Your master can't protect himself, no one can save you this time." Sun Dasheng roared with fighting intent all over his body.

Looking at the axe of Sun Dasheng, Yu Du's eyes couldn't hide the panic, and he completely lost his determination to continue the fight. He took out a packet of powder from his arms and threw it directly at Sun Dasheng.

Huhuhu...

In an instant, the powder formed a blue mist in the air, and the mist stained the grass on the ground, which instantly withered and turned yellow. Obviously, the powder was highly toxic.

Seeing this scene, Sun Dasheng quickly dodged and avoided.

Whoosh!

Taking this opportunity, Yu Du didn't hesitate, turned around and ran towards the seaside. By the time Yue Wuya reacted, he had disappeared.

Yu Du acted decisively, and when he saw that the situation was over, he decided to flee. As for Gone, he was not worried, after all, he was the supreme being of the Demon Race and had enough self-protection ability.

Ma De...

Seeing Yu Po's escape, Sun Dasheng's axe smashed to the ground. He thought that he could get rid of this scourge for Jianghu today, but he didn't arrive first. This Yu Po was so cunning, he even carried a highly poisonous with him.

Cursing inwardly, Sun Dasheng turned around and rushed into the enemy group, and continued to fight fiercely.

.....

Yu Du rushed all the way down the mountain, increasing the speed to the extreme, watching behind him while running.

call!

When approaching the beach, seeing that there were no chasing soldiers behind him, Yu Du breathed a sigh of relief, then turned around and quickly rushed towards the port.

The ships in the Sea Dragon Palace were all docked at the port. Not only that, but one of the ships was also imprisoning Mo Yan at this time.

Chapter 5420

A few days ago, under the pressure of Gone, Mo Yan had to admit that he and Yue Feng had a child. At that time, Gone was furious, but he was reluctant to execute Mo Yan, and finally put Mo Yan on the boat.

And taking care of Mo Yan's affairs was handed over to Yu Du.

At this time, Yu Du arrived at the port and saw that the people guarding the ship were all there, and he felt fortunate in his heart.

Fortunately, several sects in the Hall of Longevity put their troops in the Star-Zhailing Building, and did not pay attention to this side.

Muttering in his heart, Yu Du quickened his pace and boarded one of the big boats.

"Leader Yu."

Seeing Yu Du's appearance, the elites of the Sea Dragon Palace guarding the boat quickly shouted respectfully. At the same time, one by one looked complicated.

Because they clearly saw that Yu Du was stained with blood, and his face was extremely weak, and he was obviously injured.

"Boss Yu." After saying hello, a disciple walked over quickly, supported Yu Du, and asked cautiously, "Are you alright? Zhaixinglou...is it...something happened?"

"They were not very far from Zhaixing Tower. They could hear the thunderous shouts and fights clearly on the boat. They wanted to check it out at the time, but their duty kept them from disembarking.

Yu Du didn't answer directly, and asked solemnly, "How's the Queen doing?" The situation

upstairs in Zhaixing is over, and now he only cares about Mo Yan's safety.

Seeing that he avoided the key points, the disciple realized that the situation was not good, and immediately responded: "The Queen has not left the cabin for the past two days."

Hmm!

Yu Du nodded and said without further ado, "Pass my order, all ships can return to Dragon King Island, be quick."

Gone was trapped by the formation of the four Profound Handle Gods, and he didn't know how long it would last. Once Gone was caught, the gods and soldiers of Diligent Tianjian would definitely wipe out the people in the Sea Dragon Hall in the entire Donghai City.

Therefore, before the battle in the Star Picking Tower is over, you must take Mo Yan and the men who are wearing them to flee quickly. After returning to Dragon King Island, make plans.

"But..."

Hearing the order, the disciple hesitated for a moment, wondering: "But... Your Excellency passed down the password before, let us stand by here, and there is still a fierce battle upstairs in Zhaixing, if we leave Now, isn't it inappropriate?"

At this moment, Yu Du's face was gloomy and he scolded: "What? Are you questioning me?"

Yu Du's eyes showed a cold glow when he spoke.

Gudong!

Seeing Yu Du's anger, the disciple's heart trembled, and he quickly said, "My subordinates don't dare, my subordinates will do it now." After speaking, he hurriedly went to summon the people from the port.

After a while, all the ships docked at the port raised their sails and headed towards the Dragon King Island.

When the ship started sailing, Yu Du washed the blood on his face, changed his clothes, and walked slowly into the cabin where Mo Yan was being held.

Ugh!

The moment he entered the cabin, Yu Du couldn't help sighing when he saw the scene in front of him.

He saw that Mo Yan was sitting there quietly, with a haggard expression, completely lost the demeanor that dominated the strength of many pirates in the past. At this moment, she is a weak woman who misses her flesh and blood.

“Yu Du?” At this moment, Mo Yan saw Yu Du and was stunned for a moment: “Why are you here? Also, how did the boat go?”

He looked weak, obviously injured.

“Queen.”

Yu Du gave a wry smile and said slowly, “Today, Yue Wuya and the Ouyang family were supposed to be wiped out. Who knew that the sudden change would happen, and the Divine Realm’s Diligence Mirror came, and the four leading gods formed a formation. Trapped Zun Shang...”

“I... I saw that the situation was not good, so I escaped from the Zhaixing Building and rushed back. Divine Soldiers and Generals of Diligent Tianjian are no trivial matter, so I let the people below. , start the ship, and temporarily return to Dragon King Island...”

What?

Knowing these circumstances, Mo Yan’s delicate body trembled, and she felt that the world was spinning and she almost fainted.

Zun Shang... Zun Shang is trapped in the Zhanxinglou?

The child was not found, and even Gone was in danger. What should I do?

Seeing Moyan’s unsteady standing and about to fall to the ground, Yu Du has a quick eye and grabs Moyan’s waist: “Queen, don’t be in a hurry, let’s go back to Dragon King Island first, and then act according to chance.”

The ultimate husband in Chinese chapter 5421-5430

Chapter 5421

At this time, Mo Yan's mind was in chaos, and he subconsciously shook his head and said: "No, you are in danger, I can't return to Dragon King Island..."

Phew!

Hearing this, Yu Du had a complicated face: "But if we go back now, we can't change the situation. At this time, Zhaixinglou is not only the gods and soldiers who are diligent in Tianjian, but also Huaguo Mountain, the Hall of Longevity, and A person from the Xia Yinzong." As he

spoke, Yu Du looked at Mo Yan who was close at hand, with that beautiful face, he couldn't help himself for a while: "Queen, don't worry, I will follow you and protect you forever..." "The

last one fell, Yu Du hugged Mo Yan tightly and kissed him slowly.

At this moment, Yu Po's whole heart was shaking.

You know, Moyan is not only his queen, but also the woman he respects and loves the most in his life.

The moment Yu Du first saw Mo Yan, she was deeply attracted by her. This woman not only has a beautiful appearance, but also has a strong strength. It's just that Mo Yan is too strong, so Yu Du's love has always been deeply buried in her heart.

Later, when he learned that Moyan was one of the top ten demon kings of the Demon Race, Yu Du didn't dare to have any unreasonable thoughts in his heart. However, since Gone came to the Sea Dragon Palace, Moyan handed over his power and status. The situation is getting worse, especially in recent days, she has been detained in the cabin, which makes Yu Du realize that this queen who has always been strong in appearance is also a weak woman.

Just now, when Yu Du was hugging Mo Yan's waist, he felt the fragrance coming, and the love that was suppressed deep in his heart could no longer be restrained.

Although Mo Yan and Yue Feng had children, he didn't care.

In Yu Du's heart, as long as Mo Yan is willing to accept herself, even if she goes up the mountain of knives or the sea of fire, she will not frown.

"you..."

At this moment, when she saw Yu Du kissing her, Mo Yan's body was shaken. Her originally chaotic brain suddenly came to her senses. She was so ashamed and angry at the time, she struggled to break free from Yu Du's embrace, and at the same time she shouted, "You are bold!

" !

Under the tender drink, Mo Yan slapped over and slapped Yu Du's face fiercely, only to hear a crisp sound, Yu Du also calmed down, and his face was extremely embarrassing.

What happened to yourself just now? To blaspheme the queen...

However, it is not pure desire, but true love.

Thinking to himself, Yu Du hurriedly took a step back and said in panic, "The Queen forgives... subordinate... subordinate did not intend to offend, but seeing that the queen was in a bad state just now, I couldn't help it for a while..."

"Subordinate. .. This subordinate really likes the Queen..."

Just before he could finish speaking, Mo Yan interrupted: "Shut up... Yu Du, you are so daring, I'm not mean to you, you actually intend to blaspheme this seat. "

Don't forget your own identity. You are just a pirate chief. Without me, you are still living a wandering life overseas with your subordinates."

When he said this, Mo Jing's face was full of expressions. anger.

It was enough to upset her that Gone was trapped in Zhaixinglou, but at this time, her most powerful subordinate was conspiring against her, and no one could bear it.

Hu....

Feeling Mo Yan's anger, Yu Du's face is very ashamed, but he still took a deep breath and said seriously: "Queen, calm down, I know that I am a little delusional, and I am not worthy of the Queen."

"But... You really need a man to take care of you in your current situation, as long as the Queen says a word, I will die."

Having said that, Yu Du's eyes were complicated, and he continued: "Also, didn't the queen find out that after you and Yue Feng had a child, your honor no longer believed

you, and he didn't kill you now because he was still thinking about the past. No one can say for sure."

"I don't think it's a bad thing that he's trapped in Zhaixinglou now. We can just return to Dragon King Island to recharge our batteries and wait for him. The gods and soldiers of Heqin Tianjian will lose both, let's come out and clean up the mess."

"In my eyes, there is only the queen, and I would rather be the man behind you and help you ascend to the supreme seat of the Demon Race."

At this moment, the more Yu Du said, the more excited he became, and he said all the words that were in his heart.

Chapter 5422

However, Mo Yan's personality is arrogant, where would she listen?

When You Qi heard that he mentioned Yue Feng, his anger grew even more. Had it not been tainted by Yue Feng and had a child, this would not have been the case.

"Shut up..."

Mo Yan became angrier the more she thought about it, and said coldly at Yu Du, "How about my affairs, it's not your turn to intervene, you go away, I don't want to see you in the future.

" Mo Yan's face was cold.

Huh....

At this moment, Yu Du's heart trembled, as if he was hit by a sledgehammer: "Queen... are you going to drive me away?" Forgive me, but I didn't expect that Mo Yan would be so hard-hearted.

Mo Yan said coldly: "Your actions just now, this seat should have killed you, but in the past year, you have done a lot for me, so I will spare your life."

"Go away. , don't force me to change my mind."

Seriously, Yu Po has a strong ability, and every time he explains things, he can do it well, even exceeding expectations, but thinking of the scene just now, Mo Yan really can't stand it.

Dengdeng...

Feeling Mo Yan's indifference, Yu Du staggered back a few steps, feeling unspeakably uncomfortable and reluctant.

After more than ten seconds, Yu Du clenched his fists and said bitterly: "Thank you Queen for not killing me, I'm leaving, Queen... take care." After

speaking, Yu Du walked out of the cabin in despair.

Every step he took, his heart sank a little, how much he hoped that Mo Yan would be able to hold him back.

However, Mo Yan didn't even look at him, her beautiful face did not show any expression, like an iceberg that has not melted in ten thousand years.

"Someone!"

Mo Yan shouted out of the cabin as soon as she left.

As soon as the words fell, a disciple of the Sea Dragon Palace walked in quickly and respectfully said: "Queen."

Mo Yan didn't say any nonsense, and ordered: "Notify all ships, turn around and return to Donghai City immediately." Your honor is the entire Demon Race. hope that nothing will happen to him.

This...

Hearing the order, the disciple was stunned for a moment, and then hesitantly said: "Now turn around and go back? But the leader Yu said before..." But before the words were finished, Mo Yan's face suddenly turned cold: "Don't mention the remaining poison, from now on, he has been expelled from the Sea Dragon Palace, and the order must be executed immediately without error."

What?

At this moment, the disciple was stunned for a moment, then seeing Mo Yan's cold face, he quickly nodded and said, "Yes..." After saying that, he hurried out of the cabin.

After a few minutes, all the ships turned their heads and headed towards Donghai City.

.....

On the other side, Lagerstroemia Continent.

In less than a day, the news of Deng Shiqi's tragic death in Lihuomen spread throughout the rivers and lakes, and all the sects were shocked.

And when Deng Shiqi's head was sent to Beihai Xingju, the entire Beihai Xingju was infuriated. Immediately, several elders gathered all the elite disciples to attack Lihuomen to avenge Deng Shiqi.

However, Prince Aotian was already prepared, and ordered the disciples of Lihuo Sect to ambush and set up formations at various important passages near the main altar. At that time, the people of Beihai Xingsu were surrounded as soon as they entered the main altar of Lihuomen.

In this fierce battle, Beihai Constellation suffered heavy casualties. Tens of thousands of elite disciples managed to escape in the end, but only a few thousand.

At this time, in the main hall of Lihuomen main altar.

Prince Aotian sat on the throne with a happy smile on his face, his eyes flashing with light, unable to hide the strong ambition in his heart.

Defeating Beihai Constellation is only the first step. Next, he must lead the entire Lihuo Sect to stand on the top of the rivers and lakes and become the first sect in the martial arts.

When the entire river and lake are in hand, you can choose the right person at will, integrate the essence, and reshape the primordial spirit.

"Pass my order."

At this time, Prince Aotian was excited and instructed the dozen or so hall masters below: "Call the disciples immediately and follow me to capture the mysterious realm." In the

mysterious realm, the heaven and earth are full of spiritual energy, which is the most suitable Cultivating and rebuilding the primordial spirit, such a good place, naturally must be controlled by oneself.

"Yes, Sect Master."

Upon hearing the order, more than a dozen hall masters responded in unison, and then quickly went to prepare.

Chapter 5423

After ten minutes, tens of thousands of Lihuo Sect disciples, led by Prince Aotian, headed for the mysterious realm of heaven.

.....

On the other side, the main altar of Tianhaimen.

In the head room, Yang Ye was sitting cross-legged, meditating and meditating.

“Sect Master!”

At this moment, the Great Elder Li Qinghai walked in sweating profusely, and said with a complicated expression: “No, something happened to Beihai Xingsu... After Deng Shiqi was killed, Beihai Xingsu turned to Lihuo. The door launched an attack, intending to avenge Deng Shiqi, but the casualties were serious.”

“Just now, the elders of Beihai Xingsu sent a rescue letter, hoping that we can help

Tianhaimen...” When he said this, Li Qinghai’s face was extremely complicated. . You must know that half a month ago, Lihuomen and Beihai Xingsu were still a nominal alliance. At that time, they went to Chunyang Palace to force Yue Feng to hand over the secrets of Tianji Palace. In the blink of an eye, he became an undead enemy.

Especially that Ren Pingsheng, who acted too viciously, actually cut off Deng Shiqi’s head...

huh...

Knowing the situation, Yang Ye frowned and said puzzled: “Strange, that Ren Pingsheng of Lihuomen , I had no name on the rivers and lakes, why did it suddenly become so powerful? Not only did he kill Deng Shiqi, but he also led his disciples to defeat Beihai

Xingsu...” As soon as he finished speaking, Li Qinghai responded: “The head has What I don’t know is that I have been in contact with that Ren Pingsheng for a few days. This person is deep in the city, and he is good at hiding himself, and has great ambitions.”

“If this Ren Pingsheng is allowed to act recklessly, I am afraid that the entire river and lake will not be peaceful. I think, we still send people to help Beihai Xingsu, after all, we are allies of life and death.”

Hmm...

Yang Ye nodded thoughtfully: “Okay, call the disciples immediately and go to Beihai Xingsu.”

“Yes, the Sect Leader.”

.....

Not only Tianhaimen, but Chunyang Palace also received Beihai Xingsu's request for help.

After receiving the request for help, the palace lord immediately called everyone to discuss in the main hall.

At this time, in the main hall of Chunyang Palace.

The palace lord sat on the throne, his eyes looked around, and he said softly: "North Sea Star wants to avenge Deng Sect Master, and as a result, countless casualties and serious damage to Lihuo Sect's main altar."

"Now they hope that we can send someone Going to support, what do you think?"

When speaking, the palace lord's beautiful face showed a bit of complexity, you must know that half a month ago, Beihai Xingsu and Tianhaimen disregarded their alliance and forced Chunyang Palace to make friends. Out of Yuefeng.

At that time, if it wasn't for the Sword Saint Baili Cexuan who came forward to shock everyone, I would have dared not imagine the consequences.

"Haha..."

As soon as he finished speaking, Taoist Qianqiu who was standing by the side couldn't help but sneer and said loudly, "Palace Master, I don't think there is anything to discuss about this matter.

"Friendship, together with other sects, rushed to the main altar of our Chunyang Palace, wanting us to hand over Pavilion Master Yue, how could they still regard us as an alliance at that time for their own interests?"

"And now, when something happened to them in Beihai Xingsu, they thought of it. Let's go, it's ridiculous. In my opinion, the grievances between the North Sea Stars and Lihuomen are their own business, and we don't need to intervene."

When he said this, Taoist Qianqiu was very angry.

Wow...

the voice fell, and many people around nodded in agreement.

"The Taoist priest is right. The stars in the North Sea are not benevolent and unjust. We don't need to take the risk to help them .

"

When everyone said this, the palace lord bit his lip lightly and hesitated.

“Everyone!”

After a few seconds, the palace lord said in a complicated tone: “Although Beihai Xingsu’s previous actions are indeed a bit disgusting, but our three major sects have been allied for nearly a hundred years. At this time, they are encountering an unprecedented catastrophe, and we stand idly by. I’m afraid it will make the fellows in the rivers and lakes ridicule, saying that our Chunyang Palace is ruthless and unrighteous.” After speaking

, the palace master slowly stood up: “In this way, I will personally bring some disciples to Beihai Xingsu, do you want to do your best to help them? Let’s see the situation first.”
The

Palace Master was kind-hearted, and in order to take care of the overall situation, he let go of the unpleasantness with Beihai Xingsu before.

Chapter 5424

This...

Seeing the palace lord pay attention, Daoist Qianqiu and everyone looked at each other, and finally nodded in agreement.

...

On the other side, the mysterious realm of heaven.

I saw that at the entrance of the secret realm, there were many disciples of the three major sects. On the roads on both sides, patrolling disciples were constantly patrolling back and forth. It can be said that the guards were heavily guarded.

Rumbling...

At this moment, there was a sudden sound of vibration not far away, and there were many people listening to the sound.

“Huh? What’s going on?”

Hearing the voice, the three sect disciples guarding the entrance looked over vigilantly. Seeing this, my heart suddenly trembled, and I was all stupid.

I saw that in the woods below, a cloud of dust filled the air, and tens of thousands of figures came quickly, each with a long knife, murderous aura.

It is the elite disciple of Lihuomen.

“People from Lihuo Sect?”

“Oops, they want to seize the Heavenly Mysterious Realm...”

Seeing this scene, the three main disciples present panicked, and a fear rose from the bottom of their hearts.

You know, news came from Jianghu half a day ago that Lihuomen repelled Beihai Xingsu’s revenge, killing tens of thousands of Beihai Xingsu at that time, blood flowed into rivers, and it was very tragic.

In particular, Ren Pingsheng, the head of Lihuo Sect, was even more ruthless.

However, they did not expect that the Lihuo Sect would be so rampant that after defeating the North Sea Stars, they would attack the Heavenly Mysterious Realm.

“Everyone gather, hurry up...”

“Collect...”

Under the shock, many disciples of the three major sects shouted loudly. In an instant, when they heard the shouts, the disciples patrolling around came one after another and gathered at the entrance.

During this time, the person in charge of the mysterious realm of the sky was Xu Heng.

Xu Heng, the head of the Tianhaimen branch, is powerful and capable. Hearing the movement, he rushed over quickly.

Mad!

At this moment, seeing the tens of thousands of Lihuo Sect elites in front of him, Xu Heng was sweating profusely, then turned his head and shouted at the people behind him, “Quick, you guys, hurry up and ask the general altar for help.

” At these words, several disciples nodded and left quickly.

hum!

It was at this time that tens of thousands of Lihuo Sect disciples arrived near the entrance, and saw a burly figure soaring into the sky, hovering above the entrance with a proud expression.

It is Prince Aotian.

Of course, the identity and appearance of Prince Aotian at this time was still Ren Pingsheng, the head of Lihuo Sect.

At this moment, Prince Aotian first took a deep look at the entrance to the secret realm, his eyes couldn't hide his excitement, this time he came to the human world, everything was really smooth, and after occupying this place, he could practice with peace of mind.

Thinking to himself, Prince Aotian's eyes fell on Xu Heng, and his tone was extremely cold and arrogant: "You are the person in charge here?"

"Not bad!" Xu Heng took a deep breath, resisted his inner panic, and nodded in response.

"Limited to half a stick of incense, and all of you will be evacuated, otherwise, you will die." Prince Aotian didn't talk nonsense at all, and the cold words spread over the entire entrance.

Hearing this, the three sect disciples present were all shocked and angry.

Madd...

At the same time, Xu Heng's face became gloomy, he flew to the sky, looked at Prince Aotian and said, "Ren Pingsheng, this is the place of our three major sects, you Lihuo Sect want to grab it hard, have you thought about the consequences?"

"The three major sects?"

Hearing this, Prince Aotian looked disdainful and said coldly: "It seems that you haven't figured out the situation yet, the last person who talked to me like this was Deng Shiqi, and he was already dead. Now, do you want to end up like him?"

When he spoke, Prince Aotian's inner strength was urged, and a suffocating sense of oppression erupted.

Gudong!

Feeling this powerful breath, Xu Heng couldn't help swallowing his saliva, and then he said with courage: "Without the orders of the three major sects, I will not take people away."

He knew that with his own strength, it was not at all. The opponent's opponent, but the responsibility lies, if he flees in fear of the battle, how can he stand on the rivers and lakes in the future?

"Okay, very good."

Prince Aotian sneered: "Since you are courting death, then I will fulfill you." The voice fell, his right hand suddenly lifted, and in an instant, a golden beam shot out, coming straight towards Xu Heng .

Jin Mang ripped apart the world and arrived in front of him in the blink of an eye.

Chapter 5425

This speed....

Seeing the Jinmang erupting, Xu Heng was shocked. At that time, he wanted to dodge, but it was too late.

The next second, Xu Heng was hit by Jin Mang and let out a scream. The whole person was shocked and flew out, flying dozens of meters away, and finally smashed on the rock at the entrance of the secret realm, spurring a few mouthfuls of blood. Dying out of breath.

Hiss....

Seeing this scene, the three disciples of the three sects present couldn't help taking a breath of cold air. The whole secret realm was deadly silent.

The strength of this Lihuo Sect leader is so powerful? He actually killed Xu Heng with one move...

"The head is mighty."

At this moment, tens of thousands of Lihuo Sect disciples shouted in unison, each with an excited expression.

Prince Aotian looked arrogant and did not look at Xu Heng's corpse. He said loudly: "Everyone obeys the order and immediately captures the mysterious realm of the sky. If there is resistance, shoot them

.

" The Lihuo Sect disciple let out a howl and rushed up like a tidal wave.

.....

North Sea constellations.

After the request for help, the Palace Master of Chunyang Palace and the head of Tianhaimen rushed over for the first time.

At this time, in the main hall of Beihai Constellation General Altar. The palace lord and Yang Ye sat on the VIP seats, accompanied by a few elders of the North Sea Stars, each with a sad expression on their faces.

“Palace Master, Sect Master Wu, you must uphold justice and take revenge for my Beihai constellation.”

“Yes, my family Sect Master died so tragically, this feud is undefeated, and I swear not to be human.”

Hearing these accusations, the palace lord and Yang Ye looked at each other with extremely solemn expressions on each other’s faces.

“Everyone!” Yang Ye was the first to react, and said with a heavy face: “I am also very saddened by the misfortunes of the head of Deng. I mourn

the elders, don’t worry, I will definitely advance and retreat with you at Tianhaimen.”

Falling down, the palace lord also said softly: “Killing one’s life is a matter of course. That Ren Pingsheng is so ruthless and cruel, he will definitely not end well. My Chunyang Palace will definitely stand on your side

.

” The door stated that the elders of the North Sea Constellation were all relieved, and all of them showed gratitude.

“It’s not good, it’s not good...”

At this moment, a disciple ran in sweating profusely, looking flustered, and shouted: “It’s not good... something happened to the mysterious realm.”

What? ?

Hearing this, the expressions of everyone present changed.

Immediately, Yang Ye was the first to react and asked the disciple, “Don’t panic, what’s going on?”

The disciple panted and said, “An hour ago, Ren Pingsheng led tens of thousands of disciples from the Lihuo Clan to capture the Heavenly Mysterious Realm, none of the disciples we guarded there survived, all died in battle.”

Wow!

In an instant, the entire hall was in an uproar, and everyone was terrified.

“Bang!” Yang Ye slapped his chair fiercely, his eyes couldn’t hide his anger: “This Ren has become more and more arrogant in his life, and he dares to occupy the Heavenly Mysterious Realm. It’s really too long to live.” In the

Heavenly Mysterious Realm, not only are there Many treasures are filled with spiritual energy. The three major sects have always attached great importance to them. At this time, they are occupied by Lihuomen. How can they not be angry?

At the same time, the palace lord’s delicate face could not hide the anger: “It’s not too late, we can prepare the manpower to regain the mysterious realm of the sky, and also take this opportunity to seek justice for the head of Deng.”

“Okay! “

After a while, the tens of thousands of disciples from Tianhaimen and Chunyang Palace quickly resolved the situation and quickly headed towards the Heavenly Mysterious Realm.

Ten minutes later, everyone arrived at the entrance of Tianmen Secret Realm.

From a distance, I saw tens of thousands of Lihuo Sect disciples guarding the entrance like iron barrels, and in the open space in front of the entrance, Prince Aotian sat on a chair with a relaxed expression.

Obviously, Prince Aotian was not in a hurry to enter the secret realm, just waiting for reinforcements from the three major sects here.

Swish!

At this moment, seeing the princess with outstanding appearance, Prince Aotian was stunned for a moment, and couldn’t help but secretly praised in his heart.

Unexpectedly, there are such beautiful women in the human world, and they are not inferior to those fairies in the realm of the gods.

“Tsk tsk...”

Under the admiration in his heart, Prince Aotian first glanced at the palace lord, then glanced at Yang Ye, and a smile appeared on the corner of his mouth: “The heads of Chunyang Palace and Tianhaimen are here, look. Come to my face is not small.”

The ultimate husband in Chinese chapter 5426-5430

Speaking, Prince Aotian looked at the palace lord unscrupulously, and smiled: "I often hear that the palace lord of Chunyang Palace looks like a fairy, like a fairy coming down to earth. When I see it today, it really lives up to its reputation."

Although it is a compliment, But the tone was full of frivolity. Feeling Prince Aotian's gaze, the Palace Master was very displeased, but he held back and said softly, "Ren Pingsheng, stop it... Being hostile to the three major sects, have you thought about the consequences?"

At that time, in the heart of the palace master, he didn't feel that Ren Pingsheng was a big threat at all. After all, the other party was just the head of Lihuomen, and Lihuomen was only a second-rate sect in the rivers and lakes.

As for the opponent's ability to kill Deng Shiqi before, it may be luck.

At this time, the princess still didn't know that the real Ren Pingsheng was dead, hehe...

Hearing the words of the palace master, Prince Aotian chuckled lightly.

Wow...

At this moment, several elders of Beihai Xingsu on the side couldn't bear it any longer, and they all attacked Ren Pingsheng.

"Ren Pingsheng, you killed my head, and now you dare to occupy the mysterious realm of the sky. Today, you will die without a place to be buried

.

“

Under the anger of the elders, Yang Ye also had a gloomy face, took a step forward, and said coldly to Prince Aotian: "Ren Pingsheng, you first kill Deng Shiqi, the head of Beihai Xingsu, and now you lead the disciples to occupy my three major sects. The mysterious realm of the sky is simply beyond your own power."

"If you are a little wiser, then surrender obediently and capture it without your hands, otherwise, your Lihuo Sect will be gone after today."

This chapter is provided by . Visit for daily update.

When saying this, Yang Ye looked cold and arrogant.

Like the Palace Master, Ren Pingsheng was never in his heart.

“Haha...”

Hearing these words, Prince Aotian seemed to hear Tianda’s joke, and couldn’t help laughing up to the sky: “You are the head of Tianhaimen, right, your tone is not small.”

“I Killing Deng Shiqi, that’s what he should be damned, he took advantage of my Lihuo Sect to hold a sacrificial ceremony, disguised himself as a provocation, hurting countless disciples, so sinister and despicable, this kind of person is not a pity to die.”

Speaking of this, Prince Aotian’s face It became gloomy: “As for this mysterious realm, it was originally a place for the envoys of the gods to retreat, but after the destruction of the Heavenly Secret Palace a thousand years ago, it became a land without owners. After that, it was occupied by your three major sects for hundreds of years. “

In other words, this secret realm is not the place of your three major sects at all. What’s wrong with me occupying Lihuomen now? Moreover, I will tell you now, from this moment on, my Lihuomen is the mysterious realm of this day. The owner of the house, other people, etc. trespass without authorization, and kill them.” The

voice was not loud, but it spread throughout the audience, with unparalleled domineering.

“Kill to kill!”

“Kill to kill..” When the

last word fell, all the disciples of Lihuo Sect also shouted loudly, and the momentum was shocking.

At this moment, the expressions of these Lihuomen disciples were extremely excited. For so many years, Lihuomen had endured humiliation in order to carry forward and become one of the best sects in the world. At this time, this wish was finally coming true. How could I not be excited? ?

Swish!

Seeing this situation, whether it was Yang Ye, the palace master, or the people from the three major sects, they were all shocked and angry.

Crazy, this Ren Pingsheng is really crazy.

A few seconds later, Yang Yeqiang suppressed his anger and looked at Prince Aotian coldly: “So, your Lihuo Sect is determined to fight against our three major sects?” The

three major sects have dominated the rivers and lakes for so many years, those The second-rate sect, which one didn't look at the faces of the three major sects and speak, and Ren Pingsheng in front of him was actually arrogant.

“Good Ren Pingsheng.”

At this moment, Li Qinghai, who had been standing behind him, finally couldn't bear it anymore, and rushed out with a loud shout: “I haven't seen you for a few days, but I want to learn from you, what strength do you have with my three major sects? The door is right.”

Om!

When the last word fell, Li Qing pulled out his long sword from an altitude and drew a shock in the air, coming directly to Prince Aotian.

Speaking of which, Li Qinghai once played against Ren Pingsheng in the underground town of Tianji Palace.

Chapter 5427

At that time, in order to better explore the underground towns, various sects negotiated to elect a temporary alliance leader. Li Qinghai overwhelmed the heroes at that time and was about to become the alliance leader, but in the last game, he lost to Ren Pingsheng.

Although he was defeated, Li Qinghai was always unconvinced, thinking that Ren Pingsheng was just a fluke. At this time, with all-out efforts, it is not necessarily who wins and who loses.

However, Li Qinghai at this time did not realize that the person in front of him was not Ren Pingsheng at all, and his strength was unfathomable and completely beyond imagination.

“Looking for death!”

Seeing Li Qinghai burst out, Prince Aotian sneered: “A clown jumping on the beam, how dare you be presumptuous in front of me?”

Om!

When the voice fell, a terrifying aura erupted from Prince Aotian, and then, a dazzling ray of light condensed from his right hand, tearing apart the world and coming straight towards Li Qinghai.

What?

Feeling the power contained in that light, Li Qinghai's expression changed.

what happened? It's only been a few short days that he hasn't seen him, and this Ren's life's strength seems to have more than doubled from before.

Under the shock, the light had already arrived in front of him. At that time, Li Qinghai didn't have time to think about it, and urged all the forces to resist.

Boom...

The next second, I saw two forces colliding in mid-air, and there was a roar, and Li Qinghai groaned, and the whole person was shocked and flew out.

"Pfft..." After flying dozens of meters away, Li Qinghai spat out a mouthful of blood and passed out.

This...

Seeing this scene, the three major sects and others present widened their eyes and were shocked.

one move? Just one move knocked Elder Li unconscious. This Ren Pingsheng's strength is too strong.

Especially Yang Ye, his eyes were fixed on Ren Pingsheng, full of incredible writing.

You must know that Li Qinghai is the great elder of Tianhaimen, and he has reached the pinnacle of profound skills. Even if he makes his own shots, he may not be able to defeat him within ten moves.

And Ren Pingsheng in front of him actually used a trick by himself.

quiet!

At this moment, the entire entrance to the secret realm was deadly silent, and a needle could be heard clearly.

Looking at the expressions of everyone, Prince Aotian's eyes were full of contempt, he looked around, and said coldly to Yang Ye and the others: "If anyone is not convinced, come up, if you dare not make

a move, then get out." Arrogant words.

Mad!

Hearing this, both Yang Ye and the palace master were furious. This Ren Pingsheng was too arrogant. If he was not defeated today, I am afraid that there will be no peace in the future.

“Arrogant...” Under the anger, Yang Ye’s inner strength exploded, heading straight for Prince Aotian.

I saw that wherever Yang Ye’s figure passed, the sky was distorted, and the momentum was amazing. You must know that in the past few years, Yang Ye, in order to retreat and practice, has handed over the big and small affairs of Tianhaimen to the elder Li Qinghai. Reason, several years of retreat, Yang Ye’s strength has reached the peak of the realm.

“Sect Master Yang, I’m here to help you.”

At the same time, the palace lord also shouted, his figure rose up, and the long sword hummed, stabbing towards Prince Aotian.

Just now, Prince Aotian defeated Li Qinghai with one move, and the palace master could see that the opponent’s strength was unfathomable, and Yang Ye alone was not an opponent at all.

“Come on together? It’s good.” The

palace lord and Yang Ye shot at the same time, Prince Aotian did not panic at all, a contemptuous smile evoked the corner of his mouth, urging energy to attack.

In the blink of an eye, the three of them fought fiercely in mid-air.

“All allies, kill!”

Seeing the leader’s move, the disciples of the three major sects burst into a howl, raised their long knives, and rushed towards the disciples of Lihuo Sect.

In their hearts, the three major sects have an advantage in numbers, and this battle will be won without losing.

However, they were wrong. Prince Aotian dared to wait here. Naturally, he had already deployed his defense.

Wow...

At this moment, seeing the disciples of the three major sects rushing up, the disciples of the Lihuo Sect who were present were all extremely calm, turning their figures one by one, arranging formations to meet the enemy.

Bang Bang Bang...

In the blink of an eye, the two disciples collided and began to fight fiercely. I saw that people on both sides kept falling, and the ground was red with blood.

Chapter 5428

At the entrance of the entire sky mysterious realm, the bloody atmosphere is filled, like hell.

At this time, in mid-air.

I saw Prince Aotian, Yang Ye, and the palace master, the three figures were constantly intertwined, and the surrounding air was completely torn apart when the breath burst.

The palace master and Yang Ye cooperated very well, but what they didn't expect was that several killing moves were easily blocked by the 'Ren Pingsheng' in front of them.

Bang bang...

At this time, Prince Aotian raised his hand, shook the palace master away, and said with a wicked smile: "I really don't want to kill such a beautiful woman, so let's go, you Chunyang Palace will surrender to me in the future. Lihuomen, I will give you a way to survive."

After speaking, he glanced at Yang Ye indifferently: "It's the same with your Tianhaimen."

Huh...

Hearing this, the palace lord's pretty face froze, and he clenched his teeth tightly. He pursed his lips and responded coldly: "Submit to you Lihuomen? It's just wishful thinking."

The moment the words fell, Yang Ye also roared: "Ren Pingsheng, today next year will be your death.

" Punishment for drinking."

Seeing the attitude of the two, Prince Aotian's eyes froze, he raised his hand and waved, bursting out with a palm force, heading towards Yang Ye.

Feeling the power of this palm, Yang Ye was taken aback, and without any hesitation, he quickly raised his long sword to resist.

clang!

In the next second, the palm force and the long sword collided, and a vibration was heard, and the long sword shattered instantly. Then Yang Ye groaned, and a mouthful of blood spurted out, and the whole person was shocked and flew out.

Pfft!

After flying dozens of meters away, Yang Ye smashed to the ground heavily, his face extremely pale.

At this moment, Yang Ye stared at Prince Aotian in mid-air, his eyes full of shock. This person's strength is a bit outrageous. In my memory, Lihuomen's strongest technique, Holy Fire Mingzun, was placed on the rivers and lakes. Not the most powerful technique. How could the strength of this 'Ren Pingsheng' be so terrifying?

Yang Ye clearly felt that his heart was damaged by the shock, and his internal organs seemed to be displaced. There was a burst of severe pain, and he was about to faint.

Phew...

At the same time, the palace lord in mid-air saw Yang Ye being defeated, and his beautiful face was full of shock.

At the same time, there was an unprecedented panic in my heart.

The strength of this 'Ren Pingsheng' is beyond imagination. It seems that everyone was still a little underestimated before. Yang Ye was already injured, so he was alone, not an opponent.

"Palace Master."

Just when the Palace Master was secretly shocked, Prince Aotian smiled wickedly: "If you don't want to end up like Sect Master Yang, just give up, you are not my opponent."

"Submit to our Lihuo Sect, Your Chunyang Palace has nothing to lose. On the contrary, after I Lihuomen dominate the rivers and lakes, your Chunyang Palace will also rise."

When he spoke, Prince Aotian looked arrogant and confident in controlling the overall situation.

"You are delusional..." The palace lord bit his lip and spit out a few words coldly.

Hehe...

Seeing her refusal to accept the softness, Prince Aotian sneered: "Very good, since you are given the opportunity to not, then don't blame me." The voice fell, and the whole body burst out and quickly came to the palace master.

“Palace Master, let’s help you.”

“Come on together!”

Seeing this situation, the elites of Chunyang Palace who were fighting fiercely below, as well as several Beihai Xingju elders, rushed up with a shout.

Everyone erupted together, and the breath formed distorted that piece of air.

“Go away!”

However, Prince Aotian didn’t pay attention to these people at all, he scolded coldly, raised his hand and waved, a terrifying force swept out.

The people who rushed up were shocked and flew out one by one without reacting to what was going on.

After shaking the crowd, Prince Aotian locked his eyes on the Palace Master and burst out again.

The palace lord bit his lip tightly, and there was no way to retreat. He could only hold the long sword tightly and meet Prince Aotian.

boom!

The next second, the figures of the two sides collided, and there was a vibration, and the palace lord’s delicate body stepped back ten steps in a row, and the beautiful face was extremely pale.

Prince Aotian took advantage of the situation to pursue, rushed to the front, quickly raised his hand, and tapped the palace lord twice.

In an instant, the palace lord’s delicate body trembled, unable to move at all.

Chapter 5429

At this time, the surrounding battle is not over yet.

“Stop everything!”

At this moment, Prince Aotian hung his right hand on the head of the palace lord, looked around, and scolded coldly: “If you don’t want your princess to be damaged, surrender immediately.”

Wow...

Seeing this The situation, whether it was the disciples of Chunyang Palace, or the disciples of Tianhaimen and Beihai Xingsu, all quickly stopped, each and everyone could not hide the fear in their eyes. They were also shocked and angry.

Oops...

The two chiefs, one was injured and the other was arrested, how can they fight?

Seeing everyone stop, Prince Aotian sneered and waved at Liu Ruxue who was not far away.

Liu Ruxue understood in his heart, and with the Lihuo Sect disciples, he rushed up quickly, and tied the three three sect disciples, one by one.

“Senior brother.” A

few minutes later, Liu Ruxue walked over quickly and respectfully said to Prince Aotian: “All the disciples of the three major sects have been controlled.”

After speaking, Liu Ruxue looked at the palace master and others. Person: “The two chiefs and these elders, do you want to execute them immediately?”

“Not for now.”

Prince Aotian shook his head, a bit of cunning flashing in his eyes: “These people can’t be killed for the time being, and there is still a lot to keep. Great use.” That Yue Feng became the Pill Pavilion Master of Chunyang Palace, and at this time the Palace Master was arrested, Yue Feng would definitely not stand by.

He thought about it, using the people of the palace master to lure Yue Feng over, and when Yue Feng came to save people, he would try to catch him, and then integrate Yue Feng’s divine power.

After all, Yue Feng is the Nine Heavens Profound Sage, and if he combines his divine power, he will be able to reshape his Primordial Spirit faster.

Thinking of this at this time, Prince Aotian ordered Liu Ruxue: “Detain the palace lord and these people in the secret realm, and then send someone to guard the entrance.”

“Once Yue Feng comes to rescue, notify me immediately. “

When he said this, Prince Aotian’s eyes flashed gloomy and cold.

“Yes, Sect Master.”

Upon hearing the order, Liu Ruxue complied and hurried to prepare.

.....

At this moment, Chunyang Palace.

In the pavilion outside the Pill Pavilion, Yue Feng sat there, sipping tea leisurely with a contented expression on his face.

In the past few days, Yue Feng finally made it through Xiaorou Dongfang Yunqing through his three-inch tongue, and the two girls finally recognized the truth.

Phew...

At this moment, Yue Feng took a sip of tea and stood up slowly.

Everything has been explained, and finally we can go.

“Pavilion Master!”

At this moment, Xiaorou walked into the pavilion quickly, her delicate face was very complicated: “No, it seems that something happened.”

Something happened?

Yue Feng frowned: “What happened?”

For the past few days, Yue Feng has been staying at the gate of Chunyang Palace. Because he was about to leave, he didn't pay attention to the outside world, so what happened in the rivers and lakes these days, He doesn't know.

Xiaorou took a deep breath and said slowly, “The head of Beihai Xingsu was killed by Ren Pingsheng. After that, Beihai Xingsu went to Lihuomen to take revenge, resulting in countless casualties.”

“In the morning, Beihai Xingsu came to ask for help. The palace lord brought many disciples to help preside over justice, and just now, there was news that Ren Pingsheng took the disciples of Lihuo Sect and occupied the mysterious realm of the sky.”

Speaking of the last At that time, Xiao Rou said anxiously: “Pavilion Master, do you think... Will something happen to the Palace Master?”

Speaking of which, in Xiaorou's heart, the Palace Master is extremely powerful, and the whole world can hurt her. There are very few people, but I don't know why. After hearing the news just now, I have been uneasy in my heart.

What?

Hearing this, Yue Feng was stunned.

Ren Pingsheng, that guy is so cruel? Not only killed Deng Shiqi, but also occupied the mysterious realm of the sky?

No, this matter must be stopped. You must know that the Chaos Teleportation Array that you built is in the mysterious realm of the sky. If everyone from Lihuomen destroys it, wouldn't it be a waste of all previous efforts?

Thinking to himself, Yue Feng hurriedly directed at Xiao Judo: "You stay in Chunyang Palace, I'll take a look at the situation." The

voice fell, Yue Feng's figure jumped up in the air, and quickly rushed towards the direction of the mysterious sky.

Pavilion Master...you must not have any trouble.

Looking at Yue Feng's figure, Xiao Rou stood there with her hands tightly intertwined, a little worried.

Chapter 5430

After half an hour, Yue Feng finally arrived at the entrance of the mysterious realm.

Phew...

At this moment, seeing the situation in front of him, Yue Feng couldn't help taking a deep breath and was stunned.

I saw that the entrance to the secret realm in front of me was densely filled with people, all of whom were disciples of Lihuo Sect. Not to mention people, I was afraid that a fly would not be able to fly in.

This Ren has been crazy all his life, and he really occupies the mysterious realm.

Muttering in his heart, Yue Feng took a careful look around and saw that there was blood everywhere on the ground. It was obvious that he had experienced a fierce battle before.

At the same time, the comments of many Lihuo Sect disciples kept coming.

"The previous battle was really enjoyable."

"Yeah, especially the palace lord of Chunyang Palace, who is really like a fairy descending to earth. Fortunately, the sect master didn't kill her after he caught her, otherwise it would be a pity."

“Hehe, Even if the palace lord doesn’t die, you can only see it from a distance.” The voices of the discussion kept coming, and Yue Feng’s heart was shocked.

What?

The palace lord was arrested?

It’s no wonder that along the way, I didn’t see the palace master and the disciples of Chunyang Palace. If something happened to the main palace, Chunyang Palace would be in trouble. No, she must be rescued.

Thinking to himself, Yue Feng didn’t hesitate and strode towards the entrance.

Swish!

As soon as Yue Feng appeared, all the disciples of the Lihuo Sect cast their gazes over.

“Yue Feng?”

“We Lihuomen haven’t found you yet, so you’re going to send it to your door?”

Everyone shouted, rushing up and surrounding Yue Feng.

Facing this situation, Yue Feng’s expression remained unchanged, and he said lightly: “Tell Ren Pingsheng to come out and see me.” The voice was not loud, but it gave off an unquestionable aura.

Hearing this, the disciples of Lihuo Sect looked at each other in dismay, and then laughed loudly.

“Yue Feng, what are you? Are you qualified to see our head?”

“That is, we have captured all the palace lords of your Chunyang Palace. If you are wise, kneel down and surrender quickly.”

In laughter, an elite The disciple came out, pointed at Yue Feng and shouted: “Yue Feng, be obedient and capture...”

“There is so much nonsense.”

Before the disciple could finish speaking, Yue Feng frowned, raised his hand and slapped the fan. past.

Snapped!

Hearing a crisp sound, the disciple didn't react at all, and was directly fanned out. After landing, he passed out.

Mad!

Seeing Yue Feng's action, the other disciples of Lihuo Sect were all shocked and angry.

"Well, you Yue Feng, how dare you do it?"

"Let's go together!"

shouting angrily, everyone pulled out their long knives and slashed at Yue Feng.

Yue Feng was too lazy to talk nonsense, his figure flashed, and he rushed into the crowd.

Bang Bang Bang...

For a while, Yue Feng came and went like the wind. Every time he made a move, someone would definitely fall. In less than two minutes, hundreds of Lihuo Sect disciples fell to the ground. Lost combat effectiveness.

Speaking of which, Yue Feng only thought about the safety of the palace lord, and he didn't want to kill at all, otherwise these people would already be dead.

Nonetheless, seeing Yue Feng so brave, the rest of the Lihuo Sect disciples were full of fear in their eyes.

"Stop!"

At this moment, a coquettish shout came, and then, a figure flew quickly from not far away.

The figure is graceful and charming, the facial features are exquisite, but the expression is indifferent.

It was Liu Ruxue.

Seeing Liu Ruxue, Yue Feng asked straight to the point: "What did you do to the palace master? Hurry up and hand over the person." As he said, Yue Feng looked at Liu Ruxue and felt that something was wrong.

It stands to reason that after being humiliated by me several times, this Liu Ruxue must be very angry when he met her, but at this time, there was no expression on Liu Ruxue's face.

Like a dead person without emotion.

It's really weird.

At this time, Yue Feng did not realize that Liu Ruxue had been controlled and had no thoughts of his own.

"If you want to save people, defeat me first."

At this moment, Liu Ruxue didn't say any nonsense.

Nima!

At this moment, Yue Feng frowned secretly, but he didn't think much about it at the time.

After entering the secret realm, Yue Feng stared at Liu Ruxue in front of him, and joked loudly: "My dear lady, I haven't seen you for a few days, why do you run away when you see me?" He knew that Liu Ruxue was arrogant, so he thought Use words to provoke her.

The ultimate husband in Chinese chapter 5431-5440

Chapter 5431

However, Liu Ruxue didn't seem to hear it, and just flew forward, without the slightest shame.

Um?

Seeing this, Yue Feng's brows wrinkled even deeper, something was wrong. If he had ridiculed her like this before, Liu Ruxue would have become angry and turned back to fight with herself.

At this time, the woman didn't respond at all, and she behaved unusually calm.

At this time, Yue Feng didn't know that Liu Ruxue had been controlled and completely turned into a puppet.

Whoosh!

Thinking to himself, Yue Feng speeded up, and his figure was like a streamer, gradually getting closer to Liu Ruxue.

Seeing that he was about to catch up, he saw Liu Ruxue's delicate body turned and flashed into a hall. In the mysterious realm of heaven, there were many majestic halls, most of which were empty.

So seeing this scene, Yue Feng didn't think much about it and rushed in directly.

This...

the moment he rushed into the hall, Yue Feng immediately stopped and frowned secretly.

I saw that in the main hall, there were many black square stone pillars, which seemed to be disorganized, but if they were carefully distinguished, it would make people feel very difficult.

Five Elements Ecstasy Array?

After watching it for a few seconds, Yue Feng showed a smile. His accomplishments in the art of formation can be said to be unparalleled. At this moment, he could see at a glance that these square stone pillars were composed of the Five Elements Ecstasy Formation.

The Five Elements Ecstasy Formation is a medium-sized formation. For others, it is unpredictable, but for Yue Feng, breaking this formation is completely a piece of cake.

This chapter is provided by . Visit for daily update.

With a chuckle, Yue Feng did not hesitate at all, and rushed to the formation directly, staring directly at Liu Ruxue: "Tell me, where did you keep the palace master?"

If it was normal, Yue Feng would say a few more words to tease Liu Ruxue, but now he is worried about the safety of the palace master, so he is not in that interest.

"Promise me first."

Facing the question, Liu Ruxue's beautiful face was as cold as ice, and she responded coldly.

Chi Chi...

With this sword, Liu Ruxue burst out with all her strength, and when she saw where the long sword passed, the surrounding air distorted violently.

Sigh...

Seeing Liu Ruxue attacking, Yue Feng smiled slightly, with helplessness flashing in his eyes, and said with a wry smile: "Why is this? We have fought several times before, but you are not my opponent at all."

"I know Now, you want to procrastinate, don't you?"

When he said this, Yue Feng stood there as steady as a mountain, and didn't mean to dodge at all.

Liu Ruxue's expression was indifferent, she did not respond, and at the same time increased her speed.

Seeing this scene, Yue Feng stopped talking nonsense, pulled out his long sword, and greeted Liu Ruxue.

clang clang!

The long swords on both sides kept colliding, sending out bursts of crisp vibrations. In less than two rounds, Liu Ruxue was forced to retreat step by step, but her eyes still flashed with determination, and she did not flinch.

Nima!

Seeing Liu Ruxue's desperate attitude, Yue Feng was very annoyed and couldn't help saying: "Liu Ruxue, don't think I won't kill you, but keep challenging my patience.

"Where is the main gate?"

Yue Feng frowned as he spoke, unable to hide his anxiety.

Before, because of the Tianjigong practice, he not only humiliated Liu Ruxue several times, but also defeated Ren Pingsheng. It is normal for Ren Pingsheng to count this grudge on the head of Chunyang Palace.

Therefore, if the palace lord falls into their hands, it will be more fortunate than fortune.

However, in the face of Yue Feng's anger, Liu Ruxue still looked indifferent: "Yue Feng, you are doomed today." The

voice was extremely cold, and there was no mood swing.

"Okay, you forced me."

At this moment, Yue Feng stopped talking nonsense, and the figure rushed up quickly, raised his hand and hit him.

This palm was extremely fast and violent, Liu Ruxue couldn't avoid it at all, but she didn't panic at all, urging all her inner strength, and also greeted her with one palm.

boom!

The next second, the palms of the two collided, and a dull sound came out. Then, Liu Ruxue groaned, and her delicate body retreated again and again, and finally hit a square stone pillar and stopped.

At this time, Liu Ruxue's delicate face was pale, but there was still no joy or anger in her eyes.

Chapter 5432

What a crazy woman.

Seeing this scene, Yue Feng couldn't help muttering to himself, she was injured, but this woman could still bear it. Thinking to himself, Yue Feng walked over step by step, and the long sword touched Liu Ruxue

's heart: "I will ask you one last time, where is the palace lord locked up?"

I couldn't hold back my anger.

Liu Ruxue quietly looked at the long sword in front of her, her beautiful face did not fluctuate in the slightest: "I won't tell you if you killed me, anyway, you can't escape today."

An hour ago, Emperor Aotian Zi specifically explained to Liu Ruxue that once Yue Feng came to the rescue, he would be led into this formation.

Liu Ruxue has been completely controlled, and obeys Prince Aotian's orders. In her heart, completing what Prince Aotian explained is the most important thing, and she doesn't care about other things, let alone her own life.

Nima!

Seeing Liu Ruxue's firm appearance, Yue Feng gritted his teeth, very angry, and at the same time a little helpless.

In Yue Feng's heart, Liu Ruxue had tried to plot against herself before, but she was not guilty enough to die. If she wanted to kill her, she really couldn't do it.

Huh...

After a few seconds, Yue Feng took a deep breath and looked at Liu Ruxue with a half-smile, "Liu Ruxue, do you think you're trapping me with a five-element ecstasy array? You underestimate me, Yue, too. It's windy."

At this time, Yue Feng thought that the other party was relying on the surrounding Five Elements Fascinating Soul Formation, so he was so confident.

Liu Ruxue looked at him indifferently and did not respond.

hum!

At this moment, Yue Feng didn't bother to talk about it, his whole body was spinning with divine power, and with a wave of his hand, a powerful aura swept out.

Bang bang bang...

The powerful force was raging in the entire palace, and I saw that those hard square stone pillars shattered one by one in an instant, and in an instant, the Five Elements Fascinated Soul Array was self-destructed.

After destroying the formation, Yue Feng looked at Liu Ruxue proudly: "How is it? Did you not expect it?"

However, what he did not expect was that Liu Ruxue's face did not fluctuate at all, as if the formation Destroyed, it has nothing to do with her.

“Yue Feng, go to hell!”

At this moment, a loud shout came from outside, and then, a figure rushed like lightning from outside the hall and slapped Yue Feng’s back with a palm.

The visitor looked ferocious, with resentment and anger in his eyes, it was Prince Aotian.

Of course, the Prince Aotian at this time was still the same as Ren Pingsheng.

Ten minutes ago, when Yue Feng appeared at the entrance of the secret realm, Prince Aotian got the news. At that time, Liu Ruxue rushed over and led Yue Feng to the five elements of the hall.

As for Prince Aotian himself, he was quietly hiding outside the hall, the purpose was to wait for the opportunity to raid.

At this time, seeing that Yue Feng’s attention was all on Liu Ruxue, Prince Aotian knew that the opportunity was coming, and without any hesitation, he acted decisively.

hum!

At this moment, Prince Aotian quickly thundered, and a terrifying force erupted from his body.

Mad!

Seeing the sudden appearance of ‘Ren Pingsheng’, Yue Feng frowned and instantly became angry.

To be honest, when he entered the hall just now and saw the Five Elements Fascinating Array, Yue Feng had guessed that Ren Pingsheng was likely to be in ambush nearby, but he did not expect that the other party would grasp the timing so precisely.

What shocked Yue Feng even more was that the strength of the ‘Ren Pingsheng’ in front of him was obviously much stronger than a few days ago.

What kind of exercises is this ‘Ren Pingsheng’ practicing? In just a few days, the strength has increased so much?

From this point of view... he was not just lucky to be able to kill Deng Shiqi alone.

At this time, Yue Feng did not realize that the person in front of him was not Deng Shiqi at all, and the soul inside was Prince Aotian.

“Yue Feng, let’s settle the account.” In the

blink of an eye, Prince Aotian came to him, with excitement and hatred flashing in his eyes, and shouted, "This time, you are doomed, die."

The last word fell, and Prince Aotian's inner strength surged, and he slapped him fiercely.

boom!

To be honest, Prince Aotian was so fast that Yue Feng didn't have time to dodge, but he didn't panic at the time, and quickly activated his inner strength to condense a layer of protective film behind him.

Chapter 5433

Boom!

The next second, Prince Aotian slapped the protective film with his palm, and saw that the protective film shattered instantly.

After flying more than ten meters, Yue Feng fell heavily to the ground.

Mad!

Yue Feng could clearly feel that the energy and blood in his body were tumbling, and his primordial spirit was almost scattered. In an instant, he looked at Prince Aotian's eyes and became solemn.

I haven't seen each other for a few days, this person's strength has become so strong?

It shouldn't be... You know, you have the soul to protect the body, but just now the opponent's palm almost shook his soul away...

Haha...

At this moment, Prince Aotian couldn't hide it. Excited, he said proudly at Yue Feng: "How is it? Didn't expect it?" When he spoke, Prince Aotian was a little pity.

If it is in its peak state, that palm just now is enough to defeat Yue Feng's primordial spirit. But it's not bad to hit him hard.

Huh...

Hearing the ridicule, Yue Feng did not panic at all, and looked at Prince Aotian with a calm expression: "Ren Pingsheng, you are only capable of this, and you will only make a secret surprise attack."

“What if your surprise attack is successful? Do you really think you are in control of the whole situation?” As he

said that, Yue Feng slowly stood up and secretly adjusted the power of his soul. Between his expressions, he was also full of arrogance.

At this time, Yue Feng has not yet felt that the person in front of him is no longer the Ren Pingsheng he was a few days ago.

Ha ha...

Feeling Yue Feng's contempt, Prince Aotian felt annoyed in his heart, but he quickly calmed down and said with a chuckle: “You're right, that palm just wasn't enough to kill you at all.”

“But you think that I In this hall, there is only one five-element fascination array?” The last word fell, Prince Aotian raised his hand and waved, and a ray of light flashed out, hitting a hidden mechanism on the wall.

Kazaza... The

next second, I heard a sound of vibration, and then, in the four corners of the hall, several stone platforms slowly rose, and on each stone platform, there was a dark purple spar , In the spar, there is a very strong spiritual energy of heaven and earth.

Buzz....

these heaven and earth auras gathered together to form a formation that directly enveloped Yue Feng and Liu Ruxue. In an instant, within the range shrouded in the barrier, a terrifying force raged.

Nima!

Seeing this, Yue Feng was taken aback, and then said coldly to Prince Aotian: “Ren Pingsheng, you are crazy, you want to deal with me, but even your junior sister is trapped, so don't worry about me Deleted her?”

Yue Feng couldn't help but glance at Liu Ruxue next to him.

I saw that Liu Ruxue stood there quietly, with an indifferent expression, and there was still no change in his expression.

Haha....

Hearing this, Prince Aotian couldn't help laughing: "Junior sister? It's just a puppet controlled by me. As long as I can deal with you, what is the sacrifice of a puppet?"

Puppet?

Hearing this, Yue Feng's heart shuddered, and he instantly understood something.

No wonder... No wonder Liu Ruxue looked like a different person from a few days ago. No matter how much she teased before, she was not angry. It turned out that she was being controlled.

Buzz...

At this time, in the space within the enchantment, the terrifying power is getting stronger and stronger. Feeling the powerful power, Yue Feng only felt a little breathless, and his heart was even more shocked.

This...isn't this the 'Destroying Immortal Array' that only exists in God's Domain?

For a time, Yue Feng only felt that his brain was buzzing, and the whole person was covered. As the Nine Heavens Profound Sage of the God Realm, he knows the situation of the God Realm very well.

When he taught Ao Lin before, Yue Feng had seen him demonstrate the Immortal Destruction Formation. The power of the Immortal Destruction Formation is endless. Once trapped, it is impossible to escape. It can be said that this formation is the exclusive use of the royal family of the Divine Realm, and even the Haotian Divine Sovereign is not qualified to understand.

And the 'Ren Pingsheng' in front of him is just a sect master in the human world, and he actually knows how to deploy the Immortal Destruction Formation. How can people not be shocked?

"You..."

At this moment, Yue Feng urged Yuanshen to resist the strong pressure from all directions, looked at Prince Aotian outside the barrier and said, "You are not Ren Pingsheng, who are you?"

While asking, Yue Feng's eyes are dignified, and it is difficult to hide a trace of panic.

Chapter 5434

He clearly felt that as the pressure in the Immortal Destruction Formation became stronger and stronger, the power of the Primordial Spirit in his body was also absorbed by the purple crystal stones around him...

“Yue Feng, Yue Feng.”

Hearing the question at this time, Prince Aotian was full of pride: “Thank you for being the Nine Heavens Profound Sage, and you still don’t know who I am? Hehe.. I ask you, who is qualified to use this Immortal Destruction Array?

” qualifications?

Hearing this, Yue Feng’s eyes flickered, and he suddenly thought of something. He took a deep breath and said, “You...you are Prince Aotian?” Among the royal family of the Divine Realm, Ao Lin is his apprentice and the current Emperor of Heaven. It’s impossible to deal with yourself at all.

The only one who has had a holiday with himself is Prince Aotian.

“Hehe, you’re not too stupid.” Prince Aotian

smiled coldly and looked at Yue Feng through the barrier: “I never expected that you would end up in my hands.”

The title belongs to this prince, but because you helped Ao Lin, took away my position as the emperor of heaven, and even more harmed my master Taiyi Immortal Venerable, and was expelled from Yutian Palace.”

“If it weren’t for you, I wouldn’t . If the breakthrough fails, it will not come to the human world to reshape the primordial spirit, so now you are trapped by me using the Immortal Destruction Formation, and it is your own fault.”

Prince Aotian became more and more mad as he spoke, and his expression was indescribable.

Nima!

Hearing these words, Yue Feng frowned secretly.

This Prince Aotian is really insane, he has no ability to compete for the throne of the emperor, but blames others.

Thinking to himself, Yue Feng took a deep breath and tried to calm himself down: “Prince Aotian, I know that you have always hated me, but have you ever thought about it, I’m an imperial teacher, you deal with me so deliberately, if you are attacked by Ao Lin I know, what’s going to happen to you?” The

end?

At this moment, Prince Aotian did not panic at all, but instead shouted with a frenzied expression: "If this prince dares to do this, he is not afraid of the consequences. Besides, in this Ziwei Continent, no one knows the true identities of the two of us, wait. I have merged your divine power, and then kill you to silence your mouth. At that time, there will be no proof of death, and Ao Lin will not dare to do anything to me."

"By the way, you should also know that the most powerful part of this Immortal Extermination Array is that it can absorb divine power. , No matter how powerful a god is trapped, he can only be appointed."

"Hey, with your current situation, within a few hours, the divine power will be completely absorbed, and I will use yours. Divine power is used to reshape the primordial spirit, so... enjoy it slowly." At the

end, Prince Aotian ordered Liu Ruxue: "Be optimistic about him, and kill him immediately if you find that he is about to escape."

"Yes!"

At this time, Liu Ruxue, under the terrifying pressure of the Immortal Extermination Formation, trembled faintly, but when she heard the order, she nodded firmly.

Prince Aotian said no more, turned and walked out of the hall.

To be honest, Prince Aotian really wanted to see Yue Feng's divine power being sucked up by the Immortal Destruction Formation. However, he is only occupying Ren Pingsheng's body, and he has not reshaped his primordial spirit. In this case, he is close to Destruction. Immortal array, if you are not careful, the soul will be swallowed.

Therefore, for the sake of safety, Prince Aotian decided to leave temporarily.

He thought about it, waited for the Immortal Extermination Formation to drain Yue Feng's divine power, and then he would come back to merge. After all, the divine power absorbed by Yue Feng would be temporarily stored in those purple spar stones, so there was no need to worry about it collapsing and disappearing.

Nima!

Seeing Prince Aotian's figure go away, Yue Feng clenched his fists tightly, his eyes bloodshot instantly, and he was indescribably angry.

The power of the primordial spirit that he finally recovered, how could he make a wedding gown for Prince Aotian for nothing?

No, I must destroy this Immortal Extermination Formation.

Thinking to himself, Yue Feng gritted his teeth and endured the coercion from the formation. He first looked around, then raised his hand and waved, a purple-red fireball erupted and slammed into the enchantment in front of him. .

boom!

The next second, the fireball hit the barrier, and a roar erupted, but it didn't break the barrier.

Speaking of which, if Yue Feng was in his peak state, breaking the barrier would not be a problem, but just now he was attacked by Prince Aotian, and after that, the divine power in his body was continuously absorbed by the formation. In this state, it would be difficult to break the barrier.

Chapter 5435 It's

over!

Seeing that the enchantment was safe and sound, Yue Feng was annoyed and depressed.

However, at this moment, a fierce killing intent came from behind.

Yue Feng's heart froze, and he looked back subconsciously, and saw Liu Ruxue holding the long sword tightly, staring at him coldly, his eyes full of killing intent.

When Prince Aotian left just now, he specially explained to Liu Ruxue that as long as Yue Feng tried to break the formation, he would be killed. Liu Ruxue kept it firmly in her heart, and when she saw Yue Feng breaking through the formation, she did not hesitate to take action.

"Yue Feng, die."

At this moment, Liu Ruxue spit out a few words coldly, and the long sword drew a shock, stabbing straight at Yue Feng's heart.

Nima, this woman...

Yue Feng was shocked and wanted to scold, but thinking that Liu Ruxue was already under control, he held back.

In the next second, Yue Feng endured the coercion of the Immortal Destruction Formation, quickly dodged to the side, and shouted at Liu Ruxue: "Liu Ruxue, wake up..."

Because of the divine power in his body, he was constantly absorbed by the formation. , When he shouted these words, Yue Feng's voice was hoarse, and the whole person was extremely weak. However, Liu Ruxue was also suppressed by the formation. Although this sword was sharp, it was very slow, so she escaped in a thrilling manner.

Chi...

After the sword missed, Liu Ruxue did not give up, bit her lip tightly, and charged again.

Seeing this situation, Yue Feng was speechless. While dodging, he continued to shout: "Liu Ruxue, wake up, if you kill me, you won't be able to live..."

However, Liu Ruxue couldn't listen at all. , the long sword waved sword flowers one after another, blocking Yue Feng's retreat.

call....

Seeing that it was inevitable, Yue Feng took a deep breath, first avoiding Liu Ruxue's sword, and then a lightning strike from his right palm hit her shoulder.

Although he has been suppressed by the Immortal Destruction Formation, Yue Feng's background is not comparable to Liu Ruxue. Yue Feng had been forgiving before, just because he didn't want to hurt her, but seeing Liu Ruxue pressing him step by step, he couldn't help it.

Pfft...

In this palm, Yue Feng didn't use all his strength, but Liu Ruxue's eyes went black, her delicate body fell softly to the ground, and she fainted directly.

"I don't want to do this, but there is really no other way." Yue Feng looked helpless, looked at Liu Ruxue who was in a coma, said something to himself, and then continued to think of a way to break the formation.

Although Yue Feng's accomplishments in the formation technique are unparalleled, this Immortal Destruction Formation is exclusive to the royal family of the Divine Realm, so there is no clue at all for a while.

It's over...

Is it really going to be drained of divine power this time and trapped here alive?

At this moment, with the rapid leakage of divine power in his body, Yue Feng wanted to cry without tears.

"Hmm..."

And at this moment, Liu Ruxue, who was in a coma by the side, suddenly let out a painful low tone.

This voice has a fatal temptation, and Yue Feng's heart is shocked when he hears it.

The next second, Yue Feng turned his head to look, and saw Liu Ruxue woke up, her beautiful face was extremely red, her eyebrows were furrowed, and she looked very painful.

Obviously, the palm just didn't completely knock Liu Ruxue unconscious, and under the powerful pressure of the Immortal Extermination Formation, Liu Ruxue, who woke up, could not stand it anymore.

Although the Immortal Destruction Formation is constantly absorbing Yue Feng's divine power, the powerful power that pervades it is not something that Liu Ruxue can compete with.

Done!

Looking at Liu Ruxue's appearance, Yue Feng secretly complained.

The appearance of this woman at this time has already entered a state of infatuation. If it is not treated in time, after the infatuation, the fragrance will disappear.

Realizing this, Yue Feng wanted to help, but he could not protect himself, how could he be able to help Liu Ruxue?

"Uncomfortable, so uncomfortable..."

At this time, Liu Ruxue's face was flushed red, her dantian's inner strength was completely disordered, and her whole person lost her mind: "Am I going to die..."

Seeing this situation, Yue Feng also Unable to be anxious, he couldn't help but weakly said: "Liu Ruxue, if you can hear me, hold your breath quickly, otherwise, you will be doomed..."

Shuh!

Hearing Yue Feng's words, a trace of confusion flashed in Liu Ruxue's eyes, then rushed over and hugged Yue Feng.

The ultimate husband in Chinese chapter 5436-5440

At this time, Liu Ruxue, under the powerful pressure of the Immortal Extinguishing Formation, has a disordered inner strength in his dantian, and is about to go into a demon, and his whole person has lost his mind.

“You...”

Suddenly the soft fragrance came into his arms, and Yue Feng was immediately blinded. At this time, he wanted to push Liu Ruxue away, but the divine power in his body was constantly being absorbed by the Immortal Destruction Formation, and he was extremely weak and completely powerless.

As soon as he said a word, he saw Liu Ruxue’s face was extremely red, and suddenly came up and kissed Yue Feng directly.

Om....

For a moment, Yue Feng’s mind buzzed, and it went blank. He never thought that things would suddenly develop like this.

However, Yue Feng could also feel that at this time, Liu Ruxue was hot all over, as if the whole person was about to burn.

Pfft...

The next second, before Yue Feng could react, Liu Ruxue hugged him tightly and rolled directly to the ground.

“Liu Ruxue...” Yue Feng was very anxious, almost wanting to cry without tears: “Calm down... See who I am, I am Yue Feng, your enemy, we can’t do this. ..”

As he spoke, Yue Feng tried to push Liu Ruxue away, but the divine power in his body was draining so badly that he had no strength to speak, and he couldn’t push Liu Ruxue away at all.

At this time, Liu Ruxue couldn’t hear Yue Feng’s voice at all, she just felt extremely uncomfortable, as if there was a fire burning inside her body, she hugged Yue Feng tightly, tearing at Yue Feng’s clothes like crazy.

A few seconds later, Liu Ruxue’s mind went blank and sat down directly.

“Yeah!” A

seductive low voice echoed in the Immortal Destruction Formation.

finished....

However, at this time, Yue Feng, how could he feel this wonderful feeling, anxious like an ant on a hot pot.

Not to mention being trapped in this Immortal Destruction Formation, Liu Ruxue is also crazy.

Now I'm just afraid of dying here.

Huhuhu...

However, what shocked Yue Feng was that the divine power dissipated from his body was no longer absorbed by the Immortal Destruction Formation, but instead continuously entered Liu Ruxue's body.

How could this be?

After an unknown amount of time, Liu Ruxue finally woke up and fell asleep while leaning on the side.

Yue Feng sat on the side, his expression was extremely weak and sluggish. Just after the cloud and rain with Liu Ruxue, all the divine power was transferred to Liu Ruxue. In this case, only a child could easily kill Yue Feng. .

It's just this situation that makes Yue Feng puzzled and shocked.

Strange...

This Liu Ruxue is just a human woman. She has no primordial spirit in her body, so how could she fuse her own divine power? You must know that Yue Feng's divine power is incomparably thick and vast, and Liu Ruxue's physique, a human woman, can't bear it at all.

But what is unexpected is that after Liu Ruxue got this divine power, nothing happened.

Um?

Just when Yue Feng was thinking about it, he saw that between the unconscious Liu Ruxue's eyebrows, there was a purple vortex mark that appeared and disappeared from time to time.

Seeing the vortex mark, Yue Feng was shocked and completely stunned.

What the hell.... is this Liu Ruxue the legendary 'Taiyou Xuanyin' physique?

For a time, Yue Feng's heart was completely filled with shock. When he taught Prince Aolin in God's Domain before, Yue Feng had read a secret book collected by the royal family of God's Domain.

The secret book said that among the many women in the human world, in addition to the supreme yin physique, there is also an extremely rare 'Taiyou Xuanyin' physique.

A woman of this physique can fuse divine power even without the primordial spirit, but the chance of fusion is very small.

In addition to the 'Taiyou Xuanyin' physique, some human men also have a 'Tiangang to Yang' physique. Similarly, men with a Tiangang to Yang physique can also integrate divine power.

It's just that Yue Feng has never met a person with such a physique after walking around the world for so many years. Unexpectedly, Liu Ruxue in front of her was actually a Taiyou Xuanyin body.

Because it was written very clearly in the ancient book, a woman with Taiyou Xuanyin physique would have a chaotic vortex mark between her eyebrows after she fused divine power.

What appeared between Liu Ruxue's eyebrows just now was the mark of the chaotic vortex.

Chapter 5437

is just...

This kind of physique, although it can integrate divine power, but the ancient book also said that the chance of success is very small.

In front of Liu Ruxue, the fusion was so smooth.

Incredible.

At this time, Yue Feng did not know that the reason why Liu Ruxue was able to integrate his divine power and possessed the 'Taiyou Xuanyin' physique was only one of them. More importantly, they had just experienced an intimate affair. It is convenient for Liu Ruxue to integrate.

Buzz buzzing....

The pressure of the Immortal Destruction Formation kept coming. At this time, Yue Feng lost his divine power, and the pressure he felt became more and more intense.

Shuh...

At the same time, Liu Ruxue also woke up next to him, and when he saw Yue Feng, a strong killing intent flashed in his eyes.

Gu Dong...

Feeling Liu Ruxue's hostility, Yue Feng couldn't help swallowing his saliva, his face was bitter, and he said weakly: "Are you awake?" .

Seeing that after her fusion of divine power, the whole person looked bright, and compared to the previous delicateness, she was completely different. Not only that, but there was still a trace of blush on her beautiful face, which was extremely charming.

"Yue Feng!"

Just as Yue Feng was secretly admiring it, Liu Ruxue bit her lip tightly, her tone as cold as ice: "You...you ruined my innocence, I want you to shred your corpse into thousands of pieces.

" At that time, Liu Ruxue's eyes were full of resentment.

Although she didn't know what happened before, she could clearly sense that she was no longer perfect, and there was only Yue Feng in front of her. If it wasn't him, who else would it be?

Huh...

In the face of Liu Ruxue's anger, Yue Feng didn't panic at all, but heaved a sigh of relief. The woman finally woke up completely.

Thinking to himself, Yue Feng smiled slightly: "Liu Ruxue, you really don't remember what happened before?"

Liu Ruxue didn't respond, just looked at him coldly, with a gesture of taking action at any time.

Yue Feng said calmly: "I tell you, your senior brother Ren Pingsheng is already dead, but his body was taken away, and the existence of his body is the Aotian Prince of the God Realm... ."

In the next few minutes, Yue Feng quickly explained the situation while under the pressure of the Immortal Extinguishing Formation.

At the end, Yue Feng looked at Liu Ruxue complicatedly: "So, what happened to us just now was purely a coincidence, and it was you who took the initiative at that time..."

Just before he finished speaking, It was interrupted by Liu Ruxue.

“You...” Liu Ruxue bit her lip so hard that she almost bleeds, her beautiful face couldn't express the shame and anger: “Shut up for me, do you think I would believe this kind of absurd thing? “

What God's Domain Prince?

It's all nonsense. This Yue Feng is a complete lecher. He has obviously ruined his innocence, and he deliberately fabricated lies to shirk his responsibility. Today, he must be killed.

Thinking to herself, Liu Ruxue no longer hesitated, picked up the long sword on the ground, and stabbed directly at Yue Feng's heart: “Yue Feng, go to hell.”

Alas!

Seeing this sword stab, Yue Feng was speechless, because he was too weak to dodge at all, so he simply did not dodge, looked directly at Liu Ruxue, who was approaching quickly, and said lightly: “It's true or false, you can feel it. You know the power within yourself.”

When he said this, Yue Feng's eyes flickered helplessly.

This woman looks shrewd on the surface, but she is so stupid at the critical moment. Didn't she feel the change in her inner strength?

Swish!

Seeing Yue Feng's calm appearance, Liu Ruxue suddenly stopped, and at the same time felt the situation in her body, her heart trembled.

It's... such a powerful force.

At this time, Liu Ruxue clearly felt that the inner strength of her dantian had undergone earth-shaking changes, and an incomparably powerful force filled her meridians.

And this power is something she has never dared to imagine in her life.

For a while, Liu Ruxue froze there, staring blankly at Yue Feng, unable to speak for a long time.

Could it be... what he just said was true?

Seeing Liu Ruxue's appearance, Yue Feng smiled weakly: “Don't look at me like this, if I were you, I wouldn't believe it, but it's a fact.”

Chapter 5438

“I...” The

voice fell, Liu Ruxueyu put her hand on her forehead, her eyebrows knitted together, and while trying to recall, she said: “I was really controlled before? What day is today?”

Yue Feng did not hesitate to say the date.

In an instant, Liu Ruxue’s delicate body trembled, and her whole body froze completely.

Five days..

I was actually controlled for five days, and I have no impression of what happened in these five days.

That’s right, Liu Ruxue’s memory only stayed at the time when he first saw Prince Aotian, and after he was controlled by Prince Aotian, because he lost his mind, he had no idea what happened in the past five days.

“Liu Ruxue.”

At this time, seeing Liu Ruxue’s face changing, Yue Feng couldn’t help but say, “Now you should believe me. Speaking of which, I and you Lihuomen have been celebrating a little bit, but we haven’t arrived yet. Endless death.”

“Now we have a common enemy, the Aotian prince who took away your senior brother. He is the royal family of the Divine Realm, and his actions are sinister and ruthless. The rivers and lakes will all be caught in the bloody storm.”

“Which is more important, think about it.”

After saying this, Yue Feng’s face was indifferent, but his heart was secretly anxious.

You must know that at this time, the two are still trapped in the Immortal Extermination Formation. Liu Ruxue has supreme divine power in her body, and she can fully withstand it, while Yue Feng’s divine power cannot last long.

call!

At this moment, Liu Ruxue took a deep breath, her heart was extremely complicated.

Speaking of which, Liu Ruxue, as a saint of the Lihuo Sect, has traveled all over the world for so many years, and is considered to be well-informed.

To be honest, let alone Liu Ruxue, even the most powerful people in the arena would not be able to accept it.

“You...”

Finally, Liu Ruxue reacted enough, and looked at Yue Feng in a complicated way: “You said that Prince Aotian took away my brother’s body?”

Yue Feng nodded: “Of course.”

Saying that, Yue Feng looked around and said slowly: “Otherwise, who do you think this powerful formation was created? This is called the Immortal Destruction Formation, and there is no such formation in the human world.

” At these words, Liu Ruxue nodded silently and pondered, her beautiful face was indescribably complicated.

In Liu Ruxue’s heart, she only thought that her innocence was ruined by Yue Feng, but she didn’t expect that the whole thing would be so complicated. For a time, I just felt that my brain was buzzing.

A few seconds later, Liu Ruxue tried to calm herself down, but she suddenly thought of something, and looked at Yue Feng puzzled: “You said just now that Prince Aotian put this formation in order to absorb your divine power, why, After the divine power was fused by me, I didn’t feel that the formation was absorbed?”

Hu...

Hearing the question, Yue Feng smiled slightly: “The biggest feature of this Immortal Destruction Array is that it can lock on the target, the target has always been me, and now I have nothing on my body. With divine power, the formation has no target, so naturally it won’t absorb it.”

Hearing this, Liu Ruxue nodded in understanding.

Wait...

And the next second, Liu Ruxue suddenly thought of a key question, and looked at Yue Feng with burning eyes: “You...you have divine power? Could it be that...you are not from the Ziwei Continent? “

When asked, Liu Ruxue couldn’t hide the shock in her heart.

Before, I had been struggling with my innocence and the death of my senior brother Ren Pingsheng, completely ignoring this issue. Now that I suddenly think about it, I realize that Yue Feng, who is in front of me, is the most invisible person.

This...

At this moment, Yue Feng scratched his head, hesitated, nodded and said, "Yes, I don't belong here, I'm from the Kyushu Continent." After speaking, he took some of the situation in the Kyushu Continent. Simply say it.

Kyushu mainland?

Hearing this, Liu Ruxue's delicate body was shocked, and it was inconceivable: "In addition to Ziwei Continent, are there other human continents?" In her knowledge, there is only Ziwei Continent in the human world.

"Of course there is." Yue Feng smiled and said, "Not only the continent of Kyushu and Ziwei, but I have also been to a continent called Roland."

Chapter 5439

mentioned Roland Continent, and Yue Feng couldn't help but think of Fuxi in his mind.

Speaking of which, Yue Feng would not have learned to build a Chaos Teleportation Array if he hadn't happened to encounter Fuxi's remaining soul consciousness in Roland Continent.

It turns out... the outside world is bigger than imagined.

At this moment, Liu Ruxue froze there, unable to calm down for a long time.

"But..."

But soon, Liu Ruxue came back to her senses and looked at Yue Feng: "Even if you are from the Kyushu Continent, you are only human, how can you have divine power? Moreover, the Divine Realm royal family also specially deals with you. .."

Uh...

Feeling Liu Ruxue's doubts, Yue Feng smiled awkwardly: "This... is a long story."

Having said that, Yue Feng glanced outside the door: "Okay. , Don't say it, you have my divine power now, don't be afraid of this Immortal Destruction Formation, I can't do it, if you continue to consume it, I will die here."

"Also, the Prince Aotian is probably coming back soon."

Hehe

Seeing the sadness on his face, Liu Ruxue's beautiful face showed a hint of mockery: "Yue Feng, did you ever think that you have such a day too?"

"You took away that secret before. Gong little girl, when you monopolized the Qimen exercises of the Tianji Palace, you never thought that you would end up like this. Let me tell you, you caused my senior brother to go into trouble before, and you had to use the holy fire to respect the life. Now that you have ended up in such a field, it's also up to you."

When she said this, Liu Ruxue couldn't hide the hatred in her eyes.

Although the senior brother Ren Pingsheng was not killed by Yue Feng, he was directly related to him. If it wasn't for Yue Feng, the senior brother would not have used the holy fire to regenerate the fire, and at the critical moment of his rebirth, he was taken advantage of by the Aotian prince. When he entered, he gave up his body.

I'm going...

Hearing this mockery, Yue Feng couldn't help laughing and crying.

This woman, too, holds grudges too much. I have explained everything clearly, but I am still full of hatred.

Muttering in his heart, Yue Feng said helplessly: "Okay, it's easy for you to kill me now, but what about after you kill me? Chunyang Palace will definitely not let it go."

"Also, that Prince Aotian is now, yes You are using the identity of your senior brother, who controls Lihuo Sect. If you don't take measures as soon as possible, you know better than me what the consequences will be."

"Even if you publish the truth, you can be taken away. How many people believe it? So, the best way is to wait for Prince Aotian to wait, let's defeat him in this hall, otherwise, I'm afraid there will be no chance in the future."

Hearing

this, Liu Ruxue weighed it in her heart, and said angrily: "You said before, he is the royal family of the Divine Realm, so I can defeat him?"

Yue Feng said confidently: "Of course, he just won the house. Your senior brother's body, and he doesn't have primordial spirit yet, you can beat him easily."

When he said this, Yue Feng looked annoyed.

Ma De, if he hadn't taken it lightly before, he wouldn't have been successfully raided by Prince Aotian, and he wouldn't have ended up like this now, but now it's too late to say anything.

The only way is to talk to Liu Ruxue and let her deal with Prince Aotian. After all, she has integrated her own divine power, and she doesn't know how to use it as soon as possible, but it is enough to deal with Prince Aotian who has no primordial spirit.

"Okay!"

Seeing Yue Feng's self-confidence, Liu Ruxue bit her lip tightly. After weighing it, she nodded and said, "I will believe you once, but I tell you, don't think that our grievances are understood, wait until I kill this one. The royal family of the God Realm who killed my senior brother, let's settle accounts slowly."

When the last word fell, Liu Ruxue couldn't hide the anger in her eyes.

She is a dignified saint of Lihuomen, who is pure and clean, but her innocence was taken away by Yue Feng, how can she bear it?

"Okay, it's up to you."

Feeling Liu Ruxue's resentment, Yue Feng was very helpless and smiled bitterly: "After dealing with Prince Aotian, you can do whatever you want with me, even if you promise me..."

After speaking, Yue Feng looked at her with a smile.

Yue Feng knew in his heart that Liu Ruxue would definitely avenge Ren Pingsheng, so before that, he would not easily kill himself. In this case, I couldn't help teasing her.

After all, this atmosphere is too dull.

Chapter 5440

Swish!

In an instant, Liu Ruxue's pretty face flushed, and she was so angry at the time: "Yue Feng, are you courting death?" After saying that, she walked over quickly, wanting to slap him.

This Yue Feng, who is half dead, dares to speak out.

However, seeing Yue Feng's weak appearance, he held back.

There must be something extraordinary about Prince Aotian's ability to seize his senior brother. He knew nothing about him, and it was not an easy thing to kill him to avenge his senior brother, so he still didn't care about Yue Feng for the time being.

After all, only Yue Feng knew how to deal with that Aotian Prince.

Thinking to herself, Liu Ruxue said coldly, "Yue Feng, don't think that I dare not kill you, otherwise, try it."

Uh...

Seeing that she was really angry, Yue Feng scratched his head, very said boringly: "Isn't this a very boring atmosphere, I'm just kidding, why are you being so serious?"

This woman has a cold and fierce personality, and whoever marries her will be unlucky in the future.

"Okay."

Liu Ruxue said impatiently, "Stop talking nonsense, tell me quickly, what can you do to deal with that Prince Aotian?"

Yue Feng smiled slightly and tickled at Liu Ruxue. Finger, when she got close, she explained her plan in detail.

Hearing Yue Feng's plan, Liu Ruxue's beautiful face was full of complexity: "You are so despicable."

Hehe...

Yue Feng smiled and said calmly: "To deal with him, it doesn't matter if you are despicable or not. ." Having said that, Liu Ruxue quickly prepared.

Without hesitation, Liu Ruxue used the formula that Yue Feng had just taught to hide the divine power in her body, then walked to the place where she was unconscious before, lay down and closed her eyes.

Yue Feng, on the other hand, sat there motionless, quietly looking out of the hall.

Yes, Yue Feng's plan is very simple, pretending to be his own divine power, which has been absorbed by the Immortal Extermination Formation, while Liu Ruxue is pretending to be in a coma.

After Prince Aotian came in, Yue Feng caught his attention, and Liu Ruxue took the opportunity to make a surprise attack.

Time passed by minute by minute.

Whoosh!

An hour later, footsteps sounded outside the silent hall, and then, a figure quickly arrived at the door of the hall.

His face was gloomy, and his brows were cold and arrogant.

It is Prince Aotian.

“Haha...” At
