Chapter 1171

“You Aiqings!”

At this moment, Emperor Tianqi looked around and said slowly: “I have caught a child, this child is related to Tongtian Sect’s betrayal of the party, Aiqings, what do you think, What should I do with this child?”

Speaking of this, Emperor Tianqi raised his hand towards Yan Xiong: “Yan Xiong, bring someone up.”

“Yes, Your Majesty!”

Yan Xiong responded and walked out of the hall quickly.

After a while, Yan Xiong returned, followed by a few soldiers of the Royal Forest Army, holding a young figure and kneeling on the main hall.

It was Yue Wuya.

At this time, Yue Wuya was bound by five flowers, his expression was pale, and his breath was sluggish. That immature face did not have the liveliness and innocence that a child should have.

“Y’er?”

At this moment, among the civil and military officials, a figure came out, the figure trembled, and shouted!

It is the King of Guangping!

Ever since Qin Rongyin’s mother and son left the palace, King Guangping suddenly lost the meaning of life, and lived in a turbulent life, as if he had lost his soul all day.

Today, Emperor Tianqi called the civil and military officials, and King Guangping was also absent-minded in the ceremonies of the previous court.

Just now Emperor Tianqi said that he caught a child related to a traitor, and King Guangping didn’t take it seriously.

But he never imagined that this child turned out to be Yue Wuya.

At this time, King Guangping stared closely at Yue Wuya, seeing that his young body was full of scars, and he did not know how much he suffered.

At this moment, King Guangping trembled and his heart was cut like a knife.

Swish!

In that second, King Guangping's eyes were blood red, he rushed over to push the two soldiers of the Imperial Forest Army away, and then hugged Yue Wuya tightly in his arms.

"Ya'er, Ya'er..." King Guangping kept chanting, a dignified seven-foot man with red eyes.

After Yue Wuya entered the hall, he was always trembling. After all, he was too young to face the powerful aura of Emperor Tianqi, and he was too scared to let out.

At this time, he was suddenly held in his arms by King Guangping. Hearing the familiar voice, Yue Wuya recovered, and finally couldn't hold back, and suddenly burst into tears.

"Father! Father..."

Yue Wuya was surprised and delighted, thinking that he was dreaming, and while crying, he hugged King Guangping's arm tightly, for fear that if he let go, King Guangping would disappear.

Whoa!

Seeing this scene, everyone present was stunned.

This child calls King Guangping 'Father King'?

But this kid was caught from the traitor's cottage.

what happened.

After Emperor Tianqi gave Qin Rongyin to King Guangping, Qin Rongyin's mother and son have been living in the palace and rarely go out. Therefore, the civil and military affairs of the Manchu Dynasty did not know the relationship between King Guangping and Yue Wuya.

Seeing this scene, Ren Yingying showed a warm smile.

Although this child was not born to King Guangping himself, King Guangping regarded him as his own. For this feeling alone, King Guangping deserves respect.

“Y’er, it’s alright, it’s alright, my father is here...”

At this time, King Guangping hugged Yue Wuya and comforted him gently. He asked, “Ya’er, where’s your mother? Where is your mother?”

When Qin Rongyin was mentioned, King Guangping’s eyes suddenly became urgent.

Chapter 1172

Yue Wuya choked for a moment and responded: “Mom is with a strange uncle, that strange uncle is a lunatic, Ya’er is very afraid of him... woo woo... Father, I miss my mother. ...”

The strange uncle in Ya’er’s mouth was referring to the Tongtian Sect Master. Because the Tongtian Sect Master is crazy, Ya’er calls him Uncle Weird.

Weird uncle?

Hearing this, King Guangping frowned secretly. Didn’t Madam go back to the Earth Continent to find Yue Feng? How can you be with a weirdo?

“Bang!”

At this moment, Emperor Tianqi couldn’t bear it any longer, he slammed down the dragon seat, glared at King Guangping and scolded: “King Guangping, what’s the matter?”

King Guangping came back to his senses. With a shudder, he quickly knelt down and said in fear: “Your Majesty, this must be a misunderstanding. This child should have nothing to do with the traitor.”

“Oh?” Emperor Tianqi’s eyes flickered, and he said

coldly: “Then talk about it.”

At that time, Emperor Tianqi’s face was extremely cold.

When Yue Wuya called King Guangping his father just now, Emperor Tianqi realized that this child was the son of Qin Rongyin!

Of course, it doesn’t matter!

What made Emperor Tianqi extremely angry was that Qin Rongyin had a private meeting with a groom before, and there was a lot of rumors about it! The entire imperial city is known to everyone! He issued an imperial decree by himself asking King

Guangping to execute Qin Rongyin and the child. He promised on the surface, but secretly disobeyed the imperial decree and secretly released the mother and son? !

Disobeying the imperial decree is a great rebellion. How can Emperor Tianqi bear it?

“His Majesty!”

At this time, King Guangping didn't realize that he was about to face a big disaster, so he explained carefully: “I grew up watching this child, he is kind-hearted, lively and lovely, how could he be related to the traitor of Tongtian Sect?”

” Guang! Ping! King!”

As soon as the voice fell, Emperor Tianqi was furious, his eyes bursting with fire: “Do you know the guilt? I asked you to kill Qin Rongyin and the child before, but now the child is alive and well, and the woman is not dead. Well, how do you explain it?!”

“I...”

King Guangping was shocked, he suddenly understood something, his legs were weak, and he was speechless.

It's over... King Guangping was terrified, sweating all over his head. At that time, I had no choice but to kneel down: “Your Majesty, this minister is convicted!”

“Convicted?”

Emperor Tianqi looked at King Guangping and said coldly: “What crime did you commit? Say it yourself!”

“Chen. ..”

At this moment, King Guangping only felt his brain buzzing, and under the panic, he couldn't calm down at all, and replied in a low voice: “This minister should not deceive the king, this minister released the mother and son in private. However, Your Majesty, Qin Rongyin's mother and son are innocent. Not long ago, Qin Rongyin had a private meeting with the groom, she was framed in this matter, she...” Before

he could finish, Emperor Tianqi interrupted coldly: “King Guangping, I tell you You, Qin Rongyin's woman, is not serious. You just let their mother and son go, and their mother and son turned to join Tongtian Sect. How do you explain this? Tell me, does Tongtian Sect have something to do with you?”

“Your Majesty!”

Listen At this point, King Guangping's face changed greatly, and he said quickly: "I have nothing to do with Tongtian Sect. I have always been loyal and loyal for the sake of the royal family and our Apocalypse Continent. How could it be possible to collude with Tongtian Sect?"

When he said this, King Guangping complained inwardly. He is indeed loyal to Emperor Tianqi! Over the years, King Guangping has made numerous military exploits for the Apocalypse Continent, campaigning in the South and the North! He has always been obedient to Emperor Tianqi. But before, Emperor Tianqi asked him to kill Qin Rongyin's mother and son, he really couldn't bear to do it! Had to disobey the decree! Heaven and earth conscience, this is the first time he has violated the imperial edict!

Huh..

At this moment, Emperor Tianqi took a deep breath, his tone was cold, looked at King Guangping and said, "I'm too lazy to listen to your explanation! In short, I asked you to kill this mother and son before, but you didn't obey the order, this is bullying The crime of the monarch! The crime of deceiving the monarch should be executed! Come on, take down King Guangping for me, and behead him outside the palace gate at noon tomorrow!

"

Hearing this, King Guangping's face was pale, he couldn't hold it any longer, and sat there all of a sudden.

Whoa!

In an instant, the entire palace hall was in an uproar!

Chapter 1173

Hearing that Emperor Tianqi was going to execute King Guangping, all the civil and military ministers present trembled!

You must know that King Guangping is the right-hand man of Emperor Tianqi, a hero of the Tianqi royal family!

But now, because of Qin Rongyin's mother and son, he will be executed! For a time, many people couldn't bear it.

But at this time, Emperor Tianqi was so angry that no one dared to persuade him!

quiet!

For a time, in the Qianyuan Hall, there was silence, and a needle could be heard clearly!

“Your Majesty!”

At this moment, King Guangping looked miserable and looked up at Emperor Tianqi: “This minister has committed the crime of deceiving the king, His Majesty wants the minister to die, and the minister has no complaints, but the minister has a request, I hope His Majesty can fulfill it. .”

When he said this, King Guangping had a decided look on his face.

Without Qin Rongyin’s company, King Guangping has lost meaning to his life, and death has nothing to do with him.

“Speak!”

Emperor Tianqi said coldly, his expression did not fluctuate in the slightest.

call!

King Guangping took a deep breath and said slowly, “Your Majesty, you have always been kind. Yue Wuya is still too young. I hope His Majesty will let him go.”

Bang!

As soon as the words fell, Emperor Tianqi scolded: “Okay, good you King Guangping, you are still interceding for this child in such a field?”

Immediately, Emperor Tianqi stopped talking nonsense and waved his hand directly: “Drag King Guangping. Go down! Slash at noon tomorrow!”

Hu La!

The voice fell, and several guards next to him directly tied King Guangping Wuhua and dragged him out of the hall.

“Your Majesty, Your Majesty...” When he was dragged out, King Guangping shouted in a hoarse voice: “The child is innocent, innocent...”

“Father!”

Seeing King Guangping being tied up Go, Yue Wuya cried, couldn’t help but chased out, but was stopped by the Imperial Forest Army.

The cry of King Guangping gradually faded away, and the atmosphere in the hall was still depressing and heavy, and the civil and military officials did not dare to let out the atmosphere.

Emperor Tianqi, still unabated, looked around and said coldly, "Aiqings, what should I do with this child?"

In fact, Emperor Tianqi had already made a decision in his heart. But he can't say it, it seems that he is too hard-hearted, he is an emperor after all, if he doesn't let this child go, if it spreads out, others will inevitably talk about it.

call!

For a time, everyone present looked at each other in dismay, and no one dared to speak rashly.

"Your Majesty!"

At this moment, Yue Chen came out and said with a face full of flattery: "Since this child is related to a traitor, as the so-called 'do all the work to get rid of evil, and weeds must be eradicated', this child, just execute it directly, so as not to stay Disaster."

When he said this, Yue Chen looked at Yue Wuya with an indifferent expression.

At this time, Yue Chen showed a smile. He knew that, according to his seniority, Yue Wuya should be called his uncle, but for the sake of prosperity and wealth, he could not care so much about his career.

Yue Chen could see that His Majesty wanted to kill Yue Wuya, but because of his bad identity, he said it himself. In this case, you can push the boat on your own, why not do it.

"Okay!"

With Yue Chen's words, Emperor Tianqi was in the middle of his arms, he nodded immediately, and said coldly: "Drag this child too, and I will behead with King Guangping tomorrow!" After

speaking, Emperor Tianqi thought of something: "By the way, will Let the two switch on and off!"

When he thought of King Guangping, for Qin Rongyin's mother and son, disobeying his imperial decree, Emperor Tianqi suddenly became angry. Tomorrow, the king of Guangping will be beheaded, and he will not be allowed to meet the child when he is dying!

“According to the order!” The

voice fell, and the two soldiers of the Imperial Forest Army dragged Yue Wuya out.

At this moment, Ren Yingying finally couldn't bear it anymore, and said anxiously to Emperor Tianqi: “Father, he is still a child, you are so cruel...” ” Shut

up for me!”

After she finished speaking, Emperor Tianqi scolded angrily: “My will has been decided, no one must violate it! Retreat!”

After speaking, Emperor Tianqi didn't even look at Ren Yingying, got up and walked out of the hall. Ren Yingying's face flushed red, and she stomped her feet in a hurry. How to do? A child as young as Yue Wuya has suffered so much, and he will be executed tomorrow, so he can't ignore it.

After the emperor left, the depressed atmosphere in the hall finally eased a lot.

“Huh..”

The civil and military ministers present were secretly relieved, and then left one after another.

Chapter 1174

At this time, Yan Xiong walked over with a smile, looked at Ren Yingying and said with a smile: “Your Highness, a friend of mine gave me a fun thing yesterday, saying that it can fly, called a glider, do you want to go to my house? Look?”

In Yan Xiong's heart, the life and death of King Guangping and Yue Wuya had nothing to do with him.

The most important thing now is how to promote the relationship between myself and the princess. After all, the emperor has given marriage, let Ren Yingying marry him.

“Go away!”

Ren Yingying didn't talk nonsense at all, she let out a coquettish cry, turned away without looking at Yan Xiong, and left.

This...

Yan Xiong froze there, staring blankly at Ren Yingying's retreating back, unable to calm down for a long time.

....

late night!

Palace prison.

The entrance to the gloomy prison, where two guards stood, sleepy.

“Whoosh!”

At this moment, a slender figure flew over from not far away, like a night elf, and fell gently.

I saw that she was wearing a black tight-fitting long dress, a delicate face, and unparalleled beauty, it was Ren Yingying!

That’s right!

Ren Yingying plans to rob the prison and take Yue Wuya away.

Just now, Ren Yingying begged to see Emperor Tianqi alone and pleaded countless times, but Emperor Tianqi was firm and insisted on executing Yue Wuya.

Ren Yingying really had no choice but to resort to this.

Ren Yingying didn’t understand why she cared about Yue Wuya’s life and death. Is it because he is Yue Feng’s son? Or is this kid cute and lovable? Ren Yingying couldn’t figure it out.

“Who?”

Hearing the movement, the two guards woke up suddenly, and one of them scolded angrily.

Immediately afterwards, when they saw the princess, the two were immediately terrified and respectfully said in unison, “I have seen the princess before!”

“Open the prison door.” Ren Yingying said coldly.

Hearing this, the two guards were embarrassed.

Immediately, one of them said with a bitter face: “Your Highness, the prisoners here are all prisoners on death row, and Your Majesty has ordered that no one can enter without His Majesty’s order...”

“Shu!”

Before he could finish speaking, I saw Ren Yingying's wrist turn, a long sword tightly held in his hand, and then, the icy blade was placed directly on his neck.

"Your Highness...Princess!"

In an instant, the guard's face turned pale with fright, and he couldn't even speak.

"Plop!" The

other was so frightened that he knelt directly on the ground.

In Tianqi Imperial City, who does not know that Princess Yueying is not only beautiful, but also resourceful, killing and decisive, provoking her is more trouble than provoking Yan Wangye.

"Open the prison door!" Ren Yingying said coldly again with a frosty face.

The two guards did not dare to neglect, and quickly opened the iron rope of the prison door.

no way.

They felt Ren Yingying's killing intent. If I don't open the door, I'm afraid that in the next second, my head will fall to the ground.

The moment the iron rope was opened, Ren Yingying opened the door and walked into the cell.

In the dark and damp cell, Yue Wuya's young body curled up in the corner, shivering.

He was afraid of the dark, of the oppressive silence around him. What he longed for more in his heart was the warm embrace of his mother.

"Y'er!"

At this moment, Ren Yingying walked in quickly and shouted softly.

Swish!

Hearing the voice, Yue Wuya's eyes lit up, surprised and happy: "Auntie? Is that you?"

While speaking, Yue Wuya followed the voice and ran towards Ren Yingying. Not to mention how happy he was, he suddenly threw himself into Ren Yingying's arms.

Chapter 1175

At this moment, Ren Yingying hugged Yue Wuya and saw Ya'er's young figure, she felt pity and pain in her heart, and hugged him even tighter: "Okay, Ya'er is good, auntie is here. I saved you."

When she said this, Ren Yingying deliberately searched the cell for a while. Before coming, Ren Yingying thought about it, and even King Guangping rescued.

But in the hall during the day, Emperor Tianqi specially explained that King Guangping and Yue Wuya were separated.

Therefore, seeing only Yue Wuya in the cell at this time, Ren Yingying couldn't help sighing, and then walked out quickly with Yue Wuya in her arms.

"Princess!"

Seeing this scene, the two guards outside were extremely anxious, but did not dare to stop them.

Ren Yingying didn't talk nonsense, she jumped with Yue Wuya in her arms, and in the blink of an eye, she disappeared into the vast darkness.

"What should I do?"

Watching Ren Yingying walk away, the two guards looked at each other, each other's extremely frightened.

This child is a death row prisoner appointed by His Majesty. Now that he is gone, he cannot escape the guilt.

"Let's report to Your Majesty."

Soon, the two guards discussed it and ran to the emperor's bedroom.

At this moment, in the queen's bedroom.

The Emperor Apocalypse was in the company of the Empress and was sitting there drinking suffocating wine.

Emperor Guangping was executed in the main hall during the day, and Emperor Tianqi was also very uncomfortable.

Speaking of which, King Guangping is not only a relative of the royal family, but also loyal to himself for so many years.

But...he committed the crime of deceiving the king, and he publicly protected Yue Wuya's child. If he is not executed, what kind of prestige will he have as an emperor in the future?

Seeing Emperor Tianqi gloomy, the queen couldn't help but comforted her softly: "Okay, Your Majesty! Don't drink it, and don't feel bad. King Guangping ended up like this, and it's his fate. No wonder you..."

"Well!" Tian Qi The emperor nodded and went to bed with the queen.

"Your Majesty!"

At this moment, a terrified voice came from outside the bedroom, it was the two guards of the prison.

Emperor Tianqi was displeased: "What's the matter, it's so late, I'm in a panic."

"Your Majesty!" .. kidnapped that kid!"

What?

Hearing this, Emperor Tianqi was furious, stood up abruptly, and shouted: "Come here, block the entire imperial city for me, in addition, pass the word of my word, and post pictures of Princess Yueying and her children everywhere. , arrest me immediately!"

When he said this, Emperor Tianqi's eyes were bloodshot!

The queen on the side was also in a hurry.

what happened?

Your Majesty was already in an irritable mood, and Yueying, this girl, has also started making troubles.

However, after a night passed, the Imperial Forest Army turned the entire imperial city over and over, but could not find Ren Yingying and Yue Wuya.

For a time, Emperor Tianqi was furious, and immediately dispatched the Imperial Forest Army to expand the search area. At the same time, Yan Xiong was also sent out to find the whereabouts of the princess and the child.

...

the next day.

The north wind whistled, and the icy winter rain was crashing down.

In the open space outside the palace gate, an execution platform was built.

At this time, around the execution platform, a lot of people gathered, standing on their feet and watching.

Yesterday, Emperor Tianqi ordered the execution of King Guangping, and the news spread all over the imperial city. Early this morning, almost all the people of the imperial city came to join in the fun.

Whoa!

At this time, the palace door opened, and King Guangping was wearing a prison uniform, his hands and feet were cuffed with chains, and he was led out by several guards.

At this time, King Guangping had a blank expression, there was no light in his eyes, and he completely lost the arrogance and arrogance of the king, which was very miserable.

Whoa!

Seeing this scene, the onlookers at the scene immediately erupted into heated discussions.

Chapter 1176

"I didn't expect that a dignified prince would end up like this!"

"Have you heard that the king of Guangping released Qin Rongyin, a bitch, and committed the crime of deceiving the king, so he was beheaded to show the public."

"Tsk tsk, it's no wonder, for that kind of woman, I don't even want to die, I deserve it..."
The

voice of the discussion came, and King Guangping didn't seem to hear it, but raised his head and let the cold rain wash away. own.

rain!

It's raining again.

Last time, the lady was framed and paraded through the street to show the public, and it was raining coldly in the sky.

Thinking to himself, the image of Qin Rongyin appeared in King Guangping's mind, and a smile appeared on the corner of his pale mouth.

Madam, I hope you have a good life, I failed to keep Ya'er, I have no face to see you in this life.

At this time, King Guangping did not know that Yue Wuya had been rescued by Ren Yingying.

"The hour has come, prepare for the execution!"

At this moment, the cold voice of the prison officer came
, and the executioner next to him raised his sword!

At this moment, Wang Guangping's heart was ashes, and he closed his eyes in despair.

At this moment, the surroundings were silent, and the people watching were all indifferent.

This chapter is provided by . Visit for daily update.

Last time Qin Rongyin was paraded on the street, many people threw eggs and stones at her. King Guangping arrested these people in order to surprise his wife. These people hold a grudge against King Guangping!

Everyone present believed that King Guangping was to blame himself, and no one sympathized with him.

"Cut!" The officer in charge of Zhan Zhan stood up slowly and said coldly!

The executioner took a sip of strong wine, sprayed it on the big knife, and slashed at King Guangping!

"Bang!"

However, at this critical moment, a stream of light suddenly flew from not far away and hit the long knife on the executioner's hand directly!

With the loud noise, I saw a hosta flying in!

The executioner trembled and took a dozen steps back before he stabilized his figure!

The supervisor next to him was furious: "Who is it? You are so courageous!" The voice fell, and I saw a woman walking in the rain, wearing a long snow-white dress.

"Hey!"

In an instant, the people around were stunned!

beautiful!

What a beautiful woman.

This woman, about thirty years old, has a compact body and full of charm! However, there is a strong aura all over the body! This woman is the Apocalypse Continent, the first killer organization, the pavilion owner of Lingyin Pavilion, Li Ruoning! Also Liu Xuan's master!

"Who are you?" Jian Zhanguan was also shocked by Li Ruoning's beauty, but he quickly recovered and scolded: "Take it for me!"

Hula!

The voice fell, and more than a dozen guards around rushed up.

Li Ruoning chuckled lightly, his sleeves danced lightly, and the surrounding air distorted and vibrated!

"Bang! Bang! Bang!" The

guards didn't understand what was going on, and they were all stunned and fell to the ground.

Immediately afterwards, Li Ruoning slowly walked towards King Guangping and said softly, "King Guangping, I will take you away. Don't worry, I am here today, and no one will hurt you."

As the No. 1 killer organization in Tianqi Continent, Lingyin Pavilion has assassinated Countless people have never failed! But only in Yue Feng, he missed many times! Up to now, Yue Feng is still alive and well!

In order to kill Yue Feng, King Guangping spent a lot of money! As a result, Lingyin Pavilion received a lot of money, but failed to successfully assassinate Yue Feng. Li Ruoning kept this matter in mind all the time, and felt a little ashamed of King Guangping.

Today, Li Ruoning passed through the imperial city and learned that King Guangping was about to be executed, so he came to rescue King Guangping. To save his life is to make up for him.

King Guangping was stunned and couldn't help but say, "You... who are you?"

King Guangping asked his subordinates to do the assassination of Yue Feng. Therefore, King Guangping never met Li Ruoning.

Chapter 1177

"Leave here and talk about it." Li Ruoning spoke softly, the voice fell, urging his internal force to break the chain, and then took King Guangping and flew into the air. .

Jian Zhanguan was frightened and angry, and shouted: "Stop them, stop them for me..." The

surrounding guards chased after them one after another. However, with their strength, how can they catch up with Li Ruoning? In the blink of an eye, he disappeared into the sky with King Guangping.

Whoa!

Seeing this scene, the people watching were stunned!

"Is that a fairy?"

"King Guangping is so lucky to have such a beautiful woman to save him!"

"If it were me, it would be worth dying immediately."

...

On the other side, the northern suburbs of the imperial city on a mountain. King Guangping was brought here by Li Ruoning.

The rain had stopped by now, but the north wind was still blowing.

King Guangping looked at Li Ruoning, unable to hide his curiosity: "This heroine, dare to ask who you are? Why do you want to save me?"

Li Ruoning looked at King Guangping quietly, with a beautiful face, revealing Indifferent: "I am the pavilion master of Lingyin Pavilion. I won't tell you my name. As for why I saved you..."

Huh..

After speaking, Li Ruoning sighed lightly and continued complicatedly: "When you We spent a lot of money to ask our Lingyin Pavilion to take Yue Feng's life. In this matter, our Lingyin Pavilion failed to do as promised. Therefore, my Lingyin Pavilion owes you a life. Now I saved you, my spirit From then on, the Yin Pavilion and you have complemented each other."

So it was.

Hearing this, King Guangping suddenly realized, and then he couldn't help laughing bitterly, and his heart was even more sad.

At the beginning, I didn't want my wife to go to Yue Feng, but I wanted to come in and kill Yue Feng.

But the result?

He and his wife are still inseparable.

Fortunately, Yue Feng did not die, otherwise, Madam would not be able to rely on her in the future.

Thinking to himself, King Guangping smiled at Li Ruoning: "Then I thank you!"

Immediately, King Guangping suddenly thought of something, and his eyes became urgent: "Pavilion Master, since you saved me, it was to pay back Yue Feng. That life, can you grant me a request?"

What does King Guangping want to do?

Li Ruoning frowned slightly, but nodded and said, "Your Highness, please tell me."

"It doesn't matter if I live or not." King Guangping smiled bitterly and said seriously, "I want to use my life for a child's life. , That child is just two years old, his name is Yue Wuya, and he should be locked in the prison of the palace now. If you can save this child, I, King Guangping, will treat you as a bull and a horse in the future!"

What?

A child named Yue?

Hearing this, Li Ruoning couldn't help but ask: "What does the child you mentioned have anything to do with the prince?"

King Guangping smiled: "The child is not my own, but I regard it as my own!"

Not my own.

At this moment, Li Ruoning's delicate face was full of surprise: "My lord, are you going to use your own life to exchange for a child who is not related to you?"

King Guangping was reluctant to say more, and bowed deeply, A salute: "I beg the pavilion master to complete it!"

Seeing his sincere expression and his resolute look on his face, Li Ruoning didn't know what to say, and nodded: "Well, I'll help you this time. You wait for me here first, if I can rescue the child If you can't save me, there's nothing I can do." When the

voice fell, Li Ruoning's toes touched the ground, and she rose lightly and flew towards the imperial city.

"Thank you pavilion master!"

King Guangping was overjoyed, and fell to his knees on the ground.

In his whole life, he has knelt down on his knees and knelt down to the emperor, and he has never knelt down on anyone else! But now, for Ya'er, he gave up all his dignity!

About an incense stick, Li Ruoning came back with a solemn expression and a scroll in his hand.

"Pavilion Master, how's it going?" King Guangping hurried up to meet him, his eyes full of anticipation.

call!

Li Ruoning breathed softly and handed the scroll to King Guangping: "The child has been rescued. Princess Yueying broke into the prison last night and took people away. Now the entire imperial city is searching for the two of them. A few city gates also posted portraits of the two of them."

What!

Ya'er was rescued by Princess Yueying?

Hearing this, King Guangping trembled in his heart, opened the roll of paper, and saw that this roll of paper was actually a reward order, with Ren Yingying and Yue Wuya painted on it, and a few lines below: The court is seriously injured, arrest the criminal! Anyone who catches these two will get a bounty of 10,000 taels!

"King Guangping!" At this time, Li Ruoning said softly: "Since the child is all right, you can make a living by yourself. Farewell!" After the

voice fell, Li Ruoning turned and left.

Haha...

Looking at Li Ruoning's leaving back, King Guangping was stunned for a few seconds, then he couldn't help laughing up to the sky.

Ya'er is fine, Ya'er is fine.

He is also unconcerned about himself.

Thinking to himself, King Guangping swept away the haze in his heart and strode into the distance.

King Guangping thought about it.

For more than ten years, he has been loyal to the royal family, but he ended up like this.

Chapter 1178

What kind of glory, wealth and wealth, in the eyes of King Guangping, it is already fleeting!

Since the catastrophe is not dead, then go to other continents and have a good time!

...

the other side.

Apocalypse Imperial City, suburbs, in a broken temple.

After Ren Yingying rescued Yue Wuya, the two fled all the way to this ruined temple.

At this moment, Yue Wuya was sitting on a pile of straw, rolling his eyes, watching Ren Yingying busy in front of him.

Ren Yingying used fire to roast a hare!

In a hurry to come out last night, Ren Yingying did not bring any condiments. However, with Ren Yingying's superb cooking skills, after a while, the broken temple was filled with bursts of fragrance.

"It's so fragrant!"

Yue Wuya couldn't help clapping his hands in admiration, almost drooling: "What my aunt makes is the best delicacy in the world!"

"Okay, little greedy cat!"

” Delighted, he tore off a rabbit’s leg and handed it to Yue Wuya.

After a night of running around, Yue Wuya seemed very tired, but his spirit was much better. Grabbing the rabbit’s legs, he devoured it.

Ren Yingying watched quietly from the side, feeling very distressed.

Such a small child has suffered so much.

How pitiful!

As he was eating, Yue Wuya suddenly thought of something, and his black eyes looked at Ren Yingying: “Auntie, where are we going next?”

“This...”

Hearing this, Ren Yingying breathed a sigh of relief.

After leaving the imperial city last night, Ren Yingying took Yue Wuya and immediately went to the Tongtianjiao cottage. I want to reunite Ya’er and Qin Rongyin.

However.

Because before the Apocalypse Royal Family, sent troops to attack Tongtianjiao. Therefore, Tongtianjiao’s cottage was already empty.

Ren Yingying has no clue as to where the Tongtian disciple and Qin Rongyin are now.

At this time, Ren Yingying wanted to say that she didn’t know where to go, so she could only flee in the future.

But seeing Yue Wuya’s innocent face, Ren Yingying couldn’t bear to hit him.

Thinking to herself, Ren Yingying showed a smile and said softly, “Of course I’m going to find your mother. Don’t worry, if my aunt is here, I will definitely help you find my mother.”

“Yeah!”

Yue Wuya nodded heavily, no Ask more and continue to eat rabbit meat obediently.

Soon, the two were full and ready to continue on the road.

But at this moment, night fell, and the rain, which had stopped, started to fall again.

“Auntie, it’s raining again!”

Yue Wuya said while looking outside, unable to hide his longing for Qin Rongyin. When it was raining before, Qin Rongyin always took him to walk outside to play with splashes.

Mom, where are you.

I miss you so much!

“It’s raining anyway.” Ren Yingying couldn’t help speaking softly, then cleaned up the corner of the ruined temple, and greeted Yue Wuya, “It seems that we can’t leave tonight, so let’s rest here. One night.”

Yue Wuya nodded: “Okay!”

Although he is only two years old, but after so much experience, Yue Wuya is much more sensible than children of the same age.

He missed Qin Rongyin very much in his heart, but he didn’t cry, but he was so cute and distressed.

After answering, Yue Wuya walked over and lay down on the straw beside Ren Yingying, but did not close his eyes, but looked at the night outside in a trance.

Seeing this scene, Ren Yingying was very distressed, and said with a gentle smile: “Y’er, can you sleep cold by yourself? Let my aunt hold you to sleep.”

When she said this, Ren Yingying didn’t think much at all.

However.

Yue Wuya suddenly got up and asked curiously, “Is this okay?”

“Ah?” Ren Yingying was

stunned and looked at him with interest: “What’s wrong with this?”

Yue Wuya said solemnly: “My father told me before that there is a difference between men and women, and it is impossible to give or receive. My aunt is a woman, and I am a man, so I can’t...” After speaking

, Yue Wuya shook his head.

Seeing him looking like a little adult, Ren Yingying froze for a few seconds, then couldn’t help laughing: “You are right, but you are a child, so it doesn’t matter, besides, I am your aunt Ah, it’s different from other women.”

When she said this, Ren Yingying's face was a little red, and she was a little embarrassed.

This kid is so smart.

Fortunately, he was only two years old. If he was older, he would not be able to hold him to sleep anymore.

Just thinking about it, I heard Yue Wuya continue: "Auntie, my father said that I will protect my mother when he is gone in the future. So I am no longer a child. Ya'er is already a man."

Chapter 1179

Speaking of this, Yue Wuya changed his voice and asked, "By the way, auntie, where is my father? Yesterday the emperor wanted to kill him, will the father die?"

"He..."

Hearing this, Ren Yingying looked complicated, squeezed out a smile, and said with relief: "He will be fine." He

failed to rescue King Guangping last night, and he should have been executed by now.

This child's heart is limited, so don't tell him such cruel things.

So without waiting for Yue Wuya to speak, Ren Yingying hugged him in his arms: "Y'er, go to sleep."

At this moment, feeling the warm embrace, Yue Wuya's mood gradually calmed down, but he didn't feel the slightest bit of drowsiness.

Ren Yingying couldn't sleep either, thinking about her thoughts. This child Ya'er is too pitiful, and I must not let him have an accident.

For a time, the two of them were thinking about their own thoughts. Inside the broken temple, it was very quiet, only the sound of the pattering rain outside kept coming.

"Auntie!"

After some time, Yue Wuya couldn't help but ask: "I can't sleep, can you tell me a story?"

"Okay!"

Hearing this, Ren Yingying nodded with a smile, After thinking for a while, he said, "Then let me tell you a story about my aunt pretending to be the sect master of Tianmen and arresting the six major sects... In the Earth Circle Continent, there are six major sects, namely Shaolin and Wudang..."

Put these At that time, Ren Yingying's thoughts returned to two years ago, and she felt very emotional.

Yue Wuya was immediately fascinated.

Until Ren Yingying finished speaking, Yue Wuya blinked his eyes and couldn't help but admire: "Auntie, you are too powerful, so many sects have been caught by you, and I will think of Auntie in the future.

"What Yue Wuya thought: "Yes, who is the Sect Master of Tianmen? Why did you pretend to be him at that time!"

"Sect Master of Tianmen!" Ren Yingying responded instinctively: "It's you..."

Halfway through, Ren Yingying realized something, stopped quickly, and asked, "Y'er, did your mother tell you who your father is?"

Dad?

Hearing this word, Yue Wuya couldn't help tilting his head, thought for a while, and said, "Isn't Dad the King Father?"

Hearing this, Ren Yingying suddenly understood something.

Obviously, Qin Rongyin didn't tell Yue Wuya the real life experience when he thought that Yue Feng was dead.

And Yue Wuya, until now, thought that King Guangping was his biological father.

"Auntie, why are you asking this?" Yue Wuya asked curiously, and then he couldn't wait: "You haven't told me who the Tianmen Sect Master is."

At this moment, a trace of Ren Yingying's delicate face revealed a trace. Unnatural: "The Sect Master of Tianmen is a nasty guy. That's why my aunt pretends to be him."

When she said this, Ren Yingying's mind came to the appearance of Yue Feng.

Back then, it was almost smooth sailing when he brought the twelve divine guards to the Diyu Continent.

But when I met this Yue Feng, everything changed.

In front of him, he was restrained almost everywhere, and he was taken advantage of several times!

And now, he is still working everywhere to save his son.

As soon as Yue Feng was mentioned, Ren Yingying suddenly became angry.

“Hateful guy?”

Yue Wuya muttered to himself, and then clenched his small fists: “The Sect Master that day, did you bully you? When Ya’er grows up, I will help you teach him a lesson.”

Listen At this point, Ren Yingying was dumbfounded.

That’s your father, how did you teach him? He’s about to teach you a lesson.

At this moment, Yue Wuya smiled and said, “Auntie, I still want to hear the story. Auntie, do you have the most memorable thing to tell to Ya’er, okay?” Have a

deep memory?

Ren Yingying thought secretly.

As a princess, Ren Yingying has been favored since she was a child. Before she became an adult, it was smooth sailing, and there was nothing memorable.

If you really have to!

The next second, in Ren Yingying’s mind, Yue Feng came to mind again.

At the beginning, he pretended to be the sect master of Tianmen and caught the six sects. Later, Yue Feng heard that someone pretended to be Tianmen, so he came to the door. At that time, he was chased by Yue Feng into a formation, and he thought that the formation could trap Yue Feng, but Yue Feng changed the formation, which made him hot and itchy, and had no choice but to beg him for mercy.

Another time, in Zhao Yun’s ancient tomb, he was influenced by the magic formation and mistakenly regarded Yue Feng as the father and emperor.

“Shuh!”

Thinking of this, Ren Yingying’s face turned extremely red.

However, the light in the ruined temple was dim, Yue Wuya lay in Ren Yingying’s arms, and she could not see her expression.

A few seconds later, seeing Ren Yingying being silent, Yue Wuya couldn't help but say, "Auntie, can't you remember?"

"What's the memorable thing about that?"

Ren Yingying shook her head, her face was hot, and then urged: "Where are the children, it's getting late, hurry up and go to bed, we have to hurry tomorrow."

"How could Ya'er know about the embarrassing incident with Yue Feng?"

This kid, Ya'er, is eloquent. If he told him about his father's deeds again, if he learned a little bit, he would not be serious in the future, and he would not be a little devil in the world.

Chapter 1180

"Auntie, go to bed obediently that Ya'er, tomorrow, my aunt will tell Ya'er a story, okay?" Yue Wuya said with a smile.

"Okay, okay." Ren Yingying touched his head with a smile.

Yue Wuya nodded happily. He was also sleepy at this time, and soon fell asleep, breathing evenly.

call!

Seeing Ya'er falling asleep, Ren Yingying took him into her arms. It was pouring rain outside and it was cold in the broken temple. The two hugged each other tightly and kept each other warm. After a long time, Ren Yingying barely fell asleep.

.....

the other side!

The Southern Cloud Continent, the Imperial Palace. Queen's Bedroom.

In the quiet and elegant yard, Yue Feng knelt in front of the queen, his expression was calm, but his heart was a little uneasy.

Because Yue Feng used ants to wear red ropes and made a great contribution. So just now, the Queen wanted to reward Yue Feng. Yue Feng said to the queen that he wanted the dragon spirit in Long Qianyu's hands.

At this time, the queen looked at Yue Feng coldly for a while before she said, "You little eunuch, do you want the dragon spirit of the eldest princess?"

“Yes, Your Majesty!” Yue Feng did not dare to raise his head, The tone was very firm.

I followed Long Qianyu all the way to the Southern Cloud Continent, just for the Panlong Jing, and I would never give up until I got it!

call!

The queen let out a sigh of relief and quietly looked at Yue Feng and said, “It stands to reason that you have made a great contribution by using ants to thread the rope. I should not refuse this request. But I can’t control the things of the eldest princess. Qianyu, even though she is my sister, but if I ask her to forcibly hand over the Panlong Spirit, wouldn’t it be hard to win people’s love and hard to be strong?”

Hearing this, Yue Feng felt helpless.

I go!

You are the queen, the ninety-five supreme! If you say a word, then Long Qianyu will not obediently obey?

Hearing the Queen’s response, Yue Feng was very anxious.

But how dare you say these words directly.

At this moment, Yue Feng forced a smile on his face, not knowing how to speak.

Yue Feng still didn’t know that the relationship between Long Qianyu and the Queen was not just a sister relationship.

After the death of the previous emperor, the entire Nanyun dynasty was in turmoil. It was Long Qianyu who strongly supported the empress’s ascension to the throne, and removed some hidden dangers with lightning speed, and the empress sat firmly on the dragon chair.

It can be said that Long Qianyu contributed greatly to the Queen’s status and achievements today.

Under such circumstances, how could the queen influence the relationship between her sisters in order to reward a little eunuch?

Seeing Yue Feng kneeling there, the queen raised her jade hand: “Get up first.”

Then, the queen said to the palace maid next to her: “Give a seat, give tea.”

“Yes, Your Majesty.

" A palace maid quickly brought a chair and placed it beside Yue Feng.

What is this for?

If you can't give me the Panlong Jing, you just want to invite me to sit down for a drink to fool this matter?

Yue Feng frowned secretly, and couldn't help but mutter in his heart.

At this time, under the hint of the queen, several palace maids prepared tea and fruit again.

"The dragon spirit of the eldest princess, I really can't make the decision for you, but you did make a difference today." The queen looked at Yue Feng with a smile, and said slowly: "But I also count, so, you are here today. , and the ministers, accompany me to drink and enjoy the scenery. I will give you one more privilege, and you don't need to kneel when you see me in the future, how about this?"

When she said this, the Queen's tone was very soft, but there was a sense of indifference. The majesty of rebuttal.

Whoa!

All of a sudden, the few civil servants next to him were all shocked, and looking at Yue Feng's eyes, they were full of envy.

It is already a great favor for a little eunuch to drink with Her Majesty the Queen.

And the queen also gave him the privilege of not having to kneel.

This is the first case in the entire Nanyun Continent.

If you were someone else, you would be overjoyed to get such a reward.

However, Yue Feng wanted to cry without tears! However, facing the Queen's quiet eyes, Yue Feng did not dare to refute, so he nodded with a wry smile: "Thank you, Your Majesty!" After the

voice fell, Yue Feng was not polite, and sat directly on the chair.
