

## The ultimate husband in Chinese chapter 1201-1210

### Chapter 1201

“Wow..”

Yue Wuya was shocked when he saw the Overlord’s Hammer over 200 meters high! Unspeakable shock! Indescribably excited!

“Overlord’s Hammer, Overlord’s Hammer, you become smaller!” Yue Wuya pressed his excitement and tentatively said.

“Shhh!”

Yue Wuya’s voice fell, and he saw that the Overlord’s Hammer quickly doubled in size!

“It’s still too big, Overlord’s Hammer, make you smaller and the smallest!” Yue Wuya raised his head and said.

Sure enough, when the voice fell, the Overlord’s Hammer instantly became smaller and became the size of an embroidery needle, falling into Yue Wuya’s palm.

“Good baby, good baby!” Yue Wuya jumped and held the Overlord’s Hammer, and couldn’t put it down and played with it.

The spirit beast was not found, but unexpectedly got the Overlord’s Hammer, it was a pleasant surprise!

Whoops!

However, just when Yue Wuya was excited, he heard footsteps coming from behind.

Yue Wuya hurriedly looked back, and his expression changed suddenly.

I saw dozens of people from all corners of the world, who came in at some point, staring at the bully hammer in their hands, their eyes full of greed and shock.

Obviously, the overlord’s hammer just got bigger and collapsed the top of the mountain, and the vibration caused by it attracted these people! At this time, nearly a hundred people surrounded Yue Wuya!

“Artifact, what this kid is holding is definitely an artifact!” In the

This chapter is provided by . Visit for daily update.

crowd, I don’t know who shouted, and the eyes of others became hot.

“Such a magic weapon, found by a little baby, is simply a waste.”

“Whatever you say, whoever grabs it will get it.”

For a while, everyone shouted, and at the same time urged their figures to rush towards Yue Wuya.

“You old birds, you still want to snatch my hammer, it’s shameless.” Yue Wuya snorted, watching everyone rush, and ran away.

“Kid, stop!”

“Little boy, give me the hammer, I will not treat you badly!”

“Don’t listen to them, I am the head of the Holy Sword Pavilion, as long as you give me the hammer, I will give you one Blue-tier weapons.”

Hearing these words, Yue Wuya immediately laughed. Others are big devils, how can they believe their words!

“A bunch of stupid birds, come after me!” Yue Wuya turned around and laughed, running away quickly.

This kid Yue Wuya, compared to his father, is even worse than his father, and his words are not serious.

Hearing Yue Wuya’s words, this group of people from all corners of the world turned red and almost exploded with anger. Among this group of people, there are many prominent figures, but at this time they were ridiculed by a child and felt greatly humiliated.

“Good boy, dare to scold me?”

“Boy is courting death!”

In anger, these people pushed their inner strength out one by one, and in an instant, the surrounding air was distorted, and the power was amazing.

If it was seven years ago, Yue Wuya would have been so panicked.

But in the past seven years, Yue Wuya had obtained the true biography of Lu Jiechen, so he did not panic at all, and led the people behind him to make a circle in this huge ancient battlefield ruins.

—  
the other side!

Earth-round continent, Mount Emei.

## Chapter 1202

The deepest part of the Emei Sect is the dormitory of the head Han Ran. In the fragrant room, Han Ao Ran sat on the edge of the bed in a dark purple dress.

I have to say that Han Ao Ran is worthy of being recognized as a goddess in all corners of the world.

Seven years have passed, and Han Aoran has become more sexy and charming, but the years have not left any traces on her face. Her face is as beautiful as ever, and her body is still tight and graceful, just like a fairy in the sky, not eating fireworks on earth.

On the bed, a little girl carved in pink and jade was lying there and sleeping soundly.

The girl looks seven or eight years old, wearing a pink Xiao Luo skirt, very playful and cute.

This girl is Han Aoran and Yue Feng's daughter.

Han Ao Ran named her Han Bing, making her like himself, cold and arrogant, thriving and arrogant in the world.

At this moment, Han Ao Ran quietly looked at Han Bing, his eyes were full of love and tenderness. Since becoming a mother, Han Ao Ran's state of mind has become much gentler than before.

Of course, Han Aoran can only have this gentle side when she is alone with her daughter. In front of outsiders, she is still the head of the Emei Sect.

"Squeak—"

At this moment, the door was gently pushed open, and a woman walked in slowly. It is Mrs. Miaoyuan.

Like Han Aoran, seven years have passed, and Master Miao Yuan is still too beautiful and full of charm.

"Senior Sister, is Bing'er sleeping?"

When she got to the front, Master Miao Yuan looked at the ice on the bed, and said with a soft smile, "This girl is very talented, and she practiced very hard. She practiced swords in the back just now. , I haven't rested all the time, I must be exhausted."

Han Ao Ran hummed softly, a bit of relief on his face. Indeed, his daughter is extremely talented. At the age of seven, she has mastered her own unique skill, the Great Ice Dragon Palm.

Master Miaoyuan continued: "Our Emei sect has disciples like Bing'er, who will surely be able to carry it forward in the future. Senior sister, I think we can train Bing'er to become the next generation's head of Emei. As for Zhou Qin that Girl, we can't count on it."

When Zhou Qin was mentioned, Master Miao Yuan was disappointed.

Zhou Qin was originally the eldest sister of the Emei faction. She has always been held by Han Ao Ran and Miao Yuan Shi Tai, and has high expectations. She is also a candidate for the next generation head.

But since Zhou Qin got to know Yue Feng and experienced so many things, the whole person is decadent, and he doesn't care about cultivation at all, and he is absent-minded all day long.

Hearing this, Han proudly smiled and did not respond.

In her heart, she also intends to train Han Bing to be the head of the next generation, but the child is still young, and Han Ao Ran plans to talk about it in a few years.

"Senior Sister Sect Master!" At this time, Master Miao Yuan looked at the sleeping Bing, and said curiously, "Bing'er looks more and more like Senior Sect Master you, this child grows up, too She must be a beautiful embryo." After speaking

, Master Miao Yuan couldn't help but laugh and said, "Senior Sister, sometimes I wonder, Bing'er, could this child be your lost daughter!"

Shuh!

Hearing this, Han Ao Ran's face flushed, and he said coquettishly, "What is the lost daughter? Bing'er is the child I picked up back then. I can't say this again in the future.

" Can't panic.

That's right!

The fact that Han Bing is his daughter, Han Ao Ran has been keeping it a secret. Except for Mr. Hongye, no one in the whole of Emei knew that Han Bing was the daughter of Han Ao Ran.

Han proudly declared to the public that Han Bing was the child he picked up.

At the beginning, Han proudly became pregnant and married Mr. Hongye. After thinking about getting married, he said that he was pregnant with Mr. Hongye's daughter. However, Han Ao Ran thought about it. In the future, his daughter will get older and older, but she doesn't look like Mr. Hongye at all. People on the rivers and lakes will definitely make irresponsible remarks.

So Han proudly decided to declare to the public that Binger was the child he picked up.

Originally, Master Miaoyuan had no doubts about this matter. However, as Han Bing grew up year by year, Master Miao Yuan noticed that this child became more and more like Senior Sister in charge, especially the beautiful face, which was exactly the same as Han Ao Ran.

"Senior sister in charge, Bing'er, this child really looks a lot like you..." Mrs. Miao Yuan said in a low voice.

"Junior Sister Miaoyuan!" This time, Han Ao Ran's face was completely straightened, and he looked at Master Miaoyuan and said, "I'll say it again, don't say it again in the future! Do you hear me!"

## Chapter 1203

Seeing Han Ao Ran was angry, Master Miao Yuan had to nod his head, and his voice changed: "By the way, Senior Sister Head, I heard that there is an ancient battlefield in Tianqi Continent. Recently, a spirit appeared in this ancient battlefield. The traces of the beast. Since Senior Sister is going to train Binger to become the next generation leader, do you want her to experience it?"

Hearing this, Han proudly pondered for a moment, then nodded and said, "Well, let Binger go to the ancient battlefield. , it's good to practice it. Maybe if you are lucky, you can catch one or two spirit beasts."

Although Han Bing was his own daughter, Han Ao Ran did not dote on her too much.

In the future, Bing'er is going to take over the Emei faction, so let her suffer a bit and practice more.

After a while, Han Bing woke up from sleep.

Under Han Ao Ran's arrangement, Han Bing followed Miao Yuan Shi Tai, left Mount Emei, and rushed towards the Tianqi Continent.

After a few days of traveling, finally, Han Bing and Master Miao Yuan arrived at the ancient battlefield.

When Han Bing went out for the first time, looking at the ancient battlefield in front of him, his little face was flushed, and he was very excited.

“Bing’er, since it’s an experience, I can’t follow you all the time. You can go to the ancient battlefield by yourself, and I’ll be waiting for you outside.” Master Miaoyuan said with a smile: “If you encounter danger, you will send a signal. , I will rush over as soon as possible

.” Han Bing nodded obediently: “I know! Aunt Miaoyuan, wait for Bing’er to catch the two spirit beasts and come out.” The

voice fell, and Han Bing walked towards the depths of the ancient battlefield. .

Along the way, Han Bing looked from east to west, this huge ancient battlefield was full of rubble and bones. After walking for a long time, I did not see the shadow of the spirit beast.

“There are no spirit beasts here..” Han Bing said to herself. After walking for a long time, she just felt very tired. Seeing that the sun was about to go down, she wanted to find a cave to rest.

As a result, at this moment, only heard the sound of footsteps not far away. Han Bing was curious in her heart, followed the voice, and was stunned when she saw the scene in front of her.

Not far away, I saw a group of people from all corners of the world, chasing after a young man.

The boy holds a hammer in his hand. Obviously, this group of Jianghu people wanted to grab his hammer.

The young man was sweating profusely from being chased, but his face was not flustered at all. The young man is Yue Wuya!

Han Bing furrowed her eyebrows tightly, and a group of adults actually chased a child. It’s really abominable!

Seeing this scene, Han Bing couldn’t be more angry. She was influenced by the Emei School and had a strong sense of justice since she was a child.

At this time, seeing Yue Wuya running towards her, Han Bing did not hesitate, suddenly raised her hand, and the cold words came out of her mouth.

“Big Ice Dragon Palm!” The

voice fell, and the side of the ice, the light shined! I saw an ice dragon appearing beside her in vain! The ice dragon roared wildly, almost tearing apart the world!

This big ice dragon palm was taught to Han Bing by Han Ao Ran himself. Although Bingbing is young, he is very talented and has a deep understanding of this trick.

“Roar!”

In an instant, an ice dragon roared and flew directly to the crowd!

“What kind of skill is this?!”

“What a powerful power!”

Seeing this ice dragon flying, those people in the rivers and lakes changed their faces and hurriedly resisted.

Taking this opportunity, Han Bing quickly ran to Yue Wuya, took his hand, and shouted, “Quick, run.”

After saying that, Han Bing took Yue Wuya’s hand and headed towards the woods in the distance. rush away.

At this moment, Yue Wuya was extremely grateful. This little sister, who she didn’t know, actually saved herself.

Huh..

I don’t know how long I ran. Seeing the people behind me and not catching up, Yue Wuya breathed a sigh of relief, and then smiled at Han Bing: “Little sister, thank you.”

When saying this, Yue Wuya couldn’t help looking at the ice.

For some reason, even though it was the first time they met, Yue Wuya felt a warm intimacy from Han Bing.

Chapter 1204

Han Bing smiled lightly: “Don’t thank me, Lu Jian is injustice to help me!”

As a disciple of the Emei School, Han Bing has a sense of justice since childhood.

Hearing this, Yue Wuya smiled and asked, “Which sect’s disciple are you, and are you here to catch spirit beasts?”

When Han Bing cast the big ice dragon palm just now, Yue Wuya felt the power of it. . The little sister in front of her is by no means an unknown person.

Han Bing smiled and said, "I'm from the Emei faction, my name is Han Bing, what about you?"

"I'm a disciple of the Ming sect, my name is Yue Wuya, since we are all here to catch spirit beasts, let's be companions Let's go." Yue Wuya issued an invitation with a sincere expression.

Saying that, Yue Wuya stretched out his hand.

"Okay!" Han Bing nodded. He stretched out his little hand and held it with Yue Wuya.

—

the other side!

Diyuan Continent, Ouyang family.

This is the beginning of spring, and the spring flowers are blooming.

The weather is good today. In the garden, Yue Feng is sitting in the pavilion, looking at the screen of his mobile phone, counting the days silently in his heart.

seven years.

In the past seven years, Yue Feng has worked hard to develop Tianmen. Today, Tianmen is already the first famous sect in the Earth Circle!

In the past seven years, Yue Feng has never forgotten two things.

The first is to send people everywhere to inquire about Qin Rongyin and the child.

The second one is the seven-year appointment with Liu Xuan.

"Today is the nineteenth!"

At this moment, Yue Feng looked at the time and date, his face could not hide the urgency, and said to himself: "The day I agreed with Xuan'er was on the 22nd, three days... and three days, seven years. The appointment is here."

When he said this, Yue Feng suddenly stood up from the chair, his face full of impatience.

Xuan'er, did you know?

For the past seven years, I have been looking forward to this day all the time!

“Sect Master!”

At this moment, a Tianmen disciple hurried over.

When he got to the front, the disciple couldn't hide his excitement, and said excitedly: “Report to the sect master, we have inquired about the whereabouts of Mrs. Qin Rongyin. She... She seems to be in Dongao Continent now! There is a city in Dongao Continent called Jiangbei City. Our Tianmen disciples took Mrs. Qin Rongyin's portrait and showed it to the nearby residents. The nearby residents said that they saw Mrs. just yesterday! Therefore, it can be concluded that Mrs. Qin Rongyin is in Dongao Continent, near Jiangbei City!”

Shuh!”

Hearing this, Yue Feng was shocked and couldn't say how happy he was. He quickly waved his hand: “Quick, go gather all the disciples, and follow me to meet Madam!”

When he said this, Yue Feng Very excited!

Madam, after so many years, I finally have news of you! Thank goodness, thank goodness!

I have to quickly bring my wife back, and then go to Xuan'er.

If these two things are done, I will have no regrets!

“Yes, Sect Master!”

Feeling Yue Feng's excitement, the disciple quickly responded, turned around and walked away.

After a while, the hundreds of thousands of disciples of Tianmen were assembled, and under the leadership of Yue Feng, they set off for the Dongao Continent!

Chapter 1205

... On the

other side, Dongao Continent.

Jiangbei City, located on the northwest border of Dongao Continent, belongs to a traffic fortress.

At this time, on the road outside Jiangbei City, a woman slowly walked towards the city gate.

This woman has a charming figure and a beautiful face, like a fairy who does not touch the fireworks of the world. However, there was a bit of exhaustion between her eyebrows.

This woman is Qin Rongyin.

In recent years, Qin Rongyin left Tongtianjiao and searched for Ya'er alone. In the past seven years, Qin Rongyin has traveled almost all over the nine continents, but there is no clue.

However, Qin Rongyin never gave up. Recently, Qin Rongyin came to Dongao Continent to look for it.

call!

At this time, seeing Jiangbei City not far away, Qin Rongyin breathed a sigh of relief.

After entering the city, first find a place to eat, and then continue to look for Ya'er.

Thinking to herself, Qin Rongyin quickened her pace.

hiss!

After entering the city gate, Qin Rongyin couldn't help taking a breath when she saw the scene in front of her, and she was stunned!

Qin Rongyin saw that the huge Jiangbei City in front of him was silent, and there was no one on the wide street!

The shops on both sides of the street have their doors open, the stalls on the roadside are full of dazzling things, and the pots of the food stalls are still steaming...

This Jiangbei City is a big city, and people should come here. People go, a very lively scene. But...but there is no one.

The silence of the whole city made people panic, as if everyone had disappeared all of a sudden.

How could this be?

Where have all the people here gone?

After being stunned for a few minutes, Qin Rongyin calmed down and couldn't help but mutter to herself, feeling a little uneasy in her heart.

A whole city, everything is there, but people are gone.

So weird!

Thinking to herself, Qin Rongyin quickened her pace, crossed the street, and walked out through another city gate.

Qin Rongyin didn't have time to think about it, she just felt that the empty city behind her was so quiet that it made people nervous, and she just wanted to leave this place quickly.

Outside Jiangbei City, there is a vast grassland. After Qin Rongyin left the city gate, he came to this grassland.

"Strange..." Qin Rongyin looked around, the empty grassland should have many herdsmen, cattle and sheep everywhere... But at this time, the grassland was extremely quiet, and there was no one.

Qin Rongyin was walking on the grassland, only to feel her heartbeat speed up inexplicably.

Da Da Da...

At this moment, I only heard the sound of horse hooves not far away!

Qin Rongyin hurriedly turned her head to look, her body trembled suddenly.

Just saw Qin Rongyin's left hand, an army of hundreds of thousands, lined up neatly, galloping! These hundreds of thousands of soldiers, wearing uniform black armor, can feel the chilling aura on them from a long distance!

The head is a woman, this woman is wearing a dark blue dress, her facial features are exquisite and charming, and she is charming and charming! It is... Ji Linglong!

Ji Linglong was originally Duan Yu's subordinate, and she even performed mind control on Xiao Yuruo at the beginning. Later, Ji Linglong followed Duan Yu and went to seek revenge for Yue Feng, but was caught by Yue Feng, who forcibly gave her Tongtian Pill, then put her back and returned to Duan Yu. Yue Feng asked her to monitor Duan Yu at all times.

Duan Yu was the prime minister of Xi Cang Continent, and now, Ji Linglong is Duan Yu's most capable subordinate. It can be said that Ji Linglong has a very high status in Xi Cang Continent!

## **The ultimate husband in Chinese chapter 1206-1210**

### Chapter 1206

The hundreds of thousands of soldiers behind Ji Linglong at this time are the elites of Xi Cang Continent!

Seven years ago, Xicang Continent wanted to attack Nanyun Continent. Before sending troops, Xicang Continent specially sent messengers to Nanyun Continent to investigate the situation. At that time, the messenger also presented a problem to the Queen of the Southern Cloud Continent. Thread jade with red rope. As a result, a little eunuch in the Southern Cloud Continent solved this problem easily. Therefore, the Xicang Continent believed that the Nanyun Continent was brave and resourceful. Therefore, the Xicang Continent gave up the plan to invade the Nanyun Continent and turned to attack other continents.

Recently, Xi Cang Continent has been eyeing Dongao Continent. Therefore, Emperor Xi Cang directly ordered Ji Linglong to lead an army of 150,000 to conquer Dongao Continent!

At this moment, Qin Rongyin's heart tightened, feeling the chilling aura of the Xi Cang army, only to feel that it was difficult to breathe. No wonder, no wonder the people in the city all ran away. It was going to be a war!

The next second, Qin Rongyin glanced to the right, and her delicate body was shocked again.

I saw that there were hundreds of thousands of soldiers in the wilderness on the right!

These hundreds of thousands of soldiers are wearing white armor!

Yes, this is the soldier of Dongao Continent! There are four major sects in Dongao Continent, namely: Wenzong, Danzong, Jianzong, and Yuzong.

Knowing that Xi Cang Continent was coming to invade, the four major sects of Dongao Continent organized to send disciples to resist Xi Cang Continent! The commander-in-chief headed by Dongao Continent is the Sect Master of Danzong, Zheng Chunqiu!

At that time, Zheng Chunqiu's wife, because of the two mirrors, destroyed the feng shui and contracted a serious illness. It was Yue Feng who rescued his wife.

Seven years have passed, and Zheng Chunqiu's appearance has not changed at all, and he is still very personable.

call!

At this time, Qin Rongyin was about to cry. Seeing that the two armies were about to explode, she felt uncomfortable. I walked to the battlefield where the two armies were fighting, I am afraid that today... I will die here.

"The whole army obeys the order!"

At this moment, Ji Linglong, who was suspended in mid-air, stared at the Dongao army, and said coldly: "I will kill the disciples of the four major sects in Dongao Continent without leaving a single piece of armor. , to strengthen my power of Xi Cang!"

This chapter is provided by . Visit for daily update.

"Kill!" The

voice fell, and the hundreds of thousands of Xi Cang army below let out a howl that shocked the world, pulled out their weapons, and rushed towards Zheng Chunqiu.

Zheng Chunqiu looked solemn, took a deep breath, turned back and shouted: "Brothers of the four major sects, swear to defend the homeland, never back down, kill!"

"Kill!"

"Defend the homeland!"

"The disciples of the major sects responded in unison, and the momentum was soaring, rushing up like a tide!

In the blink of an eye, the two armies collided head-on, and a tragic fight broke out!

"Ah!"

For a while, the screams and roars continued to sound, and the blood continued to splash, dyeing the earth red.

Seeing this scene, Qin Rongyin, who was in the midst of the melee, trembled faintly, and his face was extremely pale.

The two armies suddenly fought, and Qin Rongyin had no time to react, let alone a chance to avoid it.

Qin Rongyin was horrified when he saw blood splashing all around.

How to do?

The two armies are in chaos, and they are in the middle position, and they will definitely be accidentally injured.

Could it be...Is it destined to die here?

At this moment, Qin Rongyin was frightened and desperate.

I haven't found Ya'er yet, reunited with Yue Feng.

Ya'er, mom misses you so much.

Yue Feng, where the hell are you, I haven't met you again, I don't want to die like this!

At this moment, Qin Rongyin cried helplessly in her heart, and the tears kept streaming down.

Chapter 1207

"Ah!"

With a scream, the soldiers of the two armies fell one by one. This grassland has been dyed red with blood!

There are hundreds of thousands of soldiers on both sides. In such a war, the battlefield is of course tragic!

Qin Rongyin's face was pale, and he kept running in the battlefield. At this time, she only had one belief, and that was to leave the battlefield. She doesn't want to die! She hasn't found Ya'er, she hasn't found Yue Feng, she can't die!

"Where did the woman come from? Go to the side of death!"

At this moment, a soldier from Xi Cang came across with a tall horse with a long knife in his hand still dripping blood, and slashed directly at Qin Rongyin!

The two armies are fighting, this woman is running around, getting in the way, it is better to kill her with a knife!

"No.." Qin Rongyin only felt that his mind went blank as he watched the long knife fall!

This knife, she can't escape!

Qin Rongyin stood there with red eyes, waiting for the sentence of death.

It's over... It's over... With

this knife, I'm going to die...

Qin Rongyin's tears are falling down!

It doesn't matter if he died, but before he died, he couldn't find Ya'er, Qin Rongyin was not reconciled!

Ya'er.. Mom is sorry for you..

This soldier's long knife fell fast, and in the blink of an eye, it was already in front of Qin Rongyin!

At this moment, Qin Rongyin closed her eyes tightly, and tears poured out instantly! Before dying, all that echoed in my mind were the appearance of Yue Feng!

"Yue Feng, where are you... Do you know, I will never see you again..." Qin Rongyin's tears were like broken pearls, she shouted hoarsely: "Yue Feng, where are you? Ah!"

"Who dares to touch my wife, I want you, the whole army will die here!" At this moment, only a roar was heard, coming from the sky!

The 200,000 soldiers on both sides were shocked by this roar, and they all looked for the sound!

Seeing this, more than 200,000 soldiers were all stunned!

I only saw that there was a huge figure in the sky, flying very fast!

This is a giant beast, with a body of more than fifty meters long. It looks like a tiger but not a tiger. It has a dark purple body and a pair of wings on its back. Exactly...Qionqj!

On Qionqj, there is a man standing, this man, with knife-like facial features, is extremely cold! It is Yue Feng!

Seven years later, Xiao Qionqj's body length has reached more than fifty meters! The third stage of the Martial Emperor level!

Yue Feng stood on Qionqj, majestic! Behind Yue Feng, there are hundreds of thousands of people! It is the disciple of Tianmen!

“Clang! clang! clang!”

came the sound of neat footsteps! Tianmen disciples, all dressed in black Tang suits and holding long swords! The Tianmen disciples at the head carried a 200-meter-high banner! On the flag, there are nine golden dragons embroidered with eight characters in blood!

‘Punish evil and promote good! For the sky  
, the wind blows, and the flag is flying fiercely!

Tianmen, Tiandao Jiulongqi!

Silence! The huge battlefield is silent at this time! Everyone looked at Yue Feng!

“Roar!”

At this moment, Qiong Qi, who was at the foot of Yue Feng, suddenly let out a huge roar!

This huge roar came from the beast Qiongqi, shaking the sky and shaking the earth!

The roar of Qiongqi fell, and the entire grassland, all the war horses, were all crawling on the ground, trembling!

Coercion, coercion from the blood! Qiongqi, one of the four beasts, is as famous as the Blue Dragon and White Tiger! With a roar of Qiongqi, the beasts surrender!

The whole place, quiet and silent!

“Qiongqi, it turned out to be a divine beast, Qiongqi!” At this moment, someone shouted in horror, and finally broke the silence. In an instant, the army of Dongao and the army of Xicang were talking!

“All Xi Cang soldiers, listen to my orders, stand still, put down your weapons! Don’t hurt that woman!” At this moment, Ji Linglong pointed at Qin Rongyin and shouted! The voice spreads all over the battlefield!

Yue Feng once gave Ji Linglong the Tongtian Pill. That’s why Ji Linglong called Yue Feng the master! In the past few years, Tongtian erysipelas will attack once every time, and every time, Ji Linglong will find Yue Feng to get the antidote.

Now Ji Linglong, seeing the Nine-Long Banner of the Heavenly Dao, knew that Yue Feng was coming, and Ji Linglong also heard that Yue Feng was in charge of this woman, called Madam. So Ji Linglong ordered all Xi Cang soldiers to put down their weapons at this time!

“Dongao Continent, the disciples of the four major sects obeyed the order and put down the weapons in their hands! Don’t hurt Brother Yue Feng’s wife!” At the same time, the Danzong Sect Master Zheng Chunqiu also roared!

Eight years ago, Zheng Chunqiu’s wife became seriously ill. Thanks to Yue Feng’s mastery of ventilation and hydraulics, he saved his wife. Therefore, in Zheng Chunqiu’s heart, he is extremely grateful to Yue Feng!

At this moment, seeing the Nine-Cage Flag of Heaven, fluttering in the wind, Zheng Chunqiu knew that this woman who entered the battlefield by mistake must be extremely important to Yue Feng! So he issued an order to ask the disciples of the four major sects to lay down their weapons!

“Clang! Clang! Clang!”

In the blink of an eye, the two armies who were in the bloody battle actually dropped their weapons one after another! On the huge battlefield, more than 200,000 soldiers stood there with their bare hands, staring blankly at Yue Feng! No one knows how sacred Yue Feng is! It can actually make the two coaches temporarily stop the war!

“Madam! I found you, I found you...”

Yue Feng burst into tears, jumped from Xiao Qiongqi, landed on the ground, and ran towards Madam!

“Yue Feng... Yue Feng... is that you?” Qin Rongyin’s eyes were red, and the moment she saw Yue Feng, her whole body collapsed!

This... is really Yue Feng!

Are you dreaming...

Qin Rongyin rubbed her eyes in disbelief and looked again.

That’s right, it’s really Yue Feng, it’s Yue Feng!

It’s been ten years..

ten years, ten years! I finally saw him. When they separated from Yue Feng, Ya’er had not yet been born, and now Ya’er is nine years old, the two have really separated for ten years!

Qin Rongyin cried with joy, ten years, ten years! My man, ten years later, finally came to pick me up on the colorful auspicious clouds...

Madam burst into tears, and after a few seconds, she came to her senses and ran towards Yue Feng!

The two were galloping with thousands of troops and ran towards each other.

Wherever they passed, the army of Xi Cang and the army of Dongao retreated one after another and made way for a wide road!

Chapter 1208

“Madam!”

Finally, Yue Feng and Qin Rongyin embraced tightly!

“Wow...”

In an instant, Qin Rongyin couldn't help but burst into tears: “Yue Feng, is that you? Is it really you? I thought... I'll never see you in my life.. You know, I miss you so much... miss you so much...”

Ten years!

In the past ten years, Qin Rongyin thought about it day and night, and dreamed of looking forward to reuniting with Yue Feng. Now that I see him all of a sudden, all my longing has turned into tears!

“Madam, it's me, it's me...” Yue Feng hugged her tightly, looking at her sad face, his heart was cut like a knife, and he couldn't tell the guilt.

However, Qin Rongyin's tears could not be stopped at this time: “Yue Feng, where have you been all these years? Why didn't you come to me? Do you know that when I heard that you fell into the crater, I thought immediately die and go with you, but for the sake of our children, I survived...”

Saying that, Qin Rongyin's jade hand clenched his fists and kept hitting Yue Feng's chest: “Our child, Yue Wuya, In order to let him grow up healthy, I lived in Guangping Wangfu, that Guangping Wang was very good to me, but I always thought about you, you know? Later, Guangping Wang was convicted by the emperor because of me, I can't help it , I had to leave with the child, but...the child and I have been separated again. It has been seven years since I have been separated. In the past seven years, I have searched many places and have not found it. I hope you can appear and search with me. Our child, where are you, where are you? Yue Feng, I hate you, I hate you...”

Listening to Qin Rongyin's words, Yue Feng felt extremely uncomfortable.

“sorry Sorry..”

Yue Feng hugged her tightly and gently wiped the tears from her face, feeling distressed, he kept saying: "Madam, I'm sorry for making you suffer so much... Over the past ten years, I have been I didn't give up looking for your mother and son, God is pitiful, God finally let us meet again, don't worry, I will definitely find our child, don't be sad, okay."

Speaking of this, Yue Feng couldn't help himself, and kept kissing Qin Rongyin's face was extremely distressed.

Huh ..

Seeing this scene, Ji Linglong and Zheng Chunqiu, who were standing there, also breathed a sigh of relief, and felt a bit of fear in their hearts.

Fortunately.

Fortunately, Yue Feng came in time, if it was a step later, this woman named Qin Rongyin was injured in the melee, or died, then it would be over!

For a time, on the huge grassland, there was silence. Hundreds of thousands of people were present, and they didn't dare to breathe. Only Yue Feng's gentle consolation sounded constantly.

Finally, under Yue Feng's comfort, Qin Rongyin's emotions became less excited, but she still hugged him tightly, for fear that Yue Feng would disappear in the blink of an eye.

At this time, Qin Rongyin completely let go of her restraint, not to mention the hundreds of thousands of people around her watching.

All she knew was that the man in front of her, whom she had missed for ten years, had finally met again, and she would never be separated in the future.

Yue Feng hugged her tightly, feeling the warmth of reunion after a long absence.

"Brother Yue Feng!"

At this time, Zheng Chunqiu came to his senses, crossing the thousands of troops and horses, and came over with a smile: "It's really okay."

When he said this, Zheng Chunqiu couldn't help but glance at Qin Rongyin.

Just now, the two armies scuffled and almost accidentally injured Yue Feng's woman, so I have to come over and clear up the misunderstanding.

At the same time, Ji Linglong also came over, biting her lip tightly, not daring to meet Yue Feng's eyes, she lowered her head and said softly, "Ji Linglong...I have seen the master."

Seven years ago, Yue Feng Ji Linglong took Tongtian Pill.

Even if she was unwilling, Ji Linglong had to surrender. In the following years, Ji Linglong needed to get the antidote from Yue Feng every year. When she saw Yue Feng at this time, how dare she be presumptuous.

Ji Linglong's voice was so small that no one else could hear it, but Zheng Chunqiu could hear it clearly.

What?

The female commander-in-chief of the Western Cang Army actually called Brother Yue Feng the master?

Chapter 1209

In an instant, Zheng Chunqiu's face was full of surprise, and his heart was extremely shaken.

This Yue Feng brother is really a strange person. Every time I meet him, there are unexpected discoveries. Thinking to himself, Zheng Chunqiu looked at Yue Feng's eyes with admiration.

Yue Feng smiled slightly and said to Zheng Chunqiu, the sect master of Danzong: "Brother Zheng, I came to Dongao Continent this time to pick up my wife. There is nothing else to do. We will see you later. After a while, you can go to Di Yuan Continent. I'll order wine and dishes to entertain you."

"Okay!" Zheng Chunqiu laughed and patted Yue Feng on the shoulder.

Yue Feng nodded, took Qin Rongyin's hand, and led the hundreds of thousands of Tianmen disciples to leave in a mighty manner.

Watching Yue Feng's figure go away, Zheng Chunqiu and Ji Linglong looked at each other, embarrassed to each other.

The other party is Yue Feng's acquaintance.

Will this war continue?

.....

the other side.

Apocalypse Continent, ancient battlefield ruins.

In the dark woods, two children walked hand in hand, it was Yue Wuya and Han Bing.

In the past few days, the two have been roaming the ancient battlefield together, and they have become very good friends, almost inseparable.

Today, the two plan to leave the ancient battlefield. After leaving the ancient battlefield, Yue Wuya was ready to return to Ming Sect, and Han Bing was ready to return to Emei.

“Brother Wuya, will we meet again in the future?” When he was about

to leave the ancient battlefield, Han Bing flashed his big eyes and looked at Yue Wuya, full of reluctance.

I don't know why, the longer I stayed with Yue Wuya, the more cordial I felt in my heart, and I didn't want to be separated from him like this.

However, Master Miao Yuan was waiting for him outside, and he would eventually return to Emei with her.

“Of course! Of course we will meet again in the future.” Yue Wuya nodded heavily, looked at Han Bing and smiled: “My hometown is in the Earth Circle Continent, when I go back, I will definitely visit you at the Emei School. “

Really?”

Hearing this, Han Bing was very happy, and immediately stretched out a small hand: “Then let's pull the hook! You must not forget that when you return to the Earth Circle in the future, you must come to Mount Emei to see me.

” With her cute appearance, Yue Wuya smiled and stretched out his hand to hook her up.

After a few more words, the two left the ruins of the ancient battlefield.

Master Miao Yuan has been waiting for many days at the exit of the ancient battlefield. Seeing Han Bing coming out, Master Miao Yuan took Han Bing's hand and returned to the Emei School. Han Bing was reluctant to bear Yue Wuya, so he turned his head three times and waved at Yue Wuya constantly.

Yue Wuya stood there until Han Bing's figure was no longer in sight, and then he set off and rushed towards Mingjiao.

After several hours of traveling, Yue Wuya finally returned to the Bright Summit.

At this time, in the Hall of Light.

Lu Jiechen sat there with a smile on his face.

In front of him, Yue Wuya danced and narrated his experience this time: "Master, this time down the mountain, my disciple got a divine weapon!" After

speaking, Yue Wuya took out the Overlord's Hammer and demonstrated it excitedly. "Master, look, this Overlord's Hammer can become bigger or smaller."

Lu Jiechen stood up from his chair suddenly, only to feel that his head was blank! This hammer in Tu'er's hand is really unusual, it's really an artifact!

Chapter 1210

"Good! Good!"

Lu Jiechen looked at him with a smile, his face full of relief and admiration: "Y'er, in the past seven years, Master has not hurt you in vain, and you really did not disappoint Master."

At this time Lu Jiechen was very happy.

His beloved disciple is talented and smart, and now he has obtained a magic weapon. With such a disciple, why can't the Ming Cult flourish?

Speaking, Lu Jiechen couldn't hide his expectations, looked at Yue Wuya and said seriously: "Ya'er, Mingjiao will rely on you to revitalize in the future! There are some things that Master should tell you."

Hearing this, Yue Wuya quickly put away the bully hammer, respectfully listened to the teaching, and said obediently: "Master, please tell me!"

Hu...

Lu Jiechen took a deep breath, his eyes flashing a bit sharp, and he said word by word: "Let's talk about it! Mingjiao, there is a great enemy that cannot be shared with each other, that is Yue Feng, the Sect Master of Tianmen in the Earth Circle! Seven years ago, Yue Feng and his other two sworn brothers destroyed our Mingjiao. Master's wounds were also thanks to him. , in the future, you will become stronger, and you must avenge your master, you know?"

When he said this, Lu Jiechen clenched his fists and felt extremely resentful in his heart.

Yue Feng!

you wait for me!

Even in this life, I can't beat you, and I can't take revenge myself! But I also have an apprentice who is a genius in cultivation. The enmity between you and me will be settled sooner or later.

Yue Feng?

This is Yue Feng again.

At this moment, Yue Wuya frowned and his expression became solemn.

Seven years ago, my aunt Ren Yingying took herself to escape from the imperial city. At that time, she slept in a ruined temple. Ren Yingying once mentioned Yue Feng.

Yue Wuya clearly remembered that the aunt said at the time that she had suffered a loss from this Yue Feng.

And now, the master said that Yue Feng was the great enemy of the Ming sect, and the injury of the master was also due to him.

In an instant, Yue Wuya's anger rose, and he deeply remembered the name 'Yue Feng'.

"Master!" In the

next second, Yue Wuya clenched his fists tightly and nodded at Lu Jiechen: "Don't worry, one day this Yue Feng falls into my hands, and the disciple will make him pay a heavy price.

" At these times, Yue Wuya's face was full of determination.

"Okay, okay!"

Lu Jiechen showed a smile, very pleased.

...

On the other side, Dongao Continent!

After Yue Feng and Qin Rongyin left the battlefield where the two armies were fighting, Yue Feng sent hundreds of thousands of Tianmen disciples back to the Earth Circle Continent. Yue Feng himself brought Qin Rongyin to a cliff.

“Madam, I’ll take you to see my master!” Yue Feng’s face was full of smiles, he took Qin Rongyin’s hand, and said, “My master is an old man, known as the Sword Demon, clearly called Nangong Jue, with a swordsmanship that is unparalleled in the world! “

At this time, Yue Feng said incessantly. At this moment, he was carrying roast chicken and fine wine in his hand, with an excited smile on his face.

Yue Feng found Qin Rongyin and was very happy. Originally, he wanted to take his wife and return directly to the Earth Circle Continent. However, he suddenly thought of his master, Nangong Jue, and decided to come and visit.

Back then, Yue Feng and Xiao Xi fell from a cliff and were trapped in the deep valley below. Fortunately, they met Nangong Jue.

Under the guidance of Nangong Jue, Yue Feng not only managed to leave the valley, but also learned the ‘Tiangang Swordsmanship’ which is the best in the world.

This kind of kindness, Yue Feng will never forget it for the rest of his life.

It’s been ten years.

I haven’t seen my master for ten years, and I don’t know how the old master is doing now.

Thinking about it, Yue Feng quickened his pace, and his mood was extremely urgent. He knew that Master likes to drink, so he bought roast chicken and fine wine specially, and he was going to have a drunken break with Master later.

Soon, to the edge of the cliff.

Looking at the bottomless cliffs in front of him, Qin Rongyin’s delicate face turned pale, and he said softly, “Yue Feng, Master, is it right here? How did he live in such a place for so many years? Isn’t the master’s temper very weird?”

On the way here, Yue Feng told Qin Rongyin about worshipping Nangong Jue as his teacher.

Knowing that Nangong Jue was once a powerful figure in the world, Qin Rongyin couldn’t help but feel a little uneasy.
