

The ultimate husband in Chinese chapter 1001-1010

Chapter 1001

“It turned out to be the head of Kunlun.”

Duan Yu looked at Hu Sanyang with a half-smile, and said lightly, “I can help you, but from now on, you have to follow me, and you must not have two hearts.”

This Hu Sanyang , Since he is the enemy of Yue Feng and Sun Dasheng, that Duan Yu naturally wants to help him.

But when Hu Sanyang heard this, his face changed.

This Duan Yu wants to be his subordinate himself?

After all, he was also the former head of Kunlun, and now he has to surrender to a young boy.

Not reconciled! Hu Sanyang is not reconciled! But if you don't agree, you and your daughter will probably die here today!

After thinking for a long time, Hu Sanyang gritted his teeth and nodded: “Okay, from now on, I, Hu Sanyang, swear to be by my side, as long as you say a word, I will never refuse!”

“Okay, okay!” Duan Yu showed a smile, approving Nodding: “Your life, I saved.”

When he said this, Duan Yu's expression was extremely cold and arrogant, and he was extremely confident.

“What is your special code?!” Sun Dasheng stepped forward, his eyes gloomy.

Duan Yu, this shabby pen, is thinking of me and Brother Wen as air? Sun Dasheng was burning with anger, holding the axe tightly: “Duan Yu, the person my Dasheng Sun wants to kill, if you say save, save it? When Fengzi destroyed your Duan family and let you escape by chance, today, you can die!”

Sun Dasheng knew I remember that when I was in the bar, Duan Yu slashed 36 times! At this moment, the anger erupted, and Sun Dasheng roared and slashed at Duan Yu with an axe!

“Haha...”

Feeling the power of this axe, Duan Yu's mouth twitched up, his face full of contempt: “Sun Dasheng, you dare to take out this broken axe to show shame?”

The moment the voice fell, a powerful breath burst out from Duan Yu!

The next second, Duan Yu rose into the air.

“Crack!”

Only a loud noise was heard, and the axe burst out!

“Roar!” A burst of dragon roar came, and the two-meter-long mountain axe radiated radiant light! The surrounding air has been completely distorted! hiss!

What a powerful breath! This... what kind of weapon is this? !

Could it be.... this is the magic soldier who was born a year ago?

At this moment, Sun Dasheng, Wen Chou Chou, and Hu Sanyang’s father and daughter were all stunned! All eyes were on Duan Yu, and he couldn’t say a word!

“Give me death!”

Duan Yu didn’t talk nonsense, he waved hard! In an instant, I heard a dragon roar that shocked the heavens and the earth, from the opening axe, and then, a touch of golden light burst out! Go straight to Sun Dasheng and swept away!

His speed is too fast, Sun Dasheng has no time to dodge!

“Great Sage!”

Seeing this scene, Wen Chou Chou’s face changed greatly, and he couldn’t help shouting. He held a folding fan and waved it in the air, forming a protective barrier to block Sun Da Sheng!

At the same time, Wen Chou Chou also rushed over, trying to help Sun Dasheng resist.

boom!

In the blink of an eye, the axe slashed on the barrier, and a loud noise erupted!

Click!

That protective barrier shattered in an instant! Wen Chou Chou and Sun Da Sheng were directly knocked out by the shock, and flew more than ten meters away. After landing, both of them were pale, and they sprayed blood one after another!

With a cold face, Duan Yu slowly descended from the air and landed firmly on the ground!

Chapter 1002

Hiss!

Strong, really strong!

This.. is this the power of the artifact? !

one move!

With just one move, he defeated the powerhouses of the two Martial Emperors!

At this moment, Hu Sanyang stared blankly at Duan Yu, ecstatic in his heart! Haha... Following Duan Yu, why can't I make a comeback? ! Ha ha ha ha!

Duan Yu smiled coldly and walked slowly to Sun Dasheng.

"Sun Dasheng, I'm in a good mood today, so I'll save your life." When he got to the front, Duan Yu said condescendingly: "After you go back, you can send a message to Yue Feng, three days later, I'll wait for him in the star picking building, do the math. Old account!"

Duan Yu's mouth twitched with a hint of gloom: "By the way, I heard that Yue Feng is not only the sect master of Tianmen, but also the leader of the martial arts alliance, you say, he knows that I have a divine weapon, will he dare not dare? Come on? Haha...hahaha!" The

voice fell, and the men behind Duan Yu also burst into laughter!

Ji Linglong said with a smile, "That Yue Feng, if you really don't dare to come, don't call yourself the leader of the Wulin Alliance. It's more appropriate to call yourself the Wulin Coward." The

taunts kept coming, and Sun Dasheng's glasses instantly turned blood red!

How could he tolerate others humiliating Fengzi with his temper? !

"Duan Yu, even if I die today, I'm going to chop you up!"

Sun Dasheng roared, struggling to stand up.

"Great Sage, don't be impulsive!" Wen Chou Chou was so anxious that he hurriedly stopped him.

Wen Chou Chou was also extremely angry in his heart, but he was more rational. He knew very well that if Duan Yu was angered, he and the Great Sage would be angered. Can't live anymore!

After all, this feather has an artifact in his hand!

Feeling the power of the Heaven-Opening Axe just now, Wen Chou Chou was heartbroken!

To be honest, Wen Chou Chou is not afraid, just don't want to die in vain!

"Duan Yu, right? I'll bring it to Fengzi if you want. Three days later, our three brothers will be waiting for you at Zhaixinglou." Wen Chou Chou took a deep breath and said coldly to Duan Yu. When the voice fell, he took Sun Dasheng and turned to leave.

Huh ..

Watching the two brothers walk away, Hu Sanyang breathed a deep sigh of relief, secretly getting away with it. Turning around, he greeted Duan Yu attentively: "Young Master Duan, a hero is indeed a boy! Your axe just now is truly earth-shattering, weeping ghosts and gods."

Duan Yu smiled without saying a word.

Ever since I became prime minister, I don't know how many times I listen to this kind of flattery every day, and I have long been used to it.

At this moment, Ji Linglong came over and couldn't help but asked: "Master Prime Minister, since these two are Yue Feng's brothers, why didn't they just kill them?"

Duan Yu smiled lightly: "You don't know, that Sun Dasheng and Yue Feng is like a brother. I cut Sun Dasheng thirty-six times before, and Yue Feng came to seek revenge on me with red eyes. Now, although I let Sun Dasheng and Wen Chouchou go, three days later, after the battle of Zhaixinglou, they The three brothers will all come to the meeting. When the time comes, I will kill these two brothers with a thousand swords in front of Yue Feng! I will let Yue Feng understand all the most painful things in the world. One more time!"

Ji Linglong nodded suddenly, she could feel that the prime minister really hated Yue Feng! Ji Linglong was silent for a while, and then said slowly, "Master Prime Minister, I think of a way to make Yue Feng suffer even more."

Duan Yu's eyes flickered, and he said coldly, "Speak!"

Ji Linglong smiled and said: "We can send invitations to the various sects in the Earth Circle, and let them watch the battle at the Star-Zhailing Tower in three days! This

matter is publicized, and Yue Feng, as the leader of the martial arts alliance, has to come if he doesn't come. With

that said, Ji Linglong's delicate face showed a bit of insidiousness: "Wait three days later, Yue Feng will come to Zhaixinglou, and I will hold him first. And the Prime Minister, it is to enter the Ouyang family! As far as I know, the Ouyang family are all the people who are closest to Yue Feng. When the time comes, I will hold back Yue Feng, Prime Minister, and kill the Ouyang family! Kill all his relatives!"

"Hahaha... ."

Hearing this suggestion, Duan Yu couldn't help laughing: "Okay, this is a good way, I want Yue Feng to have a good taste of the family's ruin. At that time, I will kill the Ouyang family before killing them. Yue Feng, yes, Ji Linglong, this plan is perfect."

When he said this, Duan Yu's smiling face showed a bit of madness.

Chapter 1003

•On the

other side, Zhongzhou City, Ouyang Mansion.

In the hall, Yue Feng and Ouyang Zhennan were sitting on chairs drinking tea.

Yue Feng has been very depressed these days.

Zhang Duoduo fell from the building and died, and the public opinion on the Internet was one-sided, all accusing Yue Feng. Many people spread rumors that Yue Feng wanted Zhang Duoduo to unspoken rules, but Zhang Duoduo did not agree, and Yue Feng killed him. Others said that Zhang Duoduo was forced by Yue Feng and jumped from the upstairs. Others said that Yue Feng, as the leader of the martial arts alliance, misbehaved and lost his morals. Anyway, what to say.

Yue Feng is speechless!

"Xiaofeng!"

Ouyang Zhennan took a deep breath and said solemnly, "Don't think too much about that female anchor, there will be a day when the truth will come out.

" Open, Ouyang Zhennan also heard about it.

"Father, it's okay for those people on the Internet to slander me, I just want to find the murderer." Yue Feng smiled wryly, clenching his fists secretly. To be honest, in the past few years, I have suffered too many injustices.

It doesn't matter if she is wronged, but what hurts Yue Feng the most is that a kind girl like Zhang Duoduo was actually killed!

"Fengzi!"

At this moment, a loud roar came from outside the door, and then, Sun Dasheng and Wen Chouchou walked in. At this time, the two brothers were pale, and their dantian breath was very unstable. It was obvious that they had fought with someone!

Seeing the appearance of the two, Yue Feng was taken aback: "Brother Wen, Great Sage, what happened?"

Brother Wen and Great Sage are both a Martial Emperor.

It is no exaggeration to say that with such strength, in the entire Earth Continent, it dwarfs the heroes! Who can hurt them both?

Wen Chou Chou stepped forward, sat on a chair, and was about to salute Ouyang Zhennan.

In the end, before he could speak, Sun Dasheng picked up the tea on the table, drank it, and then said first: "Oh, Fengzi, guess who I met with Brother Wen?! Duan Yu, Duan Yu, do you still? Remember?"

Sun Dasheng poured another pot of tea, sipped it, and said, "That kid has now become the prime minister of Xi Cang Continent, and he still has an artifact in his hand. Back then, the nine continents disappeared because of this. Take the artifact!"

"Brother Wen and I were chasing Hu Sanyang, and we happened to meet this kid, right, that artifact is too powerful."

When he said this, Dasheng Sun was aggrieved!

What?

Duan Yu!

And artifacts?

Hearing this, Yue Feng only felt that his brain was buzzing, and the whole person was covered.

When the Duan family was destroyed, only Duan Yu's body was not seen. Yue Feng never imagined that after a lapse of more than a year, this section of Yu would come back strong!

Wen Chou Chou exhaled with a very solemn expression: "Fengzi, that Duan Yu said something, and asks you to go to the Star Picking Tower to fight for life and death in three days and settle the old accounts."

When he said this, Wen Chou Chou covered his face. constant worry.

Duan Yu has the divine weapon, the Heaven-opening Axe, and his strength is terrifying!

Yue Feng breathed a sigh of relief and did not speak.

"Brother Feng!"

At this moment, a voice sounded outside the door, and the next second, Duan Feng walked in quickly, with a very complicated expression.

Arriving in front of Yue Feng, Duan Feng hesitated and said in a low voice: "Brother Feng, there was news from Jianghu just now, that Duan Yu... sent invitations to the major sects and asked them to go to the Star Picking Tower to watch the battle in three days. It is estimated that after three days, all the major sects in the Earth Circle Continent will go to Zhaixinglou to watch the battle."

Duan Feng was very complicated when he said this.

Chapter 1004 The

four gods of the four wars of wind, rain, thunder and lightning were all the adopted sons of Duan Yu's father. In other words, Duan Feng and Duan Yu are still brothers.

When the Duan family was destroyed, the four brothers Feng Yu Lei Dian thought that Duan Yu was dead, but they were convinced by Yue Feng's bearing and joined Tianmen willingly.

In the hearts of the Four Great War Gods, the Duan family's time has become a thing of the past.

But they did not expect that Duan Yu did not die, not only did he not die, but he also returned with an artifact.

What? !

Duan Yu also sent invitations to various schools in Jianghu?

In an instant, Wen Chou Chou, Sun Dasheng, and Ouyang Zhennan were all startled.

"What!" Wen Chou Chou couldn't help but scolded: "This shabby brush Duan Yu is really bad! He deliberately made this matter known to everyone, and when the time

comes, it won't work if Feng Zi doesn't go. Ouyang Zhennan also had a solemn face, nodded and said, “

Xiaofeng is now the leader of the martial arts alliance. If he doesn't fight, he will be laughed at. If he does, he will die. This Duan Yu's move is really sinister.

” At that time, Yue Feng was buzzing in his head, in chaos.

That's right, in this situation, we shouldn't fight! But if you're going to fight, you're really not sure!

Yue Feng sighed softly, looked at Duan Feng and said: “Duan Feng, that Duan Yu was the young master of the Duan family, and now he is back, the four of you brothers, if you want to find him, just go, I will not Stop.”

Puff!

When the voice fell, Duan Feng trembled and knelt down directly: “Brother Feng, you...what are you talking about... Our four brothers, since we have abandoned the dark and turned to the light, and established the Tianmen with you, we will never Regret! Brother Feng, our four brothers, we will never leave in this life!”

“Good brother.” Yue Feng laughed and patted Duan Feng's shoulder.

At this time, Ouyang Zhennan stood up slowly and held Yue Feng's hand tightly: “Xiaofeng, this time, you must not go to the Xingxing Tower, Duan Yu has a divine weapon in his hand, how can you resist it? Ah!”

When he said this, Ouyang Zhennan was extremely worried!

Although his adopted son, although he has the talent of heaven, the other party has a divine weapon in his hand!

Weapons are divided into seven grades, red, orange, yellow, green, cyan, blue, and purple. Artifacts are above these seven levels! Since ancient times, there are very few that can be called divine weapons!

“Father!”

Yue Feng smiled slightly and said slowly: “Since Duan Yu has spread invitations widely in the arena, I must go to this battle.”

He is now the leader of the martial arts alliance.

If you back down from this battle, how will you look up to be a man in the future, and how will Tianmen stand on the rivers and lakes? !

Duan Yu, I saved you a year ago.

This time, you're not so lucky.

Yue Feng's eyes became more and more cold.

–Three

days later.

The news that Duan Yu was in Zhaixinglou and Yue Feng's battle quickly spread throughout the Earth Circle Continent. Every city in the Diyuan Continent, the streets and alleys, are discussing the battle of life and death between the two. Almost all the people with heads and faces in the Earth Circle Continent have received invitations from Duan Yu, inviting many martial arts masters to watch the battle at the Xingxinglou!

For a time, no one in the arena knew that Duan Yu, a former young master from a wealthy family, was destroyed by Yue Feng, and now he is carrying an artifact and is making a strong comeback!

It can be said that this is a battle of revenge! It's also a great battle!

Yue Feng is the hero of the Earth Circle. Everyone should support Yue Feng. But these few days, because of Zhang Duoduo, people from all walks of life in Jianghu and all walks of life have great opinions on Yue Feng.

Almost everyone thought that Yue Feng had harmed Zhang Duoduo.

Therefore, many people supported Duan Yu in this battle for the star-picking building.

Chapter 1005

Donghai City, Star Picking Building.

Zhaixinglou is a place where few people usually come, but today it is really lively!

Because today is the day when Duan Yu and Yue Feng fought to the death.

Yue Feng and Duan Yu are both legendary figures, one is the sect master of Tianmen and the master of the martial arts alliance! The other is the Prime Minister of Xi Cang Continent, and has the peerless divine weapon, the Heaven-Opening Axe!

It can be said that their battle is the most anticipated peak battle for hundreds of years in the Earth Continent!

Therefore, in today's Zhaixinglou, all the sects are here!

Not only that, Donghai City is even more crowded, and many ordinary people also come to join in the fun. The water around the star building will be blocked!

At this time, I saw a huge platform built on the square in front of the Star Picking Building, known as the platform of life and death.

This platform of life and death is as big as ten basketball courts! Around the platform of life and death, there was a cordon, and thousands of seats were set up outside the cordon.

Of course, these seats are all arranged for various sects. At this time, these seats are already full of people.

This life-and-death battle is like a grand event in the arena! Not only the six gate factions are here, but even the Peach Blossom Island, the Iron Palms, the Giant Whale Club, the Beggar Gang, etc. are all sitting here to watch the battle!

It is worth mentioning that even Fuyao Palace came and received an invitation from Duan Yu.

“Wow!”

When the six fairies of Fuyao Palace arrived, there was an uproar around everyone!

These six fairies, whether they are Bai Shengshui or Erqing, are all superb! After they took their seats, every sitting posture was conservative and sexy, and the men around them all looked straight.

However, they dared to look at it from a distance and dare not blaspheme. After all, everyone knows the strength of these six fairies!

On the periphery of these seats, there are hundreds of thousands of Donghai City citizens, all of whom are eagerly waiting, waiting for the start of this peak battle.

“Om!”

At this moment, only a loud eagle croak was heard, rising into the sky! Immediately after, a big snow-white eagle swooped down!

I saw a figure standing proudly on the back of this big eagle! Who is it if it's not Yue Feng!

Behind Yue Feng were Sun Dasheng, Wen Chou Chou, Su Qingyan and others.

“Look, Yue Feng is here!”

“Yue Feng...”

In an instant, there was a commotion among the ordinary people outside the stands.

However, the various sects sitting there had indifferent expressions and did not express excitement.

In the past two days, the story of Yue Feng killing the female anchor has gone crazy in the Jianghu.

In the hearts of these sect leaders, they also believed that the murderer was Yue Feng.

As the leader of the martial arts alliance, but doing this kind of thing, these sects feel shameless! This Yue Feng is simply a scum in the martial arts!

Yue Feng didn't notice the attitude of these people. The moment he landed on the platform of life and death, he was stunned when he saw the crowd of people around him.

Nima.

Is this the whole of Donghai City? !

The next moment, Yue Feng's eyes fell on the six fairies, and a smile appeared on his face.

Haha, Fuyao Palace is here too! Yue Feng's eyes swept over the six fairies one by one, and he couldn't help but secretly admire them.

I haven't seen each other for a long time, these fairies are getting more and more charming.

Especially when the six sisters are sitting together, their exquisite faces and sexy bodies can be said to have their own merits, which is simply dizzying and intoxicating!

It's a pity that the two fairies are fragrant and jade is lost. Otherwise, if the seven fairies are all there, it would be perfect.

“Yue Feng!”

At this time, the little fairy Erqing bit her lip lightly, she couldn't help but waved her hand to Yue Feng, called him to her side, and said softly, “When the decisive battle is over, you can... Be careful.”

When Duan Yu's invitation was first received, none of the six fairies knew who Duan Yu was.

But later, when they learned that Duan Yu actually possessed the Heaven-Opening Axe, the six sisters were extremely shocked. So at this time, the little fairy saw Yue Feng and was worried, so she couldn't help but remind her.

Haha...

This little fairy is still as cute as ever.

Feeling the little fairy's concern, Yue Feng was in a good mood and looked at her with a smile: "Thank you little wife for your concern. Have you missed your husband these days?"

Yue Feng leaned over while talking.

"Yue Feng, you!"

The ultimate husband in Chinese chapter 996-1000

Chapter 996

At this moment, a figure flew out of the woods with lightning fast speed!

boom! boom! boom!

In the blink of an eye, several disciples of the Hall of Longevity didn't know what was going on, all of them were tapped on acupuncture points, and they froze there and didn't move.

Immediately, the figure landed in front of Xue Li, a sinister smile evoked at the corner of his mouth, resentment flashed in his eyes, and his body filled with suffocation.

Who else is Hu Sanyang? !

"You..."

Xue Li's expression changed, she looked at Hu Sanyang closely, and trembled, "Who are you? What are you doing?"

As she spoke, Xue Li looked at Hu Linger in a complicated way. At this time, Xue Li realized that she had been deceived.

“Who am I?”

Hu Sanyang sneered, looking at Xue Li, his eyes full of teasing: “You should ask your husband Wen Chou Chou, when the three brothers joined forces to destroy my Kunlun, how majestic, I never thought of it, His beloved wife, will one day fall into my hands, Hu Sanyang, huh...”

What? !

Hu Sanyang!

Hearing this, Xue Li's body trembled! Of course she had heard of this name!

Hu Sanyang sneered and said to Hu Linger: “Linger, kill all the disciples of the Hall of Longevity.”

While speaking, Hu Sanyang's eyes flashed with cruelty.

This chapter is provided by . Visit for daily update.

Hu Linger nodded, took out the long sword, and walked over step by step.

“what!”

The next second, accompanied by a scream, several disciples of the Hall of Longevity all fell into a pool of blood. They were blocked by Hu Sanyang and could not dodge at all.

“You...”

Seeing this bloody scene, Xue Li's eyes darkened and she almost fainted. She looked at Hu Sanyang in a panic: “You dare to hurt me, Brother Wen won't let you go!”

Hu Sanyang sneered. : “Li Huo, you still dare to threaten me?!” The

voice fell, Hu Sanyang walked over quickly, and slapped Xue Li in the face fiercely!

“Crack!” A

crisp slap sounded, Xue Li let out a low cry, she took a few steps back and fell to the ground.

Hu Linger watched indifferently, without the slightest sympathy! This girl is very kind, but she will never forget the scene when the three Yue Feng brothers destroyed Kunlun! That scene is still vivid in my mind, and Hu Linger's heart only has hatred!

"Don't worry, I won't kill you all at once, I will torture you slowly." Hu Sanyang looked up and down at Xue Li's figure, with a wicked smile on his face, he slowly approached.

Although Xue Li has a big belly, the charm of that mature woman is still hard to extricate.

Hu Sanyang's eyes made Xue Li panic, and she slowly backed away: "You...don't come here..."

Xue Li was about to cry, and her heart was full of regrets! You shouldn't have come out! At this time, Xue Li's mind was all about Wen Chou Chou.

By the way...phone!

Xue Li took out her phone tremblingly and wanted to call Wen Chou Chou.

However, as soon as he took out the phone, Hu Sanyang rushed over and grabbed the phone.

"Do you still want to make a phone call?" Hu Sanyang sneered: "I tell you, no one can save you today! Don't blame me for being cruel and ruthless. If you want to blame me, blame yourself for being with the wrong person! Haha, hahahaha!"

"Kacha!" The

voice fell, and Hu Sanyang's inner strength moved, pinching the phone to smash!

Done.

Seeing this situation, Xue Li's face was pale and completely desperate!

Chapter 997

.....

Donghai City, the Hall of Longevity.

In the hall, Wen Chou Chou and Sun Dasheng were sitting there drinking and chatting.

"Brother Wen, what's the matter with this Fengzi? Why are you still with a female anchor?" At this time, Sun Dasheng held his mobile phone and looked at the criticism of

Yue Feng on the Internet, and said speechlessly. : “Fengzi played a female protagonist? I don’t believe it. Now that there are so many spoofs, you can frame people at will?”

“

Ugh.

Wen Chou Chou also sighed: “The current online violence is indeed serious.”

Sun Dasheng was suddenly anxious: “What should we do? How can we help the wind.”

Wen Chou Chou shook his head: “How to help, the power of public opinion You can’t see it, you can’t touch it, and it’s not a fight with real knives and real guns. If there are rumors, some will follow suit. There’s really no way.”

Nima!

Hearing this, Sun Dasheng cursed inwardly.

Buzz...

At this moment, Wen Chou Chou’s phone suddenly vibrated. Taking it out, it turned out to be Xue Li calling.

Xue Li’s hospital has a lot of patients. How can I usually call myself? what happened today?

I thought to myself that Wen Chou Chou was about to answer, but before he could answer, the phone hung up. When Wen Chou Chou hit him, he heard the beep sound of the other party shutting down.

Shut down?

Wen Chou Chou was sweating profusely in an instant, and stood up all of a sudden!

Seeing that his face was wrong, Sun Dasheng hurriedly asked, “What’s wrong? Brother Wen?”

Huh!

Wen Chou Chou took a deep breath: “There may be something wrong with your sister-in-law. I have to go to the hospital to have a look.” After the words

fell, Wen Chou Chou walked out quickly.

Hearing this, Sun Dasheng's face became solemn, and he didn't have time to ask any more questions, so he quickly followed.

At three o'clock in the afternoon, the two brothers arrived at the 'Changsheng Medical Center'. As soon as they entered the door, the two brothers were stunned. In the hospital, Xue Li was not there at all.

This time, Wen Chou Chou panicked, and his heart skipped a beat. He called Xue Li again, but the other party was still turned off.

"Where's Madam, where has she been?"

Wen Chou Chou became more and more uneasy when he said this!

"Palace Master, Madam just went out to save people. The other party was a little girl. She said that the patient's condition was very critical. A few brothers followed." The disciple said tremblingly.

Hearing this, Wen Chou Chou was completely angry: "Didn't she let her leave the hospital?"

"Hall Master... Madam insists on going... We... can't stop it..." The disciples looked at each other and lowered their heads. .

"Brother Wen, don't worry." Sun Dasheng quickly pulled Wen Chouchou: "Brother Wen, the mobile phone has a location now, hurry up and check it out, where was my sister-in-law when she called."

"Yes, yes.. ."

Being reminded, Wen Chou Chou quickly took out his mobile phone and checked it.

Locked in place quickly.

The northern suburbs of Donghai City!

At this moment, Wen Chou Chou and Sun Dasheng looked at each other and rushed over without hesitation.

Chapter 998

.....

At this moment, the northern suburbs of Donghai City.

Xue Li was tied up by five flowers! Hu Sanyang dragged her into the woods, with Hu Linger following behind.

At this time, Xue Li was so frightened that she had lost her mind, and her tears kept flowing. The phone didn't get through just now, and the phone was destroyed.

Are you going to die here?

The more scared Xue Li was, the more excited Hu Sanyang became. At this time, he waved at Hu Linger: "Linger, come here. Stab her in the stomach!"

What?

Hearing this, Xue Li's body trembled and her face was extremely pale!

She never thought that Hu Sanyang was so cruel!

"Dad..." Hu Linger

was also stunned, and the hand holding the sword trembled a little: "This...is this a bit too cruel?"

.

Her father let her cheat Wen Chou Chou's family out, she didn't hesitate. But taking action against an unborn child is not very good..

"cruel?" Hu Sanyang laughed: "Linger, have you forgotten how our Kunlun was destroyed?! Forgot we were in Fuyao Palace. , the days of being under the fence of others?! Linger, you still don't understand, being kind to the enemy is cruel to yourself! Think about it, many of your senior brothers died at the hands of those three brothers! This woman, is How could that ugly wife forgive her?!"

When he said this, Hu Sanyang's eyes were full of anger!

Although he loves his daughter very much, he also hopes that she can grow up quickly through these experiences.

Facing her father's urging, Hu Linger clenched her hands tightly, shook her head and said, "Dad, this woman really deserves to die, but... but the child in her womb is innocent... Otherwise, I'll just kill this woman. "

Speaking, Hu Linger bit her lip and walked towards Xue Li step by step.

Xue Li was so nervous that she wanted to struggle, but her hands and feet were tied and she couldn't move at all.

Ugh!

Hu Sanyang sighed and stopped Hu Linger: "My dear daughter, this woman can't be killed yet."

After speaking, Hu Sanyang's eyes fell on Xue Li, and he smiled and said, "I am practicing Netherworld Dafa now, and I have to absorb her vitality, come here. Improve my strength, hahahaha!"

What?

At this moment, Xue Li's body trembled, and she looked at Hu Sanyang closely: "It's you! Those women are all sucked by

you

! Yang Tian laughed loudly, looked at Xue Li, and joked: "Yes, it's me, I did it all. But don't worry, you will be like them soon, but before I absorb your vitality, I will let you Experience it, what is pain, what is it that you want to live with! What is life is better than death!"

After speaking, Hu Sanyang drew out his long sword, stared at Xue Li's stomach, and walked step by step.

Since Linger couldn't bear it, she could only do it herself!

Seeing Hu Sanyang approaching step by step, Xue Liqiao's face turned pale, she was completely desperate, and tears poured out!

Brother Wen.. I'm sorry..

I didn't protect myself, let alone our children.

Xue Li bit her lip tightly, tears rolled down her face, and her clothes were wet.

"ZuiZuZu..." Hu Sanyang looked at Xue Li with a smile, and said coldly, "You bastard, what's there to cry about? Do you still feel wronged? Did you know that those three brothers killed me? How many Kunlun disciples? Do you know! Hundreds of thousands of my Kunlun disciples died at their hands!"

At this time, Hu Sanyang also came to Xue Li, with cruel eyes flashing, and grinning: "Don't worry, I am the most important person. I like the beauty of an adult. After you die, I will send Wen Chou Chou down soon, so that your family of three will be reunited."

After he finished speaking, Hu Sanyang suddenly raised his hand and stabbed Xue Li's stomach with his long sword!

Chapter 999

Xue Li closed her eyes, looked at the sword in Hu Sanyang's hand, and stabbed it suddenly, she was completely desperate!

"Whoosh!"

At this critical moment, a stream of light suddenly shot, like lightning, hitting the long sword in Hu Sanyang's hand.

"Clang!"

With a metal collision, Hu Sanyang only felt a strong force coming, and the long sword suddenly flew out of his hand!

At the same time, the streamer also fell steadily on the tree next to him.

It is a giant axe!

"Hu Sanyang!"

At the same time, a loud shout sounded from not far away, and then, saw Sun Dasheng and Wen Chou Chou, rushing over with red eyes!

"Sun Dasheng! Wen Chou Chou!"

Hu Sanyang's eyes were instantly blood red when he saw the person coming, and he gritted his teeth and said coldly!

Enemies meet, especially jealous!

But at the same time, Hu Sanyang was also shocked. He can feel that the strength of Sun Dasheng and Wen Chou Chou is already a period of Martial Emperor? !

I haven't seen each other for more than a year, and both of them have reached the level of Martial Emperor!

At this moment, Hu Sanyang was shocked and unwilling! You must know that you have been working hard for so long in Fuyao Palace, and until now, your strength is only the fifth rank of Martial Saint!

As for Sun Dasheng and Wen Chou Chou, their strengths were far inferior to their own, but now they have reached such a high level!

Why!

“lady!”

At this moment, Wen Chou Chou rushed over and picked Xue Li up. Seeing the fingerprints on her face, his heart ached: “Madam, how are you...”

While asking, Wen Chou Chou quickly checked Xue Li’s condition , I found that there was no injury, the children and adults were all right, and I was relieved.

However, the anger in my heart is rising!

“Hu Sanyang!”

At this time, Sun Dasheng stared at Hu Sanyang with blood-red eyes, and shouted angrily: “Am I going to slap you! If you want revenge, find me and Brother Wen! Now, if you shoot a defenseless woman, your special code is still there. Are you human? I’m going to kill you today!”

After he finished speaking, Sun Dasheng pulled out his axe from the tree and chopped it directly at Hu Sanyang!

Sun Dasheng is a hot personality. Seeing Hu Sanyang tied up his sister-in-law, his anger suddenly exploded!

hum!

This axe, Sun Dasheng stimulated eight layers of internal force, and the air was torn as if the axe passed by!

Feeling the power of the axe, Hu Sanyang’s face changed greatly, he didn’t have time to think about it, he pulled his daughter Hu Linger, turned around and ran!

He is only a fifth-ranking Martial Saint, how can he be Sun Dasheng’s opponent!

“Great Sage, don’t let him run away!”

At this moment, Wen Chou Chou’s face was ashen, and he couldn’t help shouting. As soon as the words fell, Wen Chou Chou quickly untied the rope on Xue Li’s body and handed it over to the disciples of the Hall of Longevity to take care of it, and also chased after him.

At this time, the text is ugly and ugly, burning with anger!

Although he came in time, Hu Sanyang has not hurt his wife. But the previous gentle death made Wen Chou Chou decadent for a long time before he came out of the shadows. After marrying Xue Li, Wen Chou Chou secretly swore that she would never be hurt in the slightest!

Hu Sanyang has stepped on the bottom line of Wen Chou Chou!

Today, Feixi must kill him!

“Huh..”

Hu Sanyang ran desperately, seeing the two Sun Dashengs behind him, getting closer and closer to him, he couldn't tell how anxious he was in his heart.

At this time, Hu Sanyang almost wanted to cry without tears!

I thought that cheating Wen Chou Chou's wife out today would not only absorb the essence, improve the strength, but also let out a bad breath after killing her.

Unexpectedly, Wen Chou Chou and Sun Dasheng rushed over at the critical moment. What made him collapse even more was that these two brothers were already Emperor Wu!

In a panic, Hu Sanyang took Hu Linger to a cliff by the sea.

Done.

Seeing the cliff with a height of several hundred meters, Hu Sanyang's face turned pale.

Chapter 1000

Hu Linger also couldn't hide her fear, her lips trembling: “Dad, what should I do?”

Hu Sanyang was full of bitterness and didn't know how to answer.

There is no way out of the current situation! Is this God's will? Is God going to kill himself?

Not reconciled, not reconciled!

At this time, Sun Dasheng and Wen Chou Chou had already caught up!

Seeing the cliff behind Hu Sanyang, Sun Dasheng clenched his fists tightly: “Hu Sanyang, give me a special code to die!” After the

voice fell, Sun Dasheng held a giant axe and walked over step by step!

Wen Chou Chou didn't speak, but there was a strong killing intent in his eyes!

“Yo... I saw a fight when I first came here, it's interesting.”

At this moment, a mocking voice suddenly came from not far away. This voice was very charming, and when ordinary men heard it, they couldn't hold it at all.

The sudden voice sounded, and the two brothers were taken aback at the same time, and turned their heads along the voice.

On the mountain road not far away, several people came slowly, and one of them was very eye-catching.

This woman, dressed in a hollowed-out purple dress, set off her tight figure, and was indescribably charming and sexy. Delicate face, revealing a bit of evil charm.

Totally a captivating stunner!

Beneath this woman's beautiful appearance, there is a palpitating danger pervading her!

hiss!

Seeing this beauty, Hu Sanyang couldn't help taking a deep breath!

beautiful!

What a beautiful woman!

"Zizhu... Dasheng Sun? It's been a long time."

At this moment, a very cold voice sounded behind the beauty. Immediately afterwards, a handsome figure walked out slowly, with handsome facial features, revealing a cold killing intent!

Duan Yu!

And that seductive woman is the head of the Five Poison Sect, Ji Linglong!

A few days ago, Duan Yu decided to come to Diyu Continent in person to seek revenge for Yue Feng.

Because Yue Feng is from Donghai City, their first stop is Donghai City.

Just now, Duan Yu brought Ji Linglong and others, and when they arrived, they happened to meet Sun Dasheng and two, chasing Hu Sanyang.

What?

It's him...

At this moment, seeing Duan Yu, Sun Dasheng's expression was startled, and he was indescribably shocked!

A year ago, Fengzi destroyed the Duan family. Didn't all the Duan family die?

How... how is this kid still alive? !

"You're not dead?!" Sun Dasheng clenched his fists and almost roared out!

At the same time, Sun Dasheng secretly sensed the strength of the next Duan Yu, and his heart sank again!

Second paragraph of Wuhuang? !

Duan Yu at this time, turned out to be the second paragraph of Martial Emperor? !

"Hahaha..."

Seeing the change in Sun Dasheng's expression, Duan Yu laughed up to the sky, unable to hide his inner resentment, he almost gritted his teeth and said, "Sun Dasheng. You and Yue Feng are still alive and well, how could I die first? "

Thinking of the tragic situation of his Duan family being destroyed, Duan Yu's eyes flickered with anger, and the whole body was filled with evil spirits!

"Who are you?" Duan Yu's eyes slowly fell on Hu Sanyang, and he asked in a cold voice.

At this moment, Hu Sanyang was swept away by Duan Yu's gaze, his soul trembled, and he hurriedly said, "This... this hero, my name is Hu Sanyang, originally the head of the Kunlun faction. A year ago, the three of them The brothers joined forces to destroy my Kunlun, and now they want to kill me, beg the heroes to help!"

Although he didn't know Duan Yu, Hu Sanyang could feel his strength! This person's strength is unfathomable, unfathomable!

At the same time, Hu Sanyang also saw that Duan Yu and this great sage Sun had an inseparable feud!

Hu Sanyang is extremely cunning, and he is very good at seeing the wind and the rudder. Seeing that the situation has changed at this time, he will naturally not miss the opportunity! As long as this Duan Yu is willing to help, he and his daughter will be saved! I won't die here today!

The ultimate husband in Chinese chapter 1006-1010

Chapter 1006 The

little fairy was so angry that her face turned red.

This Yue Feng, who is about to fight to the death, is not serious! He likes to take advantage of this, and he can't change it.

"I shouldn't care about you!" The little fairy snorted and turned around, indescribably beautiful and charming.

As a result, at this moment, the surrounding sect disciples pointed at Yue Feng one by one, and there were many discussions!

"Even a few fairies in Fuyao Palace dare to tease, this Yue Feng is so daring..."

"Yeah, it's still the leader of the alliance, he's not stable at all."

"In the past few days, there have been rumors from outside that Yue Feng's color With a big heart, I killed that Zhang Duoduo, it seems to be true."

In the surrounding discussions, the heads of the six sects also all had sullen faces and complicated eyes.

Lingbao Zhenren, Gongsun E and the others looked at each other and saw the anger in each other's eyes!

In the past few days, Internet public opinion has been spreading, that Zhang Duoduo who fell from the building once rejected Yue Feng's unspoken rules before being killed by Yue Feng.

At the beginning, the heads of various sects did not believe it.

But now, seeing Yue Feng speak frivolously to the six fairies in Fuyao Palace in front of so many people, without a bit of formality, these sect masters immediately believed in those public opinions.

To let such a person be the leader of the alliance is simply a disgrace to the martial arts in the world! It seems that this martial arts alliance leader should be changed!

After a while, everyone was almost there, but Duan Yu didn't show up.

"Fengzi!"

This chapter is provided by . Visit for daily update.

Sun Dasheng looked around, frowned secretly, walked over and said to Yue Feng: "Oh, Duan Yu asked you to fight here, but we came, but he didn't show up, this is a scumbag.

" At that time, Sun Dasheng couldn't hold back the anger in his heart.

Three days ago, I and Brother Wen suffered a loss under Duan Yu.

Today, in front of the entire martial arts world, we must earn face back.

Yue Feng knitted his brows tightly, but did not speak, and was also muttering in his heart.

what happened?

It stands to reason that Duan Yu should be more anxious than himself if he wants to seek revenge on himself.

Why did he come by himself and he hasn't appeared yet?

Wen Chou Chou, who was next to him, pondered for a while, and said with a solemn expression: "That kid is very cunning, let's all be careful, pay attention, and don't be attacked by him." As he

said, Wen Chou Chou alerted the surroundings.

Although Zhi and Duan Yu had met once, Wen Chou Chou knew in his heart that the other party was difficult and difficult to deal with.

Su Qingyan didn't speak, but she also closely guarded behind Yue Fengshi. Originally, Yue Feng didn't intend to let her come, but Su Qingyan was not at ease, and she had to follow whatever she said.

"Tsk tsk... it's all here. This scene is really spectacular."

At this moment, a charming laughter came, and there was a charming taste in the laughter.

Looking from a distance, I saw a slender figure, accompanied by a few people, slowly walked over.

It was Ji Linglong!

At this time, Ji Linglong, wearing a black body-fitting long dress, with exquisite and concave and convex curves, was clearly revealing and evoking imagination.

However, Yue Feng did not dare to be careless. This woman's surface is charming and moving, but her body is filled with a dangerous aura, which should not be underestimated.

"Wow!"

As soon as Ji Linglong appeared, everyone gasped.

What a beautiful woman! Simply a generation of stunners!

For a time, all eyes were focused on Ji Linglong, and many men were fascinated by it!

"Fengzi!" Wen Chou Chou whispered, "This woman is Duan Yu's subordinate."

Duan Yu's subordinate? Hearing this, Yue Feng was stunned for a while, secretly sensing Ji Linglong's strength, and couldn't help being secretly surprised.

Nima.

The strength of a period of Emperor Wu.

A section of Martial Emperor, actually willing to serve Duan Yu, that Duan Yu's strength, isn't it stronger?

Thinking to himself, Yue Feng looked at Ji Linglong and said lightly: "Where is Duan Yu?"

Ji Linglong smiled charmingly, looked up and down Yue Feng, and said with a light smile: "You are Yue Feng. You are indeed a young talent at such an age. It's really admirable to be the leader of the martial arts alliance." The

words were full of teasing and teasing, and there was no sense of admiration at all.

Chapter 1007

Yue Feng was too lazy to talk nonsense, looked at Ji Linglong, and said coldly again: "I ask you, where is Duan Yu?!"

“Don’t be in such a hurry.”

Ji Linglong smiled coquettishly, her charming face, revealing With a bit of resentment: “The Prime Minister has some personal business to do, and it may be a little late, so let me come over to entertain you first. You wait a moment, Lord Duan will be here soon.”

When saying this, Ji Linglong said Smile slightly. Of course Duan Yu will not come in a short period of time. Because now, Duan Yu has rushed to the Ouyang family. To slaughter the Ouyang family!

And Ji Linglong’s task is to hold back Yue Feng, the longer the better!

“Crack, snap!”

At this moment, Ji Linglong patted her hand lightly, and suddenly, a few strong men behind her came over.

In the hands of these strong men, they were holding jugs and jade cups.

Seeing this scene, the three Yue Feng brothers looked at each other. Which one is this singing?

“Master Duan told me that there is an old saying in your land that rounds the continent. It’s called rituals before soldiers.” Ji Linglong said with a smile: “We, Master Duan, said that even though we have an undeniable feud with you, Yue Feng, we also admire them. You’re a man, so I’d like to invite you to a glass of wine first, I think, Alliance Leader Yue shouldn’t be so stingy and don’t give face, right.” The

voice fell, and the man next to him had already poured the wine and handed it over.

For a time, the air was filled with a strong and mellow wine aroma.

“Did I go to you!” Sun Dasheng shouted, raised his hand and knocked over the wine glass, stared at Ji Linglong, and said coldly: “Short the extra code nonsense, let Duan Yu get out, and have a good fight!”

Ji Linglong didn’t speak, but a playful smile appeared on her charming face.

“Yue Feng, there’s something wrong with this wine!” At this moment, Su Qingyan frowned and couldn’t help but speak.

Su Qingyan could clearly feel that her body was soft at this time, and she couldn’t exert any strength. Not only that, but the internal force of his body could not be released, and his dantian seemed to be suppressed, which was a sign of poisoning.

Obviously, there was poison in the wine just now. Moreover, this poison does not need to be drunk, as long as you smell the alcohol, you can be poisoned.

When she said this, Su Qingyan only felt that her legs were weak, and she couldn't even stand.

What?

Is the wine poisonous?

In an instant, the people in the audience were in an uproar!

"It's too despicable to poison before the battle of life and death begins."

"Didn't that Duan Yu have an artifact? Why are you still playing this kind of trick?" There was a

lot of discussion around, but they were not poisoned. Because the kind of poison Ji Linglong put down just now is only effective for the people nearby, and the people under the stage are not in danger. At this time, only Sun Dasheng, Wen Chouchou, and Su Qingyan were poisoned.

Yue Feng looked at Ji Linglong coldly, unable to hide the anger in his heart: "Is Duan Yu only capable of that? Let him get out!"

At this time, Yue Feng didn't know that Duan Yu was not in the Star Picking Building at all.

...

On the other side, Liu Xuan's house!

Liu Xuan put on her mask and hurried out.

In the past few days, it has been rumored everywhere in Donghai City that Yue Feng and Duan Yu are going to have a life-and-death battle in the Zhaixing Building. There are discussions everywhere in the streets and alleys, and Liu Xuan naturally heard about it.

That Duan Yu, Liu Xuan will not forget.

At the beginning, Duan Yu made a lot of money for himself when he did the live broadcast by himself, and finally asked himself to meet in a bar, but the result was a bad plan. It's just that I was stupid and didn't know it.

Later, in order to save himself, Sun Dasheng was stabbed 36 times by Duan Yu, almost losing his life. Because of this incident, Yue Feng ignored him for a long time.

Later, I heard that the Duan family was destroyed. But Liu Xuan never thought that Duan Yu didn't die, and he got the peerless magic weapon and came back to seek revenge for Yue Feng.

Speaking of which, the grievances between the two sides are all because of themselves.

At this moment, thinking of those past events, Liu Xuan became anxious.

Husband, you must win.

There must be nothing wrong.

Thinking to herself, Liu Xuan quickly walked out of the door and ran towards the Star Picking Building.

Whoosh!

At this moment, just as Liu Xuan got into the car, she saw a figure flying quickly across the sky.

Handsome appearance, handsome figure.

Chapter 1008

Who is not Duan Yu?

In an instant, Liu Xuan's heart was shocked and she was stunned.

At this time, shouldn't Duan Yu fight Yue Feng in the Xingxing Building? How would it appear here?

Liu Xuan bit her lip tightly and chased Duan Yu while driving. At the same time, she took out her mobile phone and called Yue Feng.

To be honest, Liu Xuan didn't want to take the initiative to contact Yue Feng, for fear that he would come to entangle him again. After all, she was so ugly now that she was no longer worthy of him. But seeing Duan Yu and rushing towards Zhongzhou City, the situation was too abnormal, and he had to tell Yue Feng to be careful.

.....

On the other side, Zhaixinglou.

A smile appeared on Ji Linglong's face. She thought that Yue Feng had also been poisoned, and said with a smile: "Major Yue, don't be impatient, Lord Duan said, let me treat you well, but you don't drink the wine I toasted, I have no choice but to With a little trick, you have been poisoned."

"Huh.." Sun Dasheng clenched his fists tightly, sat cross-legged, and used his inner strength to expel the poison.

However, what surprised him was that the more he stimulated his inner strength, the stronger the soreness and numbness on his body!

Seeing this scene, Ji Linglong smiled and said, "I advise you not to try to expel poison. What I use for you is our Five Poison Sect's 'Zhuxin Rugugu San'. The faster it spreads."

Punishing Heart Rotten Bone Powder?

Hearing this, Wen Chou Chou and Su Qingyan's expressions changed.

This poison, the name is terrifying.

Jingle Bell..

At this moment, he heard the ringing of the mobile phone, Yue Feng let out a sigh of relief and took out the mobile phone. Seeing that Liu Xuan was calling, Yue Feng was startled and answered quickly.

"Yue Feng, Duan Yu went to Zhongzhou City, be careful..." At the moment of connection, Liu Xuan's anxious voice came, and hung up before Yue Feng could respond.

What?

Duan Yu went to Zhongzhou? !

He... is he going to attack the Ouyang family?

In an instant, upon hearing this, Yue Feng was furious in his heart! Duan Yu led himself here, but Duan Yu entered the Ouyang family!

"Om!" At this moment, Yue Feng was full of suffocating energy and burst out!

"You...you're not poisoned?" Ji Linglong's pretty face changed, and she couldn't help but tremble. She could feel that her poison was useless to Yue Feng!

How is this possible?

'Zhu Xin Rot Bone Powder' is the most powerful poison of the Five Poison Sect. It is colorless, odorless, and extremely poisonous. Even the powerhouses at the peak of Martial Emperor can't resist it!

The Yue Feng in front of me, I clearly smelled it just now, how could it be all right?

He is only a Martial Emperor!

Seeing that Yue Feng's face changed greatly, Wen Chou Chou asked weakly, "Fengzi, what's wrong?"

Huh!

Yue Feng gritted his teeth, took a deep breath, and said with blood-red eyes, "Duan Yu is not here, he went to the Ouyang family."

What?

Hearing this, Wen Chou Chou and Su Qingyan's expressions changed drastically.

This situation is obvious, Duan Yu deliberately challenged, led Yue Feng to the Star-Zhailing Building, and then asked his subordinate Ji Linglong to find a way to hold it back. On the other hand, Duan Yu secretly rushed to Zhongzhou City to destroy the Ouyang family.

After all, the current Ouyang family is already Yue Feng's home, and his biological parents are also there.

Duan Yu did this because he wanted Yue Feng to have a taste of the ruined family.

This trick is too vicious!

Whoa!

At the same time, everyone present was in an uproar.

It turned out that Duan Yu didn't even think about fighting Yue Feng in a life-and-death battle in the Zhaixing Building. His main purpose was to destroy the Ouyang family first.

Seeing that the plan had not been seen through, Ji Linglong frowned and quickly retreated.

"Yue Feng, even if you know the truth now, it's too late." Ji Linglong looked at Yue Feng with a half-smile, her eyes full of abuse: "Now, the Prime Minister, you should have started killing, hehe... ."

Chapter 1009

Swish!

At this moment, Yue Feng's eyes were extremely blood red, and he stared at Ji Linglong tightly, wishing he could tear her to pieces!

Yue Feng gritted his teeth, turned his head and said to Sun Dasheng: "Dasheng, Brother Wen, Qingyan, can you still leave?"

At this time, Yue Feng just wanted to hurry back to the Ouyang family for support!

"Let's go?"

Ji Linglong, who was not far away, smiled smugly: "Leader Yue, you underestimate my Five Poison Sect's 'crushing heart and rotten bones', let me tell you, within half an hour, if the three of them don't take the antidote, your bones will rot, and Qikong will bleed to death. At that time, you will only have to collect their corpses for them."

Am I cheating on you!

Hearing this, Yue Feng was completely furious, burning with rage!

hum!

The next second, a terrifying aura erupted from Yue Feng's body.

"Hand over the antidote, I'll spare you not to die." The

voice fell, and Yue Feng's body flashed, thinking that Ji Linglong rushed over, and a terrifying palm burst out.

In an instant, the surrounding air was extremely distorted under the surging of this violent power.

So strong!

Ji Linglong's face changed, but she didn't panic too much. She chuckled lightly, her body was like a snake, and she avoided the direction of Zhaixinglou behind.

boom!

That palm landed on Ji Linglong's position just now, and was blasted out into a deep pit with a diameter of dozens of meters, with such terrifying power.

However, Ji Linglong managed to avoid it and was not hurt. But seeing the power of that palm, Ji Linglong couldn't help but palpitate!

"Everyone present here, I, Yue Feng, is now the leader of the martial arts alliance. I order you to quickly support the Ouyang family. Make no mistake." In the next second, Yue Fengqi raised his dantian, and his strong voice spread throughout the entire Xingxing Building.

The three lives of the Great Sage are at stake, and he must get the antidote.

But on the Ouyang family's side, they must also support quickly.

However.

Hearing Yue Feng's order, hundreds of thousands of martial arts masters were present, looking at each other and sitting firmly on the chairs, how could they seem to obey the order at all? !

"Yue Feng!"

At this moment, the head of Tianshan said in a complicated tone: "You are the leader of the martial arts alliance, but your conduct is not good enough to kill Zhang Duoduo! From now on, I no longer recognize you as the leader of the alliance, you I can't do it!" As soon as

the voice fell, other sects also spoke.

"Yes, Yue Feng, you are no longer qualified to be our leader." "Zhang Duoduo

is unarmed, you can do it, what qualifications do you have to be the leader, and what qualifications do you have to order us?!"

A sentence of my accusation came, Yue Fengqi's whole body was trembling, and his brain was buzzing!

Nima.

At such a critical juncture, these people are so cold-blooded!

At this moment, I only saw the little fairy standing up slowly, and her eyes swept across the crowd: "Don't you feel ashamed for saying these words?!" The

little fairy stomped her feet angrily and scolded: "Before You slandered Yue Feng, saying that he defiled his younger brother and sister, and later, the truth has not come out? The matter of Zhang Duoduo has not been revealed yet, why do you say that he is the murderer?"

When saying this, the little fairy Very excited, her delicate body trembled faintly.

When the words fell, Bai Shengshui also stood up and said, "Everyone, I believe that Yue Feng has been wronged for this matter. Besides, now is not the time to talk about this, the Ouyang family is at stake. Support."

At the same time, the other four fairies also nodded.

At this time, Yue Feng was completely anxious: "Masters, I should not be the so-called leader of the alliance, the Grand Palace Lord said it well, the Ouyang family has a good relationship with you, even if you don't take my face, you should go to support, Even if I beg you."

This...

Hearing this, all the heads present pondered.

"Everyone!"

At this moment, Ji Linglong suddenly said: "I hope you can understand a little, today's matter is a personal grievance between the Prime Minister and Yue Feng. At the beginning, Yue Feng killed the Prime Minister and now the Prime Minister is back. Taking revenge and slaughtering the Ouyang family is reasonable."

After speaking, Ji Linglong's tone became cold: "If you are going to support, it is against the Prime Minister, against the Prime Minister, against our Xicang Continent, Think about it!"

Hiss!

In an instant, everyone present couldn't help but take a breath of air, and they couldn't hide their fears.

Yes, Duan Yu not only has a divine weapon, but he is also the prime minister of Xi Cang Continent, with one person under ten thousand people, with a strong background, how can he be compared with these sects?

Once Duan Yu gets angry and leads a large army to invade the Earth Circle Continent, how can you stop these people?

For a time, fear and anxiety shrouded the hearts of every head.

call!

The next second, Master Kong Wu came out and apologized to Yue Feng: "Yue Feng, for the safety of Earth Circle Continent, Shu Lao Na is powerless."

“Yeah, in order to help you and the Ouyang family, we have sinned against Duan Yu. What if he sends troops to attack the Diyu Continent?”

“

, we can't help.” The

voice fell, and many sects evacuated one after another, leaving very decisively.

Seeing this scene, Yue Feng's eyes were blood red, his fists clenched tightly, and he wanted to laugh up to the sky.

I have paid so much for the Earth Continent.

What did you get in the end? !

Row!

It works!

These people are really special!

Chapter 1010

Yue Feng's eyes are red, but his heart is bleeding!

Now the Ouyang family is about to be wiped out by Duan Yu, and these sects in the Earth Circle Continent are unwilling to support the Ouyang family!

The only way now is for Yue Feng to personally go to aid the Ouyang family and stop Duan Yu.

“Yue Feng.” At this moment, Ji Linglong looked at Yue Feng with a smile and said, “Master Prime Minister, it's not wrong to kill the Ouyang family. But if you go to support the Ouyang family, your good brothers Sun Dasheng, Wen Chou Ugly, and that woman named Su Qingyan will definitely die. They got hit with my ‘Zhuxin Rot Gusan’. If they don't take the antidote within half an hour, they will die miserably.”

Speaking of this, Ji Linglong smiled and stretched out her hand, only to see a small medicine bag appeared in her hand, and shook it in front of Yue Feng's eyes: “This is the antidote, if you have the ability, come and get it.

” The task is to hold back Yue Feng and prevent Yue Feng from supporting the Ouyang family. The longer the delay, the better!

“Bring the antidote!” Yue Feng howled desperately, hitting him with a palm!

Ji Linglong showed a smile, she didn't fight Yue Feng at all, she turned around and ran! Not only that, but at this moment, tens of thousands of soldiers from the Xicang Continent poured in from all directions of the Zhaixing Building!

"Everyone obeys the order!" Ji Linglong's red lips opened slightly, and she ordered tens of thousands of soldiers: "Don't hurt others, just kill Yue Feng!"

"Yes!" The soldiers shouted in unison, holding the long spear, instantly killed Yue Feng!

Yue Feng clenched his fists tightly, waved his big hand, and saw a tall tower rising from the ground! Five hundred strong men slowly walked out of the tower! It is the Linglong Pagoda!

In the Linglong Pagoda, there are five hundred strong men. So Yue Feng is not afraid of these soldiers at all! But for a while, the antidote could not be obtained from Ji Linglong's hands!

Yue Feng held the blood-drinking sword and rushed left and right among the soldiers, unable to catch Ji Linglong at all. At this moment, Yue Feng was really about to cry, sweating profusely, chasing Ji Linglong, looking back at the major sects, and shouting loudly: "I beg you, go support the Ouyang family, I beg you, Yue Feng! I beg you!" The

voice fell, and Immortal Lingbao slowly stood up and said, "Yue Feng, our sons and daughters of the rivers and lakes, like to be straight, so if I have something to say, I will say it. I want us to help you. "That's impossible."

"Yes!" Han Ao Ran also stood up and looked directly at Yue Feng: "You scum, not to mention the death of my sister Miao Yuan, but the innocent Zhang Duoduo. You Scum, are you still counting on us to help you? Help the Ouyang family?"

Hearing the indifferent voice, Yue Feng only felt anger surge!

"This martial arts alliance leader, whoever you love will be who you will be, I, Yue Feng, can't afford it!" Yue Feng squeezed these words out of his teeth, took off the jade pendant from his waist, and slammed it to the ground! This jade pendant is the symbol of the martial arts leader. Only previous martial arts leaders can wear it!

"Yue Feng, these people won't help you, we Fuyao Palace will help you! You stay here and get the antidote for Sun Dasheng and others. Let's go to support the Ouyang family." He spoke softly, then turned around and flew towards the Ouyang family.

At this moment, Yue Feng's heart warmed, and his tears almost didn't come out.

"Fengzi."

At this moment, Sun Dasheng shouted weakly: "You also hurry up to support the Ouyang family, don't take the antidote." The

voice fell, and Wen Chouchou also said: "Yes, Fengzi, we If you can still hold on, hurry back to Zhongzhou City and stop Duan Yu."

In fact, both Sun Dasheng and Wen Chouchou knew that there was no antidote, and they would not live long. Because they can all feel that the poison in the body has begun to spread to the meridians.

But at this time, seeing Yue Feng unable to return to the Ouyang family in order to get the antidote, Wen Chou Chou and Sun Da Sheng felt uneasy!

What if you die here? Fengzi must be allowed to support the Ouyang family!

"No!"

Yue Feng couldn't help shouting, his eyes instantly moistened.

The Great Sage didn't want to drag himself down, how could Yue Feng not know!

"Yue Feng, I'll let you go, go, go! If you delay here for a while, the Ouyang family will be in more danger, do you know that!" Sun Dasheng almost shouted: "If you don't leave, it's not My brother!"

He could see that the tens of thousands of Xi Cang soldiers in front of him were the elite of the elite! Fengzi is entangled with them, and he will not be able to get the antidote for a while! If you delay for a while, the Ouyang family will be wiped out!

Wen Chou Chou also said weakly: "Fengzi, go away, save the Ouyang family first, and later... avenge us later. Let's go!"

"Ah..."
